## **What You Need To Know About Franchising *Generally***

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

### Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Tennessee. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Tennessee than in your own state.
2. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at a price the franchisor or they set. The prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED  
BY  
STATE OF MICHIGAN**

**THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.**

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
  - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

## ITEM 1

### THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us” and “HR” refer to Hardee’s Restaurants LLC, the franchisor. “You” refers to the person or legal entity who buys the franchise. If you are a corporation, partnership, limited liability company or other business entity, certain provisions of this disclosure document also apply to your owners and will be noted.

HR is offering, in connection with this disclosure document, the opportunity to purchase a franchise to operate one or more Hardee’s Restaurants from a Traditional Location (as defined below). The franchise described in this disclosure document is for all franchisees who desire to operate a Hardee’s Restaurant at a Traditional Location, except those who were franchisees of HR’s predecessor as of February 6, 1998 and who satisfy the following criteria: **(1)** during the 12 months preceding receipt of a disclosure document by the franchisee, the franchisee has not been in default of any agreement with HR and currently is in good standing with HR; **(2)** the franchisee is not in a workout or restructuring relationship with HR; and **(3)** the franchisee has fully repaid to HR in cash all monies borrowed from or owed to HR. For purposes of this disclosure document, a Traditional Location means a Hardee’s Restaurant operated from a single tenant building, not attached to any other structures.

HR offers Traditional Location franchises to franchisees of HR’s predecessor as of February 6, 1998, under a separate disclosure document. That offer is on terms and conditions different from those described in this disclosure document. Unless otherwise noted, the disclosures in this disclosure document apply to Hardee’s Restaurant franchises located at Traditional Locations. HR is also selling certain company-operated Restaurants to qualified current and prospective franchisees for operation as franchised Hardee’s Restaurants.

In addition, HR offers franchises to operate Hardee’s Restaurants at nontraditional locations under one or more separate disclosure documents. That offer will be on terms and conditions different from those described in this disclosure document. Nontraditional locations include, but are not limited to, airports, train stations, bus stations, travel plazas, gas and convenience locations, toll plazas, stadiums, arenas, convention centers, military facilities, schools, colleges, universities, hospitals, recreational theme parks, business or industrial foodservice venues, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, Indian reservations, casinos, “ghost” or “dark” kitchens or any similar captive market or non-traditional “brick and mortar” location.

Hardee’s Restaurants are quick service restaurants offering a limited menu of breakfast, lunch and dinner products. The Hardee’s Restaurants feature charbroiled 100% Black Angus Thickburger sandwiches, Hand-Breaded Chicken Tenders, Made from Scratch Biscuits and other related quick serve menu items.

**The Franchise.** You can buy a franchise to develop and operate one Hardee’s Restaurant (“Franchised Restaurant”) or, if you and the area in which you are interested meet certain qualifications, you can buy the rights to develop multiple (at a minimum, three) Franchised Restaurants under a Development Agreement (the current form is attached as Exhibit C). Typically, following our acceptance of a site and your execution of a lease or sublease of the site, or the closing on your purchase of the site, you and we will sign a Franchise Agreement (the current form is attached as Exhibit D), which will govern your development of the Franchised Restaurant, and you will pay the Initial Franchise Fee. You may not commence construction until the Franchise Agreement is fully executed. You will execute the form of Franchise Agreement in use at the time immediately prior to your commencing construction of the Franchised Restaurant.

You should not acquire any interest in a site for the Franchised Restaurant until you have been approved as a franchisee (or, if you already are a franchisee, until you have been approved for expansion) and we have accepted the site in writing.

If you are interested in purchasing one or more company-operated Restaurants (at times referred to as a “Former Corporate Restaurant”), in lieu of the procedure described in the preceding paragraphs, you will first sign a letter of intent regarding the potential purchase. If you wish to review any of our confidential materials in connection with your potential purchase of company-operated Restaurants, you must sign a Confidentiality Agreement (Exhibit N). You and we will then execute an Asset Purchase Agreement, the general form of which is attached as Exhibit O. At the time of the closing of the transaction, you and we will execute, among other things and if appropriate, a Sublease for each Restaurant you purchase, the general form of which is attached as Exhibit P. At closing, you and we will also execute a Franchise Agreement (as well as applicable addenda thereto that reflect the terms of the Asset Purchase Agreement) for each Restaurant purchased and a Development Agreement pursuant to which you will develop an agreed-upon number of Franchised Restaurants.

If you are not currently a franchisee, HR also may require you to sign a Preliminary Agreement (the current form is attached as Exhibit E) under which you must agree to keep confidential the information provided by HR to you during Discovery Day. During Discovery Day, you must attend a 2-day meeting at HR’s offices and at a Hardee’s Restaurant during which you will meet with, and be evaluated by, various HR personnel. In addition, we may require that your 10% Owners (as defined in Item 15) complete, as we deem necessary and to our satisfaction, an operations overview, which lasts approximately 10 business days (“10-Day Operations Overview”).

Your receipt of this disclosure document does not mean that you will be approved as a franchisee or that you may develop or open a Franchised Restaurant. Before you may develop and open a Franchised Restaurant, HR must approve you as a franchisee (or, if you already are a franchisee, approve you for expansion), HR must accept the location of your proposed Franchised Restaurant, you and those of your employees whom you hire for certain designated positions must attend and successfully complete HR’s training programs and HR and you must sign the Franchise Agreement. You should not acquire any interest in a site for a Franchised Restaurant until, at the earliest, you are approved by HR as a franchisee (or, if you already are a franchisee, approved for expansion), and HR accepts the site for your Franchised Restaurant.

**Development Incentive Program.** Franchisees who sign a Development Agreement or a Franchise Agreement for a new-construction Hardee’s Restaurant by no later than May 24, 2026, may qualify for our Hardee’s Restaurant 2025 Development Incentive Program (the “HR 2025 Development Incentive Program”). Under the HR 2025 Development Incentive Program, we will reduce the royalty fee and APO fee as set forth in Item 6 for the first three years of the franchise term. The HR 2025 Development Incentive applies to the development of new Hardee’s Restaurants only. The HR 2025 Development Incentive does not apply to: (i) relocated, remodeled, reimaged, or scrape and rebuild Hardee’s Restaurants, (ii) Hardee’s Restaurants opened and operated from non-traditional locations, and (iii) Hardee’s Restaurants developed in high population density areas.

To be eligible for the HR 2025 Development Incentive Program, an existing franchise must meet the following requirements: (i) sign a Development Agreement or Franchise Agreement for the development of one or more newly-constructed Hardee’s Restaurant(s) by no later than May 24, 2026, (ii) franchisee must open the newly-constructed Hardee’s Restaurant(s) by the date(s) outlined in the corresponding Development Agreement or Franchise Agreement, (iii) franchisee may not be in default of its obligations under its existing franchise agreements or related agreements with HR or its affiliates, (iv) franchisee must be approved for growth by HR and its affiliates, (v) franchisee must satisfy HR’s then-current financial and operational requirements for new restaurant development, and (vi) franchisee and the

Hardee's Restaurant(s) otherwise meet the requirements of the HR 2025 Development Incentive Program. New franchisees are also eligible to participate in the HR Development Incentive Program provided they: (i) sign a Development Agreement or Franchise Agreement for the development of one or more newly-constructed Hardee's Restaurant(s) by no later than May 24, 2026, (ii) open the newly-constructed Hardee's Restaurant(s) by the date(s) outlined in the corresponding Development Agreement or Franchise Agreement, and (iii) meet the requirements of the HR 2025 Development Incentive Program.

If you qualify for the HR 2025 Development Incentive Program, simultaneously with your execution of the qualifying Franchise Agreement, you will sign a HR 2025 Development Incentive Program Addendum to the Franchise Agreement (Exhibit K), which memorializes your right to receive the development incentives described above for the applicable Franchised Restaurant.

If you sign the HR 2025 Development Incentive Program Addendum to Franchise Agreement, you will not be entitled, with respect to the applicable Franchised Restaurant covered by the HR 2025 Development Incentive Program, to any other incentives that have been or may be offered by us.

**Licenses; Permits; Applicable Laws: and Competition.** It is your sole and absolute obligation to research all applicable federal, state and local laws and regulations governing the operation of your business and to ensure that such operation does not violate any federal, state or local law or regulation. For example, there are various federal laws that could affect your business and that you must comply with such as the American with Disabilities Act (ADA), the CAN-SPAM Act, the Telephone Consumer Protection Act (TCPA), the Telemarketing Sales Rule (TSR), and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including but not limited to the use, storage, transmission, and disposal of data regardless of media type). You should investigate these laws to understand your potential legal obligations. Further, you must comply with all local, state and federal laws and regulations applicable to the operation of your Hardee's Restaurant, including health, sanitation, food handling, food preparation, waste disposal, smoking restrictions and advertising and point-of-sale disclosures, including statements concerning the nutritional and dietary characteristics of the food served at your Restaurant. You should consult with your attorney concerning all laws and regulations that may affect your Restaurant operations.

In addition, all newly-developed Hardee's Restaurants must contain a charbroiler. The charbroiler has been the subject of regulation in certain areas of the country, including California where, in some regions, chain-driven charbroilers must have catalytic converters. The possibility exists that other states may require that air pollution control equipment be installed in connection with the use of a charbroiler. You would be expected to comply with these regulations, if applicable to your Restaurant, and pay all costs of installation and maintenance of the control equipment.

The restaurant business, including the quick service segment, is highly competitive. You will be competing with other quick service restaurants, including national and regional restaurant chains, fast-casual restaurants, full-service casual-dining restaurants, budget restaurants, health and nutrition-oriented restaurants, delicatessens and prepared food restaurants, take-out food service companies, supermarkets, coffee shops and convenience stores. The ability of each Hardee's Restaurant to compete depends on its location, ingress and egress, signage, parking, service, employee attitudes, overhead, changing local market and economic conditions, and many other factors both within and outside your control.

**The Franchisor and Its Predecessor.** HR is a Delaware limited liability company organized on January 30, 2013. HR's principal place of business is 6700 Tower Circle, Suite 1000, Franklin, Tennessee 37067. HR's agents for service of process in various states are listed in Exhibit B. We do business under the name "Hardee's." We have operated, and offered franchises for, Hardee's Restaurants since April 1, 2013. As of January 27, 2025, there were 202 company-operated Hardee's restaurants, and there were

1,369 domestic franchised Hardee's restaurants, including 129 Dual Concept restaurants. Dual Concept Restaurants are quick service Hardee's Restaurants that also offer certain Red Burrito Mexican food products. In addition, as of January 27, 2025, there were the following international franchised Hardee's Restaurants: Bahrain – 17; Egypt – 41; Iraq – 12; Jordan – 4; Kazakhstan – 19; Kenya – 1; Kuwait – 60; Oman – 13; Pakistan – 30; Palestine – 5; Qatar – 24; Saudi Arabia – 146; United Arab Emirates – 98; and Uzbekistan – 3. We do not engage in any other business or offer franchises in any other line of business.

Our predecessor is Hardee's Food Systems, Inc., a North Carolina corporation incorporated on December 7, 1960, whose principal place of business was 100 N. Broadway, Suite 1200, St. Louis, Missouri 63102-2706. On March 26, 2013, it was converted from a corporation to a limited liability company, Hardee's Food Systems LLC, a Delaware limited liability company formed on February 25, 2013. Effective October 7, 2013, Hardee's Food Systems LLC was converted to a North Carolina limited liability company. Hardee's Food Systems LLC has the same principal place of business as ours. (Hardee's Food Systems, Inc. and Hardee's Food Systems LLC will be collectively referred to in this disclosure document as "HFS.") HFS operated Hardee's Restaurants from 1960 until March 31, 2013. HFS also offered franchises for Hardee's Restaurants from 1961 until March 31, 2013. HFS sold franchises for Roy Rogers Restaurants for a portion of the period between April 13, 1990 and July 15, 1997 and operated Roy Rogers Restaurants from April 13, 1990 until March 31, 2013. HFS has not engaged in any other business or offered franchises in any other line of business.

**The Financing Transaction and the Management Agreement.** On April 1, 2013, in connection with a financing transaction, HFS assigned to us all existing franchise agreements ("Franchise Agreements") and development agreements ("Development Agreements") governing franchised Hardee's Restaurants so that we could expand and administer the Hardee's Systems (through new franchises and other means). Pursuant to a Contribution Agreement, HFS also contributed to us its ownership of the "Hardee's" trade names, service marks and other trademarks that are associated with the Hardee's System (collectively, "Proprietary Marks"). In addition, as part of that transaction, substantially all of the real estate assets associated with the operation of company-owned Hardee's Restaurants that were previously owned or leased by HFS (or its affiliates) and substantially all of the real estate leases and subleases between HFS (or its affiliates) and franchisees were assigned to us, and we assumed the operation of substantially all of the company-owned Hardee's Restaurants.

Under an April 1, 2013 management agreement ("Management Agreement") among our indirect corporate parent, CKE Restaurants Holdings, Inc., us and several other parties, CKE Restaurants Holdings, Inc. may – at all times acting on our behalf – fulfill all of our duties and obligations under all existing and future Franchise Agreements and Development Agreements, including: managing the Hardee's Systems; marketing and offering new and renewal Franchise Agreements and Development Agreements as our franchise broker; training franchisees and their employees; and providing the required support to franchisees. CKE Restaurants Holdings, Inc. will act in conjunction with HFS in fulfilling our duties and obligations under the Franchise Agreements and Development Agreements.

If CKE Restaurants Holdings, Inc. fails to perform its obligations under the Management Agreement, it may be replaced as the franchise service provider. However, as the franchisor, we will always be ultimately responsible for fulfilling all of our duties and obligations under your Franchise Agreements and Development Agreements.

**Our Parent and Certain Affiliates.** Our direct corporate parent is Hardee's Funding LLC ("HF"), and HF's direct corporate parent is Hardee's SPV Guarantor LLC ("SPV"). HF and SPV are Delaware limited liability companies organized on January 30, 2013, with the same principal place of business as ours. Neither HF nor SPV offers franchises in any line of business or provides products or services to Hardee's franchisees.

SPV's direct corporate parent is HFS, and HFS' direct corporate parent is CKE Restaurants Holdings, Inc., which is a wholly-owned subsidiary of CKE Inc. Prior to March 26, 2013, we were an indirect wholly-owned subsidiary of CKE Restaurants, Inc., a Delaware corporation formed in March 1994, whose principal place of business was 6307 Carpinteria Avenue, Carpinteria, California 93013. On March 26, 2013, CKE Restaurants, Inc. was merged into CKE Restaurants Holdings, Inc., with CKE Restaurants Holdings, Inc. as the surviving entity. CKE Restaurants Holdings, Inc. is a Delaware corporation organized on February 22, 2013, whose principal place of business is the same as ours, and CKE Inc. is a Delaware corporation incorporated on April 15, 2010, whose principal place of business is the same as ours. On December 24, 2013, the substantial majority of all issued and outstanding shares of common stock of CKE Inc. was acquired by CKE Holding Corporation, a Georgia corporation incorporated on November 7, 2013, whose principal place of business is 1180 Peachtree Street, Suite 2500, Atlanta, Georgia 30309. Neither CKE Holding Corporation nor CKE Inc. or CKE Restaurants Holdings, Inc. offers franchises in any line of business, and neither CKE Holding Corporation nor CKE Inc. offers or provides products or services to Hardee's franchisees. (CKE Restaurants, Inc. and CKE Restaurants Holdings, Inc. will be collectively referred to in this disclosure document as "CKR.") Our direct affiliate that offers franchises or provide products or services to Hardee's franchisees, in addition to CKR, is CJR.

CJR is a Delaware limited liability company formed on January 30, 2013, whose principal place of business is the same as ours. As of January 27, 2025, there were 50 company-operated Carl's Jr. restaurants and there were 982 domestic franchised Carl's Jr. restaurants, including 218 Dual Concept restaurants. Dual Concept Restaurants are quick service Carl's Jr. Restaurants that also offer certain Green Burrito Mexican food products. In addition, as of January 27, 2025, there were the following international franchised Carl's Jr. Restaurants: American Samoa – 1; Australia – 28; Cambodia – 6; Canada – 18; Chile – 28; Denmark – 16; Dominican Republic – 1; Ecuador – 26; France – 6; Guatemala – 4; India – 3; Japan – 4; Malaysia – 5; Mexico – 408; New Zealand – 18; Nicaragua – 4; Panama – 12; People's Republic of China – 4; Puerto Rico – 2; Russia – 17; Singapore – 4; Spain – 44; Switzerland – 3; and Turkey – 22. (American Samoa and Puerto Rico are considered to be international locations even though they are U.S. territories.) ### **Affiliate Litigation – Concluded Matters**

(3) *6Points Food Services Ltd. v. Carl's Jr. Restaurants LLC, et al., No. 15-543370 (Sup. Ct. of Justice, Ontario).* This proceeding was a consolidation of two actions commenced by 6Points Food Services Ltd. ("6Points"), a Canadian Carl's Jr. developer and franchisee, in the Sup. Ct. of Justice, Ontario (No. 15-453370 and No. 16-546487).

On December 23, 2015, 6Points filed an action in the Ontario Superior Court of Justice against CJR (court file no. 15-543370). The action seeks a declaration that 6Points' November 10, 2015 notice of rescission validly rescinded the development, franchise, and "related" agreements with CJR. 6Points' notice and its Statement of Claim invoke Ontario's Arthur Wishart Act to allege that CJR's franchise disclosures were deficient. 6Points further alleges that CJR failed to comply with certain representations and contractual obligations, and its obligation of fair dealing. In addition to the declaration, 6Points seeks CD \$8,000,000 in damages, along with other incidental relief.

On February 11, 2016, 6Points filed an action in the Ontario Superior Court of Justice against CKR, Ned Lyrly, Jr., Michael Woida and Jeff Branton (court file no. 16-546487). The action reasserts the same claims as in the action described above. On August 8, 2016, the Court ordered that the two actions described above are consolidated into a single action under court file no. 15-543370.

On August 18, 2016, 6Points served an Amended Statement of Claim in the consolidated action, against the defendants in the actions above. The Amended Statement of Claim reasserts the same claims advanced by 6Points in the two actions described above.

On August 30, 2016, the defendants served the Statement of Defence of all defendants and CJR's Counterclaim. The Statement of Defence denies all liability and requests that the action be dismissed. CJR's Counterclaim names 6Points, Michael Meekins and Michael Levine as defendants ("Franchisee Parties"). The Counterclaim asserts claims against 6Points for breach of its development, franchise, and letter of credit agreements, and for anticipatorily repudiating the development and franchise agreements, as well as for breach of its obligation of fair dealing. The Counterclaim asserts claims against Michael Meekins and Michael Levine for breach of a contract to provide a letter of credit, and asserts that they are liable for payment of all amounts owing by 6Points pursuant to a personal guarantee. The Counterclaim claims damages in an amount to be proven at trial.

On November 16, 2016, 6Points, Michael Meekins and Michael Levine served a Reply and Defence to Counterclaim. The Defence to Counterclaim denies all liability of 6Points, Michael Meekins and Michael Levine and requests that the Counterclaim be dismissed. On December 5, 2016, CJR served a Reply to Defence to Counterclaim. On December 19, 2018, the Court ordered, 6Points to deliver documents to CJR in preparation for further discoveries. On or about October 12, 2022, the parties reached an agreement to settle the litigation with the following terms: (a) defendants agreed to pay Franchisee Parties \$5,500,000 US dollars, (b) the parties agreed to mutual releases of any and all claims, including claims arising from this litigation, all without any admission of liability on any party. The Court granted the parties' stipulated motion to dismiss the case on October 14, 2022.

On August 3, 2018, Ashlie Harris, a former employee of a Carl's Jr. franchisee, filed a lawsuit in the federal district court for the Eastern District of Washington. The plaintiff alleged that certain provisions in the applicable franchise agreement between us and our franchisees violate federal and state anti-trust statutes as they allegedly restrict the ability of our franchisees or company-owned stores from soliciting or hiring the employees of other of our franchisees or company-owned stores. The complaint sought to certify a class of franchisee employees in the state of Washington and recover treble damages stemming from alleged underpayment of wages for current and former employees located in the state of Washington from July 12, 2014 to present. We denied that the provisions violate any law and filed a Motion to Dismiss the case. On or about April 1, 2019, the parties reached an agreement to settle the litigation with the following terms: (a) Defendants will pay Harris \$5,000 and attorneys' fees in the aggregate amount of \$20,000, (b) CJR has obtained amendments of the existing franchise agreements with Washington franchisees to remove non-solicitation/no-hire provisions, to the extent such provisions existed in the first place, and (c) CJR agreed not to enforce the disputed provision in existing agreements with Washington franchisees. On July 1, 2024, plaintiffs EYM Pizza of Georgia, LLC, EYM Pizza of Illinois, LLC, EYM Pizza of SC, LLC, and EYM Pizza of Wisconsin, LLC (collectively, "EYM"), former franchisees of Pizza Hut LLC ("PHLLC") filed a second Petition and Emergency Application for Temporary and Permanent Injunctive Relief. In addition to filing suit against PHLLC, EYM also individually named PHLLC's Chief Legal Officer and PHLLC's former Director of Franchise Finance & Non-Traditional Development, Diane Simrall (Ms. Simrall currently serves as our Vice President, Finance). The claims alleged are tortious interference and conspiracy. EYM alleges that PHLLC personnel improperly spoke to potential buyers and disclosed confidential information. EYM also alleges that PHLLC personnel contacted EYM's lender causing business interruption and disclosure of trade secrets. PHLLC promptly removed the case to the United States District Court for the Northern District of Texas, Civil Action No. 3:24-cv-1677. On July 16, 2024, EYM filed a Motion for Temporary Restraining Order, which the Court denied on July 22, 2024. ### **Disclosures Regarding Affiliated Programs**

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

(7) *The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019)*. On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement.

through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

(8) *The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019).* On March 14, 2019, our affiliate, Dunkin Brands, Inc. (“**DBI**”), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin’ system prohibit Dunkin’ franchisees from hiring the employees of other Dunkin’ franchisees and/or DBI’s employees. A larger number of franchise agreements in the Dunkin’ system contain a no-poaching provision that prevents Dunkin’ franchisees and DBI from hiring each other’s employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin’s franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin’ franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties’ stipulation of judgment.

(9) *New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019).* In this matter, the N.Y. Attorney General (“**NYAG**”) filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals’ credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin’ gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

We estimate that the Opening Training Support Fees will range between \$32,000 to \$70,000. We will determine, in our sole discretion, the level of opening training support required for your Franchised Restaurant. We reserve the right, in our sole discretion, to modify the level of assistance provided by the Opening Training Support Team.

The preceding fees are uniform. HR, in its sole discretion, may offer incentives to a specific franchisee under certain circumstances, which may include circumstances where a franchisee agrees to develop a significant number of Franchised Restaurants, a franchisee agrees to significantly accelerate his historical development patterns, a franchisee agrees to develop Franchised Restaurants in a new territory, a franchisee proposes to develop unique sites or a franchisee desires to rebuild its franchised restaurant at the current site. In those circumstances, among others as determined by us, HR may, among other things, waive some or all of the Initial Franchise Fee, decrease the royalty fee for a period of time (as noted in Item 6) and/or extend the time for a franchisee to comply with its remodel obligations for some or all of its existing Franchised Restaurants. In 2025 we waived the Initial Franchise Fee in certain instances where a new franchisee was taking over operation of a Franchised Restaurant that was closed or otherwise may have closed.

## NOTES

- (1) Unless otherwise noted, all fees are imposed by and payable to us, are non-refundable and are uniformly imposed on our franchisees who receive this disclosure document.
- (2) If you purchase a Restaurant from us, we may charge a higher royalty fee, not to exceed 6% of Gross Sales. We will advise you of the applicable royalty fee before you purchase the Restaurant. On occasion, we may consider reducing the royalty fee to fit a particular concern, taking into account a variety of factors, including, but not limited to, where a franchisee agrees to develop a significant number of Franchised Restaurants, a franchisee agrees to significantly accelerate his historical development patterns, a franchisee agrees to develop Franchised Restaurants in a new territory, a franchisee proposes to develop unique sites or a franchisee desires to rebuild its franchised restaurant at the current site. If we agree to a reduction in the royalty fee, the reduction likely would be between 1% and 4% of the Gross Sales of the Franchised Restaurant for up to the first 3 years of operation of the Franchised Restaurant.

Under the HR 2025 Development Incentive Program Addendum described in Item 1 (Exhibit L), with respect to Gross Sales accruing during the applicable Franchised Restaurant's first year of operation under the Franchise Agreement, for Franchised Restaurants that open on or ahead of schedule pursuant to an executed Development Agreement and Franchise Agreement, we will reduce each of the royalty fee and APO by (i) 3% of Gross Sales accruing during the Restaurant's first year of operation; (ii) 2% of Gross Sales accruing during the Restaurant's second year of operation; and (iii) 1% of Gross Sales accruing during the Restaurant's third year of operation. After the third year of operation, the royalty fee reverts back to 4% of Gross Sales and the APO fee reverts back to 5.5% of Gross Sales. If you or any of your affiliates receives, during the first two years of operation of the Franchised Restaurant under the Franchise Agreement, a written notice of default under any agreement between you or any of your affiliates and HR or any affiliate of HR and fails to cure the default within the applicable cure period, the Addendum will be terminated and the royalty fee and APO for the Franchised Restaurant will immediately revert to the applicable amounts set forth in the Franchise Agreement.

- (3) We have the right, following written notice to you, to reallocate your advertising contributions (including the allocation to HNAF and/or a Regional Co-op) and to increase your advertising contributions, but not by more than ½% of Gross Sales in any 12-month period. In addition, we may not increase the APO above 7% of Gross Sales; however, this limitation does not prevent the Franchised Restaurant's Regional Co-op from requiring a contribution that, when added to your HNAF contribution, results in a total APO in excess of 7% of Gross Sales. We may, in our sole discretion, temporarily or permanently adjust the advertising contribution for certain locations or markets due to unique or unusual circumstances.
- (4) We may eliminate the LSM obligation. The following expenditures will not be credited against your LSM obligation: free or discounted food; employee incentive programs; charitable contributions; payments in connection with permanent on-premises menu boards; lighting; yellow pages; entertainment discount books; the purchase or maintenance of vehicles; and other similar payments. Within 30 days after the end of each fiscal quarter, you must provide us or our designee with copies of all documentation demonstrating the amount and types of LSM expenditures made by you in the prior fiscal quarter.
- (5) The following is the rent structure for a Former Corporate Restaurant: Rent which includes when due, all base rent, minimum rent, fixed rent, additional rent, and any and all other charges and

amounts however called or termed required under the prime lease (as will be further set forth in the Asset Purchase Agreement the parties will sign as part of the sale.

### NOTES

- (1) This table reflects a low-high range of costs for each of the major cost categories of the initial investment. The costs and expenditures listed are for a new Franchised Restaurant operated from a Traditional Location in a freestanding building that is approximately 2,200 square feet, with twenty-four (24) seats, a drive thru, and full menu kitchen. The ranges listed are our best

information to date but may vary depending on changes in market conditions, including availability of building materials, and the geographic area in which the Franchised Restaurant will be located.

- (2) Costs paid to HR are not refundable. Whether any costs paid to third parties are refundable will vary based on the practice in the area where your Franchised Restaurant is located.
- (3) For your first 2 Franchised Restaurants, you are required to have an All-Star Team, a certified training team, participate in the pre-opening and post-opening of the Franchised Restaurants. You will be responsible to pay us the Opening Training Support Fee, which will reimburse us for the All-Star Team's trainers' salaries, administrative fees, travel, lodging and meal expenses for the time they teach and train at your Franchised Restaurants, which is usually four days before opening and a minimum of seven days after opening, for a total of up to two weeks.
- (4) We expect that you will buy or lease unimproved property and construct the Franchised Restaurant. Typically, 22,000 to 43,000 square feet of land is needed for the Franchised Restaurant and adjacent parking facilities. If there are governmental requirements relating to site retention, increased drive through stacking or excessive landscape buffering, you may need to increase the size of the parcel required to accommodate our prototype building with adequate parking. Local building codes also may require that the Franchised Restaurant be placed on a larger lot. The cost of commercial land, whether you lease or buy, may vary considerably depending upon the location and conditions affecting the market for commercial property. The purchase of unimproved property of the size required may range from \$650,000 to \$1,100,000 or more. The rent for unimproved property may range from \$4,000 to \$15,000 or more per month. You may be required to pay the first and last months' lease payments upon signing your lease agreement.

Lease payments made by you to third party lessors may vary greatly depending on the property size, type of transaction and location. Lease agreements for the land may include the following expenses: taxes, insurance, maintenance, fixed rent (with escalations), percentage rent, and other charges related to the operation of the Franchised Restaurant.

- (5) These figures are for a free-standing building and include site preparation for the building only. HVAC installation only is included in the building cost. These figures do not include the extra cost for the addition of a cash window in conjunction with a single or double drive-thru lane, which would add from \$65,000 to \$115,000 in costs.
- (6) Site improvement costs include all required work to provide fill and compaction, curb cuts, parking lot, curbs and gutters, sidewalks, drive-thru lanes, landscaping and irrigation, site electrical and lighting, grease interceptor and utility runs. See Note 7 below regarding off-site costs.
- (7) You should check with the relevant regulatory agencies to identify costs for required building permits, impact fees, taxes, bonds, licenses and other fees, which can vary dramatically depending on the location. There may also be off-site costs, such as intersection improvements or street widening that, when required, can have a major impact on cost.
- (8) You must purchase certain items of furniture, fixtures and equipment, the point of sale system, and smallwares. You may be able to lease from or finance through a third party a portion of these purchases, but you should expect to make a down-payment of up to 25%. The high end of these figures also includes the cost of a catalytic converter for the charbroiler. If required, the cost of the catalytic converter is approximately \$1,558.

- (9) The type of signage installed is governed by local ordinances regarding height and size restrictions. The typical sign package includes exterior building signs and a 25-foot pole or monument sign. A typical unit with a drive-thru has 2-4 illuminated directional signs.
- (10) You must pay the costs of travel, living and other expenses for you and your employees during training. The cost of these expenses will depend on the distance you must travel, type of accommodations, the number of your employees attending training and their wages.
- (11) These costs include uniforms, office supplies and other prepaid expenses. This range also includes, for a Hardee's Restaurant, \$18,000 to \$21,000 for the initial inventory of food and paper products. These costs do not include utility deposits, installation of telephones, business licenses or cleaning supplies, which are not substantial.
- (12) These figures are an estimate of your operating expenses for the initial 3 months of business. They include payroll, taxes, insurance, food, paper, supplies, utilities, licenses and permits, bank charges and repair and maintenance expenses. They do not include advertising contributions or royalty fees paid to HR. These figures are estimates, and HR cannot guarantee that you will not incur additional expenses in connection with starting the business. Your costs will depend on factors including: the size of your Franchised Restaurant; how closely you follow HR's methods and procedures; your management skill, experience and business acumen; financing costs; local economic conditions; the local market for restaurants; the prevailing wage rate; competition; and the sales level reached during the initial period.
- (13) You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not offer any direct financing for any part of the initial investment.
- (14) If you are purchasing an existing company-operated Restaurant, the estimated initial investment (excluding the purchase price) will be lower than the applicable estimated initial investment detailed above since there will be no costs associated with initial building and site improvement and equipment and signage. You will, however, likely incur costs for business licenses, utility deposits, insurance, and, depending on the condition of the Restaurant and the equipment included in the purchase, you may incur additional costs in connection with, among other things, remodeling the Restaurant or repairs to the Restaurant. These costs will vary by city and by restaurant.

## **ITEM 8**

### **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

Where we have issued standards and specifications, you must use only ingredients, food products, spices, seasonings, mixes, beverages, materials, supplies used in the preparation of food products, furniture, fixtures, equipment, smallwares, forms, paper and plastic products and packaging, cleaning supplies, and other materials that meet those standards and specifications. Our standards and specifications are contained in the Operation Procedures Manual ("OPM"). Periodically, we will provide you a list of approved suppliers. Most food items and other goods that you are required to purchase will be purchased from a master distributor. The master distributor will carry items such as meats, cheese, grocery, bread products, paper and cleaning supplies. As of the date of this disclosure document, our master distributor is McLane Company, Inc. We reserve the right to change the master distributors. Other master distributors may be approved from time to time.

We may approve one or more suppliers or distributors for any products, equipment (including computer/cash register system as noted below), goods or materials, and we may approve a supplier or

distributor only as to certain goods or materials. We may concentrate purchases with one or more suppliers to obtain lower prices and/or the best advertising support and/or services for any group of Hardee's Restaurants, or any other group of restaurants operated or franchised by HR or its affiliates. Although you are not required to lease a location from us or an affiliate, we must consent to your selection of the site for your Hardee's Restaurant. If you lease the Restaurant premises from a third party landlord, you must sign the Franchise Lease Addendum attached as Appendix G to the Franchise Agreement.

Approval of a supplier or a distributor may be conditioned on requirements relating to the frequency of delivery, reporting capabilities, standards of service, including prompt attention to complaints, sanitation standards, insurance and other quality assurance requirements or other criteria, and concentration of purchases, as set forth above, and it may be temporary pending a further evaluation of the supplier by us. A fee not to exceed our actual costs of reviewing the supplier or distributor and auditing the supplier's facility, if needed, may be charged by us and must be paid by you. We may establish commissaries and distribution facilities owned and operated by us or an affiliate that we will designate as an approved supplier.

One or more of our officers may own nominal interests in certain of our approved suppliers which are publicly traded companies or through investment funds.

We and our affiliates may receive fees, payments, commissions, field-of-use license royalties or other consideration from approved suppliers based on sales to franchisees, from promotional allowances and volume discounts. We and our affiliates may use all amounts received from approved suppliers, distributors or third parties, whether or not based on your and/or other franchisees' actual or prospective dealings with them, without restriction for any purposes we or our affiliates deem appropriate. Finally, we and our affiliates provide supply chain, quality assurance, distribution and logistics services for the franchise system. These services include negotiating with suppliers and distributors who will sell and distribute goods to our franchisees, designating one or more distributors to service our franchisees, and managing distribution logistics. As a result, we and our affiliates reserve the right to recover our costs related to performing these services by collecting a per-case distribution fee for all cases sold by an approved supplier to our franchisees and from other logistics-related programs.

We may charge non-approved suppliers reasonable testing and/or inspection fees.

If you propose to purchase any goods or materials from a supplier that we have not previously approved, you must notify us and submit to us or a designated independent testing laboratory, at your expense, the information, specifications and samples as we reasonably request. A fee not to exceed the reasonable cost of the inspection and the actual cost of the test may be charged by us or by an independent testing laboratory designated by us and must be paid for by you. We will notify you within 60 days as to whether you are authorized to purchase these products from that supplier. In the event we tentatively approve a request for an alternative supplier, you must submit a check for \$1,500 to us as a deposit against the cost we incur in inspecting the supplier's facility. You will be responsible for additional costs and expenses associated with the inspection of the facility, which must occur before final approval. Approval of a supplier also may be subject to the frequency of delivery, reporting capabilities, standards of service (including prompt attention to complaints) or other criteria (including the number of suppliers already approved), and may be temporary pending further evaluation of such supplier. We may periodically require that the testing be performed again at your expense to ensure that the supplier continues to meet our specifications. We will advise you in writing if we revoke any approvals.

You also must obtain and install data processing equipment, computer hardware, required dedicated telephone and power lines, high speed internet connections, modems, printers and software and other computer related accessory or peripheral equipment as we periodically may specify in the OPM or otherwise in writing ("Computer/POS System"), as further explained in Item 11. Current approved vendors

for technology components of the Computer/POS System are PAR Tech, Inc, CrunchTime, QSR Automations, Xenial Xpient (5.0 higher) and Meraki. Currently, you must use either the PAR Brink (and CrunchTime) POS software or the Xenial Xpient (5.0 or higher) POS software in operating your Franchised Restaurant. If you wish to obtain a license to use one or more of the proprietary software programs that we have developed or licensed for managing the Franchised Restaurant, including point of sale systems, kitchen systems and back of the house systems, you will be required to sign one or more standard form software license or similar agreements and input and maintain in your computer the software programs, data and information as we prescribe. You must purchase from us, at prices and upon terms that we determine, the proprietary software programs, manuals and/or computer-related materials whenever we decide to use new or upgraded programs, manuals and/or materials throughout the Hardee's System. Except as described in Items 6 and 11 with respect to the Digital Tech Fee, Star University Access Fee and Software Support Fee, currently, there are no payments to be made to us in connection with these items. You must comply with Point to Point Credit Encryption Standards ("P2PE") and the Payment Card Industry Data Security Standard ("PCI DSS") at all times and engage any vendor that we designate to ensure the security of your data and compliance with P2PE and PCI DSS. You must maintain continuous PCI compliance and must attest this to us annually by providing us with a completed and signed PCI Attestation of Compliance.

You must also participate in any online ordering/delivery and loyalty programs that we may establish from time to time with approved vendors and you must comply with the rules and participation criteria applicable to these programs, including our loyalty program. We have currently designated OLO as the sole software platform provider for our online ordering program, Punchh as the sole software platform for our loyalty program, and have partnered with designated service providers for our delivery program. Under our online ordering/delivery programs, we require you to accept and process specific customer delivery orders and we require you to use all approved third-party delivery service providers, currently Uber Eats, Door Dash, and GrubHub, if those delivery service providers operate in your restaurant's serviceable area. We must pre-approve all delivery service providers not already designated as approved under our delivery program. In addition, we must pre-approve all sales recording processes that originate from the delivery service providers. We have the right to modify the participation criteria or discontinue these initiatives at any time upon written notice to you. See also Item 11.

We negotiate system-wide contracts with a number of suppliers under which Hardee's Restaurants may purchase products at negotiated prices and terms. Franchisees are entitled to purchase products at the prices and terms negotiated by us; however, we reserve the right to limit the number of suppliers who deliver the products at those prices and terms. With respect to equipment, smallwares and supplies, to obtain the negotiated price and to be eligible for certain revenue sharing incentives, you must purchase the equipment, smallwares and supplies from our third-party vendor Wasserstrom Holdings, Inc. and its subsidiaries. There currently are no purchasing or distribution cooperatives. We do not provide material benefits to a franchisee based on the franchisee's purchase of particular products or services or the use of particular suppliers.

Approximately 90% of your purchases or leases of fixtures, furnishings, equipment, décor, signs, food items, ingredients, supplies and other products in connection with the establishment of the Franchised Restaurant must be purchased in accordance with our specifications or from approved suppliers. We estimate that these items represent approximately 65% of your controllable purchases, excluding labor and general administrative costs in connection with the ongoing operation of the Franchised Restaurant. We do not provide material benefits (e.g., renewal or additional franchises) to you based on use of designated or approved suppliers.

Occasionally, during major promotions, suppliers will sell items to us at a discount. At our discretion, we will either pass the savings directly to you or contribute any amounts collected in excess of

the discount to HNAF (*see* Item 11). Currently, certain of our soft drink suppliers offer rebates to both you and us based on volume purchases.

During our fiscal year ended January 27, 2025, the following suppliers made contributions to HNAF: KDM (\$59,823); Dr. Pepper (\$61,562); CDM (\$50,000). The funds contributed were used primarily to offset the cost of point of purchase and other advertising production costs. Additionally, during our fiscal year ended January 27, 2025, we and our affiliates' revenue from all sales and leases to Hardee's franchisees was approximately \$33 million, which represented approximately 4.9% of the total revenue of the Securitization Entities of approximately \$671.4 million. In certain instances, we simply pass through the franchisee payments to the designated vendor, supplier or landlord.

You must, at your sole expense, maintain in full force and effect throughout the term of each agreement that insurance that you determine is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant, which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by us. (Franchise Agreement, §15.B.; Development Agreement, § 7.B.). We may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage. You will receive written notice of these modifications, and you must take prompt action to comply. We, and any entity with an insurable interest designated by us, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest. All insurance policies must be written by an insurance company (or companies) satisfactory to us in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to you in writing.

These required insurance policies include, at a minimum, the following: (1) Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000; (2) Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy; (3) Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Franchisee's employees who participate in any of the training programs described in the Franchise Agreement. The required limits above may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability and Employer's Liability coverages; (4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V." Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D"; (5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence; and (6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, your general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder's

### FINANCING

Neither we nor any of our agents or affiliates offer direct or indirect financing to you or guarantee any of your notes, leases or obligations. If you are purchasing one or more company-operated Restaurants, we will issue a Sublease for each site leased by us. The Sublease is a standard commercial lease under which you pay rent to us for use of the premises. The Sublease does not contain any financing terms. At the time of the closing of the transaction, you and we will execute, among other things and if appropriate, a Sublease for each Restaurant you purchase, the general form of which is attached as Exhibit P.

## ITEM 11

### FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

**Except as listed below, we are not required to provide you with any assistance.**

#### **HR's Pre-Opening Obligations**

Before you open your Franchised Restaurant, we will:

1. Provide you with the following site selection assistance: **(a)** HR's site selection guidelines and, as you may request, a reasonable amount of consultation with respect to site selection; and **(b)** on-site evaluation that we may deem advisable as part of our evaluation of your request for site acceptance. (Development Agreement, § 5.B.)

2. Advise you in writing, within 30 days after our receipt of all documents that we require, whether we have accepted a particular site; however, we have no obligation to review any development proposal if you or your affiliates are not in full compliance with all agreements with us or our affiliates. If we do not respond within that time period, we will be deemed not to have accepted the site. (Development Agreement, § 5.D.)
3. Provide you electronic access to, the OPM, which contains information and knowledge that is unique, necessary and material to the Hardee's System. The OPM remains our property. We may revise the contents of the OPM, and you agree to comply with each new or changed section. (Franchise Agreement, § 9.) The Table of Contents of the OPM as of the date of this disclosure document is attached as Exhibit G. As of that date, the OPM contained approximately 224 pages.
4. Provide our FMTP to up to 8 individuals. The details of the FMTP are described later in this Item. (Franchise Agreement, § 11.A.)
5. Provide you with any development training that we may require. (Development Agreement, § 5.F.)
6. **Provide** you electronic access to, the Development Guide, which contains mandatory specifications and standards relating to construction of Hardee's Restaurants and information relating to your other obligations under the Development Agreement. (Development Agreement, § 6)
7. Provide you with consultation and advice with regard to construction or renovation and operation of the Franchised Restaurant, building layout, furnishings, fixtures and equipment plans and specifications, employee selection and training, purchasing and inventory control and those other matters as we deem appropriate at no additional cost. (Franchise Agreement, § 12.A.)
8. Furnish you with prototypical plans and specifications for a Franchised Restaurant, including requirements for dimensions, design, image, interior layout, décor, fixtures, equipment, signs, furnishings, storefront and color scheme. It will be your responsibility to have prepared all required construction plans and specifications to suit the shape and dimensions of the location of your Franchised Restaurant ("Franchised Location"), and you must ensure that these plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. You must use only registered architects, registered engineers and professional and licensed contractors. We will review your proposed construction plans for the proposed Hardee's Restaurant and notify you within 30 days (or such longer period as we require) after we receive the plans whether the plans are approved. (Franchise Agreement, §4.A.)
9. Provide you with assistance, upon your request, or at our discretion, in opening the Franchised Restaurant and in training your employees as we deem appropriate in light of your needs and the availability of our personnel. We have the right to charge you a fee for the opening training support team, depending on the level of support needed to open the Franchised Restaurant (as determined by us). (Franchise Agreement, § 11.A & .B.)
10. Provide you with a final inspection of the Franchised Restaurant, if we choose to conduct one, and provide you with express written authorization to open the Franchised Restaurant if you have complied with all conditions. (Franchise Agreement, §5.J.)

#### **HR's Obligations During Operation of the Franchise**

During the operation of your Franchised Restaurant, we will:

1. Collect, administer and spend for advertising and promotion purposes monies paid by franchised and company-operated Hardee's Restaurants into HNAF. (Franchise Agreement, § 8.B.)
2. Provide you with guidelines for local advertising and promotion. You must submit to us for our approval any local advertising and promotional materials purchased from a source other than HR or its affiliates. (Franchise Agreement, § 8.D.)
3. We may change or modify the Hardee's System, including modifications to the OPM, required training program, the menu and menu formats, the required equipment, the signage, the building and premises of Franchised Restaurants (including the trade dress, décor and color schemes), the presentation of the Proprietary Marks, the adoption of new administrative forms and means of reporting and of payment of any monies owed to HR (including electronic means of reporting and payment) and the adoption and use of new or modified Proprietary Marks or copyrighted materials. (Franchise Agreement, § 10.A.)
4. Provide other training to you, if we decide to offer any other training. We reserve the right to require you to pay a tuition fee for these additional training programs, and you will be required to pay all travel, living and other expenses incurred by you and your employees while attending the training. (Franchise Agreement, § 11.B.)
5. Provide periodic advice and consultation to you in connection with the operation of the Franchised Restaurant as we deem appropriate or necessary. We will provide to you our knowledge and expertise regarding the Hardee's System and pertinent new developments, techniques and improvements in the areas of restaurant design, management, systems and tools, food and beverage preparation, sales promotion, service concepts, overall restaurant operations, financial metrics and other areas. We may provide these services through visits by our representatives to the Franchised Restaurant or your offices, the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications and other communications. (Franchise Agreement, § 12.C.)
6. Conduct inspections of the Franchised Restaurant and evaluations of the products sold and services rendered as we deem appropriate or necessary. (Franchise Agreement, § 12.D.)

### **Advertising**

We have established, and will maintain and administer, HNAF for the creation and development of advertising, marketing and public relations, research and related programs, gift card and loyalty programs, activities and materials that we, in our sole discretion, deem appropriate. During the term of the Franchise Agreement, you will have an advertising and promotion obligation ("APO") in the amount set forth in an appendix to the Franchise Agreement. You will pay that portion of the APO as we direct (which, as of the date of this disclosure document, is 4.25% of Hardee's Gross Sales) to HNAF as described in the next paragraph. HNAF contributions are due on the tenth day of each month. The remainder of the APO is paid to a Regional Co-op and/or will be spent by you for LSM. There is no franchisee advertising council that advises HR on advertising policy. Hardee's Restaurants operated by us contribute to HNAF on the same basis as comparable franchisees. Vendors and other suppliers also may contribute to HNAF.

We or our designee direct all advertising, marketing, and public relations programs and activities financed by HNAF with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials. We may work with an advertising agency in developing advertising for print, radio, internet and television and also often leverage internal and contract creative services.

During our last fiscal year ended January 27, 2025, HNAF monies were spent as follows: approximately 76% on media and public relations; approximately 7% on television, radio, outdoor and print production; approximately 1% on point of purchase items, artwork and packaging; approximately 2% on research and development; approximately 3% on digital creative production; and 11% on other (which includes agencies fees, contract services, administration expenses and other miscellaneous advertising production expenses). No funds were used to solicit franchisees.

We also have the right to establish a Regional Co-op in the DMA in which your Franchised Restaurant is located. Hardee's Restaurants operated by us in an area covered by a Regional Co-op will contribute on the same basis as comparable franchisees. Only company-operated and franchised Hardee's Restaurants located in the DMA covered by a Regional Co-op contribute to the Regional Co-op. If your Franchised Restaurant is in an area covered by a Regional Co-op, currently, you are required to contribute a minimum of 0.5% of Hardee's Gross Sales to the Regional Co-op; however, the Regional Co-op can vote to increase each member's contribution.

HR or its designee will administer HNAF. The HNAF is not a trust or escrow account, and HR has no fiduciary obligation to franchisees with respect to it. HR has the right to terminate HNAF and establish, if HR so elects, a different advertising fund. HR also has the right to terminate (and subsequently restart) any Regional Co-op. HR may incorporate any fund and may have a separate entity manage the fund. Unaudited reports of the operations of HNAF and the Regional Co-ops are prepared annually and are available to you upon written request.

You must spend for approved LSM, on a monthly basis, the difference between your APO and the amount you contribute to HNAF and the Regional Co-op. You may develop advertising materials or purchase advertising materials from sources other than HR or its affiliates for your own local use; however, we must approve these advertising materials before first use. These advertising materials should be submitted to HR for review and approval at least 30 days in advance of first use. Within 30 days after the end of each fiscal quarter, you must provide us or our designee with copies of all documentation demonstrating the amount and types of LSM expenditures you made in the prior fiscal quarter. must pay 100% of the cost of the point of purchase advertising materials that we require you to purchase from our designated vendor. In fiscal year ended January 27, 2025, HNAF funded certain point of sale kits for both franchised and company-operated Hardee's Restaurants. HR or its designee periodically will advise you of the advertising and sales promotions approved by HR.

Local advertising and promotion materials may be purchased from any HR-approved source. If purchased from a source other than HR or its affiliates, these materials must comply with federal and local laws and regulations and with the guidelines for advertising and promotions promulgated from time to time by HR or its designee and must be submitted to HR or its designee at least 30 days prior to first use for approval, which HR may grant or withhold in its sole discretion. In no event may your advertising contain any statement or material which, in the sole discretion of HR, may be considered: **(1)** in bad taste or offensive to the public or to any group of persons; **(2)** defamatory of any person or an attack on any competitor; **(3)** to infringe upon the use, without permission, of any other persons' trade name, trademark, service mark or identification; or **(4)** inconsistent with the public image of HR or the System.

We have the right, following written notice to you, to reallocate the APO and to increase the APO; however, we will not increase the APO by more than ½% of Gross Sales in any 12-month period. In addition, we may not increase the APO above 7% of Gross Sales; however, this limitation does not prevent the Franchised Restaurant's Regional Co-op from requiring a contribution, that when added to your HNAF contribution, results in a total APO in excess of 7% of Gross Sales.

In spending advertising monies, HR is not obligated to make expenditures for any franchisee that are equivalent or proportionate to that franchisee's contribution or to ensure that any particular franchisee benefits directly or on a pro rata basis from expenditure of the funds.

Generally, HR believes that it will spend all advertising payments during the taxable year in which the contribution and earnings are received. If we do not spend the advertising payments in one year, we will spend them in the following year. Except with respect to administrative and legal expenses, neither HR nor any affiliate receives payment for providing goods or services to advertising funds or regional co-ops.

### **Electronic Cash Register/Point of Sale System**

A Hardee's typically requires a Computer/POS System consisting of 4 POS terminals and 6 kitchen display monitors. You must purchase or lease PAR ES600 or PAR ES8500 terminals. These systems record customer transactions and collect and generate gross sales reports (including sales by categories) for the Franchised Restaurant. In addition, (i) you must purchase or lease Brink Kitchen Display Systems and a back-office workstation as recommended by the software provider, and (ii) you must meet our required connectivity standards (currently, (a) Cisco Meraki Firewall/Router with Advanced Security License, (b) Cisco Meraki Wireless Access Point(s), Cisco Meraki 48 port switch, (c) highly reliable internet with auto-failover to LTE Backup, and (d) Wi-Fi for guests (if Internet speeds are fast enough to support it) and back of house operations. The hardware for the connectivity currently includes security appliance – Meraki MX68 w/Advanced Security License, wireless access Points – Meraki MR33, and managed switch – Meraki MS120. You are required to upgrade or update these systems and add or replace components during the term of the Franchise Agreement, and there is no contractual limitation on the frequency or cost of the obligation.

You also must use an approved software program for the Computer/POS System. You must choose either PAR Brink or Xenial Xpient (5.0 or higher) for your Computer/POS System. The cost of PAR Brink includes an initial setup fee of \$2,200 per Franchised Restaurant and \$576 annual license fee per Franchised Restaurant which will cover 4 terminals and 6 KDS systems, both fees payable directly to the third-party vendor. You may add additional terminals or KDS systems for \$7 per month for each additional service. If you choose PAR Brink, you must also use CrunchTime as your back-office software solution. If you choose to use PAR Brink, you may sign a Software Support Agreement with CKR (the current form is attached as Exhibit F-1) and pay to CKR a software support fee of \$118 for each Franchised Restaurant for each fiscal period (as defined by CKR) which will give you access to CKR's Level 1 and Level 2 Help Desk Support and also pay to CrunchTime \$825 per Franchised Restaurant bi-annually (every 26 week accounting period) for swivel seat support which includes hardware and network issues, phone and internet issues and access to the Crunchtime back-office software solution. If you obtain support for PAR Brink/CrunchTime from a third party, we estimate the cost to be on average \$250 per month. In addition, for PAR Brink, you must enter into a written agreement with Par Tech, Inc. ("Par Tech"), Lucas POS Systems, or POS Technical to provide on-site support. Par Tech, Lucas POS Systems, or POS Technical will bill you directly for these services. If you choose Xenial Xpient IRIS 5.0 (or higher) as your POS software, you will need to obtain a license directly from Xenial and on-site support from a vendor approved by Xenial. The purchase price of the required hardware, software and support ranges from approximately \$35,000 to \$45,000, depending on the vendor selected.

You must maintain your point of sale system and keep it in good repair. We can access the information stored in the system, and there is no contractual limitation on our right to do so. We estimate the cost of maintaining, updating or upgrading your Computer/POS System or its components will range from \$1,800 to \$3,000 annually, although the cost will depend on your repair history, local costs of computer maintenance services in your area and technological advances, which we cannot predict at this

time, and this annual estimate is separate and independent from any requirement to install a new cash register/point of sale system.

You must participate in any online ordering and delivery programs that we may establish with approved supplier(s) (currently Uber Eats, Door Dash, and GrubHub) and you must comply with any participation criteria and other rules applicable to such programs. You must also participate in our loyalty and gift card programs and any other marketing and promotional initiatives that we may from time to time establish with approved vendors and comply with any participation criteria and other rules applicable to such programs. We have the right to modify the participation criteria or discontinue such initiatives at any time upon written notice to you. We will provide you access to the online ordering/delivery and loyalty program software and technology (which currently includes OLO, Data Menu Management, Punchh Loyalty, Data Management (customer data processing) and Future (enterprise data management and content management system) and you must pay us the Digital Tech Fee identified in Item 6 (currently \$160 per 4-week fiscal period). You must execute the OLO Authorized Operator Agreement (current form is attached as Exhibit F-2) and we may require you to execute additional or different software agreements regarding your use of such technology in the future. (Franchise Agreement, Section 13.E & N. and Appendix A).

### **Selecting the Location for Your Franchised Restaurant**

We do not select the site for your Franchised Restaurant. You select the site for your Franchised Restaurant, subject to our acceptance. As noted in Item 1, you should not acquire any interest in a site for your Franchised Restaurant until we have approved you as a franchisee (or, if you already are a franchisee, until you have been approved for expansion) and we have accepted the site in writing. We generally do not own the Franchised Restaurant premises and lease them to franchisees.

For each proposed site for a Franchised Restaurant, you will, if requested by us, submit a Franchise Site Application to us. In addition, you may have to submit a complete real estate package (containing that information as we may reasonably require) for a proposed site that you reasonably believe conforms to our then-current site selection criteria for demographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses (including restaurants operated or franchised by HR or its affiliates), the nature of other businesses in proximity to the site and other commercial characteristics (including the purchase price, rental obligations and other lease terms for the proposed site) and the size, appearance, other physical characteristics and a site plan of the premises. Within 30 days after our receipt of these documents and any information that we may require, we will advise you in writing whether we have accepted a particular site; however, we have no obligation to review any development proposal if you or your affiliates are not in full compliance with all agreements with us or our affiliates. If we do not respond within that time period, we will be deemed not to have accepted the site. Our acceptance or refusal to accept a site may be subject to reasonable conditions as determined in our sole discretion.

We may refuse to accept a site for a proposed Franchised Restaurant unless you demonstrate sufficient financial and growth ready capabilities and, in our sole judgment, applying standards consistent with criteria we use to establish Hardee's Restaurants in other comparable market areas, to properly develop, operate and maintain the Franchised Restaurant. Therefore, you also must furnish us with financial statements and other information regarding you and the development and operation of the proposed Franchised Restaurant, including, without limitation, investment and financing plans for the proposed Franchised Restaurant as we reasonably may require.

Our acceptance of one or more sites is not a representation or a promise by HR that a Franchised Restaurant at an accepted site will achieve a certain sales volume or a certain level of profitability. Similarly, our acceptance of one or more sites and our refusal to accept other sites is not a representation

or a promise that an accepted site will have a higher sales volume or be more profitable than a site which we did not accept. Our acceptance only indicates our willingness to be represented by you at that site.

Following our acceptance of a site, you must secure the site by entering into a lease or sublease for the site or purchasing the real property. This must be finalized no later than 6 to 9 months after our site acceptance (the date the lease or sublease is executed is the “Property Control Date”). If you do not do so within the required timeframe, the site acceptance will be deemed withdrawn without providing you notice. You must commence construction of the Franchised Restaurant within 6 months after the Property Control Date. If you fail to commence construction of the Franchised Restaurant as required, our site acceptance will be deemed withdrawn without providing you notice, and we will have the right to terminate the Franchise Agreement, if already fully-executed. You may not commence construction until we have a fully-executed Franchise Agreement with you and you have paid us the Initial Franchise Fees. You must open the Franchised Restaurant within 18 months after the Property Control Date. If you fail to open the Franchised Restaurant within 18 months after the Property Control Date we will have the right to terminate the Franchise Agreement.

### **Time Between Agreement Signing and Opening**

The typical length of time between the Property Control Date and the opening of the Franchised Restaurant is between 12 and 18 months. Factors affecting this length of time usually include your ability to obtain adequate financing, weather, local requirements and procedures for necessary permits and zoning, shortages or delayed installation of equipment, signs and fixtures, and special circumstances affecting construction in a particular area, none of which are within our control.

If you are purchasing an existing company-operated Restaurant, the time between execution of the Asset Purchase Agreement and you beginning to operate the Franchised Restaurant is approximately 1 to 4 months.

### **Training**

We may require your 10% Owners to attend a 10-Day Operations Overview before we will commit to enter into any other agreement with you. The 10-Day Operations Overview will be conducted at those locations specified by us. As described in Item 5, we may charge a fee for this training program, and you will be required to pay all travel, living and other expenses incurred in attending this training program. The persons participating in the 10-Day Operations Overview will be required to execute the Preliminary Agreement.

We currently provide the FMTP to you, your Operating Principal (if not previously trained), your General Manager and 6 other employees whom you have hired as Shift Leaders, at no additional cost to you, provided that the training takes place within 2 years of your signing the Franchise Agreement. We reserve, however, the right to modify or waive the training required based on an individual’s or your experience. We will provide the FMTP at those times and places designated by us. As described in Item 5, a Training Fee is charged to provide the FMTP to additional individuals. The FMTP will include restaurant training at a Hardee’s Restaurant designated by us and training on Star University (StarU), our online Learning Management System.

In addition, we also provide you with access to our Learning Management System called Star University (StarU). Star University is a learning management platform which is used for the administration, tracking and reporting of learning and development programs. Currently, the fee associated with the use of this program is \$14 per fiscal period (as defined by us, currently a 4-week accounting period), but we reserve the right to increase the fee in the future. In addition, you will be required to sign the Star University

License Agreement (the current form is attached as Appendix I to the Franchise Agreement). The fee is paid to us but we pass this entire fee to a third-party vendor to help facilitate the training environment. The use of Star University requires certain high-speed internet and hardware and such costs will be solely your responsibility. Star University is a required training tool for your Franchised Restaurant. You will be required to pay all travel, living and other expenses incurred by you and your employees while attending the training programs. We reserve the right to dismiss from the FMTP any person whom we do not believe will perform acceptably in the position for which they have been hired by you and you will provide a qualified replacement within one month of that dismissal.

The minimum length of the FMTP is 8 consecutive weeks; however, depending on the prior experience of the trainee, the FMTP could be shorter or longer. The FMTP trainers are experienced Hardee's Restaurant Managers who conduct the training under the supervision of CKR's Director of Global Learning & Organizational Development, Lisa Holloway. See Note (2) below regarding Lisa Holloway's experience.

In addition, if you do not currently operate a franchised Hardee's Restaurant or if you have not opened a new franchised Hardee's Restaurant in the last 2 years, your Operating Principal must attend another franchisee's (or a company) new restaurant opening no more than 12 months before your Franchised Restaurant opens.

Any training that we may provide to any of your employees will be limited to training or guiding the employees regarding the delivery of approved products to customers in a manner that reflects the customer service standards of the Hardee's System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You are solely responsible for ensuring that your employees receive adequate training.

### NOTES

- (1) The instruction materials for the FMTP include the Basic Management Training (BMT), Shift Leader and Restaurant General Manager (RGM) workbooks.
- (2) Lisa Holloway is our Global Director of Learning & Organizational Development. She has more than 20 years of experience leading training and performance initiatives in guest-facing

organizations. FMTP trainers include: General Managers, District Managers, and Certified Training Managers.

### **Other Training**

We have the right to require that you, your owners, your Operating Principal, your General Manager and any other employees hired by you to fill certain designated positions take and successfully complete additional training programs. We reserve the right to require you to pay a tuition fee for these additional training programs as periodically established by us. You will be required to pay all travel, living and other expenses incurred by you and your employees while attending this training.

### **All-Star Team Opening Training Support**

For your first two Franchised Restaurants, you will receive assistance of our All-Star Team in the pre-opening and opening of those two Franchised Restaurants. The All-Star Team may consist of our corporate staff and/or it may include one or more of our franchisees, as we may determine. The All-Star Team's primary responsibility is to assist with restaurant set-up, restaurant crew station training and guest experience during your Franchise Restaurant pre-opening and opening. You will be responsible for the salaries, administrative fees, meals, travel and lodging expenses of the All-Star Team members while they are trainers at your Franchised Restaurant. For additional details, see Items 5 and 7.

### **Training by You**

You must conduct those initial and continuing training programs for your employees as we periodically require. You must ensure that all of your employees have been trained in the proper operation of the Franchised Restaurant. In addition, if you operate three or more Franchised Restaurants, we may require, in our sole discretion, that (A) you obtain and maintain a certification from us for one or more of your Franchised Restaurants to be an authorized training restaurant (a "Certified Franchisee Training Restaurant") and (B) one or more of your General Managers obtain and maintain a certification from us as a trainer authorized to provide our FMTP to your new trainees (a "Certified Franchisee Training Manager"). Your Certified Franchisee Training Manager may provide our FMTP at a Certified Franchisee Training Restaurant in accordance with our System standards for such training. To become a Certified Franchisee Training Manager, a General Manager must (i) complete our FMTP, (ii) maintain specific food safety programs, (iii) attend any required additional training program as specified by us from time to time, and (iv) meet other qualifications that we may specify from time to time. To be designated as a Certified Training Restaurant, your Franchised Restaurant must (a) meet compliance scores that we specify, (b) fully comply with our then-current System standards, (c) maintain established personnel requirements, in addition to a Certified Franchisee Training Manager, (d) remain compliant with all health department or other regulatory requirements; and (e) meet any other requirements that we may specify from time to time. We may, in our sole discretion, revoke certification for a Certified Franchisee Training Restaurant or a Certified Franchisee Training Manager. If we revoke certification, we may require your trainees to attend the FMTP at another location that we designate.

### **Conventions**

We may, from time to time, conduct conferences, conventions, programs, webinars, teleconferences, or training sessions on any matters related to the System. Your Operating Principal or your General Manager and other personnel we designate must attend each such meeting, program, or session that we require. We may charge you a reasonable fee to attend any such meeting, program, or session. We may require you to purchase or license from us, our affiliates, or third-party suppliers any training platform and equipment necessary to use or access the training materials. (Franchise Agreement, Section 11.B).

## ITEM 12

### TERRITORY

#### Development Agreement

You will not receive an exclusive territory under the Development Agreement. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

If you sign a Development Agreement, you will receive a Development Territory that will be mutually agreed upon by HR and you, taking into consideration the density of the area and the number of Franchised Restaurants you agree to develop. A description of the Development Territory will be attached as an appendix to the Development Agreement. The perimeters of the Development Territory may be described by specific street boundaries, county lines, state lines, municipal boundaries, railroad tracks or other similar boundary descriptions, and the size may range from a portion of a metropolitan area to a county or a state in less densely populated areas. You must obtain our prior written acceptance of each site for a Franchised Restaurant, which will be based on our then-current standards for sites for Hardee's.

The Hardee's System (including the products sold under the Proprietary Marks) has been developed, and is designed, to function effectively in a wide variety of retail environments, many of which are not practically available to you. Accordingly, under the Development Agreement, we reserve to ourselves the right to: **(A)** operate, and license others to operate, Hardee's Restaurants in the Development Territory that are located in travel plazas, gas stations or convenience stores; **(B)** operate, and license others to operate, Hardee's Restaurants in the Development Territory that are located in airports, train stations, bus stations, toll plazas, stadiums, arenas, convention centers, military facilities, schools, colleges, universities, hospitals, recreational theme parks, business or industrial foodservice venues, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, Indian reservations, casinos, "ghost" or "dark" kitchens or any similar captive market or non-traditional "brick and mortar" location; **(C)** award national or regional licenses to third parties to sell products under the Proprietary Marks in foodservice facilities primarily identified by the third party's trademark; **(D)** develop and operate, and license others to develop and operate, restaurants other than Hardee's Restaurants in the Development Territory; **(E)** merchandise and distribute products identified by some or all of the Proprietary Marks in the Development Territory through any other method or channel of distribution; and **(F)** sell and distribute products identified by some or all of the Proprietary Marks in the Development Territory to restaurants other than Hardee's Restaurants, provided those restaurants are not licensed to use the Proprietary Marks in connection with their retail sales.

Except as described in the preceding paragraph, we will not, during the term of the Development Agreement, operate, or license others to operate, Hardee's Restaurants in the Development Territory, provided you are in compliance with the terms of the Development Agreement and other agreements with HR or its affiliates and you are current on all obligations due HR and its affiliates. This does not prohibit us or our affiliates from: **(1)** operating, and licensing others to operate, during the term of the Development Agreement, Hardee's Restaurants at any location outside of the Development Territory; **(2)** operating, and licensing others to operate, after the Development Agreement terminates or expires, Hardee's Restaurants at any location; and **(3)** operating, and licensing others to operate, at any location, during the term of the Development Agreement or after the Development Agreement terminates or expires, any type of restaurant other than Hardee's Restaurants. In addition, the continued development and operation of any Hardee's Restaurants in the Development Territory that are under development or open for business as of the date of the Development Agreement will not violate your limited rights in the Development Territory. Your limited

rights in the Development Territory are granted only by HR and do not pertain to or affect any affiliate of HR.

Continuation of your limited rights in the Development Territory does not depend on your achieving a certain sales volume, market penetration or other contingency. However, if you are in default under the Development Agreement or any Franchise Agreement, we may terminate the Development Agreement and your limited rights in the Development Territory. There are no other circumstances in which we can unilaterally modify your limited rights in the Development Territory.

There are no restrictions on the areas in which you may advertise or solicit customers for your Franchised Restaurants; however, see Item 13 for internet restrictions. We reserve all rights to use and license the Hardee's System, and the Proprietary Marks other than those that we expressly grant you. There are no restrictions on the areas in which we may advertise or solicit customers, nor must we compensate you for soliciting or accepting orders from inside the Development Territory. The rights we reserve include the right to use any other channel of distribution, including the internet, to make sales in the Development Territory using the Proprietary Marks or different proprietary marks.

### **Franchise Agreement**

You will not receive any exclusive territory under the Franchise Agreement. You may face competition from other franchisees, from outlets that we own and/or operate, or from other channels of distribution or competitive brands that we control. You do not receive any right under the Franchise Agreement to develop additional Franchised Restaurants. Our prior written consent is required before you relocate the Franchised Restaurant. If your right to possession of the Franchise Restaurant premises is lost through no act or failure to act on your part, you may relocate the Franchised Restaurant if: (1) we accept the new location; (2) you construct and equip a Franchised Restaurant at the new location in accordance with the then-current System standards and specifications; (3) a Franchised Restaurant at the new location is open to the public for business within 6 months after the loss of possession of the original franchised location; and (4) you reimburse us for all reasonable expenses actually incurred by us in connection with the acceptance of the new location.

You may only sell or distribute products identified by some or all of the Proprietary Marks from the Franchised Location; you may not use any other method or channel of distribution. We do not impose any geographic restrictions on your ability to solicit customers; however, see Item 13 for internet restrictions. In addition, you must participate in all online ordering and delivery programs that we may designate from time to time and comply with the terms and conditions of such programs, including any geographic or other delivery restrictions. There are no restrictions on our ability to solicit customers, nor must we compensate you for soliciting or accepting orders. We reserve all rights to use and license the Hardee's System, and the Proprietary Marks other than those that we expressly grant you. We reserve the right to merchandise and distribute goods and services identified by the Proprietary Marks (or different proprietary marks) through any method or channel of distribution, including the internet.

As noted in Item 1, pursuant to the Management Agreement, CKR, at all times acting on our behalf, may fulfill all of our duties and obligations under all existing and future Franchise Agreements and Development Agreements, including managing the Hardee's Systems; marketing and offering new and renewal Franchise Agreements and Development Agreements as our franchise broker; training franchisees and their employees; and providing the required support to franchisees. Pursuant to the same Management Agreement, CKR also fulfills all of CJR's duties and obligations under all existing and future franchise agreements and development agreements for Carl's Jr. Restaurants, which are quick service restaurants identified in whole or in part by the name "Carl's Jr." Except in limited circumstances, Hardee's Restaurants are not located in same geographic area as Carl's Jr. Restaurants. In the limited circumstances

where there is overlap, CJR and its franchisees may solicit or accept orders within the same area served by Restaurants operated by Hardee's franchisees, and any potential conflict between the franchisees of each system will be resolved on a case by case basis. As noted in Item 1, the principal place of business CKR and CJR is the same as ours.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

## ITEM 13

### TRADEMARKS

For Hardee's Restaurant franchisees, we grant you the right to operate a restaurant under the name "Hardee's" and to use our other current or future trademarks that we designate in the operation of your Franchised Restaurant. By trademarks, we mean trade names, trademarks, trade dress, service marks, logos, insignias, slogans, emblems, symbols, designs and any combination of these or any other indicia of source used to identify and distinguish the Hardee's brand (our "Proprietary Marks"). CJR and HR are parties to an agreement having a perpetual term, which, among other things, permits CJR and HR to use and license the use of the other's trademarks. We own all right, title and interest in and to the Proprietary Marks and you will only have such rights to use the Proprietary Marks as granted to you in the Franchise Agreement.

