The franchisee will own and operate a Pearce Bespoke franchised business from which the franchisee will sell quality custom clothing and accessories.

The total investment necessary to begin operation of a Pearce Bespoke franchised business ranges from \$29,664 to \$120,765. This amount includes \$28,700 to \$60,200 which must be paid to us before opening your Pearce Bespoke franchised business.

By way of example, the total investment necessary to enter into an area development agreement for the right to develop three (3) Pearce Bespoke franchised businesses ranges from \$138,164 - \$204,765, which includes: (i) between \$137,200 to \$144,200, that is paid directly to us or our affiliates and (ii) your total investment to begin operation of the first Pearce Bespoke franchised business in accordance with your development schedule, as described in the area development agreement.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risks be highlighted:

Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation or binding arbitration only in North Carolina. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in North Carolina than in your own state.

Spousal Liability. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Short Operating History. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Mandatory Minimum Payments. You must make minimum royalty or advertising fund payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Sales Performance Required. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this franchise Disclosure Document, the franchisor, Pearce Bespoke Franchising, LLC shall be referred to as “Pearce Bespoke,” “Franchisor,” or “we,” while the individual or entity purchasing the Pearce Bespoke franchised business shall be referred to as “Franchisee” or “you.” If the Franchisee is a corporation, partnership, or other entity, “Franchisee” or “you” will refer to all its members, shareholders, and owners.

The Franchisor

Pearce Bespoke was incorporated under the laws of the state of North Carolina on November 5, 2021. Its principal business address is 107 Parr Dr., Huntersville, NC 28078. We began offering franchises in February 2022. Pearce Bespoke does not offer franchises nor conducts business in any line of business that provides products or services to Pearce Bespoke franchisees.

Parents, Predecessors, and Affiliates

Pearce Bespoke does not have a parent company, subsidiary, or predecessor at the issuance date of this Disclosure Document.

We have one affiliate entity, Nathan Pearce, LLC d/b/a Pearce Bespoke, a Louisiana limited liability company formed October 3, 2019, and since September 2022 has operated a business in the Baton Rouge, Louisiana area similar to the business we offer in this Disclosure Document. The affiliate does not conduct any other business, nor does it provide products or services to other Pearce Bespoke franchisees.

Pearce Bespoke’s agents for service of process are disclosed in Exhibit B.

Except as disclosed above, no parent, predecessor, or affiliate offers franchises nor conducts business in any other line of business.

Franchise Offering

We offer and sell franchises to Franchisees for mobile units under the Pearce Bespoke™ mark (hereinafter, “Mobile Franchise”) under the terms of the franchise agreement in the form included in this Disclosure Document, as Exhibit E (the “Franchise Agreement”). A Mobile Franchise is a mobile unit from which you will sell quality custom men’s and women’s clothing and accessories. Pearce Bespoke emphasizes consumer value by offering quality custom merchandise at substantial savings and convenience from traditional custom tailors. If you enter into a Franchise Agreement, you must pay us a one-time franchise fee upon execution of your Franchise Agreement, as defined below in Item 5 below and in the Franchise Agreement.

Marketing, the Business System, the Marks, and the Manuals

Pearce Bespoke has developed a marketing system which creates a certain product image in the minds of customers, a business strategy for getting and keeping customers, and a distribution method for products and services. Pearce Bespoke has developed all these areas of business as part of its system (the “Business System”), which you will receive the right to use Pearce Bespoke uses and licenses certain service marks and trademarks, logos, trade dress, and other commercial symbols, including the service mark Pearce Bespoke (collectively, the “Marks”). Pearce Bespoke may, in the future, modify the Marks as well as add new trademarks, service marks, logos, trade dress, and other commercial symbols.

The purchase of a Mobile Franchise permits you: (i) to use Pearce Bespoke's Marks; (ii) to obtain access to the distinctive operational and management attributes of the Business System, including confidential manuals describing complete guidelines for the operation of a Mobile Franchise (the "Manuals"); (iii) the right to use Pearce Bespoke's Approved Suppliers (see Item 8); and (iv) to receive the benefits of association with an expanding franchise system, including various forms of opening and operational assistance from Pearce Bespoke (see Item 11). You must comply with all of Pearce Bespoke's requirements described in the Franchise Agreement and the Manuals. This compliance assures uniform and consistent application of the Business System which is essential to the successful operation of your Mobile Franchise.

Laws and Regulations

You must comply with all laws, rules, and regulations governing the operation of the Mobile Franchise, and obtain all permits and licenses necessary to operate your Mobile Franchise (including licenses to play music, videos, or television in your Mobile Franchise, if applicable). In addition to laws and regulations that apply to businesses generally, your Mobile Franchise may be subject to local statutes or regulations that generally govern tailors and other trades. You should check with state and local government entities to find out if these types of statutes or regulations will apply to your franchise. Your Mobile Franchise will also be subject to various federal, state, and local government regulations, including those relating to site location.

Competitive Nature of the Industry

The market for custom tailored men and women's clothing and accessories is well developed, competitive, and continues to expand as consumers recognize the value associated with these custom items. As a result, you will face significant competition, both directly and indirectly, from similar mobile custom clothing competitors. You will likely also compete with other retail custom clothing shops, on-line sales, and similar clothing websites. Pearce Bespoke and its franchisees will likely face increased competition as additional competitors enter the market. Several of these competitors are regional or national systems selling custom clothing and related accessories. Several of these competitors may have significantly greater financial resources than Pearce Bespoke and you.

Notes:

1. Except where otherwise noted, all fees are payable to Pearce Bespoke, are uniformly imposed, and are non-refundable. Pearce Bespoke requires you to allow us to withdraw royalty fees, brand fund fees, and other fees directly from your bank account. All new franchisees are required to pay the percentage rate, or the flat fee stated in this Disclosure Document. In the future, Pearce Bespoke may periodically change the royalty fees, brand fund fees, and other fees listed in this item as described in the Franchise Agreement.

2. “Gross Sales” means the total revenues you receive from the sale of goods and services, whether by cash or by check, credit card, or trade, in connection with the Mobile Franchise, less customer refunds and returns and sales or similar taxes. Gross Sales includes any sales permitted through the internet.

3. “Net Sales” means Gross Sales minus: (i) the amount of any documented refunds, chargebacks provided to customers or retailers in good faith; and (ii) Licensor designated or approved discounts, promotions, or credits.

4. “Credit Card Sales” means all revenue transacted from or during the operation of your Business including, but not limited to, service fees, product sales, business interruption insurance, and all amounts

that you receive at or away from the Site, whether from cash, check, EFT, ACH, wire transfer, credit and debit card, barter, exchange, trade credit, loyalty program points, gift card redemptions, or other credit transactions.

5. Pearce Bespoke or local Pearce Bespoke franchisees may establish an advertising cooperative in your area. The local advertising cooperative will establish the amount of cooperative advertising fees. If a company-owned Mobile Franchise is a member of your cooperative, it will have voting power equal to that of franchised stores. Company-owned stores will not have controlling power in any local cooperative. As of the issuance date of this document, there is only one (1) company-owned Pearce Bespoke location.

6. To the extent your annual contributions to cooperative advertising programs are less than 5% of the Gross Sales for your Mobile Franchise, you must conduct additional advertising and marketing activities in your local geographic area. Your local advertising activities, however, will not eliminate your obligations to contribute to cooperative advertising programs. If you do not spend at least 5% of Gross Sales for the calendar year for cooperative or local advertising, we may require that you pay Pearce Bespoke the difference between what you should have spent and what you actually spent on advertising initiatives in your market for the previous calendar year, at Pearce Bespoke's sole discretion. Pearce Bespoke recommends that you spend \$12,000 - \$15,000 on advertising and marketing during the first year.

7. This fee is payable when the Franchise Agreement or a substantial portion of the assets of the Mobile Franchise or any controlling interest in the Franchise Agreement or the assets of the Mobile Franchise are transferred.

8. You must pay us, or a third party that we designate, a technology fee for various technology services that we will provide or arrange for third parties to provide to you, which services are subject to change over time (the "Technology Fee"). Currently, the Technology Fee is a pass-through cost for the technology services we provide for you from the date that you open your Business for business and will be collected in the same manner as the Royalty Fee and Brand Fund Fee. We reserve the right to implement a non-pass-through Technology Fee for technology and website development services we will provide. We reserve the right to increase the Technology Fee by providing you with written notice of any change at least thirty (30) days prior to the implementation of the new fee amount. We may add, delete, or otherwise modify the products and services that are included in the Technology Fee. In addition to the monthly Technology Fee, you will be responsible for any "per transaction" fee charged by third-party vendors for mobile application or online bookings, if any.

Notes:

1. Except where otherwise noted, all fees that you pay to Pearce Bespoke are nonrefundable. Refund related questions related to third-party lessors, contractors, suppliers, and vendors will be governed by the terms of each of those respective contracts. All amounts are in USD.
2. Initial Franchise Fee. The initial Franchisee Fee for a Pearce Bespoke Mobile Franchise is \$49,500, for a Territory with a population of between 50,000 to 200,000 people or \$25,000 for a Territory with a population of no more than 50,000 people. The initial Franchise Fee is non-refundable and is deemed earned upon receipt.
3. Travel and Living Expenses For Training. This amount includes lodging, meals, and travel expenses for two persons attending the initial training program during the initial training program (see Item 11).
4. On-Site Training. Prior to opening your Mobile Franchise, you must successfully complete the required training programs. The low estimate assumes you will travel to our Training Facility in Baton Rouge, Louisiana. The high estimate is based on a request that we conduct training at your location, in which case you will be responsible for our expenses associated with travel, lodging, and other reasonable costs that we incur.
5. Rent (if applicable). You are not required to acquire or lease a dedicated facility to be used solely for your Mobile Franchise. However, we anticipate that some franchisees will lease or rent an office or a shared workplace at some point in the operation of their Mobile Franchise. The low end of the estimate contemplates working from a home office. The high end of rent estimate contemplates three month's rents based on our knowledge of rent expenses in Baton Rouge, Louisiana for class B or C office space. Rent expense for a facility from which to operate your Mobile Franchise will vary, based on location, square footage, age of the property, condition of the structure, lease arrangements, and other such factors, including whether you rent from a shared workspace or co-working space and your credit worthiness.
6. Opening Inventory & Equipment Package. Upon signing the Franchise Agreement, you will also pay to us between \$1,000 to \$8,000 for your opening inventory and equipment, which is used in the initial start-up phase of your Mobile Franchise ("Opening Inventory Package"). The Opening Inventory Package includes the cost of our signature clothing trunk, additional transportation luggage, a mixture of men and women's custom suits and clothing, and a variety of accessories that you will utilize to promote and market your Mobile Franchise.
7. Clothier Recruiting Package. The low estimate assumes that use our approved vendor to assist in recruiting potential clothiers to operate your Mobile Franchise. The high estimate includes all the cost associated with such services
8. Clothier Inventory Package. This fee estimates the costs associated with purchasing our signature trunk, a set of fabric, and lining sample books. The low estimate assumes you are the operator and have already purchased the Opening Inventory & Equipment Package. The high estimate is assuming you hire two clothiers, you will be required to purchase the \$2,700 Inventory Package for each.
9. Uniforms. This estimate includes the costs associated with purchasing five suits from us (at cost) for each operator/clothier. The low estimate assumes you will be the sole operator/clothier of your Mobile Franchise. The high estimate is based upon you hiring two clothiers and purchasing five suits for each.
10. Advertising & Marketing Introduction Program. This amount includes your pre-opening marketing, post-opening marketing, and local advertising expenses for the first 90 days of operation of your Mobile Franchise.

11. Technology Fee. You will pay us a weekly technology fee of \$25 (four times per month, for a total of \$100 per month).
12. Point-Of-Sale System, Software, and Computer Hardware. You must use the POS System and Software (both defined in Item 11), and computer hardware which Pearce Bespoke has selected for the Business System in the operation of your Mobile Franchise. This may require you to obtain a license for the POS System and Software from Pearce Bespoke or a third-party Approved Supplier (See Item 11 for more detailed information).
13. Computer System. You must have an iPad, phone, and printer to operate your Mobile Franchise. The low estimate assumes you already own all the specified devices. The high estimate assumes you do not own any of the devices and will purchase need to purchase them.
14. Supplies. Your investment in supplies and inventory necessary to operate the Mobile Franchise is highly variable. Your exact investment depends on several factors, including but not limited to your sales volume, relevant inventory levels, transportation costs, financing costs, and similar factors beyond Pearce Bespoke's control. The cost of supplies will increase as your client base and staff grow.
15. Insurance. You must purchase and maintain insurance in the types and amounts described in the Franchise Agreement or Manual. This estimate covers three months' premiums for workers' compensation and commercial liability insurance. Your cost of insurance may vary depending on the insurer, the location of your Mobile Franchise, your claims history, and other factors. You must provide certificates of insurance evidencing coverage to us on an ongoing basis.
16. Licenses or Permits. This amount contemplates the costs of obtaining a business license or permit to begin operations. This estimate is based on our experiences with business licenses and may vary depending on state and local requirements.
17. Professional Fees. This estimates the costs of professional advisors (like an attorney and an accountant) for the initial review and advice consistent with the start-up of a franchised business.
18. Vehicle Lease. You are not required to purchase or lease a vehicle to operate your Business, provided your vehicle is in good working condition and no more than five (5) years old. The low-end amount assumes you have a vehicle that is paid off and in good working condition, whereas the high-end amount reflects the cost of purchasing or leasing a vehicle. Franchisees who choose to finance their vehicle through traditional financing sources, including banks, or other private financing companies can lower their initial vehicle investment requirement. You can choose the type of vehicle to purchase or lease, but we have used a Toyota Corolla price reference for purposes of this section. The total estimated cost to purchase the vehicle ranges between \$21,000 - \$30,000. Should you choose to finance your vehicle, our estimates are based on a 20% deposit on the final purchase invoice with the remainder financed over a 60-month term at an interest rate of 3%. The high side of our estimate is based upon three months of payments. Your deposit, term, and interest may vary. Additionally, the vehicle must be box wrapped with Pearce Bespoke approved marks and logos, as described in the Manuals.
19. Additional Funds (3 Months). This category estimates your pre-operational expenses that are not listed in other categories, as well as any additional funds necessary for the first three (3) months of operational expenses for your Mobile Franchise, including but not limited, to employee wages, salaries, payroll taxes, health and workers' compensation, benefits, and staff recruiting expenditures (including payroll to cover the grand opening promotional period and pre-opening training period for your staff); additional legal and accounting fees, additional advertising and marketing, insurance, bank charges, additional supplies and equipment, state tax and license fees, deposits, prepaid expenses, and other miscellaneous expenditures. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting your Mobile Franchise. Your costs depend on factors such as: whether you intend to be an owner-operator, whether you intend to hire, how closely you follow our methods and

procedures; your management capabilities, business acumen, operational experience, local economic conditions; the local market for our concept; the prevailing wage rate; competition; and the sales levels reached during this initial period.

20. Total. Except as expressly indicated otherwise, these estimates cover your initial cash investment up to the opening of your Mobile Franchise and for a period of three months thereafter. They do not provide for your cash needs to cover any financing incurred by you or for other expenses not previously discussed above. You should not plan to draw income from the operation during the start-up and development stages of your Mobile Franchise, the actual duration of which will vary materially from franchisee to franchisee and cannot be predicted by us for your Mobile Franchise (and which may extend for longer than the three month “initial phase” described herein.

You should have additional sums available to you, whether in cash, through bank financing, through rollovers, or through other assets which you can liquidate to cover additional expenses and any operating losses you may sustain, whether during your start-up and development stage, or beyond. The amount of necessary reserves will vary greatly from franchisee to franchisee and will depend upon many factors, including the rate of growth and success of your Mobile Franchise, which in turn will depend upon factors such as the demographics and economic conditions in the area in which your Mobile Franchise is located, the presence of other similar services and competition, public awareness of your services within the general vicinity of your proposed Mobile Franchise, and your ability to operate efficiently and in conformance with our recommended methods of doing business in the Business System.

Because the actual amount of reserve finances will vary from operation to operation and cannot be meaningfully estimated by us, we urge you to retain the services of an experienced accountant or financial advisor to develop a business plan and financial projections for your Mobile Franchise. The ranges and categories listed in the table above are based on our own experience. Your expenses may be significantly different. Do not rely on this estimate of expenses to predict your future performance because your expenses may differ from the ranges above.

None of the estimated expenditures listed in the table are refundable, except (i) utility deposits are usually refundable, and (ii) lease security deposits may be refundable. We do not offer, directly or indirectly, financing for any of the above expenditures. See Item 10. The availability and terms of financing will depend on many factors, including the availability of financing generally, your creditworthiness, other security that you may have, and policies of lending institutions concerning the type of business being operated by you.

B. Estimated Initial Investment – Multiple Businesses Under Development Agreement¹

Type of Expenditure	Amount	Method of Payment	When Due	To Whom Payment Is Made

TOTAL (3)	\$138,164 - \$204,765			

Notes to Chart 7(B) above:

This Chart details the estimated initial investment associated with executing a Development Agreement for the right to own and operate a minimum of two (2) Mobile Franchises and up to a maximum of seven (7) Mobile Franchises, as well as the initial investment to open your first Mobile Franchise under your Development Schedule (provided you comply with your development obligations under the Development Agreement).
2. Development Fee. The Development Fee is non-refundable. The low-end of the estimate is based upon opening two (2) Mobile Franchises and the high-end of the range reflects the Development Fee for opening seven (7) Mobile Franchises. The Development Fee is described in greater detail in Item 5 of this Disclosure Document.
3. Estimated Initial Investment to Open One (1) Business. This figure represents the total estimated initial investment required to open the initial Mobile Franchise you agree to open and operate under the Development Agreement, excluding the Franchise Fee as it is included in the Development Fee. You will be required to enter into our then current form of franchise agreement for the initial Mobile Franchise at the same time you execute your Development Agreement. The range includes all the items outlined in Chart 7(A) of this Item, except for the initial Franchise Fee (because you are not required to pay any Initial Franchise Fee for those Mobile Franchises you open under the Development Agreement).
4. *Total*. This is the Development Fee plus the estimated initial investment to open and commence operating your first Business within your Development Area. This range does not include any of the costs you will incur in opening any additional Franchised that you are granted the right to open and operate under your Development Agreement.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your Mobile Franchise in accordance with our Business System. The Business System's standards and specifications relating to the establishment, operation, and regulation of your Mobile Franchise, include but are not limited to, goods, services, supplies, items, equipment, inventory, and real estate fixtures; computer hardware, software, search engine optimization services, client survey services; marketing materials, advertising and sales collateral, use of signs, letterhead, business cards, and other promotional materials; credit card processing services; insurance providers; vehicle manufacturers (including make and model); and all clothing manufacturers and distributors used in operating your Mobile Franchise.

Pearce Bespoke has negotiated or will negotiate programs with several manufacturers and suppliers so that franchisees may benefit from volume purchasing and prepaid freight programs. Third party vendors may charge franchisees directly for products or services. The Business System's standards and specifications are based upon our experience with various vendors, contractors, and suppliers in the custom clothing and franchising industries and we will provide you with a list of our approved suppliers ("Approved Suppliers"). Pearce Bespoke retains the sole and absolute discretion to make the final determination on all Approved Suppliers, however, we will consider supplier approval requests from franchisees upon written request. We will approve or disapprove a supplier within 30 days after we receive written notice from you. All suppliers you use must be approved by us before you can use them and may be subject to our training and reporting requirements.

