How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits, or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit G.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit I includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Snooze Mattress Co. business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Snooze Mattress Co. franchisee?	Item 20 or Exhibit G and Exhibit H lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in the disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, including your house, at risk if your franchise fails.
3. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (See Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

We offer a franchise agreement (“Franchise Agreement”) for the development and operation of a mattress store that specializes in selling a variety of different types of mattresses and bedding accessories at a specified location that is within a protected territory. SIL’s agents for service of process are disclosed in Exhibit B. We do not have any parents.

Our Predecessors and Affiliates:

We have no parent. There is one operating business that offers similar products and services to a Snooze[®] Mattress Co., which is operated by our affiliate described below. The following is a list of SIL’s affiliates including principal addresses and number of locations for each.

Our affiliate, Daydream, LLC (“DDL”), is a Colorado limited liability company that was formed on May 3, 2019. On April 13, 2023, DDL repurchased the assets of the Dublin location and is now operating a business at this location. We and DDL are independent entities, and DDL does not assume any of our legal or other obligations, nor us of theirs. DDL does not offer franchises.

Our Business and the Franchises Offered:

The Snooze[®] Mattress Co. business model has been developed to offer a wide selection of different styles and brands of mattresses, bedding products and accessories. Our philosophy is centered on educating customers and pairing them up with the right mattress and bedding products that will enhance their sleeping experience coupled with expertise and superior customer service. This is a retail store typically located in lifestyle centers, shopping malls or free-standing structures (all of which must be approved by us). Each Snooze[®] Mattress Co. franchise has an open-style sales floor that incorporates advanced technology while offering for sale: a wide selection of mattresses in all sizes and various brands including our proprietary brand of mattresses, a variety of box springs and frames (including adjustable box springs), a selection of pillows (in various shapes, fillings and colors), bedding accessories (such as: mattress pads, bedding sheets, blankets, comforters, etc.), limited bedroom furniture for sale (such as bedroom sets, pedestals, headboards, etc.), and an interactive furniture ordering kiosk featuring all types of different household furniture for sale in addition to offering our warranty programs, dream mapping service that uses advanced technologies to identify a customer's pressure points while laying down to help identify the best mattress, and delivery services along with other mattress, bedding and furniture-related merchandise and services as approved by us.

Competition includes other mattress stores, furniture stores and retail stores operated by national chains, local chains, and independent operators, and to some extent department stores and discount warehouses offering similar products to those found in a Snooze[®] Mattress Co. business. You may also face competition from Internet websites. Your typical customer is anyone seeking to replace or purchase the right mattress for their body type. Generally, there is no seasonality to this business. The mattress industry in general is highly competitive throughout the United States as the market is continuously changing and evolving. We plan controlled expansion into areas that we determine can support a Snooze[®] Mattress Co. business to improve name recognition and our reputation through franchised businesses.

The Snooze[®] Mattress Co. businesses are characterized by our: distinctive, unique and recognizable exterior and interior format and layout, content, décor, color scheme and signage; different types and brands of mattresses including our proprietary brand of mattresses (which is a line of mattresses that have been developed and manufactured by us and carry our brand), products (including our privately labeled products which are products that carry our brand), services and warranty programs offered; purchasing, inventory management and operational strategies, methods, techniques and procedures; vendor and supplier relationships, specifications for all furnishings, fixtures, equipment, products and supplies used; product knowledge, presentation, merchandising and sales techniques; customer service standards, procedures for cleanliness, safety and quality control; guidelines for hiring, training and retaining employees, proprietary educational platform that houses our videos, training modules and courses (which includes curriculum, lesson plans and workshops) to complement your ongoing training efforts; customer acquisition, advertising, social media, marketing and promotional strategies and materials; cost controls, management, administrative and record keeping procedures; our confidential operations manual ("Operations Manual") and other manuals which are made available either in hard copy or electronically; all of which may be changed, improved, and further developed by us periodically (collectively, the "System").

The System is identified by means of certain trade names, service marks, trademarks, slogans, logos, emblems, and indicia of origin, including the word marks "Snooze" which are registered on the principal register of the United States Patent and Trademark Office ("USPTO"), bearing the registration numbers 6335914, 6732339, and 6400053 respectively. You will be licensed to use not only this mark and design, but also all other service marks, trademarks, slogans, logos, and emblems as we may designate for use in connection with the System (collectively, the "Marks" and each a "Mark").

Laws and Regulations:

Generally, there are no current governmental regulations or licenses that apply specifically to operating a retail store specializing in mattresses and bedding accessories. You must comply with all local, state, and federal laws and governing agencies that apply to your Business and to the public safety including those relating to the manufacture, labeling, disposal and sale of mattresses and related bedding products (including flammability regulations, Consumer Products Safety Information Act (“CPSIA”) and other product safety laws). You are responsible for checking the laws of the state, and local government in which you intend to conduct business to determine if you are required to obtain any permits or if there are any licensing or registration requirements and other statutes, codes, rules, regulations, or ordinances specific to your Business. You must know such laws and regulations in your locality and must make sure that you and all your employees who work in your Business comply with any such laws and regulations as well as obtain any licenses, certifications or permits required by your locality for performing work in your Business. It is your sole responsibility, to investigate, satisfy and remain in compliance with all local, state, and federal laws in addition to obtaining and keeping in force all necessary certifications, licenses, registrations, and permits required by public authorities, since they vary from place to place and can change over time.

You are responsible for obtaining all certifications, licenses, registrations, and permits required to operate your specific Business.

We have not offered franchises in other lines of business in the past. We do not engage in any business other than the offering of franchises.

You must purchase specific furniture, fixtures, products and supplies from us, our affiliates, or our approved vendors and/or suppliers. and the cost for these items may not be refundable (as described in Item 7 and Item 8). You will be provided with a list of approved vendors and suppliers to purchase all furnishings, fixtures, equipment, products, and supplies from necessary to operate your Business during the initial training program. This program does not apply to additional franchises. We retain the right in our sole discretion to modify or terminate this veteran discount program at any time with or without notice. The factors concerning our decision to modify or terminate the veteran discount program include the number of franchises that we sell, the number of veterans that are interested in purchasing a franchise and the quality of veteran applicants that we receive.

We have the right to change, modify, or discontinue your ability to exclude

donated and complimentary products and/or services and voided transactions and customer refunds from your Gross Revenue calculation for any reason whatsoever upon 90 days' notice to you.

The royalty obligation begins immediately after your Business is open for operation then continues for the term of your Franchise. The royalty is due and payable five (5) days after billing. Billing occurs on the 1st day of the billing period as determined by the operations manual but is to be received how we specify. The royalty rate is 5% of Gross Revenues for your previous month, or a flat fee based on the scale below, whichever is greater, for the entire term of your Franchise Agreement. If your Franchise Agreement is terminated, you may be required to continue royalty payments for the remaining term of your Franchise Agreement.

Royalty Month:	Your Minimum Royalty Payment Will Be:
Months 0-6	5% of your Gross Revenues or \$500
Months 6-12	5% of your Gross Revenues or \$1000
Months 12-18	5% of your Gross Revenues or \$1500
Months 18-24	5% of your Gross Revenues or \$2000
Remainder of Term	5% of your Gross Revenues or \$2500

Royalty fees shall be payable only to us and collected by us through electronic transfer with direct deposit to us from your account. Under our current automatic debit program, you must make required funds available for withdrawal by electronic transfer before the due date. See the Direct Deposit Agreement attached as Schedule 1 of the Franchise Agreement. We reserve the right to change the time and manner of payment upon written notice to you. All royalty fees are collected by us and payable only to us. All royalty fees are uniformly imposed and non-refundable.

Note 2: You will pay us a System Brand Fee contribution equal to 2% of your monthly Gross Revenues as defined in the Franchise Agreement. The System Brand Fee is imposed by us and collected by us and all System Advertising Fees are non-refundable. The System Brand Fee begins immediately once your Business is open for operation and is due by the 5th day of each month and continues for the term of your Franchise. We may raise, discontinue, or reduce the contribution, but your total monthly contribution will not exceed 3% per month of your Gross Revenues in any calendar year. Gross Revenue is defined in the Franchise Agreement and in Note 1 above. You pay the System Brand Fee contribution at the same time and under the same terms as the royalty described above. System Brand Fees are uniformly imposed on all franchisees.

We will place the System Brand Fee contributions in a separate bank account. We may use this fund for marketing, local, regional, national, or international advertising, public relations, promotions, surveys, test marketing, research and development, administration (including our salaries, accounting, collection, legal, and other costs), related expenses, and any media costs (including any media production costs). We make the expenditures at our discretion. We do not represent that any particular level of expenditure will be made for particular programs or to benefit particular franchisees or franchised locations. We are not required to spend any amount on advertising in the area where you are located. We will not spend advertising funds for activities that are principally a solicitation for the sale of franchises. We have

no fiduciary duty to you regarding any System Brand Fees. All System Brand Fees are collected only by us, and payable only to us. All System Brand Fees are non-refundable.

Note 3: Interest and late charges begin to accrue from the due date of payment. You must also pay any damages, expenses, collection costs and reasonable attorney fees we incur when you do not make the required payments, provided no interest shall be charged in excess of the maximum rate allowed by law. All interest and late charges are payable only to us. Interest and late charges are uniformly imposed. Interest and late charges are non-refundable.

Note 4: You must protect, defend, indemnify, and hold us harmless against any claims, lawsuits or losses arising out of your operation of the Franchised Business. If you default under the Franchise Agreement and we engage an attorney for collection or enforcement, you must pay all our damages, legal fees and costs to the extent permitted by law. Indemnification expenses are non-refundable. Indemnification costs are imposed only by us and collected only by us. Indemnification costs may vary based on the claims, lawsuits, and losses that we incur arising out of your operation of the Business (Franchise Agreement Section XVIII).

Note 5: You are required to use a specific point of sale ("POS" or "POS System") software for the operation of your Business. The POS software is specific to the retail industry that manages customer information and everything from tracking inventory to sales and incorporates reporting functionality. The technology fee is for POS support, the usage of such software in addition to ongoing software updates and support, which is \$599 per month per POS system or .25% of gross revenue (which is greater). This price is for the Franchisee and is NOT per location (this fee applies to multiple locations, if applicable). POS fees are payable directly to our approved vendors. In addition, you are required to use the Integrated Credit Processing that is included with your POS system. The monthly and transaction fees for credit card processing will be taken out of the deposits that you receive from the credit card processor. which are currently \$34.90 per month plus 2.4%-2.9%.

You are also required to use a specific third-party customer relationship management (CRM) software program for the operation of your Business. This software program is specific to the retail and sales industry that provides customer follow up functionality that includes sending messages and announcements electronically via text / email and allows customers to post reviews and integrates with other third-party software programs. The software fee for the usage and ongoing support of this program is \$255 per month, per location, regardless of the number of end users and size of your database. (Usage rates may apply). CRM software fees are payable to us, our affiliates, or approved vendors.

You are also required to use a specific third-party door count software program for the operation of your Business. This software program is specific to the retail industry that ties directly into the camera surveillance system, provides real-time counts of customers that enter the Business, records visual images of customers, and integrates well with other third-party software programs. The software fee for the usage and ongoing support of such program is currently \$110-\$125 per location per month regardless of the number of cameras you have in your Business. Software fees are payable to us, our affiliates, or approved vendors.

You are also required to use an approved streaming service provided by our approved vendor, Snooze MediaSign Streaming Service, which is currently \$40 per month per unit for the 1st two (2) units (per store) and \$10 per month for any additional units.

You are also required to pay the monthly reporting fee for daily, weekly, and monthly revenues, which is currently \$49 per location.

You will also be required to pay for each email address in excess of the email address provided to franchisee for its operational store, which is currently \$18-\$20 per month.

You will already have access to all the software programs mentioned above prior to your Business being open for operation as all initial software fees were already accounted for in your estimated initial investment (see Item 7). It is your responsibility to install and upgrade all software used for your Business. You may have to sign a license agreement to use such third-party software. It is also your responsibility to install and upgrade any technology and networking functionality necessary to implement and continue to use such software. You will have sole authority and control over the use of all software. Software fees are non-refundable, uniformly imposed and we may change the software requirements upon 90 days' prior written notice to you, and you will be required to adhere to the new software requirements and fees at your own expense. Software fees may be changed in response to any increase in the United States Consumer Price Index; if the vendors for such software increase usage fees; if additional functionality and/or features become available; or if we or the manufacturers of such software believe that conditions in the overall economy or in the market for such software warrant any change in fees. Software fees are uniformly imposed, non-refundable, and collected by us, our affiliates, or our approved vendors (Franchise Agreement Section X.E, XII.H, XII.I and XX.A).

Note 6: You are required to obtain a commercial-free music subscription from our approved vendors for the operation of your Business. Such music subscription allows you the ability to have streaming commercial and royalty free music in your Business. Music subscription fees range from \$10-\$25 per month and are payable to our approved vendors. It is your responsibility to install and upgrade the music equipment and software required for such music subscription for your Business. We may change such music subscription requirements upon ninety (90) days' written notice to you, and you will be required to adhere to our new music subscription requirements at your expense. Music subscription fees may increase from our vendors in response to any changes in the United States Consumer Price Index, if additional services are purchased or if conditions in the overall economy or in the market for such music services and licensing warrant any change in fees. Music subscription fees are non-refundable and are uniformly imposed and collected only by us, our affiliates, or our approved vendors (Franchise Agreement Sections X.F, XII.H and XII.I).

Note 7: You are required to use a professional security alarm monitoring service for your Business. It is your responsibility to manage the security alarm system and all required equipment for your Business. Currently security alarm fees are \$30-\$55 per month and payable to our approved vendors. We may change such security alarm requirements upon ninety (90) days' written notice to you, and you will be required to adhere to our new security alarm requirements and fees at your expense. Security alarm fees may increase or decrease depending on your usage, may increase from our vendors in response to any changes in the United States Consumer Price Index, if additional services are purchased or if conditions in the overall economy or in the market for such security alarm services warrant any change in fees. Security alarm fees are non-refundable (Franchise Agreement Sections X.G and XII.H).

Note 8: We, our affiliates, and/or our approved vendors will complete all changes, updates, and promotions to your web page. Any requests for changes or updates to the content of your web page and/or any type of website promotion you wish to do must be approved by us in writing and performed by us, our affiliates and/or our approved vendors. We will respond to you within 30 days of our receipt of your request for all web page changes. The web page maintenance and promotion fee is currently \$65-\$125 per hour and is payable to us, our affiliates, or our approved vendors. Currently, you must pay \$225 - \$250 per month per location for your website hosting fee. We may change our web page maintenance and promotion fee requirement upon 90 days' notice to you, and you will be required to adhere to our new web page maintenance and promotion fee requirements at your expense. The fees may be changed in response to any increase in the United States Consumer Price Index, if we choose to offer additional features, if we choose

to provide additional web pages or if we believe that conditions in the overall economy or in the market for services warrant any change in fees. Web page maintenance and promotion fees are non-refundable and are uniformly imposed and collected only by us, our affiliates, or our approved vendors (Franchise Agreement Section X.I). **Note 9:** You will be required to obtain our written approval for any product, vendor, and/or supplier or piece of equipment that you wish to use in the operation of your Business (as described in Item 8), and you will be responsible for paying us an assessment fee. This fee is \$100 for any single product, vendor, and/or supplier you wish to offer, use, and/or substitute in your Business. The fee for equipment testing is a minimum of \$300 per piece or any reasonable amount we determine from time to time. We may waive these fees if the equipment, products, vendors, and/or suppliers you select meet our requirements and are added to our approved list of equipment, products, vendors, and/or suppliers for all franchise locations. All product, vendor, and equipment testing assessment fees are payable only to us and collected only by us. Product, vendor, and equipment testing fees are non-refundable and are uniformly imposed (Franchise Agreement Section X.J).

Note 10: You will be required to obtain and use digital marketing package, which include search engine optimization (SEO) monitoring, keyword optimization on franchisee’s localized pages on the website, and content optimization. This fee is \$300 and is payable to us, our affiliates, or our approved vendors. Digital Marketing Fees are uniformly imposed on all franchisees (Franchise Agreement Section X.K).

Note 11: Shared DMA Integrated and Co-Op Advertising Fund, designed to support cooperative advertising and promotional endeavors within shared designated market areas (DMA). Franchisees that operate in a shared DMA commit a percentage of their gross sales to this fund on a monthly basis, pooling resources to amplify brand visibility and market presence in shared DMAs. The fund is dedicated solely to advertising activities across various channels, with franchisee engagement and collaboration being paramount. Administration is overseen by us, ensuring funds are utilized effectively, with regular reporting provided to franchisees. The agreement remains in effect until terminated. Fund disposition is at our discretion. This cooperative effort fosters brand growth and market penetration for franchisees within their respective markets (Franchise Agreement Section X.L).

Except as provided below, other than security deposits and utility deposits, all payments and fees described in this Item 7 are non-refundable.

Note 1: You must purchase only approved technology items that meet our specifications, which may change from time to time and such items must be purchased through us, our affiliates and/or vendors or suppliers

approved by us. All such items may not be refundable depending on the terms of the invoice or purchase agreement (Franchise Agreement Sections XII.H, XII.I and XX.I).

Note 2: This is an estimate for the items you will need for equipment, furnishings, and fixtures. You must purchase various pieces of equipment, furniture, and fixtures for the operation of your Business as specified in the Operations Manual. Actual furniture and fixture costs may vary due to square footage. The low end of the estimate takes into account you finance the dream mapping technology system. The high end of the estimate takes into account you purchase the dream mapping technology system. We base our estimates on the costs that our affiliate incurred in opening their company-owned location. If applicable, you must also pay state and local sales tax on purchases of equipment, furnishings, and fixtures. The sales taxes may range from 3% to 10% of the purchase price and are not included in these estimates. You are responsible for paying all applicable sales taxes. You must purchase all equipment, furnishings, and fixtures from us, our affiliates, or our approved vendors and suppliers. In addition, you must purchase all equipment, furnishings, and fixtures that meet our specifications, which may change from time to time. The cost of all equipment, furnishings, and fixtures will depend on financing terms available, the condition of the equipment, furnishings, and fixtures and other factors. You may be able to take advantage of tax benefits for the purchase of all your equipment, furnishings, and fixtures as you are encouraged to talk with a tax professional. The estimate for the equipment, furnishings, and fixtures does not include shipping, delivery, or installation costs and the expenses for your equipment, furnishings, and fixtures may or may not be refundable depending on the terms of your invoice or the purchase agreement (Franchise Agreement Sections XII.H, XII.I and XX.H).

Note 3: A typical Snooze[®] Mattress Co. business is in a lifestyle center, shopping mall, or free-standing building with approximately 1,500-4,000 square feet of space. Cost per square foot will depend on your geographic area and we estimate such costs to be approximately \$1.25 per square foot per month (approximately \$15 per square foot annualized) on the low end and approximately \$3.70 per square foot per month (approximately \$44 per square foot annualized) on the high end. We used these figures for the low and high estimates given above when leasing a space with moderate to high visibility. These sums do not include common area maintenance fees which (if applicable) will vary depending on your location or any sums for the purchase of real property, as we do not expect that you will buy real property. Our estimate includes first month's rent and a security deposit. Real estate costs depend on location, size, visibility, economic conditions, accessibility, and competitive market conditions. You may be able to reduce this expense if you are able to occupy a space in an existing location that compliments another business. The space must be enclosed and separate from other businesses with its own locking door. We base our estimate on the costs that our affiliate incurs when leasing space for their company-owned location. Lease payments for periods of time that you occupy your premises may not be refundable. In the event you leave your leased premises before the termination of your lease, you may owe the landlord payment for the entire lease term depending on the terms and conditions of your lease. Whether or not any lease payments are refundable depend on the terms and conditions of your lease agreement.

Note 4: We advise you to find a space needing minimal leasehold improvements. In most cases you will need to alter the interior of your Business before you open for operation, and you may need to install flooring according to our specifications. A typical Snooze[®] Mattress Co. business has one large open sales floor, one back office, one storage room and one unisex bathroom. The high-end estimate does not reflect the potential need to add lighting, bathrooms, fire sprinklers, fire alarms and modify and/or add an HVAC system that entails mechanical, electrical, and plumbing costs. We base our estimates on the costs that our affiliate incurred in building out their company-owned location. You should investigate all these costs in the area in which you wish to establish your Business. We will provide you with standard layouts and design options for your Business; however, it is your responsibility to hire an architect to create a complete set of drawings based on the size of your facility and local permitting requirements. Architect and permitting costs are not included in this estimate. You may incur greater or lesser leasehold improvement costs depending

on your ability to negotiate leasehold improvements with your landlord. Whether or not any build out expenses are refundable depends on the terms and conditions of your contracts with construction and mechanical contractors, as well as your lease agreement (Franchise Agreement Section XII.S and XII.T).

Note 5: You must purchase a variety of different products and supplies for the general operation of your Business as specified in the Operations Manual. You must purchase only approved products and supplies, and you must purchase products and supplies that meet our specifications, which specifications may change from time to time in our discretion. Your initial inventory of products and supplies will vary according to your geographical area, time of year, size of your facility, availability of products, your decisions regarding the appropriate mix of products for your market, anticipated sales volume, and current market prices. We will provide you with a written list of approved products you must offer for sale and a written list of approved vendors and/or suppliers from which you must purchase products and supplies to operate your Business. All required items to be purchased must be purchased through us, our affiliates, or our approved vendors and suppliers, except all advertising and promotional materials and miscellaneous forms must be purchased directly from our affiliate. We base our estimate of product and supply costs that have been incurred by our affiliate when opening their company-owned locations. This estimate does not include shipping costs which (if applicable) are your responsibility. Whether or not any of the purchases for products or supplies that you purchase are refundable depends on the terms of the invoice or purchase agreement (Franchise Agreement Sections XII.I, XX.H and XX.I).

Note 6: This estimated amount represents twelve months of pre-paid insurance premiums that do not take into account workers' compensation insurance which may vary greatly by state, payroll, and classification. You must obtain and keep general liability insurance and product liability insurance (covers you for damages that result in injury from products that you sell and distribute) with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate or in amounts we may require to reflect inflation, identification of new risks, changes in law or other relevant changes in circumstances. You are also required to obtain property and casualty insurance that covers the assets of the Business, "All Risk" insurance coverage for property that is not included in other insurance policies, employer's liability insurance and business interruption insurance. Due to varying factors that affect the cost of workers' compensation, the cost of workers' compensation is not included in this estimate. We may change insurance requirements on reasonable notice to you. Whether or not insurance premiums are refundable depends on the terms of your insurance policies. In general, the cost of insurance coverage will vary depending on the carrier's charges, terms of payment and your claims history (Franchise Agreement Section XIII).

You may need other insurance such as: tenant's liability, professional liability insurance (covers you for damages that you create that do not result in property or bodily injury), employment practices liability insurance, cyber liability insurance, automobile liability insurance and employee dishonesty insurance are optional; however, we may require you to obtain this coverage in the future with liability limits of amounts we specify. We may change these insurance requirements on reasonable notice to you. There are no other insurance requirements. Whether or not any insurance premiums are refundable depends on the terms and conditions of your insurance policies.

Note 7: You must purchase and maintain an inventory of approved uniforms for the operation of your Business. All uniforms must meet our specifications, which may change from time to time. You will need a minimum inventory of pajamas (tops and bottoms) that incorporate our logo for your first month of operation. The number of pajamas you will need will vary depending upon the number of employees you hire. You are required to purchase pajamas either from us, our affiliates, or our approved vendors. This estimate does not include any setup fees or shipping costs which (if applicable) are your responsibility. Expenses for uniforms may not be refundable depending on the terms of your invoice or the purchase agreement (Franchise Agreement Sections XII.F, XII.I, XX.H and XX.I).

Note 8: You must purchase the site evaluation and real estate services, which include guidance and assistance in site identification, analysis, selection, and negotiation from our real estate team. You must pay a flat fee of \$14,000 at the time the site selection process begins, which covers all expenses of the travel team to travel, analyze and assist with negotiations for the site, which may also include, upon your request, a letter of intent submitted on your behalf. You are responsible for legal review of any lease and other documents, as we do not provide legal services.

Note 9: You must retain and pay for the services of various third-party professionals to advise and assist you in areas including but not limited to: the formation and structure of your business (if you are an entity), the review of the Franchise Agreement, lease review, design and construction of your Business. These professionals may include attorneys, data/technology support, accountants, architects, real estate, designers, and other professionals and are necessary for the opening and operation of your Business.

Note 10: You must pay us a fee for the set-up cost of your Snooze[®] Mattress Co. store, which includes: assistance with merchandising, CRM software set-up, social media set-up, MediaSign hardware set-up, bootcamp training, and associated professional fees.

Note 11: Estimate includes minimum working capital for the startup of your Business. This also includes estimates of miscellaneous startup costs such as: rent for an additional two months (first months' rent is already included above), purchasing additional inventory of products or supplies; shipping and delivery costs, additional payroll expenses, hiring additional employees, workman's compensation insurance payments, tax deposits, prepaid expenses, additional permits, architect fees, legal fees, accounting fees, and other miscellaneous costs. You may be able to secure a revolving line of credit with a lender or different vendors which will minimize the amount of working capital you need for additional inventory.

Total Estimated Initial Investment. The total estimated initial investment is an estimate only of the range of startup expenses you may incur. We relied on our principals' combined expertise when preparing these figures. We base our estimates on the costs that our affiliate incurred in operating their company-owned location. The actual amount of funds you will need depends on a variety of factors, including the size of your facility, the location of your Business, amount of leasehold improvements you have to make to your facility, the time of year when you start your Business; the amount of equipment, furniture and fixtures you purchase and if you choose to finance some of the equipment; the amount of inventory you purchase, the number of employees you hire, implementation of a marketing plan, your own management skill, economic conditions, competition in your area and other factors. The estimate of initial investment funds is based on an owner-operated business and does not include salaries or benefits for full-time employees.

These figures are just estimates. This estimate of startup costs is calculated for a period of three (3) months (except as stated otherwise), with additional operating capital to be available as may be needed during the initial phase. These costs do not include your Royalties or System Brand Fees which begin immediately once your Business is open for operation. These amounts are estimates only and specific amounts will vary with local market conditions, which are outside our control.

We do not offer financing, directly or indirectly, for any part of the initial investment for a Franchise. The availability and terms of third-party financing will depend on factors such as the availability of financing generally, your creditworthiness, collateral you may have and the lending policies of financial institutions. The estimate does not include any finance charges, interest, or debt service obligation or your living expenses.

ITEM 8

We require this in order for you to sell products from our approved products list. If we develop any additional products or proprietary equipment or software in the future, you must purchase such items from us, our affiliates and/or approved manufacturers or suppliers. DDL, which is our affiliate, was previously the only approved vendor and supplier for all mattresses, pillows, pads, sheets, proprietary and privately labeled products to be purchased by you for the operation of your Business. Our affiliate, DDL, did not receive any revenue from purchases by franchisees in the prior fiscal year. SSL received \$11,606.73 in total revenue from purchases for such items in the last fiscal year, which equaled 50.95% of our affiliate's total revenues. Wake Up Pueblo, LLC is also our affiliate and an approved vendor

and supplier for all ongoing advertising, marketing and public relations videos and marketing materials to be purchased by you for the operation of your Business. Wake up Pueblo did not receive any revenue in the prior fiscal year. You must not deviate from these standards and specifications by the use or offer of non-conforming furnishings, fixtures, equipment, products, supplies or services, without obtaining our prior written consent. You are not permitted to: use or purchase furnishings, fixtures, equipment, products or supplies from an unapproved vendor and/or supplier; sell any product not purchased from us, our affiliates or approved vendors and/or suppliers; offer any products or services that are not on our approved list of products or services that has not been approved by us; or use the services of an unapproved vendor or supplier unless you first submit a written request to us for approval and agree to be responsible for all product, vendor and equipment assessment fees as described in Item 6 and below in this Item 8. We will use our best efforts to advise you within 30 days, by email or other written notice, whether such products, vendors or suppliers are approved as further described below.

We base our specifications for furnishings, fixtures, equipment, products, supplies, vendor, and supplier approvals on our discretionary determination of demand, relevance to the System, price, value, quality, reliability, accuracy of product claims, safety, warranty, prompt attention to complaints, financial stability, litigation against supplier, recall history, reputation, frequency of delivery, appearance and contributions or other benefits to us and/or any marketing fund. Some of these specifications are contained in our Operations Manual and others will be set forth in periodic written notices to our franchisees. We have the right to disapprove of any furnishing, fixture, piece of equipment, product and/or supply sources that are not on our approved vendor list. If any furnishing, fixture, piece of equipment, product, supply, service, vendor, or supplier is not authorized by us, you are prohibited from using, offering, or selling it in your Store. We may require vendors and/or suppliers to provide certain information, sign a nondisclosure agreement and agree to guarantee our level of quality and produce sufficient samples to allow us to test the sample at your expense. We may require you to submit to us sufficient specifications, photographs, drawings or other information and samples to determine whether the items meet our specifications. There is a product, vendor, and equipment assessment fee for supplier approval, and we may require third party testing, in which case you will pay the actual cost of the tests as described in Item 6. We may issue specifications in manuals or directives, in writing or orally, and we may modify them at any time. Our response to a request to approve any furnishing or fixture, piece of equipment, product, vendor and/or supplier will be made within 30 days after we receive it. Approval may be revoked in our sole discretion where an approved furnishing, fixture, product, vendor, or supplier does not adhere to the specifications described above. We will notify you either by email or any other written form of communication of our approval of, disapproval of, or revocation of any prior approval of any furnishing, fixture, piece of equipment, product, vendor, or supplier.

You must use, offer, and sell only the furnishings, fixtures, equipment, products, supplies and services that we specify in writing, purchased from our affiliates or approved vendors and in the manner

and style we specify which may be amended by us periodically. You may be required to maintain a minimum inventory of products in your Store in the future. If we require you to maintain a minimum inventory of products (currently not in effect) we will notify you by email or any other written form of communication and you will be given 90 days to comply with such requirements at your cost. We will provide you with a written list of approved furnishings, fixtures, equipment, products, and services you are authorized to use, sell and/or offer in your Store after signing the Franchise Agreement and during our initial training. We will enforce these limitations by using secret shoppers or unannounced on-site visits to your Store on a regular basis. When we make other visits to your Store, such as to assist you, we may also take that opportunity to visibly inspect your inventory and determine if service standards are being met and unauthorized furnishings, fixtures, equipment, products, supplies, or services are being used, sold, or offered. In addition, we expect to receive information from other Snooze® Mattress Co. businesses and/or customers reporting that unauthorized furnishings, fixtures, equipment, products, supplies, and services are being used, offered, or sold. You must permit us or our agents, at any reasonable time, to remove any furnishing, fixture, piece of equipment or reasonable number of products from your Store free of charge for testing by us or an independent laboratory, to determine whether such items meet our then-current standards and specifications. Besides any other remedies we may have, we may require you to pay for the testing as described above, if we have not previously approved the supplier of the item or if the sample fails to conform to our specifications (see Item 6). We reserve the right to take whatever action we deem necessary in our absolute and sole discretion to ensure service standards are being met and to prevent you from using, selling and/or offering unauthorized furnishings, fixtures, equipment, products, supplies or services, including seeking injunctive relief or terminating your Franchise Agreement.

We may derive profit through markups of the prices charged to you for furnishings, fixtures, equipment, products, supplies or services we supply. We may derive revenue through license fees, promotional fees, advertising allowances, rebates or other monies paid by approved suppliers. For the last fiscal year 2023 we received \$84,366.16 in allowances, rebates, and commissions from vendors for required purchases representing 5.68% of our total gross revenue. If we require you to buy from us or our affiliates, the furniture, fixtures, equipment or product's price and quality will be comparable to similar furniture, fixtures, and products from other sources. We may take a portion of that income to spend on advertising or place it in a separate franchise advertising account. If we require you to buy furnishings, fixtures, equipment, products, supplies or services from a vendor that pays such allowances, at our discretion we may spend all such fees on related advertising or place them in the separate franchisee advertising account, described in Item 11 below. If we don't require the purchase, we need not place such fees in a separate account or use them on advertising but may retain them. We are not required to apply these funds to advertising or place them in a separate franchise advertising account but will use our reasonable discretion in making such decision.

To maintain uniform quality standards all furnishings, fixtures, equipment, products, supplies, décor, signage, advertising, trademark usage, trade dress and services you use to operate your Store must meet our standards and specifications. In addition, you must participate in and cooperate with any gift certificate, gift card, rewards program, loyalty program, or promotional programs we have or may establish and follow our requirements and guidelines. We will require you to use specific software, miscellaneous forms, contracts, checklists, marketing, and promotional items; and we may require you to use or contribute to specific POS and software support service providers, security alarm providers, music service providers, merchant service providers, third-party financing providers, vendor discounts, allowances, and rebates.

We maintain specifications for the construction and build out of your Store, leasehold improvements, furnishing, fixtures, equipment, technology items (as described above), signage and décor to be used for the interior and exterior of your Store. You may not install or permit to be installed on the Store premises any fixtures, furnishings, equipment, décor items, signs, games, vending machines, or other items that do not comply with our specifications without our written consent. Some of these specifications

are contained in our Operations Manual and others will be set forth in periodic email or written notices to our franchisees. In most cases, the specifications involve confidential and proprietary information regarding the content, makeup, manufacturing, specifications, or formulation of a product or piece of equipment and such information will only be made available to a supplier who agrees to sign a confidentiality agreement with us. We develop these specifications either through our research and development staff or with a particular manufacturer and they may be modified periodically, through periodic notices to our franchisees.

One of our primary methods of communication with franchisees is through email, text messages, announcements, or newsletters we may periodically publish and post on portals online provided to franchisees on our website. You are responsible for knowing all of the information contained in the emails, text messages, announcements, newsletters and/or portals online and complying with any standards and specifications provided within them. We may establish and change the standards and specifications for the operation of your Store through our emails, text messages, announcements, newsletters, or our portals online.

All marketing and promotion of your Business by you in any medium must be conducted in a professional and dignified manner and must conform to our specified standards and requirements that we prescribe in our Operations Manual. You must submit samples of all advertising or promotional plans and materials (including photographs and videos) that you desire to use to us for approval if such has not been prepared or previously approved by us. You may not use any marketing or promotional materials (including photographs or video presentations) that we have disapproved. This includes any website promotion over the Internet to promote your Store. You must submit a request to us for any type of website and/or Internet promotion you wish to do in addition to any edits, changes, or updates to your web page. Internet promotions, edits, changes, or updates to your web page must be done by us, our affiliates, or approved vendors with our consent. We will charge a fee for this approval (as described in Item 6). Upon approval of your request, you may be responsible for any web page maintenance cost. Our response to your request for such advertising or promotional plans and materials (including photographs or video presentations) and Internet promotions, edits, changes, or updates to your web page will be made within 30 days after we receive it. We will notify you by email or any other written form of communication of our approval or disapproval. In addition, you must not conduct any advertising without our written permission, in any social media such as Yelp, Twitter, Facebook, LinkedIn, Pinterest and others (currently franchisees are authorized to participate on Facebook, Instagram and Yelp). You must also supervise your employees to assure they do not post any material on the Social Media sites or any internet sites, regarding us or the Franchise System whatsoever. We will provide you with our written standards and guidelines for using social networking sites during the initial franchise training program.