Our Proprietary Marks include both registered and unregistered marks. Registered marks are marks that have been registered with the United States Patent and Trademark Office ("USPTO") and enjoy the protections of federal registration. Unregistered marks may include short term product marks (LTOs and similar promotions), trade dress or other marks that, while not registered, are protected by common law based upon our use of the marks. In addition to other registered trademarks, we own the following principal trademarks ("Principal Trademarks") that have been registered with the USPTO on the Principal Register, and any applicable required affidavits of continued use have been filed and accepted:

<b>Trademark</b>	<b>Registration No.</b>	<b>Registration Date</b>

In addition to other registered trademarks, CJR and HR jointly own the following principal trademarks registered with the USPTO on the Principal Register, and all required affidavits of continued use have been filed and accepted:

Trademark	Registration No.	Registration Date
	5,660,007	January 22, 2019 (Renewed)

You must follow our rules when you use the Proprietary Marks. You cannot use the Proprietary Marks as part of a corporate, limited liability company, partnership or other business entity name or with modifying words, designs or symbols. You may not use the Proprietary Marks in connection with the sale of any unauthorized products or services or in any manner not authorized in writing by us. You may not seek registration of a Proprietary Mark or any mark that contains, includes or is similar to a Proprietary Mark.

There are no presently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court relating to the Principal Trademarks. There are no pending infringement, opposition or cancellation proceedings or material litigation involving the Principal Trademarks. There are no agreements currently in effect that significantly limit our right to use or license the use of the Principal Trademarks in any manner material to you. We do not know of either superior prior rights or infringing uses that could materially affect your use of the Principal Trademarks in any state.

You must promptly inform us in writing regarding any infringement of the Proprietary Marks of which you are aware. You may not make any demand or serve any notice, orally or in writing, or institute

any legal action or negotiate, compromise or settle any controversy with respect to any infringement without first obtaining our written approval. We will have the right, but not the obligation, to bring an action or take those steps we consider advisable to prevent any such infringement and to join you as a party to any action in which we are or may be a party and as to which you are or would be a necessary or proper party. The Franchise Agreement does not contain any provisions under which we are required to defend or indemnify you against any claims of infringement or unfair competition arising out of your use of the Proprietary Marks. The Franchise Agreement does require that you notify us immediately of any litigation involving the Proprietary Marks that is instituted or threatened against you. You also must fully cooperate in defending or settling the litigation. You may not directly or indirectly contest the validity or our ownership of the Proprietary Marks.

You may not use our Proprietary Marks in any internet domain name or e-mail address, in the operation of any internet web site or on a social media platform including any social networking site, Facebook, Twitter, Instagram, Pinterest, YouTube, Snapchat, Vine, blogs, podcasts and wikis or other future social media platforms and/or technological avenues (collectively, “Social Media”; not an exclusive list and term applies to any social networking website, mobile application, blog or microblog, public and private message boards, comment sections, etc.) without our prior written consent. We may grant or withhold our consent in our sole discretion and may condition our consent on the requirements we deem appropriate, including the requirement that you obtain our written approval of: **(A)** any and all internet domain names and home page addresses related to the Franchised Restaurant; **(B)** the proposed form and content of any web site related to the Franchised Restaurant; **(C)** your use of any hyperlinks or other links; **(D)** your use of any materials (including text, video clips, photographs, images and sound bites) in which any third party has an ownership interest; and **(E)** any proposed modification of your web site. We may designate the form and content of your web site and/or require that the web site be hosted by us or a third party who we designate, using one or more web sites that we own and/or control. We may charge you a fee for developing, reviewing and approving your web site and/or for hosting the web site. We have established a Social Media policy for franchisees, and you must comply with the Social Media policy, as modified periodically, and any additional policies that we issue. Any copyright in your sites or pages on any Social Media are owned by us, and you must sign any documents that we reasonably deem necessary to affirm our ownership of the copyright.

If we elect to modify the principal name under which Hardee’s Restaurants operate (or adopt a different principal name and/or logo to identify Hardee’s Restaurants) generally or in the DMA in which your Franchised Restaurant is located, we may select a modified name or another name, and the Hardee’s System and the Franchise Agreement will be deemed amended to substitute that name, and you will be required to incur the necessary costs to adopt the new name.

## **ITEM 14**

### **PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

We do not own any patents that are material to your Franchised Restaurant or the Hardee’s System. We own the copyright in all of our advertising and marketing materials including, but not limited to, images, copy, radio and television commercials, and social media posts, the OPM and for certain forms, architectural, engineering, and construction plans, advertising materials, product specifications, computer programs, newsletters, training materials, and operation and accounting manuals. While we do not commonly register our materials protected by copyright with the United States Registrar of Copyrights, we may seek registration for these materials at any time.

During the term of the Franchise Agreement, you will have access to trade secret information that is confidential and proprietary to us such as manuals, formulas, methods, Customer Information, vendor

and pricing lists and policies. For example, the OPM and other materials contain our detailed standards and specifications for managing and operating your Franchised Restaurant and other proprietary information may discuss the selection, purchase, storage, preparation, packaging, ingredients, recipes, service and sale of the products and beverages you will sell at your Franchised Restaurant. The OPM also contains information on management and employee training, marketing, advertising and sales promotions, signs, fixtures and furnishings, employee dress attire and appearance standards, menu concepts and business practices and procedures, including bookkeeping, accounting, records retention and other business systems.

You acknowledge that the trade secrets derive independent economic value from not being generally known to and not readily ascertainable to others. You agree to hold in confidence and agree not to disclose or in any way make available to any unauthorized person any trade secret or any information regarding any trade secret or any proprietary information made available to you by us. You may disclose trade secrets only to your employees and agents with a legitimate need to know, each of whom you will warrant will be subject to this confidentiality requirement. You also agree not to contest our interest in the trade secrets and confidential and proprietary information that comprise the Hardee's System.

We are not required by any agreement to protect or defend copyrights or confidential information, although we intend to do so as appropriate.

## **ITEM 15**

### **OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

You are not obligated to participate personally in the direct operation of the Franchised Restaurant; however, you must designate, and we must approve, a qualified individual to serve as the "Operating Principal" of your Franchised Restaurant. If you sign a Development Agreement, you must designate, and we must approve, a qualified individual to serve as your "Development Principal."

The Operating Principal must own at least a 10% equity ownership interest in you, or in your general partner if you are a limited partnership, unless modified by us in our sole discretion, and be a person acceptable to both us and you. (This requirement does not apply if you were a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between you and us.) The Operating Principal must be a member of the Continuity Group and have full control over the day-to-day activities of the Franchised Restaurant and those other restaurants (that are franchised by us or our affiliates) operated by you in the same geographic market as the Franchised Restaurant, including control over the standards of operation and financial performance. Unless you have named, and we have approved, a Multi-Unit Manager (discussed below), the Operating Principal must: (1) devote full time and best efforts to the supervision and conduct of the Franchised Restaurant and those other restaurants (that are franchised by us or our affiliates) operated by you in the same geographic market as the Franchised Restaurant; and (2) maintain his/her primary residence within a reasonable driving distance of the Franchised Restaurant, unless waived in writing by us. The Operating Principal will be required to successfully complete the FMTP and any additional training required by us. If you operate restaurants in multiple markets that are franchised by us or our affiliates, an individual meeting the above qualifications will serve as the Operating Principal in at least one market.

If you operate restaurants that are franchised by us or our affiliates in multiple geographic markets, for all markets in which the Operating Principal fails to satisfy our requirements, you must designate and retain an individual to serve as Multi-Unit Manager. The Multi-Unit Manager will be under the supervision of the Operating Principal. The Multi-Unit Manager must devote full time and best efforts to supervising the operation of the Franchised Restaurant and those other restaurants (that are franchised by us or our

affiliates) operated by you in the same geographic market, successfully complete the FMTP and any additional training required by us, and be approved by us. In addition, the Multi-Unit Manager must maintain his/her primary residence within a reasonable driving distance of the Franchised Restaurant, unless waived in writing by us.

The Development Principal must own at least a 10% equity ownership interest in you, or in your general partner if you are a limited partnership, unless modified by us in our sole discretion. (This requirement does not apply if you were a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between you and us.) The Development Principal must be a member of the Continuity Group and have full control over the day-to-day development of the Franchised Restaurants. Unless you have named, and we have approved, a Multi-Unit Development Manager (discussed below), the Development Principal must: **(1)** devote full time and best efforts to the supervising development of the Franchised Restaurants; and **(2)** maintain his/her primary residence within a reasonable driving distance of the Development Territory, unless waived in writing by us. The Development Principal will be required to successfully complete our development training and any additional training required by us. If you are developing restaurants in multiple markets that are franchised by us or our affiliates, an individual meeting the above qualifications will serve as the Development Principal in at least one market.

If you are developing Franchised Restaurants in multiple geographic markets, for all markets in which the Development Principal fails to satisfy our requirements, you must designate and retain an individual to serve as Multi-Unit Development Manager. The Multi-Unit Development Manager will be under the supervision of the Development Principal. The Multi-Unit Development Manager must devote full time and best efforts to supervising the development of the Franchised Restaurants and other restaurants that are to be operated by you that are franchised by us or our affiliates in a geographic market, successfully complete our development training, the FMTP and any additional training required by us, and be approved by us. In addition, the Multi-Unit Development Manager must maintain his/her primary residence within a reasonable driving distance of the Development Territory, unless waived in writing by us.

The Franchised Restaurant must at all times be under the on-site supervision of one of the following designated individuals who must meet our applicable training qualifications for their designated position: the Operating Principal, a Multi-Unit Manager, a restaurant General Manager, or a Site Manager. You must, at all times, employ at the Franchised Restaurant at least one General Manager and a sufficient number of employees who have successfully completed the FMTP to ensure that the Franchised Restaurant operates in accordance with the System. If the Franchised Restaurant employs at any time fewer than the required number of trained personnel who have successfully completed the FMTP, you have 30 days to hire and enroll the required number of personnel in the FMTP. Your managers are not required to own an equity interest in you.

If you are any type of business entity other than a sole proprietorship, we and you will identify a "Continuity Group." The members of the Continuity Group will include: **(1)** the Development Principal; **(2)** the Operating Principal; **(3)** all holders of a direct or indirect legal or beneficial interest of 10% or more ("10% Owners") in Franchisee; **(4)** if Franchisee is a limited partnership, all 10% Owners in Franchisee's general partner; and **(5)** if any 10% Owner of Franchisee is a corporation or limited liability company, all 10% Owners in the entity that is a 10% Owner of Franchisee. You must notify us of any change in the Continuity Group. Each member of the Continuity Group and their spouses, if applicable, is bound by the confidentiality and non-competition restrictions described in Item 17 and must sign a guarantee assuming and agreeing to discharge all of your obligations to us unless we, in our sole discretion, waive or modify this requirement.

## ITEM 16

### RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the Franchised Restaurant solely for the operation of the Hardee's Restaurant and must maintain sufficient inventories, adequately staff each shift with qualified employees and continuously operate the Franchised Restaurant as we specify in the OPM or otherwise in writing.

You must meet and maintain the highest applicable public health standard and rating. You must adhere to the terms outlined in the Red Audit Policy for third-party food safety audits. You must operate the Franchised Restaurant in strict conformity with the methods, standards and specifications as we prescribe in the OPM or otherwise in writing.

We have the right to change the menu items, ingredients, products, materials, supplies and paper goods or the standards and specifications of each and there are no limits on our ability to do so. You must promptly comply with the new requirements. We also may restrict sales of menu items to certain time periods during the day. We do not limit the customers to whom you may sell goods or services. You must offer to customers online ordering and delivery services pursuant to online ordering/delivery programs that we may from time to time establish with approved vendors and comply with our specifications regarding same.

### RENEWAL, TERMINATION, TRANSFER, AND DISPUTE RESOLUTION

#### THE FRANCHISE RELATIONSHIP

These tables list certain important provisions of the Franchise Agreement and related agreements. You should read these provisions in the agreements attached to this disclosure document.

#### DEVELOPMENT AGREEMENT

## ITEM 18

### PUBLIC FIGURES

We do not use any public figures to promote our franchise.

## ITEM 19

### FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-operated outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in this Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The financial performance representation included below shows the average revenue for 1,398 freestanding Hardee's Restaurants that were operated by our franchisees and us (as company-operated restaurants) during the entire 53 week time period of January 30, 2024 to January 27, 2025 (the "FY25 Period"). Of the 1,398 freestanding Hardee's Restaurants included in this financial performance representation, 190 restaurants are company-operated restaurants, and 1,208 restaurants are franchised restaurants.

At the end of FY25 we had 1,571 franchised and company-operated restaurants open and operating in the United States. Of the 173 restaurants excluded from this financial performance representation: (i) 130 restaurants operate from a travel plaza, gas and convenience store, college, university, toll plaza, or airport – meaning, they do not operate from a freestanding location, and (ii) 43 restaurants did not provide us with complete revenue data for the entire FY25 time period.

Table Notes

1. Freestanding Restaurants. The restaurants included in this financial performance representation are all freestanding Hardee's Restaurants located in the United States. A Hardee's restaurant is considered "freestanding" if it is located in a single tenant building, not attached to any other structures. This financial performance representation does not include information for Hardee's restaurants operated from travel plazas, gas and convenience stores, colleges and universities, and airports. Further, Hardee's restaurants located outside the United States are not included in this financial performance representation.
2. Revenue. Revenue includes all revenue from the sale of all services and products (except HR-approved promotional items) and all other income of every kind and nature (excluding revenue from the sale of stored value gift cards or gift certificates but including revenue when gift certificates are redeemed or stored value gift cards are debited), whether for cash or credit and regardless of collection in the case of credit; provided, however, that Revenue does not include sales taxes or other taxes collected from customers by you for transmittal to the appropriate taxing authority.

**Some restaurants have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.**

Written substantiation of the financial performance representation will be made available to you upon reasonable request. However, we will disclose the identity, revenue or other items of income or expense of any particular Company-Operated Restaurant only in connection with the sale of that Company-Operated Restaurant.

You are responsible for developing your own business plan for your franchised restaurant, including capital budgets, financial statements, projections and other elements appropriate to your particular circumstances. We encourage you to consult with your own accounting, business and legal advisors and to make necessary allowances for changes in financial results to income, expenses or both. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised restaurant. Franchisees or former franchisees listed in the disclosure document may be one source of this information.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Kerry Olson, Chief People and Legal Officer, 6700 Tower Circle, Suite 1000, Franklin, TN 37067, (615) 538-9260, the Federal Trade Commission, and the appropriate state regulatory agencies.

APPENDIX B – DEVELOPMENT INFORMATION

APPENDIX C – OWNERSHIP INTERESTS

## **HARDEE'S RESTAURANT DEVELOPMENT AGREEMENT**

**THIS AGREEMENT** is made as of \_\_\_\_\_ by and between Hardee's Restaurants LLC ("HR"), a Delaware limited liability company, and \_\_\_\_\_ ("Developer").

### **RECITALS**

A. As a result of the expenditure of time, skill, effort and money, HR and its predecessor have developed, and HR owns, a unique and distinctive system ("Hardee's System") relating to the development, establishment and operation of quick service restaurants ("Hardee's Restaurants").

B. The Hardee's System is identified by means of certain trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbol designs, and any combination thereof or any other indicia of source (collectively "Proprietary Marks"), which HR owns and which HR has designated or may in the future designate for use with the Hardee's System. The Proprietary Marks used to identify the Hardee's System, including the principal Proprietary Marks, may be modified by HR and/or its affiliates from time to time.

C. HR continues to develop, use and control the use of these Proprietary Marks in order to identify for the public the source of services and products marketed under the Proprietary Marks, the Hardee's System, and to represent the high standards of quality, appearance and service of the Hardee's System.

D. Developer desires to be granted the opportunity, subject to the terms and conditions of this Agreement, to develop franchised Hardee's Restaurants (collectively, "Franchised Restaurant(s)") in the limited geographic area described in attached Appendix A ("Development Territory").

E. Developer understands and acknowledges the importance of HR's high and uniform standards of quality, operations and service and the necessity of developing Franchised Restaurants in strict conformity with this Agreement and the Development Guide.

F. HR is willing to grant Developer the opportunity to develop Franchised Restaurants in the Development Territory, subject to the terms and conditions of this Agreement.

### **AGREEMENT**

**NOW THEREFORE**, in consideration of HR's grant to Developer of the right to develop Franchised Restaurants in the Development Territory during the term of this Agreement ("Development Term"), as well as the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

#### **1. GRANT OF DEVELOPMENT RIGHTS**

##### **A. Grant**

HR hereby grants to Developer, subject to the terms, conditions, provisions and limitations of this Agreement, the right to develop Franchised Restaurants in the Development Territory during the Development Term. The Development Term begins on the date this Agreement is signed by HR and

terminates on the first to occur of: **(1)** the date that the last Franchised Restaurant required by the Development Schedule in attached Appendix B opens for business; or **(2)** the date that the last Franchised Restaurant was required to be opened pursuant to the Development Schedule. There is no renewal term for this Agreement. Each Franchised Restaurant shall be located in the Development Territory at a specific location accepted by HR.

## **B. Development Rights Only**

This Agreement is not a license or a franchise agreement. It does not give Developer the right to operate Franchised Restaurants or use the Hardee's System. In addition, this Agreement does not give Developer any right to license others to operate Franchised Restaurants or use the Hardee's System. This Agreement only gives Developer the opportunity to enter into Franchise Agreements for the operation of Franchised Restaurants at locations in the Development Territory accepted by HR. Each Franchised Restaurant developed pursuant to this Agreement shall be established and operated only in strict accordance with a separate Franchise Agreement.

## **C. Forms of Agreement**

Developer acknowledges that, over time, HR has entered, and will continue to enter, into agreements with other developers and franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that HR and other developers and franchisees may have different rights and obligations does not affect the duties of the parties to this Agreement to comply with the terms of this Agreement.

## **2. LIMITED EXCLUSIVE RIGHTS**

The Hardee's System (including the products sold under the Proprietary Marks) have been developed, and are designed, to function effectively in a wide variety of retail environments, many of which are not practically available to Developer. Accordingly, HR reserves to itself the rights to: **(A)** operate and license others to operate Hardee's Restaurants in the Development Territory that are located in travel plazas, gas stations or convenience stores; **(B)** operate, and license others to operate, Hardee's Restaurants in the Development Territory that are located in airports, train stations, bus stations, toll plazas, stadiums, arenas, convention centers, military facilities, schools, colleges, universities, hospitals, recreational theme parks, business or industrial foodservice venues, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, Indian reservations, casinos, "ghost" or "dark" kitchens or any similar captive or non-traditional "brick and mortar" locations; **(C)** award national or regional licenses to third parties to sell products under the Proprietary Marks in foodservice facilities primarily identified by the third party's trademark; **(D)** develop and operate, and license others to develop and operate, restaurants other than Hardee's Restaurants in the Development Territory; **(E)** merchandise and distribute products identified by some or all of the Proprietary Marks in the Development Territory through any other method or channel of distribution; and **(F)** sell and distribute products identified by some or all of the Proprietary Marks in the Development Territory to restaurants other than Hardee's Restaurants, provided those restaurants are not licensed to use the Proprietary Marks in connection with their retail sales.

Except as reserved in the preceding paragraph, HR will not, during the Development Term, operate or license others to operate Hardee's Restaurants in the Development Territory, provided Developer is in compliance with the terms of this Agreement and any other agreements with HR or its affiliates and is current on all obligations due HR and its affiliates. This Section 2 does not prohibit HR or its affiliates from: **(1)** operating and licensing others to operate, during the Development Term, Hardee's Restaurants at any location outside of the Development Territory; **(2)** operating and licensing others to operate, after this Agreement terminates or expires, Hardee's Restaurants at any location, including in the Development

Territory; and (3) operating and licensing others to operate at any location, during or after the Development Term, any type of restaurant other than a Hardee's Restaurant.

The restrictions contained in this Section 2 apply only to HR and do not apply to Hardee's Restaurants under development or in operation in the Development Territory as of the date of this Agreement. Nothing shall prohibit HR or its affiliates from operating or licensing a restaurant at any location in or outside the Development Territory, other than a restaurant in the Development Territory that primarily is identified by the name and mark "Hardee's."

### **3. DEVELOPMENT SCHEDULE**

**A.** During the Development Term, Developer shall develop, open and continuously operate in the Development Territory the number of Franchised Restaurants specified in the Development Schedule in attached Appendix B. For each Franchised Restaurant to be developed during the Development Term, Developer shall first obtain HR's written acceptance of the site. No later than 9 months after HR's written acceptance of the site, Developer shall deliver to HR a fully-signed lease or sublease for the Authorized Site (defined below) or proof of Developer's purchase of such site. The effective date of the lease or sublease, or the closing day of the purchase of the real property, shall be the "Property Control Date". Developer shall open the Franchised Restaurant no later than the Opening Date set forth in Appendix B. Strict compliance with the Development Schedule is essential to this Agreement. Any failure by Developer in fulfilling its obligations to develop and open any Franchised Restaurant when required by the Development Schedule or to obtain site acceptance by the date specified in the Development Schedule shall constitute a material, non-curable breach of this Agreement permitting HR immediately to terminate this Agreement by giving written notice of termination to Developer. **Time is of the essence.**

**B.** Developer, as requested by HR, shall prepare a development plan for the Development Territory. Among other things, the development plan may identify specific markets or trade areas in the Development Territory in which Developer will develop Franchised Restaurants, the number and type of Franchised Restaurants to be developed and the time periods in which Developer will develop Franchised Restaurants in each market or trade area. If prepared, any failure by Developer to timely comply with the development plan or any material aspect of the development plan shall constitute a material, non-curable breach of this Agreement, permitting HR to terminate this Agreement immediately by giving written notice of termination to Developer.

**C.** The Initial Franchise Fee for each Franchised Restaurant to be developed under this Agreement will be \$25,000.

**D.** If, during the Development Term, Developer sells a Franchised Restaurant that was developed pursuant to this Agreement, that Franchised Restaurant will continue to be counted as a Franchised Restaurant for the purpose of meeting Developer's obligations under the Development Schedule, provided that the sale has been consented to by HR and only so long as that restaurant continues to be operated pursuant to a franchise agreement with HR or its affiliates.

**E.** At Developer's request, HR will permit the Franchise Agreement for any Franchised Restaurant in the Development Territory to be executed by a business entity formed by Developer to develop and operate the Franchised Restaurant ("Affiliated Entity"), provided all of the following conditions are met: (1) Developer, the Development Principal (defined in Section 8.F.) or Developer's Continuity Group (defined in Section 8.D.) owns at least 51% of all ownership interests in the Affiliated Entity; (2) the Affiliated Entity conducts no business other than the operation of the Franchised Restaurant; (3) Developer, the Development Principal, the members of Developer's Continuity Group and all holders of a legal or beneficial interest of 10% or more in Developer or, if Developer is a limited partnership, in

Developer's general partner ("10% Owner(s)") agree to assume full and unconditional liability for, and agree to perform all obligations, covenants and agreements contained in the Franchise Agreement; and (4) all owners of the Affiliated Entity possess a good moral character and meet HR's standards, as determined by HR in its sole discretion, and Developer provides HR all reasonably requested information to permit HR to make such a determination.

#### **4. DEVELOPMENT FEE**

Developer shall pay HR, at the time this Agreement is signed, a development fee equal to \$10,000 for each Franchised Restaurant Developer has agreed to develop in the Development Territory during the Development Term ("Development Fee"). The total amount of the Development Fee paid by Developer is set forth in Appendix B. Developer acknowledges and agrees that the Development Fee is fully earned by HR when paid and it is not refundable. Upon the execution of each Franchise Agreement for each Franchised Restaurant Developer has agreed to develop pursuant to this Agreement, \$10,000 of the applicable Development Fee will be credited against the full Initial Franchise Fee due HR upon the execution of such Franchise Agreement.

#### **5. DEVELOPMENT PROCEDURES**

##### **A. Developer's Responsibility and Business Plan**

Developer assumes all cost, liability and expense for locating, obtaining and developing sites for Franchised Restaurants and constructing and equipping Franchised Restaurants in accordance with HR's standards at accepted sites. Developer shall not make any binding commitments to purchase or lease a site until the site has been accepted in writing by HR. If requested by HR, Developer shall develop and submit to HR a business plan for the length of the Development Term. The business plan shall outline the actions that Developer will take to ensure the development and management of the Franchised Restaurants in accordance with HR's standards. If prepared, during the Development Term, Developer agrees to revise the business plan as requested by HR and further agrees to implement that business plan as approved by HR.

##### **B. Site Selection Assistance**

HR will provide Developer with the following site selection assistance: (1) HR's site selection guidelines and, as Developer may request, a reasonable amount of consultation with respect thereto; and (2) such site evaluation as HR may deem advisable as part of its evaluation of Developer's request for site acceptance. Developer is solely responsible for conducting all such due diligence, investigation and validation with its own third party advisors with respect to a proposed site. HR's consent to a proposed site is simply for purposes of confirming that the site meets HR's then-current site selection criteria. Developer is solely responsible for conducting all such due diligence, investigation and validation with its own third party advisors with respect to a proposed site. HR's consent to a proposed site is simply for purposes of confirming that the site meets HR's then-current site selection criteria.

##### **C. Franchise Site Application**

For each proposed site for a Franchised Restaurant, Developer shall, if requested by HR, submit to HR a Franchise Site Application. In addition, Developer shall submit a development proposal (containing that information as HR may reasonably require) for a proposed site which Developer reasonably believes to conform to site selection criteria HR establishes from time to time for demographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses (including restaurants operated or franchised by HR or its affiliates), the

nature of other businesses in proximity to the site and other commercial characteristics (including the purchase price, rental obligations and other lease terms for the proposed site) and the size, appearance, other physical characteristics, and a site plan of the premises.

Developer acknowledges that, in order to preserve and enhance the reputation and goodwill of all restaurants franchised by HR and the goodwill of the Proprietary Marks, all Franchised Restaurants must be properly developed, operated and maintained. Accordingly, Developer agrees that HR may refuse to accept a site for a proposed Franchised Restaurant unless Developer demonstrates sufficient financial capabilities, in HR's sole judgment, applying standards consistent with criteria HR uses to establish restaurants in other comparable market areas, to properly develop, operate and maintain the proposed Franchised Restaurant. To this end, Developer shall furnish HR with such financial statements and other information regarding Developer (or its Affiliated Entity, as defined in Section 3.E.) and the development and operation of the proposed Franchised Restaurant, including, without limitation, investment and financing plans for the proposed Franchised Restaurant, as HR reasonably may require.

#### **D. Site Acceptance**

Within 45 days after receipt of all documents referenced in this Section and any additional information that HR may require, HR shall advise Developer in writing whether it has accepted a particular site; however, HR has no obligation to review any development proposal if Developer or its affiliates are not in full compliance with all agreements with HR or its affiliates and not approved for growth by HR. If HR does not respond within that time period, HR shall be deemed not to have accepted the site. HR's acceptance or refusal to accept a site may be subject to reasonable conditions as determined in its sole discretion. (A site that HR has accepted shall be referred to as an "Authorized Site.")

HR's acceptance of one or more sites is not a representation or a promise by HR that a Franchised Restaurant at an Authorized Site will achieve a certain sales volume or a certain level of profitability. Similarly, HR's acceptance of one or more sites and its refusal to accept other sites is not a representation or a promise that an Authorized Site will have a higher sales volume or be more profitable than a site that HR did not accept. Acceptance by HR merely means that the minimum criteria which HR has established for identifying suitable sites for proposed Hardee's Restaurants have been met. Because real estate development is an art and not a precise science, Developer agrees that acceptance, or refusal to accept a proposed site by HR, whether or not a site report is completed and/or submitted to HR shall not impose any liability or obligation on HR. The decision to accept or reject a particular site is Developer's, subject to acceptance by HR. Preliminary acceptance of a proposed site by any representative of HR is not conclusive or binding, because his or her recommendation may be rejected by HR.

HR assumes no liability or responsibility for: (1) evaluation of an Authorized Site's soil for hazardous substances; (2) inspection of any structure on the Authorized Site for asbestos or other toxic or hazardous materials; (3) compliance with the Americans with Disabilities Act ("ADA"); or (4) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the Authorized Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

#### **E. Lease Provisions**

If Developer proposes to lease or sublease the Authorized Site, Franchisee shall provide HR with a copy of the proposed lease or sublease prior to its execution. The proposed lease or sublease shall not contain any covenants or other obligations that would prevent Franchisee from performing its obligations under the Franchise Agreement or any provisions that restrict HR from entering onto the Authorized Site as permitted by the Franchise Agreement. The lease or sublease shall include, during the entire term of the

lease or sublease including any renewal terms, the terms of the Hardee's Lease Addendum, attached as Exhibit 1.

Neither HR's receipt of the lease or sublease nor any requirement that Franchisee enter into a written modification to the lease or sublease constitutes a warranty or representation by HR of any kind, express or implied, as to the lease or sublease's fairness or suitability or as to Franchisee's ability to comply with its terms, and HR does not assume any liability or responsibility to Franchisee or to any third parties due to its receipt and review of the lease or sublease.

Franchisee shall provide HR with a copy of the fully-executed lease or sublease, including the Hardee's Lease Addendum, (for a term, including renewal terms, for at least the Initial Term of this Agreement), or proof Franchisee has purchased the real property, for the Authorized Site no later than 6 months after the written acceptance of the Authorized Site by HR, but, in any event, prior to the commencement of construction at the Authorized Site.

#### **F. Execution of Agreements**

Following HR's acceptance of each proposed site and Developer's submission to HR of a signed lease or sublease for the proposed site, or evidence that Developer has completed its purchase of the proposed site, HR will prepare and forward to Developer a Franchise Agreement for the Authorized Site. The form of Franchise Agreement for each Franchised Restaurant to be developed by Developer pursuant to this Agreement shall be the applicable standard form in general use immediately prior to the time that Developer commences construction at the applicable Authorized Site. Developer shall execute and return the Franchise Agreement to HR, along with the Initial Franchise Fee, within 10 days after receipt by Developer, and, following receipt by HR, HR shall execute the Franchise Agreement and return a fully-executed original of the Franchise Agreement to Developer. Developer may not commence construction at the Authorized Site prior to its receipt of a fully-executed Franchise Agreement and its payment to HR of the Initial Franchise Fee.

#### **G. Development Training**

Developer shall complete, to HR's satisfaction, any development training required by HR. Developer shall pay HR, for each person attending development training, a tuition fee as established by HR from time to time. Developer also may attend optional development training as offered by HR from time to time, subject to payment of a tuition fee as established by HR from time to time. Developer will be required to pay all travel, living and other expenses incurred by Developer and its employees while attending development training and optional development training.

#### **H. Delegation**

HR has the right, from time to time, to delegate the performance of any portion or all of its obligations and duties under this Agreement to designees, including, but not limited to, HR's corporate parents, affiliates or agents or independent contractors with which HR has contracted to perform HR's obligations or duties.

### **6. DEVELOPMENT GUIDE**

HR will provide to Developer for the Development Term one copy of, or provide Developer electronic access to, the Development Guide. The Development Guide contains mandatory specifications and standards relating to construction of Hardee's Restaurants and information relating to Developer's other obligations under this Agreement. Developer agrees to comply fully with these obligations and mandatory

specifications. The Development Guide may be supplemented or amended from time to time by letter, email, bulletin, construction standards manuals, software or other communications concerning the Hardee's System to reflect changes in the image, specifications and standards relating to the development and construction of a Hardee's Restaurant. Supplements or amendments to the Development Guide also may contain, among other matters, minimum standards and requirements for constructing, equipping and furnishing a Hardee's Restaurant. HR reserves the right to furnish all or part of the Development Guide to Developer in electronic form or online (including by Intranet) and establish terms of use for access to any restricted portion of HR's web site. Developer shall keep its copy of the Development Guide current and up-to-date with all additions and deletions provided by HR and shall purchase whatever equipment and related services (including, without limitation, a computer system, Internet service, dedicated phone line, etc.) as may be necessary to receive these communications. If a dispute relating to the contents of the Development Guide develops, the master copy maintained by HR at its principal offices shall control.

## **7. INSURANCE**

Developer shall be responsible for all loss or damage arising from or related to Franchisee's development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage, or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Developer shall, at its sole expense, maintain in full force and effect throughout the term of this Agreement that insurance which Developer determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by this Section 7.B. HR, and any entity with an insurable interest designated by HR, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest.

All insurance policies shall be written by an insurance company or companies satisfactory to HR, in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to Developer in writing. These policies shall include, at a minimum, the following:

**(1)** Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000.

**(2)** Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy.

**(3)** Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Developer's employees who participate in any of the training programs described in Section 5.F.

The required limits set forth in Section 7(1)-(3) above may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability and Employer's Liability coverages.

(4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V." Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D."

(5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence.

(6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, Developer's general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder's Risk with limits no less than \$1,000,000, with HR named as an additional insured, as well as Workers' Compensation and Employer's Liability as required by state law.

HR may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage, including: (a) HR's protection and rights under these policies as an additional insured or loss payee; (b) required or permissible insurance contract provisions; (c) assignment of policy rights to HR; (d) periodic verification of insurance coverage that must be furnished to HR and; (e) similar matters related to insured and uninsured claims. Developer shall receive written notice of such modifications and shall take prompt action to comply.

The following general requirements shall apply to each insurance policy that Developer is required to maintain under this Agreement:

Each insurance policy shall be specifically endorsed to provide that the coverages shall be primary and that any insurance carried by any additional insured or loss payee shall be excess and non-contributory.

No insurance policy shall contain a provision that in any way limits or reduces coverage for Developer in the event of a claim by HR or its affiliates.

Each insurance policy shall extend to, and provide indemnity for, all obligations and liabilities of Developer to third parties and all other items for which Developer is required to indemnify HR under this Agreement.

Each insurance policy shall be written by an insurance company that has received and maintains an "A- VIII" or better rating by A.M. Best Company (or another rating service designated by HR) and that is otherwise satisfactory to HR.

No insurance policy shall provide for a deductible amount that exceeds \$100,000, unless otherwise approved in writing by HR.

Each insurance policy shall include a waiver of subrogation endorsement in favor of HR and its affiliates.

With respect to the Commercial General Liability, Automobile Liability and Umbrella/Excess Liability policies, HR and its affiliates shall be named as Additional Insured on a primary and non-contributory basis. With respect to the Commercial Property coverage, HR and its affiliates shall be named as Loss Payee.

All required insurance policies shall be in full force and effect and Developer shall submit to HR evidence of satisfactory insurance and proof of payment therefore no later than the date the first of the following occurs: **(1)** 30 days prior to the scheduled opening date of the Franchised Restaurant; **(2)** the date Developer takes possession of the Authorized Site, or **(3)** the date construction commences at the Authorized Site, if Developer is contractually obligated for the construction. On each policy renewal date thereafter, Developer shall again submit evidence of satisfactory insurance and proof of payment therefor to HR. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to HR. Upon request, Developer also shall provide to HR copies of all or any policies, and policy amendments and endorsements.

Developer acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by HR that only such policies, in such amounts, are necessary to protect Developer from losses in connection with its business under this Agreement. Maintenance of this insurance, and the performance by Developer of its obligations under this Section, shall not relieve Developer of liability under the indemnification provisions of this Agreement.

Should Developer, for any reason, fail to procure or maintain at least the insurance required by this Section 7, as revised from time to time pursuant to the OPM or otherwise in writing, HR shall have the immediate right and authority, but not the obligation, to procure such insurance and charge its cost to Developer. All out-of-pocket costs incurred by HR in obtaining such insurance on behalf of Developer shall be reimbursed to HR by Developer immediately upon Developer's receipt of an invoice therefor.

## **8. ORGANIZATION OF DEVELOPER**

### **A. Representations**

If Developer is a corporation, a limited liability company, a partnership or any other type of organization (collectively, "business entity"), Developer makes the following representations and warranties: **(1)** it is duly organized and validly existing under the laws of the state of its formation; **(2)** it is qualified to do business in the state or states in which the Development Territory is located; **(3)** execution of this Agreement and the development and operation of Franchised Restaurants is permitted by its governing documents; and **(4)** unless waived in writing by HR, Developer's governing documents shall at all times provide that the activities of Developer are limited exclusively to the development and operation of the Franchised Restaurants and other restaurants that are franchised by HR or its affiliates and that no Transfer (as defined in Section 10) of an ownership interest may be made except in accordance with Section 10.

If Developer is an individual, or a partnership comprised solely of individuals, Developer makes the following additional representations and warranties: **(A)** each individual has executed this Agreement; **(B)** each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and **(C)** notwithstanding any transfer for convenience of ownership, pursuant to Section 10.D., each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

## **B. Governing Documents**

If Developer is a business entity, Developer shall furnish HR with copies of Developer's governing documents and any other corporate documents, books or records that HR may request. When any of these governing documents are modified or changed, Developer promptly shall provide copies to HR. Developer's governing documents must provide that no Transfer (as defined in Section 10.A.) may be made except in accordance with Section 10.

## **C. Ownership Interests**

If Developer is a business entity, Developer must furnish HR with a list of all holders of a direct or indirect ownership interest in Developer and their respective percentage interests. As of the date of this Agreement, all interests in Developer are owned as set forth in attached Appendix C. Developer shall comply with Section 10 prior to any change in ownership interests and shall update Appendix C as changes occur in order to ensure the information contained in Appendix C is true, accurate and complete at all times.

The requirements of this Section 8.C. shall apply only to Developer's Continuity Group (defined in Section 8.D.) if, as of the date of the first franchise-related agreement between Developer and HR or one of its affiliates, Developer was a publicly-held entity (*i.e.*, an entity that has a class of securities traded on a recognized securities exchange or quoted on the inter-dealer quotation sheets known as the "pink sheets"). If Developer becomes a publicly-held entity after that date, it shall thereafter be required to update Appendix C only with respect to changes in ownership interests of members of the Continuity Group.

## **D. Continuity Group**

If Developer is a business entity, Appendix C lists those persons who comprise Developer's "Continuity Group." HR and Developer acknowledge and agree that it is their intent that the members of the Continuity Group include the Development Principal (as defined in Section 8.F.) and (1) all holders of a direct or indirect, legal or beneficial interest of 10% or more ("10% Owners") in Developer; (2) if Developer is a limited partnership, all 10% Owners of Developer's general partner; and (3) all 10% Owners of a business entity that owns a controlling interest in Developer. In the event of any change in the Continuity Group or in the ownership interests of any member of the Continuity Group, Developer shall update Appendix C to reflect the change. The Continuity Group shall at all times own at least 51% of the ownership interests in Developer.

## **E. Guarantees**

All members of the Continuity Group and their spouses, if applicable, shall jointly and severally guarantee Developer's payment and performance under this Agreement and shall bind themselves to the terms of this Agreement pursuant to the attached Guarantee and Assumption of Developer's Obligations ("Guarantee"). Notwithstanding the foregoing, HR reserves the right, in its sole discretion, to waive the requirement that some or all of the previously described individuals execute the attached Guarantee and/or to limit the scope of the Guarantee. HR reserves the right to require any guarantor to provide personal financial statements to HR from time to time.

With respect to 10% Owners, Developer acknowledges that, unless otherwise agreed to in writing by HR, it is HR's intent to have individuals (and not corporations, limited liability companies or other entities) execute the Guarantee. Accordingly, if any 10% Owner is not an individual, HR shall have the right to have the Guarantee executed by individuals who have only an indirect ownership interest in Developer and their spouses, if applicable. (By way of example, if a 10% Owner of Developer is a

corporation, HR has the right to require that the Guarantee be executed by individuals who have an ownership interest in that corporation and their spouses, if applicable.)

If Developer, any guarantor or any parent, subsidiary or affiliate of Developer holds any interest in other restaurants that are franchised by HR or its affiliates, the party who owns that interest shall execute, concurrently with this Agreement, a form of cross-guarantee to HR and its affiliates for the payment of all obligations for such restaurants, unless waived in writing by HR in its sole discretion. For purposes of this Agreement, an affiliate of Developer is any company controlled, directly or indirectly, by Developer or Developer's parent or subsidiary.

#### **F. Development Principal**

Developer shall designate and retain an individual to serve as the Development Principal. (If Developer is owned by one individual, that individual may serve as the Development Principal if the individual meets HR's requirements for a Development Principal.) The Development Principal as of the date of this Agreement is identified in Appendix C. The Development Principal shall meet all of the following qualifications:

(1) The Development Principal shall have at least a 10% equity ownership interest in Developer or, if Developer is a limited partnership, in Developer's general partner, unless this requirement is modified by HR in its sole discretion. This Section 8.F.(1) shall not apply if Developer was a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between Developer and HR.

(2) The Development Principal, at all times, shall be a member of the Continuity Group and, at a minimum, have full control over the day-to-day development of Developer's Franchised Restaurants.

(3) Unless Developer has named, and HR has approved, a Multi-Unit Development Manager:

(a) The Development Principal shall devote full-time and best efforts to supervising the development of Developer's Franchised Restaurants and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(b) Unless waived in writing by HR, the Development Principal shall maintain his primary residence within a reasonable driving distance of the Development Territory.

(4) If requested by HR, the Development Principal shall successfully complete HR's development training. In addition, if requested by HR, the Development Principal shall successfully complete the Franchise Management Training Program ("FMTP").

(5) HR shall have approved the Development Principal, and not have later withdrawn that approval.

If the Development Principal no longer meets these qualifications, Developer must provide HR written notice designating a qualified person to act as Development Principal within 30 days after the date the prior Development Principal ceases to be qualified. HR shall advise Developer whether it has approved the new Development Principal within a reasonable time after receipt of Developer's notice. If HR does not approve the proposed Development Principal, Developer will have 15 days from its receipt of notice of

the decision to advise HR in writing of another person to act as Development Principal who satisfies the preceding qualifications.

If Developer is developing restaurants in multiple markets that are franchised by HR or its affiliates, an individual meeting the qualifications of this Section will serve as Development Principal in at least one market.

#### **G. Multi-Unit Development Manager**

If Developer is developing Franchised Restaurants in multiple geographic markets, for all markets in which the Development Principal fails to satisfy the requirements of Section 8.F., Developer shall designate and retain an individual to serve as Multi-Unit Development Manager. The Multi-Unit Development Manager shall be under the supervision of the Development Principal. The Multi-Unit Development Manager shall meet all of the following qualifications:

(1) The Multi-Unit Development Manager shall devote full time and best efforts to supervising the development of the Franchised Restaurants and other restaurants operated by Developer that are franchised by HR or its affiliates in a geographic market and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(2) Unless waived in writing by HR, the Multi-Unit Development Manager shall maintain his primary residence within a reasonable driving distance of the Development Territory.

(3) If requested by HR, the Multi-Unit Development Manager shall successfully complete HR's development training. In addition, the Multi-Unit Development Manager shall successfully complete the FMTP and any additional training required by HR.

(4) HR shall have approved the Multi-Unit Development Manager, and not have later withdrawn that approval.

If a Multi-Unit Development Manager no longer qualifies as such, Developer shall designate another qualified person to act as Multi-Unit Development Manager within 30 days after the date the prior Multi-Unit Manager ceases to be qualified. Developer's designee to become Multi-Unit Development Manager must successfully complete the FMTP and any additional development training required by HR.

### **9. TRANSFERS BY HR**

HR shall have the absolute, unrestricted right, exercisable at any time, to transfer and assign all or any part of its rights and obligations under this Agreement to any person or legal entity without the consent of Developer. Developer agrees that HR will have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations transferred.

### **10. TRANSFERS BY DEVELOPER**

A. Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer, that HR has entered into this Agreement in reliance on Developer's (and Developer's direct and indirect owners') business skill, financial capacity, personal character, experience and demonstrated or purported ability in developing and operating high quality foodservice operations and that HR has entered into this Agreement with the understanding that, except as otherwise reserved by HR in Section 2, Developer will be the only franchisee of HR in the Development Territory during the Development Term. Accordingly, neither Developer nor any immediate or remote successor to

any part of Developer's interest in this Agreement, nor any individual, partnership, corporation or other legal entity which directly or indirectly has an interest in Developer shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in Developer, this Agreement or any other assets pertaining to Developer's operations under this Agreement (collectively "Transfer") without the prior written consent of HR. HR shall be free to withhold consent to any Transfer, without consideration of the factors listed in Section 10.B., if Developer does not propose to Transfer the same interest with respect to all agreements with HR in the Development Territory.

Except as otherwise provided in this Agreement, any purported Transfer, by operation of law or otherwise, not having the prior written consent of HR shall be null and void and shall constitute a material breach of this Agreement, for which HR may terminate this Agreement without providing Developer an opportunity to cure the breach.

**B.** Developer shall advise HR in writing of any proposed Transfer, submit (or cause the proposed transferee to submit) a franchise application for the proposed transferee, and submit a copy of all contracts and all other agreements or proposals, and all other information requested by HR, relating to the proposed Transfer. If HR does not exercise its right of first refusal pursuant to Section 10.J., the decision as to whether or not to consent to a proposed Transfer shall be made by HR in its sole discretion and shall include numerous factors deemed relevant by HR. These factors may include, but will not be limited to, the following:

(1) The proposed transferee (and if the proposed transferee is not a natural person, all persons that have a direct or indirect interest in the transferee as HR may require) must demonstrate to HR's satisfaction that it has extensive experience in high quality restaurant operations of a character and complexity similar to the restaurants franchised by HR or its affiliates; must meet the managerial, operational, experience, quality, character and business standards for a developer promulgated by HR from time to time; must possess a good character, business reputation and credit rating; must have an organization whose management culture is compatible with HR's management culture; and must have adequate financial resources and working capital, as determined by HR in its sole discretion, to meet Developer's development obligations under this Agreement.

(2) The sales price shall not be so high, in HR's reasonable judgment, as to jeopardize the ability of the transferee to develop, maintain, operate and promote the Franchised Restaurants and meet financial obligations to HR, third party suppliers and creditors. HR's decision with respect to a proposed Transfer shall not create any liability on the part of HR: (a) to the transferee, if HR consents to the Transfer and the transferee experiences financial difficulties; or (b) to Developer or the proposed transferee, if HR withholds consent to the Transfer. HR, without any liability to Developer or the proposed transferee, has the right, in its sole discretion, to communicate and counsel with Developer and the proposed transferee regarding any aspect of the proposed Transfer.

(3) All of Developer's accrued monetary obligations to HR and its affiliates (whether arising under this Agreement or otherwise) and all other outstanding obligations related to the Franchised Restaurants (including, but not limited to, bills from suppliers, taxes, judgments and any required governmental reports, returns, affidavits or bonds) have been satisfied or, in the reasonable judgment of HR, adequately provided for. HR reserves the right to require that a reasonable sum of money be placed in escrow to ensure that all of these obligations are satisfied.

(4) Developer is not then in material default of any provision of this Agreement or any other agreement between Developer and HR or its affiliates, is in good standing as a franchisee with HR and its affiliates, is not in default beyond the applicable cure period under any real estate lease, equipment

lease or financing instrument relating to Developer's Franchised Restaurants and is not in default beyond the applicable cure period with any vendor or supplier to Developer's Franchised Restaurants.

(5) Developer, all individuals who executed this Agreement and all guarantors of Developer's obligations must execute a general release and a covenant not to sue, in a form satisfactory to HR, of any and all claims against HR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement and any other agreements between Developer and HR or its affiliates and all other restaurants operated by Developer that are franchised by HR or its affiliates.

(6) Unless waived by HR in its sole discretion, the transferee and those employees hired by transferee to fill certain designated positions shall complete the development training programs provided in Section 5.F.

(7) The transferee and each of the transferee's affiliates that have entered into a development or franchise agreement with HR or its affiliates must, as of the date of the request for HR's consent to the Transfer, be in compliance with all obligations to HR or its affiliates under those agreements.

C. If HR consents to a proposed Transfer, prior to the Transfer becoming effective:

(1) The transferor shall pay HR a nonrefundable Transfer fee under this Agreement of \$2,500 in connection with HR's review of the Transfer application.

(2) Developer and the proposed transferee shall execute, at HR's election, an assignment agreement and any amendments to this Agreement deemed necessary or desirable by HR to reflect the Transfer or HR's then-current standard form of development agreement for a term ending on the expiration date of this Agreement. In either event, a guarantee of the type required by Section 8.E. shall be executed by those individuals identified in Section 8.E. In addition, Developer, the proposed transferor and the proposed transferee shall sign all other documents and take such actions as HR may require to protect HR's rights under this Agreement.

(3) The transferor shall remain liable for all obligations to HR incurred before the date of the Transfer and shall execute any and all instruments reasonably requested by HR to evidence that liability.

D. If Developer is an individual or a partnership and desires to Transfer this Agreement to a corporation (or limited liability company) formed for the convenience of ownership, the requirements of Section 10.B. shall apply to such a Transfer, however, Developer will not be required to pay a Transfer fee. HR's consent also will be conditioned on the following: (1) the corporation (or limited liability company) must be newly organized; (2) prior to the Transfer, HR must receive a copy of the documents specified in Section 8.B. and the transferee shall comply with the remaining provisions of Section 8; and (3) Developer must own all voting securities of the corporation (or membership interests of the limited liability company) or, if Developer is owned by more than one individual, each person shall have the same proportionate ownership interest in the corporation (or the limited liability company) as prior to the Transfer.

E. Notwithstanding the provisions of Sections 10.A. and B., the issuance of options or the exercise of options pursuant to a qualified stock option plan or a qualified employee stock ownership plan shall not be considered a Transfer and shall not require the prior written consent of HR; provided no more

than a total of 49% of Developer's outstanding voting securities are subject to the qualified stock option plan or qualified employee stock ownership plan.

**F.** If Developer was a publicly-held entity as of the date of the first franchise-related agreement between Developer and HR or its affiliates, Section 10.B. shall be applicable to transfers of ownership interests in Developer only if the proposed Transfer would result in either: **(1)** 50% or more of Developer's voting securities being held by different shareholders than as of the date of the first franchise-related agreement between Developer and HR or its affiliates; or **(2)** any change in ownership of Developer's voting securities whereby any existing shareholder of Developer acquires an additional 10% or more of Developer's voting securities; or **(3)** any change in the membership of the Continuity Group (unless such change is a permitted Transfer pursuant to Section 10.G.).

**G.** In the event of the death or permanent incapacity of any person with an ownership interest in Developer, HR shall not unreasonably withhold its consent to a transfer to any person, persons, partnership or corporation designated by his legal representative, provided, however, that:

**(1)** The requirements of Section 10.B. and 10.C. shall have been met.

**(2)** The proposed transfer is applied for in writing within 2 months of the date of death or permanent incapacity by the legal representative of such individual, and is effected within 6 months thereafter.

**(3)** In the case of permanent incapacity, the legal representative shall have furnished a certification of a physician designated by HR that Developer has been or will be unable to develop or operate any System Restaurants for a period of 6 months or longer.

**H.** Developer shall not grant any security interest in its business or in any Franchised Restaurant or the assets used in the operation or development of any Franchised Restaurant without HR's prior written consent, which will not be unreasonably withheld. HR's consent may be conditioned, in its sole discretion, on the written agreement by the secured party that, in the event of a default by Developer under any agreement related to the security interest, HR shall have the right and option (but not the obligation) to purchase the rights of the secured party upon payment of all sums then due to the secured party. If Developer (or any person with a direct or indirect interest in Developer) finances any part of the price paid in connection with the Transfer, the person or entity providing the financing must agree that all obligations of the proposed transferee and any security interests retained in the assets being transferred, will be subordinate to the proposed transferee's obligations to: **(1)** pay all amounts due to HR and its affiliates; and **(2)** otherwise comply with this Agreement and all other agreements with HR or its affiliates.

**I.** Securities or partnership interests in Developer may be sold, by private or public offering, only with HR's prior written consent (whether or not HR's consent is required under any other provision of this Section), which consent shall not be unreasonably withheld. In addition to the requirements of Section 10.B., prior to the time that any public offering or private placement of securities or partnership interests in Developer is made available to potential investors, Developer, at its expense, shall deliver to HR a copy of the offering documents. Developer, at its expense, also shall deliver to HR an opinion of Developer's legal counsel and an opinion of one other legal counsel selected by HR (both of which shall be addressed to HR and in a form acceptable to HR) that the offering documents properly use the Proprietary Marks and accurately describe Developer's relationship with HR and/or its affiliates. The indemnification provisions of Section 16 shall also include any losses or expenses incurred by HR and its affiliates in connection with any statements made by or on behalf of Developer in any public offering or private placement of Developer's securities.

**J.** If any party holding any direct or indirect interest in Developer or in this Agreement receives a bona fide offer (as determined by HR in its reasonable discretion) from a third party or otherwise desires to undertake any Transfer that would require HR's consent (other than a Transfer for convenience of ownership pursuant to Section 10.D. or a Transfer of ownership interests in Developer to a spouse, parent, child or sibling), it shall notify HR in writing of the terms of the proposed Transfer, and shall provide such information and documentation relating to the proposed Transfer as HR may reasonably require, including, but not limited to, a copy of the offer. HR or its designee may elect to purchase the interest that the seller proposes to Transfer any time within 30 days after receipt of written notification, and all documents and other information required by Section 10.B., by sending written notice to the seller that HR or its designee intends to purchase the seller's interest on the same financial terms and conditions offered by the third party (except that HR or its designee shall not be obligated to pay any finder's or broker's fees). In purchasing the interest, HR or its designee shall be entitled to set off any monies owed to HR or its affiliates by Developer and HR or its designee shall be entitled to all customary representations and warranties that the assets are free and clear (or, if not, accurate and complete disclosure) as to: (1) ownership, condition and title; (2) liens and encumbrances; (3) environmental and hazardous substances; and (4) validity of contracts inuring to the purchaser or affecting the assets, whether contingent or otherwise.

If the offer to Developer involves assets in addition to this Agreement, Developer's Franchised Restaurants and other restaurants operated by Developer that are franchised by HR or its affiliates, Developer's notice to HR shall state the cash value of that portion of the offer received by Developer relating to this Agreement and those restaurants. If the proposed Transfer provides for payment of consideration other than cash or it involves intangible benefits, HR or its designee may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties are unable to agree within 30 days on the reasonable equivalent in cash of the non-cash part of the offer received by Developer, or the cash value of that portion of the offer received by Developer relating to this Agreement, Developer's Franchised Restaurants and those other restaurants, the amount shall be determined by two professionally certified appraisers, Developer selecting one and HR or its designee selecting one. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall determine the amount. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and HR or its designee may exercise its right of first refusal within 30 days after being advised in writing of the decision of the appraisers. The cost of the appraisers shall be shared equally by the parties.

HR's failure to exercise its right of first refusal shall not constitute consent to the proposed Transfer nor a waiver of any other provision of this Section 10 with respect to a proposed Transfer. If HR does not exercise its right of first refusal, Developer may not thereafter Transfer the interest at a lower price or on more favorable terms than those that have been offered to HR. HR shall again be given a right of first refusal if a transaction does not close within 6 months after HR elected not to exercise its right of first refusal. In no event shall Developer offer the interest for sale or transfer at public auction, nor at any time shall an offer be made to the public to sell, transfer or assign, through any advertisement, either in the newspapers or otherwise, without first having obtained the written consent of HR to the auction or advertisement.

**K.** HR's consent to any Transfer shall not constitute a waiver of any claims HR may have against the transferring party, nor shall it be deemed a waiver of HR's right to demand exact compliance with any of the terms of this Agreement by the transferee, nor will it be deemed a waiver of HR's right to give or withhold consent to future Transfers.

## **11. GENERAL RELEASE**

Except as set forth at the end of this Section 11, Developer (on behalf of itself and its parent, subsidiaries and affiliates and their respective past and present officers, directors, shareholders, agents and employees, in their corporate and individual capacities) and all individuals who execute this Agreement (each a “Releasor” and collectively, “Releasors”), freely and without any influence, forever release and covenant not to sue HR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, “HR Releasees”), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively “claims”), that any Releasor now owns or holds or may in the future own or hold, based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Agreement, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to this Agreement and all other agreements between any Releasor and any HR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by HR or its parents, subsidiaries, affiliates or predecessors. Developer (on behalf of Releasors) expressly agrees that fair consideration has been given by HR for this release and fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Hardee’s Franchise Disclosure Document provided to Developer in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement as of the date of this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

## **12. COVENANTS**

### **A. Best Efforts**

During the Development Term, Developer and the Development Principal shall devote their best efforts to the development, management and operation of the Franchised Restaurants in the Development Territory.

### **B. Confidentiality**

Developer acknowledges and agrees that: **(1)** HR owns all right, title and interest in and to the Hardee’s System; **(2)** the Hardee’s System includes trade secrets and confidential and proprietary information and know-how that give HR a competitive advantage; **(3)** the trade secrets and confidential and proprietary information and know-how derive independent economic value to HR from not being generally known to and not readily ascertainable by others; **(4)** HR has taken all measures appropriate to protect the trade secrets and the confidentiality of the proprietary information and know-how of the Hardee’s System; **(5)** all material or other information now or hereafter provided or disclosed to Developer regarding the Hardee’s System is disclosed in confidence; **(6)** Developer has no right to disclose any part of the Hardee’s System to anyone who is not an employee of Developer; **(7)** Developer will disclose to its employees only those parts of the Hardee’s System that an employee needs to know; **(8)** Developer will have a system in place to ensure that its employees keep confidential HR’s and CJR’s trade secrets and confidential and proprietary information, and, if requested by HR, Developer shall obtain from those of its employees designated by HR an executed Confidential Disclosure Agreement in the form prescribed by HR; **(9)** by entering into this Agreement, Developer does not acquire any ownership interest in the Hardee’s System; and **(10)** Developer’s use or duplication of the Hardee’s System or any part of the Hardee’s System in any other business, or disclosure of any part of the Hardee’s System to others for use or duplication in any other

business, would constitute an unfair method of competition, for which HR and/or CJR would be entitled to all legal and equitable remedies, including injunctive relief, without posting a bond.

Developer shall not, during the Development Term or at any time thereafter, communicate or disclose any trade secrets or confidential or proprietary information or know-how of the Hardee's System to any unauthorized person, or do or perform, directly or indirectly, any other acts injurious or prejudicial to any of the Proprietary Marks or the Hardee's System. Any and all information, knowledge, know-how and techniques, including all drawings, materials, equipment, specifications, recipes, techniques and other data that HR or its affiliates designate as confidential shall be deemed confidential for purposes of this Agreement.

If Developer develops any new concepts, processes or improvements relating to the Hardee's System, Developer promptly shall notify HR and provide HR with all information regarding the new concept, process or improvement, all of which shall become the property of HR and its affiliates and which may be incorporated into the Hardee's System without any payment to Developer. Developer promptly shall take all actions deemed necessary or desirable by HR to vest in HR ownership of such concepts, processes or improvements.

### **C. Restrictions**

**(1)** Developer acknowledges and agrees that: **(a)** pursuant to this Agreement, Developer will have access to valuable trade secrets, specialized training and other confidential information from HR and/or its affiliates regarding the development, operation, product preparation and sales, market and operations research, advertising and marketing plans and strategies, purchasing, sales and marketing methods and techniques of HR and its affiliates and the Hardee's System; **(b)** the know-how regarding the Hardee's System and the opportunities, associations and experience acquired by Developer pursuant to this Agreement are of substantial value; **(c)** in developing the Hardee's System, HR and its affiliates have made substantial investments of time, effort, and money; **(d)** HR would be unable adequately to protect the Hardee's System and its trade secrets and confidential and proprietary information against unauthorized use or disclosure and would be unable adequately to encourage a free exchange of ideas and information among operators of Hardee's Restaurants if franchisees or developers were permitted to engage in the activities described in Section 12.C.(2)(a) or to hold interests in the businesses described in Section 12.C.(2)(b); **(e)** all restaurants operating in a quick-service format are substantial and direct competitors of the Hardee's System; and **(f)** the restrictions on Developer's right to hold interests in, or perform services for, the businesses described in Section 12.C.(2)(b) will not unduly limit its activities.

**(2)** Accordingly, Developer covenants and agrees that, except with HR's prior written consent, during the Development Term, and for a continuous period of 2 years following its expiration, Transfer, or termination, Developer shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation, or other entity:

**(a)** Divert or attempt to divert any business or customer, or potential business or customer, of any Hardee's Restaurant to any competitor, by direct or indirect inducement or otherwise.

**(b)** Own, maintain, operate, engage in, grant a franchise to, advise, help, make loans to, lease property to sell the real property underlying any Franchised Restaurant and related assets to, or have any interest in, either directly or indirectly, any restaurant business: **(i)** whose sales of Designated Entrée Items (as defined below) during any daypart are reasonably likely to account collectively for 20% or more of the restaurant's sales of all entrée items during that daypart; **(ii)** that features or promotes any Designated Entrée Item in its advertising; or **(iii)** that operates in a quick-service format (with or without table service). For purposes of the previous sentence, the term "Designated Entrée Items" means any

hamburger sandwich, chicken sandwich, breakfast sandwich and any other entrée item of a type designated by HR as part of the Hardee's System or by HR at any time during the Development Term. During the Development Term, there is no geographical limitation on this restriction. Following the expiration, transfer or termination of this Agreement, this restriction shall apply within the Development Territory, within 2 miles of the border of the Development Territory and within a 2-mile radius of any then-existing Hardee's Restaurant. This restriction shall not apply to Developer's existing restaurant or foodservice operations, if any, which are identified in Appendix B, nor shall it apply to other restaurants operated by Developer that are franchised by HR or its affiliates.

If any part of these restrictions is found to be unreasonable in time or distance, each month of time or mile of distance may be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court to that deemed reasonable. If, at any time during the 2-year period following the expiration, Transfer or termination of this Agreement, Developer fails to comply with its obligations under this Section, that period of noncompliance will not be credited toward Developer's satisfaction of the 2-year obligation.

#### **D. Modification**

HR shall have the right, in its sole discretion, to reduce the scope of any covenant in this Section 12 effective immediately upon Developer's receipt of written notice, and Developer agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 20.

#### **E. Applicability**

The restrictions contained in this Section 12 shall apply to Developer and all guarantors of Developer's obligations. With respect to each guarantor, these restrictions shall apply until 2 years after the earlier of: (i) the expiration, Transfer or termination of this Agreement; or (ii) the date the guarantor ceases to be the Development Principal, a stockholder, member of the Continuity Group or a 10% Owner (or, if a guarantor is the spouse of a person holding one or more of these positions, the date the person ceases to hold the applicable positions). The restrictions contained in this Section 12 shall not apply to ownership of less than a 5% legal or beneficial ownership in the outstanding equity securities of any publicly held corporation. The existence of any claim Developer or any guarantor of Developer's obligations may have against HR or its affiliates, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by HR of the covenants in this Section 12.

At HR's request, unless otherwise prohibited by law, Developer will obtain covenants similar in substance to those set forth in this Section 12 from any of its stockholders, managers, directors, members, officers, or restaurant managers and from family members of guarantors.

#### **F. Injunctive Relief**

Developer acknowledges and agrees that violation of the covenants contained in this Section 12 will result in immediate and irreparable injury to HR for which money damages are not an adequate remedy. Therefore, in addition to being responsible for any damages caused to HR arising from Developer's violation of this Section 12, HR shall be entitled to seek the entry of an injunction prohibiting any conduct by Developer in violation of this Section 12.

### **13. TERMINATION**

#### **A. Grounds for Termination**

In addition to the grounds for termination that may be stated elsewhere in this Agreement, HR may terminate this Agreement, and the rights granted by this Agreement, upon written notice to Developer without an opportunity to cure upon the occurrence of any of the following events:

(1) Developer fails to provide HR with a fully-executed lease or sublease, or proof of purchase of the real property, for a proposed site by the applicable Property Control Date listed in Appendix B.

(2) Developer fails to open an Authorized Site by the Opening Date listed in Appendix B.

(3) At any time during the Development Term, Developer fails to have open and operating the minimum cumulative number of Franchised Restaurants required by the Development Schedule.

(4) Developer begins construction of a Franchised Restaurant at a site before Developer has received a fully-executed Franchise Agreement and paid HR the Initial Franchise Fee.

(5) Developer is insolvent or is unable to pay its creditors (including HR); files a petition in bankruptcy, an arrangement for the benefit of creditors or a petition for reorganization; there is filed against Developer a petition in bankruptcy, an arrangement for the benefit of creditors or petition for reorganization, which is not dismissed within 60 days of the filing; Developer makes an assignment for the benefit of creditors; or a receiver or trustee is appointed for Developer and not dismissed within 60 days of the appointment.

(6) Execution is levied against Developer's business or property; suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Restaurant developed hereunder is instituted against Developer and is not dismissed within 60 days; or the real or personal property of any Franchised Restaurant developed hereunder shall be sold after levy thereupon by any sheriff, marshal or constable.

(7) There is a material breach by Developer of any obligation under Section 12.

(8) Any Transfer that requires HR's prior written consent occurs without Developer having obtained that prior written consent.

(9) HR discovers that Developer made a material misrepresentation or omitted a material fact in the information that was furnished to HR in connection with its decision to enter into this Agreement.

(10) Developer knowingly falsifies any report required to be furnished HR or makes any material misrepresentation in its dealings with HR or fails to disclose any material facts to HR.

(11) Developer, the Development Principal, any stockholder, member, partner, director or officer of Developer, any member of the Continuity Group or any 10% Owner is convicted of, or pleads no contest to, a felony charge, a crime involving moral turpitude, or any other crime or offense that is reasonably likely, in the sole opinion of HR, to adversely affect HR, its affiliates or the Hardee's System.

**(12)** Developer, the Development Principal, any member of the Continuity Group, any 10% Owner or any Affiliated Entity remains in default beyond the applicable cure period: **(a)** under any other agreement with HR or its affiliates; **(b)** under any real estate lease, equipment lease, or financing instrument relating to a Franchised Restaurant; or **(c)** with any vendor or supplier to a Franchised Restaurant; provided that if the default is not by Developer, Developer is given written notice of the default and 30 days to cure said default.

**(13)** Developer fails or refuses to comply with any other provision of this Agreement or any requirement of the Hardee's System and does not correct the failure or refusal within 30 days (10 days for monetary defaults) after receiving written notice of default. Except for monetary defaults, if the default cannot be corrected within 30 days, Developer shall have such additional time to correct the default as reasonably required (not to exceed 90 days) provided that Developer begins taking the actions necessary to correct the default during the 30-day cure period and diligently and in good faith pursues those actions to completion. Developer will be in default under this Section 13.A.(13) for any failure to materially comply with any of the requirements imposed by this Agreement, the Development Guide or otherwise in writing, or to carry out the terms of this Agreement in good faith.

If Developer has received 2 or more notices of default pursuant to this Section 13.A.(13) within the previous 12 months, HR shall be entitled to send Developer a notice of termination upon Developer's next default under this Section 13.A.(13) in that 12-month period without providing Developer an opportunity to remedy that default.

#### **B. Statutory Limitations**

If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

### **14. OBLIGATIONS ON TERMINATION OR EXPIRATION**

Upon termination or expiration of this Agreement:

**A.** Developer shall have no further right to develop or open Franchised Restaurants in the Development Territory, except that Developer shall be entitled to complete and open a Franchised Restaurant for which a Commitment Agreement has been fully executed. Termination or expiration of this Agreement shall not affect Developer's right to continue to operate Franchised Restaurants that were open and operating as of the date this Agreement terminated or expired.

**B.** The limited exclusive rights granted Developer in the Development Territory shall terminate and HR shall have the right to operate or license others to operate Hardee's Restaurants anywhere in the Development Territory.

**C.** Developer promptly shall return to HR all materials and information furnished by HR or its affiliates, except materials and information furnished with respect to a Franchised Restaurant for which there is an effective commitment agreement or a Franchised Restaurant which is open and operating pursuant to an effective franchise agreement.

**D.** Developer and all persons and entities subject to the covenants contained in Section 12 shall continue to abide by those covenants and shall not, directly or indirectly, take any action that violates those covenants.

**E.** Developer immediately shall pay HR and its affiliates all sums due and owing HR or its affiliates pursuant to this Agreement.

**F.** HR shall retain the Development Fee, including any remaining (unused) balance on account with HR.

**G.** Developer shall furnish HR, within 30 days after the effective date of termination or expiration, evidence (certified to be true, complete, accurate and correct by an authorized officer of Developer) satisfactory to HR of Developer's compliance with Sections 14.A. through 14.E.

**H.** Developer shall not, except with respect to a restaurant franchised by HR or its affiliates which is then open and operating pursuant to an effective franchise agreement or a restaurant franchised by HR or its affiliates for which there is an effective commitment agreement: **(1)** operate or do business under any name or in any manner that might tend to give the public the impression that Developer is connected in any way with HR or its affiliates or has any right to use the Hardee's System; **(2)** make, use or avail itself of any of the materials or information furnished or disclosed by HR or its affiliates under this Agreement or disclose or reveal any such materials or information or any portion thereof to anyone else; or **(3)** assist anyone not licensed by HR or its affiliates to construct or equip a foodservice outlet substantially similar to a Hardee's Restaurant.

## **15. RELATIONSHIP OF THE PARTIES**

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Developer is not and shall not hold itself out as agent, legal representative, partner, subsidiary, joint venturer or employee of HR or its affiliates or a joint employer with HR or its affiliates. Developer shall have no right or power to, and shall not, bind or obligate HR or its affiliates in any way or manner, nor represent that Developer has any right to do so. Developer shall not issue any press releases without the prior written approval of HR.

Developer is an independent contractor and is solely responsible for all aspects of the development and operation of the Franchised Restaurants, subject only to the conditions and covenants established by this Agreement and the Franchise Agreements. Without limiting the generality of the foregoing, Developer acknowledges that HR has no responsibility to ensure that the Franchised Restaurants are developed and operated in compliance with all applicable laws, ordinances and regulations and that HR shall have no liability in the event the development or operation of the Franchised Restaurants violates any law, ordinance or regulation.

The sole relationship between Developer and HR is a commercial, arms' length business relationship and, except as provided in Section 16, there are no third party beneficiaries to this Agreement. Developer's business is, and shall be kept, totally separate and apart from any that may be operated by HR. In all public records, in relationships with other persons, and on letterheads and business forms, Developer shall indicate its independent ownership of the Franchised Restaurants and that Developer is solely a franchisee of HR.

## **16. INDEMNIFICATION**

**A.** Developer and all guarantors of Developer's obligations under this Agreement shall, at all times, indemnify, defend (with counsel reasonably acceptable to HR), and hold harmless (to the fullest extent permitted by law) HR and its parents and affiliates, and their respective predecessors, successors, assigns, past and present stockholders, directors, managers, officers, members, employees, agents and

representatives (collectively “Indemnitees”), from and against all “losses and expenses” (as defined below) incurred in connection with any action, suit, proceeding, claim, demand, investigation, inquiry (formal or informal), judgment or appeal thereof by or against Indemnitees or any settlement thereof (whether or not a formal proceeding or action had been instituted), arising out of or resulting from or connected with Developer’s activities under this Agreement, excluding the gross negligence or willful misconduct of HR. Developer promptly shall give HR written notice of any such action, suit, proceeding, claim, demand, inquiry or investigation filed or instituted against Developer and, upon request, shall furnish HR with copies of any documents from such matters as HR may request.

At Developer’s expense and risk, HR may elect to assume (but under no circumstances will HR be obligated to undertake), the defense and/or settlement of any action, suit, proceeding, claim, demand, investigation, inquiry, judgment or appeal thereof subject to this indemnification. Such an undertaking shall, in no manner or form, diminish Developer’s obligation to indemnify and hold harmless Indemnitees. HR shall not be obligated to seek recoveries from third parties or otherwise mitigate losses.

