## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.
2. **Financial Condition** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY  
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses and those laws specifically applicable to the restaurant business, including laws pertaining to food handling and safety, liquor, food labeling, sanitation, and weights and measurements, if applicable. You should also be aware of federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements. In addition, you may be required to obtain restaurant, business, occupational, food handling and other miscellaneous licenses. Some states also have laws regarding who may secure these licenses. You should consult with your own advisors and the government agencies for information on how these laws apply to you. Local law requirements vary by location.

The restaurant industry has certain laws and regulations specific to it. The U.S. Food and Drug Administration, the U.S. Department of Agriculture, and various state and local health departments administer and enforce laws and regulations that govern food preparation and service, waste disposal, and sanitary conditions. State and local agencies inspect restaurants for compliance with these requirements. Certain provisions of these laws impose limits on emissions resulting from commercial food preparation. Some states have also adopted or are considering proposals to regulate indoor air quality.

The menu labeling provisions of the Patient Protection and Affordable Health Care Act require restaurant chains with 20 or more units to post caloric information on menus and menu boards, and to provide additional written nutrition information available to consumers upon request. For smaller chains, some states and local governments may require you to comply with laws relating to the labeling that is included on your menus, menu boards, and related materials. Some state and local authorities have also adopted, or are considering adopting, laws or regulations that would affect the content or make-up of food served in restaurants, such as the level of trans-fat contained in a food item.

If your location serves alcohol, you will be required to obtain certain licenses that permit you to sell and serve alcoholic beverages from your location. These rules and regulations will vary greatly depending on your state or market where you operate the franchised business from. You should consult with an attorney to work with you on this process in order to verify you have gone through the appropriate licensing needed to serve alcohol.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you. You should consult with a legal advisor about legal requirements that may apply to your business.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you.

#### Notes

1. The Franchise Fee is due and payable at the time of executing the Franchise Agreement. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment.

2. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. For this to occur, you would need to negotiate a “free rent” period for the time it takes to build out your business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different.

3. Your utility deposit will depend on your market, credit score and other factors related to your location. This range accounts for your opening payment to the gas, water and electric company.

4. The leasehold improvements are the cost of construction to build out the restaurant unit in your market. This range of investment will vary greatly depending on your location and the cost of construction in your market. The locations are based on an estimate of 2,500 to 3,000 square feet in size. The cost of construction will also be significantly impacted by the state of the unit before you move into the location. For example, if the location is a former restaurant location, you will have less costs if elements such as the hood system and the plumbing are already in place.

5. The Market Introduction Program is the advertising and expense associated with advertising and promoting the new business launch/opening. These costs are primarily advertising costs, but may include costs paid to a marketing agency to execute the advertising campaign.

6. The Furniture, Fixtures and Equipment includes the front of house furniture and fixtures, design elements and the back of house kitchen equipment to operate the restaurant business.

7. The cost of computer systems includes the hardware and software needed to operate the business. These items are detailed in Item 11.

8. Insurance includes the cost of insurance necessary to operate the business. The Insurance coverage amounts of types of insurance are included in Item 8.

9. The Signage includes both exterior and interior signage for promoting the brand and the business. The cost of signage will vary depending on how much signage you have available at your location and the cost of installation in your market.

10. This includes the cost of basic office supplies and expenses needed to operate the business such as pens, paper and other basic office supplies.

11. The cost accounted for here is to pay our required vendor for construction management services. Construction management vendor will provide Franchisee with project management services including the selection of the GC team, management of the design and construction teams, bidding and construction, and project closeout for the Bread and Vine locations. The payment will be divided into two parts. 50% due at the signing of the agreement, and 50% on the receipt of an occupancy permit or the passing of the health inspection.

12. This line item accounts for the opening purchase of food product and supplies you will be required to make upon opening of the business. This will constitute your opening investment in inventory for the restaurant.

13. Licenses and Permits includes the cost of the licensing and permitting needed to operate the business in your market.

14. Dues and Subscriptions includes the cost of joining the local chamber of commerce and other business networking groups in your community to promote the brand locally.

15. The Professional Fees include the cost of your attorney and CPA and any other professional service providers who will help support you in opening and establishing your business. We also recommend that you have a Franchise Attorney review the Franchise Agreement prior to making your investment and these costs are all included in this investment range.

16. The cost of training is included in your Initial Franchise Fee, but you will be responsible for the cost of travel, food and lodging needed to attend training. This range of investment includes this cost and will vary depending on where you are located and the type of accommodations you choose.

17. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a Bread & Vine business by our affiliate, and our general knowledge of the industry.

18. This estimate assumes you sign a Multi-Unit Development Agreement for two to five franchises. The franchise fee for your first unit is counted in the “Estimated Initial Investment – Franchise Agreement” table. Your initial franchise fees are reduced to \$30,000 for the second and each additional franchise. You will pay all franchise fees upon signing the MUDA.

Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose

within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

### Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

### Revenue to Us and Our Affiliates

We currently do not derive revenue from the required purchases and leases by franchisees. However, the franchise agreement does not prohibit us from doing so.

### Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your business are 50% to 80% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases of goods and services to operate your business are 50% to 80% of your total purchases and leases of goods and services to operate your business.

No purchasing or distribution cooperative currently exists.

### Negotiated Arrangements

We do negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. However, we may do so in the future.

## **Item 10 FINANCING**

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

**Item 11**  
**FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

**Except as listed below, we are not required to provide you with any assistance.**

Our Pre-Opening Obligations

Before you open your business:

A. *Your site.* We will review and advise you regarding potential locations that you submit to us. (Section 5.4). If you sign a Multi-Unit Development Agreement, we will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. We are not obligated to further assist you in locating a site or negotiating the purchase or lease of the site.

- (i) We generally do not own your premises.
- (ii) If your site is not already known and approved by us when you sign your franchise agreement, then we and you will specify in your franchise agreement the area in which you must select a site (Franchise Agreement, Summary Page). We do not select your site. Your site is subject to our approval. To obtain our approval, you must provide all information and documents about the site that we require.
- (iii) The factors we consider in approving sites are general location and neighborhood, competition, trade area demographics, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms.
- (iv) The time limit for us to approve or disapprove your proposed site is 30 days after you submit all of our required documents and information. (Section 6.1). If we and you cannot agree on a site, you will be unable to comply with your obligation to develop and open the franchise by the deadline stated in the franchise agreement. Unless we agree to extend the deadline, you will be in default and we may terminate your franchise agreement.
- (v) We are not obligated to assist you in conforming the premises of your site to local ordinances and building codes and obtaining any required permits. This will be your responsibility.

B. *Constructing, remodeling, or decorating the premises.* We will provide you with a set of our standard building plans and specifications and/or standard recommended floor plans, and our specifications for required décor. (Section 5.4)

C. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), operational instructions in the Manual which you can use as part of training new employees (Section 5.3), and our initial training program described below. Our opening support (as described below) includes

assisting you in training employees. All hiring decisions and conditions of employment are your sole responsibility.

D. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will provide you a list of our specifications and approved suppliers for equipment, signs, fixtures, opening inventory, and supplies necessary to open your business. (Section 5.4) We do not provide these items directly; we only provide the names of approved suppliers. We do not deliver or install these items.

E. *Brand Standards Manual.* We will give you access to our Brand Standards Manual (Section 5.1).

F. *Initial Training Program.* We will conduct our initial training program. (Section 5.4). The current initial training program is described below.

G. *Business plan review.* If you request, we will review your pre-opening business plan and financial projections. (Section 5.4)

H. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (Section 5.4)

I. *On-site opening support.* We will have a representative provide on-site support for one to two weeks in connection with your business opening. (Section 5.4)

### Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 6-8 months. Factors that may affect the time period include your ability to obtain a lease, obtain financing, develop your location, obtain business permits and licenses, and hire employees.

### Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), and operational instructions in the Manual which you can use as part of training new employees (Section 5.3). All hiring decisions and conditions of employment are your sole responsibility.

C. *Improving and developing your business; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your business, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide in-person support in

response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for our employees providing onsite support). (Section 5.5)

D. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Section 5.5).

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Marketing Fund.* We will administer the Marketing Fund (Section 5.5). We will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Website.* We will maintain a website for the Bread & Vine brand, which will include your business information and telephone number. (Section 5.5)

### Advertising

*Our obligation.* We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

*Your own advertising material.* You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

*Advertising council.* We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

*Local or Regional Advertising Cooperatives.* We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The

documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

*Advertising Fund.* You and all other franchisees must contribute to our Marketing Fund. Your contribution is 1% of gross sales per week. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year.

If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year.

No money from the Marketing Fund is spent principally to solicit new franchise sales.

*Market introduction plan.* You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

*Required spending.* After you open, you must spend at least 1-2% of gross sales each month on marketing your business.

#### Point of Sale and Computer Systems

We require you to buy (or lease) and use a point-of-sale system and computer system as follows:

##### Clover POS

The system will include our currently required Clover POS System. Clover is a Retail Point of Sale and Management system, designed to improve sales and guest experience. Please see for more details: <https://www.clover.com/>. These systems will generate or store data such as sales transactions, inventory, scheduling, employee, customer, and accounting/reporting information..

We estimate that these systems will cost between \$2,000 and \$4,000 to purchase.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do require you enter into such contract with a third party for the above platforms/system.

You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation.

We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be \$3,600 to \$4,200.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee’s location, doing so remotely, at a corporate location, and at the franchisee’s location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees.

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for “higher-level” functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a corporate-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a corporate (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/corporate (so in that sense, it is still being led by the franchisor/corporate/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of corporate. Franchisor/corporate delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others’ training in the past; the delegate(s) would typically be in a management role at a corporate location or be a “senior,” tenured employee if not in a formal management position.

There is no fee for up to 4 people to attend training. You must pay the travel and living expenses of your employees or managers attending training.

You and one additional general manager must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program. Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently \$400 per day. Otherwise, we do not currently require additional training programs or refresher courses, but we have the right to do so.

## **Item 12 TERRITORY**

### Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

### Grant of Territory

Your franchise agreement will specify a territory, which will be determined by us. Your territory will have a population of approximately 50,000 people from the location, whichever is less. Your territory will usually be specified as a radius around your location; however, we may use other boundaries (such as county lines or other political boundaries, streets, geographical features, or trade area).

### Relocation; Establishment of Additional Outlets

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee's business on case-by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

You do not have the right to establish additional franchised outlets unless you sign a Multi-Unit Development Agreement ("MUDA") in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Bread & Vine business, (3) you must be in compliance with all brand requirements at your open Bread & Vine business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. You are not obligated to develop additional outlets under the MUDA, and you may terminate it any time without penalty.

If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

### Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

### Territory Protection

In your franchise agreement, we grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as a Bread & Vine outlet. The continuation of your territorial protection does not depend on achieving a certain sales volume, market penetration, or other contingency. There are no circumstances that permit us to modify your territorial rights.

If you sign a MUDA, you do not receive an exclusive territory as an area developer. Therefore, with respect to a MUDA, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

### Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

### Soliciting by You Outside Your Territory

There are no restrictions on you from soliciting or accepting orders from consumers outside of your territory, except that all marketing and advertising is subject to our approval.

### Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

Agreements

There are no currently effective agreements that significantly limit our rights to use or license the use of trademarks listed above in a manner material to the franchise.

## Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

The franchise agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademarks in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third-party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the franchise agreement, we may require you to modify or discontinue using a trademark, at your expense.

We do not own rights in, or licenses to, patents that are material to the franchise. We do not have any pending patent applications.

### Copyrights

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. You may use these copyrighted materials during the term of the franchise, in a manner consistent with our ownership rights, solely for your franchised business.

We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright.

There are no agreements currently in effect that limit our right to use or license the use of our copyrighted materials.

We have no obligation to protect any of our copyrights or to defend you against claims arising from your use of copyrighted items. The franchise agreement does not require us to take affirmative action when notified of copyright infringement. We control any copyright litigation. We are not required to participate in the defense of a franchisee or indemnify a franchisee for expenses or damages in a proceeding involving a copyright licensed to the franchisee. We may require you to modify or discontinue using the subject matter covered by any of our copyrights, at your expense.

### Proprietary Information

We have a proprietary, confidential Brand Standards Manual and related materials that include guidelines, standards and policies for the development and operation of your business. We also claim proprietary rights in other confidential information or trade secrets that include all methods for developing and operating the business, and all non-public plans, data, financial information, processes, vendor pricing, supply systems, marketing systems, formulas, techniques, designs, layouts, operating procedures, customer data, information and know-how.

You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Brand Standards Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employees to sign confidentiality agreements.

**ARTICLE 2. GRANT OF LICENSE**

**2.1 Grant.** BV Franchise grants to Franchisee the right to operate a Bread & Vine business solely at the Location. If no Location is stated on the Summary Page when this Agreement is signed, then the parties will determine the Location in accordance with Section 6.1. Franchisee shall develop, open and operate a Bread & Vine business at the Location for the entire term of this Agreement.

**2.2 Protected Territory.** BV Franchise shall not establish, nor license the establishment of, another business within the Territory selling the same or similar goods or services under the same or similar trademarks or service marks as a Bread & Vine business. BV Franchise retains the right to:

- (i) establish and license others to establish and operate Bread & Vine businesses outside the Territory, notwithstanding their proximity to the Territory or their impact on the Business;
- (ii) operate and license others to operate businesses anywhere that do not operate under the Bread & Vine brand name; and
- (iii) sell and license others to sell products and services in the Territory through channels of distribution (including the internet) other than Bread & Vine outlets.

**2.3 Franchisee Control.** Franchisee represents that Attachment 1 (i) identifies each owner, officer and director of Franchisee, and (ii) describes the nature and extent of each owner’s interest in Franchisee. If any information on Attachment 1 changes (which is not a Transfer), Franchisee shall notify BV Franchise within 10 days.