Pearce Bespoke is an Approved Supplier for certain items for which you are contractually obligated to purchase in the operation of your Mobile Franchise. Pearce Bespoke, its officers and/or persons affiliated

with us, may now or in the future own an interest in Pearce Bespoke and be Approved Suppliers of certain items of the Business System. Ownership interest in any Approved Supplier may include Pearce Bespoke, our officers, our members, our shareholders, and/or persons affiliated with us. Approved Supplier items include, but shall not be limited to, recruiting services, computer hardware, software, collaboration and communication services, telephone, information management system, credit/debit card processing, criminal history background checks, email marketing, online accounting, virtual phone systems and client online surveys. You must license the POS/CRM software and purchase the computer hardware components for the POS System (the “POS System”) either from us or a third-party vendor which may be modified from time to time in the Manuals.

To ensure a uniform image and quality of products and services throughout the Pearce Bespoke Business System, you must maintain the standards and specifications in accordance with the Manuals. You must comply with Pearce Bespoke’s then-current approved standards and specifications in the Manuals in operating and equipping your Mobile Franchise. You must use equipment (including hardware and certain software programs for the POS System), signs, items, furnishings, products, supplies, and advertising and sales promotion materials which meet the standards and specifications of Pearce Bespoke’s Business System. In addition, you may sell from your Mobile Franchise only those categories of products and services that Pearce Bespoke approves. Pearce Bespoke periodically publishes for franchisees a list of approved product categories for use in a Mobile Franchise. Pearce Bespoke may periodically update and alter these categories of products and services you may sell from your Mobile Franchise. Pearce Bespoke’s Manuals currently establish standards and specifications for men’s and women’s clothing and other items sold in your Mobile Franchise.

You must purchase and maintain, at your expense, comprehensive general liability insurance in an amount Pearce Bespoke will designate periodically, but at least \$1,000,000 per occurrence and \$2,000,000 in the aggregate. This insurance must insure Pearce Bespoke, you and any other person Pearce Bespoke designates from liability for all damage or injury. You must also purchase business interruption insurance, business personal property insurance, money, and securities insurance, and building insurance (if applicable). In addition, you must maintain any other insurance as may be required under law.

The products or services we require you to purchase or lease from an Approved Supplier, or purchase or lease in accordance with Business System’s standards and specifications, are referred to collectively as your “Required Purchases.” We estimate that your Required Purchases, purchases from Approved Suppliers and purchases that must meet our specifications in total will be about 65% - 80% of your total purchases to establish the Mobile Franchise and about 65% - 80% of your purchases to continue the operation of your Mobile Franchise. Please be advised that these percentages do not include the lease payments that you make in connection with your premises.

Pearce Bespoke may provide certain administrative, technical, design, and advisory services and data to a limited number of Approved Suppliers and other suppliers. We and/or our affiliates may negotiate supply contracts with our Approved Suppliers or other suppliers under which we are able to purchase products, equipment, supplies, services, and other items at a price that will benefit us and our franchisees. We and/or our affiliate(s) may receive payments or other compensation from Approved Suppliers or any other suppliers on account of these suppliers’ dealings with us, you, or other mobile franchises in the Business System, such as barter, cash, credit (regardless of collection), rebates, allowances, commissions, or any other forms of compensation. We may use any amounts that we receive from Approved Suppliers and other suppliers for any purpose that we deem appropriate as a result of any and all transactions with franchisees.

Marketing Programs

Pearce Bespoke establishes and conducts various marketing programs as follows:

Brand Fund

We may use contributions to the Brand Fund Fee to satisfy any and all costs of maintaining, administering, directing, preparing, and producing advertising, social media, public relations, including the cost of preparing and producing television, radio, magazine and newspaper advertising campaigns, the cost of direct mail and outdoor billboard advertising; the cost of public relations activities, social media activities and advertising agencies; the cost of developing and maintaining an internet website and social media pages; and personnel and other departmental costs for advertising that we internally administer or prepare. Pearce Bespoke may contract with outside marketing agencies and production companies to produce certain advertising, marketing, and promotional materials.

You must pay us a Brand Fund Fee of 2% of Gross Sales per week, which we may increase up to a maximum of 3% of Gross Sales per week. Pearce Bespoke administers the use of Brand Fund Fees collected from franchisees. Not all Pearce Bespoke franchisees will benefit directly or on a pro-rata basis from the Brand Fund's expenditures. We may contribute to the Brand Fund in our sole discretion and be reimbursed later by the Brand Fund. Pearce Bespoke does not prepare a financial statement as to the collection and use of Brand Fund Fees, nor are the Brand Fund Fees audited. Pearce Bespoke will, however, provide you (at your request) an accounting of the most recently completed fiscal year. Pearce Bespoke is not obligated to spend any amount of the Brand Fund Fee on advertising in the area or territory where you are located. Pearce Bespoke will carry over for future use Brand Fund Fees not spent in any fiscal year. While we do not anticipate that any part of the Brand Fund will be used for advertising or public relations that are principally a solicitation for the sale of additional franchises, we reserve the right to do so in the future and to include a notation in any advertisement indicating that franchises are available.

You may develop advertising and marketing materials for your own use, at your own cost, if you follow the Business System standards and specifications, as outlined in the Manuals. Business System guidelines and your materials must be factually correct, accurately depict the Marks, and communicate the Pearce Bespoke™ brand position and character that Pearce Bespoke has established for Mobile Franchises. If you develop advertising or marketing materials, you must provide a copy of the materials to Pearce Bespoke for our review and approval (in writing) before you use the advertising or marketing materials. If you desire to advertise or market on the internet, you must obtain written authorization from Pearce Bespoke.

In the 2023 fiscal year, Pearce Bespoke collected \$1,500 in Brand Fund Payments. The first Pearce Bespoke franchisee paid their Initial Brand Fund Fee during the last week of December; therefore, we did not have any expenditures from the Brand Fund during the 2022 Fiscal Year.

Franchise Advisory Council

While Pearce Bespoke does not currently have a Franchisee Advisory Council ("FAC"), we reserve the right to formulate one in the future. It is envisioned that when developing marketing strategy and allocating the use of Brand Fund Fees, Pearce Bespoke may consult with its Pearce Bespoke FAC. Pearce Bespoke appoints franchisees to serve as members of the FAC. All FAC members must be in good standing and remain in good standing during their term. All members serve on the FAC for a term determined by Pearce Bespoke. The FAC serves in an advisory capacity to, among other objectives, provide advice on advertising, research, and promotional activities to Pearce Bespoke and its outside advertising agencies. Pearce Bespoke has the power to form, change or dissolve the FAC.

Local Marketing Cooperative

You also must participate in a local marketing cooperative (“Cooperative”) if established in the designated market area (“DMA”) where two (2) or more unaffiliated franchisees are located, including where you operate your Mobile Franchise. You will not be obligated to contribute more than 5% of the Gross Sales for your Mobile Franchise to the Cooperative (“Market Cooperative Contribution”).

Each Cooperative must adopt written bylaws, which follow the format Pearce Bespoke has approved. You may request a copy of the bylaws of the Cooperative (if one has been established) for your DMA from the Cooperative president or Pearce Bespoke. Each Cooperative must follow voting procedures that are consistent with the general operating rules Pearce Bespoke has established. The members of the Cooperative and their elected officials will administer the Cooperative in your area. Pearce Bespoke strongly recommends that Cooperatives prepare annual financial statements and make those financial statements available to all franchisees in that Cooperative. Pearce Bespoke has the power to establish Cooperatives and the bylaws, policies, and rules under which the Cooperatives will operate.

Computer System

Point-of-Sale System

You must install a computerized POS System (“POS System”) purchased through Pearce Bespoke or a third-party Approved Supplier that we approve. There is an ongoing fee associated with the use of our POS System, once per month we will withhold the amount due to operate the POS System from one of your weekly payments. This POS system is periodically modified in response to business operations, marketing conditions, and changes in technology. As of the date we issued this Disclosure Document, the POS System includes the following minimum components:

Computer Software and Hardware

You must purchase and use all computer software programs (“Software”), which we have developed or may develop and/or designate for use for the Business System through Approved Suppliers and you must also purchase such computer hardware as may be necessary for the efficient operation of the Software. We have the right to require you to update or upgrade computer hardware components and/or Software as we deem necessary from time to time. In addition, we have the right to require you to enter into a separate maintenance agreement for such computer hardware and/or Software. Although you must buy, use, and maintain computer hardware and Software meeting our standards and specifications, you will have the sole and complete responsibility for: (i) the acquisition, operation, maintenance, and upgrading of the computer hardware and Software; and (ii) all consequences that may arise if the computer hardware and Software is not properly operated, maintained, or upgraded.

You must purchase and maintain at least (a) one iPad, (b) one cell phone, and (c) one all-in-one printer. We use cloud-based software for the POS System, email marketing, and all customer management functions. These systems may generate data for your Mobile Franchise such as sales data, customer information, employee and labor information, inventory, and financial reports. Your computer system must be PCI and PII compliant and any data or information you obtain must be secure.

You are required to participate in any area computer network, intranet system, or extranet system that we implement for the Business System, and you may be required by us to use such area computer network, intranet system or extranet system to, among other things: (i) submit your reports due under the Franchise Agreement to us online; (ii) view and print portions of the Manuals; (iii) download approved local advertising and promotions materials; (iv) communicate with us and other franchisees; and (v) participate in online training. You must agree to use the facilities of any such area computer network, intranet system or extranet system in strict compliance with the standards, protocols, and restrictions that we include in the Manuals, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory, or defamatory statements.

We estimate in Item 7 above that the cost of obtaining the POS System, Software, and computer hardware to be roughly \$4200 if you currently own none of the required computer hardware. We further estimate that the annual costs of any optional or required maintenance, updating, or support contracts will be approximately \$0 - \$500 per year. We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. You must maintain franchised email accounts, which will be provided to you, and you must give us electronic access to information on your company computer and hosted by us or Approved Suppliers. No contractual limitation exists on our right to access the information. We may require you to upgrade or update your POS System, Software, computer hardware, and other office equipment. No contractual limitation exists on the frequency or cost of this obligation. We will have independent access to any data which you collect electronically.

There are currently no annual costs for any optional or required maintenance update, upgrading or support contracts. Pearce Bespoke reserves the right, however, to charge a reasonable fee for any ongoing maintenance and repairs, upgrades, and support services, including the costs for the POS System, Software, and hardware components. There are no contractual limitations on the frequency and cost of this requirement. Technology is constantly changing. Pearce Bespoke may require you to update your POS System, Software, or computer hardware every five (5) years or as needed, depending on changes in technology, the Business System, and Pearce Bespoke's current standards and specifications as defined in the Manuals. Pearce Bespoke cannot provide an estimate of the annual costs of any optional or required maintenance and support contracts since Pearce Bespoke has not required its franchisees to use their POS system or Software, that may be in development or that they may develop in the future, as of the date of this Disclosure Document.

Pearce Bespoke, or a third-party vendor that Pearce Bespoke selects, will provide you with the POS System components. Pearce Bespoke currently has independent access to certain operational and financial information and data produced by your POS System and Software. There are no contractual limitations on Pearce Bespoke's right to access the information and data.

Although Pearce Bespoke does not do so, as of the issuance date of this Disclosure Document, Pearce Bespoke reserves the right to charge a periodic Technology Fee for technology-related services provided by Pearce Bespoke including, but not limited to, services related to Pearce Bespoke's POS System, CRM platform, Software, current and future training platforms, and current and future social and digital media management platforms. Pearce Bespoke estimates that, if established, the amount of the Technology Fee will be roughly \$1,200 per year, per Mobile Franchise.

Development Time

The typical length of time between Pearce Bespoke's acceptance of the Franchise Agreement and the opening of your Mobile Franchise varies from one (1) to three (3) months. Once the Franchise Agreement is executed, by its terms you will have up to three (3) months to open your Mobile Franchise. The factors that may affect the Mobile Franchise opening process may include supply chain delays, sign, equipment and inventory acquisition, lease negotiations, and financing or staffing issues. You will be in default of your Franchise Agreement if you fail to open your Mobile Franchise within the 3-month period.

Training

Pearce Bespoke conducts its training program at Pearce Bespoke's training center in Baton Rouge, Louisiana ("Training Facility") or, if we permit, your location, and in some instances through online training sessions. If we agree to train you at your location, you will be responsible for all costs associated with our travel, lodging, and other reasonably related expenses.

The training program offered at our Training Facility is typically offered four (4) times per year, or as required. Operations Manual

Pearce Bespoke provides you with an electronic copy of its confidential Pearce Bespoke Manuals. The Manuals are subject to change and will be updated electronically, as necessary, through Pearce Bespoke's intranet. The table of contents for our current Manuals, as of the issuance of this Disclosure Document, is found in Exhibit D. The current table of contents has an equivalent of 49 total pages.

ITEM 12. TERRITORY

You will receive a "Protected Territory" surrounding the location of the Mobile Franchise when granted a Pearce Bespoke franchise. Attachment A to the Franchise Agreement describes the Protected Territory. Pearce Bespoke utilizes computer modeled mapping which factors in population density and average household income. The Protected Territory for Mobile Franchises located in urban areas (metropolitan areas with a population in excess of 200,000 persons) generally will have a population of between 50,000 to 200,000 people or a population of no more than 50,000 people depending on which Franchise Fee is paid to us.

Pearce Bespoke will not establish another franchised or company-owned Pearce Bespoke Mobile Franchise in your Protected Territory. Pearce Bespoke has established a Pearce Bespoke e-commerce site on the internet. Although Pearce Bespoke does not do so as of the issuance date of this Disclosure Document, Pearce Bespoke reserves the right to distribute products through alternative channels of distribution, including the internet (or any other existing or future form of electronic commerce), using the Marks inside or outside of the Protected Territory. Pearce Bespoke also reserves the right to distribute products through alternative channels of distribution or establish franchised or company-owned businesses selling similar products or services under a trademark different from the Marks inside or outside of the Protected Territory.

You may not advertise, market, solicit, sell, or service customers outside your Protected Territory ("Non-Exclusive Customers"), unless you are solicited or have a prior verifiable relationship with the Non-Exclusive Customer. Even if you sell to a Non-Exclusive Customer, you must pay us or the incumbent franchise owner an encroachment fee of twenty percent (20%) of the Gross Sales attributed to the Non-Exclusive Customers sales outside of your Protected Territory ("Encroachment Fee").

You may not use alternative channels of distribution, including the internet, catalog sales, telemarketing, or other direct marketing methods to make sales inside or outside your Protected Territory unless specifically authorized by Pearce Bespoke.

You need to achieve specified Gross Sales to retain the Protected Territory under the Franchise Agreement ("Minimum Performance Standard(s)"). More detailed information regarding Minimum Performance Standards can be found in Section 5(B) of the Franchise Agreement. Following the execution of the Franchise Agreement, the Minimum Performance Standard is as follows:

Minimum Performance Standards	
Period Following Original Opening Date	Minimum Gross Sales
Year 1	\$50,000
Year 2	\$75,000
Year 3 and beyond	\$100,000

You are required to make certain minimum weekly royalty payments to retain the Protected Territory under the Franchise Agreement (“Minimum Royalty Payment(s)”). More detailed information regarding Minimum Royalty Payments can be found in Section 5(B) of the Franchise Agreement. Following the execution of the Franchise Agreement, the Minimum Royalty Payment schedule is as follows:

Minimum Required Weekly Royalty Payment	
Period Following Original Opening Date	Minimum Royalty Payment
Year 1	\$100 per week
Year 2	\$150 per week
Year 3 and beyond	\$200 per week

Pearce Bespoke reserves the right to sell at all conventions, conferences, and other trade centers both domestically in the United States and internationally to market and sell its services solely or jointly with any of its franchisees. Pearce Bespoke may from time to time enter into agreements to provide services to customers as part of a national, regional, or key account program (“Key Accounts”) at locations within the Protected Territory. You must accept and perform the terms of such agreements (including, without limitation, special pricing, payment terms, timing of services, and central invoicing) with respect of locations within the Protected Territory. If you refuse to perform the required services or we determine that your Mobile Franchise is not qualified, interested, able, or available to perform the services, you are required to allow either our employee(s) or another franchisee to enter the Protected Territory to perform the required services. In the case of an agreement under which the customer will pay a fixed amount for services at all locations listed in the agreement, we may allocate the fixed amount among the businesses performing the services.

You may not offer products or services through any channel other than those we have expressly approved. If you request approval of any other distribution channel or type of outlet, we will consider the factors we deem appropriate, which may include the time you have been operating the Mobile Franchise, your sales volume, whether you have met quality standards and other benchmarks, and other standards that we may determine in our sole discretion. You may not sell products to any vendor who would in turn sell to customers.

Pearce Bespoke will not grant to you any options, rights of first refusal or similar rights to acquire additional franchises within a particular territory. Except as disclosed in this Item 12 or as specifically allowed in the Franchise Agreement, Pearce Bespoke cannot alter your territory rights.

ITEM 13. TRADEMARKS

Pursuant to the franchise agreement, you are granted a license to operate a Business using the mark Pearce Bespoke (logo) and other marks in connection with the Business (the “Marks”).

We have registered the following Mark with the Supplemental Register of the USPTO and have filed all required affidavits with respect to the Mark:

Mark	U.S. Registration No.	Registration Date
Pearce Bespoke	6868173	October 4, 2022

We have applied for registration of the following Mark with the Principal Register of the USPTO and have filed all required affidavits with respect to the Mark:

Mark	U.S. App. Ser. No.	App. Date
Pearce Bespoke 1731	97161844	December 8, 2021

At this time, we do not have a registration for this trademark. Therefore, this trademark does not have many of the legal benefits and rights as a federally registered trademark. If your right to use this trademark is challenged, you may have to change to an alternative trademark which will increase your expenses.

We claim common law rights to the Marks and other terms and phrases used regularly in connection with the Business. We also claim common law rights to our designs, logos, and trade dress items, including color schemes and appearance, as well as copyright where applicable, but there have not been judicial determinations of the existence, validity, or extent of our rights. We claim and intend to rely on common law and/or statutory trade secret, and unfair competition protection for the proprietary materials and information you are awarded a license to use under the Franchise Agreement.

There are presently no final effective determinations of the USPTO, the Trademark Trial and Appeal Board, or any trademark administrator of any state or any court proceedings which limit or restrict our right to use the above-described Marks or are relevant to your use of the Marks for your Pearce Bespoke business.

There are no currently effective determinations of the Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, or any pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving any Marks that are relevant to Pearce Bespoke operations. There are currently no agreements in effect that significantly limit Pearce Bespoke's rights to use or license the use of any Marks listed in this Item 13 in any manner material to the franchise. Pearce Bespoke is unaware of any superior rights or infringing uses which could materially affect your use of the Marks.

Pearce Bespoke is not required to protect you against infringement or unfair competition claims arising out of your use of the Marks, or to participate in your defense or indemnify you. Pearce Bespoke reserves the right to control any trademark litigation and will take the action Pearce Bespoke believes appropriate if a third party infringes Pearce Bespoke's Marks. You must notify Pearce Bespoke promptly if you become aware of any infringement or unauthorized use of the Marks and cooperate with any action that Pearce Bespoke takes. Pearce Bespoke will pay the cost and expense of all litigation Pearce Bespoke incurs, including attorneys' fees, specifically related to the Marks. However, Pearce Bespoke is not required to take affirmative action when notified of these uses or claims. If any party claims that its rights to use any of the Marks are superior and Pearce Bespoke confirms that claim, you must, at your expense, immediately make the changes and use the substitutions to the Marks as Pearce Bespoke requires.