For a Snooze[®] Mattress Co. business, you are obligated to purchase furniture, fixtures, equipment, technology items, décor, signage, and an inventory of products and supplies for the operation of your Business. It is estimated that all your initial expenditures from us, our affiliates, or the vendors that we specify and/or approve that meet our standards and specifications will represent approximately 50%-60% of your total initial purchases. It is anticipated that during the operation of your Franchised Business, required purchases from us, our affiliates, or the vendors that we specify or approve (not including labor costs) are estimated to be approximately 80%-90% of your total monthly purchases in the continuing operation of your Store (this depends on the size of your Store, amount of inventory you purchase and sales volume).

We do not provide material benefits (for example renewal or additional franchises) to you based solely on your use of designated or approved sources. We do not belong or require you to belong to any purchasing or distribution cooperatives, although we retain the right to establish them.

When you open a location for your Franchise under a lease, per the Franchise Agreement, you must submit the proposed lease to us for approval before it is signed. We have the option to require that the lease (i) be collaterally assigned to us by a collateral assignment agreement in a form and substance reasonably acceptable to us in order to secure performance of your liabilities and obligations to us or (ii) contain the following terms and conditions:

1. The lessor must agree that without its consent, the lease and your right, title and interest under the lease may be assigned by you, to our designee or us (provided such assignment shall not relieve you of your obligations under the lease or cause us or our designee to have any obligations or liability under the lease).
2. The lessor must provide written notice to us (at the same time it gives such notice to you) of any default by you under the lease and we must have, after the expiration of the period during which you may cure such default, an additional fifteen days to cure, at our sole option, any such default and, upon the curing of such default, the right to enter upon the leased premises and assume your rights under the lease as if the lease had been assigned by you to us.
3. You are required to furnish copies of all insurance policies required by the Franchise Agreement to us, or such other evidence of insurance coverage and payment of premiums as we request or permit under the lease.

Before you open a Snooze® Mattress Co. Business, you must obtain the insurance coverage for your Store as specified below. The insurance coverage must be maintained during the term of the Franchise Agreement and provide evidence of insurance to us that insurance has been obtained from a responsible carrier or carriers acceptable to us.

1. General Liability Insurance, including broad form contractual liability, broad form property damage, personal injury, advertising injury, completed operations and fire damage coverage, in the amount of \$1,000,000 per occurrence and \$2,000,000 aggregate;
2. Product Liability Insurance that covers you for damages that result in injury from products that you distribute with a minimum policy limit of \$1,000,000 per occurrence and \$2,000,000 aggregate or an amount we reasonably specify;
3. Umbrella Liability Insurance that provides protection beyond existing limits and covers you for damages that result in injury, property damage and personal liability situations with a minimum policy limit of \$1,000,000 per occurrence and \$2,000,000 aggregate;
4. “All Risks” or “Special Form” coverage for the full cost of replacement of the business premises and all other property in which we may have an interest with no coinsurance clause;
5. Property and casualty insurance that covers you for damages or losses to the Business with a minimum policy limit of \$1,000,000 per occurrence or an amount that covers the assets of the Business;
6. Employer Liability Insurance that covers you and your Business against claims made by employees who have been injured on the job at a minimum policy limit of \$1,000,000 or an amount we reasonably specify;

7. Business Interruption insurance in such amount as will reimburse you for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners or attributable to prevention of access to the Store, with coverage for a period of interruption of 180 days and such longer period as we may specify periodically. Business interruption insurance is optional; however, we may require you to obtain this coverage in the future with liability limits in amounts we may reasonably specify which will relate to the right to be reimbursed for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners;
8. Automobile liability coverage (optional), including coverage of owned, non-owned and hired vehicles, with coverage in amounts not less than \$1,000,000 for hired and non-owned coverage including uninsured motorist with a minimum of \$100,000 limit or what is in accordance with your state guidelines;
9. Professional Liability Insurance (optional by us) that covers you for damages that you create that do not result in property or bodily injury with a minimum policy limit of \$500,000 or an amount we reasonably specify;
10. Employment practices liability insurance (optional) that covers you and your Business against claims made by employees, former employees or potential employees for discrimination, wrongful termination, sexual harassment, and other employment related obligations;
11. Cyber liability insurance (optional) that covers you and your business against data breaches that involve sensitive customer information.
12. Crime insurance (optional) for employee dishonesty in the amount of \$10,000 combined single limit;
13. Automobile liability coverage (optional by us), including coverage of owned, non-owned and hired vehicles, with coverage in amounts not less than \$100,000 combined single limit or what is in accordance with your state guidelines;
14. Workers' compensation insurance in amounts provided by applicable law or, if permissible under applicable law, any legally appropriate alternative providing substantially similar compensation to injured workers, subject to the conditions set forth in the Franchise Agreement;
15. Tenant's liability insurance if such insurance is required by the terms of your lease (if applicable);
16. Any other Insurance required by the state or locality in which the Business is located and operated in such amounts as required by statute; and
17. Other insurance coverage, as we or the landlord may reasonably require.

With regard to any construction, renovation, or remodeling of the Store, you may be required to maintain builder's risks insurance and performance and completion bonds in forms and amounts, and written by a carrier or carriers, satisfactory to us. All of the policies must name us and our affiliates, as additional insured and must include a waiver of subrogation in favor of all those parties.

All insurance coverage shall be taken out in your name and shall name us an additional insured and be placed with insurers designated by us or acceptable by us. You must furnish us with certified copies of each of the insurance policies described above prior to your opening of the Store or 180 days following the date that the Franchise Agreement is executed (whichever comes first). You must purchase “A” rating insurance policies. Each such policy shall provide that it cannot be canceled without 30 days prior written notice to us and that we shall receive at least 30 days prior written notice of its termination. You shall promptly refer all claims or potential claims against you or us to each of us and our insurer.

The cost of insurance purchased in accordance with our specifications will represent less than 1% of your total purchases in connection with the establishment of your Business and approximately 1% of your total purchases in the operation of your Business. These percentages do not include workers’ compensation insurance that will vary with the payroll amount and category of employees.

FINANCING

Neither we, nor our affiliate, currently offers, directly or indirectly, any financing arrangements to you. Neither do we guarantee your note, lease, or any other obligation for a single franchise.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS & TRAINING

Except as listed below, we [the Franchisor] need not provide any assistance to you under the Franchise Agreement.

Before you open your Business, we will:

- (1) Provide you with real estate services which include but are not limited to written guidelines, site identification, evaluation for potential sales/marketing, and negotiation for site selection. You must select the site of your Business within the protected territory provided in the Franchise Agreement (as described in Item 12). We do not generally own the site and lease it back to you; however, we retain the rights in the future to do so. You may not sign a lease for the site (or contract to purchase the premises, if applicable) in which you wish to operate your Business until you have obtained our written approval. Additionally, you must not invest any money for the site in which you have not received our written approval. We must accept the site if we feel in our total discretion that it meets or exceeds our standards, but our acceptance does not ensure that your Business will be profitable at the approved location. If we do not approve the site, you will be given a second opportunity to locate a site. If we do not approve the second site or any additional site thereafter, we may terminate the Franchise. The factors that we consider in acceptance of the site include cost, competition, population density, traffic patterns, convenience, parking availability, neighborhood, and physical characteristics of the premises such as size and layout. We evaluate each proposed site and accept or reject each one on a case-by-case basis and will notify you by email or any other form of written communication of our acceptance or rejection of any proposed site within 30 days after we receive your request (Franchise Agreement, Sections XII.S and XX.C).

Neither we nor any of our employees have special expertise in selecting sites; we make no representations that your Store will be profitable or successful by being located at the approved site. Any approval is intended only to indicate that the proposed site meets our minimum criteria based upon our general business experience.

- (2) Insert the accepted site on your Franchise Agreement. However, the acceptance of a location and entering it on your Franchise Agreement by us is conditioned upon our determination, in our reasonable judgment, that:
 - (i) the site which you have submitted for the Store is within your allotted territory and is a suitable site based upon criteria we establish periodically; and
 - (ii) you and your Owners are in compliance with the Franchise Agreement.
- (3) Approve the lease for the Business premises. You must submit the lease to us for our approval at least ten days before you sign the agreement. You must send us a signed copy of the lease within five days of both parties signing the lease. We do not offer legal service

to you and you should consult your independent legal counsel for a legal review of the lease (Franchise Agreement, Sections XII.S and XX.C).

- (4) Offer you guidance when obtaining licenses, permits, certifications, inspections and notifying your state of your proposed Business. It is your responsibility to comply with all laws, ordinances, and regulations as you are responsible for obtaining all necessary approvals, certifications, licenses and permits to operate your Store (Franchise Agreement Sections XX.A and XX.C).
- (5) Inform you of any of our mandatory specifications, architectural and design plans, floor plans, schematics, interior and exterior signage, décor, designs, and layouts for the Store at the accepted location. We will provide you with guidelines for the design and layout of your Store and you may need to hire an architect to create a complete set of drawings based on your building size and local permitting requirements. You will be required to confirm that your Store satisfies all state and local zoning ordinances, regulations, fire, health, and building codes. We may, if needed, review your set of drawings. It is your responsibility to comply with all laws, ordinances, regulations, zoning and building codes for your Store (Franchise Agreement, Sections XII.T and XX.D).
- (6) Provide you with written specifications for all technology items, furnishings, fixtures, equipment, décor, and signage (as described in Item 8) necessary for the operation of your Store. You are obligated to purchase, use, maintain and upgrade all technology items and related software necessary for the operation of your Store. You will be responsible for these expenses as these expenses are necessary for the operation of your Store. We will deliver these written specifications for the above items, and you are responsible for the delivery and installation of these items. You are required to purchase the items listed above from us, our affiliates, or our approved vendors and/or suppliers (Franchise Agreement Sections XII.A, XII.H, XII.I, XX.A and XX.H).
- (7) Provide you with: a written list of approved products (including pricing guidelines, merchandising and presentation standards) and services (including warranty programs) you are authorized to offer and sell; a written list of approved furnishings, fixtures, equipment, products, supplies and services (as described in Item 8) you are authorized to use; a written list of approved vendors and suppliers to purchase all furnishings, fixtures, equipment, products, supplies and services from that you are authorized to use, offer or sell in your Store. We will train you on strategies for purchasing products for your Store. You are responsible for the cost, delivery, installation, and maintenance of these items as they are necessary for the operation of your Store. You are required to purchase the items listed above from us, our affiliates and/or approved vendors or suppliers (Franchise Agreement XII.H, XII.I, XX.A, XX.H and XX.I).
- (8) Provide you with a written list of cleaning standards and recommended guidelines for hiring employees in addition to general guidance. You are responsible for all day-to-day activities including advertising for employees, hiring, training, salaries, benefits, hours, disciplinary practices, and/or firing of your employees. You are responsible for all employees you hire and their behavior during the operation of your Business (Franchise Agreement Sections XII.F, XX.A and XX.E).
- (9) Offer certain training programs designed to assist you and your business management staff in the operation of your Store. We will also provide continuing education to any new manager of your Franchise. We may require that you, any Owner, and any manager(s)

complete refresher training programs during the term of the Franchise Agreement (Franchise Agreement, Section XX.A).

- (10) Provide you with a self-study program (and related materials) immediately after executing the Franchise Agreement intended to help you prepare for our initial program. We will provide an initial training program, no earlier than 60 days before the date your Store opens for operation, designed to assist you and your management staff in the operation of your Franchise, at no additional charge. The initial training program is designated for you, one Owner (if you are an Entity), one manager or any combination thereof (a total of three people). If more than three people attend the initial training, we may impose a training fee of our then current per diem fee not to exceed \$250 per person for each day of training and your expenses (Franchise Agreement, Section XX.A).
- (11) Advise you about operating challenges faced by other Snooze[®] Mattress Co. franchises or our company-owned businesses and we will provide you with our recommended procedures when providing services and accepting returns for products from customers. We will furnish to you such guidance and assistance in connection with the operation of your Store, as we deem appropriate. Such guidance and advice will include methods and operating procedures utilized by other Snooze[®] Mattress Co. stores with regard to: product sales, warranty programs, vendors, purchasing strategies, merchandising, customer service, special orders, efficiencies to manage high volume, hiring guidelines, advertising and promotional programs, general operating procedures, record keeping, accounting and inventory control methods. You must pay all costs and expenses associated with these materials. Additional guidance and assistance may be made available to you at your written request and in our sole discretion at fees and charges established by us (Franchise Agreement, Sections XII.H, XX.A, XX.H and XX.K).
- (12) Loan to you during the term of the Franchise Agreement one copy of our confidential Operations Manual, which may include one or more manuals and other written materials for the operation of a Snooze[®] Mattress Co. store, containing mandatory and suggested specifications, standards and operating procedures required by us and information relative to your other obligations under the Franchise Agreement. We have the right to add to, and otherwise modify, the Operations Manual to reflect changes in authorized furnishings, fixtures, equipment, products, supplies and services, as well as changes in specifications, standards, and operating procedures of a Snooze[®] Mattress Co. business. You must keep the Operations Manual confidential and current and may not copy or distribute any part of the Manual. The Manual contains 291 pages and the table of contents of the Operations Manual as of our last fiscal year end is included with this Disclosure Document as Exhibit E (Franchise Agreement, Section XX.G).
- (13) Approve or disapprove samples of all local advertising and promotional materials not prepared or previously approved by us which are submitted by you (Franchise Agreement, Sections XII.L, XX.A and XX.J).
- (14) Deliver to you a web page for your Business that includes access to portals online that houses our proprietary educational platform and provides ongoing news bulletins, and operational, advertising and marketing materials to support your Store. We are responsible for all updates to the web page (Franchise Agreement, Sections IX.A and XX.B).
- (15) Approve or disapprove any promotions, edits, changes, or updates to your web page. All modifications to your web page must be performed by us or our affiliates or approved

vendors and you will be responsible for all related costs (Franchise Agreement, Sections X.I, XX.A and XX.B).

- (16) Provide up to three days of either pre-opening or grand opening assistance at your location. Such assistance and guidance will be provided to you as part of our initial franchise training program and at our cost (Franchise Agreement XX.A).

During your operation of the Business, we may:

- (1) Provide additional on-site supervision and assistance as we deem necessary and in our discretion. Additional visits are for the purpose of advising you with respect to: industry updates, new products, merchandising, operational, purchasing, customer service and sales matters related to your Store. You will be responsible for transportation, room and board and miscellaneous expenses incurred by our personnel during the visits, which will take place per the terms of the Franchise Agreement, or at your request, and at times and dates selected by us (Franchise Agreement, Sections XX.A).
- (2) Provide to you and your manager(s), refresher, and/or continuing education courses at locations designated by us, which we expect to be our headquarters with a fee of \$250 per person per day plus your expenses, which can vary from area to area. We reserve the right to increase the per day fee a reasonable amount based on reasonable criteria (Franchise Agreement, Section XX.A).
- (3) Conduct quarterly meetings or an annual convention at such place as shall be designated by us, at our current fees which can change based on our cost (Franchise Agreement Section XX.A).
- (4) Establish a Franchisee elected peer group whose main purpose is to mentor and support each other.
- (5) Provide additional franchise portals online, free of charge, to answer questions from you or your staff (during regular business hours, Mountain Time zone). You will be able to send us questions and suggestions using Internet email (Franchise Agreement, Section XX.A).

During your operation of the Business, we will:

- (1) Continue to consult with you at no additional charge regarding product updates, vendor and supplier relationships, operational procedures, industry developments, sales, marketing, and promotional strategies as well as provide assistance to you to resolve operational problems that you may encounter outside the scope of the Operations Manual (Franchise Agreement, Sections XII.V and XX.A).
- (2) Provide you with: updated written lists for products and services (including warranty programs) you are authorized to sell and offer; and updated written lists of furnishings, fixtures, equipment, products, supplies and services (as described in Item 8) that you can use in your Business. We will also continue to add and approve new vendors and suppliers and provide you with updated and current lists of such approved vendors and suppliers for furnishings, fixtures, equipment, products, supplies and services you are allowed to purchase from for the operation of your Business. We will provide you with such updated lists, but not the actual items as you are responsible for purchasing such items. We will

continue to approve products, vendors, suppliers, and services you are allowed to use, sell, and offer in your Store. You may be responsible for paying any costs related to testing any samples as described in Item 8 (Franchise Agreement, Sections XII.H, XII.I, XX.H and XX.I).

- (3) Provide you with minimum inventory requirements (currently not in effect) and suggested pricing for all products and services you offer in the Store. We may establish inventory procedures. We may establish minimum and maximum prices you can charge to the extent allowed by law. We will continue to research new products and develop new services for the System as we deem necessary (Franchise Agreement, Section XX.K).
- (4) Provide you with updated suggested pricing guidelines, merchandising and presentation standards. We will provide you with such guidelines, operational procedures, standards and specifications and you are responsible for purchasing all items that may be necessary for implementation at your expense (Franchise Agreement, Section XX.A).
- (5) Review and approve advertising and promotional materials in addition to any promotions, edits, changes, or updates to your website that you submit to us (Franchise Agreement, Sections XII.L, XII.H and XX.J).
- (6) Provide you with updated recommended guidelines for hiring employees in addition to general guidance. Such guidelines are solely structured to protect our marks, goodwill, and proprietary information. You are responsible for all day-to-day activities including advertising for employees, hiring, training, salaries, benefits, hours, disciplinary practices, and/or firing of your employees. At no time will you, your employees or agents be deemed to be employed by us. You are responsible for all employees you hire and their behavior during the operation of your Business (Franchise Agreement, Sections XII.F, XX.A and XX.E).
- (7) Provide continuing education to any new manager of your Business as noted in paragraph 14 (iii) below. We may also require that you (or if you are an Entity, an Owner) and any manager(s), complete supplemental and refresher training programs during the term of the Franchise Agreement (Franchise Agreement, Section XX.A).
- (8) Offer you guidance in establishing and using administrative, record keeping, and accounting procedures in accordance with our Operations Manual, and various policies communicated by us to you in writing from time to time (Franchise Agreement, Section XX.A).
- (9) Provide you with all update and upgrade requirements for your technology items (as described in Item 8) and related software in response to changes in the Operations Manual, or changes in our policies that are communicated to you in writing. You are required to purchase such items to operate your Business. The cost of such technology items ranges between \$10,000 to \$30,500 (See Item 7). We estimate that the annual cost of technology items and related software and/or hardware upgrades to be approximately \$500 per year. If we develop proprietary software in the future, we will provide you with update and upgrade requirements, however we are not obligated to provide any updates or upgrades to any third-party software programs. We are not obligated to provide hardware repairs to your technology items that you use. You are responsible for installing all such hardware and software upgrades. We reserve the right to have independent access to all information that you store in any POS system, computer, laptop, tablet, camera surveillance system or

software related to the Business (Franchise Agreement, Sections XII.I, XIV.A, XX.A and XX.H).

- (10) Reserve the right at our discretion to institute, maintain, and administer a System Brand Fund (referred to as the “Fund”) to support ongoing technology and new product development to be made available to franchisees, and such national advertising as we, in our sole discretion, may deem appropriate to promote the Snooze® Mattress Co. name to benefit all franchised businesses as described in Item 6. We will direct all such programs and will have sole discretion over the creative concepts, materials and endorsements and media used in such programs, and the placement or allocation of such programs. The source of the advertising will come from our in-office advertising department or may in the future come from a national or local advertising agency. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs (Franchise Agreement, Section X.B).
- (i.) You will pay us 2% of Gross Revenues per month for the System Brand Fee contribution, paid to us, as designated in the Franchise Agreement. We may raise, discontinue, or reduce the contribution, but your total contribution will not exceed 3% of your Gross Revenue per month in any calendar year for the term of the Franchise Agreement. Contributions are due by the fifth day of the month (for the prior month) which will start immediately once your Business is open for operation, then continues for the term of your Franchise Agreement. Refer to Item 6 for definition of Gross Revenue. All franchisees pay the System Brand contribution at the same rate and under the same terms as the Royalty Fee described above. System Brand Fees are uniformly imposed on all franchisees.
- (ii.) The contributions will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Fund and its programs, including conducting evaluation of new products, equipment, and technologies; product development, market research, preparing advertising, promotion and marketing materials, and collecting and accounting for contributions to the Fund. Usage of the Fund will include ongoing development of the national website and development of new products to be made available to franchisees. We may disseminate advertisements in the form of print ads, signs, billboards, radio and television and we may conduct such advertising on a regional or national basis. We may spend on behalf of the Fund in any fiscal year an amount greater or less than the aggregate contribution of all Snooze® Mattress Co. franchises in that year, and the Fund may borrow from us or others to cover deficits or invest any surplus for future use.
- (iii.) In the future, we may form a franchisee-elected Franchisee Advisory Council or cooperative whose sole purpose is to advise on Fund usage and advertising policies. We retain all operational and decision-making authority concerning advertising, and the Advisory Council will serve only in an advisory capacity. The membership of any Franchisee Advisory Council will be national in scope. The Franchisee Advisory Council will not be separately incorporated, and therefore, it will not have any written documents. If one is formed, we will have the power to select and approve the members and to form, change, dissolve or merge the Franchisee Advisory Council as described below.

- (iv.) Neither we nor any Franchisee Advisory Council undertake any obligation to ensure that expenditures by the Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Fund by franchisees operating in such geographic area or that you or your Store will benefit directly or in proportion to your contribution to the Fund. Neither the Fund nor shall we be liable to you with respect to the maintenance, direction, or administration of the Fund, including without limitation, with respect to contributions, expenditures, investments, or borrowings, except for acts constituting willful misconduct. When the Fund is established and activated, all Snooze® Mattress Co. businesses owned by us, or any Owners, must contribute to the Fund in the same proportion as all franchisees.
 - (v.) Any businesses we own will vote in the same manner as franchisee members. We administer the Fund, which is not audited. If contributions paid into the Fund are not spent in the fiscal year in which they accrue, we can use the remaining amounts for the same purposes in future years. All interest earned on monies contributed to the Fund may be used to pay advertising and technology development costs before other assets of the Fund are expended. Fund contributions are not used to sell additional franchises. We will prepare an annual unaudited statement of monies collected and costs incurred by the Fund and furnish it to you upon written request. All financial statements will be available 120 days after the end of our fiscal year. We reserve the right not to spend all of the funds in the Fund in any one year, and such funds may be accrued into the next year. The Fund has not been established before the date of this Disclosure Document.
 - (vi.) We may receive advertising and promotional allowances and fees from third party vendors and advertisers who enter into cooperative advertising programs with franchisees and us. For example, suppliers may pay promotional allowances for joint advertising promotional material. We may disclose the identity of vendors who pay the promotional allowances to you upon request. In addition, if we require you to buy items from a vendor who pays these allowances, we may place the funds in the Fund or spend it on related promotions. Our obligation to provide advertising and marketing will be limited in cost to the amount of contributions and promotional allowances from third parties actually paid into the Fund.
- (11) We do not now, but may require you to join, participate in and pay into, one or more franchisee marketing councils for your region, determined by the penetration area of local advertising media used (for example, the area of a regional newspaper's circulation). Because, we have not yet formed any franchisee marketing councils, we do not know how the area, or the membership of any franchisee marketing council, will be determined. Because we have not formed any franchisee marketing councils, we have not determined whether or not any of our company-owned businesses will be contributing to any advertising spent by any franchisee marketing council. In the event that we choose to establish a franchisee marketing council, we will be responsible for administering it. If we do create any franchisee marketing councils, they must operate in accordance with bylaws (or an operating agreement if it is a limited liability company). If we do create any franchisee marketing councils, the franchisee marketing council will prepare annual financial statements that you can review. We will have the right to form, dissolve, and merge any specific franchisee marketing council. Even though we have not yet formed any franchisee marketing councils, we may require that all franchisees within close proximity to a consumer show, convention, or exhibition where bedroom, furniture and/or home

related-products and services are being sold or offered to participate in the cost and benefit of the show.

- (12) You must spend at least \$5,000 per month or 10% of anticipated sales (based on the budget we provide that is calculated on both seasonality of the industry and previous year's sales) - whichever is greater - on local advertising and promotion, in addition to the 2% System Brand Fee you pay to us. You must also spend at least \$10,000 on your "Grand Opening" promotion in the month preceding the Grand Opening Event, and an additional \$10,000 in the month of your Grand Opening Event; therefore, your local advertising requirement will start the second month after your Business is open for operation. You must report your local advertising expenditures (both scheduled and completed) weekly, on the forms or platform in the manner we determine System Brand.

You will not use any independent advertising or sales promotion programs in any media (including electronic) without our prior review and written approval. We will approve or disapprove the materials you submit to us within 30 days. If we do not respond within such period, all such materials will be deemed automatically disapproved. You will make reasonable efforts to participate in and cooperate with all advertising programs selected by us or by any approved group of franchisees, except that you may not need to follow or maintain any sales price or suggested pricing. You are responsible for any expenses of this independent advertising.

Unless we approve otherwise in writing, you may not establish a separate Website and will only have one web page, as we designate and approve, within our Website. The term "Website" includes: Internet pages, as well as other electronic sites (such as social networking sites like Yelp, Facebook, Twitter, LinkedIn, Pinterest, blogs, and other applications). You must provide us with all login and password information for all Websites and acknowledge that we have the right to monitor, remove, edit, and delete any content (including posts) as we consider appropriate. You must comply with our requirements regarding selling, advertising, discussing, or disseminating any information, or otherwise having a presence on a website, regarding the Store. If we approve a separate Website for you (currently franchisees are authorized to participate in Facebook, Instagram and Yelp), we will provide you with guidelines for establishing and maintaining such Websites and each of the following provisions will apply: (i) you may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, you must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require and all such work (except for social networking sites) must be performed by us, our affiliates or approved vendors (as described in Item 8); (iii) you must not use or modify a Website (except for social networking sites) without our prior written approval; (iv) you must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; and (v) if we require, you must establish hyperlinks to our website and other Websites; (vi) you must not engage in any link building activities unless approved by us; and (vii) we may revoke our approval at any time by providing written or email notice to you of such revocation.

- (13) We estimate that there will be an interval of 180 days between the signing of the Franchise Agreement and the opening of your Store. Factors that may affect this length of time include: obtaining a location that is approved by us for your Snooze® Mattress Co. Franchise, certifications and permits from your state (if applicable), leasehold

improvements and build-out, time of year, equipment, furniture and fixtures you purchase, if you choose to finance the equipment, completion of your pre-market entry study to determine any customization of products and services to be offered through your Store, satisfactory completion of our initial training program by you (or one of your Owners if you are an Entity) and availability of furnishings, fixtures, equipment, products and supplies. You have 90 days to acquire or lease, at your expense, commercial real estate that is properly zoned for the use of your Business under the Franchise Agreement. You must submit to us, in the form we specify, a copy of the location plan and other such information or materials we may require, together with an option contract, letter of intent, or other evidence satisfactory to us which confirms your favorable prospects for obtaining the location. We will have 30 days following receipt of this information and materials from you to approve or disapprove the proposed location of your Business and will notify you of the same by e-mail or other form of written communication. We reserve the right to extend the period for you to acquire a lease as described above based on our reasonable judgment that you will likely find a location. Failure to lease and/or open your Store within the timeframes mentioned above, will constitute a default under the Franchise Agreement, for which we may terminate the Franchise Agreement. Such default notice, under which we may terminate the Franchise Agreement, shall be given to you in writing.

- (14) Before the opening of your Franchise, you (or an Owner if you are an Entity) and at least one manager (you must have a minimum of one manager, of which can be but does not need to be you or one of the Owners of your Business) you designate are required to attend our five-day initial training program at our corporate headquarters in Pueblo, Colorado unless such headquarters are moved. We maintain a regular calendar for the training program and the trainings are held approximately six to eight times per year (or more frequently if needed). The training program is included in your Initial Franchise Fee. You are responsible for all costs associated with attending the program such as travel, room, and board.
- (i.) If any proposed manager does not satisfactorily complete our training program, we will notify you, and you may then select and enroll a substitute manager in our training program. If, during the training program we determine, in our sole discretion, that you (or an Owner if you are an Entity) or other manager is not qualified to manage a Snooze[®] Mattress Co. business, you can appoint someone else to be trained at your expense. If that person does not satisfactorily complete our initial training program, we have the right to terminate the Franchise Agreement. The criteria that we will use to determine whether or not we deem you (or your managing partner, member or shareholders) qualified to manage a Snooze[®] Mattress Co. Business includes, but is not limited to, lack of business experience; if personality makes it difficult for you (or your managing partner, member, shareholder or manager) to obtain and/or service customers; or you are unable to obtain the appropriate licenses, permits or certifications to operate a Snooze[®] Mattress Co. business. We will send you a written termination notice upon our determination of your disqualification.
- (ii.) After the completion of our training program by you and your key personnel, we can upon your request provide training to any new manager of your Store for which an additional training fee of up to \$250 per person per day plus your expenses may be required. The trainee(s) will be responsible for all costs related to attending training such as travel, room, and board. In addition, we have the right to require that you (and if you are an Entity, any Owner) and any manager(s) complete

supplemental and refresher training programs during the term of the Franchise Agreement, to be furnished at our corporate headquarters at the fee described above. There may be an additional cost for refresher training programs. You are responsible for all costs associated with attending such training opportunities we may provide for you such as travel, room, and board.

- (iii.) After the opening of your Business, we may provide to you and your personnel, access to information and support through franchise portals online. Support may also be available from our professionals, and we may provide refresher training or continuing education programs either through phone, web based (“webinars”), video or at locations designated by us (most likely at our headquarters). Such refresher or continuing education sessions (other than by phone, webinars, or video) may have a registration charge to you which will not exceed \$250 per person per day plus your expenses. You are responsible for costs associated with you attending the programs such as travel, room, board and related expenses or our expenses if we come to you. The programs will normally not exceed one day, and we may have quarterly programs subject to special need. The content will cover particular aspects of the Business including but not limited to: industry developments, new products, services and programs, vendor and supplier updates, operational strategies, customer service standards, technology and software developments, merchandising, sales promotions, marketing and programs, administration and so forth. We may conduct an annual convention at such place as shall be designated by us for all Franchisees but will most likely be at our headquarters. A registration fee for each participant may be required which we will work in good faith to maintain at our cost, and you will be responsible for costs associated with attending the convention such as travel, room, and board. The registration fee for conferences will not exceed \$500 per person. The fees charged above may be increased by a reasonable amount based on reasonable criteria.
- (iv.) No earlier than 60 days before the opening of your Store for operation we will provide training for you as noted in the following training schedule. This training curriculum is fully detailed in our Operations Manual and will change periodically. Our training team will include directors from our staff, from our corporate headquarters, members of our website development team, and members from our approved vendor, supplier, and service providers.

TRAINING SCHEDULE: AT CORPORATE OFFICES

Such additional or refresher training programs may be conducted through the telephone, webinars, video training or at annual conferences. Anyone attending additional or refresher training programs (training other than by telephone, webinars, or video training) will be subject to an additional training fee and all costs associated with attending the training program such as travel, room, and board (as described in paragraph 14 (iii) above).

ITEM 12
TERRITORY

You must operate your single Snooze® Mattress Co. Business within the specific location identified in your Franchise Agreement. You are awarded a protected territory (“Territory”) that will include up to 2 miles driven in any direction from the Franchised Business as defined by Google Maps or a similar mapping program. We reserve the right to grant a territory that is larger or smaller than the 2-mile area defined above, in order to account for more densely or sparsely populated areas. We will determine your Territory based on the most recently published data from the U.S. Census Bureau (or other source as we may indicate to you). You may not conduct business out of any other location other than the accepted site that has been entered in your Franchise Agreement or made part of by an addendum attached to your Franchise Agreement. However, you can conduct business at off-site events (such as: community events, home shows, expos, festivals, etc.) to promote your Store, sell products and offer services as long as such events are within your Territory. You may conduct business at off-site events in other geographical areas outside your Territory only after providing notice to us and obtaining our written approval, however you cannot perform Target Marketing outside your Territory, as described below. We shall approve or deny your request, which approval is in our sole discretion, within five business days of receipt of your written request and will respond by email or any other form of written communication (as described below). If we approve your request to conduct business at off-site events in another geographical area, you must be prepared to immediately relinquish any offsite event accounts you have established and cease conducting such events in that other geographical area when that area is purchased (as described below). You can directly market and solicit for customers and offsite event accounts only within the accepted Territory that has been entered in your Franchise Agreement or made part of by an addendum attached to your Franchise Agreement. You may also sell and ship products and provide services to anyone who comes from anywhere so long as the

products you sell and services you perform are sold and performed from your Store or at offsite events within your Territory and do not result from any Target Marketing (as defined below) activities by you.

We cannot establish a franchise nor license another to locate a Snooze[®] Mattress Co. store or establish a company-owned store within your Territory identified in your Franchise Agreement during the term of your Franchise Agreement.

Your Territory is determined by population, average household incomes, competition, demographics of the surrounding area, market penetration or other conditions important to the successful operation of a Snooze[®] Mattress Co. store (such as the number and type of mattress stores or related retailers that are in your area). Your Territory is determined by us once a location is chosen and will not be altered even if there is a population increase or decrease. It will also not be affected by your sales volume, or market penetration. Certain locations, such as major metropolitan areas may have smaller protected territories of densely populated areas. We must have consented to the location for your Store within your defined Territory in writing before you open for operation. You have no rights to operate your Store out of any other site other than the site accepted by us or to operate any additional Businesses. Relocation of your Store requires our written acceptance. Our consent to your relocation is based on the following factors: population, business potential, traffic patterns, proximity to major roads, demographics of the surrounding area, market penetration or other conditions important to the successful operation of a Snooze[®] Mattress Co., as we deem appropriate and as identified in your Franchise Agreement.

Establishment of additional Snooze[®] Mattress Co. Businesses require our written acceptance. If other geographical areas are unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to you and you might not have the right of first refusal or option to buy the territory that was formally unassigned. You must submit a separate application for each Franchised Business to be established by you. You must pay the fee for each additional acquisition mentioned in Item 5 and be in compliance with all the terms and conditions of your existing Franchise Agreement. We must approve the location of any additional Snooze[®] Mattress Co. Businesses as mentioned in Items 11 and 12 above.

The Territory described above will affect where you and other franchisees may solicit business, sell products, and promote services. You are encouraged to directly advertise and market for customers located within your Territory. You can sell products to anyone from anywhere so long as your sales do not result from any direct solicitation activities outside your Territory by you (Target Marketing as described below) and the products you sell and services you perform are being sold and performed from your Store or off-site events within your defined Territory. We, other franchisees, and company-owned businesses reserve the same right to sell products and provide services to anyone who comes from anywhere without compensation to you. In addition, we may allow you and other franchisees or company-owned businesses to sell products and offer services through alternative channels of distribution (such as on the Internet or Websites). If you are granted permission to sell products and/or offer services through an alternative channel of distribution, per our written approval, you may sell products and offer such services to anyone from anywhere without compensation to the other franchisees or company-owned businesses. However, all products must be sold and shipped from your Store or at off-site events within your Territory and all services must be performed from within your Store. We, other franchisees, and company-owned businesses reserve the same right to sell products (including shipping products) and provide services to anyone from anywhere without compensation to you. You are prohibited from soliciting and marketing in general to anyone by any means outside of your respective Territory and you must not specifically engage in target marketing (“Target Marketing”) within the territory of another Snooze[®] Mattress Co. franchise and/or a company-owned business. Target Marketing means a concerted effort by a franchisee to solicit and obtain customers through any type of advertisement or marketing, directed at all or a portion of another franchisee’s Territory. We will use commercially reasonable efforts to enforce this requirement regarding Target Marketing if you or any other franchisee violates it.

