Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only PaintEZ® business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees, even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When Your Franchise Ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends, even if you still have obligations to your landlord or other creditors.

SOME STATES REQUIRE REGISTRATION

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments to be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** This franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Utah. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Utah than in your own state.
2. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN STATE COVER PAGE

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer

its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The name of the franchisor is EmeraldPro Franchising, Inc. dba Paint EZ. In this disclosure document EmeraldPro Franchising, Inc. dba Paint EZ is referred to as “we,” “us,” “our,” or “PaintEZ®”; “you” or “yours” means the person or persons, individually and collectively, who buys the franchise from us and includes the owners of a franchise that is a corporation, partnership or other entity. If you are a corporation, partnership or other entity, your owners, and their spouses, must sign an agreement that all provisions of the franchise agreement also will apply to your owners as they must personally guarantee and be personally bound by your obligations under the franchise agreement.

Our company is a corporation and was first incorporated in Utah in 2017 under the name EmeraldPro Franchising, Inc. Previously we sold franchises under the EmeraldPro Painting® trademark. The PaintEZ® mark was first introduced to the market in 2021 and all of our franchisees moving forward will use this mark. Our current principal office address is 258 W. Center Street, Suite #252, Orem, UT 84057. Our telephone number is (833) PAINT-EZ. Our fiscal year ends on December 31.

We license our franchisees in specified territories to own and to operate franchises under the name “PaintEZ®.” We authorize our franchisees to promote, advertise, and sell quality residential and commercial painting packages and services to the public and to use our Method of Operation and our marks in the operations of the franchisee’s business. You may purchase a single location, or you may enter into an area development agreement with us for the development of multiple franchise units (see Exhibit “H”). If you enter into an area development agreement with us, the size of the development territory, the number of units to be developed and the development schedule are negotiable. You will be required to sign our then-current franchise agreement for each unit as developed, which terms may differ from the current franchise agreement included with this FDD. Unless specifically stated otherwise, the disclosures for an area development are the same as for a single unit.

We do not do business under any names other than EmeraldPro Franchising, Inc. and PaintEZ®. We are in the business of franchising PaintEZ® businesses. We do not operate a business of the type to be operated by you and we do not have any other business activities other than franchising. We may attempt to negotiate group discount rates for the benefit of our franchisees for wholesale paint and related products, supplies, and equipment.

Our registered agents for service of process are outlined in Exhibit E to this Disclosure Document.

As of the date of this disclosure document, we have not offered for sale or sold franchises in any other line of business. We did not begin offering or selling franchises in this business until August 2016.

Affiliates

Our affiliate, EZ Accounting Pros LLC, formed in the State of Utah, is a designated supplier and currently provides required accounting services to franchisees. It has been in operation since May 4, 2021, and has been one of our suppliers since our inception. It does not franchise this business, nor does it operate a business of the type to be operated by you.

There are no other parents, predecessors, or affiliates that are required to be disclosed in this Item.

General Description of Market and Competition

The general market for commercial and residential painting services is well established throughout the United States and you will be required to compete for potential customers in your territory. No studies or surveys have been done to determine a need for these products within your territory. In some states, exterior painting may be seasonal because of poor weather conditions. The principal sources of direct competition for your franchise are similar businesses, some of which are part of other existing franchise chains, that provide commercial or residential painting sales and application services. You may also encounter competition from other PaintEZ® or EmeraldPro Painting® franchises operated by us or other franchisees outside your territory.

We, and affiliate companies, retain the right to own or operate additional PaintEZ® offices and franchises.

Laws and Regulations

You will be required to follow all federal, state and local business laws and regulations and may be required to obtain applicable business licenses. You must investigate local zoning rules because they may limit where you can locate your franchise business and may affect the design features including the building façade and signs. The details of state, county and local laws and regulations vary from place to place. You must research these matters. Please be aware that the changes in these laws may increase the cost to operate your business. You are solely responsible to determine what local or state regulations, permits and licenses you will need to comply with and/or obtain to conduct the franchise business in a particular state, city or town.

You must follow all federal, state, and in some cases local regulations pertaining specifically to the painting industry. These pertain to contractor licensing, lead paint removal and disposal, hazardous waste handling and disposal. Other legal regulations that apply to all businesses generally may include:

Federal, state, and city, county, parish, borough, municipality or other local laws.

Federal. Examples of federal laws are wage and hour, occupational health and safety, equal employment opportunity, hazardous materials communication to employees, hazardous waste and environmental, and the Americans with Disabilities Act.

State. State laws may cover the same topics as federal laws. Examples of states laws include environmental, occupational health and safety, fire, health, and building and construction laws.

Local. Local laws may cover the same topics as federal and state laws. Examples of local laws include health and sanitation, building codes, fire codes, and waste disposal.

This Disclosure Document contains a summary of some material provisions of the Franchise Agreement. However, the Franchise Agreement expresses and governs the actual legal relationship between us and you.

ITEM 5 INITIAL FEES

Franchise

You receive the option either to open a single franchise unit or to enter into an area developer agreement under which you may open and develop multiple units. The Initial Franchise Fee is \$50,000 for a single territory, \$40,000 for a second territory, \$30,000 for a third territory, and any other additional territories beyond three will be an additional \$30,000. Each unit to be developed under an area developer agreement must be paid upon the signing of the area developer agreement.

The Initial Franchise Fee is payable as a lump sum for each franchise territory unit purchased. If you elect to enter into an area developer agreement, then the franchise agreements for all units to be developed must be signed at the same time as the area developer agreement.

The Initial Franchise Fee is paid in consideration for our sales expenses, administrative overhead, return on investment, and start-up costs related to the execution of the Franchise Agreement, the opening of the

Franchise, and for our lost or deferred opportunity to sell franchises in the franchise territory to others, and is nonrefundable.

We do not offer financing of the Initial Franchise Fee; therefore, simultaneous with the execution of the Franchise Agreement, you will pay to us the entire Initial Franchise Fee as a lump sum.

Training Fee

We will provide initial training for approximately 8 days at our headquarters and 5 days in your market. You will pay us a training fee of \$5,000 for up to 2 attendees. Additional attendees may attend training at our headquarters for a fee of \$500 per person. We do not offer financing for the training fee, and it is due as a lump sum upon the execution of the Franchise Agreement. If you elect to enter into an area developer agreement, the training fee will be applicable to each unit, unless all units are opened at one time. The training fees for 3 units will range from \$5,000 to \$15,000, depending on when they are opened.

Opening Inventory Package

In addition to the Initial Franchise Fee and training fee, you must purchase your initial advertising materials (lawn signs, door mats, business cards, etc.) and franchise apparel (t-shirts, hats, jackets) from us or an approved vendor. The amount of this payment to us for advertising materials and franchise apparel is generally around \$3,500 per franchise (see Item 7 for more details). If you buy multi units, you must purchase an opening inventory package for each unit as each unit is opened, which will be \$3,500 for 1 unit, \$7,000 for 2 units, and \$10,500 for 3 units. We do not finance any portion of your initial advertising materials or franchise apparel purchases. Payment is due when you order the advertising materials and apparel from us or our affiliate.

Grand Opening Marketing

We will provide you with a grand opening marketing plan, in which you will be responsible to pay us and the various marketing vendors, for an estimated \$4,000 per month for the first 3 months per territory. This estimate for the grand opening marketing plan includes the costs for marketing and promotional materials used for in-house marketing such as website management, management of paid advertisements, post card creation, design work, brochure design work, materials containing the trademarks, etc., as well as general and promotional marketing for at least 3 months. This also includes the required purchase of a minimum number of online leads and online lead management services (SEO, PPC, LBL) for Your 3-month start-up phase.

The fees set forth above are uniform, except as described above, and not refundable in whole or in part under any circumstances.

We require the royalties and other fees to be paid in accordance with our electronic funds transfer or automatic withdrawal program. We reserve the right to collect this fee weekly in the future. NOTES

¹ Franchise Fee. The initial franchise fee is due as a lump sum at the signing of the franchise agreement. It is not refundable, and we do not finance this fee.

² Training Fee. The training fee is for up to 2 attendees. The training fee is due as a lump sum at the signing of the franchise agreement. It is not refundable, and we do not finance this fee. The training fees helps cover our costs for hotels, airlines, restaurants, rental car companies, etc. when we come to your location and other training expenses.

³ Training Expenses. You are responsible to pay all travel, living, and other associated training expenses for you, and your manager, if applicable, to attend your training session at our corporate location.

⁴ Business Address. We strongly recommend that you register the franchise business from a small office location to start, which may be a home office, virtual office, or other. The purpose of the location is for all online business listings and registrations. We must approve of your location. The typical approved location will need a specified address (mailbox) for the use of a business listing, registration, and SEO purposes. We recommend that you do not lease or purchase office warehouse space during the initial 6-month start-up phase. If you choose to lease or purchase warehouse or office space, you are solely responsible for obtaining and paying for the location. Your office must be located within the purchased territory and be approved by us. The cost of purchasing or leasing warehouse or office varies with the location and size of the premises.

⁵ Franchise Premises Rent. We strongly recommend that you register the franchise business from a small office location to start, which may be a home office, virtual office, or other. The low-end cost reflects having a home office. If you choose to have a commercial office, the costs of the commercial property or leases and improvements vary widely based on location, terms of the lease, the total area of your space as well as construction and material costs. You should review these costs with a local contractor, commercial real estate agent, architect and other professionals. We do not anticipate a lot of tenant improvements, so your main cost will be rent paid to the landlord. If you so choose, your commercial location may range from a small room as an office (around 90 square feet) to a larger warehouse type facility (around 1,000 square feet) depending on if you have employees who are providing the painting services or if you use subcontractors. We do not provide standard plans and specifications for construction of improvements, so you must retain an architect to help with the design; however, all plans must be approved by us.

⁶ Opening Inventory Package. You must purchase your advertising materials and franchise apparel from us as part of your opening inventory package. The amount for these items is generally around \$3,500 per franchise, but may be lower based on the size of your franchise and the number of your employees.

⁷ Grand Opening Marketing Plan. We provide a grand opening marketing plan in which you will be responsible to pay us and the various marketing vendors each month for your first three months. This estimate includes the costs of what you pay us for the marketing materials in your opening inventory package and your grand opening marketing and the costs of additional marketing and promotional materials used for in-house marketing such as website management, management of paid advertisements, post card creation, design work, brochure design work, materials containing the trademarks, etc., as well as general and promotional marketing for at least 3 months. This amount also includes the required purchase of a minimum number of online leads and online lead management services (SEO, PPC, LBL) for your 3-month start-up phase. We must approve all marketing in writing. You cannot establish a website or social networking site, or market on the Internet without our prior written approval.

⁸ Contractor License. You must obtain all permits, certificates or licenses necessary for the full and proper operation of the franchise in your territory.-The lower number reflects you already having these items.

⁹ Supplies and Equipment. You will be required to purchase certain supplies and equipment for conducting the franchise business from third party vendors as set forth in our manual. You may choose to lease some of the equipment for a monthly cost rather than paying for it upfront or you may already have the supplies and equipment needed. The lower number reflects this option. You must negotiate all purchase agreements or leases with suppliers. For any items purchased from us, if any, we require immediate payment.

¹⁰ Computer Equipment. You are required to have an Apple iPad tablet with cellular internet capabilities. The Apple iPad must be at least 10th generation or newer model and in good working condition.

Use of a computer may be needed for office work. This also includes the cost of any equipment needed for credit card processing. The lower number reflects you already owning this computer equipment.

¹¹ Dedicated Business Cell Phone. You are required to have a smart cell phone with internet capabilities that is dedicated solely to the franchise business. The lower number reflects you already owning a smart cell phone. Our call center will assist with assigning your dedicated franchise business phone number. If the franchise agreement is terminated for any reason, you must transfer this dedicated franchise business phone number to us.

¹² Clothing and Uniforms. You are required to purchase uniforms and branded clothing items from us or our approved suppliers. This estimate includes the items that you purchase from us for your opening inventory package.

¹³ Vehicle. You must have a reliable vehicle, that is approved by us, for your franchise business. The lower number reflects you already owning the vehicle we approve. The higher number reflects costs for monthly payments or a lease on a vehicle.

¹⁴ Car Wrap. You must purchase a car wrap from us or our approved suppliers. The car wrap must be professionally installed on your vehicle. We have the right to inspect your car wrap and, if we disapprove, have your vehicle re-car wrapped by a professional of our choice, at your expense.

¹⁵ Signs. You must purchase yard signs to display by the customer's home while working in the home from us or our approved suppliers. This amount is for the required initial lot of yard signs. You must continue to purchase these yard signs as needed.

¹⁶ Licenses and Bonds. You must obtain all licenses and/or bonds necessary for the full and proper operation of the franchise in your territory.–The lower number reflects you already having these items.

¹⁷ Insurance. You must obtain comprehensive general liability insurance, workers' compensation insurance and other insurances we specify in the franchise agreement and the manual. This amount is an estimate for 6 months of insurance coverage. Insurance rates in your territory may vary.

¹⁸ Miscellaneous Opening Costs. These miscellaneous costs include business entity organization expenses, employee training, and deposits.

¹⁹ Compensation. This is an estimate for your employee and/or subcontractor compensation for the first three months.

²⁰ Additional Funds. This estimates other initial start-up expenses and operating expenses that you may incur. These figures are estimates for the development of one franchise unit for approximately 3 months, unless noted otherwise, and you may have additional expenses starting your franchise business. Your costs will depend on factors such as: how well you follow our method and procedures; your management skill, experience and business acumen; geographic area; local economic conditions; the local market for our services; the prevailing wage rate; competition; and the sales level reached during the initial period. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We relied on the experience of our principals and franchisees to compile these estimates. . A minimum of \$10,000 working capital for each franchise is strongly recommended. You must also pay all taxes required by local, state or federal laws related to the services furnished or used in connection with the operation of your franchise.

²¹Total. These figures are estimates for the development of 1 franchise unit and for 2-3 franchise units and are based upon you being the owner-operator of your franchise(s). If you elect to have a manager operate your franchise(s), you will incur additional expenses such as payroll and other potential costs.

Refunds. Unless indicated otherwise, none of these payments are refundable.

You must purchase all PaintEZ® advertising materials from us or our approved suppliers to ensure uniformity and quality of the advertising. Any equipment, products, inventory, or other items that bear our logos and/or trademarks must be bought from us or an approved supplier.

We have established an accounting service and computer software system. You are required to use our accounting service and software systems as designated and identified in the PaintEZ® manual.