ITEM 14.
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered or pending which are material to the Pearce Bespoke franchise offered, although Pearce Bespoke does claim copyright protection for each of its Pearce Bespoke Manuals and for various sales promotion and other materials periodically published or located on its website. You must keep confidential during and after the term of the franchise agreement all information contained in the Manuals. You cannot duplicate or provide any information contained in the Manuals to any party other than, during the term of the franchise agreement, those of your employees who need to know that information. When the franchise agreement terminates, you must return to Pearce Bespoke all copies of each Manual and all other material Pearce Bespoke has copyrighted or designated as confidential. Pearce Bespoke does not contract with individual franchisees to protect the copyrights, to protect individual franchisees against infringement or unfair competition claims arising out of the franchisee's use of the copyrights, or to participate in the franchisee's defense or indemnify the franchisee. Pearce Bespoke reserves the right to control any copyright litigation and will be the sole judge as to whether any suit will be brought or settled when any person or entity infringes Pearce Bespoke's copyrights.

ITEM 15.
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

Unless we approve your employment of management personnel to operate your Pearce Bespoke Mobile Franchise, you must actively participate in the actual operation of the Mobile Franchise and devote as much of your time as is reasonably necessary for its efficient operation. The noncompetition provisions found in the Franchise Agreement, do not prohibit you from being employed by a company other than Pearce Bespoke. However, your primary job responsibility must be the operation of the Pearce Bespoke Mobile Franchise and we recommend that you actively participate in the operation and supervision of the Mobile Franchise. You (if you are an individual) and/or your approved management must attend our training programs. Refer to Item 11 for details. You or your management must complete our initial training program to our sole, subjective satisfaction. We do not require your management to have an equity interest in the Mobile Franchise.

We may require every general partner and limited partner, if you are a partnership or limited partnership; or every member, if you are a limited liability company, or every stockholder or other holder of equity interest, if you are a corporation (collectively, "Owners"), to personally guarantee your obligations under the franchise agreement or area development agreement and also agree to be personally bound by, and jointly and severally liable for the breach of, any provision of the franchise agreement or area development agreement. The Owners agree to discharge all of their obligations under the franchise agreement and area development agreement. Furthermore, all Owners are bound by all provisions of the franchise and area development agreements, including but not limited to, maintaining the confidentiality of proprietary information and trade secrets as described in Item 14 and the noncompete covenants described in Item 17. Lastly, all of your owners, management personnel, and employees who are provided access to the Manual or other confidential information must sign a Confidentiality Agreement.

ITEM 16.
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only those goods and services that Pearce Bespoke has approved. You also must offer all goods and services that Pearce Bespoke designates as required for all franchisees. Pearce Bespoke may, at its discretion, add new goods and services, based on its evaluation of various factors, including customer demands, the geographic location of your Mobile Franchise and any other factor which Pearce Bespoke deems important to the operation of your Mobile Franchise. Pearce Bespoke's right to modify the approved list of goods and services to be offered at a Pearce Bespoke Mobile Franchise is not limited.

You may offer the sale of the approved goods and services from your Mobile Franchise location to any person or business location domiciled within your Protected Territory. Unless specifically authorized by Pearce Bespoke, you may only deliver merchandise or offer services at a site other than your Mobile Franchise location to customers residing in your Protected Territory or to business locations within your Protected Territory.

You may not advertise, market, solicit, sell, or service Non-Exclusive Customers, unless you are solicited or have a prior verifiable relationship with the Non-Exclusive Customer. Even if you are solicited or have a prior verifiable relationship with a Non-Exclusive Customer, you must pay us or the incumbent franchise owner an Encroachment Fee of twenty percent (20%) of the Gross Sales attributed to the Non-Exclusive Customers sales outside of your Protected Territory.

You may not use alternative channels of distribution, including the internet, catalog sales, telemarketing, or other direct marketing methods to make sales inside or outside your Protected Territory unless specifically authorized by Pearce Bespoke.

You may not sell or accept in trade any custom clothing or any products that you believe may be stolen or that have been recalled, are knowingly counterfeit, or are otherwise not safe upon inspection. ITEM 18. PUBLIC FIGURES

Pearce Bespoke currently does not use any public figure to promote its franchise, although Pearce Bespoke reserves the right to engage a public figure for endorsements in the future. No public figure is involved in the management or control of Pearce Bespoke.

ITEM 19.
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The financial performance representation is historic based upon our existing Company-Owned Outlet (the “Disclosed Outlet”) which operates two territories with one clothier per territory in and around Baton Rouge, Louisiana and a Pearce Bespoke franchised location which operates one territory with one clothier in and around Charleston, South Carolina (the “Franchised Outlet”). It includes historical financial results from the Disclosed Outlet and Franchised Outlet from January through December 2023 (the “Measurement Period.”) As of December 31, 2023, we have one Company-Owned Outlet, and sixteen Franchised Outlets, fifteen of which were not operational for the entirety of the Measurement Period and as such, are not included in this Item 19. An outlet’s full operation throughout the entirety of the Measurement Period is the only criteria that were used to select the financial performance information that is included in Item 19. We have a reasonable basis and written substantiation for the financial performance information disclosed in Item 19.

Table 1 of this Item 19 details the Gross Sales generated by the Disclosed Outlet and Franchised Outlet during the Measurement Period, along with (a) the costs and expenses associated with operating the location (collectively, the “Operating Costs”); (b) the estimated Royalty Fee and Brand Fund Payment that each location would have incurred or did incur in the operation of a Mobile Franchise governed by our current form of franchise agreement or the current form of franchise agreement over the Measurement Period.

The explanatory notes included with the following charts are an integral part of this financial performance representation and should be read in their entirety for a full understanding of the information contained in the following charts.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Table 1 – Company-Owned Outlet Statement of Income and Certain Expenses

Notes to Table one:

1. The figures in Table 1 above use the historical information the Disclosed Outlet and Franchised Outlet have provided. The financial information provided represents the profit and loss figures of the Disclosed Outlet and Franchised Outlet. You should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form, nor have we sought to independently verify their accuracy. Upon your reasonable request, we will provide written substantiation for this financial performance representation.

2. “Gross Sales” means all revenue from the sale of products and services and all other income of every kind related to the business, whether for cash, credit, trade, barter, or other value and regardless of collection in the case of credit and even if you have contracted with third parties to provide certain of the services, less any bona fide refunds given to customers in the ordinary course of business. This figure represents the Gross Sales earned by the Disclosed Outlet and Franchised Outlet during the Measurement period.

3. “COGS” or “Costs of Goods Sold” includes the costs to purchase inventory and supplies used in the performance of sales and services to customers

4. “Total Operating Expenses” means other expenses attributable to the operation of a Mobile Franchise, including labor cost, marketing expenses, insurance, IT and software, supplies, office supplies, merchant fees and banking charges, business licenses & permits charitable contributions, and other miscellaneous expenses.

5. “Franchisee Expenses” includes fees that are attributable to a franchisee running a Franchised Business under our current Franchise Agreement. These Fees are listed in Item 6 of this document and include (i) Royalty Fees which are 10% of Gross Sales; and (ii) Brand Fund Payments of 2% of Gross Sales. To calculate the estimated fees under (i) and (ii), the total Gross Sales was multiplied by the applicable percentage.

6. EBIT (if franchised)” means Gross Sales minus COGS, Total Operating Expenses, and Franchisee Expenses. EBIT does not include interest paid on debt, or taxes.

Notes Regarding the Tables in Item 19 Generally:

1. This information may not reflect all operating expenses, or other costs or expenses that you may elect to incur, which must be deducted from the Gross Sales figure in order to obtain your net income or profit. This will affect the net income and/or cash flow of any outlet and must be carefully considered and evaluated. You should conduct an independent investigation of the costs and expenses that you will incur in operating your Mobile Franchise.

2. The actual performance of any outlet will depend on a number of factors specific to the location, including:

- The impact of the COVID 19 pandemic and any related closures or stay at home orders;
- Any health care law regulatory compliance expenses;
- Rent, interest or other financing costs for land, buildings, equipment, and inventory;
- Initial franchise fee and organization costs;
- Economic and weather conditions of various geographic areas;
- Competition from a variety of other businesses;

INDEPENDENT AUDITORS' REPORT

To the Members
Pearce Bespoke Franchising, LLC
Huntersville, North Carolina

Opinion

We have audited the accompanying financial statements of Pearce Bespoke Franchising, LLC (a North Carolina Limited Liability Company), which comprise the balance sheet as of December 31, 2023 and 2022, and the related statements of operations and members' equity (deficiency) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pearce Bespoke Franchising, LLC (the "Company") as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the period then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

PEARCE BESPOKE FRANCHISING, LLC
 NOTES TO FINANCIAL STATEMENTS
 DECEMBER 31, 2023 AND 2022

Note 1 – Nature of Planned Operations

Nature of Operations – Pearce Bespoke Franchising, LLC (the “Company”), incorporated under the laws of North Carolina on November 5, 2021, offers franchises the operation of a mobile unit under the Pearce Bespoke™ mark (“Mobile Franchise”). A Mobile Franchise is a mobile unit from which the franchisee will sell quality custom men’s and women’s clothing and accessories.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The Company uses the accrual basis of accounting in accordance with U.S. GAAP, whereby revenue is recognized when earned and expenses are recorded as incurred.

Cash – The Company maintains cash at a bank that is insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. From time-to-time amounts exceed FDIC limits.

Accounts Receivable – The Company grants credit without collateral to a majority of its franchisees and records accounts receivable at the time when a new franchise agreement is signed or the contractual criteria for billing has been satisfied. Collectability of receivables is periodically assessed, providing the basis for the allowance for credit losses accounts and related credit loss expense. Management determined no allowance for credit losses accounts was necessary as of December 31, 2023 and 2022.

Deferred Revenue – The Company defers recognition of the initial franchise fee revenue until substantially all initial services required by the franchise or license agreement are performed.

Revenue Recognition – Revenue is measured based on consideration specified in contracts with franchisees and excludes incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control of a product or service to a franchisee. The following describes principal activities, separated by major product service, from which the Company generates its revenues:

Initial Franchise Fees

The initial franchise fees are calculated as follows, unless otherwise specified in the agreement or via an amendment to the franchise agreement:

Number of Franchised Businesses	Initial Franchise Fee (for each Franchised Business)
First	\$49,500
Second	\$42,000
Third	\$38,000
Fourth	\$30,000
Fifth	\$25,000
Thereafter	\$20,000

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies – Continued

The initial fees are paid in consideration of the rights granted in the franchise agreement and are non-refundable. The initial fees are recognized as revenue over the term of the initial franchise agreement, which is ten years. Subject to certain requisites, the Company may renew the term of a franchisee upon expiration of the initial term, for an additional ten-year periods. The renewal fee, to be no more than 25% or \$10,000 of the then current initial franchise fee, whichever is greater, is paid in consideration of the rights granted in the franchise agreement and is non-refundable. The renewal fee is recognized as revenue over the term of the renewal period.

Opening Inventory & Equipment Fees

The initial equipment package fee is \$8,000 from Pearce Bespoke (as defined in the franchise agreement). The franchisee obtains control of the equipment and revenue is recognized upon the execution of the franchise agreement.

If a franchise owner is operating under a semi-absentee owner model and hire a clothier immediately, franchisees are required to purchase a Clothier Inventory Package for \$2,700 per clothier (as defined in the franchise agreement). The franchisee obtains control of the inventory and revenue is recognized upon the execution of the franchise agreement. This fee is assessed for each additional clothier added to a franchised location.

Franchise Royalties

Franchise royalties are calculated based upon either 10% of franchisee gross revenue or a minimum of \$100 per week (as defined in the franchise agreement). In year 2 of operation the minimum fee will increase to \$150 per week. In year 3 and beyond, the minimum fee will be \$200 per week. Franchise royalties are collected and recognized as revenue on a weekly basis for the previous week's sales.

Brand Fund Revenue

Brand fund revenue is calculated at 2% of franchisee gross revenue (as defined in the franchise agreement). The Company may charge an additional brand fund fee not to exceed 3% of franchisee gross revenue. The Company will use the brand fund fee to conduct advertising research and public relations campaigns, develop websites and other online media programs, develop marketing materials such as television, radio, internet, and print advertising production, and promotional materials for use in each Franchisee's local market, and implement advertising and marketing campaigns. Brand fund revenues are collected and recognized as revenue on a weekly basis for the previous week's sales.

Local Area Marketing Revenue

Local area marketing revenue is calculated at 5% of franchisee gross revenue per month (as defined in the franchise agreement) and will begin in the first full month after the date the franchised business opens. Local area marketing revenue is recognized by the Company in the month charged.

Franchisees are required to participate in any local marketing cooperatives established by the Company.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2 – Summary of Significant Accounting Policies – Continued

Technology Fee Revenue

Franchisees are required to pay \$25 per week and are due weekly.

Point-Of-Sale (POS) System Subscription Fee

Franchisees are required to pay \$438 per month for use of the POS system.

Pre-Opening Services

Pre-opening services include training and general assistance. The Company has adopted the franchisor practical expedient Accounting Standards Update (ASU) 2021-02, Franchisors – Revenue from Contracts with Customers (Subtopic 952-606), which allows the Company to treat pre-opening services as distinct from one another. Training is provided to the franchisee at no additional cost unless additional training is required. Additional training fees are recognized when the service is provided. Pre-opening assistance is provided to the franchisee as needed, and recognized when the service is charged.

Other Non-Recurring Fee Revenue

The Company also reserves the right to charge franchisees for various non-recurring services. Non-recurring services are recognized when the service is charged.

Income Taxes – The Company's taxable status, as determined by management, is a pass-through entity and the Company has no recorded liability for uncertain tax positions. Therefore, no provision for income tax is included in the financial statements. Management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

Fair Value of Financial Instruments – The recorded accounts receivable, accounts payable, related party accounts payable, and accrued payroll taxes approximate fair value due to the short-term nature of the financial instruments.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Leases – The Company has an operating lease for office space. The Company assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term. As the lease does not provide an implicit rate, the Company elected to use the risk-free based on the information available at the commencement date in determining the present value of lease payments. The lease has a remaining lease term of approximately 2 years, which includes an option to extend the lease for 1 year. The lease includes escalations of payment amounts throughout the lease term. The exercise of lease renewal options is at the Company's sole discretion. The depreciable life of assets are limited by the expected lease term unless there is a transfer of title or purchase option reasonably certain of exercise.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies – Continued

Recently Adopted Accounting Standards – In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which supersedes existing guidance for accounting for leases under *Topic 840, Leases*. The FASB also subsequently issued the following additional ASUs, which amend and clarify Topic 842: ASU 2018-01, *Land Easement Practical Expedient for Transition to Topic 842*; ASU 2018-10, *Codification Improvements to Topic 842, Leases*; ASU 2018-11, *Leases (Topic 842): Targeted Improvements*; ASU 2018-20, *Narrow-scope Improvements for Lessors*; and ASU 2019-01, *Leases (Topic 842): Codification Improvements*. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (ROU) assets and lease liabilities for operating leases on the balance sheet.

During the period ended December 31, 2023, the Company adopted Accounting Standards Update (ASU) No. 2016-02, *Leases*, which requires lessees to recognize leases on the balance sheet and disclose key information about leasing arrangements. As a result of implementing ASU No. 2016-02, the Company recognized a right-of use asset and lease liability of \$47,474 on its balance sheet as of December 31, 2023. The adoption did not result in a significant effect on amounts reported in the statement of operations and members' equity (deficiency) for the period ended December 31, 2023.

New Accounting Standard – In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*. Topic 326 aims to replace the incurred loss impairment methodology under current GAAP with a methodology that reflect expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. Topic 326 was subsequently amended by ASU 2022-02, *Financial Instruments – Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures*; ASU 2019-11, *Codification Improvements to Topic 326, Financial Instruments – Credit Losses*; 2019-10, *Financial Instruments – Credit Losses (Topic 326), Derivatives and Hedging (Topic 815), and Leases (Topic 842)*; and ASU 2019-05, *Financial Instruments – Credit Losses (Topic 326): Targeted Transition Relief*. The Company was incorporated January 22, 2023, therefore, Topic 326 did not result in any material adjustments to balance sheet accounts, net loss, or retained earnings (deficit).

Note 3 – Franchising

The Company grants franchise licenses to prospective franchisees. The initial term of each license begins on the effective date of the franchise agreement and ends on the tenth anniversary thereof. Upon expiration of the initial term, and subject to certain requisites, the franchisee has the option to renew the franchise agreement for additional ten-year periods.

There were 21 franchisees sold during the period ended December 31, 2023. Thirteen franchisees commenced principal operations, and no franchises closed during the period ended December 31, 2023. There was one franchise sold during the year ended December 31, 2022 that commenced operations during 2023.

PEARCE BESPOKE FRANCHISING, LLC

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this “Agreement”) is made and entered into as of the date agreed upon and listed in Attachment A of this Agreement (the “Effective Date”), by and between Pearce Bespoke Franchising, LLC, a North Carolina limited liability company (“Franchisor”), and the individual or entity identified as the Franchisee in Attachment A of this Agreement (“Franchisee”).

BACKGROUND:

A. Franchisor franchises a Mobile Franchise and service offering men’s and women’s custom-tailored clothing known as Pearce Bespoke Mobile Franchises (“Mobile Franchises”) which feature high-quality custom men’s and women’s clothing. Franchisor uses and licenses certain trademarks, including Pearce Bespoke™, and may hereafter adopt, use, and license additional or substitute trademarks, service marks, logos, and commercial symbols in connection with the operation of Mobile Franchises (collectively, the “Marks”). Pearce Bespoke Mobile Franchises use Franchisor’s methods, procedures, standards, specifications, and the Marks (all of which are collectively referred to as the “Business System”), which Franchisor may periodically improve, further develop, or otherwise modify.

B. Franchisee has had an adequate opportunity to be thoroughly advised of the provisions of this Agreement and Franchisor’s Disclosure Document and has had sufficient time and opportunity to evaluate and investigate the Business System and the procedures and financial requirements associated with the Business System as well as the competitive market in which it operates.

C. Franchisee desires to operate a Pearce Bespoke Mobile Franchise which will conform to the uniform requirements and Brand Standards of the Business System.

AGREEMENTS:

The Franchisor and Franchisee agree as follows:

1. GRANT OF FRANCHISE; FRANCHISED LOCATION

A. Grant of Franchise. Subject to the provisions stated below, Franchisor grants to Franchisee a personal and non-exclusive license and franchise to operate a Pearce Bespoke Mobile Franchise using the Marks as designated by Franchisor from time to time (the “Mobile Franchise”) in conformity with Franchisor’s Business System at a location within the development area specified in Attachment A attached hereto. The specified area identified in Attachment A is referred to as the “Development Area.” Franchisee will operate the Mobile Franchise under the Business System in strict compliance with the provisions of this Agreement and only at a location within the Development Area approved by Franchisor (the “Franchised Location”).