If you are asked to conduct business at off-site events (for example at community events, home shows, expos, festivals, etc.) in geographical areas in which there is another Snooze[®] Mattress Co. franchise or company owned business, you must refer that request to the Snooze[®] Mattress Co. franchise or other company-owned store in that geographical area or directly to us. Whether the other store is a franchise or a company-owned business, you must not conduct business at off-site events in that geographical area. If the other Snooze[®] Mattress Co. franchise or company-owned business gives you permission to conduct business at such off-site event, then you can proceed immediately. If there is not a Snooze[®] Mattress Co. store in that geographical area or any other company-owned store, then you must submit a written request to conduct business at off-site events to us and upon our written approval, you can proceed. We shall approve or deny your request to conduct business at off-site events in other geographical areas not owned by other franchisees or us, which approval is in our sole discretion, within five business days of your written request. Our response to your request will be made by email or any other form of written communication. Approval may be revoked in our sole discretion. However, you must be prepared to immediately cease conducting such events in that other geographical area when that unassigned area is purchased or another Snooze[®] Mattress Co. company-owned business is opened in that area. You may sell products and provide services to anyone from anywhere so long as the products you sell and services you perform are being sold and performed from your Store or at off-site events within your defined Territory. We, all our company-owned businesses and other franchisees must refer off-site events that are within your Territory to you and also reserve the same right to sell products and provide services to anyone who comes from anywhere even if such persons live within your Territory. We, other Snooze[®] Mattress Co. franchisees and company-owned businesses, also reserve the same right to sell and ship products to anyone without compensation to you.

If during the term of the Franchise Agreement, you are unable to promptly and properly service any of your customers, you must immediately refer such customers to another franchisee, any of our company-owned businesses or to us. If you fail to refer customers or off-site events as set forth herein, we will have the right to terminate the Franchise Agreement. For any default of the Franchise Agreement, as an alternative to termination, we may modify or completely eliminate any rights that you may have with respect to the protected status of the Territory, effective ten days after delivery of written notice to you. In addition, we may modify or eliminate completely, the Territory (Franchise Agreement Section VI).

We encourage all Snooze[®] Mattress Co. stores, when owned by different individuals, and all our company-owned stores, to work out a referral relationship and advertising strategy or arrangement when within close proximity to each other (defined as being within a ten-mile radius of each other). We must be notified of all such arrangements.

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to provide products or perform services to any business or non-profit organization which owns, manages, controls, or otherwise has responsibility for locations in more than one area whose presence is not confined within any one particular franchisee's territory regardless of the contract amount of products or services to be provided (a "National Account"). After we sign a contract with a National Account, we may, in our option, provide you with the option to provide products or services at negotiated rates under the National Account contract. If you choose not to provide such products or services at negotiated rates, there will be no consequence. If you choose not to provide products or services to a National Account, then we may provide such products or services directly ourselves, or through another franchisee or third party even if the products are sold or services are performed within your Territory, without compensation to you.

We reserve the right to issue binding policies to coordinate marketing councils and/or advertising cooperative programs. For example, we may require that all franchisees within close proximity to a home show, convention, or expo where bedroom, furniture and/or home-related merchandise, products and/or services are being sold or offered to participate in the cost and benefit of the show. We intend to direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade

secrets. In such programs, we may require the customer that is acquired through such programs to be served by the closest other franchise or any of our company-owned locations and you will not be charged or receive any type of referral fee.

Any rights not expressly granted to you are reserved to us. Such rights reserved to us include, but are not limited to, the right to:

- (1) Advertise, market, and sell Snooze[®] branded and/or trademarked products, equipment (if we choose to sell equipment in the future) and services in your Territory;
- (2) Advertise and offer products, equipment (if we choose to sell equipment in the future) and services to promote the System through the Internet and/or other similar venues no matter where the customer is based to brand the System and/or fulfill demand anywhere;
- (3) Sell, distribute, or offer anywhere products, any type of equipment (if we choose to sell equipment in the future) or services to anyone located anywhere through any alternative or other channel of distribution, other than local business operations providing such products and services whether or not we are using the Marks or System, and on any terms, we deem appropriate. We have this right whether or not we are using the Marks or System; or are acting inside or outside your Territory as designated on your Franchise Agreement;
- (4) Develop, manufacture, and distribute any labeled product or piece of equipment that has been branded with our Mark or logo or different branded products through any outlet located anywhere (including, by way of illustration, furniture stores, other retail stores, discount warehouses, chiropractic or medical facilities, catalog sales or over the Internet and/or electronic media and similar venues) and on any terms and conditions we deem appropriate. If we decide to distribute products or any type of equipment, you will receive no compensation from us for such sales inside your Territory, unless agreed otherwise in writing by us;
- (5) Implement advertising cooperative programs which may allow us to solicit or sell to anyone located anywhere. We also reserve the right to issue mandatory policies to coordinate such advertising cooperative programs;
- (6) Own and/or operate ourselves or authorize others to own and/or operate (a) any business located outside the Territory as designated in your Franchise Agreement, whether or not using the Marks and/or System, (b) any business anywhere, whether using the Marks and/or System or not, which is not substantially similar to the business franchised to you under the Franchise Agreement and/or (c) any business anywhere which does not use the Marks; and

If we acquire or merge with a business similar to a Snooze[®] Mattress Co. business within your Territory, we will make commercially reasonable efforts to maintain the protected status of your Territory. You will fully participate in any conversion subject to any person/entity merging with, or acquiring us or when we acquire, reimbursing you for reasonable costs directly related to the conversion.

We are not responsible for paying any compensation to you concerning the sale of our products or services by use over the Internet or other similar venues, by alternative means of distribution, advertising cooperative programs, outlets, businesses that are or are not substantially similar to the franchised business or any business that does not use the Marks. For clarity, the Franchise Agreement grants you no rights to sell and/or distribute products or offer services through any alternative channels of distribution without our permission or share in any of the proceeds from our activities through alternative channels of distribution.

We have not established and do not presently intend to establish other franchises or company-owned businesses, except as disclosed in Item 1 of this Franchise Disclosure Document that sells or offers similar products or services under a trade name or trademark different from the Marks.

There are no presently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending infringement, opposition or cancellation proceeding or material litigation involving the Marks. We have not yet filed an affidavit of use because our trademarks were recently filed and do not need an affidavit. We do intend to renew all of our trademark registrations. However, on April 16, 2025, Daydream, LLC filed a revocation action with the European Union Intellectual Property Office (“EUIPO”) seeking to revoke a third-party mark known as “Snooze” based on a challenge of non-use. Our successful registration of our trademarks filed with the WIPO will depend on the outcome of these revocation proceedings.

There are no effective agreements that limit our right to sublicense to you the trademarks, other than a license to use, sub-license and display the Marks from Daydream, LLC pursuant to a trademark license agreement. The trademark license agreement may be modified or terminated if we fail to follow the operating, merchandising, and advertising policies, and such other quality standards that are established by Daydream, LLC. In addition, Daydream, LLC has the right to substitute alternative trademark(s) for license

at any time. Therefore, you may have to change the trademarks that you use in operating your Franchised Business at your expense. The trademark license agreement will remain in effect for as long as we offer franchises unless we are in default of the trademark license agreement. The trademark license agreement can be modified if we and our affiliate Daydream, LLC, agree in writing.

Upon termination of the trademark license agreement for any reason, we and franchisees must discontinue all use of the Marks in any form, remove the Marks from our website, any Website(s) or any of our franchisees' web pages, modify any and all identification of the Franchised Business with, or reference to, the Marks, and refrain from making any subsequent representation, advertisement or published statement or product sales using or in reference to the Marks, or the business previously conducted using the Marks, and take such action as shall be necessary to change any corporate name, assumed name or equivalent registration which mentions or refers to the Marks, or any mark similar thereto.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Marks or claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. We have the sole discretion to take such action, as we deem appropriate and the right to exclusively control any litigation, USPTO proceeding, WIPO proceeding, EUIPO proceeding, or other administrative proceeding.

We are not obligated by the Franchise Agreement to protect any rights granted to you to use the Marks or participate in your defense, protect you against claims of infringement or unfair competition with respect to them. The Franchise Agreement does not require that we participate in your defense or indemnify you for expenses or damages if you are a party to a judicial or administrative proceeding involving one of the Marks or if the proceeding gets resolved unfavorably to you. Although we are not contractually obligated to protect the Marks or your right to use them, as a matter of corporate policy, we intend to defend the Marks vigorously (Franchise Agreement Section XV.B).

You may not, without our written consent, in our sole discretion, commence or prosecute, or seek leave to intervene in, any litigation or other proceeding, including any arbitration proceeding, in which you purport to enforce any right or recover any element of damage arising from the use or infringement of any of the Marks or unfair competition.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply with our directions with respect to a reasonable time after notice by us. You, in connection with the use of a new or modified Mark, may be required, at your own expense, to remove existing signage from your Store (and any vehicles if applicable), and to purchase and install new signage. We will have no liability to you.

There are no infringing uses actually known to us as of the Issuance Date of this Disclosure Document that could materially affect your use of the Marks in the State of Colorado or in any other state. You should understand that there could be other businesses using trademarks, trade names or other symbols similar to our Marks with superior rights to our rights.

All your usage of the Marks granted under the Franchise Agreement is nonexclusive, and we retain the right, among others: (a) to use the Marks in connection with the selling and offering of products, equipment (if we authorize you to sell equipment in the future) and services; (b) to grant other licenses for the Marks, in addition to those licenses already granted to existing franchisees; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you as provided in Item 12.

All your usage of the Marks and any goodwill you establish are to our exclusive benefit and you retain no right or rights in the Marks on the termination or expiration of your Franchise Agreement. You may not use the marks as a part of any corporate or trade name, nor may you use any trade name, trademark, service mark, emblem, or logo other than the Marks, as we may designate periodically. You must prominently display the Marks on such items and in the manner we designate. You must obtain such fictitious or assumed name registrations as we require or under applicable law. You must also prominently display in your Business that we are not a joint employer of you and that you are solely responsible for all employment-related decisions and matters. You must also identify yourself as the owner of your Franchise by placing your name on the business and on all vehicles, checks, invoices, receipts, contracts, and other documents that bear any of the Marks, and on all printed materials your name must be followed by the phrase “A Franchise of Snooze® Mattress Co.” or such other phrase as we may direct.

ITEM 14

There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. There are no infringing uses actually known to us, which could materially affect your use of the copyrighted materials in any state.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of our copyrighted materials or trade secrets or claim by any person of any rights in any copyright or trade secret which you become aware. We have the sole discretion to take such action, as we deem appropriate and the right to exclusively control any litigation, United States Copyright Office proceeding or other administrative proceeding. We may require you to discontinue use or modify any materials that may in our opinion infringe on the copyright, trade secret, or patent rights of any other person or business.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any copyrighted materials or trade secrets, and/or use one or more additional or substitute copyrighted materials or trade secrets, you must comply with our directions with respect to such modification, substitution, or discontinuation within a reasonable time after notice by us. We will disclose Confidential Information to you during our initial franchise training program, seminars, workshops, continuing education sessions and conventions sponsored by us in the Operations Manual and in guidance furnished to you during the term of your Franchise Agreement.

If you or your partners, members, managers, directors, shareholders, employees, agents, or independent contractors develop any new product, service, equipment, formula, recipe, program, photograph, video presentation, concept, technique, method, process or improvement in the operation or promotion of your Store, you are required to promptly notify us with all necessary related information, without compensation. However, as a matter of corporate policy, we may create an incentive program to reward you, your partners, members, managers, directors, shareholders, employees, agents or independent contractors for any new product, service, equipment, program, formula, photograph, video presentation, video presentation, concept, technique, method, process, or improvement that we implement throughout the System. You and your managing partners, managing members, members, or shareholders acknowledge that any such new product, service, equipment, formula, recipe, program, photograph, video presentation, concept, technique, method, process, or improvement will become our property, and we may use or disclose such information to other franchisees as we deem appropriate.

The Franchise Agreement provides that you will not acquire any interest in the Confidential Information other than the right to utilize it in the development and operation of your Business during the term of your Franchise Agreement, and that the use or duplication of the Confidential Information in any other business would constitute unfair competition. You also agree that the Confidential Information is proprietary to us and is disclosed to you solely on the condition that you (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of your Franchise Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written or electronic form; and (4) will adopt and implement all reasonable procedures required by us to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosures to employees of your Franchise and any other business(es) owned by you and if you are an Entity, any of your Owners, and the use of nondisclosure and noncompetition clauses in employment agreements with your employees or Owners where enforceable under state law.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Franchise Agreement provides that a Snooze® Mattress Co. Business must at all times be under your direct, day-to-day, full time supervision. We do not require that you personally (or if you are an Entity such as a limited liability company, then a managing Owner of such Entity) be involved in the day-to-day operations of your Store, but your Store must at all times be under the operation of a manager (“Store Manager”) whose identity must at all times be disclosed to us. This person must have successfully

completed our training program (unless otherwise approved to be exempt by us) and must use his or her best efforts in the operation of a Snooze® Mattress Co. Business.

You are required to retain a Store Manager for the operation and management of your Store. The Store Manager may, but need not, be you or one of the Owners of the Franchised Business and need not have any set percentage of the equity of the Franchised Business. The Store Manager must meet all of our standards and criteria for such positions as set forth in the Operations Manual. Your Store Manager is responsible for overseeing the general management of the Store and using his or her best efforts in the operation of the Store. This individual and their replacements must also satisfy the applicable training requirements as outlined in the Franchise Agreement. We have the right to require that the Store Manager or any other manager be at the Store for any inspection we conduct (Franchise Agreement Section XII.F).

If we, in our sole discretion, find that your Store Manager is not properly performing his or her duties, we will advise you and you must immediately take steps to correct the situation. However, we are not responsible for the hiring, discipline, or termination of any Store Manager that you employ. Upon termination of employment of your Store Manager, you must appoint a successor within 30 days. Any replacement Store Manager (who we may disapprove in our sole and absolute discretion) must be trained by you in accordance with our standards. To clarify, any replacement Store Manager is to be trained by you at your expense.

Our approval of a Store Manager other than you is conditioned upon the Store Manager entering into a confidentiality and restriction of like business agreement containing covenants like those contained in the Franchise Agreement and Schedule 8 of the Franchise Agreement against engaging in competing businesses and use/disclosure of our confidential business information during the tenure of employment with you and for a period of three years following employment by you. You will provide us with copies of the same upon request.

If you are an Entity, each of your Owners that holds more than 10% interest in the Franchise Business must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, agree to be bound by the confidentiality provisions and non-competition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interests. Franchisee's spouse must also sign the personal guaranty. The required Guaranty of Obligations is attached as Schedule 5 of the Franchise Agreement. Your spouse must also sign the Guaranty of Obligations.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

Due to the differing nature of markets across the United States, and because the size of each individual Franchise will vary, you will have a wide variety of possible sites to choose from in which to conduct your Business operations with our approval. You may not use the Snooze® Mattress Co. Business premises for any other purpose than the operation of a Snooze® Mattress Co. Business, unless otherwise approved by us in writing. Alternative operation sites that may be approved can include for example, incorporating your Business operations within the premises of an existing complementary business.

You must comply with all of our standards and specifications relating to the purchase, sale and use of all furnishings, fixtures, equipment, products, supplies, technology items, uniforms, signage, décor, advertising materials and other items to be used, sold, or offered at the Store (See Item 8).

You are required to sell and offer only approved products and services as specified by us that include but are not limited to: a wide selection of mattresses in all sizes and various brands including our

proprietary brand of mattresses, different box springs and frames (including adjustable box springs), a significant selection of pillows (in various shapes, fillings and colors), bedding accessories (such as: mattress pads, bedding sheets, blankets, comforters, etc.) and limited bedroom furniture for sale (such as bedroom sets, pedestals, headboards, etc.), an interactive furniture ordering kiosk featuring all types of different household furniture in addition to offering our warranty programs, dream mapping service that uses advanced technologies to identify a customer's pressure points while laying down to help identify the best mattress, and delivery services and other mattress, bedding and furniture-related merchandise expressly authorized by us in writing or in the Operations Manual, or developed by us as a result of your pre-market entry study to meet the needs of your unique market, and any updates to be incorporated in the Operations Manual periodically. You must sell products purchased only from us, our affiliates or approved vendors and/or suppliers that we specify and have expressly approved in writing either from your Store or at off-site events within your defined Territory; and you acknowledge that we allow you and other franchisees and our company-owned stores to sell products and offer services to any person who comes from anywhere so long as such sales do not result in Target Marketing (as described in Item 12). You may offer for sale additional products and/or services (including our warranty programs, proprietary loyalty and community give-back programs or any other program we may develop in the future) that are unique to your area in an effort to blend in with your community; however, you must obtain our written approval before such products and/or services (including any type of program) are used or offered and the time to approve or deny your request is described below. We will respond to a written request by you to approve any product or service (including any type of program) you wish to use or offer within 30 days after we receive it. We may revoke approval in our sole discretion where an approved product or service (including any type of program) does not adhere to our standards as specified in the Operations Manual. We will notify you either by email or any other written form of communication of our approval, disapproval, or revocation of any prior approval of any product or service.

You can sell products and offer services at any price or rate you establish, and we will suggest pricing and/or rate strategy and we, our affiliates or approved vendors, may establish minimum and maximum prices and/or rates at which you may sell products and offer services to the extent allowed by federal and state laws. You must discontinue selling and offering any product or service (including any warranty program, our proprietary loyalty and community give-back programs or any other program we may have authorized in the future) that we may disapprove in writing at any time, whether a product or service (including any type of program) is being submitted for approval or currently in use. We can and expect to change the types of products and services we authorize you to sell and offer. There are no limits on our right to do so. We will inform you by email or by any other form of written communication of such changes and/or modifications. You may not sell or offer any product, piece of equipment (if we authorize you to sell equipment in the future) or provide any service that has not been specifically approved in writing by us; and you may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights to sell any product or piece of equipment (if we authorize you to sell equipment in the future) for any manufacturer or vendor inside or outside your Territory without our written consent.

In addition, you acknowledge that we may, in our discretion, allow you and other franchisees or company-owned businesses to sell products, equipment (if we authorize you to sell equipment in the future) and offer services through an alternative channel of distribution (such as on the Internet or Websites) provided you adhere to our standards. You acknowledge that this may create competition, and you will not receive any compensation from such sales made by other franchisees or company-owned businesses. If we authorize you to sell products, equipment (if applicable) and offer services through alternative channels of distribution all such products, equipment and services must be sold and performed from your Store or off-site events within your Territory. Unless otherwise approved by us, you are not authorized to sell any products, equipment or offer any services on the Internet or in any other media, whether now known or hereinafter invented.

You must participate in any gift certificate, gift card, loyalty, and rewards programs we establish. You may not create or issue your own gift certificates, gift cards, loyalty or rewards cards unless otherwise approved by us.

You must maintain proper permits and licenses to operate a Snooze® Mattress Co. Business and sell products in your area. You must not engage in any trade, practice or other activity that is harmful to our goodwill or reflects unfavorably on our reputation, that constitutes deceptive or unfair competition, or that is in violation of any applicable law.

You are encouraged to directly advertise and market to promote your Store to sell products and offer services within your Territory. In addition, you can sell products and perform services to anyone from anywhere so long as you do so from your Store or at offsite events within your Territory in accordance with our standards. You are prohibited from Target Marketing outside your Territory, conducting business at off-site events in other geographical areas unless otherwise given permission to do so and selling products and/or offering services through any alternative channels of distribution without our permission (as described in Item 12).

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This financial performance representation is based upon the historic monthly gross revenues/sales and cost of goods sold for the "Affiliate-Owned Outlet" operated by our affiliate in Pueblo West, Colorado for the period from January 2024 through December 31, 2024, and the Gross Revenue for the "Measuring Period(s)," which cover the periods from January 1, 2024 through December 31, 2024 (FY 2024).

Except as discussed in the notes below, the Affiliate-Owned Outlet operates in a substantially similar manner to how your Franchised Business will operate. The explanatory notes included with the following charts are an integral part of this financial performance representation and should be read in their entirety for a full understanding of the information contained in the following chart.

Notes Regarding the Tables Below:

1. "Gross Revenue" means the total revenues, receipts, and dollar volume from the sale of all products, services and merchandise sold and booked in connection with the Franchised Business, whether under any of the Marks or otherwise. Gross Revenue is calculated on an accrual basis regardless of whether you have collected payment. Gross Revenue excludes sales taxes added to the sales price and collected from the customer. Third-party fees and payments and uncollected funds are not excluded from Gross Revenue.
2. The actual performance of any outlet will depend on a number of factors specific to the location, including:
 - Any applicable law or regulatory compliance expenses
 - Rent, interest, and other financing costs for land, buildings, equipment, and inventory
 - Initial franchise fee and organization costs
 - Economic conditions of various geographic areas
 - Competition from a variety of other businesses
 - Different acquisition, development, construction, and property costs
 - Cost of equipment
 - Occupancy expenses such as rent, utilities and property taxes
 - Labor costs, payroll taxes and laws concerning employees and employee benefits
 - Different traffic counts, accessibility, visibility, and parking
 - Different results from advertising

- Outlets have been in business for different periods of time in their respective markets
 - Cost of product and supply costs
 - Franchise payments including royalties; and
 - Workers' compensation and insurance coverage
3. The mattress sales industry is highly competitive and affected by, among other things, changes in geographic area, changes in preferences, local, regional, and national economic conditions, population trends, and traffic patterns. The performance of your Business will be affected by the region in which you operate, your competitors, and the success you have in marketing and managing your operations.
 4. The Affiliate-Owned Outlet operates in Pueblo West, Colorado, where the Snooze Mattress Co. brand has likely obtained more of a reputation and positive goodwill among the relevant target market (as compared to another region of the United States where there are no other Snooze locations in operation).
 5. This Item 19 does not reflect certain pre-opening costs and expenses over the Measuring Period that you are likely to incur in connection with development of a new Business. See Item 7 for details about pre-opening costs for your Business.
 6. You should consult other sources for financial information including your financial, business, and legal advisors in connection with the information provided to obtain additional information necessary for you to develop estimates of the sales, costs, expenses, earnings, and profits.
 7. Written substantiation to support the information appearing in this financial performance representation is available to you upon reasonable request.

Notes Regarding the Affiliate-Owned Outlet and Item 19 Generally:

The figures in the table below use the historical information that our affiliate-owned outlet provided to us. You should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form, nor have we sought to independently verify their accuracy. Upon your reasonable request, we will provide written substantiation for this financial performance representation.

These and other expenses you incur will affect the net income and cash flow of the outlet.

Some franchise outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Matt Smith, 102 Oneida Street, Pueblo, CO 81003 (719) 467-6001, or the Federal Trade Commission, and the appropriate state regulatory agencies.

The gross sales, revenue and expense data presented in our Item 19 is based on information reported to us by our affiliate, Daydream, LLC. We have not independently verified this data. Your individual results may differ. There is no assurance that you will earn as much.

NOW, THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties hereto, intending to be legally bound, do hereby agree as follows:

I. FRANCHISEE'S ACKNOWLEDGEMENT OF BUSINESS RISK AND ABSENCE OF GUARANTEE

Franchisee acknowledges that Franchisee has been given the opportunity to clarify any provision of this Agreement that Franchisee may not have initially understood and that we have advised Franchisee to have this Agreement reviewed by an attorney. Franchisee hereby releases us, our employees, shareholders, managers, our affiliated companies, and agents from liability based on such representations or agreements, to the extent permitted by law or regulation.

II. FRANCHISEE'S ACKNOWLEDGMENTS CONCERNING RECEIPT AND THOROUGH EVALUATION OF AGREEMENT

Franchisee acknowledges having received, read, and understood this Agreement, the Franchise Disclosure Document, and attachments thereto. Franchisee further acknowledges that we have accorded Franchisee ample time and opportunity to consult with independent legal counsel and other advisors of its own choosing concerning the potential benefits and risks of entering into this Agreement. Franchisee acknowledges that it has received a completed copy of this Agreement, exhibits, attachments, and schedules (collectively, the "Schedules") referred to herein, and agreements relating hereto, as well as the Franchise Disclosure Document at least fourteen (14) calendar days prior to the date on which this Agreement was executed and any money paid for the franchise.

Franchisee acknowledges that it has read and understands this Agreement, the Schedules and any agreements relating thereto, and that Franchisee has been advised by a representative of ours to consult with an attorney or advisor of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement prior to its execution.

Franchisee acknowledges that any statements, oral or written, by us or our agents preceding the execution of this Agreement were for informational purposes only and do not constitute any representation or warranty by us. IV. RELATIONSHIP OF THE PARTIES

A. Franchisee is an Independent Contractor

During the term of this Agreement, and any renewals or extensions hereof, the Franchisee shall hold itself out to the public at all times, as an independent contractor operating its Business pursuant to a franchise from us. This Agreement is not intended to create, and shall not be interpreted as creating, a partnership, joint venture, agency, employment or personal services or similar relationship between us and Franchisee. Franchisee agrees to take such affirmative action as may be necessary, including, without limitation, exhibiting multiple public notices of that fact, the content and display of which we shall have the right to specify. For example, such notices shall be provided on letterhead, business cards, bank account names, bank checks, and signs at the place of business. Franchisee is responsible for collecting and remitting Social Security, Medicare, unemployment contributions and/or any other mandated county, state or federal obligations and benefits on behalf of its employees. Franchisee acknowledges that we have no responsibility to ensure that Franchisee's Business is developed and operated in compliance with all applicable laws, ordinances, and regulations and that we shall have no liability in the event the development or operation of the Business violates any law, ordinance, or regulation.

B. Franchisor Is Not in a Fiduciary Relationship with Franchisee

It is understood and agreed by the Parties hereto that this Agreement does not establish a fiduciary relationship between them, and that nothing in this Agreement is intended to constitute either party as an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of the other for any purpose whatsoever. In addition, we shall not have any fiduciary relationship to the Franchisee by virtue of the fact that we may operate a System Brand Fund (as defined in Section X.B of this Agreement).

It is understood and agreed that nothing in this Agreement authorizes the Franchisee, and the Franchisee shall have no authority, to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and that we shall in no event assume liability for, or be deemed liable hereunder or thereunder as a result of any such action; nor shall we be liable by reason of any act or omission of the Franchisee in its conduct of the Business or for any claim, liability or judgment arising therefrom against the Franchisee or us.

The Franchisee represents, warrants and agrees as follows: the Franchisee is duly organized and is in good standing in all jurisdictions where legally required in order to carry on its Business, has duly authorized the execution, delivery and performance of this Agreement and all other documents contemplated hereby, which are, or upon signing, will be binding on the Franchisee, such documents do not and will not contravene any other instrument or agreement to which the Franchisee is party and there is no pending litigation, tax claim, proceeding or dispute that may adversely affect the Franchisee's financial condition or impair its ability to perform its obligation under the terms of this Agreement.

It is understood that Franchisee will have sole responsibility for its employees and all acts of its employees, and all employment-related decisions involving wages, benefits, hours of work, scheduling, hiring, firing, discipline, supervision, record keeping, withholding income tax, social security contributions, Medicare contributions, unemployment fund contributions, advertising for potential employees, interviewing potential employees, and all other terms and conditions of employment (as described in Section XII.F). The Franchisee must disclose to each of its employees in writing, in a form approved by us in advance, that we are not a "joint employer" of the Franchisee's employees. The Franchisee acknowledges that we do not control the Franchisee's personnel policies, including establishing wage and hour requirements, hiring, firing, setting wages, disciplining, supervising, and record keeping of employees.

V. FRANCHISE GRANT

We hereby grant to Franchisee, upon the terms and conditions herein contained and subject to this Agreement, the right and privilege, and Franchisee hereby accepts a franchise under the terms and conditions set forth herein, to operate a Business that has been assigned a protected territory as set forth in Section VI (referred to as the “Territory”) for the entire term of this Agreement, with the right to use solely in connection therewith our Names and Marks, Products, Services, advertising and merchandising methods, and our System, as they may be changed, improved and further developed from time to time only at the Accepted Location as set forth in Section VI and provided the Franchisee shall adhere to the terms and conditions hereof.

It is understood and agreed that, except as expressly provided herein or any other agreement that is executed, this franchise grant does not include the right of Franchisee to sub franchise.

Except as provided in this Agreement, Franchisee shall be free to use the materials provided by us in the manner that Franchisee, in Franchisee’s sole and absolute discretion, deems most appropriate for the operation of a Snooze® Mattress Co. business, provided that Franchisee shall not violate any applicable law, regulation or provision of this Agreement in exercising such discretion.

VI. TERRITORY

Franchisee is not granted an exclusive territory. The Franchisee is granted a Territory that is a protected territory as defined in this Agreement. The location of the Franchise Business (referred to as the “Store”) shall be: within the State of _____ in the county of _____. If the actual Franchise Business address has not yet been chosen, your Accepted Location shall be within an area referred to as the “Search Area.”

The Search Area is:

The exact “Accepted Location” of the Store is:

The protected Territory will be: _____ driven from any direction of the Store.

If the Parties do not select a Territory in which to operate the Store prior to the signing of this Franchise Agreement, then they shall agree to it at a later date, under the terms of this Agreement. Failure to secure a lease for the Store within ninety (90) days after the execution of this Agreement and/or failure of Franchisee to open the Store within one hundred eighty (180) days after the execution of this Agreement will permit us to terminate this Agreement, as provided in Section XXIII.C. The Territory, under the terms of this Agreement, will include up to two (2) miles driven in any direction from the Store as defined by Google Maps or a similar computer mapping program. We reserve the right to grant a Territory that is larger or smaller than the two (2) mile area described above, in order to account for more densely or sparsely populated areas. Franchisee may not conduct business out of any other location or locations other than the Accepted Location identified above however, Franchisee may: (i) conduct business at off-site events (such as: community events, home shows, expos, festivals, etc.) to promote its Store, sell Products and offer Services as long as such events are within the Franchisee’s Territory; and (ii) sell and ship Products and provide Services to anyone who comes from anywhere so long as all Products sold and Services performed

are from Franchisee's Accepted Location or at offsite events within its Territory and do not result from Target Marketing (as defined below).

The size of the Territory which normally will be up to two (2) miles driven in any direction from the Store (as described above), will be determined by population base, demographics of the surrounding area, competition, availability of appropriate sites, reasonable rent, business potential or other conditions important to the successful operation of a Franchised Business as we deem appropriate (such as the number and type of mattress stores or related retailers that are in your area). The Territory is determined once a location is chosen and approved by us and will not be altered even if there is a population increase or decrease during the term of this Agreement. The Territory is not dependent upon achievement of certain revenues, sales volume, market penetration or any other contingency. The boundaries of the Territory shall be determined by major topographical features which clearly define contiguous areas such as: Streets, highways, freeways or other roadways, rivers, streams, mountains, and underdeveloped land. We determine the size and boundaries of the protected Territory.

Franchisee must operate its Store within the specific Territory as identified in this Section VI. If not determined when this Agreement is executed, Franchisee is responsible for selecting the site for the Accepted Location within the designated Territory specified above and in accordance with this Agreement. We must approve the site where Franchisee intends to operate the Business within its Territory before opening for operation, especially prior to Franchisee becoming obligated on a lease. Franchisee may not open the Business at any other location other than the Accepted Location that has been set forth in this Agreement or made part hereof by an addendum attached to this Agreement.

Franchisee shall not relocate its Business without our prior written consent (specified in Section XXII.A). We shall not establish, nor license another party or entity to establish, a Snooze[®] Mattress Co. business within Franchisee's Territory outlined above. If Franchisee decides to open additional Businesses and buys the rights to additional Franchises, then those separate franchise agreement(s) will dictate the terms of the applicable territory (a separate Franchise Agreement is required for each additional Business as defined in Section IX.D of this Agreement). If a geographical area is unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to Franchisee and Franchisee might not have right of first refusal or the option to buy the territory that was formally unassigned.

Franchisee is encouraged to directly advertise and market the Products and promote Services within its Territory. Franchisee may accept business, sell Products, and provide Services to anyone who comes from anywhere so long as all Products are sold, and Services are performed from the Accepted Location or off-site events (as described below) within its Territory. Franchisee is encouraged to conduct off-site events to sell products and promote its Store (such as: community events, home shows, expos, festivals, etc.) so long as such off-site events are performed within its Territory. Under certain circumstances, Franchisee may be granted permission to conduct business at off-site events in other geographical areas outside its Territory (as further described below). We, company-owned locations, and other franchisees reserve the same right to sell Products and provide Services to anyone who comes from anywhere without compensation to Franchisee. Franchisee is not restricted as to the geographic area into which Franchisee may attract customers, however Franchisee cannot perform any target marketing ("Target Marketing") in any other territory of another franchisee or company-owned business. The term "Target Marketing" means a concerted effort by Franchisee to solicit and obtain customers by any type of advertising or marketing directed at all or a portion of another franchisee's territory, company-owned business area or unassigned area. We shall use commercially reasonable efforts to address any Franchisee that violates this policy. Failure of Franchisee to refrain from Target Marketing, as described above, may result in termination of this Agreement as specified in Section XXIII.C.

Franchisee is prohibited from selling Products and offering Services through any alternative channels of distribution (such as on the Internet and Websites as defined below) without our written approval. If Franchisee is granted permission to sell Products and offer Services through an alternative

channel of distribution in the future, per our written approval, Franchisee may sell such Products and offer Services to anyone from anywhere so long as such Products are sold, and such Services are performed in the same manner as described above without compensation to any other franchisee or company-owned business. We, other franchisees, and company-owned businesses are subject to the same restrictions and reserve the same right to sell Products to anyone from anywhere and offer Services through an alternative channel of distribution so long as such Products are sold, and Services are performed from such company-owned or franchise locations or off-site events within the boundaries of our and other franchisee's territories without compensation to you. Our response to Franchisee's request to offer Products and Services through an alternative channel of distribution will be made by email or any other form of written communication within thirty (30) days after we receive it. Approval may be revoked in our sole discretion.

If Franchisee is asked to conduct business at off-site events in geographical areas in which there is another franchise or company-owned business, Franchisee must refer that request to the Snooze[®] Mattress Co. business in that geographical area or directly to us. Whether the other Snooze[®] Mattress Co. business is a franchise or company-owned business, Franchisee must not conduct business at off-site events in that geographical area. If there is not a Snooze[®] Mattress Co. business in that geographical area, then Franchisee must submit a request to conduct business at such off-site event to us and upon our written approval, Franchisee can proceed. We shall approve or deny Franchisee's request to conduct business at off-site events in other geographical areas not owned by other franchisees, us, or our affiliates, which approval is in our sole discretion, within five (5) days of Franchisee's written request. Approval may be revoked in our sole discretion by a written communication to Franchisee. Franchisee must be prepared to immediately cease conducting such events in that other geographical area when that unassigned area is purchased or if a company-owned business is placed in such area. We and other franchisees and company-owned businesses must refer off-site events within Franchisee's Territory to Franchisee.

If during the term of this Agreement, Franchisee is unable to promptly and properly provide Products or perform Services due to excessive work or other cause; then Franchisee must immediately refer that person or business to another franchise, company-owned business or to us. Failure of Franchisee to: (i) refrain from Target Marketing and/or (ii) refer off-site events as described herein will give us the right to terminate this Agreement as specified in Section XXIII.C. For any default of this Agreement which triggers our ability to terminate, as an alternative to termination, we will have the right, in our sole discretion, to modify or completely eliminate any rights Franchisee may have with respect to the protected area status of the Territory, effective ten (10) days after delivery of written notice to Franchisee.

We encourage Snooze[®] Mattress Co. businesses, when owned by different individuals, to work out a referral and advertising strategy and/or arrangement if they are within close proximity of each other (defined as being within a ten (10) mile radius of each other). We must be notified in writing of all such arrangements.

