How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.

Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in the Franchisor's state of residence (currently Ohio). Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Utah the Franchisor's state of residence (currently Ohio) than in your own state.
2. **Applicable Law.** The franchise agreement states that the Franchisor's state of residence (currently Ohio) law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.
3. **Minimum Monthly Fees.** You must pay minimum monthly administrative/technology fees and marketing fees of \$700-\$1,600 per month even if the franchise business has no revenue.
4. **Guarantee.** Spouse(s) of Franchise Owners, Partners, etc. must sign a personal guarantee and assumption of obligations becoming jointly and severally liable for all obligations and debts of the franchise, even if such spouse(s) are not involved in the operation of the franchise business. This requirement places the personal assets of the franchise owners and spouses at risk.

NOTICE REQUIRED
FOR PROSPECTIVE FRANCHISEES
BY STATE OF MICHIGAN

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice of it and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the terms of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right to first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation or endorsement by the Attorney General.

You may provide these Services yourself, and/or use brokers.

You may not function as a business intermediary for securities transactions or any business transaction which requires a securities license (Series 7, 79, etc.) unless and until you obtain the applicable licenses required by Federal and/or state law. There are numerous advantages to being part of a network of business brokerage offices (as opposed to being a non-network business brokerage office). The network advantages include name and brand recognition, access to the network's multiple listing system, use of the network's technology platform, marketing materials and programs, availability of training programs, operating manual and form templates, and the ability to informally work with a group of offices who share a common operating methodology and training background.

Industry Specific Regulations

For example, you are required to comply with all federal and state laws that govern your Business, including, those laws that govern the securities industry, such as the Securities Act of 1933, Securities Act of 1934, Trust Indenture Act of 1939, Investment Company Act of 1940, Investment Advisers Act of 1940, Sarbanes-Oxley Act of 2002, Dodd-Frank, Jumpstart Our Business Startups Act of 2012, and the California Securities Law of 1968. - E-mail campaign management services;
- Collateral marketing materials;
- Advertising for business-for-sale listings on third-party websites (currently including, but not limited to, businessforsale.com, businessbroker.net, mergernetwork.com, mergerplace.com, buybusiness.com, axial.net, and listingsgiant.com); and
- Subscription services to international franchise professionals' group (third-party franchises-for sale).

The Monthly Marketing Fees collected by us shall be used for payments to current vendors (e.g. third-party listing sites), Front Porch Solutions, LLC (which provides SEO, pay per click, and website services), and Marathon Management Services (which provides marketing materials, website services, etc.). Some of these services are provided by companies that are affiliated with Sunbelt. We may change the services provided and vendors at any time.

Franchisee shall provide Franchisor with a report including Gross Revenue per each calendar quarter within 30 days after each calendar quarter ("Quarterly Gross Revenue Report"). If the Monthly Marketing Fees received for the preceding calendar quarter are less than the amount that should have been collected based on the Quarterly Gross Revenue Report, such difference shall be withdrawn from Franchisee's ACH account. However, the Monthly Marketing Fees shall be subject to a maximum of \$30,000 per calendar year.

Failure to provide the Quarterly Gross Revenue Report shall be considered a default of the Franchise Agreement and shall result in a \$100 late fee penalty. Franchisor has the right to audit Franchisee's records to ensure Franchisee is providing accurate information in the Quarterly Gross Revenue Reports.

You must participate in our electronic funds transfer program which authorizes us to utilize a pre-authorized bank draft system. We can set off from any amounts that may be owed to you any amount that you owe to us or our affiliates.

Except as noted, all fees are uniformly imposed by and are payable to Sunbelt. All fees are non-refundable.

