What You Need To Know About Franchising Generally

<u>Continuing responsibility to pay fees</u>. You may have to pay royalties and other fees even if you are losing money.

<u>Business model can change</u>. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions</u>. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

<u>Operating restrictions</u>. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>Competition from franchisor</u>. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

- 1. <u>Out-of-State Dispute Resolution</u>. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.
- 2. <u>Mandatory Minimum Payments</u>. You must make minimum royalty, advertising, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN ADDENDUM TO THE DISCLOSURE DOCUMENT

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to: (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards; (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor; (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely

identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The franchisor is Best Brains, Inc. For ease of reference, Best Brains, Inc. will be referred to as "we," "us," or "our" in this disclosure document. We will refer to the person or entity who buys the franchise as "you" throughout the disclosure document. "You" includes the owners of a franchisee entity. We allow only limited liability companies and corporation franchisee entities, not partnerships.

<u>Franchisor Company</u>. Best Brains, Inc. is an Illinois corporation formed on August 29, 2011. Our principal business address is 135 E. Algonquin Road, Suite B, Arlington Heights, Illinois 60005. We do business under the name, BEST BRAINS.

Best Brains, Inc. has also run company stores since 2011.

Exhibit A contains our agents for service of process.

Parents, Predecessors, and Affiliates.

We have no predecessor or parent.

We had an affiliate, Strasys, Inc., formed on March 27, 2012, with a principal business address at 14080 Sullyfield Circle, Buie B, Chantilly, VA 20151, which operated an outlet similar to the ones offered through this disclosure document from 2013 to 2015, then the operation of the outlet continued from 2015 to the present, under our Director and Secretary, Anil Uppalapati, as a sole proprietor

Our affiliate has never offered franchises in any line of business and does not provide products or services to franchisees of ours.

The Business of the Franchise. We franchise a learning center (the "Franchised Business") under the "BEST BRAINS" trade name and service mark (the "Marks") using certain procedures, techniques, business methods, Teaching Methods, Student Worksheets Instructional Materials, Authorized Curricula, business forms, business policies and a body of knowledge pertaining to the establishment and operation of the Franchised Businesses (the "System"). Our Authorized Curricula for teaching primary and secondary students using our proprietary educational programs and teaching methods (the "Teaching Methods") is offered at each Franchised Business. The Teaching Methods use a series of worksheets, diagnostic tests, achievement tests and other devices (collectively, the "Instructional Materials") to assist students' educational advancement. The franchise offered is for the right to operate a BEST BRAINS learning center using the Marks and the System at a specific location.

We have three types of locations for our learning centers:

Our Premium Learning Center is typically located in a retail strip center.

Our Teacher learning center is typically smaller and non-retail and owned by a person who has a teaching certificate from the United States or Canada.

You must sign our standard franchise agreement (the "Franchise Agreement") when you purchase a franchise.

<u>Market</u>. The market for our products and services is primarily targeted to parents of young children. The market for learning centers is a growing and developing market. Sales are year-round, but heavier during the school year.

<u>Industry Regulations</u> You must comply with all local, state, and federal laws and regulations that apply to operation of your business.

Certain states may consider your business to be a "school" or "after-school program" and you may be subject to state or local licensing, permit, and ordinance laws applicable to schools. These requirements may require you to have a teaching license or certificate, separate bathrooms for boys and girls, water fountains, special exit doors equipped with panic bars, and accommodations for disabled persons. You are also subject to local zoning rules because they may limit where you can locate your Franchised Business and may affect design features, including the building facade and signs.

Some jurisdictions require, and we strongly recommend that you conduct background checks on any employee that will be in contact with children during the operation of the franchised business. You must comply with the Fair Credit Reporting Act when conducting background checks. We urge you to consult with a local attorney about state and local laws and regulations as these vary by locality.

To acquire a Teacher Learning Center, you must be a certified teacher in the United States or Canada.

The details of state, county and local laws and regulations vary from place to place. You should investigate these laws and regulations further.

<u>Competition</u>. Your competitors would include traditional schools, tutors, home studying and other learning centers including other BEST BRAINS learning centers.

<u>Prior Business Experience.</u> We began offering franchises in April 2013. We have not offered franchises in other lines of business. We have no other business activities. We have not operated a BEST BRAINS learning center; however, companies related to us have operated BEST BRAINS learning centers since 2011.

