What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Tennessee. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Tennessee than in your own state.
2. **Mandatory Minimum Payment:** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Sales Performance Required:** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchisee on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchisee for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The Franchise Offering

The franchises we offer allow you to operate a business offering inspection services for single-family residences, certain multi-family buildings, and small commercial buildings under our System of Operations and the Marks (each a “**Franchised Business**”) under the terms of our franchise agreement (the “**Franchise Agreement**”) in a territory that we specify (the “**Territory**”). These services include building inspection services and other inspection services and related products such as energy evaluations, infrared technology, radon inspections, mold testing, wood-destroying insect or organism inspections, pool and spa inspections, sewer scoping, water quality testing, lead testing, and winterizing services.

If we grant you the right to operate a Franchised Business, you will sign a Franchise Agreement which gives you the right to use (i) the business plans and methods to be used in connection with the operation of the Franchised Business, including standards, specifications, methods, procedures, techniques, management systems, approved inspection software, identification schemes, know-how, and information (the “**System of Operations**”), and (ii) our “**Marks**”, which include the AmeriSpec® marks and commercial trade names, trademarks, service marks and other commercial symbols, including associated logos, that we authorize for use in the Franchised Business, which are subject to change from time to time. Our System of Operations are documented in the AmeriSpec Franchise Operations Manual (the “**Operations Manual**”), which is available on our intranet site (our “**Intranet**”), and otherwise in writing. We may change, improve, or further develop our System of Operations from time to time. Most residential building inspections are performed when people buy or sell a home to disclose to the prospective buyer of the home any defects discovered during the inspection. We expect your customers will be homeowners, homebuyers, and referral sources like real estate brokers and agents, attorneys, mortgage lenders and relocation services.

Existing Franchisees. Our offering for existing franchisees wishing to purchase additional Franchised Businesses may differ slightly due to certain considerations for franchisee’s experience with our system (i.e. reduction in required training, computer hardware or software requirements, and a discount of the Initial Franchise Fee as disclosed in Item 5). Existing franchisees purchasing additional Franchised Businesses must sign our then-current Franchise Agreement.

National Accounts Program. The AmeriSpec® National Accounts Program (the “**National Accounts Program**”) is a voluntary program in which we offer franchisees the opportunity to offer services to consumers affiliated with national customers who agree to market our inspection services to such consumers (“**National Accounts**”). If you participate in the National Accounts Program, you will be eligible to receive leads for a designated area (usually a designated zip code). You do not have any right, however, to receive leads for jobs to be performed in these designated zip codes. Rather, we have the absolute right to designate an area and/or distribute leads or not distribute leads according to our judgment. You have the option of declining a lead call from a National Account, but you must refer the call back to us.

At the present time, we are not able to predict how many National Accounts will participate in the National Accounts Program. There is no guarantee that if you are part of the National Accounts Program that you will receive any leads. Lead flow varies widely depending on the location of the Territory. Some Territories will receive no leads.

If you choose to participate in the National Accounts Program, you must adhere to the terms and conditions required by these National Accounts when you provide services to a National Account customer. If you do not participate in the National Accounts Program, it is possible that we or our other franchisees will receive leads in your Territory.

Ancillary Inspection Services. After first being certified as an AmeriSpec Home Inspector (a “**Certified Inspector**”) and gaining experience in the inspection business, you will have the option to perform other types of inspections or to seek additional certification in other inspection services for residential or non-residential properties, commercial buildings, and apartment buildings (more than 4 units).

Commercial customers may include property owners, prospective purchasers, and property managers. A Commercial Property Inspection may include specialty inspections, such as inspection of the heating and cooling systems, as well as the condition of the property. To perform such inspections, you will need additional training and, for some services, certification, which you can obtain from third party vendors for a fee. Before seeking certification, you must meet the experience standards as outlined on our franchise intranet (the “**AmeriSpec Connection**”), as well as have the approval of our Manager of Technical Training and Development.

Competition

The competition for the services you offer will vary depending on the type of service. The competition for our primary service, the residential home inspection service, will come from other building inspection services in the same geographic area, including independent local companies and those that may be franchised by national or regional building inspection franchise companies. In some areas of the country, residential sales may be seasonal, and this will cause your business to be seasonal in those areas. Also, your business will depend on the number of real estate transactions in your Territory and will therefore fluctuate depending on the real estate market.

Other inspection services offered by many of our franchisees include a variety of environmental inspections, such as energy evaluations, radon testing, mold testing, and wood destroying insect and organism inspections and inspections using infrared technology. We believe the market and the competition for these services are generally the same as for our building inspection services. There are some competitors that offer only these services, or that offer other services as part of another business, such as pest control inspections, that does not compete with our building inspection service. Other AmeriSpec® franchisees or subcontractors may serve customers in your Territory.

Industry-Specific Regulations

You should be aware that there are specific statutory requirements in many states that apply to home inspector licensing, registration or certification, or otherwise regulate the operation of a home inspection business and other Ancillary Inspection Services. Some states require attendance at their training sessions and passing a test before you can be licensed in that state. These requirements may apply to your Franchised Business. Several states may also have legislation pending regarding the licensing, registration or certification of home inspectors and specific requirements for home inspection reports. You should check with your state’s real estate commission, licensing boards, home inspection association, or local municipality to confirm the existence of state and local statutory

requirements and pending legislation in your state. Other laws regulating businesses in general also may apply to your Franchised Business. It is your responsibility to comply with any applicable laws, rules or regulations.

In addition to statutes and regulations specific to the industry for your Franchised Business, you must comply with all federal, state, and local data privacy and security laws which may apply to your Franchised Business. Federal, state, and local laws regulate the requirements for protection and use of customer data, including personal and payment related information. As a part of your Franchised Business, you may collect information related to your consumers on our behalf. While we own all the data that you collect, you must ensure that all of your collection and retention methods comply with such laws. We have made no independent investigation into such requirements, and it is entirely your responsibility to ensure your own compliance with these laws.

1. **Military Discount** - A discount of 20% off the Initial Franchise Fee for your first Franchised Business if you, or the majority of the shareholders, members, or partners of the franchisee entity, were honorably discharged from the U.S. Army, Navy, Air Force, Marine Corps, Space Force or Coast Guard. This discount is also offered through the International Franchise Association's VetFran Program in which we

Notes to Item 6, Other Fees:

1. Unless otherwise stated, all fees are uniformly imposed by, payable to or collected by, us, and are nonrefundable; however, we reserve the right to waive or amend any of the fees for circumstances we believe warrant a waiver or amendment, including but not limited to an underlying increase in costs we incur either directly or through the use of approved vendors. You must participate in our current electronic funds transfer and reporting program(s). For monthly fees, such as the Royalties and Advertising Contribution (the “**Monthly Fees**”), the fee must be reported by the 10th day of the month and paid electronically by the date specified by us following the month in which Gross Receipts are made (currently, the 20th day of the month) (the “**Payment Due Date**”). If you have not reported Gross Receipts for any reporting period, we will be authorized to debit your bank account (the “**Account**”) in an amount equal to the greater of the non-reported payment (if we can reasonably estimate or determine the owed amount) or one hundred twenty percent (120%) of the Monthly Fees transferred from such Account for the last reporting period for which a report of Gross Receipts was provided to us. If at any time we determine that you have underreported Gross Receipts or underpaid any fees due to us under the Franchise Agreement, we will be authorized to immediately initiate a debit to the Account in the appropriate amount, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after we and you determine that such credit is due.
2. “**Gross Receipts**” means the total amount of revenues received by you or any affiliates from all products and services offered by the Franchised Business or offered from the premises of the Franchised Business, and all other services or products sold under the Marks, or using any branded systems (including any branded software) or tools, or otherwise related to the Franchised Business or sold to customers of the

Franchised Business, whether payment is received by cash or credit, plus the fair market value of goods delivered and services rendered to you, or your designee, in consideration for goods and services provided in, from, or in conjunction with the Franchised Business. “Gross Receipts” exclude (i) bona fide refunds, (ii) credits given or allowed by you to customers, (iii) uncollectible checks, and (iv) amounts collected from customers and remitted by you to any governmental taxing authority in satisfaction of sales taxes.

3. Royalties are generally understood to be the fees the franchisee pays to use something that someone else created (i.e. the Franchised Business idea and trademarks and branding). Franchisees use our ideas, trademarks and branding to create sales, and a percentage of the Gross Receipts is paid to us as a royalty fee in exchange for permission to use our proprietary trademarks and processes.
4. A qualified lead is defined as someone who has passed our screening process, our national background check, credit check, and at a minimum a phone interview of the prospect. We are not responsible for locating leads and do not represent that we will do so. The Lead Fee also covers our advertising and marketing costs and administrative costs of such information sharing and gathering. The Lead Fee is not a Transfer Fee.

Notes to Item 7:

1. General. The estimated amounts included in this Item 7 are estimates based on our, and our Immediate and Indirect Predecessors', experience offering and supporting Franchised Businesses. Amounts paid to us are non-refundable, except as noted below. The refundability of amounts paid to third party suppliers depends upon arrangements between you and the suppliers. We and our affiliates do not directly or indirectly offer financing for these expenses.
2. Initial Franchise Fee. The Initial Franchise Fee may vary depending on whether a discount applies. See Item 5 for a description of available discounts.
3. Marketing and Technology Bundle. The Marketing and Technology Bundle is described in Item 5.
4. Uniforms. You must purchase AmeriSpec® branded uniforms from a vendor that we approve.
5. Equipment. We recommend you purchase and maintain, at a minimum, the following tools-of-the-trade to perform home inspections: (i) combination screwdriver, (ii) short awl, (iii) long awl, (iv) tool pouch, (v) knee/elbow pads, (vi) face mask respirator, (vii) voltage tester, (viii) tape measure, (ix) water pressure gauge, (x) gloves, (xi) two GFCI testers- 3-prong, (xii) 2-prong outlet tester (adapter), (xiii) 2,000 cp rechargeable AC/DC flashlight, (xiv) two probe-type thermometers, (xv) overalls, (xvi) binoculars (minimum 8 X 20 X 50 IRO), (xvii) ladder (minimum 17 foot), (xviii) carbon monoxide detector, (xix) gas leak detector, (xx) moisture meter, and (xxi) safety goggles.
6. Computer Equipment and Services. This estimate includes the printer, computer, software, and Internet connection that are described in Item 11 that are not included in the Marketing and Technology Bundle.
7. Internet Connection. You must obtain a high-speed Internet connection from a third-party vendor. The estimate is for the first month of services.
8. Vehicle Expenses. Your Franchised Business requires at least one service vehicle, which must be white, red or navy blue (any exceptions must be approved by us), must be identified according to our vehicle identity standards using our approved vehicle graphics, and must be dependable and in good working condition and appearance. You may use a vehicle you presently own if it meets these specifications, or you may choose to lease or purchase another vehicle. If you live in a community that prohibits identified vehicles, you may be granted an exception from us to use magnetic sign vehicle identification. If such an exception is granted, magnetic signs are available for you to supply to your Certified Inspectors. The estimated amount includes estimated (i) gasoline expenses for three months, (ii) vehicle license, tax, and title, (iii) three monthly payments, and (iv) vehicle graphics (\$300 to \$1,500 plus shipping and handling) and installation costs (\$120 to \$160). Your actual expenses may vary depending on your locality, your choice of vehicle, and the number of inspectors who are furnished a company vehicle.

9. Opening Promotional Expenses. This estimate is for the cost of marketing materials to be used to promote your opening, including specialty items, giveaways, apparel, flyers and other printed pieces approved by us. You are not required to buy these materials.
10. Travel and Living Expenses While Training. This estimate is for the cost for up to three people to attend our Initial Training, which is described in detail in Item 11. The Initial Franchise Fee covers the cost of Initial Training for three employees or inspectors to attend Initial Training within your first 12 months of business, as well as some meals. Training of additional employees or inspectors will incur the fees described in Item 6. You are responsible for the travel and living expenses, wages, and other expenses incurred by you and any other trainees during the programs. Your actual cost will depend on your point of origin, method of travel, class of accommodations, and dining choices. Other certification or inspection training, commercial inspection training, and infrared technology inspection training are available through third-party vendors with our approval. Additional equipment may be needed in order to perform these optional inspection services.
11. Insurance. You must obtain the types and amounts of insurance that we specify from time to time from insurance providers or insurance brokerage firms. The current minimum requirements are specified in Item 8. We have approved vendors for E&O Insurance; however, you may also obtain insurance from another insurer at a rate determined by the insurer so long as it meets our minimum requirements and is reviewed and approved by us. Amounts listed are for annual premiums; however, rates vary state to state. Your premiums will be based on the state in which you are located, revenue estimates of the inspectors, additional endorsements, the number of inspectors or inspections, years of retro coverage, and claims history. We do not represent that our minimum insurance requirements will be sufficient for your business; we recommend that you consult a qualified insurance broker to discuss your insurance needs.
12. Additional Funds – Pre-Opening and First 3 Months of Operation. This amount is an estimate of the initial start-up expenses you will incur before your Franchised Business opens and in its first three months of operation. These expenses may include, without limitation, rent, security deposits such as telephone and utilities, internet service fees, utility costs, incorporation fee and other business-related licensing, initial bank deposits, attorneys' fees, prepaid expenses, employee salaries, wages, benefits, payroll taxes, bank charges, taxes, additional advertising expenses, miscellaneous supplies and equipment, and other miscellaneous items. It does not include any salary or living expenses for you. You may incur other categories of expenses or expenses in excess of this estimate. We have based these figures on our, and our Immediate and Indirect Predecessors', experience franchising Franchised Businesses.
13. Total Initial Investment. In putting together these estimates, we have relied on our, and our Immediate and Indirect Predecessors', combined years of experience in the business and the experience of our franchisees in starting Franchised Businesses during the last several years. As you may operate your Franchised Business from your home (provided it is in the Territory), this estimate does not include the cost of real estate or leasehold improvements. Your actual investment could be different than our experience, depending on factors such as whether you open an office outside your home, spend more in advertising, or charge additional expenses through your company.

Item 8: Restrictions on Sources of Products and Services

Standards and Specifications.

All equipment, fixtures, supplies, insurance, inventories, computer hardware and software, and supplies you purchase for use in your Franchised Business or for selling your services must meet our specifications, to the extent we designate them. Those specifications may include minimum standards for delivery, performance, design, appearance, and quality. The specifications will be issued to you before you start your business. Our specifications are subject to change, are general in nature, and are designed to assure that you meet our standards of customer satisfaction. We impose these restrictions to safeguard the integrity of the System of Operations and the Marks.

Approved and Designated Suppliers.

The only items we currently require our franchisees to purchase from us or our affiliates are the items included in the Marketing and Technology Bundle, including AMS and AIS. We may charge a reasonable mark-up on equipment, products, supplies and services that you are required to purchase from us. We also make available various optional brochures and marketing materials that our franchisees may purchase from us.

We designate certain suppliers as approved suppliers that we may require or recommend that you use for specialty items, field inspection hardware/accessories, specialty printers, insurance services, inspection tools, office equipment, career apparel, customized newsletters, laboratory services, testing supplies, computer systems and accounting systems. We have approved suppliers for stationery supplies, office forms, signs or decals, promotional items, and insurance brokers. We will give you a list of approved suppliers before you start your business. We may revise the list of approved suppliers from time to time in our sole discretion.

Insurance. You must insure your Franchised Business with coverage, types, and amounts that we specify in the Operations Manual or otherwise in writing. You cannot begin offering services to the public unless you are adequately insured. Our present insurance requirements are:

- (a) Employers' liability with a minimum limit of \$500,000 in workers' compensation and other statutory required programs;
- (b) Commercial general liability insurance covering the operation of your Franchised Business with a limit of at least \$1,000,000;
- (c) Business automobile insurance for hired, owned and non-owned or any auto with a minimum limit of liability of \$1,000,000 for both bodily injury and property damage;
- (d) Errors and omissions with a minimum limit of liability of \$1,000,000; and
- (e) Additional insured by schedule, including Franchisor, others named, and per contractual requirement.

If you offer commercial inspection services, we require you to carry Errors & Omission insurance that covers commercial inspections. Most E&O master insurance policies cover buildings not exceeding four stories in height and 50,000 square feet and 20 acres in size. Larger buildings may require additional coverage; check with your E&O insurance carrier prior to inspecting such larger buildings.

For all insurance policies, you must list us and our affiliates as an additional insured. We reserve the right to modify these insurance requirements periodically and you must meet any new requirements.

All insurance policies procured and maintained by you must (i) be written by an insurance company satisfactory to us, (ii) name us, our affiliates, and our officers, directors, employees, agents, and partners, as an additional insured (except Workers' compensation policy), (iii) contain endorsements by the insurance companies waiving all rights of subrogation against us for workers' compensation insurance, commercial general liability insurance,

and business automobile liability insurance, and (iv) stipulate that we will receive copies of all notices of cancellation, non-renewal or coverage reduction or elimination at least 10 days prior to such event.

If you fail or refuse to maintain any required insurance coverage required or fail to furnish satisfactory evidence of coverage, we may, at our option and in addition to any other rights and remedies we have hereunder, obtain such insurance coverage on your behalf, and any costs of premiums incurred by us in connection therewith shall be paid by you on demand.

Officer Interests. Our officers own indirect ownership interests in us, and we are an approved supplier. Other than these interests, our officers do not have any ownership in any approved suppliers.

Approval Process. If you want to purchase products from suppliers other than those we have approved, you must request our approval before doing so. Before giving our approval, we may ask the supplier to provide samples of materials they wish to provide to you, and we may investigate the ability of the supplier to provide materials that meet our specifications. We do not impose any fee either to you or the supplier for conducting this investigation, and we do not publish our criteria for reviewing suppliers. We will usually be able to tell you via telephone, e-mail, or fax within 10 days whether or not the supplier is approved, but the time period will depend upon the cooperation we receive from the supplier in responding to our questions. Approval of alternative suppliers may be revoked if we determine, in our sole discretion, that they no longer satisfy the specifications set forth in the Operations Manual, as it may periodically be updated.

Revenue Earned from Required Purchases. We and our affiliates may derive revenue from the sale of items to you by us, our affiliates, or our approved vendors. In the fiscal year ending December 31, 2024, we and our affiliates did not earn any revenue from required purchases by our franchisees.

Percentage Subject to Specifications. On an ongoing basis, the items you purchase must comply with our specifications and will represent approximately 10% to 15% of the total purchases you will make in establishing and operating your Franchised Business. This includes items you will purchase from us, as well as other expenses you will incur in operating your Franchised Business.

Purchasing or Distribution Cooperatives. As of the Issuance Date of this Disclosure Document, we do not have any purchasing or distribution cooperatives.

Purchase Arrangements. We have negotiated special franchise pricing with some vendors. For some purchases, we may in the future receive manufacturer and wholesaler rebates based on the total purchases by the AmeriSpec® system, but we do not currently do so.

Material Benefits or Incentives. We do not provide any material benefits or incentives to you for your purchases of certain products or services or your use of certain suppliers.

We have relationships with certain banks and third-party lenders in different regions and may be able to refer you to a preferred source of financing for Initial Franchise Fees and franchise growth initiatives, but we do not have any arrangements with such lenders and do not receive any benefits from such lenders if you obtain financing from them.

Item 11: Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance. Before you open your Franchised Business, we will:

1. Designate your Territory and approve your Office location. (Franchise Agreement – Paragraph 3 and Paragraph 7).
2. Make available to you Initial Training. (Franchise Agreement – Paragraph 8.1)
3. Provide you with access to our Operations Manual, which currently consists of approximately 261 pages. The Table of Contents of the Operations Manual is attached as Exhibit G. (Franchise Agreement - Paragraph 8.5 and Paragraph 19.5)
4. Sell you the Marketing and Technology Bundle. (Franchise Agreement - Paragraph 11.1)
5. Provide you with specifications and lists of approved suppliers for other items you will need to operate your business (see Item 8 for details). Other than the Marketing and Technology Bundle and list of approved suppliers, we do not provide other assistance to you related to acquiring equipment, fixtures, and supplies to be used in your Franchised Business. (Franchise Agreement - Paragraph 11.1)
6. Provide you with an internet e-mail address and a website for use in operating your Franchised Business. (Franchise Agreement - Paragraph 6.8 and Exhibits D and E)
7. Make available the Service Vehicle detail package of logos for use on your Service Vehicles (Franchise Agreement – Paragraph 9.13).

On-going Assistance. During the operation of your Franchised Business, we will:

1. Conduct on a regular basis, at our discretion, a convention or seminar for all of our franchisees. (Franchise Agreement - Paragraph 8.6 and Paragraph 8.7)
2. Develop and implement national and/or regional advertising and marketing campaigns through management of the National Advertising Fund. (Franchise Agreement - Paragraph 6)
3. Periodically update our Operations Manual and our Intranet. (Franchise Agreement - Paragraph 8.5)

We do not control, and do not have the right to control, decisions regarding the persons you hire, discipline, or terminate as employees or agents. However, we may take any legal action necessary to enforce our rights under the Franchise Agreement. We also require that you perform background checks and drug testing as allowed by law. These policies will not constitute our representation of approval or disapproval of any prospective employees. In all cases you will remain solely responsible for decisions regarding hiring and maintaining your employees, including determinations of whether the prospective employee meets your hiring and performance standards or is suitable for the employment position.

