## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

**Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

**Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both you and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**General Financial Condition.** The Franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

**Short Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

**Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

We have no predecessor.

### **Agent for Service of Process**

Our agents for service of process are listed in Exhibit D.

### **Prior Experience**

We were formed in 2022 and have begun selling franchises as of the date of this disclosure document. Our affiliates developed the Dryvebox golf simulator trailer in 2021 and began operating it as a business in 2021. Together with our affiliates, we have been offering the mobile golf simulator experience that you will offer since 2021. This is our first offer of franchises.

### **The Business We Offer**

Your Dryvebox business will consist of a trailer containing the technology and equipment necessary to offer golf simulator experiences to the public (your “Box”), and additional event entertainment assets such as cornhole. You will be required to have access to (own, lease, or rent) a truck capable of towing the Box, although you will have discretion about whether to primarily leave your Box in a single location or to move it more frequently. You will offer golf simulator experiences for customers, subject to our restrictions and approval requirements. You will have the right to offer additional services that we approve, such as offering experiences at events, coaching, club fitting, and memberships. Your customers will primarily be individuals and businesses creating social events using the Box, and new and existing golfers who want to hone their skills using the Box. Some may be people newer to golf who wish to take lessons or improve with the Box and with coaching assistance. You may have customers for optional lines of businesses in this franchise, such as those seeking club fitting, if you offer that service.

The market for golf is highly developed. Your competitors will include golf courses, driving ranges, other mobile golf events organizations, golf-themed practice and party facilities, other golf coaches, and facilities that have indoor golf simulators. The business can have some seasonality depending on your local climate. For example, golfers may prefer to practice or play golf outside on days with good weather, and events using your Box may be less common during periods of uncomfortable weather.

### **Applicable Regulations**

You must follow all laws applicable to motor vehicles in your area including vehicle registration, insurance, rules of the road when driving, and parking regulations. Any person who drives your vehicle must have a valid driver's license. The requirements for driver and vehicle licensing vary depending on your location. We strongly recommend that you consult with an independent advisor. You may need an additional local permit to operate an event or use your Box commercially in some locations, and in some cases you will be required to have specific insurance coverage for that event or location.

If you intend to park the Box at or near your home, you should investigate local regulations and ordinances including homeowner's association rules to be sure that doing so is permissible. You must also comply with all federal, state, and local requirements applicable to all businesses, including workplace safety laws, employment laws, and truth in advertising laws.

**ITEM 3  
LITIGATION**

**ITEM 4  
BANKRUPTCY**

No bankruptcies are required to be disclosed in this Item.

**ITEM 5  
INITIAL FEES**

You must pay us an initial franchise fee in the lump sum of \$34,000.00 when you sign a franchise agreement.

When you execute a purchase agreement for your Box, you must pay to our affiliate Dryvebox, Inc. a \$50,000 deposit to initiate the construction of your Box. The balance is due prior to your pickup of the Box. As of the date this Franchise Disclosure Document was issued, the total cost of the Box ranges from \$100,649 to \$109,773 depending on which options you choose. You will also pay us \$1,800 to procure the branding placed on the Box.

Prior to picking up your Box, you must purchase, from us, an upfit to your Box provided by Boondoctor to add the solar and battery system and functionality for connecting to grid power. This system costs \$25,000.

You may pick up your Box or secure your own shipping, or you may ask us to deliver it to you. If we procure delivery for you, you will pay us, and the amount owed will differ depending on the distance from the trailer manufacturer to the delivery location. We anticipate delivery costs to range between \$500-\$6,500 for deliveries made within the continental US. This charge is based on gas prices as of the date this Disclosure Document was issued, and may increase if gas prices increase.

If you choose to offer an indoor enclosure as part of your business, you must purchase such enclosure through us. You can do so prior to receiving your Box, or at any point during your time as a franchisee. That enclosure costs \$4,021 including shipping.

We offer various equipment that you will need prior to opening for business, such as golf clubs and laptops. You can purchase directly from vendors or through us. If purchasing through us, the total cost varies from \$60 to \$6,836.

Before you open for business, you will pay us \$73 - \$1,144 for software licenses covering the products we make available to you or that you need to operate your business, such as email and user account(s) tied to the Dryvebox Google Workspace domain. The total cost varies based on how long it is between your signing and launch, how many users you add to certain systems, what tier of service / product you wish to purchase for certain systems, and which systems you elect to use. You will also pay us \$1,236 for an initial inventory of certain branded merchandise that you will offer at your business.

You must complete training prior to opening for business. If you come to us, you do not pay us for training. You can elect for us to come to you, and the cost of such training ranges between \$1,500-\$3,000 depending on where you are located, how long we stay with you, what time of year your training occurs, and how much notice we have in preparing for coming to you for training.

In the lead up to launching your business, you will pay us \$1,200 to run a local digital advertising campaign for your launch. The entirety of this amount is spent by us directly on purchasing the advertising (none of the funds are to compensate us for our time or for creating assets or other aspects of the campaign). You can do your own additional launch marketing if you wish.

Finally, you will pay us a lump sum of \$3,000 upon signing the franchise agreement, which will cover the cost of our visit to you to help with your launch and grand opening.

You will receive a standard sized territory comprised of approximately five hundred thousand (500,000) residents, although the actual size of your specific territory will be set based on the household income and golfer density in your territory. Additionally, You will have the option of buying a larger territory than the standard sized territory, for a price of \$10,000 per additional roughly 100,000 residents. This option is only available at the time you sign the franchise agreement.

If you are an existing general manager of one of our Dryvebox businesses and we agree to sell you a franchise, for your first franchise, we will waive your initial franchise fee for the standard size territory. Further, we will not require you to have us come out for the launch and grand opening visit, and if you do not have us visit, you will not need to pay us the \$3,000 fee associated with that visit.

Your initial franchise fees are not refundable under any circumstances. Your Box deposit is also not refundable except for certain situations of manufacturer fault, which will be described in your purchase agreement. If you take possession of the Box from the manufacturer, that fee is also not refundable, although if you do not begin operating the business or if you stop operating the business, we may be willing to repurchase the Box from you at a purchase price set by your franchise agreement, set by law, or that otherwise we find acceptable.

you the required time to cure your default is grounds for termination. Even if you pay these fees, if you breach the franchise agreement multiple times, we may still have the right to terminate your franchise agreement.

<b>TOTAL</b>	<b>\$142,035 - \$385,783</b>			

Note 1: The low end for this category is our standard initial franchise fee for a franchise with a standard territory.

The default size of a franchise territory is approximately 500,000 people. If you are looking to create a larger territory, if we approve, you can purchase additional contiguous territory size in increments of approximately 100,000 residents for \$10,000 per increment. This is discussed in more detail in Item 12.

The high end of the figure in this category thus represents a franchise where we permitted you to purchase a larger territory amounting in total to approximately 1 million people.

We do not finance your initial franchise fee or any other portion of your initial investment.

Note 2: The “Base Box” means the Box without the installation of the additional items of furniture and equipment you will need to add to the Box. Your initial cost to purchase the Base Box will depend on whether you finance through an equipment financing lender or pay for it in a lump sum. We allow people to finance their Box through third parties, but we do not offer financing ourselves.

The current full price for the Base Box ranges from \$100,649 – \$109,773, with variance depending on if you add optional manufacturer-supplied components to your Box.

The purchase agreement for the Box calls for payments of \$50,000 up front and the remainder due at Box pickup / delivery.

Your purchase of the Base Box includes the majority of the hardware and equipment that is permanently attached to the trailer, such as a projector, TVs, lighting, the deck, and turf. But, in order to be used for the business, the Box needs additional equipment and installed items, i.e., the “loose” items and solar and battery system, which are addressed in Note 4 below.

Note 3: We get the default Dryvebox branding placed on your Box, including materials and installation.

Note 4: This includes the grid power access, battery, and solar system for your Box, which currently costs \$25,000 and is paid to us.

Beyond that system, this category includes the “loose” items used in or with the Box, such as clubs, balls, furniture, the computer, decorations, and the generator you will use. If you already have some of the “loose” items and what you have meets our requirements, you will not need to purchase them and you may end up spending less than our expected minimum.

If you purchase our recommended set of “loose” items, your expenses will be at the lower end of our estimates. If you go outside our recommendations and purchase more and higher end golf clubs, more furniture or more expensive furniture, or other items in greater quantity or that are more expensive, then you will spend toward the higher end of the estimate, or could even exceed it, depending on what you choose to buy.

Note 5: You are required to procure a high-quality, new-condition, event-optimized launch monitor and accompanying software system for your business. We must approve the launch monitor you will use. Our recommended launch monitor is Trackman 4, though we will consider additional launch monitors, such as operating with a pair of Foresight GC3 units. You may not use an older launch monitor or one that is not in good visible and functional condition. If you already own a Trackman 4 unit or another launch monitor that we approve, you will not incur this cost. The high end of our estimate assumes you buy a Trackman 4 unit new and in full, at the discounted purchase price we have negotiated with TrackMan. We have also negotiated lease options from TrackMan. You can also purchase a used TrackMan 4 unit from a third party, so long as it is in good working condition.

Note 6: You will be responsible for picking up the Box or arranging for a vendor to deliver the Box to you. Depending on your location, whether you choose to go to the Box and inspect it before shipping, and the vendor you select, the cost for pickup or delivery will vary.

Note 7: You will need a truck capable of towing the Box. Our estimate assumes that you will finance or lease your truck, rather than purchase outright. We do not require truck wrapping, but if you choose to add branding to your truck you must acquire our prior approval of the design and use of our marks. You may not use a truck that is branded with any third-party advertising. The truck must be in good condition with no visible body damage. If you already have a truck meeting our requirements, you will not incur this cost. Our high-end estimate is based on the acquisition of a larger truck than is needed, with mid-range trim/features. If you acquire a luxury vehicle or opt for the highest-end trim/additional features or after-market additions, your cost could exceed our estimate. We do not provide automobile financing.

Note 8: You will need to register both the truck and the Box in your state. Your cost will depend on your state’s fees for license and title registration and taxes for vehicles of these

types, the price of the Box you bought, and whether you bought/leased your truck for this business or already had it.

Note 9: Our estimate of insurance is based on either quarterly or annual payments for all business and vehicle insurance we require, including coverage of no more than two drivers. Your cost can vary based on the driving record of the drivers you insure and your location. You will need to maintain business insurance in amounts we specify, and worker's compensation insurance in the amount required by your local area. Your rates are likely to vary based on your local area.

Note 10: You can, but are not required to, offer additional services that use different equipment as part of your "menu" for clients. For example, you can use a pop-up enclosure to offer indoor events where the Box is not viable, or you can offer a foldout putting game as a standalone offering or as an add-on to events. If you are offering those additional services, you must be trained and certified to offer them, and you must use approved equipment. The low end of this estimate assumes you do not buy any of this optional equipment. The enclosure, with required accessories, currently costs \$5,037. You must purchase the enclosure through us and the accessories through third parties. The putting game and its accessories currently costs \$3,422 and you purchase all components through third parties. The high end of our estimate for this category assumes you purchase an indoor enclosure and the putting game and their required accessories, but that you run the indoor enclosure with your current computer and launch monitor, i.e., you do not purchase an additional laptop or launch monitor to run the indoor enclosure. If you wish to have an additional laptop and launch monitor in order to be able to run both a Box event and indoor event simultaneously, or to purchase more than one enclosure or other supporting equipment, your expenses will exceed our estimate here.

Note 11: You will need a secure location to park the Box. If you are not offering services at that location, the space needs to fit only the closed size of the trailer (32' L, 8.5' W, 13.5' H). If you will have customers come to you, the space will need to account for the expanded profile of the Box (43' L, 22' W, 13.5' H). You can use your home, if otherwise compliant with local law and any applicable property, neighborhood, homeowners association, or community rules. The location will need to have access to non-GFCI (exterior outlet) power. To the extent you will allow customers at the location, you will also need to consider a number of other factors we will discuss with you in training, such as safety, access to restroom facilities, location, ambiance, access hours, parking, accessibility, and more.

Note 12: This estimate covers your expenditures surrounding your pre-launch build and launch events, including advertising (digital and print), driving to and performing Box demonstrations (before launch, at launch, and occasionally in the three months after launch), launch event expenses such as prizes or food, and having any paid staffing to support the launch events. This includes \$1200 you will pay to us for running a digital launch advertising campaign for you.

With regards to fuel costs, we have used \$4.75 per gallon in our estimate. If your gasoline costs exceed that, your costs may be higher.

This estimate does not account for fuel costs you will incur in the furtherance of booked business that you travel to in your first three months, as those costs are operational and should be covered by your pricing of the events you are serving.

For the same reason, this estimate does not account for staff costs you will incur in the furtherance of paid business that you conduct in your first three months. The staff cost included in this estimate accounts only for our expected range of free demonstrations and launch events where you would need to have and pay for additional staff. If you are not working the Box yourself at all, your staff costs will be higher. We estimate that, when they first open for business, a typical franchisee will either work the business themselves, or use a single employee with minimal part-time additional employee support. Your costs will depend on whether and when you hire anyone. If you hire a full-time employee, or if you pay yourself a wage as an owner operator, it is possible that your costs will exceed our estimate.

Note 13: This estimate includes your costs for an initial inventory of branded merchandise that you will have available for sale or giveaways, including hats and t-shirts.

Note 14: This estimate includes your cost to register your business and obtain local permits.

Note 15: This estimate includes your costs for the Box's internet subscription.

Note 16: You must procure certain software services through us, including email, file storage, calendar, internal communications, automations, CRM, marketing, maintenance, and operations tools. We pass the fees for these services through at cost to you and do not upcharge them. Most of these services are on a per-seat basis, although some are via an enterprise license, which we prorate and pass through monthly based on the number of users systemwide (including our own users). Current vendors for these services include Google, Slack (internal communications), Zapier (automations and integrations), and HubSpot (CRM), though the vendor list is subject to change at our discretion. This estimate assumes you will need between 1 and 3 user accounts for each of those services. If you require additional users to operate your business, your costs will exceed our estimate.

Note 17: You need various other additional software and licenses to operate your business, for accounting, music, marketing, sales, and IT, all of which are outlined in our operations manual. This estimate assumes between 1 and 3 users, and generally the standard-feature plans. If you need additional users, or procure higher-end plans, it is possible that your costs will exceed our estimate.

Note 18: You will need to maintain your truck and Box in good condition, both visible and functional. This estimate assumes typical cleaning and maintenance in the time from receiving your Box through the first three months of operation.

Note 19: Your initial franchise fee covers the cost of our providing initial training to you and one other person. However, unless you live in the San Francisco, California area, you will incur costs to travel to our training and stay in the area, and all other costs of meals, transportation and other expenses during your stay for the training program. If you bring

a trainee who is on your staff, you will incur costs to pay wages while they attend training, plus their travel, lodging, and other associated costs.

Note 20: Our estimate for professional expenses is for hiring an attorney, accountant or other professionals and for forming your business entity. For example, you may retain an attorney to review this FDD, to help you set up a legal entity to own your business, and to help you understand employment laws, and you may hire a bookkeeper or accountant to help you with financial aspects of running your business.

Note 21: Our estimate for additional funds includes funds for additional marketing, employee wages not tied to launch events and demonstrations, fuel not tied to launch events and demonstrations, unexpected maintenance and repairs, and other unknown operational expenses you may incur in running the business. If you hire more than one full-time person during the first three months, your additional payroll costs could exceed our estimate. This estimate does not include expenses from any of the other categories described above. This estimate is based on our parent company's experiences operating a similar business over the last 18 months.

## **ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

### **Required Purchases**

You must purchase the Box from us, built by one of our authorized manufacturers, and bearing our branding. You must also purchase or lease a truck, certain operating software and hardware, golf balls, clubs, and other supplies and merchandise that we specify under specifications in the operating manual. These specifications include standards for performance, design, appearance, and capacity. Our specifications have been developed based on our, our franchisees', and our affiliates' experience and may be modified periodically by notice to you.

### **Required and Approved Suppliers**

You must purchase through us an upgrade provided by Boondoctor to add the solar and battery system and functionality from us for connecting to grid power. We are also the seller of the Box, but the Box will be built by our authorized manufacturer, and that manufacturer is solely responsible for any warranty, performance or other claims. We have no liability to you for any malfunction, repairs, or replacement of the Box, the Boondoctor upgrade items, or any other equipment or supplies.

You must also purchase from approved suppliers the launch monitor unit, furniture, lawn games, golf balls, and various other items needed to outfit your Box from our approved suppliers. We will provide you with a list of our approved suppliers.

If you offer the indoor pop-up enclosure as part of your business, you must purchase the enclosure through us.

We require you to use software and hardware from specific suppliers. We have the right to change these suppliers and to require you to license software or purchase hardware from other suppliers in the future.

