For Committed Franchisees, subsequent Licensed Businesses, however, shall have an initial fee of \$30,000 per Licensed Business and a training fee of \$10,000 per Licensed Business. Half of the initial fees for subsequent Licensed Businesses is due when the franchise fee for the first Licensed Business is due. For example, if a Committed Franchisee commits to opening three Licensed Businesses, the Committed Franchisee will pay an initial franchise fee of \$40,000 for the first Licensed Business as well as a \$15,000 training fee payable two weeks before training for the first Licensed Business begins. Along with paying the initial franchise fee of \$40,000 for the first Licensed Business, the Committed Franchisee will also pay \$30,000 (\$15,000 which is half the franchise fee of the second Licensed Business + \$15,000 which is half the franchise fee of the third Licensed Business). When the Committed Franchisee signs the License Agreement for the second Licensed Business, the Committed Franchisee will pay the other half of the initial franchise fee (\$15,000) for the second Licensed Business as well as the training fee \$10,000 for the second Licensed Business two weeks before training for the second Licensed Business begins. When the Committed Franchisee signs the License Agreement for the third Licensed Business the Committed Franchisee will pay the other half of the initial franchise fee (\$15,000) for the third Licensed Business as well as the \$10,000 training fee for the third Licensed Business payable two weeks before training for the third Licensed Business begins.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Supplier Control

You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” to see whether your state requires other risks to be highlighted.

Notes:

- (1) We do not finance any fee. For Committed Franchisees only the first Licensed Business requires a payment of \$40,000 franchise fee and \$15,000 training fee as subsequent Licensed Businesses will have a franchise fee of \$30,000 per licensed business and a training fee of \$10,000 per licensed business.
- (2) We do not require you to build or purchase property to establish your Cabin Coffee but you have the option to do so. You may lease an already existing space. A Cabin Coffee may range from 700 to 2,500 square feet. Refunds depend on your lease with the building owner. The lease cost depends on factors such as location, size, market area and the building's physical condition. Under a lease, it is common for the owner to require a deposit of the first and last month's rent which may be refundable if the building is undamaged when your lease ends.
- (3) Interior designs will be provided to you by us and the costs for following our designs will be paid by you. This includes, but is not limited to, costs to purchase and install counters, exhaust systems, light fixtures, paint, carpet, or tile. These costs are generally due immediately to the contractor doing the work and are not refundable.
- (4) Equipment includes, but is not limited to, kitchen equipment, furniture, small wares, coffee brewing and roasting equipment, and other kitchen equipment must be purchased from designated suppliers approved by CCF.
- (5) The point of sale system must be purchased from a designated supplier. Some locations may require more than one system.

- (6) Sign expenses include the purchase of indoor and outdoor signs. Interior signs must be purchased from a supplier approved by us. Exterior signs must be purchased from a designated supplier. A local sign company may be hired to install the signs and may work with your city on variances for placement of the signs. Sign suppliers and installers must be paid immediately and payment is normally not refundable.
- (7) Inventory items that must be purchased from us or our affiliate in order to open the Cabin Coffee include such things as retail products with the Cabin Coffee Co. logo or other logos, i.e. ceramic mugs, travel mugs, French presses, t-shirts, sweatshirts and hats. Other items that must be purchased from us or our affiliate are coffee beans, menu boards, to-go menus, coffee menus, other retail products, saddle bar stools, barn wood signs. All are purchased on a cash basis from us or our affiliate company and are not refundable. Disposable cups and some kitchen equipment must be purchased from a designated supplier.
- (8) Advertising before the Cabin Coffee is opened depends on your market area. Initial advertising costs after opening depends also on your market area. Large metropolitan areas may require advertising in newspapers and on radio and television. Smaller communities may get to know your product and services with little advertising. All franchisees are required to advertise using social media, which includes, at a minimum, Facebook and Instagram.
- (9) Insurance costs depend on the building's size, location and ownership. Annual premiums are typically due immediately to the insurer with partial refunds if you should cancel your insurance.
- (10) Your initial start-up expenses include payroll costs. These figures are estimates. We cannot guarantee you will not have additional expenses starting your business. Your costs will depend on factors such as: how you follow our methods; your management skill; your business experience; local economic conditions; local market for our product; prevailing wage rate; competition; and sales levels reached during the initial period.
- (11) Installation and configuration of all networking with our support center, POS system, and franchisee's computer hardware and software.
- (12) The construction manager(s) will approve and oversee all contractors, oversee equipment placement and furniture per our floor plan.
- (13) The architect/engineer will review and approve structural specifications provided by us. We will provide specifications for furniture, fixtures, equipment, initial floor plan, reflective ceiling and interior and exterior elevations. You are responsible for paying for and providing final construction documents.
- (14) Includes utility costs, incorporation or professional service fees such as attorney's or accountant's fees.

