What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you an exclusive territory, the franchisor may have the right to compete with you in your Territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with us by mediation, arbitration and/or litigation only in the district where our home office is located, which is currently Middlesex County, Massachusetts. Out-of-state mediation, arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate. Arbitrate or litigate with us in Middlesex County, Massachusetts than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
5. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" to see whether your state requires other risks to be highlighted.

FOR THE STATE OF MICHIGAN
THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE
SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS
ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT
BE ENFORCED AGAINST YOU:

- (A) A prohibition on the right of a franchisee to join an association of franchisees.
- (B) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives franchisee of rights and protection provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (C) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (D) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising of other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (E) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (F) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (G) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

- (H) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in Subdivision (C).
- (I) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual service.

The Business and Franchises Offered

We offer a franchise to establish and operate a Heart to Home Meals business (a “Program Meals Business”) that delivers Products, consisting of frozen, prepared meals for in-home consumption (the “Franchised Business”) at a single, defined location (the “Franchised Location”) within a specific territory using our trademarks, service marks, trade names, logos and commercial symbols (the “Marks”), certain printed or on-line materials (the “Materials”), the content in our “Operations Manual,” proprietary products and methods of operation (the “System”) and our standards for the performance of services, products and operations of the Franchised Business (“System Standards”), all of which we may change, update, delete, improve and further develop over time and publish in the Operations Manual, under a Franchise Agreement you sign with us. You may operate the Franchised Business from either leased commercial space, which is usually light industrial warehouse space, or a home office, provided that you must install a commercial walk-in freezer at your location (the “Franchised Location”). You must be able to receive Product deliveries from a tractor trailer at the Franchised Location and park your freezer delivery vehicle conveniently. Your delivery vehicle represents your Franchised Business and our Brand, so it must be properly maintained and cleaned regularly to present an appropriate image to the public as specified in the Operations Manual, which consists of all books, pamphlets, memoranda, other publications and other written communications prepared by or on behalf of Franchisor for use by franchisees generally or for any Franchisee in particular, setting forth information, advice, recommendations, System Standards, or policies relating to the use of the System, the Marks, and the operation of a Heart to Home Meals Franchised Business, as such may be amended from time to time;

If you have more than one equity owner, you must designate one of your equity owners as your “Owner-Operator” in the Franchise Agreement to undertake certain responsibilities on your behalf.

Each Franchised Business is assigned a primary territory usually defined by zip codes (the “Territory”) and operates the Program Meals Business from the Location approved by us where administrative functions can be performed and the trucks, equipment, supplies and inventory of the Program Meals Business can be securely stored and maintained so that the products and services of the Franchised Business can be supplied to your customers in the Territory. You are not permitted to have a

customer accessible facility at the Location or elsewhere. The Territory is defined by population density of persons aged 75 and older, and other persons whose mobility constraints, physical disabilities or time commitments may prevent or inhibit them from meal preparation and shopping for ingredients who are living in their own homes. We also consider factors affecting the ability to deliver Products to customers efficiently in freezer-equipped delivery trucks. All your marketing must target the Territory.

Market and Competition

The market for Products home delivered by a service is an emerging market that includes providers of prepared frozen meals delivered to a customer who cannot or prefers not to shop for or prepare at-home meals. You will face competition from other home meal delivery services offering planned delivery programs and ad hoc delivery services of restaurant meals. In most markets, demand is generally consistent throughout the year and not influenced by seasons. However, in cold weather markets, demand has the potential to rise during winter as travel is more difficult.

Regulation

Your Franchised Business must comply with the food safety standards and regulations of the United States Department of Agriculture and the Food and Drug Administration for the transportation of frozen food, particularly the FDA Food Safety Modernization Act rule on Sanitary Transportation of Human and Animal Food, 21 CFR Part 1, Subpart O. These mainly apply to storage and transportation temperatures of frozen Products. Since a Franchised Business is the seller of the Products, regulations applicable to third party food delivery service should not apply but need to be reviewed by you and your counsel. Some localities may require compliance with local codes and licensing as a seller of prepared food products and may require inspections of your facilities for sanitation and proper storage temperatures in your freezers and delivery vehicles.

You will have to comply with all federal, state and local laws and regulations which apply generally to all businesses, and food sales and delivery that apply to Program Meals Business generally. Additionally, you will be required to comply with all federal, state and local laws and regulations that generally apply to private businesses. These include, but are not limited to, the Americans with Disabilities Act (the “ADA”); the Fair Labor Standards Act (the “FLSA”); the rules and regulations of the Equal Employment Opportunity Commission (the “EEOC”); the Occupation Safety and Health Administration (“OSHA”); Gramm-Leach-Bliley Act; the USA PATRIOT Act; Federal Truth in Lending and other laws dealing with credit transactions and collections; Digital Millennium Copyright Act; regulations governing MMS, SMS, emails and telemarketing; the payment of license fees; general location rules and regulations; and, any advertising or content related rules and regulations.

Your Franchised Business must accept credit cards and will be obligated to comply with the Payment Card Industry Data Security Standard. The Standard includes 12 requirements for any business that stores, processes or transmits payment cardholder data. For more information see <https://www.pcicomplianceguide.org/>.

We encourage you to make additional inquiries into those laws and regulations and obtain the assistance of your own legal counsel in that regard. It is your responsibility to independently determine if there are any legal requirements with which you must comply and business issues that might impact your Franchised Business and/or your possibility of generating a profit or loss. Neither we, nor our Affiliates, will be responsible for ascertaining your initial and continuing legal responsibilities. It is your responsibility, on an on-going basis, to investigate and satisfy all local, state, and federal laws and regulations since these can vary from place to place and can change over time.

Without limiting the scope of the term, Gross Sales shall include without limitation: (a) revenue received from employees for Products or services furnished to employees at a discount; (b) the value of Products and services bought by customers by redeeming any Heart to Home Meals authorized gift cards; and (c) the proceeds from any business interruption insurance. Gross Sales are reduced by the amount of any discount given to customers, employees, family members or other businesses owned or controlled by you if taken at the point-of-sale system at the time of sale so that the purchaser pays an amount net of the discount. Gross Sales also excludes the following: (i) sales taxes and other taxes separately stated, if any, collected from customers and paid to taxing authorities; (ii) gratuities received from your Franchised Business customers and paid over to your Franchised Business employees; (iii) refunds and credits made in good faith to arms' length customers; (iv) the amount of any checks dishonored or returned; (v) proceeds from the sale of any Heart to Home Meals authorized gift cards to customers; (vi) proceeds from insurance with respect to your insured losses from property damage or liability; (vii) proceeds from any civil forfeiture, condemnation, or seizure by a government entity; and (viii) credits, allowances, adjustments or uncollectible amounts, subject to the limitation that uncollectible amounts cannot exceed 0.5% of Gross Sales for any fiscal year of you. Subsequent collections of charged off amounts must be included in Gross Sales when they are collected.

Note 2. Marketing. Each Franchisee is required to spend at least three percent (3%) of Gross Sales in each year during the Term on advertising and promotion which includes advertisements in local newspapers serving the Territory and conducting on-site presentations and demonstrations to target customer groups, hospitals and other health care facilities and senior care homes. Upon at least thirty (30) days' prior written notice from Franchisor that it has established a Fund for national, regional, local or other advertising programs for the System (a "Marketing Fund"), each Franchisee will be required to

contribute to the Fund an amount determined by Franchisor of not less than two percent (2.00%) nor more than five percent (5.00%) of the Gross Sales, payable weekly in arrears based on the prior week's Gross Sales. We do not currently assess the Marketing Fund contribution.

Note 3. Additional Training Fee. The Additional Training Fee covers training and operational support provided at your request beyond the training and opening assistance that we provide as part of your initial franchise fee as described in Item 11. We currently charge \$150 per hour plus the trainer's travel and living expenses for additional training. We may charge tuition, currently set at \$2,000 per trainee, if additional training is provided, or for additional people you send to attend initial training. See Item 11. We also reserve the right to change this fee at any time or to charge a reasonable amount for any optional additional training we make available after you open the Franchised Business.

Note 4. Transfer Fee. You must pay a non-refundable fee of 50.00% of the then-current initial franchise fee if you transfer the Franchise Agreement or Franchised Business or in the event of an ownership change involving control of 50% or more of your equity interests. We will not charge a fee for any transfer of your equity interests among any of your existing owners, any member of your immediate family or an initial transfer from an individual to an entity. Transfers include sales, gifts, donations, and exchanges for value or without value. See Item 17.

Note 5. Audit Fee. We may audit your accounts, books and records at our expense. However, if we find an understatement of 2% or more of your Gross Sales for any month, you must reimburse us for our out-of-pocket expenses and allocable administrative costs and overhead incurred to perform and report on the audit.

Note 6. Renewal Fee. The Franchise Agreement has an initial term of 7 years and provides for up to one additional 7-year renewal terms, all subject to certain conditions. To renew your Franchise Agreement, you must pay us a non-refundable renewal fee equal to 50.00% of the then current initial franchise fee at the time of renewal. See Item 17.

Note 7. Indemnification. You must defend, indemnify and hold us and our affiliates harmless from and against any claims asserted against us or our affiliates resulting from the operation of your Franchised Business.

Notes

(1) *Initial Franchise Fee.* See Item 5 for a description of the initial franchise fee. We do not provide financing for the initial franchise fee. The Initial Franchise Fee includes the initial training program tuition and installation at the Franchisee's premises of the Franchisor's designated ordering and inventory management software, an initial supply of Heart to Home Meals uniforms and the conduct by the Franchisor of an initial marketing program for the launch of the Franchised Business.

(2) *Leasehold Improvements & Equipment.* You may operate the Franchised Business at either a leased light industrial depot facility with a loading dock or receiving area for palletized shipments and an installed commercial grade walk-in freezer having at least 2520 cubic feet of shelved freezer space and parking for a freezer equipped delivery vehicle or from a home office with space for installing the commercial walk-in freezer and convenient parking for the delivery vehicle. You will need to provide storage shelving and electrical power to operate the freezer, plus water, sewer and HVAC for the space, and telecommunications for telephone and Internet access. This amount includes fixtures, furnishings and exterior signage for your Franchised Business. Due to the lack of standard tailgate lifts among shipping companies, it may be necessary for you to purchase a pallet stacker or forklift. If your selected depot location does not have a loading dock, you may be required to lease or purchase an electric straddle stacker or forklift capable of lifting up to 1,000 pounds. Pallets of frozen meals being delivered to your depot will generally not exceed this weight limit. These machines cost up to \$15,000 to purchase and may be leased for lease rent of between \$500 and \$1,800 per month, depending on the lifting capacity and mobility of the machine. We added the cost of the purchase and three months' lease rent to the High Range Amount, although you would incur one cost or the other depending on your choice of buying or leasing the forklift.

(3) *Commercial Freezer.* If your premises doesn't have an indoor commercial walk-in freezer, you will need to acquire and install the freezer. We recommend a freezer of at least 2520 cubic feet of shelved freezer space with 40 linear feet of shelving, and ramps for wheeled access, UL Listed and compliant with UL standard 471, self-contained refrigeration and other features meeting our standards. You may rent or lease the freezer from an unaffiliated lessor, which may reduce your costs to approximately \$1,250 per month rent for the first six months (totaling \$9250 plus applicable taxes), plus delivery charges which we estimate to be \$1,750, plus applicable taxes. The freezer is critical to operation of the Franchised Business, and you must obtain a service contract to maintain the freezer in good working order and repair the freezer within four hours of loss of cooling. You may obtain a used freezer for the \$30,000 amount in the Low Range column. You may also lease a freezer that we estimate will cost approximately \$2,500 for the first six months of the lease.

(4) *Delivery Vehicle.* You must obtain and operate a freezer-equipped ("reefer") delivery vehicle capable of storing at least 50 boxes (box dimensions 13.44 x 9.13 x 9.63 inches), equating to a minimum of 131.7 cubic feet of reefer cargo space. We suggest a light duty or medium duty van with a reefer body. We must approve the vehicle you propose to use for the Franchised Business. You may buy, lease or rent the vehicle but it must be wrapped with our standard vehicle wrap to promote the Franchised Business. If you rent or lease the vehicle, we estimate the cost to be \$8,000 for the first six months of the rental or lease period.

(5) *Supplies.* You must purchase office supplies, hand trucks, carts, thermal gloves, uniforms and other small supplies and equipment to use in the Franchised Business.

(6) *Computer Hardware.* We grant you a license to use our proprietary ordering and inventory management applications software while you are a franchisee in good standing. There is no additional license fee but you must supply the computer hardware and telecommunications services to

operate the system. A standard laptop and desktop, plus a printer, and a tablet or cell phone for the delivery vehicle will be acceptable if already available, so these estimated costs may be reduced or eliminated.

(7) *Miscellaneous Opening Costs & Rent.* Miscellaneous opening costs include incorporation fees; initial legal and accounting fees; merchant card processing set up fees, utility deposits; business permit fees; and excludes pre-opening compensation and benefit costs for you and your Program Meals Business employees. You must begin paying people at their agreed compensation when they begin training.

(8) *Opening Inventory.* You must purchase in advance of opening, at least this amount inventory of Products from us or our affiliate supplier, which may be HTHM Supply. This purchase price represents approximately 5,000 units. The shelf life of the meals varies, but this supply should be sufficient for your first three weeks of operation.

(9) *Expenses while Training.* These costs are estimated based on two weeks of compensation, lodging, meals and transportation for the general manager of each Franchised Location during initial training. These costs will vary upon your compensation and expense arrangements with the training participants and the distance from our training site.

(10) *Additional Funds.* The Franchised Business will need working capital to sustain early-stage operations for a period of three months after the Program Meals Business opens while the business gets established. The amount needed will depend on your estimate of when revenue will be sufficient to meet cash flow needs. We recommend working capital of at least three months of rent, compensation costs, marketing expenses, vehicle operating costs, utility costs and other operating expenses. We estimated these costs based on our experience with our operations in Massachusetts and franchised operations in Canada.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

As of the Issuance Date, you must purchase all equipment, fixtures, food products, condiments, supplies, paper products, computer hardware and software, and signage from vendors we approve or to meet our specifications published in the Operations Manual. We specify these requirements in our Operations Manual or otherwise in writing. You must purchase or lease these items only from approved suppliers listed in our Operations Manual or otherwise approved by us in writing. You may not purchase or lease from any source any other goods, services, supplies, fixtures, equipment, signs, inventory, or real estate relating or any other alternative supplier to the establishment or operation of your Franchised Business without our prior written consent. In particular, the freezer unit at your facility must meet our technical specifications and be capable of maintaining interior holding temperatures of zero to -4 degrees F. We must approve the design and specifications of your freezer before you commit to its purchase or lease.

Required and Approved Suppliers

All Products must be purchased from us or an affiliate we designate as the supplier of Product, such as HTHM Supply. We may designate other required or approved suppliers of goods and services used in your Franchised Business. We, HTHM Supply or an Affiliate may be the sole approved suppliers

for proprietary goods or services, or for goods and services we deem to be integral parts of the Franchised System that must be supplied on a consistent, uniform basis to all franchisees. We or our Affiliates may earn a profit from providing purchasing and procurement services, including receipt of fees from third party suppliers. Our affiliate HTHM Supply is currently the only approved supplier for the Program Meals.

The freezer truck and its upfit of the freezer compartment must meet our technical specifications. We recommend a RAM Promaster City Tradesman cargo van on a 122.4” wheelbase and 131.7 cubic feet of cargo volume before upfit. We must approve any other make and model, which should offer at least that amount cargo volume before upfit. An approved supplier for the freezer upfit is Subzero Technologies, 45 E. Industry Court, Deer Park, NY 11729. Our approved freezer refrigeration unit is a Thermo King V220-20 MAX model with standby mode. Any other refrigeration unit or upfit supplier requires our prior approval.

An authorized supplier of the wrap for your reefer truck is Wrap Solutions, 30 6th Rd., Woburn, MA 0181. You may use any qualified wrap supplier that is a 3M certified vinyl installer, provided that you obtain our prior approval for the installer you select.

Insurance

Before you open your Franchised Business, you must obtain the type and amount of insurance coverage for the Franchised Business we specify in the Franchise Agreement, in the Operations Manual or otherwise in writing. You must obtain and maintain the specified insurance coverage during the term of the Franchise Agreement from a responsible carrier or carriers authorized to write coverage in your state having an A.M. Best rating of at least A-VI that we find acceptable. The type of coverage includes:

(1) Commercial General Liability coverage (\$1 million single limit per occurrence; \$2 million general aggregate limit, for both general liability and products /completed operations liability) for personal injury and property damage, including premises, independent contractors, products and completed operations, contractual, personal and advertising liability, on an occurrence basis, with coverage on a 1986 or later ISO commercial general liability form policy;

(2) “All Risk” property coverage including a property damage limit for the full cost of replacement of the Program Meals Business and business interruption coverage for up to twelve months of projected earnings;

(3) Business Automobile Liability covering liability arising out of any auto (including owned, hired and non-owned autos), with a minimum of \$1 million combined single limit each accident;

(4) Workers’ Compensation or legally appropriate alternative covering all employees and contractors working at the Program Meals Business for statutory limits and Employers Liability with minimum limits of \$1 million for bodily injury for each accident, \$500,000 bodily injury by disease for each employee and \$500,000 bodily injury disease aggregate;

(5) A \$2 million Umbrella Policy on an occurrence basis excess of covering excess of the underlying insurance described in (1), (3) and (4) above which is at least as broad as each and every underlying policy, provided that you may purchase more underlying coverage and less umbrella coverage under such policies as long as you maintain the total amount of the limits specified for each coverage area

(6) Other insurance as may be required by the state or locality of the Franchised Location;

- (7) Employment practices liability insurance with a limit of \$500,000; and
- (8) Employee Dishonesty/Fidelity insurance with a limit of \$100,000.

All of the liability insurance policies, other than Workers' Compensation, must name us, Parent, and our respective officers, directors, members, shareholders, partners and employees as additional insureds on a primary noncontributory basis for operations of the Program Meals Business. The form of additional insured endorsement will be CG 20 10 or its equivalent. If the additional insured has other insurance applicable to a loss, it will be on an excess or contingent basis. The additional insured's insurance coverage will not be reduced by the existence of such other insurance.

Approval of Alternative Suppliers; Product Specifications

If you want to use a good or service or obtain a good or service (other than Products) from a supplier we have not yet approved, you first must submit sufficient information, specifications and/or samples for our determination whether the product or service complies with our System Standards, or the supplier meets our approved supplier criteria. We may establish and revise our approved supplier criteria from time to time as we deem appropriate and will make them available to our franchisees upon written request. We may condition our approval of a supplier on the supplier's agreement to comply with product quality standards, frequency of delivery, standards of service, and concentration of purchase requirements. We also may impose limits on the number of approved suppliers, products and services. Our approval should not take more than 30 days in most instances. We reserve the right to test equipment or supplies and inspect the premises of suppliers before granting our approval. We will invoice you for the out-of-pocket costs and expenses we incur for any inspection or testing. We will not issue our approval of the supplier until you pay that invoice. We may terminate our approval of a supplier or any products or services at any time, with or without cause, upon reasonable written notice of 30 days.

We will formulate and modify our equipment, vehicle, technology, product and ingredient specifications and standards by reviewing each product on an individual basis, taking into consideration the supplier's ability to provide consistently high-quality products and services to you or our approved suppliers on a timely basis. We generally will formulate specifications and standards based on the quality of the products and other relevant factors. We periodically may review each product and respective supplier to make sure that the supplier is following the specifications and standards.

We may issue some of our technology, product and ingredient specifications and standards to our approved suppliers under appropriate confidentiality restrictions, but not to our franchisees. We may undertake other steps to maintain trade secrets and confidentiality of proprietary recipes and formulations, software and other items.

Revenue from Franchisee Purchases

As of the Issuance Date, we derive no revenue or other material consideration from franchisee purchases. We may derive revenue from suppliers from franchisee purchases in the future in our sole discretion. We or our designated supplier affiliate will derive revenue from franchisee purchases of Products. During its last fiscal year ended December 31, 2024, our affiliate, HTHM Supply, received a total of \$0 in revenues from purchases by franchisees. None of our officers owns any interest in any supplier.

Percentage of Total Purchases Represented by Required Purchases

Required purchases consist of items you must purchase from approved suppliers or under our established specifications. Your required purchases and leases will represent approximately 100% of your total opening expenses (excluding the cost of real estate and improvements) and approximately 85% of your required purchases and leases while operating the Franchised Business.

Payments to Franchisor from Designated Suppliers

We intend to negotiate preferred vendor agreements with designated suppliers and approved suppliers that we expect will provide favorable pricing and delivery terms to franchisees. These agreements may pay us revenues based on the volume of franchisee purchases, which may be measured in sales dollars or units sold. These arrangements are not in effect as of the Effective Date, but we expect them to be in place in the future.

Cooperatives

We do not have any purchasing or distribution cooperatives.

Negotiated Purchases

We may negotiate purchase arrangements or discounts for your Franchised Business. Certain of our suppliers may allow you to participate in the volume discounts we receive. However, these volume discounts will extend only to pricing terms and will not include any of the credit terms we have negotiated. We do not otherwise negotiate purchase agreements on behalf of our franchisees or any distribution cooperative, and do not guarantee pricing, credit or other terms for vendors by our franchisees.

Material Benefits

We do not provide any material benefits to you if you obtain goods or services from approved suppliers.

FINANCING

Except as stated below, we do not offer direct or indirect financing. We do not guarantee your note, lease, or obligation.

We secure your obligation to pay for Products with a Security Agreement in which you grant to us a first priority purchase money security interest in the Products you purchase from us or our supplier affiliate and the proceeds from the sale of the Products to customers. The Security Agreement prohibits you from granting any secondary security interest in the Products or their proceeds. The Security Agreement requires that you maintain the Franchise Agreement in good standing, give notice to any landlord of the Franchised Location of our security interest, and generally reserves to us or our affiliate the rights of a purchase money security interest holder under the Uniform Commercial Code. If you fail to pay any invoice for Products when due, and such failure continues for thirty (30) days after written notice of default from us, we may initiate proceedings to foreclose on the collateral and take possession. We reserve the right to purchase any deficiency between the value of recovered collateral and the amount owed for unpaid Product invoices. You must maintain the collateral in saleable condition in the Franchised Location except for sales in the ordinary course of business and returns we authorize. The Security Agreement requires you to waive defenses and asserting any right or counterclaim arising under or relating to the Franchise Agreement as a defense under the Security Agreement.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Before you open your Franchised Business:

(1) We do not typically own the Franchised Location and lease it to you. The Franchisor must approve your proposed location before the lease or purchase agreement for the Franchised Location is signed, or you select your home as the Franchised Location. The Operations Manual will specify a form for each proposed location to be completed and submitted by you to us. (Franchise Agreement Section 3.01)

(2) We will review the information you submit for each proposed site for a Franchised Location, conduct any investigation of the proposed site we deem appropriate to evaluate the site, and accept or reject the site. For specifications regarding the factors contributing to the acceptance or rejection of a franchise site, see Site Selection below. (Franchise Agreement Section 3.01(b))

(3) We will accept or reject each proposed Franchised Location site within 30 days after your submission of all initial and supplemental information we request regarding a proposed site. If we accept the site (the "Acceptance Date"), we will give you notice of any remaining conditions to that acceptance. If we reject the site, we will give you the reasons for the rejection. If possible, you may submit the site information before you sign the Franchise Agreement so the accepted location will be listed in the Franchise Agreement when you sign it, in which case the Acceptance Date is the date of the Franchise Agreement. The Acceptance Date must occur no later than 45 days after the date of the Franchise Agreement. (Franchise Agreement Section 3.01(b))

(4) We must approve the terms of your lease or purchase agreement for the approved site and any modifications or amendments, if applicable, before you sign the lease or purchase agreement. We will review the lease or purchase agreement and any modifications or amendments to the lease or purchase agreement and accept or reject your lease or purchase agreement for the Location within 30 days after your submission of all initial and supplemental information we request regarding the proposed lease or purchase agreement. Each Franchised Location must be owned by you or under lease to you and not to an affiliate if you do not own the real property. We do not review, provide advice on or approve any financing you obtain for your development costs. The date you sign the approved lease or purchase agreement is the "Commitment Date" and you must provide us with a copy of the signed document within 5 business days after the Commitment Date. Your lease must include our form of Lease Rider, which allows us to compel you to assign your lease to us and compels the landlord to accept the assignment of the lease, under certain conditions, if you default and fail to cure the default. (Franchise Agreement Section 3.01(b))

(5) We will have the right to terminate the Franchise Agreement if you fail to either (1) (i) gain our acceptance of your proposed Franchised Location, and (ii) sign a lease or a purchase agreement we approve for the accepted Franchised Location so that the Commitment Date occurs within 45 days after the Acceptance Date. (Franchise Agreement Section 11.01(s))

(6) We will designate the Territory for your Franchised Business as part of the acceptance process. We may modify the Territory if you don't meet the performance criteria specified in the Franchise Agreement in our sole discretion from the area described in the Franchise Agreement. (Franchise Agreement Section 2.02)

(7) We will provide you with our standards for the commercial freezer, specifications for layout of the interior, mechanical and electrical systems, equipment, décor, and signs for a prototype Franchised Business that we make available to franchisees. We will not provide these items to you directly for the Franchised Location. We do not provide assistance with the delivery and installation of these items. (Franchise Agreement Sections 3.01)

(8) We will review and comment on your site plan and final plans and specifications for conformity to System Standards. (Franchise Agreement Section 3.01(c))

(10) We will provide your Owner-Operator, and one other person you select with initial training in the System and methods of operating a Franchised Business before the opening of your Franchised Business. See details of the franchise training program below at Training. During the initial training or prior to the opening of the Franchised Business, we will provide you with two (2) uniforms, will arrange for the installation at the Premises of our designated ordering and inventory management software and will conduct an initial marketing program for the launch of the Franchised Business. (Franchise Agreement Section 8.01)

(11) Except as set forth above, we do not provide you with assistance in locating a site, negotiating a purchase or lease of the site, conforming the premises to local ordinances and building codes, obtaining any required permits, constructing, remodeling or decorating the premises, hiring and training employees, and providing for necessary equipment, signs, fixtures, opening inventory and supplies. (Franchise Agreement Section 3.02(a))

Site Selection

You will have responsibility for selecting the site for your Franchised Location and submitting information on the site review form we include in the Operations Manual. We have the right to approve or reject the site you select. In determining whether to approve or reject a site, we will consider demographic evaluations, traffic patterns, population density of our target population (persons over 70 and persons unable to prepare their own meals living in residences, group and institutional settings), proximity to activity centers and employers, physical site profiles, competition in the market area, and other factors. We have no obligation to provide any assistance in locating a site, negotiating the lease, conforming the premises to local codes and ordinances, obtaining permits, constructing, remodeling or decorating, hiring and training employees (except for the training we provide described in Training below), or providing for necessary equipment, signs, fixtures, opening inventory and supplies, except for the opening inventory of Products purchased from us or our designated supplier. You must propose a location, obtain our acceptance of your proposed location within 90 days after the date of the Franchise Agreement (defined as the Acceptance Date above), and enter into a signed lease or a purchase agreement in the form we approve for the approved site within 10 days after the Acceptance Date (described as the Commitment Date above). (Franchise Agreement Sections 3.01, 3.02, 3.04)

Typical Length of Time to Open

Based on the experience of our company-owned locations, we estimate that it will take approximately 90 days after the Effective Date to prepare the Franchised Location, install the freezer, obtain the delivery truck and open a Franchised Business. We set the opening deadline for the Franchised Business at 90 days after the date of the Franchise Agreement. Factors that may affect that time period for developing a Franchised Business include local permitting and approvals, availability of your selected contractors and their subcontractors, supply chain delays in obtaining required building materials, the freezer, a suitable truck and other necessary items. (Franchise Agreement Sections 3.01, 11.01(o))

Post-Opening Assistance

(1) We will provide franchise training program participation opportunities for your replacement and additional managers on our one-week training course, when previously trained managers are replaced. You must reserve training program dates and pay the related fees when required under Operations Manual. You are responsible for your trainees' travel, lodging, meal, incidental, compensation and benefit costs for their attendance at training. (Franchise Agreement Sections 8.02, 9.04(b))

(3) We will publish a list of approved suppliers and their respective approved products and services in the Operations Manual and/or in other written or electronic communications to you. As new suppliers, products and services become available, we will amend that list. (Franchise Agreement Section 8.08)

Advertising Council

We currently have no advertising council composed of franchisees. We have no obligation to create an advertising council. We may develop a council in the future.

