## **What You Need To Know About Franchising *Generally***

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to clients, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Arizona. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Arizona than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Financial Condition.** The franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the franchisor's financial ability to provide services and support to you.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
5. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales level. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

**THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.**

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
  - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

- Financing and Refunds:** We do not offer direct or indirect financing. No amounts paid to us are refundable. We are not aware of any amounts paid to third-party suppliers that are refundable.
- Initial Franchise Fee:** Item 5 describes the initial franchise fee discounts we currently offer. For purposes of this initial investment table, we have assumed you do not qualify for any discounts. The initial franchise fee includes the costs for your Initial Equipment Package.
- Digital Marketing Fee:** You pay us the Digital Marketing Fee which we remit to our designated digital marketing company, which uses the funds to set up and implement a digital marketing campaign to promote your Business and generate leads over a 5 to 6-month period. After the 6-month period expires, you may continue working with this company or you may discontinue service.
- Initial Training Expenses:** This estimates your expenses to send 1 to 2 people to our 3 to 4 day initial training program held in Huntington Beach, California. Your actual training expenses may vary depending on: (a) the number of people you send to training; (b) the distance they must travel; and (c) the level and quality of accommodations, travel and dining selected.
- Technology Systems:** This estimates your initial cost to purchase and set up our designated Technology Systems (currently limited to the computer and point-of-sale system described in more detail in Item 11).
- Vehicle:** You will need a vehicle in order to operate your Business. Your vehicle must be in good condition, clean, dent-free and present a professional appearance. We do not require a participate brand or impose any other standards or specifications. The low end assumes you will use your current vehicle, in which case you

will not incur any additional expense. The high end assumes you lease (or finance the purchase of) a used vehicle that you will use in operating the Business, and includes your initial payment (including fees for title and registration). The amount of your initial payment (due when you sign the lease or finance agreement) and monthly payments depend on a number of factors, including the value of the vehicle, the lease term, the amount of your down payment, your creditworthiness, leasing or finance rates applicable in your market, etc.

7. Office Expense & Supplies: We expect you will operate your Business from a home office. However, before you open you must obtain a separate business mailing address (not a residential address). We estimate the cost for a separate commercial mailing address will range from \$100 to \$400 per year. This time includes the estimated cost for a commercial mailing address and miscellaneous office supplies.
8. Surety Bond: Some states may require you to purchase a surety bond. The low estimate assumes a bond is not required. The high estimate includes the estimated cost to purchase a \$25,000 surety bond.
9. Preopening Advertising: As soon as you complete initial training, you must begin spending at least \$1,000 per month (reduced to \$750 per month after 12-months) on local advertising and marketing activities. This minimum required expenditure is in addition to your \$7,500 Digital Marketing Fee and Brand Fund Fees. This estimate assumes you complete initial training between 1 and 2 months prior to opening.
10. Professional Fees: This includes the estimated fees for professionals you may choose to hire in order to:
  - assist you in reviewing this Disclosure Document and negotiating your Franchise Agreement
  - advise you regarding local laws and regulations applicable to your Business
  - form a business entity
  - set up your books, records and accounts
  - develop a business plan and budget for the development and operation of your BusinessThese services are optional but highly recommended.
11. Additional Funds: This estimates your expenses during the first 3 months of operation including: payroll costs, including estimated salary for 1 general manager on the high estimate (excluding any wage or salary paid to you); marketing and advertising expenses; technology fees; third-party software fees; additional equipment/inventory (e.g., folding tables, tablecloths, pop-up tent, sales tags, blue tape, etc.); gas and vehicle-related expenses (high estimate includes monthly lease/finance payments for a used vehicle); and other miscellaneous expenses and required working capital. Your initial 3 months of insurance premium is separately stated in the table above. These figures are estimates based on the experience of our franchisees in developing, opening and operating GRASONS® businesses.
12. Budget and Initial Investment Report: We strongly recommend you hire an accountant, business advisor or other professional to assist you in developing a budget for the development, opening and operation of your Business. Within 120 days after your opening date, you must send us a report, in the form we designate, listing the expenses you incur to develop and open your Business. We may use this data to update the initial investment estimate in future versions of our Franchise Disclosure Document.

## **ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

### **Source-Restricted Purchases**

You must purchase or lease certain “source-restricted” goods and services for the development and operation of your Business, such as inventory, equipment, Technology Systems, insurance, marketing materials, marketing services, accounting services and any goods or services we designate. By “source-restricted”, we mean the good or service must meet our specifications and/or must be purchased from an approved or designated supplier (in some cases, an exclusive designated supplier, which may be us or an affiliate). The Manual includes our specifications and supplier list. We notify you of changes to our specifications and suppliers by email, updates to the Manual or other means of communication. We typically (but need not) evaluate and test changes to our specifications before we implement them. We may also conduct limited market testing by 1 or more GRASONS® businesses before rolling out the change on a system-wide basis.

## **Supplier Criteria**

Our criteria for evaluating suppliers include standards for: (a) quality, performance, design, appearance and price of the product or service; and (b) dependability, production capabilities, reputation and financial strength of the supplier. Upon request, we will provide you with any objective specifications pertaining to our evaluation of a supplier or product, although certain important subjective criteria (e.g., product appearance, design, functionality, etc.) are important to our evaluation but cannot be described in writing.

If you wish to purchase or lease a source-restricted item from a non-approved supplier, you must send us: (a) a written request for approval; (b) product samples for testing purposes; and (c) all additional information we request. The supplier must agree to comply with our minimum insurance, indemnification and confidentiality requirements for system suppliers and allow us to periodically inspect their facility. We will notify you of our decision within 30 days after we receive all required information and product samples. We may periodically reinspect approved products and suppliers and revoke our approval if a product or supplier fails to meet our then-current criteria. There is no fee for us to review or approve suppliers you propose.

## **Current Source-Restricted Purchases and Leases**

We estimate between 20% and 50% of the total purchases and leases to establish your Business and 10% to 20% of ongoing operating expenses will consist of source-restricted goods or services. The following are our current source-restricted purchases and leases:

### *Insurance*

You must obtain the insurance coverage we require (whether in the Franchise Agreement or in the Manual) from licensed insurance carriers, including the following:

| <b>Policy Type</b>  | <b>Minimum Coverage</b>                                     |
|---|---|
| Commercial General Liability Insurance  | \$1,000,000 per occurrence and \$2,000,000 in the aggregate |
| Automobile Liability Insurance<br>(primary vehicle, trailers and box trucks used in the Business) | \$1,000,000 per occurrence and \$2,000,000 in the aggregate |
| Worker's Compensation Insurance   | As required by law  |

The required coverage and policies are subject to change. All insurance policies must be endorsed to name us and our affiliates as additional insured and satisfy all other requirements in the Manual. You must also obtain a \$25,000 bond.

### *Vehicle*

You must purchase or lease a vehicle for use with your Business. We may impose standards and specifications for your vehicle, but we have none at this time.

### *Technology Systems*

Your Technology Systems (including hardware, software, equipment, software applications, mobile apps and similar items) must meet our standards and specifications. Certain Technology System components must be purchased from approved or designated suppliers. Other components may be purchased from any supplier of your choosing. We may require you to purchase certain services relating to the establishment, use, maintenance, monitoring, security or improvement of Technology Systems from approved or designated suppliers.

### *Initial Equipment Package*

All inventory, equipment, supplies and other items included in your Initial Equipment Package must be purchased exclusively from us (the initial franchise fee includes the cost for these items). If you need to purchase additional or replacement items after opening, you purchase the items directly from third-party suppliers instead of purchasing them from us.

### *Marketing Materials and Services*

All marketing materials must comply with our brand standards and other requirements. We must approve your marketing materials prior to use. You must purchase branded marketing materials only from us or other suppliers we designate or approve. We may require that you contract with and utilize a company we designate to: (a) develop and/or implement your digital marketing campaign; and/or (b) manage your social media. You may only contract with digital marketing companies we designate or approve. Under current policy, you must contract with our designated digital marketing company for a minimum 6-month period following completion of initial training. You may discontinue service after the 6-month period expires, although we may change this policy and require you to continue to contract with the company beyond the 6-month period.

### *Accounting Services*

We may require you to use an accounting firm, platform, program, service or software program that we designate or approve. We do not impose any such requirement at this time, other than your obligation to license and use QuickBooks Online.

### **Purchase Agreements**

We reserve the right to negotiate purchase agreements with suppliers, including favorable pricing terms, for the benefit of our franchisees. As of the date of this Disclosure Document, we have not negotiated any purchase agreements (including pricing terms) with suppliers. Currently there are no purchasing cooperatives but we may establish them in the future. You do not receive any material benefits for using designated or approved suppliers other than having access to any discounted pricing we negotiate.

### **Franchisor Revenue from Source-Restricted Purchases**

We are the exclusive supplier for: (a) the Initial Equipment Package; and (b) the software, technology and related services we provide in exchange for the technology fee (most of these are flow through costs that we remit to third-party licensors). We may designate ourselves or an affiliate as an approved or designated supplier for other goods or services in the future. We and our affiliates may generate a profit from these purchases. There are no approved or designated suppliers in which any of our officers own an interest. No person affiliated with us is currently an approved (or the only approved) supplier.

We may receive rebates, payments or other material benefits from suppliers based on your purchases and leases. We have no obligation to pass these amounts through to you or use them in any particular manner. As of the issuance date of this Disclosure Document, we do not have any relationships with suppliers that involve rebates, payments or other material benefits based upon franchisee purchase or leases.

Our total revenue during the fiscal year ended December 31, 2024 was \$1,141,372. During that year, we generated \$44,800 in revenue as a result of franchisee purchases or leases of goods or services from designated or approved suppliers (including purchases from us), which represents 3.9% of our total revenue for that year.

## ITEM 10 FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

**Except as listed below, we are not required to provide you with any assistance.**

### Our Pre-Opening Obligations

Before you open your Franchise:

1. *Your Site.* Because we expect you to operate as a home-based business, we do not assist you in (a) locating your site and negotiating the purchase or lease of the site, (b) conforming the premises to local ordinances and building codes or obtaining any required permits, or (c) constructing, remodeling, or decorating the premises.
2. *Employee hiring & training.* You are solely responsible for all hiring decisions and employment matters. (§7.5)
3. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will provide you a list of our specifications and approved suppliers for equipment, signs, fixtures, opening inventory, and supplies necessary to open your Business. We do not provide these items directly; we only provide the names of approved suppliers. We do not deliver or install these items. (§5.2)

4. *Operating Manual.* We will give you access to our Manual, which will help you develop and operate your Business. The Manual includes 221 pages. The Table of Contents is attached as EXHIBIT "F". (§5.1 & 7.1)
5. *Initial Training Program.* We will conduct our initial training program. The current initial training program is described below. (§6.3)
6. *Business plan review.* If you request, we will review your pre-opening business plan and financial projections. We will not provide these services prior to signing the Franchise Agreement. (§5.2)
7. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (§5.2)
8. *On-site opening support.* If you request, we will send a representative to your Territory to provide 2 days of on-site support at the time your Business opens. There is no fee associated with this support. (§5.2)
9. *Equipment Package.* We provide you with the Initial Equipment Package at no charge. (§5.2)

### **Length of Time To Open**

The typical length of time between signing the Franchise Agreement and the opening of your Franchise is 60 days. Factors that may affect the time period include your ability to obtain financing, obtain business permits and licenses, schedule initial training, and hire employees.

### **Our Post-Opening Obligations**

After you open your Franchise:

1. *Developing products or services you will offer to your clients.* Although it is our intent to refine and develop the products and services you will offer to clients, the Franchise Agreement does not require us to do so.
2. *Improving and developing your Franchise; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your Franchise, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide onsite support in response to your request, we may charge a fee (currently \$600 per day) and require you to reimburse our Travel Expenses we incur. (§5.3)
3. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you with our recommended procedures for administration, bookkeeping, accounting, and inventory control. (§5.3). We may designate any such procedures as mandatory or optional.

5. *Brand Fund.* We will administer the Brand Fund. (§5.3).
6. *Website.* We will maintain a website for the GRASONS® brand, which will include your Franchise information and telephone number. (§5.3)
7. *Ongoing Training.* We may, but need not, provide ongoing training programs, as further discussed below. (§7.6)

### **Advertising**

#### *Our Obligations*

You pay us a \$7,500 Digital Marketing Fee when you sign the Franchise Agreement, which we remit to our designated digital marketing company. The digital marketing company uses these funds to set up your digital marketing account and implement a digital marketing campaign to promote your Business and generate leads over a 5 to 6-month period. We will administer the Brand Fund, as further discussed below. Under current policy, company-owned GRASONS® businesses pay brand fund fees and cooperative advertising fees on the same basis

as franchisees. We have no other obligation to spend any amount of money on advertising in your Territory. We will maintain the brand website (which is paid for by the Brand Fund). We have no obligation to conduct advertising for the franchise system.

### *Your Obligations*

You must prepare and obtain our approval of a market introduction plan at least 30 days before your projected opening date. Commencing the date you complete initial training, you must spend a monthly amount equal to or greater than the Local Marketing Commitment on local advertising and marketing, including Internet advertising. The “Local Marketing Commitment” is: (a) \$1,000 per month during the initial 12-month period after completion of initial training; and (b) \$750 per month for the remainder of the term (we may increase this amount up to \$1,000 per month upon 30 days’ notice). You may develop your own advertising and marketing materials and programs but we must approve them prior to use. We must also approve the media you intend to use. You may not use any advertising materials, programs or media that we have not approved.