We reserve the right to derive income through mark-ups in prices we charge to you for goods and services sold or provided by us or affiliates and from payments from suppliers for purchases made by you. We negotiate purchase arrangements with suppliers, including price terms for the benefit of our franchisees. We have entered into agreements with Sherwin Williams, Benjamin Moore, Behr, Home Depot, credit card processing, where our franchisees may receive a 0-50 percent discount on various products. Sherwin Williams, Benjamin Moore, and Behr are the preferred and approved suppliers of paint and related application products to our franchisees. These suppliers may also pay us a rebate on all franchisee purchases based on a percentage of sales such suppliers make to our franchisees. Currently these rebates are between 0% - 5%. Currently we have not been charging markups for products purchased from us, but we reserve the right to do so in the future and expect that it would not be more than 25%.

At this time we do not have any purchasing or distribution cooperatives related to our franchise system. In the future, we may enter into other contracts with suppliers for items or services. Pursuant to these arrangements or contracts, you will be required to purchase these goods from the designated supplier.

We estimate that the purchase of products from designated or approved sources will represent approximately 30% to 40% of your overall purchases in opening your franchise business and 85 % to 95% of your overall purchases in operating your franchise business.

Jay Mason is our Chief Executive Officer. Other than those mentioned, none of our officers own an interest in any supplier.

Products Purchased Using Specifications

You must purchase the following products and services in accordance with specifications and standards we provide to you:	Is the franchisor or an affiliate an approved supplier of this item?	Is the franchisor or an affiliate the only approved supplier of this item?
Vehicle	No	No
Electronic equipment (iPad/computer/phone, etc.)	No	No

All specifications are made available to you before the beginning of operations.

Specifications and standards are provided to you through our manual and may be updated or modified by us periodically. Our specifications include standards for delivery, performance, quality, design and appearance.

We will use our best judgment in setting and modifying specifications to maintain quality and integrity of the franchise system. We consider our specifications to be of critical importance to the success of the system.

We have negotiated some purchase arrangements with suppliers, including price terms, for the benefit of franchisees. We do not provide material benefits to franchisees based on the franchisee's purchase of particular products or services or use of particular suppliers (for example, grant renewals or additional franchises to franchisees based on purchases).

Non-Approved Suppliers

Except for certain trademark and private label items and designated source items described above, if you desire to use a particular supplier and if that supplier meets the specifications and requirements of our system, at our discretion, we may approve the supplier to become an approved supplier.

You may establish suppliers on the approved list by making appropriate application to us. The following general criteria is used in considering whether a supplier will be designated as an approved source: the ability of the supplier to make the product to our standards and specifications; a willingness by the supplier to cooperate and work with you and other franchisees; the supplier's professional competence and performance abilities; the suppliers' production and delivery capabilities and the financial condition of the supplier; the quality, durability, value, cleanliness, composition, and strength of the product; the suppliers' capacity and facility to supply your needs in the quantities, at the times, and with the reliability necessary for efficient operation.

If you desire to purchase any of these items or services from an unapproved supplier, you will submit to us a written request for this approval or request the supplier itself to do so. We may require you to submit sufficient information, data, and samples to permit us to ascertain whether any supplier meet our specifications. Before testing, reviewing and approval, you will be required to pay a testing and reviewing fee covering our reasonable expenses and costs of testing. The testing fees are not refundable whether or not we approve of a supplier. We will notify you in writing, within 60 days as to whether these services or products meet our specifications. We may, occasionally, make changes or alterations in the standards and specifications for the above items and approved suppliers. At our discretion, we may revoke our approval from an approved supplier upon 30 days written notice to you. Our confidential requirements, systems, and formulas will be revealed to potential suppliers only after we have received reasonable evidence that the proposed supplier is trustworthy and reputable; has the capacity to consistently follow our standards, requirements and testing procedures; will maintain the confidentiality of the designs, systems and formulas; and will adequately supply your reasonable needs.

We, or our agents, may inspect any approved manufacturer, supplier or distributor facilities and products to assure proper production, processing, packaging, storing, and transportation. Permission for inspection will be a condition of our continued approval of any manufacturer, supplier or distributor. If we find from any inspection that a manufacturer, supplier or distributor fails to meet our specifications and standards, we will give written notice describing this failure to you and to the manufacturer, supplier or distributor, with a notice that unless the failure or deficiency is corrected within 30 days, the manufacturer, supplier or distributor will no longer be approved.

Insurance

In addition, you are required at your own expense to keep in full force, by advance payment(s), during the entire term of the franchise the following minimum insurance policies, which minimums may be adjusted periodically to keep pace with regular business practice and prudent insurance custom:

(a) Comprehensive general liability insurance, including and products liability, completed operations, property damage, contractual liability, independent contractor's liability, owned and non-owned and hired automobile coverage, and personal injury coverage with a combined single limit of at least \$1,000,000 per occurrence and \$2,000,000 aggregate, including umbrella coverage.

(b) Automobile liability insurance, including owned, non-owned, leased and hired vehicle coverage, with a combined single limit of at least \$1,000,000 for death, personal injury and property damage.

(c) Worker's compensation and employer's liability insurance, and other insurance required by statute or rule of the state and/or locality in which the franchise is located and operated.

(d) Business interruption and lost profit insurance.

These policies will insure both you and us and our officers and directors and nominees as additional insureds against any liability which may accrue by reason of your ownership, maintenance or operation of the franchise business wherever it may be located. These policies will stipulate that we will receive a 30-days written notice of cancellation, modification or termination. Original or duplicate copies of all insurance policies, certificates of insurance, or other proof of insurance acceptable to us must be furnished to us together with proof of payment within 30 days of issuance. These insurance coverage requirements are only minimums. You need to make an independent determination as to whether increased amounts or additional types of insurance are appropriate.

If you fail to obtain insurance and keep the same in full force and effect, we may obtain this insurance at our discretion and you will pay us the premium costs upon our demand. Failure to obtain and maintain the required insurance constitutes a material breach of the franchise agreement entitling us to terminate the agreement. Maintenance of the required insurance will not diminish your liability to us under the indemnities contained in this Agreement. The policy or policies will insure against our vicarious liability for actual and, unless prohibited by applicable law, punitive damages assessed against you.

You must also procure and pay for all other insurance required by state or federal law. We may periodically increase the amounts of coverage required and/or require different or additional coverage. We do not derive revenue as a result of your purchase of insurance.

ITEM 11 FRANCHISOR ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

A. Pre-Opening Obligations:

Before you open your franchise, we will:

- 1) Designate your franchise territory in the Franchise Agreement before the Franchise Agreement is executed. (Franchise Agreement, Sections 1.1, and 1.3.)
- 2) Make available to you general specifications for the items and services indicated in Item 8, including, layout, signs, equipment, and décor. (See Franchise Agreement, Article IX.)
- 3) Provide initial orientation and training to you and your manager(s), if concurrent. All follow-up trainings will be at our discretion or according to the additional training fees as previously outlined. (Franchise Agreement, Section 9.1 and 9.2).

- 4) Provide you with the names of approved and designated suppliers.
- 5) Provide you with a list of specifications for approved products, equipment, supplies and materials. (Franchise Agreement, Section 9.1) We do not offer assistance in delivery or installation of any of these items. You are required to work directly with the manufacturer or servicer of any required or approved products, equipment, supplies and materials (Franchise Agreement, Paragraph 8.10.1 and Section 9.1.)
- 6) Provide some opening assistance. (Franchise Agreement, Section 9.1.)
- 7) Consult with you on planning your grand opening marketing and provide access to our online marketing materials. (Franchise Agreement, Paragraph 9.2(i))
- 8) Provide electronic access to our confidential operations manual containing mandatory policies, operating procedures, rules, employee guide, and other information. The operations manual is confidential and will remain our property. You must keep the contents of the manuals confidential. You may not copy any part of the manuals, either physically or electronically. The operations manuals may be developed, modified and supplemented periodically, and the term “manuals” includes all of those documents, as so modified and supplemented. (Franchise Agreement, Article IX.) The table of contents of the operations manual is described on Exhibit G to this disclosure document. The operations manual is in electronic format and is approximately 104 pages.

Site Location

- 1) We recommend that Your Franchise Business be based out of Your home office or a virtual office. If you elect to have a physical office outside of your home, we do not assist in locating a site, that is your responsibility. We also do not lease properties to you. If you elect to have a physical office outside of your home, we must review and approve your proposed site for the operation of the franchise business. (See Franchise Agreement, Section 5.1.)
- 2) You do not need to use a local broker in your site selection.
- 4) If you elect to have a physical office outside of your home, we do not assist you with constructing or remodeling your site. We do not provide you with preliminary architectural design plans for your franchise location. Also, we do not provide assistance for the construction or remodeling of your franchise. You are solely responsible for conforming your franchise location to meet local ordinances, building codes, and obtaining any required permits. You should commence business within 120 days of the signing of the franchise agreement. (Franchise Agreement, Sections 5.1 and 5.2.)
- 5) If you elect to have a physical office outside of your home, our approval is based upon the following general criteria: access, appearance, traffic, general population, number and type of businesses in the territory, parking, square feet, and general vicinity. We do not prepare demographic studies or otherwise evaluate the potential success of your proposed site, nor do we provide you with a site checklist or other similar information, nor do we warrant or guarantee the success of your location. Site approval should be completed by us and notice provided to you in writing, within 4 weeks or less after you have selected a prospective location. (See Franchise Agreement, Paragraph 5.1.1.)

Time to Open

The typical length of time between the signing of the Franchise Agreement or first payment of consideration for the Franchise and the opening of the Franchise for business is about 60 - 120 days. You are expected to complete the mandatory training and commence your franchise business operations within 120 days after you sign the franchise agreement. Factors that may affect this time are finding and negotiating for the franchise premises, arranging for the training session, equipping the Franchise, financing and business permit requirements, and your personal operational needs. Any failure caused by a war or civil disturbance, a natural

disaster, a labor dispute, shortages or other events beyond your reasonable control will be excused for a time that is reasonable under the circumstances.

If the commencement of operation obligation is not fulfilled, we may terminate the Franchise Agreement. We may retain the Initial Franchise Fee. You then are required to return any product or equipment you have obtained from us. (Franchise Agreement, Section 5.2).

Training

We will provide you with approximately 13-days of initial training and familiarization program before the start of your business. Training will be held at our corporate office, or at a location designated by us, and at your location before and during the opening of your franchise. The training program will be held as needed. The initial training will take place over two sections. The first section of training will be approximately 8 days at our corporate office, or at a location designated by us. The second section of training will be approximately 5 days where we will travel to your location and assist you with the opening of your location. You and your manager (if applicable) must successfully complete the first section and second section of initial training prior to opening your franchise business which includes all training programs demonstrating your knowledge of basic policies and procedures, daily operations, record keeping, computer system competency, estimating, sales techniques, marketing plans and techniques, administration and bookkeeping controls, service methods, deployment of labor, maintenance of quality standards and customer service. (Franchise Agreement, Section 9.1).

The initial training program is \$5,000 for up to 2 attendees. Additional attendees may attend the first section of training at our corporate office (or other location designated by us) for a fee of \$500 per person. You must also pay your (and your manager(s), if applicable) costs for travel, lodging, and living expenses while training. The training program must be completed by all franchisees, unless, at our reasonable discretion, based upon a franchisee’s experience, it is deemed unnecessary. As of the date of this Disclosure Document, the current agenda for the training includes:

Our training supervisor is Jay D Mason. Mr. Mason has worked in the painting sales and application industry since 1998. Mr. Mason has also worked within architectural coating sales with Sherwin Williams Paint, and with another national painting franchise where he trained and mentored new franchisees while supporting them long-term as well.

Jason Allen may also assist with training. Mr. Allen is our COO and has worked with us since September 2022. He also has 5 years of experience working with a tech company. He will provide training for operations and all of our technology products.

Mike McDonough may also assist with training. Mr. McDonough has worked with us since February 2024 as our corporate trainer. He has experience as the owner and CEO of a Utah business and also has 10 years of experience in security and automation. He will provide training at our corporate office and may also assist with training at your location.

Jessica Mason may also assist with training. Ms. Mason has over 20 years of accounting experience working with small, medium, and large sized businesses. She will provide training for accounting.

Josh Stevenson may also assist with training. Mr. Stevenson has worked with us since January 2024. He has extensive experience with franchising as his parents were franchisors and he grew up training and also recruiting franchisees. Prior to working with us, Mr. Stevenson worked in a home service-based franchise system from 2021 to 2024. He will provide training on P&L management, traveling to franchisee locations to assist with launch week to cement our services and processes, and may also provide training during our seminar and refresher training sessions.

We may use other training personnel under Mr. Mason’s supervision for aspects of the training program. They use the PaintEZ® manual for instructional material.

You must request to schedule a training session for you or your manager at least 30 days before the session is to start. Training is scheduled and held on an “as needed” basis depending on the number of franchisees requesting training in a particular time frame and the franchisor’s training personnel’s availability. The on-site portion of the training session must be completed after the location is open for business for best productivity of the training.

You are responsible for all expenses you and your employees incur to attend the initial training, including transportation, meals, accommodations, and entertainment.

You, or one of your employees, must complete initial training within 120 days of the signing date of the franchise agreement.

If you desire to have more than two individuals receive the initial training, these additional individuals will be accommodated at our convenience. We reserve the right to charge a reasonable fee for the provision of the training regardless of when and where the individuals participate in the initial training.

We may at any time during initial training inform you that an individual attending training on your behalf is not suitable due to criminal activities, disruptive behavior, poor attendance, or other reasons. Upon that notice, our obligations to train that individual will be deemed to have been discharged.

If the franchise is managed by any persons other than you, you must notify us of the identity of the managers. Each manager as hired must successfully complete the mandatory training program within one month after being hired. You will pay for this training (see Item 6).

B. Our Obligations DURING the Operation of Your Franchise Business

After you open your franchise, we will:

- 1) Establish policies, procedures, standards, specifications, products and services for the operation of your franchise business. We may change, modify or update these procedures, standards, specifications, products and services at our discretion. All modifications will be posted on an online site or through email. You must strictly follow these procedures, standards and specifications as they develop. Failure to do so is grounds for termination of your franchise. (Franchise Agreement, Paragraphs 8.10.3, 8.10.4 and 8.10.6.)
- 2) Replace defective products or inventory items purchased directly from us, based on our standard limited warranty. We do not provide a standard limited warranty on any required purchases not purchased from us. (Franchise Agreement, Paragraph 9.2(iv).)
- 3) Administer our advertising program and formulate and conduct national and regional promotion programs. (Franchise Agreement, Section 11.1).
- 4) Inspect the Franchise and conduct activities to ensure compliance with the terms of the Franchise Agreement and PaintEZ® manual to assure consistent quality and service throughout our franchise system (Franchise Agreement, Section 5.2, Paragraph 8.10.4, and Section 9.2(v).).
- 5) Provide a call center to help you manage telephone calls from your customers and potential customers (Franchise Agreement, Section 5.5).