Local Marketing

We have no obligation to advertise in your Territory or your broader media market. You are obligated to spend three percent (3.00%) of Gross Sales (in addition to the Marketing Fund Fee) on local marketing, advertising and promotion annually. We may, but are not obligated to, assist you with the review of local media campaigns. These efforts may include of advertisements in local newspapers serving the Territory and on-site presentations and demonstrations to target customer groups, hospitals and other health care facilities and senior care homes. Local marketing and promotional expenses include the cost of direct mail solicitations, public relations activities, community events and sponsorships, newspaper advertisements, telephone book listings and advertisements, and other distributed promotional materials. Local marketing and promotional expenses do not include amounts spent on sign rental, paper products, or food items which may contain one or more of the Marks. We may, but are not obligated to, provide you with standard print media advertising templates to use locally. You will submit for our approval samples of all advertising and promotional materials that you wish to use at least thirty (30) days before making any financial commitment to use the materials. We will provide notice of any objections to the proposed materials within ten (10) days after its receipt. If you fail to discontinue the use of any unapproved materials within five (5) days after notice from us, we may enter the Franchised Business, remove any unapproved materials and hold the materials for proper disposition.

If any applicable local newspaper or directory serving the Territory also services the territory or territories of one or more other Heart to Home Meals franchisees, we shall have the right to require that Franchisee and such other franchisees jointly place an advertisement in such newspaper or other directory, whether by electronic means or otherwise, which advertisement shall contain information pertaining to the Heart to Home Meals Business of each such franchisee. The cost of any such advertisement shall be borne equally by you and such other franchisees.

All advertising and promotion conducted by you shall be completely factual and shall conform to the highest standards of ethical advertising. You shall submit any proposed advertisement or promotional material to us for our written approval, prior to use by you, and you will not engage in any unapproved marketing or promotion of the Franchised Business.

Within thirty (30) days of the end of each calendar year, or at such other time or times as reasonably required by us, you shall provide to us such evidence or proof of its expenditures on local advertising and promotion conducted during the immediately preceding calendar year. If we review the financial reports and determine that you are spending less than 3% of Gross Sales on local marketing activities, then we may require your to submit to us a marketing plan and budget acceptable to us demonstrating your plan to meet this local marketing spending obligation within thirty (30) days after Franchisor sends its request for the plan and budget. Your failure to submit the plan and budget as and when requested, and then spend to the approved budget, will be a material breach of the Franchise Agreement.

We may, in our sole discretion, establish special promotional campaigns applicable to the System as a whole or to specific advertising market areas. You shall, at your sole cost and expense, participate in any such promotional campaigns which may include the purchase, lease, installation and/or use of cards, posters, banners, signs, photography or give-away items. (Franchise Agreement Section 9.20).

Local Advertising Cooperatives

We may establish one or more advertising cooperatives at any time and, further, may modify, terminate and reform any existing advertising cooperative at any time in its sole discretion. If the Franchised Business operates within a DMA for which an approved advertising cooperative exists, you will be obligated to contribute to the advertising cooperative the amounts required by the cooperative up to 2% of the Gross Sales of the Franchised Business during each month. Any such payments made to any cooperative will count towards satisfaction of the minimum local advertising spending under Section 9.19 of the Franchise Agreement. All System Franchised Businesses that we or our Affiliates operate will participate in any advertising cooperative that we establish for the DMA in which they are located on the same basis as the Franchised Business in the DMA. We will administer the cooperative unless we designate another party to perform the administrative functions. The cooperative may have written governing documents that we must provide or approve, which will be available for all participants in the cooperative to review. Each cooperative will maintain accounting records and compile financial statements that will be available for review by all participants. We retain the power to require any cooperative to be formed, changed, dissolved or merged with another cooperative. (Franchise Agreement Section 8.12).

Marketing Fund

We reserve the right to establish a Marketing Fund (the “Marketing Fund”). If and when we do so, you will commence paying a Marketing Fund Fee monthly to us at a rate we set between 2% and 5% of Gross Sales for the preceding month. We will account for all Marketing Fund Fees we collect in a separate account. All other franchisees and all Franchised Businesses operated by us and our Affiliates will contribute at the same rate to the Marketing Fund. We also may deposit the marketing, promotional, and other payments we receive from suppliers into the Marketing Fund.

We will administer the Marketing Fund and will disburse the Marketing Fund to pay for marketing, advertising, promotional, public relations, and other similar activities intended to benefit the System and all franchised and Affiliate-owned locations on a national or regional basis. Those activities may include (without limitation) (a) market research, (b) technology development and implementation, (c) customer service, loyalty and reward programs, (d) media purchases, (e) advertising production, (f) advertising and public relations agency fees and expenses, (g) product research and development, (h) developing and implement marketing strategies, annual Unit marketing plan templates and supporting the evolution of the Grand Opening Plan, and (i) developing and protecting our intellectual property. We will have the sole and exclusive discretion to direct all activities and programs funded by the Marketing Fund. The

Marketing Fund will not be separately audited, and we have no obligation to make its financial statements available to franchisees. We have no obligation to expend Marketing Fund amounts for your benefit equivalent or proportionate to your Marketing Fund Fees, and we do not warrant or guarantee that you will receive or derive any benefit from Marketing Fund activities. We will make all studies and reports produced by the Marketing Fund available to you at no cost as Confidential Information. We will make copies of all materials produced by the Marketing Fund for franchisee use available to you at your expense. We may suspend, terminate, and reinstate the Marketing Fund at any time. The Marketing Fund will not terminate, however, until we have spent all money in the Marketing Fund for the purposes set forth above. Upon your written request, we will provide you a copy of our annual report of expenditures of the Marketing Fund during the most recently ended fiscal year on a confidential basis. (Franchise Agreement Section 8.11).

You are not obligated to participate in any other advertising fund in addition to the Marketing Fund, the advertising cooperatives to which your franchise may be assigned as of the Effective Date. The Marketing Fund has had no contributions as of the Issuance Date, and no Marketing Fund disbursements were made in 2024. We will not use the Marketing Fund to solicit new franchise sales. Consumer advertising copy for which the Marketing Fund pays may include solicitations of interest for prospective franchisees.

sign such terms of use agreements concerning the use of such intranet or extranet system as we may prescribe, which agreements may contain, among other things: (a) confidentiality requirements for materials available and transmitted on such system; (b) password protocols and other security precautions; (c) grounds and procedures for our suspension or revocation of access to the system by you and others; and (d) a privacy policy governing the parties' access to and use of electronic communications posted on electronic bulletin boards or transmitted via the system. You shall pay any fee imposed from time to time by us, or a third-party service provider in connection with hosting such system. (Franchise Agreement Section 7.05)

We may modify System Standards to require new technology at all Franchised Businesses, which may require you to upgrade and update the systems you use in the Franchised Business. We have no obligation to repair, maintain, upgrade or update any management or back-office system during the term of the franchise. There is no contractual limitation on our right to mandate upgrades and updates. The approved vendor of the hardware systems may charge you a fee for maintenance, repairs, updates and upgrades to hardware. The annual cost of such maintenance, repairs, updates or upgrades will depend upon our agreement with the hardware vendor. (Franchise Agreement Sections 2.07, 7.09, 8.07)

You will maintain your management systems on-line so that we may independently access them remotely at our discretion, copy your POS and management data, update software, and view all records, files and reports available on or from those systems. You will not purge data unless so permitted under the Operations Manual. There are no contractual limitations on our right to access this information. (Franchise Agreement Sections 6.01(b), 7.02)

You should expect to update your systems, computer, food inventory storage, business management, training, and communications technology periodically during the term of your Franchise Agreement to keep pace with the evolution of such technology and its applications in food delivery services. We may designate ourselves or an affiliate as the sole source of technology you are required to obtain, operate, and maintain for the Restaurant. (Franchise Agreement Sections 7.01, 7.09)

Prior to the opening of the Franchised Business, the Franchisor will provide training to an Owner-Operator and to one (1) additional person designated by the Franchisee. The initial training program consists of training in all aspects of the System and the management and operation of a Heart to Home Meals business including training in food handling, customer service, driver training, marketing and promotion, office administration and reporting and employee training. The initial training program takes place over seven (7) days at the Franchisor's head office or, if required, it may be given virtually by way of a web-based classroom platform or other online resource. The cost of the initial training is included in the Initial Franchise Fee. However, the Franchisee is responsible for all travel, living expenses and wages or other compensation payable to its attendees during their attendance at training. You must complete this initial training to our satisfaction, which we determine based on our instructors' evaluation of your knowledge of the System and our method of operation. The initial training program will be offered as an needed basis, which we expect to be at least once a calendar quarter. Your Owner-Operator must attend and complete training so that your Franchised Business may open within 90 days after signing your Franchise Agreement.

The instructors for our training program and their relevant experience are:

Raymond Costello	15	1.5
Pedro Santos	7	4
Sebastian Beaudet	6	3

The Franchisor will furnish continuing advice and guidance to the Franchisee as required with respect to System and the operation by the Franchisee of its Heart to Home Meals Business, as more particularly described in the Franchise Agreement. At the Franchisee's request, the Franchisor may provide special assistance for which the Franchisee will be required to pay such fees and expenses as the Franchisor designates. Replacement managers must attend initial training at a tuition cost set in the Operations Manual, currently \$2,000, plus the costs of compensation, benefits, travel, lodging, meals and incidental expenses of each trainee, to be paid by the Franchisee. We may mandate or suggest refresher courses for Owner-Operators and managers as and when we believe refresher training is appropriate, including as a result of operational failures of performance by a franchisee.

ITEM 12

TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to operate a single Franchised Business in the Territory from the Location approved by us. You will not receive an exclusive Territory. A Franchisee's rights to the Territory are subject to compliance by the Franchisee with any Sales Target imposed by the Franchisor. If the Franchisee fails to achieve any such Sales Target, the Franchisor has the right, without waiving its right to terminate the Franchise Agreement, to modify the size or boundaries of the Territory and in such event, the geographical description of the Territory will be deemed to be amended to describe the reduced Territory. In addition, but without waiving the Franchisor's right to modify the Territory, if the Franchisee fails to provide the Products to customers in any discrete part of the Territory or fails to provide the Products to a customer within a reasonable time following a customer's request therefor, the Franchisor may grant to others, including the Franchisor or its Affiliates, the right to provide the Products in such discrete part of the Territory or to any such customer for such period of time as the Franchisor determines, unless and until the Franchisee demonstrates to the Franchisor's satisfaction that the Franchisee will provide Products to the affected part of the Territory or to the customer consistent with System Standards.

We examine the boundaries, size and target population of the area in which you are interested and determine the "Territory," which is stated in Attachment A of the Franchise Agreement you sign. The target population is the number of persons over 70 years of age living in their own homes, and any other identifiable persons who cannot prepare their own meals. The Location must be within the Territory. We expect each Territory to have a target population of at least 70,000 people over age 70 living in their own homes. Since the Territory is defined with respect to the specific Location we approve, if you have not selected and we have not approved a Location at the time you enter into a Franchise Agreement with us, we will specify a geographic area (the "Target Area") in the Franchise Agreement within which you must locate the Franchised Business. When we approve a Location, we will then specify the Territory by notice to you in the form attached to the Attachment A to the Franchise Agreement. We may define Territories that have common boundaries and adjoin one another, and there is no minimum spacing or separation between Territories. We usually define the Territory by zip code boundaries created by the U.S. Postal Service, so a delivery address will be readily identified as within or outside a particular Territory.

We generally will consider the relocation of a Franchised Business under the same criteria as we would consider for an application to approve any new location, such demographics, traffic patterns, physical site profiles, access, parking, competition in the market area, and other factors. You will receive no options, rights of first refusal or any similar rights to obtain additional franchises.

We retain the right to operate and license or franchise other persons to operate a Franchised Business at any location outside of your Territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution of competitive brands that we control. We retain the right to market and sell within or outside the Territory without compensation to you, at any location, under trademarks, service marks, and commercial symbols different from the Marks. We also reserve the right, directly or through any affiliate, offer, distribute, sell and provide the Products identified by the Marks or by other names trademarks or commercial symbols to customers located in the Territory through any distribution channel including without limitation at retail stores, through the Meals on Wheels program, to non-traditional venues (including long-care homes and hospitals), online by the

internet (or any other existing or future form of electronic commerce) and irrespective of the proximity to the Franchised Business. However, all orders for delivery of Products to customers for home consumption received by the Franchisor through the internet or other form of electronic commerce shall be referred to the Heart to Home Meals Business franchisee in whose Territory the customer is located. The franchisee shall be obligated to fulfil the order as if such order had been received by the franchisee directly, and will receive the full purchase price of the order. If there is no Territory of a Heart to Home Meals Business franchisee covering that customer’s location, then the Franchisor shall have the right to fill the order directly or through an affiliate.

A franchisee is not permitted to solicit or accept customers from any area that is within the Territory of another franchisee. You may not use other channels of distribution, such as the Internet, to make sales outside the Territory.

We have no present intention but may in the future operate, franchise, plan to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those a System franchisee will offer. This could include any service or business that offers meals to senior citizens and infirm persons, either on a self-paid basis or as part of a publicly funded or administered support program. The meal recipients may live at home, or be patients in hospitals, acute care facilities or some other institutional or group home setting. The meals may be delivered through a local “Meals on Wheels” charitable program. Such a business could be located or have an outlet in the Territory or distribute meals to customers within the Territory.

ITEM 13

TRADEMARKS

The Franchise Agreement grants you the right to operate a Franchised Business under the Marks. FIH has registered with the United States Patent & Trademark Office (“USPTO”) the following Marks:

Mark	Registration Number	Principal or Supplemental Register	Registration Date
Heart to Home Meals	5158658	Principal	March 14, 2017
Words Plus Design 	5158662	Principal	March 14, 2017

All required affidavits have been filed. No renewals have yet been required. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition or cancellation proceedings affecting the Marks. There is no pending material federal or state court litigation involving the use or ownership rights in a Mark. We know of no superior rights or infringing uses that could materially affect your use of our Marks.

Effective as of September 29, 2023, FIH licensed the Marks and the System to us under a trademark license agreement. We are granted a worldwide license of the Marks and System with the exclusive right to franchise the Marks and the System for 60 years. We are obligated to assure that all sublicensees comply with quality standards set by FIH. The trademark license agreement can be terminated by FIH only if we breach the agreement and fail to cure the breach within 30 days after receiving written notice of the breach, or if we become insolvent or are unable to pay our debts as they become due, or we commence a case for relief or reorganization, or are the subject of an involuntary case for relief or reorganization under the Federal Bankruptcy Code or under any other state or federal bankruptcy or insolvency laws, and such involuntary case continues for more than ninety (90) days after its initial filing without dismissal. At termination of the trademark license agreement, we are obligated to assign to FIH or its designee all license, franchise and sublicensing agreements which we have entered into for the use of the Marks and the System, which shall continue in full force and effect until the expiration of the terms then in effect. If such an assignment occurs, FIH will not assume any liabilities that pre-date the assignment, for which we will remain liable.

We have no affirmative duty to protect your right to use the Proprietary Marks but intend to take appropriate actions if the need arises. We have the right to control any administrative proceedings or litigation involving a Mark we license to you. If anyone institutes or threatens litigation involving any component of the System, including the Marks, against you, you must notify us promptly and cooperate fully with us in defending or settling the litigation. We will have control over the defense and settlement of any administrative proceeding or litigation regarding the System. You also should notify us immediately when you learn about any infringing use of the Marks, any challenge to your use of the Marks, and any use or claim of the right to use any trademark or service mark confusingly similar to the Marks.

Except as stated above, we do not have any obligation to take any affirmative action, participate in your defense, or indemnify you for expenses or damages if you become a party to an administrative or judicial proceeding involving a Mark we license to you or if the proceeding is resolved unfavorably to you. If we must, or we decide to, change the System and discontinue the use of any of the Marks, we reserve the right to substitute different proprietary marks for use in your identifying the Franchised Business. We have no obligation to compensate you for the discontinuance or modification of any Mark, or the cost of changing the primary mark of the Franchised System.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Other than our copyright in our Operations Manual, we do not own any patents or copyrights and have no pending patent applications material to the Franchised Business. We own certain proprietary information that constitutes trade secrets that you may use in the operation of a Franchised Business. You will have the right to use the proprietary information contained in the Operations Manual. Although we have not filed for copyright registration for the Operations Manual, we do claim a copyright in it and the information contained in it does constitute proprietary information. The Franchise Agreement will obligate you to protect our proprietary information from unauthorized use and disclosure, and to have your equity owners, managers, employees we designate in the Operations Manual sign a confidentiality

agreement in the form we prescribe (Franchise Agreement, Schedule G). You must tell us promptly when you learn about any unauthorized use of the Operations Manual, or the information contained in it. We have no obligation to take any action in that event; however, we will respond as we deem appropriate.

There are no currently effective material determinations of the United States Copyright Office or any court, or any pending material proceeding that would affect our copyrights. We have no agreements which would limit our right to license the use of any existing or future patents, copyrights or proprietary information. Although not obligated under any express provision of the Franchise Agreement, we intend to protect our rights in our existing and future patents, copyrights and proprietary information.

If anyone institutes or threatens litigation involving any of our patents, copyrights or proprietary information against you, you must notify us promptly and cooperate fully with us in defending or settling the litigation.

We will have control over the defense and settlement of any administrative proceeding or litigation regarding any patents, copyrights or proprietary information relating to the Franchised Business system. You also should notify us immediately when you learn about any infringing use of our patents, copyrights or proprietary information or any challenge to your use of our patents, copyrights or proprietary information.

Except as stated above, we do not have any obligation to take any affirmative action, participate in your defense, or indemnify you for expenses or damages if you become a party to an administrative or judicial proceeding involving any patents, copyrighted material, or proprietary information licensed by us to you or if the proceeding is resolved unfavorably to you.

If we must discontinue the use of any of our patents, copyrighted materials, or proprietary information relating to the Franchised Business system, we reserve the right to substitute different materials and/or information for use in your Franchised Business, but we have no obligation to compensate you for the discontinuance or modification of any patents, copyrighted material, or proprietary information. We know of no infringing rights that could materially affect you.

We intend to renew any future registered copyrights when the registration expires.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

A franchisee has responsibility for the operation of its Franchised Business. At least one person who is a guarantor under the Franchise Agreement or has a significant equity ownership position in the franchisee (at least 20.00%) must be designated the Owner-Operator of the franchisee and attend the initial training program. The Owner-Operator must dedicate his or her full working time and attention to the Franchised Business. You may hire an “on-premises” manager to handle the day-to-day operations of your Franchised Business, but any such manager must have completed the initial training program. Your on-premises manager must sign a written agreement at the time of employment to maintain the confidentiality of the trade secrets and other proprietary information contained in Item 14. The form is included in the Franchise Agreement as an Attachment and a copy of the fully executed agreement must be sent to us promptly after signing, and before we begin training for this manager.

If you operate as a corporation, partnership or other form of business entity, each of your owners must guarantee your obligations and agree to a restriction on the transfer of their equity ownership

interests under the Guaranty and Restriction Agreement attached as an Attachment to the Franchise Agreement. We may require employees of yours who have received or will have access to our Manual or confidential information to sign a non-disclosure agreement.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must operate your Franchised Business under the System as specified in the Franchise Agreement, the Operations Manual, and in our standards and policies. You may not engage in any business or offer any other services or products at your Franchised Business that is or are not a part of the System or without our express authorization in advance. You must offer our entire menu except those items we designate as optional. You may not offer additional menu items without our prior written consent. We retain the right to modify the Operations Manual to modify, discontinue or add to the goods and services that you must sell in your Franchised Business, which may include new or modified menu items and recipes, methods of preparation or serving, and the installation and use of new or modified food preparation and serving equipment. There are no limits on our right to make these changes.

All advertising and promotional materials, signs, decorations, paper goods (including menus and all forms and stationery used in the Franchised Business) and other items we designate must bear the Marks in the form, color, location and manner we prescribe. In addition, all advertising and promotion in any medium, (including websites, Internet postings or markings) must be conducted in a dignified manner and must conform to the standards and requirements in the Operations Manual, the Franchise Agreement or otherwise. You must obtain our approval before you use any advertising and promotional materials and plans. RENEWAL, TERMINATION, TRANSFER, AND DISPUTE RESOLUTION

THE FRANCHISE RELATIONSHIP

Franchise Agreement

This table lists certain important provisions of the Franchise Agreement. You should read these provisions in that agreement attached as Exhibit A to this Disclosure Document.

	<u>Provision</u>	<u>Section in Franchise Agreement</u>	<u>Summary</u>
a.	Length of the franchise term	2.01	The Franchise Agreement runs for a term of 7 years from its effective date unless terminated earlier under the Franchise Agreement.
b.	Renewal or extension of the term	2.05	You may renew the franchise for a one seven-year renewal term. You may not renew without our consent if (i) you or any of your Affiliates are in default under any Franchise Agreement with us, (ii) any monetary obligations to us or our Affiliates, or trade creditors of the Franchised Business are unsatisfied, (iii) you have met your Sales Targets during the Term and your Market Index score for the Franchised Business for the fiscal year preceding the date of the renewal notice must place you in the top half of all franchisees, excluding those in their first year of operation of their Franchised Business. As of the Effective Date, we plan to use a Market Index metric of “Cash Growth,” which is the change in Gross Sales per capita in the Territory over a 52-week period, indexed by the average of the four 52 week periods preceding the date of calculation. We will notify you if you choose to renew and you do not meet these conditions. We may change our performance metric from Cash Growth in the Operations Manual.

