Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibits M and N.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit J includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Renaissance hotel business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Renaissance hotel franchisee?	Item 20 or Exhibits M and N list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the Table of Contents.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. Out-of-State Dispute Resolution. The franchise agreement requires you to resolve certain disputes with the franchisor by arbitration only in Maryland. Disputes not subject to arbitration must be resolved by litigation only in Maryland. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Maryland than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) in Exhibit D to see whether your state requires other risks to be highlighted.

THE FOLLOWING APPLIES ONLY TO TRANSACTIONS GOVERNED BY THE
MICHIGAN FRANCHISE INVESTMENT ACT

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value, at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- *(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

- (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor. The franchisor is MIF, L.L.C., a limited liability company established under the laws of the State of Delaware in 2012. We will refer to the franchisor as “we” or “Marriott” throughout this disclosure document. The terms “we” or “Marriott” do not include our corporate officers, employees, directors, stockholders, parents, affiliates, or subsidiaries. We will refer to the person or entity that is considering purchasing a franchise as “you.” When we refer to the “United States” in this disclosure document, such term includes only the 50 states of the United States of America and the District of Columbia and does not include any possessions or territories of the United States. Capitalized terms not defined in this disclosure document have the meaning ascribed to them in the franchise agreement attached as Exhibit C.

We are a subsidiary of Marriott International, Inc. (“MII”), a publicly-traded corporation listed on the NASDAQ Stock Market. Our principal business address, and the principal business address of most of our affiliates, is 7750 Wisconsin Avenue Bethesda, Maryland 20814 (“Marriott Headquarters”).

These brands, together with any other brands we and our affiliates may develop or acquire in the future, are referred to as the “Company Brands.” Hotels and other lodging facilities operating under the Company Brands, whether owned, leased, managed, franchised, or part of a project containing a residential or condominium component operating under a Company Brand, are referred to as “Company Brand Hotels.”

We or our affiliates may directly or indirectly develop, acquire, operate, franchise and/or otherwise license other brands or businesses in the future.

Franchises Offered. We offer franchises to operate Renaissance Hotels, Renaissance Resorts, or Renaissance Hotels and Conference Centers. (Except where the context indicates otherwise in this disclosure document, the term “Renaissance Hotels” includes Renaissance Hotels, Renaissance Resorts, and Renaissance Hotels and Conference Centers.) Renaissance Hotels are full-service hotels that cater to discriminating business and leisure travelers. The hotels range in size from approximately 100 to just over 1,000 guestrooms. The hotels offer a variety of food and beverage options, including one or more restaurants, lounges, room service, catering, and banquet services. Many Renaissance Hotels have ballrooms and meeting rooms, business centers, and recreational facilities. Recreational facilities vary by location and may include indoor and/or outdoor swimming pools, health clubs and spas, tennis courts, championship golf courses, and jogging paths. Each Renaissance Hotel is uniquely designed to reflect its particular locale. Renaissance Resorts are usually located at vacation destinations. A Renaissance Hotel and Conference Center offers similar standards and amenities to a Renaissance Hotel but includes meeting space and other facilities that meet or exceed the standards for conference centers established by the International Association of Conference Centers. All franchised Renaissance hotels in the United States and Canada are part of a single system.

We currently do not offer franchises for Renaissance Conference Centers but may do so in the future. On occasion, we may allow a Renaissance Hotel to be identified and marketed as a “Renaissance Hotel and Conference Center” if we determine that such identification is appropriate, and that the hotel meets the standards for conference centers established by the International Association of Conference Centers. Such hotels are separate and distinct, however, from “Renaissance Conference Centers.”

If approved, we will offer you a non-exclusive franchise to use our “system” developed by us for the establishment, development, and operation of a Renaissance hotel at a specific location. The “system” consists of the “Renaissance” trademark and other trademarks that we designate; design criteria and specifications; high standards of cleanliness, quality, and service; training programs and materials; advertising, marketing, and promotional programs, including loyalty programs; a reservation system; a property management system; a revenue management system; and a quality assurance program. We may unilaterally add to, merge, discontinue, or otherwise modify components of the system at any time (including in response to changes to applicable laws and regulations, consumer preference, and market conditions). Modifications to the system may be made for all Renaissance or any category of those hotels. A category may have specific physical and operating standards or merely be a descriptive designation or another designation as we determine.

Residences. We have received various proposals from franchisees seeking to add a residential, condominium, or multi-family rental component to a Company Brand Hotel project. If your hotel will have a residential, condominium, or multi-family rental component, we may require that such component operates under the applicable Company Brand, and the franchise agreement will be modified and supplemented to include provisions addressing the governing documents in effect or to be used by you or others for sales, leasing, operations, maintenance and governance of the project or components thereof. In most instances, the individual units within a residential, condominium, or multi-family rental project will not be independently franchised and must be operated in connection with a Company Brand Hotel. Any proposed rental program for such units (and related documents) is subject to our approval and applicable laws, including securities laws. Given the many potential structures for these projects, we reserve the right to supplement or waive any requirements (including any standards) with respect to a particular project, depending on the location and physical layout of the project and applicable condominium and related laws. If approved, we will generally require that facilities, amenities and areas necessary for the management of the hotel are owned and controlled by you and operated by you or your approved management company. In addition, the use of our trademarks for the operation of any residential, condominium, or multi-family component will be subject to an additional license agreement. Although we will not participate in the development or sale of any units, in certain circumstances we may grant a license allowing the units to be

sold under a Company Brand pursuant to a marketing license agreement. We may also grant licenses to rent units under the Company Brands using our reservation channels, distribution channels, and loyalty programs.

Business Experience of Franchisor and Affiliates. We acquired the management and franchise business of Renaissance Hotels in 1997. We obtained the right to license Renaissance Hotels from our affiliate, Renaissance Hotels Holdings, Inc. As of December 31, 2024, we and our affiliates operated 67 Renaissance Hotels in the United States and Canada.

Company Brand Hotels. The Company Brand Hotels cater to a broad spectrum of customers, and include luxury and upper-upscale full-service hotels, lifestyle hotels, extended-stay hotels, select-service hotels, mid-scale hotels, serviced-apartment hotels, all-inclusive hotels, residences, properties offering outdoor-oriented lodging accommodations and related services, and other lodging businesses. Other Company Brands. In addition to operating and franchising Company Brand Hotels, we and our affiliates manage golf facilities and resorts and luxury yachts under the Company Brands. We and our affiliates also grant franchises or licenses to real estate developers to market, sell, and rent residential and condominium units under the Company Brands using our reservation channels, distribution channels, and loyalty programs. We may manage the day-to-day operations of the condominium or residential units on behalf of the residential or condominium owners’ associations.

In 2024, we and our affiliates announced our expansion to outdoor-focused lodging products. Concurrently with the announcement, MII acquired the Getaway Outposts brand from Getaway House, Inc. (“Getaway”). Getaway operates 29 multi-cabin outposts across the United States and abroad. Marriott subsequently re-launched the brand under the name “Postcard Cabins,” and the existing Getaway Outposts were converted into Postcard Cabins facilities that operate under franchise agreements with Marriott. In 2024, MII also entered into an exclusive, long-term license agreement with Trailborn Brand LLC, an existing outdoor hospitality brand. Through the license agreement, room nights at participating Trailborn properties will be available on Marriott.com and other MII distribution channels. Participating Postcard

Cabins and Trailborn facilities will be deemed Company Brand Hotels and part of the Outdoor Collection by Marriott Bonvoy.

In 2024, MII entered into an exclusive, long-term license agreement with Sonder Holdings, Inc. to create the “Sonder by Marriott Bonvoy” collection. Through the license agreement, Sonder’s existing portfolio of 200 apartment-style properties will identify themselves under the “Sonder by Marriott Bonvoy” trademark and will be listed on Marriott.com and other Marriott distribution channels. The Sonder by Marriott Bonvoy properties are deemed Company Brand Hotels.

In 2023, MII entered into an exclusive, long-term strategic license agreement with MGM Resorts International (“MGM”) to create the MGM Collection with Marriott Bonvoy. We and our affiliates may operate or grant third parties the right to operate all-inclusive resorts under any of our Company Brands. In conjunction with our entry into the all-inclusive market, IHLC acquired Elegant Hotels plc. Elegant Hotels operates seven hotels (certain of which are all-inclusive) in Barbados. Of the seven Elegant Hotels, four are in the process of converting into Autograph Collection hotels, two are in the process of converting into Tribute Portfolio Hotels, and one is in the process of converting into a The Luxury Collection Hotel. In 2011, MII’s domestic and overseas timesharing and fractional destination club business and certain related whole ownership residential development businesses (respectively, the “Marriott Destination Club” and “Marriott Whole Ownership Residential Businesses”) were spun off as an independent publicly-traded company, Marriott Vacations Worldwide Corporation (“MVW”). Pursuant to long-term license agreements with MII and its affiliates, MVW has: (i) the exclusive right to develop and operate the Marriott Destination Club and Marriott Whole Ownership Residential Businesses and related products under the brand names Marriott Vacation Club®, Marriott Vacation Club® International, Marriott Vacation Club Destinations®, Grand Residences by MarriottSM, Sheraton Vacation Club®, Westin Vacation Club®, and other approved property names; (ii) the exclusive right to develop and operate the Marriott Destination Club and Marriott Whole Ownership Residential Businesses and related products under the brand names The Ritz-Carlton Destination Club® and The Ritz-Carlton Club®; (iii) the right to sell, market, manage, operate and/or finance certain existing vacation ownership properties under the St. Regis Residence Club® name, the Luxury Collection Residence Club® name, and under other existing property names using the St. Regis® and The Luxury Collection® marks; and (iv) the non-exclusive right to develop Whole Ownership Residential Businesses and related products under the brand name The Ritz-Carlton Residences® ((i) through (iv) collectively, “MVW Licensed Brands”). We and our affiliates may manage certain of these projects.

Except as noted above, neither we nor our affiliates have offered franchises in any other line of business.

Laws Applicable to the Lodging Industry. A summary of laws and regulations specific to the lodging industry is listed at Exhibit J.

Market and Competition. The market for lodging services is well developed and highly competitive. You will compete with other hotel and resort properties, ranging from national and international hotel brands to independent, local, and regional hotel operators, as well as alternative lodging companies that rent residential inventory in a manner consistent with hotels. You may also compete with other lodging facilities operating under the Company Brands and MVW Licensed Brands. Depending on your geographic location and the services offered, your business may be seasonal.

The market for residences, condominiums, and multi-family development projects is well developed, regulated, seasonal, and highly competitive. If you elect to develop or operate a residential component with your Company Brand Hotel, you will compete with local, regional, and national residential property developers and residential brands, many of which are well-established in the market with respect to both new development and re-sales. You may also compete with other Company Brands and MVW Licensed Brands that may be located close to your project. Your ability to compete in the marketplace is dependent upon a number of factors, including location, accessibility, level of service, operating efficiency, quality and appearance, marketing and advertising programs, associate satisfaction, and general economic conditions.

The hotel business is highly sophisticated. Both typical and special business risk factors exist in the hotel and residential industries. Risk factors that you should consider may include (without limitation): the location and size of your hotel; the potential seasonality of consumer demand in your market; competition in your market; changing consumer demand and preferences; whether you manage the hotel; the cost and availability of supplies, equipment, labor, and financing; your management skills and abilities; the continuation of sources of supply; fluctuations in real estate values; the cost of compliance with applicable laws and regulations; the cost of operating in a sustainable, ethical, and socially conscience manner, consistent with prevailing business practices and consumer expectations; developments in technology and disruptions in technology systems; environmental liabilities; insurance needs; recession or depression locally, nationally, or internationally; wars, terrorist turmoil, strikes, national or local

emergencies, public health incidents, natural disasters, and other forms of social and political uncertainty; and liability and casualty losses. We urge you to consult with your professional advisors to identify and consider all risk factors that may affect your business.

ITEM 3

LITIGATION

Except for the actions described below, there is no litigation that must be disclosed in this Item.

A. Data Security Incident

On November 30, 2018, MII announced a data security incident involving unauthorized access to the Starwood reservations database (the “Data Security Incident”). MII discontinued use of the Starwood reservation database for business operations at the end of 2018. Following MII’s announcement of the Data Security Incident, numerous lawsuits were brought, and may continue to be brought, against Starwood, MII, and their respective officers and directors. Below is a summary of certain litigation matters relating to the Data Security Incident:

1. In re Marriott International Customer Data Security Breach Litigation (MDL No. 19-md-2879). Numerous putative class actions and some individual actions have been filed against Starwood and MII in U.S. federal and state courts alleging, among other claims, negligence, invasion of privacy, violation of federal and state consumer protection and data privacy laws, violation of municipal ordinances, violation of the European Union’s General Data Protection Regulation and similar foreign laws and regulations, conversion, misrepresentation, and unfair and deceptive trade practices. The plaintiffs in these cases seek statutory, actual, compensatory, punitive, and consequential damages, including attorneys’ fees and costs, in amounts to be proven at trial. The amount sought by all plaintiffs is not yet specified.

On December 3, 2018, two plaintiffs moved the Judicial Panel on Multidistrict Litigation (“JPML”) for transfer and consolidation of 11 then-pending federal cases and later tag-along cases. The JPML issued an order on February 6, 2019, transferring these and future “tag-along” cases to the United States District Court for the District of Maryland for coordination and captioned the MDL matter In re Marriott International Customer Data Security Breach Litigation (MDL No. 19-md-2879) (the “MDL”). The JPML has transferred or conditionally transferred nearly all tag-along cases filed thereafter, and the defendants will continue to request transfers to the MDL if new matters arise.

On July 22, 2019, consumer MDL plaintiffs filed an Amended Consolidated Complaint which added Accenture LLP and Accenture PLC as defendants. Accenture PLC was subsequently voluntarily dismissed without prejudice. The parties also selected a sub-set of claims from the Amended Consolidated Complaint to proceed at this stage of the litigation. On August 26, 2019, consumer plaintiffs filed a Second Amended Consolidated Complaint. Defendants moved to dismiss the Second Amended Consolidated Complaint on September 23, 2019, and on February 21, 2020, the Court granted in part and denied in part MII’s motion. MII filed an answer to the portions of the Second Amended Consolidated Complaint on July 13, 2020, and an Amended Answer on August 3, 2020. In May 2022, the Court granted class certification to several groups of plaintiffs. MII and its co-defendants filed petitions to appeal the class certification, and on July 14, 2022, the U.S. Court of Appeals for the Fourth Circuit (the “Fourth Circuit”) granted those petitions. In August 2023, the Fourth Circuit vacated the District Court’s class certification decision because the District Court failed to first consider the effect of a class-action waiver signed by all putative class members. On remand, after briefing, the District Court issued an order reinstating the same classes that had previously been certified. MII promptly petitioned the Fourth Circuit, which granted leave to appeal the District Court’s ruling. The Fourth Circuit heard oral argument on that appeal on November 1, 2024, but has not yet issued a ruling. Starwood, MII, and the other named defendants intend to defend vigorously against these claims.

2. City of Chicago v. Marriott International, Inc., et al., Case No. 8:19-cv-00654 (D. Md.). On February 14, 2019, the City of Chicago (the “City”) filed an action against MII under Section 2-25-090 of the Municipal Code of Chicago. The City seeks declaratory relief, an injunction requiring MII to adopt

additional data security measures, and a fine of up to \$10,000 per day for each alleged violation of the Code. The City also requests an order requiring MII to establish a fund to pay for monitoring of residents' information and other so-called precautions the city claims are necessary. On March 1, 2019, the JPML transferred this action to the District of Maryland, where it is being litigated as part of the MDL and was assigned the individual case caption *City of Chicago v. Marriott International, Inc., et al.*, Case No. 8:19-cv-00654-PWG. On June 20, 2019, the city filed a First Amended Complaint. MII moved to dismiss the complaint on July 15, 2019. After full briefing, the district court denied the motion on December 13, 2019. MII answered the First Amended Complaint on January 27, 2020. On September 8, 2022, the court granted MII's motion to dismiss the City's claims for injunctive relief but denied MII's motion to dismiss the monetary claims. The City then moved to transfer the case to federal court in Chicago, which was denied by the court on January 18, 2023. MII's motion for summary judgment as to the scope of Chicago's fine power was denied without prejudice on July 5, 2023. The discovery process is mostly complete. MII intends to continue to vigorously defend against this action.

3. Administrative Investigations. The Data Security Incident, and a subsequent data security incident occurring at the end of February 2020 involving the potential access of guest information using the login credentials of two employees at a franchise property in Russia, have resulted in investigations by regulatory authorities in various jurisdictions, including the U.S., Canada, and Australia.

a. U.S. Investigations. Attorneys General from all 50 U.S. states and the District of Columbia (the "AGs"), the Federal Trade Commission, and certain committees of the U.S. Senate and House of Representatives have made inquiries, opened investigations, or requested information and/or documents relating to the Data Security Incident and associated matters. On October 9, 2024, MII announced that it had reached final resolutions with the Federal Trade Commission and AGs from 49 states and the District of Columbia relating to the Data Security Incident. The resolution with the AGs includes an agreement to pay a total of \$52 million to be divided among the participating AGs. Those payments have been made. MII also agreed to continue implementing enhancements to its data privacy and information security programs, many of which are already in place or in progress. As indicated in the agreements with the FTC and the AGs, MII has made no admission of liability with respect to the underlying allegations.

b. Information Commissioner's Office in the United Kingdom (the "ICO") Action. In July 2019, the ICO issued a formal notice of intent under the U.K. Data Protection Act 2018 against MII in relation to the Data Security Incident. On October 30, 2020, the ICO issued a penalty notice under which it alleged that MII had infringed the EU General Data Protection Regulation and required MII to make a payment of £18.4 million (~\$23.8 million at the time the notice was issued). MII paid the monetary amount did not appeal the ICO's decision. MII did not make any admission of liability in relation to the decision or the underlying allegations.

c. Turkish Personal Data Protection Authority ("KVKK") Action. Following an investigation into the Data Security Incident, the KVKK issued Decision No. 2019/143 on May 16, 2019. The KVKK imposed an administrative fine on MII in the amount of Turkish Lira 1.450.000 (~\$40,000 as of March 17, 2025), which MII paid in full pending the outcome of its appeals. In December 2023, the Turkish Constitutional Court accepted MII's appeal of this amount and ordered the Criminal Court of Peace to conduct a retrial. MII is vigorously defending against this action.

d. Canadian Office of the Privacy Commissioner ("OPC") Investigation. Following an investigation into the Data Security Incident, the OPC found that allegations against MII relating to the Data Security Incident were well-founded. The matter was conditionally resolved after MII agreed to conduct separate internal and external assessments of its corporate governance and

security programs. MII submitted the assessments in April and May 2023, respectively. On July 25, 2023, the OPC closed the inquiry.

e. Office of the Australian Information Commissioner (the “OAIC”) Investigation. Following an investigation into the Data Security Incident, the OAIC issued an Enforceable Undertaking on December 19, 2022. The Enforceable Undertaking includes injunctive provisions expiring in 2027 that require MII to conduct two third-party independent assessments of its information security compliance program. The first of the assessments was completed in December 2023 and the second assessment will be completed by December 2025. MII was not required to make any monetary payments as a result of the Enforceable Undertaking.

4. Canadian Actions. Following the disclosure of the Data Security Incident, 16 putative class action lawsuits were commenced in British Columbia, Alberta, Ontario, Quebec, and Nova Scotia. The putative class action lawsuits name as defendants variations of Starwood Canada ULC, MII, Starwood, Luxury Hotels International of Canada, ULC, and Marriott Hotels of Canada Ltd. The plaintiffs allege various claims, including negligence, intrusion upon seclusion, and breach of Canadian federal and provincial privacy statutes and consumer protection statutes. Some of the plaintiffs allege further or province-specific causes of action. The plaintiffs seek a combination of statutory, general, special, exemplary, punitive, and aggravated damages, including attorneys' fees and costs, in amounts to be proven at trial. The cases have been consolidated and are proceeding as a single case in Ontario. Plaintiffs sought to obtain a preliminary ruling from the court as to whether the tort of intrusion upon seclusion applies to their case. On January 17, 2022, the court held that the tort does not apply in data security cases. On November 25, 2022, the Court of Appeals affirmed the lower court decision, and the Supreme Court of Canada denied plaintiffs' petition to appeal in July 2023. MII and its affiliates dispute the allegations in the claim and intend to defend vigorously against it.

B. Destination, Resort, and Amenity Fees

A group of AGs representing all 50 states and the District of Columbia have been conducting an industry-wide investigation of the display of room rates and resort, destination and other mandatory fees (“Resort Fees”) on hotel and online travel agency websites. MII is one of several lodging companies under investigation and has been cooperating. In November 2021, MII reached a resolution of all resort fee issues with the Commonwealth of Pennsylvania. That resolution resulted in a payment of \$225,000 to the Commonwealth and an agreement to redesign its website so that resort fee information appears on the landing page. MII has subsequently reached similar agreements, but not including any payment, with Texas, Nebraska, and Colorado. The District of Columbia investigation remains open.

The following is a summary of litigation matters relating to MII’s display of room rates and destination, resort, and amenity resort fees.

1. District of Columbia v. Marriott International, Inc., Case No. 2019 CA 004497 B (D.C. Super. Ct.). On July 9, 2019, the District of Columbia filed a lawsuit against MII in the Superior Court of the District of Columbia alleging violations of the District of Columbia’s Consumer Protection Procedures Act (“CPPA”), D.C. Code §§ 28-3901, *et seq.* The District of Columbia seeks an injunction, restitution, statutory civil penalties, and attorneys' fees and costs, in amounts to be proven at trial. Following the end of discovery, both parties moved for summary judgment. In late December 2021, the Court denied both motions and then a new judge was assigned to the case at the start of 2022. MII then filed renewed motions for summary judgment as to liability and damages, which the court denied in April and September 2024. The court has set a trial date of November 17, 2025. MII intends to continue vigorously defending against this action.

However, before opening the hotels to customers, the franchisee had entered into a contract with the City of New York to house migrants. MII and the other defendants have filed a notice of appeal, and the parties are awaiting trial transcripts.

E. Concluded Actions

1. Rahman et al. v. Marriott International, Inc., No. SA CV 20-00654-DOC-KES. On March 31, 2020, MII notified guests of a property system incident involving guest information that may have been improperly accessed through the use of login credentials of two franchise employees at a franchise property (“Property System Incident”). The incident involved information for up to approximately 5.2 million guests. On April 3, 2020, plaintiff Arifur Rahman filed a putative class action alleging negligence and related torts as well as violations of the California Consumer Privacy Act arising out of the Property System Incident. The plaintiffs sought injunctive relief, as well as damages, attorneys’ fees, costs in amounts to be proven at trial. On January 13, 2021, the District Court dismissed the complaint with prejudice. The plaintiffs initially appealed that dismissal to the U.S. Court of Appeals for the Ninth Circuit. The plaintiffs and MII then settled the case and the appeal was dismissed.

2. HPT CY TRS, Inc. and HPT TRS MRP, Inc., v. Marriott International, et al. (Arbitration No. 01-20-0009-9886). Our affiliates Residence Inn by Marriott, LLC, TownePlace Management, LLC, Courtyard Management Corporation, Marriott Hotel Services, Inc., Essex House Condominium Corporation, and SpringHill SMC, LLC (collectively “Managers”), and Marriott International, Inc. (“Marriott,” collectively with Managers “Marriott Respondents”), are named respondents in an arbitration filed by HPT CY TRS, Inc. and HPT TRS MRP, Inc. (collectively “Tenants”). The dispute pertains to a series of agreements covering a portfolio of hotels operated by Managers and owned by Service Properties Trust (“SVC,” collectively with Tenants “Claimants”), the ultimate parent of Tenants. In the arbitration, Claimants sought: (1) to retain approximately \$19 million in excess profit distributions made from portfolio property funds and (2) to obtain the return of approximately \$40 million in working capital funds provided by SVC as required under the portfolio agreements for operating expenses of the hotels. The Marriott Respondents disputed Claimants’ positions and filed counterclaims seeking declaratory relief on Claimants’ claims and that SVC was in breach of the Exit Hotel Agreement for its failure to convert 16 hotels in the portfolio to Marriott branded franchise hotels (the “Franchise Conversion Hotels”). A five-day hearing on the merits took place in September 2021. Based on the claims as presented by the parties at the hearing, on January 19, 2022, the arbitration Tribunal issued its decision in which it (i) declined to award Claimants \$19.1 million that Claimants claimed they were entitled to receive, (ii) declined to award Claimants the return of unused working capital for the Franchise Conversion Hotels and for one managed hotel in the portfolio; (iii) ordered the Marriott Respondents to pay \$1,084,237 out of the termination reserves with respect to certain severance costs; (iv) held that SVC breached the Exit Hotel Agreement by failing to enter into franchise agreements for the Franchise Conversion Hotels, but declined to order specific performance and awarded nominal damages. The Tribunal also determined that the parties were to bear their own attorneys’ fees and costs.

3. Jamil Rivera v. Marriott International, Inc. and International Hospitality Enterprises, Inc., 19-cv-01894-GAG (D.P.R.). On December 5, 2019, the plaintiffs filed

an Amended Class Action Complaint adding a claim for fraud in the formation of a contract. The plaintiffs seek disgorgement, restitution, actual damages, injunctive and declaratory relief, and attorneys' fees and costs, in amounts to be proven at trial. 5. Cityfront Hotel Associates Limited Partnership, et al. v. Starwood Hotels & Resorts Worldwide, Inc., et al., (Supreme Court of the State of New York, County of New York, Case No. 652521/2016). On May 10, 2016, the owners of the Sheraton Grand Chicago hotel and the Westin Times Square New York hotel filed suit in the Supreme Court of New York against Starwood and MII, seeking to enjoin the merger. Among other claims, the plaintiffs alleged that: (i) MII's acquisition of Starwood would breach certain territorial restrictions contained within the management agreements for the two hotels; (ii) Starwood committed various breaches of the management agreements for the hotels (including anticipatory breaches), and breaches of fiduciary duty; and (iii) MII aided and abetted Starwood's breaches, and engaged in tortious interference with the hotel owners' agreements with Starwood. The plaintiffs also alleged unjust enrichment, and sought damages in an unspecified amount. On May 23, 2016, the plaintiffs moved for a temporary restraining order to enjoin the merger, which the court denied on May 24, 2016. On June 1, 2016, the court denied the plaintiffs' motion for a preliminary injunction. On June 13, 2016, the plaintiffs appealed to the New York Appellate Division, First Department, and sought emergency injunctive relief. Bus. & Prof. Code §§ 17200, *et seq.*, as well as unjust enrichment. On November 22, 2019, the plaintiffs filed a First Amended Class Action Complaint adding claims for negligent misrepresentation, concealment/non-disclosure, and intentional misrepresentation. MII moved to dismiss the First Amended Class Action Complaint on January 10, 2020. On December 8, 2020, the plaintiffs filed a Second Amended Class Action Complaint adding additional named plaintiffs, and MII filed an answer to the Second Amended Class Action Complaint on February 22, 2021. The plaintiffs sought an injunction, disgorgement, restitution, actual and statutory damages, and attorneys' fees and costs, in amounts to be proven at trial. In April 2022, MII moved for summary judgment and plaintiffs moved for class certification. On March 30, 2023, the court granted in part and denied in part MII's motion for summary judgment and granted in part and denied in part plaintiffs' motion for class certification. On July 13, 2023, plaintiffs filed essentially the same complaint in the San Diego County Superior Court, asserting claims

under the Consumers Legal Remedies Act, California's False Advertising Law, California's Unfair Competition Law, and seeking injunctive relief. ITEM 4

BANKRUPTCY

No bankruptcy is required to be disclosed in this disclosure document.

ITEM 5

INITIAL FEES

1. Application Fees and Related Fees

A. Application Fees

1. **New-to-System Renaissance Hotel.** The franchise application fee for a new-to-system Renaissance hotel, including the conversion of a non-Company Brand Hotel to a Renaissance hotel, is \$100,000 *plus* \$400 per guestroom in excess of 250 guestrooms.

2. **Existing Renaissance Hotel.** The franchise application fee for an existing Renaissance hotel or to convert a hotel that is currently managed by us or one of our affiliates to a franchised Renaissance hotel is the greater of \$150,000 or \$500 per guestroom.

Franchise application fees are generally payable in full at the time you submit your franchise application and are non-refundable upon approval of your application. If you withdraw an application before it is approved, or if your application is not approved, we will refund the application fee for each unapproved hotel, less \$10,000 per unapproved hotel and our outside counsel fees and expenses.

B. Other Fees That May Apply to Your Transaction

1. **Outside Counsel Costs.** If you are submitting an application for an existing Renaissance hotel or converting a hotel that is currently managed by us or one of our affiliates to a franchised Renaissance hotel, we will engage outside counsel in connection with the transaction, and you will be required to pay our outside counsel costs directly to our outside counsel prior to closing. If your hotel project is approved with a residential, condominium, or multi-family component, we will engage outside counsel in connection with the transaction, and you will be required to pay our outside counsel costs directly to our outside counsel prior to closing. These costs are payable and non-refundable, regardless of whether the transaction closes.

2. **Extension Fees.** We may permit franchisees of new-build and conversion projects to automatically extend their construction start deadlines on a rolling 30-days basis, without assessing any extension fees. Any automatic extension of the construction start deadline will also extend the hotel opening deadline by the same amount of time. The automatic extensions will not apply to the term or duration of any restricted territory granted to you under the franchise agreement (see Item 12). We may freeze automatic extensions at any time with 60 days' notice to you. If you wish to extend the opening deadline after you have started construction, or if you wish to extend a construction start deadline after we have given you written notice freezing automatic extensions, you must submit a written request for an extension and pay a \$10,000 extension fee. No extension will be granted for more than six months. If we do not approve your request, we will refund the \$10,000 you submitted.

2. Pre-Opening Fees

Listed below are certain estimated one-time non-refundable fees and reimbursements (excluding certain travel and related expenses) that you will pay to us on demand to open a Renaissance hotel. We may require you to prepay certain of these expenses. If you are acquiring or converting an existing hotel, your pre-opening fees and costs will vary depending upon, among other things, the systems in place and experience of personnel that are retained at the time of acquisition or conversion.

A. Computer Hardware and Software Systems

The amounts payable to us or our approved vendors for pre-opening technology planning and installation services associated with the implementation of the current, approved property management, reservation, yield management, and sales and catering systems generally ranges from approximately \$162,000 to \$167,000. The current approved property management, reservation, and yield management systems will be replaced with new systems to be designated by us. This transition is expected to occur between 2026 and year-end 2027. The amount payable to us for pre-opening technology planning and installation services associated with the implementation of the new property management, reservation, yield management, and sales and catering system are estimated to range from approximately \$173,000 to \$278,000.

Certain franchisees may be required to commence operating under the current, approved systems and replace them with the new systems at a later date. The cost of transitioning from the current approved systems to the new systems is estimated to range from approximately \$18,400 to \$35,400 per hotel, plus \$210 to \$324 per guestroom at the hotel. The transition process will consist of a series of key milestones that you must complete in a timely manner (approximately 7 milestones). If you fail to timely complete any key milestone in the transition process, we may complete the milestone on behalf of the hotel, at a cost ranging from \$7,000 to \$20,000 per milestone. Hotels participating in revenue management advisory services must pay an additional \$2,700 for revenue management advisory services associated with the transition.

These estimates do not include amounts payable to third parties (either directly or paid to us and remitted to third parties on your behalf) for hardware, software, installation, and training for the above systems or for other computer systems recommended or required for your hotel or amounts payable to us for other recommended computer systems. The costs for such systems are subject to change. See Item 11 for a detailed description of our required and recommended computer systems. Depending on the number of guestrooms and interfaces at your hotel, your costs may exceed these estimates. Optional hardware or additional services may be available at an additional cost.

If you desire to convert your hotel to a Renaissance hotel and an expedited proposed opening date has been agreed to by us, you may request that Marriott procure certain hardware, software, and other computer systems on your behalf, and provide training and services before we execute a franchise agreement. In such event, you will be required to sign a letter agreement substantially in the form attached as Exhibit P.

B. Pre-Opening Training and Services

The costs for pre-opening training and services provided by us (not including costs discussed elsewhere in this Item 5 or costs incurred when purchasing an existing Renaissance hotel) generally range from \$115,250 to \$182,250, are subject to change, and are non-refundable. The range above excludes, and you must pay for the cost of, travel, meal, and lodging expenses incurred by you and your designated attendees to complete training programs that are not conducted on site. The total cost of pre-opening training and services may vary based on the size and location of your hotel, your experience, and the experience of your associates, as determined by us.

Pre-opening training and services costs include the following:

1. A team determined by us will conduct approximately 5 to 14 days of on-site training along with virtual support during the period beginning before and ending after the hotel opens. We estimate that these on-site costs generally will range from \$70,000 to \$120,000 based on the experience level and prior experience of your associates and the size of your hotel. You must retain a general manager and sales directors/managers at least nine to twelve months prior to hotel opening to participate in pre-opening training and to prepare the hotel for opening.

2. We will provide sales, marketing, and operations support at a cost generally ranging from \$36,000 to \$48,000 in connection with the hotel opening. 3. We will provide pre-opening revenue management/reservation system rate loading and consulting at a cost generally ranging from \$8,000 to \$13,000. This amount includes initial rate loading, revenue management system readiness and activation, conversion of system data as needed, and consultation. On-site revenue management support and training generally lasts an average of three days for new build hotels and five days for conversion hotels. You will be charged \$1,250 per day for each day in excess of the average and you must reimburse us for the travel, meal, and lodging expenses of our support personnel. The cost of pre-opening revenue management/reservation system rate loading and consultation varies based on the scope of the services that we provide to you, which depends on the amount of data to be loaded and number of people needing training, as determined by us.

4. We will provide Brand Immersion training for general managers at a cost of \$2,000 per person.

5. We will develop a standard webpage for your hotel on our designated web platform at no additional cost. You may request an optional enhanced on-platform webpage for the hotel at a cost of approximately \$5,500.

We will provide optional pre-opening marketing and digital support during the period commencing six months prior to the opening of the hotel and ending three months after the opening of the hotel at a cost generally ranging from \$9,500 to \$15,500, depending on the size and location of the hotel and the hotel's overall marketing and digital needs. This amount includes website optimization on Marriott.com, assistance in the design of basic marketing collateral for the hotel, paid media set-up with budget recommendations, access to our brand voice guidelines, consultation on grand opening events, and related consultation and support with respect to marketing (including digital marketing) and advertising the opening of the hotel.

New-to-Marriott franchisee executives must attend Executive Orientation at least 12 months prior to the hotel's opening date. You must pay our then-current fee for Executive Orientation, presently \$795 per person.

If you desire to operate your new-to-system hotel but we determine that you are not qualified to operate a system hotel without additional training, you must participate in the Franchisee Introduction to Marriott program ("FITM"). FITM includes executive-level virtual and in-person meetings and self-paced training on the use of Marriott programs, systems, and services. You must pay our then-current FITM enrollment fee, presently \$40,000, at least 10 months before the hotel opening deadline set forth in your franchise agreement. Alternately, if we determine that you are qualified to operate the hotel, but are unfamiliar with the system, we may require you to participate in the Franchisee OnBoarding for New Development program ("FOND"), through which we provide executive-level, virtual, self-paced training on the use of Marriott programs, systems, and services. You must pay our then-current FOND enrollment fee, presently \$20,000, at least 10 months before the hotel opening deadline set forth in your franchise agreement. Franchisees that participate in FITM or FOND must also undergo one non-accountable audit and, for a period of two years, participate in the Revenue Management Advisory Services program, the Customer Engagement Center Property Support Services program, the Digital Marketing program, and the sales programs we specify, at an additional cost. See Items 6 and 11 for more information regarding these programs. You may incur additional fees and costs or be required to retain a third-party management company if you do not complete these programs in the time frame specified by us. The immersion and orientation training programs, as well as FITM, will be provided at the location we designate. See Item 11 for additional details regarding these and other training and related fees and costs that may apply to your hotel (and residences, if applicable) prior to opening.

C. Pre-Opening Training and Services for Residences

If your hotel has a residential or condominium component, we will provide up to 14 days of on-site and/or virtual training relating to our standards before the opening of the residential or condominium component of the hotel. We anticipate that the cost of pre-opening training will range from \$15,000 to \$30,000. In addition, your executives and the executives of your management company must complete Residential Executive Orientation at least 12 to 14 months prior to the opening of the residential or condominium component. You must pay our then-current fee for Residential Executive Orientation, presently \$10,000. In addition, you must pay for the travel, meal, lodging, and other costs for required executives to attend the Residential Executive Orientation.

3. Fees for Conversions, Transfers, and Relicenses

A. Property Improvement Plan

When converting a hotel (including another Company Brand Hotel) to a Renaissance hotel, transferring an existing Renaissance hotel, or converting a hotel that is currently managed by us or one of our affiliates to a franchised Renaissance hotel, as set forth in Item 6, you must pay a property improvement plan fee of \$16,000 for us to review the hotel to determine the renovations necessary to bring the hotel into good repair and to conform the hotel to Marriott's then-current standards and prepare a property improvement plan ("PIP"). Payment is due when the review is requested. In addition, you may incur the Design & Construction Review Services fees described in Item 6. If your franchise application for a conversion hotel is approved, you will also be required to pay a pre-conversion food and beverage sanitation audit fee of \$2,500. The audit is conducted by a third party we retain, and the fee charged to you for the audit may change if the fee charged to us by the auditors changes. You must pay us upon receipt of the invoice. PIPs are effective for a period of 12 months after issuance. If you request revisions or modifications to a PIP prior to its expiration, you must pay to us a fee of \$5,000 to review the proposed

revisions or modifications. You must pay to us a fee of \$8,000 to refresh a PIP that is 12 months past its initial issuance date. If a PIP is 24 months past its initial issuance date, you must pay to us a fee of \$16,000 to issue a new PIP. These fees are non-refundable.

B. Support and Training Services for Purchasing or Converting Existing Company Brand Hotels

When converting another Company Brand Hotel to a Renaissance hotel, purchasing an existing Renaissance hotel, or converting a hotel that is currently managed by us or one of our affiliates to a franchised Renaissance hotel, we will assign a transition manager. In addition, we will assess the hotel and provide training and services if we deem it necessary or desirable based on the experience level and prior training of you or your management company. Certain franchisee personnel may be required to attend (i) Executive Orientation, or other prescribed classes, and (ii) sales and marketing meetings at the hotel to analyze or assist in sales efforts. You will also be required to train your new managers and staff (or their replacements) and incur those costs as described in Item 11. We estimate that the costs for on-site classes, training services, and relicensing assistance (not including reimbursement for Marriott personnel's travel, meal, and lodging expenses) generally will range from \$5,500 to \$15,000 if you are purchasing an existing Renaissance hotel or converting a hotel that is currently managed by us or one of our affiliates into a franchised Renaissance hotel. For all other conversions we estimate that the cost of the support and training services will range from \$50,000 to \$175,000, depending on the size of the hotel, the length of time the hotel has been closed (due to renovations or otherwise), your experience and familiarity with the system, and the experience of the hotel staff.

In addition, if you desire to operate your hotel but we determine that you are not qualified to operate a system hotel without additional training, you must participate in the FITM program for open hotels ("FITM-R"), the cost of which is currently \$60,000 and must be paid when you execute the franchise agreement. If we determine that you are qualified to operate the hotel, but are unfamiliar with the system, we may require you to participate in the Above-Property Immersion program ("API"), through which we provide several executive-level webinars and virtual, self-paced training to familiarize your executive team with the system. You must pay our then-current API enrollment fee, presently \$20,000 for up to 4 participants at one time, when you execute the franchise agreement. Franchisees that participate in FITM-R or API must undergo one non-accountable audit, at an additional cost. Franchisees that participate in FITM-R or API may also be required to participate in the Revenue Management Advisory Services program, the Customer Engagement Center Property Support Services program, the Digital Marketing program, and the sales programs we specify, at an additional cost. See Items 6 and 11 for more information regarding these programs. You may incur additional fees and costs or be required to retain a third-party management company if you do not complete these programs in the time frame specified by us.

The ranges above exclude, and you must pay for the cost of, travel, meal and lodging expenses incurred by you and your designated attendees to complete training programs that are not conducted on site, such as orientation and immersion training.

Fees for Other Services

A. Design and Construction Review Services

We will make our standard design and construction criteria available to you and conduct up to three hotel assessments at no cost to you to ensure that your hotel is constructed and designed in accordance with our standards. If we determine that additional pre-opening hotel assessments are necessary, you may be required to pay our then-current charge per hotel assessment, presently \$1,500. In addition, if your hotel includes a residential, condominium, or multi-family component, we will conduct up

to two additional pre-opening project assessments, and you must pay our then-current charge per project assessment, presently \$1,500. These amounts are payable on demand and are not refundable.

You may request additional services from Marriott Design & Construction in connection with the design and construction of your hotel to assure compliance with our standards. Your use of these services is voluntary. The cost of these services varies depending on the services you request. In some cases, we may require you to execute a written agreement detailing the full scope of services to be performed and the related cost. We do not refund these fees.

We will make available to you a list of interior design firms recommended for system hotels. If you propose an interior design firm that is not on our list of recommended design firms, then we will require you to pay a \$2,500 fee to review your proposed design firm and its prior work experience on similar projects. We will consider up to two design firms. If we determine that your proposed firm does not possess similar experience or capabilities as those firms on our recommended list, we may still consent to your proposed firm, but we will charge an additional fee of \$50,000 for the additional time spent by us during the design and construction or conversion process. We may require you to retain additional consultants to advise on the design and concept of food and beverage outlets, spas, fitness centers, and other amenities at the hotel.

We will conduct one pre-opening hotel assessment at our expense to verify that it complies with our then-current fire protection and life safety standards. If any additional assessments are required, you will be charged our then-current fees and charges. See Item 6.

B. Optional Purchasing and Supply Arrangements

As described in Items 1 and 8, you and other franchisees may voluntarily purchase various products and services under the arrangements negotiated by us and our subsidiaries. Marriott Design & Construction charges for its procurement services. In 2025, we expect our procurement charges for these services will be: (i) for furniture, fixtures, and equipment, the greater of \$3,500 or approximately 4.5% to 5% of the cost of the products and services provided; and (ii) for hotel opening operating supplies and equipment, the greater of \$10,000 or approximately 4.5% to 5% of the cost of the products and services provided. MIP Americas does not presently charge for its procurement services. Instead, MIP Americas retains a portion of rebates received in connection with your purchases to cover the costs of providing such procurement services. These amounts are subject to change and are not refundable.

C. Other Fees

Depending on the circumstances, certain of the fees discussed in Item 6 under the heading “Operations” may also apply to your hotel prior to opening. Such fees are noted with a statement in the “Remarks” column in Item 6.

NOTE:

We may consider exceptions to our standard application fees and other initial fees in certain circumstances. Factors that we may consider include: (i) market penetration opportunities, (ii) the location, (iii) the size of the hotel, (iv) the economic and financial environment, (v) the cost to the franchisee to complete the conversion of an existing hotel, (vi) whether our reducing a portion of the fee would aid in the successful development or conversion of the hotel, (vii) whether the franchisee is willing to commit to playing an active role in growing the system, and (viii) any other relevant factors. These factors also may

be taken into consideration in determining the amount of any fees charged in connection with a residential, condominium, or multi-family project.

NOTES

- * We will require franchisees to submit payments due to us, our affiliates, and certain approved vendors such as travel intermediaries via ACH (Automated Clearing House) bank transfer or other methods of electronic funds transfer. You must designate an account from which funds will be collected, sign any documents necessary to implement these methods of payment, and ensure that there are adequate funds in the designated bank account to timely pay the amounts owed. A copy of our current Electronic Funds Transfer Authorization Form is attached at Exhibit H. We may also establish a centralized payment processing program through which we will collect payments directly from customers of your hotel and remit the payments to you net of amounts owed to us (including the fees described in this Item 6). There may be payment processing fees, remittance fees, and other costs associated with these methods of payment.

General:

- ¹ “Gross room sales” means all revenues and receipts of every kind that accrue from the rental of guestrooms (with no reduction for charge backs, credit card service charges, or uncollectible amounts). Gross room sales *includes*: (i) no-show revenue, early departure fees, late check-out fees, fees for changes to reservations, and other revenues allocable to rooms revenue under the Uniform System of Accounting for the Lodging Industry, Eleventh Revised Edition, 2014, as published by the Hospitality Financial and Technology Professionals, or any later edition, revision, or replacement that we designate (the “Uniform System”); (ii) resort fees, destination fees, and mandatory surcharges for facilities (although inclusion of such fees or surcharges does not

constitute approval by us of such fees and surcharges, which may be limited or prohibited); (iii) fees for changes to reservations and attrition or cancellation fees collected from unfulfilled reservations for guestrooms; (iv) the amount of all lost sales due to the non-availability of guestrooms in connection with a casualty event, whether or not you receive business interruption insurance proceeds; and (v) any awards, judgments, or settlements representing payment for loss of room sales. Gross room sales *excludes* sales tax, value added tax, or similar taxes on such revenues and receipts. You must account for gross room sales on an accrual basis.

² If you are converting a hotel, either one that you currently own or one you are acquiring from a third party, to a Marriott franchise and that hotel is currently managed by us or one of our affiliates, then we may require payment of additional fees in connection with such conversion based on amounts that otherwise would have been payable to us or one of our affiliates under the management agreement that is being terminated, including any incentive management fees or termination fees. In addition to these fees, you may be required to assume ancillary agreements related to the hotel.

³ In certain circumstances, we may consider reducing our monthly franchise fees to less than the standard amount, with the reduction typically decreasing over time and applying only in the first few years. If the monthly franchise fees are less than the standard amount, we may also adjust the term of your franchise agreement. In deciding whether to make such changes, we will consider, among other factors: (i) market penetration opportunities; (ii) the location; (iii) the size of the hotel; (iv) the economic and financial environment; (v) the cost to the franchisee to complete the conversion of an existing hotel; (vi) whether our reducing a portion of the fees would aid in the successful development or conversion of the hotel; (vii) whether the franchisee is willing to commit to playing an active role in growing the system; and (viii) other relevant factors.

⁴ We have established a program services contribution to cover the cost of certain programs, systems, and services (“Program Services Contribution”), including: (a) advertising, sales and marketing, promotion programs and related research that are funded through the Marketing Fund described in Item 11; (b) a reservation system; (c) the ongoing cost of certain electronic systems, including rooms and event space inventory and yield management systems, our support of a property management system, our support of a point-of-sale system, our support of a guest feedback tracking and management system, certain costs associated with the mobile key component of the hotel’s guestroom lock system, a digital guest services system, an electronic customer folio delivery system, a virtual private network, the provision of a limited number of hotel-based Marriott.com email addresses, an intranet website supplying information such as standards and quality assurance information, the MDash system, our support of encrypted payment processing, a guest experience platform, and a web-based tool that generates discount forms and cards for associates; (d) a guest satisfaction survey system, an event planner satisfaction survey system, and an annual audit under the Audit Program; (e) a centralized travel agent commission processing program; and (f) one license for the Marriott Environmental Sustainability Hub (“MESH”).

Except as designated by us, the Program Services Contribution generally does not cover costs, expenses or fees for any other programs, systems, or services, including without limitation: (i) the purchase or installation of, or training for, systems for your hotel (including new or replacement systems); (ii) revenue management services; (iii) technology and systems security; (iv) hotel employee training; or (v) residential licensing. Costs paid by the Program Services Contribution include our costs of development, maintenance and support, management, oversight, administration, salaries, and overhead (including collection and accounting). If we provide capital for a project to change or develop new systems covered by the Program Services Contribution, we may recover the capital invested as well as costs incurred by us to finance such invested capital. We may spend all of the contributions in the year collected or carry forward excess contributions into future years. If expenditures exceed amounts collected, we may make loans to cover the shortfalls (and may treat each loan (and any interest charged thereon) as a receivable to be repaid in subsequent periods). The Program Services Contribution may be combined with the program services contributions for one or more other Company

Brands, and all franchisees may not benefit on the same basis from Program Services Contributions. The Program Services Contribution may be merged, modified, or discontinued at any time. We may change the Program Services Contribution amount, or the costs covered by the Program Services Contribution at any time. We are not the trustee of, and have no fiduciary duty to you for, the Program Services Contribution.

If your hotel (a) has more than 600 guestrooms and greater than 40,000 square feet of meeting space and is designated as a convention hotel in our Convention & Resort Network (Americas) (“CRN”), or (b) has more than 350 guestrooms and greater than 20,000 square feet of meeting space and is designated as a resort hotel in our CRN, your Program Services Contribution will be an amount equal to: (i) 1.92% of gross room sales (which includes a contribution to the Marketing Fund of 1.5% of gross room sales); plus (ii) \$45,000 per year; plus (iii) \$480 per guestroom per year.

- ⁵ We may change our systems, such as our reservation, yield management, sales, marketing and technology systems, and add or subtract training and other programs at any time. You must fully participate in these changed or new systems or programs. You must pay the charges and fees for these changed or new systems or programs, which may include one-time implementation charges and license fees and ongoing maintenance and support charges payable to third-party vendors. These costs may not be covered by the Program Services Contribution. If we provide capital for a project to change or develop new systems related to the operation of the hotel, we will be entitled to recover the capital invested as well as costs incurred by us to finance such invested capital.

Sales & Marketing:

- ⁶ This charge covers the cost of the Marriott Bonvoy loyalty program (the “Loyalty Program”). The Loyalty Program is part of the broader Marriott Bonvoy marketplace, which encompasses our portfolio of over 30 brands and other travel offerings, the Loyalty Program, and direct channels, among other businesses.

Loyalty Program members can earn points for stays at our hotels and other travel offerings, such as Homes & Villas by Marriott Bonvoy®, a global offering focusing on the premium and luxury tiers of rental homes, as well as through purchases with co-branded credit cards and our loyalty partners. Members can redeem points for stays at most of our properties, airline tickets, airline frequent flyer program miles, rental cars, products from Marriott Bonvoy Boutiques®, and a variety of other awards, including experiences from Marriott Bonvoy Moments®. Guests who redeem loyalty points at your hotel trigger a limited reimbursement to you from the loyalty program. We derive revenue as a result of certain Marriott Bonvoy partnerships with other companies. You must honor all program rules and policies at your expense, including policies relating to benefits for various tiers and categories of members (such as welcome gifts, discounted or complimentary room nights, and other services), mandatory marketing programs, and promotional initiatives. We reserve the right to change the program, the costs, the redemption reimbursement amounts, and the calculation factors at any time.

You are required to participate in any other guest loyalty program or special marketing program we create for Company Brand Hotels (or any subset thereof applicable to your hotel system) and honor all program rules and policies.

- ⁷ Revenue Management Advisory Services and Cluster Revenue Management provide analysis and advice concerning pricing and market position of the hotel. Under both programs, you determine the price or rate charged by the hotel for guestrooms, meeting space, and other services. Any recommendations or suggestions made concerning the price or rate you charge are advisory in nature and not mandatory.

Revenue Management Advisory Services offers services designed to develop a long-term focus on implementing pricing strategies with the participating hotel and provides associated support to implement such strategies. It also includes group and transient pricing and forecasting. Optional services, such as customized training, topline performance reviews, systems audits, extended hours support, and tier analysis are available at an additional cost.

The costs of Cluster Revenue Management are shared by the hotels choosing to participate in the cluster and are based on average time spent on each revenue management function (market strategy/leadership, rooms inventory management, and analysis) for each kind or classification of hotel in the cluster. Depending on your location, a cluster for Revenue Management may not be available for your hotel.

If you choose to retain a revenue manager, the revenue manager must be certified by us within 90 days of hire or, if already employed by your organization, within 90 days of the date the revenue manager commences providing revenue management services to the hotel. Revenue managers must: (i) generally provide revenue management services to no more than 20 Company Brand Hotels; (ii) meet our then-current qualification criteria and complete all required revenue management training courses to our satisfaction; and (iii) have authorized access to our reservation system and the other systems and software necessary to perform revenue management functions. If a revenue manager fails to complete the One Yield certification exam to our satisfaction two or more times, a fee of \$2,500 will be assessed for each subsequent exam until the program is completed to our satisfaction. While you may retain third parties to consult on revenue management matters, only you, a management company approved by us to operate your hotel, or a certified revenue manager employed by you or your management company can access our revenue management systems and the data contained in our revenue management systems (including One Yield, MARSHA, and HPP).

To participate, you must execute the Revenue Management Advisory Services Agreement (see Exhibit L). Optional services, such as One Yield Premium Shops (I and II) may be available at an additional cost.

8 We have established Area Sales teams and Multi-Hotel Sales teams in select markets in the United States and Canada. We allocate the cost to administer the sales teams among participating hotels. The amount allocated to each participating hotel varies based on the resources devoted to the hotel, the reservations made by the sales team for the hotel, the participating hotel's sales goals, and prevalent wage rates, among other factors. The current cost to participate in an Area Sales team ranges from \$10,000 to \$400,000. The current cost to participate in a Multi-Hotel Sales team presently ranges from \$8,000 to \$350,000. To participate in Area Sales and Multi-Hotel Sales, you must execute an Area Sales and Multi-Hotel Sales Service Agreement (see Exhibit L). Optional services such as lead management, and citywide sales are available at an additional cost.

9 The BT Booking charge varies according to the number of BT guestroom nights that are centrally reserved for your hotel by the Account Sales and Multi-Hotel Sales organizations during the immediately preceding calendar year as follows:

BT Room Nights Reserved During the Immediately Preceding Calendar Year	Monthly BT Booking Charge*
0 - 400	\$126.69
401 - 1,300	\$212.89
1,301 +	\$300.14

* The BT Booking charge for new-to-system hotels will be \$126.69 per month during

the first calendar year of operations.

10 We allocate the costs of these cooperatives, initiatives, and related services among participating hotels. The costs for national, local, or regional advertising cooperatives and marketing initiatives or services vary depending on the services performed, the size of the campaign(s), the development costs of the programs, and the number of participating hotels. Cost allocations may be based on criteria such as the number and size of hotels participating, the hotel's revenue, room count, and the revenue produced by the campaign. Cost allocations may also be based on a flat percentage charge to each hotel participating in certain initiatives. We reserve the right to change our cost allocation methodologies at any time.

If you meet the requirements to, and elect to, join our Convention & Resort Network (Americas), the cost of participation is based on budgeted group room revenue at participating hotels. Our Convention & Resort Network (Americas) engages in various marketing and sales initiatives targeted at current and potential group customers who book large groups at participating hotels. In calendar year 2022, the cost to participate in the Convention & Resort Network (Americas) is anticipated to be 0.129% of the hotel's budgeted group room revenue.

11 Our gift card program presently consists of certain prepaid products (including gift cards, gift certificates, and travel cards). Hotel-specific gift cards are also available on an optional basis at a cost ranging from \$0.77 to \$6.41 per gift card. The redemption of these products at your hotel triggers a reimbursement to your hotel and a related administrative charge of up to 10% of the amount tendered that is used to offset the cost of the program. In 2025, Marriott will waive the administrative charge associated with this program and will provide a reimbursement to hotels equal to the face value of the redeemed pre-paid product. Your hotel must honor all gift card program rules and policies. We reserve the right to change the program, the costs, the redemption reimbursement amounts, and the calculation factors at any time.

12 The Centralized Travel Agency Commission processing program ("CTAC") is a program through which we (i) facilitate the payment of commissions on your behalf to intermediaries (including travel agencies, travel management companies ("TMCs"), group intermediaries, online travel agencies, and other similar entities) that book reservations at your hotel after collecting the commissions and charges from you; (ii) handle commission inquiries from intermediaries made after booking; and (iii) conduct training and incentive programs for intermediaries. We collect the amounts payable to intermediaries via ACH or other means of electronic funds transfer. We have no obligation to pay the intermediaries on your behalf unless and until we have received payment from you. Your designated on-property CTAC user must review and respond to commission claims raised by intermediaries and Marriott in the manner and within the time frames we specify. Failure to pay commissions and related fees and charges as and when due may result in the loss of access to these distribution channels.

The Program Services Contribution covers certain of our fees and charges to administer CTAC. It does not cover the cost of commissions paid to intermediaries. In addition, you must, at your expense:

(1) participate in our Preferred Travel Agency program, the cost of which is 10% of qualifying room revenue;

(2) participate in our Group Intermediary Commissions program, through which we facilitate the payment of group intermediary commissions at a maximum rate of 7% of qualifying room revenue. We will not facilitate the payment of commissions to group intermediaries on your behalf: (a) for ancillary items (food and beverage, audio/visual rental, etc.); (b) to group intermediaries that do not have industry accreditation (such as IATA, IATAN, TIDS, ARC, or CLIA accreditation); or (c) to end-user accounts. We

will not facilitate the payment of commissions to group intermediaries on your behalf if the commission exceeds 7% of gross group room revenue; and

(3) offer inventory through any online reservation and distribution channels we may now or in the future designate (which may be managed by us, our affiliates, or third parties). In addition, you must pay to our designated online reservation and distribution channels commissions generally ranging from 7% to 10% of qualifying gross room sales and gross group room sales, as applicable, using CTAC.

