The franchise is for a Chili's® Grill & Bar or a Chili's® Special Venue restaurant (collectively, "Chili's Restaurants"). Chili's Grill & Bar restaurants are full service restaurants featuring a casual dining atmosphere and a full service bar. Chili's Special Venue is an abbreviated format that typically is based upon reduced square footage and/or a reduced menu.

The total investment necessary to begin operation ranges from \$3,959,695 to \$6,354,695 for a prototypical Chili's Grill & Bar and \$2,261,195 to \$5,088,695 for a Chili's Special Venue. These totals include approximately \$60,000 to \$65,000 that must be paid to us or an affiliate if you enter into a Franchise Agreement to open and operate one Chili's Restaurant. Additionally, if you sign a Development Agreement, you will also pay a development fee which is based on the factors described in Item 5 and could range from \$40,000 to \$500,000.

How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit A includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Chili's business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What's it like to be Chili's franchisee?	Item 20 or Exhibits G and H list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of State Dispute Resolution.** The franchise agreement and development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate, or litigation with the Franchisor in Texas than in your home state.
2. **General Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Supplier control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO
DISCLOSURE DOCUMENT
FOR THE STATE OF MICHIGAN**

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) a prohibition on the right of a franchisee to join an association of franchisees.
- (b) a requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) a provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) a provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) a provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) a provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) a provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) a provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that

grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) a provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The franchisor is Brinker International Payroll Company, L.P., referred to in this disclosure document as “Brinker,” “we,” “us” or “our.” We refer to the person interested in buying a franchise as “you” or “your.” If you are a corporation, partnership, limited liability company or other entity, certain provisions of the Franchise and Development Agreements will apply to your owners. These will be addressed in this disclosure document where appropriate.

We were incorporated as a Delaware corporation in June 1987 under the name CBS Development Company. Our name was changed to CRM Payroll Corporation in January 1991 and changed again to Brinker International Payroll Corporation in July 1991. In December 2001 we were converted to a limited partnership and our name was changed to Brinker International Payroll Company, L.P. Our principal offices are located at 3000 Olympus Boulevard, Dallas, Texas 752019 and our telephone number is (972) 980-9917. Our agents for service of process are listed in Exhibit E. Our general partner is BIPC Management, LLC, a Delaware limited liability company (“General Partner”). Our General Partner shares our principal business address.

We became the franchisor for Chili’s Restaurants and assumed all of the existing Chili’s Restaurant franchise agreements from our predecessor and parent, Brinker International, Inc. (“BII”), on July 1, 2010. BII was incorporated as a Delaware corporation in September 1983 to succeed to the business operated by Chili’s, Inc., a Texas corporation formed in August 1977. BII shares our principal business address.

We do business under our company name and under the trademarks, trade names, and service marks “Chili’s®” and “Chili’s® Grill & Bar” and other trademarks and service marks, including those listed in Item 13. Certain operators use the “Chili’s Too®” mark in connection with the operation of their Chili’s Restaurants.

We or our predecessors have operated Chili’s Restaurants since 1975 and have offered franchises for Chili’s Restaurants since 1984. As of the end of our last fiscal year (June 25, 2025), in the United States, we and our wholly-owned subsidiaries operated 1,109 company-owned Chili’s Restaurants and 99 franchised Chili’s Restaurants. We are also actively expanding in various international markets.

In addition to Chili’s, we do business as, and operate and franchise Italian restaurants under, the names Maggiano’s Little Italy® and/or Maggiano’s®. BII acquired Maggiano’s Little Italy by merger in August 1995, and we began selling franchises for Maggiano’s restaurants in 2017. Maggiano’s restaurants feature Italian food in an inviting “Little Italy” atmosphere, with a full service bar. As of June 25, 2025, BII operated 49 company-owned Maggiano’s restaurants and had three franchised Maggiano’s restaurants open and operating.

Our Affiliates

Except as described in this Item 1, neither we nor any predecessor or affiliate has conducted any other business and has not offered franchises in any other line of business. However, we or our subsidiaries or affiliates may in the future develop or acquire other businesses, including other restaurant concepts, some of which may be sold as franchises. We expect that any such concept would operate under marks different from the Proprietary Marks described in Item 13 and that you will have no rights regarding those restaurants.

The Franchise Offered

We offer qualified applicants a franchise arrangement for Chili’s Restaurants. Chili’s Grill & Bar restaurants are full-service restaurants featuring a casual atmosphere and a varied menu of freshly prepared

appetizers, chicken, beef and seafood entrees, hamburgers and other sandwiches, salads, barbecue ribs, fajitas and other southwestern-style cuisine, desserts and a full-service bar. Emphasis is placed on serving substantial portions of high quality food for a great value. Chili's Restaurants also include abbreviated formats that typically are based upon reduced square footage. We refer to these abbreviated formats in this disclosure document as "Chili's Special Venue" restaurants. Chili's Restaurants are generally open from 12 to 14 hours a day, 7 days a week, for lunch, dinner and late night meals and feature quick, efficient table service designed to minimize customer waiting time.

Chili's Restaurants are typically free-standing restaurants located in a metropolitan area or surrounding suburbs. Proximity to office buildings, shopping malls, airports, shopping centers and other high traffic areas is desirable.

Chili's Restaurants are characterized by a system (the "System") which includes distinctive exterior and interior design, decor, color scheme and furnishings; special recipes and menu items; uniform standards, specifications and procedures for operation; quality and uniformity of products and services offered; procedures for inventory and management control; training and assistance; and advertising and promotional programs. The System is identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including the marks "CHILI'S" and "CHILI'S GRILL & BAR" and other marks we authorize for use by Chili's Restaurants, which may also include newly developed marks in connection with special menu offerings (the "Proprietary Marks").

We continue to improve and develop the System and provide new information and techniques to you by means of a Chili's Franchise Manual consisting of operations manuals, policies, specifications, standards, checklists, evaluation forms, spreadsheets, guides, recipes, handbooks, and documents (collectively, the "CFM"). We own the System.

We may, from time to time, offer franchisees that meet program requirements the opportunity to participate in limited-time product offerings through which franchisees prepare products in existing Restaurant kitchens using primarily existing equipment via third party delivery platforms under separate trademarks ("Virtual Product Offering"). To participate in a Virtual Product Offering, you must execute the program addendum for such offering. Currently, we offer franchisees the opportunity to participate in the "It's Just Wings" Virtual Product Offering through which participating franchisees utilize their existing Restaurant kitchens and equipment to prepare and offer chicken wings, fries, desserts, drinks, and other products we designate under the "It's Just Wings" trademark for to-go offerings initiated via an online platform ("IJW Concept"). The franchise agreement addendum for the IJW Concept is attached as Exhibit D. The terms of subsequent Virtual Product Offering offerings may materially differ from those related to the IJW Concept.

A franchise applicant may be an individual, corporation, partnership or other form of legal entity. We offer a Development Agreement (the "Development Agreement"), which grants you the right to establish 2 or more Chili's Restaurants, and a separate Franchise Agreement (the "Franchise Agreement") for each restaurant you establish under the terms of the development schedule contained in the Development Agreement. The Franchise Agreement, which you must sign for each restaurant developed under the Development Agreement, will be in the form of the Franchise Agreement attached to this disclosure document as Exhibit C. We may also offer a Franchise Agreement for 1 Chili's Restaurant without offering a Development Agreement, in which case you must comply with the Site Development Obligations in Attachment I to the Franchise Agreement. The terms of previous and subsequent franchise agreements and development agreements may vary from the terms of the Development Agreement and Franchise Agreement offered under this disclosure document.

You must designate a Managing Owner and/or an Operating Partner (see Item 15). We may require your Managing Owner, Operating Partner, and your Owners to sign agreements to be individually bound by certain covenants, including covenants protecting our confidential and proprietary information and/or covenants not to compete. We may, at our sole discretion, require your Managing Owner, Operating

Partner, and any other of your Owners to guarantee your performance under the Agreements, including but not limited to your financial obligations. If a guarantee is not required by us upon execution of the Agreements, we reserve the right if you are in monetary default under the Agreements (even if cured), to require any or all of your Owners to sign the Guaranty Agreement, in addition to our other rights and remedies under the Agreements.

Unless indicated otherwise, in this disclosure document references to “you”, “your”, or “Franchisee” includes your status both as a Developer under a Development Agreement and as a Franchisee under all related Franchise Agreements. Any reference to “Development/Franchise Agreement” refers to the Development Agreement and the Franchise Agreement, respectively; any reference to “Agreements” includes both the Development Agreement and Franchise Agreement. Any reference in this disclosure document to your Owners includes the Owners of a Developer under a Development Agreement and the Owners of a Franchisee under all related Franchise Agreements.

Competition

The market for restaurant services is well established. The age group from 18 to 59 years old is the primary population age group attracted to restaurants similar to, and including, Chili’s Restaurants. You will compete with a variety of table-service concept restaurants serving alcoholic beverages. The restaurant business is highly competitive based on price, service, restaurant location, and food quality, and is often affected by changes in consumer tastes, economic conditions, population, and traffic patterns. Chili’s Restaurants compete in each market with locally owned restaurants, as well as with national and regional restaurant chains, some of which operate more restaurants and have longer operating histories than us. Unless you have a Development Agreement, our company-owned Chili’s Restaurants and our other restaurant concepts may compete with you. There may also be active competition between us for management personnel as well as for attractive commercial real estate sites suitable for restaurants.

Industry Specific Regulations

In addition to the laws, regulations and ordinances applicable to the businesses generally, like the Americans with Disabilities Act, Federal Wage and Hour Laws, the Immigration Reform and Control Act of 1986, and the Occupation, Health and Safety Act, you should consider that certain aspects of the restaurant and related bar business are heavily regulated by federal, state and local laws, rules and ordinances. The U.S. Food and Drug Administration and the U.S. Department of Agriculture, as well as state and local departments of health and other agencies, have laws and regulations concerning the preparation of food and sanitary conditions of restaurant facilities. State and local agencies routinely conduct inspections for compliance with these requirements. Under the Clean Air Act and state implementing laws, certain state and local areas are required to attain, by the applicable statutory guidelines, the national air quality standards for ozone, carbon monoxide and particulate matters. Certain provisions of these laws impose caps on emissions resulting from commercial food preparation.

To operate the Restaurant, you will need to obtain a liquor license. State and local laws, regulations and ordinances vary significantly in the procedures, difficulty and cost associated with obtaining a license to sell liquor, the restrictions placed on the manner in which liquor may be sold, and the potential liability imposed by dram shop laws involving injuries, directly and indirectly, related to the sale of liquor and its consumption. You will need to understand and comply with those laws in operating the Restaurant.

The payment card industry (PCI) Data Security Standard is the current standard of security requirements for all merchants or service providers that store, process or transmit cardholder data. You are responsible for PCI Data Security Standard compliance as well as any federal, state and local laws, regulations and ordinances related to privacy matters, including data and personally identifiable information.

ITEM 3

LITIGATION

Our parent, BII, is a defendant a putative class action styled as *In re: Brinker Data Incident Litigation*, filed on May 24, 2018, pending in the U.S. District Court for the Middle District of Florida, Case No. 3:18-cv-00686-TJC-MCR (“Litigation”). Plaintiffs in the Litigation have asserted various claims stemming from a cyber-security incident that occurred at company-owned Chili’s Restaurants involving customer payment card information. Among other claims, plaintiffs originally alleged that BII violated the Florida Unfair and Deceptive Trade Practices Act, the Nevada Deceptive Trade Practices Act, the Texas Deceptive Trade Practices Act, the Virginia Consumer Protection Act, and the California Unfair Competition Law, plaintiffs are seeking monetary damages in excess of \$5.0 million, injunctive and declaratory relief and attorney’s fees and costs. On April 14, 2021, the district court issued an order granting in part and deferring in part Plaintiffs’ motion for class certification. On June 27, 2025, the trial court issued an order denying Plaintiff’s motion for class certification and ordering Plaintiff to file a notice by July 25, 2025, whether she is prepared to move forward with the case on an individual basis. If not, the case will be dismissed.

Other than the above, no litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

There is no bankruptcy required to be disclosed in this Item.

ITEM 5

INITIAL FEES

All of the fees in this Item 5 are the same for all Chili’s Restaurants unless otherwise specified.

Initial Development Fee:

When you sign a Development Agreement for more than 1 restaurant, you must pay us a nonrefundable development fee. The development fee will be determined by mutual agreement before you sign the Development Agreement and is based on the size of the territory, the number of restaurants to be developed, demographic data and trends like density and growth rates, and other variable conditions. The development fee could range from \$40,000 to \$500,000, depending on the conditions stated above. For our fiscal year ended June 25, 2025, development fees were generally \$20,000 per Restaurant to be developed

under the Development Agreement. The development fee is determined uniformly but is not uniform for all franchisees due to the variable conditions stated above.

Initial Franchise Fee:

(1) If you are developing only 1 Chili's Restaurant, when you sign the Franchise Agreement, you will pay us an initial franchise fee of \$60,000.

(2) If you enter into a Development Agreement with us, at or before the date on which you begin construction of a Chili's Restaurant, you must pay us an initial franchise fee of \$40,000. We may reduce or waive the initial franchise fee under certain circumstances in our sole discretion.

The initial franchise fee is nonrefundable except in the following circumstances:

(1) If you entered into a Development Agreement, and if you are in compliance with the Development Agreement and all other agreements with us and you open your Chili's Restaurants at least 90 days before the opening dates set forth in the Development Schedule, you will be entitled to a \$10,000 credit against the initial franchise fee, which we may directly pay to you or apply as a monthly credit against your royalty fee and/or technical services fee.

(2) If you fail to secure the required liquor licenses by the date the Restaurant is otherwise ready (and/or required) to open for business, then we may terminate the Franchise Agreement on 10 days prior written notice. If we do, we will refund your initial franchise fee (without interest), less any expenses and/or damages we have incurred.

Except as described above, we are not obligated to return any portion of the initial franchise fee if the Franchise Agreement is terminated by you or us for any reason.

Initial Training Fee:

If the opening date of your Restaurant is moved after your personnel have completed initial training, we may require your personnel to repeat our initial training program. If we do, you must pay us a training fee at our then-current rates (currently, \$4,000 per trainee), as well as paying the expenses of your personnel. We may also require you to pay a training fee if we train the Managing Owner, Operating Partner, and/or managers for your third and subsequent Restaurants or any replacements. All training costs are nonrefundable. Training fees and costs are determined uniformly but may vary among franchisees based on the circumstances described in this paragraph.

Construction/Design Evaluation and Market Data:

We will provide you 1 construction/design evaluation of your first Restaurant or the first Chili's Special Venue at no charge. If you request additional evaluation for your first Restaurant, or if we initiate additional evaluation for your first Restaurant because of reasonable concerns with your construction/design process, and we perform such additional evaluation, you must reimburse us our reasonable expenses, including the cost of travel, lodging, and meals for each such evaluation visit. If we perform additional evaluation for reasons not related to our reasonable concerns with your construction/design process, we will bear the costs of such evaluation. You must also reimburse us our reasonable expenses, including the cost of travel, lodging, and meals for all construction/design evaluations that we perform for your second or subsequent Restaurants, if you develop more than one Restaurant. Our costs for construction/design evaluations vary depending on the amount of time and personnel utilized in the actual evaluation. During our last fiscal year, construction/design evaluation costs ranged from \$0 to \$2,500.

We may also choose to make available to you at a reasonable cost reports containing demographic and market data and real estate analyses. In determining the cost for these reports, we take into account the nature, type, and amount of information requested as well as the administrative time necessary to organize the information and third party resources. Each report costs between \$0 to \$2,500, which would be payable

to a third party.

Notes:

- ¹ The above chart provides an estimate of your initial investment for one Chili's Grill & Bar restaurant based on our experience with our Prototype 18 building. The Prototype 18 is a free-standing building, which includes a facility of approximately 4,800 to 5,200 square feet. Prototype 18 has a total seating capacity of 166 to 206. We reserve the right to modify Prototype 18 or develop new prototypes, and all franchisees will be required to use the prototype then used by us for each of their franchised Chili's restaurants. You must adapt the Prototype 18 plans to accommodate the particular circumstances of the proposed site for your Restaurant. (See Item 8.) We may provide suggestions on such adaptations, and you must obtain our approval of the final plans. Changes in existing prototypes or development of new prototypes may increase or otherwise change the initial investment costs described above.
- ² The low end of the range represents the initial franchise fee for each restaurant developed under a Development Agreement and does not include the development fee. The high end of the range is the initial franchise fee if you sign a franchise agreement that is not entered into under a Development Agreement. See Item 5. In the event that you sign a Development Agreement, you will also pay a development fee which could range from \$40,000 to \$500,000, and is based on a variety of factors as further described in Item 5.
- ³ Due to the cost of land acquisition, the premises for Chili's Restaurants are normally leased. These amounts assume that you will lease the premises for the restaurant and do not include costs of land acquisition. If land for the restaurant site is purchased, purchase costs will vary significantly depending on the market in which the Chili's Restaurant prototype restaurant will be located; however, these costs generally range from \$1,500,000 to \$2,000,000 based on our experience in acquiring restaurant sites nationwide. We estimate that rent payments typically range from \$22,000 to \$34,000 per month based on a build to suit lease and from \$14,000 to \$19,000 for a ground lease. Land and site preparation costs will vary substantially depending on the lot size, geographic area and market conditions. Costs related to evaluation of the restaurant site are not included in this estimate.
- ^{4a} This estimate includes pre-construction costs for architectural and related drawings, engineering, testing, permits, utility tap fees and other fees. Costs may vary significantly if you lease an in-line site for the restaurant, and utility tap fees can vary substantially from location to location.

- ^{4b} This estimate includes foundation, slab, materials, hardware, roof, plumbing, electrical, HVAC equipment, and labor. Costs may vary significantly based on the site and regional construction costs.
- ⁵ This work includes the cost to cover the extension of utilities to the building from a point on the site where the landlord/developer has delivered them, paving of parking areas, pouring sidewalks and curbs, and installation of outdoor lighting. If the property is a pad site, the cost will be between \$100,000 and \$150,000 for pad development plus \$20,000 to \$60,000 for landscaping, and up to \$1,000,000 for a full site. These costs can vary depending on the stage of development the site is in when the landlord or developer delivers the site to you.
- ⁶ The range given includes exterior graphics and door signage. The low end of the range includes standard building signage of 2 exterior building signs; the high end of the range also includes a to-go sign, a free-standing pole sign or highway sign and a free-standing monument sign.
- ⁷ We require you to purchase benches, chairs, stools, décor, decorative elements, and tables that meet our specifications. We are an approved supplier of certain furniture and decor packages.
- ⁸ The estimate given covers the cost of kitchen and bar equipment, hood ventilation and refrigeration equipment. We require you to purchase certain kitchen equipment that meets our specifications.
- ⁹ The advertising you may need to purchase before opening the restaurant includes geo-targeted digital and social media, direct mail and/or radio.
- ¹⁰ We provide initial training for up to 5 of your managers (in addition to your Managing Owner and Operating Partner). This is an estimate of the costs that you will incur for transportation, lodging and food, and wages for attendees of our initial training program. The low end of the estimate assumes that your Managing Owner, Operating Partner, and 1 other representative will attend initial training, and the high end of the estimate assumes that your Managing Owner, Operating Partner, and 5 other representatives will attend initial training. The actual cost will depend on the distance the attendees must travel and the type of accommodations you choose.
- ¹¹ The figures given include the cost of an opening crew provided by us. See Item 5.
- ¹² This estimate for working capital is for organizational expenses.
- ¹³ We estimate that the range given will be sufficient to cover your inventory needs for the first month of operation.
- ¹⁴ The estimate includes restaurant smallwares, like cooking, serving, and other utensils for food preparation.
- ¹⁵ License fees will vary significantly, depending on the locale and the requirements of the applicable state, county or municipal liquor licensing laws and related liquor licensing authorities, so we cannot provide an accurate estimate. In some states, liquor licenses must be purchased at costs ranging from \$5,000 to \$1,000,000. This amount does not include entity-related franchise taxes required by some states.
- ¹⁶ This estimate is for the cost per Restaurant of a computerized point-of-sale system with a kitchen display system, including installation and wiring costs as well as iPads and other software and technology we require. This estimate also includes the purchase or lease, initial wiring and installation and IT support for Table Top Devices (defined below) and Meraki Wi-Fi network.
- ¹⁷ This is the negotiated yearly cost per restaurant location for online ordering services via our hosted website and mobile apps.
- ¹⁸ This is our estimate of the amount needed to cover your expenses for the start-up phase of the business, including lease payments, inventory (including restaurant equipment and food), payroll, facility expenses like utilities, insurance, pest control, security, repairs and maintenance and complimentary

sales and other costs. The range provided also includes our best estimate of the cash requirements including Builders Risk insurance (at preferred months of operations). For the purpose of this disclosure document, we have estimated the start-up phase to be 3 months from the date the restaurant opens for business. These figures are estimates and we cannot assure you that you will not have additional expenses starting the restaurant. These amounts do not include any estimates for debt service.

- ¹⁹ See Notes 3 and 15 describing significant additional expenses related to the purchase of a restaurant site and the acquisition of a liquor license for the restaurant, which expenses are not included in the estimated total investment. The total estimated initial investment does not include the development fee described in Item 5. The numbers above are representative of costs expended for construction of a Chili's Restaurant in the State of Texas (a right-to-work state). You should consult a construction standard index to determine whether these costs accurately reflect the costs of construction in the area in which you will develop.

Notes:

- ¹ The above chart provides an estimate of your initial investment for 1 Chili's Special Venue restaurant. The Chili's Special Venue concept does not have a specific prototype building, but instead is designed as a "special" building using a standardized kit of design elements. It may be built as either a free-standing unit, food court finish-out, an existing in-line/end-cap type of finish-out or as a counter service interior finish-out. Because of the flexibility in the design, Chili's Special Venue units currently operate in a square foot range of 2,000 to 6,000. Seat counts could vary significantly depending on the square footage, service style, inclusion/exclusion of bar, and the type of bar, but most current units contain anywhere from 70 to 250 seats.
- ² The low end of the range represents the initial franchise fee for each restaurant developed under a Development Agreement and does not include the development fee. The high end of the range is the initial franchise fee if you sign a franchise agreement that is not entered into under a Development Agreement. See Item 5.
- ³ Due to the cost of land acquisition, the premises for Chili's Special Venue restaurants are normally leased. These amounts assume that you will lease the premises for the restaurant and do not include costs of land acquisition. If land for the restaurant site is purchased, purchase costs will vary significantly depending on the market in which the Chili's Special Venue restaurant will be located; however, these costs generally range from \$850,000 to \$1,750,000 based on our experience in acquiring restaurant sites nationwide. We estimate that rent payments typically range from \$14,000 to \$32,000 per month based on a build to suit lease and from \$10,500 to \$15,000 for a ground lease based on our experience in leasing restaurant sites nationwide. Rent amounts may vary significantly for airport locations. Land and site preparation costs will vary substantially depending on the lot size, geographic area and market conditions. Costs related to evaluation of the restaurant site are not included in this estimate.
- ^{4a} This estimate includes pre-construction costs for architectural and related drawings, engineering, testing, permits, utility tap fees and other fees. Costs may vary significantly if you lease an in-line site for the restaurant, and utility tap fees can vary substantially from location to location.
- ^{4b} This estimate includes re-using an existing building or in-line space and converting it to a Chili's Restaurant. It would include new materials, hardware, roof, plumbing, electrical, HVAC equipment, and labor. Costs may vary significantly based on the site, size of the space, and regional construction costs.
- ⁵ This work includes the cost to cover the extension of utilities to the building from a point on the site where the landlord/developer has delivered them, paving of parking areas, pouring sidewalks and curbs, and installation of outdoor lighting. These costs can vary greatly depending on the condition of the paving, sidewalks, and landscaping already in place.
- ⁶ This will depend on the building type.
- ⁷ We require you to purchase benches, chairs, stools, decor, decorative elements, and tables that meet our specifications. We are an approved supplier of certain furniture and decor packages.
- ⁸ The estimate given covers the cost of kitchen and bar equipment, hood ventilation and refrigeration equipment. We require you to purchase certain kitchen equipment to meet our specifications.
- ⁹ The advertising you may need to purchase before opening the restaurant includes geo-targeted digital and social media, direct mail and/or radio.
- ¹⁰ We provide initial training for up to 5 of your representatives (in addition to your Managing Owner and Operating Partner). This is an estimate of the costs that you will incur for transportation, lodging and food, and wages for attendees of our initial training program. The low end of the estimate assumes that your Managing Owner, Operating Partner, and 1 other representative will attend initial training, and the high end of the estimate assumes that your Managing Owner, Operating Partner, and 5 other

representatives will attend initial training. The actual cost will depend on the distance the attendees must travel and the type of accommodations you choose.

- ¹¹ The figures given include the cost of an opening crew provided by us. See Item 11.
- ¹² This estimate for working capital is for organizational expenses.
- ¹³ We estimate that the range given will be sufficient to cover your inventory needs for the first month of operation.
- ¹⁴ The estimate includes restaurant smallwares, like cooking, serving, and other utensils for food preparation.
- ¹⁵ License fees will vary significantly, depending on the locale and the requirements of the applicable state, county or municipal liquor licensing laws and related liquor licensing authorities, so we cannot provide an accurate estimate. In some states, liquor licenses must be purchased at costs ranging from \$5,000 to \$500,000. This amount does not include entity-related franchise taxes required by some states.
- ¹⁶ This estimate is for the cost per Restaurant of a computerized point-of-sale system and a kitchen display system including installation and wiring costs, iPads and other software and technology we require. This estimate also includes the purchase or lease, initial wiring and installation and IT support for Table Top Devices (defined below) and Meraki Wi-Fi network.
- ¹⁷ This is the negotiated yearly cost per restaurant location for online ordering services via our hosted website and mobile apps
- ¹⁸ This amount is our estimate of the amount needed to cover your expenses for the start-up phase of the business, including lease payments, inventory (including restaurant equipment and food), payroll, facility expenses like utilities, insurance, pest control, security, repairs and maintenance and complimentary sales and other costs. The range provided also includes our best estimate of the cash requirements including Builders Risk insurance (at preferred months of operations). For the purpose of this disclosure document, we have estimated the start-up phase to be 3 months from the date the restaurant opens for business. These figures are estimates and we cannot assure you that you will not have additional expenses starting the restaurant. These amounts do not include any estimates for debt service.
- ¹⁹ See Notes 3 and 15 describing significant additional expenses related to the purchase of a restaurant site and the acquisition of a liquor license for the restaurant, which expenses are not included in the estimated total investment. The total estimated initial investment does not include the development fee described in Item 5. The numbers above are representative of costs expended for construction of a Chili's Special Venue restaurant in the State of Texas (a right-to-work state). You should consult a construction standard index to determine whether these costs accurately reflect the costs of construction in the area in which you will develop.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from Designated and Approved Suppliers

You generally have no obligation to purchase or lease from us, our affiliates, or other designated third party suppliers any of the products, services, supplies, fixtures, equipment, inventory or real estate used in establishing or operating the Restaurant. However, you must obtain gift card processing services from our designated third party supplier, purchase computer/network hardware and software and electronic cash register systems and kitchen display systems from our designated third party supplier and lease Table

Top Devices from our designated third party supplier. We are an approved supplier (but not the only approved supplier) of the other items listed below.

Gift Cards – You may only purchase and sell gift cards that have been approved by us. The only gift card processor you may use is Fiserv. The estimated cost to purchase gift cards for sale in your restaurant is approximately \$1,500 per year/per restaurant. We will reconcile costs and benefits of the gift card program and generate periodic accountings to franchisees. We have implemented a comprehensive gift card policy that is applicable to you and with which you must comply. We may supplement, replace, revise, or otherwise modify the gift card policy at any time, and you must comply with any revised gift card policy. We may require you to sign a gift card participation agreement in the future.

Computer System – You must purchase and install a POS system and kitchen display system that we approve. The Aloha POS system is the only approved POS system, and the QSR CSK (Connected Smart Kitchen and associated ELO Hardware) is the only approved kitchen display system. You must purchase the Aloha platform (hardware and software) from NCR, if NCR sells the required system. If not, you must purchase the required system from a supplier we approve. NCR and QSR Automations, Inc. are the only approved suppliers of QSR kitchen display systems. Currently, you may use one of several designated suppliers for ongoing service, although we may in the future require you to use a single designated supplier source for required hardware, software and/or database maintenance services (and that single designated supplier may be us or an affiliate).

Table Top Devices – If you elect to participate in table top product offerings, you must lease or purchase, install and use approved portable table-top digital ordering, point-of-sale, and entertainment devices that allow customers the ability to review the menu, place food and drink orders, access premium content, view advertisements and make payments at their table (“Table Top Devices”). Currently, Ziosk TTM is the only approved supplier of Ziosk Table Top Devices. The Ziosk Table Top Device must be purchased from Ziosk TTM. The agreement you must sign with Ziosk TTM allows you to retain a significant portion of the revenue from premium content on the Ziosk Table Top Device.

Décor Products, Furniture & Fixtures – BII and we are approved suppliers of the decor packages and certain restaurant furniture and fixtures.

Merchandise, Marketing and Training Products & Supplies – You must purchase certain merchandise, marketing and training products and supplies from our approved suppliers.

Advertising and Promotional Materials – You must purchase certain advertising and promotional materials from our approved suppliers.

Third Party Delivery Programs – Currently, the DoorDash, Uber Eats and Grubhub platforms are the only approved third-party delivery platform for the IJW Virtual Product Offering.

None of our officers owns an interest in any privately held suppliers, or a material interest in any publicly held suppliers, of the Chili’s franchise system. From time to time, our officers may own non-material interests in publicly held companies that may be suppliers to our franchise system.

Purchases According to Specifications

Food, Beverages, FF&E and Other Items – You must comply with all of our standards and specifications for the purchase of all food and beverage items, ingredients, supplies, materials, fixtures, furnishings, equipment (including computer hardware and software) and other products used or offered for sale at the Restaurant.

Site Selection – The site for your Restaurant must satisfy our site selection criteria. Before you acquire a site for a Restaurant, you must submit to us the information we require, as well as a letter of intent or other evidence satisfactory to us confirming your favorable prospects for obtaining the site. We will have

30 days after we receive the information from you to approve or disapprove the proposed site. We will not unreasonably withhold our approval, but no site will be deemed approved unless we have expressly approved it in writing. (See Item 11)

Lease Terms – If you enter into a lease for the Restaurant premises, we have the right to ask you to provide us with a copy of the executed lease and you must provide us with a copy within 3 business days of our request. Unless we agree to waive a particular provision, any lease for a Chili’s Restaurant must contain the provisions listed at Section 4.2 (a) – (h) of the Development Agreement. These provisions are designed to protect our rights as your franchisor.

Construction and Opening – You must begin construction of the Restaurant in compliance with our standards and specifications within 180 days after we approve the site (or, if the premises is then occupied, immediately after you gain possession). Among other requirements, you must employ a qualified architect and engineer, reasonably acceptable to us, to prepare for our approval preliminary plans and specifications for site improvement and construction of the Restaurant based upon prototype drawings furnished by us. You may not use our prototype plans as construction plans, but only as required design concepts, which you must adapt to your site. You must complete construction within 240 days after construction begins (unless construction is delayed by strikes, lockouts, fire, other casualties, acts of God, weather and other factors beyond your reasonable control). Before opening your Restaurant for business, you must comply with all opening requirements we specify in the Agreements, the CFM, and/or elsewhere in writing (which includes email communications). You may not open a Restaurant to the public until you have received written “Authorization to Open” from us.

Advertising and Promotional Materials – All of your advertising and promotions must conform to our standards and requirements. We must approve all advertising and promotional plans and materials before you use them if we have not prepared them or previously approved them during the 12 months preceding the date of their proposed use. You must submit any unapproved plans and materials to us, and we will use reasonable efforts to approve or disapprove them within 14 days after we receive them. You must not use the plans or materials until we have approved them, and must promptly discontinue using any advertising or promotional plans or materials if we notify you to do so.

Public Relations and Crisis Communications – You must inform us if and when you have retained a local public relations firm and provide us with the identity of the firm. Regardless of whether you have retained a local public relations firm, you must allow us to review and approve, in our sole discretion, any press releases before their distribution to the media. You must also alert us to any actual crisis situation that develops (or any potential crisis situation).

Insurance – You must obtain and maintain insurance policies protecting you and us and various related parties against any demand or claim for personal injury, death or property damage, or any loss, liability or expense related to the operation of the Restaurant.

These policies must be written by a responsible insurance carrier or carriers which are rated “A” or better by the A.M. Best Company, Inc., are responsible and authorized to do business in the state your Restaurant is located, and are acceptable to us. At a minimum, you must carry:

- (i) comprehensive general liability insurance, including broad form contractual liability, broad form property damage, personal injury, completed operations, products liability, and fire damage coverage in the amount of \$2,000,000 per occurrence for bodily injury and property damage, \$2,000,000 for liquor liability, \$3,000,000 general aggregate;
- (ii) property insurance against damage or loss by fire and such other hazards (including earthquake and flood (where applicable), lightning, windstorm, hail, explosion, vandalism, malicious mischief, aircraft, vehicle and smoke) on an “all risk” basis for the full cost of replacement of the Restaurant premises;

- (iii) worker's compensation insurance covering all of your employees with employer's liability limits not less than \$500,000 for each bodily injury by accident and \$500,000 for each bodily injury of an employee by disease, and you are required to carry this insurance regardless of waiver or exemption of coverage under any applicable state statute;
- (iv) "all risk" builder's risk insurance and performance and completion bonds in forms and amounts satisfactory to us for any construction, remodeling, renovation or refurbishing of the Restaurant;
- (v) automobile liability insurance for all owned, non-owned and hired vehicles covering bodily injury, death and property damage with a minimum combined single coverage limit of \$1,000,000; and
- (vi) commercial umbrella liability or excess liability insurance with a minimum limit of \$5,000,000 per occurrence, which policy must provide excess limits for the general liability, automobile liability and employer's liability forms required above or at least as broad in coverage; and
- (vii) cyber liability insurance with a minimum coverage of \$5,000,000 general aggregate.

You may, with our written consent, elect reasonable deductibles for the coverages described in (i), (ii), (v), and (vi) above. You may not, without our prior written consent, agree to sublimits in the insurance policies listed above. Except for worker's compensation insurance, all insurance policies must name us, our affiliates, successors and assigns (and their officers, directors, shareholders, partners, employees, servants, representatives and agents) as additional insureds. In addition, all insurance policies must waive subrogation in favor of us, our affiliates, successors and assigns (and their officers, directors, shareholders, partners, employees, servants, representatives and agents).

Supplier Approval Procedure

You must purchase all food items, ingredients, supplies, materials and other products used or offered for sale at the Restaurant solely from suppliers (including manufacturers, distributors (including distributors of groceries, bakery, dairy, produce, seafood and meat items) and other sources) who demonstrate, to our continuing reasonable satisfaction, the ability to meet our then-current standards and specifications, who possess adequate quality controls and capacity to supply your needs promptly and reliably; who have been approved in writing by us before you make any purchases from any supplier; and who have not been disapproved. We may change the number of approved suppliers at any time and may designate ourselves, our affiliate, or a third party as the exclusive source for any particular item. We may profit from your purchases from approved suppliers, and we and/or our affiliates may receive payments, fees, commissions or reimbursements from such suppliers in respect of your purchases. If you wish to purchase any products from an unapproved supplier, you or the proposed supplier must submit a written request for approval to us and you will be required to have the supplier sign a confidentiality agreement. You may not purchase from any supplier unless and until we have approved the supplier in writing. We (and our representatives) will have the right to inspect the supplier's facilities and take samples from the supplier for testing at your or the supplier's expense. (See Item 6) We also have the right to re-inspect the facilities and products of any approved supplier periodically and to revoke our approval if the supplier fails to continue to meet any of our then-current criteria. We may use an audit company that we select to conduct such inspections, and the proposed supplier must achieve a score that we approve.

Among other things, we consider the following in determining whether to approve a supplier:

Technical – Whether the proposed supplier offers innovations or expertise not available elsewhere that would give the System some competitive advantage in the marketplace.

Quality – Whether the proposed supplier fills a need in quality.

Supply – Whether the proposed supplier offers needed additional capacity or fills a geographical weakness in the supply chain.

Cost – Whether the proposed supplier offers an opportunity to reduce System costs while maintaining or improving quality, supply and service.

Safety – Whether the manufacturing processes are effective to maintain the required food safety standards.

Although we are not required to approve or disapprove supplier requests within any particular time period, we generally respond within 45 days after we receive the written request. We are not required to approve any particular supplier (and may make that determination in our sole discretion).

Purchasing Arrangements

During our 2025 fiscal year we had no revenues based on the sale of required items to Chili's franchisees. Our parent, BII, had revenues of \$85,000.00 based on the sale of required items to Chili's franchisees during our 2025 fiscal year.

We negotiate purchase arrangements for the benefit of our company-owned restaurants. We may, but are not required to, negotiate purchase arrangements that also benefit franchised units. In any event, you are responsible for coordinating payment directly with our approved suppliers and distributors.

We may receive rebates or discounts from certain unaffiliated suppliers of equipment, trade fixtures, furniture, food and beverages, and other general restaurant supplies, based on amounts purchased for our company-owned Restaurants and franchised Restaurants. During our last fiscal year, we did not receive any rebates or discounts based on purchases of those products by Chili's franchisees.

Our franchisees are responsible for negotiating their own discounts and rebates from our suppliers and distributors and may earn discounts and rebates from suppliers on a different basis than we do because of volume purchasing, servicing, timing and several other purchasing factors.

We estimate that the purchase and lease of all equipment, trade fixtures, decor items, restaurant supplies, and other items you must purchase or lease from us or our affiliates, or from unaffiliated approved or designated suppliers, will represent approximately 3% to 25% of your total purchases and leases to establish and operate the franchised business.

We will consider many factors when we evaluate whether or not to renew or grant additional franchises to a particular franchisee, including whether or not the franchisee has complied with the sourcing requirements described above.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance:

Pre-Opening Obligations:

Before you open your Restaurant, we will:

Development Agreement:

1. Promptly after you sign the Development Agreement, provide you with site selection counseling and assistance, as we deem advisable. We will also, at our option, make available, at a reasonable cost, reports containing demographic and market data and real estate analyses. (Development Agreement, Article 6, Section 6.1(a); Franchise Agreement, Article 3, Section 3.6 and Attachment I)

The site for the Restaurant is selected by you, but must be approved by us. The Restaurant may not be relocated without first obtaining our written consent. We will assist you in the site selection process under the terms of the Development Agreement by providing site selection guidelines and criteria, and certain site selection counseling and assistance. Our criteria for site selection requires an evaluation of the demographics of the location (including the age and income level of residents of the market area for the location), traffic patterns, the size of the location, and the proximity to shopping and other centers of population concentration.