	<u>Provision</u>	<u>Section in Franchise Agreement</u>	<u>Summary</u>
c.	Requirements for franchisee to renew or extend	2.05	You may renew the franchise for one additional “Renewal Term” of 7 years, subject to satisfaction of the following conditions for renewal: You must give us at least 180 days but not more than one year’s advance notice of renewal, sign our then current form of the Franchise Agreement and ancillary agreements (which may contain materially different terms and conditions from the original contract, including higher fees), execute a general release of claims, complete any retraining program we may require, and pay a renewal fee of 50.00% of the then current Initial Franchise Fee. You must also agree to renovate, replace, reequip and update the Premises, including the commercial freezer, and update or replace your Delivery Vehicles, to our current entry standards. All Guarantors must sign our current form of Guaranty and Restriction Agreement.
d.	Termination by franchisee	11.02	You have no express termination rights. You may have common law termination rights if we default materially under the Franchise Agreement and fail to cure the default.
e.	Termination by franchisor for commercial impracticability	11.03	We may terminate your Franchise agreement after written notice to you if we determine that either (i) a law or regulation is enacted, promulgated, repealed, modified or amended, (ii) a judicial or administrative tribunal or administrative agency has issued, published or released a decision, ruling or opinion in a matter not involving the Parties directly or indirectly that we reasonably expect will affect applicable law or its interpretation, or (iii) an administrative agency, arbitrator or judge has issued an interim or final decision in a matter in which the Parties are involved directly or indirectly, which (A) frustrates or adversely affects or could reasonably be expected to affect adversely the purposes of the Franchise Agreement, (B) makes performance of the Franchise Agreement commercially impracticable, (C) effectively modifies the allocation of risk, benefits and burdens agreed by the Parties, (D) deprives any Party of its benefits of the bargain struck by the Parties, as originally set forth in the Franchise Agreement, or (E) determines that an employment or a joint employment relationship exists between the franchisor and the franchisee, or between the franchisor and the franchisee’s employees.

	<u>Provision</u>	<u>Section in Franchise Agreement</u>	<u>Summary</u>
f.	Termination by franchisor upon event of default	11.01	We may terminate your Franchise Agreement after written notice of a curable default if you fail to cure within the time permitted or such longer period as required by law, or immediately upon written notice of an incurable default unless a longer notice period is required by law.
g.	“Cause” defined - curable defaults	11.01	A curable default consists of (1) if you fail to pay when due any amount owing to us, our Affiliates or any supplier to the Franchised Business, whether under the Franchise Agreement or otherwise, and such default continues for a period of fifteen (15) days; (2) if you fail to observe or perform any of your other obligations in the Franchise Agreement or in any other agreement or undertaking entered into or made in favor of us or any of our Affiliates, and such default is not remedied within fifteen (15) days of receipt of notice from us; (3) if Franchisee fails to furnish reports, financial statements, tax returns, or any other documentation required by this Agreement at the time specified therefore and such breach is not remedied within fifteen (15) days of receipt of notice from Franchisor to remedy such breach; (4) if you fail to observe or perform any of the rules, bulletins, directives or other notices set forth in the Manual and any such failure to observe or perform is not remedied within fifteen (15) days of receipt of notice from us; (5) you operate the Franchised Business in a manner that presents a health hazard to its Program Customers, employees or to the public and such manner of operation continues uncorrected after Notice from Franchisor; (6) you engage in any conduct or practice which, in our sole discretion, reflects unfavorably upon or is detrimental to the Marks, to the good name, goodwill or reputation of us or to the business reputation or goodwill of System franchisees or the System generally and Franchisee fails to cease such conduct or practice within five (5) days from receipt of notice thereof from us;. These cure or notice periods may be extended by applicable law in your state.
h.	“Cause” defined - non-curable defaults	11.01	An incurable default will occur if (1) you fail in any year during the Term to meet the Sales Target; (2) you lose the right to possession of the Premises or the Lease is terminated as a result of your default of Franchisee; (3) the Guarantor designated as Owner-Operator of the Franchised Business fails to satisfactorily complete all required training for the operation of the Franchised Business; (4) you or any

Such purchase price shall not, however, contain any factor or increment for goodwill or other intangibles and we may exclude from the assets purchased hereunder any Equipment and Furnishings, leasehold improvements, inventory and supplies which, in our opinion, are obsolete, damaged or otherwise not in marketable or usable condition. If the parties cannot agree upon the fair market value of such assets within 10 business days following the exercise of the option by us, an independent appraiser shall be designated by us and its determination of the fair market value shall be binding on you and us and no appeal shall lie therefrom. If we elect to exercise its option to purchase, we shall be entitled to set off against the purchase price all amounts owing by you to us or any of our Affiliates under the Franchise or any other agreement and the cost of any appraisal. If we exercise the option to purchase, the transaction of purchase and sale shall be closed on a date to be determined by us and shall be completed in accordance with all applicable law to avoid claims of your creditors. Franchisee shall deliver against payment of the purchase price a bill of sale with the usual covenants as to title, together with such other documents as may be necessary or desirable, in the reasonable opinion of Franchisor, to complete the transaction of purchase and sale.

PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We have no Franchised Businesses operating in the United States as of April 1, 2025. We do have an affiliate operated outlet in Massachusetts (the “Affiliate Outlet”) that has been operating since August 2018. The Heart to Home franchise offered in Canada is substantially similar to the franchise offered in this Franchise Disclosure Document. Our Canadian Heart to Home businesses have been operating since November 2009. The market approach and franchise program of our Canadian affiliate are similar to our approach and program. The financial performance representation in this disclosure document reports the historic performance of the Canadian franchises, according to the Gross Sales reports submitted by franchisees, and the Affiliate Outlet in Massachusetts for the same time periods. The information is unaudited. For the time frames shown in the tables below, there was one Heart to Home operation in the United States (the Affiliate Outlet) and there were 20 Heart to Home operations in Canada, including 2 company outlets and 18 franchised outlets. These Canadian outlets originally reported Gross Sales in Canadian Dollars. These results were converted to US Dollars at the average exchange rate reported for 2024 of 0.6997 USD for each \$1 CAD.

	April 1, 2024 – March 30, 2025	April 3, 2023 – March 31, 2024	April 4, 2022 – April 2, 2023

Average Gross Sales	\$770,033.52	\$695,921.11	\$606,268.10

Gross Sales	\$4,039,012	\$1,514,488	\$1,543,825

The Affiliate Outlet covers a much larger Target Area and target population of persons aged 70 and up than a Franchised Business would cover and may not be representative of Gross Sales for a Franchised Business with a smaller Territory. The Affiliate Outlet’s target population is approximately four times the target population of a more typical Target Area for a franchisee. Its Target Area is a densely populated urban and suburban metropolitan area spanning two states.

Gross Sales described above are determined according to the definition in the Franchise Agreement you will sign. The Canadian operations are mostly located in metropolitan areas with concentrations of our target demographic of persons over 70 years of age living at home. We assume that customers are located in sufficiently close geographic proximity to market and operate a delivery-oriented Franchised Business from a single Franchised Location efficiently. Larger geographic territories are less efficient for marketing and delivery expense purposes.

Some outlets have sold this amount. Your individual results may differ. There is no assurance you’ll sell as much.

Written substantiation for this financial performance representation will be made available to a prospective franchisee upon reasonable request.

Other than the preceding financial performance representations, we do not authorize our employees or representatives to make any other financial performance either orally or in writing. If you are purchasing an existing Program Meals Business, however, we may provide you with the actual records of that Program Meals Business. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Christopher Webb at 289 Elm Street, Suite 102, Marlborough, Massachusetts 01752, the Federal Trade Commission, and the appropriate state regulatory agencies. A written substantiation for

the financial performance representation will be made available to the prospective franchisee upon reasonable request.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“**Agreement**”) is made effective as of _____, 2023 (the “**Effective Date**”) by and among HTHM Franchising, LLC, a Delaware limited liability company with its principal business address at 289 Elm Street, Suite 102, Marlborough, Massachusetts 01752 (the “**Franchisor**”) and _____, a [state] [limited liability company/corporation] with its principal business address at _____ (the “**Franchisee**”), _____, an individual and _____, an individual (each individually, a “**Guarantor**” and [together/collectively], the “**Guarantors**”).

Recitals. Franchisor has developed a business format system (the “**System**”) for the operation of a business providing a program to sell and deliver frozen prepared meals identified to the public under the trade name and style “Heart to Home Meals” (“**Program Meals**”), to home bound individuals and institutions, particularly persons over 70 years old (“**Program Customers**”). Food International Holdings LLC (“**FIH**”), an Affiliate of Franchisor, is the owner of certain Marks (as that term is defined below) and has granted to Franchisor the exclusive right and license to use and to grant others the right to use the Marks as part of the System, to brand the Program Meals. HTHM Supply LLC, a Delaware limited liability company (“**HTHM Supply**”), an Affiliate of Franchisor is the designated supplier of Program Meals for Heart to Home Meals franchisees in the United States. The System specifies operation of each franchised business according to a uniform business format and standardized equipment, methods and designs. Franchisee has applied to Franchisor for a franchise to operate a business offering, selling and delivering Heart to Home Meals under this Agreement. Franchisor has relied on the information supplied by Franchisee to approve that application and offer to enter into this Agreement.

NOW THEREFORE in consideration of the mutual undertakings and commitments set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which the parties mutually acknowledge, the parties covenant and agree with each other as follows:

ARTICLE I DEFINITIONS

Section 1.01 Definitions. In this Agreement the following terms shall have the following meanings:

(a) “**Affiliate**” means any person directly or indirectly owned or controlled by, under common control with, or owning or controlling, Franchisor or Franchisee (as applicable). (p) **“Notice”** has the meaning given thereto in Section 14.08 hereof.

(q) **“Owner”** means any person (any individual or business entity, including (without limitation) corporation, joint venture, general partnership, limited partnership, limited liability company, or trust) that holds a direct or indirect equity ownership interest (including beneficial and record interests) in Franchisee.

(z) **“Territory”** means the geographical area described in Part 2 of Schedule B attached hereto, which geographical area shall be established following determination of the Premises.

ARTICLE II GRANT OF FRANCHISE

Section 2.01 Grant and Term. Subject to the terms and conditions of this Agreement, Franchisor hereby grants to Franchisee the right, license, and privilege to operate one (1) a Heart to Home Meals Business as a Franchised Business only at the Premises, and the right, license, and privilege to use the System and the Marks in its operation, in the Territory during the Term. This grant authorizes Franchisee to operate only a delivery model business. The offer, sale and distribution of Program Meals from a retail store, mobile facility or kiosk, or any other means of direct sale to customers, except by means of the authorized delivery model, is expressly prohibited.

The right and license herein granted shall be for a term (the **“Term”**) commencing on the Effective Date and expiring seven (7) years from its effective date unless sooner terminated. Termination or expiration of this Agreement shall constitute a termination of the right and license granted herein to use the System and operate the Franchised Business. References to the Term shall mean and refer to the initial Term and if renewal occurs as provided below, to the entire period of the initial Term and the Renewal Term.

Section 2.02 Territory & Sales Target. Subject to the provisions of Section 2.03 hereof, so long as Franchisee is in full compliance with this Agreement, Franchisor agrees that it will not establish, or grant a franchise for the establishment of, a Heart to Home Meals Business within the Territory, and will not grant any overlapping Territories. Franchisee agrees to, at all times, use its reasonable best efforts to develop and extend the market for Heart to Home Meals throughout the

Territory. Franchisee shall not solicit, accept or fulfill orders for Program Meals from potential Program Customers for delivery outside the Territory or in another franchisee's territory. Franchisee may advertise in media that reach an audience outside the Territory as long as Franchisee refers to Franchisor any prospective customer located outside the Territory who contacts Franchisee.

Notwithstanding the foregoing, Franchisee's rights to serve Program Customers within the Territory shall be subject to compliance by Franchisee with the annual Sales Target. If Franchisee fails to achieve the Sales Target for any year, or fails to obtain Program Customers in a discrete jurisdiction or area of the Territory (an "**Underserved Area**") with a substantial population of home-bound individuals over 70 years of age, Franchisor shall have the right and option, without waiving its right to terminate the Franchise Agreement pursuant to Section 11.02 hereof, to modify the boundaries of the Territory, remove the Underserved Area from the Territory, or reduce the size of the Territory by giving Franchisee written notice at any time during the 120 days following the end of any Sales Target period. Franchisor will modify Schedule B unilaterally by sending to Franchisee a revised Schedule B that will become effective on the date specified therein or in the notice transmitting the revised Schedule B. Franchisor reserves the right to declare this Agreement ineligible for renewal if the Sales Target is not met for any fiscal year during the Term.

Notwithstanding the foregoing and without waiving Franchisor's right to modify the Territory, Franchisor may authorize a franchisee to sell and deliver Program Meals to a Program Customer (an "**Assigned Customer**") who is (i) located outside the Territory and not within any franchisee's territory, or (ii) located within another franchisee's Underserved Area, or (iii) a prospective Program Customer located within the Territory who has contacted Franchisor directly about obtaining Program Meals if Franchisee fails to offer to provide the Program Meals within a reasonable time following referral from Franchisor of the Customer's request for Program Meals service. Franchisor may grant to others, including Franchisor or its Affiliates, the right to offer and sell Program Meals to Assigned Customers who may be in the Territory, and to reassign any Assigned Customer to another franchisee or an Affiliate of Franchisor if the account of the Assigned Customer is not properly serviced. Franchisor may notify Franchisee to discontinue serving any Assigned Customer within or outside the Territory at any time in its sole discretion.

Section 2.03 Reservation of Rights. Franchisor and its Affiliates reserve all rights not expressly granted to Franchisee. There are no implied covenants or obligations regarding territorial rights arising from this Agreement or any other agreement or arrangement between Franchisor and Franchisee. Franchisee has no right to participate in or benefit from any such other business activity. In addition, Franchisor reserves all rights of ownership, control, modification, revision, updating and termination with regard to the System, the Manual and System Standards. Franchisee's only rights with regard to the System are limited to the license as Franchisor expressly grants the license to Franchisee under this Agreement during the Term, and the parties intend that no implied covenants or rights attach or arise under the license Franchisee accepts in this Agreement.

Furthermore, the restriction contained in Section 2.02 hereof shall not apply to, and Franchisor retains all of the right, in its sole discretion, to:

(a) establish and operate, and grant to others the right to establish and operate, a Heart to Home Meals Business or any other business using the Marks, the System or any variation of the Marks and the System, in any location outside the Territory, on any terms and conditions that Franchisor deems appropriate;

(b) develop, use and license anywhere (including within the Territory) the rights to any trade names, trademarks, commercial symbols, signs, slogans or insignia not designated by Franchisor as Marks, for use with similar or different franchise systems for the sale of similar or different products or services than those constituting a part of the System, without granting Franchisee any rights therein;

(c) except as hereinafter provided, offer, distribute, sell and provide the Program Meals identified by the Marks or by other names trademarks or commercial symbols to Program Customers located in the Territory through any distribution channel including without limitation at retail stores, through the Meals on Wheels program, to non-traditional venues (including long-care homes and hospitals), online by the internet (or any other existing or future form of electronic commerce) and irrespective of the proximity to the Franchised Business. Notwithstanding the foregoing, all orders for delivery of Program Meals to Program Customers for home consumption received by Franchisor through the internet or other form of electronic commerce shall be referred to the Heart to Home Meals Business franchisee in whose territory the customer is located and such franchisee shall fulfil the order as if such order had been received by Franchisee directly. If there is no Heart to Home Meals Business franchisee in such territory, then Franchisor shall have the right to fill the order directly;

(d) acquire, be acquired by, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with outlets, franchises, and operating units located anywhere; and

(e) engage in any other activity, action or undertaking that Franchisor is not expressly prohibited from taking under this Agreement.

Section 2.04 Designation of the Owner-Operator. Unless Franchisee operates as a sole proprietorship, the Franchisee must designate one person with at least a twenty percent (20%) ownership interest from among the Guarantors who will be Franchisee's "**Owner-Operator.**" In such capacity, the Owner-Operator shall devote his or her full time and attention to the management, supervision, and operation of the Franchised Business. Franchisor may rely upon communications and decisions of the Owner-Operator as fully authorized by all necessary corporate action and legally binding on Franchisee. Franchisee may designate another Guarantor to serve as Owner-Operator by written notice to Franchisor.

Section 2.05 Renewal. Franchisee may renew the franchise for the Franchised Business one time for an additional "**Renewal Term**" of seven (7) years provided that the following conditions are met:

(a) Franchisee provides Franchisor advance written notice of its intent to renew this Agreement at least 180 days, but not more than one year, prior to the expiration of the Initial Term;

(b) Franchisee completes to Franchisor's satisfaction all such maintenance of the Premises and maintenance, improvement, or replacement of the Equipment and Furnishings as Franchisor requires in order to meet the standards and specifications of the System then in effect, which may include replacement of the commercial freezer and the Delivery Vehicles;

(c) Franchisee is not in default of this Agreement or any other agreement with Franchisor or any of its Affiliates as at the expiration of the Term and has substantially complied with all the terms and conditions of such agreements during their respective terms;

(d) Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor and any of its Affiliates as at the expiration of the Term and shall have throughout the Term, timely met all monetary obligations to Franchisor, its Affiliates and to trade creditors of the Franchised Business;

(e) Franchisee has met its Sales Targets during the Term and Franchisee's Market Index score for its Franchised Business for the fiscal year preceding the date of the renewal notice must place Franchisee in the top half of all franchisees, excluding those in their first year of operation of their Franchised Business. As of the Effective Date, Franchisor plans to use a Market Index metric of "Cash Growth," which is the change in Gross Sales per capita in the Territory over a 52 week period, indexed by the average of the four 52 week periods preceding the date of calculation.

(f) Franchisee and the Guarantors execute, at the time of renewal, Franchisor's then current form of franchise agreement and ancillary agreements, the terms of which may differ from the terms of this Agreement (including, without limitation, Territory definition, territorial rights and fees), which, when executed, will supersede in all respects this Agreement.

(g) Franchisee must pay to Franchisor a renewal fee in an amount equal to fifty percent (50%) of the initial franchise fee then being charged generally by Franchisor for the grant of a franchise. The renewal fee is not refundable;

(h) Subject to prohibitions under local law, Franchisee and each of the Guarantors execute and deliver to Franchisor a complete release of all claims against Franchisor, its Affiliates and their respective shareholders, directors, and officers, in form prescribed by Franchisor; and

(i) Franchisee must have the right to remain in possession of the Premises (or at Franchisor's request, secure another premises acceptable to Franchisor) for such Renewal Term.

Section 2.06 Renewal Considerations.

(a) Franchisor will notify Franchisee within thirty (30) days after receipt of the renewal notice if it is not eligible to renew. Franchisor may waive, in its sole discretion, any disqualifications for any Franchised Business or franchisee to renew its franchise, or condition renewal on timely satisfaction of the Renewal Work requirement set forth below. No such waiver will provide or confer any right, privilege, precedent or benefit on any other party or person except the affected franchisee.

(b) Franchisor will score each franchise annually according to its Market Index. Any franchise that ranks in the bottom 25% percent of all franchises will not be eligible for renewal.

(c) Any franchise that scores above the 25th percentile but less than the 50th percentile will be eligible for renewal at Franchisor's sole discretion if the request for renewal is accompanied by a marketing plan that Franchisor reviews and finds acceptable to increase Gross Sales. In certain markets Franchisor determines with a high potential for Gross Sales, Franchisor may condition renewal on achieving a particular Market Index specified in the Franchise Agreement.

(d) Franchisor may condition renewal on upgrading, updating or replacement (“**Renewal Work**”) of existing Delivery Vehicles, storage facilities, technology and freezers with systems and models then required for entry level franchises, and may extend the Term for a reasonable time period such as 90 or 120 days that Franchisor determines is appropriate to allow for completion of the Renewal Work before the full renewal term becomes effective.

Section 2.07 System Control and Modification; Improvements. Franchisee acknowledges Franchisor controls and establishes requirements for all aspects of the System. Franchisee acknowledges that the System must continue to evolve in order to reflect the changing market and to meet new and changing consumer demands and that accordingly, variations and additions to the System may be required from time to time in order to preserve and enhance the public image of the System and to ensure the continuing efficiency of the System generally. Accordingly, Franchisee acknowledges and agrees that Franchisor may, in its discretion, upon Notice, add to, subtract from or otherwise change the System, including, without limitation, the adoption and use of the Marks, new or modified trademarks, standards, products, services, Equipment and Furnishings and new techniques and methodologies in response to changing market conditions. Franchisee agrees to implement, use and display in the operation of the Franchised Business, within a reasonable time following Notice thereof from Franchisor, all such additions, modifications and changes, at its sole cost and expense, as are reasonably required to meet the standards and specifications of the System then in effect. Franchisor may, in its discretion, permit deviations from the System Standards, based on local conditions and its assessment of the circumstances.

All present and future distinguishing characteristics, improvements and additions to or associated with the System by Franchisor, Franchisee or others, including, without limitation, all new and improved recipes and preparation instructions for menu items, ingredients, new menu items and the like, and all present and future service marks, trademarks, copyrights, and service mark and trademark registrations used and to be used as part of the System, and the associated goodwill, shall be Franchisor's property and will inure to its benefit. Franchisee acknowledges that System Standards include non-functional trade dress that is an integral part of the System and covenants that it will not, directly or indirectly through an Affiliate, use the trade dress in any structure that is not the Franchised Business. Franchisee also acknowledges that such intellectual property includes any recipes, ideas, inventions, concepts, instructions, techniques of cooking, preparation, display or service, or other know-how developed, marketed, or licensed as part of the System, whether created by Franchisor, an Affiliate, a predecessor, licensor or by Franchisee with Franchisor's approval as outlined in the Manual. Franchisee grants to Franchisor a non-exclusive,

perpetual, royalty-free worldwide license of all recipes, concepts, instructions, ideas, inventions, techniques of cooking, preparation, display or service, or other know-how, advertising materials and trade secrets created by or for Franchisee for use in, by or for the Franchised Business, and Franchisee acknowledges that Franchisor and its Affiliates may incorporate, modify, supplement, sublicense or otherwise commercialize such information as part of the System or in any other manner. At Franchisor's request and expense, Franchisor may require Franchisee to execute and deliver an assignment of the ownership rights to any such intellectual property or such other writing as it may request to transfer ownership to Franchisor, or pursue registration or other legal protection for such intellectual property.

ARTICLE III DEVELOPING AND OPENING THE FRANCHISED BUSINESS

Section 3.01 Location of Franchised Business.

(a) **Development.** Except as specified in this Agreement and the Manual, Franchisor is not obligated to provide any assistance in locating a site for the Premises, negotiating the Lease, conforming the Premises to local codes and ordinances, obtaining permits, constructing, remodeling or decorating, hiring and training employees (except for the training Franchisor provides described in Training below), or providing for necessary equipment, signs, fixtures, opening inventory and supplies. Franchisee, and not an Affiliate, must own or lease each Premises used in the operation of the Franchised Business. Franchisee must be able to receive Product deliveries from a tractor trailer at the Premises and to park and load the Delivery Vehicle conveniently. The Premises are typically located in light industrial warehouse space.

(b) **Location Selection; Premises.**

(i) If Franchisee has not selected a site for the Premises that Franchisor accepted when the parties executed this Agreement and identified in Schedule B, Franchisor will provide Franchisee with advice and consultation in the selection of sites for Premises (s) through the use of the forms, criteria and materials available to franchisees.

(ii) Subject to compliance with all applicable municipal laws, Franchisee shall have the right to operate the Franchised Business from the home of a Guarantor provided that Franchisee purchases or leases, and maintains throughout the term of this Agreement, one (1) or more commercial-grade walk-in freezers approved by Franchisor for the storage of Program Meals.

(iii) Franchisor may conduct any investigation of the proposed site it deems appropriate to evaluate the sit to accept or reject the site. Franchisee must submit the site proposal within 15 days after the Effective Date. Franchisor will review the information Franchisee submits for each proposed site for the Premises, conduct any investigation of the proposed site it deems appropriate to evaluate the site, and accept or reject the site within 30 days after the submission of all initial and supplemental information requested regarding a proposed site. If Franchisor accepts the site (the "**Acceptance Date**"), it will provide notice of any remaining conditions to that acceptance. If Franchisor rejects the site, it will provide the reasons for the rejection. Franchisee may submit the site information before executing this Agreement, in which

case the Acceptance Date is the Effective Date of this Agreement. The Acceptance Date must occur no later than 45 days after the Effective Date of the Franchise Agreement.

(iv) Franchisee shall enter into a binding agreement to lease or buy such Premises (the “**Lease**”) after the Acceptance Date, which Lease shall be in form and terms acceptable to Franchisor. Franchisor will accept or reject the proposed form of Lease, or if Franchisee intends to purchase the Premises, the purchase agreement, within thirty (30) days after submission by Franchisee. Franchisee must deliver a signed Lease or purchase contract for an approved Premises site within 10 days after the Acceptance Date. The Lease shall contain provisions substantially similar to those set out in Schedule C attached hereto pursuant to which Franchisor is granted an option to take an assignment of the Lease in certain circumstances. Franchisor shall be made a party to the Lease only for the benefit of taking advantage of the provisions set out in Schedule C. Franchisee agrees not to amend or terminate the Lease without Franchisor’s prior written consent. Any attempt to terminate, alter or amend the Lease shall be null and void. Concurrently with execution of the Lease or confirmation that the Franchised Business will be operated from a home office, Parts 2 and 3 of Schedule B shall be deemed to be completed. The date Franchisee signs the approved lease or purchase agreement is the “**Commitment Date**” and Franchisee must provide Franchisor with a copy of the signed document within five (5) business days after the Commitment Date.

