What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit 1.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with franchisor in Colorado than in your own state.
2. **Minimum Sales**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that the franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its terms except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This Section applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type or under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

ITEM 1: THE FRANCHISOR, AND ANY PARENT, PREDECESSORS, AND AFFILIATES

The Franchisor

The Franchisor is Blue Nose Franchising, LLC. To simplify the language in this Disclosure Document we refer to the Franchisor as “Blue Nose,” “we,” and “our.” We refer to the person interested in buying the franchise as “you” or “your” and, if such person is a partnership, corporation, limited liability company, or other entity, it includes persons that own equity interests in such entity. The franchise will be referred to as a “Franchised Business” or the “Franchised Business” throughout this document. The term “Blue Nose” is the most common reference to our franchise system.

We are a franchising company which promotes and sells franchises for the operation of Franchised Businesses. We do not own or operate a business of the type being franchised, although we have an affiliate that does, as described below. We are not engaged in any business other than selling franchises for Franchised Businesses. We began offering franchises on August 10, 2020. We were formed on July 16, 2020.

The principal address of the franchisor is 2548 Akron Street, Denver, Colorado 80238. Our agent for service of process is Tanner Harris. His principal business address 2548 Akron Street, Denver, Colorado, 80238. If we have an agent for service of process in your state, we disclose that agent in Exhibit 1.

Our Parents, Affiliates, and Predecessors

We have no parents or predecessors.

We have one affiliate, Blue Nose, LLC and was formed on October 29, 2019. This affiliate owns and operates the original Blue Nose at 2548 Akron Street, Denver, Colorado, 80238 which opened in October 2019. This affiliate is the owner of the Proprietary Marks. Our affiliate is not offering, and has never offered, franchises in any line of business. We have no other affiliates.

Our Business and the Franchises Offered

We are offering franchises for the operation of a service business which provides drone services and products under the name and mark “Blue Nose,” (each a “**Franchised Business**”). Each Franchised Business is established and operated using the format and system we developed (the “**System**”), and features and operates under the Proprietary Marks (as defined in Item 13). Franchised Businesses offer services such as aerial drone photography, videography, and other related services. Franchised Businesses sell products such as aerial drone photography, image editing, and other related services. If you purchase a franchise you will be the owner of the Franchised Business. You may employ staff to assist in the operations of the business. You must operate the Franchised Business according to our standards and specifications and sign our standard Franchise Agreement (“**Franchise Agreement**”).

Franchised Businesses are characterized by our System. Some of the features of our System include: (i) standards and specifications for products, equipment, materials, and supplies; (ii) uniform standards, specifications, and procedures for operations; (iii) training and operational assistance; and (iv) marketing and promotional programs. We may periodically change and improve the System.

You must operate your Franchised Business in accordance with our standards and procedures, as set out in our confidential operations manuals and other manuals, instructional materials, and written policies (collectively, the “**Manuals**”). We will lend you a copy of the Manuals for the duration of the Franchise Agreement (or, at our option, we may make these and other updates available to you electronically).

In addition, we will grant you the right to use our marks, including the mark “Blue Nose” and any other trade names and marks that we designate in writing for use with the System (the “**Proprietary Marks**”). We may modify the Proprietary Marks or substitute new proprietary marks. See Items 13 and 14 for additional information regarding the Proprietary Marks and the Manuals.

We have not engaged in any other line of business and have not offered franchises in any other line of business. We began offering franchises on August 10, 2020.

Franchise Agreement

We offer to enter into Franchise Agreements (included as Exhibit 2 to this Disclosure Document) with qualified legal entities and persons that wish to establish and operate Franchised Businesses (“**Franchisees**”).

Under a Franchise Agreement, we will grant you the right (and you will accept the obligation) to operate a Franchised Business within an agreed-upon specified territory (the “**Operating Territory**”). In this Disclosure Document, the term “**Franchised Business**” means the Franchised Business franchised to you under a Franchise Agreement.

If you are not an individual, then you must designate one of your owners, who must be an individual person with at least a 51% ownership interest in the franchisee legal entity, and who must be reasonably acceptable to us to assume the responsibilities of general oversight and management of your Franchised Business (the “**Designated Principal**”).

Market and Competition

The market for the services you will sell is developing and moderately competitive. Our services and related products are sold to individuals and to businesses. Selling is not seasonal in most markets; however, some markets do have seasonal aspects. You will compete with local businesses offering similar services or with regional and national businesses.

Industry Specific Regulations

You should consider that certain aspects of any business are regulated by federal, state, and local laws, rules, and ordinances in addition to the laws, regulations, and ordinances applicable to business generally, such as the Americans with Disabilities Act, Federal Wage and Hour Laws, and the Occupation, Health, and Safety Act. Various federal, state, and local laws, rules, and regulations may impact the operation of your Franchised Business. In addition to laws that apply to businesses generally, there may be laws or regulations specific to the services offered by this type of business in the state or local area in which you will operate your Franchised Business, such as permitting or contractor licenses. These may also be laws and regulations concerning pollution, safety, and noise. It is your responsibility to investigate and to comply with any laws or regulations in your state or local area, and to obtain all required licenses and permits required to operate the Franchised Business. Explanatory Notes to Item 7 Table:

- 1. Initial Franchise Fee.** The Franchise Fee shown in the chart above is uniform for all franchisees and the same for each Franchised Business opened, except in the case where certain discounts and promotions are offered. We may elect to occasionally offer a discounted franchise fee to qualified franchise owners. Basis for discounts include, but are not limited to, territory location, industry experience, and other factors which we may determine. The amount of your initial franchise fee ranges from \$9,700 and \$74,300 for a territory consisting of a population of 250,000 people. We provide certain financing for the Franchise Fee. Please see Item 10 for additional details. The estimate assumes you will pay the entire Franchise Fee upon execution of the Franchise Agreement. Your Initial Franchise Fee includes the aforementioned territory, the equipment and apparel in the Franchise Package (see Section 2 of the Franchise Agreement for details), a webpage on www.blunoseaerial.com, and an email address. The Initial Franchise Fee is non-refundable.
- 2. Licenses, Permits, and Certifications.** These are general estimates for permits and licensing that may be required by local and state governments. Local, municipal, county, and state regulations vary on the licenses and permits you will need to operate a Franchised Business. You may be required to obtain a contractor's license. You will pay these fees to governmental authorities before starting business. You are solely responsible for obtaining all appropriate licenses and permits, most importantly the FAA Part 107 Certification (Section 5.2 of the Franchise Agreement). In addition, you will also form a corporation or other entity to operate the business.
- 3. Computer System.** As described in Item 11 under the heading "Computer System" you are required to use a computer system installed with the required software and hardware. If you do not have a computer, you will be required to purchase one.
- 4. Optional Accountant and Attorney Fees.** The estimate range includes optional consulting fees to help you evaluate our franchise offering and your establishment of a new business.
- 5. Insurance.** The estimate represents an initial deposit for the coverage necessary to operate the business. Insurance costs will vary depending upon factors such as the location of the Franchised Business and number of independent contractors or employees. Your obligations with respect to insurance are more fully described in Item 8.
- 6. Additional Funds.** This is an estimate of the amount of additional operating capital that you may need to support on-going expenses your Franchised Business during the first three (3) months after commencing operations based upon the extent that these costs are not covered by sales revenue. This estimate includes such items as telecommunications service, software fees, local advertising expenses, repairs and maintenance, and other miscellaneous items. These estimates do not include any compensation to you, nor do they include debt service. We relied upon the cost experience of our franchisees who opened for business during

calendar year 2021 to compile these estimates. You should review these figures carefully with a business advisor before making any decision about investing in the franchise.

ITEM 8: RESTRICTIONS ON SOURCES OF SERVICES AND PRODUCTS

To ensure that the highest degree of quality and service is maintained, you must operate the Franchised Business in strict conformity with the methods, standards, and specifications as we may from time to time prescribe in the Manuals or otherwise in writing.

Products and Other Purchases

General

All products and services sold or offered for sale at the Franchised Business must meet our then-current standards and specifications and be approved by us. You must purchase, install, and use all equipment, supplies, computers, and communications hardware and software and materials as we may reasonably require in the Manuals or other written materials (collectively, “**Business Items**”). You must purchase all additional products and other Business Items solely from manufacturers, distributors, and suppliers who demonstrate to our continuing reasonable satisfaction the ability to meet our standards and specifications, who possess adequate quality controls and capacity to supply your needs promptly and reliably, and who have been approved by us in the Manuals or otherwise in writing.

You may not purchase, offer, or sell any products or services, or use at your Franchised Business any Business Items, that we have not previously approved as meeting our standards and specifications. If we have previously approved a supplier, and their standards fall below our designated standards, we will revoke our approval. We will notify you in writing of us revoking our approval. We have the right to be an approved supplier of some items, as does our affiliate. We may disapprove of products and suppliers based on our desire to consolidate System purchases through fewer suppliers. We may designate a single supplier, which may be us or one of our affiliates, for any products, equipment, supplies, or services, in which event you must purchase such items exclusively from the designated supplier.

We ourselves are approved suppliers, as is our affiliate, however we are not the only approved supplier for goods and services. Alternative suppliers are assessed on a case-by-case basis. Granting and revocation of approval will largely depend on their ability to provide products and services in a timely manner, commitment to quality, scalability, and mission synergies. Criteria for approval is not available to franchisees. Franchisees may contract with alternative suppliers. There are no fees to secure approval to purchase from alternative suppliers, but written notification is requested. The time period for notification of approval or disapproval shall not exceed 5 business days.

There are specific computer hardware purchases you are required to make. Required software programs are Adobe Lightroom Classic, QuickBooks Online, and Microsoft Office. The franchisor provides no material benefits to a franchisee if particular products and services are purchased through certain suppliers.

Our specifications either: (i) are contained in the Manuals; or (ii) will be provided to you upon request. We, however, have no obligation to make available to prospective suppliers the standards and specifications that we deem confidential. When approving suppliers, we consider whether they demonstrate the ability to meet our standards and specifications and whether they possess adequate quality controls and capacity to supply your needs promptly and reliably. However, our approval may be withheld for any reason. We estimate that your purchases from approved suppliers will represent approximately 60% to 70% of your total purchases in establishing the Franchised Business, and approximately 60% to 70% in the continuing operation of the Franchised Business. We also estimate that your purchases that must conform to our specifications will represent approximately 60% to 70% of your total purchases in establishing the Franchised Business, and approximately 60% to 70% of your total purchases in the continuing operation of the Franchised Business.

We may establish strategic alliances, preferred vendor programs, supply contracts, or purchase arrangements with suppliers that are willing to supply some products, equipment, services, or other items to some or all of the Businesses in our System that will benefit us and our franchisees. If we do establish those types of alliances, programs, or arrangements, we may limit the number of approved suppliers with whom you may deal, we may designate sources that you must use for some or all products, equipment and services, and we may refuse to approve proposals from franchisees to add new suppliers if we believe that action would not be in the best interests of the System or the franchised network of Businesses. There are currently no purchasing or distribution cooperatives in our System.

We and/or our affiliates may receive payments, such as rebates, or other compensation from suppliers on account of the suppliers' dealings with us, you, or other Franchised Businesses in the System. If we do receive such payments from suppliers, we may use the amounts that we receive for any purpose that we deem appropriate.

The franchisor, nor any of their officers, does not own an interest in any supplier.