Time to Open. The typical length of time between the signing of the Franchise Agreement and the start of your business is approximately one to four months. You or the manager of the Franchised Business must attend and complete the first scheduled Initial Training following the execution of the Franchise Agreement, before you may begin operating your Franchised Business. The factors that affect this development time are the date you start your training, when you purchase your Marketing and Technology Bundle (See Item 7), and, if applicable, when you complete your state-specific licensing, registration, or certification requirements.

Site Selection. You must establish and operate from a regular, full-time business office within your Territory (the “Office”). Full time is defined as Monday through Friday 8 a. m. to 5 p.m. The Office can be in your home, as long as your home is located within your Territory. We have the right to approve your Office location. You shall submit the information regarding the Office location to us for approval prior to establishment thereof. There are no specific factors that we consider when determining if an office meets our approval other than the location must be within your Territory. There are no consequences if you and we cannot agree on an office location.

Your Office must be a functional business office with a desk, chairs, file cabinet, computer and printer, etc. While we do not prescribe specific standards for the interior or exterior of your Office, if it is outside of the home, it is expected to be tastefully decorated in a manner designed to enhance the goodwill associated with the Marks. Should you choose to locate your Office in your home, it is your responsibility to comply with all local ordinances as some may prohibit home offices.

If you own multiple Franchised Businesses with contiguous territories, you are only required to establish one full-time Office. We have the right to approve your office location. We do not own premises that are leased to you. Once established, the Office cannot be moved without our consent. We do not locate an office for you, do not negotiate the purchase or lease of your office site, do not own office locations or office space for lease to you, do not conform the office premises to local ordinances, building codes, or obtain any required permits, and do not construct, remodel, or decorate the premises.

If you lease a space for your Office, you will be solely responsible for negotiation of the terms of your lease and performance under the lease. Our acceptance of the lease is solely based on the site and lease satisfying our minimum site selection criteria. Our acceptance will be based upon many factors, including the then-current viability of the proposed location and demographics, traffic patterns, competition, and similar factors.

Advertising Programs

National Advertising Fund. All franchisees must contribute the Advertising Contribution to the National Advertising Fund (the “Ad Fund”). As of the date of this Disclosure Document, the Advertising Contribution is the greater of 3% of the monthly Gross Receipts of each Franchised Business or \$160 (except the \$160 minimum does not apply until 90 days after opening the Franchised Business). We may adjust this contribution amount upon written notice to you, but it shall not exceed 3% of Gross Receipts. We do not contribute to the Ad Fund. Although there are no company-owned stores, all company-owned stores would contribute to the Ad Fund on the same basis as other franchisees. Any amounts in the Ad Fund that are not spent in any fiscal year are kept in the Ad Fund for

use in the following year. Upon written request, we will provide a written statement of the financial condition of the Ad Fund, certified by one of our executive officers. We are not obligated to audit the Ad Fund.

We do not use any portion of the Ad Fund in a way that is principally aimed at helping us sell franchises.

We shall have sole discretion over the methods of advertising, selection of media, locale of advertising, and contents, terms and conditions of advertising campaigns and promotional programs. Currently, the source of advertising material comes primarily from in-house, but we also may use outside advertising sources.

In 2024, the Ad Fund was spent on: digital media (12%); assets (11%); continuing education (7%); contributions to the Co-Op (as defined below) (13%); and administrative and miscellaneous costs (57%).

Advertising from the Ad Fund is intended to maximize the public's awareness of the franchise system. We are not obligated to ensure that any individual franchisee benefits directly, on a pro rata basis or at all, from the placement, if any, of such advertising in its local market. We are not required to spend any amount on advertising in your Territory.

Although we do not have an advertising council, we have a National Franchise Council consisting of members from various regions of the country. The members are nominated and elected by their peers and are consulted regarding new ideas for use of the Ad Fund, as well as departures from any existing programs. We may add or remove members and dissolve this council at any time, and we retain control over all decisions related to the Ad Fund.

Besides the Ad Fund, neither franchisees nor company-owned outlets are required to participate in any other advertising funds. However, we retain the right, in our sole discretion, to require participation in other advertising funds in the future.

Cooperatives. Franchisee may participate in a voluntary cooperative advertising program (the “**Co-Op**”) that is intended to encourage AmeriSpec franchisees to increase local advertising and marketing programs by supplementing some of the expenses associated with these marketing efforts. While the Ad Fund mostly focuses on expenses for marketing initiatives on a national level, Co-Op funds provide the additional support needed to increase local marketing efforts. The Co-Op program is fully funded by the Ad Fund and administered by us. The Co-Op is available for all AmeriSpec franchisees that contributed to the Ad Fund and are in compliance with the rules and guidelines. To qualify for the Co-Op, franchisee must meet and maintain certain performance standards and requirements, such as the following: being current on reporting and paying all fees due to us; maintaining current all applicable accounts receivable with us or our affiliates; having live answering available Monday through Friday during business hours; being in compliance with its obligations as a franchisee; and timely submitting receipts to the Co-Op.

In 2024, each franchisee's Co-Op funds were based on their 2024 customer level revenue (CLR). A franchisee is eligible for a 1-1.5% Co-Op allocation rate depending on its CLR threshold or a minimum of \$400. For calculating the 2024 allocations, the franchisee's total Gross Receipts reported from 2024 is multiplied by the applicable NAF Co-Op rate in which it falls. For example, a business that generated \$35,000 in CLR in 2024 would be eligible for a Co-Op allotment of $\$35,000 \times .01$ (the allocation rate for this threshold of CLR) = \$350. However, any owner that contributed to 2024 NAF is eligible for a minimum of \$400. We currently permit participants in Co-Ops to submit receipts of such shared expenses to us, and we may, in turn, use the Ad Fund to reimburse such participants for a portion of such shared expenditures. We shall determine the percentage of such Co-Op expenditures that may be reimbursed from the Ad Fund, if any. The Co-Op will not have prepared annual financial statements. We have the sole right to form, change, dissolve, and merge Co-Ops and to create and amend any organizational and governing documents of any Co-Op.

Local Advertising. In addition to making contributions to the Ad Fund, you must conduct your own local advertising to promote your business. You may use any of the advertising and marketing materials we make available to you in promoting your business, or you may create your own materials. If you create your own materials, we must approve them before their use. In addition, we have the right to review and make suggested changes and approve internal advertising efforts, such as web-site advertising and electronic mail, and to provide standards for all internet advertising.

As disclosed above, some of your expenses for local advertising may be reimbursable through our Ad Fund reimbursement program. You are not required to participate in any local or regional advertising cooperative or in any other advertising fund.

Our Advertising. We will provide you with appropriate marketing tools necessary to implement a local marketing plan. We may make available to you advertising materials and services at scheduled prices. We are not obligated to conduct any advertising or to spend any amount on advertising anywhere, including in your Territory. If we do conduct any advertising, we are not obligated to ensure that any individual franchisee benefits directly, on a pro rata basis or at all, from the placement, if any, of such advertising in its local market. We may engage the professional services of advertising agencies, including advertising agencies affiliated with us.

Computer System

You must acquire and use the computer systems we specify for the operation of your Franchised Business. The annual costs for computer and equipment services ranges from \$1,100 to \$1,300. This estimate includes the printer, computer, software, and Internet that are not included in the Marketing and Technology Bundle. We may develop computer systems and specifications for certain components of the computer systems in the future and may modify those specifications and the components of the computer systems. As part of the computer systems, we may require you to obtain, update, and use specified computer hardware and/or software including, without limitation, a license to use proprietary software developed by us or others. Your computer systems must be compatible with our computer systems, must be connected to our facilities by high-speed Internet with minimum requirements specified by us, and must be updated, maintained, and used in compliance with our specifications. We may require you to electronically upload or transmit information on a periodic basis (including daily). Also, we have the right to independently access sales information and other data produced by the computer systems and there are no contractual limitations on our right to access and use that information and data, even if the data is maintained by a third party.

We do not provide any support for computer hardware/software operated on computer systems that do not meet our current specifications or for outdated (not current version) software. As the required software is updated, you may need to upgrade or supplement hardware and related items in order to continue to use it. You must upgrade your computer equipment and purchase any additional equipment we specify to accommodate our software or to improve the overall effectiveness and competitiveness of your Franchised Business. We do not expect the cost of these upgrades to be more than \$4,000 per full-time inspector used by you, in any 24-month period. There are no contractual limitations on the frequency and costs of your obligations to upgrade or update any system during the term of the franchise.

The AIS (AmeriSpec Inspection Software) is a software program that allows home inspectors to collect data while performing a home inspection and generate a home inspection report. The AIS is typically operated on hand-held devices and will require installation to operate on laptop or desktop computers. We will assist you with Level 1 inspection software support and assist vendors with major bug fixes for the AIS. We charge an initial license fee of \$1,000 per license for the first year that is included within the Marketing and Technology Bundle that you purchase when you sign your Franchise Agreement. For each year thereafter, an annual services fee that varies per license per inspector must be paid to our approved vendor, depending on the method of payment. Additional

licenses for your Franchised Business may be purchased directly from our approved vendor. You must sign the approved vendor's then-current software license agreement. New releases of the software may be provided from time to time.

At our discretion, existing franchisees may have the option, upon renewal of their Franchise Agreement, to continue using AmeriSpec Home Inspector software ("**AHI Software**"). If approved by us, existing franchisees must sign the Software License Agreement included in this Disclosure Document as an exhibit to the Franchise Agreement and pay the then-current license renewal fee associated with the AHI Software.

The AMS (AmeriSpec Management System) is an online business management tool that allows you to have all your needed information and automated processes in place. The AMS allows us to market, schedule, and communicate with your customers. You must sign a license agreement with us for use of this software, which is included as Exhibit G to the Franchise Agreement. Currently, you will pay us an initial license fee of \$300 per license (which is included in your Marketing and Technology Bundle) and an annual technology fee of \$55 per month, not to exceed \$150 per month, for this software. The fee will be pro-rated for your first year of operation. For each year thereafter, the fee will be payable on June 1.

We are not obligated to provide specific software required by state licensing agencies. It is your responsibility to be in full compliance with your state(s) license requirements, including specific software requirements.

We independently have access to the information and data generated by our software described above. There are no contractual limitations on our right to access the information and data.

We have a private, secure site on the Internet, which is available to our franchisees. This intranet site, AmeriSpec Connection or a comparable site, allows a franchisee to send electronic mail to our corporate staff and other franchisees, post and respond to questions and view other responses in question and answer forums, view and print news items, view and print the Operations Manual, and download files and software updates.

Training

Initial Training. As described earlier, we offer a two-week Initial Training (also referred to as AmeriSpec® Academy) that consists of a one-week technical training on the performance of home inspections and a one-week management training on operating a business. We hold Initial Training at our training facility located in Memphis, Tennessee approximately six times per year, but we may hold our Initial Training virtually when travel or in-person meetings are restricted.

The person who will actually manage your business (whether it is you (if you are an individual) or a manager) and new franchise owners must attend and successfully complete Initial Training. You (if you are an individual), your owners, and/or your manager will typically attend Initial Training approximately 30 to 60 days from signing the Franchise Agreement. You, your owners, or your manager must successfully pass an exam at the end of the technical part of Initial Training.

All individuals conducting home inspection services for you must be certified as a Certified Inspector. An individual may become certified as Certified Inspector by completing the online Study Course that we designate, completing the technical week of Initial Training, and successfully passing the final exam that we provide or by successfully completing a training course provided by a third-party that we approve.

In our sole discretion, existing AmeriSpec franchisees who are acquiring an additional Franchised Business, either via a new purchase or a transfer, may be required to go through our current Initial Training. If you are purchasing

a Franchised Business from an existing franchise owner, you must attend the first scheduled Initial Training following the purchase of the franchise.

If you are a new franchise owner, you may have a total of three trainees per Franchised Business attend Initial Training during the first 12 months of business operations as part of the Initial Franchise Fee, unless we, in our sole discretion, allow you to have more attend as a result of your business volume. We charge a fee for additional or subsequent trainees to attend Initial Training, as described in Item 6, and the program is subject to availability. When you or your trainees attend Initial Training, you are responsible for all related costs of training, such as travel and hotel expenses, some meals and other out-of-pocket expenses and compensation.

The following table summarizes our Initial Training:

Notes to Item 11, Training Program:

1: We will use our Operations Manual and the Home Reference Book of Home Inspection as the instructional

materials for these training programs. Training sessions and materials are in English. The management training of the Academy is presented by the Development Managers and the Marketing Department along with our other staff members. The technical training at the Academy is conducted by our Manager of Technical Training, Michael Hughes. Mr. Hughes was an AmeriSpec® franchisee from 1998 to 2000 and has been on our and our Immediate and Indirect Predecessors' technical training staff since January 2001.

2: You must complete the 40-hour Home Reference On-Line Study Course prior to attending the two-week Academy. We will monitor the on-line Home Reference Study Course to ensure completion prior to attending Academy class.

3: After Academy, you and any inspectors must complete three to four practice inspections and submit inspection reports for evaluation by the Technical Department.

You should be aware that there are specific statutory requirements in many states that apply to home inspector licensing, registration or certification, or otherwise regulate the operation of a home inspection business. Some states require attendance at their training sessions and passing a test before you can be licensed in that state. It is your responsibility to determine whether these requirements may apply to your Franchised Business and to comply with any applicable laws, rules or regulations.

Additional Training and Assistance. We may, but are not required, to provide or make available to franchisees training on the performance of other residential and commercial building inspections.

All franchisees wishing to perform commercial inspections must meet our standards as specified in the Operations Manual, obtain our approval, and become certified in commercial property inspections from a program that we approve. Currently, the approved commercial inspection training program is conducted by an independent third party, which charges a fee, and is separate from our Initial Training.

We offer additional regional training programs and refresher courses to our franchisees and their inspectors from time to time for additional and continuing technical education. The number of regional sessions held may vary from year to year at our discretion. We may charge a fee for such programs.

We generally hold a franchisee convention approximately once every 12 to 24 months. Currently, we may charge a Convention Fee that ranges between \$650 to \$850 per person, and this fee is subject to increase from year to year. If you fail to attend the convention, you must pay us a fee of \$500.

Item 12: Territory

We will designate a Territory in which your Franchised Business will provide services. We consider total population, relative affluence, and, if available, the number of recent Real Estate Transactions (“**RETs**”) to determine a territory in our sole discretion. We use the current United States Census Bureau figures, or other sources we determine within our sole discretion, when considering population estimates. Your Territory will be listed as Exhibit A to your Franchise Agreement.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we or our affiliates control.

Performance Criteria

Your Territory will remain unchanged as long as you comply with all your obligations under the Franchise Agreement and meet the following performance criteria (the “**Performance Criteria**”):

For a new Franchised Business, you must have complied with the Franchise Agreement and achieved (a) revenue growth over the trailing 3 years; (b) at least 3% market share; and (c) a revenue percentage increase from Year 2 to Year 3 that is either (i) equal to or greater than the percentage increase of RETs in your Territory or (ii) equal to or less than the percentage decrease of RETs in your Territory.

For an existing Franchised Business, you must have complied with the Franchise Agreement and achieved (a) at least 3% market share and (b) a revenue percentage increase over a 5-year period that is either (i) equal to or greater than the 5-year average increase in the RET(s) in the Territory or (ii) equal to or less than the 5-year average decrease of RETs in your Territory.

Market share will be calculated by multiplying the number of RETs in the Territory for a 12-month period by the average percentage of RETs that obtain home inspections as determined by ASHI (American Society of Home Inspectors) and dividing that number by the number of home inspections performed by you during that same period.

If you fail to meet the Performance Criteria or fail to comply with any term of the Franchise Agreement, then in addition to any other remedies we may have, including the right to terminate the Franchise Agreement, we will have the right to reduce and/or restructure the size of or eliminate the protected rights in your Territory. In addition, if you are an existing franchisee and are transferring your Franchised Business to a transferee, we may modify or re-define your territory to be consistent with then current standards for issuing new territories, however we will not reduce the geographical scope of your territory for the aforementioned reasons except for failure to meet Performance Criteria.

National Accounts Program

You must be in compliance with the terms and conditions of your Franchise Agreement to participate in the National Accounts Program. If you participate in the National Accounts Program, you will be eligible to receive leads for a designated area (usually a designated zip code). You do not have any right, however, to receive leads for jobs to be performed in these designated zip codes. Rather, we have the absolute right to designate an area and/or distribute leads or not distribute leads according to our judgment. In fact, you may not receive any leads even if you participate in the National Accounts Program. Also, if you do not participate in the National Accounts Program, it is possible that other franchisees or subcontractors will receive leads in your Territory.

Marketing and Other Activities in the Territory

You may market to and solicit customers only within your Territory. Our business is a referral business; therefore, you may also perform services for a customer outside your Territory only if an agent and/or customer initiates the request. Directing marketing or solicitation activities to agents or customers outside of your Territory is prohibited. Otherwise, we do not prevent any of our franchisees from advertising their business, or soliciting customers through the internet, direct mail and other direct marketing. We do not pay for soliciting or accepting orders from inside your Territory.

You may operate and market your Franchised Business within the Territory, subject to certain rights reserved by us (as set forth below). We reserve the right to:

- (a) establish and operate, and grant rights to other franchise owners to establish and operate, Franchised Businesses or similar businesses at any locations outside of the Territory and on any terms and conditions we deem appropriate;
- (b) offer and sell, and grant rights to other franchise owners to offer and sell, any products or services that you do not or will not offer in the Territory, whether identified by the Marks or other trademarks or service

- marks, through any distribution channels we deem best, without any obligation to compensate you for selling such products or services in your Territory;
- (c) purchase or otherwise acquire the assets or controlling ownership of one or more businesses identical or similar to your Franchised Business (and/or franchise, license, and/or similar agreements for these businesses), some or all of which might be located within the Territory, without any obligation to compensate you for any business lost to new franchises in your Territory as a result of the consummation of such transaction;
 - (d) to be acquired (regardless of the form of transaction) by a business identical or similar to Franchised Businesses; and
 - (e) to engage in any other business activities not expressly prohibited by the Franchise Agreement, anywhere.

Office Location

Your Office must be at a location that we approve within your Territory. You may not move your Office outside of your Territory, nor may you advertise an Office location that is outside of your Territory. Our consent is required, but will not be unreasonably withheld, if you want to move your Office, so long as your new proposed Office is within your Territory. If you own multiple Franchised Businesses, the designated territories of which are contiguous, you are required to establish only one full-time Office. You do not have any option or right of first refusal to purchase any areas outside of your Territory.

Affiliated Programs

Although neither we nor our affiliates are restricted by this disclosure or the Franchise Agreement from operating a franchise or company-owned outlet for inspection services under any other trade name or trademark other than what has already been discussed in this Disclosure Document, except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Eagle Merchant Partners, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell.

Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business, including within your Territory. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

Item 13: Trademarks

If we grant you a Franchised Business, we will grant you the right to operate such Franchised Business under the Marks that we specify in your Franchise Agreement or otherwise in writing from time to time. We may add to, change, or remove Marks from time to time.

In the Acquisition, we acquired the Marks from Immediate Predecessor. Immediate Predecessor registered the Marks listed below on the Principal Register of the United States Patent and Trademark Office (the "USPTO") and filed all necessary affidavits and renewals for such Marks.

	4,066,525	December 6, 2011

There are no agreements limiting our right to use or license the use of the Marks. If you learn of an infringement or challenge to your use of the Marks, you must immediately notify us. We will take the action we think is appropriate. We are not obligated, by the Franchise Agreement or otherwise, to protect your right to use any Marks. However, we will protect you against claims of infringement or unfair competition that might be made against you from your use of the Marks as long as you are properly using them. We may, in this situation, take any action we think is appropriate to handle the claim.

There are currently no effective determinations of the U.S. Trademark Office, Trademark Trial and Appeal Board, the Trademark Administrator of any state, or any court, or any pending infringement, opposition or cancellation proceedings, or any material litigation, involving our principal Marks. We know of no superior rights or infringing use that could materially affect your use of the principal Marks listed above in the United States. We may adopt new Marks at any time, or to change our existing Marks. If we adopt new Marks, or change our existing Marks, you must use the new or modified Marks, and discontinue the use of any Marks we decide to change or discontinue, but we will either give you sufficient notice to allow you to use any trademarked stationery and marketing materials you bought in the last 90 days that will become obsolete or, at our option, we will purchase those materials from you at your cost.

Item 14: Patents, Copyrights and Proprietary Information

We do not own rights in, or licenses to, patents, pending patent applications or copyrights that are material to the Franchised Business. We or our affiliates claim copyright protection of our Manuals, and to advertising and promotional materials, inspection agreements, forms, and related materials that we produce, although these materials may not have been registered with the Copyright Office of the Library of Congress. The materials are proprietary and confidential and are considered our or our affiliates' property. You may use them only as long as you are a franchisee, and only as provided in the Franchise Agreement.

In the Acquisition, we acquired from Immediate Predecessor ownership of the following copyrights that had been registered by our Indirect Predecessor's former affiliates with the Copyright Office of the Library of Congress, which you may use as long as you are a franchisee:

Title of Copyright	Registration No.	Date Registered
AmeriSpec Inspection Agreement(s)	TX000952385	May 8, 2000
Basic Energy Assessment Report	TX0004141627	November 1, 1995
Dream home or nightmare? / AmeriSpec	TX0002652537	September 20, 1989

There are currently no effective determinations of the Copyright Office of the Library of Congress or any court regarding any of our copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. We are not aware of any infringing uses of these materials that could materially affect your use of these materials. We are not required by any agreement to protect or defend our or our affiliates' copyrights.