### **Approval of Alternate Suppliers**

From time to time, we may approve other suppliers whose products meet our standards and requirements. If you would like to purchase from an alternate supplier, you must make a written request that we review that supplier's products and determine whether or not to approve them as a vendor. We may require you to purchase, at your own expense, an example of the proposed vendor's product for us to review. Our approval of other suppliers depends on many factors, including the proposed supplier's business reputation, delivery performance, product quality, production capability, financial status and credit rating, and warranty, if any. We may charge a fee to evaluate the product. We will give you notice of approval or disapproval within thirty (30) days of receipt of your written request. Approval may be revoked in our sole discretion by providing written notice to you.

### **Revenue from Franchisee Purchases**

In 2024, our affiliate received \$1,710,063.47 in revenue from franchisee purchases.

### **Cooperatives**

We do not have any purchasing or distribution cooperatives.

### **Negotiated Prices**

We have negotiated discounted price arrangements with TrackMan, the Box manufacturer, the grid connection, solar, and battery upfitter, the indoor enclosure vendor, and club manufacturers. As our business grows, we may negotiate additional discounted pricing structures.

Franchisees do not receive any material benefit or inducement from the Franchisor or its Affiliate for using designated or approved suppliers.

### **Required Purchases in Relation to All Purchases**

Our detailed specifications and standards for purchasing are in our Operations Manual, as modified periodically. This includes specifications, recommendations, requirements, and limitations on your truck, the Box from which you will operate your business, your attire, and related equipment necessary for you to operate your business. These purchases will comprise almost 100% of your expenditures to establish the business other than what you spend on payroll, rent, utilities, taxes, licensing and permitting, and miscellaneous professional services. On an ongoing basis, you should estimate that at least seventy-five percent (85%) of your purchases will be subject to some requirement in our Operations Manual.

These estimates are based on our experience operating our own business and a study of the expenses you will incur.

### **Insurance Requirement**

You must maintain: a commercial general liability policy with a \$1,000,000 per occurrence and \$3,000,000 aggregate limit; automobile liability for scheduled vehicles with a \$1,000,000 combined single limit and no deductible exceeding \$2,500; and special form property insurance on all personal property, furniture, fixtures, and equipment used in the business, together with all other insurance required by law in your area. You must name us and our related parties as additional insureds.

## **ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

**Except as listed below, Dryvebox Franchising, LLC is not required to provide you with any assistance.**

### **Pre-Opening Assistance**

Before you open the business, we will:

1. Identify your protected territory.
2. If applicable, review and approve your proposed "Home Base" location. A Home Base is the location where clients can come to the Box instead of you traveling to their location. If you want to have a Home Base location, you must submit the proposed location to us for our review and approval. We weigh the following factors when reviewing your proposed location: safety, ease of access, proximity to target market, visibility, compliance, restroom access, cost, the appearance and maintenance of the surrounding area, foot traffic, availability of parking, the nature of surrounding businesses, and any structural impediments or challenges such as limitations in access to power or internet or restrictions on noise or hours of operation. If you wish to have a Home Base location, you must get our approval at least 3 weeks prior to offering services there. We will provide you with guidance on what to submit to us in order for us to review your proposed home base. We will review and respond to your proposal promptly, and in no case longer than 14 days. If you fail to do ask for our approval, or if you and we cannot agree on an acceptable Home Base location, then you cannot offer services of people coming to the Box, but you can continue to offer the services of you traveling with the Box to clients. (Franchise Agreement – Section 2.1(b)(i); 5.1(a)).

2. Get Dryvebox branding installed on your Box. (Franchise Agreement – Section 3.2(c); 6.1(b)).

3. Guide you in the process of outfitting your Box. We will provide you a written summary of the items you must purchase, instruction on what to put where and how to connect everything, and if you need it when we visit for your launch, direct assistance. Other than getting Dryvebox branding installed on the Box, we do not purchase, deliver or install any of your furniture, fixtures, or vehicle, or accept delivery of or set up these items on your behalf. (Franchise Agreement - Section 6.1(b)).

4. Provide you with access to software necessary to operate your business. (Franchise Agreement – Section 3.3).

5. Provide training for you (and another staff member, if applicable) in how to operate a Dryvebox business. (Franchise Agreement - Sections 3.4; 5.3(f); 6.1(c)).

6. Loan you the Operations Manual. (Franchise Agreement – Section 6.1(d)).

7. Upon you passing the training certifications, add your business to the Dryvebox website, with information about your business’s contact information and services. (Franchise Agreement – Sections 6.1(f)).

8. Visit your business for your grand opening and create a launch video for you to use in local advertising. (Franchise Agreement – Section 3.4).

We do not however, provide assistance in conforming your Home Base (if applicable) to local ordinances and building codes, nor do we provide assistance in obtaining any required permits, and/or construction, remodeling, or decorating your location. We do not offer any assistance in hiring or training your employees.

### **Post-Opening Assistance**

During the operation of the business within the term of the Agreement, we will:

1. Give you any advice and written materials we may develop on the techniques of managing and operating Dryvebox Franchises. (Franchise Agreement, Section VI.G.)

2. Provide pricing methods/guidance from time to time for products and services to be sold at Dryvebox Franchises, and we may establish minimum, maximum or other pricing requirements. (Franchise Agreement – Section 6.2(b)).

3. Maintain the company website, which will include information regarding how to contact your location. (Franchise Agreement - Section 6.1(f)).

4. Manage the advertising fund and engage in marketing for the benefit of the brand. (Franchise Agreement – Sections 4.3).

5. Review and approve or disapprove your proposed advertising and promotional plans and materials. (Franchise Agreement – Section 6.2(e)).

6. In our discretion, hold a franchisee conference no more frequently than annually. (Franchise Agreement – Section 3.5(j)).

7. In our discretion, provide periodic all franchisee calls or virtual meetings to provide you with updates and information and to field your questions. We reserve the right to make it mandatory for you or your staff to attend these calls or meetings, which will be held at no cost to you. (Franchise Agreement – Section 4.2(c)).

8. In our discretion, provide refresher training courses as we determine necessary (Franchise Agreement, Section 4.7(d)).

9. Conduct Major Event reviews and provide recommendations regarding the structure and operation of proposed Major Events. (Franchise Agreement - Section 4.5).

10. If we book Drive-up Events or Major Events in your territory, offer you the opportunity to participate in those, at a rate of \$2,500 per active day or \$250 per hour of event (using your Box and 2 staff members) for doing so. (Franchise Agreement – Section 2.1(c)(ii)).

### **Time to Open**

We estimate that it will take an average of five months for you to open for business after signing your Franchise Agreement. You must open for business within 12 months of signing the Franchise Agreement or we have the right to terminate your rights. We will not give you a refund, although if we repurchase your Box, we will pay you for it according to the calculation set forth in our Franchise Agreement, or as required by law. The factors that may affect the time period between signing the Franchise Agreement, paying the franchise fee, and opening the business include local permitting, training dates, schedules, whether you choose to have a Home Base, and if so whether the Home Base requires buildout or remodeling.

### **Advertising**

We will run advertising for the brand through the Brand Advertising Fund. Specifically, we provide the following services and support:

1. We design and maintain the Dryvebox website; and
2. We may use the Brand Advertising Fund for digital marketing, search engine optimization, maintenance and improvement of the website, development of marketing materials that can be used by all franchisees, branding consultants, advertising, promotion, and marketing efforts and associated administrative expenses for the Dryvebox system within the United States. Our use of the Brand Advertising Fund may be local, regional or national advertising, including public relations and marketing programs for the Dryvebox brand. The primary intention of this advertising is to maximize public

recognition of the Dryvebox brand and the we are not required to spend any amount of the Brand Advertising Fund in any franchisee territory, but may if we choose at our discretion.

We need not spend all amounts we collect for this advertising in the same year collected. If the amount collected exceeds what is needed to pay for currently-planned advertising and marketing, we may accrue the excess amounts for use in future years. We will provide you with an unaudited accounting of how we used payments in the last fiscal year upon your request. We do not use your advertising payments in any advertising that is principally to solicit prospective franchisees. You will not receive a refund of any advertising fees paid on termination, nonrenewal or expiration of your franchise. We are not required to segregate these payments from other funds we hold or to audit what we collect and spend.

We administer the Brand Advertising Fund and have exclusive discretion over its expenditures. The Brand Advertising Fund is not audited, but we make a statement of our use of the Brand Advertising Fund available annually to franchisees. We do not use the Brand Advertising Fund to sell additional franchises.

You are required to spend on local advertising. We may later collect the required local marketing contributions and manage that marketing for you. For your local advertising, you must notify us of the advertising you wish to do and either obtain our prior written approval of your specific advertising initiative, or use our approved vendors. We have the right to require you to reimburse us for our actual costs of placing advertising for you, through our approved vendors, and to charge you a fee for such service if we offer to provide it to you. You are not permitted to establish and maintain your own website for the Franchised Business.

We run advertising that generates leads in local markets. We will offer you the ability to participate in the service that runs that advertising, but you do not have to participate. There are different pricing options of participating. In one version, you can pay a monthly fee to receive all leads in your territory. In the other version, you do not pay for leads, but you pay us a referral fee for any leads that convert into booked business. You do not have to participate in this service and you are not charged by us for any leads you generate directly from your local advertising. If you opt into receiving local leads from us, the amounts you spend count toward your required local advertising spend.

We do not have the contractual right to require you to join advertising cooperatives, or to change, dissolve or merge any advertising cooperatives.

We do not currently have an "Advertising Council."

We collect the Brand Advertising Fund contributions at the same rate from all Dryvebox franchises. In 2023, we collected \$300 from franchisees for the Brand Advertising Fund, and we rolled all of that over to spend in 2024.

## **Computer Requirements**

We require you to have a computer to run the TrackMan software and other software you'll need to run the business. We provide you the specification of the system you need to procure, and instructions on how to install the computer and mouse, monitor, and keyboard, into the Box. The price of computers varies, but currently, we anticipate the cost to purchase a computer and peripherals sufficient for your needs will be approximately \$1,400. We reserve the right to change or require additional software if we deem it necessary and appropriate.

We also require you to have a credit card processing system that will work with your mobile device. We will provide you the specification of the system you need to procure, which at this time runs on an iPad (or phone). We reserve the right to switch to a different POS provider if we deem it necessary and appropriate.

In addition to the cost of purchasing the Box, your ongoing TrackMan and other software subscriptions will cover the expected costs to use and access critical software and technology.

We reserve the right to develop proprietary computer software or systems or point of sale systems in the future and have the right to require you to use them and enter into appropriate licensing agreements to protect our rights in them. We do not have any contractual obligation during the term of the franchise to update or upgrade any website or computer program we might develop. We cannot at this time estimate the cost to comply with any future requirements it may impose, but we will not impose any requirements on you that are unreasonable for a business like the Franchised Business.

We require you to authorize our independent, online access to data stored in your computer system, including sales, purchasing and customer data. Your failure to do so is grounds for termination. We will have full access online to all data and records of the Franchised Business available through your use of our website, to any communications you make through or receive at the website, and to information that you post at the website, and we are not required to notify you about our reviewing this data and information.

## **Operations Manual and Program Guide**

We will loan you a copy of the operations manual and program guide that contain mandatory and suggested specifications, our Dryvebox system. The operations manual is currently 405 pages long, including appendices. These documents are confidential and remain our property. You will be required to restrict access to them and ensure that your employees do not copy these or disclose their contents, except as authorized. We will modify them from time to time, but the modifications will not alter your status and rights under the Franchise Agreement. The Table of Contents for the operations manual is attached as Exhibit H.

We offer initial training for each franchisee and one additional person. You may bring additional staff you have hired for a daily fee. The training sessions are conducted as needed. You must pay for you and your employees' travel and living expenses, in addition to any wages for your employees who attend. Our training program covers the subjects listed in the table above.

Currently, our training staff includes Adeel Yang (CEO), Matt Gipple (COO), Jake Hutt (Chief Golf Officer), Tim Lin (Head of Strategy), Jake Haselden (Chief of Staff), Juan Hurtado (Operations Manager), and Anthony Thaxton (Operations Manager). Your training staff will be dictated by Franchise location and available trainers. Each of your instructors will have at least one year of personal experience with Dryvebox in the subject area they teach.

We have the option, but not the obligation, to provide an additional refresher training for up to 2 days per year. If we offer this training, you will be required to attend and you must pay for your own travel and lodging, and we have the right to charge a fee at our rate for additional training.

We may also require you to participate in monthly video conferences.

Our training is built on a series of “certifications.” For example, sales to individuals is one certification, sales to businesses is another, and Major Event sales is another. You must complete training and pass the certification for a given topic before you can engage in the conduct covered in that topic. Relatedly, you must meet ongoing standards for each type of certification. Every franchisee is eligible to complete the certifications for everything they are eligible to sell and operate as part of the Franchised Business. But, not everyone will want to go through all the steps or maintain the standards required for certain offerings. If you are not certified to perform a given element, you can hire us to perform it for you at the “Additional Support Fee” described in Item 5.

## **ITEM 12 TERRITORY**

You will receive a protected territory, defined by zip codes, consisting of approximately 500,000 people. This number will be approximate and will be based on recent data available to us regarding population. We will adjust the number of people in the territory lower than 500,000 where the household income or density of golfers is higher in that geographic area than the average in the United States, and we will create a larger territory by population where the opposite is true. If you are being offered one of these smaller or larger territories, we will tell you.

If you want a larger territory than our standard offer, you can purchase additional contiguous territory size in increments of approximately 100,000 residents.

Your business is mobile, and the business involves going to customer locations. We have the right, however, to prohibit you from parking or operating in certain areas we do not approve of for brand protection purposes, for example, political rallies.

In addition to going to the customer, you may, but do not have to, operate your Box at a specific site within your territory where customers can come to you. We call such a location your Box’s home base, and if you choose to have a home base, we must review and approve it prior to you offering services there.

We also have the right to prohibit you from selling or marketing to certain parties that we already have a relationship with, which we call National Accounts. We maintain the client relationship with National Accounts and, unless we give you specific permission, we conduct all sales and booking for them. As provided in the below table, you get the first option to serve (and be paid for) any bookings we tee up for the businesses you are permitted to offer in your protected territory. When we have such an opportunity in your protected territory, we will either offer you the ability to book that client directly, or we will complete the sale and then hire your business at the rates specified below.

This chart summarizes your rights, our rights, and others' rights in your Territory.

In your Territory, what can you and others do with a Box:

If you reject or are unable to work the event, or if the event requires more Boxes than you own, we have the right to bring in other Boxes and staff, including our own Boxes or other franchisees in the Dryvebox system to supplement your Box(es). Same as Drive-up Events.	Same as Drive-up Events.
Sponsorships.	None.	Market, sell, and serve.	None.
<p>Note: There are many businesses other than Sponsorships that Dryvebox has reserved to itself and that you are not allowed to offer. This table includes Sponsorships for clarity, but otherwise only covers the Dryvebox businesses that you are allowed to offer. This table also does not touch on the scope of any party's agreements not to compete with the Dryvebox business. Those items are addressed in the Franchise Agreement and this FDD.</p>			

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The above chart and this Item 12 describe what we, you, and others can do in your territory and other areas.

Areas specifically reserved to us or granted to another franchisee are a “Restricted Territory.” You cannot market or serve within a Restricted Territory. You are prohibited from going into a Restricted Territory to make a pitch, participate in a trade show, street fair, festival or other sales opportunity, from mailing marketing materials into that area, from directing or targeting online marketing into that area, or otherwise specifically targeting that Restricted Territory with your sales efforts, although marketing efforts to your own territory that happen to reach individuals in the Restricted Territory are permitted. You may accept a customer booking even if that customer lives in a Restricted Territory, provided that you do not travel to a Restricted Territory to provide the service. If a customer books your business for an event in a Restricted Territory, you must pass that event to the holder of the territory within our system. You may not charge a fee for passing an event to someone else in the system and you will not be compensated by us for doing so. Your violation of these rules is a material default and is grounds for us to terminate your franchise.

Any area that is not reserved to us or assigned to another franchisee is unclaimed territory. Within unclaimed territory, on a case-by-case basis, we approve franchisees being able to market, sell, and serve simulator rentals, memberships, coaching services, club fitting services, and Drive-up Events. You are not permitted to market or sell Major Events in unclaimed territory, and you are not permitted to serve Major Events in unclaimed territory unless we invite you to do so. Notably, as we sell or develop more territories, the amount of unclaimed territory will shrink or may be eliminated. You should not count on your ability to access unclaimed territory.