Insurance

You also must obtain, before beginning any operations under the Franchise Agreement, and must maintain in full force and effect at all times during the term of the Franchise Agreement, at your own expense, an insurance policy or policies protecting you, us, our affiliates, and our respective officers, directors, partners, and employees. The policies must provide protection against any demand or claim relating to personal and bodily injury, death, or property damage, or any liability arising from your operation of the Franchised Business. Required insurance will include, but not be limited to, comprehensive general liability coverage, professional liability coverage, worker's compensation coverage, invasion of privacy claims, and aerial drone insurance. All policies must be written by a responsible carrier or carriers whom we determine to be acceptable, must name us and our affiliates as additional insureds, and must provide at least the types and minimum amounts of coverage specified in the Franchise Agreement or otherwise in the Manuals. Additionally, we may designate one or more insurance companies as the insurance carrier(s) for Franchised Businesses. If we do so, we may require that you

obtain your insurance through the designated carrier(s). We currently recommend BWI Insurance as they provide coverage options particularly for drone pilots.

Presently, we require you to maintain the following minimum insurance amounts:

BWI Drone-Specific Policy		
Single limit bodily injury and property damage	\$1,000,000	Per Occurrence
Medical expense	\$500	Each Person
Personal Injury	\$25,000	Each offense and in the aggregate
General Liability Insurance	\$1,000,000/ \$2,000,000	Occurrence/ Aggregate
Business Property	As needed	TBD

Computer System

Currently you are required to purchase, license, and utilize the following information (i) a computer; (ii) a reliable internet connection; (iii) a cellphone with the ability to accept calls and text messages; (iv) an Adobe Lightroom Classic subscription; (v); a QuickBooks Online subscription; and (vi) Microsoft office suite. In general, you will be required to obtain a computer system that will consist of certain hardware, and software. You will spend will spend \$500 - \$1,000 to meet our requirements involving back office and high-speed internet access and a computer purchase if you do not already have one.

Advertising

As noted in Item 11 below, we will have the right to review and approve all marketing plans and promotional materials that you propose to use. You may not implement any marketing plan or use any promotional material without our prior written consent.

Purchase Agreements and Cooperatives

We may, in our discretion, negotiate purchase agreements, including price terms, with designated suppliers for source restricted goods and services on behalf of the System. We may establish preferred vendor programs with suppliers on behalf of some or all of the Blue Nose Businesses under the System and, in doing so, we may limit the number of approved vendors and/or suppliers that you may purchase from, and we may designate 1 vendor as your sole supplier. Presently there are no purchase or supply agreements in effect for source restricted products or services and there are no purchasing or distribution cooperatives that you must join. You will not receive any material benefits for using our designated or approved suppliers.

Our Right to Receive Compensation and Our Revenue from Source Restricted Purchases

We and/or our affiliates may receive rebates, payments and other material benefits from suppliers based on franchisee purchases and we reserve the right to institute and expand rebate programs in the future. As of the Issuance Date of this Disclosure Document we have not received revenue from suppliers of franchisee purchases of source restricted products or services. In 2024 we did not receive and our affiliates did not receive revenue from suppliers of source restricted purchases.

ITEM 10: FINANCING

Except as described in this Item 10, we do not offer direct or indirect financing.

We may provide financing to qualified franchisees. Financing is negotiated on a case-by-case basis with franchisees based on their credit history, ability to pay, and other factors. Financing is limited to a portion of the Initial Fee.

If we do provide financing to you, and unless other factors determine otherwise, we will finance up to \$5,000 of the Initial Fee. You must pay the balance of the Initial Fee upon signing the Franchise Agreement. We will finance up to \$5,000 of the Initial Fee as follows: you will pay us the Initial Fee for the corresponding Tier, less the \$5,000 being financed, upon signing the Franchise Agreement be paid in sixty (60) equal monthly principal installments of \$83.33 with the first installment due and payable on the 5th day of the month immediately following Borrower's Opening Date. In the event that any monthly payment hereunder shall become overdue, the Borrower shall pay to the Lender late charge of One Hundred Dollars (\$100.00). Any other payments which may become due under the terms of this Note, including penalties, costs, and attorneys' fees, shall bear interest from the date upon which they become due at the rate of 1.67% per day or the highest rate allowable by law, whichever is lower. Such costs and fees shall become due and payable upon demand by Lender. See Exhibit D to the Franchise Agreement attached as Exhibit 2 to this Disclosure Document. You or, in the case of an entity, your principals must personally guarantee the debt. You may prepay the financing without penalty. You waive the homestead and any other available exemption, presentment, demand, protest, notice of dishonor and any other notice.

If you default on amounts owed, we can accelerate the obligation to pay the entire amount due, seek our collection costs including attorney's fees from you, and terminate your franchise agreement. If we provide financing to you, you must submit monthly financial information to us, such as an income statement, balance sheet, and supporting documents as we periodically specify and in the formats we specify.

Except as described above, we do not offer financing that requires you to confess judgment or waive a defense. We do not arrange for financing from other sources. We do not sell, assign, or discount to a third party all or part of the financing arrangement. We do not guarantee any of your notes or obligations. There is no security interest required by the lender.

ITEM 11: FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Before you open your Franchised Business:

1. We will provide you with our standard initial training program for up to two persons. (Training is also discussed below in this Item 11 under the subheading “Training.”) We will be responsible for the cost of instruction and materials, subject to the terms stated in the Franchise Agreement. (Franchise Agreement Sections 5.1, 5.3, and 5.4)
2. We will provide you with the materials necessary to operate your Franchised Business, including the drone set forth for your Tier as set forth in Item 5, business cards, and logoed apparel. (Franchise Agreement Sections 2 and 8.6)
3. We will provide you with a separate webpage on www.blunoseaerial.com, and an email address containing the @blunoseaerial.com domain, all of which is to be used exclusively for your Franchised Business. (Franchise Agreement Section 6.6, 8.9, and 8.10)
4. We will review all advertising and promotional materials that you propose to use. (Franchise Agreement Section 8.2)
5. We will lend you, for the duration of the Franchise Agreement, copies of the Manual (which is more fully described in Item 14 below). (Franchise Agreement, Section 7.1)

We are not required by the Franchise Agreement to furnish any other service or assistance to you before the opening of your Franchised Business. We do not select or approve, nor require, the use of an office site. In your discretion, you may find it beneficial to utilize a home office. We provide no assistance in conforming the premises to local ordinances, building codes, obtaining any required permits, and/or constructing, remodeling, or decorating premises, and/or hiring and training employees. Further, we do not own, nor lease said premises to you.

Continuing Obligations

We are required by the Franchise Agreement to provide certain assistance and service to you. During the operation of your Franchised Business:

1. We may provide evaluations of the services rendered at the Franchised Business. (Franchise Agreement, Sections 5.3)
2. We will make available additional training programs as we deem appropriate. (Franchise Agreement, Section 5.4)
3. We will give you periodic and continuing advisory assistance as to the operation and promotion of the Franchised Business, as we deem advisable. We are generally available during regular business hours to render advice, discuss problems, and offer general guidance by telephone, email, or video conference with respect to planning and operating the Franchise Business. We will provide guidance in establishing pricing based upon services provided and your local area. (Franchise Agreement, Section 5.3)
4. We will have the right, in our sole discretion, to establish and administer the Advertising Contribution as stated in the Franchise Agreement and as described below in this Item 11. There is not an advertising council. (Franchise Agreement, Section 6.2)
5. Except as to national, regional and corporate accounts that we may negotiate, you will exclusively determine the prices that you charge for the Approved Services and Products served and sold by your Blue Nose Business. However, we may suggest pricing levels that we recommend.

The Franchise Agreement does not require us to provide any other assistance or services to you during the operation of the Franchised Business.

Site Selection and Permits

You will operate the Franchised Business out of your own home office. You are not required to lease or purchase office space to operate your Franchised Business. If you choose to lease or purchase office space to operate your Franchised Business, it must be located within the Territory. We do not typically own the premises of your office nor do we typically lease offices to franchisees. State and local regulations for a home office may require you to obtain a license or permit. You will be responsible for obtaining any required permits or licenses to operate a home business. We do not offer assistance in obtaining any required permits or licenses to operate a home business. We do not offer assistance in hiring and training your employees.

Opening of Franchised Business

We estimate that the time period between the signing of the Franchise Agreement and the start of operations will be approximately one to six months. Factors that may affect the time period between signing the Franchise Agreement or payment of consideration for the Franchise and opening of the business include: availability of equipment and supplies, your ability to acquire applicable

certifications and business filings, the time required to complete initial training, and your own skill and proficiency operating the drone.

Computer System

You will need to use the technology that we specify in the Manuals (the “**Computer System**”). You will need to acquire, if you do not already possess, the following: (i) a computer; (ii) a reliable internet connection; (iii) a cellphone with the ability to accept calls and text messages; (iv) an Adobe Lightroom Classic subscription; (v) a QuickBooks Online subscription; and (vi) Microsoft office suite. Currently, you may use either a laptop or desktop computer with either the Windows or MacOS operating system. Our requirements may fluctuate as does the price and availability of new computer technology. Depending on your location and the services you provide as a franchisee, your computer must be able to handle a number of software subscriptions. The cost of purchasing the Computer System will vary considerably based upon your own preferences, new technology available, and operational requirements that you may deem necessary. If you do not already possess a computer, we estimate the cost of purchasing a computer system will not exceed \$1,000. There is no physical point-of-sale system required. All transactions will be conducted digitally. There are no annual costs for maintenance, upgrades, or support contracts for the computer system or digital point-of-sale system.

We may require you to purchase additional equipment depending on the size and configuration of your Franchised Business. You may be required to use other software applications on your Computer System as stated in the Manuals. You will be required to maintain a high-speed internet connection at all times. Other than the Computer System, we have not approved any hardware or software in place of these systems and programs, although we reserve the right to do so in the future.

We reserve the right to require you to maintain contracts for hardware and software maintenance, support, and upgrade services for the Computer System; however, currently we do not require such coverage. We reserve the right to change our specifications in the future to take advantage of technological advances or to adapt the System to meet operational needs and changes. We may require you to bring any computer hardware and software, related peripheral equipment, and communications systems into conformity with our then-current standards for new Franchised Businesses. We will endeavor to keep these changes infrequent and reasonable in cost, but the Franchise Agreement does not impose a limit as to the number or cost of such changes to the Computer System.

You must provide us with access to your Computer System in the form and manner that we may request from time to time. There is no contractual limitation on our right to receive this information.

Advertising Contribution

You are required to contribute 2% of your Gross Sales to our advertising fund on a monthly basis (the “**Advertising Contribution**”). You must pay the Advertising Contribution by the same method as your Royalty Fee. Our affiliate-owned Blue Nose will not contribute to the Advertising Contribution on the same basis as Franchisees in the System are generally required to contribute.

The Advertising Contribution is maintained and administered by us (or our designee). We may use Advertising Contributions to pay any and all costs for advertising in print or online formats including search engine optimization services, print brochures and flyers, online directories, and other forms of local media advertising.

Advertising Contributions will not be used to solicit new franchise sales; provided however, we have the right to use the Advertising Contribution for public relations, to explain the franchise system, and/or include “Franchises Available” or similar language and contact information in advertising produced with Advertising Contributions.

Neither we nor our designee will be obligated to make expenditures for you or on your behalf, in your area or territory, that are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or pro rata from expenditures by the Advertising Contribution.

The advertising fund is not audited. You may obtain an accounting of the advertising fund, and review financial statements, by written request submitted to us.

