What You Need to Know About Franchising *Generally*

Continuing Responsibility To Pay Fees. You may have to pay royalties and other fees even if you are losing money.

Business Model Can Change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restriction. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operations.

Competition From Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When Your Franchise Ends. The franchise agreement may prohibit you from operating similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Please consider the following RISK FACTORS before you buy this franchise.

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in the state of Florida. Out-of-state mediation, arbitration or litigation may force you to accept a less favorable settlement for disputes, it may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Choice of Law.** The franchise agreement states that Florida law governs the agreement and arbitration is not allowed under the terms of the agreement. Florida law may not provide the same protections and benefits as local law, you may want to compare these laws.
3. **Exclusive Territories.** You will not receive an exclusive territory. We may establish other franchise or company-owned outlets that may compete with your location.
4. **Initial Investment.** The franchisee will be required to make an estimated initial investment ranging from \$29,650 to \$67,650.
5. **Fee Deferral.** All initial fees are deferred until the franchisor has performed its initial pre-opening obligations and the franchisee is open for business.
6. **Royalty.** There is a royalty fee of 6% on total gross revenue payable at the close of each transaction.
7. **Attorney's Fees.** The franchisee must pay costs and attorney fees if they fail to comply with the franchise agreement.
8. **Liquidated Damages.** The franchisee must pay liquidated damages plus the cost of enforcement if the franchisee fails to return or provide proof of destruction of all copies of the operation manual.

We do not use franchise brokers or referral sources to assist us in selling our franchises.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" to see whether your state requires other risks to be highlighted.

Explanatory Notes

Note 1: Lease Costs and Leasehold Improvements. If you do not already own or lease a suitable location for the Office, then you will need to purchase or lease suitable facilities accessible by the public. The cost per square foot of suitable office space varies considerably depending on location and market conditions affecting the property. If you elect to purchase the property for your Office, we are unable to estimate the cost per square foot of suitable space due to significant variances based on location and market conditions. Therefore, property purchase is not included in the above chart. The leasehold improvements which you may make include minor interior remodeling, floor covering, wall covering, painting and lighting. Many of these improvements are made by the landlord under a tenant finish allowance or are factored into your lease. The lease costs include one month's rent, plus an initial lease deposit of one month's rent. The low estimate assumes that you are converting an existing business and already have the necessary leasehold improvements in place.

Note 2: Initial Marketing Campaign, Forms and Stationery. You must purchase various supplies necessary to operate the Office, including stationery, forms and similar items. Your initial marketing campaign expenses will vary according to the size of your market area, local advertising costs and your marketing decisions.

Note 3: Office Equipment, Furnishings and Computer Hardware and Software. You must purchase or lease a computer system and software, copier, and phone system. Necessary office furnishings include desks, chairs, file cabinets, and reception area furniture. The low estimate assumes that you are converting an existing business and already have the necessary equipment and furnishings. See Item 11 for the computer hardware and software specifications.

Note 4: Signs. In certain circumstances, local zoning regulations may not allow you to use an exterior sign for the HELP-U-SELL® Office.

Note 5: Initial Training. Training is offered online with our University Training Program as well as our weekly teleconferencing. See Items 6 and 11.

Note 6: Legal and Accounting Fees. You may incur legal and accounting costs relating to your business organization and legal costs related to the review of our franchise offering.

Note 7: Licenses, Dues and Deposits. You or your Principal Owner or another person designated by you and approved by us must be a licensed real estate broker. The cost and time

required for obtaining and maintaining such a license varies widely from state to state. You must also join and remain a member in good standing of the local, state and national REALTOR® associations and the local Multiple Listing Service. You may also be required to pay utility deposits.

Note 8: **Insurance Premiums.** Estimated costs for all required insurance, including errors and omissions coverage.

Note 9: **Additional Funds.** This is an estimate of your pre-operational expenses, which we have not listed above, as well as additional funds necessary for the first three months of your Office operations. You may need additional working capital beyond the three-month period. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the Office. Your costs depend on factors such as: how much you follow our methods and procedures; your sales and recruiting skill, experience and business acumen; local economic conditions; credit terms available to you based on your credit rating; the local market for our services; the prevailing wage rate; and competition. This item includes a variety of expenses and working capital items during your start-up phase such as: the cost of supplies, employee salaries, rent and other miscellaneous costs. However, this item excludes your salary.

Note 10: **Basis for Estimates, Financing.** We relied on the years of experience in the real estate brokerage business of our Chief Operating Officer and Chief Development Officer to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We may offer financing for a portion of the initial investment. See Item 10. The availability and terms of financing from third parties will depend on such factors as the availability of financing generally, your creditworthiness, collateral you may have and lending policies of financial institutions.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Operations

You must establish, maintain and operate your Office in compliance with the Franchise Agreement and the standards and specifications contained in a Policy Manual we provide to you as one or more manuals, technical bulletins or other written materials ("Policy Manual"), which we may modify. We provide you with our mandatory standards and specifications for the establishment and operation of a real estate brokerage office and related products and services offered through your Office and for the signs, computer hardware and software, office equipment and furniture, fixtures, insurance, supplies, advertising materials, sales requirements, public relations, promotional programs, techniques, service requirements, forms and other items used in your Office.

POS Systems

Each of our franchisees must use sales, administrative, accounting and website tools software that has capabilities that meet our standards and specifications. You must purchase or lease computer equipment meeting our specifications (together with the software, referred to as

"Computer System"). We reserve the right to develop and own proprietary software and license it to you. We reserve the right to derive revenue from Computer System license and maintenance fees, if and when we develop our own proprietary software for use in Offices. See also Items 7 and 11.

Purchases from Designated or Approved Sources

In addition to the requirements listed in this Item, you may purchase or lease the rest of the equipment, furniture, supplies, and services used, sold or leased through your HELP-U-SELL® Office from suppliers approved by us, or you may purchase, lease, sell or use equipment, furniture, supplies and services meeting our standards and specifications from any source approved by us in advance. On or before your commencement of our initial training program, we will make available to you a list of our approved suppliers, the standards and specifications for items to be used, sold or leased by you through your HELP-U-SELL® Office, as well as our criteria for approving a supplier.

While we may or may not be currently affiliated with any approved suppliers, we and our affiliates reserve the right to sell equipment, furniture, supplies and services to franchisees and to derive revenue from such sales. In the previous fiscal year, we did not receive revenue from the sale or lease of products and services directly from us to franchisees. We estimate that the costs of your purchases from designated or approved sources, or according to our standards and specifications, may range from 70% to 85% of the total cost of establishing a HELP-U-SELL® Office and approximately 30% to 40% of the total cost of operating a HELP-U-SELL® Office after that time.

For equipment, furniture, supplies or services for which we have standards or specifications or for which we designate a supplier, if you want to purchase or lease any equipment, furniture, supplies or services we have not approved, or purchase or lease these items from a supplier who we have not approved, you will need to notify us and obtain our approval in advance. We will not unreasonably withhold our approval of a supplier of your choosing if the supplier meets our published standards and specifications. We reserve the right to change the published standards regarding any approved supplier or any equipment, furniture, supplies, or services used, offered for sale or leased by franchisees upon 30 days written notice to all franchisees and all approved suppliers.