### *Advertising Council*

We do not have an advertising council composed of franchisees, but reserve the right to form one at any time. Advertising council members will be selected by us in our sole discretion based upon franchisee performance and each individual franchisee’s strengths. We have the right to require that any advertising cooperative and/or franchisee advisory council be formed, changed, dissolved or merged.

### *Advertising Cooperatives*

We may, but need not, establish local or regional advertising cooperatives for purposes of pooling advertising funds to be used in discrete regions. We will determine the boundaries of the cooperative. In most instances, the boundaries will coincide with zip codes, designated marketing areas or municipal boundaries. We will specify the manner in which the cooperative is organized and governed. We may choose between: (a) administering the cooperative ourselves; or (b) establishing an advertising council, comprised by the cooperative’s members, to administer the cooperative. We may require that the cooperative be administered in accordance with written bylaws, organizational documents or other governing documents that we approve.

If your Territory is located within a region subject to an advertising cooperative you must: (a) participate in the cooperative according to its rules and procedures and abide by its decisions; and (b) pay a cooperative advertising fee. We may set the minimum cooperative advertising fee or we may allow the cooperative to set the fee based on majority vote of its members. In either case, the cooperative advertising fee will not exceed the Local Marketing Commitment unless 2/3 of the cooperative members vote in favor of a higher fee. All cooperative advertising fees you pay are credited against your Local Marketing Commitment. Under currently policy, any company-owned GRASONS® business located in a cooperative would pay cooperative advertising fees on the same basis as other members. However, we reserve the right to change this policy in the future.

Advertising cooperatives are not required to prepare annual or periodic financial statements, although we may change this policy. Any financial statements that are prepared will be made available to you upon request. We reserve the right to form, change, merge or terminate advertising cooperatives at any time. There were no advertising cooperatives in effect as of December 31, 2024.

### *Brand Fund*

You and all other franchisees must contribute to our Brand Fund. You must pay a monthly brand fund fee equal to the greater of (a) 2% of monthly Gross Sales or (b) \$250 per month. Other franchisees may have contractual obligations for higher or lower contributions. Under current policy, any company-owned GRASONS® business would pay brand fund fees on the same basis as franchisees. However, they are not required to do so.

We administer the Brand Fund. We will use the Brand Fund only for marketing and related purposes and costs. We have the right to reimburse ourselves from the Brand Fund for such reasonable costs and overhead, if any, as we may incur in activities reasonably related to the direction and implementation of the Brand Fund. The Brand Fund is not audited. We will make unaudited annual financial statements available to you upon request.

We direct and have complete control and discretion over all advertising programs paid for by the Brand Fund,

including the creative concepts, content, materials, endorsements, frequency, placement and media used for the programs. Media coverage is primarily local. We may use outside vendors and consultants to produce advertising.

We also have the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified herein.

During the fiscal year ended December 31, 2024 we spent the marketing funds in the following manner:

| Allocation of Marketing Expenditures From Brand Fund (2024) |            |                 |                         |        |
|---|------------|-----------------|-------------------------|--------|
| Use of Funds  | Production | Media Placement | Administrative Expenses | Other* |
| Percentage Allocation                                       | 0%         | 59%             | 30%                     | 11%    |

\* Other includes public relations. Production

All monies deposited into the Brand Fund that are not used in the fiscal year in which they accrue will be utilized in the following fiscal year. Any surplus of monies may be invested and we may lend money if there is a deficit. We will keep records of any such borrowing described above. No money from the Brand Fund is spent principally to solicit new Franchise sales, although consumer advertising may include notations such as “franchises available” and one or more pages on our website may promote the franchise opportunity.

The Brand Fund is not a trust. We have no fiduciary obligations or liability to you with respect to our administration of the Brand Fund. We may suspend or terminate the Brand Fund at any time, and any surplus funds may only be used for marketing and advertising purposes until fully expended.

## **Computer Systems**

### *Description of Computer System and How It's Used*

We require you to use a personal computer and a tablet, which may be one that you already own. You will also use Square for your POS system. You must purchase a compatible tablet, stand and cash drawer (you cannot operate Square from your phone) along with Wi-Fi capabilities. You will use QuickBooks Online for financial accounting. You must use all software and technology systems we provide in exchange for the technology fee, including Microsoft 365, Rallio (social media management technology platform) and our designated CRM. You must have typical office software such as Outlook, Excel and the latest operating program for Microsoft Windows. You must upgrade or update any system (hardware and/or software) when we determine. There is no contractual limit on the frequency or cost of this obligation.

The Square system is a portable point-of-sale system, capable of taking credit cards, debit cards, and cash transactions for all items pre- and post-sold and at the actual sale. Your computer system will generate or store data such as daily sales report, complete final sales report per sale (which you will provide to us and to your clients) and monthly revenue, credit card charges and discounts given to buyers. A detailed list of items sold must be input into the Square system which must be shared with us and to your clients.

### *Fees and Costs*

We estimate the cost of your personal computer and tablet will range from \$450 to \$5,900 dollars (the low-end assumes you use a computer and tablet you already own). The table below identifies the ongoing fees and costs you must pay for the software, technology, Apps, subscriptions and related services (including the software, technology and related services covered by the technology fee):

| COMPUTER SYSTEM – ONGOING FEES AND COSTS |                                   |                                      |               |

If you require more than 2 email addresses, we may charge you an additional technology fee of \$25 per month for each additional email address you require. If you require more than 1 CRM license, we may charge you an additional technology fee of \$150 per month for each additional user license you require. The \$400 monthly cap does not include fees for additional licenses.

\*\* Square offers a free version of the point-of-sale system that may include higher merchant processing fees and may not include support and updates.

#### *Maintenance, Support, Updates and Upgrades*

In exchange for the monthly fees listed above, the licensor of QuickBooks online provides any required maintenance or updates for the software. If you choose to purchase additional maintenance and support contracts, we estimate the total cost could range from \$360 to \$1,800 per year. Neither we nor any other party has any other obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer system.

#### *Collection, Sharing and Protection of Data*

You must enter all data we require into your point-of-sale and other designated systems on a daily basis in accordance with our data entry policies and procedures in the Manual. You must give us independent access to all information that will be generated or stored in your computer and point-of-sale system and any other systems we designate, including any merchant processing system. The information that we may access includes sales data, client data, financial data, operational data and reports. It will not include personnel records of your employees. You also provide us with independent access to your QuickBooks Online account, allowing us to view your financial accounting data. There is no contractual limitation on our right to access the data and information described above. Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes once per month. The instructional materials consist of the Manual and other materials, lectures, discussions, and on-the-job demonstration and practice. We do not charge you for training materials.

#### *Ongoing Training Programs*

From time to time, we may require that your Operating Principal and general managers attend refresher or supplemental training courses. At this time, we do not conduct refresher or supplement training courses. Any new Operating Principal you appoint must successfully complete our initial training program before assuming responsibility for the management of your Business. If we determine you are not operating your Business in compliance with the Franchise Agreement or the Manual, we may require that your Operating Principal and general managers attend remedial training relevant to the operational deficiencies. You may also request that we provide additional training (either at corporate office or in your Territory). We are not required to provide additional training you request (other than 2 days of onsite training at the time your Business opens).

We intend to hold an annual franchisee conference each year, which may, but need not, including a training component. Your Operating Principal must attend unless we provide you with a written waiver.

#### *Instructors*

Training classes will be led by Craig Tyler who has served as our Brand Leader since October 2024. Mr. Tyler has 10 years of experience in sales, service, and multi-unit operations. Additionally, our training managers Jeff Warfield and Brenda Gomez assist in training. Mr. Warfield has been with us since 2024 and has 8 years of franchisee training and coaching experience. Ms. Gomez has been with us since 2016 and has 10 years of industry experience.

#### *Training Fees and Costs*

We provide our preopening initial training program at no additional charge. We may charge a \$1,500 initial training fee for any person you send to initial training after your opening date. We may charge you a training fee of up to \$600 per person per day for each person who attends: (a) remedial training; (b) refresher or supplemental training; or (c) additional training you request. We may also charge this fee if you request any special assistance

that we are not otherwise required to provide.

If we hold an annual franchisee conference, you must pay us a conference registration fee to help cover the costs. The registration fee is currently \$495 per person per conference. The maximum conference registration fee we may charge is \$2,000 per person per conference.

You must also reimburse our Travel Expenses for any onsite training or assistance we provide either: (a) at your request; or (b) in response to your breach of the Franchise Agreement or our required standards, specifications or operating procedures. You do not reimburse our Travel Expenses for the 2 days of onsite training we provide at your request when your Business opens. You are responsible for all wages and Travel Expenses you and your staff incur to attend training or conferences.

## **ITEM 12 TERRITORY**

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands we control.

### **Location of Your Business**

We anticipate that you will operate from a home office which must be located in your Territory. However, you must have a valid business mailing address (i.e., not a residential address) for the Business prior to opening. You may relocate your office anywhere in your Territory, and your Territory will remain unchanged.

### **Description of Territory**

Your Franchise Agreement will specify a Territory that includes a minimum population of 300,000 people. A typical Territory includes a population ranging from 400,000 to 440,000 people. Your Territory will be specified by zip codes, county or city lines, or other boundaries. We use current census data from our territory mapping software (currently Gbbis) to determine the population within an area. However, we may use alternative demographic software, databases or other data repositories in the future. The population determination is made at the time we designate your Territory. We have no obligation to modify your Territory based on population changes during the term of the Franchise Agreement. Upon renewal, we reserve the right to modify the boundaries of your territory in accordance with our then-current territory guidelines and criteria.

### **Territorial Protections and Limitations**

We grant you certain territorial protections in your Territory. Except as described below, we will not provide, or license any person other than you to provide, Services under the Marks for clients located in your Territory. We and our affiliates reserve the right to:

1. provide, and license third parties to provide, Services for clients located in your Territory at any time that you are: (a) in default; or (b) incapable of meeting client demand in your Territory, as determined by us in our reasonable discretion;
2. operate, and license third parties to operate, businesses that offer services that are the same as or similar to the Services for clients located in your Territory, as long as these businesses do not operate under the Marks; and
3. acquire, be acquired by, or merge with other competitive businesses and operate them anywhere and, at our option, convert them to businesses operating under the Marks or any other name, even if located in your Territory.

### **Alternative Channels of Distribution**

We reserve the right to sell and distribute, and license third parties to sell and distribute, products and services bearing the Marks (or different trademarks) within your Territory through other channels of distribution, including over the Internet or through telemarketing, direct marketing or catalogs. You are not entitled to any compensation for sales made by us or third parties within your Territory through other channels of distribution.

### **Restrictions on Marketing and Operations Outside of Territory**

You cannot solicit or market to potential clients for Services outside of your Territory, except for any solicitation or marketing that is primarily targeted inside your Territory with only incidental circulation or distribution outside your Territory. You may only provide Services for clients located in your Territory, unless we provide our written permission for you to provide Services for clients outside your Territory. We may withdraw permission at any time. If you provide Services for a client located outside your Territory without our prior written permission, we may impose a fee equal to the greater of (a) \$500 or (b) 75% of the revenue you receive from the client. This fee is a reasonable estimate of our internal cost of personnel time attributable to addressing your breach of these territorial provisions and is not a penalty or estimate of all damages arising from your breach. We also reserve the right to terminate the Franchise Agreement due to your breach.

The extra-territorial marketing restrictions described above only apply to marketing activities intended to solicit clients for the purchase of Services. They do not apply to advertising or marketing you conduct outside your Territory to attract prospective buyers who may be interested in purchasing items from your client as part of an estate sale or business liquidation.

You may conduct online auctions to advertise and sell property to purchasers located outside your Territory. Except as stated in the preceding sentence, you may not use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales within or outside your Territory.

There are no other restrictions on your right to solicit clients, whether from inside or outside of your Territory.

### **Additional Franchises and Territories**

We do not grant options, rights of first refusal or similar rights to acquire additional territories or Franchises. If you wish to purchase additional Franchises you must: (a) meet our then-current criteria for new franchisees; (b) demonstrate your capability to operate a multi-Territory Franchise successfully; (c) have substantially complied with your other Franchise Agreement(s) at all times since opening your Business(es); and (d) obtain our approval and execute our then-current form of Franchise Agreement and pay us an initial fee.

### **Competitive Businesses Under Different Marks**

Currently, neither we nor any affiliate of ours intends to operate or franchise another business under a different trademark that sells products or services similar to the Services sold by a GRASONS® business. However, we reserve the right to do so.

## **ITEM 13 TRADEMARKS**

The Item contains information regarding the principal Marks that we license to you. Under the Franchise Agreement, we may require you to modify or discontinue using a Mark, at your expense. All Marks are owned by us. The Marks appearing in the following table have been registered on the Principal Register of the United States Patent and Trademark Office.

| Trademark   | Registration Date<br>(Renewal Date)   | Registration Number |

All required affidavits relating to the Marks detailed in the chart above have been or will be filed at the appropriate time.

There are currently no: (a) effective material determinations of the Patent and Trademark Office, the Trademark

Trial and Appeal Board, the trademark administrator of this state or any court; (b) pending infringements, oppositions or cancellations; (c) pending material litigation matters involving any of the Marks; (d) infringing uses we are aware of that could materially affect your use of the Marks; or (e) agreements that limit our right to use or sublicense use of the Marks.