Our judgment may be based on factors such as the proximity to existing or proposed locations owned by other franchisees or us, the suitability of the proposed facilities, compliance with our then current franchise location requirements, the competitiveness within the market place or other factors. We recommend that you employ the services of a real estate attorney for legal advice regarding the terms of the lease. (Franchise Agreement - Sections 5.C and D.)

We are not required to spend any amount of the franchisor's money on advertising in your area or territory.

We will have the right to reinstate the Brand Development Fund upon the same terms and conditions set forth in the Franchise Agreement upon 30 days prior written notice to you.

Learning centers owned by us or companies related to us by common ownership contribute on the same basis to the Brand Development Fund as franchisees.

If you want to relocate the learning center, you must notify us in writing 60 days before the relocation. We reserve the right to refuse to approve a proposed relocation if we believe that the proposed relocation is for any reason not acceptable to us. Our judgment may be based on factors such as the proximity to existing or proposed locations owned by other franchisees or us, the suitability of the proposed facilities, compliance with our then current franchise location requirements, the competitiveness within the market place or other factors.

Continuation of your franchise rights does not depend on your achieving a certain sales volume, market penetration, or other contingency.

ITEM 13. TRADEMARKS

<u>BEST BRAINS Service Mark</u>. The franchise agreement licenses to you the right to use the following principal trademarks ("Marks") registered or applied for with the U.S. Patent and Trademark Office ("USPTO"):

Description of Mark	Principal or Supplemental Register of the USPTO	Registration Number	Registration Date
BEST BRAINS	Principal	4312681	April 2, 2013
(3)	Principal	4831219	October 13, 2015
bestbrains	Principal	5696167	March 12, 2019
BE YOUR BEST	Principal	5696442	March 12, 2019

We have filed all required affidavits and renewals.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court. There is no pending infringement, opposition or cancellation action, nor any pending material federal or state court litigation regarding the franchisor's use or ownership rights in the trademark. There are no agreements which significantly limit our right to use or license the use of the principal trademark in any manner material to the franchise.

<u>Use of Service Mark</u>. You must use the Marks as the sole identification of the Franchised Business, provided that you must identify yourself as the independent owner of the Franchised Business in the manner we prescribe. You may not use any Mark as part of any company or trade name, or with any prefix, suffix, or other modifying words, terms, designs or symbols, or in any modified form, nor may you use any Mark in connection with the sale of any unauthorized service or product or in any other manner not expressly authorized in writing by us. You must prominently display the Marks on or in connection with, signs, posters, displays, service contracts, stationery, and other forms we designate. You must, in the manner we prescribe, give notices of trademark and service mark registrations and copyrights as we specify and to obtain such fictitious or assumed name registrations as may be required under applicable law. All bank accounts, licenses,

permits or other similar documents must contain the actual name of the person or entity owning the Franchised Business and may contain "d/b/a BEST BRAINS." Any sign face bearing the Marks will remain our property even though you may have paid a third party to make the sign faces.

<u>Infringements</u>. You must immediately notify us of any apparent infringement of or challenge to your use of any Mark, or claim by any person of any rights in any Mark, and you may not communicate with any person other than us and our counsel in connection with any infringement, challenge or claim. We and our affiliates will have sole discretion to take action as we deem appropriate and the right to exclusively control any litigation or USPTO or other proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark and you must sign any and all instruments and documents, render assistance and actions as may, in the opinion of our or our affiliates' counsel, be necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or to otherwise protect and maintain our interests in the Marks.

We will indemnify you against, and reimburse you for, all damages for which you are held liable in any proceeding in which your use of any Mark, pursuant to and in compliance with the Franchise Agreement, is held to constitute trademark infringement, unfair competition or dilution, and for all costs reasonably incurred by you in the defense of any claim brought against you or in any proceeding in which you are named as a party, provided that you have timely notified us of the claim or proceeding and have otherwise complied with the Franchise Agreement. We, in our discretion, will be entitled to defend any proceeding arising out of your use of any Mark pursuant to the Franchise Agreement, and, if we undertake the defense of the proceeding, we will have no obligation to indemnify or reimburse you for any fees or disbursements of counsel you retain.