The following programs are optional under CTAC:

(1) OTA Program: This program facilitates the payment of commissions to certain online travel agencies when such travel agencies are the merchants of record in connection with bookings at your hotel at an average rate of approximately 10% to 12.5% of qualified room revenue. See Item 16 for certain conditions and restrictions on our OTA Program; and

(2) TMC/Consortia Program: This program drives incremental business to hotels by using “Preference Payments” to obtain the highest levels of preference at the lowest possible cost. If you participate in the program, you must pay a Preference Payment ranging from 0.1% to 5.0% of booked rooms revenues for every eligible guestroom night generated by the participating TMC or consortia. We may offer optional add-on services to the TMC/Consortia Program at an additional cost.

The arrangements described in this Note 13 are of a limited duration and may be renegotiated periodically.

13 In addition to the Digital Marketing program, hotels may participate in optional, self-service email marketing campaigns using our designated platform. Email campaigns to drive room nights cost approximately \$1,000 to \$10,000 per campaign, depending on delivery volume. Email campaigns to drive ancillary spend on food and beverage, spa, golf, skiing, and other amenities require subscription to our designated platform, which costs approximately \$200 per month.

14 Through the Transaction-Based Media Program, we develop advertising materials and pay third parties to place listings and paid ads in search engines (such as Google, Yahoo, and Bing), through advertising networks and direct referral partners (such as TripAdvisor, Google Hotel Ads, Trivago, and Kayak), and through third-party websites that feature links to Company Brand websites. When a consumer clicks on a Transaction-Based Media Program listing or ad, they are referred to a Company Brand website to make a direct booking. Hotels will incur a fee if the referral results in a qualified stay. Hotels are not charged on rates such as special corporate or group room rates. Optional add-on services are available at an additional cost.

Technology:

15 You must retain a qualified third-party investigator to thoroughly investigate any actual or potential cybersecurity, privacy, or other data breach relating to your hotel if required under our standards or applicable law. The cost of an investigator can vary significantly depending on the extent of the actual or potential breach, but generally ranges from \$5,000 to \$30,000.

Operations:

16 The program consists of support and guidance in closing the hotel, removing hotel inventory from various distribution channels, and notifying hotel guests of the intended closure. We will also provide re-opening operations support, sales support, and training in connection with the re-opening of the hotel. You must pay our then-current fees for support and training. Currently, the cost of such support and training is \$983 per day for opening manager support, \$983 per day for

sales manager support, and \$725 per day per trainer for systems, operations, and food and beverage training.

- 17 If we engage outside counsel in connection with a transfer (including in circumstances in which there is a transfer of less than a controlling interest and no transfer fee is charged), you must also pay our outside counsel costs, whether the transaction closes or not.

Market Activation Kits are designed to activate key brand signatures and support the hotel with various brand initiatives. The kits will share new information, update training, introduce new initiatives, and include local marketing materials.

Miscellaneous:

- 18 Membership in AH&LA is optional, but you must opt out if you do not want to participate. This fee is paid to us, and we remit the entire fee on your behalf to AH&LA.

Residences (if applicable):

- 19 If your hotel includes residential, condominium, or multi-family units that participate in a rental program, the terms “guestroom” or “room” as used in this Item 6 will include such units.

In certain circumstances, we may consider reducing these fees to less than the standard amount. In deciding whether to make such changes, we will consider, among other factors: (i) market penetration opportunities; (ii) the location; (iii) the size of the hotel project; (iv) the economic and financial environment; (v) whether our reducing a portion of the fees would aid in the successful development or conversion of the hotel; (vi) whether the franchisee is willing to commit to playing an active role in growing the system; and (vii) any other relevant factors.

- 20 In addition, we have established a Residential Program and Service Bundle to cover the cost of certain required, recurring residences specific programs and services, including: an owner recognition platform, an owner engagement survey system, and certain required training programs. Except as designated by us, the Residential Program and Service Bundle does not cover costs, expenses or fees for any other programs, systems, or services, including without limitation: (i) the purchase or installation of, or training for, systems for your hotel (including new or replacement systems); (ii) revenue management services; (iii) employee training; and (iv) technology and systems security. Costs paid by the Residential Program and Service Bundle include our costs of development, maintenance and support, management, oversight, administration, salaries, and overhead (including collection and accounting). If we provide capital for a project to change or develop new systems covered by the Residential Program and Service Bundle, we may recover the capital invested as well as costs incurred by us to finance such invested capital. We may spend all of the contributions in the year collected or carry forward excess contributions into future years. If expenditures exceed amounts collected, we may make loans to cover the shortfalls (and may treat each loan (and any interest charged thereon) as a receivable to be repaid in subsequent periods). The Residential Program and Service Bundle may be combined with the program services contributions or residential program and service bundles for other brands, and all franchisees may not benefit on the same basis from Residential Program and Service Bundle. The Residential Program and Service Bundle may be merged, modified, or discontinued at any time. We may change the amount charged and the costs covered by the Residential Program and Service Bundle at any time. We are not the trustee of, and have no fiduciary duty to you for, the Residential Program and Service Bundle.

We based these cost estimates on a typical newly-constructed suburban hotel with the stated number of guestrooms. Costs may be higher for larger hotels, hotels located in urban or resort markets, and hotels with a residential, condominium, or multi-family component. These estimates are based on our experience and the experience of our subsidiaries as franchisors, owners, or operators of hotels. We make no representations that your costs will come within the ranges estimated and cannot guarantee that you will not incur additional opening costs. Your actual costs will depend on factors such as: regional conditions, your management skills, experience and business acumen, economic conditions, prevailing wage rates, federal, state and local laws and regulations, and competition. You should review these estimates carefully with your business and legal advisors before making any decision to purchase this franchise. The above information is for new-build hotels only. The costs for converting a property to a Renaissance hotel, or for adding a residential, condominium, or multi-family component to a Renaissance hotel, or in connection with acquiring an existing Renaissance hotel may be significantly different based on the condition, location, and configuration of the existing hotel property, and the cost to comply with the then-current standards and a property improvement plan. We are not able to give you a meaningful estimate of such costs.

All payments to Marriott are non-refundable except for the initial franchise application fee which, as described in Item 5, is refundable in part if we do not approve your application. Payments made to other parties may or may not be refundable based upon your agreements with them.

Except as described in Item 10, we generally do not finance any part of this initial investment.

NOTES:

- ¹ The initial franchise application fee is described in Item 5.
- ² This estimate includes initial costs for: (a) hourly, supervisory, and management training before and during opening or conversion (except for computer system training costs described in footnotes 3 and 4); (b) pre-opening revenue management support and training; (c) certain pre-opening marketing assistance; and (d) additional charges associated with the opening authorization process. See Items 5 and 11 for further details.
- ³ This estimate includes initial costs for the designated reservation, property management, yield management, and sales and catering systems, as described in Item 11. This estimate does not include the cost of above-property management systems such as engineering systems, human resource systems and equipment, or back-office accounting equipment that can be utilized in the management of multiple hotels. If your hotel exceeds 300 guestrooms, you may be required to install additional or different computer systems at an additional cost.

The current approved property management system, reservation system, and yield management system will be replaced with a new system to be designated by us. This transition is expected to occur between 2026 and year-end 2027. The amount payable to us for pre-opening technology planning and installation services associated with the implementation of these new systems will range from approximately \$148,000 to \$253,000. The third-party costs associated with implementing the new PMS will range from approximately \$11,000 to \$21,000. Certain franchisees may be required to commence operating under the current, approved system and replace it with the new system at a later date. The cost of transitioning from the current approved system to the new system will range from approximately \$18,400 to \$35,400 per hotel, plus \$210 to \$324 per guestroom at the hotel, and is payable by you. Hotels participating in revenue management

advisory services must pay an additional \$2,700 for revenue management advisory services associated with the transition.

- 4 This estimate includes hardware, software, installation, and training for GxP, and a computer kiosk, as described in Item 11. This estimate does not include the cost of above-property management systems such as engineering systems, HR systems and equipment, or back-office accounting equipment that can be utilized in the management of multiple hotels.
- 5 This estimate is for a market feasibility study by an independent, third-party consultant, and you must also pay any travel or living expenses incurred. If your hotel includes a residential, condominium, or multi-family component, you will also be required to obtain a residential market feasibility study. We estimate the additional cost to be approximately \$10,000 to \$20,000, and you must also pay any travel or living expenses incurred.
- 6 We do not estimate the cost of real estate or site work because of wide variations among geographic areas and sites. The size of the site for a typical 300-guestroom Renaissance Hotel varies from 5 to 10 acres, depending on the number of floors in your hotel. The building size can vary from 197,000 to 240,000 square feet or more for a typical 300-guestroom Renaissance Hotel. We also do not estimate the size and cost of additional space that may be required at resort properties for spa and other recreational facilities or at a Renaissance Hotel and Conference Center for additional conference facilities. Renaissance Hotels are usually located in downtown or suburban locations in mid-to-large sized cities. Renaissance Resorts are usually located at vacation destinations.
- 7 This estimate is for the total cost to construct a typical new-build Renaissance hotel with 300 guestrooms located in a suburban area. This estimate is stated on a per-guestroom basis and includes site work, project management fees, and the cost of exterior signs (but not graphics). Parking is assumed to be on-grade, and estimates for special foundations for earthquake requirements are not included. This estimate does not include building permit fees, tap fees, or impact fees, which are charged by local government authorities and will therefore vary. You should check with the local government authorities that have jurisdiction over your hotel to determine if there are any such fees and, if so, how the fees are calculated and the amount to be charged to your hotel project. Building construction costs vary greatly from state to state and region to region, depending upon materials, labor costs, and other variables such as architectural design and façade treatments. This estimate will increase if your hotel has more than the stated number of guestrooms or if there are any unusual site conditions, labor shortages due to an active construction market, or organized labor groups. Building construction costs for an urban hotel can be higher and may include the cost of an underground parking structure. The cost of additional recreational and other facilities found at resort properties is not included in this estimate.
- 8 It is assumed that laundry will be handled off-site. Additional laundry equipment for a full-service laundry and/or valet is not included in this estimate. Ice machines for guestroom floors are included in this estimate.
- 9 This estimate is for the total cost of furnishing a Renaissance hotel on a per-guestroom basis. The estimate includes guestroom and public space furniture, including all seating and case goods, decorative and plug-in light fixtures, window treatments, carpet, vinyl wall coverings, interior signage, a flat panel television for each guestroom, and all associated procurement fees, freight, warehousing, taxes, and installation (excluding carpet and wall coverings).
- 10 This estimate is for the cost to purchase and install all property-based technology infrastructure in accordance with the standards as of the date of this disclosure document, including the following:

a private branch exchange, high speed internet access, structured cabling, security systems, door lock systems, in-room technology (including in-room entertainment), public space technology, information security best practices, and CCTV. Technology equipment and installation costs will vary widely depending on the size and configuration of the hotel, including any residential or condominium component, the availability of cellular network coverage, and the type of equipment you choose.

11 This estimate is for inventory items such as uniforms, china, flatware, towels, linens, guestroom amenities, maintenance supplies, other supplies, and paper goods. This estimate also includes the cost to acquire an initial inventory of cleaning equipment and supplies, including non-medical face masks and gloves, hand sanitizer stations, guest sanitation kits, mattress and pillow protectors, EPA-approved cleaning and disinfectant agents that kill Covid-19, and certain other cleaning and recovery technologies. Your costs may exceed these estimates if the hotel is larger than average or if local laws and regulations require the hotel to adopt more stringent cleaning protocols.

12 This estimate is for fees and expenses relating to architectural, engineering, interior design, and other consulting services for the project, including our design and construction review services and required certifications of compliance with the Americans with Disabilities Act and our fire protection and life safety standards, but excluding any building permit fees, impact fees, tap fees, or locally imposed development fees. The interior designer and other consultants that we require must be retained from the initial narrative and concepting phases of the project through the completion of the project, and the scope of services must include concepting, styling and accessorizing services.

13 You must obtain and maintain the amounts and types of insurance specified in our then-current standards, including property insurance, commercial general liability insurance, liquor liability insurance, automobile liability insurance, workers' compensation insurance, employer's liability insurance, umbrella/excess liability insurance, employment practices liability insurance, fidelity bond coverage, and cyber-insurance. We also may require you to obtain property insurance covering risks of loss from certified acts of terrorism as available under the Terrorism Risk Insurance Act (as the same may be amended or replaced). Insurance costs for hotels where we require terrorism insurance or for hotels that are located in high-risk locations (such as locations with earthquake, flood, or windstorm exposure) may be substantially higher. If the hotel will be structured as a condominium or contain residential units, we will also require you to obtain both construction defects insurance and completed operations insurance.

The cost of insurance cannot be estimated as it varies greatly based on the size and location of the hotel, the insurer you select, your creditworthiness and insurability, and the amounts and types of insurance that you purchase. Insurance costs are also subject to change based on then-current market conditions.

14 This estimate is for start-up costs, including wages, marketing expenses, other operating costs incurred before opening, and prepaid expenses, including business licenses and security and utility deposits.

15 We recommend that you include a project contingency equal to at least 10% of the project "hard" costs. We consider the following items as project "hard costs": building construction; building permit, tap, and impact fees; kitchen and laundry equipment; furniture and fixtures; telephone and security systems; operating supplies; and professional design services.

- ¹⁶ This estimate covers the costs of meeting food safety and sanitation compliance criteria for kitchen operations, including materials and training.
- ¹⁷ You are responsible, at your own expense, for providing local advertising, marketing, and promotional communications for the hotel. In conjunction with the initial opening or conversion of your hotel, you must conduct a marketing and advertising campaign in accordance with our standards. In urban markets, advertising costs will most likely exceed the estimate, depending on rates in the overall media market. This estimate also includes the cost to retain an approved photographer to create an initial portfolio of hotel photographs.
- ¹⁸ This estimate is for prepaid expenses and operating expenses you may incur during the first three months of operation and is not intended to provide a basis for a break-even analysis. This estimate excludes franchise fees, management fees, FF&E reserves, personal property and real estate taxes, permits and licenses, building insurance, and operating leases.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases in Accordance with Standards and Specifications

You must use only such furniture, fixtures, and equipment (“FF&E”), operating and cleaning supplies and equipment (“OS&E”), and other goods and services at the hotel that conform to our applicable standards and specifications. We may specify a particular model or brand of FF&E or OS&E that may be available from only one manufacturer or supplier. Additionally, we may specify that certain food products, FF&E, OS&E, communication systems (including internet access, see Item 11), and other goods and services be purchased only from us or sources designated or approved by us. If you wish to obtain any FF&E, OS&E, or other goods and services for which we have established a standard or specification from a source that we have not previously approved as meeting our standards and specifications, you must submit a written request to us and provide such other information and samples as are necessary for us to determine whether the item and source meet our then-current criteria. Provided that you comply with our processes and procedures regarding approval of alternate or additional manufacturers or suppliers, we will respond to such requests within a reasonable period of time. We may modify our standards and specifications in our sole discretion, and you must comply with such changes at your expense. We reserve the right, at our option, to revoke any approval if the source or the item fails to meet our then-current standards and specifications.

You must purchase exterior building signs that meet our specifications from one of several approved sign vendors. These approved vendors are not affiliated with us, and we do not currently receive any compensation from these vendors for your purchases from them, although we reserve the right to do so in the future. All property signage must be pre-approved by us. All property signage must be pre-approved by us.

We have developed cleanliness standards that are updated periodically. If we change our cleanliness standards, you must promptly comply with the changes at your expense. You are solely responsible for establishing and enforcing a cleanliness policy for your hotel. The policy must: (a) comply with applicable laws and regulations; (b) meet or exceed the requirements of our cleanliness standards; (c) not include any items or requirements that may adversely affect the reputation of the hotel or system; and (d) take into account our recommendations and guidelines issued by the AH&LA and Centers for Disease Control and Prevention. You should consult with legal counsel and advisors in the process of developing and implementing a cleanliness policy for your hotel.

We will provide and update our standards and specifications in writing, or make them available to you in digital, electronic, or computerized form. Modifications generally are based on input from our employees, hotel managers, franchisees, owners, and guests.

Purchases through Marriott, MII, Other Related Parties, and Third-Party Arrangements

Franchisees may choose to purchase products and services through us and our affiliates, including MII, and other related and unrelated parties through a number of different means and programs. As described in Items 1 and 5, we and our affiliates have negotiated supply agreements (including price terms) with manufacturers, suppliers, and distributors of a variety of products and services used by Renaissance hotels. There may be mark-ups, fees, discounts, credits, and/or rebates based on your purchases from those suppliers with whom supply agreements have been negotiated. Generally, we and our affiliates, as applicable, will retain any mark-up or rebates received due to franchisee purchases. The specific fee or rebate on an individual product or service may exceed the range. The arrangements and percentages may

change based on alterations in relationships with those suppliers. The amount of the rebates and other payments are approximations based on information provided to us and our affiliates from vendors and other sources as of the date of this disclosure document. For some programs, we are able to track purchases and rebates by specific hotel brand and franchised/managed hotel status. For others, only the total purchases by, or payments to, us and our affiliates is available. We will not withhold material benefits (such as renewal or the grant of additional franchises) if you choose not to purchase through our voluntary supplier programs.

1. Rebates and Purchases through Us and Our Subsidiaries; Agreements We Negotiate

Franchisees may choose to purchase FF&E and related design and construction services through Marriott International Design & Construction Services, Inc. (“Marriott Design & Construction”). In 2025, we anticipate that Marriott Design & Construction will charge a fee for providing procurement services that is the greater of \$3,500 or approximately 4.5% to 5% of the cost of the products and services provided. Franchisees also may purchase certain OS&E through Marriott Design & Construction. In 2025, we anticipate that Marriott Design & Construction will charge a fee for providing procurement services to Renaissance hotel franchisees equal to the greater of \$10,000 or approximately 4.5% to 5% of the cost of the products and services provided. In 2024, Marriott Design & Construction did not receive any unrestricted rebates related to its purchases of FF&E or hotel opening OS&E for franchisees. The fees charged by Marriott Design and Construction are subject to change, and Marriott Design and Construction may retain such amounts as revenue.

In 2024, all Company Brand franchised hotels located in the United States and Canada purchased approximately \$182,134,000 of FF&E and related design and construction services through Marriott Design & Construction. Of that amount, approximately \$47,000 was attributable to purchases by Renaissance franchisees. In addition, all Company Brand franchised hotels purchased a total of approximately \$9,211,000 of hotel opening OS&E through Marriott Design & Construction in 2024. Of that amount, none was attributable to purchases by Renaissance franchisees.

In addition, in 2024, Marriott Design & Construction received approximately \$326,050 in catalog and library participation fees from FF&E and building product vendors whose specifications are published in our design specifications platform. Marriott Design & Construction also receives rebates of approximately 1.5% of the cost of select prototype FF&E and building products purchased by Company Brand Hotels from these FF&E and building product vendors. In 2024, Marriott Design & Construction received \$1,138,000 as a result of building product purchases by Company Brand Hotels, all of which was used to offset the cost to develop prototypes.

Franchisees may choose to purchase recurring food, beverage, hotel and restaurant supplies, and other operating supplies, engineering supplies, business services, and related products and services from suppliers participating in the purchasing programs arranged by MII’s procurement division (“MIP Americas”), including Avendra, LLC and Avendra Replenishment, LLC. Certain of these products and services may be available solely through MIP America’s purchasing programs. Suppliers may pay to MIP Americas various fees and commissions. In 2025, fees and commissions are anticipated to range from approximately 3% to 5% of the cost of products or services purchased by Company Brand Hotels, and MIP Americas may retain such funds as revenue. In 2024, MIP Americas received approximately \$1,385,338 as a result of purchases by franchised Company Brand Hotels. Although it had no obligation to do so, MIP Americas utilized \$907,732 of this revenue to offset costs that otherwise would have been charged to hotels and distributed \$477,606 to participating franchised Company Brand Hotels. The amount of any rebates, commissions, and markups are subject to change.

We and our affiliates pay Sabre Inc. (“Sabre”) a fee for each transaction that is delivered from travel

agencies through Sabre's global distribution system. These fees are funded through the costs charged to the hotels for each reservation directly or through the Program Services Contribution ("Reservation System Fees"). If we purchase select Sabre Travel Network media products and services in amounts above certain thresholds during any year, then we will receive a credit for such year. In 2024, we and our affiliates received approximately \$354,000 as a result of this arrangement, all of which will be used to offset reservation system costs.

We and our affiliates have an agreement with Expedia.com that allows Company Brand Hotels to book reservations through Expedia.com and certain other Expedia travel websites, corporate travel management booking channels, and wholesale distributions solutions. We and our affiliates may receive payments from Expedia as a result of this arrangement, including rebates on materialized bookings. Rebates vary depending on a variety of factors, including the nature and number of reservations booked through Expedia.com. In 2024, we and our affiliates received approximately \$29,498,000 as a result of this arrangement, \$29,174,000 of which was distributed to participating Company Brand Hotels and \$324,000 of which was retained by us to offset the cost of administering the arrangement.

We and our affiliates have an agreement with Booking.com that allows Company Brand Hotels to book reservations through Booking.com and other Booking.com websites. Guests have the option to pay either Booking.com or the hotel for the reservation. If Booking.com accepts the payment for a reservation, it will remit the amount collected from the guest to the hotel. We and our affiliates may receive payments from Booking.com as a result of this agreement, including rebates on materialized reservations. The amount of any rebates and commissions will vary depending on a variety of factors, including the nature and number of reservations booked through Booking.com. In 2024, we and our affiliates received approximately \$9,345,100 as a result of activities taking place in 2023 and 2024 under this arrangement, all of which was distributed to participating Company Brand Hotels.

We and our affiliates have an agreement with SevenRooms Inc. ("SevenRooms") that allows Company Brand Hotels to use SevenRooms' reservations, inventory management, and guest experience platforms. Under the terms of the arrangement, we and our affiliates may receive rebates if certain participation thresholds are met. In 2024, we and our affiliates received approximately \$48,000 as a result of this arrangement, which was retained by us and utilized to offset costs that would have otherwise been charged to Company Brand Hotels through the program services contribution.

We and our affiliates have arrangements with several merchants, including Hertz Corporation ("Hertz") and Expedia, under which the merchants make commission or revenue share payments to us based on the amount of purchases made online as a result of transactions that originated on Marriott.com or referrals from Marriott.com. In 2024, we and our affiliates received approximately \$2,500,000 as a result of this arrangement. Of that amount, \$1,200,000 was received from Hertz and was utilized to offset the cost of the Tours & Activities program on Marriott.com, and \$1,300,000 was received from Expedia and utilized to offset the cost of various digital programs. We and our affiliates may use these amounts for other purposes in the future.

Under two separate agreements, Enterprise Rent-a-Car Company/National Car Rental and Hertz provide discounted car rental programs for owners, franchisees, and Marriott associates. Under the terms of the agreements, we and our affiliates may receive allowances if certain volume thresholds are met. In 2024, we and our affiliates did not receive any allowances as a result of this arrangement.

We and our affiliates have an arrangement with OpenTable Inc. ("OpenTable") that allows hotels to participate in OpenTable's table management and inventory distribution platform at a discounted rate. Under the terms of the arrangement, we and our affiliates may receive rebates if certain hotel enrollment thresholds and spend volumes are met. In 2024, we and our affiliates received \$375,000 in rebates from

OpenTable, which were utilized to offset costs that would have otherwise been charged to Company Brand Hotels through the program services contributions.

We and our affiliates have arrangements with several companies that supply music streaming services to Company Brand Hotels, including Mood Media and MusicStyling. There may be a single designated music vendor for your Renaissance hotel. Certain music vendors pay fees in consideration for the arrangements. In 2024, we derived \$100,000 as a result of these arrangements, all of which was used to cover our administrative costs associated with administering music streaming programs at Company Brand Hotels.

We and our affiliates have an agreement with MVW under which MVW makes payments to us based on tour package sales resulting from transactions that originated with phone calls to the Marriott call centers. At the completion of a reservation, certain callers to the Marriott call centers are offered to be transferred to MVW call centers for an opportunity to learn about future tour packages at an MVW property. MVW reimburses us and our affiliates for all costs associated with the program and pays a "package fee" for each tour package sold by MVW. Marriott determines the number, criteria and selection of calls to be transferred at its sole discretion. In 2024, we and our affiliates derived \$5,100,000 in reimbursements and package fees as a result of this arrangement. The payments were utilized to offset the operating cost of the Marriott call centers.

Certain media companies and vendors within the Marriott Guestroom Entertainment program provide restricted allowances to us and our affiliates. The payment is not treated as revenue but is utilized to offset the costs associated with operating the Guestroom Entertainment program as well as fund other marketing initiatives related to in-room media and entertainment. In 2024, the revenue derived from this arrangement was treated as a restricted allowance as described in Section 3 below.

Marriott is considering the establishment of advertising solutions delivered through the digital signage and guestroom entertainment platforms at Company Brand Hotels. We may derive revenue as a result of these arrangements.

We and our affiliates have agreements with Simmons to sell mattresses and related products. Under the terms of a Starwood (United States and Canada) agreement for sales through the Hotels at Home retail website, we and our affiliates receive a rebate of approximately 1.5% from such purchases, depending on the volume of sales. In 2024, we and our affiliates received approximately \$95,918 as a result of this arrangement. Under a separate Starwood (United States and Canada) agreement with Simmons for employee purchases of mattresses and related products, we and our affiliates receive a rebate of approximately 3% from purchases. In 2024, we and our affiliates received approximately \$356,082 as a result of this arrangement.

We and our affiliates have an arrangement with Audio Visual Services Group, Inc., d/b/a ENCORE ("ENCORE") under which ENCORE pays a commission to certain hotels based on the gross revenue for event audio/visual services provided to clients at such hotels. ENCORE also pays to us a commission dependent upon the volume of sales generated by Company Brand Hotels. These amounts are not treated as revenue by us but are utilized to offset costs that otherwise would have been charged to the participating hotels. In 2024, we and our affiliates did not derive any revenue as a result of this arrangement.

We and our affiliates have a marketing program to promote the use of Marriott.com and the Marriott Bonvoy app as sales channels. In 2024, we and our affiliates derived \$1,400,000 as a result of this marketing program. We intend to use these funds to, among other things, drive direct bookings to Marriott.com and the Marriott Bonvoy app and offset our costs associated with administering the program.

We have designated Pepsi products as our standard for certain beverages. You are required to serve only Pepsi-branded drinks at your hotel (subject to certain limited exceptions). As a result, you or the management company operating your hotel will receive unrestricted allowances directly from Pepsi, or through an agent designated by Pepsi, for purchases of the covered beverages. In 2024, franchised Company Brand Hotels received approximately \$12,990,000 in unrestricted allowances under this arrangement. This arrangement does not affect the payment of restricted allowances, which are described in Section 4 below.

We and our affiliates negotiate purchasing arrangements with third-party human resource service providers on behalf of managed Company Brand Hotels. We make these purchasing arrangements and certain other services available to franchised Company Brand Hotels on a purely optional basis. We have negotiated arrangements with vendors to offer products and services that include: job postings, job boards, recruiting services, flex and gig staffing, JIs, relocation services, hourly communication technology, background check services, engagement surveys, employee recognition technology, associate alert devices and digital tipping technology. Except for relocation services and Marriott job postings, you must enter into agreements directly with the third-party suppliers if you elect to participate in such arrangements. The third-party service providers generally pay to us and our affiliates a referral fee ranging from approximately 1% to 20% of the fees paid by the participating franchisees to the third-party service providers under such contracts. In 2024, we and our affiliates derived approximately \$700,000 in revenue as a result of these activities, all of which was utilized to offset the cost of operating this program. You are solely responsible for developing and implementing a security plan for your hotel and its associates. We may suggest or require that the hotel security plan include certain elements, such as associate alert devices. We may also make our hotel safety resources and vendor arrangements available to you as a courtesy, but we are not obligated to do so.

2. Technology Related Purchasing

We and our affiliates have arrangements for discounts and credits with certain suppliers of voice and data services. Most of the discounts and credits we receive as a result of purchases through these telecommunications suppliers by participating hotels are passed through to franchisees or the owners of the hotels; however, we retain certain credits on domestic and international “tiered discount” calls. In 2024, credits received from AT&T ranged from approximately 17% to 27% of the discounted rate for domestic calls and up to 35% for international calls. In 2024, we and our affiliates received approximately \$3,000 in credits from these arrangements, all of which was retained by us. The terms of these arrangements with these telecommunications suppliers are reviewed every year and may be modified in accordance with the terms of the contract. If you choose to participate in the arrangements with these telecommunications suppliers, you must enter into our Participation Agreement, a sample of which is attached in Exhibit H.

We and our affiliates require the installation of an on-property communications network. Your hotel must meet our bandwidth and network standards. We have certified and approved certain internet service providers that offer internet solutions that comply with our standards. Such standards and a list of such approved providers are posted on the Marriott Global Source. For existing hotels that have a contract in place with a provider that has not been approved by us, if the hotel meets our bandwidth and network standards, you may continue to utilize that provider until the expiration of the contract. At such time, you must contract with a certified provider.

3. Restricted Allowances

In 2024, a total of approximately \$128,779,000 of restricted allowances was made available to us and our affiliates globally from suppliers based on the participation in those suppliers’ programs by certain managed and franchised hotels operated under the Company Brands. These restricted allowances must be

spent in accordance with the terms of the agreements with the provider of the funds. The restricted allowances have been or will be utilized in various marketing and promotional activities, including, principally, programs related to the promotion of the suppliers' products, joint marketing programs between us and our affiliates and the supplier, marketing programs for the Company Brands, our designated loyalty programs, and an allocation to the marketing funds and programs for Company Brand Hotels. In 2024, a total of approximately \$46,373,000 of the restricted allowances was utilized by the marketing funds in which the Company Brand franchised hotels participate in the United States and Canada, none of which was allocated to the Marketing Fund for Renaissance hotels located in the United States and Canada.

4. Sponsorship Contributions

We and our affiliates also received certain monetary and in-kind donations from vendors to sponsor meetings, dinners, golf tournaments and other activities held at our general manager, franchisee, and owner conferences, as well as other events. In 2024, the total amount received for all Company Brand corporate level sponsorships was approximately \$12,500,000. We and our affiliates also receive product placement funds for several preferred vendors listed on MGS. These amounts are retained by us to defray procurement and supplier relations costs that otherwise would be paid by the hotels purchasing from those preferred vendors. In 2024, we and our affiliates received \$122,980 in revenue as a result of these arrangements.

5. Other Related Party Transactions

MII currently owns an interest in Travel Ease, which manages certain of Marriott's Chinese online reservation and distribution channels and market Company Brand Hotels and our designated loyalty programs to Alibaba customers. Travel Ease collects a commission based on a percentage of gross room sales for Company Brand Hotel guestroom nights booked through the online reservation and distribution channels it manages. In 2024, Travel Ease derived approximately \$13,700,000 for such activities from Company Brand Hotels. MII's pro-rata share of Travel Ease's profits or losses in 2024 are recorded in MII's financial statements for the fiscal year ended 2024.

MII owns an interest in Groups360 LLC ("Groups360"), which provides lead generation services, meeting advisory services, and marketing services to participating Company Brand Hotels and other hospitality companies. Participation in their GroupSync Engage Instant Booking lead generation service for meetings and events is required. Marriott pays an annual subscription fee for these services to Groups360 on behalf of Company Brand Hotels. In 2024, the annual subscription fee was approximately \$2,750,000. MII's pro-rata share of Groups360's losses in 2024 are recorded in MII's financial statements for the fiscal year ended in 2024.

MII owns an interest in PathSpot, which provides a heart of house automation and food safety platform to participating Company Brand Hotels and other hospitality companies. PathSpot charges a monthly subscription to hotels for providing such services and technology. In 2024, PathSpot derived approximately \$30,000 as a result of sales to franchised Company Brand hotels. In 2024, MII did not receive any distributions from PathSpot.

Our total gross revenue in 2024 was \$103,268,000. The total amount of revenue that we and our affiliates received in 2024 as a result of franchisees' required purchases, including any unrestricted rebates that we retained and did not distribute, and other fees or payments that we charged for providing procurement services on behalf of franchisees or otherwise received, but excluding any amounts treated as pass-through or cost recovery, or rebates or other payments that were distributed back to the franchisees, was approximately \$13,771,050. That amount is the sum of the following amounts reported above: \$326,050 (catalog fees and library participation fees), \$452,000 (total rebates from Simmons), \$3,000 (amount from AT&T that we treated as revenue); and \$12,990,000 (unrestricted allowances from

Pepsi). That amount approximately 13.3% of our revenue in 2024, and less than 0.0005% of the total gross consolidated revenue of us and our parent company in 2024, which was \$25,100,000,000.

We do not provide material benefits to franchisees based on their purchase of particular products or services or based on their use of particular suppliers.

The arrangements described in this Item 8 are of a limited duration and may be renegotiated or discontinued at any time. The amount of revenue we derive and the manner in which we use the revenue is also subject to change.

Cost of Required Purchases Relative to Cost to Open and Operate

We estimate that the cost of purchases and leases that you must make through us, our affiliates, approved suppliers, or subject to our standards and specifications will represent approximately: (i) 80% to 90% of the total cost of purchases and leases you will incur to establish a typical Renaissance hotel, excluding the cost of real estate¹; and (ii) 46% to 60% of the total cost of purchases and leases you will incur to operate a typical Renaissance hotel² on an annual basis.

Ownership Interest in Supplier

Except for a minor interest in a public or other large company, none of our officers has any interest in a supplier.

Hotel Repairs and Renovation

In addition to your obligation to repair and maintain the hotel on an ongoing basis, you must accomplish a significant renovation of guestrooms, guestroom corridors, and public facilities, including the replacement of soft goods FF&E, and case goods FF&E periodically as required by our then-current standards. At the time of any replacement of FF&E, we have the right to require you to upgrade the rest of the hotel to conform to the standards applicable to similarly situated Renaissance hotels. To help satisfy such renovation obligations, you will be required to maintain a reserve account at a bank acceptable to us.

Nature of Purchasing and Supply Arrangements

The purchasing and supply arrangements described in Item 8 are limited in duration. The terms of these arrangements (including the basis for rebates and commissions payable to us) may be renegotiated periodically.

NOTES:

¹ The total cost of purchases and leases you will incur to establish a Renaissance hotel includes estimated costs for pre-opening charges, property management and other systems, market studies, building construction, kitchen and laundry, FF&E, telephone systems, opening supplies, and professional design fees, but does not include the initial application fee, the cost of land and building permits, insurance, start-up costs, and marketing and advertising costs (see Item 7). Actual costs may vary depending on the size, condition, and market area of your hotel, and whether you are converting your hotel from another brand.

- ² The total cost of purchases and leases you will incur to operate an existing Renaissance hotel includes estimated costs for linen, cleaning supplies, laundry, guestroom supplies, reservations, loyalty programs, revenue management, travel agent commissions, food and beverage, the Marriott Communications Network, uniforms, “free-to-guest” in-room services, FF&E, and certain marketing and advertising costs, but does not include labor costs and related expenses, franchise fees, utilities, repair and maintenance, sales and marketing costs, taxes, insurance, rent and lease payments, and other payments related to the land for the hotel. Actual costs may vary depending on the size, condition, and market area of your hotel.

ITEM 10

FINANCING

Except as described below, generally we do not offer direct or indirect financing for franchised Renaissance hotels or guarantee any of your financing, loans, or other obligations. However, from time to time, under very limited circumstances and at our sole discretion, we may offer for certain hotels credit support in the form of a contingent guaranty of a portion of a loan provided by a third-party lender, or we may make a mezzanine loan. In determining whether to offer you credit support or make a mezzanine loan, we will consider, among other factors: (i) market penetration opportunities; (ii) the size and location of your hotel; (iii) the economic and financial environment; (iv) the cost to you to complete the development or conversion of the hotel; (v) whether our offer of credit or financial support would aid in the successful development or conversion of the hotel; (vi) whether you are willing to commit to playing an active role in growing the system; and (vii) whether you meet our then-current criteria.

Because we generally do not offer loan guaranties, if we do offer to make a contingent guaranty of a loan provided to you by a third-party lender, the terms and conditions of such guaranty may vary, such as the amount of the guaranty (for example, a percentage of the principal balance of the loan or a percentage of the hotel development costs), your repayment obligations, the guaranty fee, interest, fees, costs, penalties, security interests, default provisions, and requirements for a personal guaranty. You may be required to sign certain documents in connection with the loan guaranty, such as a Credit Enhancement Commitment Letter, Reimbursement Agreement, Equity Pledge, and Guaranty. Because the terms of financing arrangements, guaranties, and related documents vary, we do not have standard form documents but have included certain sample financing agreements in Exhibit Q for informational purposes only. These documents are samples, and the final documents may vary considerably depending upon which lender you select, the terms of the loan, and other lender requirements.

Because we generally do not make mezzanine loans and they are subject to the unique financial terms related to your hotel, we cannot determine in advance the key terms of any such loan we may choose to make, such as the amount, the annual percentage rate, the term of the loan, the number and amount of the payments, the type of security required for the loan, personal guaranty requirements, and default provisions. We may sell or assign any interest we have in any promissory note you execute in our favor or any loan we may advance to you. We do not have sample mezzanine loan documents. Those documents, including the intercreditor agreement between your primary lender and us, will be determined at the time of loan origination.

* * *

Except as otherwise noted, any programs or incentives that you are entitled to receive are personal to you, may not be combined, and will terminate and not transfer in connection with a transfer of the hotel to a third party, a change in control, or other relicensing transactions.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before your hotel opens for business as a Renaissance hotel, we will:

(1) Make available to you the design and construction criteria and such other information for planning, constructing, renovating, and furnishing your hotel and a list of specifications for furniture, fixtures, and equipment (including computer hardware and software) and inventory supplies (Franchise Agreement – Section 4.4). Please note that we do not claim, represent, or warrant that the criteria comply with any applicable local, state, or federal laws, codes, ordinances, or regulations. You must pay the entire cost of constructing or converting and equipping your hotel (Franchise Agreement – Exhibit C (New Development) – Section 1.F; Exhibit C (Conversion) – Section 2.F). See Items 5, 7, and 8.

(2) Review the construction drawings and plans to assess compliance with the standards (as defined below) (Franchise Agreement – Section 4.4.C). Please note that we do not review your drawings and plans for compliance with any applicable local, state, or federal laws, codes, ordinances, or regulations (Franchise Agreement – Section 4.4.D).

(3) Assess compliance with the standards periodically during the construction or conversion of your hotel (Franchise Agreement – Exhibit C (New Development) – Section 1.G; Exhibit C (Conversion) – Section 2.G).

(4) Provide input to assist you in procuring operating supplies or furniture, fixtures, and equipment (Franchise Agreement – Section 5).

(5) Visit your hotel when you tell us construction or conversion is complete to ensure that you have complied with the final plans, specifications, and standards and to determine if the hotel is ready to open and operate under the system (Franchise Agreement – Exhibit C (New Development) – Section 3; Exhibit C (Conversion) – Section 4).

(6) Provide hotel staff with on-site training or training tools necessary for operating system hotels (Franchise Agreement – Section 9).

(7) Train your general manager and your hotel management team (see Item 5 and below in this Item 11 for additional details regarding training) (Franchise Agreement – Section 9).

(8) Make available our manuals, procedures, systems, guides, programs (including our quality assurance program), requirements, directives, specifications, design criteria, and such other information and initiatives for operating hotels in the system (the “standards”) to you through our electronic systems or in such other manner we deem appropriate (Franchise Agreement – Section 10.1). The standards are confidential and are our property. We may change the standards at any time. We have included a reference to certain standards and resources for your information at Exhibit K.

(9) If your hotel is structured so that it involves residential or condominium units, we and our outside counsel will review the condominium declaration and other operational, maintenance, and governance documents to assess compliance with our standards and criteria. We will also review all sales,

advertising, and promotional materials to assess compliance with our standards and criteria. You must obtain our approval of all such materials prior to the commencement of any sales activities. We will not, however, provide you with any advertising or marketing materials related to the sale of the condominium or residential units.

Site Selection, Construction, and Opening Assistance

Generally, we do not participate in your selection of a site for your hotel or assist you in the negotiation of a purchase or lease agreement with respect to the site. When you submit an application for a franchise, you must identify the site you propose. We will review the site for its general location, size, visibility, accessibility, relationship to customer generators, and competitive environment. If we do not authorize the site you have selected, we will not approve your application.

We will generally allow you 15 months from the date we approve your application for new development to begin construction of the hotel. We expect the hotel to be open for business between 18 and 24 months from the date you begin construction (Franchise Agreement – Exhibit A – Items 13 and 14; Exhibit C (New Development) – Sections 1.A and 1.B; Exhibit C (Conversion) – Sections 2.A and 2.B).

The total length of time that it actually takes to open your hotel as a Renaissance hotel may be affected by a number of factors, including the size of the project, local building conditions, and other construction variables, such as the ability to obtain financing, the requirements of local government authorities, weather conditions, shortages of materials, and delays in installation of equipment, furnishings, and signs.

Post-Opening Assistance

During the operation of the franchised business, we will:

- (1) Make representatives available at our designated offices or at your hotel to consult with you about the design and operation of your hotel (Franchise Agreement – Section 9.2).
- (2) Make available to you certain electronic systems, including a reservation system (Franchise Agreement – Section 7). We may suspend your hotel from the reservation system during any period in which you are in default of your franchise agreement obligations (Franchise Agreement – Sections 7.3 and 19.3).
- (3) Take all steps reasonably necessary to preserve and protect the ownership and validity of the Proprietary Marks in the United States, except for those that we determine cannot or should not be maintained (Franchise Agreement – Section 11.1.A.2); and indemnify you against claims that your proper use of the Proprietary Marks infringes the rights of any third party unrelated to you if you satisfy certain conditions (Franchise Agreement – Section 11.1.B).
- (4) Make our standards available to you (Franchise Agreement – Section 10). As discussed above, our standards are subject to change at any time.
- (5) Offer certain training programs for the hotel's or your management personnel (Franchise Agreement – Section 9.1). We may charge tuition, fees, or reimbursements for some or all of these training programs (Franchise Agreement – Sections 3.3 and 9.1).
- (6) Provide for an association of system franchisees, who are in compliance with certain membership requirements, to consider and make recommendations on matters relating to the

operation of the system (Franchise Agreement – Section 10.3). Franchisees of Renaissance hotels and we are members of the association, together with franchisees of other full-service Company Brand Hotels.

(7) Direct the Marketing Fund activities, including the placement and allocation of such funds (Franchise Agreement – Section 3.7.B).

(8) Review your plans for upgrading and remodeling the hotel for the limited purpose of assessing compliance with the standards and any applicable property improvement plan (Franchise Agreement – Section 4.4.C).

Marketing and Advertising

We administer a marketing fund (the “Marketing Fund”) for advertising, sales and marketing, promotional programs, and research for franchised and managed hotels in the United States and Canada.

You must pay to us a Marketing Fund Contribution in an amount equal to 1.5% of gross room sales for the previous month, which will be charged as part of the Program Services Contribution [**TLC:** (and may be capped at \$450,000 per year per hotel)] (Franchise Agreement – Section 3.7.B; Exhibit A – Item 12). All sums that we receive under the Marketing Fund are deposited in an account under our control and may be commingled with other funds (Franchise Agreement – Section 3.7.E). We have no obligation to separate income or expenditures between the various Company Brand marketing funds. We may change the allocation and amount of the Marketing Fund Contribution, and you will be bound by any such change (Franchise Agreement – Section 3.7.B). All franchisees contribute to the Marketing Fund, but the contribution amounts and rates vary. Hotels operated by us and our affiliates are generally required to contribute to the Marketing Fund, but may not be required to do so on the same basis as franchisees.

We administer the Marketing Fund for managed and franchised Company Brand Hotels located in the United States and Canada together. We have the right to: (i) merge or operate separate Marketing Funds for hotels located in the United States and Canada; (ii) combine the Marketing Fund with marketing funds in other regions or countries; (iii) add or remove Company Brands from the Marketing Fund; (iv) discontinue the Marketing Fund or Marketing Fund Activities (as defined below); and (v) establish other methods of funding Marketing Fund Activities (Franchise Agreement – Section 3.7.B). We also have the right to pool monies from various Company Brand marketing funds to engage in global, multi-brand marketing activities. Participating Company Brands and Company Brand Hotels may not benefit on a pro-rata basis from such activities. The Marketing Fund is not required to be audited. At your request, we will provide to you an accounting of Marketing Fund revenues and expenditures for any fiscal year if such request is made between 90 and 180 days after the end of such fiscal year (Franchise Agreement – Section 3.7.E).

In 2024, including both managed and franchised hotels, monies spent from the Marketing Fund Contributions were allocated to the following categories: 60% to generate awareness, trial and loyalty (including: 4% for global marketing development and execution of the marketing plan and strategies through all marketing channels; and 56% for marketing programs – advertising, public relations, collateral, and promotions); 8% on strategic planning and product positioning (including global brand, consumer insights, and research, and guest tracking); 24% to drive and capture demand through sales and channels (including global sales, planning and services, digital, and continent sales and marketing management); and 4% on distribution and revenue management strategies (global distribution strategy and revenue management). Contribution percentages and amounts may vary by region and brand.

The cost of administering the Marketing Fund (including, but not limited to, finance, accounting, human resource management, data privacy, and sustainability and social impact initiatives) totaled

approximately 4% of the monies spent from the Marketing Fund in 2024. Each of the categories of expenditures of the Marketing Fund includes an allocation for all or a portion of the salaries of personnel involved in the production and provision of the services related to such category. For example, the salaries of personnel responsible for the development, execution, and management of the marketing plan and strategies are allocated to the global marketing category. Primary factors used in determining the portion of a person's salary allocated to the Marketing Fund include the amount of time spent by such person performing services related to Marketing Fund Activities relative to the Marketing Funds of other Company Brands and other services performed by such person, the dollar amount of gross room sales for the brand relative to other Marriott Brands, and/or the number of booked room nights of the brand relative to the other Marriott Brands.

Marketing Fund monies may be used by us to cover the cost of various activities and programs, including: brand communication; brand strategy and brand development activities; the creation, production, placement and distribution of advertising, marketing, promotional, sales and public relations concepts, press releases, materials, plans, programs, brochures, or other information to be released to the public, whether in paper, digital or electronic, or in any other form of media; advertising, marketing, promotional, public relations, inventory management, sales campaigns, programs, sponsorships, seminars and other sales activities, including the MI Leads program, the Global Sales Agent group booking program, and one yield system support, market research and oversight and management of the guest satisfaction program and loyalty programs, as well as EMPOWER Sales (ARM) hotel user licenses; the development and maintenance of Company Brand websites, mobile applications, browser-based applications, and other advertising and marketing technologies, including enhancements and upgrades to these technologies, and cybersecurity, privacy, and data management measures; and the retention or employment of personnel, advertising agencies, marketing consultants, and other professionals to assist in the development, implementation and administration of any such activities (collectively, "Marketing Fund Activities") (Franchise Agreement – Section 6.2.A). The activities and content that are supported by the Marketing Fund will change from time to time as determined by us, and may vary by region, but no monies will be used to solicit the sale of franchises. Marketing Fund monies may be used to pay all costs, including administrative costs, salaries and overhead, and collection and accounting costs, incurred by us for the Marketing Fund and the Marketing Fund Activities (Franchise Agreement – Section 3.7.E). We may make loans to the Marketing Fund and use contributions to the Marketing Fund to repay such loans plus interest (Franchise Agreement – Section 3.7.E). We may commingle monies in the Marketing Fund with other Company Brand sales and marketing funds and other monies and do not hold the monies in the Marketing Fund as a trustee or as a trust fund. We have no fiduciary duty to you for the Marketing Fund (Franchise Agreement – Section 3.7.E).

We may advertise and market hotels through one or a combination of the following channels: broadcast media (including television and radio), digital media (including search engines, web banners, mobile channels, social media networks, mobile applications, browser-based applications, and online listings), print media (including newspapers, magazines, and marketing collateral), "out-of-home" advertising (including airport, in-flight, and transit billboards), public relations activities, content marketing, events, promotions, sponsorships, and partnerships. We may use our in-house department or an advertising agency to develop our advertising and marketing communications. Our media coverage may be on a local, regional, national, international, or global level.

We or our designee will direct the activities of the Marketing Fund using our discretion over the concepts, materials, media used, and fund allocations. The advertising and marketing activities supported by the Marketing Fund are intended to promote general public recognition of Company Brand Hotels and use of the system, and we have no obligation to ensure that any particular Company Brand Hotel, including your hotel, benefits from Marketing Fund Activities on a pro-rata or other basis or that your hotel will benefit from the Marketing Fund Activities proportionate to your contribution (Franchise Agreement –

Section 3.7.D). We will use the Marketing Fund for purposes that benefit or include Renaissance hotels as a whole, certain groups of Renaissance hotels, and other Company Brands in addition to Renaissance hotels (Franchise Agreement – Section 3.7.D), and we will allocate the cost of such advertising and marketing activities among the marketing funds of the participating Company Brands (including the Marketing Fund) as we determine. Design Hotels, MVW Licensed Brands, and Homes and Villas by Marriott Bonvoy may not contribute to the Marketing Fund.

Given the inherent degree of variability in forecasting contributions to and expenditures from the Marketing Fund and the impact of currency exchange rates, it is not uncommon for contributions to be more or less than expenditures in any year. For years in which contributions to the Marketing Fund are more than expenditures from the Marketing Fund, any amount not used in that year will be carried over to and spent in subsequent years. If contributions to the Marketing Fund are less than expenditures from the Marketing Fund in any year, we may, but are not obligated to, make a loan to the Marketing Fund to cover the shortfall. In such case, we would treat the loan (and any interest thereon) as a receivable to be repaid from the amounts allocated to the Marketing Fund by the Program Services Contribution in future years, after deducting such future years' Marketing Fund expenditures.

You are responsible at your own expense for undertaking local advertising, marketing, promotional, sales, and public relations programs and activities for your hotel in accordance with such standards and specifications as we may develop (Franchise Agreement – Section 6.1.A). At a minimum, you are required to spend \$3,000 to \$4,000 per month to activate your bars and lounges, including by providing music and/or other entertainment, and an additional \$2,000 to \$5,000 per month on public relations and social media programs to support the marketing of your hotel and bars and lounges to the local community and businesses, in-house guests, and group attendees. You must use signs and other marketing materials only in the places and manner approved or required by us and in accordance with the standards and applicable law. You must deliver samples of marketing materials not provided by us and obtain prior approval from us before any use. If we withdraw our approval, you must promptly stop using such materials. Any marketing materials developed by you may be used or modified by other Company Brand Hotels without compensation to you (Franchise Agreement – Section 6.1.B). You must conduct an opening advertising and marketing campaign that complies with our standards (Franchise Agreement – Exhibit C (New Development) – Section 5; Exhibit C (Conversion) – Section 6).

We have a council composed of franchisees, our brand managers, and market representatives that provides suggestions and advice concerning the Marketing Fund and to which we present information regarding current and future Marketing Fund expenditures. We choose the members of the council to represent a variety of franchisee interests and skills. The role of the council is purely advisory, and the council does not have the power to make decisions regarding the Marketing Fund or Marketing Fund Activities. We have the power to change or dissolve the council.

We may provide, and you must participate in (at your cost), sales and marketing programs and activities that are not funded by the Marketing Fund, such as email marketing, internet search engine marketing, transaction-based paid media programs, sales lead referrals and bookings, cooperative advertising programs, travel agency programs, incentive awards, gift cards, guest satisfaction programs, complaint resolution programs, and loyalty programs. These programs may vary in duration, apply on a local, regional, national, international, global, or category basis, or include other Company Brand Hotels (Franchise Agreement – Section 6.3). We do not have any local or regional cooperative advertising programs in which franchisees must participate. We reserve the right to form, change, dissolve, or merge cooperatives at any time.

We also anticipate developing local, regional, national, international, global, or category sales and marketing programs and initiatives where your participation is encouraged, but not required. If such a

program or initiative is developed, franchisees will be notified by email or by other means prior to the commencement date of the program or initiative. Some of these programs or initiatives will require you to “opt out” of the program or initiative if you do not wish to participate. The notice announcing the program or initiative will also include instructions on how to opt out of participation in the program or initiative. If you do not comply with the opt out procedures by the date set forth in the notification, you must participate in the program or initiative and will be responsible for paying the costs associated with such program, which will be reasonably allocated by us among participating hotels.

You must maintain a portfolio of professionally-rendered, high resolution photographs of your Renaissance hotel in accordance with the standards. The photographs must be captured and processed by an approved professional photographer. The photographs must be no more than five years old. Hotels converting to the Marriott system and newly renovated hotels must complete a photo shoot within 60 days after conversion or completion of the renovation, as applicable. The cost of a new portfolio of 20 photographs is estimated to be at least \$15,000.

If your hotel is structured so that it involves residential or condominium units, we will not provide you with any advertising or marketing materials related to the sale of the residential or condominium units and will not have a separate marketing fund or program for such units.

Marriott Sales Organizations

We have established organizations that provide sales and support services to Company Brand Hotels in certain markets, including the Global Sales Organization (“GSO”), area sales organizations, group sales organizations, international sales organizations, and field sales organizations (the “Marriott Sales Organizations”). Participation in the GSO is mandatory. Participation in the other Marriott Sales Organizations is generally optional, and you must pay our then-current charges for leads that you accept (see Item 6). The service agreements for the Marriott Sales Organizations are attached in Exhibit L. We may establish new sales organizations, or merge or discontinue existing sales organizations at any time. We may also offer optional services or programs at an additional cost.

Computer System Requirements

Except for any item designated as optional, you must purchase, lease, or license from us or our designee, and use in your hotel, the following computer systems, software, and applications, and pay the charges specified below, which include your share of the costs for developing, maintaining, updating, upgrading, and supporting such systems and software:

(1) **Property Management System.** You must use the property management system (the “PMS”) that we designate. The PMS is used for front office, back-of-the-house, and other hotel operations. The cost to implement the PMS for a typical 300-guestroom Renaissance hotel is estimated to range from \$210,000 to \$280,000. The ongoing Marriott support costs of the PMS are covered by the Program Services Contribution. All In addition, you must retain an approved vendor to provide “patching services,” through which required security upgrades and system optimizing upgrades are installed in the PMS. We provide an optional patching service for the PMS, the cost of which is approximately \$210 to \$220 per month. If you do not use our optional patching service, you must certify to us that you have completed the necessary patches in accordance with the standards.

The current approved PMS will be replaced with a new system to be designated by us. This transition is expected to occur between 2026 and year-end 2027. The amount payable to us for pre-opening technology planning and installation services associated with the implementation of the new PMS will range from approximately \$140,000 to \$253,000. The third-party costs associated with implementing the

new PMS will range from approximately \$11,000 to \$21,000. Certain franchisees may be required to commence operating under the current, approved system and replace it with the new system at a later date. The cost of transitioning from the current approved system to the new system will range from approximately \$18,400 to \$35,400 per hotel, plus \$210 to \$324 per guestroom at the hotel, and is payable by you. The transition process will consist of a series of key milestones that you must complete in a timely manner (approximately 7 milestones). If you fail to timely complete any key milestone in the transition process, we may complete the milestone on behalf of the hotel, at a cost ranging from \$7,000 to \$20,000 per milestone. Hotels participating in revenue management advisory services must pay an additional \$2,700 for revenue management advisory services associated with the transition. The ongoing cost of the new PMS will be covered by the Program Services Contribution. Ongoing third-party costs associated with the new PMS will range from approximately \$15,000 to \$30,000 per year.

You must install our two-way interface to the PMS, and, depending on the types and quantities of PCs, terminals, and printers in the hotel, there could be additional equipment purchases. The PMS server(s) must be updated or replaced every four years, or as needed to meet evolving application requirements.

(2) **Consolidated Inventory and Total Yield (“CI/TY”).** CI/TY is a required web-based sales and services system. CI handles account, contact, and opportunity/lead management, as well as property sales, event space inventory, and event management. TY applies revenue management techniques to group business for guestrooms and function space. The cost to implement CI/TY is approximately \$25,000 and is payable to us. The ongoing cost of CI/TY is covered by the Program Services Contribution.

(3) **Guest Experience Platform.** EMPOWER: Guest Experiences software (“GxP”) and EMPOWER: Guest Experiences Reservations Add-On License are required as part of Marriott’s guest experience platform. GxP is a cloud-based software that enables hotels to track and process mobile guest service requests and chats, as well as pre-arrival planning and guest complaints. The software also tracks guests’ preferences during their stays at Company Brand Hotels and makes such information available to your hotel. The EMPOWER: Guest Experiences Reservations Add-On License allows hotels to identify guests and access guest profiles, performs reservation tasks (such as loyalty program redemption stays), interacts with limited group and inventory functions, and tracks and resolves customer complaints. It is required for hotels that have on-property reservations agents. The Program Services Contribution covers the cost of GxP licenses and GxP Add-On Licenses, and the Marketing Fund covers the cost of a supplemental license referred to as the EMPOWER/Sales ARM. In addition, you must acquire and maintain a license for OXI software, which connects GxP to the property management system. The cost to implement OXI is \$3,500. The ongoing cost of OXI is \$440 per year. Other supplemental software licenses may be available at an additional cost.