During the initial term, we will not modify the size of your territory without your permission, unless you miss your minimum sales quota. Starting in the 18th month of operation, and every six months thereafter, we will review your gross sales to determine if they have met the minimum sales quota. If you fail to meet the minimum sales quota we have established, we have the right to modify the size of your territory rather than terminating your franchise agreement, if we choose to do so. The minimum sales quota is \$50,000 per trailing 12 months, based on a standard sized territory (accounting for any income or golfer density adjustments to the default of 500,000 people). If you have purchased a larger territory, the minimum sales quota is adjusted up pro rata, based on how much larger of a territory you purchased. For example, if you purchased a territory of an additional 500,000 people, meaning your total territory was 1 million people, the quota is \$100,000. We also have the right to modify your territory at renewal if the demographics of your area have materially changed.

You must obtain our permission to change your Box’s home base. Any such request must be in writing, must specify the proposed site, and must state the reason for the request. We have discretion over whether or not to grant you permission and we will respond within 14 days to any request to change your home base, although our response may include a request

for additional information. If your Box doesn't have a Home Base, meaning it only operates in the function of going to customers (instead of having customers come to the Box), the storage location of the Box must be in your Territory unless we otherwise approve.

You are permitted to use pre-approved social media channels to promote your business. There are no provisions in the Franchise Agreement for compensating you in case an affiliate or any other franchisee or licensee sell any goods or services to customers in your territory.

We reserve the right to lease and sell Dryvebox branded or unbranded mobile golf simulators within your protected territory, to be used only at fixed locations. The leasing or buying party may compete with you by offering the Dryvebox experience at their locations. If you are the person who first introduced us to a non-franchise lead that ends up purchasing or leasing a trailer, we will give you a reverse royalty of 6% of the revenue from that transaction, paid to you within 15 days of when we are paid.

We reserve the right to sell Sponsorships. These may involve branded Boxes or other assets being in your protected territory and being open to the public or used for private occasions.

We reserve the right to lease and sell Dryvebox branded or unbranded mobile golf simulators outside of your protected territory. The lease or purchase agreement will prohibit the leasing or purchasing party from conducting commercial operations in your protected territory unless they pay you \$1,000 per day of such operations. If you are the person who first introduced us to a non-franchise lead that ends up purchasing or leasing a trailer, we will give you a reverse royalty of 6% of the revenue from that transaction, paid to you within 15 days of when we are paid.

We have established two brick and mortar Dryvebox facilities as of the date of this disclosure document and begun offering brick and mortar Dryvebox franchised businesses. If we choose to do so and we want to establish a brick and mortar Dryvebox business inside your territory, we have the right to do so. However, you have a right of first refusal to own and operate that brick and mortar Dryvebox business inside your territory if we decide to put one there, and we will offer you the opportunity to become the franchisee of such a business as long as you are not in default. We will give you written notice and 30 days in which to decide whether you want to own a brick and mortar Dryvebox in your territory before we develop it ourselves or sell it to anyone else. If you do not elect to exercise the option to open the brick and mortar Dryvebox business inside your territory, we can open (ourselves or with others as affiliates or franchisees) additional brick and mortar units without having to re-offer you the ability to participate.

We also reserve to ourselves and any affiliates all marketing and development rights that are not expressly contrary to the territory rights granted to you, including the rights, at any location: (i) to market, sell, and serve Sponsorships, which may involve us conducting business in your Territory with a Box or other assets and the branding of the third party sponsor (ii) to own and operate or franchise any trailers or other competitive businesses at any locations outside of the territory regardless of proximity to the territory; (iii) to own and operate businesses that are not competitive businesses; (iv) to participate in trade

shows, franchise trade shows, and other marketing events to promote or increase awareness of the Dryvebox business model and system both inside and outside your territory; and (v) to own and operate competitive businesses under a different brand name. A "competitive business" is one that offers or sells, either retail or wholesale, any products/services the same as or similar to the products and services we approve.

You can add more Boxes to your Territory. There is no limit on the number of Boxes you can add to your Territory.

You do not have a right of first refusal, right of first offer, or any similar right or interest in any other territories.

Neither we nor our affiliates plan to operate a business under a different trademark that will sell similar goods or services to those offered under the Dryvebox marks.

### **ITEM 13 TRADEMARKS**

We grant you the right to operate a franchise under the name "Dryvebox" using our trademarks. You may also use our other current or future trademarks to operate your franchise, provided that we include them in our operations manual as marks approved for your use.

Our affiliate owns these trademarks registered on the Principal Register of the United States Patent and Trademark Office (the "Marks").

<b>Trademark</b>	<b>Application Date</b>	<b>Registration Date</b>	<b>Serial Number</b>	<b>Registration Number</b>

DRYVEBOX	Dec. 25, 2020	Nov. 8, 2022	90412470	6896178

The Marks are owned by our affiliate Dryvebox, Inc., and licensed to us pursuant to an agreement dated April 3, 2023 that permits us to license you the necessary rights to use them. That agreement is perpetual and can only be terminated for our material misuse of the Marks. All required affidavits related to these registrations have been filed.

At this time, there are no pending infringement, opposition or cancellation proceedings or material litigation involving any of the principal marks which are relevant to their use in any state.

There are no currently effective determinations of the United States Patent and Trademark Office, the trademark administrator or any court, pending interference, opposition or cancellation proceeding, or material litigation involving the above registered Marks.

You must notify us if you become aware of any unauthorized use of the Marks or an imitation of the Marks, or if litigation involving the Marks is instituted or threatened against you, and to cooperate fully with the Franchisor in this regard. We have the right to control any litigation concerning the Marks.

We intend to take all steps reasonably necessary to preserve and protect the ownership and validity of the Marks. We will defend and indemnify you in the event of a claim against you for your use of our Marks, provided that you complied with our guidelines about trademark use. We have the right to control any litigation concerning the Marks.

We may at any time, in our sole discretion, modify, substitute or discontinue use of any Mark, and in that case you must comply with these changes at your expense within a reasonable period of time.

We are not aware of any superior prior rights or infringing uses that could materially affect your use of the principal Marks.

We permit you to use our Marks in social media and other marketing, for promoting your franchise and our brand. However, we must approve your content prior to you using it, and your use of our Marks must be positive and enhance the goodwill of our system and the Marks and must comply with all applicable laws and relevant terms of use. We may require you to delete disparaging, negative, or unlawful content connected to our Marks.

In the event of any trademark or unfair competition lawsuits brought against you arising from use of the licensed marks, provided that your use of the marks is consistent with our guidelines and restrictions, we may, but are not required to, defend and indemnify you. Alternatively, we may direct you to change your use of the mark in question to one or more marks of our choosing.

We may from time to time modify the Marks, develop new trademarks, or discontinue certain trademarks. You at your own expense must comply with any changes in the trademarks which we implement.

You must not directly or indirectly contest our right to our trademarks, trade secrets, or business techniques that are part of our business. You are not permitted to use our trademarks in social media or on the internet, including registering a domain name including our trademarks, without our prior permission.

#### **ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

Our affiliate Yang & Cohen Enterprises, Inc. has received patent protection from the United States Patent & Trademark Office on certain functional elements of the Box, and potential uses of the Box, as follows:

<b>Type of Patent</b>	<b>Patent Title</b>	<b>Issuance Date</b>	<b>Registration Number / Status</b>
Utility	User configurable trailer	November 26, 2024	12,151,753 / Issued
Utility	User configurable trailer	November 12, 2024	12,139,223 / Issued

Utility	User configurable trailer	October 17, 2023	11,797,488 / Issued
Utility	User configurable trailer	January 24, 2023	11,560,193 / Issued
Utility	User configurable trailer	September 28, 2021	11,130,535 / Issued
Utility	User configurable trailer	September 21, 2021	11,124,253 / Issued

The 11,124,253, 11,560,193, 11,787,488, 12,139,223, and 12,151,753 patents cover aspects of the Box that you will use, and the 11,130,535 patent covers aspects of the Box that you may use, depending on your use case and any future development we provide in Box software. For example, the first claim for Patent No. 11,560,193 reads:

A configurable trailer for practicing golf, the configurable trailer comprising:

a trailer body, the trailer body comprising a first and second moveable slideout, wherein the first and second moveable slideouts may be positioned in a transit state where the slideouts are set in a retracted closed position, and wherein the slideouts may be positioned in an in-use state where the slideouts are set in an extended position;

wherein the trailer body includes a first impact screen affixed to an interior of the trailer body, and

wherein the trailer body includes a striking zone on the floor of the trailer body where a person may practice hitting balls with a golf club at the first impact screen while the slideouts are in the extended position;

a projection system for projecting imagery of areas of a golf course onto the first impact screen;

one or more sensors placed about the interior of the trailer body, the one or more sensors capable of obtaining data about a golf ball that was physically struck from the striking zone; and

a system for graphically simulating the ball that was physically struck from the striking zone being shown as continuing into the projected imagery.

Although the Box is covered by these patents, these patents do not prohibit a competitor from putting a golf simulator into a trailer.

Our affiliate's rights in these patents are not materially limited by any agreement or known infringing use. However, in a patent infringement action filed by our affiliate Dryvebox, Inc. on February 6, 2025 in the Eastern District of North Carolina, Dryvebox, Inc. v. Mobile

Mulligans, LLC, Case No. 5:25-cv-00058-D, the defendant has asserted a claim for patent invalidation. In this action, Dryvebox, Inc. seeks injunctive relief and damages for alleged infringement by Mobile Mulligans, LLC of US Patent No. 12,139,223. Mobile Mulligans, LLC has answered the complaint and filed counterclaims for declaratory judgment of non-infringement and invalidity of the '223 Patent. This matter is at a preliminary stage and discovery has yet to begin.

You must tell us immediately if you learn about an infringement or challenge to these patents. We will take action that we think is appropriate. You must also agree not to contest our interest in these or our other trade secrets.

You can use the proprietary information in the Operations Manual. As of the date of this disclosure document, our materials are not registered with the Copyright Office.

The materials in our training information, Operations Manual, and other internal documentation we provide to you are proprietary to us and you and your employees will be required to not disclose or improperly use certain information that we designate as confidential and not to use it if you leave the Dryvebox system for any reason.

In the event of a claim by a third party that you are infringing on their intellectual property rights by using our materials or processes covered by our technology or proprietary materials, we are not obligated to defend your use of these items or processes, but we will reimburse you for damages and reasonable costs incurred in litigation about them if you have used them only as we have directed, without modification. We will have the right to require you to immediately cease using them or to modify your use of them at your own cost.

We require you to play music from approved playlists at your Box. You will need to ensure that you are using the appropriate type of streaming account to permit you to do this without infringing on third parties' copyrights in the music.

**OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE**  
**FRANCHISE BUSINESS**

On an ongoing basis, you, or a manager you choose who has completed initial training, must participate personally in the direct operation of the franchise by engaging in oversight of the franchise's operations and finances. managing staff, hiring, and operational decisions. In addition, for the first 6 months, we require that you or such manager directly operate the business, including at least 4 hours per month of sales activities, attending any Major Events you serve, attending at least one Drive-Up event per month, and personally handling the onboarding of at least 25% of new members if you offer memberships.

You or your named manager are responsible for ensuring that qualified and trained personnel are present at all times and that all employees have been adequately trained. If the franchisee is a company or business entity, at least one of its shareholders or members must attend and pass training, and any manager left in charge of the business must also have attended and passed training.

Our franchise agreement contains a non-competition clause, which restricts your right to own or operate a competing business during the term of the franchise agreement. If the franchisee is anything other than a natural person, all individuals with more than a 10% equity interest in the franchise must agree to this noncompetition term. They must also each execute a personal guaranty (Exhibit I), providing for joint and several liability for each and every obligation created under the Franchise Agreement.

In addition, if you are married, your spouse will be required to sign the Spousal Consent and Waiver (Exhibit J), providing that they understand and agree to waive any community property rights in the franchise.

You are not required to offer Major Events, club fitting, simulator rentals, memberships, or coaching. We have the right to prohibit you from offering or selling other products or services, including products and services that are adjacent to what you offer, such as Sponsorships.

We also require that you offer at least one charitable event at no cost per quarter. You may fulfill this requirement by partnering with a non-profit organization to provide a free event, by providing services at no cost at a park or for low-income people or youth in your community, or in other ways. We will require you to describe to us these “give back” events that you operate.

We require you to operate a drug and alcohol free workplace. Even if alcohol is offered at events you participate in, your staff operating the business may not use any intoxicating substances while on the job.

We have the right to modify the products and services that you must offer and that you may offer from time to time, in our discretion.

We require you to maintain the appearance of your Box and truck, including keeping both clean and free of body damage or material scuffs or scrapes, in order to maintain an appealing brand image.

## **ITEM 18 PUBLIC FIGURES**

We do not use any public figure to promote our franchises.

## **ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We provide information about our Dryvebox units' 2024 earnings for two types of events. Drive-up Event (Private) means hourly Box events where the clients were private individuals or private, non-business groups. Drive-up Event (Corporate) means hourly Box events where the client was a business. In the two tables below, we include data from

franchised units and our company-owned units that had at least 3 months of operating history in 2024.

This disclosure covers all events of these types for the period of the 2024 calendar year. We have excluded events we offered for charitable purposes.

Company Owned Units (11 units had at least 3 months' operating history in 2024)

Event Type	Average	Low	Median	High
Drive-up Event (Private)	\$1,056	\$300	\$900	\$3,250
Drive-up Event (Corporate)	\$1,631	\$375	\$1,200	\$4,500

Franchisee Owned Units (12 units had at least 3 months' operating history in 2024)

Event Type	Average	Low	Median	High

**Some units have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.**

Written substantiation for the financial performance representation will be made available to prospective franchisees on reasonable request.

Other than the above information, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees, partners, affiliates or any affiliate personnel, or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by

contacting Matt Gipple at franchise@dryvebox.com, the Federal Trade Commission, and the appropriate state regulatory agencies.

## **INDEPENDENT AUDITORS' REPORT**

To the Member of  
Dryvebox Franchising, LLC

### **Opinion**

We have audited the accompanying financial statements of Dryvebox Franchising, LLC, which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of operations, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Dryvebox Franchising, LLC as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dryvebox Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dryvebox Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dryvebox Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dryvebox Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**DRYVEBOX FRANCHISING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

---

**1. NATURE OF THE BUSINESS**

Dryvebox Franchising, LLC (the Company), a Delaware limited liability company, was organized on July 26, 2022. Dryvebox, Inc. (the Member) holds 100% of the outstanding membership units of the Company.

The Company was formed to act as franchisor and to hold all rights, title and interest in franchise agreements for Dryvebox, Inc., a golf entertainment company. Franchisees pay the Company an initial franchise fee to acquire the franchise. The Company has various initial and ongoing obligations to franchisees, including initial set up and training. During the term of the franchise agreement, franchisees pay a monthly franchise royalty fee based on a defined percentage of monthly sales. Franchisees also pay monthly fees to the brand advertising fund, which is used for advertising and marketing campaigns to support the brand in the national market. During the year ended December 31, 2024, twenty-one franchise agreements were in place and eighteen franchisees commenced operations. During the year ended December 31, 2023, five franchise agreements were in place and one franchisee commenced operations.

Under the terms of the Company's operating agreement, all profits and losses will be allocated to the Member. Distributions shall be made to the Member at the discretion of the Board.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting –**

The financial statements of the Company are prepared on the accrual basis of accounting.

**Use of Estimates –**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Date of Management's Review –**

Subsequent events have been evaluated by management through April 23, 2025, the date the financial statements were available to be issued.

**Cash and Cash Equivalents –**

The Company considers all highly liquid investments with original maturities of three month or less to be cash equivalents.

**Accounts Receivable –**

Accounts receivable are recorded at the invoiced amount and do not bear interest. Accounts receivable are presented in the balance sheets net of an allowance for expected credit losses. An allowance for expected credit losses is provided for accounts receivable considered to be uncollectible based upon consideration of disaggregated historical collection data, current conditions and reasonable and supportable forecasts regarding future conditions. There was no allowance for credit losses at December 31, 2024 and 2023.

**DRYVEBOX FRANCHISING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Recognition –**

The Company derives the majority of its revenues through initial franchise license fees, franchise royalties, advertising fund revenues, pre-opening revenues and passthrough technology costs (shared services) to franchisees. Revenue is recognized in accordance with Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers* (ASC 606). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

The Company recognizes initial franchise license fees on a straight-line basis over the term of the related franchise agreement. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. As franchise fees are received in cash at or near the beginning of the franchise term, the cash received is initially recorded as deferred franchise fees (contract liability) and recognized as revenue over time.

The Company is entitled to royalties and advertising fund fees based on a percentage of the franchisee's monthly gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized monthly as the franchisee's reported sales occur.

The Company has elected the practical expedient available in Subsection 952-606 that permits private company franchisors to account for pre-opening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. Further, the Company adopted the accounting policy election to recognize pre-opening services as a single performance obligation. Revenue associated with those services are recognized at a point in time once the goods or services are provided.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the month of reported sales by the franchisee, neither of which requires estimation. The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component. The nature of the Company's business does not give rise to any significant variable consideration.