**B.** As used in this Section, the phrase “losses and expenses” shall include, but not be limited to: all losses; compensatory, exemplary and punitive damages; fines; charges; costs; expenses; lost profits; reasonable attorneys’ fees; expert witness fees; court costs; settlement amounts; judgments; compensation for damages to HR’s reputation and goodwill; costs of or resulting from delays; financing; costs of advertising material and media time/space and the costs of changing, substituting or replacing the same; and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

## **17. CONSENTS, APPROVALS AND WAIVERS**

**A.** Whenever this Agreement requires the prior approval or consent of HR, Developer shall make a timely written request to HR therefor; and any approval or consent received, in order to be effective and binding upon HR, must be obtained in writing and be signed by an authorized officer of HR.

**B.** HR makes no warranties or guarantees upon which Developer may rely by providing any waiver, approval, consent or suggestion to Developer in connection with this Agreement, and assumes no liability or obligation to Developer therefor, or by reason of any neglect, delay, or denial of any request therefor. HR shall not, by virtue of any approvals, advice or services provided to Developer, assume responsibility or liability to Developer or to any third parties to which HR would not otherwise be subject.

**C.** No failure of HR to exercise any power reserved to it by this Agreement or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of HR’s right to demand exact compliance with any of the terms of this Agreement. A waiver by HR of any particular default by Developer shall not affect or impair HR’s rights with respect to any subsequent default of the same, similar or different nature, nor shall any delay, forbearance or omission of HR to exercise any power or right arising out of any breach or default by Developer of any of the terms, provisions or covenants of this Agreement affect or impair HR’s right to exercise the same, nor shall such constitute a waiver by HR of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of the Development Term. Subsequent acceptance by HR of any payments due to it hereunder shall not be deemed to be a waiver by HR of any preceding breach by Developer of any terms, covenants or conditions of this Agreement. HR has entered, and will continue to enter, into agreements with other developers and franchisees. The manner in which HR enforces its rights, and the developers’ or franchisees’ obligations, under any of those other agreements shall not affect the ability of HR to enforce its rights or Developer’s obligations under this Agreement.

## **18. NOTICES**

No notice, demand, request or other communication to the parties shall be binding upon the parties unless the notice is in writing, refers specifically to this Agreement and is addressed to: **(A)** if to Developer, addressed to Developer at the notice address set forth in Appendix B; and **(B)** if to HR, addressed to HR at its principal offices, current address: 6700 Tower Circle, Suite 1000, Franklin, Tennessee 37067 (marked Attn: Kerry Olson, General Counsel) (Email: kolson@ckr.com), with a copy of the notice to the Franchise Legal Team (Email: legal@ckr.com). Any party may designate a new address for notices by giving written notice of the new address pursuant to this Section. Notices shall be effective upon receipt (or first rejection) and may be: **(1)** delivered personally; **(2)** transmitted by email to the address set forth above (or in Appendix B) with electronic confirmation of receipt; **(3)** mailed in the United States mail, postage prepaid, certified mail, return receipt requested; or **(4)** mailed via overnight courier.

## **19. FORCE MAJEURE**

As used in this Agreement, the term “Force Majeure” means any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, fire or other catastrophe, act of any government or other third party and any other cause not within the control of the party affected thereby. Developer’s inability to obtain financing (regardless of the reason) shall not constitute Force Majeure. If the performance of any obligation by any party under this Agreement is prevented, hindered or delayed by reason of Force Majeure, which cannot be overcome by reasonable commercial measures, the parties shall be relieved of their respective obligations (to the extent that the parties, having exercised best efforts, are prevented, hindered or delayed in such performance) during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt written notice of such Force Majeure event to the other party by setting forth the nature thereof and an estimate as to its duration. Notwithstanding the foregoing, nothing in this Section shall permit or excuse any delay or failure to remit any payment due the other party on the due date.

## **20. ENTIRE AGREEMENT**

HR and Developer acknowledge that each element of this Agreement is essential and material and that, except as otherwise provided in this Agreement, the parties shall deal with each other in good faith. This Agreement, the Development Guide, the documents referred to herein, and the attachments hereto, constitute the entire, full and complete agreement between the parties concerning Developer’s rights in the Development Territory and HR’s acceptance of sites for Franchised Restaurants, and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements, or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement and in the attachments. No obligations or duties that contradict or are inconsistent with the express terms of this Agreement may be implied into this Agreement. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representation made in the Hardee’s Franchise Disclosure Document provided to Developer.

## **21. SEVERABILITY AND CONSTRUCTION**

**A.** Each article, paragraph, subparagraph, term and condition of this Agreement, and any portions thereof, will be considered severable. If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with, any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in

a proceeding to which HR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect.

**B.** Except as otherwise provided in Section 16, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Developer and HR and its affiliates and such of their heirs, successors and assigns, any rights or remedies under or by reason of this Agreement.

**C.** Developer expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law that is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions of this Agreement any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which HR is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

**D.** No provision of this Agreement shall be interpreted in favor of, or against, any party because of the party that drafted this Agreement.

**E.** Whenever HR has expressly reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant Developer a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, HR may make such decision or exercise its right and/or discretion on the basis of its judgment of what is in its best interests. This also applies if HR is deemed to have a right and/or discretion. HR's judgment of what is in the best interests of the Hardee's System, at the time its decision is made or its right or discretion is exercised, can be made without regard to whether: **(1)** other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions, could have been made by HR; **(2)** HR's decision or the action taken promotes its financial or other individual interest; **(3)** HR's decision or the action taken applies differently to Developer and one or more other developers or franchisees or HR company-operated or affiliate-operated operations; or **(4)** HR's decision or the action taken is adverse to Developer's interests. HR will have no liability to Developer for any such decision or action. HR and Developer intend that the exercise of HR's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, HR and Developer agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants HR the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Developer's rights and obligations under this Agreement.

**F.** Developer agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of HR will have any liability for: **(1)** any obligations or liabilities of HR relating to or arising from this Agreement; **(2)** any claim against HR based on, in respect of, or by reason of the relationship between Developer and HR; or **(3)** any claim against HR based on any alleged unlawful act or omission of HR. This provision does not include a release of claims arising from representations in the Hardee's Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

## **22. GOVERNING LAW, FORUM AND LIMITATIONS**

**A.** This Agreement and any claim or controversy arising out of, or relating to, rights and obligations of the parties under this Agreement and any other claim or controversy between the parties shall

be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or shall be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

**B.** The parties agree that, to the extent any disputes cannot be resolved directly between them, Developer shall file any suit against HR only in the federal or state court having jurisdiction where HR's principal offices are located at the time suit is filed. HR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Developer resides or does business or where the Development Territory or any Franchised Restaurant is or was located or where the claim arose. Developer consents to the personal jurisdiction of those courts over Developer and venue in those courts.

**C.** Except for payments owed by one party to the other, and unless prohibited by applicable law, any legal action or proceeding (including the offer and sale of a franchise to Developer) brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered.

**D.** Developer and HR waive, to the fullest extent permitted by law, any right or claim of any consequential, punitive or exemplary damages against each other and agree that, in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it. **Developer and HR waive, to the fullest extent permitted by law, the right to bring, or be a class member in, any class action suits and the right to trial by jury.**

**E.** If either party brings an action to enforce this Agreement in a judicial proceeding, the party prevailing in that proceeding shall be entitled to reimbursement of costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, the cost of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of, the proceeding. If HR utilizes legal counsel (including in-house counsel employed by HR) in connection with any failure by Developer to comply with this Agreement, Developer shall reimburse HR for any of the above-listed costs and expenses incurred by HR. In any judicial proceeding, the amount of these costs and expenses will be determined by the court and not by a jury.

**F.** No right or remedy conferred upon or reserved to HR or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy. The provisions of this Section 22 shall survive the expiration or earlier termination of this Agreement.

**G.** HR has entered, and will continue to enter, into agreements with other developers and franchisees. The manner in which HR enforces its rights, and the developers' or franchisees' obligations, under any of those other agreements shall not affect the ability of HR to enforce its rights or Developer's obligations under this Agreement.

## **23. MISCELLANEOUS**

### **A. Gender and Number**

All references to gender and number shall be construed to include such other gender and number as the context may require.

## **B. Captions**

All captions in this Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

## **C. Counterparts**

This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed an original. This Agreement may be signed using electronic signatures, and such signatures will have full legal force and effect.

## **D. Time**

Time is of the essence of this Agreement for each provision in which time is a factor. Whenever this Agreement refers to a period of days or months, the first day or month to be counted shall be the day or month of the designated action, event or notice. Days shall be measured by calendar days, except that if the last day of a period is a Saturday, Sunday or national holiday, the period automatically shall be extended to the next day that is not a Saturday, Sunday or national holiday.

## **E. Injunctive Relief**

Developer recognizes that its failure to comply with the terms of this Agreement, including, but not limited to, the failure to fully comply with all post-termination obligations, is likely to cause irreparable harm to HR, its affiliates, the Hardee's System. Therefore, Developer agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Developer, HR shall be entitled to injunctive relief (both preliminary and permanent) restraining that breach and/or to specific performance without showing or proving actual damages and without posting any bond or security. Any equitable remedies sought by HR shall be in addition to, and not in lieu of, all remedies and rights that HR otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

## **F. Authority**

All information Developer provided to HR in connection with Developer's franchise application and HR's grant of the development rights is truthful, complete and accurate. The persons signing this Agreement on behalf of Developer have full authority to enter into this Agreement and the other agreements contemplated by the parties. Execution of this Agreement or such other agreements by Developer does not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Developer or any person with an ownership interest in Developer is a party.

## **G. Variations**

HR has the right, in its sole discretion, to waive, defer, or permit variations from the standards of the Hardee's System, franchisee, prospective developer or prospective franchisee based on the peculiarities of a particular site, existing building configuration or circumstance, density of population, business potential, trade area population or any other condition or circumstance. HR has the right, in its sole discretion, to deny any such request HR believes would not be in the best interests of the Hardee's System.

## **H. Compliance with U.S. Laws**

Developer acknowledges that under applicable U.S. law, including, without limitation, Executive Order 13224, signed on September 23, 2001 (“Order”), HR is prohibited from engaging in any transaction with any person engaged in, or with a person aiding any person engaged in, acts of terrorism, as defined in the Order. Accordingly, Developer represents and warrants to HR that, as of the date of this Agreement, neither Developer nor any person holding any ownership interest in Developer, controlled by Developer, or under common control with Developer is designated under the Order as a person with whom business may not be transacted by HR, and that Developer: **(1)** does not, and hereafter shall not, engage in any terrorist activity; **(2)** is not affiliated with and does not support any individual or entity engaged in, contemplating or supporting terrorist activity; and **(3)** is not acquiring the rights granted under this Agreement with the intent to generate funds to channel to any individual or entity engaged in, contemplating or supporting terrorist activity, or to otherwise support or further any terrorist activity.

## **I. FOR THE FOLLOWING STATES ONLY: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, WISCONSIN**

If Developer is a resident of one of the states listed in the heading of this Section 23.I (the “Applicable Franchise Registration State”) or a non-resident who is acquiring franchise rights permitting the location of a Franchised Restaurant in the Applicable Franchise Registration State, then the following applies:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

In consideration of, and as an inducement to, the execution of the Hardee's Restaurant Development Agreement dated as of \_\_\_\_\_ ("Agreement") by Hardee's Restaurants LLC ("HR"), entered into with \_\_\_\_\_ ("Developer"), the undersigned ("Guarantors"), each of whom is a member of Developer's Continuity Group or a 10% Owner, or the spouse thereof, hereby personally and unconditionally agree as follows:

**1. Guarantee To Be Bound by Certain Obligations.** Guarantors hereby personally and unconditionally guarantee to HR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that each will be personally bound by the restrictions contained in Section 12 of the Agreement.

**2. Guarantee and Assumption of Developer's Obligations.** Guarantors hereby: **(A)** guarantee to HR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that Developer and any assignee of Developer's interest under the Agreement shall: **(1)** punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and **(2)** punctually pay all other monies owed to HR and/or its affiliates; **(B)** agree to be personally bound by each and every provision in the Agreement, including, without limitation, the provisions of Sections 12 and 16; and **(C)** agree to be personally liable for the breach of each and every provision in the Agreement.

**3. General Release.** Except as set forth at the end of this Section 3, each Guarantor (if an individual, on behalf of him/herself and his/her heirs, representatives, successors and assigns, and if a business entity, on behalf of itself and its parent, subsidiaries and affiliates) (each a "Releasor" and collectively, "Releasors"), freely and without any influence, forever releases and covenants not to sue HR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, "HR Releasees"), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively "claims"), that any Releasor now owns or holds or may in the future own or hold, based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Guarantee, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to the Agreement and all other agreements between any Releasor and any HR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by HR or its parents, subsidiaries, affiliates or predecessors. Each Guarantor (on behalf of the applicable Releasors) expressly agrees that fair consideration has been given by HR for this release and fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Hardee's Franchise Disclosure Document provided to any Releasor in connection with the Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for the Agreement as of the date of the Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436).

**4. General Terms and Conditions.** The following general terms and conditions shall apply to this Guarantee:

**A.** Each of the undersigned waives: **(1)** acceptance and notice of acceptance by HR of the foregoing undertakings; **(2)** notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; **(3)** protest and notice of default to any party with respect to the

indebtedness or nonperformance of any obligations hereby guaranteed; **(4)** any right he may have to require that an action be brought against Developer or any other person as a condition of liability; **(5)** all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Developer arising as a result of the execution of and performance under this Guarantee by the undersigned; **(6)** any law or statute which requires that HR make demand upon, assert claims against or collect from Developer or any others, foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Developer or any others prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guarantee; **(7)** any and all other notices and legal or equitable defenses to which he may be entitled; and **(8)** any and all right to have any legal action under this Guarantee decided by a jury.

**B.** Each of the undersigned consents and agrees that: **(1)** his direct and immediate liability under this Guarantee shall be joint and several; **(2)** he shall render any payment or performance required under the Agreement if Developer fails or refuses punctually to do so; **(3)** such liability shall not be contingent or conditioned upon pursuit by HR of any remedies against Developer or any other person; **(4)** such liability shall not be diminished, relieved or otherwise affected by any amendment of the Agreement, any extension of time, credit or other indulgence which HR may from time to time grant to Developer or to any other person including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guarantee, which shall be continuing and irrevocable during the term of the Agreement and for so long thereafter as there are monies or obligations owing from Developer to HR or its affiliates under the Agreement; and **(5)** monies received from any source by HR for application toward payment of the obligations under the Agreement and under this Guarantee may be applied in any manner or order deemed appropriate by HR. In addition, if any of the undersigned ceases to be a member of the Continuity Group, a 10% Owner, or own any direct or indirect interest in Developer or any of the Franchised Restaurants, that person (and his spouse, if the spouse is also a guarantor) agrees that the obligations under this Guarantee shall continue to remain in force and effect unless HR in its sole discretion, in writing, releases those person(s) from this Guarantee. Notwithstanding the provisions of the previous sentence, unless prohibited by applicable law, the obligations contained in Section 12.C. of the Agreement shall remain in force and effect for a period of 2 years after any such release by HR. A release by HR of any of the undersigned shall not affect the obligations of any other Guarantor.

**C.** If HR brings an action to enforce this Guarantee in a judicial proceeding or arbitration, the prevailing party in such proceeding shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. In any judicial proceeding, these costs and expenses shall be determined by the court and not by a jury.

**D.** If HR utilizes legal counsel (including in-house counsel employed by HR or its affiliates) in connection with any failure by the undersigned to comply with this Guarantee, the undersigned shall reimburse HR for any of the above-listed costs and expenses incurred by it.

**E.** If any of the following events occur, a default ("Default") under this Guarantee shall exist: **(1)** failure of timely payment or performance of the obligations under this Guarantee; **(2)** breach of any agreement or representation contained or referred to in this Guarantee; **(3)** the dissolution of, termination of, existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against, any of the undersigned; and/or **(4)** the entry of any monetary judgment or the assessment against, the filing of any tax lien against, or the issuance of any writ of garnishment or attachment against any property of or

debts due any of the undersigned. If a Default occurs, the obligations of the undersigned shall be due immediately and payable without notice. Upon the death of one of the undersigned, the estate shall be bound by this Guarantee for all obligations existing at the time of death. The obligations of the surviving Guarantors shall continue in full force and effect.

**F.** This Guarantee shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. HR's interests in and rights under this Guarantee are freely assignable, in whole or in part, by HR. Any assignment shall not release the undersigned from this Guarantee.

**G.** Sections 22.A. through 22.D. of the Agreement are incorporated by reference into this Guarantee and all capitalized terms that are not defined in this Guarantee shall have the meaning given them in the Agreement.

Number of New Restaurants	Property Control Date	Opening Date	Cumulative Number of Existing and New Restaurants To Be Open and Operating in the Development Territory by the Opening Date, Including the New Restaurants To Be Established

4. **Developer’s Notice Address (Section 18).** \_\_\_\_\_
5. **[HR’s Repurchase Option.** In the event the Development Agreement is entered into as part of an Asset Purchase Agreement where Developer is acquiring company-operated Existing Restaurants from HR, the following shall apply:

HR shall have the right to repurchase the Existing Restaurants and any New Restaurants in the event that Developer is in Material Noncompliance (as defined below) with its obligation with respect to the timely development of any of the first \_\_\_\_ (\_\_) New Restaurants to be developed under the Development Agreement (the “Repurchase Option”), under the terms set forth in Section \_\_\_ of the Asset Purchase Agreement, which are incorporate herein by reference, including without limitation the purchase price . Material Noncompliance shall mean Developer’s failure to obtain site approval for a New Restaurant or open a New Restaurant within one (1) year after the site approval or opening date set forth in Development Schedule under the Development Agreement, or Developer’s admission that it will not be able to develop one or more of the New Restaurants within one (1) year of the scheduled opening date under the Development Agreement. Such one (1) year period shall be extended upon the occurrence of a Force Majeure event as defined in the Development Agreement, but only to the extent such event prevents, hinders or delays Developer’s performance in excess of such one (1) year period. HR shall not be required to provide Developer a notice and cure period prior to exercising the Repurchase Option, and HR’s right to exercise its Repurchase Option shall continue for so long as the Development Agreement remains in Material Noncompliance. Upon the opening of Developer’s \_\_\_\_\_ (\_\_) New Restaurant, HR’s Repurchase Option shall terminate.]

**FRANCHISE LEASE ADDENDUM**

## HARDEE'S LEASE ADDENDUM

**THIS ADDENDUM** to the Lease Agreement dated as of \_\_\_\_\_ (“Lease”) between \_\_\_\_\_ (“Landlord”) and \_\_\_\_\_ (“Tenant”) is entered into as of the effective date of the Lease.

### RECITALS:

Pursuant to the Lease, Landlord will lease or has leased to Tenant certain real property as defined in the Lease (“Premises”) for the operation of a franchised Hardee’s Restaurant (“Restaurant”);

Tenant will develop and operate the Restaurant pursuant to a franchise agreement (the “Franchise Agreement”) with Hardee’s Restaurants LLC or its affiliates (collectively “HR”), and the Lease is contingent upon Tenant’s execution of the Franchise Agreement with HR; and

The Franchise Agreement requires, among other things, that the Lease contain certain provisions. Landlord and Tenant desire to modify the Lease to add those required provisions as set forth below, and agree that the terms and provisions of this Lease Addendum are hereby deemed incorporated into and made a part of the Lease.

**NOW, THEREFORE**, notwithstanding anything to the contrary elsewhere in the Lease, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant agree as follows:

1. The effectiveness of the Lease is contingent upon Tenant’s execution of the Franchise Agreement with HR within 30 days after the date of this Addendum.
2. Landlord consents to Tenant’s use of the proprietary signs, distinctive exterior and interior designs, colors and layouts, and the trademarks prescribed by HR (collectively, “Proprietary Marks”), and upon expiration or the earlier termination of the Lease, consents to permit Tenant, at Tenant’s expense, to remove all such items and other trade fixtures, so long as Tenant makes repairs to the Premises caused by such removal.
3. Landlord and Tenant each agrees to provide HR (at the same time as sent to the other party) a copy of all amendments, assignments, any notices of default, option and refusal rights notices and any other material documents or correspondence or notices pertaining to the Lease and the Premises, including without limitation, tenant estoppel certificates and subordination agreements. HR’s mailing address, until further notice, for this purpose is Attention: Franchise Legal Team, 6700 Tower Circle, Suite 1000, Franklin, TN 37067.
4. Following reasonable notice to Landlord, HR shall have the right to enter the Premises to make any modifications or alterations necessary to protect the “Hardee’s Restaurant System” and the Proprietary Marks and to cure any Tenant default under the Lease within the time periods provided by the Lease, and charge Tenant for all costs incurred in making such modifications or alterations and for curing any such default, all without being guilty of trespass or other tort.
5. Landlord agrees that Tenant, and not HR, shall be solely responsible for all obligations, debts and payments under the Lease and that HR shall have no liability in that regard.
6. Landlord agrees that, following the expiration or earlier termination of the Lease or the Franchise Agreement, Tenant shall have the right to make those alterations and modifications (including removal and

demolition of improvements installed by Tenant or HR if necessary) to the Premises or any part thereof as may be necessary to clearly distinguish to the public the Premises from a Hardee's Restaurant and also to make those specific additional changes as HR reasonably may require for that purpose. This includes, but is not limited to, removal of all Proprietary Marks. Landlord further agrees that, if Tenant fails to promptly make the necessary alterations and modifications, HR shall have the right to do so without being guilty of trespass or other tort so long as HR makes repairs to the building caused by such removal.

7. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees not to amend or otherwise modify the Lease in any manner that would affect any of the requirements set forth herein without HR's prior written consent.

8. Tenant may assign the Lease, or any right or rights therein (including without limitation purchase options or rights of first refusal), to HR or its parent, affiliates or subsidiaries (without Landlord's consent) or its designee (with Landlord's consent which consent shall not be unreasonably withheld) and without payment of any assignment fee or similar charge or increase in any rentals or other charges payable to Landlord.

9. Landlord consents to Tenant's collateral assignment of the Lease to HR or its designee, granting HR the option, but not the obligation, to assume the Lease and/or any or all rights therein.

10. If Tenant fails to exercise, for any reason, any term renewal or term extension right under the Lease, then HR may exercise such right, and upon the exercise of such right by HR, Tenant agrees that the Lease shall be deemed transferred and assigned to HR, effective upon the commencement of the renewal or extension term, without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. If Tenant fails to exercise, for any reason, any purchase option or right of first refusal or similar right under the Lease, then HR may exercise such right, and upon the exercise of such right by HR, Tenant agrees that such right shall be deemed transferred and assigned to HR without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. Landlord and Tenant acknowledge that HR's exercise of the foregoing rights is subject to Tenant's right to exercise such rights, and that if Tenant legally exercises such right within the time permitted under the Lease, HR's exercise of such rights, whether before or after Tenant's exercise, shall be void.

11. HR is hereby deemed a third party beneficiary of this Addendum solely for the purpose of enforcing any rights granted to or otherwise available to HR under this Addendum.

12. Upon the expiration or termination of the Lease or Franchise Agreement, Landlord acknowledges and agrees that HR has the option, in accordance with its rights under the Franchise Agreement, to take an assignment of Tenant's rights and obligations under the Lease. HR may exercise its step-in rights by giving written notice to the Landlord at any time following such expiration or termination of the Lease or Franchise Agreement up until 30 days after the later of: (1) the effective date of termination or expiration of the Lease or Franchise Agreement; or (2) the date Tenant ceases to operate the Restaurant.

13. The foregoing provisions shall apply during the entire term of the Lease, including any renewal term. To the extent there is any conflict between the terms set forth in the body of the Lease and the terms set forth in this Lease Addendum, the terms of this Lease Addendum will control.

14. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

15. Each of the persons executing this Addendum on behalf of each party represents and warrants that said party has the full right, power and authority to execute and deliver this Addendum and that each person

signing on said party's behalf is authorized to do so.

## HARDEE'S RESTAURANT FRANCHISE AGREEMENT

**THIS AGREEMENT** is made as of \_\_\_\_\_ by and between Hardee's Restaurants LLC ("HR"), a Delaware limited liability company, and \_\_\_\_\_ ("Franchisee").

### RECITALS:

A. As a result of the expenditure of time, skill, effort and money, HR and its predecessor have developed, and HR owns, a unique and distinctive system ("System") relating to the development, establishment and operation of quick service restaurants ("Hardee's Restaurants").

B. The distinguishing characteristics of the System include, without limitation, uniform and distinctive exterior and interior design, layout and trade dress, including specially designed decor and furnishings; an efficient kitchen and equipment layout featuring an automatic charbroiling cooking process; special recipes and menu items; procedures and techniques for food and beverage storage, preparation, service and sanitation; technical assistance and training through course instruction and manuals; and advertising and promotional programs. The System and its components may be changed, improved, and further developed by HR from time to time.

C. HR identifies the System by means of certain trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbols, designs and any combination thereof or any other indicia of source (collectively "Proprietary Marks") which HR has designated or may in the future designate for use with the System. The Proprietary Marks used to identify the System, including the principal Proprietary Marks, may be modified by HR and/or its affiliates from time to time.

D. HR continues to develop, use and control the use of these Proprietary Marks in order to identify for the public the source of services and products marketed under the Proprietary Marks and the System, and to represent the System's high standards of quality, appearance and service.

E. Franchisee desires to obtain a license to use the System and to develop and continuously operate one Hardee's Restaurant ("Franchised Restaurant") at the location specified in attached Appendix A ("Franchised Location"), subject to the terms and conditions of this Agreement and in strict compliance with the standards and specifications established by HR.

F. Franchisee understands and acknowledges the importance of HR's high and uniform standards of quality, operations and service and the necessity of developing and operating the Franchised Restaurant (the "System Standards") in strict conformity with this Agreement, the Development Guide, and the Operation Procedures Manual ("OPM").

G. HR is willing to grant Franchisee a license to develop and operate the Franchised Restaurant at the Franchised Location, subject to the terms and conditions of this Agreement.

### AGREEMENT

**NOW THEREFORE**, in consideration of HR's grant to Franchisee of the right to develop and operate a Franchised Restaurant at the Franchised Location during the term of this Agreement, as well as the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

## **1. GRANT OF FRANCHISE**

### **A. Grant**

Subject to the provisions of this Agreement, HR hereby grants to Franchisee the nonexclusive right (“Franchise”) to develop and continuously operate the Franchised Restaurant at the Franchised Location and to use the Proprietary Marks in the operation of the Franchised Restaurant. Franchisee may not operate the Franchised Restaurant at any site other than the Franchised Location or offer and sell products through any other method or channel of distribution. Further, Franchisee may not relocate the Franchised Restaurant without HR’s prior written consent, which may be withheld by HR in its sole discretion. If HR approves a relocation of the Franchised Restaurant, it shall have the right to charge Franchisee for all reasonable expenses actually incurred in connection with consideration of the relocation request.

Franchisee agrees that it will at all times faithfully, honestly and diligently perform its obligations under this Agreement, that it will continuously exert its best efforts to promote and enhance the business of the Franchised Restaurant and that it will not engage in any other business or activity that may conflict with its obligations under this Agreement, except the operation of other Hardee’s Restaurants or other restaurants operated by Franchisee that are franchised by HR or its affiliates or other restaurants as disclosed to HR by Franchisee in Appendix A.

### **B. No Exclusivity**

This Agreement does not give Franchisee any exclusive rights to use the System or the Proprietary Marks in any geographic area. Nothing in this Agreement prohibits HR from, among other things: **(1)** operating or licensing others to operate at any location, during or after the term of this Agreement, any type of restaurant other than Hardee’s Restaurants; **(2)** operating or licensing others to operate, during the term of this Agreement, Hardee’s Restaurants at any location other than the Franchised Location; **(3)** operating or licensing others to operate, after this Agreement terminates or expires, Hardee’s Restaurants at any location, including the Franchised Location; and **(4)** merchandising and distributing goods and services identified by the Proprietary Marks at any location through any other method or channel of distribution. HR reserves to itself all rights to use and license the System and the Proprietary Marks other than those expressly granted under this Agreement.

### **C. Forms of Agreement**

Franchisee acknowledges that, over time, HR has entered, and will continue to enter, into agreements with other franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that HR and other franchisees may have different rights and obligations does not affect the duties of the parties to this Agreement to comply with the terms of this Agreement.

## **2. TERM**

### **A. Initial Term**

The Initial Term of this Agreement and the Franchise granted by this Agreement shall begin on the date of this Agreement and terminate at midnight on the day preceding the 20th anniversary of the date the Franchised Restaurant first opened for business, unless this Agreement is terminated at an earlier date pursuant to Section 21. HR shall complete and forward to Franchisee a Commencement Date Agreement

to memorialize the date the Franchised Restaurant first opened for business in the form substantially similar to Appendix F. Franchisee agrees to continuously operate the Franchised Restaurant during the Initial Term, and in the event of casualty to the Franchised Restaurant that requires its closure, Franchisee must reopen the Franchised Restaurant for business within six months following the event of casualty unless a different time period is agreed to in writing by HR.

Notwithstanding the foregoing, if, during the term of this Agreement, Franchisee, through no act or failure to act on its part (except the failure to extend the lease for the Franchised Location through the Initial Term of this Agreement), loses the right to possession of the Franchised Location, the Initial Term shall expire as of the date of the loss of the right to possession. However, if the right to possession is lost through no act or failure to act on Franchisee's part, Franchisee may relocate the Franchised Restaurant (without paying any additional initial franchise fee or transfer fee) at its expense and the Initial Term shall not expire if: **(1)** HR accepts the new location; **(2)** Franchisee constructs and equips a Franchised Restaurant at the new location in accordance with the then-current System Standards and specifications; **(3)** a Franchised Restaurant at the new location is open to the public for business within 6 months after the loss of possession of the Franchised Location; and **(4)** Franchisee reimburses HR for all reasonable expenses actually incurred by HR in connection with the acceptance of the new location.

## **B. Renewal Term**

**(1)** At the expiration of the Initial Term, Franchisee shall have an option to remain a franchisee at the Franchised Location for a Renewal Term of 10 years or, at Franchisee's option, 5 years. Franchisee must give HR written notice of whether or not it intends to exercise its renewal option and the length of the proposed Renewal Term not less than 12 months, nor more than 24 months, before the expiration of the Initial Term. Notwithstanding the foregoing, if Franchisee subleases the Franchised Location from HR, Franchisee must give HR the notice described in the preceding sentence not less than 6 months, nor more than 12 months, before notice of renewal is required to be provided to the landlord under the master lease. Failure by Franchisee to timely provide HR the required notice constitutes a waiver by Franchisee of its option to remain a franchisee beyond the expiration of the Initial Term.

**(2)** If Franchisee desires to continue as a franchisee for the Renewal Term, Franchisee must comply with all of the following conditions prior to and at the end of the Initial Term:

**(a)** Franchisee shall not be in default under this Agreement or any other agreements between Franchisee and HR or its affiliates; Franchisee shall not be in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant; Franchisee shall not be in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant; and, for the 12 months before the date of Franchisee's notice and the 12 months before the expiration of the Initial Term, Franchisee shall not have been in default beyond the applicable cure period under this Agreement or any other agreements between Franchisee and HR or its affiliates.

**(b)** Franchisee shall make the capital expenditures required to renovate and modernize the Franchised Restaurant to conform to the interior and exterior designs, decor, color schemes, furnishings and equipment and presentation of the Proprietary Marks consistent with the image of the System for new Hardee's Restaurants at the time Franchisee provides HR the renewal notice, including such structural changes, remodeling, redecoration and modifications to existing improvements as may be necessary to do so.

(c) Franchisee and its employees at the Franchised Restaurant shall be in compliance with HR's then-current training requirements.

(d) Franchisee shall have the right to remain in possession of the Franchised Location, or other premises acceptable to HR, for the Renewal Term and all monetary obligations owed to Franchisee's landlord, if any, must be current.

(e) Franchisee, all individuals who executed this Agreement and all guarantors of Franchisee's obligations shall have executed a general release and a covenant not to sue, in a form satisfactory to HR, of any and all claims against HR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement, any other agreements between Franchisee and HR or its affiliates and Franchisee's operation of the Franchised Restaurant, other Hardee's Restaurants operated by Franchisee and all other restaurants operated by Franchisee that are franchised by HR or its affiliates.

(f) As determined by HR in its sole discretion, Franchisee has operated the Franchised Restaurant and all of its other franchised Hardee's Restaurants in accordance with the applicable franchise agreements and with the System Standards (as set forth in the OPM or otherwise and as revised from time to time by HR) and has operated each of its other restaurants that are franchised by HR or its affiliates in accordance with the applicable franchise agreement and system standards.

(3) Within 4 months after HR's receipt of Franchisee's written notice of its desire to renew, HR shall advise Franchisee whether or not Franchisee is entitled to remain a franchisee for the Renewal Term. If HR intends to permit Franchisee to remain a franchisee for the Renewal Term, HR's notice will contain preliminary information regarding actions Franchisee must take to satisfy Sections 2.B.(2)(b) and (c). If HR does not intend to permit Franchisee to remain a franchisee for the Renewal Term, HR's notice shall specify the reasons for non-renewal. If HR chooses not to permit Franchisee to remain a franchisee for the Renewal Term, it shall have the right to unilaterally extend the Initial Term of this Agreement as necessary to comply with any applicable laws.

(4) If Franchisee will remain a franchisee for the Renewal Term, HR shall forward to Franchisee a new franchise agreement for the Renewal Term for Franchisee's signature at least 4 months prior to the expiration of the Initial Term. The form of renewal franchise agreement shall be the form then in general use by HR for Hardee's Restaurants (or, if HR is not then granting franchises for Hardee's Restaurants, that form of agreement as specified by HR) and likely will differ from this Agreement, including, but not limited to, provisions relating to the royalty fee and advertising obligations.

(5) Franchisee shall pay HR a renewal fee in the amount of \$5,000 for a Renewal Term of 5 years or \$10,000 for a Renewal Term of 10 years.

(6) Franchisee shall execute the renewal franchise agreement for the Renewal Term and return the signed agreement to HR, along with the renewal fee, at least one month prior to the expiration of the Initial Term. Failure by Franchisee to sign the renewal franchise agreement and return it to HR (along with the renewal fee) within this time shall, at HR's option, be deemed an election by Franchisee not to renew the Franchise and shall result in termination of this Agreement and the Franchise granted by this Agreement at the expiration of the Initial Term. Provided Franchisee has timely complied with all of

the conditions set forth in this Section 2.B., HR shall execute the renewal franchise agreement and promptly return a fully-executed copy to Franchisee.

### **C. Holdover**

If Franchisee continues to accept the benefits of this Agreement after the expiration of the initial term but does not satisfy the renewal conditions outlined in Section 2.C above then, at HR's sole option, this Agreement may be treated as: (a) expired as of the date of the expiration and Franchisee will be operating without a franchise or license to do so and in violation of HR's rights to the Marks, brand and System; or (b) continued on a month-to-month basis (an "Interim Period") and all of Franchisee's obligations will remain in full force and effect during the Interim Period as if the Agreement had not expired. Each Interim Period expires at the end of each calendar month unless this Agreement is renewed as provided for this Agreement. The Interim Period does not create any new franchise rights and upon expiration of the final Interim Period; provided Franchisee does not renew the rights licensed in this Agreement as specified in this Agreement, Franchisee will be bound by all post-term obligations as provided in this Agreement.

## **3. LEASE TERMS**

If Franchisee has not previously provided HR with a fully-signed copy of its lease or sublease for the Franchised Location, or proof that Franchisee has purchased the real estate for the Franchised Location, Franchisee shall immediately upon execution of this Agreement provide HR with a copy of the fully-signed lease or sublease, together with the executed Hardee's Lease Addendum in the form attached as Appendix G. For purposes of this Agreement, the effective date of the lease or sublease, or the closing date of the purchase of the real property, shall be the "Property Control Date".

## **4. CONSTRUCTION OF THE FRANCHISED RESTAURANT**

### **A. Development Training**

Franchisee shall complete, to HR's satisfaction, any development training required by HR. Franchisee shall pay HR, for each person attending development training, a tuition fee as established by HR from time to time. Franchisee also may attend optional development training as offered by HR from time to time, subject to payment of a tuition fee as established by HR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee and its employees while attending development training and optional development training.

### **B. Restaurant Development**

Franchisee assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. HR will furnish to Franchisee prototypical plans and specifications for a Hardee's Restaurant, including requirements for dimensions, design, image, interior layout, decor, fixtures, equipment, signs, furnishings, storefront and color scheme. It shall be Franchisee's responsibility to have prepared all required construction plans and specifications to suit the shape and dimensions of the Franchised Location and Franchisee must ensure that these plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. Franchisee shall use only registered architects, registered engineers, and professional and licensed contractors.

Franchisee shall submit proposed construction plans, specifications and drawings for the Franchised Restaurant ("Plans") to HR and shall, upon HR's request, submit all revised or "as built" Plans during the course of such construction. HR will review the Plans and notify Franchisee within 30 days after HR receives the Plans, or such longer period as HR requires, whether the Plans are approved. HR's approval shall not be unreasonably withheld. Once HR has approved the Plans and Franchisee has signed each page of the Plans acknowledging the approval and Franchisee's obligations for compliance, no substantial change shall be made to the Plans without the prior approval of HR, which shall not be unreasonably withheld. If, in the course of construction, any such change in the Plans is contemplated, HR's approval must first be obtained before proceeding. HR shall approve or disapprove Plan changes within 10 business days after receipt.

Franchisee is prohibited from beginning site preparation or construction prior to receiving written notification from HR that it has approved the Plans. All construction must be in accordance with Plans approved by HR and must comply in all respects with applicable laws, ordinances and local rules and regulations. The Franchised Restaurant may not open if construction has not been performed in substantial compliance with Plans approved by HR, and this Agreement may be terminated if such non-compliance is not cured within a commercially reasonable amount of time. HR may furnish guidance to Franchisee in developing the Franchised Restaurant and may periodically inspect the premises during its development.

### **C. Commencement and Completion of Construction**

Construction of the Franchised Restaurant shall commence within 6 months after the Property Control Date ("Construction Commencement Date"). Site acceptance will be deemed to have been withdrawn, without notice to Franchisee, if Franchisee fails to commence construction within that time period.

Prior to the Construction Commencement Date, Franchisee shall have: **(1)** eliminated or otherwise satisfied all of the conditions set forth in this Agreement **(2)** paid HR the balance, if any, of the Initial Franchise Fees required by this Agreement; **(2)** if not previously signed, executed this Franchise Agreement; **(3)** provided HR a copy of the fully-executed lease for the Franchised Location (containing those provisions specified by HR in accordance with Section 3) or, if Franchisee owns the Franchised Location, proof of Franchisee's ownership interest. As used in this Agreement, construction shall have commenced only after Franchisee has obtained all required permits and: **(a)** with respect to a free-standing Franchised Restaurant, Franchisee has begun the installation of building footings with the intent to maintain continuous construction thereafter; or **(b)** with respect to a non free-standing Restaurant or a Restaurant being converted from a prior use, Franchisee has begun the installation of sub-floor plumbing with the intent to maintain continuous construction thereafter.

Once construction has commenced, it shall continue uninterrupted (except for interruption by reason of events constituting Force Majeure as defined in Section 28) until completed. If events constituting Force Majeure cause a delay in the commencement of construction of the Franchised Restaurant, HR shall proportionately extend the Opening Date for the Franchised Restaurant. Notwithstanding the occurrence of any events, except events constituting Force Majeure, construction shall be completed and the Franchised Restaurant shall be furnished, equipped and shall otherwise be ready to open for business in accordance with this Agreement not later than 18 months after the date of the Property Control Date ("Opening Date").

Franchisee agrees, at its sole expense, to do or cause to be done the following, by the Opening Date:

- (1) Obtain and maintain all required building, utility, sign, health, sanitation, business and other permits and licenses applicable to the Franchised Restaurant.
- (2) Construct all required improvements to the Franchised Location and decorate the exterior and interior of the Franchised Restaurant in compliance with the Plans approved by HR.
- (3) Purchase or lease and install all specified and required fixtures, equipment, furnishings and interior and exterior signs required for the Franchised Restaurant.
- (4) Purchase an opening inventory for the Franchised Restaurant of only authorized and approved products and other materials and supplies.

#### **D. Acquisition of Necessary Furnishings, Fixtures and Equipment**

Franchisee agrees to use in the development and operation of the Franchised Restaurant only those fixtures, furnishings, equipment and signs that HR has approved for Hardee's Restaurants as meeting its specifications and standards for quality, design, appearance, function and performance. Franchisee further agrees to place or display at the Franchised Restaurant (interior and exterior) only those signs, emblems, lettering, logos and display materials that HR approves in writing from time to time.

Franchisee shall purchase or lease approved brands, types or models of fixtures, furnishings, equipment and signs only from suppliers designated or approved by HR, which may include HR. If Franchisee proposes to purchase, lease or otherwise use any fixtures, furnishings, equipment or signs which have not been approved by HR, Franchisee shall first notify HR in writing and shall, at its sole expense, submit to HR upon its request, sufficient specifications, photographs, drawings and/or other information or samples for a determination as to whether those fixtures, furnishings, equipment and/or signs comply with HR's specifications and standards. HR will, in its sole discretion, approve or disapprove the items and notify Franchisee within 30 days after HR receives the request, or such longer period as HR requires.

If Franchisee builds any portion of the Franchised Restaurant outside of HR's specifications without receiving HR's prior written consent, HR shall have the right to delay the opening of the Franchised Restaurant until Franchisee, at its sole expense, brings the Franchised Restaurant's development within full compliance of HR's specifications.

#### **E. Hardware and Software**

Prior to the opening of the Franchised Restaurant, Franchisee agrees to procure and install such data processing equipment, computer hardware and software, required dedicated telephone and power lines, modems, printers and other computer-related accessory or peripheral equipment as HR specifies in Section 13.E. of this Agreement, the Development Guide or otherwise. Franchisee shall provide all assistance required by HR to bring Franchisee's computer system on-line with the computer system designated by HR and maintained by HR or its affiliates at the earliest possible time. Franchisee agrees that HR shall have the free and unfettered right to retrieve any data and information from Franchisee's computers as HR, in its sole discretion, deems appropriate, including electronically polling the daily sales, menu mix and other data of the Franchised Restaurant. All of the hardware and software specified to be installed or purchased, or activities Franchisee is to accomplish, and the delivery cost of all hardware and software, shall be at Franchisee's expense.

#### **F. Inspection, Cooperation**

During the course of construction and/or renovation, Franchisee shall (and shall cause Franchisee's architect, engineer, contractors, and subcontractors to) cooperate fully with HR and its designees for the purpose of permitting HR and its designees to inspect the Franchised Location and the course of construction of the Franchised Restaurant in order to determine whether construction is proceeding according to the Plans. Without limiting the generality of the foregoing, Franchisee, and Franchisee's architect, engineer, contractors and subcontractors shall: **(1)** supply HR or its designees with samples of construction materials, test borings, corings, due diligence environmental studies, supplies, equipment and other material and reports, if any such tests, studies or reports indicate there may be material problems or as HR or its designees may request; and **(2)** afford HR's representatives and its designees access to the Franchised Location and to the construction work in order to permit HR and its designees to carry out their inspections.

#### **G. Reports**

From the Construction Commencement Date to the Opening Date, Franchisee shall submit to HR, on or before the first day of each month (or more frequently if HR requests), a report showing progress made toward completing the construction of the Franchised Restaurant and being prepared to open the Franchised Restaurant by the Opening Date.

#### **H. Limitation of HR's Liability**

Notwithstanding the right of HR to approve the Plans and to inspect the construction work at the Franchised Restaurant, HR and its designees shall have no liability or obligation with respect to the Franchised Location, the design or construction of the Franchised Restaurant or the furnishings, fixtures and equipment to be acquired; HR's rights being exercised solely for the purpose of ensuring compliance with the terms and conditions of this Agreement.

#### **I. Financing**

Without the prior written approval of HR, which shall not be unreasonably withheld, the construction, renovation and/or operation of the Franchised Restaurant shall not be financed by a public or private offering of any right, title or interest in the Franchised Restaurant, the property upon which it is built or the receipts from its operation.

#### **J. Franchise Management Training Program**

Prior to the opening of the Franchised Restaurant, those employees hired by Franchisee to fill certain designated positions shall attend and successfully complete, to the satisfaction of HR, the Franchise Management Training Program in accordance with Section 11.A. of this Agreement.

#### **K. Final Inspection and Opening Date**

Franchisee shall notify HR in writing at least 30 days prior to the date Franchisee expects construction and/or renovation to be completed and a certificate of occupancy to be issued. If requested by HR, Franchisee shall submit a copy of the certificate of occupancy to HR. HR reserves the right, after receiving Franchisee's notice, to conduct a final inspection of the Franchised Restaurant and its premises to determine if Franchisee has complied with this Agreement. HR shall not be liable for delays or loss

occasioned by its inability to complete its investigation and to make a determination within this period. Franchisee shall not open the Franchised Restaurant for business without HR's express written authorization, which will not be granted unless Franchisee has satisfied the conditions contained in Section 5.

## **5. RIGHT TO OPEN THE FRANCHISED RESTAURANT**

HR will not authorize the opening of the Franchised Restaurant unless all of HR's pre-opening requirements have been fully satisfied, including, but not limited to, the following:

**A.** Neither Franchisee nor any of its affiliates is in default under this Agreement or any other agreements with HR or its affiliates, Franchisee is not in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant, Franchisee is not in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant and, for the previous 6 months, neither Franchisee nor any of its affiliates has been in default beyond the applicable cure period under any agreement with HR or its affiliates.

**B.** Franchisee and its affiliates are current on all obligations due HR and its affiliates.

**C.** HR is satisfied that the Franchised Restaurant was constructed and/or renovated and equipped substantially in accordance with the Plans approved by HR and state and local codes and with the requirements of the System.

**D.** If the Franchised Location is leased, HR has received a copy of the fully-executed lease or sublease which contains those provisions specified by HR in accordance with Section 3 of this Agreement.

**E.** Franchisee has obtained a certificate of occupancy and any other required health, safety or fire department certificates.

**F.** Franchisee has certified to HR in writing that the installation of all items of furnishings, fixtures, equipment, signs, computer terminals and related equipment, supplies and other items has been accomplished.

**G.** HR has determined that: **(1)** HR's Franchise Management Training Program has been successfully completed by the minimum number of Franchisee's employees required by HR; and **(2)** Franchisee has hired and trained a sufficient number of staff in accordance with HR's standards and the requirements of the System and this Agreement.

**H.** HR has been furnished with copies of all insurance policies required by Section 15 or such other evidence of insurance coverage and payment of premiums as HR reasonably may request.

**I.** If not previously paid, Franchisee has paid HR the balance of the Initial Franchise Fees required by this Agreement and the opening training support team fee as required by HR.

**J.** Provided all of the preceding conditions have been met, HR will notify Franchisee of its approval to open the Franchised Restaurant. Notwithstanding the foregoing, HR has the right to waive any of the foregoing conditions.

## **6. FEES**

### **A. Initial Franchise Fee**

Franchisee agrees to pay HR an Initial Franchise Fee in the amount specified in Appendix A upon the execution of this Agreement. Any Development Fee previously paid by Franchisee to HR with respect to the Franchised Restaurant shall be credited against the Initial Franchise Fee. Franchisee acknowledges and agrees that the Initial Franchise Fee is in consideration of HR initially granting this Franchise, it was fully earned at the time paid, and it is not refundable for any reason whatsoever.

### **B. Royalty Fee**

In addition to all other amounts to be paid by Franchisee to HR, Franchisee shall pay HR a nonrefundable and continuing royalty fee in an amount set forth in attached Appendix B for the right to use the System and the Proprietary Marks at the Franchised Location. If any taxes, fees or assessments are imposed on HR by reason of its acting as franchisor or licensing the Proprietary Marks under this Agreement, Franchisee shall reimburse HR the amount of those taxes, fees or assessments within 10 days after receipt of an invoice from HR.

Gross Sales shall include all revenue from the sale of all services and products (except HR approved promotional items) and all other income of every kind and nature (excluding revenue from the sale of stored value gift cards or gift certificates but including revenue when gift certificates are redeemed or stored value gift cards are debited) related to the Franchised Restaurant, whether for cash or credit and regardless of collection in the case of credit; provided, however, that Gross Sales shall not include any sales taxes or other taxes collected from customers by Franchisee for transmittal to the appropriate taxing authority.

### **C. Advertising Fees**

Franchisee also shall spend and/or contribute for advertising approved by HR or its designee up to 7% of the Gross Sales of the Franchised Restaurant. The exact amount of the advertising fees to be spent and/or contributed by Franchisee, and the allocation of the advertising fees, as of the date of this Agreement, is set forth in Section 8 and attached Appendix C.

### **D. Remittance Reports**

Within 5 business days after the end of each fiscal week (as defined by HR from time to time), Franchisee shall submit to HR in writing (or by email, polling by computer or such other form or method as HR may designate) the amount of Gross Sales from the Franchised Restaurant during the preceding fiscal week and such other data or information as HR may require.

### **E. Payment of Fees**

Within 10 calendar days after the end of each fiscal week ("Due Date"), Franchisee shall pay HR the royalty fee, and the advertising fees required by Section 8.C., applicable to the Gross Sales for the fiscal week, and any interest charges by electronic funds transfer. In connection with payment of these fees by electronic funds transfer, HR may designate a day for payment different than the Due Date. On each Due Date, HR will transfer from the Franchised Restaurant's bank operating account ("Account") the amount reported to HR in Franchisee's remittance report or determined by HR by the records contained in the cash registers/computer terminals of the Franchised Restaurant. If Franchisee has not reported Gross Sales to

HR for any fiscal period, HR will transfer from the Account an amount calculated in accordance with its estimate of the Gross Sales during the fiscal period. If, at any time, HR determines that Franchisee has underreported the Gross Sales of the Franchised Restaurant, or underpaid the royalty fee or other amounts due to HR under this Agreement, or any other agreement, HR shall initiate an immediate transfer from the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided in this Agreement. Any overpayment will be credited to the Account effective as of the first reporting date after HR and Franchisee determine that such credit is due.

In connection with payment of the royalty fee, advertising fees, or other amounts payable under this Agreement by electronic funds transfer, Franchisee shall: **(1)** comply with procedures specified by HR in the OPM or otherwise in writing; **(2)** concurrent with the execution of this Agreement, sign and deliver the ACH form attached as Appendix H; **(3)** perform those acts and sign and deliver any other documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section 8.E.; and **(4)** make sufficient funds available in the Account for withdrawal by electronic funds transfer no later than the Due Date for payment thereof.

Failure by Franchisee to have sufficient funds in the Account shall constitute a default of this Agreement. Franchisee shall not be entitled to set off, deduct or otherwise withhold any royalty fees, advertising contributions, interest charges or any other monies payable by Franchisee under this Agreement on grounds of any alleged non-performance by HR of any of its obligations or for any other reason.

#### **F. Interest**

If any payments by Franchisee due to HR are not received by HR by the date due, Franchisee, in addition to paying the amount owed, shall pay HR interest on the amount owed from the date due until paid at the maximum rate permitted for indebtedness of this nature in the state in which the Franchised Restaurant is located, not to exceed 1.5% per fiscal period (as defined by HR from time to time) or a portion of a fiscal period. Payment of interest by Franchisee on past due obligations is in addition to all other remedies and rights available to HR pursuant to this Agreement or under applicable law.

#### **G. Partial Payments**

No payment by Franchisee or acceptance by HR of any monies under this Agreement for a lesser amount than due shall be treated as anything other than a partial payment on account. Franchisee's payment of a lesser amount than due with an endorsement, statement or accompanying letter to the effect that payment of the lesser amount constitutes full payment shall be given no effect and HR may accept the partial payment without prejudice to any rights or remedies it may have against Franchisee. Acceptance of payments by HR other than as set forth in this Agreement shall not constitute a waiver of HR's right to demand payment in accordance with the requirements of this Agreement or a waiver by HR of any other remedies or rights available to it pursuant to this Agreement or under applicable law. Notwithstanding any designation by Franchisee, HR shall have sole discretion to apply any payments by Franchisee to any of its past due indebtedness for royalty fees, advertising contributions, purchases from HR or its affiliates, interest or any other indebtedness. HR has the right to accept payment from any other entity as payment by Franchisee. Acceptance of that payment by HR will not result in that other entity being substituted for Franchisee.

## **H. Collection Costs and Expenses**

Franchisee agrees to pay to HR on demand any and all costs and expenses incurred by HR in enforcing the terms of this Agreement, including, without limitation, collecting any monies owed by Franchisee to HR. These costs and expenses include, but are not limited to, costs and commissions due a collection agency, reasonable attorneys' fees (including attorneys' fees for in-house counsel employed by HR or its affiliates and any attorneys' fees incurred by HR in bankruptcy proceedings), costs incurred in creating or replicating reports demonstrating Gross Sales of the Franchised Restaurant, court costs, expert witness fees, discovery costs and reasonable attorneys' fees and costs on appeal, together with interest charges on all of the foregoing.

## **7. RECORDKEEPING AND REPORTS**

### **A. Recordkeeping**

Franchisee agrees to use computerized cash and data capture and retrieval systems that meet HR's specifications and to record sales of the Franchised Restaurant electronically or on tape for all sales at or from the Franchised Location. Franchisee shall keep and maintain, in accordance with any procedures set forth in the OPM, complete and accurate books and records pertaining to the Franchised Restaurant sufficient to fully report to HR. Franchisee's books and records shall be kept and maintained using generally accepted accounting principles ("GAAP"), if Franchisee uses GAAP in any of its other operations, or using other recognized accounting principles applied on a consistent basis which accurately and completely reflect the financial condition of Franchisee. Franchisee will preserve all of its books, records and state and federal tax returns for at least 5 years after the later of preparation or filing (or such longer period as may be required by any governmental entity) and make them available and provide duplicate copies to HR within 5 days after HR's written request.

### **B. Periodic Reports**

Franchisee shall, at Franchisee's expense, submit to HR, in the form and manner (which may be through an online portal or website) prescribed by HR: (i) a monthly profit and loss statement and balance sheet for the Franchised Business (both of which may be unaudited) within 30 days after the end of each month, and (ii) a quarterly profit and loss statement and balance sheet for Franchisee (both of which may be unaudited) within 30 days after the end of each fiscal quarter (as defined by HR from time to time) during each fiscal year (as defined by HR from time to time). HR shall have the right, to be exercised in its sole discretion, to require that Franchisee provide HR profit and loss statements and balance sheets at other times as requested by HR. Each statement and balance sheet shall be signed by Franchisee or by Franchisee's treasurer or chief financial officer attesting that it is true, correct and complete and uses accounting principles applied on a consistent basis which accurately and completely reflect the financial condition of Franchisee.

### **C. Annual Reports**

At HR's request, Franchisee shall, at its expense, provide to HR either a reviewed or audited profit and loss statement and balance sheet for the Franchised Restaurant within 60 days after the end of each fiscal year to be signed by Franchisee or by Franchisee's treasurer or chief financial officer attesting that the financial statements present fairly the financial position of Franchisee and the results of operations of the Franchised Restaurant during the period covered. HR shall have the right, in its reasonable discretion, to require that Franchisee, at Franchisee's expense, submit audited financial statements prepared by a

certified public accounting firm acceptable to HR for any fiscal year or any period or periods of a fiscal year.

#### **D. Other Reports**

Franchisee shall submit to HR, for review or auditing, such other forms, reports, records, information and data as HR may reasonably designate, in the form and at the times and places reasonably required by HR, upon request and as specified from time to time in the OPM or otherwise in writing.

#### **E. Public Filings**

If Franchisee is or becomes a publicly-held entity in accordance with other provisions of this Agreement, Franchisee shall send to HR copies of all reports (including responses to comment letters) or schedules Franchisee may file with the U.S. Securities and Exchange Commission (certified by Franchisee's chief executive officer to be true, correct, complete and accurate) and copies of any press releases it may issue, within 3 days of the filing of those reports or schedules or the issuance of those releases.

#### **F. Audit Rights**

HR or its designee shall have the right at all reasonable times, both during and after the term of this Agreement, to inspect, copy and audit Franchisee's books, records, federal, state and local tax returns, and such other forms, reports, information and data as HR reasonably may designate, applicable to the operation of the Franchised Restaurant. If an inspection or audit discloses an understatement of Gross Sales, Franchisee shall pay HR, within 10 days after receipt of the inspection or audit report, the deficiency in the royalty fees and advertising contributions plus interest (at the rate and on the terms provided in Section 7.F.) from the date originally due until the date of payment. If an inspection or audit is made necessary by Franchisee's failure to furnish reports or supporting records as required under this Agreement, or to furnish such reports, records or information on a timely basis, or if an understatement of Gross Sales for the period of any audit is determined by any audit or inspection to be greater than 2%, Franchisee also shall reimburse HR for the reasonable cost of the audit or inspection including, without limitation, the charges of attorneys and independent accountants, and the travel expenses, room, board and compensation of HR's employees or designees involved in the audit or inspection. The foregoing remedies shall be in addition to all other remedies and rights available to HR under this Agreement or applicable law.

If Franchisee fails to provide HR on a timely basis with the records, reports and other information required by this Agreement or, upon request of HR, with copies of same, HR or its designee shall have access at all reasonable times (and as often as necessary) to Franchisee's books and records for the purpose, among other things, of preparing the required records, reports and other information. Franchisee promptly shall reimburse HR or its designee for all costs and expenses associated with HR obtaining such records, reports or other information. Franchisee also acknowledges that HR has the right at any time to communicate directly with Franchisee's lenders, any other creditors, any suppliers and all regulatory authorities regarding Franchisee, Franchisee's business or any aspect of the Franchised Restaurant.

## **8. ADVERTISING AND PROMOTION**

### **A. Contributions/Expenditures by Franchisee**

During the term of this Agreement, Franchisee shall have a weekly advertising and promotion obligation (“APO”) in the amount set forth in Section 6.C. and Appendix C. Following written notice to Franchisee, HR may modify the amount and allocation of the APO subject to the provisions of Section 8.E. Franchisee shall pay that portion of the APO as HR may direct to the Hardee’s National Advertising Fund (“HNAF”) in accordance with Section 8.B. The remainder of the APO shall be paid, as directed by HR, at the same time and in the same manner as the royalty fee, to a Regional Co-op in accordance with Section 8.C., and/or spent by Franchisee for local store marketing (“LSM”) in accordance with Section 8.D.

### **B. Hardee’s National Advertising Fund**

HR has established, and will maintain and administer HNAF for the creation and development of advertising, marketing, social media and public relations, research and related programs, gift card and loyalty programs, activities and materials that HR, in its sole discretion, deems appropriate. Franchisee shall contribute to HNAF the amount set forth in Appendix C, as may subsequently be modified pursuant to Section 8.E. Hardee’s Restaurants operated by HR and its affiliates shall contribute to HNAF on the same basis as comparable franchisees. Unless modified in writing by HR, HNAF contributions are due on the tenth (10<sup>th</sup>) day of each month.

HR or its designee shall direct all advertising, marketing, and public relations programs and activities financed by HNAF, with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials. Franchisee agrees that HNAF may be used, among other things, to pay the costs of preparing and producing such associated materials and programs as HR or its designee may determine, including but not limited to video, audio and written advertising materials; employing advertising agencies; sponsorship of sporting, charitable or similar events; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail, in-App support for third party delivery platforms like Doordash and other media advertising and employing advertising agencies to assist with these efforts; and supporting public relations, market research and other advertising, promotional and marketing activities. Franchisee agrees to participate in all advertising, marketing, promotions, research and public relations programs instituted by HNAF. From time to time, HR or its designee may furnish Franchisee with marketing, advertising and promotional materials at the cost of producing them, plus any related shipping, handling and storage charges.

HR shall separately account for payments to HNAF but it shall not be required to segregate HNAF funds from its other monies. HR shall not use HNAF funds to defray any of its general operating expenses. HNAF may hire employees, either full-time or part-time, for its administration. HR and its affiliates may be reimbursed by HNAF for expenses related to its marketing programs including, without limitation, conducting market research, preparing advertising and marketing materials, and collecting and accounting for contributions. HR may spend in any fiscal year an amount greater or less than the aggregate contribution of all Hardee’s Restaurants to HNAF during that year or cause HNAF to invest any surplus for its future use. A statement of monies collected and costs incurred by HNAF shall be prepared annually and shall be furnished to Franchisee within a reasonable period of time following a written request. HR or its designee will have the right to cause HNAF to be incorporated or operated through an entity separate from HR at such time as HR or its designee deems appropriate, and such successor entity shall have all rights and duties of HR pursuant to this Section 10.

**Franchisee understands and acknowledges that HNAF is intended to enhance recognition of the Proprietary Marks and patronage of Hardee's Restaurants. HR will endeavor to utilize HNAF to develop advertising and marketing materials and programs, and to place advertising that will benefit the System and all Hardee's Restaurants contributing to HNAF. However, Franchisee agrees that HR is not liable to Franchisee and Franchisee forever covenants not to sue and holds HR harmless of any liability or obligation to ensure that expenditures by HNAF in or affecting any geographic area (including the Franchised Location) are proportionate or equivalent to the contributions to HNAF by Hardee's Restaurants operating in that geographic area, or that any Hardee's Restaurant will benefit directly or in proportion to its contribution to HNAF from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section 8, neither HR nor its designee assumes any direct or indirect liability to Franchisee with respect to the maintenance, direction or administration of HNAF.**

HR reserves the right, in its sole discretion, to: (1) suspend contributions to and operations of HNAF for one or more periods that it determines to be appropriate; (2) terminate HNAF upon 30 days' written notice to Franchisee and establish, if HR so elects, a different advertising fund; and (3) upon the written request of any franchised or company restaurants, defer or waive, in whole or in part, any advertising fees required by this Section if, in HR's sole judgment, there has been demonstrated unique, objective circumstances justifying any such waiver or deferral. On termination, all monies in HNAF shall be spent for advertising and/or promotional purposes. HR has the right to reinstate HNAF upon the same terms and conditions set forth in this Agreement upon 30 days' prior written notice to Franchisee.

#### **C. Regional Co-op**

HR, in its sole discretion, may establish a regional advertising and sales promotion cooperative ("Regional Co-op") in the regional area in which the Franchised Restaurant is located ("Designated Market Area" or "DMA"). Franchisee shall be a member of and contribute to the Regional Co-op such amount as is determined from time to time by HR and/or the Regional Co-op, which, as of the date of this Agreement, is the amount specified in Appendix C. The Regional Co-op may be incorporated by HR and will be operated in accordance with its charter, which HR shall have the right to modify from time to time in its sole discretion.

HR or its designee shall have the right to terminate (and subsequently restart) the Regional Co-op. Upon termination, all monies in the Regional Co-op shall be spent for advertising and/or promotional purposes. HR or its designee shall have the sole right, but not the obligation, to enforce the obligations of franchisees who are members of the Regional Co-op to contribute to the Regional Co-op and neither Franchisee nor any other franchisees who contribute to the Regional Co-op shall be deemed a third party beneficiary with respect to the Regional Co-op obligations of other franchisees or have any right to enforce the obligation of any franchisee to contribute to the Regional Co-op.

#### **D. Local Store Marketing**

Franchisee shall spend for approved LSM, on a monthly basis, the difference between Franchisee's APO and the amount Franchisee contributes to HNAF, a Regional Co-op or some other advertising fund as HR may direct Franchisee to pay. As of the date of this Agreement, that amount is specified in Appendix C. HR or its designee periodically shall advise Franchisee of the advertising and sales promotions authorized by HR. Within 30 days after the end of each fiscal quarter, Franchisee shall provide HR or its designee copies of all documentation demonstrating the amount and types of LSM expenditures made by Franchisee

in the prior fiscal quarter. Franchisee may not market or advertise in violation of federal laws regulating advertising, such as the CAN-SPAM Act and TCPA, and applicable state advertising laws.

Franchisee's LSM expenditures shall not include payments for items that HR, in its sole discretion, deems inappropriate to meet the minimum advertising requirements. As of the date of this Agreement, inappropriate expenditures for which Franchisee cannot spend LSM monies include, without limitation, free or discounted food (unless expressly authorized by HR in connection with a System or brand promotion), employee incentive programs, charitable contributions, payments in connection with permanent on-premises menu boards, lighting, yellow pages, entertainment discount books, the purchase or maintenance of vehicles, and other similar payments.

Local advertising and promotion materials may be purchased from any approved source. If purchased from a source other than HR or its affiliates or created or developed by Franchisee, these materials shall comply with federal and local laws and regulations and with the guidelines for advertising and promotions promulgated from time to time by HR or its designee and shall be submitted to HR or its designee at least 30 days in advance of first use for its approval. In no event shall Franchisee's advertising contain any statement or material which, in the sole discretion of HR, may be considered: **(1)** in bad taste or offensive to the public or to any group of persons; **(2)** defamatory of any person or an attack on any competitor; **(3)** to infringe upon the use, without permission, of any other persons' trade name, trademark, service mark or identification; or **(4)** inconsistent with the public image of HR or the System.

If, in any fiscal year, Franchisee spends less than the required amount for the Franchised Restaurant for authorized LSM advertising and sales promotions expenditures, the difference between the required amount and the amount actually spent in that fiscal year shall be paid to HNAF within 10 days after demand for payment is sent to Franchisee. In determining whether Franchisee has spent the required amount for the Franchised Restaurant for these purposes in any fiscal year, only expenditures made in that fiscal year will be counted and there will be no carryover from a previous fiscal year of any expenditures.

#### **E. Changes in the APO**

HR has the right, following written notice to Franchisee, to reallocate the APO and to increase the APO; however, HR will not increase the APO by more than ½% of Gross Sales in any 12-month period. In addition, HR may not increase the APO above 7% of Gross Sales; however, this limitation on HR does not prevent the Franchised Restaurant's Regional Co-op from requiring a contribution, that when added to Franchisee's HNAF contribution, results in a total APO in excess of 7% of Gross Sales.

#### **F. Loyalty Program**

During the term of this Agreement and any renewal term(s), Franchisee agrees to participate in all customer loyalty program(s) implemented by HR. Franchisee shall ensure that the Franchised Restaurant has all required technology to properly operate the loyalty program in the Franchised Restaurant. Franchisee agrees to sign any loyalty program agreement, either directly with HR and/or with a third party provider, at any time during the term or renewal term(s) of this Agreement.

### **9. OPERATION PROCEDURES MANUAL**

HR shall during the term of this Agreement provide Franchisee electronic access to, HR's confidential and proprietary OPM which contains information and knowledge that is unique, necessary and material to the System. (As used in this Agreement, the term "OPM" also includes all written or electronic

correspondence from HR regarding the System, other publications, materials, drawings, memoranda, and electronic media that HR from time to time may provide to Franchisee.) The OPM may be supplemented or amended from time to time by letter email, bulletin, software or other communications concerning the System to reflect changes in the image, specifications and standards relating to developing, equipping, furnishing and operating a Hardee's Restaurant. HR reserves the right to furnish all or part of the OPM to Franchisee in electronic form or online (including by Intranet) and establish terms of use for access to any restricted portion of HR's web site. Franchisee shall keep its copy (whether a hardcopy or in electronic form) of the OPM current and up-to-date with all additions and deletions provided by or on behalf of HR and shall purchase whatever equipment and related services (including, without limitation, computer system, Internet service, dedicated phone line, etc.) as may be necessary to receive these communications. If a dispute relating to the contents of the OPM develops, the master copy maintained by HR at its principal offices shall control.

The OPM contains detailed standards, specifications, instructions, requirements, methods and procedures for management and operation of the Franchised Restaurant. The OPM also may relate to the selection, purchase, storage, preparation, packaging, ingredients, recipes, service and sale of all products and beverages sold at the Franchised Restaurant; management and employee training; marketing, advertising and sales promotions; maintenance and repair of the Franchised Restaurant building, grounds, equipment, graphics, signs, interior and exterior decor items, fixtures and furnishings; employee dress attire and appearance standards; menu concept and graphics; and accounting, bookkeeping, records retention and other business systems, procedures, operations and brand standards. Franchisee agrees at all times to operate the Franchised Restaurant in strict conformity with the OPM; to maintain the OPM at the Franchised Restaurant; to not reproduce the OPM or any part of it; and to treat the OPM as confidential and proprietary, and, to disclose the contents of the OPM only to those employees of Franchisee who have a need to know.

Even though this Agreement contains provisions requiring Franchisee to operate the Franchised Restaurant in compliance with the System: (1) HR and its affiliates do not have actual or apparent authority to control the day-to-day conduct and operation of Franchisee's business or employment decisions; and (2) Franchisee and HR do not intend for HR or its affiliates to incur any liability in connection with or arising from any aspect of the System or Franchisee's use of the System, whether or not in accordance with the requirements of the OPM.

## **10. MODIFICATIONS OF THE SYSTEM**

**A.** HR, in its sole discretion, shall be entitled from time to time to change or modify the System, including modifications to the OPM, required training program, the menu and menu formats, the required equipment, the signage, the building and premises of the Franchised Restaurant (including the trade dress, decor and color schemes), the presentation of the Proprietary Marks, the adoption of new administrative forms and methods of reporting and of payment of any monies owed to HR (including electronic means of reporting and payment) and the adoption and use of new or modified Proprietary Marks or copyrighted materials. Franchisee shall accept and use or display in the Franchised Restaurant any such changes or modifications in the System as if they were a part of the System at the time this Agreement was executed, and Franchisee will make such expenditures as the changes or modifications in the System may reasonably require.

**B.** Within 30 days after receipt of written notice from HR, Franchisee shall begin selling any newly authorized menu items and cease selling any menu items that are no longer authorized. All food, beverage and merchandise items authorized for sale at the Franchised Restaurant shall be offered for sale under the specific name designated by HR. HR, in its sole discretion, may restrict sales of menu items to

certain time periods during the day. Franchisee shall establish menu prices in its sole and absolute discretion. If Franchisee has a suggestion for a new menu item or for a change to an authorized menu item or Franchisee desires to participate in a test market program, Franchisee shall provide HR written notice prior to implementation in the form and method defined by HR. Franchisee shall not add or modify any menu item or participate in a test market program without first having obtained HR's prior written approval and executed a test agreement acceptable to HR. Franchisee shall purchase any additional equipment and smallwares as HR deems reasonably necessary in connection with new menu items. If HR requires Franchisee to begin offering a new menu item which requires the purchase of additional equipment, a reasonable period of time, as determined in the sole discretion of HR, shall be provided for the financing, purchase and installation of any such equipment before such new menu items must be offered for sale at the Franchised Restaurant.