We do not provide material benefits, such as renewals or granting additional franchises, based on your use of designated or approved sources or suppliers.

There are no approved suppliers in which any of our officers owns an interest.

Advertising and Marketing

All marketing and promotion of your HELP-U-SELL® Office must conform to our standards and specifications. You must submit to us samples of all advertising and promotional materials that have not been prepared or previously approved by us. You must participate in any internet or electronic advertising sponsored by us and must use the website and Internet software

tools we designate. You must participate in our current Internet marketing program which utilizes our OMS software programs. As long as we provide and host a template website for your listing inventory, you must use our website. If we no longer host a website, you may choose to develop your own website. It must conform to our specifications, and you must first have written approval from us.

Insurance

You must procure and maintain (i) automobile liability insurance covering all employees of the HELP-U-SELL Office with authority to operate a motor vehicle in an amount not less than any statutorily imposed minimum coverage; (ii) unemployment and worker's compensation insurance with a broad form all-states endorsement coverage; (iii) general liability insurance covering the Office in an amount not less than \$500,000 per occurrence for bodily injury and \$100,000 per occurrence for property damage; and (iv) errors and omissions coverage on a per property sale basis in the minimum amount of \$500,000. All insurance policies must be issued by insurance carriers acceptable to us and must maintain a maximum deductible of \$1,000 (\$5,000 for errors and omissions insurance). If you fail to purchase this insurance, we may demand that you cease operations or obtain insurance for you, and you must reimburse us for the cost of the insurance. All insurance policies must name us as an additional insured and give us at least 30 days prior written notice of termination, amendment or cancellation. You also must provide us with certificates of insurance evidencing your insurance coverage before the opening of your HELP-U-SELL® Office. You must annually furnish us with copies of all required insurance policies or other evidence of the renewal or extension of each required insurance policy. We reserve the right to require you to change the type of insurance you are required to maintain and upon 60 days prior written notice to you to revise the required coverage limits.

Purchasing Arrangements

We have no purchasing or distribution cooperatives at the current time. We may negotiate purchase arrangements with suppliers for the benefit of our franchisees. However, you should not rely on the continued availability of any particular pricing or distribution arrangement, or the availability of any particular product or brand, in deciding whether to purchase the franchise. We and our affiliates retain the right to receive payments from suppliers on account of their dealings with you and other franchisees. During the previous fiscal year, however, we and our affiliates did not receive any payments from suppliers as a result of your purchases.

Advertising and Promotion.

Initial Advertising and Follow-up Local Advertising. IRG and you will decide upon an initial advertising and promotional campaign, to be conducted at or around the time your Office opens, and you begin soliciting clients for your Office. Within thirty (30) days of completion of the initial advertising and promotion campaign, you must submit to us a summary of campaign expenditures. In addition to the monies spent upon the initial advertising and promotional campaign, we recommend you spend a minimum each month on local marketing and advertising. This amount is either 5% of your monthly Gross Commission Income (GCI) or ten percent (10%) of your total operating expenses (including marketing), whichever is greater.

Regional Advertising Association. We may, upon thirty (30) days written notice to you, create a regional advertising association ("Association") in the market area where you are located, at which time you must become a member of the Association. If we form an Association, you will be bound by the decisions of the majority of the members of the Association regarding expenditures, assessments and dues, to the extent we approve them. Subject to our approval, each Association has the right, by majority vote, to require its members to make additional contributions to the Association on a regular or intermittent basis. If you fail to participate in the Association or pay any Association dues, you breach the Franchise Agreement.

We must approve all advertising materials before they are used by an Association or furnished to its members. Each Association must prepare unaudited annual financial statements and send them to you if you request them. We have the right to determine the scope of the geographical areas included in each Association. We can form, change and dissolve the Association. Each Association would operate under a written document which franchisees can view. Either IRG or the Association may create the Association's advertising, but advertising created by the Association would be required to have our written approval before use.

Policy Manual

Attached to this Disclosure Document as Exhibit F is the table of contents of our Policy Manual ("Policy Manual") which we loan to you. The total number of pages is approximately 281.

Computer System

You must purchase or lease computer equipment and utilize software, including online software (“Computer System”), which must have capabilities that are in accordance with our standards and specifications. The Computer System will give you access to operational and reporting software and allows you to update your property listing information and develop related reports by independent access. There is no contractual limitation on our right to receive information through your Computer System. If/when we develop our own proprietary software for the Offices, we reserve the right to require that you purchase our proprietary software package.

Our Office management System (OMS) is built to run on the latest internet browsers. It is generally most compatible with the latest version of free internet browser Google Chrome, and the latest versions of Microsoft Edge, Firefox and Safari, although we cannot guarantee same performance or results. You need an internet connection to access our OMS and suggest you use Wi-Fi, Broadband cable or DSL, etc. 1 GB RAM, an Intel Pentium 4 processor or the later that is SSE2 capable. Ensure you use a current and supported version of Windows or MacOS, currently Windows 7, Windows 8.1, and Windows 10.

Depending on the computer manufacturer and any options/extras you may decide to purchase, the costs associated with purchasing a computer system will vary. We have no contractual obligation to assist you in obtaining the required software. You may license the IDX-VOW software, implementing the National Association of REALTORS® standards relating to the display of MLS property listings on websites. Depending on your location, the cost associated with IDX-VOW software and MLS membership/access will vary. We may require that you name IRG or our partners as the website service provider for same said IDX-VOW software.

You must join and pay for an electronic (high speed) network connection service to facilitate communication between you and IRG and among our franchisees and to facilitate access to our website and any online software and tools which we may make available to you. Depending on your location, the cost of such connection will vary.

We may require you to purchase, install and implement updates and revisions to the Computer System. No contractual limitation exists on the frequency and cost of this obligation.

Site Selection Assistance.

You will select and acquire the location for your HELP-U-SELL® Office. When you have selected a location for your HELP-U-SELL® Office you must submit information to us regarding the location so that we may accept or reject the proposed location. Our assistance with the selection and approval of a location consists of providing you with criteria for a satisfactory HELP-U-SELL® Office location and, later, a determination as to whether the location fulfills the requisite criteria. The following factors are considered by us when we review a proposed

location: demographics, pictures of the site and similar factors. Our acceptance of a location does not infer or guarantee the success or profitability of an approved location.

Schedule for Opening

We estimate that the typical length of time between the date you sign the Franchise Agreement and the date your HELP-U-SELL® Real Estate Business and Office opens will be approximately two to three months but you have up until 6 months from the effective date of your agreement to secure a location accessible to the public. The factors which may affect this time period are your ability to locate a site and obtain a lease, as well as the extent to which an existing location must be upgraded or remodeled, the delivery schedule for equipment, furniture and supplies, and completing your training.