We relied on the experience of Cabin Coffee Clear Lake Inc. and Cabin Coffee Company of Mason City Partnership in compiling these figures. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

- (15) Franchisee understands operating a Licensed Business requires knowledge and skill. Franchisee agrees it will not operate the Licensed Business if, in the opinion of CCF, Franchisee has not learned or acquired the proper knowledge and skills to conduct the Licensed Business. In the event CCF makes such a determination, Franchisee and CCF agree to enter into good faith negotiations to retrain Franchisee which may be at Franchisee's expense.
- (16) The Committed Franchise Fees are only associated with Committed Franchisees and are due when the first franchise agreement is signed. The Committed Franchise Fees are intended to cover ½ of the franchise fees for subsequent committed licensed locations.

If you are a Committed Franchisee you will be charged \$15,000 for training associated with your first Licensed Business and you must pay your own and your employee's travel and living expenses. For subsequent Licensed Businesses, you, as a Committed Franchisee, will be charged \$10,000 per Licensed Business and you must pay your own and your employee's travel and living expenses for training. **(License ¶5.C)**

Two weeks before you open your business and during the first week of operation, we will provide training at your Cabin Coffee that will cover the subjects listed above. **(License ¶5.C).**

The training programs may be shortened or lengthened at our discretion depending upon your previous experience. We have written requirements that you or a person chosen by you complete the training program to our satisfaction.

(5) Provide you with recipes and other techniques for proper preparation, sale and service of drink or food items. **(License ¶5.E)**

(6) Designate suitable sources of raw materials and other supplies for preparation, service and sale of drink or food items conforming to our standard specifications. **(License ¶5.F)**

During the operation of the franchised business, we will:

(1) Send our supervisors to personally visit your Cabin Coffee to advise or consult with you and your key people. You may call us for advice at any time for no extra charge. **(License ¶5.H)**

(2) Permit you to use all of our registered or unregistered trademarks, trade names, trade dress, trade secrets, logos and business features in the operation of your business per our brand management Agreement. **(License ¶1.A)**

If we decide to advertise regionally or nationally, we will give you 30 days' notice. We may then collect an advertising fee from all franchisees which are under a franchise agreement requiring the payment of the fee. The amount of advertising fees we have the right to collect is a percentage of the gross sales of your Cabin Coffee for the previous month. You must contribute the percentage of gross sales for the previous month as described in Item 6, under the heading "Advertising Fees and Expenses." Presently, we do not advertise regionally or nationally. We will provide advertising for your use at your expense.

You may develop advertising for print, radio or television for your own use at your own cost, but only with our approval. We are not required to advertise in your territory, unless we have determined to conduct area, regional or nationwide advertising in your Cabin Coffee's area. Since we have a web page on the internet, we ask that you do not advertise on the World Wide Web other than through approved social media platforms.

You select the site of your Cabin Coffee within your exclusive area subject to our approval. Our approval will not be unreasonably withheld. We may assist you in determining whether a particular site will be acceptable. In evaluating a site, we consider population and area's demographics, traffic count, accessibility, availability of utilities, and zoning. We will either approve or disapprove the site within 30 days after it is submitted to us. If we disapprove a site, you may submit other proposed sites until we approve one. Your selection of a site should be final within 15 to 30 days contingent on how you update us during the site selection.