You must notify us of the use of, or claims of rights to, a Mark identical to or confusingly similar to a Mark licensed to you. The Franchise Agreement does not require us to take affirmative action when notified of these uses or claims. We may require your assistance, but you may not control any proceeding or litigation relating to our Marks.

If you use our Marks in accordance with the Franchise Agreement, then (a) we will defend you (at our expense) against any legal action by a third-party alleging infringement by your use of the Mark, and (b) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Except as disclosed above, the Franchise Agreement does not require that we: (a) protect your right to use the Marks; (b) protect you against claims of infringement or unfair competition arising out of your use of the Marks; or (c) participate in your defense or indemnify you for expenses or damages you incur if you are a party to an administrative or judicial proceeding involving our Marks or if the proceeding is resolved in a manner unfavorable to you.

#### **ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

No patents or pending patent applications are material to the franchise.

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. This includes our Manual as well as all other sales, training, management and other materials that we have created or will create. You may use these copyrighted materials during the term of the Franchise Agreement, in a manner consistent with our ownership rights, solely for your Franchise.

We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright. There are no agreements currently in effect that limit our right to use or license the use of our copyrighted materials.

During the term of the Franchise Agreement, we allow you to use certain confidential and proprietary information (some of which constitute “trade secrets”) relating to the development, marketing and operation of a GRASONS® business. *Examples include:*

- methods, techniques, policies, procedures, standards and specifications
- vendors lists and information
- client data
- marketing and merchandising strategies
- information comprising the System

We own all ideas, improvements, inventions, marketing materials and other concepts you develop relating to a GRASONS® business. We also own all operational and customer data pertaining to your Business (excluding personnel records of your employees). You must treat this data as confidential and proprietary. We license you the right to use this data during the term of your Franchise Agreement. You must comply with all applicable data protection laws and our data processing and data privacy policies in the Manual. You must also comply with the standards established by PCI-DSS to protect the security of credit card information.

We provide access to our confidential information through the Manual, training programs and other periodic support and guidance. You may use this information solely for purposes of developing, marketing and operating your Business in compliance with the Franchise Agreement and Manual. All information in the Manual is confidential. You may not disclose our confidential information to anyone other than your employees, on a need-to-know basis, without our prior permission. We may require your managers and key employees to sign

confidentiality agreements.

You must promptly notify us if you discover an unauthorized use of our proprietary information or copyrighted materials. We are not required to act, but will respond as we deem appropriate. You may not control any proceeding or litigation involving allegations of unauthorized use of our proprietary information or copyrighted materials. We have no obligation to indemnify you for any expenses or damages you incur as a result of any such proceeding or litigation. There are no infringements known to us at this time.

**ITEM 15      OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

**Owner Participation**

You must designate an owner with primary responsibility for the management and operation of your Business (the “Operating Principal”). The Operating Principal must:

- successfully complete all training programs we require
- have binding decision-making authority
- dedicate full-time and best efforts to day-to-day management of the Business
- make reasonable efforts to attend all in-person and remote meetings (including telephonic meetings) and conferences we required (failure to attend 3 consecutive required meetings is a default under the Franchise Agreement)
- at all times hold at least a 10% ownership interest in the franchised business

When your Business performs Services for a client, the Operating Principal is not required to personally conduct “on-premises” supervision of each sale, but we highly recommend it.

Except for your Operating Principal, we do not require that your owners personally participate in the management or operation of your Business. If your business is owned by an entity, all owners of the business and the spouse of each owner must sign our Guaranty and Non-Compete Agreement that is attached to the Franchise Agreement as ATTACHMENT 1.

**General Managers**

You may hire one or more general managers to assist the Operating Principal with the day-to-day management of the Business. Any person you hire as a general manager must successfully complete all training we require and sign the Brand Protection Agreement attached to the Franchise Agreement as ATTACHMENT 2. We have no other requirements or restrictions on who you may hire as a general manager. We do not require that your general manager own any equity interest in the Franchise or the entity that is the franchisee.

**ITEM 16      RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You must offer for sale only goods and services that we have approved. You must offer for sale all goods and services that we require. We have the right to change the types of authorized goods or services, and there are no limits on our right to make changes. You must offer the Services only for clients located in your Territory. **"Gross Sales"** means the gross sales price of all personal property directly or indirectly sold by the GRASONS® business via any method of sale or channel of distribution, including: (a) sales at physical locations; (b) consignment/auction sales; and (c) sales advertised or marketed by any media including on the Internet (or any other electronic method) or by classified ad, flyer, brochure or catalog. Gross Sales do not include bona fide refunds given to clients or sales taxes properly remitted to the taxing authority. Credit card charges are not deducted from Gross Sales.

**"Measuring Period"** means the period of time that begins January 1, 2024 and ends December 31, 2024.

**"Relocated Outlet"** means any GRASONS® business that closed and relocated to a new territory at any point during the Measuring Period.

**"Qualifying Outlet"** means any Company-Owned Outlet or Franchised Outlet that satisfies all of the following criteria: (a) the outlet was open and operating throughout the entire Measuring Period; (b) the outlet provided us with all data we requested in order to prepare the financial performance representation; (c) the outlet is not a Relocated Outlet.

### **System Statistics**

For purposes of this FPR, each GRASONS® business may be referred to as an "outlet." If a franchisee owns Franchises for multiple territories, each Franchise/territory is considered a separate outlet. As of December 31, 2024 (the last day of the Measuring Period), there were: (a) 60 Franchised Outlets in operation, 43 of which are Qualifying Outlets; and (b) 0 Company-Owned Outlets in operation. The table below summarizes the outlet statistics and the number of Qualifying Outlets:

\* One Qualifying Outlet operates 2 territories in Chandler and Mesa, AZ and is unable to separately track Gross Sales on a “per-territory” basis due to the configuration of their point-of-sale system. As a result, we have divided their Gross Sales in half and reported these as if they were 2 separately operated territories. These territories appear in Subset 4 and Subset 6 below.

Because there were no Company-Owned Outlets in operation during the entire Measuring Period, this FPR is limited to data from Franchised Outlets. Of the 61 outlets that were open as of the end of the Measuring Period, 17 did not qualify as “Qualifying Outlets” (and their information was excluded from this FPR) because they opened in 2024 and were not open the entire Measuring Period. There are no material differences between the operations of the Qualifying Outlets whose data has been provided in this FPR and the franchised business offered under this Disclosure Document.

### **Subsets Utilized**

We have broken out the data into brackets based on total Gross Sales, including top 25%, mid-upper 25%, mid-lower 25%, bottom 25%, upper 50% and bottom 50%. Each bracket is a “subset”. The following table identifies the total number of Qualifying Outlets in each subset:

## **2. GRANT OF LICENSE**

**2.1. Grant.** Franchisor grants to Franchisee the right to operate a Business solely in the Territory. Franchisee shall develop, open and operate the Business in the Territory for the entire term of this Agreement. The parties acknowledge that Franchisee must operate the Business according to System Standards, however, the means of satisfying the System Standards are left to the control and discretion of Franchisee.

### **2.2. Protected Territory.**

- (a) Limitation. Franchisee shall not solicit or market to potential clients for Services outside of the Territory, except for solicitations or marketing which are primarily targeted inside the Territory, and which incidentally reach potential clients outside of the Territory.
- (b) Service. Franchisee shall not provide Services for clients outside of the Territory without Franchisor's prior written permission. Franchisor may withdraw permission at any time. If Franchisee provides Services for a client outside of the Territory without Franchisor's prior written consent, Franchisor may impose a fee equal to the greater of (i) \$500, or (ii) 75% of the amount paid by such client to Franchisee. This fee is a reasonable estimate of Franchisor's internal cost of personnel time attributable to addressing Franchisee's breach of this Section and is not a penalty or estimate of all damages arising from Franchisee's breach. This fee is in addition to Franchisor's other rights and remedies.
- (c) Territorial Protections. Franchisee is not granted any exclusive or protected territorial rights except for those expressly set forth in this §2.2(c). Except as otherwise provided below, Franchisor and its affiliates shall not: (i) provide Services under the Marks for clients located in the Territory; or (ii) license or franchise another party to provide Services under the Marks for clients located in the Territory. Notwithstanding the foregoing, at all times during the term of this Agreement, Franchisor and its affiliates reserve the right to:
  - (i) provide, and license third parties to provide, Services for clients located in the Territory at any time Franchisee is in default or incapable of meeting client demand in the Territory, as determined by Franchisor in its reasonable discretion;
  - (ii) operate, and license third parties to operate, businesses that offer services and products, which may be the same as or similar to the Services offered by Franchisee, for clients located in the Territory as long as these businesses do not operate under the Marks;
  - (iii) sell and distribute, and license third parties to sell and distribute, products and services (including the Services) bearing the Marks (or different trademarks) within the Territory through other channels of distribution, including, without limitation, over the Internet or through telemarketing, direct marketing or catalogs; and
  - (iv) acquire, be acquired by, or merge with other competitive businesses and operate them anywhere and, at Franchisor's option, convert them to businesses operating under the Marks or any other name, even if located and operated within the Territory.

Franchisor reserves all rights not expressly granted to Franchisee pursuant to this Agreement.

- (d) Policies. Franchisor may set policies binding on all franchisees regarding soliciting, marketing, and serving clients in another franchisee's territory, and Franchisor may waive or modify such policies in any circumstance as Franchisor determines. If Franchisee obtains a client in the protected territory of another franchisee, then, in addition to all other rights and remedies Franchisor may have, Franchisor may in its discretion require Franchisee to transfer the client to such other franchisee or fashion such other remedy as Franchisor deems appropriate.

- 2.3. **Franchisee Control.** Franchisee represents that the Summary Page identifies each owner of Franchisee and describes the nature and percentage of each owner's interest in Franchisee. If any owner information on the Summary Page changes, Franchisee shall notify Franchisor within 10 days.
- 2.4. **Operating Principal.** Franchisee agrees that the person designated as the "**Operating Principal**" on the Summary Page is the executive primarily responsible for the Business. The Operating Principal must: (a) have at least a 10% ownership interest in Franchisee at all times; (b) have decision-making authority on behalf of and authority to bind Franchisee; and (c) devote his or her full time and best efforts to the operation of the Business. If the Operating Principal dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Operating Principal, subject to Franchisor's reasonable approval.
- 2.5. **Guaranty.** If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee's obligations to Franchisor, in the form of ATTACHMENT 1.
- 2.6. **No Conflict.** Franchisee represents to Franchisor that Franchisee and each of its Owners are not: (a) violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement; (b) a direct or indirect owner of any Competitor; or (c) listed or "blocked" in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

### 3. TERM

- 3.1. **Term.** The term of this Agreement commences on the Effective Date and expires on the 10<sup>th</sup> anniversary of the Effective Date.
- 3.2. **Successor Agreement.** When the term of this Agreement expires, Franchisee may enter into a successor agreement for up to two (2) additional periods of five (5) years each, subject to the following conditions prior to each renewal:
- (a) Franchisee notifies Franchisor of the election to renew between 210 and 300 days prior to the end of the term;
  - (b) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with Franchisor (or any of its affiliates) at the time of election and at the time of renewal;
  - (c) Franchisee has made or agrees to make (within a period of time acceptable to Franchisor) renovations and changes to the Business as Franchisor requires to conform to the then-current System Standards;
  - (d) Franchisee executes Franchisor's then-current standard form of franchise agreement, which may be materially different than this form (including, without limitation, higher and/or different fees), except that the form of the franchise agreement will be amended to provide that Franchisee will not pay another initial franchise fee and will not receive more renewal or successor terms than described in this Section;
  - (e) Franchisee pays Franchisor renewal fee of \$10,000;
  - (f) Franchisee and each Owner executes a general release (on Franchisor's then-standard form) of any and all claims against Franchisor, its affiliates, and their respective owners, officers, directors, agents and employees; and
  - (g) Franchisee has met the Minimum Performance Criteria in §7.20.

### 4. FEES

- 4.1. **Initial Franchise Fee.** Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable under any circumstances.