If all of the money in the Advertising Contribution is not used in the year in which it is received, these amounts will be used in the next fiscal year. Although the Advertising Contribution is intended to be of perpetual duration, we maintain the right to terminate the Advertising Contribution. The Advertising Contribution will not be terminated, however, until all monies in the Advertising Contribution have been spent for advertising or promotional purposes.

During our most recently concluded fiscal year ending December 31, 2024, Advertising Contributions were used as follows: 100% for digital advertising.

Advertising Council

We do not have an advertising council composed of franchisees that advises us on advertising policies. The Franchise Agreement gives us the right, in our discretion, to create a franchisee advisory council to communicate ideas, including proposed advertising policies. If created, we will determine in advance how franchisees are selected to the council, which may include factors such as a franchisee’s level of success, superior performance and profitability. We have the right to change or dissolve the council at any time.

Local Advertising and Promotion

We recommend that you spend a minimum of \$150 per month on local advertising. See Item 6 for a summary of the total amount we can require you to spend on advertising and promotion.

Certain criteria will apply to any local advertising and promotion that you conduct. All of your local advertising and promotion must be dignified, must conform to our standards and requirements, and must be conducted in the media, type, and format that we have approved. You may not use any advertising or promotional plans that we have not approved in writing. You must submit to us samples of all proposed plans and materials. We must give our approval within 10 business days. If we do not give our approval within 10 business days, we will have been deemed not to have approved the plans or materials.

We do not provide for placement of local advertising on your behalf, and we have no obligation to spend any amount on advertising in your area or territory. You are responsible for local advertising placement.

All copyrights in and to advertising and promotional materials you develop (or that are developed for you) will become our sole property. You must sign the documents (and, if necessary, require your independent contractors to sign the documents) that we deem necessary to implement this provision.

As used in the Franchise Agreement, the term “local advertising and promotion” refers to only the costs of purchasing and producing advertising materials (such as camera-ready advertising), media (space or time), promotion, and your direct out-of-pocket expenses related to costs of advertising and sales promotion in your local market or area. Local advertising and promotion also includes associated advertising agency fees and expenses, postage, shipping, telephone, and photocopying costs. “Advertising and sales promotion” does not, however, include any of the following: salaries and expenses of your employees; charitable, political, or other contributions or donations; and the value of discounts given to customers.

Regional Advertising Cooperative

Currently, our System has no regional advertising fund or cooperative. However, we may decide to establish a regional fund or cooperative in the future and your participation may be mandatory, in our sole discretion. A regional cooperative will be comprised of all franchised Blue Nose outlets in a designated geographic area. Our affiliate-owned outlets may participate in a regional cooperative, in our sole discretion. Each Blue Noses outlet will have one vote in the cooperative. We will determine in advance how each cooperative will be organized and governed. We have the right to form, dissolve, merge or change the structure of the cooperatives. If a cooperative is established during the term of your Franchise Agreement, you must sign all documents we request and become a member of the cooperative according to the terms of the documents.

If we establish a regional advertising fund or cooperative, you must contribute amounts we require. Your contributions to a regional advertising fund or cooperative will be in addition to your required

contributions to the Advertising Contribution; however, up to one-half of your local advertising expenditure may be credited to your required regional cooperative contributions.

Marketing Services

As an optional service, we provide additional marketing support and services for franchisees. The services and support provided include search engine optimization, conversion rate optimization, targeted social media and online advertising, and participation in industry events and networking opportunities.

Websites

Websites are considered “advertising” under the Franchise Agreement and are subject to our review and prior written approval before they may be made publicly available. In connection with any website, the Franchise Agreement provides that you may not establish a website—nor may you offer, promote, or sell any products or services or make any use of the Proprietary Marks—through the internet without our prior written approval. As a condition to granting any such consent, we will have the right to establish any requirement that we deem appropriate including, among other things, a requirement that your only presence on the internet will be through one or more webpages that we establish on our website.

Training

Before your Franchised Business opens, you must complete all of our initial training requirements. Your Designated Principal must attend and successfully complete, to our satisfaction, the initial training program that we offer in-person or virtually. See Item 15 for details regarding our requirements for the management and operation of the Franchised Business. Additionally, we may also require that other persons, up to a total of two individuals including the Designated Principal, attend and successfully complete the initial training program. We will bear the cost of all training including instruction and required materials for the initial training program; however if any further training is required after the initial training, you may be required to pay us an additional training fee of \$500 per day. Initial training programs will be held virtually.

Though we require our franchisees to be owner-operators of the Franchised Businesses, you may hire a manager to assist in running your Franchised Business. Your manager must successfully complete the training before he or she can begin working in the Franchised Business. You may conduct this training yourself. If your manager ceases active employment in the Franchised Business, then you must enroll a qualified replacement. The replacement manager shall complete the training program as soon as is practicable, but in no event later than any time periods we specify from time to time in the Manuals and otherwise in writing. We have the right to review any personnel you trained and to require that such persons attend and complete, to our satisfaction, our initial training program.

We provide you all training programs that cover material aspects of the operation of the Franchised Business. The topics covered are listed in the chart below. The instructional material may consist of our Manuals, lectures, videotapes, checklists, demonstrations, practice, and quizzes.

Our founder currently oversees the trainings. His experience includes two decades of flying manned aircraft, both commercially and in the military, and 5 years of military flight instruction. Prior to joining the US Navy, he owned and managed a small business from 2004 to 2008. He is a graduate of the US Navy Instructor Training Course, which focused primarily on adult learning techniques and instructional methods. In addition to his FAA Airline Transport Pilot certificate, he holds a Remote Pilot Certificate. Other Blue Nose managers may participate in the training. Also, we may periodically name additional or substituted trainers. Any instructor will have at least two years of instruction and training experience.

In addition to the training provided by our Founder, all franchisees, managers, and any employees who are expected to operate a drone must obtain an FAA Part 107 certification, which will allow you to act as a drone pilot. Training for the FAA Part 107 certification will be self-directed and does not require travel. There are no travel or living expenses to achieve this certification. The Part 107 written exam must be taken in-person at an FAA authorized testing center. The FAA currently charges \$175 to take the test. This certification is required before operating any Franchised Business and will be obtained on the Franchisee’s own expense as discussed in Section 5.2 of the Franchise Agreement.

The length of your in-person training will largely depend on your comprehension of the material covered during your virtual training. We will not be responsible for training or offering guidance with respect to compliance with any laws, ordinance, or other legal matters. If you request additional or supplemental training at a later time, you will be responsible for any traveling and living expenses incurred if on-site training is required. We offer unlimited phone support during normal business hours for all of our franchisees for any additional questions. Optional refresher courses are conducted on a as needed basis.

Table of Contents of Manuals

The table of contents to our Manuals, current as of the date of this Disclosure Document is attached as Exhibit 6. The Manual contains a total of 44 pages.

ITEM 12: TERRITORY

You will be granted a specific territory (the “**Operating Territory**”) in which to operate your franchise. Your Operating Territory will be defined as a specific geographic area defined by a map that we will mutually agree upon and will be approved by us. The area of your Operating Territory will be represented by a population of 250,000 people. The boundaries of your territory may include natural boundaries such as waterways, interstate highways, paved roads, or other points of demarcation. The population of the Operating Territory will be determined by using market analysis software.

During the term of the Franchise Agreement, we will not establish or operate, nor license any other person to establish or operate, a Franchised Business in the Operating Territory, except as may be permitted under the Franchise Agreement; those exceptions are described below.

You are required to meet the following minimum revenue requirements that are set forth in Attachment 4 of the Franchise Agreement:

YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5 + Successor Terms
\$5,000	\$7,500	\$10,000	\$12,500	\$15,000

If you do not meet these minimum requirements, we have the right to reduce the size of your Territory or terminate your Franchise Agreement.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, from other channels of distribution or competitive brands that we control.

If, during the term of the Franchise Agreement, you wish to relocate your Franchised Business, you must submit to us in writing the materials required in order to consider your request, including information concerning the proposed new Territory for the Franchised Business. You must also meet certain other requirements including, but not limited to, being in compliance with the Franchise Agreement, the Territory meets our then-current requirements for a Franchised Business, and you must sign our then-current form of Franchise Agreement. ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular franchised business or under particular circumstances.

The following representation is an historic financial performance representation about our existing outlets that were in operation for at least six months during calendar year 2024. As of December 31,

We also do not authorize our employees or representatives to make any such representations either orally or in writing. BLUE NOSE FRANCHISE AGREEMENT

This Franchise Agreement (including all schedules, exhibits, and amendments, this “**Agreement**”) is made and entered into between:

- Blue Nose Franchising, LLC, a Colorado limited liability company (referred to in this Agreement as “**Franchisor**,” “**we**,” “**us**,” or “**our**”) and
- _____, a _____ (referred to in this Agreement as “**Franchisee**,” “**you**,” or “**your**”).

Preamble and Acknowledgements

1. We, the Franchisor of Blue Nose, have expended considerable time and effort in developing a franchise that provides aerial drone services using a unique proprietary service system under the name “Blue Nose” (the “**System**”).
2. The System is identified by certain emblems, designs, artwork, trade names, service marks, logos, trade dress, and trademarks, including the mark “Blue Nose” and “Blue Nose Aerial Imaging” and other marks that we may use in connection with the System (the “**Marks**”). The franchises operate under our Marks and under distinctive business formats, methods, procedures, designs, layouts, standards, and specifications, all of which we may improve or further develop from time to time.
3. We grant franchises to persons who meet our qualifications and who are willing to undertake the investment and effort required to own and operate a Blue Nose business offering the services and products we authorize and approve, each called a “**Franchised Business**.”
4. You understand and acknowledge the importance of our high and uniform standards of quality, operations, and service, and the necessity of operating the Franchised Business in strict conformity with our System.
5. You represent to us, as an inducement to your entry into this Agreement, that all statements you have made and all materials you have submitted to us in connection with your purchase of a Franchised Business are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the franchise. We have approved of your purchasing a Franchised Business in reliance upon all of your representations.
6. You acknowledge that you have read this Agreement and the Franchise Disclosure Document and that you understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service at all Blue Nose franchised locations and in order to protect and preserve the goodwill of the Marks.

Accordingly, the parties agree as follows:

1. Franchise

- 1.1. **Grant.** We grant to you, subject to the terms and conditions of this Agreement, the right to: (i) operate a Blue Nose Business; (ii) use, solely in connection with your operation of the Franchised Business, the Marks and the System, as such may be changed, improved, and further developed by us from time to time; and (iii) operate the Franchised Business only within the Operating Territory (as defined in Section 1.5) in accordance with this Agreement. You shall not relocate the Franchised Business without our prior written consent as provided in Section 14.
- 1.2. **Effective Date.** This Agreement is effective on the date that the last party executes and delivers this Agreement as indicated by the date stated under that party's signature line ("**Effective Date**").
- 1.3. **Term and Successor Option.** The initial term (the "**Term**") of this Agreement shall be for a period of five years, commencing on the Effective Date of the Agreement. This Agreement is renewable for successive periods of five years as long as you have complied in all material respects with the provisions of this Agreement during the Term, including the timely payment of all fees, and you are not in default under any other agreement between you and us or any of our affiliates. To enter into a successor agreement, you must sign the then-current franchise agreement used for franchisees at that time, sign a general release, and pay the successor agreement fee equal to 25% of the then-current initial franchise fee. This successor agreement fee must be paid to us prior to consummation of successor term. Also, you (or a manager of yours approved by us) must satisfactorily complete any new training and refresher programs as we may reasonably require at no additional cost.
- 1.4. **Designated Principal.** You will grant to one individual the authority to legally bind you in any dealings with us and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Business. This individual, the "**Designated Principal**," shall maintain management control of the Franchised Business at all time during this Agreement and shall own and control not less than 51% of the equity and voting power of all issued and outstanding capital stock of the Franchised Business.
- 1.5. **Operating Territory.** The franchise is granted for a territory as set forth in Exhibit A (the "**Operating Territory**"). We shall not, during the term of this Agreement, so long as you are not in default of this Agreement or under any other agreement between us, operate ourselves or grant to any other person a Blue Nose franchise within the Operating Territory nor shall we modify the Operating Territory without your prior written permission. You may perform services at any location that is situated outside of your Operating Territory with our written permission. Permission will not be unreasonably withheld. If we grant you permission, you must pay the Royalty Fee for services performed outside of your Operating Territory

according to Section 6.1. We may revoke this permission at any time at our sole discretion. Upon revocation, you must immediately cease business operations in any area outside of your Operating Territory. If you conduct business outside of your Operating Territory, you shall transfer the client lists, accounts, customers, and other business operations we designate, and to whom we designate, upon a revocation.