It is expected that you will be able to open your Cabin Coffee 6 months to 1 year after you sign a franchise agreement. The factors that affect this time are the ability to obtain a lease, building, obtaining local or state permits, or delayed installation of equipment, fixtures or signs, and/or completion of training. You must open the Cabin Coffee within 1 year from signing the franchise agreement. **(License ¶1.B.)**

The point of sale system (p.o.s.) is a touch screen system. All orders are entered on and taken from the p.o.s. The system is cloud based. If we have company-wide specials, we can change your screens from our home office to reflect menus and prices. The system is purchased through our designated supplier described in Item 8 above. The software is proprietary and is exclusive to Cabin Coffee Company, Inc.. When you receive the p.o.s. system, it is already programmed and ready to operate, and may be put into a training mode for your use. A credit card swipe and EMV reader is built into the p.o.s. You will have a separate contract/agreement with 24/7 to provide upgrades to the system and support to you. The annual fee for these upgrades and support is \$5,000- \$6,000 per year paid directly to designated supplier listed in Item 8..

You must have high speed internet and 2 dedicated phone lines, voice mail, and a fixed internet protocol (IP) address.

We do have the right of unrestricted access to your business data and materials supporting your monthly and annual reports. **(License ¶6.B)**

ITEM 12

TERRITORY

You will receive one or more territories in which you will have the exclusive right to operate one or more Cabin Coffees under the name "Cabin Coffee Co." Territory size is negotiable depending on various things such as size of a city and the territory's demographics. Unless specified differently in the AGREEMENT FOR LICENSE AND SERVICE (also known as the franchise agreement), the minimum territory for one Cabin Coffee bar is described as a circle having a radius of three miles with the Cabin Coffee located at the circle's center, the location to be approved by us. You do not receive the right to acquire additional franchises or open additional Cabin Coffees in your territory. However, there are no restrictions on the number of customers you may seek, except for any local or state restrictions.

You may relocate your Cabin Coffee in your territory, but only with our written approval.

If your franchise agreement has not been terminated with us, we will not operate Cabin Coffees or grant other franchises within your territory without your written consent.

There is no minimum sales volume in order for you to keep your territory. We have no right to modify your territory because of changes in the area such as population increase. There are no other circumstances that permit us to modify your territory.

We do not plan to franchise any other coffee business that would sell the drinks, food or offer services similar to Cabin Coffee Co.'s.

Other than through the internet and social media, we will not directly market drinks, food and/or offer services to consumers in your territory without your written permission. Similarly, other than through the internet and social media, you will not directly market drinks, food, and/or offer services to consumers outside your territory without our written permission.

ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATION

The FTC's Franchise Rule permits us to provide information about the actual or potential financial performance of our franchised and/or franchisor-owned business unit, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) we provide the actual records of an existing outlet you are considering buying; or (2) we supplement the information provided in this Item 19, for example by providing information about possible performance at a particular location or under particular circumstances.

Cabin Coffee franchisees are located in towns of various sizes in various states. Cabin Coffee franchisees have had sales ranging from \$286,962.00 to \$961,962. These sales figures do not include the sales from franchisees located in grocery stores (Savanna, MO and Lisbon, IA) since such locations have different overhead and capacities compared to brick and mortar stores. Some outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

Bases

These sales figures are derived from the actual historical performance of all Cabin Coffee franchisees having dine-in areas including franchisees located in: Georgia (1), Iowa (7), Minnesota (4), Wisconsin (3), Indiana (2), and Tennessee (2). These sales figures were achieved over calendar year 2024.

There are twenty one (21) Cabin Coffee franchisees in the entire Cabin Coffee system, the geographic locations of which are identified in the brackets above. For example there is one (1) Cabin Coffee franchisee in Georgia, seven (7) in Iowa, four (4) in Minnesota, and so on.

Assumptions

Our study measured all of the Cabin Coffee franchisees' performance. The market where your Cabin Coffee shop is located, however, may be in a smaller urban or suburban area than those of existing franchisees.

Further, each of the franchises studied has been in business at least three years. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

We do not make any representations about a franchisee's future financial performance. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing business unit, however, we may provide you with the actual records of that business unit. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting our President, Angela Barber, 408 South 15th Street, Clear Lake, IA 50428, Telephone 641.357.4736 or the Federal Trade Commission, and the appropriate state regulatory agencies.

ITEM 20

See the following charts for the number of franchises at the end of each year for the last 3 years, the number of franchises which have been transferred, cancelled or have stopped doing business, the status of company-owned Cabin Coffees, and the projected opening of new franchises.