We will be disclosing to you certain information we believe to be confidential or proprietary information and trade secrets. This will include information contained in our Operations Manual, and in materials separately provided to you. You may use these materials, in the manner we approve, in the operation of your business during the term of the Franchise Agreement. However, you may not use these materials in any other way for your own benefit, or communicate or disclose them to, or use them for the benefit of any other person or entity. These materials include any trade secrets, knowledge or know-how, confidential information, advertising, marketing, designs, plans, or methods of operation. This includes information about our sources of supply, and our recommendations on pricing. You may disclose this information to your employees, but only to the extent necessary to operate your business, and then only while the Franchise Agreement is in effect. You are responsible for restricting your employees from improperly using or disclosing our confidential information.

Item 15: Obligation To Participate in the Actual Operation of the Franchise Business

While we recommend that you participate personally in the operation of your business, you are under no obligation to do so. A manager who has successfully completed Initial Training, however, must always directly supervise the Franchised Business. The manager is not required to have any ownership interest in your Franchised Business. We hold you personally responsible for the day-to-day management of the business, and you are responsible for restricting your managers from improperly using or disclosing our confidential information. You will sign a Guaranty that will individually bind you and all other owners of your entity to all covenants, obligations and commitments contained in the Franchise Agreement. Your spouse, if you are an individual, is not required to sign a Guaranty if the spouse has no ownership interest in the business entity. However, the spouse will be required to sign a Spouse Acknowledgement in the form attached to the Guaranty, by which the spouse acknowledges that we are relying on all assets of the guarantor, including jointly owned marital property, in accepting the guarantor's obligations. The spouse also agrees to be bound by the non-competition and non-disclosure restrictions, dispute resolution provisions, and governing law provision contained in the Franchise Agreement.

Item 16: Restrictions on What the Franchisee May Sell

You must offer and sell only those goods and services that we have approved (see Item 8). We limit you to performing inspections and other related services on single-family residences and certain multi-family buildings and commercial buildings in the Territory. You must be certified by us to inspect residential properties, and must be certified by our approved third-party vendor to inspect commercial buildings. The certification for residential inspections is separate and distinct from certification for commercial inspections. We may prescribe certain goods and related services that must be sold by your business, and certain products that may not be sold in your business. We may change these items at any time.

If you participate in the National Accounts Program, some National Accounts, for whatever reason, may decide they do not want to do business with you. If that happens, we may determine in our sole discretion to provide the

services through another provider, and we or our affiliate or any other franchisee designated by us may provide services for that National Account in your Territory. In addition, we or our affiliates or any other franchisee designated by us, may perform services for any National Account located in your Territory for whom you have declined to provide services for any reason. Neither we, nor our affiliates or any of our franchisees, will be liable or obligated to pay you any compensation for doing so and neither we, nor our affiliates or any of our franchisees, will be considered in breach of any provision of your franchise agreement or any other agreement between the parties. You must release us and such other franchisees from any liability or obligation to you for providing services to such National Accounts.

Item 17: Renewal, Termination, Transfer and Dispute Resolution.

Item 18: Public Figures

We currently do not use any public figure to promote our franchise sales.

Item 19: Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Chris Gammill at 57 Germantown Ct. Suite 201, Cordova, Tennessee 38018 and 844-326-5292, the Federal Trade Commission, and the appropriate state regulatory agencies.

1. INTRODUCTION

The Company has acquired experience in the development, opening, operation, and promotion of businesses that provide a variety of single family and multifamily commercial building inspection services. The Company has developed a marketing plan for the marketing of these and other services under the trade name and service mark “AmeriSpec” and other “Names and Marks” (as defined herein) and desires to grant to qualified persons franchises to use its concepts, programs, and methods of marketing in the operation of an inspection business utilizing exclusively the Names and Marks selected, used, and promoted by the Company. The Franchisee has made application to the Company for a franchise to operate an AmeriSpec home inspection business and the application has been approved by the Company in reliance upon the representations made in the application.

2. DEFINITIONS

The terms and phrases specified below shall have, for purposes of this Agreement, the following meanings:

2.1 Franchise shall mean the right granted to the Franchisee by the Company to use the System of Operation and to use the Names and Marks selected, used, and promoted by the Company.

2.2 Term of the Franchise shall mean the initial term of the Franchise and all renewal terms if the Franchise is renewed.

2.3 Gross Receipts shall mean the total amount of revenues received by the Franchisee or any affiliates from all products and services offered by the Franchised Business or offered from the premises of

the Franchised Business, and all other services or products sold under the Names and Marks, or using any branded systems (including any branded software) or tools, or otherwise related to the Franchised Business or sold to customers of the Franchised Business, whether payment is received by cash or credit, plus the fair market value of goods delivered and services rendered to the Franchisee, or its designee, in consideration for goods and services provided in, from, or in conjunction with the Franchised Business. There shall be excluded from "Gross Receipts" bona fide refunds, credits given or allowed by the Franchisee to customers, uncollectible checks, and amounts collected from customers and remitted by the Franchisee to any governmental taxing authority in satisfaction of sales taxes. There shall also be excluded from Gross Receipts any revenues received from businesses operated by the Franchisee prior to the date of this Agreement at the premises of the Franchised Business, provided such existing businesses have been disclosed to the Company and Company has provided a written amendment to this Agreement for the exclusion of such revenue

2.4 Names and Marks shall mean the commercial trade names, trademarks, service marks and other commercial symbols, including associated logos, now or hereafter selected, used or promoted by the Company in connection with its franchised system offering commercial building inspection services or related products and/or services.

2.5 System of Operation shall mean the business plans and methods licensed by the Company to be used in connection with the operation of the Franchised Business. The "System of Operation" includes standards, specifications, methods, procedures, techniques, management systems, approved home inspection software, identification schemes and information, all of which may be changed, improved and further developed from time to time by the Company.

2.6 Franchised Business shall mean the business franchised under this Agreement to operate utilizing the System of Operation and the Names and Marks.

2.7 Designated Territory shall mean the geographic area described in Paragraph 3.1 of this Agreement. The Company will designate a territory within which the Franchisee will perform services. The Franchisee's Designated Territory will consist of a contiguous area. We consider total population and relative affluence to determine a territory. The Company uses the current United States Census Bureau figures when considering population estimates.

2.8 Office. Whenever the term "office" is used in this Agreement in reference to the office of the Franchised Business, that term shall refer to the principal business office initially established by the Franchisee under this Agreement except in Paragraph 15, where the term office shall mean any office used by the Franchisee during the two (2) year period prior to the termination or expiration of this Agreement, or the assignment of this Agreement or of the Franchised Business.

3. GRANT OF FRANCHISE AND RENEWAL OF FRANCHISE

3.1 Protected Territory Appointment. The Company hereby grants to the Franchisee, and the Franchisee undertakes the obligation, upon the terms and conditions contained in this Agreement, a protected right and a license to operate a business offering the System of Operation (the "Franchised Business"), and to use solely in connection with the Franchised Business the Company's System of Operation, and to use the Names and Marks of the Company in the conduct of a variety of single family and multifamily commercial building inspection services, as those services may be changed, improved, and further developed from time to time, within the territory described in Exhibit A (the "Designated Territory" or "Territory"). "Protected" means that the Company will not enter into a Franchise Agreement licensing another Franchisee inside the

Designated Territory; except as provided for in Paragraph 3.1.1, Paragraph 3.1.2 and Paragraph 3.1.6 of this Agreement. The Franchisee may retain “protected” status of its Designated Territory upon meeting the performance and other criteria set forth in Paragraph 3.1.1 and Paragraph 3.1.2 below. Notwithstanding the foregoing, the provisions of Paragraph 3.1.1 and Paragraph 3.1.2 shall not be enforced during any 12-month period if the Franchisee, its principal manager, or its majority shareholder, member, or partner dies during such 12-month period.

3.1.1 For new Territory, Franchisee must have achieved (a) revenue growth over the trailing 3 years; (b) at least 3% market share and either (c) a revenue percentage increase from Year 2 to Year 3 that is equal to or greater than the percentage increase of Real Estate Transactions (“RETs”) in Franchisee’s assigned Designated Territory for this Agreement or (d) a revenue percentage increase from Year 2 to Year 3 that is equal to or less than the percentage decrease of RETs in Franchisee’s Designated Territory for this Agreement, as well as maintained good standing as a brand ambassador by timely payment of monthly fees, proper use of Company trade names, trademarks and system of operations, support of National Account Programs, and compliance with all other obligations of the Franchise Agreement.

3.1.2 For existing Territory, Franchisee must have achieved: (a) at least 3% market share, and (b) a revenue percentage increase over a 5-year period that is equal to or greater than the 5-year average increase in the RETs in the assigned Designated Territory for this Agreement or (c) a revenue percentage increase over a 5-year period that is equal to or less than the 5-year average decrease of RETs in Franchisee’s Designated Territory for this Agreement, as well as maintained good standing as a brand ambassador by timely payment of monthly fees, proper use of Company tradenames, trademarks and system of operations, support of National Account Programs, and compliance with all other obligations of the Franchise Agreement.

3.1.3 For purposes of this Agreement, market share will be calculated by multiplying the number RETs in the Territory for a 12-month period by the average percentage of RETs that obtain home inspections as determined by ASHI (American Society of Home Inspectors) and dividing that number by the number of home inspections performed by Franchisee during that same period. For clarification, the 12-month period will be immediately prior to the period that the Company performs its review of the Franchised Business.

Market Share Example: 6,500 RETs x 70% = 4,550 inspections; 4,550 inspections ÷ 137 inspections performed by the Franchisee = 3% market share.

3.1.4 The Franchisee may perform services for a customer outside the Designated Territory only if an agent and/or customer initiates the request. The Franchisee may market and solicit customers within the Designated Territory for the license. Directing marketing or solicitation activities to agents or customers outside of Franchisee’s designated territory is prohibited.

3.1.5 The Franchisee will operate the Franchised Business within the Territory at an office location set forth on Page 1 of this Agreement. The Franchisee may relocate to another office location within the Territory with the written approval of the Company before relocating. The Franchisee will request this approval by notifying the Company in writing of any planned change in the location of the Franchised Business no later than 30 days prior to any such relocation. At the Franchisee’s request, the Company will provide the Franchisee a copy of a map indicating the geographic area of the Designated Territory.

3.1.6 The parties acknowledge and understand the Company shall have the right to operate a similar business or grant rights to other franchisees to operate a similar business, anywhere outside the Designated Territory, even if that business competes for customers located in the Designated Territory. If

Franchisee does not meet the criteria to maintain protected status, then the parties acknowledge and understand that the Company shall have the right to operate a similar business or grant rights to other franchisees to operate a similar business, anywhere inside the Designated Territory, even if that business competes for customers located in the Designated Territory. The Company (for itself and its affiliates, including without limitation its Parent) reserves any and all rights to acquire, to be acquired by, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not) located anywhere. Such transactions may include (but are not limited to) arrangements involving competing businesses and brand conversations (to or from the AmeriSpec Marks and System). Such transactions are expressly permitted under this Agreement.

3.2 Operation as a Corporation. The Franchisee agrees that its authorization to operate as a corporation or limited liability company shall be conditioned upon the following requirements:

3.2.1 Its shareholders and/or members shall at all times be personally bound by the terms of this Agreement.

3.2.2 Each stock certificate of the Franchisee shall have conspicuously endorsed upon its face a statement in a form satisfactory to the Company that it is held subject to this Agreement, and that any assignment or transfer of the stock certificate is subject to all restrictions imposed upon assignments by this Agreement.

3.2.3 Certified copies of the Franchisee's Articles of Incorporation, By-Laws, and other governing documents, including the resolutions of the Board of Directors authorizing entry into this Agreement, shall be promptly furnished to the Company.

3.2.4 If the Franchisee is an individual or a partnership and wishes to incorporate, the Franchisee shall obtain prior written approval of the Company for the assignment of the rights and duties under this Agreement to the new corporation and the Company shall assign this Agreement and the Franchised Business at no additional monetary consideration for the remainder of the term of this Agreement, at the Company's discretion, in accordance with the provisions of Paragraph 16 of this Agreement, provided that the corporate entity assumes all duties of the Franchisee and that the Franchisee and all shareholders remain personally bound by the terms of this Agreement and enter into a written agreement, in the form attached hereto as Exhibit B, jointly and severally guaranteeing the full payment and performance of the corporate entity's obligations to the Company and agreeing to be personally bound by all covenants and restrictions imposed upon the corporate entity under the terms of this Agreement. If Franchisee is an individual, then its spouse is not required to sign the guaranty attached hereto as Exhibit B. However, the spouse of the individual Franchisee will be required to sign a Spouse Acknowledgement in the form attached to the guaranty attached hereto as Exhibit B, by which the spouse acknowledges that the Company is relying on all assets of the guarantor, including jointly owned marital property, in accepting the guarantor's obligations. The spouse also agrees to be bound by the non-competition and non-disclosure restrictions, dispute resolution provisions, and governing law provisions contained in this Agreement.

3.2.5 If the Franchisee is a corporation or limited liability company, then the individuals named in Paragraph 3 of Exhibit A shall remain the owner of not less than 50% of the total voting capital stock of the corporate Franchisee during the entire term of this Agreement, with the effective unencumbered right to vote the capital stock. The loss or surrender of the ownership or effective unencumbered right to vote the capital stock, by any means whatever, shall constitute a breach of the terms of this Agreement. Ownership of the corporation, limited liability company or other entity, by a private equity group, an ESOP

trust, or any similarly structured entity, is not permitted without the prior express written permission of the Company.

3.3 Term of Franchise. Subject to the provisions of this Agreement, the Company grants to the Franchisee a Franchise for a term of 5 years commencing on the date of this Agreement.

3.4 Renewal of License. Upon expiration of the initial term or any renewal term of the Franchise, the Franchisee shall have the option to renew the license to operate the Franchised Business for an additional consecutive 5-year term; provided that by the end of the term of this Agreement (including any Extensions), the Franchisee has, in the Company's sole discretion, (i) notified the Company not less than 6 months prior to the renewal date of the Franchisee's intent to renew, (ii) complied with all the provisions of the Franchise Agreement which is then expiring, (iii) operated the Franchised Business utilizing and conforming to the System of Operation, (iv) utilized exclusively the Names and Marks in the operation of the Franchised Business, (v) upgraded the office of the Franchised Business to meet the Company's then-current standards, (vi) executed the Company's then-current form of Franchise Agreement (the "Renewal Franchise Agreement") and all other agreements and legal instruments and documents then customarily employed by the Company in the grant of Franchises, (vii) executed, along with its owners and affiliates, a general release in a form prescribed by the Company, and (viii) (if required by the Company, in its sole discretion) submitted to an audit of its operations at a cost not to exceed \$2,000, subject to the provisions of paragraph 12.5. No renewal fee shall be charged in connection with the renewal of the Franchise.

3.4.1 If (a) the Franchisee notifies the Company of the Franchisee's intent to not renew at least 6 months prior to the renewal date or (b) the Company determines, in its sole discretion, that Franchisee cannot satisfy the renewal conditions, this Agreement shall expire at the end of the then-current term.

3.4.2 If Franchisee fails to execute the Renewal Franchise Agreement and general release and complete the renewal process by the expiration of the then-current term and Franchisee intends to continue operating the Franchised Business, then, in the Company's sole discretion, the term shall continue on a month-to-month basis provided, however, that the Company shall have the right at any time to terminate this Agreement upon its issuance of a written Notice of Termination (the "Termination Notice") to Franchisee, which termination shall be effective immediately upon Franchisee's receipt of, or refusal to accept, such Termination Notice (or on the termination date specified in the Termination Notice, if different). If Franchisee fails to fully and completely execute the Renewal Franchise Agreement and general release and complete the renewal process within sixty (60) days of the commencement of a month-to-month holdover, then effective immediately thereafter, the monthly Royalties payable under Paragraph 5.1 shall increase by an amount equal to 2.5% of Gross Receipts during each month that Franchisee does not renew until the Agreement is either renewed or terminated. By accepting any increased Royalties, the Company does not waive any of its rights and remedies under this Agreement including, without limitation, the right to terminate this Agreement pursuant to its terms and all such rights and remedies shall be cumulative of every other right or remedy.

3.5 Renewal License Terms. If the Franchise is renewed, the Renewal Franchise Agreement may contain terms inconsistent with those in this Agreement. To the extent that it is impossible for the renewing Franchisee to comply with any such terms immediately upon renewal, the Company shall provide the Franchisee a reasonable period of time, as defined by the Company, unless specifically otherwise provided in the agreement, for the Franchisee to comply with any terms that are in fact inconsistent with those in this Agreement. All such terms and time periods will be addressed in writing at the time of renewal. In the

event of a contract change, modification of an obligation, extension of time to pay or perform any other obligation, Franchisee and each of its owners and/or affiliate of Franchisee must execute a general release.

4. INITIAL FRANCHISE FEE

4.1 The Franchisee shall pay to the Company an Initial Franchise Fee of Forty Thousand Dollars (\$40,000). The Initial Franchise Fee is discounted 20% if the Franchisee is either an individual who has been, or a legal entity with at least a majority owned by individual(s) who have been, honorably discharged from the U.S. Army, Navy, Air Force, Marines, or Coast Guard (Military Discount). For existing franchisees of AmeriSpec or its affiliates who are in good standing, the Initial Franchise Fee is discounted 15%. For women-owned or minority businesses, the Initial Franchise Fee is discounted 10%.

4.2 If the Franchisee is eligible for more than one discount for the reasons described above, only the largest discount for which the Franchisee is eligible will be applied to the Initial Franchise Fee.

4.3 Upon the execution of this Agreement by the Company, the Initial Franchise Fee shall be deemed fully earned and non-refundable

5. ROYALTIES

5.1 Royalties. The Franchisee shall pay to the Company, without set off, nonrefundable royalties equal to the greater of 7% of the Gross Receipts of the Franchised Business or a minimum payment of \$280 per month ("Royalties"). While Royalties are due on business generated from the date the Franchised Business commences operations, payment of the minimum fee shall commence the first full calendar month that begins 90 days after opening the Franchised Business. The Royalties are paid in consideration of the license to use the System of Operation and the Names and Marks.

5.2 Due Date; Interest. All monthly payments required by this Paragraph 5 and Paragraph 6 shall be paid to the Company by the day each month specified by the Company in the manuals or otherwise in writing for the preceding calendar month, and shall be submitted to the Company together with any monthly reports required under this Agreement. Any payment or report not actually received by the Company on or before such date shall be deemed overdue. If any payment is overdue, the Franchisee shall pay the Company, in addition to the overdue amount, interest on such amount from the date it was due until paid at the rate of 1.5% per month or the maximum rate permitted by law, whichever is less. If any report is overdue, the Franchisee shall pay to the Company a delinquency fee of \$50.00 per delinquent report. Entitlement to such interest and/or the delinquency fee shall be in addition to any other remedies the Company may have. The Franchisee understands that the Company may, at the Company's discretion, assign the payment of such fees and the submission of the monthly reports to a third party.

5.3 Required Payment Method. The Franchisee must participate in the Company's then-current electronic funds transfer and reporting program(s). Franchisee must report monthly Gross Receipts and monthly Royalties as well as National Advertising Fund Contributions due via online reporting by the dates specified by the Company from time to time in the manuals or otherwise in writing. All monthly Royalties and National Advertising Fund Contributions (the "Monthly Fees") owed and any other amounts designated by Company must be received or credited to Company's account by pre-authorized bank debit (or in any other manner as designated by the Company) by end of business on the Due Date set forth in Paragraph 5.2 above. If Franchisee fails to have sufficient funds available to pay any Monthly Fees, interest and delinquency fees will be applied to Franchisee's account as set forth in Paragraph 5.2. If Franchisee has not reported Gross Receipts for any reporting period, the Company will be authorized to debit Franchisee's

bank account (the “Account”) in an amount equal to the greater of the non-reported payment (if the Company can reasonably estimate or determine the owed amount) or one hundred twenty percent (120%) of the Monthly Fees transferred from such Account for the last reporting period for which a report of Gross Receipts was provided to the Company. If at any time the Company determines that Franchisee has underreported Gross Receipts or underpaid any fees due to the Company under this Agreement, the Company will be authorized to immediately initiate a debit to the Account in the appropriate amount, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after the Company and Franchisee determine that such credit is due. In addition, Franchisee agrees to pay any expense incurred by the Company, including court costs and attorneys’ fees, for the collection of such Monthly Fees. Any such non-payment or late payment of the actual amount due is a breach of this Agreement.

5.4 Taxes. If any sales, income, excise, use or privilege taxes are imposed or levied upon the Company (with the exception of federal income taxes) by any government or governmental agency on account of the payment of Royalties by the Franchisee under this Agreement, the Franchisee shall pay to the Company a sum equal to the amount of such tax as an additional Royalty.

6. ADVERTISING AND PROMOTION

6.1 Advertising Fund Contribution. The Franchisee shall pay to the Company a monthly “Advertising Contribution” of up to 3% of the Gross Receipts of the Franchised Business in the immediately preceding month, subject to a minimum contribution of \$160 per month. These fees will commence at the same time as the Royalties described in Paragraph 5.1 and will be transmitted to the Company at the same time and in the same manner as is required of the Royalties.