If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade or service marks, you must comply with our instructions within a reasonable time after notice by us, and our sole obligation in any event will be to reimburse you for your out-of-pocket costs of complying with this obligation.

We do not actually know of either superior prior rights or infringing uses that could materially affect your use of our principal trademark.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or registered copyrights are material to the franchise. We and our affiliates claim copyright protection of our Operations Manual and related materials although these materials have not been registered with the United States Registrar of Copyrights. The Operations Manual and related materials are considered proprietary and confidential and are considered the property of us and our affiliates and may be used by you only as provided in the Franchise Agreement. You may not use our confidential information in any unauthorized manner and must take reasonable steps to prevent its disclosure to others.

You will be entitled to use of the copyrighted and proprietary materials during the term of the franchise. There are no currently effective material determinations of the USPTO, the United States Copyright Office, or a court regarding the copyrighted materials. There are no agreements that significantly limit our rights to use or license the use of the copyrighted or proprietary materials. There is no provision in the Franchise Agreement specifically obligating us to protect your rights to use of the proprietary or copyrighted materials, but we will respond to this information as we deem appropriate. There are no infringing uses known to us which would materially affect your use of the proprietary and/or copyrighted materials.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

	(the "Franchisee") and
	("Landlord") as a Rider
to the lease (as amended, renewed, and/or extended from time located at	e to time, the "Lease") for the Premises
(the "Premises"), dated as of	

WHEREAS, the Franchisee and/or the Franchisee's principals have executed a franchise agreement (the "Franchise Agreement") with Best Brains, Inc., an Illinois corporation (the "Franchisor"), for the operation of a Best Brains business at the Premises, and as a requirement thereof, the Lease for the Premises must include the provisions contained in this Rider; and

WHEREAS, Landlord, Franchisor and the Franchisee agree that the terms contained herein shall supersede any terms to the contrary set forth in the Lease;

NOW THEREFORE, in consideration of mutual covenants set forth herein, the execution and delivery of the Lease, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord, Franchisor and the Franchisee hereby agree as follows:

- 1. The Premises may be used only for the operation of a Best Brains business.
- 2. Landlord shall deliver to the Franchisor a copy of any notice of default or termination of the Lease at the same time such notice is delivered to the Franchisee, but no later than thirty (30) days before a termination of the Lease would become effective.
- 3. The Franchisor shall have the right, but not the obligation, upon giving prior written notice of its election to the Franchisee and Landlord, to enter the Premises to cure any breach of the Lease, and if so stated in the notice, to also succeed to the Franchisee's rights, title, and interests thereunder.
- 4. Notwithstanding anything to the contrary contained in the Lease, and subject to Paragraph 1 of this Rider, the Franchisee shall have the absolute right to sublet, assign or otherwise transfer its interest in the Lease to the Franchisor or its affiliate, or to a company with which the Franchisee or the Franchisor may merge or consolidate, without Landlord's approval, written or otherwise, without any increase in rent (except as provided in the Lease), without a material change in any other terms of the Lease, and without execution of any additional guaranty of the obligations under the assigned Lease.
- 5. Subject to Paragraph 1 of this Rider, the Franchisee shall, if requested by the Franchisor, assign to the Franchisor (or its affiliate or to a company with which the Franchisee or the Franchisor may merge or consolidate), and Landlord hereby irrevocably and unconditionally consents to such assignment, all of the Franchisee's rights, title, and interest to and under the Lease upon (i) any termination of the Lease or the Franchise Agreement or (ii) if no subsequent Franchise Agreement is executed; but no such assignment shall be effective unless: (a) the Franchise Agreement is terminated or expires without execution of a renewal Franchise Agreement; and (b) the Franchisor (or its affiliate or a company with

which the Franchisee or the Franchisor may merge or consolidate), notifies the Franchisee and Landlord in writing that it assumes the Franchisee's obligations under the Lease.