The Franchisor and Franchisee mutually agree that the Monthly Marketing Fee and Monthly Technology and Administrative Fee represents payment for services performed by the Franchisor for the benefit of the Franchisee as well as the use of any Marks owned by the Franchisor. Services provided include, but are not limited to, (a) webhosting, servers and development, (b) training and professional education, (c) ongoing operational support and coaching, and (d) trademark usage. While subject to change, the Franchisor and Franchisee mutually agree that the value of the current services provided by Franchisor represents 95% or more of the ongoing monthly fee, while use of the registered marks represents the balance, or 5% or less.

As noted in Item 5, the initial franchise fee is non-refundable, but all other amounts in this chart will not be refundable unless you are able to negotiate a refund with a particular supplier

Notes:

1. This estimate is for one person traveling to Cleveland, Ohio, Indianapolis, Indiana, or such other location as may be determined by us for the New Franchise Owner Training program.
2. Your business office location will need to be approved by us. We anticipate that many of our Franchisees will have existing business offices. If you do not have a business office, you will have to lease one unless otherwise approved by us. We recommend that you consider starting in an "executive office" which provides, for a fee, fully equipped office space and access to certain office equipment (copiers, fax machines, etc.). A typical leased Sunbelt office is located in a class A office building and contains from 700 to 1,200 square feet. Typically, there is an entrance lobby, an office for you, a conference room, and a large office which houses all of the brokers who will work with you. We estimate that it will cost you \$1,500 for a security deposit on suitable leased office space.
3. If you do not have an existing office with standard office equipment, you will have to acquire the necessary equipment. You will need a phone system, office furnishings, a copier, a fax machine and a computer system. The low end of the estimate above assumes you have the necessary equipment to start your Business.
4. During the term of the Franchise Agreement, you must maintain errors and omissions insurance coverage at your sole expense and under policies of insurance issued and administered by carriers

approved by us. Such insurance coverage shall be maintained in such minimum amounts as we prescribe and must name us as an additional insured. We may periodically increase or decrease the amounts of coverage and require different or additional kinds of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. Franchisees located in certain states (e.g. Louisiana and California) may be subject to higher premium levels.

5. You may also incur costs for items such as deposits for gas, electric, telephone and high-speed internet services. You may also incur costs for business licenses.
6. You should have additional working capital available to you, while you grow and build the Business. The amount of working capital needed varies greatly based upon numerous factors such as standard of living, amount of bills/debt and geography. You may need more than the estimated amount of working capital.
7. We do not offer direct or indirect financing to franchisees for any items.
8. The estimates contained in this Item 7 are based on 8 years of our experience as well as 11 years of Predecessor's experience in the business brokerage business and on the actual results of our existing Franchisees. You should review these figures carefully and, if you feel the need, discuss them with your business advisor, before you make any decision to purchase the franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We have no required specifications, designated suppliers, or approved suppliers for goods or real estate relating to your Business.

However, you must use our designated vendor for listing services, search engine optimization, pay per click and website services, and marketing materials. We will pay these suppliers directly to provide those services to you. Other than Marathon, neither we nor our affiliates are approved suppliers, but we or they may be in the future. As such, certain of these services are provided by companies that are affiliated with Sunbelt. We may change the services provided and the vendors at any time. Vendors are evaluated, approved or disapproved based on Sunbelt's review of their business reputation, delivery performance, and other information. You may also purchase additional marketing services from other vendors subject to our prior approval which shall be granted upon reasonable requests within thirty (30) days of such requests. As all Monthly Marketing Fees paid by franchisees to Sunbelt shall be used to pay marketing vendors that provide marketing services for franchisees, Sunbelt shall derive no profit from this required fee. However, Sunbelt's affiliates, Marathon Management Services, LLC and Front Porch Solutions, LLC may provide certain marketing services for a fee and, as such, will derive profits. Marathon Management Services, LLC did not receive any fees from Sunbelt for such services for the fiscal year ending June 30, 2024. You will reimburse the reasonable expenses that we incur related to the evaluation of the product and/or supplier. We may revoke our approval of a supplier upon notice to you. As of the date of this disclosure document, none of our officers own an interest in any preferred or approved supplier.

