QUESTION	WHERE TO FIND INFORMATION

<b>How much will I need to invest?</b>	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
<b>Does the franchisor have the financial ability to provide support to my business?</b>	Item 21 or Exhibit F includes financial statements. Review these statements carefully.
<b>Is the franchise system stable, growing, or shrinking?</b>	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
<b>Will my business be the only Pet Passages business in my area?</b>	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
<b>Does the franchisor have a troubled legal history?</b>	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.

<b>What else should I know?</b>	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

### Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration or litigation in New York State. Out-of-State mediation, arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate or litigate with us in New York State than in your own state.
2. **Financial Condition.** The Franchisor's financial condition, as reflected in its financial statements (see item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's matrimonial and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Mandatory Minimum Payments.** You must make mandatory minimum advertising contributions regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

## NOTES

- (1) We do not offer direct or indirect financing to Franchisees for any of these items. None of the fees payable to us are refundable. We are unaware of any fees payable to third party suppliers that are refundable.
- (2) The initial franchise fee is \$55,000.00 for a standard pre-determined protected geographic territory along county lines encompassing roughly 300,000 Housing Units (as defined in Item 12). If Franchisee has elected to purchase any optional extra territories, then they will pay an additional \$10,000 for each extra county(ies) comprised of an additional 50,000 Housing Units up to a general maximum initial franchise fee of \$95,000 for a protected area comprised of roughly 500,000 Housing Units. In rare circumstances, based mostly on geographic considerations, population density, demand for the territory, and ability to service the territory properly, Franchisor will grant a territory comprised of a number of counties with greater than 500,000 Housing Units. In such circumstances, an additional franchise fee will be charged to the Franchisee in the amount of \$10,000 for roughly every 10,000 Housing Units above the 500,000 threshold. Franchisor will grant

a 10% military discount on the initial franchise fee to active military personnel and veterans of the United States Air Force, Navy, Marines, National Guard, Army and Coast Guard.

- (3) You must buy or lease various equipment including a retort (a retort is the technical term for the chamber where cremation takes place. It's also known as a cremation chamber), as required by the Brand Standards Manual, for the operation of the Franchised Business. The costs to buy and install these items will vary according to local market conditions, the size of the Franchised Business and it is impossible to predict such costs with any degree of precision or accuracy.
- (4) The costs for office signs vary tremendously depending on size and type. In addition, variations in local sign ordinances make it impossible to predict such costs with any degree of precision or accuracy.
- (5) These figures presume that you will be leasing the premises and only represent rent for three months. We are unable to estimate the total cost purchasing suitable premises for your store or the amount of any down payment that would be required. Rent will vary depending upon the size, the premises, the site condition, its location, demand for the site, build-out requirements and construction or other allowances from the landlord, and the requirements of individual landlords. These figures are based upon our experience in Rochester, New York. These figures may vary considerably in other parts of the United States. Regardless of whether you lease or purchase a premises, a typical Pet Passages facility occupies approximately 2,500 – 3,000 square feet of space. The cost of leasehold improvements will vary widely depending upon the size and condition of the premises, whether or not there are any existing and comparable leasehold improvements in the premises, the extent, and the quality of improvements desired by you over and above our minimum requirements, landlord's cash contribution to the cost of the improvements, and the like.
- (6) You are required to purchase or lease, during the term of your franchise agreement, a silver Ford Transit Connect XL (for daily transfers) in the current body style, silver Chevrolet Express Cargo van, GMC Savannah cargo van, Ram ProMaster, Ram ProMaster City, or a Ford Transit Cargo Van with shelving conducive to securely transferring pets on longer hauls. See Franchise Agreement Section 5.4. If you already own or lease one of these approved vehicles that meets all current requirements, your initial cost for the purposes of this disclosure will be \$0.
- (7) The cost range for your initial investment in office equipment and supplies is between a minimum of \$3,000.00 - \$5,000.00. Depending on how much office equipment and supplies you already possess and the amount you will need to obtain will determine the cost you will spend within this range. For example, if you already operate a business and are transitioning your existing business into a Pet Passages franchise location, your initial investment in office equipment and supplies may be at the lower end of the cost range since you may already possess most of the necessary items. However, if you are just starting a brand new business under the Franchise System, your initial investment in office equipment and supplies will likely be at the higher end of the cost range since you will not already possess the necessary items.
- (8) We recommend that you retain an attorney to review the real estate lease and the franchise documents and to assist you in forming a corporation or other ownership entity. You may also retain an accountant for advice in establishing and operating your Franchised Business and filing necessary tax forms and returns. The estimates given are on an annual basis. When applying for the necessary cremation permits from the environmental protection agency (the "EPA") we strongly suggest that you hire a local environmental engineer to assist you with the process, but it is not required. The

requirements vary widely from state to state, as well as the fee that the environmental engineer will charge you.

- (9) This figure represents your initial start-up expenses for overhead over the first 3 months of operation (the “initial period”). These expenses include overhead such as rent, insurance, and payroll costs, but do not include any salary for you. These figures are estimates and we cannot guarantee that you will not have additional expenses starting your Franchised Business. The estimate of additional funds is based on an owner-operated business and is based on the recent experience of start-up franchisees. In general, you can expect to put additional cash into the business during at least the first 3 to 9 months, and sometimes longer.

## **ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

To ensure a uniform image and uniform quality of products and services throughout the Pet Passages System, you must purchase all products, supplies, services, equipment, furnishings, merchandise (under Supplies/Inventory in Item 7), employee uniforms, goods, fixtures, inventory, and other items used, sold, displayed, or distributed or used in your Franchised Business in compliance with our standards and specifications contained in the Brand Standards Manual or otherwise communicated to you by us in writing. We will notify you within 30 days of any changes to, or the establishment of, specifications, or approved or designated suppliers, or the revocation of the approval of existing designated or approved suppliers. This notice may be disseminated to you by various means, including written or electronic correspondence, via our Digital Operations Portal, the verbal or telephonic notification, amendments or updates to the Brand Standards Manual, bulletins, and similar means of communication. Of the total purchases that will be required to establish your Franchised Business, we estimate that nearly 85% of these purchases will be from approved or designated suppliers or will consist of items that must meet our specifications. Of the total purchases that will be required to operate your Franchised Business, we estimate that nearly 95% of these purchases will be from approved or designated suppliers or will consist of items that must meet our specifications. Currently our approved suppliers are as follows: Accubooks, Electronic Merchant Systems, Lawley Insurance & Employee Benefits, The Hartford, Keller Manufacturing, Inc., Boss Laser Pet Passages, Inc., QuickBooks, and Us. Franchisor and its affiliate Pet Passages, Inc. are both approved suppliers from whom you may be required to purchase products and/or services. An officer of the Franchisor owns an interest in Pet Passages, Inc., but no other franchisor officer owns an interest in any supplier other than the aforementioned. Currently, neither the Franchisor nor any affiliate is compensated by any supplier for any franchisee purchases, or derives any revenue, rebates or other material consideration from required purchases or leases.

**Appearance and Operations.** Your Pet Passages Location must meet our physical criteria and conform to our design and image requirements. These specifications are in the Brand Standards Manual and promote visual uniformity of your Franchise business, which strengthens brand-name awareness among consumers. You must ensure that your Franchise business conforms to our store appearance and operating specifications at all times.

**Advertising.** All advertising and promotional materials must be purchased from us for placement by you or the Pet Passages in-house advertising/marketing department to ensure uniformity and compliance with Brand Standards. You can not utilize any marketing materials that were not provided by or purchased from us without our prior written approval. We may grant or withhold our approval of any advertising, marketing public relations or any promotional materials, in our sole discretion.

**Electronic Marketing and Communications.** Franchisee may not use, register, maintain, or sponsor any website, URL, social media site, blog, messaging system, email account, username, text address, mobile application, or other digital presence that uses or displays any of the Marks or that promotes

the Franchised Business without Franchisor's prior written consent. All electronic postings must follow Brand Standards, and require Franchisor consent.

**Insurance.** You must obtain and maintain, at your own expense, the insurance coverage we require, and you must meet the other insurance-related obligations in the Franchise Agreement. The types of insurance includes comprehensive general liability insurance with coverage for products liability, contractual liability, personal and advertising injury, fire damage, medical expenses, workers' compensation insurance, comprehensive crime and employee dishonesty insurance, business interruption insurance, personal property insurance. The minimum amount of insurance coverage, as set forth in the Franchise Agreement is as follows:

- g. **Employment Practices Liability** \$50,000 Limit (Minimum Requirement)

**\*\* Umbrella or Excess Liability must provide excess coverage over the General & Professional Liability, Business Auto and Workers Compensation.**

However, you may desire to or be required to obtain greater coverage by credit lending institutions or your landlord. The cost of your insurance will vary depending on the insurance carriers' charges, the terms of payment, and your insurance history.

For all insurance, you must include Pet Passages Franchising, Inc. as an additional named insured and loss payee (if applicable) as well as furnish us with proof of such coverage every twelve (12) months. Insurance fees are paid to an insurance agency, person, or entity chosen by you. See Item 7.

You are required to obtain a quote for the required insurance coverage from Lawley Insurance & Employee Benefits ("Lawley Insurance"), or such other carrier we designate, prior to selecting an insurance carrier, however, you are not required to select Lawley Insurance as your insurance carrier. If a franchisee is able to obtain the exact required coverages from a different insurance carrier at a better rate, they can use that carrier.

**Purchasing Arrangements.** You must purchase all fixtures, furnishings, signs, equipment, inventory, uniforms, advertising materials, services and other supplies, products and materials required for the operation of the Franchise business (collectively the "Supplies") solely from suppliers that:

- (i) Demonstrate, to our continuing satisfaction, the ability to meet our standards, specifications and requirements for these items regarding quality, variety, service, safety and support;
- (ii) Possess acceptable quality controls and capacity to supply your needs promptly and reliably;
- (iii) Have a sound financial condition and business reputation;
- (iv) Supply these items to a sufficient number of Franchisees to enable us gain economies of scale that will allow us to offer economic value and potential savings to the Pet Passages Franchise network.
- (v) Monitor compliance by the supplier within our standards, specifications and requirements;
- (vi) Have been approved by us in writing for the sale of these items and not disapproved later.

We will notify you of the names of recommended suppliers through supplements to the Brand Standards Manual(s), via the Digital Operations Portal (as defined in Item 11), or otherwise in writing. We or an affiliated company may be the only recommended vendor for Supplies including our turnkey services and opening inventory and supplies. Franchisor and/or an affiliate may profit from your purchase of Supplies from either us or a supplier to you by:

- (i) Selling these items to you at a markup over our or an affiliate's cost of acquiring these items;
- (ii) Receiving rebates, commissions, marketing allowances or other payments from suppliers that supply us and/or you.

**Request for Supplier Approval.** If you wish to purchase any item from a supplier (manufacturer or distributor) we have not previously approved or an item that does not comply with our standards and specifications, you must first submit a written request for approval unless it is an item for which we have designated a specific vendor. We will require the proposed supplier to provide us with certain financial and operational information and other information regarding the supplier and the items to be approved in order to demonstrate the suppliers ability to meet our standards and capacity to meet our specific needs. In addition, the proposed supplier must permit our representatives to inspect their facilities (i.e. business offices and/or manufacturing facilities, as applicable), and we may require them to sign a confidentiality agreement. Before we approve a supplier, we will evaluate the economic terms of a possible relationship and ensure that the proposed supplier meets our requirements. We reserve the right, at our option, and at the proposed supplier's expense, to inspect or re-inspect the facilities, and materials of any supplier, at any time. We have no obligation to approve any specific vendor or any minimum number of vendors for any item, and any proposed vendor relationship must not jeopardize the availability of any special pricing or other benefits offered by existing vendors based on system-wide purchases.

The proposed supplier or you must pay, in advance, the vendor review fee in the amount of \$1,000.00, plus any travel expenses (including lodging and meals) as required in the evaluation of said vendor (the "Vendor Review Fee"). We will, within fifteen (15) business days after we receive the completed request and after we complete any evaluation and inspection or testing, notify you in writing of our approval or disapproval of the proposed supplier or item. You must not offer for sale or sell any of the proposed supplier's products or any other product that does not meet our standards or specifications until you receive our written approval of the proposed supplier or item. Our failure to send you written notice by the end of the supplier evaluation signifies that we disapprove the proposed item and or supplier. Our criteria for approving suppliers is not made available to Franchisees.

We may revoke our approval of particular goods or services, or of the supplier that supplies them, if we determine, in our sole discretion, that they no longer meet our standards or specifications. If you receive a written notice of revocation from us, you must stop selling disapproved products after depletion of your current inventory and/or stop purchasing from the disapproved supplier. Any changes or additions to purchasing standards or procedures are made in writing through supplements to the Brand Standards Manual(s), via the Digital Operations Portal, or other written guidelines. We may modify our specifications,

recommended suppliers and purchasing procedures at our discretion and you must promptly conform to all changes at your sole expense. We may terminate your Franchise if you purchase or use unapproved products, or purchase approved Supplies, inventory and/or services from unapproved suppliers.

We may, but are not required to, negotiate purchase arrangements with suppliers (including price terms) for your benefit. For example, Franchisor negotiated with Keller Manufacturing, Inc. to reduce the cost of its cremation equipment by \$7,000.00 for each of its franchisees.

Neither Franchisor nor its affiliates derive any revenue or any other from of consideration as a result of Franchisees required purchases from Franchisor or its Affiliates. Our total revenue during the fiscal year 2024 was \$390,996, and we did not receive any revenue from Franchisee purchases from designated or approved suppliers within that year. No affiliate derived revenue in 2024 from franchisee required purchases or leases. Except as otherwise disclosed in this Item 8, you do not receive any material benefits for using designated, approved or recommended suppliers. There are no purchasing cooperatives although we reserve the right to establish one or more purchasing cooperatives in the future.

**Credit Card Processing.** All franchisees are required to use our approved credit card processing company, Electronic Merchant Services. Franchisor reserves the right to make changes to the approved credit card processing company in the future.

We anticipate that a typical Pet Passages Franchisee will open his or her office within 5 to 9 months after execution of the Franchise Agreement. Some of the factors that may affect this time are identification of a suitable location, franchisor's approval of the location, financing, the extent to which an existing location must be upgraded or remodeled, whether you are converting an existing business or starting a new business, delayed installation of equipment and fixtures, completion of training, obtaining insurance, and complying with local laws and regulations. Unless we agree to the contrary, you must complete your initial training and your Franchised Business must be opened within 9 months after you sign the Franchise Agreement (Franchise Agreement, Section 5.7). Your

failure to open within the 9 month period constitutes an event of default under your Franchise Agreement (Franchise Agreement, Section 17.1).