**C.** Extensive structural changes, major remodeling and renovations, and substantial modifications to existing equipment and improvements to modernize and conform the Franchised Restaurant to the image of the System for new franchised and company restaurants shall be required: (i) as a condition of renewal, (ii) as a condition of HR issuing its consent to a proposed transfer as defined further in Section 18 below, or (iii) at HR's request (but not more often than every 5 years). Capital expenses necessary for the repair and maintenance of the Franchised Location and modifications required by applicable law or required to abate a hazardous situation are not subject to the time limitations described in the preceding sentence. Within 60 days after receipt of HR's written notice regarding the required modernization, Franchisee shall prepare and complete drawings and plans, along with a project timeline, for the required modernization. These drawings and plans must be submitted to, and their use approved by, HR prior to the commencement of work. Franchisee shall complete the required modernization within the time reasonably specified by HR in its written notice.

**D.** HR has the right, in its sole discretion, to waive, defer or permit variations from the standards of the System or the applicable agreement to any franchisee or prospective franchisee based on the peculiarities of a particular site, existing building configuration or circumstance, density of population, business potential, trade area population or any other condition or circumstance. HR shall have the right, in its sole discretion, to deny any such request HR believes would not be in the best interests of the System.

**E.** If Franchisee develops any new concepts, processes or improvements relating to the System, whether or not pursuant to an HR authorized test, Franchisee promptly shall notify HR and provide HR with all information regarding the new concept, process or improvement, all of which shall become the property of HR and its affiliates and which may be incorporated into the System without any payment to Franchisee. Franchisee, at its expense, promptly shall take all actions deemed necessary or desirable by HR to vest in HR ownership of such concepts, processes or improvements.

## **11. TRAINING**

### **A. Franchise Management Training Program**

HR shall provide Franchisee and those employees hired by Franchisee to fill certain designated positions the Franchise Management Training Program ("FMTP") in the operation of a Hardee's Restaurant at those times and those places designated by HR. The FMTP will include training at a Hardee's Restaurant designated by HR and training on Star University (StarU), our online Learning Management System. Franchisee, the General Manager, a minimum of 6 Shift Leaders and any other employees hired by Franchisee to fill certain designated positions shall attend and satisfactorily complete each element of the FMTP specified by HR. Franchisee's Operating Principal (as defined in Section 16.G.) also shall attend

and satisfactorily complete each element of the FMTP if not previously completed. HR reserves the right to modify or waive the training required based on an individual's or Franchisee's experience.

Franchisee shall pay HR for each person attending the FMTP a tuition fee as established by HR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee's employees while attending the training. HR reserves the right to dismiss from the training program any person whom HR does not believe will perform acceptably in the position for which he has been hired by Franchisee and Franchisee shall provide a suitable replacement within one month of such dismissal.

## **B. Other Training**

Prior to the Opening Date, Franchisee shall enter into the Star University License Agreement with HR, in the form attached as Appendix I. If HR elects to change the training provider during the Term or Renewal Term of this Agreement, Franchisee agrees to promptly enter into a replacement license agreement with the new training provider. HR shall have the right (which may be exercised at any time and in HR's sole discretion) to require that Franchisee, Franchisee's owners, the Operating Principal, the General Manager and any other employees hired by Franchisee to fill certain designated positions take and successfully complete other training courses. HR reserves the right to require Franchisee to pay a tuition fee for these additional training programs as established by HR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee's employees while attending the training.

These other training courses include, but are not limited to, food safety certification programs. Franchisee shall maintain at the Franchised Restaurant all certificates of completion for these food safety certification programs and, if required by applicable law, display the certificates at the Franchised Restaurant.

## **C. Training by Franchisee**

Franchisee shall conduct such initial and continuing training programs for its employees as HR may require from time to time, and Franchisee shall ensure that all of its employees have been trained in the proper operation of the Franchised Restaurant.

# **12. ADDITIONAL SERVICES BY HR**

In addition to the services described elsewhere in this Agreement, during the term of this Agreement, HR shall make the following services available to Franchisee:

## **A. Pre-Opening Assistance**

HR shall provide consultation and advice to Franchisee as HR deems appropriate at no additional cost with regard to construction or renovation and operation of the Franchised Restaurant, building layout, furnishings, fixtures and equipment plans and specifications, employee staffing and training, purchasing and inventory control and those other matters as HR deems appropriate.

## **B. Opening of the Franchised Restaurant**

Upon Franchisee's reasonable request, or at HR's discretion, HR shall provide assistance in opening the Franchised Restaurant and in training Franchisee's employees as HR deems appropriate in light of Franchisee's needs and the availability of HR personnel. HR has the right to charge Franchisee all reasonable expenses incurred in support of the restaurant opening, including but not limited to any travel, hotel, meals, employee wages, materials and supplies. (as determined by HR).

## **C. Post-Opening Assistance**

HR periodically, as it deems appropriate, shall advise and consult with Franchisee in connection with the operation of the Franchised Restaurant. HR, as it deems appropriate, shall provide to Franchisee its knowledge and expertise regarding the System and pertinent new developments, techniques and improvements in the areas of restaurant design, management, systems and tools, food and beverage preparation, sales promotion, service concepts, overall restaurant operations, financial metrics, and other areas. HR may provide these services through visits by HR's representatives to the Franchised Restaurant or Franchisee's offices, the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications or other communications.

## **D. HR's Right to Inspect the Franchised Restaurant**

To determine whether Franchisee and the Franchised Restaurant are in compliance with this Agreement and with all specifications, quality standards operating procedures and brand standards prescribed by HR for the operation of Hardee's Restaurants, HR or its designees shall have the right at any reasonable time and without prior notice to Franchisee to: **(1)** inspect the Franchised Location; **(2)** observe, photograph and videotape the operations of the Franchised Restaurant for such consecutive or intermittent periods as HR deems necessary; **(3)** remove samples of any food and beverage product, material or other products for testing and analysis (without paying for the samples); **(4)** interview personnel of the Franchised Restaurant; **(5)** interview customers of the Franchised Restaurant; and **(6)** inspect and copy any books, records and documents, including any electronic records, relating to the operation of the Franchised Restaurant or, upon the request of HR or its designee, require Franchisee to send copies thereof to HR or its designee. Franchisee agrees to cooperate fully with HR or its designee in connection with any such inspections, observations, videotaping, product removal and interviews. Franchisee shall take all necessary steps to immediately correct any deficiencies detected during these inspections, including, without limitation, ceasing further sale of unauthorized menu items, correcting any critical food safety issues, correcting any identified deficiencies that adversely impact guest safety or the ability to operate the restaurant in conformance with OPM procedures or brand standards, and ceasing further use of any equipment, advertising materials or supplies that do not conform with the standards and requirements promulgated by HR from time to time. If HR deems such deficiencies to create an imminent health hazard to Franchisee's customers, it may direct Franchisee to temporarily close the Franchised Restaurant until all hazards are corrected to HR's satisfaction pursuant to HR's Closure Policy, as amended from time to time. Franchisee shall present to its customers such evaluation forms as are periodically prescribed by HR and shall participate and/or request its customers to participate in any surveys performed by or on behalf of HR as HR may direct. Franchisee will reimburse HR for all costs related to the Franchised Restaurant associated with any and all of these inspections and related activities set forth above.

## **E. Delegation**

HR has the right, from time to time, to delegate the performance of any portion or all of its obligations and duties under this Agreement to designees, including, but not limited to, HR's corporate parents, affiliates or agents or independent contractors with which HR has contracted to perform HR's obligations or duties.

## **13. PERFORMANCE STANDARDS AND UNIFORMITY OF OPERATION**

Products sold and services performed under the Proprietary Marks have a reputation for quality. This reputation has been developed and maintained by HR, and it is of the utmost importance to HR, Franchisee and all other franchisees of HR that this reputation be maintained. In recognition of the mutual benefits that come from maintaining the reputation for quality enjoyed by the System, Franchisee covenants and agrees, with respect to the operation of the Franchised Restaurant, that Franchisee and its employees shall comply with all of the requirements of the System as set forth in the OPM or otherwise, and Franchisee additionally shall comply with the following:

### **A. Standards, Specifications and Procedures**

Franchisee acknowledges that each and every detail of the appearance, layout, decor, services and operation of the Franchised Restaurant is important to HR and other Hardee's Restaurants. Franchisee agrees to cooperate with HR by maintaining these high standards in the operation of the Franchised Restaurant. Franchisee further agrees to comply with all System specifications, recipes, standards and operating procedures (whether contained in the OPM or any other written communication to Franchisee) relating to the interior and exterior appearance, function, cleanliness and operation of a Hardee's Restaurant, including, but not limited to: **(1)** type, quality, taste, weight, dimensions, ingredients, uniformity, manner of preparation, and sale of all food products and beverages sold at the Franchised Restaurant and all other products used in the packaging and sale of those products and beverages; **(2)** sales and marketing procedures and customer service; **(3)** advertising and promotional programs; **(4)** layout, decor and color scheme of the Franchised Restaurant; **(5)** appearance and dress of employees; **(6)** safety, maintenance, appearance, cleanliness, sanitation, standards of service, and operation of the Franchised Restaurant; **(7)** submission of requests for approval of brands of products, supplies and suppliers; **(8)** use and illumination of signs, posters, displays, standard formats and similar items; **(9)** identification of Franchisee as the owner of the Franchised Restaurant; **(10)** types of fixtures, furnishings, equipment, smallwares and packaging; and **(11)** the make, type, location and decibel level of any game, entertainment or vending machine. Mandatory specifications, brand standards and operating procedures, including upgraded or additional equipment, that HR prescribes from time to time in the OPM, or otherwise communicates to Franchisee in writing, shall constitute provisions of this Agreement as if fully set forth in this Agreement.

### **B. Approved Products, Distributors and Suppliers**

Franchisee acknowledges that the reputation and goodwill of Hardee's Restaurants are based upon, and can only be maintained by, the sale of distinctive, high quality food products and beverages, and the presentation, packaging and service of such products and beverages in an efficient and appealing manner. HR may develop certain proprietary food products that will be prepared by or for HR according to HR's proprietary special recipes and formulas. HR also has developed standards and specifications for other food products, ingredients, seasonings, mixes, beverages, materials and supplies incorporated or used in the preparation, cooking, serving, packaging and delivery of prepared food products authorized for sale at Hardee's Restaurants. Franchisee agrees that the Franchised Restaurant will: **(1)** purchase those food

products developed by HR pursuant to a special recipe or formula only from HR, an affiliate of HR or a third party designated and licensed by HR to prepare and sell such products; and (2) purchase from manufacturers, distributors, vendors and suppliers (collectively “suppliers”) approved by HR all other goods, food products, ingredients, spices, seasonings, mixes, beverages, materials, supplies and cleaning products used in the preparation of products and cleanliness of the Franchised Restaurant (collectively “goods”), as well as advertising materials, furniture, fixtures, equipment, smallwares, menus, forms, paper and plastic products, packaging or other materials (collectively “materials”) that meet the standards and specifications promulgated by HR from time to time. HR has the right to require that Franchisee use only certain brands and to prohibit Franchisee from using other brands. HR may from time to time modify the list of approved brands and/or suppliers, and Franchisee shall not, after receipt of such modification in writing, reorder any brand from any supplier that is no longer approved.

HR may approve one or more suppliers for any goods or materials and may approve a supplier only as to certain goods or materials. HR may concentrate purchases with one or more suppliers to obtain lower prices and/or the best advertising support and/or services for any group of Hardee’s Restaurants or any other group of restaurants franchised or operated by HR or its affiliates. Approval of a supplier may be conditioned on requirements relating to the frequency of delivery, reporting capabilities, standards of service, including prompt attention to complaints, or other criteria, and concentration of purchases, as set forth above, and may be temporary pending a further evaluation of such supplier by HR. HR may establish commissaries and distribution facilities owned and operated by HR or an affiliate that HR shall designate as an approved supplier.

If Franchisee proposes to purchase any goods or materials (that Franchisee is not required to purchase from HR, an affiliate of HR or a designated supplier) from a supplier that HR has not previously approved, Franchisee shall submit to HR a written request for such approval, or shall request the supplier to do so itself. HR has the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier’s facilities, and that such information, specifications and samples as HR reasonably designates be delivered to HR and/or to an independent, certified laboratory designated by HR for testing prior to granting approval. A charge not to exceed the reasonable cost of the inspection and the actual cost of the test shall be paid by Franchisee. HR reserves the right, at its option, to re-inspect the facilities and products of any such approved supplier and to revoke its approval upon the suppliers’ failure to continue to meet any of the foregoing criteria.

Franchisee shall at all times maintain an inventory of approved goods and materials sufficient in quality and variety to realize the full potential of the Franchised Restaurant. HR may, from time to time, conduct market research and testing to determine consumer trends and the salability of new food products and services. Franchisee agrees to cooperate in these efforts by participating in HR’s customer surveys and market research programs if requested by HR. All customer surveys and market research programs will be at HR’s sole cost and expense, unless such survey or program has been approved by Franchisee and Franchisee has approved its proportionate cost. Franchisee shall not be allowed to test anything without first being requested to by HR and signing a test letter agreement in a form satisfactory to HR.

**HR and its affiliates disclaim all express or implied warranties concerning any approved goods, materials or services, including, without limitation, any warranties as to merchantability, fitness for a particular purpose, availability, quality, pricing or profitability. Franchisee acknowledges that HR and its affiliates may, under appropriate circumstances, receive fees, payments, commissions, field-of-use license royalties, or other consideration from approved suppliers based on sales to franchisees, from promotional allowances and volume discounts. HR may charge non-approved suppliers reasonable testing or inspection fees.**

### **C. Health Standards**

Franchisee must meet and maintain the highest public health standards and ratings applicable to the operation of the Franchised Restaurant. Franchisee must participate in all food safety and brand standards audit programs specified by HR from time to time. The Franchised Restaurant must undergo the then current number of audits per year as required by HR, which may be at Franchisee's expense, at HR's sole discretion. The Franchised Restaurant must adhere to the terms outlined in the Red Audit Policy for third-party food safety audits. Franchisee must furnish to HR, within five days after its receipt, a copy of all inspection reports, warnings, citations, certificates and/or ratings resulting from inspections conducted by any federal, state or municipal agency with jurisdiction over the Franchised Restaurant. HR's System Standards for health and safety are set forth in the OPM and other written materials. To the extent that any federal, state, or municipal agency's health and safety standards exceed those set forth in HR's System Standards, the Franchised Restaurant must meet the federal, state, or municipal agency's standards to be in compliance with HR's standards. Without limiting the foregoing, Franchisee and all required employees of Franchisee must obtain and maintain all necessary and required licenses and certificates for food service and food handling as may be required by applicable local rules and regulations or the OPM.

### **D. Menu Boards and Formats**

HR shall have the right to prescribe, and subsequently vary, one or more menu boards and formats to be utilized in the Franchised Restaurant. The menu boards and formats may include requirements concerning organization, graphics, product descriptions, illustrations and other matters (except prices) related to the menu. Prescribed menu boards and formats may vary depending on region, market size or other factors deemed relevant by HR. If any menu board and format utilized by Franchisee ceases to be an authorized menu board and format, Franchisee shall have a reasonable period of time (not to exceed 6 months) to discontinue use of the old menu board and format and begin using an authorized menu board and format.

### **E. Hardware, Software and Security**

Franchisee agrees to procure and install such data processing equipment, computer hardware and software, required dedicated telephone and power lines, high speed Internet connections, modems, printers and other computer-related accessory or peripheral equipment as HR specifies in the OPM or otherwise. All of the foregoing must be able to provide HR that information, in that format/medium, as HR reasonably may specify from time to time. Franchisee shall provide all assistance required by HR to bring Franchisee's computer system on-line with the computer system designated by HR and maintained by HR or its affiliates at the earliest possible time. Franchisee agrees that HR shall have the free and unfettered right to retrieve any data and information from Franchisee's computers as HR, in its sole discretion, deems appropriate, including electronically polling the daily sales, menu mix and other data of the Franchised Restaurant. All of the hardware and software specified to be installed or purchased, or activities Franchisee is to accomplish, and the delivery cost of all hardware and software, shall be at Franchisee's expense.

Franchisee shall: **(1)** use the proprietary software program, system documentation manuals and other proprietary materials now and hereafter required by HR in connection with the operation of the Franchised Restaurant; **(2)** if requested by HR, execute HR's standard software license or similar Agreement; **(3)** input and maintain in Franchisee's computer such data and information as HR prescribes in the OPM, software programs, documentation or otherwise; **(4)** purchase new or upgraded software programs, system documentation manuals and other proprietary materials at then-current prices whenever adopted system-wide by HR; **(5)** comply with Point to Point Credit Encryption Standards ("P2PE") and the

Payment Card Industry Data Security Standard (“PCI DSS”) at all times, and if necessary to maintain such compliance, upgrade its technology, at Franchisee’s expense; and (6) engage any vendor that HR designates to ensure the security of Franchisee’s data and compliance with P2PE and PCI DSS. Franchisee must maintain continuous compliance and attest annually by providing a completed and signed PCI Attestation of Compliance (AOC) to HR.

Franchisee acknowledges that computer systems are designed to accommodate a finite amount of data and terminals, and that, as these limits are reached, or as technology or software is developed in the future, HR may, in its sole discretion, mandate that Franchisee: (A) add memory, ports and other accessories or peripheral equipment or additional, new or substitute software to the original computer system purchased by Franchisee; and (B) replace or upgrade the entire computer system with a larger system capable of assuming and discharging the computer-related tasks and functions specified by HR. Franchisee also acknowledges that computer designs and functions change periodically and that HR may desire to make substantial modifications to its computer specifications or to require installation of entirely different systems during the term of this Agreement or upon renewal of this Agreement.

To ensure full operational efficiency and communication capability between HR’s computers and those of all Hardee’s Restaurants, Franchisee agrees, at its expense, to keep its computer system in good maintenance and repair and to make additions, changes, modifications, substitutions and replacements to its computer hardware, software, telephone and power lines and other computer-related facilities as directed by HR, and on the dates and within the times specified by HR in its sole discretion. Upon termination or expiration of this Agreement, all computer software, disks, tapes and other magnetic storage media shall be returned to HR in good operating condition, excepting normal wear and tear.

Franchisee agrees to utilize administrative, physical, and technical safeguards designed to protect systems and data from unauthorized access, disclosure, acquisition, destruction, use, or modification that are consistent with industry standards and best practices. Franchisee further agrees to adhere to any applicable law relating to data security. In the event of a suspected or actual data breach, Franchisee will notify HR within 24 hours of becoming aware of the actual or suspected data breach and provide timely updates and information when requested by HR. Franchisee will comply with industry standards and best practices regarding breach reporting and notification obligations and take all necessary and appropriate corrective action to remedy the data breach, prevent a recurrence of such a breach, and avoid and/or prevent any further loss or damage arising from the data breach.

#### **F. Upkeep of the Franchised Restaurant**

Franchisee shall constantly maintain and continuously operate the Franchised Restaurant and all furniture, fixtures, equipment, furnishings, floor coverings, interior and exterior signage, the building interior and exterior, interior and exterior lighting, landscaping and parking lot surfaces in first-class condition and repair in accordance with the requirements of the System, including all ongoing necessary remodeling, redecorating, refurbishing and repairs. In addition, Franchisee shall promptly and diligently perform all necessary maintenance, repairs and replacements to the Franchised Restaurant as HR may prescribe from time to time including periodic interior and exterior painting; resurfacing of the parking lot; roof repairs; and replacement of obsolete or worn out signage, floor coverings, furnishings, equipment and decor.

Franchisee shall not make any material alterations to the Franchised Restaurant that affect operations or the image of the System without HR’s prior written approval. Franchisee acknowledges and agrees that the requirements of this Section are both reasonable and necessary to ensure continued public

acceptance and patronage of Hardee's Restaurants, to assist the Franchised Restaurant to compete effectively in the marketplace and to avoid deterioration or obsolescence of the operation of the Franchised Restaurant.

If the Franchised Restaurant is leased or subleased and the lease/sublease is renewed or extended (or a new lease/sublease is executed) during the Initial Term of this Agreement, Franchisee shall exercise good faith efforts to obtain the landlord's consent to inclusion of the lease provisions required by HR pursuant to Section 3 of this Agreement.

#### **G. Maximum Operation of the Franchised Restaurant**

During the term of this Agreement, Franchisee shall use the Franchised Location solely for the operation of the Franchised Restaurant and shall maintain sufficient inventories, adequately staff each shift with qualified employees and continuously operate the Franchised Restaurant at its maximum capacity and efficiency for the minimum number of days and hours set forth in the OPM or as HR otherwise prescribes in writing (subject to the requirements of local laws and licensing requirements).

Franchisee shall immediately resolve any customer complaints regarding the quality of food or beverages, service and/or cleanliness of the Franchised Restaurant or any similar complaints. When any customer complaints cannot be immediately resolved, Franchisee shall use best efforts to resolve the customer complaints as soon as practical and shall, whenever feasible, give the customer the benefit of the doubt. If HR, in its sole discretion, determines that its intervention is necessary or desirable to protect the System or the goodwill associated with the System, or if HR, in its sole discretion, believes that Franchisee has failed adequately to address or resolve any customer complaints, HR may, without Franchisee's consent, resolve any complaints and charge Franchisee an amount sufficient to cover HR's reasonable costs and expenses in resolving the customer complaints, which amount Franchisee shall pay HR immediately on demand.

#### **H. Franchised Restaurant Management and Personnel**

The Franchised Restaurant shall at all times be under the on-site supervision of one of the following designated individuals, who must meet, to the satisfaction of HR, HR's applicable training qualifications for their designated position: the Operating Principal, a Multi-Unit Manager, or a restaurant General Manager. Franchisee must, at all times, employ for the Franchised Restaurant at least one General Manager and a sufficient number of employees who have successfully completed the FMTP or HR's then-current training as designated by HR to ensure that the Franchised Restaurant operates in accordance with the System. If at any time Franchisee ceases to employ the required number of trained personnel, Franchisee has 30 days (from the date on which Franchisee has less than the required number of trained personnel) to hire and enroll replacement personnel in the FMTP or other designated training requirements, and 90 days to ensure that such replacement personnel has completed the required training requirements.

Franchisee, Franchisee's Operating Principal or, if applicable, the Multi-Unit Manager shall remain active in overseeing the operations of the Franchised Restaurant, including without limitation, regular, periodic visits to the Franchised Restaurant and sufficient communications with HR to ensure that the Franchised Restaurant's operations comply with the operating standards as promulgated by HR from time to time in the OPM or otherwise in written or oral communications.

Franchisee shall hire, and at all times employ, a sufficient number of trained employees for the Franchised Restaurant and be exclusively responsible for the terms of their employment and compensation,

and for the proper training of such employees in the operation of the Franchised Restaurant, in human resources and customer relations. Franchisee shall establish at the Franchised Restaurant a training program for all employees that meets the standards prescribed by HR. Franchisee will be solely responsible for: (1) hiring, training and supervising efficient, competent and courteous employees of good character for the operation of the Franchised Restaurant; (2) the terms of their employment and compensation; and (3) the proper training of the employees in the operation of the Franchised Restaurant.

Franchisee shall employ only suitable persons of good character and reputation who will at all times conduct themselves in a competent and courteous manner in accordance with the image and reputation of HR and the System and, while on duty, comply with the dress attire, personal appearance and hygiene standards set forth in the OPM. Franchisee shall use its best efforts to ensure that Franchisee's employees maintain a neat and clean appearance and render competent and courteous service to all customers and fellow employees of the Franchised Restaurant.

#### **I. Signs and Logos**

Subject to local ordinances, Franchisee shall prominently display in and upon the land and buildings of the Franchised Restaurant interior and exterior signs and logos using the name "Hardee's," without any prefix or suffix, and those other names, marks, advertising signs and logos, of such nature, form, color, number, location and size, and containing that material as HR may from time to time direct. Franchisee shall not display in or upon the Franchised Location any sign, logo or advertising media of any kind to which HR objects.

#### **J. Amusement Equipment**

Franchisee shall not permit at the Franchised Restaurant any juke box, vending or game machine, gum machine, game, ride, gambling or lottery device, coin or token operated machine, or any other music, film or video device not authorized by HR.

#### **K. Compliance with Laws and Good Business Practices**

Franchisee shall secure and maintain in force in its name all required licenses, permits and certificates relating to the operation of the Franchised Restaurant. It is Franchisee's sole and absolute obligation to research all applicable federal, state and local laws and regulations governing the operation of the Franchised Restaurant and to ensure that such operation does not violate any federal, state or local law or regulation. For example, there are various federal laws that could affect the Franchised Restaurant and Franchisee must comply with such as the American with Disabilities Act (ADA), the CAN-SPAM Act, the Telephone Consumer Protection Act (TCPA), the Telemarketing Sales Rule (TSR), and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including but not limited to the use, storage, transmission, and disposal of data regardless of media type). Franchisee must investigate these laws to understand your potential legal obligations. Further, Franchisee shall operate the Franchised Restaurant in full compliance with all applicable laws, ordinances and regulations governing or relating to the handling of food products, immigration and discrimination, occupational hazards and health insurance, employment laws, including, without limitation, worker's compensation insurance, unemployment insurance, and the withholding and payment of federal and state income taxes, social security taxes and sales taxes. All advertising and promotion by Franchisee shall be completely factual and shall conform to the highest standards of ethical advertising. Franchisee shall, in all dealings with Franchisee's customers, suppliers and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. Franchisee agrees to refrain

from any business or advertising practice that may be injurious to the goodwill associated with the Proprietary Marks or the business of HR, HR Affiliates, the System or other restaurants operated or franchised by HR or HR Affiliates.

Franchisee shall notify HR in writing within 5 days after the commencement of: **(1)** any action, suit or proceeding, or the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of Franchisee or the Franchised Restaurant; or **(2)** of any notice of violation of any law, ordinance or regulation relating to health or sanitation at the Franchised Restaurant.

#### **L. Non-Cash Payment Systems**

Franchisee shall accept debit cards, credit cards, stored value gift cards or other non-cash payment systems specified by HR to enable customers to purchase authorized products and shall obtain all necessary hardware and/or software used in connection with these non-cash payment systems. At all times, Franchisee must maintain relationships with all issuers or service providers that HR designates as mandatory, and Franchisee must refrain from using any services or providers that HR has not approved in writing or that HR has revoked its approval. HR may modify its requirements and designate additional approved or required methods of payment and vendor for processing such payment. Franchisee shall reimburse HR for all costs associated with such non-cash payment systems as they pertain to the Franchised Restaurant. In addition to the requirements set forth in Section 13.D. above, Franchisee must also comply with the Fair and Accurate Credit Transactions Act (“FACTA”). Franchisee must comply with all laws and regulations relating to privacy and data protection and must comply with any privacy policies or data protection and breach response policies, or any other policies related to data privacy or data use, that HR periodically may establish. Franchisee must notify HR immediately if it is notified of a credit card or data breach related to the Franchised Restaurant and must fully cooperate with HR and applicable authorities in resolving such breach. Further, Franchisee must cooperate with HR fully regarding media statements and other items related to managing any such event for the purpose of protecting the Proprietary Marks and System as set forth below.

#### **M. Gift Card Program**

Franchisee must participate in the Hardee’s Gift Card Program or other gift card program that HR specifies. If necessary, Franchisee must purchase the software, hardware, blank cards, and other items needed to sell and process gift cards or stored value cards, which HR may specify in writing in the OPM or otherwise. Franchisee must sell and honor gift cards only in accordance with HR’s written standards. Franchisee must account for all gift card sales, gift card redemptions, and other gift card transactions in the manner HR specifies in this Agreement and the OPM or other standards. Franchisee agrees that it will enter into a Participation Agreement with HR’s gift card service provider, Stored Value Systems, Inc., immediately after the opening of the Franchised Restaurant.

#### **N. Delivery Services**

HR requires Franchisee to offer delivery services only through HR’s designated providers to customers in Franchisee’s market. On or before the Franchised Restaurant opens, Franchisee agrees to enter into the OLO Authorized Operator Agreement with Olo, Inc. Franchisee further agrees to enter into any participation agreement required with HR’s designated delivery providers at the same time (currently, the approved delivery providers are Uber Eats, Door Dash, and GrubHub). Unless HR provides its prior

written consent, Franchisee agrees that it will not provide its own delivery service or use its employees to deliver orders to Franchisee's customers.

#### **O. Customer Satisfaction Programs**

In order to (among other things) maintain and enhance the goodwill associated with the Proprietary Marks, the System and each Hardee's Restaurant, Franchisee agrees to participate in programs initiated to verify customer satisfaction and/or Franchisee's compliance with all operational and other aspects of the System, including (but not limited to) secret shoppers, customer survey, or other Quality Assurance ("QA") or similar programs as HR may require. HR will share the results of these programs, as they pertain to the Franchised Restaurant, with Franchisee. Franchisee will reimburse HR for all costs related to the Franchised Restaurant associated with any and all of these programs.

#### **P. Consumer Information**

Franchisee may only use Consumer Information (as defined below) to the extent necessary to perform Franchisee's obligations under this Agreement during the term hereof and subject to such instructions and restrictions as HR may from time to time impose and in compliance with all data privacy, security and other applicable laws. "Consumer Information" means any identifiers (including name, address, phone numbers, usernames, birthdates and e-mail addresses), sales, transaction, loyalty and payment history, and all other information about or related to any customer or prospective customer, including any information deemed "personal information" or "personal data" under applicable law. As used in this Agreement, the term "customer" refers to any person or entity (i) whose information is collected by any HR system or application or included in any consumer or customer database, file or system owned or controlled by HR, its parent, subsidiary or affiliate companies; (ii) who is included on any marketing or customer lists Franchisee develops or uses or any customer information generally collected and saved for any reason; (iii) who has purchased, purchases or intends to purchase products or services online, through an HR application, or at the Franchised Restaurant; or (iv) who has been solicited to purchase any products or services at the Franchised Restaurant. HR may use the Consumer Information as HR deems appropriate, including sharing it with HR's affiliates.

HR owns all Consumer Information and may use the Consumer Information as it deems appropriate (subject to applicable law), including disclosing it to vendors or sharing it with its affiliates for cross-marketing or other purposes. Franchisee may only use Consumer Information for the purpose of operating the Franchised Restaurant to the extent permitted under this Agreement, including the OPM, during the term hereof and subject to such restrictions as HR may from time to time impose and in compliance with all data privacy, security and other applicable laws. Without limiting the foregoing, Franchisee agrees to comply with applicable law in connection with Franchisee's collection, processing, storage and use of such Consumer Information, including, if required under applicable law, obtaining consents from individuals for HR's and its affiliates' use of the Consumer Information. Franchisee must comply with all laws and regulations relating to data protection, privacy and security, including data breach response requirements ("Privacy Law(s)"), as well as data privacy and security policies, procedures and other requirements HR may periodically establish. Franchisee must maintain reasonable, appropriate, and effective security controls to preserve the security, integrity, availability, confidentiality, and resilience of Consumer Information. Franchisee must notify HR immediately of any suspected data breach at or in connection with the Franchised Restaurant or the business operated at the Franchised Restaurant. Franchisee must fully cooperate with HR and its counsel in determining the most effective way to meet HR's standards and policies pertaining to Privacy Laws, including those governing notification of a data breach. Franchisee is

responsible for any financial losses it incurs or remedial actions that it must take as a result of breach of security or unauthorized access to Consumer Information in Franchisee's control or possession.

Without limiting the foregoing, Franchisee represents, warrants, and covenants that:

- (1) Franchisee will not "sell" or "share" (as defined under any Privacy Law) any Consumer Information or make Consumer Information available to any third party for valuable consideration;
- (2) Franchisee will retain, use, or disclose Consumer Information only for the specific business purposes specified in this Agreement, and not for any other commercial or noncommercial purpose;
- (3) Franchisee will not retain, use, or disclose Consumer Information outside of the direct business relationship between Franchisee and HR;
- (4) Franchisee will not combine Consumer Information received from or on behalf of HR with personal information received from another source or collected from Franchisee's interactions with a consumer outside the operation of the Franchised Restaurant, except as specifically allowed under applicable Privacy Law;
- (5) Franchisee shall not allow any person or entity (other than Franchisee's direct employees) to process Consumer Information without the express prior approval of HR, and any such subcontracting shall be performed strictly in accordance with a written agreement that imposes obligations on such subcontractor that are at least as restrictive as those imposed on Franchisee under this Agreement. Franchisee shall be liable for the acts and omissions of all such subcontractors to the same extent Franchisee would be liable if performing the services of each subcontractor directly under the Agreement;
- (6) When required by applicable Privacy Law, HR will inform Franchisee of any consumer request (e.g., deletion, correction, access, and opt-out) that requires Franchisee's compliance and will provide Franchisee with the information within HR's possession that is necessary for Franchisee to comply with the request. Franchisee will cooperate with HR, and promptly (and in any event within ten days following notice by HR) provide any information and documents requested by Franchisee to respond to requests by customers under Applicable Laws. Franchisee will delete, modify, or correct any Consumer Information upon HR's request unless Franchisee can prove that such request is subject to an exception under applicable law;
- (7) Franchisee shall make available to HR all information necessary for Franchisee to demonstrate compliance with its obligations under this Section 13(P). Franchisee will cooperate with HR, its internal auditors and external auditors for the purpose of inspecting, examining, and assessing Franchisee's compliance with its obligations under this Section 13(P). This Auditing may be conducted through measures including, but not limited to, manual reviews and automated scans, as well as technical and operational testing. Auditing may take place at least once every twelve (12) months; and
- (8) If Franchisee receives a Consumer Information request directly from a consumer under their state Privacy Law (e.g. a request to access, delete or correct Consumer Information ) that may pertain to Consumer Information , Franchisee shall inform HR of that request within one business day and cooperate with HR to ensure that the consumer receives an appropriate and timely

acknowledgement and response. Typically, an acknowledgement is required within 10 business days and a final response is required within 45 calendar days.

Franchisee certifies that it understands the restrictions in Paragraphs (1) – (5) of this section and will comply with them. Franchisee shall immediately (and in any event within five business days) notify HR if it determines that it can no longer meet its obligations under this Section 13(P). Franchisee also acknowledges and agrees that HR may modify the restrictions by written notice to Franchisee, including adding other similar privacy restrictions that may be required under other federal, state or local privacy laws.

To the extent Franchisee's business is independently subject to any Privacy Laws, Franchisee must comply with all standards, laws, rules, regulations or any equivalent thereof relating to personal information, data privacy, and data protection that may apply to personal information not encompassed by the definition of "Consumer Information," above (for example, as relates to Franchisee's employees or job applicants). The requirements of this Section 13(P) are not intended to constitute legal advice or to imply that compliance with this Agreement fulfills all of Franchisee's potential obligations under the Privacy Laws. Franchisee should consider applicable federal, state and local laws, and consult its own legal counsel or advisors, as it deems necessary.

#### **14. PROPRIETARY MARKS**

The term "Proprietary Marks" as used in this Agreement refers to all trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbols, designs, and any combination thereof or any other indicia of source designated by HR as identifying the System and the products sold and services provided in connection with the System. You acknowledge that HR owns all rights, title, and interest in and to the Proprietary Marks and you have only such rights to use the Proprietary Marks as this Agreement grants. HR shall, from time to time, advise Franchisee as to any additions or deletions to the Proprietary Marks and Franchisee's right to use the Proprietary Marks shall be deemed modified by those additions or deletions.

Franchisee's right to use the Proprietary Marks is limited to its use of the Proprietary Marks in the operation of the Franchised Restaurant at the Franchised Location and as expressly provided in this Agreement and the OPM. Franchisee's limited license extends only to use of the Proprietary Marks in accordance with (i) all applicable standards, operating procedures, policies and guidelines that we prescribe—and from time to time amend—during the duration of this Agreement, including, without limitation, those set forth in the most current edition of the OPM and other publications, if any, dedicated to proper use of the Proprietary Marks; and (ii) all applicable laws and regulations pertaining to advertising and marketing, including, without limitation, federal and state laws pertaining to telemarketing (including the Telephone Consumer Protection Act), false advertising, unfair competition and unfair practices.

Franchisee shall not use the Proprietary Marks on any vehicles without the prior written approval of HR. Franchisee shall not use the Proprietary Marks or any variations of the Proprietary Marks or marks or names confusingly similar to the Proprietary Marks in any manner not authorized by HR or in any corporate, limited liability company or partnership name and shall not use any other trade names, service marks or trademarks in conjunction with the Franchised Restaurant. If local laws or ordinances require that Franchisee file an affidavit of doing business under an assumed name or otherwise make a filing indicating that the Proprietary Marks are being used as a fictitious or assumed name, Franchisee shall include in such filing or application an indication that the filing is made as a franchisee of HR. Franchisee shall use the symbol ® with all registered trademarks and the symbol ™ with all pending registrations or other marks.

Franchisee shall not use the Proprietary Marks in any Internet domain name or e-mail address, in the operation of any Internet web site or on a social mediate platform including any social networking site, Facebook Twitter, Instagram, Pinterest, YouTube, Snapchat, Vince, blogs, podcasts and wikis or other future social media platforms and/or technological avenues (collectively, “Social Media”); not an exclusive list and term applies to any social networking website, mobile application, blog or microblog, public and private message boards, comment sections, etc.) without HR’s prior written consent. HR may grant or withhold its consent in its sole discretion and may condition its consent on such requirements as HR deems appropriate, including, among other things, that Franchisee obtain HR’s written approval of: **(A)** any and all Internet domain names and home page addresses related to the Franchised Restaurant; **(B)** the proposed form and content of any web site related to the Franchised Restaurant; **(C)** Franchisee’s use of any hyperlinks or other links; **(D)** Franchisee’s use of any materials (including text, video clips, photographs, images and sound bites) in which any third party has an ownership interest; and **(E)** any proposed modification of Franchisee’s web site. HR may designate the form and content of Franchisee’s web site and/or require that any such web site be hosted by HR or a third party who HR designates, using one or more web sites that HR owns and/or controls. HR may charge Franchisee a fee for developing, reviewing, securing, protecting or approving Franchisee’s web site and/or for hosting the web site. HR has established a Social Media policy for franchisees and Franchisee must comply with the Social Media policy, as modified from time to time, and any additional policies HR issues. Any copyright in Franchisee’s sites or pages on any Social Media are owned by HR, and Franchisee must sign any documents that HR reasonably deems necessary to affirm HR’s ownership of the copyright.

If HR, in the exercise of its reasonable business judgment, should elect to use a principal name in addition to or other than “Hardee’s” to identify System Restaurants generally or in the DMA in which the Franchised Restaurant is located, HR may select another name and notify Franchisee to change all or some items bearing the Proprietary Marks to the new name within a reasonable period of time as determined by HR without any liability to Franchisee, and Franchisee promptly shall adopt that name provided that HR has committed to adopt that name and make the necessary changes in at least 60% of the System Restaurants operated by HR or HR Affiliates (if the change affects all System Restaurants) or, in all other circumstances, in at least 60% of the System Restaurants operated by HR or HR Affiliates in the DMA in which the Franchised Restaurant is located. Franchisee agrees that nothing in this Agreement gives it any right, title or interest in the Proprietary Marks (except the right to use the Proprietary Marks in accordance with the terms of this Agreement), that the Proprietary Marks are the sole property of HR and HR Affiliates, that Franchisee shall not directly or indirectly contest the validity or ownership of the Proprietary Marks or HR’s right to license the Proprietary Marks, and that any and all uses by Franchisee of the Proprietary Marks and the goodwill arising therefrom shall inure exclusively to the benefit of HR and HR Affiliates. Franchisee will not seek to register, reregister, assert claim to ownership of, license or allow others to use, or otherwise appropriate to itself any of the Proprietary Marks or any mark or name confusingly similar thereto, or the goodwill symbolized by any of the foregoing except to the extent this action inures to the benefit of, and has the prior written approval of, HR. Any unauthorized use of the Proprietary Marks by Franchisee or attempt by Franchisee, directly or indirectly, to register the Proprietary Marks in any jurisdiction shall constitute a breach of this Agreement and an infringement of the rights of HR and HR Affiliates in and to the Proprietary Marks.

Franchisee promptly shall inform HR in writing as to any infringement of the Proprietary Marks of which it has knowledge. Franchisee shall not make any demand or serve any notice, orally or in writing, or institute any legal action or negotiate, compromise or settle any controversy with respect to any such infringement without first obtaining HR’s written approval. HR shall have the right, but not the obligation, to bring such action or take such steps as it may deem advisable to prevent any such infringement and to

join Franchisee as a party to any action in which HR or HR Affiliates are or may be a party and as to which Franchisee is or would be a necessary or proper party. Franchisee also shall promptly notify HR of any litigation (including administrative or arbitration proceedings) of which Franchisee is aware instituted against HR, HR Affiliates or Franchisee relating to the Proprietary Marks. Franchisee shall execute any and all instruments and documents, render such other assistance and do any acts and things as may, in the opinion of counsel for HR or HR Affiliates, be necessary or advisable to protect and maintain the interests of HR and HR Affiliates in the Proprietary Marks, including without limitation their interests in litigation or proceedings before the U.S. Patent and Trademark Office or other tribunal relating to the Proprietary Marks.

## **15. INSURANCE**

**A.** Franchisee shall be responsible for all loss or damage arising from or related to Franchisee's development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage, or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Franchisee shall, at its sole expense, maintain in full force and effect throughout the term of this Agreement that insurance which Franchisee determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by Section 15.B. HR, and any entity with an insurable interest designated by HR, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest.

**B.** All insurance policies shall be written by an insurance company or companies satisfactory to HR, in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to Franchisee in writing. These policies shall include, at a minimum, the following:

**(1)** Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000.

**(2)** Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy.

**(3)** Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Franchisee's employees who participate in any of the training programs described in Section 8.

The required limits set forth in 15.B(1)-(3) may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability, and Employer's Liability coverages.

(4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V." Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D."

(5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence.

(6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, Franchisee's general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder's Risk with limits no less than \$1,000,000, with HR named as an additional insured, as well as Workers' Compensation and Employer's Liability as required by state law.

HR may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage, including: (a) HR's protection and rights under these policies as an additional insured or loss payee; (b) required or permissible insurance contract provisions; (c) assignment of policy rights to HR; (d) periodic verification of insurance coverage that must be furnished to HR and; (e) similar matters related to insured and uninsured claims. Franchisee shall receive written notice of such modifications and shall take prompt action to comply.

C. The following general requirements shall apply to each insurance policy that Franchisee is required to maintain under this Agreement:

(1) Each insurance policy shall be specifically endorsed to provide that the coverages shall be primary and that any insurance carried by any additional insured or loss payee shall be excess and non-contributory.

(2) No insurance policy shall contain a provision that in any way limits or reduces coverage for Franchisee in the event of a claim by HR or its affiliates.

(3) Each insurance policy shall extend to, and provide indemnity for, all obligations and liabilities of Franchisee to third parties and all other items for which Franchisee is required to indemnify HR under this Agreement.

(4) Each insurance policy shall be written by an insurance company that has received and maintains an "A- VIII" or better rating by A.M. Best Company (or another rating service designated by HR) and that is otherwise satisfactory to HR.

(5) No insurance policy shall provide for a deductible amount that exceeds \$100,000, unless otherwise approved in writing by HR.

(6) Each insurance policy shall include a waiver of subrogation endorsement in favor of HR and its affiliates.

(7) With respect to the Commercial General Liability, Automobile Liability and Umbrella/Excess Liability policies, HR and its affiliates shall be named as Additional Insured on a primary and non-contributory basis. With respect to the Commercial Property coverage, HR and its affiliates shall be named as Loss Payee.

**D.** All required insurance policies shall be in full force and effect and Franchisee shall submit to HR evidence of satisfactory insurance and proof of payment therefore no later than the date the first of the following occurs: (1) 30 days prior to the scheduled opening date of the Franchised Restaurant; (2) the date Franchisee takes possession of the Franchised Location, or (3) the date construction commences at the Franchised Location, if Franchisee is contractually obligated for the construction. On each policy renewal date thereafter, Franchisee shall again submit evidence of satisfactory insurance and proof of payment therefor to HR. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to HR. Upon request, Franchisee also shall provide to HR copies of all or any policies, and policy amendments and endorsements.

**E.** Franchisee acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by HR that only such policies, in such amounts, are necessary to protect Franchisee from losses in connection with its business under this Agreement. Maintenance of this insurance, and the performance by Franchisee of its obligations under this Section, shall not relieve Franchisee of liability under the indemnification provisions of this Agreement.

**F.** Should Franchisee, for any reason, fail to procure or maintain at least the insurance required by this Section 15, as revised from time to time pursuant to the OPM or otherwise in writing, HR shall have the immediate right and authority, but not the obligation, to procure such insurance and charge its cost to Franchisee. All out-of-pocket costs incurred by HR in obtaining such insurance on behalf of Franchisee shall be reimbursed to HR by Franchisee immediately upon Franchisee's receipt of an invoice therefor.

## **16. ORGANIZATION OF FRANCHISEE**

### **A. Representations**

If Franchisee is a corporation, a limited liability company, a partnership or any other type of organization (collectively, "business entity"), Franchisee makes the following representations and warranties: (1) it is duly organized and validly existing under the laws of the state of its formation; (2) it is qualified to do business in the state or states in which the Franchised Restaurant is located; (3) execution of this Agreement and the development and operation of the Franchised Restaurant is permitted by its governing documents; and (4) unless waived in writing by HR, Franchisee's governing documents shall at all times provide that the activities of Franchisee are limited exclusively to the development and operation of Hardee's Restaurants and other restaurants that are franchised by HR or its affiliates and that no Transfer (as defined in Section 18) of an ownership interest may be made except in accordance with Section 18.

If Franchisee is an individual, or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (A) each individual has executed this Agreement; (B) each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and

(C) notwithstanding any transfer for convenience of ownership, pursuant to Section 18.D., each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

## **B. Governing Documents**

If Franchisee is a business entity, Franchisee shall furnish HR with copies of Franchisee's governing documents and any other corporate documents, books or records that HR may request. When any of these governing documents are modified or changed, Franchisee promptly shall provide copies to HR.

## **C. Ownership Interests**

If Franchisee is a business entity, Franchisee must furnish HR with a list of all holders of a direct or indirect ownership interest in Franchisee and their respective percentage interests. As of the date of this Agreement, all interests in Franchisee are owned as set forth in attached Appendix D. Franchisee shall comply with Section 18 prior to any change in ownership interests and shall update Appendix D as changes occur in order to ensure the information contained in Appendix D is true, accurate and complete at all times.

The requirements of this Section 16.C. shall apply only to Franchisee's Continuity Group (defined in Section 16.E.) if, as of the date of the first franchise-related agreement between Franchisee and HR or one of its affiliates, Franchisee was a publicly-held entity (*i.e.*, an entity that has a class of securities traded on a recognized securities exchange or quoted on the inter-dealer quotation sheets known as the "pink sheets"). If Franchisee becomes a publicly-held entity after that date, it shall thereafter be required to update Appendix D only with respect to changes in ownership interests of members of the Continuity Group.

## **D. Restrictive Legend**

If Franchisee is a corporation, Franchisee shall maintain stop-transfer instructions against the transfer on its records of any voting securities, and each stock certificate of the corporation shall have conspicuously endorsed upon its face the following statement: "Any assignment or transfer of this stock is subject to the restrictions imposed on assignment by the Hardee's Restaurant Franchise Agreement(s) to which the corporation is a party." If Franchisee is a publicly-held corporation these requirements shall apply only to the stock owned by Franchisee's Continuity Group. If Franchisee is a limited liability company, each membership or management certificate or other evidence of interest in Franchisee shall have conspicuously endorsed upon its face the following statement: "Any assignment or transfer of an interest in this limited liability company is subject to the restrictions imposed on assignment by the Hardee's Restaurant Franchise Agreement(s) to which the limited liability company is a party." If Franchisee is a partnership, its written partnership agreement shall provide that ownership of an interest in the partnership is held subject to, and that further assignment or transfer is subject to, all restrictions imposed on assignment by this Agreement. If Franchisee is any other type of business entity, its organizational documents shall provide that an ownership interest in the business entity is held subject to, and further assignment or transfer is subject to, all restrictions imposed on assignment by this Agreement.

## **E. Continuity Group**

If Franchisee is a business entity, Appendix D lists those persons who comprise Franchisee's "Continuity Group." HR and Franchisee acknowledge and agree that it is their intent that the members of the Continuity Group include the Operating Principal (as defined in Section 16.G.) and (1) all holders of a

direct or indirect legal or beneficial interest of 10% or more (“10% Owners”) in Franchisee; **(2)** if Franchisee is a limited partnership, all 10% Owners of Franchisee’s general partner; and **(3)** all 10% Owners of a business entity that owns a controlling interest in Franchisee. In the event of any change in the Continuity Group or in the ownership interests of any member of the Continuity Group, Franchisee shall update Appendix D to reflect the change. The Continuity Group shall at all times own at least 51% of the ownership interests in Franchisee.

#### **F. Guarantees**

All members of the Continuity Group and their spouses, if applicable, shall jointly and severally guarantee Franchisee’s payment and performance under this Agreement and shall bind themselves to the terms of this Agreement pursuant to the attached Guarantee and Assumption of Franchisee’s Obligations (“Guarantee”). Notwithstanding the foregoing, HR reserves the right, in its sole discretion, to waive the requirement that some or all of the previously described individuals execute the attached Guarantee and/or to limit the scope of the Guarantee. HR reserves the right to require any guarantor to provide personal financial statements to HR from time to time.

With respect to 10% Owners, Franchisee acknowledges that, unless otherwise agreed to in writing by HR, it is HR’s intent to have individuals (and not corporations, limited liability companies or other entities) execute the Guarantee. Accordingly, if any 10% Owner is not an individual, HR shall have the right to have the Guarantee executed by individuals who have only an indirect ownership interest in Franchisee and their spouses, if applicable. (By way of example, if a 10% Owner of Franchisee is a corporation, HR has the right to require that the Guarantee be executed by individuals who have an ownership interest in that corporation and their spouses, if applicable.)

If Franchisee, any guarantor or any parent, subsidiary or affiliate of Franchisee holds any interest in other restaurants that are franchised by HR or its affiliates, the party who owns that interest shall execute, concurrently with this Agreement, a form of cross-guarantee to HR and its affiliates for the payment of all obligations for such restaurants, unless waived in writing by HR in its sole discretion. For purposes of this Agreement, an affiliate of Franchisee is any company controlled, directly or indirectly, by Franchisee or Franchisee’s parent or subsidiary.

#### **G. Operating Principal**

Franchisee shall designate and retain an individual to serve as the Operating Principal. (If Franchisee is owned by one individual, that individual may serve as the Operating Principal if the individual meets HR’s requirements for an Operating Principal.) The Operating Principal as of the date of this Agreement is identified in Appendix D. The Operating Principal shall meet all of the following qualifications:

**(1)** The Operating Principal shall have at least a 10% equity ownership interest in Franchisee or, if Franchisee is a limited partnership, in Franchisee’s general partner, unless this requirement is modified by HR in its sole discretion. This Section 16.G.(1) shall not apply if Franchisee was a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between Franchisee and HR.

**(2)** The Operating Principal, at all times, shall be a member of the Continuity Group and, at a minimum, have full control over the day-to-day activities of the Franchised Restaurant and those other restaurants (that are franchised by HR or its affiliates) operated by Franchisee in the same geographic

market as the Franchised Restaurant, including control over the standards of operation and financial performance.

(3) Unless Franchisee has named, and HR has approved, a Multi-Unit Manager

(a) The Operating Principal shall devote full-time and best efforts to supervising the operation of the Franchised Restaurant and those other restaurants (that are franchised by HR or its affiliates) operated by Franchisee in the same geographic market as the Franchised Restaurant and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(b) Unless waived in writing by HR, the Operating Principal shall maintain his primary residence within a reasonable driving distance of the Franchised Restaurant.

(4) The Operating Principal shall successfully complete the FMTP and any additional training required by HR.

(5) HR shall have approved the Operating Principal, and not have later withdrawn that approval.

If the Operating Principal no longer meets these qualifications, Franchisee must provide HR written notice designating a qualified person to act as Operating Principal within 30 days after the date the prior Operating Principal ceases to be qualified. HR shall advise Franchisee whether it has approved the new Operating Principal within a reasonable time after receipt of Franchisee's notice. If HR does not approve the proposed Operating Principal, Franchisee will have 15 days from its receipt of notice of the decision to advise HR in writing of another person to act as Operating Principal who satisfies the preceding qualifications.

If Franchisee operates restaurants in multiple markets that are franchised by HR or its affiliates, an individual meeting the qualifications of this Section will serve as the Operating Principal in at least one market.

## **H. Multi-Unit Manager**

If Franchisee operates restaurants that are franchised by HR or its affiliates in multiple geographic markets, for all markets in which the Operating Principal fails to satisfy the requirements of Section 18.G., Franchisee shall designate and retain an individual to serve as Multi-Unit Manager. The Multi-Unit Manager shall be under the supervision of the Operating Principal. The Multi-Unit Manager shall meet all of the following qualifications:

(1) The Multi-Unit Manager shall devote full time and best efforts to supervising the operation of the Franchised Restaurant and those other restaurants (that are franchised by HR or its affiliates) operated by Franchisee in the same geographic market and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(2) Unless waived in writing by HR, the Multi-Unit Manager shall maintain his primary residence within a reasonable driving distance of the Franchised Restaurant.

(3) The Multi-Unit Manager shall successfully complete the FMTP and any additional training required by HR.

(4) HR shall have approved the Multi-Unit Manager, and not have later withdrawn that approval.

If the Multi-Unit Manager no longer qualifies as such, Franchisee shall designate another qualified person to act as Multi-Unit Manager within 30 days after the date the prior Multi-Unit Manager ceases to be qualified. Franchisee's designee to become the Multi-Unit Manager must successfully complete the FMTP and any additional training required by HR.

## **17. TRANSFERS BY HR**

HR shall have the absolute, unrestricted right, exercisable at any time, to transfer and assign all or any part of its rights and obligations under this Agreement to any person or legal entity without the consent of Franchisee. Franchisee agrees that HR will have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations transferred.

## **18. TRANSFERS BY FRANCHISEE**

**A.** Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that HR has entered into this Agreement in reliance on Franchisee's (and Franchisee's direct and indirect owners') business skill, financial capacity, personal character, experience and demonstrated or purported ability in developing and operating high quality foodservice operations. Accordingly, neither Franchisee nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any individual, partnership, corporation or other legal entity which directly or indirectly has an interest in Franchisee shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in Franchisee, this Agreement, the Franchise, the Franchised Restaurant, the assets of the Franchised Restaurant, the Franchised Location or any other assets pertaining to Franchisee's operations under this Agreement (collectively "Transfer") without the prior written consent of HR, unless otherwise permitted by this Section.

Except as otherwise provided in this Agreement, any purported Transfer, by operation of law or otherwise, not having the prior written consent of HR shall be null and void and shall constitute a material breach of this Agreement, for which HR may terminate this Agreement without providing Franchisee an opportunity to cure the breach.

**B.** Franchisee shall advise HR in writing of any proposed Transfer, submit (or cause the proposed transferee to submit) a franchise application for the proposed transferee, submit a copy of all contracts and all other agreements or proposals and submit all other information requested by HR relating to the proposed Transfer. If HR does not exercise its right of first refusal pursuant to Section 18.J., the decision as to whether or not to consent to a proposed Transfer shall be made by HR in its sole discretion and shall include numerous factors deemed relevant by HR. These factors may include, but will not be limited to, the following:

(1) The proposed transferee (and if the proposed transferee is not a natural person, all persons that have any direct or indirect interest in the transferee as HR may require) must demonstrate to HR's satisfaction extensive experience in high quality restaurant operations of a character and complexity similar to Hardee's Restaurants; must meet the managerial, operational, experience, quality, character and

business standards for a franchisee promulgated by HR from time to time; must possess a good character, business reputation and credit rating; must have an organization whose management culture is compatible with HR's management culture; and must have adequate financial resources and working capital, as determined by HR in its sole discretion, to meet Franchisee's obligations under this Agreement.

(2) If the Transfer is a sale, the sales price shall not be so high, in HR's reasonable judgment, as to jeopardize the ability of the transferee to develop, maintain, operate, remodel, re-image, refresh and promote the Franchised Restaurant and meet financial obligations to HR, third party suppliers and creditors. HR's decision with respect to a proposed Transfer shall not create any liability on the part of HR: (a) to the transferee, if HR consents to the Transfer and the transferee experiences financial difficulties; or (b) to Franchisee or the proposed transferee, if HR withholds consent to the Transfer. HR, without any liability to Franchisee or the proposed transferee, has the right, in its sole discretion, to communicate and counsel with Franchisee and the proposed transferee regarding any aspect of the proposed Transfer.

(3) All of Franchisee's accrued monetary obligations to HR and its affiliates (whether arising under this Agreement or otherwise) and all other outstanding obligations related to the Franchised Restaurant (including, but not limited to, bills from suppliers, taxes, judgments and any required governmental reports, returns, affidavits or bonds) have been satisfied or, in the reasonable judgment of HR, adequately provided for. HR reserves the right to require that a reasonable sum of money be placed in escrow to ensure that all of these obligations are satisfied.

(4) Franchisee is not then in material default of any provision of this Agreement or any other agreement between Franchisee and HR or its affiliates, is in good standing as a franchisee with HR and its affiliates, is not in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant and is not in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant.

(5) Franchisee or the proposed transferee, as determined by HR, must complete all remodel, renovations, re-image, maintenance and facility upgrades to modernize and conform the Franchised Restaurant to the image of the System for new franchised restaurants.

(6) Franchisee, all individuals who executed this Agreement and all guarantors of Franchisee's obligations must execute a general release and a covenant not to sue, in a form satisfactory to HR, of any and all claims against HR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement, any other agreements between Franchisee and HR or its affiliates and Franchisee's operation of the Franchised Restaurant and all other restaurants operated by Franchisee that are franchised by HR or its affiliates.

(6) Unless waived by HR in its sole discretion, the transferee and those employees hired by the transferee to fill certain designated positions shall complete the training provided in Sections 11.A.-B.

(7) The transferee and each of the transferee's affiliates that have entered into a development or franchise agreement with HR or its affiliates must, as of the date of the request for HR's consent to the Transfer, be in compliance with all obligations to HR or its affiliates under those agreements.

C. If HR consents to a proposed Transfer, prior to the Transfer becoming effective:

(1) The transferor shall pay HR a nonrefundable Transfer fee in an amount not to exceed \$2,500 per Franchised Restaurant in connection with HR's review of the Transfer application.

(2) Franchisee and the proposed transferee shall execute, at HR's election, an assignment agreement and any amendments to this Agreement deemed necessary or desirable by HR to reflect the Transfer and/or HR's then-current standard form of franchise agreement for an initial term ending on the expiration date of the Initial Term of this Agreement. In either event, a guarantee of the type required by Section 16.F. shall be executed by those individuals identified in Section 18.F. In addition, Franchisee, the proposed transferor and the proposed transferee shall sign all other documents and take such actions as HR may require to protect HR's rights under this Agreement.

(3) The transferor shall remain liable for all obligations to HR incurred before the date of the Transfer and shall execute any and all instruments reasonably requested by HR to evidence that liability.

**D.** If Franchisee is an individual or a partnership and desires to Transfer this Agreement to a corporation (or limited liability company) formed for the convenience of ownership, the requirements of Section 18.B. shall apply to such a Transfer; however, Franchisee will not be required to pay a Transfer fee. HR's consent also will be conditioned on the following: (1) the corporation (or limited liability company) must be newly organized; (2) prior to the Transfer, HR must receive a copy of the documents specified in Section 16.B. and the transferee shall comply with the remaining provisions of Section 16; and (3) Franchisee must own all voting securities of the corporation (or membership interests of the limited liability company) or, if Franchisee is owned by more than one individual, each person shall have the same proportionate ownership interest in the corporation (or the limited liability company) as prior to the Transfer.

**E.** Notwithstanding the provisions of Sections 18.A. and B., the issuance of options or the exercise of options pursuant to a qualified stock option plan or a qualified employee stock ownership plan shall not be considered a Transfer and shall not require the prior written consent of HR; provided no more than a total of 49% of Franchisee's outstanding voting securities are subject to the qualified stock option plan or qualified employee stock ownership plan.

**F.** If Franchisee was a publicly-held entity as of the date of the first franchise-related agreement between Franchisee and HR or its affiliates, Section 18.B. shall be applicable to transfers of ownership interests in Franchisee only if the proposed Transfer would result in: (1) 50% or more of Franchisee's voting securities being held by different shareholders than as of the date of the first franchise-related agreement between Franchisee and HR or its affiliates; or (2) any change in ownership of Franchisee's voting securities whereby any existing shareholder of Franchisee acquires an additional 10% or more of Franchisee's voting securities; or (3) any change in the membership of the Continuity Group (unless such change is a permitted Transfer pursuant to Section 18.G.).

**G.** In the event of the death or permanent incapacity of any person with an ownership interest in Franchisee, HR shall not unreasonably withhold its consent to a transfer to any person, persons, partnership or corporation designated by his legal representative, provided, however, that:

(1) The requirements of Section 18.B. and of 18.C. shall have been met.

(2) The proposed transfer is applied for in writing within 2 months of the date of death or permanent incapacity by the legal representative of such individual, and is effected within 6 months thereafter.

(3) In the case of permanent incapacity, the legal representative shall have furnished a certification of a physician designated by HR that Franchisee has been or will be unable to operate the Franchised Restaurant for a period of 6 months or longer.

**H.** Franchisee shall not grant any security interest in its business, the Franchised Restaurant, the Franchised Location or the assets used in the operation of the Franchised Restaurant without HR's prior written consent, which will not be unreasonably withheld. HR's consent may be conditioned, in its sole discretion, on the written agreement by the secured party that, in the event of a default by Franchisee under any agreement related to the security interest, HR shall have the right and option (but not the obligation) to purchase the rights of the secured party upon payment of all sums then due to the secured party. If Franchisee (or any person with a direct or indirect interest in Franchisee) finances any part of the price paid in connection with the Transfer, the person or entity providing the financing must agree that all obligations of the proposed transferee and any security interests retained in the assets being transferred, will be subordinate to the proposed transferee's obligations to: (1) pay all amounts due to HR and its affiliates; and (2) otherwise comply with this Agreement and all other agreements with HR or its affiliates.

**I.** Securities or partnership interests in Franchisee may be sold, by private or public offering, only with HR's prior written consent (whether or not HR's consent is required under any other provision of this Section). In addition to the requirements of Section 18.B., prior to the time that any public offering or private placement of securities or partnership interests in Franchisee is made available to potential investors, Franchisee, at its expense, shall deliver to HR a copy of the offering documents. Franchisee, at its expense, also shall deliver to HR an opinion of Franchisee's legal counsel and an opinion of one other legal counsel selected by HR (both of which shall be addressed to HR and in a form acceptable to HR) that the offering documents properly use the Proprietary Marks and accurately describe Franchisee's relationship with HR and/or its affiliates. The indemnification provisions of Section 27 shall also include any losses or expenses incurred by HR and/or its affiliates in connection with any statements made by or on behalf of Franchisee in any public offering or private placement of Franchisee's securities.

**J.** If any party holding any direct or indirect interest in Franchisee or in this Agreement receives a bona fide offer (as determined by HR in its reasonable discretion) from a third party or otherwise desires to undertake any Transfer that would require HR's consent (other than a Transfer for convenience of ownership pursuant to Section 18.D. or a Transfer of ownership interests to a parent, sibling, spouse or child), it shall notify HR in writing of the terms of the proposed Transfer, and shall provide such information and documentation relating to the proposed Transfer as HR may reasonably require, including, but not limited to, a copy of the offer. HR or its designee may elect to purchase the interest that the seller proposes to Transfer any time within 30 days after receipt of written notification, and all documents and other information required by Section 18.B., by sending written notice to the seller that HR or its designee intends to purchase the seller's interest on the same financial terms and conditions offered by the third party (except that HR or its designee shall not be obligated to pay any finder's or broker's fees). In purchasing the interest, HR or its designee shall be entitled to set off any monies owed to HR or its affiliates by Franchisee and HR or its designee shall be entitled to all customary representations and warranties that the assets are free and clear (or, if not, accurate and complete disclosure) as to: (1) ownership, condition and title; (2) liens and encumbrances; (3) environmental and hazardous substances; and (4) validity of contracts inuring to the purchaser or affecting the assets, whether contingent or otherwise.

If the offer to Franchisee involves assets in addition to this Agreement, the Franchised Location, the Franchised Restaurant and other restaurants operated by Franchisee that are franchised by HR or its affiliates, Franchisee's notice to HR shall state the cash value of that portion of the offer received by Franchisee relating to this Agreement, the Franchised Location, the Franchised Restaurant and those other restaurants. If the proposed Transfer provides for payment of consideration other than cash or it involves intangible benefits, HR or its designee may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties are unable to agree within 30 days on the reasonable equivalent in cash of the non-cash part of the offer received by Franchisee or the cash value of that portion of the offer received by Franchisee relating to this Agreement, the Franchised Location, the Franchised Restaurant and those other restaurants, the amount shall be determined by two professionally certified appraisers, Franchisee selecting one and HR or its designee selecting one. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall determine the amount. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and HR or its designee may exercise its right of first refusal within 30 days after being advised in writing of the decision of the appraisers. The cost of the appraisers shall be shared equally by the parties.

HR's failure to exercise its right of first refusal shall not constitute consent to the proposed Transfer nor a waiver of any other provision of this Section 18 with respect to a proposed Transfer. If HR does not exercise its right of first refusal, Franchisee may not thereafter Transfer the interest at a lower price or on more favorable terms than those that have been offered to HR. HR shall again be given a right of first refusal if a transaction does not close within 6 months after HR elected not to exercise its right of first refusal. In no event shall Franchisee offer the interest for sale or transfer at public auction, nor at any time shall an offer be made to the public to sell, transfer or assign, through any advertisement, either in the newspapers or otherwise, without first having obtained the written consent of HR to the auction or advertisement.

**K.** HR's consent to any Transfer shall not constitute a waiver of any claims HR may have against the transferring party, nor shall it be deemed a waiver of HR's right to demand exact compliance with any of the terms of this Agreement by the transferee, nor will it be deemed a waiver of HR's right to give or withhold consent to future Transfers.

## **19. GENERAL RELEASE**

Franchisee (on behalf of Releasors) expressly agrees that fair consideration has been given by HR for this release and fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Hardee's Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. ## **20. COVENANTS**

### **A. Best Efforts**

During the term of this Agreement, Franchisee and the Operating Principal shall devote their full-time and best efforts to the development, management and operation of the Franchised Restaurant.

### **B. Confidentiality**

Franchisee acknowledges and agrees that: (1) HR owns all right, title and interest in and to the System; (2) the System includes trade secrets and confidential and proprietary information and know-how that gives HR a competitive advantage; (3) the trade secrets and confidential and proprietary information and know-how derive independent economic value to HR from not being generally known to and not readily ascertainable by others; (4) HR has taken all measures appropriate to protect the trade secrets and the confidentiality of the proprietary information and know-how of the System; (5) all material or other information now or hereafter provided or disclosed to Franchisee regarding the System is disclosed in confidence; (6) Franchisee has no right to disclose any part of the System to anyone who is not an employee of Franchisee; (7) Franchisee will disclose to its employees only those parts of the System that an employee needs to know; (8) Franchisee will have a system in place to ensure that its employees keep confidential HR's trade secrets and confidential and proprietary information, and, if requested by HR, Franchisee shall obtain from those of its employees designated by HR an executed Confidential Disclosure Agreement in the form prescribed by HR; (9) by entering into this Agreement, Franchisee does not acquire any ownership interest in the System; and (10) Franchisee's use or duplication of the System or any part of the System in any other business, or disclosure of any part of the System to others for use or duplication in any other business, would constitute an unfair method of competition, for which HR would be entitled to all legal and equitable remedies, including injunctive relief, without posting a bond.

Franchisee shall not, during the term of this Agreement or at any time thereafter, communicate or disclose any trade secrets or confidential or proprietary information or know-how of the System to any unauthorized person, or do or perform, directly or indirectly, any other acts injurious or prejudicial to any of the Proprietary Marks or the System. Any and all information, knowledge, know-how and techniques, including all drawings, materials, equipment, specifications, recipes, techniques and other data that HR or its affiliates designate as confidential shall be deemed confidential for purposes of this Agreement.

### **C. Restrictions**

(1) Franchisee acknowledges and agrees that: (a) pursuant to this Agreement, Franchisee will have access to valuable trade secrets, specialized training and other confidential information from HR and/or its affiliates regarding the development, operation, product preparation and sales, market and operations research, advertising and marketing plans and strategies, purchasing, sales and marketing methods and techniques of HR and its affiliates and the System; (b) the know-how regarding the System and the opportunities, associations and experience acquired by Franchisee pursuant to this Agreement are

of substantial value; **(c)** in developing the System, HR and its affiliates have made substantial investments of time, effort, and money; **(d)** HR would be unable adequately to protect the System and its trade secrets and confidential and proprietary information against unauthorized use or disclosure and would be unable adequately to encourage a free exchange of ideas and information among operators of Hardee's Restaurants if franchisees or developers were permitted to engage in the activities described in Section 20C.(2)(a) or to hold interests in the businesses described in Sections 20.C.(2)(b) and (3); **(e)** all restaurants operating in a quick-service format are substantial and direct competitors of the System; and **(f)** the restrictions on Franchisee's right to hold interests in, or perform services for, the businesses described in Sections 20.C.(2)(b) and (3) will not unduly limit its activities.

**(2)** Accordingly, Franchisee covenants and agrees that, except with HR's prior written consent, during the term of this Agreement, and for a continuous period of 2 years following its expiration, Transfer, or termination, Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation, or other entity:

**(a)** Divert or attempt to divert any business or customer, or potential business or customer, of any Hardee's Restaurant to any competitor, by direct or indirect inducement or otherwise.

**(b)** Own, maintain, operate, engage in, grant a franchise to, advise, help, make loans to, lease property to, sell the property underlying the Franchised Location and related assets to, or have any interest in, either directly or indirectly, any restaurant business: **(i)** whose sales of Designated Entrée Items (as defined below) during any daypart are reasonably likely to account collectively for 20% or more of the restaurant's sales of all entrée items during that daypart; **(ii)** that features or promotes any Designated Entrée Item in its advertising; or **(iii)** that operates in a quick-service format (with or without table service). For purposes of the previous sentence, the term "Designated Entrée Items" means any hamburger sandwich, chicken sandwich, breakfast sandwich and any other entrée item of a type designated by HR as part of the System at any time during the term of this Agreement. During the term of this Agreement, there is no geographical limitation on this restriction. Following the expiration, transfer or termination of this Agreement, this restriction shall apply to any restaurant business located within a 2-mile radius of the Franchised Location and any restaurant business within a 2-mile radius of any then-existing Hardee's Restaurant. This restriction shall not apply to Franchisee's existing restaurant or foodservice operations, if any, which are identified in Appendix A, nor shall it apply to other restaurants operated by Franchisee that are franchised by HR or its affiliates.