A list of franchisees who had a franchise terminated, cancelled, not renewed or who voluntarily or involuntarily stopped doing business under their franchise agreement during the most recently completed fiscal year or who had not communicated with us within 10 weeks prior to fiscal year end is attached as Exhibit D.

EXHIBIT A

CABIN COFFEE FRANCHISING, INC.

AGREEMENT FOR LICENSE AND SERVICE

THIS AGREEMENT is made effective _____, 2025, between Cabin Coffee Franchising, Inc. ("Company"), and _____. ("Licensee").

Company is the exclusive owner of all business techniques, goodwill, recipes, trade dress, trademarks, and trade secrets ("Proprietary Property") associated with an artifact themed coffee operation under the trademark, "Cabin Coffee Co®." ("Licensed Business") and has established a good reputation and public demand for such operation and its associated products.

Licensee desires, under the conditions in this Agreement, to establish and operate one Licensed Business under the guidance and permission from the Company.

In consideration of the money paid or to be paid and of the matters recited and their mutual promises,

IT IS AGREED by Company and Licensee as follows:

1. License:

- A. Company grants to Licensee during the term of this Agreement an exclusive license for use of Proprietary Property for the following trademarks ("Licensed Marks") in conjunction with the operation of a single Licensed Business to be located in _____, _____ ("Licensed Location"):

- *Cabin Coffee Co.* (Reg. No. 3,017,005);
- *Just Be Happy...and Have Fun!* (RN. 3,000,301);
- *Cabin Coffee Co.* (with Design) (RN. 4,710,811);
- *Just Be Happy...and Have Fun!* (with Design)(RN. 4,797,127);
- *EVERYTHING'S BETTER AT THE CABIN* (RN. 6,714,502)

The territory of Licensee's exclusive right under this Agreement is defined in Exhibit 1 to this Agreement, but in no event shall be less than an area around Licensed Location with a radius of three miles.

- B. Licensee shall have one (1) year from the effective date of this Agreement to open Licensed Business at a location approved in writing by Company or this

Agreement may be terminated at Company's option according to Section 18 of this Agreement.

C. From time to time Company will provide Licensee copyrighted materials. Company will protect Licensee against claims of copyright infringement for any material Company provides so long as: 1) Licensee notifies Company of any allegation of a copyright infringement claim within one week of receiving the notice; 2) Licensee's use is, and has been, consistent with the terms provided by Company when the copyrighted material is provided; and 3) when instructed by Company, Licensee immediately modifies or ceases use of the allegedly infringing copyrighted material. Company will control any litigation involving any licensed copyrights and Licensee agrees to assist in any such litigation. So long as the above conditions are satisfied, Company will indemnify Licensee against any damages in a proceeding involving the allegedly infringing copyrighted material. Please note failure to take the above actions is grounds for termination of this Agreement.

2. Royalties:

- A. To secure its license, Licensee shall on a semi-monthly basis throughout the term of this Agreement, pay Company a royalty/service fee of six percent (6%) based on semi-monthly Gross Revenues of Licensed Business during the term of this agreement. This royalty/service fee, in part, compensates Company for its continuing assistance to Licensee in the operation of Licensed Business.

Licensee further agrees to pay Company a one and one-half percent (1 ½ %) penalty fee per month on all late payments of royalty/service fees. Within the fifth (5th) day after the end of each month and twentieth (20th) day after the fifteenth (15th) day of each month, Licensee will pay to Company all required royalties for the prior period.

- B. C. Company will have the unqualified right at any reasonable time to examine or audit Licensee's books, records and correspondence and to make copies. If any such examination or audit discloses a deficiency in any payment due Company, Company will give notice of the deficiency to Licensee and Licensee must pay the amount of the deficiency within 10

As yet another example, Licensee shall pay for hotel accommodations for Company's supervisory personnel or its designees.
- I. Licensee may purchase paper products (except for coffee cups), business furnishings, and services from undesignated suppliers, provided that such goods and services conform in quality to Licensor's Standard Specifications and approval and provided such undesignated suppliers are approved by Company. If Licensee desires to purchase such goods and services from undesignated suppliers, Licensee must fill out the vendor product request form and then submit samples to the Company for testing to determine whether the goods and services comply with Licensor's Standard Specifications. The written approval of the Company must be obtained by Licensee prior to the time that any such goods and/or services are used at Licensed Business.