C. OPTIONAL Assistance DURING the Operation of Your Franchise Business

After you open your franchise, we may:

- 1) Hold an annual convention or conference to discuss improvements, new developments, mutual concerns and business issues. Attendance is mandatory. You will pay a convention fee and you must pay all your travel and living expenses (see Item 6). These conventions will be held at various locations chosen by us. (Franchise Agreement, Section 8.9.)
- 2) At your option and upon not less than thirty-five days prior written notice to us, you may receive additional training at our training center, or at your location, or at other agreed upon locations or

virtual locations. All expenses of this training will be borne by you, including but not limited to our or your travel, lodging, meals, compensation, and our reasonable costs and expenses including a reasonable training fee (see Item 6). This additional training consists of visits to our franchises, work experience and observation of franchise operations. The duration of training is negotiable depending upon your needs. You will not receive any compensation for services rendered by the trainee during this or any other training (Franchise Agreement, Section 9.2(v)).

- 3) From time to time we may provide refresher training programs or seminars and may require that you or your managers attend and complete them to our satisfaction. These programs and seminars will be held at locations we designate. We may charge a fee to attend these seminars and you will be exclusively responsible for paying all travel, living and other expenses and compensation of attending these programs and seminars (see Item 6). Each year, you or the designated managers of your Franchise will be required to attend up to 20 hours of programs and seminars, depending upon program and seminar availability. In addition, we may deem it appropriate or necessary to provide additional training and supervision to you and your managers and employees at your franchise location. If so, you will fully participate in and complete this additional training and supervision, including additional or revised training programs and processes that may be added to the PaintEZ® manual in the future. We may charge a reasonable Training Fee for these additional training sessions (Franchise Agreement, Section 8.9 and Section 9.2(v)).
- 4) Provide other supervision, assistance, or services although we are not bound by the Franchise Agreement or any related agreement to do so. These may include among other things: advertising materials, literature, additional assistance in training, promotional materials, bulletins on new products or services, and new sales and marketing techniques or developments.
- 5) We may, to the degree permitted by law, suggest retail prices, specify maximum prices above which you will not provide goods or services and you will honor all coupon, price reductions and other programs (See Franchise Agreement, Section 8.7.).

Advertising

We are not obligated to conduct advertising. However, we do maintain and administer Brand Development Fund for local or national advertising, marketing or public relations program as we, in our sole discretion, may deem necessary or appropriate to market and promote the brand – see below for more details. We direct all national or regional marketing and marketing programs, with sole discretion over: 1) the creative concepts, materials, endorsements and media used regarding these programs (which may include television, radio and print marketing as funds permit); 2) the source of the marketing or public relation efforts (which may be in-house or through an outside agency located locally, regionally or nationally); 3) the placement and allocation of these programs (which will be local or regional); and 4) the composition of all geographic territories and market areas for the development and implementation of these programs. We are not required to spend any amount on marketing directly in the area or territory where you are located. (See Franchise Agreement, Section 3.3 and Article XI.)

We provide you online access to marketing materials developed by us. You may also develop marketing materials for your use, at your cost but all marketing material developed or used by you must have our prior written approval. Any marketing you create automatically becomes our property and will be considered “works-for-hire” that may be made available for use by us or other franchisees without a fee and without compensation to you. If you do not receive written approval or disapproval within 10 days of the date we

received your submission, the materials submitted are deemed approved. (See Franchise Agreement, Section 11.4.)

We retain the sole right to market on the Internet, including all use of websites, domain names, URL's, linking, meta-tags, advertising, auction sites, e-commerce, and co-branding arrangements. You will provide us content for our Internet marketing and follow our Intranet and Internet usage requirements. We also retain the sole right to use our marks on the Internet, including on websites, as domain names, directory addresses, meta-tags, and in connection with linking, advertising, co-branding, and other arrangements. We retain the right to approve any linking or other use of our website. You may not establish a presence in your market using the Internet except as we may specify, and only with our prior written consent. We intend that any franchisee website be accessed only through our home page. Subject to the terms of use on our website, we may gather, develop and use in any lawful manner information about any visitor to the website, including but not limited to your customers, franchisees, or prospective franchisees regardless of whether they were referred to you via the website or were otherwise in contact with you.

You may not create a website or social networking site or engage in marketing on the Internet, including posting for re-sell, items on third party re-sell or auction style websites such as eBay™, craigslist or Amazon.com without our permission. If you receive permission for your own website or social networking site from us, all content placed on the site must be pre-approved by us, in writing. You may be allowed to place pre-approved information concerning your franchise business on our website and social networking sites such as Facebook, as developed by us. You are required to provide us all usernames, passwords and account information and any other information related to any of your websites and social media and social networking site accounts immediately upon our request. You must strictly comply with the policies and procedures established by us regarding websites, social networking sites, and Internet marketing. Failure to do so may result in termination of your franchise agreement. (See Franchise Agreement, Section 11.5.)

No franchisee advertising council is anticipated at this time.

We may, in the future, cause the formation of local and/or regional cooperative marketing associations covering those areas as we, in our discretion, deem appropriate, and we may disperse those funds as we believe appropriate from the marketing fund to any local and/or regional cooperative marketing associations for local and/or regional marketing. The area of any cooperative marketing association will be based on geographic regions determined by us. Your geographic area is defined as a market with multiple franchise businesses in the same television, radio and newspaper market. Upon the formation of a local or regional cooperative marketing association, you will be deemed a member of that association as covers the area in which your franchise business is located and you will be bound by any decisions made by the association upon a majority rule by voting members. You and other franchisees in the cooperative will be responsible for the administration of the association. We will develop governing documents and make these governing documents available to all franchisees within the cooperative area. At this time these governing documents are not available. Voting will be on the basis of one vote per franchise business in good standing that a franchisee has within the association. You will be required to contribute marketing fees to any local or regional cooperative marketing associations as determined by the cooperative members, but any contribution will not exceed the amount of gross sales required to be spent by you locally. All franchisees or company owned franchises, if any, within the marketing cooperative area will be required to join and contribute to the fund on the same basis or rate. We and our affiliates contribute to this cooperative on the same basis as the franchisees. The cooperative will be required to prepare annual financial statements and these will be available to all franchisees in the cooperative and us, for review. We have the power to require cooperatives

to be formed, changed, dissolved or merged at any time. (See Franchise Agreement, Section 11.1.)

Currently we promote our franchises through print, internet, and direct mail media. Advertising programs may be implemented locally and regionally through advertising cooperatives. We may use in-house advertising departments and may use regional advertising agencies. We will provide to you advertising materials and point of sales aids for you to use in your local advertising and promotional efforts. We may use your Brand Management Fees to manage your website, SEO, create and place advertising in geographic areas as we deem to be in the best interest of our franchisees and our franchise system.

Advertising Funds

You are required to pay us 1% of gross revenue each month as a Brand Management Fee (see Item 6, above). We reserve the right to temporarily lower, suspend, or rebate the Brand Management Fee at any time, upon prior written notice to you and to our other franchisees. We will administer the capital we receive as Brand Management Fees and direct all regional and national advertising programs with sole discretion over the creative ideas, materials, endorsements, placement, and allocation of overhead expenses. We may use the Brand Management Fee to hire staff needed to maintain, administer, direct, prepare, and review national, regional, or local advertising materials and programs as we, in our sole discretion, deem proper. We are under no obligation to administer the Brand Management Fee to ensure that expenditures are proportionate to contributions of franchisees for any given market area or that any franchise benefits directly or proportionately from the development or placement of advertising. We shall not be obligated to expend all or any part of the Fees we receive during any specific period.

Each of our company owned PaintEZ® operations offering products and services similar to our franchisees will make contributions to the fund equivalent to the contribution percentage required of our franchisees. We do not have any franchise businesses that do not contribute to the fund, but we may have franchisees that contribute at a different rate. We are responsible for administering the marketing fund. We may use the marketing fund to offset a portion of direct costs to manage and maintain the fund, including the payment of staff salaries and other expenses for those employees who may be involved in marketing fund activities. We are not required to spend any amount on marketing directly in the area or territory where you are located. The marketing fund is unaudited. You may receive an unaudited annual report of marketing expenditures within ninety (90) days of the end of each year, if requested by you in writing. During the 2024 fiscal year, the marketing funds were used in the following ways: 100% to team of full-time marketing employees.

Any Brand Management Fees not used in the fiscal year in which they were contributed will be applied and used for advertising expenses in the following year.

We do not use any of the Brand Management Fee to advertise our franchise opportunity, although we will place notices that franchises are available on advertising materials and on the internet. While advertising materials note that franchises are available from us, no advertising fees, or assessments we collect from our franchisees are used for advertising that is principally a solicitation for the sale of franchises.

We have and will contribute our own funds to cover the excess of expenses over advertising fee contributions. Franchisees do not owe additional fees to us to cover these expenses. Any losses arising out of such excess fund contributions to meet actual expenses may be carried forward until such time as they have been recouped. The Brand Management Fees are administered by us. The Brand Management Fees are not audited. Neither we nor any of our affiliates or owners receive any payment for providing goods or services

paid for by the Brand Management Fees. You may obtain an accounting of the most recently released annual report of Brand Management Fees and expenditures upon written request to us.

Local Advertising Expenditures

In addition to your obligation to pay the Brand Management Fees, each month you will expend in your local market at least 5% of your gross sales, or \$20,000 annually, whichever is greater, to advertise and promote your franchise (see Item 6). You will report the nature, extent, and amount of these local expenditures in the form and at the times we require in the manual.

Computer Systems

We require that your computer and communications systems include the following hardware and software:

Minimum Hardware:

- Apple iPad tablet (10th generation or newer) with cellular internet capabilities (estimate \$459 - \$1,299)
- Smart phone (Apple preferred) with designated business phone number (estimate \$0 - \$1,000)

You must lease, purchase, or otherwise acquire, from sources of your choice and at your expense, hardware which strictly conforms to our specifications. Use of a computer may be needed for office work.

Minimum Software:

- QuickBooks Online access (or an equivalent program as determined by us or EZ Accounting Pros) / EZ Accounting Pros (Estimate \$450 / month; one time set up fee of \$250. See Item 6)

You must use our software and reporting systems. To ensure consistency throughout the franchise system, you will be required to use our proprietary software for all estimating (Franchise Agreement, Section 8.9). We will give you free technical software support for so long as we deem necessary for you to sufficiently understand our software. We will give you 45 days advance notice when we deem it reasonable for you to pay a reasonable technical support fee to receive additional technical support (see Item 6).

Maintenance, Updates, and Support for Computer Systems:

We may require updates and upgrades to your iPad and smart phone during the term of the franchise agreement. The maintenance, repair, and upgrade of your hardware and software is at your expense. We require updates and upgrades to the computer software as it becomes available. Neither we, our affiliate, or a third party is required to provide on-going maintenance repairs, upgrades or updates on software or hardware. There are no contractual limitations to the frequency and cost of the obligation to upgrade the computer software or your computer system. We have no obligations to provide updates, upgrades, technical support, maintenance or repair the computer software or your computer system.

You must pay us for upgrades to any proprietary software we may implement. We estimate the cost of those upgrades will not be more than \$500 during any calendar year. Other than the required upgrades to our proprietary software, you may, but are not obligated to, update or upgrade hardware and/or software during the term of the agreement. We estimate that these optional updates or upgrades will be approximately \$0 to \$250 per year.

Our Access to Information on Computer Systems:

We do not now have, but may in the future require, independent access to and use of the information and data on your computer systems. There are no contractual limits on such access and use. We will have full ability to poll your data, system, and related information by means of direct access whether in person or by telephone/modem.

We will have independent access to all of your PaintEZ® data and other information that is generated and stored under our proprietary software. There are no contractual limitation on our right to access this information or data under our proprietary software. We will not implement any electronic system that will disrupt or damage your electronic system, and our access will be read-only.

D. Employment Matters

We do not assist you with the hiring, firing, managing or compensation of your employees. That is your responsibility. Other than initial and ongoing management training, we do not assist you with the training of your employees. We may provide you with an employee guide or manual, but it will only be a sample of certain employment matters unless otherwise indicated by us. It is your responsibility to comply with local and federal employment laws.

E. Area Developer Agreement

Your rights under the area developer agreement are territorial only and do not give or imply a right to use our trademarks or system. Our only obligation is to provide a territory where you have the option to develop PaintEZ® franchise businesses as provided in the agreement. After you have identified a potential site for a location, we will approve the location pursuant to your franchise agreement for that franchise location. (See Area Developer Agreement, Section 2.1, and Franchise Agreement, Section 1.1.)

ITEM 12 TERRITORY

Franchise Territory

Under the franchise agreement, we will grant you an exclusive territory which allows you the right to use the system and proprietary marks solely within a specific geographic area, the boundaries of which will be negotiated prior to signing and described in the franchise agreement.

The specific size of your territory is negotiable between you and us based upon the population density, the population base in the territory, whether your location is in a metropolitan or rural area, the type of franchise, and other comparable factors. But generally, depending on the density of the population, your territory will have a population base of approximately 100,000 households and at least 300,000 people. The written boundaries of your territory will be included in your franchise agreement. You will operate from one office location and we recommend that your PaintEZ® location be your personal residence, at least during the start-up phase, as this approach will save you a substantial amount of money. You may, however, select a commercial office building, industrial office complex or business park facility as your PaintEZ® location. We must review and approve, in writing, your selection of your PaintEZ® location.

If there are any national accounts within your territory, these will be referred to you and you will be required to service the national account within your territory and you will be compensated at the rate set for the national account.

Relocation

Before relocating your PaintEZ® location, you must first notify us, and we must give our prior written approval, and you must pay a relocation fee equal to the out-of-pocket expenses and costs we incur for your relocation. The basis of our approval for you to relocate will be similar to our approval of your initial location.

First Right of Purchase and Right of First Refusal

You do not receive the right to acquire additional franchises or grant sub franchises within the franchise territory or in contiguous territories. You have not been extended options, rights of first refusal, or similar rights to acquire additional franchises or grant sub franchises within the franchise territory or in contiguous territories.

Continuation of Your Exclusive Territory

You will receive an exclusive territory. Your territorial exclusivity is not dependent upon achievement of a certain sales value, market penetration, or any other contingency. There are no minimum sales quotas requirements. There are no other circumstances that permit us to modify or alter your territorial rights during the term in your Franchise Agreement.