(v) Upon Franchisor’s acceptance of the selected site of the Premises, whether identified and accepted at the signing of this Agreement or afterwards, Franchisee acknowledges that it selected and Franchisor accepted the Premises, and that Franchisor’s acceptance of Franchisee’s selection does not guarantee or warrant that the Premises will be successful or that such selection represents the best site for the Franchised Business from among those available to Franchisee. Franchisee acknowledges that Franchisor may have provided it with advice and consultation in the selection of sites for the Franchised Business through the use of the forms, criteria and materials that Franchisor makes available to franchisees and prospective franchisees. Franchisor may have delivered its written review and evaluation of any proposed sites the Franchisee proposed. Franchisee has had the opportunity to obtain independent advice on the site for the Franchised Business and is not relying on Franchisor’s review and evaluation.

(c) **Plans.** Franchisor will provide Franchisee with its standards and specifications and layouts for the interior build-out, mechanical and electrical systems, Equipment and Furnishings, including the standard for the commercial freezer and Delivery Vehicle, décor and signs for a prototype Franchised Business that it makes available to franchisees. Franchisor will not provide these items directly for the Premises and does not provide assistance with the delivery and installation of these items. Franchisor will review the site plan and final plans and specifications for conformity to System. Franchisor will not unreasonably withhold or delay its approval, which is intended only to test compliance with System, and not to detect errors or omissions in the work of the architects, engineers, contractors or the like. Franchisor’s review does not cover technical, architectural or engineering factors, or compliance with federal, state or local laws, regulations or code requirements. Franchisor will not be liable to Franchisee’s lenders, contractors, employees, Program Customers, others or Franchisee on account of its review or approval of Franchisee’s plans, drawings or specifications, or its inspection of the Franchised Business before, during or after renovation or construction.

(d) **Construction of Franchised Business.** Franchisee will complete the construction or remodeling of the Franchised Business within the time specified on Schedule B. Franchisee will construct or remodel the Franchised Business in strict conformity with the site layout, plans and specifications Franchisor approves. If Franchisor determines (before the Opening Date) that Franchisee has not constructed or remodeled the Franchised Business in strict conformity with the site layout, plans and specifications it approved, within the time set forth on Schedule B, Franchisor may terminate this Agreement for cause, or obtain an injunction from a court of competent jurisdiction against the opening of the Franchised Business and to compel Franchisee to specifically perform its obligation to construct or remodel the Franchised Business in strict conformity with the approved site layout, plans and specifications, in addition to any other remedies available to Franchisor at law or in equity, without any obligation to furnish any bond or security. Franchisee will bear the expense of all engineering and architectural services incurred for its final construction plans and for obtaining approvals by the appropriate Regulatory Authorities required under applicable law to construct, remodel and occupy the Franchised Business. Franchisee shall secure for Franchisor and its agents the right to inspect the Premises, construction site and related materials stored off site at any reasonable time. Franchisee shall correct, upon Franchisor's request and at Franchisee's expense, any deviation from the approved site plans and specifications.

(e) **Relocation.** Franchisee may operate the Franchised Business only at the Premises and may not relocate except with Franchisor's prior written consent. If, prior to the termination or expiration of this Agreement, the Lease for the Premises expires or terminates through no fault of Franchisee or if the Premises are destroyed or condemned or otherwise rendered unusable or if, in the judgment of Franchisor, there is a change in the character of the location of the Premises sufficiently detrimental to its business potential to warrant the relocation of the Franchised Business, Franchisor will grant its consent to the relocation of the Franchised Business to a location within the Territory acceptable to Franchisor, acting reasonably. Any such relocation shall be at Franchisee's sole cost and expense and Franchisor shall have the right to charge Franchisee for its reasonable costs incurred in connection with such relocation.

Section 3.02 Use of Premises. Except in the case of a home office, Franchisee shall use the Premises for the operation of the Franchised Business only and for no other purpose without the prior written consent of Franchisor. Franchisee will not display any other sign or advertising at the Franchised Business, whether on the Premises or the Delivery Vehicle, without Franchisor's consent other than as expressly permitted under the Manual.

Section 3.03 Development of Premises. Franchisee shall develop and equip the Premises, at its sole cost and expense, in accordance with Franchisor's standard plans and specifications for a Heart to Home Meals Business and in accordance with all laws and regulations in effect in the jurisdiction in which the Franchised Business is located. Franchisee will install in and about the Franchised Business Equipment and Furnishings, fixtures, and other personal property that strictly conform to System Standards and specifications Franchisor specifies in the Manual or otherwise.

(a) **Commercial Freezer.** If the Premises does not have an indoor commercial walk-in freezer, Franchisee must acquire, whether purchasing or renting, and install the freezer. The freezer is critical to operation of the Franchised Business, and Franchisee must obtain a service

contract to maintain the freezer in good working order and repair the freezer within four (4) hours of loss of cooling.

(b) **Delivery Vehicle.** Franchisee must obtain and operate a freezer-equipped (“reefer”) Delivery Vehicle meeting System Standards that is capable, as of the Effective Date and subject to changes in System Standards during the Term of this Agreement, of storing at least 50 boxes (box dimensions 13.44 x 9.13 x 9.63 inches), equating to a minimum of 131.7 cubic feet of reefer cargo space. Franchisor must approve the vehicle Franchisee proposes to use as the Delivery Vehicle for the Franchised Business. Franchisee may buy, lease or rent the Delivery Vehicle, which must be wrapped with Franchisor’s standard vehicle wrap to promote the Franchised Business. Franchisee covenants not to engage any third-party delivery service to deliver Program Meals except in the case of an emergency when Franchisee’s Delivery Vehicle is incapable of maintaining proper temperatures of Program Meals or is being repaired while disabled. If the Delivery Vehicle is out of service for more than 72 hours, Franchisee shall make arrangements to rent a suitable temporary Delivery Vehicle while the regular Delivery Vehicle is being repaired. Franchisee will comply with Franchisor’s requirements as set out in the Manual to assure that each Delivery Vehicle is maintained, cleaned and serviced properly, displays no unapproved signage, and reflects positively on the image and reputation of the Franchised Business and the System.

Section 3.04 Opening of the Franchised Business. Franchisee must open the Franchised Business within 90 days after the Effective Date (the “**Actual Opening Date**” in Schedule B). The Franchised Business shall not be opened without the prior written approval of Franchisor, which approval will not be unreasonably withheld. Franchisor shall be entitled to withhold approval until Franchisee or its designated employee has satisfactorily completed Franchisor’s training program described in Section 9.04 below. Franchisee agrees to commence operation of the Franchised Business within ten (10) days after Franchisor determines Franchisee has met all of Franchisor’s pre-opening conditions, including without limitation compliance with all Laws, providing all governmental approvals and the certificate of occupancy to Franchisor.

Franchisee must purchase in advance of opening, the minimum amount of Program Meals inventory specified in the Manual for the initial weeks of operation from HTHM Supply or another supplier designated by Franchisor.

ARTICLE IV MARKS

Section 4.01 Ownership of the Marks. Franchisee acknowledges Food International Holdings LLC is the owner of all rights, title, and interest in and to the Marks and that neither this Agreement nor the operation of the Franchised Business shall in any way give, or be deemed to give, Franchisee any interest in the Marks except for the right to use same pursuant to the terms of this Agreement. Franchisor and its Affiliates have taken and will take all steps reasonably necessary to preserve and protect the ownership and validity in and of the Marks.

Section 4.02 Integrity of Marks. Franchisee shall operate the Franchised Business utilizing the Marks without any accompanying words or symbols of any nature, unless first approved in writing by Franchisor. No part of the Marks nor any words similar thereto shall, without the prior written consent of Franchisor, be included in any world wide web address or in

any corporate name used by Franchisee or by any person which has a direct or indirect interest in Franchisee or in which Franchisee may, at any time, have a direct or indirect interest. However, where required by applicable law, Franchisee shall register itself as carrying on business under the style name “Heart to Home Meals.”

Section 4.03 Use and Display of Marks. Franchisee shall use the Marks only in the operation of or advertising for the Franchised Business and only in the manner prescribed by Franchisor in the Manual and in other notices to Franchisee. Franchisee shall prominently display at the Premises a sign, in form approved by Franchisor, stating that the Franchised Business is independently owned and operated by Franchisee under license from Franchisor. If Franchisee utilizes any of the Marks, including, but not limited to, on any stationery, invoices, purchase orders, pamphlets or promotional material, forms, receipts and contracts, as well as the display of a notice in such content and form and at such conspicuous locations on the Premises of the Franchised Business, such items shall expressly indicate that Franchisee is a franchisee of Franchisor and a licensee of the Marks. Subject to Franchisor’s approval of the form of the proposed use, which it will not unreasonably withhold or delay, Franchisee may include in its fictitious name filing and in the references to your Franchised Business a geographic reference relating to the Franchised Business’s location as long as the reference does not interfere with the proper use of the Marks under the System and the required use of the Marks under trademark law (*e.g.*, Heart to Home Meals Fort Lauderdale).

Franchisee agrees not to use the Marks in any manner calculated to represent that it has any right, title or interest in and to any of the Marks other than the right to use the same in accordance with the terms of this Agreement. Franchisee agrees during the term of this Agreement and thereafter, not to dispute or contest, directly or indirectly, the validity or enforceability of any of the Marks nor counsel, procure or assist anyone else to do the same, nor directly or indirectly attempt to depreciate the value of the goodwill attaching to the Marks. Franchisee’s right to use the Marks is limited to such uses as are authorized under this Agreement and the Manual, and any unauthorized use thereof shall constitute an infringement of the rights of the owner of the Marks; Franchisee shall execute any documents deemed necessary by Franchisor or its counsel to obtain protection for the Marks or to maintain their continued validity and enforceability.

Section 4.04 Change or Discontinuance of Marks. If it becomes advisable or desirable at any time, in the sole discretion of Franchisor, to modify or discontinue the use of any of the Marks or to use one or more additional or substitute Marks, trade names, trade dress, or trademarks, Franchisee must comply with Franchisor’s directions within a reasonable time frame after receiving notice at its sole cost and expense. Franchisor will not reimburse Franchisee for any loss of revenue or profits attributable to the change in Marks or for any expenditures Franchisee makes to change Marks or to promote a modified or substitute trademark or service mark. Subject to Franchisor’s approval of the form of the proposed use, which it will not unreasonably withhold or delay, Franchisee may include in its fictitious name filing and in the references to the Franchised Business a geographic reference relating to the Franchised Business’s Territory as long as the reference does not interfere with the proper use of the Marks under the System and does not cause confusion over territorial responsibility among franchisees serving the same DMA. Franchisor reserves the right to withdraw its approval of a fictitious name and require the use of a different fictitious name at any time during the Term.

Section 4.05 Infringement. Franchisee shall immediately notify Franchisor of any suspected infringement of or known challenge to the validity of the Marks, any known challenge to the ownership of or Franchisee's use of the Marks, including any claim Franchisee's use of the Marks infringes on any third party's trademark rights. Franchisor shall have the sole discretion to take such action as it deems appropriate, including the sole right to direct and control any civil, administrative or other proceeding involving the Marks, including any settlement. Franchisor shall also have the sole right, but not the obligation, to take action against uses by others that may constitute infringement of the Marks. Franchisee must fully cooperate with Franchisor with respect to any prosecution of any claim or any defense of a claim Franchisee is infringing the trademark rights of any third party. Provided Franchisee complies with the terms of this Agreement, Franchisor agrees to indemnify Franchisee against and to reimburse Franchisee for any damages for which it is held liable in any trademark infringement proceeding disputing Franchisee's authorized use of any Mark under this Agreement if Franchisee has timely notified Franchisor of the proceeding and has complied with Franchisor's reasonable directions in responding to the proceeding.

In consideration of the right and license granted hereunder, Franchisee shall pay to Franchisor, concurrently with the execution of this Agreement, an initial non-refundable franchise fee in the amount of Forty Thousand Dollars (\$40,000) plus Applicable Taxes (the "**Initial Franchise Fee**"). (h) **Restocking Fees & Charges.** At the expiration or termination of this Agreement, Franchisee will pay to Franchisor, the greater of twenty percent (20%) of Franchisor's repurchase price or Franchisor's costs to recover, transport and restock Program Meals.

Franchisee will pay Applicable Taxes to Franchisor when due.

(k) **Technology Fee.** Franchisor may provide certain technology support services to franchisees to assist in using its designated technology systems for operating the Franchised Business. Franchisor does not currently charge a fee for this service but may elect to impose a fee to cover these support costs and related overhead in the future on at least thirty (30) days' prior written notice to all franchisees and may modify the fee once annually after its imposition.

(l) **Late Fee.** Franchisee is expected to provide accurate financial reports in a timely manner. If any financial report is not submitted by Franchisee by the due date specified in the Manual, Franchisor may assess a "Late Fee" of \$150, payable when invoiced.

Section 5.03 Security Agreement and Grant of Security Interest. As security for the Program Meals, the payment of the foregoing amounts and performance of Franchisee's obligations under this Agreement, Franchisee grants to Franchisor, its successors and assigns a

security interest in this Agreement, all assets, including signs, signage, décor items, goods, supplies, equipment, and inventory, of the Franchised Business. Franchisee grants Franchisor the authority and power to file a copy of the signature page of this Agreement as part of any financing statement necessary to perfect and maintain Franchisor's security interest during the Term, in any and all appropriate offices and public records. Franchisor may notify Franchisee's other creditors and lenders about the security interest and has no obligation to subordinate its interest to that of any other lender or secured creditor.

Franchisee grants Franchisor or its affiliate a security interest in all assets and proceeds from the sale of inventory to secure payment of amounts owed for the wholesale price of Program Meals you purchase. If Franchisor forecloses on the collateral, Franchisee will pay or reimburse Franchisor for the costs it incurs including attorneys' fees and court costs to enforce its security interest, regain possession and store the collateral.

Section 5.04 Pre-Authorized Payments. Franchisee shall participate in such pre-authorized payment plans, electronic funds transfer systems, automatic debiting systems or other similar plans or systems as Franchisor may require for Franchisee to make direct deposit payment of all amounts owing to Franchisor or its Affiliates. Franchisee shall fully cooperate with representatives of Franchisor or its agents conducting any such inspection or audit and will make copies of those items available for audit at its corporate offices at its cost. If any such audit or inspection discloses an understatement of Gross Sales for any period or payments due to Franchisor, Franchisee shall immediately pay to Franchisor the amount found to be owing together with interest thereon as provided for in this Agreement, calculated from the date when such amounts were due and payable

to Franchisor. Further, in the event that such audit is made necessary by the failure of Franchisee to furnish reports, financial statements or tax returns as required by this Agreement or that Franchisee's records were insufficient to permit a determination of Gross Sales for any period or if an understatement of Gross Sales is determined by any such audit to be greater than two (2%) percent, Franchisee shall reimburse Franchisor for the cost of such audit and its enforcement, including without limitation, the travel expenses, room, board and compensation of employees or agents of Franchisor, and Franchisor shall have the right to require that all further financial statements required by the terms of this Agreement be in audited form.

Franchisee will not transmit or cause any other party to transmit on its behalf advertisements or solicitations by e-mail or other electronic media without first obtaining Franchisor's written consent as to: (a) the content of such e-mail advertisements or solicitations and (b) its plan for transmitting such advertisements. Franchisee shall be solely responsible for compliance with any laws pertaining to sending e-mails including but not limited to the Controlling the Assault of Non-Solicited Pornography and Marketing Act of 2003 (known as the "**CAN-SPAM Act of 2003**"). Under no circumstances shall Franchisee send any e-mail to a person or address outside the United States.

Section 7.08 No Outsourcing without Prior Written Approval. Franchisee shall not hire third party or outside vendors to perform any services or obligations related to the Technology, Required Software, or any other of its obligations under this Section, without Franchisor's prior written approval. Franchisor may condition its consideration of any proposed outsourcing vendor(s) upon, among other things, such third party or outside vendor's entry into a confidentiality agreement with Franchisor and Franchisee in a form provided by Franchisor.

Section 7.09 Changes to Technology. The parties acknowledge that technology used in the meal delivery business is dynamic and not subject to predictable patterns of development and change. To keep pace with technological needs and opportunities and to support the competitiveness of the System, Franchisee acknowledges that Franchisor shall have the right to establish, in writing, new and revised System Standards for the implementation of technology as part of the System. Franchisee shall abide by those new or revised System Standards as implemented on a System-wide basis.

Section 7.10 E-Mail Communication. Franchisee acknowledges Franchisor is entitled to rely upon e-mail to communicate with it as part of the economic bargain underlying this Agreement. To facilitate the use of e-mail to exchange information between the parties, Franchisee will maintain e-mail capabilities as specified in the Manual. Franchisee authorizes the transmission of e-mail from and to Franchisor, its affiliates, and vendors on matters pertaining to the business contemplated under this Agreement. Franchisee will provide Franchisor with the current e-mail address and shall immediately notify of any change of e-mail address and any technical problems with the e-mail account of Franchisee and its owners that would make communications delayed or impossible. If any such e-mail account becomes disabled for any reason, Franchisee shall immediately provide Franchisor with an alternative e-mail address. Franchisee will cause its officers, directors, members and employees (as a condition of their association or position with Franchisee) to give their consent (in an e-mail, electronically, or in a pen-and-paper writing, as Franchisor may reasonably require) to transmission of Franchisor's e-mails to them, and such persons shall not opt-out, or otherwise ask to no longer receive e-mails from Franchisor during the time that such person works for or is affiliated with Franchisee. Franchisee acknowledges that if it opts-out, or otherwise asks to no longer receive e-mails from Franchisor during the Term, it will be in material breach of this Agreement. Franchisor will assign email account(s) to Franchisee to conduct its official business. Franchisee covenants with Franchisor (i) to use such official email account only for the purposes of conducting the Franchised Business and (ii) to comply with Franchisor's instructions regarding access and use restrictions, password protection and changes, data security and Privacy Law compliance.

ARTICLE VIII OBLIGATIONS OF THE FRANCHISOR

Section 8.01 Initial Training and Opening Assistance. Franchisor will provide training services to two (2) persons designated by Franchisee, at least one (1) of whom shall be the Owner-Operator, in all aspects of the System and the operation of a Heart to Home Meals Business. The cost of the initial training shall be included in the Initial Franchise Fee. Such training shall be conducted prior to the opening of the Franchised Business and may be given at one or more locations specified by Franchisor. Franchisee shall be responsible for all travel, living expenses and compensation payable to its designated personnel during training. If the Guarantor designated as Owner-Operator of the Franchised Business pursuant to Section 2.04 fails to satisfactorily complete the initial training, Franchisor shall have the right to terminate this Agreement, and the parties will deliver mutual releases in form satisfactory to Franchisor.

During the initial training or prior to the opening of the Franchised Business, Franchisor will provide Franchisee with two (2) uniforms, will arrange for the installation at the Premises of Franchisor's designated ordering and inventory management software and will conduct an initial

marketing program for the launch of the Franchised Business. The cost of the foregoing is included in the Initial Franchise Fee.

Section 8.02 Continuing Assistance. Franchisor agrees to furnish to Franchisee such continuing advice and guidance as is from time to time reasonably required by Franchisee in connection with Franchisee's operation of the Franchised Business, including advice and guidance with respect to the following:

- (a) training employees of the Franchised Business;
- (b) selection and purchasing of supplies for the Franchised Business;
- (c) formulation and implementation of local advertising and promotional programs; and
- (d) the establishment and maintenance of accounting, inventory control and general operating procedures.

Section 8.03 Additional Training, Seminars and Conferences. Franchisor may from time to time make available to the Guarantors and other employees of Franchisee additional training, seminars and conferences at such times and places and for such fees as Franchisor reasonably determines. Course fees, travel and living expenses incurred in connection with attendance at such courses, seminars or conferences shall be borne by Franchisee. The Guarantors and such employees as may be designated by Franchisor shall attend all such additional training programs, seminars or conferences.

Section 8.04 Special Assistance. Upon reasonable written request of Franchisee, Franchisor will use its reasonable best efforts to furnish assistance to Franchisee to aid with specific problems which are beyond the scope of Franchisor's obligations in this Article VIII. Franchisee agrees to reimburse Franchisor promptly for the actual time expended and actual expenses incurred by Franchisor in providing such assistance.

Section 8.05 Business Plans. Franchisor may consult with Franchisee from time to time with respect to Franchisee's plans and goals to increase the demand for goods and services offered for sale from the Franchised Business and to achieving the Sales Target for any year during the Term.

Section 8.06 Manual. Franchisor will provide intranet access to, or loan to Franchisee during the term of this Agreement a copy of the Manual which may consist of one or more publications. Franchisor may modify the Manual from time to time to reflect changes in the System. From time to time as the Manual is amended, Franchisee agrees to insert all new pages in their proper places in the Manual and shall remove and immediately destroy the superseded pages. The Manual, including all new pages and all superseded pages shall remain the property of Franchisor. The master copy of the Manual maintained by Franchisor at its head office will govern any dispute between the parties regarding the contents of the Manual.

Section 8.07 After Opening. Following the opening of the Franchised Business, Franchisor may provide marketing and advertising assistance and promotional assistance, which

may include periodic individual or group advice, consultation and assistance by personal visit, by telephone, electronic communication, or by newsletters or bulletins that Franchisor makes available to franchisees. These consultations will cover training employees, selecting and purchasing supplies, formulation and implementation of local advertising and promotional programs, and the establishment and maintaining of the System standard accounting, inventory control and general operating procedures. Franchisor may also provide Franchisee with marketing materials and merchandising, marketing, and advertising research data and advice, which Franchisor may develop from time to time and deem helpful in the operation of the Franchised Business and provide assistance to Franchisee in implementing promotions conducted before and after the Franchised Business opens, in accordance with Franchisor's policy at the time. Any costs incurred to implement the promotional programs shall be Franchisee's responsibility.

Furthermore, Franchisor shall establish standards and specifications for services and products offered at or through the Franchised Business and for the uniforms, Equipment and Furnishings and services offered, including conduct inspections of the Franchised Business as Franchisor may deem necessary or desirable, including without limitation examinations of the Franchised Business's inventory, products, equipment, or materials or accessing and reviewing all recorded video or data and reports provided by the management information or Computer System, and other systems or applications. Such inspections and reviews may be conducted without prior notice to Franchisee and shall be performed in a manner that minimizes interference with the operation of the Franchised Business.

In addition, Franchisor may conduct periodic field evaluations and standards assessment inspections and reviews of the Franchised Business to test and promote its compliance with System Standards and quality control. These evaluations and inspections may offer suggestions and recommendations about staffing, but Franchisee has no obligation to follow the suggestions or recommendations. Franchisor may, in its sole discretion, implement customer evaluation and guest survey feedback programs, mystery shopper programs, independent inspection programs, and any similar programs in its election. Franchisor may use the scores and comments from any such programs to evaluate whether Franchisee meets the System Standards or is in compliance with this Agreement. Franchisor may publish the results of its tests and evaluations. As of the Effective Date, Franchisor has not established a guest survey feedback program.

Franchisor shall provide Franchisee with updates, revisions, and amendments to the Manual in order to implement changes to the System and the Marks, including without limitation new developments, systems, techniques, and improvements in food products, services, Equipment and Furnishings, Computer System, technologies and services for management of the Heart to Home Meals Business that Franchisor may develop from time to time and deem helpful to the operation of the Franchised Business.

Section 8.08 Approved Program Meals, Services, and Suppliers. Franchisor will publish a list of approved suppliers and their respective approved products and services in the Manual and/or in other written or electronic communications. As new suppliers, products and services become available, Franchisor will amend such list.

Franchisor may also publish in the Manual the procedures and fees for obtaining approval of any supplier Franchisee wishes to nominate to become an approved supplier. Franchisor may

deny approval of any nominee in its sole discretion. Franchisor or its Affiliate may be the sole approved suppliers for proprietary goods or services, or for goods and services it deems to be integral parts of the Franchised System that must be supplied on a consistent, uniform basis to all franchisees. Franchisor or its Affiliates may earn a profit from providing purchasing and procurement services, including receipt of fees from third party suppliers.

Section 8.09 Approval of Alternative Suppliers; Product Specifications.

(a) If Franchisee desires to use a good or service or obtain a good or service (other than Program Meals) from a supplier Franchisor has not yet approved, Franchisee first must submit sufficient information, specifications and/or samples for Franchisor's determination whether the product or service complies with the System Standards, or the supplier meets Franchisor's approved supplier criteria. Franchisor may establish and revise its approved supplier criteria from time to time as it deems appropriate and will make them available to its franchisees upon written request. Franchisor may condition its approval of a supplier on the supplier's agreement to comply with product quality standards, frequency of delivery, standards of service, and concentration of purchase requirements. Franchisor also may impose limits on the number of approved suppliers, products and services. Franchisor's approval should not take more than 30 days in most instances. Franchisor reserves the right to test equipment or supplies and inspect the premises of suppliers before granting its approval. Franchisor will invoice Franchisee for the out-of-pocket costs and expenses it incurs for any inspection or testing. Franchisor will not issue its approval of the supplier until Franchisee pays that invoice. Franchisor may terminate its approval of a supplier or any products or services at any time, with or without cause, upon written notice of thirty (30) days.

(b) Franchisor will formulate and modify its Equipment and Furnishings, vehicle, technology, Product and ingredient specifications and standards by reviewing each product on an individual basis, taking into consideration the supplier's ability to provide consistently high-quality products and services to Franchisee or its approved suppliers on a timely basis. Franchisor generally will formulate specifications and standards based on the quality of the products and other relevant factors. Franchisor periodically may review each product and respective supplier to make sure that the supplier is following the specifications and standards.