Additional Training Information

We or our designee will provide an initial training program which will be conducted at our offices in Sarasota, Florida or at an alternative location designated by us. We offer you the initial training program within a reasonable amount of time after you sign the Franchise Agreement. We schedule our initial training program as often as necessary. We provide you with written manuals for use in conjunction with the initial training. We may waive all or a portion of the training program, if you or your Principal Owner have sufficient prior experience or training, in our sole determination.

We or our designee may provide a “Help-U-Sell® SmartBuy Buyer Programsm” training which will be conducted at a location designated by us.

Two individuals who are owners are eligible to participate in our initial training program without charge of a tuition or fee. You must pay any and all transportation and living expenses which are incurred in connection with attendance at this and any other training program. At least one individual who will be responsible for the daily management of the Office must successfully complete the initial training program. We will make the initial training program available to replacement or additional Principal Owners during the term of the Franchise Agreement. We charge a fee, commensurate with our then current published prices, for such training, payable in advance, and you must pay all travel and living expenses which are incurred by your personnel when they attend our training program. The availability of the training program to replacement or additional Principal Owners will be subject to prior commitments to new HELP-U-SELL® franchisees and is scheduled on a space available basis.

Training at the time of renewal of your Franchise Agreement may include both Help-U-Sell® training and “Help-U-Sell® SmartBuy Programsm” training. At our discretion, these trainings will be required within 180 days of your renewal, or within the time frame stipulated in your Renewal Amendment, if different.

We may occasionally present seminars, retreats, conventions, rallies, continuing development programs or conduct meetings for your benefit. You or your Principal Owner must attend certain retreats, seminars (i.e., technology updates), conventions, rallies, programs or meetings offered by us during the term of your Franchise Agreement, when we announce them

as being mandatory, however, no more than two (2) times per year with a duration not to exceed three (3) days. Generally, we shall endeavor to hold identical retreats, seminars, conventions, rallies, programs or meetings on the West Coast and the East Coast of the United States. Your costs for attending any mandatory gatherings will vary as to your location and which site you choose for attendance. If there are deficiencies in your Office, we may require that you attend remedial training sessions at your expense. The costs associated with such remedial training will vary as to your geographic location. We reserve the right to charge a tuition or fee, at the then current published rates, and, in each instance, you will be responsible for all travel and living expenses which are associated with attendance at such national, regional and local programs.

Training will be conducted after you have signed a Franchise Agreement. We provide the following initial training to franchisees:

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You must operate your Office and use the Marks and the System only at the Office Location that has been approved by us. If, as of the date of execution of your Franchise Agreement, you do not have the Office Location chosen and approved by us, we will designate, by Addendum to the Franchise Agreement, a "Target Area" within which to find an Office Location. The designation of the Target Area does not in any manner grant to you any continuing territorial rights in or to such Target Area.

We will not establish and operate, or franchise anyone else to establish and operate, other HELP-U-SELL® Office locations within a designated distance from your Office Location ("Assigned Area"). An exhibit to your Franchise Agreement specifies your Assigned Area. Your Assigned Area is typically a one-mile radius from your Office Location, although the radius may be more or less depending on the demographics in your area (e.g., high density metropolitan areas). You may not change the location of your Office or the boundaries of your Assigned Area without our written consent before making the change. You have no option, right of first refusal or similar contractual right to acquire additional HELP-U-SELL® Franchises.

The establishment and operation of your Office and our agreement not to place another HELP-U-SELL® Office within your Assigned Area, does not grant you the right to any particular market or clients. Except as otherwise provided in this Item 12, you are free to market your services to and represent real estate clients located in any geographic area, subject to restrictions resulting from real estate licensing requirements, just as company and affiliate-owned Offices and our other franchisees are free to market their services to and represent real estate clients located in any geographic area, including to real estate clients within your Assigned Area.

The continuation of your right to operate your Office during the term of the Franchise Agreement is not dependent on the achievement of any specified sales volume, market penetration or similar contingency.

We retain the rights, among others: (1) to use and to license others to use, the Marks and System in connection with the operation of a HELP-U-SELL® Office, at any location other than a HELP-U-SELL® Office located in your Assigned Area; (2) to use the Marks to identify any type of products and services, promotional and marketing efforts or related items, and to identify services and products similar to those which you sell, but made available through alternative channels of distribution (other than HELP-U-SELL® Offices), at any location, within or outside the Assigned Area, including, but not limited to, by way of the Internet or through participation in closings for clients wherever located; and (3) to use and license the use of different proprietary marks or methods in connection with the sale of products and services similar to those which you sell, whether in alternative channels of distribution or through the operation of businesses providing brokerage services for the purchase, sale, exchange and leasing of commercial and

residential real estate which are the same as, or similar to, or different from HELP-U-SELL® Offices, at any location, and on any terms and conditions as we determine. We have no present plans to establish other related franchises or company-owned businesses selling similar products or services under a different name or trademark, although, as just stated, we reserve the right to do so.

ITEM 13 TRADEMARKS

We license to you the non-exclusive right to use the Marks, including the service mark HELP-U-SELL®, and other trademarks, service marks and commercial symbols that we may authorize, in the operation of your Office. We registered the following trademarks with the United States Patent and Trademark Office.

You may not use any Marks or a variant of the Marks as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs or symbols (other than logos licensed to you), or in any modified form, nor may you use any Marks or a variant of the Marks to identify unauthorized services or products or in any other manner not expressly authorized in writing by us. You must have our written approval to use our Marks on any web page or as part of a domain name. You must modify or discontinue your use of a Mark if we modify or discontinue it, at your own expense.

There are no presently effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, any pending infringement, opposition or cancellation proceedings or material litigation involving the Marks. Except as set forth above, no agreements limit our right to use or license the use of the Marks. We are aware that the name “Help-U-Sell®” is registered as either a trade name or corporate name by unrelated third parties in Colorado Springs, Colorado, Rockland County, New York and New Hampshire. We do not know of any superior or prior rights or infringing users that could materially affect your use of the Marks in any state.

You must notify us immediately when you learn about an infringement of or challenge to your use of the Marks. We are not contractually obligated by the Franchise Agreement to protect you against claims of infringement or unfair competition with respect to your use of the Marks, but it is our policy to do so when, in the opinion of our legal counsel, your right to use the Marks requires protection. In such a case, we will pay all costs, including attorneys’ fees and court costs, associated with any litigation required to defend or protect your authorized use of the Marks. You must cooperate with us in any such litigation. We have the right to control exclusively any litigation, United States Patent and Trademark Office proceeding or any other administrative proceeding arising out of any infringement, challenge or claim relating to any Mark.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any patents or copyright registrations which are material to the franchise. Although we have not obtained a copyright registration, we or our affiliates own the copyright in our Policy Manual, training and advertising materials and other works.

We consider our Policy Manual and related materials, training materials, our System and any software that we may in the future develop as our proprietary and confidential property. You may use the Policy Manual only as described in the Franchise Agreement. We require that you maintain the confidentiality of our proprietary information and adopt reasonable procedures to prevent unauthorized disclosure of our trade secrets and proprietary information.