We may, from time to time, establish certain programs for the benefit of franchisees and the System whereby Snooze[®] Mattress Co. franchisees will be permitted to sell Products and offer Services in accordance with the specifications described in any particular program established by us. Currently in effect, are our Warranty Programs, our proprietary Community Give-Back and Loyalty Programs (as defined in Section XII.H) and our National Account program. The National Account program is defined as follows:

- a) The term "National Account" means a special class of customers which may include but is not limited to large businesses, national organizations or non-profit organizations with outlets located in multiple territories and government agencies who on their own behalf or through agents, franchisees or other third parties owns, manages, controls or otherwise has responsibility for buildings or common-services in more than one location whose presence is not confined within any one particular franchisee's territory regardless of the aggregate contract amount of the Products and/or Services the Franchisee wishes to provide or

perform. Any dispute as to whether a customer is a National Account shall be determined by us in our sole and absolute discretion and our determination shall be final and binding;

- b) We shall have the exclusive right, unless otherwise specifically delegated in writing, on behalf of ourselves, Franchisee and/or any other franchisees utilizing the Marks, to negotiate and enter into agreements or approve forms of agreement to provide Products and perform Services to National Account customers, including any affiliate, company owned or franchised locations within the Territory;
- c) Following the execution of a contract with or the acceptance of a bid by a National Account customer which contemplates the provision of Products or Services to one or more National Account customer locations within the Territory, we will, if Franchisee is qualified and conditioned upon the terms of this Agreement and any addendum hereto, provide Franchisee the option to provide such Products and perform Services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as we in our sole discretion determine;
- d) If Franchisee elects not to provide Products or perform Services to a National Account customer in conformity with the terms and conditions of the National Account bid or contract, or fails to make an election within the time specified by us, of being offered the opportunity by us, we shall have the right, exercisable in our sole discretion, to:
 - i. Sell directly or through any other affiliate or franchisee utilizing our Marks, the Products and/or Services to a National Account customer location(s) located anywhere on the terms and conditions contained in the National Account bid or contract; and/or
 - ii. Contract with another party to provide Products and/or perform Services to the National Account customer location(s) located anywhere on the terms and conditions contained in the National Account bid or contract between us and the National Account customer, utilizing our Marks or any trademarks, service marks or trade names.
- e) Neither the direct provision by us (or a franchisee, affiliate or agent of ours) of Products or Services to National Account customers as authorized in (i) above, nor if we contract with another party to provide such Products and perform Services as authorized in (ii) above, shall constitute a violation of Section VI of this Agreement relating to the Franchisee's Territory, even if such Products and/or Services are offered or performed from a location within the Franchisee's Territory. Franchisee disclaims any right to compensation for Products provided or Services performed by others pursuant to this section.

Franchisee's rights in the Territory are exactly (and only) as expressly set forth in this Section VI. Except as expressly provided in this Agreement, Franchisee has no right to exclude, control or impose conditions on the location, operation, or otherwise of present or future Snooze[®] Mattress Co. businesses (or any other brand) units or distribution channels of any type, franchised or company-owned, regardless of their location or proximity to the Store and whether or not they sell Products and/or provide Services to customers within that area. Franchisee does not have any rights with respect to other and/or related businesses, products and/or services, in which we or any of our persons or entities may be involved, now or in the future.

Any rights not expressly granted to the Franchisee are reserved to us. Such rights include but are not limited to the right to:

- 1) Own and/or operate ourselves and/or authorize others to own and/or operate:
 - a) Any kind of business in the Territory which is not substantially similar to a Snooze[®] Mattress Co. business, whether or not using the Marks and System and on any terms and conditions we deem appropriate; and
 - b) Any kind of business outside of the Territory including, without limitation, Snooze[®] Mattress Co. businesses, whether or not using our Marks and System and on any terms and conditions we deem appropriate;
- 2) Develop, distribute and sell Snooze[®] Mattress Co. labeled and branded (or any other brand) products and equipment (if we choose to develop and sell equipment in the future) to anyone located anywhere using any channel of distribution other than the operation of a Snooze[®] Mattress Co. Business in the Territory and on any terms and conditions we deem appropriate (including, but not limited to, furniture stores, other retail stores, discount warehouses, chiropractic or medical facilities and other similar venues and other channels of distribution such as television, mail, catalog sales, wholesale to unrelated retail outlets or over the Internet);
- 3) Develop or become associated with other concepts (including dual branding and/or other franchise systems), whether or not using our System and/or our Marks, and award franchises under such other concepts for businesses located and/or operating anywhere. If we become associated with a business within Franchisee's Territory that uses our Marks and System, we will make commercially reasonable efforts to maintain the protected status of Franchisee's Territory;
- 4) Acquire, be acquired by, sell our assets, sell our stock, membership units, or partnership units to, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with units located anywhere. Such transactions may include (but are not limited to) arrangements involving competing outlets and brand conversions (to or from our Marks and System). Franchisee agrees to participate at its expense in any such conversion as instructed by us. However, if we acquire or merge with a business within Franchisee's Territory that is similar to a Snooze[®] Mattress Co. business, we will make commercially reasonable efforts to maintain the protected status of Franchisee's Territory;
- 5) We may choose in our Business Judgment (as defined in Section XXI of this Agreement) to advertise, offer, and sell Products and/or provide Services through the Internet and other similar venues (no matter where the customer is located) without paying any compensation to Franchisee. The Internet is a channel of distribution reserved exclusively to us. Franchisee may not independently market on the Internet or conduct e-commerce, without our written consent; and
- 6) Acquire or establish any Websites utilizing a domain name incorporating one or more of the following words: bed, center, company, craft, dream, experience, mattress, pillow, service, sleep, snooze, solution, stop, store, or any variation thereof or any other words that describe the Business as determined by us. The term "Website" includes: Internet home pages, as well as other electronic sites (such as social networking sites like Yelp, Instagram, Facebook, Twitter, LinkedIn, blogs, and other applications). Currently Franchisee is authorized to participate in Facebook, Instagram, and Yelp. Other than Facebook, Instagram and Yelp, Franchisee shall not establish a Website on the Internet using any domain name containing the words listed above or any variation thereof. Franchisee acknowledges that we have all right, title, and interest in and to such domain names, as we shall designate in the Operations Manual. Franchisee must provide us with all login and

password information for all Websites and acknowledges that we have the right to monitor, remove, edit, and delete any content (including posts) as we consider appropriate. Franchisee must comply with our requirements regarding discussing, advertising, or disseminating any information, or otherwise having a presence on a Website, regarding the Business. If we approve a separate Website (which we are not obligated to do), then each of the following provisions will apply: (i) Franchisee may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, Franchisee must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require; and all such work must be performed by us, our affiliates or approved vendors; (iii) Franchisee must not use or modify a Website without our prior written approval; (iv) Franchisee must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; and (v) if we require, Franchisee must establish hyperlinks to our Website and other Websites; and (vi) Neither Franchisee nor any of its employees shall post any information regarding us, our members, managers, officers, or employees, or the System, on any Website or any internet site, without our prior written approval, nor any disparaging statement either during or after termination or expiration of the Agreement. Further, Franchisee shall monitor its employees to prevent them from making any such postings. We retain the right to pre-approve Franchisee's use of linking and framing between the Franchisee's web page and all other Websites. The Franchisee shall within five (5) days dismantle any blogs, frames, and links between the Franchisee's websites and any other Websites and cause any advertisements to be removed, if and as requested by us.

We may provide Franchisee, subject to certain terms and conditions, with options, rights of first refusal or similar rights to acquire additional franchises in other areas or areas contiguous to the Territory. Franchisee's Territory may be altered during the initial term, but only: (i) by mutual consent in writing; (ii) at the time of transfer or renewal as a condition to transfer or renewal; (iii) for any default of this Agreement which triggers our ability to terminate as described above; or (iv) after our merger or other reorganization that involves assuming a similar type of business as Franchisee's, after we have made reasonable efforts to preserve Franchisee's Territory.

A. Initial Franchise Fee and Payment

By executing this Franchise Agreement, the applicant agrees to become a Franchisee and pay an Initial Franchise Fee in the amount of Forty-nine thousand nine hundred dollars (\$49,900) for a Snooze[®] Mattress Co. Business. This Initial Franchise Fee includes the right to operate a single Snooze[®] Mattress Co. Business in a Territory that is up to two (2) miles driven in any direction from the Store as described in Section VI of this Agreement.

The Initial Franchise Fee is due upon execution of this Franchise Agreement. The Initial Franchise Fee is uniform as to all persons currently acquiring a Franchise and is non-refundable. The Initial Franchise Fee shall be paid in a lump sum in United States funds and shall be deemed fully earned upon the opening of the Business for the deliverables as described above in Section IX.A.

B. Time Limit for Starting Business

The Franchisee shall maintain the Store in accordance with the provisions and requirements of Section XII hereof and must secure a lease that has been approved by us (as described in Section XII.S) within ninety (90) days of the execution of this Franchise Agreement (“Effective Date”) and open the Store for business (the “Opening”) within one hundred eighty (180) days of the date of execution of this Franchise Agreement. The Opening requires that Franchisee has qualified for and has obtained all necessary licenses and permits needed to sell Products. We may, in our discretion, grant Franchisee one sixty (60) day extension within which to secure a lease and/or open the Store.

Upon Franchisee’s failure to (i) agree on a Territory and/or acquire a lease within ninety (90) days from the Effective Date; and/or (ii) timely satisfy the Opening requirement within one hundred eighty (180) days from the Effective Date; then we may, at our sole discretion, terminate the Franchise and this Agreement and retain all fees paid by Franchisee, without breach of this Agreement by us as specified in Section XXIII.C.

During the term of this Agreement, the Accepted Location shall be used exclusively for the purpose of operating a franchised Snooze[®] Mattress Co. business. In the event the Store shall be damaged or destroyed by fire or other casualty, or be required to be repaired, Franchisee shall commence the required repair of the Store within thirty (30) days from the date of such casualty or notice of such governmental requirement (or such lesser period as shall be designated by such governmental requirement) and shall complete all required repairs as soon as possible thereafter, in continuity, but in no event later than ninety (90) days from the date of such casualty or requirement of such governmental notice. The minimum acceptable appearance for the restored Store will be that which existed just prior to the casualty; however, every effort should be made to have the restored Store include the then-current image, design, and specifications of a Snooze[®] Mattress Co. business.

As between us and the Franchisee, the Franchisee shall bear the entire risk of any damage, loss, theft, or destruction to the Store from any cause whatsoever or requisition of the Store by any governmental entity or the taking of title to the Store by eminent domain or otherwise (collectively, “Loss”). The Franchisee shall advise us in writing within ten (10) days of any such Loss. No such Loss shall relieve the Franchisee of the obligation to pay Royalty Fees and all other amounts owed hereunder. In the event of any such Loss, we, at our option, may: (a) if the Loss has not materially impaired the Store (in our reasonable Business Judgment), require that the Franchisee, upon our demand, place the Store in good condition and repair reasonably satisfactory to us as mentioned above; or (b) if the Loss has materially impaired the Store and it is substantially destroyed, (in our sole judgment), we may require the Franchisee to repair the existing Store or find an alternative location within the Territory within ninety (90) days or soonest possible timeframe according to Franchisee’s lease. We may extend this period an additional thirty (30) days at our

discretion and failure of Franchisee to comply may result in termination of this Agreement. Upon termination, the Franchisee must return to us the System (including all materials), and we have the first right of refusal to purchase all Assets (as described in Section XXIV.G), but any such purchase price will be reduced to account for the Loss the Franchisee incurred.

It is understood and agreed that, except as expressly provided herein or any other agreement that is executed, this Agreement includes no right of Franchisee to sub-franchise.

C. Cooperation Required

Franchisee shall cooperate reasonably with us to ensure that the various actions occur which are necessary to obtain acceptance by us of the Business location. E. Maintain and Renovate Store

Franchisee shall at all times maintain the Store in a clean, orderly condition and in first class repair in accordance with all maintenance and operating standards set forth in the Manual. Franchisee shall make, at Franchisee's expense, all additions, repairs, replacements, improvements, and alterations that may be determined by us to be necessary so that the facilities which are viewed by the public will conform to the uniform corporate image, as may be prescribed by us from time to time. Franchisee shall undertake and complete such additions, repairs, replacements, improvements, and alterations within the time and under the terms and conditions, which may be reasonably specified by us.

If at any time, in our sole and absolute discretion, the general state of repair, appearance or cleanliness of the Store or its fixtures, furnishings or signage does not meet our current standards, Franchisee expressly agrees that we have the right to notify Franchisee, specifying the action Franchisee must take to correct the deficiency. If Franchisee does not initiate action to correct such deficiencies within ten (10) days after Franchisee receives notice from us, and then does not continue in good faith and with due diligence, a bona fide program to complete any required maintenance and refurbishing, we have the right, in addition to all other remedies, to enter the premises of the Store and do any required maintenance or refurbishing on Franchisee's behalf, and Franchisee agrees to reimburse us on demand for any expenses we incur.

Franchisee shall maintain and refurbish the Store at its expense, to conform to our design, trade dress, color schemes, and presentation of Marks consistent with our designated image, including, without limitation, remodeling, redecoration, and modifications to existing improvements.

F. Maintain Competent Staff

We will create and make available to Franchisee and its Owners if Franchisee is an Entity, training programs and other selected training materials, as we deem appropriate. Franchisee must staff a position to have day-to-day supervision for the operation and management of the Store (referred to as “Store Manager”). Franchisee’s Store must be personally managed on a full-time basis by a Store Manager who has successfully completed our mandatory training and meets our then-current standards. The Store Manager may, but need not, be you or one of the Owners of the Store; however, this does not relieve Franchisee of its responsibilities to do so. Franchisee’s Store Manager must be readily and continuously available to us. Franchisee will keep us advised, in writing, of all management personnel involved in the Business. Franchisee must train a replacement Store Manager (who we may disapprove in our sole and absolute discretion) in accordance with our training program. Franchisee’s replacement Store Manager may attend our training program for a fee and subject to space availability. Currently the fee is two hundred fifty dollars (\$250) per person per day plus Franchisee’s expenses as described in Section XX.A of this Agreement. Franchisee or its Store Manager is responsible for all travel, room and board, and food. We have the right to require that Franchisee’s Store Manager be at the Business for any inspection we, our affiliates or third-parties conduct.

Franchisee acknowledges that it is Franchisee’s sole and absolute responsibility to hire and train salespersons, employees for other various positions and any administrative staff (referred to as “Employees”) in an effort to sell all Products and effectively execute Services according to our standards as outlined in the Operations Manual and Section XX.E of this Agreement. As Franchisee hires Employees, Franchisee can negotiate any rate for such services that is consistent with applicable federal and state laws and regulations. Franchisee is solely responsible for Employee’s terms of employment, compensation, and the proper training in the operation of the Business. Franchisee is solely responsible for all employment decisions and functions, including hiring, firing, establishing wage and hour requirements, disciplining, supervising, promotions, demotions, and record keeping. Franchisee acknowledges that at no time will Franchisee or any of its Employees be deemed to be employed by us.

Franchisee must not use unethical or illegal tactics to recruit employees. Franchisee shall properly hire Employees per our guidelines and standards (subject to applicable employee protection laws) which may include carefully screening Employees by the use of background checks before employing them, to ascertain fitness for employment. Specifically, Franchisee is strongly encouraged to use its best efforts, including taking every action required by applicable laws related to background checks of persons working in the Business, to ensure that no person is employed who has a record of child molestation or abuse, fraud, embezzlement, theft, immoral conduct, drug, alcohol or substance abuse; criminal behavior or any other pattern of conduct which might jeopardize the welfare of customers or reflect adversely on our reputation or the System. Franchisee will indemnify us (as described in Section XVIII) for all claims arising out of or relating to Franchisee’s use of independent contractors (if Franchisee chooses to use independent contractors), its Employees and Franchisee’s hiring, firing and discipline decisions regarding Franchisee’s Employee(s) including payment of wages and any applicable benefits.

Franchisee will require its Employees to wear logoed pajamas (tops and bottoms) bearing the Marks to identify themselves while working at the Business and while servicing customers. Such uniform dress shall be of the design and color as we may prescribe from time to time, as set forth in the Operations Manual. If in the future we decide, in our sole discretion, to modify or change our uniform dress requirement, we will give Franchisee ninety (90) days’ written notice to comply with such new standard. Franchisee understands that if we implement a change or modification to our uniform dress requirement in the future, Franchisee will be required to comply with such standard at its own expense.

Franchisee must secure a lease within ninety (90) days of executing this Agreement and open a location for its Franchise within one hundred eighty (180) days after execution of this Agreement which includes having obtained our approval prior to opening, subject to Section IX.B of this Agreement. Prior to opening, Franchisee shall complete, to our satisfaction, all preparations of the Store, in accordance with specifications set forth in the Operations Manual, and as required by local governmental agencies, including installation of all furnishings, fixtures and signage; acquire all technology items (POS system, computers, software, camera surveillance system, flat screen televisions, security alarm system, telephones and sound system) and inventory of products and supplies; complete the self-study program we provide to Franchisee and completion of our initial training program; and provision to us of all required local information, artwork and photos for the completion of the Franchisee's web page.

Franchisee also agrees to purchase furnishings, fixtures, equipment, and technology items (such as: POS system, computers, software, camera surveillance system, flat screen televisions, security alarm system, telephones, and sound system) and to operate, service, repair, maintain and clean all such items according to our standards as outlined in the Operations Manual. Franchisee must keep all furnishings, fixtures, and technology items in clean and good working order at all times and purchase only approved parts to repair its technology items from our approved vendors and suppliers. All maintenance to the furnishings, fixtures, equipment, and technology items that cannot be completed by Franchisee must be performed by our approved vendors. Unless otherwise agreed by us in writing, in no event shall Franchisee use any furniture or fixture, piece of equipment or technology item that is more than ten (10) years old. Franchisee agrees to replace all furnishings, fixtures, equipment, and technology items at Franchisee's expense if such items (i) do not adhere to our appearance standards (as outlined in the Operations Manual) or become obsolete or inoperable; or (ii) if, in our sole discretion, replacement is necessary because of new functionality, change in software, change in methods of service or because of health or safety considerations. Franchisee has ninety (90) days after Franchisee receives written notice from us to either remove or replace such furnishings, fixtures, equipment, or technology items. Failure of Franchisee to remove, replace and/or maintain such items as described above may result in termination as described in Section XXIII.C of this Agreement.

Franchisee is required to use, offer, sell, and perform only approved Products and Services in the manner and style we specify which may, from time to time, be amended or modified in writing, designated, and approved by us. Prior to opening the Business for operation, Franchisee must adequately supply its Business with an assortment of equipment, products, and supplies (as described in Section XII.I of this Agreement) and such items must be purchased from us, our affiliates, or vendors on our approved vendor list (as further described below). The term "Warranty Program" is defined as a limited warranty for any mattress specific to what the manufacturer prescribes that warrants against material defects and guarantees performance for a limited period of time with a promise to repair or replace such mattress at no cost and under certain circumstances

as determined by each manufacturer or us for our proprietary mattresses. The term “Community Give-Back Program” is defined as the donation of Products or Services, charity event or fundraiser within the Franchisee’s Territory in an effort to give-back to the community and promote goodwill. The term “Loyalty Programs” are repetitive use programs for customers that provide incentives for customers to come back for additional purchases and also geared towards building brand awareness. Franchisee agrees to discontinue offering any Products, Services, and programs which we may, in our sole discretion, disapprove in writing at any time. There are no limits on our right to change, modify or discontinue any Product, Service or program Franchisee is authorized to offer in its Business. We will provide Franchisee with a written list of Products, Services, programs, and other promotional programs Franchisee is required to offer during the initial training program. Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of a particular Product, Service, or program; nor shall any provision herein imply or establish an obligation on our part to reinstate any Product, Service or programs discontinued by us or for any liability to Franchisee for any lost revenue incurred by Franchisee as a result of our decision to discontinue a particular Product, Service, or program. We will provide Franchisee with ninety (90) days’ notice to implement such Product, Service or program changes and Franchisee agrees to immediately comply with such changes at its own expense. We may periodically meet with a representative group of franchisees and solicit their input prior to discontinuing any Product, Service, or program.

Franchisee agrees to fully adhere to our level of service standards, comply with our required procedures for selling Products, offering, and performing Services as we may periodically adopt and must accurately post and label the prices for all Products. Additional products Franchisee desires to use or sell in its Business must be authorized in writing by us (as described in Section XII.I). In addition, Franchisee is prohibited from selling Products or offering Services over the Internet or on Websites; however, if we grant permission to Franchisee to sell Products and/or offer Services over the Internet and/or on Websites, all Products must be sold, and all Services must be performed from its Accepted Location and all Products must be sold and shipped directly from the Accepted Location for off-site events within its Territory. Currently we authorize our franchisees to participate on Facebook, Instagram, and Yelp. Except for Internet and Website sales as described above and off-site events within its Territory (as described in Section VI), Franchisee is not permitted to sell Products and/or offer Services from any other location, in any other media or alternative channels of distribution, whether known or hereinafter invented. Franchisee cannot implement, offer, perform, or sell any other type of product, service or program unless approved by us in writing. We will respond to Franchisee’s request to implement, offer, perform, sell, or provide a new product or program by email or any other form of written communication within thirty (30) days from the date the request is received. We shall have the right to require, as a condition of our approval and review, that Franchisee submit to us all materials and supporting documentation describing the Product, Service or program Franchisee wishes to use and/or implement with its customers and/or accounts. The cost of such investigation for approval shall be paid by the Franchisee (if applicable) and we shall not be liable for denying Franchisee’s request. Failure of Franchisee to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C.

Franchisee agrees to fully comply with all mandatory specifications, standards, operating procedures and rules in effect which may change from time to time relating to safety, maintenance, cleanliness, sanitation, merchandising and presentation standards (we will provide Franchisee with a written list of merchandising and presentation standards during the initial training program), usage of software, POS and software support services, security alarm monitoring services, commercial free music subscriptions, function and appearance of the Store and its furnishings, fixtures, equipment, décor and

signage. Nothing in this Agreement shall be construed to imply or establish an obligation on our part to incur any liability to Franchisee for any loss of revenue incurred by Franchisee as a result of our decision to change, modify or discontinue our specifications, standards, or operating procedures. Franchisee agrees that we have the right, in our sole discretion, to change, modify, add, or discontinue any such specifications, standards and operating procedures. We will provide Franchisee with ninety (90) days' notice to implement such specifications, standards and operating procedure changes and Franchisee agrees to immediately comply with such changes at its own expense. Franchisee shall also offer for sale, and will honor for customers, any incentive, coupon, rewards, and Loyalty Programs (as described above), which we have developed or may institute from time to time, and Franchisee shall do so in compliance with our standards and procedures for such programs to the extent permitted by the laws of Franchisee's state. These programs may include, without limitation, membership programs, community event programs, co-op programs and other local and national activities. Franchisee's full and complete participation in such programs is required. Except as otherwise provided herein, compliance and participation shall be at Franchisee's expense.

Franchisee is encouraged to accept the referral of any customer from another franchisee, company-owned business or us who desires to receive Products or Services from Franchisee. If Franchisee chooses not to accept the referral, then we may provide such Products or Services directly or through another franchisee or third party without compensation to Franchisee. We encourage all Snooze® Mattress Co. businesses, owned by different individuals, to work out a referral arrangement. Franchisee can provide Products and Services to anyone who comes from anywhere, as described in Section VI of this Agreement.

Franchisee must respond promptly to all inquiries and complaints in order to achieve customer satisfaction. If Franchisee does not provide its customers with satisfactory service and/or fails to resolve complaints at the time the complaint is registered; or if Franchisee does not adhere to our level of service standards or this Agreement, we may, in addition to other remedies, provide the Products or complete the Services and bill the Franchisee's customer for such Products and/or Services. Franchisee shall reimburse us for any expense incurred. In addition, there may be other System oriented programs designed to promote to the public the quality care and service provided by a Snooze® Mattress Co. business that we may wish to implement on a system-wide basis and advertise and market. Franchisee shall be required to participate in the then-current specials, discounts or promotions, as may be developed, and as may be modified periodically by us, in our sole discretion.

We may institute various programs designed to verify customer satisfaction and/or Franchisee's compliance with all operational and other aspects of the System, including (but not limited to) a toll-free number, online surveys, customer comment cards, secret shoppers or otherwise. We will share results of such programs as they pertain to Franchisee's Store, with Franchisee and Franchisee will reimburse us for all costs associated with any and all such programs in the event that Franchisee is not in compliance with this Agreement and the System.

Franchisee recognizes that one of our primary methods of communication with Franchisees is through emails, announcements and/or memos we may periodically publish and distribute through our portals online provided to Franchisees on our website. Franchisee is responsible for knowing all of the information contained in the emails, announcements, memos, and the portals online and complying with any standards and specifications provided within them. We may establish and/or change our level of service standards for the operation of Franchisee's Business through our emails, announcements, memos, and portals online. The portals online house our proprietary educational platform that incorporates our video training modules and courses (including curriculum, lesson plans and workshops) intended to complement

Franchisee's efforts in training its Employees. All training modules and courses within our educational platform are owned by us. Franchisee will be provided with access to our educational platform during the initial training program and there will be no usage fees. Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of our educational platform or a particular training module or course; nor shall any provision herein imply or establish an obligation on the part of us to reinstate our educational platform or any type of training module and/or course if discontinued by us or for any liability to Franchisee for any loss of revenue incurred by Franchisee as a result of our decision to discontinue our educational platform or a particular training module or course. Franchisee agrees that we have the right, in our sole discretion, to change, modify, add, or discontinue our educational platform or any training module or course at any time, in our sole discretion. We will have no obligation for the hosting of the portals online (for example if hosting company goes down or shuts down the portals for maintenance or security reasons) or to maintain the portals online indefinitely and may dismantle it at any time without notice and liability to Franchisee and the following will apply:

- (1) We have established policies and procedures for use of the portals online. These policies, procedures and other terms of use address issues such as (i) restrictions on the use of abusive, slanderous or otherwise offensive language in electronic communications; (ii) restrictions on communications between or among franchisees that endorse or encourage breach of any agreement with us; (iii) confidentiality of materials that we transmit; (iv) password protocols and other security procedures; (v) grounds for suspending, or revoking Franchisee's access to the portals online; and (vi) a privacy policy governing our access to and use of electronic communications that franchisees submit on the portals online. Franchisee acknowledges that as administrator of the portals online, we can access and view any communication that anyone posts on the portals online. Franchisee further acknowledges that the portals online and all communications that are posted to it will become our property, free of any claims of privacy or privilege that Franchisee or any other person may assert.
- (2) Upon receipt of notice from us that the portals online have become operational, Franchisee agrees to purchase and install all necessary additions to their computers and to establish and continually maintain electronic connection with the portals online that allows us to send messages to and receive messages from Franchisee. Franchisee's obligation to maintain connectivity with the portals online will continue until expiration or termination of this Agreement.
- (3) We may use part of the System Brand Fund that we collect under this Agreement to develop, maintain, and further develop the portals online.

We may require Franchisee to join and participate in various industry specific local or national associations. Such associations may include but are not limited to the Better Business Bureau Association and Chamber of Commerce. These associations are deemed invaluable and necessary for the continued growth of the Business. Franchisee is responsible for all membership fees and any related costs. We reserve the right to require Franchisee to join and participate in other professional organizations as we deem appropriate in our sole discretion. Franchisee's full and complete participation in such programs and associations are required. Except as otherwise provided herein, compliance and participation shall be at Franchisee's expense.

In the marketing and operation of Franchisee's Business, Franchisee will use each of, and only, the contracts, waivers and/or other forms and/or materials as are designated by us periodically. However, Franchisee may stay subject to the landlord's lease, as long as the lease contains all of the terms and conditions required by this Agreement; the lease is adjusted to accommodate this Agreement (ideally the lease is coterminous with this Agreement but not required); and Franchisee may execute its lender's standard promissory note, personal guaranty and security agreement provided that the terms and conditions

of any promissory note, personal guaranty and security agreement do not affect or impair this Agreement, or any of our rights or remedies under this Agreement. If Franchisee has two or more Owners or it is an Entity, then Franchisee must submit a copy of its Operating Agreement, Partnership Agreement, or Shareholders Agreement and bylaws, as applicable for our review prior to execution as specified in Section XII.R of this Agreement.

All advertising, promotions, and public relations by Franchisee in any medium shall be conducted in a dignified manner and shall conform to our standards and requirements as set forth in the Operations Manual. Franchisee shall have the right to sell Products and offer Services at any prices or rates Franchisee may determine, except that we reserve the right to establish minimum and maximum prices and/or rates for any given Product or Service system wide to the extent allowed by federal and state laws. To clarify, Franchisee agrees that we have the right, in our sole discretion, to establish minimum and maximum prices and/or rates for any Product or Service system wide, temporarily (for a limited period of time), in specific geographic areas or in conjunction with any promotional and/or marketing program so long as such decisions are made with the honest belief that the measure we are adopting will help everyone in the System meet competition and succeed in the marketplace. Franchisee is prohibited from heavily discounting Products and Services offered and must adhere to our minimum and maximum pricing and/or rate guidelines, except as otherwise provided by applicable federal or state laws. If Franchisee elects to sell or offer any Product or Service at any price or rate recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that offering such Products or Services at the recommended price or rate will enhance Franchisee's revenues, margins, volumes, sales, or profits. Franchisee shall participate in and comply with all sales, promotional programs, marketing programs and/or product promotions promulgated by us periodically.

I. Use Approved Furnishings, Fixtures, Equipment, Products, Vendors and Suppliers

Franchisee acknowledges that we have spent considerable time in determining what furnishings and fixtures, equipment, products, processes, methods, systems, and technology used in the operation of a Snooze[®] Mattress Co. business. Accordingly, Franchisee acknowledges that Franchisee is required to use only approved furnishings, fixtures, equipment, products, supplies and services from us, our affiliates or approved vendors and suppliers that include, but are not limited to: furnishings and fixtures, equipment (such as: dream mapping technology system, pallet jacks dollies, etc.), technology items (such as: POS system, computers, software, camera surveillance system, flat screen televisions, security alarm system, telephones and sound system), products (such as: various brands of mattresses, box springs and frames, different types and sizes of pillows, bedding accessories, etc.), proprietary products (which is our line of mattresses that have been developed and manufactured by us and carry our brand), privately labeled products (which are different types of bedding merchandise developed by a third-party vendor and carry our brand), supplies (such as: general office and cleaning supplies), uniforms, signage, POS and technology support service providers, third-party financing providers, merchant service providers, security alarm providers, music providers, promotional merchandise, printed advertising materials and promotional items, shows and event marketing opportunities and vendor, co-branding, affinity programs. We may derive income through license fees, promotional fees, advertising allowances, rebates or other monies paid by approved vendors and/or suppliers. We do not know the precise basis of these payments because we have never previously collected them. If we require Franchisee to buy from us or our affiliates, the item's price and quality will be comparable to similar items from other sources. We may take a portion of that income to spend on advertising or place it in a separate franchise advertising account. If we require Franchisee to buy furnishings, fixtures, equipment, products, supplies or services from a vendor that pays such allowances, we may spend all such fees on related advertising or place them in the advertising account Fund as described in Section X.B of this Agreement. If we don't require the purchase, we need not place such fees in a separate account or use them on advertising. Franchisee agrees that we may periodically and upon written notice, add to, modify, or change our specifications for furnishings, fixtures, equipment, products and supplies and

our approved vendors and suppliers. Franchisee agrees to promptly accept and implement, in the operation of the Business, all such additions, modifications and changes at Franchisee's expense. In addition, Franchisee acknowledges that:

1. We have spent considerable time designing the decoration and outfitting of a Snooze[®] Mattress Co. business with furnishings, fixtures, equipment, décor items and signage. This is part of our trade dress. Franchisee must purchase such items from us and/or our affiliates or approved vendors as specified in the Operations Manual and Section XII.T of this Agreement.
2. We are not liable to Franchisee for any loss or damage, or deemed to be in breach of this Agreement, if we, our affiliates, or approved vendors and/or suppliers cannot deliver, or cause to be delivered, Franchisee's order of furnishings, fixtures, equipment, products, supplies or services where such items are out-of-stock or discontinued. Franchisee is prohibited from purchasing furnishings, fixtures, equipment, products, supplies and services from unapproved vendors and/or suppliers who are not on our approved list without our written approval. All vendors and suppliers that Franchisee purchases from must be approved in writing by us and may be disapproved by us anytime thereafter. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by e-mail or any other form of written communication. If Franchisee purchases any furnishings, fixtures, equipment, products, supplies or services from any unapproved vendor or supplier without our permission, as described above, it may result in termination of this Agreement as specified in Section XXIII.C.
3. In approving any vendor or supplier we may consider factors such as: price, quality, composition, performance, accuracy of product claims, durability, safety, technical specifications, frequency of delivery, design, service maintenance programs, determination of quality control, value, customer service strength, prompt attention to complaints, litigation against the supplier, reputation of supplier, any product recalls instituted by the United States Consumer Product Safety Commission, the supplier's financial strength and capacity to supply franchisee's needs promptly, reliably, and cost effectively. All vendors and suppliers must be approved in writing by us and may be disapproved by us anytime thereafter. If Franchisee desires to purchase unapproved furnishings, fixtures, equipment, products, supplies or services from unapproved vendors, Franchisee shall submit to us a written request for such approval. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by email or any other form of written communication. We shall have the right to require, as a condition of our approval and review, that our representatives are permitted to inspect the facilities of the proposed vendor and that the proposed item is delivered to us or our designee for testing. The cost of such inspection and testing shall be paid by Franchisee, vendor or supplier and we shall not be liable for damage to or for the return of any sample and Franchisee may be responsible for the product, vendor and supplier assessment fee as described in Section X.J of this Agreement. We reserve the right, at any time, to re-inspect the facilities and to retest any furnishing, fixture, piece of equipment or product of any approved vendor and to revoke any approval if the vendor fails to continue to meet our standards.

4. Franchisee will not make any claims against us or our affiliates with respect to any vendor and/or related supplier for furnishings, fixtures, equipment, products, supplies or services (as described above) necessary for the operation of the Business (and/or our designation of, or our relationship with, any vendor/supplier/products). WE MAKE NO WARRANTIES REGARDING ANY VENDOR, FURNITURE, FIXTURES, EQUIPMENT, PRODUCTS OR SUPPLIES, AND HEREBY DISCLAIM THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, THE IMPLIED WARRANTY OF QUALITY OF COMPUTER PROGRAMS, THE IMPLIED WARRANTY OF SYSTEM INTEGRATION, AND THE IMPLIED WARRANTY OF INFORMATIONAL CONTENT. Any claim with respect to any vendor-related and/or similar matters shall be made only against the vendor in question. Franchisee will provide us with written notice prior to taking any action in connection with such a claim. We will use diligent efforts to assist Franchisee in resolving any disputes with vendors approved and/or designated by us.
5. Franchisee will be required to purchase, use and/or offer for sell all branded merchandise or Proprietary Products developed by us, which will be listed in the Operations Manual. The term “Proprietary Products” is defined as all products (including our line of mattresses that have been developed and manufactured by us), supplies, marketing materials, and branded products (including our privately labeled products which are different types of bedding merchandise developed by a third-party vendor and carry our brand) and/or equipment all of which must be purchased by the Franchisee directly either from us, our affiliates or approved vendors, unless the Franchisee has submitted and received written approval from us to use an alternate supplier. Failure of Franchisee to use and/or offer our Proprietary Products may result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
6. Franchisee acknowledges that we do not now, but may in the future, require Franchisee to maintain in inventory a minimum representation of products and Proprietary Products in its Business. “Minimum Representation” shall be defined as the continuous maintenance of an amount of products and/or Proprietary Products meeting requirements as defined in the Operations Manual. Franchisee shall at all times comply with our Minimum Representation requirements, if any, and the terms of any auto-ship requirements (currently we do not have any auto-ship requirements; however, we do require that Franchisee purchase updates for all advertising, promotional and marketing materials and miscellaneous forms when designated as mandatory by us and as specified in the Operations Manual). If we require Franchisee to carry a Minimum Representation of products or Proprietary Products in the future, we will provide Franchisee with written notice, and Franchisee will have ninety (90) days to comply with such requirement. If a particular product does not sell well in the Franchisee’s Business, Franchisee may request that that specific item be removed from the Business and the required Minimum Representation list (if applicable). We shall approve or deny Franchisee’s request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee’s written request. Such approval or disapproval shall be made by e-mail or any other form of written communication.

Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
8. Franchisee may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights to distribute any furnishings, fixtures, equipment, products and/or Proprietary Products inside or outside of Franchisee's Territory without our written consent. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
9. Franchisee shall not manufacture or produce any type of furnishing, fixture, piece of equipment or product that is similar to, or competes with any of our furnishings, fixtures, equipment, products, Proprietary Products, or third-party product, or in any channel of distribution selling similar furnishings, fixtures, or products without the advanced written consent of us or manufacturer, which may be granted or denied in our or the manufacturer's sole discretion. Rejected furnishings, fixtures, equipment, and products must be returned to the manufacturer or vendor within three (3) business days of the date on which manufacturer or vendor authorizes the return or as manufacturer specifies.
11. Notwithstanding anything to the contrary contained in this Agreement, Franchisee acknowledges and agrees that, at our sole option, we have and will continue to establish one or more strategic alliances or preferred vendor programs with one or more nationally or regionally-known suppliers who are willing to supply all or some Snooze® Mattress Co. businesses with some or all of the furnishings, fixtures, equipment, products, supplies or services (as defined above) that we require for use and/or sale in the development and/or operation of the Business. In this event, we may limit the number of approved vendors and/or suppliers with whom Franchisee may deal, designate sources that Franchisee must use for some or all of the above items and/or refuse any of Franchisee's requests to approve vendors or suppliers if we believe that this action is in the best interest of the System. We shall have sole discretion to approve or disapprove of the vendors or suppliers who may be permitted to sell such items to franchisees.
12. Franchisee agrees to purchase, use, maintain and update at Franchisee's expense all technology items (as described above) and software that meet our specifications, as may be modified from time to time. We reserve the right to have independent access to all information that Franchisee stores in any POS system, computer, laptop, tablet, camera surveillance system and any software related to the Business. Supplier and/or

licensor charges for use, maintenance, support and/or updates of such required items are the Franchisee's responsibility.

13. Franchisee may be required to use our proprietary software for the operation of the Store (currently not in effect). If we develop proprietary software and require Franchisee to use such proprietary software, we will provide Franchisee with a ninety (90) day written notice to purchase (if applicable) and use such proprietary software for the operation of the Store. If developed, we will provide all update and upgrade requirements for the proprietary software, as necessary. The installation, maintenance, repairs, and upgrade costs for the proprietary software will be the responsibility of the Franchisee. Usage of any proprietary software ("Software"), if developed, will be subject to the following terms:
 - a. Franchisee will use our Software on a computer that: (i) meets our computer hardware specifications; and (ii) is located at your Store or on a backup system if the original computer is inoperable. Franchisee will be licensed to use our Software only for Franchisee's internal, in-house data processing and data communications purposes and only in connection with the Store and not for re-marketing or redistribution under any circumstances;
 - b. Franchisee acknowledges and agrees that we (or any of our affiliates) will be the sole and exclusive owner of all right, title, and interest in and to our Software, including all trade secrets and copyrights related to the Software, subject only to the rights we expressly license to Franchisee in this Agreement. This license will not provide Franchisee with title or ownership of the Software, but only a limited right of use. Franchisee agrees that Franchisee will not contest or otherwise seek to share, diminish, or invalidate our ownership rights in our Software. We retain all rights to prepare derivative and interactive works from our software;
 - c. Franchisee will not modify the Software in any way without our prior written consent. Franchisee will promptly disclose to us all ideas and suggestions for modifications or enhancements to the Software that Franchisee conceives or develops, and we will have the right to use such ideas and suggestions. The term "all copyrights and other intellectual property rights" shall mean all means, methods, and processes, by all media whether now known or hereinafter invented, including complete and entire interactive rights and rights to derivative works. This Agreement shall be a work for hire. In the event that a court of competent jurisdiction holds that this Agreement is not a work for hire, then the Franchisee agrees to execute all documents that we deem is necessary to assign all copyright and other intellectual property rights to us. All modifications or enhancements made to the Software will be our property and belong exclusively to us, without regard to the source or creator of the modification or enhancement, however we may provide incentive programs for such contributions;
 - d. We will have the right at all times to access Software and to retrieve, analyze and use all the data related to the Business in Franchisee's files stored on Franchisee's POS system, computers, laptops, tablets or any other computer system or device. Additionally, Franchisee will electronically transfer all files and reports related to the Business to us on our request. All information related to the Business that Franchisee stores in any POS system, computer, laptop, or tablet shall become our confidential and proprietary information, constitutes our trade secrets, and is

- e. Franchisee and Franchisee's employees will not make available the Software, or portions thereof, to any person other than Franchisee's or our employees without our prior written consent. Franchisee agrees that Franchisee will not: (i) copy the Software except as necessary for use in the Store; (ii) translate, reverse engineer, reverse compile, disassemble, modify, alter, or change, or create derivative works based on the Software; or (iii) sublicense, rent, lease, sell, convey, assign, or otherwise transfer the Software or any portion thereof, or any rights therein, to any person or entity. Failure to adhere to these guidelines or allowing unauthorized usage of the Software may result in termination of this Agreement as specified in Section XXIII.C of this Agreement;
- f. Franchisee acknowledges and agrees that the Software, if developed, will be our valuable, proprietary product, the design and development of which took the investment of considerable time, money, and effort of skilled computer programmers. Franchisee will keep the Software and any data generated by the use of the Software confidential during and after the term of this Agreement and will maintain security precautions to maintain the secrecy of the Software and to prevent unauthorized access or use of the Software. Franchisee agrees that it will treat the Software as confidential, and that the Software will contain substantial trade secrets of ours that we have entrusted to Franchisee in confidence to use only as we authorize under this Agreement. We hereby claim and reserve all rights and benefits afforded under copyright law, patent law, trade secret law, intellectual property law and other laws relating to confidential and proprietary material. Franchisee agrees not to improperly use, disseminate, or disclose the Software, and to ensure that Franchisee's employees who gain access to the Software will protect the Software against improper use, dissemination, or disclosure;
- g. ANY SOFTWARE SHALL BE PROVIDED ON AN "AS-IS" BASIS WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL WARRANTIES AGAINST INFRINGEMENT ARE HEREBY DISCLAIMED EXCEPT WE REPRESENT THAT WE HAVE SUFFICIENT AUTHORIZATION TO LICENSE THE SOFTWARE TO FRANCHISEE. WE DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE MEET FRANCHISEE'S REQUIREMENTS OR THAT THE USE OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. WE MAKE NO WARRANTIES THAT THE SOFTWARE IS FREE FROM BUGS, VIRUSES, TROJAN HORSES, OR WORMS. WE DISCLAIM THE IMPLIED WARRANTY OF FITNESS, THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF QUALITY OF COMPUTER PROGRAMS, THE IMPLIED WARRANTY OF SYSTEM INTEGRATION, AND THE IMPLIED WARRANTY OF ACCURACY OF INFORMATIONAL CONTENT. WE MAKE NO WARRANTY REGARDING ANY OPEN-SOURCE SOFTWARE OR CODE CONTAINED IN THE SOFTWARE. In no event will we be liable to you for damages, including any lost profits, lost savings, or other incidental or consequential damages, relating to the use of or inability to use the Software, even if we have been advised of the possibility of such damages, or for any claim by any other party. The foregoing

limitations of liability are intended to apply without regard to whether other provisions of this Agreement have been breached or proven ineffective;

- h. Franchisee acknowledges and agrees that Franchisee's license to the Software will terminate immediately and automatically should Franchisee fail to adhere to any of Franchisee's obligations under this license or if this Agreement expires or is terminated for any reason;
 - i. Franchisee acknowledges and agrees that any violation by Franchisee of the provisions of the Software license would cause us irreparable harm for which we would have no adequate remedy at law; and that, in addition to other remedies available to us, we will be entitled to seek injunctive relief against any such violation;
 - j. In the event Franchisee fails to adhere to any of Franchisee's obligations under this Agreement, or is no longer a franchisee of ours, or this Agreement expires or terminates for any reason, Franchisee will immediately (within five (5) days) terminate the use of the Software and destroy any and all material or information related to the Software or any data generated by use of the Software unless we specifically instruct otherwise; and
 - k. Franchisee must update all POS systems, computers, laptops, and tablets upon our request to optimize performance of the Software.
14. Franchisee acknowledges that neither we nor our affiliates, will have any liability and/or obligation (and neither you or any managing partners, managing members, members, shareholders or other Owners of Franchisee will make any claims) about any loss of data, loss of information, inability to use, failures, errors, bugs, viruses, Trojan horses, worms, loss of data, or any other occurrences relating to any POS system, computer, laptop, tablet or system hardware, or software without an express written warranty from us, even if recommended or specified by us. Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting themselves from these problems. Franchisee must also take reasonable steps to verify that information about Franchisee's suppliers, lenders, landlords, customers, and governmental agencies on which Franchisee relies, is reasonably protected. This may include taking reasonable steps to secure Franchisee's systems, including, but not limited to, firewalls, access code protection, anti-virus systems and use of backup systems.
15. We may set standards or specifications for leases and real estate, at our discretion. We have set standards and specifications for the construction, buildout, and layout of the Business; and all furnishings, fixtures, equipment, décor items and signage used, including our subjective determinations relating to quality, value, and appearance.

Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of any particular furnishing, fixture, piece of equipment, product or supply, nor shall any provision herein imply or establish an obligation on our part and our affiliates to sell furnishings, fixtures, equipment, products or supplies to Franchisee if Franchisee is in arrears on any payment to us, our affiliates, or any other designated vendor or approved supplier, or otherwise is in default under this Agreement. If Franchisee fails to pay for each shipment of items purchased, we or our affiliates shall not be obligated to sell such items to Franchisee.

J. Use Approved Design and Signage for Store

In operating a Snooze[®] Mattress Co. business, Franchisee must adhere to our site design requirements and signage standards and utilize such signage designs (including on any vehicle if Franchisee chooses to use a vehicle to advertise the Business) in accordance with our standards and specifications or required by us. Franchisee may use an approved supplier for signage or submit an alternate supplier to us for our approval. Franchisee shall purchase or lease, subject to local building codes and regulations, such signs that provide maximum displays of our Names and Marks. Franchisee shall be solely responsible for obtaining and equipping the Store with the signage that is approved for use by us from time to time. The color, size, design, and location of said signage shall be as specified and/or approved by us. Franchisee shall not place additional signs, posters, newspaper racks, video games, juke boxes, gaming machines, gum machines, games, rides, vending machines or other similar devices and décor items in the Store without our prior written consent.

K. Participation in the Operation of the Business

Franchisee acknowledges that a Snooze[®] Mattress Co. business involves hard work and sometimes long hours, similar to most small businesses that are owner operated. Franchisee acknowledges that we have not represented that this business is going to be easy for Franchisee (or any of its Owners) and agrees to participate in the day-to-day operation of the Business. Franchisee may assign the supervision of the Business to an Owner or Store Manager once approved by us. Franchisee agrees that the Store Manager will supervise all Employees. The Store Manager will also be responsible for providing continuing guidance, oversight, day-to-day management, instruction and properly processing all reports or complaints.

L. Advertising the Business

Franchisee agrees to create a local advertising and marketing plan by which Franchisee shall place local advertising in any media it desires, provided that such advertising conforms to the standards and our requirements as set forth in our Operations Manual or otherwise designated by us. Such advertising may include but is not limited to: any type of media (media advertising includes on any Website as further described below), telephone, email, Internet, domain name, electronic network, directory, and listings of the Store per our written approval. All items mentioned are our property and upon expiration or termination of this Agreement will revert to us. Franchisee agrees to execute any and all documents needed to perfect such reversions. Franchisee shall not advertise the Store in connection with any other business, except with our prior written approval. Franchisee shall obtain our prior approval of all unapproved advertising and promotional plans and materials (including photographs and video presentations) that Franchisee desires to use thirty (30) days before the start of any use of such plans. Franchisee shall submit such unapproved plans and materials to us (by personal delivery, through the mail with return receipt if requested or any method we prescribe). Franchisee shall not use such plans or materials until they have been approved by us and shall promptly discontinue use of any advertising or promotional plans and material upon our request. Any plans or materials submitted by Franchisee to us, that have not been approved or disapproved in writing, within such thirty (30) day period shall automatically be deemed not approved.

Franchisee will not independently advertise or promote in any media (including on any Website as defined in Section VI) without our prior written approval, except when using materials previously approved by us. We, our affiliates and/or approved vendors will perform all web page content revision and Franchisee is responsible for any costs related to such revisions. Any requests for changes, edits or updates to Franchisee's web page or any type of website promotion over the Internet must be approved by us in writing. We shall approve or deny Franchisee's request by e-mail or any other form of written communication, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Franchisee will participate in and cooperate with all advertising and promotional programs that we or any advertising group of franchisees selects at its own expense, including any franchise marketing council that we may implement. Franchisee is not required to follow or maintain any pricing for Products

or rates for Services except that we will set minimum and maximum rates and/or prices and will suggest rates and pricing to the extent allowed by law.

Franchisee shall at all times use its best efforts to promote and increase recognition of the Products and Services offered by the Store pursuant to the System and Operations Manual, to affect the widest and best possible distribution of Products and Services from the Store and to devote its best efforts to growing the Business.

M. Maintain Regular Business Hours

We require that Franchisee's Store be open for business seven days a week from 10am to 8pm Monday thru Friday, 10am to 7pm on Saturdays and from 11am to 6pm on Sundays, except for holidays (as specified in the Operations Manual). The only exception to the above is if Franchisee is given written permission by us to operate at a lesser period; or if the hours of operation for the Store are required by the lease of the premises on which the Store is operated after an attempt to change such provision by negotiation with landlord. It is required that Franchisee maintains a telephone answering system to take messages and monitor an e-mail address for the Business.

N. Maintain Uniform Operating Standards

Franchisee understands and acknowledges that every detail in the operation of the Store is important to the Franchisee, us, and other franchisees in order to develop and maintain uniform operating standards, to increase the demand for the Products and Services offered by the Business under the System, and to protect our trademarks, service marks, reputation, and goodwill.

Franchisee acknowledges and agrees that the System must continue to evolve in order to reflect current regulations in the retail industry, changing market conditions and meeting new and changing customer demands. As a consequence, changes, modifications, and variations to the System's standards may be required from time to time to preserve and enhance the public image of the System and enhance the operational efficiency of all franchises.

Franchisee therefore agrees that we may periodically and upon written notice, add to, modify or change the System, including without limitation making changes to our Products, Services, programs (such as our Warranty, Community Give-Back and Loyalty Programs) Franchisee is authorized to offer, perform and sell; equipment, furnishings, fixtures, products, operational strategies, procedures and methods used in the operation of the Business; purchasing strategies, inventory requirements, merchandising, presentation standards, vendors and suppliers; the adoption and use of new or modified trademarks, uniform dress requirements, signage, software, customer service, customer acquisition programs, sales presentations, advertising, promotion and marketing materials. Franchisee promises to promptly accept, implement, use, and display in the operation of the Store, all such additions, modifications, and changes at Franchisee's expense.

Franchisee agrees to maintain high standards of honesty, integrity, fair dealing, and ethical conduct in all business activities. Franchisee will not engage in any services, trade practices, abusive, excessive, or illegal collection techniques or other activity; or sell any product or offer any service which we determine to be harmful to our goodwill or to reflect unfavorably on us or our reputation, the Franchised Business, or the Products sold and Services offered; or which constitutes deceptive or unfair competition, results in unfounded litigation against Franchisee's customers or otherwise is in violation of any applicable laws. The above limitations are closely related to the business image, purpose, and marketing strategy of the System, and therefore any change therefrom would fundamentally change the nature of the Business.

We will not require Franchisee to make any changes, modifications and/or variations to the System that are not required of all franchisees (unless such change, modification or variation relates only to certain

franchisees due to one or more unique factors such as geographic location, local laws, regulations, or customs); further we may periodically meet with representative groups of franchisees and solicit their input prior to the implementation of any material change or modification. Franchisee's failure to comply with additions, modifications, or changes to the System within ninety (90) days of such written notice is an incurable default as described in Section XXIII.C of this Agreement.

O. Telephone Number of Business and Web Page

Franchisee understands and agrees that the telephone number(s), URL address, web page and if permitted, Website for the Business (in addition to any mobile phone numbers used for the Business) constitute a part of the System and are subject to the restrictions of this Agreement. Accordingly, Franchisee shall not change the telephone number(s), URL address, web page or Website for the Business without prior notice and our written approval. Franchisee shall advertise and publicize the telephone number(s), URL address, web page and Website for the Business in the manner prescribed by us. As stated above, all telephone numbers, URL addresses, web page, Websites, Internet or similar connections, directory and listings for the Franchise are our property and upon expiration or termination of this Agreement, will revert to us.

P. Disclose Discoveries and Ideas to Franchisor

Franchisee shall promptly disclose to us all products, equipment, discoveries, concepts, methods, techniques, recipes, formulas, processes, programs, video presentations, photographs, promotions, operational procedures, inventions or ideas, whether patentable or not, relating to our business, which are conceived or made by Franchisee or any Owner, agent, employee or independent contractor of Franchisee solely or jointly with others, during the term of this Agreement, whether or not our facilities, materials, or personnel are utilized in the conception or making of such discoveries or ideas. Franchisee hereby acknowledges and agrees that all such products, equipment, discoveries, concepts, methods, techniques, recipes, formulas, processes, programs, video presentations, photographs, promotions, operational procedures, inventions, or ideas are our exclusive property, and that we shall have no obligation to compensate the Franchisee for any such item, discovery, or idea. However, as a matter of corporate policy, we may, in our sole discretion, create an incentive program to reward Franchisee, its officers, directors, managers, members, partners or shareholders for any such new product, equipment, discovery, concept, method, technique, recipe, formula, process, program, video presentation, photograph or improvement that we implement throughout the System. Franchisee, its officers, directors, managers, members, partners, or shareholders agree to execute all documents deemed reasonably necessary by us to assign all such patent, trade secret, trademark, and copyright rights in any Franchisee discovery or idea to us. Franchisee, its officers, directors, agents, and employees agree to execute any and all documents deemed reasonably necessary by us to carry out such assignment. The term "all copyright and intellectual property rights" shall mean all means, methods, and processes, whether now known or hereinafter invented, by all media whether now known or hereinafter invented, including complete and entire interactive rights and rights to derivative works. The purpose of this clause is to ensure that any such items and/or ideas for improvements to the System that may be generated by franchisees within the System will be distributed to the other franchisees as a benefit of belonging to the System. The Franchisee agrees to execute all documents that we deem reasonably necessary to carry out such transfer of intellectual property rights to us.

Q. Permit Franchisor to Enter Business

Franchisee shall permit us and our agents or representatives to enter the Store at any time without notice during normal business hours for the purpose of conducting inspections of the Business (which includes photographing and taking video or digital recordings of the operations of the Business and execution of Services for observation purposes) and to remove samples of equipment or products, without payment, for our review to determine if such samples meet our then-current standards. We have the right to require that Franchisee's Store Manager be at the Business for any inspection we, our affiliates or third

parties conduct. In addition, we may use secret shoppers to inspect and ensure that unauthorized furnishings, fixtures, equipment, products, supplies and services (as described in Section XII.I) are not being used, offered, or sold. Franchisee shall cooperate fully with our representatives in such inspections by rendering such assistance as they may reasonably request, and, upon notice from us or our agents, and without limiting our other rights under this Agreement, shall take such steps as may be deemed necessary to immediately correct any deficiencies detected during such inspections. In the event Franchisee fails or refuses to promptly correct any deficiency detected during such inspection, we shall have the right to make or cause to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand. The foregoing shall be in addition to any other remedies we may have pursuant to this Agreement.

Franchisee may buy or lease the required real property and improvements from any source and on terms approved by us in writing. Franchisee may not sign a lease (or a contract to purchase the premises, if applicable) for the Business until Franchisee has obtained our written approval. Franchisee must not invest any monies for a site in which Franchisee wishes to open a Business until Franchisee has obtained our written approval for the site which will be made by email or any other form of written communication. On the execution of any lease for the Business, Franchisee will deliver to us a copy

of the executed lease and an option to assume the lease executed by the lessor in favor of us in a form acceptable to us. All improvements to the Business must be approved by us.

Franchisee acknowledges that we have spent a considerable amount of time choosing and creating the decoration and outfitting the Snooze[®] Mattress Co. business. It is part of our trade dress. Franchisee acknowledges and agrees that the design, layout, signage, and other characteristics of the Store constitute and/or contain Confidential Information and/or our trade secrets. Franchisee shall not execute a lease or sublease for the Business or make any modifications or amendments to the lease or sublease, without our prior written consent, which we may grant, condition, or withhold in our Business Judgment. Franchisee will deliver to us a copy of any lease or sublease for our review at least ten (10) days before execution. Franchisee must deliver a copy of the signed lease or sublease to us within five (5) business days after it is signed. We do not offer legal services to Franchisee and Franchisee is encouraged to consult with independent legal counsel for a legal review of the lease. - 1). Permit Franchisee to operate the Business in accordance with this Agreement and the Manuals;

T. Development and Construction of the Store

Franchisee must select and employ licensed contractors for the Store reasonably acceptable by us for the complete build out and/or any leasehold improvements. Franchisee is solely responsible for the selection and work of any contractor selected and/or employed by Franchisee, even if referred by us, and for the preparation of site design, architectural and working drawings necessary to complete construction and/or build out at the Approved Location. Franchisee will be provided with mandatory requirements and specifications (interior and exterior) for the build out of the Store which includes specifications for Store layout, storage, furnishings, fixtures, equipment, technology items, décor, and signage. We may, if needed, review Franchisee's final set of drawings and plans prior to implementation. Such drawings, plans and specifications are subject to alteration as may be necessary in our sole discretion and Franchisee must be in full and strict compliance with plans and specifications approved by us. Franchisee is responsible for the cost and installation of all build out specifications. We reserve the right to receive rebates, commissions or other forms of consideration from designated or approved vendors and suppliers involved in the construction of Franchisee's Store or supplying furniture, fixtures, technology items, décor and signage for the Store and to use such rebates, commissions or other consideration in any way we deem appropriate in our sole discretion, without obligation to share or remit any portion of such rebates, commissions or other consideration to Franchisee.

We expect that a Snooze® Mattress Co. Business location would need minimal construction improvements. Costs may vary widely depending on such factors as property location, the condition of the property and the extent of alterations required for the property. Franchisee shall be responsible for obtaining all zoning classifications, health, sanitation, clearances, inspections, permits and certifications which may be required by state or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to Franchisee's location. After having obtained such approvals and clearances, Franchisee shall submit to us, for our approval, final plans for construction based upon the preliminary plans and specifications. Once approved by us, such final plans shall not thereafter be changed or modified without our prior written permission. Any such change made without our prior written permission shall constitute a material default under this Agreement and we may withhold our authorization to open the Store until the unauthorized change is rectified (or reversed) to our reasonable satisfaction.

Franchisee shall comply with all federal, state, and local laws, codes, and regulations, including without limitation, the applicable provisions of the ADA regarding the construction, design, and operation of the Business. If Franchisee receives any complaint, claim or other notice alleging a failure to comply with the ADA or other law or regulation related to health or safety, Franchisee agrees that it shall provide us with a copy of such notice immediately or within five (5) days after receipt thereof. Franchisee shall remedy the problem within the required time frame or review with us the matter and comply with our direction regarding the timing and nature of the remedy.

Except as provided in Section IX.A of this Agreement, Franchisee shall construct, furnish, and open the Business according to the requirements contained herein, and Franchisee shall open the Store no later than one hundred eighty (180) days from the Effective Date. Time is of the essence. Prior to opening for operation, Franchisee shall provide us with evidence of lien-free completion of all work (including, without limitation, any and all mechanic liens) and comply with all pre-opening requirements set forth in this Agreement, the Operations Manual and/or elsewhere in writing by us.

Franchisee shall not open the Store for business until we have determined that all construction has been substantially completed, and that such construction conforms to our standards including, but not limited to: materials, quality of work, furnishings, fixtures, equipment, signage, decor, paint, and we have given Franchisee written approval to open, which approval shall not be unreasonably withheld. Our approval to open the Store does not constitute a waiver of our right to require Franchisee to conform the Store to our standards.

U. Training

Prior to Franchisee's opening of the Store for operation, Franchisee, its Owners if it is an Entity, or Store Manager shall complete to our satisfaction our five (5) day initial training program required by this Agreement no earlier than sixty (60) days of the date Franchisee anticipates opening the Store for operation, and successfully complete and/or pass any and all of Franchisor's tests. We may, at our discretion, make available additional training programs, certifications, seminars, as well as refresher courses available to the Franchisee and/or Franchisee's designated individual(s) from time to time. We may, at any time, discontinue management training and decline to certify Franchisee and/or Franchisee's designated individual(s) who fail to demonstrate an understanding of the management training acceptable to us. If Franchisee or Franchisee's designated individual's management training is discontinued by us, Franchisee shall have thirty (30) days to present an alternative acceptable candidate for management training to us. If Franchisee's new candidate does not adequately complete the management training, then we shall have the option of terminating this Agreement. We shall provide instructors and training materials for all required training programs; and Franchisee, its Owners and Store Manager who attend the training shall be responsible for all other expenses incurred in connection with any training programs, including, without limitation, the cost of transportation, lodging, meals, and wages.

V. Ongoing Training and Support

Franchisee shall list us as additional insured on all its policies. Franchisee will procure and maintain general liability insurance (that includes marketing claim insurance) with a minimum policy limit of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate (this policy should also include general tort, premises damage, personal and advertising injury should be at least one million dollars (\$1,000,000) in addition to product liability insurance (covers you for damages that result in injury from Products that you sell and distribute) with a minimum policy limit of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate. Franchisee will also procure property and casualty and employer liability insurance with a minimum policy limit of one million dollars (\$1,000,000) or an amount specified by us. Each insurance policy that we require under this Agreement must contain a provision that the policy cannot be canceled without thirty (30) days' written notice to us.

Franchisee must also procure and maintain "All Risks" or "Special Form" insurance (coverage for the full cost of replacement of the premises and all other property) in addition to an umbrella policy that provides protection beyond existing limits and business interruption insurance to fully insure loss of earnings for a period of one hundred eighty (180) days or longer as we may specify. Franchisee may also need to procure and maintain statutory workers' compensation insurance with limits of greater than one hundred thousand dollars (\$100,000) or the minimum limits required by law.

For any construction, renovation, refurbishment or remodeling of the site, Franchisee may be required to ensure that its general contractor maintain commercial general liability insurance (with comprehensive automobile liability coverage for both owned and non-owned vehicles, builders risk, product liability and independent contractor's coverage) with limits of no less than one million dollars (\$1,000,000) per claim, naming Franchisee and us as additional insureds, as our interests may appear, together with workers' compensation and employer's liability insurance as required by law and as required by the lease. It is Franchisee's responsibility to obtain certificates of insurance from the contractor prior to the initiation of any construction.

To the extent available, we may require Franchisee to acquire: professional liability insurance (covers Franchisee for damages that do not result in property damage or bodily injury), employment practice liability insurance, cyber liability insurance, employee dishonesty insurance, automobile liability insurance (with coverage of owned and hired vehicles with minimum coverage in amounts not less than one million dollars (\$1,000,000) combined single limit (bodily and property damage) or what is in accordance with Franchisee's state guidelines) as well as other disability benefits type insurance as may be

required by the statute or rule of each state, with policy limits of one million dollars (\$1,000,000) or in the amount we specify.

All insurance policies will name Franchisee as certificate holder and us and our affiliates as an additional named insured with waiver of subrogation by Franchisee for our benefit. We may establish minimum standards for coverage to be met by underwriters for insurance. Before beginning operations, Franchisee will obtain any other liability insurance required by law, provide us with certificates of insurance and a complete copy of all insurance policies within ten (10) days of issuance and maintain all required insurance during the term of this Agreement. Franchisee shall also furnish us with certificates and endorsements evidencing insurance coverage within ten (10) days after each of the following events (i) at all policy renewal periods, no less often than annually and (ii) at all instances of any change to, addition to or replacement of any insurance. Lapses, alterations, or cancellations require immediate notice to us and shall, in our sole discretion, be deemed an immediate material breach of this Agreement as set forth in Section XXIII.C. If Franchisee fails to obtain the required insurance and to keep the same in full force and effect, we may, but shall not be obligated to, pay the premiums, or acquire insurance, and bill Franchisee. Franchisee shall reimburse us for the full cost of such insurance, along with a reasonable service charge to compensate us for the time and effort expended to secure such insurance. We may change these insurance requirements on reasonable notice to Franchisee.

Franchisee's insurance will cover all claims for injury, damage, and death or otherwise, arising directly or indirectly out of the Franchised Business.

Franchisee shall notify us immediately in writing of the occurrence of any material event that does or could give rise to an insurable claim by Franchisee or the Franchised Business, and no later than the date on which Franchisee notifies its insurance carrier.

We reserve the right to change or modify (including increasing) the required minimum coverage limits. We make no representation or warranty to Franchisee that the amount of insurance to be carried by Franchisee under the terms of this Agreement is adequate to fully protect Franchisee's interest. If Franchisee believes that the amount of any such insurance is insufficient, Franchisee is encouraged to obtain, at its sole cost and expense, such additional insurance as it may deem desirable or adequate. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Business. Franchisee acknowledges that we shall not, by the fact of approving, disapproving, waiving, accepting, or obtaining any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of such insurance, the solvency of any insurance companies or the payment or defense of any lawsuit in connection with such insurance coverage, and Franchisee hereby expressly assumes full responsibility therefore and all liability, if any, with respect thereto.

Franchisee's compliance with insurance requirements shall not relieve Franchisee of its liability under the indemnity provisions of this Agreement, Section XVIII. Obligations to maintain insurance coverage will not be affected by reason of any separate insurance maintained by us, nor will the maintenance of such insurance relieve Franchisee of any obligations under this Agreement.

Franchisee shall also acquire tenant's liability insurance (if applicable); any other insurance required by the state or locality in which the Store is located and operated, in such amounts as required by statute; and other insurance coverage, as we or the landlord may reasonably require.

Franchisee shall furnish us with certified copies of each of the insurance policies described above on either the earlier of the opening of the Business for operation or one hundred eighty (180) days following the date this Agreement is executed (whichever comes first).

Franchisee must keep the methods of operations (confidential information found in the Manuals and other documents) and Manuals confidential and not disclose them except to Franchisee's Employees, agents, and representatives, as they must have access to it in order to operate a Snooze[®] Mattress Co. business. Franchisee is encouraged to follow our security procedures, which include the execution and delivery to us of approved nondisclosure or non-competition agreements from each Store Manager within one week after they are hired. These agreements state that such person shall not during the course of his/her employment, representation, or agency with Franchisee, or for a period of three (3) years thereafter, use, divulge, disclose, or communicate, directly or indirectly, in any form or manner, to any person, firm or corporation or other Entity, any of our Confidential Information.

The Operations Manual (and all other manuals) are, and remain, our exclusive property. We will loan Franchisee one copy (hard or electronic) of the Operations Manual for the term of this Agreement. Franchisee must return the Operations Manual (and/or destroy any electronic versions of the Operations Manual) to us at the termination or expiration of this Agreement for any reason, or at any other time at our request. The Operations Manual contains mandatory and suggested specifications for the Business, merchandising, service standards and operating procedures and further defines Franchisee's other obligations under this Agreement. We may change or add to the Operations Manual to reflect changes in our image, specifications, and procedures and methods of operation, and will lend Franchisee copies of any changes or additions. However, we will not make any change that will change Franchisee's fundamental status and rights under this Agreement. Franchisee shall not copy any part of the Operations Manual (except

for designated training sections), either physically or electronically. If Franchisee's copy of the Operations Manual is lost, destroyed, or significantly damaged, Franchisee must replace the Operations Manual at its own expense as set forth in Section XX.G.

C. Relationship with Former Franchisees

Franchisee acknowledges that former franchisees (those whose franchise agreements have expired or have been terminated) are in a position to compete unfairly with Franchisee and/or other members of the System and to cause great injury to the reputation of the System and the Names and Marks. Franchisee therefore agrees as follows:

1. Franchisee will not sell, loan, give or otherwise transfer or deliver to any former franchisees or allow any former franchisee to copy or otherwise obtain, any Confidential Information; any advertising or promotional materials produced by us or which bear any of our Names and Marks; any other materials or publications of ours, including, without limitation, the Operations Manual; any directory or roster of franchisees or approved vendors and suppliers, any other customer lists or mailing lists pertaining in any way to the System; or any other information about the System, business or Confidential Information which is not available to the public.
2. Franchisee will not refer actual or prospective customers, vendors, or suppliers to any former franchisee.
3. Franchisee will not notify or advise any former franchisee or in any other way assist any former franchisee in learning about, the date, time, and place of any meetings of franchisees.
4. If Franchisee observes any former franchisee using any of the Names and Marks in any way or utilizing a business facility (including any vehicles) for which the Names and Marks and/or distinctive color scheme have not been completely obliterated, Franchisee shall immediately report such observations to us along with all details available to Franchisee.
5. Franchisee shall in general have no dealings with former franchisees which Franchisee, under this Agreement, could not have with a person who has never been a Snooze[®] Mattress Co. franchisee.
6. The provisions of this Section XVI.C shall apply to Franchisee as soon as Franchisee is on notice of the expiration or termination of another franchise agreement. Franchisee shall be deemed to be on such notice when:
 - i. Franchisee receives a new franchisee directory in which such franchisee does not appear; or
 - ii. Franchisee receives written notice from us that one or more particular franchises have expired or has been terminated.

D. Injunctive Relief is Available to Franchisor

Franchisee acknowledges that any failure to comply with the requirements of this Section XVI will cause us irreparable harm, and we shall be entitled to obtain specific performance of, or an injunction against any violation of, such requirements; Franchisee waives any requirements for the posting of any bond(s) relating thereto. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by us in obtaining specific performance of, or an injunction against, violation of requirements of this

Section XVI. The foregoing remedies shall be in addition to any other legal or equitable remedies, which we may have.

E. Franchisor's Patent Rights and Copyrights

We do not own rights in or to any patents that are material to the Franchise at this time. However, we claim copyright protection for the Operations Manual, Software (if developed), Products, product specifications, operational strategies, forms, business procedures, signage, website (including Franchisee's web page) and all promotional and marketing materials (including photographs and videos), sales, advertising, and operations materials. Such copyright ownership shall extend to all media, whether now known or hereinafter invented, by all means, methods, and processes, whether now known or hereinafter invented, including rights to interactive works, and derivative works. Furthermore, we claim rights to certain trade secrets and Confidential Information as discussed above.