The Development Agreement provides a specified Territory within which you must select sites for your Restaurants. Before you acquire any site, you must submit to us, in writing in the form we require, a description of the site, and a market feasibility study for the site, which must include demographic information, traffic counts, site plans, relationship of the site to potential competition and Restaurants, and such other information or materials as we may reasonably require, together with a letter of intent or evidence satisfactory to us which confirms your favorable prospects for obtaining the site. We have 30 days after receiving the site information and materials from you to approve or disapprove, in our sole discretion, the proposed site as the location for the Restaurant. No site is approved until it has been expressly approved in writing by us. You may be in default under the Development Agreement if you have not opened the cumulative number of Restaurants within the time periods specified in the Development Schedule.

2. Provide you 1 construction/design evaluation of your first Restaurant or the first Chili's Special Venue at no charge. If you request additional evaluation for your first Restaurant, or if we initiate

additional evaluation for your first Restaurant because of reasonable concerns with your construction/design process, and we perform such additional evaluation, you must reimburse us our reasonable expenses, including the cost of travel, lodging, and meals for each such evaluation visit. If we perform additional evaluation for reasons not related to our reasonable concerns with your construction/design process, we will bear the costs of such evaluation. You must also reimburse us our reasonable expenses, including the cost of travel, lodging, and meals for all construction/design evaluations that we perform for your second or subsequent Restaurants, if you develop more than one Restaurant. Our costs for construction/design evaluations vary depending on the amount of time and personnel utilized in the actual evaluation. (Development Agreement, Article 6, Sections 6.1(b) and 6.1(c); Franchise Agreement, Article 3, Section 3.7 and Attachment I)

3. Within a reasonable period after you sign the Development Agreement, make available, at no charge to you, standard prototype plans and specifications, which indicate the exterior and interior design and layout, fixtures, furniture, and signs for a prototype restaurant. These should be used as reference, and you must adapt the standard prototype design to your location, at your own expense. (Development Agreement, Article 6, Section 6.1(d); Franchise Agreement, Article 3, Section 3.7 and Attachment I)

Franchise Agreement:

1. Provide you with an initial training program for your Managing Owner and Operating Partner and up to 5 of your managers. (Franchise Agreement, Article 3, Section 3.1)

2. Provide you with on-site pre-opening and opening supervision and assistance (which may include, at your expense, an opening crew), as we deem advisable, depending on the availability of personnel. (Franchise Agreement, Article 3, Section 3.2)

3. Provide you with access to 1 copy of the CFM. (Franchise Agreement, Article 5, Section 5.1)

Typical Length of Time Before You Open Your Restaurant

We estimate the time from the date you sign the Franchise Agreement to the date you begin operating your first Restaurant will be approximately 12 months and that the Franchise Agreement will be signed at least 10 days before commencement of construction. This time may be extended or reduced depending on the time necessary to obtain a site, the availability of financing, your ability to obtain financing, and the amount of time required to obtain the permits and licenses necessary for operation, none of which are within our control. If you fail to open your Restaurant at a site approved by us within 365 days after you sign the Franchise Agreement, we can terminate the Franchise Agreement and your initial franchise fee will not be refunded.

Continuing Obligations:

During the operation of your Restaurant, we will:

1. Make available other training programs, as we deem appropriate. (Franchise Agreement, Article 3, Sections 3.3, 3.4)

2. Provide continuing advisory assistance to you in the operation of the Restaurant, as we deem advisable. (Franchise Agreement, Article 3, Section 3.3)

3. Make available research data and other materials relating to merchandising, marketing, and advertising. We have the right to review and approve or disapprove all advertising and promotional materials, which you propose to use. (Franchise Agreement, Article 3, Section 3.3 and Article 11, Section 11.6)

4. Revise the contents of the CFM as needed. (Franchise Agreement, Article 5, Section 5.1). We reserve the right to charge a reasonable fee (based on our costs and expenses) for any replacement CFM

or pages of the CFM you request, if the replacement is needed because you failed to properly maintain or update the CFM as provided or due to your loss of the Manual.

5. Provide you, as we deem appropriate, advice and written materials concerning techniques of managing and operating the Restaurant, including new developments and improvements in restaurant equipment, food products, packaging, and preparation. (Franchise Agreement, Article 3, Section 3.3(c))

6. At our option, establish, maintain and administer a regional advertising program or a national advertising program and may require you to conduct local advertising. (Franchise Agreement, Article 11, Sections 11.1, 11.2, 11.3, 11.4)

7. Provide you with access to 1 copy of “The Chili’s Grill & Bar Public Relations Guide” and “The Chili’s Grill & Bar Crisis Communications Manual.” We may also make our Public Relations department available to you from time-to-time to provide public relations counsel and crisis communications assistance. (Franchise Agreement, Article 5, Section 5.3)

Advertising

We may require you to participate in either our Local Advertising Program, our Regional Advertising Program or our National Advertising Program. We may change the program in which you are required to participate during the term of the Franchise Agreement. We anticipate that we and our affiliates will contribute to advertising programs that we establish on the same basis as you do for Chili’s Restaurants that we or they operate.

National Advertising Program

Currently, our franchisees must participate in our National Advertising Program, which we established on September 1, 2000. The National Advertising Program is organized, governed, and operated in accordance with our written guidelines (the “NAP Guidelines”) and we are responsible for maintaining and administering advertising programs in accordance with the NAP Guidelines. No advertising or promotional plans or materials may be used under the National Advertising Program without our prior written consent.

Under the National Advertising Program, you may be required to pay to us up to 4% of Restaurant Gross Sales to be used by us for maintaining, administering, directing, and preparing advertising and promotional activities for the benefit of the System. Currently, the required National Advertising fee is 2.22% of Restaurant Gross Sales, but we may increase that amount at our discretion at any time in the future. This fee (the “NAP Fee”) is used exclusively by us for any and all costs incurred in the National Advertising Program including the cost of (i) maintaining, directing, and preparing advertising materials like the preparation and coordination of television, digital (email, sms, search, display, video, social), radio, print, direct mail, outdoor billboard advertising, marketing surveys and other public relations activities; (ii) the employment of advertising agencies; (iii) the preparation and distribution of promotional brochures and other marketing materials; (v) the cost of developing and maintaining any website(s) related to the National Advertising Program; and (vi) reasonable administrative costs and overhead we incur in activities reasonably related to the administration or direction of the National Advertising Program; and (v) other items as set forth in the NAP Guidelines. We will direct all advertising and production programs in the National Advertising Program, and we will have sole responsibility for all advertising, marketing, and/or promotional materials used in connection with the National Advertising Program.

Under the National Advertising Program, we may also require you to participate in a Regional Advertising Program (if such a program exists for your Restaurant). If we do, we reserve the right to allocate the NAP Fee between the National Advertising Program and the Regional Advertising Program.

If the NAP Fee is less than 4% of Restaurant Gross Sales, then we may also require you to spend an amount equal to the difference between the actual NAP Fee and 4% of Restaurant Gross Sales on local

advertising for the Restaurant. All local advertising is subject to the requirements in Attachment G to the Franchise Agreement and to our prior written approval. You will have the discretion to spend local advertising funds as and when you reasonably determine to be appropriate, so long as your expenditure schedule is acceptable to us in our reasonable discretion. Within 15 days after each fiscal quarter, you must submit to us written documentation (signed and certified by you and your Managing Owner) to show that you have complied with these requirements, as well as other reports we may require. If you do not comply with these requirements and/or if you fail to spend the required amount on approved local advertising, then you will be in default of the Franchise Agreement and (in addition to any other rights available to us) we may require you to remit the funds to us and we will spend the funds on local advertising for the Restaurant.

We expect that the NAP Fee (including any portion allocable to a Regional Advertising Program) will be spent for advertising and/or promotional purposes during our fiscal year in which they are received. If excess amounts remain at the end of the fiscal year, then all expenditures in the following fiscal year(s) will be made first out of accumulated fees from previous years and then from fees collected during the current year. The National Advertising Program (and any Regional Advertising Program) is operated as a conduit for the collection and expenditure of advertising fees. A statement of the operations of the National Advertising Program (and any Regional Advertising Program) will be prepared annually and will be made available to you upon request. We are not required to audit the statements of operations.

We reserve the right to terminate the National Advertising Program (and any Regional Advertising Program), but the program will not be terminated until all monies have been expended for advertising and/or promotional purposes or other appropriate arrangements have been made.

During our last fiscal year, 73% of the NAP Fee was spent on national media, 22.1% 'spent on production, agency fees, miscellaneous fees, 2.1% spent on menus, 2.3% spent on website and email, and 0.5% spent on research and development.

Regional Advertising Program

We have the right to designate any geographical area (for example, an area of dominant influence or "ADI") as a region for purposes of a Regional Advertising Program.

The Regional Advertising Program may be composed of one or more Chili's Restaurants operated by us and/or by you and/or our other franchisees (and/or their parent company or affiliates). If we establish a Regional Advertising Program for the geographic area where the Restaurant is located, then you must become a member of the Regional Advertising Program. We have the discretion to exclude Chili's Restaurants we operate from the Regional Advertising Program and, upon written request (including the reasons for the request), we may grant you (or any other franchisee in the Regional Advertising Program) an exemption for any length of time from membership in the Regional Advertising Program. As a condition of granting an exemption, we may require that you comply with the local advertising requirements under Section 11.2 of the Franchise Agreement but in an amount equal to the amounts you would have otherwise been obligated to pay under the Regional Advertising Program. Our decision concerning an exemption request is final.

Any Regional Advertising Program will be organized, governed, and operated in accordance with our written guidelines (the "RAP Guidelines") and we will be responsible for maintaining and administering regional advertising programs under the RAP Guidelines. No advertising or promotional plans or materials may be used under a Regional Advertising Program without our prior written consent. We will direct all advertising and production programs in the Regional Advertising Program, and we will have sole responsibility for all advertising, marketing, and/or promotional materials used in connection with the Regional Advertising Program.

Under the Regional Advertising Program, we may require you to pay to us a continuing monthly advertising fee of 4% or less of Restaurant Gross Sales (the "RAP Fee"). We will use the RAP Fee for purposes similar to those purposes described above for the National Advertising Program, but on a regional

basis. If the RAP Fee is less than 4% of Restaurant Gross Sales, then we may require that you spend an amount equal to the difference between the actual RAP Fee and 4% of Gross Sales on local advertising that complies with Attachment G to the Franchise Agreement and that we have approved. The restrictions on your expenditure of local advertising funds (including reporting requirements) are similar to those described under the National Advertising Program.

Local Advertising Program

Under our Local Advertising Program, you must spend no less than 2.5% of Restaurant Gross Sales (“LAP Fee”) on local advertising for the Restaurant. “Local advertising” is advertising that complies with the requirements on Attachment G to the Franchise Agreement. We must approve all local advertising before you use it.

In general, you will have the discretion to spend the LAP Fee when you deem appropriate, so long as your determination is reasonable, your expenditure schedule is acceptable to us and you submit written documentation to us (signed and certified by you and your Managing Owner) within 15 days after the expiration of each fiscal quarter demonstrating that you have complied with the local advertising requirements. However, we reserve the right to require you to remit up to 100% of the LAP Fee to us on 10 days’ notice for use by us for advertising and promotional activities in the Restaurant’s local area. In addition, if you do not comply with the local advertising requirements and/or if you fail to spend the entire LAP Fee on local advertising we approve, then you will be in default of the Franchise Agreement and (in addition to any other rights available to us) we may require you to remit the LAP Fee to us and we will spend it on local advertising for the Restaurant.

Supplemental Marketing Program

In addition to the advertising programs described above, we have the right to require your participation in supplemental marketing programs (e.g., limited time offers, gift cards, gift certificates, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs) that we establish from time-to-time. You will be responsible for payment of certain costs associated with these supplemental marketing programs. We may change the required supplemental marketing program designation periodically. Under certain limited circumstances (e.g., for a significant multi-unit development plan, a large metropolitan area, airports or unique restaurant sites), we may modify the contributions or participation for a specific franchisee in our sole discretion. We currently require our franchisees to participate in a supplemental marketing program and pay a fee equal to 0.10% of Gross Sales to fund a marketing technology fund.

Virtual Product Offering Marketing Program

In addition to the advertising programs above, if you participate in a Virtual Product Offering, we may require that you participate in additional marketing related to such offering, which may include free delivery and other promotions. You must pay the costs and expenses related to any and all incentive and promotional programs. Currently, to participate in the IJW Virtual Product Offering, you must spend a minimum of 4% of your Gross Sales for IJW products on marketing through to-go offerings initiated via an online platform. This expenditure is in addition to any costs and expenses you incur through the online platform in connection with any incentive and promotional programs, such as free delivery promotions.

Advertising Media

We advertise Chili’s Restaurants and the products offered by the Restaurants in various media including television, digital (email, sms, search, display, video, social), radio, print, direct mail, and outdoor billboard advertising. The majority of our advertising is developed by our outside advertising agencies with the assistance of our in-house advertising department. We may use outside advertising agencies, which may be either regional or national in scope.

Production Fee

In addition to the amounts you are required to pay under the designated advertising program, you must pay us 0.5% of Restaurant Gross Sales as an advertising Production Fee for the production of advertising and promotional materials. During our last fiscal year, 100% of the Production Fee was spent on the production of advertising and promotional materials.

Other Advertising Requirements

All advertising and promotion by you in any medium must be conducted in a dignified manner and conform to our standards and requirements as stated in the CFM or otherwise. You must obtain our approval of all advertising and promotional plans and materials that you desire to use before you use them if they have not been prepared or previously approved by us within one year. You must submit any unapproved plans and materials to us (by personal delivery or through the mail, return receipt requested), and we must approve or disapprove the plans and materials within 14 days from the date of receipt. You may not use any plans or materials until they have been approved by us and must promptly discontinue use of any advertising or promotional plans or materials upon receiving notice from us.

You must participate in supplemental marketing programs, like limited time offers, gift cards, gift certificates, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs as we may periodically require. You may be responsible for certain costs associated with these supplemental marketing programs. We may change the required supplemental marketing program designation periodically. Under certain limited circumstances (e.g., for a significant multi-unit development plan, a large metropolitan area, airports or unique restaurant sites), we may modify the contributions or participation for a specific franchisee in our sole discretion.

We currently do not have a formal franchisee advisory council or association.

Computer System

You must record all sales on a computerized POS system and utilize a kitchen display system that we have approved and report your Gross Sales weekly via our Web portal in the manner we specify in the CFM or through other electronic data interfaces that we may define at a future date. The computerized POS system and kitchen display system are comprised of terminals, monitors, printers and all hardware, software and data used to record and analyze sales, labor, inventory, product usage and tax information to operate the Restaurant (the "Computer System"). We require all Chili's Grill & Bar restaurants to use the Aloha POS system and the QSR kitchen display system. You must purchase the Aloha POS system (hardware and software) from NCR, if NCR sells the required system. If not, you must purchase the required system from a supplier we approve. You must purchase the QSR kitchen display system from NCR or from QSR Automations, Inc. or, if we designate, another supplier. The cost to obtain a Computer System, which includes all BOH and FOH equipment and software and, depending on the size of the restaurant, 4 to 8 POS terminals for a Chili's Grill & Bar (the specific components of which are described more fully in the CFM) is typically in the range of approximately \$75,000 to \$100,000 per restaurant. The Computer System for a Chili's Special Venue is typically in the range of approximately \$75,000 to \$100,000. Your estimated annual per-restaurant recurring software and hardware maintenance costs may be between \$2,000 and \$5,000. Neither we, our affiliates, nor any third parties are required or designated to provide ongoing maintenance, repairs, upgrades, or updates to your computer system. Currently, there are no optional or required maintenance/upgrade contracts for the Computer System. We can require you to replace your existing Computer System with one designated by us and, in such event, you will be given a reasonable timeframe not to exceed 24 months. Currently, we do not have direct access to the information and data on the Computer System, however we have the right under the Franchise Agreement to establish such access in the future. We also have the right to designate changes or enhancements to the Computer System used in your Restaurant including the POS terminals, computer hardware, software and other equipment. At such time as we designate the changes or enhancements to the Computer System, you may be required to make

certain payments to our designated suppliers. You must acquire the right to use hardware, software, peripheral equipment, and accessories and arrange for installation, maintenance, and support services of the initial equipment and services and changes or enhancements, all at your cost.

In addition, franchisees may participate in a table management system, Yelp! Guest Manager, which allows guests to see if a wait is at any given Restaurant or put their names on a wait list. If you choose to use Yelp! Guest Manager, you will contract with Yelp! Guest Manager and you will incur an estimated one-time implementation fee of \$350 as well as monthly fees and maintenance fees of approximately \$42 per restaurant.

You must participate in the integrated online ordering solution we designate. Currently, the Chili's online ordering platform is Olo; it is the mandatory and exclusive online ordering platform for all Chili's Restaurants and is required for integration into third party delivery applications should you elect to participate in a Virtual Product Offering program. Currently, the cost of the online ordering system is a one time activation fee of \$250 per Restaurant, with a monthly subscription fee of \$75/month per location + .010% per transaction fee through your gateway. In the event you transfer services to a different owner/company, there is a one time \$100 per location transfer fee as well. In connection with using Olo, you will be required to secure an additional eCommerce merchant ID for each Restaurant from your payment processor. If you elect to use a payment processor not affiliated with Olo, then you will have to use Olo's Braintree solution and pay the associated costs.

You must also participate in any loyalty program designated by us. Currently, My Chili's Rewards is the Chili's loyalty program. You are responsible for configuring and offering the same loyalty rewards that are designated by us through your Computer System. Your online ordering platform (Olo) and Table Top Devices (described below) (Zioks) must be installed and operational prior to enabling My Chili's Rewards.

If you elect to participate in a Virtual Product Offering, you must enroll in and obtain a subscription for the designated third-party delivery platform for such Virtual Product Offering. For the IJW Virtual Product Offering, you must utilize DoorDash, Uber Eats or Grubhub and enroll in each of these third-party delivery provider's respective subscription service. Currently, the commission rate for orders placed for the IJW Virtual Product Offering are as follows:

- a. DoorDash - 19% of order total for standard delivery, 5% of order total for pickup, and 24% of order total for DashPass orders.
- b. UberEats - 12% of order total for standard delivery, 6% of order total for pickup, and 15% of order total for EatsPass.
- c. Grubhub - 12% of order total for standard delivery, 5% of order total for pickup, and 0% of order total for Grubhub+ for year one, then 10% thereafter.

Table Top Devices

If you elect to participate in table top product offerings, you must lease or purchase install and use approved Table Top Devices in your Restaurant. Currently, Ziosk TTM, Inc.. is the only-approved supplier of Table Top Devices known as The Ziosk Table Top Devices must be purchased from Ziosk TTM, Inc., and the purchase price is approximately \$25,000 per Restaurant. You are responsible for integrating the Table Top Devices with your POS system. You will be responsible for providing an Internet connection with sufficient bandwidth to support Ziosk management and content updates. You will be required to maintain a monthly Internet subscription at your sole cost for such Internet connectivity. There is no additional annual cost to franchisees for upgrades or maintenance outside of your lease payments. We will not have independent access to the information generated and stored by the Table Top Devices; however, we are provided information through the supplier.

Operations Manual

The Table of Contents of our CFM is attached as Exhibit E to this disclosure document. The CFM has 544 pages.

Training

Your Managing Owner or Operating Partner and up to 5 of your managers (if you open only one Restaurant) or 10 of your managers (if you open two or more Restaurants) must attend and complete our initial management training program to our satisfaction. All new managers hired by you and any Managing Owner or Operating Partner later appointed by you must attend and complete our initial training program to our satisfaction.

We will provide instructors and training materials for the initial training of your Managing Owner or Operating Partner and up to 5 of your managers (if you open only one Restaurant) or up to 10 of your managers (if you open two or more Restaurants) at no additional charge to you, provided that you or your employees will be responsible for expenses incurred in attending the training, including meals, lodging and transportation.

For initial training: (i) of your personnel in excess of the six (or eleven) representatives noted above; or (ii) of any person later employed by you in the position of manager; or (iii) for each replacement Operating Partner or Managing Owner; or (iv) after your first two Chili's Restaurants are opened or (v) if the opening of the Restaurant is moved to a later date and we require you to attend another initial training program, you must pay a training fee at the then current rate being charged by us to franchisees operating under the System. You are responsible for all costs and expenses like meals, lodging and transportation of the persons attending training.

We may send an opening team to your Restaurant to help with the opening if we believe it is necessary, considering factors such as your previous restaurant experience and the size and location of your Restaurant. If we do, our training representatives will be at the Restaurant for a period of approximately 20 total days before and after the opening date. You must reimburse us for our reasonable expenses incurred in providing the opening team, including costs of transportation, lodging, meals and wages. Costs may vary depending on factors like the number of opening team members, the distance they must travel and the time period they are at the Restaurant. Historically, the cost of our opening teams has ranged between \$65,000 and \$100,000 for a Chili's Grill & Bar and a Chili's Special Venue. Although we do not always require an opening team, if we do, the types of costs assessed are uniform.

Initial training programs are offered at various times during the year depending on the number of franchisees entering the System, the number of replacement personnel needing training, the number of new restaurants we open and the timing of scheduled restaurant openings. The initial training program will generally last 15 weeks.

If you operate more than one Chili's Restaurant, one of your Chili's Restaurants must be a Certified Training Restaurant ("CTR"). Such Restaurant must meet our then-current criteria for a CTR and be certified as a CTR by our designated representative. Once approved, you may conduct the initial training for your new and replacement managers at your CTR. If you train your managers, we will have the right to review and determine (by written certification) whether your managers have satisfactorily completed training.

The subjects covered, approximate hours of classroom and on the job training, and other information about our initial training program are described below:

Notes:

- (1) The time periods allocated to the subjects listed above are approximations, and the time actually spent by you and your personnel may vary based on the experience and performance of those persons being trained.
- (2) All required pre-opening training will be held at one of our Certified Training Restaurants and must be completed to our satisfaction at least 2 months (but not more than 5 months) before the Restaurant opens. Our Certified Training Restaurants are located throughout the U.S., and the location of the Certified Training Restaurant to which you are assigned will vary depending upon the region of the U.S. in which your Restaurant is located.

Instructional materials for the initial training program include the CFM, standard accounting forms, employee manuals, personnel forms, and the pre-opening procedural manual.

Adam Dingman, Vice President, Operations Services, supervises the conduct of all initial training programs. Mr. Dingman has served in this position since March 2023. Mr. Dingman previously served as Senior Director of Operations Services from August 2019 to March 2023, and Senior Director of Franchise from June 2018 to August 2019.

Our initial training and pre-opening training will be conducted by persons who have worked in our Chili's Restaurants for at least 6 months and successfully completed our training certification course. The training certification requirements vary depending on the subject matter for which the employee has been certified to provide training. The instructor will vary depending on the time, location, and subject matter

taught. Although we maintain a certified training staff (hourly workers, managers, General Manager, Area Director, and Regional Director) for our restaurants, there is no formal franchisee training staff. Your training programs will be conducted by one or more members of our certified training staff from our Certified Training Restaurants or “CTRs.” We currently have 6,000 certified trainers and also expect to draw on the substantial experience of our management and other restaurant personnel in conducting training.

We may require your personnel to attend supplemental training programs. We have the right to charge a reasonable fee for these supplemental training programs. You must also pay all expenses you or your personnel incur in any training program, including the cost of travel, lodging, and meals (Franchise Agreement, Section 3.4)

In addition to required training programs, we may provide conferences for general managers in a designated area. Attendance at these meetings is voluntary, and you will be responsible for your expenses. We may also hold annual conferences for general managers and quarterly meetings for unit supervisors. Your representatives may attend these meetings, at your expense.

As disclosed in Item 16, you may not advertise, promote, post or list information relating to the Restaurant on the Internet (through the creation of a Website or otherwise) without our prior written consent.

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.
Development Agreement

We may sign a Development Agreement with you, although we have no obligation to do so. The Development Agreement grants you an assigned geographic area (“Territory”). The size of the Territory may range from a portion of a city or an unincorporated area to a single or multi-county area, or a single or multi-state area, and will be described in Article 1 of each Development Agreement by county or state lines or a description of municipal boundaries. Airports, schools, railroad/railway stations, government institutions, military installations, stadiums, sports arenas, casinos, “big box” retail stores, and other institutional or public service operations will not be included in the Territory even if they fall totally or partially inside the boundaries of the Territory.

If you are in compliance with the Development Agreement and any franchise agreement with us, we will not establish, or license anyone other than you to establish, any Chili’s Restaurant under the System in the Territory during the term of the Development Agreement. However, we and/or any other Chili’s franchisees and any other authorized person or entity may, at any time, advertise or promote the System and fulfill customer orders in the Territory without compensation to you. We may also offer and sell and authorize any person or entity to offer and sell products and services in the Territory other than through a Chili’s Restaurant. These products and services may be similar to those offered by the Restaurants and may be offered and sold under the Proprietary Marks (e.g. prepackaged food and beverage items, shirts, clothing or other Chili’s memorabilia) or under other names and marks (see below).

The territorial exclusivity granted to you is not dependent on your achievement of a certain sales volume, market penetration, or other contingency except as stated in the next paragraph. Also, except as stated in the next paragraph, there are no circumstances under which the Territory granted to you may be altered before the expiration or the termination of the Development Agreement. After the term of the Development Agreement, we and/or any other Chili’s franchisees and any other authorized person or entity may, at any time, develop Chili’s Restaurants in the Territory.

If you are in default of the Development Agreement, we may, in addition to other remedies, modify, reduce or accelerate the development schedule; terminate, modify and/or reduce your territorial exclusivity; or modify and/or reduce the Territory.

Franchise Agreement

The Franchise Agreement grants you the right to operate the Restaurant only at the approved location, which is described in Attachment A to the Franchise Agreement. You may not relocate the Restaurant without first obtaining our written consent. There are no territorial rights granted with the Franchise Agreement. There is no requirement that you achieve any specified sales volume or market penetration under the Franchise Agreement.

You may be required to participate in our then-current delivery and takeout programs. As of the issuance date, we do not grant territories in connection with our current delivery programs, and, should we designate a delivery area, it will be on a non-exclusive basis.

Other Concepts and Distribution Channels

We have established other franchises and company-owned restaurants which may be considered competitive to a Chili's Restaurant or which sell similar products or services under different trade names or trademarks. This includes Maggiano's Little Italy restaurants. (See Item 1) The Maggiano's Little Italy concept maintains its principal place of business at 3000 Olympus Boulevard, Dallas, Texas 75019, and we do not maintain physically separate offices or training facilities for this concept. We may, from time-to-time, offer to our franchisees the option to participate in Virtual Product Offerings through which franchisees utilize existing the kitchen of their Chili's Restaurant to offer certain products under separate marks for off premise sales. Currently, we offer franchisees the opportunity to participate in the IJW Virtual Product Offering and may offer other concepts as Virtual Product Offerings to franchisees from time to time. To the extent that these restaurants and products compete for customers in their various market segments and all restaurants compete for customers generally, your Restaurant may compete for customers with our other company-owned or franchised restaurants that operate under other trademarks. We currently have no mechanism for resolving conflicts between franchisees of Chili's Restaurants and the franchised or company-owned restaurants operating under different marks or trade names. Any conflicts would be resolved on a case-by-case basis and, since there have been no conflicts in the past, no formal procedure or mechanism has been adopted for such disputes.

Other than those described above, we do not have any additional concepts or alternative distribution methods that we are currently planning on implementing; however, we are constantly evaluating the need to develop additional restaurant concepts or other means to deliver our products to the marketplace. We or our present or future affiliates may establish other franchises or company-owned restaurants selling or leasing similar products or services under the trade names or trademarks described above or under different trade names or trademarks, and any of these units may be located in the Territory granted to you by the Development Agreement. You may use the Internet to advertise only in compliance with the Franchise Agreement.

Options/Rights of First Refusal

We generally do not grant any right of first refusal to obtain additional restaurant locations. If you wish to obtain an additional location, it must be included within your development schedule and you will be required to enter into a separate Franchise Agreement for the restaurant location.

ITEM 13

TRADEMARKS

The Franchise Agreement grants you the right to use the Proprietary Marks designated by us only in the manner we authorize and only for the operation of the Restaurant at the location specified in the Franchise Agreement.

Depending on the type of Restaurant you are authorized to operate, you must operate the Restaurant under the service mark “Chili’s” or “Chili’s Grill & Bar”.

The following Proprietary Marks are registered with the United States Patent and Trademark Office (“USPTO”). We have renewed (and intend to renew) the registration(s) and have filed (and intend to file) all appropriate affidavits at the times required by law.

There is no presently effective determination of the U.S. Patent and Trademark Office, the trademark trial and appeal board, the trademark administrator of any state or any court, nor any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the Proprietary Marks which is relevant to their ownership, use or licensing.

We know of no superior prior rights or infringing use that could materially affect your use of the Proprietary Marks, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Proprietary Marks in any manner material to the franchise.

If any infringement of or challenge to your use of the Proprietary Marks or litigation involving the Proprietary Marks is instituted or threatened against you, you must promptly notify us and must cooperate fully in defending or settling the litigation. You and your owners agree that neither you nor they will communicate with any person other than us and our counsel concerning any action, claim or infringement. We will have sole discretion to take action, as we deem appropriate and the right to exclusively control any litigation, USPTO action, or other proceeding involving any infringement, challenge or claims relating to the Proprietary Marks.

We are not obligated by the Franchise Agreement to specifically protect any rights granted to you to use the Proprietary Marks or to protect you against claims of infringement or unfair competition involving them. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving the Proprietary Marks if the proceeding is resolved unfavorably to you.

You may not use any of the Proprietary Marks as part of your corporate or other name. You must also follow our instructions for identifying yourself as a franchisee and for filing and maintaining the requisite trade name or fictitious name registrations. You must execute any documents we or our counsel determine are necessary to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability. Neither you nor your owners may take any action that would prejudice or interfere with the validity of our rights with respect to the Marks and may not contest the validity of our interest in the Marks or assist others to do so.

The license of the Proprietary Marks granted in the Franchise Agreement is non-exclusive to you except for the location of the Restaurant. We have and retain the right, among others:

1. To grant other licenses for the Proprietary Marks in addition to those licenses already granted to existing franchisees.
2. To use the Proprietary Marks in selling products and services.
3. To develop and establish other systems using the same or similar Proprietary Marks or any other Proprietary Marks and grant licenses or franchises under those systems without providing you any rights.
4. To develop other marks that may be similar to the Proprietary Marks and exclude those similar marks from the Proprietary Marks, in which case you will have no right to use them.

We reserve the right to substitute different Proprietary Marks for use in identifying the System and the businesses operating under it if our currently owned Proprietary Marks no longer can be used, or if we, in our sole discretion, determine that substitution of different Proprietary Marks will be beneficial to the System. You will be responsible for all expenses related to the substitution of different Proprietary Marks and must complete the substitution in accordance with the deadlines we reasonably establish.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

We do not own any registered patents, and do not have any pending patent applications, that are material to the franchise. We do not own any copyrights that are material to the franchise except as described below.

We claim copyright protection in original materials used in the System, including the CFM, menus, construction plans and specifications, training, and advertising and promotional materials used in the System.

There is no presently effective determination of the U.S. Copyright Office (Library of Congress) or any court affecting our copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We are not obligated by the Agreements, or otherwise, to protect any rights you have to use the copyrights. We have no actual knowledge of any infringements that could materially affect the ownership, use or licensing of the copyrights.

Confidential Manuals and Other Confidential Information

You and your owners must at all times treat the CFM, any other manuals we authorize, and the information contained in those manuals, as confidential. You must not copy, duplicate, record or otherwise reproduce those materials, or make them available to any unauthorized person. The CFM is our sole property and must at all times be kept in a secure place on the Restaurant premises. We may revise the contents of the CFM, and you must comply with each new or changed standard. You must at all times ensure that the CFM is kept current and up-to-date, and, if there is any dispute as to the contents of the CFM, the terms of the master copy of the CFM we maintain at our home office will be controlling.

In addition to our manuals, you and your owners must protect our other confidential information. You and your owners may not, during the term of the Agreements or after their termination or expiration, communicate, divulge, or use for the benefit of any other person or legal entity, any confidential information, drawings, knowledge, or know-how concerning the methods of development or operation of Chili's Restaurants which may be communicated to you or them or of which you or they may learn in operating Chili's Restaurants under the Agreements. You and your owners may divulge the confidential information only to those of your employees, as must have access to it in order to develop or operate the Restaurants. All information, drawings, knowledge, know-how, and techniques used in or related to the Restaurant which we communicate in writing or otherwise to you, including, software licensed or provided by us, the CFM, recipes, plans and specifications, marketing information and strategies, and site evaluation and selection techniques are confidential for purposes of the Agreements.

If you or your owners fail to comply with the requirements of the Agreements concerning confidentiality, it will cause us irreparable injury (in addition to any other remedies we have) and you and your owners must pay all our court costs and our reasonable attorneys' fees incurred in obtaining specific performance of, or an injunction against any violation of, the requirements of the agreements concerning confidentiality.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

When you sign the Agreements, you must designate an individual to serve as your "Managing Owner." The same person must act as your Managing Owner under the Development Agreement and all Franchise Agreements between us. If you are an individual, you will be the Managing Owner.

If you are operating as a corporation, a partnership or other business entity, your Managing Owner must (i) own the largest percentage share of ownership in you, but in no event less than 10%, (ii) be authorized by you to bind you in any dealings with us and your authorized distributors, suppliers, and contractors, (iii) be authorized by you to direct any actions necessary to ensure compliance with the Agreements, and (iv) unless an Operating Partner is appointed, devote his or her full time and best efforts to the operations of the Restaurant and your operations under the Development Agreement with no operational or management commitments to other businesses. Your Managing Owner must also satisfy our training requirements. Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors
Brinker International, Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Brinker International, Inc. and subsidiaries (the Company) as of June 25, 2025 and June 26, 2024, the related consolidated statements of comprehensive income, shareholders' equity (deficit), and cash flows for each of the years in the three-year period ended June 25, 2025, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of June 25, 2025 and June 26, 2024, and the results of its operations and its cash flows for each of the years in the three-year period ended June 25, 2025, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of June 25, 2025, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated August 15, 2025 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Assessment of gift card breakage revenue

As discussed in Notes 1 and 2 to the consolidated financial statements, gift card breakage revenue represents the monetary value associated with outstanding gift card balances that will not be redeemed. The Company estimates this amount based on the historical gift card redemption patterns and recognizes the estimated breakage as revenue in proportion to the pattern of related gift card redemptions. The gift card breakage revenue recognized for the year ended June 25, 2025 was \$10 million.

We identified the assessment of gift card breakage revenue as a critical audit matter. Subjective auditor judgment was required to evaluate the Company's assessment of the trends in historical and expected future redemption patterns as well as the actuarial models utilized to update the breakage rate.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Company's gift card breakage revenue process. This included controls related to the Company's estimation of the breakage rate, review of the actuarial models used, and the timing of breakage revenue recognition. We assessed breakage revenue by comparing the Company's estimated breakage rate to rates derived from historical redemption data. We evaluated the timing of breakage revenue recognition by analyzing historical redemption patterns and assessing the volume of redemptions subsequent to the period of breakage revenue recognition. We also involved actuarial professionals with specialized skills and knowledge, who assisted in assessing the reasonableness of the actuarial models by comparing them to generally accepted actuarial standards.

KPMG LLP

We have served as the Company's auditor since 1984.

Brinker International, Inc.:

Opinion on Internal Control Over Financial Reporting

We have audited Brinker International, Inc. and subsidiaries' (the Company) internal control over financial reporting as of June 25, 2025, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of June 25, 2025, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of June 25, 2025 and June 26, 2024, the related consolidated statements of comprehensive income, shareholders' equity (deficit), and cash flows for each of the years in the three-year period ended June 25, 2025, and the related notes (collectively, the consolidated financial statements), and our report dated August 15, 2025 expressed an unqualified opinion on those consolidated financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's report. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Company is principally engaged in the ownership, operation, development and franchising of the Chili's® Grill & Bar ("Chili's") and Maggiano's Little Italy® ("Maggiano's") restaurant brands. As of June 25, 2025, we owned, operated or franchised 1,628 restaurants, consisting of 1,162 Company-owned restaurants and 466 franchised restaurants, located in the United States, 27 other countries and two United States territories.

Basis of Presentation

Principles of Consolidation - The Consolidated Financial Statements have been prepared in accordance with generally accepted accounting principles in the United States ("GAAP"), and include the accounts of Brinker International, Inc. and its wholly-owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation. All amounts within the Notes to Consolidated Financial Statements are presented in millions unless otherwise specified.

Fiscal Year - We have a 52 or 53 week fiscal year ending on the last Wednesday in June. We utilize a 13 week accounting period for quarterly reporting purposes, except in years containing 53 weeks when the fourth quarter contains 14 weeks. Fiscal 2025, Fiscal 2024, and Fiscal 2023 which ended on June 25, 2025, June 26, 2024, and June 28, 2023, respectively, each contained 52 weeks.

Use of Estimates - The preparation of the Consolidated Financial Statements is in conformity with GAAP and requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the Consolidated Financial Statements, and the reported amounts of revenues and costs and expenses in the reporting periods. Actual results could differ from those estimates.

Significant Accounting Policies

Cash and Cash Equivalents - Our policy is to invest cash in excess of operating requirements in income-producing investments. Income-producing investments with original maturities of three months or less are reflected as cash equivalents.

Accounts Receivable - Accounts receivable, net of the allowance for credit losses, represents the estimated net realizable value. Our primary accounts receivables are due from third-party gift card sales, vendor rebates, restaurant sales made with credit cards and franchisees. Provisions for credit losses are recorded based on management's judgment regarding our ability to collect as well as the age of the receivables. Accounts receivable are written off when they are deemed uncollectible.

Inventories - Inventories consist of food, beverages and supplies and are valued at the lower of cost (using the first-in, first-out method) or net realizable value.

Cloud-Based Computing Arrangements - The Company defers application development stage costs for cloud-based computing arrangements and amortizes those costs over the related service (subscription) agreement. The current and long term portion is included in Prepaid expenses and Other assets in the Consolidated Balance Sheets, respectively.

Fair Value Measurements - Fair value is the price that would be received to sell an asset or paid to transfer a liability, in an orderly transaction between market participants at the measurement date under market conditions. Fair value measurements are categorized in three levels based on the types of significant inputs used, as follows:

Level 1	Quoted prices in active markets for identical assets or liabilities
Level 2	Observable inputs available at measurement date other than quoted prices included in Level 1
Level 3	Unobservable inputs that cannot be corroborated by observable market data

Property and Equipment - Property and equipment is recorded at cost and depreciated using the straight-line method over the lesser of the remaining term of the lease, including certain renewal options, or the estimated useful lives of the assets. Typical useful lives of our Buildings and leasehold improvements range from 5 to 20 years, and Furniture and equipment range from 3 to 7 years.

Depreciation expenses related to property and equipment for the fiscal years ended June 25, 2025, June 26, 2024, and June 28, 2023, of \$204.3 million, \$167.9 million, and \$165.3 million, respectively, were recorded in Depreciation and amortization in the Consolidated Statements of Comprehensive Income. Routine repair and maintenance costs are expensed when incurred. Major replacements and improvements are capitalized.