(4) **Point-of-Sale (“POS”) System.** The POS system integrates with the property management system and is used for food and beverage, retail, spa, golf, and other sales outlets at your hotel. You must use the POS system that we designate. Installation and training for the POS system will be performed by our approved vendor at your cost. The cost to implement the POS system is estimated to range from approximately \$40,000 to \$130,000 for a typical Renaissance hotel with three to five workstations. The ongoing Marriott maintenance and support fees are covered by the Program Services Contribution. You must pay an additional charge of \$17 to \$30 per month per POS workstation at the hotel, which includes the cost of patching services relating to the POS system. Additional ongoing software and hardware support fees for the POS system will be charged directly by our approved vendor. The fees consist of an annual software hosting fee of approximately \$710 per hotel plus \$265 per software license, and an annual software support fee of approximately \$1,420 per hotel plus \$133 per software license. The annual hardware support fee (recommended) is estimated to be approximately 15% of the cost to purchase the POS system hardware. The estimated third-party costs associated with the POS system are provided to us by our vendors and are subject to change. Add-on services may be available at an additional cost.

(5) Reservation System and Yield Management System.

You must use the reservation system and yield management system that we designate for Renaissance hotels. The reservation system assists with reservations, check-in, charge posting, accounts receivable, night audit, check-out, housekeeping, and guest history. The yield management system is a web-based guestroom inventory management system that provides forecasting tools and makes inventory recommendations. The reservation system and yield management system will interface with your hotel's PMS. The initial costs associated with the reservation system and yield management system are included in the PMS system costs described above. The ongoing costs of the reservation system and yield management system are covered by the Program Services Contribution.

(6) Marriott Communications Network ("MCN") and Property Network Standards. In order to securely connect to Marriott business applications and services that are hosted off-property, a connection to the Marriott Communications Network (MCN) is required. A Marriott router installed at your hotel provides end-to-end encryption to the MCN. All hotels are required to have primary and failover internet connections for MCN connectivity, for which you are strongly encouraged to use Marriott-approved Internet Service Providers (ISP). A secondary internet connection for MCN connectivity is recommended to maintain full connectivity in the event the primary internet connection fails; the required failover connection only provides connectivity to critical Marriott applications. The ongoing Marriott support charge for MCN connectivity (including Marriott router) is covered by your Program Services Contribution. The internet connection costs are payable directly to third-party vendors.

You must also install and maintain a franchisee-managed network ("FMN") for hotel devices. The cost to implement an FMN will range from approximately \$25,000 to \$30,000. We cannot estimate the ongoing cost of the FMN because the cost will vary depending on the vendor you choose and the services rendered. Marriott will not access, control or manage the FMN.

An on-property Wi-Fi network for the benefit of the hotel and guests is also required. The estimated cost to implement a Wi-Fi network meeting our Global Property Network Standards (GPNS) ranges from approximately \$650 to \$1,000 per guestroom. The ongoing cost of the Wi-Fi network is estimated to be approximately \$2.50 to \$8.50 per month per guestroom. These amounts are payable directly to approved third-party vendors (i.e., LAN Service Provider (LSP)). More information about GPNS is available on Marriott Global Source (keyword search: GPNS). Marriott generally requires the Wi-Fi network to be upgraded or replaced every three to five years.

Minimum bandwidth requirements for the entire Hotel are based on room count, the number of optional services subscribed to by the hotel and the number of users of those applications. Primary and secondary internet connections can be shared across Marriott, Franchise and guest networks. Hotel-specific bandwidth recommendations are available on Marriott Global Source (keyword search: Minimum Bandwidth Standards). Additional fiber optic networking and cellular augmentation (e.g., distributed antenna systems) are available from third-party vendors at an additional cost and may be required in certain circumstances.

All network hardware is required to be replaced prior to reaching the manufacturer's End of Life (EOL) date.

In connection with the MCN, franchisees must retain a third-party managed service provider (MSP) to support IT infrastructure, assist in cyber security incidents, ransomware detection, and endpoint security response, and manage pressing compliance and IT risk management situations. We anticipate that the cost to engage an MSP will be approximately \$4,000. Your ongoing costs will vary depending on the MSP you choose and the services that they provide.

(7) **Continent Field Support.** All devices connected to the MCN must be enrolled in the Continent Field Support program. Continent Field Support provides hotels with a centralized point of contact for support relating to the MCN, PMS, POS, and other required systems and infrastructure. The cost of Continent Field Support is \$7.34 to \$13.75 per month per device. The Program Services Contribution covers the cost of Continent Field Support for approximately 12 devices. We may assess this charge for additional devices on a per user, per- hotel, or other basis in the future.

(8) **Digital Guest Services.** This application allows guests to use mobile devices (phones and tablets) and web browsers to check-in, check-out, receive room ready alerts, and place service requests. The cost to implement Digital Guest Services is approximately \$2,000. The ongoing cost of Digital Guest Services is covered by the Program Services Contribution.

(9) **Digital Food & Beverage Services.** This optional application allows guests to use mobile devices (phones and tablets) to place orders for pick-up and delivery at the hotel's food and beverage outlets. The cost of a Digital Food & Beverage Services application varies depending on whether the application is integrated into the hotel's POS system. The cost to implement a Digital Food & Beverage Services application that is integrated to the POS system is approximately \$4,000 to \$6,000 per revenue center, which includes the cost of a point-of-sale license and one year of support. The ongoing cost of a Digital Food & Beverage Services application that is integrated to the POS system is approximately \$2,200 to \$3,500 per revenue center per year, depending on the number of guestrooms at the hotel. A non-integrated version of the Digital Food & Beverage Services application is also available. The cost to implement the non-integrated version of the Digital Food & Beverage Services application is approximately \$1,440 per revenue center. The ongoing cost of the non-integrated Digital Food & Beverage Services application is approximately \$1,440 per revenue center per year. Additional costs may apply if the hotel has multiple revenue centers processing food and beverage outlet orders. These amounts are payable to third parties. Optional enhancements to Digital Food & Beverage Services and add-on programs and services, such as credit card processing services and a table/amenity reservation and management platform, are available at an additional cost.

(10) **Hotel Lock System (including Mobile Key).** You must implement an electronic lock system for the hotel's guestrooms that includes a mobile key component and complies with our standards. The cost to implement a new lock system is estimated to range from approximately \$250 to \$275 per guestroom lock (excluding the cost of cover plates and custom strikes) plus \$12,500 to \$18,500 for the infrastructure to support the lock system, which includes the cost of dedicated servers (if any) and other hardware, installation, training, and vendor management costs. Marriott support costs associated with the implementation of the mobile key system component of the lock system are covered by the Program Services Contribution. The ongoing third-party support cost for the mobile key lock system will range from approximately \$8 to \$11 per guestroom per year for software and support. This amount is payable to us as a pass-through cost and submitted to the vendor on your behalf. To the extent your lock system is hardware-based, you must annually update lock system server(s) at a cost ranging from approximately \$1,900 to \$4,000 per year. We or our approved vendors may require all system hotels to transition to a cloud-based lock system in the future. The cost to transition from a hardware-based lock system to a cloud-based lock system is not yet known but may range from approximately \$3,500 to \$5,000 per hotel plus \$10 to \$18 per lock. Costs may vary significantly depending on the current guestroom locks and support infrastructure installed at the hotel and the specifications of the new lock system that you implement. The ongoing third-party costs associated with a cloud-based lock system are not yet known. The lock system and servers must be replaced periodically. The average life span of a lock system is approximately 10 years, and the average lifespan of a server is approximately 5 years.

(11) **Mobile Device and Application Management and Mobile Application Access.** This program allows authorized users to access their Marriott email accounts and certain other Marriott

applications on mobile devices. The cost of the program ranges from \$2.75 to \$3.00 per device per month and is payable to us.

(12) **Guestroom Entertainment Platform (“GRE Platform”).** This platform allows Renaissance hotels to provide an at-home television viewing experience to guests and consists of a set-top box for each guestroom television and access to approved entertainment applications (such as Hulu and Netflix). The cost to implement a GRE Platform is approximately \$23,500, plus \$220 per guestroom. The ongoing cost of the GRE Platform is estimated to range from approximately \$67 to \$119 per guestroom per month. We will control the content delivered to guests through the GRE Platform and other media systems at the hotel and we may derive revenue from such activities. We will designate the content to be delivered to guests through the GRE Platform and other media systems at the hotel, and we may derive revenue from such activities.

(13) **Lobby PC.** You must maintain one or more computer kiosks in a public area for guest use. The average cost of a computer kiosk with a printer is approximately \$2,500, and the annual cost for hardware and software support is approximately \$600.

(14) **Associate Alert Devices.** You are solely responsible for implementing a security policy for the hotel. The security policy must include associate alert devices with geolocation capabilities that allow staff to summon assistance in the event of an emergency. A device must be provided to each staff member that is regularly in contact with guests in enclosed spaces. The cost to implement the associate alert device program is approximately \$22,000 to \$36,000, including a \$283 implementation fee payable to us. The ongoing cost of the associate alert device program is approximately \$2.00 per guestroom and public space per month for vendor support.

(15) **Meeting Services Application (“MSA”).** This browser-based application allows service associates and meeting planners to plan and coordinate service requests and deliveries related to meetings in real time. The cost to implement MSA is \$5.49 per guestroom and is payable to us.

(16) **EV Charging Stations.** Hotels have the option of installing electric vehicle (EV) charging stations at Company Brand Hotels. If you choose to install EV charging stations, the stations must comply with our standards. We cannot estimate the initial and ongoing costs of compliant EV charging stations, as costs will vary significantly depending on the number and type of charging devices you choose to install and the existing electronic infrastructure at the hotel.

(17) **Global Recipe Database.** This software application allows users to control recipe creation, components, costing, sharing, and scaling. The cost of Global Recipe Database is \$1,000 per year for the software license and is payable to our vendor, BirchStreet Systems. In addition, you must pay to us an annual maintenance charge of \$1.00 per guestroom (not to exceed \$800 per year).

(18) **Navigator Program.** This program allows front office associates to provide guests with local area information and related content. The cost to implement the program ranges from approximately \$800 to \$2,000, including the cost of two iPads enrolled in the Mobile Device Management program. If your hotel is located in a remote or tertiary market, we will assist you in developing content for the hotel at a cost of \$4,000 to \$5,000.

(19) **Intranet Website and MDash.** Marriott Global Source (“MGS”) is an intranet website available through the Marriott network or by the Internet. MGS contains information such as standards, Marriott communications, and quality assurance information. The MDash portal provides hotel operators with a summary of key hotel performance metrics. The ongoing usage and support cost for the MGS and MDash is covered by the Program Services Contribution.

(20) **Information Security Managed Detection and Response Services.** You must purchase endpoint detection response software (“EDR”) and use a managed detection and response service (“MDR”) to monitor endpoints for suspicious activity. The EDR and MDR must comply with our standards. If you use our approved vendor, the Program Services Contribution will cover the cost of EDR and MDR for up to 12 devices, and the cost for each additional device is currently \$39 per device per year. If you choose to use an alternate vendor, your costs may vary, and you must provide us with periodic certifications that you have obtained compliant EDR and MDR for every device at your hotel that accesses guest data.

(21) **MESH.** Marriott Environmental Sustainability Hub (“MESH”) software assists a hotel in monitoring its sustainability by tracking a hotel’s utility consumption and spend. The ongoing cost of MESH is covered by the Program Services Contribution. You must retain a qualified consultant to conduct an energy assessment of the hotel every three to five years. The cost of an energy assessment is estimated to range from approximately \$15,000 to \$30,000 for a 200- to 300-guestroom hotel. In addition, the hotel must offer carbon offset solutions to guests booking group stays or events at the hotel. Hotels may purchase carbon offset solutions from our designated vendors on behalf of guests or arrange for guests to purchase carbon offset solutions directly from our designate vendors.

(22) **Residential Software (if applicable).** If your hotel has a residential, condominium, or multi-family component, you will be required to implement a computerized key control system and a residential property management system. The cost for a computerized key control system is estimated to range from \$7,500 to \$10,000 for installation, with an ongoing cost of approximately \$500 per year. The cost for a residential property management system is estimated to be approximately \$2,200 per year. Pricing for these systems will vary based on the systems you choose and the number of units at your project. You may incur additional costs for installation and training. You must maintain an additional GxP license for software specific to residential properties. The cost for an additional GxP license for your residential or condominium component is estimated to be \$980 per year and is payable to us.

If your hotel has a residential or condominium component, you must also acquire our designated owner relations software system. The cost of the system is estimated to range from approximately \$10,700 to \$13,700. The ongoing cost of the owner relations software system is estimated to range from approximately \$750 to \$950. These costs are payable to third parties. In addition, if the residential or condominium component of your hotel has a unit rental program, you must participate in the Condominium Billing Support program, the cost of which is approximately \$5.20 per unit.

Updates, Upgrades, and Replacements. You must obtain the computer and other electronic systems, and related infrastructure, that we require. The systems and infrastructure must be maintained in a secure and vendor-supportable state, in accordance with the standards. You must install and use the updates, upgrades, and replacements to designated systems that we require. These systems are subject to change based on changes to consumer preference, data privacy and security standards and regulations, and vendor requirements. Each required system must be replaced at the end of its serviceable and secure life (i.e., the last date that manufacturer is committed to support and provide software updates for the device), and we or the vendor may require migration to cloud-based technologies in lieu of hardware-based systems. Devices that are at the end of life, in particular devices for which security patches are no longer available, are subject to being disconnected from the Marriott Network, and/or having connectivity to business-critical applications restricted. There is no contractual limitation on the frequency or cost of your obligation to update, upgrade, or replace electronic systems. You must execute an Electronic Systems License Agreement regarding system hardware and software requirements. The form of such agreement is in Exhibit C. You must also enter into any maintenance contracts with third-party vendors that we may require. We have no obligation to provide ongoing maintenance, repairs, upgrades, or updates to any of the systems, hardware, or software you use. We may offer optional technology support, programs, and products at an additional cost.

Server Management. All servers on the Marriott network or that access certain Marriott applications must participate in our server management program. The cost of the server management program is approximately \$28.13 to \$119.03 for security and management services. If you require additional support, you must pay our then-current fees, which may be computed on a per request (\$4 to \$235 per request) or hourly (approximately \$120 per hour) basis, depending on the service requested.

Payment Processing and Tokenization.

(1) **Payment Card Industry (“PCI”).** You must comply with all rules and regulations promulgated by the credit card companies and associations, including current the PCI data security standards and our PCI compliance standards. You must install the updates and upgrades necessary to comply with these rules, regulations, and standards and pay for the expenses associated with the upgrades and updates, including training, equipment, and travel, meal, and lodging expenses.

(2) **Payment Processing.** You must accept the forms of payment we designate, implement the payment solution we designate (which may include a centralized payment processing program), and use chip and pin ready payment devices. The amount payable to us to implement a payment solution is approximately \$3,000. The cost to purchase a chip and pin ready payment device from our approved vendor is estimated to range from approximately \$270 to \$925 per terminal device. In order to implement a chip and pin payment processing system, you must also acquire a PC that complies with our standards, runs our current approved version of Microsoft Windows, and is connected to the MCN. The cost to acquire a compliant PC is estimated to be approximately \$1,300.

In addition, any restaurants, bars, or lounges satisfying the food and beverage requirements for the hotel may be required to implement a pay at table solution. In order to implement a pay-at-table solution, the hotel must install an LSP firewall solution. The cost to implement an LSP solution ranges from approximately \$2,000 to \$5,000 and the ongoing cost of the LSP solution is approximately \$125 per month. Except as otherwise noted, these amounts are payable to third parties.

You must also use our preferred providers in connection with processing credit cards, including authorizations and settlements. The cost to implement a credit card processing solution is approximately \$79 per hotel and \$99 per merchant ID issued to the hotel. Our preferred credit card processing vendor charges a credit card gateway services fee of \$0.047 per settlement transaction, our current credit card acquiring service provider charges a fee of \$0.01 per transaction, and the cost of credit card validation will be approximately \$0.04 to \$0.08 per transaction (which may be payable to us or to an approved vendor). These costs will vary depending on the gateway service provider used by your hotel and the guest’s credit card service provider. We may support additional vendors in the future or implement additional processes to comply with PCI security regulations or other security standards.

(3) **Tokenization.** Tokenization, the process of replacing credit card numbers with indecipherable data, is a required part of our ongoing PCI compliance effort. All credit card data processed or transmitted on the Marriott network via any property-based system and terminal must be tokenized. The cost to implement tokenization is \$380 per device. The ongoing cost of tokenization is covered by the Program Services Contribution.

Data. We have independent access to the system databases at your hotel. We own, and there are no limitations on our right to access, the information and data you maintain utilizing such systems and software, which will include information about guests, reservations, our loyalty programs, revenues, and other business information related to hotel operations.

Training

We have established training programs for our franchisees and certain personnel who perform key functions at hotels. All required training must be completed to our satisfaction within the time periods we designate, and verification of successful completion must be presented at our request. If you hire a replacement for any personnel who must attend a training program, the replacement must successfully complete the appropriate training program.

We have implemented a learning and development bundle that covers the cost of certain required training programs, including the cost of the technology to deliver, provide access to, and track the progress of training programs. The cost of the bundle ranges from approximately \$11.60 to \$12.80 per guestroom per year. The cost of the learning and development bundle and the training programs it covers may be merged, modified, discontinued, or otherwise changed at any time. We will not be the trustee of, and will have no fiduciary duty to you for, the learning and development charge.

The following is a summary of required training programs, which are in addition to the initial pre-opening and opening training and support described in Items 5 and 7. Optional programs may be available at an additional cost. We reserve the right to modify the training requirements as needed. We may require additional training programs and courses when systems and operating standards change. Upgrades to our electronic systems may necessitate additional training. The subject matter, time required, location, and costs are subject to periodic change. Amounts listed in the column entitled “Cost” include tuition and materials, but do not include travel and living expenses of trainees, which must be paid by you.

You must reimburse us for any travel, meal, lodging, and other expenses we incur to conduct in-person training. These costs may range from \$250 to \$750 per attendee. You must pay for your designees' costs to attend any required training programs. Cancellation fees may apply.

At your request (based on availability) we will provide an on-site visit of one to two days at least one time per year by one of our brand advocates to provide brand training and guidance on executing against the brand manifesto. There is no charge for this on-site visit and training. You must provide free lodging

for the brand advocate, and you are responsible for the other costs incurred in connection with the visit (ground transportation, meals and basic incidentals).

During years in which we hold a regional General Managers Conference, the general manager of your hotel will be required to attend. During years in which we hold a continental General Manager and Sales Leader Conference, the general manager and sales leaders of your hotel are encouraged to attend. You must pay the costs for your hotel's attendees, including a conference registration fee and any travel and living expenses. Conference registration fees vary depending on the length and location of the conference. If required, you will be charged a conference registration fee even if your hotel's general manager does not attend the conference. The conference registration fee for the most recent regional General Managers Conference was \$2,500 for each hotel general manager and \$4,000 for each above-property attendee.

General manager brand immersions are required within the first six months of hire for all general managers who are new to the brand. General manager brand immersions are created and delivered by the global and continent brand teams and are typically offered in a cohort style session. Live programming includes two days of immersive content that covers key topics to successfully lead the brand on-property. The cost for your general manager to participate in brand immersions is \$2,000 per person, plus travel and living expenses, which must be paid by you. Immersions may be offered virtually if global business conditions prohibit travel.

We have numerous leadership and discipline-specific training programs that are held throughout the year and are available to you on an optional basis. These training programs are intended to enhance personal and professional development. For these optional advanced programs, there is generally a per participant charge ranging from \$1,000 to \$10,000, not including travel and living expenses of trainees, which must be paid by you.

New-to-Marriott franchisee executives must attend Executive Orientation at least 12 months prior to the hotel's opening date, or within six months of transaction on an existing hotel. You must pay our then-current fee for Executive Orientation, presently \$795 per person.

If you desire to operate a hotel but we determine that you are not qualified to operate a system hotel without additional training, you must participate in the Franchisee Introduction to Marriott program ("FITM") for new-build hotels or the FITM-R program for existing Company Brand Hotels. FITM and FITM-R include executive level in-person meetings and self-paced, web-based training on the use of Marriott programs, systems, and services. You must pay our then-current enrollment fee, presently \$40,000 for FITM and \$60,000 for FITM-R. Alternately, if we determine that you are qualified to operate a hotel, but are unfamiliar with the system, we may require you to participate in the Franchisee OnBoarding for New Development program ("FOND") for new build-hotels or the Above-Property Immersion ("API") program for existing Company Brand Hotels, through which we provide additional self-paced, web-based training on the use of Marriott programs, systems, and services. You must pay our then-current enrollment fee, presently \$20,000 for FOND and API. The ranges above exclude, and you must pay for the cost of, travel, meal and lodging expenses incurred by you and your designated attendees to complete training programs that are not conducted on site, such as Executive Orientation and, FITM.

Franchisees that participate in FITM, FOND, FITM-R, or API must also undergo one non-accountable brand standard audit and, for a period of two years, participate in the Revenue Management Advisory Services program, the Customer Engagement Center Property Support Services program, our Digital Marketing program, and the sales programs we specify, at an additional cost. If you do not complete these programs by the time frame specified by us, you may: (a) incur additional fees and charges; (b) be

required to retain an approved third-party management company to operate the hotel; and (c) be required to take other action steps. There may be changes to the program and the cost.

If any hotel operated by you, your affiliate(s), or your management company is placed in the Red Zone in any quality assurance tracking period, we may require you to participate in an Audit Program/GSS Improvement program and pay our then-current fee, presently \$20,000 for up to 10 participants, plus \$10,000 for up to an additional 10 participants. Designed to take place over approximately nine months, the Audit Program/GSS Improvement program will consist of additional training on brand standards, in-person meetings and webinars, and non-accountable audits for each applicable Company Brand Hotel, at your expense. If the training is not successfully completed, you will be required to hire a third-party management company consented to by us to operate the hotels. The requirement to participate in the Audit Program/GSS Improvement program is in addition to any other rights or remedies we may have under the franchise agreements or applicable law.

Residential Training and Support (if applicable)

If your hotel has a residential, condominium, or multi-family component, your director of residences (residential leader) must attend a five-day residential on-boarding training session. The charge is \$2,000 per participant for this training, in addition you are responsible for your trainees' travel and living expenses. We estimate your travel costs will be \$1,500 but may vary depending on the actual travel costs and number of attendees. You may also choose to participate in our regional or global residential training meetings, at your cost.

We have implemented a learning and development bundle that covers the cost of certain required training programs, including the cost of the technology to deliver, provide access, and verify the completion of required training. The cost of the bundle ranges from approximately \$5.00 to \$7.00 per residential, condominium, or multi-family rental unit per year. The learning bundle charge and the training programs it covers may be merged, modified, discontinued, or otherwise changed at any time. We will not be the trustee of, and will have no fiduciary duty to you for, the learning bundle charge.

ITEM 12

TERRITORY

Your franchise agreement will permit you to operate one hotel of a specific size at a specific site selected by you and approved by us. You will not receive the right to acquire additional franchises at any location. We and our affiliates have and retain the rights to, or license or franchise others to, develop, promote, market, own, operate, lease, license, franchise, and/or manage other hotels, lodging products or concepts, or other business operations (including Renaissance hotels, other Company Brand Businesses, and lodging products operating under the MVW Licensed Brands) at any location, including locations adjacent or proximate to your hotel. These business operations may compete directly with, and adversely financially impact the operation of, your hotel.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we or our affiliates own, lease, manage, license, or franchise, or from other channels of distribution or competitive brands that we or our affiliates control.

You may not be granted a territory, but if you are, it will be non-exclusive. Generally, a territory: (i) will apply to Renaissance hotels only if you are granted a franchise for a Renaissance Hotel or Renaissance Resort; (iii) will apply for a duration of five years or less; (iv) will not apply to any hotel that is existing or under development as of the date of the franchise agreement; (v) will not apply to any hotel or hotels that are members of a chain of hotels or a group of hotels (with a minimum of four hotels in operation) that is acquired by, merged with, franchised by, or joined through a marketing agreement with, us or one of our affiliates, or the operation of all or substantially all of such hotels is transferred to us or one of our affiliates, even if any such hotel converts to a Renaissance hotel; and (vi) will not apply to any residential or condominium products or other lodging product developed by us or one of our affiliates (including products using our reservation channels, distribution channels, and loyalty programs). Generally, you will not be granted a territory in connection with the residential, condominium, or multi-family component of your hotel development project. If a territory is granted, specific terms for the grant of a territory, the size of the geographic area, and its duration will depend upon the market in which the site is located, and it will not include, either expressly or by implication, any right for you to develop additional hotels at sites within the territory or to enlarge the hotel at the approved site. If you are granted a territory, it may be defined as a radius around your hotel or delineated by streets, highways, or other geographical boundaries. The continuation of your territorial rights, if any, will not be contingent on your hotel achieving a particular sales volume or market penetration, but may be contingent on other factors such as the timely commencement of construction and opening of your hotel.

The franchise agreement does not provide you with any options, rights of first refusal, or similar rights to acquire additional franchises.

We may seek to resolve any conflict that arises between franchisees and us, or among franchisees, or concerning territories, customers, or franchisor support, on a case-by-case basis. In doing so, we will consider the rights and obligations of the parties under the applicable contracts.

We provide notice to Company Brand Hotel franchisees and owners of certain new development and conversion projects for Company Brand Hotels as set forth in our Growth Administration Guidelines, which are available on request. These guidelines currently provide notified owners and franchisees with an opportunity to respond in writing regarding any concerns they may have with respect to the proposed project, as well as an opportunity, if certain conditions are met, to request an independent impact study. These guidelines are subject to change or elimination.

You may face competition from other franchisees, from outlets that we or our affiliates own, lease, manage, license, or franchise, or from other channels of distribution or competitive brands that we or our affiliates control.

You may only solicit or accept reservations for your hotel through the means we designate or approve in writing. We currently have distribution agreements and relationships with online distribution channels including Expedia, Priceline.com, Booking.com, and Travel Ease. Access to your hotel's inventory by these channels is typically facilitated through a direct or third-party managed interface with our designated reservation system. In certain circumstances, some of our contracts with online distribution channels provide for access to hotel inventory through other means, such as by extranet. Franchisees may elect to participate on the terms set forth in our distribution agreements or may negotiate their own agreements with any online distribution channels as long as they are consistent with our designated best rate guarantee policy (as described in Item 16) and other applicable standards (which include criteria for approval of third-party distribution channels). If you elect to negotiate your own agreement with an online distribution channel, we will be under no obligation to support your business relationship with that online distribution channel, including by making available the use of our programs and systems such as our designated property management system, CTAC, and our designated reservation system in connection with the use of that channel. We prohibit franchisees from using certain online distribution channels and limit the inventory franchisees may make available to customers through certain online distribution channels.

Our and our affiliates' reservations, sales, and marketing personnel may market not only Renaissance hotels, but also any other Company Brand Businesses, MVW Licensed Brands lodging products, and any other lodging products that become affiliated with us. They may use our reservation system, national and regional sales offices, purchasing arrangements, marketing and training services, and corporate headquarters personnel, and they may use all types and channels of distribution. Our representatives may recommend to customers lodging products other than Renaissance hotels based on their needs and desires for location, availability of accommodations, level of services, amenities, and price.

We may establish other systems involving similar services or products, under different trademarks, and may establish company-owned, managed or franchised businesses for those other systems, in the hotel's territory.

ITEM 13

TRADEMARKS

We will give you the right under the franchise agreement to develop and operate a hotel under the name “Renaissance Hotel,” “Renaissance Resort,” “Renaissance Hotels and Resorts,” or “Renaissance Hotel and Conference Center” subject to compliance with our standards. You may also use other current or future trademarks designated by us for the operation of your hotel. By “trademarks,” we mean trade names, trademarks, service marks, logos, and other symbols used to identify your hotel, whether registered or unregistered. Our affiliate, RHHL, has registered the following principal trademarks on the Principal Register of the United States Patent and Trademark Office:

We have filed all required affidavits.

We do not have a federal registration for some of our principal trademarks. Therefore, those trademarks do not have as many legal benefits and rights as federally registered trademarks. If our right to use a trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses. Once we obtain a federal registration, however, our rights derived from federal registration of the trademark will be effective as of the filing date of the application.

You must identify your hotel using the name we designate, which we may change at our discretion. We may develop additional trademarks for use in the operation of Renaissance Hotels, or we may withdraw or substitute trademarks. You must modify or discontinue the use of a trademark or the hotel name at your expense if we modify or discontinue it.

We have the right to use, and to license others to use, the trademarks listed in this Item 13, because we either own those trademarks or have an agreement with an affiliate that owns those trademarks.

You may not use the word “Renaissance” or any other trademark or confusingly similar mark or name in your corporate, partnership, or trade name, or in any other business or trade name, or otherwise in connection with any business activity or venture. You are also prohibited from using our trademarks or any confusingly similar trademarks in any email address (except as we authorize), domain name, mobile application name, or any other electronic identifier. In addition to any other rights or remedies available to us under the franchise agreement and applicable law, we will charge a fee of \$100 each day any email address, domain name, or application using our marks is live, and we may limit your access to our reservation and distribution channels.

There are currently no effective material decisions of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administration of any state or any court, or any pending infringement, opposition, or cancellation proceeding, or any pending material litigation, involving the trademarks identified above. There are no agreements that materially limit our right to use or license the use of the trademarks identified above.

You must notify us promptly in writing if you learn about an infringement of, or challenge to, your use of our trademarks. We have the right to have sole control over the defense and settlement of any claim that involves the trademarks. You must cooperate fully in connection with such defense or settlement of any claim or litigation against you that involves the trademarks. If you are in compliance with the terms of the franchise agreement, we will indemnify you against all third-party claims that your use of our trademarks in accordance with the terms of the franchise agreement infringes upon the rights of any other party; provided, however, that you give us immediate written notice of any claim, do not interfere with our right to have sole control over the defense and settlement of the claim, and cooperate fully with us in defending or settling the claim. We will not be obligated to indemnify or defend you (i) if you are in default under the franchise agreement when a claim is made or become in default under the franchise agreement before the resolution of a claim; or (ii) if the claim is based on a use of our trademark not authorized by the franchise agreement.

The franchise agreement requires us to protect the validity of our trademarks, except that we are not required to maintain any registration of any trademark that we determine cannot or should not be maintained. We may settle any dispute in any manner that we think appropriate, which may or may not include filing suit against imitators or infringers.

We do not know of any superior prior rights or any infringing use that could materially affect your use of our trademarks, except that our rights to license your use of the trademarks are based upon a license to us from our affiliate RHHI. That license gives us the exclusive right to license you and others to use the trademarks.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We and our affiliates claim all rights and interests, including all copyright and patent rights, to the information contained in the standards, as well as in any training or other materials or systems made available to you. You do not own the rights to any materials or systems made available to you, but you may use the proprietary information in our standards for the sole purpose of operating your Renaissance hotel under our franchise agreement. All information regarding the customers of the hotel (or residences, if applicable), regardless of source, is proprietary to us.

Marriott's designated property management system, reservation system, yield management system, sales and catering system, intranet website, the standards, the guest satisfaction survey system, and all other current or future information systems and marketing and management programs made available for your use are proprietary to us, our affiliates, or our licensors. We and/or they claim all rights and interests, including all copyright and patent rights, to these systems. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress), or of any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving any of the proprietary materials in which we claim a copyright which are relevant to their use by our franchisees. There are no agreements currently in effect which significantly limit our right to use or license the use of our copyrighted materials in any manner material to your hotel, and we do not know of any infringing uses of our copyrighted materials which could materially affect your use of the copyrighted materials.

We claim proprietary rights in, and you will have certain obligations to maintain the confidentiality of, the following information (collectively, "Confidential Information"): all standards and documents created for or approved for use in the Renaissance hotel system or in the operation of the hotel or residences, as applicable; the negotiated terms in your franchise agreement and related agreements; all software, including data and information processed or stored using the software, and accompanying documentation; any customer lists, or other customer information (including names, email addresses, postal addresses, phone numbers, credit card numbers, preferences, etc.); information in our loyalty programs; and any other confidential or proprietary information, knowledge, or know-how concerning the Renaissance hotel system or the operation of the hotel or residences, as applicable, that may be communicated or provided to you or of which you may be apprised, by virtue of your ownership or operation of the hotel or residences, as applicable. You must not, without our prior consent, copy, reproduce, or make available to anyone, or use for any purpose other than operation of your hotel or residences, as applicable, any of the Confidential Information. You may divulge Confidential Information only to your employees or agents who require access to it to operate the hotel or residences, as applicable, only after they are advised that such information is confidential and that they are obligated to maintain its confidentiality. The Confidential Information has commercial value. We and our affiliates have taken reasonable measures to maintain its confidentiality. Accordingly, the Confidential Information is proprietary and a trade secret of ours and our affiliates. Your obligations to maintain the confidentiality of Confidential Information will extend beyond the expiration or termination of the franchise agreement and you will be liable for any breaches of such obligations by your employees and agents.

Confidential Information may exist in any medium including documents, computer files, voicemail, email, and other digital media and oral information. "Personally Identifiable Information" is a special category of Confidential Information that includes any information that can be associated with or traced to an individual, such as the individual's name, address, telephone number, email address, credit card information, driver's license number, passport number, or other similar specific factual information.

You must implement reasonable security measures, including any and all security measures that we require, to protect all computer systems and Confidential Information from loss, misuse and unauthorized access, disclosure, alteration, and destruction. In addition, you must comply with all applicable data protection laws pertaining to Personally Identifiable Information and rules and regulations promulgated by the applicable credit card associations. In the event of an actual or suspected information security incident or breach that could involve Personally Identifiable Information of guests at your hotel, you must comply with all applicable data breach notification laws as well as our standards applicable to such incident or breach. You must notify us when you become aware of any such incident or breach and provide credit monitoring for impacted individuals in accordance with our standards. You will be required to reimburse us for all costs incurred by us in connection with a security breach involving Personally Identifiable Information of guests at your hotel.

You must notify us promptly in writing if you learn about unauthorized use of any proprietary systems or Confidential Information. You must cooperate fully in defending or settling any litigation against us or you that involves our proprietary systems or Confidential Information. We or our licensors are not obligated to indemnify you against claims that your use of the proprietary systems or Confidential Information under the terms of the franchise agreement infringes upon the patent or copyright rights of others unless such an indemnity is provided by the third-party licensor of such system. We or our licensors have the right to control any litigation and may settle any dispute in any manner that we think appropriate, which may or may not include filing suit against unauthorized users of our proprietary systems or Confidential Information.

We currently own the following patents pertaining to our business processes:

US Patent No. 10,735,201 “Method and Apparatus for Key Printing.” The application relating to a methodology and apparatus for printing guestroom key cards was filed on July 15, 2016, and was granted on August 4, 2020.

We reserve the right to file additional patent applications and to obtain patents for our business processes in the future. Business processes related to the system are proprietary to us or our affiliates. Therefore, you may not file a patent application for any of these processes.

If we decide to add, modify, or discontinue the use of an item or process covered by a patent or copyright, you must do so, at your expense. We are not obligated to defend your use of these items or processes.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We require franchisees to operate the hotel or to retain an approved management company consented to by us (Franchise Agreement – Section 8.1). A general manager who has successfully completed our training program must directly supervise the business on the premises. We require the general manager and other managers to devote full time to the management and operation of the hotel.

We may determine that you are not qualified to operate your hotel. In making such determination we will review, among other things, your managerial and operational experience, skills, capacity, capabilities, and philosophy to determine whether, based on our experience as a franchisor, owner, and operator of hotels, we believe you will be able to operate your hotel in accordance with the standards and the franchise agreement. If we determine that you are not qualified to operate your hotel, you will be required to hire a management company to operate your hotel. In certain circumstances, we may allow you to participate in a franchise management training program. We may include certain provisions in your franchise agreement that will require you to retain a third-party management company if you fail to meet certain quality assurance requirements.

Even if we determine that you are qualified to operate your hotel, you may desire nonetheless to hire a management company to operate your hotel. You must obtain our consent before you hire a proposed management company to operate your hotel. We have the right to approve any new or replacement management company and the right to review any management agreement between you and a management company. The management agreement must be subject to the terms and provisions of the franchise agreement.

You and the management company must operate the hotel in conformity with the franchise agreement and our standards. We have the right to require you to replace the management company or terminate the franchise agreement if the management company fails to operate the hotel in strict compliance with the franchise agreement.

We do not require the on-premises management company or general manager to have an equity interest in the franchised business.

After a review of the financial information submitted with your application and a review of the ownership structure of the proposed franchisee, the hotel, and the real property on which the hotel will sit, we will determine guaranty requirements. If the franchisee is an entity, we may require the principals of the entity to sign a guaranty of the franchisee's obligations substantially in the form included in Exhibit C. In certain limited instances, we will accept the guaranty of an entity with substantial net worth instead of some or all of the principals of the franchisee. The primary determining factors will include: (i) the net worth and liquidity of the proposed guarantor; (ii) the credit and operating history of the proposed guarantor; and (iii) the debt structure applicable to the hotel. If you propose an entity to serve as the guarantor, you must submit financial statements for that entity. If we send to you a written notice of default or if we or our affiliates enter into any form of forbearance agreement with you, we may require you to provide a guaranty from a party acceptable to us to cover all of your obligations under the franchise agreement and related agreements.

If you do not own the hotel, we generally require the owner of the hotel to enter into an Owner Agreement substantially in the form included in Exhibit C.

If your hotel will be structured so that it involves residential, condominium, or multi-family units, we will require that you maintain ownership and control of all components of the hotel necessary for hotel management operations and may require you to maintain ownership and control of other facilities or common areas of the project that are not required by law to be owned or controlled by the unit owners.

If the licensee under a residential marketing license agreement or a multi-family component license agreement is an entity and not an individual, we generally require the principals of the entity to sign a guaranty of the licensee's obligations. In some cases, we will accept the guaranty of an entity with substantial net worth instead of some or all of the principals of the licensee. The primary determining factors will include: (i) the net worth and liquidity of the proposed guarantor; (ii) the credit and operating history of the proposed guarantor; and (iii) the debt structure applicable to the project. If you propose an entity to serve as the guarantor, you must submit financial statements for that entity.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer all of the goods and services that we designate. Furthermore, you may offer only those goods and services that we require or specifically allow. Except as provided below, you are responsible for determining the price at which you offer your goods and services.

Our operating standards, including the types of goods and services required to be offered, are subject to change. These changes may apply to all system hotels or certain categories of system hotels if we determine that the market area or the special physical characteristics of the hotels make exceptions appropriate.

You must use reasonable efforts to encourage and promote the use of Renaissance hotels and refer reservation requests that you cannot fulfill to other Renaissance hotels, or Company Brand Hotels.

You will not use any part of the hotel for any business other than operating a system hotel. You will not use any part of the hotel or the system to divert business to any other business at or outside of the hotel. You must not market, advertise, or promote at the hotel any business that we have not approved. Specifically, your hotel must not be used to market or promote:

(i) Any lodging business, including advertising hotels, residences, vacation or timeshare facilities or similar products used on a periodic basis, conference centers, or other lodging products not operated under a trade name or trademark owned by us or any of our affiliates (including any other hotel operated by you or in which you or one of your principals holds an interest); or

(ii) Any business or concession at the hotel, except as expressly permitted by us.

You must offer your inventory of rooms through the mandatory reservation and distribution channels that we designate, such as: Marriott Worldwide Reservations; Marriott.com and such other online/digital reservation and distribution channels as we may designate (which may be managed by us, our affiliates, or third parties); the Global Distribution Systems (GDS)/DHISCO; travel agents, and travel management companies. You may also offer your inventory of rooms through approved, non-mandatory channels, such as third-party providers and online distribution channels. If your hotel has residential, condominium, or multi-family units that participate in a rental program, such units may also be offered through our designated reservation and distribution channels. Our arrangements with these reservation and distribution channels are renegotiated periodically and may be modified or discontinued at any time.

You are responsible for setting your own prices and rates for the goods and services offered by your hotel, except that we: (i) prohibit price-gouging at the hotel; (ii) require you to participate in our associate rate discount program; (iii) may require you to provide discounted rates to members of our loyalty programs; (iv) prohibit you from charging for certain goods or services that we require be provided on a complimentary basis; (v) prohibit complimentary or reduced price guestrooms or food and beverage to benefit any other business at or outside of the hotel; and (vi) prohibit certain types of surcharges, destination fees, resort fees, and other similar fees, unless we determine that the fees are appropriate based on, among other factors, the location of the hotel, the services offered by the hotel, and consumer sentiment regarding the assessment of such fees. You may also be prohibited from charging certain fees by applicable law or by consent orders entered into by us on behalf of system hotels. In addition, as discussed below, you must distribute your inventory in a manner consistent with our designated best rate guarantee policy. We may, from time to time, recommend or suggest prices or rates for the products and services you offer, including in circumstances involving your participation in various sales or revenue management programs, account

management programs, and/or other consulting services or promotions offered by us and our affiliates. Our recommendations or suggestions concerning prices or rates are not mandatory, and you are ultimately responsible for determining the prices or rates at which you offer your goods and services. If you participate in such programs and promotions you must honor any price to which you commit. If we provide inventory management or sales services to you, you will consign hotel inventory to us, we will act as your sales agent, and you will retain all risk of loss for unsold or cheaply sold inventory. Nothing contained in the franchise agreement, or any other agreements required for participation in any programs or services should be considered a representation or warranty by us that the use of such suggested or recommended prices or rates, or inventory management or sales services will produce, increase, or optimize your profits.

You must comply with our policies regarding publishing rates and transmitting rates to us and other reservation channels. You must comply with our designated best rate guarantee policy. This policy provides that a hotel's published room rates across all reservation channels should not be lower than its published rates on Marriott.com, the Marriott Bonvoy Application, Marriott Worldwide Reservations, Property Direct, and any other reservation channels owned or operated by Marriott or its affiliates (these channels and any other channels that Marriott designates are collectively referred to as "Marriott Direct Channels"). Our designated best rate guarantee policy also provides that, if a customer books a Company Brand Hotel room through a Marriott Direct Channel and then finds a lower publicly available rate within 24 hours for the same hotel, room type, and dates on any non-Marriott Direct Channel, or with a travel agency or travel management company, the hotel will match the lower rate and will either provide an additional 25% off the room rate or issue loyalty program points to the customer, consistent with our then-current policies. We monitor hotel compliance with this policy and will assess a non-compliance charge in each instance where the hotel's published room rate violates this policy. You must also reimburse us for all costs, including audit costs and excess property reimbursements, we incur in connection with your non-compliance. This policy is described in the standards and is subject to specific terms and conditions, which we may change in our sole discretion.

We currently have distribution agreements and relationships with distribution channels including Expedia, Priceline.com, Booking.com, Travel Ease, travel management companies, and tour operators, among other channels. Access to your hotel's inventory by these distribution channels may be facilitated through a direct or third-party managed interface with our designated reservation system. In certain circumstances, some of our contracts with distribution channels provide for access to hotel inventory through other means, such as by extranet. Certain of these arrangements are mandatory, and franchisees must participate on the terms set forth in our distribution agreements. If participation in a distribution arrangement is optional, you may elect to participate on the terms set forth in our distribution agreement or may negotiate your own agreement with the distribution channel so long as the agreement is consistent with our designated best rate guarantee policy and other applicable standards (which include criteria for approval of distribution channels). If you elect to negotiate your own agreement with a distribution channel, we will be under no obligation to support your business relationship with that distribution channel, including by making available the use of our programs and systems such as our designated reservation system, our designated property management system, and CTAC in connection with the use of that channel. We prohibit franchisees from using certain third-party distribution channels and limit the inventory of guestroom nights franchisees may make available to customers through each distribution channel.

We also have arrangements with payment processing vendors such as American Express and Alipay. You must participate on the terms set forth in our agreements with the payment processing vendors and comply with our standards relating to payment processing (which may include standards for processing chargebacks and resolving disputes). You must accept the forms of payment that we designate and refrain from accepting forms of payment for which we have not established payment processing standards.

You may not use any Confidential Information for any purpose other than to operate your Renaissance hotel or as otherwise permitted by us. In addition, you may not sell, rent, trade, or otherwise provide any Confidential Information to any third party for the third party's use (see Item 14).

If your hotel will be structured so that it involves residential or condominium units, we will require that any sale of units be subject to a number of requirements. These requirements may include, among other things, compliance with applicable securities and real estate sales laws, your indemnification of us if you violate those laws, mandatory furnishing of the units with furniture, fixtures, and equipment that meet our standards for Renaissance hotels, mandatory agreements for general maintenance of the units subject to our standards, restrictions on the use of our trademarks and Confidential Information, limitations on the number of units that may be sold to one person, participation of a certain number of units in the hotel's guestroom inventory on a regular basis, limitations on minimum rental periods, and mandatory reserves for capital expenditures and renovations or replacements of required furniture, fixtures, and equipment at the hotel and for units participating in the voluntary rental program.

a. Length of the franchise term	Section 2.1 and Exhibit A – Item 4	For a new-build hotel, the term of the franchise agreement typically ends on the 20 th anniversary after the date we authorize the hotel to open as a system hotel. If you are acquiring an existing hotel or renewing a franchise agreement, the term is typically less than 20 years, and will depend on the remaining term of any existing franchise agreement for the hotel, the location and condition of the hotel and scope of the PIP.
b. Renewal or extension of the term	Section 2.2	The franchise agreement is not renewable, and you should not have any expectation that you will be granted any right to operate the hotel under our brand after the expiration of the term. ²
c. Requirements for franchisee to renew or extend	Not Applicable	
d. Termination by franchisee	Not Applicable ^{3,4} (subject to applicable state law)	
e. Termination by franchisor without cause	Not Applicable ⁴	
f. Termination by franchisor with cause	Sections 17.5.A and 19	We can terminate if (i) you fail to cure any curable default or there exists any non-curable default or (ii) you or an affiliate of yours sell(s) or lease(s) the hotel to, or become(s), a Competitor, or you transfer your interests in the agreement or any interest in you or your affiliates to a Competitor.

k. "Transfer" by franchisee-defined	Section 17.1 and Exhibit B	Includes transfer of the franchise agreement or the hotel or a transfer of any ownership interest in you or in any entity that controls you. ⁵
l. Franchisor approval of transfer by franchisee	Sections 17.1 and 17.4	Transfers of the franchise agreement, the hotel, and controlling ownership interests in you or your control affiliate require our consent. The duration of such new franchise agreement will expire on or after the last day of the existing franchise agreement. You must pay all amounts owed to us and sign a release. If we engage outside counsel in connection with the transaction, we will require that our outside counsel fees be paid. In addition, the transferee must be in good financial status, there must not be an uncured breach of the franchise agreement, and the hotel must be in good standing under our quality assurance program. If the transferee is a Competitor, we have certain additional rights (see n. below).⁶

q. Non-competition covenants during the term of the franchise	Sections 8.4.B and 17.5	You may not use any part of the hotel to divert business to or promote a different business. You, or your affiliates, may not sell or lease the hotel to, or become, a Competitor or transfer any interest in you or your affiliates to a Competitor, without our prior approval. (These terms are subject to applicable state law.)
r. Non-competition covenants after the franchise is terminated or expires	Section 21.2	If the hotel is damaged due to a casualty resulting in a termination of the franchise agreement, and you or your affiliates operate a replacement hotel or other lodging product that is not a Company Brand Hotel at the site during the original term of the franchise, you must pay us liquidated damages. Any statements, representations or alleged promises outside of the disclosure document or the franchise agreement and related agreements may not be enforceable.

w. Choice of law	Section 24.1.A	Maryland law applies. ⁷

NOTES:

¹ Capitalized terms used herein have the meanings as defined in the franchise agreement, which is attached as Exhibit C of this FDD.

² After the expiration of the term, we may in our sole discretion agree to enter into a new franchise agreement with you on our then-current form. That agreement may contain materially different terms and conditions than the franchise agreement attached as Exhibit C (including the franchise fees and the duration).

³ You do not have a general right to terminate the franchise agreement. However, Section 21.2 of the franchise agreement permits you to terminate in the limited event of a casualty if the cost to restore the hotel to the same condition as existed previously is 60% or more of the hotel's replacement cost at the time of the casualty and you comply with the requirements of Section 21.2.

⁴ Section 21.1 of the franchise agreement permits either you or us to terminate in the limited event of a taking that would materially affect the continued operation of the hotel as a system hotel on a permanent basis.

⁵ We do not permit you to pledge or assign the franchise agreement as collateral for any financing. Instead, we may provide a comfort letter to a lender in substantially the same form attached as Exhibit O.

Lenders may request a franchise agreement in connection with a foreclosure, deed in lieu of foreclosure, workout, or appointment of a receiver (a "lender take-back"). Such a request may be in connection with a comfort letter entered into with the lender similar to the form attached as Exhibit O. The specific terms of any franchise agreement executed in connection with a lender take-back will depend upon (i) the circumstances at the time of the lender take-back (for example, outstanding indebtedness under existing agreements with us or the status of the hotel under our quality assurance program), and (ii) the terms of any applicable comfort letter. The terms of such franchise agreement may vary materially from the terms contained in the form franchise agreement attached as Exhibit C. Some examples of such variations include the following:

- The term of the franchise agreement may be for months or for the term referenced in an applicable comfort letter
- The agreement may be conditioned upon issuance of a court order in connection with the appointment of a receiver

- Reserve account requirements may be changed or eliminated
- Cure of deficiencies and breaches under the existing franchise agreement or our standards with respect to the hotel may be required
- Transfers may be prohibited or limited
- In most cases, no restricted territory will be granted

⁶ Differences between the franchise agreement for a new-to-system hotel and the franchise agreement for a transferee of an existing system hotel are described in Exhibit C (Change of Ownership) to the franchise agreement.

⁷ See Exhibit E, State Amendments to Franchise Agreement.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

1. Average Daily Room Rate, Occupancy Rate, and RevPAR

The chart below presents the average daily room rate (“ADR”), average occupancy rate (“OCC”), average revenue per available room (“RevPAR”), and average revenue per available room index (“RevPAR Index”) reported by the STR Included Hotels (defined below) during the calendar year ended December 31, 2024.

2024 STR Included Hotel Performance				
Calendar Period	ADR	OCC	RevPAR	RevPAR Index
2024	\$196.70	68.4%	\$134.48	117.5

The “average daily room rate” (or “ADR”) is the sum of the gross room sales reported by the STR Included Hotels during the period divided by the total number of guestrooms reported as sold by the STR Included Hotels during the period. The “average occupancy rate” (or “OCC”) is the total number of guestrooms reported as sold by the STR Included Hotels during the period divided by the total number of guestrooms reported as available at the STR Included Hotels during the period. The “average RevPAR” (or “RevPAR”) is the gross room sales reported by the STR Included Hotels during the period divided by total number of available rooms reported by the STR Included Hotels as available during the period. “RevPAR Index” measures the fair share of the amount of available revenue a hotel receives relative to its competitive set (as defined by each hotel) within a given market and is calculated by dividing the RevPAR of the subject hotel by the RevPAR of the competitive set (which may include other Company Brand Hotels). The per-hotel metrics for average OCC, ADR, RevPAR, and RevPAR Index shown below were calculated by taking the sum of the results reported by each STR Included Hotel during the applicable period and dividing that sum by the total number of times the STR Included Hotel reported results during the applicable period. If a STR Included Hotel did not report data about occupancy, ADR, RevPAR, or RevPAR Index for a day during the calendar year, that day is not included in the calculation of the results noted in the chart or the averages for that particular hotel noted below. The “median” is the middle data point in the range of performance data.

For each of the periods listed above, “STR Included Hotels” means franchised Renaissance hotels that: (a) reported Smith Travel Research, Inc. (“STR”) data at any time during the period; and (b) were, as of the end of each calendar year, open and operating as a franchised Renaissance hotel for at least two years and satisfied the Conditions. “Conditions” means the hotel did not undergo at any time during the preceding two years any one or more of the following: (1) a rooms renovation that resulted in five percent or more of the total number of available rooms at such hotel being taken out of service during the year in which the renovation occurred; (2) a public space renovation that resulted in revenue displacement during the year in

which such renovation occurred of five percent or more of the annual available room nights at the average daily rate of the most recent year prior to the renovation during which the hotel satisfied each of the Conditions; or (3) an expansion that resulted in an increase in revenues of five percent or more of the annual available room nights (before the expansion) at the average daily rate of the most recent year prior to the expansion during which the hotel satisfied each of the Conditions.

As of December 31, 2024, there were 90 Renaissance hotels open and operating in the United States and Canada; of these, 69 were franchised and 59 were STR Included Hotels. Of the 59 STR Included Hotels in 2024, 25 hotels or 42.4% reported an average daily room rate that met or exceeded \$196.70; 31 hotels or 52.5% reported an average occupancy rate that met or exceeded 68.4%; \$134.48 hotels or 42.4% reported an average RevPAR that met or exceeded \$134.48; and 30 hotels or 50.8% reported an average RevPAR Index that met or exceeded 117.5. For the 59 STR Included Hotels in 2024, the average daily room rate ranged from \$118.84 to \$399.28, with a median of \$191.48; the average occupancy rate ranged from 45.8% to 91.6%, with a median of 69.1%; the average RevPAR ranged from 54.40 to 355.00, with a median of 125.12; and the average RevPAR Index ranged from 72.0 to 241.6, with a median of 117.5.

There were 61 franchised Renaissance hotels that met the Conditions and were open for 12 months as of December 31, 2024 (“1-Year Comp Hotels”). In 2024, the average ADR of the 1-Year Comp Hotels was \$198.30, the average OCC was 68.4%, the average RevPAR was \$135.72, and the average RevPAR Index was 115.4. During 2024, the ADR for the 1-Year Comp Hotels ranged from \$118.84 to \$399.28, with a median ADR of \$192.21. 27 (or 44.3%) of the 1-Year Comp Hotels reported an ADR that met or exceeded the average. During 2024, the OCC for the 1-Year Comp Hotels ranged from 45.8% to 91.6%, with a median OCC of 69.1%. 32 (or 52.5%) of the 1-Year Comp Hotels reported an OCC that met or exceeded the average. During 2024, the RevPAR for the 1-Year Comp Hotels ranged from \$54.40 to \$355.00, with a median average RevPAR of \$128.19. 27 (or 44.3%) of the 1-Year Comp Hotels reported an average RevPAR that met or exceeded the average. During 2024, the RevPAR Index for the 1-Year Comp Hotels ranged from 60.8 to 241.6, with a median average RevPAR Index of 115.9. 30 (or 50.8%) of the 1-Year Comp Hotels reported an average RevPAR Index that exceeded the average.

2. Reservations

The following Marriott reservations channels (collectively, “Reservation Channels”) contribute to room night revenue and gross room night bookings at system hotels: (i) Marriott.com, including all international iterations of this site and Marriott’s mobile apps (“Marriott.com”); (ii) Marriott’s worldwide toll-free reservation phone numbers (“Voice Reservations”); (iii) Marriott’s customer engagement centers that process telephone calls on behalf of hotels (“CECs”); (iv) online travel agencies with which we have distribution agreements (“OTAs”), such as Booking.com, Expedia and Hotels.com; and (v) global distribution systems that permit traditional travel agencies, as well as many third-party online travel websites, to reserve guestrooms (“GDS”). Reservation Channels do not include group business and transient room nights booked directly at the property or through our area, regional, or national sales offices.

The chart below shows the Reservation Channels’ contribution (as a percentage) to the room night revenue (defined below) of the 59 “Included Hotels” during the 12-month period ended December 31, 2024. The “Included Hotels” are franchised Renaissance hotels in the United States and Canada that were open and operating as Renaissance hotels for at least two years as of December 31, 2024, and satisfied each of the Conditions.

Marriott Reservation Channels' Contributions to 2024 Room Night Revenue	
Percentage Contribution to Room Night Revenue by all Reservation Channels	74.9%

During 2024, of the 59 Included Hotels, 37 Renaissance hotels or 62.7% received 74.9% or more of their annual room night revenue from the Reservations Channels, and the median contribution to room night revenue was 76.1%. “Room night revenue” means the total per-room fees and charges invoiced to the guest at the time a reservation is made (including resort fees, destination fees, and mandatory surcharges for facilities invoiced at the time of booking), regardless of whether the booking is subsequently cancelled. “Room night revenue” excludes sales, tax, value added tax, or similar taxes on such revenue. In calculating this percentage, we divided the sum of room night revenue invoiced by all of the Included Hotels from bookings directly through the Reservation Channels by the total room night revenue invoiced by all of the Included Hotels from all bookings during 2024. The “median” is the middle data point in the range of performance data.