We must approve of the Location and the Lease (see Franchise Agreement, Section 5.1). We do not typically own a premises which is then leased to you for use as your Location. We will evaluate each site that you propose, and inform you of its acceptance or rejection within a reasonable time frame. In addition to approving the Location, the terms and conditions of the lease for the proposed Location will require our prior approval as set forth below. It is your responsibility to ensure the Location is properly zoned for the Franchised Business or that you obtain a special use permit or equivalent to operate the Franchised Business at the Location prior to opening for business. If you fail to provide an acceptable site within 120 days, we reserve the right to terminate the Franchise Agreement and any amount paid to us will be deemed forfeited.

Your exclusive territory will be negotiated by you and us prior to your execution of the Franchise Agreement and specifically described in the Franchise Agreement Schedule 1, but the standard territory will be a geographical area along county lines encompassing approximately 300,000 Housing Units around the Location. However, the minimum number of Housing Units within the protected territory will be 100,000 Housing Units. You will have the opportunity to purchase additional space to include in your protected territory. In negotiating the protected territory, we may examine population density, demographics, and other market conditions. The size of the exclusive

As long as you are in compliance with the Franchise Agreement, we agree not to open company-owned locations or other channels of distribution within your territory, and we will not authorize anyone else to do so. We will not solicit business within your protected territory, but if a Pet Parent living within your territory visits another Pet Passages location (whether franchisee or company owned), outside your protected territory then said location will not reject the business. ### **2. BELIEFS, CORE EXPECTATIONS, FRANCHISE GRANT, LOCATION, AND EXCLUSIVITY.**

**2.1 Beliefs.** Franchisee understands and agrees that the values described below constitute “Franchisor’s Beliefs” in the System, and that conducting business according to these fundamental values is key, not only to the Brand and Franchisee’s success, but also to the success of all other franchisees within the System. “Franchisor’s Beliefs” are as follows:

a. Pet Passages® is first and foremost a brand. No single franchised or company-owned Pet Passages® location is greater than all of us together. Therefore, Franchisor is committed to living

the Brand's Mission, Values, and Purpose (described in Section 2.2 below) between and among one another and with the Pet Parents and their pets.

b. Pet Passages®, as a brand, embodies the Franchisor's identity and values. The Brand represents compassion, professionalism, and reliability, ensuring that Pet Parents and their families feel comforted and supported during their time of need. These experiences, created in each location, generate a lasting impression, fostering loyalty and establishing a meaningful connection with our Pet Parents and those they influence. The Pet Passages® Brand is a promise, and a commitment met.

**2.2 Mission, Core Values, and Purpose.** Through embodying Franchisor's Beliefs, Franchisor has created the following:

- a. Pet Passages® Mission ("Mission"): Guiding Pet Parents through their pet's passage.
- b. Pet Passages® Core Values ("Core Values"):
  - Dignity: We honor every pet's life with the utmost respect and care, ensuring they receive the dignified farewell they deserve.
  - Respect: We treat every Pet Parent and their beloved pet with the highest respect, understanding their deep bond.
  - Compassion: We approach each situation with empathy and kindness, providing comfort and support during this difficult time.
  - Transparency: We maintain open and honest communication throughout the process, ensuring that our Pet Parents are fully informed and at ease.
  - Integrity: We uphold the highest ethical standards in all our services, ensuring trust and confidence in our commitment to excellence.
- c. Pet Passages® Purpose ("Purpose"): There is no greater responsibility than honoring and preserving the story and memory of a family's beloved pet.
- d. Pet Passages® Brand Foundation ("Foundation"), which is based on:
  - Attitude, character, and integrity
  - A passionate commitment to our Pet Parents and their pets, all else is secondary
  - Being dedicated to continuous personal growth and professional improvement
  - Being devoted to God, one another, family, and community
  - A spirit of fun and a sense of humor
  - Acknowledging this tremendous responsibility and privilege to serve Pet Parents as their pets pass

The Pet Passages® Mission, Core Values, Purpose, and Foundation form the very essence of this Agreement and are the cornerstones of the Pet Passages® franchise program.

Franchisee acknowledges and agrees that operating the Franchised Business under this Agreement will directly affect the experiences of Pet Passages' Pet Parents and their pets and their overall perception and acceptance of the Pet Passages® System, Brand, Marks, and the other members of this highly interrelated Pet Passages® network of businesses; and that the successful operation of each Pet Passages® location is

critical to Franchisor’s overall business objectives and plans for the Brand and System as a whole; and therefore Franchisee also acknowledges and agrees that it will operate the Franchised Business in accordance with the Mission, Core Values, Purpose and Foundation.

**2.3 Core Expectations.** Franchisor is committed to the success and fulfillment of each of its franchisees' highest expectations. At every level, Franchisor is driven to enhance the value of the information provided to franchisees and improve the quality of franchisee support. A healthy franchise network takes a similar commitment from each franchisee to enhance their performance in the operation of each franchised business. As such, Franchisor has adopted the following Core Expectations for each franchisee in the Pet Passages network (the “Core Expectations”):

a. Each franchisee shall follow the Pet Passages®' business operations guidelines, which are an essential part of the franchised business granted to Franchisees, as carefully and completely as possible.

b. Each franchisee agrees to participate in Pet Passages®' advertising and marketing campaigns and implement and execute all aspects of the Pet Passages® advertising and marketing system, more fully described in Article 11 of this Agreement and the Digital Operations Portal.

c. Each franchisee agrees to use Franchisor-approved suppliers, and each franchised business shall strive to meet such performance goals outlined in the Performance Improvement Process, defined in Article 1 above.

In addition to other rights set forth in this Agreement, if, in Franchisor’s judgment, a franchised location does not adhere to the Mission, Core Values, Purpose, or these Core Expectations, Franchisor may require retraining, further development, and orientation to the System.

The Designated Operator’s participation and cooperation in this program are mandatory. It is a multistep process through which Franchisor provides intense, individually tailored mentoring, coaching, consulting, counseling, and assistance on successfully operating the Pet Passages® business model.

**2.4 Grant to Franchisee.** Franchisor grants the right, on the terms and conditions outlined in this Agreement, thus creating obligations for Franchisee, to establish and operate the Franchised Business at the Location, and to use the Marks and the System in connection with the Franchised Business within the Territory; and Franchisee accepts such rights and obligations in accordance with this Agreement.

**2.5 Location.** The Franchisee will operate the Franchised Business only at the Location. During the term and any renewal of this Agreement, the Location is to be used exclusively by the Franchisee and solely for the purpose permitted by this Agreement or other ancillary purpose as permitted by Franchisor in writing. Before the termination or expiration of the license granted under this Agreement, if the Franchisee's lease for the Location should terminate without fault of the Franchisee, or if the Location should be destroyed, condemned or otherwise rendered unusable for the purposes of this Agreement, or if the Location should be expropriated or the Franchisee otherwise loses possession of the Location without fault on its part, or, if in the judgment of the Franchisor, there is a change in the character or attributes of the Location sufficiently detrimental to warrant its relocation (in all circumstances “Location Loss”), the Franchisee will be entitled to relocate the Franchised Business to another location within the Territory, acceptable to the Franchisor, provided that:

a. The Franchisee obtains a new location within 90 days of the Location Loss, and Franchisor has provided its written consent to such relocation to the new location and approval of lease agreement;

b. the new location will be developed by the Franchisee in the manner described in this Agreement or otherwise agreed by the Franchisor and the Franchisee, solely at the Franchisee's cost;

c. the Franchisee is not in default of the terms of this Agreement or any other agreement between the Franchisor and the Franchisee;

d. The Franchisee pays to the Franchisor its full costs (including legal fees) of such relocation;

e. the new location would not have a materially negatively impact on the revenues of any adjoining Pet Passages location; and

f. The Franchisee has obtained a release from the landlord of the former Location and such other persons as it may reasonably require.

**2.6 Exclusivity.** For so long as the Franchisee is not in default under this Agreement, the Franchisor agrees not to open or operate or license any other person or entity to open or operate a Pet Passages® franchise location within the Territory, or to market or solicit business for a Pet Passages® location within the Territory. The Franchisee acknowledges and agrees that Pet Passages franchisees may be permitted to relocate to another location within their territory under certain circumstances and with the Franchisor's prior written consent. The Franchisee's original Location will be the point from which the Territory is always measured during the term or any renewal of this Agreement, notwithstanding any permitted relocation(s) by the Franchisee. Franchisee may market and solicit business outside its Territory so long as Franchisee is not marketing or soliciting within another franchisee's protected territory ("Open Territory"). Franchisee may accept business and perform services for individual Pet Parents who reside in another franchisee's protected territory, but Franchisee may not accept veterinarian accounts, hospital accounts, or other referral-based accounts (collectively "Referral Accounts") from outside their Territory unless those Referral Accounts are located within an Open Territory, and only as long as the Referral Account is situated within an Open Territory. Upon Franchisor licensing the territory, Franchisee acknowledges and agrees that Referral Accounts will immediately be transferred to the franchisee who licenses the territory on which the Referral Account is located without compensation to Franchisee.

**2.7 Rights Reserved by Franchisor.** The Franchisor (on behalf of itself and its designees) reserves the right in its absolute discretion: (i) to establish, operate, franchise and license others to operate businesses under the Marks at any location outside the Territory; (ii) use the Marks and grant others the right to use the Marks in any other line of business, within or outside the Territory; (iii) establish and operate, and grant the right for others to operate, similar businesses within or outside the Territory under marks other than the Marks; (iv) operate and to grant others the right to operate, within the Territory and elsewhere, facilities, which may employ substantial portions of the System in their operations, offering pet funeral and cremation services and products under trade names and trademarks other than the Marks if such facilities are directly or indirectly acquired by the Franchisor or its affiliates or if the Franchisor or its affiliates have acquired directly or indirectly the rights and obligations of the franchisor of such facilities; and (v) sell and

distribute, within or outside the Territory, at retail or wholesale, goods that are identical or similar to those provided by the Franchised Business through dissimilar channels of distribution, and license others to do the same.

**2.8 National Accounts.** Franchisor may enter into agreements to provide services to Pet Parents and Referral Accounts as part of a national or regional account program (“National Accounts”) located within the Territory. Franchisee agrees to accept and perform the terms of such agreements for Pet Parents and Referral Accounts under such National Account who come to their Franchised Business for services, including but not limited to complying with special pricing, payment terms, timing of services, etc., concerning those within the Territory. Notwithstanding any other provision to the contrary, if Franchisee fails to perform the required services, or Franchisee is not qualified, or able to perform said services, Franchisee shall allow Franchisor or another franchisee to enter the Territory to perform the required services or otherwise send said National Accounts within the Territory to another franchisee to perform the services.

If any of the above conditions for renewal have not been met, the Franchisor is not obligated to renew this Agreement.

**3.3 Hold Over.** In the event Franchisee does not exercise its option to renew the Agreement as outlined in Section 3.2 above, but continues to accept the benefits of this Agreement after the expiration of this Agreement, with Franchisor's written consent this Agreement will be continued on a month-to-month basis until one party provides the other with written notice of such party's intent to terminate, which will be effective thirty (30) days after the notice is sent.

**6.1 Bootcamp.** The Franchisee's Designated Operator and Designated Manager will attend and successfully complete the Franchisor's training program before opening the Franchised Business, which training is included in the Initial Franchise Fee. The initial training program will be conducted at a location designated by the Franchisor and for such duration as the Franchisor, in its discretion, determines necessary. Currently, in most situations, the initial training program will be approximately 10 days, consisting of training conducted at the Franchisor's Rochester, New York location and online training courses as directed by Franchisor ("Bootcamp"). The Franchisor charges an additional \$2,500.00 per person for tuition and materials fees where more than two individuals attend or are required to attend the initial Bootcamp. If an individual needs to attend Bootcamp later, the tuition and materials fee to Franchisor is \$3,000.00. The Franchisee and its employees will be responsible for all meals, travel, lodging, and other expenses incurred in attending Bootcamp. No compensation of any type will be payable to trainees, unless required by law, in which case, minimum wage will be paid. Upon satisfactory completion of Bootcamp, said attendees will be deemed Certified Pet Funeral Directors. If, in the opinion of the Franchisor, the Designated Operator or Designated Manager cannot or do not satisfactorily complete Bootcamp, or, in the Franchisor's opinion, the Franchisee or Designated Operator fail to demonstrate the qualities and abilities which the Franchisor deems necessary for the successful operation of the Franchised Business, the Franchisor may at its option terminate this Agreement, and any money paid by Franchisee to Franchisor shall be deemed forfeit.

**6.2 On-Site Pre-Opening Inspection.** The franchisor shall inspect the franchisee's location before opening it to ensure it meets brand standards. Franchisee will be responsible for reimbursing Franchisor's representatives for airfare, lodging, meals, and all other reasonable travel expenses incurred by Franchisor's representative in performing the on-site inspection and in performing any in-person training outside of Franchisor's headquarters, or other on-site pre-opening assistance at the Franchised Business.

**6.3 Training of Employees by the Franchisee.** The Franchisee will hire and train at its expense, all employees of its Franchised Business, and will be exclusively responsible for the terms of their employment and compensation including but not limited to; hiring, firing, discipline, supervision, direction, wages, hours, number of workers, scheduling, seniority, assigning work, and determining the manner or method of performance. The Franchisee will always maintain enough trained employees to service the Franchisee's Pet Parents and ensure that Franchisor's operational and quality standards are always met during the Term of this Agreement.

**6.4 Additional Franchisor Training.** To its reasonable satisfaction, the Franchisee will cause its employees to attend and successfully complete such additional continuing education and training programs provided by Franchisor as the Franchisee deems appropriate to ensure its Franchised Business meets all operational standards. To maintain their certification, Franchisor may require Certified Pet Funeral Directors to attend regular or semi-regular ongoing training that Franchisor deems necessary from time to time (whether in person, by phone conference, through the Digital Operations Portal, or otherwise as directed by Franchisor), and a conference that Franchisor will require no more than annually. The Franchisor may also hold periodic optional or required training sessions and seminars at its discretion and reserves the right to charge reasonable tuition and materials fees for any optional or required periodic training or retraining programs offered. For clarity, Franchisor may require Franchisee to attend additional training or retraining courses whenever the Franchised Business fails to meet Brand Standards, when Franchisor has made

improvements to the System, and at any other time Franchisor deems appropriate. The Franchisee will be responsible for all other expenses incurred in training, including, without limitation, the costs of meals, entertainment, lodging, travel, laundry, and wages. Franchisor may provide any training programs it offers in person, by video, via online streaming, or by any other means that Franchisor deems appropriate. In addition, training may be performed by Franchisor, its Affiliates, or a third-party designated by Franchisor. Information on the current training programs offered and required by Franchisor can be found within the Digital Operations Portal.