- 4.2. **Royalty Fee.** Commencing with the opening date of the Business, Franchisee shall pay Franchisor a monthly royalty fee (the “**Royalty Fee**”) equal to the greater of: (a) the minimum monthly royalty fee; or (b) 6.5% of monthly Gross Sales. The “minimum monthly royalty” is: (a) \$500 per month during each of the first 12 months after the opening date; (b) \$750 per month for each of the 13<sup>th</sup> through the 14<sup>th</sup> month after the opening date; and (c) \$1,000 per month for the remaining term of this Agreement. The Royalty Fee is due on or before the fifth (5<sup>th</sup>) day of the month following the month in which the Gross Sales accrued.
- 4.3. **Brand Fund Contribution.** Franchisee shall pay Franchisor a monthly contribution to the Brand Fund equal to the greater of \$250 per month or 2% of monthly Gross Sales (the “**Brand Fund Contribution**”), payable at the same time as the Royalty Fee. Franchisor reserves the right to modify the frequency, manner, or method of payment upon providing reasonable notice to Franchisee (which need not exceed 30 days).
- 4.4. **Technology Fee.** Franchisee shall pay Franchisor a monthly technology fee (the “**Technology Fee**”) in exchange for software and other technology-related services and products provided by or through Franchisor, payable at the same time as the Royalty Fee or as otherwise specified by Franchisor from time to time. The Technology Fee does not have to be a pass-through of Franchisor’s costs. Franchisor has no liability or obligation to Franchisee with respect any third-party software or other technology-related services and products that Franchisor provides to Franchisee. The Technology Fee for a given period is due and payable at the same time as the Royalty Fee, unless Franchisor determines otherwise. Franchisor may add, remove, or alter the software or technology products or services that it provides. Franchisor may increase the Technology Fee annually upon 30 days’ prior written notice. Franchisor shall list the then-current Technology Fee in the Manual (not to exceed \$400 per month, excluding fees associated with additional user licenses).
- 4.5. **Third Party Vendors.** If Franchisor requires Franchisee to use a designated third-party vendor, Franchisor has the right (but not the obligation) to collect payment on behalf of the vendor and remit the payment to the vendor. If Franchisor does so, it may impose a reasonable markup or charge for administering the payment program (not to exceed 20% of the payments collected).
- 4.6. **Noncompliance Fees and Reimbursements.** Franchisee acknowledges the importance of every one of Franchisor’s standards and operating procedures to the reputation and integrity of the System and the goodwill associated with the Marks. If Franchisor notifies Franchisee of a breach of System Standards or required operating procedures (including failure to submit required reports in a timely manner) and Franchisee fails to correct the noncompliance within the period of time Franchisor prescribes, then, in addition to any other remedies available to Franchisor under this Agreement, Franchisor may impose a noncompliance fee of \$250 per occurrence. Franchisor may impose an additional \$250 fee every week the same noncompliance issue remains uncured after Franchisor imposes the initial fee. Any noncompliance fees Franchisor collects are paid in consideration of Franchisor refraining from exercising its contractual right to terminate this Agreement. This fee also constitutes a reasonable estimate of Franchisor’s internal cost of personnel time attributable to addressing the non-compliance and is not a penalty or estimate of all damages arising from Franchisee’s breach. If Franchisor takes steps to cure a default committed by Franchisee after the expiration of any applicable cure period, including, without limitation, obtaining required insurance coverage on Franchisee’s behalf or paying amounts Franchisee owes to approved or designated suppliers, then Franchisee must: (a) reimburse Franchisor for all costs and expenses Franchisor directly or indirectly incurs in connection with its efforts to cure the default; and (b) pay Franchisor an administrative fee calculated as 20% of the total amount of such costs and expenses. Franchisor’s acceptance of noncompliance fees and default expense reimbursements shall not be construed as a waiver of any of Franchisor’s rights or remedies under this Agreement and Franchisor retains the right to terminate this Agreement in accordance with §14.1 should the default continue after Franchisor collects these amounts. All fees and expense reimbursements set forth in this Section are due 15 days after invoicing, except Franchisor may automatically debit Franchisee’s account for the \$250 non-compliance fee as of the expiration of the cure period for the associated default, and each thereafter until fully cured.

**4.7. CPI Adjustments.** Franchisor reserves the right to periodically adjust all fees (including minimum fees) expressed as a fixed dollar amount based on changes to the Consumer Price Index in the United States (CPI). Franchisor may periodically review and increase these fees based on CPI changes, but only if the then-current CPI (“**Current CPI**”) is more than 5% higher than the corresponding CPI in effect on: (a) the Effective Date of this Agreement (for the initial fee adjustment); or (b) the date Franchisor implemented the last fee adjustment (for subsequent fee adjustments) (“**Baseline CPI**”). The adjusted fee is calculated by multiplying the current fee by the sum of one (1) plus a fraction: (a) the numerator of which is Current CPI minus Baseline CPI; and (b) the denominator of which is Baseline CPI. Franchisor may utilize any CPI index series published by the U.S. Department of Labor or any comparable Governmental Authority that Franchisor deems appropriate. Franchisor currently uses the following index: All Urban Wage Earners and Clerical Workers (CPI-W), U.S. City Average (1982-84 = 100), “All Items”. Franchisor will notify Franchisee of any CPI adjustment at least 60 days before the fee adjustment becomes effective. Franchisor may implement no more than one (1) fee adjustment during any five (5) year period. If Franchisor declines to exercise its right to increase the fees in a given five (5) year period despite a 5% or greater CPI increase, that potential fee increase will accumulate and may be carried forward and applied in connection with a subsequent fee adjustment.

**4.8. Payment Terms.**

- (a) Method of Payment. Franchisee shall pay the Royalty Fee, Brand Fund Contribution, Technology Fee, and any other amounts owed to Franchisor by pre-authorized bank draft or in such other manner as Franchisor may require.
- (b) Calculation of Fees. Franchisee shall report monthly Gross Sales to Franchisor by the fifth (5<sup>th</sup>) day of the following month. If Franchisee fails to report monthly Gross Sales, then Franchisor may withdraw estimated Royalty Fees equal to 125% of the last Gross Sales reported to Franchisor, and Brand Fund Contributions and Technology Fees as specified in §4.3 and §4.4 above. The parties will true-up the actual Royalty Fees due after Franchisee reports Gross Sales. Franchisee acknowledges that Franchisor has the right to remotely access Franchisee’s computer software and hardware to calculate Gross Sales.
- (c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$150 “late fee” plus interest on the unpaid amount at a rate equal to 10% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).
- (d) Insufficient Funds. Franchisor may charge \$50 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).
- (e) Costs of Collection/Enforcement. Franchisee shall repay any costs incurred by Franchisor (including reasonable attorney fees) in attempting to collect payments owed by Franchisee and otherwise enforcing Franchisor’s rights under this Agreement, even if such amounts are incurred prior to the filing of a lawsuit or other legal proceeding.
- (f) Application. Franchisor may apply any payment received from Franchisee to any obligation and in any order as Franchisor may determine, regardless of any designation by Franchisee.
- (g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Franchisor any fees or amounts described in this Agreement are not dependent on Franchisor’s performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.
- (h) Taxes. Franchisee will be responsible for all sales taxes, use taxes, and other taxes imposed on the fees payable by Franchisee to Franchisor or its affiliates and on services or goods furnished to Franchisee by Franchisor or its affiliates, unless the tax is an income tax assessed on Franchisor or its affiliate for doing business in the state where the Business is located.

- 6.2. Development.** If the Location will not be operated from a home office, franchisee may secure a commercial office space located in the Territory. Because Franchisor expects Franchisee to operate the Business as a home-based business, Franchisor will not assist Franchisee in: (a) locating a site and negotiating the purchase or lease of the site; (b) conforming the premises to local ordinances and building codes and obtaining any required permits; or (c) constructing, remodeling, or decorating the premises.

Franchisee acknowledges and agrees that the products and services offered under the Marks have a reputation for excellence and that Franchisee's strict compliance with all System Standards is critical to the goodwill associated with the Marks. The Manual may contain, among other things:

All mandatory provisions in the Manual (whether included now or in the future) are binding on Franchisee.

  - (b) **Appearance.** Franchisee shall cause its personnel to comply with any dress attire, uniform, personal appearance and hygiene standards set forth in the Manual.
  - (c) **Sole Responsibility.** Franchisee is solely responsible for the terms and conditions of employment of all of its personnel, including recruiting, hiring, training, scheduling, supervising, compensation, and termination. Franchisee is solely responsible for all actions of its personnel. Franchisee and Franchisor are not joint employers, and no employee of Franchisee will be an agent or employee of Franchisor.
- 7.6. **Post-Opening Training.** Franchisor may at any time require that the Operating Principal and/or any other employees complete training programs, in any format and in any location determined by Franchisor. Franchisor may charge a reasonable fee for any training programs (not to exceed \$600 per trainee per day). If Franchisor provides onsite training or assistance in the Territory (a) in response to Franchisee's request or (b) in response to Franchisee's breach of this Agreement or the System Standards, Franchisee must also reimburse all Travel Expenses Franchisor incurs to provide such training or assistance. If a training program is held at a location which requires travel by the Operating Principal or any other employee, then Franchisee shall pay all Travel Expenses. If, after opening the Business, Franchisee sends a new Operating Principal or other employee to attend Franchisor's initial training program, Franchisor may charge an initial training fee of \$1,500 per person.
- 7.7. **Client Complaints.** Franchisee shall use its best efforts to promptly resolve any client complaints. Franchisor may take any action it deems appropriate to resolve a client complaint regarding the Business, and Franchisor may require Franchisee to reimburse Franchisor for any expenses immediately upon demand.
- 7.8. **Client Evaluation and System Compliance Programs.** Franchisee shall participate at its own expense in programs required from time to time by Franchisor for obtaining client evaluations and/or

reviewing Franchisee's compliance with the System, which may include (but are not limited to) a client feedback system, client survey programs, and mystery shopping. Franchisor shall share with Franchisee the results of these programs, as they pertain to the Business. Franchisee must meet or exceed any minimum score requirements set by Franchisor for such programs.

**7.9. Payment Systems.** Franchisee shall accept payment from clients in any form or manner designated by Franchisor (which may include, for example, cash, specific credit and/or debit cards, gift cards, electronic fund transfer systems, and mobile payment systems). Franchisee shall purchase or lease all equipment and enter into all business relationships necessary to accept payments as required by Franchisor. **7.11. Meetings, Annual Conference.** The Operating Principal shall use reasonable efforts to attend all in-person meetings and remote meetings (such as telephone conference calls) that Franchisor requires, including any local affiliate, national or regional brand conventions. If Franchisor holds an annual franchisee conference, the Operating Principal must attend. Franchisee must pay a reasonable per person registration fee (currently \$495, not to exceed \$2,000 per person per conference) which is non-refundable and due and payable regardless of whether Franchisee or the Operating Principal attend.

**7.12. Insurance.**

(a) Required Policies. Franchisee shall obtain and maintain insurance policies in the types and amounts as specified by Franchisor in the Manual, which may be increased by Franchisor at any time. If not specified in the Manual, Franchisee shall maintain at least the following insurance coverage:

- (i) Commercial General Liability insurance, including products liability coverage, and broad form commercial liability coverage, written on an "occurrence" policy form in an amount of not less than \$1,000,000 single limit per occurrence and \$2,000,000 aggregate limit;
- (ii) Business Automobile Liability insurance including owned, leased, non-owned and hired automobiles coverage for primary vehicle along with any trailers and box trucks used in the Business in an amount of not less than \$1,000,000; and
- (iii) Workers ' Compensation coverage as required by state law.

These policies reflect Franchisor's minimum requirements and may not be adequate to fully protect Franchisee's interests. Franchisee may wish to procure additional coverage, and shall be permitted to do so.

(b) Policy Requirements. Franchisee's policies must list Franchisor and its affiliates as an additional insured and the policies must stipulate that Franchisor shall receive a 30-day prior written notice of cancellation. Franchisee shall provide Certificates of Insurance evidencing the required coverage to Franchisor prior to opening and upon annual renewal of the insurance coverage, as well as at any time within 15 days after request from Franchisor.

(c) Surety Bond. Franchisee must obtain a bond of at least \$25,000 from a bonding agency acceptable to Franchisor.

(d) Failure to Maintain Insurance. If Franchisee fails to maintain any required insurance coverage, Franchisor has the right to obtain the coverage on Franchisee's behalf (which right shall be at Franchisor's option and in addition to Franchisor's other rights and remedies in this Agreement), and Franchisee must promptly sign all applications and other forms and instruments required to

obtain the insurance and pay to Franchisor, within 10 days after invoicing, all costs and premiums that Franchisor incurs.

- 7.14. Association with Causes.** Franchisee shall not in the name of the Business: (a) donate money, products, or services to any charitable, political, religious, or other organization; or (b) act in support of any such organization, without Franchisor’s prior written approval.
- 7.15. No Other Businesses.** If Franchisee is an entity, Franchisee shall not own or operate any other business except GRASONS® Businesses.
- 7.16. No Third-Party Management.** Franchisee shall not engage a third-party management company to manage or operate the Business without the prior written approval of Franchisor, which will not be unreasonably withheld.
- 7.17. No Co-Branding.** Franchisee shall not “co-brand” or associate any other business activity with the Business in a manner which is likely to cause the public to perceive it to be related to the Business.
- 7.18. No Subcontracting.** Franchisee shall not subcontract or delegate to a third party any services to be performed by Franchisee for a client (other than engaging individuals as independent contractors in the ordinary course of business).
- 7.19. Identification.** Franchisee must identify itself as the independent owner of the Business in the manner prescribed by Franchisor.
- 7.20. Minimum Performance Criteria.** Franchisee must meet or exceed the following minimum performance criteria (the “**Minimum Performance Criteria**”) during each 12-month period during the term of this Agreement, with the first 12-month period commencing upon the opening date of the Business (each such 12-month period is referred to herein as a “**Performance Year**”):
- (a) During the first (1<sup>st</sup>) Performance Year, Franchisee must have had at least 12 estate or business liquidation sales;
  - (b) During the second (2<sup>nd</sup>) Performance Year, Franchisee must have had at least 24 estate or business liquidation sales; and
  - (c) During the third (3<sup>rd</sup>) Performance Year and for each remaining Performance Year during the initial term, Franchisee must have had at least 36 estate or business liquidation sales.
- 7.21. Minimum Sales Criteria.** Franchisee shall strive to achieve the following minimum monthly sales criteria (the “**Minimum Sales Criteria**”) commencing the beginning of the 13<sup>th</sup> month after opening:

| Time Period                        | Minimum Monthly Gross Sales |
|------------------------------------|-----------------------------|
| Months 13 through 24 after opening | \$11,500 per month          |
| Months 25 through end of Term      | \$15,400 per month          |

Franchisee’s failure to achieve the minimum monthly Gross Sales figure for a given month does not constitute a default under this Agreement; provided, however, that if Franchisee fails to achieve the minimum monthly Gross Sales figure for five (5) or months during any consecutive 24-month period (commencing the 13<sup>th</sup> month after opening), then Franchisor shall have the right to terminate this Agreement without providing Franchisee any opportunity to cure.