The chart below shows the Marriott Reservations Channels' contributions (as a percentage) to total gross room nights booked at the Included Hotels during the 12-month period ended December 31, 2024.

Marriott Reservation Channels' Contributions to 2024 Room Night Bookings	
Reservation Channel	Percentage of Total Bookings by Included Hotels
Marriott.com	42.6%
Voice Reservations	1.4%
CECs	3.3%
OTAs	7.6%
GDS	18.2%
All Reservation Channels	73.1%

During 2024, of the 59 Included Hotels, 31 hotels or 52.5% received 42.6% or more of their total gross room night bookings from Marriott.com; hotels or 28.8% of hotels received 1.4% or more of their total gross room night bookings from Voice Reservations; hotels or 40.7% of hotels received 3.3% or more of their total gross room night bookings from CECs; hotels or 35.6% of hotels received 7.6% or more of their total gross room night bookings OTAs; hotels or 54.2% of hotels received 18.2% or more of their total gross room night bookings from GDS; and hotels or of hotels received 73.1% or more of their total gross room night bookings from all Reservation Channels. For the 59 Included Hotels, the median bookings from Marriott.com was 43.8%; the median bookings from Voice Reservations was 1.0%; the median bookings from CECs was 3.0%; the median bookings from OTAs was 6.8%; the median bookings from GDS was 18.9%; and the median bookings from all Reservation Channels was 31.5%. “Gross Room Night Bookings” means the total number of room nights booked at a hotel, including bookings that are subsequently cancelled. In calculating these percentages, we divided the total number of gross room nights booked through each type of Reservation Channel at all of the 88 Included Hotels by the total number of gross room nights booked at all of the 88 Included Hotels. The “median” is the middle data point in the range of performance data.

3. **Loyalty Program**

As of December 31, 2024, the Marriott Bonvoy loyalty program offered enhanced benefits to approximately 228,000,000 member accounts worldwide. Over 9,300 hotels and resorts in 144 countries and territories participate in Marriott Bonvoy.

A. Loyalty Contribution to Revenue

During 2024, Marriott Bonvoy member paid room nights generated an average of approximately 61.7% of the total room night revenue at Included Hotels, with an average daily spend of \$217.00 per member paid room night, not including taxes and tips. During 2024, Marriott Bonvoy generated a total of 2,274,000 member paid room nights for Included Hotels and approximately \$502,952,000 in eligible spend, not including taxes and tips. A “member paid room night” means a room night during which a Marriott Bonvoy member occupied a room at an Included Hotel and was awarded loyalty points for the stay. It does not include (1) room nights redeemed by Marriott Bonvoy members, (2) group room nights booked by Marriott Bonvoy members for which loyalty points are not awarded, (3) room nights booked by Marriott Bonvoy members using OTAs, and (4) wholesale and crew room nights booked by Marriott Bonvoy Members.

During 2024, of the 59 Included Hotels, 26 hotels or 44.1% of hotels met or exceeded the average daily spend per Marriott Bonvoy member paid room night, and the median average daily spend per member paid room night was \$209.00.

B. Loyalty Contribution to Occupancy

The chart below shows the average number of room night stays by Marriott Bonvoy members at Included Hotels during 2024 and the average Marriott Bonvoy member contribution to occupancy at Included Hotels during 2024. These figures *include* member paid nights and member redeemed nights but *exclude* (1) group room nights booked by Marriott Bonvoy members for which loyalty points are not awarded, (2) room nights booked by Marriott Bonvoy members using OTAs, and (3) wholesale and crew room nights booked by Marriott Bonvoy Members.

Average Marriott Bonvoy Contribution to 2024 Room Nights and Occupancy	
Average Number of Member Room Nights per Hotel	42,000
Average Annual Loyalty Program Contribution to Occupancy	62.2%

Of the 59 Included Hotels, 25 hotels or 42.4% met or exceeded the average number of member room nights per hotel of 42,000; and 31 hotels or 52.5% met or exceeded the average loyalty program contribution to occupancy of 62.2%. The median number of member room nights was 39,000; and the median annual loyalty program contribution to occupancy was 63.1%.

The “average number of member room nights” per hotel is calculated by dividing the sum of member room nights booked at the Included Hotels during 2024 by the total number of Included Hotels. The “average percentage of loyalty program contribution to occupancy” is calculated by dividing the number of member room nights for the Included Hotels by the total occupied room nights for the Included

Hotels during 2024. The “median” is the middle data point in the range of performance data. These figures exclude room night stays by Marriott Bonvoy members that redeemed loyalty points to cover the cost of their stay.

4. Bases and Assumptions

STR, an independent research firm servicing the travel industry, compiles occupancy rate, average daily room rate, RevPAR, and other relevant information concerning the lodging industry and is used by substantially all of the major lodging companies for tracking this data. The information in this Item 19 used in calculating average occupancy rate, average daily room rate, and average RevPAR was compiled and reported by STR, and such information has not been audited or otherwise confirmed by us. The results of the STR Included Hotels that operate in Canada are reported to us in Canadian Dollars (“CAD”) by STR on a monthly basis. In preparing the performance data for the STR Included Hotels, we converted these results from CAD to United States Dollars (“USD” or “\$”) using the currency exchange rate in effect as of the second to the last day of the month in which the results were achieved, as published by the United States Department of Treasury. The data in this Item 19 regarding reservations and the loyalty programs was not provided by STR, but instead was drawn from Marriott’s internal databases. Because of STR’s minimum competitive set reporting requirements, some hotels that are Included Hotels and are reflected in Marriott’s internal databases may not be included in the STR data and, as a result, would not be STR Included Hotels for purposes of this Item 19.

These statements relate to historical performance of franchised Renaissance hotels in the United States and Canada that satisfy certain criteria as detailed above. The figures above reflect the performance of hotels with at least two years of operating results. The average occupancy rate, average daily room rate, average RevPAR, reservations from Reservation Channels, or member paid room nights, varies from hotel to hotel and will depend upon many variables and factors, including size, location, seasonality, competition, general economic conditions, the length of time your hotel has been open or affiliated with us, the condition and attractiveness of the hotel, the perception of your hotel by customers utilizing our distribution channels, the reputation for quality of service at the hotel, how effectively you participate in our programs and market your affiliation with us, and the efficiency with which you operate your hotel.

The reservations and loyalty program information disclosed in this Item 19 relates to the performance of Included Hotels using the Reservation Channels and loyalty programs in effect in during the 2024 calendar year. These programs are subject to change.

Some outlets have achieved these results. Your individual results may differ. There is no assurance that you will earn as much or achieve any specific level of sales, revenue or performance.

We will provide you with written substantiation of the data used in preparing this Item 19 upon your reasonable request. The information described above that was provided to us by third parties has not been audited or otherwise verified by us. We are under no obligation to disclose specific information for a particular hotel in the system.

We do not make any financial performance representations for residences.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Noah J. Silverman, Global Development Officer, 7750 Wisconsin Avenue, Bethesda, Maryland

20814, (301) 380-5253, the Federal Trade Commission, and the appropriate state regulatory agencies.

Franchisee represents that it has ownership, possession or control of the Hotel and the Site and the right to enter into this Term Sheet and the Agreements. Franchisee represents and warrants to Franchisor that no agreement or other arrangement of any type (including any management agreement, franchise agreement, letter of intent, option to purchase, technical services agreement, reservation agreement, or any oral agreement or course of conduct which could be construed to be a contract) exists, as of the date of this Term Sheet, with any third party relating to the Site or the Hotel, which would prohibit or conflict with the Franchisee's ability to enter into this Term Sheet or the Agreements (each, a "Third Party Agreement").

If any Third Party Agreement exists, on request of Franchisor, Franchisee will provide documentation acceptable to Franchisor that evidences the expiration or right to terminate such Third Party Agreement. "Affiliate" means, for any person, a person that is directly or indirectly controlling, controlled by, or under common control with such person. Franchisee agrees that no Third Party Agreement will be entered into with respect to the Site or the Hotel during the Exclusivity Period.

Confidentiality:

The terms and relationship of the parties contemplated by this Term Sheet, and any information about the Hotel, Franchisee and Franchisor, including Franchisor's system and procedures, are confidential. Franchisee and Franchisor will not disclose such information to any other person (including the media) without the prior consent of the other party except (i) to their agents, consultants and representatives or lenders who need to know such information and who have been told of the requirement to keep the information confidential; (ii) as required by law; or (iii) as part of Franchisor's growth administration notification and approval process.

Representations:

Franchisee represents and warrants that neither the Franchisee nor any of its Affiliates, directors, officers, employees and agents (i) has any claims against Franchisor or any of Franchisor's Affiliates; or (ii) is a Restricted Person (as defined in the Agreements).

Governing Law: This Term Sheet will be construed under and governed by the laws of the State of Maryland.

Costs: Each party will bear its own costs and expenses incurred under this Term Sheet.

Non-Binding: This Term Sheet is a non-binding expression of interest, except for the obligations in this paragraph and the paragraphs titled “No Agreement with Other Parties,” “Exclusivity,” “Confidentiality,” “Representations,” “Governing Law” and “Costs,” which are binding obligations of Franchisor and Franchisee. This Term Sheet does not create a binding commitment by either party (or their Affiliates) to enter into the Agreements or any other transaction or to negotiate in good faith, and neither of the parties will be entitled to pursue any claims against the other related to the failure to enter into the Agreements.

This Term Sheet does not create a partnership, labor, agency or any other fiduciary relationship, and neither party may incur obligations on behalf of the other. The Agreements are subject to approval by appropriate committees and authorized representatives of Franchisor and Franchisee.

(c) Applicant has authority to submit the Application and to enter into an area development agreement or franchise agreement with Franchisor with respect to each hotel identified herein (each an “Agreement” and collectively the “Agreements”). Neither the Application nor the execution of each Agreement will conflict with any obligations of Applicant to other parties. Franchisor has not induced Applicant to terminate or breach any agreement with respect to the hotel or hotels that are the subject of the Application.

(d) Applicant has legal control over the site for each hotel (to the extent specified above), as set forth in the Application, through fee ownership, leasehold, or a purchase contract.

(e) Applicant has received a Franchise Disclosure Document for each brand under which Applicant seeks to operate a hotel, is familiar with the franchise system(s) under which Applicant seeks to operate hotels, and understands the requirements for each such system as described in each respective brand’s Franchise Disclosure Document.

(g) Neither Applicant nor any affiliate of Applicant (i) has any claims against Franchisor or any of Franchisor's affiliates or (ii) is a Competitor or a Restricted Person, as such terms are defined in the Agreements (see the form agreements attached to the FDD).

2. Applicant acknowledges and agrees that:

(a) Applicant is submitting this Application either as the person or entity that will sign one or more Agreements, or as the person or entity that will control the proposed franchisee or area developer for each hotel, as applicable.

(b) Franchisor reserves the right to approve or deny this Application with respect to one or more hotels, in its sole discretion. Applicant will not acquire any rights by virtue of the submission of the Application whether or not Franchisor approves the Application. Any expenses incurred by or on behalf of Applicant in connection with this Application or any approval of this Application (including without limitation any costs of constructing, renovating or operating the proposed hotel(s)) are at Applicant's sole risk and are not being made in reliance on any action of Franchisor.

(c) Franchisor does not enter into oral agreements or understandings with respect to franchises or matters pertaining to the grant of a franchise. Accordingly, there are no agreements or understandings whatsoever between Applicant and Franchisor with respect to the Application or any franchise.

(d) An Application Fee will be paid to Franchisor via wire transfer no earlier than 10 business days after Applicant has received a Franchise Disclosure Document. The fee may be invested, commingled with other funds of Franchisor or otherwise used by Franchisor, as it deems appropriate in its discretion. Franchisor will not enter into an Agreement with Applicant until it receives full payment of the Application Fee.

(e) For each proposed hotel under this Application:

i For single-unit franchise agreements, if Franchisor does not approve the Application for the hotel, it shall have no liability to Applicant for such hotel other than to return the Application Fee for the hotel, less Ten Thousand Dollars (\$10,000) and Franchisor's costs.

ii If the application for a development agreement or a single-unit franchise agreement is approved, the application fee for the hotel will not be refunded.

iii *MSB Only:* If Applicant and Franchisor have not executed a franchise agreement for the hotel within sixty (60) days after the issuance of the first draft of the franchise agreement for the hotel, Franchisor may withdraw its approval of the Application with respect to such hotel unless applicant pays an application extension fee of Ten Thousand Dollar (\$10,000). The grant of extension under a single unit franchise agreement will not constitute a waiver of Franchisor's rights under any Area Development Agreement.

iv If Applicant and Franchisor have not executed a franchise agreement for a hotel within sixty (60) days after an extension, Franchisor will have the right to withdraw its approval of the hotel.

v If the Application is approved for a hotel, such approval is conditioned on Applicant retaining legal control over the specific site described in the Application. If at any time prior to execution of the Franchise Agreement, Applicant loses legal control over the site of the hotel, our approval of the Application with respect to the hotel will no longer be effective. In such event, Franchisor shall have no liability to Applicant and the full Application Fee for the hotel will be retained by Franchisor, and Franchisor will withdraw its approval of the hotel. If Applicant subsequently regains legal control over such site or over a different site, a new Application for the hotel must be submitted.

Franchisor and its affiliates may operate or grant others the right to operate the same brand(s) of hotel or other lodging facilities and other businesses at any location including locations proximate, adjacent or adjoining the site specified above. Applicant acknowledges and agrees that Franchisor (i) has not participated in the preparation of that information, and (ii) is not ratifying or approving or making any representations as to the accuracy of that information, or the attainability of any projections.

(i) Franchisor has the right to conduct its own feasibility study and due diligence investigation with respect to each proposed hotel or conversion, and Applicant's and its affiliates' qualifications to operate such hotel. Such study and due diligence will include, but not be limited to, contacting persons at the hotel or involved in the development of the hotel, operators of other hotels in the market, employees of other hotels operated by Applicant and its affiliates and other franchisors of hotel brands who have agreements with Applicant and its affiliates. Franchisor shall have no liability to Applicant or its affiliates with regard to such study and investigation.

(j) Applicant, jointly and severally, hereby indemnifies and agrees to defend Franchisor and its affiliates and Franchisor's directors, officers, employees and agents and to hold them harmless from all losses, liabilities, costs, damages and expenses (including legal and accounting fees and expenses) consequently, directly or indirectly incurred and arising from, as a result of or in connection with the Application, including the breach of any representation or warranty contained in the Application. Franchisor shall have the right to take any action it may deem necessary in its sole discretion to protect and defend itself against any threatened action covered by this indemnification without regard to the expense, forum or other parties that may be involved. Franchisor may, in its sole discretion, have sole and exclusive control over the defense of any such action (including the right to be represented by counsel of its choosing) and over the settlement, compromise or other disposition thereof.

(k) Applicant will immediately inform Franchisor (i) of any material change in any information contained in the Application, and (ii) if Applicant learns that as of the date of this Application that any representation or warranty is untrue. The terms of this application letter will survive approval or disapproval of the Application.

(l) This application letter will be governed by the law of the State of Maryland without reference to the conflict of laws principles thereof.

(m) This application letter may be executed in several counterparts, each of which shall be deemed an original but which together shall constitute one and the same instrument.

Re: Application for a Franchise for the Hotel(s) Listed on Schedule A

Ladies/Gentlemen:

This application letter, along with our Application Fee payment (in US Dollars) is furnished to MIF, L.L.C. ("Franchisor") in order to induce Franchisor to process the application of the undersigned for the hotel(s) listed in Schedule A.

In connection with processing and evaluating the application, Franchisor and its affiliates may rely on each of the following representations, warranties, acknowledgments and agreements and all information provided by us or on our behalf in connection with this application (collectively, the "Application").

1. The undersigned, jointly and severally, represent and warrant that:

1. All information contained in the Application is true, correct, complete and not misleading through omission of material information, as of the date hereof.
2. The undersigned has authority to submit the Application and enter into a franchise agreement with Franchisor for each hotel listed on Schedule A (each, a "Franchise Agreement"). Neither the Application nor the execution of the Franchise Agreement(s) will conflict with any obligations of the undersigned to other parties. Franchisor has not induced the undersigned to terminate or breach any agreement with respect to the hotel(s) specified on Schedule A.
3. If this Application is in connection with a proposed change of ownership, the undersigned has executed a binding purchase contract for the purchase of the hotel(s) specified on Schedule A.
4. The undersigned is familiar with the system for each brand of hotel listed on Schedule A (as described in the applicable Franchise Disclosure Document) and its requirements. A Franchise Disclosure Document for each brand of hotel listed on Schedule A has been provided by Franchisor to the undersigned.
5. Neither the undersigned, nor any entity of which the undersigned has held the position of general partner, managing member or beneficial owner, is or has been (i) a defendant in civil litigation alleging fraud, deceit or similar claims; (ii) convicted of a criminal offense or the subject of a pending criminal proceeding (other than minor traffic offenses); (iii) the subject of a petition for protection under any bankruptcy or similar insolvency laws; (iv) a defaulting party in a foreclosure proceeding; or (v) the subject of disciplinary action with respect to the suspension or revocation of a professional or gaming license.

Neither the undersigned nor any affiliate of the undersigned (i) has any claims against Franchisor or any of Franchisor's affiliates or (ii) is a Competitor or a Restricted Person, as such terms are defined in the Franchise Agreement(s) in the applicable Franchise Disclosure Document.

2. The undersigned acknowledges and agrees that:

1. Franchisor reserves the right to approve or deny this Application, in its sole discretion. The undersigned will not acquire any rights by virtue of the submission of the Application whether or not Franchisor approves the Application. Any expenses incurred by or on behalf of the undersigned in connection with this Application (including without limitation any costs of constructing, renovating or operating any hotel that is the subject of this Application) are at the undersigned's sole risk and are not being made in reliance on any action of Franchisor.
2. Franchisor does not enter into oral agreements or understandings with respect to franchises or matters pertaining to the grant of a franchise. Accordingly, there are no agreements or understandings whatsoever between the undersigned and Franchisor with respect to any franchise.
3. Franchisor will engage outside legal counsel to assist in documenting the grant of the franchise for the hotel(s) specified on Schedule A. Whether or not a Franchise Agreement is executed for every hotel listed on Schedule A, the undersigned will be responsible for the payment of such outside counsel's legal fees.
4. An Application Fee has been paid to Franchisor with the Application. The fee may be invested, commingled with other funds of Franchisor or otherwise used by Franchisor, as it deems appropriate in its discretion. Franchisor will not process the Application until it receives full payment of the Application Fee. The Application Fee is nonrefundable. However, if a Franchise Agreement is not executed for any hotel listed in Schedule A because the applicable hotel (or any interest therein) is not acquired by the undersigned or its affiliates, then, with respect to each such hotel, Franchisor will return the portion of the Application Fee actually paid for such hotel less Ten Thousand Dollars (\$10,000) (after Franchisor confirms that all outside counsel fees and expenses associated with the transaction have been paid by the undersigned).
5. Whether or not Franchisor approves the Application, the undersigned will not have any exclusive territorial rights. Franchisor and its affiliates may operate or grant other the right to operate the same brand(s) of hotels(s) or other lodging facilities and other businesses at any location including locations proximate, adjacent or adjoining the site(s) specified on Schedule A. Franchisor may consider applications from other applicants for any sites without liability to the undersigned.
6. If this Application is in connection with a proposed change of ownership and if Franchisor approves the Application, the undersigned may not take any level of ownership, possession, control or management of a hotel listed on Schedule A or use any of Franchisor's proprietary marks or systems unless and until it has executed the Franchise Agreement (and any related agreements) and has received copies of the Franchise Agreement (and any related agreements) countersigned by Franchisor. The undersigned may not take possession, ownership, control or management of a hotel prior to the Effective Date as stated in the Franchise Agreement.
7. Any financial information provided by the undersigned in connection with this Application (including the financing and debt structure proposed for each hotel listed on Schedule A) will be prepared by the undersigned or their advisors. We acknowledge and agree that Franchisor (i) has not participated in the preparation of that information, and (ii) is not ratifying or approving or making any representations as to the accuracy of that information, or the attainability of any projections.
8. If Franchisor enters into a Franchise Agreement with the undersigned for a hotel listed on Schedule A, and the Effective Date of that Franchise Agreement does not occur on the first day of a Marriott accounting period, the undersigned may be responsible for all amounts due to Franchisor or its affiliates with respect to the hotel for the entire accounting period in which the Effective Date occurs, excluding royalty fees and marketing fund contributions.

The undersigned, jointly and severally, hereby indemnifies and agrees to defend Franchisor and its affiliates and Franchisor's directors, officers, employees and agents and to hold them harmless from all losses, liabilities, costs, damages and expenses consequently, directly or indirectly incurred (including legal and accounting fees and expenses) and arising from, as a result of or in connection with the Application, including the breach of any representation or warranty contained in the Application. Franchisor will have the right to take any action it may deem

The undersigned will immediately inform Franchisor of any material change in any information contained in the Application or if the undersigned learns that any representation or warranty is untrue as of the date such representation or warranty was made. If the undersigned is executing this Application on behalf of separate legal entities that have not yet been formed but will be controlled by the undersigned, the undersigned commits to provide all information and documentation related to such separate entities to Franchisor upon their formation and will immediately advise Franchisor of any changes in any information provided in Form 3 of this Application. The terms of this application letter will survive approval or rejection of the Application or failure to enter into a Franchise Agreement.

This application letter may be executed in several counterparts, each of which will be deemed an original but which together will constitute one and the same instrument.

FRANCHISE AGREEMENT

This Agreement between Franchisor and Franchisee is executed and becomes effective on the Effective Date.

RECITALS

A. Franchisor owns the System and Franchisee has requested a license to use the System to operate the Hotel as a System Hotel at the Approved Location.

B. Franchisor has agreed to grant a license to Franchisee subject to the terms of this Agreement.

C. Guarantor will provide the Guaranty.

NOW, THEREFORE, in consideration of the promises in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Franchisor and Franchisee agree as follows:

1. LICENSE

1.1 Limited Grant. Franchisor grants to Franchisee a limited, non-exclusive license to use the Proprietary Marks and the System to operate the Hotel as a System Hotel at the Approved Location under the terms of this Agreement.

1.2 Franchisor's Reserved Rights.

A. *Development Activities.* Franchisee agrees that Franchisor and its Affiliates reserve the right to conduct Development Activities at any location, other than the Approved Location, without notice to Franchisee, subject to Item 9 of Exhibit A. Franchisee will not do anything that may interfere with Franchisor's and its Affiliates' Development Activities.

B. *Territorial Rights.* Franchisee agrees that it is not entitled to any territorial rights or exclusivity, except as stated in Item 9 of Exhibit A.

C. *Use of the System.* Franchisee acknowledges that Franchisor and its Affiliates may allow other Franchisor Products to use various parts of the System, including under affiliation or marketing agreements.

2. TERM

2.1 Term. The term of this Agreement is stated in Item 4 of Exhibit A (the "Term").

2.2 Not Renewable. This Agreement expires on the last day of the Term, and the rights granted under it are not renewable and Franchisee has no expectation of any right to extend the Term.

3. FEES, CHARGES AND COSTS

3.1 Application Fee; Expansion Fee. Franchisee has paid Franchisor the non-refundable application fee stated in Item 10 of Exhibit A (the "Application Fee"). If Franchisor approves an increase in the number of Guestrooms in the Hotel under Section 4.1, Franchisee will pay the then-current per-Guestroom expansion fee, multiplied by the number of additional Guestrooms.

3.2 Franchise Fees. Beginning on the Opening Date, Franchisee will pay Franchisor for each month an amount equal to the percentage of Gross Room Sales stated in Item 11 of Exhibit A for such month (the “Franchise Fees”). Franchisee will not offer complimentary or reduced-price Guestrooms to benefit any other business at or outside of the Hotel.

3.3 Franchisor Travel Costs. If Franchisor requests, Franchisee will reimburse Franchisor for all Travel Costs for individuals designated by Franchisor to conduct training, inspections, audits, or other services for the Hotel, including counseling and advisory services, which will not exceed the amounts permissible under Franchisor’s corporate travel policies.

3.4 Other Fees, Charges and Costs. Franchisee will pay the fees, charges and costs required under this Agreement and any other Marriott Agreement, and will pay for any optional programs in which it participates. Franchisee will also pay Franchisor for any goods or services purchased, leased or licensed by Franchisee from Franchisor, including any costs related to purchasing, installing and upgrading any Electronic Systems. The Franchise Fees and Application Fee are personal to Franchisee and are as stated in this Agreement; all other fees, charges and costs under this Agreement and any other Marriott Agreement (and any applicable changes) will be computed on a fair and consistent basis among similarly situated System Hotels. Franchisor may change such other fees, charges and costs to reflect any change in (i) the costs of providing, or the scope of, the relevant goods, programs or services; (ii) the method Franchisor uses to determine allocation of the applicable charges; or (iii) the competitive needs of the System.

3.5 Timing of Payments and Performance of Services.

A. *Timing of Payments.* Franchise Fees are due within 20 days after the end of each month. All other payments are due as invoiced. All payments will be made in immediately available funds, at the location and in the manner designated by Franchisor (which may include payment through electronic funds transfers or centralized payment processing programs as specified by Franchisor, in which case Franchisee will execute any documents, pay any fees and costs, and take any other action required by Franchisor to effect such payment).

B. *Affiliates and Designees.* Any service or obligation of Franchisor under this Agreement may be performed by an Affiliate or designee of Franchisor. Franchisor may designate that payment be made to the Person performing the service. Any reference in this Agreement to Franchisor concerning payments or performance of services includes such Affiliates and designees. Any designation for the performance of services will not relieve Franchisor or Franchisee of any of their obligations under this Agreement.

C. *Right of Set-Off.* Franchisor may set-off or deduct any amounts owed to Franchisor or any of its Affiliates by Franchisee or any of its Affiliates from amounts that would otherwise be payable to Franchisee under this Agreement.

3.6 Interest on Late Payments. Franchisee will pay interest on any amount that is not paid when due. Interest will accrue at a rate of 18% per annum (or, if less, the maximum interest rate permitted by Applicable Law) from the date such overdue amount was due until paid. Franchisor’s right to receive interest is in addition to any other remedies Franchisor may have.

3.7 Program Services Contribution.

A. *Program Services.* Beginning on the Opening Date, Franchisee will pay Franchisor each month the Program Services Contribution. Franchisor will use the Program Services

Contribution to fund certain mandatory programs and services for System Hotels that Franchisee would otherwise be required to pay for separately (“Program Services”), which include, to the extent described in the Disclosure Document:

1. Marketing Fund Activities;
2. development, modification, maintenance, support, administration and operation of certain mandatory Electronic Systems;
3. development, operation, administration and oversight of certain other mandatory programs and services; and
4. the retention or employment of personnel, consultants and other professionals to assist in the development, implementation and administration of Program Services, including collection and accounting of the Program Services Fund, as well as overhead, other costs incurred in providing Program Services, and the reimbursement of capital invested in the development of such Program Services, together with costs incurred by Franchisor to finance such capital.

Franchisor may modify Program Services from time to time. Unless otherwise determined by Franchisor, Program Services do not include services or costs relating to the purchase, installation or deployment of, or training for, any Electronic System.

B. *Marketing Fund Contribution.* Beginning on the Opening Date, Franchisee will pay Franchisor for each month an amount equal to the percentage of Gross Room Sales stated in Item 12 of Exhibit A for such month, which Franchisor will use for the Marketing Fund Activities (the “Marketing Fund Contribution”). The Marketing Fund Contribution will be paid by Franchisee as part of the Program Services Contribution. Franchisor may (i) change the method of funding the Marketing Fund Activities (including by establishing methods of funding Marketing Fund Activities other than by the Marketing Fund Contribution or the Program Services Contribution); (ii) change the amount of the Marketing Fund Contribution (without any obligation to make a corresponding change to the total Program Services Contribution); (iii) change the local, country, regional, continental or international scope of the Marketing Fund or the Marketing Fund Activities; (iv) merge or separate the Marketing Fund with marketing funds used to benefit other Franchisor Products; or (v) discontinue any Marketing Fund Activities, and Franchisee will be bound by any and all such changes.

C. *Permitted Changes.* Franchisor may at any time: (i) change the method of funding Program Services (including by establishing methods of funding Program Services other than by the Program Services Contribution); (ii) change the programs and services covered by the Program Services Contribution; (iii) change the amount of the Program Services Contribution or the method of calculation of the Program Services Contribution; (iv) merge or operate the Program Services Fund together with program services funds used to benefit other Franchisor Products; or (v) discontinue the use of the Program Services Contribution to fund any one or all mandatory programs or services for System Hotels, and Franchisee will be bound by any such changes.

D. *Benefits.* Franchisor may use the Program Services Fund to cover the costs of Program Services for System Hotels as a whole, groups of System Hotels, and other Franchisor Products. Franchisor has no obligation to ensure that any particular System Hotel, including the Hotel, benefits from Program Services on a pro-rata or other basis or that the Hotel will benefit from Program Services proportionate to the Program Services Contribution paid by Franchisee.

E. *No Fiduciary Duty.* Franchisor and its Affiliates do not hold the Program Services Fund or the Marketing Fund as a trustee or as trust funds and have no fiduciary duty to Franchisee for such funds. The Program Services Contribution and Marketing Fund Contribution may be commingled with other money of Franchisor and its Affiliates and used to pay all costs, including administrative costs, salaries and overhead, and collection and accounting costs, incurred by Franchisor or any of its Affiliates for the Program Services Fund or Marketing Fund, respectively. Franchisor or its Affiliates may: (i) loan money for Program Services and Marketing Fund Activities and charge interest on any such loan; and (ii) use the Program Services Contribution or the Marketing Fund Contribution to repay any such loan plus interest. On request, Franchisor will provide to Franchisee a statement of operations presenting the revenues and expenses of the Program Services Fund and the Marketing Fund (which statement may be audited or unaudited in Franchisor's sole discretion) for any fiscal year of Franchisor if such request is made between 90 and 180 days after the end of such fiscal year.

4. HOTEL CONSTRUCTION, DESIGN, RENOVATION AND MAINTENANCE

4.1 Number of Guestrooms; Expansion. The Hotel will have the number of Guestrooms stated in Item 7 of Exhibit A or such other number approved by Franchisor. Franchisee may expand the Hotel or build additional Guestrooms in compliance with this Agreement only with Franchisor's prior written approval. If additional Guestrooms are approved, Franchisee will pay an expansion fee under Section 3.1.

4.2 Initial Construction or Renovation of the Hotel. Franchisee will timely start and complete the initial construction or renovation of the Hotel, as applicable, to Franchisor's satisfaction in accordance with Section 4.4, Exhibit C and the Standards (the "Initial Work").

4.3 Periodic Renovations.

A. *Replacement of FF&E.* Franchisee will timely start and complete the periodic renovation of all Guestrooms and Public Facilities to Franchisor's satisfaction in accordance with Section 4.4 and the Standards, including replacing Soft Goods and Case Goods periodically as required by the Standards ("Periodic Renovations"). At the time of any replacement of FF&E, Franchisor may require Franchisee to upgrade the rest of the Hotel to conform to the Standards applicable to similarly situated System Hotels.

B. *Reserve Account.* Franchisee will fund the cost of all renovations at the Hotel. Franchisee will establish a reserve account at a financial institution (the "Reserve") so that funds are available to complete the Periodic Renovations.

1. The Reserve will be used only for renovations of Guestrooms and Public Facilities including replacement of Soft Goods and Case Goods. The Reserve will not be used for repairs or replacements to the structure of the Hotel building or to its mechanical, electrical, heating, ventilating, air conditioning, plumbing or vertical transportation systems, which structure and systems will be maintained in good condition with other funds.

2. Each month, Franchisee will transfer into the Reserve an amount equal to the percentage of Gross Revenues stated in Item 18 of Exhibit A applicable to such month. Such transfer will be made within 15 days after the end of each month.

3. At the end of each year, any amounts remaining in the Reserve will remain in the Reserve, and will not decrease the amount required to be deposited in the Reserve.

4. Amounts required under Section 4.3.B.2 may be insufficient to maintain the Hotel in accordance with the Standards, and if so, Franchisee will provide additional funds to maintain the Hotel to the Standards.

4.4 Design Process. Franchisee will obtain the Design Criteria from Franchisor within 10 days of the Effective Date for the Initial Work, and in a timely manner for any Periodic Renovation. In connection with the Initial Work and any Periodic Renovation, Franchisee will pay to Franchisor its then-current fees and comply with the following requirements (the “Design Process”):

A. *Design Team.* For the Initial Work, and as needed for Periodic Renovations, Franchisee will retain a qualified registered architect, engineer and interior designer, and based on the nature of the project, Franchisor may require that Franchisee retain other specialty consultants. Franchisee will provide Franchisor the name, address and relevant work experience on similar projects for any such Person that Franchisee proposes to retain, and Franchisor will have 30 days after receipt of such information to notify Franchisee of its election to consent or withhold its consent. Franchisor’s election to consent or withhold its consent will be based on prior experiences with such Person and such Person’s reputation and experience on similar projects. Franchisor may charge its then-current fee for reviewing any interior designer that is not included on Franchisor’s list of recommended interior designers for the Hotel, if any. If Franchisor does not respond to Franchisee within 30 days after Franchisor’s receipt of such information, then Franchisee may retain such Person. Neither Franchisor’s failure to respond nor Franchisor’s consent to the use of such Person will be deemed an endorsement or recommendation by Franchisor. Franchisor is not liable for the unsatisfactory performance of any Person retained by Franchisee.

B. *Submission of Plans.* For the Initial Work and Periodic Renovations, Franchisee will adapt the Design Criteria to the Hotel and Applicable Law, including Accessibility Requirements. For the Initial Work, and if Franchisor requests for any Periodic Renovations, Franchisee will prepare and submit Plans electronically in the phases and with the detail required by the Standards. The Plans will not deviate from the Design Criteria unless previously approved by Franchisor, and any such deviations will be clearly designated in a separate document delivered along with the Plans.

C. *Review of Plans.* Franchisor will promptly review the Plans only for compliance with the Design Criteria and any applicable property improvement plan, and in the case of the Initial Work, to confirm that the number, configuration and location of Guestrooms and the size, configuration and location of Public Facilities are as previously approved by Franchisor. If Franchisor determines that the Plans do not satisfy such requirements, Franchisor may require changes and Franchisee will deliver revised Plans incorporating such changes. If Franchisor determines that the Plans are incomplete, Franchisor may defer its review of the Plans until it receives complete Plans. Franchisee will not begin the Initial Work or any Periodic Renovation requiring submission of Plans until Franchisor confirms in writing that such Plans comply with such requirements. On receipt of Franchisor’s confirmation, Franchisee will promptly submit the final Plans electronically. Once finalized, the Plans will not be changed without Franchisor’s prior consent. Franchisee will ensure that the renovation of the Hotel is completed in accordance with the Plans.

D. *Compliance with Applicable Law.* Franchisee (and not Franchisor or its Affiliates) is responsible for ensuring that the Plans comply with Applicable Law, including Accessibility Requirements. Franchisor and its Affiliates will have no liability or obligation concerning the means, methods or techniques used in constructing or renovating the Hotel. Franchisee will not reproduce, use or permit the use of any Design Criteria or Plans other than for the Hotel.

4.5 Maintenance. Franchisee will maintain the Hotel in good repair and first-class condition and in conformity with Applicable Law, the Standards and Exhibit C. Franchisee will make repairs, alterations and replacements to the Hotel as required by the Standards. Franchisee will not make any material alterations to the Hotel without Franchisor's prior consent, unless such alterations are required by Applicable Law or for the continued safe and orderly operation of the Hotel.

5. FURNITURE, FIXTURES, EQUIPMENT, INVENTORIES AND SUPPLIERS

5.1 Uniformity of System. Franchisee will use only such FF&E, Inventories and Fixed Asset Supplies that comply with the Standards. The requirements of this Section 5.1 are to ensure that items used at System Hotels are uniform and of high quality to maintain the identity, integrity and reputation of the System. Before purchasing FF&E to be used in constructing or renovating the Hotel, if requested by Franchisor, Franchisee will prepare furnished models of Guestrooms, color boards and drawings for Franchisor's confirmation that such proposed FF&E will meet the Standards. Franchisor will promptly respond to Franchisee's proposal.

5.2 Suppliers. Franchisor may designate suppliers, including Franchisor, for certain items related to FF&E, Inventories and Fixed Asset Supplies. Franchisee may propose new suppliers by delivering sufficient information and samples for Franchisor's confirmation that such item meets the Standards and the proposed supplier is capable of providing such item in accordance with the Standards. Franchisor may require: (i) reimbursement for the cost of such review; (ii) that such supplier have insurance protecting Franchisor and Franchisee; and (iii) that any supplier using the Intellectual Property enter into an agreement for its use. Franchisor will have no liability for damage to any sample. Franchisor may refuse to permit future purchases if the supplier fails to meet the requirements of this Section 5.2 or the Standards.

6. ADVERTISING AND MARKETING; PRICINGS, RATES AND RESERVATIONS

6.1 Franchisee's Local Advertising and Marketing Programs.

A. *Local Advertising.* Franchisee will undertake local advertising, marketing, promotional, sales and public relations programs and activities for the Hotel, including preparing and using any Marketing Materials, in accordance with the Standards.

B. *Use of Signs and Marketing Materials.* Franchisee will use signs and other Marketing Materials only in the places and manner approved or required by Franchisor and in accordance with the Standards and Applicable Law. Franchisee will deliver samples of Marketing Materials not provided by Franchisor and obtain prior approval from Franchisor before any use. If Franchisor withdraws its approval, Franchisee will promptly stop using such Marketing Materials. Any Marketing Materials developed by Franchisee may be used or modified by other Franchisor Products without compensation to Franchisee.

6.2 Additional Marketing Programs. Franchisor may provide, and Franchisee will participate in, Additional Marketing Programs that are mandatory for similarly situated System Hotels. Franchisee may elect to participate in optional Additional Marketing Programs. Franchisee will pay for Additional Marketing Programs in which it participates on the same basis as other participating System Hotels.

6.3 Pricing, Rates and Reservations.

A. *Pricing and Rates.* Franchisee is responsible for setting its own prices and rates for Guestrooms and other products and services at the Hotel, including determining any prices or rates that appear in the Reservation System. Franchisor may, however: (i) prohibit certain types of charges or billing practices that Franchisor determines are misleading or detrimental to the System, including price-gouging or incremental fees for services that guests would normally expect to be included in the Guestroom charge; (ii) require that Franchisee price consistently in all distribution channels; or (iii) impose other pricing requirements permitted or required by Applicable Law.

B. *Pricing Recommendations; Participation in Programs.* Franchisor may recommend prices or rates for the products and services offered by Franchisee or require participation in various sales or inventory management programs or promotions offered by Franchisor. Franchisor's recommendations are not mandatory; Franchisee is ultimately responsible for determining the prices or rates at which it offers its products and services, and Franchisor's recommendations are not a representation or warranty by Franchisor that the use of such recommended prices or rates will produce, increase, or optimize Franchisee's profits. Franchisor will have no liability for any such recommendations, including those made in connection with any sales activity or Inventory Management. Franchisor may require Franchisee to participate in Inventory Management or may act as Sales Agent for Franchisee. If Franchisor is acting as Sales Agent for Franchisee, Franchisee consigns hotel inventory to Franchisor, and Franchisee retains all risk of loss of unsold inventory or inventory sold at a reduced price.

C. *Honoring Reservations.* Franchisee will provide its prices and rates for use in the Reservation System in accordance with the Standards. Franchisee will: (i) honor any prices, rates or discounts that appear in the Reservation System or elsewhere; (ii) honor all reservations made through the Reservation System or that are confirmed; and (iii) not charge any Hotel guest a rate higher than the rate specified for the Hotel guest's reservation in the Reservation System or, if not made through the Reservation System, in the reservation confirmation or contract. Franchisee will also honor all pricing and terms for any other product or service offered in connection with the Hotel.

7. ELECTRONIC SYSTEMS

7.1 Systems Installation and Use. At its cost, Franchisee will (i) obtain, install, maintain, use and replace at the Hotel all mandatory Electronic Systems (and optional Electronic Systems that Franchisee elects to use) in compliance with the Standards or other approved specifications, and (ii) take any other actions required by the Standards to protect the Electronic Systems and the data stored or communicated via the Electronic Systems. Franchisee will pay all Electronic Systems Fees, some of which will be paid as part of the Program Services Contribution. Franchisee will comply with any end-user terms related to any of the Electronic Systems. Franchisee will not use the Electronic Systems for any purpose except for operating the Hotel under this Agreement.

7.2 Reservation System. Subject to Section 19.3, Franchisor will make the Reservation System available to the Hotel. Franchisee will cause the Hotel to participate in the Reservation System in accordance with the Standards and this Agreement. Franchisor is not required to make the Reservation System available to the Hotel for any reservations occurring after the expiration or termination of this Agreement.

7.3 Electronic Systems.

A. *Ownership.* Franchisee acknowledges that the Electronic Systems may be proprietary to Franchisor or third-party vendors. The Electronic Systems that are proprietary to Franchisor

or third-party vendors, as applicable, will remain their sole property, and Franchisee will not contest such ownership. Franchisee acknowledges that the Electronic Systems may be modified, enhanced, replaced, discontinued or become obsolete, and new Electronic Systems may be created to meet the needs of the System and changes in technology. This statement is due within 90 days after each year. This statement will be prepared in accordance with the Uniform System and the United States generally accepted accounting principles, consistently applied, Applicable Law, the Standards, and the Uniform System "Income Statement" with standard line items specified by Franchisor, and Franchisee will provide such supporting documentation and other information that Franchisor may require relating to this statement.

13.4 Franchisor Examination and Audit of Hotel Records.

A. *Examination and Audit.* Franchisor and its authorized representatives may, at any time, but on reasonable notice to Franchisee, examine and copy all books, records, accounts and tax returns of Franchisee related to the operation of the Hotel during the five years preceding such examination. Franchisor may have an independent audit made of any such books, records, accounts and tax returns. Franchisee will provide any assistance reasonably requested for the audit and will provide copies of any documentation requested by Franchisor without charge.

B. *Underreporting.* If an examination or audit reveals that Franchisee has made underpayments to Franchisor, Franchisee will promptly pay Franchisor on demand the amount underpaid plus interest under Section 3.6. If an examination or audit finds that Franchisee has understated payments due Franchisor by 5% or more for the relevant period, or if the examination or audit reveals that the accounting procedures are insufficient to determine the accuracy of the calculation of payments due, Franchisee will reimburse Franchisor for all costs relating to the examination or audit (including reasonable accounting and legal fees). If the examination or audit establishes a pattern of underreporting, Franchisor may require that the annual financial reports due under Section 13.3.C. be audited by an independent accounting firm consented to by Franchisor. The rights of Franchisor in this Section 13.4 are in addition to any other remedies that Franchisor may have, including the right to terminate this Agreement.

C. *Overpayments.* If an examination or audit reveals that Franchisee has made overpayments to Franchisor, the amount of such overpayment, without interest, will be promptly credited against future payments due Franchisor.

13.5 Taxes.

A. *Payment of Taxes.* Franchisee will pay when due all Taxes relating to the Hotel, Franchisee, this Agreement, any other Marriott Agreement or in connection with operating the Hotel, except income or franchise taxes assessed against Franchisor.

B. *Withholding Taxes.*

1. The amounts payable to Franchisor will not be reduced by any deduction or withholding for any present or future Taxes.

2. If Applicable Law imposes an obligation on Franchisee to deduct or withhold Taxes directly from any amount paid to Franchisor, then Franchisee will deduct or withhold the required amount and will timely pay the full amount deducted or withheld to the relevant governmental authority in accordance with Applicable Law. The amount paid to Franchisor will be increased so that after the deduction or withholding has been made in accordance with Applicable Law, the net amount actually received by Franchisor will equal the full amount originally invoiced or otherwise payable. If required or permitted, Franchisee must promptly pay any such deduction or withholding directly to the relevant governmental authority and provide Franchisor proof of payment.

3. If Applicable Law does not impose an obligation on Franchisee to deduct or withhold Taxes directly from any amount paid to Franchisor, but requires Franchisor to pay such Taxes, then Franchisee will pay Franchisor, within 15 days after request, the full amount of the Taxes paid or payable by Franchisor with respect to such payment so that the net amount actually retained by Franchisor after payment of Taxes (other than taxes assessed on Franchisor's net income) will equal the full amount originally invoiced or otherwise payable.

C. *Sales Tax & Similar Taxes.* The amounts payable to Franchisor will not be reduced by any sales, goods and services, value added or similar taxes, all of which will be paid by Franchisee. Therefore, in addition to making any payment to Franchisor required under this Agreement, Franchisee will: (i) pay Franchisor the amount of these taxes due with respect to the payment; or (ii) if required or permitted by Applicable Law, pay these taxes directly to the relevant taxing authority.

D. *Tax Disputes.* If there is a Dispute by Franchisee as to any Tax liability, Franchisee may contest the Tax liability in accordance with Applicable Law, but Franchisee will not permit a sale, seizure or attachment to occur against the Hotel. If such Dispute involves payments of Taxes that will be withheld, deducted and paid by Franchisee related to payments to Franchisor as provided in this Section 13.5, Franchisee will notify Franchisor before taking action with regard to the Dispute with the tax authority and, if requested by Franchisor, cooperate with Franchisor in preparing its response. Upon Franchisor's request, Franchisee will pay such Taxes and seek reimbursement from the governmental authority. Franchisee will be responsible for any interest or penalties assessed.

related to the Hotel or the Approved Location; or (iv) Franchisee's use of the Electronic Systems or any failure by Franchisee to comply with Section 7 of this Agreement. Franchisor will have the right, at Franchisee's cost, to control the defense of any Claim (including the right to select its counsel or defend or settle any Claim) if Franchisor determines such Claim may affect the interests of Franchisor or its Affiliates. Such undertaking by Franchisor will not diminish Franchisee's indemnity obligations. Neither Franchisor nor any indemnified Person will be required to seek recovery from third parties or mitigate its losses to maintain its right to receive indemnification from Franchisee. The failure to pursue such recovery or mitigate its losses will not reduce the amounts recoverable from Franchisee by an indemnified Person. Franchisee's obligation to maintain insurance under Section 15 will not relieve Franchisee of its obligations under this Section 14. Franchisee's obligations under this Section 14 will survive the termination or expiration of this Agreement.

15. INSURANCE

15.1 Insurance Required. During the Term, Franchisee will procure and maintain insurance with the coverages, deductibles, limits, carrier ratings, and policy obligations required by the Standards. Such insurance requirements may include: property insurance including business interruption, earthquake, flood, terrorism and windstorm; workers' compensation; commercial general liability; liquor liability; business auto liability; umbrella or excess liability; fidelity coverage; employment practices liability; cyber liability; and such other insurance customarily carried on hotels similar to the Hotel. All insurance will by endorsement specifically:

- A. name as unrestricted additional insureds Franchisor, any Affiliate designated by Franchisor and their employees and agents (except for workers' compensation and fidelity insurance);
- B. provide that the coverages will be primary and that any insurance carried by any additional insured will be excess and non-contributory;
- C. contain a waiver of subrogation in favor of Franchisor and any Affiliate of Franchisor; and
- D. provide that the policies will not be canceled, non-renewed or reduced without at least 30 days' prior notice to Franchisor.

15.2 Other Requirements. Franchisee will deliver to Franchisor a certificate of insurance (and certified copy of such insurance policy if requested) evidencing the insurance required. Renewal certificates of insurance will be delivered to Franchisor not less than 10 days before their respective inception dates. If Franchisee fails to procure or maintain the required insurance, Franchisor will have the right and authority to procure (without any obligation to do so) such insurance at Franchisee's cost, including a reasonable fee for Franchisor's procurement and maintenance of such insurance. If Franchisee delegates its insurance obligations to any other Person, Franchisee will ensure that such Person satisfies such obligations. Such delegation will not relieve Franchisee of its obligations under this Section 15 and the Standards. Any failure to satisfy the insurance requirements is a default under this Agreement. Franchisee will cooperate with Franchisor in pursuing any claim under insurance required by this Agreement.

16. FINANCING OF THE HOTEL

Franchisee and each Interestholder in Franchisee may grant a lien or other security interest in the Hotel or the revenues of the Hotel, or pledge Ownership Interests in Franchisee or a Control Affiliate as

collateral for the financing of the Hotel. Franchisor may provide information to and otherwise communicate with any Person holding such lien, security interest or pledge (or its designee) regarding the status of the Hotel, this Agreement or any breach or default under this Agreement. If any Person exercises its rights under such lien, security interest or pledge, Franchisor will have the rights under Section 19.1. Franchisee will not pledge this Agreement as collateral or grant a security interest in this Agreement, but Franchisor may provide a comfort letter to a lender on Franchisor's then-current form and, if it does so, Franchisee will pay the then-current lender comfort letter processing fee.

17. TRANSFERS

17.1 Franchisee's Transfer Rights. Franchisee agrees that its rights and duties in this Agreement are personal to Franchisee and that Franchisor entered into this Agreement in reliance on the business skill, financial capacity and character of Franchisee and its Affiliates and their principals. Accordingly, any Transfer of the Hotel, or of any Ownership Interest in Franchisee, a Control Affiliate, or the Hotel, may be made only in accordance with this Section 17 (including Section 17.5) and only if such Transfer does not violate Section 17.6. This Agreement may not be Transferred without Franchisor's prior consent.

17.2 Transfers Not Requiring Notice or Consent. As long as the following Transfers of Passive Investor Interests do not result in a change of Control of Franchisee, no notice to or consent by Franchisor is required:

A. *Publicly-traded Securities.* A Transfer of publicly-traded securities purchased on the open market, pursuant to a registration statement or through a registered broker/dealer or investment adviser;

B. *10% Threshold.* A Transfer of Passive Investor Interests (other than those held by a Guarantor) to a transferee that immediately before and after the Transfer owns less than 10% of the Ownership Interests in Franchisee; and

C. *Investment Fund.* A Transfer of limited partnership interests in an investment fund formed by a sponsoring company in the business of raising capital for investment purposes, as long as such fund has at least 20 limited partners, none of which owns (immediately before or after such Transfer) 10% or more of the Ownership Interests in Franchisee or directs the decisions of, or exercises any Control over, the fund or the companies in which the fund invests.

17.3 Transfers Requiring Notice but Not Consent. Franchisee must provide notice to Franchisor at least 20 days prior to any of the following Transfers that are not covered in Section 17.2, but no consent by Franchisor is required:

A. *Passive Investor Transfer.* A Transfer of Passive Investor Interests if the following requirements are met:

1. Franchisee provides Franchisor with the identity of the proposed transferees and their Interestholders, together with all other related information reasonably requested by Franchisor;

2. such Transfer, individually and in the aggregate, will not result in: (i) a change of Control of Franchisee; (ii) any Person and its Affiliates that did not own a majority of the Ownership Interests in Franchisee before such Transfers collectively owning a majority of the Ownership

Interests in Franchisee after such Transfer; or (iii) a Transfer of all of Guarantor's Ownership Interest in Franchisee;

3. each new Interestholder is a Qualified Person, and Franchisee pays the fees for any required background checks; and

4. if Franchisor requests, Franchisee will execute an amendment to this Agreement that updates the ownership information in Exhibit A, and pay Franchisor's outside counsel costs related to such documentation, if any.

B. *Transfer to Affiliates; Transfer for Estate Planning Purposes.* A Transfer of the Hotel or an Ownership Interest in Franchisee to an Affiliate of Franchisee, or a Transfer of an Ownership Interest in Franchisee for estate planning purposes to an immediate family member or to an entity owned by, or a trust for the benefit of, an immediate family member, in the case of each such Transfer, if the following requirements are met:

1. Franchisee or its Control Affiliate owns, directly or indirectly, more than 50% of the economic interests of the proposed transferee (if the transferee is an entity), and such Transfer does not otherwise result in a change of Control of Franchisee or the Hotel;

2. Franchisee provides the identity of the proposed transferee and its Interestholders, documentation acceptable to Franchisor evidencing the Transfer, and all other related information reasonably requested by Franchisor;

3. each Guarantor acknowledges the Transfer and reaffirms its obligations under the Guaranty and, if required by Franchisor, another party acceptable to Franchisor executes a guaranty substantially identical to the form in the then-current Disclosure Document;

4. Franchisee is not in breach or default under any of the Marriott Agreements, or if there is a breach or default, there is an agreement to cure such breach or default;

5. each new Interestholder is a Qualified Person, and Franchisee pays the fees for any required background checks; and

6. if Franchisor requests, Franchisee and such transferee will execute any documents required by Franchisor to reflect the Transfer, and Franchisee will pay Franchisor's outside counsel costs related to such documentation, if any.

17.4 Transfers Requiring Notice and Consent. Transfers of the Hotel or a Controlling Ownership Interest in Franchisee, a Control Affiliate or the Hotel may be made only with at least 45 days' advance notice to Franchisor and Franchisor's prior consent.

A. *Conditions to Transfer.* Franchisor's consent to a Transfer under this Section 17.4 will be subject to satisfaction of the following conditions:

1. Franchisee provides Franchisor the identity of all parties and their Interestholders, a copy of the purchase agreement, the organizational documents of the transferee and its Interestholders, together with all other information reasonably requested by Franchisor;

2. payment by Franchisee of the then-current non-refundable property improvement plan fee (including any fees related to an extension thereof), and payment of the then-

current application fee for System Hotels to Franchisor by the transferee with its submission of the application. If Franchisor does not consent to the Transfer, Franchisor will refund the application fee, less \$10,000;

3. transferee and any new Interestholder is a Qualified Person;

4. retention of a management company consented to by Franchisor under Section 8.1 if Franchisor determines in its sole discretion that the transferee is not qualified to operate the Hotel;

5. execution by the transferee of the then-current form of franchise and related agreements. The new franchise agreement will contain the standard terms for new franchise System Hotels as of the date of the Transfer, including the then-current fees and charges, except that Franchisor may require that the duration be shortened to the remaining Term. The new franchise agreement will also include a property improvement plan requiring the transferee to address any renovations necessary to comply with the Standards;

6. payment of all amounts due Franchisor and execution of a general release of all claims against Franchisor and its Affiliates; and

7. payment of Franchisor's outside counsel costs related to the Transfer.

Prior Transfers of Ownership Interests by or to a Person that already owns Ownership Interests or an Affiliate of such Person will be taken into account in determining whether a Transfer of a Controlling Ownership Interest has occurred. Within 30 days after Franchisor receives notice and all required information, Franchisor will notify Franchisee of its consent to such Transfer or the reason Franchisor is withholding its consent.

B. *Withholding of Consent.* Even if the conditions in Section 17.4.A. are satisfied, Franchisor may withhold its consent to a Transfer under this Section 17.4 if:

1. Franchisor determines that the proposed transferee's debt service or overall financial status will not permit the Hotel to be operated in compliance with the Standards; or

2. an uncured breach or default of a Marriott Agreement exists, and there is no agreement to cure such breach or default in connection with the Transfer; or

3. the Hotel is not in good standing under the Quality Assurance Program;
or

4. Franchisor determines that entering into the new franchise agreement required by Section 17.4.A.5 would result in a default or breach of an existing agreement that is binding on Franchisor.

C. *Mental Incompetency or Death.* If any Person holding a Controlling Ownership Interest in Franchisee becomes mentally incompetent or dies, the interest of such Person may be Transferred subject to the terms of this Section 17.4 and only if: (i) any such Transfer will be made within 12 months after such Person is deemed mentally incompetent or dies; and (ii) the obligations of Franchisee will be satisfied pending the Transfer and the Hotel is operated in compliance with this Agreement. If such Person was a Guarantor, Franchisor may require another party acceptable to Franchisor to execute a Guaranty substantially identical to the form in the then-current Disclosure

Document. If an executor, custodian, or other representative is appointed to oversee the management of Franchisee, Franchisee will give Franchisor notice of such appointment within 30 days and the appointee will cause the Hotel to be operated in compliance with this Agreement.

17.5 Proposed Transfer to Competitor. If there is a proposed Transfer of the Hotel or an Ownership Interest in Franchisee or a Control Affiliate to a Competitor, Franchisee will notify Franchisor stating the identity of the prospective transferee (including the Interestholders of such prospective transferee), the terms of the proposed transaction, and all other information reasonably requested by Franchisor. Within 30 days after receipt of such notice and information, Franchisor will notify Franchisee of its election of one of the following:

A. Franchisor may place Franchisee in default and give notice of its intent to terminate this Agreement under Section 19.1.B., in which case either: (i) Franchisee will cancel the Transfer; or (ii) this Agreement will terminate and Franchisee will pay damages pursuant to Section 19.4 and comply with its post-termination obligations; or

B. Franchisor may consent to such Transfer, which consent will be on such terms as Franchisor may require, in its sole discretion.