We review the carrying amount of property and equipment on an annual basis or when events or circumstances indicate that the carrying amount may not be recoverable. We have determined the restaurant level is the lowest level of identifiable cash flows. If the carrying amount is not recoverable, we record an impairment charge for the excess of the carrying amount over the fair value. We determine fair value based on discounted projected future operating cash flows of the restaurants over their remaining service life using a risk adjusted discount rate that is commensurate with the inherent risk that is considered a Level 3 fair value measurement. Impairment charges are included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income. Refer to Note 3 - Fair Value Measurements for further information on impairment charges.

Leases - We recognize lease liabilities and corresponding lease assets based on the present value of the lease payments using our incremental borrowing rate applicable to the lease term. Landlord contributions are recorded as an adjustment to the lease assets. The lease term commences on the date the lessor makes the underlying asset or assets available, irrespective of when lease payments begin under the contract. When determining the lease term at commencement, we consider both termination and renewal option periods available, and only include the period for which failure to renew the lease imposes a penalty on us in such an amount that renewal, or termination options, appear to be reasonably certain. The Company accounts for lease and non-lease components, for all leases, as a single lease component.

The interest rates used in our lease contracts are not implicit. We derive our incremental borrowing rate using the interest rate we would pay on our existing borrowings, adjusted for the effect of designating collateral and the lease terms using market data as well as publicly available data for instruments with similar characteristics. The reasonably certain lease term and incremental borrowing rate for each lease requires judgment by management and can impact the classification and accounting for a lease as operating or finance, as well as the value of the lease asset and lease liability. We monitor for events or changes in circumstances that require reassessment of lease classification. When a reassessment results in the re-measurement of a lease liability, a corresponding adjustment is made to the carrying amount of the lease asset.

Variable lease costs, consisting primarily of property taxes, maintenance expenses and contingent rent, are expensed as incurred in Restaurant expenses related to restaurant properties and General and administrative for our corporate headquarters in the Consolidated Statements of Comprehensive Income and are not included in lease liabilities in the Consolidated Balance Sheets. Contingent rent represents payment of variable lease obligations based on a percentage of sales, as defined by the terms of the applicable lease, for certain restaurant facilities and is recorded at the point in time we determine that it is probable that such sales levels will be achieved.

Operating lease expenses are recognized on a straight-line basis over the lease term in Restaurant expenses for restaurant properties and General and administrative for our corporate headquarters, in the Consolidated Statements of Comprehensive Income.

Finance lease expenses are recognized on a straight-line basis over the lesser of the useful life of the leased asset or the lease term and the expenses are recognized in Depreciation and amortization in the Consolidated Statements of Comprehensive Income. Interest on each finance lease liability is recorded to Interest expenses in the Consolidated Statements of Comprehensive Income.

Lease asset carrying amounts are assessed for impairment annually or when events or circumstances indicate that the carrying amount may not be recoverable, in accordance with our long-lived asset impairment policy. Impairment

charges are included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income. Refer to Note 3 - Fair Value Measurements for further information on impairment charges.

Definite-Lived Intangible Assets - Definite-lived intangible assets primarily include the reacquired franchise rights resulting from acquisitions and are included in Intangibles, net in the Consolidated Balance Sheets. These assets are amortized using the straight-line method over the remaining term of the related franchise agreement. We determine the fair value of reacquired franchise rights based on discounted projected future operating cash flows of the restaurants associated with these franchise rights. We review the carrying amount annually or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. If the carrying amount is not recoverable, we record an impairment charge for the excess of the carrying amount over the fair value. Impairment charges are included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income.

Indefinite-Lived Intangible Assets - The costs of obtaining non-transferable liquor licenses from local government agencies are expensed over the specified term of the license to Restaurant expenses in the Consolidated Statements of Comprehensive Income. The costs of purchasing transferable liquor licenses through open markets in jurisdictions with a limited number of authorized liquor licenses are capitalized as indefinite-lived intangible assets and included in Intangibles, net in the Consolidated Balance Sheets.

Transferable liquor licenses are tested for impairment annually or more frequently if events or circumstances indicate that the asset might be impaired. Impairment charges are recognized based on the excess of carrying value over fair value. We determine fair value based on prices in the open market for licenses in same or similar jurisdictions. Impairment charges are included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income.

Goodwill - Goodwill represents the excess of the purchase price over the fair value of net assets acquired in business combinations and is assigned to the reporting unit in which the acquired business will operate for purposes of impairment testing. Goodwill is tested for impairment annually, during the second quarter of each fiscal year, or more frequently if events or changes in circumstances indicate that the asset might be impaired. Our two restaurant brands, Chili's and Maggiano's, are both operating segments and reporting units.

We may elect to perform a qualitative assessment to determine whether it is more likely than not that a reporting unit is impaired. If the qualitative assessment is not performed or if we determine that it is not more likely than not that the fair value of the reporting unit exceeds the carrying value, the fair value of the reporting unit is calculated. The carrying value of the reporting unit is compared to its estimated fair value, and if the carrying value of a reporting unit exceeds its fair value, goodwill is written down to its implied fair value.

During fiscal 2025, fiscal 2024 and fiscal 2023, we performed our annual goodwill impairment analysis using a qualitative approach to determine whether indicators of impairment exist. Related to the qualitative assessment, we evaluated factors including our market capitalization, as well as the market capitalization of other companies in the restaurant industry, sales at our restaurants and significant adverse changes in the operating environment for the restaurant industry. Based on these factors, no indicators of impairment were identified during our annual analysis performed in the second quarters of fiscal 2025, fiscal 2024 and fiscal 2023. Additionally, no indicators of impairment were identified through the end of each fiscal year.

Insurance Reserves - We are self-insured for certain losses related to health, general liability and workers' compensation claims. We maintain stop loss coverage with third-party insurers to limit our total exposure. The self-insurance liability represents an estimate of the ultimate cost of claims incurred and unpaid as of the balance sheet date. The estimated liability is not discounted and is established based upon analysis of historical data and actuarial estimates and is reviewed on a quarterly basis to confirm that the liability is appropriate. The estimated incurred but unreported costs to settle unpaid claims are included in Other accrued liabilities and Other liabilities, depending on their current or long-term nature, in the Consolidated Balance Sheets.

Preferred Stock - Our Board of Directors is authorized to provide for the issuance of 1.0 million preferred shares with a par value of \$1.00 per share, in one or more series, and to fix the voting rights, liquidation preferences, dividend rates, conversion rights, redemption rights, and terms, including sinking fund provisions, and certain other rights and preferences. As of June 25, 2025, no preferred shares were issued.

Revenues - Revenues are presented in the Company sales and Franchise revenues captions in the Consolidated Statements of Comprehensive Income.

Company Sales - Company sales include revenues generated by the operation of Company-owned restaurants including food and beverage sales, net of discounts, Maggiano's banquet service charge income, delivery, gift card breakage, digital entertainment revenues, merchandise income and are net of gift card discount costs from third-party gift card sales. We record revenues from the sale of food, beverages and alcohol, net of discounts, upon delivery to the customer. Sales taxes assessed by a governmental authority that are both imposed on and concurrent with specific revenue transactions and collected from a customer have been excluded from revenues.

Gift card breakage represents the monetary value associated with outstanding gift card balances that will not be redeemed. We estimate this amount based on our historical gift card redemption patterns and actuarial estimates, update the breakage rate estimate periodically and if necessary, adjust the deferred revenues balance within the Gift card liability in the Consolidated Balance Sheets. Breakage revenues are recognized proportionate to the pattern of related gift card redemptions. We do not charge dormancy fees, or any other fees related to monitoring or administering the gift card program to cardholders. Additionally, proceeds from the sale of gift cards are recorded as deferred revenues in the Gift card liability in the Consolidated Balance Sheets and recognized as Company sales when the gift card is redeemed by the holder.

Our gift cards are sold through various outlets such as in-restaurant, Chili's and Maggiano's websites, directly to other businesses and through third-party distributors that sell our gift cards at retail locations. We incur incremental direct costs, such as commissions and activation fees, for gift cards sold by third-party businesses and distributors. These gift card discount costs are deferred and amortized against revenues proportionate to the pattern of related gift card redemptions.

Franchise Revenues - Franchise revenues include royalties, franchise advertising fees, franchise and development fees, and other service fees. Franchise royalties are based on a percentage of the sales generated by our franchise-operated restaurants. The performance obligation related to franchise sales is considered complete upon the sale of food, beverages and alcohol, therefore royalty revenues are recognized in the same period the sales are generated at the franchise-operated restaurants. Franchise advertising fees are revenues that our domestic franchisees are contractually obligated to contribute into certain marketing funds. Franchise and development fees are received from franchisees for new restaurant openings and for territory development arrangements. The performance obligation related to these arrangements are collectively deferred as a contract liability and recognized on a straight-line basis into Franchise revenues in the Consolidated Statements of Comprehensive Income over the term of the underlying agreements.

Advertising Expenses - Advertising production costs are expensed in the period when the advertising first takes place. Other advertising costs are expensed as incurred. In the fiscal years ended June 25, 2025, June 26, 2024 and June 28, 2023, advertising expenses of \$146.6 million, \$130.2 million and \$58.2 million, respectively, were included in Restaurant expenses, and advertising contributions from franchisees of \$6.5 million, \$6.0 million and \$3.0 million, respectively, were recorded in Franchise revenues in the Consolidated Statements of Comprehensive Income.

Income Taxes - Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

We record a liability for unrecognized tax benefits resulting from tax positions taken, or expected to be taken, in an income tax return that is not more-likely-than-not to be realized. We recognize any interest and penalties related to unrecognized tax benefits in Provision (benefit) for income taxes in the Consolidated Statements of Comprehensive Income. Additionally, income taxes are computed on a consolidated legal jurisdiction basis with no regard to brand.

Stock-Based Compensation - We measure and recognize compensation costs at fair value for all share-based payments. We recognize compensation expenses, net of forfeitures, using a graded-vesting schedule or on a straight-line basis, as applicable, over the vesting period, or the date on which retirement eligibility is achieved, if earlier.

Certain employees are generally awarded performance shares and restricted stock units, while non-employee members of the Board of Directors are generally awarded restricted stock units. Awards granted to the Board of Directors are non-forfeitable and are fully expensed upon grant. Awards to eligible employees may vest over a specified period of time or service period and may also contain performance-based conditions. The fair values of restricted stock units that do not contain a performance condition are based on our closing stock price on the date of grant.

Performance shares represent a right to receive shares of common stock upon satisfaction of Company performance goals as defined in the grant agreements. The fair value of our performance shares with a market-based metric, such as total shareholder return ("TSR"), is determined by a Monte Carlo simulation on the grant date. Refer to Note 11 - Stock-based Compensation for further information about the Monte Carlo simulation assumptions. Performance shares are expensed on a straight-line basis over the applicable vesting period. Our performance shares with vesting contingent only upon Company TSR performance were granted in fiscal 2025 and have a five year vesting period. Our performance shares with vesting contingent upon meeting Company performance goals based on earnings at the end of a three-fiscal-year vesting period also include a TSR component and are expensed over the vesting period based on management's periodic estimates of the number of shares that will be earned under the Company earnings performance metric. A cumulative expenses adjustment is recognized when that estimate changes.

Foreign Currency - Foreign currency translation adjustments represents the unrealized impact of translating the financial statements of our Canadian restaurants from their respective functional currency to United States dollars and are reported as a component of Comprehensive income and recorded in Accumulated other comprehensive loss on our Consolidated Balance Sheets.

Net Income Per Share - Basic net income per share is computed by dividing Net income by the Basic weighted average shares outstanding for the reporting period. Diluted net income per share reflects the potential dilution that could occur if securities or other contracts to issue common stock were exercised or converted into common stock. For the calculation of Diluted net income per share, the Basic weighted average shares outstanding is increased by the dilutive effect of stock options and restricted share awards. Stock options and restricted share awards with an anti-dilutive effect are not included in the Diluted net income per share calculation. Basic weighted average shares outstanding are reconciled to Diluted weighted average shares outstanding as follows:

	June 25, 2025	June 26, 2024	June 28, 2023
Basic weighted average shares outstanding	44.6	44.4	44.1
Dilutive stock options	0.1	0.1	0.1
Dilutive restricted shares	1.4	1.2	0.8
Total dilutive impact	1.5	1.3	0.9
Diluted weighted average shares outstanding	46.1	45.7	45.0
Awards excluded due to anti-dilutive effect	—	0.4	1.3

Recently Issued Accounting Standards

As of June 25, 2025, we adopted Accounting Standards Update ("ASU") 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The adoption of ASU 2023-07 did not impact our results of operations, cash flow or financial condition. See Note 14 - Segment Information for our segment disclosures.

In December 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, which requires disaggregated information about a company's effective tax rate reconciliation and requires disclosure of income taxes paid by jurisdiction. The

amendments are effective for fiscal years beginning after December 15, 2024, which require us to adopt the provisions in our fiscal 2026 Form 10-K. The amendments should be applied prospectively; however, retrospective application is permitted. Management does not expect this ASU to have a material impact on our disclosures.

In November 2024, the FASB issued ASU 2024-03, Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses, which requires, for each relevant expense caption on the income statement, detailed disclosure amounts for purchases of inventory, employee compensation, depreciation, and intangible asset amortization. In addition, this ASU requires companies to include amounts already required by GAAP in the same disclosure, provide a qualitative description of remaining amounts not separately disaggregated, and disclose the amount of total selling expenses along with the companies' definition of selling expenses. The amendment is effective for fiscal years beginning after December 15, 2026, which would require us to adopt the provisions in our fiscal 2028 Form 10-K. Early adoption is permitted. The amendments should be applied prospectively; however, retrospective application is permitted. Management is currently evaluating this ASU to determine its impact on our disclosures.

2. REVENUE RECOGNITION

Deferred Franchise and Development Fees

Our deferred franchise and development fees consist of the unrecognized fees received from franchisees. Recognition of these fees in subsequent periods is based on satisfaction of the contractual performance obligations of the active contracts with franchisees. We also expect to earn subsequent period royalties and advertising fees related to our franchise contracts; however, due to the variability and uncertainty of these future revenues based upon a sales-based measure, these future revenues are not yet estimable as the performance obligations remain unsatisfied. Deferred franchise and development fees are classified within Other accrued liabilities for the current portion expected to be recognized within the next 12 months and Other liabilities for the long-term portion in the Consolidated Balance Sheets.

The following table reflects the changes in deferred franchise and development fees for the fiscal years ended on June 25, 2025 and June 26, 2024:

	June 25, 2025	June 26, 2024
Beginning balance	\$ 9.7	\$ 11.1
Additions	1.5	0.6
Amount recognized to Franchise revenues	(1.4)	(2.0)
Ending balance	<u>\$ 9.8</u>	<u>\$ 9.7</u>

The following table illustrates franchise and development fees expected to be recognized in the future related to performance obligations that were unsatisfied or partially unsatisfied as of June 25, 2025:

3. FAIR VALUE MEASUREMENTS

Financial Instruments

The fair values of cash and cash equivalents, accounts receivable and accounts payable approximate their carrying amounts because of the short maturity of these items.

The carrying amount of long-term debt outstanding related to our revolving credit facility approximates fair value as the interest rate on this instrument approximates current market rates (Level 2). The fair values of our notes are based on observable bid prices and are considered Level 2 fair value measurements, and the carrying amounts and the fair values are as follows:

	June 25, 2025		June 26, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
8.25% notes	\$ 346.0	\$ 372.3	\$ 345.2	\$ 367.8
5.00% notes ⁽¹⁾	—	—	349.8	349.6

⁽¹⁾ On October 1, 2024, the 5.00% notes matured and were repaid in full using borrowings under our revolving credit facility.

Non-Financial Assets

We review the carrying amounts of non-financial assets, primarily long-lived property and equipment, finance lease assets, operating lease assets, reacquired franchise rights, goodwill and transferable liquor licenses annually or when events or circumstances indicate that the fair value may not substantially exceed the carrying amount. We determined the fair values of property and equipment, including finance lease assets, operating lease assets and reacquired franchise rights are based on Level 3 fair value measurements. The fair values of transferable liquor licenses are based on prices in the open market for licenses in the same or similar jurisdictions and are categorized as Level 2. We record an impairment charge for the excess of the carrying amount over the fair value.

During fiscal 2025 and fiscal 2024 we impaired certain long-lived assets and operating lease assets primarily related to 13 and 35 underperforming Chili's restaurants, respectively. The table below presents the carrying values and related charges recorded on these impaired restaurants for the periods presented:

	Pre-Impairment Carrying Value		Impairment Charges	
			Fiscal Years Ended	
	June 25, 2025	June 26, 2024	June 25, 2025	June 26, 2024

Operating lease assets	8.4	21.4	—	2.5
Total	\$ 13.4	\$ 32.0	\$ 4.5	\$ 12.2

During fiscal 2025 and fiscal 2024 we impaired certain transferable liquor licenses with related charges of \$0.1 million in each of the respective fiscal years.

All impairment charges were included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income for the periods presented. Refer to Note 13 - Other Gains and Charges for more information.

6. LEASES

As of June 25, 2025, 1,108 of our 1,162 Company-owned restaurant facilities were leased. We typically lease our restaurant facilities through ground leases (where we lease land only, but construct the building and leasehold improvements) or retail leases (where we lease the land/retail space and building, but construct the leasehold improvements). As of June 25, 2025, the restaurant leases have cumulative renewal clauses of 3 to 40 years at our option. Our leased restaurants typically have an initial lease term of 10 to 20 years, with one or more renewal terms ranging from 3 to 10 years. The leases typically provide for a fixed rental or a fixed rental plus percentage rentals based on sales volume. In addition to our restaurant facilities, we also lease our corporate headquarters location and certain equipment. Our lease agreements do not contain any material residual value guarantees or material covenant restrictions.

These leases will commence when the landlords make the property available to us for new restaurant construction. We will assess the reasonably certain lease term at the lease commencement date.

8.25% Notes

In fiscal 2023, we issued \$350.0 million of 8.25% senior notes due July 15, 2030. The 8.25% notes require semi-annual interest payments in arrears, on each January 15 and July 15, which began on January 15, 2024.

Revolving Credit Facility

On May 1, 2025, we amended our \$900.0 million revolving credit facility to increase the capacity to \$1.0 billion. The Company incurred and capitalized \$3.6 million of debt issuance costs associated with the revolving credit facility during fiscal 2025, which are included in Other assets in the Consolidated Balance Sheets.

The \$1.0 billion revolving credit facility, as amended, matures on May 1, 2030 and bears interest of SOFR plus an applicable margin of 1.25% to 2.00% and an undrawn commitment fee of 0.20% to 0.30%, both based on a function of our debt-to-cash-flow ratio. As of June 25, 2025, our interest rate was 5.82% consisting of SOFR of 4.32% plus the applicable margin and spread adjustment of 1.50%. As of June 25, 2025, there was \$1.0 billion available under the revolving credit facility.

Financial and Other Covenants

The 8.25% notes contain certain covenants, including, but not limited to, limitations and restrictions on the ability of the Company and its Restricted Subsidiaries (as defined in the indentures) to (i) create liens on Principal Property

(as defined in the indenture) and (ii) merge, consolidate or amalgamate with or into any other person or sell, transfer, assign, lease, convey or otherwise dispose of all or substantially all of their property. These covenants are subject to a number of important conditions, qualifications, exceptions and limitations.

Our debt agreements contain various financial covenants that, among other things, require the maintenance of certain leverage ratios. As of June 25, 2025, we were in compliance with our covenants pursuant to the \$1.0 billion revolving credit facility and under the terms of the indentures governing our 8.25% notes.

8. COMMITMENTS AND CONTINGENCIES

Lease Commitments and Guarantees

We have, in certain cases, divested brands or sold restaurants to franchisees and have not been released from lease guarantees for the related restaurants. As of June 25, 2025 and June 26, 2024, we have outstanding lease guarantees or are secondarily liable for \$11.9 million and \$15.7 million, respectively. These amounts represent the maximum known potential liability of rent payments under the leases, but outstanding rent payments can exist outside of our knowledge as a result of the landlord and tenant relationship being between two third parties. These leases have been assigned to the buyers and expire at the end of the respective lease terms, which range from fiscal 2026 through fiscal 2035. In the event of default under a lease by an owner of a divested brand, the indemnity and default clauses in our agreements with such third parties and applicable laws govern our ability to pursue and recover amounts we may pay on behalf of such third parties.

We have received notices of default and have been named a party in lawsuits pertaining to some of these leases in circumstances where the current lessee did not pay its rent obligations. We recorded a \$1.7 million, \$0.8 million, and \$2.0 million charge related to these leases and lawsuits in fiscal 2025, fiscal 2024 and fiscal 2023 respectively, which are included in Other (gains) and charges in the Consolidated Statements of Comprehensive Income. We will continue to closely monitor our exposure.

Letters of Credit

We provide letters of credit to various insurers to collateralize obligations for outstanding claims. As of June 25, 2025, we had \$5.8 million in undrawn standby letters of credit outstanding. All standby letters of credit are renewable within the next 9 months.

Cybersecurity Litigation

In fiscal 2018, we discovered malware at certain Chili's restaurants that may have resulted in unauthorized access or acquisition of customer payment card data. We settled all claims from payment card companies related to this incident and do not expect material claims from payment card companies in the future. In connection with this event, the Company was also named as a defendant in a putative class action lawsuit in the United States District Court for the Middle District of Florida (the "Litigation") relating to this incident. In the Litigation, plaintiffs assert various claims at the Company's Chili's restaurants involving customer payment card information and seek monetary damages in excess of \$5.0 million, injunctive and declaratory relief, and attorney's fees and costs.

On June 27, 2025, two days following the end of fiscal 2025, the district court issued an order denying plaintiff's motion for class certification and further ordered the plaintiff to file a notice regarding whether she intends to proceed with the case on an individual basis. We anticipate the plaintiff will not pursue the matter further and the case will be dismissed. In light of these developments, we have concluded that a loss from this matter is not likely, and therefore have not recorded a liability related to the Litigation. We will continue to evaluate this matter based on new information as it becomes available.

Legal Proceedings

Evaluating contingencies related to litigation is a process involving judgment on the potential outcome of future events, and the ultimate resolution of litigated claims may differ from our current analysis. Accordingly, we review the adequacy of accruals and disclosures pertaining to litigated matters each quarter in consultation with legal

counsel and we assess the probability and range of possible losses associated with contingencies for potential accrual in the Consolidated Financial Statements.

We are engaged in various legal proceedings and have certain unresolved claims pending. Liabilities have been established based on our best estimates of our potential liability in certain of these matters. Based upon consultation with legal counsel, management is of the opinion that there are no matters pending or threatened which are expected to have a material adverse effect, individually or in the aggregate, on the consolidated financial condition or results of operations.

As of June 25, 2025, we have deferred tax assets of \$4.7 million reflecting the benefit of state loss carryforwards, before federal benefit and valuation allowance, which expire at various dates between 2026 and 2045. We have deferred tax assets of \$26.7 million of federal and \$0.2 million of state tax credits, before federal benefit and valuation allowance, which expire at various dates between 2026 and 2045. The recognized deferred tax asset, net of valuation allowance and federal benefit, for the state loss carryforwards is \$2.0 million and there is no valuation allowance on the state credit carryovers. There is no valuation allowance on the federal credit carryover and \$4.6 million is limited by Section 382 of the Internal Revenue Code.

The valuation allowance is \$6.3 million at the end of fiscal 2025 to recognize certain deductions and tax credits management believes are more-likely-than-not to not be realized. In assessing whether a deferred tax asset will be realized, we consider the likelihood of the realization, and the reversal of existing taxable temporary differences, projected future taxable income and tax planning strategies in making this assessment. Based upon the level of historical taxable income and projections for future taxable income, as of June 25, 2025, we believe it is more-likely-than-not that we will realize the benefits of the deferred tax assets, net of the existing valuation allowances.

Unrecognized Tax Benefits

A reconciliation of unrecognized tax benefits are as follows:

	June 25, 2025	June 26, 2024
Balance at beginning of year	\$ 2.9	\$ 2.8
Additions based on tax positions related to the current year	0.5	0.4
Expiration of statute of limitations	(0.7)	(0.3)
Balance at end of year	<u>\$ 2.7</u>	<u>\$ 2.9</u>

The total amount of unrecognized tax benefits, excluding interest and penalties, which would affect income tax expenses if resolved in our favor was \$2.2 million and \$2.3 million as of June 25, 2025 and June 26, 2024, respectively. We do not expect any material changes to our liability for uncertain tax positions in the next 12 months.

We recognize accrued interest and penalties related to unrecognized tax benefits in Provision (benefit) for income taxes in the Consolidated Statements of Comprehensive Income. As of June 25, 2025, we had \$0.3 million (\$0.4 million net of a \$0.1 million Federal deferred tax benefit) of interest and penalties accrued, compared to \$0.2 million (\$0.2 million net of a \$0.0 million Federal deferred tax benefit) as of June 26, 2024.

Our income tax returns are subject to examination by taxing authorities in the jurisdictions in which we operate. The periods subject to examination for our federal return are fiscal 2024 to fiscal 2026, and fiscal 2022 to fiscal 2024 for our Canadian returns. State income tax returns are generally subject to examination for a period of three to five years from date return is filed. We have various state income tax returns in the process of examination or settlements. Our federal return for fiscal 2024 is currently under examination through the Internal Revenue Service: Compliance Assurance Process (CAP) program. Our federal returns for fiscal 2025 to fiscal 2026 are under examination through the Internal Revenue Service: Bridge Plus program. There are no unrecorded liabilities associated with these examinations.

10. SHAREHOLDERS' EQUITY

Share Repurchases

Our Board of Directors approved a \$300.0 million share repurchase program in August 2021. Our share repurchase program is used to return capital to shareholders and to minimize the dilutive impact of stock options and other share-based awards. We evaluate potential share repurchases under our plan based on several factors, including our cash position, share price, operational liquidity, proceeds from divestitures, borrowings and planned investment and financing needs. Repurchased shares are reflected as an increase in Treasury stock within Shareholders' equity in the Consolidated Balance Sheets.

In fiscal 2025, we repurchased 1.0 million shares of our common stock for \$76.0 million as part of our share repurchase program and 0.2 million shares of our common stock for \$14.2 million from team members to satisfy tax withholding obligations on the vesting of restricted shares. In fiscal 2024, the Company repurchased 0.7 million shares of our common stock for \$21.0 million as part of our share repurchase program and 0.1 million shares of our common stock for \$4.8 million from team members to satisfy tax withholding obligations on the vesting of restricted shares. These withheld shares of common stock in fiscal 2025 and fiscal 2024 are not considered common stock repurchases under our authorized common stock repurchase plan. The company did not repurchase any shares under the repurchase program in fiscal 2023. As of June 25, 2025, we had \$107.0 million of authorized repurchases remaining under the share repurchase program.

11. STOCK-BASED COMPENSATION

Our stockholder-approved stock-based compensation plans include the 2024 Stock Option and Incentive Plan (the "2024 Plan") for employees, the 1998 Stock Option and Incentive Plan (as amended, the "1998 Plan") for employees, and the 1999 Stock Option and Incentive Plan for Non-Employee Directors and Consultants (the "Non-Employee Plan" and collectively, the "Plans"). In November 2024, our stockholders approved the 2024 Plan and

authorized approximately 3.5 million shares of our common stock for issuance under the 2024 Plan. The 2024 Plan replaced the 1998 Plan, and no further awards will be granted under the 1998 Plan. Our Non-Employee Plan remains in effect. In fiscal 2023, our stockholders approved an additional 0.3 million shares of our common stock for issuance under the Non-Employee Plan. The Plans provide for grants of options to purchase our common stock, performance shares, restricted stock, restricted stock units, and stock appreciation rights. Additionally, grants to eligible employees may vest over a specified period of time or service period, or may contain performance-based conditions. As of June 25, 2025, the total number of shares available for issuance pursuant to future awards under the Plans was 3.6 million shares.

Presented below is total stock-based compensation expenses, and the related total income tax benefit recognized in the Consolidated Statements of Comprehensive Income:

Stock-based compensation expenses	\$ 31.4	\$ 25.9	\$ 14.4
Tax benefit related to stock-based compensation expenses	4.1	4.3	2.6

Restricted Share Awards

In fiscal 2025, fiscal 2024 and fiscal 2023, eligible employees under the Plans were granted performance shares whose vesting is contingent upon meeting Company performance goals based on our earnings at the end of a three-fiscal-year period. The number of shares that will vest varies depending on the amount of earnings achieved as compared to the target amount. The grants also include a provision that will increase or decrease the number of shares to be vested if Brinker's TSR ranking compared to the peer group falls in the top 25% or bottom 25%, respectively. The number of shares that can vest ranges from 0% of target to 200% of target. Expenses are recorded to General and administrative expenses on a straight-line basis over the vesting period, or to the date on which retirement eligibility is achieved, if shorter, based upon management's periodic estimates of the number of shares that will be earned under the Company earnings performance metric.

In November 2024, the Board of Directors approved the 2025 Executive Performance Share Retention Plan and the granting of performance shares to Kevin Hochman, our CEO and President of the Company and President of Chili's Grill & Bar, and certain other executives of the Company at a total grant date fair value of \$25.0 million. The number of shares that can vest ranges from 0% to 200% of the target number of performance shares granted based on Brinker's TSR over a five-year period from September 26, 2024 through September 25, 2029, relative to the TSR of the peer group. There is a cap on the dollar value of performance shares that may be earned based on a multiple of the target number of performance shares and the Company's stock price on the grant date. Additionally, vesting is generally contingent upon continuous service during the performance period. Expense is recorded to General and administrative expenses on a straight-line basis over the vesting period based on the fair value of the shares as determined by a Monte Carlo simulation on the grant date. The Monte Carlo simulation used a volatility assumption of 68.47% for Brinker stock, a risk-free interest rate of 4.22%, a dividend yield of 0%, and a term of 4.88 years which resulted in a fair value per share of \$100.62.

Restricted stock units granted to eligible employees under the Plans generally vest over a three-year period from the date of grant. Restricted stock units issued to eligible employees under our career equity plan generally vest upon each employee's retirement from the Company. Expenses are recognized ratably over the vesting period, or to the date on which retirement eligibility is achieved, if shorter. Full or partial vesting of awards may occur upon a change in control (as defined in the Plans), or upon an employee's death, disability or involuntary termination.

Restricted stock units granted to non-employee directors under the Non-Employee Plan are non-forfeitable and are expensed upon grant. Non-employee directors' awards have variable distribution dates ranging from one year after grant to two years following departure from the Board.

Restricted share award transactions, including unvested performance shares reflected at target, during fiscal 2025 were as follows (fair value per award in dollars):

	Number of Restricted Share Awards	Weighted Average Grant Date Fair Value Per Award
Restricted share awards outstanding at June 26, 2024	1.6	\$ 35.12

Vested	(0.5)	37.15
Forfeited	—	40.10
Restricted share awards outstanding at June 25, 2025	1.6	\$ 52.14

As of June 25, 2025, unrecognized compensation expenses related to unvested restricted share awards that are expected to vest totaled approximately \$45.8 million and will be recognized over a weighted average period of 2.9 years. The fair value of shares that vested is as follows:

	Fiscal Years Ended		
	June 25, 2025	June 26, 2024	June 28, 2023
Fair value of restricted share awards vested	\$ 46.1	\$ 16.8	\$ 16.1

Stock Options

Stock options were granted to eligible employees in the fiscal years prior to fiscal 2021. Expenses related to these stock options were recognized using a graded-vesting schedule over the vesting period or to the date on which retirement eligibility was achieved, if shorter. Stock options generally vested over a period of 1 to 4 years and had contractual terms to exercise of 8 years. Full or partial vesting of awards may have occurred upon a change in control (as defined in the Plans), or upon an employee's death, disability or involuntary termination.

No stock options have been granted in fiscal 2025, fiscal 2024, or fiscal 2023.

Stock option transactions during fiscal 2025 were as follows (option prices in dollars):

This Chili's® Grill & Bar Domestic Development Agreement (this "Development Agreement") is entered into between Brinker International Payroll Company, L.P., a Delaware limited partnership ("Franchisor"), and _____ ("Developer") to be effective as of _____ (the "Effective Date").

Recitals

- Franchisor (and/or its parent company, affiliates, and subsidiaries), as the result of the expenditure of time, skill, effort and money, has developed and owns a unique and distinctive system (the "System") relating to the establishment and operation of restaurants under such tradenames as Chili's® Grill and Bar and Chili's Too® (collectively, "Chili's Restaurants").
- The distinguishing characteristics of the System include, without limitation, distinctive exterior and interior design, decor, color scheme, furnishings; special recipes and menu items; uniform standards, specifications, and procedures for operations; quality and uniformity of products and services offered; procedures for inventory and management control; training and assistance; and advertising and promotional programs; all of which may be changed, improved, and further developed by Franchisor from time to time.
- Franchisor identifies the System by means of certain tradenames, service marks, trademarks, logos, emblems and indicia of origin, including, but not limited to, Chili's® Grill and Bar and such other tradenames, service marks, and trademarks as are now designated (and may hereafter be designated) by Franchisor for use in connection with the System (collectively, the "Chili's Marks").
- Franchisor continues to develop and use (and control the use of) the Chili's Marks in order to identify for the public the source of services and products marketed thereunder and under the System, and to represent the System's high standards of quality, appearance and service.
- Franchisor has established a high reputation and a positive image with the public as to the quality of products and services available at Chili's Restaurants, which reputation and image have been and continue to be unique benefits to Franchisor and its franchisees.
- Developer desires to acquire development rights to obtain licenses to establish and operate Chili's Restaurants under the System in the Territory specified in Article 1 of this Development Agreement.

NOW THEREFORE, with the intent of being legally bound hereby, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, which the parties acknowledge is sufficient to create a legally binding agreement, the parties agree as set forth herein.

ARTICLE 1
TERRITORY AND DEVELOPMENT SCHEDULE

Section 1.1 Territory and Development Schedule. Subject to this Development Agreement, Franchisor hereby grants to Developer, and Developer accepts, certain rights to develop Chili's Restaurants (the "Franchised Restaurant(s)") in the "Territory" set forth in Section 1.1(a) and in accordance with the "Development Schedule" set forth in Section 1.1(b).

(a) Description of Territory. *[to be inserted]*

(b) Development Schedule. Recognizing that time is of the essence, Developer agrees to exercise each of the development rights granted hereunder in accordance with this Development Agreement and the "Development Schedule" set forth below. Developer's failure to comply to the Development Schedule shall constitute a material event of default under this Development Agreement as provided in Article 7.

BY DATE -----	CUMULATIVE TOTAL NUMBER OF FRANCHISED RESTAURANTS WHICH DEVELOPER SHALL HAVE OPEN AND IN OPERATION IN THE TERRITORY -----
------------------	--

Section 1.2 Territorial Exclusivity and Exceptions. Except as set forth below and otherwise subject to Developer's compliance with this Development Agreement and any Franchise Agreement, Franchisor shall not develop, nor license anyone other than Developer to develop, a Chili's Restaurant under the System in the Territory during the term of this Development Agreement.

(a) Franchisor, any franchisee of Franchisor, and any other authorized person or Entity (defined below) may, at any time, advertise or promote the System and fulfill customer orders in the Territory. The term "Entity" means a corporation, general partnership, joint venture, limited partnership, limited liability partnership, limited liability company, trust, estate or other business entity.

(b) Franchisor (on its behalf and on behalf of any other Entity which it may acquire, or be acquired by, or otherwise become affiliated with) retains all rights not expressly granted in this Development Agreement and reserves the right to establish other restaurants in the Territory (except a Chili's Restaurant under the System in the Territory during the term of this Development Agreement).

(c) Franchisor reserves the right to develop and establish other tradenames, service marks, trademarks, logos, emblems and indicia of origin which may be similar to, or different from, the Chili's Marks (collectively, the "Other Marks"). The Other Marks shall be separate and distinct from the Chili's Marks referenced in this Development Agreement; therefore, (A) Developer shall have no rights to the Other Marks, and (B) Franchisor (on its behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise become affiliated with) reserves the right to establish, develop, construct,

open, and operate restaurants, other food service operations and other businesses under the Other Marks at any location inside and outside the Territory (either directly or through a franchise, licensing, joint venture or any other arrangement). The Other Marks may include, without limitation, brand extensions or related brands of Chili's Restaurants such as counter-service restaurants, quick-service restaurants or other such restaurants, and the Other Marks may include such restaurants operating under a similar tradename.

(d) The following locations are excluded from the Territory (even if any such location(s) fall within the geographic boundaries of the Territory): airports, railroad and railway stations, schools (including institutions of higher learning), government institutions, military installations, stadiums, sports arenas, casinos, "big box" retail stores, and other locations within institutional or public service operations. Accordingly, Franchisor shall be entitled to establish Chili's Restaurants and other restaurants in airports, railroad and railway stations, schools (including institutions of higher learning), government institutions, military installations, stadiums, sports arenas, and other locations within institutional or public service operations in the Territory whether directly or through one or more franchisees.

(e) Franchisor may offer and sell (or authorize any person or entity to offer and sell) products and services displaying the Chili's Marks or other tradenames and trademarks (e.g., prepackaged food and beverage items, T-shirts and other memorabilia) in the Territory to the public through other methods of distribution other than a Chili's Restaurant (e.g., internet sales, etc.) and Developer acknowledges such products or services may be similar to those offered by Franchised Restaurant(s).

ARTICLE 2

DEVELOPMENT FEE OBLIGATIONS

Section 2.1 Development Fee. In consideration of the development rights granted herein, Developer shall pay to Franchisor upon execution of this Development Agreement a non-refundable, aggregate "Development Fee" in the sum of _____ and 00/100 dollars (\$_____). The aggregate Development Fee shall be fully earned by Franchisor upon execution of this Development Agreement for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the rights granted Developer herein.

Section 2.2 Payments/No Refunds. Under no circumstances will any amounts paid or payable to Franchisor under this Development Agreement be refunded by Franchisor for any reason. All amounts owed to Franchisor pursuant to this Development Agreement shall be paid to and received by Franchisor on or before the date such amount is due. All such payments must be made by wire transfer, electronic payment or other mechanism as designated from time to time by Franchisor, and each payment shall be accompanied by the electronic, digital or other reports as specified by Franchisor. Developer shall not withhold, retain, deduct, credit, and/or offset any amounts which may be owed by Franchisor to Developer (and/or its affiliates or subsidiaries) against any amounts due from Developer to Franchisor.

Section 2.3 Interest on Late Payments. In the event Franchisor does not receive payments when due under this Development Agreement, the unpaid balance due to Franchisor shall bear interest at a rate equal to the lesser of (i) eighteen percent (18%) or (ii) the highest permissible rate under applicable law.

Section 2.4 Taxes. Developer shall promptly pay when due all taxes, duties, and/or fees levied or assessed (including, without limitation, gross receipts taxes, franchise taxes, sales taxes, withholding taxes, value added taxes, and/or any similar taxes, duties, and/or fees) and all accounts and other indebtedness of every kind incurred by Developer under this Development Agreement (collectively, "Taxes"). In the event of any bona fide dispute as to Developer's liability for Taxes, Developer may contest the validity or the amount of such Taxes in accordance with procedures of the taxing authority or applicable law; however, in no event shall Developer permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against this Development Agreement.