**2.4 Principal Executive.** Franchisee agrees that the person designated as the “Principal Executive” on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive does not have to serve as a day-to-day general manager of the Business, but the Principal Executive must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to BV Franchise’s reasonable approval.

**2.5 Guaranty.** If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee’s obligations to BV Franchise, in the form of Attachment 3.

**2.6 No Conflict.** Franchisee represents to BV Franchise that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or “blocked” in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

**ARTICLE 3. TERM**

**3.1 Term.** This Agreement commences on the Effective Date and continues for 10 years.

**3.2 Successor Agreement.** When the term of this Agreement expires, Franchisee may enter into a successor agreement for up to 2 additional periods of 5 years each, subject to the following conditions prior to each expiration:

- (i) Franchisee notifies BV Franchise of the election to renew between 90 and 180 days prior to the end of the term;
- (ii) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with BV Franchise (or any of its affiliates) at the time of election and at the time of renewal;
- (iii) Franchisee has made or agrees to make (within a period of time acceptable to BV Franchise) renovations and changes to the Business as BV Franchise requires (including a Remodel, if applicable) to conform to the then-current System Standards;
- (iv) Franchisee and its Owners execute BV Franchise’s then-current standard form of franchise agreement and related documents (including personal guaranty), which may be materially different than this form (including, without limitation, higher and/or different fees), except that Franchisee will not pay another initial franchise fee and will not receive more renewal or successor terms than described in this Section;
- (v) Franchisee and each Owner executes a general release (on BV Franchise’s then-standard form) of any and all claims against BV Franchise, its affiliates, and their respective owners, officers, directors, agents and employees.

**ARTICLE 4. FEES**

**4.1 Initial Franchise Fee.** Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable.

**4.2 Royalty Fee.** Franchisee shall pay BV Franchise a weekly royalty fee (the “Royalty Fee”) equal to 5% of Gross Sales. The Royalty Fee for any given week is due on Tuesday of the following week.

**4.3 Marketing Contributions.**

(a) Marketing Fund Contribution. Franchisee shall pay BV Franchise a contribution to the Marketing Fund (the “Marketing Fund Contribution”) equal to 1% of Franchisee’s Gross Sales (or such lesser amount as BV Franchise determines), at the same time as the Royalty Fee.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative, not to exceed 5%.

**4.4 Replacement / Additional Training Fee.** If Franchisee sends an employee to BV Franchise’s training program after opening, BV Franchise may charge its then-current training fee. As of the date of this Agreement, the training fee is \$400 per day.

**4.5 Non-Compliance Fee.** BV Franchise may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee’s non-payment of a fee owed to BV Franchise) which Franchisee fails to cure after 30 days’ notice. Thereafter, BV Franchise may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of BV Franchise’s internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. The non-compliance fee is in addition to all of BV Franchise’s other rights and remedies (including default and termination under Section 14.2).

**4.6 Reimbursement.** BV Franchise may (but is never obligated to) pay on Franchisee’s behalf any amount that Franchisee owes to a supplier or other third party. If BV Franchise does so or intends to do so, Franchisee shall pay such amount plus a 10% administrative charge to BV Franchise within 15 days after invoice by BV Franchise accompanied by reasonable documentation.

**4.7 Payment Terms.**

(a) Method of Payment. Franchisee shall pay the Royalty Fee, Marketing Fund Contribution, and any other amounts owed to BV Franchise by pre-authorized bank draft or in such other manner as BV Franchise may require. Franchisee shall comply with BV Franchise’s payment instructions.

(b) Calculation of Fees. Franchisee shall report weekly Gross Sales to BV Franchise by Tuesday of the following week. If Franchisee fails to report weekly Gross Sales, then BV Franchise may withdraw estimated Royalty Fees and Marketing Fund Contributions equal to 125% of the last Gross Sales reported to BV Franchise, and the parties will true-up the actual fees after Franchisee reports Gross Sales. Franchisee acknowledges that BV Franchise has the right to remotely access Franchisee’s point-of-sale system to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 “late fee” plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(d) Insufficient Funds. BV Franchise may charge \$30 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by BV Franchise (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. BV Franchise may apply any payment received from Franchisee to any obligation and in any order as BV Franchise may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to BV Franchise any fees or amounts described in this Agreement are not dependent on BV Franchise’s performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

(h) Taxes. Franchisee will be responsible for all sales taxes, use taxes, and other taxes imposed on the fees payable by Franchisee to BV Franchise or its affiliates and on services or goods furnished to Franchisee by BV Franchise or its affiliates, unless the tax is an income tax assessed on BV Franchise or its affiliates for doing business in the state where the Business is located.

BV Franchise may, but is not required to, inspect Franchisee's construction or remodeling progress at any reasonable time. Franchisee shall not rely upon any information provided or opinions expressed by BV Franchise or its representatives regarding any architectural, engineering, or legal matters (including without limitation the Americans With Disabilities Act) in the development and construction of the Business, and BV Franchise assumes no liability with respect thereto. BV Franchise's inspection and/or approval to open the Business is not a representation or a warranty that the Business has been constructed in accordance with any architectural, engineering, or legal standards.

Franchisee shall implement any guaranties, warranties, or similar commitments regarding products and/or services that BV Franchise may require.

If Franchisee borrows money, it shall comply with the terms of its loan and make all loan payments when due. If Franchisee leases the Location, Franchisee shall comply with its lease for the Location and make all rent payments when due.

## ARTICLE 8. SUPPLIERS AND VENDORS

**8.1 Generally.** Franchisee shall acquire all Inputs required by BV Franchise from time to time in accordance with System Standards. BV Franchise may require Franchisee to purchase or lease any Inputs from BV Franchise, BV Franchise's designee, Required Vendors, Approved Vendors, and/or under BV Franchise's specifications. BV Franchise may change any such requirement or change the status of any vendor. To make such requirement or change effective, BV Franchise shall issue the appropriate System Standards.

**8.2 Alternate Vendor Approval.** If BV Franchise requires Franchisee to purchase a particular Input only from an Approved Vendor or Required Vendor, and Franchisee desires to purchase the Input from another vendor, then Franchisee must submit a written request for approval and any information, specifications and/or samples requested by BV Franchise. BV Franchise may condition its approval on such criteria as BV Franchise deems appropriate, which may include evaluations of the vendor's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. BV Franchise will provide Franchisee with written notification of the approval or disapproval of any proposed new vendor within 30 days after receipt of Franchisee's request.

**8.3 Alternate Input Approval.** If BV Franchise requires Franchisee to purchase a particular Input, and Franchisee desires to purchase an alternate to the Input, then Franchisee must submit a written request for approval and any information, specifications and/or samples requested by BV Franchise. BV Franchise may implement a centralized purchasing system. BV Franchise may establish a purchasing cooperative and require Franchisee to join and participate in the purchasing cooperative on such terms and conditions as BV Franchise may determine.