We have a designated vendor for Sunbelt's CRM software, which is integrated with Sunbelt's listing portal. The monthly fee paid to Sunbelt per franchised location is currently \$200 for two users and an additional \$50 per month for additional users. If you fail to timely pay the monthly fee to the designated vendor, your access to the CRM will be removed. We own all of the data in the CRM and have the right to use it as We may reasonably determine. The data will become our exclusive property upon either termination or non-renewal of the Franchise Agreement.

We have designated preferred vendors that you must utilize when you use an SBA lender. To determine which lenders will be designated as preferred, we consider the size of the lender and the number of sponsor meetings and webinars that the lender offers. When working with prospective business buyers to help them secure SBA loans, you must utilize one of the preferred vendors unless we approve the use of a third party (i.e. if the preferred vendors reject the loan approval or a buyer is electing to utilize independent lending, etc.). Franchisees which utilize the preferred SBA lenders typically receive referral fees from the SBA lenders. We receive a rebate from the preferred SBA lenders as well. For the fiscal year ending June 30, 2024, we received \$0.

We or our affiliates may negotiate purchase arrangements including prices and terms, with preferred and approved suppliers. We and our affiliates may receive rebates or other payments from preferred and approved suppliers and other service providers based (directly or indirectly) on sales to or by franchisees. However, we do not have any such arrangements in place as of the date of this disclosure document, and thus, we did not receive any revenue based on franchisee purchases during our previous fiscal year.

We do not participate in any purchasing or distribution cooperatives. We do not provide material benefits, such as renewing or granting additional franchises, to Franchisees based on their use of preferred or approved suppliers.

During the term of this Agreement, you must maintain errors and omissions insurance coverage at your sole expense and under policies of insurance issued and administered by carriers approved by us. This is the only form of insurance we specifically require, though offices should maintain all other locally and federally required insurance. Such insurance coverage shall be maintained in such minimum amounts as we prescribe and must name us as an additional insured. For the 2024-2025 policy year, the minimum amount of coverage is \$1,000,000. We may periodically increase or decrease the amounts of coverage and require different or additional kinds of insurance at any time to reflect changing factors in the marketplace (i.e. inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances).

Technology

You are required to maintain all of your listings and closings within the Sunbelt Brokerage Management System (SBMS).

If the SBMS is updated, you may be contractually obligated to update components of your computer system in order to maintain access to the SBMS. We estimate the cost of ongoing maintenance, upgrades and or updates to be \$500 or less per year. Many franchisees choose to use their existing computer equipment, but if a new computer system is purchased, the expected cost to purchase a system which meets the requirements would be between \$500 and \$2,000 depending on the franchisee's choices regarding performance and features of the computer, payable to any normal and reasonable computer seller.

We will have free and unlimited access to all of the information and data collected by the users of the SBMS.

You will use the SBMS to enter businesses for sale ("listings"). This will permit your listings to appear on the main Sunbelt public website, currently indexed by the major search engines as <http://www.sunbeltnetwork.com>. You may also choose to advertise your listings on additional websites for maximum exposure. If you choose to advertise your listings in such a manner, you must include a link in each listing advertisement that delivers the viewer directly to the Sunbelt main public site (<http://www.sunbeltnetwork.com>) (Franchise Agreement, Section 10a).

We will provide you with one website for your office and you are prohibited from maintaining other separate websites for your office. We may allow you to purchase additional websites, subject to our discretion. The domain name for such website shall be subject to our discretion.

We have a third-party vendor for CRM software, which is integrated with the SBMS. You will pay us a monthly fee of \$200 for two authorized users to have access to the CRM and an additional monthly fee of \$50 per additional authorized users. If you fail to pay the monthly fee, your access to the CRM will cease. We own all of the data in the CRM and have the right to use it as we may reasonably determine. Upon termination or non-renewal the data will become our exclusive property.

Advertising

New promotional materials that are developed after you open for business will be made available to you at a reasonable charge. This charge currently ranges from \$250 to \$500 for the new materials.

Before you use or disseminate advertising and promotional materials which were not prepared or approved by us, you must submit samples of such materials to Sunbelt. We retain the right to require that you cease using any advertising or promotional materials that either violate any state or federal laws, rules or regulations or are considered by Sunbelt, in our sole discretion, to constitute an unauthorized use of the Sunbelt Marks (Franchise Agreement, Section 11).

We do not have the power to require any franchisee cooperatives to be formed, changed, dissolved or merged. We do not manage or administer, nor do you contribute to, an advertising fund. We have no obligation to conduct advertising. To our knowledge, there is no advertising council composed of franchisees

The services provided by Marathon help us provide the above-mentioned services and obligations.

ITEM 12

TERRITORY

You will receive a non-exclusive territory, described in Exhibit A to your Franchise Agreement, along with a non-exclusive location name (if you are granted a Type 1 territory).

We grant four territory types:

- (1) Type 1: A franchise located in a metropolitan statistical area (MSA) with the greater of a) a population greater than 1,000,000, or b) a total business count greater than 40,000 (one of the top 50 MSAs in the United States)
- (2) Type 2: A franchise located in an MSA with the greater of a) a population less than 1,000,000, or b) with a business count greater than 20,000 but less than 40,000 (MSAs #51-101)

If the Franchise Agreement grants a Territory Type 1, we may grant one or more additional franchises for Sunbelt Network Business(es) within the Territory depending on the number of people or businesses located within the corresponding Metropolitan Statistical Area. One franchise will be granted for the greater of: (a) a population of 1.5 million people or more or (b) sixty thousand businesses or more, there will be more than one franchise offered as detailed in the chart below:

Population and Business Count	Number of Licenses
1.499 million people or 59,000 businesses or less	1
1.5 million people to 2.49 million people or 60,000 businesses to 119,000 businesses	2
2.5 million people to 3.49 million people or 120,000 businesses to 179,000 businesses	3
3.5 million to 4.49 million people or 180,000 businesses to 239,000 businesses	4

The number of licenses continues to increase by 1 as the population increases per million and business increases by 60,000. Additional Territory Type 1 licenses within the same MSA may be concurrently purchased for an additional \$25,000 each.

Once you have signed your Franchise Agreement, you will retain your Territory regardless of whether the population or businesses count increases or decreases. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Your territory and location name will be agreed to by you and us prior to you signing the Franchise Agreement. Generally, territories are defined by metropolitan statistical areas. We will use the most recent information available in the U.S. Census Data, or other statistical sources of our choosing.

In certain circumstances, you may work with privately held business sellers and buyers that are located outside of the Territory and other Sunbelt franchisees may work with privately held business sellers and buyers located within the Territory. However, your use of direct mail, drop notes, emails and other forms of solicitation for the purpose of securing “business for sale listings” will be restricted to your Territory unless otherwise permitted by us as specified in the Electronic Operations Manual. Franchisees must comply with any selected sales and marketing policies and procedures including further territory restrictions, which we may specify in the Electronic Operations Manual. In any dispute arising between

you and other Sunbelt franchisees over the marketing of the business and services, we, in our sole discretion, may determine your level of compliance with the provisions of the franchise agreement. There are no minimum sales quotas.

Unless specifically agreed to in writing by Sunbelt, you have no option, right of first refusal or any similar right to acquire any additional franchises in any contiguous territories. Also, there are no pre-stated conditions under which we will approve the relocation of the franchised business or your establishment of additional franchised outlets.

During the franchise term we may:

(1) Sell (or authorize others to sell) services authorized for Sunbelt Network Businesses, using trade names, trademarks, service marks and commercial symbols other than the Marks (as defined in Item 13 below) anywhere in the world);

(2) Operate and grant to others the right to operate Sunbelt Network Businesses that are located in your territory (if you are granted a Type 1 territory) or any other territory;

(3) Sell (or authorize others to sell) services other than the Services including but not limited to, consulting services, using the Marks within or outside of the Territory with no compensation to you;

(4) Purchase or acquire, through merger, acquisition or otherwise, business brokerage businesses, companies or franchisors which own or franchise business brokerage businesses, operating under the Marks, whether such businesses are located within or outside of the Territory;

(5) Market, promote or sell services relating to or competitive with the Business through other channels of distribution, from and at any location, even in the Territory, under trade names, trademarks or service marks other than the Marks and

(6) Be acquired (regardless of the form of transaction) by a business brokerage business or other business, even if such business operates, franchises and/or franchises competitive businesses within the Territory.

Footnotes:

1. The franchisee in Kentucky amended their existing Agreement territory to Chicago, IL. As such, the location has been tracked within this table as a “termination” from Kentucky and an “Opening” in Illinois. However, it will not affect the final total location count.
2. Indiana has one franchisee with a territory including the entire state. For clarity, we have updated the count to “1” and noted one terminated location within the table.

1) INTRODUCTION.

This Agreement has been written in an informal style to make it more easily understandable and to help you become thoroughly familiar with all of the important rights and obligations contained in this Agreement before you sign it. In this Agreement, we refer to MMI Business Brokers, LLC dba Sunbelt Business Brokers as either “we”, “us”, “ourselves”, or in some cases as the “Franchisor.” We refer to you as “you”.

Through the expenditure of considerable time and effort, we have acquired experience, skills, methods, techniques and knowledge relating to the representation of sellers and, in certain circumstances buyers, in the sale and purchase of privately held businesses and the purchase, referral and/or sale of franchise opportunities (new or franchise resales) (all of which are collectively referred to as the “Services”). These businesses offering the Services are referred to as the “Sunbelt Network Businesses”. Sunbelt Network Businesses utilize our methods, formats and procedures (all of which we refer to as the “System”). We identify Sunbelt Network Businesses and various components of the System by certain names, trademarks, service marks and other commercial symbols, including, but not limited to, the mark “**Sunbelt Business Brokers**” and “**Sunbelt Business Advisors Network**”, “**Sunbelt**” and “**The Sunbelt Network**”, (all of which we refer to as the “Marks”). We may, in the future, develop, enhance or modify various aspects of the System or adopt other trademarks, service marks or other commercial symbols for use by you, which will then be included as Marks.

The Services do not include, among other things, the sale of securities, soliciting funds for investment, performing business valuations other than in conjunction with the purchase or sale of a business, and providing fairness opinions. You and Franchisor mutually agree that Franchisor shall have full and final authority to determine the Services provided by the “Sunbelt” and in conjunction with the use of the System and Marks.

2) GRANT OF FRANCHISE.

- a) **Grant.** Subject to the provisions of this Agreement, we grant to you a Franchise (the “Franchise” or “your Franchise”) to operate a Sunbelt Franchise for a business brokerage business (the

“Business” or “your Business”) in the territory described in Exhibit A of this Agreement (the “Territory”). Unless otherwise approved by us in writing, You and the members of your staff must conduct your day-to-day activities from an office or personal residence located in the Territory. You shall exclusively use the dba, fictitious or trade name Sunbelt of (Any Office, Any State) in conducting the Business and providing the Services and not for any other purposes.

Termination or expiration of this Agreement will constitute a termination or expiration of your Franchise. The Franchise granted to you by this Agreement is for the opportunity to operate the Business and to use the Marks and the System only for the purpose of providing the Services.

However, you agree that your use of direct mail, drop notes, emails and other forms of direct solicitation for the purpose of securing “business for sale listings” will be restricted to your Territory unless otherwise permitted by us as specified in the Electronic Operations Manual. You also agree to comply with any selected sales and marketing policies and procedures including further marketing restrictions, which we may specify in the Electronic Operations Manual. Mandatory standards and operating procedures we prescribe from time to time for Sunbelt Network Businesses in the Electronic Operations Manual, or otherwise communicate to you in writing, will constitute provisions of this Agreement as if fully set forth in this Agreement.

You will use the Sunbelt Brokerage Management System (SBMS) to enter businesses for sale (“listings”). This will permit your listings to appear on the main Sunbelt public website, currently indexed by the major search engines as <http://www.sunbeltnetwork.com>. You may also choose to advertise your listings on additional websites for maximum exposure. We may facilitate advertising your listings on additional websites by paying the advertising fee to other select websites and electronically transmitting data to other websites. If you choose to advertise your listings in such a manner, you must include a link in each listing advertisement that delivers the viewer directly to the main Sunbelt listing website (<http://www.sunbeltnetwork.com>).

We will provide you with one website for your office and you are prohibited from maintaining other separate websites for your office, unless otherwise previously agreed to in writing. We may allow you to purchase additional websites, subject to our discretion. The domain name for such website shall be subject to our discretion.

You will use the Sunbelt names and marks in accepting all incoming telephone calls, unless co-branding has been otherwise previously agreed to in writing. You acknowledge that it is in the best interest of Franchisor and You to use, at all times and in all respects, the term “Sunbelt” in all business contexts. During all regular business hours, you will maintain (i) a voice mail system and (ii) a business address and a place of operation. You shall contract for telephone service, including any facsimile or electronic mailing arrangements, in the name of Sunbelt of [Any Office, Any State] and the telephone company shall be instructed by both parties to carry out the instructions of Franchisor with relation to the utilization, maintenance or transfer of the telephone service. We have the right to require that you utilize a particular, preferred telephone system vendor (*e.g.* FreedomVoice Telephone System). You shall provide us with reasonable, independent access to your telephone system; if the preferred telephone vendor utilizes a password protected process for controlling telephone answering, telephone messages and call forwarding, you agree to provide us with the password and further agree not to change the password without receiving written consent from us. We mutually agree that our access is necessary to help ensure the provision of adequate customer service. We reserve the right to change required telephone system vendors from time to time. You shall not terminate, change or disconnect any telephone service without our prior written consent. You must have dedicated telephone service established prior to opening the Franchise.

Any website and website address or URL that you use must be approved by us prior to usage and shall be conducted in the name of Sunbelt of [Any Office, Any State] and any person or organization who contracts with you for website related services shall be instructed by both parties

to carry out our instructions with relations to the utilization, maintenance, and/or transfer of the website.

For the 2024-2025 policy year, the minimum amount of coverage is \$1,000,000. We may periodically increase or decrease the amounts of coverage and require different or additional kinds of insurance at any time to reflect changing factors in the marketplace (i.e. inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances). If you do not maintain the required insurance coverage, we may obtain, at our option and in addition to our other rights and remedies under this Agreement, any required insurance coverage on your behalf and at your cost. We will notify you of the cost and you agree to fully reimburse us within 30 days of receiving said notification. Independent Auditor's Report

To the Member
MMI Business Brokers, LLC dba Sunbelt Business Brokers

Opinion

We have audited the financial statements of MMI Business Brokers dba Sunbelt Business Brokers (the "Company"), which comprise the balance sheets as of June 30, 2025, 2024, and 2023, the related statements of income, member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2025, 2024, and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

To the Member
MMI Business Brokers dba Sunbelt Business Brokers

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MMI Business Brokers, LLC dba Sunbelt Business Brokers

Notes to Financial Statements for the years ended June 30, 2025, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principle Business Activity

MMI Business Brokers, LLC (the “Company”), wholly owned by SB Administrative Services, Inc. (“SB Admin”), licenses and franchises independent contractors that perform business brokerage services within specified territories in the United States and internationally under the Sunbelt® service mark.

Basis of Presentation

The Company follows authoritative guidance issued by the Financial Accounting Standards Board (FASB) which established the FASB Accounting Standards Codification (ASC) as the single source of authoritative accounting principles generally accepted in the United States of America.

Cash Concentration

The Company maintains amounts on deposit in a financial institution, which at times may have a balance in excess of federal deposit insurance limits.

Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes revenue in accordance with the “Revenue from Contracts with Customers” topic of the FASB ASC. In accordance with the “Revenue from Contracts with Customers” topic of the FASB ASC, the Company identifies a contract when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

“Sale of franchises” revenue is recognized on a straight-line basis over the life of the underlying franchise agreement, an input method. The Company accounts for pre-opening services provided to a franchisee as distinct from the franchise license as management has elected a practical expedient that the services are consistent with those included in the predefined list within the guidance. Pre-opening services for the Company consist of: (1) new office training, (2) access to the operations manual/resource center, and (3) provision of initial supply of marketing services/products. Pre-opening service revenue, which is included in “Sale of franchises” in the accompanying statements of income, is recognized at a point in time when the services have been provided. “Continuing licensee and franchisee fees” revenue is recognized at a point in time as invoiced for services rendered under the terms of the license or franchise agreement. Management represents there are no known instances of variable consideration with regard to the recognition of revenue.

2. RECEIVABLES AND ALLOWANCE FOR CREDIT LOSSES

The Company reports receivables at net realizable value. The Company maintains an allowance for credit losses to provide for the estimated amount of receivables that will not be collected. Credit quality is monitored through the timing of payments compared to payment terms and known facts regarding the financial condition of debtors. The Company determines its allowance by considering a number of factors, including the length of time receivables are past due, the Company's previous receivable loss history, the customer's current ability to pay its obligation, and the condition of the general economy and the industry as a whole. The Company writes off receivables when they become uncollectable. Payments subsequently received on such receivables are credited to the allowance for credit losses, or to income, as appropriate under the circumstances. The expense associated with the allowance for credit losses is recognized as credit loss expense in the accompanying statements of income. The following represents changes in management's allowance for credit losses during the years ended June 30:

10. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

11. Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.

12. California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law and contrary to public policy and is void and unenforceable. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING. THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE. 6. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud and the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with this franchise.

INDIANA

7. The Franchise Agreement permits the franchisor to fail to renew the franchise for any reason. MINNESOTA

1. Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, may prohibit us from requiring litigation to be conducted outside Minnesota. 1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR RESOURCES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT

USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- a. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
 - b. No such party has pending actions other than routine litigation incidental to the business that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten years immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
 - d. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.
3. The following is added to the end of the "Summary" sections of Item 17(c), titled "Requirements for a franchisee to renew or extend," and Item 17(m), entitled "Conditions for franchisor approval of transfer":
- However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

6. Franchise Questionnaires and Acknowledgements: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. SOUTH DAKOTA

1. The Franchise Agreement states that it is to be governed under the laws of a state other than South Dakota. The Franchise Agreement is amended to remove the provisions designating jurisdiction or venue with respect to matters in another state.

WASHINGTON

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's

earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.
9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT AND RELATED AGREEMENTS

THIS RIDER is entered into as of _____, 20____. The parties to this Agreement are you, _____, as Franchisee, and us, MMI BUSINESS BROKERS, LLC dba SUNBELT BUSINESS BROKERS as Franchisor, a Delaware limited liability company, with our principal office at 7100 E. Pleasant Valley Road, Suite 300, Independence, Ohio 44131.

1. **Background.** We and you are parties to that certain Franchise Agreement dated _____, 20____ (the "Franchise Agreement") that has been signed concurrently with the signing of this Rider. This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) you are a resident of Washington; and/or (b) the Sunbelt Network Business that you will operate under the Franchise Agreement will be located in Washington.

2. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

3. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

4. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

5. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

8. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring

any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The parties to this Agreement execute and deliver this Rider in multiple counterparts as of the day and year first written above.