6.2 Advertising Fund. Reasonable disbursements from the Advertising Fund shall be made solely for the payment of expenses incurred in connection with the general promotion of the Names and Marks and the AmeriSpec franchise system, including, but not limited to: (i) the cost of formulating, developing and implementing media advertising and public relations campaigns; (ii) the cost of formulating, developing and implementing promotional programs; (iii) the cost of monitoring and/or managing social media relating to the brand, (iv) at the option of the Company, reimbursement of all or part of each Franchisee’s cost of purchasing promotional materials used in connection with promotional programs authorized by the Company; and (v) the reasonable cost of administering the Advertising Fund, including accounting expenses and the actual cost of salaries and fringe benefits paid to the Company’s employees engaged in administration of the Advertising Fund. There shall be no requirement that all or any part of the Advertising Fund be disbursed within any accounting period. Losses sustained, or gains accrued, in the Advertising Fund shall carry over to subsequent fiscal years. All interest if any earned by the Advertising Fund shall be used for the payment of the foregoing expenses in connection with promotion of the Names and Marks, before application of any principal to those expenses. Methods of advertising, selection of media, locale of advertising, and contents, terms and conditions of advertising campaigns and promotional programs shall be within the sole discretion of the Company. The Franchisee understands that such advertising is intended to maximize the public’s awareness of the AmeriSpec franchise system. Accordingly, the Company undertakes no obligation to ensure that any individual franchisee benefits directly or on a pro rata basis from the placement, if any, of such advertising in its local market. If requested by the Franchisee, the Company shall provide the Franchisee an annual statement of the financial condition of the Advertising Fund, certified by an executive officer of the Company.

6.3 Disbursements. Disbursements from the Advertising Fund shall not be made for the payment of expenses incurred in connection with the Company’s direct marketing of franchise licenses.

Notwithstanding the foregoing, a brief statement regarding the availability of AmeriSpec franchises may be included in advertising and other items produced using the Advertising Fund.

6.4 Local Advertising. At its own expense, the Franchisee may conduct advertising campaigns and promotional programs designed primarily to promote the Franchised Business (“Local Advertising”). Prior to implementing any Local Advertising, the Franchisee shall submit to the Company for approval all advertising and promotional material proposed to be used in connection with the Local Advertising. The Company has the right to also review and approve internal advertising efforts, such as web sites and electronic mail (e-mail). The Company may, at its discretion, provide to Franchisee standards to which such internet advertising efforts must conform.

6.5 Marketing and Technology Bundle. In addition to the Initial Franchise Fee, Franchisee must purchase from the Company an opening package of marketing and technology items (the “Marketing and Technology Bundle”), which includes (i) computer equipment, including a laptop, (ii) the initial license fee for the AmeriSpec Inspection Software, which is the in-field software (the “AIS”), (iii) the initial license fee for the AmeriSpec Management System, which is an online business management tool (the “AMS”), (iv) a marketing bundle that includes an initial order of stationery supplies, business cards, and other start-up marketing materials, and (v) the admission fee for one attendee to attend Franchisee’s first franchisee convention. The Marketing and Technology Bundle currently costs \$3,900.

6.6 Use of Photographs. The Company shall have the right to photograph the Franchised Business, and to use these photographs in any advertising or promotional material. The Company shall not be obligated to compensate the Franchisee in any way for photographing the Franchised Business. The Franchisee shall cooperate in securing photographs and the consent of persons photographed. The Franchisee agrees to give the Company and those acting under its authority the right to reasonably and fairly use the Franchisee’s (or, if applicable, the Franchise’s officers’ and directors’) name, photograph or biographical material in any publication, circular or advertisement related to the business of the Company or the Franchisee in any place for an unlimited period without compensation.

6.7 Advertising Agency. The Company reserves the right to engage the professional services of an advertising agency, which is owned by, or is an affiliate of, the Company or any of its principals.

6.8 Advertising Materials. Advertising materials, forms, samples, supplies, products and services may be made available to the Franchisee at scheduled prices. The purchase price for products, supplies and services purchased by the Franchisee from the Company shall be paid in advance of shipping by the Company.

6.9 Internet Usage. The Company may provide the Franchisee with an e-mail address and internet website and website address (URL/domain name) and may require that Franchisee use them in operating the Franchised Business. This e-mail address and website and website address shall be the only e-mail address, website and website address used by the Franchisee in operating the Franchised Business unless otherwise approved, in writing, by Company. The Franchisee agrees to enter into the Website Account Agreement, in the form attached as Exhibit C to this Agreement and the E-mail Account License Agreement, in the form attached as Exhibit D to this Agreement, under which the Franchisee will receive a license to use the designated e-mail address, website, and website address.

7. SITE SELECTION AND ESTABLISHMENT OF BUSINESS PREMISES

7.1 Site Establishment. The Franchisee shall be required to establish a regular and fully operational, full-time business office within the Designated Territory from which the Franchised Business shall be operated. The office shall be located within the Designated Territory as specified in Exhibit A of this Agreement. The Franchisee shall submit the information regarding the office location to the Company for approval prior to establishment thereof. The Franchisee shall provide the Company with such information regarding any proposed site as may be reasonably requested by the Company.

7.2 Office Standards. While the Company does not prescribe specific standards for the interior or exterior of the office established by the Franchisee and permits the Franchisee to operate its office from its home, the office is expected to be tastefully decorated in a manner designed to enhance the goodwill associated with the Names and Marks. Once established, the office may not be moved without the prior consent of the Company, which consent shall not be unreasonably withheld so long as any new location selected by the Franchisee is within the Franchisee's Designated Territory and does not infringe upon any Designated Territory granted to any other franchisee.

7.3 Office Phone Number. The Franchisee shall advertise an office telephone number containing the area code and a 3-digit prefix that is assigned to the particular geographic area in which the office of the Franchised Business is located.

7.4 Office Outside Territory. The Franchisee shall not be allowed to maintain, use, or advertise an office, branch office, referral office, or any other permanent or temporary office or location outside the Designated Territory at any time.

7.5 Multiple Territory Offices. If the Franchisee owns multiple franchises, the designated territories of which are contiguous, then the Franchisee is only required to establish one regular, full-time business office pursuant to subparagraph 7.1 and thus shall not be required to have an independent office for each of the multiple franchises.

8. TRAINING AND ASSISTANCE

8.1 Initial Training. Unless Franchisee is already an AmeriSpec franchise owner, the Company shall provide initial training to the Franchisee as set forth in this paragraph at a suitable location where the Company's training facility is then located ("Academy"), or, from time to time, and at the Company's discretion, at regional locations. The initial two weeks of Academy training shall consist of: (1) management training in the marketing, administration and operation of the Franchised Business and (2) technical training in the provision of home inspection services. The technical training portion of the initial training consists of training on the performance of home inspections. The Company may, but is not required to, provide or make available to franchisees training on the performance of other commercial building inspections. Each individual franchisee must ensure that they are properly trained to perform any service offered under the Names and Marks and that the performance of any such service is approved by the Company in writing. Either the Franchisee or a manager of the Franchised Business approved by the Company shall attend and satisfactorily complete the initial training first scheduled after the execution of the franchise agreement before the Franchised Business opens. In addition, all individuals who conduct home inspection services on behalf of the Franchisee must complete the technical part of the initial training and complete and pass the final exam designated by the Company for certification, unless the Company waives this requirement in writing, not later than 60 days after being retained or employed by the Franchisee.

8.2 Training for Additional People. Unless Franchisee is already an AmeriSpec franchise owner, the Company provides the 2 weeks of initial Academy training for Franchisee or Franchisee's approved manager. Existing franchisees purchasing additional franchises will not receive the two weeks of Academy training. Franchisee must pay all of Franchisee's transportation and hotel costs, some meals and other out-of-pocket expenses incurred during or related to the Academy training, except to the extent that such expenses may be included in the initial franchise fee.

8.3 Additional Training. As the Company develops and/or approves additional commercial building inspection services to be provided under the Names and Marks, the Company may, but is not required to, develop training programs with respect to these additional services. However, it is the sole responsibility of the Franchisee to ensure that he or she is properly trained to perform any service offered under the Names and Marks and that the services are pre-approved by the Company. If the Company develops such additional training programs, it will offer the training programs to the Franchisee. If such additional training program(s) are offered, the Franchisee may be required to attend the training as a condition to being authorized to provide the service that is the subject of the training. All expenses for transportation, hotel, some meals and other out-of-pocket expenses to attend the training for the Franchisee and its employees are the sole responsibility of the Franchisee.

8.4 Business Cards. Franchisee shall purchase from the Company an initial supply of business cards, stationery, and marketing and training materials, presentation folders, and start-up marketing materials to be used in the start-up of the Franchised Business. Additional supplies shall be available for purchase from the Company.

8.5 Marketing. The Company shall provide the Franchisee with the appropriate marketing tools necessary to implement a local marketing plan. Franchisee shall be responsible for purchasing marketing materials (except those designated by the Company from proceeds of the national advertising fund). Any marketing materials and/or manuals shall be CONFIDENTIAL, shall not be copied in whole or in part (except as may otherwise be specifically indicated therein), shall remain the property of the Company and shall always be in safekeeping and in the custody of the Franchisee at the offices of the Franchised Business. The Company may from time to time add to or modify marketing materials and/or manuals to improve the System of Operation and the contents and methods of promotion contained in the materials. The Franchisee shall keep manuals up to date by inserting any such additions or modifications, such as those received via mail, e-mail or posted on the Company's intranet site.

8.6 Convention. The Company has the right to periodically conduct, and Franchisee (or an approved representative) shall attend, a convention or seminar for all AmeriSpec franchisees. Franchisee shall pay the Company a convention fee whether or not Franchisee attends the convention held by the Company.

8.7 Additional Programs. The Company may, from time to time, provide additional programs and services to the Franchisee. Unless otherwise approved by the Company, the Franchisee is required to participate in all such additional programs in accordance with procedures established from time to time by the Company.

8.8 Use of Agents. The Company may, from time to time, utilize agents and/or third parties to meet its obligations under this Agreement.

9. OPERATION OF THE FRANCHISED BUSINESS

9.1 Failure to Provide Pre-Open Services. If the Franchisee believes the Company has failed to adequately provide pre-opening services to the Franchisee in regard to the initial training, selection and purchase of equipment and supplies, or any other matter affecting the establishment of the Franchised Business, the Franchisee shall notify the Company in writing within 30 days following the start of the Franchised Business. Absent the timely provision of such notice to the Company, the Franchisee shall be deemed to conclusively acknowledge that all pre-opening and opening services required to be provided by the Company were sufficient and satisfactory in the Franchisee's judgment.

9.2 Obligation to High Quality Service. The Franchisee shall utilize its best efforts, skill, and diligence to ensure that the Franchisee and the Franchisee's employees establish and maintain high quality service to customers. At all times, the Franchisee shall conduct its business in a manner that will preserve and enhance the goodwill associated with the Names and Marks. The Franchisee will at all times be held responsible for the day-to-day management of the Franchised Business. The Franchisee agrees to comply with all reasonable requirements of the Company to measure Franchisee's customer satisfaction with the services provided by Franchisee under this Agreement, and to participate in all programs of the Company designed to review and improve the process of operating the Franchised Business including *www.tellamerispec.com* customer surveys.

9.3 Staffing. The office from which the Franchised Business is operated shall be staffed and open during regular business hours. The office telephone shall be answered by a live person during normal business hours. Minimally, the office telephone shall be answered by a machine or person at all times other than normal business hours identifying the business as an AmeriSpec Inspection business. The Company does not control, and does not have the right to control, decisions regarding the persons Franchisee hires, disciplines, or terminates as employees or agents. However, the Company may take any legal action necessary to enforce its rights under this Agreement. The Company also requires that Franchisee perform background checks and drug testing as allowed by law. These policies will not constitute the Company's representation of approval or disapproval of any prospective employees. In all cases Franchisee will remain solely responsible for decisions regarding hiring and maintaining Franchisee's employees, including determinations of whether the prospective employee meets Franchisee's hiring and performance standards or is suitable for the employment position.

9.4 Compliance with Rules. The Franchisee shall comply with all rules, regulations, and directives contained in this Agreement or in the confidential AmeriSpec manuals, as amended from time to time, and shall adopt and adhere to merchandising, promotion, and advertising policies of the Company. The Company specifically reserves the right to modify or change such policies, procedures, and directives including, but not by way of limitation, by changing or adding to the services to be offered by the Franchised Business. Additionally, the Franchisee shall comply with all federal, state, or local rules, regulations or directives that relate to the performance of services offered from the Franchised Business, including but not limited to those requiring licensing, registration or certification.

9.5 Inspection Documentation. All inspections conducted by the Franchised Business shall be documented on forms and in the manner as prescribed by the Company, and the Franchisee shall notify the Company of each inspection and source of revenue conducted by the Franchisee by providing such information with respect to each such inspection as, and in the manner, specified by the Company.

9.6 Qualified Inspectors. All inspections conducted by the Franchised Business shall be conducted by a qualified inspector meeting the standards prescribed by the Company or as required by local, state or

federal law. It is acknowledged this provision shall require that each such inspector shall be certified, and maintain certification, under any certification program that may be established or endorsed by the Company, or otherwise meet such standards as the Company, in its sole discretion, shall prescribe. In the absence of any certification program established or endorsed by the Company, each inspector shall be required to either successfully complete the inspector training program provided by the Company, or otherwise meet the standards prescribed by the Company.

9.7 Building Types. The Franchisee acknowledges that the AmeriSpec franchise program is designed for inspection of single family residences, multi-family dwellings designated for occupancy by up to four families, and commercial buildings. The Franchisee shall not, without the prior written consent of the Company, engage in the inspection of any other types of structures.

9.8 Use of Office. During the Term of the Franchise, the Franchisee shall use the office of the Franchised Business exclusively for the sale of goods and services associated with the Names and Marks and authorized by the Company. The Franchisee shall not permit the premises to be used for any other purpose, business, activity, use or function, unless approved in writing by the Company. If the Franchisee desires to operate any other type of business, and such business is not prohibited under the provisions of this Agreement, the Franchisee must operate that business from a separate office, unless approved in writing by the Company. If that office is adjacent to the office of the Franchised Business, there must be a separate entrance for that office and a separate telephone line for that business, and the Franchisee must take any other action required by the Company to assure customers do not believe there is any affiliation between that separate business and the Franchised Business.

9.9 Uniforms; Customer Service. All of Franchisee's inspection personnel shall wear uniforms specified by the Company while conducting business and shall at all times while on duty present a neat and clean appearance and render competent, sober, courteous and trustworthy service to the customers of the Franchised Business.

9.10 Payment for Products, Supplies and Services. The purchase price for products, supplies, and services purchased by the Franchisee from the Company shall be paid in advance of receipt by the Franchisee unless otherwise specified by the Company, in which case Company will provide an invoice therefor. Fees or charges for products, supplies, or services furnished by the Company and not paid in advance or within 10 days of receipt of an invoice therefor, as well as past-due Royalties and Advertising Contributions, shall bear interest from the due date at the maximum rate permitted by law, not to exceed 1.5% per month.

9.11 Right to Inspection. The Company and its designated representatives shall, during normal business hours, have the right to make physical inspections of the Franchised Business. If the Franchisee fails to perform its obligations specified in this paragraph, or if the Company reasonably determines that any actions taken by the Franchisee are injurious to the integrity and goodwill associated with the Names and Marks, the Company shall provide written notice to the Franchisee which shall contain a description of the Franchisee's failure to perform, and the reasonable corrective action to be taken by the Franchisee. Within 30 days after its receipt of the aforementioned notice, the Franchisee shall take the corrective action specified in the notice. If the Franchisee shall in any way fail to maintain the standards of quality or service established by the Company in the operation of the Franchised Business, the Company shall have the right to assign such person or persons that it deems necessary to provide additional training to the Franchisee (above and beyond ordinary training and support provided to most franchisees) to assure that such standards of quality and service are maintained. The Franchisee shall pay to the Company all of the Company's actual costs for such person so assigned, including wages, travel, and living expenses.

9.12 Software. Franchisee will use in the Franchised Business the software system, including business contact management software and inspection software, all other existing or future communication or data storage systems, hardware components thereof and associated service, which the Company has developed and/or selected for the System of Operation (the “Computer System”). As part of the Computer System, the Company may require Franchisee to obtain, update, and use specified computer hardware and/or software including, without limitation, a license to use proprietary software developed by us or others (the “Software”). Franchisee’s Computer System must be compatible with the Company’s computer systems, must be connected to the Company’s facilities by high-speed Internet with minimum requirements specified by the Company, and must be updated, maintained, and used in compliance with the Company’s specifications, including the Operations Manual. The Company may require Franchisee to electronically upload or transmit information on a periodic basis (including daily). The Company also has the right to independently access sales information and other data produced by the Computer System. The AIS (AmeriSpec Inspection Software) is a software program that allows home inspectors to collect data while performing a home inspection and generate a home inspection report. The Company will assist Franchisee with Level 1 inspection software support and assist vendors with major bug fixes for the AIS. Currently, the Company charges an initial license fee of \$1,000 per license for the first year that is included in the Marketing and Technology Bundle. For each year thereafter, an annual service fee that varies per license per inspector must be paid to the Company’s approved vendor, depending on the method of payment. Additional licenses for the Franchised Business may be purchased directly from the Company’s approved vendor. Franchisee must sign the approved vendor’s then-current software license agreement for the AIS. The AMS (AmeriSpec Management System) is an online business management tool that allows Franchisee to have all Franchisee’s needed information and automated processes in one place. The AMS allows the Company to market, schedule, and communicate with Franchisee’s customers. Franchisee must sign a license agreement with the Company for use of this software, the form of which is included as Exhibit G to this Agreement. Currently, the Company charges an initial license fee of \$300 per license (which is included in the Marketing and Technology Bundle) and an annual renewal fee of \$300 per year for this software. The fee will be pro-rated for your first year of operation. For each year thereafter, the fee will be payable on June 1. New releases of the Software may be provided at additional cost and may be contingent upon execution of a new software license agreement by Franchisee. The Company reserves the right to assign its rights, title and interest in the Software to a third party designated by the Company or to replace the Software. In such event, Franchisee may be required to enter into a separate computer software license agreement specified by AmeriSpec or the third-party supplier of the specific Software. The Company has the right to designate a single source from whom Franchisee must purchase the Computer System, any software or hardware components thereof or associated service, and the Company or its affiliates may be that single source. Upon 60 days written notice, Franchisee will be required to use and, at the Company’s discretion, pay for all future updates, supplements, and modifications to the Computer System.

9.13 Service Vehicle. Franchisee will have at least one AmeriSpec identified service vehicle in the Franchised Business. The vehicle must be white, red or navy blue (any exceptions must be approved by the Company) and identified with AmeriSpec approved graphics in accordance with the AmeriSpec® Vehicle Identity Program.

9.14 Compliance with System of Operation. The Franchisee shall comply with all reasonable requirements of the Company to measure Franchisee’s customer satisfaction with the services provided by Franchisee under this Agreement, and to participate in all programs of the Company designed to review and improve the process of operating the Franchised Business.

9.15 National Accounts Program. The Company has the right to establish a “National Accounts Program” designed to address the needs of its customers desiring central billing accounts, multiple service

destinations, and similar requests that are typical of large volume customers or customers that have customers at more than one location or facility. Franchisee may participate in the National Accounts Program if Franchisee satisfies the Company's then-current qualifications and will sign the Company's standard form National Accounts Agreement. Franchisee understands that the Company will establish the rules under which Franchisee will participate and be compensated for participation in the National Accounts Program, and that the Company may terminate or modify the National Accounts Program consistent with the terms of the National Accounts Agreement. In the event that Franchisee chooses not to participate in the National Accounts Program or does not accept and agree to timely perform an assigned service, then Company may assign such service request to another franchisee or subcontractor who may perform those services in Franchisee's territory. The Franchisee acknowledges and agrees that they may not receive and are not entitled to receive leads and/or jobs from national account programs offered by the Company from time to time, and that if the Franchisee does receive such leads or jobs: (a) those leads or jobs may not be distributed equally; (b) the model for distributing those leads will be designed in the Company's sole discretion and may be modified from time to time; (c) national account customers may limit the number of participating franchisees in a market and direct work to specific franchisees; (d) lead and/or job volume varies greatly across the United States, and that some geographic regions have few or no leads/jobs.

9.16 Obligation of Franchisee to Provide Plan for Other Businesses Franchisee Desires to Establish. If Franchisee, a principal of Franchisee, and/or an affiliate of Franchisee wishes to commence the operation of any additional business in addition to the business operated under the terms of this Agreement, Franchisee must provide the Company with a plan that describes in substantial detail how Franchisee will maintain the operation of the business authorized under this Agreement in accordance with its terms, while Franchisee, its principals, or its affiliates are simultaneously operating the additional business. Before commencing the operation of the additional business, Franchisee must obtain the Company's consent of the plan, which approval will not be unreasonably withheld. As conditions to approval of the plan the Company may require that, in addition to other reasonable conditions: (i) the additional business be kept completely separate from the business authorized under this Agreement (e.g. may not share the same location, building, or address); (ii) the additional business never be sold or transferred to another AmeriSpec franchisee; and (iii) the Company may require Franchisee and its principals and affiliates to divest themselves of the additional business if the Company determines that the additional business creates a conflict with or is competitive with the business authorized under this Agreement as this business may be modified over time. Franchisee must also give annual updates to the plan as specified by the Company. The Company may review the plan at any time after consent to the plan to determine if Franchisee, its principals, and/or its affiliates are complying with the plan. The Company may require Franchisee to modify the plan at any time. Franchisee's, its principals', and/or its affiliates' failure to comply with the plan, as determined by the Company in its sole discretion, will constitute a breach of this Agreement, entitling the Company to exercise any and all remedies authorized under this Agreement, up to and including termination.