**8.5 No Liability of Franchisor.** BV Franchise shall not have any liability to Franchisee for any claim or loss related to any product provided or service performed by any Approved Vendor or Required Vendor, including without limitation defects, delays, or unavailability of products or services.

**8.6 Product Recalls.** If BV Franchise or any vendor, supplier, or manufacturer of an item used or sold in Franchisee's Business issues a recall of such item or otherwise notifies Franchisee that such item is defective or dangerous, Franchisee shall immediately cease using or selling such item, and Franchisee shall at its own expense comply with all instructions from BV Franchise or the vendor, supplier, or manufacturer of such item with respect to such item, including without limitation the recall, repair, and/or replacement of such item.

## ARTICLE 9. MARKETING

**9.1 Approval and Implementation.** Franchisee shall not conduct any marketing, advertising, or public relations activities (including in-store marketing materials, websites, online advertising, social media marketing or presence, and sponsorships) that have not been approved by BV Franchise. BV Franchise may (but is not obligated to) operate all “social media” accounts on behalf of the System, or it may permit franchisees to operate one or more accounts. Franchisee must comply with any System Standards regarding marketing, advertising, and public relations, include any social media policy that BV Franchise may prescribe. Franchisee shall implement any marketing plans or campaigns determined by BV Franchise.

**9.2 Use by BV Franchise.** BV Franchise may use any marketing materials or campaigns developed by or on behalf of Franchisee, and Franchisee hereby grants an unlimited, perpetual, royalty-free license to BV Franchise for such purpose.

**9.3 Marketing Fund.** BV Franchise may establish a Marketing Fund to promote the System on a local, regional, national, and/or international level. If BV Franchise has established a Marketing Fund:

(a) Separate Account. BV Franchise shall hold the Marketing Fund Contributions from all franchisees in one or more bank accounts separate from BV Franchise’s other accounts.

(b) Use. BV Franchise shall use the Marketing Fund only for marketing, advertising, and public relations materials, programs and campaigns (including at local, regional, national, and/or international level), and related overhead. The foregoing includes such activities and expenses as BV Franchise reasonably determines, and may include, without limitation: development and placement of advertising and promotions; sponsorships; contests and sweepstakes; development of décor, trade dress, Marks, and/or branding; development and maintenance of brand websites; social media; internet activities; e-commerce programs; search engine optimization; market research; public relations, media or agency costs; trade shows and other events; printing and mailing; and administrative and overhead expenses related to the Marketing Fund (including the compensation of BV Franchise’s employees working on marketing and for accounting, bookkeeping, reporting, legal and other expenses related to the Marketing Fund).

(c) Discretion. Franchisee agrees that expenditures from the Marketing Fund need not be proportionate to contributions made by Franchisee or provide any direct or indirect benefit to Franchisee. The Marketing Fund will be spent at BV Franchise’s sole discretion, and BV Franchise has no fiduciary duty with regard to the Marketing Fund.

(d) Contribution by Other Outlets. BV Franchise is not obligated to (i) have all other Bread & Vine businesses (whether owned by other franchisees or by BV Franchise or its affiliates) contribute to the Marketing Fund, or (ii) have other Bread & Vine businesses that do contribute to the Marketing Fund contribute the same amount or at the same rate as Franchisee.

(e) Surplus or Deficit. BV Franchise may accumulate funds in the Marketing Fund and carry the balance over to subsequent years. If the Marketing Fund operates at a deficit or requires

additional funds at any time, BV Franchise may loan such funds to the Marketing Fund on reasonable terms.

(f) Financial Statement. BV Franchise will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of BV Franchise’s fiscal year and will provide the financial statement to Franchisee upon request.

**9.4 Market Cooperatives.** BV Franchise may establish market advertising and promotional cooperative funds (“Market Cooperative”) in any geographical areas. If a Market Cooperative for the geographic area encompassing the Location has been established at the time Franchisee commences operations hereunder, Franchisee shall immediately become a member of such Market Cooperative. If a Market Cooperative for the geographic area encompassing the Location is established during the term of this Agreement, Franchisee shall become a member of such Market Cooperative within 30 days. BV Franchise shall not require Franchisee to be a member of more than one Market Cooperative. If BV Franchise establishes a Market Cooperative:

(a) Governance. Each Market Cooperative will be organized and governed in a form and manner, and shall commence operations on a date, determined by BV Franchise. BV Franchise may require the Market Cooperative to adopt bylaws or regulations prepared by BV Franchise. Unless otherwise specified by BV Franchise, the activities carried on by each Market Cooperative shall be decided by a majority vote of its members. BV Franchise will be entitled to attend and participate in any meeting of a Market Cooperative. Any Bread & Vine business owned by BV Franchise in the Market Cooperative shall have the same voting rights as those owned by its franchisees. Each Business owner will be entitled to cast one vote for each Business owned, provided, however, that a franchisee shall not be entitled to vote if it is in default under its franchise agreement. If the members of a Market Cooperative are unable or fail to determine the manner in which Market Cooperative monies will be spent, BV Franchise may assume this decision-making authority after 10 days’ notice to the members of the Market Cooperative.

(b) Purpose. Each Market Cooperative shall be devoted exclusively to administering regional advertising and marketing programs and developing (subject to BV Franchise’s approval) standardized promotional materials for use by the members in local advertising and promotion.

(c) Approval. No advertising or promotional plans or materials may be used by a Market Cooperative or furnished to its members without the prior approval of BV Franchise pursuant to Section 9.1. BV Franchise may designate the national or regional advertising agencies used by the Market Cooperative.

(d) Funding. The majority vote of the Market Cooperative will determine the dues to be paid by members of the Market Cooperative, including Franchisee, but not less than 1% and not more than 5% of Gross Sales.

(e) Enforcement. Only BV Franchise will have the right to enforce the obligations of franchisees who are members of a Market Cooperative to contribute to the Market Cooperative.

(f) Termination. BV Franchise may terminate any Market Cooperative. Any funds left in a Market Cooperative upon termination will be transferred to the Marketing Fund.

**9.5 Required Spending.** Franchisee shall spend at least 1-2% of Gross Sales each month on marketing the Business. Upon request of BV Franchise, Franchisee shall furnish proof of its compliance with this Section. BV Franchise has the sole discretion to determine what activities constitute “marketing” under this Section. BV Franchise may, in its discretion, determine that if Franchisee contributes to a Market Cooperative, the amount of the contribution will be counted towards Franchisee’s required spending under this Section.

**9.6 Market Introduction Plan.** Franchisee must develop a market introduction plan and obtain BV Franchise’s approval of the market introduction plan at least 30 days before the projected opening date of the Business.

**ARTICLE 10. RECORDS AND REPORTS**

**10.1 Systems.** Franchisee shall use such customer data management, sales data management, administrative, bookkeeping, accounting, and inventory control procedures and systems as BV Franchise may specify in the Manual or otherwise in writing.