**6.5 Ongoing Support.** After the initial training is completed, Franchisor may visit the Franchised Business, from time to time in Franchisor's absolute discretion, to render advice, consultation, and additional training for the Franchised Business, its operation, and performance in compliance with the Brand Standards Manual. The Franchisee may reasonably request additional on-site visits, phone consultations, or video calls from the Franchisor for rendering additional advice, consultation, or training, and the Franchisee agrees to reimburse the Franchisor for the actual time expended and the actual expenses incurred by the Franchisor for these additional visits. In addition to ongoing support provided by Franchisor's personnel, Franchisee shall also have the ongoing support provided in the Digital Operations Portal, as described in Article 13 of this Agreement.

**7.2 Designated Operator and Designated Manager.** The Franchisee shall have a Designated Operator and Designated Manager who devote their entire working time, labor, skill, efforts, and attention to the honest, diligent, and faithful operation of the Franchised Business. The Designated Operator and the Designated Manager shall be Certified Pet Funeral Directors. At all times, the Franchised Business and the Location will be under the direct, on-premises supervision of one or both Certified Pet Funeral Directors. Failure to obtain Franchisor approval of a replacement, and have that replacement attend and successfully complete Bootcamp and become a Certified Pet Funeral Director within 90 days, will be a material default of this Agreement.

**7.3 Authorized Products and Services.** The Franchisee will sell and display at the Location only those types, brands, and styles of products and services, and all such products and services as may be specified by the Franchisor, from time to time. All products and services sold or displayed at the Location will be purchased from the Franchisor or its designated suppliers. The Franchisee will comply with the Franchisor's requirements concerning introducing any new or different products or services for sale by the Franchisee. The Franchisor will have the right without notice to enter the Location and remove and dispose of any product or service which does not meet the Franchisor's standards and specifications, or which was obtained from any source other than designated suppliers, without liability or accountability for such

entry or disposal to the Franchisee of any nature or kind. Notwithstanding the foregoing, Franchisee can request the approval of an item, service, or supplier by notifying Franchisor in writing and submitting the Vendor Review Fee, specified in Section 8.13 below, and such information and materials Franchisor requests. Franchisor will notify Franchisee of its decision within fifteen (15) business days of such request.

**7.4 Pricing and Promotions.** To the extent permitted by applicable law, Franchisor shall maintain the right to establish maximum and minimum pricing for the products and services offered at the Franchised Business. Subject to applicable law, Franchisee shall be required to participate in promotional sales, including special offers, pricing promotions, warranty programs, and loyalty programs directed by Franchisor within Franchisee's geographic region.

#### **7.5 Telephones, Internet, and Electronic Mail.**

b. Franchisee shall maintain a high-speed broadband internet connection per Franchisor specifications, and permit Franchisor direct access to such information on Franchisee's computer(s), to assist Franchisee in operating the Franchised Business within Brand Standards. Franchisor must have access at such times and in the manner the Franchisor specifies. Franchisee agrees to use Franchisor's current back-office software program (currently Secure Passages Software) and maintain monthly updates to Pet Parent Data as required in the Manual. We may require you to submit your client database using the Manual's prescribed form. We shall own all Pet Parent Data and Business Data and may use them for any marketing or business purposes.

c. Franchisor may specify the use of an Internet-based telephone system (known as VoIP for "Voice Over Internet Protocol", and also known as IP Telephony, Internet telephony, and Digital Phone) during the term of this Agreement and reserves the right to require Franchisee to install such a telephone system for use in the Franchised Business. At termination or expiration of this Agreement, the telephone number shall become the Franchisor's property and Franchisee shall transfer said number over to Franchisor or its designee.

Franchisee can request new supplier approval by notifying Franchisor in writing and submitting the Vendor Review Fee specified in Section 8.13 below, and such information and materials Franchisor requests. Franchisor will notify Franchisee of its decision within fifteen (15) business days of such request. Approving a supplier is not an express or implied warranty against defects, malfunctions, or other deficiencies in equipment or other products manufactured by anyone other than Franchisor, and Franchisee agrees not to make any claims against Franchisor related thereto.

**7.9 Minimum Inventory.** At all times, the Franchisee will maintain at the Location a balanced inventory of all products and services described in the Manual in sufficient quantity to satisfy its Pet Parents' needs. Still, in any event the inventory will always be equal to, or greater than, the minimum inventory level as outlined in the Manual. In addition to this requirement, the Franchisee acknowledges that, from time to time, the Franchisor may require that it stock new and additional products or services in such minimum quantities as the Franchisor may determine to be desirable. The Franchisee agrees to comply with all requirements of the Franchisor concerning the purchase, storage, display, preparation, use and sale of all approved products and services. If at any time, in the Franchisor's opinion, the Location does not have sufficient inventory and supplies, the Franchisor will have the right to order additional inventory and supplies on behalf of the Franchisee in sufficient quantities to satisfy the Franchisor's minimum inventory requirements and the Franchisee will pay the full cost of purchasing and delivering such inventory and supplies to the Location.

**7.10 General Operational Brand Standards.** The Franchisee shall ensure that all Pet Parents receive prompt, courteous, friendly, and efficient service in the Franchised Business following Brand Standards and the Core Values. This should be an experience with dignity, respect, compassion, transparency, and integrity. In all dealings with all Pet Parents, suppliers, and the public, the Franchisee will ensure adherence to the highest standards of honesty, integrity, good faith, fair dealing, and ethical conduct. The Franchisee will pay all costs incurred in connection with such remodeling and upgrading and the acquisition of any fixtures.

**7.12 Pet Parent Contracts.** In operating the Franchised Business, Franchisee may only use the Pet Parent contracts, waivers, and other business forms designated by Franchisor within the Manual (except where not designated). It is Franchisee's responsibility to have its attorney review any designated forms for compliance with applicable laws, as Franchisor makes no warranty or representation that the forms it provides will comply with applicable law.

**7.13 Brand Standards Inspections and Assessments.** The Franchisee will permit the Franchisor or its agents or representatives to enter upon the Location, at any time during business hours and without notice to inspect the records of the Franchised Business, cash register tapes, bookkeeping and accounting records, invoices, payroll and employment records, time cards, check stubs, bank deposits, receipts, sales tax records and returns, inventory records, income tax records and returns, other business records, and business operations. **7.14 Franchisor's Right to Modify System.** The Franchisee understands and agrees that due to changes in competitive circumstances, presently unforeseen changes in the needs of Pet Parents, and/or currently unforeseen technological innovations, the System must not remain static, so that it best serves the interests of the Franchisor, all franchisees, and the System. Accordingly, the Franchisee expressly understands and agrees that the Franchisor may from time to time change the Marks, Brand Standards and other components of the System, including but not limited to: altering the products, programs, services, methods, standards, forms, policies and procedures of that System; adding to, deleting from or modifying the programs, products and services that the Franchised Business is authorized to offer; and changing, improving or modifying the Marks. ### 11. MARKETING AND ADVERTISING

**11.1 Advertising.** Recognizing the value of advertising and the importance of the standardization of advertising programs to furthering the goodwill and public image of the System and Brand, the Franchisee agrees to comply with the terms of this Article 11. All advertising and promotional materials and placements must be pre-approved by Franchisor. Franchisee shall not make any television, radio, or podcast appearances or other public statements to the media concerning the Franchised Business without Franchisor's prior written consent. Any television, radio, or podcast appearances or other public statements to the media will be handled through Franchisor's marketing team or Public Relations Crisis Management Team, as described below.

**11.2 Brand Fund.** Franchisor shall maintain the Brand Fund, which was established to support the general recognition of the Brand. All payments by the Franchisee to the Brand Fund, in accordance with Section 8.4 above, will be maintained in an account separate from any other monies of the Franchisor. The proceeds of the Brand Fund will be used, at Franchisor's sole discretion, primarily for the development, production, and implementation of Brand campaigns and programs to foster and promote goodwill and Pet Parent recognition, and loyalty to the System, as well as, by extension, to the Franchised Business. The Franchisor will make an accounting available to the franchisees each year as to funds spent, including a reasonable allocation for the Franchisor's overhead expenses incurred in connection with the administration and management of the Brand Fund, provided that no monies will be expended from the Brand Fund for use by the Franchisor principally for the purpose of promoting franchise opportunities to prospective franchisees. It is understood and agreed that the Franchisor will allocate advertising funds as it considers appropriate at its sole discretion, but will consider the input of franchisees of the System.

Franchisor will make all finalized creative content created using the Brand Funds available to Franchisee upon completion.

**11.3 Termination of the Brand Fund.** Although the Brand Fund is intended to be of perpetual duration, the Franchisor reserves the right to terminate or suspend the Brand Fund, in its discretion. However, the Brand Fund will not be terminated until all monies in the Brand Fund have been spent for advertising and/or promotional purposes.

**11.4 Grand Opening Advertising.** Upon payment of the Grand Opening Fee specified in Section 8.2 above, the Franchisor, in conjunction with the Franchisee, will launch a grand opening advertising campaign as described in the Brand Standards Manual. This campaign shall include, but not be limited to, setting up social media accounts on Facebook and Instagram, creating a Google business listing, setting up Google Ads pay-per-click, and coordinating press releases.

**11.5 Advertising Directed by the Franchisee.** Franchisee agrees that it will dedicate and spend at least \$1,000.00 per month in the first two years after opening and at least \$9,000.00 per year thereafter, marketing and advertising its Franchised Business through local or regional advertising as designated or approved by the Franchisor and will, upon request by the Franchisor, provide documentation demonstrating its compliance with this requirement. Franchisee agrees to focus marketing efforts first on veterinary clinics, pet hospitals, and humane societies within its Territory, and then on individual prospective clients. The Franchisee will advertise and promote only in a manner that will reflect favorably on the Franchisor, the Franchisee, the Franchised Business, and the good name, goodwill, and reputation of each. All advertising and promotional materials will be purchased from Franchisor for local placement by Franchisee to ensure uniformity and compliance with Brand Standards. Franchisee shall not utilize any marketing materials that were not provided by or purchased from Franchisor without Franchisor's prior written approval. Franchisee may utilize two hours per month of Franchisor's marketing team time, at no additional cost to Franchisee. The marketing team will assist Franchisee as needed in strategizing campaigns, creating specific marketing materials, and implementing marketing plans. Any additional marketing team time that Franchisee desires above and beyond the two hours included per month will be provided at the marketing team's then-current hourly rate.

**11.6 Website.** While Franchisee is not in default under this Agreement, the Franchised Business will be posted on the Brand website. Franchisee acknowledges and agrees to notify Franchisor immediately if its website goes down.

**11.7 Advertising to Prospective Franchisees.** Franchisor may develop advertising and promotional materials to solicit new franchisees and new franchised locations for the Brand. Franchisee agrees to display any and all materials requested by Franchisor from time to time.

All electronic postings must follow Brand Standards and require Franchisor consent.

**11.9 Public Relations Crisis Management Team.** If an unfavorable situation arises at the Franchised Business or with Franchisee or a Shareholder, that receives or is likely to receive harmful media coverage, Franchisee shall immediately notify Franchisor in writing. At Franchisor's option, Franchisor may require Franchisee to engage Franchisor's Public Relations Crisis Team to manage the public relations crisis. Franchisee shall engage the Public Relations Crisis Team at a cost of \$150.00 per hour, plus reimbursement for the team's travel, food, and lodging expenses, and shall utilize their services until Franchisor determines the crisis has passed or Franchisee no longer needs their services.

**12.2 Conditions for Use.** The Franchisee agrees to comply with all of the conditions of use set out below when using the Marks pursuant to the license granted under this Agreement.

a. The Franchisee will use only the Marks designated by the Franchisor and will use them only in the manner required or authorized and permitted by the Franchisor.

b. The Franchisee will use the Marks only in connection with the license to operate the Franchised Business granted under this Agreement.

c. During the term and any renewal of this Agreement, the Franchisee will identify itself as a licensee and not the owner of the Marks and will make any necessary filings under federal, state, or provincial law and execute any documents considered essential by the Franchisor for protection of the Marks or to reflect such status. In addition, the Franchisee will be identified as a licensee of the Marks on all invoices, checks (checks), order forms, receipts, business stationery and contracts, as well as the display of a notice in such form and content and at such conspicuous locations at the Location of the Franchised Business as the Franchisor may designate in the Manual. Currently, Franchisor requires a placard in the front window of the Location that reads: "ABC Inc., a franchisee operating as Pet Passages® under a franchise agreement with Pet Passages Franchising, Inc. Pet Passages® is a trademark of Pet Passages, Inc."

d. The Franchisee's license to use the Marks is limited to such uses as are authorized under this Agreement or in the Manual, and any unauthorized use of the Marks will constitute an infringement of the Franchisor's rights and is grounds for termination of this Agreement as well as other remedies available to the Franchisor.

e. The Franchisee will not use the Marks to incur or secure any obligation or indebtedness.

f. The Franchisee will not use the Marks or any part of them as part of its corporate or other legal name.

g. The Franchisor retains ownership of the Marks, and Franchisee's licensed use of the Marks shall inure to the benefit of the Franchisor.

**12.3 Notice of Litigation.** The Franchisee will notify the Franchisor promptly, within 24 hours of Franchisee's awareness of a claim or charge, of any claims or charges or any infringement or threatened infringement or piracy of any of the Marks, of any actual or intended common law passing off because of imitation or otherwise, as well as any other information that the Franchisee may have of any suspected infringement or misuse of the Marks. The Franchisee will take no action concerning such matters without the prior written approval of the Franchisor, but will cooperate fully with the Franchisor in any such action. All decisions regarding action involving the protection and defense of the Marks will be solely in the discretion of the Franchisor.