B. Franchisee’s Protected Area; Rights Reserved By Franchisor. During the term of this Agreement, Franchisor will not establish for its own account or franchise others the right to operate a Pearce Bespoke Mobile Franchise from a permanent location within the area specified in Attachment A. The protected area identified in Attachment A, which includes the Development Area, is referred to as the “Protected Territory.” Franchisee understands, however, that Franchisor, its affiliates, or their licensees, may sell any products or services under trademarks or other commercial symbols other than the Marks inside or outside of the Protected Territory. Notwithstanding anything provided for in this Agreement, Franchisor, its

affiliates, or their licensees, also may sell products or services under the Marks inside or outside of the Protected Territory: through other channels of distribution, including the internet (or any similar form of electronic commerce developed in the future) as long as such activities are not for the sole benefit of Franchisor but provide some benefit to Pearce Bespoke franchisees in general. The rights and privileges granted to Franchisee under this Agreement are personal in nature and may not be custom at any location other than the Franchised Location. Franchisee will not relocate the Mobile Franchises without Franchisor's prior written consent and will not open any other Pearce Bespoke Mobile Franchise in the Protected Territory. Franchisee will not have the right to subfranchise or sublicense any of its rights under this Agreement. Franchisee will not use the Franchised Location for any purposes other than the operation of a Pearce Bespoke Mobile Franchise. Termination or expiration of this Agreement shall constitute a termination or expiration of the rights and license granted herein to Franchisee.

1. *Encroachment Fee.* Franchisee may not advertise, market, solicit, sell, or service customers outside your Protected Territory ("Non-Exclusive Customers"), unless Franchisee is solicited or has a prior verifiable relationship with the Non-Exclusive Customer. Notwithstanding the foregoing, Franchisee must pay either Franchisor or the incumbent franchise owner an encroachment fee of twenty percent (20%) of the Gross Sales attributed to the Non-Exclusive Customers sales outside of your Protected Territory ("Encroachment Fee").

2. *National Accounts.* Franchisor may manage or provide support services to national and/or regional accounts that require centralized overview and support, and for purposes of responding to requests and referrals for services through the franchise system, managing those relationships, answering calls placed to the toll-free number or a national account on-line access system. In that case, Franchisor may charge you a fee between one percent and ten percent (1%-10%) of Gross Sales generated by the account. The purpose is to defray the cost of providing national/regional account management services to the franchise system. Franchisor does not plan to charge a fee for simple referrals where it does not directly manage the relationship with the customer, but it reserves the right to do so.

3. *Alternative Channels of Distribution.* Franchisor, its affiliates, or their licensees reserve the right to market and sell products or services under the Marks at all conventions, conferences, trade shows, fashion shows, and trade centers, both domestically and internationally, solely or jointly, with any franchisees. Franchisee may not use alternative channels of distribution, including the internet, catalog sales, telemarketing, or other direct marketing methods to make sales inside or outside the Protected Territory unless specifically authorized.

2. **TERM OF FRANCHISE; RENEWAL RIGHTS**

A. Term. The term of this Agreement will be for ten (10) years commencing on the date of this Agreement, unless terminated sooner in accordance with the terms hereof.

B. Renewal. Franchisee will have the right to renew its Pearce Bespoke franchise for the Franchised Location for continuing ten (10) year terms, provided Franchisee meets the following conditions:

1. Franchisee has given Franchisor written notice at least one hundred eighty (180) days before the end of the term of this Agreement of its intention to renew;

2. Franchisee has complied with all of the material provisions of this Agreement, including the payment of all monetary obligations owed by Franchisee to Franchisor and its affiliates and suppliers, and has complied with Franchisor's material operating and Brand Standards and procedures and meets

all current Brand Standards during the term of the Franchise Agreement;

3. Franchisee has at its expense made such reasonable capital expenditures necessary to remodel, modernize and redecorate the Mobile Franchise premises, and to replace and modernize the supplies, items, and equipment custom in Franchisee's business so that Franchisee's business reflects the then-current physical appearance of new Pearce Bespoke Mobile Franchises;

4. Franchisee has paid a Renewal Fee equal to the greater of (i) ten thousand dollars (\$10,000.00), or (ii) twenty-five percent (25%) of the then-current franchise fee to Franchisor at least thirty (30) days before the expiration of the initial (and any renewal) term of this Agreement expires;

5. Franchisee, at Franchisor's option, executes the then-current Franchise Agreement, provided, however, that Franchisee will be required to pay the Renewal Fee in lieu of the Initial Franchise Fee stated in such Franchise Agreement, and that such Franchise Agreement may not contain any further rights of renewal, but may contain continuing rates and advertising contributions (which may be different than those contained in this Agreement), and an altered Protected Territory; and

6. Franchisee is able to secure a renewal or extension of the lease for the Franchised Location or is able to secure a new location within the Development Area which has been accepted by Franchisor, such acceptance not to be unreasonably withheld.

3. **OWNERSHIP AND USE OF MARKS**

A. Ownership. Franchisor is the exclusive owner of all right, title, and interest in and to the Marks and Business System, and all past, present, or future goodwill of Franchisee's Mobile Franchise and of the business conducted at the Franchised Location that is associated with or attributable to the Marks. Franchisee's use of the Marks and the Business System will inure to the benefit of Franchisor. Franchisee disclaims all right, title, and interest in or to such goodwill and the Marks and the Business System and acknowledges, and agrees, that such goodwill and the Marks and the Business System are the exclusive property of Franchisor. Any and all improvements by Franchisee relating to the Marks and Business System will become the sole property of Franchisor who has the exclusive right to register and protect all such improvements in its name. Franchisee will execute any document required by Franchisor to transfer or assign any such improvements relating to the Marks and the Business System to Franchisor.

B. Use. Franchisee's right to use and identify with the Marks and Business System applies only to the operation of the Mobile Franchise at the Franchised Location and exists concurrently with the term of this Agreement and only so long as Franchisee is in complete compliance with Franchisor's quality and operating standards. Franchisee will have the right to use the Marks and Business System only in the manner Franchisor directs and approves in writing. Franchisee will not have or acquire any rights in any of the Marks or Business System other than the right of use as governed by this Agreement. If, in the judgment of Franchisor, Franchisee's acts infringe upon or harm the goodwill, standards of uniformity or quality, or business standing associated with the Marks and Business System, Franchisee will immediately, upon written notice from Franchisor, modify or discontinue its use of the Marks and Business System in the manner Franchisor directs in writing. Franchisee will not, during or after the term of this Agreement, do anything directly or indirectly which would infringe upon, harm, mislead, or contest Franchisor's rights in the Marks or Business System, or the goodwill associated with the Marks or the Business System. Franchisee cannot advertise any liquidation or going-out-of-business sales or similar types of activity.

C. Promotion. Franchisee will operate the Mobile Franchise so that it is clearly identified and advertised as a Pearce Bespoke Mobile Franchise. The style, form, and use of the words "Pearce Bespoke" in any advertising, written materials, or supplies must, however, have Franchisor's prior written approval, which approval will not be unreasonably withheld. Franchisee will use the name "Pearce Bespoke" and the other Marks which now or hereafter may form a part of the Business System, on all paper supplies, business cards, letterhead, envelopes, uniforms, advertising materials, signs or other articles in the identical

combination and manner as Franchisor may require in writing. Franchisee will comply with all trademark, trade name, service mark, and copyright notice marking requirements.

D. Identity. Franchisee will not use the words “Pearce Bespoke” in its corporate or partnership name. Franchisee will clearly indicate on its business checks, purchase orders, business cards, receipts, promotional materials, and other written materials that Franchisee is the owner of the Mobile Franchise, and that Franchisee is a Pearce Bespoke franchisee. Franchisee will display a sign which is clearly visible to the general public indicating that the Mobile Franchise is independently owned and operated.

E. Substitutions. If at any time Franchisor determines it advisable or necessary, Franchisee will, upon receiving written notice from the Franchisor, immediately, at its expense, make such changes and amendments or discontinuation of or to any or all of the Marks as Franchisor may require. Franchisee will not make any changes, amendments, or discontinuations of or to the use of any of the Marks and Business System unless directed by Franchisor in writing.

F. Litigation. Franchisee will not, without Franchisor’s prior written consent, defend, or enforce any of the Marks in any court or other proceedings for or against imitation, infringement, any claim of prior use, or for any other allegation. Franchisee will, however, immediately notify Franchisor of any claims or complaints made against Franchisee respecting the Marks and will, at its expense, cooperate in all respects with Franchisor in any court or other proceedings involving the Marks. Franchisor will pay the cost and expense of all litigation Franchisor incurs, including attorneys’ fees, specifically relating to the Marks. Franchisor and its legal counsel will have the right to control and conduct any litigation relating to the Marks.

G. Crisis Communication. Franchisor will have the sole and absolute discretion to determine what steps will be taken in instances of a crisis that impacts the Pearce Bespoke brand and may cause harm or injury to the Pearce Bespoke Marks, Business System, reputation, or image.

H. Affixing Notice. Franchisee hereby covenants and agrees that it will affix in a conspicuous location in or upon the Franchised Location, a sign containing a form of notice substantially in the following form, or such other form as Franchisor may require:

“This business is owned and operated independently by (*name of Franchisee*) who is an authorized, licensed user of the trademark “Pearce Bespoke”, which trademark is owned by Pearce Bespoke Franchising, LLC.”

4. INITIAL FRANCHISE FEE

Franchisee will pay Franchisor a non-refundable Initial Franchise Fee equal to the amount listed in Attachment A of this Agreement based on the number of Territories Franchisee is granted, which will be fully earned and payable on the date of this Agreement. The Initial Franchise Fee payable by Franchisee is payment to Franchisor for the costs that it will incur to get Franchisee into business including costs Franchisor incurs for training, site evaluation, business overhead costs, travel costs, and for the other initial services Franchisor provides hereunder.

Based upon Franchisor’s financial condition, the Illinois Office of the Attorney General has required a Surety Bond be executed and on file with them in the amount of the initial (and development) fee multiplied by the number of franchises to be sold in Illinois.

5. ROYALTY FEE

A. Royalty Fee. Franchisee will, for the term of this Agreement, pay to Franchisor a Royalty Fee equal to the greater of (i) ten percent (10%) of Franchisee’s Gross Sales (as defined below), or (ii) the Mandatory Minimum Weekly Royalty Fee (as defined in Section 5(B) below). Franchisee’s obligation to pay

Franchisor the Royalty Fee under the terms of this Agreement will remain in full force and effect until this Agreement has expired or is terminated or transferred under the provisions herein.

B. Mandatory Minimum Performance Standards. Beginning in the first week of operations, Franchisee must achieve specified Gross Sales to retain the Protected Territory under the Franchise Agreement (“Minimum Performance Standard(s)”). Following the execution of the Franchise Agreement, the Minimum Performance Standard is as follows:

Minimum Performance Standards	
Period Following Original Opening Date	Minimum Gross Sales
Year 1	\$50,000
Year 2	\$75,000
Year 3 and beyond	\$100,000

Franchise will pay a Minimum Weekly Royalty Fee as set forth in the table below and in accordance with Section 5(C):

Minimum Required Weekly Royalty Payment	
Period Following Original Opening Date	Minimum Royalty Payment
Year 1	\$100 per week
Year 2	\$150 per week
Year 3 and beyond	\$200 per week

C. Payment. On a weekly basis, we will calculate the Gross Sales, Net Sales, and Credit Card Sales (as defined below) generated from the operation of your Mobile Business. Certain fees are payable based upon Gross Sales or Credit Card Sales. On a weekly basis, we will provide a report to you, on the Gross Sales, Net Sales, and Credit Card Sales from your Business. We will pay to you, by EFT, ACH, direct deposit, or a similar means, the Net Sales generated from your Business during the previous calendar week minus: (i) all fees, including Royalty Fee, Brand Fund Fee, POS System Subscription Fee, and Technology Fee as detailed in and permitted by this Agreement; (ii) amounts you owe us or our affiliates for purchases of supplies permitted by and in accordance with the terms of this Agreement; and (iii) any other monetary obligation that you have to us, our affiliates, or any approved suppliers that we have been made aware of prior to the date that we would make a payment to you and which are permitted by and in accordance with the terms of this Agreement (the “Franchisee Share”).

D. Gross Sales. The term “Gross Sales” means the total amount of all revenues Franchisee receives from the sale of goods and services, whether for cash or by check, credit card, or trade, in connection with the Mobile Franchise, less customer refunds and returns. Gross Sales will include any sales permitted through the internet and wholesale transactions involving any party other than a Pearce Bespoke franchisee who is in good standing with Franchisor. Gross Sales will not include sales tax collected from customers and actually paid to appropriate tax authorities.

E. Net Sales. The term “Net Sales” means Gross Sales minus the amount of any documented refunds,

chargebacks provided to customers or retailers in good faith.

F. Credit Card Sales. The term “Credit Card Sales” means all revenue transacted from or during the operation of your Business including, but not limited to, service fees, product sales, business interruption insurance, and all amounts that you receive at or away from the Site, whether from cash, check, EFT, ACH, wire transfer, credit and debit card, barter, exchange, trade credit, loyalty program points, gift card redemptions, or other credit transactions.

6. ADVERTISING AND MARKETING

A. Cooperative Advertising. Franchisee will participate in, support, and contribute a proportionate share, but no more than an amount equal to five percent (5%) of the Gross Sales for the Mobile Franchise, of the cost of cooperative advertising programs either designated by Franchisor or approved by a majority of the advertising cooperative membership (provided a majority includes at least two (2) unaffiliated franchisees). Franchisor reserves the right to designate advertising cooperative markets, to establish advertising cooperatives, and to establish the bylaws, policies, and other rules under which such cooperatives will operate. If an advertising cooperative is formed and Franchisee does not participate, Franchisee is still obligated to pay the advertising cooperative fees required of members and to abide with the cooperative’s bylaws, policies, and other rules.

B. Local Marketing Expenditures. To the extent Franchisee’s annual contributions to cooperative advertising programs described in Section 6(A) above are less than five percent (5%) of the Gross Sales for the Mobile Franchise, or if the Franchisee cannot participate in any regional cooperative advertising program because such a program has not been established in Franchisee’s geographic area, Franchisee will then be obligated to conduct advertising and marketing activities in Franchisee’s local geographic area; provided that Franchisee’s local marketing activities will not reduce, eliminate, or otherwise impact Franchisee’s obligations under Section 6(A) above. Franchisee’s local marketing expenditures will include advertising, merchandising, sales promotion, and other forms of marketing at the local level. Within thirty (30) days following the end of each calendar quarter, Franchisee will provide Franchisor with an accounting of the monies that it has spent for approved regional cooperative advertising and local marketing for the preceding calendar quarter. If Franchisee has failed to spend at least five percent (5%) of its Gross Sales for the calendar quarter for approved regional cooperative advertising or local marketing, Franchisee may be required to deposit with Franchisor the difference between what it should have spent for advertising and marketing during the calendar quarter and what it actually spent for advertising and marketing during the calendar quarter. Franchisor will spend such amount for any type of advertising or marketing that Franchisor deems appropriate for Franchisee’s business, although Franchisor will use reasonable efforts to spend such amounts in Franchisee’s local geographic area.

C. Brand Fund Fee. In addition to Franchisee’s local advertising obligations described in Section 6(B) above, Franchisee will pay Franchisor two percent (2%) of weekly Gross Sales. Franchisor will withhold this amount from the Franchisee Share, as detailed in Section 5(C). Franchisor will use the Brand Fund Fee to conduct advertising research and public relations campaigns, develop websites and other online media programs, develop marketing materials such as television, radio, internet, and print advertising production, and promotional materials for use in each franchisee’s local market, and implement advertising and marketing campaigns.

D. Future Advertising Programs. Franchisee acknowledges and agrees that as the Pearce Bespoke franchise system continues to expand and mature, it will be necessary to revise Franchisee’s advertising obligations. Franchisee therefore agrees that Franchisor may, upon thirty (30) days’ written notice, increase Franchisee’s minimum advertising expenditures (as described in Section 6(B) above) up to a total of six percent (6%) of Franchisee’s Gross Sales and require Franchisee to pay Franchisor, on such terms and at such time as Franchisor may from time to time require, for deposit in a “Brand Fund,” an “Advertising Fee” of up to two percent (2%) of Franchisee’s Gross Sales. In such event, Franchisee’s advertising obligations

under Section 6(A) (and, if appropriate, Section 6(B)) above will be reduced to four percent (4%) of the Gross Sales for the Mobile Franchise. Franchisor will provide Franchisee with at least thirty (30) days' written notice before the commencement of an Advertising Fee. All Advertising Fees will be placed in a Brand Fund administered by Franchisor. Reasonable disbursements from the Brand Fund will be made solely for the payment of expenses incurred in connection with the general promotion of the Marks and the Business System, including the cost of formulating, developing, and implementing advertising and promotional campaigns; and the reasonable costs of administering the Brand Fund, including accounting and other professional expenses and the actual costs of salaries and fringe benefits paid to Franchisor's employees or contractors engaged in administration of the Brand Fund. Although Franchisor will strive to manage the Brand Fund in such a manner that benefits franchisees uniformly, taking into account regional and/or local advertising costs and forms of media available, Franchisor cannot ensure that any individual franchisee will benefit directly or on a pro rata basis from the future placement of any such advertising in its local market. Without limiting the generality of the foregoing, Franchisor is under no obligation to administer or distribute the Brand Fund according to any particular geographic area or territory, whether in Canada, the United States, or otherwise, and furthermore is under no obligation to do so within the Protected Territory. Franchisor shall determine the methods of advertising, media employed and contents, terms and conditions of advertising campaigns and promotional programs. Franchisor will provide Franchisee an annual unaudited statement of the receipts and disbursements of the Brand Fund.

E. Approved Advertising and Marketing Materials. Franchisee will use only approved advertising and marketing materials. If Franchisee desires to use any unapproved advertising or promotional materials bearing the name "Pearce Bespoke" or other Marks, Franchisee must obtain written approval from Franchisor before using any such materials.

F. Promotion. Franchisee will use its best efforts to promote and advertise its Pearce Bespoke business and will participate in all advertising and promotional programs Franchisor establishes. Franchisee will participate, at its own expense, in the Pearce Bespoke national (electronic) gift card program and approved e-mail marketing and loyalty programs. Franchisee will have the right to advertise and sell its products at whatever prices Franchisee determines.

G. Media Placement. Franchisee will use the approved vendors designated by Franchisor for broadcast media placement and online advertising for its pre-opening and first year marketing activities.

7. **FRANCHISOR'S OBLIGATIONS**

A. Location. Franchisor will provide Franchisee with assistance respecting site location and evaluation for the Mobile Franchise to ensure consistency with the Business System standards. Franchisee acknowledges that any assistance (including site selection and project oversight) provided by Franchisor or its nominee in relation to the selection or development of the Mobile Franchise is only for the purpose of determining compliance with the Business System standards and does not constitute a representation, warranty, or guarantee, express, implied or collateral, regarding the choice and location of the Mobile Franchise, that the development of the Mobile Franchise is free of error, nor that the franchised business is likely to achieve any level of volume, profit or success.

B. Lay-Out and Design. Franchisee shall construct and equip the Mobile Franchise in accordance with the timetable or schedule specified by, and in conformity with the standard layout plans, specifications, and motif provided by Franchisor. Following receipt of such materials from Franchisor, the responsibility and cost of customizing specific plans, specifications, and drawings to the Mobile Franchise (upon prior approval of Franchisor) and all costs and expenses pertaining to the construction and equipping of the Mobile Franchise shall be borne exclusively by Franchisee. Franchisor shall have the right to inspect the construction and development of the Mobile Franchise at all reasonable times to ensure conformity with applicable standards.

C. Equipment, Supplies, and Inventory. Franchisee agrees to use in the operation of the franchised business only those service providers, manufacturers, brands or types of items, equipment (including, without limitation, a computer and point-of-sale (POS) system), and signs that Franchisor will designate and approve. Franchisee may purchase approved brands or types of items, equipment, and signs only from suppliers approved by Franchisor, which may include Franchisor or its affiliates. Franchisee further agrees to place or display at the Mobile Franchise (interior and exterior) only such signs, emblems, lettering, logos, and display materials that are from time to time approved in writing by Franchisor, which approval may be given or withheld by Franchisor.