Licensee shall return all copies of Company's manuals and other Proprietary Property within 30 days of termination.

9. Noncompetition: Licensee and its principals and anyone in active participation therewith will not, during the term of this Agreement and for a period of 24 months after termination or expiration thereof, without the express written consent of Company, engage directly or indirectly in any business or other enterprise similar to Licensed Business within twenty-five (25) miles of Licensed Location or that is competitive with Company or with any other person under a like franchise with Company. In the event applicable state law requires that Licensee be given a longer period to cure a particular event of default than is otherwise provided in this Section 18, the statutory period for cure shall control and Company shall not terminate this Agreement until: (i) Licensee has been notified of the statutory cure period in the written notice of default; and (ii) Licensee has failed to cure the event of default to Company's satisfaction within such statutory cure period.

CABIN COFFEE FRANCHISING, INC.

CLEAR LAKE, IOWA

DECEMBER 31, 2024, 2023 and 2022

Independent Auditor's Report

Board of Directors
Cabin Coffee Franchising, Inc.
Clear Lake, Iowa

Opinion

We have audited the accompanying financial statements of Cabin Coffee Franchising, Inc., which comprise the balance sheets as of December 31, 2024, 2023 and 2022, and the related statements of income and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cabin Coffee Franchising, Inc. as of December 31, 2024, 2023 and 2022, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cabin Coffee Franchising, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabin Coffee Franchising, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cabin Coffee Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabin Coffee Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Notes to the Financial Statements

(1) Summary of Significant Accounting Policies and Other Matters

Nature of Business

Cabin Coffee Franchising, Inc. is a franchisor of coffee shops located throughout the United States. The franchise locations operate as an upscale coffee house designed to serve coffee lovers and noncoffee lovers alike. Franchisees sell fresh locally roasted beans by the pound and half pound. Customers can purchase fresh roasted coffee off the shelf, order by phone or online. A roasting, distribution and franchise support and training center operates in Clear Lake, Iowa.

Franchisees also offer for sale fresh baked bagels, scones, cinnamon rolls and cookies in addition to lunches which include bagel or croissant sandwiches. Specialty soups compliment the deli style sandwiches.

Revenue Recognition

For contracts that are within the scope of the Financial Accounting Standards Board (FASB) Accounting Standards Codification *Topic 606: Revenue from Contracts with Customers*, the Company performs the following five steps: (1) identify the contract(s) with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when (or as) the Company satisfies a performance obligation

Disaggregation of Revenue From Contracts with Customers

Revenue from performance obligations for royalties are satisfied over time. Revenue from performance obligations for franchise fees, Lunchbox App fees, rebate income and unclaimed gift card income are satisfied at a point in time. Lunch Box App fees are reported as other franchise revenue on the statements of income.

The Company is headquartered in Clear Lake, Iowa. It has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following: (1) the strength of the economy; (2) its ability to collect amounts owed on contracts; and (3) the strength of franchisee management.

Performance Obligations

Revenue from performance obligations satisfied over time consists of royalties for ongoing support, marketing and advice. Revenue from performance obligations satisfied at a point in time consists of franchisees using the Company name and trademark and initial training for management, rebates from the volume of goods that the franchisees are purchasing, the Lunch Box App fees to ensure continued access to technology for the franchisees to use and gift card income once the card expires. There are no significant payment terms for the rebates and application fees. See the discussion on the payment terms for franchise fees and royalties later in Note 1.

Significant Judgments

Estimated amounts are included in the transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is resolved. Estimates of variable consideration are estimated based upon historical experience and known threats and require significant judgment. During the years ended December 31, 2024, 2023 and 2022, there were no significant judgments to these contracts.

Notes to the Financial Statements

(1) Summary of Significant Accounting Policies and Other Matters

Variable Consideration

The nature of the Company's activities does not give rise to variable consideration with respect to its revenue from contracts.