**12.4 Acknowledgement.** The Franchisee expressly understands and acknowledges each of the matters set out below:

a. Pet Passages, Inc. owns the Marks, and all goodwill associated with and symbolized by them, and Franchisor has the exclusive right to license the Marks. Franchisee's licensed use of the Marks shall inure to the benefit of the Franchisor.

b. The Marks are valid and serve to identify the System and those licensed to operate a Franchised Business following it.

c. The Franchisee will not directly or indirectly contest the Marks' validity or ownership.

d. The Franchisee's use of the Marks according to this Agreement does not give the Franchisee any ownership interest or other rights or interest in or to the Marks.

e. All goodwill arising from the Franchisee's use of the Marks will accrue solely and exclusively to the Franchisor's benefit, provided that the Franchisee will enjoy and be entitled to the benefit of all other goodwill associated with the Franchised Business.

f. The license to use the Marks granted under this Agreement to the Franchisee is in common with others, and the Franchisor may:

i) itself use, and grant licenses to others to use, the Marks and the System

ii) establish, develop, and franchise other systems, different from the System licensed to the Franchisee in this Agreement, provided that the Franchisor will offer a ten (10) day first right of refusal to license rights in any such other system entirely from within the Territory; and

iii) modify or change, in whole or in part, any aspect of the Marks or the System so long as the Franchisee's rights are not materially harmed by such modification or change.

g. The Franchisor reserves the right to substitute different names and Marks to identify the System, the Franchised Business, and other franchised businesses operating under the System and the Marks.

h. The Franchisor will have no liability to the Franchisee for any senior users who may claim rights to the Marks. The Franchisor is not presently aware of any such senior user, or any other claim that the Marks infringe the intellectual property rights of any other person.

i. The Franchisee will not register or attempt to register the Marks in the Franchisee's name or that of any other person, firm, entity, or corporation. The prohibition in this section will not impede or inhibit the Franchisee from complying with any legislation requiring registration of any business, trade, or fictitious name of the Franchisee or the Franchised Business.

**12.5 Copyrighted Materials.** Franchisee acknowledges that Franchisor owns certain copyrighted or copyrightable works (the "Works") and that the copyrights in the Works are valuable property. The Works include, but are not limited to, the Brand Standards Manual and other content found within the Digital Operations Portal, advertisements, promotional materials, signs, internet sites, mobile applications, vehicle graphics, and facility designs. Franchisor authorizes the use of the Works per the terms of this Agreement. This Agreement does not confer any interest in the Works to Franchisee, other than the right to use them in the operation of the Franchised Business in compliance with the terms of this Agreement. If Franchisee prepares any adaptation, transaction, or other work derived from the Works or related to the Brand, whether or not authorized by Franchisor, Franchisee agrees that the material will be Franchisor's property and Franchisee hereby assigns all right, title, and interest therein to Franchisor. Franchisee shall sign any documents deemed necessary by Franchisor to confirm Franchisor's ownership.

**12.6 New Concepts.** If Franchisee or any of its Shareholders develop any new concept, process, product, or improvement to any operation or the System, Franchisee must promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Franchisee and the Shareholders acknowledge that any such concept, process, product, or improvement to any operation or the System will automatically become the Franchisor's property. Franchisor may use or disclose such information to other franchisees or developers as it determines to be appropriate.

The Digital Operations Portal will be made available to Franchisee in digital, electronic, or computerized form, or some other form now existing or hereafter developed that would allow Franchisee to view the contents thereof. To protect the reputation and goodwill of Franchisor and to maintain the high standards of operation under the Marks, Franchisee shall conduct its business in strict compliance with the Digital Operations Portal as it may from time to time be modified by Franchisor, other written directives that Franchisor may issue to Franchisee from time to time whether or not such directives are included in the Digital Operations Portal, and any other materials created or approved by Franchisor for use in the operation of the Franchised Business.

b. The Digital Operations Portal and its contents, written directives, other manuals and materials, and any other confidential communications provided or approved by Franchisor shall always

remain the sole property of Franchisor. Franchisee shall treat the Digital Operations Portal and its contents as Confidential Information, and maintain any physical copies of the Digital Operations Portal at all times in a safe and secure location and shall take all reasonable measures to prevent unauthorized access to the Digital Operations Portal and the contents thereof, whether any attempted unauthorized access takes the form of physical access or access via computer or telecommunications networks or otherwise and shall report the theft or loss of the Digital Operations Portal, or any portion thereof, immediately to Franchisor. At a minimum, Franchisee shall, in the case of computer and telecommunications networks, use the latest available firewall and similar technology to prevent unauthorized access. Franchisee shall return any physical and electronic copies of the materials in the Digital Operations Portal to Franchisor immediately upon request, termination, or expiration of this Agreement.

c. The Digital Operations Portal, any written directives, the Manual contents, and any other manuals and materials issued by Franchisor and any modifications to such materials shall supplement this Agreement, and Franchisee agrees to comply with any such modifications promptly.

d. Neither the Franchisee, nor their current, past, or future employees are employees of the Franchisor. Franchisee acknowledges and agrees that the System does not include any mandatory personnel policies or procedures or security-related policies or procedures, even if Franchisor may make certain materials available to Franchisee in the Digital Operations Portal or otherwise for Franchisee's operational use. Franchisee is restricted from utilizing the Confidential Information in any manner contrary to the terms of this Agreement, the directives of Franchisor, or the Manual. It shall not take any action to avoid or bypass its confidentiality obligations under this Agreement.

**14.2 Confidentiality Agreement.** Franchisee will divulge Confidential Information to its directors, officers, Shareholders, employees, agents, and independent contractors on a "need to know" basis only ("Recipients"). ## ARTICLE 15

### 15. RESTRICTIVE COVENANTS

**15.1 During the Term.** The Franchisee and each of its Shareholders acknowledge that under this Agreement, they will receive valuable specialized training, Confidential Information, and business opportunities from Franchisor and the System. Accordingly, during the term of this Agreement, Franchisee may not, either directly or indirectly: (i) own, maintain, operate or engage in, invest in, be employed by, provide assistance to, or have any interest (direct or indirect) in any Competing Business; or (ii) appropriate or duplicate any part of the System for a purpose other than to operate the Franchised Business; or (ii) divert or attempt to divert any present or prospective business or Pet Parent to any Competing Business; or (iv) do anything that would be deemed harmful, in Franchisor's opinion, to the goodwill associated with the Marks or the System.

**15.2 After Expiration, Termination or Transfer.** Franchisee and each of its Shareholders acknowledge and agree that they shall not, for five (5) years commencing on the date of: (a) a transfer permitted under Article 16 of this Agreement; (b) expiration of this Agreement; (c) early termination of this Agreement; or (d) a final arbitration or court order with respect to enforcement of this Section 15.2 (after all appeals have been taken) to the extent such order is later than the respective foregoing event:

e. Take any other action to avoid or bypass the restrictive covenants outlined in this Section 15.2.

**15.3 Injunctive Relief.** Franchisee and its Shareholders acknowledge and agree that violating this Article 15 would result in irreparable harm to Franchisor for which no adequate remedy at law may be available, and therefore consent to issuing an injunction, without the need to post bond. Injunctive relief is in addition to other remedies available to Franchisor.

## ARTICLE 16

### 16. TRANSFER

**16.1 Transfer by the Franchisor.** The Franchisor will have the right to transfer or assign all or any part of its rights or obligations under this Agreement to any person or legal entity, provided that such assignee has agreed to assume all obligations of the Franchisor under this Agreement. Upon the happening of any such assignment, the Franchisor will be immediately released from any further obligation or liability under this Agreement of any nature whatsoever.

**16.2 Transfer by the Franchisee.** Franchisee acknowledges and agrees that the rights and duties set out in this Agreement are personal to the Franchisee, and that the Franchisor has entered into this Agreement based on the business skill and financial capacity of the Franchisee and its Shareholders. Accordingly, neither the Franchisee nor any of its Shareholders, will sell, assign, transfer, convey, give away, pledge, hypothecate, mortgage or otherwise encumber any legal or beneficial interest in the Franchisee, in this Agreement, in the Franchised Business or any of the assets employed by or in connection with the Franchised Business without the prior written consent of the Franchisor (“Transfer”). Any purported assignment or transfer, by operation of law or otherwise, which does not have Franchisor’s prior written consent, will be null and void and will constitute a material breach of this Agreement for which the Franchisor may terminate this Agreement without opportunity to cure.

**16.3 Pre-Conditions to Transfer.** The Franchisor will not unreasonably withhold its consent to a Transfer of any interest of the Franchisee or its Shareholders in the Franchised Business. Before the proposed Transfer, in addition to any other conditions the Franchisor imposes, the Franchisee must satisfy the following conditions prior to effectuating the Transfer, unless waived by Franchisor:

- a. If the transferee entity is to be a corporation, it will be a newly organized corporation, and copies of all organizational documents, including any shareholder agreement, will be provided to the Franchisor. The organizational documents will restrict the corporation's business to operating a Pet Passages® franchise.
- b. All obligations, monetary or otherwise, of the Franchisee and its Shareholders to the Franchisor, Affiliates, and suppliers of the Franchisor will have been satisfied in full.
- c. The Franchisee or transferor, as applicable, will have executed a general release, in a form satisfactory to the Franchisor, of all claims against the Franchisor and its officers, directors, shareholders and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, provincial and local law.
- d. The transferee will enter into a written agreement, under seal, and in a form satisfactory to the Franchisor, assuming and agreeing to discharge all the Franchisee's obligations under this Agreement.
- e. The transferee will have provided the Franchisor with criminal record statements for all transferee principals.

- f. The Franchisee will not default on any provision of this Agreement or any other agreement between the Franchisor and the Franchisee.
- g. The transferee and its principals will demonstrate to the Franchisor's satisfaction that the proposed transferee and its owners and managers meet all of the then-current qualifications to become a franchisee of the System, including but not limited to: the ability to comply with the Mission, Core Values, Purpose and Foundation; educational, managerial, and business standards; absence of involvement with Competing Businesses; good moral character, business reputation, and credit rating; and aptitude and ability to operate the Franchised Business. Having an existing franchised business within the System does not guarantee approval for a second location.
- h. The transferee will execute such then-current standard form of franchise agreement and other supporting documents as Franchisor may require for the Franchised Business, which may substantially differ from the terms of this Agreement.
- i. At the transferee's expense and upon such other terms and conditions as the Franchisor may reasonably require, the Franchisor will require the transferee's Designated Operator and Designated Managers to complete the training course then in effect for the franchisees in the same manner and upon the terms as the initial training.
- j. If the transferee is a corporation, then the transferee's shareholders, directors, and officers will provide their personal guarantee of all of the Franchisee's obligations under this Agreement.
- k. In accordance with Section 8.12, before approving a transfer, the Franchisor will be paid its non-refundable transfer, training, and processing fees.
- l. Regardless of any transfer by the Franchisee under this article, the Franchisee and any guarantor of the Franchisee's obligations under this Agreement will remain bound by all of the terms and conditions of this Agreement and any such guarantee.
- m. The transfer must comply with all conditions of the lease or sublease for the Location, including obtaining the landlord's consent, and the Franchisee must pay all costs required by the landlord in obtaining such consent.
- n. Any asset transfer of the Franchised Business must comply with applicable bulk sales legislation requirements.

**16.4 Transfer on Death, Incapacity or Bankruptcy.** If any of Franchisee's Shareholders dies, becomes incapacitated, or enters bankruptcy proceedings, that person's executor, administrator, personal representative, or trustee is required to apply to Franchisor in writing within three (3) months after the triggering event for consent to transfer that person's interest. The transfer will be subject to the preconditions to transfer specified above, as applicable. If an interest subject to this section is not disposed of within one year after the triggering event, Franchisor may terminate this Agreement under Section 17.2.

**16.5 Transfer to Holding Corporation.** If an individual franchisee or franchisees wish to transfer all of their interest under this Agreement to a partnership, corporation, trust or other entity which they control, the Franchisor will consent to such a transfer provided that it is first provided with details of the proposed transaction in writing not less than thirty (30) days before the proposed transfer. Provided that the transferor will remain fully liable under the Franchise Agreement, the transfer will not be subject to the Franchisor's right of first refusal set out above, nor will the Franchisor's transfer fee be payable in respect of any such transfer, provided that the Franchisee will be required to reimburse the Franchisor for its reasonable legal and administrative expenses incurred in connection with the transfer.

**16.6 Franchisor's Right of First Refusal.** The Franchisee or any party holding any interest in the Franchisee or the Franchised Business and who desires to accept any valid arm's length offer from a third party to purchase its interest in the Franchisee or the Franchised Business will give notice of the offer to the Franchisor, along with a complete copy of the offer, a copy of the Franchisee's most current financial statements, the Franchisor's standard franchise application form completed by the proposed transferee, and a five hundred dollar (\$500) non-refundable payment for considering the request for the transfer (this payment will be applied toward the Transfer Fee) if the Franchisor does not exercise its right of first refusal under this section). The Franchisor will then have the option, exercisable within thirty (30) days after receipt of such material, to send written notice to the seller that the Franchisor or its nominee intends to purchase the seller's interest on the same terms and conditions offered by the third party. Any change in the terms of any offer before closing will constitute a new offer subject to the same rights of first refusal by the Franchisor or its nominee as in the case of an initial offer. Failure of the Franchisor to exercise the option afforded by this section will not constitute a waiver of any other provision of this Agreement.

**16.7 Reasonableness.** The Franchisee acknowledges and agrees that each of the conditions of transfer set out in this article, which the Franchisee and the transferee must meet, are necessary and reasonable to assure full performance of the Franchisee's and transferee's obligations under this Agreement.

**16.8 Operation of the Franchised Business by the Franchisor.** To prevent any interruption of the Franchised Business or any injury to the Brand's goodwill and reputation that would cause harm to the Franchised Business and thereby lower its value, the Franchisee authorizes the Franchisor, and at the option of the Franchisor, to dispatch its crisis management team to enter upon the Franchisee's business premises and operate and manage the Franchised Business if:

- a. Franchisee fails to have two (2) Certified Pet Funeral Directors operating the Franchised Business at any time; or
- b. Franchisee fails to have at least one of its Certified Pet Funeral Directors on-premises at the Location during all hours of operation; or
- c. Upon the happening of some event which affects the Franchisee, Designated Operator, or the Designated Manager that interferes with the Franchised Business's regular operation.

For so long as the Franchisor considers necessary and practical, and without waiver of any other rights or remedies the Franchisor may have under this Agreement. Franchisor shall not be obligated to send its crisis management team to the Franchised Business in any of the scenarios above. It will not have any liability to Franchisee for not opting to operate the Franchised Business per this Section. If the Franchisor should operate the Franchised Business, the Franchisor does not expect to operate it for a period of more

than one hundred and twenty (120) days. In such circumstances, the Franchisor will be compensated for all costs and expenses incurred in the operation of the business, including, without limiting the generality of the foregoing, any salaries, rent, materials, telephone charges, marketing and promotion expenses necessary to maintain the business. Any deficit is the responsibility of the Franchisee, its heirs, executors, or assignees, and any net income, less costs and expenses referred to herein and less the Management Fee specified in Section 8.15 above, to the Franchisor, will be returned to the Franchisee. If the Franchisor elects to operate the Franchised Business on behalf of the Franchisee temporarily, the Franchisee will indemnify and hold harmless the Franchisor from any loss or deficit suffered by the Franchisor as a result of its temporary operation of the Franchised Business, regardless of the cause, and from all claims, losses or damages of any nature whatsoever incurred by the Franchisor and its representatives during such operation.