- 1.6. Expanding Your Operating Territory.** We may grant you the right, in our sole discretion, to expand your Operating Territory by paying us \$2,000 for an additional 100,000 persons. If you are granted the right to expand your territory, all of the terms in Sections 1.5 and 1.8 apply to the new Operating Territory.
- 1.7. Minimum Performance Standards.** Franchisee acknowledges the importance of actively developing the Territory to achieve maximum revenues, and, to that end, Franchisee agrees to use best efforts to market Franchisee's Franchised Business to meet the Minimum Performance Standards. Franchisee's failure to meet the Minimum Performance Standards is a material default of this Agreement, and upon such default, Franchisor is entitled to either (i) reduce the size of the Territory or (ii) terminate this Agreement.
- 1.8. Rights We Retain.** We may establish other Blue Nose businesses (franchised or owned by us) anywhere outside of your Territory. We retain the right, on behalf of ourselves or through affiliates, in our discretion, and without granting any rights to you, to:

 - (a) solicit prospective franchisees and grant franchises or other rights to operate Blue Nose businesses through national or regional advertising, trade shows, or conventions or through e-commerce or similar means (franchises will not be granted to operate within your Operating Territory);
 - (b) modify any one or more of the services offered by the Franchised Business or to add new goods or services to the offerings of the Franchised Business. We will give you as much notice as possible if we decide to discontinue any service. We are not required to purchase or exchange any of your inventory except in accordance with Section 8.6;
 - (c) sell and provide any products authorized for sale by Blue Nose businesses under the Marks or other trade names, trademarks, service marks, and commercial symbols through dissimilar channels (such as telephone, mail order, kiosk, co-branded sites, and sites located within other retail businesses, online, on web sites, wireless, email, or other forms of e-commerce) for distribution within and outside of your Operating Territory and pursuant to such terms and conditions as we consider appropriate;

- (d) conduct or assign any Blue Nose business within your Operating Territory that you refuse to perform, you are unable to perform or while you are in default of your Franchise Agreement.
- (e) operate and grant to others the right to develop and operate a Franchised Business using the System and Proprietary Marks outside your Operating Territory, as we deem appropriate and irrespective of the proximity to your Operating Territory;
- (f) acquire, merge with or otherwise affiliate with one or more businesses of any kind, including businesses that offer and sell products and services that are the same as, or similar to the Franchised Business, and after such acquisition, merger or affiliation, to own and operate and to franchise or license others to own and operate and to continue to own and operate such businesses of any kind, even if such businesses offer and sell products and services that are the same as or similar to a the Franchised Business (but not using the Proprietary Marks) within your Operating Territory;
- (g) be acquired by or merge with or otherwise affiliate with one or more businesses of any kind, including businesses that offer and sell products and services that are the same as or similar to the Franchised Business, even if such business or businesses presently or, in the future, own and operate and franchise or license others to own and operate businesses that offer and sell products and services that are the same as or similar to the Franchised Business (but not using the Proprietary Marks) within your Operating Territory;
- (h) use the Proprietary Marks and System to distribute services and products offered and sold by the Franchised Business or similar products and services in alternative channels of distribution including the internet, catalog sales, telemarketing, or other direct marketing sales within or outside your Operating Territory;
- (i) use the Proprietary Marks and System to offer, sell, and provide the services and products offered and sold by the Franchised Business or similar services and products sold by the Franchised Business on behalf of customers comprising or qualifying as local, regional, and/or national corporate accounts such as real estate agents, data collectors, crop consultants, construction companies, media companies. (referred to as “National Accounts”) within or outside your Operating Territory. If you decline to undertake a contract under the National Account program, or if Franchisor in their sole discretion determines that Franchisee is not able to undertake such contract, Franchisor may authorize another Franchisee to complete a National Account contract in your Operating Territory; and

- (j) use the Proprietary Marks and System and to license others to use the Proprietary Marks and System, to engage in all other activities not expressly prohibited by the Franchise Agreement.

2. Payment for Franchise. Upon executing this Agreement, you shall pay us an initial franchise fee (the “Initial Franchise Fee”) stated in Exhibit A. You will pay the full Initial Franchise Fee by: (i) certified or cashier’s check; (ii) wire transfer; or (iii) such other method of payment mutually agreed upon by both of us. Payments by check must be made payable to Blue Nose Franchising, LLC. The Initial Franchise Fee is payment, in part, for expenses incurred by us in furnishing assistance and services to you under this Agreement and for costs incurred by us—including general sales and marketing expenses, training, legal, and accounting and other professional fees—in preparation to offer the franchise to you. The Initial Franchise Fee also covers our costs in providing you with an initial allocation of supplies and inventory, including one drone as described in your selected tier, or its equivalent, business cards, apparel, and other supplies stated in Exhibit B, (the “Franchise Package”). The Initial Franchise Fee is not refundable.

3. Financing of Initial Fee. The Initial Franchise Fee must be paid in full upon the execution of this Agreement. In the alternative, in our sole discretion, we will finance up to \$5,000 of the Initial Fee. You must pay the balance of the Initial Fee upon signing the Franchise Agreement. We will finance up to \$5,000 of the Initial Fee as follows: you will pay us the Initial Fee for the corresponding Tier, less the \$5,000 being financed, upon signing the Franchise Agreement and the remaining balance is due in full, with no interest, no later than 60 months after signing the Franchise Agreement.

4. Shipments. We will endeavor to deliver the Franchise Package in a timely manner, within a maximum of 90 days, from the Effective Date of this Agreement.

5. Training

5.1. Initial Training. Within 30 days of the Effective Date, we will train you and up to 2 additional people through in-person or online video conferencing. Training will be held over the course of 2-3 days and will last approximately 16 - 20 hours total. Training must be completed within 180 days of the date of this Agreement. Any person attending training is required to execute our then-current confidentiality agreement if they are not a party to this Agreement. You must attend and successfully complete the initial training program that we provide to franchisees (the “**Initial Training**”). We may extend the Initial Training for you if you fail to successfully complete the program. You may not open your business until you have completed training. Blue Nose training is included in your Franchise Fee, but you must pay travel and living expenses if additional in-person training is required.

5.2. Remote Pilot Certificate. You will need to obtain a Remote Pilot Certificate from the FAA (an FAA PART 107 Certification), which will allow you to act as a drone pilot.

This certification will be earned at your own expense on your own time and is required before you can open the Franchised Business.

- 5.3. **Ongoing Training.** We offer our franchisees unlimited phone support available during normal business hours. Each week for the 90 days after you begin operating your Franchised Business, you should telephone the corporate office so we can discuss any operational problems and offer you solutions. We will hold mandatory conference calls, either telephonically or electronically, to discuss sales techniques, bookkeeping, performance standards, advertising programs and other topics we feel may be appropriate. Franchisee, or their designee, must attend all conference calls live. These calls cover important information including but not limited to changes in system standards, which are crucial to remaining in compliance. From time to time we may host in-person conferences, and franchisees are encouraged to attend.
- 5.4. **Additional Training.** If you are unable to successfully complete our training program, or if you hire additional personnel who require training and you are unable to train those individuals to our satisfaction, then we may provide additional training to you or your personnel, as the case may be, for an additional fee of \$500 per day. This fee will not be charged in connection with minor, day-to-day assistance that we provide over the phone or via email.

6. Ongoing Fees

- 6.1. **Royalty Fee.** You agree to pay us a Royalty Fee, as shown on Exhibit A, which is based on Gross Sales for the month. Gross Sales means the gross receipts of every kind and nature for sales of all products and services made in, upon, from, or through operation of the Franchised Business, and income of every other kind and nature related to the Franchised Business, whether for products, services, exchange, credit, cash, or check regardless of whether such sale is conducted in compliance with or in violation of the terms of this Agreement. Gross Sales shall not include the amount of refunds, tax collections, or allowances or discounts to customers, including discounts attributable to coupon sales. This Royalty Fee begins upon the completion of training and continues through the Term of this Agreement.
- 6.2. **Advertising Contribution.** You agree to pay to us an advertising contribution equal to 2% of your Gross Sales (the “**Advertising Contribution**”). The Advertising Contribution will go into a separate account and be used for regional or national advertising programs for the benefit of Blue Nose businesses as we see fit. Your advertising contribution begins 30 days after completion of training and continues through the Term of this Agreement.
- 6.3. **Local Advertising.** We recommend you spend a minimum of \$150.00, or an amount that is best suited for the Franchised Business, every month on approved local paid advertising within your Operating Territory.

- 6.4. Marketing Services Fee.** If you elect to participate in our optional marketing and advertising services (“**Marketing Services**”), you agree to pay us a Marketing Services Fee as shown on Exhibit A.
- 6.5. Advanced Services Fee.** If you elect to participate in our optional additional service offerings, including expanded client service offerings, (the “**Advanced Services**”), you agree to pay us an Advanced Services Fee as shown on Exhibit A.
- 6.6. Technology Fee.** You agree to pay to us \$295 per month in exchange for advertising your Franchised Business on our website, an email address with the “blunoseaerial.com” domain, and access to our online franchisee software platform (the “**Technology Fee**”).
- 6.7. Fees Due.** The Technology Fee is a fixed fee, due on or before the first business day of the calendar month. The Royalty Fee and Advertising Contribution are based upon the preceding month’s Gross Sales and are required to be reported by the last day of each month. The Royalty Fee and Advertising Contribution must be remitted to Franchisor within five (5) days of invoicing. If you choose to participate in the Marketing Services or Advanced Services, the Marketing Services Fee and the Advanced Services Fee, as applicable, are due on or before the first business day of the calendar month. You agree to provide authorization for your bank account, credit card, or other payment type as specified in the Manuals to be automatically charged by us for your monthly Royalty Fee, Advertising Contribution, Technology Fee, and Marketing Services Fee and Advanced Services Fees, as applicable, should you fail to submit timely payment.

7. Manuals

- 7.1. Loan of Manuals.** We will provide you, on loan, copies of the confidential operations manuals and other manuals, instructional materials, and written policies (collectively, the “**Manuals**”). The initial copies of the Manuals will arrive in a binder. Franchisee agrees to update Manuals with the most recent versions of instructions and policies on a regular basis.
- 7.2. The Manuals and Furnishings to Franchisee.** In order to protect the reputation and our goodwill and to maintain high standards of operation under the System, you shall operate the Franchised Business in accordance with the standards, specifications, methods, policies, and procedures specified in the Manuals or otherwise provided to you in writing (the “**System Standards**”).
- 7.3. The Manuals are Proprietary and Confidential.** You shall treat the Manuals, any other materials created for or approved for use in the operation of the Franchised Business, and the information they contain as confidential, and shall use all reasonable efforts to maintain such information (both in electronic and other

formats) as proprietary and confidential. You shall not download, copy, duplicate, record, or otherwise reproduce the Manuals, in whole or in part (except as stated in Section 7.5), or otherwise make the same available to any unauthorized person, except as authorized in advance by us.