If any part of these restrictions is found to be unreasonable in time or distance, each month of time or mile of distance may be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court to that deemed reasonable. If, at any time during the 2-year period following the expiration, Transfer or termination of this Agreement, Franchisee fails to comply with its obligations under this Section, that period of noncompliance will not be credited toward Franchisee's satisfaction of the 2-year obligation.

**(3)** Franchisee acknowledges that the Franchised Location will acquire goodwill associated with the System and that it would be difficult for HR to ascertain that Franchisee has no interest in the operation by a third party of a restaurant concept at that location that would, if operated by Franchisee, violate the restrictions of this Section 20. Accordingly, Franchisee further covenants and agrees that, during the term of this Agreement and for a period of 2 years following the expiration or earlier termination of this Agreement, Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, firm, partnership, corporation, or other entity, sell, assign, lease or transfer the Franchised Location to any person, firm, partnership, corporation, or other entity which Franchisee

knows, or has reason to know, intends to operate a restaurant business at the Franchised Location that would violate Section 20.C.(2)(b) if operated by Franchisee. Franchisee, by the terms of any conveyance selling, assigning, leasing or transferring its interest in the Franchised Location, shall include such restrictive covenants as are necessary to ensure that a restaurant business that would violate Section 20.C.(2)(b) if operated by Franchisee is not operated at the Franchised Location for this 2-year period, and Franchisee shall take all steps necessary to ensure that these restrictive covenants become a matter of public record.

#### **D. Modification**

HR shall have the right, in its sole discretion, to reduce the scope of any covenant in this Section 20 effective immediately upon Franchisee's receipt of written notice, and Franchisee agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 29.

#### **E. Applicability**

The restrictions contained in this Section 20 shall apply to Franchisee and all guarantors of Franchisee's obligations. With respect to each guarantor, these restrictions shall apply until 2 years after the earlier of: **(i)** the expiration, Transfer, or termination of this Agreement; or **(ii)** the date the guarantor ceases to be the Operating Principal, a stockholder, member of the Continuity Group or a 10% Owner (or, if a guarantor is the spouse of a person holding one or more of these positions, the date the person ceases to hold the applicable positions). The restrictions contained in this Section 20 shall not apply to ownership of less than a 5% legal or beneficial ownership in the outstanding equity securities of any publicly held corporation. The existence of any claim Franchisee or any guarantor of Franchisee's obligations may have against HR or its affiliates, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by HR of the covenants in this Section 20.

At HR's request, unless otherwise prohibited by law, Franchisee will obtain covenants similar in substance to those set forth in this Section 20 from any of its stockholders, managers, directors, members, officers, or restaurant managers and from family members of guarantors.

#### **F. Injunctive Relief**

Franchisee acknowledges and agrees that violation of the covenants contained in this Section 20 will result in immediate and irreparable injury to HR for which money damages are not an adequate remedy. Therefore, in addition to being responsible for any damages caused to HR arising from Franchisee's violation of this Section 20, HR shall be entitled to seek the entry of an injunction prohibiting any conduct by Franchisee in violation of this Section 20.

### **21. TERMINATION**

#### **A. Termination Without Cure Period**

In addition to the grounds for termination that may be stated elsewhere in this Agreement, HR may terminate this Agreement, and the rights granted by this Agreement, upon written notice to Franchisee without an opportunity to cure upon the occurrence of any of the following events:

**(1)** Franchisee ceases to continuously operate the Franchised Restaurant for a period in excess of 5 consecutive days, unless the closing is due to a Force Majeure or is approved in writing in

advance by HR. If the closing is due to fire or other natural disaster, Franchisee must rebuild and reopen the Franchised Restaurant within six months following the fire or other natural disaster event or such longer period of time as agreed to with HR.

(2) Franchisee is insolvent or is unable to pay its creditors (including HR); files a petition in bankruptcy, an arrangement for the benefit of creditors or a petition for reorganization; there is filed against Franchisee a petition in bankruptcy, an arrangement for the benefit of creditors or petition for reorganization, which is not dismissed within 60 days of the filing; Franchisee makes an assignment for the benefit of creditors; or a receiver or trustee is appointed for Franchisee and not dismissed within 60 days of the appointment.

(3) Execution is levied against Franchisee's business or property; suit to foreclose any lien or mortgage against the premises or equipment of the Franchised Restaurant is instituted against Franchisee and is not dismissed within 60 days; or the real or personal property of the Franchised Restaurant shall be sold after levy thereupon by any sheriff, marshal or constable.

(4) There is a material breach by Franchisee of any obligation under Section 20.

(5) Any Transfer that requires HR's prior written consent occurs without Franchisee having obtained that prior written consent.

(6) HR discovers that Franchisee made a material misrepresentation or omitted a material fact in the information that was furnished to HR in connection with its decision to enter into this Agreement.

(7) Franchisee knowingly falsifies any report required to be furnished to HR or makes any material misrepresentation in its dealings with HR or fails to disclose any material facts to HR.

(8) Franchisee fails to open the Franchised Restaurant for business within 18 months after the Property Control Date or within 60 days after HR first authorizes the opening of the Franchised Restaurant.

(9) HR makes a reasonable determination that continued operation of the Franchised Restaurant by Franchisee will result in an imminent danger to public health or safety.

(10) Franchisee loses possession of the Franchised Location through its own fault or its failure to extend the lease for the Franchised Location through the Initial Term of this Agreement.

(11) Franchisee, the Operating Principal, any stockholder, member, partner, director or officer of Franchisee, any member of the Continuity Group or any 10% Owner is convicted of, or pleads no contest to, a felony charge; a crime involving moral turpitude; or any other crime or offense that is reasonably likely, in the sole opinion of HR, to adversely affect HR, its affiliates or the System.

(12) Franchisee, the Operating Principal, any member of the Continuity Group, any 10% Owner or any affiliate of Franchisee remains in default beyond the applicable cure period under any other agreement with HR or its affiliates (provided that, if the default is not by Franchisee, Franchisee is given written notice of the default and a 30 day period to cure the default), or Franchisee remains in default beyond the applicable cure period under any real estate lease, equipment lease, or financing instrument relating to the Franchised Restaurant, or Franchisee remains in default beyond the applicable cure period

with any vendor or supplier to the Franchised Restaurant, or Franchisee fails to pay when due any taxes or assessments relating to the Franchised Restaurant or its employees, unless Franchisee is actively prosecuting or defending the claim or suit in a court of competent jurisdiction or by appropriate government administrative procedure or by arbitration or mediation conducted by a recognized alternative dispute resolution organization.

## **B. Termination Following Expiration of Cure Period**

(1) Except for those items listed in preceding Section 21.A., Franchisee shall have 30 days after written notice of default from HR within which to remedy the default and provide evidence of that remedy to HR. If any such default is not cured within that time, this Agreement shall terminate without further notice to Franchisee effective immediately upon expiration of that time, unless HR notifies Franchisee otherwise in writing. Notwithstanding the foregoing, if the default cannot be corrected within 30 days, Franchisee shall have such additional time to correct the default as reasonably required (not to exceed 90 days), provided that Franchisee begins taking the actions necessary to correct the default during the 30-day cure period and diligently and in good faith pursues those actions to completion. Franchisee will be in default under this Section 21.B.(1) for any failure to materially comply with any of the requirements imposed by this Agreement, the OPM or otherwise in writing, or to carry out the terms of this Agreement in good faith.

(2) Notwithstanding the provisions of preceding Section 21.B.(1), if Franchisee defaults in the payment of any monies owed to HR or its affiliates when such monies become due and payable and Franchisee fails to pay such monies within 10 days after receiving written notice of default, then this Agreement will terminate effective immediately upon expiration of that time, unless HR notifies Franchisee otherwise in writing.

(3) If Franchisee has received 2 or more notices of default within the previous 12 months, HR shall be entitled to send Franchisee a notice of termination upon Franchisee's next default within that 12-month period under this Section 21.B. without providing Franchisee an opportunity to remedy the default.

(4) In addition to the other provisions of this Section 21.B., if HR reasonably determines that Franchisee becomes or will become unable to meet its obligations to HR or its affiliates under this Agreement, HR may provide Franchisee written notice to that effect and demand that Franchisee provide those assurances reasonably designated by HR, which may include security or letters of credit for the payment of Franchisee's obligations to HR and its affiliates. If Franchisee fails to provide the assurances demanded by HR within 30 days after its receipt of written notice from HR, this Agreement shall terminate without further notice to Franchisee effective immediately upon expiration of that time, unless HR notifies Franchisee otherwise in writing.

## **C. Termination Following Inspection**

HR shall have the right to periodically conduct inspections of the Franchised Restaurant to evaluate Franchisee's compliance with the System and this Agreement. Following each inspection, HR will provide Franchisee an inspection report listing Franchisee's score on the inspection and those conditions at the Franchised Restaurant that must be rectified. If Franchisee fails to achieve a passing score on an inspection, the inspection report shall constitute a notice of default. If Franchisee fails to achieve a passing score on the next inspection (which shall be conducted at least 30 days after Franchisee's receipt of the inspection

report for the prior inspection), HR may terminate this Agreement, without opportunity to cure, by providing Franchisee written notice of termination along with the inspection report.

#### **D. Statutory Limitations**

If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

## **22. OBLIGATIONS ON TERMINATION OR EXPIRATION**

Upon termination or expiration of this Agreement:

**A.** Franchisee shall immediately cease operating the Franchised Restaurant.

**B.** Franchisee immediately shall pay HR and its affiliates all sums due and owing HR or its affiliates related to the Franchised Restaurant. In addition, if this Agreement is terminated following Franchisee's default, since it would be difficult, if not impossible, to determine the amount of damages that HR will suffer as a result of Franchisee's breach, unless waived by HR in its sole discretion, Franchisee immediately shall pay HR, as damages and not as a penalty, the royalty fee that Franchisee would have paid during the period ("Damages Period") from the effective date of termination to the earlier of: **(1)** the 3-year anniversary of the effective date of termination; or **(2)** the date on which the Initial Term was scheduled to expire. The amount of such royalty fee during the Damages Period will be calculated by multiplying the average weekly royalty fee owed by Franchisee for the 52-week period prior to the effective date of termination by the number of weeks in the Damages Period. The obligation to pay this royalty fee survives termination of this Agreement and is in addition to, and not in lieu of, Franchisee's obligation to fully comply with its obligations under Section 20.C. following termination of this Agreement.

**C.** Franchisee promptly shall return to HR the OPM, any copies of the OPM and all other materials and information furnished by HR and delete all electronic copies of the OPM and all other materials and information furnished by HR that are in Franchisee's possession. Franchisee promptly shall return to HR, in good condition and repair excepting normal wear and tear, all computer software, disks, tapes and other electronic and magnetic storage media.

**D.** Franchisee and all persons and entities subject to the covenants contained in Section 20 shall continue to abide by those covenants and shall not, directly or indirectly, take any action that violates those covenants.

**E.** Franchisee immediately shall discontinue all use of the Proprietary Marks in connection with the Franchised Restaurant and of any and all items bearing the Proprietary Marks; remove the Proprietary Marks from the Franchised Restaurant and from clothing, signs, materials, motor vehicles and other items owned or used by Franchisee in the operation of the Franchised Restaurant (unless HR directs Franchisee to temporarily refrain from doing so while HR determines if it will exercise its option under Section 23); cancel all advertising for the Franchised Restaurant that contains the Proprietary Marks (including telephone directory listings); and take such action as may be necessary to cancel any filings or registrations for the Franchised Restaurant that contain any Proprietary Marks.

**F.** Unless HR directs Franchisee to temporarily maintain the existing appearance of the Franchised Location while HR determines if it will exercise its option under Section 23, Franchisee promptly shall make such alterations and modifications to the Franchised Location as may be necessary to clearly distinguish to the public the Franchised Location from its former appearance and also make those specific additional changes as HR may request for that purpose. If Franchisee fails to promptly make these alterations and modifications, HR shall have the right (at Franchisee's expense, to be paid upon Franchisee's receipt of an invoice from HR) to do so without being guilty of trespass or other tort.

**G.** Franchisee shall furnish HR, within 30 days after the effective date of termination or expiration, evidence (certified to be true, complete, accurate and correct by an authorized officer of Franchisee) satisfactory to HR of Franchisee's compliance with Sections 22.A. through 22.F.

**H.** Franchisee shall not, except with respect to a restaurant franchised by HR or its affiliates which is then open and operating pursuant to an effective franchise agreement or a restaurant franchised by HR or its affiliates which is under construction pursuant to a fully-signed franchise agreement: **(1)** operate or do business under any name or in any manner that might tend to give the public the impression that Franchisee is connected in any way with HR or its affiliates or has any right to use the System or the Proprietary Marks; **(2)** make, use or avail itself of any of the materials or information furnished or disclosed by HR or its affiliates under this Agreement or disclose or reveal any such materials or information or any portion thereof to anyone else; or **(3)** assist anyone not licensed by HR or its affiliates to construct or equip a foodservice outlet substantially similar to a Hardee's Restaurant.

## **23. OPTION TO PURCHASE**

**A.** Upon the expiration or termination of this Agreement for any reason, HR will have the option to purchase from Franchisee some or all of the assets used in the Franchised Restaurant ("Assets"). HR may exercise its option by giving written notice to Franchisee at any time following such expiration or termination up until 60 days after the later of: **(1)** the effective date of termination or expiration; or **(2)** the date Franchisee ceases to operate the Franchised Restaurant. As used in this Section 23, "Assets" shall mean and include, without limitation, leasehold improvements, equipment, vehicles, furnishings, fixtures, signs and inventory (non-perishable products, materials and supplies) used in the Franchised Restaurant, and the real estate fee simple or the lease or sublease for the Franchised Location. HR shall be entitled to the entry of interlocutory and permanent orders of specific performance by a court of competent jurisdiction if Franchisee fails or refuses to timely meet its obligations under this Section 23.

**B.** HR shall have the unrestricted right to assign this option to purchase the Assets. HR or its assignee shall be entitled to all customary representations and warranties that the Assets are free and clear (or, if not, accurate and complete disclosure) as to: **(1)** ownership, condition and title; **(2)** liens and encumbrances; **(3)** environmental and hazardous substances; and **(4)** validity of contracts and liabilities inuring to HR or affecting the Assets, whether contingent or otherwise.

**C.** The purchase price for the Assets ("Purchase Price") shall be their fair market value, (or, for leased assets, the fair market value of Franchisee's lease) determined as of the effective date of purchase in a manner that accounts for reasonable depreciation and condition of the Assets; provided, however, that the Purchase Price shall take into account the termination of this Agreement. Further, the Purchase Price for the Assets shall not contain any factor or increment for any trademark, service mark or other commercial symbol used in connection with the operation of the Franchised Restaurant nor any goodwill or "going concern" value for the Franchised Restaurant. HR may exclude from the Assets purchased in accordance with this Section any equipment, vehicles, furnishings, fixtures, signs, and inventory that are not approved

as meeting then-current standards for a Hardee's Restaurant or for which Franchisee cannot deliver a Bill of Sale in a form satisfactory to HR.

**D.** If HR and Franchisee are unable to agree on the fair market value of the Assets within 30 days after Franchisee's receipt of HR's notice of its intent to exercise its option to purchase the Assets, the fair market value shall be determined by two professionally certified appraisers, Franchisee selecting one and HR selecting one within 60 days after Franchisee's receipt of HR's notice of intent to exercise its purchase option. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall appraise the fair market value of the Assets. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and shall be the Purchase Price.

**E.** The appraisers shall be given full access to the Franchised Restaurant, the Franchised Location and Franchisee's books and records during customary business hours to conduct the appraisal and shall value the leasehold improvements, equipment, furnishings, fixtures, signs and inventory in accordance with the standards of this Section 25. The appraisers' fees and costs shall be borne equally by HR and Franchisee.

**F.** Within 10 days after the Purchase Price has been determined, HR may exercise its option to purchase the Assets by so notifying Franchisee in writing ("HR's Purchase Notice"). The Purchase Price shall be paid in cash or cash equivalents at the closing of the purchase ("Closing"), which shall take place no later than 60 days after the date of HR's Purchase Notice. From the date of HR's Purchase Notice until Closing:

(1) Franchisee shall operate the Franchised Restaurant and maintain the Assets in the usual and ordinary course of business and maintain in full force all insurance policies required under this Agreement; and

(2) HR shall have the right to appoint a manager, at HR's expense, to control the day-to-day operations of the Franchised Restaurant and Franchisee shall cooperate, and instruct its employees to cooperate, with the manager appointed by HR. Alternatively, HR may require Franchisee to close the Franchised Restaurant during such time period without removing any Assets from the Franchised Restaurant.

**G.** For a period of 60 days after the date of HR's Purchase Notice ("Due Diligence Period"), HR shall have the right to conduct such investigations as it deems necessary and appropriate to determine: (1) the ownership, condition and title of the Assets; (2) liens and encumbrances on the Assets; (3) environmental and hazardous substances at or upon the Franchised Location; and (4) the validity of contracts and liabilities inuring to HR or affecting the Assets, whether contingent or otherwise. Franchisee will afford HR and its representatives access to the Franchised Restaurant and the Franchised Location at all reasonable times for the purpose of conducting inspections of the Assets; provided that such access does not unreasonably interfere with Franchisee's operation of the Franchised Restaurant.

**H.** During the Due Diligence Period, at its sole option and expense, HR may (1) cause the title to the Assets that consist of real estate interests ("Real Estate Assets") to be examined by a nationally recognized title company and conduct lien searches as to the other Assets; (2) procure "AS BUILT" surveys of the Real Estate Assets; (3) procure environmental assessments and testing with respect to the Real Estate Assets; and/or (4) inspect the Assets that consist of leasehold improvements, equipment, vehicles, furnishings, fixtures, signs and inventory ("Fixed Assets") to determine if the Fixed Assets are in

satisfactory working condition. Prior to the end of the Due Diligence Period, HR shall notify Franchisee in writing of any objections that HR has to any finding disclosed in any title or lien search, survey, environmental assessment or inspection. If Franchisee cannot or elects not to correct any such title defect, environmental objection or defect in the working condition of the Fixed Assets, HR will have the option to either accept the condition of the Assets as they exist or rescind its option to purchase on or before the Closing.

**I.** Prior to the Closing, Franchisee and HR shall comply with all applicable legal requirements, including the bulk sales provisions of the Uniform Commercial Code of the state in which the Franchised Restaurant is located and the bulk sales provisions of any applicable tax laws and regulations. Franchisee shall, prior to or simultaneously with the Closing, pay all tax liabilities incurred in connection with the operation of the Franchised Restaurant prior to Closing. HR shall have the right to set off against and reduce the Purchase Price by any and all amounts owed by Franchisee to HR, and the amount of any encumbrances or liens against the Assets or any obligations assumed by HR.

**J.** If the Franchised Location is leased, HR agrees to use reasonable efforts to effect a termination of the existing lease for the Franchised Location. If the lease for the Franchised Location is assigned to HR or HR subleases the Franchised Location from Franchisee, HR will indemnify and hold Franchisee harmless from any ongoing liability under the lease from the date HR assumes possession of the Franchised Location, and Franchisee will indemnify and hold HR harmless from any liability under the lease prior to and including that date.

**K.** If Franchisee owns the Franchised Location, HR, at its option, will either purchase the fee simple interest or, upon purchase of the other Assets, enter into a standard lease with Franchisee on terms comparable to those for which similar commercial properties in the area are then being leased. The initial term of this lease with Franchisee shall be at least 10 years with 4 options to renew of 5 years each and the rent shall be the fair market rental value of the Franchised Location. If Franchisee and HR cannot agree on the fair market rental value of the Franchised Location, the appraisers (selected in the manner described in Section 23.D.) shall determine the rental value.

**L.** At the Closing, Franchisee shall deliver instruments transferring to HR or its assignee: **(1)** good and merchantable title to the Assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to HR or its assignee), with all sales and other transfer taxes paid by the Franchisee; **(2)** all licenses and permits for the Franchised Restaurant that may be assigned or transferred, with appropriate consents, if required; and **(3)** the lease or sublease for the Franchised Location, with appropriate consents, if required. If Franchisee cannot deliver clear title to all of the purchased Assets as indicated in this Section, or if there are other unresolved issues, the Closing shall be accomplished through an escrow.

## **24. RELATIONSHIP OF THE PARTIES**

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Franchisee is not and shall not hold itself out as agent, legal representative, partner, subsidiary, joint venture or employee of HR or its affiliates or a joint employer with HR or its affiliates. Franchisee shall have no right or power to, and shall not, bind or obligate HR or its affiliates in any way or manner, nor represent that Franchisee has any right to do so. Franchisee shall not issue any press releases without the prior written approval of HR.

Franchisee is an independent contractor and is solely responsible for all aspects of the development and operation of the Franchised Restaurant, subject only to the conditions and covenants established by this Agreement. Without limiting the generality of the foregoing, Franchisee acknowledges that HR has no responsibility to ensure that the Franchised Restaurant is developed and operated in compliance with all applicable laws, ordinances and regulations and that HR shall have no liability in the event the development or operation of the Franchised Restaurant violates any law, ordinance or regulation.

The sole relationship between Franchisee and HR is a commercial, arms' length business relationship and, except as provided in Section 25, there are no third party beneficiaries to this Agreement. Franchisee's business is, and shall be kept, totally separate and apart from any that may be operated by HR. In all public records, in relationships with other persons, and on letterheads and business forms, Franchisee shall indicate its independent ownership of the Franchised Restaurant and that Franchisee is solely a franchisee of HR. Franchisee shall post a sign in a conspicuous location in the Franchised Restaurant which will contain Franchisee's name and state that the Franchised Restaurant is independently owned and operated by Franchisee under a franchise agreement with HR.

## **25. INDEMNIFICATION**

**A.** Franchisee and all guarantors of Franchisee's obligations under this Agreement shall, at all times, indemnify, defend (with counsel reasonably acceptable to HR), and hold harmless (to the fullest extent permitted by law) HR and its parents and affiliates, and their respective predecessors, successors, assigns, past and present stockholders, directors, managers, officers, employees, members, agents and representatives (collectively "Indemnitees") from and against all "losses and expenses" (as defined below) incurred in connection with any action, suit, proceeding, claim, demand, investigation, inquiry (formal or informal), judgment or appeal thereof by or against HR and/or Indemnitees or any settlement thereof (whether or not a formal proceeding or action had been instituted), arising out of or resulting from or connected with Franchisee's activities under this Agreement, excluding the gross negligence or willful misconduct of HR. Franchisee promptly shall give HR written notice of any such action, suit, proceeding, claim, demand, inquiry or investigation filed or instituted against Franchisee and, upon request, shall furnish HR with copies of any documents from such matters as HR may request.

At Franchisee's expense and risk, HR may elect to assume (but under no circumstances will HR be obligated to undertake), the defense and/or settlement of any action, suit, proceeding, claim, demand, investigation, inquiry, judgment or appeal thereof subject to this indemnification. Such an undertaking shall, in no manner or form, diminish Franchisee's obligation to indemnify and hold harmless HR and Indemnitees. HR shall not be obligated to seek recoveries from third parties or otherwise mitigate losses.

**B.** As used in this Section, the phrase "losses and expenses" shall include, but not be limited to, all losses; compensatory, exemplary and punitive damages; fines; charges; costs; expenses; lost profits; reasonable attorneys' fees; expert witness fees; court costs; settlement amounts; judgments; compensation for damages to HR's reputation and goodwill; costs of or resulting from delays; financing; costs of advertising material and media time/space and the costs of changing, substituting or replacing the same; and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

## **26. CONSENTS, APPROVALS AND WAIVERS**

**A.** Whenever this Agreement requires the prior approval or consent of HR, Franchisee shall make a timely written request to HR therefor; and any approval or consent received, in order to be effective and binding upon HR, must be obtained in writing and be signed by an authorized officer of HR.

**B.** HR makes no warranties or guarantees upon which Franchisee may rely by providing any waiver, approval, consent or suggestion to Franchisee in connection with this Agreement, and assumes no liability or obligation to Franchisee therefor, or by reason of any neglect, delay, or denial of any request therefor. HR shall not, by virtue of any approvals, advice or services provided to Franchisee, assume responsibility or liability to Franchisee or to any third parties to which HR would not otherwise be subject.

**C.** No failure of HR to exercise any power reserved to it by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of HR's right to demand exact compliance with any of the terms of this Agreement. A waiver by HR of any particular default by Franchisee shall not affect or impair HR's rights with respect to any subsequent default of the same, similar or different nature, nor shall any delay, forbearance or omission of HR to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions or covenants of this Agreement affect or impair HR's right to exercise the same, nor shall such constitute a waiver by HR of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by HR of any payments due to it hereunder shall not be deemed to be a waiver by HR of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

## **27. NOTICES**

No notice, demand, request or other communication to the parties shall be binding upon the parties unless the notice is in writing, refers specifically to this Agreement and is addressed to: **(A)** if to Franchisee, addressed to Franchisee at the notice address set forth in Appendix A; and **(B)** if to HR, addressed to HR at its principal offices, current address: 6700 Tower Circle, Suite 1000, Franklin, Tennessee 37067 (marked Attn: General Counsel) (Email:[legal@ckr.com](mailto:legal@ckr.com)). Any party may designate a new address for notices by giving written notice of the new address pursuant to this Section. Notices shall be effective upon receipt (or first rejection) and may be: **(1)** delivered personally; **(2)** transmitted by email to the address set forth above (or in Appendix A) with electronic confirmation of receipt; **(3)** mailed in the United States mail, postage prepaid, certified mail, return receipt requested; or **(4)** mailed via overnight courier.

## **28. FORCE MAJEURE**

As used in this Agreement, the term "Force Majeure" means any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, pandemic, fire or other catastrophe, act of any government or other third party and any other cause not within the control of the party affected thereby. Franchisee's inability to obtain financing (regardless of the reason) shall not constitute Force Majeure. If the performance of any obligation by any party under this Agreement is prevented, hindered or delayed by reason of Force Majeure, which cannot be overcome by reasonable commercial measures, the parties shall be relieved of their respective obligations (to the extent that the parties, having exercised best efforts, are prevented, hindered or delayed in such performance) during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt written notice of such Force Majeure to the other party by setting forth the nature thereof and

an estimate as to its duration. Notwithstanding the foregoing, nothing in this Section shall permit or excuse any delay or failure to remit any payment due the other party on the due date.

## **29. ENTIRE AGREEMENT**

HR and Franchisee acknowledge that each element of this Agreement is essential and material and that, except as otherwise provided in this Agreement, the parties shall deal with each other in good faith. This Agreement, the OPM, the documents referred to herein, and the attachments hereto, constitute the entire, full and complete agreement between the parties concerning Franchisee's rights, and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements, or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement and in the attachments. No obligations or duties that contradict or are inconsistent with the express terms of this Agreement may be implied into this Agreement. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representation made in the Hardee's Franchise Disclosure Document provided to Franchisee.

## **30. SEVERABILITY AND CONSTRUCTION**

**A.** Each article, paragraph, subparagraph, term and condition of this Agreement, and any portions thereof, will be considered severable. If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with, any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in a proceeding to which HR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect.

**B.** HR has entered, and will continue to enter, into agreements with other franchisees. The manner in which HR enforces its rights and the franchisees' obligations under any of those other agreements shall not affect the ability of HR to enforce its rights or Franchisee's obligations under this Agreement. Except as otherwise provided in Section 25, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee and HR and its affiliates and such of their heirs, successors and assigns, any rights or remedies under or by reason of this Agreement.

**C.** Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law that is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions of this Agreement any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which HR is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

**D.** No provision of this Agreement shall be interpreted in favor of, or against, any party because of the party that drafted this Agreement.

**E.** Whenever HR has expressly reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, HR may make such decision or exercise

its right and/or discretion on the basis of its judgment of what is in its best interests. This also applies if HR is deemed to have a right and/or discretion. HR's judgment of what is in the best interests of the System, at the time its decision is made or its right or discretion is exercised, can be made without regard to whether: (1) other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions, could have been made by HR; (2) HR's decision or the action taken promotes its financial or other individual interest; (3) HR's decision or the action taken applies differently to Franchisee and one or more other franchisees or HR company-operated or affiliate-operated operations; or (4) HR's decision or the action taken is adverse to Franchisee's interests. HR will have no liability to Franchisee for any such decision or action. HR and Franchisee intend that the exercise of HR's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, HR and Franchisee agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants HR the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations under this Agreement.

**F.** Franchisee agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of HR will have any liability for: (1) any obligations or liabilities of HR relating to or arising from this Agreement; (2) any claim against HR based on, in respect of, or by reason of the relationship between Franchisee and HR; or (3) any claim against HR based on any alleged unlawful act or omission of HR. This provision does not include a release of claims arising from representations in the Hardee's Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

### **31. GOVERNING LAW, FORUM AND LIMITATIONS**

**A.** This Agreement and any claim or controversy arising out of, or relating to, rights and obligations of the parties under this Agreement and any other claim or controversy between the parties shall be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or shall be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

**B.** The parties agree that, to the extent any disputes cannot be resolved directly between them, Franchisee shall file any suit against HR only in the federal or state court having jurisdiction where HR's principal offices are located at the time suit is filed. HR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Franchisee resides or does business or where the Franchised Restaurant is or was located or where the claim arose. Franchisee consents to the personal jurisdiction of those courts over Franchisee and venue in those courts.

**C.** Except for payments owed by one party to the other, and unless prohibited by applicable law, any legal action or proceeding (including the offer and sale of a franchise to Franchisee) brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered.

**D.** Franchisee and HR waive, to the fullest extent permitted by law, any right or claim of any consequential, punitive or exemplary damages against each other and agree that, in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it. **Franchisee and HR waive, to the fullest extent permitted by law, the right to bring, or be a class member in, any class action suits and the right to trial by jury.**

**E.** If either party brings an action to enforce this Agreement in a judicial proceeding, the party prevailing in that proceeding shall be entitled to reimbursement of costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, the cost of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of, the proceeding. If HR utilizes legal counsel (including in-house counsel employed by HR) in connection with any failure by Franchisee to comply with this Agreement, Franchisee shall reimburse HR for any of the above-listed costs and expenses incurred by HR. In any judicial proceeding, the amount of these costs and expenses will be determined by the court and not by a jury.

**F.** No right or remedy conferred upon or reserved to HR or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy. The provisions of this Section 33 shall survive the expiration or earlier termination of this Agreement.

## **32. MISCELLANEOUS**

### **A. Gender and Number**

All references to gender and number shall be construed to include such other gender and number as the context may require.

### **B. Captions**

All captions in this Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

### **C. Counterparts**

This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed an original. This Agreement may be signed using electronic signatures, and such signatures will have full legal force and effect.

### **D. Time**

Time is of the essence of this Agreement for each provision in which time is a factor. Whenever this Agreement refers to a period of days or months, the first day or month to be counted shall be the day or month of the designated action, event or notice. Except where otherwise noted, days shall be measured by calendar days, provided that if the last day of a period is a Saturday, Sunday or national holiday, the period automatically shall be extended to the next day that is not a Saturday, Sunday or national holiday.

#### **E. Injunctive Relief**

Franchisee recognizes that its failure to comply with the terms of this Agreement, including, but not limited to, the failure to fully comply with all post-termination obligations, is likely to cause irreparable harm to HR, its affiliates and the System. Therefore, Franchisee agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Franchisee, HR shall be entitled to injunctive relief (both preliminary and permanent) restraining that breach and/or to specific performance without showing or proving actual damages and without posting any bond or security. Any equitable remedies sought by HR shall be in addition to, and not in lieu of, all remedies and rights that HR otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

#### **F. Authority**

All information Franchisee provided to HR in connection with Franchisee's franchise application and HR's grant of this Franchise is truthful, complete and accurate. The persons signing this Agreement on behalf of Franchisee have full authority to enter into this Agreement and the other agreements contemplated by the parties. Execution of this Agreement or such other agreements by Franchisee does not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Franchisee or any person with an ownership interest in Franchisee is a party.

#### **G. Control During Crisis Situation**

If an event occurs at the Franchised Restaurant that may damage the Proprietary Marks, the System or the reputation of HR (collectively "Crisis Situation"), Franchisee shall: **(1)** immediately contact appropriate emergency care providers to assist it in curing the harm or injury; and **(2)** immediately inform HR by telephone of the Crisis Situation. Franchisee shall refrain from making any internal or external announcements (*i.e.*, no communication with the news media) regarding the Crisis Situation (unless otherwise directed by HR or public health officials).

To the extent HR deems appropriate, in its sole and absolute discretion, HR or its designee may control the manner in which the Crisis Situation is handled by the parties, including, without limitation, conducting all communication with the news media and/or temporarily closing the Franchised Restaurant. The parties acknowledge that, in directing the management of any Crisis Situation, HR or its designee may engage the services of attorneys, experts, doctors, testing laboratories, public relations firms and those other professionals as it deems appropriate. Franchisee and its employees shall cooperate fully with HR or its designee in its efforts and activities in this regard and shall be bound by all further Crisis Situation procedures developed by HR from time to time hereafter. The indemnification under Section 25 shall include all losses and expenses that may result from the exercise by HR or its designee of the management rights granted in this Section 32.G.

#### **H. Compliance with U.S. Laws**

Franchisee acknowledges that under applicable U.S. law, including, without limitation, Executive Order 13224, signed on September 23, 2001 ("Order"), HR is prohibited from engaging in any transaction with any person engaged in, or with a person aiding any person engaged in, acts of terrorism, as defined in the Order. Accordingly, Franchisee represents and warrants to HR that as of the date of this Agreement, neither Franchisee nor any person holding any ownership interest in Franchisee, controlled by Franchisee, or under common control with Franchisee is designated under the Order as a person with whom business

may not be transacted by HR, and that Franchisee: **(1)** does not, and hereafter shall not, engage in any terrorist activity; **(2)** is not affiliated with and does not support any individual or entity engaged in, contemplating, or supporting terrorist activity; and **(3)** is not acquiring the rights granted under this Franchise Agreement with the intent to generate funds to channel to any individual or entity engaged in, contemplating, or supporting terrorist activity, or to otherwise support or further any terrorist activity.

**I. FOR THE FOLLOWING STATES ONLY: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, WISCONSIN**

If Franchisee is a resident of one of the states listed in the heading of this Section 32.I (the “Applicable Franchise Registration State”) or a non-resident who is acquiring franchise rights permitting the location of the Franchised Restaurant in the Applicable Franchise Registration State, then the following applies:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## GUARANTEE AND ASSUMPTION OF FRANCHISEE'S OBLIGATIONS

In consideration of, and as an inducement to, the execution of the Hardee's Restaurant Franchise Agreement dated as of \_\_\_\_\_ ("Agreement") by Hardee's Restaurants LLC ("HR"), entered into with \_\_\_\_\_ ("Franchisee"), the undersigned ("Guarantors"), each of whom is a member of Franchisee's Continuity Group or a 10% Owner, or the spouse thereof, hereby personally and unconditionally agree as follows:

**1. Guarantee To Be Bound by Certain Obligations.** Guarantors hereby personally and unconditionally guarantee to HR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that each will be personally bound by the restrictions contained in Section 20 of the Agreement.

**2. Guarantee and Assumption of Franchisee's Obligations.** Guarantors hereby: **(A)** guarantee to HR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that Franchisee and any assignee of Franchisee's interest under the Agreement shall: **(1)** punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and **(2)** punctually pay all other monies owed to HR and/or its affiliates; **(B)** agree to be personally bound by each and every provision in the Agreement, including, without limitation, the provisions of Sections 20 and 25; and **(C)** agree to be personally liable for the breach of each and every provision in the Agreement.

**3. General Release.** Except as set forth in this Section 3, each Guarantor (if an individual, on behalf of him/herself and his/her heirs, representatives, successors and assigns, and if a business entity, on behalf of itself and its parent, subsidiaries and affiliates) (each a "Releasor" and collectively, "Releasors"), freely and without any influence, forever release and covenant not to sue HR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, "HR Releasees"), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively "claims"), that any Releasor now owns or holds or may in the future own or hold, based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Guarantee, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to the Agreement and all other agreements between any Releasor and any HR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by HR or its parents, subsidiaries, affiliates or predecessors. Each Guarantor (on behalf of the applicable Releasors) expressly agrees that fair consideration has been given by HR for this release and fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Hardee's Franchise Disclosure Document provided to any Releasor in connection with the Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for the Agreement as of the date of the Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436).

**4. General Terms and Conditions.** The following general terms and conditions shall apply to this Guarantee:

**A.** Each of the undersigned waives: **(1)** acceptance and notice of acceptance by HR of the foregoing undertakings; **(2)** notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; **(3)** protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; **(4)** any right he may have to require that an action be brought against Franchisee or any other person as a condition of liability; **(5)** all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guarantee by the undersigned; **(6)** any law or statute which requires that HR make demand upon, assert claims against or collect from Franchisee or any others, foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any others prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guarantee; **(7)** any and all other notices and legal or equitable defenses to which he may be entitled; and **(8)** any and all right to have any legal action under this Guarantee decided by a jury.

**B.** Each of the undersigned consents and agrees that: **(1)** his direct and immediate liability under this Guarantee shall be joint and several; **(2)** he shall render any payment or performance required under the Agreement if Franchisee fails or refuses punctually to do so; **(3)** such liability shall not be contingent or conditioned upon pursuit by HR of any remedies against Franchisee or any other person; **(4)** such liability shall not be diminished, relieved or otherwise affected by any amendment of the Agreement, any extension of time, credit or other indulgence which HR may from time to time grant to Franchisee or to any other person including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guarantee, which shall be continuing and irrevocable during the term of the Agreement and for so long thereafter as there are monies or obligations owing from Franchisee to HR or its affiliates under the Agreement; and **(5)** monies received from any source by HR for application toward payment of the obligations under the Agreement and under this Guarantee may be applied in any manner or order deemed appropriate by HR. In addition, if any of the undersigned ceases to be a member of the Continuity Group, a 10% Owner, an officer or director of Franchisee or own any direct or indirect interest in Franchisee or the Franchised Restaurant, that person (and his spouse, if the spouse is also a guarantor) agrees that the obligations under this Guarantee shall continue to remain in force and effect unless HR in its sole discretion, in writing, releases those person(s) from this Guarantee. Notwithstanding the provisions of the previous sentence, unless prohibited by applicable law, the obligations contained in Section 20.C. of the Agreement shall remain in force and effect for a period of 2 years after any such release by HR. A release by HR of any of the undersigned shall not affect the obligations of any other Guarantor.

### ACKNOWLEDGMENT ADDENDUM TO HARDEE'S RESTAURANT FRANCHISE AGREEMENT

**THIS ACKNOWLEDGMENT ADDENDUM DOES NOT APPLY TO CANDIDATES LOCATED IN, OR FRANCHISED RESTAURANT BUSINESSES TO BE LOCATED IN, ANY OF THE FOLLOWING FRANCHISE REGISTRATION STATES: CA, HI, IL, IN, MD, MI, MN, NY, ND, RI, SD, VA, WA, WI.**

*As you know, you and we are entering into a Franchise Agreement for the operation of a Hardee's. Restaurant franchise. Please review each of the following statements carefully and confirm their accuracy or advise us of their inaccuracy.*

Acknowledgments and Representations. I, the undersigned Franchisee, hereby acknowledge and represent to Hardee's Restaurants LLC ("HR"), as follows:

A. I have received a copy of Hardee's Restaurants Franchise Disclosure Document (and all exhibits and attachments) (the "Disclosure Document") at least fourteen calendar days prior to signing the Hardee's Restaurants Franchise Agreement (the "Franchise Agreement"). If I am a resident of Iowa, I acknowledge that I received the Disclosure Document at the earlier of the first personal meeting or at least 10 business days before the execution of any franchise or other agreement or payment of any consideration that relates to the franchise relationship. *If not accurate, please comment:*\_\_\_\_\_

B. The Franchise Agreement involves significant legal and business rights and risks. HR does not guarantee my success. I have read the Franchise Agreement in its entirety, conducted an independent investigation of the business contemplated by the Franchise Agreement, have been thoroughly advised with regard to the terms and conditions of the Franchise Agreement by legal counsel or other advisors of my choosing, recognize that the nature of the business conducted by Hardee's Restaurants may change over time, have had ample opportunity to investigate all representations made by or on behalf of HR, and have had ample opportunity to consult with current and former franchisees of HR. The prospect for success of the business undertaken by me is speculative and depends to a material extent upon my personal commitment, capability and direct involvement in the day-to-day management of the business. *If not accurate, please comment:*\_\_\_\_\_

C. HR makes no express or implied warranties or representations that I will achieve any degree of success in the development or operation of the Franchised Restaurant and that success in the development and operation of the Franchised Restaurant depends ultimately on my efforts and abilities and on other factors, including, but not limited to, market and other economic conditions, my financial condition and competition. *If not accurate, please comment:*\_\_\_\_\_

D. HR has entered, and will continue to enter, into agreements with other franchisees. The manner in which HR enforces its rights and the franchisees' obligations under any of those other agreements shall not affect the ability of HR to enforce its rights or my obligations under my Franchise Agreement. *If not accurate, please comment:*\_\_\_\_\_

E. Other than as expressly stated in Item 19 of the Disclosure Document, I have not received from HR or its affiliates or anyone acting on their behalf, any oral, written or visual claim, statement, promise or representation to me that stated, suggested, predicted or projected sales, revenues, earnings, income or profit levels at any Hardee's Restaurant location. *If not accurate, please comment:*\_\_\_\_\_

F. I have not received from HR or its affiliates or anyone acting on their behalf, any representations other than those contained in the Hardee's. Franchise Disclosure Document provided to Franchisee as inducements to enter this Agreement. *If not accurate, please comment:* \_\_\_\_\_

G. I understand that I am responsible for developing my own business plan for my Hardee's Restaurant business, including capital budgets, financial statements, projections and other elements appropriate to your particular circumstances, and as part of my planning, I need to take into account the expenses I will incur. Expenses that I may incur include, but are not limited to, royalty and marketing fees, interest on debt service, insurance, legal and accounting charges, and depreciation/ amortization. I have been advised to consult with my professional advisors to assist me to identify the expenses I likely will incur, to prepare my budgets, and to assess the likely or potential financial performance of my Store. In developing the business plan, I understand that I should make necessary allowance for changes in financial results to income, expenses, or both, that may result from operation of my store during periods of, or in geographic areas suffering from, economic downturns, inflation, unemployment, or other negative economic influences. *If not accurate, please comment:* \_\_\_\_\_

H. I understand that any training, support, guidance or tools HR provides to me as part of the franchise are for the purpose of protecting the Hardee's Restaurants brand and trademarks and to assist me in the operation of my business and not for the purpose of controlling or in any way intended to exercise or exert control over my decisions or day-to-day operations of my business, including my sole responsibility for the hiring, wages and other compensation (including benefits), training, supervision and termination of my employees and all other employment and employee related matters. *If not accurate, please comment:* \_\_\_\_\_

I. On the receipt pages of my Disclosure Document I identified \_\_\_\_\_ as the franchise sellers involved in this franchise sales process (these are the company representatives who offered me my franchise). The franchise sellers identified above are the only franchise sellers involved with this transaction. *If not accurate, please identify any additional franchise sellers involved with this transaction:* \_\_\_\_\_

*IF MORE SPACE IS NEEDED TO RESPOND TO ANY REPRESENTATION, CONTINUE ON A SEPARATE SHEET AND ATTACH.*

I UNDERSTAND THAT MY ANSWERS ARE IMPORTANT AND THAT HARDEE'S RESTAURANTS, LLC WILL RELY ON THEM. BY SIGNING THIS ADDENDUM, I REPRESENT THAT I HAVE CONSIDERED EACH REPRESENTATION CAREFULLY AND RESPONDED FULLY AND TRUTHFULLY.

**LEASE ADDENDUM**

## HARDEE'S LEASE ADDENDUM

**THIS ADDENDUM** to the Lease Agreement dated as of \_\_\_\_\_ (“Lease”) between \_\_\_\_\_ (“Landlord”) and \_\_\_\_\_ (“Tenant”) is entered into as of the effective date of the Lease.

### RECITALS:

Pursuant to the Lease, Landlord will lease or has leased to Tenant certain real property as defined in the Lease (“Premises”) for the operation of a franchised Hardee’s Restaurant (“Restaurant”);

Tenant will develop and operate the Restaurant pursuant to a franchise agreement (the “Franchise Agreement”) with Hardee’s Restaurants LLC or its affiliates (collectively “HR”), and the Lease is contingent upon Tenant’s execution of the Franchise Agreement with HR; and

The Franchise Agreement requires, among other things, that the Lease contain certain provisions. Landlord and Tenant desire to modify the Lease to add those required provisions as set forth below, and agree that the terms and provisions of this Lease Addendum are hereby deemed incorporated into and made a part of the Lease.

**NOW, THEREFORE**, notwithstanding anything to the contrary elsewhere in the Lease, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant agree as follows:

1. The effectiveness of the Lease is contingent upon Tenant’s execution of the Franchise Agreement with HR within 30 days after the date of this Addendum.
2. Landlord consents to Tenant’s use of the proprietary signs, distinctive exterior and interior designs, colors and layouts, and the trademarks prescribed by HR (collectively, “Proprietary Marks”), and upon expiration or the earlier termination of the Lease, consents to permit Tenant, at Tenant’s expense, to remove all such items and other trade fixtures, so long as Tenant makes repairs to the Premises caused by such removal.
3. Landlord and Tenant each agrees to provide HR (at the same time as sent to the other party) a copy of all amendments, assignments, any notices of default, option and refusal rights notices and any other material documents or correspondence or notices pertaining to the Lease and the Premises, including without limitation, tenant estoppel certificates and subordination agreements. HR’s mailing address, until further notice, for this purpose is Attention: Franchise Legal Team, 6700 Tower Circle, Suite 1000, Franklin, TN 37067.
4. Following reasonable notice to Landlord, HR shall have the right to enter the Premises to make any modifications or alterations necessary to protect the “Hardee’s Restaurant System” and the Proprietary Marks and to cure any Tenant default under the Lease within the time periods provided by the Lease, and charge Tenant for all costs incurred in making such modifications or alterations and for curing any such default, all without being guilty of trespass or other tort.
5. Landlord agrees that Tenant, and not HR, shall be solely responsible for all obligations, debts and payments under the Lease and that HR shall have no liability in that regard.
6. Landlord agrees that, following the expiration or earlier termination of the Lease or the Franchise Agreement, Tenant shall have the right to make those alterations and modifications (including removal and

demolition of improvements installed by Tenant or HR if necessary) to the Premises or any part thereof as may be necessary to clearly distinguish to the public the Premises from a Hardee's Restaurant and also to make those specific additional changes as HR reasonably may require for that purpose. This includes, but is not limited to, removal of all Proprietary Marks. Landlord further agrees that, if Tenant fails to promptly make the necessary alterations and modifications, HR shall have the right to do so without being guilty of trespass or other tort so long as HR makes repairs to the building caused by such removal.

7. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees not to amend or otherwise modify the Lease in any manner that would affect any of the requirements set forth herein without HR's prior written consent.

8. Tenant may assign the Lease, or any right or rights therein (including without limitation purchase options or rights of first refusal), to HR or its parent, affiliates or subsidiaries (without Landlord's consent) or its designee (with Landlord's consent which consent shall not be unreasonably withheld) and without payment of any assignment fee or similar charge or increase in any rentals or other charges payable to Landlord.

9. Landlord consents to Tenant's collateral assignment of the Lease to HR or its designee, granting HR the option, but not the obligation, to assume the Lease and/or any or all rights therein.

10. If Tenant fails to exercise, for any reason, any term renewal or term extension right under the Lease, then HR may exercise such right, and upon the exercise of such right by HR, Tenant agrees that the Lease shall be deemed transferred and assigned to HR, effective upon the commencement of the renewal or extension term, without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. If Tenant fails to exercise, for any reason, any purchase option or right of first refusal or similar right under the Lease, then HR may exercise such right, and upon the exercise of such right by HR, Tenant agrees that such right shall be deemed transferred and assigned to HR without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. Landlord and Tenant acknowledge that HR's exercise of the foregoing rights is subject to Tenant's right to exercise such rights, and that if Tenant legally exercises such right within the time permitted under the Lease, HR's exercise of such rights, whether before or after Tenant's exercise, shall be void.

11. HR is hereby deemed a third party beneficiary of this Addendum solely for the purpose of enforcing any rights granted to or otherwise available to HR under this Addendum.

12. Upon the expiration or termination of the Lease or Franchise Agreement, Landlord acknowledges and agrees that HR has the option, in accordance with its rights under the Franchise Agreement, to take an assignment of Tenant's rights and obligations under the Lease. HR may exercise its step-in rights by giving written notice to the Landlord at any time following such expiration or termination of the Lease or Franchise Agreement up until 30 days after the later of: (1) the effective date of termination or expiration of the Lease or Franchise Agreement; or (2) the date Tenant ceases to operate the Restaurant.

13. The foregoing provisions shall apply during the entire term of the Lease, including any renewal term. To the extent there is any conflict between the terms set forth in the body of the Lease and the terms set forth in this Lease Addendum, the terms of this Lease Addendum will control.

14. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

15. Each of the persons executing this Addendum on behalf of each party represents and warrants that

said party has the full right, power and authority to execute and deliver this Addendum and that each person signing on said party's behalf is authorized to do so.

[Remainder of Page Intentionally Blank]

LICENSOR WILL NOT BE RESPONSIBLE FOR ANY LOSS OF SALES OR LOST PROFITS BY LICENSEE DURING THE PERIOD IN WHICH THE LICENSED PROGRAM OR CONTENT IS INACCESSIBLE OR INOPERATIVE. NOR WILL LICENSOR BE RESPONSIBLE FOR ANY LOSS OR INACCURACY OF DATA CAUSED BY THE LICENSED PROGRAM OR CONTENT. IN ANY EVENT, THE LIABILITY OF LICENSOR TO LICENSEE FOR ANY REASON AND UPON ANY CAUSE OF ACTION SHALL BE LIMITED TO THE AMOUNT PAID TO LICENSOR BY LICENSEE UNDER THIS AGREEMENT DURING THE TRAILING 12 MONTH PERIOD. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION IN THE AGGREGATE, INCLUDING WITHOUT LIMITATION TO BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATIONS, AND OTHER TORTS. BOTH PARTIES UNDERSTAND AND AGREE THAT THE REMEDIES AND LIMITATIONS SET FORTH IN THIS ARTICLE 7 ALLOCATE THE RISKS OF PRODUCT AND SERVICE NONCONFORMITY BETWEEN THE PARTIES AS AUTHORIZED BY THE UNIFORM COMMERCIAL CODE AND OF OTHER APPLICABLE LAWS. THE FEES IN THIS AGREEMENT REFLECT, AND ARE SET IN RELIANCE UPON, THIS ALLOCATION OF RISK AND THE EXCLUSION OF CONSEQUENTIAL DAMAGES SET FORTH IN THIS AGREEMENT.

## **ARTICLE 8**

### **TERM AND TERMINATION**

**8.1     Term.** Unless this Agreement is terminated by its terms, the term of this Agreement commences on the Effective Date and remains in force until the earlier of: (a) for each Franchised Restaurant, the termination or expiration of the respective Franchise Agreement; or (b) Licensor's determination, in its sole discretion, to require Licensee to license from Licensor or a third-party provider the same or different licensed program and/or content under then-applicable terms. If Licensor loses the right to provide Licensee access to the Licensed Program, then this Agreement shall be amended or terminated as necessary. In addition, Licensee shall have the right to terminate this Agreement for any reason and at any time by providing Licensor with 60 days written notice of its intent to cease using the Licensed Program and Content.

**8.2     Cessation of Use.** Upon termination of this Agreement, Licensor will disconnect Licensee from the Licensed Program and Content and deactivate passwords, as applicable. Licensee shall cease

using the Licensed Program and Content and promptly return to Licensor all copies of all such materials and all other Confidential Information in its possession or control. Licensee shall delete all copies of such materials residing in on-line or off-line computer memory, and destroy all copies of such materials that also incorporate Confidential Information. Licensor shall be entitled to enter the Franchised Restaurants to repossess and remove the Licensed Program and Content, and any other Confidential Information. Licensee shall, within 5 days from the effective date of the termination, certify to Licensor, in writing by an officer or director, that all copies of the Licensed Program and Content have been returned, deleted or destroyed. In the event of termination of the License granted by this Agreement for fewer than all Franchised Restaurants, Licensee shall comply with the foregoing with respect to the applicable Franchised Restaurants. Notwithstanding forgoing, upon request Licensee shall have the right to receive from Licensor such readily accessible reports or information containing data of Licensee's completed training modules (or other available data) with the understanding that Licensor shall not have the right to incur any additional expenses to provide such data to Licensee.

**8.3 Injunctive Relief.** Licensee acknowledges and agrees that its failure to comply with the terms of this Agreement, including the failure to fully comply with the post-termination obligations set forth in Section 8.2, is likely to cause irreparable harm to Licensor and/or Vendor not fully compensable by money damages and therefore Licensor shall not have an adequate remedy at law. Therefore, Licensee agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Licensee, Licensor and Vendor shall be entitled to a preliminary and final injunction restraining the breach and/or to specific performance, without the necessity of posting any bond or undertaking in connection therewith. Any equitable remedies sought by Licensor shall be in addition to, and not in lieu of, all remedies and rights that Licensor otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

This Agreement contains the entire agreement between the parties concerning the grant of the License to Licensee to use the Licensed Program and Content and supersedes and merges all prior proposals, understandings and all other agreements, oral and written between the parties relating to this Agreement. Each party to this Agreement agrees that it will perform its obligations hereunder in accordance with all applicable laws, rules and regulations now or hereafter in effect (including, without limitation, any applicable privacy or data protection laws).

**9.3 Assignment.** This Agreement will be binding upon and inure to the benefit of the parties to this Agreement, their respective successors and permitted assigns. Licensee consents to the personal jurisdiction of those courts over Licensee and venue in those courts.

**9.8 Costs and Expenses.** Licensee agrees to pay to Licensor on demand any and all costs and expenses incurred by Licensor in enforcing the terms of this Agreement, including, without limitation, collecting any monies owed by Licensee to Licensor. These costs and expenses include, but are not limited to, costs and commissions due a collection agency, reasonable attorneys' fees, court costs, expert witness fees and discovery costs, together with interest charges on all of the foregoing.

**9.9 Notice.** No notice, demand, request or other communication to the parties shall be binding upon the parties unless the notice is in writing, refers specifically to this Agreement and is addressed to the party at the address stated in Exhibit A. ## **EXHIBIT E**

### **PRELIMINARY AGREEMENT**

## PRELIMINARY AGREEMENT

**THIS AGREEMENT** is made as of \_\_\_\_\_, by and between Hardee's Restaurants LLC ("HR"), a Delaware limited liability company, and \_\_\_\_\_ and \_\_\_\_\_ ("Applicant").

### RECITALS:

A. Applicant wishes to be considered by HR for a franchise opportunity to develop and operate one or more Hardee's Restaurants ("Franchised Restaurants").

B. Before HR will consider offering Applicant a franchise opportunity, Applicant must attend a meeting at HR's offices and at a Hardee's Restaurant during which Applicant will have the opportunity to meet with, and be evaluated by, various HR personnel ("Discovery Day"). In addition, HR may require that Applicant, and/or an employee or employees or other individual or individuals designated by Applicant, and as agreed to and deemed appropriate by HR ("Other Individuals"), each satisfactorily complete other training programs (collectively "Training Programs"), depending on HR's determination of the need of those attending the Training Programs.

C. HR will provide Applicant and Other Individuals a variety of information both while Applicant and Other Individuals attend Discovery Day and the Training Programs and thereafter, if HR and Applicant continue to pursue a franchise opportunity.

D. The information that will be provided by HR is confidential, and HR is not willing to disclose the information to Applicant or Other Individuals unless they agree to keep the information confidential. Accordingly, the parties are entering into this Agreement to ensure that Applicant and Other Individuals keep all such information confidential.

### AGREEMENT

**NOW, THEREFORE**, in consideration of the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

**1. Confidential Information.** As used in this Agreement, the term "Confidential Information" means any and all information, manuals and materials containing trade secrets; non-public business methods; improvements; data processes; formulae; designs; know-how; maps and trade area analyses; and all confidential technical and non-technical information that is disclosed by or on behalf of HR or its affiliates to Applicant and/or Other Individuals. "Confidential Information" also includes all other information that Applicant and/or Other Individuals know or have reason to know is the confidential, trade secret, or proprietary information of HR and/or its affiliates.

**2. Non-Use and Non-Disclosure of Confidential Information.**

A. Applicant and Other Individuals may use the Confidential Information solely for the purposes of evaluating whether or not to pursue a franchise opportunity with HR and for participating in the Training Programs. Except as expressly authorized by HR in writing, Applicant and Other Individuals agree to maintain all Confidential Information in strict confidence and not to use, or permit others to use, Confidential Information for any other purpose. Applicant will not disclose any Confidential Information to anyone other than Applicant's employees and/or third parties authorized by HR to receive Confidential Information, each of whom: **(1)** has a reasonable need to know the Confidential Information in connection with the evaluation of the franchise opportunity; **(2)** has been advised of the confidential nature of the

Confidential Information; and **(3)** if requested by HR, has signed an agreement, in a form satisfactory to HR, obligating the employee or third party to comply with all the provisions of this Agreement. The obligations of non-use and non-disclosure with respect to particular items of Confidential Information will remain in effect indefinitely.

**B.** Applicant and Other Individuals may not make any copies of any Confidential Information, except as may be necessary for uses permitted under this Agreement. Applicant and Other Individuals agree that any copies made will bear a clear stamp or legend indicating their confidential nature. Applicant and Other Individuals agree not to remove, overprint, or deface any notice of copyrights, trademark, logo, or other notices of ownership from any originals or copies of the Confidential Information.

**C.** Although Applicant and Other Individuals understand that HR has endeavored to include in the Confidential Information that information which HR believes is relevant for Applicant's and Other Individuals' purposes, Applicant and Other Individuals further understand and agree that HR does not make any representation or warranty as to the accuracy or completeness of the Confidential Information. Applicant and Other Individuals agree that neither HR nor its representatives will have any liability to Applicant, its representatives or the Other Individuals resulting from the use of and reliance on the Confidential Information.

**D.** The Confidential Information, and all copies thereof, remain the property of HR. Neither Applicant nor Other Individuals will acquire any rights in or to the Confidential Information pursuant to this Agreement.

**E.** Applicant and Other Individuals will immediately notify HR of any information that comes to their attention which indicates that there has been or may be a loss of confidentiality of any of the Confidential Information or a breach of this Agreement.

### **3. Termination.**

**A.** HR may at any time and without cause: **(1)** terminate Applicant's and/or Other Individuals' participation in the Training Programs; and **(2)** elect not to offer a franchise opportunity to Applicant.

**B.** Applicant may at any time and without cause: **(1)** terminate Applicant's and/or Other Individuals' participation in the Training Programs; and **(2)** elect not to pursue a franchise opportunity with HR.

**4. Obligations Upon Termination.** Upon termination of this Agreement, Applicant and Other Individuals will: **(A)** immediately cease to use the Confidential Information; **(B)** return to HR the Confidential Information and all copies thereof (whether or not the copies were authorized) within 10 days after termination and cause any third party to whom disclosure was made to do the same; and **(C)** at the request of HR, certify in writing that Applicant and Other Individuals have complied with this Section.

**5. No Agency.** Applicant and Other Individuals are not employees or agents of HR or its affiliates and are not entitled to, and will not receive, any compensation, including without limitation, salary, wages or employee benefits for participation in Discovery Day and/or the Training Programs. Applicant and Other Individuals will not receive any reimbursement for costs and expenses incurred by Applicant or Other Individuals as a result of Applicant's or Other Individuals' participation in Discovery Day and/or the Training Programs. Applicant and Other Individuals waive any and all rights to damages, the reimbursement of expenses or costs, as well as the payment of any compensation related directly or indirectly to Applicant's or Other Individuals' participation in the Discovery Day and/or the Training Programs.

**6. No Transfer.** This Agreement is personal to Applicant and Other Individuals and it may not be transferred by assignment, will or operation of law.

**7. Miscellaneous.**

**A.** Applicant and Other Individuals agree that they will not discuss salaries with HR personnel.

**B.** Applicant and Other Individuals understand and agree that no failure or delay by HR in exercising any right, power, or privilege under this Agreement will operate as a waiver, nor will any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right, power or privilege under this Agreement.

**C.** If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in a proceeding to which HR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect. If any material provision of this Agreement should be ruled invalid, HR reserves the right to terminate this Agreement.

**8. Injunctive Relief.** Applicant and Other Individuals acknowledge and agree that: **(A)** disclosure of the Confidential Information by Applicant, its employees, third parties to whom Applicant has disclosed the Confidential Information or Other Individuals would result in irreparable harm to HR, the extent of which would be difficult to ascertain; **(B)** monetary damages would be an inadequate remedy for such a breach; and **(C)** HR will be entitled to specific performance and injunctive or other equitable relief as a court may deem appropriate in the event of such a breach without posting a bond or other security.

**9. Indemnification and Attorneys' Fees.** Applicant and Other Individuals agree to indemnify, defend and hold harmless HR and its parents, subsidiaries, affiliates, predecessors, successors and assigns and their past and present directors, officers, employees, agents and representatives from any and all claims, demands and damages (including attorneys' fees) incurred in connection with or resulting from any breach of any obligation under this Agreement by Applicant, Other Individuals or representatives of Applicant. Applicant and Other Individuals agree that, if HR institutes any proceedings to enforce the obligations of Applicant or Other Individuals under this Agreement, HR will be entitled to recover its reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with any such proceeding.

**10. Entire Agreement.** This Agreement constitutes the entire, full and complete agreement between the parties concerning the subject matter covered herein and supersedes any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement. No obligations or duties that contradict or are inconsistent with the express terms of this Agreement may be implied into this Agreement. No amendment, change or variance from this Agreement will be binding on any party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representation made in HR's Franchise Disclosure Document.

## **11. Governing Law and Jurisdiction.**

**A.** This Agreement and any claim or controversy arising out of, or relating to, the rights and obligations of the parties under this Agreement and any other claim or controversy between the parties will be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or will be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

**B.** The parties agree that, to the extent any disputes cannot be resolved directly between them, Applicant and Other Individuals may file any suit against HR only in the federal or state court having jurisdiction where HR's principal offices are located at the time suit is filed. HR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Applicant or Other Individuals reside or do business. Applicant and Other Individuals consent to the personal jurisdiction of those courts over Applicant and Other Individuals and to venue in those courts.

**C.** Unless prohibited by applicable law, any legal action or proceeding brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered. **Applicant, Other Individuals and HR waive, to the fullest extent permitted by law, the right to trial by jury.**

**12. Franchise Offer.** By signing this Preliminary Agreement, HR is not obligated to offer Applicant a franchise and Applicant is not obligated to accept any franchise offer. No franchise offer by HR will come into existence except by a written document executed by an officer of HR which is specifically identified as a Letter of Intent, a License Agreement, a Purchase Agreement, a Development Agreement, or a Franchise Agreement. This Agreement is not an offer of a franchise or a commitment or promise by HR to offer Applicant a franchise, and HR's decision to make any franchise offer rests in HR's sole discretion.

Franchisee agrees that it shall not, without the written permission of CKR, PAR Brink and CrunchTime: **(a)** modify any Confidential Information; **(b)** reverse engineer, decompile, decrypt or disassemble the Confidential Information or attempt to do so; **(c)** transfer, rent, lease, lend or sublicense any Confidential Information to anyone for any purpose; or **(d)** reveal or disclose any Confidential Information for any purpose to any other person, firm, corporation or other entity, other than Franchisee's employees with a need to know that Confidential Information, to perform employment responsibilities consistent with Franchisee's rights under this Agreement. Franchisee shall safeguard and protect the Confidential Information from theft, piracy or unauthorized access in a manner at least consistent with the protections Franchisee uses to protect its own most confidential information. Franchisee shall inform its employees of their obligations under this Agreement and shall take those steps as may be reasonable in the circumstances, or as may be reasonably requested by CKR, PAR Brink and CrunchTime, to prevent any unauthorized disclosure, copying or use of the Confidential Information.

**4.2     Unauthorized Disclosure.** Franchisee shall notify CKR immediately upon discovery of any prohibited use or disclosure of the Confidential Information, or any other breach of these confidentiality obligations by Franchisee, and shall fully cooperate with CKR to help CKR regain possession of the Confidential Information and prevent the further prohibited use or disclosure of the Confidential Information.

## ARTICLE 8

### GENERAL

**8.1 Miscellaneous.** The headings used in this Agreement are for convenience only and are not intended to be used as an aid to interpretation. If any part of this Agreement is held to be illegal or unenforceable, the validity or enforceability of the remainder of this Agreement shall not be affected. This Agreement will be binding upon and inure to the benefit of the parties to this Agreement, their respective successors and permitted assigns. Franchisee may not assign its rights or obligations under this Agreement without the prior written consent of CKR. Failure by either party to exercise any right or remedy under this Agreement does not signify acceptance of the event giving rise to such right or remedy. This Agreement contains the entire agreement between the parties concerning the subject matter hereof and supersedes and merges all prior proposals, understandings and all other agreements, oral and written, between the parties relating to this Agreement.

**8.2 Governing Law.** This Agreement and any claim or controversy arising out of, or relating to, rights and obligations of the parties under this Agreement and any other claim or controversy between the parties shall be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles.

## OLO AUTHORIZED OPERATOR AGREEMENT

This Olo Authorized Operator Agreement (the “Agreement”), effective as of \_\_\_\_\_ (the “Effective Date”), is made by and between Olo Inc., a Delaware corporation with a business address at 285 Fulton St. 82nd Floor, New York, NY 10007 (“Olo”) and \_\_\_\_\_, a \_\_\_\_\_ with a business address at \_\_\_\_\_ (“Operator”).

### RECITALS

WHEREAS, Olo offers e-commerce, delivery enablement, payment solutions, and other associated solutions and services; and

WHEREAS, Operator is an authorized franchisee or licensee of CKE Restaurants Holdings, Inc. (“Customer”);

WHEREAS, Customer has entered into an agreement (“Master Services Agreement”) with Olo, whereby Olo shall provide certain services to Customer which may include e-commerce, delivery enablement, payment solutions, and other associated solutions and services; and

WHEREAS, Operator desires to use the services made available to Customer pursuant to the Master Services Agreement, and Olo desires to make available such services for use by Operator, all pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, the parties agree as follows:

### 1. Definitions

“Aggregator” means an entity that offers End Users the ability to order Products (as defined below) from a range of different brands via a unified consumer-facing mobile application, website, storefront, or other means. For the avoidance of doubt, an Aggregator shall also be considered as a “Customer Third Party Provider.”

“Customer Third Party Providers” means third parties used and/or directed by Customer that interface with the Licensed Applications.

“End User(s)” means the consumers who access the Customer or Operator’s Licensed Applications (as defined herein) directly or indirectly, typically in conjunction with placing a digital order for the Product(s).

“Licensed Applications” means the products and services that are developed and operated by Olo to provide e-commerce, Aggregator integration, delivery enablement, and payment solutions and other associated services to its customers generally (through web, mobile web, mobile applications, voice ordering and call center solutions as applicable), and other related products and services which may be added from time-to-time, including any associated application program interfaces (“API(s)”) and any enhancements or modifications thereto.

“Operator Launch Date” means the specific date on which the initial Licensed Applications are available to End Users from Operator locations.

“Personally Identifiable Information” or “PII” means any and all individually identifiable information or data relating to a natural person that (a) directly or indirectly identifies or can be used to directly or indirectly identify an individual or household, (b) that relates to an individual or household, whose identity can be either directly or indirectly inferred, including any information that is linked or linkable to that individual or household, or (c) that may be considered personally identifiable information under any applicable Data Protection Laws (which includes any and all statutes, laws, ordinances, rules, regulations, codes, orders, official guidance, or other requirements of any federal, state, local, or foreign government or political subdivision thereof, or any arbitrator, court, or tribunal of any competent jurisdiction, relating to the protection, use, or security of personally identifiable information, including, but not limited to, the California Consumer Protection Act).

“Product” means the food, beverage and/or any other good provided by the Operator for order by an End User.

“Services” means any services that Olo provides with each Licensed Application to Operator.

### 2. Services

2.1. Use of this Agreement. To the extent applicable, terms and conditions specific to each selected Licensed Application and the Services shall be set forth in Addendums attached hereto.

The Services shall also include any required, usual, appropriate or acceptable methods to perform activities related to the Services, including without limitation (a) conducting analytics and other product improvement activities, (b) carrying out the Services or the business of which the Services are a part, (c) carrying out any benefits, rights and obligations related to the Services, (d) maintaining records relating to the Services, and (e) complying with any legal or self-regulatory obligations related to the Services.

### **3. License; Proprietary Rights**

3.1. License. Subject to the terms and conditions of the Agreement and the applicable Addendums, Olo hereby grants to Operator, during the Term, a non-exclusive, non-sublicensable (except as permitted hereunder), non-transferable (except pursuant to Section 10.4) license to access and use for itself and its End Users, the specific Licensed Applications selected in the applicable Customer Order Form. Operator shall not (a) assign this Agreement to any third party (it being understood that any such assignment shall be void ab initio); or (b) transfer, sell, or assign the right to use the Licensed Applications, including for the avoidance of doubt to any Customer Third Party Provider (except pursuant to Section 10.4). Olo reserves the right, in its sole discretion, to promulgate commercially reasonable standards that must be adhered to by Customer Third Party Providers (including, but not limited to, Olo's certification

of all integrations to the Olo APIs). Any Customer Third Party Provider's breach or suspected breach of data security or confidentiality, abuse, or malicious or suspected malicious activities, may (at Olo's sole discretion) necessitate the immediate suspension, and possible termination, of Customer Third Party Provider's access to the Licensed Applications. A breach of the obligations set forth in this Section 3.1 by Operator may constitute a material breach of this Agreement.

3.2. Proprietary Rights. As between Operator and Olo, Operator hereby acknowledges and agrees that Olo owns all right, title and interest, including all copyrights and other intellectual property and proprietary rights, in and to the Licensed Applications, and all custom developed documents, designs, computer programs, computer systems, computer documentation and other work product authored or prepared by Olo upon the request of Customer or otherwise arising out of the Services (collectively, "Olo IP").

3.3. Trademark License. Operator acknowledges that the ownership, right, title and interest in and to Olo's trademarks rests with Olo and agrees that it will do nothing inconsistent with such ownership. Operator may use the slogan "Skip the Line®" in marketing materials and store displays in reference to the order ahead program utilizing the Licensed Applications; provided however that any display of such slogan clearly denotes the slogan as a registered trademark of Olo.