(c) Franchisor may issue some of its technology, Product and ingredient specifications and standards to Franchisor's approved suppliers under appropriate confidentiality restrictions, but not to its franchisees. Franchisor may undertake other steps to maintain trade secrets and confidentiality of proprietary recipes and formulations, software and other items.

Section 8.10 Revenue from Franchisee Purchases and Payments to Franchisor from Designated Suppliers. Franchisor may derive revenue from suppliers from franchisee purchases in the future in its sole discretion. Franchisor or its designated supplier Affiliate will derive revenue from franchisee purchases of Program Meals.

Franchisor intends to negotiate preferred vendor agreements with designated suppliers and approved suppliers that it expects will provide favorable pricing and delivery terms to franchisees. These agreements may pay Franchisor revenues based on the volume of franchisee purchases,

which may be measured in sales dollars or units sold. These arrangements are not in effect as of the Effective Date, but Franchisor expects them to be in place in the future.

Section 8.11 Marketing Fund.

(a) Franchisor may, in its sole discretion, establish and administer a marketing fund (the “**Marketing Fund**”) for the purpose of supporting marketing (including without limitation advertising, promotion, public relations and other marketing activities) of the Heart to Home Meals Business and System, as Franchisor may deem necessary or appropriate. Franchisor shall direct all such advertising programs in its sole discretion with respect to the creative concepts, materials, endorsements and media used therein, and the placement and allocation thereof. Franchisee will pay a Marketing Fund Fee to Franchisor in an amount Franchisee shall contribute to the Marketing Fund in each year an amount determined by Franchisor from time to time but in any event not less than two percent (2%) nor more than five percent (5%) (as designated in the Manual) of the Gross Sales of the Franchised Business plus Applicable Taxes. Such contribution shall be paid based upon Gross Sales for the immediately preceding Reporting Period.

(b) Franchisor will create, supervise and manage all advertising programs with sole control over the strategic direction, creative concepts, materials and media used in the programs, and the geographic, market and media placement and allocation of advertising. The Marketing Fund shall be used and expended for items such as media costs, commissions, market research costs, creative and production costs, including, without limitation, the costs of creating promotions and artwork, printing costs, and other costs relating to advertising and promotional programs undertaken by Franchisor. Franchisor reserves the right to place and develop such advertisements and promotions and to market same as agent for and on behalf of Franchisee, either directly or through an advertising agency retained or formed for such purpose or through co-operative advertising groups composed of Heart to Home Meals franchisees designated by Franchisor.

(c) Franchisor will account for all Marketing Fund Fees it collects in a separate account. Franchisor also may deposit the marketing, promotional and other payments it receives from suppliers into the Marketing Fund. Franchisor will disburse the Marketing Fund to pay for marketing, advertising, promotional, public relations, and other similar activities intended to benefit the Heart to Home Meals Businesses and their administration. Those activities may include (without limitation) (a) market research, (b) marketing technology development and implementation, (c) customer service, loyalty and reward programs, (d) media purchases, (e) advertising production, (f) advertising and public relations agency fees and expenses, and (g) product research and development. Franchisor also may use the Marketing Fund to pay or reimburse it for its administrative overhead incurred for activities supported by the Marketing Fund but will not use the Marketing Fund to defray any of Franchisor’s general operating expenses. Franchisor shall be entitled to charge a reasonable amount to the Marketing Fund, not to exceed fifteen percent (15%) of the total contributions to the Marketing Fund, to cover its actual administrative expenses and overhead incurred in connection therewith. Any moneys in the Marketing Fund not spent at the end of each fiscal year will remain in the Marketing Fund, provided that amounts contributed to the Marketing Fund may be used to pay taxes associated with unspent amounts on deposit in the Marketing Fund. Franchisor will have the sole and exclusive discretion to direct all activities and programs funded by the Marketing Fund. Franchisor generally

will administer the Marketing Fund for the benefit of all Heart to Home Meals Businesses. Franchisee acknowledges that Franchisor has no obligation to expend Marketing Fund amounts for its benefit equivalent or proportionate to its Marketing Fund Fees, and Franchisor does not warrant or guaranty that Franchisee will receive or derive any benefit from Marketing Fund activities. Franchisee acknowledges that the Marketing Fund is intended to further general public recognition and acceptance of the Marks for the benefit of the System. Franchisee further acknowledges that Franchisor and its designees undertake no obligation in administering the Marketing Fund to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contributions, to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising or to ensure that any advertising or marketing impacts or penetrates the Franchised Business or surrounding area. The Marketing Fund is not a trust and Franchisor is not a fiduciary with respect to the Marketing Fund. Franchisor will make all studies and reports produced by the Marketing Fund available to Franchisee at no cost as Confidential Information. Franchisor will make copies of all materials produced by the Marketing Fund for franchisee use available to Franchisee at Franchisee's expense. Franchisor may suspend, terminate and reinstate the Marketing Fund at any time. The Marketing Fund will not terminate, however, until Franchisor has spent all moneys in the Marketing Fund for the purposes set forth above.

Section 8.12 Advertising Cooperative. Franchisor may establish one or more advertising cooperatives at any time and, further, may modify, terminate and reform any existing advertising cooperative at any time in its sole discretion. If the Franchised Business operates within a DMA for which an approved advertising cooperative exists, Franchisee will contribute to the advertising cooperative the amounts required by the cooperative up to 2% of the Gross Sales of the Franchised Business during each Reporting Period. Any such payments made to any cooperative will count towards satisfaction of the minimum local advertising spending under Section 9.19. All System Franchised Businesses that Franchisor or its Affiliates operate will participate in any advertising cooperative that Franchisor establishes for the DMA in which they are located on the same basis as the Franchised Business in the DMA. Franchisor will administer the cooperative unless it designates another party to perform the administrative functions. The cooperative may have written governing documents that Franchisor must provide or approve, which will be available for all participants in the cooperative to review. Each cooperative will maintain accounting records and compile financial statements that will be available for review by all participants. Franchisor retains the power to require any cooperative to be formed, changed, dissolved or merged with another cooperative.

Section 8.13 Publicity and Promotional Materials. Franchisor will have the right to photograph the Franchised Business and to use the photographs in any of its publicity or advertising programs. Franchisee consents to such photography and use, and covenants to cooperate in securing the photographs and the consents of any individuals pictured. Franchisee will place franchised recruitment advertising and promotional materials for Heart to Home Meals Business franchises in the Franchised Business if and when Franchisor so requests.

ARTICLE IX OBLIGATIONS OF FRANCHISEE

Section 9.01 Operation of the Franchised Business. From and after the Actual Opening Date, Franchisee covenants to promote, market, develop and operate the Franchised Business to maximize the sale of Program Meals in the Territory to Program Customers. Franchisor will measure Franchisee's performance through the Market Index and other indicators specified in the Manual, in addition to the Sales Target measurement. Throughout the term of this Agreement, Franchisee must operate its Franchised Business continuously under the System and shall comply with all System Standards, specifications and operating procedures from time to time prescribed by Franchisor, in the Manual or otherwise in writing, relating to the System and to the operation of the Franchised Business, including without limitation:

- (a) the goods and services offered for sale from the Franchised Business;
- (b) the safety, maintenance, cleanliness, function, condition, and appearance of the Franchised Business.
- (c) food safety standards as determined from time to time by Franchisor and the applicable Laws and government agencies, including the Food and Drug Administration, Occupation Safety and Health Administration, and the local health board;
- (d) the general appearances of employees of the Franchised Business;
- (e) the use of the Marks; and
- (f) the hours during which the Franchised Business is open for business, subject to any restrictions contained in the Lease.

All such specifications, standards, and operating procedures shall be reasonable and shall comply with the requirements of all applicable laws and regulations. System Standards, specifications, and operating procedures prescribed from time to time by Franchisor in the Manual, or otherwise communicated to Franchisee in writing, shall constitute provisions of this Agreement as if fully set forth herein.

Franchisee may not engage in any business or offer any other services or products at the Franchised Business that is or are not a part of the System or without Franchisor's express authorization in advance. Franchisee must offer Franchisor's entire menu except those items Franchisor designates as optional and may not offer additional menu items without Franchisor's prior written consent. Franchisor retains the right to modify the Manual to modify, discontinue or add to the Program Meals, goods and services that Franchisee must sell in the Franchised Business, which may include new or modified menu items and recipes or methods of preparation or delivery. There are no limits on Franchisor's right to make these changes.

Franchisor requires Franchisee to purchase Program Meals, certain equipment, supplies and other products and services from Franchisor and third-party vendors approved or designated by Franchisor, which includes Franchisor's Affiliates. Franchisor requires Franchisee to purchase other products, equipment and services by brand name or specification, from vendors of

Franchisee's choice. These products, vendors and specifications are identified periodically in the Manual, or in notices from Franchisor, but may be changed or modified from time to time as Franchisor deems necessary.

All advertising and promotional materials, signs, decorations, paper goods (including menus and all forms and stationery used in the Franchised Business) and other items Franchisor designates must bear the Marks in the form, color, location and manner Franchisor prescribes. In addition, all advertising and promotion in any medium (including websites, Internet postings or markings) must be conducted in a dignified manner and must conform to the System Standards and requirements in the Manual, the Franchise Agreement or otherwise. Franchisee must obtain Franchisor's approval before use of any advertising and promotional materials and plans. Franchisee must obtain Franchisor's written approval of the content and design of its separate Website or Internet posting or marketing in advance of such use and such use must be in compliance with Franchisor's policies including the use and presentation of the Marks.

Franchisee will follow the System Standards and specifications Franchisor establishes for goods, Program Meals and services procured for the operation of the Franchised Business. Franchisor has the right to require Franchisee to obtain any product or service used in the operation of the Franchised Business from Franchisor, its Affiliates, or suppliers it approves. Franchisor has the right to require Franchisee to participate in a national or regional approved purchasing cooperative for the area in which the Franchised Business operates.

Section 9.02 Franchisee's Employees. Franchisee must recruit, hire, train, schedule, equip, dress, discipline, manage and supervise a competent, conscientious staff to meet the System Standards, compliant with such uniforms and/or dress code as Franchisor may prescribe in the Manual, and take such steps as are necessary to ensure that the employees preserve good customer relations and the goodwill of the System. Franchisee shall be fully responsible for all matters relating to its employees including but not limited to:

- (a) the hiring, firing, promotions, or demotions of its employees;
- (b) controlling the remuneration and classification of its employees; and
- (c) training and supervision of its employees including ensuring that all employees satisfactorily pass such background check as is necessary for those working with, or providing services to, seniors and others considered to be vulnerable.

Franchisee must operate and maintain the Franchised Business to meet the health and life safety standards and ratings applicable to the operation. Franchisee must furnish to Franchisor, within five (5) days after receipt thereof, a copy of all inspection reports, warnings, citations, certificates and/or ratings resulting from inspections conducted by any federal, state or municipal agency with jurisdiction over the Franchised Business. The Franchised Business's failure of any health, sanitation, food-related or life safety inspection is a material breach of this Agreement and must be remedied within the time frame specified in the applicable regulations or code.

Franchisee may hire an "on-Premises" manager to handle the day-to-day operations of the Franchised Business, but any such manager must have completed the initial training program and

sign a Management Confidentiality and Non-Competition Agreement before such training starts in substantially the form attached as Schedule G. Franchisor may require Franchisee's employees to sign a written agreement at the time of employment to maintain confidentiality.

Franchisee shall be responsible for ensuring its policies and practices are in accordance with all labor relations legislation in the state in which the Franchised Business is operated.

Section 9.03 Opening Training. Franchisee shall not open or operate the Franchised Business without attending and passing the initial training as described in Section 8.01, which shall be conducted prior to the opening of the Franchised Business and may be provided at one or more locations specified by Franchisor. Franchisee shall be responsible for all travel, living expenses and compensation payable to its designated personnel during training.

Section 9.04 Additional Training.

(a) Franchisee, the Guarantors and Franchisee's designated employees shall attend and satisfactorily complete all courses, seminars and training programs conducted by or on behalf of any Regulatory Authority for persons engaged or involved with food handling.

(b) If a certified manager leaves Franchisee's employment for any reason, Franchisee must hire a replacement manager within thirty (30) days who must attend the next training program slot available. Franchisee may continue operating the Franchised Business until a replacement manager has completed the training program without being in default of this agreement. Franchisee must pay any tuition and additional fees for materials Franchisor then charges for training of additional operators after Opening Training.

(c) As of the Effective Date, Franchisor charges an Additional Training Fee of \$150 per hour plus travel, lodging and meals for trainers Franchisor provides at Franchisee's request for additional training at the Franchised Business. Franchisor may change this rate at any time in the Manuals. Franchisee is responsible to pay all compensation, benefits, travel expenses, living expenses, and any other personal expenses for its designees enrolled in the programs offered. Because of the long hours of training, Franchisee may be required to pay trainees over time if they are non-exempt employees. Franchisee must furnish proof of worker's compensation insurance coverage for such persons before their training begins. Franchisee's trainees will not be considered borrowed servants of Franchisor or its Affiliates for any purpose, and they will at all times remain under Franchisee's control and supervision. Any of Franchisee's employees who attend Franchisor's training must sign a Management Confidentiality and Non-Competition Agreement before such training starts in substantially the form attached as Schedule G.

Section 9.05 Full Time and Attention. The parties acknowledge that it is essential to the proper and efficient operation of the Franchised Business that it be at all times under the direct supervision of the Owner-Operator and who will, during the term of this Agreement, devote his or her full time and attention to the management, supervision, and operation of the Franchised Business.

Section 9.06 Licenses and Permits. Franchisee shall secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and shall operate the Franchised Business in full compliance with all applicable Laws.

Section 9.07 Insurance. Franchisee shall obtain and maintain in full force throughout the term of this Agreement, such insurance coverage as Franchisor may from time to time require, as specified below or in the Manual or otherwise (including without limitation, vehicle insurance, fire and extended coverage insurance on the Equipment and Furnishings, leasehold improvements and inventory of the Franchised Business and business interruption insurance), fully protecting Franchisor, its Affiliates and Franchisee against loss or damage occurring in conjunction with the operation of the Franchised Business. All costs in connection with such insurance shall be borne by Franchisee and coverage shall be in such amounts as Franchisor in its absolute discretion from time to time deems appropriate. All of the liability insurance policies, other than Workers' Compensation, must name Franchisor, its parent company, and their respective officers, directors, members, shareholders, partners and employees as additional insureds on a primary noncontributory basis for operations of the Franchised Business. The form of additional insured endorsement will be CG 20 10 or its equivalent. If the additional insured has other insurance applicable to a loss, it will be on an excess or contingent basis. The additional insured's insurance coverage will not be reduced by the existence of such other insurance.

Franchisee must obtain and maintain the specified insurance coverage during the Term from a responsible carrier or carriers authorized to write coverage in the state of operation having an A.M. Best rating of at least A-VI that Franchisor finds acceptable. The type of coverage includes:

(a) Commercial General Liability coverage (\$1 million single limit per occurrence; \$2 million general aggregate limit, for both general liability and products /completed operations liability) for personal injury and property damage, including premises, independent contractors, products and completed operations, contractual, personal and advertising liability, on an occurrence basis, with coverage on a 1986 or later ISO commercial general liability form policy;

(b) "All Risk" property coverage including a property damage limit for the full cost of replacement of the Franchised Business and business interruption coverage for up to twelve months of projected earnings;

(c) Business Automobile Liability covering liability arising out of any auto (including owned, hired and non-owned autos), with a minimum of \$1 million combined single limit each accident;

(d) Workers' Compensation or legally appropriate alternative covering all employees and contractors working at the Program Meals Business for statutory limits and Employers Liability with minimum limits of \$1 million for bodily injury for each accident, \$500,000 bodily injury by disease for each employee and \$500,000 bodily injury disease aggregate;

(e) A \$2 million Umbrella Policy on an occurrence basis excess of covering excess of the underlying insurance described in (1), (3) and (4) above which is at least as broad as

each and every underlying policy, provided that you may purchase more underlying coverage and less umbrella coverage under such policies as long as you maintain the total amount of the limits specified for each coverage area;

- (f) Other insurance as may be required by the state or locality of the Premises;
- (g) Employment practices liability insurance with a limit of \$500,000; and
- (h) Employee Dishonesty/Fidelity insurance with a limit of \$100,000.

Prior to the opening of the Franchised Business and thereafter, at least thirty (30) days prior to the expiration of any such policy or policies, Franchisee shall deliver to Franchisor certificates of insurance demonstrating the required insurance coverage from time to time with limits not less than those required by Franchisor, and all such certificates shall expressly contain endorsements requiring the insurance company to give Franchisor at least thirty (30) days prior written notice in the event of material alteration to, termination, non-renewal, or cancellation of, the coverages demonstrated by such certificates. Franchisee shall provide Franchisor notice of any claim filed under such policy within thirty (30) days after the filing of such claim.

If Franchisee at any time fails or refuses to maintain any insurance coverage required by Franchisor or to furnish satisfactory evidence thereof, Franchisor, at its option and in addition to its other rights and remedies hereunder, may, but need not, obtain such insurance coverage on behalf of Franchisee, and Franchisee shall pay to Franchisor, on demand, any premiums incurred by Franchisor in connection therewith. Franchisee's obligation to obtain and maintain, or cause to be obtained and maintained, the foregoing insurance shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 14.01 hereof. Notwithstanding the existence of such insurance, Franchisee is and shall be responsible for all loss or damage and contractual liability to third persons originating from or in connection with the operation of the Franchised Business and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom.

Section 9.08 Equipment and Furnishings. Franchisee agrees to install and use in the operation of the Franchised Business only such Equipment and Furnishings that strictly conforms to the appearance, System Standards and specifications of Franchisor and the requirements of all applicable Laws. Without limitation, Franchisee shall purchase or lease and install all required Equipment and Furnishings, including without limitation, the components of the Computer System, a commercial-grade freezer of the size and with other specifications designated by Franchisor, and a Delivery Vehicle. Notwithstanding the foregoing, during the first year of operation of the Franchised Business, Franchisee may, with the consent of Franchisor, acting reasonably, purchase or lease freezers acceptable to Franchisor to be situated in a Guarantor's home or leased location owned by a third party provided that such commercial freezer is located within the Territory and that such freezer complies with all applicable Laws. Franchisee shall maintain each item of Equipment and Furnishings from time to time used in the operation of the Franchised Business in good order and repair and shall cause the same to be replaced as it becomes obsolete or mechanically impaired.

Franchisee must purchase Program Meals, condiments, supplies, paper products, Computer System, and signage from vendors Franchisor approves or that meet the specifications published in the Manual or otherwise in writing.

Section 9.09 Condition and Appearance of the Franchised Business. Franchisee will not display any other sign or advertising at the Franchised Business without Franchisor's consent other than as permitted by the Manual. Franchisee agrees to maintain the condition and appearance of the Premises and the Equipment and Furnishings in a manner consistent with the image of an attractive, modern, clean, convenient, and efficiently operated Heart to Home Meals Business offering high quality products and efficient and courteous service. Franchisee agrees to maintain the Premises and the Equipment and Furnishings as is reasonably required from time to time to maintain such condition, appearance and efficient operation and to comply with the System and with all applicable Laws, including without limitation, replacement of worn-out or obsolete equipment. All such maintenance shall be at Franchisee's cost and expense. If at any time in Franchisor's reasonable judgment, the general state of repair, appearance or cleanliness of the Premises or the Equipment and Furnishings does not meet Franchisor's standards therefore, Franchisor shall notify Franchisee and specify the action to be taken. If Franchisee fails to take such action within five (5) days after receipt of Notice from Franchisor, it may, without prejudice to any other rights or remedies hereunder, cause such repair or maintenance to be done, at the sole cost and expense of Franchisee. Franchisee shall reimburse Franchisor, on demand, for all costs and expenses incurred in connection therewith.

Section 9.10 Inspections. Franchisee agrees to permit Franchisor or its authorized representatives to enter and inspect the Premises and to examine all aspects of the Franchised Business and to test the Equipment and Furnishings, supplies, goods and services for the purposes of ascertaining whether Franchisee is operating the Franchised Business in accordance with the System and the terms of this Agreement. Franchisor may interview employees, vendors, landlords, and Program Customers. Inspections may be conducted at any time during regular business hours of the Franchised Business and without prior notification to Franchisee. Franchisor may notify Franchisee of any deficiencies detected during such inspections and Franchisee shall diligently and promptly correct any such deficiencies in accordance with the terms of such notification.

Section 9.11 Authorized Suppliers. Franchisee shall purchase the Program Meals only from HTHM Supply or such other supplier designated from time to time by Franchisor and shall purchase all menus, brochures and catalogues bearing the Marks only from suppliers and printers designated by Franchisor. Franchisee shall have the right to purchase Equipment and Furnishings and other printed materials from any supplier provided that the Equipment and Furnishings meet the suppliers and supplies are first approved by Franchisor or meet the standards and specifications of the System as published in the Manual or otherwise in writing.

Section 9.12 Authorized Program Meals and Services. Franchisee will follow the System Standards and specifications as established by Franchisor for goods, Program Meals, and services procured for the operation of the Franchised Business. Franchisor has the right to require Franchisee to obtain any Product or services used in the operation of the Franchised Business from it, its Affiliates, or any approved suppliers. Franchisor has the right to require Franchisee to participate in a national or regional approved purchasing cooperative for the area in which the Franchised Business operates. Without the express prior written consent of Franchisor, which

consent may be withheld in its sole discretion, Franchisee shall advertise and offer for sale from the Franchised Business only the Program Meals and shall not advertise or offer for sale any unauthorized goods or services on or from the Premises or in connection with the operation of the Franchised Business. Franchisor may, from time to time, establish the prices to be charged by Franchisee for Program Meals sold to Program Customers of the Franchised Business, which Franchisee shall abide by without deviation. Franchisee shall sell and offer for sale the Program Meals only within the Territory and only by way of delivery to Program Customers in their own homes. Without limitation, Franchisee shall use its Delivery Vehicle solely for the purpose of the Franchised Business and the delivery of Program Meals.

Section 9.13 Advise Suppliers. Franchisee shall advise each supplier and all others with whom Franchisee deals that Franchisee is an independent contractor and that all debts incurred by Franchisee are for the account of Franchisee only and have not been incurred on behalf of Franchisor.

Section 9.14 Credit Cards. Franchisee agrees to at all times to comply with the Payment Card Industry Data Security Standard and to have arrangements in existence with Visa, MasterCard, American Express and such other credit card issuers or sponsors and electronic funds or debit card transfer systems as Franchisor designates or approves in writing from time to time to enable Franchisee to accept customer's credit cards, checks, and other methods of payment for the Program Meals.

Franchisee must purchase and install before opening the Franchised Business Computer System to run a computer-based management system, including Franchisor's proprietary ordering and inventory management applications to assist in operating the Franchised Business. These systems will generate or store data such as customer data, labor data, financial information, and transaction details.

Section 9.15 Upgrades of Franchised Business. Franchisor may require Franchisee to upgrade the Franchised Business to conform to changes in the System Standards, which may include new signage, image, décor, equipment, technology and image standards. Franchisor will not require any such upgrade within two (2) years before the expiration date of the initial term or any renewal term. Franchisor may encourage Franchisee at any time to make a voluntary upgrade because of economic circumstances, competition, technological advances, brand imaging opportunities, or other compelling events or circumstances. Franchisee's voluntary agreement to perform an upgrade in those cases will not constitute a required upgrade under this paragraph.

Section 9.16 Material Contracts. Franchisee must timely comply with its obligations under the Lease and any note, indebtedness, mortgage, deed of trust, security deed, equipment lease, supply agreement, utility contract, service agreement and other material contracts ("**Material Contracts**") applicable to it or the Franchised Business and necessary to operate the Franchised Business in compliance with System Standards. Franchisee shall furnish to Franchisor, within ten (10) days after receipt, a copy of all notices, letters, warnings, or any other communications from the counterparty of any Material Contract regarding any default under or termination of any Material Contract. Franchisee must furnish a copy of any amendment, modification, replacement or supplement to the Lease.

Section 9.17 Maintain Working Capital. During the term of this Agreement, Franchisee agrees to maintain at all times sufficient working capital for the Franchised Business to enable Franchisee to properly and fully carry out and perform all of its duties, obligations and responsibilities hereunder and to operate the Franchised Business in a proper, efficient and effective manner.

Section 9.18 Customer Relations. Franchisee agrees to maintain at all times a sufficient number of adequately trained personnel to service all Program Customers of the Franchised Business. Franchisee further agrees to ensure that at all times prompt, courteous and efficient service is accorded to Program Customers of the Franchised Business and to adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct in all dealings with Franchisee's personnel, Program Customers and suppliers.

Section 9.19 Local Advertising.

(a) Franchisee shall use its best efforts to promote and increase the demand for the goods and services of the Franchised Business through local advertising and promotion in Franchisee's market area. Franchisee shall expend in each year during the Term a minimum of three percent (3%) of Gross Sales on local advertising and promotion which shall include without limitation the placement of advertisements in local newspapers serving the Territory and on-site presentations and demonstrations to target customer groups, hospitals and other health care facilities and senior care homes.