Accounts receivable and contract liabilities were as follows:

	<u>December 31,</u>		<u>January 1,</u>
	<u>2024</u>	<u>2023</u>	<u>2023</u>
Accounts receivable	<u>\$ 36,769</u>	<u>\$ 25,667</u>	<u>\$ -</u>
Contract liabilities	<u>\$ 704,842</u>	<u>\$ 93,164</u>	<u>\$ -</u>

**DRYVEBOX FRANCHISING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Recognition (Continued) –**

The following table disaggregates the Company’s franchise revenues based on the timing of satisfaction of performance obligations for the following:

	Years Ended December 31,	
	2024	2023
Performance obligations satisfied:		
At a point in time	\$ 106,847	\$ 3,036
Over time	139,683	1,748
	<u>\$ 246,530</u>	<u>\$ 4,784</u>

**Agency Liabilities –**

The Company acts as an agent on behalf of franchisees to collect and remit initial deposits for trailer boxes upon signing the franchise agreement. As the Company has no control over the goods or services being transferred to the franchisee, these amounts are recorded as an agency liability in the balance sheets until such funds are remitted to the supplier on behalf of the franchisee.

**Income Taxes –**

The Company is treated as a single member limited liability company (LLC) that is considered a disregarded entity for tax purposes. As such, the Company’s income, losses, and credits are included in the income tax returns of Dryvebox, Inc. As a limited liability company, the member’s liability may be limited to their investment in the Company. The Company regularly reviews and evaluates its tax positions taken in its filed returns and recognizes the benefit from a tax position only if it is more likely than not that the position would be sustained upon audit based solely on the technical merits of the tax position.

The Company is not currently under examination by any taxing jurisdiction. In the event of any future penalties or interest, the Company has elected to record interest and penalties as a component of income tax expense.

**Advertising –**

The Company maintains an advertising fund established to collect and administer funds contributed for use in advertising and promotional programs for franchise units. Advertising fund fees are collected from franchisees based on a percentage of franchisee gross revenues. The Company has determined that it acts as a principal in the collection and administration of the advertising fund and therefore recognizes the revenues and expenses related to the advertising fund on a gross basis.

The Company expenses other advertising costs as incurred. There were no advertising costs for the year ended December 31, 2024. Advertising costs totaled \$1,684 for the year ended December 31, 2023.

**DRYVEBOX FRANCHISING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Reclassifications –**

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements. There were no changes to previously reported net loss or member's equity.

**3. CONCENTRATIONS OF CREDIT RISK**

**Cash –**

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash. The Company maintains its cash in a bank deposit account, which, at times, may exceed federally insured limits. The Company has not experienced any losses in their account. The Company believes it is not exposed to any significant credit risk on cash.

**Accounts Receivable –**

The Company grants credit to its franchisees during the normal course of business. The Company routinely assesses the financial strength of its franchisees, and consequently, believes that its trade accounts receivable credit risk exposure is limited. At December 31, 2024 and 2023, amounts due from one franchisee accounted for 100% of total accounts receivable, respectively.

The Company conducts a major portion of its business with certain franchisees. One franchisee accounted for approximately 11% of franchise revenue for the year ended December 31, 2024. There were no such concentrations for the year ended December 31, 2023.

**4. RELATED PARTY TRANSACTIONS**

The Company makes advances to, and receives advances from, the Member in the normal course of business. These advances typically consist of expenses paid on behalf of the other related party. At December 31, 2024, amounts owed to the Company from the Member totaled \$728,693. There were no amounts due to or owed from the Member at December 31, 2023.

## **INDEPENDENT AUDITORS' REPORT**

To the Member  
Dryvebox Franchising, LLC

### **Opinion**

We have audited the accompanying financial statements of Dryvebox Franchising, LLC, which comprise the balance sheet as of December 31, 2022, and the related statements of operations, changes in member's equity, and cash flows for the period from July 26, 2022 (date of inception) to December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Dryvebox Franchising, LLC as of December 31, 2022, and the results of its operations and its cash flows for the period from July 26, 2022 (date of inception) to December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dryvebox Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dryvebox Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dryvebox Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dryvebox Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**EXHIBITS**

Exhibit 1 -- The Territory

Exhibit 2 -- Guaranty and Assumption of Franchisee's Obligations

Exhibit 3 -- Confidentiality Agreement

THIS AGREEMENT between Dryvebox Franchising, LLC, hereinafter referred to as "Franchisor", and \_\_\_\_\_ hereinafter referred to as "Franchisee", is made on the basis of the following understandings and recitals and in consideration of the following promises, and the parties hereto, intending to be legally bound, agree as follows:

## **ARTICLE 1. RECITALS**

### **1.1 The Dryvebox Business System.**

As the result of the expenditure of time, effort and money in research and development, Franchisor has developed and has the right to license methods, procedures, designs and marketing and advertising standards and formats, which may be modified by Franchisor from time to time (hereinafter referred to as the "Franchisor System" or "System"). The System is used in the operation of a mobile golf simulator business (hereinafter referred to as "Dryvebox Business" or "Business") offering golf coaching; individual golf practice, play, and memberships; and golf events, all in accordance with techniques and specifications furnished by Franchisor, and subject to limitations and restrictions imposed by the Franchisor and this Agreement. Each Business will be part of a network (hereinafter referred to as the "Franchisor Network" or "Network") of Businesses to use the Franchisor System on a mutually cooperative and interrelated basis.

### **1.2 Proprietary Marks.**

Franchisor licenses Businesses under the proprietary service mark Dryvebox and associated logo and such other trademarks, service marks and other commercial symbols owned by Franchisor, as may be modified from time to time, which are used to identify the products and services offered by the Businesses (herein collectively referred to as the "Proprietary Marks").

### **1.3 Operating Standards.**

Franchisee acknowledges reading this Agreement and the Dryvebox Franchise Disclosure Document and understands and accepts the terms, conditions and covenants contained in this Agreement as being reasonable and necessary to maintain Franchisor high standards of service, quality and appearance, as well as the consistency of these standards at all Franchisor Businesses, in order to protect and preserve the goodwill of the Proprietary Marks. Franchisee therefore agrees to operate the franchised Business as an integral part of the Franchisor Network and in accordance with the Franchisor System.

### **1.4 Franchisee Desires a License.**

Franchisee desires to establish a Dryvebox Business under the System, in the general area designated in Exhibit 1, and to use in connection therewith the Franchisor Proprietary Marks and System, and provide the related products and services authorized for the Business, as an integral part of the Franchisor Network, and to derive the benefits of Franchisor reputation, advice, experience, guidance and know-how.

## **1.5 Franchisee Is Not a Competitor.**

Franchisee represents and warrants that, unless otherwise agreed upon in writing between the parties, it is not now an owner, part owner, operator, or employee of any physical golf facility, any party rental business, any business that offers golf simulation services or other mobile golf or golf event, including but not limited to a fitness facility with a competitive golf simulator, driving range, event facility with a golf theme or regular golf events, or golf course (“Competitive Business”). Franchisee further acknowledges and understands that it is a condition of this Agreement that, unless otherwise agreed upon in writing between the parties, during the term of this Agreement Franchisee will not engage in any Competitive Business in any capacity, including investing in such business. The only exception is that Franchisee may hold two percent (2%) or less in ownership of publicly traded shares of a Competitive Business.

## **ARTICLE 2. GRANT OF FRANCHISE**

### **2.1 Grant of Franchise.**

(a) Grant of Franchise. Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor grants to Franchisee the right and license, and Franchisee undertakes the obligation to establish and operate a Dryvebox Business under the System and the Proprietary Marks as Franchisor directs, and to use the Proprietary Marks in connection with the various services to be supplied in the operation of the Business (such operation and all of Franchisee's business and activities in connection therewith are herein referred to as a "Business"), which shall be provided strictly within the area described in Exhibit 1 attached hereto and made a part hereof.

#### **(b) Grant of Territory; Limitations.**

(i) Franchisor will define an area granted to Franchisee (herein referred to as the "Territory") which shall be defined in Exhibit 1 attached hereto. Franchisee shall establish a location where it will park the Dryvebox-branded trailer associated with the Business (“Box”) which must be within the Territory. If Franchisee will offer business services at that location, instead of only offering services by driving the Box to the client, such location must be approved by Franchisor pursuant to Section 5.1.

(ii) The standard area granted by Franchisor is approximately five hundred thousand (500,000) residents, although the actual size of Franchisee’s specific territory will be set based on the household income and golfer density in the territory. At the time of signing this Agreement, Franchisee may request a larger area. If Franchisor agrees to the requested Territory size, Franchisee shall pay the additional fee specified in Section 3.1(b) of this Agreement. Territory sizes are approximate, based on data available to Franchisor. There is no guaranty that your Territory will contain precisely the specified number of people, Franchisor has no obligation to modify your Territory in response to demographic changes over time.

(iii) Franchisee is required to operate one Box within the Territory, but may, in Franchisee’s discretion, add any number of additional Boxes each of which shall be associated with such Territory, subject to the terms and conditions of this Agreement.

(iv) Franchisee shall provide the services associated with the Business within the Territory pursuant to the Manuals as defined in Section 5.3. In addition, Franchisee may be permitted to, but is not required to, operate certain aspects of the Business outside of the Territory in areas that are not reserved to Franchisor or assigned to another franchisee. Franchisee may not market, close sales, or provide services outside of the Territory, unless otherwise invited by Franchisor. For the purposes of this Agreement, “marketing within a territory” means physically traveling to a location within that territory or sending targeted advertising into that territory, including to any person that Franchisee knows or should have known lived or worked within that territory. Franchisor shall communicate newly assigned or reserved territories to Franchisee on a periodic basis, and Franchisee shall be deemed to have notice of any such assigned or reserved territories within two (2) business days after any such communication.

(v) Notwithstanding the provisions of Section 2.1(b)(iv), Franchisor may prohibit Franchisee from operating in any location that, in Franchisor’s reasonable judgment, may harm the goodwill of the Proprietary Marks and the System. Franchisee must at all times comply with all terms in the Manuals that restrict the type of locations or events at which Franchisee may operate. (vi) Franchisee understands and expressly acknowledges that neighboring, unassigned territories will be sold by Franchisor without prior notice to or consent from Franchisee. Franchisee receives no right or interest in or to any territory except the Territory assigned pursuant to this Agreement.

(vi) Franchisor shall establish a name within the System to designate Franchisee’s business that differentiates it geographically from other units in the System. Franchisor may, in its sole discretion, change the designated name of Franchisor’s business during the term of this Agreement in response to the addition of new units in the area, provided that Franchisor will not grant Franchisee’s exact former designated name to a new franchisee except where Franchisee has relocated, sold or transferred its business, or this Agreement has terminated or expired for any reason. For example, Franchisee could be required to change from being referred to as “Dryvebox Kansas City” to “Dryvebox Olathe.” Franchisee shall comply with such change and shall promptly cease using any designated name that is no longer approved by Franchisor.

(c) Franchisor Rights in and around Territory; Franchisee Right of First Refusal; Loss of Rights and Exceptions. Subject to the following exceptions, Franchisor will not, while this Agreement is in effect, operate, nor will Franchisor grant others a license to operate a Dryvebox Business under its System at any location within the area (herein referred to as the "Territory") which shall be defined in Exhibit 1 attached hereto. Notwithstanding the above, Franchisor may itself operate, or grant a license to an affiliate to operate a Dryvebox Business or utilize the Dryvebox brand as set forth below:

(i) Franchisor reserves the right to market and sell both Drive-Up Events and Major Events within the Territory. If such an event is sold by Franchisor and will occur within the Territory, Franchisor will offer Franchisee the first opportunity to operate it, either directly invoicing the client per Franchisor’s instructions on amount, or as a subcontractor of Franchisor. If the event is offered to Franchisee to work as a subcontractor, Franchisor will pay Franchisee a rate of Two Thousand Five Hundred Dollars (\$2,500) per day or \$250 per hour to work the event with Franchisee’s Box and two staff members. Franchisee may accept or decline the opportunity. If Franchisee declines or fails to respond, Franchisor can operate the event with a

Franchisor or other franchisee Box, or allow any other franchisee(s) to work the event. A “Major Event” is a one-off event that is not part of a Sponsorship, that requires a Box or pop-up golf enclosure and either requires third party branding put on the trailer or is more than one day long. Drive-Up events are Box or pop-up enclosure events that are less than one day and do not involve third party branding.

(ii) Franchisor reserves the exclusive right to market, sell, and serve sponsorships (“Sponsorships”), which are not part of the licensed Business. A Sponsorship is an arrangement that involves third party branding on an asset, that asset moving to more than one location, and any one of the following items not being present: the third party paying for or owning each location where the asset is used, the third party paying to use the asset for the duration of the arrangement, the third party paying for labor to operate the asset, and less than 2 days of non-operational time during the term of the arrangement. Sponsorships may involve activities on their own would otherwise be events if not part of a Sponsorship. Franchisor may invite Franchisee to participate in Sponsorships through subcontracting Franchisee’s work or assets.

(iii) Franchisor reserves the right to market, sell, and serve event-planning and execution services that involve more than Box or enclosure location, staffing, and operation (“Agency Services”). For example, custom event-space fabrication, brand consulting, design work, event participant data and video capture, and brand ambassador staffing. Agency Services are not part of the licensed Business. Events that involve Agency Services cannot be marketed or sold by Franchisee. However, for events that involve Agency Services that occur in the Territory, Franchisor will in good faith seek to hire Franchisee and use Franchisee’s assets for the services Franchisee can provide advantageously.

(iv) Franchisor reserves the right to establish a brick and mortar Dryvebox facility within the Territory during the term of this Agreement. In the first instance Franchisor elects to do so, Franchisor shall notify Franchisee of such election and shall offer Franchisee the opportunity to own and operate such brick and mortar Dryvebox facility on the then-current terms by which Franchisor will make such facility available. Franchisee shall have a period not less than thirty (30) days in which to determine whether to agree to own and operate such facility. If Franchisee declines or fails to respond within the permitted period of time, Franchisor shall have the right to open and establish the facility and additional facilities itself or to allow an affiliate to do so, provided that for that initial facility Franchisor may not permit any affiliate to operate on terms more favorable than those offered to Franchisee in writing.

(v) In the event that Franchisee fails to attain the minimum Sales Quota required by Section 5.3(h) of this Agreement, Franchisor may, in lieu of termination, modify Franchisee’s Territory. This modification shall not be construed as a waiver of the right of termination in any subsequent year in which Franchisee fails to meet the Sales Quota.

(vi) Upon the occurrence of any event or events as the result of which Franchisor has the right to terminate this Agreement, as provided in Article 5 below, Franchisor may, whether or not it elects to exercise its right of termination, grant to another franchisee or franchisees the right and license to operate a Dryvebox Business under the System and Proprietary Marks at another location within the Territory, and this action by Franchisor shall not affect any

other rights and obligations hereunder unless and until Franchisor exercises its right of termination as provided in Article 5.

(vii) Franchisor reserves the right to market and sell products under the Dryvebox brand within the Territory granted by this Agreement through alternate distribution channels including but not limited to internet, retail stores including big box stores, catalog or direct mail methods.

(viii) Franchisor reserves the right to sell and lease mobile golf simulators functionally similar to the Box, either branded as Dryvebox or unbranded, outside of the Territory. If Franchisee is the first person to have introduced Franchisor to a party who purchases or leases such a simulator in this context, Franchisor shall pay Franchisee a 6% revenue share, paid to Franchisee within fifteen (15) days of Franchisor being paid, as described in Section 6.5.

(ix) Franchisor reserves the right to acquire, merge with, or otherwise affiliate with, and thereafter own and operate, and franchise or license others to own and operate, any business of any kind or company-owned or franchised system of businesses of any kind, including any business or system that offers products or services the same as or similar to those offered by Franchisee under the System and the Proprietary Marks, and to convert any such acquired business or such acquired system of businesses to operation under the System and the Proprietary Marks, notwithstanding any other provisions hereof.

(x) Outside the Territory, Franchisor reserves unrestricted rights to market, sell, and perform services and sell goods in any channel of distribution, to establish brick and mortar facilities, to establish other franchised businesses, and to promote its businesses.

## **2.2 Further Rights & Privileges.**

Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor further grants to Franchisee the following rights and privileges:

(a) Proprietary Marks. Use of the Proprietary Marks as Franchisor directs, but only in connection with the specific Business described in Section 2.1(a) and only in connection with authorized Business products and related services;

(b) System. Use, in conjunction with the operation of the Business, of the Franchisor System, as it may be developed, changed and improved during the term of this Agreement;

(c) Supply. To purchase or acquire the right to use, from Franchisor or its approved suppliers, all products, supplies, equipment and services offered by Franchisor and required or permitted in the operation of the Business.