17.6 Restricted Persons. No Transfer of any Ownership Interest in Franchisee, the Hotel or any Marriott Agreement will be made to a Restricted Person or a Person that receives funding from a Restricted Person. Any such Transfer is a default under Section 19.1.B.

17.7 Transfers by Franchisor.

A. *Transfer to Affiliates.* Franchisor may Transfer this Agreement to any of its Affiliates that assumes Franchisor's obligations to Franchisee and is reasonably capable of performing Franchisor's obligations, without prior notice to, or consent of, Franchisee.

B. *Transfer to Other Persons.* Franchisor may Transfer this Agreement to any Person that assumes Franchisor's obligations to Franchisee, is reasonably capable of performing Franchisor's obligations and acquires substantially all of Franchisor's rights in System Hotels, without prior notice to, or consent of, Franchisee. Franchisee agrees that any such Transfer will constitute a release of Franchisor and a novation of this Agreement.

C. *Franchisor's Successors and Assigns.* This Agreement will be binding on and inure to the benefit of Franchisor and its permitted successors and assigns.

18. PROSPECTUS REVIEW

18.1 Franchisor's Review of Prospectus. Except as stated in Section 18.2, if any Prospectus uses the Proprietary Marks, identifies the Hotel or Franchisor or its Affiliates or describes the relationship between Franchisor or Franchisee and their respective Affiliates, Franchisee will:

A. deliver to Franchisor for its review a copy of such Prospectus and all related materials at least 30 days before the earlier of the date such Prospectus is delivered to a potential purchaser or a potential investor or filed with the Securities and Exchange Commission or other governmental authority. Franchisor may require Franchisee to pay its outside counsel costs for the review of such Prospectus;

B. indemnify, defend and hold harmless Franchisor and its Affiliates in connection with such Prospectus and the offering; and

C. use any Proprietary Marks in such Prospectus and in any related materials only as consented to by Franchisor.

Franchisor's review of any Prospectus is conducted solely to determine the accuracy of any description of Franchisor's relationship with Franchisee and compliance with this Agreement, including the requirements of Section 12.1 and this Section 18, and not to benefit any other Person. Such consent will not constitute an endorsement or ratification of the proposed offering or Prospectus.

18.2 Exemption from Review. Franchisor will waive the requirement for its review of a Prospectus if such Prospectus: (i) only uses the Proprietary Marks in block letters to identify the Hotel, (ii) provides a clear statement that the Hotel is operated under a license from Franchisor, and (iii) provides that Franchisor has not reviewed, endorsed or ratified the proposed offering or Prospectus.

19. DEFAULT AND TERMINATION

19.1 Immediate Termination. Franchisee will be in default and Franchisor may terminate this Agreement without providing Franchisee any opportunity to cure the default, effective on notice to Franchisee (or on the expiration of any notice or cure period given by Franchisor in its sole discretion or required by Applicable Law), if any of the following occurs:

A. *Financial Defaults.*

1. Franchisee or any Guarantor files a voluntary petition or a petition for reorganization under any bankruptcy, insolvency or similar law;
2. Franchisee or any Guarantor consents to an involuntary petition under any bankruptcy, insolvency or similar law or fails to vacate any order approving such an involuntary petition within 90 days from the date the order is entered;
3. Franchisee or any Guarantor is unable to pay its debts as they become due;
4. Franchisee or any Guarantor is adjudicated to be bankrupt, insolvent or of similar status by a court of competent jurisdiction;
5. A receiver, trustee, liquidator or similar authority is appointed over the Hotel;
6. Execution is levied against the Hotel, Franchisee or any material real or personal property in the Hotel in connection with a final judgment; or
7. A suit to foreclose any lien, mortgage or security interest in the Hotel or any material personal property at the Hotel, or any security interest in Franchisee is filed and is not vacated within 90 days.

B. *Non-Financial Defaults.*

1. Franchisee or any Guarantor or any other Person that Controls or has an Ownership Interest in Franchisee is or becomes a Restricted Person;
2. Franchisee or any of its Affiliates or any Guarantor takes any action that constitutes a violation of Applicable Law that adversely affects the Hotel or the System;

3. Franchisee or any of its Affiliates or any Guarantor becomes a Competitor or a Transfer occurs that does not comply with the terms of Section 17;
4. Franchisee or any of its Control Affiliates or any Guarantor dissolves or liquidates;
5. Franchisee loses its right to operate or possess the Hotel, or loses ownership of the Hotel; or, if the Hotel is subject to a lease referenced in Item 17 of Exhibit A, Franchisee or the Owner referenced in Item 17 of Exhibit A is in default under such lease, or such lease is terminated for any reason;
6. the Hotel ceases to operate as a System Hotel;
7. Franchisee engages in a pattern of underreporting amounts payable to Franchisor under this Agreement involving three or more months within any 24-month period;
8. a threat to public health or safety occurs from the condition of the Hotel or its operation, that in the opinion of Franchisor, could result in: (i) substantial liability; or (ii) an adverse effect on the Hotel, other System Hotels, the System or the Proprietary Marks and Franchisee fails to close the Hotel and remedy the condition on notice from Franchisor;
9. the Hotel fails to achieve the thresholds of performance established by the Quality Assurance Program and such failure has not been cured within the applicable cure period;
10. any Confidential Information is disclosed in breach of Section 12; or
11. Franchisor sends Franchisee three or more written notices to cure the same or similar breach or default under this Agreement during any 24-month period, even if such breaches or defaults have been cured.

19.2 Default with Opportunity to Cure. Franchisee will be in default and Franchisor may terminate this Agreement for the events listed below, if after 30 days' notice of default (or such greater number of days given by Franchisor in its sole discretion or as required by Applicable Law), Franchisee fails to cure the default as specified in the notice:

- A. Franchisee fails to timely start and complete construction or conversion of the Hotel or fails to timely open the Hotel in accordance with this Agreement and the Standards; or
- B. Franchisee fails to timely complete any renovation or repair of the Hotel in accordance with this Agreement and the Standards; or
- C. Franchisee and its Affiliates fail to pay any amounts due under the Marriott Agreements; or
- D. any Marriott Agreement is in breach beyond any applicable cure period, is in default, or is terminated based on a breach by or default of Franchisee or its Affiliates (or any Owner referenced in Item 17 of Exhibit A); or
- E. Franchisee or any Interestholder in Franchisee, or any officer, director or employee of Franchisee, is convicted of a Serious Crime or is engaged in conduct that may adversely

affect the Hotel, the System, any Franchisor Product or Franchisor, and such Person is not terminated from its relationship with Franchisee; or

F. Franchisee fails to comply with the Standards or there occurs any other breach of the Marriott Agreements, including any representations and warranties by Franchisee.

19.3 Suspension of Reservation System. If Franchisee is in default under this Agreement and the default is not cured within the cure period (if any), Franchisor may, in addition to any other remedies, suspend the Hotel from the Reservation System while such default remains uncured. Once the default is cured, Franchisor will promptly reconnect the Hotel to the Reservation System. Franchisor's exercise of its remedies in this Section 19.3 will not (i) constitute actual or constructive termination or abandonment of this Agreement; (ii) be a waiver of the default or any breach of this Agreement; or (iii) preclude Franchisor from terminating this Agreement in accordance with Section 19.1 or 19.2, as applicable, or pursuing any equitable or other remedies. Franchisee waives all claims against Franchisor and its Affiliates arising from any suspension from the Reservation System arising as a result of Franchisee's default under this Agreement.

19.4 Damages.

A. *Harm to Franchisor.* Franchisee agrees that if it fails to operate the Hotel as a System Hotel for the entire Term, Franchisor will incur damages, including loss of future Franchise Fees and Program Services Contributions, and loss of opportunities for Development Activities, and that replacement of the Hotel with a comparable lodging product will take significant time and effort. Franchisee agrees that it is difficult to calculate such damages over the remainder of the Term and that the liquidated damages provided for in Section 19.4.B. of this Agreement are not a penalty and represent a reasonable estimate of the minimum fair and just compensation for the damages that Franchisor will incur.

B. *Payment of Liquidated Damages.* If Franchisor terminates this Agreement due to Franchisee's default, Franchisee will promptly pay as liquidated damages to Franchisor an amount equal to (i) the Average Monthly Fees *multiplied by* (ii) the lesser of (x) 60 or (y) the number of months remaining in the Term.

C. *Actual Damages Under Special Circumstances.* Franchisee acknowledges that because of the increased difficulty in re-entering the market or replacing multiple hotels and the loss of competitive advantage and customer confidence, Franchisor and the System will suffer additional harm and the liquidated damages described in Section 19.4.B. might be inadequate to compensate Franchisor if this Agreement is terminated under the following circumstances. Therefore, Franchisor reserves the right to seek actual damages in lieu of the liquidated damages described in Section 19.4.B. if:

1. in addition to the termination of this Agreement, at least one additional franchise, license or management agreement for Franchisor Products between Franchisor and Franchisee, or their respective Affiliates, is terminated due to Franchisee's or its Affiliate's default within 12 months of the termination of this Agreement; or

2. this Agreement is terminated (i) as a result of a Transfer to a Competitor, or (ii) in connection with the development or operation of any Other Lodging Product at the Approved Location (which will be deemed to have occurred if, within two years from the date this Agreement terminates, any Person operates, or enters into any agreement or commitment contemplating the operation of, any Other Lodging Product at the Approved Location).

D. *Other Remedies.* Franchisee acknowledges that it does not have the right to terminate this Agreement, and it is obligated to operate the Hotel as a System Hotel for the entire Term. Franchisor's ability to terminate this Agreement and pursue payment of damages under this Section 19.4 does not preclude Franchisor from electing to pursue additional remedies under Applicable Law (including equitable remedies pursuant to Section 24.2) and any such election of remedies will not affect the obligations of Franchisee to comply with Section 20. Franchisee will reimburse Franchisor for any outside counsel costs incurred by Franchisor in connection with any default by Franchisee under Section 19.1 or Section 19.2 of this Agreement.

20. POST-TERMINATION

20.1 Franchisee Obligations.

A. *De-Identification.* On the expiration or other termination of this Agreement, Franchisee will immediately:

1. cease to operate the Hotel as a System Hotel and not represent or create the impression that it is a present or former franchisee or licensee of Franchisor or that the Hotel is or was previously part of the System, unless required under Section 20.1.A.8. or 9. below;
2. permanently cease to use, and remove from the Hotel and any other place of business, any Intellectual Property and any other identifying characteristics of the System, including any Electronic Systems, advertising or any articles that display any of the Proprietary Marks or any trade dress or distinctive features or designs associated with the System or Franchisor Products;
3. remove any signs containing any Proprietary Marks (if Franchisee is unable to remove the signs immediately, Franchisee will cover the signs and remove them within 48 hours);
4. remove from any internet sites all content under its control related to the System or Franchisor and take all actions necessary to disassociate itself from Franchisor on the internet. Franchisee will, at Franchisor's option, cancel or assign to Franchisor or its designee, any domain name under the control of Franchisee or its Affiliates that contains any Proprietary Mark, or any mark that Franchisor determines is confusingly similar, including misspellings and acronyms;
5. cancel any fictitious, trade or assumed name or equivalent registration that contains any Proprietary Mark or any variations, and provide satisfactory evidence to Franchisor of its compliance within 30 days after expiration or termination of this Agreement;
6. deliver to Franchisor the originals and all copies of any Intellectual Property and all other materials relating to the operation of the Hotel under the System, including Guest Personal Data. Franchisee will not retain a copy of any Intellectual Property or such other System materials (including electronic copies), except for any documents that Franchisee reasonably needs for compliance with Applicable Law. If Franchisor explicitly permits Franchisee to use any Intellectual Property or such other System material after the termination or expiration date, such use by Franchisee will be in accordance with this Agreement and Applicable Law;
7. cease using any of the Confidential Information or the System and disclosing it to anyone not authorized by Franchisor to receive it;

8. make such necessary alterations to the Hotel so that the public will not confuse it with a System Hotel. Until such alterations are completed, Franchisee will place a conspicuous sign at the registration desk, stating that the Hotel is no longer a System Hotel; and

9. advise all customers in accordance with the Standards that the Hotel is no longer a System Hotel.

B. *Other Obligations and Termination Costs.* On expiration or termination of this Agreement, Franchisee will (a) comply with the obligations in the Sections referenced under Section 27.8; and (b) promptly pay: (i) all amounts owing to Franchisor; (ii) all of Franchisor's costs or fees charged for removing the Hotel from the System (including any costs resulting from cancellation of reservations or early departures by customers receiving the notice sent pursuant to Section 20.2); and (iii) a reasonable estimate of costs and fees that will be due but have not yet been invoiced (if the estimated payment exceeds actual amounts due, Franchisor will refund the difference to Franchisee). Franchisor will have the right to recover reasonable legal fees and court costs incurred in collecting such amounts. If this Agreement is terminated under Section 21.2, Franchisee will cooperate with Franchisor in pursuing its claim under the business interruption insurance required under this Agreement.

20.2 Franchisor's Rights on Expiration or Termination. Before or on the expiration or termination of this Agreement, Franchisor may give notice that the Hotel is leaving the System and take any other action related to customers, Travel Management Companies, suppliers and other Persons affected by such expiration or termination, and Franchisor will not be liable for any Damages related to such notice or action.

21. CONDEMNATION AND CASUALTY

21.1 Condemnation.

A. *Condemnation Notification.* Franchisee will promptly notify Franchisor if it receives notice of any proposed taking of any portion of the Hotel by eminent domain, condemnation, compulsory acquisition or similar proceeding by any governmental authority.

B. *Condemnation Restoration.* If the condemnation award is sufficient to restore the Hotel to meet the Standards, Franchisee will cause the Hotel to be promptly restored and reopened within a reasonable time.

C. *Condemnation Termination.* If the taking in Section 21.1.A. would materially affect the continued operation of the Hotel as a System Hotel on a permanent basis, Franchisor or Franchisee may terminate this Agreement, in which case, Franchisor and Franchisee will execute a termination agreement and release on Franchisor's then-current form, and Franchisee will comply with the post-termination obligations in Section 20.

D. *No Liquidated Damages on Condemnation Termination.* A termination under this Section 21.1 will not be a default under this Agreement and Franchisee will not be required to pay liquidated damages. However, Franchisor will be entitled to receive a fair and reasonable portion of any condemnation award to compensate Franchisor for its lost revenue, but not more than the amount of liquidated damages that would have been due under Section 19.4.B.

21.2 Casualty.

A. *Casualty Notification.* Franchisee will promptly notify Franchisor if the Hotel is damaged by any casualty.

B. *Casualty Restoration.* If the Hotel is damaged by any casualty and the cost to restore the Hotel to the same condition as existed previously is less than 60% of the Hotel's replacement cost at the time of the casualty, Franchisee will cause the Hotel to be promptly renovated and reopened within a reasonable time under Section 4.

C. *Casualty Termination.* If the Hotel is damaged by any casualty and the cost to restore the Hotel to the same condition as existed previously is 60% or more of the Hotel's replacement cost at the time of the casualty, Franchisee will have 180 days after the date of the casualty to elect whether it will restore the Hotel to its previous condition or terminate this Agreement. If Franchisee elects to restore the Hotel, the Hotel will be promptly renovated and reopened within a reasonable time under Section 4. If Franchisee elects to terminate this Agreement, Franchisor and Franchisee will execute a termination agreement and release on Franchisor's then-current form and Franchisee will comply with the post-termination obligations in Section 20. Such termination will not affect Franchisor's right to business interruption insurance proceeds.

D. *No Liquidated Damages on Casualty Termination.* A termination under this Section 21.2 will not be a default under this Agreement and Franchisee will not be required to pay liquidated damages unless, before the date on which the Term otherwise would have ended, Franchisee or any of its Affiliates operates an Other Lodging Product at the Approved Location.

22. COMPLIANCE WITH APPLICABLE LAW; LEGAL ACTIONS

22.1 Compliance with Applicable Law. Franchisee will comply with all Applicable Law, and will obtain all permits, certificates and licenses necessary to operate the Hotel and comply with the Marriott Agreements.

22.2 Notice of Legal Actions. Within seven days of receipt, Franchisee will notify Franchisor and provide copies of: (i) any Claim involving the Hotel, Franchisee or Franchisor; (ii) any judgment, order, or other decree related to the Hotel or Franchisee; or (iii) any inspection reports and warnings about a material failure to meet health or life safety requirements or any other material violation of Applicable Law related to the Hotel or Franchisee. This Section 22.2 will not change any notice requirement that Franchisee may have under any insurance policies.

23. RELATIONSHIP OF PARTIES

This Agreement does not create a fiduciary relationship between Franchisor and Franchisee. Franchisee is an independent contractor, and neither party is an agent, legal representative, joint venturer, partner, joint employer, or employee of the other for any purpose and Franchisee will make no representation to the contrary. Nothing in this Agreement authorizes Franchisee to make any agreement or representation on Franchisor's behalf or to incur any obligation in Franchisor's name.

24. GOVERNING LAW; ARBITRATION; INTERIM RELIEF; COSTS OF ENFORCEMENT; WAIVERS

24.1 Governing Law, Arbitration, and Jurisdiction.

A. *Governing Law.* This Agreement takes effect on its acceptance and execution by Franchisor in Maryland and will be construed under and governed by Maryland law, which law will prevail if there is any conflict of law. Nothing in this Section 24.1 will make the Maryland Franchise Registration and Disclosure Law apply to this Agreement or the relationship between Franchisor and Franchisee, if such law would not otherwise apply.

B. *Arbitration.*

1. Except as otherwise specified in this Agreement and for Claims for indemnification under Section 14 or actions for injunctive or other equitable relief under Section 24.2, any Dispute related to the Hotel, the Marriott Agreements, the relationship of the parties, or any actions or omissions in connection with any of the above, will be resolved, referred to, and finally settled by, arbitration under and in accordance with the Commercial Arbitration Rules of the American Arbitration Association (or any similar successor rules). The arbitrator(s) will be appointed in accordance with such rules. The number of arbitrators will be one unless the parties agree otherwise in accordance with such rules. The place where arbitration proceedings will be conducted is Baltimore, Maryland. The party bringing the arbitration will submit the following together with any demand or filing required by the American Arbitration Association: (i) a full and specific description of the claim under this Agreement, including identifying the specific provisions that the other party has breached, (ii) documentary evidence of the facts alleged by the complaining party, and (iii) a declaration under penalty of perjury that all facts stated in the claim and documentation are true and correct and do not fail to state facts known to the complaining party that are material to the determination of the dispute.

2. The decision of the arbitral tribunal will be final and binding on the parties and will be enforceable in any courts having jurisdiction. The arbitral tribunal will have no authority to amend or modify the terms of this Agreement. The arbitral tribunal will have the right to award or include in its award any relief it deems proper, including money damages and interest on unpaid amounts, specific performance and legal fees and costs in accordance with this Agreement; however, the arbitral tribunal may not award punitive, consequential or exemplary damages (except for those related to misuse of Franchisor's Intellectual Property). The costs and expenses of arbitration will be allocated and paid by the parties as determined by the arbitral tribunal.

3. Any arbitration proceeding under this Agreement will be conducted on an individual (not a class-wide) basis and will not be consolidated with any other arbitration proceedings to which Franchisor is a party, except that Franchisor may join any management company operating the Hotel, any owner under an owner agreement related to the Hotel, and any guarantor of any obligations with respect to the Hotel in any such proceeding. Any Dispute to be settled by arbitration under this Section will at the request of Franchisee or Franchisor be resolved in a single arbitration before a single tribunal together with any Dispute arising out of or relating to any other agreement between Franchisee and Franchisor and its Affiliates. A decision on a matter in another arbitration proceeding will not prevent a party from submitting evidence with respect to a similar matter or prevent the arbitral tribunal from rendering an independent decision without regard to such decision in such other arbitration proceeding.

4. Franchisor or Franchisee may, without waiving any rights, seek from a court having jurisdiction any interim or provisional relief that may be necessary to protect its rights or property (including any aspect of the System, or any reason concerning the safety of the Hotel or the health and welfare of any of the Hotel's guests, invitees or employees).

C. *Jurisdiction.* Franchisee expressly and irrevocably submits to the non-exclusive jurisdiction of the courts of the State of Maryland for the purpose of any Disputes that are not required to be subject to arbitration under Section 24.1.B. So far as permitted under Maryland law, this consent to personal jurisdiction will be self-operative.

24.2 Equitable Relief. Franchisor is entitled to injunctive or other equitable relief, including restraining orders and preliminary injunctions, in any court of competent jurisdiction for any threatened or actual material breach of the Marriott Agreements or non-compliance with the Standards. Franchisor is

entitled to such relief without the necessity of proving the inadequacy of money damages as a remedy, without the necessity of posting a bond and without waiving any other rights or remedies.

24.3 Costs of Enforcement. The prevailing party in any legal or equitable action related to the Hotel, this Agreement or the other Marriott Agreements will recover its reasonable legal fees and costs, including fees and costs incurred in confirming and enforcing an award under Section 24.1.B. The prevailing party will be determined based upon an assessment of which party's arguments or positions could fairly be said to have prevailed over the other party's arguments or positions on major disputed issues in the arbitration or at trial, and should include an evaluation of the following: the amount of the net recovery; the primary issues disputed by the parties; whether the amount of the award comprises a significant percentage of the amount sought by the claimant; and the most recent settlement positions of the parties.

24.4 WAIVER OF PUNITIVE DAMAGES. EACH OF FRANCHISEE AND FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO CLAIM OR RECEIVE PUNITIVE DAMAGES IN ANY DISPUTE RELATED TO THE HOTEL, THE MARRIOTT AGREEMENTS, THE RELATIONSHIP OF THE PARTIES, OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE, OTHER THAN FRANCHISOR'S RIGHTS AND REMEDIES RELATED TO FRANCHISOR'S INTELLECTUAL PROPERTY. NOTHING IN THIS SECTION 24.4 LIMITS FRANCHISEE'S OBLIGATIONS UNDER SECTION 14.

24.5 WAIVER OF JURY TRIAL. EACH OF FRANCHISEE AND FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY DISPUTE RELATED TO THE HOTEL, THE MARRIOTT AGREEMENTS, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE.

25. NOTICES

A. *Written Notices.* Subject to Section 25.B., all notices, requests, statements and other communications under this Agreement will be: (i) in writing; (ii) delivered by hand with receipt, or by courier service with tracking capability; and (iii) addressed, (a) in the case of Franchisor, to the address stated in Item 15 of Exhibit A; and (b) in the case of Franchisee, to the address stated in Item 16 of Exhibit A, or in either case at any other address designated in writing by the party entitled to receive the notice. Any notice will be deemed received (x) when delivery is received or first refused, if delivered by hand or (y) one day after posting of such notice, if sent via overnight courier.

B. *Electronic Delivery.* Franchisor may provide Franchisee with electronic delivery of routine information, invoices, the Standards and other System requirements and programs. Franchisor and Franchisee will cooperate with each other to adapt to new technologies that may be available for the transmission of such information.

26. REPRESENTATIONS AND WARRANTIES

26.1 Existence; Authorization; Ownership; Other Representations.

A. *Existence.* Each of Franchisor and Franchisee represents and warrants that it: (i) is duly formed, validly existing and in good standing under the laws of the jurisdiction of its formation; and (ii) has and will continue to have the ability to perform its obligations under this Agreement.

B. *Authorization.* Each of Franchisor and Franchisee represents and warrants that the execution and delivery of this Agreement and the performance of its obligations under this Agreement: (i) have been duly authorized; (ii) do not and will not violate, contravene or result in a default or breach of (a) any Applicable Law, (b) its governing documents or (c) any agreement, commitment or restriction binding on the relevant party; and (iii) do not require any consent that has not been obtained by the relevant party. Without limiting the generality of the foregoing, Franchisee represents and warrants to Franchisor that no agreement or other arrangement of any type (including any management agreement, franchise agreement, letter of intent, option to purchase, technical services agreement, reservation agreement, or any oral agreement or course of conduct which could be construed to be a contract) exists, as of the Effective Date, which would prohibit or conflict with Franchisee's ability to enter into this Agreement or perform its obligations under this Agreement.

C. *Prior Representations.* Franchisee represents and warrants that all of the representations, warranties and information in the application and provided for this Agreement were true as of the time made and are true as of the Effective Date, regardless of whether such representations, warranties and information were provided by Franchisee or another Person.

D. *Restricted Person; Competitor.* Franchisee represents and warrants, and will ensure throughout the Term, that (i) neither Franchisee, nor the Person(s) that Control Franchisee, nor any of its or the Hotel's funding sources is a Restricted Person and (ii) neither Franchisee nor any of its Affiliates is a Competitor.

E. *Ownership of Franchisee.* Franchisee represents and warrants that the information in Attachment Two to Exhibit A regarding its Interestholders is complete and accurate. Upon any Transfer that requires notice to, or the consent of, Franchisor under Section 17, or on request of Franchisor, Franchisee will provide a list of the names and addresses of the Interestholders and documents necessary to confirm such information and update Attachment Two to Exhibit A.

F. *Ownership of the Hotel.* Unless otherwise stated in Item 17 of Exhibit A, Franchisee represents and warrants that either: (i) it is the sole owner of the Hotel and holds good and marketable fee title to the Approved Location; or (ii) the Approved Location is subject to a valid purchase, contribution, or similar agreement, and on closing of such agreement, Franchisee will be the sole owner of the Hotel and will hold good and marketable fee title to the Approved Location. Unless the Hotel is subject to a lease as indicated in Item 17 of Exhibit A, Franchisee will deliver a copy of the recorded deed in Franchisee's name to Franchisor no later than the Construction Start Deadline.

26.2 Additional Franchisee Acknowledgments and Representations.

A. *NO RELIANCE.* IN ENTERING THIS AGREEMENT, FRANCHISEE REPRESENTS AND WARRANTS THAT IT DID NOT RELY ON, AND NEITHER FRANCHISOR NOR ANY OF ITS AFFILIATES HAS MADE, ANY PROMISES, REPRESENTATIONS, WARRANTIES OR AGREEMENTS RELATING TO THE FRANCHISE, THE HOTEL, OR THE APPROVED LOCATION OR THE SYSTEM, UNLESS CONTAINED IN THIS AGREEMENT.

B. *BUSINESS RISK.* FRANCHISEE AGREES THAT THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT INVOLVES SUBSTANTIAL BUSINESS RISK, IS A VENTURE WITH WHICH FRANCHISEE HAS RELEVANT EXPERIENCE AND ITS SUCCESS IS LARGELY DEPENDENT ON FRANCHISEE'S ABILITY AS AN INDEPENDENT BUSINESS. FRANCHISOR DISCLAIMS THE MAKING OF, AND FRANCHISEE AGREES IT HAS NOT RECEIVED, ANY INFORMATION, WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, AS TO THE POTENTIAL REVENUES, PROFITS OR SUCCESS OF SUCH BUSINESS VENTURE. IF,

PRIOR TO THE EFFECTIVE DATE, FRANCHISOR HAS FURNISHED ANY HISTORICAL PERFORMANCE DATA OR PROJECTIONS WITH RESPECT TO THE HOTEL IN CONNECTION WITH THE POSSIBILITY OF FRANCHISOR OR ITS AFFILIATES MANAGING THE HOTEL (AS OPPOSED TO GRANTING A FRANCHISE TO FRANCHISEE), FRANCHISEE ACKNOWLEDGES AND AGREES THAT SUCH DATA AND PROJECTIONS ARE NOT APPLICABLE TO A FRANCHISED SYSTEM HOTEL AND THAT IT HAS NOT RELIED THEREON IN ENTERING INTO THIS AGREEMENT. FRANCHISOR WILL NOT INCUR ANY LIABILITY FOR ANY ERROR, OMISSION OR FAILURE CONCERNING ANY ADVICE, TRAINING OR OTHER ASSISTANCE FOR THE HOTEL PROVIDED TO FRANCHISEE, INCLUDING FINANCING, DESIGN, CONSTRUCTION, RENOVATION OR OPERATIONAL ADVICE.

C. *DISCLOSURE AND NEGOTIATION.* FRANCHISEE ACKNOWLEDGES THAT IT HAS READ AND UNDERSTOOD THE DISCLOSURE DOCUMENT AND THE MARRIOTT AGREEMENTS. FRANCHISEE HAS HAD SUFFICIENT TIME AND OPPORTUNITY TO CONSULT WITH ITS ADVISORS ABOUT THE POTENTIAL BENEFITS AND RISKS OF ENTERING INTO THIS AGREEMENT. FRANCHISEE HAS HAD AN OPPORTUNITY TO NEGOTIATE THIS AGREEMENT.

D. *HOLDING PERIODS.* FRANCHISEE ACKNOWLEDGES THAT IT RECEIVED A COPY OF THIS AGREEMENT, ITS EXHIBITS AND ATTACHMENTS, IF ANY, AND RELATED AGREEMENTS, IF ANY, AT LEAST SEVEN DAYS BEFORE THE DATE ON WHICH THIS AGREEMENT WAS EXECUTED. FRANCHISEE FURTHER ACKNOWLEDGES THAT IT HAS RECEIVED THE DISCLOSURE DOCUMENT AT LEAST 14 DAYS BEFORE THE DATE ON WHICH IT EXECUTED THIS AGREEMENT OR MADE ANY PAYMENT TO FRANCHISOR IN CONNECTION WITH THIS AGREEMENT.

E. *DISCLOSURE EXEMPTION.* NOTWITHSTANDING FRANCHISEE'S ACKNOWLEDGMENT IN SECTION 26.2.D, FRANCHISEE REPRESENTS AND ACKNOWLEDGES THAT THIS FRANCHISE SALE IS FOR MORE THAN \$1,469,600, EXCLUDING THE COST OF UNIMPROVED LAND AND ANY FINANCING RECEIVED FROM FRANCHISOR OR ITS AFFILIATES, AND THUS IS EXEMPTED FROM THE FEDERAL TRADE COMMISSION'S FRANCHISE RULE DISCLOSURE REQUIREMENTS PURSUANT TO 16 CFR 436.8(a)(5)(i).

27. MISCELLANEOUS

27.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which constitute one and the same instrument. Delivery of an electronic signature or an executed signature page by electronic transmission is as effective as delivery of an original signed counterpart. Each party hereto waives any defenses to the enforceability of the terms of this Agreement based on the foregoing forms of signature.

27.2 Construction and Interpretation.

A. *Partial Invalidity.* If any term of this Agreement, or its application to any Person or circumstance, is invalid or unenforceable at any time or to any extent, then: (i) the remainder of this Agreement, or the application of such term to Persons or circumstances except those as to which it is held invalid or unenforceable, will not be affected and each term of this Agreement will be valid and enforced to the fullest extent permitted by Applicable Law; and (ii) Franchisor and Franchisee will negotiate in good faith to modify this Agreement to implement their original intent as closely as possible in a mutually acceptable manner.

B. *Non-Exclusive Rights and Remedies.* No right or remedy of Franchisor or Franchisee under this Agreement or the Standards is intended to be exclusive of any other right or remedy under this Agreement at law or in equity.

C. *No Third-Party Beneficiary.* Nothing in this Agreement is intended to create any third-party beneficiary or give any rights or remedies to any Person except Franchisor or Franchisee and their respective permitted successors and assigns.

D. *Actions from Time to Time.* When this Agreement permits Franchisor to take any action, exercise discretion or modify the System, Franchisor may do so from time to time.

E. *Interpretation of Agreement.* Franchisor and Franchisee intend that this Agreement excludes all implied terms to the maximum extent permitted by Applicable Law. Headings of Sections and geographic designations in the footer are for convenience and do not affect interpretation of this Agreement. All Exhibits to this Agreement form an integral part of this Agreement and are incorporated by reference, including all Items of Exhibit A even if such Items are not specifically referred to in this Agreement. Words indicating the singular include the plural and vice versa as the context may require. References to days, months and years are all calendar references. References that a Person “will” do something mean the Person has an obligation to do such thing. References that a Person “may” do something mean a Person has the right, but not the obligation, to do so. References that a Person “may not” or “will not” do something mean the Person is prohibited from doing so. Examples used in this Agreement and references to “includes” and “including” are illustrative and not exhaustive.

F. *Definitions.* All capitalized terms in this Agreement have the meaning stated in Exhibit B.

[\[FOR WA STATE, INSERT: G. State Amendment. Franchisor reserves the right to challenge the applicability of any law, or administrative policy or interpretation of a law, including any provision set forth in the State of Washington Amendment to the Franchise Agreement or the State of Washington Disclosure Amendments to the Disclosure Document, that declares provisions in this Agreement void or unenforceable.\]](#)

27.3 Reasonable Business Judgment.

A. *Definition.* Reasonable Business Judgment means:

1. For decisions affecting the System, that the rationale for Franchisor’s decision has a business basis that is intended to: (i) benefit the System or the profitability of the System, including Franchisor, regardless of whether some hotels may be unfavorably affected; (ii) increase the value of the Proprietary Marks; (iii) enhance guest, franchisee or owner satisfaction; or (iv) minimize potential brand inconsistencies or customer confusion; and

2. For decisions unrelated to the System (for example, a requested approval for the Hotel), that the rationale for Franchisor’s decision has a business basis and Franchisor has not acted in bad faith.

B. *Use of Reasonable Business Judgment.* Franchisor will use Reasonable Business Judgment when discharging its obligations or exercising its rights under this Agreement, including for any consents and approvals and the administration of Franchisor’s relationship with Franchisee, except when Franchisor has reserved sole discretion.

C. *Burden of Proof.* Franchisee will have the burden of establishing that Franchisor failed to exercise Reasonable Business Judgment. The fact that Franchisor or any of its Affiliates benefited from any action or decision, or that another reasonable alternative was available, does not mean that Franchisor failed to exercise Reasonable Business Judgment. If this Agreement is subject to any implied covenant or duty of good faith and Franchisor exercises Reasonable Business Judgment, Franchisee agrees that Franchisor will not have violated such covenant or duty.

27.4 Consents and Approvals. Except as otherwise provided in this Agreement, any approval or consent required under this Agreement will not be effective unless it is in writing and signed by the duly authorized officer or agent of the party giving such approval or consent. Franchisor will not be liable for: (i) providing or withholding any approval or consent; (ii) providing any suggestion to Franchisee; (iii) any delay; or (iv) denial of any request.

27.5 Waiver. The failure or delay of either party to insist on strict performance of any of the terms of this Agreement, or to exercise any right or remedy, will not be a waiver for the future.

27.6 Entire Agreement. This Agreement and the Marriott Agreements are fully integrated and contain the entire agreement between the parties as it relates to this franchise, the Hotel and the Approved Location and, subject to Section 26.1.C., supersede and extinguish all prior statements, agreements, promises, assurances, warranties, representations and understandings, whether written or oral, by any Person. Nothing in this Agreement is intended to require Franchisee to waive reliance on any representations made in the Disclosure Document.

27.7 Amendments. This Agreement may only be amended in a written document that has been duly executed by the parties and may not be amended by conduct manifesting assent, and each party is put on notice that any individual purporting to amend this Agreement by conduct manifesting assent is not authorized to do so.

27.8 Survival. The duties and obligations of the parties that by their nature or express language survive expiration or termination of this Agreement will survive expiration or termination of this Agreement, including the terms of this Section 27 as well as the terms of Sections 11, 12, 13.2, 13.4, 13.5, 14, 17.5, 18, 19.4, 20, 21.1.D., 21.2.D., 22.2 (but only with respect to a Claim, judgment, report or warning related to Franchisor or its Affiliates or with respect to the period before such expiration or termination) and 24.

DEFINITIONS

The following terms used in this Agreement have the meanings given below:

“Accessibility Requirements” means the Americans with Disabilities Act and other applicable state laws, codes, and regulations governing public accommodations for persons with disabilities.

“Additional Marketing Programs” means advertising, marketing, promotional, public relations, and sales programs and activities that are not funded by the Marketing Fund, each of which may vary in duration, apply on a local, regional, national, or Category basis, or include other Franchisor Products. Examples include email marketing, internet search engine marketing, transaction-based paid internet searches, sales lead referrals and bookings, cooperative advertising programs, Travel Management Companies programs, incentive awards, gift cards, guest satisfaction programs, complaint resolution programs and Loyalty Programs.

“Affiliate” means, for any Person, a Person that is directly or indirectly Controlling, Controlled by, or under common Control with such Person.

“Agreement” means this Franchise Agreement, including any exhibits and attachments, as may be amended.

“Applicable Law” means applicable national, federal, regional, state or local laws, codes, rules, ordinances, regulations, or other enactments, orders or judgments of any governmental, quasi-governmental or judicial authority, or administrative agency having jurisdiction over the Hotel, Franchisee, any Guarantor, Franchisor in its capacity as licensor under this Agreement or any of the Marriott Agreements, or the matters that are the subject of this Agreement, including any applicable data protection or privacy laws or any of the above that prohibit unfair, fraudulent or corrupt business practices and related activities, including any such actions or inactions that would constitute a violation of money laundering or terrorist financing laws and regulations.

“Application Fee” is defined in Section 3.1.

“Approved Location” means the site, including all land and easements used for the Hotel, described in Item 2 of Exhibit A, as may be updated by the letter agreement issued by Franchisor described in Exhibit C.

“Average Monthly Fees” means: (x) if the Hotel has been operating as a franchised System Hotel for at least 24 full months prior to termination, the average monthly Franchise Fees and Program Services Contributions payable for the Hotel during the immediately preceding 24 months (calculated using the Franchise Fees specified in this Agreement and the Program Services Contribution in effect at the time of termination, but without giving effect to any discounts or incentives); provided that, if Franchisor determines that such calculation does not fairly represent the Hotel’s stabilized performance due to an Extraordinary Event, “Average Monthly Fees” will mean the average monthly Franchise Fees and Program Services Contributions payable for the Hotel during the immediately preceding 24 months during which an Extraordinary Event was not in effect, as determined by Franchisor (or, if fewer, the months since the Hotel has been operating as a franchised System Hotel) (“Hotel Average Fees”); and (y) if the Hotel has not operated as a franchised System Hotel for at least 24 months prior to termination, an amount equal to the greater of (a) the average monthly franchise fees and program services fund contributions payable for the previous 24 months for all franchised System Hotels on a per room basis multiplied by the number of Guestrooms at the Hotel or (b) Hotel Average Fees during the period the

Hotel was operating as a franchised System Hotel; provided that, if Franchisee submitted revenue projections in its application and either Franchisee or Franchisor believes that the calculation in (a) or (b) does not fairly represent the Hotel's projected stabilized performance, it will notify the other, in which case "Average Monthly Fees" will mean the average monthly Franchise Fees and Program Services Contributions that would have been payable based on the stabilized Hotel revenue projected by Franchisee in such application, without giving effect to any discounts or incentives.

"Competitor" means any Person, or any Person that is an Affiliate of a Person, that has a direct or indirect Ownership Interest in or Control of, is the Master Franchisee for, or is the franchisor or licensor of a Competing Brand. No Person will be considered a Competitor if such Person has an interest in a Competing Brand merely as: (i) a franchisee, licensee or a management company that owns or operates lodging facilities under a Competing Brand so long as such Person is not a Master Franchisee for such Competing Brand; or (ii) a passive investor that has no Control over the business decisions of the Competing Brand, such as limited partners or non-Controlling stockholders.

"Confidential Information" means: (i) the Standards; (ii) documents or trade secrets approved for the System or used in the design, construction, renovation or operation of the Hotel; (iii) any Electronic Systems and related documentation; (iv) Guest Personal Data; or (v) any other knowledge, trade secrets, business information or know-how obtained or generated (a) through the use of the System by Franchisee or the operation of the Hotel (or otherwise obtained from Franchisor or its Affiliates in the course of being a franchisee, licensee or owner of the Hotel or of System Hotels) that Franchisor deems confidential or (b) under any Marriott Agreements.

"Construction Start Deadline" is defined in Exhibit C.

"Control" (in any form, including "Controlling" or "Controlled") means, for any Person, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person or the power to veto major policy decisions of such Person. Any such automatic extension of the Construction Start Deadline will extend the Opening Deadline by the same amount of time; however, no such automatic extension will extend the term or duration of any Restricted Territory in Item 9 of Exhibit A.

(ii) If Franchisee wishes to further extend such deadlines following Franchisor’s notice in the preceding paragraph, or if Franchisee wishes to extend the Opening Deadline after construction of the Hotel has commenced, Franchisee will make a written request giving the reasons for the delay. Franchisee will not terminate or attempt to terminate the Existing Agreement in any manner that would constitute a breach or default under such Existing Agreement; (ii) it will comply with the Existing Agreement, and there is no provision in the Existing Agreement that would prohibit or conflict with Franchisee's ability to enter into this Agreement and comply with its terms; and (iii) it will not use the System until (a) the Existing Agreement has terminated or expires, (b) it has satisfied all obligations of the Existing Agreement that are conditions to such termination or expiration, and (c) Franchisor has authorized such use in the letter referred to in Section 2.I of this Exhibit C. (ii) If Franchisee wishes to further extend such deadlines following Franchisor’s notice in the preceding paragraph, or if Franchisee wishes to extend the Opening Deadline after conversion renovation of the Hotel has commenced, Franchisee will make a written request giving the reasons for the delay. If the delay is caused by a Force Majeure Event (excluding, for the avoidance of doubt, unavailability of financing), Franchisor will equitably extend such deadlines. If the delay is not caused by a Force Majeure Event, Franchisor may, in its sole discretion, extend such deadlines and require Franchisee to pay its then-current extension fee. The extension fee is nonrefundable unless

Franchisor declines to grant the requested extension. No extension under this Section 2.C.(ii) will be granted for more than six months.

D. *Permits and Certifications.* Franchisee will obtain all permits and certifications required for lawful renovation and operation of the Hotel, including zoning, access, sign, building permits and fire requirements, and if requested, will certify that it has obtained all such permits and certifications.

F. *Franchisee's Responsibilities.* Franchisee is responsible for the entire cost of renovating, equipping, supplying and furnishing the Hotel as a System Hotel.

G. *Site Visits.* During conversion renovation, Franchisor's representatives may visit the job site at any time to observe the work, and Franchisee, its contractors and subcontractors will cooperate fully with any such site visits. Upon request, Franchisee will submit photos showing the progress of renovation to Franchisor. 7. Parking. If the number of dedicated parking spaces at the Hotel does not comply with the Standards, Franchisee will secure at a location approved by Franchisor as many nearby parking spaces as necessary to comply with the Standards (or such lesser amount as Franchisor agrees to in writing). If such nearby parking spaces are not available for use exclusively by Hotel guests and Franchisor determines that inadequate parking has negatively affected guest satisfaction at the Hotel, Franchisor reserves the right to require that Franchisee (i) secure additional parking spaces that will be used exclusively by Hotel guests or (ii) provide valet parking for vehicles of Hotel guests 24 hours a day, 7 days a week and secure a sufficient number of parking spaces in the vicinity of the Hotel to park such vehicles. Any parking alternatives must be approved by Franchisor and operated and maintained in a condition and at all times in a manner consistent with the high standards of quality and service of the Hotel and the System and will be considered part of the Hotel, including for purposes of insurance and indemnification.

8. Access Easement. If Franchisor determines that it is necessary or advisable for Franchisee to secure one or more access easements across adjacent property to have the right to use driveways, drive aisles or sidewalks for pedestrian and vehicular ingress and egress, Franchisee agrees to (i) secure such easements (and the right to display signage approved by Franchisor directing traffic across the property that is subject to the easement) where indicated in the final Plans approved by Franchisor and (ii) maintain such easements and rights at all times during the Term. Franchisee also agrees to construct and maintain at all times during the Term the method of ingress and egress indicated in the final Plans, which will lead directly to the Hotel.

9. Existing Agreements. If the Hotel is subject to a license, membership, franchise, or management agreement (the “Existing Agreement”) with another brand not affiliated with Franchisor (“Existing Brand”), Franchisee represents, warrants, and covenants that: (i) such Existing Agreement either expires by its own terms, gives Franchisee the right to terminate, or is subject to a mutual agreement between Franchisee and Existing Brand to terminate, in each case prior to the Opening Deadline, without any termination being a breach of Franchisee’s contract with such Existing Brand, and Franchisee will not terminate or attempt to terminate the Existing Agreement in any manner that would constitute a breach or default under such Existing Agreement; (ii) it will comply with the Existing Agreement, and there is no provision in the Existing Agreement that would prohibit or conflict with Franchisee’s ability to enter into this Agreement and comply with its terms; and (iii) it will not use the System until (a) the Existing Agreement has terminated or expires, (b) it has satisfied all obligations of the Existing Agreement that are conditions to such termination or expiration, and (c) Franchisor has authorized such use in the letter referred to in Section 3.I of this Exhibit C. Any Claims of Existing Brand will be subject to Section 14, and any breach of this Section 9 is a default under Section 19.1.B of this Agreement.

EXHIBIT C
CHANGE OF OWNERSHIP

DRAFTING NOTE: Change references from “Franchise Agreement” on the cover page, table of contents, first page and signature page to “Relicensing Franchise Agreement,” and delete “Chain Acquisition,” “Construction Start Deadline,” “Opening Deadline” and “Restricted Territory” from Exhibit B.

In order for the Hotel to continue to operate as a System Hotel, the Agreement is modified by, and the Hotel is to be renovated under, the terms of this Exhibit C and Section 4.4.

1. Franchisee acknowledges that the following modifications are made to the Agreement:

A. “**Opening Date**” means _____. The reference to the Opening Date in the first sentence of Section 3.2, the first sentence of Section 3.7.A., the first sentence of Section 3.7.B., Section 13.3.A., and Section 13.3.B. is amended to be a reference to the Effective Date.

B. The following are added to Section 3.5:

“D. *Transition Accounting Period Allocations.* For the month in which the Effective Date occurs (the “Transition Accounting Period”), Franchisee and the previous owner or operator of the Hotel will allocate between themselves payment of amounts due Franchisor and its Affiliates for the entire month. However, in the event of a dispute between Franchisee and a previous owner or operator of the Hotel, Franchisee must pay all amounts invoiced by Franchisor or its Affiliates with respect to the operation of the Hotel for the entire Transition Accounting Period as though the term of this Agreement had begun on the first day of the Transition Accounting Period, less any amounts paid in respect of such invoices by the previous owner or operator of the Hotel. Franchisee acknowledges and agrees that any dispute between Franchisee and the previous owner or operator of the Hotel concerning the allocation of payments for the Transition Accounting Period will be no defense to Franchisee’s obligations pursuant to this Section 3.5.D.

E. *Transition Accounting Period Franchise Fees.* For purposes of calculating the Franchise Fees due with respect to Gross Room Sales for the Transition Accounting Period, Franchisor may, in its sole discretion, apply the percentage rate that was in effect for the Hotel immediately before the Effective Date (the “Previous Rate”) in lieu of the Franchise Fees required by Item 11 of Exhibit A, but only if the Previous Rate is less than the percentage rate stated in Item 11 of Exhibit A.”

C. The following are added to Section 26.2:

“F. *NO ENDORSEMENT.* FRANCHISEE ACKNOWLEDGES THAT FRANCHISOR DID NOT APPROVE, RECOMMEND, ENDORSE OR PARTICIPATE IN ANY DECISIONS ABOUT THE TERMS OF ANY TRANSACTION UNDER WHICH FRANCHISEE ACQUIRED CONTROL OF THE HOTEL, INCLUDING THE PURCHASE PRICE, AND DID NOT COMMENT ON ANY FINANCIAL PROJECTIONS SUBMITTED TO FRANCHISEE.

G. *EXISTING AGREEMENTS.* FRANCHISEE AGREES TO BE BOUND BY ALL AGREEMENTS BETWEEN THE PRIOR FRANCHISEE OF THE HOTEL AND FRANCHISOR OR ITS AFFILIATES, SUCH AS LICENSE, SERVICE OR REVENUE MANAGEMENT AGREEMENTS AND ANY OTHER AGREEMENTS RELATING TO THE HOTEL.”

2. Franchisee represents and warrants that it has paid Franchisor’s outside legal counsel fees and costs incurred for the preparation and negotiation of the Marriott Agreements.
3. Property Improvement Plan.

A. *Property Improvement Plan.* Based on a review of the Hotel, the property improvement plan prepared by Franchisor attached to this Exhibit C as Attachment One outlines the renovation requirements for the Hotel to continue to operate as a System Hotel (the “PIP”). All renovations, furniture, fixtures and equipment will conform to the then-current System specifications at the time such work is completed. Completion of the PIP does not satisfy Franchisee’s obligation to renovate the Hotel under Section 4.3.

B. *Material Change Review.* If any material changes to the Hotel occur after the date stated in Item 19 of Exhibit A, then Franchisor may re-inspect the Hotel (“Material Change Review”) and modify the PIP to address such material changes. Franchisee will complete the modified PIP, including any additional requirements, to Franchisor’s satisfaction. Franchisee and its contractors will cooperate fully with any inspections Franchisor conducts under a Material Change Review.

C. *PIP Deadlines.* Franchisee will perform each item in the PIP by the date stated in the PIP with respect to such item. Time is of the essence, but if Franchisee wishes to extend the deadlines for completion of items in the PIP, Franchisee will make a written request giving the reasons for the delay. If the delay is caused by a Force Majeure Event (excluding for the avoidance of doubt, unavailability of financing), Franchisor will equitably extend such deadlines. If the delay is not caused by a Force Majeure Event, Franchisor may, in its sole discretion, extend such deadlines. For any extension, Franchisor may require Franchisee to pay its then-current extension fee. The extension fee will be paid to Franchisor with the request for the extension and is nonrefundable unless Franchisor declines to grant the requested extension. No extension under this Section 3.C will be granted for more than six months.

D. *Permits and Certifications.* Franchisee will obtain all permits and certifications required for lawful renovation and operation of the Hotel, including zoning, access, sign, building permits and fire requirements, and if requested, will certify that it has obtained all such permits and certifications.

E. *Compliance.* Franchisee will ensure that the Hotel complies with Applicable Law, the Standards and the Design Criteria, including the fire protection and life safety Standards (even if such Standards exceed local code requirements).

F. *Franchisee’s Responsibilities.* Franchisee is responsible for the entire cost of renovating, equipping, supplying and furnishing the Hotel as a System Hotel. Franchisee will not use any of the Reserve to pay for the PIP.

G. *Site Visits.* During renovation, Franchisor’s representatives may visit the job site at any time to observe the work, and Franchisee, its contractors and subcontractors will cooperate fully with any such site visits. Upon request, Franchisee will submit photos showing the progress of renovation to Franchisor. Franchisor may submit any deficiencies or discrepancies to Franchisee, and Franchisee will promptly correct such items. If any site visits and inspections are necessary to ensure the Hotel complies

with the PIP, Franchisor may charge its then-current fee for the time spent inspecting the Hotel plus Travel Costs.

H. *Accessibility Certification.* Franchisee will not be deemed to have satisfied the requirements of the PIP until Franchisee delivers a certification from its licensed architect, engineer, or recognized expert consultant on Accessibility Requirements in the form attached to this Exhibit C as Attachment Two.

I. *Fire Protection and Life Safety Certification.* Franchisee will not be deemed to have satisfied the requirements of the PIP until Franchisee has retained Franchisor and paid Franchisor the then-current testing and inspection fee to test and inspect the fire protection and life safety systems of the Hotel, and such testing and inspection verifies the Hotel complies with Franchisor's fire protection and life safety Standards and the fire protection and life safety systems of the Hotel are operational.

J. *Completion.* Franchisee will not be deemed to have satisfied the requirements of the PIP until Franchisor has confirmed completion.

INSERT STATE AMENDMENT IF NECESSARY

GUARANTY

This Guaranty (“Guaranty”) is executed as of (“Effective Date”) by the undersigned party or parties (“Guarantor”), for the benefit of ***Franchisor_Licensor***, a ***Local_juris*** ***entity_type*** (“Franchisor”).

In consideration of and as an inducement to Franchisor to execute the ***brand*** Franchise Agreement dated (as such agreement may be amended, the “Agreement”), between Franchisor and ***Franchise_Name***, a/an ***Fran_Domicili*** ***Fran_corp*** (“Franchisee”), for the hotel located or to be located at ***address***, ***city***, ***state*** ***zip***, Guarantor agrees as follows:

1. Unconditional Guaranty. Guarantor unconditionally guarantees that all of Franchisee’s obligations under the Marriott Agreements will be punctually paid and performed. Upon failure by Franchisee to punctually pay or perform and notice from Franchisor, Guarantor will immediately make each payment and perform each obligation required of Franchisee under the Marriott Agreements. Franchisor may extend, modify or release any indebtedness or obligation of Franchisee, or settle, adjust or compromise any Claim against Franchisee without notice to Guarantor, and any such action will not affect the obligations of Guarantor under this Guaranty.

2. Waiver of Notices. Guarantor waives (i) notice of any amendment of any of the Marriott Agreements and (ii) notice of demand for payment or performance by Franchisee. Guarantor’s guarantee applies to any extension or renewal of any of the Marriott Agreements. Guarantor unconditionally and irrevocably waives notice of acceptance of this Guaranty, presentment, demand, diligence, protest and dishonor or of any other notice to which Guarantor otherwise might be entitled under Applicable Law.

3. Obligations of Guarantor.

A. *No Limitations.* The obligations of Guarantor under this Guaranty will not be reduced, limited, terminated, discharged, impaired or otherwise affected by (i) Franchisee’s failure to pay a fee or provide consideration to Guarantor for the issuance of this Guaranty; (ii) the occurrence or continuance of a default under any of the Marriott Agreements; (iii) any assignment of any of the Marriott Agreements; (iv) any amendment, waiver, consent or other action taken related to any Marriott Agreement, including any discounts or extensions of time for payment of any amounts due under any of Marriott Agreement or extensions of time for the performance of any obligation of Franchisee under any Marriott Agreement; (v) the voluntary or involuntary liquidation, sale or other disposition of all or any portion of Franchisee’s assets, or the receivership, insolvency, bankruptcy, reorganization or similar proceedings affecting Franchisee or its assets or the release or discharge of Franchisee from any of its obligations under any Marriott Agreement; or (vi) any change of circumstances, whether or not foreseeable, and whether or not any such change could affect the risk of Guarantor.

B. *Changes to the Marriott Agreements.* Any modifications, amendments, waivers or consents to the Marriott Agreements may be agreed to or granted without the approval or consent of Guarantor.

4. Payment and Performance. This Guaranty constitutes a guaranty of payment and performance and not of collection. Guarantor waives any right to require Franchisor to proceed, by way of set-off or otherwise, against (i) Franchisee; (ii) any assets of Franchisee; (iii) any assets of Franchisee held by any Person as security; or (iv) any other guarantor.

5. Preferences or Other Return Payments. This Guaranty will continue to be effective or be reinstated, as the case may be, if at any time payment under any of the Marriott Agreements is rescinded or must otherwise be restored or returned by Franchisor due to the insolvency, bankruptcy or reorganization of Franchisee or Guarantor, all as though such payment had never been made.

6. Notices. All notices and other communications will be: (i) in writing; (ii) delivered by hand with receipt, or by courier service with tracking capability; and (iii) addressed as provided below or at any other address designated in writing by Guarantor. Any notice will be deemed received (i) when delivery is received or first refused, if delivered by hand or (ii) one day after posting of such notice, if sent via overnight courier.

7. Joint and Several Liability. If more than one Person has executed this Guaranty as a Guarantor, the liability of each Guarantor will be joint, several and primary.

8. Death of Guarantor. On the death of any individual Guarantor, the estate of such Guarantor will be bound by this Guaranty but only for defaults and obligations existing at the time of death. In such event, the obligations of any other Guarantors will continue in full force and effect.

9. Existence; Authorization; Prior Representations.

A. *Existence.* Each Guarantor that is not an individual represents and warrants that it: (i) is duly formed, validly existing and in good standing under the laws of the jurisdiction of its formation and (ii) has, and will continue to have, the ability to perform its obligations under this Guaranty.

B. *Authorization.* Each Guarantor represents and warrants that the execution and delivery of this Guaranty and the performance of its obligations under this Guaranty: (i) have been duly authorized; (ii) do not and will not violate, contravene or result in a default or breach of (a) any Applicable Law, (b) its governing documents or (c) any agreement, commitment or restriction binding on the relevant party; and (iii) do not require any consent that has not been properly obtained by the relevant party.

C. *Prior Representations.* Guarantor represents and warrants that all of the information in the application and provided in the Marriott Agreements was true as of the time made and is true as of the Effective Date, regardless of whether such representations and warranties were provided by Franchisee or another Person.

D. *Restricted Persons.* Guarantor represents and warrants, and will ensure throughout the Term, that neither Guarantor nor any of its funding sources is a Restricted Person.

E. *Relationship to Franchisee.* Guarantor represents and warrants that it is an Interestholder or Affiliate of Franchisee and that it will derive substantial benefit from the execution of the Agreement and other good and valuable consideration for entry into this Guaranty.

10. Governing Law; Arbitration; Jurisdiction.

A. *Governing Law.* This Guaranty will be construed under and governed by Maryland law, which law will prevail if there is any conflict of law.