#### **4. Confidentiality; Security**

4.1. A Party receiving Confidential Information may only use Confidential Information to exercise its rights and fulfill its obligations under this Agreement and will take reasonable measures to avoid unauthorized disclosure or misuse of the Confidential Information, including, but not necessarily limited to, taking such security precautions as it takes to protect its own Confidential Information. During and after the Term, the receiving Party agrees not to disclose Confidential Information, except (a) to its employees, agents, independent contractors, or professional advisors who have a need to know the same and who are legally bound to keep it confidential; (b) to a potential acquirer of the receiving Party's relevant assets, stock, or business under a strict duty of confidentiality, but only to the extent such potential acquirer has executed a term sheet, letter of intent or other similar agreement to negotiate such acquisition, and (c) as required to be disclosed by applicable Law, or judicial or other governmental or regulatory order (provided that the disclosing Party must use reasonable efforts to notify the other Party, unless legally prohibited, prior to disclosure in order to afford such other Party the opportunity to at its own expense seek a protective order or otherwise prevent or limit the disclosure). For the avoidance of doubt, the terms of this Agreement are Confidential Information belonging to both parties.

4.2. Security. The terms of Olo's Security Policy, available at [www.olo.com/security-policy](http://www.olo.com/security-policy), are hereby incorporated by reference. Customer may provide in writing additional minimum security requirements, which Olo will use commercially reasonable efforts to promptly implement.

#### **5. Representations and Warranties**

5.1. Each party represents and warrants that (a) it has the legal power and authority to enter into this Agreement; (b) it will not violate, or use or provide the Services (as applicable) in violation of, any applicable Laws, including any applicable privacy and Data Protection Laws, or any third party right; (c) it will use or provide the Services (as applicable) in compliance with its agreements with third parties; and (d) it will comply with the terms of the Olo Security Policy, which are incorporated into this Agreement by reference. Olo further represents and warrants

that (i) it will provide the Services in a manner consistent with general industry standards reasonably applicable to the provision thereof, and (ii) its Security Policy will be no less stringent throughout the Term, and for two (2) years following the termination of this Agreement, than is as described at [www.olo.com/security-policy](http://www.olo.com/security-policy); (iii) the Licensed Applications will be free from viruses or other disabling features and perform in all material respects to the applicable documentation for each Licensed Application.

5.2. OLO MAKES NO REPRESENTATION OR WARRANTY OTHER THAN THOSE SET FORTH IN THIS AGREEMENT. THE WARRANTIES STATED IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS EXPRESSED OR IMPLIED INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

#### **6. Term and Termination**

6.1. Term – Generally. The Term of this Agreement shall begin on the Operator Launch Date and shall remain in force for a period that shall expire once all corresponding Order Forms have terminated. This Agreement and corresponding Order Forms may terminate earlier as provided in Section 7.2 or Section 7.3, or as the parties may otherwise agree in writing.

6.2. Termination of the Master Services Agreement. This Agreement shall automatically terminate if and when the Master Services Agreement is terminated between Olo and Customer.

6.3. Termination for Cause; Reasonable Opportunity to Cure Breach. If a party breaches any material provision of this Agreement, the non-breaching party may terminate this Agreement and corresponding Order Forms by giving thirty (30) days' notice to the other party, except that such a termination shall not take effect if the breaching party cures the breach before the end of such thirty (30) day period. For purposes of this Agreement, breach of a material provisions means a breach that has caused or, with the passage of time, will cause substantial harm to the interests of the aggrieved party, specifically including but not limited to breaches

of 3.1 (License), 3.2 (Proprietary Rights), 3.3 (Trademark License) and 5 (Confidentiality; Security), or if the aggregate effect of non-material breaches by the same party satisfies this standard for materiality.

6.4. Termination of Franchise Agreement/Elimination of Location. This Agreement shall automatically terminate as to a franchised location if and when (i) the franchise agreement between Customer and Operator is terminated, in which case this Agreement shall terminate as to all Customer franchised locations of Operator, or (ii) Operator no longer owns and operates the franchised location, in which case, this Agreement shall only terminate as to such franchised location.

## 7. Indemnification

7.1. Each of Olo and Customer (in such capacity, the “Indemnifying Party”) shall defend, indemnify and hold harmless the other Party and its officers, directors and employees (each an “Indemnified Party”) from all third-party claims and liabilities (including reasonable outside attorney’s fees) arising out of or relating to the Indemnifying Party’s (i) negligent acts or omissions including the negligent acts or omissions of its employees, subcontractors or representatives and with respect to Customer, its Third Party Providers or Authorized Operators; (ii) breach of Section 5 or 6; or (iii) infringement or misappropriation of a third party’s trade secret, or United States patent, trademark or copyright, or other intellectual property right in connection with (a) with respect to Olo, the Licensed Applications, software or other technology Olo uses to provide the Services to Customer hereunder and (b) with respect to Customer, the technology, data, or other materials Customer provides or uses with the Services (“Customer Materials”) (the indemnification obligation of each Party described in this clause (iii), the “IP Infringement Obligation”). The previous sentence states the sole liability of the Indemnifying Party, and the sole remedy of the Indemnified Party, with respect to any third-party claim arising out of the Indemnifying Party’s negligent acts or omissions (other than claims arising from fraud, criminal activity or willful misconduct).

7.2. Additionally, Customer shall defend, indemnify and hold harmless Olo and its officers, directors and employees (each, an

“Indemnified Party”) from all third-party claims and liabilities (including reasonable outside attorney’s fees) arising out of or relating to (i) any action against Olo arising out of any Customer Third Party Provider’s disclosure or misuse of Customer Data or related to Olo’s release of such Customer Data, including PII, if the release of such information was requested in writing by Customer; (ii) Customer’s failure to properly collect and remit taxes or other government payments or fees associated with its usage of the Services, which shall be the sole responsibility of the Customer and, if applicable, the Authorized Operators; and (iii) the transfer of Customer Data by any means not recommended or deemed reasonably secure by Olo.

7.3. The Indemnified Party must (a) promptly notify the Indemnifying Party in writing of any third-party claim (provided that a failure to promptly notify will not relieve the Indemnifying Party of its indemnification obligations, except to the extent it has been prejudiced by such failure); (b) reasonably cooperate with the Indemnifying Party in the defense of the matter; and (c) give the Indemnifying Party primary control of the defense of the matter and negotiations for its settlement. The Indemnified Party may, at its own expense, join in the defense with counsel of its choice. The Indemnifying Party may not enter into a settlement unless it (i) involves only the payment of monetary damages by the Indemnifying Party, and (ii) includes a complete release of liability in favor of the Indemnified Party; any other settlement will be subject to the written consent of the Indemnified Party (not to be unreasonably withheld).

7.4. Olo’s IP Infringement Obligation will not apply to claims to the extent arising from (i) Customer’s use of the Licensed Applications or Services in violation of this Agreement, (ii) the Customer Materials’ infringement or misappropriation of a third party’s trade secret, or U.S. patent, trademark, or copyright, or (iii) the combination, operation, or use of the Service(s) with any product, service or material not provided by Olo or on Olo’s behalf. Customer’s IP Infringement Obligation will not apply to claims to the extent arising from (a) Olo’s provision of the Service in violation of this Agreement, or (b) Olo’s infringement or misappropriation of a third party’s trade secret, or U.S. patent, trademark, or copyright. If a Service is, or in Olo’s reasonable opinion is likely to be, ruled by a court of

competent jurisdiction as infringing upon a third party's intellectual property, Olo will promptly notify Customer and, at Olo's sole option and expense, either: (a) procure the right to continue providing the Service as contemplated by this Agreement, (b) modify the Service to render it non-infringing, or (c) replace the Service with a substantially equivalent, non-infringing service. If none of the foregoing options is commercially practicable, then each Party will have the right to terminate this Agreement with respect to the infringing Service.

## 8. Limitation of Liability

EXCLUDING EITHER PARTY'S IP INFRINGEMENT INDEMNIFICATION OBLIGATIONS, A PARTY'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR BREACH OF CONFIDENTIALITY, DATA PRIVACY OR DATA SECURITY, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR (A) ANY CONSEQUENTIAL, INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES ARISING FROM OR RELATING TO THIS AGREEMENT, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ONE OR BOTH PARTIES KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES, AND (B) BUT FOR THE EXCLUSIONS ABOVE WITH RESPECT TO WHICH EACH PARTY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT WILL NOT EXCEED FIVE MILLION DOLLARS (\$5,000,000), EACH PARTY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT WILL NOT EXCEED THE AMOUNT OF FEES PAID OR PAYABLE TO OLO IN CONNECTION WITH OLO'S PROVISION OF THE SERVICES DURING THE TWELVE (12) MONTHS BEFORE THE DATE WHEN THE LIABILITY AROSE. THE PARTIES ACKNOWLEDGE THAT THE TERMS OF THIS SECTION 9 REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT THE PARTIES WOULD NOT HAVE ENTERED INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS OF LIABILITY.

## 9. Miscellaneous

9.1. Notices. All notices and other communications sent under this Agreement must be in writing (including by email) and will be deemed effective when delivered. All notices shall be sent to the applicable mailing address or email address set forth on the signature page hereof.

9.2. Governing Law. This Agreement is governed by and construed in accordance with the laws of Delaware, without regard to the conflicts of law rules thereof. The parties consent to the exclusive jurisdiction and venue of courts in Castle County, Delaware for all disputes hereunder.

Such insurance shall cover network security and privacy risks, including, but not limited to, unauthorized access, failure of security, breach of privacy perils, wrongful disclosure, collection, or other negligence in the handling of PII, privacy perils, and including coverage amounts and a copy of Olo's Certificates of Insurance for related regulatory defense and penalties. Furthermore, the insurance shall cover data breach expenses and be payable whether incurred by Customer or Olo, including but not limited to consumer notification, whether or not required by law, computer forensic investigations, public relations and crisis management firm fees, credit file or identity monitoring or remediation services. The coverage shall be written on a claims made and reported basis.

9.7. Amendment/Modification. This Agreement may be modified or amended only by a separate writing signed by Olo and Customer expressly so modifying or amending this Agreement or the Master Services Agreement.

9.8. Certain Remedies. The parties acknowledge that the breach of Sections 3 and 5 will give rise to irreparable injury to the non-breaching party inadequately compensable in damages. Accordingly, the parties agree that injunctive relief will be an appropriate remedy to prevent violation of the parties' respective rights and/or obligations under those two sections. However, nothing in this Section 10.8 shall limit a party's right to any other remedies in equity or at law, including the recovery of damages.

9.9. Force Majeure. Neither party will be deemed to be in default of or to have breached any provision of this Agreement as a result of any delay, failure in performance or interruption of service, resulting directly or indirectly from acts of God, acts of civil or military authorities, civil disturbances, wars, fires, state-sponsored cyber

terrorism, cyber-attacks or brute force attacks, espionage, sabotage, other catastrophes, and other causes beyond its reasonable control; provided, however, that Operator shall have no obligation to pay Olo during a Force Majeure event.

9.10. Counterparts. This Agreement may be executed in two counterparts, which together shall constitute but one and the same instrument.

Executed counterparts transmitted electronically (via email or e-signature software) shall constitute originals for all intents and purposes.

9.11. Waiver. A waiver by either party of any term or condition of this Agreement in one or more instances will not constitute a permanent waiver of the term or condition or any other term or condition of this Agreement or a general waiver.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized officers.

## **Digital Ordering Terms & Conditions Addendum**

This Addendum forms a part of the Agreement and is applicable upon execution of the Agreement in conjunction with a Customer Order Form in which Customer and Olo have agreed that Olo will provide Operator with its Customer-branded Licensed Applications which will power Customer's digital ordering solution ("Digital Ordering"). In the event that this Addendum conflicts with the Agreement or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

1. **Exclusivity.** During the Digital Ordering Term, Olo shall be the exclusive provider of Digital Ordering to Operator. Operator agrees to require the Olo program for all existing and future locations owned by Operator. Notwithstanding the foregoing, Operator shall have the right to use Aggregators at their sole discretion.
2. **Service Level.** During the Digital Ordering Term, Digital Ordering will be operational and available to Operator at least 99% of the time in any calendar month (the "SLA"). Solely to the extent that Customer chooses the Pro or Enterprise Service Editions, the SLA thresholds and applicable service credits are as follows:
  - a. If Olo does not meet the SLA, and if Customer and Operator meet its obligations under the Agreement and this Addendum, Operator will be eligible to receive the Service Credits described below. Subject to this SLA and 7.3 of the Agreement, this SLA states Operator's sole and exclusive remedy for any failure by Olo to meet the SLA.
  - b. **Definitions.** The following definitions shall apply to the SLA:
    - i. "Downtime" means the period of time during which Digital Ordering fails to be operational and available across any platform to End Users to place a digital order (for reasons other than those set forth below) until Digital Ordering, on all platforms, again becomes operational and available to End Users.
    - ii. "Permitted Downtime" means the period of time during which Digital Ordering fails to be operational and available due to software upgrades and scheduled maintenance, conducted on a regular basis between 3:00 a.m. and 6:00 a.m. Eastern Time, of which Olo will give Customer and Authorized Operator a minimum of twenty-four (24) hours advanced notice. Notwithstanding the foregoing, Olo shall be permitted to take up to five (5) minutes of downtime on any day during the calendar year between 4:00 a.m. and 6:00 a.m. Eastern Time without prior notice to Customer.
    - iii. "Monthly Uptime Percentage" means the total number of minutes in a calendar month minus the number of minutes of Downtime suffered in a calendar month, divided by the total number of minutes in a calendar month.
    - iv. "Service Credit" means the following:

Monthly Uptime Percentage	Service Credit
99.9% - 99.5%	5% reduction in next month's Digital Ordering fees
99.49% - 98.0%	10% reduction in next month's Digital Ordering fees
97.99% - 96.0%	20% reduction in next month's Digital Ordering fees
< 95.9%	30% reduction in next month's Digital Ordering fees

\*Service Credit shall be calculated using the Service Edition Monthly Fee for the month in which Olo does not meet the SLA, and shall be applied to the following month's invoice.

- c. Olo shall notify Customer and Operator within five (5) business days from the end of the month if Customer is eligible to receive a Service Credit for the preceding month. To the extent that any Downtime having been determined by Olo, in its good faith reasonable discretion, was caused by a reason outlined in Paragraph 4(e) below, Olo shall have an additional ten (10) business days to notify Customer and Operator of their Service Credit for the preceding month if any.
- d. The aggregate maximum Service Credit to be issued by Olo to Operator for all Downtime (not including Permitted Downtime) that occurs in a single calendar month shall not exceed a thirty percent (30%) credit in the next month's fees.
- e. The SLA does not apply to any Downtime to the extent it was caused by: (i) Customer or Authorized Operator environment issues affecting connectivity or interfering with Digital Ordering, including without limitation, Customer or Authorized Operator's connection to the Internet (i.e., problems with the Customer or Authorized Operator's Internet Service Provider, modem, cable, DSL or dial-up connection, mobile phone connection or other Customer or Authorized Operator Internet connectivity issues) or any other Customer or Authorized Operator equipment or software (including third party attacks, including without limitation, hacks, intrusions, distributed denial-of-service attacks or any other third party actions intended to cause harm to or disrupt Customer's Third Party Providers, including without limitation, e-commerce software, payment gateways, Aggregators, and loyalty or rewards providers, that are integrated into the Olo APIs), Customer or Authorized Operator's firewall software, hardware or security settings, Customer or Authorized Operator's configuration of anti-virus software or anti-spyware or malicious software, Customer's use of or placement of Javascript code and/or other tracking or measurement software or code (including Google Analytics), or operator error of Customer or Authorized Operator; (ii) directly or indirectly integrating any Aggregator orders into the POS if such failure to integrate is no fault of Olo; (iii) Customer or Authorized Operator's Point of Sale (POS) failure(s) or the failure to properly maintain the POS environment, including updating the POS firmware or version of the software running on the POS as recommended by either Olo, a third party POS reseller or servicer, or the POS provider themselves; (iv) verified bugs of any third party software used in conjunction with Digital Ordering and failure of third party professional services; (v) force majeure events as described in Section 10.10 of the Master Services Agreement; (vi) issues related to third party domain name system (DNS) errors or failures; (vii) emergency maintenance of the Licensed Applications, including without limitation suspension of Licensed Applications in response to a Breach of Security, for which Customer or Authorized Operator may not receive advanced notice; or (viii) Permitted Downtime.
- f. Olo will post notifications publicly to <https://status.olo.com> of any outages in production systems under its control and that may impact multiple customers for more than one (1) minute in any twenty-four (24) hour period other than as permitted under Section 3(b)(ii) above. Olo may occasionally post notifications of significant outages at third party providers, which may include Customer Third Party Providers, outside of Olo's control, such as payment, POS, loyalty, Delivery Service Providers, or Aggregators. Olo cannot be relied upon for comprehensive reporting of outages at third party providers and makes no representation that Olo's information is accurate or up to date. Olo's incident response procedures prioritize triaging and problem resolution over public communication, which may result in delays in posting status updates. Timestamps on status updates may not reflect the actual times of an incident.

## **Rails Terms & Conditions Addendum**

This Addendum forms a part of the Agreement and is applicable upon execution of the Agreement and in conjunction with a Customer Order Form in which Olo and Customer have agreed that Olo will provide Operator with its Aggregator integration and management platform (“Rails”). In the event that this Addendum conflicts with the Agreement, or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

“Rails” means the service, provided by Olo, and utilized by Operator at its sole discretion, in which Aggregators connect to the Olo platform in order to (a) receive store information including, but not limited to, store location data, menu item availability, product make times, available production capacity, and item pricing; (b) transmit orders made on Aggregator website or mobile application to the Customer’s or Operator’s Point of Sale systems (POS) through the Olo APIs; (c) monitor and report Aggregator activity; and, at Operator’s sole discretion, (d) control order flow into the store.

In order for Operator to utilize Rails, Operator consents to allow Olo to transfer, or otherwise provide access to, certain data, including but not limited to, menu information and general restaurant information to Aggregator. Olo will not share any PII with Aggregator. Data may only be used for the limited purpose outlined above, namely use of Rails. Operator agrees that Olo shall have no liability to Operator for the granting of access to, or the misuse of such data, by Aggregator, or any other claims arising out of or related to the granting of access to the data unless such claims are based on Olo’s negligence in such actions.

Olo shall be the exclusive provider of integration services for Aggregator ordering platforms to Operator. Also during the Term, Operator shall not use, test or support any Aggregator-initiated ordering service in lieu of Licensed Applications. Operator agrees to require the Olo program for all existing and future locations owned by Operator.

## **Google Rails Premium Addendum**

This Addendum (this “GRP Addendum”) forms a part of the Agreement and is applicable upon execution of the Agreement and in conjunction with a Customer Order Form in which Olo and Customer have agreed that Olo will provide Operator with Google Rails Premium (“GRP”). In the event that this Addendum conflicts with the Agreement, or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

**ADDENDUM TO THE HARDEE'S RESTAURANT  
FRANCHISE DISCLOSURE DOCUMENT  
REQUIRED FOR MINNESOTA FRANCHISEES**

The following information applies to franchises and franchisees subject to Minnesota statutes and regulations.

1. The following statement is added to Items 5 and 7:

Based upon the franchisor's financial condition, the Minnesota Department of Commerce has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement and the franchised business opens. In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

2. Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

3. With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

4. The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

5. Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

6. Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

7. The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

8. The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5. If the Franchise Agreement contains a limitations period for bringing claims against Franchisor which is shorter than the limitations period provided under the Minnesota Act, the Franchise Agreement shall be modified to conform to the Minnesota Act.

Developer's use or duplication of the Hardee's System or any part of the Hardee's System in any other business, or disclosure of any part of the Hardee's System to others for use or duplication in any other business, would constitute an unfair method of competition, for which HR would be entitled to all legal and equitable remedies, including the right to seek injunctive relief.

5. The following sentence is added to the end of Section 13.A.:

10. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Development Agreement.

11. Except as expressly modified by this Addendum, the Development Agreement remains unmodified and in full force and effect.

**ADDENDUM TO THE HARDEE'S RESTAURANT  
FRANCHISE DISCLOSURE DOCUMENT  
REQUIRED FOR NORTH DAKOTA FRANCHISEES**

**Items 5 and 7, Additional Disclosures.** The following statement is added to Items 5 and 7:

Franchisor will defer collection of the Initial Franchise Fees until all initial obligations owed to franchisee under the franchise agreement or other documents have been fulfilled by the franchisor and the franchisee has commenced doing business pursuant to the franchise agreement.

**Item 17, Additional Disclosures.** The following statements are added to Item 17:

Pursuant to the North Dakota Franchise Investment Law, any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota is void. The laws of the State of North Dakota will govern any dispute.

Any general release the franchisee is required to assent to is not intended to nor shall it act as a release, estoppel or waiver of any liability Hardee's Restaurants LLC may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete upon termination or expiration of the franchise agreement are generally not enforceable in the State of North Dakota, except in certain instances as provided by law.

The Franchise Agreement includes a waiver of exemplary and punitive damages. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Disclosure Document and Franchise Agreement.

The Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by Hardee's Restaurants LLC in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Disclosure Document and Franchise Agreement.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts in the state of Tennessee. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Disclosure Document and the Franchise Agreement.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. The Commissioner has determined this to be unfair, unjust and inequitable within the intent of the North Dakota Franchise Investment Law. This requirement will not apply to North Dakota franchisees and is

deemed deleted in each place it appears in the Disclosure Document and Franchise Agreement.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. That requirement will not apply to North Dakota franchisees and, instead the statute of limitations under North Dakota law will apply.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE HARDEE'S RESTAURANT  
FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, DEVELOPMENT  
AGREEMENT, AND ALL RELATED AGREEMENTS  
REQUIRED FOR WASHINGTON FRANCHISEES**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is

inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

Combined Consolidated Financial Statements  
for the fiscal years ended January 27, 2025 and January 29, 2024

(With Independent Auditors' Report Thereon)

KPMG LLP

Suite 1100

## **Independent Auditors' Report**

Managing Member

Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC:

### *Opinion*

We have audited the combined consolidated financial statements of Carl's Jr. SPV Guarantor LLC and its subsidiaries, and Hardee's SPV Guarantor LLC and its subsidiaries (the Company), which comprise the combined consolidated balance sheets as of January 27, 2025 and January 29, 2024, and the related combined consolidated statements of income, members' deficit, and cash flows for each of the fiscal years then ended, and the related notes to the combined consolidated financial statements.

In our opinion, the accompanying combined consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 27, 2025 and January 29, 2024, and the results of its operations and its cash flows for each of the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Combined Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the combined consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the combined consolidated financial statements are available to be issued.

### *Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the combined consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### *Other Information*

Management is responsible for the other information included in the supplemental schedules. The other information comprises the combining consolidating balance sheets and combining consolidating statements of operations included in the supplemental schedules, but does not include the combined consolidated financial statements and our auditors' report thereon. Our opinion on the combined consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the combined consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the combined consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

The Red Burrito concept is located in dual-branded Hardee's restaurants. As of January 31, 2025, our system-wide restaurant portfolio consisted of:

Company-operated.....	252
Domestic franchised.....	2,351
International franchised.....	1,160
Total restaurants.....	<u>3,763</u>

**Basis of Presentation and Fiscal Year**

These Combined Consolidated Financial Statements include the combined accounts of Carl's Jr. SPV Guarantor LLC and its consolidated subsidiaries, consisting of Carl's Jr. Funding LLC and Carl's Jr. Restaurants LLC, and Hardee's SPV Guarantor LLC and its consolidated subsidiaries, consisting of Hardee's Funding LLC and Hardee's Restaurants LLC (collectively, the "CKE Securitization Entities"). The indirect corporate parent of Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC is CKE Restaurants Holdings, Inc. ("CKE Restaurants"), and the indirect corporate parent of CKE Restaurants is CKE Holding Corporation ("CKE"). All of the CKE Securitization Entities are limited liability companies established on January 30, 2013 and were organized in the state of Delaware. The CKE Securitization Entities are special purpose, bankruptcy remote entities that hold substantially all of the restaurant businesses, franchising assets, real estate and other productive assets of CKE Restaurants and its subsidiaries. CKE Restaurants, together with certain other non-securitization entities, acts as the manager ("Manager") by managing and servicing the assets, performing certain franchising, marketing, real estate, intellectual property and operating and reporting services on behalf of the CKE Securitization Entities. References to "we", "us", "our" and the "Company" may relate to any or all of the CKE Securitization Entities, as may be applicable, but do not relate to CKE or CKE Restaurants.

These Combined Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). All significant intercompany balances and transactions are eliminated in combination and consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 27, 2025 is referred to herein as fiscal 2025 or the fiscal year ended January 31, 2025. The fiscal year ended January 29, 2024 is referred to herein as fiscal 2024 or the fiscal year ended January 31, 2024. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public's dining habits.

**Inflation and Middle East Conflict**

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the years ended January 31, 2025 and January 31, 2024. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Beginning October 2023, certain of our Hardee's international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

**Variable Interest Entities**

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a variable interest entity.

**Estimations**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, finance lease assets and operating lease assets;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods; and
- estimation of the appropriate allowances associated with franchise and other receivables.

**Cash and Cash Equivalents**

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

**Restricted Cash and Cash Equivalents**

Restricted cash and cash equivalents of \$18,147 and \$15,942 as of January 31, 2025 and 2024, respectively, consisted of cash and cash equivalents that are held by the trustee of our Series 2018-1 Senior Notes, Series 2020-1 Senior Notes, Series 2021-1 Senior Notes and Series 2024-1 Senior Notes (as defined in Note 8) to be used for debt service payments on our Senior Notes.

**Inventories**

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

**Property and Equipment**

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

**Leases**

*Lessor Accounting*

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

*Lessee Accounting*

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Combined Consolidated Statements of Cash Flows.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

**Intangible Assets**

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges (see Note 16) for a discussion of impairment of restaurant-level long-lived assets.

**Deferred Financing Costs**

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Book Overdraft**

Book overdraft liabilities are included within accounts payable in our accompanying Combined Consolidated Balance Sheets. As of January 31, 2025 and 2024, our book overdraft liability was \$116 and \$367, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Combined Consolidated Statements of Cash Flows.

**Loss Contingencies**

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

**Revenue Recognition**

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

**Franchise Operations and Credit Risk**

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, franchise fees and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated credit losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, or if necessary, acquiring the restaurants or terminating the franchise agreement.

**Advertising**

Domestic Carl's Jr. restaurants contribute to a national advertising fund (the "Carl's Jr. Fund") that is administered by Manager. Domestic Hardee's restaurants contribute to Hardee's National Advertising Fund ("HNAF") that is administered by Manager and co-operative advertising funds that are administered by a third party (collectively, the "Hardee's Funds"), but

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

consolidated by Manager since Manager is the primary beneficiary of the Hardee's Funds. Further, both international Carl's Jr. restaurants and Hardee's restaurants contribute to certain international advertising funds that are administered by Manager.

We expense advertising costs for company-operated restaurants' contributions to the Carl's Jr. Fund and the Hardee's Funds as company-operated restaurants revenue is earned since we are obligated to share ratably in the cost of the related advertising programs. The cost of local and incremental advertising that is not funded by the Carl's Jr. Fund or the Hardee's Funds is expensed as incurred.

**Facility Action Charges**

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Combined Consolidated Statements of Income as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

***(i) Impairment of Restaurant-Level Long-Lived Assets***

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about rebranding or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

***(ii) Store Closure Costs***

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants perform poorly for an extended period of time, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

***(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions***

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

**Contract Liabilities - Deferred Franchise Fees**

Deferred franchise fees are recorded in other current liabilities and other long-term liabilities in our accompanying Consolidated Balance Sheets as of January 31, 2025 and January 31, 2024, respectively.

**Distributor Concentration Risk**

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

**Comprehensive Income**

We did not have any items of other comprehensive income during fiscal 2025 and 2024.

**Income Tax Disclosures**

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Combined Consolidated Financial Statements.

**Senior Notes**

In April 2013, Carl's Jr. Funding LLC and Hardee's Funding LLC (collectively, the “Co-Issuers”) issued outstanding senior secured notes under securitized facility loans. The indenture governing the facility loans (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

As of January 31, 2025, the Co-Issuers had issued the following outstanding series of fixed rate senior secured notes: (i) 2018-1 Class A-2-III Notes with an initial principal amount of \$250,000; (ii) 2020-1 Class A-2 Notes with an initial principal amount of \$400,000; (iii) 2021-1 Class A-2 Notes with an initial principal amount of \$180,000 and (iv) 2024-1 Class A-2 Notes with an initial principal amount of \$350,000 (collectively, the notes described in (i) to (iv) are referred to herein as the “Class A-2 Notes”).

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, including subfacilities for swingline loans and letters of credit, in an aggregate amount of \$125,000. On April 5, 2024, the Series 2018-1 Variable Funding Notes were amended to increase the borrowing capacity from \$70,000 to \$125,000 and to extend the maturity date to March 2029, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2025, the Co-Issuers had zero outstanding loan borrowings, \$24,245 of outstanding letters of credit and remaining availability of \$100,755 under our Series 2018-1 Variable Funding Notes. The Class A-2 Notes and the 2018-1 Variable Funding Notes are collectively referred to as the “Senior Notes.”

The Senior Notes are secured by substantially all assets of the CKE Securitization Entities, but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

Interest and principal payments on the Class A-2 Notes are payable on a quarterly basis. The Class A-2 Notes require scheduled quarterly principal payments of \$2,950 that are due on the 20th of each March, June, September and December. The requirement to make such quarterly principal payments on the Class A-2 Notes is subject to certain financial conditions set forth in the Indenture. The legal final maturity dates for the Class A-2 Notes range from 2048-2054. If the Co-Issuers have not repaid or refinanced the Class A-2 Notes prior to their respective anticipated repayment dates, which range from 2027-2031, additional interest will accrue pursuant to the Indenture.

We expect to repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that we do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum on the outstanding principal amount, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, the Co-Issuers may elect not to make the scheduled principal payments on the Class A-2 Notes. We may optionally prepay up to 35% of the original principal amount of the Series 2018-1 Class A-2-III Note at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes, forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes and twenty-four months prior to the anticipated repayment date for the Series 2024-1 Class A-2 Notes, we may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

### **Covenants and Restrictions**

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to protect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

### **Refinancing Transaction**

In April 2024, we completed a refinancing transaction (the “Series 2024-1 Refinancing”) under which we issued the Series 2024-1 Class A-2 Notes. A portion of the net proceeds from the sale of the Series 2024-1 Class A-2 Notes were used to repay in full our outstanding Series 2018-1 Class A-2-II Notes, including transaction costs. As a result of the refinancing, we recorded a loss on early extinguishment of debt of \$1,283 during fiscal 2025, which was comprised of the write-off of the Series 2018-1 Class A-2-II Notes unamortized deferred financing costs. The loss is included in other income, net in the Combined Consolidated Statements of Income.

**Debt issuance costs**

In connection with the Series 2024-1 Refinancing and the amendment of the Series 2018-1 Variable Funding Notes, we incurred debt issuance costs of \$7,860, which were capitalized and allocated between the Series 2024-1 Class A-2 Notes and the Series 2018-1 Variable Funding Notes. These deferred financing costs will be amortized to interest expense within the Combined Consolidated Statements of Income using the effective interest method over the expected term of the Series 2024-1 Class A-2 Notes of seven years and five years for the Series 2018-1 Variable Funding Notes.

**NOTE 9 — LEASES**

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments, such as a percentage of sales in excess of specified levels, are often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

**Company as Lessor**

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. Lessees and sublessees generally bear the cost of maintenance, insurance and property taxes. The carrying values of assets leased to others as of January 31, 2025 and 2024 are as follows:

**NOTE 10 — SALE-LEASEBACK TRANSACTIONS**

For all of our 125 restaurant property financing method sale-leaseback transactions, whether assumed by or completed by the CKE Securitization Entities, the initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Combined Consolidated Balance Sheets was \$113,775 and \$115,805 as of January 31, 2025 and 2024, respectively.

During fiscal 2025, the lease agreements for one of our restaurant properties was terminated. As we no longer have involvement in the properties, we recognized a net gain of \$1,086 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Combined Consolidated Statements of Income.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2025, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:

2026 .....	\$	16,074
2027 .....		16,267

- (1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

**NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS**

The following table presents information on our financial instruments as of January 31, 2025 and 2024:

	<b>2025</b>		<b>2024</b>	
	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>
<b>Financial liabilities:</b>

Series 2024-1 Class A-2 Notes .....	341,425	364,858	—	—

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair values of our borrowings under the Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2025:

	<b>Fair Value Measurements</b>	<b>Impairment Charges</b>
Assets to be disposed of (Level 2) <sup>(1)</sup> .....	\$ —	\$ 1,273

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for five domestic company-operated restaurants.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2024:

	<b>Fair Value Measurements</b>	<b>Impairment Charges</b>

(2) Represents impairment recorded for two domestic company-operated restaurants.

## **NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES**

### **Lease Commitments**

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Combined Consolidated Statements of Income. As of January 31, 2025, the nominal value of the lease obligations under the remaining master leases' primary terms is \$400,271.

### **Letters of Credit**

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$125,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2025, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$24,245, expiring at various dates through October 2025. The outstanding letters of credit consist of a \$15,150 letter of credit for benefit of the holders of the Senior Notes as an interest

reserve as required by the Indenture and letters of credit of \$9,095, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

**Unconditional Purchase Obligations**

As of January 31, 2025, we had unconditional purchase obligations in the amount of \$63,767, which consisted primarily of contracts for goods and services related to restaurant operations. Our unconditional purchase obligations for fiscal 2026, 2027, 2028, 2029 and 2030 are estimated to be \$60,523, \$937, \$937, \$838 and \$532, respectively.

**Litigation**

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

As a direct result of our corporate structure, the CKE Securitization Entities are each a limited liability company that is disregarded as an entity separate from its indirect owners, CKE and CKE Restaurants, for federal and state income tax purposes, and are not jointly and severally liable for any income taxes owed by the parent corporate entities. Further, no tax sharing agreement exists, or is expected to exist, between the CKE Securitization Entities and their indirect parent companies that would require the CKE Securitization Entities to directly or indirectly reimburse their indirect parent companies for taxes related to the operations of the CKE Securitization Entities.

## **Independent Auditors' Report**

Managing Member

Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC:

### *Opinion*

We have audited the combined consolidated financial statements of Carl's Jr. SPV Guarantor LLC and its subsidiaries, and Hardee's SPV Guarantor LLC and its subsidiaries (the Company), which comprise the combined consolidated balance sheets as of January 29, 2024 and January 30, 2023, and the related combined consolidated statements of income, members' deficit, and cash flows for each of the fiscal years then ended, and the related notes to the combined consolidated financial statements.

In our opinion, the accompanying combined consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 29, 2024 and January 30, 2023, and the results of its operations and its cash flows for each of the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Combined Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the combined consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the combined consolidated financial statements are available to be issued.

### *Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the combined consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### *Other Information*

Management is responsible for the other information included in the supplemental schedules. The other information comprises the combining consolidating balance sheets and combining consolidating statements of operations included in the supplemental schedules, but does not include the combined consolidated financial statements and our auditors' report thereon. Our opinion on the combined consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the combined consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the combined consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

**Basis of Presentation and Fiscal Year**

These Combined Consolidated Financial Statements include the combined accounts of Carl's Jr. SPV Guarantor LLC and its consolidated subsidiaries, consisting of Carl's Jr. Funding LLC and Carl's Jr. Restaurants LLC, and Hardee's SPV Guarantor LLC and its consolidated subsidiaries, consisting of Hardee's Funding LLC and Hardee's Restaurants LLC (collectively, the "CKE Securitization Entities"). The indirect corporate parent of Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC is CKE Restaurants Holdings, Inc. ("CKE Restaurants"), and the indirect corporate parent of CKE Restaurants is CKE Holding Corporation ("CKE"). All of the CKE Securitization Entities are limited liability companies established on January 30, 2013 and were organized in the state of Delaware. The CKE Securitization Entities are special purpose, bankruptcy remote entities that hold substantially all of the restaurant businesses, franchising assets, real estate and other productive assets of CKE Restaurants and its subsidiaries. CKE Restaurants, together with certain other non-securitization entities, acts as the manager ("Manager") by managing and servicing the assets, performing certain franchising, marketing, real estate, intellectual property and operating and reporting services on behalf of the CKE Securitization Entities. References to "we", "us", "our" and the "Company" may relate to any or all of the CKE Securitization Entities, as may be applicable, but do not relate to CKE or CKE Restaurants.

The CKE Securitization Entities were formed in connection with a contemplated financing (the "Securitization Transaction"), which was completed on April 1, 2013. In conjunction with the Securitization Transaction, Carl's Jr. Funding LLC and Hardee's Funding LLC (collectively, the "Co-Issuers") issued \$1,050,000 Series 2013-1 4.474% Class A-2 Senior Secured Notes with an anticipated repayment date of March 2020 and a legal final maturity date of March 2043 (the "Class A-2 Notes") and \$100,000 Series 2013-1 Variable Funding Class A-1 Senior Secured Notes due September 2018 (the "Variable Funding Notes" and together with the Class A-2 Notes, the "Senior Notes"). In June 2018, the Senior Notes were refinanced. In December 2020, the Series 2018-1 Class A-2-I Notes were refinanced. In June 2021, the Co-Issuers issued \$180,000 Series 2021-1 Class A-2 Notes. See Note 8 for further discussion.

These Combined Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). All significant intercompany balances and transactions are eliminated in combination and consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 29, 2024 is referred to

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

herein as fiscal 2024 or the fiscal year ended January 31, 2024. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public's dining habits.

**Inflation and Middle East Conflict**

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the year ended January 31, 2024 and January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Beginning October 2023, certain of our Hardee's international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

**Variable Interest Entities**

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a variable interest entity.

**Estimations**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, finance lease assets and operating lease assets;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods; and
- estimation of the appropriate allowances associated with franchise and other receivables.

**Cash and Cash Equivalents**

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

**Restricted Cash and Cash Equivalents**

Restricted cash and cash equivalents of \$15,942 and \$16,053 as of January 31, 2024 and 2023, respectively, consisted of cash and cash equivalents that are held by the trustee of our Senior Notes (as defined in Note 8) to be used for debt service payments on our Series 2018-1, Series 2020-1 and Series 2021-1 Senior Notes.

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Inventories**

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

**Property and Equipment**

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

**Leases**

*Lessor Accounting*

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

*Lessee Accounting*

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Combined Consolidated Statement of Cash Flows.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

**Intangible Assets**

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

**Deferred Financing Costs**

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

**Book Overdraft**

Book overdraft liabilities are included within accounts payable in our accompanying Combined Consolidated Balance Sheets. As of January 31, 2024 and 2023, our book overdraft liability was \$367 and \$1,627, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Combined Consolidated Statements of Cash Flows.

**Loss Contingencies**

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

**Revenue Recognition**

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

**Franchise Operations and Credit Risk**

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, franchise fees and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, or if necessary, acquiring the restaurants or terminating the franchise agreement.

**Advertising**

Domestic Carl's Jr. restaurants contribute to a national advertising fund (the "Carl's Jr. Fund") that is administered by Manager. Domestic Hardee's restaurants contribute to Hardee's National Advertising Fund ("HNAF") that is administered by Manager and co-operative advertising funds that are administered by a third party (collectively, the "Hardee's Funds"), but consolidated by Manager since Manager is the primary beneficiary of the Hardee's Funds. Further, both international Carl's Jr. restaurants and Hardee's restaurants contribute to certain international advertising funds that are administered by Manager.

We expense advertising costs for company-operated restaurants' contributions to the Carl's Jr. Fund and the Hardee's Funds as company-operated restaurants revenue is earned since we are obligated to share ratably in the cost of the related advertising programs. The cost of local and incremental advertising that is not funded by the Carl's Jr. Fund or the Hardee's Funds is expensed as incurred.

**Facility Action Charges**

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Combined Consolidated Statements of Income as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

***(i) Impairment of Restaurant-Level Long-Lived Assets***

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about rebranding or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

**(ii) Store Closure Costs**

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

**(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions**

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

**Contract Liabilities - Deferred Franchise Fees**

The following table provides information about contract liabilities, specifically deferred franchise fees, received from contracts with customers:

**Distributor Concentration Risk**

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

**Comprehensive Income**

We did not have any items of other comprehensive income during fiscal 2024 and 2023.

**Reclassification**

Certain prior year amounts in the accompanying Combined Consolidated Statements of Income have been reclassified in order to be comparable with the current year classification. These consist of the reclassification for the year ended January 31, 2023 of certain workers compensation expense of \$2,846 from Payroll and other employee benefits to Occupancy and other expense. This reclassification did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

**Subsequent Events**

We have evaluated subsequent events through April 10, 2024, the date our Combined Consolidated Financial Statements were available to be issued and except as discussed in Note 8, have determined that no material subsequent events occurred after the balance sheet date.

**NOTE 2 — ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS AND ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED**

**New Accounting Standards Adopted**

**Credit Impairment**

In June 2016, the Financial Accounting Standards Board (“FASB”) issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held, including trade receivables. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods beginning after December 15, 2022. The Company adopted this amendment during the first quarter of 2024. The adoption of this guidance did not have a material impact on our Combined Consolidated Financial Statements.

**New Accounting Standards Not Yet Adopted**

**Income Tax Disclosures**

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Combined Consolidated Financial Statements.

**Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes**

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, the Co- Issuers, our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%,

or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2024, we had no outstanding loan borrowings, \$22,647 of outstanding letters of credit and remaining availability of \$47,353 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, we paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2020-1 Class A-2 Notes”). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 with the first principal payment due March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

On June 24, 2021, we issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2021-1 Class A-2 Notes”, and together with the “Series 2020-1 Class A-2 Notes” and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the “Class A-2 Notes” and, collectively with the Series 2018-1 Variable Funding Notes, the “Senior Notes”). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the CKE Securitization Entities, but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect to repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that we do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, we may elect not to make the scheduled principal payments on the Class A-2 Notes. We may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, we may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record

keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

In the first quarter of fiscal 2025, the Co-Issuers issued an aggregate principal amount of \$350,000 of Series 2024-1 7.253% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2024-1 Class A-2 Term Notes"). The Series 2024-1 Class A-2 Term Notes have an anticipated repayment date of March 2031 and a legal final maturity date of March 2054. The Series 2024-1 Class A-2 Term Notes require scheduled quarterly principal payments of \$875 with the first principal payment due June 20, 2024. The interest payments for the Series 2024-1 Class A-2 Term Notes are due quarterly in arrears on the 20th day of each March, June, September and December. A portion of the proceeds of the issuance of the Series 2024-1 Class A-2 Term Notes were used to repay the Series 2018-1 Class A-2-II Term Notes in full, including accrued interest.

**NOTE 9 — LEASES**

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments such as a percentage of sales in excess of specified levels, is often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

**Company as Lessor**

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. **NOTE 10 — SALE-LEASEBACK TRANSACTIONS**

For all of our 126 restaurant property financing method sale-leaseback transactions, whether assumed by or completed by the CKE Securitization Entities, the initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Combined Consolidated Balance Sheets was \$115,805 and \$117,126 as of January 31, 2024 and 2023, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Combined Consolidated Statement of Income for fiscal 2023.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2024, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:

2025 .....	\$ 16,202
2026 .....	16,212

Less current portion .....	(11,287)
Financing method sale-leaseback liability, less current portion .....	<u>\$ 208,337</u>

- (1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

During fiscal 2024 and 2023, the CKE Securitization Entities paid total cash distributions of \$133,746 and \$139,428, respectively, to members.

**NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS**

The following table presents information on our financial instruments as of January 31, 2024 and 2023:

	<b>2024</b>		<b>2023</b>	
	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>
<b>Financial liabilities:</b>				
Series 2018-1 Class A-2-II Notes .....	\$ 329,928	\$ 315,044	\$ 332,363	\$ 319,515

Series 2021-1 Class A-2 Notes .....	172,625	146,543	173,801	146,485

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair value of our borrowings under the Series 2018-1 Variable Funding Notes approximates the carrying value due to the expected short maturity of the borrowings. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

**THE CKE SECURITIZATION ENTITIES**  
**NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2024:

	<b>Fair Value Measurements</b>	<b>Impairment Charges</b>
Assets to be disposed of (Level 2) <sup>(1)</sup> .....	\$ —	\$ 3,311
Assets to be held and used (Level 3) <sup>(2)</sup> .....	\$ —	\$ 1,044

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2023:

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

## **NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES**

### **Lease Commitments**

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Combined Consolidated Statements of Income. As of January 31, 2024, the nominal value of the lease obligations under the remaining master leases' primary terms is \$422,539.

### **Letters of Credit**

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2024, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$22,647, expiring at various dates through October 2024. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest

reserve as required by the Series 2021-1 Indenture and letters of credit of \$9,547, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

**Unconditional Purchase Obligations**

As of January 31, 2024, we had unconditional purchase obligations in the amount of \$54,516, which consisted primarily of contracts for goods and services related to restaurant operations. Our unconditional purchase obligations for fiscal 2025, 2026, 2027, 2028 and 2029 are estimated to be \$51,179, \$937, \$937, \$937 and \$526, respectively.

**Litigation**

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

During fiscal 2023, total revenue generated from the Shanghai business was \$91, which is included in franchised restaurants and other revenue in our accompanying Combined Consolidated Statements of Income. During fiscal year ended January 31, 2023, CKE Restaurants closed all restaurants operated in Shanghai, China.

Further, no tax sharing agreement exists, or is expected to exist, between the CKE Securitization Entities and their indirect parent companies that would require the CKE Securitization Entities to directly or indirectly reimburse their indirect parent companies for taxes related to the operations of the CKE Securitization Entities.

# CKE RESTAURANTS HOLDINGS, INC.

Consolidated Financial Statements  
for the fiscal years ended January 27, 2025 and January 29, 2024

(With Independent Auditors' Report Thereon)

KPMG LLP  
1201 Demonbreun Street  
Suite 1100  
Nashville, TN 37203

## **Independent Auditors' Report**

The Board of Directors  
CKE Restaurants Holdings, Inc.:

### *Opinion*

We have audited the consolidated financial statements of CKE Restaurants Holdings, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of January 27, 2025 and January 29, 2024, and the related consolidated statements of operations, comprehensive income, equity, and cash flows for the fiscal years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 27, 2025 and January 29, 2024, and the results of its operations and its cash flows for the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

### *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTE 1 — ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

**Description of Business**

CKE Restaurants Holdings, Inc. (“CKE Restaurants”) is not a franchisor and conducts substantially all of its restaurant activities and operations through its subsidiaries. Carl’s Jr. Restaurants LLC and Hardee’s Restaurants LLC own, operate and franchise the Carl’s Jr.®, Hardee’s®, Green Burrito® and Red Burrito® concepts. References to “we”, “us”, “our” and the “Company” may relate to CKE Restaurants and/or its subsidiaries, as may be applicable.

Domestic Carl’s Jr. restaurants are predominantly located in the Western United States, primarily in California. International Carl’s Jr. restaurants are located primarily in Mexico, with a growing presence in the rest of Latin America, Asia, Canada and Europe. Domestic Hardee’s restaurants are predominantly located throughout the Southeastern and Midwestern United States. International Hardee’s restaurants have an established and growing presence in the Middle East and Central Asia. The Green Burrito concept is located in dual-branded Carl’s Jr. restaurants. The Red Burrito concept is located in dual-branded Hardee’s restaurants. As of January 31, 2025, our system-wide restaurant portfolio consisted of:

Company-operated.....	252
Domestic franchised.....	2,351
International franchised.....	1,160
Total restaurants.....	<u>3,763</u>

**Basis of Presentation and Fiscal Year**

Our accompanying Consolidated Financial Statements include the accounts of CKE Restaurants, its consolidated subsidiaries and its consolidated variable interest entities (“VIEs”). CKE Restaurants does not have any non-controlling interests in other entities. These Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 27, 2025 is referred to herein as fiscal 2025 or the fiscal year ended January 31, 2025. The fiscal year ended January 29, 2024 is referred to herein as fiscal 2024 or the fiscal year ended January 31, 2024. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public’s dining habits.

**Inflation and Middle East Conflict**

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the years ended January 31, 2025 and January 31, 2024. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Beginning October 2023, certain of our Hardee’s international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Variable Interest Entities**

*Hardee's Funds consideration*

We consolidate the Hardee's National Advertising Fund ("HNAF") and approximately 73 Hardee's local co-operative advertising funds ("Hardee's Co-ops") (collectively, the "Hardee's Funds") since we have determined that the Hardee's Funds are VIEs and that we are the primary beneficiary. We considered a variety of factors in identifying the primary beneficiary of the Hardee's Funds including, but not limited to, who holds the power to direct the activities that most significantly impact the economic performance of the Hardee's Funds, as well as what party has the obligation to absorb any losses of the Hardee's Funds. Based upon these considerations, we concluded that we are the primary beneficiary.

The Hardee's Co-ops are consolidated as of December 31, 2024. Any potential difference between the calendar year presentation and our fiscal year calendar is not considered material to the Consolidated Financial Statements. We have included \$26,600 and \$28,066 of total assets and total liabilities and equity related to Hardee's Funds in our accompanying Consolidated Balance Sheets as of January 31, 2025 and 2024, respectively. We have no rights to the assets, other than those disclosed above, nor do we have any obligation with respect to the liabilities, of the Hardee's Funds, and none of our assets serve as collateral for the creditors of these VIEs.

*Franchisee consideration*

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a VIE.

**Shanghai Business**

The Shanghai, China business ("Shanghai business") was established for the purpose of locating, developing and operating Carl's Jr. restaurants within the municipality of Shanghai, China and certain nearby provinces. During the fiscal year ended January 31, 2023, the Company closed all restaurants operated by our Shanghai business. During the fiscal year ended January 31, 2025, the Company liquidated the Shanghai business.

**Estimations**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, goodwill, finance lease assets and operating lease assets;
- estimation, using actuarially determined methods, of our self-insured claim losses under our workers' compensation, general liability and auto liability insurance programs;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods;
- estimation of the appropriate allowances associated with franchise and other receivables;
- determination of the appropriate assumptions to estimate gift card breakage;

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

- determination of the appropriate assumptions to estimate the fair value of share-based compensation; and
- estimation of our deferred income tax asset valuation allowance, liabilities related to uncertain tax positions and effective tax rate.

**Cash and Cash Equivalents**

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

**Restricted Cash and Cash Equivalents**

Restricted cash and cash equivalents of \$18,147 and \$15,942 as of January 31, 2025 and 2024, respectively, consisted of cash and cash equivalents that are held by the trustee of our Series 2018-1 Senior Notes, Series 2020-1 Senior Notes, Series 2021-1 Senior Notes and Series 2024-1 Senior Notes (as defined in Note 8) to be used for debt service payments on our Senior Notes.

**Inventories**

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

**Property and Equipment**

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

**Leases**

*Lessor Accounting*

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

*Lessee Accounting*

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Consolidated Statements of Cash Flows.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

### **Goodwill and Intangible Assets**

Goodwill represents the excess, if any, of the purchase price over the fair value of identifiable net assets acquired in an acquisition. As of January 31, 2025, our goodwill balance primarily consisted of goodwill recorded in connection with the acquisition of CKE Inc., the Company's sole stockholder, that occurred on December 24, 2013. Goodwill may also be recorded in connection with the acquisition of restaurants from franchisees.

We test goodwill for impairment on an annual basis, or more frequently if events and/or circumstances indicate that goodwill might be impaired. The impairment test is performed at the reporting unit level, and an impairment loss is recognized to the extent that the carrying amount of the reporting unit exceeds its fair value. We consider our reporting units to be company-operated restaurants, domestic franchised restaurants and international franchised restaurants as the components (e.g., restaurants) within each reporting unit have similar economic characteristics, including products and services, production processes, types or classes of customers and distribution methods.

We perform our annual goodwill impairment test on the last day of the first accounting period in our fiscal fourth quarter, which was December 2, 2024 for fiscal 2025. In accordance with authoritative guidance, we first assess qualitative factors to determine whether it is more likely than not that the fair values of our reporting units are less than their carrying amounts. If we conclude that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, we then conduct a single-step quantitative goodwill impairment test, consisting of a comparison of the fair values of the reporting units to the carrying values of the reporting units. If the carrying value of a reporting unit exceeds its fair value, then an impairment charge will be recognized for the amount by which the carrying value exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

When we sell restaurants to franchisees, we remove the related goodwill, which is based on the relative fair value of the restaurants sold and the reporting unit as a whole, from our company-operated restaurants reporting unit. A portion of the goodwill, representing the cash flows disposed, is included in the carrying amount of the restaurants in determining the gain or loss on refranchising. The portion of the goodwill disposed is generally based on the price paid to the Company to acquire the restaurants in relation to the fair value of the reporting unit as a whole. The fair value of the reporting unit is based upon the price a willing buyer would pay for the reporting unit. The remaining goodwill related to the divested restaurants, which is attributable to retained cash flows, is transferred from our company-operated restaurants reporting unit to our domestic franchised restaurants reporting unit.

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges (see Note 16) for a discussion of impairment of restaurant-level long-lived assets.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Deferred Financing Costs**

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

**Book Overdraft**

Book overdraft liabilities are included within accounts payable in our accompanying Consolidated Balance Sheets. As of January 31, 2025 and 2024, our book overdraft liability was \$118 and \$416, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Consolidated Statements of Cash Flows.

**Self-Insurance**

We are self-insured for a portion of losses related to workers' compensation, general liability and auto liability claims. We establish liabilities for self-insurance, with the assistance of actuaries, using assumptions based on the average historical losses on claims we have incurred, actuarial observations of historical claim loss development and actuarial estimates of unpaid losses for each loss category. Our workers' compensation, general liability and auto liability claims are discounted using an estimated risk-free interest rate of 3.5% as of January 31, 2025. As of January 31, 2025 and 2024, our estimated liability for self-insurance was \$12,134 and \$13,113, respectively.

**Loss Contingencies**

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

**Revenue Recognition**

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees, and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Advertising funds revenue includes contributions to HNAF, Hardee's Co-ops, the Carl's Jr. national advertising fund (the "Carl's Jr. Fund") and certain international advertising funds (collectively, the "Advertising Funds") by franchisees. Revenue related to these contributions is based on a percentage of sales of the franchised restaurants and is recognized as earned.

Our company-operated restaurants and franchised restaurants sell gift cards within the restaurants and through independent retailers that are redeemable for products in our Carl's Jr. and Hardee's restaurants. The Company manages the gift card program for the domestic system and collects all funds from the activation of gift cards. We recognize revenue when cards are redeemed in our company-operated restaurants and reimburse franchisees for the redemption of gift cards in their

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

restaurants. A liability for unredeemed gift cards is included in other current liabilities in our accompanying Consolidated Balance Sheets (see Note 7).

There are no expiration dates on our gift cards, and we do not charge any service fees. While our company-operated restaurants and franchisees continue to honor all gift cards presented for payment, we may determine the likelihood of redemption to be remote for certain cards due to long periods of inactivity. In these circumstances, we may recognize income from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. Breakage revenue on all Carl's Jr. and Hardee's gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. We account for breakage revenue in franchised restaurants and other revenue in our accompanying Consolidated Statement of Operations (see Note 15).

### **Franchise Operations and Credit Risk**

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses, and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, advertising, franchise fees, and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated credit losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, invoking personal guarantees, or if necessary, acquiring the restaurants or terminating the franchise agreement.

### **Advertising**

Company-operated and franchised restaurants jointly share in the cost of various advertising and marketing programs. Advertising and marketing contributions for both company-operated and franchised restaurants are generally determined based on a percentage of revenue and contributed to the applicable funds ratably throughout the year. We administer internally the Carl's Jr. Fund advertising and marketing programs, certain international advertising funds and HNAF. A third party administers the Hardee's Co-ops.

Advertising costs for company-operated restaurants' contributions to the Advertising Funds is eliminated in consolidation. Advertising contributions by company-operated restaurants totaled \$19,626 and \$18,735 for fiscal 2025 and fiscal 2024, respectively. The cost of local and incremental advertising that is not funded by the Advertising Funds is expensed as incurred.

### **Share-Based Compensation**

We issue equity-based awards to our executive management team, certain key employees, and directors under our equity-based compensation plans. Under the fair value recognition provisions of the authoritative guidance for equity-based compensation awards, we measure the fair value of equity-based awards at the grant date and the fair value is recognized as expense over the requisite service period.

Our equity-based compensation structure includes both time vesting and performance vesting profit sharing interests. We recognize compensation expense relating to time vesting profit sharing interests ratably over the requisite service period for the entire award. Performance vesting profit sharing interests vest through meeting performance and service conditions. We record compensation expense for performance vesting profit sharing interests when we deem the achievement of the performance goals to be probable. We recognize compensation expense for each separately vesting portion of performance vesting profit sharing interests ratably over the requisite service period that is determined to be the most likely outcome. We

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

record reversals of share-based compensation expense for forfeitures as they occur. Our share-based compensation structure is described more fully in Note 17.

**Facility Action Charges**

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Consolidated Statements of Operations as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

***(i) Impairment of Restaurant-Level Long-Lived Assets***

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about rebranding or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

***(ii) Store Closure Costs***

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants perform poorly for an extended period of time, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

***(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions***

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. As discussed within the section “Goodwill and Intangible Assets” in this Note 1, we include goodwill in the carrying amount of the restaurants in determining the gain or loss on disposal. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

**Contract Liabilities - Deferred Franchise Fees**

The following table provides information about contract liabilities, specifically deferred franchise fees, received from contracts with customers:

Deferred franchise fees are recorded in other current liabilities and other long-term liabilities in our accompanying Consolidated Balance Sheets as of January 31, 2025 and January 31, 2024, respectively.

**Income Taxes**

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation (“CKE”). For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions.

Our current provision for income taxes is based on our estimated taxable income in each of the jurisdictions in which we operate, after considering the impact on our taxable income of temporary differences resulting from disparate treatment of items, such as depreciation, interest expense, advertising funds, sale-leaseback transactions, various reserves, tax credits and net operating losses (“NOL”), for tax and financial reporting purposes. We record deferred income taxes for the estimated future income tax effect of temporary differences between the financial and tax bases of assets and liabilities using the asset and liability method. Deferred income tax assets are also recorded for NOL and income tax credit carryforwards. A valuation allowance to reduce the carrying amount of deferred income tax assets is established when it is more likely than not that we will

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

not realize some portion or all of the tax benefit of our deferred income tax assets. We evaluate, on a quarterly basis, whether it is more likely than not that our deferred income tax assets are realizable. In performing this analysis, we consider all available evidence, both positive and negative, including historical operating results, the estimated timing of future reversals of existing taxable temporary differences, estimated future taxable income exclusive of reversing temporary differences and carryforwards and potential tax planning strategies that may be employed to prevent NOL or tax credit carryforwards from expiring unused. Deferred income tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

From time to time, we may take positions in filing our income tax returns that differ from the treatment of the same items for financial reporting purposes. The ultimate outcome of these items will not be known until the Internal Revenue Service, or similar state taxing authority, has completed its examination or until the statute of limitations has expired.

We maintain a liability for underpayment of income taxes and related interest and penalties, if any, related to uncertain income tax positions. The tax benefit from an uncertain tax position is recognized either upon the expiration of the statutory audit period or when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Our policy on the classification of interest and penalties related to the underpayment of income taxes and uncertain tax positions is to record interest in interest expense, and to record penalties, if any, in general and administrative expense, in our accompanying Consolidated Statements of Operations. Accrued interest and penalties are included in our liability for uncertain tax positions.

#### **Distributor Concentration Risk**

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

#### **Foreign Currency**

The functional currency of our foreign entities is the currency of the primary economic environment in which the entity operates. Functional currency determinations are made based upon a number of economic factors, including but not limited to cash flows and financing transactions. The operations, assets and liabilities of our entities outside the United States are initially measured using the functional currency of that entity. The income and expense accounts are then translated into U.S. dollars at the average exchange rates prevailing during the period. The assets and liabilities are translated into U.S. dollars at exchange rates in effect at the balance sheet date.

#### **Comprehensive Income**

We present comprehensive income in our accompanying Consolidated Statements of Comprehensive Income. Comprehensive income includes, in addition to net income, changes in equity that are excluded from our Consolidated Statements of Operations and are recorded directly into a separate section of equity on our Consolidated Balance Sheets. Accumulated other comprehensive income is comprised of foreign currency translation adjustments attributable to CKE Restaurants Holdings, Inc. and the Shanghai business liquidation in fiscal year 2025.

#### **Subsequent Events**

We have evaluated subsequent events through April 2, 2025, the date our Consolidated Financial Statements were available to be issued. We concluded that no subsequent events required disclosure in these financial statements.

**Income Tax Disclosures**

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Consolidated Financial Statements.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Senior Notes**

In April 2013, Carl's Jr. Funding LLC and Hardee's Funding LLC (collectively, the "Co-Issuers"), our indirect wholly-owned subsidiaries, issued outstanding senior secured notes under securitized facility loans. The indenture governing the facility loans (the "Indenture") allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

As of January 31, 2025, the Co-Issuers had issued the following outstanding series of fixed rate senior secured notes: (i) 2018-1 Class A-2-III Notes with an initial principal amount of \$250,000; (ii) 2020-1 Class A-2 Notes with an initial principal amount of \$400,000; (iii) 2021-1 Class A-2 Notes with an initial principal amount of \$180,000 and (iv) 2024-1 Class A-2 Notes with an initial principal amount of \$350,000 (collectively, the notes described in (i) to (iv) are referred to herein as the "Class A-2 Notes").

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, including subfacilities for swingline loans and letters of credit, in an aggregate amount of \$125,000. On April 5, 2024, the Series 2018-1 Variable Funding Notes were amended to increase the borrowing capacity from \$70,000 to \$125,000 and extend the maturity date to March 2029, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2025, the Co-Issuers had zero outstanding loan borrowings, \$24,245 of outstanding letters of credit and remaining availability of \$100,755 under our Series 2018-1 Variable Funding Notes. The Class A-2 Notes and the 2018-1 Variable Funding Notes are collectively referred to as the "Senior Notes."

The Senior Notes are secured by substantially all assets of the Co-Issuers and their subsidiaries and immediate holding companies (collectively, the "CKE Securitization Entities"), but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

Interest and principal payments on the Class A-2 Notes are payable on a quarterly basis. The Class A-2 Notes require scheduled quarterly principal payments of \$2,950 that are due on the 20th of each March, June, September and December. The requirement to make such quarterly principal payments on the Class A-2 Notes is subject to certain financial conditions set forth in the Indenture. The legal final maturity dates for the Class A-2 Notes range from 2048-2054. If the Co-Issuers have not repaid or refinanced the Class A-2 Notes prior to their respective anticipated repayment dates, which range from 2027-2031, additional interest will accrue pursuant to the Indenture.

We expect that the Co-Issuers will repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that the Co-Issuers do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum on the outstanding principal amount, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, the Co-Issuers may elect not to make the scheduled principal payments on the Class A-2 Notes. The Co-Issuers may optionally prepay up to 35% of the original principal amount of the Series 2018-1 Class A-2-III Note at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes, forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes and twenty-four months prior to

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

the anticipated repayment date for the Series 2024-1 Class A-2 Notes, the Co-Issuers may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

**Covenants and Restrictions**

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to protect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

**Refinancing Transaction**

In April 2024, the Co-Issuers completed a refinancing transaction (the “Series 2024-1 Refinancing”) under which the Co-Issuers issued the Series 2024-1 Class A-2 Notes. A portion of the net proceeds from the sale of the Series 2024-1 Class A-2 Notes were used to repay in full the Co-Issuer's outstanding Series 2018-1 Class A-2-II Notes, including transaction costs. As a result of the refinancing, the Company recorded a loss on early extinguishment of debt of \$1,283 during fiscal 2025, which was comprised of the write-off of the Series 2018-1 Class A-2-II Notes unamortized deferred financing costs. The loss is included in other income, net in the Consolidated Statements of Operations.

**Debt issuance costs**

In connection with the Series 2024-1 Refinancing and the amendment of the Series 2018-1 Variable Funding Notes, we incurred debt issuance costs of \$7,860, which were capitalized and allocated between the Series 2024-1 Class A-2 Notes and the Series 2018-1 Variable Funding Notes. These deferred financing costs will be amortized to interest expense within the Consolidated Statements of Operations using the effective interest method over the expected term of the Series 2024-1 Class A-2 Notes of seven years and five years for the Series 2018-1 Variable Funding Notes.

**Other Notes**

In connection with the acquisition of Hardee's restaurants from a franchisee, we assumed a \$2,100 unsecured note. On November 20, 2020, we paid down \$200. On July 25, 2023, we paid down the remaining \$1,900.

**NOTE 9 — LEASES**

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments, such as a percentage of sales in excess of specified levels, are often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

**Company as Lessor**

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. Lessees and sublessees generally bear the cost of maintenance, insurance and property taxes. The carrying values of assets leased to others as of January 31, 2025 and 2024 are as follows:

**NOTE 10 — SALE-LEASEBACK TRANSACTIONS**

We currently have entered into agreements with independent third parties under which we sold and leased back a total of 125 restaurant properties. The initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Consolidated Balance Sheets was \$113,775 and \$115,805 as of January 31, 2025 and 2024, respectively.

During fiscal 2025, the lease agreement for one of our restaurant properties was terminated. As we no longer have continuing involvement in the properties, we recognized a net gain of \$1,086 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statements of Operations.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

**NOTE 12 — EQUITY**

As of January 31, 2025 and 2024, a total of 100 shares of \$0.01 par value common stock of CKE Restaurants are issued and outstanding. Each share of common stock entitles the shareholder to one vote per share and is eligible to receive dividend payments when declared. As discussed more fully in Note 8, the Indenture governing the Senior Notes includes certain covenants and restrictions that may limit CKE Restaurants' ability to declare and pay dividends. During fiscal 2025, we paid a cash dividend of \$90,000 to CKE Holding Corporation, our sole stockholder. No dividends were declared and paid in fiscal 2024.

**NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS**

The following table presents information on our financial instruments as of January 31, 2025 and 2024:

	2025		2024	
	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value
<b>Financial liabilities:</b>				
Series 2018-1 Class A-2-II Notes .....	\$ —	\$ —	\$ 329,928	\$ 315,044
Series 2018-1 Class A-2-III Notes .....	232,031	227,297	234,366	222,070

Series 2021-1 Class A-2 Notes .....	171,186	154,454	172,623	146,543
Series 2024-1 Class A-2 Notes .....	341,425	364,858	—	—

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair values of our borrowings under the Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including goodwill, intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2025:

	Fair Value Measurements	Impairment Charges
Assets to be disposed of (Level 2) <sup>(1)</sup> .....	\$ —	\$ 1,273
Assets to be held and used (Level 3) <sup>(2)</sup> .....	—	1,667

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for five domestic company-operated restaurants.

(2) Represents impairment recorded for two domestic company-operated restaurants.

#### **NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES**

##### **Lease Commitments**

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Consolidated Statements of Operations. As of January 31, 2025, the nominal value of the lease obligations under the remaining master leases' primary terms is \$409,868.

##### **Letters of Credit**

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$125,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2025, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$24,245, expiring at various dates through October 2025. The outstanding letters of credit consist of a \$15,150 letter of credit for benefit of the holders of the Senior Notes as an interest reserve as required by the Indenture and letters of credit of \$9,095, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

##### **Unconditional Purchase Obligations**

As of January 31, 2025, we had unconditional purchase obligations in the amount of \$68,297, which consisted primarily of contracts for goods and services related to restaurant operations and contractual commitments for marketing and sponsorship arrangements. Our unconditional purchase obligations for fiscal 2026, 2027, 2028, 2029 and 2030 are estimated to be \$63,623, \$2,020, \$1,284, \$838 and \$532, respectively.

##### **Litigation**

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

**Share-Based Compensation Arrangements**

CKE Holdings LP, a limited partnership (the “Partnership”) that was formed by Roark Capital Management, LLC (“Roark”) and certain members of our senior management team and Board of Directors in December 2013, is CKE’s sole stockholder as of January 31, 2025 and 2024. The Limited Partnership Agreement, as amended (“Limited Partnership Agreement”), allows for the issuance of profit sharing interests (“Units”) in the Partnership in the form of “Class B” and “Class C” Units. The Units provide the holders a profit sharing interest in the Partnership as defined in the partnership agreement and the individual grant agreements. There are no income tax benefits associated with any of the Class B Units or Class C Units.

Time vesting Class B Units vest in four equal annual installments from the date of grant. Performance vesting Class B Units provide for vesting or conversion to a time vesting schedule upon achievement of certain financial or investment targets. Time vesting Class C Units vest in various installments as specified in the individual grant agreements, but in all instances have vesting periods no longer than five years from the date of grant. There are no unvested time vesting and performance vesting Class B Units as of January 31, 2025 and 2024.

As a result of a previous amendment to the Limited Partnership Agreement, all performance vesting Class B Units that had not vested or converted to a time vesting schedule prior to December 24, 2017, became fully vested and non-forfeitable Class B Units, subject to certain restrictions (the “Restricted Class B Performance Units”). The Restricted Class B Performance Units are only entitled to realize a profit sharing interest in the Partnership to the extent that certain future performance and/or market conditions are met. These conditions require the value generated or calculated as a result of a substantial initial public offering, change in control or cumulative cash distributions, each as defined in the Limited Partnership Agreement, to result in the achievement of a specified return to the Partnership.

During fiscal 2025, the Partnership granted 334,800 time vesting and 186,000 performance vesting Class C Units. The time vesting class C Units vest in either three, four or five equal annual installments from the dates of grant. The performance vesting Class C Units consists of either three, four or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2025 through 2029 as set forth in the grant agreements.

During fiscal 2024, the Partnership granted 502,100 time vesting and 502,100 performance vesting Class C Units. The time vesting Class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consist of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2024 through 2030 as set forth in the grant agreements.

**NOTE 18 — EMPLOYEE RETIREMENT PLAN**

We sponsor a contributory plan (“401(k) Plan”) to provide retirement benefits under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”). Participants may elect to contribute a portion of their annual salaries on a pre-tax basis to the 401(k) Plan, subject to the maximum contribution allowed by the IRC. During fiscal 2025 and 2024, our matching contributions to the 401(k) Plan were \$702 and \$630, respectively.

**NOTE 19 — RELATED PARTY TRANSACTIONS**

**Transactions with Roark Capital Management, LLC**

We have a management advisory and consulting services agreement with Roark. In exchange for advice concerning management, finance, marketing, strategic planning and other advisory and consulting services provided to us by Roark and its affiliates, Roark receives consulting fees and reimbursement of reasonable expenses. The current annual consulting fee of \$3,461 is payable in equal quarterly installments and subject to an increase of three percent per year during the ten year term of the agreement. We recorded \$3,358 and \$3,249 of consulting fees, which are included in general and administrative expense in our accompanying Consolidated Statements of Operations for fiscal 2025 and 2024, respectively.