Your Restrictions

Other franchisees may not market within your territory and you may not market within other territories. You may provide services to locations within another franchisee's territory, but only if that has come from a referral of relationship you built in your territory and you have provided notice to the other franchisee. You may service customers in areas that have not been awarded to another franchisee, but your marketing is restricted to your territory. You do not receive the right or option to acquire additional franchises, but you may purchase another territory upon meeting certain requirements (staff, marketing plan, etc).

Except with our prior written permission, you will not place, under any circumstances, advertisements using our marks in or originating from any area other than the franchise territory.

Except as otherwise provided in the Franchise Agreement or the manual, you may not directly market to, or solicit customers whose principal home address or place of business is outside the franchise territory. You may not advertise in any media whose primary circulation is outside the franchise territory, except with our prior written permission and the prior written consent of any of our franchisees whose territory is reached by that media. All Internet marketing is part of our marketing programs described in the manual and defined in the Franchise Agreement; and must be coordinated through us and approved by us. You may not market independently on the Internet or acquire an independent Internet domain name or website. You may not solicit or accept orders outside your franchise territory under other channels of distribution (such as the Internet, other forms of media now or in the future developed, wholesale and mail order channels) without our prior written approval.

Only we may place national or regional advertising.

Our Reserved Rights

We and our affiliate reserve the right to sell, market and distribute PaintEZ® products and products under other brands we control both within and outside your territory using other marketing strategies and distribution channels, such as catalogs and other direct sales methods, to or through grocery and convenience

stores and wholesale outlets, co-branding with other outlets and the Internet, etc. We do not pay you for soliciting or accepting orders or selling any products or services through other channels inside your territory.

We retain all rights not specifically granted to you in the Franchise Agreement. This includes our right to use or license the use of our service marks and trademarks to others. Neither we nor our affiliates are restricted from participating in other distribution methods, whether or not within the franchise territory, without compensation to you, including Internet, other forms of media now or in the future developed, wholesale and mail order channels, whether under our principal marks or under marks and product configurations different than those offered through your franchise.

Neither we, nor an affiliate operates, franchises or has a plan to operate or franchise a business that sells or will sell goods or services similar to those sold in your franchise, but we reserve the right to do so in the future. We have not established and do not intend to establish other franchises or company-owned outlets selling similar products or services under a different method of operation, trade name or trademark.

We may purchase or be purchased by, or merge, or combine with, competing businesses, wherever located.

Area Development

You may purchase an area developer package. If so, you will initially be assigned a limited non-exclusive territory in which to develop your franchise businesses. The size of this territory is to be negotiated based on the number of units, the population density, whether the units will be located in a rural or metropolitan area and other factors. The written boundaries of your territory will be included in your area developer agreement. The schedule of units to be developed in your territory is negotiated between you and us. To maintain your territorial rights, you must develop the franchise business in accordance with the development schedule.

Once you sign a franchise agreement for each unit, the territory will be defined and will be exclusive. Your territorial exclusivity is not dependent upon achievement of a certain sales value, market penetration, or any other contingency. There are no minimum sales quotas requirements. There are no other circumstances that permit us to modify or alter your territorial rights during the term in your Franchise Agreement. The above sections titled "Relocation," "First Right of Purchase and Right of First Refusal," "Continuation of Your Exclusive Territory," "Your Restrictions," and "Our Reserved Rights" applies to area developers once a franchise agreement is signed for each unit.

ITEM 13 TRADEMARKS

We grant you the non-exclusive right to use certain of our trademarks in the operation of your franchise business. You may also use other current or future trademarks in the operation of your franchise business, as we designate. You will not at any time acquire any rights in the trademarks. You are prohibited from using any trademark as part of your corporate name, but you must use the name PaintEZ® as part of an assumed name or dba registered with the applicable governmental authority. This use is non-exclusive. You cannot make application for registration or other protection of PaintEZ® names, derivatives or any other trademark used by us.

There are presently no superior rights in or infringing uses of the trademarks that could materially affect your use of the trademarks in your territory.

We may make modifications or discontinue the use of any of our trademarks. You may not act contrary to our rights in the marks. We are not required to defend or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the licensed trademarks.

ITEM 14

PATENTS, COPYRIGHT, AND PROPRIETARY INFORMATION

We do not own rights to, or licenses in, any patent that is material to the franchise system.

We have not registered the manuals with the United States Copyright Office, but we claim a copyright and consider the information proprietary, and we or our parent and affiliate claim protected trade secrets and copyrights in our franchise system.

There have not been any material determinations by the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding any patents or copyrights.

You can use the proprietary information in our manual but only in connection with the system. The manual may not be copied. The manual must be returned to us upon termination of your franchise. As mentioned above, portions of the “system” are a trade secret or confidential and proprietary to us. You must also promptly tell us when you learn about unauthorized use of the manual and any other proprietary information. We are not obligated to take any action but will respond to this information, as we believe appropriate. If applicable, we have the right to control any administrative proceedings or litigation. We are not required to defend or indemnify you for any damages from a proceeding based on copyright. You must modify or discontinue the use of any copyright, at your cost, if we modify it, in our reasonable discretion.

With regards to our proprietary information and or system the franchise agreement also provides that you will: (a) strictly follow all confidential security procedures required by us, (b) disclose this information to your employees only as needed to market our products and services; (c) not use this information in any other business; (d) exercise the highest degree of diligence to maintain this information as confidential; and (e) promptly notify us if you learn of any unauthorized use of our trade name, trademarks, trade secrets or proprietary information. Your use of our proprietary information is limited to the uses required or allowed by us.

We claim other copyrights in sales literature and marketing materials, which we, or our franchisees develop, and your use of these materials will be limited to the uses required or allowed by us.

There are presently no superior rights in or infringing uses of the copyrights or patents that could materially affect your use of the copyrights or patents in your territory.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We recommend that you or one of your owners if you are a corporation or partnership, participate fully in the actual day-to-day operation of the franchise business. However, you are not required to participate in the day-to-day operations of your franchise by the Franchise Agreement or any other contractual obligation with us. You may designate a manager to assume responsibility for day-to-day operations. We do not impose any restrictions on who may serve as a manager of your franchise; however, you should exercise reasonable care in selecting your employees. Any managers you employ to help you to operate the franchise must successfully complete the mandatory training program described in Item 11 before they can manage the franchise

business. Your manager is not required to have an equity interest in your franchise. The manager and all of your owners must agree to be bound by the confidentiality and non-competition provisions of the Franchise Agreement in writing.

Each of your owners must assume and agree to discharge all of your obligations under the franchise agreement.

Neither you nor your management employees can have an interest in or business relationship with any competing business. Your on-premises designated manager does not need to have an ownership interest in your franchise business. You, your partners, directors, members, shareholders and your manager and other principal employees will be required to sign standard confidentiality agreements to protect and keep confidential our trade secrets and confidential information described in Item 14 and to conform with the covenants not to compete described in Item 17. Your employees may also be required to sign confidentiality agreements. You, your partners, directors, members, shareholders and your manager and other principal employees, however, will be required to sign a standard confidentiality to protect and keep confidential our trade secrets and confidential information described in Item 14 and to conform with the covenants not to compete described in Item 17 and our confidentiality agreement (see Exhibit A-7). Your employees will also be required to sign covenants not to compete and confidentiality agreements (see Exhibit A-8).

You must maintain sufficient supplies and materials and employ adequate personnel to operate the franchise business at maximum efficiency. You must keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with your franchise business or the franchise system. You must conduct frequent inspections of the facilities to ensure the highest standards of cleanliness and general pleasant appearance, as well as frequent inspections of the operations to ensure compliance with our approved methods.

Failure to provide the required on-premise supervision is considered a default under the franchise agreement and may result in terminating your franchise. In addition, if we or our independent service provider find that you are not in compliance, we have the option, at our discretion, to manage the franchise until you have found a suitable replacement to act as your manager. For this you will be charged a fee, plus travel and living expenses for our representatives and you will remain responsible for all royalties, marketing fees, and all other fees required under the franchise agreement (see Item 6).

Any individual who owns a 5% or greater interest in the franchise business, and his or her spouse, must personally guarantee the performance of all your obligations under the franchise agreement and agree to be personally bound by, and liable for, the breach of every provision of the franchise agreement.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must provide and sell only those products and services specified and approved by us in writing. No product or service may be added to, altered, or discontinued by your franchise business unless it is first approved by us in writing. You must offer all products and services required by us. We reserve the right to add, modify, or delete products and/or services that you will be required to offer. There are no limits on our right to do so. You must strictly follow our policies, procedures, specifications, methods and techniques concerning all of our products and services. There are no limits to customers to whom franchisee may sell goods and services.

ITEM 18 PUBLIC FIGURES

No public figures are involved in our franchise program.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Financial Performance Representation

The following tables are historical financial performance representations from our existing franchisees throughout the United States that have been open and operating for 12 full months as of December 31, 2024 with the same operator. We did not include any company or affiliate owned franchises in the below data.

As of the end of the 2024 reporting period, there were 32 franchisee territories and 1 company or affiliate owned territory in the United States. Of the 32 franchisee territories, there were 12 franchisee territories that

were open and operating with the same owner for the entire 2024 year. Of the 12 franchisee territories, 8 franchises are owner operated (1 is part time), 2 franchises are owner operated with a project manager, and 1 franchise is operated by a manager. One of the franchisees operates 2 territories, as indicated below. Otherwise, the characteristics of the below franchisee outlets are similar to an outlet that you may operate. The data below is from these 12 franchisees. The data used to generate the figures in the following tables was generated by our software from data entered by the franchisees and it was not audited.

ARTICLE III: FEES, REPORTS, AND STATEMENTS

3.1 Initial Franchise Fee. In consideration of the grant of rights hereunder, You shall pay Us, upon the execution of this Agreement an initial franchise fee in the amount of Fifty Thousand Dollars (\$50,000) for a single territory, Forty Thousand Dollars (\$40,000) for a second territory, Thirty Thousand Dollars (\$30,000) for a third territory, and any other additional territories beyond three will be an additional Thirty Thousand Dollars (\$30,000) (“Initial Fee”), in one lump sum at the time of execution of this Agreement in return for which Franchisee shall receive all the rights as defined herein to operate a residential and commercial painting business under the PaintEZ® name, subject to compliance with the terms of this Agreement. This Initial Fee is fully earned upon the acceptance of this Agreement by Franchisor and is non-refundable. The Initial Fee must be paid in full before any right or privileges exist for Franchisee under this Agreement.

3.2 Royalty. In consideration of Your right to use Our Intellectual Property and System in accordance with this Agreement, You shall pay Us a non-refundable continuing monthly royalty, in accordance with Paragraph 3.4.2 below, as follows:

6% of Your annual Gross Sales if Your annual Gross Sales are from
\$0 to \$1,000,000;

5% of the portion of Your annual Gross Sales that are from
\$1,000,001 to \$2,000,000;

4.5% of the portion of Your annual Gross Sales that are from
\$2,000,001 and above.

For example, if You make \$100,000 in Gross Sales for eight consecutive months, Your monthly royalty would be 6% or \$6,000 per month. If in month nine, You make \$300,000 in Gross Sales, You would pay 6% on \$200,000 and 5% on \$100,000, for a total royalty of \$17,000 for that month. If in month ten, You again make \$100,000 in Gross Sales, You would pay 5% or \$5,000 in royalties for that month.

“Gross Sales” includes the total of all sales of all products, goods or services sold, traded, bartered, or rendered by You and income of every kind and nature Including the value of a trade or other bartering, arising from Your Franchise Business and tangible property of every kind sold by You during the term of this Agreement. “Gross Sales” excludes bona fide credits and returns of any products and excludes amounts paid by You for sales or use taxes on the sale of any products or services.

3.3 Marketing Fees. In consideration of Our marketing and promotional programs that may benefit Your Franchise Business, You agree to pay Us a monthly marketing fee of one percent

(1%) of Your Gross Sales, in accordance with Paragraph 3.4.2 below (“Brand Management Fees”), and You also agree to spend at least an additional five percent (5%) of Your monthly Gross Sales, or Twenty Thousand Dollars (\$20,000) annually, whichever is greater, for local marketing and promotional programs in Your Territory (“Local Advertising Requirement”). We encourage You to spend more than the above minimum on local marketing and promotional programs in Your Territory. If You fail to meet the minimum Local Advertising Requirement, You will pay Us the difference between how much You actually spent for local advertising and the Local Advertising Requirement which will be contributed to the Brand Management Fee for national advertising or to Us. The Brand Management Fee and Local Advertising Requirement are collectively referred to herein as the Marketing Fees (see Exhibit A-2).

3.3.1 Grand Opening Marketing Plan. We will provide You with a grand opening marketing plan, in which You will be responsible to pay Us and the various marketing vendors, for an estimated cost of Four Thousand Dollars (\$4,000) per month per location for the first three (3) months (see Exhibit A-2). This estimate for the grand opening marketing plan includes the costs for marketing and promotional materials used for in-house marketing such as website management, management of paid advertisements, post card creation, design work, brochure design work, materials containing the trademarks, etc., as well as general and promotional marketing for at least 3 months. This also includes the required purchase of a minimum number of online leads and online lead management services (SEO, PPC, LBL) for Your 3-month start-up phase.

3.3.2 Marketing Cooperative. If a local marketing cooperative is formed, You are required to contribute as calculated by the cooperative. This contribution will not exceed Your required annual Local Advertising Requirement in a single year, unless a majority of franchisees in Your marketing cooperative agree to increase the contribution amount. Your contribution may be counted as part of Your Marketing Fees (discussed in Section 3.3 above).

3.4 Financial Reports. Your royalty and Marketing Fees (specified in Sections 3.2 and 3.3 respectively) are to be made according to the calculation, reporting, and payment as follows:

3.4.1 Gross Sales Report. The “Gross Sales Report” will consist of all money received or accrued, sales or other services performed and such other information concerning Your financial affairs as We may require. We generally produce the Gross Sales Report based on Our access, however, We may require You to produce Your Gross Sales Report in the future, if so, You agree to send Us a “Gross Sales Report” no later than 15 days following the end of the previous calendar month, or as We so require.

3.4.2 Payment Due Date. Payment of all fees are to be made by electronic funds transfer from Your Operating Account to Our pre-authorized account, or as specified by Us. The royalty and Marketing Fees as shown on the Gross Sales Report are due no later than 3:00 pm Mountain Standard Time on 7th day of each month for the previous month’s sales (“Due Date”). Our current ACH agreement is attached as Exhibit “A-10” and may be modified at any time in Our sole discretion. We may require daily or weekly payment of royalty, marketing, and other fees in the future. You agree to only have one Operating Account.