## ARTICLE 17

If any such default is not cured within that time, the Franchisor will have the absolute and unfettered option to terminate this Agreement without further notice to the Franchisee, effective immediately upon the expiration of the thirty (30) day period. In the event that the Franchisee has, in the reasonable opinion of the Franchisor, commenced and maintained all reasonable efforts to cure the default complained of, but the default is not capable of being cured within such a thirty (30) day period, the time available for the franchisee to cure the default may be extended, in

the sole reasonable discretion of the Franchisor, for such additional period as the Franchisor may deem necessary, provided that at all times the Franchisee continues to diligently and in good faith continue to devote its full efforts to obtaining an immediate cure of the default. Any amount paid will be charged to and repaid by the Franchisee to the Franchisor immediately upon demand, and until repaid, will bear interest at the

Interest Rate. The Franchisor will have no obligation to retain any employees of the Franchised Business nor to honor any contractual commitments previously made by the Franchisee in connection with the Franchised Business, and any liability concerning such contractual obligations will be exclusively borne and paid by the Franchisee. If the Franchisor elects to retain any such employees, such employment will be under a new employment agreement and will commence on the first business day on which the Franchisor carries on business from the Location. Any claim of such employee(s) for unpaid salary, vacation pay, or other benefits arising from employment with the Franchisee will be the responsibility of and be paid by the Franchisee. The right of the Franchisor to remain in occupation of the Location and to conduct the said business will continue until the expiry of the option period set out in Section 17.5, provided that, if the Franchisor elects to exercise the option set out in Section 17.5, the Franchisor's right of occupation will not expire. It will continue throughout the period preceding the closing of such transaction. The occupation by the Franchisor of the Location as set out in this section will not be construed as an assignment of the lease for the Location by the Franchisee and the Franchisor will have no responsibility for payment of any rent or other charges owing under the lease except insofar as they relate to the period of its occupation of the Location.

**17.7 Setoff.** Notwithstanding anything contained in this Agreement, upon the failure of the Franchisee to pay the Franchisor as and when due any amount of money provided for in this Agreement, the Franchisor will have the right at its option, to deduct all such amounts remaining unpaid from any moneys or credit held by the Franchisor for the account of the Franchisee.

**17.8 Power of Attorney.** If the Franchisee does not sign and deliver to the Franchisor any document which it is required under this Agreement, within ten (10) days of receiving the Franchisor's written request, the Franchisee irrevocably appoints the Franchisor as the Franchisee's attorney with full power and authority to sign and deliver in the name of the Franchisee any such document and to do all things necessary to comply promptly with the provisions of this Agreement under which the power of attorney is being utilized, and the Franchisee agrees to ratify and confirm all such acts of the Franchisor as its lawful attorney and to indemnify and save the Franchisor harmless from all claims, losses, or damages in so acting.

**17.9 Charges for Late and Non-Sufficient Funds Payments.** All fees and payments and all amounts due for goods purchased by the Franchisee from time to time from the Franchisor or its affiliates and any other amounts owed to the Franchisor or its affiliates by the Franchisee pursuant to this Agreement or otherwise will bear interest after the due date and until paid in full at the Interest Rate, both before and after default, with interest on overdue interest at the Interest Rate. Accepting any payment will not be interpreted as a waiver by the Franchisor of its rights concerning the default giving rise to such payment. They will be without prejudice to the Franchisor's right to terminate this Agreement due to such default. In addition, the Franchisee agrees to pay any amount the bank charges Franchisor for insufficient funds, and an administrative fee of \$50 for every overdue payment and payment that the Franchisee's bank refuses to honor for any reason.

accounts and proceeds of proceeds. Upon default by the Franchisee in payment of all or any part of the indebtedness or liability of the Franchisee to the Franchisor or in the performance or observance of any of the provisions of this Agreement, the Franchisor will have the rights and remedies of a secured party under the Uniform Commercial Code, or any equivalent provincial or state legislation. The Franchisor shall have the right in its exclusive discretion to perfect the Franchisor's security interest by filing a UCC-1 Financing Statement without the Franchisee's signature. If the Franchisee is in default, all debts then due and owing by the Franchisee to the Franchisor under this or any other present or future agreement with the Franchisor will, if the Franchisor so elects, become immediately due and payable. The Franchisor will subordinate its security interest to any bank for financing provided by the bank to construct and/or operate the Franchised Business. Until default by the Franchisee, the Franchisee may dispose of inventory and accounts receivable in the ordinary course of business.

**17.11 Rights Non-exclusive.** No right or remedy conferred upon or reserved to the Franchisor by this Agreement is intended to be, nor will be considered, exclusive of any other right or remedy under this Agreement or by law or equity provided or permitted, but each will be in addition to every other right or remedy.

## ARTICLE 20

### 20. GUARANTEE

**20.1 Guarantee and Indemnity.** In consideration of the Franchisor entering into this Agreement with the Franchisee and in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, (the receipt and sufficiency whereof is hereby acknowledged by the Guarantor(s)) the Guarantor(s) hereby unconditionally guarantees to the Franchisor that the Franchisee will pay all amounts to be paid and otherwise observe and perform all terms and conditions to be so observed and performed, either in this Agreement and/or in any other agreement between the Franchisor and the Franchisee. If the Franchisee defaults in making any such payments or in the observance or performance of any such obligations, the Guarantor(s) hereby covenants and agrees to pay to the Franchisor forthwith upon demand all amounts not so paid by the Franchisee and all damages that may arise in consequence of any such non-observance or non-performance. Without in any way restricting or limiting the guarantee given by the Guarantor(s) as set out above or any other rights and remedies to which the Franchisor may be entitled, the Guarantor(s) hereby covenants and agrees to indemnify and save the Franchisor harmless against all liabilities, losses, suits, claims, demands, costs, fines and actions of any kind or nature whatsoever to which the Franchisor will or may become liable for, or suffer, because of any breach, violation or non-performance by the Franchisee of any term or condition of this Agreement, any lease for the Location, or any other agreement made between the Franchisee and the Franchisor. Concerning the guarantee and indemnification provided for herein by the Guarantor(s), the Guarantor(s) covenant and agree to execute and deliver such separate form of guarantee and/or indemnity evidencing its obligations under the provisions of this section as the Franchisor will in its reasonable discretion determine. Without in any way limiting the generality of any other section of this Agreement, the covenants and agreement of the Guarantor(s) contained in this section will inure to the benefit of and be binding upon the Guarantor(s) and the heirs, executors, administrators, successors and assigns of the Guarantor(s).

**20.2 Waiver of Rights to Proceed.** In the enforcement of any of its rights against the Guarantor(s), the Franchisor may, in its discretion, proceed as if the Guarantor(s) were the primary obligor under this Agreement, any lease for the Location, or any other agreement made between the Franchisee and the Franchisor. The Guarantor(s) hereby waive any right to require the Franchisor to proceed against the Franchisee or to proceed against or to exhaust any security (if any) held from the Franchisee, or to pursue any other remedy whatsoever which may be available to the Franchisor before proceeding against the Guarantor(s). Where two or more individuals have given this guarantee, then their liability will be joint and several. Each Guarantor waives the benefits of division and discussion and acknowledges that his obligations as Guarantor are indivisible. Each Guarantor acknowledges that his guarantee is irrevocable and is a continuing guarantee which will remain in effect until the complete performance of all of the obligations of the Franchisee under this Agreement and/or any other agreement between the Franchisor and the Franchisee and until the Franchisor has released all Guarantors from their obligations in writing.

**20.3 Any Dealings Binding on Guarantor(s).** No dealings of whatsoever kind between the Franchisor and the Franchisee and/or any party from whom the right to occupy the Location has been obtained and/or any other persons as the Franchisee may see fit, whether with or without notice to the Guarantor(s), will exonerate, release, discharge or in any way reduce the obligations of the Guarantor(s) in whole or in part, and in particular, and without limiting the generality of the foregoing, the Franchisor may modify or amend this Agreement or any lease for the Location, grant any indulgence, release, postponement or extension of time, waive any term or condition of this Agreement or any lease for the Location or any

obligation of the Franchisee, take or release any securities or other guarantees for the performance by the Franchisee of its obligations and otherwise deal with the Franchisee and/or any party from whom the right to occupy the Location has been obtained and/or any other persons as the Franchisor may see fit without affecting, lessening or limiting in any way the liability of the Guarantor(s). ## ARTICLE 21

### 21. DISPUTES

**21.1 Arbitration.** Except for an action to collect monetary damages from the Franchisee or to determine the validity of a portion of this Agreement, or as otherwise specified in this Agreement, any controversy or claim arising out of or relating to this Agreement or the breach thereof (including, but not limited to contract, tort and statutory claims) shall be settled by arbitration under the auspices of JAMS, under JAMS applicable arbitration rules and judgment rendered on the arbitration award may be entered in any court having jurisdiction thereof. If Franchisor prevails in any arbitration between the parties to this agreement, Franchisee shall reimburse Franchisor for all reasonable costs associated with resolving the dispute, including arbitration and reasonable attorneys' fees. If Franchisee prevails, then all arbitration fees shall be borne by Franchisor. The parties agree that New York, New York, shall be the site for all hearings held under this paragraph, and that neither party shall pursue class claims and/or consolidate the arbitration with any other proceedings to which the Franchisor is a party.

Before the arbitrator's appointment (s), and within 10 days from the date of the arbitration, the Franchisor may submit the dispute to JAMS for mediation. If the Franchisor commences mediation under this paragraph, the parties will cooperate with JAMS and with one another in selecting a mediator from JAMS' panel of neutrals and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith and share equally in its costs. All offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator or any JAMS employees, are confidential, privileged and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within 30 days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the arbitration administration shall proceed forthwith. The mediation may continue, if the parties agree, after the appointment of the arbitrators. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case.

Any disputes concerning the enforceability or scope of the arbitration clause shall be resolved under the Federal Arbitration Act, 9 U.S.C. § 1 et seq. (FAA), and the Franchisee acknowledges that, notwithstanding any contrary language in this Agreement or the Franchisor's Uniform Franchise Offering Circular, the FAA preempts any state law restrictions on the enforcement of the arbitration clause in this Agreement according to its terms, including any restrictions on the site of the arbitration.

If any provision of this arbitration section is unenforceable, that provision is severable from the remainder of this arbitration clause, and the balance of the arbitration section shall remain in full force and effect. In addition, any ruling invalidating any other portion of the Franchise Agreement shall not affect the validity of this arbitration clause.

The Franchisee knows, understands, and agrees that it is the intent of the parties that any arbitration between the Franchisor and the Franchisee will be of the Franchisee's claims and that the claims subject to arbitration will not be arbitrated on a class-wide basis.

Notwithstanding this arbitration clause, the Franchisor may bring action for injunctive relief in any court having jurisdiction to enforce the Franchisor's trademark or proprietary rights, to avoid irreparable harm to the Franchisor, its affiliates, or the franchise System.

The sole entity against which the Franchisee may seek damages or any remedy under law or equity for any arbitrable claim is the Franchisor or its successors or assigns. Franchisee agrees that the shareholders, directors, officers, employees, agents, and representatives of the Franchisor and its affiliates shall not be liable nor named as a party in any litigation or other proceedings commenced by the Franchisee where the claim arises out of or relates to this Agreement.

If, before an Arbitrator's final decision, either the Franchisor or the Franchisee commences an action in any court of a claim that arises out of or relates to this Agreement (except to enforce the arbitration clause or as otherwise permitted by this Agreement), that party will be responsible for the other party's expenses of enforcing the arbitration clause, including court costs, arbitration filing fees and attorneys' fees.

A final award by an arbitrator (there will be no appeal of interim awards or other interim relief) may be appealed within thirty (30) days of such final award. Appeals will be conducted before a three (3) arbitrator panel appointed by the same organization that conducted the arbitration, each member shall be experienced in franchising. The arbitration panel will not conduct any trial de novo or perform any other fact-finding function. Such panel's decision shall be in writing, may be entered in any court having jurisdiction, and will be binding, final, and non-appealable. On request by either party, the arbitration panel shall provide to all disputants a reasoned opinion with findings of fact and conclusions of law. The party so requesting shall pay the arbitration panel's fees and costs.

**21.2 Legal Fees.** In connection with Franchisee's failure to comply with the terms of this Agreement, whether or not an action or arbitration is commenced, Franchisee will reimburse Franchisor, upon demand, for the costs and expenses incurred by Franchisor resulting from such failure and Franchisor's enforcement of the terms of this Agreement, including but not limited to attorneys' fees, financial advisor fees, costs of investigation, court costs and other litigation expenses. This section shall survive the termination or expiration of this Agreement.

**21.3 Injunctive Relief.** Nothing in this Agreement, including any arbitration provision, will bar the Franchisor's right to obtain injunctive or other specific relief against conduct or threatened conduct that will cause it loss or damage, including loss or damage under the usual equity rules, including the applicable laws for obtaining restraining orders and preliminary, temporary or permanent injunctions. Franchisee and Guarantors consent to issuing an injunction at Franchisor's request (without posting a bond or other security) prohibiting any conduct violating this Agreement that Franchisor believes may cause Franchisor irreparable harm.

**21.4 Filing Deadline.** Except for claims arising from Franchisee's failure to timely pay amounts owed to Franchisor or from performance or non-performance of Franchisee's obligations arising upon expiration or termination of this Agreement, any claim or action arising out of or relating to this Agreement or the relationship between the Franchisor and Franchisee will be barred unless submitted to arbitration as required by this Agreement, or filed in court if allowed by the terms of this Agreement, and served within one (1) year from the date of the complaining party knew or should have known the facts giving rise to such claim.

**21.5 No Setoff.** The payment and performance by the Franchisee of the fees and other obligations under this Agreement are absolute and unconditional, irrespective of any defense or any rights of setoff, or counterclaim that the Franchisee might otherwise have against the Franchisor. The Franchisee will pay, absolutely net, all of the fees due under this Agreement, free of any deductions and without abatement, diminution, or setoff. Any defense or right of setoff, or counterclaim must be brought by a separate action. The Franchisor will not be bound by any restrictive endorsement on any payment made by the Franchisee. Upon receipt of any payment by the Franchisee, the Franchisor reserves the right to allocate such payment at its discretion, even if the Franchisee has designated the payment for a different purpose or account.