The management advisory and consulting services agreement also provides that Roark may earn future fees in connection with certain business acquisition transactions, an initial public offering or a change of control transaction. The management advisory and consulting services agreement includes customary exculpation and indemnification provisions in favor of Roark and its affiliates.

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation. For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions. As of January 31, 2025 and 2024, our income tax payable to our corporate parent was \$13,459 and \$13,269, respectively. During fiscal 2025 and 2024, we did not make any income tax payments to CKE Holding Corporation and made \$17,342 and \$15,426 in income tax payments net of refunds directly to taxing authorities.

As of January 31, 2025 and 2024, we maintained a valuation allowance of \$204 and \$8,747, respectively, for a portion of our state income tax credits and certain state and foreign net operating loss NOL carryforwards because we had concluded that realization of the tax benefit of such deferred income tax assets was not more likely than not. As of fiscal 2025, we only maintain a valuation against state NOL carryforwards as state enterprise zone credits expired after fiscal 2024 and we liquidated our Shanghai entity, removing the need for a valuation allowance against foreign NOL carryforwards. In evaluating the need for a valuation allowance, we consider all available evidence, positive and negative, including cumulative historical earnings in recent years, future reversals of existing temporary differences, estimated future taxable income exclusive of reversing temporary differences on a jurisdictional basis and statutory expiration dates of NOL and income tax credit carryforwards. During fiscal 2025, we decreased our valuation allowance by \$8,543.

As of January 31, 2025, we have state tax credit carryforwards of \$129, that will expire, if unused, in fiscal 2043. As of January 31, 2025, we have state NOL carryforwards in the amount of approximately \$24,752, which expire in varying amounts from fiscal 2026 through 2034. As of January 31, 2025, we have \$81 of net deferred income tax assets related to our state NOL carryforwards, which represent our expected future tax savings from such carryforwards, after considering the impact of past ownership changes on our ability to utilize such carryforwards. The utilization of our NOL carryforwards to offset future taxable income may be subject to an annual limitation as a result of past or future ownership changes. As of January 31, 2025, we have recognized a nominal amount of deferred income tax assets associated with foreign operations.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

The following is a tabular reconciliation of the total amounts of unrecognized tax benefits:

	<b>Fiscal 2025</b>	<b>Fiscal 2024</b>
Unrecognized tax benefits, beginning of year .....	\$ 3,347	\$ 3,628
Gross increases related to tax positions taken in prior years .....	55	529
Gross decreases related to tax positions taken in prior years .....	(657)	(1,002)
Gross increases related to tax positions taken in the current year .....	293	478
Reductions to tax positions due to settlements with taxing authorities and lapses of statutes of limitations .....	(380)	(286)
Unrecognized tax benefits, end of year .....	<u>\$ 2,658</u>	<u>\$ 3,347</u>

Included in the balance of unrecognized tax benefits as of January 31, 2025, are \$1,626 of tax benefits that, if recognized, would affect the effective tax rate. Also included in the balance of unrecognized tax benefits as of January 31, 2025, are \$1,032 of tax benefits that, if recognized, would result in adjustments to other tax accounts, primarily deferred income taxes, income taxes payable and valuation allowance. Amounts recorded for interest and penalties in connection with the unrecognized tax benefits noted above were not significant as of January 31, 2025 and 2024.

We believe that it is reasonably possible that decreases in unrecognized tax benefits of up to \$811 may be necessary within the coming fiscal year as a result of statutes closing on such items. In addition, we believe that it is reasonably possible that our unrecognized tax benefits may increase as a result of tax positions that may be taken in fiscal 2025.

We file income tax returns in the U.S. federal jurisdiction and various states and foreign jurisdictions. We have carried forward various state NOL and income tax credits to income tax years that remain open by statute. As a result, such NOL and income tax credit carryforwards remain subject to adjustment by the respective tax authorities. Our federal income tax returns from fiscal 2022 and subsequent years are open for examination. In addition, our state income tax returns generally have statutes of limitations ranging from three to four years from the filing date.

for the fiscal years ended January 29, 2024 and January 30, 2023

## **Independent Auditors' Report**

The Board of Directors  
CKE Restaurants Holdings, Inc.:

### *Opinion*

We have audited the consolidated financial statements of CKE Restaurants Holdings, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of January 29, 2024 and January 30, 2023, and the related consolidated statements of operations, comprehensive income, equity, and cash flows for each of the fiscal years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 29, 2024 and January 30, 2023, and the results of its operations and its cash flows for the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

### *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTE 1 — ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

**Description of Business**

CKE Restaurants Holdings, Inc. (“CKE Restaurants”) is not a franchisor and conducts substantially all of its restaurant activities and operations through its subsidiaries. Carl’s Jr. Restaurants LLC and Hardee’s Restaurants LLC own, operate and franchise the Carl’s Jr.®, Hardee’s®, Green Burrito® and Red Burrito® concepts. References to “we”, “us”, “our” and the “Company” may relate to CKE Restaurants and/or its subsidiaries, as may be applicable.

Domestic Carl’s Jr. restaurants are predominantly located in the Western United States, primarily in California. International Carl’s Jr. restaurants are located primarily in Mexico, with a growing presence in the rest of Latin America, Asia and Europe. Domestic Hardee’s restaurants are predominantly located throughout the Southeastern and Midwestern United States. International Hardee’s restaurants have an established and growing presence in the Middle East and Central Asia. The Green Burrito concept is located in dual-branded Carl’s Jr. restaurants. The Red Burrito concept is located in dual-branded Hardee’s restaurants. As of January 31, 2024, our system-wide restaurant portfolio consisted of:

Company-operated.....	253
Domestic franchised.....	2,408
International franchised <sup>(1)</sup> .....	1,114
Total restaurants.....	<u>3,775</u>

- (1) As of July 7, 2022, we ceased providing any and all services to our master franchisee for the country of Russia. Our master franchisee has one franchised and sixteen subfranchised restaurants in Russia. Additionally, we have ceased collecting any royalties or fees of any type from the operation of these locations and do not approve or authorize additional locations.

**Basis of Presentation and Fiscal Year**

Our accompanying Consolidated Financial Statements include the accounts of CKE Restaurants, its consolidated subsidiaries and its consolidated variable interest entities (“VIEs”). CKE Restaurants does not have any non-controlling interests in other entities. These Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 29, 2024 is referred to herein as fiscal 2024 or the fiscal year ended January 31, 2024. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public’s dining habits.

**Inflation and Middle East Conflict**

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the year ended January 31, 2024 and January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Beginning October 2023, certain of our Hardee’s international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Variable Interest Entities**

We consolidate the Hardee's National Advertising Fund ("HNAF") and approximately 80 local co-operative advertising funds (collectively, the "Hardee's Funds") since we have determined that the Hardee's Funds are VIEs and that we are the primary beneficiary. We considered a variety of factors in identifying the primary beneficiary of the Hardee's Funds including, but not limited to, who holds the power to direct the activities that most significantly impact the economic performance of the Hardee's Funds, as well as what party has the obligation to absorb any losses of the Hardee's Funds. Based upon these considerations, we concluded that we are the primary beneficiary. We have included \$28,066 and \$24,713 of total assets and total liabilities and equity in our accompanying Consolidated Balance Sheets as of January 31, 2024 and 2023, respectively. We have no rights to the assets, other than those disclosed below, nor do we have any obligation with respect to the liabilities, of the Hardee's Funds, and none of our assets serve as collateral for the creditors of these VIEs.

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a VIE.

**Shanghai Business**

The Shanghai, China business ("Shanghai business") was established for the purpose of locating, developing and operating Carl's Jr. restaurants within the municipality of Shanghai, China and certain nearby provinces. During the fiscal year ended January 31, 2023, the Company closed all restaurants operated by our Shanghai business.

**Estimations**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, goodwill, finance lease assets and operating lease assets;
- estimation, using actuarially determined methods, of our self-insured claim losses under our workers' compensation, general liability and auto liability insurance programs;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods;
- estimation of the appropriate allowances associated with franchise and other receivables;
- determination of the appropriate assumptions to estimate gift card breakage;
- determination of the appropriate assumptions to estimate the fair value of share-based compensation; and
- estimation of our deferred income tax asset valuation allowance, liabilities related to uncertain tax positions and effective tax rate.

**Cash and Cash Equivalents**

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Restricted Cash and Cash Equivalents**

Restricted cash and cash equivalents of \$15,942 and \$16,053 as of January 31, 2024 and 2023, respectively, consisted of cash and cash equivalents that are held by the trustee of our Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes (as defined in Note 8) to be used for debt service payments on our Senior Notes.

**Inventories**

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

**Property and Equipment**

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

**Leases**

*Lessor Accounting*

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

*Lessee Accounting*

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Consolidated Statement of Cash Flows.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Goodwill and Intangible Assets**

Goodwill represents the excess, if any, of the purchase price over the fair value of identifiable net assets acquired in an acquisition. As of January 31, 2024, our goodwill balance primarily consisted of goodwill recorded in connection with the acquisition of CKE Inc., the Company's sole stockholder, that occurred on December 24, 2013. Goodwill may also be recorded in connection with the acquisition of restaurants from franchisees.

We test goodwill for impairment on an annual basis, or more frequently if events and/or circumstances indicate that goodwill might be impaired. The impairment test is performed at the reporting unit level, and an impairment loss is recognized to the extent that the carrying amount of the reporting unit exceeds its fair value. We consider our reporting units to be company-operated restaurants, domestic franchised restaurants and international franchised restaurants as the components (e.g., restaurants) within each reporting unit have similar economic characteristics, including products and services, production processes, types or classes of customers and distribution methods.

We perform our annual goodwill impairment test on the last day of the first accounting period in our fiscal fourth quarter, which was December 4, 2023 for fiscal 2024. In accordance with authoritative guidance, we first assess qualitative factors to determine whether it is more likely than not that the fair values of our reporting units are less than their carrying amounts. If we conclude that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, we then conduct a single-step quantitative goodwill impairment test, consisting of a comparison of the fair values of the reporting units to the carrying values of the reporting units. If the carrying value of a reporting unit exceeds its fair value, then an impairment charge will be recognized for the amount by which the carrying value exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

When we sell restaurants to franchisees, we remove the related goodwill, which is based on the relative fair value of the restaurants sold and the reporting unit as a whole, from our company-operated restaurants reporting unit. A portion of the goodwill, representing the cash flows disposed, is included in the carrying amount of the restaurants in determining the gain or loss on refranchising. The portion of the goodwill disposed is generally based on the price paid to the Company to acquire the restaurants in relation to the fair value of the reporting unit as a whole. The fair value of the reporting unit is based upon the price a willing buyer would pay for the reporting unit. The remaining goodwill related to the divested restaurants, which is attributable to retained cash flows, is transferred from our company-operated restaurants reporting unit to our domestic franchised restaurants reporting unit.

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

**Deferred Financing Costs**

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

**Book Overdraft**

Book overdraft liabilities are included within accounts payable in our accompanying Consolidated Balance Sheets. As of January 31, 2024 and 2023, our book overdraft liability was \$416 and \$1,888, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Consolidated Statements of Cash Flows.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Self-Insurance**

We are self-insured for a portion of losses related to workers' compensation, general liability and auto liability claims. We establish liabilities for self-insurance, with the assistance of actuaries, using assumptions based on the average historical losses on claims we have incurred, actuarial observations of historical claim loss development and actuarial estimates of unpaid losses for each loss category. Our workers' compensation, general liability and auto liability claims are discounted using an estimated risk-free interest rate of 2.5% as of January 31, 2024. As of January 31, 2024 and 2023, our estimated liability for self-insurance was \$13,113 and \$17,996, respectively.

**Loss Contingencies**

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

**Revenue Recognition**

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees, and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Advertising funds revenue includes contributions to HNAF, Hardee's Co-ops, the Carl's Jr. national advertising fund (the "Carl's Jr. Fund") and certain international advertising funds (collectively, the "Advertising Funds") by franchisees. Revenue related to these contributions is based on a percentage of sales of the franchised restaurants and is recognized as earned.

Our company-operated restaurants and franchised restaurants sell gift cards within the restaurants and through independent retailers that are redeemable for products in our Carl's Jr. and Hardee's restaurants. The Company manages the gift card program and collects all funds from the activation of gift cards. We recognize revenue when cards are redeemed in our company-operated restaurants and reimburse franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards is included in other current liabilities in our accompanying Consolidated Balance Sheets (see Note 7).

There are no expiration dates on our gift cards, and we do not charge any service fees. While our company-operated restaurants and franchisees continue to honor all gift cards presented for payment, we may determine the likelihood of redemption to be remote for certain cards due to long periods of inactivity. In these circumstances, we may recognize income from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. Breakage revenue on all Carl's Jr. and Hardee's gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. We account for breakage revenue in franchised restaurants and other revenue in our accompanying Consolidated Statement of Operations (see Note 15).

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Franchise Operations and Credit Risk**

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses, and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, advertising, franchise fees, and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, invoking personal guarantees, or if necessary, acquiring the restaurants or terminating the franchise agreement.

**Advertising**

Company-operated and franchised restaurants jointly share in the cost of various advertising and marketing programs. Advertising and marketing contributions for both company-operated and franchised restaurants are generally determined based on a percentage of revenue and contributed to the applicable funds ratably throughout the year. We administer internally the Carl's Jr. Fund advertising and marketing programs, certain international advertising funds and HNAF. A third party administers the Hardee's local co-operative advertising funds.

Advertising costs for company-operated restaurants' contributions to the Advertising Funds is eliminated in consolidation. Advertising contributions by company-operated restaurants totaled \$18,735 and \$17,934 for fiscal 2024 and fiscal 2023, respectively. The cost of local and incremental advertising that is not funded by the Advertising Funds is expensed as incurred.

**Share-Based Compensation**

We issue equity-based awards to our executive management team, certain key employees, and directors under our equity-based compensation plans. Under the fair value recognition provisions of the authoritative guidance for equity-based compensation awards, we measure the fair value of equity-based awards at the grant date and the fair value is recognized as expense over the requisite service period.

Our equity-based compensation structure includes both time vesting and performance vesting profit sharing interests. We recognize compensation expense relating to time vesting profit sharing interests ratably over the requisite service period for the entire award. Performance vesting profit sharing interests vest through meeting performance and service conditions. We record compensation expense for performance vesting profit sharing interests when we deem the achievement of the performance goals to be probable. We recognize compensation expense for each separately vesting portion of performance vesting profit sharing interests ratably over the requisite service period that is determined to be the most likely outcome. We record reversals of share-based compensation expense for forfeitures as they occur. Our share-based compensation structure is described more fully in Note 17.

**Facility Action Charges**

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Consolidated Statements of Operations as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including refranchising transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from our estimates.

***(i) Impairment of Restaurant-Level Long-Lived Assets***

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about refranchising or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

***(ii) Store Closure Costs***

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

***(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions***

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. As discussed within the section "Goodwill and Intangible Assets" in this Note 1, we include goodwill in the carrying amount of the restaurants in determining the gain or loss on disposal. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

2028 .....	2,665
2029 .....	2,546

Total estimated future amortization income .....	<u>\$ 35,941</u>

Deferred franchise fees are recorded in other current liabilities and other long-term liabilities in our accompanying Consolidated Balance Sheets as of January 31, 2024 and January 31, 2023, respectively.

**Income Taxes**

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation (“CKE”). For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions.

Our current provision for income taxes is based on our estimated taxable income in each of the jurisdictions in which we operate, after considering the impact on our taxable income of temporary differences resulting from disparate treatment of items, such as depreciation, interest expense, advertising funds, sale-leaseback transactions, various reserves, tax credits and net operating losses (“NOL”), for tax and financial reporting purposes. We record deferred income taxes for the estimated future income tax effect of temporary differences between the financial and tax bases of assets and liabilities using the asset and liability method. Deferred income tax assets are also recorded for NOL and income tax credit carryforwards. A valuation allowance to reduce the carrying amount of deferred income tax assets is established when it is more likely than not that we will not realize some portion or all of the tax benefit of our deferred income tax assets. We evaluate, on a quarterly basis, whether it is more likely than not that our deferred income tax assets are realizable. In performing this analysis, we consider all available evidence, both positive and negative, including historical operating results, the estimated timing of future reversals of existing taxable temporary differences, estimated future taxable income exclusive of reversing temporary differences and carryforwards and potential tax planning strategies that may be employed to prevent NOL or tax credit carryforwards from expiring unused. Deferred income tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

From time to time, we may take positions in filing our income tax returns that differ from the treatment of the same items for financial reporting purposes. The ultimate outcome of these items will not be known until the Internal Revenue Service, or similar state taxing authority, has completed its examination or until the statute of limitations has expired.

We maintain a liability for underpayment of income taxes and related interest and penalties, if any, related to uncertain income tax positions. The tax benefit from an uncertain tax position is recognized either upon the expiration of the statutory audit period or when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Our policy on the classification of interest and penalties related to the underpayment of income taxes and uncertain tax positions is to record interest in interest expense, and to record penalties, if any, in general and administrative expense, in our accompanying Consolidated Statements of Operations. Accrued interest and penalties are included in our liability for uncertain tax positions.

**Distributor Concentration Risk**

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

**Foreign Currency**

The functional currency of our foreign entities is the currency of the primary economic environment in which the entity operates. Functional currency determinations are made based upon a number of economic factors, including but not limited to cash flows and financing transactions. The operations, assets and liabilities of our entities outside the United States are initially measured using the functional currency of that entity. The income and expense accounts are then translated into U.S. dollars at the average exchange rates prevailing during the period. The assets and liabilities are translated into U.S. dollars at exchange rates in effect at the balance sheet date.

**Comprehensive Income**

We present comprehensive income in our accompanying Consolidated Statements of Comprehensive Income. Comprehensive income includes, in addition to net income, changes in equity that are excluded from our Consolidated Statements of Operations and are recorded directly into a separate section of equity on our Consolidated Balance Sheets. Accumulated other comprehensive income is comprised entirely of foreign currency translation adjustments attributable to CKE Restaurants Holdings, Inc.

**Reclassification**

Certain prior year amounts in the Consolidated Statements of Operations have been reclassified in order to be comparable with the current year classification. These consist of the reclassification for the year ended January 31, 2023 certain workers compensation expense of \$2,846 from Payroll and other employee benefits to Occupancy and other expense. These reclassifications did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

**Subsequent Events**

We have evaluated subsequent events through April 10, 2024, the date our Consolidated Financial Statements were available to be issued and except as discussed in Note 8, have determined that no material subsequent events occurred after the balance sheet date.

**New Accounting Standards Adopted**

**Credit Impairment**

In June 2016, the Financial Accounting Standards Board (“FASB”) issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held, including trade receivables. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods beginning after December 15, 2022. The Company adopted this amendment during the first quarter of 2024. The adoption of this guidance did not have a material impact on our Consolidated Financial Statements.

**New Accounting Standards Not Yet Adopted**

**Income Tax Disclosures**

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Consolidated Financial Statements.

**NOTE 5 — ACQUISITIONS AND REFRANCHISING ACTIVITY**

**Acquisition of Restaurants**

During the fiscal year ended January 31, 2024, we purchased nineteen Hardee's restaurants and one Carl's Jr. restaurant from franchisees for purchase price consideration of \$3,342, which in combination with certain assets subject to pre-existing relations with these franchisees, results in aggregate consideration transferred for \$3,438. As a result of these transactions, we recorded the following:

	<b>Fiscal 2024</b>
Net working capital .....	\$ 55
Property and equipment .....	12,281
Operating lease assets .....	5,048
Reacquired franchise rights .....	1,810

The resulting acquisitions result in no goodwill. Legal, travel and other expenses related to these acquisitions totaled \$1,075 during the fiscal year ended January 31, 2024.

**Refranchising Transaction**

During fiscal 2024, we sold one Hardee's restaurant and certain related inventory and fixed assets with a net book value of \$1,267 and disposed of its allocated goodwill of \$662. In connection with the sale of this restaurant, we received aggregate consideration of \$2,082, and recognized a net gain of \$153, which is included in facility action charges, net, in our

accompanying Consolidated Statements of Operations. In connection with the refranchising transaction, the franchisee acquired real property and equipment related to the restaurant location.

**NOTE 6 — GOODWILL AND INTANGIBLE ASSETS, NET**

During the fourth quarter of fiscal 2024 and 2023, we performed our annual impairment tests for goodwill and indefinite-lived intangible assets using a qualitative approach and determined that it is more likely than not that the fair value is greater than the carrying value. Accordingly, no impairment losses were recorded in fiscal 2024 or 2023.

The table below presents our intangible assets as of January 31, 2024 and 2023:

		2024			2023

**Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes**

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, Carl’s Jr. Funding LLC and Hardee’s Funding LLC (collectively, the “Co-Issuers”), our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2024, we had no outstanding loan borrowings, \$22,647 of outstanding letters of credit and remaining availability of \$47,353 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, the Co-Issuers paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2020-1 Class A-2 Notes”). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 beginning March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

On June 24, 2021, the Co-Issuers issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2021-1 Class A-2 Notes”, and together with the “Series 2020-1 Class A-2 Notes” and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the “Class A-2 Notes” and, collectively with the Series 2018-1 Variable Funding Notes, the “Senior Notes”). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The Series 2021-1 Class A-2 Notes require scheduled quarterly principal payments of \$450 with the first principal payment due September 20, 2021. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the Co-Issuers and their subsidiaries and immediate holding companies (collectively, the “CKE Securitization Entities”), but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect that the Co-Issuers will repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that the Co-Issuers do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, the Co-Issuers may elect not to make the scheduled principal payments on the Class A-2 Notes. The Co-Issuers may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, the Co-Issuers may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

In the first quarter of fiscal 2025, the Co-Issuers issued an aggregate principal amount of \$350,000 of Series 2024-1 7.253% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2024-1 Class A-2 Term Notes”). The Series 2024-1 Class A-2 Term Notes have an anticipated repayment date of March 2031 and a legal final maturity date of March 2054. The Series 2024-1 Class A-2 Term Notes require scheduled quarterly principal payments of \$875 with the first principal payment due June 20, 2024. The interest payments for the Series 2024-1 Class A-2 Term Notes are due quarterly in arrears on the 20th day of

each March, June, September and December. A portion of the proceeds of the issuance of the Series 2024-1 Class A-2 Term Notes were used to repay the Series 2018-1 Class A-2-II Term Notes in full, including accrued interest.

**NOTE 9 — LEASES**

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments such as a percentage of sales in excess of specified levels, is often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

**Company as Lessor**

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. **NOTE 10 — SALE-LEASEBACK TRANSACTIONS**

We currently have entered into agreements with independent third parties under which we sold and leased back a total of 126 restaurant properties. The initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Consolidated Balance Sheets was \$115,805 and \$117,126 as of January 31, 2024 and 2023, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have continuing involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statement of Operations for fiscal 2023.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2024, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:

2025 .....	\$ 16,202
2026 .....	16,212
2027 .....	16,410
2028 .....	17,250
2029 .....	17,813

Total minimum lease payments .....	149,930
Less amount representing interest .....	(32,652)
Residual property obligation <sup>(1)</sup> , deferred financing costs and deferred sales proceeds .....	102,346
Financing method sale-leaseback liability .....	219,624
Less current portion .....	(11,287)
Financing method sale-leaseback liability, less current portion .....	<u>\$ 208,337</u>

- (1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

**NOTE 12 — EQUITY**

As of January 31, 2024 and 2023, a total of 100 shares of \$0.01 par value common stock of CKE Restaurants are issued and outstanding. Each share of common stock entitles the shareholder to one vote per share and is eligible to receive dividend payments when declared. As discussed more fully in Note 8, the Indenture governing the Senior Notes includes certain covenants and restrictions that may limit CKE Restaurants' ability to declare and pay dividends. No dividends were declared and paid in fiscal 2024 and 2023.

During fiscal 2023, CKE Inc. merged with CKE Restaurants which survives the merger. As a result of the merger, all assets, liabilities and debts of CKE, Inc. transferred to CKE Restaurants. The intercompany note agreements between the entities were cancelled, and the CKE Restaurants note receivable from CKE Inc. in the amount of \$441,866 was reclassified to accumulated deficit. In addition, \$316 of cash held by CKE Inc. was consolidated into CKE Restaurants.

**NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS**

The following table presents information on our financial instruments as of January 31, 2024 and 2023:

	<b>2024</b>		<b>2023</b>	
	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>	<b>Carrying Amount</b>	<b>Estimated Fair Value</b>

Other Notes .....	—	—	1,900	1,900

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates. The carrying amount of the other notes approximates fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market

participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including goodwill, intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2024:

	<u>Fair Value Measurements</u>	<u>Impairment Charges</u>
Assets to be disposed of (Level 2) <sup>(1)</sup> .....	\$ —	\$ 3,311
Assets to be held and used (Level 3) <sup>(2)</sup> .....	—	1,044

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2023:

**NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES**

**Lease Commitments**

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Consolidated Statements of Operations. As of January 31, 2024, the nominal value of the lease obligations under the remaining master leases' primary terms is \$434,638.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Letters of Credit**

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2024, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$22,647, expiring at various dates through October 2024. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest reserve as required by the Series 2021-1 Indenture and letters of credit of \$9,547, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

**Unconditional Purchase Obligations**

As of January 31, 2024, we had unconditional purchase obligations in the amount of \$59,462, which consisted primarily of contracts for goods and services related to restaurant operations and contractual commitments for marketing and sponsorship arrangements. Our unconditional purchase obligations for fiscal 2025, 2026, 2027, 2028 and 2029 are estimated to be \$55,863, \$1,199, \$937, \$937 and \$526, respectively.

**Litigation**

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

**Share-Based Compensation Arrangements**

CKE Holdings LP, a limited partnership (the “Partnership”) that was formed by Roark Capital Management, LLC (“Roark”) and certain members of our senior management team and Board of Directors in December 2013, is CKE’s sole stockholder as of January 31, 2024 and 2023. The Limited Partnership Agreement, as amended (“Limited Partnership Agreement”), allows for the issuance of profit sharing interests (“Units”) in the Partnership in the form of “Class B” and “Class C” Units. The Units provide the holders a profit sharing interest in the Partnership as defined in the partnership agreement and the individual grant agreements. There are no income tax benefits associated with any of the Class B Units or Class C Units.

Time vesting Class B Units vest in four equal annual installments from the date of grant. Performance vesting Class B Units provide for vesting or conversion to a time vesting schedule upon achievement of certain financial or investment targets. Time vesting Class C Units vest in various installments as specified in the individual grant agreements, but in all instances have vesting periods no longer than five years from the date of grant. There are no unvested time vesting and performance vesting Class B Units as of January 31, 2024 and 2023.

As a result of a previous amendment to the Limited Partnership Agreement, all performance vesting Class B Units that had not vested or converted to a time vesting schedule prior to December 24, 2017, became fully vested and non-forfeitable Class B Units, subject to certain restrictions (the “Restricted Class B Performance Units”). The Restricted Class B Performance Units are only entitled to realize a profit sharing interest in the Partnership to the extent that certain future performance and/or market conditions are met. These conditions require the value generated or calculated as a result of a substantial initial public offering, change in control or cumulative cash distributions, each as defined in the Limited Partnership Agreement, to result in the achievement of a specified return to the Partnership.

During fiscal 2024, the Partnership granted 502,100 time vesting and 502,100 performance vesting Class C Units. The time vesting class C Units vest in either three or five equal annual installments from the dates of grant. the performance vesting Class C Units consists of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2024 through 2030 as set forth in the grant agreements.

During fiscal 2023, the Partnership granted 358,335 time vesting and 358,331 performance vesting Class C Units. The time vesting Class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consist of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2023 through 2027 as set forth in the grant agreements.

**NOTE 19 — RELATED PARTY TRANSACTIONS**

**Transactions with Roark Capital Management, LLC**

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation. For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions. As of January 31, 2024 and 2023, our income tax payable to our corporate parent was \$13,269 and \$13,318, respectively. During fiscal 2024 and 2023, we did not make any income tax payments to CKE Holding Corporation and made \$15,426 and \$11,325 in income tax payments net of refunds directly to taxing authorities.

As of January 31, 2024 and 2023, we maintained a valuation allowance of \$8,747 and \$9,405, respectively, for a portion of our state income tax credits and certain state and foreign net operating loss NOL carryforwards because we had concluded that realization of the tax benefit of such deferred income tax assets was not more likely than not. In evaluating the need for a valuation allowance, we consider all available evidence, positive and negative, including cumulative historical earnings in recent years, future reversals of existing temporary differences, estimated future taxable income exclusive of reversing temporary differences on a jurisdictional basis and statutory expiration dates of NOL and income tax credit carryforwards. During fiscal 2024, we decreased our valuation allowance by \$658.

As of January 31, 2024, we have foreign tax credit carryforwards of \$406, that will expire, if unused, in fiscal 2034. As of January 31, 2024, we have state tax credit carryforwards of \$4,130 that are projected to expire if unused after fiscal 2024. As of January 31, 2024, we have state NOL carryforwards in the amount of approximately \$32,402, which expire in varying amounts from fiscal 2025 through 2034. As of January 31, 2024, we have \$125 of net deferred income tax assets related to our state NOL carryforwards, which represent our expected future tax savings from such carryforwards, after considering the impact of past ownership changes on our ability to utilize such carryforwards. The utilization of our NOL carryforwards to offset future taxable income may be subject to an annual limitation as a result of past or future ownership changes. As of January 31, 2024, we have recognized a nominal amount of deferred income tax assets associated with foreign operations.

**CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

The following is a tabular reconciliation of the total amounts of unrecognized tax benefits:

	<b>Fiscal 2024</b>	<b>Fiscal 2023</b>
Unrecognized tax benefits, beginning of year .....	\$ 3,628	\$ 4,424
Gross increases related to tax positions taken in prior years .....	529	37
Gross decreases related to tax positions taken in prior years .....	(1,002)	(768)
Gross increases related to tax positions taken in the current year .....	478	417
Reductions to tax positions due to settlements with taxing authorities and lapses of statutes of limitations .....	(286)	(482)
Unrecognized tax benefits, end of year .....	<u>\$ 3,347</u>	<u>\$ 3,628</u>

Included in the balance of unrecognized tax benefits as of January 31, 2024, are \$2,004 of tax benefits that, if recognized, would affect the effective tax rate. Also included in the balance of unrecognized tax benefits as of January 31, 2024, are \$1,343 of tax benefits that, if recognized, would result in adjustments to other tax accounts, primarily deferred income taxes, income taxes payable and valuation allowance. Amounts recorded for interest and penalties in connection with the unrecognized tax benefits noted above were not significant as of January 31, 2024 and 2023.

We believe that it is reasonably possible that decreases in unrecognized tax benefits of up to \$380 may be necessary within the coming fiscal year as a result of statutes closing on such items. In addition, we believe that it is reasonably possible that our unrecognized tax benefits may increase as a result of tax positions that may be taken in fiscal 2024.

We file income tax returns in the U.S. federal jurisdiction and various states and foreign jurisdictions. We have carried forward various state NOL and income tax credits to income tax years that remain open by statute. As a result, such NOL and income tax credit carryforwards remain subject to adjustment by the respective tax authorities. Our federal income tax returns from fiscal 2021 and subsequent years are open for examination. In addition, our state income tax returns generally have statutes of limitations ranging from three to four years from the filing date.

## AGREEMENT

**NOW THEREFORE**, in consideration of the covenants and agreements set forth below and other good and valuable consideration, the parties agree as follows:

1. In connection with the execution of the Franchise Agreement and the renewal of the Franchise previously granted to Franchisee, Franchisee has agreed to timely satisfy the conditions, if any, listed in attached Appendix 1. Franchisee acknowledges that its failure to timely satisfy the conditions identified in Appendix 1 shall constitute a default under the Franchise Agreement.

2. Franchisee agrees that HR's execution of the Franchise Agreement does not constitute a waiver of any monies owed by Franchisee to HR or its affiliates under the Prior Agreement.

3. If the Franchised Restaurant is leased or subleased from a third party (“Landlord”), Franchisee shall provide HR a copy of the fully-executed lease or sublease, together with any amendments to the lease or sublease (collectively, “Lease”) simultaneously with the execution of this Addendum. The term of the Lease shall continue for at least the Renewal Term of the Franchise Agreement. If the Lease does not contain the language required by HR to be included in the Lease, or if Franchisee has not previously provided HR with a fully-signed Lease Addendum as required by the Prior Agreement and the Franchise Agreement, Franchisee shall use its best efforts to obtain the Landlord’s signature on HR’s Lease

Addendum, in the form attached to the Franchise Agreement, and provide HR with a fully signed Lease Addendum within 60 days after the commencement date of the Renewal Term.

4. Franchisee represents and warrants that it has the right to remain in possession of the Franchised Restaurant for the Renewal Term.

5. The first two sentences in the first paragraph of Section 2.A. is deleted and replaced by the following:

**A. Renewal Term**

The term of this Agreement (“Renewal Term”) and the Franchise granted by this Agreement shall be for a period set forth in Appendix 1 attached to the Renewal Addendum, unless this Agreement is terminated at an earlier date pursuant to Section 23. All references to the “Term” or the “Initial Term” shall mean and refer to the Renewal Term.

6. Section 8.A. is deleted and replaced by the following:

**A. Renewal Fee**

Franchisee shall pay a Renewal Fee of: **(1)** \$5,000 for a Renewal Term of 5 years or less; or **(2)** \$10,000 for a Renewal Term greater than 5 years, not to exceed 10 years. The Renewal Fee paid by Franchisee is set forth in attached Appendix 1. The Renewal Fee is paid in consideration of HR granting this renewal Franchise Agreement to Franchisee, it was fully earned at the time paid and it is not refundable for any reason whatsoever. All references to “Initial Franchise Fee” shall mean and refer to the Renewal Fee.

7. Section 21 is amended by adding the following sentence at the end of the Section:

Without limiting the extent of the foregoing release, Franchisee, all individuals who execute this Agreement and all guarantors of Franchisee’s obligations under this Agreement acknowledge and agree that the foregoing release includes, without limitation, a release of all claims arising out of, or related to, the Prior Agreement.

8. Item 2 in Appendix A to the Franchise Agreement is deleted.

# ARTICLE I

## PURCHASE AND SALE

**1.01 Purchase and Sale of Assets.** At the Closing (as hereinafter defined), Seller hereby agrees (or, if applicable, will cause its affiliate) to sell, transfer, convey, assign and deliver to Buyer and Buyer agrees to purchase, acquire and assume from Seller (or, if applicable, Seller's affiliate), all of Seller's (or, if applicable, Seller's affiliate's) right, title and interest in and to the assets listed below (collectively, the "Purchased Assets"). To the extent that an affiliate of Seller owns any asset which is subject to this Agreement, Seller shall cause the affiliate to transfer or lease the assets (as applicable) to Buyer, as described herein.

(a) **Fixed Assets.** All machinery, equipment ("Equipment"), furniture, fixtures, tools, signs and other items of tangible personal property (excluding Inventory) located at the Restaurants, except for such machinery, equipment, furniture, fixtures, tools, signs and other items of tangible personal property under lease to Seller (the "Fixed Assets").

(b) **Inventory.** All inventories of food products, paper products, operational supplies, uniforms, disposable items, heating fuel, cleaning materials and other items of consumable and/or expendable materials and supplies in the Restaurants on the Closing Date (as hereinafter defined) (the "Inventory").

(c) **Permits and Licenses.** All permits, licenses, consents and authorizations which are necessary or required for the operation, use and/or ownership of the Restaurants and/or Purchased Assets, but only to the extent that the same are transferable and assignable by Seller (or, if applicable, Seller's affiliate) to Buyer (the "Permits and Licenses").

(d) **Change Fund.** Cash in an aggregate amount equal to \$\_\_\_\_\_ shall be left in the cash registers of each of the Restaurants immediately prior to the Closing Date (the "Change Fund"). The Change Fund for each of the Restaurants shall be shown on the Closing Statement as a payment by Buyer.

(e) **Contract Rights.** All of Seller's (or, if applicable, Seller's affiliate's) right, title and interest in and to the contracts, leases and commitments listed on Exhibit 1.01(e) (the "Assumed Contracts").

(f) **Fee Property.** All of Seller's (or, if applicable, Seller's affiliate's) right, title and interest in and to each parcel of real property, together with all buildings, improvements and fixtures thereon, in which any Restaurant identified on Exhibit A as a "Fee Property Restaurant" is situated (collectively, the "Fee Property").

(g) **Other Rights.** Any and all of Seller's rights concerning the Restaurants: (1) to use existing telephone numbers, fax numbers, keys and codes for security systems, to the extent transferable or assignable, or (2) arising under equipment warranties, building/construction warranties or other warranties, to the extent transferable or assignable (collectively, "Other Rights").

**1.02 Excluded Assets.** The Purchased Assets shall include only the assets expressly listed in Section 1.01 and shall not include any other assets of any kind, including but not limited to, the following assets of Seller or any affiliate: cash on hand or in banks, other than the Change Fund; checks, drafts or other negotiable instruments; accounts receivable; refunds, rebates and credits due; computer software (other than as relates to the POS Equipment (as defined in Section 1.05) in the Restaurants); or executory commitments for the purchase of materials, services or supplies or other real or personal property not related to or physically present at the Restaurants (collectively, the “Excluded Assets”).

**1.03 Condition of Assets.** All of the Purchased Assets are being sold and transferred by Seller (or, if applicable, its affiliate) to Buyer and purchased by Buyer from Seller (or, if applicable, its affiliate) in “AS IS” condition and “with all faults.” EXCEPT AS OTHERWISE PROVIDED HEREIN, SELLER AND ITS AFFILIATES DISCLAIM ALL WARRANTIES CONCERNING THE PURCHASED ASSETS, STATUTORY, EXPRESS, AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND ANY OTHER WARRANTY OF QUALITY IN RESPECT OF THE PURCHASED ASSETS, AND THERE ARE NO OTHER WARRANTIES, STATUTORY, EXPRESS, OR IMPLIED THAT EXTEND BEYOND THE WARRANTIES CONTAINED IN THIS AGREEMENT. Buyer and Guarantor acknowledge that they are in the business of operating restaurants and have examined the Purchased Assets to their satisfaction in light of the foregoing disclaimer of warranties.

**1.04 Sublease of Leased Real Property.** At Closing, Seller (or, if applicable, Seller’s affiliate) shall sublease to Buyer on a triple net basis each parcel of real property on which any Restaurant identified on Exhibit A as a “Leased Property Restaurant” (collectively, the “Leased Real Property”) is situated. The rentals for each of the Leased Real Properties will be as set forth on Exhibit A. Each sublease shall require Guarantor to guarantee all of Buyer’s obligations under such sublease. The guaranty shall be substantially in the form attached as an exhibit thereof to the sublease. Each sublease of Leased Real Property shall be substantially in the form attached hereto as Exhibit 1.04(a), under the terms set forth on Exhibit A.

The Leased Real Properties, respectively, shall have initial terms or options to renew (collectively, the “Term”) set forth opposite such property on Exhibit A. The parties hereto believe that the information set forth on Exhibit A as regards to the initial term and options to renew with respect to each of the Leased Real Properties is accurate, but Seller makes no representations and warranties, with respect to same, and accordingly, Buyer should independently verify same. For those property parcels for which the corresponding Term indicated on Exhibit A is less than fifteen (15) years, Seller will use commercially reasonable efforts to obtain from the respective landlord prior to Closing one or more renewal options such that the Term shall equal at least fifteen (15) years, provided that the rent increase during such additional renewal periods shall not, without Buyer’s consent, exceed three percent (3.0%) over the immediately preceding year for each year an extension is obtained. Fee Property and Leased Real Property are referred to collectively as the “Properties.” The Leased Real Property subleases are referred to collectively as the “Subleases.”

**1.05 Point of Sale Equipment.** Point of Sale equipment (“POS Equipment”) in the Restaurant shall be deemed a Fixed Asset and shall be conveyed to Buyer pursuant to Section 9.04. The parties acknowledge that the Restaurants currently operate using \_\_\_\_\_ software. Seller agrees to license the Star POS software to Buyer [**NOTE: without charging a license fee/charging the license fee set forth in the Franchise Agreements**], and Buyer agrees to enter into Seller’s standard license agreement for such software and subscribe to the Help Desk services. Buyer further agrees to purchase and install the Xpient POS software package with CKE enhancements (“Xpient/CKE Package”), together with any upgrades necessary for such system, within six (6) months after Closing or, if the Xpient/CKE Package is not available as of Closing, then within six (6) months after it becomes available. Buyer acknowledges that the Xpient/CKE package includes various components, including, without limitation, POS and back-office software, new or upgraded back-office computer, new kitchen display system, mandatory help desk subscription and mandatory field service subscription.

**1.06 Assumption of Liabilities.** At the Closing, Buyer shall assume, discharge and become liable for all liabilities and obligations arising after the Closing Date under the Assumed Contracts, but only to the extent such liabilities and obligations are required to be performed and satisfied after the Closing Date and excluding liabilities and obligations arising as a result of any breach of or default or failure to perform by Seller (or, if applicable, Seller’s affiliate) under any Assumed Contract prior to the Closing Date. Buyer agrees to use its best efforts to obtain releases of Seller (or, if applicable, Seller’s affiliate) from all future obligations under the Assumed Contracts upon their assignment to Buyer. To the extent that Buyer is unable to obtain such releases of Seller under the Assumed Contracts, Guarantor shall additionally guaranty the obligations of Buyer in connection with the Assumed Contracts until such time as releases have been obtained or the obligations have terminated, pursuant to the Guaranty executed by Guarantor in substantially the form of Exhibit 1.06 attached hereto.

**1.07 Excluded Restaurants.** The parties to this Agreement recognize that, in connection with the transactions contemplated by this Agreement, Seller offered to (i) sell, lease and/or sublease to Buyer the real property on which the restaurants identified on Exhibit B hereto (the “Excluded Restaurants”) are situated, and (ii) sell and transfer certain assets attributable or pertaining to the Excluded Restaurants. Buyer acknowledges and agrees that Buyer declined Seller’s offer to sell, lease and/or sublease the Excluded Restaurants and to sell and transfer certain assets attributable or pertaining to the Excluded Restaurants. Notwithstanding anything to the contrary in this Agreement, any Development Agreement, any Franchise Agreement or any other agreement between the parties to this Agreement, Seller shall have the right to operate or dispose of any or all of the Excluded Restaurants in any manner Seller may deem appropriate or convenient, including, without limitation, the right to close them, operate them independently, allow another franchisee to operate them, and/or sell them to any third party, including, without limitation, the operator of a competing fast food concept.

**1.08 Seller’s Repurchase Option.** Seller shall have the right to repurchase the Restaurants and any New Restaurants in the event that Buyer is in Material Noncompliance (as defined below) with its obligation with respect to the timely development of any of the first \_\_\_\_\_ ( ) New Restaurants to be developed under the Development Agreement (the “Repurchase Option”), under the terms set forth in this section.

(i) The purchase price for the Restaurants and any New Restaurants shall equal \_\_\_\_\_ (\_\_\_\_\_) times the actual rolling-13-period EBITDA of the Restaurants and any New Restaurants, as of the month immediately preceding the date the Option is exercised, subject to the following definitions and adjustments:

(A) EBITDA is defined as earnings before interest, income tax, depreciation and amortization, as set forth on the “Summary of Accounts – Abbreviated Franchisee Profitability Statement” a copy of which is attached hereto as Exhibit 1.4(d), attached hereto (the “Summary of Accounts”).

(B) For purposes of calculating EBITDA and notwithstanding the Summary of Accounts, royalties shall be considered an expense to be deducted from earnings, and G&A (general and administrative) shall be deemed to be an amount equal to \_\_\_% of gross sales in lieu of actual G&A.

(C) EBITDA for any New Restaurant open less than 18 months at the time the Repurchase Option is exercised shall be deemed to be the average restaurant EBITDA of the Restaurants and any New Restaurants opened at least 18 months at the time the Repurchase Option is exercised.

(D) In the event Buyer owns the fee interest of any New Restaurants, Buyer shall sell to Seller such fee interest at a price equal to the then Value, determined as set forth in Section 1.4(c) above. The purchase price of the New Restaurant shall be the sum of the value of the fee interest plus \_\_\_\_\_ times EBITDA for the New Restaurant determined as set forth above, except that fair market rent shall be imputed to the New Restaurant for purposes of determining EBITDA. The fair market rental value of the property shall be determined for such purpose in the same manner that Value is determined under Section 1.4(c) above. Notwithstanding the foregoing, in the event that any such fee-owned New Restaurant has been opened less than 18 months, the purchase price for such fee interest shall be no less than the amount of Buyer’s acquisition and build-out expenses actually paid to third parties, including the following soft costs: all applicable civil engineering, architectural, impact and permit fees in connection with the development of such New Restaurant (but excluding attorneys’ fees and other soft costs not specifically listed in the foregoing) (“Acquisition and Build-Out Cost”). In the event the purchase price for such fee interest is based on Acquisition and Build-Out Cost, rent imputed to the New Restaurant for purposes of determining EBITDA shall be determined by multiplying the Acquisition and Build-Out Cost by an \_\_\_% cap rate, in lieu of rent equal to the average rent of the Restaurants and any New Restaurants opened at least 18 months at the time the Repurchase Option is exercised.

(E) In the event that Buyer has one or more locations under development as a New Restaurant (not yet opened), Buyer may elect to exclude or include all such locations from the Repurchase Option. If included, the purchase price for the locations under development shall equal the amount of Buyer’s Acquisition and Build-Out Expenses

actually paid to third parties as of the Repurchase Option closing, provided that Seller shall have given prior written approval to any expenditures incurred after the date Seller exercises its Repurchase Option, which approval shall not be unreasonably withheld. Buyer shall assign and Seller shall assume all contracts, warranties and liabilities concerning acquisition, design and construction in form and substance reasonably acceptable to Seller, and at closing Buyer shall provide Seller acceptable lien waivers for all work performed and materials delivered through the date of such closing.

(ii) “Material Noncompliance” of the Development Agreement shall mean Buyer’s failure to obtain site approval for a New Restaurant or open a New Restaurant within one (1) year after the site approval or opening date set forth in Development Schedule under the Development Agreement, or Buyer’s admission that it will not be able to develop one or more of the New Restaurants within one (1) year of the scheduled opening date under the Development Agreement. Such one (1) year period shall be extended upon the occurrence of a Force Majeure event as defined in Section 20 of the Development Agreement, but only to the extent such event prevents, hinders or delays Buyer’s performance in excess of such one (1) year period. Seller shall not be required to provide Buyer a notice and cure period prior to exercising the Repurchase Option, and Seller’s right to exercise its Repurchase Option shall continue for so long as the Development Agreement remains in material noncompliance. Upon the opening of Buyer’s \_\_\_\_\_ ( ) New Restaurant, Seller’s Repurchase Option shall terminate.

(iii) At the Repurchase Option closing, Buyer shall deliver the Restaurants and any New Restaurants to Seller in at least as good condition as Seller delivered to Buyer at Closing under this Agreement, in good working order subject to normal wear and tear and subject to equivalent representations and warranties related to the condition of the assets as made by Seller under this Agreement. Seller and Buyer shall terminate the leases and subleases between them for the Restaurants, and Buyer shall assign and Seller shall assume any leases for any New Restaurants. Buyer shall assign and Seller shall assume all operating contracts expressly approved by Seller related to the Restaurants or New Restaurants. The property and buildings shall be delivered to Seller free of all liens and encumbrances, except liens for taxes not yet due and payable, encumbrances existing immediately prior to the Closing and other matters approved by Seller, which approval shall not be unreasonably withheld. In the event one or more Restaurants or New Restaurants do not meet the conditions stated in this subparagraph, such failure shall not delay Seller’s right to close on the other Restaurants and New Restaurants. Rent, utilities, taxes and other items prorated at Closing (personal and real property) shall be prorated as of the closing of the Repurchase Option. Buyer shall pay all transaction expenses (other than Seller’s attorneys’ fees) to exercise and consummate the Repurchase Option. Subject to the foregoing terms and conditions of this paragraph, Buyer shall provide the same indemnification to Seller at the Repurchase Option closing that Seller provides to Buyer at the Closing. The parties shall use commercially reasonable efforts to consummate the closing of the Repurchase Option within sixty (60) days following Seller’s delivery of a notice that it is exercising its Repurchase Option.

(iv) If Seller shall exercise the Repurchase Option, the Development Agreement and all Franchise Agreements and Leases concerning the Restaurants and New Restaurants acquired by Seller pursuant to the Repurchase Option shall terminate and be of no further force or effect except for any and all provisions of such agreements and Leases that are intended to survive termination. Notwithstanding the foregoing, Seller agrees that, if it exercises the Repurchase Option, it will limit the post-term noncompetition provisions applicable to Buyer and Guarantor under the Franchise Agreements to quick serve restaurant concepts in which 10% or more of the sales are comprised of hamburgers or breakfast sandwiches, but such limitation of the noncompetition provision shall not apply within the \_\_\_\_\_ Designated Market Area.

(v) The terms of this Section 1.08 shall survive (i) Closing, and (ii) closing of the Repurchase Option for one (1) year.

## **ARTICLE II**

### **PURCHASE PRICE**

#### **2.01 Purchase Price.**

(a) Subject to the adjustments below, the purchase price ("Purchase Price") for the Purchased Assets and for the right to sublease the Leased Real Property on the terms set forth in Section 1.04 above shall be the sum of: (i) \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), which amount (less any deposits previously paid by Buyer pursuant to subsection (b) below and subject to adjustments made in accordance with Section 2.03 below) shall be payable by Buyer to Seller at the Closing by wire transfer; and (ii) the value of the Inventory as of the Closing Date, calculated and payable in accordance with Section 2.01(c).

(b) The Parties acknowledge that Buyer has forwarded to Seller a deposit on the Purchase Price in the amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) ("Initial Earnest Money Deposit"), which deposit will be transferred by Seller to \_\_\_\_\_ ("Title Company") to be held in escrow. Upon execution of this Agreement, Buyer shall forward to Seller an additional deposit on the Purchase Price in the amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) ("Additional Earnest Money Deposit"), which deposit also will be transferred by Seller to Title Company to be held in escrow. Unless this Agreement is cancelled in accordance with the requirements of Section 5.03 of this Agreement, the Initial Earnest Money Deposit and Additional Earnest Money Deposit (collectively, the "Earnest Money Deposit") shall be paid to Seller at Closing or in accordance with the conditions hereinafter set forth.

(c) The amount Buyer shall pay Seller for the Inventory shall be determined as follows: on the Closing Date, representatives of both Buyer and Seller shall conduct a physical inventory of all items of Inventory at the Restaurants. The value of the Inventory as of such time shall then be determined by the most current price list issued by Meadowbrook Meat Corporation, Inc. prior to the Closing Date; provided, however, that with respect to new uniforms included in the Inventory, Buyer shall pay the full invoice price paid by Seller for such new uniforms, and with respect to uniforms currently used by Restaurant employees included in the Inventory, Buyer shall pay one-half of the full invoice price paid by Seller for such uniforms. Promptly after the

value of the Inventory has been determined in writing, Seller shall present to Buyer the written document setting forth the Inventory and the value of the Inventory. Buyer shall thereafter have five (5) business days within which to review the written document setting forth the Inventory and the value of the Inventory and the work papers of Seller utilized in calculating same (which will be furnished to Buyer promptly on request) for purposes of verifying the accuracy and fairness of the value of the Inventory. The value of the Inventory determined by Seller shall be binding on Buyer unless Buyer presents to Seller written notice of its disagreement within such five (5) business day period, specifying in reasonable detail, insofar as feasible, the nature and extent of Buyer's disagreement. If Buyer does not provide to Seller such written notice of disagreement within such time period, Buyer shall, within thirty (30) days of the Closing Date, pay Seller for the Inventory in cash or other immediately available funds. If Buyer does provide to Seller such written notice of disagreement, Buyer shall, concurrently with delivery of such written notice, pay Seller in cash or other immediately available funds for that portion of the value of the Inventory with which Buyer does not disagree. Otherwise, Buyer's written notice of disagreement shall have no effect, as if it had never been given, and the value of the Inventory determined by Seller shall be binding on Buyer. The parties agree to use their good faith efforts to resolve such disagreement within fifteen (15) days after Seller receives written notice of such disagreement and partial payment from Buyer, at which time Buyer shall pay Seller for the Inventory in cash or other immediately available funds in accordance with the resolution of such disagreement. In the event that Seller and Buyer cannot mutually agree on the value of the Inventory within such fifteen (15) day period, the value shall be determined by arbitration as provided in Section 2.06.

**2.02 Franchise Fees; Development Fees.** The Purchase Price shall be inclusive of the initial franchise fee due under each of the Hardee's Restaurant Franchise Agreements to be entered into on or before Closing. Any development fees provided for in the Development Agreement or franchise fees for new restaurants developed pursuant to the Development Agreement, however, shall be in addition to the Purchase Price and shall be paid by Buyer to Seller in accordance with the terms of the Development Agreement and the franchise agreements entered into with respect to such new restaurants. At Closing, Buyer shall pay to Seller a development fee in an amount equal to Ten Thousand Dollars (\$10,000) per restaurant unit Buyer is required to develop, as required under the Development Agreement.

**2.03 Prorations and Adjustments.** The Purchase Price shall be subject to adjustment at Closing for payments due under the Assumed Contracts, real and personal property taxes and assessments, utilities and other similar items. Buyer shall receive a credit from Seller for all unpaid real and personal property taxes and assessments for the calendar year 202\_\_\_ prorated from January 1, 202\_\_\_ to the Closing Date. The prorations shall be calculated based on the actual amounts of the 202\_\_\_ real and personal property taxes and assessments. If such amounts are not available, the prorations shall be calculated based on the real estate tax amounts for the prior year, subject to proration when the actual amounts become available. Rents and other charges paid or due under any Assumed Contract, under the respective Prime Lease and any other expense for the month of Closing will be prorated between Seller and Buyer. Buyer shall pay to Seller at the Closing an amount equal to the sum of all prepaid expenses, rentals and deposits (including, without limitation, security deposits) associated with any Assumed Contract and/or Prime Lease. Buyer shall also pay to Seller at the Closing any advance rent then due and payable to Seller under the Subleases. In addition, Buyer

shall pay Seller a prorated amount, as of the Closing Date, for all prepaid real and personal property taxes and assessments for the calendar year 202\_\_\_\_. In the event that Seller and Buyer cannot mutually agree upon the pro-rated shares of Buyer and Seller under this Section 2.03, such pro-rated shares shall be determined by arbitration as provided in Section 2.06.

**2.04 Taxes.** Subject to Section 5.05, Buyer shall pay all applicable federal, state and local sales taxes applicable to the transactions contemplated by this Agreement. The Purchase Price does not include any applicable federal, state and local taxes, including, but not limited to, tariffs, duties, impact fees, occupational taxes or other charges which may be payable upon the sale or use of the Purchased Assets. Except as otherwise provided in Exhibit 2.04, all such tariffs, duties, fees, taxes and other charges and the payment thereof to the appropriate taxing authority are the sole responsibility of Buyer.

**2.05 Allocation of Purchase Price.** Seller and Buyer agree that for U.S. federal income tax purposes, the Purchase Price shall be allocated as set forth on Exhibit 2.05. Seller and Buyer agree that said allocation of the Purchase Price shall be used by Seller and Buyer in reporting the transactions covered by this Agreement for income tax purposes and that each shall file an Asset Acquisition Statement (Form 8594) with the Internal Revenue Service consistent with Exhibit 2.05.

**2.06 Arbitration.** If Buyer and Seller cannot agree on the value of the Inventory pursuant to Section 2.01 or if Buyer and Seller cannot agree on the pro-rated shares of Buyer and Seller under Section 2.03, then such difference shall be determined and settled by arbitration under the rules and procedures, then in effect, of the American Arbitration Association at its office in or nearest to Franklin, Tennessee, and the loser in such arbitration shall bear all costs thereof. The decision in arbitration shall be final as to the resolution of such differences and as to the proper mode of carrying the same into effect. Notwithstanding anything in this Section 2.06 to the contrary, any such arbitration proceedings shall in no event hinder, delay or postpone the Closing Date.

## ARTICLE III

**3.05 Brokers' Fees.** Seller acknowledges that Seller shall be responsible for paying any broker's fees to \_\_\_\_\_. Seller has no liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement for which Buyer could become liable or obligated.

**3.06 Knowledge.** Certain of the representations and warranties of Seller are made "to the knowledge" of Seller or refer to what is "known" to Seller or of what Seller is "aware." **4.05 Brokers' Fees.** Buyer has no liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement for which Seller could become liable or obligated.

**4.06 Representations and Warranties.** Each of Buyer and Guarantor hereby covenants and agrees that the foregoing representations and warranties are true and correct as of the date given and shall be true and correct as of the Closing unless, as the case may be, Buyer and/or Guarantor notifies Seller in writing otherwise.

## ARTICLE V

### COVENANTS OF SELLER, BUYER, AND GUARANTOR

Seller, Buyer, and Guarantor each covenant with the others as follows:

**5.01 The Closing.** The Closing of the transactions contemplated by this Agreement (the "Closing") will take place at the offices of the Title Company, at the close of business of the Restaurants on \_\_\_\_\_, 202\_\_ (the "Closing Date") or such other time and place as Seller and Buyer may agree in writing, and the Parties agree that the Closing will occur on a Monday unless otherwise agreed to by the Parties. Title to the Purchased Assets and possession of the Restaurants shall be transferred and delivered as of 11:59 p.m. on the Closing Date. The obligations of the Parties to close or effect the transactions contemplated by this Agreement will be subject to satisfaction, unless duly waived, of the applicable conditions set forth in this Agreement, and if any said condition is not satisfied or waived, the Closing Date shall be extended until satisfaction of such condition. Notwithstanding the foregoing sentence, if the Closing has not occurred on or before \_\_\_\_\_, 202\_\_, then Seller shall have the right, at any time after \_\_\_\_\_, 202\_\_, but prior to Closing,

to terminate this Agreement pursuant to Section 11.01 and, in the absence of a material default by Seller, to retain the Earnest Money Deposit.

**5.02 Conduct of Business Prior to Closing.** From the date of this Agreement through and including the Closing Date, Seller shall operate the Restaurants and maintain the Purchased Assets in the usual and ordinary course and substantially in the same manner as heretofore conducted such that at Closing there will exist an appropriate level and mix of Inventory to allow the Restaurants to be open and run normally, unless otherwise consented to or approved by Buyer in writing. In addition, Seller shall maintain the Fixed Assets through the Closing Date in substantially the same condition as they were at the time of Inspection (as hereinafter defined), normal wear and tear excepted.

**5.03 Due Diligence Review.**

(a) From the date of this Agreement through and including the earlier of \_\_\_\_\_, 202\_\_\_\_ (the "Due Diligence Deadline") or the date of termination of this Agreement,

(i) Seller will afford to the officers, attorneys, accountants and other representatives of Buyer reasonable access during normal business hours to the following books and records of Seller relating to the Restaurants and the Purchased Assets: information and records with respect to any contracts, leases, permits, non-privileged litigation files, environmental reports, title reports, surveys, and financial statements, including balance sheets, cash flow statements and income statements as of the last fiscal year end and as of a recent month end for the current year, in each case to the extent related to the Restaurants and the Purchased Assets; and

(ii) Seller will afford to the officers, attorneys, accountants and other representatives of Buyer reasonable access to the Restaurants and related facilities, at all reasonable times during normal business hours, for the purpose of conducting inspections of the Restaurants and related facilities and all equipment located therein and assessing the day-to-day operations of the Restaurants; provided, however, that such access is discreet and controlled by Seller and does not unreasonably interfere with the business of Seller at the Restaurants.

(b) Seller has previously provided to Buyer copies of financial statements relating to the Restaurants pursuant to a Disclosure of Actual Operating Results for Certain Company – Operated Hardee's Restaurants dated \_\_\_\_\_ ("Operating Results Disclosure") and Buyer's Acknowledgement regarding the receipt of the Operating Results Disclosure dated \_\_\_\_\_ ("Acknowledgment"). Buyer hereby confirms its acknowledgements and agreements as set forth in the Acknowledgment.

(c) If the transaction contemplated by this Agreement fails to close for any reason, Buyer shall return to Seller all documentation, test results, surveys, Financial Statements and other information furnished to Buyer by or on behalf of Seller. Buyer agrees to reimburse, indemnify and hold Seller harmless from and against any and all damages, injuries, liabilities, claims, demands or liens, including, without limitation, any property damage, personal injury or claim of lien against the Restaurants, resulting from the activities permitted by this Section (including, without limitation, reasonable attorneys' fees and expenses paid or incurred by Seller during litigation, if any), which indemnity shall survive the Closing or earlier termination of this Agreement.

**(d)** Seller shall procure, on behalf of Buyer, title insurance commitments from Title Company agreeing to issue to Buyer one or more owner policies of title insurance insuring its ownership interests created pursuant to the Special Warranty Deeds and one or more leasehold policies of title insurance insuring its leasehold interests created pursuant to the Subleases (the “Commitments”). The title insurance expenses and premiums, including without limitation the cost of title searches and commitment fees, shall be paid at Closing by Buyer. Buyer will, within fifteen (15) days after receipt of the title commitments, notify Seller in writing specifying the matters to which Buyer objects (the “Title Objections”), otherwise Buyer shall be deemed to have no Title Objections. If Seller cannot or elects not to correct the Title Objections on or prior to the Closing Date, Buyer will have the option of either accepting the title as it then is or terminating this Agreement on or before the Closing Date, in which event the Earnest Money Deposit (less the costs of any title insurance expenses and one-half of the costs of any escrow fees) shall be returned to Buyer without any further liability to either Party. All easements, rights of way, restrictions and other matters of record, including, but not limited to, property taxes not yet due and payable, the matters, if any, which would be disclosed by a current and accurate survey and the exceptions listed in the Commitments, exclusive, however, of Title Objections timely raised by Buyer pursuant to this Section 5.03(c), the correction of which has not been waived by Buyer at or prior to Closing, are referred to herein as the “Permitted Title Exceptions”. Buyer agrees to obtain any and all desired policies of title insurance insuring its interests in the Properties from Title Company, provided the fee is market competitive.

**(e)** At its sole option and expense, Buyer may procure “AS BUILT” surveys of the Properties (the “Surveys”). If the Surveys show any encroachments on the Properties or that improvements located on the Properties encroach on setback lines, easements, lands of others or violate any restrictions, covenants of this Agreement or applicable governmental regulation, the same shall constitute a title defect to which Buyer may object pursuant to the terms of Section 5.03(d).

**(f)** At its sole option and expense, Buyer may procure Phase I environmental assessment reports for the Properties within twenty (20) days of the execution of this Agreement. Buyer shall, within said twenty (20) day period, notify Seller in writing, specifying the matters on the report to which Buyer objects (the “Environmental Objections”). Otherwise Buyer shall be deemed to have no Environmental Objections. If Seller cannot or elects not to correct the Environmental Objections on or prior to the Closing Date, Buyer will have the option of either accepting the environmental condition of the Properties as it or they exist, or terminating this Agreement on or before the Closing Date, in which event the Earnest Money Deposit (less the costs of any title insurance expenses and one-half of the costs of any escrow fees) shall be returned to Buyer without any further liability to either Party.

**(g)** Buyer, prior to the Due Diligence Deadline, shall have the right to inspect the Fixed Assets (the “Inspection”) to determine if the Fixed Assets are in satisfactory working condition. Seller and Buyer shall carry out the Inspection together. Buyer shall, prior to the Due Diligence Deadline, notify Seller in writing if any of the Fixed Assets are not in satisfactory working order (“Fixed Assets Objections”). Otherwise, Buyer shall be deemed to have no Fixed Assets Objections. If Seller cannot or elects not to carry out the Fixed Assets Objections, Buyer will have the option of either accepting the condition of the Fixed Assets as they exist or terminating this Agreement on or before the Closing Date, in which event the Earnest Money Deposit (less the costs of any title

insurance expenses and one-half of the costs of any escrow fees) shall be returned to Buyer without any further liability to either party.

(h) Buyer shall have the right to terminate this Agreement if, by \_\_\_\_\_, 202\_\_\_\_ (the “Finance Commitment Deadline”), it has not been able to secure commitments for financing, at market rates, from one or more banks or other institutional lenders to consummate the transactions contemplated by this Agreement (the “Financing Commitments”), provided that Buyer shall use its best efforts to timely obtain such Financing Commitments. Buyer shall exercise such right by delivering written notice thereof to Seller on or before the Finance Commitment Deadline, in which event the Earnest Money Deposit (less the costs of any title insurance expenses and one-half of the costs of any escrow fees) shall be returned to Buyer without any further liability to either Party.

(i) Notwithstanding anything to the contrary contained herein, Buyer shall have the right to terminate this Agreement on or before the Due Diligence Deadline if Buyer is not satisfied for any reason with its due diligence investigation of the Restaurants and the Purchased Assets. Buyer shall exercise such right by delivering written notice thereof to Seller on or before the Due Diligence Deadline, in which event the Earnest Money Deposit (less the costs of any title insurance expenses and one-half of the costs of any escrow fees) shall be returned to Buyer without any further liability to either Party. Should Buyer fail to provide Seller with written notice of its election to terminate this Agreement on or before the Due Diligence Deadline, then Buyer shall be deemed to be satisfied with the above items and its due diligence, and, subject to the fulfillment and satisfaction any Title Objections, Environmental Objections, Fixed Assets Objections and of Seller’s obligations herein, Buyer shall close and settle this transaction pursuant to the terms of this Agreement.

#### **5.04 Employees.**

(a) Seller shall have the right, but not the obligation, to retain and reassign, effective as of the Closing Date, all management employees employed at the Restaurants. Those management employees not retained by Seller and all hourly employees employed at the Restaurants shall be terminated by Seller effective as of the Closing Date. Buyer, with the permission and accompanied by a representative of Seller no earlier than two business (2) days prior to the Closing Date, may discuss offers of employment with those employees not to be retained by Seller after the Closing Date and shall have the right to hire or offer employment to such employees of Seller.

(b) Notwithstanding anything contained in Section 5.04(a) above, Buyer agrees that (i) Buyer shall continue the operations without interruption of all of the Restaurants after the Closing Date, and (ii) on the Closing Date it will offer employment to that number of the employees employed by Seller at the Restaurants immediately prior to the Closing Date, on terms comparable to their then current terms of employment, so that the aggregate number of Seller’s former employees not offered employment and/or hired by Buyer at the Restaurants after Closing shall not trigger a duty on the part of Seller to give notice to such employees under the Worker Adjustment and Retraining Notification Act, 29 U.S.C. §§2101 et seq. (hereinafter referred to as “WARN”) and any state plant closing law. The Parties acknowledge and agree that it is their intent under this Section 5.04 to have Buyer continue the employment of Seller’s employees at the Restaurants in sufficient numbers to the end that if the Restaurants, or any part of them, constitute a single site of employment for purposes of

WARN, the requirement of giving any notification pursuant to §2101(b)(1) of WARN is that of Buyer.

**5.05 Transfer and Other Expenses.** Buyer shall pay all fees, taxes, and expenses imposed on the transfer of the Fee Property, the Subleases and the Purchased Assets. All costs associated with title commitment, title insurance and related matters, surveys, environmental reviews, inspections and similar due diligence and other items shall be paid by Buyer. Notwithstanding the foregoing, Buyer and Seller shall each pay one half of the costs of any escrow fees.

**5.06 Confidentiality.** Except as provided in Section 5.04, neither Buyer nor Guarantor shall disclose to anyone, including without limitation, any employee of Seller, including but not limited to employees at the Restaurants or any employee of any vendor of Seller, without Seller's prior consent, the existence or nature of the transactions contemplated by this Agreement or any other information, in whatever form, regarding Seller's business, including without limitation, Seller's trade secrets, plans, information, ideas, concepts, designs, inventions, financial information and the like, whether or not relating to this transaction or more generally to Seller's past, present and future research, development, business, financial and commercial operations ("Proprietary Information"). All Proprietary Information heretofore and hereafter furnished by Seller to Buyer in connection with this Agreement or the transactions contemplated by this Agreement shall be kept confidential by Buyer and Guarantor, shall not be used by Guarantor, Buyer and Buyer's officers, attorneys, accountants and representatives except in connection with this Agreement and the transactions contemplated by this Agreement, and shall not be divulged or revealed to anyone without Seller's prior written consent. For purposes of this Section 5.06, Proprietary Information shall not include information that (i) already is known to Buyer and Guarantor when received, (ii) thereafter becomes lawfully obtainable from other sources, (iii) is required to be disclosed in any document filed by Seller or its affiliates with the Security and Exchange Commission or any other agency of any government, or (iv) is otherwise required to be disclosed pursuant to any federal or state law, rule or regulation or by any applicable judgment, order or decree of any court or by any governmental body or agency having jurisdiction after Buyer and Guarantor have given reasonable prior written notice to Seller of the pending disclosure of any such information. In the event that the transactions contemplated by this Agreement shall fail to be consummated for any reason whatsoever, Buyer and Guarantor shall promptly return to Seller, without making or retaining copies thereof, all Proprietary Information, including, without limitation, all documents, records, notebooks, computer disks or other repositories of any kind containing Proprietary Information, and shall confirm in writing that all such Proprietary Information has been returned. Buyer and Guarantor acknowledge and agree that Seller's remedy at law for any breach of Buyer's and Guarantor's obligations hereunder would be inadequate, and that Seller shall have the right to seek and obtain temporary and permanent injunctive relief in any court proceeding to enforce this covenant regarding confidentiality without the necessity of proof of actual damage and the necessity of posting a bond. However, nothing contained herein shall in any way affect Seller's rights and remedies afforded by law and/or in equity, and Seller shall retain the right to recover such damages as it may have sustained by reason of any breach hereof. The obligations under this Section 5.06 are in addition to the obligations of Buyer under the Confidentiality Agreement dated \_\_\_\_\_ from Buyer to Seller ("Confidentiality Agreement").

**5.07 Miscellaneous Agreements.** Subject to terms and conditions herein provided, each Party shall use its commercially reasonable best efforts to take or cause to be taken, all action and to

do or cause to be done, all things necessary, appropriate or desirable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement.

**5.08 Insurance.** Between the date of this Agreement and the Closing Date, Seller shall continue in force its existing insurance policies with respect to the Restaurants and the Purchased Assets.

**5.09 Beverage Equipment.** The parties acknowledge that any beverage dispensing equipment located in the Restaurants (the "Beverage Equipment") which is leased by Seller from the Coca-Cola Company is not included in the Purchased Assets. At the Closing, Seller shall assign to Buyer all of Seller's rights under the lease with the Coca-Cola Company with respect to such Beverage Equipment and Buyer shall assume from Seller the Beverage Equipment and shall comply with all of Seller's obligations under such lease, including without limitation, Seller's obligation to make lease payments thereunder. In addition, Buyer shall comply with Seller's obligations with the Coca-Cola Company and Dr. Pepper/Seven Up, Inc. with respect to (a) the obligation to offer for sale specified soft drink products at the Restaurants, and (b) the prohibition on the dispensing of competitive soft drink products at the Restaurants.