The information you receive from us is highly confidential and proprietary to us. This information is available to you only because of (i) the franchisor-franchisee relationship; (ii) your binding agreement to maintain its confidentiality; and (iii) your obligation to return it to us upon request or termination or expiration of your franchise. You also agree to refrain from divulging the information received from us to any person other than your approved employees who have executed a confidentiality agreement.

You must also: (1) strictly adhere to all our security procedures we prescribe for maintaining the secrecy of this information; (2) disclose this information to your employees only to the extent necessary to operate your Office; (3) not use this information in any other business or in any manner we have not specifically authorized or approved in writing; and (4) make every effort to maintain the absolute confidentiality of all information during and after the term of the Franchise Agreement.

Your employees or agents must execute a confidentiality and noncompetition agreement we approve before they can use our system or have access to confidential information. See Item 15. The original executed version of each agreement must be forwarded to us immediately after it is executed.

All ideas, concepts, techniques, or materials concerning a HELP-U-SELL® Office, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed our sole and exclusive property, part of the HELP-U-SELL® System, and “works made-for-hire” for us. You must assign ownership of and all related rights to that item to us and must sign whatever assignment or other documents we request to show our ownership or to help us obtain intellectual property rights in the item.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You (or your Principal Owner) are obligated to participate personally in the direct operation of the Office. If you are a corporation, limited liability company or partnership, we require that your Principal Owner own an equity interest in such entity. You or, if applicable, the Principal Owner, are required to successfully complete our mandatory initial training program.

You are also required to designate an individual who must hold the real estate brokerage license for the HELP-U-SELL® Office (the “Designated Broker”). The Designated Broker may be either you or the Principal Owner or a third party approved in writing by us. You are required to obtain our prior written approval of any replacement Designated Broker.

If you are a corporation, limited liability company or partnership, your Principal Owner, and each of your officers, directors, shareholders or members (and, if you are an individual, immediate family members) must execute our standard Nondisclosure and Noncompetition Agreement, a copy of which is attached to this Disclosure Document as Exhibit C. Other than the above and as set forth in Item 14, we make no other recommendations and have no other

requirements regarding employment or other written agreements between you and your employees.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may sell only the real estate brokerage and related services required or approved by us as a part of the HELP-U-SELL® Office. You must offer the required or approved services on an a la carte, set fee pricing ("Fee-For Services") basis. You may not offer these services based on a percentage commission per transaction, whether charged at traditional or discount rates ("Percentage-Commission-Services") without our prior written consent. You cannot, without our prior written consent, provide any real estate services to others, including real estate services such as mortgage, property insurance, property management, title company, escrow, real estate inspection or appraisal, magazine or online advertising, for sale by owner kits, or any similar products or services (collectively referred to as "Other Real Estate Business"). Other Real Estate Business may, at our option, become part of the System, associated with the Marks or alternative trademarks or service marks that we may develop. Our consent may require that you differentiate the Other Real Estate Business from your HELP-U-SELL® Office so as to not confuse the public as to the products and services offered through the HELP-U-SELL® Office, by using separate signage, business cards and other items which identify the separate businesses, by maintaining separate books and records for the businesses and by fulfilling such other pre-conditions as we may require. We have the right to change the types of required and authorized services, and there are no limits on our right to do so, although we will provide you with written notice 30 days before any change becomes effective. You may not offer for sale any products or services that we have not approved, nor can you engage in any other business enterprise through the entity that you use to operate the Office or at the Office Location (See Items 8 and 11).

Other than as described above, we place no restrictions on your ability to market your services to and represent real estate clients located in any geographic area, except for restrictions resulting from any applicable real estate licensing requirements and obligations (see Item 12).

19.4 Right to Assume and Purchase.

Upon termination or non-renewal, We have the option to assume the Help-U-Sell® Office which may include, at Our option, any leasehold interest to the real estate upon which the Help-U-Sell® Office is located. In addition, We have the option to purchase any or all Help-U-Sell® related marketing materials and signage, at fair market value. The following additional terms apply to Our exercise of this option:

a. We will provide You with written notice of Our intention to exercise the option no later than the effective date of termination, in the case of termination, or at least 90 days prior to the expiration of the term of the franchise, in the case of nonrenewal.

We will pay the purchase price in full at the closing, or, at Our option, in 12 equal consecutive monthly installments with interest at a rate of 10% per annum. You must sign all documents of assignment and transfer as are reasonably necessary for the assumption of the Help-U-Sell® Office or the purchase of its assets by Us.

During the time after We notify You of the exercise of the option but before the closing (“**Interim Period**”), We have the right to obtain an independent appraisal of the fair market value of the assets being purchased and, if We choose to obtain an appraisal, each of the parties will designate an independent appraiser who, in turn, will designate a third independent appraiser. The third appraiser’s determination will be binding on both parties. All expenses of the third appraiser shall be paid for by Us.

In the event that We do not exercise Our right to assume Your Help-U-Sell® Office as set forth above, You will be free to keep or to sell, after such termination or expiration, to any third party, all of the physical assets of the Help-U-Sell® Office; provided, however, that all appearances of the Marks are first removed in a manner approved in writing by Us.

19.5 State and Federal Law.

IN THE EVENT THAT THE TERMS OF THIS AGREEMENT REGARDING TERMINATION, EXPIRATION, OR NON-RENEWAL ARE INCONSISTENT WITH APPLICABLE STATE OR FEDERAL LAW, SUCH LAW WILL GOVERN YOUR RIGHTS REGARDING TERMINATION, EXPIRATION, OR NON-RENEWAL OF THIS AGREEMENT.

BUSINESS RELATIONSHIP

20.1 Independent Businesspersons.

The parties are independent businesspersons, and their only relationship is by virtue of this Agreement and no fiduciary relationship is created. Neither party is liable or responsible for the other’s debts or obligations and each party will not be obligated for any damages to any person or property directly or indirectly arising out of the operation of the other party’s business authorized by or conducted pursuant to this Agreement. Neither party is an agent, employer, or partner of the other and does not have the authority to bind or incur liability on behalf of the other.

20.2 Payment of Third-Party Obligations.

We will have no liability for Your obligations to pay any third-party.

20.3 Indemnification.

You agree to indemnify, defend, and hold harmless Us and Our subsidiaries and affiliates along with their respective shareholders, directors, officers, employees, agents, successors, and assignees (the “**Indemnified Parties**”) against, and to reimburse them for, all claims, obligations, and damages described in (1) this Section; (2) any and all third party obligations described in Section 20.2; and (3) any and all claims and liabilities directly or indirectly arising out of the operation of Your Help-U-Sell® Office or arising out of the use of the Marks and System. For purposes of this indemnification, claims will mean and include all obligations, actual and consequential damages, and costs reasonably incurred in the defense of any claim against the Indemnified Parties, which costs include, without limitation, reasonable accountants’, attorneys’ and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses. We will have the right to defend any such claim against Us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration, non-renewal, or termination of this Agreement.