D. Training. Franchisor will, at its expense, provide a two-part training program in Huntersville, North Carolina, at your location, online, or at such other location Franchisor designates to educate, familiarize, and acquaint Franchisee with the business of operating a Pearce Bespoke Mobile Franchise. The first session of the training program will include instruction on general business issues related to the ownership of a privately-owned mobile business, such as, by way of example only, real estate matters, business plan development, inventory management, point-of-sales systems, custom product purchasing, Franchisor's preferred vendor program, and other topics Franchisor may select. The period of this session will be at Franchisor's discretion but generally will be for not less than five (5) days and will be scheduled by Franchisor at its discretion. The second session of the training program may include instruction on sales and marketing, inventory purchasing, computer operation, Mobile Franchise management and other topics Franchisor may select. The period of this session will be at Franchisor's discretion but generally will be for at least five (5) days and will be scheduled by Franchisor. Franchisee (or such other trainees required by Franchisor) must successfully complete both sessions of the training program. If Franchisee (or such other trainees required by Franchisor) fails to successfully complete both sessions, he/she will not be permitted or authorized to manage Franchisee's business and Franchisor may terminate this Agreement pursuant to Section 15. Franchisee will be responsible for travel costs, room and board, the salaries, fringe benefits, and other expenses Franchisee and its employees and designated trainees incur in attending both sessions of the training program. If Franchisee requests Franchisor provide Training at Franchisee's location, and Franchisor agrees to do so, Franchisee will be responsible for reimbursing Franchisor for the transportation costs, lodging costs, and other costs reasonably related to training at Franchisee's location, up to \$5,000. All active clothiers will be required to attend our annual certification training (the "Annual Certification Training"), which may be held online or in person at a location that we designate. We anticipate the cost of recertification will be approximately \$199 and will be held monthly.

E. Opening Assistance. Franchisor will assist in scheduling the opening of the Mobile Franchise. Franchisee will not open or commence business operations until Franchisee has received written approval from Franchisor. Franchisor's approval may be withheld if Franchisee fails to meet minimum inventory requirements, training and/or marketing requirements or Brand Standards established by Franchisor. Franchisor will, at no charge, provide pre-opening assistance prior to Franchisee's Mobile Franchise opening. Franchisor will also provide assistance with the Mobile Franchise opening around the time of grand opening.

F. Operations Manual. Franchisor will provide Franchisee with an electronic copy of the Operations Manual and one or more other confidential manuals (collectively, the "Manuals") wherein Franchisor will describe its operational policies, standards, requirements, and practices as such things are modified and amended by Franchisor from time to time. The Manuals may also include computer software, information available on an internet/extranet site and other electronic media that Franchisor may change from time to time. Franchisee will comply with all provisions of the Manuals. Franchisor reserves the right to revise the Manuals at any time.

G. Additional Initial Assistance. Franchisor will assist Franchisee in the development of a business plan. Franchisor and Franchisee may also agree that Franchisor provide management assistance and other services, in addition to the usual initial assistance and supervision Franchisor provides to all franchisees, for additional agreed upon compensation.

H. Ongoing Assistance. During the operation of Franchisee's business, Franchisor will: (1) inspect the Mobile Franchise as often as Franchisor deems necessary and provide written reports to Franchisee on operations; (2) provide, upon the written request of Franchisee, advisory services pertaining to operation of Franchisee's business; (3) periodically make available to Franchisee all changes, improvements and additions to the Business System to the same extent as made available to other franchisees; (4) provide Franchisee with all supplements and modifications to the Manuals; and (5) develop advertising and marketing materials. Any evaluation or inspection Franchisor conducts is not intended to exercise, and does not constitute, control over Franchisee's day-to-day operation of the Business or to assume any responsibility for Franchisee's obligations under this Agreement.

8. OPERATION OF THE FRANCHISEE'S BUSINESS

The Marks and Business System licensed to Franchisee represent valuable goodwill distinctive of Franchisor's business and reputation. Franchisor will periodically develop uniform standards of quality and service regarding the business operations of the Mobile Franchise so as to protect (for the benefit of all franchisees and Franchisor) the distinction, valuable goodwill, and uniformity represented and symbolized by the Marks and Business System. To ensure that all franchisees will maintain the uniform requirements and Brand Standards for goods and services associated with the Pearce Bespoke Mobile Franchises and with the Marks and Business System, Franchisee will maintain the uniformity and Brand Standards Franchisor reasonably requires for all products and services and agrees to the following provisions:

A. Managerial Responsibility. During the term of this Agreement, the parties who have signed this Agreement on behalf of Franchisee will personally manage and operate Franchisee's business and will not, without Franchisor's prior written consent, delegate its authority and responsibility with respect to management and operation. If Franchisee is a corporate entity or a partnership, one individual will retain at least fifty percent (50%) of the equity and voting interest in such corporation or partnership and will be obligated to personally manage and operate the Franchisee's business.

B. Design and Appearance of Premises. The design and appearance of the exterior and interior of the Mobile Franchise, including signage, are part of the Business System. It is essential to the integrity of Franchisor's Business System that as great a degree of uniformity as possible be maintained among the various premises of Pearce Bespoke franchisees. Without limitation to anything provided for in this Agreement, Franchisee agrees that: (1) no alteration or addition will be made to the premises without Franchisor's prior written consent; (2) the painting and decor will be maintained in such manner and form as Franchisor may require; (3) Franchisee will follow Franchisor's instructions with respect to layout and character of interior items and furnishings; and (4) only such signs, emblems, logos, lettering, and artwork as Franchisor may require or periodically provide will be displayed on the Mobile Franchise premises. Franchisee must follow Franchisor's current standards regarding the design and appearance of the premises.

C. General Operation. Franchisee will use the Marks and Business System in strict compliance with the standards, operating procedures, specifications, requirements, and instructions required of all Pearce Bespoke franchisees, which Franchisor may periodically amend and supplement. Any required standards exist to protect Franchisor's interests in the Business System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee. The required standards generally will be set forth in the Operations Manual or other written materials. The Operations Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. Franchisee may follow the recommendations or guidelines or some other suitable alternative, provided Franchisee meets and complies with the required standards. In other instances, no suitable alternative may exist. In order to protect Franchisor's interests in the Business System and Marks, Franchisor reserves the right to determine if Franchisee is meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

D. Products and Services. Franchisee will sell only those categories of products and services

Franchisor approves in writing and will offer for sale all categories of products and services required by Franchisor from time to time. Franchisee will conform to all quality and customer service standards Franchisor requires in writing. Franchisee will purchase only such types, models or brands of items, furniture, equipment, signs, and supplies that Franchisor approves for Pearce Bespoke as meeting its specifications and standards, including specifications and standards for quality, design, warranties, appearance, function, and performance. Franchisee acknowledges and agrees that such items shall be purchased only from sources, manufacturers, or suppliers approved in writing by Franchisor (which sources or suppliers may include Franchisor or affiliates of Franchisor). FRANCHISOR DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH FRANCHISOR'S (AND/OR AN AFFILIATE'S) SALE OF ANY GOODS, EQUIPMENT, FURNITURE, SIGNS, OR SUPPLIES TO FRANCHISEE. Franchisee agrees to execute any and all documents Franchisor reasonably requests, including letters of credit, security agreements, and financing statements, to provide collateral for amounts due to Franchisor for purchases of inventory and other items custom in Franchisee's business.

E. Maintenance of Premises; Modernization. Franchisee will, at its expense, repair, paint, and keep in an attractive, clean, and sanitary condition the interior and exterior of the Mobile Franchise premises. Franchisee will ensure that all equipment will be kept in good working order and will meet Franchisor's Brand Standards. Franchisee will periodically make capital expenditures to remodel, modernize, and redecorate the Mobile Franchise and to replace and modernize the furniture, items, signs, supplies and equipment custom in the Mobile Franchise so that the Mobile Franchise will reflect the then-current physical appearance of new Pearce Bespoke Mobile Franchises. All remodeling, modernization, or redecoration of the Mobile Franchise must be done pursuant to Franchisor's then-current standards and specifications and only with Franchisor's prior written approval. Franchisee agrees to commence remodeling activities within ninety (90) days after written notice from Franchisor, although Franchisee will not be required to remodel, modernize, and redecorate the Mobile Franchise more than once every five years during the term of this Agreement.

F. Compliance with Laws. Franchisee will, at its expense, comply with all applicable local, state, federal, and municipal laws, ordinances, rules, and regulations pertaining to the operation of the Mobile Franchise, including any and all licensing and bonding requirements, as well as the Americans with Disabilities Act ("ADA"), the Gramm-Leach-Bliley Act, the Fair Credit Reporting Act ("FCRA"), the Telephone Consumer Protection Act ("TCPA"), the Fair and Accurate Credit Transactions Act ("FACTA"), and the National Automated Clearinghouse Association ("NACHA") and associated regulations (collectively "Privacy Laws"). No music, videos, or television may be played in the Mobile Franchise unless the appropriate licenses are obtained.

If the California Consumer Privacy Act ("CCPA"), Cal. Civ. Code § 1798.100, *et seq.*, or any federal or state privacy law applies to the Mobile Franchise, whenever and to the extent Franchisee operates as a "Service Provider" under the CCPA or in a similar capacity under any federal or state privacy law, Franchisee represents, warrants, and covenants that:

1. Franchisee will not sell, make available or otherwise disclose any Customer Information to any third party for valuable consideration;
2. Franchisee will retain, use, or disclose Customer Information only for the specific purpose of performing the services specified in this Agreement, and not any commercial or noncommercial purpose other than providing the services specified in this Agreement;
3. Franchisee will not retain, use, or disclose Customer Information outside of the direct business relationship between Franchisee and Franchisor;
4. Franchisee will delete any Customer Information upon Franchisor's request unless Franchisee can

prove that such request is subject to an exception under applicable law; and

5. Franchisee certifies that it understands the restrictions in Paragraphs 1-4 of this section and will comply with them. Franchisee also acknowledges and agrees that Franchisor may modify the restrictions by written notice to Franchisee, including adding other similar privacy restrictions that may be required under other state or federal privacy laws.

G. Payment of Liabilities. Franchisee will timely pay all of its obligations and liabilities due and payable to Franchisor, suppliers, lessors, and creditors. Franchisor reserves the right to assess a Late Fee equal to one hundred dollars (\$100.00) plus interest on the unpaid amount at a rate equal to eighteen percent (18%) per annum.

H. Taxes. Franchisee will promptly pay all federal, state, and local taxes arising out of the operation of Franchisee's business. Franchisor will not be liable for these, or any other taxes, and Franchisee will indemnify Franchisor for any such taxes that may be assessed or levied against Franchisor which arise or result from Franchisee's business.

I. Standardization. Franchisee will require its employees to wear such uniforms as Franchisor may designate and will comply with such programs of standardization as Franchisor may periodically develop to promote the common business image and to protect the goodwill associated with the Marks and Business System.

J. Personnel. Franchisee will, at all times when open for business, have a person designated as a management person on duty who will be responsible for the business operations of Franchisee's business. Franchisee will employ and maintain a sufficient number of adequately trained and competent employees to provide efficient service to Franchisee's customers. Franchisee's employees will not be deemed to be Franchisor's employees for any purpose whatsoever, and nothing in any aspect of the Business System or the Marks in any way shifts any employee or employment related responsibility from Franchisee to Franchisor. Franchisee alone is responsible for hiring, firing, training, setting hours for and supervising all employees.

K. Hours of Operation. Franchisee's Mobile Franchise will be open for business at the time and in the manner Franchisor provides in the Operations Manual. The minimum hours of operation may be periodically amended by Franchisor and/or updated in the Operations Manual.

L. Additional Training Seminars. Franchisor may periodically conduct refresher courses, seminars, and other programs for all Pearce Bespoke franchisees. Franchisee and/or its employees will be required to attend any such programs and will be responsible for any expenses incurred by them in attending such programs including the cost of training sessions as detailed in the Operations Manual, transportation, lodging, meals, and any wages. If Franchisee requests Franchisor provide Training at Franchisee's location, and Franchisor agrees to do so, Franchisee will be responsible for reimbursing Franchisor for the transportation costs, lodging costs, and other costs reasonably related to training at Franchisee's location, up to \$5,000.

M. Photographs. Franchisor will have the right to photograph the Mobile Franchise premises and, with prior written consent, Mobile Franchise employees at all reasonable times.

N. Operations Manual. To protect Franchisor's reputation and goodwill and to maintain uniform operating standards under the Marks and Business System, Franchisee will conduct its business according to Franchisor's Operations Manual and other confidential Manuals provided by Franchisor. Franchisee will receive an electronic or hard copy of each Manual. Franchisee will treat each Manual as confidential and will use all reasonable efforts to maintain the Operations Manual as secret and confidential. The Manuals will remain Franchisor's sole property. Franchisor may periodically revise the contents of the Manuals. Franchisee agrees to comply with each new or changed standard. Franchisee will ensure that its copy of

each Manual is kept current. In the event of any dispute as to the contents of any Manual, the terms of the master copy of such Franchisor maintains will control. At Franchisor's option, Franchisor may post some or all of the Operations Manual and other confidential Manuals and materials on the Extranet to which Franchisee will have access. Any passwords or other digital identifications necessary to access the Operation Manual on the extranet will be deemed secret and confidential. It is Franchisee's obligation to monitor and access the extranet for any updates to the Operating Manual or system standards.

O. Lease. Franchisee's lease or sublease for the Mobile Franchise premises must be reviewed by Franchisor before its execution. Franchisee must provide Franchisor with an executed copy of any lease for the Mobile Franchise. Franchisor makes no guarantees concerning the success of the Mobile Franchise located on any site consented to by Franchisor. Franchisor recommends that Franchisee employ an independent real estate broker to assist Franchisee in locating a suitable site and negotiating a lease for such site. Franchisee's lease must contain provisions requiring that: (i) so long as this Agreement remains in effect, the premises will be custom only for a Pearce Bespoke business; (ii) the landlord will provide Franchisor written notice of any Franchisee default and/or right to cure; and (iii) upon termination of this Agreement or the Lease, Franchisee must remove, at its sole expense, all signs and materials bearing the name "Pearce Bespoke" and other Marks.

1. Vehicle Lease. Franchisee is not required to purchase or lease a vehicle to operate the Business, provided Franchisee's vehicle is in good working condition and no more than five (5) years old. Franchisee can choose the type of vehicle to purchase or lease. The vehicle must be box wrapped with Pearce Bespoke approved marks and logos, as described in the Operations Manual.

P. Point-of-Sale System. Franchisee will utilize in the Mobile Franchise the point-of-sale system (the "POS System") which Franchisor has selected for the Business System, including all future updates, supplements, and modifications. Franchisee may be required to enter into a separate computer software license agreement specified by a third-party supplier of the POS System. Franchisor may access information and data produced by Franchisee's POS System. As further described in Section 5(C), Franchisor has the right to use the information obtained from Franchisee's POS System to determine the weekly amounts owed for Royalty Fees. The computer hardware component of the POS System must conform with specifications Franchisor develops and must be configured as a package unit as Franchisor designates. The POS System includes one (1) iPad, one (1) desktop/laptop computer, and one (1) all-in-one printer. Franchisee will be required to utilize and, at Franchisor's discretion, pay for all future updates, supplements, and modifications to the POS System. Franchisee may be required to update its POS System every five (5) years or less, depending on updates in technology and Franchisor's current standards. Franchisor reserves the right to charge a POS Maintenance Fee. Franchisor will provide a minimum of thirty (30) days' written notice prior to implementation of such fee. It is Franchisee's responsibility to make sure that Franchisee is in compliance with all laws that are applicable to the POS System or other technology custom in the operation of Franchisee's Business, including all data protection or security laws as well as PCI compliance.

Q. Technology Fee. Franchisor reserves the right to charge a periodic Technology Fee for technology-related services provided by Franchisor, currently we charge \$25 per week. The Technology Fee will be paid in accordance with Section 5(C). Franchisor will provide a minimum of thirty (30) days' written notice prior to implementation of such fee. If a Technology Fee is established, Franchisor will not increase the Technology Fee by more than ten percent (10%) each year.

R. Participation in Internet Website. Franchisee must have high speed internet access from the Mobile Franchise and an e-mail address. Franchisor will include Franchisee in the Mobile Franchise location section of Franchisor's website www.pearcebespoke.com at no charge as part of Franchisee's marketing fund. Franchisor will establish the rules from time to time under which franchisees will establish their own website or separately use the internet, and Franchisee shall be required to strictly abide by all such rules and follow the then current form of Internet Code of Conduct. Franchisee is required to have a Mobile Franchise website and will pay all expenses associated with the development and operation of the website for Franchisee's individual Mobile Franchise. Franchisor will, at its discretion, determine the content and

use of the Pearce Bespoke website, and the core brand content and design of the franchisee Mobile Franchise website templates. Franchisor will retain all rights relating to the Pearce Bespoke website and the individual Mobile Franchises' website template and domain name(s) (URL) and may alter or terminate the websites upon thirty (30) days' notice to Franchisee. Franchisee's general conduct on the internet and specifically its use of the Marks on the internet (including the domain name and any other Marks Franchisor may develop as a result of participation on the internet) will be subject to the provisions of this Agreement and regulated by the Internet Code of Conduct or similar document. Franchisee may be required to participate in e-commerce activities (as regulated in the Internet Code of Conduct) on its Mobile Franchise website and have a separate online merchant account to accept credit card payments through the website. Franchisee acknowledges that certain information obtained through its participation in the Pearce Bespoke internet and extranet websites may be considered Confidential Information (as defined in Section 9 below), including access codes and identification codes. Franchisee's right to maintain any website custom in operating the Mobile Franchise, participate in the Pearce Bespoke internet or extranet sites or otherwise use the Marks or Business System on the internet will terminate when this Agreement expires or terminates. It is Franchisee's responsibility to ensure that its website and other web content complies with all applicable provisions of the current Web Content Accessibility Guidelines ("WCAG") and/or related laws.

S. Credit Cards and Methods of Payment. At all times, Franchisee must maintain credit card relationships with the credit and debit card issuers or sponsors, check or credit verification services, financial-center services, and electronic-funds-transfer systems that Franchisor designates, and Franchisee must not use any such services or providers that Franchisor has not approved in writing. Franchisor has the right to modify its requirements and designate additional approved or required methods of payments and vendors for processing such payments. Franchisee must comply with all credit card policies. The Franchisee must comply with the Payment Card Industry Data Security Standards ("PCI DSS") as they may be revised and modified by the Payment Card Industry Security Standards Council or its successor organization, FACTA and any other card payment standards Franchisor may specify.

T. Summits and Conventions. Franchisee or a principal must attend each Summit (up to 1 per calendar year). If neither Franchisee nor principal attends Franchisee must pay to Franchisor an amount equal to the attendance fee, five hundred dollars (\$500.00), for one attendee. Franchisee is also responsible for paying the costs of travel, living, food, and wages while attending the Summit.

U. Opening Inventory Package. Franchisee must purchase upon the signing of this Agreement, from Franchisor, an initial inventory package for eight thousand dollars (\$8,000.00). The Opening Inventory Package includes the cost of a signature clothing trunk, additional transportation luggage, a mixture of men and women's custom suits and clothing, and a variety of accessories that Franchisee will utilize to promote and market the Mobile Franchise.