10. NAMES AND MARKS

10.1 Proprietary Marks.

10.1.1 The Franchisee shall operate under, and prominently display, the Names and Marks in the operation of the Franchised Business. The Franchisee shall use no commercial trade names, service marks, or other commercial symbols, including associated logos, which do not satisfy the criteria established by the Company. The Franchisee shall not use any of the Names and Marks in combination with other words, letters, prefixes, suffixes, logos, or designs, other than in the manner authorized by the Company, except when in conjunction of the Franchised Business. The Franchisee may use the words

The Franchisee shall file for and maintain a “Certificate of Trade Name” in the county, or other appropriate jurisdiction, in which the Franchised Business is located.

10.1.3 From time to time, upon reasonable notice to the Franchisee, the Company may elect to discontinue the use of certain Names and Marks and to commence use of new Names and Marks. The Franchisee shall pay all expenses incurred by the Franchisee in connection with discontinuing the use of existing Names and Marks in the Franchised Business and commencing the use of new Names and Marks therein; provided, however, if the Company does not give the Franchisee notice to allow for use of any trademarked stationery or marketing materials purchased by the Franchisee within 90 days preceding the date of the notice that these materials will become obsolete, the Company will purchase those materials from the Franchisee at the Franchisee’s cost.

10.1.4 The Franchisee acknowledges that its right to use the Names and Marks is derived solely from this Agreement and that all such usage and any goodwill established thereby shall inure to the exclusive benefit of the Company.

10.1.5 The Franchisee agrees that, upon the termination or expiration of the Term of the Franchise for any reason whatsoever, the Franchisee shall forthwith discontinue the use of the Names and Marks, and thereafter shall no longer use, or have the right to use, the Names and Marks.

10.1.6 The Franchisee shall immediately notify the Company of any infringement of or challenge to the Franchisee’s use of present and future Names and Marks and shall not communicate with any other person in connection with any such infringement, challenge, or claim. The Company may, in its sole discretion, take such action as it deems appropriate, including the exclusive control of any litigation or any Trademark Office or other administrative proceeding arising out of any such infringement, challenge or claim relating to any of the Names and Marks.

10.1.7 The Franchisee shall take all actions reasonably necessary to maintain the integrity of the Names and Marks and preserve and protect the goodwill associated with the Names and Marks. These actions shall include, without limitation, the following:

10.1.7.1 The Franchisee shall operate the Franchised Business in accordance with the standards and requirements of quality, appearance, cleanliness, and service that are associated with premium quality home inspection businesses.

10.1.7.2 At least 10 days prior to display or distribution of any promotional materials, the Franchisee shall provide the Company with copies or accurate depictions, as applicable, of any and all signs, brochures, advertisements and other proposed promotional materials relating to the Franchised Business.

10.1.7.3 The Franchisee shall refrain from using the Names and Marks in any lewd, scandalous, obscene, libelous, or defamatory manner.

10.1.7.4 Use of the Names and Marks shall in every instance be accompanied by the registration symbol “®” or the “™” symbol, placed in close proximity to the Names and Marks as directed by the Company. In addition, any and all brochures, advertisements and other promotional materials bearing the Names and Marks shall contain the following statement: “AmeriSpec® and its accompanying design is a federally registered trademark and service mark of TCB AMERISPEC, LLC,” or “AmeriSpec® is a registered trademark of TCB AMERISPEC, LLC,” if applicable. All such materials shall also state that each AmeriSpec® business is “An independently owned and operated franchise business”.

10.1.7.5 Within 10 days after the date the Franchisee receives notice of any customer or consumer complaint about the operation of the Franchised Business, the Franchisee shall prepare and deliver to the Company a written report which provides details relating to the nature of the complaint and the corrective action taken to prevent the reoccurrence of the event giving rise to the complaint. Franchisee shall notify the Company, within 10 days, of any legal action against the Franchised Business and shall provide status reports as required by the Company.

10.1.7.6 The operation of the Franchised Business shall in all respects comply with the applicable rules and regulations of the various local, state, and federal agencies that regulate the operation of home inspection businesses. This includes, but is not limited to, any such licensing, registration, or certification requirements.

11. SUPPLIES

11.1 Approved Suppliers. The Company shall provide the Franchisee lists of approved suppliers of forms, signs, supplies, marketing materials and other items, including computer hardware and software, and insurance necessary to operate the Franchised Business. The Company, may, in its sole discretion, revise the approved supplier lists from time to time. The approved source of supply for any individual item may be the Company, an affiliate of the Company or an independent contractor.

11.2 Supplier Approval. The Franchisee shall obtain the Company’s written approval prior to the use of any supplier not previously approved by the Company. As a precondition to the Company granting any such approval, the Company may require the Franchisee to submit to the Company samples, photographs, and/or other information concerning the products and/or supplies. The Company will advise the Franchisee, in writing within a reasonable time, whether the requested supplier and/or product meets the Company’s specifications. If the Company does not advise Franchisee of an approval within 60 days of the submitted request, then the request is deemed rejected. The Company may charge a fee to review, test, and evaluate such products or supplies. Updated lists of approved suppliers and products will be posted on the Company’s franchisee intranet website or transmitted to the Franchisee on a periodic basis. Approval of alternative suppliers may be revoked if the Company determines that such suppliers no longer satisfy the specifications set forth in the manuals, as such manuals may be updated. Furthermore, the Franchisee shall have the right at any time to request an updated list of approved suppliers from the Company.

11.3 Limitation on Damages. The Company shall not be liable to the Franchisee for damages caused by the failure of the Company or an approved supplier to make available for purchase any item, unless the failure is the result of factors within the Company’s reasonable control.

12. FINANCIAL INFORMATION, DEPOSITS, REPORTS, AND AUDITS

12.1 Maintenance of Books, Records and Accounts. The Franchisee shall maintain its books and records in the manner reasonably required by the Company. The Company has established a contact management and reporting system which shall be used by all franchisees. The Franchisee shall utilize the system in a manner approved by the Company and pay for the purchase and installation of hardware and software, which may be necessary for use with such system.

12.2 Maintenance of Bank Account. The Franchisee shall maintain a separate bank account for the Franchised Business and shall deposit in that account all revenues received by the Franchised Business in a timely manner (not less than once each week). At all times, the Franchisee shall maintain a minimum balance of \$500 in that account. The Franchisee shall notify the Company of the bank in which the account is maintained, as well as the account number, and shall notify the Company at least 10 days prior to making any material change to the account, including the name of any signatory on the account or the location of the account.

12.3 Financial Statements. The Franchisee shall provide the Company with such weekly, monthly, quarterly, and annual financial and sales information relating to the Franchised Business from time to time as may be reasonably required by the Company. If the Franchisee is a corporation, limited liability company or partnership, such audit will also include the appropriate owners, members or partners of the Franchisee. In connection with any such examination, the Franchisee will execute IRS Form 4506, or other similar form, authorizing the Company to obtain the applicable tax returns of the Franchisee, at the request of the Company. Franchisee and any personal guarantors, by signing this Agreement, hereby explicitly consent to provide copies of all personal and business tax returns specified above to the Company and hereby waive any right to refuse to provide tax return or any privilege afforded by state or federal laws, rules or regulations.

These costs shall be capped at \$2,000, subject to the terms of this paragraph. If Franchisee fails to fully cooperate with any reasonable request by the Company for an audit or inspection, Franchisee shall reimburse the Company for any and all costs and expenses of conducting an audit or inspection including, without limitation, travel expenses, room and board, and compensation of persons employed by the Company to make the audit or inspection. If any audit discloses an understatement of the Gross Receipts of the Franchised Business for any period or periods, the Franchisee, within 10 days of receipt of the audit report, shall pay to the Company the Advertising Contributions and Royalties, if any, due on the previously unreported Gross Receipts, plus interest from the due date at the maximum rate permitted by law, not to exceed 1.5% per month. In addition, if an understatement for any period equals 3% or more of the Gross Receipts of the Franchised Business

for the period, the Franchisee shall reimburse the Company for the full cost of the audit or inspection, including, without limitation, the charges of any independent accountant or attorney and the travel expenses, room and board, and compensation of persons employed by the Company to make the audit or inspection. Reimbursement to the Company for the costs of the audit or inspection shall be made upon the receipt of an invoice therefor. Such costs not reimbursed within 10 days of receipt of an invoice shall bear interest from the due date at the maximum rate permitted by law, not to exceed 1.5% per month.

Franchisee shall maintain such additional coverage and higher policy limits as may reasonably be specified for all franchisees from time to time by the Company.

13.2 Coverage Requirements. All insurance coverage required above shall be maintained under one (1) or more policies of insurance containing the amounts and types of coverage from time to time prescribed by the Company. Such coverage must be obtained from insurance companies maintaining an A rating by Alfred M. Best & Company, Inc., or such other insurance companies approved in advance by the Company. 13.3 Failure to Maintain. If the Franchisee, at any time, fails or refuses to maintain any insurance coverage required by the Company or fails to furnish satisfactory evidence thereof, the Company, at its option and in addition to its other rights and remedies hereunder, may obtain such insurance coverage on behalf of the Franchisee, and any costs of premiums incurred by the Company in connection therewith shall be paid by the Franchisee on demand.

14. CONFIDENTIALITY AND IMPROVEMENTS BY THE FRANCHISEE

14.1 Confidentiality. The Franchisee acknowledges that all of the information it has now or obtains in the future concerning the System of Operation and the concepts and methods of promoting the Franchised

Business, including but not limited to, all information, manuals, materials, expertise, intellectual property (regardless of form), software, inspection report forms and packaging is derived from the Company pursuant to this Agreement, and that such information will be treated in confidence. The Franchisee agrees never to, directly or indirectly, engage in or abet the misappropriation, or the disclosure, divulgence, or distribution of all or any part of the System of Operation and the concepts and methods of promoting franchises hereunder, except on a need to-know basis as ordered by any regulator or judicial authority having legal jurisdiction. To protect the Company's confidential information, the Franchisee must adopt and implement reasonable procedures to prevent the unauthorized use or disclosure of the Company's confidential information, including any such procedures that may be designated by the Company from time to time.

14.2 Original Works. Franchisee acknowledges and agrees that all writings and other original works of authorship, regardless of form, including, but not limited to, Proprietary Software programs, trademarks, copyrightable works, Internet Web pages or any other documents or information pertaining or relating to the Franchised Business or the System of Operation produced or authored by Franchisee during the Term of the Franchise shall be deemed by the parties to be works made for hire and the property of the Company. The Company shall have the absolute right to obtain and hold, in its own name, rights of copyright, trademark and/or other similar protections which may be available in the documents or works. Franchisee hereby agrees to cooperate and execute all documents necessary to perfect such rights in the Company.

14.3 Obligation to Assign. Franchisee hereby assigns to the Company its entire right, title and interest in any invention, technique, process, device, discovery, improvement or know-how hereafter made or conceived by Franchisee, his agents or employees, during the Term of the Franchise which in any way relates to the actual or anticipated present or future business of the Company or as suggested by or results from any activities performed by the Franchisee during the Term of the Franchise. Franchisee shall disclose any such invention, technique, process, device, discovery, improvement or know-how promptly to the Company. Franchisee shall, upon request, promptly execute all documents necessary to assign Franchisee's right, title and interest in and to any such invention technique, process, device, discovery, improvement or know-how to the Company and cooperate and take all steps necessary to enable the Company to secure patent, trademark, copyright or any other proprietary rights in the United States, Canada or foreign countries.

14.4 Approved Vendor Status. Nothing in sub-paragraphs 14.1 or 14.2 above should preclude a franchisee utilizing a separate business entity from requesting, in writing, an approved vendor status from the Company. The Company agrees to not unreasonably restrict such approval, even where that status is sought for the purpose of developing products or offering services for sale to the franchise system.

14.5 Customer Data. The Franchisee acknowledges and agrees that all information (including all customer data) contained in databases prepared by the Franchisee in connection with the Franchised Business or by the Company, including but not limited to the Computer System, belongs to the Company, and the Company shall be allowed to access such information from Franchisee's computer databases. The Company periodically will establish policies respecting the use of such information. If requested by the Company, Franchisee shall transfer this information to the Company in the frequency, form and manner prescribed by the Company.

15. COVENANTS

15.1 Best Efforts. The Franchisee covenants that during the term of this Agreement except as otherwise approved in writing by the Company, the Franchisee shall devote their full time, energy and best efforts to the management and operation of the Franchised Business. Unless otherwise specified, the term "Franchisee" as used in this Paragraph 15 shall include, collectively and individually, all shareholders and/or members of the Franchisee, and of any corporation or other entity directly or indirectly controlling the Franchisee, if the Franchisee is a corporation, limited liability company or other similar legal entity; the general partners and any limited partner (including any corporation and the shareholders of a corporation which controls, directly or indirectly, any general or limited partner), if the Franchisee is a partnership.

15.2 In-Term Covenant Not to Compete. The Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by the Company, the Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or other entity:

15.2.1 Divert or attempt to divert any business or customer of the Franchised Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Name and Marks and the System of Operation; or

15.2.2 Own, maintain, engage in, or have any interest in any other business which performs any of the various programs and services licensed by the Company included within the System of Operation, or other systems or programs licensed by the Company under the Name and Marks, both within and outside the Territory described in Paragraph 3.1 of this Agreement; provided, however, that this provision shall not apply to any ownership of the Franchisee of less than 1% of the outstanding equity securities of any publicly held corporation.

15.3 Post-Term Covenant Not to Compete. The Franchisee covenants that for a period of 1 year after the later of the following terminating events: (i) any transfer, repurchase or termination of this Agreement; (ii) the expiration of this Agreement (if a successor franchise or renewal term is not granted); (iii) the date on which the Franchisee stops operating a competitive business (including continued operation of the Franchised Business whether or not operated under the Names and Marks) or (iv) the last date of the use of the Names and Marks and/or System of Operation, the Franchisee shall not, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person, persons, partnership, corporation, or other entity do or engage in any act proscribed by Paragraph 15.2 of this Agreement, except that the restrictions contained in Paragraph 15.2.2 of this Agreement, shall be limited during the post term period to within the Territory described in Paragraph 3.1 of this Agreement and a 75-mile radius thereof.

15.4 Independent Covenants. The parties agree that each of the covenants contained in Paragraphs 15.2 and 15.3 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Paragraph 15 is held to be unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, the Franchisee expressly agrees to be bound by any lesser covenant subsumed with the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Paragraph 15.

15.5 Reduction of Scope. The Franchisee understands and acknowledges that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Paragraphs 15.2 and 15.3 of this Agreement or any portion thereof, without the Franchisee's consent, effective immediately upon receipt by the Franchisee of the written notice of the reduction, and the Franchisee agrees that it shall immediately

comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Paragraph 21 of this Agreement.

16. ASSIGNMENT

16.1 Transfer by Company. This Agreement is fully assignable by the Company and shall inure to the benefit of any assignee or other legal successor in interest of the Company.

16.2 Transfer by Franchisee.

16.2.1 No Franchisee, partner (if the Franchisee assigns this Agreement to a partnership), shareholder (if the Franchisee assigns this Agreement to a corporation), or member (if the Franchisee assigns this Agreement to a limited liability company) without the prior written consent of the Company, by operation of law or otherwise, shall sell, assign, convey, give away, or encumber to any person, company or partnership or other legal entity, its interest in this Agreement or its interest in the Franchise granted hereby or its interest in any proprietorship, partnership, limited liability company or corporation which owns any interest in the Franchise. Any purported assignment not having the necessary consent shall be null and void and shall constitute a material default hereunder. Franchisee's transfer of 5% or more of interest in this Agreement will require an amendment to add such 5% owner as a personal guarantor. If, as a result of any transfer to a person in a single transaction or series of transactions, the original Franchisee's ownership interest in this Agreement falls below 50%, then the Franchisee must sign the then-current form of franchise agreement and all of the then-current terms of that agreement will apply thereafter.

16.2.2 The Company shall not unreasonably withhold its consent to any assignment of less than one-half of the beneficial interest in the Franchise or the Franchised Business, provided such assignment is not part of a series of assignments intended to evade this provision, and further provided that:

16.2.2.1 The assignee shall enter into a written agreement with the Company, in a form satisfactory to the Company, assuming and/or guaranteeing all of the Franchisee's obligations hereunder;

16.2.2.2 Any defaults under this Agreement on the part of the Franchisee have been remedied;

16.2.2.3 The assignee shall demonstrate to the Company's satisfaction that it meets the Company's then-current standards for AmeriSpec franchisees; and

16.2.2.4 Such other reasonable conditions as may be required by the Company in connection with the assignment have been satisfied.

16.2.3 This paragraph should not be construed to provide Franchisee a right to assign a portion of the Designated Territory to a third party who will operate independent of Franchisee. An assignment of less than all of the beneficial interest in the Franchise or Franchised Business must operate under the terms of this Agreement, and with Franchisee, to fulfill the obligation herein.

16.2.4 If an assignment, alone or together with other previous, simultaneous, or proposed assignments, would have the effect of assigning one-half or more of the beneficial interest in the Franchise or the Franchised Business, the Company will not unreasonably withhold its consent to the assignment if all of the following conditions and requirements have been satisfied:

16.2.4.1 The assignee shall be of good moral character and reputation, shall have a good credit rating, financial capabilities and competent business qualifications reasonably acceptable to the Company. The Franchisee shall provide the Company with the information it may reasonably require to make a determination concerning the proposed assignee;

16.2.4.2 In addition, the assignee or a designated representative of the assignee approved by the Company to manage the Franchised Business must satisfactorily complete the Company's training program (and pay to the Company its then-current training fee) before the assignee may assume responsibility for the operation of the Franchised Business;

16.2.4.3 The assignee, including all shareholders, members or partners of the assignee, enter into a written agreement, in form satisfactory to the Company, assuming all of the Franchisee's obligations under this Agreement for the remainder of the Term of the Franchise or, at the Company's option, signs the Company's then-current version of franchise agreement, which may include materially different terms and may include a Territory that is modified in size or scope or is re-defined to meet then-current standards for newly-issued territories;

16.2.4.4 The Franchisee shall have fully paid and satisfied all of the Franchisee's obligations to the Company and the Franchisee shall fully pay to the Company the then-current assignment fee provided, however, the Franchisee shall not be required to pay an assignment fee in the event the assignee is a spouse. If the assignee is an adult child (at least 18 years old) of the Franchisee, the assignment fee is one-half of the then-current assignment fee;

16.2.4.5 If the assignee is a corporation, limited liability company or partnership, all of the shareholders, members or partners of the assignee shall enter into a written agreement, in the form attached hereto as Exhibit B, jointly and severally guaranteeing the full payment and performance of the assignee's obligations to the Company and agreeing to be personally bound by all covenants and restrictions imposed upon the assignee under the terms of this Agreement;

16.2.4.6 If the assignment is caused by the death or incapacity of the Franchisee or in the case of a partnership, limited liability company or corporation, by the death or incapacity of the one controlling more than one-half or more of the voting interest of the Franchisee, the provisions of this subparagraph must be met with regard to the heir or personal representative of the Franchisee succeeding to the Franchisee's interest hereunder; provided, however, if the heir or personal representative assigns or sells its interest in the Franchise within 90 days after the death or incapacity of the Franchisee, the person to whom the interest is assigned or sold, and not the Franchisee's heir or personal representative, must comply with the provisions of this subparagraph (16.2.4) as assignee;

16.2.4.7 The Franchisee and each of its owners and/or affiliates, and the assignee (and each owner and/or affiliate of the assignee) shall execute a general release of the Company and its officers and directors in form and substance satisfactory to the Company; and

16.2.4.8 The assignee must update the Computer System of the Franchised Business to the Company's then-current standards.

16.3 Transfer to Competitor Prohibited. The Franchisee will not sell, assign or transfer this Agreement, any interest in the Franchisee or the Franchised Business, or any assets or accounts, including but not limited to, the customer list of the Franchisee or the Franchised Business, to any person, partnership, corporation or entity that owns, operates, franchises, develops, consults with, manages, is involved in, or

controls any business that is in any way competitive with the Company or the Franchised Business. If the Company refuses to permit an assignment or transfer based upon this provision, the Franchisee's only remedy will be to have a court of competent jurisdiction determine whether the proposed transferee is a competitor of the Company.

16.4 Acknowledgement of Restrictions. The Franchisee acknowledges and agrees that the restrictions imposed by the Company on assignments or transfers are reasonable and necessary to protect the goodwill associated with the Company's business operation and the Names and Marks, as well as the Company's reputation and image and are for the protection of the Company and all franchisees that own and operate AmeriSpec businesses. Any attempted assignment or transfer made without complying with the requirements of this Paragraph 16 will be void.

16.5 Survival of Transfer Obligations. The terms of this Paragraph 16 shall survive termination or expiration of this Agreement for a period of 12 months. The parties agree and acknowledge that such extended obligation is necessary to fulfill the intent of Franchisee and the Company and is a material term of this Agreement.

17. RIGHT OF FIRST REFUSAL

If, at any time during the Term of the Franchise, the Franchisee receives a bona fide offer to purchase the Franchise or the Franchised Business, which offer the Franchisee is willing to accept, the Franchisee shall communicate in writing to the Company the full terms of the offer and the name of the offeror. The Company may elect to purchase the Franchised Business on the terms set forth in the offer. If the Company elects to purchase the same, it shall give the Franchisee written notice of the election within 20 days after the Company receives the Franchisee's communication of the offer. If the Company fails to give written notice of election within 20 days, the Franchisee may sell to the offeror on the terms offered, subject to the provisions relating to assignment. The sale must, however, be completed within 60 days of the termination of the 20 day period during which the Company may give written notice of election to purchase; otherwise, an additional notice must be given to the Company and an additional option period must expire prior to any such assignment. If the Company elects to purchase the Franchised Business, it shall have the right to substitute cash equivalent for any non-cash consideration included in the bona fide offer to purchase and the Company and the Franchisee will use their best efforts to complete the purchase within 60 days from the date of the Company's notice of election to purchase.