**21.6 Waivers.** Franchisee and Guarantors hereby irrevocably waive trial by jury in any action, proceeding, or counterclaim; the right to seek certification of a class in any action, proceeding, or counterclaim against Franchisor, to the extent permitted by law; and any right to or claim of punitive or exemplary damages against Franchisor.

**21.7 Joint and Several Liability.** If two or more individuals, corporations, partnerships, or other entities (or any combination of two or more of them) sign or are subject to the terms and conditions of this Agreement as Franchisee or as guarantor, the liability of each of them under this Agreement will be considered to be joint and several.

**22.5 No Waiver.** No failure of the Franchisor to execute any power reserved to it by this Agreement, or to insist upon strict compliance by the Franchisee with any obligation or condition of this Agreement, and no custom or practice of the parties that differs from the terms of this Agreement, will constitute a waiver of the Franchisor's right to demand exact compliance with any of the terms of this Agreement. Waiver by the Franchisor of any particular default by the Franchisee will not affect or impair the Franchisor's rights concerning any subsequent default of the same, similar or different nature, nor will any delay, forbearance or omission of the Franchisor to exercise any power or right arising out of any breach

or default by the Franchisee of any of the terms, provisions or covenants, affect or impair the Franchisor's right to exercise any of its powers or rights, nor will such constitute a waiver by the Franchisor of any right under this Agreement, or the right to declare any subsequent breach or default and to terminate this Agreement before the expiration of its term. Following acceptance by the Franchisor of any payments due to it under this Agreement will not be considered a waiver by the Franchisor of any preceding breach of the Franchisee of any terms, covenants, or conditions of this Agreement.

**22.6 Uncontrollable Circumstances.** Except for Franchisee's monetary obligations under this Agreement, delays in the performance of any duties under this Agreement that are not within the reasonable control of the parties including fire, flood, natural disaster, act of God, governmental acts or orders or civil disorder, including strikes, will not cause a default under this Agreement and the other party will, upon notice, extend the time for performance for the period of such delay or for such other time as may reasonably be required.

**22.7 Independent Contractor.** This Agreement does not create a fiduciary relationship. The Franchisee will be an independent contractor. Nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, joint employer, partner, employee, or servant of the other for any purpose whatsoever. Franchisor shall have no control over the essential terms and conditions of employment of Franchisee's employees, including but not limited to hiring, firing, discipline, supervision, direction, wages, hours, number of workers, scheduling, seniority, assigning work, or determining the manner or method of performance. The Franchisee will have the right to profit from its efforts, commensurate with its status as "owner" of the Franchised Business operations and will bear the risk of loss or failure characteristic of this status, notwithstanding the affiliation with the System created by this Agreement.

**22.8 No Authorization.** It is understood and agreed that nothing in this Agreement authorizes the Franchisee to make any contract, agreement, warranty or representation on the Franchisor's behalf, or to incur any debt or other obligation in the Franchisor's name, and that the Franchisor will in no event assume liability for, or be considered liable as a result of, any such action, or because of any act or omission of the Franchisee in its conduct of the Franchised Business or any claim or judgment against the Franchisee. The Franchisee will indemnify and hold the Franchisor harmless against all claims arising directly or indirectly from, or in connection with, Franchisee's operation of the Franchised Business and the costs, including legal fees, of defending against them.

**22.9 Brand Responsibility.** The Franchisee acknowledges that the nature of franchising is such that Franchisor has responsibilities not only to the Franchisee but also to all other Brand franchisees, the Brand's Pet Parents, Franchisor's employees, and shareholders. The Franchisee understands that those responsibilities may sometimes conflict or be inconsistent. The Franchisee also acknowledges that the Franchisor has the right to act in its best interest, which may sometimes conflict or be inconsistent with the Franchisee's best interests.

**22.10 Good Faith.** Where any provision of this Agreement permits the Franchisor to do any act or not to do any act based on its discretion, opinion, or judgment, the Franchisor agrees to deal fairly and in good faith with the Franchisee in deciding to do or not to do any such act.

**22.11 Governing Law.** This Agreement will be interpreted under the laws of the State of New York.

**22.12 Jurisdiction and Venue.** The parties agree that, subject to the arbitration provisions of this Agreement, any permitted action brought by either party against the other will be commenced and continued in the county of Monroe, State of New York.

**22.13 Counterparts.** This Agreement may be executed in one or more counterparts, and if executed in more than one counterpart, the executed counterparts shall each be deemed an original, but all such counterparts shall together constitute the same instrument. Delivery of an executed Agreement by one party to any other party may be made by facsimile or electronic mail (including any electronic signature complying with the New York Electronic Signatures and Records Act (N.Y. State Tech. §§301-309), as amended from time to time, or other applicable law), and the parties hereto agree that any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

**22.14 Entire Agreement.** When fully executed, this Agreement will supersede all existing agreements, understandings, negotiations, and discussions, either oral or in writing, between the parties concerning the subject matter of this Agreement. Except as specifically outlined in this Agreement, there are no representations, warranties, undertakings, provisos, inducements, covenants or agreements, whether direct, indirect, collateral, express or implied, made by the Franchisor or Franchisee.

**22.15 Disclaimer.** The Franchisee acknowledges that it has conducted an independent investigation of the System and prospective franchise and recognizes that the business venture contemplated by this Agreement is speculative and involves business risks and that its success will be largely dependent upon the abilities of the Franchisee. The Franchisor expressly disclaims the making of, and the Franchisee acknowledges that it has not received any representation, warranty, promise, inducement or guarantee, express or implied, oral or written, as to the potential volume, profits or success of the business venture contemplated by this Agreement or otherwise concerning the subject matter of this Agreement except as specifically outlined in this Agreement or the associated franchise disclosure document. Franchisor's Brand Standards do not constitute a warranty or representation, express or implied, as to quality, safety, suitability, or fitness for a particular purpose. Franchisor shall not be liable to Franchisee because of the designation of Brand Standards for operating the Franchised Business under the System.

**22.16 Severability.** Except as expressly provided to the contrary in this Agreement, each section, part, term, and/or provision of this Agreement will be considered severable and fully enforceable. If for any reason, any part of this Agreement is determined to be invalid, contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, it will not impair the operation of, or have any other effect upon, any other part of this Agreement as may remain otherwise intelligible, and that part will continue to be given full force and effect and bind the parties. The court may modify or amend an otherwise unenforceable or invalid provision of this Agreement to render it enforceable to the maximum extent permitted by law, but if not practicable, then the invalid part or parts will not be a part of this Agreement.

**22.17 Headings.** All headings in this Agreement are intended solely for the convenience of the parties, and no heading will be considered to affect the meaning or interpretation of any part of this Agreement.

**22.18 Benefit of Agreement.** Nothing in this Agreement is intended, nor will be considered, to confer upon any person or legal entity other than the parties and those persons expressly

indicated to be entitled to rights or remedies under this Agreement. This Agreement is available for the benefit of, and is binding upon, the heirs, successors, personal legal representatives, and permitted assigns of the parties. The Franchisor will be considered a third-party beneficiary of any agreement between the Franchisee and its employees, agents, suppliers, and independent contractors.

**22.19 Voluntary Agreement.** The Franchisee acknowledges that it has received, read, and understood this Agreement; Franchisor has provided Franchisee ample time and opportunity to consult with advisors of its choosing about the potential benefits and risks of entering into this Agreement; and Franchisee is entering into this Agreement voluntarily without threat, duress, or compulsion.

**22.20 Incorporation of Recitals.** The recitals are incorporated in the body of this Agreement by reference.

**22.21 Schedules.** The following schedules are attached to and (except Schedule 1) are incorporated in this Agreement by reference and are part of this Agreement. Even though the schedules are considered a part of this Agreement, the relevant schedules have been signed by the parties and are independent and binding agreements per their terms.

**SCHEDULE 1**  
**GLOSSARY: GENERAL FRANCHISE RELATED DEFINITIONS**  
*(for Informational Purposes)*

*The definitions provided in this Glossary are intended to help a franchisee understand franchising in general and the terms used within a franchise business model. These definitions are not defined terms within the Agreement, and are not intended to create a legal obligation for either Franchisor or Franchisee.*

**Accountability**

Accountability is ensuring results are accomplished. Responsibility is ensuring the activities producing the results are completed correctly and the results are accomplished on time.

**Arbitration**

A process in which a neutral third party hears both sides to a dispute and renders a decision. It is an alternative to using the legal process which can be costly and time consuming.

**Branding**

Branding is a way of identifying your business. It is the process of creating a strong positive emotional perception of the Brand to its existing and potential customers, what it stands for, its products and services, and its beliefs regarding its customers and the communities it serves.

A Brand is defined by the feelings and perceptions the customers have before, during, and after experiencing the Brand's products and/or services. Successful branding promotes recognition, differentiates itself from others, generates referrals, connects with customers emotionally, provides business value, and represents the company and its promise to the consumer.

**Business**

A business can be defined as an organization or enterprising entity engaged in commercial, industrial, or professional activities. The **reason** for the existence of a business is for economic performance (profit and growth). The **purpose** creates and keeps customers which drives economic performance; and the result of a business is satisfied, loyal, frequent user, fanatical fan customers who drive the sustaining economic performance of the business. Business consists of mechanics and dynamics. Mechanics include process, systems, and technology; dynamics include beliefs and behaviors lived between and among one another and with customers.

The characteristics of a successful business include the following ten competencies – each can be measured. These metrics, numbers if you will, are predictive indicators of the future growth and profitability of the business:

1. Attracting new customers.
2. Retaining new customers.
3. Ensuring customers are fanatical fans, i.e. satisfied, loyal, frequent users, promoters of the Brand.
4. Retaining current customers.
5. Ensuring customers promote you, forever.

6. Getting customers to purchase more of its products or services more often.
7. Continually increasing market share.
8. Maintaining a sufficient profit margin.
9. Creating a “great place to work”, i.e. low turnover, happy, successful team members.
10. Having “happy, successful franchisees”.

### **Compliance**

Compliance is adherence to a predetermined set of behaviors designed to get specific results. It is in accordance with established guidelines, agreements, specifications, laws, regulations, standards, etc. For a Brand to be successful, everyone must be on the same page, support the Brand, and act as one. That page has to do with creating and retaining very satisfied, loyal, fanatical fans. Customers expect “no surprises”. Customers talk to other potential customers who might go to other units in the same or other markets. Customers gain confidence from compliance. Staff are easier to manage with compliance. Compliance makes the operation of a unit easier.

A consistent EXPERIENCE is what creates an emotional bond between the customer and the Brand. Compliance creates that consistent emotional bonding experience. We are in an experience economy. That’s where compliance comes in. When there is lack of compliance, Franchisees could act independently resulting in a fragmented system that is not aligned and moving toward the same goals which is creating fanatical fans. Enforcing compliance on both sides (Franchisor and Franchisee) protects the investment that all Franchisees make in the Franchised Business.

### **Core Values**

Core values are principles and priorities that guide and direct the organization and its culture. They are deeply ingrained and create a moral compass for the organization and its employees. Core values establish a standard against which decisions are made and actions can be assessed. To be effective, core values must be fully embraced at all levels of the company including leadership and should be used daily to guide attitudes, actions, and decision-making. It is important to have set pre-determined ways the core values are embedded and reinforced.

### **Customer Centric**

The goal of a customer-centric business is to create a “great place for customers to do business”. The best franchise company (or any business) will realize the key to success lies with making the customer experience the center of everything it does. They understand that the ways we ensure new and existing customers are loyal, frequent users, and fanatical fans promoting the Brand ensure our future. Our primary, number one, commitment is focusing all efforts on the goal of creating fanatical fans who return frequently and promote the business with their sphere of influence. Everyone on the team has an attitude and belief that we will not be content until everyone who wants and needs our products and services is highly satisfied.

We can achieve this number one commitment by asking and answering three questions: (1) Who are OUR customers? (2) What do they value? (3) How can and do we enhance what they value?

Customer-Centric Culture Concepts include Customer satisfaction can be measured; the customer is not dependent on us – we are dependent on them; the customer is not an interruption of our work - the customer

is the reason for our work; the customer deserves the most attentive, courteous, and professional treatment you can provide; and the customer is the lifeblood of our business. The team realizes that without customers we would not have a business; therefore, we work for the customers.

Customers have many choices when they are purchasing a product or service. It's human nature to frequent the business where the customer perceives value and feels appreciated. Additionally, the customer experience involves both the head (intellectual) and heart (feelings). Head and heart issues include quality, convenience, unparalleled customer service, cleanliness, consistency, friendliness, tone of voice, body language, image, and perceived value.

Most businesses make decisions and interact with customers every day. Some decisions are small while others are large like expansion, pricing, hours, staffing, product/service changes, etc.; and interactions with customers can vary. A successful business will instill in their employees that when making a decision or interacting with a customer, the customer-centric concepts and head and heart issues need to be at the forefront of that decision or interaction.

### **Default**

Default is failure to perform as required by a contract. Examples of "default" in the franchising arena include but are not limited to: failure to abide by the requirements of the Franchise Agreement; failure to submit and pay royalties as required; and/or failure to make timely payments on a promissory note. When a Franchisee consciously and deliberately does NOT perform as required by the Franchise Agreement that Franchisee is, in effect, telling the Franchisor they no longer want to be a part of the system. It is the obligation of the Franchisor to protect the other Franchisees from "bad actor's franchisees" whose non-compliant choices affect their businesses and the Brand. So, the Franchisor makes their decision after the non-compliant Franchisee makes theirs. The Franchisee is in effect requesting the Franchisor do the paperwork to help them exit the system.

### **Franchise**

A franchise is a business relationship between a Franchisor and a Franchisee based on a legal structure. Under the legal structure, the Franchisor grants to the Franchisee a license to use the Franchisor's Brand name, philosophies, business principles, operating system, and ongoing performance improvement resources to accomplish the business purpose of the relationship – to create and retain very satisfied, loyal, frequent user, fanatical promoter customers.

### **Franchise Agreement**

The Franchise Agreement sets out all of the terms and conditions governing the franchise relationship. It is prepared by the Franchisor and signed by both the Franchisee and representative of the Franchisor (usually the CEO). Franchise Agreements will include but are not limited to: franchise cost including initial fee, royalties, marketing costs; franchise location terms; territorial rights; training schedule; building, equipment and supply terms; operating practices; system standards; termination and renewal terms; and the general obligation of the Franchisee. In addition, it includes the Franchisee's rights and consequences of being non-compliant.