Contract Assets

Contract assets represent revenue recognized in excess of amounts paid or payable to the Company. The following provides information about contract assets from contracts with customers as of December 31:

	2024	2023	2022	2021
Contract Assets				
Receivables				
Trade accounts	<u>\$ 76,266</u>	<u>\$ 56,857</u>	<u>\$ 47,725</u>	<u>\$ 50,264</u>
Contract Liabilities				
Franchisee gift cards	<u>\$ 328,005</u>	<u>\$ 285,459</u>	<u>\$ 284,444</u>	<u>\$ 243,938</u>

Franchise Fees

A franchise fee is charged by the Company to assist in site selection, lease negotiations, design, construction, training and operation support services. Franchise fees are recognized as income once the Company has performed substantially all material conditions required by the franchise agreement and has no obligation to refund any portion of the franchise fee. These conditions are generally met at the time a franchisee commences operations.

The primary revenue recognition for franchisors is to recognize the initial franchise fee over the franchise term (or remaining term). The Company has consistently recognized franchise fees when substantially all material conditions required by the franchise agreement to get a store opened have been met. The Company has chosen to continue to recognize franchise fees in this manner and is not recognizing the revenue over the term of the franchise agreement.

Royalties

As part of its franchise agreements, the Company collects a royalty based upon a fixed percentage of the franchisees' net sales. Royalties are generally collected on a semi-monthly basis. Royalties were \$580,578, \$577,151 and \$565,183 for the years ended December 31, 2024, 2023 and 2022, respectively.

Franchisee Gift Cards

The Company maintains a checking account dedicated to gift card funds and is acting as a fiscal agent for the franchisees. Each franchisee provides the Company weekly payments from the sale of gift cards and the funds are deposited into the checking account until the franchisees notify the Company that gift cards have been used at their location. The Company then remits the funds back to the respective franchisee.

This method of accounting for gift card funds creates an asset and a liability. As of December 31, 2024, the assets and liability related to gift cards had respective balances of \$327,971 and \$328,005, respectively. The difference is due to bank fees deducted from the account.

Notes to the Financial Statements

(1) Summary of Significant Accounting Policies and Other Matters

During the year ended December 31, 2022, the Company began estimating that approximately 5% of gift cards go unclaimed on an annual basis. The Company began transferring the estimated unclaimed amount from the gift card bank account to its general checking account and recognizing the amount as income. During the years ended December 31, 2024, 2023 and 2022, the Company recognized estimated unclaimed gift card income of \$31,876, \$22,431 and \$22,488, respectively.

Accounts Receivable

Accounts receivable include royalties and are stated at the amount management expects to collect from balances outstanding at year end. Management provides for probable uncollectible amounts through a charge to expense and a credit to a valuation allowance based on its assessment of the current status of individual accounts and all relevant information, including historical experience, current conditions and reasonable and supportable forecasts. Management has concluded that realized losses on balances outstanding at year end will be immaterial; and therefore, the allowance for credit losses was zero as of each of the years ended December 31, 2024, 2023 and 2022. Payment of invoices is due within ten days of the invoice date, otherwise the amounts are deemed past due. The Company imposes a finance charge on all invoices that remain unpaid after the due date.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenue and expenses.

Income Taxes

The stockholders have elected to have the Company treated as an "S corporation" under the provisions of the Internal Revenue Code. Under these provisions, the taxable profit or loss is passed through to the individual stockholders in proportion to their stockholdings, and accordingly, no provision for income taxes is reflected in the financial statements.

Management annually makes an appropriate evaluation of any uncertain income tax positions based upon current statutes in completing these financial statements and the notes to the financial statements. As of December 31, 2024, management believes that there were no uncertain income tax positions for which a material change in the unrecognized effect would be reasonably possible within the next 12 months.

Cash Management

As part of its normal banking practices, the Company makes deposits in financial institutions in amounts which may exceed the limits provided by federal depository insurance. As of December 31, 2024, \$108,336 of such deposits, as reflected on the financial institution's records, exceeded the insured limits.

Furniture and Equipment

Furniture and equipment are stated at cost with depreciation computed under the straight-line method over a five- to ten-year useful life. Depreciation expense was \$1,842, \$2,298 and \$2,319 for the years ended December 31, 2024, 2023 and 2022, respectively.