**10.2 Reports.**

(a) Financial Reports. Franchisee shall provide such periodic financial reports as BV Franchise may require in the Manual or otherwise in writing, including:

- (i) a monthly profit and loss statement and balance sheet for the Business within 30 days after the end of each calendar month;
- (ii) an annual financial statement (including profit and loss statement, cash flow statement, and balance sheet) for the Business within 90 days after the end of BV Franchise’s fiscal year; and
- (iii) any information BV Franchise requests in order to prepare a financial performance representation for BV Franchise’s franchise disclosure document.

(b) Legal Actions and Investigations. Franchisee shall promptly notify BV Franchise of any Action or threatened Action by any customer, governmental authority, or other third party against Franchisee or the Business, or otherwise involving the Franchisee or the Business. Franchisee shall provide such documents and information related to any such Action as BV Franchise may request.

(c) Government Inspections. Franchisee shall give BV Franchise copies of all inspection reports, warnings, certificates, and ratings issued by any governmental entity with respect to the Business, within three days of Franchisee’s receipt thereof.

(d) Other Information. Franchisee shall submit to BV Franchise such other financial statements, budgets, forecasts, reports, records, copies of contracts, documents related to litigation, tax returns, copies of governmental permits, and other documents and information related to the Business as specified in the Manual or that BV Franchise may reasonably request.

**10.3 Initial Investment Report.** Within 120 days after opening for business, Franchisee shall submit to BV Franchise a report detailing Franchisee's investment costs to develop and open the Business, with costs allocated to the categories described in Item 7 of BV Franchise's Franchise Disclosure Document and with such other information as BV Franchise may request.

**10.4 Business Records.** Franchisee shall keep complete and accurate books and records reflecting all expenditures and receipts of the Business, with supporting documents (including, but not limited to, payroll records, payroll tax returns, register receipts, production reports, sales invoices, bank statements, deposit receipts, cancelled checks and paid invoices) for at least three years. Franchisee shall keep such other business records as BV Franchise may specify in the Manual or otherwise in writing.

**10.5 Records Audit.** BV Franchise may examine and audit all books and records related to the Business, and supporting documentation, at any reasonable time. BV Franchise may conduct the audit at the Location and/or require Franchisee to deliver copies of books, records and supporting documentation to a location designated by BV Franchise. Franchisee shall also reimburse BV Franchise for all costs and expenses of the examination or audit if (i) BV Franchise conducted the audit because Franchisee failed to submit required reports or was otherwise not in compliance with the System, or (ii) the audit reveals that Franchisee understated Gross Sales by 3% or more for any 4-week period.

## **ARTICLE 11. FRANCHISOR RIGHTS**

**11.1 Manual; Modification.** The Manual, and any part of the Manual, may be in any form or media determined by BV Franchise. BV Franchise may supplement, revise, or modify the Manual, and BV Franchise may change, add or delete System Standards at any time in its discretion. BV Franchise may inform Franchisee thereof by any method that BV Franchise deems appropriate (which need not qualify as "notice" under Section 18.9). In the event of any dispute as to the contents of the Manual, BV Franchise's master copy will control.

**11.2 Inspections.** BV Franchise may enter the premises of the Business from time to time during normal business hours and conduct an inspection. Franchisee shall cooperate with BV Franchise's inspectors. The inspection may include, but is not limited to, observing operations, conducting a physical inventory, evaluating physical conditions, monitoring sales activity, speaking with employees and customers, and removing samples of products, supplies and materials. BV Franchise may videotape and/or take photographs of the inspection and the Business. BV Franchise may set a minimum score requirement for inspections, and Franchisee's failure to meet or exceed the minimum score will be a default under this Agreement. Without limiting BV Franchise's other rights under this Agreement, Franchisee will, as soon as reasonably practical, correct any deficiencies noted during an inspection. If BV Franchise conducts an inspection because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed inspection), then BV Franchise may charge all out-of-pocket expenses plus its then-current inspection fee to Franchisee.

**11.3 BV Franchise's Right to Cure.** If Franchisee breaches or defaults under any provision of this Agreement, BV Franchise may (but has no obligation to) take any action to cure the default

on behalf of Franchisee, without any liability to Franchisee. Franchisee shall reimburse BV Franchise for its costs and expenses (including the allocation of any internal costs) for such action, plus 10% as an administrative fee.

**11.4 Right to Discontinue Supplies Upon Default.** While Franchisee is in default or breach of this Agreement, BV Franchise may (i) require that Franchisee pay cash on delivery for products or services supplied by BV Franchise, (ii) stop selling or providing any products and services to Franchisee, and/or (iii) request any third-party vendors to not sell or provide products or services to Franchisee. No such action by BV Franchise shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such rights of BV Franchise are in addition to any other right or remedy available to BV Franchise.

**11.5 Business Data.** All customer data and other non-public data generated by the Business is Confidential Information and is exclusively owned by BV Franchise. BV Franchise hereby licenses such data back to Franchisee without charge solely for Franchisee’s use in connection with the Business for the term of this Agreement.

**11.6 Innovations.** Franchisee shall disclose to BV Franchise all ideas, plans, improvements, concepts, methods and techniques relating to the Business (collectively, “Innovations”) conceived or developed by Franchisee, its employees, agents or contractors. BV Franchise will automatically own all Innovations, and it will have the right to use and incorporate any Innovations into the System, without any compensation to Franchisee. Franchisee shall execute any documents reasonably requested by BV Franchise to document BV Franchise’s ownership of Innovations.

**11.7 Communication Systems.** If BV Franchise provides email accounts and/or other communication systems to Franchisee, then Franchisee acknowledges that it has no expectation of privacy in the assigned email accounts and other communications systems, and Franchisee authorizes BV Franchise to access such communications.

**11.8 Delegation.** BV Franchise may delegate any duty or obligation of BV Franchise under this Agreement to an affiliate or to a third party.

**11.9 System Variations.** BV Franchise may vary or waive any System Standard for any one or more Bread & Vine franchises due to the peculiarities of the particular site or circumstances, density of population, business potential, population of trade area, existing business practices, applicable laws or regulations, or any other condition relevant to the performance of a franchise or group of franchises. Franchisee is not entitled to the same variation or waiver.

**11.10 Temporary Public Safety Closure.** If BV Franchise discovers or becomes aware of any aspect of the Business which, in BV Franchise’s opinion, constitutes an imminent danger to the health or safety of any person, then immediately upon BV Franchise’s order, Franchisee must temporarily cease operations of the Business and remedy the dangerous condition. BV Franchise shall have no liability to Franchisee or any other person for action or failure to act with respect to a dangerous condition.

## ARTICLE 12. MARKS

**12.1 Authorized Marks.** Franchisee shall use no trademarks, service marks or logos in connection with the Business other than the Marks. Franchisee shall use all Marks specified by BV Franchise, and only in the manner as BV Franchise may require. Franchisee has no rights in the Marks other than the right to use them in the operation of the Business in compliance with this Agreement. All use of the Marks by Franchisee and any goodwill associated with the Marks, including any goodwill arising due to Franchisee's operation of the Business, will inure to the exclusive benefit of BV Franchise.