18. PRE-TERMINATION OPTIONS OF THE COMPANY

18.1 Company's Pre-Termination Rights. Prior to the termination of this Agreement, if the Franchisee fails to pay any amounts owed to the Company or its affiliates, or fails to comply with any term of this Agreement, then in addition to any right the Company may have to terminate this Agreement or to bring a claim for damages, the Company shall also have the option:

18.1.1 To cease providing AmeriSpec® Reports to the Franchisee;

18.1.2 To suspend all services provided to the Franchisee under this Agreement or otherwise, including but not limited to training, marketing assistance and the sale of marketing materials and other products and supplies;

18.1.3 Reduce and/or modify the size of Franchisee's Designated Territory or eliminate the "protected" status of the Designated Territory. If Franchisee fails to meet any of the requirements stated

in Paragraph 3.1.1 and Paragraph 3.1.2, Company may reduce and/or modify the size of Franchisee's Designated Territory or eliminate the "protected" status of the Designated Territory; and

18.1.4 To remove access to the System of Operation licensed by the Company.

18.2 Non-Waiver of Claims. The Company's actions as outlined in this Paragraph 18 may continue until the Franchisee has brought its accounts current, cured any default, and complied with the Company's requirements, and the Company has acknowledged the same in writing. The taking of any of the actions permitted in this Paragraph 18 shall not suspend or release the Franchisee from any obligation that would otherwise be owed to the Company or its affiliates under the terms of this Agreement or otherwise.

19. TERMINATION

19.1 Notice of Termination. The Franchisee may terminate this Agreement and the Franchise granted hereunder effective 10 days after delivery to the Company a written notice of termination, if the Franchisee is in compliance with this Agreement and the Company breaches this Agreement and fails to cure the breach within 30 days after written notice of the breach is delivered to the Company.

19.2 Company's Termination Rights. The Company may terminate the Franchise Agreement effective immediately upon receipt by the Franchisee of a notice of termination, for any of the following reasons:

19.2.1 The Franchisee, or a person designated by the Franchisee and approved by the Company as the manager of the Franchised Business, fails to satisfactorily complete the Company's initial management training program;

19.2.2 The Franchisee voluntarily abandons the Franchise by failing to operate the business for five consecutive days during which the Franchisee is required to operate the business under the terms of the Franchise Agreement, or any shorter period after which it is not unreasonable under the facts and circumstances for the Company to conclude that the Franchisee does not intend to continue to operate the Franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the Franchisee's control; provided, however, if the Franchisee takes a vacation of 2 weeks or less during a calendar year, this shall not trigger the Company's right to terminate the Franchise Agreement if the Franchisee has made arrangements to have the phones answered and the Franchisee otherwise demonstrates an appearance of being in business; in no case, however, may the business not conduct inspections for a period exceeding two weeks;

19.2.3 The Franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the Franchise;

19.2.4 The Franchisee fails to cure a default under this Agreement which materially impairs the goodwill associated with the Names and Marks;

19.2.5 The Franchisee or the Franchised Business is declared bankrupt or judicially determined to be insolvent, or all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the Franchisee admits its inability to pay its debts as they come due;

19.2.6 The Company and the Franchisee agree in writing to terminate the Franchise;

19.2.7 The Franchisee, after curing any failure for which the Franchisee is given 30 days' notice and an opportunity to cure, engages in the same noncompliance, whether or not such noncompliance is corrected after notice;

19.2.8 The Franchisee makes an unauthorized assignment of the Franchise Agreement, the Franchised Business, or the Franchise;

19.2.9 The Franchisee makes any material misrepresentations relating to the acquisition of the Franchise;

19.2.10 The Franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchised Business or the AmeriSpec franchise system;

19.2.11 The Franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation applicable to the operation of the Franchise;

19.2.12 A levy of execution has been made upon the license granted under the Franchise Agreement and it is not discharged within 5 days of such levy;

19.2.13 The Franchisee fails to pay any Royalties or Advertising Contributions when due, or any other amounts due to the Company or to any affiliate of the Company within 5 days after receiving notice that such fees are overdue;

19.2.14 The Company makes a reasonable determination that continued operation of the Franchise by the Franchisee will result in an imminent danger to public health or safety;

19.2.15 The Franchisee fails to submit financial statements, sales information or other supporting records as set forth herein for a period of 30 days after they are due or submits to the Company 2 or more sales reports, financial statements, other information, or supporting records in any period of 12 consecutive months which understate the Gross Receipts of the Franchised Business by 3% or more or materially distort any other material information;

19.2.16 Any agreement (a) between the Franchisee (or any owner or affiliate of the Franchisee) and the Company (or any of its affiliates), including any other software licenses, loan agreements, program participation agreements, franchise agreements, or other agreements or (b) between the Franchisee (or any owner or affiliate of the Franchisee) and any other party, provided such agreement is related to the Franchised Business (including, without limitation, leases, subleases, loan or financing agreements, or vendor agreements) (collectively, "Related Agreements") is terminated as a result of a default by Franchisee, its owners, or its affiliates. Any default under a Related Agreement by Franchisee, its owners, or its affiliates shall also be considered a default under this Agreement;

19.2.17 The Franchisee fails to pay any amounts due to any third-party vendor; or

19.2.18 The Franchisee violates a material provision, term or condition of this Agreement four (4) or more times during the Term of this Agreement, without regard to whether the violations were of a similar or different nature or whether the violations were corrected within the prescribed cure period after receipt of written notice from the Company.

19.3 Termination for Good Cause. The Company may also terminate this Agreement for any other reason constituting good cause, including, but not limited to, the failure of the Franchisee to comply with

any lawful requirement of this Agreement after being given notice thereof and 30 days in which to cure such failure.

19.4 In Accordance with Law. The foregoing notwithstanding, to the extent that the provisions of this Franchise Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, nonrenewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance with applicable law, be superseded by said law, and the Company shall comply with applicable law in connection with each of these matters.

19.5 Return of Manuals and Software. The Franchisee agrees, upon termination or expiration of the Franchise, to immediately return to the Company all copies of all manuals and software (including Proprietary Software) that have been provided, loaned or licensed to it by the Company, any marketing materials bearing the Names and Marks, and any material marked as property of the Company or as confidential.

19.6 Payment of Unpaid Amounts. Within 7 days after the effective date of termination or expiration of the Franchise, the Franchisee shall pay to the Company such Royalties and other charges as have or will thereafter become due hereunder and are then unpaid, plus damages for the right to receive Royalties for each year or portion thereof remaining in the original term of this Agreement, together with any other damages suffered by the Company, and all amounts due for printed materials, forms, advertising material, samples, supplies, products and services supplied by the Company.

19.7 Cancellation of Assumed Names and Telephone Numbers and Listings. Upon termination or expiration of the Franchise, the Franchisee shall expeditiously take such action as may be required (a) to properly cancel all assumed names or equivalent registrations relating to the use of the Names and Marks; and (b) to transfer or vest in the Company all interest in and rights to use all telephone and facsimile numbers, all listings, email addresses and all social media accounts whether or not bearing the Names and Marks (collectively "listings and accounts") used by the Franchisee in any manner related to the operation of, or applicable to, the Franchised Business, and the Company shall thereupon have the full and exclusive right to use such listing and accounts or to authorize the use thereof by another franchisee of the Company. The Franchisee authorizes the Company, and appoints the Company its attorney-in-fact, to direct the telephone company and all listing agencies to transfer such listings and accounts to the Company or as it may in writing direct. Any amounts owing by the Franchisee on account of such listings and accounts shall be paid immediately by the Franchisee.

19.8 Removal of Name. Immediately upon termination or expiration of the Franchise, the Franchisee shall cause all interior and exterior signs identifying the business premises as an AmeriSpec business, and AmeriSpec signs or logos appearing on any vehicles, to be removed. If the Franchisee fails to remove the sign(s), the Company shall be entitled to remove the sign(s), without prior notice to the Franchisee at the expense of the Franchisee.

19.9 De-identification with the System of Operation. After the termination or expiration of the Franchise, the Franchisee shall not indicate directly or indirectly, in any manner, that it is or ever was affiliated with the Company in any capacity except as required by law and for the limited purpose of providing employment history necessary for reasons other than obtaining benefits based directly or indirectly on the former affiliation. Thereafter, the Franchisee may not identify itself or any business as an AmeriSpec business or as a franchisee of, or as otherwise associated with, the Company, or use, in any manner or for any purpose, any of the System of Operation, concepts and methods of promotion, or Names and Marks, or any other indicia of an AmeriSpec business.

19.10 Relinquishment of Goodwill. The Franchisee shall relinquish all interest of every kind and description in the Franchise upon termination or expiration of the Franchise, including any goodwill established prior to or during the operation of the Franchise. In addition, Franchisee acknowledges and agrees the customer list of the Franchised Business is an intangible asset that exists only in connection with the Franchise and, as such, reverts to the Company upon termination or expiration of this Agreement or any renewal agreement.

19.11 Compliance with Surviving Obligations. All obligations of the Company and the Franchisee that expressly or by their nature survive the expiration or termination of the Franchise shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement until they are satisfied in full or by their nature expire.

20. ENFORCEMENT/PAYMENTS/LATE CHARGES

20.1 Injunctive and/or Equitable Relief. The Company may apply for injunctive or other equitable relief (a) to enforce its right to terminate this Agreement for cause; (b) to prevent or remedy a breach of this Agreement by the Franchisee, if such breach could materially impair the goodwill associated with the Company's Names and Marks; (c) to collect monies due to the Company; and (d) to enforce the provisions of Paragraphs 14, 15, and 17 hereof.

20.1.1 The Company may apply, without bond, for the entry of temporary restraining orders, and temporary and permanent injunctions enforcing the aforementioned provisions.

20.1.2 If the Company secures any such injunction, or any other judicial relief against the Franchisee, the Franchisee shall pay the Company an amount equal to the aggregate of the Company's costs of obtaining such relief, including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses.

20.2 Franchisee May Not Withhold Payments. The Franchisee shall not withhold any payments whatsoever due to the Company. No endorsement or statement on any check or payment of any sum less than the full sum due to the Company shall be construed as an acknowledgment of payment in full or an accord and satisfaction, and the Company may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law. The Company may: (a) apply any payments received to any past due, current, future or other indebtedness of any kind in its discretion, no matter how payment is designated by Franchisee, except that Advertising Fund Contributions may only be credited to the Advertising Fund; (b) set off, from any amounts that may be owed by the Company, any amount owed to the Company or any Advertising Fund; and (c) retain any amounts received for Franchisee's account (and/or that of any affiliate of Franchisee), whether rebates from suppliers, national account or program work payments, or otherwise, as payment against any amounts owed to The Company. The Company can exercise any of the foregoing rights in connection with amounts owed to or from The Company and/or any Company affiliate.

20.3 Right to Interest and Costs. In the event the Franchisee fails to pay any amounts owed to the Company, Franchisee will pay the Company, in addition to the overdue amount, interest on that amount from the date the amount was due until it is paid at the rate of 1.5% per month, or the maximum rate permitted by law, whichever is less. Entitlement to such interest will be in addition to the Company's right to employ a collections agency to collect monies due to the Company. In such event, the Franchisee shall also be responsible for paying any and all fees associated with collection, including but not limited to administration costs, attorneys' fees, and cost of litigation.

20.4 Failure to Return Materials. In the event the Franchisee fails to timely return to Company the materials set forth in Paragraph 19.5 Company may charge Franchisee for the fair market value of these items and submit any unpaid sum to collections in accordance with this paragraph.

21. DISPUTE RESOLUTION.

21.1 Alternative Dispute Resolution Procedure. Except as otherwise provided in Paragraph 21.2 (Excepted Disputes), any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever between (i) the Franchisee, its affiliates, or its owners, and/or the Franchisee's, its affiliates', or its owners' officers, directors, and employees (the "Franchisee Related Parties") and (ii) the Company, its affiliates, and/or its or its affiliates' officers, directors, owners, and employees (the "Company Related Parties") relating to (a) this Agreement, (b) the relationship of any of the Company Related Parties with any of the Franchisee Related Parties, or (c) the Franchised Business, including disputes related to compliance with franchise, labor, or employment laws (collectively, (a) through (c), the "Covered Disputes") must be resolved in accordance with the alternative dispute resolution procedures described in this Paragraph 21.1. The Franchisee Related Parties and any Company Related Parties shall all be considered third-party beneficiaries of this Agreement and shall be included in the term "parties" or "party" in this Paragraph 21.

21.1.1 Informal Negotiation. To initiate the dispute resolution process, the party alleging a Covered Dispute must provide the other party with written notice setting forth the alleged Covered Dispute in detail and requesting a meeting (the "Dispute Notice"). Each Covered Dispute must be discussed in a face-to-face meeting or, upon agreement of the parties, in a video or telephone conference call held within thirty (30) days after such Dispute Notice is provided to the other party. Unless otherwise agreed by the parties, the party initiating the process must wait at least thirty (30) days after the Dispute Notice has been delivered to the other party before submitting the dispute to mediation.

21.1.2 Mediation. If the Covered Dispute is not resolved informally as provided in Paragraph 21.1.1 (Informal Negotiation), the party alleging the Covered Dispute must submit the Covered Dispute for non-binding mediation. All parties must attend and participate in the mediation. The mediation shall be governed by the rules of the American Arbitration Association (the "AAA") before one mediator selected by the parties, and if the parties cannot agree upon the mediator, then a mediator selected by the AAA. It is the intent of the parties that mediation shall be held not later than thirty (30) days after a written request for mediation shall have been served on the other parties. The mediation shall be held in the metropolitan area of Company's then-current principal place of business (currently, Memphis, Tennessee) and shall not last more than one day, unless the parties agree otherwise. The parties will split equally the cost of any mediation. Any party may be represented by counsel and may, with permission of the mediator, bring persons appropriate to the proceeding.

21.1.3 Arbitration. If the parties do not resolve the Covered Dispute after the conclusion of the mediation, such Covered Dispute must be subject to and resolved exclusively by binding arbitration. **This means that all Covered Disputes that either party would otherwise have the legal right to sue for in court shall be subject to final and binding arbitration under the arbitration provisions set forth in this Paragraph 21.1.3 and not decided by a court or a jury.** If there are any ambiguities in the terms or conditions of this Paragraph 21, it is the parties' intent that all ambiguities be resolved in favor of arbitration. For the purposes of this Paragraph 21.1.3, Covered Disputes will not include disputes that an applicable federal statute provides cannot be arbitrated or cannot be subject to a pre-dispute agreement to arbitrate.

21.1.3.1 Arbitration Procedure. Either party may commence arbitration by sending written demand for arbitration to the other party. The arbitration proceeding shall be conducted by one arbitrator and, except as otherwise provided in this Paragraph 21, shall be conducted in accordance with the then-current Commercial Arbitration Rules of the AAA. All arbitration proceedings will be held at the offices of the AAA or other suitable offices that the Company selects in the metropolitan area in which its principal place of business is then located (currently, Memphis, Tennessee). The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.).

21.1.3.2 Scope. The arbitrator (and not a court) shall decide all issues in any Covered Dispute, including issues regarding the non-availability of class arbitration, timeliness, arbitration procedures, statute of limitations, and all other issues regarding the application, interpretation, enforceability, coverage, and implementation of this Paragraph 21.1.3, including whether the parties have entered into this Agreement. In accordance with Paragraph 21.5 (Mutual Waiver of Class or Collective Actions), the arbitrator shall have no authority to consider or resolve any claim or issue in a Covered Dispute on any basis other than on an individual basis and may not consolidate or join one or more Covered Disputes pertaining to Franchisee or another Franchisee Related Party with any other dispute(s).

21.1.3.3 Relief. The arbitrator shall have the power and authority to award any remedy or relief available under applicable law, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (in accordance with Paragraph 20.3 (Right to Interest and Costs)), except the arbitrator may not (a) declare any Name and Mark generic or otherwise invalid or (b) award any special, consequential, exemplary, or punitive damages against either party, except as expressly provided in Paragraph 21.4 (Mutual Waiver of Punitive Damages).

21.1.3.4 Binding Decision. The decision and award of the arbitrator will be final, conclusive, and binding on all parties regarding any claims, counterclaims, issues, or accountings presented or pled to the arbitrator, and judgment on the award, including any partial, temporary or interim award, may be entered in any court of competent jurisdiction (and such proceeding shall not itself be deemed a Covered Dispute).

21.1.3.5 Confidentiality. All evidence, testimony, records, documents and information disclosed in any arbitration hearing between the parties will be secret and confidential in all respects. Neither party will disclose any evidence, testimony, records, documents or information from any arbitration hearing to any other person or entity except as required or expressly permitted by applicable law.

21.2 Exceptions to Alternative Dispute Resolution.

21.2.1 Excepted Disputes. Unless the Company consents in writing otherwise, the following Covered Disputes will not be subject to or resolved through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Paragraph 21.1 (Alternative Dispute Resolution Procedure) and will instead be resolved through litigation: (a) disputes relating to Franchisee's use of the Name and Marks (including Lanham Act or common law claims); (b) disputes that otherwise relate to the ownership or validity of any of the Company's intellectual property or the enforcement of the Company's intellectual property rights; (c) disputes that involve protection of the Company's confidential information; (d) disputes related to the enforcement of Paragraph 15 (Covenants); and (e) disputes related to the payment of sums that any of the Franchisee Related Parties owes to any of the Franchisor Related

Parties (collectively, "Excepted Disputes").

21.2.2 Injunctive Relief. Notwithstanding the parties' agreement to resolve Covered Disputes through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Paragraph 21.1 (Alternative Dispute Resolution Procedure), either party will have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution of the actual Covered Dispute that would otherwise be subject to arbitration; provided, however, that such party must contemporaneously submit the Covered Dispute for arbitration on the merits as provided in Paragraph 21.1.3 (Arbitration). In addition to any other relief available at law or equity, the Company will have the right to obtain restraining orders or temporary or permanent injunctions to, among other things: (a) enforce the provisions of this Agreement related to the use or protection of the Name and Marks, Franchisor's confidential information, other components of the System of Operation, or other intellectual property of any of the Company Related Parties; (b) enforce the non-compete covenants in Paragraph 15 (Covenants); (c) enforce the obligations of any Franchisee Related Party on termination or expiration of this Agreement; and (d) prohibit any act or omission by any Franchisee Related Party that is a violation of applicable law or that threatens to harm the Name and Marks, the System of Operation, or the business of other franchisees or the Company Related Parties. The Franchisee agrees that the Company Related Parties will not be required to prove actual damages or post a bond in excess of \$1,000 or other security in seeking or obtaining injunctive relief (both preliminary and permanent) and/or specific performance with respect to this Agreement.

21.2.3 Forum for Litigation. Any litigation related to an Excepted Dispute will be filed exclusively in the state court or United States District Court for the district in which the Company has its principal place of business at the time of filing. The parties waive all questions of personal jurisdiction and venue for the purpose of carrying out this provision. Notwithstanding the foregoing, the Company may enforce this Agreement in the courts of the state or states in which Franchisee is domiciled or the Franchised Business is operated.

21.3 MUTUAL WAIVER OF JURY TRIAL. THE PARTIES EACH KNOWINGLY, VOLUNTARILY, AND IRREVOCABLY WAIVE ANY RIGHT TO A TRIAL BY A JURY IN ANY COVERED DISPUTE AND ANY RIGHT TO HAVE A COVERED DISPUTE BE DECIDED BY A COURT OR A JURY.

21.4 MUTUAL WAIVER OF PUNITIVE DAMAGES. EXCEPT FOR (A) CLAIMS RELATED TO THE FRANCHISEE RELATED PARTIES' OBLIGATION TO INDEMNIFY FRANCHISOR AND THE FRANCHISOR INDEMNITIES FOR THIRD-PARTY CLAIMS UNDER PARAGRAPH 22 (INDEPENDENT CONTRACTORS/ INDEMNIFICATION), (B) CLAIMS RELATED TO ANY OF THE FRANCHISEE RELATED PARTIES' INFRINGEMENT OF ANY OF THE FRANCHISOR RELATED PARTIES' INTELLECTUAL PROPERTY, AND (C) CLAIMS RELATED TO ANY FRANCHISEE RELATED PARTIES' BREACH OF ITS OBLIGATIONS UNDER PARAGRAPH 14 (CONFIDENTIALITY AND IMPROVEMENTS BY THE FRANCHISEE), NEITHER PARTY WILL BE ENTITLED TO RECOVER SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES UNDER THIS AGREEMENT.

21.5 MUTUAL WAIVER OF CLASS OR COLLECTIVE ACTIONS. FRANCHISOR AND THE FRANCHISEE EACH WAIVE ANY RIGHT TO BRING ANY CLAIMS ON A CLASS-WIDE OR GROUP, REPRESENTATIVE, CONSOLIDATED, JOINT, OR COLLECTIVE BASIS. EACH PARTY MUST BRING ANY CLAIMS AGAINST THE OTHER PARTY ON AN

INDIVIDUAL BASIS AND MAY NOT JOIN ANY CLAIM IT MAY HAVE WITH CLAIMS OF ANY OTHER PERSON OR ENTITY OR OTHERWISE PARTICIPATE IN A CLASS OR COLLECTIVE ACTION AGAINST THE OTHER PARTY.