(a) All payments made by Developer to Franchisor under this Development Agreement shall be paid in U.S. Dollars and shall be grossed-up and paid by Developer to Franchisor without any retention, deduction, credit, and/or offset for any Taxes. Developer shall, at its sole cost, pay directly to the appropriate taxing authority all Taxes on any amounts paid by Developer under this Development Agreement or otherwise imposed on Franchisor by any taxing authority in the Territory.

(b) It is the parties' intention that all payments by Developer to Franchisor hereunder shall be grossed-up (and without any retention, deduction, credit, and/or offset) for any Taxes in order for Franchisor to receive the entire Development Fee and/or other amounts due to Franchisor under this Development Agreement without any retention, deduction, credit, and/or offset for any Taxes.

(c) Any Taxes imposed upon or with respect to this Development Agreement or any materials, supplies or specifications acquired by or provided to Developer pursuant to or in connection with this Development Agreement shall be paid by Developer.

(d) In the event Franchisor is required under applicable law or otherwise elects (all as determined by Franchisor in its sole discretion) to pay any Taxes to the appropriate taxing authority(ies) in the Territory arising out of this Development Agreement, then Developer shall immediately pay to Franchisor an amount equal to any amount(s) so paid by Franchisor to such taxing authority(ies).

ARTICLE 3 FORMATION OF FRANCHISE AGREEMENT

Section 3.1 Development Agreement Only – No Franchise or Subfranchise Rights. This Development Agreement is not a franchise agreement or subfranchise agreement. This Development Agreement does not grant any right to use (or license the use of) the Chili's Marks or the System. This Development Agreement does not grant any right to operate Franchised Restaurants. Developer or any of Developer's Owners shall not enter into any subfranchise agreement, management agreement, operating agreement, consulting arrangement, subcontracting arrangement, outsourcing arrangement, or any other similar arrangement relating to the rights and obligations of Developer hereunder. This Development Agreement (including the rights, obligations, duties, and benefits hereunder) is intended solely for the parties hereto, and no other person or entity shall have any rights, obligations, duties, and benefits under this Development Agreement.

Section 3.2 Franchise Agreement. Each Franchised Restaurant shall be established at specific locations in the Territory to be designated in separate Chili's® Grill & Bar Franchise Agreements (the "Franchise Agreement(s)") and each Franchised Restaurant shall be operated in accordance with each Franchise Agreement.

Section 3.3 Execution of Franchise Agreement. Developer shall exercise each development right granted herein only by executing a separate Franchise Agreement for each Franchised Restaurant at a site approved by Franchisor in the Territory as hereinafter provided. The Franchise Agreement for each development right exercised hereunder shall be the then-current form of the Franchise Agreement, subject to negotiated changes, if any, to our current form of Franchise Agreement attached hereto as Attachment E and shall be executed by Developer (or an affiliated entity of Developer) as "Franchisee" at least 10 days prior to the commencement of construction of the Franchised Restaurant.

Section 3.4 Franchise Fee. In connection with each Franchise Agreement, Developer shall pay to Franchisor an initial Franchise Fee on or before the commencement of construction of the Franchised Restaurant as set forth in Section 4.1 of the Franchise Agreement. The Franchise Fee shall be fully earned by Franchisor when paid and is not refundable.

Section 3.5 Control and Ownership of Franchisee. In the event Developer will not be the "Franchisee" signing a particular Franchise Agreement, then Developer must own and control no less than fifty-one percent (51%) of the voting equity of Franchisee in question and otherwise subject to all other criteria and requirements concerning (including Franchisor's approval of) the ownership structure, approval, and qualification of Franchisee and Franchisee's Owners (as that term is defined in the Franchise Agreement).

ARTICLE 4 SITE SELECTION AND CONSTRUCTION

Section 4.1 Market Plan, Site Selection, and Site Approval. Developer assumes all cost, liability, expense, and responsibility for locating, obtaining, and developing sites for each Franchised Restaurant and for constructing, equipping, and operating Franchised Restaurants at such sites. Developer's proposed development of a Franchised Restaurant at any site is subject to Franchisor's prior written approval in accordance with Franchisor's then-existing site approval procedures including, but not limited to, the procedures set forth below.

(a) **Market Plan.** Within thirty (30) days after the Effective Date, Developer agrees to prepare and deliver to Franchisor a market plan (in a form and manner prescribed by Franchisor) which incorporates a proposed build-out plan for the Territory in accordance with the Development Schedule and addresses such items as target trade areas in the Territory, development priority and timing, demographic considerations, advertising strategy, market demand analysis, traffic patterns, site selection and availability, and similar items (the "Market Plan").

(b) **Site Selection and Site Approval.** Prior to acquisition by lease or purchase of a site for a Franchised Restaurant in the Territory, Developer shall submit to Franchisor for each Franchised Restaurant, in the form prescribed by Franchisor, financial proformas, a description of the site, a market feasibility study for the site (which shall include, but not be limited to, demographic information, traffic count and patterns, site plans, relationship of the site to potential competition as well as relationship of the site to existing Chili's Restaurants and other information requested by Franchisor), and such other

information or materials as Franchisor may reasonably require, together with a letter of intent or other evidence satisfactory to Franchisor, which confirms Developer's favorable prospects for obtaining the site. Recognizing that time is of the essence, Developer agrees that it must submit such information and materials for each proposed site to Franchisor in writing for its approval. Franchisor shall have 30 days after receipt of such information and materials from Developer to approve or disapprove the proposed site as the location for a Franchised Restaurant, which approval shall not be unreasonably withheld. No site shall be deemed approved unless it has been expressly approved in writing by Franchisor.

(c) **Execution of Franchise Agreement.** At least 10 days prior to the commencement of construction of the Franchised Restaurant (but only after (i) the location for a Franchised Restaurant is approved by Franchisor, (ii) such location is leased or acquired by Developer in accordance with the requirements of this Article 4, and (iii) Developer has otherwise complied with this Article 4), Developer shall execute a Franchise Agreement relating to the Franchised Restaurant and its street address shall be recorded in the Franchise Agreement.

Section 4.2 Developer's Purchase Contract and/or Lease Agreement. If Developer will purchase the premises for any Franchised Restaurant, then upon request by Franchisor, Developer shall deliver a copy of the final purchase contract to Franchisor prior to its execution. Within three (3) days after request by Franchisor, Developer shall furnish to Franchisor a copy of the executed purchase contract. If the Developer will occupy the premises of any Franchised Restaurant under a lease agreement, then upon request by Franchisor, Developer shall deliver a copy of the final lease agreement to Franchisor prior to its execution. Within three (3) days after request by Franchisor, Developer shall furnish to Franchisor a copy of the executed lease agreement. Unless Developer has obtained Franchisor's written consent to the exclusion of a required provision, each lease agreement shall include the terms set forth in clauses (a)-(h) below.

(a) That the premises shall be used for the operation of the Franchised Restaurant.

(b) That lessor consents to the use of such Chili's Marks and signs, decor, color scheme and related components of the System as Franchisor may prescribe for the Franchised Restaurant.

(c) That lessor agrees to furnish Franchisor with copies of any and all letters and notices sent to Developer pertaining to the lease and the premises, at the same time that such letters and notices are sent to Developer.

(d) That Developer (or tenant) may not sublease or assign all or any part of its occupancy rights, or extend the term of or renew the lease, without Franchisor's prior written consent, which shall not be unreasonably withheld.

(e) That Franchisor shall have the right to enter the premises to make any modification necessary to protect the Chili's Marks or to cure any default under the lease, this Development Agreement, or the Franchise Agreement.

(f) That Developer shall have the right to assign the lease to Franchisor and the Franchisor shall have the option (but not the obligation) to assume Developer's occupancy rights, and the right to sublease, for all or any part of the term of the lease, without the lessor having any right to impose conditions on such assignment or assumption or to obtain payment in connection therewith.

(g) That Developer and lessor shall not amend or otherwise modify the lease in any manner that would materially affect any of the foregoing requirements without Franchisor's prior written consent.

(h) That lessor acknowledges and agrees that any furniture, fixtures, equipment or personal property maintained by Developer on the leased premises, whether leased or owned by Developer, are not the property of lessor and shall be subject to Franchisor's purchase option provided for herein or in the Franchise Agreement for such Franchised Restaurant in the event of Developer's default under the lease or this Development Agreement or such Franchise Agreement, and may be removed at expiration or termination of the lease, so long as such removal is accomplished without damage to the leased facility.

Section 4.3 Pre-Construction Requirements. Before commencing any construction of a Franchised Restaurant, Developer, at its expense, shall comply, to Franchisor's reasonable satisfaction, with all of the following requirements:

(a) Developer shall employ a qualified architect and engineer who are reasonably acceptable to Franchisor to prepare, for Franchisor's approval, preliminary plans and specifications for site improvement and construction of each Franchised Restaurant based upon prototype drawings furnished by Franchisor. The prototype plans provided by Franchisor shall not be used as construction plans or blue-prints for the Franchised Restaurant, but only as required design concepts, which shall be adapted by Developer and its architect, engineer and contractor to Developer's site.

(i) The standard plans and specifications and/or prototype drawings provided to Developer are proprietary and confidential information belonging to Franchisor, may not be copied or reproduced except to the extent necessary by Developer's architects, engineers or contractors in the performance of their duties. Franchisor may require that such plans and specifications be returned to Franchisor after the opening of the Franchised Restaurant.

(ii) Developer hereby releases and shall hold Franchisor harmless (including its subsidiaries, officers, directors, employees, and agents) from any and all liability, loss, or damages relating to Developer's design, construction, and use of the Franchised Restaurant including, without limitation, liability, loss, or damages related to design or structural flaws in the construction of the Franchised Restaurant and the standard plans and specifications and/or prototype drawings provided to Developer.

(b) Developer shall be responsible for obtaining all zoning classifications and clearances which may be required by the state, provincial or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to each Franchised Restaurant location. After having obtained such approvals and clearances, Developer shall submit to Franchisor, for Franchisor's approval, final plans for construction based upon the preliminary plans and specifications. Once approved by Franchisor, such final plans shall not thereafter be materially changed or modified without the prior written permission of Franchisor.

(c) Developer shall obtain all permits and certifications required for the lawful construction and operation of each Franchised Restaurant and shall certify in writing to Franchisor that all such permits and certifications have been obtained.

(d) Developer shall employ a qualified licensed general contractor who is reasonably acceptable to Franchisor to construct each Franchised Restaurant and to complete all improvements. Developer shall obtain and maintain in force during the entire period of construction builder's risk (or equivalent local) insurance and performance and completion bonds in forms and amounts and written by a carrier or carriers reasonably satisfactory to Franchisor.

(e) Developer shall employ a qualified person who is responsible for the purchasing of materials, equipment and supplies for the Franchised Restaurant. In that regard, Developer shall require this person to attend an orientation at Franchisor's home office in Dallas, Texas, concerning information and issues related to the procurement and distribution of necessary items for the opening of the Franchised Restaurant.

Section 4.4 Construction and Authorization to Open. Developer shall commence, or make every diligent attempt toward commencement of, construction of a Franchised Restaurant (including acquisition of all necessary permits and licenses) within 180 days after approval by Franchisor of Developer's site or, if the approved location is occupied by an existing tenant on the date of execution of the lease for the premises, then immediately upon obtaining possession of the premises.

(a) Developer shall provide written notice to Franchisor of the date construction of each Franchised Restaurant commenced within 10 days after commencement. Construction shall be deemed to commence on the date on which excavation for footings is begun or other initial construction or remodeling work is commenced. Developer agrees that Franchisor and its agents shall have the right to inspect the construction at all reasonable times for the purpose of ascertaining that all work complies with the final plans approved by Franchisor. However, Developer shall assume full responsibility for completing construction of the Franchised Restaurant in accordance with the approved plans, employing its architect, as necessary, to oversee such construction in accordance with the plans. Developer shall warrant and certify to Franchisor upon completion of construction that the structure has been built in accordance with the Franchisor-approved plans and specifications, with such exceptions, subject to Franchisor approval, as are noted in such certification.

(b) Developer shall maintain reasonably continuous construction of each Franchised Restaurant and its premises and shall complete construction (including all exterior and interior carpentry, electrical, painting, and finishing work, and installation of all furniture, fixtures, equipment and signs) in accordance with the approved final plans, at Developer's expense, within 240 days after commencement of construction (exclusive of time lost by reason of strikes, lockouts, fire, other casualties, acts of God, weather and other factors beyond the reasonable control of Developer).

(c) Developer shall notify Franchisor of the date of completion of construction and, within a reasonable time thereafter, Franchisor may at its option conduct a final inspection of each Franchised Restaurant and its premises.

(d) Prior to opening a Franchised Restaurant for business, Developer shall comply with all opening requirements set forth in this Development Agreement, the Franchise Agreement, the Chili's Franchise Manual (defined below), and/or elsewhere in writing by Franchisor. Franchisee shall

not, in any event, open a Franchised Restaurant to the public for business until Franchisee has received authorization to open from Franchisor.

Section 4.5 Release by Developer. As stated above, Developer assumes all cost, liability, expense, and responsibility for locating, obtaining, and developing sites for each Franchised Restaurant and for constructing, equipping, and operating Franchised Restaurants at such sites. Developer acknowledges that Franchisor's approval of a prospective site and the rendering of assistance in connection with the foregoing does not constitute a representation, promise, warranty, or guarantee by Franchisor that a Franchised Restaurant operated at that site will be profitable or otherwise successful. Accordingly, Developer releases Franchisor and shall hold Franchisor harmless (including its subsidiaries, officers, directors, employees, and agents) from any and all liability, loss, or damages which may arise from Developer's locating, obtaining, and developing sites for each Franchised Restaurant and for constructing, equipping, and operating Franchised Restaurants at such sites.

ARTICLE 5 TERM

Unless sooner terminated in accordance with the provisions of this Development Agreement, the term of this Development Agreement (and all rights granted by Franchisor hereunder) shall expire on the first to occur of (i) date on which Developer has completed the Development Schedule in accordance with the terms hereof and the last Franchised Restaurant required by this Development Agreement is open and operating, or (ii) _____, 20__ (the "Term").

ARTICLE 6 DUTIES AND REPRESENTATIONS OF THE PARTIES

Section 6.1 Duties of Franchisor. Franchisor shall furnish to Developer the following:

(a) Promptly after the Effective Date, site selection counseling and assistance related to Chili's Restaurants as Franchisor may deem advisable. Additionally, Franchisor will from time to time, at its option, make available to Developer, at a reasonable cost, reports containing demographic and market data and real estate analyses.

(b) Additional evaluation as Franchisor, in its sole discretion, deems advisable in response to Developer's requests for site approval; provided that Franchisor shall not provide evaluation for any proposed site prior to the receipt of all required information and materials concerning such site. If an additional evaluation is requested by Developer, Developer shall reimburse Franchisor for all reasonable expenses incurred by Franchisor in connection with such evaluation, including, without limitation, the cost of travel, lodging, and meals.

(c) One (1) construction/design evaluation of the first Franchised Restaurant developed by Developer or the first "special" (i.e. "non-prototype") restaurant developed by Developer at no charge. If you request an additional evaluation for your first Franchised Restaurant, Developer must reimburse Franchisor for Franchisor's reasonable expenses, including the cost of travel, lodging, and meals for each additional evaluation visit.

(i) Regardless of Developer's requests for such evaluation, Franchisor reserves the right to evaluate Developer's construction/design

process and any such evaluation will be at Franchisor's sole cost and expense (unless such evaluation is required due to Franchisor's reasonable concerns with Developer's construction/design process and, in such event, Developer shall reimburse Franchisor for all reasonable expenses incurred by Franchisor in connection with such evaluation(s) including, without limitation, the cost of travel, lodging and meals).

(ii) Developer must also reimburse Franchisor for reasonable expenses, including the cost of travel, lodging, and meals for all construction/design evaluations that Franchisor performs for your second or subsequent Franchised Restaurants.

(d) Within a reasonable period after the Effective Date, standard plans and specifications for the construction of a Chili's Restaurant and for the exterior and interior design and layout, fixtures, furnishings and signs for use by Developer in accordance with Section 4.3.

Section 6.2 Representations of Developer. Developer makes the following representations, warranties and covenants and accepts the following obligations:

(a) Developer shall comply with all terms and conditions set forth in this Development Agreement. If Developer is a corporation, limited liability company, or partnership, then Developer is duly organized and validly existing under the state law of its formation.

(b) If Developer is a corporation, limited liability company, or partnership, then Developer is duly qualified and is authorized to do business in each jurisdiction in which its business activities or the nature of the properties owned by it require such qualification.

(c) Developer's corporate charter, articles of organization, articles of incorporation, shareholder agreements, or written partnership agreement shall at all times provide that the activities of Developer are confined exclusively to developing and operating Franchised Restaurants unless otherwise consented to by Franchisor in writing.

(d) The execution of this Development Agreement and the performance of Developer's obligations hereunder have been duly authorized by Developer and are within Developer's corporate power or permitted under Developer's partnership or limited liability company agreement.

(e) If Developer is a corporation, then Developer has delivered to Franchisor copies of Developer's articles of incorporation, bylaws, resolution of the board of directors authorizing entry into and performance of this Development Agreement, other governing documents and any amendments thereto.

(f) If Developer is a limited liability company, then Developer has delivered to Franchisor copies of Developer's articles of organization, operating agreement, membership transfer agreement, a resolution of the members or manager authorizing entry into and performance of this Development Agreement, other governing documents and any amendments thereto.

(g) If Developer is a partnership, then Developer has delivered to Franchisor copies of Developer's written partnership agreement, evidence of consent or approval of the entry into and

performance of this Development Agreement by the requisite number or percentage of partners (if such approval or consent is required by Developer's partnership agreement), other governing documents and any amendments thereto.

(h) Attachment A contains a complete list of all owners (both direct and indirect) of any type of interest in Developer and such individuals and/or entities shall be deemed as "Developer's Owners" for the purposes of this Development Agreement. At all times, Developer shall maintain a current list of Developer's Owners and such list shall be certified by the Managing Owner and furnished to Franchisor upon request. If necessary, Developer shall execute an addendum to Attachment A to ensure the information contained in Attachment A complies with this Development Agreement.

(i) If Developer is a corporation, Developer shall maintain stop-transfer instructions against the transfer on its records of any equity securities of Developer and each stock certificate of the corporation shall have conspicuously endorsed upon its face a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to all restrictions imposed upon assignments by this Development Agreement.

(j) If Developer is a limited liability company, its operating agreement, membership transfer agreement, and any other relevant agreement, shall provide that ownership of an interest in Developer is held subject to all restrictions imposed upon assignments by this Development Agreement.

(k) If Developer is a partnership, then Developer's written partnership agreement shall provide that ownership of an interest in the partnership is held subject to and that further assignment or transfer is subject to all restrictions imposed upon assignments by this Development Agreement.

(l) If any officer or director of Developer shall cease to serve as such or any individual shall be elected as an officer or director of Developer subsequent to the execution of this Development Agreement, then Developer agrees to provide Franchisor with notice thereof within ten (10) days after such change. In the event such newly elected officer or director is a "Managing Owner" or "Operating Partner", then Developer shall cause such newly elected officer or director to comply with the relevant portions of this Development Agreement.

(m) Developer acknowledges and agrees that the representations, warranties and covenants set forth in Sections 6.2(a)-(l) are continuing obligations of Developer and that any failure to comply with such representations, warranties and covenants shall constitute a material event of default under Article 7 pursuant to which Franchisor may terminate this Development Agreement in addition to such other rights and remedies available to Franchisor hereunder. Developer shall cooperate with Franchisor in any efforts made by Franchisor to verify Developer's compliance with such representations, warranties and covenants.

Section 6.3 Managing Owner and Operating Partner.

(a) Managing Owner. Developer shall designate and retain an individual to serve as the "Managing Owner" of the Franchised Restaurant. The Managing Owner (i) shall be deemed as a "Franchisee's Owner" hereunder and must have the largest share of unencumbered equity ownership in Developer, (ii) must be authorized by the Developer to bind the Developer in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Developer, (iii) must be authorized by the

Developer to direct any actions necessary to ensure compliance with this Development Agreement, and (iv) must devote his full time and best efforts toward the satisfaction of Developer's obligations under this Development Agreement. Managing Owner's interest in Developer shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options.

(i) Developer has not taken and agrees that it will not hereafter take, whether directly or indirectly, any action to avoid the authority requirements of the Managing Owner through the entry of limiting board resolutions, management agreements, amendment of governing documents or any other similar device or arrangement. Developer agrees to furnish Franchisor with such evidence as Franchisor may request from time to time for the purpose of assuring Franchisor that the Managing Owner's authority remains as represented herein.

(b) Operating Partner. If the Managing Owner does not intend to devote his full time and best efforts toward the satisfaction of Developer's obligations under this Development Agreement (as referenced in clause (iv) of Section 6.3(a)), then Developer must also designate an individual "Operating Partner" who must be approved by Franchisor and the Operating Partner (i) shall be deemed as a "Franchisee's Owner" hereunder and must be authorized by the Developer to bind the Developer in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Developer, (ii) must be authorized by the Developer to direct any actions necessary to ensure compliance with this Development Agreement, and (iii) must devote his full time and best efforts toward the satisfaction of Developer's obligations under this Development Agreement with no operational or management commitments to other businesses.

(i) The Operating Partner must live within the Territory. Except as may otherwise be provided in this Development Agreement, the Operating Partner's interest in Developer shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options.

(c) Developer shall not change the Managing Owner and/or Operating Partner without the prior written consent of Franchisor. Any sale, transfer or assignment of the Managing Owner's interest in Developer, or any portion thereof, shall be subject to the restrictions on transfer described in Article 8 and any failure to comply with such requirements shall be deemed a material event of default by Developer under Article 7. Any sale, transfer or assignment of the Operating Partner's interest in Developer, or any portion thereof (if any), shall be subject to the restrictions on transfer described in Article 8 and any failure to comply with such requirements shall be deemed a material event of default by Developer under Article 7.

Section 6.4 Initial and Continuing Training. Developer, Managing Owner, and Operating Partner shall complete, to Franchisor's satisfaction, all initial and continuing training required by Franchisor under this Development Agreement or any Franchise Agreement and Developer shall bear all expenses (including training materials, travel, lodging and food) of such training.

Section 6.5 Confidential Information. Developer and Developer's Owners shall not, during the term of this Development Agreement and for a period of five (5) years thereafter, communicate, divulge or use for the benefit of any other person, partnership, association, or corporation any

confidential information, trade secrets, knowledge, or know-how concerning the Chili's Marks, System, Chili's Franchise Manual (defined below), and methods of development and operation of the Franchised Restaurant (collectively, the "Confidential Information"). The foregoing items shall be deemed as Confidential Information regardless of whether such items are disclosed to Developer under a "confidentiality notice". In addition to the foregoing, any and all information, drawings, knowledge, know-how and techniques used in or related to the Franchised Restaurants including, without limitation, software licensed or provided by Franchisor, recipes, training materials, construction plans and specifications, marketing information and strategies, and site evaluation and selection techniques shall be deemed as "Confidential Information".

(a) Developer and Developer's Owners (i) shall disclose Confidential Information only to such of Developer's employees as must have access to it in order to develop and operate the Franchised Restaurant(s), (ii) shall not copy, duplicate, record, or otherwise reproduce the Confidential Information, in whole or in part, nor otherwise make the same available to any unauthorized person, and (iii) shall be solely responsible to ensure that Developer's managers, employees, agents, or independent contractors of Developer having access to Confidential Information comply with this Article 6 and do not communicate, divulge or use Confidential Information in violation of this Article 6.

Section 6.6 Confidentiality Agreement. In addition to Developer's obligations under Section 6.5(a), Franchisor may request that Developer require Developer's Owners and its managers, employees, agents, or independent contractors having access to Confidential Information to execute a "Confidentiality Agreement" in the form contained in Attachment B.

Section 6.7 Chili's Franchise Manual. The term "Chili's Franchise Manual" or "CFM" (a/k/a the Manual of Operating Data or the MOD Manual) means the manuals, policies, specifications, standards, checklists, evaluation forms, spreadsheets, guides, recipes, handbooks, documents, and other information designated by Franchisor from time-to-time regarding the System and Chili's Restaurants. For convenience, the Manual of Operating Data, MOD Manual, and the Chili's Franchise Manual are collectively referenced in this Franchise Agreement as the CFM. The CFM is part of the System and may be updated, modified, and/or revised by Franchisor from time-to-time in its sole discretion. The CFM also includes such other manuals, policies, specifications, standards, guides, documents, and other information as may be designated by Franchisor in the future with respect to Chili's Restaurants.

(a) During the Term, Developer shall remain in strict conformity with the System and the CFM and Developer shall also develop the Franchised Restaurants in strict conformity with the CFM and this Development Agreement.

(b) Franchisor has the right, at its option, to furnish the CFM to Developer in the form of paper copies, electronic copies, on computer diskette or CD-Rom, or electronic copies accessed through the internet, designated website(s), or other media. The CFM (in whole or in part) is currently located at the following website (<https://franchise.brinker.com>), but Franchisor may update, modify, and/or revise such website from time-to-time in its sole discretion.

(c) Franchisor has the right to update, modify, and/or revise the System and/or the CFM in the future to reflect changes to Chili's Restaurants and changes in the System, image, specifications, standards, procedures, approved products, and other items. In such event, Developer shall thereafter comply with the System and/or CFM, as updated, modified, and/or revised.

Section 6.8 Breach of Confidentiality. Developer acknowledges that any failure to comply with the requirements of Sections 6.5, 6.6, and/or 6.7 shall constitute a material event of default under Article 7 and will cause Franchisor irreparable injury. Therefore (in addition to any other remedies under Article 7), Developer agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of such Sections.

Section 6.9 Compliance with Laws and Industry Standards. Developer shall comply with all requirements of federal, state and local laws, rules and regulations and shall be responsible for all costs associated with such compliance. Developer shall, at its sole cost, comply (i) with rules and regulations promulgated by industry groups, trade associations, and similar non-governmental (and/or quasi-governmental) organizations so long as Franchisor's company-owned Chili's Restaurants also comply with such rules and regulations and/or (ii) rules and regulations promulgated by Franchisor which are reasonably consistent with rules and regulations promulgated by industry groups, trade associations, and similar non-governmental (and/or quasi-governmental) organizations so long as Franchisor's company-owned Chili's Restaurants also comply with such rules and regulations.

Section 6.10 Limitations on Developer's Use of Chili's Marks. As referenced in Section 3.1, this Development Agreement does not grant any right to use (or license the use of) the Chili's Marks or the System. Accordingly, Developer agrees that:

(a) Franchisor is the owner or licensee of all right, title and interest in and to the Chili's Marks and the goodwill associated with and symbolized by them.

(b) The Chili's Marks are valid and serve to identify the System and those who are authorized to operate under the System.

(c) Developer shall not directly or indirectly contest the validity or Franchisor's ownership of the Chili's Marks.

(d) Developer's use (if any and subject to prior written approval of Franchisor for each such use) of the Chili's Marks under this Development Agreement does not give Developer any ownership interest or other interest in or to the Chili's Marks.

(e) Any and all goodwill arising from Developer's use of the Chili's Marks under this Development Agreement shall inure solely and exclusively to Franchisor's benefit, and upon expiration or termination of this Development Agreement, no monetary amount shall be assigned as attributable to any goodwill associated with Developer's use of the Chili's Marks.

(f) The right and license of the Chili's Marks granted hereunder to Developer (if any and subject to prior written approval of Franchisor for each such use) is non-exclusive, and Franchisor thus has and retains the rights, among others:

(i) To use the Chili's Marks itself in connection with selling products and services;

(ii) To grant other licenses for the Chili's Marks, in addition to those licenses already granted to existing franchisees;

(iii) To develop and establish other systems using the same or similar Chili's Marks, or other Chili's Marks, and to grant licenses or franchises thereto without providing any rights therein to Franchisee; and

(iv) To develop and establish the Other Marks and exclude the Other Marks from the Chili's Marks pursuant to and in accordance with Section 1.2(b) of this Development Agreement.

Section 6.11 Internet and Electronic Commerce. Developer shall not advertise or use the Chili's Marks over the Internet (or any other form of electronic commerce and/or electronic media) without Franchisor's prior written consent. Developer shall not develop, create, establish, and/or use any website or other electronic media which uses, and/or creates any association with, the System and/or the Chili's Marks (including any abbreviation, acronym, phonetic variation, or visual variation).

(a) All domain names using, and/or creating any association with, the System and/or the Chili's Marks (including any abbreviation, acronym, phonetic variation, or visual variation) shall be registered in Franchisor's name. Franchisor may grant to Developer a non-exclusive license to use domain name(s) selected by Franchisor for Developer's use in accordance with this Development Agreement. Developer shall not register any domain name in any class or category that uses or creates any association with the System and/or Chili's Marks (including any abbreviation, acronym, phonetic variation, or visual variation) without Franchisor's prior written consent.

(b) Developer agrees that any consent by Franchisor to develop, create, establish, advertise, register, and/or use any of the Chili's Marks over the Internet (or any other form of electronic commerce and/or electronic media) shall be subject to certain conditions including, without limitation, requirements as to form, content, and appearance; requirement of a hypertext link to Franchisor's website(s); prohibitions on hypertext links to third-party websites; and other requirements, restrictions, and prohibitions deemed necessary by Franchisor.

(c) On termination or expiration of this Development Agreement (or in the event Developer fails to comply with this Section 6.11), then Franchisor shall have the right (in addition to Franchisor's other rights and remedies hereunder) to revoke its consent to Developer's development, creation, establishment, advertisement, registration, and/or use any of the Chili's Marks over the Internet or any other form of electronic commerce and/or electronic media (including, without limitation, website(s) and domain names) and, in such event, Developer shall immediately cease all such activities and shall immediately take all actions reasonably required to disassociate Developer from all such activities.

Section 6.12 Outsourcing by Franchisor. Franchisor may, in its sole discretion, elect to outsource and/or subcontract certain of Franchisor's obligations set forth in this Development Agreement to subsidiaries, affiliates, contract employees, third-party vendors, and/or other third-party suppliers; provided (i) any such outsourcing and/or subcontracting shall not discharge Franchisor from its obligations under this Development Agreement, and (ii) any such outsourced or subcontracted obligations shall be performed in accordance with the terms of this Development Agreement.

Section 6.13 Copyrights. Developer acknowledges that Franchisor or its affiliates own the worldwide copyright and other ownership rights to the CFM, and all components of the System that are written, electronic, and/or magnetic media subject to copyright (collectively, the "Copyright Materials").

Developer acknowledges and agrees that it may only make modifications to the Copyright Materials upon receiving the prior written consent of Franchisor. Developer agrees to use proper copyright and other proprietary notices in connection with all Copyright Materials or translations, modifications or adaptations of the Copyright Materials and conform to Franchisor's standards for protecting its rights. Developer agrees to promptly cause the execution of any assignments, waivers of rights, or other documents, and take any further actions needed or advisable to ensure that Franchisor has such copyright and other rights described in this Section 6.13.

ARTICLE 7 DEFAULT AND TERMINATION

Section 7.1 Obligations Material. Developer acknowledges and agrees that each of the Developer's obligations described in this Development Agreement is a material and essential obligation of Developer; that nonperformance of such obligations will adversely and substantially affect Franchisor and the System; and agrees that the exercise by Franchisor of the rights and remedies set forth herein are appropriate and reasonable.

Section 7.2 Reliance by Franchisor. The rights granted to Developer in this Development Agreement have been granted in reliance on Developer's representations that Developer will timely perform and discharge Developer's obligations under this Development Agreement in accordance with the terms of this Development Agreement.

Section 7.3 Default and Automatic Termination.

(a) Developer shall be deemed to be in default under this Development Agreement, and all rights granted herein, at Franchisor's option, shall automatically terminate without notice to Developer, if Developer shall become insolvent or make a general assignment for the benefit of creditors; or if Developer files a voluntary petition under any section or chapter of federal bankruptcy laws or under any similar law or statute of the United States or any state thereof, or admits in writing its inability to pay its debts when due; or if Developer is adjudicated a bankrupt or insolvent in proceedings filed against Developer under any section or chapter of federal bankruptcy laws or under any similar law or statute of the United States or any state thereof; or if a bill in equity or other proceeding for the appointment of a receiver of Developer or other custodian for Developer's business or assets is filed and consented to by Developer; or if a receiver or other custodian (permanent or temporary) of Developer's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under any state or federal law should be instituted by or against Developer; or if a final judgment remains unsatisfied or of record for 30 days or longer (unless a supersedeas or other appeal bond is filed); or if Developer is dissolved; or if execution is levied against Developer's business or property; or if suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Restaurant developed hereunder is instituted against Developer and not dismissed within 30 days; or if the real or personal property of any Franchised Restaurants developed hereunder shall be sold after levy thereupon by any sheriff, marshal or constable.

(c) Any purported assignment, transfer, conveyance, give away, gift, pledge, mortgage or other encumbrance (by operation of law or otherwise) by Developer and/or Developer’s Owners which does not comply with Article 8.

Section 7.4 Other Defaults by Developer. Each of the following shall be deemed an event of default by Developer under this Development Agreement.

(a) Developer fails to comply with the Development Schedule.

(b) Developer fails to pay the Development Fee and/or any other amounts due hereunder.

(c) Developer fails to lease or purchase and construct and open each Franchised Restaurant pursuant to the time limits as provided in Article 4 hereof.

(d) If Developer or any of Developer’s Owners is convicted (regardless of any pending appeal) of a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on Franchisor, the System, the Chili’s Marks, and/or the goodwill associated therewith.

(e) Developer or any of Developer’s Owners engages in conduct that is deleterious or reflects unfavorably on Franchisor, the System, the Chili’s Marks, and/or the goodwill associated therewith including, without limitation, conduct which exhibits a disregard for the physical and mental well-being of employees, customers, Franchisor’s representatives, the public at large (e.g., battery, assault, sexual harassment, discrimination, and other forms of threatening, outrageous, or socially unacceptable behavior).

(f) Failure by Developer to maintain a responsible credit rating by failing to make prompt payment of undisputed bills, invoices and statements from suppliers of goods and services to Developer (including where such supplier is Franchisor).

(j) Failure by Developer, Developer's Owners, Managing Owner, and/or Operating Partner to comply with any other provisions of this Development Agreement.

(k) Developer (including affiliates, subsidiaries, successors, and assigns), Developer's Owners, Managing Owner, and/or Operating Partner fail to comply with the terms of any other agreement between Developer and Franchisor (including any Franchise Agreement).

(l) The "Franchisee" under a Franchise Agreement fails to comply with the terms of any Franchise Agreement (and such failure is not cured within the applicable cure period, if any, set forth in such Franchise Agreement).

Section 7.5 Remedies for Default by Developer. In the event of a default under Section 7.4, then Franchisor may, at its option, elect any one or more of the following remedies.

(a) Franchisor may terminate this Development Agreement and all rights granted hereunder, effective immediately upon notice to Developer.

(b) If Developer shall fail to comply with the Development Schedule (as referenced in Section 7.4(a) above), then Franchisor shall have the right, at its sole option, to temporarily forbear the pursuit of its other remedies under this Section 7.5 by requiring Developer to pay Franchisor the sum of Ten Thousand and 00/100 United States Dollars (US\$10,000) per month for up to one (1) year, and, so long as Developer is making these payments as they become due, then Franchisor will not terminate this Development Agreement during such temporary forbearance period. If Developer is still not in compliance with the Development Schedule upon expiration of such temporary forbearance period, then Franchisor shall be entitled to all other rights and remedies set forth in this Section 7.5. Franchisor and Developer agree that (i) the foregoing sum is a reasonable estimate of the lost royalties and other fees which would have otherwise been paid to Franchisor under Franchise Agreement(s) in the event Developer had opened and operated Franchised Restaurant(s) in accordance with the Development Schedule and (ii) Franchisor's rights under this Section 7.5(b) are reasonable under the circumstances.

(c) Franchisor may modify, reduce, and/or accelerate the Development Schedule.

(d) Franchisor may terminate, modify, and/or reduce any territorial exclusivity granted Developer in Section 1.2.

(e) Franchisor may modify and/or reduce the Territory granted to Developer in Section 1.1(a).

(f) Franchisor may elect any other right or remedy available to Franchisor under this Development Agreement, at law, or in equity.

Section 7.6 No Cure Period. Developer acknowledges there is no cure period for any of the events of default described above. If any applicable law or rule requires a notice period and/or a cure period, then the notice period and/or cure period required under such law or rule shall be substituted for the requirements herein.

Section 7.7 Rights and Duties upon Termination.

(a) Upon termination of this Development Agreement, (i) Developer's rights under this Agreement shall immediately terminate and Developer shall have no right to develop or operate any Franchised Restaurant(s), except any such restaurant where a Franchise Agreement has been executed and delivered to Developer prior to such termination; (ii) Developer and Developer's Owners shall not identify themselves as a developer or franchisee of the System, except pursuant to rights which may be granted under any Franchise Agreement which is then in effect, and remains in effect; and (iii) Developer and Developer's Owners shall comply with Section 6.5 regarding Confidential Information. Without limiting Sections 3.1 or 6.10 of this Development Agreement, Developer and Developer's Owners shall also comply with the following obligations:

(i) Developer shall immediately and permanently cease to use, in any manner whatsoever, the System, the Chili's Marks (if any and subject to the prior, written approval of Franchisor for each such use), the CFM, and the Confidential Information, except pursuant to rights which may be granted under any Franchise Agreement which is then in effect and remains in effect following the termination of this Development Agreement. In connection with the promotion, advertising, marketing, and/or operation of any other business conducted by Developer and/or Developer's Owners, Developer and Developer's Owners shall not, under any circumstances, use any reproduction, counterfeit, copy or colorable imitation of the Chili's Marks which is likely to cause confusion, mistake, or deception, or which is likely to dilute Franchisor's rights in and to the Chili's Marks. Developer and Developer's Owners shall not use any designation of origin, description, or representation which falsely suggests or represents an association and/or connection with Franchisor.

(ii) Developer shall immediately deliver to Franchisor the CFM, Confidential Information, all written materials bearing the Chili's Marks, and all other records, files, instructions, correspondence, brochures, agreements, invoices, and other materials relating to the development of Franchised Restaurants. Developer shall retain no copy or record of any of the foregoing, except Developer's copy of this Development Agreement and copies of any correspondence between the parties.

(iii) Developer shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the Chili's Marks (if any and subject to the prior, written approval of Franchisor for each such use), except pursuant to rights which may be granted under any Franchise Agreement which is then in effect and remains in effect following the termination of this Development Agreement; Developer shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within five (5) days after termination or expiration of this Development Agreement.

(b) If Franchisor exercises any of the remedies in Sections 7.5(c), 7.5(d), and/or 7.5(e), then Developer shall remain obligated under this Development Agreement and shall comply with the terms hereof (as such terms may have been revised pursuant to Franchisor's exercise of such remedies).

(c) If Franchisor exercises any of the remedies in Sections 7.5(a), 7.5(d), and/or 7.5(e), then Franchisor shall be entitled to establish, and to license others to establish, Chili's Restaurants in the former Territory or in the portion thereof no longer part of the Territory or pursuant to any other modifications of Developer's territorial exclusivity, except as may be otherwise provided under any Franchise Agreement which is then in effect between Franchisor and Developer.