- 7.22. Privacy Practices.** With respect to Privacy Information, Franchisee must comply with applicable privacy laws, including any local, state, or federal data privacy or data security law or regulation.

Franchisee shall not sell any Privacy Information. Franchisee further agrees to not access, use, or process the Privacy Information except in the furtherance of its obligations under this Agreement, and in all cases in compliance with applicable privacy laws and industry standards. To the extent Franchisor does not have the then-current ability to address requests made under any applicable privacy law by individuals that are the subject of any of the Privacy Information, Franchisee shall, upon Franchisor's request, provide reasonable assistance to Franchisor in responding to such requests.

**7.23. Communications.** Franchisee shall respond promptly to requests for communication from Franchisor and, in any event, within three (3) business days.

**7.24. Business Practices.** Franchisee, in all interactions with clients, employees, vendors, governmental authorities, and other third parties, shall be honest and fair. Franchisee shall comply with any code of ethics or statement of values issued by Franchisor. Franchisee shall not take any action which injures or is likely to injure the goodwill associated with the Marks.

## **8. SUPPLIERS AND VENDORS**

**8.1. Generally.** Franchisee shall acquire all Products and Services required by Franchisor from time to time in accordance with System Standards. Franchisor may require Franchisee to purchase or lease any Products and Services from Franchisor, Franchisor's designee, Required Vendors, Approved Vendors, and/or under Franchisor's specifications. Franchisor may change any such requirement or change the status of any vendor. To make such requirement or change effective, Franchisor shall issue the appropriate System Standards.

**8.2. Alternate Vendor Approval.** If Franchisor requires Franchisee to purchase a particular Product or Service only from an Approved Vendor or Required Vendor, and Franchisee desires to purchase the Product or Service from another vendor, then Franchisee must submit a written request for approval and any information, specifications and/or samples requested by Franchisor. Franchisor may condition its approval on such criteria as Franchisor deems appropriate, which may include evaluations of the vendor's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Franchisor will provide Franchisee with written notification of the approval or disapproval of any proposed new vendor within 30 days after receipt of Franchisee's request.

**8.3. Alternate Product or Service Approval.** If Franchisor requires Franchisee to purchase a particular Product or Service, and Franchisee desires to purchase an alternate to the Product or Service, then Franchisee must submit a written request for approval and any information, specifications and/or samples requested by Franchisor. Franchisor will provide Franchisee with written notification of the approval or disapproval of any proposed alternate Product or Service within 30 days after receipt of Franchisee's request.

**8.4. Purchasing.** Franchisor may implement a centralized purchasing system and negotiate prices and terms with vendors on behalf of the System. In order to compensate Franchisor for administering the program, Franchisee may be required to pay Franchisor an administrative fee not to exceed 20% of the total amount of purchases made by Franchisee through Franchisor's centralized purchasing system. Franchisor also may receive rebates or payments from vendors in connection with purchases by franchisees. Franchisor may establish a purchasing cooperative and require Franchisee to join and participate in the purchasing cooperative on such terms and conditions as Franchisor may determine.

## **9. MARKETING**

**9.1. Implementation.** Franchisee shall not use any marketing materials or campaigns (including point-of-sale materials, advertising, social media marketing, and sponsorships) that have not been approved by Franchisor. To obtain Franchisor's approval, Franchisee must submit any proposed advertising or marketing material at least 14 days prior to use. If Franchisor does not respond, the material is deemed rejected. Franchisee shall implement any marketing plans or campaigns determined by Franchisor. Any marketing materials or campaigns developed by or on behalf of Franchisee shall automatically become the property of Franchisor, without compensation to Franchisee.

**9.2. Brand Fund.** Franchisor has established Brand Fund to promote the System on a local, regional, national, and/or international level. Franchisee shall pay Franchisor the monthly Brand Fund Contribution in accordance with §4.3, which Franchisor shall deposit into the Brand Fund.

- (a) Separate Account. Franchisor shall hold the Brand Fund Contributions from all franchisees in one (1) or more bank accounts separate from Franchisor's other accounts. The Brand Fund is not a trust and Franchisor has no fiduciary obligations to Franchisee with respect to its administration of the Brand Fund.
- (b) Use. Franchisor shall use the Brand Fund only for marketing, advertising, and public relations materials, programs and campaigns (including at local, regional, national, and/or international level for GRASONS® Services, and related overhead). The foregoing includes such activities and expenses as Franchisor reasonably determines, and may include, without limitation: development and placement of advertising and promotions; sponsorships; contests and sweepstakes; development of décor, trade dress, Marks, and/or branding; development and maintenance of brand websites; social media; Internet activities; e-commerce programs; search engine optimization; market research; public relations, media or agency costs; trade shows and other events; printing and mailing; and administrative and overhead expenses related to the Brand Fund (including the compensation of Franchisor's employees working on marketing and for accounting, bookkeeping, reporting, legal, collections, and other expenses related to the Brand Fund).
- (c) Discretion. The Brand Fund will be spent at Franchisor's sole discretion and Franchisee acknowledges that not all System franchisees will benefit directly or on a pro rata basis from such expenditures. The Brand Fund will not be used for the direct solicitation of franchise sales, but Franchisor reserves the right to include a notation in any advertisement indicating "Franchises Available." Franchisor has the right to reimburse itself from the Brand Fund for such reasonable costs and overhead, if any, as Franchisor may incur in activities reasonably related to the direction and implementation of the Brand Fund. Franchisor has sole discretion in deciding whether GRASONS® Businesses owned by Franchisor or Franchisor's affiliates will contribute to the Brand Fund. Franchisee acknowledges that the use of the Brand Fund or other advertising funds or accounts and the expenditures made thereby, may benefit Franchisor and its businesses, even though the businesses operated by Franchisor, or its affiliates may or may not contribute to the Brand Fund or other advertising funds or accounts. Franchisor assumes no obligation or liability to Franchisee with respect to the maintenance, direction or administration of the Brand Fund or any other advertising funds or accounts maintained in connection with this Agreement, except as expressly set forth in this Section. Franchisor also has the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as Franchisor deems appropriate, and such successor entity will have all of the rights and duties specified herein. Franchisor may suspend or terminate the Brand Fund at any time, and any surplus funds may only be used for marketing and advertising purposes until fully expended.
- (d) Surplus or Deficit. Franchisor may accumulate funds in the Brand Fund and carry the balance over to subsequent years or spend more than the total contributions to the Brand Fund in any given year. If the Brand Fund operates at a deficit or requires additional funds at any time, Franchisor, any affiliate or other lender may loan such funds to the Brand Fund on reasonable terms.
- (e) Financial Statement. Franchisor will prepare an unaudited annual financial statement of the Brand Fund within 120 days of the close of Franchisor's fiscal year and will provide the financial statement to Franchisee upon request.

**9.3. Regional Advertising and Promotional Cooperative.** Franchisor may, in Franchisor's discretion, designate any geographical area for purposes of establishing a regional advertising and promotional cooperative ("**Cooperative**"), and to determine whether a Cooperative is applicable to the Business. Franchisor reserves the right to administer the Cooperative. If a Cooperative is established applicable

to the Business, Franchisee must participate in the Cooperative. Cooperative contributions will be credited towards the Local Marketing Commitment discussed in §9.5 below. The following provisions will apply to each Cooperative:

- (a) Each Cooperative will be organized and governed in a form and manner, and will commence operation on a date, approved in advance by Franchisor;
- (b) Each Cooperative will be organized for the exclusive purpose of administering regional advertising programs and developing, subject to Franchisor's approval, standardized advertising materials for use by the members in local marketing;
- (c) No promotional or advertising plans or materials may be used by a Cooperative or furnished to its members without Franchisor's prior approval. All such plans and materials must be submitted to Franchisor in accordance with the procedure set forth in §9.1 hereof;
- (d) Each Cooperative will have the right to require its members to make contributions to the Cooperative in such amounts as determined by the Cooperative; however, the Cooperative may, by a two-thirds (2/3<sup>rd</sup>) majority vote of its members, require a Cooperative contribution in excess of the Local Marketing Commitment;
- (e) Each member franchisee must submit to the Cooperative its respective contribution together with such other statements or reports as Franchisor may require or as may be required by the Cooperative with Franchisor's approval;
- (f) Franchisor may grant to Franchisee, in its sole discretion, an exemption for any length of time from the requirement of membership in a Cooperative, upon written request from Franchisee stating reasons supporting such exemption. Franchisor's decision concerning such request for exemption will be final;
- (g) Franchisor will have the power to require any Cooperative to be formed, changed, dissolved, or merged at any time; and
- (h) Franchisor has sole discretion in deciding whether GRASONS® Businesses owned by Franchisor or Franchisor's affiliates will participate in a Cooperative. If they do, they will have the same voting power as franchisee members.

**9.4. Market Introduction Plan.** Franchisee must develop a market introduction plan and obtain Franchisor's approval of the marketing plan at least 30 days before the projected opening date of the Business.

**9.5. Local Marketing.** Commencing upon completion of initial training, Franchisee must spend a monthly amount equal to or greater than the Local Marketing Commitment on local advertising and marketing within the Territory, including Internet advertising. The "**Local Marketing Commitment**" is: (a) \$1,000 per month during the initial 12-month period after completion of initial training; and (b) \$750 per month for the remainder of the term of this Agreement; *provided, however*, that Franchisor reserves the right to increase this amount up to \$1,000 per month for the remainder of the term of this Agreement upon notice to Franchisee. Upon Franchisor's request, Franchisee must provide Franchisor with invoices or other proof of Franchisee's monthly expenditures on local advertising and marketing. Franchisee may not advertise or promote the Business outside of the Territory unless either: (a) the geographic area wherein Franchisee wishes to advertise is contiguous to the Territory and that area has not been granted to any other franchisee; or (b) Franchisor otherwise provides its prior written consent.

**9.6. Digital Marketing.**

- (a) Control Over Digital Marketing. Franchisor has the exclusive right to conduct and manage all marketing and commerce on the Internet or other electronic medium, including all websites and "social media" marketing (collectively, "**Digital Marketing**"). Franchisee shall not conduct such Digital Marketing, nor establish any website or social media presence independently, except as Franchisor may specify, and only with Franchisor's consent. Franchisee must immediately

modify or delete any Digital Marketing that Franchisor determines, in its sole discretion, is not compliant with its policies, standards, guidelines, or requirements. Franchisor may withdraw approval for any Digital Marketing at any time.

- (b) Digital Marketing Accounts Established by Franchisee. Franchisee must establish all Digital Marketing accounts that Franchisor specifies in the Manuals. Any and all Digital Marketing accounts that Franchisee establishes in relation to the Business shall be Franchisor's exclusive property. Franchisee must do all things necessary to provide Franchisor with access to such Digital Marketing accounts (as specified in the Manuals or otherwise) and permit Franchisor to post and delete information on Franchisee's Digital Marketing accounts.
- (c) Digital Marketing Fee. Franchisee shall pay Franchisor a \$7,500 digital marketing fee upon execution of this Agreement, which Franchisor shall remit to a designated digital marketing company. The digital marketing company uses these funds to set up Franchisee's digital marketing account and implement a digital marketing campaign to promote Franchisee's Business and generate leads over a five (5) to six (6) month period commencing after completion of initial training. After this period expires, Franchisee may continue working with this company or discontinue service (unless Franchisor requires Franchisee to continue to contract with this company after the expiration of this initial period). The digital marketing fee is in addition to, and not credited towards, the Local Marketing Commitment.

## **10. RECORDS AND REPORTS**

- 10.1. Systems**. Franchisee shall use such client data management, sales data management, administrative, bookkeeping, accounting, and inventory control procedures and systems as Franchisor may specify in the Manual or otherwise in writing. Franchisor may require that Franchisee utilize such accounting and/or data management firm, platform, program, service or software that Franchisor designates or approves. Without limiting the generality of the foregoing, Franchisee shall: (a) license and utilize QuickBooks Online (or such other program Franchisor designates or approves in the future); and (b) provide Franchisor with independent access to the account with permission to read all reports.

### **10.2. Reports and Notifications**

- (a) Financial Reports. Franchisee shall provide such periodic financial reports as Franchisor may require in the Manual or otherwise in writing, including:

No such

action by Franchisor shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such rights of Franchisor are in addition to any other right or remedy available to Franchisor.