## **2.3 Term.**

(a) Term. This Agreement and the appointment of Franchisee hereunder shall commence on the date this Agreement is executed and, unless previously terminated as herein

provided, shall expire on the sixth (6th) anniversary of the date on which this Agreement was executed.

(b) Renewal Option. The term of this Agreement and the appointment hereunder may be extended for three additional terms of six (6) years exercisable by written notice from Franchisee to Franchisor, at least one hundred eighty (180) days prior to the expiration of the initial term; provided that at the end of the initial term:

(i) Franchisee is not at the time of the exercise or at the commencement of the extension term, in default of the performance of any of Franchisee's obligations hereunder; and

(ii) All monetary obligations owed by Franchisee to Franchisor have been fully satisfied prior to the commencement of the extension term; and

(iii) At the option of Franchisor, Franchisee shall execute Franchisor's then-current form of franchise agreement which shall waive any initial franchise fees but which may have material differences from this Agreement including the then-current royalty fees and brand fund contributions; and

(iv) Franchisee shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor, and its affiliates, officers, directors, agents and employees, arising out of or relating to this Agreement; and

(v) Franchisee agrees to bring its Box and all other indicia of the brand including but not limited to uniforms and advertising into compliance with specifications and standards then applicable under new or renewal franchises for Franchisor Businesses;

(vi) Franchisor reviews and approves or modifies the assigned Territory based on then-current demographic information; and

(vii) Franchisee pays Franchisor a renewal fee of the greater of Seventy-Five Hundred Dollars (\$7,500) or twenty-five percent (25%) of Franchisor's then-current initial franchise fee before the expiration of the initial term. The calculation of the then-current initial franchise fee shall be increased as appropriate to include any territory enlargement that Franchisee elected pursuant to Section 2(b).

### **ARTICLE 3. PRE-OPENING FEES**

#### **3.1 Initial Franchise Fee**

(a) Initial Franchise Fee. In consideration of the grant of franchise, and of the rights and privileges relating thereto, hereinabove made, Franchisee shall pay to Franchisor a franchise fee in the amount of Thirty-Four Thousand Dollars (\$34,000) Dollars, payable upon the signing of this Agreement. This fee shall be paid solely for the grant of franchise rights and privileges, shall be fully earned upon execution of this Agreement, and shall be in addition to all other fees, royalties, costs and other expenditures of any kind required of Franchisee under the

terms hereof, or any sums otherwise becoming due from Franchisee for any reason. The franchise fee shall not be refundable under any circumstances.

(b) Territory Enlargement. In the event that Franchisee elects, and Franchisor agrees to provide, a larger territory, Franchisee shall increase the initial franchise fee by an additional Ten Thousand Dollars (\$10,000) for each addition of roughly One Hundred Thousand (100,000) residents, pursuant to the terms of Section 2(b).

### **3.2 Box Purchase.**

(a) Franchisee must purchase the Box containing the golf simulation bay and related technology for the operation of the Business from Franchisor's designated Box supplier ("Box Supplier"). Franchisee shall execute the Box Supplier's purchase agreement. Franchisee understands and acknowledges that Franchisor has no liability for the performance, maintenance, repair or functionality of the Box and that any and all claims regarding the Box must be made to the manufacturer.

(b) Upon execution of this Agreement, Franchisee shall execute the required purchase agreement for the Box and pay Franchisor's affiliate, Dryvebox, Inc., the sum of Fifty Thousand Dollars (\$50,000), which shall be applied toward the purchase of the Box. When the Box is ready for pickup or delivery, Franchisee shall pay the affiliate the remaining balance of the Box cost, plus additional incidentals including fees for delivery of the Box and costs to outfit the Box, as applicable.

(c) Upon execution of this Agreement, Franchisee shall pay to Franchisor the sum of One Thousand Eight Hundred Dollars (\$1,800) and Franchisor shall arrange for required branding of the Box as required by the System.

(d) Franchisee may not lease the Box, nor may Franchisee sell, assign, transfer, or convey the Box to any third party without Franchisor's written permission, except that nothing herein shall prohibit repossession of the Box by a lender for lack of payment by Franchisee on an obligation pursuant to which the Box was financed by Franchisee.

(e) Franchisee may add another Box to the Territory by purchasing an additional Box as set forth in this Section, plus paying an additional fee to Franchisor of Five Thousand Two Hundred Dollars (\$5,200) per additional Box.

### **3.3 Merchandise; Initial Inventory; Software Licenses.**

Upon execution of this Agreement, Franchisee shall pay the sum of One Thousand Two Hundred Thirty-Six Dollars (\$1,236) to Franchisor for an initial inventory of branded merchandise which Franchisee must offer for sale at the Business. In addition, Franchisee shall pay the then-current cost for certain software licenses provided by Franchisor. After opening, Franchisee shall continue to pay as required for such licenses. If Franchisee wishes to operate an indoor enclosure as part of the Business, Franchisee must purchase such enclosure through Dryvebox, and Franchisee can order such enclosure at any point during the Term, including prior to opening. The current cost of such enclosure is Four Thousand Twenty One Dollars (\$4,021).

### **3.4 Launch Marketing Fee.**

Upon signing of this Agreement, Franchisee shall pay the sum of One Thousand Two Hundred Dollars (\$1,200) to Franchisor for Franchisor to run a digital marketing launch campaign in and around the Territory.

### **3.5 Optional Training Fee.**

Franchisee must complete training prior to opening for business. There is an in-person component to the training. If Franchisee comes to Franchisor's training location, there is no charge by Franchisor. Franchisee can elect for Franchisor to conduct training at Franchisee's location, and the cost of such training ranges between \$1,500 and \$3,000 depending on where Franchisee is located, how long Franchisor stays for training, what time of year the training occurs, and how much notice Franchisee has in preparing for coming to Franchisee for training.

### **3.6 Pre-Opening Support Fee.**

Upon signing of this Agreement, Franchisee shall pay the sum of Three Thousand Dollars (\$3,000) to Franchisor for Franchisor's visit to Franchisee's Territory and provision of certain assistance with the launch of Franchisee's Business.

## **ARTICLE 4. RECURRING FEES**

### **4.1 Royalties.**

In further consideration of the grant of franchise and related rights and privileges hereunder, and in consideration of the services to be rendered by Franchisor to Franchisee in support of Franchisee's operations as below provided, Franchisee shall pay to Franchisor throughout the term of this Agreement monthly royalties of six percent (6%) of Gross Sales (as defined in Section 4.2) derived from the Business, payable on or before the second Tuesday of the month for the preceding calendar month's sales.

### **4.2 Gross Sales.**

As used herein the term "Gross Sales" includes the aggregate amount of all charges (defined in accordance with accounting practices and procedures as determined by Franchisor) for goods sold or services rendered to customers in the operation of the Business, regardless of the nature and location of the giving and receiving of orders for, and of the rendition and delivery of, goods and services, and whether or not payment is received, and in cases where payment is made by exchange of other services and goods provided by a customer, calculated on the basis of usual and ordinary charges for the services or goods rendered or supplied by the Franchisee in the exchange, and all other receipts of any kind of Franchisee derived directly or indirectly from the Business, the operation thereof, and activities in connection therewith, including, but not limited to proceeds from business interruption insurance. Provided that such deductions are properly documented according to Franchisor prescribed accounting procedures, "Gross Sales" excludes the amount of all sales, use, and other taxes collected from customers and paid to the appropriate taxing authority.

### **4.3 Advertising, Public Relations and Marketing.**

Recognizing the value of network advertising, public relations and marketing programs, and the importance of the standardization of these programs to promote and further the goodwill and public image of the Franchisor System and Proprietary Marks, Franchisee agrees as follows:

(a) Brand Advertising Fund. Franchisor has established a marketing fund (“Brand Fund”) which is a collective fund used by Franchisor solely for advertising, promotion and marketing in accordance with the provisions of subparagraphs (i) and (ii) below. As long as the Brand Fund is in effect, Franchisee shall make monthly contributions of two percent (2%) of Gross Sales, of the preceding month’s Gross Sales to the collective Brand Fund. Payments to the Brand Fund shall be made on the same schedule as payment of Royalties.

(i) Administration of Brand Fund. Franchisee agrees that Franchisor shall have the right to direct all local, regional and national advertising, public relations and marketing programs for the System; to use in these programs the payments described in subparagraph (a) above; and that Franchisor shall have the sole discretion over the creative concepts, materials and media used and the placement and allocation thereof. Franchisee agrees and acknowledges that one of the primary intentions of the Brand Fund is to maximize public recognition and acceptance of Franchisor Proprietary Marks and that Franchisor undertakes no obligation in administering the Brand Fund to make expenditures for Franchisee's Area which are equivalent or proportionate to Franchisee's contribution, or to ensure that any particular franchisee benefits directly or pro rata from these programs. Franchisor may, without prior notice to Franchisee, delegate some or all of the administration of the Brand Fund to a third party or parties.

(ii) Brand Fund Expenditures. Franchisee agrees that the Brand Fund may be used to meet any and all costs of maintaining, administering, directing and preparing marketing programs, including, without limitation, the cost of preparing and conducting television, radio, magazine, newspaper, internet, direct mail, in-store signage and other types of advertising; website, search engine optimization and digital marketing efforts; public relations activities, including, without limitation, the cost of hiring agencies and Franchisor personnel to engage in public relations work; and employing advertising and public relations agencies and personnel to assist therein; and charitable promotions. Advertising and public relations agencies and personnel may be composed of employees of Franchisor or may be entities owned by or affiliated with Franchisor if use of in-house agencies is deemed best by Franchisor, in which event the methods for determining the value of services rendered by the in-house agency shall be set forth in writing and may be charged to the Brand Fund. No sums paid by Franchisee to the Brand Fund shall be used to defray any of Franchisor general operating expenses, except for reasonable administrative costs and overhead, if any, as Franchisor may incur in activities reasonably related to the administration or direction of the Brand Fund and promotional programs, including, without limitation, conducting marketing research, preparing marketing and advertising materials and collecting and accounting for assessments for the Brand Fund. An accounting of the operation of the Brand Fund shall be prepared annually and made available to Franchisee upon request.

(c) Local Advertising. Franchisor does not represent or warrant that its Brand Fund expenditures will constitute sufficient advertising for Franchisee’s local market. Beginning

the first month Franchisee opens for business, Franchisee shall spend the greater of three percent (3%) of gross sales or Four Hundred Dollars (\$400) on local advertising. Franchisee shall use its own vendors, unless Franchisor designates a required or approved vendor for these expenditures. All such advertising must comply with Franchisor's established brand standards in all instances, and it must be pre-approved by Franchisor in writing. Franchisee shall provide written reports to Franchisor as Franchisor deems necessary, In the event that Franchisee fails to engage in local advertising in compliance with this section, Franchisor has the right to collect the amount Franchisee is obligated to spend on local marketing and to spend that money on advertising and promotion of the brand in Franchisee's region as Franchisor deems appropriate, or retain it and require Franchisee to spend this amount appropriately and request reimbursement.

Franchisor may spend monies for locally-directed advertising in the Territory. Franchisor will offer Franchisee the ability to participate, for a fee, in the service that runs that advertising, but participation is not mandatory. Franchisee is not charged by Franchisor for any business leads Franchisee generates directly from its own local advertising. Amounts paid to Franchisor for the locally-directed advertising count toward the minimum required local advertising spend.

(d) Advertising Standards. Subject to Section 4.3(c) and without waiving or modifying its requirements and limitations, all advertising by Franchisee shall be completely factual and shall conform to the highest standards of ethical advertising. Franchisee agrees to refrain from any business or advertising practice that may be injurious to the Franchisor System or the goodwill associated with the Proprietary Marks. Without limiting the foregoing, Franchisee agrees that all advertising and promotions by Franchisee in any form and in any medium shall be conducted in a dignified manner and shall conform to such standards and requirements as Franchisor may from time to time designate in writing. Franchisor shall have the right, in its discretion, to prohibit the use of artificial intelligence or machine-learning in the generation of any advertising or promotional content by Franchisee. Franchisee shall use Franchisor's required or approved marketing vendor, if one is identified, for such services, and shall comply with all requirements to permit Franchisor to place such advertisements and to reimburse Franchisor for such expenses. Franchisee shall submit to Franchisor, for prior written approval, samples of all advertising and promotional plans and materials, including but not limited to social media posts, videos, photos, testimonials, influencer arrangements or other materials to be used both within the Business and online, that Franchisee desires to use and that have not been prepared or previously approved by Franchisor. If written approval thereof is not received by Franchisee, Franchisor shall be deemed not to have given the required approval. Even if Franchisor has given approval, Franchisor has the right to require discontinuation, deletion or removal of any content that appears to generate or be likely to generate harm to the brand goodwill, in Franchisor's reasonable judgment.

(e) Use of Social Media. During the term of this Agreement, Franchisor permits Franchisee to promote its business through the use of social media. Franchisee must comply with Franchisor policies on use of the Proprietary Marks in social media, which policies may be modified by Franchisor at any time. Franchisee must provide all posts and content that has not already been approved in writing to Franchisor for its prior written approval before posting it. All Franchisee use of social media in connection with the Proprietary Marks shall be subject to Franchisor Advertising Standards as set forth in Section 4.3(d) and in its Manuals and must also

comply with all applicable laws and with the terms of use of any applicable website and/or social media. Such Advertising Standards require not only specifics regarding individual posts, but also consistency of posting and responsiveness on the respective platform. Regardless of Franchisor's prior approval of any content, Franchisee shall promptly delete or remove any content upon Franchisor's written direction to do so.

#### **4.4 Technology Fees.**

If Franchisor implements this fee by giving Franchisee thirty (30) days' prior notice of intention to begin collecting this fee, Franchisee shall pay to Franchisor the greater of Three Hundred Dollars (\$300) or two percent (2%) of gross sales per month, beginning no earlier than the first month Franchisor is open for business. Franchisor shall use the fees collected in its discretion to provide software licenses and access to proprietary and third party software products required or recommended by Franchisor, as well as research and development of new or existing technologies to enhance the goodwill of the brand and to implement and maintain such technologies.

#### **4.5 Coach Approval.**

In the event that Franchisee elects to employ a golf coach who is not PGA certified, Franchisee must obtain Franchisor's prior written approval of the proposed coach. Franchisee must pay the then-current review fee specified by Franchisor for Franchisor's review of the proposed coach's qualifications and experience. This fee is non-refundable even if Franchisee does not hire the coach, or if Franchisor does not approve the coach.

#### **4.6 Other Fees and Payments; Cost Increases.**

(a) Renewal, Transfer, & Relocation. Upon renewal or transfer of this Agreement, or relocation of the Business, Franchisee is obligated to pay Franchisor the fees set forth in this Agreement.

(b) Cost Increases. Items of inventory, equipment, supplies, products, material and services offered by Franchisor to and accepted by Franchisee shall be paid for at the prices currently charged by Franchisor and its affiliates or suppliers at the time of sale with payment for such items to be made by Franchisee in accordance with the terms and policies as specified by Franchisor in its Manuals (as defined in Section 5.3) or otherwise. These payments include payments for the Box, computer systems, equipment, furniture, inventory, or other required elements of the Franchisor system. Franchisor endeavors to keep all such prices and costs low, but has the right to increase costs as necessary based on vendor cost increases, increased levels of service, new technologies, and related market changes.

(c) Replacement Initial Training. Franchisee shall pay initial training fees consisting of Franchisor's then-current per diem charge per trainee for additional trainees beyond the two people Franchisor will train at no cost during Franchisee's initial training prior to opening the Business, or for any trainee requiring remedial or refresher training.

(d) Supplemental Training. In the event that Franchisee requests or Franchisor determines that Franchisee requires additional training, Franchisee shall pay to Franchisor the

then-current per fees for such training, which shall be one hundred eighty-five dollars (\$185) per hour for up to two people being trained, plus actual travel and living expenses assessed by Franchisor if Franchisor must come to Franchisee. Franchisor may charge additional fees for additional trainees.

(e) Temporary Management. In the event that Franchisee requests, or Franchisor in its discretion requires Franchisee to have, temporary management by Franchisor, Franchisee shall pay Franchisor's then-current fees for such assistance.

(f) Additional Support. If Franchisee requests Franchisor to perform services on its behalf, for example because (a) Franchisee has not yet completed training and certification for a given service or (b) Franchisee simply prefers Franchisor to perform the service, then Franchisee shall pay one hundred eighty-five dollars (\$185) per hour. In some cases, rather than charging hourly, Franchisor may provide Franchisee with a general project quote for a package of services.

(g) Customer Resolution Fee. In the event that Franchisor elects to resolve a dispute between Franchisee and a customer of Franchisee's Business due to Franchisee's request for assistance or Franchisee's failure or refusal to resolve the dispute, Franchisee will reimburse Franchisor for Franchisor's actual costs, plus Two Hundred Dollars (\$200).