Section 7.8 No Waiver. Franchisor's exercise of its options under Section 7.5 shall not, in the event of a default, constitute a waiver by Franchisor to exercise its option to terminate this Development Agreement at any time with respect to any subsequent event of default of a similar or different nature.

Section 7.9 Remedies Not Exclusive. No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy provided or permitted by law or in equity.

Section 7.10. Default By Franchisor. If Franchisor defaults in the performance of any term of this Development Agreement, then Developer shall deliver written notice of such default to Franchisor within thirty (30) days after such default and such notice shall clearly and definitively specify each act or omission constituting such default. If Developer does not believe that Franchisor has cured such default within sixty (60) days after delivery of such default notice to Franchisor, then Developer shall notify Franchisor that Developer believes such default has not been cured. If Developer fails to notify Franchisor within such 60-day period that such default has not been cured, then such default shall be deemed as cured.

ARTICLE 8 ASSIGNMENT AND TRANSFER

Section 8.1 Transfer by Franchisor. Franchisor shall have the right to transfer or assign this Development Agreement and all or any part of its rights or obligations herein to any person or legal entity. Specifically, and without limitation to the foregoing, Developer agrees that Franchisor may sell its assets, the Chili's Marks, and/or the System to a third party; may offer its securities privately or publicly; may merge, acquire other corporations or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and with regard to any or all of the above sales, assignments and dispositions, Developer expressly and specifically waives any claims, demands, or damages against Franchisor arising from or related to the transfer of the Chili's Marks (or any variation thereof) and/or the System from Franchisor to any other party. Nothing contained in this Development Agreement shall require Franchisor to offer any services or products, whether or not bearing the Chili's Marks, to Developer if Franchisor assigns it rights under this Development Agreement.

Section 8.2 Transfer by Developer. Developer agrees the rights and duties set forth in this Development Agreement are personal to Developer and that Franchisor entered into this Development Agreement in reliance on the business skill, financial capacity and personal character of the Developer and Developer's Owners.

(a) Developer and/or Developer's Owners (i) shall not sell, assign, transfer, convey, give away, gift, pledge, mortgage or otherwise encumber any direct or indirect interest in this Development Agreement and/or the Chili's Marks and (ii) shall not grant a security interest or collateral interest in this Development Agreement and/or Chili's Marks. Developer and/or Developer's Owners shall not sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any direct or

indirect interest in Developer and/or any Franchised Restaurant without the prior written consent of Franchisor which Franchisor may condition upon any or all of the requirements set forth in this Section 8.2 (as determined by Franchisor in its sole discretion).

(b) Any purported assignment, transfer, conveyance, give away, gift, pledge, mortgage or other encumbrance (by operation of law or otherwise) by Developer and/or Developer's Owners which does not comply with this Article 8 (including, without limitation, the prior written consent of Franchisor) shall be null and void and shall constitute an event of default under Section 7.3(c).

(c) Franchisor shall not unreasonably withhold its consent to a transfer of any interest in Developer or in this Development Agreement. Franchisor may, in its sole discretion, require any or all of the following as conditions of its approval:

(i) All of Developer's accrued monetary obligations and all other outstanding obligations to Franchisor, its subsidiaries and its affiliates and third-party suppliers shall have been satisfied.

(ii) Developer is not in default of any provision of this Development Agreement, any amendment hereof or successor hereto, or any other agreement between Developer and Franchisor, or its subsidiaries and affiliates.

(iii) Developer, Developer's Owners, and the proposed transferor shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its subsidiaries and affiliates, successors and assigns and their respective officers, directors, shareholders, partners, employees, servants, representatives and agents, in their corporate and individual capacities, including, without limitation, claims arising under this Development Agreement and federal, state and local laws, rules and ordinances.

(iv) The proposed transferee shall, at Franchisor's election, consistent with then current Franchisor policy, either (a) enter into a written agreement, in a form satisfactory to Franchisor, assuming full, unconditional, joint and several liability for and agreeing to perform from the date of the transfer, all obligations, covenants and agreements contained in this Development Agreement; or (b) execute, for a term ending on the expiration date of this Development Agreement, the standard form development agreement then being offered to new System developers and such other ancillary agreements as Franchisor may require; and if proposed transferee is a corporation, limited liability company or a partnership, transferee's shareholders, members, partners or other investors, as applicable, shall execute such agreements as transferee's principals and shall guarantee the performance of all such obligations, contracts and agreements in writing in a form satisfactory to Franchisor. If such transferee is required to execute a new development agreement, then such agreement shall supersede this Development Agreement and its ancillary documents in all respects and the terms of such agreements may differ from the terms of this Development Agreement.

(v) The proposed transferee shall demonstrate to Franchisor's satisfaction that transferee and transferee's owners meet the criteria considered by Franchisor when

reviewing a prospective developer's application for development rights, including but not limited to Franchisor's educational, managerial and business standards; transferee's good moral character, business reputation and credit rating; transferee's aptitude and ability to perform Developer's obligations under this Development Agreement (as may be evidenced by prior related business experience or otherwise); transferee's ability, financial resources, infrastructure, and capital to meet the Development Schedule and to operate a multi-unit restaurant business; and the geographic proximity of other Chili's Restaurants owned or operated by transferee and the territories or areas with respect to which transferee is obligated to develop Chili's Restaurants pursuant to any development agreement between Franchisor and transferee, in relation to development of the Franchised Restaurants hereunder.

(vi) The proposed transferor shall remain liable for all of the obligations to Franchisor in connection with the development activities prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by Franchisor to evidence such liability.

(vii) At the proposed transferee's expense, the transferee, the transferee's managing owner and the transferee's operating partner shall complete any training programs then in effect for System developers upon such terms and conditions as Franchisor may reasonably require.

(viii) Developer shall pay a "Transfer Fee" of \$5,000.00 or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the application to transfer this Development Agreement and preparing and reviewing transfer documentation, including, without limitation, the costs of background checks, legal and accounting fees (in addition to any other transfer fees that may be payable under applicable Franchise Agreement(s); provided that the total transfer fees payable to Franchisor in connection with any single transfer shall not exceed \$25,000.00). The Transfer Fee shall be paid in two, non-refundable installments: (a) Two Thousand Five Hundred (\$2,500.00) shall be paid together with the delivery to Franchisor of the application from the proposed transferee; and (b) the balance of the Transfer Fee, the amount of such total Transfer Fee to be determined by Franchisor in its sole discretion pursuant to this Section 8.2(c)(viii), shall be paid on or before the date of the transfer.

(ix) If the transferee is a corporation, limited liability company or a partnership, the transferee shall make and will be bound by any or all of the representations, warranties and covenants set forth at Section 6.2. Transferee shall provide to Franchisor evidence satisfactory to Franchisor that the terms of Section 6.2 have been satisfied and are true and correct on the date of transfer.

(x) Developer, Developer's Owners, and the proposed transferor and transferee shall comply with any other conditions that Franchisor reasonably requires from time to time as part of Franchisor's transfer policies including, without limitation, evidence of landlord consent, subordination of purchase price to monetary obligations under this Development Agreement, any Franchise Agreement(s), execution of confidentiality and non-compete agreements, etc.

(d) Developer acknowledges and agrees that each condition that must be met by the transferee is reasonable and necessary to assure such transferee's full performance of the obligations hereunder.

Section 8.3 Transfer for Convenience of Ownership. Any proposed assignment and/or transfer of this Development Agreement by Developer to an affiliated or subsidiary corporation or other entity formed by Developer solely for the convenience of ownership shall be subject to Franchisor's prior written consent which Franchisor may condition upon any or all of the requirements set forth in Section 8.2 (as determined by Franchisor in its sole discretion). With respect to any proposed assignment or transfer under this Section 8.3, Developer shall be the owner of all of the voting stock or interest of such corporation or entity and if Developer is more than one individual, each individual shall have the same proportionate ownership interest in the corporation or entity as such individual had in Developer prior to the transfer.

Section 8.4 Right of First Refusal. The "Right of First Refusal" attached hereto as Attachment D is hereby incorporated into this Development Agreement.

Section 8.5 Transfer Upon Death or Permanent Disability.

(a) Upon the death of any person with an interest in this Development Agreement and/or Developer (the "Deceased"), the executor, administrator or other personal representative of the Deceased shall transfer such interest to a third party approved by Franchisor within twelve (12) months after the death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by Franchisor. If the distributee is not approved by Franchisor, then the distributee shall transfer such interest to a third party approved by Franchisor within twelve (12) months after the death of the Deceased.

(b) Upon the permanent disability of any person with an interest in this Development Agreement or Developer, Franchisor may, in its sole discretion, require such interest to be transferred to a third party in accordance with the conditions described in this Article 8 within six (6) months after notice to Developer. "Permanent disability" shall mean any physical, emotional or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in this Development Agreement or in the Guaranty attached to this Development Agreement for at least ninety consecutive days and from which condition recovery within ninety days from the date of determination of disability is unlikely. Permanent disability shall be determined by a licensed practicing physician selected by Franchisor upon examination of the person; or if the person refuses to submit to an examination, then such person shall be automatically deemed permanently disabled as of the date of such refusal for the purpose of this Article 8. The costs of any examination required by this Section 8.5(b) shall be paid by Franchisor.

(c) Upon the death or claim of permanent disability of any person with an interest in this Development Agreement or Developer, Developer or a representative of Developer must promptly notify Franchisor of such death or claim of permanent disability. Any transfer upon death or permanent disability shall be subject to the same terms and conditions as described in Article 8 for any inter vivos transfer. If an interest is not transferred upon death or permanent disability as required in this Section 8.5, then Franchisor may terminate this Development Agreement.

Section 8.6 Non-Waiver of Claims. Franchisor's consent to a transfer of any interest in the Developer or in this Development Agreement granted herein shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Development Agreement by the transferee.

Section 8.7 Offerings by Developer. Securities or interests in Developer may be offered to third-parties, by public offering, by private offering, or any other type of offering only with the prior written consent of Franchisor (regardless of whether Franchisor's consent is required under this Article 8), which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted to Franchisor for a limited review as discussed below prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for such review prior to their use. No Developer offering shall imply (by use of the Chili's Marks or otherwise) that Franchisor is participating in an underwriting, issuance or offering of Developer or Developer securities; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Developer and Franchisor. Franchisor may, at its option, require Developer's offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in the preceding sentence. Developer and the other participants in the offering must fully indemnify Franchisor in connection with the offering. For each proposed offering, Developer shall pay to Franchisor a non-refundable fee of Ten Thousand and 00/100 Dollars (\$10,000.00). Developer shall give Franchisor written notice at least 30 days prior to the date of commencement of any offering or other transaction covered by this Section 8.7.

ARTICLE 9 NO-COMPETE CLAUSE AND RELATED COVENANTS

Section 9.1 Best Efforts. During the Term, Developer, Managing Owner, and Operating Partner agree to devote full time and best efforts to Developer's obligations under this Development Agreement.

Section 9.2 Receipt of Confidential Information. Developer and Developer's Owners agree (i) they will receive valuable specialized training and Confidential Information which is beyond their present skills and experience, and (ii) that such training and Confidential Information provide a competitive advantage and will be valuable to them in the development and operation of Franchised Restaurant(s), (iii) access to such training and Confidential Information is a primary reason for entering into this Development Agreement, (iv) such training and Confidential Information are provided by Franchisor for the benefit of the System and each Chili's Restaurant under the System and (v) that the System and each such restaurant individually and mutually benefit from all Developer's compliance with the covenants described below.

Section 9.3 No-Compete Clause. In consideration for such training and Confidential Information (and the other benefits provided to Developer by this Development Agreement), Developer and Developer's Owners agree as follows:

(a) During the Term, Developer and Developer's Owners shall not directly, indirectly, or in any manner whatsoever:

(i) Divert or attempt to divert any business or customer of Chili's Restaurants to any Competitive Restaurant (defined below) or otherwise take

any action injurious or prejudicial to the goodwill associated with the Chili's Marks and the System.

(ii) Own, maintain, develop, operate, or have any interest in any Competitive Restaurant.

(iii) The term "Competitive Restaurant" shall be deemed to mean any broad-menu, casual-dining restaurant featuring hamburgers, sandwiches, steaks, salads, barbecue ribs, fajitas, and/or Southwestern cuisine as a primary menu item including, without limitation, such restaurants as Applebee's, Beef O' Brady's, Bennigan's, BJ's Restaurant and Brewpub, Buffalo Wild Wings, Cheddar's Casual Cafe, Hooter's, Houlihan's, Island's, Johnny Rocket's, Logan's Roadhouse, Longhorn Steakhouse, Max & Erma's, Ninety-Nine, O'Charley's, On The Border Mexican Grill & Cantina, Rafferty's, Red Robin, RJ Gator's Florida Food-n-Fun, Roadhouse Grill, Ruby Tuesday, Texas Roadhouse, and TGI Friday's. The term "Competitive Restaurant" shall also be deemed to mean any fast-casual restaurant featuring hamburgers as a primary menu item, including, without limitation, such restaurants as Five Guys Burgers and Fries, Smashburger, and Shake Shack.

(b) Commencing on (i) the expiration or termination of this Development Agreement or (ii) on the date of an approved transfer of all of Developer's interest in this Development Agreement and continuing for a period of two (2) years after such date, Developer shall not directly, indirectly, or in any manner whatsoever:

(i) Divert or attempt to divert any business or customer of Chili's Restaurants to any Competitive Restaurant or otherwise take any action injurious or prejudicial to the goodwill associated with the Chili's Marks and the System.

(ii) Own, maintain, develop, operate, or have any interest in any Competitive Restaurant located in the United States of America.

(c) Commencing on (i) the expiration or termination of this Development Agreement or (ii) on the date which an individual or entity ceases to satisfy the definition of "Developer's Owner" and continuing for a period of two (2) years after such date, such Developer's Owner(s) shall not directly, indirectly, or in any manner whatsoever:

(i) Divert or attempt to divert any business or customer of Chili's Restaurants to any Competitive Restaurant or otherwise take any action injurious or prejudicial to the goodwill associated with the Chili's Marks and the System.

(ii) Own, maintain, develop, operate, or have any interest in any Competitive Restaurant located in the United States of America.

(d) In addition to any other rights and remedies available to Franchisor under this Development Agreement and in the event of a violation of Sections 9.3(a)(ii), 9.3(b)(ii), and/or 9.3(c)(ii),

Franchisor may elect, in its sole discretion, to require Developer to pay to Franchisor an amount equal to three (3) times the annual salary of the person(s) involved in such violation plus an amount equal to costs and attorney's fees incurred by Franchisor in connection with such violation and such amounts shall be deemed as liquidated damages.

Section 9.4 Survival. The terms of this Article 9 shall survive the termination, expiration, or any transfer of this Development Agreement. The parties agree this Article 9 shall be construed as independent of any other provision of this Development Agreement. If all or any portion of this Article 9 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Developer and Developer's Owners expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 9.

Section 9.5 Reduction in Scope. Developer and Developer's Owners agree; that Franchisor shall have the right, in its sole discretion, to reduce the scope of any provision, or portion thereof, in this Article 9 without their consent, effective immediately upon notice to Developer; and Developer and Developer's Owners agree that they shall comply forthwith with any provision as so modified, which shall be fully enforceable notwithstanding Section 15.9.

Section 9.6 No Defense. Developer and Developer's Owners expressly agree that the existence of any claims they may have against Franchisor, whether or not arising from this Development Agreement, shall not constitute a defense to the enforcement by Franchisor of the provisions of this Article 9. In addition to any other rights and remedies, Developer and Developer's Owners agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Article 9.

Section 9.7 Consent to Injunctive Relief. Developer and Developer's Owners acknowledge that a violation of the terms of this Article 9 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Developer and Developer's Owners accordingly consent to the issuance of an injunction prohibiting any conduct by Developer or Developer's Owners in violation of the terms of this Article 9.

Section 9.8 Guaranty of Developer's Obligations. At the sole discretion of Franchisor, Franchisor may require the Managing Owner, Operating Partner, and any other of Developer's Owners may be obligated to execute the Guaranty in the form set forth on Attachment C upon execution of this Development Agreement. If no Guaranty is executed with this Development Agreement, in the event of a monetary default under this Development Agreement (even if such monetary default is cured), Franchisor may, at its option, require the Managing Owner and any of Developer's Owners to sign the Guaranty in the form set forth on Attachment C, in addition to Franchisor's other rights and remedies hereunder.

ARTICLE 10 NOTICE PROVISIONS

Any and all notices, reports and payments permitted or required to be delivered by the provisions of this Development Agreement shall be (i) personally delivered, (ii) delivered by overnight delivery service, (iii) delivered by certified/registered mail, return receipt requested, and/or (iv) delivered

by email, electronic delivery, prepaid telex, or facsimile, provided sender confirms any delivery under this clause (iv) by sending a confirmation copy by overnight delivery service or certified/registered mail, return receipt requested, within one (1) business day after transmission thereof to the respective parties at the addresses listed below. ARTICLE 11 INDEPENDENT CONTRACTOR AND INDEMNIFICATION

Section 11.1 Independent Contractor. The parties agree that Developer is an independent contractor, this Development Agreement does not create a fiduciary relationship between them, and nothing in this Development Agreement is intended to designate either party as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

(a) During the Term, Developer shall hold itself out to the public as an independent contractor developing Franchised Restaurant(s) under this Development Agreement and operating such restaurants under Franchise Agreements with Franchisor. Developer agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place in the Franchised Restaurant(s), the content of which Franchisor reserves the right to specify.

(b) The parties agree that nothing in this Development Agreement authorizes Developer or any of Developer's Owners to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Developer or Developer's Owners or for any claim or judgment arising therefrom against Developer, any of Developer's Owners or Franchisor.

(c) Developer shall be the sole and exclusive employer of its employees with the sole right to hire, discipline, and discharge such employees and the sole right to establish wages, hours, benefits, employment policies, and other terms and conditions of employment for such employees all as determined by Developer in its sole discretion without consultation or approval by Franchisor.

Section 11.2 Indemnity. Developer is responsible for all liability, losses, damages, claims, costs, expenses, and/or debts related to Developer's obligations under this Development Agreement and the development and operation of Franchised Restaurant(s). Developer shall, at all times, indemnify and hold Franchisor (including its subsidiaries, affiliates, successors and assigns and their respective officers, directors, attorneys, shareholders, partners, agents, representatives, independent contractors and employees -- collectively referenced hereinafter as "Indemnitees") harmless to the fullest extent permitted by law (without regard to the cause thereof or the negligence of Indemnitees) from all liability, losses, damages, claims, costs, expenses, and/or debts related to Developer's obligations under this Development Agreement and the development and operation of Franchised Restaurant(s) including, without limitation, liability, losses, damages, claims, costs, expenses, and/or debts related to the following matters:

(a) The infringement, alleged infringement, or any other violation or alleged violation by Developer or any of Developer's Owners of any patent, mark or copyright or other proprietary right owned or controlled by third parties (except as such may occur with respect to any right to use the Chili's Marks or other proprietary information granted hereunder).

(b) The violation, breach or asserted violation or breach by Developer or any of Developer's Owners of any federal, state or local law, regulation, ruling, standard or directive or any industry standard (including, without limitation, any claims related to the employment of Developer's employees).

(c) Libel, slander or any other form of defamation of Franchisor, the System or any developer or Developer operating under the System, by Developer or by any of Developer's Owners;

(d) The violation or breach by Developer or by any of Developer's Owners of any provision of this Development Agreement or in any other agreement between Developer, its subsidiaries and affiliates and Franchisor, its subsidiaries and affiliates or the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees thereof.

(e) Acts, errors, or omissions of Developer, any of Developer's subsidiaries or affiliates and any of Developer's Owners and the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of Developer and its subsidiaries and affiliates in connection with the development and operation of Franchised Restaurant(s).

Section 11.3 Notice to Franchisor. Developer and each of Developer's Owners agree to give Franchisor notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. At the

expense and risk of Developer and each of Developer's Owners, Franchisor may elect to assume (but under no circumstance is obligated to undertake) or associate counsel of its own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation. Such an undertaking by Franchisor shall, in no manner or form, diminish the obligation of Developer and each of Developer's Owners to indemnify the Indemnitees and to hold them harmless.

Section 11.4 Settlement or Other Remedial Actions. In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its judgment deems appropriate, consent or agree to settlements or take such other remedial or corrective actions it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in Franchisor's sole judgment, there are reasonable grounds to believe that (i) any of the acts or circumstances enumerated in Section 11.2 have occurred or (ii) any act, error, or omission as described in Section 11.2(e) may result directly or indirectly in damage, injury, or harm to any person or any property.

(a) All losses and expenses incurred under this Article 11 shall be chargeable to and paid by Developer or any of Developer's Owners pursuant to its obligations of indemnity under this Section, regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity, or defense.

Section 11.5 Definition of Losses and Expenses. As used in this Article 11, the phrase "liability, losses, damages, claims, costs, expenses, and/or debts" shall include, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, reasonable attorney's fees, court costs, settlement amounts, judgments, compensation for damages to the Franchisor's reputation and goodwill, costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

Section 11.6 No Liability. Indemnitees do not assume any liability whatsoever for acts, errors, or omissions of those with whom Developer, any of Developer's Owners, Developer's subsidiaries and affiliates or any of the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of Developer, its subsidiaries or affiliates may contract, regardless of the purpose.

Section 11.7 No Requirement to Pursue Third Party. Under no circumstances shall Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Developer or any of Developer's Owners. Developer and each of Developer's Owners agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Developer or any of Developer's Owners by the Indemnitees.

Section 11.8 Indemnity and Insurance. Developer's obligations under this Article 11 are separate and distinct from any obligations to maintain insurance under this Development Agreement or any Franchise Agreement. Furthermore, Developer's obligation to indemnify and hold Indemnitees harmless shall not be limited by the amount of Developer's insurance (or lack thereof).

Section 11.9 Survival. The terms of this Article 11 shall survive the termination, expiration, or any transfer of this Development Agreement.

ARTICLE 12 APPROVALS

Whenever this Development Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor therefor, and except as may be otherwise expressly provided herein, any approval or consent granted shall be in writing. Franchisor makes no warranties or guarantees upon which Developer or Developer's Owners may rely, and assumes no liability or obligation to Developer or such persons, by providing any waiver, approval, advice, consent, or services to Developer or Developer's Owners in connection with this Development Agreement, or by reason of any neglect, delay, or denial of any request therefor.

ARTICLE 13 NO WAIVER

No failure of Franchisor to exercise any power reserved to it in this Development Agreement or to insist upon compliance by Developer or Developer's Owners with any obligation or condition in this Development Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's rights to demand exact compliance with the terms of this Development Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor shall any delay, forbearance, or omission of Franchisor to exercise any power or right arising out of any breach or default by Developer or Developer's Owners of any of the terms, provisions, or covenants of this Development Agreement affect or impair Franchisor's rights; nor shall such constitute a waiver by Franchisor of any rights hereunder or rights to declare any subsequent breach or default.

ARTICLE 14 DISPUTE RESOLUTION

Section 14.1 Injunctive Relief. Developer agrees that Franchisor may have temporary or preliminary injunctive relief without bond, but upon due notice, and Developer's sole remedy in the event of the entry of such injunctive relief will be the dissolution of the injunctive relief, if warranted, upon hearing duly had (all claims for damages by reason of the wrongful issuance of any injunction being expressly waived).

Section 14.2 Consent to Jurisdiction, Venue, and Governing Law. Developer and Developer's Owners irrevocably (i) submit themselves to the jurisdiction of the State Courts of Texas, located in Dallas County, Texas, and the United States Federal District Court for the Northern District of Texas, Dallas Division; (ii) waive all questions of personal jurisdiction for the purpose of effectuating this provision; (iii) agree that service of process may be made upon any of them in any proceeding relating to, or arising out of, this Development Agreement (including the relationship contemplated by this Development Agreement) by any means allowed by Texas or Federal law; and (iv) agree that venue for any proceeding relating to, or arising out of, this Development Agreement shall be in Dallas County, Texas; provided Franchisor may bring an action for injunctive or other extraordinary relief in any State or Federal District Court which has jurisdiction. With respect to all claims, controversies, disputes, and/or actions, this Development Agreement shall be interpreted and construed under Texas law (without regard to Texas choice of law rules), except that any State law regarding (i) the offer and sale of franchises, (ii) franchise relationships, and/or (iii) business opportunities will not apply unless the applicable jurisdictional requirements are met independently without reference to this paragraph.

Developer, Developer's Owners, and Franchisor acknowledge the terms of this Section 14.2 provide each of the parties with the mutual benefit of uniform interpretation of this Development Agreement and any dispute arising out of the relationship contemplated by this Development Agreement. Developer, Developer's Owners, and Franchisor acknowledge the receipt and sufficiency of mutual consideration for such benefit.

Section 14.3 Place of Execution of Development Agreement. Developer, Developer's Owners, and Franchisor acknowledge (i) this Development Agreement was executed in Dallas County, Texas; and (ii) performance of certain obligations of Developer and Developer's Owners under this

Development Agreement, including payment of monetary sums due hereunder, shall occur at Franchisor's principal offices in Dallas, Texas.

Section 14.4 Costs and Attorneys' Fees. Prior to the commencement of litigation, arbitration, or other dispute resolution procedure and in the event Franchisor incurs costs and expenses (including attorneys' fees) in connection with Developer's failure to comply with (and/or failure to timely pay amounts owing to Franchisor under) this Development Agreement, then Developer shall promptly reimburse Franchisor for such reasonable costs and expenses. In the event of litigation, arbitration, or other dispute resolution procedure between the parties to enforce this Development Agreement, the prevailing party in any such action shall be entitled to recover reasonable costs and expenses from the other party, including, without limitation, court costs, attorneys' fees, and discovery costs.

Section 14.5 Rights of Parties are Cumulative. Franchisor's and Developer's rights under this Development Agreement are cumulative and the exercise or enforcement of any right or remedy under this Development Agreement will not preclude the exercise or enforcement by a party of any other right or remedy under this Development Agreement which it is entitled by law or this Development Agreement to exercise or enforce.

Section 14.6 Waiver of Punitive Damages and Jury Trial. To the fullest extent permitted by law, the parties waive any right to, or claim for, any punitive or exemplary damages against the other party. The parties also agree that, in the event of a dispute between them, the party making a claim will be limited to recovery of actual damages, if any. In addition, the parties irrevocably waive trial by jury in any action, proceeding, and/or counterclaim brought by either party.

Section 14.7 Limitation of Claims. Any and all claims arising out of or relating to this Development Agreement or the relationship among the parties to this Development Agreement will be barred unless an action or proceeding is commenced within one year from the date Developer or Franchisor knew or should have known of the facts giving rise to such claim.

ARTICLE 15 GENERAL PROVISIONS

Section 15.1 Severability. Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision of this Development Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Development Agreement as may remain otherwise

intelligible and legally enforceable, and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions shall be deemed not to be part of this Development Agreement.

Section 15.2 No Benefit. Except as expressly provided to the contrary herein, nothing in this Development Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Developer, Franchisor, Franchisor's officers, directors, managers and employees, and such of Developer's and Franchisor's respective successors and assigns as may be contemplated (and, as to Developer, permitted) by Article 8 hereof, any rights or remedies under or by reason of this Development Agreement.

Section 15.3 Agreement to be Bound. Developer and Developer's Owners, as applicable, expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Development Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

Section 15.4 Captions. All captions in this Development Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision hereof.

Section 15.5 Survival. Any obligation of Developer or Developer's Owners that contemplates performance of such obligation after termination or expiration of this Development Agreement or the transfer of any interest of Developer or Developer's Owners shall be deemed to survive such termination, expiration or transfer.

Section 15.6 Gender. All references herein to the masculine, feminine, neuter, or singular shall be construed to include the masculine, feminine, neuter, or plural, where applicable, and vice versa; and, without limiting the obligations individually undertaken by Developer's Owners hereunder, all acknowledgments, promises, covenants, agreements, and obligations herein made or undertaken by Developer shall be deemed jointly and severally undertaken by all those executing this Development Agreement on behalf of Developer.

Section 15.7 References to Corporation or Partnership. Each reference in this Development Agreement to a corporation or partnership shall be deemed to also refer to a limited liability company and any other Entity or organization similar thereto. Each reference to the organizational documents, owners, directors, and officers of a corporation in this Development Agreement shall be deemed to refer to the functional equivalents of such organizational documents, owners, directors, and officers, as applicable, in the case of a limited liability company or any other Entity or organization similar thereto.

Section 15.8 Multiple Counterparts. This Development Agreement may be executed in one or more counterparts and each counterpart copy so executed shall be deemed an original.

Section 15.9 Entire Agreement. This Development Agreement, the documents referred to herein, and the Attachments hereto, constitute the entire, full, and complete agreement between Franchisor and Developer concerning the subject matter hereof and shall supersede all prior agreements,

discussions, correspondence, understandings and/or communication in any form or format between the parties hereto with respect to the subject matter hereof. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Development Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Development Agreement is intended to disclaim any representations made by Franchisor in the franchise disclosure document provided to Developer by Franchisor.

Section 15.10 Business Days. The term “business days” means any days excluding Saturday, Sunday and the following national holidays: New Year’s Day, Martin Luther King Day, Presidents’ Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans’ Day, Thanksgiving and Christmas.

Section 15.11 Developer’s Responsibility For Developer’s Owners. Developer shall be solely and completely responsible to ensure (and cause) each of Developer’s Owners to comply with the terms of this Development Agreement and each of Developer’s Owners must sign the Signature Page of Developer’s Owners attached hereto. Developer agrees that any violation of the terms of this Development Agreement by Developer’s Owners shall constitute an event of default under Article 7.

Upon default by Developer or notice from Franchisor, Guarantor will immediately make each payment and perform each obligation required by Developer under the Development Agreement. Without affecting the obligations of Guarantor under this Guaranty, Franchisor may, without notice to Guarantor, renew, extend, modify, amend, or release any indebtedness or obligation of Developer, or settle, adjust, or compromise any claims against Developer.

Guarantor hereby waives all demands and notices of every kind with respect to this Guaranty and the Development Agreement, including, without limitation, notice of the amendment or modification of this Guaranty or the Development Agreement, the demand for payment or performance by Developer, any default by Developer or any guarantor, and any release of any guarantor or other security for the Development Agreement or the obligations of Developer.

ATTACHMENT D TO DEVELOPMENT AGREEMENT

RIGHT OF FIRST REFUSAL

Capitalized terms used in this Right of First Refusal shall have the meanings ascribed to such terms in this Development Agreement unless otherwise defined herein.

(1) In the event Developer receives (or delivers) an acceptable bona fide offer from a third party related to this Development Agreement and/or a proposed sale of the Franchised Restaurant(s) in the Territory (or any portion thereof or interest therein), then Developer shall give Franchisor written notice setting forth the name and address of the prospective purchaser, the price and terms of the offer together with a franchisee application completed by the prospective purchaser, a copy of the purchase and sale agreement, executed by both Developer and purchaser, and all exhibits, copies of any real estate purchase agreement or agreements, proposed security agreements and related promissory notes, assignment documents, title insurance commitment and any other information that Franchisor may request in order to evaluate the offer.

(2) Franchisor shall then have the right of first refusal to purchase Developer's interest covered by such offer at the price and upon the same terms of the offer. Franchisor shall have thirty (30) calendar days after receipt of Developer's notice of offer and the furnishing of all reasonably requested information within which to notify Developer in writing of its intent to accept or reject the offer. Silence on the part of Franchisor shall constitute rejection. Developer may not rely upon any notice from Franchisor of its intention to accept or reject the offer nor shall such notice be effective unless such notice is in writing and signed by an officer of Franchisor.

(a) In the event an offer from a third party provides for payment of consideration other than cash or involves certain intangible benefits, Franchisor may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the non-cash part of the offer, an independent appraiser shall be designated by Franchisor to determine such amount, and his determination shall be binding.

(3) If the proposed sale includes assets of Developer not related to the Franchised Restaurants, then Franchisor may, at its option, elect to purchase only the assets related to the Franchised Restaurants and an equitable purchase price shall be allocated to each asset included in the proposed sale.

(4) If the proposed sale includes Brinker-franchised restaurants other than Chili's Restaurants (the "Brinker Non-Chili's Restaurants"), then Franchisor may, at its option, elect to purchase: (i) only the Brinker Non-Chili's Restaurants; (ii) only the Franchised Restaurants; or (iii) any combination of Brinker Non-Chili's Restaurants and/or Franchised Restaurants whether on an individual restaurant basis or on an aggregate basis; and an equitable purchase price shall be allocated to each restaurant.

(5) To the extent any franchise agreements or other agreements relating to the Brinker Non-Chili's Restaurants may be inconsistent with, or conflict with the terms of the right of first refusal contained herein, the terms of this right of first refusal shall control. This right of first refusal shall apply to any transfer, conveyance, assignment, consolidation, merger or any other transaction in which legal or beneficial ownership of the franchise granted in a franchise agreement is vested in an individual or entity other than Developer; provided, however, it shall not apply if Developer consists of more than one

person and the transfer or assignment is from one partner to another, both of whom are signatories to this Development Agreement as of the date hereof, so long as (i) the Operating Partner continues to satisfy the requirements set forth in Section 6.2 hereof, and (ii) Franchisor is given written notice thereof prior to such transfer.

(6) If this Development Agreement has been assigned to a corporation in accordance with Section 8.2(c) of this Development Agreement, then this right of first refusal shall also apply if Voting Common Stock in such corporation is sold, assigned or transferred to individuals or entities other than those approved by Franchisor as owners of the Voting Common Stock.

(7) The election by Franchisor not to exercise its right of first refusal as to any offer shall not affect its right of first refusal as to any subsequent offer.

(8) Any sale, attempted sale, assignment or other transfer of the rights granted effected without first giving Franchisor the right of first refusal described above shall be void and of no force and effect.

(9) If Franchisor does not accept the offer to purchase the Franchised Restaurants proposed to be sold by Developer, then Developer may conclude the sale to the purchaser who made the offer upon the same terms, conditions, and price as offered to Franchisor provided Franchisor's consent to the assignment be first obtained, which consent will not be unreasonably withheld upon compliance with the conditions imposed by Franchisor on the assignment including the conditions set forth in Section 8.2(b).

(10) In addition, Developer agrees that, prior to acquiring any other Chili's Restaurant development rights or franchise which may be offered to it for sale or which it may offer to purchase, such development rights or franchise will first be offered to Franchisor on the same terms, conditions and price.

MARYLAND LAW MODIFICATIONS

1. The Maryland Securities Division requires that certain provisions contained in franchise documents be amended to be consistent with Maryland law, including the Maryland Franchise Registration and Disclosure Law, MD. BUS. REG. CODE ANN. §§ 14-201 *et seq.* (2015 Repl. Vol.) (the “Law”). To the extent that this Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Law.
- b. Any acknowledgments or representations of the Developer made in the agreement which disclaim the occurrence and/or acknowledge the non-occurrence of acts that would constitute a violation of the Law are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Law.
- c. A Developer may bring a lawsuit in Maryland for claims arising under the Law.
- d. The limitation on the period of time mediation and/or litigation claims must be brought shall not act to reduce the 3 year statute of limitations afforded a Developer for bringing a claim arising under the Law. Any claims arising under the Law must be brought within 3 years after the grant of the franchise.

2. As a condition to becoming registered to offer and sell franchises in the state of Maryland, the Maryland Securities Division has required that Franchisor defer Developer’s obligation to pay the Development Fee under the Development Agreement, the initial franchise fee under each Franchise Agreement executed thereunder and any other initial fees and payments until such time as such requirement is removed (“Fee Deferral Period”). Therefore, upon execution of this Agreement, during the Fee Deferral Period, Developer will not be required to pay Franchisor the Development Fee until the first Restaurant opens and initial training has been completed. At such time, and when each subsequent Restaurant opens under the Development Agreement, Developer will pay Franchisor the proportional amount of the Development Fee allocated to each such Restaurant. The allocation will be determined by dividing the Development Fee by the number of Restaurants to be developed. Immediately upon notice from Franchisor that the Fee Deferral Period has ended, Developer must pay all accrued but unpaid portions of the Development Fee, as contemplated by Section 2.1 of this Agreement the franchise fee, as contemplated by Section 4.1 of the Franchise Agreement, and all other initial fees and payments.

3. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law, with respect to each such provision, are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the Developer intends to comply with this Amendment and be bound thereby. The parties have duly executed and delivered this Amendment to the Agreement on _____, 20____.

Arbitration involving a franchise purchased in the State of North Dakota must be held either in a location mutually agreed upon prior to the

DEVELOPMENT AGREEMENT
FOR THE STATE OF WASHINGTON**

The Brinker International Payroll Company, L.P. Development Agreement between _____ (“Developer” or “you”) and Brinker International Payroll Company, L.P. (“Franchisor” or “us”), dated _____ (“Agreement”) shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement (“Amendment”):

WASHINGTON LAW MODIFICATIONS

1. The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 to 19.100.940. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail. Without limiting the foregoing, the language set forth in Articles 12 and 18.1(a) of the Development Agreement shall not waive any liability the Franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.
- b. RCW 19.100.180 which may supersede the Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Agreement in your relationship with the Franchisor including the areas of termination and renewal of your franchise.
- c. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Agreement, a Developer may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- d. A release or waiver of rights executed by a Developer shall not include rights under the Washington Franchise Investment Protection Act, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

- e. Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.
- f. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a Developer, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a Developer under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
- g. RCW 49.62.060 prohibits a Franchisor from restricting, restraining, or prohibiting a Developer from (i) soliciting or hiring any employee of a Developer of the same Developer or (ii) soliciting or hiring any employee of the Franchisor. As a result, any such provisions contained in the Agreement or elsewhere are void and unenforceable in Washington.
- h. In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

2. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

3. The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

4. Article 11 of the Development Agreement is amended by adding the following:

"Franchisees have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party's gross negligence, willful misconduct, strict liability, or fraud."

5. Sections 16.1, 16.2 and 16.3 of the Development Agreement are hereby deleted in their entirety. The acknowledgments in such Sections shall apply to all franchisees and franchises except not to

any franchisees and franchises that are subject to the state franchise registrations/disclosure laws in Washington.

6. “No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

- Franchisor has established a high reputation and a positive image with the public as to the quality of products and services available at Chili's Restaurants, which reputation and image have been and continue to be unique benefits to Franchisor and its franchisees.
- Franchisee understands and acknowledges the importance of Franchisor's high standards of quality, cleanliness, appearance and service and the necessity of operating the business franchised hereunder in conformity with Franchisor's standards and specifications.
- Franchisee desires to use the System in connection with the operation of a Chili's Restaurant at the "Location" specified in Attachment A, as well as to receive the training and other assistance provided by Franchisor in connection with such restaurant.

NOW THEREFORE, with the intent of being legally bound hereby, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, which the parties acknowledge is sufficient to create a legally binding agreement, the parties agree as set forth herein.