(b) Local marketing and promotional expenses include the cost of direct mail solicitations, public relations activities, community events and sponsorships, newspaper advertisements, telephone book listings and advertisements, and other distributed promotional materials. Local marketing and promotional expenses do not include amounts spent on sign rental, paper products, or food items which may contain one or more of the Marks. Franchisee will conduct all marketing and promotional activities that use the Marks or refer to the Franchised Business in a dignified manner and in compliance with the System Standards and requirements Franchisor specifies. Franchisee will submit for Franchisor's approval samples of all advertising and promotional materials that it wishes to use at least thirty (30) days before making any financial commitment to use the materials. Franchisor will provide notice of any objections to the proposed materials within ten (10) days after its receipt. If Franchisee fails to discontinue the use of any unapproved materials within five (5) days after notice from Franchisor, Franchisor may enter the Franchised Business, remove any unapproved materials and hold the materials for proper disposition.

(c) If any applicable local newspaper or directory serving the Territory also services the territory or territories of one or more other Heart to Home Meals franchisees, Franchisor shall have the right to require that Franchisee and such other franchisees jointly place an advertisement in such newspaper or other directory, whether by electronic means or otherwise, which advertisement shall contain information pertaining to the Heart to Home Meals Business of each such franchisee. The cost of any such advertisement shall be borne equally by Franchisee and such other franchisees.

(d) All advertising and promotion conducted by Franchisee shall be completely factual and shall conform to the highest standards of ethical advertising. Franchisee shall submit any proposed advertisement or promotional material to Franchisor for its written approval, prior to use thereof by Franchisee, and Franchisee will not engage in any unapproved marketing or promotion of the Franchised Business

(e) Within thirty (30) days of the end of each calendar year, or at such other time or times as reasonably required by Franchisor, Franchisee shall provide to Franchisor such evidence or proof of its expenditures on local advertising and promotion conducted during the immediately preceding calendar year. If Franchisor reviews the financial reports and determines that Franchisee is spending less than 3% of Gross Sales on local marketing activities, then Franchisor may require Franchisee to submit to Franchisor a marketing plan and budget acceptable to Franchisor demonstrating its plan to meet this local marketing spending obligation within thirty (30) days after Franchisor sends its request for the plan and budget. Franchisee's failure to submit the plan and budget as and when requested, and then spend to the approved budget, will be a material breach of this Agreement.

(f) Franchisor may, in its sole discretion, establish special promotional campaigns applicable to the System as a whole or to specific advertising market areas. Franchisee shall, at its sole cost and expense, participate in any such promotional campaigns which may include the purchase, lease, installation and/or use of cards, posters, banners, signs, photography or give-away items. Franchisor may, in its sole discretion, provide funding to support a campaign, including funding from the Marketing Fund, based on its analysis of the relevant markets.

Section 9.20 Internet Advertising. Franchisee acknowledges and agrees that it shall not establish or create a website on the internet or have any other internet or social media presence in connection with the Franchised Business, without the express written consent of Franchisor, which consent may be given or withheld in the sole discretion of Franchisor.

Section 9.21 The Marketing Fund. Franchisee acknowledges and agrees that the Marketing Fund is intended to maximize general public recognition and patronage of Heart to Home Meals businesses for the benefit of all franchisees in the System and Franchisor undertakes no obligation in administering the Marketing Fund to ensure that any particular franchisee, including Franchisee, benefits directly or pro-rata from the placement or conduct of such advertising and promotion.

Section 9.22 Gift Cards. Franchisee shall participate in promotional programs Franchisor develops for the System in the manner directed in the Manual or otherwise in writing. Additionally, Franchisor may sell or otherwise issue gift cards or certificates (together, "Gift Cards") that have been prepared utilizing the standard form of Gift Card Franchisor provides or designates. Franchisee shall fully honor all Gift Cards that are in the form Franchisor provides or approves, regardless of whether a Gift Card was issued by Franchisor or another sponsor. Franchisee will sell, issue and redeem Gift Cards in compliance with procedures and policies Franchisor specifies in the Manual or otherwise in writing, including those relating to procedures by which Franchisee shall request reimbursement for Gift Cards issued by other System Franchised Businesses and for making timely payment to Franchisor or other franchisees of Gift Cards issued from your Franchised Business honored elsewhere.

ARTICLE X ASSIGNMENT

Section 10.01 Assignment by Franchisor. Franchisee is not the third-party beneficiary of any contract with a third party to provide services to it under this Agreement, but Franchisor is responsible for the performance of all of its obligations to Franchisee under this Agreement. Franchisor may assign, delegate, subcontract, or transfer any or all of its rights arising from this Agreement, including by operation of law, without notice and without Franchisee's consent, provided that the assignee agrees in writing to assume all obligations undertaken by Franchisor herein relating to the rights so assigned. Franchisor sell or assign any or all of its assets, including without limitation the System and the Marks, or it may dissolve, terminate and wind up the business under applicable law but will transfer the System and this Agreement to a party that will perform Franchisor's obligations and that will assume this Agreement in writing, without further liability or obligation to Franchisee after notice that the transferee has assumed Franchisor's obligations under this Agreement. Upon such assignment and assumption, Franchisor shall be relieved of all further liability hereunder.

Section 10.02 Transfer by Franchisee.

(a) The franchise and license granted under this Agreement are personal to Franchisee (and the Owners and Guarantors if Franchisee is an entity). Franchisor is relying on Franchisee's experience, skill and financial resources (and that of the Owners and the Guarantors, if any) to sign this Agreement with Franchisee. Therefore, during the term of this Agreement, Franchisee shall not engage in a transaction that is a "**Transfer**" without first obtaining Franchisor's written consent and following the procedures set forth in this Agreement, except as expressly permitted under this Agreement. A Transfer is (i) an assignment of this Agreement or delegation of any of Franchisee's rights and obligations under this Agreement, (ii) grant of a security interest in, pledge of, lien or encumbrance on this Agreement, (iii) a change in ownership of an equity interest, or any issuance of additional equity interests to new persons or entities not listed on Attachment A to this Agreement, or any transaction among Franchisee's existing Owners that results in a change in control over Franchisee's equity interests; (iv) any merger, consolidation or sale of substantially all assets of Franchisee if it is an entity, (v) any sale or lease of the Franchised Program Meals Business, or a sale of the Premises if Franchisee is the owner, or any eviction, detainer, foreclosure or deed in lieu of foreclosure that results in the loss of possession of and control over the Premises, (vi) any delegation of management rights or responsibilities of the Franchised Business, or (vii) any distribution, gift or donation of any interest in the Franchised Program Meals Business, whether directly or indirectly. any of Franchisee's right and interest hereunder or in any assets of the Franchised Business, nor Franchisor's consent may be withheld or condition in its sole discretion.

(b) Any actual or purported Transfer without Franchisor's prior written consent shall be a material default of this Agreement and shall be null and void.

(c) If Franchisee desires to Transfer, Franchisee shall submit to Franchisor a copy of the offer relating to the proposed Transfer, information relating to the character and business background and experience of the proposed transferee and such other information as Franchisor may require. Franchisee agrees that Franchisor shall not be under any obligation

whatsoever to consider any proposed Transfer by Franchisee if (i) Franchisee or any Guarantor hereto is in default of any of the provisions of this Agreement or any other agreement with Franchisor or any Affiliate, or (ii) the offer relating to the proposed Transfer contains any conditions preventing the offer from becoming a binding agreement, other than for the conditions that the consent of Franchisor and the consent of the landlord of the Premises (if required) to the Transfer must be obtained.

(d) Any proposed Transfer shall be effective only if all conditions imposed by Franchisor are complied with. In exercising its discretion to grant or withhold consent, Franchisor will consider, among other things, the qualifications, apparent ability and credit standing of the proposed transferee. In addition, Franchisor shall be entitled to require as conditions precedent to the granting of its consent that:

(i) there shall be no existing default in the performance or observance of any of Franchisee's obligations under this or any other agreement between Franchisee and Franchisor or its Affiliates or with any supplier of the Franchised Business;

(ii) Franchisee shall have satisfied all monetary obligations then due and owing and settled all outstanding accounts with Franchisor, its Affiliates and all trade creditors of the Franchised Business;

(iii) Franchisee and each of the Guarantors shall have delivered to Franchisor a complete general release of their claims against Franchisor, its Affiliates and their respective equity owners, directors, and officers, in form prescribed by Franchisor which release shall exclude therefrom any rights under or claims that Franchisee and the Guarantors may have under applicable franchise law;

(iv) the proposed transferee and its Owners (1) must satisfy all the requirements and conditions then being used to qualify as a new franchisee; (2) must comply with Section 10.08; (3) execute and deliver a written assignment, assuming and agreeing to discharge all of Franchisee's obligations under this Agreement or, at the option of Franchisor, shall enter into Franchisor's then-current form of franchise agreement and all other agreements then being required by Franchisor in the grant of franchises;

(v) the proposed transferee and its Owners shall have agreed to complete forthwith following completion of the Transfer, all such maintenance, replacement, refurbishing, renovating and remodeling of the Premises and the Equipment and Furnishings as Franchisor reasonably requires to satisfy the System Standards then in effect for new entrants;

(vi) if required by Franchisor, the proposed transferee shall have paid to Franchisor the then-current cost of providing training and shall have satisfactorily completed Franchisor's training program then in effect for all new entrant franchisees; and

(vii) Franchisee shall have paid to Franchisor a transfer fee in an amount equal to fifty percent (50%) of the then-current initial franchise fee charged generally by Franchisor for new franchises.

(e) Franchisee must pay Franchisor a transfer fee equal to fifty percent (50%) then-current initial franchise fee charged by Franchisor for new franchisees if Franchisee Transfers this Agreement or the Franchised Business, or in the event of an ownership change (a “**Control Change**”) involving Control of 50% or more of Franchisee’s equity interests, or effective Control over the management of your business by modification of your Core Agreement (defined below).

(f) A proposed transferee is not eligible for consideration if the transferee or any of its owners has had a Franchise Agreement with Franchisor or any affiliated franchise system terminated for cause, is affiliated with a competitor, or would be in breach of Section 12.02 immediately upon closing of the transaction. However, a Transfer that is (1) an initial transfer of the Franchised Business and this Agreement from an individual to an entity owned by the individual, or (2) other than a Control Change, a conveyance of the equity interests conveyed by any of the Owners and Guarantors listed on Schedule B to any of the other Guarantors listed on Schedule B or any member of their immediate family does not require Franchisor’s consent or payment of a transfer fee. Franchisor will waive the transfer fee if the Control Change results from conveyance of the equity interests between the persons listed on Schedule B so long as Franchisee obtains Franchisor’s consent prior to executing the transaction. Franchisor may withhold or condition its consent to such a transaction among existing equity Owners and Guarantors in its sole discretion. If Franchisee is an individual, then in the event of your death, permanent disability or appointment of a guardian for you, this Agreement will terminate ninety (90) days after your death, permanent disability or appointment of a guardian unless Franchisor gives its consent within that 90-day period to the assignment of this Agreement to a successor in compliance with this paragraph. Franchisee will notify Franchisor in writing of any change in the information stated on Schedule B before or within ten (10) days after such events. If Franchisor’s consent and the transfer procedures stated above are not required, Franchisor will produce and send to Franchisee a revised Schedule B that will be a unilateral amendment to this Agreement not requiring your signature to be effective.

Section 10.03 Franchisor’s Disclosure of Franchisee Information. Franchisee agrees that Franchisor may, in its sole discretion, provide a proposed transferee with any information in Franchisor’s possession relating to the Franchised Business, the results of inspections and audits, sales and expense information and information relating to customer relations.

Section 10.04 Right of First Refusal. Notwithstanding the provisions of Section 10.02 hereof, prior to the Transfer of any interest that constitutes Control (the “**Offered Interest**”), if Franchisee shall at any time receive a bona fide offer from a third party to purchase substantially all of the assets of the Franchised Business or the membership interests or shares in the capital of Franchisee, Franchisee shall submit to Franchisor a copy of the offer relating to the proposed Transfer and the name and address of the proposed purchaser or transferee, the proposed purchase price, and all other terms and conditions of the proposed Transfer of the Offered Interest. In addition, Franchisee must deliver to Franchisor a copy of the proposed purchase agreement, if any, and all other agreements and instruments signed and to be signed in the transaction, and copies or electronic access to all diligence, offering and other materials furnished to the proposed purchaser as part of the selling process. Within thirty (30) days after Franchisor receives the foregoing notice and materials, it will have the right and option, but not the obligation, exercisable by written notice to Franchisee, to acquire the Offered Interest for the price and on the same terms and conditions as contemplated by the third party, provided that Franchisor may

substitute cash for any form of payment proposed in such offer. If Franchisor declines or fails to send notice of its intent to acquire the Offered Interest within the thirty-day period, Franchisee may complete the sale of the Franchised Business to such purchaser as long as the terms and conditions of Transfer stay identical to those as originally disclosed to Franchisor, subject to the provisions of Section 10.02 hereof. If the Transfer to such purchaser is not completed within one hundred and twenty (120) days after delivery of such offer to Franchisor, Franchisor shall again have the right of first refusal herein provided.

Franchisor's failure to exercise its right of first refusal will not constitute a waiver of any other provision of this Agreement, or its right of first refusal as to any subsequent proposed Transfer. Any material change in the terms of the proposed Transfer prior to closing will constitute a new Transfer, subject to the same right of first refusal by Franchisor as for the initial Transfer. Any Transfer attempted without first giving Franchisor the right of first refusal specified in this Article X will render the attempted Transfer null and void. Franchisor may utilize the remedy of specific performance to enforce this right.

Section 10.05 Death/Disability.

(a) In the event of the death or permanent disability of the Franchisee, if an individual, or a Guarantor, or the appointment of a permanent guardian or conservator to manage the Franchisee's or the Guarantor's affairs, except the last Guarantor to die or become permanently disabled (the "**Disabled Party**"), the trustee, conservator, guardian, personal representative, or executor of the estate shall within ninety (90) days of the occurrence of such death or permanent disability sell to the surviving Guarantors all of the Disabled Party's equity interests in Franchisee, for such price and upon such other terms and conditions as may be agreed upon by the parties. Franchisee will notify Franchisor in writing of any change in the information stated on Schedule B before or within ten (10) days after such events.

(b) If the Disabled Party was the Owner-Operator, then Franchisor may treat the personal representative, trustee or conservator as the Owner-Operator until Franchisee appoints someone else as Owner-Operator.

(c) In the event of the death or permanent disability of the last of the Guarantors to die or become so disabled, or where there is only one Guarantor, then upon the Guarantor's death or permanent disability, Franchisee shall, within ninety (90) days of the occurrence of such death or disability, Transfer all of its right, title and interest in and to this Agreement, the Lease and the property and assets used in the Franchised Business, or the Owner's equity interests, to another person acceptable to Franchisor. Such Transfer shall comply with the terms and conditions of Section 10.02 hereof.

(d) Any failure to commence administration of the decedent's estate within ninety (90) days after death or any distribution of the decedent's equity interest in the Franchisee entity without Franchisor's consent if such distribution operates as a Transfer and Franchisor's consent is required under this Agreement, is a material breach of this Agreement.

(e) If the Transfer of the Franchised Business to a person acceptable to Franchisor has not taken place within ninety (90) days as required by Section 10.04, Franchisor

shall thereafter have the continuing option, exercisable upon ten (10) days' Notice to the Disabled Party or the Disabled Person's estate, of terminating this Agreement for breach and the franchise herein granted. If Franchisor so elects, the provisions of Article XI shall apply.

Section 10.06 Temporary Disability and Deemed Disability. If a physician, court or administrative agency determines that an Owner-Operator or a Guarantor owning a controlling interest in Franchisee has become temporarily disabled and incompetent to manage his or her own affairs, Franchisor has the right to require that a different Owner-Operator be appointed until the Guarantor's permanent status is determined. Franchisor may require that the Guarantor's equity interest be transferred to a third party acceptable to Franchisor following the assignment conditions and procedures in this Agreement if the temporary disability does not resolve within six (6) months after the temporary disability is determined.

For the purposes of Section 10.04 hereof, a person shall be deemed to be permanently disabled if his normal participation in the Franchised Business is for any reason curtailed by reason of mental or physical disability for a cumulative period of ninety (90) days in any twelve (12) month period during the term of this Agreement.

Section 10.07 No Security Interest. Neither this Agreement nor any of the rights conferred on Franchisee hereunder nor any interest in Franchisee shall be retained by Franchisee or the Guarantors as security for the payment or performance of any obligations that may arise by reason of any Transfer.

Section 10.08 Business Entity Franchisee. If Franchisee constitutes a business entity, each of its Owners must execute the Guaranty Agreement attached as Schedule F. Franchisee's certificate of incorporation, shareholders' agreement, partnership agreement, trust agreement, operating agreement, or other similar agreement (a "**Core Agreement**") must provide that the purpose will consist only in the development, ownership, operation and maintenance of Heart to Home Meals Business as a franchisee. The Core Agreement must prohibit the issuance of any additional equity ownership interests or the transfer, assignment or pledge of any issued equity ownership interests without Franchisor's consent and must provide that each certificate or document issued to evidence any equity ownership interest will contain a legend disclosing the foregoing restriction. In giving consent under Section 10.02 to any issuance or Transfer of Franchisee's equity interests, Franchisor may in its discretion impose one or more conditions, including (without limitation) the requirement that the individual beneficial owner of the equity ownership interest execute the form of Guaranty Agreement attached as Schedule F or a supplement to the original such Agreement acceptable to Franchisor in form and substance adding such person as a guarantor. Franchisee must deliver to Franchisor the documents demonstrating compliance with this Section when Franchisor so requests.

Section 10.09 Securities Offerings. If Franchisee intends to engage in a public or private offering of its equity interests, then it must submit for Franchisor's review its offering materials or prospectus before it files the document or commences its use. No offering by Franchisee or any Affiliate shall imply (by use of the Marks or otherwise) that Franchisor is participating in an underwriting, issuance or offering of Franchisee's securities or those of Affiliates. Franchisor's review of any offering material shall be limited solely to the relationship between the parties (and any Affiliates, if applicable), an accurate description of the System, and the absence of any

disclosure of confidential information about Franchisor or the System. Franchisor may, at its option, require that the offering materials make a written statement it prescribes about the limitations stated in the preceding sentence. Franchisee's indemnification obligations in Section 14.01 include claims relating to its securities offering, disclosure materials and compliance with applicable laws and regulations. For each proposed offering, Franchisee shall pay Franchisor a non-refundable fee of Fifteen Thousand Dollars (\$15,000) or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses (including legal and accounting fees) for reviewing the proposed offering materials. Franchisee must submit the offering materials for Franchisor's review at least thirty (30) days in advance of the anticipated filing or release date. Any such offering shall be subject to Franchisor's approval as to the structure and voting control of the offeror (and Franchisee, if it is not the offeror) after the financing is completed.

ARTICLE XI TERMINATION

Section 11.01 Events of Default. This Agreement and the rights of Franchisee hereunder may, at the option of Franchisor, be terminated upon the occurrence of any of the following events, such termination to be effective immediately upon receipt of Notice to that effect by Franchisee:

(a) if Franchisee fails to pay when due any amount owing to Franchisor, its Affiliates or any supplier to the Franchised Business, whether pursuant to this Agreement or otherwise, and such default continues for a period of fifteen (15) days;

(b) if Franchisee fails to observe or perform any of its other obligations on its part contained herein or in any other agreement or undertaking entered into or made in favor of Franchisor or any of its Affiliates, and such default is not remedied within fifteen (15) days of receipt of Notice from Franchisor;

(c) if Franchisee fails in any year during the Term to meet the Sales Target;

(f) if Franchisee loses the right to possession of the Premises or the Lease is terminated as a result of the default of Franchisee;

(g) if the Guarantor designated as Owner-Operator of the Franchised Business fails to satisfactorily complete all required training for the operation of the Franchised Business;

(h) if Franchisee or any Guarantor purports to Transfer any property without fully complying with the requirements of Section 10.02 hereof;

(i) if Franchisee operates the Franchised Business in a manner that presents a health hazard to its Program Customers, employees or to the public and such manner of operation continues uncorrected after Notice from Franchisor;

(j) if Franchisee maintains false books or records, including tax records;

(k) if Franchisee engages in any conduct or practice which, in the sole discretion of Franchisor, reflects unfavorably upon or is detrimental to the Marks, to the good name, goodwill or reputation of Franchisor or to the business reputation or goodwill of its franchisees or the System generally and Franchisee fails to cease such conduct or practice within five (5) days from receipt of Notice thereof from Franchisor;

(l) if Franchisee has received from Franchisor during any consecutive twelve (12) month period, three (3) or more Notices relating to a default hereunder (whether such Notices relate to the same or different defaults and whether or not such defaults have been remedied by Franchisee);

(m) if Franchisee or any of its Guarantors (i) request the appointment of a receiver or have a receiver appointed for the Franchised Business, Franchisee or any of its or their assets; (ii) become insolvent or make a general assignment for the benefit of its or their creditors; (iii) commit an act of bankruptcy, become insolvent or make a proposal to its creditors or commence a case for relief or have an order for relief entered for it or them under the within the meaning of the United States Bankruptcy Code (or any successor legislation thereto); (iv) if a petition in bankruptcy is filed against Franchisee and is not discharged or disputed bona fide within three (3) days of such filing or if a receiver or other custodian (permanent or temporary) of the Franchised Business or any part thereof is appointed by private instrument or by court order; or (v) if an execution or similar process is levied against any of the assets of Franchisee, or if distress or other analogous process is made against any of the assets of Franchisee or any steps are taken to wind up or dissolve Franchisee; or

(n) if Franchisee ceases or threatens to cease or takes any steps to cease the operation of the Franchised Business;

(o) if Franchisee fails to open the Franchised Business within 90 days after the Effective Date, or closes or abandons the Franchised Business for a period of three (3) or more days in any seven (7) day period except for any remodeling or vacation Franchisor approves in advance;

(p) if Franchisee or any of its Guarantors suffer a conviction for, or plead guilty or nolo contendere to a crime involving moral turpitude or any other offense reasonably likely, in the sole discretion of Franchisor, reflects unfavorably upon or is detrimental to the Marks, to the good name, goodwill or reputation of Franchisor or to the business reputation or goodwill of its franchisees or the System generally in Franchisor's opinion;

(q) Franchisor discovers a material inaccuracy in any of Franchisee's representations in this Agreement or in any application submitted to Franchisor to become a franchisee;

(r) if Franchisee commits a breach which, by its nature, cannot be cured or with regard to which Franchisee notifies Franchisor that it does not intend to cure.

(s) if Franchisee fails to (1) gain Franchisor's acceptance of the proposed Premises, (2) sign a lease or a purchase agreement Franchisor approves for the accepted Premises within the timeframe specified in this Agreement, or (3) complete and open the Franchised Business within timeframe specified in this Agreement.

Section 11.02 Franchisee Termination. If Franchisor substantially fails to perform any of its material obligations to Franchisee under this Agreement, Franchisee must give written notice of non-performance and at least 60 days to cure the failure. If the failure continues at the end of such 60-day cure period, Franchisee may terminate this Agreement on written notice to Franchisor delivered at any time before Franchisor cures the failure. Franchisee may not withhold the payment of any fees due under this Agreement during the pendency of cure period, and any payment by Franchisee of fees accruing after the expiration of the cure period will be deemed a waiver of Franchisor default by Franchisee.

Section 11.03 Termination by Franchisor for Commercial Impracticability. The parties agree that the commercial purpose of this Agreement is for Franchisor to license the System specified by Franchisor to Franchisee for use in operating the Franchised Business strictly in accordance with the Manual, in exchange for payment of the fees and under the conditions set forth in this Agreement. This Agreement intends for Franchisee to control the terms and conditions of employment for the employees of the Franchised Business, and to supervise such employees as their employer, as set forth in Section 9.02, without constituting Franchisor as a joint employer of Franchisee or Franchisee's employees. Franchisee acknowledges Franchisor is not in the business of owning and operating any Franchised Business, and Franchisee has independently decided to enter into this Agreement to obtain the right to use the System so as to enter into the trade and business contemplated by the System. Franchisor may terminate this Agreement by written notice to Franchisee without penalty and without payment of any refunds or damages to Franchisee, and Franchisee will follow its post-termination obligations under Section 11.04 at its expense, if Franchisor determines in its sole discretion that either (i) a law or regulation is enacted, promulgated, repealed, modified or amended; (ii) a judicial or administrative tribunal or administrative agency has issued, published or released a decision, ruling or opinion in a matter not involving the parties directly or indirectly that Franchisor reasonably expects will affect applicable law or its interpretation; or (iii) an administrative agency, arbitrator or judge has issued an interim or final decision in a matter in which the parties are involved directly or indirectly, which (A) frustrates or adversely affects or could reasonably be expected to affect adversely the purposes of this Agreement, (B) makes performance of this Agreement commercially impracticable, (C) effectively modifies the allocation of risk, benefits and burdens agreed by the parties, (D) deprives any party of its benefits of the bargain struck by the parties, as originally set forth in this Agreement, or (E) determines that an employment or a joint employment relationship exists between Franchisor and Franchisee, or between Franchisor and the employees of Franchisee.

Section 11.04 Obligations On Termination.

(a) Upon the expiration or termination of this Agreement for any reason all rights of Franchisee hereunder shall be at an end and Franchisee shall immediately cease to use

the System, the Manual, and the Marks, by advertising or otherwise and shall remove the Marks from all signs, slogans, symbols, letterhead and all other documents or forms, emblems, and displays of whatever character in the possession of or under the control of Franchisee identifying it as associated with the System. Franchisee shall return to Franchisor all signage, advertising materials, all copies of the Manual and other proprietary materials delivered under this Agreement and any other items imprinted with any of the Marks which are in the possession of, or under the control of, Franchisee.