(h) Convention Fee. Franchisee shall pay a per person fee for Franchisor's franchisee convention, if it is held, no more than once annually. Franchisee shall be solely responsible for all of Franchisee's travel and lodging costs in addition to this fee. In Franchisor's discretion, attendance may be mandatory.

(i) CPI Adjustment. All fees and amounts expressed in dollar amounts in this Agreement are subject to adjustment on January 1st of each year by the amount of any increase in the Consumer Price Index for All Urban Consumers, U.S. City Average, published by the Bureau of Labor Statistics of the United States Department of Labor since the date of this Agreement or the most recent adjustment by Franchisor, whichever is more recent. Such increase shall be calculated as a percentage increase equal to the percentage increase in the Consumer Price Index for the applicable period.

#### **4.7 Reports, Payment Schedule and Manner of Payment.**

Franchisee shall, throughout the term of this Agreement and at Franchisee's expense, submit to Franchisor complete and accurate reports and payments in such form and detail as Franchisor may require, and in the manner that Franchisor may designate, as follows:

(a) Unless otherwise required by Franchisor, on or before the second Tuesday of each calendar month, a report of all Gross Sales of the Business for the preceding month (as defined in Section 3.3), together with payment, without setoff or deduction, of the royalties required by Section 3.3, and all expenses paid by the Business for such month;

(b) On or before April 15<sup>th</sup> of each calendar year, a balance sheet for the preceding calendar year; and

(c) Upon request by Franchisor, such other data, information and supporting records for such periods as Franchisor, from time to time, requires.

(d) Franchisee will make all payments to Franchisor in the manner required by Franchisor, which may include payment by electronic funds transfer from a designated bank account of Franchisee to a designated bank account of Franchisor, or payment by some other electronic debit/credit method. Franchisee agrees to execute any forms or agreements required by banks or financial institutions to authorize transfers, whether initiated by Franchisor or Franchisee. Franchisee is responsible for having sufficient funds on deposit to cover all checks, debits and electronic funds transfers made. All charges imposed by Franchisee's bank or financial institution to process and clear any checks, debits or transfers shall be paid by Franchisee. Franchisee will also reimburse Franchisor for any charges assessed to Franchisor due to Franchisee's account having insufficient funds to cover any check, debit or funds transfer or for any "stop payment" or other refusal to honor or pay a check, debit or funds transfer to Franchisor.

(e) Franchisee will submit all reports required hereunder in the form and using the method designated by Franchisor, which may include transmission electronically over the internet or by way of an intranet through a point of sale or computer system or using other information technology.

#### **4.8 Late Payments; Insufficient Funds.**

(a) Late Payments. Any payment not actually received by Franchisor as required by this Agreement shall be deemed overdue. If any payment is overdue, Franchisee shall pay Franchisor the overdue amount, interest on such amount accrued at the lesser of 12% per annum or the highest rate permitted by law, a late fee of One Hundred Dollars (\$100) per occurrence, plus an additional fee of One Hundred Dollars (\$100) per week until such amount is paid in full. Separately, each incident of insufficient funds reported by your bank shall also incur a One Hundred Dollar (\$100) fee per occurrence.

(b) Non-Compliance Fees. For any material non-compliance with one or more terms of this Agreement, including failure to submit any required reports or financial statements when due, failure to follow Advertising Standards or sales protocols, and actions or failures to act that cause negative impact, Franchisor may, in its sole discretion, assess a fee for non-compliance of the greater of (a) if there is revenue or potential revenue associated with an instance of non-compliance, 1.05 times the amount of revenue earned or that would be at issue, or (b) Four Hundred Dollars (\$400). Such fee is per occurrence, and in the event of ongoing violations, will continue at the same amount per additional week that the non-compliance continues after Franchisor provides Franchisee notice of the non-compliance. For a first violation, if Franchisor determines in its sole judgment, that the violation was inadvertent and not intentional, Franchisor may cap this fee at \$400. This fee will be reassessed on a weekly basis until Franchisee cures its non-compliance.

(c) No Waiver. Franchisee acknowledges that this Section 3.7 shall not constitute an agreement by Franchisor to accept any payments after they are due, a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's Business, or a waiver of breach of this Agreement. Further, Franchisee acknowledges that failure to pay all amounts when due

shall constitute grounds for termination of this Agreement by Franchisor, as provided in Section 5.2, notwithstanding the provisions of this Section.

## **ARTICLE 5. FRANCHISEE'S OBLIGATIONS & DUTIES**

### **5.1 Selection of Home Base; Storage Facilities; Locations.**

(a) Initial Selection. If Franchisee will operate the business in a format where customers can come to Franchisee's location for goods or services, Franchisee must secure a location within the Territory ("Home Base"), through signing a lease or otherwise, prior to offering goods or services there. No site proposed by Franchisee may be acquired unless approved by Franchisor. Franchisor will not unreasonably withhold consent. If Franchisee will not operate the Business other than by taking it to customers' locations, Franchisee does not need to establish a Home Base, but the location where the Box is stored must be within the Territory.

(b) Relocation of Home Base. If Franchisee's lease or access to the Home Base space expires or is terminated for any reason, if the space or access to the space is damaged, condemned or otherwise rendered unusable, if the Franchisee otherwise wants to change the location of the Home Base, Franchisee may seek approval of a different Home Base within the Territory. Approval will be in Franchisor's sole but reasonable discretion. If, in the judgment of Franchisor, there is a change in the character of the Home Base location sufficiently detrimental to warrant its relocation, Franchisor may require Franchisee to change the Home Base. Any relocation shall be at Franchisee's sole expense and must be available for operations promptly after Franchisee moves.

### **5.2 Condition and Appearance of the Box, Equipment, and Environment.**

(a) Maintenance of the Box and Home Base. Franchisee agrees that the Box will not be used for any purpose other than the operation of a Dryvebox Business in compliance with this Agreement. Franchisee will maintain the condition and appearance of the Box, truck used to tow it, and the Home Base area where it is used (if applicable), including maintaining the equipment, signs and decor in accordance with the specifications and standards of Franchisor and consistent with the image of a Dryvebox Business as an appealing and high-end space for golf training and events. Franchisee will perform such maintenance with respect to the Box and truck as is required from time to time to maintain such condition, appearance and efficient operation, including without limitation: (a) thorough cleaning, repainting and/or rewrapping of the Box at reasonable intervals and replacement of the Box or truck if either is damaged beyond reasonable repair; and (b) repair or replacement of damaged, worn out or obsolete, furniture, fixtures, equipment, and signs.

Franchisee will not make any alterations to the Box, or to the appearance of the Business as originally developed, without prior approval by Franchisor. Franchisee will redecorate, re-equip and refurnish the Box and will stock new required inventory at reasonable intervals determined by Franchisor, using approved suppliers, to reflect changes in the operations of Franchisor Businesses prescribed by and required of new franchisees, all of which are subject to approval by Franchisor of equipment, inventory and signage. Franchisee will place or display

at the Box (interior and exterior) only such signs, emblems, lettering, logos and displays and advertising materials that are from time to time approved by Franchisor.

Franchisee acknowledges that the maintenance and upgrade of the Business that is required under this Section 5.2 may require the expenditure of additional capital that, in some cases, may be substantial.

### **5.3 Operation of Business.**

Promptly following the acquisition of the Box and completion of training, and in any event within twelve (12) months of the date of signing this Agreement, Franchisee shall commence operation of the Business and shall thereafter, subject only to interruption resulting from acts of God or other causes beyond the control of Franchisee and not relating to the availability of funds to Franchisee, continuously operate the Business, devoting Franchisee's best efforts, skills, and diligence to the conduct of the business of selling and providing products and services (hereinafter "Business Services") authorized or required to be provided as part of the Franchisor System as set forth in Franchisor Confidential Operating Manuals and all supplements, addenda and amendments thereto (herein collectively called the "Manuals"), and Franchisee shall not sell or provide other products or services except ones which Franchisor, in its sole and absolute discretion, shall approve as being compatible and not interfering with the Franchisor System or Network. Specifically and without limiting the foregoing, Franchisee agrees:

(a) Follow Manuals and Standards. Franchisee shall operate the Business in all respects in accordance with all reasonable requirements of Franchisor from time to time in effect, as set forth in the Manuals and in other communications from Franchisor, maintaining the highest business standards of quality and ethical conduct, and not otherwise so that the Business shall be established and at all times operated as and constitute a business of the highest quality and appearance. With respect to the Manuals, Franchisee specifically agrees as follows:

(i) Franchisee shall treat the Manuals created and approved for use in the operation of franchised Businesses, and the information contained therein, as confidential, and shall use all reasonable efforts to maintain this information as secret and confidential; and

(ii) Franchisee agrees that the Manuals shall remain the sole property of Franchisor; that Franchisor may, from time to time, revise the contents of the Manuals; and Franchisee agrees to comply with each new or changed provision thereof; and

(iii) Franchisee agrees that the master copy of each Manual maintained by Franchisor at its principal office shall be controlling in the event of a dispute relative to the content of any Manual.

(b) Approved Products and Services. Franchisee shall sell only products and services that meet Franchisor standards of quality and have been expressly approved by Franchisor in writing for offer or sale by Franchisee. Franchisee shall refrain from any deviation from Franchisor standards and specifications for selling products and services without Franchisor's prior written consent and shall discontinue offering and selling any products and services that Franchisor may disapprove in writing from time to time, in its sole discretion. Franchisor standards extend to the qualification of coaches or staff who provide club fitting as a service.

(c) Approved Suppliers: Testing. If Franchisee desires to purchase any item or service from an unapproved supplier, or to sell products or services not previously approved by Franchisor, Franchisee shall submit a written request for approval to Franchisor. Franchisor shall have the right to require that its representatives be permitted to inspect the supplier's facilities, or that samples of unapproved products or services be delivered, at Franchisor option and without charge to Franchisor, either to Franchisor or its designee for testing. A charge constituting Franchisor's then-current product or supplier review fee shall be paid to Franchisor by Franchisee. Franchisor reserves the right, at its option, to re-inspect the facilities and products of any approved supplier and revoke its approval, if any has been granted, if the supplier fails to meet any of Franchisor then-current criteria. In no event shall Franchisor be required to evaluate or approve a different supplier where Franchisor has designated a supplier or suppliers as the source for a particular item or to approve any products or services for sale not previously approved by Franchisor.

(d) Confidential Information. Franchisor possesses and will develop and acquire certain confidential and proprietary information and trade secrets consisting of (1) business methods, techniques, standards, procedures and formats of the System; (2) policies, procedures, information, concepts, systems and knowledge of and experience in the development, operation and franchising of Businesses; (3) marketing programs for Businesses; and (4) knowledge and specifications for and suppliers of certain materials, furniture, fixtures, furnishings, equipment, signs and inventory requirements for Businesses (collectively the "Confidential Information"). Franchisor will disclose to Franchisee the Confidential Information in the Manuals and in guidance and assistance furnished to Franchisee during the term of this Agreement. Franchisee acknowledges and agrees that Franchisee will not acquire any interest in the Confidential Information and that the use of the Confidential Information in any other business would constitute an unfair method of competition with Franchisor and other Businesses. Franchisee acknowledges and agrees that the Confidential Information belongs to Franchisor, contains trade secrets belonging to Franchisor and is disclosed to Franchisee and authorized for use solely on the condition that Franchisee agrees that Franchisee: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute secrecy and confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written form; and (4) will adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of or access to the Confidential Information.

Franchisee shall cause its principals and staff to execute a Confidentiality Agreement at least as protective of Franchisor's Confidential Information as this Agreement. Franchisee shall deliver such copies of all such Confidentiality Agreements to Franchisor promptly after they are signed. Franchisee agrees that the relationship with Franchisor does not vest in Franchisee any interest in any Confidential Information other than the right to use it in the development and operation of the Business under this Agreement and other than the right to utilize it in the operation of the Business during the term of this franchise and that Franchisee will maintain the confidentiality of the Confidential Information during and after the term of this Agreement.

(e) Devote Adequate Working Time. Franchisee acknowledges and agrees that it is essential to this Agreement that the franchise be operated and managed by an individual who

has successfully completed the training required by Franchisor. That person can be Franchisee (or, if Franchisee is an entity, a person approved by Franchisor) or a person designated by Franchisee and approved by Franchisor in its reasonable discretion. If said individual does not throughout the term of this Agreement continue to operate and/or manage the Business without otherwise being replaced by another qualified and approved person, such event shall be a material breach of this Agreement.

(f) Attend and Satisfactorily Complete Training. Franchisee or its designee shall, at Franchisee's sole expense, attend and satisfactorily complete the initial training program provided by Franchisor. Any designated representative(s) attending the training programs and meetings shall first have entered into a nondisclosure agreement as provided in subparagraph (d) hereof. Franchisee agrees to attend or cause Franchisee's designated manager(s) to attend, all subsequent and continuing management training programs as provided for in Sections 6.2(d) and (e) hereof. Franchisee cannot offer or provide services for anything Franchisee has not completed training and been certified by Franchisor to offer. Franchisee must maintain its certification via ongoing adherence to the Manuals and operating standards, and if such certification is suspended, Franchisee will be required to complete additional training and recertification, at Franchisee's expense, prior to being permitted to offer such services again.

(g) Marketing Efforts; Territorial Limitations; National Accounts, and Major Event Review.

(i) Franchisee shall vigorously pursue and promote sales and activities leading to sales by the Business; and shall cooperate with Franchisor and other franchisees in the Franchisor Network in promoting and enhancing the Franchisor System and Network. Unless Franchisor provides written permission, Franchisee shall not engage in direct marketing to any customer outside of the Territory.

(ii) Unless Franchisor provides written permission, Franchisee shall not contact clients designated by Franchisor as National Accounts. To the extent that National Accounts book or seek to book events within the Territory, Franchisor will offer them to Franchisee pursuant to the terms of this Agreement.

(iii) Franchisee is prohibited from engaging in the sales process, or closing any sale, of a Major Event without engaging Franchisor to complete a process of reviewing the pricing, services, timeline and other elements of the proposed Major Event and providing advice and requirements for the operation of the proposed event (a "Major Event Review"). Franchisee understands and acknowledges that Franchisor may require Franchisee to staff the proposed Major Event with more people, more Boxes, or other changes that could require Franchisee to bring involve others in the System in order to complete the Major Event, it being Franchisor's intention to ensure that any Major Event is operated well and reflects positively on the goodwill of the brand. Franchisee shall comply with all requirements for the event established by Franchisor as a result of the Major Event Review or shall decline to book the event.

(h) Sales Quota. Starting in the 18th month of operation, and every six months thereafter, Franchisor will review Franchisee's gross sales to determine if Franchisee has met the minimum sales quota. If Franchisee fails to meet the established minimum sales quota, Franchisor

has the right to modify the size of the Territory rather than terminating this Agreement, in its sole discretion. The minimum sales quota is \$50,000 per trailing 12 months, based on a standard sized territory (accounting for any income or golfer density adjustments to the default of 500,000 people). If Franchisee has purchased a larger territory, the minimum sales quota is adjusted up pro rata, based on how much larger of a territory Franchisee purchased. For example, if Franchisee's Territory contains an additional 500,000 people, meaning the total Territory is 1 million people, the quota is \$100,000. . Failure to achieve this minimum, as it may be adjusted by CPI index, is a material breach of this Agreement.

(i) Charitable Events. Franchisee must host at least one (1) event at no cost for charitable purposes per calendar quarter, as specified in further detail in the Manuals. Franchisee shall report to Franchisor about the qualifying event(s) it hosts.

(j) Report Issues. Franchisee must promptly report any significant issues or customer complaints, as well as any matters which are or have material possibility to become a crisis for the brand to Franchisor. Franchisee shall cooperate with commercially reasonable steps required by Franchisor in response to any such issues.

#### **5.4 Use of Commercial Symbols.**

Franchisee acknowledges that Franchisee's right to use the Proprietary Marks is derived solely from this Agreement and is limited to the operation of a Business pursuant to and in compliance with this Agreement and all applicable specifications, standards and operating procedures prescribed by Franchisor in its Manuals from time to time during the term of this Agreement. The purchase price for the assets of the Business shall be the fair market value for such inventory, supplies, equipment, fixtures and furnishings purchased and paid for by Franchisee; the purchase price shall not contain any factor or increment for any trademark, service mark or other commercial symbol used in connection with the operation of the Business, and further provided that Franchisor may exclude from the assets purchased hereunder any furniture, fixtures, furnishings, equipment, signs, decor and inventory that are not approved as meeting quality standards for Businesses.

The purchase price shall be paid in cash at the closing of the purchase, which shall take place no later than ninety (90) days after receipt by Franchisee of Franchisor notice to exercise this option to purchase, at which time Franchisee shall deliver instruments transferring to Franchisor or its assignee: (1) good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to Franchisor or its assignee), with all sales and other transfer taxes paid by Franchisee; and (2) all licenses and/or permits of the Business which may be assigned or transferred. In the event that Franchisee cannot deliver clear title to all of the purchased assets as aforesaid, or in the event there shall be other unresolved issues, the closing of the sale shall be accomplished through an escrow. Further, Franchisee and Franchisor shall, prior to closing, comply with the applicable Bulk Sales provisions of the Uniform Commercial Code of the state where the Business is located. Franchisor shall have the right to set off against and reduce the purchase price by any and all amounts owed by Franchisee to Franchisor, and the amount of any encumbrances or liens against the assets. If Franchisor or its assignee exercises this option to purchase, pending the closing of such purchase as hereinafter provided, Franchisor shall have the right to appoint a manager to maintain the operation of the Business. Alternatively, Franchisor may require Franchisee to close the Business during such time period without removing therefrom any assets, provided that the landlord for the Home Base (as applicable) approves of such closure. Franchisee shall maintain in force all insurance policies required by this Agreement until the date of closing.

(f) Rights Not Exclusive. The foregoing rights of Franchisor upon termination by reason of breach or default hereunder shall not be exclusive, but shall be in addition to all other rights available to Franchisor under the terms hereof or under applicable law. Termination of this Agreement under any circumstances shall not abrogate, impair, release, or extinguish any debt, obligation, or liability of Franchisee which may have accrued hereunder, including without limitation any debt, obligation, or liability which was the cause of termination. All covenants and agreements of Franchisee which expressly or by their nature survive the expiration or termination

of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

(g) Activities Following Termination; Noncompetition. Franchisee acknowledges that the elements comprising the Franchisor System are unique, proprietary and distinctive and have been developed by Franchisor as the result of great expenditures of time, effort and money; that Franchisee has regular and continuing access to valuable trade secret and confidential information; and that Franchisee recognizes its obligation to keep this trade secret and confidential information in confidence pursuant to the provisions of this Agreement. Franchisee therefore agrees that if, prior to its expiration, this Agreement is terminated by Franchisor in accordance with the provisions of this Agreement or by Franchisee without cause, or this Agreement expires pursuant to the terms hereof, Franchisee shall (1) immediately cease to use any Confidential Information of Franchisor disclosed to, or otherwise learned or acquired by Franchisee in any business or otherwise; (2) return to Franchisor all copies of the Manuals and any other confidential materials which have been loaned or made available to him or her by Franchisor; and (3) return to Franchisor all customer lists generated and/or used by the Business. Further, for a period of two (2) years, commencing on the expiration or termination of this Agreement for any reason, Franchisee, its owners and members of the immediate family of Franchisee or each owner of Franchisee shall not hold any direct or indirect interest as a disclosed or beneficial owner in, or employee of, any Competitive Business located or operating within ten (10) miles of the Business or any other franchised business of the System, or any entity which is granting franchises or licenses or establishing joint ventures for the operation of Competitive Businesses.

## **ARTICLE 8. TRANSFER AND ASSIGNMENT**

### **8.1 Prior Offering and Consent: Conditions For Approval.**

Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee and that Franchisor has granted this franchise in reliance upon the individual character, skill, aptitude, attitude, business ability and financial capacity of Franchisee. Therefore, except as hereinafter provided in Section 8.4 with respect to assignment to a corporation or partnership, neither this Agreement nor the franchise (or any interest therein), nor any part or all of the ownership of Franchisee or the Business (or any interest therein) may be transferred without the prior written approval of Franchisor, and any such transfer without approval shall constitute a breach hereof and convey no rights to or interests in this Agreement, the franchise, Franchisee or the Business. As used in this Agreement the term “transfer” shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift or other transfer by Franchisee (or any of its owners) of any interest in: (1) this Agreement; (2) the franchise; (3) the ownership of Franchisee; or (4) the Business. An assignment, sale, or other transfer shall include the following events: (1) the transfer of any ownership interest in Franchisee or the Franchised Business, whether by transfer of capital stock, partnership interest or otherwise; (2) merger or consolidation or issuance of additional securities representing an ownership interest in Franchisee; (3) any sale of voting stock of or other ownership interest in Franchisee or the sale of any security or debt interest that is convertible to voting stock of or other ownership interest in Franchisee; (4) transfer of an interest in this Agreement, the franchise, Franchisee or the Business in a divorce, insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law; or (5) transfer of an interest in this Agreement, the franchise, Franchisee or the revenues, profits,

rights or assets of the Business in the event of the death of Franchisee or an owner of Franchisee, by will, declaration of or transfer in trust, or under the laws of interstate succession. If Franchisee is in full compliance with this Agreement, Franchisor shall not unreasonably withhold its approval of a transfer that meets all of the applicable requirements of this Section 8.1. A transfer of ownership of the Business may only be made in conjunction with a transfer of the franchise and this Agreement and a transfer of the franchise or this Agreement may only be made in conjunction with a transfer of the Business and all in all cases the following conditions must be met prior to, or concurrently with, the effective date of the transfer:

(a) Franchisee has complied with the provisions of Section 8.3 below and Franchisor has been given and has declined to exercise the right of first refusal as described in Section 8.3 below; and

(b) The proposed transferee meets Franchisor uniform standards of qualification then applicable with respect to all applicants for a business franchise including, but not limited to, financial strength, business experience, and other relevant business considerations; and

(c) As of the effective date of the transfer, all obligations of Franchisee under all written contracts and agreements between Franchisee and Franchisor are fully satisfied; and

(d) Franchisor is paid a transfer fee in the amount of Ten Thousand Dollars (\$10,000), or, in the case of a transfer to an existing Franchisee, Seventy-Five Hundred Dollars (\$7,500), by the effective date of the transfer to the transferee (except that transfer to an entity that Franchisee controls, with Franchisor's prior approval, will incur a cost of only Franchisor's actual expenses); and

(e) Prior to the commencement of training, the transferee shall, have signed and agreed to be bound by the then current form of franchise agreement and other ancillary agreements, which shall waive the initial franchise fees, provide for a term equal to the remaining term hereof and contain other provisions to clarify that it is for a transfer of an existing franchise rather than the sale of a new franchise, and which may provide for higher royalty fees, advertising contributions or expenditures, and different rights and obligations than are provided in this Agreement; and

(f) The transferee must attend and satisfactorily complete the training program provided by Franchisor as provided in Section 6.1(c) prior to the effective date of the transfer; and

(g) Franchisee assigns to the transferee any leasehold interest in the Home Base; and

(h) Except to the extent limited by applicable law, Franchisee and its owner(s) have executed a general release, in form satisfactory to Franchisor, of any and all claims against Franchisor and its affiliates, directors, officers, employees and agents; and

(i) Franchisee and its owners must execute a noncompetition agreement in favor of Franchisor and the transferee, agreeing that for a period of two (2) years, commencing on the effective date of transfer, Franchisee, its owners and members of the immediate family of

Franchisee or each owner of Franchisee will not hold any direct or indirect interest as a disclosed or beneficial owner in any Competitive Business located or operating within ten (10) miles of the Business (other than other Franchisor Businesses operated under franchise agreements with Franchisor, or businesses previously approved by Franchisor), or any entity which is granting franchises or licenses or establishing joint ventures for the operation of Competitive Businesses; and

(j) Franchisor shall have approved the material terms and conditions of the assignment, which approval shall not be unreasonably withheld including, without limitation, a determination that the price and terms of payment are not so burdensome as to adversely affect the future operations of the Business by the proposed transferee in compliance with the terms and conditions of the franchise agreement; and

(k) If Franchisee finances any part of the sale price of the transferred interest, Franchisee and/or its owners must agree that all obligations of the transferee under or pursuant to any promissory note, agreements or security interests reserved by Franchisee or its owners in the assets of the Business or the Warehouse shall be subordinate to: the obligations of the transferee to pay franchise fees, royalty fees, advertising contributions and other amounts due to Franchisor, and otherwise to comply with this Agreement or the franchise agreement executed by the transferee.

If the proposed transfer is to or among owners of Franchisee, Subparagraph (d) of the above requirements shall not apply.

Subparagraphs (j) and (k) shall not apply to transfers by gift, bequest or inheritance.

## **8.2 Death or Disability; Management by Franchisor.**

Notwithstanding the provisions of Section 8.1, in the event of the death or permanent disability of Franchisee or if Franchisee is a corporation or partnership or the owner of a majority interest therein, the executor, administrator, conservator or other personal representative of such person shall transfer Franchisee's interest within a reasonable time, not to exceed six (6) months from the date of death or permanent disability, to a third party approved by Franchisor. This transfer, including, without limitation, transfers by devise or inheritance, shall be subject to all of the terms and conditions contained in Section 8.1 hereof, and the following:

(a) Appointment of Manager. If, within ten (10) days after the death or permanent disability, Franchisee's Business is not being managed by a competent and trained manager, Franchisor is authorized, but is not obligated, to immediately appoint a manager for Franchisee's Business for a period of up to one hundred twenty (120) days, terminating when an approved Franchisee-appointed manager or approved transferee can assume the management of Franchisee's Business. Franchisor will discuss matters material to Franchisee's Business with the Franchisee, or Franchisee's representatives, at least once per quarter during any period of management. Franchisor appointment of an interim manager of the Business pursuant to this Section shall not relieve Franchisee of any obligations under this Agreement and Franchisor shall not be liable for any debts, losses, costs or expenses incurred in the operation of the Business or to any of Franchisee's creditors for any products, materials, supplies or services purchased by the

Business during any period during which it is managed by a manager appointed by Franchisor. Franchisor will charge Franchisee a management fee equal to Two Thousand Dollars (\$2,000) per month, plus One Hundred Fifty Dollars (\$150) per hour of time spent on management activities. Franchisor may cease to provide such management services at any time and, upon Franchisee's request, shall account for revenues and expenditures of the Business during any period in which Franchisor provides such services.

(b) Franchisor, in its discretion, may agree to provide management services described in Section 8.2(a) in circumstances other than as a result of death or disability. In any such instance, the fees specified in Section 8.2(a) shall apply.

### **8.3 Franchisor Right of First Refusal.**

In the event Franchisee desires to make any sale, assignment or other transfer referred to in Section 8.1, Franchisee shall notify Franchisor of this intention before extending any offer or making any arrangements to sell, assign or transfer. Upon receipt of any bona fide offer and before unconditionally accepting any bona fide offer for any sale, assignment or transfer, Franchisee will submit an exact copy of the written offer or writings encompassing such offer to Franchisor, or if not in writing, Franchisee will submit to Franchisor in writing all of the terms and conditions of such offer fully and accurately, including the identity of the purchaser. Franchisor shall have the right, exercisable by written notice delivered to Franchisee, to accept this offer on equal terms and price at any time within thirty (30) days following receipt by Franchisor of the offer or terms and conditions of the offer in writing as provided above. If Franchisor does not exercise its right of first refusal, Franchisee may complete the proposed sale, assignment or other transfer pursuant to and on the terms of the offer, and in compliance with all provisions of Section 8.1. In the event the sale, assignment or other transfer is not completed within sixty (60) days after delivery of the information about the offer to Franchisor as required above, or if there is a material change in the terms of the sale, assignment or other transfer after the delivery of the required information to Franchisor, Franchisor right of first refusal and the process and time periods required above shall be initiated again.

### **8.4 Assignment to Franchisee Entity.**

Notwithstanding Section 8.1, Franchisee may assign and delegate this Agreement and Franchisee's rights and obligations hereunder to a corporation, limited liability company or partnership ("entity") organized by Franchisee solely for the purpose of operating the Business provided that Franchisee retains ownership and control of at least fifty-one percent (51%) of the equity and voting power of the entity, and further provided that:

(a) The shareholders, members or partners are all identified to and approved by Franchisor; and

(b) The articles of incorporation, articles of partnership, limited liability formation and operating agreements, partnership agreement, bylaws or other organizational documents of the entity shall recite that the issuance and assignment of any interest therein is restricted by the terms of Sections 8.1 and 8.3 of this Agreement, and in the case of a corporation, all issued and outstanding stock certificates of the corporation shall bear a legend reflecting or

referring to the restrictions of Sections 8.1 and 8.3 in a form satisfactory to counsel for Franchisor; and

(c) Each shareholder, officer, director, member or partner of Franchisee shall execute an agreement in form attached to this Agreement as Exhibit 2 undertaking to be bound jointly and severally by the provisions of this Agreement; and

(d) The parties will document the assignment by entering into a form of assignment as approved by Franchisor; and

(e) The entity shall furnish to Franchisor at any time upon request, in form as Franchisor may require, a list of all shareholders, members, directors, officers or partners of Franchisee reflecting their respective interests in and positions with Franchisee; and

(f) The entity shall at no time engage, directly or indirectly, in any Competitive Business or in any similar business activity other than those directly related to the operation of Franchisee's Business, pursuant to all terms and conditions of this Agreement, including, but not limited to Section 5.3(e); and

(g) Franchisor shall be given written notice of the assignment and delegation, and upon compliance with the foregoing, the entity shall have all of said rights and obligations, and the term "Franchisee" as used herein shall refer to the corporation, limited liability company or partnership.

#### **8.5 Consent Does Not Constitute Waiver.**

Franchisor consent to an assignment or transfer of any interest subject to the restrictions of this Article 6 shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor right to demand exact compliance with any of the terms or conditions hereof by transferee.

#### **8.6 Transfer or Assignment By Franchisor.**

This Agreement is fully assignable by Franchisor and shall inure to the benefit of any assignee or other legal successor to the interest of Franchisor herein.

### **ARTICLE 9. ADDITIONAL LIMITATIONS AND PROVISIONS**

#### **9.1 Independent Status.**

This Agreement and the activities pursuant hereto do not and will not be deemed to create any relationship between Franchisor and Franchisee or any other party of agency, partnership, joint venture or employment, or any other relationship except that of franchisor and franchisee. Franchisee is and shall be solely an independent contractor and shall at no time act or represent itself to be acting in any other capacity. Without limiting the foregoing, Franchisee shall not incur any obligation or indebtedness on behalf of Franchisor; shall only contract or otherwise incur any obligation or indebtedness only in Franchisee's own name, which, if Franchisee is a corporation or partnership, shall at no time include Franchisor name or Proprietary Marks or any

part thereof, or be so similar thereto so as to be in any way misleading; and Franchisee shall otherwise comply with the provisions of Section 5.3 hereof.

## **9.2 Construction; Whole Agreement; Amendments.**

This Agreement contains the entire understanding of the parties, except for such additional agreements and understandings as may, concurrently herewith or hereafter be set forth in written agreements executed by both parties hereto. This Agreement shall be effective only when executed by a duly authorized representative of Franchisor, and no amendment or addition hereto shall be effective unless in writing, executed by a duly authorized representative of Franchisor and by Franchisee.

Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Except where this Agreement expressly obligates Franchisor to reasonably approve or not unreasonably withhold its approval of any action or request by Franchisee, Franchisor has the absolute right to refuse any request by Franchisee, or to withhold its approval of any action or omission by Franchisee. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit, or construe the contents of such sections or paragraphs. The term “attorneys’ fees” shall include, without limitation, reasonable legal fees, whether incurred prior to, in preparation for or in contemplation of the filing of any written demand or claim, action, hearing or proceeding to enforce the obligations of this Agreement. The term “member of the immediate family” as used herein refers to parents, spouses, offspring and siblings and their spouses, and the parents and siblings of spouses. References to a “controlling interest” in Franchisee shall mean more than fifty percent (50%) of the voting control of Franchisee if Franchisee is a corporation, and any general partnership interest if Franchisee is a partnership. The term “Franchisee” as used herein is applicable to one or more persons, a corporation or a partnership, as the case may be. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two or more persons are at any time Franchisee hereunder, whether or not as partners or joint venturers, their obligations and liabilities to Franchisor shall be joint and several. This Agreement shall be executed in multiple copies, each of which shall be deemed an original.

Nothing in this or any related agreement, however, is intended to disclaim the representations Franchisor made in the franchise disclosure document that Franchisor furnished to Franchisee.

## **9.3 Limitation of Liability.**

EXCEPT AS OTHERWISE PROVIDED IN SECTION 6.4, IN NO EVENT SHALL FRANCHISOR OR ANY OF ITS AFFILIATES OR REPRESENTATIVES BE LIABLE UNDER THIS AGREEMENT FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR ENHANCED DAMAGES, LOST PROFITS OR REVENUES, ARISING OUT OF OR RELATING TO THE FUNCTION OR MALFUNCTION OF THE BOX, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE, WHETHER OR NOT FRANCHISEE WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED.