ARTICLE 1

GRANT OF FRANCHISE

Section 1.1 Grant of Franchise. Subject to this Franchise Agreement, Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, the non-exclusive right and obligation to operate a franchised Chili's® Grill & Bar restaurant in accordance with the System only at the "Location" specified on Attachment A and using only the Chili's Marks at such restaurant (collectively, the "Franchised Restaurant"). During the Term (defined below), Franchisee shall use the Location solely for the operation of the Franchised Restaurant in accordance with this Franchise Agreement and for no other purpose and Franchisee shall not relocate the Franchised Restaurant without the express prior written consent of Franchisor. Franchisee must participate in any delivery and/or takeout program designated by Franchisor via any method, platform or system Franchisor may require in accordance with Franchisor's standards and procedures. If Franchisor requires Franchisee to participate in such programs, Franchisee will not be granted an exclusive delivery territory in connection with such programs.

(a) Franchisee or any of Franchisee's Owners shall not enter into any subfranchise agreement, management agreement, operating agreement, consulting arrangement, subcontracting arrangement, outsourcing arrangement, or any other similar arrangement relating to the rights and obligations of Franchisee hereunder. This Franchise Agreement (including the rights, obligations, duties, and benefits hereunder) is intended solely for the parties hereto, and no other person or entity shall have any rights, obligations, duties, and benefits under this Franchise Agreement.

(b) Franchisee agrees this Franchise Agreement is strictly limited to the non-exclusive right and obligation to operate a franchised Chili's Restaurant at the Location in accordance with this Franchise Agreement and Franchisee agrees this Franchise Agreement is not a development agreement and does not grant any right to develop and/or operate any other Chili's Restaurants.

Section 1.2 No Territorial Rights. Franchisee agrees this Franchise Agreement does not grant any territorial rights, radius restrictions, minimum population requirements, and/or any other requirements which would govern and/or restrict where another Chili's Restaurant may open and operate. Franchisor (on its behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise is or becomes affiliated with) retains all rights not expressly granted in this Franchise Agreement.

(a) Franchisee agrees that Franchisor may establish, develop, construct, open, and operate Chili's Restaurants at any location inside or outside the Territory (either directly or through a franchise, licensing, joint venture, or any other arrangement).

(b) Franchisor (including its affiliates, partners, and/or authorized representatives) may, at any time, advertise or promote the System and fulfill customer orders in the Territory.

(c) Franchisor may offer and sell (or authorize any person or entity to offer and sell) products and services displaying the Chili's Marks or other tradenames and trademarks (e.g.,

prepackaged food and beverage items, T-shirts and other memorabilia) to the public through any distribution channel inside or outside the Territory and Franchisee acknowledges such products or services may be similar to those offered by Franchised Restaurant.

(d) Franchisor reserves the right to develop and establish other tradenames, service marks, trademarks, logos, emblems and indicia of origin which may be similar to, or different from, the Chili's Marks (collectively, the "Other Marks"). The Other Marks shall be separate and distinct from the Chili's Marks referenced in this Franchise Agreement; therefore, (i) Franchisee shall have no rights to the Other Marks, and (ii) Franchisor (on its behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise is or becomes affiliated with) reserves the right to establish, develop, construct, open, and operate restaurants, other food service operations and other businesses under the Other Marks at any location inside and outside the Territory (either directly or through a franchise, licensing, joint venture or any other arrangement). The Other Marks may include, without limitation, brand extensions or related brands of Chili's Restaurants such as counter-service restaurants, quick-service restaurants or other such restaurants, and the Other Marks may include such restaurants operating under a similar tradename.

(e) Franchisee releases Franchisor and shall hold Franchisor harmless (including its subsidiaries, officers, directors, employees, and agents) from any and all liability, loss, damages, costs, and/or expenses which Franchisee may claim to have arising out of, or related to, the exercise by Franchisor (including its affiliates, franchisees, developers, partners, and/or authorized representatives) of the rights reserved to Franchisor under this Section 1.2, including, without limitation, any claim related to an alleged cannibalization of Gross Sales and any claim related to the right to establish, develop, construct, open, and operate Chili's Restaurants inside and/or outside the Territory and/or other restaurants, other food service operations, and other businesses under the Other Marks inside and outside the Territory (either directly or through a franchise, licensing, joint venture, or any other arrangement).

ARTICLE 2

TERM AND SUCCESSOR FRANCHISE AGREEMENT

Section 2.1 **Term.** Unless sooner terminated, the "Term" of this Franchise Agreement shall commence on the Effective Date and shall expire on the last day of the last calendar month of the twentieth (20th) anniversary following the date on which the Franchised Restaurant is opened for business.

Section 2.2 **Successor Franchise Agreement.** Franchisee may, at its option, deliver a written request to Franchisor for a "Successor Franchise Agreement" (defined below) for the Franchised Restaurant, subject to the following conditions precedent which must be satisfied prior to the parties executing any such Successor Franchise Agreement.

(a) Franchisee shall give Franchisor written notice of Franchisee's request to sign a Successor Franchise Agreement not less than twelve (12) months nor more than twenty-four (24) months prior to the end of the initial term. The term of Successor Franchise Agreement shall be twenty (20) years and such term shall commence upon the expiration of this Franchise Agreement.

(b) Franchisee shall complete, in a manner satisfactory to Franchisor, such renovation and modernization of the Franchised Restaurant as Franchisor may reasonably require,

including, without limitation, renovation and modernization of the building, signs, furnishings, fixtures, equipment and decor, to reflect the then-current standards and image of the System.

(c) As of the date of the notice referenced above in Section 2.2(a) and as of the expiration of this Franchise Agreement, Franchisee shall not be in default of any provision of this Franchise Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its subsidiaries and affiliates; and Franchisee shall have substantially complied with all the terms and conditions of such agreements during the terms thereof.

(d) As of the date of the notice referenced above in Section 2.2(a) and as of the expiration of this Franchise Agreement, Franchisee shall have satisfied all monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates and shall have timely met those obligations throughout the term of this Franchise Agreement.

(e) Franchisee shall present satisfactory evidence that Franchisee has the right to remain in possession of the approved location for the entire term of the Successor Franchise Agreement.

(f) Franchisee and Franchisee's Owners (defined below) shall execute the Successor Franchise Agreement (i.e., Franchisor's then-current form of franchise agreement), which agreement shall supersede this Franchise Agreement in all respects, and the terms of which may substantially differ from the terms of this Franchise Agreement, including, without limitation, payments by Franchisee of higher percentage of royalty fees, higher percentage of technical services fees, and higher percentage of advertising fees,

(i) Attachment C contains a complete list of all owners of any type of interest in Franchisee and such individuals and/or entities shall be deemed as "Franchisee's Owners" for the purposes of this Agreement.

(g) Upon execution of the Successor Franchise Agreement, Franchisee shall pay, in lieu of the Franchise Fee, a successor fee equal to the then-current Franchise Fee being charged to new franchisees under the System.

(h) Franchisee and each of Franchisee's Owners shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor, its subsidiaries and affiliates, successors and assigns and their respective officers, directors, shareholders, partners, employees, servants, representatives and agents.

(i) Franchisee shall comply with Franchisor's then-current qualification and operations training requirements.

(j) In the event Franchisee fails (or failed) to comply with any or all of the conditions precedent set forth above, then Franchisee shall be deemed to have waived any such option to a Successor Franchise Agreement and, in such event, Franchisor shall be entitled to deny Franchisee's request for a Successor Franchise Agreement by written notice to Franchisee and this Franchise Agreement shall thereafter expire on the date specified in Section 2.1 (unless sooner terminated in accordance with the provisions of this Franchise Agreement).

(k) Upon expiration (or termination) of this Franchise Agreement, Franchisee hereby waives any right or option to a Successor Franchise Agreement, unless a Successor Franchise Agreement has been signed by both Franchisor and Franchisee in accordance with this Section 2.2 prior to such expiration or termination.

ARTICLE 3 TRAINING AND OPENING REQUIREMENTS

Section 3.1 Initial Training. In connection with the first two (2) openings of Franchised Restaurants (as required by the Development Schedule in the Development Agreement), Franchisor shall provide (on such dates and at such locations as determined by Franchisor) an initial operational training program for Franchisee's Managing Owner and Operating Partner (as defined in Article 7) and up to five (5) of Franchisee's managers per Franchised Restaurant and Franchisee agrees that such personnel must complete such operational training program to Franchisor's satisfaction not more than five (5) months prior to opening of the Franchised Restaurant (the "Initial Training").

(a) In connection with the first two (2) openings of Franchised Restaurants (as required by the Development Schedule in the Development Agreement), Franchisor shall be responsible for the onsite training costs related to the Initial Training for the Managing Owner, Operating Partner, and up to five (5) of Franchisee's managers per Franchised Restaurant; provided that Franchisee shall be responsible for all other costs (i.e., airfare costs, rental car costs, other travel costs lodging costs, meals and food costs, and other similar costs) for such individuals associated with such training.

(i) However, if the Managing Owner, Operating Partner, and five (5) of Franchisee's managers have completed the Initial Training and if the opening of the Franchised Restaurant is then moved to a later date, then Franchisor may, at its option, elect to require such personnel to attend another Initial Training. In such event, Franchisee shall pay to Franchisor a training fee for the Managing Owner, Operating Partner, and five (5) of Franchisee's managers (as applicable) at the then-current rate being charged by Franchisor to franchisees for such training and Franchisee shall also be solely responsible for all other costs (i.e., airfare costs, rental car costs, other travel costs, lodging costs, meals and food costs, and other similar costs) associated with such training for such individuals.

(ii) If the Franchised Restaurant represents the third (3rd) or more Franchised Restaurant to be opened (as required by the Development Schedule in the Development Agreement), then Franchisor reserves the right to charge Franchisee a training fee for the Managing Owner, Operating Partner, and up to five (5) of Franchisee's managers (as applicable) at the then-current rate being charged by Franchisor to franchisees for such training and Franchisee shall also be solely responsible for all other costs (i.e., airfare costs, rental car costs, other travel costs lodging costs, meals and food costs, and other similar costs) associated with such training for such individuals.

(b) Any person subsequently employed by Franchisee in the position of manager (e.g., the 6th manager at the Franchised Restaurant) and each subsequent Managing Owner and Operating Partner, if any, shall attend and complete, to Franchisor's satisfaction, the Initial Training and, in such event, Franchisee shall pay to Franchisor a training fee at the then-current rate being charged by

Franchisor to franchisees for such training and Franchisee shall also be solely responsible for all other costs (i.e., airfare costs, rental car costs, other travel costs lodging costs, meals and food costs, and other similar costs) associated with such training for such individuals.

Section 3.2 Certified Training Restaurant.

(a) **Optional Certified Training Restaurants.** If Franchisee's Franchised Restaurant meets Franchisor's then-current criteria, it may become a Chili's Certified Training Restaurant ("CTR") after obtaining certification by a designated representative of Franchisor for management training. A CTR may train Franchisee's managers. A Franchised Restaurant location may lose CTR status if Franchisor determines, in its sole discretion, that the Franchised Restaurant fails to meet the then-current criteria for a CTR as set by Franchisor.

(b) **Required Certified Training Restaurants.** If Franchisee owns and operates two (2) or more Chili's Restaurants, then Franchisee must maintain a CTR in order to provide Initial Training to new and replacement managers.

Section 3.3 Pre-Opening Assistance. Franchisor may, at its option, elect to provide on-site supervision and assistance prior to opening of the Franchised Restaurant (which may include, at Franchisee's expense, an opening crew as described in this Article 3 and otherwise subject to the availability of such opening crew).

Section 3.4 Other Assistance. Franchisor may, at its option, provide such continuing advisory assistance to Franchisee in the operation of the Franchised Restaurant, as Franchisor deems advisable.

(a) Franchisor may make available, from time to time, research data and other materials relating to merchandising, marketing, and advertising.

(b) Franchisor may, from time-to-time and at its option, make available to Franchisee, at a reasonable cost, "back-of-the-house" software system(s) and computerized point-of-sale systems. Franchisee shall be required to execute such documents related to the licensing of the software and register systems as Franchisor may reasonably require and to pay any licensing fees associated therewith.

(c) Franchisor may, from time-to-time and at its option, provide to Franchisee advice and written materials concerning techniques of managing and operating the Franchised Restaurant, including information regarding new developments and improvements in restaurant equipment, food products, packaging, and preparation.

Section 3.5 Supplemental Training. In addition to the Initial Training, Franchisor reserves the right to require Franchisee, Managing Owner, Operating Partner, and then-current managers at the Franchised Restaurant to attend supplemental training courses at times and locations determined by Franchisor and all costs (including, without limitation, travel, lodging, and food costs for Franchisee's personnel) associated with such supplemental training shall be Franchisee's responsibility. Franchisor reserves the right to charge a fee to Franchisee for such supplemental training courses and training materials.

Section 3.6 Opening Requirements. In connection with the opening of the Franchised Restaurant, Franchisee shall conduct, at Franchisee's expense, such promotional and advertising activities as Franchisor may require. Franchisee agrees that Franchisor, in its reasonable business judgment, may require that the Franchised Restaurant be supported, in whole or in part, by an opening crew composed of trained representatives of Franchisor, for a total period not to exceed twenty (20) days occurring before and after the date of opening of the Franchised Restaurant. Franchisee's management team shall be at the Franchised Restaurant at least six (6) weeks prior to the Franchised Restaurant opening and no opening crew shall be furnished by Franchisor until Franchisor's representative approves the Franchised Restaurant as ready for training. Franchisee further agrees to reimburse Franchisor for all reasonable expenses incurred in providing such opening crew for the Franchised Restaurant, including costs of transportation, lodging, meals and wages.

Section 3.7 Construction and Authorization To Open. Prior to opening the Franchised Restaurant for business, Franchisee shall comply with all opening requirements set forth in this Franchise Agreement, any applicable Development Agreement (and if this Agreement is being executed not pursuant to a Development Agreement, then the requirements on Attachment I), the CFM (as defined below), and/or elsewhere in writing by Franchisor. Franchisee shall not, in any event, open the Franchised Restaurant to the public for business until Franchisee has received authorization to open from Franchisor.

Section 3.8 Training Costs. Franchisee shall be responsible for any and all expenses incurred by Franchisee, Franchisee's Owners, and its managers and employees in connection with any training programs hereunder, including, without limitation, the costs of transportation, lodging, meals and wages.

Section 3.9 Release by Franchisee. Franchisee assumes all cost, liability, expense, and responsibility for locating, obtaining, and developing the Franchised Restaurant and for constructing, equipping, and operating the Franchised Restaurant. Franchisee acknowledges that Franchisor's approval of a prospective site and the rendering of assistance in connection with the foregoing does not constitute a representation, promise, warranty, or guarantee by Franchisor that the Franchised Restaurant will be profitable or otherwise successful. Accordingly, Franchisee releases Franchisor and shall hold Franchisor harmless (including its subsidiaries, officers, directors, employees, and agents) from any and all liability, loss, or damages which may arise from Franchisee's locating, obtaining, and developing the Franchised Restaurant and for constructing, equipping, and operating the Franchised Restaurant.

ARTICLE 4 FEES AND PAYMENTS

Section 4.1 Franchise Fee. Franchisee shall pay to Franchisor an initial franchise fee of _____ and 00/100 Dollars (\$_____) on or before the commencement of construction on the Franchised Restaurant (the "Franchise Fee"). Upon payment, the Franchise Fee shall be deemed fully earned and nonrefundable in consideration for administrative and other expenses incurred by Franchisor in granting this franchise and for Franchisor's lost or deferred opportunity to franchise others.

(a) In the event (i) the Development Agreement has not been terminated at the time the Franchised Restaurant opens to the public; (ii) Franchisor has not elected any of its remedies under Section 7.5 of the Development Agreement at the time the Franchised Restaurant opens to the public; (iii) Developer is not in default under the Development Agreement at the time the Franchised Restaurant

opens to the public; (iv) Developer, Franchisee, and/or any related/affiliated entity is not in default under any other agreement with Franchisor at the time the Franchised Restaurant opens to the public; and (v) Franchisee opens and is operating the Franchised Restaurant at least 90 days before the opening date for the Franchised Restaurant as set forth in the Development Schedule in the Development Agreement, then Franchisee shall be entitled to a credit against the Franchise Fee of Ten Thousand and 00/100 Dollars (\$10,000.00) which credit shall be paid to Franchisee, at Franchisor's sole option, either (i) by direct payment from Franchisor to Franchisee, or (ii) by a monthly credit against the Monthly Fee (defined in Section 4.2); provided such credit shall not exceed fifty percent (50%) of the Monthly Fee due in any calendar month.

Section 4.2 Monthly Fee and Definition of Gross Sales.

(a) Royalty Fee. During the Term (and in consideration of Franchisee's right to use the Chili's Marks for the Franchised Restaurant in accordance with the terms of this Franchise Agreement), Franchisee shall pay to Franchisor a continuing monthly royalty fee in an amount equal to One and One-Fourth Percent (1.25%) of Gross Sales, as defined below (the "Royalty Fee").

(b) Technical Services Fee. During the Term and in addition to the Royalty Fee (and in consideration of Franchisee's right to use the System and receive the services available to Franchisee under this Franchise Agreement), Franchisee shall pay to Franchisor a continuing monthly technical services fee in an amount equal to Two and Three-Fourths Percent (2.75%) of Gross Sales (the "Technical Services Fee").

(c) Monthly Fee. The Royalty Fee and the Technical Services Fee are hereinafter collectively called the "Monthly Fee."

(d) Monthly Fee Payment and Reporting Date. Subject to Section 4.8, the Monthly Fee shall be paid to and received by Franchisor on or before the tenth (10th) day of each month based on the Gross Sales for the preceding calendar month. Franchisee must also provide Franchisor with a weekly Gross Sales report (covering the period from Thursday through Wednesday) by the Friday of each week for the preceding week's sales in the form and by the method of delivery designated by Franchisor.

(e) Gross Sales. The term "Gross Sales" shall include the total value of all services and products provided by and/or from the Franchised Restaurant and all revenue from any sale of all services and products and all other income of every kind and nature related to the Franchised Restaurant (including, without limitation, the full value of on-premise sales, off-premise sales, catering sales, delivery sales, Internet sales, sales from tabletop and other digital media devices, complimentary sales, coupon sales, sales to employees, employee meals, and any other type of sale related to the Franchised Restaurant – all such sales subject to Section 7.1(e)), whether for cash or credit (and regardless of collection in the case of credit) and with no deductions or exclusions whatsoever, except federal, state, or municipal sales taxes collected by Franchisee from customers and paid by Franchisee to the appropriate taxing authority or tips or gratuities collected by you from customers and paid to employees. Without limiting the foregoing, Franchisee shall not be permitted to take any other deduction or exclusion from Gross Sales other than the taxes, tips and gratuities listed in the previous sentence and specifically, Franchisee shall not be permitted to deduct any complimentary sales including, without limitation, sales from complimentary food and beverages provided to customers and/or employees.

Section 4.3 Other Payments. All other payments required under this Franchise Agreement (except the Monthly Fee and the Advertising Fee which must be received by Franchisor no later than the 10th day of each calendar month), including those related to reimbursement of expenses, are due and payable upon demand or receipt of any billing statement or invoice therefor, whichever is earlier and shall otherwise be payable in accordance with the provisions of this Franchise Agreement, unless otherwise instructed in writing by Franchisor. Franchisee shall designate a single address/location for the delivery of all billing statements and invoices under this Franchise Agreement and any other development or franchise agreement between Franchisor and Franchisee (including its parent company and affiliated entities).

Section 4.4 Late Charge and Interest on Late Payments. Any payment or report not actually received by Franchisor on or before the date on which such payment is due shall be deemed as late. To compensate Franchisor for the increased administrative expense of handling late payments, Franchisor has the right to charge a \$500 late charge for each delinquent payment, due upon making the delinquent payment. In addition to such late charge, Franchisee shall pay Franchisor interest on such late payment from the date it was due until paid at the rate of eighteen percent (18%) per annum, or the maximum rate permitted by law, whichever is less. Entitlement to such interest shall be in addition to any other remedies Franchisor may have. Franchisee agrees this section does not constitute Franchisor's agreement to accept payments after they are due or a commitment by Franchisor to extend credit to Franchisee or otherwise finance the operation of the Franchised Restaurant.

Section 4.5 Application of Payments/No Refunds/No Offset. Regardless of any designation by Franchisee, Franchisor has the right to apply any payments by Franchisee to any of Franchisee's past due indebtedness, interest, or any other indebtedness or amounts owed to Franchisor. Under no circumstances will any amounts paid or payable to Franchisor be refunded by Franchisor for any reason. Franchisee shall not withhold, retain, deduct, credit, and/or offset any amounts which may be owed by Franchisor to Franchisee (and/or its affiliates or subsidiaries) against any amounts due from Franchisee to Franchisor.

Section 4.6 Method of Payments. All amounts owed to Franchisor pursuant to this Franchise Agreement shall be paid to and received by Franchisor on or before the date such amount is due. All such payments must be made by wire transfer, electronic payment or other mechanism as designated from time to time by Franchisor, and each payment shall be accompanied by the electronic, digital or other reports as specified by Franchisor.

Section 4.7 Payment By Pre-Authorized Bank Transfer. Franchisee agrees to execute and complete the Authorization Agreement in Attachment D, and/or such other documents as Franchisor may require from time to time, to authorize and direct Franchisee's bank or financial institution to pay and deposit directly to Franchisor's account, and to charge to Franchisee's account, the amount of the Franchise Fee, Monthly Fee, Advertising Fee, and other amounts due and payable by Franchisee pursuant to this Franchise Agreement.

(a) Franchisee's authorizations will permit Franchisor to initiate debit entries and/or credit correction entries to Franchisor's account for the amount of such fees and other amounts then payable to Franchisor from Franchisee. Franchisee agrees to maintain, at all times during the term of this Agreement, a balance in Franchisee's account at Franchisee's bank or financial institution sufficient to allow the appropriate amount to be debited from Franchisee's account for payment of such fees and other amounts payable by Franchisee for deposit in Franchisor's account.

(b) The Monthly Fee, Advertising Fee, and any other fees actually transferred from Franchisee's account each month shall be based on the Monthly Financial Statement (as defined in Section 10.2) provided by Franchisee pursuant to this Article 4. If Franchisee does not provide Franchisor with a Monthly Financial Statement for any given month, Franchisor has the right to debit Franchisee's account (i) in an amount equal to such fees transferred from Franchisee's account for the last reporting period for which Franchisor received a Monthly Financial Statement from Franchisee, or (ii) such other amount reasonably estimated by Franchisor to approximate the Monthly Fee, Advertising Fee, and other amounts due and payable by Franchisee pursuant to this Franchise Agreement for a particular month. Franchisee is responsible for any administrative costs, penalties, fines or other similar expenses associated with the pre-authorized bank transfers described in this Section 4.7.

Section 4.8 **Bi-Weekly Payments.** Franchisor reserves the right to require Franchisee to pay the Monthly Fee, Advertising Fee, and other amounts due and payable by Franchisee pursuant to this Franchise Agreement on a bi-weekly basis pursuant to a schedule determined by Franchisor.

Section 4.9 **Taxes.** Franchisee shall promptly pay when due all taxes, duties, and/or fees levied or assessed (including, without limitation, gross receipts taxes, franchise taxes, sales taxes, withholding taxes, value added taxes, and/or any similar taxes or fees) and all accounts and other indebtedness of every kind incurred by Franchisee under this Franchise Agreement (collectively, "Taxes"). In the event of any bona fide dispute as to Franchisee's liability for Taxes, Franchisee may contest the validity or the amount of such Taxes in accordance with procedures of the taxing authority or applicable law; however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against this Franchise Agreement, the Franchised Restaurant, and/or Location (or any improvements thereon).

(a) All payments made by Franchisee to Franchisor under this Franchise Agreement shall be paid in U.S. Dollars and shall be grossed-up and paid by Franchisee to Franchisor without any retention, deduction, credit, and/or offset for any Taxes – except any deduction and/or credit expressly permitted under the definition of Gross Sales in Section 4.2(e) above. Franchisee shall, at its sole cost, pay directly to the appropriate taxing authority any and all Taxes on any amounts paid by Franchisee under this Franchise Agreement or otherwise imposed on Franchisor by any taxing authority in the Territory.

(b) It is the parties' intention that all payments by Franchisee to Franchisor hereunder shall be grossed-up (and without any retention, deduction, credit, and/or offset) for any Taxes in order for Franchisor to receive the entire Franchise Fee, Monthly Fee, Advertising Fee, and/or other amounts due to Franchisor under this Franchise Agreement without any retention, deduction, credit, and/or offset for any Taxes (except any deduction and/or credit expressly permitted under the definition of Gross Sales in Section 4.2(e) above).

(c) Any Taxes imposed upon or with respect to this Franchise Agreement or any materials, supplies or specifications acquired by or provided to Franchisee pursuant to or in connection with this Franchise Agreement shall be paid by Franchisee.

(d) In the event Franchisor is required under applicable law or otherwise elects (all as determined by Franchisor in its sole discretion) to pay any Taxes to the appropriate taxing authority(ies) in the Territory arising out of this Franchise Agreement, then Franchisee shall immediately pay to Franchisor an amount equal to any amount(s) so paid by Franchisor to such taxing authority(ies).

ARTICLE 5
CHILI'S FRANCHISE MANUAL, PUBLIC RELATIONS,
AND CRISIS COMMUNICATIONS

Section 5.1 **Chili's Franchise Manual.** The term "Chili's Franchise Manual" or "CFM" (a/k/a the Manual of Operating Data or the MOD Manual) means the manuals, policies, specifications, standards, checklists, evaluation forms, spreadsheets, guides, recipes, handbooks, documents, and other information designated by Franchisor from time-to-time regarding the System and Chili's Restaurants. For convenience, the Manual of Operating Data, MOD Manual, and the Chili's Franchise Manual are collectively referenced in this Franchise Agreement as the CFM. The CFM is part of the System and may be updated, modified, and/or revised by Franchisor from time-to-time in its sole discretion. The CFM also includes such other manuals, policies, specifications, standards, guides, documents, and other information as may be designated by Franchisor in the future with respect to Chili's Restaurants.

(a) During the Term, Franchisee shall remain in strict conformity with the System and the CFM and Franchisee shall also operate the Franchised Restaurant in strict conformity with the System and CFM in accordance with Section 7.1 below.

(b) Franchisor has the right, at its option, to furnish the CFM to Franchisee in the form of paper copies, electronic copies, on computer diskette or CD-Rom, or electronic copies accessed through the Internet, designated website(s), or other media. The CFM (in whole or in part) is currently located at the following website (<https://franchise.brinker.com>), but Franchisor may update, modify, and/or revise such website from time-to-time in its sole discretion.

(c) Franchisor has the right to update, modify, and/or revise the System and/or the CFM in the future to reflect changes to Chili's Restaurants and changes in the System, image, specifications, standards, procedures, approved products, and other items. In such event, Franchisee shall thereafter comply with the System and/or CFM, as updated, modified, and/or revised.

Section 5.2 **Franchisee's Use of Chili's Franchise Manual.** With respect to Franchisee's use of the CFM, Franchisee agrees that:

(a) Franchisee and Franchisee's Owners shall at all times treat the CFM (including the information therein) as confidential, and shall use all reasonable efforts to maintain the confidentiality of such manuals (and the information therein).

(b) Franchisee and Franchisee's Owners shall not at any time copy, duplicate, record or otherwise reproduce the CFM, in whole or in part, nor otherwise make the same available to any unauthorized person.

(c) The CFM shall at all times remain the sole property of Franchisor.

(d) Franchisor may from time to time supplement and/or modify the CFM and Franchisee expressly agrees that such supplements and/or modifications shall be effective upon receipt and Franchisee shall promptly comply with all such supplements and/or modifications.

(e) To the extent that Franchisee maintains a hardcopy(ies) of the CFM (or any portion thereof), Franchisee shall at all times maintain the CFM in a secure place at the Franchised

Restaurant and shall ensure the CFM is kept current and up-to-date. In the event of any dispute as to the contents of the CFM, the terms of the master version of the CFM maintained by Franchisor on Franchisor's website referenced above or at Franchisor's home office shall control.

(f) If applicable and if Franchisee's copy of the CFM is lost, destroyed or significantly damaged, Franchisee will immediately notify Franchisor and will be obligated to obtain from Franchisor, at Franchisor's then applicable charge, a replacement copy of the CFM.

Section 5.3 Public Relations and Crisis Communications. The term "PR Manual" is part of the CFM and means the policies, procedures, and other standards designated by Franchisor from time-to-time regarding public relations matters and crisis communications related to the System, Chili's Restaurants, and/or the Franchised Restaurant. Franchisee agrees to comply with the PR Manual and further agrees that:

(a) The PR Manual contains the official guidelines and procedures outlined by Franchisor for managing the public relations and crisis communications aspects of the Franchised Restaurant.

(b) Franchisee shall at all times maintain the PR Manual in a secure place at the Franchised Restaurant and shall ensure the PR Manual is kept current and up-to-date. In the event of any dispute as to the contents of the PR Manual, the terms of the master copy of the PR Manual maintained by Franchisor at Franchisor's home office shall control.

(c) The information in the PR Manual is confidential and proprietary to Brinker and is to be used by the Franchisee only in connection with the operation of the Franchised Restaurant.

(d) Franchisee is responsible for managing its public relations and crisis communications matters and agrees that Franchisor's public relations department will not be responsible for such matters. However, Franchisor may, from time-to-time and at its option, make its public relations department available to Franchisee to assist with public relations and crisis communications matters. In the event of an emergency, Franchisor reserves the right (but shall not be obligated) to direct and control all crisis communications on behalf of Franchisee and the Franchised Restaurant.

(e) Franchisee may retain its own local public relations firm for its day-to-day public relations needs and must inform Franchisor of the firm's identity.

(f) Franchisee shall not distribute any press release to the media without the prior written consent of Franchisor, in its sole discretion.

(g) Franchisee agrees to notify Franchisor immediately upon the development of any crisis situation regarding the Franchised Restaurant, regardless of whether the Franchisee has retained a local public relations firm. Franchisee shall also alert Franchisor to any potential crisis situation, which Franchisee reasonably believes may be developing.

ARTICLE 7 OPERATION OF THE FRANCHISED RESTAURANT

Section 7.1 Operation of the Franchised Restaurant. During the Term, Franchisee shall operate the Franchised Restaurant in a first-class manner and in strict conformity with the System and the CFM (and such other required methods, standards and specifications as Franchisor may from time-to-time prescribe in the CFM or otherwise in writing) which Franchisee acknowledges exist to protect the

System and the Chili's Marks. In the event of an update, modification, and/or revision to the System and/or CFM, Franchisee shall thereafter comply with the System and/or CFM, as updated, modified, and/or revised. Franchisee acknowledges that every detail of the Franchised Restaurant is important to Franchisee, Franchisor, and other franchisees in order to develop and maintain high operating standards, to increase the demand for the services and products sold by all franchisees, and to protect Franchisor's reputation and goodwill. Furthermore, Franchisee agrees:

(a) To maintain in sufficient supply, and to use and/or sell at all times, only such menu items, ingredients, products, materials, supplies and paper goods as conform with Franchisor's standards and specifications, and to refrain from deviating therefrom by the use or offer of non-conforming items, without Franchisor's prior written consent.

(b) To sell or offer for sale only such menu items, products and services as have been expressly approved for sale in writing by Franchisor; to sell or offer for sale all types of menu items, products and services specified by Franchisor; to refrain from any deviation from Franchisor's standards and specifications without Franchisor's prior written consent; and to discontinue selling and offering for sale any menu items, products or services which Franchisor may, in its discretion, disapprove in writing at any time.

(c) To permit Franchisor or its agents, at any reasonable time, to remove samples of food or non-food items from Franchisee's inventory or from the Franchised Restaurant, without payment therefor, in amounts reasonably necessary for testing by Franchisor or an independent laboratory to determine whether said samples meet Franchisor's then-current standards and specifications. In addition to any other remedies it may have under this Franchise Agreement, Franchisor may (i) require Franchisee to bear the cost of such testing if the supplier of the item has not previously been approved by Franchisor or if the sample fails to conform with Franchisor's then-current specifications and (ii) require Franchisee to remove and destroy such food or non-food items at Franchisee's sole cost without reimbursement from Franchisor whatsoever.

(d) To purchase and install, at Franchisee's expense, all fixtures, furnishings, equipment, computer software and hardware, decor and signs as Franchisor may reasonably direct from time to time in the CFM or otherwise in writing; and to refrain from installing or permitting to be installed on or about the Franchised Restaurant premises, without Franchisor's prior written consent, any fixtures, furnishings, equipment, computer software and hardware, decor, signs, games, vending machines or other items not previously approved as meeting Franchisor's standards and specifications.

(e) To sell or offer for sale products and services only at the Franchised Restaurant and to refrain from off-premises sales or catering unless expressly authorized by Franchisor in writing.

(f) To permit Franchisor to poll Franchisee's point-of-sale and other related computer systems (regardless of location at the Franchised Restaurant, Franchisee's offices, or other locations) for the purpose of compiling data regarding Gross Sales and other relevant data.

(g) If so requested by Franchisor, to provide reports daily, weekly or otherwise to Franchisor regarding Gross Sales and other relevant data related to the Franchised Restaurant in a file format and export method reasonably established by Franchisor, at Franchisee's sole cost.

(h) Franchisee acknowledges that Franchisor may implement new and/or supplemental programs and/or procedures from time-to-time and in its sole discretion (e.g., food-and-restaurant safety programs, operational improvement procedures, nutrition information programs, etc.) as an integral part of the System and Franchisee shall be required to participate in (and comply with) such programs and/or procedures established by Franchisor. Franchisee acknowledges it may be responsible for the payment of certain costs associated with such programs and/or procedures. Franchisor reserves the right to establish (and set forth the terms and conditions of) such programs and procedures through a modification and/or revision to the System and/or CFM and, in such event, Franchisee shall thereafter comply with the System and/or CFM, as modified and/or revised.

(i) To provide Franchisor a fully executed copy of Franchisee's purchase contract or lease agreement (as applicable) for the occupancy of the Franchised Restaurant premises, within three (3) business days after request by Franchisor.

Section 7.2 Managing Owner and Operating Partner.

(a) Managing Owner. Franchisee shall designate and retain an individual to serve as the "Managing Owner" of the Franchised Restaurant. The Managing Owner (i) shall be deemed as a "Franchisee's Owner" hereunder and must have the largest share of unencumbered equity ownership in Franchisee, but not less than ten percent (10%), (ii) must be authorized by the Franchisee to bind the Franchisee in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Franchisee, (iii) must be authorized by the Franchisee to direct any actions necessary to ensure compliance with the Franchise Agreement, and (iv) must devote his full time and best efforts to the satisfaction of Franchisee's obligations under this Franchise Agreement and the daily operations of the Franchised Restaurant. Except as may otherwise be provided in this Franchise Agreement, the Managing Owner's interest in Franchisee shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options.

(i) Franchisee has not taken and agrees that it will not hereafter take, whether directly or indirectly, any action to avoid the authority requirements of the Managing Owner through the entry of limiting board resolutions, management agreements, amendment of governing documents or any other similar device or arrangement. Franchisee agrees to furnish Franchisor with such evidence as Franchisor may request from time to time for the purpose of assuring Franchisor that the Managing Owner's authority remains as represented herein.

(b) Operating Partner. If the Managing Owner does not intend to devote his full time and best efforts to the daily operation of the Franchised Restaurant, then Franchisee must also designate an individual "Operating Partner" who must be approved by Franchisor and the Operating Partner (i) shall be deemed as a "Franchisee's Owner" hereunder and must be authorized by Franchisee to bind Franchisee in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Franchisee, (ii) must be authorized by the Franchisee to direct any actions necessary to ensure compliance with the Franchise Agreement, and (iii) must devote his full time and best efforts to the satisfaction of Franchisee's obligations under this Franchise Agreement and the daily operations of the Franchised Restaurant with no operational or management commitments to other businesses.

(i) The Operating Partner must live within the general area (100-mile radius) of the Franchised Restaurant. Except as may otherwise be provided in this

Franchise Agreement, the Operating Partner's interest in Franchisee shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options.

(c) Franchisee shall not change the Managing Owner and/or Operating Partner without the prior written consent of Franchisor. Any sale, transfer or assignment of the Managing Owner's interest in Franchisee, or any portion thereof, shall be subject to the restrictions on transfer described in Article 13 and any failure to comply with such requirements shall be deemed a material event of default by Franchisee under Article 14. Any sale, transfer or assignment of the Operating Partner's interest in Franchisee, or any portion thereof (if any), shall be subject to the restrictions on transfer described in Article 13 and any failure to comply with such requirements shall be deemed a material event of default by Franchisee under Article 14.

Section 7.3 Hours of Operation. Franchisee shall keep the Franchised Restaurant open and in normal operation for such hours and days as Franchisor may from time to time specify in the CFM or as Franchisor may otherwise approve in writing.

Section 7.4 Personnel and Staffing. Franchisee shall staff the Franchised Restaurant in accordance with CFM and Franchisee agrees to maintain a competent, conscientious, and fully-trained staff at the Franchised Restaurant including at least four (4) fully-trained, full-time managers (unless otherwise agreed by Franchisor). Franchisee agrees to take such steps as are necessary to ensure that its employees preserve good customer relations and comply with such dress code as Franchisor may prescribe. Franchisee also acknowledges and agrees that Franchisor may require Franchisee to maintain "above-restaurant" supervision (e.g., area director(s), regional director(s), etc.) and, in such event, Franchisee shall ensure that such personnel are fully-trained in accordance with the CFM.

(a) Franchisee alone is responsible for hiring, firing, line-training, disciplining, setting hours for and otherwise supervising all employees. As between Franchisor and Franchisee, Franchisee is solely responsible for the safety and well-being of Franchisee's employees and the customers of the franchised business. Any evaluation or inspection Franchisor conducts is not intended to exercise, and does not constitute, control over Franchisee's day-to-day operation of the Franchised Restaurant or to assume any responsibility for Franchisee's obligations under this Franchise Agreement. No employee of Franchisee will be deemed to be an employee of Franchisor for any purpose whatsoever, and nothing in any aspect of the System or the Chili's Marks in any way shifts any employee or employment related responsibility from Franchisee to Franchisor.

Section 7.5 Health and Safety Standards. Franchisee shall, at all times, operate the Franchised Restaurant in accordance with (i) the highest health, safety, and sanitation standards under applicable law and (ii) the highest health, safety, and sanitation standards as set forth in the CFM. Franchisee shall furnish to Franchisor, within five (5) days after receipt thereof, a copy of any inspection report, warning, citation, certificate and/or rating which indicates Franchisee's failure to meet or maintain the highest health, safety, and/or sanitation standards in the operation of the Franchised Restaurant.

(a) **Temporary Closure of Franchised Restaurant.** In the event Franchisee violates the terms of Section 7.5, then (in addition to Franchisor's other rights and remedies hereunder) Franchisee shall temporarily close the Franchised Restaurant immediately upon receipt of written notice from Franchisor and Franchisee shall not re-open the Franchised Restaurant until Franchisee has cured such

violation(s) of Section 7.5 and Franchisee has received written permission from Franchisor to re-open the Franchised Restaurant.