**12.2 Change of Marks.** BV Franchise may add, modify, or discontinue any Marks to be used under the System. Within a reasonable time after BV Franchise makes any such change, Franchisee must comply with the change, at Franchisee's expense.

### 12.3 Infringement.

(a) Defense of Franchisee. If Franchisee has used the Marks in accordance with this Agreement, then (i) BV Franchise shall defend Franchisee (at BV Franchise's expense) against any Action by a third-party alleging infringement by Franchisee's use of a Mark, and (ii) BV Franchise will indemnify Franchisee for expenses and damages if the Action is resolved unfavorably to Franchisee.

(b) Infringement by Third Party. Franchisee shall promptly notify BV Franchise if Franchisee becomes aware of any possible infringement of a Mark by a third party. BV Franchise may, in its sole discretion, commence or join any claim against the infringing party.

(c) Control. BV Franchise shall have the exclusive right to control any prosecution or defense of any Action related to possible infringement of or by the Marks.

**12.4 Name.** If Franchisee is an entity, it shall not use the words "Bread & Vine" or any confusingly similar words in its legal name.

## ARTICLE 13. COVENANTS

**13.1 Confidential Information.** With respect to all Confidential Information, Franchisee shall (a) adhere to all procedures prescribed by BV Franchise for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized in writing by BV Franchise, (d) exercise the highest degree of diligence and effort to maintain the confidentiality of all such information during and after the term of this Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Franchisee acknowledges that all Confidential Information is owned by BV Franchise (except for Confidential Information which BV Franchise licenses from another person or entity). This Section will survive the termination or expiration of this Agreement indefinitely.

### **13.2 Covenants Not to Compete.**

(a) Restriction – In Term. During the term of this Agreement, neither Franchisee, any Owner, nor any spouse of an Owner (the “**Restricted Parties**”) shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after this Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor within five miles of Franchisee’s Territory or the territory of any other Bread & Vine business operating on the date of termination or transfer, as applicable. If this Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Bread & Vine business operating on the date of termination.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of BV Franchise. Franchisee agrees that the existence of any claim it may have against BV Franchise shall not constitute a defense to the enforcement by BV Franchise of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

**13.3 General Manager and Key Employees.** If requested by BV Franchise, Franchisee will cause its general manager and other key employees to sign BV Franchise’s then-current form of confidentiality and non-compete agreement (unless prohibited by applicable law).

## **ARTICLE 14. DEFAULT AND TERMINATION**

**14.1 Termination by Franchisee.** Franchisee may terminate this Agreement only if BV Franchise violates a material provision of this Agreement and fails to cure or to make substantial progress toward curing the violation within 30 days after receiving written notice from Franchisee detailing the alleged default. Termination by Franchisee is effective 10 days after BV Franchise receives written notice of termination.

### **14.2 Termination by BV Franchise.**

(a) Subject to 10-Day Cure Period. BV Franchise may terminate this Agreement if Franchisee does not make any payment to BV Franchise when due, or if Franchisee does not have sufficient funds in its account when BV Franchise attempts an electronic funds withdrawal, and Franchisee fails to cure such non-payment within 10 days after BV Franchise gives notice to Franchisee of such breach.

(b) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (a) or (c), and Franchisee fails to cure such breach to BV

Franchise's satisfaction within 30 days after BV Franchise gives notice to Franchisee of such breach, then BV Franchise may terminate this Agreement.

(c) Without Cure Period. BV Franchise may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee misrepresented or omitted material facts when applying to be a franchisee, or breaches any representation in this Agreement;
- (ii) Franchisee knowingly submits any false report or knowingly provides any other false information to BV Franchise;
- (iii) a receiver or trustee for the Business or all or substantially all of Franchisee's property is appointed by any court, or Franchisee makes a general assignment for the benefit of Franchisee's creditors, or Franchisee is unable to pay its debts as they become due, or a levy or execution is made against the Business, or an attachment or lien remains on the Business for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee, or a petition in bankruptcy is filed by Franchisee, or such a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;
- (iv) Franchisee fails to open for business by the date specified on the Summary Page;
- (v) Franchisee loses possession of the Location;
- (vi) Franchisee or any Owner commits a material violation of Section 7.2 (compliance with laws) or Section 13.1 (confidentiality), violates Section 13.2 (non-compete) or Article 15 (transfer), or commits any other violation of this Agreement which by its nature cannot be cured;
- (vii) Franchisee abandons or ceases operation of the Business for more than five consecutive days;
- (viii) Franchisee or any Owner slanders or libels BV Franchise or any of its employees, directors, or officers;
- (ix) Franchisee refuses to cooperate with or permit any audit or inspection by BV Franchise or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2;
- (x) the Business is operated in a manner which, in BV Franchise's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from BV Franchise or otherwise);
- (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;

- (xii) BV Franchise (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate) (provided that termination of a Multi-Unit Development Agreement with Franchisee or its affiliate shall not give BV Franchise the right to terminate this Agreement);
- (xiii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in BV Franchise's opinion is reasonably likely to materially and unfavorably affect the Bread & Vine brand.

**14.3 Effect of Termination.** Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to BV Franchise based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to BV Franchise all copies of the Manual, Confidential Information and any and all other materials provided by BV Franchise to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;
- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to BV Franchise or any new franchisee as may be directed by BV Franchise, and Franchisee hereby irrevocably appoints BV Franchise, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

**14.4 Remove Identification.** Within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Bread & Vine business, to the reasonable satisfaction of BV Franchise. Franchisee shall comply with any reasonable instructions and procedures of BV Franchise for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, BV Franchise may enter the Location to remove the Marks and de-identify the Location. In this event, BV Franchise will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by BV Franchise.

**14.5 Liquidated Damages.** If BV Franchise terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to BV Franchise a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to BV Franchise under this Agreement for the 52-week period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 104 or (2) the number of weeks remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 52 weeks, then (x) will equal the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to BV Franchise during the period that Franchisee operated the Business. The "average Royalty Fees and Marketing Fund Contributions that Franchisee owed to BV Franchise" shall not be discounted or adjusted due to any deferred or reduced Royalty Fees and Marketing Fund Contributions set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of BV Franchise's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to BV Franchise under this Section will be in lieu of any direct monetary damages that BV Franchise may incur as a result of BV Franchise's loss of Royalty Fees and Marketing Fund Contributions that would have been owed to BV Franchise after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, BV Franchise's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which BV Franchise is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that BV Franchise may have under this Agreement or otherwise.

**14.6 Purchase Option.** When this Agreement expires or is terminated, BV Franchise will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to BV Franchise. To exercise this option, BV Franchise must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that BV Franchise elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. BV Franchise's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. BV Franchise may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by BV Franchise. If BV Franchise exercises the purchase option, BV Franchise may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by BV Franchise to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, BV Franchise may pay a portion of the purchase price directly to the lienholder to pay off such lien. BV Franchise may withhold 25% of the purchase price for 90 days to ensure

that all of Franchisee’s taxes and other liabilities are paid. BV Franchise may assign this purchase option to another party.