3.4.3 Non-Sufficient Funds Fee/Late Fees and Interest. If You fail to provide Us any required reports or financial statements, or any check or electronic payment fails, You agree to pay a late fee of Fifty Dollars (\$50) per day for each day the report or fees are not received by Us or ten percent (10%) of the fees due, whichever is greater, up to a maximum of Two Hundred Dollars (\$200) per month per late fee or report. These late fees are due five (5) days after You have received notice from Us. We have the right to adjust these late fees. In addition to any late fees, You agree all fees not paid when due will be subject to interest at the rate of eighteen percent (18%) per annum or the maximum rate allowed by law, whichever is less. Unpaid interest charges will compound annually (see Exhibit A-2).

3.5 Taxes. You shall pay, when due, any and all federal, state, and local taxes. If royalties or Marketing Fees are assessed a tax, of any nature, against Us, You agree to pay the taxing authority, or Us, a sum equal to the assessed tax for royalties or Marketing Fees.

3.6 Financial Statements. You agree to provide Us quarterly financial statements within fifteen (15) business days after the end of each quarter. These statements include a profit and loss statement and a balance sheet. **These financial statements must be in the format We specify.** Additionally, within ninety (90) days after the end of each calendar year, You agree to submit to Us a complete financial statement for the preceding calendar year which includes a profit and loss statement and balance sheet that has been reviewed and certified by an independent public accountant.

3.6.1 Access to Financial Records. You agree to allow Us or Our certified public accountant, or other authorized agent, to conduct computer and other audits for Your Franchise Business during normal business hours. This Includes the right to examine and make copies of Your books, records, financial statements, balance sheets, sales, and income tax returns for Your Franchise Business. You agree to keep complete and accurate records for Your Franchise Business.

3.6.2 Audits. If any audit, or other investigation, reveals a deficiency of two percent (2%) or more of the Gross Sales used to calculate the payment of the royalty or Marketing Fees due to Us, You agree to immediately pay Us the deficiency, the appropriate fine for late fees (as discussed in Section 3.4.3), and You agree to reimburse Us for the total expense of the audit or investigation which include the accountant's fees, travel expenses, room, board, and all other costs reasonably incurred in connection with the audit. If You fail to report Your Gross Sales or You fail to keep organized and readable records, it will be considered an understatement by more than two percent (2%).

3.7 Software and Technology Fee. You will be assessed an initial set up fee and monthly payments for use of software and technologies (see Exhibit A-2). Your initial set up fee is due upon signing this Agreement for software and technology services. Your monthly fee is payable in accordance with Section 3.4.2 (above). Your payments will begin upon Your first day of operation and are paid to Us or Our affiliate. We may require You to use new technologies we implement. You are required to use Our programs.

If the transferee is a corporation, partnership, limited liability company, or other entity, those of transferee's principals who are designated as principals, also must execute such agreement and guarantee the performance thereof.

x. You execute a general release, in a form satisfactory to Us, which releases Us from any claims You may have against Us or Our affiliates, officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees, past and present, in their corporate and individual capacities Including claims arising under this Agreement and any other agreement with Us or Our affiliates, and under federal, state, or local laws, rules, regulations, and orders.

xi. You agree to remain liable for all of Your obligations to Us under this Agreement incurred prior to the effective date of the transfer and must execute any and all instruments requested by Us to evidence such liability.

xii. You agree that the non-competition, indemnity, confidentiality obligations, dispute resolutions, and any other portion of this Agreement that is intended to survive the termination or expiration of this Agreement will survive after such transfer.

xiii. If the transfer relates to the grant of a security interest in any of Your assets, We may require the secured party to agree that, in the event of any default by You under any documents related to the security interest, We will have the right and option, but not obligation, to be substituted as obligor to the secured party and to cure any of Your defaults.

15.7 Non-Controlling Interest. If any person holding a non-controlling interest in Franchisee (other than one that signed the Principals Guaranty, attached hereto as Exhibit "A-4") proposes to transfer such interest, then You must promptly notify Us of such proposed transfer in writing and provide such information relative thereto as We may reasonably request prior to the transfer. The transferee must not be one of Our competitors and may be required to execute a confidentiality agreement and non-competition agreement(s) in the form then required by Us. We reserve the right to require such transferee to sign the Principal Guaranty.

15.8 Right of First Refusal. If You decide to transfer or assign Your interests under this Agreement, Your entire Franchise Business, or an ownership interest in Your Franchise Business, You agree to grant Us the right of first refusal. You shall provide Us with a copy of any bona fide written offer (which by definition, must include an earnest money deposit which is not less than five percent (5%) of the offered price), from a fully disclosed third party. The offer must include the terms and conditions of the transfer including assets proposed, the purchase price, any financing terms being extended by You, the date of the proposed transfer, and any other pertinent provisions of the proposed transfer. We will have the right, but not obligations, to purchase such interest for the same price and with the same terms and conditions contained in the offer by sending You written notice of Our decision within thirty (30) days of receipt of the offer. We may substitute cash for any form of payment proposed in the offer. Our credit will be deemed equal to the credit of any proposed purchaser. You agree that We are entitled to receive all customary representations and warranties given by the seller of assets of a business, capital stock, or ownership interest in an entity, including representations and warranties as to: ownership, condition of and title to stock or other form of ownership interest and assets; liens and encumbrances relating to the stock or other forms of ownership interest and assets; and the validity of contracts and liabilities. Each party must bear its own legal and other costs associated with the transaction contemplated in this Section. Failure to comply with this Section will constitute a material default under this Agreement.

15.9 Non-Election or Change of Terms. If We do not exercise Our right of first refusal, You may complete the sale to the third-party purchaser pursuant to the exact terms of the offer, subject to Our prior written approval as set forth above in this Article. If the sale is not completed within one hundred twenty (120) days after delivery of such offer to Us, or if there is a material change in terms of the sale, We will have an additional right of first refusal for a thirty (30) day period following either the expiration of the one hundred twenty (120) day period or the material change in terms of sale, either on the terms originally offered to Us or the modified terms, at Our option. Our failure to exercise the option will not constitute a waiver of any other provision of this Agreement.

15.10 Death or Incapacity. We must be promptly notified of any death or claim of permanent disability of Franchisee, its principal, or any person who has managerial responsibility for the operation of the Franchise Business. Upon the death or mental or physical incapacity, as reasonably determined by an independent third party such as a doctor, for a period of sixty (60) or more consecutive days, of You or any person who has managerial responsibility for the operation of the Franchise Business, the executor, administrator, or personal representative of such person shall transfer his or her interests under this Agreement to a third party approved by Us within six (6) months after the death or finding of incapacity, with the transfer being subject to the same conditions as any other transfer. If the heirs or beneficiaries are unable to meet the transfer

conditions set forth in this Article, We may terminate this Agreement. We have the right, but not obligation, to step in and manage Your Franchise Business for a fee as set forth on Exhibit A-2 plus Our costs of travel, food, and lodging.

15.11 No Waiver. Our consent to the transfer or assignment of any interest hereunder will not constitute a waiver of any claims which We may have against You nor will it be deemed a waiver of Our right to demand You comply with any of the terms of this Agreement.

ARTICLE XVI: NON-COMPETITION COVENANT

16.1 Non-Competition Covenant. You agree that during the term of this Agreement, and for a period of two (2) years after the termination or expiration of this Agreement, You and Your principals, officers, directors, holders, members, general partners, any limited partners, and their respective spouses and immediate family members covenant and agree, pursuant to this Agreement, that they will not, directly or indirectly, own, operate, lease, franchise, conduct, consult, engage, connect, assist, have any interest in, or provide loans to any person or entity engaged in or as an owner, employee, consultant, partner, officer, director, shareholder, participant, or share the earnings or profits of any person, firm, entity, partnership, corporation engaged in any residential and/or commercial painting business or other business offering products or services the same or substantially similar to the Franchise Business or Our System that is located within a one hundred (100) mile radius of any of Our franchises, companies, or affiliate owned operations, whether then in existence or under contract, unless with Our prior written consent. In the event that You violate this Article XVI and compete during the non-competition period, the non-competition period will be extended by the amount of time You competed plus an additional six (6) months thereafter. A Principal Confidentiality & Non-Competition Agreement, Exhibit "A-7, hereby incorporated hereto, must be completed by all of Your owners, principals, members, directors, officers, managers, and shareholders and returned to Us within one (1) week of being signed. The restrictions of this Section 16.1 are not applicable to owners of shares that represent two percent (2%) or less of the issued or outstanding securities of that class of security. This Section 16.1 will survive the expiration, termination, or transfer of this Agreement.

16.2 Confidentiality. You acknowledge and agree that all information relating to the System and all other Confidential Information is considered to be proprietary and trade secrets of Franchisor. You also agree that We are the sole exclusive owners of Our System and Our Confidential Information and You agree to never contest that We are the exclusive owners of Our System and Our Confidential Information. The parties hereto stipulate that as between them, Franchisor's Confidential Information is important, material, and gravely affects Franchisor's goodwill including the effective and successful conduct of the business of Franchisor. You agree that all Confidential Information is to be held in the strictest of confidence during and after the term of this Agreement and is not to be divulged to anyone, directly or indirectly, at any time, except to Franchisee's employees or others who need to know the information to operate the Franchise Business. You agree that You, or any of those whom You have control, will never make any unauthorized disclosures of Our Confidential Information. You acknowledge that We disclose Our Confidential Information to You for guidance and assistance with Your Franchise Business and that You are not to ever use this information in the operation of any other residential and/or commercial painting business or other business and to maintain absolute confidentiality of the

Confidential Information during and after the term of this Agreement. You, or any of those whom You have control, except as We may grant permission in writing, will not, at any time, make any unauthorized copies, duplicates, records, reproductions, and will not download, print, transmit via facsimile, email, text, or any other means reproduce or copy all or parts of the Confidential Information that We provide to You. You agree to implement reasonable procedures, and adopt all of Our confidentiality procedures, to prevent unauthorized use or disclosure of Confidential Information. This Section 16.2 will survive the expiration, termination, or transfer of this Agreement or any interest herein and will perpetually be binding upon You.

16.3 Covenant Reasonableness. You agree that the covenants in this Article contain reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor and other franchisees. You acknowledge that if You violate any part of this Article it is likely to cause Us substantial and irreparable harm.

16.4 Modifications to Ensure Survival. Each such covenant will be construed as independent of any other covenant or provision of this Agreement. You agree that each covenant is reasonable. However, if any court finds any covenant or any portion of any covenant to be unreasonable, the court may reduce the scope and/or duration of the covenant to the extent necessary to render it enforceable while still providing the greatest restriction allowable.

16.5 Remedies. As the damages arising out of any such breach of this Section would be difficult to ascertain, You agree that, in addition to all other remedies provided by law or in equity, We, in the event of a breach or threatened breach of the covenants herein contained, shall be entitled to seek immediate equitable remedies, without proof of actual damages that may be caused by such breach and without the requirement of posting bond, including, but not limited to, restraining orders, preliminary and permanent injunctions in order to prevent Your, or Your partners, members, officers, directors, trustees, or employees from continuing to breach the covenants contained herein. Additionally, You agree that the following remedies will also apply.

16.5.1 Profits for Non-Competition Violations. If You violate the non-competition covenants in this Agreement, Including any of its Exhibits, by entering into or engaging with a competing business, You agree to pay Us one hundred percent (100%) of the amount of revenue generated by Your competing business in addition to liquidated damages (discussed in Section 16.5.2 below) (see Exhibit A-2).

16.5.2 Liquidated Damages for Non-Competition Violations. If You violate the non-competition covenants in this Agreement, Including any of its Exhibits, by entering into or engaging with a competing business, You agree that We will be entitled to liquidated damages in the amount of One Hundred Fifty Thousand Dollars (\$150,000) per year of operation for each competing business until the end of Your franchise-term, plus a one (1) year post-termination non-compete term, and You shall also pay Our then-current royalty rate for all gross sales from the competing business (see Exhibit A-2).

16.5.3 Alternative Remedies. If this Article XVI is unenforceable, for whatever reason, after the expiration or termination of this Agreement and the remedies ordered are

unacceptable to Us, You will be required to pay Seventy-Five Thousand Dollars (\$75,000) per each competing business location, and for one (1) year after the expiration or termination of this Agreement, You agree to pay one-half (1/2) of the royalties and Marketing Fees, as a fee to Us, which would be payable if the competing business location were a PaintEZ® franchise (see Exhibit A-2).

16.6 Costs. You agree to pay all costs and expenses Including reasonable attorneys' fees, and interest on such fees, costs, and expenses, incurred by Us in connection with the enforcement of this Article XVI. If You violate any restriction contained in this Article XVI, and it is necessary for Us to seek equitable relief, the restrictions contained herein shall remain in effect until one (1) year after such relief is granted. If You contest the enforcement of Article XVI and the enforcement is delayed pending litigation, and if We prevail, the period of non-competition shall be extended for an additional period equal to the period of time that enforcement of this Article XVI is delayed.

16.7 Survival. The provisions of this Article XVI will survive the termination, expiration, or transfer of this Agreement or any interest herein.

18.2 Jurisdiction. You consent to the jurisdiction of the State of Utah in all lawsuits, arbitrations, or mediations relating to or arising out of this Agreement and hereby waive any defense You may have regarding lack of jurisdiction or venue for Disputes arising out of this Agreement. This consent to jurisdiction is crucial so that franchise issues will be determined in a consistent manner for application throughout Our System.

ARTICLE XIX: DISPUTES

19.1 Quick Resolution. As We and You understand, there is always a possibility of difference of opinion or other disagreements in business relationships. We and You agree that it is important to resolve any disputes amicably, quickly, inexpensively, and professionally so that We and You can return to business as soon as possible. We and You have agreed that the provisions of this Article XIX support these mutual objectives and, therefore, agree to the following.

19.2 Dispute Resolution. We and You agree that any dispute, controversy, issue, claim, or action whatsoever (“Dispute”) between You, Us, affiliates, shareholders, members, managers, officers, directors, agents, employees, and attorneys arising out of or relating to this Agreement, or any other agreement between You and Us, the Franchise Business, or any of PaintEZ® operations, except those outlined under Section 19.5, will be exclusively processed in the following manner:

19.2.1 Face-to-Face Meeting. The dispute shall first be discussed in a face-to-face meeting between You and Us in Salt Lake City, Utah or at Our then-current headquarters. This face-to-face meeting will be held within thirty (30) days of You or We providing written notice to the other requesting such meeting. We have the right, in Our sole discretion, to waive this requirement.