(b) If Franchisor elects not to take an assignment of the Lease, as contemplated in Section 10.04, Franchisee shall discontinue all use of the Marks at the Premises and shall, at Franchisee's expense make such modifications to the interior and exterior design and décor of the Premises and make any and all changes in signs, buildings and structures which Franchisor requires to distinguish the building from its former appearance and to de-identify the Premises as a Heart to Home Meals Business.

(c) Moreover, upon the expiration or termination of this Agreement for any reason, Franchisee will (a) abide by the non-competition and confidentiality provisions contained in Article XII of this Agreement; (b) promptly pay Franchisor and its Affiliates all amounts then due; (c) cease to hold yourself out in any way as a franchisee or to do anything which would indicate any relationship between Franchisee and Franchisor, except pursuant to the terms of a separate agreement with Franchisor; and (d) transfer to Franchisor all telephone listings, domain names, and web pages for the Franchised Business or which contain, use or display any of the Marks or intellectual property. Franchisee shall cease using the Marks in its fictitious name filing and shall cancel such filing with each jurisdiction in which it is registered. Franchisee shall execute such documents and take such action as Franchisor may deem necessary or advisable to evidence the fact that Franchisee has ceased use of the Marks and has no further interest or right thereunder.

(d) Franchisee will complete all modifications within thirty (30) days after the termination or expiration of this Agreement. If Franchisee fails to complete such modifications or fail to transfer or return such property within thirty (30) days as contemplated above in this Section, or should it indicate at such time earlier than thirty (30) days that it does not intend or is unable to comply with this Section, Franchisee appoints Franchisor as its attorney-in-fact to perform such acts in its stead and for its account. Franchisee will reimburse Franchisor for all of its costs and expenses, including without limitation administrative overhead and employee salaries that it may incur in acting as Franchisee's attorney-in-fact to perform such acts.

(e) Upon the expiration or termination of this Agreement for any reason, Franchisor may purchase Program Meals or other products in Franchisee's possession that are resaleable for the current wholesale price less the Restocking Fees and Charges.

Section 11.05 Option to Purchase. For a period of thirty (30) days following the termination or expiration of this Agreement, Franchisor shall have the option, exercisable by Notice to that effect to Franchisee, to purchase all Equipment and Furnishings, leasehold improvements, inventory and supplies owned and used by Franchisee in connection with the operation of the Franchised Business at a price equal to the lesser of the book value and the fair market value of the property in question. Such purchase price shall not, however, contain any

factor or increment for goodwill or other intangibles and Franchisor may exclude from the assets purchased hereunder any Equipment and Furnishings, leasehold improvements, inventory and supplies which, in the opinion of Franchisor, are obsolete, damaged or otherwise not in marketable or usable condition. If the parties cannot agree upon the fair market value of such assets within a period of ten (10) business days following the exercise of the option by Franchisor, an independent appraiser shall be designated by Franchisor and its determination of the fair market value shall be binding on Franchisor and Franchisee and no appeal shall lie therefrom. If Franchisor elects to exercise its option to purchase, it shall be entitled to set off against the purchase price all amounts owing by Franchisee to Franchisor or any of its Affiliates under this or any other agreement and the cost of any appraisal. If Franchisor exercises its option to purchase, the transaction of purchase and sale shall be closed on a date to be determined by Franchisor and shall be completed in accordance with all applicable laws to avoid claims of Franchisee's creditors. Franchisee shall deliver against payment of the purchase price a bill of sale with the usual covenants as to title, together with such other documents as may be necessary or desirable, in the reasonable opinion of Franchisor, to complete the transaction of purchase and sale.

Section 11.06 Assignment of Lease. Franchisee shall, at the option of Franchisor, assign to Franchisor all of Franchisee's right, title and interest in and to the Lease. Concurrently with such assignment, Franchisee shall pay to the landlord thereof all amounts owing by Franchisee on account of rent and other charges payable under the Lease to the effective date of such assignment.

Section 11.07 Right of Entry. Forthwith upon the expiration or termination of this Agreement, Franchisor may enter upon, occupy and use all or any part of the Premises which are subject to a Lease and any Equipment and Furnishings and other property and assets located in, on or about such Premises and used in connection with the operation of the Franchised Business. Franchisor shall not be liable for any trespass or neglect in so doing or in respect of any depreciation or damages in connection with such action. All revenues, monies, profits, benefits and advantages derived from the management and operation of the Franchised Business throughout Franchisor's period of occupation shall be for the exclusive account of Franchisor, and Franchisor shall pay and discharge all debts and liabilities incurred by it during the period of its occupation. In addition, Franchisor shall have the option, but not the obligation, to pay all claims owing by Franchisee to any creditor of the Franchised Business and any amount so paid shall be chargeable to Franchisee and shall be paid by Franchisee to Franchisor forthwith upon demand. Franchisor shall not have any obligation to retain any employee of the Franchised Business or to honor any contractual commitments previously made by Franchisee in connection therewith and any liability with respect thereto shall be exclusively borne and paid for by Franchisee. If Franchisor elects to retain any employee, such employment shall be pursuant to a new employment agreement between Franchisor and such employee. Any claim of such employee for unpaid salary, vacation pay or other benefits arising from his employment with Franchisee shall be the exclusive responsibility of and be paid solely by Franchisee.

Section 11.08 Settlement of Accounts. Upon the earlier of sixty (60) days after the expiration or termination of this Agreement and the closing of a transaction of purchase and sale contemplated in Section 10.03 hereof, there shall be an accounting between Franchisee and Franchisor and its Affiliates with respect to any monies due by each to the other under this or any other agreement and each of the parties agrees to promptly pay to the other, by certified check or bank draft, whatever monies shall be found to be owing. If this Agreement has been terminated

as a result of the default of Franchisee, Franchisee shall pay to Franchisor all costs and expenses (including legal fees) incurred by Franchisor as a result of such default and Franchisor may set off an amount equal to such costs and expenses from any amount owing by Franchisor to Franchisee pursuant to the aforesaid accounting.

Section 11.09 Transfer of Listings and Accounts. The parties agree that following termination or expiration of this Agreement, all interest in and rights to use all telephone and facsimile numbers, all listings and email addresses and all social media accounts (collectively “listings and accounts”) used by Franchisee in any manner related to the operation of, or applicable to, the Franchised Business shall be transferred to or vested in Franchisor and Franchisor shall thereupon have the full and exclusive right to use such listings and accounts or to authorize the use thereof by another franchisee of Franchisor. Franchisee hereby appoints Franchisor as its attorney in fact to direct the telephone company and all listing agencies to transfer such listings and accounts to Franchisor or as it may in writing direct. Any amounts owing by Franchisee on account of such listings and accounts shall be paid forthwith by Franchisee.

ARTICLE XII RESTRICTIVE COVENANTS

Section 12.01 Confidentiality. Franchisee and the Guarantors acknowledge that in connection with the operation of the Franchised Business, Franchisor will be disclosing to them certain confidential information and trade secrets, including the Manual, of Franchisor and its Affiliates. Franchisee and each of the Guarantors each hereby (a) acknowledge and agree Franchisor owns all right, titles and interest in and to the confidential information; (b) acknowledge and agree the use or duplication of the confidential information in any other business would constitute an unfair method of competition with Franchisor and its franchisees; (c) acknowledge and agree they have no interest whatsoever in the System except the license in this Agreement; (d) agree that they will not, either directly or indirectly, use or divulge any such trade secrets or confidential information, except that during the term of this Agreement Franchisee may use such trade secrets and confidential information solely for the purpose of conducting the Franchised Business in accordance with the provisions of this Agreement and may divulge such trade secrets and confidential information to its employees, in circumstances of confidence and on a “need-to-know” basis to perform their jobs and only to the extent necessary to operate the Franchised Business. Franchisee agrees to take all appropriate actions to preserve the confidentiality of all confidential information and to use its reasonable best efforts to maintain and to cause its employees and agents to maintain the confidentiality of all such information and trade secrets. Franchisee agrees to obtain from the foregoing persons, upon request by Franchisor, written covenants, in form and terms prescribed from time to time by Franchisor, to maintain confidentiality.

Franchisee and each of the Guarantors will not use the System in any business or any capacity for the benefit of any person except as permitted under this Agreement or another written agreement with Franchisor. Franchisee will not permit copying of Confidential Information (including, as to computer software, any translation, decompiling, decoding, modification or other alteration of the source code of such software). Franchisee will use confidential information only for the Franchised Business and to perform under this Agreement. Upon termination (or earlier, as Franchisor may request), Franchisee shall return to Franchisor all originals and copies of the

Manual, policy statements and Confidential Information “fixed in any tangible medium of expression,” within the meaning of the U.S. Copyright Act, as amended. Franchisee’s obligations under this subsection commence when its Guarantors sign this Agreement and continue for trade secrets (including computer software Franchisor may license to Franchisee) as long as they remain secret and for other Confidential Information, for as long as Franchisor continues to use the information in confidence, even if edited or revised, plus three (3) years. Franchisor will respond promptly and in good faith to Franchisee’s inquiry about continued protection of any confidential information.

Section 12.02 Non-Competition During Term. Franchisee will at all times faithfully, honestly and diligently perform its obligations hereunder and will continuously exert its best efforts to promote and enhance the Franchised Business. In addition, Franchisee and each of the Guarantors agree that none of them will during the term of this Agreement (without the prior written consent of Franchisor) directly or indirectly in any manner whatsoever or in any capacity whatever, carry on, be engaged in, be concerned with, be interested in, advise, lend money to, guarantee the debts or obligations of or permit any of their names or any part thereof, to be used or employed by any person who is engaged in, concerned with or interested in any business involving the preparation or home delivery of frozen prepared meals during the term of this Agreement.

Section 12.03 Post-Term Non-Competition. Franchisee and each of the Guarantors acknowledge that Franchisor’s name, the Marks, the business reputation and the goodwill associated therewith, the methods and techniques employed by Franchisor, the training and instructions to be provided hereunder, the knowledge of the services and methods of Franchisor and the opportunities, associations and experiences established and acquired by Franchisee hereunder are of considerable value. Therefore, in the event of termination or expiration of this Agreement for any reason whatsoever, Franchisee and the Guarantors shall not (without prior written consent of Franchisor) at any time during the period of two (2) years from the date of such termination or expiration, either individually or in partnership or jointly or in conjunction with any person, as principal, agent, equity owner or in any other manner or capacity whatsoever, carry on, be engaged in, be concerned with or interested in or advise, lend money to, guarantee the debts or obligations of, or permit its name or any part thereof to be used or employed by any person engaged in or concerned with or interested in the development, operation, franchising or management of any business involving the preparation or home delivery of frozen prepared meals within the Territory or within the territory of any other Heart to Home Meals Business at the termination date of this Agreement.

The parties acknowledge and agree that if the foregoing covenant is determined by a court of competent jurisdiction to be unreasonable, whether as to the scope of the restriction, the geographic area of the restriction or the duration of the restriction, then such restriction shall be reduced to that which such court declares is reasonable.

Section 12.04 Non-Solicitation. Franchisee and each of the Guarantors agree that during the term of this Agreement and for a period of two (2) years thereafter, none of them will:

(a) attempt to obtain any unfair advantage over Franchisor, any franchisee of Franchisor, or any Affiliate thereof by soliciting for employment any person who is, at the time of

such solicitation, employed by such other franchisee, Franchisor or such Affiliate, nor shall Franchisee or the Guarantors directly or indirectly induce any such person to leave his employment as aforesaid; or

(b) divert or attempt to divert any business or Program Customer of the Franchised Business to any other competitive establishment, by direct or indirect inducement or otherwise.

The parties agree that subsections (a) and (b) are independent of each other and are severable.

Section 12.05 Waiver of Defenses. Franchisee and each of the Guarantors agree that the restrictions contained in this Article XII are reasonable and necessary in order to protect the legitimate business interest of Franchisor and all defenses to the strict enforcement of such restrictions by Franchisor are hereby waived.

ARTICLE XIII GUARANTEE

Each of the Guarantors hereby jointly, severally, irrevocably and unconditionally guarantees payment, observance and performance to Franchisor of all present and future obligations of any nature or kind owing by Franchisee to Franchisor or any of its Affiliates, whether direct or indirect, absolute or contingent, matured or unmatured, extended or renewed, wherever and however incurred, and whether Franchisee is bound alone or with others and whether as principal or as surety (such obligations being hereinafter called the “**Obligations**”). This Guarantee is a continuing guarantee of all the Obligations. Franchisor shall not be bound to exercise or exhaust its recourse against Franchisee or any other person, or against any other guarantees or any security it may at any time hold, before being entitled to full payment, observance and performance from the Guarantors of the Obligations. Each of the Guarantor’s liability to make payment, observance and performance of the Obligations under this Guarantee shall arise upon Franchisor making demand in writing of any Guarantor, and such demand shall be deemed to have been effectually made when an envelope containing such demand addressed to a Guarantor at his address last known to Franchisor is posted, postage prepaid.

Without in any way lessening the Guarantors’ liability under this Guarantee, and without obtaining the consent of or giving Notice to the Guarantors, Franchisor may discontinue, reduce, increase or otherwise vary the credit of Franchisee, may grant renewals, extensions, indulgences and releases to, and may accept from or otherwise deal with, Franchisee and others in such manner as Franchisor may see fit. Franchisor may apply all monies received from Franchisee or others or from securities or guarantees towards such part of the Obligations as Franchisor may in its sole discretion determine. The obligations of the Guarantors under this Guarantee shall not be released, discharged or in any way be affected by any change, alteration or modification of this Agreement or by the bankruptcy or insolvency of Franchisee, or by any other loss of capacity of Franchisee or by any other act or proceeding in relation to Franchisee or this or any other agreement or any other thing whereby the Guarantors might otherwise be released.

Until payment, observance and performance in full of the Obligations, the Guarantors shall not claim any set-off or counterclaim against Franchisee in respect of any liability of Franchisee to the Guarantors or claim or prove in the bankruptcy or insolvency of Franchisee in competition with Franchisor or have any right to be subrogated to Franchisor. All present and future debts and liabilities of Franchisee to the Guarantors are hereby postponed to the Obligations and all monies received by the Guarantors in respect thereof shall be received in trust for Franchisor and forthwith upon receipt shall be paid over to Franchisor, the whole without in any way lessening or limiting the liability of the Guarantors under this Guarantee. This postponement is independent of the Guarantee and shall remain in full force and effect until payment, observance and performance in full to Franchisor of all of the Obligations is made, notwithstanding that the liability of the Guarantors under this Guarantee may have been terminated.

Neither Franchisee nor the Guarantors shall be bound by any representation, warranty, promise or other inducement made by any person relating to this Guarantee which is not expressly set out herein or in any documents delivered in connection herewith or contemplated hereby. Franchisor is not bound by any representations, warranties, promises or other inducements made by Franchisee to the Guarantors and execution of this Agreement by Franchisor shall be conclusive evidence against the Guarantors that this Agreement was not delivered in escrow or pursuant to any Agreement that it should not be effective until any condition precedent or subsequent has been met. This Guarantee shall not be discharged or affected by the death of any of the Guarantors.

ARTICLE XIV GENERAL CONTRACT PROVISIONS

Section 14.01 Indemnity. Franchisee and the Guarantors, jointly and severally agree, during and after the term of this Agreement, to indemnify and hold harmless Franchisor and its Affiliates and their respective officers, directors and shareholders (collectively the “**Indemnitees**”) from and against any and all loss, damage, liability, costs and expenses in connection therewith incurred by the Indemnitees or any of them as a result of any violation of this Agreement by or any act of omission or commission on the part of Franchisee or a Guarantor or any of their agents or employees and from all claims, damages, suits or rights arising from the operation of the Franchised Business.

Section 14.02 Independent Contractor. The relationship among the parties hereto is that of independent contractors and no fiduciary relationship, partnership, joint venture, agency or employment is created or intended to be created by this Agreement. Franchisee agrees that it has no authority to bind or to attempt to bind Franchisor in any manner or form whatsoever or to assume or to incur any obligation or responsibility, express or implied, for or on behalf of or in the name of Franchisor. Franchisee shall use its own name in all dealings with third parties to clearly indicate the independent ownership of the business and that Franchisee is acting on its own behalf and not on behalf of Franchisor. Neither party will have the authority to act or contract on behalf of the other. Neither party will have any responsibility for the obligations of the other party.

Section 14.03 Reserved Rights. Whenever Franchisor reserved in this Agreement a right to take or withhold an action, or is deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision

or exercise its rights, on the basis of the information readily available to Franchisor and its judgment of what is in its best interests and/or in the best interests of the its franchise network, at the time the decision is made, without regard to whether: (i) other reasonable alternative decisions or actions could have been made by Franchisor; (ii) Franchisor's decision or action will promote its financial or other individual interest; (iii) Franchisor's decision or the action it takes applies differently to Franchisee and one or more other franchisees or its company-owned operations; or (iv) Franchisor's decision or the exercise of its right or discretion is adverse to Franchisee's interests. In the absence of an applicable statute, Franchisor will have no liability to Franchisee for any such decision or action. Franchisor and Franchisee intend that the exercise of Franchisor's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, the parties acknowledge that such covenant shall not imply any rights or obligations that are inconsistent with a fair construction of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations hereunder.

Section 14.04 Reasonable Business Judgment. Franchisor and Franchisee agree that Franchisor may use its Reasonable Business Judgment in the exercise of its rights, obligations and discretion under this Agreement except where otherwise indicated. “**Reasonable Business Judgment**” means that Franchisor's determination shall prevail even in cases where other alternatives are also reasonable so long as it intends to benefit or its actions or omissions could benefit the System. Examples of benefits to the System would include, without limitation, protecting or enhancing the value of the Marks, promoting economic efficiency or gain for the System or the Franchised Businesses, increasing customer satisfaction, increasing brand identification, or minimizing possible customer brand or location confusion. Franchisor shall not be required to consider Franchisee's particular economic or other circumstances when exercising its Reasonable Business Judgment. At no time are Franchisee or any third party (including, but not limited to other franchise owners or any trier of fact) entitled to substitute your or its judgment for a judgment, which has been made by or on behalf of Franchisor which meets the definition of Reasonable Business Judgment. Franchisor and Franchisee agree that the long-term goals of a franchise system, and the long-term interests of both Franchisor and all franchisees, taken together, require that Franchisor have the latitude to exercise its Reasonable Business Judgment.

Section 14.05 Time. Time is of the essence of this Agreement.

Section 14.06 Overdue Amounts. All amounts from time to time owing to Franchisor or its Affiliates by Franchisee under this or any other agreement shall bear interest from and after the due date until paid in full at the Prime Bank Rate plus four percent (4%), calculated and payable monthly on the first day of each month, not in advance, both before and after maturity, default and judgment, with interest on overdue interest at the same rate. The acceptance of any interest payment shall not be construed as a waiver by Franchisor of its rights in respect of the default giving rise to such payment and shall be without prejudice to Franchisor's right to terminate this Agreement in respect of such default.

Section 14.07 Force Majeure. Neither party shall be responsible to the other for non-performance or delay in performance occasioned by any causes beyond its control, including without limitation, acts or omissions of the other party, acts of civil or military authority, acts of terrorism, strikes, lockouts, embargoes, insurrections, acts of God, outbreaks of disease or inability

to obtain supplies. The inability of a party to obtain funds shall be deemed to be a matter within the control of a party. If any such delay occurs, any applicable time period shall be automatically extended for a period equal to the time lost, provided that the party affected makes reasonable effort to correct the reason for the delay and gives the other party prompt notice of such delay.

Section 14.08 Notices. All notices or other communications (collectively “Notices”) by the terms hereof required or permitted to be given by one to the other shall be given in writing by personal delivery, by email or other electronic transmission or by prepaid registered mail addressed to the other party as follows:

Section 14.09 Waiver of Obligations. Franchisor may by written instrument unilaterally waive any obligation of, or restriction upon, Franchisee under this Agreement. No acceptance by Franchisor of any payment from Franchisee and no failure, refusal or neglect of Franchisor to exercise any right under this Agreement or to insist upon full compliance by Franchisee with its obligations hereunder shall constitute a waiver of any provision of this Agreement.

Section 14.10 Rights Cumulative. The rights of Franchisor under this Agreement are cumulative and the exercise or enforcement by Franchisor of any right or remedy hereunder shall not preclude the exercise or enforcement by Franchisor of any other right or remedy hereunder or to which Franchisor may otherwise be entitled by law.

Section 14.11 No Liability. Franchisor and its Affiliates and their respective officers, directors, employees and agents shall not be responsible or otherwise liable for any injury, loss, or damage resulting from, occasioned to or suffered by any person or to any property because of any goods or services sold or otherwise provided by them to Franchisee.

Section 14.12 Right of Offset. Section 14.13 Franchisee Cannot Withhold. Franchisee agrees that it shall not, on grounds of the alleged non-performance by Franchisor of any of its obligations hereunder,

withhold payment of any amounts owing to Franchisor or its Affiliates pursuant to this Agreement or otherwise.

Section 14.14 Joint and Several Liability. If two or more individuals, corporations, partnerships or other entities (or any combination of two or more thereof) shall sign or be subject to the terms and conditions of this Agreement as Franchisee or as a Guarantor, the liability of each of them under this Agreement shall be deemed to be joint and several.

Section 14.19 Counterparts. LEASE RIDER**

This Lease Rider is made and entered into as of _____, 20__ by and among HTHM Franchising, LLC, a Delaware limited liability corporation (“**Franchisor**”), _____, a _____ (“**Tenant/Operator**”) and _____, a _____ (“**Landlord**”).

RECITALS

Tenant/Operator and Landlord desire to enter into a lease (the “**Lease**”) pursuant to which Tenant/Operator will occupy and finish the premises located at _____ (the “**Premises**”) for use and operation of a Heart to Home Meals business (the “**Franchised Business**”) authorized under a Franchise Agreement to be executed between Franchisor and Tenant/Operator prior to the opening of the Franchised Business (the “**Franchise Agreement**”). As a condition to Franchisor’s approval of the Premises as the location for the Franchised Business, the Tenant/Operator is required under the Franchise Agreement to execute this Lease Rider along with the Landlord and Franchisor;

NOW, THEREFORE, in consideration of the mutual undertakings and commitments set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(1) During the term of the Franchise Agreement, the Premises shall be used only for the operation of the Franchised Business.

(2) Landlord consents to Tenant/Operator’s use and display of such proprietary marks (the “**Marks**”) and signs, decor items, color schemes, plans, specifications and related components of the Heart to Home Meals business system (the “**System**”) as Franchisor has prescribed, and may in the future prescribe, for the Restaurant. [**Landlord affirms that the Lease does not prohibit the delivery service of any menu items of the current System, based on the menu provided to Landlord.**]

(3) Landlord agrees to send Franchisor conformed, legible copies of any and all letters and notices sent to Tenant/Operator pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Tenant/Operator.

(4) Franchisor shall have the right, and Landlord consents to allow Franchisor, to enter the Premises during hours when the Premises is available for tenant entry to make any modification or alteration necessary to protect the Franchised Business, the System and Marks or to cure any default under the Franchise Agreement, or under the Lease, without being guilty of trespass or any other crime or tort.

(5) In the event of Tenant/Operator’s default under the Lease, Franchisor may, but has no obligation, to cure the default. Franchisor shall make this determination within thirty (30) days after Franchisor receives notice of the Lease default from Landlord. If Franchisor elects to cure the default, Franchisor shall cure the default within thirty (30) days of such election or, if the default cannot be reasonably cured within such thirty (30) day period, then Franchisor shall

commence and proceed to act diligently to cure the default within such time as is reasonably necessary to cure the default.

(6) Franchisor has an option to acquire the Franchised Business from Tenant/Operator if the Franchise Agreement expires or terminates. If Franchisor exercises the option, it will notify Landlord when it notifies Tenant/Operator. If Franchisor so exercises its option, or makes a different arrangement with Tenant/Operator to acquire the Franchised Business, then Landlord shall permit Tenant/Operator to assign the Lease to Franchisor or to Franchisor's affiliated assignee or designee as successor in interest ("**Successor**") to Tenant/Operator, which shall be obligated to assume Tenant/Operator's obligations under the Lease. Successor shall attorn to Landlord under the Lease and Landlord shall attorn to and agree not to disturb the tenancy of Successor. In such event Successor shall assume Tenant/Operator's occupancy rights, rights under any renewal or purchase options, and the right to sublease the Premises, for the remainder of the term of the Lease including any applicable renewal periods.

(7) Landlord hereby consents to such assignment and agrees not to impose or assess any assignment fee or similar charge or increase or accelerate rent under the Lease in connection with such assignment, or require Successor to pay any rent or other financial obligation of Tenant/Operator to Landlord arising prior to the assignment. Landlord agrees to look solely to the Tenant/Operator and its guarantors for any rents or other financial obligations owed to Landlord arising prior to such assignment. Landlord and Tenant/Operator acknowledge that Franchisor is not a party to the Lease and shall have no liability under the Lease, unless and until the Lease is assigned to, and assumed by Franchisor as Successor.

(8) Notwithstanding anything contained in this Lease Rider and in the Lease, Successor is expressly authorized, without the consent of the Landlord, to sublet the Leased Premises to an authorized System franchisee, provided such subletting is specifically subject to the terms of the Lease and further provided Franchisee expressly assumes in writing all obligations of the Lease. Franchisor agrees to notify Landlord as to the name of Franchisee within ten (10) days after such subletting.