It also sets forth the expectations, obligations, and rights of the Franchisor by describing the Franchisor's commitment to the Franchisee.

### **Franchise Disclosure Document**

The Franchise Disclosure Document (FDD) is a legal document the Federal Trade Commission (FTC) requires Franchisors to provide to prospective Franchisees before granting them a franchise. The FDD is divided into twenty-three Items (sections); each requires a Franchisor to disclose certain information to assist a prospective Franchisee in making a well-informed decision before signing a Franchise Agreement. This information concerns the Franchisor, the individuals and entities associated with the Franchisor, the franchise opportunity, the fees charged by the Franchisor, the Franchisor-Franchisee relationship, and other information about the offering.

### **Franchisee**

Within the franchise relationship, the Franchisee is the person or entity to whom the right and obligation to conduct a business has been granted by the Franchisor. The Franchisee owns their own company, but for a fee is licensed and obligated to use the Franchisor's name and operating system in a defined and proscribed way for a designated period. A Franchisee owns the assets of their company which they have chosen to invest in someone else's Brand, operating system, and ongoing support.

### **Franchising**

Franchising is a business growth strategy whose advantage is to enable the Brand to simultaneously enter, penetrate, and dominate every market entered. Franchising is also a strategic alliance between groups of people who share three specific goals: (1) open locations; (2) ensure happy, successful franchisees; and (3) exceed customer expectations so the customers will be fanatical fans. It is a network of interdependent business connections that allows several people to share Brand identification, a successful method of doing business, and a proven marketing and distribution system.

Franchising involves a Franchisor with a method of distributing products or services who establishes the Brand's trade name and/or trademark along with a proven business system. A Franchisee pays a royalty and often an initial fee for the right to do business under the Franchisor's name utilizing their proprietary way of doing business and established operating systems.

In essence, it is an organized marketing and distribution system meeting and exceeding customer's wants, needs and desires. When more products/services are delivered with a great customer experience under the same name (Brand) the result is loyal, fanatical, promoter customers, and Brand recognition. The greater the recognition, the more likely the consumer is to use or patronize that Brand when they have a need. The more consumers who use the Brand, the faster the Brand can increase its market share. An increased market share creates an image in the mind of future customers about how the Brand's products/services can help them.

### **Franchisor**

Within the franchise relationship, the Franchisor is the person or entity that owns the Brand name, operating system, trademark, and business model.

## **I Own My Franchise**

“I Own My Franchise” is a misconception arising from the use of phrases making the Franchisee believe they bought a franchise. For example: Buy a franchise; We sell franchises; and/or own a franchise. Franchisees don’t own the franchise; they are licensed to use the Brand name and the operating system for an x-number of years in a defined market. In fact, they are not just licensed to use the system, they are obligated to use the system. The Franchisee owns their company but are licensed to operate it using the Franchisor’s operating system. Franchisees are in an interdependent relationship in which both the Franchisor and the Franchisee work for the same business object which is to dominate markets by getting and keeping customers. Instead of the Franchisee thinking “I am buying a franchise” they are investing their assets in a system to utilize the Brand name, operating system, and ongoing support.

## **Industry**

An Industry is a group of companies related based on their core business activities. Similar businesses are grouped into industries based on their primary product/services. This effectively creates industry groups which can then be used to isolate businesses from those who participate in different activities. Companies operating in the same industry can be compared to each other to evaluate the relative attractiveness of a company within that industry. Each recognized industry has what is known as a Standard Industrial Code (SIC). Franchising does not have an SIC. When companies are listed by their SIC, franchising is not listed because franchising is neither an industry nor a company. In the list of companies listed by SIC you find companies who franchise and those who do not.

Although not directly related to the definition of industry, successful companies identify a characteristic of their organization (Brand) that separates them from key competitors in their industry and gives them a perceived advantage in the eyes of their target audience; this is called a “differentiator”. Differentiation creates value, Brand loyalty, and helps to create fanatical fans for that Brand within the industry.

## **Initial Fee**

The Initial Fee is generally paid upon signature of the Franchise Agreement. It goes toward the costs related to the preparation of the legal documents and individual state registrations. It helps cover: the Franchisor’s expenses connected with franchisee selection; training and support provided by the Franchisor prior to openings; new Franchisee training; marketing assistance; costs to develop and organize the franchise and related systems including trade name/trademark registration and protection; and legal fees to ensure compliance with various laws.

Simply stated the Initial Fee is cost recovery. The Franchisor spent time, money, and effort preparing their organization to offer individuals the opportunity to join their team and prosper. These costs are recovered through the Initial Fee paid to the Franchisor by the Franchisee.

These costs are recovered through the Initial Fee paid to the Franchisor by the Franchisee.

**Key Result Area:** One of the very few broad areas where the concentration of thinking, planning, and execution of strategies and tactics achieves results contributing to the Brand's Vision.

- Loyalty Brands' vertical partner Brands share three Key Result Areas. Loyalty Brands also uses the term "Strategic Imperatives" to mean the same thing as KRA. The three KRAs are
  1. Open Locations,
  2. Happy, Successful Franchisees, and
  3. Fanatical Fans.

**Key Result Indicators:** KRIs are sub-areas of the Key Result Areas.

Example: Under Open Locations KRIs include:

- Number of Inquiries
- Number of RFCs received per week
- Franchise Agreements signed
- Location Leases Signed
- All Locations ready for the upcoming tax season
- New Franchisee Training Successfully Completed
- Fanatical Fans created and retained

**Key Performance Standards:** These are minimum measurable acceptable results applying; (1) everyone doing a particular job or function, or that fits a particular person who is doing a particular job or function as their minimum measurable acceptable results. Examples:

- Minimum acceptable standards are below for Key Result Indicators:
  1. 1,000 Inquiries per week
  2. 250 RFC completed
  3. 10% of completed RFCs sign Franchise Agreements
  4. Applicable Location Leases Signed by December 1<sup>st</sup> of every year
  5. New Franchisee Training Successfully Completed by November 1<sup>st</sup> of every year
  6. All locations ready for the upcoming tax season by Dec. 15<sup>th</sup> of every year
  7. Tax schools completed by Dec. 10<sup>th</sup> of every year
  8. Applicable top 10 are successfully executed by established dates throughout the year
  9. 90% of new customers become Fanatical Fans
  10. 90% of existing customers are Fanatical Fans
  11. 75% of tax preparers return from the previous year

## Lead Generation

Lead Generation is the process of attracting, creating, and retaining lifetime customers (users) who are very satisfied, loyal, frequent users, promoters of the Brand, and fanatical fans who refer you to their sphere of influence. Lead generation strategies and tactics are too numerous to mention. Lead generation can be used for new Franchisees, Area Representatives, and customers for the Franchised Business. A lead is defined as a potential user (customer) who has shown interest in a company's products or service in some way, shape, or form. It can apply to generating leads for consumers, new employees, Franchisees, Area Representatives, suppliers, etc.

## Leadership

Leadership is a process of influence that maximizes the efforts of others toward the achievement of goals. Leadership has nothing to do with seniority or a position in a company. Nor is it associated with titles or

management. Leadership has the capacity to translate vision into reality by directing the organization in a way that makes it more cohesive and coherent. Leaders are defined as individuals who influence the beliefs, thinking, and behavior of others to achieve the mission of the organization. When a leader is successful, their mission and passion become contagious. A great leader acts with integrity, helps develop others, values relationships, shows honesty, listens to their followers, promotes their vision, displays courage, and holds themselves accountable. To sum it up: leadership is to influence, inspire, and help others become their best selves while building their skills and achieving organizational goals along the way.

It is common for people to associate leadership with a specific person or title when in fact it is a set of skills that anyone can master if they truly want to. You don't have to be a CEO, company owner, manager, etc. to be a leader. You just need to understand what leadership is, identify a leadership mentor(s), learn from that mentor(s), and then model your behavior so you can inspire others to join you on your mission.

**Management's Functions** common to every business include (1) research, (2) planning, (3) organizing, (4) coordinating, (5) controlling, (6) delegating, and (7) directing. The seven functions of management reveal the information needed to decide the; who, what, when, where, and how to deploy the five resources to achieve the short and long-term results required for the accomplishment of Vision.

**Management's Process** performs the seven functions on each of the five resources toward how they can, together, achieve the results needed to accomplish the Vision.

**Management's Resources** common to every business include (1) people, (2) money, (3) materials, (4) time, and (5) space. Resources are allocated to achieve results.

### **Marketing**

"Everything is marketing and marketing is everything". Marketing done well is to know and understand customers including who they are and what they value so they understand that the Brand's products and/or services meet their wants, needs, desires, and goals thus creating buyers eliminating the need to sell. When the encounters with the customers occur, the Brand's representatives can enhance what the customers' value in what is called the many forms of "the customer experience". Marketing must result in a customer who is ready to buy.

### **Mission**

The Mission is the main idea, the purpose, and the drivers behind an organization which propels the company in a particular direction. In essence, the Mission is the organization's reason for existence.

### **Moments of Truth**

"Moments of Truth" are contacts (encounters) with both existing and potential customers as they perceive each contact as either "deal makers" or "deal breakers" regarding their relationship with the company. If each encounter is perceived as a positive memorable moment, the customer and potential customer will be: (1) very satisfied; (2) want to see you again and again; and (3) will become fanatical fans.

## **Obligation**

An obligation is a formal contract, a promise, or the demands of conscience or custom that obligates one to a course of action or non-action. An obligation can be enforceable such as a contract, rule, or law; or it can be something a person feels bound to do based on a sense of duty or custom. The legal obligations that a Franchisee and Franchisor have to each other are detailed in the Franchise Agreement. However, for the business relationship to work both sides need to understand their basic obligations to establishing a successful company even though some may not be documented. This basic understanding fosters the concept of unified thinking and promotes the company mission which is to have satisfied repeat customers. As an example: Franchisors and Franchisees are not legally obligated to the core values, but those values are the principles and priorities that guide and direct the organization and its culture. Therefore, operating under the premise that Franchisors and Franchisees are in essence obligated to those core values is what causes the entire organization to be more successful.

## **Ongoing Support**

Ongoing Support is the support that remains in existence and is beneficial to both the Franchisor and Franchisee. The Franchisor provides ongoing support as detailed in the Franchise Agreement and may provide other support as warranted. For the Franchisee, ongoing support is a valuable resource of expert know-how that is used in conjunction with the Operations Manual for the successful operation of their business. As applicable, the Franchisor may provide ongoing administrative or technical support and/or they may provide marketing, mentoring, training, or access to supply vendors.

## **Operations Manual**

The Operations Manual (OM) is the blue-print and how-to guide of a franchise system. It contains comprehensive guidelines advising a Franchisee on how to operate the Franchised Business. It covers all aspects of the business including general business procedures not necessarily peculiar to Franchised Business. The specific topics of a well-written Operations Manual are too numerous to list; however, at a minimum the OM should contain chapters related to: an introduction including an overview of the Franchisee responsibilities; pre-opening procedures; personnel issues including related laws; daily operating procedures including the customer experience; technology; supplier information; marketing; and management documents/forms. Just as important, the OM should contain the Brand's mission, vision, core values, a section on franchising, and one on the Franchisor's and Franchisee's rights and obligations as well as the AR/Franchisee relationship.

The Operations Manual ensures uniformity of the customer experience, quality control across multiple locations, serves as a training tool, protects and ensures consistency throughout the Brand, aligns Franchisee performance, and saves time as Franchisees have a document in hand to refer to as opposed to waiting on a response via an e-mail, phone call, etc.

## **Performance Improvement**

Performance improvement is a process helping people achieve better performance and growth. It corrects underperformance and encourages above average performance. It monitors the Franchisee's meeting organization standards and expectations both in terms of productivity and behaviors reflecting the living of the Brand's mission and values between and among one another and with the customers.

To be effective, the involved parties must first identify the areas that need improvement such as understanding what's working and what isn't. A related performance improvement plan is only effective if the performance issues in question can be resolved with a structured plan and time-sensitive goals.

### **Personal Goals**

Personal goals include what individuals want, need, and/or desire that at that moment they do not have. Personal goals can be in the following areas: income, lifestyle, wealth, equity, debt elimination, avoidance, and more. What's important to note is that personal goals drive business goals. The motivation for achieving business goals is to achieve personal goals. Business goals are a means to an end, not the end. Therefore, personal goals play an important role in business success as they are motivating factors.

Both business and personal goals when written are better when following the SMART criteria. S=Specific; M=Meaningful; A=Achievable; R=Realistic; and T=Trackable. When setting personal goals set those that are a bit challenging but not out of reach. They should be something that really matters to the goal setter and aligns with their values. Once goals are set, strategies to stay on track should be developed and a timeline to re-evaluate those goals should be established as priorities can change.

### **Planning**

Planning is ongoing and dynamic. A plan is static and unchanging. Planning is the rational (the "what") and emotional (the "why") assessment of where you are, where you want to be, how you will get there, when you are going to get there, how you will measure your results, and why you are doing it (improve lifestyle, income, wealth, or equity). Planning of some kind is going on in business all the time; it may be formal or informal and can include hundreds of variables. Planning involves: (1) who does what; (2) what is to be done; (3) when it will be done; (4) where it will be done; (5) how it will be done; and (6) why it is to be done? Planning includes thinking long-term but acting short-term. Planning is firm on strategy and flexible on tactics. Planning involves everyone understanding the purpose and anticipating accomplishing the results. It includes metrics to measure and monitor performance.

Planning starts with five basic questions:

1. Where is my business today? (analysis)
2. Where do I want to be at some predetermined point in time? (goal setting)
3. How will I get there?
4. How will I measure my progress toward success/results?.
5. Why am I doing these other four things? (goals)

### **Renewal**

The Franchisee is granted a particular timeframe in which to conduct business as a Franchisee in the initial Franchise Agreement. The Franchise Agreement will state the terms and conditions to renew that business relationship. Renewal is the resigning of a Franchise Agreement after the initial or subsequent terms of the franchise expires.

**Return on Investment:** Formula: Net return divided by the total investment made times 100. This gives a percentage. When the net return equals the investment made then the business has reached break even.

The Cost of investment calculation for a new franchised location, for the first year of operation, would include two calculations:

1. The first includes costs incurred by the franchise from first contact through the end of the initial 12 months of the business divided by the net return of the first 12 months in business times 100%.
  - If the total cost was \$500,000.00 and the net return was \$50,000.00, the ROI would be 10%
2. The second includes costs only related to starting up the business from (1) lease and buildout, (2) and operating costs through the end of the first 12 months of business. If costs were 150,000.00 and the net return was \$50,000.00, the ROI would be 33.33%.