F. Franchisee Shall Not Contest the Franchisor's Ownership Right to Any Confidential Information, Trade Secrets, Patents or Copyrights

Franchisee expressly understands and acknowledges that:

1. We are the owners of our Confidential Information, trade secrets, copyrights, and patent rights;
2. Franchisee shall not directly or indirectly contest the validity or the ownership of the Confidential Information, trade secrets, copyrights, and patents licensed to the Franchisee pursuant to this Agreement, and its successors;
3. Franchisee's use of our Confidential Information, trade secrets, copyrights, and patents does not give Franchisee any ownership interest or other interest in or to the Confidential Information, trade secrets, copyrights, and patents, except the non-exclusive Franchise granted herein;
4. Any goodwill arising from Franchisee's use of the Confidential Information, trade secrets, copyrights, and patents in its Business under the System shall inure solely and exclusively to our benefit, and upon expiration or termination of this Agreement and the Franchise herein granted, no monetary amount shall be assigned as attributable to any licensed Confidential Information, trade secrets, copyrights, and patents;
5. We reserve the right to substitute different Confidential Information, trade secrets, copyrights, and patents for use in operating and maintaining the System;
6. Franchisee hereby agrees to comply, at Franchisee's expense, with any directions from us to discontinue, modify, substitute, or add any new Confidential Information, trade secrets, copyrights, and patents. We cannot and do not make any guaranty that any modification or discontinuation of any aspect of the System or any other System related change will not be required. In any such event, we have no liability to Franchisee. Franchisee agrees to make no claim in connection with any modification, discontinuance, or other action, and/or with any dispute regarding any licensed Confidential Information, trade secrets, copyrights, and patents;
7. Franchisee hereby agrees not to register or attempt to register any Confidential Information, trade secrets, copyrights, or patents in Franchisee's name or that of any other firm, person, or corporation; and

8. The right and license of the Confidential Information, trade secrets, copyrights, and patents granted to Franchisee is nonexclusive, and we thus have and retain the right, among others:
 - a. To use the trade secrets, Confidential Information, patents, and copyrights in connection with selling Products and offering Services;
 - b. To use the trade secrets, Confidential Information, copyrights, and patents to market on the Internet, including all use of Websites, domain names, URL's, linking, advertising, and co-branding arrangements;
 - c. To grant other licenses for the trade secrets, Confidential Information, copyrights, and patents, in addition to those licenses already granted to existing franchisees; and
 - d. To develop and establish other systems using similar trade secrets, Confidential Information, patents, and copyrights, and to grant licenses or franchises thereto at any location(s) whatsoever without providing any rights therein to Franchisee.
9. Franchisee understands and acknowledges that we have the unrestricted right to engage, directly or indirectly, through our employees, representatives, licensees, assigns, agents and others, at wholesale, retail and otherwise, in the production, distribution and sale of Products and equipment (if we choose to sell equipment in the future) bearing the trade secrets, Confidential Information, patents and copyrights licensed, including without limitation, any products and/or equipment included as part of the System.

XVII. SPECIFIC OBLIGATIONS OF FRANCHISEE RELATING TO TAXES, PERMITS AND LAWSUITS

A. Franchisee Must Notify Franchisor of Lawsuits

Franchisee shall notify us in writing within five (5) days of notice of the commencement of any action, suit, or proceeding against Franchisee (including if Franchisee or any of its Owners are charged with or found guilty of a felony as defined in its state), and of the issuance of any inquiry, subpoena, order, writ, injunction, award or decree of any court, agency, or other governmental instrumentality, which arises out of, concerns, or may affect the operation or financial condition of the Store, including, without limitation, any criminal action or other proceedings brought by Franchisee against its Employees, customers or other persons. Franchisee shall give advance written notice of Franchisee's intent to institute legal action against us, specifying the basis for such proposed action, and shall grant us thirty (30) days from receipt of said notice to cure the alleged act upon which such legal action is to be based.

B. Franchisee Must Pay Taxes Promptly

Franchisee shall promptly pay when due all taxes levied or assessed, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of any kind incurred by Franchisee in the conduct of the Store. Franchisee shall pay us an amount equal to any sales tax, gross receipts tax or similar tax imposed on us with respect to any payments to us required under this Agreement, unless tax is credited against income tax otherwise payable by us.

C. Franchisee May Contest Tax Assessments

In the event of any bona fide dispute as to any liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law. However, in no event shall Franchisee permit a tax sale or seizure

by levy of execution or similar writ or warrant, lien, or attachment by a creditor to occur against the premises of the Store, or any improvements thereon.

XVIII. SPECIFIC OBLIGATION OF FRANCHISEE RELATING TO INDEMNIFICATION

Franchisee understands and agrees that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name or the name of any of our officers, owners, members, agents, directors, shareholders, or employees. Franchisee further understands and agrees that we, and our officers, owners, members, agents, directors, shareholders, and employees, shall in no event have or assume liability for, or be deemed liable as a result of, any such action, or by reason of any act or omission of Franchisee in its conduct of the Business or any claim or judgment arising there from against Franchisee.

For the purposes of this indemnification, the terms “claim,” “loss” or “obligation” will include compensatory, exemplary, or punitive damages, fines and penalties, attorneys’ fees, experts’ fees, court costs, costs associated with investigating and defending against claims, settlement amounts, judgments, compensation for damages to our reputation and goodwill, and all other costs associated with any of the foregoing claims, losses, or obligations.

Franchisee shall defend, indemnify and hold us and our officers, owners, members, agents, directors, shareholders and employees harmless against all fines, suits, proceedings, claims (including but not limited to, any safety and security claims, claims of injury, claims of theft, claims arising as a result of the operation and/or maintenance of any equipment and/or vehicles, claims of neglect, abuse, death, vicarious or other liability), demands, actions, losses, damages, costs, expenses, fees (including legal fees, disbursements and related expenses), penalties and/or any other liability of any kind or nature, however arising, growing out of or otherwise connected with and/or related to any act, error and/or omission of Franchisee (including Franchisee’s ownership, operation and/or management of the Business) and/or any referral, service provider, supplier or other agent/independent contractor or employee of Franchisee including acts, errors or omissions committed or incurred, negligent or intentional acts in connection with Franchisee's operation of the Business and infringement, violation or alleged infringement or violation of any Mark, patent or copyright or any misuse of the Confidential Information. This provision includes any liability arising from labor or employment law violations as well as any liability related to joint employer claims and harassment claims. This provision includes all claims as indicated above, of us, directly against Franchisee (without a third-party involvement) due to acts or omissions of Franchisee in which we suffer damages including but not limited to, harm to our goodwill and reputation.

We will have the right to control all litigation, including selection and management of counsel and to defend and/or settle any claim, against and/or including us and/or our-related persons/entities, or affecting our and/or their interests with no obligation to Franchisee and without affecting our rights under this indemnity or otherwise. Franchisee may appoint separate independent counsel to represent Franchisee’s interest in such suits, proceedings, claims, etc., all at Franchisee’s expense. Franchisee’s indemnification obligations survive termination of this Agreement.

XIX. MISCELLANEOUS COVENANTS OF FRANCHISEE

A. Covenants are Independent

The Parties agree that each covenant herein shall be construed to be independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Agreement is held to be unenforceable or unreasonable by a court or agency having competent jurisdiction in any final decision to which we are a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resultant covenant were separately stated in and made a part of this Agreement.

B. Franchisee's Principals

The term "Franchisee's Principals" shall include, collectively and individually, Franchisee's spouse, if Franchisee is an entity, all managing partners, general partners, members, managers, shareholders, officers, directors and other operational personnel whom we designate as Franchisee's Principals and all holders of an ownership interest in any entity directly or indirectly controlling Franchisee, and any other person or entity controlling, controlled by or under common control with Franchisee. The initial Franchisee's Principals shall be listed on Schedule 7 of this Agreement.

C. Franchisee Will Not Compete Against Franchisor

Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training, our Confidential Information, and our System.

Franchisee agrees that, except as otherwise approved in writing by us, Franchisee shall not, during the term of this Agreement and for a continuous uninterrupted period of two (2) years from the date of: (i) a transfer permitted under this Agreement; (ii) the expiration or termination of this Agreement (regardless of the cause for termination); or (iii) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to the enforcement of this Section XIX.C, either directly or indirectly for itself, or through, on behalf of, or in conjunction with, any person, persons, or legal entity, own, maintain, operate, engage in, be employed by, or have any interest in any business using any aspect of the System, the Snooze[®] Mattress Co. business concept, with similar Products and/or Services within a ten (10) mile radius of the Accepted Location designated hereunder, or within a ten (10) mile radius of any other System franchise or company-owned location in existence or planned as of the time of termination or expiration of this Agreement, as identified in the Franchise Disclosure Document in effect as of the date of expiration or termination of this Agreement. For purposes of clarification, Franchisee may not, during the term of this Agreement, operate a competing business anywhere.

The unenforceability of all or part of this covenant not to compete in any jurisdiction will not affect the enforceability of this covenant not to compete in any other jurisdictions, or the enforceability of the remainder of this Agreement. This covenant not to compete is given in part in specific consideration for access to trade secrets provided as a part of our training or ongoing support programs. In any jurisdiction in which the covenant contained in this Section XIX or any part of it is deemed not enforceable in whole or in part, Franchisee hereby grants us an option to purchase Franchisee's Business on expiration or termination of this Agreement. In such case, we may exercise this option by giving thirty (30) days' written notice to Franchisee (Sections XXII.C and XXII.E). On termination or expiration, Franchisee will deliver to us a list of the Assets (as described in Section XXIV.G). All of Franchisee's post termination obligations under this Agreement and by law remain in effect on termination or expiration of this Agreement.

D. Exception to Covenant Not to Compete

Section XIX.C hereof shall not apply to ownership by Franchisee or any of its Owners of less than a five percent (5%) beneficial interest in the outstanding equity securities of any Publicly Held Corporation. As used in this Agreement the term "Publicly Held Corporation" shall be deemed to refer to a corporation which has securities that have been registered under the Federal Securities Exchange Act of 1934.

E. Franchisee Will Not Divert Business

During the term of this Agreement and for a period of two (2) years following the expiration or termination of this Agreement, Franchisee covenants that it will not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, or legal entity:

1. Solicit, service, sell or attempt to divert business directly or indirectly to any competitor by direct or indirect inducement or otherwise, or any customers of its Business or any other Franchisee including company-owned stores with which or with whom Franchisee has had contact during the term of this Agreement to any competitor by direct or indirect inducement or otherwise; or
 2. Do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Names and Marks or the System or both;
- F. Franchisor Is Entitled to Injunctive Relief

In addition to any and all other remedies and damages to which we are entitled, in order to protect our Names, Marks, Products, Confidential Information, proprietary materials and rights, and goodwill, we may seek a permanent injunction and the preliminary or temporary equitable relief we deem necessary, to restrain the violation of this Agreement by Franchisee or any persons, parties, and entities acting for Franchisee. Franchisee agrees that we may obtain the injunctive relief and enter it in any court or arbitration forum that we deem appropriate.

In recognition of the difficulty in determining on an expedited basis the value of, and the necessity of us to avoid irreparable harm and to protect, our Names and Marks, Products, Confidential Information, methods of operation, copyrighted materials, patents, trade secrets, proprietary materials and rights, and goodwill, Franchisee waives, to the extent permitted by law, the right to interpose the defense that we have an adequate remedy at law. Franchisee further waives any requirement that we post a bond or other security, to the extent permitted by law.

G. Covenants Are Enforceable Independent of Claims

Franchisee expressly agrees that the existence of any claim it may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants of this Section XIX.

Franchisee agrees to pay all damages, costs, and expenses (including reasonable attorney's fees) incurred by us in connection with the enforcement of this Section XIX. Franchisee further agrees that we shall be entitled to set off any amounts owed to us by Franchisee against any loss or damage to us resulting from Franchisee's breach of this Section XIX.

H. Disclosure of Contact Information in FDD

Franchisee acknowledges that its contact information will be included in our Franchise Disclosure Document in the future, as required by Colorado and other state agencies and the Federal Trade Commission, and that such inclusion may result in prospective franchisees contacting Franchisee.

XX. OBLIGATIONS OF THE FRANCHISOR: SUPERVISION, ASSISTANCE OR SERVICES

We shall provide the Franchisee with the following assistance and services:

A. The Training Program

We will provide Franchisee a self-study program (and all related materials) immediately after executing the Franchise Agreement and we will provide the initial training program at our headquarters or another location of our choice. Initial training will take place after Franchisee pays the Initial Franchisee Fee, but before Franchisee opens the Franchised Business. We will provide this initial five (5) day training program without charge to Franchisee and up to two (2) additional individuals (a total of three people),

being the Owners and/or Store Manager as designated by Franchisee no earlier than sixty (60) days before the date the Franchisee anticipates Opening of the Store (as defined in Section IX.B). Franchisee will, however, be responsible for travel, accommodation, and other costs for all its attendees and Franchisee must attend and satisfactorily complete such training within the timeframe mentioned above. If Franchisee, its Owners, or Store Manager fails to timely complete the initial training program to our satisfaction, Franchisee has the right to appoint another Store Manager to be trained by us at Franchisee's expense and if the other Store Manager does not satisfactorily complete such training, then we may terminate this Agreement as described in Section XXIII.C. Any person designated by Franchisee to replace a previously trained Owner or Store Manager must be appointed within thirty (30) days and trained by Franchisee within sixty (60) days of first employment, at Franchisee's cost or can attend our additional training program at Franchisee's cost as provided below. For a second or subsequent franchisee, we will not be obligated to provide additional training to Franchisee.

We may reasonably require Franchisee, its Owners, or Store Manager to receive or attend and complete to our satisfaction additional or advanced training from time to time. Franchisee may be required to pay for such training for a training fee of up to two hundred fifty dollars (\$250) per person per day. Franchisee must also pay for travel, food and accommodations and all other related expenses. We will attempt to use distance learning techniques where possible, to minimize these costs.

Depending on availability, we may provide additional training to Franchisee for Franchisee's Owners or Store Manager at Franchisee's request. Franchisee may be required to pay us any additional costs over and above the additional training fees such as travel that we reasonably incur should training be held at Franchisee's Store. If additional training is held at our corporate headquarters, Franchisee will be responsible for travel, food and accommodations and other expenses of its trainees.

We offer training resources, such as the Operations Manual, to assist franchisees at their Business location. Franchisee acknowledges that its compliance with the Operations Manual is vitally important to us and other System franchisees and is necessary to protect our representation and guidance of the Names and Marks and to maintain the uniform quality of operation throughout the System. However, while the Operations Manual is designed to protect our reputation and the goodwill of the Names and Marks, the Operations Manual is not designed to control the day-to-day operation of the Business. Franchisee shall give us not less than thirty (30) days' notice of when Franchisee is available for training. Training dates must be mutually agreed upon by us and Franchisee.

- i. We shall also offer additional training resources to the Franchisee to be determined by us, for the operation, advertising and promotion of the Business including refresher training programs, seminars, workshops, and annual conferences, and information may be available through the portals online on our website for the benefit of the Franchisee and the Franchisee's employees. We may charge a reasonable fee for additional training if deemed appropriate (distinct from continuing education) but not to exceed the additional training fee. All traveling, food, accommodations, and other expenses incurred by the Franchisee or Franchisee's representatives or employees attending additional training shall be paid by Franchisee.
- ii. We may conduct an annual conference at such place as shall be designated by us for all Franchisees but initially will most likely be our headquarters. A registration fee for each participant may be required not to exceed five hundred dollars (\$500) per person and Franchisee's expenses as Franchisee will be responsible for costs associated with attending the conference such as travel, food, accommodations, and other expenses. We

reserve the right to increase the fee a reasonable amount based on reasonable criteria.

- iii. We may provide continuing education sessions (“Continuing Education”) at locations designated by us but most likely at our headquarters. Continuing Education sessions (other than by phone, webinar or video) may have a registration charge of two hundred fifty dollars (\$250) per day per person. Franchisee is responsible for all costs associated with attending the sessions such as travel, food and accommodations or our expenses (such as travel, food, and accommodations) if we provide Continuing Education sessions onsite at Franchisee’s Store. The Continuing Education sessions will normally not exceed one (1) day and we may have quarterly sessions subject to special need. The content will cover particular aspects of the Franchise including but not limited to: industry developments, new products, services and programs, vendor and supplier updates, operational strategies, customer service standards, technology and software developments, merchandising, sales promotions, marketing programs, administration and so forth. We reserve the right to increase the per day fee a reasonable amount based on reasonable criteria.

We may, but are not obligated to, offer additional training resources to the Franchisee to be determined by us, for the operation, advertising and promotion of the Store which may include certification programs, seminars, workshops, product or service training programs, annual conventions, and information available through our website for the benefit of the Franchisee and the Franchisee’s employees. We may charge a reasonable fee for additional training if deemed appropriate. Any and all travel, food, and accommodations and other expenses incurred by the Franchisee or Franchisee’s representatives or managers attending our training shall be paid by the Franchisee.

As part of the initial training program, we will provide Franchisee with: a written list of Products, Services and programs (such as our Warranty, Community Give-Back and Loyalty Programs) Franchisee is required to offer, sell and perform; a written list of approved furnishings, fixtures, equipment, products, supplies and services (as described in Section XII.I) franchisee is authorized to purchase, maintain in inventory and use; a written list of approved vendors and suppliers to purchase such furnishings, fixtures, equipment, products, supplies and services from; a written list of merchandising and presentation standards; product knowledge and specifications, purchasing strategies, suggested pricing for Products and rates for Services; inventory management strategies, techniques in efficiencies, operational standards, cleanliness standards, customer service; recommendations for hiring and training Employees and access to portals online that houses our proprietary educational platform; safety procedures in addition to our sales and social media strategies, advertising, marketing and promotional materials that have been developed by us (or our affiliates) and are necessary in the operation of the Store. We reserve the right, in our sole discretion, to add, modify and change such training from time to time as specified in Sections XII.H and XII.I of this Agreement. Franchisee will be responsible for all costs associated with the administration of such changes.

We will provide Franchisee with any Software, if developed. Basic initial training for the Software and all other software programs necessary to run the Store will be provided as part of the initial franchise training program. We will provide specifications for all technology items and software programs necessary to operate the Business. We shall also provide guidance for the requirements, if any, for all technology items (as described in Section XII.I) and related software programs. In addition, we may provide technical support, ongoing assistance, consultation and upgrade requirements for Franchisee’s POS system, computers, and software. We will update and make changes to the Software, if developed, as we deem necessary. We will provide recommendations for other software programs necessary for the operation of the Store. All costs associated with installation, upgrading, protecting, and maintaining the technology items

and all other software programs necessary for the operation of the Store are the sole responsibility of the Franchisee.

We will provide up to three (3) days of either pre-opening or grand opening supervision on-site assistance at Franchisee's Store. Franchisee shall give us not less than thirty (30) days' notice of when Franchisee wants us to provide either pre-opening or grand opening supervision and guidance. The dates for our visit for such assistance and guidance must be mutually agreed upon by us and Franchisee. Such assistance shall be completed no earlier than two (2) weeks prior to the opening date of the Store for operation and completed no later than ninety (90) days once the Store is open for operation. Any costs incurred by us in connection with the pre-opening or grand opening supervision and assistance onsite at Franchisee's Business within the timeframe as described above will be paid by us. If Franchisee does not take advantage of this onsite assistance and guidance within the timeframe described above, then we are not obligated to provide such assistance to Franchisee without charging Franchisee for the actual wages and travel expenses incurred by us. For Franchisee's second and subsequent Businesses, we will provide the same pre-opening or grand opening supervision and assistance as described above; however, Franchisee will be responsible for actual wages and travel expenses incurred by us. In such circumstances where Franchisee is responsible for actual wages and travel expenses, we will provide Franchisee with invoices for amounts owed and we may require Franchisee to pre-pay all or a portion of the actual amounts incurred by us. Additional support requested by Franchisee will be subject to the training charges as described in Section XX.A.

We will provide ongoing guidance in the operation of Franchisee's Business and provide assistance to resolve operational challenges which Franchisee may encounter outside the scope of the Operations Manual. This guidance can be furnished in whatever manner we consider appropriate in our Business Judgment, including electronically via portals online, free of charge, to answer questions from Franchisee and its staff (responses to be provided as promptly as possible during regular business hours Mountain Time zone). Guidance may also be furnished in writing, telephonically, through training programs and/or onsite consultations or web-based computer training, among other methods. Onsite consultations are subject to additional training fees (as mentioned above) in addition to any and all travel, food, accommodations, and other expenses incurred by us and shall be paid by Franchisee.

We may provide guidance to Franchisee in its efforts to obtain all licenses, permits, approvals and inspections required by governmental agencies to construct and operate the Store. Ultimately, however, it is Franchisee's responsibility and obligation to obtain and maintain all such licenses, permits, approvals and inspections and all out-of-pocket costs associated with obtaining and maintaining such licenses, permits, approvals and inspections as described in Section XII.C of this Agreement.

We may, from time to time, provide to Franchisee, at Franchisee's expense, such advertising and promotional plans and materials for local advertising and may direct the discontinuance of such plans and materials, from time to time. All other advertising and promotional materials that Franchisee proposes to use must be reviewed and approved by us, pursuant to Section XII.L of this Agreement. The Franchisee will not use any unapproved or disapproved advertising or promotional materials.

We may provide announcements, memos, newsletters, bulletins, brochures, manuals, and reports, if any, may from time to time be published by or on our behalf regarding our plans, policies, developments, and activities. In addition, we will provide such communication concerning new Products, Services, or programs (such as our Warranty, Community Give-Back and Loyalty Programs), vendors and suppliers, software, industry developments, operating procedures, training, marketing, advertising, and improvements to management that we feel are relevant to the operation of the Business and communication with other franchisees by means of portals online. We may also establish a Franchisee elected peer group whose main purpose will be to mentor, support each other and regularly communicate to Franchisees. We have the power to dissolve, merge, or change such peer advisory groups.

We shall offer guidance to Franchisee in establishing standardized accounting, record keeping and cost management control systems. We may provide Franchisee with all update and upgrade requirements for technology items and related software programs in response to changes in the Operations Manual, or changes in our policies that are communicated to Franchisee in writing. The cost for such updates and/or upgrades is Franchisee's responsibility.

All our obligations under this Agreement shall benefit only the Franchisee, and no other party is entitled to rely on, enforce, benefit from, or obtain relief for breach of such obligations, either directly or by subrogation.

B. Web Page

We will provide to the Franchisee a Snooze® Mattress Co. URL web page housed within the corporate website that will include virtual tour capabilities of its Store at no additional initial cost. Monthly hosting / maintenance cost is \$225 to \$250 a month per Franchisee web page. Franchisee may request changes to parts of their Franchisee web page which we may approve based upon it remaining consistent as specified in the Operations Manual. Franchisee agrees and acknowledges that maintenance and any changes, edits, or updates to the web page and/or any Website promotions over the Internet must be performed by us, our affiliates and/or approved vendors. Upon approval of Franchisee request, which must be submitted in writing, Franchisee is responsible for the cost of such changes. Franchisee may neither establish nor use any Website without our prior written approval and if such approval is granted Franchisee must comply with our requirements regarding discussing, advertising, or disseminating any information on a Website, regarding the Business as described in Section VI of this Agreement. Such approval may be revoked at any time by us in our sole and absolute discretion. We shall own all copyright and other intellectual property rights to the web page, as well as the contents of the corporate website or any other Website upon expiration or termination of this Agreement as described in Section XXIV.E. This shall include ownership rights in all media, whether now known or hereinafter invented, by all means, methods, and processes, whether now known or hereinafter invented, including interactive rights and rights to derivative works.

C. Site Selection

We will assist Franchisee with the site selection process providing real estate services including but not limited to guidance and assistance with the site identification, analysis, selection, and negotiation for the site. However, Franchisee has the responsibility for selecting a site for the Business and we are not responsible for a legal review or drafting of the lease as we do not provide legal services. If Franchisee is leasing a space for the Business, we must review and approve the lease prior to the lease being signed. If the Franchisee is purchasing property, we must review and approve the purchase contract prior to it being signed. We will review and approve or disapprove the location of the Business and will not unreasonably withhold our approval. Franchisee is responsible for all lease negotiations. We shall have the right, but not the obligation, to inspect the Business prior to opening. We do not represent that we have any special expertise in selecting sites. Our approval of a site is not a representation or warranty that the Business will be profitable or that Franchisee's sales will attain any predetermined levels. Approval is intended only to indicate that the proposed site meets our minimum criteria for identifying sites. Franchisee agrees that our approval or disapproval of a proposed site does not impose any liability on us.

D. Store Layout and Design

We will assist the Franchisee in the review of the layout and design of the Store prior to the Franchisee signing a lease or sublease. We will provide Franchisee with guidelines for the layout and design of its Store; however, Franchisee may need to hire its own architect, at its own expense, to create a complete set of drawings based on the facility size and local permitting requirements. We must review and approve Franchisee's architect's final plan. We do not represent that we have any special expertise in approving

architectural plans. Our approval of Franchisee's architectural plan is not a representation or warranty that such plan will meet local permitting requirements or that such plan will not have to be revised or done over again in order to get final approval by local authorities. Approval is intended only to indicate that the Store is set up and meets our minimum criteria. The costs of leasehold improvements, furniture, fixtures, equipment, technology items, signs, and décor for finishing out the Store are the responsibility of the Franchisee.

As part of the Real Estate Locate, Floor Layout and Legal Professional Fee, we will make available to Franchisee, and advise the Franchisee with regard to design plans, floor plans, schematics and mandatory specifications for the construction and layout of the Store which includes the exterior and interior design. Franchisee acknowledges that Franchisee is responsible for all costs associated with architectural, floor plans and all setup required for the Business. Franchisee acknowledge that such specifications shall not contain the requirements of any federal, state, or local law, code, or regulation (including without limitation those concerning the Americans with Disabilities Act (or similar rules governing public accommodations or commercial facilities for persons with disabilities)). Franchisee must adhere to all local zoning ordinances, regulations, fire, health and building codes, compliance with all of which shall be Franchisee's responsibility and at Franchisee's expense. Franchisee shall adapt, at Franchisee's expense. standard plans, and specifications for the Store, subject to our approval, as provided in Section XII.T of this Agreement, which will not be unreasonably withheld, provided that such plans and specifications conform to our general criteria. Franchisee understands and acknowledges that we have the right to periodically modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications as we deem appropriate, (however we will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Store developed pursuant to this Agreement once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to Franchisee).

E. Hiring Employees

We will provide Franchisee with recommended hiring guidelines when hiring Employees (defined in Section XII.F of this Agreement) for the Business. These guidelines are provided for reference only and Franchisee acknowledges that it bears the sole responsibility for hiring, training, and firing Employees. Further, Franchisee acknowledges that we are not responsible for and do not direct or control the conduct of Franchisee's employees. Such recommendations and suggestions will be covered in the initial training program and are specified in the Operations Manual. Franchisee understands that such recommendations and suggestions will be updated and may change periodically at our discretion. Franchisee can negotiate any rate for Employees. Franchisee may be provided with a recommended rate or wage schedule and may elect to use, subject to applicable laws, these rates or wages as a guide when hiring Employees. Rate or wage negotiations with Employees are the sole responsibility of the Franchisee. Franchisee acknowledges that it is fully in charge of hiring all employees and of managing those employees on an on-going basis. Our input as to hiring and management of employees are suggestions and guidelines which we believe are important, and except for specific requirements set forth in this Agreement or the Manual, Franchisee is responsible for making all employee related decisions.

Failure of Franchisee to adhere to our guidelines and standards when hiring Employees, which may include the requirement of criminal background checks for all prospective employees and any independent contractors (if Franchisee chooses to use independent contractors), may be considered a breach of this Agreement and we may terminate the Agreement in our sole discretion, except where the Franchisee has reasonable cause to deviate from our standards as described in Section XXIII.C of this Agreement.

Franchisee will not misrepresent, omit, or fail to state any warranty or guarantee when such programs are implemented.

G. Operations Manuals

We will revise the Operations Manual and the contents of any other manuals and materials created or approved for use in the operation of the Business, from time to time as we deem it necessary to improve on our methods of operations. Franchisee expressly agrees that each new or changed standard shall be deemed effective upon receipt by Franchisee or as specified in such standard. We will lend Franchisee the confidential Operations Manual for the initial Franchisee training session and if Franchisee satisfactorily completes training, for the term of this Agreement. If the copy of the Operations Manual loaned to Franchisee is lost, stolen, or destroyed before Franchisee returns it to us, Franchisee must replace such manual at its own expense.

The Operations Manual is designed to protect the System and the Names and Marks associated with the System and not to control the day-to-day operation of the Business. Franchisee at all times will remain responsible for the operation of the Business and all activities occurring at the Business.

Franchisee shall at all times treat the Operations Manual, and any of our written directives, any business plans and specifications, and any other manuals created for or approved for use in the operation of the Business, and any supplements thereto, and the information contained therein, in trust and as confidential information, as well as our trade secrets, and shall use all reasonable efforts to maintain such information as secret and confidential. We will provide Franchisee with a list of all approved furnishings, fixtures, equipment, products, supplies and services that Franchisee is authorized to purchase, use, offer or sell in the operation of its Business; and a written list of all approved vendors and suppliers to purchase such items from during the initial training program. Franchisee understands that such lists will be updated and may change periodically at our discretion and Franchisee agrees to implement such updates at Franchisee's expense as described in Section XII.I of this Agreement. We will train Franchisee on strategies for purchasing such items during the initial training program. Franchisee will be required to submit in writing alternate furnishings, fixtures, equipment, products, services, vendors, or suppliers to us for approval as described in Section XII.I of this Agreement. Franchisee acknowledges that we may receive royalties and/or other payments from some or all of the approved vendors.

We will use commercially reasonable efforts to ensure that authorized vendors and suppliers, which may include or be limited to us and our affiliates, maintain a reasonable supply of equipment, products, and supplies (as described in Section XII.I) for purchase by Franchisee. We require that the Franchisee purchase certain items from us, our affiliates, or approved vendors and/or suppliers. We will provide Franchisee with a list of written specifications for such items along with a list of our approved vendors, and Franchisee is responsible for acquiring all such items as they are necessary for the operation of the Business. All items that are provided by us or our affiliate will be competitively priced, taking into account equivalent quality and other reasonable considerations.

We reserve the right to establish lower suggested retail prices on certain Products and rates for Services from time to time based on competition prevalent within the retail industry (as further described in Section XX.K). We shall publish inventory and Minimum Representation requirements in the Operations Manual and such requirements may be amended from time to time by us in our sole discretion (currently not in effect).

We reserve the right to implement a centralized purchasing system for franchisees and have already and will continue to negotiate prices and terms with vendors and suppliers. We also have the right to receive rebates or other financial incentives from such purchases by franchisees. We may utilize such rebated funds in any manner we choose in our sole discretion as more fully described in Section X.B. We reserve the right to require franchisees to purchase all furnishings, fixtures, equipment, products, supplies and services (as more fully described in Section XII.I) through portals online (if we establish portals online in the future).

J. Advertising and Promotion

We shall develop and provide creative materials, at our expense, (including photographs and videos) that could be used for local and regional advertising at our expense and make such advertising and promotional materials available to our franchisees. Publication or distribution of such materials in the Franchisee's market area shall be at Franchisee's own expense. We will provide specific guidelines for advertising, marketing and promotions initiated by individual franchisees and shall reserve the right to disapprove any advertising, marketing, and promotions, which, in our opinion, are not in accordance with these guidelines. However, no such approval shall be unreasonably withheld or denied. Immediately upon notification to do so, Franchisee shall discontinue any advertising that would, in our opinion, be detrimental to any franchisee or any part of the System or the Franchise.

Franchisee shall have the right to sell Products and offer Services at any price and/or rate Franchisee may determine, and we reserve the right to establish minimum and maximum pricing and/or rates for any given Product or Service nationwide to the extent allowed by federal and state laws as explained in Sections XII.H and XII.I of this Agreement. Suggested pricing for Products and rates for Services may vary from region to region to the extent necessary to reflect differences in costs and other factors applicable to such regions. If Franchisee elects to sell any Product or offer any Service at any price and/or rate recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that offering such Products or Services at our recommended prices and/or rates will increase Franchisee's revenues, sales, or profits.

We will provide Franchisee with Warranty, Community Give-Back and Loyalty Program specifications along with recommended procedures when accepting returns from customers in addition to a sample set of forms including policies, contracts, waivers, agreements, brochures, promotional, marketing materials and various operational forms for use in the Business during the initial training program. We do not warrant the completeness, legality or enforceability of any agreements or forms. At our discretion, any and all items mentioned above used by Franchisee shall be subject to our review and approval and our decision of such approval will be provided within thirty (30) days after such items are received by us.

We will continue to research and develop new Products, Services, and programs as we deem appropriate in our sole discretion. We may conduct market research and testing to determine consumer trends and salability of new Products, Services, and programs. If we select Franchisee, Franchisee can choose to participate in a market research program to test market new Products, Services and/or programs in the Business and provide us with timely reports and other relevant information regarding that market research. If Franchisee participates in any test marketing, Franchisee agrees to purchase, at Franchisee's expense, a reasonable quantity of products, supplies or services being tested and to effectively promote and make a good faith effort to offer and/or sell Products and Services associated with them. Franchisee shall participate in and comply with our Warranty, Community Give-Back and Loyalty Programs and all sales and promotional programs and/or Product promotions established by us.

L. Business Planning Assistance

After Franchisee signs this Agreement, we may review and comment on any business plan and pro forma financial projections Franchisee prepares. We do not represent that we have any special expertise in reviewing or developing business plans, or that any business plan developed by us will result in any profits, revenues, incomes, margins, or sales. Our review and commentary of a business plan, or financial pro-forma is not a representation or warranty that the Franchisee's business will be profitable, that the Franchisee will earn any revenues, or that Franchisee's sales will attain any pre-determined levels. Our review and commentary are intended only to provide information sharing to Franchisee and Franchisee agrees that such review and commentary does not impose any liability on us. Franchisee specifically acknowledges that we have not reviewed or commented on any business plan or pro-forma prior to the Effective Date of this Agreement.

XXI. VARYING STANDARDS

Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, in our sole and absolute discretion and as we may deem to be in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of a particular Business or circumstance, physical characteristics, freeway access, density of population or trade area, existing business practices, or any other condition which we deem to be of importance to the successful operation of such franchisee's Business. Franchisee shall not have any right to object to a variation from standard specifications and practices granted to any other franchisee and shall not be entitled to require us to grant to Franchisee a like or similar variation unless the laws of the Franchisee's state expressly require us to grant such a similar variation.

Franchisee acknowledges that when we use the phrases "sole and absolute discretion," "sole discretion" and/or "Business Judgment," whether in this Agreement or another context, Franchisee and we agree that we have the wholly unrestricted right to make decisions and/or take (or refrain from taking) actions except that we will not do so arbitrarily. We shall use our judgment in exercising such discretion based on our assessment of the interests we consider appropriate and will not be required to consider Franchisee's individual interests or the interests of any other Franchisee(s). Franchisee, we, and all other franchisees have a collective interest in working within a franchise system with the flexibility to adjust to business conditions, including but not limited to the competitive environment, new regulatory developments, and emerging business opportunities. Therefore, Franchisee and we agree that the ultimate decision-making responsibility for the System must be vested in us. So long as we act in material compliance with the requirements of this Agreement, we will have no liability for the exercise of our discretion in accordance with the provisions of this Agreement.