V. Clothier Inventory Package. Franchisee must purchase a Clothier Inventory Package for each clothier it hires. The Clothier Inventory Package is currently two thousand seven hundred dollars (\$2,700.00) and includes the signature clothing trunk, and a set of fabric, button, and lining sample books.

W. Clothier Recruitment Fee. Upon Franchisee's request, Franchisor will provide Franchisee with clothier recruitment services ("PB Recruiting"). PB Recruiting services include: (i) identifying potential clothiers for employment, (ii) making touch points, and (iii) upon Franchisee's request, traveling to its territory to conduct interviews and make hiring recommendations. If Franchisee chooses to use PB Recruiting, the fee is: (i) \$1,000 for online recruitment services only, and (ii) an additional \$500 per day plus travel and living expenses to conduct PB Recruiting services in-market.

9. CONFIDENTIAL INFORMATION

A. Non-Disclosure of Confidential Information. Franchisee and those individuals who have signed the Personal Guaranty attached hereto as Attachment B agree to use and permit the use of Franchisor's Confidential Information (as defined below) solely in connection with the operation of the Mobile

Franchise. Franchisee and Personal Guarantors further agree that they will never, during the initial term or any renewal term of this Agreement, or any time after this or any renewal Franchise Agreement expires or terminates, or Franchisee's rights under this Agreement or any renewal Franchise Agreement are assigned or terminated, divulge or use any of Franchisor's Confidential Information for the benefit of any third party (including any person, business entity or enterprise of any type or nature), nor will Franchisee or Personal Guarantors directly or indirectly aid such third party to imitate, duplicate or "reverse engineer" any of Franchisor's Confidential Information. "Confidential Information" means all information, knowledge, trade secrets, or know-how utilized by the Business System, or which otherwise concerns Franchisee's or Franchisor's systems of operation, programs, services, products, customers, practices, materials, books, records, manuals, computer files, databases, or software. Confidential Information includes (without limitation): all elements of the Business System and all products, services, equipment, technologies, policies, standards, requirements, criteria and procedures that now or in the future are part of the Business System; Franchisor's Operations Manual (including supplements to the Manual); all specifications, sources of supply, all procedures, systems, techniques and activities employed by Franchisor or Franchisee in the offer and sale of products and or services at the Mobile Franchise; all pricing paradigms established by Franchisor or by Franchisee; all of Franchisor's and/or Franchisee's sources (or prospective sources) of supply and all information pertaining to same (including wholesale pricing structures, the contents of sourcing agreements and identity of suppliers); Franchisor's specifications, and Franchisee's final plans, for the construction, build-out, design, renovation, décor, equipment, signage, furniture, items and trade dress elements of the Mobile Franchise; the identity of, and all information relating to, the computer and DRS POS hardware and software utilized by Franchisor and Franchisee; all information pertaining to Franchisor's and Franchisee's advertising, marketing, promotion and merchandising campaigns, activities, materials, specifications and procedures; all customer lists, customer data and other records generated and/or otherwise maintained by the Mobile Franchise; Franchisor's Internet Code of Conduct, social media policy, internet/web protocols, procedures and content; Franchisor's training and other instruction programs and materials; all communications between Franchisor and Franchisee (including the financial and other reports Franchisee is required to submit to Franchisor under the Agreement); additions to, deletions from and modifications and variations of the components of the Business System and all other information, knowledge and know-how which Franchisor and its affiliates, now or in the future, designate as confidential.

Confidential Information will not, however, include information which Franchisee and Personal Guarantors can demonstrate came to their attention before Franchisor disclosed it to Franchisee (unless illegally or improperly procured by Franchisee or its Personal Guarantors before Franchisor's disclosure) or which, at or after the time of disclosure, has become a part of the public domain through publication or communication by others, but not through any act of Franchisee or Personal Guarantors.

Except as authorized in this Agreement, Franchisee and Personal Guarantors agree never to copy, duplicate, record or otherwise reproduce any of the Confidential Information, in whole or in part; otherwise share it with any other third-party individual or entity; Mobile Franchise it in a computer or other electronic format; or otherwise make it available to any third party by any other means whatsoever. Upon the expiration or termination of this Agreement, Franchisee and Personal Guarantors agree to return to Franchisor such Confidential Information as Franchisor requests (including customer lists and records; all training materials and other instructional content; financial and non-financial books and records; the Manual; and, computer databases, software and manuals) which are then in Franchisee's or Personal Guarantor's possession, or upon Franchisor's request, destroy all or certain Confidential Information and certify such destruction to Franchisor. It is specifically understood that all customer lists or information adduced by the Mobile Franchise is Franchisor's property, not the property of Franchisee or Personal Guarantors. Franchisor may use this information to market to Franchisee's customers during and after the term of the Franchise Agreement. Franchisee will execute any document required by Franchisor to ensure that Franchisor will have access to that information.

Franchisee and Personal Guarantors must only divulge such Confidential Information to Franchisee's operational personnel as is necessary for each to perform his/her functions and then only on a "need to

know” basis. Franchisee and Personal Guarantors agree to take all necessary precautions to insure that these individuals maintain the Confidential Information in confidence and comply with the confidentiality provisions of this Agreement. Franchisee’s agreement to procure execution of a Confidentiality/Non-Competition Agreement from certain of Franchisee’s owners, management and staff is set forth before in Section 9(B) of this Agreement.

B. Confidentiality/Non-Competition Agreements. All of Franchisee’s employees who have managerial duties with respect to the Mobile Franchise and who have access to Confidential Information of Franchisor, as well as all corporate officers, directors, and shareholders if Franchisee is a corporation (all partners if Franchisee is a partnership), must sign Confidentiality/Non-Competition Agreements in a form satisfactory to Franchisor, agreeing to maintain the confidentiality, during the course of their agreement and thereafter, of all information Franchisor copyrights or designates as confidential and proprietary. Copies of the executed agreements will be provided to Franchisor upon request.

Franchisee agrees to vigorously and vigilantly prosecute to the fullest extent permitted by law breaches of any Confidentiality/Non-Competition Agreement executed pursuant to this provision, and acknowledge Franchisor’s right, to be exercised as Franchisor alone determines, to enforce the terms of any such executed Confidentiality/Non-competition Agreement. If the substantive provisions of the Confidentiality/Non-Competition Agreement have been breached by an individual employed, engaged, or otherwise serving the Mobile Franchise who has not executed a Confidentiality/Non-Competition Agreement Franchisee must nevertheless vigorously and vigilantly prosecute such conduct to the fullest extent permitted by law.

10. **INSURANCE; BONDING**

A. Insurance. Franchisee will obtain and maintain in force (under policies of insurance issued by a carrier that is rated A- or better by AM Best) and pay the premiums for public liability insurance with products/completed operations coverage and premises liability of no less than one million dollars (\$1,000,000.00) per occurrence and two million dollars (\$2,000,000.00) in the aggregate, bailee insurance protecting Franchisee’s consignment goods and other insurance in such types and amounts as Franchisor may reasonably require. Such insurance policies will expressly protect both Franchisee and Franchisor and will require the insurer to defend both Franchisee and Franchisor in any action. In addition, each such insurance policy must name Franchisor as an additional insured, and provide that such policy will not be canceled, amended, or modified except upon thirty (30) days’ prior written notice to Franchisor. On an annual basis and upon Franchisor’s request, Franchisee will furnish to Franchisor endorsements or other proof of insurance Franchisor requires evidencing that Franchisee has obtained and is maintaining in force all required insurance policies. Maintenance of the insurance requirement will not relieve Franchisee of the obligations of indemnification stated in Section 11 below. If Franchisee fails to obtain or maintain in force any insurance as required by this Section or to furnish any endorsements or other proof of insurance Franchisor requires hereunder, Franchisor may, in addition to all other available remedies, obtain such insurance or endorsements or proof of insurance, and Franchisee will promptly reimburse Franchisor for all insurance premiums and other costs incurred in obtaining such insurance or endorsements or other proof of insurance.

B. Bonding. Franchisee will comply with any and all bonding requirements which may be applicable to its Pearce Bespoke business.

11. **INDEPENDENT CONTRACTORS; INDEMNIFICATION**

Franchisor and Franchisee are independent contractors. Neither Franchisor nor Franchisee will make any agreements, representations, or warranties in the name of or for the other or that their relationship is other than franchisor and franchisee. Neither Franchisor nor Franchisee will be obligated by or have any liability under any agreements, representations or warranties made by the other. Franchisee alone will be responsible for all loss or damage arising out of or relating to the operation of Franchisee’s business or arising out of the acts or omissions of Franchisee or any of its agents, employees, or contractors in connection with the

preparation and sale of products by Franchisee, and for all claims for damage to property or for injury or death of any persons directly or indirectly resulting therefrom. Franchisee acknowledges that the customer list of all mobile or commercial customers shall be the sole and exclusive property of Franchisor and that Franchisee shall have no ownership rights or interest in the customer list. Franchisee will indemnify Franchisor against and will reimburse Franchisor for all obligations and damages arising out of the operation of Franchisee's business, including all costs Franchisor reasonably incurs in the defense of any such claim brought against it or in any action in which it is named as a party (including reasonable attorneys' fees), including without limitation any claims brought against it related to Franchisee's violations of Privacy Laws. Franchisor will have the right to defend any such claim against it. Franchisor will indemnify Franchisee against and reimburse Franchisee for any obligations or liability for damages attributable to agreements, representations or warranties of Franchisor, or custom by Franchisor's negligence or willful action, and for costs Franchisee reasonably incurs in the defense of any such claim brought against it or in any action in which it is named as a party, provided that Franchisor will have the right to participate in and, to the extent Franchisor deems necessary, to control any litigation or proceeding which might result in liability of or expense to Franchisee subject to such indemnification. The indemnities and assumptions of liabilities and obligations stated in this Agreement will continue in full force and effect following the expiration, termination, or a transfer of this Agreement.

Nothing in this Agreement may be construed to create a partnership, joint venture, agency, employment, or fiduciary relationship of any kind. None of Franchisee's employees will be considered to be Franchisor's employees. Neither Franchisee nor any of Franchisee's employees whose compensation is paid by Franchisee may in any way, directly or indirectly, expressly or by implication, be construed to be an employee of Franchisor for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied, or fixed by any city, state, or federal governmental agency. Franchisor will not have the power to hire or fire Franchisee's employees. Franchisee will alone exercise day-to-day control over all operations, activities, and elements of the Mobile Franchise. Franchisee is solely responsible for the safety and well-being of Franchisee's employees and the customers of the Mobile Franchise. Franchisee acknowledges and agrees that the various requirements, prohibitions, specifications, and procedures of the Business System which Franchisee is required to comply with under this Agreement, whether set forth in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer, or imply that Franchisor controls any aspect or element of the day-to-day operations of the Mobile Franchise, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising control of the day-to-day operations of the Mobile Franchise. Franchisee may not, without Franchisor's written approval, have any power to obligate Franchisor for any expense, liabilities, or other obligations, other than specifically provided in this Agreement.

12. SALES REPORTS, FINANCIAL STATEMENTS AND AUDIT RIGHTS

A. Sales Reports. Franchisee will maintain an accurate written record of daily Gross Sales and will deliver to Franchisor a signed and verified statement of the weekly Gross Sales of Franchisee's business using such forms and methods as Franchisor may require in writing. The weekly statement of Gross Sales must be provided to Franchisor on or before Wednesday of each week for the preceding week. Franchisor reserves the right to modify or substitute the required forms and methods and impose additional recordkeeping procedures.

B. Financial Statements. Franchisee will, at its expense, provide Franchisor with quarterly and annual financial statements and such other financial reports as Franchisor specifies using the forms and chart of accounts Franchisor requires. All financial information provided to Franchisor under this Section must be presented in the form Franchisor periodically requires in writing. Franchisee will deliver the quarterly financial information to Franchisor by the thirtieth (30th) day of the month following the end of the preceding quarter. The annual financial statement must be provided on or before March 1 of each year for the preceding calendar year.

C. Audit Rights. Franchisee will make all of its financial books and records (including the tax returns of Franchisee, its Personal Guarantors, and its shareholders) available to Franchisor or its designated representative at all reasonable times for review and audit by Franchisor or its designee. Franchisee will keep its financial books and records for each fiscal and calendar year in a secure place and will make them available for audit by Franchisor for at least five (5) years. If an audit conducted by Franchisor results in a determination that the Royalty Fees or other amounts paid to Franchisor are deficient (underpaid) by more than two percent (2%), Franchisee will pay Franchisor for the reasonable costs and expenses that it has incurred as a result of the audit. If pursuant to audits, the Royalty Fees have been deficient by more than two percent (2%) twice or more within any five (5) year period, this will be considered a material breach of this Agreement. In addition, Franchisee's failure to fully cooperate and timely complete the audit procedures is a material breach of the Franchise Agreement and Franchisee will pay all of Franchisor's costs and expenses Franchisor incurs resulting from Franchisee's lack of cooperation and untimeliness.

13. **FRANCHISOR'S RIGHT OF FIRST REFUSAL TO PURCHASE**

A. Restrictions. Franchisee will not sell, assign, trade, transfer, lease, sublease, or otherwise dispose of: (1) any interest in or any part of the Franchised Location or this Agreement, or (2) any controlling interest (whether through one or more related transactions) in Franchisee's business or the assets of Franchisee's business to any third party, without first offering the same to Franchisor in writing, at the same price and on the same terms as stated in the proposed third-party offer. Franchisee's written offer to Franchisor must contain all material provisions of the proposed sale or transfer. Upon Franchisor's receipt of written notice specifying the proposed price and terms of a proposed sale or transfer of Franchisee's business or interest therein, Franchisor will give Franchisee written notice within ten (10) business days thereafter if Franchisor has an interest in negotiating to purchase the business or interest being offered according to the proposed terms. If Franchisor commences negotiations to purchase Franchisee's business or interest therein as described herein, Franchisee may not sell the business or interest being offered to a third party for at least thirty (30) days or until Franchisor and Franchisee agree in writing that the negotiations have terminated, whichever comes first. If Franchisor waives its right to purchase, Franchisee may complete the sale or transfer of the business or interest therein according to the terms described in the written notice to Franchisor but not upon more favorable terms. Any such sale, transfer, or assignment to a third party is subject to the provisions stated in Section 14 of this Agreement. Franchisor's nonacceptance of Franchisee's written offer will not affect or change Franchisee's obligations under this Agreement.

B. Corporate Franchisee. If Franchisee is a corporation, the shareholders cannot sell, assign, pledge or otherwise dispose of a controlling interest in the capital stock of Franchisee ("Capital Stock") (except to immediate family members of the controlling shareholder(s) or to a trust established for their benefit) until the Capital Stock has been first offered to Franchisor in writing under the same terms and conditions offered to any third party. A shareholder of Franchisee may, however, bequeath, sell, assign, trade, or transfer his/her Capital Stock to the other shareholders of Franchisee corporation because of death or permanent disability without first offering it to Franchisor, provided Franchisee provides Franchisor with written notice of all such transactions. All shares of Capital Stock issued by Franchisee's corporation to its shareholders must bear the following legend on the reverse side of each issued and outstanding stock certificate:

The shares of capital stock represented by this certificate are subject to a written Franchise Agreement which grants Pearce Bespoke a right of first refusal to purchase these shares of capital stock from the shareholder.

Nothing in this Section will be construed as prohibiting the shares of Capital Stock of a corporate Franchisee from being pledged as security to an institutional lender who has provided financing to or for the Mobile Franchise; provided the institutional lender accepts such security interest subject to Franchisor's reasonable conditions.

14. **ASSIGNMENT OF FRANCHISE AGREEMENT**

A. By Franchisor. A sale, transfer, or assignment by Franchisor of its interest in the Business System or the Marks or any parts thereof, and/or in the sale, transfer, or assignment by Franchisor of this Agreement or any interest therein, may be completed without the consent of Franchisee. To the extent that the purchaser or transferee shall assume the covenants and obligations of Franchisor under this Agreement, Franchisor shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. Franchisee acknowledges that nothing in this Agreement shall prevent Franchisor from granting security over any of its assets, including the Marks and any other intellectual property, on terms required by any secured party from time to time, and Franchisee further acknowledges that any such secured party or any agents acting on behalf of such secured party shall not have any obligations to Franchisee by reasons only of such security interest.

B. Corporate Franchisee. This Agreement may be transferred or assigned by Franchisee to a corporation which is owned or controlled by Franchisee, provided Franchisee and all other shareholders of the assignee corporation owning at least ten percent (10%) of the Capital Stock thereof sign the Personal Guaranty attached hereto as Attachment B and agree to be bound by the provisions of this Agreement. Franchisee will give Franchisor fifteen (15) days' written notice before the proposed date of assignment or transfer of this Agreement to a corporation owned or controlled by Franchisee; however, the transfer or assignment of this Agreement will not be valid or effective until Franchisor has received the legal documents which its legal counsel deems necessary to properly document such transfer or assignment.

C. Conditions to Other Transfer or Assignment. Franchisee (and its partners and shareholders, if any) will not transfer (whether voluntary or involuntary), assign or otherwise dispose of, in one or more transactions, Franchisee's business, the Franchised Location, all or substantially all of the assets of Franchisee's business, this Agreement or any controlling interest in Franchisee (a "controlling" interest will include a proposed transfer of fifty percent (50%) or more of the Capital Stock of a corporate Franchisee) without Franchisor's prior written consent, except to trusts established for Franchisee's benefit. Franchisor will not unreasonably withhold its consent to a transfer, subject to any or all of the following conditions described below which Franchisor may deem necessary:

1. All of Franchisee's accrued monetary obligations to Franchisor and suppliers will have been satisfied, and Franchisee is not in default under this Agreement;
2. Franchisee executes a written agreement in a form satisfactory to Franchisor, in which Franchisee covenants to observe all applicable post-term obligations and covenants contained in this Agreement;
3. The transferee-franchisee enters into a written agreement in a form satisfactory to Franchisor assuming and agreeing to discharge all of Franchisee's obligations and covenants under this Agreement for the remainder of its term or, at Franchisor's option, executes Franchisor's then-current standard form of franchise agreement which may not contain any further rights of renewal, but may contain royalty rates and advertising contributions (which may be different than those contained in this Agreement), and an altered Protected Territory;
4. The transferee-franchisee is not a competitor of Franchisor or the Business system and is approved by Franchisor and demonstrates to Franchisor's satisfaction that he/she meets Franchisor's managerial, financial, and business standards for new franchisees, possesses a good business reputation and credit rating, and has the aptitude and ability to conduct the franchised business. Franchisee understands that Franchisor may communicate directly with the transferee-franchisee during the transfer process to respond to inquiries, as well as to ensure that the transferee-franchisee meets Franchisor's qualifications;
5. While Franchisor does not determine the purchase price, Franchisor has determined that the purchase price and payment terms will not adversely affect the transferee-franchisee's operation of the Mobile Franchise;

6. If Franchisee finances any part of the purchase price, Franchisee agrees that all of the transferee-franchisee's obligations under any promissory notes, agreements, or security interests reserved in the Mobile Franchise are subordinate to the transferee-franchisee's obligations to pay Royalty Fees, Brand Fund Fees, and any other amounts due to Franchisor under the Franchise Agreement;

7. The transferee-franchisee successfully completes Franchisor's training program; and Franchisee pays Franchisor a transfer fee equal to the greater of (i) ten thousand dollars (\$10,000.00), or (ii) twenty-five percent (25%) of the then current Initial Franchise Fee, for the costs Franchisor incurs, including the costs of any required training. There will be no transfer fee payable for transfers to immediate family members (i.e.: spouse or children).