RESTRICTIVE COVENANTS

21.1 Post-Termination Covenant Not to Compete

For a period of three years beginning on the date of termination, non-renewal, or transfer of this Agreement, You and Your officers, directors, shareholders, members, managers and/or partners will not have any direct or indirect interest (through a member of any immediate family of You or Your owners or otherwise) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity in any set fee model real estate business located or operating within a 15-mile radius of the Office Location, or within 15 miles of the Office Location of any other franchised Help-U-Sell® Office or any Help-U-Sell® Office owned by Us or Our affiliates, if such business:

- a. offers real estate services for the purchase, sale, exchange, or leasing of commercial or residential real estate (i) on a Fee-For-Services basis; or (ii) on a Percent-Commission-Services basis if the business features “discount services” and not services at traditional percentage commission rates commensurate with other real estate agents in the market area; or (iii) utilizing Our confidential information and trade secrets. For the purposes of this Section, any real estate agency or brokerage business deriving more than 20% of its gross revenue from real estate services provided on a Fee-For-Services or “discount services” basis will be conclusively considered a business that You are restricted from engaging in hereunder; or
- b. solicits or grants franchises or licenses to others to operate any Competitive Business.

The restrictions of this Section will not be applicable to the ownership in a business of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent 5% or less of the number of shares of that class of securities issued and outstanding. You and Your officers, directors, shareholders, members, managers and/or partners acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive them of their personal goodwill or ability to earn a living.

21.2 Confidentiality of Proprietary Information.

You have not developed or been engaged in any program or system similar to the System. The System was unknown to You prior to the execution of this Agreement. You desire to learn and use the System to sell, buy, lease, and exchange real estate for others. We provide to You confidential and proprietary information and know-how of the System for You to use to establish and operate the Franchise. You will treat all information received which comprises or is a part of the System, including the Policy Manual, as proprietary and confidential and will not use such information in an unauthorized manner or disclose the same to any unauthorized person without first obtaining Our written consent. You understand

that the Marks and the System have valuable goodwill attached to them and that their protection and maintenance is essential to Us. As such, any unauthorized use or disclosure of the Marks and System will result in irreparable harm to us. All ideas, concepts, techniques, or materials concerning a Help-U-Sell® Office, whether or not protectable intellectual property and whether created by or for You or Your owners or employees, must be promptly disclosed to Us and will be deemed Our sole and exclusive property, part of the HELP-U-SELL® System and works made-for-hire for Us. To the extent any item does not qualify as a “work made-for-hire” for Us, You assign ownership of that item, and all related rights to that item, to Us and agree to sign whatever assignment or other documents We request to show ownership or to help Us obtain intellectual property rights in the item.

21.3 Additional Remedies.

If You breach Section 13, Section 21.1, or Section 21.2 of this Agreement, it would be extremely difficult to fix the damages sustained by Us, as a result of that breach and it would be extremely difficult to ascertain to what extent You are using, exploiting, or disclosing parts of the System unique and proprietary to Us. Therefore, in the event of a breach of any covenants contained in Section 13 or Section 21.1, as a nonexclusive remedy, You must pay to Us a fee equal \$50,000 plus Our then current initial franchise fee for each Competitive Business or unauthorized Other Real Estate Business operating in violation of such covenants, plus 6% of such business’ Gross Revenue until expiration of the noncompetition period or cessation of the operation of any unauthorized Competitive Business or Other Real Estate Business. In the event of breach of Section 21.2, as a nonexclusive remedy, You must pay to Us a fee equal to \$50,000 for each violation of the covenant not to use or engage in the unauthorized disclosure of Our proprietary information. You agree to allow Us to examine and audit Your books, records, and operations during the period of the breach, in the case of a breach of Section 13 or Section 21.2, or during the three-year period, in the case of a breach of Section 21.1 to find out whether You have breached or violated this provision.

21.4 Enforceability of Covenants.

If, for any reason, any provision set forth in Section 13 or Section 21.1 are determined to exceed any lawful scope or limit as to duration, geographic coverage, or otherwise, it is agreed that the provision will nevertheless be binding to the full scope or limit allowed by law or by a court of law. The duration, geographic coverage and scope permitted by law or court of law shall apply to this Agreement.

21.5 Continuing Obligations.

All obligations that survive non-renewal or termination of this Agreement continue in full force and effect subsequent to the end of this Agreement.

21.6 Confidentiality Agreement.

We reserve the right to require that You cause each of Your officers, directors, partners, shareholders, managers, members, Principal Owner and Designated Broker and, if You are an individual, immediate family members, to execute a Nondisclosure and Noncompetition Agreement containing the above restrictions, in a form approved by Us.

INSURANCE

22.1 Insurance Coverage.

You will procure, maintain and provide evidence of (i) automobile liability insurance covering all employees of Your Help-U-Sell® Office with authority to operate a motor vehicle in an amount not less than any statutorily imposed minimum coverage; (ii) unemployment and worker’s compensation insurance with a broad form all-states endorsement coverage sufficient to meet the requirements of the law; (iii) general liability insurance covering Your Office in an amount not less than \$500,000 for bodily injury and \$100,000 for property damage per occurrence; and (iv) errors and omissions coverage per occurrence in the minimum

amount of \$500,000. All such insurance policies must be issued by insurance carriers acceptable to Us and carry a maximum deductible of \$1,000 (\$5,000 for the errors and omissions insurance). All of the required insurance policies must name Us as an additional named insured, contain a waiver of the insurance company's right of subrogation against Us and provide that We will receive 30 days' prior written notice of termination, expiration, or cancellation of any such policy.

22.2 Proof of Insurance Coverage.

You will provide proof of insurance to Us prior to commencement of operations of Your Help-U-Sell® Office and will submit to Us annually a copy of Your insurance policies or other evidence of the renewal or extension of each required insurance policy. This proof will show that the insurer has been authorized to inform Us in the event any policies or bonds lapse or are cancelled. We have the right to change the minimum amount of insurance You are required to maintain by giving You 60 days prior written notice, giving due consideration to what is reasonable and customary in similar businesses and to reflect inflation and higher damage awards. Noncompliance with the insurance provisions set forth herein will be deemed a material breach of this Agreement; in the event of any lapse in insurance coverage, in addition to all other remedies, We have the right to demand that You cease operating Your Help-U-Sell® Office until coverage is reinstated, or, in the alternative, pay any delinquencies in premium payments and charge the same back to You.

MISCELLANEOUS PROVISIONS

23.1 Governing Law/Consent to Venue and Jurisdiction.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement will be interpreted under the laws of the state where Our principal place of business is located (presently Florida). Any dispute, action, or claim between the parties will be governed by and determined in accordance with the substantive laws of the state where Our principal place of business is located (presently Florida). The parties irrevocably submit and consent to the exercise of subject matter jurisdiction and personal jurisdiction over each of the parties by the federal and/or state courts located in or serving the location where Our principal place of business is situated (presently, Sarasota, Florida.) This Agreement cannot be modified orally. This Agreement may only be modified by a signed and dated written agreement. However, We may unilaterally change or amend the Policy Manual.