(b) Public Health and/or Safety Emergency. In the event of a public health, safety, and/or sanitation emergency involving the Franchised Restaurant, then (in addition to Franchisor's other rights and remedies hereunder) Franchisee shall temporarily close the Franchised Restaurant immediately upon receipt of written notice from Franchisor and Franchisee shall not re-open the Franchised Restaurant until such emergency has been resolved and Franchisee has received written permission from Franchisor to re-open the Franchised Restaurant.

Section 7.6 Approved Suppliers. Franchisee shall purchase all food items, ingredients, supplies, materials and other products used or offered for sale at the Franchised Restaurant solely from suppliers (including manufacturers, distributors and other sources) who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's then-current standards and specifications for such items, who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; and who have been approved in writing by Franchisor prior to any purchases by Franchisee from any such supplier; and who have not thereafter been disapproved.

(a) If Franchisee desires to purchase any products from an unapproved supplier, Franchisee shall submit to Franchisor a written request for such approval, or shall request the supplier itself to do so. Franchisee shall not purchase from any supplier unless and until such supplier has been approved in writing by Franchisor. Franchisee acknowledges it will be required to secure such supplier's signature to a reasonably acceptable confidentiality agreement as a condition precedent to any approval by Franchisor.

(b) Franchisor shall have the right to require that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, either to Franchisor or to an independent laboratory designated by Franchisor for testing. A charge not to exceed the reasonable cost of the inspection and the actual cost of the test shall be paid by Franchisee or the supplier.

(c) Franchisor reserves the right, at its option, to re-inspect from time to time the facilities and products of any such approved supplier and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's then-current criteria. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier (such determination to be made by Franchisor in its sole discretion).

Section 7.7 Proprietary Products. Franchisee acknowledges and agrees that Franchisor may develop certain products which are made from highly confidential secret recipes and which are trade secrets of Franchisor (the "Proprietary Products"). Because of the importance of quality and uniformity of production and the significance of the Proprietary Products to the System, it is to the mutual benefit of the parties that Franchisor closely controls the production and distribution of the Proprietary Products. Accordingly, Franchisee agrees that, in the event Proprietary Products become a part of the System (and thereby required for use in the Franchised Restaurant), then Franchisee shall only use Proprietary Products in the Franchised Restaurant which have been purchased from Franchisor or from a source designated by Franchisor.

Section 7.8 Repair and Maintenance of the Franchised Restaurant. Franchisee shall maintain the Franchised Restaurant in a first-class manner and condition and Franchisee shall, at its sole

cost, make such repairs to the Franchised Restaurant as may be required to maintain the Franchised Restaurant in a first-class manner and condition (including, without limitation, periodic repainting and/or replacement of obsolete or damaged signs, furnishings, equipment and decor) as Franchisor may reasonably direct.

(a) Except for repairs required to maintain the Franchised Restaurant in a first class manner and condition, all other repairs, replacements, additions, and modifications to the Franchised Restaurant shall require Franchisor's prior written consent.

Section 7.9 The Current Image. Upon Franchisor's request, Franchisee shall, at its sole cost and expense, make all improvements and alterations that Franchisor may determine to be necessary for the Franchised Restaurant to conform with the then-current image of Chili's Restaurants as required by the System or as prescribed by Franchisor from time-to-time (the "Current Image"). Franchisee shall, at its expense, undertake and complete such improvements and alterations within reasonable times specified by Franchisor.

Section 7.10 Mandatory Remodeling of Franchised Restaurant. Franchisee acknowledges (i) Franchisor's right to make changes in the Current Image, as it reasonably deems appropriate; (ii) Franchisor's current requirement that Franchisee must remodel the entire Franchised Restaurant, at Franchisee's sole cost, every seven (7) years to conform with the Current Image of Chili's Restaurants; and (iii) Franchisor's right to require Franchisee to make specific changes to the Franchised Restaurant from time-to-time to conform with the Current Image, at Franchisee's sole cost.

Section 7.11 Inspection by Franchisor. Franchisee shall grant Franchisor and its agents the right to enter the Franchised Restaurant at any time for the purpose of conducting inspections of the Franchised Restaurant and Franchisee shall cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request. Upon notice from Franchisor or its agents and without limiting Franchisor's other rights under this Franchise Agreement, Franchisee shall take such steps as may be necessary to correct immediately any deficiencies detected during any such inspection. Should Franchisee, for any reason, fail to correct such deficiencies within a reasonable time as determined by Franchisor, Franchisor shall have the right and authority (without, however, any obligation to do so), to correct such deficiencies and to charge Franchisee a reasonable fee for Franchisor's expenses in so acting, payable by Franchisee immediately upon demand. Franchisor reserves the right to institute policies and procedures regarding such inspection in the CFM, including without limitation, fees for failure to timely comply with such policies and procedures.

Section 7.12 Mandatory Sanitation and Food Safety Program. Franchisor reserves the right to require Franchisee's participation in a mandatory sanitation and food safety program relating to the Franchised Restaurant (including periodic inspections and evaluations of the Franchised Restaurant) in accordance with such rules, terms, and conditions as Franchisor deems advisable. Franchisor reserves the right to incorporate the rules, terms, and conditions of such program into the CFM and to supplement such rules, terms, and conditions from time-to-time through modifications to the CFM. Franchisee shall, at all times, operate the Franchised Restaurant in accordance with the rules, terms, and conditions of such mandatory sanitation and food safety program. Franchisee acknowledges Franchisee may be responsible for some (or all) costs of such program as it applies to the Franchised Restaurant.

Section 7.13 Prices at Franchised Restaurant. Subject to this Franchise Agreement, Franchisee shall be responsible for determining the prices of products offered at the Franchised Restaurant, subject to

Franchisor's reasonable rules, limitations, and regulations regarding such pricing as permitted by applicable law. To the fullest extent permitted by applicable law, Franchisor reserves the right to establish maximum, minimum, or other pricing requirements with respect to the prices Franchisee may charge for products or services offered at the Franchised Restaurant.

Section 7.14 Liquor Licenses and Business Licenses. This Franchise Agreement is expressly conditioned upon Franchisee's ability to secure and maintain, at its sole cost, any and all required state, county, and/or local liquor licenses required for the on-premises sale and consumption of alcoholic beverages at the Franchised Restaurant and any other business licenses required for the operation of the Franchised Restaurant.

(a) If Franchisee fails to secure the required liquor license(s) by the date the Franchised Restaurant is otherwise ready (and/or required) to open for business, then Franchisor may, in its sole discretion, terminate this Franchise Agreement upon ten (10) days prior written notice to Franchisee and, in such event, Franchisor shall refund the Franchise Fee paid by Franchisee (without interest), less any expenses and/or damages incurred by Franchisor under this Franchise Agreement prior to the date of such termination.

(b) After Franchisee has secured the required liquor licenses, Franchisee shall thereafter comply with all applicable laws and regulations relating to the sale of alcoholic beverages at the Franchised Restaurant. If the sale and consumption of alcoholic beverages at the Franchised Restaurant is suspended or prohibited for more than thirty (30) consecutive days as a result of Franchisee's failure to comply with applicable laws and regulations relating to the sale of alcoholic beverages at the Franchised Restaurant, then Franchisor may, in its sole discretion, terminate this Franchise Agreement upon ten (10) days prior written notice to Franchisee and, in such event, Franchisor shall not be required to refund the Franchise Fee.

Section 7.15 Compliance With Laws and Industry Standards. Franchisee shall operate the Franchised Restaurant in compliance with all federal, state and local laws, rules and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Restaurant including, without limitation, business licenses, certificates of occupancy, liquor licenses, fictitious name registrations, sales tax permits, and fire permits. Franchisee shall be solely responsible for any fines, costs, or penalties related to the foregoing matters.

(a) Franchisee shall notify Franchisor in writing within five (5) days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality related to any of the matters referenced in this Section 7.16 or which may adversely affect the Franchised Restaurant.

(b) Franchisee shall, at its sole cost, comply (i) with rules and regulations promulgated by industry groups, trade associations, and similar non-governmental (and/or quasi-governmental) organizations so long as Franchisor's company-owned Chili's restaurants also comply with such rules and regulations and/or (ii) rules and regulations promulgated by Franchisor which are reasonably consistent with rules and regulations promulgated by industry groups, trade associations, and similar non-governmental (and/or quasi-governmental) organizations so long as Franchisor's company-owned Chili's restaurants also comply with such rules and regulations.

(i) Franchisor and Franchisee acknowledge and agree that protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and System. Accordingly, Franchisee agrees that it will cause the Franchised Restaurant to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Data Security Standards (PCI DSS) council, or its successor, and other regulations and industry standards applicable to the protection of customer privacy and credit card information, including but not limited to the Fair and Accurate Credit Transaction Act (FACTA) and all other successor or additional laws, and all other data security requirements we prescribe. Franchisee is solely responsible for educating itself as to these regulations and standards and for achieving and maintaining applicable compliance certifications. Franchisee will defend, indemnify, and hold Franchisor harmless from and against all claims arising out of or relating to Franchisee's violation of this Section 7.15.

Section 7.16 Computer System(s). Franchisee shall, at Franchisee's sole cost, install and maintain a computerized point-of-sale system (the "POS System") at the Franchised Restaurant. If Franchisor has designated a POS System, then Franchisee must install and maintain the designated POS System, at Franchisee's sole cost, including all future updates, supplements and modifications. If Franchisor has designated a POS System, then Franchisee must install the designated POS System. If Franchisor has not designated a POS System, then any POS System Franchisee desires to install shall be subject to Franchisor's prior written approval. Franchisor also reserves the right to require Franchisee to replace Franchisee's existing POS System at the Franchised Restaurant with a POS System designated by Franchisor and, in such event, Franchisor shall give Franchisee a reasonable timeframe not to exceed twenty-four (24) months to replace Franchisee's then existing POS System with a POS System designated by Franchisor, all at Franchisee's sole cost. In addition to the POS System, Franchisee shall not install any back-of-house ("BOH") software system and/or front-of-house ("FOH") software system without Franchisor's prior written approval. Franchisor may also require Franchisee to install and maintain a BOH software system designated by Franchisor and/or FOH software system designated by Franchisor, all at Franchisee's sole cost.

Section 7.17 Supplemental Marketing Programs. Franchisee acknowledges that (i) supplemental marketing programs (e.g., limited time offers, gift cards, gift certificates, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs) are an integral part of the System and (ii) Franchisee shall be required to participate in (and comply with) such supplemental marketing programs established by Franchisor from time-to-time. Franchisee acknowledges it may be responsible for the payment of certain costs associated with these supplemental marketing programs. Franchisor reserves the right to establish (and set forth the terms and conditions of) such supplemental marketing programs through (i) a supplement and/or modification to the CFM or (ii) a standard supplemental marketing program agreement which Franchisee agrees to sign, if so requested by Franchisor. Franchisee acknowledges that Franchisor has developed a gift card program and Franchisee shall be required to participate in (and comply with the terms and conditions of) Franchisor's gift card policy as amended or modified by Franchisor from time-to-time.

ARTICLE 8
THE CHILI'S MARKS

Section 8.1 Franchisor's Representations. Franchisor represents that Franchisor has the corporate power and authority to grant to Franchisee the rights specified in Section 1.1 and to execute, deliver and perform its obligations under this Franchise Agreement.

Section 8.2 Franchisee's Use of the Chili's Marks. With respect to Franchisee's licensed use of the Chili's Marks pursuant to this Franchise Agreement, Franchisee agrees that:

(a) Franchisee shall use only the Chili's Marks designated by Franchisor and then only in the manner authorized by Franchisor. Any use by Franchisee of the Chili's Marks shall require the prior written consent of Franchisor.

(b) Franchisee shall use the Chili's Marks only at the Franchised Restaurant or in advertising for the Franchised Restaurant (unless otherwise authorized by Franchisor in writing).

(c) Franchisee shall cause all advertising materials, promotional materials, signs, banners, decorations, paper goods (including disposable food containers, napkins, menus, forms, and stationery) and other items designated by Franchisor used in connection with the Franchised Restaurant to display the Chili's Marks in the form, color, location and manner prescribed and approved in writing by Franchisor.

(d) Unless otherwise authorized or required by Franchisor, Franchisee shall operate and advertise the Franchised Restaurant only under the name "Chili's Grill & Bar" without prefix or suffix.

(e) During the Term of this Franchise Agreement, Franchisee shall identify itself as the owner of the Franchised Restaurant and independent franchisee in conjunction with any use of the Chili's Marks, including, but not limited to, uses on invoices, order forms, receipts and contracts, as well as the display of a notice in such content and form and at such conspicuous locations at the Franchised Restaurant as Franchisor may designate in writing.

(f) Franchisee's right to use the Chili's Marks is limited to such uses as are authorized under this Franchise Agreement, and any unauthorized use thereof shall constitute an infringement of Franchisor's rights.

(g) Franchisee shall not use the Chili's Marks to incur any obligation or indebtedness on behalf of Franchisor.

(h) Franchisee shall not use the Chili's Marks (or any derivative or portion thereof) as part of its corporate or other legal name.

(i) Franchisee shall comply with Franchisor's instructions in filing and maintaining the requisite trade name or fictitious name registrations, and shall execute any documents deemed necessary by Franchisor or its counsel to obtain protection for the Chili's Marks or to maintain their continued validity and enforceability.

(j) In the event of any infringement of or challenge to Franchisee's use of the Chili's Marks or litigation involving the Chili's Marks is instituted or threatened against Franchisee, Franchisee shall promptly notify Franchisor and shall cooperate fully in defending or settling such litigation. Franchisee and Franchisee's Owners agree that they will not communicate with any person other than the Franchisor and Franchisor's counsel in connection with any such action, claim or infringement. Franchisor shall have sole discretion to take such action as it deems appropriate and the right to exclusively control any litigation, Patent and Trademark Office action or other proceeding arising out of any infringement, challenge or claims relating to the Chili's Marks.

Section 8.3 Limitations on Franchisee's Use of Chili's Marks. With respect to Franchisee's licensed use of the Chili's Marks pursuant to this Franchise Agreement, Franchisee agrees that:

(a) Franchisor is the owner or licensee of all right, title and interest in and to the Chili's Marks and the goodwill associated with and symbolized by them.

(b) The Chili's Marks are valid and serve to identify the System and those who are authorized to operate under the System.

(c) Franchisee shall not directly or indirectly contest the validity or Franchisor's ownership of the Chili's Marks.

(d) Franchisee's use of the Chili's Marks pursuant to this Franchise Agreement does not give Franchisee any ownership interest or other interest in or to the Chili's Marks, except the license granted by this Franchise Agreement.

(e) Any and all goodwill arising from Franchisee's use of the Chili's Marks and the System under this Franchise Agreement shall inure solely and exclusively to Franchisor's benefit, and upon expiration or termination of this Franchise Agreement, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Chili's Marks.

(f) The right and license of the Chili's Marks granted hereunder to Franchisee is non-exclusive, and Franchisor thus has and retains the rights, among others:

(i) To use the Chili's Marks itself in connection with selling products and services;

(ii) To grant other licenses for the Chili's Marks, in addition to those licenses already granted to existing franchisees; and

(iii) To develop and establish other systems using the same or similar Chili's Marks, or other Chili's Marks, and to grant licenses or franchises thereto without providing any rights therein to Franchisee.

In the event excess amounts remain in such advertising program at the end of such fiscal year, then all expenditures in the following fiscal year(s) shall be made first out of accumulated fees from previous years and then from fees collected during the current year.

(a) The Regional Advertising Program and/or the National Advertising Program are operated as a conduit for the collection and expenditure of advertising fees for the purposes stated herein. An unaudited statement of the operations of the Regional Advertising Fund and/or the National Advertising Fund shall be prepared annually by Franchisor and shall be made available to Franchisee upon Franchisee's request.

(b) Franchisor reserves the right to terminate the Regional Advertising Program and/or the National Advertising Program; provided that such program(s) shall not be terminated until all monies in such programs have been expended for advertising and/or promotional purposes or other appropriate arrangements have been made with respect to such monies.

Section 13.1 Transfer by Franchisor. Franchisor shall have the right to transfer or assign this Franchise Agreement and all or any part of its rights or obligations herein (including, without limitation, the Chili's Marks and/or the System) to any person or legal entity and, in such event, (i) the transferee or assignee shall be solely responsible for all of Franchisor's obligations hereunder arising after the date of such transfer or assignment and (ii) Franchisor shall be released of its obligations hereunder to the extent such obligations arise after the date of such transfer or assignment. Section 13.2 Transfer by Franchisee. Franchisee agrees the rights and duties set forth in this Franchise Agreement are personal to Franchisee and that Franchisor entered into this Franchise Agreement in reliance on the business skill, financial capacity and personal character of the Franchisee and Franchisee's Owners.

(a) Franchisee and/or Franchisee's Owners shall not (i) sell, assign, transfer, convey, give away, gift, pledge, mortgage or otherwise encumber any direct or indirect interest in this Franchise Agreement and/or the Chili's Marks and (ii) shall not grant a security interest or collateral interest in this Franchise Agreement and/or Chili's Marks. Franchisee and/or Franchisee's Owners shall not sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any direct or indirect interest in Franchisee and/or the Franchised Restaurant without the prior written consent of Franchisor which Franchisor may condition upon any or all of the requirements set forth in Section 13.3 (as determined by Franchisor in its sole discretion).

(b) Any purported assignment, transfer, conveyance, give away, gift, pledge, mortgage or other encumbrance (by operation of law or otherwise) by Franchisee and/or Franchisee's Owners which does not comply with this Article 13 (including, without limitation, the prior written consent of Franchisor) shall be null and void and shall constitute an event of default under Section 14.2(a) of this Franchise Agreement.

Section 13.3 Conditions for Approval. Franchisor shall not unreasonably withhold its consent to a transfer of any interest in Franchisee, this Franchise Agreement, and/or the Franchised Restaurant; provided Franchisor may, in its sole discretion, require any or all of the following as conditions precedent to its approval (and Franchisee agrees that all such conditions are reasonable and necessary).

(a) All of Franchisee's accrued monetary obligations and all other outstanding obligations to Franchisor, its subsidiaries and its affiliates shall have been satisfied.

(b) Franchisee is not in default of any provision of this Franchise Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor, or its subsidiaries and affiliates.

(c) Franchisee, Franchisee's Owners, and the proposed transferor shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its subsidiaries and affiliates, successors and assigns and their respective officers, directors, shareholders, partners, employees, servants, representatives and agents, in their corporate and individual capacities, including, without limitation, claims arising under this Franchise Agreement and federal, state and local laws, rules and ordinances.

(d) The proposed transferee shall enter into a written agreement, in a form satisfactory to Franchisor, assuming full, unconditional, joint and several liability for and agreeing to perform from the date of the transfer, all obligations, covenants and agreements contained in this Franchise Agreement; and, if transferee is a corporation or a partnership, transferee's shareholders, partners or other investors, as applicable, shall execute such agreement as transferee's owners and shall guarantee the performance of all such obligations, covenants and agreements in writing in a form satisfactory to Franchisor.

(e) The proposed transferee shall demonstrate to Franchisor's satisfaction that such transferee meets the criteria considered by Franchisor when reviewing a prospective franchisee's application for a franchise including but not limited to Franchisor's educational, managerial and business standards; transferee's good moral character, business reputation and credit rating; transferee's aptitude and ability to operate the Franchised Restaurant in accordance with this Franchise Agreement (as may be evidenced by prior related business experience or otherwise); transferee's ability, financial resources, infrastructure, and capital for operation of a multi-unit restaurant business; and the geographic proximity of other Chili's Grill & Bar restaurants owned or operated by transferee and the territories or areas with respect to which transferee is obligated to develop Chili's Grill & Bar restaurants pursuant to any development agreement between Franchisor and Franchisee, in relation to the Franchised Restaurant.

(f) The proposed transferee shall execute, for a term ending on the expiration date of this Franchise Agreement and with such renewal term as may be provided by this Franchise Agreement, the standard form franchise agreement then being offered to new franchisees in the System and other ancillary agreements as Franchisor may require; and if transferee is a corporation or a partnership, transferee's shareholders, partners or other investors, as applicable, shall execute such agreements as transferee's principals and shall guarantee the performance of all such obligations, contracts and agreements in writing in a form satisfactory to Franchisor. Such agreements shall supersede this Franchise Agreement and its ancillary documents in all respects and the terms of such agreements may differ from the terms of this Franchise Agreement, including, without limitation, a higher percentage royalty fee, a higher percentage technical services fee and a higher advertising contribution; provided, however, that the transferee shall not be required to pay any initial franchise fee.

(g) The proposed transferee, at its expense, shall remodel and/or upgrade the Franchised Restaurant to conform to the Current Image and then-current standards and specifications of

the System and shall complete such remodeling and/or upgrading within the time specified by Franchisor.

(h) Franchisee, Franchisee's Owners, and the proposed transferor shall remain liable for all of the obligations and liabilities related to this Franchise Agreement and/or the Franchised Restaurant prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by Franchisor to evidence such liability.

(i) The proposed transferee, the transferee's manager and the transferee's operating partner shall complete, at transferee's cost, any training programs then in effect for franchisees upon such terms and conditions as Franchisor may reasonably require.

(j) Franchisee shall pay a transfer fee of Five Thousand and 00/100 Dollars (\$5,000), or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with any transfer of this Franchise Agreement and preparing or reviewing transfer documentation, including, without limitation, the costs of background checks, legal and accounting fees (in addition to any other transfer fees that may be payable under applicable Development Agreement and/or Franchise Agreement(s); provided that the total transfer fees payable to Franchisor in connection with any single transfer shall not exceed \$25,000.00). The Transfer Fee shall be paid in two, non-refundable installments: (a) Two Thousand Five Hundred and 00/100 Dollars (\$2,500) shall be paid together with the delivery to Franchisor of the application from the proposed transferee; and (b) the balance of the Transfer Fee, the amount of such total Transfer Fee to be determined by Franchisor in its sole discretion pursuant to this Section 13.3(j), which shall be paid on or before the date of the transfer.

(k) If the proposed transferee is a corporation or a partnership, then transferee shall make and will be bound by any or all of the representations, warranties and covenants set forth in Article 6 and Transferee shall provide to Franchisor evidence satisfactory to Franchisor that the terms of Article 6 have been satisfied and are true and correct on the date of transfer.

(l) Franchisee, Franchisee's Owners, and the proposed transferor and transferee shall comply with any other conditions that Franchisor reasonably requires from time to time as part of Franchisor's transfer policies including, without limitation, evidence of landlord consent, subordination of purchase price to monetary obligations under this Franchise Agreement, execution of confidentiality and non-compete agreements, etc.

Section 13.4 No Security Interest. Franchisee shall not grant a security or collateral interest in this Franchise Agreement, the System, and/or the Chili's Marks. Franchisee shall not grant a security or collateral interest in the Franchised Restaurant, without Franchisor's prior written consent, which shall not be unreasonably withheld. In connection therewith, the secured party will be required by Franchisor to agree that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of Franchisee.

Section 13.5 Transfer for Convenience of Ownership. Any proposed assignment and/or transfer of this Franchise Agreement by Franchisee to an affiliated or subsidiary corporation or other entity formed by Franchisee solely for the convenience of ownership shall be subject to Franchisor's prior written consent which Franchisor may condition upon any or all of the requirements set forth in Section 13.3 (as determined by Franchisor in its sole discretion). With respect to any proposed assignment or

transfer under this Section 13.5, Franchisee shall be the owner of all of the voting stock or interest of such corporation or entity and if Franchisee is more than one individual, each individual shall have the same proportionate ownership interest in the corporation or entity as such individual had in Franchisee prior to the transfer.

Section 13.6 Right of First Refusal. The “Right of First Refusal” attached hereto as Attachment E is hereby incorporated into this Franchise Agreement.

(a) Upon the death of any person with an interest in this Franchise Agreement and/or Franchisee (the “Deceased”), the executor, administrator or other personal representative of the Deceased shall transfer such interest to a third party approved by Franchisor within twelve (12) months after the death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by Franchisor. If the distributee is not approved by Franchisor, then the distributee shall transfer such interest to a third party approved by Franchisor within twelve (12) months after the death of the Deceased.

(b) Upon the permanent disability of any person with an interest in this Franchise Agreement or Franchisee, Franchisor may, in its sole discretion, require such interest to be transferred to a third party in accordance with the conditions described in this Article 13 within six (6) months after notice to Franchisee. “Permanent disability” shall mean any physical, emotional or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in this Franchise Agreement or in the Guaranty attached to this Franchise Agreement for at least ninety consecutive days and from which condition recovery within ninety days from the date of determination of disability is unlikely. Permanent disability shall be determined by a licensed practicing physician selected by Franchisor upon examination of the person; or if the person refuses to submit to an examination, then such person shall be automatically deemed permanently disabled as of the date of such refusal for the purpose of this Article 13. The costs of any examination required by this Section 13.7(b) shall be paid by Franchisor.

(c) Upon the death or claim of permanent disability of any person with an interest in this Franchise Agreement and/or Franchisee, Franchisee or a representative of Franchisee must promptly notify Franchisor of such death or claim of permanent disability. Any transfer upon death or permanent disability shall be subject to the same terms and conditions as described in this Article 13 for any inter vivos transfer. If an interest is not transferred upon death or permanent disability as required in this Section 13.7, then Franchisor may terminate this Franchise Agreement.

Section 13.8 Non-Waiver of Claims. Franchisor’s consent to a transfer of any interest under this Article 13 shall not constitute a waiver of any claims it may have against transferor nor shall it be deemed a waiver of Franchisor’s right to demand exact compliance with any of the terms of this Franchise Agreement by the proposed transferee.

Section 13.9 Offerings by Franchisee. Securities or partnership interests in Franchisee may be offered to the public by private offering or otherwise, only with the prior written consent of Franchisor (whether or not Franchisor’s consent is required under this Article 13), which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted

to Franchisor for a limited review as discussed below prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for such review prior to their use. No Franchisee offering shall imply (by use of the Chili's Marks or otherwise) that Franchisor is participating in an underwriting, issuance or offering of Franchisee or Franchisor securities; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Franchisee and Franchisor. Franchisor may, at its option, require Franchisee's offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in the preceding sentence. Franchisee and the other participants in the offering must fully indemnify Franchisor in connection with the offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of Ten Thousand and 00/100 Dollars (\$10,000.00). Franchisee shall give Franchisor written notice at least thirty (30) days prior to the date of commencement of any offering or other transaction covered by this Section 13.9.

(g) In the event Franchisee fails or refuses to comply with the requirements of this Section 15.1, then Franchisor shall have the right to enter the Location, without being guilty of trespass or

any other tort, for the purpose of making or causing to be made such changes as may be required under this Section 15.1, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand.

(d) In addition to any other rights and remedies available to Franchisor under this Franchise Agreement and in the event of a violation of Sections 16.3(a)(ii), 16.3(b)(ii), and/or 16.3(c)(ii), Franchisor may elect, in its sole discretion, to require Franchisee to pay to Franchisor an amount equal to three (3) times the annual salary of the person(s) involved in such violation plus an amount equal to costs and attorney's fees incurred by Franchisor in connection with such violation and such amounts shall be deemed as liquidated damages.

Section 16.4 Managers and Employees. At Franchisor's request, Franchisee shall require and obtain execution of covenants similar to those set forth in this Article 16 (including covenants applicable upon the termination of a person's relationship with Franchisee) from any and all managers of Franchisee and any other employees of Franchisee who have received or will receive training or Confidential Information, and any holder (except for limited partners) of a beneficial interest of less than one percent

(1%) of the securities of Franchisee and any corporation, partnership or limited liability company directly or indirectly controlling Franchisee, if Franchisee is a corporation, partnership or limited liability company (or of any general partner that is a corporation, partnership or limited liability company or any corporation, partnership or limited liability company directly or indirectly controlling a general partner of Franchisee, if Franchisee is a partnership). The covenants required by this Section 16.4 shall be substantially in the form contained in Attachment B.

Section 16.5 Survival. The terms of this Article 16 shall survive the termination, expiration, or any transfer of this Franchise Agreement. The parties agree this Article 16 shall be construed as independent of any other provision of this Franchise Agreement. If all or any portion of this Article 16 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee and Franchisee's Owners expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 16.

Section 16.6 Reduction in Scope. Franchisee and Franchisee's Owners agree; that Franchisor shall have the right, in its sole discretion, to reduce the scope of any provision, or portion thereof, in this Article 16 without their consent, effective immediately upon notice to Franchisee; and Franchisee and Franchisee's Owners agree that they shall comply forthwith with any provision as so modified, which shall be fully enforceable notwithstanding the provisions of Section 20.1.

Section 16.7 No Defense. Franchisee and Franchisee's Owners expressly agree that the existence of any claims they may have against Franchisor, whether or not arising from this Franchise Agreement, shall not constitute a defense to the enforcement by Franchisor of the provisions of this Article 16. In addition to any other rights and remedies, Franchisee and Franchisee's Owners agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Article 16.

Section 16.8 Consent to Injunctive Relief. Franchisee and Franchisee's Owners acknowledge that a violation of the terms of this Article 16 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee and Franchisee's Owners accordingly consent to the issuance of an injunction prohibiting any conduct by Franchisee or Franchisee's Owners in violation of the terms of this Article 16.

ARTICLE 17

INDEPENDENT CONTRACTOR AND INDEMNIFICATION

Section 17.1 Independent Contractor. The parties agree that Franchisee is an independent contractor, this Franchise Agreement does not create a fiduciary or other special relationship between them, and nothing in this Franchise Agreement is intended to designate either party as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

(a) During the Term, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Restaurant under this Franchise Agreement. Franchisee agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place in the Franchised Restaurant, the content of which Franchisor reserves the right to specify.

(b) The parties agree that nothing in this Franchise Agreement authorizes Franchisee or any of Franchisee's Owners to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Franchisee or Franchisee's Owners or for any claim or judgment arising therefrom against Franchisee, any of Franchisee's Owners or Franchisor.

(c) Franchisee shall be the sole and exclusive employer of its employees with the sole right to hire, discipline, and discharge such employees and the sole right to establish wages, hours, benefits, employment policies, and other terms and conditions of employment for such employees all as determined by Franchisee in its sole discretion without consultation or approval by Franchisor. Additionally, Franchisee must communicate to all employees that Franchisee, not Franchisor, is their employer; and Franchisee must ensure that no payroll checks or other employment-related documents (such as job applications and W-2s) contain or reference the Marks or Franchisor's name. Franchisee shall be solely responsible for the payment of all social security taxes and/or other applicable payroll-related, government-mandated contributions and/or taxes and Franchisee shall indemnify and hold Franchisor harmless from any liability for any such contributions and/or taxes.

Section 17.2 Indemnity. Franchisee is responsible for all Damages (defined in Section 17.5) related to Franchisee's obligations under this Franchise Agreement and the development and operation of the Franchised Restaurant. Franchisee shall, at all times, indemnify and hold Franchisor (including its subsidiaries, affiliates, successors and assigns and their respective officers, directors, attorneys, shareholders, partners, agents, representatives, independent contractors and employees -- collectively referenced hereinafter as "Indemnitees") harmless to the fullest extent permitted by law (without regard to the cause thereof or the negligence of Indemnitees) from all Damages related to Franchisee's obligations under this Franchise Agreement and the development and operation of the Franchised Restaurant including, without limitation, Damages related to the following matters:

(a) The infringement, alleged infringement, or any other violation or alleged violation by Franchisee or any of Franchisee's Owners of any patent, mark or copyright or other proprietary right owned or controlled by third parties (except as such may occur with respect to any right to use the Chili's Marks or other proprietary information granted hereunder).

(b) The violation, breach or asserted violation or breach by Franchisee or any of Franchisee's Owners of any federal, state or local law, regulation, ruling, standard or directive or any industry standard (including, without limitation, any claims related to the employment of Franchisee's employees).

(c) Libel, slander or any other form of defamation of Franchisor, the System or any developer or franchisee operating under the System, by Franchisee or by any of Franchisee's Owners;

(d) The violation or breach by Franchisee or by any of Franchisee's Owners of any provision of this Franchise Agreement or in any other agreement between Franchisee, its subsidiaries and affiliates and Franchisor, its subsidiaries and affiliates or the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees thereof.

(e) Acts, errors, or omissions of Franchisee, any of Franchisee's subsidiaries or affiliates and any of Franchisee's Owners and the officers, directors, shareholders, partners, agents,

representatives, independent contractors and employees of Franchisee and its subsidiaries and affiliates in connection with the establishment and operation of the Franchised Restaurant.

Section 17.3 Notice to Franchisor. Franchisee and each of Franchisee's Owners agree to give Franchisor notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. At the expense and risk of Franchisee and each of Franchisee's Owners, Franchisor may elect to assume (but under no circumstance is obligated to undertake) or associate counsel of its own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation. Such an undertaking by Franchisor shall, in no manner or form, diminish the obligation of Franchisee and each of Franchisee's Owners to indemnify the Indemnitees and to hold them harmless.

Section 17.4 Settlement or Other Remedial Actions. In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its judgment deems appropriate, consent or agree to settlements or take such other remedial or corrective actions it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in Franchisor's sole judgment, there are reasonable grounds to believe that (i) any of the acts or circumstances enumerated in Section 17.2 have occurred or (ii) any act, error, or omission as described in Section 17.2(e) may result directly or indirectly in damage, injury, or harm to any person or any property.

(a) All Damages incurred under this Article 17 shall be chargeable to and paid by Franchisee or any of Franchisee's Owners pursuant to its obligations of indemnity under this Article 17, regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity, or defense.

Section 17.5 Definition of Damages. As used in this Article 17, the term "Damages" shall include, without limitation, all liability, losses, damages (including, without limitation, compensatory, exemplary and punitive damages), claims, fines, charges, costs, expenses, debts, lost profits, reasonable attorney's fees, court costs, settlement amounts, judgments, compensation for damages to the Franchisor's reputation and goodwill, costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

Section 17.6 No Liability. Indemnitees do not assume any liability whatsoever for acts, errors, or omissions of those with whom Franchisee, any of Franchisee's Owners, Franchisee's subsidiaries and affiliates or any of the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of Franchisee, its subsidiaries or affiliates may contract, regardless of the purpose.

Section 17.7 No Requirement to Pursue Third Party. Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Franchisee or any of Franchisee's Owners. Franchisee and each of Franchisee's Owners agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Franchisee or any of Franchisee's Owners by the Indemnitees.

Section 17.8 Survival. The terms of this Article 17 shall survive the termination, expiration, or any transfer of this Franchise Agreement.

ARTICLE 18 APPROVALS AND WAIVERS

Section 18.1 Requests for Approvals. Whenever this Franchise Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent shall be obtained in writing.

(a) Franchisor makes no warranties or guarantees upon which Franchisee or Franchisee's Owners may rely, and assumes no liability or obligation to Franchisee or such persons, by providing any waiver, approval, consent, or suggestion to Franchisee or Franchisee's Owners in connection with this Franchise Agreement, or by reason of any neglect, delay, or denial of any request therefor.

Section 18.2 No Waiver. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee or Franchisee's Owners under this Franchise Agreement shall constitute a waiver by Franchisor to enforce any such right, option, duty, or power as against Franchisee or Franchisee's Owners, or as to any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee or Franchisee's Owners of any terms, provisions, covenants, or conditions of this Franchise Agreement.

ARTICLE 19 NOTICES

Any and all notices, reports and payments permitted or required to be delivered by the provisions of this Franchise Agreement shall be (i) personally delivered, (ii) delivered by overnight delivery service, (iii) delivered by certified/registered mail, return receipt requested, or (iv) delivered by email, electronic delivery, prepaid telex, or facsimile, provided sender confirms any delivery under this clause (iv) by sending a confirmation copy by overnight delivery service or certified/registered mail, return receipt requested, within one (1) business day after transmission thereof to the respective parties at the addresses listed below. ARTICLE 20 MISCELLANEOUS PROVISIONS

Section 20.1 Entire Agreement. This Franchise Agreement, the documents referred to herein, and the Attachments hereto constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and shall supersede all prior agreements, discussions, correspondence, understandings and/or communications in any form or format between the parties hereto with respect to the subject matter hereof. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Franchise Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Franchise Agreement is intended to disclaim any representations made by Franchisor in the franchise disclosure document provided to Franchisee by Franchisor.

Section 20.2 Severability. Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision of this Franchise Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Franchise Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms and/or provisions shall be deemed not to be a part of this Franchise Agreement.

Section 20.3 No Benefit. Except as expressly provided to the contrary herein, nothing in this Franchise Agreement is intended, nor shall be deemed, to confer upon any person or legal entity any rights or remedies under this Franchise Agreement (and otherwise except for Franchisee, Franchisee's Owners, Franchisor, and Franchisor's officers, directors, and employees).

Section 20.4 Agreement to be Bound. Franchisee and Franchisee's Owners, as applicable, expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Franchise Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

Section 20.5 Captions. All captions in this Franchise Agreement are intended solely for the convenience of all parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

Section 20.6 Survival. Any obligation of Franchisee or Franchisee's Owners that contemplates performance of such obligation after termination, expiration, or any transfer of this Franchise Agreement shall be deemed to survive such termination, expiration or transfer.

Section 20.7 References. All references herein to the masculine, neuter, or singular shall be construed to include the masculine, feminine, neuter, or plural, where applicable; and, without limiting the obligations individually undertaken by the Franchisee's Owners hereunder, all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all those executing this Franchise Agreement on behalf of Franchisee.

(a) Each reference in this Franchise Agreement to a corporation or partnership shall be deemed to also refer to a limited liability company and any other entity or organization similar thereto. Each reference to the organizational documents, owners, directors, and officers of a corporation in this Franchise Agreement shall be deemed to refer to the functional equivalents of such organizational documents, owners, directors, and officers, as applicable, in the case of a limited liability company or any other entity or organization similar thereto.

Section 20.8 Counterparts. This Franchise Agreement may be executed in one or more counterparts and each counterpart so executed shall be deemed an original.

Section 20.9 Business Days. The term "business days" means any days excluding Saturday, Sunday and the following national holidays: New Year's Day, Martin Luther King Day, Presidents' Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving and Christmas.

Section 20.10 Franchisee's Responsibility For Franchisee's Owners. Franchisee shall be solely and completely responsible to ensure (and cause) each of Franchisee's Owners to comply with the terms of this Franchise Agreement and each of Franchisee's Owners must sign the Signature Page of Franchisee's Owners attached hereto. Franchisee agrees that any violation of the terms of this Franchise Agreement by Franchisee's Owners shall constitute an event of default under Article 14.

Section 20.11 Outsourcing by Franchisor. Franchisor may, in its sole discretion, elect to outsource and/or subcontract certain of Franchisor's obligations set forth in this Franchise Agreement to subsidiaries, affiliates, contract employees, third-party vendors, and/or other third-party suppliers; provided (i) any such outsourcing and/or subcontracting shall not discharge Franchisor from its obligations under this Franchise Agreement, and (ii) any such outsourced or subcontracted obligations shall be performed in accordance with the terms of this Franchise Agreement.