15. FRANCHISOR'S TERMINATION RIGHTS

A. Grounds. Franchisee will be in default, and Franchisor may, at its option, terminate this Agreement, as provided herein, if: (1) Franchisee fails to open and commence operations of the Mobile Franchise at such time as the premises are ready for occupancy or within three (3) months of the execution of this Agreement, whichever occurs first; (2) Franchisee violates any material provision or obligation of this Agreement; (3) Franchisee or any of its managers, directors, officers, or majority shareholders are convicted of, or plead guilty to or no contest to (a) a charge of violating any law which adversely impacts upon the reputation of the franchised business or (b) any felony; (4) Franchisee fails to conform to the material requirements of the Business System or the material standards of uniformity and quality for the products and services Franchisor has established in connection with the Business System; (5) Franchisee fails to timely pay Royalty Fees, Marketing or Advertising Fees, buying group (inventory) obligations or any other obligations or liabilities due and owing to Franchisor or fails to timely pay any advertising cooperative obligations; (6) Franchisee is insolvent within the meaning of any applicable state or federal law; (7) Franchisee makes an assignment for the benefit of creditors or enters into any similar arrangement for the disposition of its assets for the benefit of creditors; (8) Franchisee voluntarily or otherwise "abandons" (as defined below) the franchised business; (9) Franchisee is involved in any act or conduct which materially impairs the goodwill associated with the name "Pearce Bespoke" or any of the Marks or the Business System; (10) Franchisee's lease for the Mobile Franchise premises expires or is terminated for any reason (unless Franchisee receives Franchisor's written consent and relocates within the Development Area to a site approved by Franchisor within sixty (60) days thereafter and Franchisee signs a new lease in compliance with Section 8(O)); (11) Franchisee defaults in any other agreement with Franchisor, its subsidiaries or affiliates, and does not cure such default in accordance with the terms of such other agreement; (12) Franchisee receives frequent and/or severe complaints from customers and/or employees concerning the Mobile Franchise; (13) Franchisee fails to fully cooperate and timely complete any audit authorized by Franchisor; or (14) Franchisee violates the in-term covenant not to compete. The term "abandon" means Franchisee's failure to operate the Mobile Franchise during regular business hours for a period of ten (10) consecutive days without Franchisor's prior written consent unless such failure is due to an act of God, war, strikes, or riots.

B. Procedure. Except as described below, Franchisee will have thirty (30) days, or such longer period as applicable law may require, after its receipt from Franchisor of a written Notice of Termination within which to remedy any default hereunder, and to provide evidence thereof to Franchisor. If Franchisee fails to correct the alleged default within that time (or such longer period of time as applicable law may require), this Agreement will terminate without further notice to Franchisee effective immediately when the thirty (30) day period (or such longer period as applicable law may require) expires. Franchisor may terminate this Agreement immediately upon delivery of written notice to Franchisee, with no opportunity to cure, if the termination results from any of the following: (1) Franchisee repeatedly fails to comply with one or more material requirements of this Agreement; (2) the nature of Franchisee's breach makes it not curable; (3) Franchisee willfully and repeatedly deceives customers relative to the source, nature or quality of goods sold; (4) any default under items (1), (3), (6), (8), (9), (11), (12), (13) or (14) in Section 15(A) above; or (5) Franchisee willfully and materially falsifies any report, statement, or other written data furnished to

Franchisor either during the franchise application process or after Franchisee is awarded a franchise. For purposes of Section 15(B)(1) of the Franchise Agreement, the word “repeatedly” means Franchisee’s failure, on two or more separate occurrences during any twenty-four (24) month period, to comply with one or more material requirements of the Franchise Agreement, even if the default is subsequently cured within the applicable time period. Any report submitted pursuant to Section 12 will be conclusively deemed to be materially false if it understates Gross Sales by more than four percent (4%).

C. Applicable Law. If the provisions of this Section 15 are inconsistent with applicable law, the applicable law will apply.

16. FRANCHISEE’S TERMINATION RIGHTS; NOTICE REQUIRED

A. Termination. Franchisee may terminate this Agreement if Franchisor violates any material obligation of Franchisor to Franchisee and fails to cure such violation within thirty (30) days after Franchisor’s receipt of written notice from Franchisee; provided, however, that Franchisee is in substantial compliance with the Agreement at the time of giving such notice of termination. Franchisee’s written notice will identify the violation and demand that it be cured.

B. Required Notice. A party must give the other party written notice of an alleged default under or violation of this Agreement after it has knowledge of, determines, or is of the opinion that there has been an alleged default under or violation of this Agreement. If there is failure to give written notice of an alleged default under this Agreement within one (1) year from the date that the nonbreaching party has knowledge of, determines or is of the opinion that there has been an alleged default, the alleged default will be deemed to be approved and waived, and the alleged default or violation will not be deemed to be a default under or violation of this Agreement.

17. FRANCHISEE’S OBLIGATIONS UPON TERMINATION

A. Post-Term Duties. If this Agreement is terminated for any reason, Franchisee will: (1) within five (5) days after termination, pay all amounts due and owing to Franchisor or suppliers under this Agreement; (2) return to Franchisor by first class prepaid United States mail the Manuals and any other manuals, advertising materials, and all other printed materials relating to the operation of the franchised business; (3) assign to Franchisor or, at Franchisor’s discretion, disconnect the telephone number for the Mobile Franchise; and (4) remove all signs and other materials bearing the name “Pearce Bespoke” and other Marks; (5) disconnect any internet website Franchisee has established in connection with Franchisee’s operation of the Mobile Franchise; and (6) comply with all other applicable provisions of this Agreement, including the non-compete provisions. Upon termination of this Franchise Agreement for any reason, Franchisee’s right to use the name “Pearce Bespoke” and the other Marks and the Business System will immediately terminate. If Franchisee fails to remove all signs and other materials bearing the Marks, Franchisor may do so at Franchisee’s expense.

B. Redecoration. If this Agreement is terminated for any reason, and Franchisee either remains in possession of the Franchised Location to operate a separate business not in violation of Section 18 below or enters into an agreement with a third party to allow such third party to directly operate a business at the Franchised location, Franchisee will, at its expense, modify both the exterior and interior appearance of the business premises so that they will be easily distinguished from the appearance as a Pearce Bespoke Mobile Franchise. At a minimum, such changes and modifications to the premises will include: (1) repainting the premises with totally different colors; (2) removing all signs and other materials bearing the name “Pearce Bespoke” and other Marks; (3) removing from the premises all items which are indicative of Pearce Bespoke Mobile Franchises; (4) discontinuing use of the approved employee uniforms and refraining from using any uniforms which are confusingly similar; and (5) discontinuing use of all packaging and confidential information regarding the operation of the Mobile Franchise.

18. FRANCHISEE’S COVENANTS NOT TO COMPETE

A. During Term. During the term of the Franchise Agreement, Franchisee will receive proprietary information, materials, and trade secrets specifically geared to and utilized in the mobile tailoring business operations for all of Franchisor's franchised brands. To protect the valuable proprietary information and prevent Franchisee from using that information to operate a business that competes with any of Franchisor's clothing brands, Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) will not, during the term of this Agreement, on their own account or as an employee, agent, consultant, partner, officer, director, or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in, or assist any person or entity engaged in any mobile clothing business not offered by Pearce Bespoke involving the purchase and/or sale of custom clothing and accessories, without Franchisor's prior written consent.

B. After Termination. Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) will not, directly or indirectly, for a period of two (2) years after this Agreement expires or is terminated (except for a termination as a result of a Franchisor's breach), on their own account or as an employee, consultant, partner, officer, director, or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in or assist any person or entity engaged in any resale mobile business not offered by Pearce Bespoke involving the purchase and/or sale of custom clothing and accessories located at the Franchised Location or within a ten (10) mile radius of the Franchised Location or any Pearce Bespoke Mobile Franchise. Franchisee expressly agrees that the two (2) year period and the ten (10) mile radius are the reasonable and necessary time and distance needed to protect Franchisor if this Agreement expires or is terminated for any reason.

C. Extension During Breach. Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) acknowledge and agree that the two (2) year non-competition period set forth in Section 18(B) above will be extended for a period of time equal to the time during which the Franchisee is in breach of any of the provisions of Section 18(B).

D. Injunctive Relief. Franchisee agrees that damages alone cannot adequately compensate Franchisor if there is a violation of these non-competition covenants, and Franchisee stipulates that Franchisor would be irreparably harmed by such a violation and that preliminary and permanent injunctive relief is essential and must be entered for the protection of Franchisor. Preliminary and permanent injunctive relief will be entered by a court of competent jurisdiction enforcing the non-competition covenants without Franchisor posting any bond or security, in addition to all other remedies that may be available to Franchisor at equity or law.

19. **ARBITRATION; ENFORCEMENT**

A. Arbitration Process. Except to the extent Franchisor elects to enforce the provisions of this Agreement by judicial process and injunction as provided pursuant to Section 19(D), all disputes, claims and controversies between the parties arising under or in connection with this Agreement or the making, performance, or interpretation thereof (including claims of fraud in the inducement and other claims of fraud and the arbitrability of any matter) will be settled by arbitration in Huntersville, North Carolina pursuant to the Federal Arbitration Act. The arbitrator(s) will have a minimum of five (5) years' experience in franchising or distribution law and will have the right to award any type of relief except as limited by Section 19(C). The proceedings will be conducted under the commercial arbitration rules of the American Arbitration Association, to the extent such Rules are not inconsistent with the provisions of this arbitration provision. The decision of the arbitrator(s) will be final and binding on all parties. Claims in arbitration of different parties may not be joined. This Section will survive termination or non-renewal of this Agreement under any circumstances. Judgment upon the award of the arbitrator(s) may be entered in any court having jurisdiction thereof. During the pendency of any arbitration proceeding, Franchisee and Franchisor will fully perform their respective obligations under this Agreement.

B. Additional Proceedings. If, after Franchisor or Franchisee institutes an arbitration proceeding, one

or the other asserts a claim, counterclaim or defense, the subject matter of which, under statute or current judicial decision is non-arbitrable for public policy reasons, the party against whom the claim, counterclaim, or defense is asserted may elect to proceed with the arbitration of all arbitrable claims, counterclaims, or defenses or to proceed to litigate all claims, counterclaims, or defenses in a court having competent jurisdiction.

C. Punitive Damages. Franchisor and Franchisee acknowledge that judgment upon an arbitration award may be entered in any court of competent jurisdiction and will be binding, final, and nonappealable. Franchisor and Franchisee (and their respective owners and guarantors, if applicable) agree to waive, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other and agree that in the event of a dispute between them, each will be limited to the recovery of actual damages sustained by it.

D. Enforcement of Franchise Agreement. Notwithstanding the other provisions of this Section 19, Franchisee recognizes that the failure of a single franchisee to comply with the terms of its Pearce Bespoke Franchise Agreement would cause irreparable harm to Franchisor or to some or all other Pearce Bespoke franchisees. Franchisor and Franchisee therefore agree that, in the event of a breach or threatened breach of Sections 3, 8, 9, 12, 13, 14, 17, and/or 18 of this Agreement by Franchisee or in the event of any conduct by Franchisee which is illegal or is dishonest or misleading to Franchisee's customers or prospective customers or may impair the goodwill associated with the Marks, Franchisor may obtain a temporary, preliminary, or permanent injunction restraining such breach or obtain a decree of specific performance, without showing or proving any actual damage and without posting any bond or other security. The foregoing equitable remedy will be in addition to, and not in lieu of, all other remedies or rights which Franchisor might otherwise have by virtue of any breach of this Agreement by Franchisee.

E. Attorney's Fees. The non-prevailing party will pay all costs and expenses, including reasonable attorney's fees, incurred by the prevailing party in any arbitration or action in court between Franchisor and Franchisee.

20. SEVERABILITY AND CONSTRUCTION

A. Severability. All provisions of this Agreement are severable, and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions will be enforced to the extent they are valid and enforceable. If any applicable law or rule of any jurisdiction requires a greater prior notice period than is required hereunder, or if under any applicable law or rule of any jurisdiction, any provision of this Agreement is invalid or unenforceable, the prior notice required by such law or rule will be substituted for the notice requirements hereof, or such invalid or unenforceable provision will be modified to the extent required to be valid and enforceable. Such modifications to this Agreement will be effective only in such jurisdiction and will be enforced as originally made and entered into in all other jurisdictions.

B. Waiver. Franchisor and Franchisee may by written instrument unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by Franchisor of any payment by Franchisee and no failure, refusal, or neglect of Franchisor or Franchisee to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including any mandatory specification, standard or operating procedure, will constitute a waiver of any provision of this Agreement.

C. Cumulative Rights. The rights of Franchisor and Franchisee hereunder are cumulative and no exercise or enforcement by Franchisor or Franchisee of any right or remedy hereunder will preclude the exercise or enforcement by Franchisor or Franchisee of any other right or remedy hereunder or which Franchisor or Franchisee is entitled by law to enforce.

D. Governing Law. Except to the extent governed by the United States Trademark Act of 1946

(Lanham Act, 15 U.S.C. Section 1051 et seq.), this Agreement and the franchise relationship will be governed by the laws of the state of North Carolina.

E. Binding Effect. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns, and successors in interest.

F. Consents. Whenever a party's consent or approval is required under this Agreement, such consent or approval will not be unreasonably withheld or delayed.

G. Entire Agreement. The "Background" section is a part of this Agreement which, together with exhibits, represents the entire agreement of the parties. This Agreement supersedes and terminates any prior oral or written understandings or agreements between Franchisor and Franchisee relating to the subject matter of this Agreement. Nothing in this Agreement or any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document. No modification of this Agreement will be effective unless it is in writing and signed by Franchisor and Franchisee. The term "Franchisee" as custom herein is applicable (where relevant) to one or more persons, a corporation, or a partnership. References to "Franchisee," "assignees," and "transferees" which are applicable to an individual or individuals mean the principal owner or owners of the equity or operating control of Franchisee or any such assignee or transferee if Franchisee or such assignee or transferee is a corporation or partnership. If Franchisee consists of more than one individual, all individuals will be bound jointly and severally by the provisions of this Agreement.

21. NOTICES

All notices required under this Agreement must be in writing addressed to Franchisor at its corporate headquarters or to Franchisee at the Franchised Location or the last known address of Franchisee and will be deemed given: (i) if personally delivered on the date delivered, (ii) if sent in the United States mail, by certified mail, postage prepaid, three (3) business days after it is sent, (iii) if sent by a recognized overnight delivery service which requires a written receipt, one (1) business day after it is sent, or (iv) if sent electronically, on the date delivered to the authorized email address. You may change your notice address by giving written notice under this Section.

22. ACKNOWLEDGMENTS

A. Independent Investigation. Franchisee acknowledges that it has conducted an independent investigation of the business franchised hereunder and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will largely depend on Franchisee's ability as an independent businessperson. Franchisor expressly disclaims the making of, and Franchisee acknowledges that it has not received, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

B. Franchise Agreement. Franchisee acknowledges that it has received, read, and understood this Agreement and that Franchisor has fully and adequately explained the provisions of it to Franchisee's satisfaction and that Franchisee has had sufficient time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

C. Other Franchises. Franchisee acknowledges that other franchisees of Franchisor have or will be granted franchises at different times and in different situations, and further acknowledges that the provisions of such franchises may vary substantially from those contained in this Agreement.

D. Receipt of Documents. Franchisee acknowledges that it received a copy of Franchisor's Franchise Disclosure Document, as required under federal and applicable state franchise disclosure law, at least fourteen (14) calendar days before signing this Agreement or any other binding agreement or paying any fees to Franchisor or its affiliates. In addition, if Franchisor materially altered the provisions of this Agreement, including any attachments relating thereto, or any related agreements attached to the

Franchisor's Franchise Disclosure Document (except as a result of negotiations Franchisee initiated), Franchisee acknowledges that it received a copy of this Agreement or the related agreement at least seven (7) calendar days before signing it.

LEASE RIDER

THIS LEASE RIDER is entered into between the undersigned parties.

WHEREAS, Company and Franchisee are parties to a Franchise Agreement dated _____, (the "Franchise Agreement"); and

WHEREAS, the Franchise Agreement provides that Franchisee will operate a Pearce Bespoke ("Business") at a location that Franchisee selects and Company accepts; and

WHEREAS, Franchisee and Landlord propose to enter into the lease to which this Rider is attached (the "Lease"), pursuant to which Franchisee will occupy premises located at the address listed on the signature page below (the "Premises") for the purpose of constructing and operating the Business in accordance with the Franchise Agreement; and

WHEREAS, the Franchise Agreement provides that, as a condition to Company's authorizing Franchisee to enter into the Lease, the parties must execute this Lease Rider;

NOW, THEREFORE, in consideration of the mutual undertakings and commitments set forth in this Rider and in the Franchise Agreement, the receipt and sufficiency of which the parties acknowledge, the parties agree as follows:

1. During the term of the Franchise Agreement, Franchisee will be permitted to use the Premises for the operation of the Business and for no other purpose.
2. Subject to applicable zoning laws and deed restrictions and to prevailing community standards of decency, Landlord consents to Franchisee's installation and use of such trademarks, service marks, signs, decor items, color schemes, and related components of the Pearce Bespoke system as Company may from time to time prescribe for the Business.
3. Landlord agrees to furnish Company with copies of all letters and notices it sends to Franchisee pertaining to the Lease and the Premises, at the same time it sends such letters and notices to Franchisee. Notice shall be sent to Company by the method(s) as stated in the lease to:

Pearce Bespoke Franchising, LLC
107 Parr Drive
Huntersville, NC 28078
info@pearcebespoke.com

4. Company will have the right, without being guilty of trespass or any other crime or tort, to enter the Premises at any time or from time to time (i) to make any modification or alteration it considers necessary to protect the Pearce Bespoke system and marks, (ii) to cure any default under the Franchise Agreement or under the Lease, or (iii) to remove the distinctive elements of the Pearce Bespoke trade dress upon the Franchise Agreement's expiration or termination. Neither Company nor Landlord will be responsible to Franchisee for any damages Franchisee might sustain as a result of action Company takes in accordance with this provision. Company will repair or reimburse Landlord for the cost of any damage to the Premises' walls, floor or ceiling that result from Company's removal of trade dress items and other property from the Premises.

5. Franchisee will be permitted to assign the Lease to Company or its designee upon the expiration or termination of the Franchise Agreement. Landlord consents to such an assignment and agrees not to impose

any assignment fee or similar change, or to increase or accelerate rent under the Lease, in connection with such an assignment.

6. If Franchisee assigns the Lease to Company or its designee in accordance with the preceding paragraph, the assignee must assume all obligations of Franchisee under the Lease from and after the date of assignment, but will have no obligation to pay any delinquent rent or to cure any other default under the Lease that occurred or existed prior to the date of the assignment.

7. Franchisee may not assign the Lease or sublet the Premises without Company's prior written consent, and Landlord will not consent to an assignment or subletting by Franchisee without first verifying that Company has given its written consent to Franchisee's proposed assignment or subletting.

8. Landlord and Franchisee will not amend or modify the Lease in any manner that could materially affect any of the provisions or requirements of this Lease Rider without Company's prior written consent.

9. The provisions of this Lease Rider will supersede and control any conflicting provisions of the Lease.

10. Landlord acknowledges that Company is not a party to the Lease and will have no liability or responsibility under the Lease unless and until the Lease is assigned to, and assumed by, Company.