B. *Arbitration.*

1. Except as otherwise agreed in this Guaranty and for Claims for indemnification under Section 14 of the Agreement or actions for injunctive or other equitable relief under Section 24.2 of the Agreement, any disagreement, controversy, or Claim relating to or arising out of this Guaranty, the relationship created by this Guaranty, or the enforceability of this Guaranty, including any question regarding its existence, validity, legality or termination, and any claim regarding a breach or enforcement of this Guaranty (each, a “Dispute”), will be referred to, and finally settled by, arbitration under and in accordance with the Commercial Arbitration Rules of the American Arbitration Association (or any similar successor rules). The arbitrator(s) will be appointed in accordance with such rules. The number of arbitrators will be one, unless the parties agree otherwise in accordance with such rules. The place where arbitration proceedings will be conducted is Baltimore, Maryland. The party bringing the arbitration will submit the following together with any demand or filing required by the American Arbitration Association: (1) a full and specific description of the claim under this Guaranty including identifying the specific provisions that the other party has breached, (2) documentary evidence of the facts alleged by the complaining party, and (3) a declaration under penalty of perjury that all facts stated in the claim and documentation are true and correct and do not fail to state facts known to the complaining party that are material to the determination of the dispute.

2. The decision of the arbitral tribunal will be final and binding on the parties and will be enforceable in any courts having jurisdiction. The arbitral tribunal will have no authority to amend or modify the terms of this Guaranty. The arbitral tribunal will have the right to award or include in its award any relief it deems proper, including money damages and interest on unpaid amounts, specific performance and legal fees and costs in accordance with this Guaranty; however, the arbitral tribunal may not award punitive, consequential or exemplary damages (except for those related to misuse of Franchisor’s Intellectual Property). The costs and expenses of arbitration will be allocated and paid by the parties as determined by the arbitral tribunal.

3. Any arbitration proceeding under this Guaranty will be conducted on an individual (not a class-wide) basis and will not be consolidated with any other arbitration proceedings to which Franchisor is a party, except that Franchisor may join any current or former guarantor of any obligations with respect to the Hotel in any such proceeding. Any Dispute to be settled by arbitration under this Section will at the request of any party to, or beneficiary of, this Guaranty be resolved in a single arbitration before a single tribunal together with any Dispute arising out of or relating to any other agreement between such parties or Franchisor’s Affiliates. A decision on a matter in another arbitration proceeding will not prevent a party from submitting evidence with respect to a similar matter or prevent the arbitral tribunal from rendering an independent decision without regard to such decision in such other arbitration proceeding.

4. Any party to or beneficiary of this Guaranty may, without waiving any rights, seek from a court having jurisdiction any interim or provisional relief that may be necessary to protect its rights or property (including, without limitation, any aspect of the System, or any reason concerning the safety of the Hotel or the health and welfare of any of the Hotel’s guests, invitees or employees).

C. *Jurisdiction.* Guarantor expressly and irrevocably submits to the non-exclusive jurisdiction of the courts of the State of Maryland for the purpose of any Disputes that are not required to be subject to arbitration under Section 10.B. So far as is permitted under Maryland law, this consent to personal jurisdiction will be self-operative.

11. Costs of Enforcement. Guarantor agrees to pay all costs, including reasonable legal fees, incurred by Franchisor and its Affiliates to enforce or protect any rights or to collect any amounts due under this Guaranty or any other Marriott Agreement.

12. WAIVER OF PUNITIVE DAMAGES. EACH OF GUARANTOR AND, BY ACCEPTANCE OF THIS GUARANTY, FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO CLAIM OR RECEIVE PUNITIVE DAMAGES IN ANY DISPUTE RELATED TO THIS GUARANTY, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE, OTHER THAN FRANCHISOR'S RIGHTS AND REMEDIES RELATED TO FRANCHISOR'S INTELLECTUAL PROPERTY.

13. WAIVER OF JURY TRIAL. EACH OF GUARANTOR AND, BY ACCEPTANCE OF THIS GUARANTY, FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY DISPUTE RELATED TO THIS GUARANTY, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH THE ABOVE.

14. Counterparts. This Guaranty may be executed in any number of counterparts, each of which will be deemed an original and all of which constitute one and the same instrument. Delivery of an electronic signature or an executed signature page by electronic transmission is as effective as delivery of an original signed counterpart. Guarantor waives any defenses to the enforceability of the terms of this Guaranty based on the foregoing forms of signature.

15. Definitions. All capitalized terms not defined in this Guaranty have the meaning stated in the Agreement.

16. Waiver. Franchisor's failure to exercise any right or to insist on compliance by Guarantor with any provision of this Guaranty will not constitute a waiver of Franchisor's right to demand later full compliance with any provision of this Guaranty.

17. Amendments. This Guaranty may only be amended in a written document that has been duly executed by Guarantor and acknowledged and agreed to by Franchisor, and may not be amended by conduct manifesting assent, and each of Franchisor and Guarantor is put on notice that any individual purporting to amend this Guaranty by conduct manifesting assent is not authorized to do so.

OWNER AGREEMENT

This Owner Agreement (“Agreement”) is executed on _____ the “Effective Date”), by ***Franchisor_Licensor***, a ***Local_juris*** ***entity_type*** (“Franchisor”), ***Franchise_Name***, a/an ***Fran_Domicili*** ***Fran_corp*** (“Franchisee”), and ***Owner_Name***, a/an ***Owner_Domicili*** ***Owner_corp*** (“Owner”).

RECITALS

A. Franchisor and Franchisee are parties to the ***brand*** Franchise Agreement dated _____ (as amended, the “Franchise Agreement”) relating to the Hotel, a copy of which is attached as Exhibit C.

B. Franchisee and Owner **[will enter] [have entered]** into a lease (the “Lease”). Franchisee will lease **[land constituting part of]** the Hotel from Owner and will operate the Hotel as a System Hotel.

NOW, THEREFORE, in consideration of the promises in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

1. ACKNOWLEDGMENTS AND COMPLIANCE

1.1 Acknowledgments. Owner acknowledges that:

A. Franchisor has granted to Franchisee a limited, non-exclusive license to use the Proprietary Marks and the System to operate the Hotel as a System Hotel under the terms of the Franchise Agreement for the Term;

B. Franchisee is obligated to operate the Hotel as a System Hotel for the Term; and

C. Owner will benefit from the operation of the Hotel as a System Hotel.

1.2 Compliance; Confidential Information.

A. *Compliance.* If Owner has undertaken such obligations in the Lease, Owner will develop, construct and maintain the Hotel in strict compliance with the Marriott Agreements and the Standards as if Owner had executed the Franchise Agreement as “Franchisee.” Owner will procure the insurance required under the Franchise Agreement if it is not obtained by Franchisee. Owner will comply with Applicable Law. Owner, however, will not be responsible for the operation of the Hotel or payment obligations under the Franchise Agreement, except as otherwise provided in this Agreement.

B. *Confidential Information.* Owner will maintain the confidentiality of any Confidential Information in compliance with Section 12 of the Franchise Agreement. Owner will obtain no other rights to use the Intellectual Property or to operate the Hotel as a System Hotel.

C. *Not a Franchise or License.* This Agreement does not constitute a separate franchise or license to Owner.

2. TERM.

The term of this Agreement will begin on the Effective Date and will expire at the end of the Term of the Franchise Agreement unless this Agreement is terminated earlier. If the Franchise Agreement

is renewed or extended, this Agreement will automatically be extended to expire at the end of the renewal Term or extended Term of the Franchise Agreement.

3. PROVISIONS OF THE LEASE.

The following terms will be considered incorporated into the Lease. If the Lease has inconsistent terms, the terms below will control:

A. *Possession and Control.* Franchisee will have exclusive possession of the Hotel and exclusive control of the day-to-day operations of the Hotel for a term that is no shorter than the Term.

B. *Compliance with Franchise Agreement.* The Hotel will be operated in compliance with the Franchise Agreement, and the Franchise Agreement will control in case of conflict with the Lease.

4. OWNER'S OBLIGATION TO CURE DEFAULTS UNDER FRANCHISE AGREEMENT.

Franchisor will copy Owner on any notice of default issued to Franchisee under the Franchise Agreement. Owner must cure such default on behalf of Franchisee during the cure period stated in the default notice.

5. RIGHTS AND OBLIGATIONS ON TERMINATION OF FRANCHISE AGREEMENT

5.1 New Franchise Agreement or Management Agreement. On Franchisor's request, and if Franchisor terminates the Franchise Agreement due to a default that is not caused by Owner, Owner will elect to either:

A. enter into (or cause a substitute franchisee to enter into) a new franchise agreement with Franchisor, in which case Owner (or such substitute franchisee) will execute such agreement, together with any related agreements required by Franchisor, to be effective on the date of the termination of the Franchise Agreement ("New Franchise Agreement"). The New Franchise Agreement will be in a form contained in the then-current Disclosure Document, except that (a) the Franchise Fees will be the same as in the Franchise Agreement; and (b) the term will be the remaining Term of the Franchise Agreement; or

B. enter into a management agreement with an Affiliate of Franchisor, in which case Owner will execute such agreement, together with any related agreements required by Franchisor, to be effective on the date of the termination of the Franchise Agreement ("Management Agreement"). The Management Agreement will be in Franchisor's standard form and the term will be equal to or longer than the remaining Term of the Franchise Agreement.

Owner will notify Franchisor of its election under this Section within 30 days of the date Owner receives the notice of termination of the Franchise Agreement and will enter into the applicable agreement within 30 days of its election. If the Franchise Agreement is terminated before a New Franchise Agreement or a Management Agreement is signed, Owner will execute a short-term agreement to operate the Hotel under the terms and conditions of the Franchise Agreement on an interim basis until the New Franchise Agreement or Management Agreement is executed.

5.2 Qualifications for a New Franchise Agreement. To obtain a New Franchise Agreement, the franchisee must be, as determined by Franchisor in its sole discretion: (i) financially capable and responsible; (ii) sufficiently qualified in managerial skills and operational capacity (unless a

third party management company consented to by Franchisor will operate the Hotel); and (iii) able to perform the obligations of the New Franchise Agreement. Such franchisee will provide Franchisor all information reasonably requested to determine that it meets Franchisor's then-current qualifications for franchisees of System Hotels.

5.3 Additional Obligations. If Franchisor does not make a request under Section 5.1 to continue the relationship with Owner, after termination of this Agreement and the Franchise Agreement, Owner and Franchisee will be obligated, jointly and severally, to remove the Hotel from the System, pay all amounts due, including damages pursuant to Section 19.4 of the Franchise Agreement, and comply with the post-termination obligations in Section 9 of this Agreement and Section 20 of the Franchise Agreement. Franchisor may enforce the Franchise Agreement directly against Owner as if Owner were the Franchisee under the Franchise Agreement.

6. RIGHTS AND OBLIGATIONS ON TERMINATION OF THE LEASE

If Owner terminates the Lease due to a default by Franchisee, Owner and Franchisor will proceed in accordance with Section 5. However, if there is a dispute between Owner and Franchisee about the termination of the Lease, and Franchisee retains possession of the Hotel, Franchisor may permit Franchisee to continue to operate the Hotel under the Franchise Agreement as long as it retains possession. Franchisor's rights under this Agreement will be reserved pending resolution of the dispute between Owner and Franchisee.

7. TRANSFERS

7.1 Owner's Transfer Rights. Owner agrees that its rights and duties in this Agreement are personal to Owner, and that Franchisor entered into this Agreement in reliance on the business skill, financial capacity and character of Owner and its Affiliates and their principals. Given that Owner may obtain a franchise under Section 5, the Hotel or any Ownership Interest in Owner, a Control Affiliate or the Hotel, may be Transferred only in accordance with Section 17 of the Franchise Agreement, as if Owner were "Franchisee." This Agreement may not be Transferred without Franchisor's prior consent.

7.2 Transfers by Franchisor.

A. *Transfer to Affiliates.* Franchisor may Transfer this Agreement to any of its Affiliates that assume Franchisor's obligations to Owner and is reasonably capable of performing Franchisor's obligations, without prior notice to, or consent of, Owner.

B. *Transfer to Other Persons.* Franchisor may Transfer this Agreement to any Person that assumes Franchisor's obligations to Owner, is reasonably capable of performing Franchisor's obligations, and acquires substantially all of Franchisor's rights for System Hotels, without prior notice to, or consent of, Owner. Owner agrees that any such Transfer will constitute a release of Franchisor and a novation of this Agreement.

C. *Franchisor's Successors and Assigns.* This Agreement will be binding on and inure to the benefit of Franchisor and its permitted successors and assigns.

8. DEFAULTS AND TERMINATION

8.1 Immediate Termination.

A. *Defaults Applicable to Owner under Franchise Agreement.* If Owner would be in default under Section 19.1 of the Franchise Agreement as if Owner were “Franchisee,” then Owner will be in default and Franchisor may terminate this Agreement without providing Owner any opportunity to cure the default. This termination is effective on notice to Owner or on the expiration of any notice or cure period given by Franchisor in its sole discretion or required by Applicable Law.

B. *Defaults under Franchise Agreement Caused by Owner.* If Franchisor terminates the Franchise Agreement based on a default that is caused by an act or omission of Owner, Franchisor may, on notice to Owner and without further action, immediately terminate this Agreement and the Hotel’s relationship with the System and require Owner to comply with Section 9.

8.2 Default with Opportunity to Cure.

A. *Defaults Applicable to Owner under Franchise Agreement.* Owner will be in default and Franchisor may terminate this Agreement for the events listed in Section 19.2 of the Franchise Agreement to the extent such default is applicable to Owner, if after 30 days’ notice of default (or such greater number of days given by Franchisor in its sole discretion or as required by Applicable Law), Owner fails to cure the default as specified in the notice.

B. *Defaults under this Agreement.* Owner will be in default and Franchisor may terminate this Agreement if Owner fails to cure any default under this Agreement after 30 days’ notice of default (or such greater number of days given by Franchisor in its sole discretion or as required by Applicable Law).

9. POST-TERMINATION OBLIGATIONS OF OWNER

If the Franchise Agreement and this Agreement are terminated and Franchisee fails to perform any post-termination obligation under the Franchise Agreement, Franchisor may enforce the Franchise Agreement directly against Owner as if Owner were “Franchisee,” and Owner will perform, or cause to be performed, all post-termination obligations of Franchisee under Section 20.1.A of the Franchise Agreement.

10. CONDEMNATION AND CASUALTY

A. *Condemnation.* Owner will promptly notify Franchisor if it receives notice of any proposed taking of any portion of the Hotel by eminent domain, condemnation, compulsory acquisition or similar proceeding by any governmental authority, and will cause the Hotel to be restored and reopened if and as required under Section 21.1 of the Franchise Agreement. Franchisor will be entitled to receive a fair and reasonable portion of any condemnation award as provided under Section 21.1 of the Franchise Agreement.

B. *Casualty.* Owner will promptly notify Franchisor if the Hotel is damaged by any casualty, and will cause the Hotel to be renovated and reopened if and as required under Section 21.2 of the Franchise Agreement.

11. FINANCING OF THE HOTEL

Owner and each Interestholder in Owner may grant a lien or other security interest in the Hotel or the revenues of the Hotel, or pledge Ownership Interests in Owner or a Control Affiliate as collateral for the financing of the Hotel. If any Person exercises its rights under such lien, security interest or pledge, Franchisor will have the rights under Section 8.1 of this Agreement and Section 19.1 of the Franchise

Agreement. Owner will not pledge this Agreement as collateral or grant a security interest in this Agreement.

12. GOVERNING LAW; ARBITRATION; INTERIM RELIEF; COSTS OF ENFORCEMENT

12.1 Governing Law. This Agreement takes effect on its acceptance and execution by Franchisor in Maryland and will be construed under and governed by Maryland law, which law will prevail if there is any conflict of law.

12.2 Arbitration.

A. Except as otherwise agreed in this Agreement and for Claims for indemnification under Section 14 of the Franchise Agreement or actions for injunctive or other equitable relief under Section 12.4 of this Agreement, any disagreement, controversy, or Claim relating to or arising out of this Agreement, the relationship created by this Agreement, or the enforceability of this Agreement, including any question regarding its existence, validity, legality or termination, and any claim regarding a breach or enforcement of this Agreement (each, a “Dispute”), will be referred to, and finally settled by, arbitration under and in accordance with the Commercial Arbitration Rules of the American Arbitration Association (or any similar successor rules). The arbitrator(s) will be appointed in accordance with such rules. The number of arbitrators will be one, unless the parties agree otherwise in accordance with such rules. The place where arbitration proceedings will be conducted is Baltimore, Maryland. The party bringing the arbitration will submit the following together with any demand or filing required by the American Arbitration Association: (1) a full and specific description of the claim under this Agreement including identifying the specific provisions that the other party has breached, (2) documentary evidence of the facts alleged by the complaining party, and (3) a declaration under penalty of perjury that all facts stated in the claim and documentation are true and correct and do not fail to state facts known to the complaining party that are material to the determination of the dispute.

B. The decision of the arbitral tribunal will be final and binding on the parties and will be enforceable in any courts having jurisdiction. The arbitral tribunal will have no authority to amend or modify the terms of this Agreement. The arbitral tribunal will have the right to award or include in its award any relief it deems proper, including money damages and interest on unpaid amounts, specific performance and legal fees and costs in accordance with this Agreement; however, the arbitral tribunal may not award punitive, consequential or exemplary damages (except for those related to misuse of Franchisor’s Intellectual Property). The costs and expenses of arbitration will be allocated and paid by the parties as determined by the arbitral tribunal.

C. Any arbitration proceeding under this Agreement will be conducted on an individual (not a class-wide) basis and will not be consolidated with any other arbitration proceedings to which Franchisor is a party, except that Franchisor may join any current or former owner under an owner agreement related to the Hotel in any such proceeding. Any Dispute to be settled by arbitration under this Section will at the request of any party to this Agreement be resolved in a single arbitration before a single tribunal together with any Dispute arising out of or relating to any other agreement between such parties or Franchisor’s Affiliates. A decision on a matter in another arbitration proceeding will not prevent a party from submitting evidence with respect to a similar matter or prevent the arbitral tribunal from rendering an independent decision without regard to such decision in such other arbitration proceeding.

D. Any party to this Agreement may, without waiving any rights, seek from a court having jurisdiction any interim or provisional relief that may be necessary to protect its rights or property

(including, without limitation, any aspect of the System, or any reason concerning the safety of the Hotel or the health and welfare of any of the Hotel's guests, invitees or employees).

12.3 Jurisdiction. Owner expressly and irrevocably submits to the non-exclusive jurisdiction of the courts of the State of Maryland for the purpose of any Disputes that are not required to be subject to arbitration under Section 12.2. So far as permitted under Maryland law, this consent to personal jurisdiction will be self-operative.

12.4 Equitable Relief. Franchisor is entitled to injunctive or other equitable relief, including restraining orders and preliminary injunctions, in any court of competent jurisdiction for any threatened or actual material breach of the Marriott Agreements or non-compliance with the Standards. Franchisor is entitled to such relief without the necessity of proving the inadequacy of money damages as a remedy, without the necessity of posting a bond and without waiving any other rights or remedies.

12.5 Costs of Enforcement. The prevailing party in any legal or equitable action related to the Hotel, this Agreement or the other Marriott Agreements will recover its reasonable legal fees and costs, including fees and costs incurred in confirming and enforcing an award under Section 12.2.B. The prevailing party will be determined based upon an assessment of which party's arguments or positions could fairly be said to have prevailed over the other party's arguments or positions on major disputed issues in the arbitration or at trial, and should include an evaluation of the following: the amount of the net recovery; the primary issues disputed by the parties; whether the amount of the award comprises a significant percentage of the amount sought by the claimant; and the most recent settlement positions of the parties.

12.6 WAIVER OF PUNITIVE DAMAGES. EACH OF OWNER, FRANCHISEE AND FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO CLAIM OR RECEIVE PUNITIVE DAMAGES IN ANY DISPUTE RELATED TO THIS AGREEMENT, THE MARRIOTT AGREEMENTS, THE HOTEL, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE, OTHER THAN FRANCHISOR'S RIGHTS AND REMEDIES RELATED TO FRANCHISOR'S INTELLECTUAL PROPERTY.

12.7 WAIVER OF JURY TRIAL. EACH OF OWNER, FRANCHISEE AND FRANCHISOR ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY DISPUTE RELATED TO THIS AGREEMENT, THE MARRIOTT AGREEMENTS, THE HOTEL, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE.

13. NOTICES

Subject to Section 25.B of the Franchise Agreement, all notices, requests, statements and other communications under this Agreement will be (i) in writing; (ii) delivered by hand with receipt, or by courier service with tracking capability; and (iii) addressed as provided in Exhibit B or at any other address designated in writing by the party entitled to receive the notice. Any notice will be deemed received (i) when delivery is received or first refused, if delivered by hand or (ii) one day after posting of such notice, if sent via overnight courier.

14. REPRESENTATIONS AND WARRANTIES

A. *Existence.* Each party represents and warrants that it (i) is duly formed, validly existing and in good standing under the laws of the jurisdiction of its formation; and (ii) has and will continue to have the ability to perform its obligations under this Agreement.

B. *Authorization.* Each of Franchisor, Franchisee and Owner represents and warrants that the execution and delivery of this Agreement and the performance of its obligations under this Agreement: (i) have been duly authorized; (ii) do not and will not violate, contravene or result in a default or breach of (a) any Applicable Law, (b) its governing documents or (c) any agreement, commitment or restriction binding on the relevant party; and (iii) do not require any consent that has not been obtained by the relevant party.

C. *Restricted Person; Competitor.* Owner represents and warrants, and will ensure throughout the Term, that (i) neither Owner, nor the Person(s) that Control Owner, nor any of its or the Hotel's funding sources is a Restricted Person and (ii) neither Owner nor any of its Affiliates is a Competitor.

D. *Ownership of Owner.* Owner represents and warrants that its Interestholders are completely and accurately listed in Exhibit A. If there have been changes, or on request of Franchisor, Owner will provide a list of the names and addresses of the Interestholders and documents necessary to confirm such information and update Exhibit A.

E. *Ownership of the Hotel.* Owner represents and warrants that it is the sole owner of the Hotel and holds good and marketable fee title to the Approved Location.

15. MISCELLANEOUS

15.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which constitute one and the same instrument. Delivery of an electronic signature or an executed signature page by electronic transmission is as effective as delivery of an original signed counterpart. Each party hereto waives any defenses to the enforceability of the terms of this Agreement based on the foregoing forms of signature.

15.2 Construction and Interpretation.

A. *Partial Invalidity.* If any term of this Agreement, or its application to any Person or circumstance, is invalid or unenforceable at any time or to any extent, then (i) the remainder of this Agreement, or the application of such term to Persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected and each term of this Agreement will be valid and enforced to the fullest extent permitted by Applicable Law; and (ii) Franchisor, Franchisee and Owner will negotiate in good faith to modify this Agreement to implement their original intent as closely as possible in a mutually acceptable manner.

B. *Non-Exclusive Rights and Remedies.* No right or remedy of Franchisor, Franchisee or Owner under this Agreement is intended to be exclusive of any other right or remedy under this Agreement at law or in equity.

C. *No Third-Party Beneficiary.* Nothing in this Agreement is intended to create any third-party beneficiary or give any rights or remedies to any Person except Franchisor, Franchisee and Owner and their respective permitted successors and assigns.

D. *Interpretation of Agreement.* Franchisor, Owner and Franchisee intend that this Agreement excludes all implied terms to the maximum extent permitted by Applicable Law. Headings of Sections are for convenience and are not to be used to interpret the Sections to which they refer. All Exhibits to this Agreement are incorporated by reference. Words indicating the singular include the plural and vice versa as the context may require. References to days, months and years are all calendar references. References that a Person “will” do something mean the Person has an obligation to do so. References that a Person “may” do something mean a Person has the right, but not the obligation, to do so. References that a Person “may not” or “will not” do something mean the Person is prohibited from doing so.

E. *Definitions.* All capitalized terms not defined in this Agreement have the meaning stated in the Franchise Agreement.

15.3 Reasonable Business Judgment.

A. *Use of Reasonable Business Judgment.* Franchisor will use Reasonable Business Judgment when discharging its obligations or exercising its rights under this Agreement, including for any consents and approvals and the administration of Franchisor’s relationship with Owner, except when Franchisor has reserved sole discretion.

B. *Burden of Proof.* Owner will have the burden of establishing that Franchisor failed to exercise Reasonable Business Judgment. The fact that Franchisor or any Affiliate of Franchisor benefited from any action or decision or that another reasonable alternative was available does not mean that Franchisor failed to exercise Reasonable Business Judgment. If this Agreement is subject to any implied covenant or duty of good faith and Franchisor exercises Reasonable Business Judgment, Owner agrees that Franchisor will not have violated such covenant or duty.

15.4 Waiver. The failure or delay of either party to insist on strict performance of any of the terms of this Agreement, or to exercise any right or remedy, will not be a waiver for the future.

15.5 Entire Agreement. This Agreement and the Marriott Agreements are fully integrated and contain the entire agreement between the parties as it relates to the Hotel and the Approved Location and supersede all prior understandings and writings.

15.6 Amendments. This Agreement may only be amended in a written document that has been duly executed by the parties and may not be amended by conduct manifesting assent, and each party is put on notice that any individual purporting to amend this Agreement by conduct manifesting assent is not authorized to do so.

15.7 Survival. The terms of Sections 1, 5, 9, 10 and 12 of this Agreement, and, to the extent applicable to Owner, Section 27.8 of the Franchise Agreement, survive expiration or termination of this Agreement.

{Signatures appear on the following page}

IN WITNESS WHEREOF, the parties have caused this Owner Agreement to be executed, under seal, as of the Effective Date.

California

Hawaii

Illinois

Maryland

Minnesota

New York

North Dakota

Rhode Island

Virginia

Washington

CALIFORNIA

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF CALIFORNIA APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

- Item 3 of the disclosure document is modified to include the following:

Neither we, nor any person identified in Item 2, is subject to any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

- Item 17 of the disclosure document is modified to include the following:
 - California Business and Professions Code Sections 2000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
 - The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101, et seq.)
 - The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
 - The franchise agreement requires application of the laws of the state of Maryland. This provision may not be enforceable under California law.
 - The franchise agreement requires binding arbitration. The arbitration will occur in Baltimore, Maryland with the costs being borne by the parties as determined by the arbitrator(s). Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
 - You must sign a general release if you transfer the franchise. This provision may not be enforceable under California law. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or order thereunder is void. Business and Professions Code Section 21000 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).
- Item 19 of the disclosure document is modified to include the following:

The financial performance representations figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent

investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in the disclosure document, may be one source of this information.

- If the franchisee makes any acknowledgements in the franchise agreement or other documents signed in connection with the entering into the franchise agreement relating to facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the California Franchise Investment Law, regulation, rule or order under the California Franchise Investment Law, then such acknowledgments will be void. It is the intent of this provision that non-waiver provisions of the California Franchise Investment Law be satisfied.

ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the California Franchise Investment Law or the California Franchise Relations Act, as applicable, are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

HAWAII

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF HAWAII APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- **THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF SECURITIES, DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE COMMISSIONER OF SECURITIES, DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.**
- **THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE, OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.**
- **THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.**

Each provision of this Amendment to the disclosure document that relates to the Hawaii Franchise Investment Law will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Hawaii Franchise Investment Law are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

ILLINOIS

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF ILLINOIS APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- The Cover Page, Item 17.v., “Choice of forum” and Item 17.w., “Choice of law,” are supplemented by the following:

If the Franchise Agreement requires (i) litigation to be conducted in a forum other than the State of Illinois, the requirement is void with respect to claims under the Illinois Franchise Disclosure Act (“Act”), provided that the Franchise Agreement may provide for arbitration in a forum outside of Illinois; and (ii) that it be governed by a state’s law, other than the State of Illinois, to the extent that such law conflicts with the Act, Illinois law will govern.

- Item 17 is further supplemented by the following:

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

A franchisee’s rights upon termination of an agreement are set forth in section 19 of the Illinois Franchise Disclosure Act.

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Illinois Franchise Disclosure Act are met independently, without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

MARYLAND

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF MARYLAND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- Item 17.c., “Requirements for franchisee to renew or extend” and Item 17.m. “Conditions for franchisor approval of transfer” of the disclosure document are amended by the addition of the following:

Maryland Franchise Registration and Disclosure Law, Section 14-226 prohibits franchisors from, as a condition to the sale of a franchise, requiring a prospective franchisee to agree to a release, assignment, novation, waiver, or estoppel that would relieve a person from liability under, when applicable, the Maryland Franchise Registration and Disclosure Law.

- Item 17 of the disclosure document is amended by the addition of the following paragraphs at the conclusion of the Item:

Any claims that Franchisee may have under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

A provision in the Franchise Agreement which terminates the agreement upon your bankruptcy may not be enforceable under federal bankruptcy law, 11 U.S.C. Section 101 et seq.

- Pursuant to the Interpretive Opinion “Adopting NASAA Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgments” dated January 23, 2023, issued by the State of Maryland Office of the Attorney General Securities Division (the “Division”), the Division requires franchisors selling franchises that are subject to the Maryland Franchise Registration and Disclosure Law to provide the following legend: “No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law are met independently, without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

MINNESOTA

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF MINNESOTA APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

The following language is a summary of certain provisions of Minnesota law that may apply to Minnesota franchisees and is intended to amend and supplement Items 6, 13, and 17 of the disclosure document and the Cover Page:

- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties, or judgment notes. In addition, nothing in the disclosure document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases): (1) that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement; and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols, or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's rights to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 - 80C.22.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchises Law are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

- Statement of disclosure document accuracy:

Franchisor represents that this disclosure document does not knowingly omit any material fact or contain any untrue statement of a material fact.

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the New York General Business Law, Article 33 are met independently, without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF NORTH DAKOTA APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- **General Release:** Requiring North Dakota franchisees to execute a general release of claims as a condition of renewal or transfer of a franchise.
- **Limitation of Claims:** Requiring North Dakota franchisees to consent to a limitation of claims under the North Dakota Franchise Investment Law. The statute of limitations under the North Dakota Franchise Investment Law will apply to claims (if any) brought under the North Dakota Franchise Investment Law.
- **Enforcement of Agreement:** Requiring North Dakota franchisees to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The prevailing party in any enforcement action is entitled to recover all costs and expenses including reasonable attorney's fees.

2. Any arbitration will be held at a site mutually agreeable to the franchisor and the franchisee.

3. Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the North Dakota Franchise Investment Law, N.D. Cent. Code, §§ 51-19-1 through 51-19-17, are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

RHODE ISLAND

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE RHODE ISLAND FRANCHISE INVESTMENT ACT APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

Item 17, “Renewal, Termination, Transfer, and Dispute Resolution,” is amended by the addition of the following paragraph(s) at the conclusion of the Item:

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

This Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Rhode Island Franchise Investment Act, §§ 19-28.1-1 through 19-28.1-34, are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

VIRGINIA

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF VIRGINIA RETAIL FRANCHISING ACT APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT

- Item 17.h., “‘Cause’ defined-non-curable defaults” of the disclosure document is modified to include the following:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

This Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Virginia Retail Franchising Act, §§ 13.1-557 through 13.1-574, are met independently without reference to this Amendment to the disclosure document and to the extent it is then a valid requirement of the statute.

WASHINGTON

STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF WASHINGTON APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT AND ANY RELATED AGREEMENTS

Item 17, “Renewal, Termination, Transfer, and Dispute Resolution,” is amended by the addition of the following paragraph(s) at the conclusion of the Item:

- The state of Washington has a statute, the Washington Franchise Investment Protection Act, RCW 19.100.010 to 19.100.940 (the “Act”), which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination, renewal, and transfer of your franchise. There also may be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
- In the event of a conflict of laws, the provisions of the Act will prevail.
- According to a Franchise Act Interpretive Statement adopted by the Washington Department of Financial Institutions (the “DFI”), transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimate or actual costs in effecting a transfer.
- According to a Franchise Act Interpretive Statement adopted by the DFI, in any arbitration involving a franchise purchased in Washington, the arbitration site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator. In addition, only to the extent that litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- A release or waiver of rights executed by a franchisee may not include rights under the Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions in the franchise agreement such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act or a franchisee’s rights or remedies under the Act may not be enforceable. Attachment 1 to this Washington Amendment includes the sample of our current form of general release language.
- Pursuant to WAC 460-80-325 effective September 18, 2023, the DFI adopted the “NASAA Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgments”, the DFI requires franchisors selling franchises that are subject to the Act to provide the following legend: “No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”
- Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s

earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

Each provision of this Amendment to the disclosure document will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act, RCW 19.100.010 to 19.100.940 are met independently without reference to this Amendment to the disclosure document.

Attachment 1 to Washington Amendment to the FDD

SAMPLE CURRENT FORM OF GENERAL RELEASE LANGUAGE TO BE INCLUDED IN AGREEMENTS SIGNED IN CONNECTION WITH A TRANSFER OF AN EXISTING FRANCHISE

The following is our current general release language, which we expect to require a Franchisee and/or assignor (referred to below as “Assignor”) to sign as part of an approved transfer. We have the right to periodically modify the release.

Covenant not to Sue; Release; Waiver.

A. *Covenant not to Sue.* Effective as of the Assignment Effective Date, Assignor, on behalf of itself and its Affiliates and subsidiaries and their respective current and former owners, officers, directors, shareholders, partners, employees, predecessors, successors, attorneys, agents, representatives, and assigns and all other Persons acting on their behalf or claiming under any of them (collectively, the “Assignor Parties”), hereby covenants not to bring any suit, action, or proceeding, or make any demand or Claim of any type, against Franchisor, its Affiliates and subsidiaries, and their respective current and former officers, directors, shareholders, partners, employees, predecessors, successors, attorneys, agents, representatives, and assigns (collectively, the “Franchisor Parties”) with respect to, relating to, or in connection with the Assignor Released Claims, as defined below. Any of the Franchisor Parties may plead or assert the covenant not to sue in this Section []A. as a complete defense and bar to any Claim brought against any of them in contravention of this Section []A. and, if any such Claim is brought against any of them, Assignor will indemnify, defend, and hold harmless any such party from and against any such claim.

B. *Release.* Effective as of the Assignment Effective Date and the Execution Date, Assignor, on behalf of itself and its Affiliates and subsidiaries and their respective current and former owners, officers, directors, shareholders, partners, employees, predecessors, successors, attorneys, agents, representatives, and assigns and all other Persons acting on their behalf or claiming under any of them (collectively, the “Assignor Releasors”), hereby releases, discharges and holds harmless Franchisor, its Affiliates and subsidiaries, and their respective current and former officers, directors, shareholders, partners, employees, predecessors, successors, attorneys, agents, representatives, and assigns (collectively, the “Franchisor Releasees”), from any and all suits, claims, liabilities, demands, promises, obligations, costs, expenses, actions and causes of action of every nature, character and description, in law or in equity, whether presently known or unknown, vested or contingent, suspected or unsuspected, which any of the Assignor Releasors now owns or holds or has previously owned or held or may at any time own or hold against the Franchisor Releasees arising under, in connection with or, related to, or in connection with the Hotel, the Franchise Documents, or the relationship created thereby (the “Assignor Released Claims”). Nothing in this release will affect Assignor’s right to make Claims or bring an action for breach of this Consent.

C. *WAIVER.* ASSIGNOR, ON BEHALF OF ITSELF AND THE ASSIGNOR RELEASORS, WAIVES ANY RIGHTS AND BENEFITS CONFERRED BY ANY APPLICABLE PROVISION OF LAW EXISTING UNDER ANY FEDERAL, STATE OR POLITICAL SUBDIVISION THEREOF WHICH WOULD INVALIDATE ALL OR ANY PORTION OF THE RELEASE CONTAINED HEREIN BECAUSE SUCH RELEASE EXTENDS TO CLAIMS WHICH THE ASSIGNOR RELEASORS DO NOT KNOW OR SUSPECT TO EXIST IN THEIR FAVOR AT THE TIME OF EXECUTION OF THIS CONSENT. THIS WAIVER EXPRESSLY INCLUDES ALL RIGHTS UNDER SECTION 1542 OF THE CIVIL CODE OF CALIFORNIA (“SECTION 1542”), WHICH PROVIDES AS FOLLOWS:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR
RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR

AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Notwithstanding the provisions of Section 1542 or any similar law of any other state, the release contained in this Section [].C will constitute a full release with respect to the matters herein released. Assignor, on behalf of itself and the Assignor Releasors, knowingly and voluntarily waives the provisions of Section 1542, and Assignor expressly acknowledges that it intends for the release to include, without limitation, to the fullest extent allowed by law, all claims unknown or unsuspected at the time of execution of this Consent.

For Washington franchisees, the general release language is amended by the addition of the following:

“A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act, RCW 19.100, or any rule or order thereunder except when executed pursuant to a negotiated settlement in connection with a bona fide dispute between a franchisor and a franchisee, arising after the agreement is in effect and where the parties are represented by independent counsel.”

Pursuant to the Interpretive Opinion “Adopting NASAA Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgments” dated January 23, 2023 (the “Interpretive Opinion”), issued by the State of Maryland Office of the Attorney General Securities Division (the “Division”), the Division requires franchisors selling franchises that are subject to the Maryland Franchise Registration and Disclosure Law to include the following statement in their franchise agreements: “No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

Accordingly, (a) Sections 26.2(A), 26.2(B), 26.2(C), and 26.2(D) of this Agreement are deleted in their entirety and shall have no force or effect, and (b) any other statement, questionnaire, or acknowledgment in this Agreement that is not permitted under the Interpretive Opinion is deleted in its entirety and shall have no force or effect.

AMENDMENT TO FRANCHISE AGREEMENT REQUIRED BY THE STATE OF MINNESOTA

In recognition of the requirements of the Minnesota Franchise Act, Minn. Stat. § 80C., and of the Rules and Regulations promulgated thereunder by the Commissioner of Commerce, Franchisor and Franchisee, parties to the attached Franchise Agreement (the “Agreement”), agree as follows:

1. The Commissioner of Commerce for the State of Minnesota requires that certain provisions contained in franchise documents be amended to be consistent with Minnesota Franchise Act, Minn. Stat. Section 80C.01 et seq., and the Rules and Regulations promulgated under the Act (collectively the “Franchise Act”). To the extent that the Agreement and Franchise Disclosure Document contain provisions that are inconsistent with the following, such provisions are hereby amended:

- a. Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties, or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- b. With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases): (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement; and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- c. The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols, or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.
- d. Minnesota considers it unfair to not protect the franchisee’s rights to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- e. Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- f. The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- g. The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.
- h. If the franchisee makes any acknowledgments in the franchise agreement or other documents signed in connection with the entering into the franchise agreement relating to facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such acknowledgments will be void. It is the intent of this provision that any non-waiver provisions of the Franchise Act be satisfied.

2. Each provision of this Amendment to the Agreement will be effective only to the extent that the jurisdictional requirements of the Minnesota Franchise Act are met independently with respect to each such provision and without reference to this Amendment to the Agreement. This Amendment to the Agreement will have no force or effect if such jurisdictional requirements are not met.

3. Franchisor reserves the right to challenge the applicability of any law that declares provisions in the Agreement void or unenforceable.

IN WITNESS WHEREOF, Franchisor and Franchisee have caused this Amendment to the Agreement to be executed, under seal, as of the Effective Date of the Agreement.

**AMENDMENT TO FRANCHISE AGREEMENT
FOR THE STATE OF NEW YORK**

Franchisor and Franchisee, parties to the attached Franchise Agreement (the “Agreement”), agree to amend the Agreement as follows:

1. The New York Department of Law requires that certain provisions contained in franchise documents be amended to be consistent with New York law, including the New York General Business Law, Article 33, Sections 680 through 695. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. If the Franchisee is required in the Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the General Business Law, regulation, rule or order under the Law, such release will exclude claims arising under the New York General Business Law, Article 33, Section 680 through 695 and the regulations promulgated thereunder, and such acknowledgments will be void. It is the intent of this provision that non-waiver provisions of Sections 687.4 and 687.5 of the General Business Law be satisfied.
- b. If the Agreement requires that it be governed by the law of a state, other than the State of New York, the choice of law provision will not be considered to waive any rights conferred on the Franchisee under the New York General Business Law, Article 33, Sections 680 through 695.

2. Each provision of this Amendment to the Agreement will be effective only to the extent that the jurisdictional requirements of the New York General Business Law, with respect to each such provision, are met independently of this Amendment to the Agreement. This Amendment to the Agreement will have no force or effect if such jurisdictional requirements are not met.

3. Franchisor reserves the right to challenge the applicability of any law that declares provisions in the Agreement void or unenforceable.

**AMENDMENT TO FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF NORTH DAKOTA**

In recognition of the requirements of the North Dakota Century Code Sections 51-19-01 through 51-19-17 (“North Dakota Franchise Law”), Franchisor and Franchisee, parties to the attached Franchise Agreement (the “Agreement”), agree as follows:

1. The North Dakota Franchise Law prohibits a franchisor from requiring a franchisee to consent to a termination penalty. If the Agreement contains a provision that is inconsistent with the North Dakota Franchise Law, the provisions of the Agreement will be superseded by the North Dakota Franchise Law’s requirements and Franchisee will not be deemed to have consented to the calculation of the amount of such damages.

2. Sections 24.4 and 24.5 of the Agreement require Franchisee and Franchisor to waive their respective rights to a jury trial and to claim or receive punitive damages. To the extent such provisions violate the North Dakota Franchise Law, such law will prevail and such provision will not apply with respect to claims thereunder.

3. Section 24.1 of the Agreement requires: (a) the Agreement to be governed and interpreted under Maryland law, (b) certain disputes to be resolved by arbitration in Maryland, and (c) Franchisee to consent to jurisdiction in Maryland. To the extent that such provisions conflict with the North Dakota Franchise Law, the North Dakota Franchise Law will control.

4. Section 17.4.A(6) of the Agreement requires Franchisee to provide a general release of claims as a condition of a transfer. To the extent that such provision is inconsistent with the North Dakota Franchise Law and such law prevails, such release will exclude only such claims as Franchisee may have that have arisen under the North Dakota Franchise Law to the extent that a release of such claims would be prohibited under the North Dakota Franchise Law at the time the release is provided.

5. Each provision of this Amendment to the Agreement will be effective only to the extent that the jurisdictional requirements of the North Dakota Franchise Law are met independently with respect to such provision and without reference to this Amendment to the Agreement.

6. Franchisor reserves the right to challenge the applicability of any law that declares provisions in the Agreement void or unenforceable.

REQUIRED BY THE STATE OF RHODE ISLAND**

In accordance with the requirements of the Rhode Island Franchise Investment Act, R.I. Gen. Law 19-28.1-1 to 19-28.1-34, Franchisor and Franchisee, parties to the attached Franchise Agreement (the “Agreement”), agree as follows:

1. Section 24.1 of the Agreement is supplemented by the following:

If any of the provisions of this Section 24.1 of the Agreement are inconsistent with §19-28.1-14 of the Rhode Island Franchise Investment Act, which states that a provision in a franchise agreement restricting jurisdiction or venue to a forum outside the state of Rhode Island or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the Rhode Island Franchise Investment Act, then said Rhode Island law will apply.

2. Section 17.4.A(6) of the Agreement requires Franchisee to provide a general release of claims as a condition of a transfer. To the extent that such provision is inconsistent with the Rhode Island Franchise Investment Act and such law prevails, such release will exclude only such claims as Franchisee may have that have arisen under the Rhode Island Franchise Investment Act to the extent that a release of such claims would be prohibited under the Rhode Island Franchise Investment Act at the time the release is provided.

3. Each provision of this Amendment to the Agreement will be effective only to the extent that the jurisdictional requirements of the Rhode Island Franchise Investment Act are met independently with respect to each such provision and without reference to this Amendment to the Agreement.

4. Franchisor reserves the right to challenge the applicability of any law that declares provisions in the Agreement void or unenforceable.

**AMENDMENT TO FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF WASHINGTON AND ANY RELATED AGREEMENTS**

Franchisor and Franchisee, parties to the attached Franchise Agreement (the “Agreement”), agree to amend the Agreement (the “Amendment”) as follows:

1. The Director of the Washington Department of Financial Institutions (the “DFI”) requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, RCW 19.100.010 to 19.100.940 (the “Act”), which provides certain rights to franchisees, and to disclose certain Franchise Act Interpretive Statements issued by the DFI regarding the Act. In recognition of the Act, the parties agree that:

a. The Act may supersede the provisions in the Agreement relating to Franchisee’s relationship with Franchisor, including provisions relating to renewal, termination and transfer of the franchise. If the Agreement contains a provision that is inconsistent with the Act, the Act will control. There also may be court decisions which supersede provisions in the Agreement relating to Franchisee’s relationship with Franchisor, including provisions relating to renewal and termination of the franchise.

b. In the event of a conflict of laws (meaning there is a conflict between the Act and a state law of another state designated as governing in the franchise agreement), the provisions of the Act will control.

c. The Act provides that a release or waiver of rights executed by a franchisee may not include rights under the Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the franchise agreement is in effect and where the parties are represented by independent counsel. If there are provisions in the Agreement that unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, those provisions may not be enforceable.

d. According to a Franchise Act Interpretive Statement adopted by the DFI, transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimate or actual costs in effecting a transfer.

e. According to a Franchise Act Interpretive Statement adopted by the DFI, in any arbitration involving a franchise purchased in Washington, the arbitration site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator. In addition, only to the extent that litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

f. The acknowledgments in Section 26.2 of the Agreement are not intended to nor will they act as a release, estoppel or waiver of any liability Franchisor may have under the Act and the rules adopted thereunder.

2. The Franchise Agreement is amended to include the following:

Pursuant to WAC 460-80-325 effective September 18, 2023, the DFI adopted the “NASAA Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgments”, the DFI requires franchisors selling franchises that are subject to the

Act to include the following statement in their franchise agreements: “No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

Accordingly, (a) Sections 26.2(A), 26.2(B), 26.2(C), and 26.2(D) of this Agreement are deleted in their entirety and shall have no force or effect, and (b) any other statement, questionnaire, or acknowledgment in this Agreement that is not permitted under WAC 460-80-325 is deleted in its entirety and shall have no force or effect.

3. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

4. Each provision of this to the Agreement will be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independently of this Amendment to the Agreement. This Amendment to the Agreement will have no force or effect if such jurisdictional requirements are not met.

{Signatures appear on following page}

IN WITNESS WHEREOF, Franchisor and Franchisee have caused this Amendment to the Agreement to be executed, under seal, as of the Effective Date of the Agreement.

LODGING LAWS AND REGULATIONS

LAWS AND REGULATIONS SPECIFIC TO THE LODGING INDUSTRY

1. The state in which you operate may have a regulation prohibiting the overbooking of rooms.
2. Many states have statutes that may limit the amount of money a guest or visitor to a hotel may recover from a hotel for loss of personal property. You must fully comply with the terms of any of those statutes, including the provision of a safe or safe deposit boxes for safekeeping of valuables, to benefit from their protection.
3. State or local statutes may impose certain requirements upon the operator of a hotel when a guest dies in that hotel.
4. The food service operations at your hotel will be regulated by federal, state, and local laws and regulations about health and sanitary conditions when handling foods and beverages. State and local health statutes, regulations, and federal and state Occupational Safety and Health Administration (“OSHA”) laws cover cleanliness of utensils and in the preparation and serving of food and beverages. Additionally, state and local health regulations ordinarily include provisions specifically about restaurant and other food service establishments as to sanitation, food storage, cleaning, water supply, sewage, vermin control, toxic materials, personnel, equipment, and maintenance of physical facilities.
5. Some states have adopted truth-in-menu statutes or regulations.
6. Sales of alcoholic beverages are controlled by statutes, rules, and regulations of state, county, or local liquor authorities. State Dram Shop Acts address the liability of servers of alcoholic beverages for injuries caused to third persons by any intoxicated person due to the unlawful selling of alcohol that caused or contributed to the intoxication.
7. State and local laws may require hotels to maintain guest registers. The laws ordinarily require the registers to show guests’ names, residences, and dates of arrival and departure. In a few jurisdictions, the registers are required to display the automobile license plate identifications of guests. The registers may have to be retained by the hotel for a specified period of years. A few jurisdictions permit inspections by police or other specified authorities without first obtaining a subpoena or search warrant.
8. States may have laws regarding cleanliness and sizing standards for bedding, sheets, and towels.
9. Your state or local jurisdiction may have statutes or ordinances regarding water safety and swimming pools, aid to choking victims, providing Automated External Defibrillators (“AEDs”), reporting cases of communicable diseases, operating fitness centers, or providing massage therapy or child care services. In addition, the federal law known as Virginia Graeme Baker Pool and Spa Safety Act (“VGBA”) applies to swimming pools and whirlpools.
10. Most states and cities require a hotel operator to obtain a license to operate the hotel, a license to sell alcoholic beverages, a license to prepare and sell food, a certificate of occupancy, and a permit for meeting rooms.
11. If your hotel plays live music, or music by means of tape recording or other similar devices, or by rebroadcasting radio music, then you generally have to enter into a license agreement with a copyright association, like ASCAP, BMI or SESAC. Otherwise, the hotel may be liable for infringement of copyright.

12. Hotels generally are subject to many federal, state, and local statutes and regulations about fire safety. These requirements can be found in building codes, multiple dwelling laws, public assembly laws, labor laws, sanitation laws, general business laws, and occupational safety and health laws.

13. Many jurisdictions have hotel room occupancy taxes or other taxes that apply to hotels only.

14. Federal law requires a hotel that has a bar and sells alcoholic beverages to file a special occupational tax registration as a retail dealer in liquors. Your state may impose excise taxes and license fees on the sale of alcoholic beverages.

15. Many states have laws or regulations regarding the disclosure of room rates by posting the rates inside the hotel (for example, on the interior side of the guestroom door) and in advertising.

16. The Americans with Disabilities Act (“ADA”) and state and local laws concerning full and equal enjoyment of goods, services, facilities and accommodations for persons with disabilities contain many provisions that specifically address hotels and restaurants and other places of public accommodation. Among other things, the ADA requires you to install lifts for your swimming pools and whirlpools and provide certain information to us regarding your hotel’s accessibility and amenities.

17. State common law may impose additional duties on you (such as a duty to receive guests, a duty to use reasonable care to protect the safety of guests or others, and a duty to protect the property of guests or others).

18. Hotels generally are subject to federal and state statutes, regulations and rules relating to data security and data privacy, and data breach notification. The scope and requirements of these laws, regulations, and rules will vary by jurisdiction.

19. Hotels may be subject to state and local laws relating to physical security measures. The scope and requirements of these laws, regulations, and rules will vary by jurisdiction and may include implementation of security plans for your hotel with certain elements, such as associate alert devices.

20. Hotels generally are subject to state and local health statutes, regulations, and federal and state OSHA laws that apply broadly to workplace activities and conditions. Additionally, state and local jurisdictions may impose additional regulations or standards relating to specific aspects of hotel operations, such as setting restrictions on the number of room cleanings per associate.

This listing is intended to give you a sense of the scope of the types of laws, ordinances, and regulations that will or may apply to the operation of your hotel. You should seek the advice of legal counsel to determine the details of the regulations and whether and to what extent they and other regulations will apply to your hotel. In addition, the American Hotel & Lodging Institute publishes Understanding Hospitality Law (Fifth Edition, 2010) by Jack P. Jefferies and Banks Brown, a legal reference book for hotel operators.

Report of Independent Auditors

We have audited the financial statements of MIF, L.L.C., which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income, member's equity and cash flows for each of the three years in the period ended December 31, 2024, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of MIF, L.L.C. at December 31, 2024 and 2023, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2024 in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Business

MIF, L.L.C. (“we” or the “Company”) was formed on March 20, 2012 and is incorporated as a limited liability company (“LLC”), in the state of Delaware. The Company’s sole member is Marriott International, Inc. (“Marriott” or the “Parent”). Upon the completion of its franchise disclosure document in 2012, the Company began offering franchises as a unit franchised business. Using the Marriott name, designs, and systems, licensed from Marriott, the Company sells Marriott-branded products and other items across various locations in the United States of America.

The Marriott franchise system is characterized by certain patents, trademarks, logos, operating systems, operating manuals, training, and distinctive hotel design and color schemes, and includes materials and methods for marketing and selling Marriott branded products and other products.

During the years ended December 31, 2024, 2023, and 2022, the Company transferred three, nine, and 12 franchise agreements to Marriott, respectively.

During the year ended December 31, 2024, the Company acquired and relicensed six franchise agreements from Marriott and its wholly owned subsidiary. The Company also entered into several new franchise agreements with franchisees in 2024.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements present the results of operations, financial position, and cash flows of the Company in accordance with generally accepted accounting principles in the U.S. (“U.S. GAAP”). Preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements, the reported amounts of revenues and expenses during the reporting periods, and the disclosures of contingent liabilities. Accordingly, ultimate results could differ from those estimates.

Revenue Recognition and Cost Reimbursements

Our revenues primarily include franchise fees, licensing fees, and cost reimbursements. For our franchised properties, we have a performance obligation to provide franchisees and operators a license to our hotel system intellectual property for use of certain of our brand names. As compensation for such services, we are typically entitled to initial application fees and ongoing royalty fees. Our ongoing royalty fees represent variable consideration, as the transaction price is based on a percentage of certain revenues of the properties, as defined in each contract. We recognize royalty fees on a monthly basis over the term of the agreement as those amounts become payable. Initial application and relicensing fees are fixed consideration payable upon submission of a franchise application or renewal and are recognized on a straight-line basis over the initial or renewal term of the franchise agreements.

Under our franchise agreements, franchisees participate in certain centralized programs and services, such as marketing, sales, reservations, and insurance programs, which Marriott operates for their benefit. These programs and services do not generate a profit over the long term, and accordingly, when we recover the costs incurred for these programs and services from our franchisees, we do not seek a mark-up. The amounts we charge for these programs and services are generally a combination of fixed fees and variable fees based on sales or other metrics and are payable on a monthly basis. We recognize revenue within the “Cost reimbursement revenue” caption of our Income Statements when the amounts may be billed to franchisees, and we recognize expenses within the “Reimbursed expenses” caption as they are incurred, which is simultaneous.

2. Summary of Significant Accounting Policies (continued)

Contract Balances

We generally receive payments from customers as we satisfy our performance obligations. We record a receivable when we have an unconditional right to receive payment and only the passage of time is required before payment is due. We record deferred income when we receive payment, or have the unconditional right to receive payment, in advance of the satisfaction of our performance obligations, primarily related to franchise application and relicensing fees. Our current and noncurrent deferred income increased by \$4,010, primarily as a result of a deferred termination fee. The increase was partially offset by revenue recognized of \$1,175 that was deferred as of December 31, 2023.

Costs Incurred to Obtain Contracts with Customers

We incur certain costs to obtain contracts with customers, which we capitalize and amortize on a straight-line basis over the initial, non-cancellable term of the contract. We classify incremental costs of obtaining a contract with a customer in the “Intangible assets, net” caption of our Balance Sheets, the related amortization in the “Contract investment amortization” caption of our Income Statements, and the cash flow impact in the “Amortization and depreciation” and “Contract acquisition costs” captions of our Statements of Cash Flows. See Footnote 3. Intangible Assets for information on capitalized costs incurred to obtain contracts with customers.

Related Party Transactions

Related party transactions are the result of transactions with and between subsidiaries of Marriott. Transactions are classified as current or non-current assets and liabilities depending on the original maturity terms of the transaction. Non-current assets and liabilities are transactions with original maturities greater than one year. Transactions with related party entities resulting in both receivables from and payables to an individual related party entity as of the balance sheet date are presented on a net basis. Due from related parties, net for the years ended December 31, 2024 and 2023, was \$443,571 and \$376,990, respectively. The related party transactions are classified as non-current.

The related party transactions incurred interest at rates of 5.5%, 6.0%, and 3.0% for 2024, 2023, and 2022, respectively, based on the Internal Revenue Service Short-term Applicable Federal Rate. Interest income for the years ended December 31, 2024, 2023, and 2022 was \$21,929, \$20,097, and \$8,441, respectively.

2. Summary of Significant Accounting Policies (continued)

The financial statements include an allocation of costs that are necessary to operate MIF, L.L.C. as if it were a stand-alone business. Payments for Marriott corporate administrative services on hotel development, hotel brand management, and internal and external professional services (treasury, legal, accounting, finance, human resources, and tax) are allocated and charged to the Company based on its proportional share of domestic administrative costs, which is determined by the percentage of domestic revenue earned by Marriott. The Company is charged a 1% markup on the final allocated amount. The Company believes the proportional cost allocation is an appropriate method of allocating costs from its Parent. Corporate allocation costs for the years ended December 31, 2024, December 31, 2023, and December 31, 2022 was \$1,712, \$1,284, and \$1,396, respectively.

Royalties for licensing of the Marriott franchise system are charged to the Company at a rate of 2% of the underlying franchised properties' gross room revenue, and food and beverage revenue for full-service hotels. Additionally, with the expansion into franchising legacy Starwood brands in 2024, the Company is charged a rate of 98% of the net revenue collected from franchise fees. Other transactions with related parties predominantly include acquisitions of intangible assets, which were exchanged at Marriott's net book value of the underlying asset on the date of the acquisition, and other transactions carried out on a cost reimbursement basis.

On April 2, 2012, the Company was capitalized with a \$20,000 note receivable (the "Note") from the Parent. The Note has no maturity but is due and payable on demand by the Company. The Note bears interest at approximately 6.76% and 7.02% for 2024 and 2023, respectively. The interest was adjusted annually on January 1 of each subsequent year to the London Interbank Offered Rate ("LIBOR") plus 125 basis points until June 30, 2023. The twelve-month USD LIBOR tenor ceased to be published after June 30, 2023. The Note was amended on July 1, 2023, replacing LIBOR with the Secured Overnight Financing Rate ("SOFR") plus a spread. The interest rate (i.e., twelve-month Term SOFR) is adjusted as of January 1 of each subsequent year to reflect the greater of zero or twelve-month Term SOFR plus an adjustment spread (71.513 basis points) plus 125 basis points.

Cash and Equivalents

We consider all highly liquid investments with an initial maturity of three months or less at date of purchase to be cash equivalents. At December 31, 2024 and 2023, the Company does not have a cash balance. Transactions, substantially all of which are with the Parent, are recorded through related party receivable and payable accounts.

2. Summary of Significant Accounting Policies (continued)

Impairment

We evaluate an intangible asset for impairment when changes in circumstances indicate that we may not be able to recover the carrying value; for example, when there are material adverse changes in projected revenues or expenses, significant under performance relative to historical or projected operating results, or significant negative industry or economic trends. If indicators of impairment are identified, we test the intangible asset for impairment by comparing its carrying value to the consideration that we expect to receive in the future and that we have received but have not recognized as revenue, in exchange for the goods or services to which the asset relates (“the future consideration”), less the costs that relate directly to providing those goods or services and that have not been recognized as expenses. If the comparison indicates that the carrying value of the asset is less than the future consideration less the related expenses, we recognize an impairment loss for the difference. No impairment charges have been recorded during the years ended December 31, 2024, 2023, or 2022.

Receivables

The Company’s receivables balance consists of current trade receivables. Trade receivables are carried at amortized cost less an allowance for credit losses. The Company’s allowance for credit losses is measured over the contractual life of the instrument based on an assessment of historical collection activity and current and forecasted future economic conditions. Our allowance for credit losses was \$1,466 at December 31, 2024 and \$345 at December 31, 2023.

Legal Contingencies

We are subject to various legal proceedings and claims, the outcomes of which are subject to significant uncertainty. We record an accrual for legal contingencies when we determine that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. In making such determinations we evaluate, among other things, the probability of an unfavorable outcome and, when it is probable that a liability has been incurred, our ability to make a reasonable estimate of the loss. We review these accruals each reporting period and make revisions based on changes in facts and circumstances. There were no accruals related to legal contingencies at December 31, 2024 and 2023, respectively.

2. Summary of Significant Accounting Policies (continued)

Income Taxes

The Company is an LLC and under the existing provisions of the Internal Revenue Code and applicable state tax law, income and losses of the LLC flow through to the member of the LLC; accordingly, no provision for federal and state income taxes has been provided for in the accompanying financial statements of the Company.

New Accounting Standards

We do not expect that accounting standards updates issued to date and that are effective after December 31, 2024 will have a material effect on our financial statements.

3. Intangible Assets

The following table details the composition of our intangible assets:

	2024	2023
Costs incurred to obtain contracts with customers	\$ 31,016	\$ 30,858
Other contract intangibles	1,764	1,764
	\$ 32,780	\$ 32,622
Accumulated amortization	(11,143)	(9,782)
	<u>\$ 21,637</u>	<u>\$ 22,840</u>

We capitalize only incremental costs that Marriott incurs on our behalf to acquire franchise and license agreements, which we reimburse through a related party payable. We record these costs incurred to obtain contracts with customers within the “Intangible assets, net” caption of our Balance Sheets. We amortize these costs on a straight-line basis over the initial term of the underlying agreements, ranging from 10 to 30 years, in the “Contract investment amortization” and “Cost reimbursement revenue” captions of our Income Statements.

In 2019, the Company recorded intangible assets of \$1,764 related to its Parent’s acquisition of its partner’s remaining interest in a joint venture. The related franchise contracts have a weighted-average term of 24 years. We amortize the acquired intangible assets on a straight-line basis over the remaining term of the underlying agreements and record the expense in the “Amortization and depreciation expense” caption of our Income Statements. The Company derecognized the carrying amount of all previously capitalized costs incurred to obtain these contracts of \$3,105. For these acquired definite-lived intangible assets, our estimated aggregate amortization expense for each of the next five fiscal years through December 31, 2029, will be approximately \$67.

4. Subsequent Events

The Company has evaluated subsequent events for recognition and disclosure through March 26, 2025, the date of these financial statements and determined there were no recognized or unrecognized events that would require an adjustment or additional disclosure as of December 31, 2024.

RECITALS:

WHEREAS, Franchisor and Franchisee are parties to a Franchise Agreement (as it may be amended, modified, supplemented or restated from time to time, the “Franchise Agreement”), which granted Franchisee the non-exclusive right and franchise to operate the «Property_Name» «BACRO» hotel located at «Address», «City», «StateProvince» «Postal_Code» (the “Hotel”);

WHEREAS, Franchisor provides certain revenue management services to certain franchisees of its hotels for a fee;

WHEREAS, Franchisee desires that Franchisor provide certain revenue management services to Franchisee with respect to the Hotel; and

WHEREAS, Franchisor desires to provide certain revenue management services to Franchisee with respect to the Hotel, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby specifically acknowledged, the parties agree as follows:

1. **Scope of Services.** Franchisor shall provide the revenue management services set forth on Schedule “A” attached hereto and made a part hereof (the “Services”) to Franchisee with respect to the Hotel. If the hotel did not participate in Franchisor’s revenue management services in 2024, Franchisor shall provide the set-up services described in Schedule C, for the fee set forth in Schedule C. The set-up services shall otherwise be deemed part of the “Services” for purposes of this Agreement. Franchisor’s personnel who assist in providing the Services shall be qualified in and dedicated to revenue management. Both parties acknowledge and agree that Franchisee is under no obligation to comply with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding pricing, inventory, room allocation or rate allocation. Franchisee expressly reserves the right to make, and is ultimately responsible for, any and all decisions relating to pricing, rate allocation and all other revenue management issues. Nothing contained herein should be considered a representation or warranty by Franchisor that compliance with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding pricing, inventory, room allocation or rate allocation will produce, increase or optimize profits of Franchisee.

2. **Confidentiality.** Franchisee shall not, during the term of this Agreement or thereafter, without Franchisor’s prior written consent, which consent may be granted or withheld in Franchisee’s sole discretion, communicate, transmit, divulge, copy, duplicate, record, or otherwise reproduce, or use for the benefit of any third party or business other than the Hotel, in

whole or in part, any documentation, software or other confidential information, knowledge, or know-how associated with the Services provided under this Agreement which may be communicated or provided to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under this Agreement, or otherwise make the same available to any unauthorized person. Franchisee shall divulge such information only to such of Franchisee's employees or agents as must have access to it in order to operate the Hotel; all other persons shall be deemed "unauthorized" for purposes of this Agreement. All such information, including without limitation, aggregated, anonymized market data and recommendations by Franchisor regarding rates, pricing, inventory, room allocations and rate allocations, is confidential and provided by Franchisor to Franchisee solely for the purposes of operating the Hotel, and Franchisee expressly acknowledges that such information shall not be used or considered in any respect by the Franchisee in reaching decisions for any other hotels owned, operated or franchised by the Franchisee. Franchisee further acknowledges that it will not divulge to Franchisor any confidential information, including business strategies or pricing, about non-Marriott properties that Franchisee owns, operates, or franchises. The information that is the subject of this Section 2 shall be deemed "Confidential Information" for purposes of the Franchise Agreement. The obligations of Franchisee under this Section 2 shall survive the termination of this Agreement.

3. **Extra Services.** Any services not included in the Services shall be performed by Franchisor only when requested by Franchisee in writing and specifically agreed to by Franchisor. Any additional cost or fees to be paid for such extra services shall be agreed to in writing by both parties.

4. **Term and Termination.** The initial term of this Agreement shall begin on the Commencement Date and shall expire either (1) December 31 of that same year, if the Commencement Date is between January 1st and June 30, or (2) December 31 of the next year, if the Commencement Date is between July 1 and December 31. For purposes of clarity, if the Commencement Date is November 5, 2024, the initial term will expire on December 31, 2025. This Agreement shall automatically renew for successive terms of one calendar year each unless either party provides written notice of non-renewal at least ninety (90) days in advance of the expiration of the then-current term. In addition, Franchisee shall have right to terminate this Agreement by providing written notice of such termination to Franchisor within thirty (30) days after receipt of notice of an increase in the fee Franchisor charges for the Services, if such fee increases by more than ten percent (10%) from the prior calendar year, such termination to be effective as of the later of (i) the effective date of the fee increase or (ii) thirty (30) days after such notice of termination is delivered to Franchisor. In the event that Franchisee fails to make any payments required to be made to Franchisor hereunder, which is not cured within ten (10) business days after receipt of notice of non-payment, Franchisor shall have the right to terminate this Agreement upon notice to Franchisee. In addition, if the Franchise Agreement is terminated for any reason during the term of this Agreement, this Agreement shall terminate at the same time as the Franchise Agreement is terminated; provided that if the Franchise Agreement is terminated and a new franchise agreement is entered (with Franchisee or another person or entity) with respect to the Hotel, this agreement shall be assigned to and assumed by the new franchisee and Franchisee will cause the new franchisee to execute any acknowledgements reasonably requested by Franchisor to signify its agreement to be bound by the provisions of this Agreement. Except as otherwise provided in this Section 4, a party shall have the right to terminate this Agreement if the other party materially breaches this Agreement and fails to remedy such breach within thirty (30)

days after receipt of written notice thereof specifying the nature of such breach. The rights of termination under this Section 4 are in addition to whatever rights the non-defaulting party may have at law or in equity; provided that, in no event shall

«MARSHA»

Franchisor be liable to Franchisee in an amount greater than the amounts previously paid by Franchisee for the Services giving rise to the liability.

5. **Fee.** Franchisor will charge Franchisee a fee for each month on the first day of the month for the Services as set forth in Schedule “B” to this Agreement, which shall be pro-rated for any partial month for which the Services are performed. In addition, if the Hotel did not participate in Franchisor’s revenue management services during 2024, Franchisor will provide the set-up services described in Schedule C to this Agreement and charge Franchisee the one-time fee set forth in Schedule C. The fee shall be due in full 60 days after the Commencement Date. Franchisee agrees to pay such fees to Franchisor within fifteen (15) days of receipt of an invoice therefore. Any payments not actually received by Franchisor on or before the due date shall be deemed overdue. Franchisor may modify the fee effective as of the beginning of any renewal term, subject to Franchisee’s right to terminate this Agreement discussed in Section 4, above.

6. **Indemnification.** Franchisee agrees to defend, indemnify and hold harmless Franchisor its affiliates, and each of their officers, directors, agents and employees, from and against any and all actions, costs, claims, losses, expenses and/or damages, including attorney’s fees, arising out of or resulting from the performance of the Services. The obligations of Franchisee under this Section 6 shall survive the termination of this Agreement.

7. Reserved.

8. **Limited Delegation of Authority.** In order to efficiently and effectively manage room inventory consistent with the interests of Franchisee, Franchisee appoints Franchisor as its limited agent with authority to take such actions as set forth in the “Inventory Management” portion of Schedule “A” (“Inventory Management Actions”) as Franchisor deems appropriate. Franchisee expressly reserves the right to override any Inventory Management Actions taken by Franchisor. In periodic revenue management meetings (each a “Consultation”), Franchisee shall communicate to Franchisor any concerns with respect to Inventory Management Actions taken by Franchisor since the last Consultation, and shall provide to Franchisor specific guidance for taking future Inventory Management Actions. In the absence of explicit disapproval at a Consultation, Franchisee shall be deemed to have approved and authorized all Inventory Management Actions taken by Franchisor after the previous Consultation.

9. **Independent Contractor.** This Agreement does not create a fiduciary relationship between Franchisor and Franchisee. All persons employed to furnish the Services are employees of Franchisor and not of Franchisee. As authorized by Franchisee, Franchisor shall perform the Services as an independent contractor, except that Franchisor may act on Franchisee’s behalf when taking Inventory Management Actions. When Franchisor acts for Franchisee as set forth in the preceding clause, Franchisee retains all risk of loss for unsold or cheaply sold inventory.

10. **Assignment.** This agreement may not be assigned by Franchisee in whole or part without the prior written consent of Franchisor which will not be unreasonably withheld. Franchisor shall have the right to transfer this Agreement to any person or entity without prior

notice to, or consent of, Franchisee, provided the transferee assumes Franchisor's obligations to Franchisee under this Agreement. Franchisee hereby acknowledges and agrees that any such transfer by Franchisor shall constitute a release and novation of Franchisor with respect to this Agreement.

«MARSHA»

11. **Notices.** Notices, requests, demands and other communication hereunder shall be in writing and shall be forwarded by registered or certified mail as follows:

12. **Entire Agreement.** This Agreement contains the entire agreement between the parties with respect to its subject matter, superseding any prior agreements and writings, and it may not be changed other than by an agreement in writing signed by the parties.

IN WITNESS WHEREOF, the parties hereto have executed the Agreement the day and year first above written.

THIS TRADITIONAL REVENUE MANAGEMENT CONSULTING AGREEMENT (“Agreement”) is made and entered into this 1st day of January, 2025 (“Commencement Date”) By and between «Current_Franchisee_Account_Name» (“Franchisee”), Marriott International Administrative Services, Inc. (“Franchisor”).

RECITALS:

WHEREAS, Franchisor and Franchisee are parties to a Franchise Agreement (as it may be amended, modified, supplemented or restated from time to time, the “Franchise Agreement”), which granted Franchisee the non-exclusive right and franchise to operate the «Property_Name» «BACRO» hotel located at «Address», «City», «StateProvince» «Postal_Code» (the “Hotel”);

WHEREAS, Franchisor provides certain revenue management services to certain franchisees of its hotels for a fee;

WHEREAS, Franchisee desires that Franchisor provide certain revenue management services to Franchisee with respect to the Hotel; and

WHEREAS, Franchisor desires to provide certain revenue management services to Franchisee with respect to the Hotel, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby specifically acknowledged, the parties agree as follows:

1. **Scope of Services.** Franchisor shall provide the revenue management services set forth on Schedule “A” attached hereto and made a part hereof (the “Services”) to Franchisee with respect to the Hotel. If the hotel did not participate in Franchisor’s revenue management services in 2024, Franchisor shall provide the set-up services described in Schedule C, for the fee set forth in Schedule C. The set-up services shall otherwise be deemed part of the “Services” for purposes of this Agreement. Franchisor’s personnel who assist in providing the Services shall be qualified in and dedicated to revenue management. Both parties acknowledge and agree that Franchisee is under no obligation to comply with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding pricing, inventory, room allocation or rate allocation. Franchisee expressly reserves the right to make, and is ultimately responsible for, any and all decisions relating to pricing, rate allocation and all other revenue management issues. Nothing contained herein should be considered a representation or warranty by Franchisor that compliance with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding pricing, inventory, room allocation or rate allocation will produce, increase or optimize profits of Franchisee.

2. **Confidentiality.** Franchisee shall not, during the term of this Agreement or thereafter, without Franchisor’s prior written consent, which consent may be granted or withheld in Franchisee’s sole discretion, communicate, transmit, divulge, copy, duplicate, record, or otherwise reproduce, or use for the benefit of any third party or business other than the Hotel, in

whole or in part, any documentation, software or other confidential information, knowledge, or know-how associated with the Services provided under this Agreement which may be communicated or provided to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under this Agreement, or otherwise make the same available to any unauthorized person. Franchisee shall divulge such information only to such of Franchisee's employees or agents as must have access to it in order to operate the Hotel; all other persons shall be deemed "unauthorized" for purposes of this Agreement. All such information, including without limitation, aggregated, anonymized market data and recommendations by Franchisor regarding rates, pricing, inventory, room allocations and rate allocations, is confidential and provided by Franchisor to Franchisee solely for the purposes of operating the Hotel, and Franchisee expressly acknowledges that such information shall not be used or considered in any respect by the Franchisee in reaching decisions for any other hotels owned, operated or franchised by the Franchisee. Franchisee further acknowledges that it will not divulge to Franchisor any confidential information, including business strategies or pricing, about non-Marriott properties that Franchisee owns, operates, or franchises. The information that is the subject of this Section 2 shall be deemed "Confidential Information" for purposes of the Franchise Agreement. The obligations of Franchisee under this Section 2 shall survive the termination of this Agreement.

3. **Extra Services.** Any services not included in the Services shall be performed by Franchisor only when requested by Franchisee in writing and specifically agreed to by Franchisor. Any additional cost or fees to be paid for such extra services shall be agreed to in writing by both parties.

4. **Term and Termination.** The initial term of this Agreement shall begin on the Commencement Date and shall expire either (1) December 31 of that same year, if the Commencement Date is between January 1st and June 30, or (2) December 31 of the next year, if the Commencement Date is between July 1 and December 31. For purposes of clarity, if the Commencement Date is November 5, 2024, the initial term will expire on December 31, 2025. This Agreement shall automatically renew for successive terms of one calendar year each unless either party provides written notice of non-renewal at least ninety (90) days in advance of the expiration of the then-current term. In addition, Franchisee shall have right to terminate this Agreement by providing written notice of such termination to Franchisor within thirty (30) days after receipt of notice of an increase in the fee Franchisor charges for the Services, if such fee increases by more than ten percent (10%) from the prior calendar year, such termination to be effective as of the later of (i) the effective date of the fee increase or (ii) thirty (30) days after such notice of termination is delivered to Franchisor. In the event that Franchisee fails to make any payments required to be made to Franchisor hereunder, which is not cured within ten (10) business days after receipt of notice of non-payment, Franchisor shall have the right to terminate this Agreement upon notice to Franchisee. In addition, if the Franchise Agreement is terminated for any reason during the term of this Agreement, this Agreement shall terminate at the same time as the Franchise Agreement is terminated; provided that if the Franchise Agreement is terminated and a new franchise agreement is entered (with Franchisee or another person or entity) with respect to the Hotel, this agreement shall be assigned to and assumed by the new franchisee and Franchisee will cause the new franchisee to execute any acknowledgements reasonably requested by Franchisor to signify its agreement to be bound by the provisions of this Agreement. Except as otherwise provided in this Section 4, a party shall have the right to terminate this Agreement if the other party materially breaches this Agreement and fails to remedy such breach within thirty (30)

days after receipt of written notice thereof specifying the nature of such breach. The rights of termination under this Section 4 are in addition to whatever rights the non-defaulting party may have at law or in equity; provided that, in no event shall

«MARSHA»

Franchisor be liable to Franchisee in an amount greater than the amounts previously paid by Franchisee for the Services giving rise to the liability.

5. **Fee.** Franchisor will charge Franchisee a fee for each month on the first day of the month for the Services as set forth in Schedule “B” to this Agreement, which shall be pro-rated for any partial month for which the Services are performed. In addition, if the Hotel did not participate in Franchisor’s revenue management services during 2024, Franchisor will provide the set-up services described in Schedule C to this Agreement and charge Franchisee the one-time fee set forth in Schedule C. The fee shall be due in full 60 days after the Commencement Date. Franchisee agrees to pay such fees to Franchisor within fifteen (15) days of receipt of an invoice therefore. Any payments not actually received by Franchisor on or before the due date shall be deemed overdue. Franchisor may modify the fee effective as of the beginning of any renewal term, subject to Franchisee’s right to terminate this Agreement discussed in Section 4, above.

6. **Indemnification.** Franchisee agrees to defend, indemnify and hold harmless Franchisor its affiliates, and each of their officers, directors, agents and employees, from and against any and all actions, costs, claims, losses, expenses and/or damages, including attorney’s fees, arising out of or resulting from the performance of the Services. The obligations of Franchisee under this Section 6 shall survive the termination of this Agreement.

7. Reserved.

8. **Limited Delegation of Authority.** In order to efficiently and effectively manage room inventory consistent with the interests of Franchisee, Franchisee appoints Franchisor as its limited agent with authority to take such actions as set forth in the “Inventory Management” portion of Schedule “A” (“Inventory Management Actions”) as Franchisor deems appropriate. Franchisee expressly reserves the right to override any Inventory Management Actions taken by Franchisor. In periodic revenue management meetings (each a “Consultation”), Franchisee shall communicate to Franchisor any concerns with respect to Inventory Management Actions taken by Franchisor since the last Consultation, and shall provide to Franchisor specific guidance for taking future Inventory Management Actions. In the absence of explicit disapproval at a Consultation, Franchisee shall be deemed to have approved and authorized all Inventory Management Actions taken by Franchisor after the previous Consultation.

9. **Independent Contractor.** This Agreement does not create a fiduciary relationship between Franchisor and Franchisee. All persons employed to furnish the Services are employees of Franchisor and not of Franchisee. As authorized by Franchisee, Franchisor shall perform the Services as an independent contractor, except that Franchisor may act on Franchisee’s behalf when taking Inventory Management Actions. When Franchisor acts for Franchisee as set forth in the preceding clause, Franchisee retains all risk of loss for unsold or cheaply sold inventory.

10. **Assignment.** This agreement may not be assigned by Franchisee in whole or part without the prior written consent of Franchisor which will not be unreasonably withheld. Franchisor shall have the right to transfer this Agreement to any person or entity without prior

notice to, or consent of, Franchisee, provided the transferee assumes Franchisor's obligations to Franchisee under this Agreement. Franchisee hereby acknowledges and agrees that any such transfer by Franchisor shall constitute a release and novation of Franchisor with respect to this Agreement.

11. **Notices.** Notices, requests, demands and other communication hereunder shall be in writing and shall be forwarded by registered or certified mail as follows:

12. **Entire Agreement.** This Agreement contains the entire agreement between the parties with respect to its subject matter, superseding any prior agreements and writings, and it may not be changed other than by an agreement in writing signed by the parties.

IN WITNESS WHEREOF, the parties hereto have executed the Agreement the day and year first above written.

WHEREAS, each Shared Service taken together with and subject to this Agreement or a similar agreement constitutes a unique program and takes place within a Market ("Program");

WHEREAS, Franchisee has independently assessed the Programs and determined that the potential benefits of participating in the Programs justify the risks of participation, and has therefore requested that the Hotel participate in the Programs; and

WHEREAS, Marriott is willing to allow such participation on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the benefits to be derived herefrom, the receipt and sufficiency of which are hereby acknowledged by each of the parties hereto, it is hereby agreed as follows:

SHARED SERVICES AGREEMENT

3. Allocation of Costs.

a. The costs and expenses of implementing and deploying the Programs will be allocated among the hotels receiving a Shared Service as part of a Program in accordance with the cost and allocation methodology described in the corresponding Exhibits. The Hotel's share of the costs will be allocated and invoiced either (i) as the costs are incurred, or (ii) at the time the Franchisee elects to participate in the Program, whichever is later. The costs of implementing and deploying the Programs do not include the ongoing operating costs that are described in 3.b. below.

b. Costs and expenses of a Program shall include, without limitation, wages, benefits, and bonuses of the Program associates, as well as controllables such as startup expenses, rent, office supplies, postage, telephone expenses, travel expenses, training, entertainment, and depreciation of capital expenditures such as computer systems, and office furniture and facilities (the "Operating Costs"). The Hotel's share of the costs of the Programs, including but not limited to the Operating Costs, will be allocated and invoiced to Franchisee each month.

c. Franchisee shall make payment in compliance with the terms of each invoice, Shared Service Agreement, and the Franchise Agreement.

d. Marriott may periodically evaluate the allocation methodologies set forth above in Attachment A and/or Exhibits attached thereto. Should another allocation basis or methodology be identified that better reflects each participating hotel's share of the costs, as deemed by Marriott in its sole discretion, this basis and/or methodology may be adopted. Any such change will be communicated to the participating hotels, including the Hotel, and shall be applied without need to formally modify this Agreement.

4. Addition or Withdrawal of Hotel from Market. If a hotel is added as a participant in one or more Programs, the percentage share of the costs of such Program for each of the other hotels in the Market may be adjusted proportionately by the new hotel's share of such costs, if deemed practicable by Marriott, as determined in accordance with this Agreement. If a hotel withdraws as a participant in the Shared Service, the percentage share of the costs of the Shared Service for each of the other participating hotels may be adjusted proportionately by the non-participating hotel's share of such costs, if deemed practicable by Marriott, as determined in accordance with this Agreement.

5. Scope of Services; Delegation and Limit of Authority.

a. Franchisee hereby authorizes Marriott to provide Shared Services to the Hotel as part of a Program, which is listed in Attachment A and described in the relevant Exhibit.

b. Franchisee consents to Marriott, through the Programs, entering into any contract or agreement related to the Shared Services, and will, upon request by Marriott, ratify and confirm any such contract or agreement.

c. Franchisee retains its existing authority for implementing the Hotel's business strategy, consistent with the Franchise Agreement, including with respect to pricing, business mix, inventory or room or rate allocation. Marriott may offer strategic recommendations in connection with the provision of Shared Services to the Hotel as described in this Agreement, Attachment A or the Exhibits, however Franchisee is not obligated to adopt those recommendations in determining the appropriate business strategy for the Hotel. Franchisee

SHARED SERVICES AGREEMENT

acknowledges and agrees that the success of the Hotel's participation in the Programs largely depends upon Franchisee's decisions regarding same.

d. Marriott is entitled to deal directly with the managers at the Hotel, regardless of whether or not such managers are employees of Franchisee (or an affiliate thereof) or any independent management company operating the Hotel ("Manager"), and to rely on the instructions of same in connection with Marriott's performance of the Services hereunder.

6. Obligations of Franchisee. Franchisee agrees to the following:

Franchisee, or Manager on behalf of Franchisee, may be required to undertake obligations associated with those Programs in which it will be participating. The obligations and the Shared Services to which they pertain are set forth in Attachment B. Any Franchisee procuring Shared Services listed in Attachment A shall comply with the obligations related to such Shared Services.

Franchisee's failure to comply with this Paragraph 6 shall be a default under this Agreement.

7. Term and Termination.

a. Term and Termination. The initial term of this Agreement shall begin on the Commencement Date and shall expire either (1) December 31 of that same year, if the Commencement Date is between January 1st and June 30, or (2) December 31 of the next year, if the Commencement Date is between July 1 and December 31. For purposes of clarity, if the Commencement Date is November 5, 2019, the initial term will expire on December 31, 2020. This Agreement shall automatically renew for successive terms of one calendar year each unless either party provides written notice of non-renewal at least ninety (90) days in advance of the expiration of the then-current term.

b. In the event that Franchisee is in default under this Agreement, Marriott may terminate this Agreement by giving thirty (30) days' written notice to Franchisee.

c. Subject to Section 7.d, Franchisee may terminate this Agreement by giving ninety (90) days' written notice to Marriott.

d. This Agreement will immediately terminate upon termination of the Franchise Agreement; except in the event that Marriott consents to or approves the transaction (including a sale of the Hotel or other transfer requiring the consent of Marriott) pursuant to which the Franchise Agreement is terminated, in which case this Agreement may be assigned as set forth in any such consent or approval.

e. Franchisee acknowledges that Marriott may be damaged in several ways upon termination of this Agreement pursuant to Paragraph 7.b or Paragraph 7.c (an "Event Termination"). Franchisee acknowledges that certain costs and expenses related to the Hotel's participation in the Programs, as allocated to Franchisee pursuant to Paragraph 3 and Attachment A (including all of those costs allocated pursuant to Exhibits attached thereto), have already been incurred by Marriott or accrued by Franchisee prior to the date of the Event Termination ("Prior Costs"). Furthermore, certain costs and expenses related to the Hotel's participation in the Programs, as allocated or allocable to Franchisee pursuant to Paragraph 3 and Attachment A and the Exhibits thereto, to be incurred by Marriott or accrued by Franchisee, after the Event Termination ("Future Costs") may not be recoverable. In the event of an Event Termination, Marriott shall be entitled to recover from Franchisee, and Franchisee shall be obligated to promptly pay to Marriott, no later than the date of termination of this Agreement, the Prior Costs and Future Costs, as reasonably determined by Marriott. The parties agree that such payment is not

SHARED SERVICES AGREEMENT

a penalty and represents a reasonable estimate of just and fair compensation of Marriott for the damages that it would suffer for an Event Termination. The parties agree that it is reasonable for Marriott to include in the calculation of Future Costs those costs anticipated to be allocated to the Hotel (pursuant to the methodology set forth in Exhibits attached hereto) for the remainder of the Initial Term or Renewal Term (as applicable) as calculated according to Marriott's most recent projection of such costs. Franchisee's obligation to pay the Prior Costs and Future Costs shall survive termination of this Agreement.

8. Confidentiality. Franchisee shall not, and if Hotel is managed by a Manager then Franchisee shall ensure that the Manager does not, during the Term of this Agreement or thereafter, without Marriott's prior written consent, communicate, divulge, copy, duplicate, record or otherwise reproduce, or use for the benefit of any third party or business other than the Hotel, in whole or in part, any documentation, software or other confidential information knowledge, or know-how associated with the Programs which may be communicated or provided to Franchisee or the Manager or of which Franchisee or Manager may be apprised, by virtue of Franchisee's participation under this Agreement, or otherwise make the same available to any unauthorized person. Franchisee shall ensure that the Manager shall divulge such information only to such of Franchisee's or Manager's employees or agents as must have access to it in order to operate the Hotel. All such information including without limitation, aggregated, anonymized market data, recommendations by Marriott regarding rates and customer information is confidential and provided by Marriott to Franchisee and Manager solely for the purpose of operating the Hotel and honoring the contracts negotiated by Marriott for the Programs. Franchisee expressly acknowledges for itself and the Manager that such information shall not be used or considered in any respect by the Franchisee or Manager in reaching decisions for the other hotels owned, operated or franchised by the Franchisee. Franchisee further acknowledges that it will not divulge to Marriott any confidential information, including prospective sales opportunities, business strategies, or pricing, about non-Marriott properties that Franchisee owns, operates, or franchises. Franchisee acknowledges and agrees that any unauthorized use of confidential information would cause irreparable injury to Marriott for which no adequate remedy at law may be available, and Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct in violation of this Paragraph 8.

9. Representations, Warranties and Covenants of Franchisee. Franchisee represents, warrants and covenants to Marriott that:

a. it is a legal entity duly formed, validly existing, and in good standing under the laws of the jurisdiction of its formation, (ii) it has and will continue to have throughout the Term hereof the ability to perform its obligations under this Agreement, and (iii) it has and will continue to have throughout the Term hereof all necessary power and authority to execute and deliver this Agreement;

Hotel agrees that [customer] calls will only be forwarded to the above-referenced property-designated CEC phone line. Hotel further acknowledges and agrees that It is strictly prohibited to forward calls to the central reservation phone line or any brand phone lines. Marriott conducts routine audits of central reservation and brand lines and any phone calls wrongly forwarded by the Hotel in contravention of this Agreement will result in the Hotel being charged for the call or reservation, as applicable, at current PSS rates.

Marriott may modify the fee with respect to each renewal term of this Agreement upon notice to Participant, subject to Participant’s right of non-renewal discussed below. Each Participant will be charged throughout the year based on the estimated cost per Transaction or cost per hour, but charges will be trued up to actual cost prior year-end.

Stamp Duty: Participant will pay any stamp duty applicable to these services from its own funds and not as a Deduction.

Term and Termination: The initial term of this Agreement shall begin on the date Services commence and shall expire at the end of Marriott's fiscal year ("Fiscal Year") then in effect. (Marriott's Fiscal Year currently expires at the end of the Friday nearest December 31 in a given calendar year, and a new Fiscal Year begins at the start of the immediately following Saturday, but the parties agree that Marriott may amend its Fiscal Year at any time in its reasonable discretion, in which case the term of this Agreement shall adhere to the new Fiscal Year.) This Agreement shall automatically renew for successive terms of one Fiscal Year unless either party provides electronic notice of non-renewal at least thirty (30) days in advance of the expiration of the then-current term. If Legal Requirements impose an obligation on Participant to deduct or withhold Taxes directly from any amount paid to Marriott, then Participant will deduct or withhold the required amount and will timely pay the full amount deducted or withheld to the relevant governmental authority in accordance with Legal Requirements. The amount paid to Marriott will be increased so that after the deduction or withholding has been made in accordance with Legal Requirements, the net amount actually received by Marriott will equal the full amount originally invoiced or otherwise payable. To the extent any Legal Requirements require or allow any such deduction, payment or withholding to be paid by Participant directly to a governmental authority, Participant must account for and pay such amounts promptly and provide Marriott with receipts or other proof of such payment promptly upon receipt.

If Legal Requirements do not impose an obligation on Participant to deduct or withhold Taxes directly from any amount paid to Marriott, but require Marriott to pay such Taxes, then Participant will pay Marriott, within 15 days after request, the full amount of the Taxes paid or payable by Marriott with respect to such payment so that the net amount actually retained by Marriott after payment of any Taxes will equal the full amount originally invoiced or otherwise payable.

Value Added Tax & Similar Taxes. The amounts payable to Marriott will not be reduced by any value added, goods and services, sales or similar taxes, all of which will be paid by Participant. Therefore, in addition to making any payment to Marriott required under this Agreement, Participant will (i) pay Marriott the amount of these taxes due with respect to the payment; or (ii) if required or permitted by Legal Requirements, pay these taxes directly to the relevant taxing authority. WHEREAS, Franchisor desires to provide certain support services to Franchisee with respect to the Hotel, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby specifically acknowledged, the parties agree as follows:

1. **Scope of Services.** Franchisor shall provide the operational services set forth on Schedule "A" attached hereto and made a part hereof (the "Services") to Franchisee with respect to the Hotel. If the hotel did not participate in Franchisor's services in the previous calendar year, Franchisor shall provide the set-up services described in Schedule C, for the fee set forth in Schedule C. The set-up services shall otherwise be deemed part of the "Services" for purposes of this Agreement. Franchisor's personnel who assist in providing the Services shall be qualified in and dedicated to hotel operations. Both parties acknowledge and agree that Franchisee is under no obligation to comply with any recommendations made by Franchisor in connection with this Agreement, including but not limited to, recommendations regarding inventory, group blocks, group allocation, or room allocation. Franchisee expressly reserves the right to make, and is ultimately responsible for, any and all decisions relating to inventory and all other APRC tasks. Nothing contained herein should be considered a representation or warranty by Franchisor that compliance with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding inventory, room allocation or rate allocation will produce, increase or optimize profits of Franchisee.

2. **Confidentiality.** Franchisee shall not, during the term of this Agreement or thereafter, without Franchisor's prior written consent, which consent may be granted or withheld in Franchisee's sole discretion, communicate, transmit, divulge, copy, duplicate, record, or otherwise reproduce, or use for the benefit of any third party or business other than the Hotel, in whole or in part, any documentation, software or other confidential information, knowledge, or know-how associated with the Services provided under this Agreement which may be communicated or provided to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under this Agreement, or otherwise make the same available to any unauthorized person. Franchisee shall divulge such information only to such of Franchisee's employees or agents as must have access to it in order to operate the Hotel; all other persons shall be deemed "unauthorized" for purposes of this Agreement. All such information, including without limitation, aggregated, anonymized market data and recommendations by Franchisor regarding inventory and room allocations, is confidential and provided by Franchisor to Franchisee solely for the purposes of operating the Hotel, and Franchisee expressly acknowledges that such information shall not be used or considered in any respect by the Franchisee in reaching decisions for any other hotels owned, operated or franchised by the Franchisee. Franchisee further acknowledges that it will not divulge to Franchisor any confidential information, including business strategies, about non-Marriott properties that Franchisee owns, operates, or franchises. The information that is the subject of this Section 2 shall be deemed "Confidential Information" for purposes of the Franchise Agreement. The obligations of Franchisee under this Section 2 shall survive the termination of this Agreement.

3. **Extra Services.** Any services not included in the Services shall be performed by Franchisor only when requested by Franchisee in writing and specifically agreed to by Franchisor. Any additional cost or fees to be paid for such extra services shall be agreed to in writing by both parties.

4. **Term and Termination.** The initial term of this Agreement shall begin on the Commencement Date and shall expire either (1) December 31 of that same year, if the Commencement Date is between January 1st and June 30, or (2) December 31 of the next year, if the Commencement Date is between July 1 and December 31. For purposes of clarity, if the Commencement Date is November 5, 2024, the initial term will expire on December 31, 2025. This Agreement shall automatically renew for successive terms of one calendar year each unless either party provides written notice of non-renewal at least ninety (90) days in advance of the expiration of the then-current term. In addition, Franchisee shall have right to terminate this Agreement by providing written notice of such termination to Franchisor within thirty (30) days after receipt of notice of an increase in the fee Franchisor charges for the Services, if such fee increases by more than ten percent (10%) from the prior calendar year, such termination to be effective as of the later of (i) the effective date of the fee increase or (ii) thirty (30) days after such notice of termination is delivered to Franchisor. In the event that Franchisee fails to make any payments required to be made to Franchisor hereunder, which is not cured within ten (10) business days after receipt of notice of non-payment, Franchisor shall have the right to terminate this Agreement upon notice to Franchisee. In addition, if the Franchise Agreement is terminated for any reason during the term of this Agreement, this Agreement shall terminate

at the same time as the Franchise Agreement is terminated; provided that if the Franchise Agreement is terminated and a new franchise agreement is entered (with Franchisee or another person or entity) with respect to the Hotel, this agreement shall be assigned to and assumed by the new franchisee and Franchisee will cause the new franchisee to execute any acknowledgements reasonably requested by Franchisor to signify its agreement to be bound by the provisions of this Agreement. Except as otherwise provided in this Section 4, a party shall have the right to terminate this Agreement if the other party materially breaches this Agreement and fails to remedy such breach within thirty (30) days after receipt of written notice thereof specifying the nature of such breach. The rights of termination under this Section 4 are in addition to whatever rights the non-defaulting party may have at law or in equity; provided that, in no event shall Franchisor be liable to Franchisee in an amount greater than the amounts previously paid by Franchisee for the Services giving rise to the liability.

5. **Fee.** Franchisor will charge Franchisee a fee for each month on the first day of the month for the Services as set forth in Schedule “B” to this Agreement, which shall be pro-rated for any partial month for which the Services are performed. In addition, if the Hotel did not participate in Franchisor’s services during the previous calendar year, Franchisor will provide the set-up services described in Schedule C to this Agreement and charge Franchisee the one-time fee set forth in Schedule C. The fee shall be due in full 60 days after the Commencement Date. Franchisee agrees to pay such fees to Franchisor within fifteen (15) days of receipt of an invoice therefore. Any payments not actually received by Franchisor on or before the due date shall be deemed overdue. Franchisor may modify the fee effective as of the beginning of any renewal term, subject to Franchisee’s right to terminate this Agreement discussed in Section 4, above.

6. **Indemnification.** Franchisee agrees to defend, indemnify and hold harmless Franchisor its affiliates, and each of their officers, directors, agents and employees, from and against any and all actions, costs, claims, losses, expenses and/or damages, including attorney’s fees, arising out of or resulting from the performance of the Services. The obligations of Franchisee under this Section 6 shall survive the termination of this Agreement.

7. Reserved.

8. **Limited Delegation of Authority.** In order to efficiently and effectively manage operational tasks consistent with the interests of Franchisee, Franchisee appoints Franchisor as its limited agent with authority to take such actions as set forth in Schedule “A” (“Operational Actions”) as Franchisor deems appropriate. Franchisee expressly reserves the right to override any Actions taken by Franchisor. In periodic meetings (each a “Consultation”), Franchisee shall communicate to Franchisor any concerns with respect to Operational Actions taken by Franchisor since the last Consultation, and shall provide to Franchisor specific guidance for taking future Actions. In the absence of explicit disapproval at a Consultation, Franchisee shall be deemed to have approved and authorized all Actions taken by Franchisor after the previous Consultation.

9. **Independent Contractor.** This Agreement does not create a fiduciary relationship between Franchisor and Franchisee. All persons employed to furnish the Services are employees of Franchisor and not of Franchisee. Franchisor shall perform the Services as an independent contractor, except that Franchisor will have the right to act on Franchisee's behalf when taking Operational Actions. When Franchisor acts for Franchisee as set forth in the preceding clause, Franchisee retains all risk of loss for unsold inventory.

10. **Assignment.** This agreement may not be assigned by Franchisee in whole or part without the prior written consent of Franchisor which will not be unreasonably withheld. Franchisor shall have the right to transfer this Agreement to any person or entity without prior notice to, or consent of, Franchisee, provided the transferee assumes Franchisor's obligations to Franchisee under this Agreement. Franchisee hereby acknowledges and agrees that any such transfer by Franchisor shall constitute a release and novation of Franchisor with respect to this Agreement.

11. **Notices.** Notices, requests, demands and other communication hereunder shall be in writing and shall be forwarded by registered or certified mail as follows:

12. **Entire Agreement.** This Agreement contains the entire agreement between the parties with respect to its subject matter, superseding any prior agreements and writings, and it may not be changed other than by an agreement in writing signed by the parties.

IN WITNESS WHEREOF, the parties hereto have executed the Agreement the day and year first above written.

LIMITED ABOVE PROPERTY ROOMS CONTROL CONSULTING AGREEMENT

THIS LIMITED ABOVE PROPERTY ROOMS CONTROL CONSULTING AGREEMENT ("Agreement") is made and entered into on ____ day of _____, _____ ("Commencement Date") By and between _____ ("Franchisee"), and Marriott International Administrative Services, Inc. ("Franchisor").

RECITALS:

WHEREAS, Franchisor and Franchisee are parties to a Franchise Agreement (as it may be amended, modified, supplemented or restated from time to time, the "Franchise Agreement"), which granted Franchisee the non-exclusive right and franchise to operate the _____ hotel, located at _____ (the "Hotel");

WHEREAS, Franchisor provides certain operational services to certain franchisees of its hotels for a fee;

WHEREAS, Franchisee desires that Franchisor provide certain operational services to Franchisee with respect to the Hotel; and

WHEREAS, Franchisor desires to provide certain support services to Franchisee with respect to the Hotel, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby specifically acknowledged, the parties agree as follows:

1. **Scope of Services.** Franchisor shall provide the operational services set forth on Schedule "A" attached hereto and made a part hereof (the "Services") to Franchisee with respect to the Hotel. If the hotel did not participate in Franchisor's services in the previous month, Franchisor shall provide the set-up services described in Schedule C, for the fee set forth in Schedule C. The set-up services shall otherwise be deemed part of the "Services" for purposes of this Agreement. Franchisor's personnel who assist in providing the Services shall be qualified in and dedicated to hotel operations. Both parties acknowledge and agree that Franchisee is under no obligation to comply with any recommendations made by Franchisor in connection with this Agreement, including but not limited to, recommendations regarding inventory, group blocks, group allocation, or room allocation. Franchisee expressly reserves the right to make, and is ultimately responsible for, any and all decisions relating to inventory and all other APRC checklist tasks. Nothing contained herein should be considered a representation or warranty by Franchisor that compliance with any recommendations made by Franchisor in connection with this Agreement, including but not limited to recommendations regarding inventory, room allocation or rate allocation will produce, increase or optimize profits of Franchisee.

2. **Confidentiality.** Franchisee shall not, during the term of this Agreement or thereafter, without Franchisor's prior written consent, which consent may be granted or withheld in Franchisee's sole discretion, communicate, transmit, divulge, copy, duplicate, record, or otherwise reproduce, or use for the benefit of any third party or business other than the Hotel, in whole or in part, any documentation, software or other confidential information, knowledge, or know-how associated with the Services provided under this Agreement which may be communicated or provided to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under this Agreement, or otherwise make the same available to any unauthorized person. Franchisee shall divulge such information only to such of Franchisee's employees or agents as must have access to it in order to operate the Hotel; all other persons shall be deemed "unauthorized" for purposes of this Agreement. All such information, including without limitation, aggregated, anonymized market data and recommendations by Franchisor regarding inventory and room allocations, is confidential and provided by Franchisor to Franchisee solely for the purposes of operating the Hotel, and Franchisee expressly acknowledges that such information shall not be used or considered in any respect by the Franchisee in reaching decisions for any other hotels owned, operated or franchised by the Franchisee. Franchisee further acknowledges that it will not divulge to Franchisor any confidential information, including business strategies, about non-Marriott properties that Franchisee owns, operates, or franchises. The information that is the subject of this Section 2 shall be deemed "Confidential Information" for purposes of the Franchise Agreement. The obligations of Franchisee under this Section 2 shall survive the termination of this Agreement.

3. **Extra Services.** Any services not included in the Services shall be performed by Franchisor only when requested by Franchisee in writing and specifically agreed to by Franchisor. Any additional cost or fees to be paid for such extra services shall be agreed to in writing by both parties.

4. **Term and Termination.** The initial term of this Agreement shall begin on the Commencement Date and shall expire either on the end date listed in Schedule "B" or the start of the following month, thirty (30) days after APRC receives written notice of termination, whichever is first. In the event that Franchisee fails to make any payments required to be made to Franchisor hereunder, which is not cured within ten (10) business days after receipt of notice of non-payment, Franchisor shall have the right to terminate this Agreement upon notice to Franchisee. In addition, if the Franchise Agreement is terminated for any reason during the term of this Agreement, this Agreement shall terminate at the same time as the Franchise Agreement is terminated.

5. **Fee.** Franchisor will charge Franchisee a fee for each month on the first day of the month for the Services as set forth in Schedule "B" to this Agreement. In addition, if the Hotel did not participate in Franchisor's services during the previous month, Franchisor will provide the set-up services described in Schedule C to this Agreement and charge Franchisee the one-time fee set forth in Schedule C. The fee shall be due in full 60 days after the Commencement Date. Franchisee agrees to pay such fees to Franchisor within fifteen (15) days of receipt of an invoice therefore. Any payments not actually received by Franchisor on or

before the due date shall be deemed overdue. Franchisor may modify the fee effective as of the beginning of any renewal term, subject to Franchisee's right to terminate this Agreement discussed in Section 4, above.

6. **Indemnification.** Franchisee agrees to defend, indemnify and hold harmless Franchisor its affiliates, and each of their officers, directors, agents and employees, from and against any and all actions, costs, claims, losses, expenses and/or damages, including attorney's fees, arising out of or resulting from the performance of the Services. The obligations of Franchisee under this Section 6 shall survive the termination of this Agreement.

7. Reserved.

8. **Limited Delegation of Authority.** In order to efficiently and effectively manage operational tasks consistent with the interests of Franchisee, Franchisee appoints Franchisor as its limited agent with authority to take such actions as set forth in Schedule "A" ("Operational Actions") as Franchisor deems appropriate. Franchisee expressly reserves the right to override any Actions taken by Franchisor. In periodic meetings (each a "Consultation"), Franchisee shall communicate to Franchisor any concerns with respect to Operational Actions taken by Franchisor since the last Consultation, and shall provide to Franchisor specific guidance for taking future Actions. In the absence of explicit disapproval at a Consultation, Franchisee shall be deemed to have approved and authorized all Actions taken by Franchisor after the previous Consultation.

9. **Independent Contractor.** This Agreement does not create a fiduciary relationship between Franchisor and Franchisee. All persons employed to furnish the Services are employees of Franchisor and not of Franchisee. Franchisor shall perform the Services as an independent contractor, except that Franchisor will have the right to act on Franchisee's behalf when taking Operational Actions. When Franchisor acts for Franchisee as set forth in the preceding clause, Franchisee retains all risk of loss for unsold inventory.

10. **Assignment.** This agreement may not be assigned by Franchisee in whole or part without the prior written consent of Franchisor which will not be unreasonably withheld. Franchisor shall have the right to transfer this Agreement to any person or entity without prior notice to, or consent of, Franchisee, provided the transferee assumes Franchisor's obligations to Franchisee under this Agreement. Franchisee hereby acknowledges and agrees that any such transfer by Franchisor shall constitute a release and novation of Franchisor with respect to this Agreement.

11. **Notices.** Notices, requests, demands and other communication hereunder shall be in writing and shall be forwarded by registered or certified mail as follows:

Re: «brand»

Dear Lender:

«Franchisor_Licensors» (“Franchisor”) has entered into a Franchise Agreement (the “Franchise Agreement”) dated «exe_date» with «Franchise_Name» (“Franchisee”). **[NOTE: INCORPORATE OWNER IF AN OWNER AGREEMENT HAS BEEN ENTERED INTO IN CONNECTION WITH THE FRANCHISE AGREEMENT.]** As of this date and to the best of Franchisor’s knowledge, the Franchise Agreement is in full force and effect and Franchisor has issued no notice of a default by Franchisee under the Franchise Agreement which default remains uncured as of the date hereof (the “No-Defaults Representation”).

«Lender_Name» (“Lender”) and Franchisee have informed Franchisor that Lender will loan or has loaned funds that will be used for the direct benefit of the Hotel and will be secured by the Hotel (the “Loan”). **[NOTE: CONFIRM DESCRIPTION OF LOAN IS CORRECT.]** Lender and Franchisee have requested that Franchisor enter into this comfort letter. Franchisee will pay the current lender comfort letter processing fee applicable to such request. The undersigned parties agree as follows:

[USE FOR REPLACEMENT C/Ls DRAFTED ON 2021 FORM OR LATER:

«Lender_Name» (“Lender”) and Franchisee have informed Franchisor that Lender is the current holder of the loan that is being used for the direct benefit of the Hotel and is secured by the Hotel (the “Loan”) and that, as of the date hereof, the Loan is not in default. **[NOTE: CONFIRM DESCRIPTION OF LOAN IS CORRECT.]** Lender and Franchisee have requested that Franchisor enter into this comfort letter. Franchisee will pay the current lender comfort letter processing fee applicable to such request. The undersigned parties agree as follows:]

[USE FOR REPLACEMENT C/Ls DRAFTED ON PRE-2021 FORM]:

«Lender_Name» (“Lender”) and Franchisee have informed Franchisor that Lender is the current holder of the loan that is being used for the direct benefit of the Hotel and is secured by the Hotel (the “Loan”). **[NOTE: CONFIRM DESCRIPTION OF LOAN IS CORRECT.]** Lender and Franchisee have requested that Franchisor enter into this comfort letter. Franchisee will pay the current lender comfort letter processing fee applicable to such request. The undersigned parties agree as follows:]

1. Franchisee Defaults. Franchisor will copy Lender on any notice of default or termination issued to Franchisee under the Franchise Agreement. Lender may, on notice to Franchisor, cure such default on Franchisee’s behalf during the cure period established in the default notice.

Franchisor may extend Lender's right to cure for such reasonable period beyond the cure period established in the default notice if: (i) the default is not related to health or safety; (ii) the default is susceptible to cure by Lender; (iii) Lender notifies Franchisor of Lender's agreement to cure the default as soon as reasonably possible, but by no later than two days before expiration of the cure period established in the default notice; (iv) all fees, charges, and other amounts due Franchisor or any of its Affiliates under the Franchise Agreement or in connection with the Hotel are kept current; (v) Lender diligently pursues cure of the default; and (vi) the Hotel is at all times operated in accordance with the Franchise Agreement, except for the specific default described in the default notice.

2. Lender Foreclosure.

A. If Lender acquires ownership, control or possession of the Hotel by foreclosure, a deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, and Lender desires that the Hotel continue to be operated as part of the «brand» system of hotels, then: (i) Lender may, by notice and payment to Franchisor of a non-refundable \$5,000 application fee within 10 days after Lender acquires ownership, control or possession of the Hotel, request Franchisor to enter into a new franchise agreement and consent to substitute management for the Hotel; and (ii) within 30 days after such request, Lender and Franchisor will execute a new franchise agreement on the then-current form for the «brand» system of hotels, subject to the satisfaction of the terms of Paragraph 2 and Paragraph 4. Such new franchise agreement will be dated as of the date that Lender acquired ownership, control or possession of the Hotel, will be for a term equal to the then-remaining term of the Franchise Agreement, and will otherwise be on the form of franchise agreement in Franchisor's then-current franchise disclosure document with such changes as Franchisor may require to address the specific circumstances of the Hotel, except that Lender will not be required to pay the stated application fee or implement a typical change of ownership property improvement plan. Instead, Lender will only be required to: (a) pay the \$5,000 application fee set forth in the first sentence of this Paragraph 2.A.; (b) pay Franchisor's outside counsel costs in connection with the new franchise agreement and related agreements; (c) cure any quality, service, or other deficiency in Franchisee's prior performance of its obligations under the Franchise Agreement and under any other agreements with Franchisor and its Affiliates relating to the Hotel, but excluding any unpaid liquidated damages; and (d) comply with the renovation and upgrading requirements that are stated in the Franchise Agreement or that are otherwise required of other «brand» franchisees. If Lender fails to comply with any of the conditions (including the deadlines) set forth in this Paragraph 2, then Lender will be deemed to have waived its rights hereunder.

B. Franchisor's obligations under Paragraph 2.A. and 3 are subject to: (i) Franchisor's receipt of evidence satisfactory to Franchisor that any party with whom Franchisor enters into a franchise agreement under Paragraph 2.A., any of such party's directors, officers, and Affiliates, and any of their funding sources is not a Competitor, an Affiliate of a Competitor, or a Restricted Person; (ii) Lender or the receiver, as the case may be, and each of its Interestholders satisfying Franchisor's then-current owner qualifications; and (iii) Franchisor's receipt of a guaranty on terms acceptable to Franchisor, in its sole discretion.

C. If Lender acquires ownership, control or possession of the Hotel by foreclosure, a deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, and Lender desires that the Hotel no longer be operated as part of the «brand» system of hotels, Lender will notify Franchisor of such desire within 10 days after Lender acquires ownership, control or possession of the Hotel, cooperate with Franchisor in the removal of the Hotel from the «brand» system of hotels, and promptly comply with Paragraph 12.

D. Lender may designate a wholly owned subsidiary of Lender (a “Lender Entity”) to acquire the Hotel and enter into the franchise agreement referred to in Paragraph 2.A., in which case the requirements of this Paragraph 2 shall apply to such Lender Entity.

3. Receivership. If Lender has a receiver appointed for the Hotel during a foreclosure proceeding or through any exercise of its rights as a secured lender, Lender may, by notice and payment to Franchisor of a non-refundable \$5,000 application fee, which is due by no later than the date on which a receiver has taken possession of the Hotel, have the Hotel operated by a management company under Paragraph 4 if: (i) subject to satisfaction of the requirements listed in clauses (b) through (d) of Paragraph 2.A. and the requirements in Paragraph 2.B. above, the receiver enters into a franchise agreement with Franchisor on terms acceptable to Franchisor within 30 days after a receiver has taken possession of the Hotel; (ii) the receiver is specifically authorized to enter into the franchise agreement by order of the court appointing such receiver; and (iii) such court issues an order that requires the Hotel to be operated in accordance with state, local, and federal laws and includes such other provisions about the franchise agreement and the operation of the Hotel as may be requested by Franchisor. If Lender fails to comply with any of the conditions (including the deadlines) set forth in this Paragraph 3, then Lender will be deemed to have waived its rights hereunder.

4. Substitute Manager. Lender’s right to propose a substitute manager for the Hotel under this comfort letter is subject to the terms of this Paragraph 4. At Lender’s request, Franchisor will provide Lender a list of management companies that would be consented to by Franchisor to operate the Hotel. If possible, such list will contain at least three management companies. Franchisor may withhold its consent to any proposed management company that Franchisor determines in its Reasonable Business Judgment: (i) is not financially capable; (ii) does not have the managerial skills or operational capacity required to operate «brand» hotels; or (iii) is not otherwise able to comply fully with the requirements of the franchise agreement. If at any time during Lender’s ownership, control, or possession of the Hotel, the Hotel is operated by a management company not consented to by Franchisor, Franchisor may immediately terminate the Franchise Agreement, this comfort letter, and the Hotel’s relationship with the «brand» system of hotels on notice to Lender.

5. Notification of Lender Enforcement Actions. Lender will notify Franchisor at least 10 days before Lender: (i) commences foreclosure proceedings on the Hotel; (ii) petitions for appointment of a receiver, obtains the entry of an order for relief, or takes any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) accepts a deed for the Hotel in lieu of foreclosure; or (iv) takes ownership, possession, or control of the Hotel, directly or indirectly, in any manner. Such notice will identify the court in which any such action referred to in subsection (i) or subsection (ii) will be filed. Within 30 days after Lender receives notice of another party’s commencement of foreclosure proceedings, filing of an action for the appointment of a receiver, or filing of a petition for relief under state or federal bankruptcy laws with regard to the Hotel, Lender will notify Franchisor of such matters. After the initial timely notification of Franchisor required under clauses (i) through (iv) above, Lender will promptly provide to Franchisor a copy of any order appointing a receiver, or any other judicial or administrative order from an action initiated by Lender that materially impacts ownership, control or possession of the Hotel.

6. No Consent to Assignment of Franchise Agreement. Any current and any future collateral assignment, pledge, grant of a security interest or other transfer to Lender or its Affiliates of any interest in the Franchise Agreement: (i) has not been and will not be consented to by Franchisor; (ii) does not and will not affect Franchisor’s rights under the Franchise Agreement; (iii) does not and will not grant Lender or any other Person any rights under the Franchise Agreement or any rights relating to the license granted under the Franchise Agreement, including the right to operate the Hotel as part of the «brand» system of hotels; and (iv) is and will be limited by the terms of this comfort letter. Neither Lender nor

Franchisee will assign or otherwise transfer any rights under this comfort letter (which is non-assignable) or under the Franchise Agreement without the prior written consent of Franchisor, and any purported assignment or transfer without Franchisor's prior written consent will be void and ineffective. Lender's only rights relating to the Franchise Agreement and the license granted under the Franchise Agreement, including the right to operate the Hotel as part of the «brand» system of hotels, are stated in this comfort letter.

7. Transition of Control of the Hotel. Lender, Franchisor, and Franchisee will cooperate so that any change in ownership, possession or control of the Hotel under this comfort letter will be conducted: (i) efficiently; (ii) without inconvenience to the guests and employees of the Hotel; and (iii) in accordance with applicable law, including the WARN Act (29 U.S.C. §§ 2101et seq.).

8. No Claims. Franchisor may discuss with Lender, successor mortgagee, any receiver requested by Lender, or any of their respective designees the status of the Hotel, the Franchise Agreement, the terms of any agreement contemplated by this comfort letter, and any matters of which Lender is entitled to receive notice. Franchisor and its Affiliates, agents, employees, officers, directors, successors, assigns, and representatives ("Released Persons") will not be liable to any Person for taking any action or providing any information required or contemplated by this comfort letter ("Comfort Letter Acts"). On behalf of itself and its owners, Affiliates, agents, officers, directors, employees, representatives, successors, and assigns, Franchisee releases, discharges, and holds harmless the Released Persons from any and all actions, causes of action, suits, claims, demands, damages, debts, accounts, and judgments, at law or in equity, for any Comfort Letter Acts. Franchisee also represents as of this date and, to the best of its knowledge, that: (i) there is no existing default by either Franchisee or Franchisor under the Franchise Agreement; (ii) no event has occurred which, with the giving of notice or passage of time, or both, would constitute a default by either Franchisee or Franchisor under the Franchise Agreement; and (iii) Franchisee has no claims against Franchisor. Franchisor's rights under this Paragraph 8 will survive termination of this comfort letter.

9. Notices. All notices required under this comfort letter will be: (i) in writing; (ii) delivered by hand with receipt, or by courier service with tracking capability; and (iii) addressed as stated below or at any other address designated in writing by the party entitled to receive the notice:

If to Lender, to:

«Lender_Name»
«lender_street»
«lender_city», «lender_state» «lenderZipCode»
Attn: «LenderContact»

With a copy to:

If to Franchisor, to:

«Franchisor_Licensors»
7750 Wisconsin Avenue
Bethesda, MD 20814
Attn: Law Department 52/923.28

Any notice will be deemed received (i) when delivery is received or first refused, if delivered by hand or (ii) one day after posting of such notice, if sent via overnight courier.

10. No Representations or Warranties; No Third-Party Beneficiary. Franchisor has not provided and, by issuing this comfort letter, is not providing: (i) any representation that it endorses, approves, or recommends the Loan or any financial projections delivered to Lender in connection with the Loan; (ii) any guarantee or assurance that Franchisee, or any other party will be able to repay the Loan; or (iii) any endorsement, approval, or recommendation of Franchisee or Franchisee's character or reputation. Because the No-Defaults Representation only covers the status of the Franchise Agreement as of the date of this comfort letter, Lender will not rely on the No-Defaults Representation as to the status of the Franchise Agreement after the date of this comfort letter. On Lender's request, Franchisor will represent to Lender, to the best of Franchisor's knowledge, whether Franchisor has issued any notice of a default by Franchisee under the Franchise Agreement, which default remains uncured as of such date, or any notice of termination under the Franchise Agreement. If Lender makes a decision (for example, to exercise any of its enforcement rights under the Loan) or issues a representation or warranty to another party (for example, in connection with a modification, securitization, or sale of the Loan) without requesting such a representation from Franchisor, then Lender will not: (i) rely on any past notice of default or termination under the Franchise Agreement; or (ii) rely on its own assumption as to the status of the Franchise Agreement (for example, on the assumption that no default exists because Lender did not receive a copy of a default notice). This comfort letter is solely for the benefit of the addressee named on the first page of this comfort letter and is not intended to create any third-party beneficiary.

11. Replacement Comfort Letter. Franchisor will issue a replacement comfort letter on the form of comfort letter in Franchisor's then-current franchise disclosure document, if Lender: (A) transfers the Loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions or designates a trustee of a trust established in connection with the securitization of the Loan (each, a "Replacement Event"), provided that such transferee or designee (i) is not a Competitor, an Affiliate of a Competitor, or a Restricted Person, (ii) is not an Affiliate of Franchisee or an Interestholder in Franchisee; and (iii) is not a Person which currently develops or operates any Franchisor Products and is not an Affiliate of, or an Interestholder in, such Person; and (B) provides a written request to Franchisor, no later than 90 days after the Replacement Event, to issue a replacement comfort letter, and includes in such request: (i) the name and address of the entity for which the replacement comfort letter is requested to be issued, (ii) the name, address, telephone number, and email address for the contact person for such entity, (iii) the date of the Replacement Event, and (iv) a statement that the Loan is not in default; and (C) enters into such replacement comfort letter within 60 days of receipt of a draft comfort letter from Franchisor. If Lender fails to comply with any of the foregoing conditions, then Lender will be deemed to have waived its right to receive a replacement comfort letter under this Paragraph 11. Franchisee will pay the then-current lender comfort letter processing fee for any such requests. Franchisor reserves the right to require representations and warranties or certifications that the conditions in this Paragraph 11 are met before issuing any replacement comfort letter. Any such replacement comfort letter will supersede this comfort letter.

12. Possession of the Hotel. If Lender or a receiver appointed at the request of Lender owns, controls, or possesses the Hotel, Lender will: (i) at Franchisor's request, after termination of the Franchise Agreement for any reason, immediately perform, or cause the receiver to perform, the requirements of the Franchise Agreement for de-identifying the Hotel as part of the «brand» system of hotels; and (ii) indemnify, defend, and hold harmless Franchisor and its Affiliates against any loss, claim, or other liability of any kind arising from or in connection with the operation of the Hotel as part of the «brand» system of hotels at any time during such ownership, control, or possession. Lender's obligations under this Paragraph 12 will survive termination of this comfort letter. Nothing in this comfort letter (or a court order appointing a receiver) will limit Franchisor's rights or remedies under the Franchise Agreement or to seek legal redress for any unauthorized use of Franchisor's trademarks, service marks, or systems.

13. Termination. This comfort letter will terminate and Lender will have no rights under

this comfort letter if:

(A) Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors has entered into, or is subject to, a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency;

(B) Lender no longer holds a valid first mortgage or security deed for the Hotel, unless (a) Lender has acquired ownership, possession or control of the Hotel by foreclosure, deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, in which case Lender will have the rights stated in Paragraph 2.A. for the period stated in such Paragraph; or (b) there has been a securitization or transfer of the Loan, in which case Lender will have the rights stated in Paragraph 11 for the period stated in such Paragraph;

(C) the Franchise Agreement has expired by its terms;

(D) the Franchise Agreement has been terminated, unless such a termination is the result of the timely exercise of Lender's rights under Paragraph 2 or Paragraph 3, in which case this comfort letter will terminate on the exercise or expiration of such rights, but in no event later than 45 days after such termination of the Franchise Agreement; or

(E) Lender breaches this comfort letter.

Lender agrees to notify Franchisor promptly following the occurrence of any of the circumstances described in clause (A) or (B) of this Paragraph 13, but Lender's failure to give such notice will not affect the automatic termination of this comfort letter.

14. Effectiveness. Franchisor will have no obligations under this comfort letter unless and until Lender, Franchisee, and Franchisor have executed this comfort letter and delivered it to the other parties. This comfort letter may be executed in any number of counterparts, each of which will be deemed an original and all of which constitute one and the same instrument. Delivery of electronic signature or an executed signature page by electronic transmission is as effective as delivery of an original signed counterpart. Each party hereto waives any defenses to the enforceability of the terms of this comfort letter based on the foregoing forms of signature.

15. Interpretation of Agreement. Lender, Franchisee, and Franchisor intend that this comfort letter excludes all implied terms to the maximum extent permitted by applicable law. Headings of Paragraphs are for convenience and are not to be used to interpret the Paragraphs to which they refer. Words indicating the singular include the plural and vice versa as the context requires. References to days, months, and years are all calendar references. References that a Person "will" do something mean the Person has an obligation to do such thing. References that a Person "may" do something mean the Person has the right, but not the obligation, to do so. References that a Person "may not" or "will not" do something mean the Person is prohibited from doing so. Examples used in this comfort letter and references to "includes" and "including" are illustrative and not exhaustive. Issuance of this comfort letter, as well as any terms granted herein, do not create any binding obligation on Franchisor to provide similar terms or conditions in the future. If not defined in this comfort letter **[or in Exhibit A to this comfort letter]**, capitalized terms have the meanings stated in the Franchise Agreement. **[NOTE: IF THE FORM OF THE FRANCHISE AGREEMENT PRE-DATES THE MARCH 31, 2025, FORM, ADD EXHIBIT A TO INCORPORATE NEW OR REVISED DEFINED TERMS.]**

DEFINITIONS

Definitions. For the purposes of this comfort letter:

“Affiliate” means, for any Person, a Person that is directly or indirectly Controlling, Controlled by, or under common Control with such Person.

“Competing Brand” means a brand, trade name, trademark, system, collection or chain of hotels, Vacation Club Products, whole ownership facilities, short-term rentals, home sharing facilities, or other similar lodging facilities that competes with a Franchisor Product.

“Competitor” means any Person, or any Person that is an Affiliate of a Person, that has a direct or indirect Ownership Interest in or Control of, is the Master Franchisee for, or is the franchisor or licensor of a Competing Brand. No Person will be considered a Competitor if such Person has an interest in a Competing Brand merely as: (i) a franchisee, licensee or a management company that owns or operates lodging facilities under a Competing Brand so long as such Person is not a Master Franchisee for such Competing Brand; or (ii) a passive investor that has no Control over the business decisions of the Competing Brand, such as limited partners or non-Controlling stockholders.

“Control” (in any form, including “Controlling” or “Controlled”) means, for any Person, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person or the power to veto major policy decisions of such Person. If a Person (or group of Persons acting together collectively) beneficially owns less than 25% of the voting stock of a publicly-traded company, such Person (or group of Persons) will not be considered to have Control of such company solely because of such beneficial ownership.

Re: Proposed Conversion of _____ (the “Hotel”) to a/an
[Autograph Collection] [Delta] [Le Méridien] [[JW] Marriott] [Renaissance]
[Sheraton] [The Luxury Collection] [Tribute Portfolio] [Westin] Hotel

Dear _____:

This letter agreement (“Letter Agreement”) sets forth our understandings regarding the procurement of, and payment for, information and technology systems and related training and other services for the Hotel.

Marriott International, Inc. (“Marriott”) is currently in negotiations with _____ (“Franchisee”), regarding a/an [Autograph Collection] [Delta] [Le Méridien] [[JW] Marriott] [Renaissance] [Sheraton] [The Luxury Collection] [Tribute Portfolio] [Westin] franchise agreement for the Hotel. Franchisee has informed Marriott of its desire to convert the Hotel to a/an [Autograph Collection] [Delta] [Le Méridien] [[JW] Marriott] [Renaissance] [Sheraton] [The Luxury Collection] [Tribute Portfolio] [Westin] Hotel on or about _____. Franchisee acknowledges that Marriott does not typically conduct site visits or place orders for information and technology systems [in certain instances, add: and related training] and other services for the Hotel (the “Goods”) before the execution of a franchise agreement. However, as an accommodation to Franchisee and in order to meet Franchisee’s desired conversion deadline, Marriott is willing to conduct site visits and submit orders for the Goods on the terms of this Letter Agreement.

Marriott and Franchisee agree that Marriott will order the Goods referenced in the attached estimate worksheet (the “Cost Estimate”) before the execution of a franchise agreement. The cost estimate for the procurement of such Goods for the Hotel is \$ _____. Franchisee acknowledges that the costs for such items and services are subject to change and that the actual costs may exceed the Cost Estimate.

Franchisee agrees to pay, or cause to be paid, Marriott’s expenses incurred in connection with such site visits and the Goods ordered by Marriott for the Hotel, regardless of whether the parties enter into a franchise agreement. Such payment shall be due and payable to Marriott within 30 days of Franchisee’s receipt of an invoice from Marriott.

Nothing in this Letter Agreement will be construed as an obligation by Marriott to grant a franchise to Franchisee for the Hotel, authorization to use any of the Goods, or authorization to advertise or present the Hotel as a member (or future member) of the [Autograph Collection] [Delta] [Le Méridien] [[JW] Marriott] [Renaissance] [Sheraton] [The Luxury Collection] [Tribute Portfolio] [Westin] Hotel System. Such franchise and authorizations will only be granted pursuant to a signed franchise agreement between Franchisee and Marriott.

Franchisee represents that it has ownership, possession or control of the Hotel and the Site and the right to enter into this Term Sheet and the Agreements. Franchisee represents and warrants to

Franchisor that no agreement or other arrangement of any type (including any management agreement, franchise agreement, letter of intent, option to purchase, technical services agreement, reservation agreement, or any oral agreement or course of conduct which could be construed to be a contract) exists, as of the date of this Term Sheet, with any third party relating to the Site or the Hotel, which would prohibit or conflict with the Franchisee's ability to enter into this Term Sheet or the Agreements (each, a "Third Party Agreement"). If any Third Party Agreement exists, on request of Franchisor, Franchisee will provide documentation acceptable to Franchisor that evidences the expiration or right to terminate such Third Party Agreement. Franchisee will defend, indemnify and hold harmless Franchisor, its Affiliates, and their respective directors, officers, employees, and agents, from any claim, loss, liability, cost, or expense arising out of any agreement alleged by any third party to be in conflict with this Term Sheet.

Except as required by law or as necessary to enforce this Letter Agreement in any legal proceedings, Franchisee agrees to keep confidential and not disclose (a) the existence or terms of this Letter Agreement and (b) any proprietary information or know-how associated with the technology systems purchased in accordance with this Letter Agreement, in each case, to any person or entity, without the prior written consent of Marriott.

This Letter Agreement (a) sets forth the entire agreement between the parties pertaining to the subject matter of this Letter Agreement, (b) is governed by and construed under the laws of the State of Maryland, which laws will prevail in the event of any conflict of law, (c) is not assignable by Franchisee without the consent of Marriott, (d) is binding upon and inures to the benefit of the parties and their permitted successors and assigns, and (e) may be executed in counterparts, all of which constitute one and the same instrument. Delivery of an executed signature page by electronic transmission is as effective as an original signed counterpart. Upon execution by Franchisee and Marriott of a franchise agreement for the Hotel, this Letter Agreement shall automatically terminate and be superseded by the provisions of the franchise agreement.

Please indicate your acceptance of the terms of this Letter Agreement by signing this Letter Agreement, under seal, in the space provided below and returning an executed version to Marriott.

Respectfully,

MARRIOTT INTERNATIONAL, INC.

3. **Lender:** _____.

4. **Loan:** _____ Dollars (\$ _____ .00) loan from Lender to Borrower. The Loan will be secured by a first priority deed of trust or mortgage encumbering the Project (“**Mortgage**”) in favor of Lender.

5. **Credit Enhancer:** MICC.

6. **Guaranteed Amount:** MICC shall guarantee a portion of the Loan equal to the lesser of: (i) _____ Dollars (\$ _____ .00), or (ii) the amount that is equal to *[_____ percent (____ %) of the outstanding principal balance of the Loan / ten percent (10%) of Project Costs (“Maximum Amount”). As used herein, “Project Costs” means (a) the acquisition costs of the land on which the Project is located; (b) all labor, materials, and services needed to design and construct the Hotel; (c) interest and closing costs for the Loan; and (d) all other expenses anticipated by Borrower incident to the acquisition of the property, construction of the Hotel and closing the Loan]* (“**Maximum Amount**”). *[Note – conform to specifics of Credit Enhancement Agreement]*

7. Credit Enhancement Obligations: MICC and Lender shall execute a Credit Enhancement Agreement setting forth the rights and obligations of those parties and the terms and conditions upon which MICC shall pay guaranteed amounts up to the Maximum Amount. MICC's obligations to Lender under the Credit Enhancement Agreement shall arise upon the occurrence of a failure by Borrower or _____, as guarantor under the Loan, to make any scheduled monthly payment of principal and/or interest under the Loan or to fund any construction shortfall as determined by the Lender. Upon receipt of a notice of such a default, MICC may elect to:

- (a) cure the default by making the delinquent payment of principal and/or interest directly to Lender or by funding the amount of the construction shortfall, as applicable, or

(b) The Reimbursement Agreement shall provide that any advance made by MICC to Lender to cure a Borrower default shall be repaid by Borrower and/or *[Members / Partners]* to MICC, together with interest and other fees incurred by MICC. Advances made by MICC under the Credit Enhancement Agreement shall accrue interest at an annual rate of interest equal to one-half of one percent (0.5%) above the rate of interest accruing on the Loan.

(c) The Equity Pledge shall secure the reimbursement obligations to MICC for advances made by MICC to Lender under the Credit Enhancement Agreement. To the extent that advances made by MICC are not repaid in accordance with the terms of the Reimbursement Agreement, the Equity Pledge shall permit MICC to (i) receive any and all net operating income from the operation of the Project and/or sale, refinance or casualty proceeds that would otherwise be payable to Borrower and/or *[Members / Partners]* up to the amount due under the Reimbursement Agreement, and (ii) foreclose the *[Member / Partner]* pledges, which may result in MICC becoming the owner of the *[Member / Partner]* interests in Borrower.

9. MICC Documents: As a condition to MICC providing the Credit Enhancement to Lender, the following documents shall be delivered to MICC in form acceptable to MICC: (i) Reimbursement Agreement executed by Borrower and *[Members / Partners]*; (ii) Equity Pledge executed by the *[Members / Partners]*; (iii) UCC Financing Statements; (iv) Guaranty Agreement (limited to non-recourse carveout acts identified in the Guaranty Agreement)

10. Due on Sale / Due on Encumbrance: The MICC Documents contain due on sale and due on encumbrance clauses that prohibit the sale or encumbrance of the Project or any of the *[Member / Partner]* interests in Borrower without the prior written consent of MICC, which consent may be granted or withheld in MICC’s sole discretion. The foregoing provisions of this paragraph notwithstanding, the Project may be encumbered by the Mortgage in favor of Lender.

11. Financial Statements: Borrower shall furnish to MICC quarterly and annual financial statements of Borrower and the *[Members / Partners]*, annual income statements for the Project, and such other financial or operating information as MICC may from time to time reasonably require.

12. Default Provisions: In addition to MICC’s customary provisions concerning defaults, each of the following shall constitute a default under the MICC Documents:

(a) the failure to obtain MICC’s approval in connection with any sale, transfer or encumbrance of the Project or any of the *[Member / Partner]* interests in Borrower;

(b) the occurrence of a default under, or a termination of, the Marriott Franchise Agreement; and

(c) the occurrence of a default beyond any applicable grace period in the performance of any of its obligations under the Mortgage, or any lien, encumbrance, security agreement or ground lease affecting the Project.

14. Legal Fees and Expenses: By execution of this Commitment, Borrower and *[Members / Partners]* acknowledge that MICC is deemed to have earned the right to reimbursement for the fees, costs and expenses incurred by MICC in connection with the transaction described herein. The form and content of such opinions shall be acceptable to MICC in its reasonable discretion.

- (a) Fully executed MICC Documents;

Obligors hereby (i) waive and renounce any and all homestead exemption rights and the benefits of all valuation and appraisal privileges as against the Reimbursement Obligation; (ii) waive presentment, demand, protest, notice of nonpayment, notice of dishonor and any and all lack of diligence or delays in the collection or enforcement hereof except for the notice requirements, if any, set forth above; and (iii) **waive all rights to trial by jury in any action or proceeding instituted by or against Obligors which pertain directly or indirectly to this Agreement, or which arise out of or are in any way connected to the relationship between Obligors and MICC hereunder.** Obligors represent, warrant and agree that MICC has made no representations or commitments, oral or written, or undertaken any obligations other than as expressly set forth in this Agreement and the MICC Loan Documents.

14. Not Usurious. In no event shall the amount of interest due or payable hereunder exceed the maximum amount of interest allowed by applicable law or otherwise violate applicable law, and in the event any payment is made which exceeds such maximum lawful amount, then the amount of such excess sum shall be credited as a payment of the Reimbursement Obligation. It is the express intent hereof that Obligors shall not pay and MICC shall not receive, directly or indirectly, interest in excess of what may lawfully be paid by Obligors under applicable law.

15. Voidable Preference; Fraudulent Conveyance. If, at any time, any payment, or portion thereof, made on account of any of the obligations and liabilities hereunder is set aside as a voidable preference or fraudulent conveyance or must otherwise be restored or returned by MICC under any insolvency, bankruptcy or other federal and/or state laws, this Agreement shall continue and remain in full force and effect or be reinstated, as the case may be, all as though such payment or payments had not been made.

16. Review of Agreement. Obligors represent and warrant to MICC that they (i) have read each and every provision of this instrument, (ii) have consulted, or has been given the opportunity to have this instrument reviewed by competent legal counsel of their choosing, and (iii) understand, agree to and accept the provisions hereof.

17. Severability. If any provision in this Agreement shall be illegal or unenforceable, such provision shall be deemed to be replaced by the valid and enforceable provision that is substantively most similar to such invalid or unenforceable provision, but the remaining provisions shall not be affected thereby.

18. Successors and Assigns. This Agreement and all of the terms, conditions and obligations hereunder shall be binding upon and inure to the benefit of Obligors, MICC and their respective successors and assigns. The forgoing provisions of this Section notwithstanding, an assignment of Obligor's obligations under this Agreement shall not release from or relieve Obligors of their obligations hereunder.

19. Confession of Judgment. Each Obligor hereby irrevocably constitutes, appoints and authorizes the clerk of any court or any attorney to appear for such Obligor in any state or federal court having jurisdiction in the State of Maryland, to waive the issuance and service of process, and to confess judgment against such Obligor in favor of MICC in the full amount owing hereunder, plus court costs and an attorney's fee equal to fifteen percent (15%) of the outstanding amount owed under this Agreement. Each Obligor waives the benefit of any and

every statute, ordinance or rule of court which may be lawfully waived which confers upon such Obligor any right of appeal, vacating or granting relief from enforcement of a confessed judgment. Each Obligor waives any and all defenses in connection therewith, including, but not limited to, any defense or claim that MICC acted improperly, negligently or unreasonably in connection with the obligations evidenced by this Agreement. No single exercise of the foregoing power to confess the judgment shall be deemed to exhaust the power, whether or not any such exercise shall be held by a court to be valid, voidable or void, but the power shall continue undiminished and it may be exercised from time to time as often as MICC shall elect, until such time as MICC shall have received payment in full of the Reimbursement Obligations, together with interest thereon, plus attorneys' fees and costs as set forth in this Section 19.

20. Business Purpose. Obligors represent and warrant that the indebtedness evidenced by this Agreement was obtained in connection with a business or commercial enterprise.

21. Joint and Several Obligations. To the extent that Obligors are comprised of more than one person or entity, the liabilities and obligations of Obligors under this Agreement shall be joint and several.

If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note or other instrument (other than an instrument which constitutes chattel paper under the Code), such note or instrument shall be immediately assigned hereunder and a security interest therein hereby granted to MICC, and such note or other instrument shall be duly endorsed without recourse or warranty in a manner satisfactory to MICC and delivered to MICC. If, at any time, any Grantor's right or interest in any of the Collateral becomes an interest in real property, such Grantor immediately shall execute, acknowledge and deliver to MICC such further documents as MICC deems necessary or advisable to create a perfected lien in favor of MICC in such real property interest. Such lien in favor of MICC shall be subordinate only to the lien of the Senior Loan Documents. Grantors agree that this Security Agreement or a photocopy of this Security Agreement shall be sufficient as a financing statement, if permitted by applicable law.

(b) Priority of Liens. Grantors will defend the right, title and interest hereunder of MICC, as a first priority security interest in the Collateral against the claims and demands of all persons whomsoever.

(c) Further Identification of Collateral. Grantors will furnish to MICC from time to time such reports in connection with the Collateral as MICC may reasonably request.

(d) Notices. Grantors will advise MICC promptly, in reasonable detail of: (i) any lien, security interest, encumbrance or claim made or asserted against any of the Collateral, and/or (ii) any capital distribution of cash or other property made by the Company, whether in complete or partial liquidation or otherwise made after any act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default, and of any other change in the composition of the Collateral, Grantor or the Company.

(e) Continuous Perfection. No Grantor will change its name in any manner which might make any financing statement or financing statement amendment filed hereunder seriously misleading within the meaning of Section 9-506 (or any other then applicable provision) of the Uniform Commercial Code as in effect in the jurisdiction in which such

financing statement or financing statement amendment is filed unless such Grantor shall have given MICC at least thirty (30) calendar days prior written notice thereof and shall have taken all action (or made arrangements to take such action substantially simultaneously with such change if it is impossible to take such action in advance) necessary or reasonably requested by MICC to amend such financing statement or financing statement amendment so that it is not seriously misleading.

(f) Legal Status. No Grantor will change its place of business (or if it has more than one place of business, its chief executive office), mailing address, organizational identification number, jurisdiction of organization, type of organization or other legal structure unless such Grantor has (i) taken such action as is necessary to cause the security interest of MICC in the Collateral to continue to be perfected, and (ii) given to MICC prior written notice of such changes. If Grantor does not have an organizational identification number and later obtains one, Grantor shall promptly notify MICC of such organizational identification number.

(g) Transfers of Interests. Without MICC's prior written consent, no Grantor shall, directly or indirectly, (i) permit the creation of any new ownership interest in any Grantor or the Company, (ii) sell, pledge, mortgage, assign, transfer or otherwise dispose of or create or suffer to be created any lien, security interest, charging order, or encumbrance on all or any part of the Project (except for the lien of the Senior Loan Documents), any ownership interests in the Company, any ownership interest in any Grantor, or any of the Collateral or the assets of any Grantor to or in favor of any Person, or (iii) permit the Company to, directly or indirectly, sell, pledge, mortgage, assign, transfer or otherwise dispose of or create or suffer to be created any lien, security interest, charging order, or encumbrance on the Project (except for the lien of the Senior Loan Documents), any ownership interests in the Company, or the assets of the Company to or in favor of any Person.

(h) Performance of Obligations. Each Grantor will perform all of such Grantor's obligations under the Organizational Documents prior to the time that any interest or penalty would attach against such Grantor or any of the Collateral as a result of such Grantor's failure to perform any of such obligations, and Grantors will do all things necessary to maintain the Company as a *[limited liability company / limited or general partnership / corporation]* under the laws of its state of formation and to maintain in full force and effect, without diminution, each Grantor's interest as a *[member / partner / shareholder]* of the Company.

(i) Stay or Extension Laws. Grantors will not at any time claim, take, insist upon or invoke the benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral prior to any sale or sales thereof to be made pursuant to the provisions hereof or pursuant to the decree, judgment, or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state to redeem the property so sold or any part thereof, and each Grantor hereby expressly waives, on behalf of such Grantor and each and every person or entity claiming by, through and under such Grantor, all benefit and advantage of any such law or laws, and covenants that such Grantor will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power, right or remedy herein or hereby granted and delegated to MICC, but will authorize, allow and permit the execution of every such power, right or remedy as though no such law or laws had been made or enacted.

(j) Organizational Documents. Without the prior written consent of MICC, Grantors will not (i) permit any amendment or modification of the Organizational Documents, or (ii) admit new *[members / partners / shareholders]* or otherwise take any action to dilute the rights pledged to MICC with respect to the Collateral, or (iii) waive, release, or compromise any rights or claims Grantors may have against any other party which arise under the Organizational Documents.

(k) Records of the Company. Grantors shall cause the Company to (i) make a notation in the records of the Company indicating the security interest granted hereby, and (ii) if requested by MICC, execute and deliver to MICC the consent of the Company in which the Company agrees to comply with the MICC's instructions without Grantors' further consent.

(l) Continued Existence of the Company. Grantors shall elect to continue the existence of the Company following a transfer of the *[membership / partnership / shareholder]* interests to MICC, its designee, or to the purchaser of such *[membership / partnership / shareholder]* interests at any public or private sale held in connection with the exercise of MICC's remedies hereunder (collectively, "Transferee"), and do hereby permit the unconditional and unqualified admission of Transferee as a *[member / partner / shareholder]* of the Company.

(m) Insurance. Grantors shall cause the Company to maintain such property and liability insurance as required by the Senior Loan Documents and to name MICC as an additional insured under all such liability insurance policies, with such insurance being primary and non-contributory.

(n) Project Documents. *Grantors shall cause the Company to deliver to MICC the following materials at such time as Company delivers such materials to Senior Lender: (i) periodic construction budget and schedule updates; (ii) draw request packages and related materials; and (iii) other documents submitted to Senior Lender relating to construction of the Project. [Use only if new construction is involved]*

5. Grantors' Powers.

(a) So long as no act, condition or event shall have occurred that is or would be, with notice and/or the passage of time, an Event of Default, Grantors shall be entitled to exercise for any purpose any and all (i) voting rights, and (ii) powers, arising from or relating to the Collateral; provided, however, that Grantors shall not exercise such rights or powers, or consent to any action of the Company that would be in contravention of the provisions of, or constitute an Event of Default, or in any way be inconsistent with the provisions of this Security Agreement or any of the other MICC Loan Documents.

(b) Upon the occurrence of an act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default, any and all voting rights and powers included in the Collateral or otherwise described in Section 5(a) shall thereupon become vested in MICC, and MICC shall thereafter have the sole and exclusive right and authority to exercise such voting rights and powers. Each Grantor shall execute such documents and instruments

including, but not limited to, statements that such Grantor no longer has the right to act as a *[member / partner / shareholder]*, or otherwise relating to such change, as MICC may request. Each Grantor agrees that the Company and any *[member / partner / shareholder]* of the Company may rely conclusively upon any notice from MICC that MICC has the right and authority to exercise all rights and powers of each Grantor as a *[member / partner / shareholder]* under the Organizational Documents. Each Grantor irrevocably waives any claim or cause of action against the Company or any *[member / partner / shareholder]* in the Company who deals directly with MICC following receipt of such notice from MICC.

6. MICC's Appointment as Designee or Attorney-in-Fact.

(a) Each Grantor hereby irrevocably constitutes, delegates and appoints MICC and each officer or agent of MICC with full power of substitution, as such Grantor's true and lawful designee and attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in such designee's or attorney-in-fact's own name, from time to time in the discretion of each such designee or attorney-in-fact, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement. Without limiting the generality of the foregoing, and for so long as any act, condition or event shall exist that is or would be, with notice and/or the passage of time, an Event of Default, each Grantor hereby gives each such designee or attorney-in-fact the power and right to act on behalf of such Grantor, without notice to or assent by such Grantor, to do the following:

(i) to ask, demand, collect, receive and give acceptances and receipts for any and all moneys due and to become due under any Collateral and, in the name of such Grantor or such designee's or attorney-in-fact's own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by such designee or attorney-in-fact for the purpose of collecting any and all such moneys due under any Collateral whenever payable;

(ii) to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral, to effect any repairs or any insurance with respect to any of the Collateral and to pay all or any part of the premiums therefor and the costs thereof; and

(iii) **(A)** to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due and to become due thereunder directly to MICC or as such designee or attorney-in-fact shall direct; **(B)** to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; **(C)** to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; **(D)** to defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; **(E)** to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as such designee or attorney-in-fact may deem

appropriate; and (F) generally to sell, transfer, pledge, make any agreement or exercise any options, voting or consent rights with respect to or otherwise deal with any of the Collateral as fully and completely as though such designee or attorney-in fact were the absolute owner thereof for all purposes, and to do, at the option of such designee or attorney-in-fact at such Grantor's expense, at any time, or from time to time, all acts and things which such designee or attorney-in-fact reasonably deems necessary to protect, preserve or realize upon the Collateral and the security interest of MICC therein, in order to effect the intent of this Security Agreement, all as fully and effectively as such Grantor might do.

Each Grantor hereby ratifies, to the extent permitted by law, all that said designee or attorney shall lawfully do or cause to be done by virtue hereof. This delegation and power of attorney are powers coupled with an interest and are irrevocable.

(b) The powers conferred on each designee and attorney-in-fact hereunder are solely to protect the interest in the Collateral of MICC and shall not impose any duty upon any such designee or attorney-in-fact to exercise any such powers. Each such designee or attorney-in-fact shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to such Grantor for any act or failure to act unless such action or failure to act constitutes gross negligence or willful misconduct.

(c) Each Grantor also authorizes MICC and each officer or agent of MICC upon the occurrence of any act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default, to execute, in connection with the sale provided for in Section 10 of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to any of the Collateral.

7. **Distributions.** Each Grantor hereby grants MICC full irrevocable power and authority to receive and hold, at any time and from time to time, cash and non-cash distributions by the Company on account of any of the Collateral, which may be held free and clear of the liens created hereby, and to convert any such non-cash distributions to cash, and to apply any such cash distributions, interest or proceeds of conversion in the manner specified in Section 10(e) of this Security Agreement. This assignment shall be effective immediately upon the execution of this Security Agreement and is not conditioned upon the occurrence of any act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default. Notwithstanding the foregoing, until the occurrence of an act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default, MICC hereby permits Grantors to receive any distribution free from MICC's security interest and any rights of MICC hereunder. Upon the occurrence of any act, condition or event that is or would be, with notice and/or the passage of time, an Event of Default, Grantors' privilege to receive any distribution shall immediately cease without the requirement of any notice from MICC and shall not be reinstated until such Event of Default is cured.

8. **Performance by MICC of Grantor's Obligations.** If Grantors fail to perform or comply with any of Grantors' obligations or agreements contained herein, MICC shall give written notice of such failure to Grantors. If such failure continues for more than ten (10) calendar days after receipt of MICC's notice, MICC may itself perform or comply, or otherwise

cause performance or compliance, with such obligation or agreement, and the expenses incurred by MICC in connection with such performance or compliance, together with interest thereon at the interest rate specified in the Reimbursement Agreement shall be payable by Grantors to MICC on demand and shall constitute Liabilities secured by this Security Agreement.

9. Default. The occurrence of any of the following shall constitute an “**Event of Default**” hereunder:

(a) A failure by any Grantor, the Company or any Guarantor to observe or perform any obligation, covenant, condition, or agreement in this Security Agreement or any other MICC Loan Document that involves the payment of money, including without limitation, the occurrence of any event identified as one of the “Guaranteed Events” in section 1.3 of the Guaranty;

(b) A failure by any Grantor, the Company or any Guarantor to observe or perform any nonmonetary obligation, covenant, condition, or agreement in this Security Agreement or any other MICC Loan Document to be performed by any Grantor, the Company or any Guarantor, including without limitation, the occurrence of any event identified as one of the “Guaranteed Events” in section 1.3 of the Guaranty;

(c) If any Grantor, the Company or any Guarantor shall make an assignment for the benefit of creditors, or if any Grantor shall generally not be paying its debts as they become due;

(d) If a custodian, receiver, liquidator or trustee of all or any portion of the assets of any Grantor, the Company or any Guarantor shall be appointed, or if any Grantor, the Company or any Guarantor shall be adjudicated bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced by any Grantor, the Company or any Guarantor, or if any proceeding for the dissolution or liquidation of any Grantor, the Company or any Guarantor shall be instituted; provided, however, that such appointment, adjudication, petition or proceeding, if involuntary and not consented to by such Grantor, shall constitute an Event of Default only if not discharged, stayed or dismissed within ninety (90) calendar days;

(e) Any statement, report, certificate, representation or warranty made by any Grantor *for any member / partner / shareholder of a Grantor* in this Security Agreement, or by Grantor, the Company or any Guarantor in any other MICC Loan Document, or in connection with the Senior Loan is not true and correct in any material respect; or

(f) The death of any individual Grantor or Guarantor.

10. Remedies; Rights Upon Default.

(a) Upon the occurrence of an Event of Default, MICC, at its option, may declare all Liabilities to be immediately due and payable, regardless of whether Senior Lender has made any demand upon MICC under the Credit Enhancement Agreement, and may require

Grantors to (i) pledge and grant to MICC a security interest in additional collateral in the form of cash or readily marketable U.S. government securities acceptable to MICC, in an amount equal to the maximum amount of Advances that MICC may be required to pay under the Credit Enhancement Agreement, as determined by MICC in its sole discretion (“**Supplemental Collateral**”) and shall require that any Supplemental Collateral that is comprised of cash be placed in a segregated deposit account (“**Supplemental Collateral Account**”, which shall be deemed part of the Collateral for purposes of this Security Agreement), and (ii) execute and deliver to MICC such security agreements, endorsements, control agreements and other documents necessary to perfect MICC’s security interest in the Supplemental Collateral and/or the Supplemental Collateral Account.

(b) Upon the occurrence of any Event of Default, MICC or MICC’s designee may, at MICC’s option, elect to become a substituted *[member / partner / shareholder]* of the Company with respect to the Collateral, and Grantors shall execute or cause to be executed all documents necessary to evidence MICC so becoming substituted *[member / partner / shareholder]*. If any Event of Default shall occur, MICC or MICC’s designee may exercise, in addition to all other rights and remedies granted to them in this Security Agreement (including without limitation those provided in Sections 6 and 7) and in any other MICC Loan Document or instrument or agreement securing, evidencing or relating to the Liabilities, all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, Grantors expressly agree that in any such event, MICC, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Grantors or any other person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange or broker’s board or at any of MICC’s offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery, without the assumption of any credit risk. Grantors expressly acknowledge that private sales may be less favorable to a seller than public sales, but that private sales shall nevertheless be deemed commercially reasonable and otherwise permitted hereunder. Because federal and state securities laws and/or other applicable laws may impose certain restrictions on the method by which a sale of the Collateral may be effected, Grantors agree that upon the occurrence of an Event of Default, MICC may, from time to time, attempt to sell all or any part of the Collateral by means of a private placement, restricting the prospective purchasers to those who will represent and agree that they are purchasing for investment only and not for distribution. In so doing, MICC may solicit offers to buy the Collateral, or any part thereof, for cash, from a limited number of investors deemed by MICC in its sole judgment, to be financially responsible parties who might be interested in purchasing the Collateral, and, if MICC solicits such offers, then the acceptance by MICC of the highest offer obtained therefrom shall be deemed to be a commercially reasonable method of disposing of the Collateral.

MICC or MICC’s designee shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption Grantors hereby release. Grantors further agree, at the request of MICC, to assemble

the Collateral and make it available to MICC at places which MICC shall reasonably select, whether at Grantors' premises or elsewhere. MICC shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale in the manner set forth in Section 10(e) of this Security Agreement. MICC must account for the surplus, if any, to Grantors only after so paying over such net proceeds and after the payment by MICC of any other amount required by any provision of law, including Section 9-615(a)(3) of the Code. To the extent permitted by applicable law, Grantors waive all claims, damages, or demands against MICC arising out of the repossession, retention or sale of the Collateral except, in each case, such claims, damages, or demands that arise solely from the gross negligence or willful misconduct of MICC. Grantors agree that MICC shall not be required to give more than ten (10) calendar days' notice (which notification shall be deemed given in accordance with Section 12 hereof) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters.

(c) In addition to the Liabilities, Grantors will pay all costs of MICC, including reasonable attorneys' fees and expenses, incurred with respect to the collection of any of the Liabilities or the enforcement of any of MICC's rights hereunder.

(d) Grantors hereby waive presentment, demand, or protest (to the extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral. Except for notices provided for herein, Grantors hereby waive notice (to the extent permitted by applicable law) of any kind in connection with this Security Agreement.

(e) The proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be distributed by MICC in the following order of priorities:

First, to MICC in an amount sufficient to pay in full the reasonable expenses (including reasonable attorneys' fees and expenses), liabilities and advances incurred or made by MICC in connection with the collection of the Liabilities, and in connection with the sale, disposition or other realization of the Collateral;

Second, to MICC until all Reimbursement Obligations then-outstanding and other then-ascertainable Liabilities consisting of fees, costs, charges and expenses incurred by MICC are paid in full;

Third, to the Supplemental Collateral Account until the requirement for Supplemental Collateral set forth in Section 10(a) is fully funded;

Fourth, to payment in full of all other unpaid Liabilities; and

Finally, upon the unconditional release or termination of MICC's obligations under the Credit Enhancement Agreement, to Grantors, in accordance with their pro rata interests or as a court of competent jurisdiction over Grantors may direct, or as otherwise required by law.

Each Grantor agrees to indemnify and hold harmless MICC, its directors, officers, employees, agents, and parent and subsidiary corporations (collectively, "**Indemnitees**"), and

each of them, from and against any and all liabilities, obligations, claims, damages, or expenses incurred by any of them, arising out of or by reason of such Grantor's respective acts or omissions with respect to the Collateral, this Security Agreement, the Reimbursement Agreement or other MICC Loan Documents, and to pay or reimburse Indemnitees for the reasonable fees and disbursements of counsel incurred in connection with any investigation, litigation or other proceedings (whether or not Indemnitees are a party thereto) arising out of or by reason of claims by third parties in connection with or in any way related to the Collateral, the Reimbursement Agreement or this Security Agreement. The foregoing provisions of this paragraph notwithstanding, such indemnity shall not apply to liabilities, obligations, claims, damages or expenses resulting from the gross negligence or intentional misconduct of Indemnitees, as determined by a final adjudication in a court of competent jurisdiction. Indemnitees will promptly give such Grantor written notice of the assertion of any claim which it believes is subject to the indemnity set forth in this Section 10 and will, upon the request of such Grantor, promptly furnish such Grantor with all material in its possession relating to such claim or the defense thereof to the extent that Indemnitees may do so without breach of duty to others. Any amounts properly due under this Section 10 shall be payable to Indemnitees immediately upon demand.

11. Limitation on MICC's Duty in Respect of Collateral. Except as expressly provided in the Code, and except in the case of MICC's gross negligence or willful misconduct, MICC shall have no duty as to (i) any Collateral in its possession or control or in the possession or control of any agent or nominee of MICC, or (ii) any income on the Collateral, or (iii) the preservation of rights against prior parties or any other rights pertaining thereto.

12. Notices. Notwithstanding any provision of law permitting alternate methods of communication, any notice or other communication required or permitted to be given shall be in writing and shall be delivered personally or shall be sent by registered mail, certified mail or Express Mail service, postage prepaid and return receipt requested, or by a nationally recognized overnight delivery service, addressed to the parties as set forth below. Any notice provided shall be deemed received when delivery is received or refused, as the case may be. Additionally, notices may be given by telephone facsimile or electronic e-mail transmission, provided that an original of said transmission shall be delivered to the addressee by a nationally recognized overnight delivery service on the day following such transmission. Telephone facsimiles and e-mail transmissions shall be deemed delivered on the date of such transmission.

Any party may change its respective address for the giving of notice to another address by giving at least ten (10) calendar days notice of such change.

13. Severability. Any provision of this Security Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof. Any such prohibition or unenforceability shall not invalidate or render unenforceable any other provisions of this Security Agreement.

14. No Waiver; Cumulative Remedies.

(a) MICC shall not, by any act, delay, omission or otherwise, be deemed to have waived any of its rights or remedies hereunder. No waiver hereunder shall be valid except to the extent therein set forth. A waiver of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which MICC would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising on the part of MICC any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or future exercise thereof or the exercise of any other right, power or privilege.

(b) Unless expressly waived, the rights and remedies hereunder are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law. MICC may resort to, and realize on, the Collateral simultaneously with any acts or proceedings initiated by MICC in its sole and conclusive discretion. None of the terms or provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by Grantors and MICC.

15. Successors and Assigns. This Security Agreement and all obligations of Grantors hereunder shall be binding upon the successors and assigns of Grantors. Notwithstanding the foregoing, Grantors shall not have the right to assign their rights or obligations hereunder or any interest herein to any third party. This Security Agreement shall, together with the rights and remedies of MICC hereunder, inure to the benefit of MICC and its successors and assigns.

16. Governing Law. This Security Agreement was negotiated in the State of Maryland, and accepted by MICC at its corporate offices in the State of Maryland. Any Advance that would give rise to the obligations of Grantors hereunder shall be made by MICC from its corporate offices in the State of Maryland and any payment by Company or Grantors as reimbursement for such Advance shall be made to MICC at its corporate offices in the State of Maryland. Grantors agree that the State of Maryland has a substantial relationship to the transaction evidenced hereby and further agrees that this instrument shall be construed according to and governed by the internal laws of the State of Maryland without regard to principles of conflicts of law.

17. Termination. This Security Agreement, and the assignments, pledges and security interests created or granted hereby, shall terminate when the Liabilities have been fully paid and satisfied, at which time MICC shall release, reassign, and deliver to Grantors all Collateral and related documents then in the custody or possession of MICC, including termination statements under the Code, all without recourse upon, or warranty whatsoever, by MICC.

18. Injunctive Relief. Grantors recognize that if Grantors fail to perform, observe or discharge any of Grantors' obligations hereunder, no remedy of law will provide adequate relief to MICC. Grantors agree that MICC shall be entitled to temporary and permanent injunctive relief in any such case, without the necessity of proving actual damages.

19. Waiver of Subrogation. Grantors shall have no right of subrogation as to any of the Collateral until full and complete performance and payment of the Liabilities.

20. Waiver of Jury Trial. GRANTORS AND MICC, BY ACCEPTANCE OF THIS SECURITY AGREEMENT, HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, OR RELATED TO, THE SUBJECT MATTER OF THIS SECURITY AGREEMENT AND THE BUSINESS RELATIONSHIP THAT IS BEING ESTABLISHED. THIS WAIVER IS KNOWINGLY, INTENTIONALLY AND VOLUNTARILY MADE BY GRANTORS AND MICC, AND GRANTORS ACKNOWLEDGE THAT NEITHER MICC NOR ANY

PERSON ACTING ON BEHALF OF MICC HAS TAKEN ANY ACTIONS WHICH IN ANY WAY MODIFY OR NULLIFY THE EFFECT OF THIS WAIVER. GRANTORS AND MICC ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH OF THEM HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS SECURITY AGREEMENT AND THAT EACH OF THEM WILL CONTINUE TO RELY UPON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS. GRANTORS AND MICC FURTHER ACKNOWLEDGE THAT THEY HAVE BEEN REPRESENTED (OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF THIS SECURITY AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL OF THEIR CHOOSING.

21. Venue. GRANTORS AGREE THAT ALL ACTIONS OR PROCEEDINGS ARISING DIRECTLY, INDIRECTLY OR OTHERWISE IN CONNECTION WITH OR RELATED TO THIS SECURITY AGREEMENT SHALL BE LITIGATED ONLY IN COURTS HAVING A SITUS WITHIN THE STATE OF MARYLAND. GRANTORS HEREBY CONSENT AND SUBMIT TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT HAVING JURISDICTION IN THE STATE OF MARYLAND.

22. Joint and Several Obligations. The liabilities and obligations of the Grantors under this Security Agreement shall be joint and several. Each Grantor hereby agrees that this Security Agreement may be enforced by MICC against any Grantor without first resorting to or exhausting any other security or Collateral and without first having, or concurrently seeking, recourse to any other Grantor or any of the Collateral secured by this Security Agreement through foreclosure proceedings, trustee's sale or otherwise.

23. Counterparts. This Assignment of Equity Interests and Security Agreement may be executed in one or more counterparts, each of which alone and all of which together shall be deemed an original.

24. Agreement by Company. By the signature below of its authorized representative, the Company acknowledges the provisions of this Security Agreement and, notwithstanding any contrary provisions set forth in the Organizational Documents, hereby agrees to cause any proceeds that may be available for distribution to any Grantor under the Organizational Documents to be distributed as follows: Following an (i) Advance by MICC (and until such Advance shall have been fully repaid by Grantors) and/or (ii) Event of Default (and for so long as such Event of Default shall remain uncured and is not waived), upon MICC's request, the Company shall either pay directly to MICC or shall execute and deliver a letter of direction to the Manager in the form of the letter attached as [\[Exhibit 1\]](#) hereto. Any payment made to MICC by either the Company or the Manager shall constitute distributions from the Company to Grantors.

IN WITNESS WHEREOF, Grantors have executed this Security Agreement as of the date first above written.

2.2 Any lien or charge on the Property, the Project and/or the *[member / partner]* interests in Borrower, or the revenue and income to be realized from any of the foregoing, and all rights in and to the Property, the Project and/or the *[member / partner]* interests in Borrower, which Guarantor may have or obtain as security for any loans, advances or costs in connection with the Project shall be, and such lien or charge hereby is, subordinated to the indebtedness of Borrower and *[Member / Partner]* to MICC under the MICC Documents.

3. Continuing and Absolute Obligation.

3.1 It is expressly understood and agreed that this is a continuing guaranty and that the obligations of Guarantor hereunder are and shall be absolute under any and all circumstances, without regard to the validity, regularity or enforceability of the MICC Documents. Guarantor hereby acknowledges having received and reviewed true copies of the MICC Documents.

3.2 Guarantor agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no way be terminated, affected or impaired by reason of the assertion by MICC of any rights or remedies which it may have under or with respect to the MICC Documents, or against any person obligated thereunder, or by reason of MICC's failure to exercise, or delay in exercising, any such right or remedy MICC may have hereunder or in respect to this Guaranty, or by reason of the adjudication in bankruptcy of any person obligated under the MICC Documents, or the filing of a petition for any relief under any federal or state bankruptcy or insolvency law by any such person, or the dissolution of Guarantor.

3.4 Guarantor further agrees that the provisions of this Guaranty shall not:

(a) Constitute a waiver, release or impairment of any obligation evidenced by the MICC Documents, or constitute a waiver by MICC of any rights to damages; and

(b) Impair the right of MICC to name Borrower and/or *[any Member / Partner]* as a party defendant in any action or suit or otherwise impair the right of MICC to enforce its remedies under the MICC Documents including, but not limited to, the right to obtain the appointment of a receiver.

3.5 Guarantor agrees that, if at any time any payment, or portion thereof, made on account of any of the obligations and liabilities hereunder is set aside as a voidable preference or fraudulent conveyance or must otherwise be restored or returned by MICC under any insolvency, bankruptcy or other federal and/or state laws, this Guaranty shall continue and remain in full force and effect or be reinstated, as the case may be, all as though such payment or payments had not been made.

4. Waiver of Exemptions. To the full extent that Guarantor may do so, Guarantor hereby waives the benefit of homestead and all other exemptions to which Guarantor may be entitled, and Guarantor waives notice of the acceptance hereof, presentment, demand for payment, protest, notice of protest or any and all notices of non-payment, non-performance, or non-observance, or other proof, or notice of demand.

5. MICC Assignment. MICC may sell, assign or transfer all or any portion of the indebtedness, obligations and liabilities of Borrower and *[Member / Partner]*, and, in such event, each and every successive assignee, transferee or holder of all or any part of said indebtedness, obligations or liabilities shall have the right to enforce this Guaranty as fully as if such assignee, transferee or holder were named herein.

6. Not Subject to Enforcement of Other Remedies. This Guaranty may be enforced by MICC against the Guarantor without first resorting to or exhausting any other security or collateral; provided, however, that nothing herein shall prevent MICC from bringing legal action under any of the MICC Documents or from exercising any of its rights thereunder.

7. Enforcement; Attorneys' Fees. Guarantor shall pay on demand all reasonable costs, fees, and expenses of MICC arising from the enforcement or the exercise of any remedy or other action taken by MICC under this Guaranty, in each case including the reasonable fees and disbursements of MICC's legal counsel and other reasonable out-of-pocket expenses, together with interest on all such amounts until paid at the Interest Rate set forth in the Reimbursement Agreement.

8. Joint and Several Obligations. The liability of Guarantor hereunder is joint and several, and independent of and separate from the liability of Borrower and *[Member / Partner]*, any other guarantor or person, and the availability of other collateral security for the MICC Documents.

9. **Binding Effect.** This Guaranty shall be binding upon the Guarantor and each of its successors, heirs, personal representatives and assigns, and shall inure to the benefit of and be enforced by MICC and its successors and assigns.

10. **Right of Set-Off.** In addition to all liens upon and rights of set-off against the money, securities or other property of Guarantor given to MICC by law, MICC shall have a lien upon and a right of set-off against all money, securities and other property of Guarantor now or hereafter in the possession of or on deposit with MICC, whether held in a general or special account or deposit, or for safe-keeping or otherwise, and every such lien and right of set-off may be exercised without demand upon, or notice to, Guarantor. No lien or right of set-off shall be deemed to have been waived by any act or conduct on the part of MICC, or by any neglect to exercise such right of set-off or to enforce such lien, or by any delay in so doing, and every right of set-off and lien shall continue in full force and effect until such right of set-off or lien is specifically waived or released by an instrument in writing executed by MICC.

11. **Governing Law.** This Guaranty was negotiated in the State of Maryland, and accepted by MICC at its corporate offices in the State of Maryland. Guarantor agrees that the State of Maryland has substantial relationship to the transaction described herein and further agrees that this Guaranty shall be construed according to and governed by the internal laws of the State of Maryland without regard to principles of conflicts of law. Guarantor hereby irrevocably submits to the nonexclusive jurisdiction of any State or Federal court sitting in Maryland over any suit, action or proceeding arising out of, or relating to, this Guaranty.

12. **Amendments.** This Guaranty cannot be modified, amended or terminated without a writing signed by both Guarantor and MICC.

13. **Trial by Jury Waiver.** **GUARANTOR AND MICC HEREBY WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INSTITUTED BY OR AGAINST GUARANTOR OR MICC PERTAINING DIRECTLY OR INDIRECTLY TO THIS GUARANTY.**

14. **Severability.** If any provision in this Guaranty shall be illegal or unenforceable, such provision shall be deemed to be replaced by the valid and enforceable provision that is substantively most similar to such invalid or unenforceable provision, but the remaining provisions shall not be affected thereby.

15. **Confession of Judgment.** Guarantor hereby irrevocably constitutes, appoints and authorizes the clerk of any court or any attorney to appear for Guarantor in any state or federal court having jurisdiction in the State of Maryland, to waive the issuance and service of process, and to confess judgment against Guarantor in favor of MICC in the full amount owing hereunder, plus court costs and an attorney's fee equal to fifteen percent (15%) of the outstanding amount owed under this Guaranty. Guarantor waives the benefit of any and every statute, ordinance or rule of court which may be lawfully waived which confers upon Guarantor any right of appeal, vacating or granting relief from enforcement of a confessed judgment. Guarantor waives any and all defenses in connection therewith including, but not limited to, any defense or claim that MICC acted improperly, negligently or unreasonably in connection with the enforcement of this Guaranty. No single exercise of the foregoing power to confess the

judgment shall be deemed to exhaust the power, whether or not any such exercise shall be held by a court to be valid, voidable or void, but the power shall continue undiminished and it may be exercised from time to time as often as MICC shall elect, for so long as this Guaranty shall remain in effect.

16. Loss of Guaranty. Upon notice from MICC of the loss, theft, or destruction of this Guaranty, and upon receipt of an indemnity reasonably satisfactory to Guarantor from MICC; or in the case of mutilation of the Guaranty, upon surrender of the mutilated Guaranty Guarantor shall make and deliver to MICC a new guaranty of like tenor in lieu of the then - superseded Guaranty.

17. Represented by Counsel. Guarantor acknowledges that it was represented by counsel in connection with the execution of this Guaranty and knowingly agreed to the terms of this Guaranty.

18. Captions. All captions, headings, paragraphs and subparagraph numbers and designations are solely for the purpose of facilitating reference to this Guaranty and shall not supplement, limit or otherwise vary in any respect the text of this Guaranty. As used herein, the singular shall refer to the plural and the plural shall refer to the singular.

19. Counterparts. This Guaranty Agreement may be executed in one or more counterparts, each of which alone and all of which together shall be deemed an original.

20. Financial Statements. Not later than one hundred and twenty (120) calendar days after the close of each fiscal year, Guarantor shall furnish to MICC annual financial statements and a balance sheet for the preceding fiscal year, in such detail as MICC may reasonably require.