(9) Tenant/Operator shall not assign the Lease or renew or extend the term thereof without the prior written consent of Franchisor.

(10) Landlord and Tenant/Operator shall not amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing without the prior written consent of Franchisor.

(11) This Lease Rider will supersede any conflicting terms of the Lease.

This Agreement secures the obligation of Grantor to pay the Secured Party the wholesale price for the Program Meals purchased by granting a security interest in the Collateral, as defined herein, to secure the payment and performance of any and all Secured Obligations, also as defined herein.

NOW THEREFORE, in consideration of the mutual covenants, terms and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **DEFINITIONS.** All capitalized terms used herein without definitions shall have the respective meanings set forth in the Franchise Agreement. Unless otherwise defined herein, terms used herein that are defined in the Uniform Commercial Code as in effect from time to time in the State of Delaware (the “**UCC**”) shall have the meanings assigned to them in the UCC. However, if a term is defined in Article 9 of the UCC differently than in another Article of the UCC, the term has the meaning specified in Article 9.

2. **GRANT OF SECURITY INTEREST.**

(a) For value received, the Grantor hereby grants to the Secured Party, to secure the payment and performance in full of all of the Secured Obligations (as defined in Section 3 of this Agreement), a security interest in and pledges and assigns to the Secured Party the following properties, assets, and rights of the Grantor, wherever located, whether the Grantor now has or hereafter acquires an ownership or other interest or power to transfer, and all proceeds and products thereof, and all books and records relating thereto (all of the same being hereinafter called the “**Collateral**”): all personal and fixture property of every kind and nature including all goods (including inventory of Program Meals and other inventory sold to Retail Customers, equipment, and any accessions thereto), instruments (including promissory notes), documents (whether tangible or electronic), accounts (including health-care insurance receivables and accounts receivable of Retail Customers), chattel paper (whether tangible or electronic), money, deposit accounts, letters of credit, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), securities and all other investment property, supporting obligations, and other contracts rights or rights to the payment of money, insurance claims and proceeds, tort claims, and all general intangibles (including all payment intangibles).

(b) If the Grantor shall at any time hold or acquire a commercial tort claim, the Grantor shall immediately notify the Secured Party in writing of the details thereof and grant to the Secured Party in such writing, in form and substance satisfactory to the Secured Party, a security interest therein and in the proceeds thereof.

3. **SECURED OBLIGATIONS.** This Agreement secures the prompt and full performance and payment of all of the accounts, indebtedness, obligations, liabilities, and undertakings of the Grantor to the Secured Party, of any kind or description, individually or collectively, whether direct or indirect, joint or several, absolute or contingent, due or to become due, voluntary or involuntary, now existing or hereafter arising (including, all interest, fees (including attorneys' fees), costs, and expenses that the Grantor is hereby or otherwise required to pay and perform pursuant to the Franchise Agreement, this Agreement, or any other franchising document entered into with Franchisor, by law or otherwise accruing before and after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Grantor, whether or not a claim for post-petition interest, fees or expenses is allowed in such proceeding), irrespective of whether for the payment of money, under or in respect of the Franchise Agreement, this Agreement, or any other franchising document, including instruments or agreements executed and delivered pursuant thereto or in connection therewith (the "**Secured Obligations**"). The Secured Obligations include invoices and accounts payable to the Secured Party arising from orders of Program Meals delivered for the account of Grantor.

4. **CHANGES IN LOCATION OF COLLATERAL.** The Collateral will be kept and maintained as provided in the Franchise Agreement. Grantor shall notify the Secured Party, in writing or via electronic communication, immediately upon any change in the location of any Collateral and provide the Secured Party with the new location of such Collateral. The security interest granted in this Agreement remains attached to the Collateral regardless of any transfer or relocation of the Collateral.

5. **CHANGES IN GRANTOR.** Grantor hereby agrees to notify the Secured Party, in writing or via electronic communication, at least thirty (30) days before any of the following actions: (a) change in the location of Grantor's place of business; (b) change in Grantor's name; (c) change in Grantor's type of organization; (d) change in Grantor's jurisdiction of organization; and (e) change in the Grantor's ownership that requires the consent of Franchisor under the Franchise Agreement.

6. **TRANSFER OF COLLATERAL.** Grantor shall not sell, offer to sell, assign, lease, license, or otherwise transfer, or grant, create, permit, or suffer to exist any option, security interest, lien, or other encumbrance in, any part of the Collateral (except for sales of Program Meals to Retail Customers in the ordinary course of business), without prior written approval from the Secured Party.

7. **GRANTOR REPRESENTATIONS AND WARRANTIES.** Grantor hereby represents, warrants, and covenants that: (a) Grantor owns or has good and marketable title to the Collateral and no other person or organization can make any claim of ownership or encumbrance of any kind on the Collateral; (b) Grantor has the full power, authority and legal right to grant the security interest in the Collateral; (c) the Collateral is free from any and all claims, encumbrances, rights of setoff or any other security interest or lien of any kind except for the security interest in favor of the Secured Party created by this Agreement and (d) this Agreement creates in favor of the Secured Party a valid purchase money security interest in the Collateral, securing payment of the Secured Obligations, and such security interest is first priority. Grantor agrees to: (a) store the Collateral at the required frozen temperature at all times to preserve its merchantability and fitness for human

consumption, rotate the Collateral to avoid spoilage and expiration, maintain the Collateral in good order, repair, and condition at all times; (b) timely pay all taxes, judgments, levies, fees, or charges of any kind levied or assessed on the Collateral; (c) timely pay all rent or mortgage payments of any kind as applicable to any real property upon which any part of the Collateral is located; and (d) have and maintain at all times a hazard insurance policy on the Collateral underwritten by an insurance company, and in an amount, approved by the Secured Party, but in no way shall the amount of insurance be less than the replacement cost of the Collateral. The insurance procured in this Section shall contain a standard Lender's Loss Payable Clause in favor of the Secured Party and provide that the Secured Party will receive at least thirty (30) days' notice of any cancellation of the policy. Grantor hereby assigns to the Secured Party all rights to any proceeds of any insurance procured under this Section and authorizes the Secured Party to receive such payments and execute any and all documents required to receive such payments. If Grantor fails to provide for the insurance as set out in this Section, Secured Party, in addition to any remedies as set out in Section 10 of this Agreement, may procure the requisite insurance on the Collateral on its own behalf and charge Grantor with any and all costs of such procurement.

Grantor hereby authorizes the Secured Party to file or record any document necessary to perfect, continue, amend, or terminate its security interest in the Collateral, including, but not limited to, any financing statements, including amendments, authorized to be filed under the UCC, without signature of Grantor where permitted by law, including the filing of a financing statement describing the Collateral as all assets now owned or hereafter acquired by Grantor, or words of similar effect. Grantor also hereby ratifies any previously filed documents or recordings regarding Collateral, including but not limited to, any and all previously filed financing statements.

10. **REMEDIES.** Any failure to pay a Secured Obligation when due that occurs and continues for a period of five days after the Secured Party gives Grantor notice of such failure, or any failure, breach or violation of this Agreement by Grantor or any of its other obligations under this Agreement or the Franchise Agreement that occurs and continues for a period of ten days after the Secured Party gives Grantor notice of such breach, shall constitute an “**Event of Default.**” If an Event of Default shall have occurred and be continuing, the Secured Party may do any or all of the following: (a) declare all Secured Obligations immediately due and payable; (b) enter the Grantor's property where the Collateral is located and take possession of the Collateral without demand or legal process; (c) require the Grantor to assemble and make available the Collateral at a specific time and place designated by the Secured Party; (d) sell, lease, or otherwise dispose of the Collateral at any public or private sale in accordance with the law; and (e) enforce payment of the Secured Obligations and exercise any rights and remedies available to the Secured Party under law, including, but not limited to, those rights and remedies available to the Secured Party under Article 9 of the UCC.

4. Any general release required as a condition of renewal, sale, and/or assignment or transfer of the Store or the Franchise Agreement shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
5. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Registration and Disclosure Law.
6. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.
7. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.
8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

- B. A prohibition on the right of a franchisee to join an association of franchisees.
- C. A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- D. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- E. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.

 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- I. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach.

This provision supersedes any other term of any document executed in connection with the franchise.

- (A) A prohibition on the right of a franchisee to join an association of franchisees.

Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

**ADDENDUM TO THE DISCLOSURE DOCUMENT PURSUANT TO
THE MINNESOTA FRANCHISE INVESTMENT LAW**

The following provisions supersede the Disclosure Document and apply to all franchises offered and sold in the State of Minnesota:

Minnesota Statute 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C.21 (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of the State of Minnesota or in the case of a partnership or corporation, organized or incorporated under the laws of the State of Minnesota, or purporting to bind a person acquiring any franchise to be operated in the State of Minnesota to waive compliance or which has the effect of waiving compliance with any provision of the Minnesota Franchise Law is void.

Minnesota statute §80C.14 provides: It shall be deemed unfair and inequitable for any person to:

- (A) Terminate or cancel a franchise without first giving written notice setting forth all the reasons for the termination or cancellation to the Franchisee at least 90 days in advance of termination or cancellation, and the recipient of a notice fails to correct the reasons stated for cancellation or termination within 60 days within receipt of the notice, except that the notice shall be effective immediately upon receipt where the alleged grounds are:
 - (i) Voluntary abandonment of the franchise relationship by the Franchisee;
 - (ii) The conviction of the Franchisee of an offense directly related to the business conducted pursuant to the franchise; or
 - (iii) Failure to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the Franchisor's trade name, Trademark, service mark, logotype or other commercial symbol after the Franchisee has received written notice to cure of at least 24 hours in advance thereof;
- (B) Terminate or cancel a franchise except for good cause. "Good cause" shall be failure by the Franchisee substantially to comply with reasonable requirements imposed upon him by the franchise including, but not limited to:
 - (i) The bankruptcy or insolvency of the Franchisee;
 - (ii) Assignment for the benefit of creditors or similar disposition of the assets of the franchise business;
 - (iii) Voluntary abandonment of the franchise business;
 - (iv) Conviction or a plea of guilty or no contest to a charge of violating any law relating to the franchise business; or

- (v) Any act by, or conduct of, the Franchisee which materially impairs the goodwill associated with the Franchisor's Trademark, trade name, service mark, logotype or other commercial symbol.
- (C) Unless the failure to renew the franchise is for good cause as defined in clause (B), Franchisor may not fail to renew a franchise unless (i) the Franchisee has been given written notice of the intention not to renew at least 180 days in advance thereof and (ii) has been given an opportunity to operate the franchise over a sufficient period of time to enable the franchisee to recover the fair market value of the franchise as a going concern measured from the date of the failure to renew. No franchisor may refuse to renew a franchise if the refusal is for the purpose of converting the franchisee's business premises to an operation that will be owned by the franchisor for its own account.

A franchisor may not unreasonably withhold consent to an assignment, transfer, or sale of the franchise where the assignee meets the present qualifications and standards required of other franchisees.

Item 13 is modified as follows: The Minnesota Department of Commerce requires that a franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the franchisor's trademark infringes upon the trademark rights of the third party. The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the franchise agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. If the franchisor accepts tender of defense, the franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subd. 5.

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or

exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**: You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum”**, and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT
FOR THE STATE OF RHODE ISLAND**

Item 17 is amended to state that section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT PURSUANT TO
THE WISCONSIN FRANCHISE INVESTMENT LAW**

The following provisions supersede the Disclosure Document and apply to all franchises offered and sold in the State of Wisconsin.

1. REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF SECURITIES OF THE STATE OF WISCONSIN.

2. The following applies to Franchise Agreements in the State of Wisconsin:

- (a) The Wisconsin Fair Dealership Act, Wisconsin Statutes, Chapter 135 (the Act), shall apply to and govern the provisions of Franchise Agreements issued in the State of Wisconsin.

INDEPENDENT AUDITORS' REPORT

To the Member and Management of
HTHM Franchising LLC and Subsidiary:

Opinion

We have audited the consolidated financial statements of HTHM Franchising LLC and Subsidiary (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations and changes in member's capital, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Related Party Transactions

As mentioned in the notes to the consolidated financial statements, the Company has material transactions with related parties. Our opinion on the consolidated financial statements is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Rödl & Partner

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and, therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing our audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout our audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HTHM FRANCHISING LLC AND SUBSIDIARY
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023
(in U.S. Dollars)

1. ORGANIZATION AND INDUSTRY

HTHM Franchising LLC was formed in Delaware during August 2018 and is a wholly owned subsidiary of US Food Holdings LLC. HTHM Franchising LLC owns 100% of the membership interests of HTHM Supply LLC. HTHM Franchising LLC is established to issue franchise agreements and receive franchise fees, including royalties. It is currently in the preparatory phase to establish its initial franchisees. HTHM Supply LLC exists to purchase inventories from a related party and to sell inventories to a related party and eventually to franchisees. The entities primarily operate from Marlborough, Massachusetts. HTHM Franchising LLC and HTHM Supply LLC are hereafter referred to together as the “Company.” The Company’s principal market is the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash equivalents are defined as investments having a maturity, when purchased, of three months or less. The Company maintains bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Inventories

Inventories are stated at the lower of cost and net realizable value, with cost determined by the first-in, first-out method. Inventories consist entirely of finished goods purchased for resale.

Income and deferred taxes

The Company is a member of a group (the “Group”) that files a consolidated income tax return. The Company is a disregarded entity for federal and state income tax purposes, and therefore, the results of the Company’s operations are allocated to the member for inclusion in its respective income tax returns. Accordingly, no provision or benefit for income taxes has been recorded in the accompanying consolidated financial statements.

The Company adheres to the provisions of FASB ASC 740-10-25, which requires the Company to evaluate uncertain tax positions. The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are then measured based on the Company’s largest benefit that has a greater than 50% likelihood of being realized upon settlement. An income tax expense, including associated interest and penalties, and tax liability, is recorded should the Company take a tax position that has a lesser than 50% likelihood of being realized upon settlement. There were no such tax liabilities recorded as of December 31, 2024 and 2023.

The Group files income tax returns in the United States of America federal jurisdiction and in various state jurisdictions. Generally, the Group’s federal income tax returns are subject to examination by the Internal Revenue Service three years from the filing date. Generally, the state jurisdictions in which the Group files income tax returns are subject to examination for a period from three to seven years after the returns are filed.

Advertising cost

Advertising costs are expensed as incurred. For the years ended December 31, 2024 and 2023, advertising costs were \$1,249 and \$278, respectively.

Revenue recognition

The Company adheres to FASB Accounting Standards Update (“ASU”) 2014-09, Revenue from Contracts with Customers (Topic 606). Revenue is measured based on consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a

product to a customer in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products.

For performance obligations related to frozen food products, control transfers to the customer at a point in time. The Company's standard shipping terms are FOB Origin, and the Company transfers control and records revenue for product upon shipment. There are no standard payment terms and conditions or significant financing components as all sales are to a related party. Further, there is no associated variable consideration, such as rebates, allowances, and returns that would generally decrease the transaction price which reduces revenue.

Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Shipping and handling cost

Shipping and handling costs associated with items delivered to customers are expensed as incurred and are recorded in operating expenses in the accompanying consolidated statements of operations and changes in member's capital.

Foreign currency transactions

The U.S. dollar is the functional currency of the Company. Transactions denominated in foreign currency are translated using the prevailing exchange rate at the date of the transaction. A gain or loss on foreign currency translation is recorded based on the change in the exchange rate between the date of the transaction and the settlement date. Balances denominated in foreign currencies and still outstanding at the balance sheet date are translated using the prevailing rate at the balance sheet date.

Concentration of risk and significant customers and vendors

For financial disclosure purposes, the Company defines significant customers and vendors as those equaling or exceeding 10 percent of sales or purchases for any year, and/or 10 percent of year-end trade receivables or payables. Substantially all sales and receivables are with one related party. Substantially all purchases and payables are with two related parties. See Note 4.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of HTHM Franchising LLC and its wholly owned subsidiary HTHM Supply LLC. Upon consolidation, all material intercompany balances and transactions have been eliminated.

3. INVENTORIES

Inventories consisted of the following at December 31:

	<u>2024</u>	<u>2023</u>
Finished goods	\$ 524,597	\$ 333,235
Less: inventory obsolescence reserve	(69,764)	-
	<u>\$ 454,833</u>	<u>\$ 333,235</u>

4. RELATED PARTY TRANSACTIONS

5. COMMITMENTS AND CONTINGENCIES

The Company may be subject to various claims and legal proceedings covering matters that arise in the course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company.

6. SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2024, the date of the most recent consolidated balance sheet, have been evaluated for possible adjustment to the consolidated financial statements or additional disclosures is April 23, 2025, which is the date the consolidated financial statements were available to be issued.

HTHM FRANCHISING LLC AND SUBSIDIARY
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022
(in U.S. Dollars)

1. ORGANIZATION AND INDUSTRY

HTHM Franchising LLC was formed in Delaware during August 2018, and is a wholly owned subsidiary of US Food Holdings LLC. HTHM Franchising LLC owns 100% of the membership interests of HTHM Supply LLC. HTHM Franchising LLC is established to issue franchise agreements and receive franchise fees, including royalties. It is currently in the preparatory phase to establish its initial franchisees. HTHM Supply LLC exists to purchase inventories from a related party and to sell inventories to a related party and eventually to franchisees. The entities primarily operate from Marlborough, Massachusetts. HTHM Franchising LLC and HTHM Supply LLC are hereafter referred to together as the “Company.” The Company’s principal market is the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash equivalents are defined as investments having a maturity, when purchased, of three months or less. The Company maintains bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Inventories

Inventories are stated at the lower of cost and net realizable value, with cost determined by the first-in, first-out method. Inventories consist entirely of finished goods purchased for resale.

Income and deferred taxes

The Company is a member of a group (the “Group”) that files a consolidated income tax return. The Company is a disregarded entity for federal and state income tax purposes, and therefore, the results of the Company’s operations are allocated to the member for inclusion in its respective income tax returns. Accordingly, no provision or benefit for income taxes has been recorded in the accompanying consolidated financial statements.

The Company adheres to the provisions of FASB ASC 740-10-25, which requires the Company to evaluate uncertain tax positions. The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are then measured based on the Company’s largest benefit that has a greater than 50% likelihood of being realized upon settlement. An income tax expense, including associated interest and penalties, and tax liability, is recorded should the Company take a tax position that has a lesser than 50% likelihood of being realized upon settlement. There were no such tax liabilities recorded as of December 31, 2023 and 2022.

The Group files income tax returns in the United States of America federal jurisdiction and in various state jurisdictions. Generally, the Group’s federal income tax returns are subject to examination by the Internal Revenue Service three years from the filing date. Generally, the state jurisdictions in which the Group files income tax returns are subject to examination for a period from three to seven years after the returns are filed.

Revenue recognition

The Company adheres to FASB Accounting Standards Update (“ASU”) 2014-09, Revenue from Contracts with Customers (Topic 606). Revenue is measured based on consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product to a customer in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products.

For performance obligations related to frozen food products, control transfers to the customer at a point in time. The Company’s standard shipping terms are FOB Origin, and the Company transfers control and

records revenue for product upon shipment. There are no standard payment terms and conditions or significant financing components as all sales are to a related party. Further, there is no associated variable consideration, such as rebates, allowances, and returns that would generally decrease the transaction price which reduces revenue.

Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Shipping and handling cost

Shipping and handling costs associated with items delivered to customers are expensed as incurred and are recorded in operating expenses in the accompanying consolidated statements of operations and changes in member’s capital.

Foreign currency transactions

The U.S. dollar is the functional currency of the Company. Transactions denominated in foreign currency are translated using the prevailing exchange rate at the date of the transaction. A gain or loss on foreign currency translation is recorded based on the change in the exchange rate between the date of the transaction and the settlement date. Balances denominated in foreign currencies and still outstanding at the balance sheet date are translated using the prevailing rate at the balance sheet date.

Concentration of risk and significant customers and vendors

For financial disclosure purposes, the Company defines significant customers and vendors as those equaling or exceeding 10 percent of sales or purchases for any year, and/or 10 percent of year-end trade receivables or payables. Substantially all sales and receivables are with one related party. Substantially all purchases and payables are with two related parties. See Note 3.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of HTHM Franchising LLC and its wholly owned subsidiary HTHM Supply LLC. Upon consolidation, all material intercompany balances and transactions have been eliminated.

3. RELATED PARTY TRANSACTIONS

Related parties are defined as entities under common ownership of apetito AG, the ultimate parent company.

4. COMMITMENTS AND CONTINGENCIES

The Company may be subject to various claims and legal proceedings covering matters that arise in the course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company.

5. SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2023, the date of the most recent consolidated balance sheet, have been evaluated for possible adjustment to the consolidated financial statements or additional disclosures is April 3, 2024, which is the date the consolidated financial statements were available to be issued.

Franchisee hereby releases and forever discharges Franchisor, any subsidiary or affiliate of Franchisor, their respective officers, directors, members, employees, agents, contractors and their respective successors, assigns, heirs and personal representatives from any and all claims, demands, rights and causes of action of any kind that Franchisee now has or hereafter may have on account of or in any way arising out of or related to the offer, sale, administration, performance, default, assignment and termination of the Franchise Agreement. Franchisor and Franchisee mutually intend that this Release shall include, without limitation, claims, demands and causes of action arising out of alleged misrepresentations of any kind or nature whatsoever, alleged breaches of contract (based upon implied, express, estoppel, waiver, or alternative theories of contractual obligation), or breach of any alleged special, trust, agency or fiduciary relationship, whether asserted or proposed to be asserted by way of claim, setoff, affirmative defense, counterclaim, cross-claim or third party claim.

2. No Release of Franchisee. Franchisee is not released from any duty or obligation imposed upon Franchisee by the Franchise Agreement, provided that upon assignment and assumption of the Franchise Agreement by the authorized transferee and delivery of all of the documents and fees required by Franchisor as a condition to the assignment or transfer of the Franchised Business, Franchisee shall have no liability or obligation with respect to any breach of the Franchise Agreement by the transferee arising after the date of transfer or assignment.

3. Survival of Obligations. Franchisee and Guarantor(s) each acknowledge that its obligations under the Franchise Agreement with respect to indemnification, audits (as to accounting periods prior to the Termination Date) and confidentiality of materials disclosed while the Franchise Agreement was in effect, and any other provision that specifies it survives termination of the Franchise Agreement all remain in full force and effect. 4. Non-Competition Covenants. Notwithstanding the foregoing, the post-termination termination covenants against competition set forth in Section 12 of the Franchise Agreement shall be in full force and effect from the Effective Date until their stated expiration date.

5. No Violation of Applicable Law. Notwithstanding the foregoing, this Release does not apply to any claim or cause of action arising under laws governing the offer and sale of franchises to Franchisee or the relationship between Franchisee and Franchisor if the release would violate or is prohibited by such applicable law.

6. Representations and Warranties. Franchisee and Guarantor(s) each represent and warrant to Franchisor that: (a) Franchisee has reported the gross sales of the Franchised Business accurately and correctly calculated the fees due during the Term of the Franchise Agreement; (b) Franchisee, Guarantor(s) and Franchisee's employees, contractors and agents have not used, disclosed or made unauthorized copies of any Confidential Materials, or shared any access codes to electronic information and secure web sites of Franchisor in violation of the Franchise Agreement; (c) no consent of any third party is required for Franchisee to enter into or perform this Release; (d) Franchisee or Guarantor(s) have not filed a lawsuit or arbitration demand against Franchisor, its parent companies or affiliates and have not filed a proceeding, complaint or notice regarding this franchise or Franchisor with any federal, state or local regulatory or law enforcement agency, including without limitation the Federal Trade Commission regarding the Franchise Agreement; (e) Franchisee or Guarantor(s) are not the subject of any pending bankruptcy, receivership, composition, assignment or similar proceeding; (f) Franchisee has obtained the necessary equity owner and governance board authorization to execute and perform this Release; and (g) the persons negotiating and executing this Release on Franchisee's behalf have been duly authorized by its owners and its governance board.

7. Confidentiality. Each party hereto and their respective counsel, representatives and agents agrees that they will not disclose any of the terms of this Release. The parties and their respective counsel, representatives and agents are not, however, precluded from disclosing the terms of the Release to their attorneys, accountants, tax preparers, paid financial advisors or any governmental, regulatory or judicial authority which might compel the disclosure of this Release. Notwithstanding the foregoing, if any of the parties is served with a subpoena or other governmental or judicial process seeking to compel the disclosure of this Release, it shall be the responsibility of the party that receives the subpoena or other governmental or judicial process to notify all other parties to this Release within 72 hours of receipt, thus affording the other parties to this Release an opportunity to move to quash the subpoena or oppose the entry of any order seeking to compel the disclosure of this Release. Franchisor and the Franchisor's Representatives covenant and agree not to disparage, defame, impugn, assail or criticize the reputation, integrity, professionalism or conduct of Franchisee and the Guarantors in connection with this Franchise. The parties acknowledge that monetary damages may not be sufficient to provide redress to an aggrieved party if the other party breaches this Section, so the parties consent to the entry of injunctive relief to prevent any breach or continuing breach of this Section.

9. Consultation with Counsel. Franchisee and Guarantor(s) acknowledge that each of them has consulted with, or had the opportunity to consult with, legal counsel of their own selection about this Release.