- 7.4. **The Manuals Remain our Property.** The Manuals will remain the sole property of ours. They must be stored in a secure place at the Franchised Business location, and must be returned to us, as set forth in Section 12, upon the termination or expiration of this Agreement.
- 7.5. **Revisions to the Manuals.** We may from time to time revise the contents of the Manuals to improve or maintain the standards of the System and its efficient operation, to protect or maintain the goodwill associated with the “Blue Nose” name and Marks, or to meet competition, and you expressly agree to comply with each new or changed standard.
- 7.6. **Part of Agreement.** From the date of the opening of the Franchised Business, the mandatory specifications, standards, operating procedures, and System Standards prescribed by us and communicated to you in writing, shall constitute provisions of this Agreement as if fully incorporated in the Manuals. The provisions of this Section 7.6 shall survive any termination, transfer, or expiration of this Agreement.

8. Your Obligations

- 8.1. **Training Requirements.** You may not open the Franchised Business until: (i) your pre-opening training has been completed to our satisfaction; (ii) the Initial Franchise Fee and all other amounts then due to us have been paid in full; and (iii) you submit proof of insurance in the amounts stated in Section 8.7 below.
- 8.2. **Advertising Approvals Required.** You may advertise in such a manner as may be agreed upon by both of us, including outside of your Operating Territory according to Section 1.5. Subject to our written consent, you may use the Marks in such advertising and in all other sales literature and promotions. You agree that you will make no representations or warranties which tend to misrepresent or falsify the specifications, qualities, or uses of the services.
- 8.3. **Suppliers.** You may only offer and sell those services and products that we have approved. If you wish to offer and sell products and services we do not provide, you must submit to us a written request stating why you wish to offer and sell these goods and services as a franchisee of a Franchised Business.
- 8.4. **Compliance with Laws.** You agree that you shall comply in all respects with all laws, rules, and regulations of every governmental authority applicable to your Franchised Business.

- 8.5. No Amounts Due.** You acknowledge and agree that no fees or compensation for services are required to be paid by us to you under this Agreement.
- 8.6. Inspection of Materials.** Upon the execution of this Agreement, we will provide you with certain materials in order to operate your Franchised Business, including a drone as described in your selected Tier, or its equivalent, business cards, logoed apparel, Manuals, and other supplies as needed. You must inspect all materials immediately upon receipt and promptly notify us in writing of any evident defects. You will be deemed to accept the materials if you do not notify us of any defect 10 business days after your receipt. We will pay reasonable return transportation costs if you receive defective materials from us and timely notify us.
- 8.7. Insurance Requirements.** You will, upon commencement of the Franchised Business purchase and at all times, maintain at full force and effect: general liability insurance and professional liability coverage insurance in the amounts of not less than \$1,000,000 for each occurrence, naming us as an additional insured. If you do not obtain insurance, you will reimburse the cost of the insurance we purchase on your behalf. BWI Insurance specifically ensures drones and drone piloting and offers a number of options that would satisfy these requirements.
- 8.8. Non-Disparagement.** You promise that you will not, in any manner, interfere with, disparage, disturb, disrupt, or jeopardize the Blue Nose System or its services or products, your Franchised Business, our business, any officers or employees of ours, or any business of our other area directors or customers.
- 8.9. Website.** We will provide you a customized Blue Nose website landing page for your Franchised Business. You shall not establish a website on the internet using any domain name, webpages containing the Marks, or any variation thereof unless you have our written permission. You shall, within 48 hours of a demand to do so by us, dismantle and/or deactivate any websites, webpages, blogs, frames, and/or links between your webpages and any other websites or violating domains or any other items appearing on the internet or elsewhere in violation of our System Standards.
- 8.10. Phone Number.** You must maintain at all times an active dedicated telephone line in connection with the operation of your Franchised Business.
- 8.11. Payment of Fees.** If any payment due to us is not received by the due date, including any amounts due under a Promissory Note executed with this Agreement, you will be subject to a late fee of \$100.00 immediately plus 1.67% interest, or the maximum rate permitted by state law if less, of the amount due for each day after the due date.

9. Operation and System Standards

- 9.1. Reports.** The Manuals specify the quarterly reports (currently a Profit and Loss Statement and a Balance Sheet) and all payments due to us that you must submit to us by their due dates (currently the first business day of each new quarter) in order for your Franchised Business to be in good standing. In addition, you must provide to us, in the method and form we specify, copies of your monthly bank statements from your Franchised Business's bank account as specified in the Manuals.
- 9.2. System Standards.** You acknowledge and agree that your operation and maintenance of the Franchise Business in accordance with System Standards are essential to preserve the goodwill of the Marks and all Blue Nose businesses. Therefore, at all times during the Term, you agree to operate and maintain your Franchised Business in accordance with each and every System Standard, as we periodically modify and supplement them during the Term. System Standards may regulate any one or more of the following with respect to the Franchised Business:
- (a) required or authorized products and services;
 - (b) designated or approved suppliers (which may be limited to or include us) of any products or services;
 - (c) sales, marketing, advertising, and promotional programs, materials, and media used in such programs;
 - (d) use and display of the Marks;
 - (e) communication to us of the identities of the Blue Nose Business' personnel; and qualifications, training, dress, and appearance of employees;
 - (f) participation in market research, testing, product, and service development programs;
 - (g) bookkeeping, accounting, data processing, and record keeping systems and requirements, including software, and forms; methods, formats, content, and frequency of reports to us of sales, revenue, financial performance and condition, and audits;
 - (h) complying with applicable laws; obtaining required licenses and permits; adhering to good business practices; observing high standards of honesty, integrity, fair dealing, and ethical business conduct in all dealings with customers, suppliers, and us; and notifying us if any action, suit, or proceeding is commenced against you or the Blue Nose Business; and

- (i) regulation of such other aspects of the operation and maintenance of the Blue Nose Business that we determine from time to time to be useful to preserve or enhance the efficient operation, image, or goodwill of the Marks and Blue Nose Businesses.

10. Trade Secrets and Confidential Information

10.1. Scope of Trade Secrets and Confidential Information. We possess (and will continue to develop and acquire), and may disclose to you, certain confidential and trade secret information relating to the development and operation of a Blue Nose business, which may include, without limitation:

- (a) the System Standards, the Manuals, and any other proprietary materials;
- (b) the sales and marketing techniques used, any guidance and knowledge of an experience in developing and operating a Blue Nose business;
- (c) marketing and advertising programs for Blue Nose businesses;
- (d) knowledge of specifications for and suppliers of certain ancillary goods, services, equipment, materials, and supplies; and
- (e) knowledge of the operating results and financial performance of a Blue Nose business other than your franchise (Section 10.1(a)-(e) collectively, the “**Confidential Information**”).

10.2. For Business Use Only. You acknowledge and agree that you will not acquire any interest in Confidential Information other than the right to utilize Confidential Information disclosed to you in operating the Franchised Business during the Term of this Agreement, and that the use or duplication of any Confidential Information in any other business would constitute an unfair method of competition. You further acknowledge and agree that Confidential Information is proprietary, includes our trade secrets and is disclosed to you solely on the condition that you agree, and you do hereby agree, that you:

- (a) will not use Confidential Information in any other business capacity;
- (b) will maintain the absolute confidentiality of Confidential Information during and after the Term of this Agreement;
- (c) will not make unauthorized copies of any portion of Confidential Information disclosed via electronic medium or in written or other tangible form; and
- (d) will adopt and implement all reasonable procedures that we prescribe from time to time to prevent unauthorized use or disclosure of Confidential

Information, including without limitation, restrictions on disclosure to business personnel and others.

You shall enforce this Section 10.2 as to your employees, agents, and representatives, and shall be liable to us for any unauthorized disclosure or use of the Confidential Information by any of them.

- 10.3. Ideas, Concepts, Techniques, or Materials.** All ideas, concepts, techniques or materials relating to your Franchised Business, whether or not constituting protectable intellectual property, and whether created by or on behalf of you, or those who maintain management control of the Franchised Business (a “**Principal**”), will be promptly disclosed to us, deemed to be our sole and exclusive property and part of the System. You and your Principals agree to sign whatever assignment or other documents we may request from time to time to evidence our ownership or to assist us in securing intellectual property rights in such ideas, concepts, techniques, or materials. We shall disclose to you concepts and developments of other franchisees that are made part of the System. As we may reasonably request, you shall take all actions to assist our efforts to obtain or maintain intellectual property rights in any item or process related to the System, whether developed by you or not.

11. Covenants

- 11.1. Adherence to Agreement.** You and your Designated Principal must at all times faithfully, honestly, and diligently perform your obligations under this Agreement, continuously exert your best efforts to operate your Franchised and to promote, enhance, and encourage patronage of all Blue Nose businesses and not engage in any other business or activity that conflicts with your obligations to operate the Franchise in compliance with this Agreement. You or Designated Principal are obligated to participate personally in the direct operation of the Franchised. If you hire a manager, that person cannot have an interest or business relationship with any of Blue Nose’s Competitors (as defined in Section 11.2). The manager need not have an ownership interest in you. Franchisee will train the manager for a total of 20 hours (to match Initial Training); after this period of training, the manager must also earn an FAA Part 107 Certificate to begin the operation of the Franchised Business. If needed, we can also provide additional training at \$500 per day at the expense of Franchisee. You must have any and all persons employed by or hired by you who will have access to Confidential Information sign our standard written agreement to maintain confidentiality of our proprietary rights and Confidential Information prior to the release of any such Confidential Information. All signed confidentiality agreements must be submitted to us within 48 hours of hire and before you release any confidential information to the signatory.

- 11.2. Non-Competition.** The covenants set forth in this Section 11.2 are in effect during the term of this Agreement and during the 24 months from the termination or expiration date of this Agreement (the “**Restricted Time**”). You shall not own, maintain, operate, engage in, be employed by, provide any assistance to, or have any more than a 1% interest in (as owner or otherwise) any person or entity that provides drone related services such as aerial imaging, drone rental, drone power washing, or provides services or products that are substantially similar in nature to the Franchised Business or serve the same purpose as the services and products that you provided under this Agreement within a 100-mile radius of any Blue Nose Aerial Imaging outlet (“**Competitor**”). Furthermore, you agree you will be in default of this Agreement and that this Agreement may be terminated by us if a person in your, or any Principal’s immediate family (including spouse, domestic partner, parent or child), engages in services that are the same or substantially similar in nature or purpose to those of the Franchised Business that would violate this Section 11.2 if such person was subject to the covenants of this Section 11.2.
- 11.3. Non-Solicitation of Restricted Customers.** You agree that during the Term of this Agreement and during the Restricted Time, you shall not, either directly or indirectly, for or on behalf of a Competitor, engage in the following conduct: (i) solicit or attempt to solicit any customer that you or your employees solicited, serviced, or had business contact with on behalf of the Franchised Business during the 12 months prior to the Restricted Time for the purpose of providing products or services that are in any way competitive with those provided by Franchisor or its franchised businesses; or (ii) divert, discourage, attempt to divert, or attempt to discourage any such customer from purchasing products or services from Franchisor or its franchised businesses.
- 11.4. Commencement by Order.** If any person restricted by this Section 11 refuses voluntarily to comply with its obligations, the Restriction Period will commence with the entry of an order of an arbitrator, or court if necessary, enforcing this provision. You and your Principals expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section 11 will not deprive you of your personal goodwill or ability to earn a living.