XXII. RELOCATION, ASSIGNMENT, TRANSFER, SALE OR RIGHT OF FIRST REFUSAL OF FRANCHISED BUSINESS

A. Relocation

Any relocation (1) shall be to a location within the Territory (unless waived by us); (2) requires our prior written consent, which we may grant, condition or withhold in our Business Judgment (and may be withheld, in any case, if you are not in good standing); (3) will be at Franchisee's sole expense; and (4) will require that Franchisee (and each Owner if an Entity) sign a general release.

B. General Requirements for Assignment by Franchisee

Franchisee shall not voluntarily or involuntarily transfer, sell, assign or encumber any interest in or ownership or control of Franchisee, the Franchised Business, and/or its assets, the Business or this Agreement (however Franchisee is allowed to transfer up to twenty percent (20%) of its shares or other ownership interests as described below), except with regard to assets in the ordinary course of business, or make any lease or sublease of any property Franchisee is leasing or subleasing in connection with the Business, without our prior written consent. Any attempted sale, assignment, or transfer of any interest in Franchisee, the Franchised Business, and/or its assets, the Business or this Agreement without our prior written consent will be a default under the terms of this Agreement and will be voidable by us. In granting any such consent, we may impose reasonable conditions, including, without limitation, the following:

1. Franchisee must be in full compliance with the terms of this Franchise Agreement, including having paid in full all fees due and having settled all outstanding accounts with us, our affiliates, and all suppliers;

2. The proposed transferee (or its partners, members, managers, directors, officers, or controlling shareholders, if it is a corporation, limited liability company or partnership) must meet our then-applicable standards;
3. The proposed transferee (or if an Entity, its owners, managers, directors, or officers) must not operate a franchise, license another or operate businesses offering products and services similar to those offered by a Snooze[®] Mattress Co. business;
4. We shall charge a flat transfer fee of five thousand dollars (\$5,000) to Franchisee when transferring a part of its Business (defined as up to forty nine percent (49%) of the stock, membership units, partnership units, assets or share of any business trust); or a flat transfer fee of ten thousand dollars (\$10,000) when Franchisee transfers its entire Business upon our written consent. The term “flat transfer fee” means that Franchisee shall pay this amount regardless of whether our actual cost to process the transfer is higher or lower than such amount. The transfer fee will include, but not be limited to, reasonable attorney’s fees actually incurred, the cost of investigating the transferee and our administrative expenses (including employee salaries, sales staff commissions, travel costs, telephone charges, out of pocket costs properly attributable to the transfer). In addition, if the transferee was already in our lead database at the time of first contact between Franchisee and the transferee, we may require Franchisee to pay the flat five thousand (\$5,000) or ten thousand (\$10,000) fee described above, plus the amount of any broker fees that we are responsible for paying to third parties (does not include our employees);
5. Transferee must pay for and successfully complete the training programs then required of new franchisees at a cost of two hundred fifty dollars (\$250) per person per day and its expenses, subject to increase from time to time;
6. Franchisee shall have substantially complied with all of the terms and provisions of this Agreement, any amendment hereof or successor hereto, or any other agreements between the Franchisee and our subsidiaries or affiliates and, at the time of transfer, shall not be in default;
7. Franchisee shall have executed a general release under seal, in a form satisfactory to us, of any and all claims against us and our officers, directors, shareholders, and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances;
8. The transferee (and, if the transferee is other than an individual, such principals and/or owners of a beneficial interest in the transferee as we may request) shall enter into a written assumption agreement, in a form satisfactory to us, assuming and agreeing to discharge all of Franchisee’s obligations, known by transferee after reasonable inquiry, under this Agreement and/or any new franchise agreement, hereinafter provided;
9. The transferee must meet our subjective and objective standards, including all quality standards, experience, talent, skills, educational, managerial, business, and financial capacity; and transferee must demonstrate the aptitude and ability to operate a Snooze[®] Mattress Co. business; and have adequate financial resources and capital to operate the Business; and the transferee’s Store Manager must complete the training program to our satisfaction;
10. The transferee (and, if an Entity its Owners of a beneficial interest in the transferee as we may request) shall execute and agree to be bound by the then current form of this Agreement, which form may contain provisions that materially alter the rights or

obligations under this Agreement. Alternatively, we may in our sole discretion require the transferee to sign the then current form of this Agreement then being used by us, but where the term will end on the expiration date of this Agreement and with such renewal term, if any, as may be provided by this Agreement and the following requirements apply: (i), the transferee shall sign all other ancillary agreements as we may require for the Franchise Business as required under the then current form of this Agreement, which agreements shall supersede this Agreement in all respects, and (ii) additional changes to the terms of the Agreement may be made at our sole discretion, which include, without limitation, higher royalty fee payments, advertising contributions and renewal rights;

11. The transferee, at its expense, shall upgrade the Business to conform to the then-current standards and specifications of the System and shall complete the upgrading and other requirements within the time specified by us;
12. Franchisee shall remain liable for all of the obligations to us in connection with the Business incurred prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by us to evidence such liability;
13. Franchisee must obtain and submit satisfactory evidence of transfer or consent of lenders, lessors and governmental authorities for all material permits, approvals, and licenses;
14. Franchisee may transfer up to twenty percent (20%) of its shares or other ownership interests to any person or entity, in the aggregate, without invoking this provision, provided that in connection with any such transfer of more than ten percent (10%) ownership the transferee executes the same Guaranty and other agreements which would be required upon execution of this Agreement by Franchisee, if such transferee had then been the owner of such percentage of Franchisee's shares or other ownership interests. Franchisee's transfer of an ownership interest without complying with the foregoing, or transfers of more than twenty percent (20%) ownership in the Franchisee's entity, in one or more transfers, without our prior written approval is a material breach of this Agreement;
15. The transferee shall agree to a sublease or to a transfer and assignment, and assumption of the lease of the Business from the original Franchisee and shall obtain the landlord's approval if required prior to any transfer or sublease, if applicable;
16. The transfer must be completed in compliance with the terms of any applicable leases and other agreements and with all applicable laws, including but not limited to licensing and operations-related laws and/or laws governing franchise sales;
17. Franchisee agrees that we may (but are not required to) discuss with Franchisee and/or the proposed transferee any matters related to any transfer at any time which we consider to be appropriate in our Business Judgment without liability (including our opinion of the terms of sale, performance of the Franchise, etc.). Franchisee expressly consents to any such discussions by us, and we may contact any proposed transferee directly regarding such matters or otherwise;
18. Neither Franchisee nor any transferee shall rely on us to assist in the evaluation of the terms of any proposed transfer. Franchisee acknowledges and agrees that an approval of a proposed transfer shall not be deemed to an approval of the terms, nor any indication as to any likelihood of success or economic viability;

19. Franchisee and its Owners and/or Principals will agree not to compete after the transfer in accordance with restrictions acceptable to us and substantially similar to those described in Section XIX.C of this Agreement; and
20. Franchisee and its Owners and/or Principals will not directly or indirectly at any time or in any manner (except with respect to other Snooze[®] Mattress Co. Businesses that Franchisee or its Principals own and operate) identify itself or any business as a current or former Snooze[®] Mattress Co. business or as one of our franchise owners; use any Mark, any colorable imitation of a Mark, or other indicia of a Snooze[®] Mattress Co. business in any manner or for any purpose; or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us as described in Sections XXIV.A and XXIV.C of this Agreement.

In addition, the Franchisee must submit copies of the draft Asset Purchase Agreement or Ownership Purchase Agreement, all draft Promissory Notes, and Security Agreements, with the transferee, regardless of whether they are Franchisee financed, or lender financed. In addition to all other grounds for rejection, we have the right to reject any proposed purchase of the assets of the Franchised Business or any type of ownership interest in the Franchisee or Franchised Business on the grounds that the proposed transferee has, in our sole opinion, taken on too much debt.

C. Transfer, Sell or Assignment by Franchisor and Franchisor's Right of First Refusal

Franchisee acknowledges that we have an unrestricted right to sell, transfer or assign our rights or obligations under this Agreement to any transferee or legal successor of ours.

We have a right of first refusal regarding any proposed sale, assignment, or transfer by Franchisee subject to this Agreement. During the term of this Agreement, if Franchisee, (or if an entity, its Owners) wishes to sell, assign, or otherwise transfer an interest in this Agreement, a Snooze[®] Mattress Co. Franchised Business and/or its assets, or an ownership interest in Franchisee (collectively, the "Interest"), then Franchisee will comply with the requirements of Sections XXII.B, XXII.C, XXII.E and XXIV.G of this Agreement.

Franchisee will notify us within ten (10) days after Franchisee has commenced discussions or communications even if preliminary, regarding such a proposed sale, assignment or transfer and then send us written updates of the status of such discussions or communications every thirty (30) days thereafter unless and until such discussions or communications have ceased, in which case Franchisee must notify us in writing within five (5) business days that such discussions or communications have ceased. Whether the discussions have ceased or not, at our option, we may require Franchisee to send us, by certified mail or other receipted delivery, copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction. Before moving forward with any such transaction, Franchisee and its Owners agree to obtain from a responsible and fully disclosed buyer, and then send us, a true and complete copy of a bona fide, executed written offer (which may include a letter of intent) relating to any proposed transfer. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be in a dollar amount, and the proposed buyer must submit with its offer a ten-thousand-dollar (\$10,000) earnest money deposit (if a proposed disposition is part of a transaction involving additional Snooze[®] Mattress Co. businesses, operating under other Franchise Agreements or license agreements with us, the proposed buyer must pay Franchisee this earnest money deposit for each Snooze[®] Mattress Co. business involved).

To enable us to determine whether we will exercise our option, Franchisee, or its Owners, shall provide such information and documentation, including financial statements, as we may require (as noted below). In the event we elect to purchase said Interest, closing on such purchase must occur within ninety

(90) days from the date of notice to the Franchisee of our election to purchase said Interest. Failure of us to exercise the option afforded by Section XXII.C shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section XXII.B, with respect to a proposed transfer of any Interest. Any later change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by us as in the case of an initial offer.

We may, by delivering written notice to Franchisee or its Owners within thirty (30) days after we receive both an exact copy of the offer and the Preliminary Due Diligence Package (the date on which we have received the exact copy of the offer and the Preliminary Due Diligence Package is called the “Trigger Date”), notify Franchisee of our non-binding preliminary intent to purchase or not to purchase the Interest proposed to be sold. The “Preliminary Due Diligence Package” is information and copies of documents (where applicable) that Franchisee supplies to us which consists of Franchisee’s financial statements (including monthly revenue information) for the preceding three (3) years, a copy of the Business’s current lease or sublease (if we do not already have it), information about the number and compensation of employees working at the Store, customer records and the Franchisee’s merchant account printouts for the past three (3) years, the Franchisee’s bank deposits for the past three (3) years, and a description of competing mattress and/or bedding or any retail-related businesses selling similar Products and offering similar Services operating within the Territory. If we notify Franchisee within thirty (30) days after the Trigger Date (the “First Notice Deadline”) that we are preliminarily interested in exercising our right of first refusal, we will have an additional thirty (30) days after the First Notice Deadline both to conduct our due diligence and then to notify you of either our binding intent to exercise our right of first refusal or our decision not to exercise this right. This additional period is called the “Due Diligence Deadline.” If we elect to purchase the Interest proposed to be sold for the price and on the terms and conditions contained in the offer:

1. We may substitute cash for any other form of payment proposed in the offer (such as ownership interests in a privately held entity);
2. Our credit will be deemed equal to the credit of any proposed buyer, meaning that, if the proposed consideration includes promissory notes, we may provide promissory notes with the same terms as those offered by the proposed buyer, except as to subordination. Regarding subordination, you acknowledge and agree that our obligations under the promissory notes then outstanding to any and all lenders, although senior to the equity rights of our owners will also be senior to the promissory notes given to you;
3. We will have an additional thirty (30) days after the Due Diligence Deadline to close; and
4. We must receive, and Franchisee agrees to provide, all customary representations and warranties given a seller of assets of a similar business or the ownership interests in a similar legal entity, as applicable, including, without limitation, representations and warranties regarding:
 - i) Ownership and condition of and title to ownership interests and/or;
 - ii) Liens and encumbrances relating to ownership interests and/or assets;
 - iii) Validity of contracts and the liabilities, contingent or otherwise, of the entity whose ownership interests are being purchased;
 - iv) All furniture, fixtures, equipment, products, supplies, technology items (as described in Section XII.I) and other such items

necessary to operate the Business are in good working condition and suitable for use;

- v) No litigation or administrative proceedings pending against the Franchisee, or any of its officers, directors, or Owners arising out the Franchisee's business;
- vi) There are no notices from any federal, state, or local governmental authority to make any changes to the Store or that negatively affect it;
- vii) The Franchisee has the authority to sell the assets of its business, including a copy of all director and/or Owner resolutions;
- (viii) The Franchisee will comply with the Bulk Sales Act, if it is required under the laws of the Franchisee's state;
- (ix) There will be no material adverse change in the operation of the Franchisee's business between the date of signature of any Asset Purchase Agreement, and the date of settlement;
- (x) There are no tax or employee claims or issues; and
- (xi) The Franchisee will not enter into any transaction between the date of signature and the date of settlement other than in the ordinary course of business.

D. Transfer Upon Death or Mental Incapacity

Upon the death or mental incapacity of any person with an interest in a Snooze[®] Mattress Co. business, the executor, administrator, or personal representative of that person must transfer such interest to a third party approved by us within six (6) months after death or mental incapacity. These transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same restrictions and conditions as any inter-vivos transfer. However, in the case of a transfer by devise or inheritance, if the heirs or beneficiaries of any deceased person are unable to meet the conditions of this Agreement, the personal representative of the deceased Franchisee shall have six (6) months to dispose of the deceased's interest in the Business, which disposition will be subject to all the terms and conditions for transfer contained in this Agreement. If the interest is not disposed of within six (6) months, we may terminate this Agreement.

Upon the death of the Franchisee or if an Entity, an Owner who owns more than forty nine percent (49%) or more of the Business or in the event of any temporary or permanent mental or physical disability of such person, a manager shall be employed for the operation of the Business who has successfully completed our training courses to operate the Business on behalf of the Franchisee. If after the death or disability of the named Owner, the Business is not being managed by such trained manager, we may at our option, appoint a manager to maintain the operation of the Business until an approved transferee or manager will be able to assume the management and operation of the Business, but no such operation and management of the Business will continue for more than ninety (90) days without the approval of the personal representative of the named Owner (renewable as necessary for up to one year) and we will periodically discuss the status of the Business with the personal representative of the named Owner; such manager shall be deemed an employee of the Franchisee. All funds from the operation of the Business during the period of management by such appointed or approved manager shall be kept in a separate fund and all expenses of the Business, including compensation of such manager, other costs, and travel, and

living expenses of such appointed or approved manager (the “Management Expenses”), shall be charged to such fund. As compensation for the management services provided, in addition to any other fees due, we shall charge such fund the full amount of the direct expenses incurred by us during such period of management for and on behalf of Franchisee, provided that we shall only have a duty to utilize reasonable efforts and shall not be liable to Franchisee, the named Owner or personal representative of the named Owner, the Entity or any person or entity having an interest therein for any debts, losses or obligations incurred by the Business, or to any creditor of Franchisee or the named Owner during any period in which it is managed by our appointed or approved manager.

Within thirty (30) days after the effective date of legal transfer of the Franchise to Franchisee’s heirs or successors of Franchisee’s Owners, the heirs or successors must notify us in writing and make application for approval of such transfer. The application for such transfer is subject to the same conditions, procedures, and costs as any other transfer except that there will be no transfer fee.

E. Transfer, Sale, or Assignment to a Third Party

If we do not exercise our right to purchase within thirty (30) days pursuant to Section XXII.C, Franchisee may thereafter transfer, sell, or assign the Interest to a third party, but not at a lower price or on more favorable terms than disclosed to us in writing. The sale is subject to our prior written approval as specified in this Agreement.

If Franchisee does not complete the sale to the proposed buyer within ninety (90) days after we notify Franchisee that we do not intend to exercise our right of first refusal (whether or not the First Notice Deadline or the Due Diligence Deadline has expired), or if there is a material change in the terms of the sale (which Franchisee must communicate promptly to us), we will have an additional right to accept the sale during the thirty (30) day period following either the expiration of that ninety (90) day period or our receipt of notice of the material change(s) in the sale’s terms, either on the terms originally offered or the modified terms, at our option. If Franchisee does not complete the sale to the proposed buyer within an additional ninety (90) days, then any proposed sale or transfer thereafter once again must comply with all of the provisions of Sections XXII.B, XXII.C and XXII.E, as though there had not previously been a proposed sale or transfer.

In addition to its other obligations, such as obtaining our prior written approval, if Franchisee sells or offers to sell ownership interests, the sale of which is regulated by any applicable law, Franchisee must: (i) fully comply with all applicable laws, (ii) disclose to offerees and purchasers that neither we nor our employees, affiliates or agents are an issuer or underwriter, or are in any way liable or responsible for the offering, (iii) ensure that we have a reasonable time to review any reference to us or our franchisees in any prospectus or offering documents before their distribution or use, (iv) pay our actual legal costs incurred for our review, (v) indemnify us, our officers, owners, directors, employees, affiliates, and agents from any liability, cost, damage, claim, and expense and from any and all obligations to any person, entity or governmental agencies arising out of or relating to the offer, sale or continuing investment, (vi) sign such further indemnities and provide such further assurances as we may reasonably require and (vii) disclose our ownership rights to all trademarks, service marks, trade names, logos, trade secrets, copyrights, and patents.

If any provision of this Agreement is inconsistent with a valid applicable law, the provision will be deemed amended to conform to the minimum standards required. We and Franchisee may execute an addendum setting forth certain of these amendments applicable in certain jurisdictions, so long as and to the extent that applicable laws referred to in the addenda remain in effect.

F. Resale Assistance of Franchised Business

Franchisee may, at any time, request our assistance in locating a buyer for its Business. We may, at our option, provide such assistance in accordance with the policies and procedures as set forth in the

Operations Manual. We reserve the right to charge Franchisee a fee to cover our reasonable costs and expenses (including the time committed by our employees) incurred in providing such assistance. If we elect to assist Franchisee in finding a buyer for the Business in any way, we make no promises or commitments to Franchisee that a buyer will be located or that anyone will be willing to purchase the Business at a price acceptable to Franchisee. We reserve the right to reject any proposed sale based on our determination, in our sole discretion, that the purchase price or purchase terms agreed to between Franchisee and any prospective buyer is excessive or will not enable the buyer to succeed as a franchisee in the System, and by requesting our assistance Franchisee waives any liability claims it may have against us for such rejection.

XXIII. TERMINATION OF FRANCHISE

A. Impact of Statutes upon Franchise Agreement

Some state laws provide certain rights to franchisees located in a particular state, including: (1) limitations on our ability to terminate a franchise except for good cause; (2) restrictions on our ability to deny renewal of a franchise; (3) circumstances under which we may be required to purchase certain inventory when a franchise is terminated or not renewed in violation of the statute; (4) provisions relating to arbitration; and (5) certain other rights that benefit franchisees. To the extent that the provisions of this Franchise Agreement are inconsistent with the terms of such state laws, the terms of the applicable state laws may control in those states.

Termination or modification of a lease or contract upon the bankruptcy of one of the Parties may be unenforceable under the Bankruptcy Act of 1978, Title II, U.S. Code, as amended.

B. Termination by Franchisor with Right to Cure

Except as otherwise provided in this Agreement, upon any material default by Franchisee under this Agreement or any other agreement between Franchisee and us or our affiliates, we may terminate this Agreement only by giving written notice of termination stating the nature of such default to Franchisee at least thirty (30) days prior to the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof thereof to us within the thirty (30) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the thirty (30) day period or such longer period as applicable law may require. We may terminate this Agreement by written notice to Franchisee for Franchisee's material breach of this Agreement or of any other agreement between Franchisee and us or our affiliates, if Franchisee fails to cure the breach within thirty (30) days after written notice is delivered to Franchisee, provided that this Agreement does not prescribe a different cure period for such breach. Any breach relating to any violation of health or safety laws must be cured within seventy-two (72) hours of notice or such shorter period prescribed by law. Any default for failure to pay monetary amounts must be cured within five (5) days or shorter period as is provided by law.

We may invoke our rights under this Section XXIII.B if, among other things, Franchisee fails to pay any required sums contemplated by this Agreement or any other agreement between us and Franchisee (and/or our respective affiliates).

C. Termination of Franchise without Right to Cure

Notwithstanding the foregoing, Franchisee shall be deemed to be in breach and we, at our option, may terminate this Agreement and all rights granted under it without affording Franchisee any opportunity to cure the breach, effective immediately upon us notifying Franchisee in writing of such breach, if Franchisee or any of its Owners does any of the following:

E. General Effect of Termination

On termination or expiration, all of Franchisee's post-termination obligations, including covenant not to compete, non-disclosure, return of the Operations Manual and other proprietary materials, and indemnity, will remain in full force and effect. If this Agreement terminates for any reason prior to its expiration date, we will be entitled to certain damages (as described in Section XXIV.H).

F. Territory Modification as an Alternative to Termination

If Franchisee is in default of the Franchise Agreement, as an alternative to termination, we may modify or completely eliminate any rights that Franchisee may have with respect to the protected status of the Territory, effective ten (10) days after delivery of written notice to you. In addition, we may modify or completely eliminate Franchisee's Territory.

XXIV. FRANCHISEE'S OBLIGATIONS UPON TERMINATION OR EXPIRATION

A. Franchisee Shall Cease Using Names and Marks

Franchisee further agrees that, upon termination or expiration of this Agreement, Franchisee shall immediately and permanently cease to use, by advertising, or any manner whatsoever, any Confidential Information, methods, trade secrets, procedures, descriptions of Products and Services associated with us and the Names and Marks and any proprietary marks and distinctive forms, slogans, symbols, signs, logos, or devices associated with the System. In particular, Franchisee shall cease to use, without limitation, all signage (including on vehicles if applicable), advertising materials, stationery, forms, and any other articles, which display the Names and Marks. Franchisee shall make or cause to be made, at its expense, changes directed by us in signage, building and structures so as to effectively distinguish the surviving business entity, if any, from its former appearance as a Snooze® Mattress Co. business, and from other existing Snooze® Mattress Co. businesses. Franchisee shall comply with the covenant not to compete and the agreement to maintain the confidentiality of proprietary information, as well as return all information that is considered to be Confidential Information under the terms and conditions of this Agreement back to us.

B. Franchisee Shall Cease Operating the Business and Refrain from Notifying Customers

Franchisee shall immediately cease to operate the Business under this Agreement, and shall not thereafter, directly, or indirectly, represent itself to the public or hold itself out as a present or former Franchisee of ours.

In addition, Franchisee shall not give notice of termination or expiration of this Agreement to Franchisee's customers, persons and/or businesses who have received Products or Services from Franchisee without our prior written consent. We shall have the sole right to notify all of Franchisee's customers (including persons and/or businesses) who have ever received Services or Products from Franchisee's Business of the termination or expiration of this Agreement at the time and manner we determine to be most appropriate. All of Franchisee's lists of existing and potential customers (including persons and/or businesses) in any format (hard copy or digital) shall be our property. Franchisee shall assist us in transferring such lists to us upon termination or expiration of this Agreement at such times and in the manner we require.

Franchisee must immediately tender all new or used inventory of our Proprietary Products, décor, signage, promotional, advertising, and marketing materials, and/or anything that displays our Names and Marks in addition to all Confidential Information to us and/or our designated affiliates or destroy, if notified by us in writing to do so, all inventory of such items in a timely manner in accordance with the terms of the Operations Manual and as specified in Section XXIV.G of this Agreement.

C. Franchisee May Not Adopt Confusingly Similar Names and Marks

Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Names and Marks, either in connection with such other business or in the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Names and Marks, and

further agrees not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us or a former association or connection with us.

D. Franchisee Shall Cancel Assumed Names and Transfer Phone Numbers

Franchisee further agrees that upon termination or expiration of this Agreement, Franchisee shall take all action necessary to cancel all assumed names or equivalent registrations relating to its use of any or all of the Names and Marks. Franchisee shall take all actions necessary to transfer all phone numbers, addresses, domain names, listings, and location contacts for the Store to us or our designee, including but not limited to authorizing all telephone, Internet, email, electronic network, directory, and listing entities to effectuate the same.

E. Franchisee Shall Transfer or Terminate Domain Name and Web Page

Upon termination or expiration of this Agreement, Franchisee agrees that we will have the absolute right to notify InterNIC, ICANN and all other Internet authorities of the termination or expiration of Franchisee's right to use all domain names, web page, Websites, and other search engines for the Business and to authorize the above and other search engines to transfer to us or our designee all domain names, web page, Websites and search engines associated with the Business. Franchisee acknowledges and agrees that we have the absolute right to, and interest in, all domain names, web page, Websites and search engines related to the Business and that we have the full right and authority to direct the above Internet authorities and all search engines to transfer Franchisee's domain names, web page, Website and search engines to us or our designee if this Agreement expires or is terminated for any reason. Franchisee further acknowledges that this Agreement will constitute a release by Franchisee of the above Internet authorities from any and all claims, liabilities, actions, and damages that Franchisee may, at any time, have the right to allege against them in connection with this provision.

F. Franchisee Must Return Operations Manual and Other Materials

Franchisee further agrees that upon termination or expiration of this Agreement, it will immediately return to us all copies of the Operation Manual, training materials and any other materials, which have been loaned to Franchisee by us. Franchisee further agrees to turn over to us all items containing any of our Marks, and all customer lists and contracts for the Franchised Business.

G. Franchisor May Purchase Assets

We shall have the right of first refusal to purchase or assume Franchisee's interest in the Franchised Business or in its assets on the same terms as those contained in a bona fide offer from a third party. As used in this Section, "Assets" means leasehold improvements, equipment, technology items (as described in Section XII.I), furnishings, fixtures, signage, inventory (such as all products, supplies and merchandise in addition to all advertising and marketing materials), vehicles (if applicable) and the lease or sublease for the Business. This right is governed by time limits and procedures described in this Agreement with respect to our right of first refusal in the event of an assignment. If we exercise our right of first refusal, Franchisee must transfer Franchisee's interest in the Franchised Business and in the Assets.

If Franchisee is selling its Assets, we shall have the right (but not the duty), to be exercised by notice of our intent to do so within thirty (30) days after termination or expiration, to purchase any or all Assets and items bearing our Names and Marks, at fair market value (less the amount of any outstanding liens or encumbrances). In the event that we and Franchisee cannot agree on fair market value, then the fair market value shall be determined in good faith by an independent third-party appraiser. We and Franchisee shall mutually agree upon an appraiser. If we and Franchisee cannot agree on an appraiser, then we and the Franchisee shall each select one independent, qualified appraiser and the two shall select a third appraiser and all three shall determine the fair market value of the Assets we have elected to purchase. If the difference

between the appraisal of the Franchisee's appraiser is greater than the difference between the appraisal of our appraiser and the independent appraiser, the Franchisee shall pay all costs and expenses of the three appraisers. Otherwise, all expenses of the third appraiser shall be equally shared by us and we and Franchisee shall each be responsible for the expenses incurred by our respective appraisers. For any items that display the Marks such as: any décor, signage, marketing, advertising, and/or promotional materials (regardless of when the item was purchased), the fair market value is agreed to be zero, except for any vehicles. However, for any products, Proprietary Products or equipment that display our Marks, fair market value shall be deemed to be twenty percent (20%) of the Assets' original cost, regardless of when such items were purchased (however if any such items are broken or damaged for example: for products the seals are broken, packages are either torn, stained, discolored and/or if such items are broken, destroyed or otherwise unusable or unsellable) the fair market value is agreed to be zero. We and Franchisee agree that the terms and conditions of our right and option to purchase the Assets may be recorded, if deemed appropriate by us. If we elect to exercise any option to purchase the Assets as herein provided, we shall have the right to set off any amounts due from Franchisee.

H. Franchisee Must Pay Monies Owed to Franchisor; Liquidated Damages

Franchisee shall pay to us or our affiliates, within thirty (30) days after the effective date of termination or expiration of this Agreement, such Royalty Fees, System Brand Fund Fees, other advertising fees, payments or any other sums owed to us or our affiliates by Franchisee, which are then unpaid. Franchisee shall pay to us or our affiliates all damages, costs, and expenses, including reasonable attorney's fees, incurred by us in obtaining injunctive or other relief for the enforcement of any provisions of Sections XIX and XXIV.

In the event of termination of this Agreement prior to its expiration date, Franchisee acknowledges that the parties have considered the following in determining the amount of liquidated damages ("Damages"): (i) that the amount of Damages is reasonable under the circumstances existing at the time this Agreement is made; (ii) that the amount of Damages bears a rational relationship to the damages the parties anticipate would flow from the breach of this Agreement; (iii) the agreement to the amount of the Damages is necessary because actual damages are difficult or impossible to prove; and (iv) the amount of the Damages are not so large that they act as a penalty. Franchisee accordingly agrees that in such event it shall be obligated to pay to us, the amount of the Damages which is the total of all Royalty Fees and System Advertising Fee payments that we would have received, if this Agreement remained in effect until its scheduled expiration date, subject to the following. This amount of Damage shall be calculated by adding together the average monthly Royalty Fee payments and the average System Brand Fund Fee payments that were paid to us during the previous twelve (12) months for either the remaining term of this Agreement or two (2) years (whichever comes first). If the Franchisee has not made twelve (12) months of payments, then the number of payments it has made will be used to calculate the average of Royalty Fee and System Brand Fund Fee payments. Such payments shall be due to us within thirty (30) days after the effective Date of Termination or expiration.

Except as otherwise provided in this Agreement, Franchisee shall retain whatever interest it may have in the Assets of the Franchised Business.

XXV. ENFORCEMENT

A. Franchisee May Not Withhold Payments Due Franchisor

Franchisee agrees that Franchisee will not withhold payments of any Royalty Fees, System Brand Fees or any other amounts of money owed to us for any reason, on grounds of alleged nonperformance by us of any obligation. All such claims by Franchisee shall, if not otherwise resolved by us and Franchisee, be submitted to mediation and/or arbitration as provided in this Agreement. Franchisee has no right to offset or set off to any amounts due and owing to us.

B. Severability and Substitution of Valid Provisions

All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and any partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. If any applicable law or rule requires a greater prior notice of the termination of this Agreement than is required hereunder or requires the taking of some other action not required hereunder, the prior notice or other action required by such law or rule shall be substituted for the notice or other requirements.

C. Mediation

The Parties agree to mediate any dispute or claim arising between them out of this Agreement, or any resulting transaction before resorting to arbitration as set forth in Section XXV.D. Any Party to this Agreement may initiate mediation by serving a written demand on the other party stating the particulars of the demand being served. Mediator fees and administrative fees assessed by mediator shall be divided equally among the parties involved. Before any mediation commences, the parties will agree to a date and/or certain event which will constitute a completion of the mediation process. All mediations shall be held in El Paso County, Colorado. If, for any dispute or claim to which this paragraph applies, any party commences an action without first attempting to resolve the matter through mediation or refuses to mediate within ninety (90) days after a request has been made, then the other party (“Mediating Party”) shall be entitled to recover attorney’s fees and costs, even if such Mediating Party was not otherwise entitled to recover its attorney fees and cost in any arbitration or legal action between the parties pursuant to the terms of this Agreement. This mediation provision applies whether or not the arbitration provision is initiated. The requirement to pay the Mediating Party’s attorney’s fees and costs applies regardless of whether the other party waits until the expiration of the ninety (90) day period to file the arbitration and applies as long as said party refuses to attend mediation. Mediation shall be held at the same venue as for arbitration as described in Section XXV.D.

D. Arbitration

Except as we elect to enforce this Agreement by judicial process, injunction, or specific performance (as provided below), all disputes and claims relating to any provision hereof, any specification, standard or operating procedure, or any other obligation of Franchisee prescribed by us, or any obligation of us, or the breach thereof (including, without limitation, any specification, standard or operating procedure or any other obligation of Franchisee or us, which is illegal or otherwise unenforceable or voidable under any law, ordinance, or ruling) shall be settled by mandatory binding arbitration in El Paso County, Colorado. Arbitration must be in accordance with the then current Commercial Rules of the American Arbitration Association (“AAA”) and, where applicable, the provision of the Federal Arbitration Act, i.e. 9 USC §1, et al; and provided that at the option of us or the Franchisee that the arbitrator shall be selected from a list of retired federal or state judges supplied by the American Arbitration Association which could include an attorney with twenty (20) years or more franchise experience. The actual selection of the arbitrator from the list will be in accordance with the procedures for selecting an arbitrator under the Commercial Rules of the AAA. The Parties agree that, in connection with any such arbitration proceeding, each will submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 1-3 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. The Parties further agree that arbitration will be conducted on an individual and not a class-wide or multiple plaintiff basis.

The Party having an arbitrable claim will have one (1) year from the date of discovery but not to exceed two (2) years from the date the claim occurred, in which to settle the claim or to commence arbitration on the claim. Otherwise, the claim or demand will be deemed abandoned and shall be barred. The arbitrator shall allow discovery in accordance with the Colorado Rules of Civil Procedure and may apply the sanctions relating to noncompliance with discovery orders therein provided. The arbitrator shall

issue a written opinion explaining the reasons for his or her decision and award and the arbitrator shall have the right to award or include in the award the specific performance of this Agreement. Unless specifically provided for by applicable statute, no punitive or exemplary damages shall be awarded against either us or Franchisee, or entities related to them, in an arbitration proceeding or otherwise, and are hereby waived. Judgment upon the award of the arbitrator will be entered in any court having competent jurisdiction thereof or of us or of Franchisee. During the pendency of any arbitration proceeding hereunder, Franchisee and we shall fully perform our respective obligations pursuant to the terms and conditions of this Agreement. Arbitration fees shall be shared equally, and the prevailing party shall be entitled to their attorney fees, provided should there be no prevailing party each party shall pay their own attorney fees.

The requirement to arbitrate under this arbitration provision as well as to mediate under the mediation provision in Section XXV.C shall not apply to any of the following disputes or controversies: any action for injunctive or other provisional relief including but not limited to enforcement of liens, security agreements, or attachment, as we deem to be necessary or appropriate to compel Franchisee to comply with Franchisee's obligations to us and/or to protect the Names and Marks or any claim or dispute involving or contesting the validity of any of the Names and Marks, or any claim or dispute involving any of the Confidential Information, trade secrets, or copyrights provided by us to the Franchisee under this Agreement.

E. Rights of Parties Are Cumulative

The rights of us and Franchisee are cumulative, and the exercise or enforcement by us or Franchisee of any right or remedy shall not preclude the exercise or enforcement by us or Franchisee of any other right or remedy hereunder which we or Franchisee are entitled by law to enforce by the provisions of this Agreement or of the Operations Manual. In addition, both Parties agree that during any type of dispute or claim neither Party will attempt to: publicly publish any proceedings, make any publicly available claims; or make any disparaging statement which could tarnish the reputation of the other Party.

F. Judicial Enforcement, Injunction and Specific Performance

Notwithstanding anything to the contrary contained in Section XXV.D above relating to arbitration, we shall have the right to enforce by judicial process our right to terminate this Agreement for the causes enumerated in Section XXIII of this Agreement, to collect any amounts owed to us for any unpaid Royalty Fees, or other unpaid fees or charges due hereunder, arising out of the business conducted by Franchisee pursuant hereto, and to pursue any rights we may have under any leases, subleases, sales, purchases, or security agreements or other agreements with Franchisee. We shall be entitled, without bond, to the entry of temporary or permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure relief by judicial enforcement, Franchisee agrees to pay to us an amount equal to the aggregate costs of obtaining such relief, including, without limitation, reasonable attorneys' fees, costs of investigation, court costs, and other litigation expenses, travel, accommodations, food, other expenses, and any damages incurred by us as a result of the Franchisee's breach of any provision of this Agreement.