23.4 Entire Agreement.

No amendment or modification of this Agreement or any provision or attachment of this Agreement will be effective unless in writing and signed by both parties. Nothing in this Agreement or in any related agreement (including any integration clause/agreement) is intended to disclaim the representations We made in the franchise disclosure document.

23.5 Delegation by Us.

We have the right to delegate any and all obligations and duties hereunder to third parties.

23.6 Review of Agreement.

You have had a copy of our Franchise Disclosure Document in Your possession for a period of time not less than 14 calendar days, and this Agreement in Your possession for a period of time not less than 5 full business days, during which time You have had the opportunity to submit same for professional review and advice of Your choosing prior to freely executing this Agreement.

23.7 Professional Fees.

In the event of any default on the part of either party to this Agreement, in addition to all other remedies, the party in default will pay the aggrieved party all amounts due and all damages, costs, and expenses, including but not limited to reasonable attorney and collection fees, incurred by the aggrieved party in any legal action, arbitration or other proceeding as a result of such default, plus interest at the lesser of 18% per annum or the highest rate allowable by law, accruing from the date of such default.

23.8 No Waiver.

No waiver of any condition or covenant contained in this Agreement or failure to exercise a right or remedy by either party will be considered to imply or constitute a further waiver by either party of the same or any other condition, covenant, right, or remedy.

23.9 No Right to Set Off.

You may not set off amounts owed to Us for the Royalties, Administrative Fees, or other amounts due against any monies owed to You.

23.10 Payment of Taxes.

You will promptly reimburse Us the amount of all sales taxes, use taxes, personal property taxes, and similar taxes required to be collected or paid by Us on account of services or goods furnished by Us as required under this Agreement.

23.11 Invalidity.

If any provision of this Agreement is found to be invalid or unenforceable, such finder is hereby empowered and directed to modify the invalid or unenforceable provision to the least possible extent to make the provision valid and enforceable, as so modified, such provision will be deemed a part of this Agreement as though originally included. The remaining provisions of this Agreement will not be affected by such modification.

NOW THEREFORE, in consideration of the foregoing, the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Associate and the Company, intending legally to be bound, agree as follows:

1. Confidential Information. Associate and the Company acknowledge that the distinctive business format, plans, methods, data, processes, marketing systems, formulas, techniques, designs, layouts, operating procedures, trademarks, proprietary marks and information and know-how of the Company which are developed and utilized in connection with the operation of the Franchise are the Company's Confidential Information. Such Confidential Information is unique, exclusive property and a trade secret of the Company. Associate acknowledges that any unauthorized disclosure or use of the Confidential Information would be wrongful and would cause irreparable injury and harm to the Company. Associate further acknowledges that the Company has expended a great amount of effort and money in obtaining and developing the Confidential Information, that the Company has taken numerous precautions to guard the secrecy of the Confidential Information and that it would be very costly for competitors to acquire or duplicate the Confidential Information.

2. **Operations Manual as Trade Secrets.** It is understood that Confidential Information, constituting "trade secrets", as used in this Agreement is deemed to include, without limitation, any and all information contained in the Company's Operations Manual, which may be provided as one or more separate manuals, or written instructional guides, as the same are changed or supplemented from time to time, and any information of whatever nature which gives the Company an opportunity to obtain an advantage over its competitors who do not have access to, know or use such information.

3. **Nondisclosure of Confidential Information.** Associate shall not at any time, publish, disclose, divulge or in any manner communicate to any person, firm, corporation, association, partnership or any other entity whatsoever or use, directly or indirectly, for its own benefit or for the benefit of any person, firm, corporation or other entity other than for the use of the Company or the Franchise, any of the Confidential Information of the Company.

4. **Noncompetition Covenant.** Associate hereby covenants and agrees that, during the term of the Franchise Agreement governing the establishment and operation of the Franchised Business, except while associated with or operating the Franchised Business in a manner authorized by the Company, neither Associate nor any member of Associate's immediate family, shall:

a. have any direct or indirect controlling interest as a disclosed or beneficial owner in a Competitive Business as defined below:

b. perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business; or

c. divert or attempt to divert any business related to, or any client or account of the Franchised Business, the Company's business or any other franchisee's business, by direct inducement or otherwise, or divert or attempt to divert the employment of any employee of Company or another franchisee licensed by Company, to any Competitive Business by any direct inducement or otherwise.

The term "Competitive Business" as used in this Section 4 shall mean any business offering, or any business granting franchises or licenses to others to operate a business which offers real estate services for the purchase, sale, exchange and leasing of commercial and residential real estate and related real estate services or any business offering or selling any product or service which has been offered through Help-U-Sell® Offices and this includes but is not limited to having an interest in a co-listing company ; provided, however, Associate shall not be prohibited from owning securities in a Competitive Business if such securities are listed on a stock exchange or traded on the over-the-counter market and represent 5% or less of that class of securities issued and outstanding.

5. **Post-Termination Covenant Not to Compete.** Associate covenants and agrees that, for a period of three years after the effective date of termination, transfer or expiration of the Franchise Agreement for the Franchised Business, or for a period of three years after termination or cessation of Associate's relationship with the Franchised Business, whichever first occurs, neither Associate, nor any member of Associate's immediate family, shall have any direct or indirect interest as a disclosed or a beneficial owner, investor, partner, director, officer, manager, employee, consultant, representative or agent or in any other capacity in any business located or operating within a 15-mile radius of the Franchised Business, or within 15 miles of the Franchised Business of any other franchised Help-U-Sell® Office or any Help-U-Sell® Office owned by us or our affiliates, if such business:

a. offers real estate services for the purchase, sale, exchange or leasing of commercial or residential real estate (i) on a Fee-For-Services basis (meaning that a menu of real

estate services are offered which may be purchased by clients on an a la carte, set-fee pricing basis); or (ii) on a Percent-Commission-Services basis (meaning real estate services charged based on a percentage commission per real estate transaction) if the business features “discount services” and not traditional percentage commission rates commensurate with other real estate agents in the market area; or (iii) utilizing the confidential information and trade secrets of the Franchisor. For the purposes of this Section 5.a, any real estate agency or brokerage business deriving more than 20% of its gross revenue from real estate services provided on a Fee-For-Services or “discount services” basis shall be conclusively considered a business that you shall be restricting from engaging in hereunder; or

b. any business soliciting and granting franchises or licenses to others to operate any Competitive Business, defined in Section 4 above, whether services are charged on a Fee-For-Services basis or on a Percentage-Commission-Services basis or otherwise.

The restrictions of this paragraph shall not be applicable to the ownership in a business of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent 5% or less of the number of shares of that class of securities issued and outstanding. Associate and its officers, directors, shareholders, and/or partners expressly acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of this covenant will not deprive them of their personal goodwill or ability to earn a living.