ARTICLE 21 DISPUTE RESOLUTION

Section 21.1 Legal Remedies. Franchisor and Franchisee will each have the right in a proper case to obtain specific performance, eviction from the premises of the Franchised Restaurant, temporary

restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction. Franchisee agrees that Franchisor may have temporary or preliminary injunctive relief without bond, but upon due notice, and Franchisee's sole remedy in the event of the entry of such injunctive relief will be the dissolution of the injunctive relief, if warranted, upon hearing duly had (all claims for damages by reason of the wrongful issuance of any injunction being expressly waived).

Section 21.2 Non-Binding Mediation. The parties agree that either party may submit any claim, controversy, or dispute arising out of this Franchise Agreement to non-binding mediation; provided the parties shall not be required to pursue mediation of any claim, controversy, or dispute as a prerequisite to issuing default notices, filing a lawsuit or commencing other legal proceedings. Any such non-binding mediation shall be conducted through either an individual mediator or a mediation services organization, provided the mediator shall be (i) experienced in the mediation of food service business disputes and (ii) agreed upon by the parties.

Section 21.3 Consent to Jurisdiction, Venue, and Governing Law. Franchisee and Franchisee's Owners irrevocably (i) submit themselves to the jurisdiction of the State Courts of Texas, located in Dallas County, Texas, and the United States Federal District Court for the Northern District of Texas, Dallas Division; (ii) waive all questions of personal jurisdiction for the purpose of effectuating this provision; (iii) agree that service of process may be made upon any of them in any proceeding relating to, or arising out of, this Franchise Agreement (including the relationship contemplated by this Franchise Agreement) by any means allowed by Texas or Federal law; and (iv) agree that venue for any proceeding relating to, or arising out of, this Franchise Agreement shall be in Dallas County, Texas; provided Franchisor may bring an action for injunctive or other extraordinary relief in any State or Federal District Court which has jurisdiction. With respect to all claims, controversies, disputes, and/or actions, this Franchise Agreement shall be interpreted and construed under Texas law (without regard to Texas choice of law rules), except that any State law regarding (i) the offer and sale of franchises, (ii) franchise relationships, and/or (iii) business opportunities will not apply unless the applicable jurisdictional requirements are met independently without reference to this paragraph.

Franchisee, Franchisee's Owners, and Franchisor acknowledge the terms of this Section 21.3 provide each of the parties with the mutual benefit of uniform interpretation of this Franchise Agreement and any dispute arising out of the relationship contemplated by this Franchise Agreement. Franchisee, Franchisee's Owners, and Franchisor acknowledge the receipt and sufficiency of mutual consideration for such benefit.

Section 21.4 Place of Execution of Franchise Agreement. Franchisee, Franchisee's Owners, and Franchisor acknowledge (i) this Franchise Agreement was executed in Dallas County, Texas; and (ii) performance of certain obligations of Franchisee and Franchisee's Owners under this Franchise Agreement, including payment of monetary sums due hereunder, shall occur at Franchisor's principal offices in Dallas, Texas.

Section 21.5 Costs and Attorneys' Fees. Prior to the commencement of litigation, arbitration, or other dispute resolution procedure and in the event Franchisor incurs costs and expenses (including attorneys' fees) in connection with Franchisee's failure to comply with (and/or failure to timely pay amounts owing to Franchisor under) this Franchise Agreement, then Franchisee shall promptly reimburse Franchisor for such reasonable costs and expenses. In the event of litigation, arbitration, or other dispute resolution procedure between the parties to enforce this Franchise Agreement, the prevailing party

in any such action shall be entitled to recover reasonable costs and expenses from the other party, including, without limitation, court costs, attorneys' fees, and discovery costs.

Section 21.6 Rights of Parties are Cumulative. Franchisor's and Franchisee's rights under this Franchise Agreement are cumulative and the exercise or enforcement of any right or remedy under this Franchise Agreement will not preclude the exercise or enforcement by a party of any other right or remedy under this Franchise Agreement which it is entitled by law or this Franchise Agreement to exercise or enforce.

Section 21.7 Waiver of Punitive Damages and Jury Trial. To the fullest extent permitted by law, the parties waive any right to, or claim for, any punitive or exemplary damages against the other party. The parties also agree that, in the event of a dispute between them, the party making a claim will be limited to recovery of actual damages, if any. In addition, the parties irrevocably waive trial by jury in any action, proceeding, and/or counterclaim brought by either party.

Section 21.8 Limitation of Claims. Any and all claims arising out of or relating to this Franchise Agreement or the relationship among the parties to this Franchise Agreement will be barred unless an action or proceeding is commenced within one year from the date Franchisee or Franchisor knew or should have known of the facts giving rise to such claim.

ARTICLE 22 ACKNOWLEDGMENTS

The acknowledgments in Sections 22.1, 22.2 and 22.3 apply to all franchisees and franchises except not to any franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin.

Section 22.1 Investigation by Franchisee and Franchisee's Owners. Franchisee and Franchisee's Owners agree that (i) they have conducted an independent investigation of the Franchised Restaurant; (ii) the business venture contemplated by this Franchise Agreement involves business risks; and (iii) Franchisee's success will be largely dependent upon the ability of Franchisee and its Franchisee's Owners as independent business people. Franchisor expressly disclaims the making of, and Franchisee and Franchisee's Owners agree not having received, any warranty or guarantee, express or implied as to the potential volume, profits, or success of the business venture contemplated by this Franchise Agreement. Section 22.2 Receipt of Documents. Franchisee and Franchisee's Owners acknowledge they have received a copy of Franchisor's franchise disclosure document and have had a full and adequate opportunity to be thoroughly advised of the terms and conditions of this Franchise Agreement by counsel of their own choosing at least fourteen (14) calendar days prior to its execution and they are entering into this Franchise Agreement after having made an independent investigation and not upon any representation as to the profits and/or sales volume which Franchisee might be expected to realize.

Section 22.3 Acknowledgement by Franchisee and Franchisee's Owners. Franchisee and Franchisee's Owners acknowledge they have read and understood this Franchise Agreement, the

Attachments hereto, and agreements relating hereto, if any, and that Franchisor has accorded Franchisee and Franchisee's Owners ample time and opportunity to consult with advisors of Franchisee's own choosing about the potential benefits and risks of entering into this Franchise Agreement.

Section 22.4 Franchisor's Right To Vary The System and Other Standards. Franchisee and Franchisee's Owners acknowledge and agree that other franchisees of the System may be granted franchise rights at different times and in different situations pursuant to franchise agreements which may substantially differ from this Franchise Agreement (including without limitation, royalty fees, technical services fees, advertising fees, and other fees). Franchisee and Franchisee's Owners acknowledge and agree that Franchisor reserves the right to vary the System and other standards, specifications, and operating procedures (including standards and specifications related to building, furniture, fixtures, equipment, and signage) to address different circumstances or for other reasons deemed sufficient by Franchisor, in its sole discretion.

ATTACHMENT E TO FRANCHISE AGREEMENT

RIGHT OF FIRST REFUSAL

Capitalized terms used in this Right of First Refusal shall have the meanings ascribed to such terms in this Franchise Agreement unless otherwise defined herein.

(1) In the event Franchisee receives (or delivers) an acceptable bona fide offer from a third party related to a proposed sale of the Franchised Restaurant (or any portion thereof or interest therein), then Franchisee shall give Franchisor written notice setting forth the name and address of the prospective purchaser, the price and terms of the offer together with a franchise application completed by the prospective purchaser, a copy of the purchase and sale agreement, executed by both Franchisee and purchaser, and all exhibits, copies of any real estate purchase agreement or agreements, proposed security agreements and related promissory notes, assignment documents, title insurance commitment and any other information that Franchisor may request in order to evaluate the offer.

(2) Franchisor shall then have the right of first refusal to purchase Franchisee's interest covered by such offer at the price and upon the same terms of the offer. Franchisor shall have thirty (30) calendar days after receipt of Franchisee's notice of offer and the furnishing of all reasonably requested information within which to notify Franchisee in writing of its intent to accept or reject the offer. Silence on the part of Franchisor shall constitute rejection. Franchisee may not rely upon any notice from Franchisor of its intention to accept or reject the offer nor shall such notice be effective unless such notice is in writing and signed by an officer of Franchisor.

(a) In the event an offer from a third party provides for payment of consideration other than cash or involves certain intangible benefits, Franchisor may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the non-cash part of the offer, an independent appraiser shall be designated by Franchisor to determine such amount, and his determination shall be binding.

(3) If the proposed sale includes assets of Franchisee not related to the Franchised Restaurant, then Franchisor may, at its option, elect to purchase only the assets related to the Franchised Restaurant and an equitable purchase price shall be allocated to each asset included in the proposed sale.

(4) If (in addition to the Franchised Restaurant) the proposed sale includes (i) other Franchised Restaurant(s) operated by Franchisee (or affiliates of Franchisee or Developer) and/or (ii) Brinker-franchised restaurants other than Chili's Restaurants (the "Brinker Non-Chili's Restaurants"), then Franchisor may, at its option, elect to purchase: (i) only the Franchised Restaurant; (ii) only the other Franchised Restaurant(s) operated by Franchisee (or affiliates of Franchisee or Developer); (iii) only the Brinker Non-Chili's Restaurants; or (iv) any combination of restaurants set forth in clauses (i)-(iii) whether on an individual restaurant basis or on an aggregate basis; and an equitable purchase price shall be allocated to each restaurant.

(5) To the extent any franchise agreements or other agreements relating to the Brinker Non-Chili's Restaurants may be inconsistent with, or conflict with the terms of the right of first refusal contained herein, the terms of this right of first refusal shall control. This right of first refusal shall apply to any transfer, conveyance, assignment, consolidation, merger or any other transaction in which legal or

beneficial ownership of the franchise granted in a franchise agreement is vested in an individual or entity other than Franchisee; provided, however, it shall not apply if Franchisee consists of more than one person and the transfer or assignment is from one partner to another, both of whom are signatories to this Franchise Agreement, so long as (i) the Managing Owner continues to satisfy the requirements set forth in this Franchise Agreement, and (ii) Franchisor is given written notice thereof prior to such transfer.

(6) If this Franchise Agreement has been assigned to a corporation in accordance with Section 13.5 of this Franchise Agreement, then this right of first refusal shall also apply if voting common stock in such corporation is sold, assigned or transferred to individuals or entities other than those approved by Franchisor as owners of the voting common stock.

(7) The election by Franchisor not to exercise its right of first refusal as to any offer shall not affect its right of first refusal as to any subsequent offer.

(8) Any sale, attempted sale, assignment or other transfer of the rights granted effected without first giving Franchisor the right of first refusal described above shall be void and of no force and effect.

(9) If Franchisor does not accept the offer referenced herein, then Franchisee may conclude the sale to the purchaser who made the offer provided Franchisor's consent to the assignment be first obtained, which consent will not be unreasonably withheld upon compliance with the conditions imposed by Franchisor on the assignment including the conditions set forth in Article 13.

(10) In addition, Franchisee agrees that, prior to acquiring any other Chili's Restaurant development rights or franchise which may be offered to it for sale or which it may offer to purchase, such development rights or franchise will first be offered to Franchisor on the same terms, conditions and price.

ATTACHMENT F TO FRANCHISE AGREEMENT

FRANCHISOR'S OPTION TO PURCHASE THE FRANCHISED RESTAURANT

Capitalized terms used in this Franchisor's Option to Purchase the Franchised Restaurant shall have the meanings ascribed to such terms in this Franchise Agreement unless otherwise defined herein.

(1) Within thirty (30) days prior to the expiration or termination of this Franchise Agreement, Franchisor shall have the option (but not the obligation) to purchase from Franchisee the restaurant building shell including any or all of the furnishings, fixtures, equipment, signs, supplies, or inventory related to the Franchised Restaurant and excluding any liabilities related to Franchisee and/or the Franchised Restaurant at the Purchase Price, defined below (collectively, the "Franchised Business").

(2) The "Purchase Price" shall be equal to the fair market value as if the sale were an "asset sale" of the restaurant building shell and any or all of the furnishings, fixtures, equipment, signs, supplies, or inventory related to the Franchised Restaurant and excluding any liabilities related to Franchisee and/or the Franchised Restaurant (the "FMV"). Franchisor may, at its option, elect to calculate the Purchase Price based upon the value of the Franchised Restaurant as a "going-concern" as determined by a multiple of EBITDA for such restaurant.

(a) If Franchisee and Franchisor are unable to agree upon a FMV within a period of 10 days after Franchisor's exercise of such option, then the parties shall engage an independent third party, knowledgeable and reputable in valuing restaurant business operations, to appraise the FMV of the Franchised Business as if the sale were to be an "asset sale" and assuming (i) the sale of the Franchised Business in an active marketing process and (ii) there were no restrictions on the transfer of the equity interests of the Franchisee.

(b) For this valuation the parties agree that Franchisor will pay the lesser of (i) 50% of the cost of such third party appraiser or (ii) \$5,000; and that Franchisee will pay the balance of the cost of such third party appraiser. Once the appraiser provides the FMV of the Franchised Business, the parties will then agree either (i) to proceed to close the transaction as soon as reasonably practicable, taking into account the need for reasonable due diligence and obtaining the approval of any necessary third parties, or (ii) to discontinue such discussions.

(c) All amounts due and owing to Franchisor under the Franchise Agreement shall be deducted from the Purchase Price and the Purchase Price shall also exclude any items which are required to be returned or delivered to Franchisor under Article 15.

(3) The closing of this transaction will take place no later than 30 days after the determination of the Purchase Price or such later date as agreed by the parties taking into account the need for reasonable due diligence and obtaining the approval of any necessary third parties. Closing shall take place at Franchisor's corporate offices or at such other location as the parties may agree.

(4) At closing, Franchisee will deliver all instruments required to transfer to Franchisor good and merchantable title to the Franchised Business purchased, free and clear of all liens and encumbrances and with all sales and other transfer taxes paid by Franchisee, and with all licenses or permits of Franchised Restaurants which may be assigned or transferred.

(5) At closing, Franchisee will also deliver to Franchisor an assignment of the lease for the Location (or, if assignment is prohibited, subleases for the full remaining term and on the same terms and conditions as Franchisee's lease). If Franchisee owns the Location, then Franchisee agrees to lease the Premises to Franchisor pursuant to the terms of Franchisor's standard lease, for a term of five years with two successive five-year renewal options at fair market rental during the term.

(6) If the closing of the purchase does not occur as set forth above because Franchisee fails to act diligently in connection with the purchase, then the Purchase Price will be reduced by 10%. The Purchase Price will be further reduced by 10% per month for each subsequent month Franchisee fails to act diligently to consummate the purchase.

(7) Prior to closing, Franchisee and Franchisor will comply with any applicable Bulk Sales provisions of the Uniform Commercial Code enacted in the state where Franchisee's Restaurant is located.

(8) If Franchisor exercises the option to purchase the Franchised Business, then (pending the closing of such purchase), Franchisor has the right to appoint a manager to maintain the operation of the Franchised Restaurant or, at Franchisor's option, require Franchisee to close the Franchised Restaurant during such time period without removing any assets.

(a) If Franchisor appoints a manager to maintain the operation of Franchisee's Restaurant pending closing of such purchase, all funds from the operation of Franchisee's Restaurant during the period of management by Franchisor's appointed manager will be kept in a separate fund, and all expenses of the Franchised Restaurant, including compensation, other costs, and travel and living expenses of Franchisor's appointed manager, will be charged to such fund.

(b) As compensation for such management services, Franchisor will charge such fund 10% of the Gross Sales during the period of Franchisee's management. Operation of the Franchised Restaurant during any such period will be on Franchisee's behalf, provided that Franchisor will have a duty only to utilize Franchisor's good faith effort and will not be liable to Franchisee for any debts or obligations incurred by Franchisee's Restaurant or to any of Franchisee's creditors for any merchandise, materials, supplies or services purchased by Franchisee's Restaurant during any period in which Franchisee's Restaurant is managed by Franchisor's appointed manager. Franchisee will maintain in force all insurance policies required by this Franchise Agreement until the date of closing.

(9) In the event Franchisee fails to comply with this Attachment F, then (in addition to any other rights and remedies available to Franchisor), Franchisee agrees that Franchisor shall be entitled to sue for specific performance of Franchisee's obligations under this Attachment F.

4. The materials listed below may be appropriate (and/or required) for use at the Franchised Restaurant (subject to this Agreement and Franchisor's approval), but such materials are examples of materials that will not satisfy Franchisee's obligations under the Local Advertising Program.

Capitalized terms used in this Site Development Obligations shall have the meanings ascribed to such terms in this Franchise Agreement unless otherwise defined herein.

I. Site Selection and Approval

(a) Franchisee acknowledges and agrees that Franchisee has previously received such site selection counseling and assistance as Franchisor deemed advisable. Franchisee acknowledges and agrees that Franchisee has previously provided all information and materials concerning such site required by Franchisor in order for Franchisor to accept or not accept the proposed site as the location for the Franchised Restaurant. Franchisee assumes all cost, liability, expense, and responsibility for locating, obtaining, and developing a site for the Franchised Restaurant and for constructing, equipping, and operating the Franchised Restaurant at such site. Franchisee's proposed development of a Franchised Restaurant at any site is subject to Franchisor's prior written approval in accordance with Franchisor's then-existing site approval procedures including, but not limited to, the procedures set forth below in Section I.(b).

(b) Prior to acquisition by lease or purchase of a site for the Franchised Restaurant, Franchisee shall submit to Franchisor for each Franchised Restaurant, in the form prescribed by Franchisor, financial proformas, a description of the site, a market feasibility study for the site (which shall include, but not be limited to, demographic information, traffic count and patterns, site plans, relationship of the site to potential competition as well as relationship of the site to existing Chili's Restaurants, and other information requested by Franchisor), and such other information or materials as Franchisor may reasonably require, together with a letter of intent or other evidence satisfactory to Franchisor, which confirms Franchisee's favorable prospects for obtaining the site. Recognizing that time is of the essence, Franchisee must submit such information and materials for each proposed site to Franchisor in writing for its approval. Franchisor shall have 30 days after receipt of such information and materials from Franchisee to approve or disapprove the proposed site as the location for the Franchised Restaurant, which approval shall not be unreasonably withheld. No site shall be deemed approved unless it has been expressly approved in writing by Franchisor.

(c) If the Franchised Restaurant being developed hereunder is Franchisee's or its Affiliate's first Chili's Restaurant or first "special" (i.e. "non-prototype") restaurant, then Franchisor shall furnish to Franchisee one (1) construction/design evaluation of such restaurant at no charge. Franchisor will perform additional construction/design evaluation as Franchisor may deem advisable or in response to Franchisee's requests for site approval; provided that Franchisor shall not provide evaluation for any proposed site prior to the receipt of all required information and materials concerning such site. If additional evaluation is requested by Franchisee, then Franchisee shall reimburse Franchisor for all reasonable expenses incurred by Franchisor in connection with such evaluation, including, without limitation, the cost of travel, lodging, and meals.

(i) Regardless of Franchisee's requests for such evaluation, Franchisor reserves the right to evaluate Franchisee's construction/design process and any such evaluation will be at Franchisor's sole cost and expense (unless such evaluation is required due to Franchisor's reasonable concerns with Franchisee's construction/design process and, in such event, Franchisee shall reimburse Franchisor for all reasonable expenses incurred by Franchisor in connection with such evaluation(s) including, without limitation, the cost of travel, lodging and meals).

II. Site Acquisition

(a) That the premises shall be used for the operation of the Franchised Restaurant.

(b) That lessor consents to the use of such Chili's Marks and signs, decor, color scheme and related components of the System as Franchisor may prescribe for the Franchised Restaurant.

(c) That lessor agrees to furnish Franchisor with copies of any and all letters and notices sent to Franchisee pertaining to the lease and the premises, at the same time that such letters and notices are sent to Franchisee.

(d) That Franchisee (or tenant) may not sublease or assign all or any part of its occupancy rights, or extend the term of or renew the lease, without Franchisor's prior written consent, which shall not be unreasonably withheld.

(e) That Franchisor shall have the right to enter the premises to make any modification necessary to protect the Chili's Marks or to cure any default under the lease or the Franchise Agreement.

(f) That Franchisee shall have the right to assign the lease to Franchisor and the Franchisor shall have the option (but not the obligation) to assume Franchisee's occupancy rights, and the right to sublease, for all or any part of the term of the lease, without the lessor having any right to impose conditions on such assignment or assumption or to obtain payment in connection therewith.

(g) That Franchisee and lessor shall not amend or otherwise modify the lease in any manner that would materially affect any of the foregoing requirements without Franchisor's prior written consent.

(h) That lessor acknowledges and agrees that any furniture, fixtures, equipment or personal property maintained by Franchisee on the leased premises, whether leased or owned by Franchisee, are not the property of lessor and shall be subject to Franchisor's purchase option provided for herein or in the Franchise Agreement for such Franchised Restaurant in the event of Franchisee's default under the lease or the Franchise Agreement, and may be removed at expiration or termination of the lease, so long as such removal is accomplished without damage to the leased facility.

III Pre-Construction Requirements.

Within a reasonable period after the Effective Date, Franchisor shall provide to Franchisee standard plans and specifications and/or design elements for the construction of a Chili's Restaurant and for the exterior and interior design and layout, fixtures, furnishings and signs for use by Franchisee. Before commencing any construction of the Franchised Restaurant, Franchisee, at its expense, shall comply, to Franchisor's reasonable satisfaction, with all of the following requirements:

(a) Franchisee shall employ a qualified architect and engineer who are reasonably acceptable to Franchisor to prepare, for Franchisor's approval, preliminary plans and specifications for site improvement and construction of the Franchised Restaurant based upon prototype drawings furnished by Franchisor. The prototype plans provided by Franchisor shall not be used as construction plans or blue-prints for the Franchised Restaurant, but only as required design concepts, which shall be adapted by Franchisee and its architect, engineer and contractor to Franchisee's site.

(i) The standard plans and specifications and/or prototype drawings provided to Franchisee are proprietary and confidential information belonging to Franchisor, may not be copied or reproduced except to the extent necessary by Franchisee's architects, engineers or contractors in the performance of their duties. Franchisor may require that such plans and specifications be returned to Franchisor after the opening of the Franchised Restaurant.

(ii) Franchisee hereby releases and shall hold Franchisor harmless (including its subsidiaries, officers, directors, employees, and agents) from any and all liability, loss, or damages relating to Franchisee's design, construction, and use of the Franchised Restaurant including, without limitation, liability, loss, or damages related to design or structural flaws in the construction of the Franchised Restaurant and the standard plans and specifications and/or prototype drawings provided to Franchisee.

(b) Franchisee shall be responsible for obtaining all zoning classifications and clearances which may be required by the state, provincial or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to the Franchised Restaurant location. After having obtained such approvals and clearances, Franchisee shall submit to Franchisor, for Franchisor's approval, final plans for construction based upon the preliminary plans and specifications. Once approved by Franchisor, such final plans shall not thereafter be materially changed or modified without the prior written permission of Franchisor.

(c) Franchisee shall obtain all permits and certifications required for the lawful construction and operation of the Franchised Restaurant and shall certify in writing to Franchisor that all such permits and certifications have been obtained.

(d) Franchisee shall employ a qualified licensed general contractor who is reasonably acceptable to Franchisor to construct the Franchised Restaurant and to complete all improvements. Franchisee shall obtain and maintain in force during the entire period of construction builder's risk (or equivalent local) insurance and performance and completion bonds in forms and amounts and written by a carrier or carriers reasonably satisfactory to Franchisor.

(e) Franchisee shall employ a qualified person who is responsible for the purchasing of materials, equipment and supplies for the Franchised Restaurant. In that regard, Franchisee shall require this person to attend an orientation at Franchisor's home office in Dallas, Texas, concerning information and issues related to the procurement and distribution of necessary items for the opening of the Franchised Restaurant.

IV. Construction and Authorization to Open.

Franchisee shall commence, or make every diligent attempt toward commencement of, construction of the Franchised Restaurant (including acquisition of all necessary permits and licenses) within 180 days after approval by Franchisor of Franchisee's site or, if the approved location is occupied by an existing tenant on the date of execution of the lease for the premises, then immediately upon obtaining possession of the premises.

(a) Franchisee shall provide written notice to Franchisor of the date construction of the Franchised Restaurant commenced within 10 days after commencement. Construction shall be deemed to commence on the date on which excavation for footings is begun or other initial construction or remodeling work is commenced. Franchisee agrees that Franchisor and its agents shall have the right to inspect the construction at all reasonable times for the purpose of ascertaining that all work complies with the final plans approved by Franchisor. However, Franchisee shall assume full responsibility for completing construction of the Franchised Restaurant in accordance with the approved plans, employing its architect, as necessary, to oversee such construction in accordance with the plans. Franchisee shall warrant and certify to Franchisor upon completion of construction that the structure has been built in accordance with the Franchisor-approved plans and specifications, with such exceptions, subject to Franchisor approval, as are noted in such certification.

(b) Franchisee shall maintain reasonably continuous construction of the Franchised Restaurant and its premises and shall complete construction (including all exterior and interior carpentry, electrical, painting, and finishing work, and installation of all furniture, fixtures, equipment and signs) in accordance with the approved final plans, at Franchisee's expense, within 240 days after commencement of construction (exclusive of time lost by reason of strikes, lockouts, fire, other casualties, acts of God, weather and other factors beyond the reasonable control of Franchisee).

(c) Franchisee shall notify Franchisor of the date of completion of construction and, within a reasonable time thereafter, Franchisor may at its option conduct a final inspection of the Franchised Restaurant and its premises.

(d) Prior to opening the Franchised Restaurant for business, Franchisee shall comply with all opening requirements set forth in the Franchise Agreement, the CFM, and/or elsewhere in writing by Franchisor. Franchisee shall not, in any event, open the Franchised Restaurant to the public for business until Franchisee has received authorization to open from Franchisor.

FRANCHISE AGREEMENT
FOR THE STATE OF WASHINGTON**

The Brinker International Payroll Company, L.P. Franchise Agreement between _____ (“Franchisee” or “you”) and Brinker International Payroll Company, L.P. (“Franchisor” or “us”), dated _____ (“Agreement”) shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement (“Amendment”):

WASHINGTON LAW MODIFICATIONS

1. The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 to 19.100.940. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail. Without limiting the foregoing, the language set forth in Articles 12 and 18.1(a) of the Franchise Agreement shall not waive any liability the Franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.
- b. RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
- c. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- d. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

- e. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- f. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
- g. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
- h. In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchise has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

2. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

3. The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

4. Article 17 of the Franchise Agreement is amended by adding the following:

"Franchisees have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party's gross negligence, willful misconduct, strict liability, or fraud."

5. Sections 22.1, 22.2 and 22.3 of the Franchise Agreement are hereby deleted in their entirety. The acknowledgement in such Sections shall not apply to any franchisees and franchises that are subject to the state franchise registrations/disclosure laws in Washington.

6. "No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming

reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

The term "Parties" shall be deemed to mean, collectively, Franchisor and Franchisee.

RECITALS

WHEREAS, Franchisor and Franchisee are parties to the certain franchise agreement(s) more particularly described on Schedule 1 attached hereto and made a part hereof for all purposes (collectively and as previously amended, the "Franchise Agreements"), under and pursuant to which Franchisee operates the Chili's Grill & Bar restaurant(s) referenced therein (the "Franchised Restaurants");

WHEREAS, Franchisor has developed a new product offering that is currently sold under marks separate and apart from the existing Chili's Marks only via a third party delivery platform (the "New Product Offering");

WHEREAS, Franchisor would like to offer to Franchisee the ability to sell the New Product Offering from its Franchised Restaurants via a third party delivery platform via a limited time offering program, further described below (the "Limited Time Offering Program");

WHEREAS, Franchisee desires to participate in the Limited Time Offering Program; and

WHEREAS, Franchisor and Franchisee desire to amend certain provisions of the Franchise Agreements to address Franchisee's participation in the Limited Time Offering Program upon the terms and conditions set forth in this Addendum.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants and agreements set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals and Capitalized Terms. The Recitals set forth above are hereby made a part of this Addendum. Capitalized terms used in this Addendum shall have the meanings ascribed to such terms in the Franchise Agreements, unless otherwise expressly defined herein.

2. Limited Time Offering Program. The Limited Time Offering Program being offered to Franchisee is described in the Limited Time Offering Program term sheet attached to this Addendum as Schedule 2 (the "LTOP Term Sheet"). Franchisee acknowledges and agrees that Franchisee's participation in the Limited Time Offering Program is subject to the same terms and conditions as the Franchise Agreements unless otherwise described in the LTOP Term Sheet.

3. Franchisee's Participation in the Limited Time Offering Program. Franchisee acknowledges that participation in the Limited Time Offering Program is not mandatory, and Franchisee has chosen to participate in the Limited Time Offering Program. By executing this Addendum, Franchisee has confirmed its intent and desire to participate in the Limited Time Offering Program on the terms and

conditions provided for herein. Franchisee hereby agrees to comply with the specifications, standards and terms related to the New Product Offering as described on the LTOP Term Sheet.

4. Term of Limited Time Offering Program Participation. This Addendum shall be effective as of the date hereof and continue until terminated by Franchisor or Franchisee as provided in paragraph 5 or 6 below (the “Term”).

5. Termination of the Limited Time Offering Program by Franchisor. Franchisee acknowledges and agrees that Franchisor may: (i) discontinue the Limited Time Offering Program and/or (ii) terminate Franchisee’s participation in the Limited Time Offering at any or all of the Franchised Restaurants at any time at Franchisor’s sole discretion, by giving Franchisee fifteen (15) days prior written notice.

6. Termination of Franchisee’s Participation in the Limited Time Offering Program. After the first anniversary of the date on which the first Franchised Restaurant begins offering the New Product Offering, Franchisee may elect to discontinue its participation in the Limited Time Offering Program at any of its Franchised Restaurants for any reason by giving Franchisor thirty (30) days written notice, which such notice shall identify which Franchised Restaurants shall discontinue participation.

7. Trademark License. Franchisor hereby grants Franchisee a non-exclusive and limited license to use the marks specified in Schedule 3 (as may be varied, replaced or added to from time to time by Franchisor, the “Program Marks”) for the Term solely to promote and sell the Limited Time Offering Program as set forth in this Addendum. Franchisee shall not use the Program Marks in any manner except as permitted by the terms of this Agreement, for the purposes established by the terms of this Agreement, and in accordance with all applicable laws, and any brand guidelines provided to Franchisee by Franchisor relating to the Program Marks. For purposes of this Addendum, the Program Marks are Chili’s Marks, and Franchisee’s use of the Program Marks is governed by [Article 8] of the Franchise Agreement and other provisions of the Franchise Agreement related to the trademarks, unless specifically addressed in this Addendum. Notwithstanding the foregoing, Franchisee shall not use any Chili’s Marks, except the Program Marks, in connection with Limited Time Offering Program unless authorized by Franchisor in writing.

8. Effect of Termination by Either Party. Upon discontinuation of the Limited Time Offering Program and/or termination of Franchisee’s participation in the Limited Time Offering Program pursuant to paragraphs 5 or 6 above, this Addendum shall be terminated, and Franchisee shall immediately cease using the Program Marks and offering the New Product Offering in any manner.

9. Confidentiality; Publicity. All material and information supplied hereunder as the result of the Limited Time Offering Program contemplated by this Addendum, including the, terms and conditions of this Addendum and any information pertaining to the Limited Time Offering Program that may be provided at a later date by Franchisor (including information concerning commission rates, marketing plans, business plans, objectives, financial results) whether or not designated as “confidential” or “proprietary” are deemed to be Confidential Information and are subject to the obligations set forth in the Franchise Agreements with respect to Confidential Information, including [Article 9]. Franchisee’s use of the Program Marks is strictly limited to the New

Product Offering under the terms and conditions of the Addendum, and Franchisee is prohibited from using or referring to the Program Marks in any manner not expressly authorized in writing by Franchisor.

10. No Territory Rights. Franchisee acknowledges that its rights under this Addendum are non-exclusive, and Franchisee shall have no territorial rights or protection with respect to the Limited Product Offering.

Franchisor reserves the right to charge additional fees from time to time upon thirty days' written notice to Franchisee for development of initiatives to support the Limited Time Offering Program (such as development of a website) so long as such fees supporting such initiatives are proportional to the fees paid by Franchisor's affiliate-owned restaurants for the same purpose. Franchisee acknowledges and agrees that any data Franchisor may provide from an Approved Delivery Provider to Franchisee, whether provided in raw form or processed by Franchisor, shall be provided to Franchisee without representation or warranty as to accuracy and Franchisor is not responsible for any misstatements. STATE SPECIFIC ADDENDA TO FRANCHISE DISCLOSURE DOCUMENT

**ADDENDUM TO
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA**

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq. To the extent that the Disclosure Document, Franchise Agreement, and Development Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

A. The State Cover Page is supplemented by the addition of the following risk factor:

FAILURE TO SECURE THE REQUIRED LIQUOR LICENSES BY THE DATE THE RESTAURANT IS OTHERWISE READY (AND/OR REQUIRED) TO OPEN FOR BUSINESS MAY RESULT IN THE TERMINATION OF YOUR FRANCHISE AGREEMENT. IF YOUR FRANCHISE AGREEMENT IS TERMINATED, YOUR INITIAL FRANCHISE FEE (WITHOUT INTEREST), LESS ANY EXPENSES AND/OR DAMAGES FRANCHISOR HAS INCURRED WILL BE REFUNDED.

B. Item 3 of the Disclosure Document is supplemented by the following language:

Neither we nor any person or franchise broker in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A.78a et seq., suspending or expelling such persons from membership in such association or exchange.

C. Item 17 of the Franchise Disclosure Document is supplemented by the following language:

- a. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement or development agreement contains a provision that is inconsistent with the law, the law will control.
- b. The franchise agreement and development agreement provide for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).
- c. The franchise agreement and development agreement contain a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- d. The franchise agreement and development agreement require application of the laws of the State of Texas. This provision may not be enforceable under California law.
- e. The franchise agreement and development agreement contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

2. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE

CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT
www.dfpi.ca.gov.

3. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH A COPY OF THE DISCLOSURE DOCUMENT.

4. You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

5. Corporations Code 31512 provides that: “Any conditions, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of this law or any rule or order hereunder is void.” The franchise agreement requires a shortened status of limitations period. Pursuant to Corporations Code Section 31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.

6. Section 31125 of the California Corporations Code requires us to give to you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The allocation will be determined by dividing the development fee by the number of Restaurants to be developed. Immediately upon notice from Franchisor that the Fee Deferral Period has ended, you must pay accrued but unpaid portions of the development fee and all other initial fees as contemplated by Item 5 and Item 7 of the Franchise Disclosure Document.”

3. “As a condition to becoming registered to offer and sell franchises in the state of Maryland, the Maryland Securities Division has required that we defer your obligation to pay initial fees and any initial payments under the Franchise Agreement and the Development Agreement until such time as such requirement is removed (“Fee Deferral Period”). Therefore, if you sign a Franchise Agreement with us during the Fee Deferral Period, then you will not be required to pay us the initial franchise fee or any other initial payments until the Restaurant is open and initial training has been provided. Except for any rights a franchisee has under the Maryland Franchise Registration and Disclosure Law to bring suit in Maryland for claims arising under the Law, mediation of disputes which are subject to mediation will be held in Dallas County, Texas. Except as otherwise required by the Maryland Franchise Registration and Disclosure Law, venue for all proceedings arising under the Franchise Agreement is the state, county or judicial district where our principal place of business is located, unless otherwise brought by us.”

- (b) Item 17.c., “Requirements for franchisee to renew or extend” (Franchise Agreement chart) and Item 17.m. “Conditions for Franchisor approval of transfer” (Franchise and Development Agreement charts) are amended by the addition of the following:

This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MINNESOTA**

1. The following is added to Item 13 of the disclosure document:

We will protect your right to use the trademarks, service marks, trade names, logos, or other commercial symbols or will indemnify you against any liability to third parties for infringement resulting from your use of the trademarks licensed under the franchise agreement to the extent required by Minnesota law. We will not indemnify you against third-party liability for trademark infringement. Minnesota considers it unfair for franchisors not to protect the franchisee's right to use the trademarks. Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.

2. The following is added to Item 17 of the disclosure document:

Item 17 of the disclosure document is supplemented by the following language:

Under Minnesota law, and except in certain specified cases, we must give you 90 days' notice of termination with 60 days to cure. We also must give you at least 180 days' notice of our intention not to renew a franchise and sufficient opportunity to recover the fair market value of the franchise as a going concern. To the extent that the Franchise Agreement is inconsistent with Minnesota law, Minnesota law will control.

To the extent that any condition, stipulation, or provision contained in the Franchise Agreement (including any choice of law provision) purports to bind any person who, at the time of acquiring a franchise is a resident of Minnesota, or, in the case of a partnership or corporation, organized or incorporated under the laws of Minnesota, or purporting to bind a person acquiring any franchise to be operated in Minnesota to waive compliance with Minnesota franchise law, such condition, stipulation, or provision may be void and unenforceable under the non-waiver provision of Minnesota franchise law.

3. To the extent you are required to execute a general release in our favor, such release will exclude liabilities arising under the Minnesota Franchises Act or a rule or any order promulgated thereunder.

4. Sec. 80C.17, Sudb. 5 of the Minnesota Franchises Act provides that no action may be commenced thereunder more than 3 years after the cause of action accrues.

5. Sec. 80C.21 of the Minnesota Franchises Act and Minn. Rules 2860.4400(J) prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, including your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

6. All sections of the disclosure document referencing Franchisor's right to obtain injunctive relief are hereby amended to refer to Franchisor's right to seek to obtain.

7. In the state of Minnesota, the payment of the initial franchise fees and any other initial payments described in Items 5 and 7 of the Franchise Disclosure Document are deferred until we have fulfilled our pre-opening obligations and your Restaurant is open for business.

8. Each provision of this addendum is effective only to the extent that the jurisdictional requirements of the laws described above, with respect to each provision of the law, are met independent of this addendum. This addendum will have no force or effect if such jurisdictional requirements are not met.

9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor.

**ADDENDUM TO

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective Rev. March 17, 2021? injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

To the extent required by the New York General Business Law, you may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise

1. Item 5 is supplemented by the following:

“The Virginia State Corporation Commission’s Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.”

3. No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. **ADDENDUM TO
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON**

The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 to 19.100.940. To the extent that the Disclosure Document/and or Franchise Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

1. Item 5 and Item 7 are supplemented by the following:

“In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.”

2. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

3. RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

4. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

5. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

6. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted

annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

8. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

9. The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

10. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise

AS REQUIRED BY
THE WISCONSIN FAIR DEALERSHIP LAW**

Notwithstanding anything to the contrary in the Franchise Disclosure Document, Franchise Agreement or Development Agreement, the following provisions shall supersede any inconsistent provisions and apply to all franchises offered and sold in the state of Wisconsin:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, non-renewal or substantial change in competitive circumstances of a dealership agreement without good cause. The law further provides that 90 days prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The Disclosure Document, Franchise Agreement and Development Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provision of the Franchise Agreement or Development Agreement that are inconsistent with the law Wis.Stat.Ch.135, the Wisconsin Fair Dealership Law, § 32.06(3), Wis.Code.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