G. Colorado Law Applies

Except to the extent governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C., Section 1051 et. seq.) or the U.S. Arbitration Act, this Agreement shall be governed by the laws of the State of Colorado, and the sole and exclusive venue for mediation, arbitration or litigation shall lie in El Paso County, Colorado, or in the applicable United States District Court for Colorado.

H. Attorney Fees

I. Binding Effect

This Agreement is binding upon the Parties hereto and their respective permitted assigns and successors in interest.

J. Entire Agreement/Integration/No other Agreements/Manual(s) May Change

This Agreement and the exhibits to this Agreement constitute the final, complete, and exclusive agreement of the Parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the Parties. Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to Franchisee. No amendment to this Agreement shall be binding on either party unless mutually agreed to by the parties in writing. The Operations Manual may be amended at any time by us, and Franchisee shall adapt its methods or procedures to comply with the requirements thereof.

K. Force Majeure

Except for monetary obligations or as otherwise specifically provided in this Franchise Agreement, if either party to this Agreement shall be delayed or hindered in or prevented from the performance of any act required under this Agreement by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, pandemics or other causes beyond the reasonable control of the party required to perform such work or act under the terms of this Agreement through no fault of such party, then performance of such act shall be excused for the period of the delay, but in no event to exceed ninety (90) days from the stated time periods as set forth in this Franchise Agreement.

XXVII. COUNTERPART

This Agreement and any amendments or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which counterparts together shall constitute but one and the same instrument. This Agreement shall become effective upon the execution of a counterpart hereof by both of the Parties hereto. A signed copy of this Agreement delivered by email, DocuSign or other means of electronic transmission (to which a PDF copy is attached) will be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

XXVIII. TIME IS OF THE ESSENCE

XXIX. APPROVALS AND WAIVERS

Whenever this Agreement requires our prior approval or consent, Franchisee shall make a timely written request to us, and such approval or consent shall be obtained in writing.

We make no warranties or guarantees upon which Franchisee may rely, and assume no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee or in connection with any consent, or by reason of any neglect, delay, or denial of any request thereof.

No failure of us to exercise any power reserved to us by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms herein. Waiver by us of any particular default or breach by Franchisee shall not affect or impair our rights with respect to any later default or breach of the same, similar or different nature, nor shall any delay, forbearance, or omission, breach or default by us to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof, affect or impair our right to exercise the same, nor shall such constitute a waiver by us of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

SCHEDULE 6
SNOOZE INTERNATIONAL, LLC
COLLATERAL ASSIGNMENT OF LEASE

Franchisee: _____

Franchisor: Snooze International, LLC

Date of this Collateral Assignment of Lease (the "Assignment"): _____

The Franchisee, to effect various provisions of that certain Franchise Agreement dated _____, 20 __, by and between Franchisee and Franchisor (the "Franchise Agreement"), hereby collaterally assigns to Franchisor (subject to the terms and conditions below) all of Franchisee's right, title and interest in, to and under that certain lease (the "Lease") dated _____ 20__, between Franchisee and _____, ("Landlord"), for that property commonly known as: _____ (the "Premises"), a copy of which Lease is attached to this Assignment.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the sum of Ten Dollars (\$10.00) and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, and notwithstanding anything in the Lease to the contrary, it is hereby agreed as follows:

No material modification or amendment of the Lease shall occur or be effective without the prior written consent of Franchisor. Franchisee may not assign the Lease or sublease the Premises and Landlord will not consent or allow Franchisee to assign the Lease or sublease the Premises without Franchisor's prior written consent, which shall not be unreasonably withheld.

Except as provided in the Franchise Agreement, Franchisor will not take possession of the Premises under this Assignment until and unless there is a default by Franchisee under the Lease or a termination, cancellation, rescission or expiration of the Franchisee's rights, or a default by Franchisee, under the Franchise Agreement. In such event(s), the Franchisor (or its designee) may (but has no obligation to) take possession of the Premises and assume the Franchisee's rights under the Lease, and, in such event, Franchisee will have no further right, title or interest in or under the Lease or to the Premises, all such rights thereby passing to Franchisor or its designee, without the Landlord's further consent. The Franchisee will fully cooperate therewith and do all acts necessary or appropriate thereto. Franchisor will have no liabilities or obligations of any kind arising from, or in connection with, this Assignment, the Lease, the Premises or otherwise until and unless Franchisor takes possession of the Premises pursuant to this Assignment and, in any event, Franchisor will only be responsible for those obligations accruing with respect to the Lease after the date of such express assumption. Upon taking possession of the Premises, Franchisor shall be obligated from that date forward to perform all of the duties and obligations of Franchisee under the Lease. Franchisor shall notify Landlord, in writing, within five (5) days of taking possession of the Premises.

The Franchisee will not permit any surrender, termination, amendment, or modification of the Lease and will elect and exercise all options to extend the term of or renew, or assume in bankruptcy, the Lease not less than thirty (30) days prior to the last day that said rights must be exercised. If the Franchisee does not do so, Franchisor may to the extent consistent with the United States Bankruptcy Code (but has no obligation to) do such acts for the account of Franchisee and without any liability or obligation of the Franchisor. Failure of the Franchisor to exercise any remedy hereunder shall not be a waiver of any of its rights. The rights and remedies of the Franchisor under this Assignment are in addition to those which the Franchisor has under the Franchise Agreement or otherwise. This Assignment shall bind, and benefit,

Franchisor and Franchisee and their respective successors and assigns. With respect to the Franchisor and Franchisee the dispute resolution provisions (including, but not limited to, mediation, binding arbitration, waiver of jury trial and limitation of damages) of the Franchise Agreement shall apply to this Assignment, and/or any matter related in any way to it, but the Franchisor may, in any event and at its option, proceed with any action in court for possession of the Premises and any related remedies. If there is more than one Franchisee, their obligations are joint and several. As between Landlord and Franchisor and/or Franchisee, the dispute provision of the Lease shall apply.

In the event Franchisee shall fail to perform or observe any of the terms, conditions or agreements in the Lease, Landlord shall give written notice thereof to Franchisor and Franchisor shall have the right (but not the obligation) to cure such default. Landlord shall not take any action with respect to such default under the Lease, including without limitation any action in order to terminate, rescind or avoid the Lease, for a period of fifteen (15) days following expiration of any cure period Franchisee may have under the Lease with respect to such default; provided, however, that in the case of any default which cannot with diligence be cured within said additional fifteen (15) day period, if Franchisor shall proceed promptly to cure such default and thereafter prosecute the curing of such default with diligence and continuity, the time within which such default may be cured shall be extended for such period as may be necessary to complete the curing of such default with diligence and continuity.

Landlord will recognize and accept the performance by Franchisor of any act or thing required to be done by Franchisee under the terms of the Lease and will accept such performance as if it were performed by Franchisee.

Landlord agrees that in any case commenced by or against Franchisee under the United States Bankruptcy Code, the Franchisor shall have standing to appear and act as a party to the Lease for purposes of the Bankruptcy Code, (but shall not have any obligations under the Lease unless Franchisor expressly assumes the Lease). Landlord shall, during Franchisee's bankruptcy case, serve on the Franchisor a copy of all notices, pleadings or documents which are given to Franchisee, and service shall be in the same manner as given to Franchisee. If the Lease or Franchisee's rights under the Lease are terminated, whether by reason of default of Franchisee or Landlord, rejection of the Lease in any bankruptcy case, voluntary surrender, and acceptance, or otherwise, then Landlord shall give written notice of such termination to Franchisor. Franchisor or its nominee shall have the option, exercisable by written notice to Landlord delivered not later than the 30th day after written notice that the termination has occurred, to receive from Landlord a new lease of the Premises on the same terms and conditions as the Lease, for the remaining term of the Lease (that is, the portion of the term that would remain absent the termination and the conditions or events causing the same), and such same terms and conditions shall include any extension rights provided for in the Lease.

Any notice or other communication required or permitted to be given under this Assignment shall be in writing and addressed to the respective party as set forth below. Notices shall be effective (i) on the next business day if sent by a nationally recognized overnight courier service, (ii) on the date of delivery by personal delivery and (iii) on the date of transmission if sent by facsimile during business hours on a business day (otherwise on the next business day) (with receipt of confirmation). Any party may change the address at which it is to receive notices to another address in the United States at which business is conducted (and not a post-office box or other similar receptacle), by giving notice of such change of address in accordance with this provision.

Notices to Franchisor, Franchisee or Landlord shall be addressed as follows:

Landlord: _____

This Assignment may be executed in one or more counterparts, each of which when so executed shall be deemed to be an original, but all of which when taken together shall constitute one and the same instrument.

If any portion or portions of this Assignment shall be held invalid or inoperative, then all of the remaining portions shall remain in full force and effect, and so far, as is reasonable and possible, effect shall be given to the intent manifested by the portion or portions held to be invalid or inoperative.

This Agreement shall be governed by and construed in accordance with the laws of the State of _____.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written.

7. You shall not, directly, or indirectly, commit any act or omit to do any act that would or would likely be injurious or prejudicial to the goodwill associated with our Trade Secrets and the System, or our Names and Marks.
8. The Manuals are loaned by us to You for limited purposes only and remain our property and may not be reproduced, in whole or in part, without our written consent.
9. In further consideration for the disclosure to you of the Trade Secrets and to protect the uniqueness of the System, You agree that during the term of this Agreement and for two (2) years following the earlier of the expiration, termination, or transfer of all of your interest in the Franchise Agreement you will not, without our prior written consent:

10. You undertake to use your best efforts to ensure that your staff acts as required by this Agreement.

11. You agree that in the event of a breach of this Agreement, we would be irreparably injured and be without an adequate remedy at law. THE PARTIES HEREBY WAIVE ALL DEFENSES OF LACK OF PERSONAL JURISDICTION OR IMPROPER VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION.

15. The parties agree that each of the above covenants shall be construed as independent of any other covenant or provision of this Agreement. These and other states may have court decisions that may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise.

ILLINOIS Illinois franchisees should note that the conditions under which your franchise can be terminated, and your rights upon non-renewal are governed by Illinois laws, Illinois Complied status 815 ILCS 709/19 and 709/20.

Any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

INDIANA Indiana franchisees should note that Indiana Law provides that it is unlawful for a Franchise Agreement to contain certain provisions in the area of required purchases, modification, competition, increases in the price of goods on order termination and non-renewal, covenants not to compete, and limitations on litigation. Statute 80C.14 subdivisions 3, 4, and 5 which require except in certain specific cases, that a Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.

Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, may prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

In accordance with Minnesota Rule 2860.4400J, and to the extent required by law, the Disclosure Document and the Franchise Agreement are modified so that the Franchisor cannot require a franchisee to waive his or her rights to a jury trial or to waive rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or to consent to liquidated damages, termination penalties, or judgment notes; provided that this part shall not bar an exclusive arbitration clause.

Pursuant to Minn. Stat. Sec. 80C.12, to the extent required by this Minnesota law, the Franchise Agreement and Item 13 of the Disclosure Document are amended to state that

the Franchisor will protect your right to use the primary trademark, service mark, trade name, logotype or other commercial symbol or indemnify us from any loss, costs or expenses arising out of any claim, suit, or demand regarding the use of the Franchisor's primary trade name.

All statements in the Disclosure Document and Franchise Agreement that state that Franchisor is entitled to injunctive relief are amended to read: "franchisor may seek injunctive relief" and a court will determine if a bond is required.

Minnesota Rule 2860.4400D prohibits the Franchisor from requiring a Franchisee to assent to a general release. The Disclosure Document and Franchise Agreement are modified accordingly, and to the extent required by law.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17.Subd.5.

(Signature of Franchisee)

(Name of Franchisee)

(Title)

RHODE ISLAND Notwithstanding anything in this Agreement to the contrary, all Rhode Island located franchisees will be governed by the Rhode Island Franchise Investment Act.

WASHINGTON If any of the provisions of this Franchise Disclosure Document or the Franchise Agreement are inconsistent with the relationship provisions of R.C.W. 19.100.180 or other requirements of the Washington Franchise Investment Protection Act, the provisions of the Act will prevail over inconsistent provisions of the Franchise Disclosure Document and the Franchise Agreement with regard to any franchise sold in Washington.

WISCONSIN Chapter 135, Stats. of the Wisconsin Fair Dealership Law supersedes any provisions of the Franchise Agreement that may be inconsistent with that law.

II. POST-TERM COVENANTS NOT TO COMPETE

For franchises governed by laws of the following states:

CALIFORNIA, CONNECTICUT, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, WISCONSIN

These states have statutes which limit the Franchisor's ability to restrict your activity after the Franchise Agreement has ended.

III. **TERMINATION UPON BANKRUPTCY**

For franchises governed by laws of the following states:

CALIFORNIA, CONNECTICUT, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, VIRGINIA, WASHINGTON, WISCONSIN

A provision in the Franchise Agreement which terminates the franchise upon the bankruptcy of the franchise may not be enforceable under Title 11, United States Code Section 101.

IV. **LIQUIDATED DAMAGES PROVISIONS**

The following states have statutes which restrict or prohibit the imposition of liquidated damages provisions:

CALIFORNIA	Civil Code Section 1671
INDIANA	IC 23.2-2.5-2
MINNESOTA	Rule 2860.4400

State courts also restrict the imposition of liquidated damages. The imposition of liquidated damages is also restricted by fair practice laws, contact law, and state and federal court decisions.

For franchises governed by the laws of the state of MINNESOTA, liquidated damage provisions are void.

V. **STATE ADDENDUMS**

The following are Addendums for Franchises governed by the laws of the respective states as follows:

CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the Disclosure Document.

The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et. Seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.)

The Franchise Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur in El Paso County, Colorado with the costs being borne by the prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the law of Colorado. This provision may not be enforceable under California law.

Section 31125 of the California Corporation Code requires us to give you a disclosure document, in a form and containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31 000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

The franchise agreement contains provisions shortening the statute of limitations to bring claims and requiring you to waive your right to punitive or exemplary damages against the franchisor, limiting your recovery to actual damages for any claims related to your franchise. Under California Corporations Code section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The highest interest rate allowed by law in California is 10% annually.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law

ILLINOIS

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in the Franchise Agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a Franchise Agreement may provide for arbitration in a venue outside of Illinois.

The governing law or choice of law clause described in the Disclosure Document (including a risk factor on the cover page) and contained in the Franchise Agreement may not be enforceable under Illinois law. This governing law clause shall not be construed to negate the application for the Illinois Franchise Disclosure Act in all situations to which it is applicable.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 5 of the Disclosure Document and Section 4.1 of the Franchise Agreement is hereby amended to provide that all initial franchise fees are deferred until all Franchisor's pre-opening obligations to franchisee have been met and the franchisee is open for business. This deferral requirement has

been imposed by the Illinois Attorney General's Office due to Franchisor's financial condition. A financial assurance is not required as a condition of registration.

Illinois law requires that the Franchisor give you a copy of the Disclosure Document as registered with the Attorney General together with a copy of all proposed agreements relating to the sale of the franchise before the earlier of:

1. 14 days before our execution of a binding Franchise Agreement or other agreement, and
2. 14 days before the Franchisor receives any payment from you.

Your rights upon termination and non-renewal of the Franchise Agreement are set forth in Section 19 and Section 20 of the Illinois Franchise Disclosure Act.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- A. A prohibition of the right of a franchisee to join an association of franchisees.
- B. A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- C. A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- D. A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if:
 - 1. The term of the franchise is less than 5 years; and
 - 2. The Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor's intent not to renew the franchise.
- E. A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- F. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- G. A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

1. The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
 2. The fact that the proposed transferee is a competitor of the Franchisor or Sub-Franchisor.
 3. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 4. The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- H.** A provision that requires the Franchisee to resell to the franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bon fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).
- I.** A provision that permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

I. Item 5 is amended by the addition of the following language to the original language:

Refund and cancellation provisions do not apply to franchises operating under the North Dakota franchise Investment Law. If the Company elects to cancel the Franchise Agreement, the Company will be entitled to a reasonable fee for its evaluation of you and related preparatory work performed and expenses actually incurred. This amount may not be more than fifty percent (50%) of the Franchise Fee.

C. The Choice of Forum section is amended to delete the following:

VI. The Arbitration section shall be deleted and amended to read as follows:

Except as specifically otherwise provided in this Agreement, the parties agree that all contract disputes that cannot be amicably settled shall be determined by arbitration under the Federal Arbitration Act as amended and in accordance with the rules of the American Arbitration Association or any successor thereof. Arbitration shall take place at an appointed time and place in the County and State in which Franchisee's franchised business is located. However, nothing contained herein shall be construed to limit or to preclude the parties from bringing any action in any court of competent jurisdiction for injunctive or other provisional relief as the parties deem to be necessary or appropriate to compel either party to comply with its obligations hereunder or to protect the marks or other property rights of franchisor.

VII. The Acknowledgement section is amended to add the following:

Franchisee acknowledges that Franchisee received a copy of this Franchise Agreement, the attachments hereto, if any, and agreements relating thereto, if any, at least seven (7) days prior to the date on which this Agreement was executed.

VIII. The Covenants section is amended to add the following:

Covenants not to compete on termination or expiration of the Franchise Agreement are generally unenforceable in the State of North Dakota except in limited instances as provided by law.

§19-28.1-14 of the Rhode Island Franchise Investment Act provides that:

A provision in a Franchise Agreement restricting jurisdiction of venue to a forum outside this state or requiring the application of the laws of another state are void with respect to a claim otherwise enforceable under this Act.

VIRGINIA

In recognition of the restrictions contained in 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Snooze International, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute ‘reasonable cause’ as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

This section operates as an addendum to the Franchise Agreement and FDD.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained

in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

INDEPENDENT AUDITOR'S REPORT

To the Member of
Snooze International, LLC
Pueblo West, CO

Opinion

We have audited the accompanying financial statements of Snooze International, LLC (a Colorado Limited Liability Company), which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income, changes in member's equity (deficit), and cash flows for the years ended December 31, 2024, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Snooze International, LLC as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years ended December 31, 2024, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Snooze International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Snooze International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on page 13 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred rather than when cash is disbursed.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2024 AND 2023 AND
FOR THE YEARS ENDED DECEMBER 31, 2024, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are non-interest-bearing obligations due under normal trade terms carried out at the amount management expects to collect. Account balances are delinquent if payments have not been received by the Company for 90 days. Included in accounts receivable are initial franchise fees, monthly royalties and related fees due from franchisees. At December 31, 2024 and 2023, the amount due was \$0 and \$0, respectively.

Management evaluates the collectability of receivables at each reporting date, considering factors such as historical collection patterns, the aging of accounts, and known economic or operational risks. For the years ended December 31, 2024 and 2023, no allowance for credit losses was recorded.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 5 to 40 years.

Long-Lived Assets

The Company reviews long-lived assets to be held and used by an entity for impairment whenever changes in circumstances indicate that the carrying amount of an asset may not be recoverable. As there are no owned assets for the Years ended December 31, 2024, 2023 and 2022, no impairment of the carrying values of its long-lived assets existed at December 31, 2024 and 2023. There can be no assurance, however, that demands for the Company's products or market conditions will not change which could result in impairment losses in the future.

Compensated Absences

Employees compensated absences are not accrued as of December 31, 2024 and 2023, because no reasonable estimate of the amount can be made.

Advertising Costs

Advertising costs are expensed when incurred. Advertising expense amounted to \$176,212, \$266,799 and \$59,771 for the years ended December 31, 2024, 2023 and 2022.

FOR THE YEARS ENDED DECEMBER 31, 2024, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Income Taxes

Certain transactions of the Company may be subject to accounting methods for income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for federal and state income tax purposes may differ from net income in these financial statements.

As a limited liability company, income or loss of the Company is allocated to the members. No provision for federal or state income taxes is necessary because any income or loss is includable in the tax returns of the individual members. Local income taxes, if any, are paid by the Company. The Company was not subject to any local income taxes for the years ended December 31, 2024 and 2023.

The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Company accounts for uncertain tax positions in accordance with ASC 740-10, *Accounting for Uncertainty in Income Taxes*. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on de-recognition, classification, interest and penalties, and disclosure and transition accounting. The Company has concluded that no liability for uncertain tax positions is required at December 31, 2024 and 2023.

Revenue Recognition

The Company's revenue recognition policies are in compliance with accounting standards ASC Topic 606, *Revenue from Contracts with Customers*. The new guidance includes the following five-step revenue recognition model:

- Identify the contract with the customer
- Identify the performance obligation in the contract
- Determine the transaction price
- Allocate the transaction price to performance obligations
- Recognize revenue when (or as) each performance obligation is satisfied

In 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU), *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) Practical Expedient*. This new practical expedient will allow franchisors that are not public business entities to account for pre-opening services provided to a franchise as a single performance obligation if the services are in line with the services listed within the guidance, and they meet certain other conditions.

The Company recognizes franchise royalties and system advertising on a monthly basis, which are generally based upon a percentage of sales made by the Company's franchises, when they are earned and deemed collectible.

FOR THE YEARS ENDED DECEMBER 31, 2024, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Revenue Recognition, continued

The following services are provided by the Company prior to the opening of a franchised location:

- Pre-opening services which include assistance with site selection, a list of required items & approved suppliers and review/approval of proposed premises layout.
- Copy of proprietary operations manual (and other materials).
- Comprehensive five-day training program at our corporate headquarters and up to three days of assistance and guidance pre-opening or grand opening on site.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company’s management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

Fair Value of Financial Assets and Liabilities

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities;

quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

FOR THE YEARS ENDED DECEMBER 31, 2024, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Recently Issued and Adopted Accounting Pronouncements

In June 2016, the FASS issued ASU 2016-13, Measurement of Credit Losses on Financial Instruments which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model.

Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASS ASC 326 were trade accounts receivable. The Company adopted the standard effective December 15, 2022. The impact of the adoption was not considered material to the financial statements and primarily resulted in new disclosures.

The Company's management has evaluated recently issued accounting pronouncements through the date of this report and concluded that they will not have a material effect on the financial statements as of December 31, 2024 and 2023.

NOTE 3 – PREPAID EXPENSES

Prepaid expenses represent expenses paid to assist franchisee's in getting their business open. This includes commissions, advertising fees, and misc. costs. These costs are recognized when Franchisees open their doors. The amounts prepaid as of December 31, 2024 and 2023, were \$0 and \$107,360, respectively.

NOTE 4 – DEFERRED REVENUE

Deferred revenue represents initial franchise fee sales for which all the services to be provided by the Company have not yet been performed. The amounts deferred as of December 31, 2024 and 2023, were \$627,268 and \$487,440, respectively.

NOTE 5 –LINE OF CREDIT

On February 3, 2023 the company signed a secured convertible line of credit promissory note for \$2,500,000. The terms of the note require interest rate at 1% above the CME 1-mo SOFR index and a balloon payment of principal and any outstanding interest due by January 31, 2025. The line of credit may be renewed or converted upon written notification by the borrower. Lender shall have the option to convert the principal amount of debt outstanding into equity in exchange for a 5% ownership interest in Snooze International LLC at any time during the term of the agreement. The line was extended until April 30, 2025. At December 31, 2024 and 2023, the outstanding principal sum were \$2,000,000 and \$1,675,000, respectively.

The Company also had related party payables of \$0 and \$60,216 for the years ended December 31, 2024 and 2023, respectively. The related parties are entities owned by one of the Company's members. The amounts are non-interest bearing and have no formal repayment terms.

As of December 31, 2024 and 2023 the Company had a long-term note receivable due from its member. The original note was for \$1,000,000 with interest computed at 1.5% above the CME 1-mo SOFR index and a balloon payment of principal and interest due by January 31, 2025. INDEPENDENT AUDITOR'S REPORT

To the Member of
Snooze International, LLC
Pueblo West, CO

Opinion

We have audited the accompanying financial statements of Snooze International, LLC (a Colorado Limited Liability Company), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Snooze International, LLC as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Snooze International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Snooze International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – BUSINESS ACTIVITY

Snooze International, LLC was formed in the state of Colorado on March 4, 2021; the Company is in the business of offering franchises for the operation of a mattress store. Unless otherwise indicated, the terms “we,” “us,” “our,” and “Company” refer to Snooze International, LLC. The Company is in its initial start-up phase and is currently in the process of acquiring franchisees to operate in various states.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred rather than when cash is disbursed.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable and Bad Debts

Customer accounts receivable are stated at the amount management expects to collect on balances. The Company uses the direct write-off method for bad debts; management closely monitors outstanding balances and writes off, as of year-end, any balances that are considered to be uncollectible. Accordingly, no allowance for doubtful accounts is required. Bad debts amounted to \$0 for the years December 31, 2023 and 2022.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 5 to 40 years.

Long-Lived Assets

The Company reviews long-lived assets to be held and used by an entity for impairment whenever changes in circumstances indicate that the carrying amount of an asset may not be recoverable. As there are no owned assets for the Year ended December 31, 2023, no impairment of the carrying values of its long-lived assets existed at December 31, 2023. There can be no assurance, however, that demands for the Company’s products or market conditions will not change which could result in impairment losses in the future.

Compensated Absences

Employees compensated absences are not accrued as of December 31, 2023 and 2022, because no reasonable estimate of the amount can be made.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Advertising Costs

Advertising costs are expensed when incurred. Advertising expense amounted to \$266,799 and \$59,771 for the period ended December 31, 2023 and 2022.

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Income Taxes

Certain transactions of the Company may be subject to accounting methods for income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for federal and state income tax purposes may differ from net income in these financial statements.

As a limited liability company, income or loss of the Company is allocated to the members. No provision for federal or state income taxes is necessary because any income or loss is includable in the tax returns of the individual members. Local income taxes, if any, are paid by the Company. The Company was not subject to any local income taxes for the period ended December 31, 2023.

The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Company accounts for uncertain tax positions in accordance with ASC 740-10, *Accounting for Uncertainty in Income Taxes*. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on de-recognition, classification, interest and penalties, and disclosure and transition accounting. The Company has concluded that no liability for uncertain tax positions is required at December 31, 2023.

Reclassifications

Certain prior year amounts have been reclassified to conform to current year's presentation. The reclassifications had no effect on previously reported results of operations.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition

The Company's revenue recognition policies are in compliance with accounting standards ASC Topic 606, *Revenue from Contracts with Customers*. The new guidance includes the following five-step revenue recognition model:

- Identify the contract with the customer
- Identify the performance obligation in the contract
- Determine the transaction price
- Allocate the transaction price to performance obligations
- Recognize revenue when (or as) each performance obligation is satisfied

In 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU), *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) Practical Expedient*. This new practical expedient will allow franchisors that are not public business entities to account for pre-opening services provided to a franchise as a single performance obligation if the services are in line with the services listed within the guidance, and they meet certain other conditions.

The Company recognizes franchise royalties and system advertising on a monthly basis, which are generally based upon a percentage of sales made by the Company's franchises, when they are earned and deemed collectible.

The following services are provided by the Company prior to the opening of a franchised location:

- Pre-opening services which include assistance with site selection, a list of required items & approved suppliers and review/approval of proposed premises layout.
- Copy of proprietary operations manual (and other materials).
- Comprehensive five-day training program at our corporate headquarters and up to three days of assistance and guidance pre-opening or grand opening on site.

Fair Value of Financial Assets and Liabilities

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Fair Value of Financial Assets and Liabilities, continued

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

Recently Issued and Adopted Accounting Pronouncements

The Company's management has evaluated recently issued accounting pronouncements through the date of this report and concluded that they will not have a material effect on the financial statements as of December 31, 2023.

In February 2016, the FASB issued a new accounting standard on leases. The new standard, among other changes, will require lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all leases. The lease liability will be measured at the present value of the lease payments over the lease term. The right-of-use asset will be measured at the lease liability amount, adjusted for lease prepayments, lease incentives received and the lessee's initial direct costs (e.g., commissions). The new standard is effective for annual reporting periods beginning after December 15, 2021, including interim reporting periods within those annual reporting periods. The adoption will require a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest period presented. Effective January 1, 2022, the Company adopted the new lease standard. At December 31, 2023 the Company had no lease agreements in place; however; the Company share common space with a related party and reimbursed them for the space occupied.

NOTE 3 – PREPAID EXPENSES

Prepaid expenses represent expenses paid to assist franchisee's in getting their business open. This includes commissions, advertising fees, and misc. costs. These costs are recognized when Franchisees open their doors. For the period ended December 31, 2023 and 2022, the amount deferred was \$107,360 and \$63,074, respectively.

NOTE 4 – DEFERRED REVENUE

Deferred revenue represents initial franchise fee sales for which all the services to be provided by the Company have not yet been performed. For the period ended December 31, 2023 and 2022, the amount deferred was \$487,440 and \$321,300, respectively.

NOTE 5 –LINE OF CREDIT

On February 3, 2023 the company signed a secured convertible line of credit promissory note for \$2,500,000. The terms of the note require interest rate at 1% above the CME 1-mo SOFR index and a balloon payment of principal and any outstanding interest due by January 31, 2025. The line of credit may be renewed or converted upon written notification by the borrower. Lender shall have the option to convert the principal amount of debt outstanding into equity in exchange for a 5% ownership interest in Snooze International LLC at any time during the term of the agreement. At December 31, 2023, the outstanding principal sum was \$1,675,000.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 6 – RELATED PARTY TRANSACTIONS

As of December 31, 2023 and 2022 the Company had related party receivable of \$122,261 and \$1,529, respectively. The Company also had related party payable of \$60,216 and \$128,163 for the years ended December 31, 2023 and 2022, respectively. The related parties are entities owned by one of the Company's members. The amounts are non-interest bearing and have no formal terms.

Due from Member

As of December 31, 2023 the Company had a long-term note receivable due from its member. The original note was for \$1,000,000 with interest computed at 1.5% above the CME 1-mo SOFR index and a balloon payment of principal and interest due by January 31, 2025. At December 31, 2023, the outstanding note receivable was \$907,451, which included accrued interest of \$57,451.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The company may be party to various claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the company.

NOTE 8 – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through April 26, 2024, the date which the financial statements were available to be issued and nothing has occurred that would require disclosure.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Snooze International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Snooze International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Snooze International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SNOOZE INTERNATIONAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – BUSINESS ACTIVITY

Snooze International, LLC was formed in the state of Colorado on March 4, 2021; the Company is in the business of offering franchises for the operation of a mattress store. Unless otherwise indicated, the terms “we,” “us,” “our,” and “Company” refer to Snooze International, LLC. The Company is in its initial start-up phase and is currently in the process of acquiring franchisees to operate in various states.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred rather than when cash is disbursed.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable and Bad Debts

Customer accounts receivable are stated at the amount management expects to collect on balances. The Company uses the direct write-off method for bad debts; management closely monitors outstanding balances and writes off, as of year-end, any balances that are considered to be uncollectible. Accordingly, no allowance for doubtful accounts is required. Bad debts amounted to \$0 for the years December 31, 2022 and 2021.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 3 to 10 years.

Long-Lived Assets

The Company reviews long-lived assets to be held and used by an entity for impairment whenever changes in circumstances indicate that the carrying amount of an asset may not be recoverable. As there are no owned assets for the Year ended December 31, 2022, no impairment of the carrying values of its long-lived assets existed at December 31, 2022. There can be no assurance, however, that demands for the Company’s products or market conditions will not change which could result in impairment losses in the future.

Compensated Absences

Employees compensated absences are not accrued as of December 31, 2022 and 2021, because no reasonable estimate of the amount can be made.

Advertising Costs

Advertising costs are expensed when incurred. Advertising expense amounted to \$59,771 and \$32,488 for the period ended December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Income Taxes

Certain transactions of the Company may be subject to accounting methods for income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for federal and state income tax purposes may differ from net income in these financial statements.

As a limited liability company, income or loss of the Company is allocated to the members. No provision for federal or state income taxes is necessary because any income or loss is includable in the tax returns of the individual members. Local income taxes, if any, are paid by the Company. The Company was not subject to any local income taxes for the period ended December 31, 2021.

The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Company accounts for uncertain tax positions in accordance with ASC 740-10, *Accounting for Uncertainty in Income Taxes*. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on de-recognition, classification, interest and penalties, and disclosure and transition accounting. The Company has concluded that no liability for uncertain tax positions is required at December 31, 2022.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition

The Company's revenue recognition policies are in compliance with accounting standards ASC Topic 606, *Revenue from Contracts with Customers*. The new guidance includes the following five-step revenue recognition model:

- Identify the contract with the customer
- Identify the performance obligation in the contract
- Determine the transaction price
- Allocate the transaction price to performance obligations
- Recognize revenue when (or as) each performance obligation is satisfied

In 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU), *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) Practical Expedient*. This new practical expedient will allow franchisors that are not public business entities to account for pre-opening services provided to a franchise as a single performance obligation if the services are in line with the services listed within the guidance, and they meet certain other conditions.

The Company recognizes franchise royalties and system advertising on a monthly basis, which are generally based upon a percentage of sales made by the Company's franchises, when they are earned and deemed collectible.

The following services are provided by the Company prior to the opening of a franchised location:

- Pre-opening services which include assistance with site selection, a list of required items & approved suppliers and review/approval of proposed premises layout.
- Copy of proprietary operations manual (and other materials).
- Comprehensive five-day training program at our corporate headquarters and up to three days of assistance and guidance pre-opening or grand opening on site.

Fair Value of Financial Assets and Liabilities

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Recently Issued and Adopted Accounting Pronouncements

The Company's management has evaluated recently issued accounting pronouncements through the date of this report and concluded that they will not have a material effect on the financial statements as of December 31, 2022.

In February 2016, the FASB issued a new accounting standard on leases. The new standard, among other changes, will require lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all leases. The lease liability will be measured at the present value of the lease payments over the lease term. The right-of-use asset will be measured at the lease liability amount, adjusted for lease prepayments, lease incentives received and the lessee's initial direct costs (e.g., commissions). The new standard is effective for annual reporting periods beginning after December 15, 2021, including interim reporting periods within those annual reporting periods. The adoption will require a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest period presented. Effective January 1, 2022, the Company adopted the new lease standard. At December 31, 2022 the Company had no lease agreements in place.

Reclassifications

Certain prior year amounts have been reclassified to conform to current year's presentation. The reclassifications had no effect on previously reported results of operations.

NOTE 3 – PREPAID EXPENSES

Prepaid expenses represents expenses paid to assist franchisee's in getting their business open. This includes commissions, advertising fees, and misc. costs. These costs are recognized when Franchisees open their doors. For the period ended December 31, 2022 and 2021, the amount deferred was \$63,074 and \$53,967, respectively.

NOTE 4 – DEFERRED REVENUE

Deferred revenue represents initial franchise fee sales for which all the services to be provided by the Company have not yet been performed. For the period ended December 31, 2022 and 2021, the amount deferred was \$321,300 and \$163,500, respectively.

NOTE 5 – EMPLOYEE RETENTION CREDIT

Under the provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") signed into law on March 27, 2020 and the subsequent extension of the CARES Act, the Company was eligible for a refundable employee retention credit subject to certain criteria. During the year ended December 31, 2022 and 2021, the Company recognized a \$44,372 and \$37,512, respectively, employee retention credit as a reduction to payroll expenses and an employee retention credit receivable on the balance sheet.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The company may be party to various claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the company.