## **Royalty**

Royalties are funds that transfer from the Franchisee to the Franchisor to support the existing Franchisees and maintain and grow the franchise system. The mistaken concept is that the Franchisee is paying the royalty; however, even though it is deducted from the Franchisee's funds it is the customer who is actually paying the royalty. When the customer pays for a service or product, part of what they paid for the service or product goes to the Franchisee and part of it goes to the Franchisor.

Royalty is similar to a "quid pro quo" which is an agreement between two or more parties in which there is a reciprocal exchange of goods or services. The phrase is Latin for "*something for something*". The "quid" is the use of the Operating System including all intellectual property (IP) of the Franchisor (the *something*). The "pro quo" is the Franchisor's share (for *something*) of the customer's money generated when the Franchisee uses the Operating System and IP to get and keep customers.

The Franchise Agreement states what the royalty amount is and when it's due.

## **Standards**

Standards are specific norms, management practices, methods, and levels of expectation that create opportunities to measure performance. Standards often have zero tolerance for adherence to, maintaining, and achieving. They apply to tasks, processes, and outputs. They ensure quality and consistency. Standards must align with a company's core values and mission; and everyone within the company must know of and accept the standards because they build trust in the company's Brand. Standards are a roadmap to success, and they make companies and the people within it better at what they do. Most Franchise Agreements identify the standards needing to be followed. Lack of adherence to franchise standards can result in the default process being activated by the Franchisor.

## **Strategy**

Strategy refers to a direction toward a vision and the goals to achieve it. These provide the actions to be taken in achieving the organization's mission. Strategies can take time, research, and careful planning to create because of their long-term vision. Creating effective strategies should involve input across the organization so it's important to ensure there's alignment between the strategy and each department's priorities.

Examples of strategies include Franchising, company locations, lowest price always, multi-level marketing, serving the masses, serving the classes, focusing on the specific needs of one demographic, etc. A company's

strategy must be linked to performance. The strategy provides the specific “how to reach a vision”, but the tactical plan can be flexible. “Firm on Strategy; Flexible on Tactics”. Strategies and tactics must work together to an end and be in line with one another. Strategies are not goals.

### **System**

A System is a series of interdependent tasks or documented procedures outlining exactly how to do something to achieve a result. They are a group of interdependent elements or components that meet a business objective (common purpose). Well thought-out and documented systems help a business scale more quickly, streamline processes, achieve greater efficiency, promote consistency, lowers labor costs, allow for control without micromanaging, and help identify and prevent problems faster.

Ten Systems of a Successful Franchise Company:

1. Creating and Retaining Loyal Frequent User Fanatical Fan Customers
2. Superior Leadership
3. Strong Business & Financial Planning
4. Happy, Successful Franchisees
5. Pre-Opening and Operations Manuals
6. Excellent Franchisor/Franchisee Relations
7. Focused Field Staff
8. Effective Training & Development Programs
9. Legal & Regulatory Compliance
10. Branding & Marketing

### **Tactics**

Tactics are the specific actions taken to support a strategy; they have a clear purpose that aids the strategy. Tactics are more concrete than a strategy, oriented toward smaller steps, have clear deliverables, and a finite timeline during which specific activities will be completed and their impacts measured. Unlike strategies which are broader, tactics can be quickly adjusted to correct the course of action. Because tactics are actions taken in furtherance of a strategy they must work together and be in line with one another.

### **Territory**

A Territory is a specific geographic region that is defined by zip codes, counties, cities, natural, or political boundaries. The population of the territory, established by the Franchisor, varies by Brand and is determined by using data from the U.S. Census Bureau or reliable mapping software. Territories may be exclusive, meaning a geographic area within which the Franchisor promises not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks. Specific information of the Franchisee’s territorial rights are included in the Franchise Agreement.

### **Vision**

Vision is what the organization wants to be; it concentrates on the future and describes a future identity. Vision looks forward and creates a mental image of the ideal state the organization wishes to achieve. It is inspirational and aspirational; and should challenge employees.

**ILLINOIS AMENDMENT**  
**TO PET PASSAGES FRANCHISE AGREEMENT**

Illinois law governs the Agreements.

Franchisee's payment of Initial Franchise Fees will be held in escrow at a federally-insured bank until Franchisor has met its initial obligations to franchisee and franchisee has commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial condition. A copy of the Escrow Agreement is on file with the Office of the Illinois Attorney General.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Section 19 of the Illinois Franchise Disclosure Act sets forth the conditions and notice requirements for termination of a franchise agreement.

Section 20 of the Illinois Franchise Disclosure Act sets forth the conditions of non-renewal of a franchise agreement, along with the compensation requirements.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

**MINNESOTA AMENDMENT**  
**TO PET PASSAGES FRANCHISE AGREEMENT**

In recognition of the requirements of CHAPTER 80C. FRANCHISES of Minnesota Law the parties to the attached Franchise Agreement (the "Agreement") agree as follows:

1. Notwithstanding Section 22.8, or anything contained in the Agreement to the contrary, Minnesota Statute 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

3. Notwithstanding Section 17, or anything contained in the Agreement to the contrary, with respect to franchises governed by Minnesota law, the franchiser will comply with Minnesota Statute 80C.14 Subd. 3-5, which require (except in certain specified cases):

- o that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement; and
- o that consent to the transfer of the franchise will not be unreasonably withheld.

4. Notwithstanding anything contained in the Agreement to the contrary, the franchiser will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name as required by Minnesota Statute 80C.12 Subd. 1(G).

5. Notwithstanding Section 4.2(f), or anything contained in the Agreement to the contrary, in compliance with Minnesota Rules 2860.4400(D) the franchisor does not require a franchisee to assent to a general release.

6. Notwithstanding Sections 18.1(f) and 19.7, or anything contained in the Agreement to the contrary, the franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860.4400(J) also, a court will determine if a bond is required.

7. Notwithstanding anything contained in the Agreement to the contrary, all claims must comply with Minnesota Statute 80C.17 Subd. 5. "No action may be commenced pursuant to this section more than three years after the cause of action accrues."

8. NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

INDEPENDENT AUDITOR'S REPORT

To the Stockholder  
Pet Passages Franchising, Inc.  
Ontario, NY

*Report on the Audit of the Financial Statements*

*Opinion*

We have audited the accompanying financial statements of Pet Passages Franchising, Inc. (a New York S corporation), which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income and retained earnings and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pet Passages Franchising, Inc. as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

*Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pet Passages Franchising, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pet Passages Franchising, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pet Passages Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pet Passages Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule on page 11 is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PET PASSAGES FRANCHISING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 1 - Organization**

Pet Passages Franchising, Inc. (the Company) offers franchises for the operation of businesses providing pet cremation and memorialization products and services at wholesale and retail to veterinarians, pet hospitals, humane societies and other businesses, and to individual families mourning the loss of their pets. The Company was incorporated in New York in 2011.

**Note 2 - Summary of Significant Accounting Policies**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, nonrefundable fee and continuing royalty fees based upon a percentage of sales. General and administrative costs are charged to expense as incurred.

Effective January 1, 2019, the Company has adopted FASB Accounting Standards Codification 606, Revenue from Contracts with Customers. When an individual franchise is sold, the Company agrees to provide certain services to the franchisee, including site selection and training. The Company has elected to recognize the preopening services as a single performance obligation under ASU 2021-02. There is no cumulative effect on retained earnings as a result of this election. The Company recognizes franchise fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon opening of a store. At December 31, 2022, the Company had fulfilled all of its contract obligations related to franchises sold during the year; therefore, there was no allocation to deferred revenue. Franchise royalty fees are based on a defined percentage of gross sales of the franchisee and are recognized at a point in time when services are rendered.

	<u>2024</u>	<u>2023</u>
Franchise sales	\$ 106,719	\$ 77,275
Franchise royalty fees	201,978	<u>127,304</u>

To the Stockholder  
Pet Passages Franchising, Inc.  
Ontario, NY

*Report on the Audit of the Financial Statements*

*Opinion*

We have audited the accompanying financial statements of Pet Passages Franchising, Inc. (a New York S corporation), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and retained earnings and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pet Passages Franchising, Inc. as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

*Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pet Passages Franchising, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pet Passages Franchising, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pet Passages Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pet Passages Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DECEMBER 31, 2023 AND 2022

**Note 1 - Organization**

Pet Passages Franchising, Inc. (the Company) offers franchises for the operation of businesses providing pet cremation and memorialization products and services at wholesale and retail to veterinarians, pet hospitals, humane societies and other businesses, and also to individual families mourning the loss of their pets. The Company was incorporated in New York in 2011.

**Note 2 - Summary of Significant Accounting Policies**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, nonrefundable fee and continuing royalty fees based upon a percentage of sales. General and administrative costs are charged to expense as incurred.

Effective January 1, 2019, the Company has adopted FASB Accounting Standards Codification 606, Revenue from Contracts with Customers. When an individual franchise is sold, the Company agrees to provide certain services to the franchisee, including site selection and training. The Company has elected to recognize the preopening services as a single performance obligation under ASU 2021-02. There is no cumulative effect on retained earnings as a result of this election. The Company recognizes franchise fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon opening of a store. At December 31, 2022, the Company had fulfilled all of its contract obligations related to franchises sold during the year; therefore, there was no allocation to deferred revenue. Franchise royalty fees are based on a defined percentage of gross sales of the franchisee and are recognized at a point in time when services are rendered.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pet Passages Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.

PET PASSAGES FRANCHISING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**Note 1 - Organization**

Pet Passages Franchising, Inc. (the Company) offers franchises for the operation of businesses providing pet cremation and memorialization products and services at wholesale and retail to veterinarians, pet hospitals, humane societies and other businesses, and also to individual families mourning the loss of their pets. The Company was incorporated in New York in 2015.

**Note 2 - Summary of Significant Accounting Policies**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, nonrefundable fee and continuing royalty fees based upon a percentage of sales. General and administrative costs are charged to expense as incurred.

Effective January 1, 2019, the Company has adopted FASB Accounting Standards Codification 606, Revenue from Contracts with Customers. When an individual franchise is sold, the Company agrees to provide certain services to the franchisee, including site selection and training. The Company has elected to recognize the preopening services as a single performance obligation under ASU 2021-02. There is no cumulative effect on retained earnings as a result of this election. The Company recognizes franchise fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon opening of a store. At December 31, 2022, the Company had fulfilled all of its contract obligations related to franchises sold during the year; therefore, there was no allocation to deferred revenue. Franchise royalty fees are based on a defined percentage of gross sales of the franchisee and are recognized at a point in time when services are rendered.

Franchise sales	\$ -
Franchise royalty fees	<u>117,049</u>
Total	\$ 117,049

The Company grants credit to franchisees under signed franchise agreements. Allowance for doubtful accounts, if any, are provided based on the review of outstanding receivables, historical experience and economic conditions. Uncollectible accounts, if any, are expensed in the period such amounts are determined.

The Company's financial instruments include cash and related party receivables. The Company's value of these financial instruments approximates fair value due to their short-term nature.

PET PASSAGES FRANCHISING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**Note 2 - Summary of Significant Accounting Policies - continued**

The Company maintains its demand deposits in commercial banks with Federal Deposit Insurance Corporation limits.

Property and equipment are stated at cost. Depreciation is provided using the straight-line method over the estimated useful life of the asset. Leasehold improvements have a useful life of fifteen years. When property and equipment are retired or disposed of, the asset and accumulated depreciation are removed from the accounts and the resulting gain or loss is reflected in income.

Intangible assets are stated at cost. Amortization is provided using the straight-line method over fifteen years.

Income taxes are provided based on current enacted and applicable income tax rates. Current and deferred income taxes are calculated based on an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

The Company has adopted accounting standards relating to accounting for uncertain tax positions. The standard prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various matters such as de-recognition, interest, penalties and disclosures required. The Company does not have any entity-level, uncertain tax positions. The Company files income tax returns in federal and New York state jurisdictions

**Note 3 - Property and Equipment**

Property and equipment consists of the following:	<u>2022</u>
Leasehold Improvements	\$ 2,500
Less: Accumulated Depreciation	<u>(1,634)</u>
	<u>\$ 866</u>

Depreciation expense for the year ended December 31, 2022, was \$1,634, which is included in "general and administrative expenses" on the statement of income and retained earnings.

PET PASSAGES FRANCHISING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**Note 4 - Intangible Assets**

	<u>2022</u>
Intangible assets consists of the following:	
Start-up costs	\$ 22,006
Less: Accumulated Depreciation	<u>(8,802)</u>
	<u>\$ 13,204</u>

Amortization expense for the year ended December 31, 2022, was \$1,467, which is included in "general and administrative expenses" on the statement of income and retained earnings.

**Note 5 - Common Stock**

At December 31, 2022, the Company had 200 shares of no par value common stock authorized and 150 shares issued and outstanding.

**Note 6 - Lease Commitments:**

The Company leases its operating facility from MEMI, LLC. The lease stipulates that the lease is from January 1, 2022 through December 31, 2022 and payments are made monthly for \$2,000. Rental expense was \$22,000 for the year ended December 31, 2022.

The company leases its software from Pet Passages, Inc., a company related through common ownership. The lease is from January 1, 2022 through December 31, 2022 and payments are made monthly for \$4,000. Software expense was \$41,500 for the year ended December 31, 2022.

**Note 7 - Provision for Income Taxes**

The Company has elected under the Internal Revenue Code to be treated as an S corporation. In lieu of corporate income taxes, the stockholders of an S corporation are taxed on the proportionate share of the company's taxable income. Under New York regulations, S corporations pay an annual tax based on gross receipts, from \$25 up to a maximum of \$4,500. Income tax provision consists of current tax expense of \$25. Additionally, the Company made a Pass through Entity Tax payment during 2022. The total current income tax expense is \$3,900 for the year ended December 31, 2022.

Due to various timing differences, certain deductions are recognized in different periods for tax reporting than for financial statement purposes. The deferred taxable income and the resulting deferred taxes are not material to these financial statements.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**Note 8- Contingencies and Subsequent Events**

FASB Accounting Standards Codification 842, Leases (ASC 842) requires entities to recognize right-to-use assets and lease liabilities for operating leases on the balance sheet. ASC 842 is effective for years beginning on or after December 15, 2021. The Company is evaluating this new standard and the impact it will have on the financial statements.

The Company has evaluated subsequent events through March 30, 2023, the date which the financial statements were available to be issued.

This provision supersedes any other term of any document executed in connection with the franchise.