6. Injunction. Associate hereby acknowledges and agrees that in the event of any breach or threatened breach of this Agreement, the Company shall be authorized and entitled to seek, from any court of competent jurisdiction, preliminary and permanent injunctive relief in addition to any other rights or remedies to which the Company may be entitled. Associate agrees that the Company may obtain such injunctive relief, without posting a bond or bonds totaling more than \$500, but upon due notice, and Associate's sole remedy in the event of the entry of such injunctive relief shall be dissolution of such injunctive relief, if warranted, upon hearing duly had; provided, however, that all claims for damages by reason of the wrongful issuance of any such injunction are hereby expressly waived by Associate.

7. Effect of Waiver. The waiver by Associate or the Company of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach thereof.

8. Binding Effect. This Agreement shall be binding upon and inure to the benefit of Associate and the Company and their respective heirs, executors, representatives, successors and assigns.

9. Entire Agreement. This instrument contains the entire agreement of Associate and the Company relating to the matters set forth herein. It may not be changed orally, but only by an agreement in writing, signed by the party against whom enforcement of any waiver, change, modification, extension or discharge is sought.

10. Governing Law. This instrument shall be governed by and construed under the laws of the state of Florida.

11. Jurisdiction and Venue. In the event of a breach or threatened breach by Associate of this Agreement, Associate hereby irrevocably submits to the jurisdiction of the state and federal courts of Florida, and irrevocably agrees that venue for any action or proceeding shall be in the state and federal courts of Florida. Both parties waive any objection to the jurisdiction of these courts or to venue in the state and federal courts of Florida. Notwithstanding the foregoing, in the event that the laws of the state where the Associate resides prohibit the aforesaid designation of jurisdiction and venue, then such other state's laws shall control.

12. Severability. If any provision of this Agreement shall be held, declared or pronounced void, voidable, invalid, unenforceable or inoperative for any reason, by any court of competent jurisdiction, government authority or otherwise, such holding, declaration or pronouncement shall not affect adversely any other provisions of this Agreement which shall otherwise remain in full force and effect.

13. Attorneys' Fees. In any action at law or in equity to enforce any of the provisions or rights under this Agreement, the unsuccessful party in such litigation, as determined by the court in a final judgment or decree, shall pay the successful party or parties all costs, expenses and reasonable attorneys' fees incurred therein by such party or parties (including without limitation such costs, expenses and fees on any appeals), and if such successful party shall recover judgment in any such action or proceeding, such costs, expenses and attorneys' fees shall be included as part of such judgment.

IN WITNESS WHEREOF, the parties have signed this Agreement on the date first above written.

STATE ADDITIONAL DISCLOSURES AND ADDENDA/RIDERS

State of Minnesota Addendum

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subds. 3,4, and 5, which require (except in certain specified cases) that a franchise be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement; and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside of Minnesota, requiring waiver of a jury trial. Or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or franchisees rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

The franchisor will protect the franchisees right to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchise cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rule 2860.4400J. A court will determine if a bond is required.

Any limitations of claims must comply with Minnesota Statutes, Section 80C.17, Subd.5.

All initial fees are deferred until the franchisor has performed its initial pre-opening obligations and the franchisee is open for business.

INDEPENDENT AUDITORS' REPORT

To The Board of Directors of
Infinium Realty Group, Inc.
and Subsidiary
Sarasota, Florida

Opinion

We have audited the accompanying consolidated financial statements of Infinium Realty Group, Inc. (a Delaware Corporation) and subsidiary, which comprise the consolidated balance sheets as of December 31, 2024, 2023 and 2022, and the related consolidated statements of comprehensive income (loss), changes in stockholder's equity (deficit), and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, based on our audits and the report of the other auditors, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Infinium Realty Group, Inc. and subsidiary as of December 31, 2024, 2023 and 2022, and the result of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of LogiicIT Ltd, a wholly-owned subsidiary, which statements reflect total assets of \$871, \$1,015 and \$1,837 as of December 31, 2024, 2023 and 2022, respectively, and total revenues \$7,406, \$12,526 and \$28,093, respectively, for the years then ended. Those statements, which were prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board, were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for LogiicIT Ltd, is based solely on the report of the other auditors.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Infinium Realty Group, Inc. and subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Infinium Realty Group, Inc. and subsidiary's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Infinium Realty Group, Inc. and subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Infinium Realty Group, Inc. and subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control- related matters that we identified during the audit.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Consolidated Financial Statements

The consolidated financial statements include LogiicIT Ltd., a 100% owned subsidiary for the years ended December 31, 2024, 2023 and 2022.

Basis of Presentation

The consolidated financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

Cash and Cash Equivalents

For the purpose of the statements of cash flows, the Companies consider unrestricted currency, demand deposits, money market accounts, and all highly liquid debt instruments purchased with original maturities of ninety days or less to be cash equivalents.

Accounting Estimates

Management uses estimates and assumptions in preparing consolidated financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Foreign Operations

The financial statements of LogiicIT Ltd. are recorded in South African Rands. Assets, liabilities and equity accounts are translated at exchange rates as of the balance sheet dates. Revenues and expenses are translated at the average rate of exchange in effect during each year. The resulting cumulative translation adjustments are recorded as a component of other comprehensive income.

LogiicIT Ltd.'s financial statements for the years ended December 31, 2024, 2023 and 2022 were prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board and were audited by other auditors.

Compensated Absences

Infinium Realty Group, Inc. grants employees two weeks of paid-time-off (PTO) per year. The Company does not allow employees to carryover unused PTO and does not compensate employees for unused time; therefore, no liability has been accrued for compensated absences.

LogiicIT Ltd does not grant employees paid-time-off, as the only employee of the Company is the stockholder.

Accounts Receivable and Allowance for Credit Losses

The Companies grant credit to their customers in the normal course of business. Accounts receivable are recorded at the invoiced amount and do not bear interest. The Companies maintain an allowance for credit losses to cover potential credit losses relating to their accounts receivable. Management determines the adequacy of the allowance based on historical write-off percentages and information collected from individual franchises. Accounts receivable are charged off against the allowance when collectability is determined to be permanently impaired (bankruptcy, lack of contact, age of account balance, etc.).

The Companies provide for probable uncollectible amounts through a charge to earnings and a credit to an allowance for credit losses based on their assessment of the current status of individual accounts.

Property and Equipment

Property and equipment are carried at cost. Major additions and betterments over \$2,500 are capitalized while replacements, maintenance and repairs, which do not improve or extend the life of the respective assets are expensed.

Depreciation is provided using the straight-line method based upon the following useful lives of the assets:

Computer equipment	3 years
--------------------	---------

Intangible Assets

Intangible assets consist of trademarks, goodwill, domain names, website development, and franchise agreements. The domain names, website development and franchise agreements are amortized using the straight-line method over the remaining life (with a total life span of three to five years). Intangible assets with indefinite lives (trademarks and goodwill) are not amortized but are subject to periodic tests for impairment by management.

The Companies test long-lived assets, including amortizable intangible assets, for impairment whenever events or changes in circumstances (triggering events) indicate that the carrying amount may not be recoverable. Once a triggering event has occurred, the impairment test employed is based on whether the intent is to hold the asset for continued use or to hold the asset for sale. The impairment test for assets held for use requires a comparison of cash flows expected to be generated over the useful life of an asset group to the carrying value of the asset group.