19.2.2 Mediation. If the face-to-face meeting has not resolved the matter successfully, either You or We may submit the matter to non-binding mediation before the Franchise Arbitration and Mediation Services (“FAM”) or as otherwise agreed. You and We will split the costs and each will bear their own expenses of any mediation. The mediation will be conducted exclusively in Salt Lake City, Utah. If either party chooses to pursue litigation as provided below, the mediation and litigation may proceed at the same time. The mediator will be disqualified as a witness, consultant, expert, or counsel for either party for the matter in dispute and any related matters. If You and We agree not to participate in mediation, then the matter may proceed to litigation as provided below.

19.2.3 Legal Proceeding. If the mediation has not resolved the matter successfully, or mediation is waived, either You or We may institute a legal suit, action, or proceeding, exclusively in Salt Lake City, Utah, against the other party to enforce this Agreement or obtain any other remedy regarding any breach of this Agreement. The prevailing party in the suit, action, or proceeding is entitled to receive, and the non-prevailing party shall pay, in addition to all other remedies to which the prevailing party may be entitled, the costs and expenses incurred by the prevailing party in conducting the suit, action, or proceeding, including attorneys' fees and expenses and court costs, even if not recoverable by law, Including all fees, taxes, costs, and expenses incident to appellate and post-judgment proceedings.

19.3 Contractual Statute of Limitations. You and We agree that any action in relation to this Agreement or the parties' relationship, except for such claims under Section 19.5, shall be commenced within one (1) year of the alleged breach or event giving rise to the Dispute, without regard to the date any alleged Dispute was discovered. Any action not brought within the one (1) year time period shall be barred. The parties expressly waive any right to claim enforcement of or reliance upon any discovery rule or tolling or similar legal doctrine or statute to avoid enforcement of this waiver.

19.4 Waiver of Certain Damages and Jury Trial. Each party waives, to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special, consequential or other similar damages, Including loss of profits, against the other and agrees that, in the event of a dispute between them, the party making a claim will be limited to equitable relief and to the recovery of actual damages sustained, without limiting Your obligation to indemnify Us pursuant to this Agreement. Each party irrevocably waives any right to a jury trial for Disputes arising or related to this Agreement to the fullest extent permitted by law and hereby stipulate that any such trial will occur without a jury.

19.5 Exceptions to Mediation. You agree that nothing in this Agreement requires Us to mediate Disputes related to any of the following: (1) the validity of Marks, trademarks, service marks, or other Intellectual Property; (2) rights to obtain a writ of attachment or other prejudgment remedies; or (3) Disputes solely for fees and other funds owed by one party to the other under this Agreement.

19.6 Dispute Fees. The parties to the Dispute will share the expenses equally and pay for their own fees, except for appeal fees shall be paid by the party requesting the appeal. The prevailing party in any legal proceeding, litigation, arbitration or mediation, Including appeals, will be awarded attorney's fees and costs.

19.7 Liquidated Damages. You and We recognize the difficulty of calculating damages caused by lost future royalties, but nevertheless, recognize and agree that such damages could arise, and You and We hereby agree to the following formula as a compromise on the calculation of such damages. If this Agreement is terminated, other than for non-renewal or mutual termination, in addition to other remedies available under this Agreement, We will be entitled to liquidated damages, not as a penalty, but solely to compensate Us for lost future royalties. These liquidated damages will be equal to the average royalty payment from the previous twelve (12) months multiplied by the lesser of thirty-six (36) months or the remaining term of this Agreement.

You and We agree that such amount will be reduced to the present value of such payments as of the date of termination utilizing an interest rate of five percent (5%) (see Exhibit A-2). Such liquidated damages only cover Our damages for lost royalties and do not cover any other damages under this Agreement, at law, and in equity and are not a waiver of any other right. You agree that these liquidated damages do not give Us an adequate remedy at law for any other default under any provision of this Agreement other than lost royalties.

19.8 Fees for Non-Compliance; Payment of Our Costs in Securing Compliance. In addition to any other remedy We may have under this Agreement and under law, in the event You fail to comply promptly with any of Your post-termination obligations: (a) You agree to pay Us Five Hundred Dollars (\$500) per day for each day that You are in default (“Daily Post-Termination Non-Compliance Fee”), as a reasonable estimate of the damages suffered by Us; and (b) to prevent further injury, We may hire a third-party or use Our own personnel to de-identify Your Franchise Business Premises and/or to carry out any other post-termination obligations on Your behalf, for which costs You will be responsible (see Exhibit A-2). These costs will Include any attorneys’ fees and costs incurred and associated with enforcing Your post-termination obligations. We have the right to automatically debit by EFT or other electronic withdrawal means, Your bank account for these payments. This Daily Post-Termination Non-Compliance Fee obligation will not affect Our right to obtain appropriate injunctive relief and other remedies under this Agreement Including to enforce this Article, Our trademark rights, or the non-competition covenants.

19.9 Additional Non-Compliance Costs. In addition to the Daily Post-Termination Non-Compliance Fee, You agree to pay Us: (a) the amount of expenses reasonably incurred by Us to perform any obligation that You failed to perform, calculated on hourly rates of Our personnel, and time, travel, lodging, food, and other expenses where applicable; and (b) all damages, costs, and expenses, Including attorneys’ fees and costs incurred by Us in obtaining injunctive or other relief. Upon Your termination, We have the right to transfer from Your account by EFT or other electronic withdrawal means, a payment of Ten Thousand Dollars (\$10,000) in respect and anticipation of the Daily Post-Termination Non-Compliance Fee and expenses (see Exhibit A-2). Upon completion of the de-identification of the Premises to Our reasonable satisfaction and payment of the expenses provided in this Section, We will refund to You any unused remaining portion of the Ten Thousand Dollars (\$10,000). If the Ten Thousand Dollars (\$10,000) is insufficient to satisfy Your monetary obligations to Us, You will pay the balance owed to Us within thirty (30) days of Your receipt of Our invoice.

ARTICLE XX: INDEMNIFICATION

20.1 Indemnification. You agree to protect, defend, indemnify, and hold harmless Us and Our affiliates, Including principals, directors, officers, employees, agents, members, attorneys, accountants, shareholders, interest holders, successors, spouses, assigns, and any directly or indirectly controlling entity (“Indemnitees”) against, and to reimburse any one or more of the Indemnitees for, any and all claims, losses, liabilities, acts, damages, costs, and expenses, Including attorneys’ fees in any way related to, directly or indirectly arising out of or in conjunction with the operation of the Franchise Business, Your employer/employee relationships, and/or Your breach of this Agreement, without limitation and without regard to the cause(s) thereof or the negligence or strict liability of Us or any other party in connection therewith, Including the

Indemnitees. Notwithstanding the foregoing, this indemnity will not apply to any liability arising from Our gross negligence or willful misconduct, except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to Franchisee, Franchisee's owners, principals, officers, directors, employees, independent contractors, shareholders, interest holders, affiliates, spouses, and any directly or indirectly controlling entity. For purposes of this indemnification, "claims" shall include all obligations, actual, consequential, exemplary, or other damages, and costs reasonably incurred in the defense of any claim against any of the Indemnitees, including accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration, or alternative dispute resolution and travel and living expenses. We have the right to defend any such claim of Franchisee. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration, termination, or transfer of this Agreement or any interest herein.

20.2 Defense of Claim. You and each of Your principals, officers, directors, partners, shareholders, interest holders, affiliates, spouses, and any directly or indirectly controlling entity agree to provide Us with immediate notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. At Your risk and expense, We may elect to assume, but are not obligated to undertake, or associate counsel of Our own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry, or investigation. If We elect, such option will not in any manner or form diminish Your obligation to indemnify the Indemnitees and hold them harmless.

20.3 Remedial Action. In order to protect persons or property, or Our reputation or goodwill, or the reputation or goodwill of others, We may, at any time and without notice, as We, in Our judgment deem appropriate, consent or agree to settlements or take such other remedial or corrective action as We deem expedient with respect to the action, suit, proceeding, claim, demand, inquiry, or investigation if, in Our sole judgment, there are reasonable grounds to believe that any claim described in this Article XX has occurred or any such claim may result directly or indirectly in damage, injury, or harm to any person or property.

20.4 Contributory Negligence. The Indemnitees do not assume any liability for acts, errors, or omissions of those with whom You or Your principals, officers, directors, partners, shareholders, interest holders, affiliates, spouses, and any directly or indirectly controlling entity may contract, regardless of the purpose. You and Your principals, officers, directors, partners, shareholders, interest holders, affiliates, spouses, and any directly or indirectly controlling entity will hold harmless and indemnify the Indemnitees as set forth herein; provided, however, this indemnification shall not apply to acts of willful misconduct or gross negligence of the Indemnitees.

20.5 No Duty to Mitigate; Survival of Obligations. Under no circumstances will We or any other Indemnitee(s) be required to seek recovery from any insurer or other third-party, or otherwise mitigate Our or Your losses and expenses, in order to maintain and fully recover a claim against You. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts We or another Indemnitees may recover from You. You agree the terms of this Article XX will continue in full force and effect notwithstanding the termination, expiration, or transfer of this Agreement or any interest herein.

ARTICLE XXI: MISCELLANEOUS

21.1 Entire Agreement. This Agreement, Exhibits, and Schedules hereto supersede all other agreements, written or oral, that may have been made or entered into by the parties hereto concerning the subject matter hereof. All Exhibits and Schedules are made a part of this Agreement by reference. This Agreement is intended to state the entire understanding of the parties regarding the subject matter herein. Nothing expressed or implied in this Agreement is intended or shall be construed so as to grant or confer on any person, firm, or corporation other than the parties hereto, any rights or privileges hereunder. 21.8 Waiver. No failure, refusal, or neglect by Us to exercise any right, power, remedy, or option reserved to Us under this Agreement, or to insist upon strict compliance by You with any obligation, condition, specification, standard, or operating procedure in this Agreement, shall constitute a waiver of any provision of this Agreement and Our right to demand exact compliance with this Agreement, or to declare any subsequent breach or default or nullify the effectiveness of

any provision of this Agreement. Subsequent acceptance by Us of any payment(s) due to Us under this Agreement shall not be deemed to be a waiver by Us of any preceding breach by You of any terms, covenants, or conditions of this Agreement.

Except as otherwise provided in this Agreement, no waiver, approval, consent, advice, or suggestion given to You, and no neglect, delay, or denial of any request therefor, will constitute a warranty or guaranty by Us, nor do We assume any liability or obligation to You or any third-party as a result thereof.

If either party hereto shall be delayed or prevented from the performance of any act required hereunder by reason of acts of God, strikes, walkouts, labor troubles, inability to procure materials, restrictive governmental laws, or regulations or other cause without fault and beyond the control of the party obligated, performance of such acts shall be excused for the period of delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. Upon the occurrence of an event of Force Majeure, the party affected thereby must give prompt notice thereof to the other party, together with a description of the event, the duration for which the party expects its ability to comply with the provisions of this Agreement to be affected, and a plan for resuming operation under this Agreement, which the party must promptly undertake and maintain with due diligence.

21.16 Variance in Offers. 21.17 No Misrepresentations. You vow that You have made no misrepresentations that induced Us to grant You this franchise under this Agreement.

In the event that Principal violates this Principal Agreement and competes during the term of the non-competition period, the non-competition period will be extended by the amount of time Principal competed plus an additional six (6) months thereafter.

3.1 In-Term Covenant. Principal agrees that during the term of the Franchise Agreement, Including any renewals or extensions, that Principal, Principal's spouse, family, partners, officers, members, or directors will not directly or indirectly enter into or in any manner take part in any business, profession, proprietorship, or any endeavor which manufactures, sells, markets or distributes any products or services which are the same as or similar to the products and services provided under the Franchise Agreement or that otherwise competes with PaintEZ® in any manner, unless with written consent from the Franchisor. Principal understands and acknowledges that a violation of this covenant will cause irreparable harm to the Company.

3.2 Post-Term Covenant. Following the termination or expiration of this Principal Agreement for any reason, for a period of two (2) years thereafter, neither Principal, nor

Principal's spouse, family, partners, officers, members, or directors shall, directly or indirectly, participate as an owner, employee, consultant, partner, officer, director, shareholder, participant, or share the earnings or profits of any person, firm, entity, partnership, corporation that is engaged in the production, sale, marketing or distribution of products or services which are the same as or similar to Franchisor's products or System in any capacity or location within the Territory or within a one hundred (100) mile radius of their Territory or the territory of any other PaintEZ® or PaintEZ®'s franchisee location. Principal further agrees not to use, at any time, Franchisor's trade secrets or other Confidential Information. The restrictions of this Section are not applicable to owners of shares that represent two percent (2%) or less of the issued or outstanding securities of that class of security.

4. Non-Solicitation of Customers. Principal will not solicit, directly or indirectly, on his or her own behalf, on behalf of his or her Franchise Business or any other entity whatsoever, or on behalf of any other person(s), any customer of the Company for the purpose of soliciting from any such customer any business that is the same as or substantially similar to the business conducted between Franchisee and the customer of Franchisor or Franchisor's affiliates and the customer for the duration of the Franchise Agreement, Including any extensions or renewals, and for one (1) year after the termination or expiration of the Franchise Agreement. Principal agrees that all customer data is the exclusive property of the Franchisor.

5. Materials. At the termination of the Franchise Agreement, Principal agrees to deliver to Franchisor, and not anyone else, the PaintEZ®'s Manuals, training materials, marketing materials, and all Confidential Information, Including, but not limited to, any customer lists, equipment, books, records, data, designs, photographs, notes, reports, sketches, documents, blueprints, or other property owned by Franchisor or relating to the System, and all copies thereof, at Principal's sole expense. Principal may retain a copy of the Franchise Agreement and incorporated Exhibits for compliance reference.

6. Remedies. As any breach by Principal of any of the covenants contained in this Principal Agreement would result in substantial and irreparable injury to Franchisor, and as the damages arising out of any such breach would be difficult to ascertain, Principal agrees that, in addition to all other remedies provided by law or in equity, Franchisor, in the event of a breach or threatened breach of the covenants herein contained, shall be entitled to seek immediate equitable remedies, without proof of actual damages that may be caused by such breach and without the requirement of posting bond, including, but not limited to, restraining orders, preliminary and permanent injunctions in order to prevent Principal, his or her partners, members, officers, directors, trustees, or employees from continuing to breach the covenants contained herein. Also, if Principal breaches this Principal Agreement by entering into or engaging with a competing business of Franchisor, Principal will pay to Franchisor the then current royalty rate for all gross sales generated by Principal from the competing business during the term of the non-competition covenant. Additionally, in the event Principal violates this Principal Agreement, Principal agrees that the Company will be entitled to liquidated damages in the amount of Two Hundred Fifty Thousand Dollars (\$250,000) (see Exhibit A-2).