- 11.4. Innovations.** Franchisee shall disclose to Franchisor all software, marketing and promotional materials, ideas, plans, improvements, concepts, methods and techniques relating to the Business (collectively, “**Innovations**”) conceived or developed by Franchisee, its employees, agents or contractors. Franchisor has the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement, although this right does not modify any express limitations set forth in this Agreement. Whenever Franchisor agrees to exercise its rights reasonably or in good faith, Franchisor will have satisfied its obligations whenever it exercises reasonable business judgment in making a decision or exercising its rights. Franchisor’s decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if Franchisor’s decision or action is intended, in whole or significant part, to promote or benefit the System or the GRASONS® brand generally even if the decision or action also promotes Franchisor’s financial or other individual interest. identify the Location. In this event, Franchisor will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Franchisor.

- 14.4. Other Claims.** Termination of this Agreement by Franchisor will not affect or discharge any claims, rights, causes of action or remedies which Franchisor may have against Franchisee, whether arising before or after termination.

## **15. TRANSFERS**

- 15.1. By Franchisor.** Franchisor may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Franchisor may undergo a change in ownership and/or control, without the consent of Franchisee.

- 15.2. By Franchisee.** Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Franchisor entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer (other than a Permitted Transfer) without providing Franchisor with at least 60 days prior notice of the proposed Transfer, and without obtaining Franchisor's consent. In granting any such consent, Franchisor may impose conditions, including, without limitation, the following:

- (i) Franchisor receives a transfer fee equal to \$15,000;
- (ii) the proposed assignee and its owners have completed Franchisor's franchise application processes, meet Franchisor's then-applicable standards for new franchisees, and have been approved by Franchisor as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Franchisor's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the form will be amended to provide that the proposed assignee will not be required to pay an initial franchise fee);

- 15.3. Permitted Transfers.** Franchisee and the Owners may engage in a Permitted Transfer without Franchisor's prior approval, but Franchisee must give Franchisor at least 15 days' prior written notice. If the Permitted Transfer results in a new entity becoming the franchisee, then Franchisee shall: (a) provide Franchisor with copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Franchisor; and (b) cause any individual or entity that was the franchisee (or an owner of the franchisee) immediately prior to the Permitted Transfer to sign a guarantee in accordance with §2.5 to secure performance of the new franchisee entity's financial obligations under this Agreement and all related agreements. Franchisee and the Owners (and the transferee) must sign all documents Franchisor reasonably requests to effectuate and document the Permitted Transfer.

- 15.6. No Lien on Agreement.** Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.
- 15.7. Franchisor's Right of First Refusal.** If Franchisee or an any Owner desire to engage in a Transfer, including a Transfer pursuant to §15.4, Franchisee or the Owner, as applicable, must obtain a bona fide, signed written offer from the fully disclosed purchaser and submit an exact copy of the offer to Franchisor. Franchisor will have 30 days after receipt of the offer to decide whether Franchisor will purchase the interest in the Business or the ownership interest in Franchisee for the same price and upon the same terms contained in the offer (however, Franchisor may substitute cash for any form of payment proposed in the offer). If Franchisor notifies Franchisee that it intends to purchase the interest within the 30-day period, Franchisee or the Owner, as applicable, must sell the interest to Franchisor. Franchisor will have at least an additional 30 days to prepare for closing. Franchisor will be entitled to receive from Franchisee or the Owner, as applicable, all customary representations and warranties given by Franchisee as the seller of the assets or the Owner as the seller of the ownership interest or, at Franchisor's election, the representations and warranties contained in the offer. If Franchisor does not exercise its right of first refusal, Franchisee or the Owner, as applicable, may complete the Transfer to the purchaser pursuant to and on the terms of the offer, subject to the requirements of §15.2 (including Franchisor's approval of the transferee). However, if the sale to the purchaser is not completed within 120 days after delivery of the offer to Franchisor, or there is a material change in the terms of the sale, Franchisor will again have the right of first refusal specified in this Section. Franchisor's right of first refusal in this Section shall not apply to any Permitted Transfer under §15.3.

## **16. INDEMNITY**

- 16.1. Indemnity.** Franchisee shall indemnify and defend (with counsel reasonably acceptable to Franchisor) Franchisor, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "**Indemnitees**") against all Losses in any Action by or against Franchisor and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business or Franchisee's breach of this Agreement. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions which Franchisee proves arose solely as a result of any Indemnitee's intentional misconduct or gross negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.
- 16.2. Assumption by Franchisor.** Franchisor may elect to assume the defense and/or settlement of any Action subject to this indemnification, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

## **17. DISPUTE RESOLUTION**

- 17.1. Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's President and provide Franchisor with 30 days' notice and opportunity to cure. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally will survive termination or expiration of this Agreement.
- 17.2. Mediation.** Once the internal dispute provisions of §17.1 have been exhausted, at Franchisor's option, any claim, dispute or disagreement, including any matter pertaining to the interpretation of this

Agreement or issues relating to the offer and sale of the franchise or the relationship between the parties (a “**Dispute**”) to mediation under the auspices of the American Arbitration Association (“**AAA**”), in accordance with AAA’s Commercial Mediation Rules then in effect. The mediation will take place in the county in which Franchisor maintains its principal place of business at the time the Dispute arises (currently, Maricopa County, Arizona) and the parties irrevocably waive any objection to such venue. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee whether Franchisor or its affiliates elect to exercise its option to submit claims or disputes to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (a) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (b) as a result of Franchisor’s written declaration. Franchisor’s right to mediate, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor will share mediation costs equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties agree that there will be no class action mediation.

The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this §17.2 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (1) any federally protected intellectual property rights in the Marks, the System or in any Confidential Information; (2) any of the restrictive covenants contained in this Agreement; or (3) any claims to collect past due amounts owed to Franchisor or its affiliates.

### **17.3. Venue.**

- (a) Litigation. If the Dispute is not resolved by mediation or Franchisor elects not to mediate the Dispute, the parties agree that any such legal proceeding will be brought in the United States District Court where Franchisor’s headquarters is then located (currently, Maricopa County, Arizona). If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Franchisor’s headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.
- (b) Limitations on Claims. Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one (1) year after Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period will be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, arbitration, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder. The parties agree that all proceedings will be conducted on an individual, not a class-wide basis, and that any proceeding between Franchisee, Operating Principal, and Franchisor or its affiliates or employees may not be consolidated with any other proceeding between Franchisor and any other party or entity.
- (c) Confidentiality. All documents, information, and results pertaining to any lawsuit will be confidential, except as required by law or as required for Franchisor to comply with laws and regulations applicable to the sale of franchises.

- (d) Performance During Litigation. Unless this Agreement has been terminated, Franchisor and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the litigation process.
- (e) Damages. Franchisee hereby waive to the fullest extent permitted by law any right to or claim of any punitive, exemplary or other monetary damages not based on actual damages incurred against the other and agree that in the event of a dispute, Franchisee shall be limited to the recovery of any actual damages sustained by it.

**17.4. Waiver of Jury Trial; Waiver of Class Actions. FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.**

**17.5. Injunctive Relief.** Nothing contained in this Agreement will prevent Franchisor from applying to and obtaining from any court having jurisdiction a writ of attachment, a temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interests, without bond, against conduct or threatened conduct that will cause Franchisor loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions. If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to Franchisor under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that Franchisee or Operating Principal may have against Franchisor, regardless of cause or origin, cannot be used as a defense against Franchisor's enforcement of this Agreement. If injunctive relief is granted, Franchisee's only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, Franchisee expressly waives all claims for damages Franchisee incurred as a result of the wrongful issuance.

**17.6. Legal Costs.** If Franchisee is in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and Franchisor engages an attorney to enforce Franchisor's rights (whether or not formal judicial proceedings are initiated), Franchisee must pay all reasonable attorneys' fees, court costs, and litigation expenses Franchisor incurs. If Franchisee institutes any legal action to interpret or enforce the terms of this Agreement, and Franchisee's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover Franchisor's reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

## **18. MISCELLANEOUS**

**18.1. Relationship of the Parties.** The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Franchisor is not a fiduciary of Franchisee and does not control Franchisee or its Business. Franchisor has no liability for Franchisee's obligations to any third party whatsoever.

**18.2. No Third-Party Beneficiaries.** This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Franchisor, and Franchisor's affiliates; *provided, however*, that the additional insureds listed in §7.12(b) and the Indemnitees are intended third-party beneficiaries under this Agreement with respect to §7.12(b) and §16, respectively.

**18.3. Entire Agreement.** This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Franchisor in its franchise disclosure document. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with

the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

- 18.4. Modification.** No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Franchisor's rights to modify the Manual or System Standards.
- 18.5. Consent; Waiver.** No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.
- 18.6. Cumulative Remedies.** Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.
- 18.7. Severability.** The parties intend that: (a) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded; and (b) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.
- 18.8. Governing Law.** Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other applicable federal statute, the laws of the state of Arizona (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. If any provision of this Agreement, including but not limited to its provisions for transfer, renewal, termination, notice of termination, or cure rights, is inconsistent with any valid law or regulation of the state in which the Business is located, then the valid law or regulation of that state applicable to the Business shall supersede any provision of this Agreement that is less favorable to Franchisee.
- 18.9. Notices.** Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Franchisor, addressed to 8100 E. Indian School Road, Suite 201, Scottsdale, Arizona 85251. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Franchisor may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.
- 18.10. Joint and Several Liability.** If two (2) or more people sign this Agreement as "Franchisee", each will have joint and several liability.
- 18.11. No Offer and Acceptance.** Delivery of a draft of this Agreement to Franchisee by Franchisor does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Franchisor.
- 18.12. Additional Terms; Inconsistent Terms.** The parties may provide additional terms by including the terms on the Summary Page. To the extent that any provisions of the Summary Page are in direct conflict with the provisions of this Agreement, the provisions of the Summary Page shall control.
- 18.13. Force Majeure.** Neither party shall be responsible to the other for non-performance or delay in performance occasioned by causes beyond its control, including without limiting the generality of the foregoing: (a) acts of God; (b) acts of war, terrorism, or insurrection; (c) strikes, lockouts, labor

actions, boycotts, floods, fires, hurricanes, tornadoes, widespread infectious diseases, pandemics or epidemics, and/or other casualties; (d) the inability of Franchisor and/or its affiliates or suppliers to manufacture, purchase, and/or cause delivery of any products used in the operation of the Franchise; and (e) legislative changes and/or governmental orders affecting the sale of the products from Franchises. The ability or inability of either party to obtain and/or remit funds shall be considered within control of such party.

**18.14. Approvals.** Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent must be obtained in writing.

**18.15. Importance of Timely Performance.** Time is of the essence in this Agreement.

**18.16. No Personal Liability.** Franchisee agrees that fulfillment of any and all of Franchisor's obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a Court of Law shall be Franchisor's sole responsibility and none of Franchisor's agents, representatives, nor any individuals associated with Franchisor's franchise company shall be personally liable to Franchisee for any reason. This is an important part of this Agreement. Franchisee agrees that nothing that Franchisee believes Franchisee has been told by Franchisor or Franchisor's representatives shall be binding unless it is written in this Agreement. This is an important part of this Agreement. Do not sign this Agreement if there is any question concerning its contents or any representations made.

Guarantor waives: (a) acceptance and notice of acceptance by B & P Burke of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that B & P Burke make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.
2. **Confidential Information.** With respect to all Confidential Information Guarantor shall: (a) adhere to all security procedures prescribed by B & P Burke for maintaining confidentiality; (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by B & P Burke; (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement; (e) not copy or otherwise reproduce any Confidential Information; and (f) promptly report any unauthorized disclosure or use of Confidential Information. ### 3. **Covenants Not to Compete.**

- (a) **Restriction - In Term.** During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, or be engaged or employed by, any Competitor, except for any businesses operated by Franchisee pursuant to a license from Franchisor or one of its affiliates.
- (b) **Restriction – Post Term.** For two (2) years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two (2) years after a Transfer) Guarantor shall not directly or indirectly:
  - (i) own, maintain, engage in, be employed as an officer, director, principal, or of, lend money to, extend credit to or have any interest in any Competitor within (1) the Territory or (2) any territory assigned to another GRASONS® Business as of the date the Franchise Agreement terminates or expires or the date of the Transfer, as applicable; *provided, however*, that this §3(b) does not apply to: (1) Guarantor's ownership of a GRASONS® Business under a Franchise Agreement with Franchisor; or (2) Guarantor's ownership of a less than five percent (5%) legal or beneficial interest in any publicly traded company providing services the same as or similar to a Competitor; or
  - (ii) solicit any current, former, or prospective customer of the Business or any other customer of whom Franchisee has become aware as a result of access to Franchisor's System or other franchisees for any competitive purpose.
- (c) **Interpretation.** Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court, then the parties intend that the court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of B & P Burke. If such covenants are held to be unenforceable or unreasonable, the other provisions of this Guaranty shall remain in effect. Guarantor agrees that the existence of any claim it or Franchisee may have against B & P Burke shall not constitute a defense to the enforcement by B & P Burke of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. **Modification.** Guarantor agrees that Guarantor's liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which B & P Burke may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. **Governing Law; Dispute Resolution.** This Guaranty shall be governed by and construed in accordance with the laws of the state of Arizona. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as fully set forth herein. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. If you engage in any Prohibited Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the prohibited activity.
6. **OWNERSHIP OF PHONE NUMBER.** You must obtain a separate telephone number solely for use with the Franchised Business. You acknowledge and agree that we will own this phone number and the associated account but allow you to use it during the terms of the Franchise Agreement at your expense. You must immediately transfer the number to us upon the termination, expiration or transfer of the Franchise Agreement and you agree to sign any documents we require to enable us to independently assign the telephone number to us in compliance with this Section.
7. **IMMEDIATE FAMILY MEMBERS.** You acknowledge that you could circumvent the purpose of this Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this

Agreement if any member of your immediate family (a) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities or (b) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

- 8. COVENANTS REASONABLE.** You acknowledge and agree that: (a) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (b) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. Although you and we both believe the covenants in this Agreement are reasonable, we may at any time unilaterally modify the non-covenants in §4 and §5 of this Agreement, upon written notice to you, by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Restricted Period, reducing the geographic scope of the Restricted Territory and/or reducing the scope of any other covenant imposed upon you under this Agreement to ensure that the terms and covenants are enforceable under applicable law.
- 9. BREACH.** You agree that: (a) any failure to comply with this Agreement likely to cause substantial and irreparable damage to us and/or other GRASONS® Businesses for which there is no adequate remedy at law; and (b) we are entitled to injunctive relief if you breach this Agreement together with any other relief available at equity or law. We will notify you if we intend to seek injunctive relief but we need not post a bond. If a court requires that we post a bond despite our mutual agreement to the contrary, the bond amount may not exceed \$1,000. No remedy available to us under this Agreement is exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.
- 10. MISCELLANEOUS.**
- (a) If we hire an attorney or file suit against you for breach of this Agreement and we prevail, you must reimburse us for our reasonable attorneys' fees and costs.
  - (b) This Agreement will be governed by, construed and enforced under the laws of the state of Arizona (without giving effect to its principles of conflicts of law) and the courts in that state shall have exclusive jurisdiction over any legal proceedings arising out of this Agreement.
  - (c) Each section of this Agreement, including each subsection and portion thereof, is severable. If any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion. The parties agree that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

This Brand Protection Agreement is executed as of the date or dates set forth below.

## Independent Auditor's Report

To the Board of Directors  
EHC Holding Company, LLC and Subsidiaries

### **Opinion**

We have audited the consolidated financial statements of EHC Holding Company, LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheet as of December 31, 2024 and the related consolidated statements of operations, members' equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

To the Board of Directors  
EHC Holding Company, LLC and Subsidiaries

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Note 2 - Significant Accounting Policies**

#### ***Basis of Accounting***

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company has elected to adopt certain accounting alternatives for private companies developed by the Private Company Council, including the alternative for accounting for goodwill and intangibles.

#### ***Principles of Consolidation***

The consolidated financial statements include the accounts of the Company and all of its wholly owned subsidiaries. All material intercompany accounts and transactions have been eliminated in consolidation.

#### ***Accounts Receivable***

Trade accounts receivable are stated at invoice amounts. An allowance for credit losses is established for amounts expected to be uncollectible over the contractual life of the receivables. At December 31, 2024, the Company had recorded an allowance for credit losses in the amount of \$131,037. The Company evaluates the collectibility of its accounts receivable and determines the appropriate allowance for expected credit losses based on a combination of factors, including the aging of the receivables, historical collection trends, and charge-offs, and includes adjustments for current economic conditions and reasonable and supportable forecasts. When the Company is aware of a franchisee or customer's inability to meet its financial obligation, the Company may individually evaluate the related receivable to determine the allowance for expected credit losses. Uncollectible amounts are written off against the allowance for credit losses in the period they are determined to be uncollectible. Recoveries of amounts previously written off are recognized when received. The net accounts receivable balance as of January 1, 2024 was \$1,950,265.

#### ***Property and Equipment***

Property and equipment are recorded at cost. Depreciation and amortization are computed using the straight-line method. Assets are depreciated over their estimated useful lives, which range from 3 to 10 years. The cost of leasehold improvements is depreciated (amortized) over the lesser of the length of the related leases or the estimated useful lives of the assets. Costs of maintenance and repairs are charged to expense when incurred.

**Notes to Consolidated Financial Statements**

**December 31, 2024**

**Note 2 - Significant Accounting Policies (Continued)**

***Capitalized Software Costs***

The Company capitalizes significant costs incurred in the acquisition or development of software for internal use, including the costs of the software, materials, consultants, interest, payroll, and payroll-related costs for employees incurred in developing internal-use computer software, once final selection of the software is made. Costs incurred prior to the final selection of software and costs not qualifying for capitalization are charged to expense. Capitalized software amortization expense was approximately \$203,000 in 2024. The net book value of capitalized software costs included in property and equipment at December 31, 2024 was approximately \$1,032,000. The estimated useful life of the capitalized software is five years.

***Leases***

The Company has operating leases for corporate office space. The Company recognizes expense for operating leases on a straight-line basis over the lease term. The Company made a policy election not to separate lease and nonlease components for all operating leases. Therefore, all payments are included in the calculation of the right-of-use asset and lease liability.

The Company has an operating lease with a lease term of one year or less that the Company elected to account for as a short-term lease. As this lease is a short-term lease, it is not included in the right-of-use asset and lease liability. Total expense related to short-term leases is *de minimis*.

The Company elected to use the risk-free rate as the discount rate for calculating the right-of-use asset and lease liability in place of the incremental borrowing rate for all operating leases.

***Intangible Assets***

Acquired intangible assets subject to amortization are stated at cost and are amortized using the straight-line method over the estimated useful lives of the assets, which range from 5 to 14 years. Intangible assets that are subject to amortization are reviewed for potential impairment whenever events or circumstances indicate that carrying amounts may not be recoverable. Assets not subject to amortization are tested for impairment at least annually.

The Company has elected to apply the private company accounting alternative for intangible assets acquired in a business combination developed by the Private Company Council. Under the accounting alternative, certain acquired customer-related intangible assets and noncompetition agreements are not separately recognized apart from goodwill.

***Goodwill***

The recorded amounts of goodwill from prior business combinations are based on management's best estimates of the fair values of assets acquired and liabilities assumed at the date of acquisition.

The Company has elected to apply the private company accounting alternative for goodwill developed by the Private Company Council. Under the accounting alternative, goodwill is amortized on a straight-line basis over a 10-year period. Additionally, goodwill is assessed for potential impairment if events occur or circumstances change that indicate the fair value of the Company may be less than its carrying value. The Company has elected to test goodwill for impairment at the entitywide level.

No impairment charge was recognized during the year ended December 31, 2024.

**Note 2 - Significant Accounting Policies (Continued)**

**Revenue Recognition**

The Company's franchise agreements include (a) the right to use its symbolic intellectual property over the term of each franchise agreement (typically 10 years); (b) preopening services, such as training; (c) ongoing services, such as management of the national brand fund contributions and support services for the franchisees; and (d) for certain subsidiaries, a license to use the Company's internal-use software, which is hosted on the Company's software as a service (SaaS) platform. These promises are highly dependent upon and interrelated with the franchise right granted in the franchise agreement, so they are not considered to be individually distinct and, therefore, are accounted for as a single performance obligation. The performance obligation under the franchise agreement is the promise to provide daily access to the symbolic intellectual property over the term of each franchise agreement, which is a series of distinct services that represents a single performance obligation. Although the franchisor's underlying activities associated with the symbolic intellectual property will vary both within a day and day to day, the symbolic intellectual property is accessed over time and the customer (the franchisee) simultaneously receives and consumes the benefit from the franchisor's performance of providing access to the symbolic intellectual property (including other related activities). Revenue earned from providing these services is identified as royalty fees, initial franchise fees, and national brand fund fees on the accompanying consolidated statement of operations.

The Company also operates a franchise location. The revenue for this consists of revenue recognized at a point in time as the service is completed. This revenue is identified as service fees on the accompanying consolidated statement of operations.

**Payment Terms**

Initial franchise fees are due and typically paid when a franchise agreement is executed and are nonrefundable. These fees are collected prior to the satisfaction of the Company's performance obligations, resulting in the Company recognizing deferred revenue contract liabilities. The portion of contract liabilities that is expected to be recognized as revenue within one year is classified as current on the consolidated balance sheet. Deferred initial franchise fees as of January 1, 2024 equaled \$18,902,229. Initial franchise fees are also received pursuant to area development agreements, which grant the right to develop franchised territories in future periods in specific geographic areas. Royalties and advertising fees are paid on a monthly basis based upon a percentage of franchisee gross sales. Technology fees are paid on a monthly basis based upon a fixed amount. Service fees are due 30 days from when the service is performed.

**Allocating the Transaction Price**

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to service customers. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that the agreements will not be canceled, renewed, or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and advertising fees, as the transaction price is based on the franchisees' sales. The variable consideration is recognized based on the actual amounts incurred each month.

**Costs to Obtain a Franchise Agreement**

The Company incurs commission costs to obtain franchise agreements with franchisees. The commissions are related to franchise fee revenue, which is recognized over time. As a result, the commission costs are capitalized as deferred commission costs and are expensed over the term of the respective franchise agreement, which is determined to be the period of benefit.

Advertising expense is charged to income during the year in which it is incurred. Advertising expense for 2024 was \$3,755,611.

##### ***Income Taxes***

The Company's net income or loss is allocated among the members in accordance with the Company's operating agreement.

**Note 7 - Members' Equity (Continued)**

As defined in the EHC Holding Company, LLC Amended and Restated Limited Liability Company Agreement, a deferred unit provides the right to be issued a Class B unit prior to a significant sale, assuming the fair market value of the Company exceeds the threshold amount, as defined in the Deferred Unit Agreements. The deferred units are time-vesting units that generally vest one-seventh each continuous year of service, becoming fully vested on the seventh anniversary of the grant date. These units allow for accelerated vesting upon the occurrence of a significant sale. As of December 31, 2024, there were 3,803 deferred units issued, 2,540 deferred units outstanding, and 502 deferred units vested. ## Independent Auditor's Report

Board of Directors  
EHC Holding Company, LLC and Subsidiaries

### Opinion

We have audited the consolidated financial statements of EHC Holding Company, LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, changes in members' equity, and cash flows for the years ended December 31, 2023 and 2022, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

AUDIT | TAX | CONSULTING

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Significant accounting policies:**

**Basis of presentation:** The consolidated balance sheets is presented as of December 31, 2023 and 2022. The consolidated statements of operations, changes in members' equity, and cash flows are presented for the years ended of December 31, 2023 and 2022. The accompanying consolidated financial statements of the Company include its wholly owned subsidiaries.

All intercompany transactions have been eliminated. The accompanying consolidated financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (U.S. GAAP) that the Company follows to ensure its financial condition, results of operations, and cash flows are consistently reported. References to U.S. GAAP issued by the FASB in these notes to the consolidated financial statements are to the FASB Accounting Standards Codification (ASC).

**Revenue recognition policy:** The Company recognizes revenue in accordance with ASC 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows: identify the contract with a customer, identify the performance obligations in the contract, determine the transaction price, allocate the transaction price to the performance obligations in the contract, and recognize revenue when or as performance obligations are satisfied.

**Notes to Consolidated Financial Statements**

**Note 1. Summary of Significant Accounting Policies (Continued)**

*Nature of services* - The Company's franchise agreements include (a) the right to use its symbolic intellectual property over the term of each franchise agreement, (b) preopening services, such as training, (c) ongoing services, such as management of the national brand fund contributions and support services for the franchisees and (d) for certain subsidiaries, a license to use the Company's internal-use software, which is hosted on the Company's software as a service (SaaS) platform. These promises are highly dependent upon and interrelated with the franchise right granted in the franchise agreement, so they are not considered to be individually distinct and therefore are accounted for as a single performance obligation. The performance obligation under the franchise agreement is the promise to provide daily access to the symbolic intellectual property over the term of each franchise agreement, which is a series of distinct services that represents a single performance obligation. Although the franchisor's underlying activities associated with the symbolic intellectual property will vary both within a day and day to day, the symbolic intellectual property is accessed over time and the customer (the franchisee) simultaneously receives and consumes the benefit from the franchisor's performance of providing access to the symbolic intellectual property (including other related activities). Revenue earned from providing the services is collectively referred to as franchise fee revenue.

The Company's franchise fee revenue includes franchise royalties, franchise fees, advertising fund contributions and support services performed for franchisees. Initial franchise fees are based on the market type selected and are paid at the time an individual franchise agreement is signed.

The Company also operates a franchise location. The revenue for this consists of revenue recognized at a point in time as the service is completed.

*Payment terms* - The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods and services to the customer. Agreements may include initial and renewal franchise fees, sales-based royalties, and fees for administrative services performed for the franchisee.

The Company believes its franchising agreements do not contain a significant financing component because (a) the timing of the upfront payment does not arise for the reason of provision of financing to the Company and (b) the sales-based royalty is variable and based on factors outside the Company or the franchisee's control.

*Revenue recognition* - Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement beginning when the agreement is signed. Franchise agreements typically have a term of 10 years with the option to renew for an additional five years if the franchisee is in compliance with the terms of the franchise agreement.

Continuing royalties are calculated as a percentage of franchisees' reported sales that are related entirely to the Company's performance obligation under the franchise agreement. These royalties are considered variable consideration, but because they relate to a license of intellectual property, they are not included in the transaction price. Instead, royalty revenue is recognized as franchisee sales occur. Advertising contributions received from the Company's franchisees are recorded as a component of franchise fee revenue in the consolidated statements of operations.

*Contract balances* - The Company records accounts receivable when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability (deferred franchise fees) also is recorded. Revenue is recognized on a straight-line basis over the life of the franchise agreement.

**EHC Holding Company, LLC and Subsidiaries**

**Notes to Consolidated Financial Statements**

---

**Note 1. Summary of Significant Accounting Policies (Continued)**

*Commission costs* - The Company defers those direct and incremental costs associated with the sale of franchises. Contract costs are charged to earnings when the related deferred franchise and territory fees are recognized as revenue over the term of the respective agreement. The Company has determined the period of benefit for direct and incremental costs associated with the sale of franchises to be the initial term of the franchise agreement. Expense is recognized on a straight-line basis commensurate with the pattern of revenue recognition. Contract costs are recorded in other assets in the accompanying consolidated balance sheets.

*Advertising funds* - The Company collects funds from its franchisees for advertising pursuant to the Company's franchise agreements at a percentage of franchisee sales. These advertising services are not considered distinct because they are highly dependent and interrelated to the franchise right. Advertising contributions are considered part of the transaction price for the franchise right and recognized as revenue as the underlying sales occur. The advertising costs incurred for franchisees will be expensed in accordance with the Company's normal policy.

**Cash and cash equivalents:** The Company considers all short-term, highly liquid investments with original maturities of 90 days or less to be cash and cash equivalents. Cash equivalents consist of money market accounts.

**Accounts receivable:** Accounts receivables represent amounts due from franchisees pursuant to their individual franchise agreements. Accounts receivables are stated at historical value which approximates fair value. The allowance for credit losses on accounts receivables represents the Company's estimate of expected credit losses over the lifetime of the receivables. This estimation process is based on historical experience, current conditions, asset-specific risk characteristics and reasonable and supportable forecasts about future economic and market conditions. Accounts receivables are written off when deemed uncollectible. Recoveries of royalty receivables previously written off are recorded when received. The allowance for credit loss was approximately \$144,000 and \$37,000 for the years ended December 31, 2023 and 2022, respectively. The Company will continue to monitor and evaluate the adequacy of the allowance for credit losses on accounts receivable on a regular basis and make adjustments as necessary in response to changes in economic conditions and credit quality indicators.

The Company adopted Accounting Standards Update (ASU) 2016-13, *Financial Instruments—Credit Losses (Topic 326)*, on January 1, 2023. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instruments which would include accounts receivables. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against account receivable balances based on current and historical information. The adoption of this ASU did not have a material effect on the Company's financial statements.

**Concentration of credit risk:** The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. The Company maintains its cash and cash equivalents in bank deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents. The Company grants credit to its franchisees and customers. Consequently, the Company's ability to collect the amounts due from franchisees and customers is affected by economic fluctuations. The Company routinely assesses the financial strength of its franchisees and customers and believes that its accounts receivable credit risk exposure is limited.

**Note 1. Summary of Significant Accounting Policies (Continued)**

**Software development costs:** Costs for software developed for internal use are accounted for in accordance with ASC 350, Intangibles—Goodwill and Other - Internal-Use Software. ASC 350 requires the capitalization of certain costs incurred in connection with developing or obtaining internal-use software. In accordance with ASC 350, the Company expenses costs incurred in the preliminary project stage of developing or acquiring internal use software, such as research and feasibility studies, as well as costs incurred in the post-implementation/operational stage, such as maintenance and training. Capitalization of software development costs occurs only after the preliminary project stage is complete, management authorizes the project, and it is probable that the project will be completed and the software will be used for the function intended. Costs associated with the purchase and development of computer software are capitalized and amortized on a straight-line basis over the estimated useful life of the related asset. Software development costs are recorded in property and equipment in the accompanying consolidated balance sheets. The Company capitalized software development costs of approximately \$1,271,000 and \$0 for the years ended December 31, 2023 and 2022, respectively.

**Property and equipment:** Property and equipment are stated at cost, net of accumulated depreciation and amortization. Expenditures for additions and improvements are capitalized while maintenance and repair expenditures are charged to operations as incurred. When assets are sold or otherwise retired from service, their cost and related accumulated depreciation and amortization are removed from the accounts and any gain or loss is included in the results of operations. Depreciation and amortization is computed using the straight-line method. Property and equipment have estimated useful lives of three to ten years. Depreciation expense for the years ended December 31, 2023 and 2022, was approximately \$98,000 and \$700, respectively.

**Goodwill and intangibles:** Goodwill is recognized for the excess of the fair value of an acquired business over the fair value of the identifiable net assets acquired. Under ASC 350, Intangibles—Goodwill and Other, the Company elected the accounting alternative to amortize goodwill on a straight-line basis over 10 years.

The Company has elected the provisions of ASU 2014-18, *Business Combinations (Topic 805): Accounting for Identifiable Intangible Assets in a Business Combination*. ASU 2014-18 specifies that a private company that elects the accounting alternative to recognize or otherwise consider the fair value of intangible assets as a result of any in-scope transactions should no longer recognize separately from goodwill: (1) customer-related intangible assets unless they are capable of being sold or licensed independently from the other assets of the business and (2) noncompetition agreements.

The Company tests its recorded goodwill for impairment upon a triggering event. Factors that could trigger an impairment test include, but are not limited to, underperformance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the overall business, significant negative industry or economic trends and a sustained period where market capitalization, plus an appropriate control premium, is less than member's equity. Goodwill is tested using a fair-value approach at the entity level. No indicators of impairment were identified for the years ended December 31, 2023 and 2022.

Intangible assets include franchise agreements, trade names, and developed technology. Intangible assets are amortized on a straight-line basis over their estimated useful lives, which range between five to 14 years.

**EHC Holding Company, LLC and Subsidiaries**

**Notes to Consolidated Financial Statements**

---

**Note 1. Summary of Significant Accounting Policies (Continued)**

**Long-lived assets:** Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If impairment is considered, recoverability of these assets is measured by a comparison of the carrying amount of the asset to estimated future undiscounted cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount of which the carrying amount of the asset exceeds the fair value of the asset. No impairment loss has been recognized by the Company as of December 31, 2023 and 2022.

**Leases:** In February 2016, the FASB issued ASC 842, Leases, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. ASC 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in ASC 840, Leases) and operating leases, with classification affecting the pattern of expense recognition in the income statement. The Company adopted ASC 842 on January 1, 2022, using the optional transition method to the modified retrospective approach, which eliminates the requirement to restate the prior-period consolidated financial statements. Under this transition provision, the Company has applied ASC 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC 840, Leases.

The Company elected the package of practical expedients under the transition guidance within ASC 842, in which the Company does not reassess (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the hindsight practical expedient, and therefore measured the ROU asset and lease liability using the remaining portion of the lease term upon the adoption of ASC 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under ASC 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of ASC 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to nonpublic companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of ASC 842).

### Notes to Consolidated Financial Statements

#### **Note 1. Summary of Significant Accounting Policies (Continued)**

The Company has made an accounting policy election to account for lease and nonlease components in its contracts as a single lease component for its various asset classes. The nonlease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Adoption of ASC 842 resulted in the recording of additional ROU assets and lease liabilities related to the Company's operating leases of approximately \$153,000 at January 1, 2022. The adoption of the new lease standard did not materially impact consolidated net earnings or consolidated cash flows and did not result in a cumulative-effect adjustment to the opening balance of retained earnings.

**Fair value measurements:** The Company uses the fair value measurement and disclosure guidance for all assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income and cost approaches. Based on these approaches, the Company often utilizes certain assumptions that management believes market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.

**Level 2:** Inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

**Level 3:** Inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

**Income taxes:** As a limited liability company, the Company is treated as a partnership for federal and state income tax purposes. As such, the taxable income of the Company is allocated in the tax returns of its members for federal and state tax purposes in accordance with their respective percentage ownership. Accordingly, no provision for federal income taxes is included in the consolidated financial statements. Entity-level, composite state and local income taxes (benefits) are accrued at the applicable rates, if any, and are included in the consolidated statements of operations.

The FASB provides guidance for how uncertain tax provisions should be recognized, measured, disclosed, and presented in the consolidated financial statements. The Company identifies its tax positions taken or expected to be taken in the course of preparing its tax returns and determines whether any tax positions are more likely than not of being sustained when challenged or when examined by the applicable tax authority. Management has determined that there are no uncertain tax positions at December 31, 2023 and 2022.

### Notes to Consolidated Financial Statements

#### Note 1. Summary of Significant Accounting Policies (Continued)

**Use of estimates:** The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent events:** The Company evaluated subsequent events for potential required disclosure through April 18, 2024, which is the date the consolidated financial statements were available to be issued.

#### Note 2. Acquisition of Businesses

**Assisted Living Locators:** On August 24, 2022, the Company acquired ALL and Licensing. ALL is a franchisor and the franchises provide senior placement and referral services. Licensing is an operating company that owns technology used by ALL. As a result of the transaction, the Company gains penetration into this industry. The Company obtained control of the business by acquiring 100% of the membership interests of ALL and Licensing, therefore the acquisition was accounted for as a business combination. The results of this acquisition have been included in the consolidated financial statements since the date of the acquisition.

The acquisition was funded through cash contributions of equity.

The goodwill arising from the above acquisition is largely due to the ALL's and Licensing's fair value of certain intangible assets along with the assembled workforce subsumed into goodwill, ALL's and Licensing's presence in the marketplace and their long-term expected revenue growth. The goodwill is deductible for income tax purposes.

The following table summarizes the consideration paid and the amounts of the assets acquired, and liabilities assumed at the date of acquisition:

**Note 2. Acquisition of Businesses (Continued)**

The fair value of the 3,409 Class A Units was determined based on the value of the Company at the acquisition date, using unobservable inputs.

Transaction expenses of approximately \$1,077,000 were incurred as a result of the business combination and have been expensed by the Company and included in the consolidated statement of operations within the transaction expenses line item for the year ended December 31, 2022.

Of the \$4,212,000 of identified intangible assets, \$2,736,000 was assigned to franchise agreements, \$1,034,000 was assigned to trade name, and \$442,000 was assigned to developed technology. Each were determined to have useful lives of 10 years, 14 years and five years, respectively. The weighted-average useful life in years for the identified intangible assets in aggregate was 10.45 years. Franchise agreements, trade names, and developed technology were valued using the multiperiod excess earnings method, relief from royalty method, and cost-to-recreate method, respectively.

**Grasons:** On November 21, 2022, the Company acquired Grasons. Grasons is a franchisor and the franchises provides downsizing and estate sale services, business liquidation services, senior transition assistance, home staging, and home organization services. As a result of the transaction, the Company gains penetration into this industry. The Company obtained control of the business by acquiring 100% of the membership interests of Grasons, therefore the acquisition was accounted for as a business combination. **Brothers:** on November 22, 2023, the Company acquired Brothers and BG (collectively Brothers Gutters). Brothers Gutters includes a franchisor and the franchisees provide services associated with gutter installation, repair and maintenance. In addition, one franchisee was acquired. As a result of the transaction, the Company gains penetration into this industry. **ADDENDUM TO B&P BURKE, LLC  
FRANCHISE DISCLOSURE DOCUMENT  
REQUIRED BY THE STATE OF CALIFORNIA**

For franchises and franchisees subject to the California Franchise Investment Law, Cal. Corp. Code § 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000-20043, the following information supersedes or supplements, as the case may be, the corresponding disclosures in the main body of the text of the B&P BURKE, LLC Franchise Disclosure Document (“FDD”):

CALIFORNIA CORPORATIONS CODE SECTION 31125 REQUIRES THAT THE FRANCHISOR GIVE THE FRANCHISEE A DISCLOSURE DOCUMENT APPROVED BY THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in that association or exchange.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Regarding our website, [www.grasons.com](http://www.grasons.com), please note the following:

Item 6 of the FDD is amended to disclose that the highest interest rate allowed in California is 10%.

The franchise agreement requires application of the laws of Arizona. This provision may not be enforceable under California law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Where required under Illinois law, the laws of the State of Illinois will govern.

**ADDENDUM TO WNW FRANCHISING, LLC  
FRANCHISE AGREEMENT  
REQUIRED BY THE STATE OF SOUTH DAKOTA**

Neither B&P BURKE, LLC, nor any person identified in Item 2 has any material arbitration proceeding pending, or has during the 10-year period immediately preceding the date of this Disclosure Document been a party to concluded material arbitration proceedings.

We may not terminate the Franchise Agreement for a breach, for failure to meet performance and quality standards and/or for failure to make royalty payments unless you receive thirty (30) days prior written notice from us and you are provided with an opportunity to cure the defaults. Covenants not to compete upon termination or expiration of the Franchise Agreement are generally unenforceable in the State of South Dakota.

The laws of the State of South Dakota will govern matters pertaining to franchise registration, employment, covenants not to compete, and other matters of local concern; but as to contractual and all other matters, the Franchise Agreement will be subject to the applications, construction, enforcement and interpretation under the governing law of Michigan.

Any provision in the Franchise Agreement restricting jurisdiction or venue to a forum outside of the State of South Dakota or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the South Dakota Franchise Act.

Any provision that provides that the parties waive their right to claim punitive, exemplary, incidental, indirect, special or consequential damages may not be enforceable under South Dakota law.

**ADDENDUM TO B&P BURKE, LLC  
FRANCHISE DISCLOSURE DOCUMENT  
REQUIRED BY THE COMMONWEALTH OF VIRGINIA**

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for WNW Franchising, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17.h

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise and Multi-Unit Agreements does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

## WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this Addendum.