12. Defaults and Termination

- 12.1. Default with No Opportunity to Cure.** You will be in default and we may, at our option, terminate this Agreement immediately upon delivery of notice to you and without affording you any opportunity to cure the default if any of the following events occur:
- (a) you knowingly maintain false books or records or submit any false statements or reports to us;

- (b) you understate by 5% or more of your Gross Sales in any report to us;
- (c) you are convicted of a felony or any crime or offense or any claim of misconduct which results in or is reasonably likely, in our sole opinion, to affect adversely the Blue Nose System or its associated goodwill;
- (d) you misuse our Marks, Confidential Information, and/or System Standards in such a way that causes detrimental and irreparable harm to the System;
- (e) you transfer your Franchised Business without our permission;
- (f) you disparage, interfere with, or disrupt our business or the business of any other franchise owner;
- (g) you abandon or cease to operate your Franchised Business for a period of 30 days without our prior written permission;
- (h) you violate any covenant of confidentiality or otherwise disclose, use, or copy the Manuals, materials, or information created or used by us without our prior approval or violate any applicable non-compete;
- (i) you engage in any act(s) that is so dishonest, untrustworthy, self-dealing, or fraudulent that it goes to the essence of this Agreement, frustrates one of the principal purposes of this Agreement, or irreparably damages the trust between us;
- (j) you become insolvent or make a general assignment for the benefit of creditors, or, unless otherwise prohibited by law, if you file a petition in bankruptcy, or a petition is filed against and consented to by you or not dismissed within 30 days, or if a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you, or if a receiver or other custodian (permanent or temporary) of your assets or property, or any part of your assets or property, is appointed; or you admit that you are unable to pay your obligations as they become due or if a final judgment in excess of \$5,000 remains unsatisfied or of record for 60 days or longer (unless a bond is filed or other steps are taken to effectively stay enforcement of the judgment in the relevant jurisdiction); or
- (k) you fail, for 30 days after notice, to comply with any applicable law or regulation applicable to your Franchised Business.

12.2. Default with 30 Day Opportunity to Cure. Except as provided in Section 12.1 above, you will have 30 days from delivery of a written notice of default to remedy the default described in the notice. If any such default is not cured within that time, or

such longer period as applicable law may require, we have the option of terminating this Agreement without any further notice to you upon the expiration of the applicable cure period. You will be in default for any failure to comply substantially with any of the requirements imposed by this Agreement or our Manuals or for any failure to carry out the terms of this Agreement in good faith. Such defaults include, but are not limited to:

- (a) your failure to pay promptly any monies owing to us, our affiliates, your suppliers, or any of your lenders when due, or to submit the financial information or other reports required by us, including monies and reports due for clients serviced outside of your Operating Territory;
- (b) you offer any unauthorized products or services;
- (c) your failure to begin operation of your Franchised Business within the time required;
- (d) you or your Designated Principal or manager fail to complete to our reasonable satisfaction any of the training required;
- (e) your material breach of any representation, promise, warranty, or agreement contained in this Agreement; or
- (f) your failure to comply with the Blue Nose System Standards or Manuals.

12.3. No Waiver. Our failure to exercise our right of immediate termination shall not constitute a waiver of such right or any other right that we may have to terminate this Agreement in the future.

12.4. Right to Cease Operations. Upon the occurrence of any event of default, we may, at our option, and without waiving our rights in this Agreement or any other rights available at law or in equity including our rights to damages, suspend the services and products we provide to you while you are in default. In addition, we retain the right to conduct or assign any Blue Nose business within your Operating Territory while you are in default of your Franchise Agreement.

12.5. Your Right to Terminate. You may submit a request to terminate this Agreement at any time, with six months written notice and payment of a termination fee amounting to Two Thousand and Five Hundred Dollars (\$2,500.00), and be relieved of any and all obligations under this Agreement except as provided under Sections 11 and 14. You must be in good standing and in full compliance with this Agreement at the time you submit your request. If you request to provide less than six months written notice, you will be required to pay a termination fee at the time you submit your request, equivalent to Five Thousand Dollars (\$5,000.00) prior to your

termination. The termination fee only applies if you choose not to sell your business. Your request for early termination will be granted upon your full compliance with Section 13 and your signature on our general release as set forth in Exhibit G.

13. Transactions After Termination, Transfer, or Expiration

13.1. Termination of Rights. Upon termination, transfer, or expiration of this Agreement, all rights granted hereunder to you will terminate, and you shall immediately cease to operate the Franchised Business under this Agreement and shall not thereafter, directly or indirectly, represent yourself to the public or hold yourself as a franchisee of Blue Nose. Termination, transfer, or expiration of the Agreement shall not release you from any obligation to pay any sum which may then be owed to us, and you must comply with the following provisions:

- (a) immediately cease to operate the Franchised Business, and shall not thereafter, directly or indirectly identify himself, herself or itself as a current Blue Nose owner, franchisee, or licensee;
- (b) immediately and permanently cease to use the Marks, any imitation of any Mark, Franchisor's designs, copyrighted material or other intellectual property, confidential or proprietary material or indicia of the Franchised Business, or use any trade name, trade or service mark or other commercial symbol that suggests an association with Franchisor, Licensor, or the System. In particular, Franchisee shall cease to use, without limitation, all signs, billboards, advertising materials, displays, stationery, forms and any other articles, which display the Marks;
- (c) take such action as may be necessary to cancel any assumed name or equivalent registration that contains the Mark or any other service mark or trademark of Franchisor, and Franchisee shall furnish Franchisor with evidence of compliance with this obligation which is satisfactory to Franchisor, within five (5) days after termination or expiration of this Agreement;
- (d) promptly pay all sums owing to Franchisor and its affiliates. Such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of any default by Franchisee. Additionally, Franchisee must pay in full any outstanding amount due on any Note granted to the Franchisor. The payment obligation herein shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, fixtures, and inventory owned by Franchisee and located at the Franchised Business location at the time of default;

- (e) pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor in connection with obtaining any remedy available to Franchisor for any violation of this Agreement and, subsequent to the termination or expiration of this Agreement, in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement that survive its termination;
- (f) immediately deliver at Franchisee's sole cost and expense, to Franchisor the Manual and all records, files, instructions, correspondence, invoices, agreements, designs, completed project signs, all confidential, proprietary and copyrighted material and all other materials related to operation of the Franchised Business, including but not limited to customer lists and records, (all of which are acknowledged to be Franchisor's property), delete all electronic copies and retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents that Franchisee reasonably needs for compliance with any provision of law;
- (g) in the event this Agreement is terminated due to Franchisee's default, pay Franchisor a lump sum payment (as liquidated damages and not as a penalty) in an amount equal to the greater of: (i) Five Thousand Dollars (\$5,000.00) or (ii) (a) the average monthly Royalty Fee and Advertising Contribution payable by Franchisee over the twelve (12) month period immediately prior to the date of termination (or such shorter time period if the Franchised Business has been open less than twelve (12) months); (b) multiplied by the lesser of (i) thirty-six (36) months or (ii) the number of months then remaining in the then-current term of this Agreement. Franchisee acknowledges that a precise calculation of the full extent of the damages Franchisor will incur in the event of termination of this Agreement as a result of Franchisee's default is difficult to determine and that this lump sum payment is reasonable in light thereof. The liquidated damages payable by Franchisee pursuant to this Section 13.1 (g) shall be in addition to all other amounts payable under this Agreement and shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies pursuant to any other provision of this Agreement; and
- (h) comply with the non-disclosure and non-competition covenants contained in Article 11.

The provisions of this Section 13 shall survive the termination, transfer, or expiration of this Agreement.

14. Transfers

- 14.1. Definition of Transfer.** For purposes of this Agreement, term “transfer” means the voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition of any interest in: (i) this Agreement; (ii) you; or (iii) the Franchised Business.
- 14.2. Transfers by Us.** We have the right to transfer or assign all or any part of our rights or obligations in the System to any person or legal entity provided such person or legal entity agrees to be bound by all of the terms and conditions set forth herein and agrees to assume the same.
- 14.3. Transfers by You.** You may not transfer or sell your franchise without our prior written consent, which shall not be unreasonably withheld provided you meet the following conditions:
- (a) your proposed transferee must complete our franchisee application and meet our standards of qualification then applicable to all new applicants for franchises;
 - (b) your transferee shall assume all your duties, obligations, and liabilities to the Franchisor;
 - (c) your transferee signs our then-current franchise agreement;
 - (d) your transferee agrees to pay to us prior to consummation of transfer a transfer fee equal to 25% of the then-current initial franchise fee;
 - (e) you must sign a general release releasing us for any and all existing claims you may have against us, our affiliates, and our respective officers, directors, agents, and employees; and
 - (f) any attempted transfer in the Franchised Business will trigger a right of first refusal for the Franchisor to match the terms thereof of any bona fide offer, which may be exercised for a period of 30 days after receipt of notice.
- 14.4. Exemption of Transfer Fee to a Business Entity.** You may transfer this Agreement to a business entity that is under the majority control of the Franchisee for no additional fee if the transfer is requested within one year of the Effective Date of this Agreement.

15. Accounting and Records

- 15.1. Requirement to Maintain Records.** You shall maintain during the Term and shall preserve for the time period specified in the Manuals full, complete, and accurate books, records, and accounts in accordance with the standard accounting system

prescribed by us in the Manuals or otherwise in writing. You are required to maintain a separate bank account used exclusively for your Franchised Business. We may, from time to time, request copies of your books and records to make sure you are complying with this Agreement. You agree to comply with all of our requests, including but not limited to supplying usernames and passwords to access any accounting software and/or scheduling software related to your Franchised Business. During the Term of your Agreement, we and our designated agents will examine and audit your records, accounts, books, and data at reasonable times with reasonable notice to you of an audit to ensure that you are complying with the terms of this Agreement.

- 15.2. Audits.** We or our designees will have the right at all reasonable times to review, audit, examine, and copy the financial books and records of the Franchised Business. If any required royalty or other required payments to us are delinquent, or if an audit should reveal that such payments have been understated in any report to us, then you will immediately pay to us the amount overdue or understated upon demand with interest determined in accordance with Section 8.11. If an audit discloses an understatement in any report of 3% or more, you must, in addition, reimburse us for all costs and expenses connected with the audit (including, without limitation, reasonable accounting and attorney's fees and costs). These remedies are in addition to any other remedies we may have at law or in equity.
- 16. Death or Incapacity of Franchisee.** Upon your death or the determination of your incapacity (if an individual) or dissolution or similar event (if a partnership or corporation), your interest in this Agreement shall pass to your heirs or beneficiaries. In such event, we may terminate this Agreement upon 180 days' notice to your last business address unless such heirs or beneficiaries: (i) designate a person as being responsible for the performance of this Agreement and the Franchised Business within 180 days after death or determination; and (ii) provide adequate assurance, satisfactory to us, that such person's qualifications and abilities are sufficient for the continued operation of the Franchised Business, the observance of all duties of Franchisee under this Agreement, and the protection of Blue Nose's valuable Marks and System. The individual(s) assuming your responsibilities may be required to, at such individual's sole expense, pay the then-applicable training fee to the Franchisor.
- 17. Marks**
- 17.1. Ownership and Goodwill.** You may only use the Marks in connection with the operation of your Franchised Business and only in accordance with this Agreement. Any unauthorized use of the Marks by you constitutes an infringement of our rights in and to the Marks. Your usage of the Marks, and any goodwill established by your use of the Marks, inures to our exclusive benefit. You must not, at any time, contest or assist anyone else in contesting the validity or ownership of any of the Marks. All

provisions of this Agreement applicable to the Marks applies to any additional trademarks, service marks, logo forms, trade dress, and commercial symbols that we authorize for use by, and license to, you in connection with this Agreement.