AREA DEVELOPMENT AGREEMENT

THIS AGREEMENT (this “**Agreement**”) is made and entered into as of the date set forth on Exhibit A to this Agreement (the “**Effective Date**”) (Exhibit A and all exhibits and/or schedules attached to this Agreement are hereby incorporated by this reference) between Pearce Bespoke Franchising, LLC, a North Carolina limited liability company doing business as Pearce Bespoke (“**Franchisor**,” “**we**,” “**us**,” or “**our**”) and the person or entity identified in Exhibit A as the franchisee (“**Franchisee**” or “**you**”) with its principal place of business as set forth in Exhibit A.

RECITALS

A. We and you have entered into a certain Franchise Agreement dated the same date as this Agreement (the “**Initial Franchise Agreement**”), in which we have granted you the right to establish and operate one Pearce Bespoke franchised business within the protected territory set forth in the Initial Franchise Agreement (a “**Mobile Franchise**”).

B. We desire to grant to you the exclusive right to establish and operate a specified number of Businesses within a specified geographical area in accordance with a development schedule.

C. If you are a corporation, limited liability company, partnership, or other entity (collectively, an “**Entity**”), all owners of a legal and/or beneficial interest in the Entity (the “**Owners**”) are listed in Exhibit A to this Agreement.

D. You desire to establish and operate additional Businesses upon the terms and conditions contained in our then-current standard franchise agreements (a “**Franchise Agreement**”).

NOW, THEREFORE, for and in consideration of the foregoing premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Grant of Development Rights and Development Area

Subject to the terms and conditions of this Agreement, we grant to you the right, and you undertake the obligation, to establish and operate in the area designated in Exhibit A to this Agreement (the “**Development Area**”) the number of Businesses specified in the development schedule in Exhibit A (the “**Development Schedule**”). This Agreement does not grant you any right to use the Marks (as defined in your Initial Franchise Agreement) or the System (as defined in your Initial Franchise Agreement). Rights to use the Marks and the System are granted only by the Franchise Agreements.

2. Fees

Upon execution of this Agreement, you must pay us a development fee in the amount specified in Exhibit A (the “**Development Fee**”), which is based on the initial franchise fee you must pay for each Mobile Franchise that you develop (the “**Franchise Fee**”, which is also specified in Exhibit A). The Development Fee will be credited towards 100% of the Franchise Fee due under the Franchise Agreement for each Mobile Franchise that you develop pursuant to this Agreement, including the Initial Franchise Agreement. The Development Fee is fully earned by us when we and you sign this Agreement and is non-refundable, even if you do not comply with the Development Schedule.

3. Development Schedule and Deadlines

3.1 Development Schedule. You must enter into Franchise Agreements, and open and operate Businesses in accordance with the deadlines set forth in the Development Schedule. By each “Opening Deadline” specified in the Development Schedule, you must have the specified number of Businesses open and operating. Prior to opening additional Businesses in your Development Area, you must: (i) possess sufficient financial and organizational capacity to develop, open, operate, and manage each additional Mobile Franchise in our reasonable judgment; (ii) be in full compliance with all brand requirements at any existing Businesses you operate; and (iii) be in compliance with any Franchise Agreement or any other agreement entered into with us.

3.2 Damaged Operating Assets. If the equipment and/or vehicles (“**Operating Assets**”) used in the operation of any Mobile Franchise in your Development Schedule are destroyed or damaged by any cause beyond your control such that they may no longer continue to be utilized for the operation of a particular Business, you must immediately give us notice of such destruction or damage (“**Destruction Event**”). You must diligently work to repair and replace the Operating Assets of your Mobile Franchise as soon as possible to resume operation of your Business. If a Mobile Franchise is closed due to a Destruction Event, the Mobile Franchise will continue to be deemed “in operation” for the purpose of this Agreement for up to 30 days after the Destruction Event occurs. If a Mobile Franchise (i) is closed in a manner other than those described in this Section 3.2 or as otherwise agreed by us in writing or (ii) fails to reopen within 30 days after a Destruction Event, then we may exercise our rights under Section 6.2 (Our Remedies). In the event the Operating Assets are completely destroyed or otherwise incapable of being repaired following a Destruction Event, we will not exercise the remedies set forth under Section 6.2 *provided, that* (a) within the 30 days after the Destruction Event you have made arrangements with us or our designated supplier to obtain new Operating Assets for use in your Business; and (b) you are open and operating your Mobile Franchise in the protected territory within ninety (90) days of the Destruction Event.

4. Development Area

4.1 Development Area. Except as provided in this Section 4.1, while this Agreement is in effect, provided that you open and operate the Businesses in accordance with the Development Schedule and the minimum number of Businesses that you have open and operating in the Development Area at any given time is not less than the minimum required pursuant to the Development Schedule, we will not operate, or license any person other than you to operate, a Mobile Franchise under the Marks (as defined in your Initial Franchise Agreement) and the System (as defined in your Initial Franchise Agreement) within the Development Area. Each Mobile Franchise you open will be granted a protected territory as set forth in the individual Franchise Agreement for that Business. This Agreement does not give you the right open or operate in any portions of the Development Area until you have signed a new Franchise Agreement which includes that portion of the Development Area as your protected territory.

4.2 No Other Restriction On Us. Except as expressly provided in Section 4.1 or any other agreement between the parties, we and our affiliates retain the right, in our sole discretion, to conduct any business activities, under any name, in any geographic area, and at any location, regardless of the proximity to or effect on your Business. For example, we and our affiliates have the right to:

(a) Establish or license franchises and/or company-owned outlets or other facilities or businesses offering similar or identical products, services, and classes and using the System or elements of the System (i) under the Marks anywhere outside of the Development Area or (ii) under names, symbols, or marks other than the Marks anywhere, including inside and outside of the Development Area;

(b) Sell or offer, or license others to sell or offer, any products or services using the Marks or other marks through any alternative distribution channels, including, without limitation, through e-commerce, in retail stores, via recorded media, via online videos, or via broadcast media, anywhere, including inside and outside of the Development Area;

(c) Advertise, or authorize others to advertise anywhere, using the Marks;

(d) Acquire, be acquired by, or merge with other companies with existing similar businesses, and/or Pearce Bespoke Businesses anywhere (including inside or outside of the Development Area) and, even if such businesses are located in the Development Area, (i) convert the other businesses to the Pearce Bespoke name, (ii) permit the other businesses to continue to operate under another name, and/or (iii) permit the businesses to operate under another name and convert existing Businesses to such other name; and

(e) Engage in any other activity, action or undertaking that we are not expressly prohibited from taking under this Agreement.

5. Term

This Agreement expires at midnight on the last Opening Deadline date listed on the Development Schedule unless this Agreement is terminated sooner as provided in other sections of this Agreement.

6. Termination

6.1 Events of Default. Any one or more of the following constitutes an “Event of Default” under this Agreement:

(a) You fail to have open and operating the minimum number of Businesses specified in the Development Schedule by any Opening Deadline specified in the Development Schedule;

(b) An Event of Default occurs under any Franchise Agreement, resulting in the termination of such Franchise Agreement; or

(c) You breach or otherwise fail to comply fully with any other provision contained in this Agreement.

6.2 Our Remedies. If any Event of Default occurs under Section 6.1, we may, at our sole election: (i) declare this Agreement and any and all other rights granted to you under this Agreement to be immediately terminated and of no further force or effect; (ii) terminate any exclusive or territorial rights that you may have within the Development Area or otherwise under this Agreement; and/or (iii) exercise any other remedy we may have in law or equity as a result of an Event of Default hereunder. Upon termination of this Agreement for any other reason whatsoever, we will retain the Development Fee and you will not be relieved of any of your obligations, debts, or liabilities hereunder, including without limitation any debts, obligations, or liabilities which have accrued prior to such termination. All rights and remedies of the parties hereto shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement. The rights and remedies of the parties hereto shall be continuing and shall not be exhausted by any one or more uses thereof and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. Notwithstanding anything to the contrary herein, a termination of this Agreement resulting from your failure to open and thereafter operate Businesses in accordance with the Development Schedule will not, in itself, constitute cause for us to terminate any previously executed Franchise Agreement in effect at the time of such termination.

7. Assignment; Our Right of First Refusal

7.1 Rights Personal to You. This Agreement and the rights granted to you under this Agreement are personal to you and neither this Agreement, nor any of the rights granted to you hereunder nor any controlling equity interest in you may be voluntarily or involuntarily, directly or indirectly, by operation of law or otherwise, assigned or otherwise transferred, given away, or encumbered by you without our prior written approval, which we may grant or withhold for any or no reason.

7.2 Our Right of First Refusal.

(a) If you receive, and desire to accept, from a third party a bona fide offer to transfer any of your rights in this Agreement, you shall promptly notify us in writing and send us an executed copy of the contract of transfer. We shall have the right and option, exercisable within thirty (30) days after actual receipt of such notification or of the executed contract of transfer which shall describe the terms of the offer, to send written notice to you that we intend to purchase your interest on the same terms and conditions offered by the third party.

(b) Closing on the purchase must occur within sixty (60) days from the date of notice by us to you of our election to purchase. If we elect not to accept the offer within the thirty (30) day period, you shall have a period not to exceed sixty (60) days to complete the transfer subject to our approval of the third-party transferee of your rights, which may be withheld in our sole discretion. Any material change in the terms of any offer before closing shall constitute a new offer subject to the same rights of first refusal by us as in the case of an initial offer.

(c) Our failure or refusal to exercise the option afforded by this Section 7 shall not constitute a waiver of any other provision of this Agreement.

(d) If the offer from a third-party provides for payment of consideration other than cash or involves certain intangible benefits, we may elect to purchase the interest proposed to be sold for the reasonable cash equivalent, or any publicly-traded securities, including its own, or intangible benefits similar to those being offered. If the parties cannot agree within a reasonable time on the reasonable cash equivalent of the non-cash part of the offer, then such amount shall be determined by an independent appraiser designated by us, and such appraiser's determination shall be binding.

7.3 Our Rights to Assign Unrestricted. We may assign this Agreement or any ownership interests in us without restriction.

8. Incorporation of Other Terms

The entire Initial Franchise Agreement is incorporated by reference in this Agreement and will govern all aspects of our relationship and the construction of this Agreement as if fully restated within the text of this Agreement.

9. Miscellaneous

Capitalized terms used and not otherwise defined in this Agreement shall have the meanings set forth in the Initial Franchise Agreement. This Agreement, together with the Initial Franchise Agreement, supersedes all prior agreements and understandings, whether oral and written, among the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements among the parties relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representations that we made in the most recent Franchise Disclosure Document that we delivered to you or your representatives. This Agreement shall not be binding on either party until it is executed by both parties. This Agreement may be signed in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.

In recognition of the requirements of the Hawaii Franchise Investment Law, Hawaii Rev. Stat. §§ 482E, et seq., the Franchise Disclosure Document for Pearce Bespoke Franchising, LLC in connection with the offer and sale of franchises for use in the State of Hawaii shall be amended to include the following:

This proposed registration is effective/exempt from registration or will shortly be on file in California, Hawaii, Illinois, Indiana, Kentucky, Maryland, Michigan, Minnesota, Nebraska, New York, North Dakota, Rhode Island, South Dakota, Texas, Utah, Virginia, Washington, and Wisconsin. No states have refused, by order or otherwise, to register these franchises. No states have revoked or suspended the right to offer these franchises. The proposed registration of these franchises has not been involuntarily withdrawn in any state.

Each provision of this Addendum to the Disclosure Document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Hawaii Franchise Investment Law, Hawaii Rev. Stat. §§ 482E, et seq., are met independently without reference to this Addendum to the disclosure document.

Based upon the franchisor's financial condition the Hawaii Business Registration Division has required financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement. In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

ILLINOIS

Illinois law governs the Disclosure Document, Franchise Agreement and Area Development Agreement.

Based upon the franchisor's financial condition, the Illinois Secretary of State has required financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement. In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INDIANA

Notwithstanding anything to the contrary set forth in the Franchise Agreement or Area Development Agreement, the following provisions shall supersede and apply to all franchises offered and sold in the State of Indiana:

1. The Franchise Agreement and Area Development Agreement will be governed by Indiana law. Venue for litigation will not be limited to a venue outside of the State of Indiana, as specified in the Franchise Agreement and Area Development Agreement.
2. The prohibition by Indiana Code 23-2-2.7-1 (7) against unilateral termination of the franchise without good cause or in bad faith, good cause being defined therein as a material breach of the Franchise Agreement, shall supersede any conflicting provisions of the Franchise Agreement and the Area Development Agreement in the State of Indiana to the extent they may be inconsistent with such prohibition.
3. No release language set forth in the Franchise Agreement or Area Development Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Indiana.
4. The post-termination non-competition covenants set forth in the Franchise Agreement and Area Development Agreement shall be limited in time to a maximum of three (3) years and in geographic scope to the designated territory granted by the Agreement.
5. Nothing in the Franchise Agreement or Area Development Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Indiana, and the laws of the State of Indiana supersede any conflicting choice of law provisions set forth herein if such provision is in conflict with Indiana law.
6. You will not be required to indemnify us and the other Indemnities for any liability caused by your proper reliance on or use of procedures or materials provided by us or caused by our negligence.
7. If we receive any payments related to purchases from you that we do not pass on in full to the supplier, we will promptly account for the amount of the payment that we retained and we will transmit the retained amount to you.

IOWA

Any provision in the Franchise Agreement or Compliance Questionnaire which would require you to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability imposed by the Iowa Business Opportunity Promotions Law (Iowa Code Ch. 551A) is void to the extent that such provision violates such law.

The following language will be added to the Franchise Agreement:

MARYLAND

The following provisions will supersede anything to the contrary in the Franchise Disclosure Document, Franchise Agreement or Area Development Agreement and will apply to all franchises offered and sold under the laws of the State of Maryland:

Item 5

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement. In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

Item 12

Pursuant to COMAR 02.02.08.16L, the general release required as a condition of sale shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 17 -

The Code of Maryland Regulations, COMAR 02.02.08.16L, states that a general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law. This may affect the enforceability of certain provisions in the Franchise Agreement relating to the renewal, sale, assignment, or transfer of the Franchise Agreement.

For claims arising under the Maryland Franchise Registration and Disclosure Law, any litigation between Franchisor and Franchisee may be instituted in any court of competent jurisdiction, including a court in the State of Maryland.

Any claim arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the license granted under the Franchise Agreement.

You are advised that any provision in the Franchise Agreement that provides for termination of your franchise license if you file for protection under any section of the federal bankruptcy law may not be enforceable under that law (11 U.S.C. Sections 101 et seq.).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE MICHIGAN FRANCHISE INVESTMENT LAW**

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value, at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, marketing, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.¹
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed franchisee to meet the franchisor's then-current reasonable qualifications or standards;
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; and

¹NOTE: Notwithstanding paragraph (f) above, we intend to fully enforce the provisions of the arbitration section of our agreements. We believe that paragraph (f) is preempted by the Federal Arbitration Act and that paragraph (f) is therefore unconstitutional.

- (iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona-fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor must, at the request of the franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

The name and address of the franchisor's agent in this state authorized to receive service of process is: Michigan Department of Commerce, Corporation and Securities Bureau, 6546 Mercantile Way, P.O. Box 30222, Lansing, MI 48910.

MINNESOTA

Notwithstanding anything to the contrary set forth in the Disclosure Document, the Franchise Agreement, or the Area Development Agreement, the following provisions will supersede and apply:

1. We will protect your right to use the trademarks, service marks, trade names, logotypes, or other commercial symbols and/or indemnify you from any loss, costs or expenses arising out of any claim, suit, or demand regarding the use of the same.
2. Minn. Stat. §80C.21 and Minn. Rule 2860.4400J prohibit the Franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the disclosure document or agreement(s) can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.
3. No release language set forth in the Franchise Agreement or Area Development Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Minnesota.
4. Minnesota law provides franchisees with certain termination and non-renewal rights. Minnesota Statutes, Section 80C.14, subdivisions 3, 4, and 5 require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement or Area Development Agreement.
5. Under the terms of the Franchise Agreement and Area Development Agreement, as modified by the Minnesota Addendum to the Franchise Agreement, you agree that if you engage in any non-compliance with the terms of the Franchise Agreement or unauthorized or improper use of the System Marks, or Proprietary Materials during or after the period of the Agreements, we will be entitled to seek both temporary and permanent injunctive relief against you from any court of competent jurisdiction, in addition to all other remedies which we may have at law, and you consent to the seeking of these temporary and permanent injunctions.

NEW YORK

NOTICE TO PROSPECTIVE FRANCHISEES IN THE STATE OF NEW YORK

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT B OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- a. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- b. No such party has pending actions, other than routine litigation. incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- c. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- d. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust; trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" section of Item 17(c), titled "**Requirements for franchisee to renew or extend,**" and Item 17(m), entitled "**Conditions for franchisor approval of transfer**":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Section 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "**Termination by franchisee**":

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the "Summary" section of Item 17(v), titled "**Choice of forum**", and Item 17(w), titled "**Choice of Law**":

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. 7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

NORTH DAKOTA

In North Dakota, the Disclosure Document is amended as follows to conform to North Dakota law:

Item 5 “Initial Fees,” is supplemented by the addition of the following:

Refund and cancellation provisions will be inapplicable to franchises operating under North Dakota Law, North Dakota Century Code Annotated Chapter 51-19, Sections 51-19-01 through 51-19-17. If franchisor elects to cancel this Franchise Agreement, franchisor will be entitled to a reasonable fee for its evaluation of you and related preparatory work performed and expenses actually incurred.

Item 6 “Other Fees,” is supplemented by the addition of the following:

No consent to termination or liquidated damages shall be required from franchisees in the State of North Dakota.

Item 17 “Renewal, Termination, Transfer and Dispute Resolution,” is supplemented by the addition of the following:

Any provision requiring a franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Any provision requiring a franchisee to consent to termination or liquidation damages has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Covenants restricting competition contrary to Section 9-08-06 of the North Dakota Century Code, without further disclosing that such covenants may be subject to this statute, are unfair, unjust, and inequitable. Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota.

Any provision in the Franchise Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee’s business has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The site of arbitration or mediation must be agreeable to all parties and may not be remote from the franchisee’s place of business.

Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota.

Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.

Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust, or

inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Any provision in the Franchise Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

RHODE ISLAND

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Rhode Island.

ITEM 17 - RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

§19-28.1.-14 of the Rhode Island Franchise Investment Act provides that “A provision in a Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

Any general release as a condition of renewal, termination or transfer will be void with respect to claims under the Rhode Island Franchise Investment Act.

VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Pearce Bespoke Franchising, LLC, for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement do not constitute “reasonable cause” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

WISCONSIN

The Wisconsin Fair Dealership Law, Chapter 135 of the Wisconsin Statutes supersedes any provision of the Franchise Agreement if such provision is in conflict with that law. The Franchise Disclosure Document, the Franchise Agreement and the Supplemental Agreements are amended accordingly.

SIGNATURE PAGE FOR APPLICABLE ADDENDA

If any one of the preceding Addenda for specific states is checked as an “Applicable Addenda” below, then that Addenda shall be incorporated into the Franchise Disclosure Document, Franchise Agreement, and any Supplemental Agreements entered into by us and the undersigned Franchisee. To the extent any terms of an Applicable Addenda conflict with the terms of the Franchise Disclosure Document, Franchise Agreement, or Supplemental Agreement(s), the terms of the Applicable Addenda shall supersede the terms of the Franchise Agreement.