21.6 TWO-YEAR LIMITATION ON CLAIMS. ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR COVERED DISPUTES WILL BE BARRED UNLESS AN ARBITRATION OR JUDICIAL PROCEEDING IS COMMENCED IN THE PROPER FORUM WITHIN TWO YEARS FROM THE DATE ON WHICH THE VIOLATION, ACT, OMISSION, OR CONDUCT GIVING RISE TO THE CLAIM OCCURS, REGARDLESS OF WHEN THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIM, except for claims (which may be brought by any Company Related Party against any Franchisee Related Party at any time): (a) relating to third-party claims or suits brought against any Company Related Party as a result of the operation of the Franchised Business; (b) relating to the enforcement of any intellectual property rights of any Company Related Party; (c) relating to the Franchisee's non-payment or underpayment of amounts owed to a Company Related Party; (d) concerning the obligations of any Franchisee Related Party under Paragraph 14 (Confidentiality and Improvements by the Franchisee) or Paragraph 15 (Covenants) of this Agreement; (e) related to the non-compliance of any Franchisee Related Parties with any post-termination obligations under this Agreement; and (f) regarding an assignment of this Agreement or any ownership interest therein.

21.7 No Collateral Estoppel. No arbitration finding, conclusion or award may be used to collaterally estop either party from raising any like or similar issue or defense in any subsequent arbitration, litigation, court hearing or other proceeding involving third parties, including other franchisees.

21.8 Remedies Not Exclusive. No right or remedy that the parties have under this Agreement is exclusive of any other right or remedy under this Agreement or under applicable law. Each and every such remedy will be in addition to, and not in limitation of or substitution for, every other remedy available at law or in equity or by statute or otherwise.

21.9 No Recourse. The Franchisee acknowledges and agrees that except as provided under an express statutory liability for such conduct, none of the Company's past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for (i) any of the Company's obligations or liabilities relating to or arising from this Agreement, (ii) any claim against the Company based on, in respect of, or by reason of, the relationship between the Franchisee and the Company, or (iii) any claim against the Company based on any of the Company's alleged unlawful act or omission. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, unless such vicarious claims are authorized by a guarantee of performance or statutory obligation. It is not meant to bar any direct contractual, statutory, or common law claim that would otherwise exist.

21.10 Governing Law. Except to the extent governed by the United States Trademark Act (the Lanham Act) or the Federal Arbitration Act, this Agreement and all disputes directly or indirectly related to or arising from this Agreement shall be governed, interpreted, and construed under the laws of the State of Tennessee, which laws shall prevail in the event of any conflict of law, without regard to the application of any Tennessee conflict-of-law rules.

21.11 Survival. This Paragraph 21 will survive termination, expiration, and/or rescission of this Agreement.

22. INDEPENDENT CONTRACTORS/INDEMNIFICATION

22.1 Independent Contractor. The Franchisee shall be conspicuously identified at the premises of the Franchised Business and in all dealings with customers and suppliers as a franchisee. All written materials given to customers of the Franchised Business, including but not limited to promotional materials and inspection reports, shall clearly identify that the Franchised Business is independently owned and operated by the Franchisee. The Franchisee shall not represent or imply to any person that this Agreement authorizes the Franchisee to act as agent for the Company. This Agreement does not create a fiduciary relationship between the parties. Nothing in this Agreement is intended to create a joint employer relationship between the parties, it being expressly understood that any personnel policies or procedures, forms, guidance or other employment related materials or information offered by the Company is provided solely for Franchisee's convenience. Franchisee's use of such information is completely optional and should not be construed as an intent or right to control Franchisee's operations, personnel decisions or relationship with its employees. Franchisee is expressly advised to consult its own independent counsel for labor and employment advice.

22.2 Indemnification by Franchisee. Neither the Company nor the Franchisee shall be obligated by any agreement, representation or warranty (except warranties specifically authorized by the Company, if any) made by the other, nor shall the Company be obligated for damages to any person or property directly or indirectly arising out of the operation of the Franchised Business or the Franchisee's business conducted hereunder, breach of contract, or caused by the Franchisee's negligence, willful action or failure to act. The Franchisee agrees to indemnify the Company in any action, suit, proceeding, demand, investigation or inquiry (formal or informal) wherein the liability of the Company is alleged or in which the Company is named as a party as a result of activities by the Franchisee. In the event that such an action or claim is made against the Company, the Franchisee shall indemnify and hold harmless the Company from all costs reasonably incurred by the Company in the defense of any such claim brought against it, or in any such action in which it is named as a party, including without limitation, reasonable attorneys' fees, costs of investigation or proof of facts, court costs, other litigation expenses and travel and living expenses, and from all amounts paid or incurred by the Company arising out of such claim or action. The Company shall have the right to defend any such claim against it. Such an undertaking by the Company shall, in no manner or form, diminish the Franchisee's obligation to indemnify the Company and to hold it harmless. The Company shall not be required or obligated to seek recovery from third parties or otherwise mitigate its losses in order to maintain a claim against the Franchisee. If a decision rendered in an action or suit covered by this Paragraph 22 is against the Franchisee or the Company, and the Company desires to appeal the decision, the Franchisee may notify the Company within 10 days of the date of the decision of its intent to abide by the decision, then, in such event, the Franchisee shall pay the Company the amount required of it under this Paragraph 22 and all future costs related to the appeal and/or settlement of the claim shall be the responsibility of the Company.

FRANCHISEE AND THE GUARANTORS, BY SIGNING THIS AGREEMENT, INDEMNIFY AND AGREE TO DEFEND AND HOLD HARMLESS THE COMPANY AND ITS RELATED PARTIES AGAINST ALL LOSSES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, LIABILITIES AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION FOR LITIGATION WHETHER OR NOT THE COMPANY IS A PARTY TO THE LITIGATION) THAT THE COMPANY OR ANY OF ITS

RELATED PARTIES MAY PAY OR INCUR ARISING OUT OF OR RELATING TO THIS AGREEMENT OR TO FRANCHISEE'S OPERATION OF THE FRANCHISED BUSINESS EVEN IF CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE (WHETHER SOLE, JOINT OR CONCURRENT), OF THE COMPANY.

22.3 Indemnification by Company. The Company agrees to indemnify the Franchisee against, and to reimburse the Franchisee for, any obligation or liability for damages payable to persons other than the Franchisee or its owners that are attributable to agreements, representations or warranties of the Company, or solely caused by the negligent or willful action of the Company, and for costs (as hereinabove defined) reasonably incurred by the Franchisee in the defense of any claim brought against it as a result of the foregoing or in any such action in which it is named as a party. The Company shall have the right to participate in and to control any litigation or proceeding which might result in liability of or expense to the Franchisee subject to indemnification by the Company.

22.4 Survival of Obligations. The indemnity and assumption of liability obligations herein shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

23. BINDING EFFECT/CONSTRUCTION/WAIVER/ NOTICES

23.1 Agreement Binding on Successors. This Agreement is binding upon the parties hereto, their respective heirs, assigns and successors in interest.

23.2 Entire Agreement. This Agreement and all exhibits to this Agreement constitute the entire agreement between the Company and the Franchisee with respect to the subject matter of this Agreement and supersede any and all prior negotiations, understandings, representations, and agreements concerning the subject matter. Nothing in this or in any related agreement, however, is intended to disclaim the representations the Company made in the franchise disclosure document that the Company furnished to the Franchisee.

23.3 Reasonable Business Judgment. Whenever the Company reserves discretion in a particular area or where the Company agrees or is required to exercise its rights reasonably or in good faith, the Company will satisfy its obligations whenever it exercises "reasonable business judgment" in making its decision or exercising its rights. A decision or action by the Company will be deemed to be the result of "reasonable business judgment", even if other reasonable or even arguably preferable alternatives are available, if the Company's decision is intended to promote or benefit the System of Operation generally even if the decision or action also promotes a financial or other individual interest of the Company. Examples of items that will promote or benefit the System of Operation include enhancing the value of the Names and Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System of Operation. Neither Franchisee nor any third party (including a trier of fact), will substitute its judgment for the Company's reasonable business judgment.

23.4 Provision of Goods, Products and Services. The Company and/or its affiliates periodically may make available to Franchisee goods, products and/or services for use in connection with the Franchised Business, the sale of which the Company and/or its affiliates may make a profit. The Company and its affiliates periodically may receive consideration from suppliers and manufacturers respecting such sale of goods, products or services to Franchisee or in consideration for services provided or rights licensed to such

persons. Franchisee agrees that the Company and its affiliates will be entitled to such profits and consideration.

23.5 Headings. The headings of the several paragraphs above are for convenience only and do not define, limit or construe the contents thereof. The term “Franchisee” as used herein is applicable to 1 or more persons, a corporation or a partnership, as the case may be, includes the plural and the masculine and feminine usages. References to “the Franchisee” applicable to any individual shall mean the principal owner or owners of the equity or operating control of the Franchisee if the Franchisee is a corporation, limited liability company or partnership.

23.6 Construction of Provisions. The Company and the Franchisee agree that if any provision of this Agreement is capable of 2 constructions, one of which would render the provision illegal or otherwise voidable or unenforceable and the other of which would render the provision valid and enforceable, the provision shall have the meaning which renders it valid and enforceable. The language of all provisions of this Agreement shall be construed simply according to its fair meaning and not strictly against the Company or the Franchisee.

23.7 Unenforceable Provisions. It is the desire and intent of the Company and the Franchisee that the provisions of this Agreement be enforced to the fullest extent possible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any provision of this Agreement is adjudicated to be invalid or unenforceable, such adjudication is to apply only with respect to the operation of such provision in the particular jurisdiction in which such adjudication is made. All provisions of this Agreement are severable and this Agreement shall be interpreted and enforced as if all completely invalid and unenforceable provisions were not contained herein, and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. The Company and the Franchisee shall substitute a valid and enforceable provision for any specification, standard, operating procedure, rule or other obligation of the Franchisee or the Company which is determined to be invalid or unenforceable and is not waived by the other.

23.8 No Waiver. The Company and the Franchisee, by written instrument, may unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by the Company of any payment by the Franchisee and no failure, refusal or neglect of the Company or the Franchisee to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder or with any specification, standard or operating procedure shall constitute a waiver of any provision of this Agreement or any specification, standard or operating procedure; provided, however, that such failure, refusal or neglect to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations under this Agreement or under state or federal law, or with any specification, standard or operating procedure, shall constitute a waiver of any default arising under this Agreement or under state or federal law and shall preclude exercise or enforcement of any right or remedy arising therefrom, unless written notice of such default is provided by the non-defaulting party within twelve (12) months after such right or default occurs. No exercise or enforcement by the Company or the Franchisee of any right or remedy hereunder shall preclude the exercise or enforcement by the Company or of the Franchisee of any other right or remedy hereunder or which the Company or the Franchisee is entitled by law to enforce. No modification of this Agreement shall be valid unless such modification is in writing and signed by the Franchisee and the Company.

23.9 Notices. All written notices permitted or required to be delivered by the provisions of this Agreement shall be deemed so delivered (a) when delivered by hand, (b) 3 business days after placed in the mail system of the United States by registered or certified mail, return receipt requested, postage

prepaid, and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified, or (c) 1 business day after sent via overnight courier, postage prepaid, and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified.

23.10 Variance in Standards. Because complete and detailed uniformity under many varying conditions may not be possible or practical, the Company specifically reserves the right and privilege, at its sole discretion and as it may deem in the best interests of all concerned in any specific instance, to vary standards for any franchise owner based upon the peculiarities of a particular site or circumstance, density of population, business potential, population of trade area, existing business practices or any other condition which the Company deems to be of importance to the successful operation of such franchise owner's business. The Franchisee shall not complain on account of any variation from standard specifications and practices granted to any other franchise owner and shall not be entitled to require the Company to grant to the Franchisee a like or similar variation thereof.

23.11 No Recourse. The Franchisee acknowledges and agrees that except as provided under an express statutory liability for such conduct, none of the Company's past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for (i) any of the Company's obligations or liabilities relating to or arising from this Agreement, (ii) any claim against the Company based on, in respect of, or by reason of, the relationship between the Franchisee and the Company, or (iii) any claim against the Company based on any of the Company's alleged unlawful act or omission. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, unless such vicarious claims are authorized by a guarantee of performance or statutory obligation. It is not meant to bar any direct contractual, statutory, or common law claim that would otherwise exist.

24. REPRESENTATIONS BY FRANCHISEE

24.1 Significant Dates. 24.4.2 The Franchisee acknowledges and agrees that the Franchised Business may be impacted by many risks, including those outside the Company's or the Franchisee's control such as economic, political or social disruption, including COVID-19. In addition, the Franchisee acknowledges and agrees that the COVID-19 outbreak and any preventative or protective actions that federal, state, and local governments may take in response to this pandemic may result in a period of business disruption, reduced customer demand, and reduced operations for the Franchised Business, and that the extent to which the COVID-19 outbreak impacts the Franchised Business will depend on future developments which are highly uncertain and which the Company cannot predict.

For all applicable franchisees: The Franchisee has read Sec. 24.4, understands it, and agrees with it.

No statement, questionnaire, or acknowledgement signed or agreed to by the Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by the Company, any franchise seller, or any other person acting on behalf of the Company. This provision supersedes any other term of any document executed in connection with the franchise.

LICENSE AGREEMENT (E-Mail Accounts)

This License Agreement ("Agreement") is made and effective as of this ____ day of ____, 20____ (the "Effective Date") by and between TCB AMERISPEC, LLC, a Delaware limited liability company, having its principal place of business located at 57 Germantown Ct. Suite 201, Cordova, Tennessee 38018 ("AmeriSpec"), and _____, an AmeriSpec franchisee doing business as "AmeriSpec Inspection Service" and having its principal place of business located at _____ ("Franchisee"), WITNESSETH:

WHEREAS, AmeriSpec has a license to permit authorized parties to access web-based electronic mail accounts for AmeriSpec ("e-mail accounts") which are designed to facilitate communication between Franchisees, other third-parties and AmeriSpec for the purpose of, among other things, the scheduling of AmeriSpec inspections; and

WHEREAS, AmeriSpec desires to grant, and Franchisee desires to obtain permission and access to the e-mail account.

NOW, THEREFORE, AmeriSpec and Franchisee agree as follows:

1. AmeriSpec will provide Franchisee with access to and the right to use the e-mail account as specified herein. AmeriSpec will provide up to a maximum of two (2) email accounts per franchise, as follows: If Franchisee's AmeriSpec franchise is owned by more than one individual, then AmeriSpec shall provide up to two (2) separate e-mail accounts. If the franchise is owned by a corporation or other type of legal business entity and more than one individual has executed a personal guaranty relative to the terms of the Franchise Agreement, then AmeriSpec shall provide up to two (2) separate e-mail accounts. Additional e-mail accounts may be created, but the Franchisee will be billed the then current charge for the additional accounts. AmeriSpec shall retain ownership of the e-mail account and e-mail address.
2. A maximum of up to two (2) email accounts per franchise shall be provided at no cost to the Franchisee. AmeriSpec reserves the right to charge a license fee in the future, but shall provide at least 30 days' notice prior thereto. Franchisee shall be responsible for any costs incurred in either the use of or obtaining access to the e-mail account.
3. The name for the address of the e-mail account (e-mail address) shall be as follows: (Franchisee's first initial) (Franchisee's last name)@AmeriSpec.net. For example: RSkinner@AmeriSpec.net. In the event a particular e-mail address is not available (for example, an existing franchisee has the same last name and first initial), then an alternative e-mail address will be provided.
4. Access to the e-mail account is for Franchisee only. Franchisee shall not share this e-mail account with any other person or entity. Furthermore, Franchisee shall not demonstrate or give access to the e-mail account to another person or entity without the prior written approval of AmeriSpec.
5. Either party may terminate this Agreement without cause upon 30 days' notice. AmeriSpec may terminate this Agreement immediately for good cause, including but not limited to violation of, or failure to follow, the guidelines as set forth herein or for failure to comply with the material terms of the Franchise Agreement between the parties. This Agreement and all rights granted herein shall

- automatically terminate, without further notice, upon either the termination or expiration of the Franchise Agreement between the parties. This Agreement and all rights granted herein shall also automatically terminate, without further notice, upon Assignment (as defined in the Franchise Agreement) of the Franchisee's AmeriSpec franchise, unless the Assignment merely transfers ownership of the AmeriSpec franchise from an individual owner(s) to a Corporation or other legal business entity and the Franchisee retains majority ownership of that entity.
6. This Agreement and the license granted herein are not assignable or transferable by Franchisee without the prior written consent of AmeriSpec.
 7. This Agreement shall in no way affect any existing obligations of AmeriSpec or Franchisee created in any other agreement, including but not limited to the Franchise Agreement between the parties and any and all terms contained therein.
 8. Franchisee agrees that it shall only use the e-mail account for lawful purposes. Without limiting the foregoing, Franchisee shall not use the e-mail account in a manner: (a) which would result in any transmission of any material in violation of any international, federal, state or local laws, including (without limitation) laws pertaining to the use of data and to the franchise and business opportunity laws; (b) which in any way would violate or infringe upon any party's privacy rights, right of publicity, or any other rights of any person or entity; or (c) which would display, transmit or store material which is unlawful, harmful, abusive, hateful, obscene, threatening, libelous, or defamatory.
 9. AmeriSpec reserves the right to provide additional guidelines for use on the e-mail account from time to time. Such additional guidelines shall be provided to Franchisee in writing and attached to and incorporated in this Agreement.
 10. Franchisee agrees to comply with limits set by AmeriSpec for maximum disk quota for e-mail usage. Currently the maximum disk quota for email usage is 25MB per account. This limit is subject to change, and AmeriSpec will notify Franchisee of any such changes in writing. It is solely Franchisee's responsibility to not exceed this disk quota. Franchisee acknowledges that exceeding disk quotas may cause e-mails to be denied and returned to the sender as undeliverable. AmeriSpec assumes no responsibility for loss of business or any other issues that may arise from Franchisee's failure to comply with this provision. Franchisee also acknowledges that there is a maximum attachment upload size limit of 10Mb. This limit is subject to change, also, and AmeriSpec will notify the Franchisee in writing of any such changes.
 11. Franchisee acknowledges that AmeriSpec may apply an anti-spam and/or an anti-virus solution (collectively "SPAM/AV") on part or all of AmeriSpec.net e-mail accounts. The anti-spam solution applied will be the most efficient for SPAM and AV, but AmeriSpec in no way warrants or guarantees the effectiveness of the SPAM/AV solution. Franchisee acknowledges that deploying an anti-spam solution may result in the loss of e-mails. Franchisee agrees that AmeriSpec shall not be liable for any loss or damages to Franchisee's computer or damage to the operation of the franchise due to a virus, or related to deploying the SPAM/AV solution. AmeriSpec reserves the right to remove the SPAM/AV solution at any time for any reason it deems necessary.
 12. Franchisee acknowledges that AmeriSpec utilizes the services of a third-party e-mail hosting provider and AmeriSpec has no control of, and cannot make guarantees regarding, the uptime of the e-mail service. AmeriSpec will work with the third-party e-mail hosting provider in order to maximize the uptime.

Independent Auditor's Report

Board of Managers
TCB Services HoldCo, LLC and Subsidiaries
Memphis, Tennessee

Opinion

We have audited the consolidated financial statements of TCB Services HoldCo, LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of comprehensive loss, changes in members' equity, and cash flows for the year ended December 31, 2024 and period from March 31, 2023 to December 31, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the year ended December 31, 2024 and period from March 31, 2023 to December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other-Matter

In our report dated April 29, 2024, we expressed an opinion that the 2023 consolidated financial statements did not fairly present the financial position, results of operations, and cash flows of the Company in accordance with accounting principles generally accepted in the United States of America because of the departure from such principles: the Company previously did not identify and analyze the value of intangible assets acquired separately from goodwill. As described in Note 2, the Company has changed its method of accounting for this item and restated its 2023 consolidated financial statements to conform with accounting principles generally accepted in the United States of America. Accordingly, our present opinion on the restated 2023 consolidated financial statements, as presented herein, is different from that expressed in our previous report.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 3. Summary of Significant Accounting Policies

Basis of Presentation

The consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") on the accrual basis of accounting. The accompanying consolidated financial statements include the accounts of the Company. All significant intercompany balances and transactions have been eliminated in consolidation. The accompanying consolidated financial statements are presented for the year ended December 31, 2024 and the period from March 31, 2023 through December 31, 2023 (the "period ended December 31, 2023").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by management in connection with the preparation of the accompanying consolidated financial statements include the fair value of long-lived assets, goodwill and intangible asset considerations, useful lives of long-lived assets and intangible assets, and assumptions utilized in determination of equity incentive. Actual results could differ from those estimates.

Cash

The Company maintains cash depository accounts, which, at times, may exceed federally insured limits. This risk is mitigated by maintaining all deposits in high quality financial institutions. The Company has not experienced any losses in such accounts.

Accounts Receivable

The Company records accounts receivable at their estimated net realizable value. Management monitors accounts receivable for delinquency and provides for probably uncollectible amounts through a charge to earnings and a credit to the valuation allowance based on its assessment of the current status of individual accounts, any known trends or uncertainties related to customer billing and account collectability, current economic conditions, and reasonable supportable economic forecasts. Balances that remain outstanding after the Company has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Management has determined that an allowance for credit losses of approximately \$366,000 and \$11,500 was necessary as of December 31, 2024 and 2023, respectively. The accounts receivable balance was \$648,278 as of March 31, 2023.