- 17.2. Limitations on Use.** You must not use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs, or symbols, or in any modified form. You must not use any Mark in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized by us in writing. You must use the Marks in the manner prescribed by us on signs and forms. You must give such notices of trademark and service mark registrations and copyrights as we specify, and you must obtain such fictitious or assumed name registrations as may be required under applicable law. You will not employ the Marks in any way that we have determined may result in liability to us for any debts or obligations of yours.
- 17.3. Infringements and Claims.** You must notify us immediately in writing if you become aware of any apparent infringement of, or challenge to, your use of any Mark, or claim by any person of any rights in any of the Marks. You must not communicate with any person other than us and our counsel in connection with any such infringement, challenge, or claim. We have sole right to take any action we deem appropriate and the right to exclusively control any litigation, administrative, or other proceeding arising out of any infringement, challenge or claim, or otherwise relating to any Mark. You must sign any instruments and documents, provide such assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or United States Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.
- 17.4. Discontinuance of Use.** If it becomes advisable at any time for us to modify or discontinue use of any Mark, or use one or more additional or substitute trademarks or service marks, you must comply within a reasonable time after our notice to you, and our sole liability and obligation to you in the event of such change will be to reimburse you for your out-of-pocket costs of compliance. We will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark.

18. Relationship of the Parties and Indemnification

- 18.1. No Fiduciary Duty.** Neither this Agreement nor the dealings of the parties pursuant to this Agreement creates any fiduciary relationship or any other relationship of trust or confidence between the parties. Franchisor and Franchisee, as between themselves, are and shall be independent contractors. If applicable law implies a covenant of good faith and fair dealing in this Agreement, the parties agree that such covenant does not imply any rights or obligations that are inconsistent with a fair

construction of the terms of this Agreement. Additionally, if applicable law implies such covenant, the parties acknowledge and agree that: (i) this Agreement (and the relationship of the parties which arises from this Agreement) grants us the discretion to make decisions, take actions, and refrain from taking actions not inconsistent with your explicit rights and obligations in this Agreement that may affect favorably or adversely your interests and we will use our judgment in exercising such discretion based on our assessment of our own interests and balancing those interests against the interests of the Principals of Blue Nose businesses generally and specifically without considering your individual interests or the individual interests of any other particular franchisee; (ii) we will have no liability to you for the exercise of our discretion in this manner so long as such discretion is not exercised in bad faith toward you; and (iii) in the absence of such bad faith, no trier of fact in any legal action or arbitration proceeding shall substitute its judgment for our judgment so exercised.

18.2. Independently Owned and Operated. Nothing contained in this Agreement, or arising from the conduct of the parties acting under this Agreement, is intended to make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose whatsoever. You must conspicuously identify yourself in all dealings with customers, lessors, contractors, suppliers, public officials, employees, and others as the independent owner of your Franchised Business and must place such other notices of independent ownership on such forms, business cards, stationery, advertising, and other materials as we may require from time to time. You may not make any express or implied agreements, warranties, guarantees, or representations or incur any debt in our name or on our behalf or represent that the relationship of the parties is anything other than that of independent contractors. We will not be obligated by or have any liability under any agreements made by you with any third party or for any representations made by you to any third party. We will not be obligated for any damages to any person or property arising directly or indirectly out of the operation of your business.

18.3. Sole and Exclusive Employer. You hereby irrevocably acknowledge, affirm, attest, and covenant that your employees are employed exclusively by you and in no fashion are any such employees employed, jointly employed, or co-employed by us. You further acknowledge, affirm, and attest that each of your employees is under your exclusive dominion and control and never under our direct or indirect control in any fashion whatsoever. You alone hire each of your employees; set their schedules; establish their compensation rates; and pay all salaries, benefits, and employment-related liabilities (such as workers' compensation insurance, payroll taxes, Social Security contributions, and unemployment insurance premiums). You alone have the ability to discipline or terminate your employees to the exclusion of us, and you acknowledge that we have no such authority or ability. You further acknowledge, attest, and affirm that any minimum staffing requirements established by us are

solely for the purpose of ensuring that the Franchised Business is at all times staffed at those levels necessary to operate the Franchised Business in conformity with the System Standards. You also acknowledge, affirm, and attest that any recommendations you may receive from us regarding salaries, hourly wages, or other compensation for employees are recommendations only and that you are entirely free to disregard our recommendations regarding such employee compensation. You further acknowledge and agree that you are, and will continue to be at all times, solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Franchised Business, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full- or part-time. Your employees must be competent, conscientious, and properly trained. Finally, should it ever be asserted that we are the employer, joint employer, or co-employer of any of your employees in any private or government investigation, action, proceeding, arbitration, or other setting, you irrevocably agree to assist us in defending such allegations, including (if necessary) appearing at any venue requested by us to testify on our behalf (and, as may be necessary, submitting to depositions, other appearances, and/or preparing affidavits dismissive of any allegation that we are the employer, joint employer, or co-employer of any of your employees). To the extent we are the only named party in any such investigation, action, proceeding, arbitration, or other setting to the exclusion of you, should any such appearance by you be required or requested, we will recompense you the reasonable costs associated with Franchisee appearing at any such venue.

- 18.4. No Liability for Acts of Other Party.** Neither Franchisor nor Franchisee will make any express or implied agreements, warranties, guarantees, or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee, or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages of any nature whatsoever to any person or property directly or indirectly arising out of the Franchised Business's operation or the business you conduct pursuant to this Agreement.
- 18.5. Taxes.** We will have no liability for any sales, use, service, occupation, employment related, excise, gross receipts, income, property, or other taxes, whether levied upon you or the Franchised Business, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.
- 18.6. Indemnification.** You agree to indemnify, exculpate, defend, and hold us and our affiliates, respective members, directors, officers, employees, agents, successors, and

assignees (the “**Indemnified Parties**”) harmless and to reimburse the Indemnified Parties for all claims, obligations, and damages described in this Section 18.6, and any and all claims and liabilities directly or indirectly arising out of the Franchised Business’s operation or your breach of this Agreement. For purposes of this indemnification, “claims” includes all obligations, liabilities, costs, damages (actual, consequential or otherwise), and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountant, arbitrator, attorney and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration, or alternative dispute resolution and travel and living expenses. We have the right to defend any such claim against us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

- 18.7. Mitigation Not Required.** Under no circumstances will we or any of the Indemnified Parties be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their, or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

19. Dispute Resolution

- 19.1. Internal Dispute Resolution.** Franchisee shall first bring any claim, controversy or dispute arising out of or relating to this Agreement, the Attachments hereto or the relationship created by this Agreement to Franchisor’s president and/or chief executive officer for resolution by providing notice as set forth in Section 21.1 below. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee’s dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- 19.2. Mediation.** At Franchisor’s option, any claim, controversy, or dispute that is not resolved pursuant to Section 19.1 hereof shall be submitted to non-binding mediation. Franchisee shall provide Franchisor with written notice of Franchisee’s intent to pursue any unresolved claim, controversy, or dispute, specifying in sufficient detail the nature thereof, prior to commencing any legal action. Franchisor shall have thirty (30) days following receipt of Franchisee’s notice to exercise Franchisor’s option to submit such claim, controversy, or dispute to mediation. Mediation shall be conducted through a mediator or mediators in accordance with the American Arbitration Association Commercial Mediation Rules. Such mediation shall take place in the then-current location of Franchisor’s corporate headquarters. The costs and expenses of mediation, including compensation and expenses of the

mediator (and except for the attorneys' fees incurred by either party), shall be borne by the parties equally. Franchisor may specifically enforce Franchisor's rights to mediation, as set forth herein.

19.3. Arbitration.

- (a) Except disputes not subject to alternative dispute resolution as set forth in Section 19.4, any dispute between Franchisor and Franchisee and/or any Principal arising out of or relating to this Agreement, the Exhibits hereto or any breach thereof, including any claim that this Agreement or any of its parts, is invalid, illegal or otherwise voidable or void, which has not been resolved in accordance with Sections 19.1 or 19.2, will be resolved by submission to the American Arbitration Association or its successor organization to be settled by a single arbitrator in accordance with the Commercial Arbitration Rules then in effect for such Association or successor organization.
- (b) All issues relating to arbitrability or the enforcement of the agreement to arbitrate contained in this Article 19 will be governed by the Federal Arbitration Act (9 U.S.C. §1 *et seq.*) and the federal common law of arbitration. All hearings and other proceedings will take place in Denver, Colorado, or the offices of the American Arbitration Association, or, if Franchisor so elects, in the county where the principal place of business of Franchisee is then located.
- (c) This arbitration provision is self-executing and will remain in full force and effect after expiration or termination of this Agreement. Any arbitration will be conducted on an individual, and not a class-wide or multiple plaintiffs, basis. If either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party by default or otherwise, notwithstanding the failure to appear. Judgment upon an arbitration award may be entered in any court having jurisdiction and will be binding, final and not subject to appeal. No punitive or exemplary damages will be awarded against Franchisor, Franchisee, or entities related to either of them, in an arbitration proceeding or otherwise, and are hereby waived.
- (d) The provisions of this Section 19.3 are independent of any other covenant or provision of this Agreement; provided, however, that if a court of competent jurisdiction determines that any of the provisions are unlawful in any way, the court will modify or interpret the provisions to the minimum extent necessary to have them comply with the law.

- (e) In proceeding with arbitration and in making determinations hereunder, no arbitrator shall extend, modify, or suspend any terms of this Agreement or the reasonable standards of business performance and operation established by Franchisor in good faith. No notice, request or demand for arbitration shall stay, postpone, or rescind the effectiveness of any termination of this Agreement.
- (f) Except as expressly required by law, Franchisor, Franchisee and any Principal shall keep all aspects of any mediation and/or arbitration proceeding in confidence, and shall not disclose any information about the proceeding to any third party other than legal counsel who shall be required to maintain the confidentiality of such information.

19.4. Exceptions. Notwithstanding the requirements of Sections 19.2 or 19.3, the following claims shall not be subject to mediation or arbitration:

- (a) Franchisor's claims for injunctive or other extraordinary relief;
- (b) disputes and controversies arising from the Sherman Act, the Clayton Act or any other federal or state antitrust law;
- (c) disputes and controversies based upon or arising under the Lanham Act, as now or hereafter amended, relating to the ownership or validity of the Marks;
- (d) disputes and controversies relating to actions to obtain possession of the premises of the Franchised Business; and
- (e) enforcement of Franchisee's post-termination obligations, including but not limited to, Franchisee's non-competition covenants.