7. Reasonableness of Restrictions. Principal agrees that the covenants and remedies contained in this Principal Agreement are fair and reasonable limitations as to time, geographical

area, and scope of activity to be restrained and do not impose a greater restraint than necessary to protect the goodwill or other business interests of the Company and other franchisees. Principal acknowledges that the restrictive covenants contained in this Principal Agreement are essential elements of the Franchise Agreement and that without their inclusion, Franchisor would not have entered into the Franchise Agreement.

8. Costs. Principal agrees to pay all costs and expenses including reasonable attorneys' fees, and interest on such fees, costs, and expenses, incurred by the Company in connection with the enforcement of this Principal Agreement. If Principal violates any restriction contained in this Principal Agreement, and it is necessary for the Company to seek equitable relief, the restrictions contained herein shall remain in effect until one (1) year after such relief is granted. If Principal contests the enforcement of this Principal Agreement and the enforcement is delayed pending litigation, and if the Company prevails, the period of non-competition shall be extended for an additional period equal to the period of time that enforcement of this Principal Agreement is delayed.

9. Enforceability. It is the desire and intent of the parties to this Principal Agreement that the provisions be enforced to the fullest extent permissible under the laws and public policy applied in each jurisdiction in which enforcement is sought. Therefore, if any court finds any provision or any portion of any provision to be unreasonable or invalid, the court may reduce the scope and/or duration of the provision to the extent necessary to render it enforceable while still providing the greatest restriction allowable.

10. Alternate Remedies. If this Principal Agreement is found unenforceable by a court and the remedies ordered are found unacceptable to Franchisor, Principal agrees to pay Seventy-Five Thousand Dollars (\$75,000) per competing store, and for one (1) year after the termination of the Franchise Agreement, Principal agrees to pay one-half (1/2) of the royalties and Marketing Fees, as a fee to Franchisor, which would be payable if the business were a franchise.

11. Interpretation of Agreement. Words in the masculine gender include the feminine and neutral. Use of the singular shall include the appropriate plural numbers. The paragraph headings and title of this Principal Agreement are not part of this Principal Agreement, having been inserted for convenience of reference only, and shall have no effect upon the construction or interpretation of this Principal Agreement.

12. Binding Effect. This Principal Agreement and all its terms, conditions, and stipulations shall be binding upon and shall inure to the benefit of the parties hereto and their respective legal representatives, heirs, successors, and permitted assigns.

13. Survival of Covenants. Notwithstanding anything in this Principal Agreement or the Franchise Agreement to the contrary, all covenants set forth herein shall survive the termination or expiration of this Principal Agreement or the Franchise Agreement, and shall apply regardless of whether this Principal Agreement or the Franchise Agreement was terminated by lapse of time, by default of either party, by agreement of the parties, or for any other reason.

14. Amendment. This Principal Agreement may be amended, modified, or changed only by a written instrument signed by duly authorized representatives of both parties.

15. Governing Law. This Principal Agreement is to be construed pursuant to the current laws of the State of Utah. Jurisdiction and venue for any claim arising out of this Principal Agreement shall be made in the state and federal courts of Salt Lake County, State of Utah.

16. Counterpart Signatures. For the convenience of the Franchisor and Principal, it is agreed that this Principal Agreement may be signed in one or more counterparts, by facsimile, electronic signature, scanned, emailed signature, or other electronic means, and when all signatures are attached to this Principal Agreement, it shall be binding as though they each originally signed the same signature page.

PRINCIPAL ACKNOWLEDGES THAT HE OR SHE HAS READ AND UNDERSTANDS THE CONTENTS OF THIS PRINCIPAL AGREEMENT.

IN WITNESS WHEREOF, and by their signatures below, the Parties hereto acknowledge that they have read, understand, and agree to all of the terms and provisions of this Principal Agreement and have caused this Principal Agreement to be executed as of the date first above written with full authority.

4. Non-Solicitation of Customers. Employee will not solicit, directly or indirectly, on his or her own behalf or any other entity or person whatsoever, any customer of the Franchisor or Franchisee for the purpose of soliciting from any such customer any business that is the same as or substantially similar to the business conducted between Franchisee and the customer or Franchisor or Franchisor's affiliates and the customer for the duration of his or employment and for one (1) year afterward. 6. Remedies. 7. Reasonableness of Restrictions. Employee agrees that each of the terms set forth herein, including the restrictive covenants, are fair and reasonable and are reasonably required for the protection of Franchisor and Franchisee.

8. Enforceability. It is the desire and intent of the parties to this Employee Agreement that the provisions herein be enforced to the fullest extent permissible under the laws and public policy applied in each jurisdiction in which enforcement is sought. Accordingly, if any part of this Employee Agreement is adjudicated to be invalid or unenforceable, then this Employee Agreement shall be deemed amended to delete that portion thus adjudicated to be invalid or unenforceable, such deletion to apply only with respect to the operation of that paragraph and the particular jurisdiction in which said adjudication is made. Further, to the extent any provision of this Employee Agreement is deemed to be unenforceable by virtue of its scope, but may be made enforceable by limitation, the parties agree that the same shall, nevertheless, be enforceable to the fullest extent permissible under the laws and public policies applied in such jurisdiction where enforcement is sought.

Employee has no rights to assign any part of this Employee Agreement and any claimed assignment will be null and void having no force or effect whatsoever.

13. Survival of Covenants. All covenants set forth in this Employee Agreement herein shall survive the termination or expiration of this Employee Agreement and shall apply regardless of how this Employee Agreement was terminated.

14. Amendment. This Employee Agreement may be amended, modified, or changed only by a written instrument signed by duly authorized representatives of both parties.

15. Counterpart Signatures. For the convenience of the Employee, Franchisor, and Franchisee, it is agreed that this Employee Agreement may be signed in one or more counterparts, by facsimile, electronic signature, scanned, emailed signature, or other electronic means, and when all signatures are attached to this Employee Agreement, it shall be binding as though they each originally signed the same signature page.

16. Third Party Beneficiary. It is agreed and acknowledged that EMERALDPRO FRANCHISING, INC. is a third-party beneficiary to this Agreement and EMERALDPRO FRANCHISING, INC. owes no duty whatsoever to Employee as he or she is an employee of Franchisee only and not an employee of EMERALDPRO FRANCHISING, INC.

**ADDENDUM TO THE DISCLOSURE DOCUMENT
FOR THE STATE OF VIRGINIA**

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for EmeraldPro Franchising, Inc. for use in the Commonwealth of Virginia shall be amended as follows:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement do not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the franchise agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the

franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Disclaimer.** Section E of the Recitals does not apply in Washington. The capitalized and bolded language above the signature block of the Franchise Agreement does not apply in Washington.

20. **Non-competition Range.** The geographic restriction for the non-compete is reduced to 25-miles in Washington.

21. **Liquidated Damages.** The measurement period for liquidated damages is reduced to the earlier of 24 months following the date of termination or the scheduled expiration of the term.

22. **Fee Deferral.** The franchisor will defer collection of the initial franchise fee until the franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business. The initial fees for the purposes of this deferral include all initial franchise fees described in Item 5 of the franchise disclosure document. Additionally, if franchisee enters into an area developer agreement, the development fee will be prorated and collected as each unit is open.

The undersigned parties do hereby acknowledge receipt of this Addendum.

Independent Auditor's Report

To the Stockholders
EmeraldPro Franchising, Inc.
Pleasant Grove, UT 84062

Opinion

We have audited the accompanying financial statements of EmeraldPro Franchising, Inc., which comprise the balance sheet as of December 31, 2024, and the related statements of operations, stockholders' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of EmeraldPro Franchising, Inc. as of December 31, 2024, and the results of its operations and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

EMERALDPRO FRANCHISING, INC.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

EmeraldPro Franchising, Inc. (the "Company") was formed in April 2017, in the state of Utah as a corporation for the planned principal purpose of conducting franchise sales, marketing, and management. The Company offers franchises promote, advertise, and sell quality residential and commercial painting packages and services to the public

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year.

(b) Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission ("SEC"), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. As of December 31, 2024, the Company had cash and cash equivalents of \$147,866.

(e) Accounts Receivables

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, royalties and other sales transactions. These accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of outstanding amounts. When determining the allowance for doubtful receivable, the Company has adopted ASC 326, *Financial Instruments—Credit Losses*. This standard requires that management utilize the Current Expected Credit Losses ("CECL") model to recognize the appropriate allowance for doubtful receivables. This model requires entities to estimate and recognize expected credit losses over the life of the financial instrument. For trade receivables, management has elected to apply a simplified approach, based on historical loss experience and adjustments for current and forecasted economic conditions. Management regularly evaluates individual customer receivables, considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded as income when received. As of December 31, 2024, the Company had no allowance for uncollectible accounts and their accounts receivable balance was \$89,393.

(f) Long-Lived Assets

Long-lived assets will be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Any impairment loss will be measured by the difference between the fair value of an asset and its carrying amount, and will be recognized in the period that the recognition criteria are first applied and met.

EMERALDPRO FRANCHISING, INC

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

(g) Revenue Recognition

Upon inception, the Company adopted ASC 606, Revenue from Contracts with Customers. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluated all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue. For each franchised location, the Company enters into a formal franchise agreement that clearly outlines the various components of the transaction price and the Company's performance obligations.

The Company's revenues consist of initial franchise fees, royalties and marketing fees based on a percentage of gross revenues.

Royalties and marketing fees

Upon evaluation of the five-step process, the Company has determined that royalties and marketing fees are to be recognized in the same period as the underlying sales.

Initial franchise fees

The Company is required to allocate the transaction price associated with initial franchise fees between the franchise license and associated performance obligations. When recording initial franchise fees, the Company allocates a portion of the initial franchise fee to initial training, operations manual, and technology. If not provided by the Company, these services would likely be provided by third parties and have distinct value. As such, management has determined these services represent distinct performance obligations, and the Company recognizes the fair value of these services when the franchisee begins operations and the obligations are fulfilled. The remainder of the initial franchise fees are recognized over the franchise term, which is generally ten years.

(h) Income Taxes

The Company has elected to be treated as an S corporation for income tax purposes. As such, the Company's income, losses, and credits are included in the income tax returns of its stockholders. Management has determined that these payments fall outside of the scope of ASC 740, *Accounting for Uncertainty in Income Taxes* and has recorded the expenditure under operating expenses.

The Company follows the guidance under ASC 740, which prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the stockholder rather than the Company. Accordingly, there would be no effect on the Company's financial statements. The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2024, the 2023, 2022 and 2021 tax years are subject to examination.

(i) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, the carrying amounts approximate fair value due to their short maturities.

(j) Concentration of Risk

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

EMERALDPRO FRANCHISING, INC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024

(k) Advertising Costs

The Company's policy is to expense advertising costs when incurred. Advertising expenses for the year ended December 31, 2024 were \$102,675.

(l) Fixed Assets

Fixed assets are stated at historical cost. Depreciation is provided utilizing the straight-line method over estimated useful lives, of five years. Leasehold improvements are depreciated over the lease term.

(2) Franchise Agreements

The Company's franchise agreements generally provide for payment of initial fees as well as continuing royalty, marketing and tech fees to the Company based on a percentage of sales. Under the franchise agreement, franchisees are granted the right to operate a location using the EmeraldPro Franchising system for a period of ten years. Under the Company's revenue recognition policy, the Company recognizes a portion of the initial franchise fee upon opening and the remainder of the initial franchise fees are recognized over the franchise term, which is generally ten years.

The Company has estimated the following current and non-current portions of deferred contract costs as of December 31, 2024:

	2024
Deferred commissions, current	\$ 183,855
Deferred commissions, non-current	824,732
	\$ 1,008,587

The Company has estimated the following current and non-current portions of deferred revenue as of December 31, 2024:

	2024
Deferred revenue, current	\$ 208,953
Deferred revenue, non-current	954,158
	\$ 1,163,111

(3) Prepaids

The Company has prepaid expenses on its balance sheet, which represent payments made in advance for goods or services to be received in the future. These prepaid expenses will be recognized as expenses in the periods in which the related goods or services are consumed or utilized. The Company's prepaid expenses are primarily associated with expense related to the 2025 annual conference. As of December 31, 2024, the total amount of prepaid expenses is \$19,797 and is classified as a current asset on the balance sheet.

(4) Furniture, fixtures and equipment, net

As of December 31, 2024 the Company's furniture, fixtures, and equipment consisted of the following:

	2024
Furniture, fixtures and equipment	\$ 5,356
Accumulated depreciation	(3,213)
	\$ 2,143

Depreciation expense for the year ended December 31, 2024 was \$1,071.

EMERALDPRO FRANCHISING, INC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024

(5) Accrued Expenses

The Company's accrued expenses consist of accrued payroll and credit cards payable. The balance as of December 31, 2024, is \$51,365 and is classified as a current liability on the Company's balance sheet.

(6) Long Term Debt

In June 2020, the Company was granted an Economic Injury Disaster Loan (EIDL) from a financial institute with a principal balance of \$91,900. The loan was amended in November 2021 for an additional \$275,500, for a total principal balance to \$367,400. The note accrues interest at 3.75% per annum, requires monthly payments of \$1,849 beginning in February 2023, and has a maturity date of June 2050. As of December 31, 2024, the loan balance was \$362,794.

Expected future principal payments consist of the following:

For the year ended December 31,	
2025	8,729
2026	9,062
2027	9,408
2028	9,767
2029	10,139
Thereafter	315,689
	\$ 362,794

(7) Commitment and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is "probable" and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is "probable" but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is "reasonably possible," disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are "remote" are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involving such amounts of unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(8) Equity

During the year end December 31, 2024, the Company granted stockholder interests to existing stockholders as part of its long-term incentive compensation program. These membership interests are subject to a vesting schedule over a period of five years. The grant date fair value of the membership interests is recognized as an expense over the vesting period.

The fair value of the membership interests is determined on the grant date using a valuation model that considers various factors, including the current market value of the Company's membership interests, the expected term of the award, the risk-free interest rate, and expected volatility of the Company's stockholder interests.

The unrecognized compensation cost related to the unvested stockholder interests is expected to be recognized over the vesting period. Any changes in the estimated number of stockholder interests that are expected to vest are recognized as a cumulative adjustment to compensation expense. As of December 31, 2024 the compensation expense related to the vested stockholder units was \$24,429.