Notes Receivable

Notes receivable are carried at face value less an allowance for credit losses. Management monitors notes receivable for delinquency and provides for estimated losses for specific receivables that are not likely to be collected. When determining the collectability of specific customer accounts, management considers customer credit-worthiness, past transaction history with the customer, current economic and industry trends, changes in customer payment trends, and reasonably supportable economic forecasts. No allowance for credit losses was deemed necessary as of December 31, 2024 and 2023.

TCB Services HoldCo, LLC and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2024 and 2023

Property and Equipment

Property and equipment are remeasured to the estimated fair value for assets acquired from acquisitions, less accumulated depreciation and amortization. Property and equipment acquired in the ordinary course of business are stated at cost at the date of purchase, less accumulated depreciation. Major expenditures and those that substantially increase useful lives are capitalized. Depreciation is determined using the straight-line method over the estimated useful lives of the assets:

Tools machinery and equipment	5 years
Vehicles	5 years
Furniture and fixtures	5 years
Computer equipment	5 years

Leasehold improvements are amortized over the lease term or the estimated useful life of the related asset, whichever is shorter.

Goodwill

The Company applies the provisions of Accounting Standards Codification ("ASC") Topic 805, *Business Combinations*, to its acquisitions. ASC 805 provides guidance regarding the recognition and measurement of goodwill and other acquired intangible assets and requires separate recognition of intangible assets acquired if the benefit of the asset is obtained through contractual or other legal rights, or if the asset can be sold, transferred, licensed, rented, or exchanged. Goodwill is recognized to the extent that the fair value of consideration paid for the acquisition exceeds the estimated fair value of the net assets acquired, including other identifiable intangible assets.

The Company amortizes goodwill on a straight-line basis over 10 years and tests goodwill for impairment at the entity level. Goodwill is tested for impairment only when a triggering event occurs, or circumstances change that indicate the fair value of the entity may be less than the carrying value. No impairment indicators exist as of December 31, 2024 and 2023.

Intangible Assets

Identifiable intangible assets were acquired in connection with the Transaction, as disclosed in Note 4, and relate to the trade names and franchise relationships. The Company amortizes the trade names on a straight-line basis over 10 years and franchise relationships on a straight-line basis over 15 years. Intangible assets are periodically evaluated as to the recoverability of carrying values. Management determined that no impairment exist as of December 31, 2024 and 2023.

Long-Lived Assets

The Company evaluates the recoverability of long-lived assets, such as property and equipment, when events or circumstances indicate that these assets may not be recoverable. The Company determines the recoverability of such assets by comparing an asset group's respective carrying value to estimates of the sum of the undiscounted future cash flows expected to result from its asset group. No impairment charge was required during the year ended December 31, 2024 and period ended December 31 2023.

Deferred Financing Fees

Deferred financing fees are capitalized and amortized on a straight-line basis, which approximates the effective interest method, over the term of the related debt. During the year ended December 31, 2024 the Company incurred financing fees of approximately \$317,000. Amortization of deferred financing fees is included as a component of interest expense on the consolidated statements of comprehensive loss.

TCB Services HoldCo, LLC and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2024 and 2023

Revenue Recognition

The Company derives its revenues from national account sales, royalties from franchisees and for services performed by its wholly owned franchisees. Revenues are recognized when control of the promised goods or services is transferred to customers in an amount that reflects the consideration the Company expects to be entitled to receive in exchange for those goods or services. The Company applies the five-step model under FASB ASC Topic 606, *Revenue from Contracts with Customers*, to determine when revenue is earned and recognized.

The Company has elected the practical expedient available to private companies under ASU 2021-02, *Franchisors - Revenue from Contracts with Customers*, to account for pre-opening activities as one distinct performance obligation for new franchise sales. The initial franchise fees are payable based on contract terms prior to the franchise opening. The transaction price is recognized as revenue on a straight-line basis based on timing of when services are satisfied for pre-opening activities. Franchise renewals and existing franchise sales are recognized as revenue upon execution of the franchise agreement.

The Company receives a significant portion of its revenue from sales-based royalties, admin fees, advertising fees and other fees charged to franchisees. These fees are determined as a percentage of sales and are recognized in the period earned by the Company. The deferred revenue balance as of March 31, 2023 was \$0.

The Company, as a Franchisor, negotiates contracts with national customers on behalf of the franchisees. In these relationships the company acts as the vendor for the contracted national customers and charges a price per work order to the customer based on the pre-negotiated contract. The Company acts as the principal in its national accounts program and will report revenue on a gross basis in accordance with U.S. GAAP.

The Company receives a significant portion of its revenue from its wholly owned franchisees, which primarily consists of services performed for the franchisees' customers. Revenues and the related costs of revenue are recognized upon completion of services.

Total revenue by revenue stream is as follows:

	<u>2024</u>	<u>2023</u>
Royalty and other related franchisor revenues	\$ 5,226,442	5,155,550
National Ad Fund Fees	1,082,251	1,013,383
Wholly owned franchisees, service revenue	<u>2,928,574</u>	<u>-</u>
Total Revenue	<u>\$ 9,237,267</u>	<u>\$ 6,168,933</u>

General and Administrative Expenses

General and administrative expenses consist of costs associated with administration and support functions related to the Company's existing business as well as growth and development activities. These costs primarily consist of advertising, IT, and professional expenses.

Franchise Agreements

Franchise agreements are available for a territory over a specified period of time. The franchise agreement defines the territory the new franchise is able to serve. New franchisees are required to pay the Company an initial franchise fee plus a monthly royalty fee of 7%, and market and advertising fee of 2% to 3% of the franchisee's monthly gross receipts for the duration of the franchise agreement.

Advertising costs are expensed as incurred. Advertising expense was approximately \$525,000 and \$615,000 for the year ended December 31, 2024 and the period ended December 31, 2023, respectively. Advertising costs are included in general and administrative expenses in the consolidated statements of comprehensive loss.

Income Taxes

The Company is organized as a limited liability company that is disregarded for federal income tax purposes. The Company owns 100% of the interests in other limited liability companies that are also disregarded for federal income tax purposes.

Separately, the Company through its subsidiary, TCB Services Ltd, operates in Canada, which imposes a royalty tax on foreign entities. The amounts are reported on the consolidated statements of comprehensive loss within income tax expense during the year ended December 31, 2024 and the period ended December 31, 2023 and a corresponding deferred tax asset and liability of approximately \$95,000 and \$45,000, respectively is included within deferred tax assets and accrued expenses and other payables on the accompanying consolidated balance sheets as of December 31, 2024 and 2023, respectively.

Fair Value Measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. US GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1** Observable inputs such as quoted prices in active markets.
- Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Financial instruments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value financial instruments and their placement within the fair value hierarchy levels.

Certain Class B Units were granted during the period ended December 31, 2023. The fair value is determined as of the grant date using significant unobservable inputs (see Note 11) and is categorized as Level 3. There were no Class B Units granted during the year ended December 31, 2024.

Share-Based Compensation

Certain of the Company's employees are party to a share-based compensation arrangement established by TCB Services Management, LLC, an affiliate of the Company, as approved by the Board of Managers. Management accounts for the awards granted to employees in accordance with ASC 718 *Compensation - Stock Compensation*, which requires compensation cost related to share-based payments, classified as equity awards, to be measured based on the grant date fair value of the award. The Company recognizes compensation cost over the requisite service period. The Company's accounting policy is to recognize forfeitures as they occur.

Leases

The Company accounts for its contracts in accordance with ASC 842, *Leases*, which requires lessees to recognize the assets and liabilities on the consolidated balance sheets for the rights and obligations created by leases with lease terms of more than twelve months, amends various other aspects of accounting for leases by lessees and lessors, and requires enhanced disclosures. The Company determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of right of use ("ROU") assets and lease liabilities on the consolidated balance sheets. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Company determines lease classification as operating or finance at the lease commencement date.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term.

The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability and by reducing the carrying amount to reflect lease payments made. The ROU asset is subsequently measured by reducing the carrying amount for amortization.

The Company uses the implicit rate when readily determinable. As most of the leases do not provide an implicit rate, the Company has elected to use the risk-free rate at the commencement date to determine the present value of lease payments.

Foreign Currency Translations

The assets and liabilities of TCB Services Ltd., which are denominated in the local currency, the functional currency, are translated into U.S. dollars using rates of exchange at each balance sheet date. Revenues and expenses are translated at weighted-average rates of exchange in effect during the period earned. Exchange gains and losses on intercompany balances of a long-term nature are recorded as a translation adjustment. The cumulative effect resulting from such translation is reflected as accumulated other comprehensive income.

Note 4. Business Combinations

2024 Acquisitions

During the year ended December 31, 2024, the Company completed the acquisition of 4 of its franchisees located throughout the United States. The aggregate fair value of consideration paid was approximately \$5,113,000, consisting of \$2,613,000 in cash and \$2,500,000 in seller notes (see Note 9), and was financed primarily through proceeds from debt borrowings and cash from operations. The acquisitions were recorded in accordance with Accounting Standards Codification ("ASC") 805, *Business Combinations* and accordingly the consideration paid was allocated to the acquired net assets at their estimated fair values.

The consideration paid in 2024 was allocated to the net assets acquired based upon their estimated fair values at the dates of acquisitions as follows:

Assets Acquired	
Accounts receivable	\$ 640,604
Prepaid expenses and other current assets	22,171
Property and equipment	689,918
Right-of-use asset - operating	<u>157,862</u>
Total identifiable assets acquired	<u>1,510,555</u>

Total identifiable net assets	503,969
Goodwill	<u>4,608,604</u>
Total net assets acquired	<u>\$ 5,112,573</u>

The fair value of assets acquired includes receivables with a fair value of \$640,604. There are no expected uncollectible receivables.

The excess of the purchase price over the amounts allocated to identifiable assets and liabilities is recorded as goodwill. Goodwill includes, but is not limited to, the value of the customer relationships, workforce in place, expected ability to generate future profits and cash flows in the marketplace, an established going concern, and other unidentifiable intangible assets.

The Company recorded net working capital settlement receivables in the amount of \$485,856 in conjunction with the current year acquisitions which is recorded within other receivables on the accompanying consolidated balance sheet. Approximately \$76,000 of the estimated net working capital settlement at acquisition date is provisional and based on information available as of the transaction date. The Company believes that information provides a reasonable basis for estimating the net working capital receivable balance. The provisional measurements are subject to change and such changes could be significant.

Transaction related costs of \$467,000 were paid and included as operating expenses in the consolidated statements of comprehensive loss for the year ended December 31, 2024.

2023 Transaction, As Restated

As discussed in Note 1, the Company purchased all the membership interests in the Operating Company in conjunction with the Transaction on March 31, 2023. The total purchase price was approximately \$25,646,000, which was funded by equity contributions.

The Transaction was recorded in accordance with ASC 805: *Business Combinations*, except for as described in Note 2 related to the separately identifiable intangible assets. Accordingly, the Company has recorded all assets acquired and liabilities assumed at the acquisition date fair values with any excess recognized as goodwill. The purchase price allocation process was complete as of December 31, 2023.

The consideration paid was allocated to the assets acquired and liabilities assumed according to their estimated fair values at the time of acquisition as follows:

Assets Acquired	
Accounts receivable	\$ 648,278
Notes receivable	384,740
Property, plant, and equipment	50,000

Total identifiable net assets	14,555,258
Goodwill	<u>11,090,844</u>
Total consideration	<u>\$ 25,646,102</u>

The fair value of the assets acquired includes receivables with a fair value of \$997,018.

The estimated fair values of significant acquired intangible assets were based on commonly accepted valuation techniques management believes to be appropriate in the circumstances. The Company used the Relief-from-Royalty method to value the trademark and used the Multi-Period Excess Earnings Method to value the franchise relationships. Both methods are a variation of the income approach. The income approach evaluates the present value of the future economic benefits accruing from these assets over their estimated useful life, discounted to the present at a rate of return commensurate with the asset's inherent risk. This approach requires significant judgments, including those related to the projected net cash flows and the weighted average cost of capital ("WACC") used to discount the cash flows. The Company derived the assumptions related to cash flows primarily from its internal budgets and forecasted results of operations. The Company amortizes the trade names over 10 years and franchise relationships over 15 years.

Transaction related costs of \$1,293,018 were paid and included as operating expenses in the consolidated statements of comprehensive loss for the period ended December 31, 2023.

Equity Incentive Plan

The Company accounts for stock-based awards in accordance with ASC 718 - *Stock Compensation* ("ASC 718"). ASC 718 requires compensation costs related to share-based payments, including profits interest units ("Units") and other equity awards, to be measured based on the grant date fair value of the award.

The Company issued certain time and performance vesting Units pursuant to the TCB Services Management, LLC Equity Incentive Plan (the "Equity Plan"). The Company has accounted for the Units within its consolidated financial statements as the Unit holders are providing services directly related to the Company and its subsidiaries. The aggregate number of units that may be issued or transferred under the Equity Plan is 2,000 Units. Units granted under the plan have been allocated into two groups based on their vesting criteria: time vesting and performance vesting Units.

Time vesting Units are equity classified awards, vest over a 5-year period and will vest 20% on each anniversary date of the date of grant. The Company recognizes compensation expense over a straight-line period of 5 years and has recorded compensation expense of approximately \$96,000 and \$51,000 for the year ended December 31, 2024 and period ended December 31, 2023. This expense is included in Salaries and wages on the statements of comprehensive loss.

Performance vesting Units are equity classified awards, and vest subject to a liquidation event in which a return amount greater than two times is achieved by the equity holders of the Company, provided that the Participant's continuous service has not terminated prior to such vesting date. A liquidation event was not considered probable at the date of issuance or as of December 31, 2024 and 2023, as a result, no compensation expense has been recorded based on this criterion.

No portion of the Units shall vest after the date the Participant's continuous service terminates for any reason, however Units vested prior to termination without cause may be purchased by the Company at fair value within a prescribed time-period. Unvested Units are forfeited in accordance with the Equity Plan upon termination of employment from the Company. The Company accounts for forfeitures in the period they occur resulting in a reversal of all previously recognized compensation expense for awards forfeited. There were no forfeitures of time or performance vesting Units during the period ended December 31, 2024 and 2023.

Information regarding activity under the Company's Equity Plan is summarized as follows:

Expected volatility was based on historical volatility for guideline public companies that operate in the Company's industry. The expected term of awards granted represents management's estimate for the number of years until a liquidity event as of the grant date. The risk-free rate for the period of the expected term was based on the U.S. Treasury yield curve in effect at the time of grant. In addition, management considered the distribution priority schedule or "waterfall calculation" in its estimation process is as follows for Units issued during the period ended December 31, 2023.

ADDENDUM TO THE FRANCHISE AGREEMENT
FOR THE STATE OF CALIFORNIA

This California Addendum is entered into concurrently with that certain Franchise Agreement of even date herewith by and between TCB AMERISPEC, LLC (“Franchisor”) and _____ (“Franchisee”). Unless otherwise defined herein, capitalized terms shall have the same meaning as described in the Franchise Agreement. **The terms of this Addendum shall survive the termination or expiration of the Agreement.**

In consideration of the execution of the Franchise Agreement (the “Agreement”), Franchisor and Franchisee agree to amend the Agreement as follows:

1. To the extent that Section 19 (“Termination”) or any other terms of the Agreement are inconsistent with the California Franchise Relations Act (CA. Bus. & Prof. Code § 20020, et. seq.), the terms of the statute will control and the applicable Section shall be modified only to the extent required to comply with such law. The parties agree that in no event shall a reasonable opportunity to cure to the extent required under such statute be greater than seventy five (75) days.

2. Notwithstanding anything to the contrary contained in the Franchise Agreement, all written notices related to any proposed transfer or assignment by you as contained in Section 16, must be delivered by business courier or receipted U.S. mail.

3. The parties agree that if Franchisee or any its owners commit any of the breaches of this Agreement identified in Section 19.2, each such breach shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements. The parties further agree that a breach by Franchisee or any of its owners under Section 19.2, of a material provision of this Agreement, or of any other agreement with Franchisor or any Franchisor Affiliate, or any mandatory requirement prescribed in any Manual shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements.

4. Section 15.3 is amended by the addition of the following language at the end of the paragraph:

“The Franchisee’s obligations stated in this Section 15.3 shall apply only where the fulfillment of such obligations would inherently call upon the Franchisee to disclose and/or use any portion of the Franchisor’s trade secrets or other confidential information. All other provisions of this agreement apply and will be fully enforced to the maximum extent permitted by law whether or not California law applies.

5. The following language is added as new Section 19.12:

Franchisor shall have the right upon termination or non-renewal of the Franchise to purchase from Franchisee at the value of price paid by Franchisee, minus depreciation, Franchisee’s inventory, supplies, equipment, fixtures and furnishings (the “Items”) purchased or paid for under the terms of this Agreement or an agreement ancillary hereto by Franchisee to Franchisor or to its approved suppliers that are possessed or used by Franchisee in the franchised business at the time of termination or non-renewal. For the purposes of this provision and compliance under and construction of the California Franchise Relations

Act (CFRA), the parties agree that such depreciation shall be calculated based on whichever of the two (2) methods prescribed results in a lower valuation of the Items: i) the Modified Accelerated Cost Recovery System (MACRS) method applied in accordance with the applicable standard U.S. Internal Revenue Service (IRS) schedules effective for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed; or ii) depreciation schedules included by Franchisee in the IRS income tax return for the franchised business filed for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed. Franchisee shall provide Franchisor a true and complete copy of such income tax return and related schedules within five (5) business days of Franchisor's request. Franchisee shall further provide Franchisor clear title to and possession of any such Items. Franchisor can offset against the amounts owed to Franchisee any amounts owed by Franchisee to Franchisor.

In the event a court or arbitrator finds that Franchisor has terminated or failed to renew this Agreement in violation of the CFRA, the parties agree that the fair market value of the franchised business and franchise assets (the "FMV") for purposes of compliance with the CFRA shall be established in accordance with the following procedure: Franchisor and Franchisee shall mutually select an independent Certified Business Appraiser within thirty (30) days of such court/arbitrator finding. If unable to identify a mutually agreeable Certified Business Appraiser, Franchisor and Franchisee each shall select a person within forty-five (45) days of such court/arbitrator finding who is an independent Certified Business Appraiser (the "Designees") and such Designees promptly shall mutually agree to a third independent Certified Business Appraiser whose determination of the FMV shall be final and binding on the parties. This provision shall survive the termination or expiration of the Franchise Agreement.

6. The following language is added as new Section 3.6:

Market Withdrawal. If Franchisor publishes an announcement that it has determined that continued franchising in the state or in the standard metropolitan statistical area (as established by the United States Office of Management and Budget) within the state in which Franchisee's Market is located is not appropriate for reasons that relate to Franchisor's economic or other interests and that it is completely withdrawing from all franchise activity in such state/area (provided that Franchisor can continue to service existing Franchisees under outstanding agreements), then Franchisor will be considered to have made a general market area withdrawal, will have no liability to Franchisee therefore and will not be required to offer Franchisee any renewal Franchise or similar rights (a "Market Withdrawal"). In that event and if Franchisee is not in default of this Agreement, Franchisee will not be required to comply with its non-competition obligations under Section 15.3. Franchisor shall not prevent Franchisee from retaining control of the principal place of the Franchised Business in the event of a market withdrawal. Franchisee agrees that if any statute or court decision requires "good cause" (or any similar standard) for non-renewal, Franchisor's compliance with the provisions of this clause will be deemed to be good cause.

7. To the extent a proper judicial body determines that this Addendum is in conflict with any term or condition of the Franchise Agreement, the terms of this Addendum shall control.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum, and understands and consents to be bound by all of its terms.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

This Addendum relates to franchises sold in the state of Washington and is intended to comply with Washington statutes and regulations. In consideration of the execution of the Franchise Agreement (the “Agreement”), TCB AMERISPEC, LLC (the “Company”) and Franchisee agree to amend the Agreement as follows:

1. The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the Company, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the Company, including the areas of termination and renewal of your franchise.

2. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

3. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

4. A release or waiver of rights excluded by a franchisee will not include rights under the Washington Franchise Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

5. Transfer fees are collectable to the extent that they reflect the Company’s reasonable estimated or actual costs in effecting a transfer.

6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

8. Notwithstanding Section 3.4 or Section 16.2.4.7 of the Franchise Agreement, any release signed by a renewing franchisee does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, or the rules adopted thereunder.

9. Section 4 of the Franchise Agreement is revised to add the following:

The Washington Department of Financial Institutions Securities Division requires the franchisor to defer collection of the initial franchise fee until the franchisor has fulfilled its initial pre-opening obligations under this Agreement and the franchisee is open for business.

10. Notwithstanding Sections 20.1.2 and 21.1.3.3 of the Franchise Agreement, franchisees are only responsible for court costs and reasonable attorneys' fees incurred by franchisor if franchisor is the prevailing party in any action or arbitration proceeding.

11. Notwithstanding Section 22.2 of the Franchise Agreement, franchisee will have no obligation to indemnify or hold harmless an indemnified party for losses to the extent such losses are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

12. For the avoidance of doubt, Section 23.3 of the Franchise Agreement does not modify the franchisor's duty to deal with franchisees in good faith under RCW 19.100.180(1).

13. For the avoidance of doubt, Section 23.4 of the Franchise Agreement does not modify the franchisor's nor its affiliate's duty to sell products and services to the franchisee for fair and reasonable prices under RCW 19.100.180(2)(d).

14. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