Notes to the Financial Statements

(1) Summary of Significant Accounting Policies and Other Matters

Advertising

Costs incurred for advertising costs are expensed when incurred and totaled \$40,591, \$74,220 and \$77,074 for the years ended December 31, 2024, 2023 and 2022, respectively.

Subsequent Events

Management has evaluated subsequent events through July 22, 2025, the date which the financial statements were available to be issued.

(2) Cash Flow Statement Supplementary Information

For purposes of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with original maturities of three months or less to be cash equivalents.

(3) Franchises

The Company had a total of 25 franchised outlets as of December 31, 2024. There were zero, three and four franchises sold during the years ended December 31, 2024, 2023 and 2022, respectively. Two of the four franchises sold during 2022 were due to franchised outlets whose existing franchise agreements were canceled, and the Company sold franchises for each outlet to new franchisees. There were no franchises purchased during 2024, 2023 or 2022, nor were there any franchisor-owned outlets in operation.

(4) Related Party Transactions

As part of the initial franchise agreement, the Company provides training and ongoing support to the franchisee and may utilize Cabin Coffee Company of Clear Lake, Inc. (CCCL) or Cabin Coffee Company of Mason City Partnership (CCMC) to provide these services. The Company paid CCCL no training expenses during the years ended December 31, 2024, 2023 and 2022. The Company paid no training expenses to CCMC during the years ended December 31, 2024, 2023 and 2022. CCCL is owned by the stockholders of Cabin Coffee Franchising, Inc. CCMC is 55% owned by CCCL.

The Company's operations, including the support and training center, are conducted from facilities owned by a limited liability company owned by one of the stockholders. The Company paid \$48,000, \$38,500 and \$39,500 for rent during the years ended December 31, 2024, 2023 and 2022, respectively. This operating lease is on a month-to-month basis.

As of December 31, 2024, 2023 and 2022, the Company had a \$10,149, \$10,149 and \$10,000 receivable, respectively, from Cabin Coffee Roasting and Distribution, which is owned 100% by the stockholders of Cabin Coffee Franchising, Inc.

(5) Retirement Plan

The Company has committed to a Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) qualified under the Internal Revenue Code and covering substantially all employees. The plan allows employees to defer income on a pre-tax basis through contributions to the SIMPLE plan. The Company will contribute 3% of compensation for each eligible employee. The plan is funded currently by payment to an independent trustee. Contributions to the plan for the years ended December 31, 2024, 2023 and 2022 were \$10,725, \$8,327 and \$9,018, respectively.

(6) Leases

The Company conducts its operations from facilities leased from a company controlled by one of its stockholders. The lease is month to month. Total rent expense for the years ended December 31, 2024, 2023 and 2022 was \$48,000, \$38,500 and \$39,500, respectively.

The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the franchise agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. ADDENDUM TO CABIN COFFEE FRANCHISING, INC. FRANCHISE AGREEMENT REQUIRED BY THE STATE OF MINNESOTA

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

1. Notwithstanding anything to the contrary contained in the Franchise Agreement or Area Development Agreement, as applicable, to the extent that the Franchise Agreement or Area Development

Agreement, as applicable, contains provisions that are inconsistent with the following, such provisions are hereby amended:

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchisee be given 180 days' notice for non-renewal of this Franchise Agreement.

The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and

franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement or Area Development Agreement, as applicable, shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C,

including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement or Area Development Agreement, as applicable, shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

The Franchise Agreement or Area Development Agreement, as applicable contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement or Area Development Agreement, as applicable.

3. Except as expressly modified by this Addendum, the Franchise Agreement or Area Development Agreement, as applicable, remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement or Area Development Agreement, as applicable. In the event of any conflict between this Addendum and the Franchise Agreement or Area Development Agreement the terms and conditions of this Addendum shall apply.

EXHIBIT H

	Action Step	Description of Action Step	Common Obstacles
SIGNING AGREEMENTS	1. Complete Application/ Validate Financial Criteria	• Must have \$150K minimum investment. Investment varies with location.	
	2. Meet the Support Team	• Meet team face to face, discuss territories in detail.	
	3. Approved to Move Forward		
	4. Provide Lender Commitment Letter	• Provide letter of Commitment from the Lender to CCFI.	• Lender isn't interested. • Assume the new store will be less expensive. • Inability to effectively communicate the Cabin Coffee vision.
	5. Sign Receipt of Franchise Docs	• The law requires that you sign and return the Receipts of Franchise docs. • The Official Agreement cannot be signed until 14 days after the date you return this signed Receipt.	• Try to use "Cabin Coffee" in the business name, but you cannot. • Setting up the right type of business entity.
	6. Receive/Complete Checklist	• The returned Checklist is used by CCFI's attorney to draft the final Franchise Agreement.	• Spend time shopping for vendors not qualified.
	7. Register Business Entity	• Register the legal name of your business.	
	8. Sign Franchise Agreement and Pay Franchise Fee	• You have one year from the date you sign the Agreement to open your store.	• Wrong assumption about what's being signed.
	9. Receive Certificate of Insurance		
DEVELOPMENT	10. Research Locations	• Locate a local Real Estate Specialist. This person acts as Advocate/Representative for your business.	• Set mind/focus on one site. • Assume this step goes quickly (it doesn't!). • Lack of understanding.
	11. Negotiate/Agree on Location Terms	• Negotiate the lease or purchase of property.	• This takes time and patience, can't be in a rush.
	12. Finalize Location Requirements	• Finalize zoning requirements and then take possession of the property.	• Assume zoning ordinance process is simple/quick.
	13. Provide Business Plan to Lenders	• Send to three lenders.	
	14. Start Construction Documents	• John Riley leads the architects, this is non-negotiable. • Construction documents take 6-9 weeks for completion.	• Assume that all information has already been provided. • Lack of understanding construction manager's and architect's role.
	15. Secure Financing		
	16. Complete Construction docs	• Completed drawings will depend on Architect's workload and governmental requirements.	• Assume process goes quickly (it doesn't!).
	17. Request Contractor Bids	• Send out invitation for construction bids. It generally takes 2 weeks for bidding and one week to qualify proposals.	• Contractor will have many questions about scope of work. • John Riley has all the answers and your back.
	18. Send FF&E Plans	• Send out plans to FF&E suppliers. It takes two weeks for bidding, one week to qualify proposals.	
	19. Acquire/Qualify Contractor Bids	• Takes time, utilize and hold the lender accountable for time frame.	• Think this step will go quickly (it doesn't!). • Assumes all documents have been provided to Lender/Contractor. • Believe these are the final numbers, may be additional costs during construction.
	20. Finalize Financing	• Send to three lenders.	
CONSTRUCTION (3 - 7 months)	21. Begin Construction		
	22. Pay Tuition for Cabin Coffee University		
	23. Train Owners	• Franchisee training takes place in the Clear Lake and Mason City stores. • Training last 320 hours/8-10 weeks. • You must complete training requirements before you can open!	• Inadequate preparation for training. • Lack of focus/enthusiasm/drive. • Missing "teachable" moments. • Thinking you have learned all you need and now you've reached the top.
	24. Select Internet Provider	• Set up date to visit site and date for install.	• Internet provider/install falls through. Your store will not open without internet!
	25. Interview Team	• Will want to over hire 2-3 people so you are prepared for possible turn over.	• Lack of applications or applicants aren't a good fit. • Dismiss recommendations from Support Team. • Waiting too late for recruiting.
	26. Hire Team	• Give notice of when they will begin employment.	• Hiring the right mix of full/part-time employees. • Wait too late for recruiting.
	27. Complete Construction	• Construction will take 3-7 months.	• Assume that delays won't occur. • There are extra costs.
	28. Install FF&E, Retail and Receive Food/Drinks	• Takes three full weeks. • Verify and organize where products go.	• Many owners think they can do this. • These are approved vendors responsibilities.
	29. Train Team	• You and the Support Team will utilize all efforts to ensure your team will be ready when you open (2-3 weeks).	• Not prepared to lead. • Too much flexibility with new team members. • Too many distractions and lack of focus during training time.
	30. Serve Friends & Family	• Get off to a great start by serving your Friends & Family before opening day.	
OPENINGS	31. Open Your Store!	• Have a list of Support Team and vendor contact information for easy access.	• Try to handle issues internally instead of asking for help from the Support Team. • Do not know who to call.