An asset group is established by identifying the lowest level of cash flows generated by a group of assets that are largely independent of the cash flows of other assets and could include assets used across multiple businesses or segments. If the carrying value of an asset group exceeds the estimated undiscounted future cash flows, an impairment would be measured as the difference between the fair value of the group's long-lived assets and the carrying value of the group's long-lived assets. The impairment is allocated to the long-lived assets of the group on a pro rata basis using the relative carrying amounts, but only to the extent the carrying value of each asset is above its fair value.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Infinium Realty Group, Inc.

For those services where the Company's performance obligation is satisfied over time, revenue is recognized as follows:

Franchise sales comprise revenue from the sale or renewal of franchises. A fee is charged upon a franchise sale or renewal. The Company's franchise agreements offer the following benefits to the franchisee: common use and promotion of Help-U-Sell trademarks; distinctive sales and promotional materials; access to technology; marketing tools and training and other materials used in Help-U-Sell offices; and recommended procedures for operation of Help-U-Sell offices.

As part of each franchise contract, the Company identifies certain distinct pre-opening performance obligations that requires the Company to provide services such as training. The Company has elected the practical expedient to treat the pre-opening services as a single performance obligation, distinct from the franchise license. Revenue is recognized when these performance obligations are completed. Management uses their professional judgment to determine the progress toward completion of their performance obligation for initial franchise fees by comparing the percentage of costs incurred to date to estimated total costs required to open the franchise. This method is used because management considers total cost to be the best available measure of progress on contracts.

For those services where the Company's performance obligation is satisfied at a point in time, and for which there is no on-going obligation, revenue is recognized as follows:

Continuing franchise (royalty) fees are fixed contractual fees paid monthly by regional franchise owners. Royalties are based on a percentage of gross sales as reported by the franchisees and are recognized monthly based upon the time the franchisee collects revenue for their services.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (continued)

The Company has elected to apply the practical expedient allowed under the guidance whereby it can disregard the impact to the transaction price of the effects of a significant financing component for arrangements where the Company expects the period between delivery of the service and customer payment to be one year or less.

The Company has elected to apply the practical expedient whereby it can recognize the incremental costs of obtaining a contract as an expense when incurred if the amortization period for the asset that the Company otherwise would have recognized is one year or less.

LogiicIT Ltd.

Professional fees from the related party or other customers are recognized monthly based upon provided services, which is when the performance obligation is satisfied.

Income Taxes

Infinium Realty Group, Inc. is taxed as a corporation under the applicable Internal Revenue Service (IRS) code and provides for income taxes under the asset and liability method, whereby deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities, and their respective tax bases and operating loss credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

The Company follows the accounting principle for uncertainty in income taxes which clarifies the accounting and recognition for tax positions taken or expected to be taken in its income tax returns. The income tax filings are subject to audit by various taxing authorities. The company is not currently subject to audit by any taxing agency. In evaluating the tax provisions and accrual, future taxable income, the reversal of temporary differences, and tax planning strategies are considered. The Companies believe their estimates are appropriate based on current facts and circumstances.

LogiicIT Ltd. is taxed as a Corporation under South Africa's authorities.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Comprehensive Income

The Company accounts for comprehensive income in accordance with FASB ASC 220-10-45-5 which requires comprehensive income and its components to be reported separately in the stockholder's equity when a company has items of comprehensive income other than net income (certain revenues, expenses, gains and losses).

Dividends

The Companies' dividend policy is to consider dividends at the end of each fiscal year. At its discretion, the board of directors may consider a special dividend, where appropriate.

Long-Lived Assets

Accounting Standards Codification (ASC) 360, "Accounting for The Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of," requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the historical cost-carrying value of an asset may no longer be appropriate. The Companies assess recoverability of the carrying value of an asset by estimating the future net cash flows expected to result from the asset, including eventual disposition. If the future net cash flows are less than the carrying value of the asset, an impairment loss is recorded equal to the difference between the asset's carrying value and fair value. The Companies did not have any material impairment losses in the current year.

Leases

The Company entered into leases in the normal course of business for its office facilities.

In connection with its lease commitments greater than 12 months, the Company recognized a lease liability equal to the present value of future lease payments discounted using its 2023 incremental borrowing rate based on the rate offered through their local bank. In 2024, the Company changed its policy to use the risk-free borrowing rate. The Company recognizes a lease asset equal to the lease liability, adjusted for any prepaid or accrued lease payments, lease incentives and initial direct costs. Lease assets and liabilities are recognized at the date the lease is signed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (continued)

The Company excludes any leases with an initial term of 12 months or less from recognition on the balance sheet and for which lease expense is recognized on a straight-line basis over the lease term.

The Company's leases often include options to extend or terminate at the Company's discretions, which are included in the determination of lease term when they are reasonably certain to be exercised. In addition, the Company has elected not to account for any non-lease components in its real estate leases as part of the associated lease component.

Management recognizes an impairment loss when the carrying amount of a lease asset is not recoverable and exceeds its fair value. The carrying amount is considered not recoverable if it exceeds the sum of the undiscounted future cash flows that are directly associated with, and that are expected to arise as a result of, the use and eventual disposition of the lease asset. An impairment loss is measured as the amount by which the carrying amount of a lease asset exceeds its fair value. Impairment losses related to the Company's commercial real estate may occur if the Company ceased use of all, or a portion, of a lease property while a contractual obligation remains. There were no impairment losses related to commercial real estate leases.

Reclassifications

Certain accounts relating to the prior period have been reclassified to conform to the current year presentation with no effects on previously reported net income (loss).

Recent Accounting Pronouncements

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures. ASU 2023-09 requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income tax paid. The amendment is effective prospectively to all annual periods beginning after December 15, 2025. The Company is evaluating the impact of this standard on our consolidated financial statements and related disclosures.

Subsequent Events

Management has evaluated subsequent events through March 16, 2025, which is the date the financial statements were available to be issued.

NOTE 3 CONCENTRATIONS OF RISK

Cash

Infinium Realty Group, Inc.

Financial instruments that potentially subject the Company to a concentration of credit risk are cash. The Company maintains its day-to-day operating cash balances in non-interest-bearing accounts. Although the Company at times maintains balances that exceed amounts insured by the Federal Deposit Insurance Corporation, it has not experienced any losses related to these balances and management believes the credit risk to be minimal.

Economic dependency

For the year ended December 31, 2024, the Company received 38% of its revenue from three franchisees, and for the year ended December 31, 2023 and 2022, the Company received 25% of its revenue from two franchisees.

Infinium Realty Group, Inc.

Concentration of risk with respect to revenue exists because the Company's only source of income arises from real estate sales.

LogiicIT Ltd.

During the years ended December 31, 2024, 2023 and 2022 the revenue generated from Infinium Realty Group, Inc. was \$2,311, \$2,053 and \$18,850 or approximately 32%, 14% and 67% of its total revenue, respectively.