**5.10 Business Plan.** Buyer shall deliver to Seller, for Seller's approval, within thirty (30) days after the execution of this Agreement, a detailed marketing and business plan with respect to the Restaurants (the "Business Plan"), which shall include a description of Buyer's sources of financing, financing terms (including copies of all commitment letters), amount of equity investment, organization and management structure, and a three-year financial and operational forecast.

**5.11 Bulk Sales Act.** It will not be practicable to comply or to attempt to comply with the procedures of the Uniform Commercial Code or other bulk sales or similar laws of the State of \_\_\_\_\_. Accordingly, Seller hereby agrees to defend, indemnify and hold Buyer harmless from and against any and all costs, losses, liabilities, claims and expenses (including reasonable attorneys' fees) arising out of or resulting from the failure of Buyer or Seller to comply with or perform any actions in connection with the provisions of any such law.

**5.12 Franchise and Development Agreements.** On or before Closing, Buyer shall enter into Seller's current form Franchise Agreement, and the Addendums thereto, as set forth in the FDD, for all of the Restaurants. Each of the Franchise Agreements entered into by Buyer will also include an addendum, if applicable to such Restaurant, that requires Buyer to remodel the Restaurants in accordance with Seller's system standards by the scheduled remodel dates set forth in Exhibit 5.12. Buyer shall also enter into, on or before Closing, the Development Agreement with Seller, in the form substantially set forth in the FDD, which shall require Buyer to develop \_\_\_\_\_ (\_\_\_\_) new Hardee's Restaurants (each a "New Restaurant" and collectively, the "New Restaurants"). A description of the development territory of the New Restaurants will be described in the Development Agreement.

**5.13 Requirement of Buyer in the Event of Sale/Leaseback of any Fee Simple Restaurant/or in the Extent of a Direct Lease Between Prime Landlord and Buyer.** Pursuant to the terms of the relevant Franchise Agreement, in the event that Buyer wishes to sell any of the

Restaurants, including, without limitation, any sale and leaseback of any fee simple Restaurant, Buyer must obtain the prior written consent of Seller to such transfer. Buyer hereby covenants and agrees that it shall be a condition to Seller's consenting to such sale/leaseback that Buyer shall cause the provisions contained in Exhibit 5.13 hereto to be incorporated into any such leaseback agreement. With respect to any Restaurants that are Leased Real Property, in the event Buyer enters into a direct lease with Seller's landlord for such Restaurant, Buyer hereby covenants and agrees that it shall cause the provisions contained in Exhibit 5.13 hereto to be incorporated into such lease agreement. These covenants shall survive the Closing of the transaction contemplated hereby.

## **ARTICLE XII**

### **INDEMNIFICATION**

**12.01 Survival After Closing.** The representations and warranties of the Parties contained in this Agreement shall survive the Closing and continue in full force and effect for a period of one (1) year following the Closing Date. All covenants and agreements contained in this Agreement shall survive the Closing in accordance with their terms.

**12.02 Indemnification.**

(a) **By Seller.** In addition to the indemnification provided in Section 5.12 herein, by execution of this Agreement, Seller hereby agrees to indemnify Buyer and its successors and assigns and hold them harmless against and in respect of:

(i) any and all losses, liabilities, costs, expenses or damages (including without limitation judgments and settlement payments) incurred by any of them directly or indirectly incident to, arising in connection with or resulting from or relating to any material misrepresentation, breach or nonperformance of any representation, warranty or covenant by Seller made or contained in this Agreement or in any Exhibit or certificate executed and delivered to Buyer under or pursuant to this Agreement or the transactions contemplated herein;

(ii) any and all losses, liabilities, costs, expenses or damages (including without limitation judgments and settlement payments) incurred by them directly or indirectly incident to, arising in connection with, resulting from or relating to third-party claims for products liability, personal injury or employment matters, but only to the extent such claims arise out of incidents related to the operations of the Restaurants and occurring prior to the Closing Date;

(iii) any tax liability of Seller (including, without limitation, liabilities for taxes, interest, penalties, governmental charges, duties, fees, and fines imposed by the United States, foreign countries, states, counties, municipalities, and subdivisions, and by all other governmental entities or taxing authorities), except to the extent that such tax is allocated to Buyer hereunder;

(iv) the costs of any remediation or clean-up of Hazardous Materials (as defined herein) at any Property done in accordance with and to the extent required in an order by any governmental or regulatory authority having jurisdiction, but subject to Seller's right to contest such order in good faith, and only to the extent the release of such Hazardous Materials was caused by Seller prior to Closing or by an affiliate of Seller at any time after such affiliate became an affiliate of Seller and prior to Closing. As used herein the term "Hazardous Materials" shall include mean any substances or materials defined as "hazardous substances," "hazardous air pollutant," "hazardous materials," "hazardous wastes," "toxic chemicals," "petroleum or petroleum products," "toxics," "hazardous chemicals" or "extremely hazardous substances," as defined in any applicable federal, state or local law, regulation or ordinance relating to human health or the environment; and

(v) any and all costs, expenses and all other actual damages incurred by Buyer in claiming, contesting or remedying any breach, misrepresentation, non-performance or other matter described in subsections 12.02(a)(i) through (iv) above, or in enforcing its right of indemnification hereunder, including, by way of illustration and not limitation, all reasonable

legal, accounting and other professional fees and expenses, filing fees, collection costs and all fees, costs and expenses incurred in defending claims which, if successfully prosecuted, would have resulted in Damages (as defined herein).

(b) **By Buyer and Guarantor.** In addition to the indemnification provided in Section 5.03(c) herein, by execution of this Agreement, Buyer and Guarantor, jointly and severally, agree to indemnify Seller, its affiliates, their parent corporation, and each of said entity's successors and assigns and hold them harmless from and against and in respect of:

(i) any and all losses, liabilities, costs, expenses or damages (including without limitation judgments and settlement payments) incurred by them directly or indirectly incident to, arising in connection with or resulting from or relating to any material misrepresentation, breach or non-performance of any representation, warranty or covenant by Buyer or Guarantor made or contained in this Agreement or in any Exhibit or certificate executed and delivered to Seller under or pursuant to this Agreement or the transactions contemplated herein;

(ii) any and all losses, liabilities, costs, expenses or damages (including without limitation judgments and settlement payments) incurred by them directly or indirectly incident to, arising in connection with, resulting from or relating to third-party claims for products liability, personal injury or employment matters, but only to the extent such claims arise out of incidents related to the operations of the Restaurants and occurring after the Closing Date;

(iii) any and all losses, liabilities, costs, expenses or damages (including without limitation judgments and settlement payments) incurred by them directly or indirectly incident to, arising in connection with, resulting from or relating to any liabilities assumed by Buyer pursuant to this Agreement; and

(iv) any and all costs, expenses and all other actual damages incurred by them in claiming, contesting or remedying any breach, misrepresentation, non-performance or other matter described in subsection 12.02(b)(i), (ii), or (iii) above, or in enforcing its right of indemnification hereunder, including, by way of illustration and not limitation, all reasonable legal, accounting and other professional fees and expenses, filing fees, collection costs and all fees, costs and expenses incurred in defending claims which, if successfully prosecuted would have resulted in Damages (as defined herein).

(c) **Damages.** Any and all of the items set forth in Sections 12.02(a) and 12.02(b) for which a Party is entitled to be indemnified hereunder are called "Damages."

(d) **Initial Claim Notice.** When a Party becomes aware of a situation which may result in Damages for which it would be entitled to be indemnified hereunder, such Party (the "Indemnatee") shall submit a written notice (the "Initial Claim Notice") to the other Party or Parties (the "Indemnitor") to such effect within thirty (30) days after it first becomes aware of such matter and shall furnish the Indemnitor with such information as it has available demonstrating its right or possible right to receive indemnity. If the potential claim is predicated on, or later results in, the filing by a third party of any action at law or in equity (a "Third Party Claim"), the Indemnatee shall provide the Indemnitor with a supplemental Initial Claim Notice not later than ten (10) days

prior to the date on which a responsive pleading must be filed, and shall also furnish a copy of such claim (if made in writing) and of all documents received from the third party in support of such claim. Every Initial Claim Notice shall, if feasible, contain a reasonable estimate by the Indemnitee of the losses, costs, liabilities and expenses (including, but not limited to, costs and expenses of litigation and attorneys' fees) which the Indemnitee may incur. In addition, each Initial Claim Notice shall name, when known, the person or persons making the assertions which are the basis for such claim. Failure by the Indemnitee to deliver an Initial Claim Notice or an update thereof in a timely manner shall not relieve the Indemnitor of any of its obligations under this Agreement except to the extent that actual monetary prejudice to the Indemnitor can be demonstrated, including, without limitation, prejudice due to failure to provide notice to applicable insurers.

(e) **Rights of Indemnitor.** If, prior to the expiration of thirty (30) days from the mailing of an Initial Claim Notice (the "Claim Answer Period"), the Indemnitor shall request in writing that such claim not be paid, the same shall not be paid, and the Indemnitor shall settle, compromise or litigate in good faith such claim, and employ attorneys of its choice to do so; provided, however, that Indemnitee shall not be required to refrain from paying any claim which has matured by court judgment or decree, unless appeal is taken therefrom and proper appeal bond posted by the Indemnitor, nor shall it be required to refrain from paying any claim where such action would result in the foreclosure of a lien upon any of its assets or a default in a lease or other contract except a lease or other contract which is the subject of the dispute. If the Indemnitor elects to settle, compromise or litigate such claim, all reasonable expenses, including but not limited to all amounts paid in settlement or to satisfy judgments or awards and reasonable attorney's fees and costs, incurred by the Indemnitor in settling, compromising or litigating such claim shall be secured to the reasonable satisfaction of Indemnitee. Indemnitee shall cooperate fully to make available to the Indemnitor and its attorneys, representatives and agents, all pertinent information under its control. Indemnitee shall have the right to elect to settle or compromise all other contested claims with respect to which the Indemnitor has not, within the Claim Answer Period, acknowledged in writing (i) liability therefore, and (ii) its election to assume full responsibility for the settlement, compromise, litigation and payment of such claim.

(f) **Final Claims Statement.** At such time as Damages for which the Indemnitor is liable hereunder are incurred by Indemnitee by actual payment thereof or by entry of a final judgment, Indemnitee shall forward a Final Claims Statement to the Indemnitor setting forth the amount of such Damages in reasonable detail on an itemized basis. Indemnitee shall supplement the Final Claims Statement with such supporting proof of loss (e.g. vouchers, canceled checks, accounting summaries, judgments, settlement agreement, etc.) as the Indemnitor may reasonably request in writing within thirty (30) days after receipt of a Final Claims Statement. All amounts reflected on Final Claims Statements shall be paid promptly by Indemnitor to Indemnitee.

**g) Limitations on Indemnification.**

(i) **Time Limitation.** Notwithstanding the other provisions of this Article 12, Seller shall not be liable to indemnify Buyer following the Closing Date for Damages arising out of any misrepresentation, breach or inaccuracy of any representation or warranty unless

Buyer delivers an Initial Claim Notice to Seller of its claim for indemnification hereunder prior to the end of the applicable survival period set forth in Section 12.01.

(ii) **Minimum Dollar Limit on Indemnification.** Neither Seller nor Buyer shall be liable for a claim for Damages hereunder unless and until the aggregate Damages incurred by the other party exceeds the sum of Ten Thousand Dollars (\$10,000) (the “Threshold Amount”), in which event the Indemnitor shall indemnify the Indemnitee in accordance with this Article 12 for all Damages arising hereunder in excess of the Threshold Amount.

(h) **Exclusive Remedy** The remedies provided for in this Article 12 are exclusive and shall be in lieu of all other remedies for any breach of any representation, warranty, covenant, obligation or other provision of this Agreement; provided, however, that the foregoing clause of this sentence shall not be deemed a waiver by any Party of any right to specific performance or injunctive relief.

#### **ADDENDUM TO LEASE AGREEMENT**

**THIS ADDENDUM TO LEASE AGREEMENT** is made as of \_\_\_\_\_  
by and among \_\_\_\_\_ (“Landlord”), \_\_\_\_\_ (“Tenant”) and Hardee’s  
Restaurants LLC (“HR”).

#### **RECITALS**

Pursuant to the terms of an Asset Purchase Agreement, HR sold to Tenant, among other things, its real property interest located at \_\_\_\_\_ (“Premises”).

Tenant now proposes to enter into a Lease Agreement dated as of \_\_\_\_\_ (“Lease Agreement”) with Landlord for the Premises.

HR and Tenant have entered into a Hardee’s Restaurant Franchise Agreement (“Franchise Agreement”) pursuant to which Tenant is licensed to operate a Hardee’s Restaurant at the Premises.

Pursuant to the Asset Purchase Agreement and Franchise Agreement, HR requires that the Lease Agreement include certain terms as set forth in this Addendum and Landlord and Tenant have agreed to those terms and they have agreed that this Addendum will be deemed incorporated into the Lease Agreement.

**NOW, THEREFORE**, in consideration of the premises, the mutual covenants and agreements set forth hereinafter, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties, intending to be legally bound, agree as follows:

- 1. Permitted Use.** Tenant may use the Premises only to operate a Hardee’s Restaurant, a Hardee’s/Red Burrito Dual Concept Restaurant, or any other restaurant franchised by HR or its affiliates. Tenant may not sublease the Premises or assign the Lease Agreement without HR’s prior written consent.
- 2. Copies to HR.** Tenant or Landlord shall provide HR a fully-executed copy of the Lease Agreement within 15 days after execution. In addition, Landlord and Tenant agree to provide HR (at the same time sent to the other party to the Lease Agreement) a copy of any amendment, assignment or notice pertaining to the Lease Agreement and/or the Premises.
- 3. Term.** The Lease Agreement shall be for a term, including renewal terms, equal at least to the Initial Term of the Franchise Agreement.
- 4. Use of the System and Marks.** Landlord consents to Tenant’s use at the Premises of the proprietary signs, distinctive exterior and interior designs and layouts, and the Proprietary Marks prescribed by HR. Upon the expiration or earlier termination of the Lease Agreement, Tenant shall have the right to make those alterations and modifications to the Premises as may be necessary to clearly distinguish to the public the Premises from a Hardee’s Restaurant and also make those specific additional changes as HR reasonably may request for that purpose. Specifically, Tenant shall have the right, at Tenant’s expense, to remove all proprietary signs, distinctive exterior and interior designs and layouts, the Hardee’s Proprietary

Marks and any other trade fixtures, so long as Tenant makes repairs to the building caused by such removal. If Tenant fails to promptly make these alterations and modifications, HR shall have the right to do so without being guilty of trespass or other tort so long as HR makes repairs to the building caused by such removal.

5. **Entry by HR.** During the term of the Lease Agreement, HR may enter the Premises to make any modifications or alterations necessary to protect the Hardee's Restaurant System and the Proprietary Marks and to cure, within the time periods provided by the Lease Agreement, any default under the Lease Agreement, all without being guilty of trespass or other tort, and to charge Tenant for these costs.

6. **Obligations to Landlord.** Tenant, and not HR, shall be solely responsible for all obligations, debts and payments under the Lease Agreement. HR shall have the right, but not the obligation, to cure any default of Tenant under the Lease Agreement and, if HR does so, Tenant shall reimburse HR within 10 days. Tenant's failure to do so shall constitute a default of the Franchise Agreement which HR may terminate at the expiration of that 10 day period.

7. **Amendments.** Landlord and Tenant shall not amend or otherwise modify the Lease Agreement in any manner that would affect any of the rights of HR set forth in this Amendment without HR's prior written consent, which consent shall not be unreasonably withheld.

8. **Assignment to HR.** Landlord agrees that Tenant may assign the lease to HR (without further Landlord consent) or its designee (with Landlord consent which consent shall not be unreasonably withheld) and without payment of any assignment fee or similar charge or increase in any rentals payable to Landlord. Landlord consents to Tenant collaterally assigning the Lease Agreement to HR or its designee, granting HR the option, but not the obligation, to assume the Lease Agreement from the date HR takes possession of the Premises, without payment of any assignment fee or similar charge or increase in any rentals payable to Landlord. Landlord and Tenant agree to execute all documents requested by HR to effectuate this Section 8.

9. **Capitalized Terms.** Any capitalized term that is not defined in this Amendment shall have the meaning given it in the Lease Agreement or the Franchise Agreement, as the context requires.

10. **Limited Modification.** Except as expressly modified by this Amendment, the Lease Agreement remains unmodified and in full force and effect.

**[THE REMAINDER OF THIS PAGE

Sublandlord, shall diligently pursue all necessary repairs to completion, and shall reopen and recommence operations promptly upon completion of any necessary repairs or replacements.

4.2 To protect Sublandlord's rights under the Transaction Documents, the Premises shall be used solely for the operation of a Hardee's restaurant and for no other purpose whatsoever. Subtenant represents, warrants and covenants to Sublandlord that Subtenant shall not permit any hazardous substance or toxic waste to be handled, generated, stored, treated, disposed of or released on or in the Premises, except cleaning solutions and other substances customarily used in the operation of a Hardee's restaurant, provided that the same are used, stored and disposed of in accordance with all applicable laws.

## 5. RENT.

5.1 Subtenant covenants and agrees to pay Rent commencing on the Rent Start Date. Notwithstanding any provision of this Sublease to the contrary, all amounts of Rent shall, from time to time during the Term, be automatically adjusted, without the need for any further action by Sublandlord or Subtenant, as necessary to ensure that such Rent is never less than the amount of comparable rent owed by Sublandlord under the Prime Lease. It is the express intent of the parties that this Sublease is a triple net sublease. The parties therefore agree that all Base Rent shall be net to Sublandlord so that this Sublease shall yield to Sublandlord the Base Rent during the Term on an absolutely net basis. Unless otherwise provided herein, all Rent shall be paid by Subtenant without notice or demand, in lawful money of the United States, and without set-off, counterclaim, abatement, suspension, deduction or defense. Rent shall be duly apportioned for any partial year or partial month during the Term. All Rent owed to Sublandlord shall be paid at the Address for Payment of Rent set forth in the Basic Sublease Information (or such other address as Sublandlord shall require).

Notwithstanding the foregoing, and unless instructed otherwise by Sublandlord, in connection with the payment of obligations due under this Sublease, Subtenant agrees to make such payments by Automatic ACH Debit/ACH Pull or other electronic funds transfer method, as directed by Sublandlord. Failure by Subtenant to have sufficient funds in the account beyond any cure period shall constitute a default by Subtenant under this Sublease. Subtenant shall be responsible for all costs and fees associated with such electronic funds transfer, including but not limited to initial costs and collection costs.

5.2 Subtenant shall pay Sublandlord Base Rent in twelve (12) equal monthly installments, in advance, on the first day of each month during the Term; provided that the first full monthly installment of Base Rent plus prorated Base Rent for the initial partial month, if any, shall be due and payable to Sublandlord on the Rent Start Date.

5.3 Without limiting any other provision set forth herein, Subtenant covenants and agrees to pay to Sublandlord, during the Term hereof, any and all percentage rent due under the Prime Lease and the same shall be included as "Additional Rent" as defined below to the extent the same is not included as part of Base Rent. Subtenant shall fully and completely comply with all percentage rent provisions of the Prime

Lease, and shall make such payments and deliver all reports and statements in connection therewith to Sublandlord. In addition to providing Sublandlord with any and all reports required under the Prime Lease, Subtenant shall submit to Sublandlord, in a form reasonably acceptable to Sublandlord, an accurate annual report not later than sixty (60) days after the end of each calendar year, prepared in accordance with generally accepted accounting principles consistently applied, completely and accurately setting forth all gross sales generated at the Premises ("Gross Sales") for the prior calendar year and containing such details as Sublandlord shall reasonably require and as may be required under the Franchise Agreement.

Subtenant shall keep full, complete and proper books, records and accounts, in accordance with generally accepted accounting principles, consistently applied, showing all Gross Sales and shall make the books, records and accounts (including without limitation all applicable federal, state and local tax returns) available for inspection, copy and audit by Sublandlord and its authorized agents and representatives during Subtenant's normal business hours, both during and for a period of two (2) years after the Term. If an inspection or audit discloses an understatement of Gross Sales, Subtenant shall pay Sublandlord, within ten (10) days after receipt of the inspection or audit report, any deficiency in the percentage rent paid. If an inspection or audit is made necessary by Subtenant's failure to timely furnish reports or supporting records as required under this Sublease, or if an understatement of Gross Sales is determined by any audit or inspection to be greater than two percent (2%), Subtenant also shall reimburse Sublandlord for the reasonable cost of the audit or inspection including, without limitation, the charges of attorneys and independent accountants, and the travel expenses, room and compensation of Sublandlord's employees and consultants, accountants or designees.

5.4 Commencing on the Rent Start Date, Subtenant covenants to pay to Sublandlord on the day monthly Base Rent payments are due hereunder, as Additional Rent, an amount estimated by Sublandlord equal to one-twelfth (1/12) of all taxes and assessments required to be paid by Sublandlord under the Prime Lease during the then-current tax year, including without limitation, any and all real property taxes, substitute property taxes, general and special assessments, business rental taxes, and other obligations which are or may become a lien on or levied against the Premises (collectively, the "Taxes"). Subtenant shall also pay all Taxes on buildings, structures and other improvements thereon. Subtenant shall pay any and all transfer taxes and other taxes arising in any way out of this Sublease or the Prime Lease hereafter, including any taxes on rents. Notwithstanding the foregoing, Subtenant shall pay to Sublandlord on the Rent Start Date the first full monthly installment of Taxes plus prorated Taxes for the initial partial month of the Term, if any. Sublandlord may estimate the amount of Taxes due on the basis of current data available to Sublandlord. If the amount of such payments by Subtenant at any time is not sufficient to pay such Taxes when due, Sublandlord may so notify Subtenant in writing and Subtenant shall forthwith pay to Sublandlord the amount necessary to make up the deficiency. In the event such payments exceed the amount of Taxes ultimately due, Sublandlord shall refund such excess to Subtenant. Subtenant shall pay all personal property taxes, and all excise taxes on personal property and the like directly to the taxing authority, promptly when due, and shall furnish Sublandlord with satisfactory evidence of each such timely payment. In the event the taxing authorities change the manner in which Taxes are levied, charged or assessed from the present existing tax system, Subtenant shall pay Taxes under such alternative or revised system of taxation. Subject to the provisions of the Prime Lease, Subtenant shall have the right to challenge, at its sole expense, the Taxes and Sublandlord agrees to provide whatever assistance Subtenant may reasonably require at no expense to Sublandlord. Sublandlord shall reimburse Subtenant for any refund of Taxes attributable to the Term received by Sublandlord as a result of any tax contest by Subtenant. Sublandlord shall not be required to pay Subtenant interest or earnings on Taxes held by Sublandlord. Notwithstanding the foregoing, except as may be otherwise provided in the Prime Lease, Taxes shall not include (i) any inheritance, estate, franchise or capital stock tax; or (ii) any income tax arising out of or related to ownership and operation of income-producing real estate.

5.5 In addition to Base Rent, Subtenant covenants to pay to Sublandlord as additional rent (“Additional Rent”), any and all (i) amounts due under this Sublease (other than Base Rent), (ii) costs, expenses, obligations, and liabilities of any kind and nature relating to the Premises and all buildings, structures and other improvements located thereon during the Term, and (iii) amounts, liabilities and obligations which Sublandlord is required to pay pursuant to the terms of the Prime Lease including, without limitation, taxes and assessments, any and all operating expenses and common area maintenance expenses, and all other amounts and charges required under the Prime Lease regardless of how such amounts are defined or termed, together with interest at the rate of eighteen percent (18%) per annum (or such lesser amount as may be the maximum amount permitted by law) (the “Interest Rate”) on all overdue payments of Rent from the due date thereof until payment. Such Additional Rent shall be due and payable on demand, unless otherwise provided under this Sublease or the Prime Lease. Any Additional Rent may, at Sublandlord’s option, be charged to Subtenant monthly in an amount estimated by Sublandlord equal to one-twelfth (1/12) of such estimated Additional Rent, regardless of how billed to Sublandlord under the Prime Lease, and such amount shall be paid by Subtenant to Sublandlord on the day Base Rent is due. Subtenant shall pay to Sublandlord on the Rent Start Date the first full monthly installment of Additional Rent plus prorated Additional Rent for the initial partial month of the Term, if any. Sublandlord may estimate the amount of Additional Rent due on the basis of current data available to Sublandlord. If the amount of such payments by Subtenant at any time is not sufficient to pay such Additional Rent when due, Sublandlord may so notify Subtenant in writing and Subtenant shall forthwith pay to Sublandlord the amount necessary to make up the deficiency, providing, as determined by Sublandlord, Sublandlord shall receive payments of Additional Rent with the actual expenses incurred therefor, and the parties agree to cooperate to pay, refund or credit amounts overpaid or underpaid for such period.

5.6 In addition to the Rent, Subtenant shall pay to Sublandlord an annual administrative fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) per year (the “Administration Fee”). The Administration Fee shall be paid in monthly installments of Two Hundred Eight and 33/100 Dollars (\$208.33), in the same manner that Rent is paid to Sublandlord hereunder.

5.7 No payment by Subtenant, or acceptance by Sublandlord, of a lesser amount than shall be due from Subtenant to Sublandlord shall be treated otherwise than as a payment on account. The acceptance by Sublandlord of a check for a lesser amount with an endorsement or statement thereon, or upon any letter accompanying such check that such lesser amount shall constitute payment in full, shall be given no effect and Sublandlord may accept such payment without prejudice to any other rights or remedies which Sublandlord may have against Subtenant. Any payment, however designated, may be accepted by Sublandlord and applied against any part of Subtenant’s then existing and then due Rent or Sublandlord may apply such payment against any sum then due or may retain such payment (without interest) as a credit against Subtenant’s accruing future obligations.

5.8 Notwithstanding any provision herein to the contrary, in the event Subtenant shall be or become ten (10) days or more delinquent in the payment of any Rent on three (3) or more occasions during the Term, at Sublandlord’s option, exercised by fifteen (15) days written notice to Subtenant, Sublandlord may terminate Subtenant’s privilege of making monthly installments of Rent and demand and receive Rent due for each year during the remaining Term, in advance, in one annual payment. This annual payment of Rent shall commence on the date specified in Sublandlord’s notice and thereafter the Rent will be payable annually on the anniversary of the date specified in Sublandlord’s notice. To the extent that the exact amount of any such Rent is unknown at the time such advance payment is due, Subtenant shall pay Sublandlord’s estimate of the same, and Subtenant shall pay or receive a credit for, as applicable, any underpayment or overpayment promptly following year end after such exact amount(s) become known.

6. UTILITIES.

Subtenant shall pay promptly when due, directly to the appropriate utility company, charges for all sewer, water, gas, electrical current, telephone, cable and other utilities (hereinafter collectively referred to as the "Utilities") rendered to or for the benefit of the Premises or any portion thereof including buildings, structures and other improvements thereon during the Term. Sublandlord shall not be liable in damages or otherwise for any failure of a utility company to furnish, or any interruption of, water, sewer, gas, electricity, telephone, cable or any other utility services.

7. MAINTENANCE.

Subtenant shall, at Subtenant's sole expense, continuously and regularly maintain, repair and replace the Premises and all parts, systems and components thereof, including all buildings, structures, utility facilities, landscaping, asphalt, parking areas and all other improvements and fixtures thereon, as well as all of Subtenant's furniture, fixtures and equipment located thereon, and shall keep the same in a safe, clean condition, in as good order and repair as existed on the Effective Date, and in accordance with good standards and practices consistent with a first-class quick-serve restaurant, the Transaction Documents, and all governmental requirements and applicable law. The foregoing shall not be construed to limit any repair or maintenance obligations of the Subtenant under the Prime Lease or the Transaction Documents, all of which Subtenant shall perform or cause to be performed.

8. SECURITY DEPOSIT.

Upon or before the Effective Date, Subtenant shall deliver to Sublandlord the Security Deposit set forth in the Basic Sublease Information to be held by Sublandlord as security for the performance by Subtenant of all Subtenant's obligations pursuant to this Sublease. The Security Deposit may be commingled with other Sublandlord funds, and no interest will be payable to Subtenant. If Subtenant is in default hereunder, Sublandlord may use the Security Deposit, or any portion thereof, to cure the default or to compensate Sublandlord for any damage sustained by Sublandlord resulting from Subtenant's default. Subtenant shall immediately on demand pay to Sublandlord a sum equal to the portion of the Security Deposit expended or applied by Sublandlord as provided in this Section so as to maintain the Security Deposit in the sum initially deposited with Sublandlord. Upon the expiration of this Sublease, any portion of the Security Deposit not applied by Sublandlord to the Subtenant's outstanding obligations shall be returned to Subtenant.

9. INSURANCE

9.1 During the Term, Subtenant shall provide and maintain, at Subtenant's sole expense, the following insurance:

(a) ISO causes of Loss -- Special Form Coverage (formerly known as "all risk") in amounts equal to the full replacement cost of the Premises and all buildings, structures, and improvements located thereon (including any additions in or changes in the Premises or such buildings, structures, or improvements) and Tenant's furniture, fixtures and equipment located thereon as such value may be from time to time during the Term. Such insurance policies shall contain a one hundred percent (100%) replacement cost endorsement and an endorsement which automatically increases coverage as a guard against inflation during the Term;

(b) commercial general liability insurance, on a primary and non-contributory basis, against claims for bodily injury, death or property damage occurring on, in or about the Premises and all buildings, structures, and improvements located thereon and the adjoining streets, sidewalks and passageways, with primary limits of not less than the greater of (i) the amounts required under the Franchise Agreement, or

(ii) ONE million dollars (\$1,000,000.00) with respect to bodily injury, property damage or death per occurrence, not less than TWO million dollars (\$2,000,000.00) aggregate with a FIVE million dollar (\$5,000,000.00) per occurrence and aggregate umbrella limit;

(c) workers' compensation insurance or comparable insurance under applicable laws covering all persons employed in connection with any work done on or about the Premises or any building or structure thereon with respect to which claims for death or bodily injury could be asserted against the Prime Landlord, Sublandlord, Subtenant or the Premises;

(d) contractual liability insurance sufficient to cover Subtenant's obligations hereunder;

(e) business interruption insurance providing coverage in an amount sufficient to permit the payment of Rent and any other expenses payable hereunder for a period of not less than twelve (12) months; and

(f) such other amounts and policies of insurance upon or with respect to the Premises, the buildings, structures, or other improvements located thereon, or the operation thereof as are at the time commonly obtained by prudent business operators in the case of property similar thereto, if reasonably requested by Sublandlord.

(g) in the event and to the extent that the Prime Lease shall require any insurance coverage not hereinbefore described and/or insurance coverage with limits higher than those hereinbefore described, Subtenant at its sole cost and expense shall keep and maintain in force during and with respect to the Term all such insurance (both as to types of coverage and limits) as may be required of the Sublandlord under the Prime Lease.

## 9.2 Other insurance requirements:

(a) All insurance policies provided for hereunder shall be issued by companies licensed to do business in the state where the Premises are located, which such companies shall have a Best's Rating of not less than "A-" (or equivalent rating if such rating system is no longer used). The deductible or self-insured retention under each such insurance policy shall not exceed \$15,000.00. Sublandlord, Prime Landlord, and their respective successors and assigns, shall be named as loss payees on the "all risk" insurance policy and as additional insureds on all insurance policies (as their respective interests may appear), in form acceptable to Sublandlord. Sublandlord shall not be required to prosecute any claim against or to contest any settlement proposed by, any insurer; provided, that Subtenant may, at its expense, prosecute any such claim or contest any such settlement, and in such event Subtenant may bring such prosecution or contest in the name of Subtenant, and Sublandlord will join therein at Subtenant's expense and written request upon the receipt by Sublandlord of an indemnity from Subtenant in form and substance satisfactory to Sublandlord against any and all costs, liabilities and expenses in connection with such prosecution or contest. Subtenant shall not settle any claim for property damage without the consent of Sublandlord, and if required under the Terms of the Premises, of Prime Landlord.

(b) All such insurance policies shall contain an agreement by the insurer that: (i) it will not cancel or modify such policy except after thirty (30) days' prior written notice sent by certified mail to Sublandlord (and shall provide for the right of Sublandlord at its option to pay any premium owing thereunder for the purpose of continuing coverage); (ii) any loss otherwise payable thereunder shall be payable notwithstanding any change in title or other ownership of the Premises; and (iii) such insurance shall not be impaired or invalidated by any act; failure to act or violation of declaration or condition in such policies by Subtenant. Subtenant shall submit to Sublandlord a certificate of insurance or binder for all the insurance coverage required hereunder at the time it executes this Sublease and shall submit to Sublandlord

original insurance policies demonstrating Subtenant's full performance of its insurance obligations under this Sublease, together with proof of premium payment, immediately following the execution of this Sublease. Thereafter, Subtenant shall submit to Sublandlord copies of renewal policies with proof of premium payment at least thirty (30) days before the expiration of such policies. Sublandlord's receipt of information whether or not evidence of coverage, shall not affect the respective rights and duties of Sublandlord and Subtenant as they are stated herein.

9.3 If Subtenant fails to obtain or maintain any portion of the insurance during the Term, then Sublandlord may elect to purchase or maintain any or all of such insurance on Subtenant's behalf, and Subtenant shall pay as Additional Rent, upon demand, all costs incurred by Sublandlord in connection with such insurance.

## 10. WAIVER OF SUBROGATION

Notwithstanding any provision herein to the contrary, Subtenant expressly releases Sublandlord and Prime Landlord from, and waives any rights of recovery that it may have against such parties for, any and all liabilities and expenses for loss, damage or destruction of property resulting from perils (including negligent acts or omissions of such parties and their respective agents, employees, associates or invitees) covered by (i) the insurance which Subtenant is obligated to provide and maintain under this Sublease (whether or not such insurance is actually maintained), or (ii) any other insurance actually maintained by or on behalf of Subtenant; and Subtenant agrees that the company providing such insurance shall have no right of subrogation against the Sublandlord or Prime Landlord.

## 11. INDEMNIFICATION.

11.1 Subtenant agrees to pay, and to protect, indemnify and hold harmless Sublandlord, Prime Landlord, and their respective parent companies and any company or entity affiliated with Sublandlord or Prime Landlord, and their respective officers, directors, agents and employees (each of the foregoing individually, an "Indemnitee" and collectively, the "Indemnitees") from and against any and all liabilities, losses, damages, costs, expenses (including, without implied limitation, all reasonable attorneys' fees and expenses of an Indemnitee), causes of action, suits, claims, demands or judgments of any nature whatsoever, arising from (a) any injury to, or the death of, any persons or any damage to property on the Premises or upon adjoining sidewalks, parking areas, common areas, streets, or ways, or in any manner growing out of or connected with the use, non-use, condition or occupation of the Premises, any building, structure or other improvement located thereon, or any part thereof, or resulting from the condition thereof or of adjoining sidewalks, parking areas, common areas, streets or ways; (b) violation by Subtenant of any term or provision of this Sublease; (c) violation by Subtenant of any term or provision of the Prime Lease; (d) violation by Subtenant of any contract or agreement to which Subtenant is a party, including the Transaction Documents; (e) violation by Subtenant of any restriction, statute, law, ordinance or regulation, affecting the Premises or any building, structure or other improvement located thereon, or any part thereof or the ownership, occupancy or use thereof, and (f) any matter for which Sublandlord indemnifies Prime Landlord under the Prime Lease. The obligations of Subtenant under this Section relating to events occurring during the Term shall survive the expiration or other termination of this Sublease. The foregoing shall not be construed as an agreement by Subtenant to indemnify Sublandlord against or from the negligence or willful acts of Sublandlord or Sublandlord's agents, servants, employees, or contractors.

11.2 It is specifically agreed that Subtenant shall not be responsible for the discharge and performance of the duties and obligations required to be performed and/or discharged by Sublandlord in connection with the Prime Lease arising prior to the Effective Date.

## 12. CASUALTY.

If the Premises or any building, structure, or other improvement located thereon is damaged by fire, earthquake or other casualty, Subtenant shall give immediate written notice thereof to Sublandlord. In the event that any damage to or destruction of the Premises or any building, structure, or other improvement located thereon shall occur, the provisions of the Prime Lease concerning damage or destruction shall apply, provided that (i) any cost or expense incurred by Sublandlord thereunder shall be paid by Subtenant, and (ii) regardless of whether the Prime Lease imposes an obligation on the tenant thereunder to repair or restore the Premises or any building, structure, or other improvement located thereon, unless Prime Landlord prohibits such repair or restoration, Subtenant shall be responsible for promptly repairing and restoring all buildings, structures and improvement as well as all of Subtenant's fixtures, furniture, equipment and other personal property, and Sublandlord shall have no liability therefor. Unless the Prime Lease requires otherwise, insurance claims by reason of damage to or destruction of any portion of the Premises or any building, structure, or other improvement located thereon, shall be adjusted by Sublandlord at the election of Sublandlord, but Sublandlord may permit Subtenant to adjust any such loss, with Sublandlord's consent thereto. Without limiting the foregoing, any and all insurance proceeds from such casualty, including those to which Subtenant is entitled to under any policy, shall be paid to Sublandlord; provided that Sublandlord may release the same to Subtenant for use towards necessary repairs and replacements upon the satisfaction of Sublandlord's requirements and conditions, which may include the deposit of additional funds to the extent necessary to ensure that Sublandlord has funds sufficient to cover the cost of the repairs and replacements. The entire amount of any proceeds released to Subtenant shall be utilized from time to time by Subtenant for payment of the work of rebuilding, replacing and repairing the damage or destruction. If any proceeds of such insurance remain after final payment has been made by Subtenant for such rebuilding, replacement and repair, such remaining proceeds shall be retained by Sublandlord, subject to the requirements of the Prime Lease. In no event shall Subtenant be entitled to a rent abatement in the event of a casualty.

## 13. CONDEMNATION.

In the event of any condemnation or sale in lieu thereof involving the Premises, the provisions of the Prime Lease shall govern as to the party entitled to receive the award payable in connection with such condemnation or sale in lieu thereof, and Prime Landlord and Sublandlord shall be entitled to awards payable as their respective interest may appear and as may be required under the terms of the Prime Lease. For the avoidance of doubt, Subtenant shall not be entitled to any award or compensation for any such condemnation or sale in lieu thereof unless the same is expressly allocated to Subtenant under the Prime Lease or at law. Subtenant shall be entitled to a rent abatement only to the extent that Sublandlord is entitled to an abatement under the Prime Lease. In the event that the Prime Lease is silent with respect to the allocation of awards or compensation resulting from a condemnation or sale in lieu thereof involving the Premises, Sublandlord and Subtenant may prosecute their respective claims for damages to the extent permitted under this Sublease and the Prime Lease.

## 14. ALTERATIONS AND/OR REMODELS.

14.1 To the extent allowed, and upon satisfaction of the conditions stated in the Prime Lease, Subtenant shall have the right to make alterations or additions to the Premises and the buildings, structures and other improvements located thereon, with the prior written consent of Sublandlord.

14.2 In the event Subtenant is permitted to make alterations or additions, such additions to and alterations of the buildings, structures or other improvements located on the Premises shall be at Subtenant's sole cost and expense and be made in a good and workmanlike manner and free from defects. Subtenant shall promptly pay all costs and expenses of each such alteration or addition and shall promptly have

discharged, released or bonded-off in accordance with applicable law any lien filed against the Premises or the buildings, structures or other improvements located thereon arising out of the same within five (5) days of such filing, and shall pay for all permits and licenses required in connection with any addition or alteration. Such additions or alterations shall be expeditiously completed in compliance with all laws, ordinances, orders, rules, regulations and requirements applicable thereto.

14.3 Subtenant shall promptly pay all costs and expenses of each such addition or alteration and shall discharge all liens filed against the Premises or the buildings, structures or other improvements located thereon arising out of the same, and pay for all permits and licenses required in connection with any such addition or alteration.

14.4 Subtenant shall, at its sole cost and expense, and subject to the provisions of the Prime Lease, perform or cause to be performed all remodeling and upgrading of all buildings, structures or other improvements on and all other portions of the Premises, real and personal, interior and exterior, structural and non-structural, and including without limitation all systems and utilities within the Premises or any building or structure located thereon, as may be necessary or appropriate to keep the Premises and all buildings, structures or other improvements located thereon in compliance with any and all standards imposed by the Transaction Documents.

#### 15. PRIME LEASE PROVISIONS.

15.1 Sublandlord and Subtenant hereby acknowledge and agree that this Sublease is subject and subordinate to the Prime Lease. Subtenant acknowledges having received and reviewed the Prime Lease. Sublandlord agrees to refrain from entering into any amendment to or modification of the Prime Lease that would materially limit the rights granted to Subtenant or materially increase the obligations to Subtenant under this Sublease without obtaining Subtenant's prior written consent not to be unreasonably withheld, and a copy of any amendment or modification of the Prime Lease shall be promptly furnished to Subtenant. Subtenant hereby covenants and agrees that it will observe and perform all of the terms and conditions of the Prime Lease that are imposed upon Sublandlord, as tenant under the Prime Lease, and such terms and conditions shall be deemed to have been incorporated herein as if set forth in full, and if practical, Subtenant shall in good faith endeavor to observe and perform such terms and conditions of the Prime Lease at least five (5) business days prior to the date imposed by the Prime Lease for performance of such terms and conditions. Sublandlord shall have the right, but not the obligation, to enter the Premises and any building, structure or improvement located thereon to cure any default by Subtenant under this Section. Provided that Subtenant timely pays all Rent to Sublandlord as and when due under this Sublease, Sublandlord shall timely pay all rent to Prime Landlord as and when due under the Prime Lease. In addition, the obligations of and restrictions upon the Sublandlord as tenant under the Prime Lease shall constitute the obligations of and restrictions upon the Subtenant under this Sublease, each as and to the extent applicable to the Premises and Subtenant's use, occupation and operation thereof. The rights and remedies of the Prime Landlord under the Prime Lease shall constitute the rights and remedies of the Sublandlord under this Sublease, in addition to the other rights of Sublandlord under this Sublease, each as and to the extent applicable to the Premises. In the event of a conflict between any term, condition or provision of the Prime Lease and this Sublease, or in the event that this Sublease creates additional or greater rights of and remedies to Sublandlord over those granted Prime Landlord in the Prime Lease, or imposes additional or greater restrictions on or obligations of Subtenant over those imposed on Sublandlord as tenant under the Prime Lease, then the terms, conditions and provisions of this Sublease shall govern in all respects the relationship between the Sublandlord and the Subtenant.

15.2 Except as otherwise provided in this Sublease, Sublandlord hereby grants to Subtenant the right to receive all of the services and benefits with respect to the Premises which are to be provided by the Prime Landlord to Sublandlord as the tenant under the Prime Lease; provided however, that Sublandlord reserves

the right to exercise, in its sole discretion, any purchase option or right of first refusal or first offer to purchase or lease the Premises under the Prime Lease. Notwithstanding anything herein to the contrary, if the Prime Lease imposes any obligation on the Prime Landlord or if any obligation of Sublandlord under this Sublease is to be performed by Prime Landlord under the Prime Lease and Prime Landlord fails to perform or delays in performance of such obligation, or otherwise defaults in its obligations under such Prime Lease, then Sublandlord shall have no liability to Subtenant hereunder as a result of such failure except that Sublandlord agrees to use commercially reasonable efforts, upon notice from Subtenant and at Subtenant's expense, to cause Prime Landlord to perform such obligation. Nothing in this Sublease shall or shall be deemed to limit or restrict any right or remedy of the Prime Landlord with respect to the Premises or the Prime Lease.

15.3 Notwithstanding anything to the contrary in this Sublease, any termination of the Prime Lease will cause this Sublease to be terminated immediately before the Prime Lease is terminated and in no event shall the Term under this Sublease exceed the term under the Prime Lease.

15.4 If the Prime Lease grants to Prime Landlord any rights of approval or consent or any similar term, provision or right, and if Subtenant requests from Sublandlord such approval or consent, then such approval or consent of Sublandlord shall not be effective unless and until the Prime Landlord gives its approval or consent, and such approval or consent given by Sublandlord shall contain or be deemed to contain such terms, conditions, limitations or restrictions imposed by Prime Landlord. Subtenant shall pay all costs and expenses and fees of Prime Landlord in connection with requesting such consent. Sublandlord shall use commercially reasonable efforts to obtain such approval or consent of Prime Landlord after Sublandlord has given its approval or consent, upon request of Subtenant and at Subtenant's expense.

15.5 In the event Sublandlord agrees to extend the term of this Sublease beyond the Term (including the Option Terms) or Sublandlord obtains from Prime Landlord for the benefit of Subtenant any amendment or modification of the Prime Lease, including, without limitation, an agreement for rent reduction, or if Sublandlord is required to engage attorneys, counsel, accountants or other consultants in connection with the Prime Lease or this Sublease, then Subtenant agrees to pay and reimburse Sublandlord for any and all of Sublandlord's out-of-pocket expenses incurred in connection therewith as well as any reasonable administrative fees imposed by Sublandlord for addressing any issues related to the Prime Lease and this Sublease. Such administrative fee shall be in addition to Sublandlord's right to be reimbursed by Subtenant for all actual out-of-pocket costs and fees incurred by Sublandlord in connection therewith. Without limiting the foregoing, Subtenant shall also pay all costs, expenses and fees of Prime Landlord in connection with requesting such consent.

## 16. ASSIGNMENT AND SUBLETTING.

Subtenant shall not transfer, mortgage, hypothecate or assign any of Subtenant's interest in this Sublease or sublet all or any part of the Premises or any building or structure or any portion thereof located thereon without the prior written consent of Sublandlord, which consent may be withheld in Sublandlord's sole discretion, and, if Sublandlord, as tenant under the Prime Lease, must obtain such consent from Prime Landlord, the prior written consent of Prime Landlord. If Sublandlord consents to an assignment or sublease by Subtenant, (i) the original Subtenant hereunder shall remain liable for the performance of all terms, covenants and conditions of this Sublease notwithstanding such assignment, sublease or transfer, and (ii) any rent or other consideration paid to Subtenant (or any sub-subtenant or successor subtenant) in excess of the Rent paid by Subtenant hereunder on a square footage basis shall be promptly paid to Sublandlord. Any change in the management or control of Subtenant or a transfer of more than 50% of the direct or indirect ownership interests in Subtenant shall be deemed a transfer hereunder and subject to Sublandlord's consent. Sublandlord's consent to any assignment, subletting or transfer shall not be deemed a consent to any subsequent assignment, subletting or transfer.

## 17. REMOVAL OF SUBTENANT'S PROPERTY.

17.1 Except as otherwise provided in the Prime Lease, and provided Subtenant is not in default hereunder, on or before the last day of this Sublease, Subtenant may remove from the Premises all furniture, trade fixtures, equipment and other personal property belonging to Subtenant (hereinafter referred to as "Subtenant's Property"). Any damage to the Premises or any building or structure or other improvement located thereon caused by such removal of Subtenant's Property shall be repaired in accordance with Section 21 of this Sublease. In no event shall Subtenant's Property which has become permanently affixed to the Premises be removed. Notwithstanding the foregoing, upon expiration or earlier termination of the Term of this Sublease (or upon the earlier termination of Subtenant's right of possession hereunder), Subtenant shall leave at the Premises any and all improvements or other property required to be so left in accordance with the terms of the Prime Lease or this Sublease.

17.2 At the termination of this Sublease, if Subtenant has not removed Subtenant's Property from the Premises, or if this Sublease is terminated by reason of default by Subtenant, Sublandlord may, at its option, either, (a) retain Subtenant's Property as its own without liability for and without compensating Subtenant therefor; or (b) remove Subtenant's Property from the Premises, the costs and expense for such shall be paid in full by Subtenant immediately upon demand by Sublandlord, offset against the Security Deposit, or both to the extent necessary to fully pay said costs and expense.

## 18. ACCESS TO PREMISES.

In addition to any rights to access set forth in the Prime Lease, Sublandlord, Prime Landlord and their respective agents and employees shall have the right to enter the Premises and any building or structure located thereon in the event of an emergency and at other reasonable times, from time to time, upon reasonable notice under the circumstances to Subtenant (which notice may be oral): (i) to ascertain whether Subtenant is in compliance with the provisions of this Sublease; (ii) to exercise Sublandlord's rights and remedies under this Sublease, the Prime Lease or under law, or Prime Landlord's rights and remedies under the Prime Lease or under law; and (iii) to exhibit the Premises and any building or structure located thereon, to prospective assignees, subtenants or lenders.

## 19. DEFAULT.

Subtenant shall be in default under this Sublease if Subtenant: (a) fails to pay when due any Rent or other amounts required to be paid under the Sublease; (b) breaches any non-monetary obligation, representation, warranty, or covenant of this Sublease and fails to cure to the satisfaction of Sublandlord such breach within twenty (20) days after Sublandlord's written notice to Subtenant of such breach; (c) assigns, mortgages, sublets, or transfers any interest in the Premises or any part thereof (or any building located thereon) without Sublandlord's prior consent or otherwise breaches Section 16 of the Sublease; (d) breaches any obligation of Subtenant under Section 4 of this Sublease regarding use of the Premises; (e) causes or allows a default to exist under the Prime Lease for which there is no cure or grace period; (f) causes or allows a default to exist under the Prime Lease for which there is a cure or grace period but which is not cured to the satisfaction of Sublandlord and Prime Landlord within one-half of the time permitted for such cure under the Prime Lease; (g) violates any covenant, term or condition of any agreement the effect of which is to allow Sublandlord to terminate or accelerate the maturity of such agreement before its stated termination or maturity date; (h) shall fail to remedy immediately after receipt of notice from Sublandlord, any hazardous condition which Subtenant has created or suffered in breach of Subtenant's obligations under this Sublease; (i) defaults in the timely performance or payment of any obligation or indebtedness or breaches any of the covenants, representations, warranties, terms, conditions or provisions under any of the Transaction Documents including, without limitation, under any "Sublease" or "Franchise Agreement" (as such terms are defined in the Purchase Agreement), beyond any applicable notice and cure period stated in such

documents; (j) fails to comply with any statute, ordinance, rule or regulation of any governmental body; or (k) files or has filed against it a petition in bankruptcy, insolvency, or for reorganization or arrangement pursuant to any Federal or state statute. Such default under (a) through (h) above shall be declared by Sublandlord's or Prime Landlord's giving Subtenant written notice thereof at the notice address specified in the Basic Sublease Information. A default under (i) through (k) above shall occur upon the happening of the event without the need for notice thereof.

## 20. REMEDIES.

If Subtenant shall default in the performance of its obligations under this Sublease, Sublandlord may exercise any one or more of the following remedies, to the extent permitted by law, or any other legal or equitable remedy permitted under applicable law:

20.1 Sublandlord may terminate this Sublease upon the delivery of notice thereof to Subtenant and Sublandlord shall have the right to immediate possession of the Premises and any building or structure or other improvement thereon and Subtenant shall peacefully surrender possession of the Premises and any building or structure or other improvement thereon to Sublandlord. Subtenant hereby waives any and all rights it may have, at law or in equity, to the receipt of notice of default or demand for forfeiture, except as expressly provided herein. In the event Subtenant holds the Premises over beyond the termination of the Term, Sublandlord shall have the right to recover Sublandlord's cost in recovering possession of the Premises and any building or structure or other improvement located thereon (including, without limitation, attorneys' fees and litigation costs), such amounts as may be permitted under applicable law and any other amounts due and payable to Sublandlord hereunder (including, without limitation, past-due rent).

20.2 Sublandlord, without terminating this Sublease, shall have the right to terminate Subtenant's right to possess the Premises and any building or structure or other improvement located thereon and to recover possession thereof upon the delivery of notice thereof to Subtenant and Subtenant shall peacefully surrender the Premises and any building or structure or other improvement located thereon to Sublandlord. Subtenant hereby waives any and all rights it may have, at law or in equity, to the receipt of notice of default or demand for forfeiture, except as expressly provided herein. Sublandlord, at Sublandlord's option, may cause the Premises and any building or structure or other improvement thereon to be prepared for reletting, and may relet the Premises or any building or structure or other improvement thereon or any part thereof as agent of Subtenant, for a term to expire prior to, at the same time as, or subsequent to the expiration of the Term, at Sublandlord's option. In the event of such reletting, Sublandlord shall receive the rents therefor, applying the same first, to the repayment of reasonable expenses as Sublandlord may have incurred in connection with said resumption of possession, preparing for reletting and reletting (including, without limitation, remodeling costs, brokerage and attorneys' fees), and, second, to the payment of damages and amounts equal to the Base Rent, any and all percentage rent (which shall be based upon the average gross sales of Subtenant for the twelve (12) full months immediately prior to the Sublandlord's exercise of remedies hereunder) and Additional Rent due hereunder and to the cost of performing the other obligations of Subtenant as herein provided. Subtenant, regardless of whether Sublandlord has relet the Premises or any building thereon, shall pay to Sublandlord damages equal to the Rent herein agreed to be paid by Subtenant less the proceeds of the reletting, if any, and such Rent shall be due and payable by Subtenant on the days on which such Rent is due hereunder.

20.3 To the extent permitted by law, Sublandlord may at its option declare immediately due and payable the entire amount of all Rent due hereunder which Subtenant would be obligated to pay for the remainder of the Term, discounted to present value at the rate of 3% and any such payment (less the net proceeds of reletting as set forth above) shall be credited against Subtenant's obligation to pay Rent due hereunder but otherwise shall not relieve Subtenant from any of its other obligations under this Sublease or the Prime Lease, including the obligation to pay Rent, including percentage rent and Additional Rent.

20.4 Sublandlord may perform for Subtenant any of the obligations Subtenant has agreed to perform hereunder if Subtenant has defaulted in the performance of such obligations. Upon demand, Subtenant shall reimburse Sublandlord for Sublandlord's cost of performing for Subtenant together with interest thereon at the Interest Rate. Any amounts so expended by Sublandlord shall be immediately due and payable and may be recovered by Landlord using any method permitted for the payment of Rent hereunder. The failure of Subtenant to pay such amounts shall entitle Sublandlord to all of the rights and remedies available to it as if Subtenant had defaulted in the payment of Rent, provided, however, that Sublandlord shall have the option to be reimbursed for such amounts by Subtenant through proportional prorated increases in Additional Rent.

20.5 Subtenant shall pay to Sublandlord a late charge equal to four percent (4%) of the amount of any installment of Rent if such installment becomes more than five (5) days past due.

20.6 Subtenant shall pay to Sublandlord, upon demand, interest at the Interest Rate on any past-due payments of Rent due hereunder.

20.7 Sublandlord may exercise any rights allowed Prime Landlord under the Prime Lease.

## 21. SURRENDER.

Upon the expiration or earlier termination of this Sublease, or upon termination of Subtenant's right of possession hereunder, at any time and for any reason, Subtenant promptly and peaceably shall surrender to Sublandlord the Premises and all buildings, structures and improvements thereon, together with all improvements, fixtures and equipment belonging to Sublandlord, and/or the Prime Landlord, their agents, servants or employees, "broom clean," in good condition and repair, normal wear and tear excepted, and as may be otherwise required by the Transaction Documents. The foregoing shall apply in the absence of applicable terms and provisions in the Prime Lease, and in the event the Prime Lease contains applicable terms and provisions relating to the condition of the Premises at the time of their surrender, such terms and provisions and this Section 21 shall apply concurrently. In the event Subtenant remains in possession following such events or Prime Landlord refuses to accept the surrender of the Premises due to Subtenant's failure to comply with the foregoing, Subtenant shall occupy the Premises as a tenant from month to month, subject to all the covenants of this Sublease insofar as they are consistent with such a tenancy, except that Subtenant shall be liable for any and all actual damages incurred by Sublandlord as a result of such holdover, and, in addition Rent and percentage rent (if applicable) during such holdover period shall be at the greater of (i) a rate of twice of the amount which would be payable for the last twelve (12) month period preceding the termination or expiration of this Sublease, or (ii) the amount required under the Prime Lease. Notwithstanding anything in this Sublease to the contrary, upon the expiration or earlier termination of this Sublease, or upon termination of Subtenant's right of possession hereunder, Sublandlord shall automatically become the owner of all of the improvements located at the Premises, including all buildings and structures, without requirement for any additional conveyance documentation or consideration; provided, however, that if either party requests delivery of a reasonable bill of sale therefor to confirm such conveyance, the other party shall cooperate in the prompt execution and delivery thereof; further provided, however, that if the Prime Landlord requires the removal of any or all of the improvements located at the Premises, including any building or structure, Subtenant shall be responsible therefor.

## 22. SUBLANDLORD'S WAIVER.

The failure of either party at any time or from time to time to require strict compliance by the other with the provisions of this Sublease shall neither waive nor prejudice such party's continued right to insist upon the due and timely performance of this Sublease and to avail itself of any and all remedies provided by law or by this Sublease.

23. GOVERNING LAW.

The law applicable to the performance of this Sublease shall be the law of the state where the Premises are located.

24. RECORDING OF SUBLEASE.

This Sublease shall not be recorded; provided, however, that, if not prohibited by the Prime Lease, and subject to the provisions of the Prime Lease, a memorandum hereof in a form reasonably acceptable to the parties shall at the option of either party be recorded at the expense of the Subtenant. Such filing of a separate memorandum in each such county (or subdivision) is made only to record the grant of the subleasehold interest provided by herein and shall not be construed to evidence or effect a separate and distinct transfer of interest as to the Premises apart from the demise of the Premises contained herein.

25. SUBTENANT AS INDEPENDENT CONTRACTOR.

Subtenant is and shall remain an independent contractor and shall have no authority to act as an agent of Sublandlord or power to bind Sublandlord in any manner. This Sublease shall not create any relationship of employer-employee, trustee-beneficiary, principal-agent, partnership or joint venture.

26. NO OTHER ASSURANCES.

Subtenant has entered into this Sublease in reliance upon its provisions and upon the provisions of the Prime Lease, including any amendments, supplements and extensions, and not in reliance upon any alleged assurances, representations and warranties made by Sublandlord, its officers, directors, agents, servants or employees.

27. BROKERS.

Each party represents and warrants to the other that it has not directly or indirectly dealt with any broker or agent relative to this Sublease or had its attention called to the Premises by any broker or agent and agrees to indemnify, defend and hold the other party harmless from and against any and all claims for commission arising out of the indemnifying party's execution and delivery of this Sublease.

28. NOTICES.

Any notices, requests, or other communications required or permitted to be given hereunder shall be in writing and shall be delivered by hand or overnight commercial courier or mailed by United States certified mail, return receipt requested, postage prepaid, and addressed to each party at its address as set forth in Section 1.9 of the Basic Sublease Information. Any such notices, requests or other communications shall be considered given or delivered, as the case may be (a) on the date of hand delivery, (b) on the second (2<sup>nd</sup>) day following the date of deposit in the United States mail, or (c) on the next business day after the date of deposit with an overnight commercial courier as provided above. Rejection or other refusal to accept or inability to deliver because of change of address of which no notice was given shall be deemed to be receipt of the notice, request, or other communication. By giving at least five (5) days prior written notice thereof to the other parties, a party hereto may from time to time and at any time change its mailing address.

29. INTERPRETATION.

When the context so requires, words of any gender used in this Sublease shall be held to include any other gender and words in the singular shall be held to include the plural. "Subtenant" shall include the heirs, executors, administrators and personal representatives of any individual Subtenant as well as Subtenant's assigns (subject to Sublandlord's prior written consent) and the successor of any incorporated Subtenant unless the context precludes such construction. The captions or headings of particular paragraphs or parts of this Sublease are inserted for convenience only and shall not affect the meaning of this Sublease as a whole, or any paragraph or any part of it. If any term or provision of this Sublease or the application hereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Sublease, or the application of such term or provision to persons whose circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

30. AMENDMENT.

No alleged modifications, termination or waiver of this Sublease shall be binding unless it is set out in writing and signed by the party against whom or which it is sought to be enforced. Any document or writing to be binding on Sublandlord, whether this Sublease or any amendment, supplement or extension, must be signed by both Subtenant and Sublandlord, the latter acting through an authorized officer. In the event that a broker is retained by Sublandlord or Subtenant for the negotiation of any amendment to this Sublease, Subtenant agrees to pay any related fees charged by the broker in connection therewith. Subtenant shall not engage with Prime Landlord to negotiate the terms of an amendment to this Sublease without the prior written consent of Sublandlord, unless, pursuant to a written instrument between Sublandlord and Prime Landlord, the Prime Landlord has agreed to engage in negotiations for Subtenant to become the tenant of Prime Landlord for the Premises, provided, however, that if Sublandlord provides written notice to Subtenant of its sole determination that such negotiations between Subtenant and Prime Landlord have failed, Subtenant shall no longer be permitted to so engage with Prime Landlord.

31. SOLE UNDERSTANDING OF PARTIES.

This Sublease, the Transaction Documents and related documents, instruments and agreements, contain the entire understanding between the parties with respect to their respective subject matter, the Premises, and all aspects of the relationship between Subtenant and Sublandlord.

32. COUNTERPART AND ELECTRONIC SIGNATURES.

This Sublease may be signed in any number of counterparts and by facsimile or email, in which case, any and all copies shall be deemed original and all counterparts shall be taken together to form a single document.

33. ESTOPPEL CERTIFICATES.

Subtenant agrees from time to time, within seven (7) days after written request by Sublandlord, to execute, acknowledge and deliver to Sublandlord an estoppel certificate in favor of Sublandlord, Prime Landlord, or a mortgagee, lender or potential transferee thereof, on a form reasonably satisfactory to the party requesting the same, certifying the following as true and correct (or if not so, then the facts and circumstances that are true and correct): (i) that this Sublease is unmodified and in full force and effect (or, if there have been any modifications, that this Sublease is in full force and effect as modified and stating the modifications); (ii) that Subtenant has no defenses, offsets or counterclaims against Sublandlord entitling Subtenant to not pay Rent (or, if there are any defenses, offsets or counterclaims, setting them forth in reasonable detail); (iii) that there are no uncured defaults of Sublandlord or Subtenant under this

Sublease (or, if there are any defaults, setting them forth in reasonable detail); (iv) the dates to which the Rent has been paid; and (v) such other reasonable matters as may be requested in such estoppel certificate.

34. SUBORDINATION; TRANSFER OF SUBLANDLORD'S INTEREST.

Sublandlord shall have the absolute right from time to time to encumber the Premises and/or Sublandlord's interest under this Sublease, or to otherwise transfer its rights under the Prime Lease or Sublease, and in the event of such transfer, Sublandlord shall have no further obligation to Subtenant. The rights of Subtenant under this Sublease shall be subject and subordinate at all times to the lien of any mortgage, deed of trust or other encumbrance or lien now or hereafter in force encumbering the Premises, the Prime Lease or Sublandlord's interest under this Sublease. If any such mortgage or deed of trust or encumbrance shall be foreclosed, at the election of the holder thereof, Subtenant will attorn to the transferee at any foreclosure sale thereunder, or transfer in lieu of foreclosure, and will execute such instruments as may be necessary or appropriate to evidence such attornment. In connection with any mortgage or deed of trust or encumbrance hereafter executed by Sublandlord, Subtenant agrees to comply with any assignment of rents executed by Sublandlord providing for direct payment of the Rent hereunder to the holder of such assignment. The subordination provision of this Sublease to any mortgage or deed of trust is self-executing, and no further instrument is required to evidence such subordination except as provided in this Section; provided, however, that Subtenant will execute and deliver to Sublandlord, within ten (10) days after demand by Sublandlord, such documents to confirm or evidence any such subordination, including such additional provisions as may be required by such lender.

35. SURVIVAL.

Except as otherwise set forth in this Sublease, any obligations of Subtenant or Sublandlord (including, without limitation, rental or other monetary obligations, repair obligations and obligations to indemnify) shall survive the expiration or earlier termination of this Sublease and Subtenant shall immediately reimburse Sublandlord for any expense incurred by Sublandlord in curing Subtenant's failure to satisfy any such obligation (notwithstanding the fact that such cure might be affected by Sublandlord following the expiration or earlier termination of this Sublease).

36. GUARANTEE.

Sublandlord shall have no obligations under this Sublease unless and until each of \_\_\_\_\_ and his or her spouse, as applicable, has executed and delivered to Sublandlord a Guarantee in substantially the form as Exhibit C attached hereto and made a part hereof by this reference, it being agreed and understood that such Guarantee is a condition precedent to Sublandlord's willingness to proceed with the transaction hereunder.

37. OFAC CERTIFICATION.

Each party certifies that it is not acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person," or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule, or regulation that is enforced or administered by the Office of Foreign Assets Control; and it is not engaged in this transaction, directly or indirectly on behalf of, or instigating or facilitating this transaction, directly or indirectly on behalf of, any such person, group, entity, or nation. The parties hereby agree to defend, indemnify, and hold harmless each other from and against any and all claims, damages, losses, risks, liabilities, and expenses (including attorney's fees and costs) arising from or related to any breach of the foregoing certification.

## EXHIBIT C

### GUARANTEE

In consideration of, and as an inducement for the granting, execution and delivery of the Sublease Agreement, dated \_\_\_\_\_ (the “Sublease”), by and between Hardee’s Restaurants LLC, a Delaware limited liability company (“Sublandlord”) and \_\_\_\_\_, a \_\_\_\_\_ (“Subtenant”), and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (“Guarantor”, which term shall be deemed to include the undersigned guarantor(s) and its/their heirs, successors and assigns) does hereby (jointly and severally, if executed by two or more guarantors) guarantee, absolutely and unconditionally, to Sublandlord and its successors and assigns the full and prompt payment of Rent and all other charges and sums (including, without limitation, Sublandlord’s legal expenses and attorney’s fees and disbursements) payable by Subtenant under the Sublease, and hereby further guarantees the full and timely performance and observance of all the covenants, terms, conditions, and agreements therein provided to be performed and observed by Subtenant; and Guarantor hereby covenants and agrees to and with Sublandlord that if default shall at any time be made by Subtenant in the payment of any Rent or other charges and sums, or if Subtenant should default in the performance and observance of any other terms, covenants and conditions contained in the Sublease, Guarantor shall and will forthwith pay Rent and all other charges and sums, to Sublandlord and any arrears thereof, and shall and will forthwith faithfully perform and fulfill all of such terms, covenants and conditions and will forthwith pay to Sublandlord all damages that may arise in consequence of any default by Subtenant under the Sublease, including, without limitation, all reasonable attorney’s fees and disbursements incurred by Sublandlord or caused by any such default or the enforcement of this Guarantee.

This Guarantee is an absolute and unconditional Guarantee of payment (and not of collection) and of performance. The liability of Guarantor is joint, several and co-extensive with that of Subtenant and this Guarantee shall be enforceable against Guarantor without the necessity of any suit or proceeding on Sublandlord’s part of any kind or nature whatsoever against Subtenant and without the necessity of any notice of nonpayment, non-performance or non-observance or of any notice of acceptance of this Guarantee or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives. Guarantor hereby expressly agrees that the validity of this Guarantee and the obligations of Guarantor hereunder shall in no way be terminated, affected diminished or impaired by reason of (a) the assertion or the failure to assert any of the rights or remedies reserved by Sublandlord against Subtenant pursuant to the terms, covenants and conditions of the Sublease, or (b) any non-liability of Subtenant under the Sublease, whether by insolvency, discharge in bankruptcy or any other similar defect or defense which may now or hereafter exist in favor of Subtenant.

This Guarantee shall be a continuing Guarantee, and the liability of Guarantor hereunder shall in no way be affected, modified or diminished by reason of (a) any assignment, renewal, modification, amendment or extension of the Sublease, or (b) any modification or waiver of or change in any of the terms, covenants and conditions of the Sublease by Sublandlord and Subtenant, or (c) any extension of time that may be granted by Sublandlord to Subtenant, or (d) any consent, release, indulgence or other action, inaction or omission under or in respect of the Sublease, or (e) any dealings or transactions of matter or thing occurring between Sublandlord and Subtenant, or (f) any bankruptcy, insolvency, reorganization, liquidation, arrangement, assignment for the benefit of creditors, receivership, trusteeship or similar proceeding affecting Subtenant, whether or not notice thereof is given to Guarantor. Guarantor expressly waives the right to require Sublandlord to take action against Subtenant.

Should Sublandlord be obligated by any bankruptcy or other law to repay to Subtenant or to Guarantor or to any trustee, receiver or other representative of either of them, any amounts previously paid,

this Guarantee shall be reinstated in the amount of such repayments. Sublandlord shall not be required to litigate or otherwise dispute its obligations to make such repayments if it in good faith believes that such obligation exists.

No delay on the part of Sublandlord in exercising any rights, power or privilege under this Guarantee or failure to exercise the same shall operate as a waiver of or otherwise affect any such right, power or privilege, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

No waiver or modification of any provision of this Guarantee nor any termination of this Guarantee shall be effective unless in writing and signed by Sublandlord, nor shall any such waiver be applicable except to the specific instance for which given.

All of Sublandlord's rights and remedies under the Sublease and under this Guarantee, now or hereafter existing at law or in equity or by statute or otherwise, are intended to be distinct, separate and cumulative and no exercise or partial exercise of any such right or remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the other rights or remedies herein or therein.

Guarantor agrees that whenever at any time or from time to time Guarantor shall make any payment to Sublandlord or perform or fulfill any terms, covenant or condition hereunder on account of the liability of Guarantor hereunder, Guarantor will notify Sublandlord in writing that such payment or performance, as the case may be, is for such purpose. No such payment or performance by Guarantor pursuant to any provision hereof shall entitle Guarantor by subrogation or otherwise to the rights of Sublandlord against Subtenant, or any other claim against Subtenant for such amounts, unless and until payment of all sums or fulfillment of all covenants, terms, conditions or agreements to be paid or performed by Subtenant.

Guarantor agrees that it will, at any time and from time to time, within ten (10) business days following written request by Sublandlord, execute, acknowledge and deliver to Sublandlord a statement certifying that this Guarantee is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating such modification). Guarantor agrees that such certificate may be relied on by anyone holding or proposing to acquire any interest in the Premises (as defined in the Sublease) from or through Sublandlord or by any mortgagee (as defined in the Sublease) or prospective mortgagee or landlord of the Premises or of any interest therein.

This Guarantee may be executed in any number of counterparts each of which shall be an original, and such counterparts shall together constitute one and the same instrument. This Guarantee may also be executed and transmitted by facsimile or by electronic mail, in which event, the same shall have the same force and effect as an originally executed document.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the undersigned has duly executed this Guarantee as of the \_\_\_\_ day  
of \_\_\_\_\_, 20\_\_.