- 6. In addition to any prior written consent of the Landlord that may be required by the terms of the Lease: (a) the Lease may not be modified, amended, renewed or extended in any manner or assigned by the Franchisee without the Franchisor's prior written consent; (b) the Premises may not be altered or modified in any way without the Franchisor's prior written consent; and (c) the Premises may not be sublet, subdivided or used for any purpose other than for the operation of a Best Brains business without the Franchisor's prior written consent.
- 7. The Franchisee and Landlord acknowledge and agree that the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) shall have no liability or obligation whatsoever under the Lease unless and until the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) assumes the Lease in writing pursuant to Paragraphs 3, 4 or 5 above. The Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) shall assume all of the Franchisee's obligations under the Lease from and after the date of assignment, but shall have no obligation to pay any delinquent rent or to cure any other default under the Lease that occurred or existed prior to the date of the assignment.
- 8. If the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) assumes the Lease, as above provided, the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) may further assign or sublet the Lease to another person or entity to operate the Best Brains business at the Premises, subject to Landlord's prior written consent which consent shall not be unreasonably withheld or delayed. No such consent shall be required if the Lease is assigned or sublet to another Best Brains franchisee. The Franchisor (or its affiliate or the company with which the Franchisor may merge or consolidate) shall be fully released from any and all liability to Landlord in the event that the Lease is assigned or sublet to another Best Brains franchisee. Landlord agrees to execute such further documentation to confirm its consent to the assignments permitted under this Rider as the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) may request.
- 9. If the Franchise Agreement expires or is terminated during the Term of the Lease, Landlord shall be able to exercise its right to terminate the Lease and/or to exercise its other remedies under the Lease, unless the Lease is assumed by the Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) within thirty (30) days of the termination or expiration of the Franchise Agreement.
- 10. If the Lease expires or is terminated for any reason, the Franchisor may, upon prior written notice to Landlord, enter the Premises and remove any signs or other articles bearing any trade names, logos, trade-marks that are part of the System and de-identify the leased Premises as a Best Brains business (including, without limitation, removing any Best Brains trade dress features and/or fixtures), without legal process and without being guilty of trespass.
- 11. Landlord and the Franchisor may rely upon any notice from either of them regarding the status of the Lease or of the Franchise Agreement; they shall have no duty to perform any independent investigation to verify the Franchisee's rights under the Lease or the Franchise Agreement; and, the Franchisee agrees to indemnify and hold the Franchisor (and its affiliates and company with which the Franchisor may merge or consolidate) harmless from any and all claims, expenses and attorneys' fees

arising out of the Lease and the reliance upon the Franchisor's or Landlord's representations regarding the Franchisee's status, the status of the Franchisor or the status of the Franchise Agreement.

- 12. Landlord shall make available to the Franchisor all information which it collects or produces related to sales of the Best Brains business and the way in which the Best Brains business is operated. The Franchisee consents to Landlord providing all such information to the Franchisor.
- 13. Copies of any and all notices required or permitted hereby or by the Lease shall also be sent to the Franchisor at 135 E. Algonquin Road, Suite B, Arlington Heights, Illinois 60005, Attn: President or such other address as the Franchisor shall specify by written notice to Landlord. Any and all notices to Landlord shall be to the address contained in the Lease or such other address as the Landlord shall specify by written notice to Franchisor.
- 14. Landlord and Franchisee acknowledge that Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate) is an intended third party beneficiary of the Lease and shall be entitled to enforce any provisions set forth herein benefiting Franchisor (or its affiliate or a company with which the Franchisee or the Franchisor may merge or consolidate), subject to the conditions set forth in this Rider.
- 15. Under the Franchise Agreement, any lease or any modification or renewal of the Lease for the Premises of the Best Brains business is subject to the Franchisor's approval.

IN WITNESS WHEREOF, the undersigned parties have executed this Lease Rider.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

- 1. <u>Conflict of Laws</u>. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
- 2. <u>Franchisee Bill of Rights</u>. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
- 3. <u>Site of Arbitration, Mediation, and/or Litigation</u>. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- 4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with

RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

- 5. <u>Statute of Limitations and Waiver of Jury Trial</u>. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
- 6. <u>Transfer Fees</u>. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- 7. <u>Termination by Franchisee</u>. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
- 8. <u>Certain Buy-Back Provisions</u>. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

- 9. <u>Fair and Reasonable Pricing</u>. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
- 10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
- 11. <u>Franchisor's Business Judgement</u>. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
- 12. <u>Indemnification</u>. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
- 13. <u>Attorneys' Fees</u>. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
- 14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
- 15. **Nonsolicitation Agreements**. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
- 16. **Questionnaires and Acknowledgments**. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
- 17. **Prohibitions on Communicating with Regulators**. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. <u>Advisory Regarding Franchise Brokers</u>. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned does hereby acknowledge receipt of this addendum.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about Best Brains Inc.'s ability to continue as a going concern within one year from the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance, and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users made based on these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of Best Brains Inc's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about Best Brains Inc's ability to continue as a going concern for a reasonable period of time