EMERALDPRO FRANCHISING, INC

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

The Company will continue to assess the fair value of the stockholder interests and make necessary adjustments to the compensation expense based on any changes in the expected vesting outcome. Any modifications to the terms of the stockholder interests will be accounted for in accordance with applicable accounting standards.

The information provided in this footnote is based on the Company's current estimates and assumptions, and actual results may differ. The Company will provide updates in subsequent financial statements as more information becomes available.

(9) Related Party Loan

The Company has a related party payable with one of its stockholders, with a principal balance of \$87,000. This note has no formal terms and no set repayment schedule. As of December 31, 2024 no payments have been made and the balance of \$87,000 is currently classified as long-term on the balance sheet.

(10) Subsequent events

Management has reviewed and evaluated subsequent events through April 28, 2025, the date on which the financial statements were available to be issued.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Emerald Pro Franchising, Inc. to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Emerald Pro Franchising, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and dis-closures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circum-stances, but not for the purpose of expressing an opinion on the effectiveness of EmeraldPro Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EmeraldPro Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Nothing contained herein will prevent Us from granting the right to establish or operate, or Ourselves establishing, owning and operating PaintEZ® Franchise Businesses or similar operations outside of Your Development Area. Furthermore, We expressly reserve the right to sell market and distribute the PaintEZ® products in the Development Area and elsewhere without compensation to You using other marketing strategies and distribution channels, including, but not limited to, catalog sales, direct sales, sales to and through the Internet, retail units and wholesale outlets, and to sell non-traditional franchise locations at Our discretion both within and without Your Development Area. If You or Your Owners, at any time determine to sell, assign or transfer this Agreement, or an interest therein, or an ownership interest in Your entity of more than forty percent (40%), then You or Your Owners must obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser and must submit an exact copy of such offer to Us. We will have the right, exercisable by written notice delivered to You or Your Owners within sixty (60) days from the date of delivery of an exact copy of such offer to Us, to purchase this Agreement and the development rights thereunder, or such interest in this Agreement, or such ownership interest in You for the price and on the terms and conditions contained in such offer, provided that We may substitute cash for any form of payment proposed in such offer and We will have not less than sixty (60) days from the date We give notice to You of Our intent to purchase, and to prepare for closing. If We do not exercise Our right of first refusal, You or Your Owners may complete the sale to such purchaser pursuant to and on the terms of such offer, provided that if the sale to such purchaser is not completed within one hundred fifty (150) days after delivery of such offer to Us, or if there is a material change in the terms of the sale that are less beneficial to You, We will again have the right of first refusal upon the terms and conditions herein provided.

Article 14 - Disputes & Arbitration

14.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve any disputes amicably, quickly, inexpensively and professionally and to return to business as soon as possible.

14.2 Manner of Handling Disputes. You and We agree that except as otherwise expressly provided for herein, in the event any controversy, dispute or claim whatsoever (“Dispute”) arises between Us or Our subsidiaries, parents and affiliates and each of Our respective shareholders, managers, officers, directors, members, agents, employees and attorneys (in their representative capacity), if applicable, and You or Your entity owners, guarantors and employees, officers, directors, members, managers, agents, and attorneys (in their representative capacity), if applicable, in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

14.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us at Our then-current headquarters and within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

14.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting requirement has not successfully resolved such matters and if desired by either You or Us, the matters will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Salt Lake City, Utah. The mediator will be disqualified as a witness, consultant, expert, or counsel for either party for the matter in dispute and any related matters. If You and We agree not to participate in mediation, then the matter may proceed to litigation as provided below.

14.2.3 Legal Proceeding. If the mediation has not resolved the matter successfully, or mediation is waived, either You or We may institute a legal suit, action, or proceeding, exclusively in Salt Lake City, Utah, against the other party to enforce this Agreement or obtain any other remedy regarding any breach of this Agreement. The prevailing party in the suit, action, or proceeding is entitled to receive, and the non-prevailing party shall pay, in addition to all other remedies to which the prevailing party may be entitled, the costs and expenses incurred by the prevailing party in conducting the suit, action, or proceeding, including attorneys’ fees and expenses and court costs, even if not recoverable by law, Including all fees, taxes, costs, and expenses incident to appellate and post-judgment proceedings.

(i) Individual Disputes. Any Dispute will be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff or similar basis between You and Us and will not be consolidated with any other proceeding involving Us and any other person, except that with respect to a dispute involving You and Your affiliate, You and Your affiliate may both be parties to a legal proceeding.

(ii) Agreed Limitations. Except for payments owed by one party to the other, or claims attributable to Your underreporting of sales, any legal action or other proceeding (Including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within a period of 1 year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than 2 years after the first act or omission giving rise to an alleged claim.

(iii) No Special Damages. You and We waive any right or claim of any consequential, punitive, or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained. You agree that We will not be liable for any act or omission which is consistent with this Agreement or which is done in subjective good faith.

(iv) Exceptions to Mediation. You and We agree that nothing in this Agreement obligates Us to mediate Disputes or issues relating to: (a) the validity of Our Marks, or other Intellectual Property; (b) rights to obtain a writ of attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement not in connection with other Disputes.

Article 15 – General Provisions

15.1 Severability. Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, will be considered severable.

15.2 Governing Law and Jurisdiction. This Agreement will be governed, construed, and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. You and We agree that the provisions of this Agreement will control the state or provincial laws by which this Agreement will be governed and any provisions of state or provincial law to the contrary or any statements in Our franchise disclosure document or otherwise required as a condition of registration or otherwise. If the governing law requires terms other than or in addition to those in this Agreement, then such terms will be deemed incorporated herein, but only to the extent necessary to prevent the invalidity of this Agreement or any of the provisions hereof or the imposition of civil or criminal penalties or liability. To the extent permitted by the laws of the state whose laws govern this Agreement, You hereby waive any provisions of law or regulations which render any portion of this Agreement invalid or unenforceable in any respect. In order to facilitate our joint interests in having franchise issues determined in a consistent manner for application throughout the System, without in any way limiting or otherwise affecting Your and Our obligations regarding mediation and arbitration in accordance with the provisions of Article 14, if there is any litigation between us, You and We hereby irrevocably consent to the exercise of general personal jurisdiction in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and we both agree that Salt Lake City, State of Utah will be the exclusive venue for any litigation between Us. Each party waives any

objection they may have to the personal jurisdiction of or venue in the state and federal courts of Salt Lake County, State of Utah.

15.3 Waiver of Obligations. You and We will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (Including, the right to demand exact compliance with every term, condition and covenant herein, or to declare any breach thereof to be a default and to terminate this Agreement prior to the expiration of its term), by virtue of any custom or practice of the parties at variance with the terms hereof or any failure, refusal or neglect of Us or You to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder.

15.4 No Off-Sets or Withholdings. You covenant and agree that You will not offset or withhold the payment of any fees or other amounts due to Us or Our affiliates or suppliers on grounds of the alleged non-performance by Us of any of Our covenants or obligations hereunder, any dispute of any nature or otherwise.

15.5 Cumulative Remedies. Rights hereunder are cumulative and no exercise or enforcement of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy hereunder which You or Us are entitled by law or equity to enforce. Nothing herein contained will be interpreted as to bar or waive Our right to obtain any remedy available at law or in equity including injunctive relief.

15.6 Costs and Attorney's Fees. If a claim for amounts owed by You to Us is asserted in any legal proceeding before a court of competent jurisdiction, or if We or You are required to enforce this Agreement in a judicial or arbitration proceeding, the prevailing party in such proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees. For purposes of this Agreement, "prevailing party" Includes, the Party which obtains a judgment in their favor, or agrees to dismiss an action or proceeding upon the other's payment of sums allegedly due or performance of the covenants allegedly breached, or which obtains substantially the relief sought.

15.7 Binding Effect. This Agreement will be binding upon the parties hereto and their respective assigns and successors in interest and cannot be modified except by written agreement signed by both Us and You.

15.8 Entire Agreement. This Agreement, Including preambles and exhibit(s) to this Agreement, if any, are a part of this Agreement, which constitutes the entire agreement of the parties relating to the subject matter herein, and there are no other oral or written understandings or agreements between You and Us relating to the subject matter of this Agreement. No modifications of the terms of this Agreement will be valid unless made in writing and executed by both Us and You. Except as otherwise expressly provided herein, nothing in this Agreement is intended, or will be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations We made in the Franchise Disclosure Document.

15.9 Interpretation of Agreement. Words in the masculine gender include the feminine and neuter. Use of the singular will include the appropriate plural numbers. The headings and title of this Agreement are not part of this Agreement, having been inserted for convenience of reference only, and will have no effect upon the construction or interpretation of this Agreement. Any defined words not defined in this Agreement shall have the meanings set forth in the Franchise Agreement. Time is of the essence in this Agreement.

15.10 Relationship of the Parties. In all matters, You are an independent contractor. Nothing in this Agreement constitutes You as Our partner, agent, or joint venture with Us and this Agreement does not create a fiduciary relationship between You and Us. Neither party may act or have the authority to act as agent for the other, and neither party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors, or omissions of the other. You acknowledge that You do not have authority to incur any obligations, responsibilities or liabilities on behalf of Us, or to bind Us by any representations or warranties, and You agree not to hold Yourself out as having such authority.

15.11 Counterparts. This Agreement, and those contemplated herein, may be executed in counterparts, including by means of telefaxed or scanned and emailed signature page or similar electronic means, each of which will be deemed an original, but all of which together will constitute one and the same document.

15.12 Effective Date. This Agreement will become effective only when executed and accepted by Us at Our headquarters.

IN WITNESS WHEREOF, We and You have respectively signed and sealed this Agreement as of the day and year first above written.

**EXHIBIT “C”
TO THE AREA DEVELOPER AGREEMENT
STATE ADDENDA**

**ADDENDUM TO THE AREA DEVELOPER AGREEMENT
FOR THE STATE OF ILLINOIS**

Illinois Law governs the franchise and area developer agreements.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise or area developer agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise or area developer agreement may provide for arbitration to take place outside of Illinois.

Franchisees rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Section 4.1 of the Area Developer Agreement is amended as follows:

- All initial fees and payments to us, prior to your franchise opening will be deferred until all initial obligations owed to you under the Franchise Agreement (or the fees in the Area Development Agreement to the extent it applies to each location), or other documents have been fulfilled by the us and you have commenced doing business pursuant to the Franchise Agreement. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor, franchise seller or other person acting on behalf of a Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the Franchisor and Area Developer have respectively signed and sealed this Addendum to the Area Developer Agreement as of the ____ day of _____, 20__.

**ADDENDUM TO THE AREA DEVELOPER AGREEMENT
FOR THE STATE OF MARYLAND**

This Addendum Agreement is made contemporaneously with the Area Developer Agreement by and between **EMERALDPRO FRANCHISING, INC.**, a Utah corporation, hereinafter referred to as “Franchisor” and _____, hereinafter referred to as “Franchisee.”

1. A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

3. The general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

(Intentionally left blank, signatures to follow)

Except as expressly amended or modified herein, all terms, provisions and conditions of the original Area Developer Agreement shall remain in full force and effect. In the event of a conflict or inconsistency between the provisions of this Addendum and any provisions of the original Area Developer Agreement, the provisions hereof shall in all respects govern and control.

IN WITNESS WHEREOF, the Franchisor and Franchisee have respectively signed and sealed this Area Developer Addendum on the date set forth below.

**WASHINGTON ADDENDUM TO THE AREA DEVELOPMENT AGREEMENT
AND ALL RELATED AGREEMENTS**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.
As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed

in connection with the franchise.

- 17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
- 18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
- 19. **Fee Deferral.** The franchisor will defer collection of the initial franchise fee until the franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business. The initial fees for the purposes of this deferral include all initial franchise fees described in Item 5 of the franchise disclosure document. Additionally, if franchisee enters into an area developer agreement, the development fee will be prorated and collected as each unit is open.

The undersigned parties do hereby acknowledge receipt of this Addendum.

WHEREAS, the Franchise Agreement has been terminated as of the ____ day of _____, 20__.

NOW THEREFORE, In consideration of the premises and other provisions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, Franchisor, Franchisee, and Personal Guarantors hereby agree as follows:

1. Franchisee and Personal Guarantors hereby, fully and irrevocably, release, acquit and forever discharge Franchisor and its successors, representatives, affiliates, directors, officers, members, managers, employees, shareholders, and agents and each of them, individually and collectively, of and from any and all claims, demands, obligations, causes of action, suits or liabilities of any kind and nature, whatsoever, whether known or unknown, suspected or unsuspected, and in whatever legal theory or form which Franchisee and Personal Guarantors have or claim to have, or at any time heretofore, had or claimed to have had, or which may hereafter accrue or arise, against Franchisor, its successors, affiliates, directors, officers, shareholders, employees and agents, and each of them, by reason of, or in any way connected with the Franchise Agreement, the relationship described therein and any business transaction, agreement or occurrence, act or omission relating thereto prior to the date hereof. Franchisee and Personal Guarantors further waive any and all state law provisions limiting the effect of a general release.

2. Franchisee and Personal Guarantor(s) hereby covenant not to initiate, prosecute, encourage, assist, or (except as required by law) participate in any civil, criminal, or administrative proceeding or investigation in any court agency, or other forum, either affirmatively or by way of cross-claim, defense, or counterclaim against any person or entity released under Section 1 above with respect to any claim released under Section 1.

3. Franchisee and Personal Guarantor(s) represent that each of them fully understands the broad coverage of the release provisions of this Agreement, and that they execute the same with respect to all claims, causes of action and demands, as set forth above, they have or may have

against the Franchisor, fully intending that the provisions hereof be given the broadest interpretation permitted by law or the English language. Franchisee and Personal Guarantor(s) acknowledge and expressly agree that they will make no claim, and hereby waive any right they may now have, or may hereafter have, based upon any alleged oral or written alteration, amendment, or modification of this Agreement, fully waiving any right they may have to refer to extrinsic matters in the interpretation hereof, whether to establish fraud, duress, mistake, undue influence, or for any other purpose.

4. This Agreement may be pleaded as a full and complete defense to, and may be used as the basis for, an injunction against any action, suit or other proceeding which may be instituted, prosecuted or maintained in breach of this Agreement.

5. Nothing in this Agreement releases Personal Guarantor(s) or Franchisee from their obligations under the non-competition clauses of the Franchise Agreement or their Non-Competition Agreements signed with Franchisor.

Additional Disclosures.

The following statements are added to Item 17.h:

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of

the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including

fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