#### **9.4 No Warranty.**

FRANCHISEE UNDERSTANDS AND ACKNOWLEDGES THAT FRANCHISOR IS NOT THE SUPPLIER OR MANUFACTURER OF THE BOX AND THAT FRANCHISOR BEARS NO RESPONSIBILITY FOR THE PERFORMANCE, MAINTENANCE, REPAIRS, OR FUNCTIONALITY OF THE BOX. FRANCHISOR MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE BOX, INCLUDING ANY WARRANTY OF MERCHANTABILITY; ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; OR WARRANTY OF TITLE; WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.

FRANCHISEE'S SOLE REMEDY WITH RESPECT TO ANY CLAIMS RELATED TO PERFORMANCE OF THE BOX SHALL BE MADE AGAINST THE BOX SUPPLIER.

#### **9.5 Severability; Additional Assurances.**

Should any provision of this Agreement be for any reason held invalid, illegal or unenforceable, that provision shall be deemed restricted in application to the extent required to render it valid and the remainder hereof shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of the invalid, illegal or unenforceable provision. If any of the provisions of this contract are inconsistent with applicable state law, then the state law shall apply. Each party agrees to execute and deliver to the other any further documents that may be reasonably required to fully effectuate the provisions hereof. To the extent that either Sections 5.3(d) or 7.3(g) is deemed unenforceable by virtue of its scope of area, prohibited business activity or length of time, but may be made enforceable by reductions of any or all provisions thereof, Franchisee and Franchisor agree that Sections 5.3(d) and 7.3(g) shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. Although provisions of this Agreement were prepared by Franchisor, this Agreement shall not be construed either for or against Franchisor or Franchisee, but shall be construed in accord with the general tenor of the language to reach a fair and equitable result.

**9.9 Headings.**

The subject headings of the paragraphs and subparagraphs of this Agreement are included for the purpose of convenience only, and shall not affect the construction or interpretation of any of its provisions.

**9.10 Governing Law; Jurisdiction.**

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other applicable state law, This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any conflict of laws principles. If, however, any provision of this Agreement would not be enforceable under the laws of Delaware, and if Businesses are located outside of Delaware and such provision would be enforceable under the laws of the state in which Businesses are located, then such provision shall be interpreted and construed under the laws of that state. For the purposes of injunctive relief pursuant to Section 7.11(b), Franchisee irrevocably submits to jurisdiction of the Superior Court of the State of California and the Federal Court for the Northern District of California. Franchisee irrevocably agrees that venue for any action in arbitration or otherwise shall be in the county where Franchisor's headquarters then are located, currently City and County of San Francisco, State of California. Franchisee waives any objection to the jurisdiction of such courts or to venue in City and County of San Francisco.

### **9.11 Jury Trial and Punitive Damages Waiver.**

FRANCHISOR AND FRANCHISEE KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY AND WAIVE ANY CLAIM FOR PUNITIVE, MULTIPLE, AND/OR EXEMPLARY DAMAGES, EXCEPT THAT EACH PARTY SHALL BE FREE AT ANY TIME HEREUNDER TO BRING AN ACTION FOR WILLFUL TRADEMARK INFRINGEMENT AND, IF SUCCESSFUL, TO RECEIVE AN AWARD OF MULTIPLE DAMAGES AS PROVIDED BY LAW.

### **9.12 Dispute Resolution.**

(a) All controversies, disputes or claims arising between Franchisor and Franchisee (including any claim against Franchisor officers, directors, agents, employees, licensors, licensees, independent contractors or consultants in their capacity as such, or against the owners and guarantors of Franchisee, if applicable) in connection with, arising from, or with respect to: (1) any provision of this Agreement or any other agreement between the parties related to this Agreement; (2) the relationship of the parties hereto; (3) the validity of this Agreement or any other agreement between the parties related to this Agreement, or any provision thereof; or (4) any specification, standard or operations procedure relating to the establishment or operation of the Franchisor Business (except controversies, disputes or claims relating to the Proprietary Marks or any lease of real estate) shall be submitted for mediation to Judicial Arbitration and Mediation Services (“JAMS”) or such other dispute resolution service agreed upon by the parties for mediation. If JAMS or such other dispute resolution service is unable to successfully resolve any dispute, the dispute shall be determined by arbitration administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures, and in such jurisdiction as set forth in Section 9.10. Judgment on any resulting award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction, including those named in Section 9.9.

(b) Franchisor may enforce by judicial process any right Franchisor may have to possession of the Business under this Agreement or any collateral conditional assignment of lease with Franchisee. Further, Franchisor has the right to seek preliminary and permanent injunctive relief prohibiting unauthorized use or infringement of any of the Proprietary Marks or unauthorized use of any licensed software program or copyrighted material or other confidential information, in any court of competent jurisdiction under customary equity rules, without submitting the dispute to mediation. Franchisee agrees that Franchisor will have the right to seek any provisional remedy, including preliminary injunctive relief necessary to enforce this Agreement or the termination hereof or to restrain conduct by Franchisee in the operation of the Business that could materially damage the goodwill associated with the Proprietary Marks and the reputation of Franchisor Business without prior submission of the claim to mediation or pending the outcome of any mediation commenced. Franchisee agrees that Franchisor will not be required to post a bond to obtain any injunctive relief and that Franchisee's only remedy if an injunction is entered against Franchisee will be the dissolution of that injunction. It is agreed that either party may seek injunctive relief to prohibit a wrongful termination of this Agreement by the other party without first submitting the dispute to mediation.

### **9.13 Limitations of Actions.**

Any and all claims arising out of this Agreement or the relationship of Franchisee and Franchisor in connection with Franchisee's operation of the Business must be made within one (1) year from the occurrence of the facts giving rise to such claims or one (1) year after this Agreement expires or is terminated for any reason. Franchisee agrees that any claim or action not brought within the periods required under this Section shall forever be barred as a claim, counterclaim, defense, or set off.

In consideration of, and as required by Section 6.4(c) of the above Franchise Agreement (the "Agreement") each of the undersigned hereby personally and unconditionally:

(1) guarantees to Dryvebox Franchising, LLC ("Franchisor") and its successors and assigns, for the term of the Agreement including renewals thereof, that \_\_\_\_\_ ("Franchisee") shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement; and

(2) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each of the undersigned waives the following:

(1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; and

(2) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; and

Each of the undersigned consents and agrees that:

(1) his or her direct and immediate liability under this guaranty shall be joint and several; and

(2) he or she shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; and

(3) such liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; and

(4) such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including without limitation the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any

way modify or amend this guaranty, which shall be continuing and irrevocable during the term of the Agreement, including renewals thereof.

## CALIFORNIA ADDENDUM

1. Neither the franchisor, nor any person in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in such association or exchange.
2. Our website is [www.dryvebox.com](http://www.dryvebox.com). It has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at [www.dfpi.ca.gov](http://www.dfpi.ca.gov).
3. California Business and Professions Code section 20000 through 20043 (the Franchise Relations Act) provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control. In particular, Business and Professions Code section 20010 voids a waiver of your rights under the Franchise Relations Act.
4. Section 31125 of the California Corporations Code requires us to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 *et seq.*).
6. The franchise agreement contains a covenant not to compete with extends beyond the termination of the franchise. This provision may not be enforceable under California law.
7. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
8. The franchise agreement requires binding arbitration. The arbitration will occur in the County of San Francisco, with the costs being borne by both parties equally. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
9. The franchise agreement requires application of the laws of the State of Delaware. The provision may not be enforceable under California law. You may want to consult an attorney to understand the impact of out-of-state governing law on the franchise agreement.
10. You must sign a general release if you renew or transfer your franchise. California Corporations Code section 31512 voids a waiver of your rights under the

Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

11. The highest interest rate allowed by law in California is 10% annually.

12. California's Franchise Investment Law (Corporations Code Sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

## MINNESOTA ADDENDUM

1. 9. No Statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term on any document executed with the franchise.

## NEW YORK ADDENDUM

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CAN NOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as

defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”: You may terminate the agreement on any grounds available by law.
5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 *et seq.*), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

In consideration of, and as an inducement to, the execution by DRYVEBOX FRANCHISING, LLC ("FRANCHISOR") of that certain Franchise Agreement of even date herewith (the "Agreement") between FRANCHISOR and \_\_\_\_\_ ("FRANCHISEE"), or in consideration of and as an inducement to FRANCHISOR's consent to a transfer by or of FRANCHISEE under the Agreement, each of the undersigned parties including: \_\_\_\_\_

\_\_\_\_\_ ("Guarantors") hereby personally and unconditionally: (1) guarantees to FRANCHISOR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement; and agrees to punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement, and (2) agrees to be personally bound by, and personally liable for the breach of, each and every term, condition, covenant and provision in the Agreement. Each Guarantor expressly represents and acknowledges that he or she has read the Agreement and has had the opportunity to review the same, and this Guaranty, with counsel. Each Guarantor hereby expressly waives:

- (1) acceptance and notice of acceptance by FRANCHISOR, of the foregoing undertakings;
- (2) notice of demand for payment of any indebtedness or non performance of any obligations hereby guaranteed;
- (3) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed;

**SPOUSAL CONSENT**

## SPOUSAL CONSENT AND WAIVER

The undersigned \_\_\_\_\_ (“Spouse”) hereby represents that he/she is a \_\_\_\_\_ [state] resident and is the spouse of \_\_\_\_\_ (“Franchise Owner”). Spouse acknowledges and understands that, contemporaneously herewith, Franchise Owner, or a corporation, partnership or limited liability company in which Franchise Owner is a principal owner (the “Franchisee”), will be entering into a Franchise Agreement with Dryvebox Franchising, LLC (“Franchisor”) to acquire and operate a Dryvebox Franchise. Spouse hereby consents to this transaction and waives any right, now or in the future, to assert a community property or quasi community property interest in the franchise, the Franchise Agreement, the Dryvebox Franchise or in the Franchisee. Spouse understands that in the absence of this Spousal Consent and Waiver, Franchisor, as a condition of granting the Dryvebox franchise to Franchise Owner, would have required Spouse to personally enter into the Franchise Agreement or to execute a personal guaranty of all of Franchisee’s obligations under the Franchise Agreement. Spouse represents and agrees that the waiver of this condition by Franchisor is sufficient consideration for this Spousal Consent and Waiver. Spouse understands that if Spouse did not wish to provide this Spousal Consent and Waiver, Spouse could have agreed to personally execute the Franchise Agreement or the personal guaranty. Spouse hereby represents and acknowledges that Spouse knowingly and deliberately elected not to do so and to instead provide this Spousal Consent and Waiver. If notwithstanding this Spousal Consent and Waiver, Spouse claims or is awarded in a legal action a community property interest, quasi community property interest or other ownership interest in the franchise, the Franchise Agreement, the Dryvebox Franchise or in Franchisee, other than by way of a transfer approved in writing by Franchisor as provided in the Franchise Agreement, Spouse hereby agrees, without further action or execution of further instruments, to be personally bound by all of the terms of the Franchise Agreement and to be liable for the performance of all obligations thereunder.

THIS PURCHASE AGREEMENT, EVEN IF SUCH PARTY HAS BEEN ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES.

## **7. Confidentiality.**

7.1 Definition. **“Confidential Information”** means: (a) all information related to the Products, including, without limitation, documentation, drawings, designs and specifications; (b) any non-public information of a Party, including, without limitation, any information relating to a Party’s technology, techniques, know-how, research, engineering, designs, finances, accounts, procurement requirements, manufacturing, customer lists, business forecasts and marketing plans; (c) any other information of a Party that is disclosed in writing and is conspicuously designated as “Confidential” at the time of disclosure or that is disclosed orally, is identified as “Confidential” at the time of disclosure, and is summarized in a writing sent by the disclosing Party to the receiving Party within thirty (30) days of any such disclosure; and (d) the specific terms and pricing set forth in this Agreement.

7.2 Exclusions. The obligations in this Section will not apply to the extent that any Confidential Information: (a) is or becomes generally known to the public through no fault of or breach of this Agreement by the receiving Party; (b) was rightfully in the receiving Party’s possession at the time of disclosure, without an obligation of confidentiality; (c) is independently developed by the receiving Party without use of the disclosing Party’s Confidential Information; or (d) is rightfully obtained by the receiving Party from a third party without restriction on use or disclosure.

7.3 Obligations. Each Party will not use the other Party’s Confidential Information, except as necessary for the performance of this Agreement, and will not disclose such Confidential Information to any third party, except to those of its employees and subcontractors that need to know such Confidential Information for the performance of this Agreement, provided that each such employee and subcontractor is subject to an agreement that includes

binding use and disclosure restrictions that are at least as protective as those set forth herein. Each Party will use all reasonable efforts to maintain the confidentiality of the other Party's Confidential Information in its possession or control, but in no event less than the efforts that it ordinarily uses with respect to its own confidential information of similar nature and importance. The foregoing obligations will not restrict either Party from disclosing Confidential Information: (a) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the Party required to make such a disclosure gives reasonable notice to the other Party to enable it to contest such order or requirement; (b) on a confidential basis to its legal or professional financial advisors (including insurance underwriters); or (c) as required under applicable securities regulations.

## **8. General.**

8.1 Assignment. Neither Party may assign or transfer this Purchase Agreement, in whole or in part, by operation of law or otherwise, without the prior written consent of the other Party, except that no consent will be required for an assignment, in whole or in part, in connection with a merger, acquisition, corporate reorganization, sale of a majority of a Party's stock, or sale of all, or substantially all, of a Party's assets to which this Purchase Agreement relates. Any attempted assignment in violation of this Section will be null and void and of no force or effect. Subject to the foregoing, this Purchase Agreement will bind and inure to the benefit of each Party's permitted successors and assigns.

8.2 Governing Law. This Purchase Agreement will be governed by and construed in accordance with the laws of the State in which the Trailer is available for pickup, excluding that body of laws known as conflicts of law. The United Nations Convention on Contracts for the International Sale of Goods will not apply to this Purchase Agreement.

8.3 Severability. If any provision of this Purchase Agreement is held invalid or unenforceable by a court of competent jurisdiction, then such provision will automatically be adjusted to the minimum extent necessary in order to comply with

the requirements for validity or enforceability, and as so adjusted, will be deemed a provision of this Purchase Agreement as though originally included herein. In the event that the provision held invalid or unenforceable is of such a nature that it cannot be so adjusted, such provision will be deemed deleted from this Purchase Agreement as though such provision had never been included herein. In either case, the remaining provisions of this Purchase Agreement will remain in full force and effect.

8.4 Non-Waiver. The failure by either Party to enforce any provision of this Purchase Agreement will not constitute a waiver of future enforcement of that or any other provision. The waiver of any provision of this Purchase Agreement will only be effective if in writing and signed by the Party waiving such provision.

8.5 Notices. All notices to effect the exercise of a Party's legal rights or obligations (e.g., termination, indemnification) required or permitted under this Purchase Agreement will be in writing and will be delivered in person, by nationally recognized courier service, by facsimile or by registered or certified mail (postage prepaid, return receipt requested) and, in all cases, will be deemed to have been given upon receipt. All such notices will be delivered to the Parties at the addresses set forth on the first page of this Purchase Agreement (or at such other address for a Party as will be specified by like notice).

8.6 Force Majeure. Neither Party will be responsible or liable to the other Party for any failure or delay in its performance under this Purchase Agreement due to natural disasters, war, terrorism, utilities failures, general strikes, health emergencies or riot (each a "*Force Majeure*"). In the event of a Force Majeure, the Party who is unable to perform or whose performance is delayed will promptly notify the other Party of the Force Majeure and will use its best efforts to resume performance. Performance will be excused for a period of time equal to the duration of such Force Majeure, but in no event longer than sixty (60) days.

8.7 Attorneys' Fees. In any suit or proceeding relating to this Purchase Agreement, each Party will pay its own costs, as well as the fees and expenses of

attorneys, accountants, and other professionals incurred in connection with the suit or proceeding; provided, however that an arbitrator may award fees, expenses, and costs as part of an award in a manner consistent with applicable law.

8.8 Remedies. Except as expressly set forth in this Purchase Agreement, the exercise by either Party of any of its remedies under this Purchase Agreement will be without prejudice to its other remedies under this Purchase Agreement or otherwise.

8.9 Entire Agreement. This Purchase Agreement, including its exhibits and attachments, constitutes the entire and exclusive understanding

and agreement between the Parties regarding its subject matter and supersedes any and all previous understandings and agreements, whether written or oral, regarding such subject matter.

Any modification or amendment of any provision of this Purchase Agreement will be effective only if in writing and signed by duly authorized representatives of both Parties.

8.10 Counterparts. This Purchase Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

\* \* \* \* \*

IN WITNESS WHEREOF, the Parties have executed this Purchase Agreement as of the Effective Date by their duly authorized representatives.