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors

Best Brains Inc

135 East Algonquin Rd

Arlington Heights, IL

Opinion

We have audited the accompanying financial statements of Best Brains Inc (an Illinois corporation), which comprise the balance sheets as of December 31, 2023 and the related statements of income, retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Best Brains Inc as of December 31, 2023 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of best brains Inc and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Brains Inc's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of Best Brain Inc's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Brain Inc's 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Basis of Accounting

The financial statements of Best Brains, Inc. have been prepared on the accrual basis of accounting and, accordingly, reflect all receivables, payables and other liabilities. Revenue is recognized when earned and expenses are recorded when the obligation is incurred.

At times, the company may have cash deposits in financial institutions in excess of the amount insured by the agencies of the federal government. The company places its cash with high credit quality financial institutions. At December 31, 2023 the company had no balances with financial institutions in excess of the insured limit.

Use of Estimates

The preparation of the Corporation's financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Corporation has elected to be classified as a C corporation under the Internal Revenue Code (IRC). When the corporation realizes net taxable income, the Corporation is required to pay income tax on the net income at the appropriate tax rate. If the Corporation incurs a net loss for any year, it is allowed to carry back or carry forward the loss to other years per the provisions of the IRC and reduces its taxable income and tax liability for those years.

The Corporation's business tax returns (Form 1120 and IL-1120) are subject to examination by federal and Illinois tax jurisdictions, generally for three years after the date it was filed.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Corporation considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency, or is subject to any currently effective order of any

national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "Termination by franchisee":

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the "Summary" sections of Item 17(v), titled "Choice of forum," and Item 17(w), titled "Choice of law":

- 6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
- 7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

NORTH DAKOTA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the North Dakota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Restrictive Covenants: To the extent that covenants not to compete apply to periods after the term of the franchise agreement, they are generally unenforceable under North Dakota law.

Applicable Laws: North Dakota law will govern the franchise agreement.

Waiver of Trial by Jury: Any waiver of a trial by jury will not apply to North Dakota Franchises.

Waiver of Exemplary & Punitive Damages: Any waiver of punitive damages will not apply to North Dakota Franchisees.

Release: Any requirement that the franchisee sign a Release upon renewal of the franchise agreement does not apply to franchise agreements covered under North Dakota law.

Enforcement of Agreement: Any requirement in the Franchise Agreement that requires the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement is void. Instead, the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

Items 5 and 7 of the Disclosure Document are modified to also state that the franchisor defers the receipt of the initial franchise fee until all initial obligations owed to the franchisee under the franchise agreement or other documents have been fulfilled by the franchisor and the franchisee is open for business.

Item 17(u) of the Disclosure Document is modified to provide that the site of mediation and arbitration shall be agreeable to all parties and may not be remote from the franchisee's place of business.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 17.w. of the Disclosure Document is revised to provide:

The Franchisor will not require or accept the payment of any initial franchise fees until the franchisee (a) has received all initial training that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

VIRGINIA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Additional Disclosure: The following statements are added to Item 17.h.:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

- 1. <u>Conflict of Laws</u>. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
- 2. <u>Franchisee Bill of Rights</u>. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
- 3. <u>Site of Arbitration, Mediation, and/or Litigation</u>. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- 4. <u>General Release</u>. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with

RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

- 5. <u>Statute of Limitations and Waiver of Jury Trial</u>. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
- 6. <u>Transfer Fees</u>. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- 7. <u>Termination by Franchisee</u>. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
- 8. <u>Certain Buy-Back Provisions</u>. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
- 9. <u>Fair and Reasonable Pricing</u>. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

- 10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
- 11. <u>Franchisor's Business Judgement</u>. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
- 12. <u>Indemnification</u>. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
- 13. <u>Attorneys' Fees</u>. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
- 14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
- 15. **Nonsolicitation Agreements**. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
- 16. **Questionnaires and Acknowledgments**. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
- 17. **Prohibitions on Communicating with Regulators**. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
- 18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

WISCONSIN ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause.