**ARTICLE 15. TRANSFERS**

**15.1 By BV Franchise.** BV Franchise may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and BV Franchise may undergo a change in ownership and/or control, without the consent of Franchisee.

**15.2 By Franchisee.** Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that BV Franchise entered into this Agreement in reliance on Franchisee’s business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing BV Franchise at least 60 days prior notice of the proposed Transfer, and without obtaining BV Franchise’s consent. In granting any such consent, BV Franchise may impose conditions, including, without limitation, the following:

- (i) BV Franchise receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by BV Franchise;
- (ii) the proposed assignee and its owners have completed BV Franchise’s franchise application processes, meet BV Franchise’s then-applicable standards for new franchisees, and have been approved by BV Franchise as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes BV Franchise’s then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to BV Franchise and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to BV Franchise or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as BV Franchise may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of BV Franchise in a form satisfactory to BV Franchise; and
- (ix) the Business fully complies with all of BV Franchise’s most recent System Standards.

**15.3 Transfer for Convenience of Ownership.** If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to BV Franchise, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by BV Franchise, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

**15.4 Transfer upon Death or Incapacity.** Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by BV Franchise (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

**15.5 BV Franchise's Right of First Refusal.** Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), BV Franchise will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to BV Franchise a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of BV Franchise's receipt of such copy, BV Franchise will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that BV Franchise may substitute cash for any other form of payment). If BV Franchise does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

**15.6 No Sublicense.** Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

**15.7 No Lien on Agreement.** Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

## ARTICLE 16. INDEMNITY

**16.1 Indemnity.** Franchisee shall indemnify and defend (with counsel reasonably acceptable to BV Franchise) BV Franchise, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against BV Franchise and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee's intentional misconduct or negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

**16.2 Assumption.** An Indemnitee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

## **ARTICLE 17. DISPUTE RESOLUTION**

### **17.1 Arbitration.**

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where BV Franchise's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of BV Franchise's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for BV Franchise to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, BV Franchise and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

**17.2 Damages.** In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

**17.3 Waiver of Class Actions.** The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

**17.4 Time Limitation.** Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not

apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

**17.5 Venue Other Than Arbitration.** For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where BV Franchise’s headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where BV Franchise’s headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

**17.6 Legal Costs.** In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party’s attorney fees, costs and other expenses of the legal proceeding. “Prevailing party” means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

**ARTICLE 18. MISCELLANEOUS**

**18.1 Relationship of the Parties.** The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. BV Franchise is not a fiduciary of Franchisee. BV Franchise does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect BV Franchise’s interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. BV Franchise has no liability for Franchisee’s obligations to any third party whatsoever.

**18.2 No Third-Party Beneficiaries.** This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, BV Franchise, and BV Franchise’s affiliates.

**18.3 Entire Agreement.** This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by BV Franchise in its franchise disclosure document.

**18.4 Modification.** No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit BV Franchise’s rights to modify the Manual or System Standards.

**18.5 Consent; Waiver.** No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party’s rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

**18.6 Cumulative Remedies.** Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

**18.7 Severability.** The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

**18.8 Governing Law.** The laws of the state of Illinois (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Illinois law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

**18.9 Notices.** Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to BV Franchise, addressed to 217 S. Main St, Galena, IL 61036. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, BV Franchise may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

**18.10 Holdover.** If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), BV Franchise may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as BV Franchise specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

**18.11 Joint and Several Liability.** If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

**18.12 No Offer and Acceptance.** Delivery of a draft of this Agreement to Franchisee by BV Franchise does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and BV Franchise.

**ARTICLE 19. CERTIFICATION OF FRANCHISOR’S COMPLIANCE**

By signing this Agreement, Franchisee acknowledges the following:

- (1) Franchisee understands all the information in BV Franchise’s Disclosure Document.
- (2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee’s skills, abilities and efforts and those of the persons Franchisee employs, as well as many factors beyond Franchisee’s control such as

weather, competition, interest rates, the economy, inflation, labor and supply costs, lease terms, and the marketplace.

- (3) That no person acting on BV Franchise's behalf made any statement or promise regarding the costs involved in operating a Bread & Vine franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (4) That no person acting on BV Franchise's behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.
- (5) That no person acting on BV Franchise's behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue a Bread & Vine franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (6) That no person acting on BV Franchise's behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.
- (7) Franchisee understands that this Agreement contains the entire agreement between BV Franchise and Franchisee concerning the Bread & Vine franchise, which means that any oral or written statements not set out in this Agreement will not be binding. In deciding to enter into this Agreement, Franchisee is not relying on any statement, promise, claim, or representation not expressly set forth in this Agreement or in the Disclosure Document.

### GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of BV Franchise, LLC, a Wyoming Limited Liability Company (“BV Franchise”).

**Background Statement:** \_\_\_\_\_ (“Franchisee”) desires to enter into a Franchise Agreement with BV Franchise for the franchise of a Bread & Vine business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce BV Franchise to enter into the Franchise Agreement.

Guarantor agrees as follows:

**1. Guaranty.** Guarantor hereby unconditionally guarantees to BV Franchise and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to BV Franchise, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and BV Franchise upon demand from BV Franchise. Guarantor waives (a) acceptance and notice of acceptance by BV Franchise of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that BV Franchise make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

**2. Confidential Information.** With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by BV Franchise for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by BV Franchise, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by BV Franchise or its affiliates (except for Confidential Information which BV Franchise licenses from another

person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to BV Franchise. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

**3. Covenants Not to Compete.**

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within five miles of Franchisee’s Territory or the territory of any other Bread & Vine business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Bread & Vine business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of BV Franchise. Guarantor agrees that the existence of any claim it or Franchisee may have against BV Franchise shall not constitute a defense to the enforcement by BV Franchise of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

**4. Modification.** Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which BV Franchise may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

**5. Governing Law; Dispute Resolution.** This Guaranty shall be governed by and construed in accordance with the laws of the state of Illinois (without giving effect to its principles of conflicts of law). The parties agree that any Illinois law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to BV Franchise all costs incurred by BV Franchise (including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

### MULTI-UNIT DEVELOPMENT AGREEMENT

This Multi-Unit Development Agreement (this “MUDA”) is made between BV Franchise, LLC, a Wyoming Limited Liability Company (“BV Franchise”) and \_\_\_\_\_, a \_\_\_\_\_ (“Franchisee”) on the Effective Date.

**Background Statement:** On the same day as they execute this MUDA, BV Franchise and Franchisee have entered into a Franchise Agreement for the franchise of a Bread & Vine business (the “Franchise Agreement”; capitalized terms used but not defined in this MUDA have the meanings given in the Franchise Agreement). BV Franchise and Franchisee desire that Franchisee develop multiple Bread & Vine businesses.

#### 1. Multi-Unit Commitment.

(a) Development Schedule; Fee. Franchisee shall develop and open Bread & Vine businesses on the following schedule:

Store #	Deadline for Opening	Total # of Stores to be Open and Operating on Deadline	Initial Franchise Fee
1		1	\$_____
2		2	\$_____
3		3	\$_____
4		4	\$_____
5		5	\$_____
Total Initial Franchise Fee:			

(b) Payment. Upon execution of this MUDA, Franchisee shall pay the total Initial Franchise Fee to BV Franchise. The Initial Franchise Fee is non-refundable.

**2. Form of Agreement.** For Store #1, Franchisee and BV Franchise have executed the Franchise Agreement simultaneously with this MUDA. For each additional Bread & Vine franchise, Franchisee shall execute BV Franchise’s then-current standard form of franchise agreement no later than three business days after Franchisee leases or acquires a location. This MUDA does not give Franchisee the right to construct, open, or operate a Bread & Vine business, and Franchisee acknowledges that Franchisee may construct, open, and operate each Bread & Vine business only pursuant to a separate franchise agreement executed pursuant to this MUDA for each such Bread & Vine business.

**3. Development Area.** Franchisee shall locate each Bread & Vine business it develops under this MUDA within the following area: \_\_\_\_\_ (the “Development Area”). Franchisee acknowledges that it does not have exclusive rights to develop, open or operate Bread & Vine businesses in the Development Area.

**4. Default and Termination.** BV Franchise may terminate this MUDA by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee fails to satisfy the development schedule; or
- (ii) BV Franchise has the right to terminate any franchise agreement between BV Franchise and Franchisee (or any affiliate thereof) due to Franchisee’s default thereunder (whether or not BV Franchise actually terminates such franchise agreement).

**5. Limitation of Liability.** Franchisee’s commitment to develop Bread & Vine businesses is in the nature of an option only. If BV Franchise terminates this MUDA for Franchisee’s default, Franchisee shall not be liable to BV Franchise for lost future revenues or profits from the unopened Bread & Vine businesses. Franchisee may terminate this MUDA at any time.

**6. Conditions.** Franchisee’s right to develop each Bread & Vine franchise after the Store #1 is subject to the following:

- (i) Franchisee must possess sufficient financial and organizational capacity to develop, open, operate, and manage each additional Bread & Vine business, in the reasonable judgment of BV Franchise, and
- (ii) Franchisee must be in full compliance with all brand requirements at its open Bread & Vine businesses, and not in default under any Franchise Agreement or any other agreement with BV Franchise.

**7. Dispute Resolution; Miscellaneous.** The laws of the State of Illinois (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Illinois law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 7. Franchisee shall not Transfer this MUDA without the prior written consent of BV Franchise, and any Transfer without BV Franchise’s prior written consent shall be void. The provisions of Article 17 (Dispute Resolution) and Article 18 (Miscellaneous) of the Franchise Agreement apply to and are incorporated into this MUDA as if fully set forth herein.

We have audited the financial statements of BV FRANCHISE, LLC (the “Company”), which comprise the Balance Sheet as of December 31, 2024, the related Profit & Loss Statement, the related Statement of Cashflows, the related Statement of Shareholders’ Equity, and the related notes for the twelve-month period then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024, and the results of its operations and its cash flows for the twelve-month period ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES**

BV FRANCHISE, LLC (the “Company”) was incorporated under the laws of the State of Wyoming for the purpose of offering franchise opportunities to entrepreneurs who want to own their own ‘Bread & Vine’ location, as a franchise.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Franchisee Receivables

The Company’s franchisee receivables primarily result from initial franchise fees, royalty fees, brand development contributions and training fees charged to franchisees. Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized after invoicing. The Company reports these receivables at net realizable value.

Management determines the allowance for doubtful accounts based on historical losses, current expectations, and economic conditions. On a continuing basis, management analyzes delinquent accounts receivable and, once these accounts receivable are determined to be uncollectible, they are written off through a charge against an existing allowance account. The allowance account is reviewed regularly and adjusted against earnings as appropriate. The Company determined that an allowance on outstanding franchisee receivables of \$0 was necessary as of December 31, 2024. Franchisee bad debt expense was \$0 for the year ended December 31, 2024. Franchisee amounts written off were \$0 for the year ended December 31, 2024.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)**

Fixed Assets and Depreciation

Property and Equipment is stated at cost. Accounting principles generally accepted in the United States of America require that property and equipment be depreciated using the straight-line method. Expenditures for normal repairs and maintenance are charged to operations as incurred.

The Company reviews long-lived assets for impairment whenever events or circumstances indicate that the carrying value of such assets may not be fully recoverable. Impairment is present when the sum of the undiscounted estimated future cash flows expected to result from use of the assets is less than carrying value. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. As of December 31, 2024, no impairment loss has been recognized for long-lived assets.

Fair Value of Financial Instruments

Financial Accounting Standards Board (“FASB”) guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).
- Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

As of December 31, 2024, the carrying amounts of the Company’s financial assets and liabilities reported in the balance sheets approximate their fair value.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)**

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees are fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in 2021 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the stand-alone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)**

Income Taxes

The Company applies ASC 740 Income Taxes (“ASC 740”). Deferred income taxes are recognized for the tax consequences in future years of differences between the tax bases of assets and liabilities and their financial statement reported amounts at each period end, based on enacted tax laws and statutory tax rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. The provision for income taxes represents the tax expense for the period, if any and the change during the period in deferred tax assets and liabilities.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of December 31, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

**NOTE C – CONCENTRATIONS OF RISK**

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

**NOTE D – SUBSEQUENT EVENTS**

Management has evaluated subsequent events through June 4, 2025, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management’s review substantially affect the amounts and disclosure of the accompanying financial statements.

## INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of BV FRANCHISE, LLC

### **Opinion**

We have audited the financial statements of BV FRANCHISE, LLC (the “Company”), which comprise the Balance Sheet as of June 25, 2024, and the related notes for the period then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at June 25, 2024, and the results of its operations and its cash flows for the period ended June 25, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud June involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Chicago, Illinois, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Illinois. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Bread & Vine business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

## INDIANA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated \_\_\_\_\_ (the “Agreement”), between BV Franchise, LLC, a Wyoming Limited Liability Company (“BV Franchise”) and \_\_\_\_\_, a \_\_\_\_\_ (“Franchisee”).

**1. Definitions.** Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

**2. Certain Provisions Modified.** Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase

notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

## MINNESOTA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated \_\_\_\_\_ (the “Agreement”), between BV Franchise, LLC, a Wyoming Limited Liability Company (“BV Franchise”) and \_\_\_\_\_, a \_\_\_\_\_ (“Franchisee”).

**1. Definitions.** Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

**2. Amendments.** The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

**WASHINGTON ADDENDUM TO DISCLOSURE DOCUMENT  
AND  
RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT**

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitation period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