19.5. Costs and Attorney's Fees. Subject to the prevailing party in any dispute resolution or proceedings arising under, out of, in connection with, or in relation to this Agreement will be entitled to recover its reasonable costs and expenses (including attorney's fees, arbitrator's fees, expert witness fees, costs of investigation and proof of facts, court costs, and other arbitration or litigation expenses) incurred in connection with the claims on which it prevailed. If you are in default of the Franchise Agreement, you agree to reimburse us for the expenses we incur as a result of your default and to enforce and terminate the Franchise Agreement.

19.6. Tolling of the Statute of Limitations. All applicable statutes of limitations and defenses based on the passage of time are tolled while the dispute resolution

procedures in this Section 19 are pending. The parties will take such action, if any, required to effectuate tolling.

- 19.7. Performance to Continue.** Each party must continue to perform its obligations under this Agreement pending final resolution of any dispute pursuant to this Section 19, unless to do so would be impossible or impracticable under the circumstances.

20. General Provisions

- 20.1. Governing Law.** All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Except to the extent governed by the Federal Arbitration Act as required by this Agreement, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) or other federal law, this Agreement, the franchise and all claims arising from the relationship between us and you will be governed by the laws of Colorado, without regard to its conflict of laws, and principles, except that any law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless jurisdictional requirements are met independently without reference to this Section 20.1.
- 20.2. \$ _____

FOR VALUE RECEIVED, and intending to be legally bound hereby, the undersigned, _____, a _____ having a principal address of _____ and _____, an individual having a principal address of _____ (_____ and _____ collectively referred to as the "Borrower"), promises to pay to the order of Blue Nose Franchising, LLC, with an address of 2548 Akron Street Denver, Colorado 80238 (the "Lender"), Five Thousand Dollars (\$5,000.00) ("Loaned Amount") in sixty (60) equal monthly principal installments of \$83.33 with the first installment due and payable on the 5th day of the month immediately following Borrower's Opening Date, as that term is defined in that certain franchise agreement executed by and between Borrower and Lender on or about _____ (hereafter the "Franchise Agreement"), and the final installment of all unpaid principal due and payable on the 5th day of the sixtieth (60th) month following Borrower's Opening Date, if not sooner paid, with the privilege of prepaying the unpaid principal balance in whole or in part at any time without penalty.

In the event that any monthly payment hereunder shall become overdue, the Borrower shall pay to the Lender a late charge of One Hundred Dollars (\$100.00). Any other payments which may become due under the terms of this Note, including penalties, costs, and attorneys' fees, shall bear interest from the date upon which they become due at the rate of 1.67% per day or the highest rate allowable by law, whichever is lower. Such costs and fees shall become due and payable upon demand by Lender.

Notwithstanding the foregoing, this Note shall become immediately due and payable without further notice or demand upon the occurrence of any Event of Default. Each of the following shall constitute an "Event of Default," whatever the reason for such event and whether or not it shall be voluntary or involuntary, or be effected by operation of law or pursuant to any judgment or order of any court or any order, rule or regulation of any governmental or non-governmental body: (a) if the Opening Date does not occur in accordance with the Franchise Agreement, (b) if any payment of principal and/or interest on the Loaned Amount as aforesaid shall not be paid when due, (c) if Borrower shall breach any covenant or default in the performance of any obligation of Borrower under this Note, the security agreement of even date herewith securing the Note ("Security Agreement"), the Franchise Agreement, or any other agreement between Borrower and Lender or Lender's affiliates, (d) if Borrower shall admit to Lender that Borrower is unable to pay their debts as they become due, or shall become insolvent, or shall suspend transaction or operation of their Franchised Business, as that term is defined in the Franchise Agreement; (e) if Borrower enters into any oral and/or written agreement to sell, assign, gift and/or in any way transfer (or if Borrower does sell, assign, gift and/or in any way transfer) any of their interest in the Franchised Business, without Lender's prior written consent; (f) if Borrower shall make an assignment for the benefit of creditors, or files a voluntary petition under the Bankruptcy Code, as amended, or federal or state insolvency law or apply for or consent to the appointment of a receiver, trustee or custodian of all or a part of their property, in each case which shall remain unstayed for thirty (30) days; (g) if an order for relief shall be entered following the filing of an involuntary petition against Borrower under the Bankruptcy Code, as amended, or any other Federal or state insolvency law, or if an order shall be entered appointing a trustee, receiver or custodian of all or part of their property, in each case which shall remain unstayed for thirty (30) days; or (h) if any individual of Borrower dies or becomes permanently incapacitated such that he or she is unable to perform daily functions on behalf of the Franchised Business.

Upon an Event of Default, payment of the entire unpaid balance of the Loaned Amount and all other sums due by Borrower hereunder together with interest accrued thereon at the rate hereinbefore specified, shall at the option of Lender and without further notice to Borrower, become due and payable immediately and payment of the same may be recovered in whole or in part at any time by one or more of the remedies provided to Lender in this Note or by law or at equity; and in such case, Lender may also recover all costs of suit and other expenses in connection therewith, together with reasonable attorney's fees for collection of twenty percent (20%) of the total amount then due by Borrower to Lender.

The remedies of Lender as provided herein shall be joint and several against Borrower, cumulative and concurrent and may be pursued singly, successively or together against Borrower and/or any other obligor under this Note to Lender as security for this Note, at the sole discretion of Lender, and such remedies shall not be exhausted by any exercise thereof but may be exercised as often as occasion therefor shall occur.

Lender shall not by any act of omission or commission be deemed to have waived any of Lender's rights or remedies hereunder unless such waiver be in writing and signed by Lender, and then only to the extent specifically set forth therein; a waiver on one event shall not be construed as continuing or as a bar to or waiver of such right or remedy on a subsequent event.

Borrower hereby waives and releases all errors, defects and imperfections of a procedural nature in any proceedings instituted by Lender under the terms of this Note, as well as all benefits that might accrue to Borrower by virtue of any present or future laws exempting any other property, real or personal, or any part of the proceeds arising from any sale of such property, from attachment, levy or sale under execution, or providing for any stay of execution, exemption from civil process or extension of time for payment, as well as the right of inquisition on any real estate that may be levied upon under a judgment obtained by virtue hereof, and Borrower hereby voluntarily condemns the same and authorizes the entry of such voluntary condemnation on any writ of execution issued thereon, and agrees that such real estate may be sold upon any such writ in whole or in part and in any order desired by Lender.

Lender shall have the right to transfer, assign or pledge this Note and the benefits hereunder shall inure to the Lender, Lender's officers, directors, members, personal representatives, successors, and assigns. Borrower may not assign, transfer or pledge this Note without the express prior written consent of Lender. Furthermore, the Borrower's obligations hereunder shall inure to Borrower's heirs, successors and assigns.

The Borrower represents and warrants that the Borrower (a) will not breach or be in default on any agreement, mortgage, loan or credit arrangement by their execution of this Note; and (b) will be bound and obligated under this Note and that this Note constitutes a valid, legal and binding obligation of the Borrower, enforceable by the Lender or its successors and assigns.

All notices hereunder shall be deemed given if hand-delivered or sent by certified mail, return receipt requested or recognized overnight carrier to the parties at the addresses specified above, or at such other addresses as the parties may specify from time to time in writing. Notice shall be deemed received upon delivery if hand-delivered or three (3) days after mailing, if mailed or one (1) day after being placed with an overnight carrier. All rights and obligations under this Note shall extend to and be binding upon the respective heirs, successors and assigns of the Borrower and Lender.

This Note will be governed by and construed in accordance with the laws of the State of Colorado, except to the extent that the UCC provides for the application for the law of the Borrower's state of residence. Should any one or more provisions of this Note be determined to be illegal or unenforceable, all other provisions nevertheless shall be effective.

INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of BLUE NOSE FRANCHISING, LLC

Opinion

We have audited the financial statements of BLUE NOSE FRANCHISING, LLC (the “Company”), which comprise the Balance Sheet as of December 31, 2024 & December 31, 2023 & December 31, 2022, the related Profit & Loss Statements, the related Statements of Cashflows, the related Statements of Shareholders’ Equity, and the related notes for the twelve-month periods then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024 & December 31, 2023 & December 31, 2022, and the results of its operations and its cash flows for the twelve-month periods then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

BLUE NOSE FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 & DECEMBER 31, 2023 & DECEMBER 31, 2022

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

Blue Nose Franchising, LLC (the “Company”) provides franchise opportunities for new entrepreneurs. The mission of the “Company” is to develop the Blue Nose brand quickly through leveraging of professional networks with hopes of becoming the premier drone services provider in the United States of America.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Franchisee Receivables

The Company’s franchisee receivables primarily result from initial franchise fees, royalty fees, brand development contributions and training fees charged to franchisees. Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized after invoicing. The Company reports these receivables at net realizable value.

Management determines the allowance for doubtful accounts based on historical losses, current expectations, and economic conditions. On a continuing basis, management analyzes delinquent accounts receivable and, once these accounts receivable are determined to be uncollectible, they are written off through a charge against an existing allowance account. The allowance account is reviewed regularly and adjusted against earnings as appropriate. The Company determined that an allowance on outstanding franchisee receivables of \$0 was necessary as of December 31, 2024, December 31, 2023, & December 31, 2022. Franchisee bad debt expense was \$0 for the year ended December 31, 2024, December 31, 2023, & December 31, 2022. Franchisee amounts written off were \$0 for the year ended December 31, 2024, December 31, 2023, & December 31, 2022.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Fixed Assets and Depreciation

Property and Equipment is stated at cost. Accounting principles generally accepted in the United States of America require that property and equipment be depreciated using the straight-line method. Depreciation in these financial statements reflects accelerated depreciation methods used for the tax return. The effects of these departures from accounting principles generally accepted in the United States of America on financial position, results of operations, and cash flows have not been determined. Expenditures for normal repairs and maintenance are charged to operations as incurred.

The Company reviews long-lived assets for impairment whenever events or circumstances indicate that the carrying value of such assets may not be fully recoverable. Impairment is present when the sum of the undiscounted estimated future cash flows expected to result from use of the assets is less than carrying value. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. As of December 31, 2024, December 31, 2023, & December 31, 2022, no impairment loss has been recognized for long-lived assets.

Fair Value of Financial Instruments

Financial Accounting Standards Board (“FASB”) guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).
- Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

As of December 31, 2024, December 31, 2023, & December 31, 2022, the carrying amounts of the Company’s financial assets and liabilities reported in the balance sheets approximate their fair value.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 & DECEMBER 31, 2023 & DECEMBER 31, 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in 2021 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

Unearned Revenue

The Company's primarily performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Income Taxes

The Company, with the consent of its shareholders, intends to elect to be an S-Corporation (for tax purposes). In lieu of corporate income taxes, the shareholder(s) of an S-Corporation is taxed based on its proportionate share of The Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of December 31, 2024, December 31, 2023, & December 31, 2022, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 20, 2025, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

CONSENT

Omar Alnuaimi, CPA, consents to the use in the Franchise Disclosure Document issued by BLUE NOSE FRANCHISING, LLC ("Franchisor") on January 21, 2025, as it may be amended, of my report dated January 20, 2025, relating to the Balance Sheet as of December 31, 2024 & December 31, 2023 & December 31, 2022, the related Profit & Loss Statements, the related Statements of Cashflows, and the related Statements of Shareholders' Equity for the years then ended of Franchisor.

Illinois law shall apply to and govern the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisee's right upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law is void.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Your payment of the Initial Franchise Fees will be deferred until Franchisor has met its initial obligations and you have commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial status.

The foregoing requirement, however, shall not prevent Franchisee from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of the Act, and shall not prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.”

4. To the extent of any inconsistencies, the Franchise Agreement is hereby amended to further state:

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable
