What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Spousal Liability**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Inventory Control.** You must carry an inventory of 700 tire units, even if you do not need that much. Your inability to maintain inventory levels at all times may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURE APPLICABLE TO FRANCHISEES
COVERED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state. The foregoing language has been included in this Disclosure Document as a condition for registration. We and you do not agree that the parties are restricted from choosing to conduct arbitration outside of Michigan and believe that each of the provisions of the Franchise Agreement, including each of the arbitration provisions, is fully enforceable. We and you intend to rely on the federal pre-emption under the Federal Arbitration Act.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding the notice should be directed to the State of Michigan Department of Attorney General, Franchise Section - Consumer Protection Division, G. Mennen Williams Building, 1st Floor, 525 W. Ottawa Street, Lansing, Michigan 48933, or P.O. Box 30213, Lansing, Michigan 48909; Telephone (517) 373-7117.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor And Any Parents, Predecessors and Affiliates. This disclosure document refers to the franchisor, Big O Tires, LLC, as "we", "us," "our" or "Big O," and to the franchisee as "you". If you are a corporation, partnership, limited liability company, trust, association or other entity, "you" may also include owners or partners of the franchisee.

Big O is a Nevada limited liability company originally incorporated as a Nevada corporation on December 30, 1982, and subsequently converted to a limited liability company on September 28, 2007. We do business under our current organizational name Big O Tires, LLC, as well as "Big O" and "Big O Tires", and no other name. Big O's principal place of business is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410. Big O's agents for service of process are listed in Exhibit A.

In December 1986, Big O Tire Dealers, Inc., a Colorado corporation ("Dealers"), was merged with us. We were the surviving company. Before the merger, our name was Tires, Inc. As part of the merger, our name was changed to Big O Tires, Inc. and later changed to our current organizational name. Dealers was originally established to act as a purchasers' cooperative to obtain tires for associated tire dealers at favorable prices. Dealers is our predecessor. It was formed in 1962. The last principal place of business of Dealers was 6021 South Syracuse Way, Suite 102, Englewood, Colorado 80111.

We have several companies who are our affiliates, which are involved in providing products or services to some or all of our franchisees.

Big O is now a wholly-owned subsidiary of TBC Shared Services, LLC ("TBC Shared Services"), a Delaware limited liability company. TBC Shared Services is a wholly-owned subsidiary of TBC Corporation, a Delaware corporation ("TBC"). TBC is a marketer and distributor of tires and other products for the automotive replacement market, and sells products and supplies services to Big O franchisees. TBC is in turn wholly owned by TBC Holdings, LLC, a Delaware limited liability company ("TBC Holdings"). TBC Holdings was formed on March 9, 2018, and acquired ownership of TBC on April 5, 2018. The principal business address of TBC Shared Services, TBC, and TBC Holdings is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410. Each of TBC Shared Services, TBC, and TBC Holdings may be deemed parents of ours.

Carroll's, LLC, a Georgia limited liability company, is an indirect subsidiary of TBC and also sells products to Big O franchisees. The principal business address of Carroll's is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410. Carroll's, LLC sometimes does business under the name National Tire Wholesale.

TBC also owns TBC Retail Holdings, LLC, a Delaware limited liability company ("TBC Retail Holdings"). It is responsible for the management of Big O. The principal business address of TBC Retail Holdings is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410.

Franchisees may periodically purchase tires from TBC Brands, LLC, a Delaware limited liability company ("TBC Brands"), which is a wholly-owned subsidiary of TBC Retail Holdings. The principal business address of TBC Brands is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410.

Big O's Business. We offer franchises for the operation of retail stores selling and servicing tires and related automotive products and services ("Big O Stores" or "Stores"). Big O also sells Big O branded tires and automotive accessories to franchisees, and Big O and its affiliates also sell or lease

other items to franchisees such as real estate, equipment, signs and services. Also, Big O conducts wholesale operations under which it sells non-Big O brand tires and other automotive accessories to Big O franchisees and to other purchasers.

The Franchise. Big O Stores operate under the service marks "BIG O" and "BIG O TIRES" and other trademarks and trade names, service marks and other logos and symbols periodically designated by Big O (collectively, "Licensed Marks") and use our proprietary licensed methods of doing business ("Big O System"). The Stores are serviced through regional sales and distribution centers ("RDCs"), which are owned and/or leased by us and operated by us.

Big O offers franchises under two franchise models: Product Distribution Franchises and Business Format Franchises. (The franchisees for these franchises are referred to, respectively, as "Business Format Franchisees" or "Product Distribution Franchisees"). The information in the disclosure document applies to Business Format Franchises only. Production Distribution Franchises are offered under a separate disclosure document and under different terms.

When we refer to "your franchise", we mean your Business Format Franchise. When we refer to "your Franchise Agreement" or the "Franchise Agreement" or the "Franchise Agreements", we mean the Business Format Franchise Agreement in Exhibit B-1 (the "BF Franchise Agreement" or "Franchise Agreement").

Before 2006, we offered only Product Distribution Franchises, except for certain Business Format test market programs in southern Nevada, which ended around April, 2006. The Big O network is in the process of transitioning from the Product Distribution Franchise model to the Business Format Franchise model. We are only offering new Big O franchisees Business Format Franchises, but we anticipate that we will continue to have Product Distribution Franchises in our network for a significant amount of time. As of March 31, 2025, we have 437 Stores (not including company owned stores) that operate as Business Format Franchises.

Product Distribution Franchisees will be allowed the option to convert Product Distribution Franchise Stores ("PDF Stores") to Business Format Franchise Stores ("BFF Stores") at times and under conditions prescribed by us (we refer to Product Distribution Franchisees that convert to Business Format Franchisees as "BFF Converters"). We do not anticipate that Business Format Franchisees will be allowed to convert BFF Stores to PDF Stores.

You must operate your Big O Store according to our standards and specifications and must sign our standard BFF Franchise Agreement (Exhibit B-1). You will be granted the right to use our Licensed Marks and Big O System only with the operation of your Big O Store. We use the term "Franchised Business" to mean the business of operating a Big O Store under the Franchise Agreement using the Licensed Marks and the Big O System.

You will be assigned to a local group ("Local Group") which, among other things, coordinates group or regional marketing and advertising programs in your market area and collects and administers funds for these programs. If a Local Group has not been formed in your geographical area, you must, at our discretion, form a Local Group. You must comply with the decisions that the Local Group makes following procedures and guidelines approved by us. See Item 11 for further discussion of Local Groups.

We offer several incentive programs for eligible persons to acquire franchises. Also, if you are willing and able to open two or more Stores within certain areas within a mutually agreed upon time

period, you may qualify to acquire franchises at individually negotiated and mutually agreed upon timetables, discounts and incentives.

Franchise Referral Program. We encourage referrals from our existing franchisees of a prospective franchisee to us. Our referral program offers a $10,000 referral fee to the person who refers to us a franchisee prospect that we are not currently in discussions with and have not previously contacted. The referral fee is payable only if the referred prospect becomes a Big O franchisee. The referral fee is applied as a credit against an existing franchisee's trade account 30 days after the opening of the new Big O Store. The incoming prospective franchisee must have signed a Franchise Agreement and the initial franchise fee must have been paid to us before we will apply the credit. We reserve the right at any time to cancel, modify, amend, or terminate our referral program. If a franchisee wants to benefit from the referral program, the referring franchisee must be in good standing.

Market for the Franchise Services and Competition. The market for tires and related automotive products is directly related to the number of automobiles, trucks, recreational vehicles and other vehicles. This market is well developed. You will be in competition with other national and local tire store chains and independent operators, as well as service stations, specialty automotive repair and maintenance centers, warehouse clubs and department stores with automotive departments, and potentially with other Big O Stores. Your ability to compete in this market will be largely and significantly dependent on your management, sales and marketing capabilities, your involvement with your store, your financial strength, general economic conditions, geographical area and specific location. You will sell primarily to individuals, but may also choose to sell to commercial accounts. The sales generally are not seasonal.

Regulations. There are federal laws and regulations specific to the operation of a tire dealership business. Generally, you must comply with certain Department of Transportation rules and regulations concerning transportation safety; Environmental Protection Agency ("EPA") rules and regulations concerning handling, storage and disposal of hazardous substances and solid waste disposal; the Occupational Safety and Health Act of 1970 concerning workplace safety; the Americans with Disabilities Act concerning employment and the public access to goods and services offered by a business; and rules and regulations established by the National Highway Traffic Safety Administration under the Transportation Recall Enhancement Accountability and Documentation Act (the "TREAD Act") concerning the labeling, testing, monitoring, and recall of tires. There may also be some state and local laws and regulations specific to your Store. You should familiarize yourself with these laws and with other federal, state or local laws of a more general nature, which may affect the operation of your Franchised Business. It is also your responsibility to comply with employment, worker's compensation, insurance, corporate, tax and licensing laws.

Business History of Big O and its Affiliates. We have offered franchises for the operation of retail stores selling and servicing tires and related automotive products since approximately 1982. Our principal predecessor, Big O Tire Dealers, Inc., offered franchises in this line of business since 1980 and offered dealer agreements in this line of business before 1980 and since approximately November 1962.

TBC has operated, through its subsidiaries, non-Big O retail outlets for tires and related products and services since 1995. (See further details in Item 12).

Except for the franchises described in this disclosure document, neither Big O nor any of its predecessors or affiliates has offered franchises for the same type of business to be operated by you or in other lines of business.

ITEM 3
LITIGATION

Pending Litigation.

None.

Prior Actions.

Fratilla, Brian Jeffrey v. Big O Tires, LLC. Case No. 37-2013-00028542-CU-BT-CTL, Superior Court of California, San Diego County. A purported class action lawsuit was filed on behalf of customers of Big O alleging that Big O's former tire protection program ("Former TPP") is actually an insurance contract under California law which required Big O to register as an insurer, comply with various formatting requirements and disclosures, and notify consumers that the policy was cancellable within 60 days. Other claims relating to the collection of sales tax were dismissed by the Court on February 6, 2015. On February 11, 2015, the Court certified a class consisting of "all persons who, at any time after January 2, 2009, purchased a Former TPP from Big O in the State of California who did not make a claim under the Former TPP that was honored by Big O." In light of Plaintiff filing a motion to file a Third Amended Complaint on March 10, 2016 so as to add a named plaintiff and assert a claim of misrepresentation, the Court decertified the existing class as a condition to such amendment. After a tentative ruling denying class certification, the Court reconsidered and certified the class. The parties reached a settlement under which Big O agreed to pay $2.05 million in total, which the Court has approved by order dated August 24, 2018.

TBC Retail Group Wage and Hour Cases. JCCP Case No. 4701. This action coordinated two class actions that were pending in two different California Superior Courts on February 10, 2012. This action coordinated Paul Quintana, as an Individual and on Behalf Of All Similarly Situated Employees v. Big O Tires, LLC, Case No. BC451272, Superior Court of California for the County of Los Angeles (the "Quintana Action") and Brian Goegan, et al. v. TBC Retail Group, et al., Case No. 30-2011-00510643, Superior Court of California, Orange County Superior Court (the "Goegan Action"). Both actions involved claims for unpaid overtime, failure to provide meal periods, failure to provide rest periods, unfair competition, and related claims under California state law. The Goegan Action also asserted a nationwide claim for wages under the Fair Labor Standards Act ("FLSA") and the plaintiffs conditionally certified a class of approximately 1,735 individuals who received payroll pay cards and charged fees. The Quintana Action encompassed the entire putative class of the Goegan Action with respect to the state law claims. These claims related only to Big O company-owned Stores. Parties in both the Goegan and Quintana actions settled in 2018, with Big O agreeing to pay a total of $1.84 million, and the final order approving settlement was issued in March 2019.

Black Donuts, Inc., Jan W. Talbot, Jeff Magna; T&T Pasadena, Inc., T&T Thousand Oaks, Inc., T&T Glendora, Inc., Tareq Nasrallah, Tony Nasrallah, G&G 2000, Inc., Jerry Riccio, Greg Minshell, Manzano, Inc., Kevin Raach, Chula Vista Tire, Inc., Jeff Yasukochi, Big Red Tire, Inc., James Park, Felix Bros, Inc., Felix Tires, Inc., Ralph Felix, Randy Scott, MDS Enterprises, Inc., Michael J. Sullivan, Kennedy, Phillips & Gunnell Enterprises No. 66, Paul Fuller, Gene Renner, Rex Weissenbach v. Sumitomo Corporation, Sumitomo Corporation of Americas, Big O Tires, LLC, TBC Corporation, Dwayne Freshnock, Craig McDonald, Bill Ketchem, Art Beahm, Marvin Hayes, Greg Rocquet. Case Number BC427136, Superior Court of California for the County of Los Angeles. Plaintiffs, both current and former franchisees of ours, filed the initial Complaint in December 2009. Plaintiffs alleged that Big O made false statements and representations and withheld information that the Plaintiffs alleged was important in connection with their purchase of their Big O franchise. Plaintiffs initially claimed breach of contract, breach of implied covenant of good faith and fair dealing, interference with existing economic relations, fraud in the inducement, negligent misrepresentation, negligent hiring, firing and supervising, and violations of the California Unfair Business Practices Act and the California Business and Professions Code, Section 17200, et seq. Plaintiffs sought declaratory relief, rescission of contract and an award of general and special monetary damages. All Defendants except Big O were dismissed. Further, the Court and/or Plaintiffs dismissed all claims except breach of contract, breach of implied covenant of good faith and fair dealing, fraud and declaratory action. In light of the appeal in a related proceeding, the

case was stayed. But after the Court of Appeals in the related proceeding affirmed the decision on May 24, 2013, the stay was lifted and Plaintiffs Randy Scott, Jerry Riccio, Greg Minshell and G&G 2000, Inc. voluntarily dismissed their complaints with prejudice. The case progressed with respect to Michael Sullivan. Big O filed a motion for summary judgment; the Court granted the motion in part and dismissed all but one of Mr. Sullivan's claims. The parties settled with a nominal payment from Big O. Big O maintained counterclaims against several of the remaining plaintiffs, which resulted in the gross amount of $42,500 from such plaintiffs to Big O. The Court dismissed the case on March 24, 2016.

Administrative Actions.

Certain franchisees of ours in San Diego, California, including a partnership in which a subsidiary of ours had a 50% interest but no managerial control over day-to-day operations (the "San Diego Target Franchisees") were the subject of an investigation regarding the advertising of store products and services by the Office of the City Attorney of San Diego. We cooperated with the California authorities in reviewing and assessing allegations as to whether violations of California law that regulate advertising had occurred, and in November 1993, we entered into a Stipulation for Entry of Final Judgment and a Permanent Injunction against us and certain of the San Diego Target Franchisees. The Stipulation was entered in an action which was commenced for the purpose of filing the Stipulation and entitled People of the State of California v. Big O Tires, Inc., et al., in the San Diego County Superior Court in California (Civil Action No. 671161). The Stipulation does not constitute an admission or adjudication of any of the allegations made by the State, but does permanently enjoin us from directly or indirectly advertising the purchase or lease of a product or service that requires, as a condition of the sale, the purchase or lease of a different product or service without conspicuously disclosing in the advertisement the price of all of the products and services involved. The San Diego Target Franchisees and we are also required to inform any prospective purchaser of one of the relevant Stores of the existence of the injunction. As part of the Stipulation, the San Diego Target Franchisees and we agreed to pay certain costs and civil penalties totaling $35,000. Our portion totaled $25,000.

Actions Filed Against Franchisees or Former Franchisees in Our Last Fiscal Year to Recover Royalties, Trade Account Debts or Rental Obligations and Honor Post-Termination Obligations:

None.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 4
BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

Except as described below, the initial franchise fee is $17,500 and is due as follows: (i) $10,000 when you submit to us a franchise application and sign a Franchise Deposit Receipt Agreement, a copy of which is attached to this disclosure document as Exhibit E; and (ii) $7,500 when you sign the Franchise Agreement and before you commence your training.

Except as provided in this paragraph, the initial franchise fee, including the deposit, is fully earned when charged and is non-refundable under any circumstances. First, if we do not approve the

franchise application, we will refund the initial $10,000 to you. Second, if you fail to successfully complete the initial training program, we may terminate the Franchise Agreement and upon receipt from you of a general release in a form approved by us, refund a portion of the initial fee; the portion refunded will be the initial franchise fee less the costs we incurred in your approval process, your training and any other administrative expenses. Finally, if you sign a Franchise Agreement without the Premises (as defined in Article 1 of the Franchise Agreement) for the Store identified in the Franchise Agreement and you are unable to locate and obtain our approval of Premises within 12 months after the effective date of the Franchise Agreement, we may terminate the Franchise Agreement at our option, in which event we will refund the initial franchise fee actually paid to us less $10,000 for the site selection services we provided to you upon receipt from you of a general release in a form approved by us. If you sign a Franchise Agreement in a situation where a franchise broker has been involved in the acquisition or sale of the franchise, the initial franchise fee paid by you when you sign a Franchise Agreement is non-refundable under any circumstances.

In the event any incentive reduces the amount of the initial franchise fee to less than $10,000, you will still be required to pay $10,000 with the franchise application. Upon your execution of the Franchise Agreement, any amount of this payment in excess of your initial franchise fee will be applied to your accounts receivable for products purchased from us.

If you are an existing franchisee in good standing whose Franchise Agreement is expiring, you may renew your franchise by signing our then current form of Franchise Agreement ("Successor Franchise Agreement") for a successor term of 10 years. We may, in our sole discretion, agree to a shorter Successor Franchise Agreement term if you are unable to extend your lease or sublease for the full Successor Franchise Agreement term. We waive the payment of the initial franchise fee for a Successor Franchise Agreement, but you must pay a successor franchise administration fee. See Item 6 below.

If you pay the initial franchise fee when you sign your Franchise Agreement without having selected a site, and an existing Big O Store is subsequently transferred to you, you will receive a credit against your trade account with us in an amount equal to the amount you paid for the initial franchise fee, less the amount of the transfer fee that would have been applicable to that transfer.

First Option Rights. Subject to certain exceptions generally described in this paragraph or Item 12, each franchisee is granted an option to apply for any new Big O franchise to be located within five miles of the franchisee's existing Big O Store, determined as a radius of five miles from the geographic center of your location. You must meet certain conditions to exercise your First Option Rights, including that you are in compliance with your Franchise Agreement, as determined solely by Big O. If you apply for a Big O franchise using your first option rights, the franchise deposit of $10,000 must be paid with your application to exercise your first option rights. The balance of the initial franchise fee must be paid to us at the time specified by us in our notice of the right to exercise first option rights, but in no event later than the earlier of: (a) date you sign the new Franchise Agreement, or (b) 120 days from the deadline for submitting an application to Big O to exercise your first option rights (this deadline is 30 days after Big O gives notice that the franchisee may exercise its first option rights). The franchise deposit becomes nonrefundable upon our approval of your franchise application. See Item 12 for a more detailed discussion on your First Option rights.

Associate Franchise Discount. Full-time employees (also referred to as "associates") of Big O Tires, LLC or affiliated companies (such as TBC Retail Holdings) who have been employees on an uninterrupted basis for at least five years will be eligible for a reduction of the initial franchise fee to $10,000 for a newly developed Big O Store. The employee must resign his or her position with Big O Tires, LLC or the affiliated company and assume full-time active management of the Big O franchise.

The associate will not be entitled to this associate franchise discount if the associate purchases an existing Big O franchise. Also, to be entitled to this associate franchise discount, the associate must be acquiring a majority interest in the new franchise. If the associate does not continue to meet this ownership requirement for at least two years after acquiring the new franchise, the associate must pay us the difference between the initial franchise fee which would have been due had the associate not qualified for the reduction (which is now $17,500) and the reduced initial franchise fee the associate did pay.

U.S. Military Veterans & First Responders. We will waive the initial franchise fee for franchisees who are U.S. military veterans and first responders (as established in accordance with our policies as we may adopt periodically) and for franchisees that are corporations, limited liability companies or other entities for which a U.S. military veteran or first responder owns a majority of the equity interest ("U.S. Military Veteran & First Responder Program"). The U.S. Military Veteran & First Responder Program is available to qualified individuals who either have received an honorable discharge from one of the U.S. Armed Forces (i.e., Army, Navy, Air Force, Coast Guard or Marine Corps), or are currently serving in one of the U.S. Armed Forces and eligible to receive an honorable discharge, or their entities as noted above. It is also available to first responders who were employed for a minimum of five years as a law enforcement officer, medical doctor, nurse, emergency medical technician or fire fighter, and who apply for a franchise after ending their service as a first responder. This reduction applies only to the first Big O franchise established by the veteran, first responder, or the veteran's or first responder's company. You may receive up to $100,000 in financing to acquire initial tire inventory from RDCs only. We will match 50% of each dollar, up to $20,000, the amount you spend on opening advertising in the form of a credit against your trade account for products purchased from us. For example, if you spend $20,000 on opening advertising, we will grant you $10,000 in the form of a credit against your trade account balance. You will be required to spend the applicable funds within 12 months after opening for business and in accordance with any other conditions and deadlines determined by us. The financing incentives are described with more detail in Item 10, and are not assignable to others without our consent. The U.S. Military Veteran & First Responder Program incentives are not available for a Store acquired in a transfer. If you do not continue to meet this ownership requirement for at least two years after acquiring the new franchise, you must pay us the full initial franchise fee which would have been due had you not qualified for the U.S. Military Veteran & First Responder Program (which is currently $17,500), which amount becomes due immediately at the time you no longer meet the ownership requirement. We reserve the right to extend, change or discontinue the U.S. Military Veteran & First Responder Program at any time.

Additional Store Development Program. Subject to the eligibility standards set forth below, if you are an existing franchisee of ours and desire to purchase an additional franchise, sign a Franchise Agreement by June 30, 2026, and open a Store by June 30, 2027, the initial franchise fee will be $10,000, payable when you sign a Franchise Agreement. To be eligible for this program, you must be qualified (as determined by Big O in its sole discretion) to operate an additional Store or Stores. A franchisee who is approved for this "Additional Store Development Program" must pay all applicable franchise fees for its additional Store ("Additional Store") as described herein. However, we will reduce the standard royalty to 1% during the first 12 months of Store operation and 2% during the 13th to 24th month of Store operation, with the full royalty fee commencing on the 25th month of Store operation and continuing through the remainder of the term. In certain situations as described in Item 10, we will provide financing assistance to existing franchisees who are approved by us (in our sole discretion), to acquire, open, and operate additional Big O Stores. In particular, as you and we may negotiate, you may receive up to $100,000 in financing to acquire initial tire inventory from RDCs only. We will match 50% of each dollar, up to $20,000, the amount you spend on opening advertising. You will be required to spend the applicable funds within 12 months after opening for business and in accordance with any other conditions and deadlines determined by us. We will match 50% of each dollar, up to $20,000, the amount you

spend on marketing within the 13th through 24th months after opening for business and in accordance with any other conditions and deadlines determined by us. Additionally, we will match 50% of each dollar, up to $20,000, the amount you spend on signage, painting and remodeling the Store in the first 12 months of opening. All matching funds will be provided in the form of a credit against your trade account for products purchased from us.

Alternatively, in lieu of the reduced royalty fee, inventory financing, and image and marketing match programs, Big O will offer you a loan of $150,000 in the form of a trade account credit with us for the Store after the execution of the Franchise Agreement, but no earlier than one week prior to the opening of the Store for business. The loan will accrue interest from the start if accepted. You will need to repay the principal amount of the loan equal to $.05 for every dollar less than $3,000,000 in Gross Sales achieved, which amount is due and payable during the first quarter of the third year after the Store opens for business. If the Store has $3,000,000 in Gross Sales during the first two years after the Store opens for business, no repayment of the principal will be required.

Multi-Store Conversion Program. If you are an existing franchisee of ours and simultaneously acquire three or more existing and operating automotive businesses from a competitor of Big O which you are converting to Big O Stores, you will be entitled to the standard Additional Store Development Program incentives for each of the three Stores for the royalty discounts, financing, and matching funds, plus we will reduce the Initial Fee to $10,000 for the first Store and $5,000 for each additional Store. Additionally, we will reduce the standard royalty to 3% during the first 25th to 36th month of each Store's operation, with the full royalty fee commencing on the 37th month of each Store's operation and continuing through the remainder of the term. This is referred to as the "Multi-Store Conversion Program."

Alternatively, in lieu of the reduced royalty fee, inventory financing, and image and marketing match programs, Big O will offer you a loan of $150,000 in the form of a trade account credit with us for each Store after the execution of the applicable Franchise Agreement, but no earlier than one week prior to the opening of each Store for business. The loan will accrue interest from the start if accepted.. You will need to repay the principal amount of the loan equal to $.05 for every dollar less than $3,000,000 in Gross Sales achieved, which amount is due and payable during the first quarter of the third year after each Store opens for business. If the Store has $3,000,000 in Gross Sales during the first two years after the Store opens for business, no repayment of the principal will be required.

Additional Store Development Program and Multi-Store Conversion Program Terms. The incentives and special royalty arrangements for the Additional Store Development Program and Multi-Store Conversion Program are described with more detail in Items 6 and 10, and are not assignable to others without our consent. If you qualify for either of these incentives, you and we will execute the incentive rider attached to the Franchise Agreement as Schedule 8.

To be eligible for any reduced initial franchise fee as a participant in the Additional Store Development Program or the Multi-Store Conversion Program, the new franchisee must be the same person (that is, individual or entity) or have the same majority owner as the franchisee for the other Store or Stores on which the discount is based. If you do not continue to meet this ownership requirement for at least two years after acquiring the new franchise, you must pay us the difference between the initial franchise fee (which is now $17,500) which would have been due had you not qualified for the reduction and the reduced initial franchisee fee you did pay. This payment is due upon the date the new franchisee no longer meets these ownership requirements.

Key Person New Store Incentive. An existing Big O franchisee shall be entitled to the following incentives if that existing franchisee opens a new store or converts a Big O competitor's store that has an existing book of business and the existing Big O franchisee makes one of its managers from its existing Big O Store ("Key Person") a 1/3rd or greater owner of the franchisee entity that will own the new or converted Store. The Key Person must have been employed by the existing franchisee for a minimum of three years in a managerial capacity, be approved by Big O as a new franchisee owner, and personally have $50,000 in operating capital invested in the new franchisee entity. We will reduce the initial franchise fee to $5,000, payable when the new franchisee entity signs the Franchise Agreement. We will reduce the standard royalty to 1% during the first 12 months of Store operation, 2% during the 13th to 24th month of Store operation, and 3% during the 25th to 36th month of Store operation, with the full royalty fee commencing on the 37th month of Store operation and continuing through the remainder of the term. You may receive up to $100,000 in financing to acquire initial tire inventory from RDCs only. We will match 50% of each dollar, up to $20,000, the amount you spend on opening advertising. We will match 50% of each dollar, up to $20,000, you spend on signage, painting and remodeling the Store. You will be required to spend the applicable funds within 12 months after opening for business and in accordance with any other conditions and deadlines determined by us. All matching funds will be provided in the form of a credit against your trade account for products purchased from us. This "Key Person New Store Incentive Program" and special royalty arrangements are described with more detail in Items 6 and 10, and are not assignable to others without our consent. If you qualify for this incentive, you and we will execute the incentive rider attached to the Franchise Agreement as Schedule 8.

New Franchisee Program. If you are a new franchisee who signs a Franchise Agreement by June 30, 2026, and opens a Store by June 30, 2027, you will pay the standard initial franchise fee of $17,500. We will reduce the standard royalty to 1% during the first 12 months of Store operation and 2% during the 13th to 24th month of Store operation, with the full royalty fee commencing on the 25th month of Store operation and continuing through the remainder of the term. We will provide the following financing assistance to acquire, open, and operate a Big O Store. You may receive up to $100,000 in financing to acquire initial tire inventory from RDCs only. We will match 50% of each dollar, up to $20,000, the amount you spend on opening advertising in the form of a credit against your trade account for products purchased from us. You will be required to spend the applicable funds within 12 months after opening for business and in accordance with any other conditions and deadlines determined by us. We will further pay for one hotel room and one economy air fare to the first Big O convention that takes place after you become a franchisee. These incentives and special royalty arrangements are described with more detail in Items 6 and 10, and are not assignable to others without our consent. If you qualify for this "New Franchisee Program" incentive, you and we will execute the New Franchisee Incentive Rider attached to the Franchise Agreement as Schedule 7.

New Franchisee Conversion Incentive. If you are a new franchisee and are operating a retail store selling and servicing tires and related automotive products when you sign your Franchise Agreement that you will be converting to a Big O Store, you will be entitled to the New Franchisee Conversion Incentive. You will pay the standard $17,500 initial franchise fee. We will match 50% of each dollar, up to $20,000, the amount you spend on opening advertising in the form of a credit against your trade account for products purchased from us. You will be required to spend the applicable funds within 12 months after opening for business as a Big O Store and in accordance with any other conditions and deadlines determined by us. We will reduce the standard royalty to 0% during the first 12 months of Store operation and 1% during the 13th to 24th month of Store operation, with the full royalty fee commencing on the 25th month of Store operation and continuing through the remainder of the term. If you qualify for these "New Franchisee Conversion Program" incentives, you and we will execute the New Franchisee Incentive Rider attached to the Franchise Agreement as Schedule 7.

Market Development Incentive. In the event we decide to target a market or region for development or expansion, we may use any combination of incentives to new or current franchisees in order to support the development of any market, in our discretion. Such incentives may include the waiver or reduction of initial fees, the waiver or reduction of royalties, providing matching funds for advertising and remodeling, or any incentive or combination of incentives offered under any other program.

Other Fee Waivers. We may waive all or part of any initial franchise fee in our discretion.

Except as stated above, all initial franchise fees are uniform as to all persons currently acquiring a franchise and are nonrefundable once paid unless we determine otherwise at our sole discretion. However, we have relationships with various franchise brokers to whom we agree to pay a success fee for referring to us and working with franchisee prospects or raw leads that we are not currently in discussions with and have not previously contacted. The success fee varies and can be up to $15,000 depending upon the services the franchise broker is providing.

Additional Incentive Information. A maximum of one incentive program listed above is generally available for the acquisition of any particular franchise, regardless of whether the qualifications for multiple incentives are met. All financing incentives are subject to our and TBC's credit approval requirements.

Alternate Incentive Programs. Prior to June 30, 2025, we offered different incentives than those listed above. If a prospective franchisee signed a Franchise Deposit Receipt Agreement and paid a deposit by the dates specified in those previous incentive programs as described in the applicable Franchise Disclosure Document disclosed at the time or that we otherwise agree upon, the franchisee may, in our discretion, receive those prior period incentives instead of the incentives set forth above even if the Franchise Agreement is entered after June 30, 2025. Further, we may offer any of the above incentives or any combination of incentives, and modify or waive some or all of the qualification requirements for these incentives, in situations involving the transfer of a Big O Store franchise, the re-opening of a closed Big O Store, or the opening of additional Big O Stores on terms presented to existing franchisees at the annual Big O National Convention in our sole discretion. In transfer situations, we may also offer a credit against a franchisee's trade account for improvements made to the transferred Big O Store's facility and equipment, in our sole discretion.

Equipment and Signage. The equipment, tools, signage, leasehold improvements, and decorations needed to operate a Big O Store that must be purchased from us and our affiliated companies including TBC are estimated to cost from $290,000 up to $1,220,000 (excluding applicable sales and use tax, if any). You will pay these amounts to us or our affiliates pursuant to an invoice we issue following each order. For purchases of these items from third parties, payment will be made directly to the third party or vendor according to its payment terms. Generally, this expenditure is not refundable and we do not finance it, but we have in certain cases provided funding for equipment as described in Item 10. We may also assist you in locating financing opportunities from third parties for this expenditure.

Inventory. The cost of the initial product inventory that may be purchased from us (consisting of tires and other products) is estimated to be between $75,000 and $187,500 (excluding applicable sales and use tax, if any), unless you are acquiring an existing Big O Store by a transfer and paying the transferor for these items. You will pay these amounts to us pursuant to an invoice we issue following each order. For items purchased from third party vendors, payment will be due according to the vendors' credit terms. Generally, this expenditure is not refundable and we do not finance it, but we have in certain cases provided funding for equipment as described in Item 10.

Rental Payments. Typically, you will enter into a third party lease for the property of the Big O Store premises and negotiate your own terms, or you may acquire the land and construct the building and improvements yourself. Alternatively, when we own the premises or lease it from a third party, we will lease or sublease the Store premises to you. When you lease or sublease the property from us, the first month's rent and taxes must be paid to us when your Big O Store opens. The rent and taxes typically range from $10,000 to $40,000 per month. You must also pay us a security deposit, typically in the amount of one month's rent. These expenditures are non-refundable except that the security deposit may be refunded in certain cases pursuant to your lease or sublease with us. These expenditures are not financed by us except to the extent described in Item 10.

Computer Hardware and Software. You must acquire, install, and use the BOT POS System. The BOT POS System includes in part our required computer, monitor, printers, router, and related items, all configured to our specifications (referred to as the "TBC Hardware Model"). You must pay the software license fee, all fees for installation, conversion, training and onsite support, and monthly subscription fees for the license, maintenance, support, and training to us. We will then pay these fees to the applicable supplier that provides the computerized point of sale system, as described further in Item 6.

As of the date of this Disclosure Document, the supplier of the BOT POS System is Navex, LLC, a Solera company ("Navex"). The initial fees for the BOT POS System from Navex are estimated to range from $10,000 to $11,000, and the monthly fees thereafter are $304 per month as of the date of this Disclosure Document as provided in the Software License Agreement (Exhibit J-1) ("Navex EULA"). We retain a portion of these monthly subscription fees, with part of the retained amount used for our development fund used for POS application enhancements.

We are in the process of transitioning the BOT POS System to a system provided by Sparkplug Studios LLC ("Tekmetric"). The initial fees for the new BOT POS System from Tekmetric are estimated to range from $9,050 to $10,150, and the monthly fees thereafter are initially $340 per month as provided in the Tekmetric End User Agreement (the "Tekmetric EULA"). We anticipate that the Big O franchise system will be transitioned to the Tekmetric BOT POS System within the next 12 to 18 months following the date of this Disclosure Document.

You will be required to purchase computer equipment comprising the TBC Hardware Model which costs approximately $20,500 to $33,500, which includes all amounts payable to us for the software license fees, installation, support, and subscription fees as described above (but not including applicable taxes or ongoing expenses for additional third party services which may be required, such as backup, storage, anti-virus protection, etc.). Except for those fees payable to us as described above, all other payments for computer software and equipment comprising the TBC Hardware Model are currently made to third parties. These amounts paid to us are non-refundable. You will purchase other computer hardware and other software for your Big O Store from third parties.

As established by your Local Group	In the discretion of each Local Group, (a) new franchisees, and (b) existing franchisees that are not in good standing with their Local Group due to the failure to timely pay fees or advertising contributions, must obtain a bond until the Local Group is satisfied that the franchisee will pay fees and advertising contributions to the Local Group when due.

Explanatory Notes

Note 1: Fees are imposed by and payable to us, except as otherwise noted. All fees are nonrefundable, unless otherwise determined at Big O's sole discretion. You must reimburse us for any taxes (other than income taxes) we pay on your royalty fees so that the net amount received by us is as set forth in the Franchise Agreement. Certain fees in our current Franchise Agreement have changed from the amounts charged in the past and may change in the future. Franchisees are only responsible for those fees contained in the Franchise Agreements that they execute. Therefore, existing and future franchisees may have fees imposed on them that are different from those represented in this table. We may elect to waive or credit, reduce or defer payment of any and all fees and charges of any kind that are payable to us in connection with a franchise on a case-by-case basis.

Note 2: The following royalty provisions control the administration of the royalty for Business Format Franchisees –

a. The royalty rate that you pay for the period from the date your Store begins operations until the end of that calendar year will generally be 5.0%. However, you may be able to receive reductions or rebates of a portion of these royalty payments based on the Royalty Matrix as described below. The royalty rate applies to your Adjusted Gross Sales.

i. Your royalty rate will be calculated in accordance with the Royalty Matrix, which is included in Schedule 9 to Exhibit B-1 (the BF Franchise

Agreement). The Royalty Matrix provides for a royalty rate for a given year based on your Adjusted Gross Sales for that year. This Royalty Matrix will change each year based on the prior year average retail store sales. For new Stores, under the current Royalty Matrix, generally the maximum Royalty Rate will not exceed 5.0% and the lowest royalty rate will not be less than 3.5%. The minimum royalty rate under the Royalty Matrix is subject to change by Big O. Big O will update and distribute the Royalty Matrix annually. For instance, if you sign the Franchise Agreement (Exhibit B-1) in 2025, the initial Royalty Matrix will be the 2025 Royalty Matrix, it will be updated annually. Big O may also adjust the Royalty Matrix during the course of a year. The Royalty Matrix will establish the minimum amount at which a rebate may be earned by a single Store, which minimum amount is the greater of: (a) $1.47 million, or (b) the average Store Gross Sales of all Big O stores for the previous year, excluding the top 10% of Stores and bottom 10% of Stores and adding $190,000 and rounding down to the nearest $10,000.

ii. If you own more than one Store, you may apply to us to become part of a Multi-Store Royalty Group. We may require, among other things, that Stores in a Multi-Store Royalty Group have 50% or more common ownership by one owner or that the Stores have 2 to 5 common owners with each owner having a 20% or more ownership of each Store.

Qualified Multi-Store Royalty Groups that elect to be treated as a group will have a lower per Store annual Gross Sales requirement to qualify for lower royalty rates than single Store franchisees that are not part of a Multi-Store Royalty Group.

Multi-Store Royalty Groups have a maximum royalty rate of 5.0%, but the royalty rate is subject to reduction on their Adjusted Gross Sales (defined exactly the same as for a single Store for this purpose).

iii. We have adopted royalty payment and true-up rules that are included in Schedule 9, Annex 2 of Exhibit B-1. These govern the application of the Royalty Matrix and various transition situations. These rules also cover the reconciliation of royalty payments made during the year based on estimated annual Gross Sales to the royalty payments that should be paid based on the actual annual Gross Sales.

b. Big O has a policy under which Big O will rebate to a qualified (as defined in the Manual) Business Format Franchisee a portion of its royalty payments if Big O fails to meet certain "fill rate" standards for certain "Big O Program Products" designated in the policy. "Big O Program Products" are all tires bearing the Big O brand or Big O exclusive products that do not carry the Big O label and all other products designated by Big O periodically in its discretion. This policy may be changed periodically by Big O in consultation with the Franchise Advisory Council (which is further described in Note 4 of this Item 6 below). "Fill Rate" is the rate that Big O fulfills an order with the product ordered or an approved substitution product as designated by Big O. The Fill Rate will be measured on a warehouse by warehouse basis using a popularity code system. The amount, calculation and other details concerning the rebates paid under the Fill Rate Policy will be set forth in the Manual. Failure to fulfill orders due to causes beyond our control (such as natural disasters, strikes, governmental actions, war(s), or other causes), do not count against the Fill Rate or qualify a franchisee for a royalty rebate.

c. For certain incentive programs that are identified and described in Item 5, we will temporarily charge reduced royalties during the first term of the Franchise Agreement, depending on the program. The reduced rates range from 0% to 3% of the monthly Adjusted Gross Sales during the first two to three years following the commencement date of the Store. In any subsequent years following the period during which a reduced royalty rate is available for an incentive, the royalty rate will be the full royalty in accordance with the Royalty Matrix rate. These reduced royalty rates will not affect the royalty rates on sales to National Account Customers or Key Account Customers, Excess Service Department Sales, or sales of Farm Class Tires, which will continue to be 2%, and will not affect other fees, such as Local Fund contributions and National Marketing Program Fees.

d. "Excess Service Department Sales" means the amount by which your Service Department Sales, defined below, excluding Service Department Sales to National Account Customers and Key Account Customers, exceed 40% of your Gross Sales, excluding Gross Sales to National Account Customers and Key Account Customers, as determined on a monthly basis. "Service Department Sales" means the amount of Gross Sales derived from non-tire related service work and products, including, but not limited to parts and labor for the following: air conditioning, alignment, batteries, brakes, front end repairs, fluid replacement, inspections, maintenance services, shocks and struts, oil changes, shop supply fees for items used to perform such services, and any warranties sold in connection with any such Sales. Service Department Sales shall include such other services and parts as we may determine, from time to time, in our sole discretion.

e. We may designate in the Manual or otherwise in writing specific items and Gross Sales on which no royalty fee is due, which may change from time to time. We may also change the date for payment of the royalty fee upon notice to you.

Note 3: The Local Fund contribution is non-refundable. Periodically, your Local Group may increase the amount you must spend for advertising (by contributions to the Local Fund or otherwise) above 4%, but your Local Group may not reduce this amount below 4% except by agreement with Big O or by policies as determined by Big O periodically in its sole discretion. Under our current policies, these reductions may include:

a. The Local Fund contribution rate on Gross Sales to National Account Customers and Key Account Customers approved by us and/or on Gross Sales of Farm Class Tires may be set at 2%.

b. Advertising contributions by one Store to its Local Fund are capped for each applicable calendar year at 4% (or such lower amount equal to the required Local Fund contribution then in effect) of the greater of $2.7 million or twice an approximation of the system-wide average Store sales for each prior 12 month period ending on October 31 of each year. For example, if the System-wide average Store sales for a given year are $1,500,000, and the then effective Local Fund minimum contribution percentage is 4%, the maximum contribution per Store would be $120,000 (2 X $1,500,000 = $3,000,000; X 4% = $120,000.) Under our current policies, this advertising contribution cap may start for a franchisee for the calendar year beginning on the first January 1 after the date of the franchisee's Franchise Agreement. The approximation of the system-wide average Store sales for each 12 month period will be calculated in accordance with policies periodically established by Big O in its discretion (for instance, this average is now calculated based on retail sales of the middle 80% of comparable Stores) and will be communicated by Big O no later than December 31 of that year. (For certain

franchisees operating under older forms of our Franchise Agreement, the $2.7 million minimum cap measure is slightly lower, at $2.5 million.)

c. The minimum contribution has been reduced by .4% to 3.6% of a Store's Gross Sales based on certain marketing programs which may be changed or terminated in the future, as described in Item 11.

Note 4: The "Franchise Advisory Council" or "FAC" is a group of elected representatives of our franchisees who meet regularly with our management, provide input to our strategic planning and present viewpoints on issues involving the franchise relationship. The FAC has approved an increase in the National Marketing Program fee by .65% from .25% to .9% based on certain marketing programs which may be changed or terminated in the future, as described in Item 11.

Note 5: You must maintain an inventory of Big O brand tires, other approved brands of tires and other products in amounts and variety as we may reasonably require. Your initial inventory will cost between $75,000 and $187,500. Product prices may include freight, fuel charges, and other delivery costs included in a stated delivered price or as stated separately.

Note 6: These fees reflect Big O's arrangement with Navex, which currently provides the computerized point of sale system that is referred to as the "BOT POS System" in this disclosure document, and those fee that will be paid to our next designated supplier for the BOT POS System, Tekmetric, when you convert to that system. You must acquire the BOT POS System. You must become a licensee of Navex or Tekmetric in order to acquire the BOT POS System. All franchisees acquiring the BOT POS System must pay (i) the Navex software license fee (and, when the Tekmetric system is implemented, the Tekmetric implementation fee) to Big O, (ii) fees for installation, conversion, training and onsite support to Big O, (iii) monthly subscription fees for licensing, maintenance, support, and training to Big O, or as otherwise directed by Navex or Tekmetric and Big O, and (iv) if applicable, a transfer fee, upon the transfer of a Big O Store subject to a Navex EULA or Tekmetric EULA. These fees may change periodically. The monthly subscription fee also provides you with access to third party vendor data, such as the Epicor suite of automotive repair and service catalogues. Navex and Tekmetric may also charge hourly rates and other charges for services (such as installation, training and consulting) not included in the contracted maintenance, support, and training services. See Item 11 (under Computer Systems) for more information. Certain portions of the monthly subscription fee paid to Navex are retained by us and we allocate some of those retained amounts to our development fund to be used for POS application enhancements.

Explanatory Notes

General Note: We are relying on our years of experience in the retail tire store and automotive repair and service business to compile these estimates. The availability and terms of financing, will vary considerably depending on the methods and amount of financing, your creditworthiness, collateral you may have and lending policies of financial institutions. The equipment and other items are shown in full, although they may be financed or leased. You are encouraged to discuss the operations of a Big O Store with Big O franchisees. (See Exhibits K-1 and K-2 for lists of current and certain former Big O franchisees.) You should also review these figures carefully with a business advisor before making any decision to purchase a Big O Store franchise. None of the fees or payments to us listed in this Item are refundable, unless otherwise provided. Payments to third parties may or may not be refundable depending on your agreement with such third parties; however, usually such payments are nonrefundable.

Note 1: **Initial Franchise Fee**. The initial franchise fee may vary as described in Item 5. You must reimburse us for any taxes (other than income taxes) we pay on your initial franchise fee so that the net amount received by us is as set forth in the Franchise Agreement. In the event any incentive reduces the amount of the initial franchise fee to less than $10,000, you will still be required to pay $10,000 with the franchise application and any amount of this payment in excess of your initial franchise fee will be applied to your accounts receivable for products purchased from us.

Note 2: **Initial Training – Fees, Travel and Lodging Expenses**. We may charge you training fees, except that the initial Online Training, Facilitated Training, and on-location training program for one person are included in the initial franchise fee. In addition, you will have to bear expenses arising in connection with your training, such as travel, daily transportation to and from the training facility, and any other living expenses. We will pay for lodging during the classroom portion of the new franchisee orientation training program. See Item 11 under "Training" for more details.

Note 3: **Real Estate Leases**. If you do not own adequate space, you will need to lease or purchase the land and building for your Store. Typically locations for a Store are prime retail sites. You will generally need a facility of 5,000 to 8,000 square feet to operate your store with a prototypical store sized at 6,240 square feet. If leased, the base monthly rent is estimated to range from $10,000 to $40,000 per month, depending on geographic location, size of the premises and other economic factors. Typically, these leases are triple net leases, under which the tenant must pay all taxes, insurance and maintenance expenses over and above the base rent amount. The estimate provided assumes that you will rent the facility and that you must provide a security deposit of one month's base rent to the landlord. In a build-to-suit lease, the landlord may include some or all of the improvements, fixtures, and signs in the cost to build the building and factor these costs into your lease payments. You may elect to purchase the land and building rather than renting. If you purchase the land and build your store, your estimated combined costs for the land and building construction may range from $1,200,000 to $4,500,000 depending upon market conditions. If you purchase an existing building and remodel it, your costs may be less. You will not incur the premises rent costs listed above, but will have to factor in additional costs for financing, acquisition and construction of the building. If you purchase an existing Big O Store from an existing Big O franchisee and Big O is either the lessor or a sublessor, you will be required to sign a Deferred Maintenance Agreement which requires the buyer or seller of the Big O Store to repair conditions of the Big O Store from our inspection of the Big O Store within 90 days of the purchase (Exhibit Z).

Note 4: **Equipment, Fixtures and Other Fixed Assets**. The high estimate is based on the purchase of new equipment and fixtures and the low estimate is based on the purchase through Big O, its affiliates, or others, of used or refurbished equipment and fixtures. You must provide an irrevocable letter of credit to secure payment of the equipment order. The entire balance you owe for equipment and

fixtures and the amount due for your initial inventory order must be paid in full before your initial inventory order is shipped to you. Another alternative is to lease equipment, in which case you must provide proof of the equipment lease agreement.

Note 5: **Construction, Remodeling, Leasehold Improvements and Decorating Costs**. These estimates do not include new construction; the cost of new construction is discussed in Note 3 above. The cost of remodeling, leasehold improvements and decorating costs will vary based on a variety of factors, such as the location of the Store and the type and condition of the building to be remodeled, improved or decorated. This estimate includes the amount of any real estate development fee if we develop the site for your Store and use a third party developer to develop the site and your Store. This estimate also includes the amount of any real estate consulting charges if you utilize the services of members of the Big O real estate department for consultation in regard to the development, construction, remodeling or conversion of your Big O Store. See Item 5.

Note 6: **Insurance and Other Security**. You must maintain insurance described in Article 21 of the Franchise Agreement and in our Manual and as required by the terms of your lease or sublease, as may be applicable. We may change these insurance requirements periodically. Currently, the types of insurance and the minimum dollar amount of coverage you must maintain are: (a) Workers' Compensation; (b) Comprehensive or Commercial General Liability (including among other things, product liability) with limits not less than $1 million per occurrence and $2 million general aggregate; (c) Vehicular/Automobile Liability of not less than $1 million per occurrence combined single limit; (d) "All Risk" Property for repair/replacement coverage and valuation of all assets and Business Income/Extra Expense insurance; (e) Garage liability of not less than $1 million per occurrence and $2 million general aggregate and Garagekeepers Legal Liability of not less than $100,000 combined single limit per location; and (f) Commercial Umbrella Liability of not less than $1 million per occurrence combined single limit. Other insurance coverage is recommended by Big O and you must maintain these other coverages if required by law where the franchised business operates. These may include Inland Marine, Boiler and Machinery, Employment Practices Liability and Comprehensive Fidelity/Crime. The investment amounts set forth in the table represent three months of initial commitment costs with additional premiums at or just before opening. Premiums for these coverages will vary greatly because of location, amounts of coverage, values being insured, annual sales, number of employees, experience ratings, and other factors.

A transferee of a Franchised Business or a franchisee opening a Conversion Store (defined below) must, at our discretion, obtain a surety bond or letter of credit of not less than $10,000 (or such other amount as we may periodically designate) to secure payment of contributions to the National Marketing Program, the Local Fund, or both. Fees for these bonds or letters of credit will vary based on a variety of factors, including the transferee's or other franchisee's creditworthiness. As used in this disclosure document, the term "Conversion Store" means a Big O Store converted from a non-Big O Store. It does not include a Store that converted from a PDF Store to a BFF Store

Note 7: **Computer Hardware and Software**. You must acquire, install and use the BOT POS System that includes the TBC Hardware Model. You must pay (i) the Navex software license fee (and, when the Tekmetric system is implemented, the Tekmetric implementation fee) to Big O, (ii) all fees for installation, conversion, training and onsite support to Big O, and (iii) monthly fees for maintenance, support, and training to Big O, or as otherwise directed by Navex or Tekmetric and Big O. Franchisees acquiring the BOT POS System are also responsible for all hardware and management costs. The estimated approximate average initial cost to purchase and install the BOT POS System (including the license fee, installation fee, conversion fee and store training, set-up, and go-live support fees described in Item 6) is $20,500 to $33,500 (See Item 11 for more details). Of this amount, $10,000 to $11,000 is

paid to us for the BOT POS System, and the remainder is paid to third party suppliers. If you request integration of your accounting system with the BOT POS system at your option, then additional fees range from $3,500 to $7,000 will apply (which are included in the high end of this estimate). These costs do not include taxes, shipping fees, or the travel expenses for the POS trainer.

Note 8: **Non-recurring Pre-opening Costs**. This estimated amount includes deposits for utilities, fees for city, state and local business licenses, any loan origination fees, any bank fees, and other non-recurring expenses.

Note 9: **Additional Funds.** This amount includes estimated pre-operational expenses not listed above, as well as estimated additional funds necessary to pay on-going expenses not covered by sales revenues for the first twelve months of operations, including payroll costs. You may have additional expenses starting or converting your business. Also, if you wish to become a franchisee of a new Store with an anticipated "high" cost real estate project, you must, at our discretion, meet certain higher net worth and liquidity requirements before we approve you as a franchisee. The current standards for high real estate costs are $4,500,000 or more for purchased real estate or lease payments of $40,000 per month or more for leased real estate. The current net worth and liquidity requirements are a net worth of $300,000 or more and liquid assets (that is, cash and cash equivalents) of $100,000 or more when you are leasing an existing store or a new store and a net worth of $500,000 or more, and liquid assets of $150,000 or more for a high cost real estate project.

Note 10: **Total Estimated Initial Investment**. We have relied on our experience since 1962 in the retail tire store and automotive service business in compiling these estimates. You should review these figures carefully with a business advisor before making any decision to purchase a franchise. Other than the limited situations discussed in Item 10 of this disclosure document, we do not offer financing directly or indirectly for any part of the initial investment.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must establish and operate your Big O Store in compliance with your Franchise Agreement and the standards and specifications contained in our confidential operating manual ("Manual"). Our Manual consists of various written, electronic, audio, video, and Internet instructions, including our Franchise Policies & Standards Manual, consisting of our policies and standards on various matters. The Manual also includes any training materials, including the online Learning Management System, or any other proprietary information and other materials stating Big O's standards, policies, procedures, technical bulletins or other information, including any information posted on the Big O Tires Website Business Center. The Manual is designed to protect our reputation and the goodwill of the Licensed Marks, it is not designed to control the day-to-day operations of your Big O Store. Our Manual may be modified by us periodically to reflect changes in authorized products and services, standards or service quality, and the operations of Big O Stores. It is your responsibility to maintain an updated Manual, or if provided electronically, to regularly check for updates to the Manual and maintain compliance with the current Manual. In the event of a dispute as to the contents of the Manual, the most recent revision made and issued by us shall control.

We have standards and specifications for your Store, the premises where your Store is located, equipment, signage, furniture, fixtures, wearables, supplies, forms, inventory, advertising materials, computer software and hardware, and most products and other items used in or sold through your Big O Store. Standards and specifications include standards for delivery, performance, warranties, signage, fixtures, design, appearance, quality and other matters. You must purchase or lease all products,

equipment, supplies, and services used in or sold through your Big O Store in accordance with our standards and specifications only from us or other sources approved by us. When you sign the Franchise Agreement, we will grant you online access to the Manual. Included in the Manual is a list of our approved suppliers. We have the right to change the standards and specifications included in the Manual, including the list of approved suppliers. You must comply with all standards and changes which are deemed, by their terms, to be mandatory; provided that the changes are applied in a reasonable and nondiscriminatory manner among comparable Big O franchisees. The Franchise Agreement also provides that you must comply with Big O's national fleet account policies and must participate in Big O's national fleet account programs, which are described in Item 11 (see paragraph 7 under "Continuing Obligations"). Also, periodically, we may institute pricing or discount programs in which the availability of lower prices or of discounts may depend, in whole or in part, on your meeting certain requirements established by us.

Tires. We sell lines of private label tires to Big O Tire Stores. These private label tires may be manufactured by Sumitomo Corporation, which holds a partial indirect ownership interest in us, or unaffiliated manufacturers. We may look to other manufacturers to produce tire products in the future. We do not manufacture tires. Most products are delivered to franchisees from the RDC servicing their area at a minimum of twice weekly. We commit to supply you with the Big O branded tire lines but we do not guarantee to supply you with any specific numbers or sizes of tires or with any other specific tire brands. However, we do have a fill rate policy which is described in Item 6, Note 2.

We are the only approved supplier of Big O private brand tires and other private brand products which are manufactured exclusively for us or TBC. We may add or change private brands of tires and other products periodically. We are also an approved supplier of various major brand tires. You must purchase your tires bearing the Big O trademark and other brands from the RDC in your area or, with our approval, other RDCs. In addition, you may purchase other lines of tires through the RDC or from any other approved source.

From the date at the end of the 180 day period from the date you open your Store (or in the case of a transferee or Conversion Store, from a date we designate), for the rest of the calendar year after this date and for each calendar year after that, you must carry a minimum of 700 tire units, consisting of a majority of Big O brand tires, Big O exclusive tires, or other brand tires periodically designated by us as exclusive to the Big O product screen. Big O may periodically change these requirements for its franchisees generally or for particular areas or circumstances.

We anticipate that purchases you make from us and our designated or approved sources will comprise 90% of your initial tire inventory investment and 80% or more of your ongoing purchases of tire products and supplies.

To differentiate our products in a commodity market, all Big O brand tires are sold with limited warranties periodically prescribed by us. You must offer and honor these limited warranties, including terms providing for free replacements. You must also honor warranties for certain products and services sold by non-Big O Stores in accordance with policies we may establish periodically; under our current policies, you must honor certain warranties for products and services sold by designated non-Big O, TBC affiliated retailers.

We currently designate a single supplier, ABS, to administer a tire protection warranty covering non-Big O brand tires sold by Big O Stores that is sold under the "Pro-Tec+" trade name. All franchisees must honor any Pro-Tec+ warranty sold by any Big O Store, subject to certain reimbursement rights related to such services as dictated by the current warranty program. Franchisees are not currently

required to offer the Pro-Tec+ warranty or any other warranty on the non-Big O brand tires they sell. However, franchisees located in certain states (currently California, Colorado, Idaho, Iowa, Indiana, Kentucky, Nebraska, Ohio, and Washington) will be required to offer only the designated Pro-Tec+ warranty if they elect to offer a warranty on non-Big O brand tires, due to the strict warranty laws that must be observed in those states. In other states, a franchisee may offer a different warranty program, provided that the program meets our current requirements, which requirements may vary by state and may include demonstrating to us that such program complies with the warranty laws in their states. The fees associated with the Pro-Tec+ warranty program are paid to the supplier ABS. The fees and payment terms are subject to change from time to time upon notice from us or ABS. The full terms related to the Pro-Tec+ warranty program are set forth in the Manual, and franchisees who elect to sell Pro-Tec+ warranties must enter the Road Hazard Service Contract Program Franchise Sales Agreement with ABS attached as Exhibit R. The supplier, warranty program, and warranty requirements related to non-Big O brand tires may be modified by us upon notice to you. We may also require that you pay any fees for this program directly to us.

At the discretion of your Local Group, you may offer the Premium Tire Service Policy which provides certain services and products as part of the purchase price of the new tires, which are generally provided at an additional charge by our competitors. These include mounting and balancing of new tires, wheel weights and new rubber valve stems.

Wearables, Services, and Signs. All specialty items, wearables, merchandising and display materials, and signs bearing the Big O trademark must be purchased only from or through Big O or another supplier approved by us.

Payments by Suppliers to Big O. We derive revenue from your purchases through certain designated or approved sources of certain products and services on a percentage basis ranging from 1% to 10% of the purchase price, which range could vary, depending upon the combined annual purchase/sales volume of you and other franchisees or as may be negotiated periodically with vendors. Also, as a result of the combined volume of purchases by Big O, TBC, and other companies affiliated with them, the amount of annual volume bonuses available to TBC and its affiliates on its purchases of certain products (such as tires) is greater than it would be without Big O. Periodically we may participate in other programs in which suppliers of products or services to franchisees make payments to us in the form of rebates, commissions, endorsement fees or other payments or make payments to the National Marketing Program or Local Groups (described in Item 11) for authorizing, promoting or otherwise facilitating franchisee purchases of certain goods or services. These programs vary among suppliers, but may include payments ranging from 1% to 3% of franchisee purchases from these suppliers. Also, we may derive revenues from your licensing of certain approved software, a portion of which is partially used to offset the costs we incur to develop, support and maintain such software (See Item 6, note 6).

MAST, Pirelli, Bridgestone, Nitto, Nexen and Hankook Rewards Programs. We have programs intended to promote the retail sales of Michelin, BFGoodrich, Uniroyal, Pirelli, Bridgestone, Firestone, Nitto, Nexen and Hankook branded passenger and light truck tires at Big O Stores by providing rebates or incentive credits based on meeting certain product purchase objectives. Each of these programs is currently voluntary. You may elect to participate in any or all of these programs. The terms and benefits of the MAST Program (covering Michelin, BFGoodrich, and Uniroyal tires), Pirelli Program, Bridgestone Program (covering Bridgestone and Firestone tires), Nitto Program, Nexen Program and Hankook Program will be revised annually, and may be discontinued at any time, or we may make these programs mandatory in the future, after consultation with FAC, in which case you will be required to participate in them at that time.

Accounting Services. At our discretion, new franchisees must use some or all of the services of a retail accounting center ("RAC"), which may be a cooperative or association of franchisees or another entity owned by Big O franchisees or third parties, or an operation that is part of Big O or an independent third party, for the generation of financial statements and for providing accounting, payroll and related services. In the event you utilize the services of a RAC, you must provide sufficient financial information to a RAC to enable it to prepare on an accurate and timely basis financial statements that you must deliver to us and must authorize that RAC to deliver these financial statements directly to us. At our discretion, you must join a RAC specified by us, which may be a regional RAC or a RAC operated by Big O or an independent third party on a system-wide or other basis. The services offered by each RAC may vary by region. The RAC or preferred vendor will assess you a fee for the services you use. See Item 6.

Computer Systems. Franchisees must implement, maintain and use any computer or information system required by Big O. Currently, Business Format Franchisees must acquire, install and use the BOT POS System offered by Navex. Franchisees acquiring the BOT POS System become licensees of Navex and pay certain fees for the software license, installation, training, and maintenance to Big O. The Big O franchise system is in the process of transitioning to the BOT POS System offered by Tekmetric, at which time you must convert to the BOT POS System offered by Tekmetric by becoming a licensee of Tekmetric (through a sublicense from Big O) and paying the software license, installation, training, and maintenance to Big O. All franchisees acquiring the BOT POS System must also obtain all the necessary computer hardware that meets our specifications. If you request integration of your accounting system with the BOT POS system at your option, then a license for the QuickBooks Advanced Edition will also be required. Franchisees may purchase the equipment comprising the TBC Hardware Model, which is part of the required computer system, from third parties.

Insurance. You must maintain the insurance coverages, at your expense, as set forth in Section 21 of the Franchise Agreement, in our Manual, and as required by the terms of your lease or sublease, as may be applicable. The types of insurance and the minimum dollar amount of coverage you currently must maintain are listed in Note 6 to Item 7.

Interest of Officers. One or more officers of Big O own an interest in TBC, which may occasionally sell products or supply services to Big O franchisees.

Unapproved Suppliers. If you want to purchase or lease any products, equipment, supplies, or services, or use a supplier not listed in the Manual as previously approved by us, you must first obtain our written approval. We will determine whether to approve a supplier selected by you using the following procedures:

(1) You must submit a written request to us for approval of the supplier and provide us evidence of the need for the products or services and that the products do not conflict with existing marketing program products;

(2) The supplier must demonstrate to our reasonable satisfaction that it is able to supply the product or service to you which meets our standards and specifications, and that it is able to do so on a timely basis;

(3) The supplier must demonstrate to our reasonable satisfaction that it is financially sound and in good standing in the business community with respect to the reliability of its products and services;

(4) The supplier must indemnify and hold you and us harmless from and against any claim or liability based on the supplier's products or services, including claims of defects in materials and workmanship, and the supplier must provide to us certificates or other evidence of insurance coverage with limits sufficient to cover the risks associated with its products and services, and with an endorsement naming you and us as additional insureds; and

(5) Any supplier of tire products must meet the then current requirements under the TREAD Act.

We will notify you of our approval or disapproval in writing as soon as practicable, but no later than 90 days after we have received all of the information requested by us. If we do not provide this notice within 90 days, the supplier is deemed disapproved. We may withhold our approval of any product, service equipment or supplier as we determine in our sole discretion. For instance, we would withhold our approval if in our opinion the product conflicts with existing marketing program products or the product cannot be adequately warranted and serviced by other Big O franchisees. We may also withhold our approval of any services as we determine in our discretion. We do not charge a fee to consider a new supplier or service for approval. We can revoke approval of an approved supplier at any time at our sole discretion. We will notify you if we revoke approval of an approved supplier or service that you have told us you are using.

Your National Fleet Account transactions are processed through third parties selected by us. These parties currently charge a fee of 1.25% of the amount of each transaction, plus $.95 per transaction, for this service. The fee payable to the third party will depend on the third party designated for a particular transaction. We do not currently collect any handling fee, but may do so in the future. See Item 6. We currently receive a processing allowance from one tire manufacturer, of up to 3% of the amount of the transaction for certain brands of tires that are installed through one of the National Fleet Account programs. This allowance is to partially reimburse us for our expenses associated with administering this program. We may receive additional allowances from this manufacturer and other parties related to the processing of National Fleet Account transactions in the future.

We and certain of our affiliates also derive revenues from purchases made through us. During the 12 month period ended March 31, 2025, we and our affiliates had total consolidated revenues of $385,060,332 (this amount does not include revenues of TBC, TBC Private Brands, SCOA and Sumitomo Corporation and their non-Big O subsidiaries). Of this amount, $342,729,760 (approximately 89.0%) consisted of revenues from products or services (other than real estate sales or leases) sold by us or our affiliates to Big O franchisees. In addition, we and our affiliates leased or subleased real estate to some of our franchisees. Total revenues from leases or subleases with Big O franchisees were $10,100,061 (approximately 2.6% of total consolidated revenues), which when netted against our lease expenses of $10,499,489, resulted in a net loss of ($399,428) for the 12 month period ended March 31, 2025.

Cooperatives. We do not have any purchasing or distribution cooperatives.

Credit Card Program. Franchisees may choose to participate in a private label credit card program that is currently being offered through Bread Financial ("Bread"). You must meet Bread's credit criteria to participate in the program. While you are not required to participate in this program, the Bread program is the only approved private label "Big O" credit card program for franchisees and you may not establish, provide, originate, process, accept, market or promote any private label credit card (including "Category Cards" which are private label credit cards generally accepted only at participating merchants in auto and auto-adjacent categories) other than those issued by Bread, even if the credit card does not

contain the "Big O" tradename. Franchisees may, however, accept (but not originate) any major general purpose credit card, general purpose debit card, and any customer's existing Category Cards.

Negotiable Prices. On occasion, we negotiate purchase arrangements with suppliers for the benefit of our franchisees. You may receive benefits from these purchase arrangements for your use of any particular designated or approved source. These benefits include the right to sell Big O brand products, to sell other branded products, to receive competitive pricing and to receive promotional support, warehousing, delivery and other services from our designated and approved sources.

Material Benefits. We consider a variety of factors when determining whether to renew or grant additional franchises. Among the factors we consider is compliance with the requirements described in this Item 8.

Except as is described in this Item 8, you do not receive a material benefit from us based on your use of any particular designated or approved source.

Other than the requirements above, you are not obligated to purchase or lease any goods, services, supplies, fixtures, equipment, inventory or real estate from us or any other specifically designated source.

Explanatory Notes:

Note 1: General Factors: All financing options and terms are provided at the discretion of Big O, which may be affected by such factors as: accounting rules, business and regulatory requirements, creditworthiness of franchisee, benefit to Big O and the availability of funds from internal or other sources. Big O may deny participation in any of these programs to any franchisee on this basis, for any other reason or for no reason.

Note 2: Source of Financing: By Big O for all programs listed above. Big O may also, at its sole discretion, assist a franchisee in obtaining preferential terms from preferred third party lenders.

Note 3: Down Payments: May be required for any program listed above.

Note 4: Prepayment Penalty: There is no prepayment penalty on any financing program.

Note 5: Automatic Clearing House Payments: Unless otherwise specified, all amounts payable to Big O must be paid by Automatic Clearing House debits to your checking account.

Note 6: SBA Registry: Our franchisees are eligible for expedited Small Business Administration ("SBA") loan processing through the SBA's Franchise Registry Program. See www.franchiseregistry.com.

Note 7: General Interest Rate Terms: Unless otherwise noted, the interest rate on loans provided by Big O will be the "prime rate" as published in the Wall Street Journal plus 3% per annum. This may vary as negotiated. Unless otherwise noted, the increased interest rate on default is the lesser of 18% per year or the highest rate permitted by applicable law.

Note 8: General Default Terms: The standard promissory note in Exhibit G provides that: (a) your liability on default includes acceleration of the note; increased interest rate, and payment of collection costs (including attorneys fees); and (b) you waive delinquency of collection, presentment for payment and duty to enforce security. The security agreement in Exhibit H provides that: (a) on your default, we can take possession of the collateral, and you are required to pay costs of collection (including attorneys fees) and (b) you waive any right to have Big O seek collection from a third party or for Big O to make presentment on payments made to Big O with respect to collateral. The Franchise Agreement provides that Big O will have good cause to terminate your Franchise Agreement if you (or any of your affiliates or guarantors) default on any loan, agreement or lease with Big O. Franchise Agreement Section 19.01(k).

Note 9: Financing of Delinquent Payments: Big O may, in its discretion (without waiving any other rights available) enter into negotiated payment arrangements with franchisees who have been late in payment. Under these circumstances, we may charge a loan origination fee, we may impose restrictions on the franchisee's operations and we may require security and/or other consideration for the loan.

Note 10: Real Estate Sublease: Subject to change by Big O in its discretion, your rent will generally be: (1) market rates as determined by Big O, or (ii) Big O's cost plus a 5 percent mark-up. Initial rental rates are generally subject to increase on a periodic basis. Big O has the right to establish a new rent based on the fair market rental value of the property every five years. Improvements to the leased facility made by us will require additional rent sufficient to amortize the improvements plus provide return on the investment. Liability Upon Default: Loss of security deposit; termination of sublease; liability to Big O for all damages suffered and/or costs incurred as a result of default; late fees; interest; cost of collection

including attorneys' fees. Big O has a right of re-entry and the right to terminate the Franchise Agreement. See Sublease Exhibit F.

Note 11: Real Estate Lease: Subject to change by Big O in its discretion, your rent will generally be based on market rates as determined by Big O. Rent will be calculated to include amortization of the cost of property including improvements plus a return on the investment. These rates are subject to change on a periodic basis. Liability Upon Default: Loss of security deposit; termination of lease; liability to Big O for all damages suffered and/or costs incurred as a result of default; late fees; interest; cost of collection including attorneys' fees. Big O has a right of re-entry. See Lease Exhibit P.

Note 12: Financing Program Applicable to Certain Incentive Programs: Eligibility: New and existing franchisees that meet the eligibility requirements for the U.S. Military Veteran & First Responder Program, Additional Store Development Program, Multi-Store Conversion Program, New Franchisee Program, or Key Person New Store Incentive Program will be eligible for the financing amounts and terms described in this Note 12. Payment Terms: Generally, for inventory, monthly payments of principal and interest for 36 months, provided that under the programs other than the U.S. Military Veteran & First Responder Program this may instead be paid in equal monthly payments of principal for 12 months with no interest at your election. See, Exhibit G, Promissory Note.

Note 13: Alternative Financing Options for Franchisees Qualifying for the Additional Store Development Program and Multi-Store Conversion Program: Instead of the financing described in Note 12 above and other standard incentives offered for these incentive programs, we will agree to provide this alternative financing. Payment Terms: No repayment of the principal will be required if the Store has $3,000,000 in Gross Sales during the first two years after the Store opens for business. However, for every dollar less than $3,000,000, the principal will need to be repaid to us at the rate of $.05 per dollar during the first quarter of the third year after the Store opens for business. See, Exhibit G, Promissory Note.

Note 14: Existing Franchisee Growth Program: Eligibility: This financing is available to existing franchisees (who have operated a Big O Store for at least five years) that meet certain credit and performance requirements, who are acquiring an existing and operating automotive business from a competitor and converting it to a Big O Store, and who agree to an extended 20-year term for the franchise. These franchisees will be eligible for $500,000 in financing for purposes of remodeling the converted business. Big O's current performance metrics for this financing consider the franchisee's Google ratings, net promoter scores, customer complaints, Big O Tires-branded tires sales share, and an Image Certification conducted by us. Financing under this program will require that you have segregated collateral to secure the loan in an amount of at least 125% of the loan amount. The performance and credit requirements, and the decision as to whether the franchisee meets these requirements, are determined at our discretion. Payment Terms: Interest only payments for five years, with the full principal and interest due on the fifth anniversary. See, Exhibit G, Promissory Note.

Note 15: Other Financing: Documentation Required: Generally Promissory Note, Exhibit G and Security Agreement, Exhibit H. On occasion, we sell the notes receivable we receive from our franchisees to third party lenders. In that event, the Franchisees may need to make payment directly to the third party lender. We reserve the right to continue to occasionally do so in the future in our discretion. We may remain primarily liable to provide all services, if any, due to you under the notes receivable from you, and the third party who may acquire these notes may be immune under the law to any defenses to payment you may have against us. Also, the Security Agreement in Exhibit H provides that, if we transfer our rights under the Security Agreement to a third party, in any litigation brought by the third party to recover sums due or recover collateral under the Security Agreement, you may not assert against that third party any defenses or claims you may have against us.

All financing that we offer may have significant regulatory implications to Big O. We reserve the right in our sole discretion to deny participation in any of these programs to any franchisee on this basis, for any other reason or for no reason.

We do not offer financing under which you must confess judgment against us or a lender. We do not receive any direct or indirect payments for placing financing. We do not guarantee your obligations to third parties other than as set forth in this Item 10.

5. We will provide you with online access to our Manual (which is further described in Item 8) or other proprietary information (Franchise Agreement Section 7.01(d)).

6. We will assist you in selecting your initial inventory (Franchise Agreement Section 7.01(e)).

7. We will assist you in the lay-out, merchandising and display of your Store (Franchise Agreement Section 7.01(f)).

Schedule for Opening.

We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of your Big O Store is 3 to 24 months. The Franchise Agreement provides that, unless otherwise agreed in writing, you have 12 months after signing the Franchise Agreement to select and obtain our approval of a site for your Store and 18 months after the signing of the Franchise Agreement to open and begin operating your Store. Some factors which may affect this timing are your ability to locate an acceptable site, the time to acquire the site through lease or purchase, the time to build your Store facility, your ability to secure any necessary financing, your ability to comply with local zoning and other ordinances and the timing of the delivery and installation of equipment and signs.

Continuing Obligations.

During the term of the Franchise Agreement, we (or our designee) will provide the following assistance and services to you to the extent and as determined by us periodically:

We will not charge a fee for the following assistance:

1. If available to us, we will provide you a source from which you may purchase Big O private brand tires. Franchise Agreement Section 7.02(a)(i). We acknowledge our obligation to have products available to our franchisees that enhance and support the Big O System, and further acknowledge our obligation to use reasonable commercial efforts to maintain a competitive source of supply for the benefit of our franchisees and to aid in the promotion of Big O products and services (Franchise Agreement Section 31(a)). Service levels in delivering Big O Program Products (such as frequency of delivery) to you may, in our discretion, periodically be reduced based on changes in fuel costs or low order volume on particular delivery routes (Franchise Agreement, Schedule 10). We have a "fill rate" policy under which we will rebate to a qualified franchisee a portion of such franchisee's royalty payments if we fail to meet certain "fill rate" standards in our supply of products to Business Format Franchisees. This is described in Item 6, Note 2, paragraph (b).

2. In our discretion, we will make available to the Franchise Advisory Council ongoing marketing research into new tire selections and other lines of products and services and ways to enhance the competitiveness of your Big O Store (Franchise Agreement Section 7.02(a)(ii)).

3. We will provide you recommended prices for Big O brand tires and other brands of tires exclusive to Big O; provided that you will not be required to sell at any particular price if such a requirement would be unlawful (Franchise Agreement Section 7.02(a)(iii)). Also, see paragraph 10.a of the following section.

4. We periodically will make available programs offered to Franchisees by parts vendors approved by us. Currently, these vendors are NAPA, O'Reilly's, Advance Auto (CARQUEST, WorldPAC and AWI), AutoZone, The Group (Federated, Pronto, Auto Plus), and AAPA (Auto Value, Bumper to Bumper, Alliance Parts Warehouse). These programs may include such features as national account pricing, rebates paid directly to Franchisees, and prompt payment discounts (among others features). The basic vendor programs may be enhanced for BFF Franchisees. Some of these enhancements may include higher rebates, inventory management programs, training, and promotions. The mix of the vendors, amount of the rebates (if any) and other details of the programs may periodically change. We may modify or discontinue any of these programs in our discretion.

5. We will provide you with access to and use of one or more e-mail accounts for you and your Big O Store, subject to the terms below in this Item 11 and unless discontinued by us. Franchise Agreement Section 7.02(c).

We may charge a fee for the following assistance:

1. We will make available to you additional training for your "Operator" or your other personnel. We use the term "Operator" to mean the person designated by you to assume the responsibility for the operation of your Big O Store (Franchise Agreement Section 7.02(b)(i)).

2. We will provide you a warranty or replacement program for Big O private brand tires and other related automotive products and services, which we may revoke or modify at our sole discretion. This represents our current policy, which we may change in our discretion. However, the Franchise Agreement does contemplate warranties sponsored by Big O and you must honor them (Franchise Agreement Sections 14.01 and 14.04). We will absorb the franchisee's costs for (i) claims related to replacement due to road hazard and/or workmanship and materials as contemplated in the terms of the applicable Big O Program Products warranty for Big O I Tires (tires that carry the "Big O" label on the sidewall) in accordance with the terms and procedures prescribed in the Manual; and (ii) claims related to the prorated manufacturer's workmanship and material warranty for "Big O II Tires" (those that are (i) Big O exclusive tires that do not carry the "Big O" label on the sidewall, , and (ii) any other tires designated as exclusive to the Big O product screen) and any other tires that are Big O Program Products in accordance with the terms and procedures described in the Manual. (However, the warranty costs absorbed by us will be included in our costs in determining the prices at which we sell Big O Program Products to you). You must cover all other warranties (Franchise Agreement Section 14.04(b)).

3. We will provide you regional training and field assistance, inspections and merchandising advice pertaining to your Store (Franchise Agreement Section 7.02(b)(ii)).

4. We or a licensee designated by us will make available to you point of sale advertising materials and wearables utilizing the Big O marks and local advertising plans and materials, special promotions and similar advertising (Franchise Agreement Section 7.02(b)(iii)).

5. For each national promotion, we will make available to you or your Local Group electronic copies, or, where we deem appropriate, hard copies, of radio and television commercials (Franchise Agreement Section 7.02(b)(iv)).

6. In our sole discretion, we may provide other assistance occasionally under terms and conditions and for fees and charges as periodically established by Big O in its sole discretion (Franchise Agreement Section 7.02(e)). This may include, for instance, real estate consulting and other matters. See Item 6 in regard to fees.

7. Big O has established and may suspend and/or reestablish national fleet account and Key Account Customer programs and policies, which it may revise periodically in its sole discretion. The national fleet account programs and policies and Key Account Customer programs and policies may include: (a) Big O (or its designated provider) making arrangements with larger customers with multiple locations and/or multiple vehicle users ("National Account Customers") or large commercial or governmental customers of Franchisee that Big O has approved or designated as "Key Account Customers" for whom a 2% royalty rate will apply in accordance with criteria periodically established by Big O in its Manual to have Big O franchisees provide automotive products and services; (b) permitting the National Account Customers and Key Account Customers to purchase the specified products and services from you and the other franchisees at prices not more than those negotiated by Big O and the

National Account Customer or Key Account Customer; (c) central billing by Big O (or its designated provider) of National Account Customers or Key Account Customers for these specified products and services; and/or (d) fees to be paid by franchisees for administrative services (such as central billing) provided by Big O (or its designated provider) in connection with the national fleet account programs or Key Account Customer programs. You must comply with the national fleet account and Key Account Customer policies and participate in the national fleet account programs or Key Account Customer programs as periodically established by Big O. Participation includes carrying the inventory as is necessary to provide the specified automotive products to National Account Customers or Key Account Customers. (Franchise Agreement Section 10.03). Participation does not now require a franchisee to provide any certain services not directly related to the sale of specified products and services, but Big O has the right to impose this requirement in the future. The current fee for the third parties we select to process your national fleet account transactions is 1.25% of the amount of each transaction, plus $.95 per transaction, for this service, but is subject to change depending on the third party. Big O reserves the right to charge an additional handling fee to offset costs associated with managing national fleet account and Key Account Customer programs, but does not do so at this time. See Item 6.

8. We will sell Big O Program Products (described in Item 6) to you at the Big O Program Products Price. The Big O Program Products Price is the sum of Big O's costs to purchase the products, mold depreciation costs (if any), warranty costs, costs for Big O to distribute the products to you, the Rebill Charge applied to rebill tires and certain true-up costs to allow us to recover any underpayments by franchisees in the year before.

Big O's rebill program allows franchisees to purchase tires through Big O that are shipped directly from the manufacturer or distributor. The manufacturer or distributor invoices Big O for the tires and Big O invoices Franchisee, including a Rebill Charge. For Business Format Franchisees, the Rebill Charge currently is three dollars ($3.00) per tire. (Franchise Agreement Sections 1 and 8.06).

Definitions of these costs are included in Section 1 of the Franchise Agreement. The Franchise Policies & Standards Manual and revisions to that Manual are established by us periodically after consulting with committees that include franchisees (but which may or may not include you). A description of our current policy (which is or will be included in our Franchise Policies & Standards Manual) on determination of the Big O Program Product Prices is included in Schedule 10 to the Franchise Agreement (Exhibit B-1).

We have sought to include a number of safeguards for franchisees in connection with the calculation of the Big O Program Product Prices for Business Format Franchisees. One safeguard is the definition of Big O Program Product Prices and the components of Big O Program Product Prices in Section 1 of the Franchise Agreement. Other safeguards are included in Schedule 10 to the Franchise Agreement (which is subject to change by us periodically, as described in the previous paragraph).

9. In our discretion, we will make available various programs and products offered by independent vendors. Big O's fee for this service may be an upcharge determined as a percentage of the price of the relevant programs and products, or a flat fee. Big O may limit, modify, or discontinue the availability of any of these programs and products at any time in its discretion.

10. The following services may be made available to you at our discretion (Franchise Agreement Section 7.02(d)). We may or may not charge you for all or some of these services in our discretion:

a. We will provide you with periodic recommended retail pricing in your general market territory. This does not encompass specific competitor pricing in each location, but will generally

focus on price competitive, regional retailers. We will provide this information to you in an electronic format, so that you can update your pricing files in the BOT POS System. You will also have the ability to change this retail pricing at your discretion.

b. We make available the online Learning Management System for all stores. This site combines Big O and Industry specific courses which have been selected by the Training Department. We may require you to pay a fee for the Learning Management System if you elect to have access to these courses.

The scope, process, procedure and timing of these services; the availability of and charges for these services; and even the outright elimination of these services, will be determined periodically by Big O in its sole discretion and, if established, will be described in our Manual or other written documents.

Advertising Programs.

National Marketing Program

(a) Under the advertising program, each month you must contribute (in the form of the National Marketing Program fee described in Item 6) up to 1% of your previous month's Gross Sales (the "NMP Percentage Fee") plus such amount per month charged per franchisee to the Big O marketing fund by a third party who administers the National Auto Service Warranty for Big O (currently this amount is $75.00 per month, per store) to a program which is exclusively maintained and administered by us for systemwide marketing and other activities that promote the Big O system ("National Marketing Program", which was formerly known as the "National Advertising Program"). Currently, the NMP Percentage Fee is 0.9% of Gross Sales, based on the temporary increase referenced below. We cannot increase the current NMP Percentage Fee contribution rate to the National Marketing Program more than one-tenth of 1% of Gross Sales in any 12 month period except with the consent of the Franchise Advisory Council. The NMP Percentage Fee has been increased, with authorization from the FAC from its previous amount of 0.25%, by a total of 0.65% with 0.4% allocated to pay for part of the CRM Program defined below, and with 0.25% allocated to pay for part of the Digital Marketing Program defined below. Each of these increases will remain in effect for so long as Big O continues the relevant program.

(b) We deposit the National Marketing Program funds in our operating bank account.

(c) The National Marketing Program funds are maintained by us, in our discretion, for advertising, promotional materials and programs, public relations programs and marketing programs warranty programs, publications, research, programs or activities to promote the Big O System and the Licensed Marks and other activities approved or administered by us or which utilize the resources of the National Marketing Program or local franchisee cooperatives or franchisee associations or which pertain to or benefit the Big O Stores, the Big O System or the Licensed Marks generally. We do not use any part of the National Marketing Program funds to defray our general operating expenses other than those reasonably allocable to the National Marketing Program activities or other activities reasonably related to the administration of the National Marketing Program and its related programs. However, Big O may reimburse itself from the National Marketing Program funds for administrative costs, independent audits, reasonable accounting, bookkeeping, reporting and legal expenses, taxes and all other reasonable direct or indirect expenses that may be incurred by us or our authorized representatives in connection with the National Marketing Program. At our discretion, we may advance funds to the National Marketing Program to cover expenditures of the National Marketing Program. At our election, we may recover any funds so advanced from future franchisee contributions and we may adjust future expenditures as may be

necessary to make funds available for our recovery. We do not promise that marketing expenditures from the National Marketing Program will benefit you or any other franchisee directly or on a pro rata basis. We assume no other direct or indirect liability or obligation to collect amounts due to the National Marketing Program or to maintain, direct or administer the National Marketing Program. We make available to the members of the Franchise Advisory Council an annual statement detailing the income and expenses during the previous fiscal year of the National Marketing Program funds that show how the proceeds have been spent, customarily at the spring Franchise Advisory Council meeting. We will also make the annual statement available to any franchisee who requests it. No refund of contributions to the National Marketing Program is paid to you upon termination or expiration of your Franchise Agreement.

(d) The National Marketing Program is used for production of commercial print, radio, television, or internet advertising, direct response literature, brochures, collateral material advertising, surveys of advertising effectiveness, fees or expenses for any advertising agency, other advertising or public relations expenditures and general efforts to promote the Big O brand and system, such as web site development, digital marketing, digital advertising, customer relationship management, call management, social media, store rating programs, research, retail selling system development and administration of the National Auto Service Warranty. During the 12 month period ended March 31, 2025, approximately 94.1% of the National Marketing Program funds were expended on production and printing of advertising materials and general efforts to promote the Big O brand and system through various channels, including customer relationship management, search engine optimization and management, call tracking, social media, production of television and radio. Approximately 5.9% of the National Marketing Program funds were expended on administrative costs to manage and administer the National Marketing Program.

We have established the Franchise Advisory Council or FAC, which includes a Marketing Advisory Committee that assists us in marketing decisions under the National Marketing Program and other advertising matters. The FAC does not have decision-making authority regarding these matters, but acts in an advisory capacity only. The FAC consists of representatives of our franchisees elected by our franchisees. We reserve the right to dissolve the FAC or to modify its purposes in our sole discretion.

We currently have a customer relationship management program ("CRM Program") under which we or our designated supplier will send a number of postcards and other communications such as e-mails and text messages each month to certain categories of customers which number may vary based on factors including Store performance and sales or other criteria we or the supplier designate, and which may change from time to time. We require that Franchisees participate in and comply with the terms of the CRM Program, unless we agree otherwise. Although we will not directly charge you a fee for this service, this service will be paid for in part by the National Marketing Program and in part from contributions from us. The CRM Program may be modified or discontinued at any time in our sole discretion after consultation with FAC. We require that Franchisees participate in a digital marketing and search engine optimization/marketing program ("Digital Marketing Program"). You must participate in and comply with the terms of the Digital Marketing Program, unless we agree otherwise. The costs of operation of the Digital Marketing Program may be paid by the National Marketing Program.

Local Funds

(a) Each month, you must contribute a minimum of 4% of your Store's Gross Sales for the previous month to us or as we direct for a fund used for advertising and related expenditures ("Local Fund"). The minimum of 4% may periodically be subject to certain reductions as described in Item 6. In particular, we have authorized the Local Groups to reduce the Local Fund rates by .4%, meaning the minimum contribution amount has been reduced to 3.6% of a Store's Gross Sales, to partially offset the increase in the NMP Percentage Fee based on the CRM Program and the Digital

Marketing Program as referenced above while those programs remain in effect. It may be increased at our discretion when one or both of those programs no longer continue in effect. At present, if a Local Fund has been established by a Local Group in your marketing area, we generally direct that all or a portion of that contribution be paid to the Local Fund established by the Local Group. We may, in our discretion, direct that you spend this percentage of your Store's Gross Sales for the previous month in approved advertising and, when doing so, you must use the services provided by an advertising service approved by us. Also, we retain the discretion to have all or some of your contribution be paid to Local Funds administered by Local Groups and/or be paid to us: we may use the amounts paid to us (in whole or in part) for a Local Fund administered by us to be used as described below or forward the amounts paid to us (in whole or in part) to a Local Fund administered by a Local Group. We may, in our discretion, periodically allow 3% of your Store's Gross Sales for the previous month to be paid to your Local Fund and 1% of your Store's Gross Sales for the previous month to be retained by your Store and used for advertising; provided that you comply with all requirements established by Big O relating to the use of these funds. Big O may change the structure of the payment of your advertising contributions at any time at its discretion.

(b) The Local Group may vote that its members must contribute to the Local Fund additional amounts above our minimum requirements. The members of the Local Groups that have these Local Funds may agree to increase or decrease the current fees, except that the amount of the advertising contributions may not be decreased below the minimum amount described above without our approval; however, we may provide that: (a) the Local Fund contribution rate on sales to National Account Customers and Key Account Customers approved by us and/or on sales of Farm Class Tires may be set at 2%, and (b) contributions to the Local Fund by one Store may be capped for each applicable calendar year at 4% (or such lower amount equal to the required Local Fund contribution then in effect) of the greater of $2.7 million or twice the system-wide average Store sales for the previous calendar year (See Item 6, Note 3). (For certain franchisees operating under older forms of our Franchise Agreement, the $2.7 million minimum cap measure is slightly lower, at $2.5 million.)

(c) Some Local Groups offer other services such as insurance, information technology, and accounting services for its members, and may charge additional amounts for these services. Members in other Local Groups must make monthly contributions for advertising only.

(d) In some Local Groups new franchisees or existing franchisees who have failed to timely pay fees and advertising contributions due to the Local Group, must obtain a bond or make some type of additional payment in an amount specified by the Local Group until it is satisfied that these franchisees are and will remain current in their payment of fees and advertising contributions.

(e) The Local Fund (or Local Funds) to which your contributions are sent will be administered by the Local Group or us, depending on how we direct your Local Fund payments. These Local Funds will generally be used for advertising in local areas or regions where Big O Stores are located. However, we do not promise that all or any portion of the Local Funds will be used in the area or location where your Store is located, and we do not promise that advertising expenditures from the Local Fund will benefit you or any other franchisee directly or on a pro rata basis. The Franchise Agreement provides that the Local Funds may be used to meet any and all costs incident to the advertising it supports, but that, as to Local Funds administered by Big O, no part of these Local Funds may be used by us to defray our general operating expenses other than those reasonably allocable to the supported advertising or other activities reasonably related to the administration or direction of the Local Funds and related programs. Since, at present, Local Funds are generally administered by Local Groups, we have not yet established rules or procedures (such as audit requirements) as to Local Funds that may be administered by us in the future. No refund of contributions to the Local Funds will be paid to you upon termination or expiration of your Franchise Agreement.

(f) Each Local Group must comply with all applicable laws and must be operated under the structure and guidelines we may establish or approve. Generally, this will include the requirement that the Local Group operate under written documents that provide, among other things, that the articles of incorporation and bylaws of the Local Group be available for review by franchisees who are members of that Local Group, that the Local Group will prepare annual financial reports and that the annual financial reports and accounting books and records of the Local Group be available for review by franchisees who are members of that Local Group.

(g) A Local Group is a cooperative, association or other entity consisting of franchisees formed and operating in their marketing area, as determined by us, under structures approved or prescribed by us to promote the franchisees' Stores and the products and services offered by the Stores. In our discretion, franchisees must form a Local Group, and we may, in our discretion, dictate to which Local Group a Store must belong. In certain instances a Local Group also provides management systems, insurance programs and related services to its members. We must approve those services. Once a Local Group has been established in your marketing area, you must become a member of it, contribute all or a portion of your Local Fund contribution to the Local Fund established by the Local Group as we direct and be bound by any decisions your Local Fund makes if they are approved by us. All Big O Stores owned and controlled by us and our affiliates must contribute to Local Funds on the same basis as non-affiliated franchisees and, if located within the geographic area of a Local Group, must also become a member of the Local Group and contribute to it on the same basis as other members (in accordance with the terms of our then-current standard form of Franchise Agreement at the time those Store opened). Unless otherwise required by applicable law, all decisions of a Local Group are decided by a majority vote of its members with each store located within the geographic area of the Local Group entitled to one vote. While generally all Big O franchisees must contribute to the Local Funds, Big O retains the discretion to enforce, refrain from enforcing or compromise the scope of enforcement of these obligations.

Other Advertising Disclosures

You must purchase and use other advertising and marketing materials as we designate periodically. See Item 6 on Point of Purchase Packages.

You must provide for "Grand Opening Advertising" (advertising in the first 12 months of your operation of a Big O Store) to promote the opening of the Big O Store. The amount you must spend on Grand Opening Advertising is periodically determined by Big O and is now a minimum of $10,000. For some franchisees meeting the requirements of certain incentive programs, Big O, in its discretion, may help pay for some Grand Opening Advertising. The support available under the incentive programs is described in Item 5.

Each Big O Store must participate in Regional Funding Plans if adopted by the Local Group (or a region within a Local Group), for the region in which the Store is located. As of the date of this disclosure document, only certain regions have adopted a Regional Funding Plan. The Regional Funding Plan fee is described in Item 6. Company owned Stores (if any) are required to contribute to Regional Funding Plans for regions in which they are located. The contributions for the Regional Funding Plan are collected by us and are then deposited into an account held and administered by the Local Group. We may charge an administrative fee for collecting these contributions or related services, but currently we do not do so. The Regional Funds may be used for cooperative events and activities such as high school and other sports events, franchisee meetings and retreats, regional training sessions and charity events. The accounts in which Regional Funds are held will be monitored by the Regional Steering Committee of the Local Group and accounting reported monthly at meetings of the Local Group.

For the Local Fund, the National Marketing Program and the Regional Funding Plan, amounts not spent in any fiscal year are carried forward and spent in the next fiscal year. Neither the Local Fund nor the National Marketing Program uses any funds for advertising that is principally a solicitation for the sale of franchises.

We may have suppliers who contribute to the National Marketing Program fund and to Local Funds based on purchases of these suppliers' products. We also have a program with a supplier of products to us for resale to franchisees under which the supplier makes payments to us for cooperative advertising; we use or plan to use these cooperative advertising payments for a variety of advertising and promotional purposes, such as providing information about this supplier's products, inventory reports, and point-of-purchase materials. Some suppliers accrue funds based on purchases of these suppliers' products and make them available for Local Groups to claim for advertising expenses pre-approved by us. These programs and other programs with these and other suppliers may periodically be negotiated by Big O and may be discontinued at any time in Big O's discretion or by the suppliers.

In the past, we have used an outside advertising agency to create some of our advertising. We currently purchase and place digital marketing advertising, specifically search engine marketing and customer relationship management, on a national level. While we retain the right to do so, we do not currently place any other advertisements directly. Additionally, advertising is purchased either by the franchisee separately, or, on most occasions, through the Local Group or us. Advertising is usually done through local media within a geographical area.

You may create your own advertising and promotional materials, however, all advertising, materials and promotions created by or on behalf of you must be approved by us before you use them and must comply with our standards. Any unauthorized use of fonts, images, or talent may expose the franchisee to liability, including but not limited to copyright infringement claims and associated legal expenses.

Except as described above, we are not obligated to spend any amount on advertising in the geographical area where you are or will be located.

Computer Systems.

Franchisees must implement, maintain and use computerized information, communication and management systems as periodically prescribed by us. This includes electronic point-of-sale systems and systems that enable you to communicate by e-mail with us, have access to the Internet, transmit sales and consumer data to us, participate fully in any intranet established by us (for instance, for claim management and other purposes) and participate in interactive remote learning and training.

You must sign a Technology Agreement (the "Technology Agreement") with us and a Navex EULA with Navex. When the Big O franchise system converts to the Tekmetric BOT POS System, you will be required to enter a separate Technology Agreement and Tekmetric EULA with Big O. The forms of these agreements are attached as Exhibit J-1 and Exhibit J-2 to this disclosure document.

You must acquire the BOT POS System. The estimated initial cost for the standard configuration of the BOT POS System is between $20,500 and $33,500 depending upon the current hardware, software, data standards, and professional services, which is paid by the Franchisee. An additional $9,050 to $10,150 in costs will apply if you originally acquire the BOT POS System from Navex and later convert to the Tekmetric system. These costs do not include taxes, shipping fees, lease fees (if applicable) or the travel expenses for the POS trainer. This hardware may be leased from third parties. The system includes a Navex or Tekmetric license, hardware, software, installation, training, and data

conversion. Franchisees acquiring the BOT POS System are also responsible for all ongoing costs of the BOT POS System, such as maintenance, support, and training. The subscription costs for the ongoing license to the software, and related maintenance, support and training currently offered by our supplier Navex, which you are required to obtain, currently total $304 per month as of the date of this Disclosure Document (See Item 6). The subscription costs for the system offered by Tekmetric upon the transition to that system will initially be $340 per month. You may choose to acquire additional services from Navex or Tekmetric at your option, for additional fees. You must: (a) replace and upgrade hardware and other equipment and software periodically if required by us or in accordance with specifications of its hardware and software licensors, and the replacement equipment must be purchased from Big O or a supplier approved by Big O, and (b) comply with all policies concerning information systems established by Big O periodically in its sole discretion, including but not limited to arranging for off-site back-up of all data at Franchisees sole cost and expense. There is no contractual limitation on our right to require maintenance, repairs, replacements, upgrades, or updates for hardware and software used in your Big O Store, and except for the services provided by Navex under the Navex EULA or by Tekmetric under the Tekmetric EULA for the monthly fees described above, there is no obligation on us or any third party to provide any of these services to you.

Under the Navex EULA and the Tekmetric EULA, you will be the licensee of Navex and Tekmetric (under a sublicense from Big O), respectively, for certain software ("Licensed Software"). Initially, the Licensed Software will provide for an electronic point-of-sale system that will track goods and services sold by you and the inventory held by you. Also, under each of the Navex EULA and Tekmetric EULA, Navex and Tekmetric (respectively) will provide, and you are required to purchase, maintenance and support services for the Licensed Software. Fees charged to you under the Navex EULA and Tekmetric EULA are set forth in Section 6 above.

In addition, software has been developed by Navex and Tekmetric, to enable you to (and under the Technology Agreement you must) collect and transmit to us certain "Shared Information", which may include customer and service history, store-level sales and profit information, product movement data, inventory status information and other information. We may also develop the Licensed Software to enable us to transmit information to you, such as information regarding new products, cost changes, recommended pricing changes and inventory availability. (Technology Agreement, Section 3). After we begin collecting the Shared Information, we will accumulate it and provide access to it to ourselves and, on a customer-by-customer basis, other Big O franchisees to provide customer relationship management, warranty support and services, national and local marketing and other services. We may also use such accumulated information to determine consumer data, trends, market analysis and other purposes. The Technology Agreement provides that, upon the termination of a Store's Franchise Agreement that is subject to the Technology Agreement, we will not market to any local customer of that terminated Store for two years after the termination, if that Store is in full compliance with all the termination provisions of its Franchise Agreement and certain other conditions are met and subject to exceptions for warranty work by another Store (Technology Agreement Section 4).

If you request integration of your accounting system with the BOT POS system at your option, then QuickBooks Advanced Edition will also be required. Other than the BOT POS System described above, we do not currently require that you acquire any particular type or brand of software for your computerized information and management systems. We may, however, revise our policy in our discretion so that you must obtain specific systems in the future, or change any management system previously designated (including the BOT POS System). In this case, you must purchase or lease all software and hardware designated by us to implement any required information and management systems, including, for instance, point of sale systems, inventory control systems and communication systems. Notwithstanding the foregoing, if we require implementation of any new system more frequently than once in two years, we will be responsible for paying the costs of updating the software,

software installation, and conducting any training we agree to provide for the system. In that case, you will remain solely responsible for all other costs related to the new system, including but not limited to the costs of the hardware and all transportation, lodging, and living expenses and wages for your representatives to attend the training for the new system.

No contractual restrictions exist concerning our ability to require you to give us independent access to your computer system.

Big O maintains, at its sole cost, a Business Center section of its Website on which it posts current information for franchisees (http://businesscenter.bigotires.com); access to this Business Center is restricted to franchisees and authorized Big O personnel.

Big O currently provides an e-mail account for each franchisee and each Big O Store. You are required to use only the e-mail accounts provided by Big O (and no other e-mail accounts) in communications with Big O and its representatives. You may also use these e-mail accounts for communications with your customers, managers, employees, and other franchisees in the operation of your Big O Store. However, you may not use the e-mail addresses Big O provides for any mass e-mails or for any purpose not related to the operation of your Big O Store. You are required to check your e-mail accounts throughout the business day and to respond to any e-mail messages promptly. Big O may establish other standards and requirements for the use of any e-mail account it provides, and may restrict or terminate your access to the e-mail accounts in the event of a violation of Big O's terms. Big O reserves the right to discontinue providing these e-mail accounts in the future, in which event you will be required to maintain an e-mail account to be used in the operation of your Big O Store. Big O does not currently charge a fee for the e-mail accounts it provides, although it may charge a fee for this service in the future. Big O will have independent access to the e-mail account and all information on the e-mail system without contractual limitation.

To use this Business Center or e-mail system, you must provide (at your expense) your own computer hardware and software (except for some specific software we may supply). To use the e-mail system, you must abide by the relevant provisions of the Franchise Agreement.

Additional Site Selection Information.

Although you must select and acquire a site for your Big O Store under the Franchise Agreement, we provide assistance to help you locate a potential site by providing criteria for a satisfactory site, including zoning considerations, appropriate size and dimensions, proximity to other Big O Stores, other types of retailers in the area, visibility factors, traffic flow and patterns, access and exits, area population and a consideration of market conditions. You must receive formal written approval from us for your Big O Store location. However, the final decision about whether to acquire a given approved site or whether to sign any particular lease shall be your sole decision. We disclaim all liability for the consequences of approving a given site. Our approval of a site or provision of criteria regarding the site does not constitute a representation or warranty of any kind as to the suitability of the site for a Big O Store or for any other purpose. It only indicates that we believe that the site falls within the acceptable criteria established by us. Our written approval of the site for the Store must be obtained by you within 12 months from the Franchise Agreement's Effective Date, as that term is defined in the Franchise Agreement. If this deadline is not met, we may seek to terminate your Franchise Agreement (as described in Item 17) or we may allow you to propose another site. As a condition of our approval of a Store lease, at our direction, you and your landlord must sign an agreement substantially in the form of the Lease Rider and Modification which is attached as Schedule 4 to the Franchise Agreement, which provides, among other things, that the landlord will accept us as a tenant to replace you if you are in default of the lease or if we have the right to take over possession of the leased premises for any reason. We do not typically own the

site upon which your store will be located, but under certain circumstances, we may lease a site to you. In the event you have been a Big O franchisee for ten years or less and if you or your owners (if you are a business entity or trust) also own, or become the owner of, the site for the Store, we may require you to enter into an Option and Store Lease (Exhibit Y) ("Lease Option") with us for a term of five years (following a preliminary 120 day period), with up to three renewal terms of five years each, that could be exercised at our option in the event of a default by you that would allow us or an affiliate of ours to take over possession of the Store or any other termination of the Franchise Agreement. The Lease Option sets forth the terms of the Lease that will apply if the Lease Option is exercised, with the amount of the rent being the fair market value of the site for the Store at the time of the exercise of the Lease Option, and the Lease Option will contain a right of first refusal to purchase the site for the Store. If you have been a Big O franchisee (or owned more than 50% of a franchisee entity) for more than ten years and are leasing the site upon which your store is located from any of your owners (if you are a business entity or trust), or an entity that is owned, in whole or in part, by you or any of your owners, or your immediate family member, you will have the option to sign a modified form of lease assignment which is attached as **Schedule 5** to the Franchise Agreement (instead of the Option and Store Lease). A Memorandum of Lease Option or a Memorandum of Lease Rider and Modification may be recorded or filed by us in the event a Lease Option or Lease Rider and Modification is required.

FAST TRACK TRAINING PROGRAM
(for experienced franchisees or managers)

We may provide a "Fast Track" program to experienced Franchisees or experienced managers from our TBC Retail Holdings who purchase Big O franchises. This current Fast Track program has a number of changes from our general training program described above. To provide the best learning experience based upon your circumstances and the store environment, the curriculum for this program will be determined via an evaluation by corporate resources (Big O Tires Management, Franchise Development, Franchise Business Consultants, and the Training Department). The Fast Track program may include any and all components of the standard outlined above, as well as additional components as defined by the evaluation process.

The Big O Tires Training Department may relocate any or all portions of the Facilitated training from Palm Beach Gardens, Florida to an alternate site within the Training Department's sole discretion.

Before the opening of your Big O Store and provided you have paid the franchise fee, we make available to you the online Learning Management System. We also will provide an initial Online Training program and the Facilitated Training program for one person. The curriculum of the Facilitated Training program (which may be updated and revised at any time within the sole discretion of Big O), may be conducted at our company training facilities, in an online virtual classroom, or at any geographical location, in our discretion. Additionally, field training and operations certification will be conducted at a Big O Store designated by us. The number of weeks of this initial training will be the number specified by us in our discretion; currently, we specify approximately one or two days of Online Training, one and a half weeks of Facilitated training, three and a half weeks of required field training and two weeks of optional field training. There is no fee for the optional field training. The two week portion of the initial training program is conducted at a Big O Store. This training can be conducted by an existing franchisee of Big O at that franchisee's approved location, or at your Big O Store location if approved by the Training Department. This portion of the training program consists of "hands-on" training in front office skills (such as marketing and customer relations) and back room skills (such as recommended accounting procedures based upon our business model, receiving tires, stacking tires and clean-up). The configuration, content and timing of classroom training and "hands on" training may be determined based upon time and attendance considerations of each training session. The Online Training is offered on demand at any time. We hold the Facilitated Training, and mandatory and optional field training, as often as needed, typically once a month.

Each individual receiving the field training and certification must sign a Certification Program Agreement in the form of Exhibit U with Big O and the franchisee providing the training. Unless we waive the training requirements or a part of the training requirements, you, or if you are not an individual, your Operator (the person designated by you to assume the responsibility for the operation of your Big O Store), must attend and successfully complete the training program at any time following the execution of your Franchise Agreement and prior to your Big O Store opening for business. If you or your Operator fails to successfully complete the training program, at our direction you or your Operator must attend an additional training program at your cost or we may terminate the Franchise Agreement.

The tuition or training fee covering the initial training program for one person (which may be you if you are an individual or may be your Operator), is built into the franchise fee. You may send people in addition to your Operator to the initial training program. For all these additional trainees, you must pay a training fee of $75 per week per person for the classroom portion of the training and $500 per week per person for the one and a half weeks of mandatory field training and certification. You must bear all travel, lodging, food and all other living expenses that are incurred by each trainee while attending training programs.

We have not established a policy that requires any certain minimum amount of experience to be an instructor at our National Training Center or for our field training. However, the instructors of our initial training at our National Training Center generally have at least five years of experience in the subject matter they will be teaching. The instructors for our field training and certifications are Big O employees who generally have at least five years experience in the subject matter they will be teaching and existing franchisees who generally have at least five years experience as Big O franchisees. We choose the trainer/franchisees in our discretion. The instructors of our multi-unit franchise management training are Big O employees who generally have at least five years experience in the subject matter they will be teaching and existing multi-unit franchise operators who generally have at least five years of experience as Big O franchisees.

The instruction materials include portions of our Manual known as the Franchise Policies & Standards Manual, and our new franchisee orientation program, handouts, media presentations, and online learning materials. The instructors for the Facilitated Training program in the initial training

program are members of the Big O Training Department and other employees of Big O who are knowledgeable in the particular subject matter, but training may also periodically include non-employee speakers such as franchisees or supplier representatives. The instructors for the field training in the initial training program are franchisees designated by us.

In addition to the initial training program described above, we may offer you, your Operator and Managers, defined in Item 15, or other personnel additional training programs, seminars and online training. These additional training programs may be conducted on a mandatory or voluntary basis and, at our discretion, you must pay a tuition or fee for your trainees.

We offer an optional online training program referred to herein as the Learning Management System or LMS. Currently, we do not charge a fee for access to the Learning Management System, but we may impose a fee of $150 per month upon notice to you. This fee, if imposed, will be paid to us, and we will pay the vendor. The amount of this fee, once imposed, is subject to change by the vendor. The Learning Management System currently includes access to approximately 55 preselected training programs from the Big O Tires library, including approximately 13 that are specific to the Big O System in terms of operations and corporate culture. Additional new online courses are in development as of the date of this disclosure document, and we expect that additional online courses will be developed in the future. A franchisee's right to access any particular programs offered as part of the Big O Tires LMS shall terminate on the expiration of the LMS Term, regardless of when the franchisee executed its Franchise Agreement or submitted its additional payment. All terms and conditions related to the Big O Tires LMS, including the selection of programs, the fees, and the amounts that we will pay, are subject to change.

Onsite training is provided in Big O's discretion by the national training staff upon a request of a franchisee or a Franchise Business Consultant ("FBC"), and it may be directed by Big O. Onsite training programs or sessions may be conducted on a mandatory or voluntary basis and, at our discretion, you may be required to pay a site visit tuition or fee for your trainees. To request onsite training or to suggest topic areas for training, you should contact your FBC or email requests to the Big O Tires Training Department at: training@bigotires.com.

You will be required to have your employees complete and pass a Motorist Assurance Program test established by AMRA to become qualified to participate in that mandatory program. See Item 16.

For all training, you must pay all your employee costs, such as salaries and wages, benefits and uniforms.

In some circumstances designated by Big O in its sole discretion (for instance, for Stores with real estate costs or past sales at high levels designated by Big O in its sole discretion), Big O may provide or arrange for certain "additional training" that Franchisee's Operator or Manager must take. You must pay for your own transportation, lodging and living expenses which are incurred while attending this additional training; Big O, in its sole discretion, may charge a reasonable fee for this additional training; the amount of this fee, if any, has not been set as of the date of this disclosure document. This "additional training" will typically consist of spending an additional 60 working days training in a similar Store. Big O's current standards for these "high levels" include real estate project costs of $4,500,000 or more for purchased real estate or lease payments of $40,000 or more per month for leased real estate.

If you are a corporation or other legal entity, you must designate at least one Manager acceptable to us to receive training and you must provide for the day-to-day operations of the Store. The initial training program must be attended by you or your Operator and the Manager or Managers for your Store, all of whom must complete the training program to our reasonable satisfaction. If we are not satisfied

with the trainee's attendance and completion of the training program, we have the right, on written notice to you, to disqualify that person from acting as the Manager or Operator of the Store. If there is a change in the Manager of your Store, at our direction, the new Manager must attend and complete our full training program to our satisfaction.

At our direction, you must pay the then current initial training fee for each additional individual (that is, after the first individual attending the training) attending the initial training program regardless of whether the individual is an additional or replacement Manager or Operator. Presently, the initial training fee for additional Managers or Operators is $75.00 per person per week for the Facilitated Training program at Big O's National Training Center in Palm Beach Gardens, Florida, or other designated location and $500 per person per week for field training and certification at a Big O Store designated by us. In addition, you must bear all travel and living expenses of the additional Manager and any other trainees. All franchisees must meet all the training requirements, even if the franchisee has previous experience with Big O (such as a manager for another franchisee) except for specific requirements that we may, in our sole discretion, waive for specific franchisees, such as (by way of example but not limitation): (a) we may waive all or part of the training requirements for new Stores opened by existing franchisees, and (b) we may waive the requirement that your initial and/or additional Operators and Managers attend the entire initial training program if your Operator or Manager has previously worked in a Big O Store and previously received training from us or in other circumstances.

If you open a second Big O Store, at our direction, you may be required to attend multi-unit franchise management training conducted at our National Training Center in Palm Beach Gardens, Florida or other designated location.

There is a $550 training fee for the multi-unit franchise management training. However, you must bear all travel, lodging and meal expenses during the multi-unit franchise management training.

If your Store or an interest in your entity is transferred to a third party, we charge the transferor or transferee a transfer fee of up to $5,000. The transferee must attend our training program except if and to the extent we waive any training requirements. If the transferee must attend our training program, we charge the transferee a training fee of up to $5,500 for the first trainee (this fee includes lodging). The training fee for additional persons is $75 per person per week for the Facilitated Training program and $500 per person per week for field training and certification at a Big O Store designated by us. The transferee must bear any and all transportation and living expenses which are incurred by all trainees while attending the initial training program, and all lodging expenses incurred by any trainees in addition to the first trainee. If the transferee must receive "additional training" as described in Item 11 above, in our discretion we may charge a reasonable additional training fee for each trainee. The amount of this fee for additional training, if any, has not been set as of the date of this disclosure document. The transferee must bear any and all transportation, lodging and living expenses of its trainees for this additional training.

We may periodically offer online training classes and host webinars for franchisees. Based upon the operational content of these classes, franchisees should make every effort to take these classes when offered. While many of these courses may be free of charge, there could be charges associated with certain classes presented by Big O or vendors of Big O.

We hold national conventions, which are currently held annually, but that is subject to change at Big O's discretion. You (or your representative approved by us) must attend the first national convention after your Store opens for business. We charge a registration fee for this convention, and you must pay all travel, lodging and other expenses associated with attendance at the convention. See Item 6 for more

details. However, we may pay for your hotel and air fare in certain circumstances if you qualify for the New Franchisee Program as described in Item 5.

ITEM 12
TERRITORY

Franchise Agreement

Your Franchise Agreement grants to you the right to operate one Big O store at a single location. However, subject to the limitations described in this Item 12, we agree not to operate for our self or grant to any other person the right to operate any more than one Big O Store for every 50,000 persons residing in your Trade Area. Trade Area is defined in Schedule 1 to the Franchise Agreement. We may, in our discretion, redefine the Trade Area as population increases or moves within your Trade Area. In light of the limitations on your territorial rights described in this Item 12, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Absent your approval before we do so, we will not permit the establishment or operation of another Big O Store within a two mile radius (as determined by us in our discretion) of your Store, but after you give approval to a Store within the two miles radius, that approval may not be revoked and remains in effect for that Store location, regardless of change of ownership, transfer, closing and re-opening or other changes. Moreover, subject to the conditions described below, if we or any prospective franchisee propose to open a Big O Store within a five mile radius (as determined by us in our reasonable discretion) of your Store (other than by a franchisee converting an independent retail tire store to a Big O Conversion Store and other than the relocation of an existing Big O franchise that has been approved by us), you will be notified of your first option ("First Option") to acquire a franchise for the additional Store. You may exercise your First Option only if (i) you are in compliance with the terms of your Franchise Agreement, as determined by Big O, (ii) you meet our then current criteria for new franchisees, and (iii) except as otherwise provided in a separate written agreement with us, if you are a Business Format Franchisee, all Stores owned or operated by you or an affiliate of yours are Business Format Franchises or have signed agreements to become Business Format Franchises. If you and other Big O franchisees have Stores within a five mile radius of the site of the proposed new Big O Store, you and all of the other franchisees will be invited simultaneously by written notice from us to exercise the First Option rights. If more than one franchisee applies for the same Big O Store, it will be awarded to the qualified franchisee who has a Store that is closest to the site of the proposed new Big O Store; provided that if two qualified franchisees have Big O Stores that are equidistant (within 100 feet) from the proposed site of the new Big O Store, the proposed Store will be awarded to the qualified franchisee who owns the franchised Big O Store that was first licensed as a Big O Store to the current or a previous owner.

The restrictions described in the two paragraphs above concern only locations where additional Big O Stores may be established. The Franchise Agreement grants you the non-exclusive license to use the Licensed Marks and the exclusive right to operate the Franchised Business from a single location. The Franchise Agreement and our policies also prohibit your use of the Internet to sell products and services except with Big O's express written consent. Except for these restrictions, neither the Franchise Agreement nor Big O policy prohibits you from soliciting and making sales inside or outside of your Trade Area. Also, other franchisees may solicit and make sales in your Trade Area.

Your Big O Store cannot be relocated without our prior written approval. We will generally approve the relocation of a Big O Store if (i) the new location meets our then-current criteria for a Big O Store location, as described in Item 11, (ii) the new location does not violate the territorial rights of any

other Big O Store, and (iii) we determine the relocation will not otherwise be detrimental to other franchisees of ours or to us.

If you fail, or we do not permit you, to execute a Successor Franchise Agreement prior to the last 15 months of the term of the Franchise Agreement or any Successor Franchise Agreement, you will lose any First Option rights, exclusivity rights, and rights related to the Trade Area, as described above, during the last 15 months of the term of the Franchise Agreement or Successor Franchise Agreement.

Additional Outlets. If you have been granted a Big O Store franchise, you may request and we will consider, if you wish for us to do so, granting you an option to apply to develop an additional Big O Store in an open market area for a period of time determined by us in our sole discretion from the date of a Market Reservation Agreement you sign with us if this option is granted. In order for you to obtain this option, you and Big O must agree to the area in which you may develop the additional Store (which may not conflict with the rights of any other validly existing Big O franchisee), you must sign a Market Reservation Agreement in the form of Exhibit Q to this disclosure document and you must pay Big O a fee. The fee will vary from one market area to the next, but currently ranges from $2,500 to $6,000. We will agree to protect the market area designated, not awarding a franchise for or operating our own Big O Store within that market area for 12 months. This fee is only for reserving the right to open one Store in the agreed market area, does not guaranty that your application for a Big O Tires franchise will be approved, does not apply to the initial franchise fee for the additional Big O Store if you are approved, and is not refundable under any circumstances.

The Franchise Agreement restricts your use of the Internet as follows: you may not set up, maintain or utilize social media, an Internet website or home page to sell products and services or cause or allow the Licensed Marks, or any of them, to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with social media, any Internet home page or website without our express written consent before you do so (which we may grant or withhold in our sole discretion), and then only in the manner and in accordance with the procedures, standards and specifications as Big O periodically establishes. Our current policy is not to approve any franchisee use of the Internet, but certain information about your Big O Store (such as address and hours of operation) may be included as part of the Big O national web page.

The continuation of your rights to your Trade Area during the term of the Franchise Agreement is not dependent upon you achieving any sales volume or market penetration, but you are required to meet the required exclusive product inventory mix requirements. Specifically, as of the date of this disclosure document, a majority of all your tire unit inventory at your Store must be Big O brand tires, Big O exclusive tires, or other brand tires periodically designated by us as exclusive to the Big O product screen. If you fail to meet these inventory mix requirements, you will be in default of the Franchise Agreement and we may terminate the Franchise Agreement after providing you 30 days' notice and an opportunity to cure your default in accordance with the Franchise Agreement.

Except as described above with respect to the performance requirements, the continuation of your rights described in this Item 12 during the term of the Franchise Agreement is not dependent on achieving any certain sales volume, market penetration or similar contingency or other circumstances.

Other Concepts and Businesses

We and our affiliates retain the right to, among others: (1) use, and license others to use, the Licensed Marks and Big O System for other Big O Stores or company-owned Stores; (2) solicit, sell to and service local, regional or national accounts wherever located; (3) use the Licensed Marks and Big O System with other services or products, or in alternative channels of distribution, including the Internet,

without regard to location; and (4) use and license the use of other proprietary marks or methods which are not the same as or confusingly similar to the Licensed Marks, whether in alternative channels of distribution or with the operation of any type of tire sales and service business, at any location, which may be the same as, similar to or different from the business of a Big O Store. We may use or license the rights on any terms and conditions we deem advisable, and without granting you any rights in them and without any compensation to you.

Big O is considering as of the date of this Disclosure Document various financial aspects of Internet sales, such as procedures, sharing (if any) of margins and related matters. When standards and policies are determined for these matters, Big O will add them to the Manual. However, our affiliates engage in Internet sales under their names. You will not receive any compensation related to the purchase of the products through Internet sales, but you may receive compensation related to your installation services.

TBC, our indirect parent corporation, and its subsidiaries (not including us and our subsidiaries), distribute products and services in the automotive replacement market through channels of distribution not involving Big O franchisees. The products distributed by TBC and its non-Big O subsidiaries include tires and tubes.

The primary brand names for tires distributed by TBC include BKT, Interstate, Eldorado, Harvest King, Multi-Mile, National, Power King, Prinx, Sailun, Sumitomo, Towmax, and Trailer King. Other brands TBC markets and distributes include Achilles, Arctic Claw, Big O, Crosswind, Custom 428, Doral, Laufenn, Mud Claw, Performer, Scepter, Solar, Trailcutter, and Vogue. TBC distributes its products through a network of distributors in the United States, Canada and Mexico. Some of these distributors act as wholesalers, retailers, and both wholesalers and retailers. Retail outlets carrying products of (or which are owned by) TBC and its subsidiaries may be located in close proximity to your Big O Store or in your Trade Area, and may accept orders from within your Trade Area.

ITEM 13
TRADEMARKS

The Franchise Agreement grants you the nonexclusive right to use the Licensed Marks with your Franchised Business.

We have current registrations for the following Licensed Marks on the United States Patent and Trademark Office ("USPTO") principal register:

Licensed Mark*	Effective Date	Registration No.
Big O	10/01/74	994,466
BIG O TIRES	10/05/10	3,857,070
Big O Tires	12/12/00	2,411,926

www.BIGOTIRES.com	12/04/01	2,514,975

* Similar mark descriptions have a different design and, therefore, have a separate registration. Specimens of each mark are available from Big O or online using the registration number above at www.uspto.gov/trademarks.

Big O has filed all affidavits required to be filed with the USPTO (that is, Sections 8 and 15 affidavits) for the above listed Licensed Marks. The US registrations for the above listed Licensed Marks have been renewed as necessary to keep these registrations in effect.

The following statements apply to any of our Licensed Marks that are not registered: We do not have a federal registration for these trademarks. Therefore these trademarks do not have as many legal benefits and rights as federally registered trademarks. If our right to use these trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

You must follow our rules when you use our Licensed Marks. You cannot use any of the Licensed Marks or any marks, names, or indicia, which are or may be confusingly similar in your entity or business name. Any use of the Licensed Marks other than as expressly authorized by the Franchise Agreement, without our written consent before such use, is an infringement of our rights. You must modify or discontinue your use of our Licensed Marks if we require the modification or discontinuance of them, at your own expense (but we may bear a portion of the expenses if there is a change from the name "Big O" to an unrelated name). You must operate and advertise only under the name or names designated by us for use by similar Big O franchisees. You must refrain from using the Licensed Marks to perform any activity or to incur any obligation or indebtedness in a manner, which may subject us to liability. You must observe all laws relating to the registration of trade names and assumed or fictitious names. You must include in any application for trade name or assumed or fictitious name a statement that your use of the Licensed Marks is limited by the terms of the Franchise Agreement, and provide us with a copy of the application and other registration documents. You must observe all requirements with respect to trademark and service mark registrations, copyright notices and other notices as we may require, or as may be required by law.

There are no agreements currently in effect which significantly limit our rights to use or license the use of our principal Licensed Marks in a manner material to the Big O franchise.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, any pending infringement, opposition or cancellation proceedings or any pending material litigation involving any of our principal Licensed Marks which are relevant to their use in any state in which we are seeking to sell franchises. To our knowledge, there are no superior prior rights or infringing uses that could materially affect your use of the Licensed Marks in any of the states where your franchised business may be located.

You must promptly notify us of the use or attempted use of our Licensed Marks, any colorable variation of our Licensed Marks or any other mark, name or indicia in which we claim a proprietary interest. We are not contractually obligated by the Franchise Agreement to protect you or indemnify you

against claims of infringement involving the Licensed Marks, but it is our policy to do so when, in the opinion of our counsel, your rights require protection. We have the sole right to defend, or settle any legal proceeding relating to the Licensed Marks. We will pay all costs, including attorneys' fees and court costs, associated with any litigation we commence or defend on your behalf to protect the Licensed Marks, and your rights to use them. You must fully cooperate with us in any litigation we commence or defend for your benefit. If we defend you for your benefit, then at our discretion, you must reimburse us for costs.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights.

We claim a common law copyright interest in our Franchise Agreement and any other contractual forms, our Manual, training modules and materials and franchising and sales brochures and forms, and our Franchise Disclosure Document(s). No other patents, pending patent applications or copyrights are material to the franchise.

Manual and Other Information.

Our Manual and related training tapes, manuals, books, and audio and video materials, including our online training materials, are proprietary and confidential. They are our property to be used by you only as described in the Franchise Agreement. You may not use our confidential information in any unauthorized manner and must take reasonable steps to prevent its disclosure to others.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Big O Store will only be operated by the Operator or a Manager employed by you who is subject to approval by us; that is, Big O, in its discretion, may exercise the right to approve or disapprove your original and later Operators and Managers. If you are an individual, you may be the Operator. Your "Manager" is the individual who is responsible for the day-to-day operation of your Store. This individual could be the Operator or could be a different person. All initial and later Operators and Managers are also subject to approval by us. Our approval, if required, will be conditioned on the Operator's or Manager's successful completion of any training required by us. We may waive some or all of our initial training requirements for Operators or Managers who have already received training as a result of their affiliation with another Store or Big O franchisee or in other circumstances, in our sole discretion. If you are a corporation, limited liability company, partnership, or other entity, we do not require your Operator or Manager to own an equity interest in you.

Your Operator or Manager shall complete, to our reasonable satisfaction, all training programs, which we require or provide at the time as we may reasonably prescribe. Except as otherwise described in Item 11 under "Training"; you must bear all expenses of these persons while they are receiving our training, including costs of travel, room and board, as well as wages of the persons receiving the training.

If you are a corporation, limited liability company or partnership, your Operator and each of your officers, directors, partners and their spouses, shareholders and their spouses, or members and their spouses, (and, if you are an individual, your spouse) must sign our standard Guaranty of Franchisee's Agreement, a copy of which is attached to the Franchise Agreement as Schedule 3. We may, in our sole discretion, limit or waive this requirement. Other than the above, we make no other recommendations

and have no other requirements regarding employment or other written agreements between you and your employees.

You or your pre-approved representative must attend Big O's first national convention after your Store opens for business. See Item 5 for more details.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must comply with all published rules, regulations, policies and standards established by us, including those contained in the Manual. You must operate and maintain your Store only in the manner and under those standards and shall make any modifications to your operations that we may require. (Franchise Agreement, Section 10.01(b)).

You must participate in and be bound by the decisions of any Local Group established and operated under standards and within the guidelines prescribed or approved by us. You cannot enter into any agreement to fix prices, or allocate customers or territories, which would violate any applicable laws. (Franchise Agreement, Section 10.01(i)).

Periodically Big O may establish maximum pricing for certain products or services, for certain customers and/or for certain situations. You must follow this maximum pricing, but you are not required to sell products and services at or below any particular maximum price if such a requirement would be unlawful. Big O may also establish minimum advertised pricing for advertising of certain products or services, for certain customers and/or for certain situations. You must follow this minimum pricing in your advertising, but you are not required to advertise products and services at or above any minimum price if such a requirement would be unlawful. Any minimum advertised pricing that we establish will only apply to advertising of prices and will not restrict you with regard to the price at which the products and services are actually sold (Franchise Agreement, Section 10.02).

You must comply with Big O's national account policies and participate in Big O's national account programs, which are described in Item 11 (see paragraph 7 under "Continuing Obligations") (Franchise Agreement Section 10.03).

You must participate in the AMRA "Motorist Assurance Program" pursuant to that Facility Participation Agreement attached as Exhibit I. This will require that you have personnel qualified by AMRA to render certain services and that you provide a warranty on those services. The terms for participation in the program are established by AMRA.

You must at all times have in stock at your Store a complete representative line of Big O private brand tires, related merchandise, and other products and services in such quantities as we may periodically prescribe (Franchise Agreement Section 14.01). As of the date of this disclosure document, the Manual requires, among other things, that you carry a minimum of 700 tire units, consisting of a majority of Big O brand tires, Big O exclusive tires, or other brand tires periodically designated by us as exclusive to the Big O product screen. Big O may periodically change these requirements for its franchisees generally or for particular areas or circumstances. (Item 8 and Franchise Agreement Section 14.01).

We have the right to change or supplement the types of authorized products and services that may be offered through your Store, and there are no limits on our right to do so.

You may not offer or sell from your Store any product or service which has not been selected or approved by us, and you may not offer or sell any product or service except in accordance with conditions we require. (Franchise Agreement, Section 14.02). However, for Conversion Stores during the three year period starting on the Commencement Date of the initial term of the Franchise Agreement, the Conversion Store may provide services ("Non-Standard Services") that meet both of the following: (a) were provided by it at the premises of its Big O Store immediately before the Commencement Date, and (b) are listed on a schedule to the Franchise Agreement (Franchise Agreement, Schedule 6, Section 9). The three year period during which the Conversion Store may offer Non-Standard Services may, in Big O's discretion, be extended on an annual basis. Big O will provide written confirmation of an extension of the period. You may not use the Licensed Marks for or in connection with the Non-Standard Services except that Non-Standard Services may be offered from your Store. If you provide any Non-Standard Service, you must provide conspicuous notice to the public by signage, disclaimers on invoices and/or other means that these Non-Standard Services are not provided by nor affiliated with Big O and you must provide warranties satisfactory to us through a third party carrier approved by us. We do not offer training, support or supervision in connection with the Non-Standard Services. You will immediately cease or modify any Non-Standard Services that present a threat to the health or safety of the public or any individual and/or that could cause the occurrence of any damages. You must indemnify us against any claim or liability arising from your offer, sale or provision of Non-Standard Services. (Franchise Agreement, Schedule 6, Section 10).

You must maintain an inventory of products in the minimum amounts and type as we require, and offer all services, which we require. You may not offer any products or services not approved or authorized by us. (Franchise Agreement, Section 14.03).

If we sell Big O Program Products to you at or for the account of your store or at the Big O Program Products Price, you may not wholesale those Big O Program Products for resale. Also, you may not sell those Big O Program Products at or for the account of any other Big O Store that is not a BFF Store or otherwise transfer those Big O Program Products to any other Big O Store that is not a BFF Store. However, such sales or transfers may be permitted in some circumstances and under certain conditions set forth in policies adopted by us periodically in our sole discretion. (Franchise Agreement, Section 14.06(d)). In this regard, our current policy is as follows: In those instances where you wholesale Big O Program Products purchased from Big O, you must pay to Big O the greater of: (a) the price charged by you to the purchaser less the price Big O charged to you, or (b) the price we charge Product Distribution Franchisees for such products less the price Big O charged to you.

If you operate a PDF Store and that PDF Store receives a transfer of Big O Program Products from a BFF Store, you must immediately reimburse us for the difference in the price paid by the BFF Store and the price that would have been charged to a PDF Store.

Except for any business already operating and identified in the Franchise Agreement, you may not engage in or open any business, other than as a Big O franchisee, without a waiver from Big O, which offers or sells tires, wheels, automotive services, or other products or services which compete with our products and services. (Franchise Agreement, Section 17.01).

You may not use your Store or the premises where your Store is located for any purpose other than your franchised Big O business. (Franchise Agreement, Section 10.01).

Except as described above, you are not restricted by the Franchise Agreement, or any other practice or custom concerning the goods or services which you may offer or the customers whom you may solicit.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following information is provided for the purpose of helping you evaluate the potential earnings capability of a Big O Store. Please carefully read all information in this Item 19, including the statements following the tables, which explain the information provided in the tables below and the limitations on this and the other information contained in this Item 19.

A. Gross Revenues

Part A of this financial performance representation includes the historical average annual Gross Revenues for U.S. franchised Big O Tires Stores that operated from January 1, 2024 through December 31, 2024 (the "2024 Year") and met the following criteria: (i) the Store had operated for at least 12 consecutive months as of December 31, 2024, and (ii) the Store reported Gross Revenues data to us for each month of the full 2024 Year. As of the end of the 2024 Year, there were a total of 463 franchised Big O Tires Stores in operation in the U.S., however only 457 met the criteria (the "Part A Reporting Stores"). There were 6 Stores that closed for various reasons during 2024, none of which were open less than 12 months. Company-owned outlets are not included in this Part A table.

Of the 457 Part A Reporting Stores, as of December 31, 2024: (a) 25 (about 5%) were franchised PDF Stores, and 432 (about 95%) were franchised BFF Stores; and (b) the 25 franchised PDF Stores constituted 100% of the franchised PDF Stores, and the 432 franchised BFF Stores constituted about 98.6% of all the franchised BFF Stores. As of December 31, 2024, the 457 Part A Reporting Stores were about 98.7% of the 463 franchised Stores of any category of Store (that is, franchised PDF Stores and franchised BFF Stores).

We separated the Part A Reporting Stores into 4 quartiles based on average Gross Revenues, with the Top Quartile reflecting the results of those with the highest average Gross Revenues for the 2024 Year and the 4th Quartile reflecting those with the lowest average. The 2nd and 3rd Quartiles reflect results of those Big O Tires Stores with the second highest and second lowest average, respectively. The results of

the Top 10% of Part A Reporting Stores (46 Stores) and Bottom 10% of Part A Reporting Stores (46 Stores), in terms of Gross Revenues, are also stated.

Of the Part A Reporting Stores included, 187 Stores, or 40.9%, exceeded the overall average annual Gross Revenues of all Part A Reporting Stores of $2,824,712.79

The accompanying footnotes are an integral part of these tables and should be read in their entirety for a full understanding of the information contained in them.

FOOTNOTES:

(1) Both of the tables show historic financial performance representations. Part A is an historic financial performance representation reflecting the average franchisee Annual Gross Revenues for the Part A Reporting Stores for the most recent calendar year of January 1, 2024 through December 31, 2024. Part B is an historic financial performance representation reflecting the average franchisee Total Income, Gross Profit, and Net Income for the Part B Reporting Stores for the year from January 1, 2024 through December 31, 2024. For purposes of this Item 19, "Gross Revenues" or "Total Income" means the total revenue of a Big O Store, less taxes, refunds and allowances, returns, proceeds from sales of equipment used in a Big O Store not acquired for resale in the ordinary course of business, proceeds from sales of equipment used in a Big O Store not acquired for resale in the ordinary course of business, proceeds from sales to other Big O Stores, amounts received in settlement of claims for loss or damage other than business interruption insurance, sums received for reimbursement of reasonable towing and freight charges, and certain amounts collected for products replaced under warranty. In Part B, "Gross Profit" means the Total Income less the Cost of Goods Sold, and "Net Income From Operations" means the Gross Profit less those "Operating Expenses" identified in the table (total labor, the royalty paid to us, advertising expenses, total occupancy expenses, utilities, and other expenses). See footnote 4 below regarding these expenses. In Part B, we have also disclosed the percentage of the Total Income represented by each of the line items of expenses, Gross Profit, and Net Income From Operations.

Additionally, the tables each disclose the maximum (highest) and the minimum (lowest) figures achieved by a Store in each grouping.

(2) Part A also sets forth the median of annual Gross Revenues for each grouping of Stores, and Part B also sets forth the median of Total Income, Gross Profit, and Net Income for each quartile of Stores. The "median" for purposes of these tables means the results of the Stores falling in the middle of each group in terms of each relevant category of data, or, where there is an even number of Stores, the average of the results of the two Stores falling in the middle of the group.

(3) Each of the tables also indicates the number and percentage of the applicable Stores within each group that meet or exceed the averages stated.

(4) Part B contemplates the Cost of Goods Sold and the expenses identified in the "Total Operating Expenses" portion of the table. The Costs of Goods Sold generally includes the cost of products sold which may include the cost of tires, wheels, automotive fluids, filters, batteries, brake parts, front end parts, shock absorbers and struts, and other goods purchased for resale from Big O or others, but does not include labor costs. The Total Labor expenses include wages paid to technicians, wages paid to managers, sales associates, payroll taxes, fringe benefits and worker's compensation insurance expenses. The "Other Expenses" portion of the Total Operating Expenses generally includes other expenses incurred toward generating income, but excluding the labor, royalty, advertising, occupancy and utility expenses otherwise noted. Further, the tables do not show any taxes paid by the Stores, including any sales taxes, payroll taxes, and income taxes that may be applicable. Taxes vary widely between geographic areas and from Store to Store. You should conduct an independent investigation of the costs and expenses you will incur in operating your Big O Store. Franchisees or former franchisees listed in Exhibits K-1 and K-2 to this disclosure document may be one source of this information.

(5) We offered substantially the same services to all of the Stores included in each table, which offered substantially the same products and services to the public.

(6) The revenue and income information in the tables was compiled based on actual reported sales by our existing U.S. Big O Store outlets during the applicable periods based on monthly sales reports submitted to us by Big O franchisees for the purpose of computing royalty fees. The expense and Net Income data in Part B was compiled based on the financial data of the Part B Reporting Stores that were submitted to us by franchisees.

Written substantiation of the data used in preparing the information set forth in this Item 19 will be made available to you on reasonable request.

We encourage you to consult with your financial advisors in reviewing the information in this Item 19, in particular, in estimating the categories and amount of expenses that may be incurred in establishing and operating a Big O Store.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.

Other than the preceding financial performance representation, Big O does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting The Franchise Marketing and Sales Support Coordinator, at 4260 Design Center Drive, Palm Beach Gardens, Florida 33410, and 1-800-321-2446, the Federal Trade Commission, and the appropriate state regulatory agencies.

The Royalty Matrix is subject to change by Big O from time to time as provided in **Schedule 9**, provided that the Royalty Rate may not exceed the maximum royalty rate set forth in **Schedule 9**.

Royalty Rate – The percentage applied to Adjusted Gross Sales, Gross Sales to National Account Customers or Key Account Customers, Gross Sales of Farm Class Tires, or Excess Service Department Sales, to determine the royalty fee. (See also **Section 2.02**.) Big O may, from time to time, redefine Franchisee's Trade Area.

Warranty Cost will not include payroll, payroll taxes, employee benefits and related costs paid to warranty adjustors.

2. GRANT OF FRANCHISE

2.01 Grant of Franchise. Subject to all of the terms and conditions herein, including but not limited to, the condition that Franchisee or its Owners or some of them, personally guarantee the obligations of Franchisee to Big O under this Agreement as set forth in **Schedule 3** to this Agreement, Big O grants to Franchisee the non-exclusive and non-divisible license to use the Licensed Marks and the exclusive right to operate a Franchised Business solely at the Premises set forth in **Schedule 1** to this Agreement (the "Franchise"). If, at the time of execution of this Agreement, the Premises cannot be designated as a specific address because a location has not been selected by Franchisee and approved by Big O, then Franchisee shall promptly take steps to choose and acquire a location for its Big O Store within the following city, county or other geographical area:_____ ("Designated Area"). In such circumstances, Franchisee shall select and submit to Big O for approval a specific location for the Premises, which shall hereinafter be set forth in **Schedule 1**. Franchisee must select and obtain Big O's approval of the Premises within twelve (12) months of the Effective Date or Big O may terminate this Agreement pursuant to **Section 19.01(r)** in which case, upon receipt from Franchisee of a general release in a form approved by Big O, Big O will refund $10,000.00 of the initial franchise fee paid by Franchisee. Franchisee may not change the Store Location, except with Big O's prior written consent, which Big O may grant or withhold in its sole discretion. Regardless of whether the Franchisee changes its Store Location, it will remain obligated for all liabilities and obligations arising out of or in connection with any prior locations.

2.02 Trade Area. During the term of this Agreement, Big O agrees not to operate itself or grant to any other person the right to operate any more than one (1) Store for every fifty thousand (50,000) persons residing in the Trade Area described on **Schedule 1**. Generally, **Schedule 1** will define Trade Areas in metropolitan areas as the Metropolitan Statistical Area ("MSA"). For Franchised Businesses located in more rural areas, the Trade Area may be defined within the boundaries of a county line. Big O may, from time to time, redefine the Trade Area. Absent Franchisee's prior approval, Big O shall not permit the establishment or operation of another Store within a two (2) mile radius (as determined by Big O in its discretion) of Franchisee's Store. After the Franchisee gives approval to another Store within the two mile radius, such approval is irrevocable and remains in effect for such Store location, regardless of any change of ownership, Transfer, closing and re-opening or other changes regarding such Store location. If Franchisee does not enter into a Successor Franchise Agreement within the time required under **Sections 5.02** and **5.03** then, for the final fifteen (15) months of the term of the Franchise Agreement, including any Successor Franchise Agreement, Franchisee will lose any rights it has under this **Section 2.02** for that period.

2.03 Acceptance of Franchise. Franchisee hereby accepts the Franchise, subject to the terms and conditions herein. Franchisee represents and warrants that it has the authority to enter into this Agreement and to be bound hereby, and that entering into this Agreement will not trigger an event of default or result in a breach of any term or condition of any other agreement or contractual relationship of the Franchisee, including, but not limited to, any agreements Franchisee has with its third party lenders.

3. FIRST OPTION RIGHTS

3.01 First Option Rights. Subject to the conditions described below, if Big O or any prospective Big O franchisee should propose to open a Store within a five (5) mile radius of Franchisee's Store (determined by Big O in its reasonable discretion as a radius of five (5) miles from the geographic center of Franchisee's Store), Franchisee shall be notified of its First Option to acquire a Franchise for an additional Store within the five (5) mile radius of its Store. Franchisee may exercise the First Option only if:

(a) at the time Big O notifies Franchisee of the proposal for the new Store, Franchisee is in compliance with all the terms of this Agreement and all other agreements it has with Big O, as determined solely by Big O;

(b) Franchisee meets Big O's then current criteria for new franchisees;

(c) there are not two (2) or more Big O franchisees with Stores within a five (5) mile radius of the site of a proposed new Store, except in accordance with **Section 3.03** below; and

(d) except as otherwise agreed in writing by Big O, all Stores in the same Common Ownership Group are Big O Business Format Units or have signed agreements (which remain in effect at the time) to become Big O Business Format Units.

3.02 Notification by Big O. When notifying Franchisee of a proposal to establish a new Store in accordance with Franchisee's First Option, Big O may notify Franchisee of the proposal to establish the new Store within the general vicinity of Franchisee's Store without identifying a specific site or sites.

3.03 Multiple First Option Rights. If two (2) or more Big O franchisees have Stores within a five (5) mile radius of the site of a proposed new Store, the Franchisee and all such franchisees will be invited simultaneously by written notice from Big O to exercise their First Option rights; but if two (2) or more such franchisees apply for the same franchise, it shall be awarded to the qualified franchisee which has a Store that is closest to the site of the proposed new Store or, if two qualified franchisees have Stores that are equidistant from such site, it shall be awarded to the qualified franchisee which owns the franchised Big O Store which was first licensed as a Big O Store by the current or a previous owner.

3.04 Notification of Qualification. If Franchisee qualifies for the First Option pursuant to this **Section 3**, Big O will provide Franchisee with written notice that it has thirty (30) days within which to submit an application for the franchise in the manner prescribed by Big O in the notice. Franchisee must submit the application within the prescribed time along with the standard franchise deposit then required by Big O. Upon approval of the application by Big O, Franchisee must execute Big O's then current standard Franchise Agreement. Franchisee shall pay the remainder of any initial fee due upon the earlier of: (a) date it signs the new Franchise Agreement, and (b) one- hundred twenty (120) days from the deadline for submitting the application for the new franchise.

3.05 Exercise of Option by Franchisee. If Franchisee is an Entity, the First Option may be exercised only by the Entity itself, or by the individual designated as First Option holder on the Summary Pages.

3.06 Transfer of First Option Rights. The First Option is not transferable without Big O's prior written approval, which may be withheld for any reason, in Big O's sole discretion. Notwithstanding the foregoing, Big O's discretionary approval process will be in accordance with its established procedures.

3.07 Limitation on First Option Rights. The First Option rights described above are void and unenforceable with respect to:

(a) a site proposed for development in an area which is at the time of the proposal subject to a Development Agreement between Big O and Multi-Unit Developer;

(b) a Conversion;

(c) relocation of an existing Big O Franchise that has been approved by Big O; and

(d) the final fifteen (15) months of the term of the Franchise Agreement, including any Successor Franchise Agreement, if Franchisee does not enter into a Successor Franchise Agreement within the time required under **Sections 5.02** and **5.03**.

3.08 Expiration of First Option Rights. If a Franchisee has failed to qualify for or otherwise submit an application for a Franchise pursuant to this **Section 3** for a proposed franchise to be granted within the area in which Franchisee holds First Option rights, Franchisee's First Option rights for that proposed franchise shall lapse regardless of whether the site actually selected for development by Big O is different from the site which was initially proposed for development.

4. TERM

4.01 Term. This Agreement shall take effect upon the earlier of the Effective Date or of the Commencement Date and, unless previously terminated pursuant to **Section 19** hereof, its term shall extend until the earlier of the tenth anniversary of the Commencement Date or such other Expiration Date as is stated on the Summary Pages. Franchisee agrees to operate its Big O Store for the full term of this Agreement.

4.02 Continuation. If Franchisee continues to operate its Big O Store with Big O's express or implied consent following the expiration or termination of this Agreement, the continuation will be a month-to-month extension of this Agreement. This Agreement will then be terminable by either party on 30 days written notice. Otherwise, all provisions of this Agreement will apply while Franchisee continues to operate its Big O Store.

5. RENEWAL: EXTENSION OF FRANCHISE RIGHTS

5.01 Grant of Successor Franchise Rights. If Franchisee is not in default under this Agreement and has complied with all of its provisions during the initial term, and has complied in all material respects with all of the provisions of this Agreement and the Manual, upon its expiration Big O will offer a Successor Franchise Agreement with Franchisee, provided the parties mutually agree to the terms of a Successor Franchise Agreement, for a term of ten (10) years with Franchisee, in accordance with **Section 5.03**, below. Big O may, in its sole discretion, agree to a shorter Successor Franchise Agreement term if Franchisee is unable to extend its lease or sublease for the full Successor Franchise Agreement term.

5.02 Conditions to Grant of Successor Franchise. Big O will only offer to execute a Successor Franchise Agreement with Franchisee in accordance with its then current terms and conditions for granting successor franchises, which may include any or all of the following:

(a) That Franchisee executes a Successor Franchise Agreement in the then current form being offered to franchisees in the State in which the Big O Store is located no later than fifteen (15) months prior to the end of the Franchise Agreement term, which may include, among other matters, a different fee structure, increased fees, different terms and conditions, a modified Trade Area and different purchase requirements, and the term of the Successor Franchise Agreement shall commence on the expiration of the Franchise Agreement term;

(b) That Franchisee must agree to refurbish the Premises or relocate the Premises to conform to Big O's then current standards for similar Stores;

(c) That Franchisee shall pay Big O's successor franchise administration fee equal to Big O's time to process the successor franchise multiplied by Big O's hourly rate (as set by Big O from time to time) upon execution of the Successor Franchise Agreement;

(d) That Franchisee and its Owners shall execute a general release in favor of Big O and its representatives on a form prescribed by Big O, of any and all known and unknown claims against Big O and its Affiliates and their officers, directors, agents, Owners and employees;

(e) That at the time Franchisee delivers its renewal notice to Big O and at all times thereafter until the commencement of the renewal term, Franchisee shall have fully performed all of its material obligations under this Agreement, the Manuals and all other agreements then in effect between Franchisee and Big O (or its Affiliates);

(f) Without limiting the generality of **Section 5.01**, Franchisee shall not have committed three (3) or more material breaches of this Agreement during any twelve (12) month period during the Term of this Agreement for which Big O shall have delivered notices of default, whether or not such defaults were cured;

(g) Franchisee shall have in all material respects maintained its status as a Franchisee in good standing (e.g., achieving at least minimum scores on inspections, and have substantially complied with all material obligations of the Big O System throughout the Term); and

(h) Franchisee provides evidence of legal control of the premises on which the Store is located.

5.03 Notification of Renewal. If Big O is willing to execute a new franchise agreement with Franchisee, and Big O notifies Franchisee of the Expiration Date and the terms and conditions upon which Big O is willing to execute a new franchise agreement with Franchisee, Franchisee must execute a Successor Franchise Agreement for a ten (10) year term at least fifteen (15) months prior to the end of the Franchise Agreement term. In the event Franchisee fails to execute a Successor Franchise Agreement in this time, Franchisee will be deemed to have waived its right to enter into a Successor Franchise Agreement and Franchisee will lose all Trade Area and exclusivity rights described in **Section 2.02** and its First Option rights described in **Article 3** during the last fifteen (15) months of the Franchise Agreement term.

6. FRANCHISEE'S DEVELOPMENT OBLIGATIONS

6.01 Financing Approval. Unless otherwise agreed to by Big O, Franchisee shall obtain a letter of commitment for the provision of financing through a lender approved by Big O and with minimum credit terms, also approved by Big O, no later than one hundred twenty (120) days from the Effective Date of this Agreement.

6.02 Site Selection. Franchisee shall obtain the written approval of Big O of the site for the Store within twelve (12) months from the Effective Date of this Agreement. Franchisee shall propose sites for approval by Big O on forms and in the manner designated from time to time by Big O. A proposed site shall only be submitted to Big O for approval after Franchisee has evaluated the site and determined that it meets Big O's then current criteria for sites which Big O shall have communicated to Franchisee. Franchisee shall be responsible for obtaining Big O's then current site criteria prior to submitting a site approval application. Big O shall review the site approval application and within thirty (30) days of Big O's receipt thereof, Big O shall approve or reject the proposed site. Unless otherwise agreed to in writing by Big O, final site approval will be conditioned upon Big O's receipt of evidence of Franchisee's ownership, lease or control of the property in such form as Big O, in its sole discretion, shall deem to be acceptable, including, without limitation, a deed to the property, an executed contract to purchase the property, a lease with a duration of not less than ten (10) years, or an option to purchase the property. Big O may, in its sole discretion, require that the Franchisee negotiate with its landlord the right, but not the obligation, for Big O to cure any Franchisee breaches and/or the right for Big O to assume the franchisee's lease obligations. Franchisee acknowledges and agrees that Big O's approval of a site or provision of criteria regarding the

site does not constitute a representation or warranty of any kind, express or implied, as to the suitability of the site for a Big O Store or for any other purpose. Big O's approval of the site indicates only that Big O believes that a site falls within the acceptable criteria established by Big O as of that time. In the case of a Converter, Big O shall deem execution of this Agreement approval of the Store location, unless additional obligations to convert or upgrade the premises are described in **Schedule 6** to this Agreement.

6.03 Real Estate Improvements, Equipment and Signage. Franchisee agrees to construct all improvements to the Premises and the Store in compliance with plans and specifications approved by Big O. Franchisee agrees to purchase, lease or otherwise use in the establishment and operation of the Big O Store only those fixtures, equipment, signs and hardware and/or software that Big O has approved as meeting its specifications and standards for quality, design, appearance, function and performance. Franchisee shall purchase or lease approved brands, types or models of fixtures, equipment, and signs only from suppliers designated or approved by Big O. Franchisee agrees to place or display at the Premises only such signs, logos and display materials that Big O approves from time to time.

6.04 Conditions to Opening. Franchisee agrees, at its sole expense, to do or cause to be done the following prior to opening the Big O Store for business: (i) secure all required financing; (ii) obtain all required permits and licenses; (iii) construct all required improvements and decorate the Store in compliance with approved plans and specifications approved by Big O pursuant to **Section 7.01(b)** below; (iv) purchase (or lease) and install all fixtures, equipment and signs required by Big O for the Big O Store; (v) purchase an opening inventory of tires and supplies in accordance with **Section 14.01** and 14.02; (vi) provide Big O with copies of all required insurance policies, or such other evidence of coverage and payment as Big O requests; and (vii) provide Big O with any other documents as may be reasonably required by Big O, including but not limited to financing statements.

6.05 Commencement of Business. Franchisee agrees to open the Big O Store for business within fourteen (14) days after Big O notifies Franchisee that the conditions set forth in this **Section 6** have been satisfied. Unless otherwise agreed in writing by Big O and Franchisee, Franchisee has sixteen (16) months from the Effective Date of this Agreement within which to have its Big O Store opened and operating ("Development Period"). Big O will extend the Development Period for a reasonable period of time in the event that factors beyond Franchisee's reasonable control prevent Franchisee from meeting this Development Period, so long as Franchisee has made reasonable and continuing effort to comply with such development obligations and Franchisee requests, in writing, an extension of time in which to have its Big O Store open and operating before the Development Period lapses.

7. PRE-OPENING AND ONGOING ASSISTANCE

7.01 Pre-Opening Assistance. Prior to Franchisee's Commencement Date, Big O shall provide Franchisee with the following assistance to the extent and as determined by Big O from time to time in its sole discretion:

(a) Assistance to Franchisee related to approval of a site for the Store, although Franchisee acknowledges that Big O shall have no obligation to select or acquire a site on behalf of Franchisee. Big O's assistance will consist of providing criteria for a satisfactory site, an on-site inspection and determination of whether a proposed site fulfills the requisite criteria, prior to formal approval of a site selected by Franchisee. At Big O's option, Big O may, without fee or expense to Franchisee, review the proposed Store lease. The final decision about whether to acquire a given approved site or whether to execute any particular lease shall be the sole decision of Franchisee. Big O disclaims all liability for the consequences of approving a given site. Big O's participation in site selection in no way is meant to constitute a warranty or guaranty that the Franchised Business will be profitable or otherwise successful. Big O's written approval of the Premises and Store must be obtained by

Franchisee before the Store may be opened or relocated. Big O may condition its approval of a Store lease upon Franchisee's execution of a conditional lease assignment in a form, which is the same as, or similar to the one found on **Schedule 4**. If Franchisee has been a Big O franchisee for ten years or less and if Franchisee or any of Franchisee's owners (if Franchisee is a business entity or trust) owns an interest in the real estate on which the Store is located, owns an interest in an entity that owns the real estate (including an entity such as a trust of which the Franchisee is a beneficiary), or if such real estate is owned by an immediate family member of such person, Big O may require Franchisee to enter into an Option and Store Lease with Big O or its affiliate in the then-current form in use by Big O or its affiliate in the then-current form in use by Big O, which would give Big O or its affiliate the right to lease the Premises in the event this Agreement is terminated or expires, if Big O or its affiliate chooses to exercise such option. If Franchisee has been a Big O franchisee (or owned more than 50% of the Franchisee Entity) for more than ten years and is leasing the site upon which the Store is located from any of Franchisee's owners (if Franchisee is a business entity or trust), or an entity that is owned, in whole or in part, by Franchisee or any of Franchisee's owners, or an immediate family member of Franchisee, Franchisee will have the option to sign a modified form of lease assignment which is attached as **Schedule 5** to the Franchise Agreement (instead of the Option and Store Lease). A Memorandum of Lease Option or a Memorandum of Lease Rider and Modification may be recorded or filed by Big O or its affiliate in the event an Option and Store Lease is required.

(b) A prototype floor plan, elevation and equipment layout for the Store. Big O may charge Franchisee its costs (as reasonably determined by Big O) of these. The plans must be modified by Franchisee's architect or contractor to adapt them to conditions at the Premises and to satisfy all local code requirements. Revisions or modifications to the plans must be approved by Big O. Big O's approval of the revisions or modifications to the plans will not be unreasonably withheld.

(c) Training for one person in the operation of the Franchised Business ("Initial Training Program"). Currently, the Initial Training Program consists of initial online training ("Online Training"), a number of weeks of classroom training at a location designated by Big O in its sole discretion ("Facilitated Training"), and a number of weeks of field training and certification by an existing franchisee designated by Big O at one or more of this existing franchisee's Big O Stores. The number of weeks of such Initial Training Program shall be as specified by Big O from time to time in its discretion. Unless Big O waives the training requirement, the Manager of the Franchisee's Store or Franchisee's Operator must attend and successfully complete the Initial Training Program. Franchisee shall pay the training fees charged by Big O from time to time and shall pay for its own employee costs (such as salaries and wages, and benefits), transportation, lodging, and living expenses which are incurred while attending any Big O training program, except that the training fee and the costs of lodging approved by Big O for the first person to attend the Facilitated Training portion of the Initial Training Program and the training fee for that same first person to attend the field training portion of the Initial Training Program are included in the initial franchise fee required by **Section 8.01** below. In the event that, in Big O's sole discretion, Franchisee's Operator fails to successfully complete the Initial Training Program, Big O may, in its sole discretion, require Franchisee's Operator to attend and successfully complete another training program at Franchisee's cost or terminate this Agreement and, upon receipt from Franchisee of a general release in a form approved by Big O, refund a portion of the initial franchise fee paid by Franchisee equal to the entire initial fee less any amounts necessary to reimburse Big O for the costs it incurred in approving Franchisee and in training Franchisee's Operator and Manager and less other administrative expenses incurred by Big O in regard to Franchisee. In some circumstances designated by Big O in its sole discretion from time to time (for instance, for Stores with real estate costs or past sales at high levels designated by Big O from time to time in its sole discretion), Big O may require and provide or arrange for certain additional training of Franchisee's

Operator or Manager. Big O, in its sole discretion, may charge a reasonable fee for such additional training. Franchisee shall pay for its own transportation, lodging and living expenses which are incurred while attending such additional training. Big O may also provide onsite training at Big O's sole discretion upon a request of Franchisee, or at Big O's own initiative. Onsite training programs or sessions may be conducted on a mandatory or voluntary basis and, at Big O's discretion, Franchisee may be required to pay a site visit tuition or fee for its attendees. While Big O will provide training programs to its franchisees, it may periodically modify, restructure, or eliminate any training programs in its discretion.

(d) Big O will provide Franchisee online access to the Big O Manual or other such proprietary information.

(e) Assistance in selecting Franchisee's initial inventory.

(f) Assistance in the layout, merchandising and display of the Store.

7.02 On-Going Assistance.

(a) Big O agrees to make available to Franchisee the following ongoing assistance for which Big O will not charge the Franchisee a fee for such assistance:

(i) Big O will provide, to the extent available to Big O, a source from which Franchisee may purchase Big O private brand tires;

(ii) Big O may, in its sole discretion, provide to the Franchise Advisory Council ongoing marketing research into new tire selections and other lines of Products and Services and ways to enhance the competitive posture of Big O Stores; and

(iii) Big O will provide recommended prices for Big O brand tires and may designate maximum pricing and minimum advertised pricing pursuant to **Section 10.02** below.

(b) Big O agrees to make available to Franchisee the following on-going assistance for which Big O may charge the Franchisee a fee:

(i) Additional training for the Operator or other personnel of Franchisee;

(ii) Regional training provided by Big O personnel and field assistance, inspections and merchandising advice pertaining to the Franchisee's Store provided by Big O area managers.

(iii) Point of sale advertising materials and other merchandising display materials, specialty items and wearables utilizing Big O Licensed Marks will be purchased through Big O or such other licensee as designated by Big O for which Big O may charge the franchisee a fee, and from time to time, local advertising plans and materials, special promotions and similar advertising; and

(iv) At the request of Franchisee's Local Group, Big O will make available to Franchisee or the Local Group electronic copies, or, where deemed appropriate by Big O, hard copies, of radio and television commercials, for which Big O may charge a fee to the Local Group or to Franchisee.

Notwithstanding **Subsections 7.02(b)(i) and (ii)**, above, in certain situations where training is being provided by Big O personnel, training will be provided at no cost to the Franchisee for the personnel conducting the training but, the Franchisee may be charged a fee for costs associated with the materials and training location.

(c) Big O may provide one or more e-mail accounts to Franchisee for Franchisee and its Big O Store. If Big O provides any e-mail accounts to Franchisee, Franchisee is required to use those e-mail accounts (and no other e-mail accounts) in communications with Big O and its representatives, unless otherwise designated by Big O. Franchisee may also use these e-mail accounts for communications with its customers, managers, employees, and other franchisees in the operation of the Big O Store. However, Franchisee may not use the e-mail accounts Big O provides for any mass e-mails or for any purpose not related to the operation of the Big O Store. Big O may establish other standards and requirements for the use of any e-mail account provided, and may restrict or prohibit access to the e-mail accounts in the event of a violation of Big O's terms. Big O reserves the right to charge a fee for the e-mail account(s) provided. Big O reserves the right to discontinue providing any e-mail account to Franchisee in the future, in which event Franchisee will be required to maintain an e-mail account to be used in the operation of the Big O Store. Big O will have the right to access any e-mail account that it provides, and all information on that e-mail system, without limitation. Franchisee is required to check such e-mail account throughout the business day and respond to any e-mail messages promptly. BIG O SHALL HAVE NO LIABILITY FOR UNAUTHORIZED ACCESS TO, OR ALTERATION, THEFT OR DESTRUCTION OF, THE SITE OR OF THE FRANCHISEE'S DATA FILES, PROGRAMS, E-MAIL, CONTENT OR INFORMATION.

(d) Big O, in its sole discretion, will make the following services available to Franchisee, for which additional fees may apply:

(i) Big O will provide Franchisee with periodic recommended retail pricing in Franchisee's general market territory. This does not encompass specific competitor pricing in each location, but will generally focus on price competitive, regional retailers. Big O will provide this information to Franchisee in an electronic format, so that Franchisee can update its pricing files in Franchisee's point of sale system. Franchisee will also have the ability to change this retail pricing at Franchisee's discretion.

(ii) Big O will make available its optional online learning management system for all Stores. This site combines Big O and Industry specific courses which have been selected by the Training Department. A fee may be imposed by Big O or the administrator of the learning management system (as designated by Big O) if Franchisee elects to have access to these courses.

The scope, process, procedure and timing of the services in this **Section 7.02(d)**; the availability of and charges for these services; and even the outright elimination of these services, will be determined periodically by Big O in its sole discretion and, if established, will be described in the Manual or other written documents.

(e) Big O, in its sole discretion, may provide other assistance from time to time under terms and conditions and for fees and charges as established by Big O in its sole discretion from time to time.

If Franchisee is in default of this Agreement for any reason (such as for failure to make payments or maintain any standards or requirements stated within the Manual or otherwise), or any other agreement

Franchisee has entered into with Big O, Big O may, at any time while that default remains uncured, suspend Franchisee's rights to receive any support services from Big O of any kind. Big O will provide Franchisee prior notice of the suspension of services listing those services to be suspended.

8. FEES

8.01 Initial Franchise Fee. In consideration of the execution of this Agreement, Franchisee agrees to pay Big O an initial franchise fee in the amount and at the times specified on the Summary Pages. Except as described in **Section 2.01** or **Section 7.01(c)** above, the initial franchise fee is not refundable.

8.02 Royalty Fee. After the Commencement Date (or Effective Date, if later than the Commencement Date), Franchisee shall pay to Big O a monthly royalty fee equal to: (a) 2% of Gross Sales to National Account Customers and Key Account Customers, (b) 2% of Gross Sales of Farm Class Tires, (c) 2% of Excess Service Department Sales, and (d) the Adjusted Gross Sales Royalty Rate applied to the Adjusted Gross Sales. Big O may designate in the Manual or otherwise in writing specific items and Gross Sales on which no royalty fee is due, which may change from time to time. The Adjusted Gross Sales Royalty Rate to be used for the balance of the initial calendar year after the Commencement Date (or Effective Date, if later) is set forth in the Summary Pages. The royalty fee for each month must be received by Big O no later than the Due Date in the following month.

8.03 National Marketing Fee. Franchisee shall pay to Big O a monthly contribution to the National Marketing Program pursuant to **Section 15.02(a)** below.

8.04 Late Fees. If any fee or any other amount due under this Agreement, including payments for Products and Services, is not received within ten (10) days after such payment is due, Franchisee shall pay Big O interest equal to the lesser of the daily equivalent of eighteen percent (18%) per annum of such overdue amount per year, or the highest rate then permitted by applicable law, for each day such amount is past due. This interest rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Agreement.

8.05 Taxes. If any federal, state, or local tax other than an income tax is due or imposed upon the initial franchise fee or royalty fees paid by Franchisee to Big O which Big O cannot offset against taxes it is required to pay under the laws of the United States or the state of its domicile, Franchisee agrees to compensate Big O in the manner prescribed by Big O so that the net amount or net rate received by Big O is no less than that which has been established by this Agreement.

8.06 Rebill Charge. Franchisee shall pay Big O the Rebill Charge on all tires purchased by Franchisee under the Rebill Tires program.

8.07 Manual Processing Fee. If Franchisee fails to comply with any requirement that is established by Big O designed to automate or expedite Big O's administrative tasks, Franchisee shall pay Big O an administrative fee in an amount to be established by Big O in its discretion, not to exceed $75 per occurrence.

8.08 Noncompliance Service Charge. In the event that Franchisee fails to comply with any obligation set forth in this Agreement or any mandatory standard or specification in the Manual or otherwise established by Big O, Big O shall have the right upon written notice to Franchisee to impose a noncompliance service charge ("Noncompliance Service Charge"). The Noncompliance Service Charge shall be in an amount of $500.00 for each event of noncompliance by Franchisee. The Noncompliance Service Charge is intended to compensate Big O for the administrative costs that it incurs in monitoring, notifying, and following up with Franchisee in the event of noncompliance. The imposition of the

Noncompliance Service Charge is in addition to any other rights or remedies that Big O may have in the event of noncompliance by Franchisee including, without limitation, any right to declare a default or terminate this Agreement as described in **Article 19**.

8.09 Allocation of Payments. Unless other written instructions accompany a specific payment, all payments made by Franchisee pursuant to this Agreement shall be applied in such order as Big O may designate from time to time. Big O shall comply with any written instructions for allocation specified by Franchisee to the extent, in Big O's opinion, it is reasonable to do so.

9. LICENSED MARKS

9.01 Licensed Marks. Franchisee expressly acknowledges that Big O is the sole and exclusive licensor of the Licensed Marks. Franchisee shall not represent in any manner that Franchisee has acquired any ownership rights in the Licensed Marks. Franchisee shall not use any of the Licensed Marks or any marks, names, or indicia which are or may be confusingly similar in its own Entity or business name. Franchisee further acknowledges and agrees that any and all goodwill associated with the Big O System and identified by the Licensed Marks shall inure directly and exclusively to the benefit of Big O and that, upon the expiration or termination of this Agreement for any reason, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of Licensed Marks.

9.02 Limitations on Use. Franchisee understands and agrees that any use of the Licensed Marks other than in accordance with the Manual or other than as expressly authorized by this Agreement, without Big O's prior written consent, is an infringement of Big O's rights therein and that the right to use the Licensed Marks granted herein does not extend beyond the termination or expiration of this Agreement. Franchisee expressly covenants that, during the term of this Agreement and thereafter, Franchisee shall not, directly or indirectly, commit any act of infringement or contest or aid others in infringing or contesting the validity of Big O's right to use, or Big O's ownership of, the Licensed Marks or take any other action in derogation thereof.

9.03 Infringement. Franchisee acknowledges Big O's right to regulate the use of the Licensed Marks and Trade Dress of the Big O System. Franchisee shall promptly notify Big O if it becomes aware of any use or any attempt by any person or legal entity to use the Licensed Marks or Trade Dress of the Big O System, any colorable variation thereof, or any other mark, name, or indicia in which Big O has or claims a proprietary interest. Franchisee shall assist Big O, upon request and at Big O's expense, in taking such action, if any, as Big O may deem appropriate to halt such activities, but shall take no action nor incur any expenses on Big O's behalf without Big O's prior written approval.

9.04 Franchisee's Business Name. Franchisee further agrees and covenants (i) to operate and advertise only under the name or names from time to time designated by Big O for use by similar Big O System franchisees; (ii) to refrain from using the Licensed Marks to perform any activity or to incur any obligation or indebtedness in such a manner as may, in a way, subject Big O to liability therefor; (iii) to observe all laws with respect to the registration of trade names and assumed or fictitious names; (iv) to include in any application for the above a statement that Franchisee's use of the Licensed Marks is limited by the terms of this Agreement, and to provide Big O with a copy of any such application and other registration document(s); and (v) to observe such requirements with respect to trademark and service mark registrations, copyright notices, and other notices as Big O may, from time to time, require.

9.05 Change of Licensed Marks. Subject to the requirements of **Section 25** of this Agreement, Big O reserves the right, in its sole discretion, to designate one or more new, modified, or replacement Licensed Marks or trade names for use by franchisees and to require the use by Franchisee of any such new, modified, or replacement Licensed Marks or trade names in addition to or in lieu of any previously

designated Licensed Marks. Any expenses or costs associated with the use by Franchisee of any such new, modified, or replacement Licensed Marks shall be the sole responsibility of Franchisee. Any expenses or costs associated with a change from the name "Big O" to an unrelated name will be allocated between Big O and the Franchisee in proportionate amounts to be determined by Big O and, if applicable in accordance with **Section 25** of this Agreement.

9.06 Franchisor's Rights. Big O retains the right to, among others: (i) use, and license others to use, the Licensed Marks and the Big O System for other Big O Stores or company-owned Stores; (ii) solicit, sell to and service local, regional or national accounts wherever located; (iii) use the Licensed Marks and the Big O System with other services or products, or in alternative channels of distribution, including the Internet, without regard to location; and (iv) use and license the use of other proprietary marks or methods which are not the same as or confusingly similar to the Licensed Marks, whether in alternative channels of distribution or with the operation of any type of tire sales and service business, at any location, which may be the same as, similar to or different from the business of a Big O Store. Big O may use or license these rights on any terms and conditions it deems advisable, and without granting Franchisee any rights in them.

10. STANDARDS OF OPERATION

10.01 Standards of Operations. Big O shall establish and Franchisee shall maintain high standards of quality, appearance and operation for the Franchised Business. For the purpose of enhancing the public image and reputation of the businesses operating under the System and for the purpose of increasing the demand for Products and Services provided by Franchisee and Big O, the parties agree as follows:

(a) Franchisee shall not open the Store for business until Big O has provided Franchisee with written authorization to do so.

(b) Franchisee shall make such modifications and improvements to the Store and Premises as required by Big O from time to time but may not make any modifications to the Store and Premises without Big O's prior approval.

(c) Franchisee shall comply in good faith with all published Big O System rules, regulations, policies, and standards, including, without limitation, those contained in the Manual. Franchisee shall operate and maintain the Franchised Business solely in accordance with high standards of quality, appearance and operation for the Franchised Business, and in the manner and pursuant to the standards prescribed herein, in the Manual and in other materials provided by Big O to Franchisee, and shall make such modifications thereto as Big O may require.

(d) Franchisee shall at all times operate the Store diligently and in a manner, which is consistent with sound business practices so as to maximize the revenues therefrom.

(e) Franchisee shall at all times maintain working capital and a net worth which is sufficient, in Big O's opinion, to enable Franchisee to fulfill properly all of Franchisee's responsibilities under this Agreement.

(f) Franchisee shall at all times maintain the Premises and its Store in the image of and according to the standards of Big O as prescribed in the Manual. These standards and specifications may include, but are not limited to the safety, maintenance, cleanliness, sanitation, function and appearance of the Premises, the Store and the Store's equipment and signs, as well as the requirement that the employees of the Store shall be required to wear uniforms while employed at the Store. Moreover, Franchisee agrees to cooperate with Big O at Franchisee's expense, to the extent building and site limitations permit, in the implementation of new programs, including those

which may require the addition of new equipment or fixtures for the Store. In its sole discretion, Big O may waive some or all of any of its franchisees' obligations to comply with such programs.

(g) Prior to opening, Franchisee shall provide Big O with written certificates or documentary evidence from an insurance company or companies that Franchisee has obtained the insurance coverage prescribed by **Section 21**.

(h) If Franchisee maintains a customer list, such lists or parts thereof shall be disclosed to no one other than Franchisee's employees or Big O without Big O's prior written consent.

(i) Big O will assign Franchisee to a Local Group and Franchisee must become a member of that Local Group. Big O may, in its sole discretion, require Franchisee and the other franchisees in the same marketing area (as determined by Big O) to form a Local Group, continue the Local Group in operation and manage the Local Group in accordance with the standards and requirements established by Big O from time to time. All Local Groups are required to comply with all applicable laws. Franchisee shall be bound by any decisions the Local Group makes to the extent they are approved by Big O and are consistent with the standards and within the guidelines prescribed or approved by Big O, provided however, that (i) Franchisee shall not be subject to any agreement to fix prices, or allocate customers or territories which would violate any applicable laws; and (ii) Franchisee shall not be subject to any capital investment requirements or other standards established by the Local Group which are inconsistent with this Agreement or which have not been approved or prescribed by Big O. If Franchisee's Local Group so requires, Franchisee must obtain a bond in such minimum amounts and for such periods of time as reasonably determined by Franchisee's Local Group to ensure Franchisee's timely payment of all amounts owed by Franchisee to its Local Group.

(j) Franchisee shall use the Premises and the Store solely for the Franchised Business and for no other purpose.

(k) In all communications with Big O's representatives, Franchisee and its representatives must conduct themselves in a dignified, respectful, courteous, and professional manner. No hostile, threatening, or offensive statements or behavior toward any Big O representative is permitted.

(l) Franchisee acknowledges and agrees that certain associations between its Big O Store, the Licensed Marks, and/or the Big O franchise system, on the one side, and a political (including a political party or candidate), religious, social, cultural or similar group, member, cause, and/or activities (collectively, a "Political or Social Cause"), on the other side, may result in adverse publicity and other adverse impacts on the Licensed Marks and/or Big O franchise system with certain segments of the public. As such, Franchisee agrees that it will not, without Big O's prior written consent, make any statement or take any other action (including posting signs) that could be perceived as promoting, approving, disapproving, publicizing, or otherwise commenting on a Political or Social Cause in any manner that is connected to or associated with the Big O Store, the Licensed Marks, and/or the Big O franchise system.

10.02 Maximum Pricing and Minimum Advertised Pricing. From time to time Big O may establish maximum pricing for certain Products and Services, for certain customers and/or for certain situations. Franchisee shall adhere to such maximum pricing as so established by Big O, provided that Franchisee shall not be required to sell Products and Services at or below any particular price if such a requirement would be unlawful. Big O may also establish minimum advertised pricing for the advertising of certain Products and Services, for certain customers and/or for certain situations. Franchisee shall adhere to such minimum advertised pricing as so established by Big O, provided that Franchisee shall not be

required to advertise Products and Services at or above any minimum price if such a requirement would be unlawful. Any minimum advertised pricing established by Big O will only apply to the advertising of prices and shall not restrict Franchisee with regard to the price at which it actually sells the Products and Services.

10.03 National Fleet Account and Key Account Customer Programs. Big O has established national fleet account and Key Account Customer programs and policies, which it may revise, suspend and reestablish from time to time in its sole discretion. The national fleet account programs and Key Account Customer programs may include, but are not limited to: (a) Big O (or its designated provider) making arrangements with National Account Customers and Key Account Customers to have Big O franchisees provide Products and Services that are specified by Big O and accepted by National Account Customers and Key Account Customers; (b) permitting designated buyers of the National Account Customers and Key Account Customers to purchase specified Products and Services from Franchisee (and the other franchisees) at prices not more than those negotiated by Big O and the National Account Customer and the Key Account Customer; (c) central billing by Big O (or its designated provider) of National Account Customers and Key Account Customers for such specified Products and Services; and/or (d) fees to be paid by franchisees for administrative services (such as central billing) provided by Big O (or its designated provider) in connection with the national fleet account programs and Key Account Customer programs. Franchisee agrees to comply with the national fleet account policies and Key Account Customer policies and participate in the national fleet account programs and Key Account Customer programs as established by Big O from time to time. Such participation will include, among other things, paying the current fees for the services of Big O and third parties related to the administration and services related to the national fleet account programs and Key Account Customer programs, carrying the inventory, and making the services available as are necessary to provide the specified Products and Services to National Account Customers and Key Account Customers.

11. STORE MANAGEMENT

11.01 Store Management. Franchisee's Store shall only be operated by the Operator or a Manager employed by the Franchisee who are subject to approval by Big O. All initial and subsequent Operators and Managers are also subject to approval by Big O. Franchisee will notify Big O of each initial and subsequent Operator and Manager prior to his or her appointment to give Big O a reasonable opportunity to determine whether Big O will exercise its right of approval or disapproval as to such Operator or Manager. Big O's approval, if required, will be conditioned upon the Operator's or Manager's successful completion of any training required by Big O. Big O may waive some or all of its initial training requirements for Operators or Managers who have already received such training as a result of their affiliation with another Store or Big O franchisee or in other circumstances, in its sole discretion. If Franchisee or Franchisee's Operator has not already successfully completed such training, he/she shall be required to successfully complete the training described in **Section 7.01(c)** above. Franchisee is solely responsible for recruiting, hiring, firing, and supervising employees to operate the Store. The employees of the Store will be employees of Franchisee. They are not employees or agents of Big O and Big O is not the joint employer of those persons. Franchisee will have sole authority and control over the day-to-day operations of the Big O Store and its employees and agents. Big O will have no right or obligation to direct Franchisee's employees and agents or to operate the Big O Store. It is Franchisee's responsibility to determine compensation of employees and agents, terms of employment, safety regulations, work assignments, work schedules, and working conditions. Any information regarding any of those issues provided to Franchisee by Big O are mere suggestions and Franchisee shall have the sole discretion to utilize such information or not. Franchisee is solely responsible for implementing training and other programs for its employees related to the legal, safe, and proper performance of their work, regardless of the fact that Big O may provide advice, suggestions, and certain training programs as described in this Agreement. Any such advice, suggestions, and training offered by Big O are provided to protect Big O's brand and the Licensed Marks and not to control the day-to-day operation of Franchisee's Big O Store.

11.02 Completion of Training by Operator or Manager. Franchisee's Operator or Manager shall complete, to Big O's reasonable satisfaction, any and all training programs Big O may reasonably require or provide at such time as Big O may reasonably prescribe. All training fees and all expenses incurred by persons receiving such training, including, without limitation, costs of travel, room and board, as well as wages of the person(s) receiving such training shall be borne by the Franchisee except as provided in **Section 7.01(c)**.

12. QUALITY CONTROL

12.01 Inspections. Franchisee hereby grants to Big O and its authorized agents the right to enter the Premises during regular business hours:

(a) To conduct inspections and, upon Big O's request, Franchisee agrees to render such assistance as may reasonably be requested and to take such steps as may be necessary immediately to correct any deficiencies in the operation of its Franchised Business pursuant to this Agreement which are detected during such an inspection; and

(b) To remove from the Premises, certain samples of any Products and Services, supplies or goods, in amounts reasonably necessary for testing or examination by Big O or an independent laboratory, to determine whether such samples meet Big O's then current standards and specifications. Big O will grant Franchisee a credit equivalent to the cost of any approved Products and Services or supplies damaged or removed by it.

13. MANUAL; NEW PROCESSES

13.01 Manual. To protect the reputation and goodwill of the businesses operating under the System and to maintain high standards of operation under the Licensed Marks, Franchisee shall conduct the Franchised Business strictly in accordance with the Manual, which Franchisee acknowledges belongs solely to Big O. The Manual is designed to protect Big O's reputation and the goodwill of the Licensed Marks, it is not designed to control the day-to-day operations of Franchisee's Big O Store.

13.02 Confidentiality of Information. Franchisee shall at all times use its best efforts to keep Big O's Information confidential and shall limit access to the Information to employees and independent contractors of Franchisee on a need-to-know basis. Franchisee acknowledges that the unauthorized use or disclosure of Big O's Information will cause irreparable injury to Big O and that damages are not an adequate remedy. Franchisee accordingly covenants that it shall not at any time, without Big O's prior written consent, disclose, use, permit the use thereof (except as may be required by applicable law or authorized by this Agreement), copy, duplicate, record, transfer, transmit, or otherwise reproduce such Information, in any form or by any means, in whole or in part, or otherwise make the same available to any unauthorized person or source. Any and all Information, knowledge, and know-how not generally known about the System and Big O's Products and Services, standards, procedures, techniques, and such other Information or material as Big O may designate as confidential shall be deemed confidential for purposes of this Agreement, except Information which Franchisee can demonstrate was lawfully in Franchisee's possession prior to disclosure by Big O, or which legally is or has become a part of the public domain by lawful publication or communication by others.

13.03 Revisions to Manual. Franchisee understands and acknowledges that subject to the requirements of **Section 25**, Big O may, from time to time, revise the contents of the Manual to implement new or different requirements for the operation of the Franchised Business, and Franchisee expressly agrees to comply with all such changed requirements which are by their terms mandatory, provided, that such

requirements apply in a reasonably nondiscriminatory manner to comparable Big O franchisees. The implementation of such requirements may require the expenditure of reasonable sums of money by Franchisee. Big O will not alter the basic rights and obligations of the parties arising under this Agreement through changes to the Manual. The Manual and updates to the manual, may, in Big O's sole discretion, be delivered to Franchisee electronically via e-mail, online access, CD-ROM, Flash Drive or any other manner in which data can be transferred electronically in a widely acceptable format.

13.04 Improvements to System. If Franchisee develops any concept, process, service, or improvement in the operation or promotion of the Store, Big O may itself use or disclose it to other Big O franchisees without any obligation to compensate Franchisee therefor. If the concept, process, service, or improvement is adopted for use by the majority of Big O Stores, such concept, process, service, or improvement shall become the property of Big O and Big O may itself use or disclose it to other Big O franchisees without any obligation to compensate Franchisee therefor.

13.05 Consent to Communication. Franchisee expressly authorizes Big O and its suppliers to contact Franchisee by e-mail, telephone, mail, or any other means related to any aspect of the Store, authorized Products and Services, this Agreement, or the Big O system, for so long as this Agreement remains in effect. Franchisee expressly authorizes Big O to disclose Franchisee's contact information to Big O's approved and designated suppliers to enable such suppliers to contact Franchisee. Franchisee acknowledges that these communications are necessary to facilitate and keep Franchisee updated regarding the ongoing franchise relationship.

14. PRODUCTS AND SERVICES

14.01 Products and Services. Franchisee acknowledges that its principal interest in acquiring a Big O Franchise is to sell Big O private brand tires and related merchandise and benefit from Big O's Products and Services selection, purchasing programs, including programs for the purchase of major brand tires, and marketing expertise. The consuming public expects Big O Stores to offer the full line of Big O Products and Services and advertised warranty services. Accordingly, Franchisee shall at all times have, in stock and on the Premises, a complete representative line of Big O private brand tires, related merchandise, and other Products and Services in such quantities as Big O may prescribe from time to time. Franchisee agrees that from the date at the end of the one hundred eighty (180) day period from the Commencement Date (or, if the Effective Date is more than one hundred eighty (180) days following the Commencement Date, immediately from the Effective Date) for the rest of the calendar year after such date and for each calendar year thereafter during the term (including renewal terms) of this Agreement, it will stock at least the minimum number of tires designated by Big O, with a majority or other percentage (as designated by Big O) of such inventory consisting of Big O brand tires, Big O exclusive tires, or other brand tires periodically designated by Big O as exclusive to the Big O product screen. Big O may, from time to time, change these requirements for its franchisees generally or for particular areas or circumstances. The prices charged to Franchisee by Big O or other suppliers shall be established by Big O or the other suppliers, respectively, from time to time, but the prices charged by Big O for Big O Program Products shall be subject to **Section 14.06**.

14.02 Approval of Products and Services. Prior to commencing business at the Premises, Franchisee shall stock the Store with Products and Services and supplies of such variety and in such amounts as Big O may require. Franchisee may not offer or sell any product or service that has not been selected, designated or approved in writing by Big O, and Franchisee may not sell any product or service except in accordance with the conditions required by Big O. Big O is not obliged to approve any product, service, or merchandise selected by the Franchisee. Franchisee may purchase Products and Services only from Big O or sources approved by Big O. Big O will not give its approval of suppliers selected by the

Franchisee which are not at the time listed in the Manual as approved by Big O for use by the Franchisee, except in accordance with the following procedure:

(a) The Franchisee must submit a written request to Big O for approval of the supplier;

(b) The Franchisee must demonstrate to Big O the existence of a need for the product or service and that the product or service does not conflict with Big O's existing marketing program of Products and Services;

(c) The supplier must demonstrate to Big O's reasonable satisfaction, that it is able to supply a commodity to the Franchisee meeting Big O's specifications for such commodity and that it is able to do so on a timely basis;

(d) The supplier must demonstrate to Big O's reasonable satisfaction that the supplier is of good standing in the business community with respect to its financial soundness and reliability of its product and service;

(e) The supplier must agree to indemnify and hold Big O and the Franchisee harmless from and against any claim or liability by reason of the supplier's products, including without limitation, defects in materials and workmanship and supplier must provide to Big O certificates or other evidences of insurance coverage with coverage limits sufficient to cover the risks and an endorsement reflecting that Big O and Franchisee are named as additional insureds under the supplier's insurance policies;

(f) Big O must be reasonably satisfied that the commodity is priced competitively; and

(g) Suppliers of tire products must meet the then current requirements under the TREAD Act.

Big O's current practice is to notify the Franchisee of its approval or disapproval in writing as soon as practicable. Big O may revoke its approval of an approved supplier at any time in its sole discretion.

14.03 Inventory and Services. Franchisee shall at all times maintain an inventory of Products in such amounts and of such variety as Big O may reasonably require, and shall offer all Services which Big O may require.

14.04 Warranties and Guaranties.

(a) Franchisee agrees to issue and honor warranties and guarantees written on certain Products and Services sold to consumers in accordance with the terms and procedures prescribed in the Manual, including but not limited to the Big O Program Products Warranty. Any such warranty or guaranty will be offered through all Big O Stores on a nondiscriminatory basis, subject to such exceptions as determined by Big O from time to time (such as test programs). Only warranties or guarantees sponsored or approved by Big O or its Affiliates may be offered or honored by Franchisee (other than those required by law). Franchisee and Big O shall only honor warranties and guaranties on Products and Services that have been sold to and returned by consumers in accordance with the terms and procedures prescribed in the Manual. Franchisee agrees to honor any and all warranties and guarantees sponsored or approved by Big O, regardless of where or by whom they were issued. Franchisee shall make no charge to a customer for honoring such a warranty or guaranty unless the charge is permitted by the express terms of the warranty or guaranty or the then current Manual. Big O agrees not to change or alter any warranty or guaranty without

giving Franchisee at least thirty (30) days prior written notice. Warranties or guarantees issued prior to any such revocation or modification shall be honored according to their terms as interpreted in the Manual.

(b) Big O will absorb Franchisee's costs for (i) claims related to replacement due to road hazards and/or workmanship and materials contemplated in the terms of the applicable Big O Program Products Warranty for Big O I Tires in accordance with the terms and procedures prescribed by the Manual; and (ii) claims related to the prorated manufacturer's workmanship and material warranty for Big O II Tires and any other tires that are Big O Program Products in accordance with the terms and procedures prescribed by the Manual (provided, however, that the warranty costs so absorbed will be included in the Warranty Costs used to determine the Big O Program Products Price). Franchisee will cover all other warranties.

(c) As part of the warranties and guarantees under this Section 14.04, Big O may from time to time establish requirements to honor, offer, and/or otherwise participate in warranty programs for products sold other than Big O Program Products. Specifically, Big O may require participation in a single designated warranty program for those products, or the satisfaction of certain minimum requirements for any warranty programs administered by Franchisee or by third parties. These requirements may vary by location, including due to variations in state warranty laws. Franchisee shall comply with any requirements applicable for its location. Franchisee acknowledges that these requirements may include payments to Big O, its affiliates, and any third party administrator for participation in the warranty programs, funding of the warranty programs, and other services related to those warranty programs, which fees are subject to change from time to time upon notice from Big O to Franchisee. Franchisee must comply with any applicable laws with regard to any warranties and guaranties that it offers.

14.05 Open Account Financing. In its sole discretion, Big O may provide Franchisee with open account financing for some or all of the Products and Services it sells Franchisee. Whether or not such credit is offered, Franchisee will be required to execute a security agreement and comply with all other requirements of Big O to secure Franchisee's obligations to Big O under the Franchise Agreement and perfect its security interest therein. If such credit is offered, Franchisee will be required to execute a credit agreement and security agreement and comply with all other requirements of Big O to secure such payments and perfect its security interest therein. Franchisee's failure to comply with any credit terms set forth above may cause Big O to terminate these credit terms or, where appropriate, Big O reserves the right to place Franchisee on C.O.D. as well as notifying the Franchisee of an event of default of this Agreement.

14.06 Purchase of Big O Program Products.

(a) Big O shall sell to Franchisee, and Franchisee shall purchase from Big O, Big O Program Products in such quantities as ordered by Franchisee and accepted by Big O, at the Big O Program Products Price.

(b) The Big O Program Products Price will be subject to audit in accordance with Big O's Manual as determined by Big O from time to time. Big O's audit procedures in effect as of the date of this Agreement are set forth in **Schedule 10**.

(c) If it is determined under **Section 14.06(b)** or otherwise that Big O has overcharged or undercharged Franchisee in the determination of the Big O Program Products Prices, then the Parties will make adjustments in accordance with Big O's Manual as determined by Big O from time to time. Big O's adjustment procedures in effect as of the date of this Amendment are set forth in **Schedule 10**. Franchisee's sole remedy against Big O for any overcharge for Big O Program

Products will be a credit against amounts due to Big O and, in some circumstances, recovery of expenses paid by Franchisee for a third party audit, all as provided in the Manual.

(d) The restrictions in this **Section 14.06(d)** apply to Big O Program Products that were purchased by Franchisee at or for the account of the Store that is the subject of this Agreement or that Franchisee purchased at the Big O Program Products Price. Franchisee shall not sell any such Big O Program Products to any party, including other Big O Franchisees, on a wholesale basis, or sell any such Big O Program Products at or for the account of (or otherwise transfer any such Big O Program Products to) any other Big O Stores that are not Big O Business Format Units, or any other non-Big O stores that are owned or operated, in whole or in part, by Franchisee pursuant to a franchise agreement with any affiliate or parent of Big O. However, such sales or transfers may be permitted in some circumstances and under certain conditions set forth in policies adopted by Big O from time to time in its sole discretion. If Franchisee violates the restrictions in this **Section 14.06(d)**, it must pay Big O an amount to remedy such violation, which amount will be determined in accordance with policies adopted by Big O from time to time; this remedy and such payment shall be in addition to any other remedies that Big O may have.

(e) Franchisee will generally not be eligible to participate in any promotional programs offered by Big O.

15. ADVERTISING, MARKETING AND PROMOTIONAL PLANS

15.01 Grand Opening Advertising. Recognizing the value of standardized Advertising programs to the furtherance of the goodwill and public image of the Big O System, within the first 12 months of business, Franchisee is required to spend on Grand Opening Advertising, in addition to the required amounts to be paid each month to Big O and/or the Local Group pursuant to **Sections 15.02 and 15.03** below, the amount specified on the Summary Pages. The manner of the Grand Opening Advertising must be approved in advance by Big O.

15.02 National Marketing Program. Big O has established a National Marketing Program which Big O, in its sole discretion, may decide to terminate or suspend at any time. If Big O does terminate or suspend the National Marketing Program, Big O, in its sole discretion, may re-establish it at any time. Big O shall notify Franchisee as to the manner in which it shall function and the amount of contribution required of Franchisee.

(a) Not later than the Due Date, Big O or its designee must have received from Franchisee such amount as Big O shall designate, but not more than one percent (1%) of its previous month's Gross Sales (the "NMP Percentage Fee") plus such amount per month charged per franchisee to the Big O marketing fund by a third party who administers the National Auto Service Warranty for Big O, as a contribution to the National Marketing Program which shall be maintained or approved by Big O for Big O system-wide Advertising efforts. Big O shall limit any increase in Franchisee's NMP Percentage Fee from any amount then currently being charged to one-tenth of one percent (0.1%) in any twelve (12) consecutive month period and an additional one-tenth of one percent (0.1%) for each twelve (12) consecutive months thereafter until the one percent (1%) limitation is reached. Such incremental increases shall not be cumulative so that if Big O fails to adopt an additional incremental increase after any twelve (12) consecutive month period, the next one-tenth of one percent (0.1%) incremental increase will not accrue until actually adopted by Big O and shall constitute the maximum for the next consecutive twelve (12) months; provided, however, in the event Big O shall determine, in its sole judgment and discretion, that a special Advertising circumstance or opportunity is available to Big O and/or its franchisees, Big O may propose to the Franchise Advisory Council a greater increase during any consecutive twelve (12) month period

(up to one percent (1%) limit), and if a majority of the members of the Franchise Advisory Council agree to such increase, it shall be implemented by Big O, notwithstanding Big O's limitation as to the phasing in of any increases.

(b) Big O shall, following consultation with the Franchise Advisory Council, direct all system-wide Advertising efforts which are provided through the National Marketing Program with Big O retaining sole discretion over the concepts, materials, and media used therein. All National Marketing Program contributions paid by Franchisee and other similarly situated Big O System franchisees to Big O shall be part of the National Marketing Program.

(c) In particular, the National Marketing Program may be used for production of commercial print, radio, television, or internet advertising, direct response literature, brochures, collateral material advertising, surveys of advertising effectiveness, fees or expenses for any advertising agency, other advertising or public relations expenditures and general efforts to promote the Big O brand and system, such as web site development, digital marketing, digital advertising, customer relationship management, call management, social media, store rating programs, research, retail selling system development and administration of the National Auto Service Warranty. Franchisee understands and acknowledges that the National Marketing Program is intended to maximize general public recognition and acceptance of the Licensed Marks and for other benefits for the System and that Big O undertakes no obligation in administering the National Marketing Program to insure that any particular franchisee benefits directly or pro rata from the national Advertising. Franchisee agrees that the National Marketing Program may be used to meet any and all costs incident to such Advertising; provided that no part thereof shall be used by Big O to defray its general operating expenses other than (i) those reasonably allocable to such Advertising, or (ii) other activities reasonably related to the administration or direction of the National Marketing Program and its related programs. At Big O's discretion, from time to time, Big O may advance funds to the National Marketing Program to cover expenditures of the National Marketing Program. At Big O's election, it may recover any funds so advanced from future franchisee contributions and Big O may adjust future expenditures as may be necessary to make funds available for its recovery.

(d) Any part of the National Marketing Program contributions paid to Big O, but not spent by Big O during Big O's fiscal year, which Big O may change in its sole discretion, shall remain in the National Marketing Program. Any taxes imposed on the National Marketing Program shall be paid from the National Marketing Program. No refund of contributions to the National Marketing Program shall be due Franchisee upon termination or nonrenewal of this Agreement.

(e) The Franchise Advisory Council shall have the right to review all expenditures of the National Marketing Program on a regular basis.

15.03 Local Fund.

(a) Franchisee shall also contribute by the Due Date a minimum of four percent (4%) of its Store's Gross Sales for the previous month to Big O or as directed by Big O; provided, however, that such contributions may be reduced periodically at times, in circumstances and on conditions set forth in policies adopted by Big O from time to time in its sole discretion. If a Local Fund has been established by a Local Group in Franchisee's marketing area, Big O may, in its discretion, direct that all or any part of that contribution be (i) paid to the Local Fund formed by the Local Group for the purpose of local Advertising and operated pursuant to such structure and guidelines as Big O may prescribe or approve or (ii) paid to Big O, which may include all or some of such payment in a Local Fund administered by it or may forward all or some of such payment to the Local Fund formed by the Local Group. From time to time, the Local Group may agree to increase

the amount Franchisee is required to spend for Advertising (by contributions to the Local Fund or otherwise), but, subject to the terms of certain documents already effective on this Agreement's Effective Date. The Local Group may not reduce this required expenditure below the four percent (4%) minimum, unless directed to do so by Big O, and such four percent (4%) may be subject to limitations and reductions as stated in **Section 15.03(b)**.

(b) Under Big O's current policies, for the Store subject to this Agreement:

(i) the Local Fund contribution rate on sales to National Account Customers and Key Account Customers approved by Big O and/or on sales of Farm Class Tires may be set as low as 2%.

(ii) starting on the first January 1 after the date of the Agreement (or starting on such other date as approved by Big O), advertising contributions to its Local Fund are capped for each calendar year at 4% (or such lower amount equal to the required Local Fund contribution then in effect) of the greater of 2.7 million dollars or twice an approximation of the system-wide average Store sales for each prior 12 month period ending October 31 of each year. For example, if the System-wide average Store sales for a given year are $1,500,000, and the then effective Local Fund minimum contribution percentage is 4%, the maximum contribution per Store would be $120,000 (2 X $1,500,000 = $3,000,000; X 4% = $120,000). The approximation of the system-wide average Store sales for each 12 month period will be calculated in accordance with policies periodically established by Big O in its discretion and will be communicated by Big O no later than December 31 of that year. The cap on advertising contributions referred to herein may be reduced periodically at times, in circumstances and on conditions set forth in policies adopted by Big O from time to time in its sole discretion.

(iii) As of the date of this Agreement, the minimum amount has temporarily been reduced to 3.6% of Gross Sales to partially offset the increases to the NMP Percentage Fee based on certain marketing programs which may be changed or terminated in the future in Big O's discretion after consultation with the FAC.

(c) Some Local Groups may offer other services such as insurance, information technology, and accounting services, and may charge additional amounts for these services.

(d) Franchisee agrees to be bound by the decisions of Big O (or its designee) and its Local Group, if one has been established in Franchisee's marketing area, pertaining to local Advertising, provided such decisions have been approved by Big O and do not violate any applicable laws.

(e) Franchisee understands and acknowledges that the Local Fund to which it contributes will generally be used for Advertising in local areas or regions where Big O Stores are located, but Big O undertakes no obligation with regard to any Local Funds administered by it or by any Local Group to insure that all or any portion of the Local Funds are used in the local area or region of the Store location identified in the Summary Pages or to insure that any particular franchisee benefits directly or pro rata from the expenditures by the Local Fund. The Local Funds may be used to meet any and all costs incident to the Advertising it supports; provided that, as to Local Funds administered by Big O, no part thereof shall be used by Big O to defray its general operating expenses other than (i) those reasonably allocable to such Advertising, or (ii) other activities reasonably related to the administration or direction of the Local Funds and related programs. No refund of contributions to the Local Fund shall be due Franchisee upon termination or nonrenewal of this Agreement. Any part of the Local Fund contributions not spent by Big O or a Local Group during its fiscal year, shall remain in the Local Fund. Any taxes imposed on the Local Fund shall

be paid from the Local Fund. Big O retains the discretion to take such action or refrain from taking action as it deems appropriate to enforce the obligation of Franchisee to contribute to a Local Fund as provided in this Agreement and to enforce or refrain from enforcing the obligation of other franchisee to contribute to Local Funds as provided in their franchise agreements with Big O, but Big O has no obligation to Franchisee to enforce payments or contributions (in whole or in part) by other franchisees.

15.04 Other Required Advertising. Franchisee will purchase and use other advertising or marketing materials as designated by Big O from time to time in the Manual.

15.05 Approval of Advertising. Franchisee or the Local Group shall submit (through the mail, return receipt requested or an e-mail address designated by Big O, from time to time) to Big O for its prior written approval, samples of all marketing materials and advertising to be used by Franchisee that have not been prepared or previously approved in all respects by Big O or its designated agents, such approval by Big O shall not be unreasonably withheld. Franchisee shall submit tear sheets, receipts, and other evidence of such Advertising in the manner prescribed by Big O. Franchisee will not be required to submit to Big O copies of any proposed Advertising which has been adopted for use by the Local Group and which was previously approved by Big O for use by the Local Group. Franchisee shall not set up, maintain or utilize an Internet website or home page to sell Products and Services nor cause or allow the Licensed Marks, or any of them, to be used or displayed, in whole or in part, as an Internet domain name or on or in connection with any Internet website or home page without Big O's express prior written consent (which Big O may grant or withhold in its sole discretion), and then only in such manner and in accordance with such procedures, standards and specifications as Big O establishes from time to time.

15.06 CRM Program. Franchisee must participate in a customer relationship management program ("CRM Program") under which Big O or its approved supplier will send a number of postcards and other communications such as e-mails and text messages each month to certain categories of customers, which number may vary based on factors including Store performance and sales or other criteria Big O or the supplier designate, and which may change from time to time. Although Big O will not directly charge Franchisee a fee for this service, this service will be paid for in part by the National Marketing Program and in part from contributions from Big O. The CRM Program may be modified or discontinued at any time in Big O's sole discretion.

Nothing contained herein shall be construed to limit or otherwise restrict Big O's ability to make additional increases or decreases to Franchisee's contribution requirements to the Local Fund or National Marketing Program provided such requirements are implemented in accordance with the requirements contained in the Franchise Agreement.

15.07 Digital Marketing Program. Big O currently has a digital marketing and search engine optimization/marketing program ("Digital Marketing Program"). Franchisee must participate in and comply with the terms of the Digital Marketing Program, unless Big O agrees otherwise. The cost of operation of the Digital Marketing Program may be paid by the National Marketing Program.

16. STATEMENTS AND RECORDS

16.01 Invoices. Every sale of Products and Services from the Franchisee's Store shall be accurately recorded on a consecutively numbered invoice or in such other format as Big O may reasonably approve. All invoices, whether voided or used, shall be accounted for by Franchisee.

16.02 Audit. Throughout the term of this Agreement and for two (2) years thereafter, Franchisee shall maintain for not less than three (3) years original, full, and complete records, accounts, books, data,

licenses, and contracts which shall accurately reflect all particulars relating to the Franchised Business and such other statistical and other information or records as Big O may require. Big O or its designated agent shall have the right to examine and audit such records, accounts, books, and data, or any other records, accounts, books, and data of Franchisee or any party affiliated with Franchisee, including but not limited to Franchisee's Operator, Manager, owners, guarantors, officers, directors, or other representatives, any immediate family members of Franchisee or of such affiliated parties, or any companies or entities associated with Franchisee or such affiliated parties, that Big O in its sole discretion determines may be relevant in determining the business results of Franchisee's Franchised Business; such as verifying that Franchisee has paid all fees owed to Big O based on Franchisee's revenues. Examinations and audits conducted at the Store Location may take place without prior notice, during normal business hours or at reasonable times. Big O may also require at any time the records from Franchisee or its affiliated parties to be sent to Big O's offices or another location to permit the inspection or audit of such records to be conducted at Big O's place of business or the other location. If Big O notifies Franchisee that documents are to be sent to a location other than the Store Location for the purpose of conducting an inspection or audit at that location, Franchisee shall provide the requested documents to Big O within the time period set forth in Big O's notice. Big O may require that such documents be transmitted to Big O electronically in a manner determined by Big O, in its sole discretion. Franchisee will be responsible for any expenses associated with collecting and delivering any documents requested by Big O for its inspection or audit. All documents provided for Big O's inspection or audit must be certified by Franchisee and the appropriate affiliated party, if applicable, as true, complete and correct. Big O may audit and inspect documents covering a period beginning with the date on which Franchisee first acquired its Franchised Business and ending on the date such audit is concluded. Inspections and audits may be conducted following the termination of this Agreement for any reason. If Franchisee has understated any amount due Big O or any Local Group or Local Fund, it shall tender payment of the amount due not later than ten (10) days following receipt of the auditor's report, plus interest calculated at a rate which is the lower of eighteen percent (18%) per annum or the highest rate permitted by law. This interest rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Agreement. In addition, if any such examination or audit discloses that Franchisee has understated its Store's Gross Sales by more than two percent (2%) or if Franchisee obstructs or otherwise fails to cooperate with Big O's examination or audit, Franchisee shall also be obliged to reimburse Big O for the cost and expense of such examination or audit. If Franchisee has overpaid Big O or such Local Group or Local Fund, such amount will be credited to Franchisee against monthly royalty fees or advertising or marketing contributions due to Big O, the Local Group or the Local Fund beginning with the month following receipt of the auditor's report and continuing until the credit is exhausted.

16.03 Monthly Reports. On or before each Due Date, Franchisee shall mail to Big O, together with its payments of royalty fees and advertising or marketing contributions, monthly reports on forms prescribed from time to time by Big O, stating the fees or contributions due to Big O on account of Gross Sales for the prior month, copies of all sales tax receipts or returns and such other information as Big O may require, all signed and certified as true and correct by Franchisee or Franchisee's Operator. Big O reserves the right to require such reporting and payments to be performed and submitted to Big O electronically. Big O may modify the Due Date applicable for any reports or fees upon notice to Franchisee.

16.04 Financial Statements. Franchisee shall deliver to Big O, no later than forty-five (45) days from the end of each of Franchisee's fiscal quarters, an unaudited profit and loss statement covering the Franchised Business for such quarter and a balance sheet of the Franchised Business as of the end of such quarter, all of which shall be certified by Franchisee as true and correct. All such statements shall be prepared in a format that has been prescribed or approved by Big O from time to time. If Franchisee breaches the foregoing requirements of this **Section 16.04**, Big O may, in its sole discretion, perform an operational audit of the Franchisee's Store for each period for which Franchisee failed to comply on a timely basis and failed to cure each breach after thirty (30) days' notice and Franchisee shall be obligated to

reimburse Big O for the cost and expenses of such audit. In addition, Franchisee, as well as any guarantor(s) of this Agreement, shall, within thirty (30) days after request from Big O, deliver to Big O a financial statement, certified as correct and current, in a form which is satisfactory to Big O and which fairly represents the total assets and liabilities of Franchisee and any such guarantor(s). Big O reserves the right, in its sole discretion, to require Franchisee to deliver, on a monthly basis, unaudited profit and loss statements covering the Franchised Business for each month, and a balance sheet of the Franchised Business as of the end of each month.

16.05 Financial Performance Data. Franchisee shall submit to Big O current financial statements and other reports as Big O may request to evaluate or compile research and performance data on any operational aspect of its Franchised Business. Big O may also pull this data from other reports and information provided by Franchisee hereunder. Franchisee authorizes Big O to utilize this information to prepare a financial performance representation, to release this information as necessary to substantiate any financial performance representation made by Big O, to share such information in summary form as Big O deems necessary or desirable to share with other franchisees at any annual convention or other franchise business meetings, or in any other manner and with any other parties that Big O deems appropriate without obtaining any further written consent of Franchisee. All financial information transmitted by Franchisee to Big O pursuant to this Agreement shall be owned by Big O, with no duty on the part of Big O to account to Franchisee with respect to the use and exploitation of the same. Big O will not identify Franchisee as the source of the data, except (i) if Franchisee's Big O Store is being sold, in which case Big O may disclose the data to a prospective purchaser of the Store with Franchisee's identification disclosed or if required to enforce any provision of this Agreement, or (ii) Big O may disclose any such information and identify Franchisee to potential purchasers (and their employees, agents and representatives) of Big O or its parents, subsidiaries, affiliates in connection with the sale or transfer of any of Big O or its parents, subsidiaries, or affiliates' equity interests or assets or any merger, reorganization or similar restructuring of the Big O business.

16.06 Management Systems. Franchisee will implement, maintain and use any Management Systems required by Big O. If Franchisee is required to or does implement a Management System:

(a) Franchisee will replace the Management Systems and replace and/or upgrade hardware and other equipment and software of its Management Systems from time to time if required by Big O and/or in accordance with specifications promulgated by hardware and software licensors from time to time. Replacement equipment must be purchased only from Big O or a supplier approved by Big O.

(b) Franchisee will comply with all policies concerning the Management Systems established by Big O from time to time in its sole discretion, including but not limited to arranging for off-site backup of all data at Franchisee's sole cost and expense.

Notwithstanding the foregoing, if Big O requires implementation of any new Management System more frequently than once in two (2) years, Big O will be responsible for paying the costs of updating the software, software installation, and conducting any training we agree to provide for the new Management System. In that case, Franchisee shall remain solely responsible for all other costs related to the new Management System, including but not limited to the costs of the hardware and all transportation, lodging, and living expenses and wages for Franchisee's representatives to attend the training for the Management System.

16.07 Retail Accounting Center. Franchisee may be required, in Big O's sole discretion, to use a Retail Accounting Center operated by Big O or an independent third party or operating within the Franchisee's Local Group, as Big O may designate in its discretion for the generation of financial statements

and/or for providing accounting, payroll and/or related services. If the Franchisee utilizes the services of a Retail Accounting Center, Franchisee will be required to provide sufficient financial information to a Retail Accounting Center to enable that center to prepare on an accurate and timely basis the financial statements that the Franchisee is required to deliver to Big O. Franchisee authorizes the Retail Accounting Centers to deliver such financial statements directly to Big O. Franchisee shall be responsible for and pay on a timely basis the fees charged by the Retail Accounting Centers.

16.08 Collection of Information from Third Parties. Franchisee authorizes Big O to collect information regarding the Big O Store operations and activities from any third party supplier or any other third party for any purpose of Big O, including but not limited to determining Franchisee's compliance with this Agreement and the Manual, collecting financial performance or expenditure information relevant to the franchise system, or monitoring supplier performance. Franchisee agrees that any such supplier or third party may accept this provision as authorization by Franchisee for Big O to access such information.

17. COVENANTS

17.01 Noncompetition During Term. Except for any businesses already operating and identified on the Summary Pages, during the term of this Agreement, Franchisee its Owners, officers, directors, and any guarantor(s) hereof covenant, individually, not to engage in or open any business, at any location, other than as a Franchisee of the Big O System, or as a franchisee of any affiliate or parent of Big O, or their subsidiaries, which offers or sells tires, wheels, automotive services, or other products or services which compete with Big O Products and Services. The purpose of this covenant is to encourage Franchisee and any guarantor(s) hereof to use their best efforts to promote the Big O System, its Products and Services, to protect its Information and trade secrets, and to generate a successful business at the Store.

17.02 Confidentiality. During the term of this Agreement and thereafter, Franchisee covenants not to communicate either directly or indirectly, divulge or provide access to or use for its benefit or the benefit of any other person or legal entity (including non-Big O stores and their employees and owners that are owned or operated, in whole or in part, by Franchisee pursuant to a franchise agreement or similar agreement with any affiliate or parent of Big O), any trade secrets which are proprietary to Big O or any Information, knowledge, or know-how deemed confidential under **Section 13** hereof, except as expressly authorized by Big O. The protection granted hereunder shall be in addition to and not in lieu of all other protections for such trade secrets and confidential Information as may otherwise be afforded in law or in equity.

17.03 No Interference with Business. Franchisee agrees that during the term of this Agreement that it shall not divert or attempt to divert any business of or any actual customers of the Big O System to any competitive business, by direct or indirect inducement or otherwise.

17.04 Post Termination Covenant Not to Compete. If Franchisee terminates this Agreement other than in a manner prescribed by **Section 19.04**, if this Agreement is terminated pursuant to **Section 18.05(d)**, or if this Agreement is terminated for "good cause" as defined in **Section 19.01**, Franchisee, its Owners, officers, directors, and guarantors covenant that they shall not directly or indirectly, for a period of two (2) years after the Termination Date of this Agreement, engage in any business, other than as a Franchisee of the Big O System, or as a franchisee of any affiliate or parent of Big O, or their subsidiaries, which offers or sells tires, wheels, automotive services, or other products or services which compete with Big O Products and Services within a ten (10) mile radius of the Premises or within a ten (10) mile radius of any other Big O Store which was operational or under construction on the Termination Date. If a former Franchisee or guarantor commits a breach of this **Section 17.04**, the two year period shall start on the date that the former Franchisee or guarantor is enjoined from competing or stops competing, whichever is later.

17.05 Survivability of Covenants. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this **Section 17** is held unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Big O is a party, Franchisee expressly agrees to be bound by any lesser covenant imposing the maximum duty permitted by law that is subsumed within the terms of the covenant, as if the resulting covenant were separately stated in and made a part of this **Section 17**. Franchisee further expressly agrees that the existence of any claim it may have against Big O, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Big O of the covenants in this **Section 17**. The covenants in this **Section 17** shall survive the Termination Date or Expiration Date of this Agreement.

17.06 Modification of Covenants. Franchisee understands and acknowledges that Big O shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this **Section 17** or any portion hereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof; and Franchisee agrees that it shall comply immediately with any covenant as so modified.

17.07 Anti-Terrorism Laws. Franchisee and each Owner represents, warrants and covenants that, at all times during the term of this Agreement, neither Franchisee, the Operator nor any executive officer of Franchisee will violate any law prohibiting money laundering or the aid or support of anyone who conspires to commit acts of terror against any person, entity or government, including acts prohibited by the U.S. Patriot Act or U.S. Executive Order 13224. Franchisee shall immediately notify Big O in writing of any event or circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

17.08 Tire Industry Association. Franchisee hereby authorizes Big O (or any officer of Big O designated by Big O) to vote (by means of a vote, consent or otherwise) at all meetings of the Tire Industry Association and in regard to all resolutions and other matters of the Tire Industry Association voted on or to be voted on by members of the Tire Industry Association.

18. TRANSFER AND ASSIGNMENT

18.01 Assignment by Big O. This Agreement and all rights and duties hereunder may be freely assigned or transferred by Big O and shall be binding upon and inure to the benefit of Big O's successors and assigns.

18.02 Right of First Refusal. Because Big O or someone known to Big O may be interested in purchasing Franchisee's Franchised Business, the Premises, or an interest in either, if Franchisee decides to make a Transfer, Franchisee agrees to offer in writing to make the Transfer to Big O, and describe the terms under which Franchisee offers to make such a Transfer and provide a copy of the actual offer or letter of intent that contains such terms to Big O. If Big O has not offered to purchase what the Franchisee has offered to Transfer to Big O within thirty (30) days after Big O receives the notice from Franchisee, Franchisee may then offer to make the Transfer to third parties on the same or not more favorable terms and conditions as were offered to Big O. If Franchisee does not consummate, in accordance with the terms offered to Big O, the Transfer within six (6) months after Franchisee gives notice of the Transfer to Big O, Franchisee shall not make the Transfer without again first offering to make the Transfer to Big O. In the event that the offer to purchase the Franchised Business hereunder, Premises hereunder, or an interest in either, also includes the purchase of one or more other businesses, properties, or assets, the right of first refusal in this paragraph shall apply with respect to the Franchised Business and/or Premises hereunder, but the value attributable to the Franchised Business and/or Premises hereunder for the purposes of this right of first refusal shall be agreed upon by the parties in good faith based on the respective fair market values of the various properties and assets involved and the total price or consideration being offered for all of the properties and assets. If the parties cannot agree on such fair market values, the dispute shall be submitted

to arbitration with the American Arbitration Association ("AAA") in the AAA office nearest the Premises before a single arbitrator.

18.03 Transfer Legend. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Big O has granted the Franchise in reliance on Franchisee's personal background, business skills, experience, and financial capacity. It is important to Big O that Franchisee be known to Big O and always meet Big O's standards and requirements. Accordingly, neither Franchisee nor any Owner shall be permitted or have the power, without the prior written consent of Big O, to make any Transfer. To assure compliance by Franchisee with the transfer restrictions contained in this **Section 18**, all share or stock certificates of Franchisee, or other evidence of ownership in a Franchisee which is an Entity, shall at all times contain a legend sufficient under applicable law to constitute notice of the restrictions on such stock, or other said evidence of ownership, contained in this Agreement and to allow such restrictions to be enforceable. Such legend shall appear in substantially the following form:

> The sale, transfer, pledge, or hypothecation of this [stock] is restricted pursuant to the terms of Section 18 of a Franchise Agreement dated between Big O Tires, LLC, and the issuer of these [shares].

Any Transfer that does not comply with the terms of this **Section 18** shall be null and void.

18.04 Pre-Conditions to Franchisee's Assignment. If Franchisee or any Owner desires to make a Transfer, such person or Entity must comply with the following terms, conditions, and procedures to effectuate a valid Transfer:

(a) If any proposed assignment of any rights under this Agreement, or if any other Transfer would in the reasonable opinion of Big O result in a Change of Control:

(i) The transferee must apply for a Big O franchise and must meet all of Big O's then current standards and requirements for becoming a Big O franchisee, which standards and requirements need not be written and which standards may vary with the circumstances (such as past or anticipated sales volume or real estate value of a particular Store).

(ii) The transferee or Franchisee shall, at Big O's election, execute the then current form of Franchise Agreement generally being offered to franchisees in the State in which the Big O Store is located. Such agreement shall generally provide for a new term equal to the term of the standard Big O franchise agreement then being offered, and may include, among other matters, a different fee structure, increased fees, different terms and conditions, a modified Trade Area and different purchase requirements;

(iii) The transferee, Franchisee, and Big O shall execute an Agreement and Consent to Assignment of Big O Tires Store in the form then in use by Big O;

(iv) Notwithstanding the foregoing, Big O or its assignee may, within thirty (30) days after receipt of notice as provided in **Section 18.04(b)(i)**, below, elect the Option to purchase the interest being offered by Franchisee or any Owner at the same terms, conditions and fees set forth in such notice; and

(v) The transferee or Franchisee shall, at Big O's election, have obtained prior to the Transfer a surety bond or letter of credit in an amount specified by Big O or a Local Group designated by Big O from time to time for each Big O Store of Franchisee issued by a

surety company or bank reasonably acceptable to Big O in favor of Big O or, at Big O's election, to the Local Group, which surety bond or letter of credit may not be revoked, terminated or modified until two years (or such other time period as designated by Big O from time to time) after the date of the Transfer. Such bond or letter of credit shall be payable to the order of Big O or the Local Group, as the case may be, for any nonpayment by the transferee or Franchisee of contributions due to the National Marketing Program or the Local Fund pursuant to the Franchise Agreement to which the transferee or Franchisee is a party; or

(b) Regardless of the degree of control which would be affected by a proposed Transfer:

(i) Franchisee shall first notify Big O in writing of any bona fide proposed Transfer and set forth a complete description of all terms, conditions and fees of the proposed Transfer in the manner prescribed by Big O, including the name, address, financial qualifications, and previous five (5) years business experience of the prospective transferee and its owners, officers, directors, partners, members and management, in the case of an Entity;

(ii) If Big O or its assignee fails to exercise the Option to purchase the interest as provided in **Section 18.04(a)(iv)** or if the Option right is not available to Big O due to a transfer of less than fifty percent (50%) of Franchisee's ownership, Franchisee shall be required to obtain Big O's approval of the proposed Transfer and the proposed transferee. Big O shall, within thirty (30) days after receipt of the notice as provided in **Section 18.04(b)(i)**, above, notify Franchisee in writing of its approval or disapproval of the prospective Transfer and transferee. Big O's approval will be granted only if the prospective transferee, its Owners, and/or Operator: (a) meets Big O's then current standards for new franchisees, which standards need not be in writing and which standards may vary with the circumstances (such as past or anticipated sales volume or real estate value of a particular Store); (b) demonstrates to Big O's satisfaction that it or its Operator meets Big O's managerial, business, and technical standards; (c) possesses a good moral character, business reputation, and satisfactory credit rating; and (d) has the aptitude, ability, and financial capacity to operate the Franchised Business (as may be evidenced by prior related business experience or otherwise). Big O also reserves the right to disapprove a Transfer or a particular transferee where such Transfer or transferee would result in Big O having any material increased risk, burden, chance of not obtaining performance of all the provisions of this Agreement or chance of not obtaining financial performance as good as that achieved by the Franchised Business prior to the prospective Transfer. Big O also reserves the right to disallow a transfer of the Premises (without a transfer of the Franchised Business) to a person who would operate a business from the Premises which sells or offers for sale products or services which are the same as or similar to those offered for sale through the Franchised Business. Big O also reserves the right to seek to negotiate a general release of Big O as part of its approval of the proposed Transfer;

(iii) If Big O approves the proposed transferee, Franchisee or the Owner may transfer the interest to the proposed transferee at a price and under terms and conditions which are not more favorable to the transferee than the terms offered to Big O. Big O's approval is conditioned upon the proposed transferee or its Operator having completed (to the satisfaction of Big O) the training program then currently required of Big O franchisees or Operators, and, in some circumstances (such as high past sales volume) additional training as required by Big O from time to time;

(iv) Prior to the consummation of any such Transfer, Franchisee shall pay all amounts due to Big O and cure all other breaches of this Agreement and any other agreement or loan document it may have with Big O;

(v) Big O will, as a condition of any Transfer involving an assignment of this Agreement or a Change in Control, require Franchisee or transferee to pay a transfer fee (but no initial franchise fee). The transfer fee will be as set by Big O from time to time (and is currently $5,000). Franchisee acknowledges that such a transfer fee is appropriate as necessary to reimburse Big O for any expenses which may be incurred in its review, analysis, and preparation of any documentation relating to the Transfer, including legal and accounting fees, and additional assistance as may be requested by the Franchisee related to the Franchisee's resale of the Store but is not determined by the actual amount of such expenses and costs. In addition, if the transferee requires training, Franchisee or the transferee will also be charged a training fee of up to five thousand five hundred dollars ($5,500) for one person plus, in Big O's discretion, a reasonable additional training fee if additional training is required as described in **Section 18.04(b)(iii)**, plus additional training fees shall apply for additional trainees. The transferee shall be responsible for all transportation, lodging and living expenses (other than lodging expenses for the first trainee) incurred by the transferee's trainees while attending the training. Big O shall be the sole arbiter of whether a Change in Control occurred as a result of a single Transfer or a group of Transfers. For any Transfer not involving an assignment of this Agreement or a Change of Control, Big O will, as a condition of any such Transfer, require the Franchisee or the transferee to pay a transfer fee (but no initial franchise fee) equal to Big O's expenses that it incurs in its review, analysis and preparation of any documentation relating to the Transfer, including legal and accounting fees and additional assistance as may be requested by the Franchisee related to the resale of the Store, but not more than one thousand five hundred dollars ($1,500). Big O shall be the sole arbiter of whether a Change in Control will occur as a result of a single Transfer or a group of Transfers;

(vi) Big O may require the transferor and its Owners and guarantors to guarantee the obligations of Transferee under this Agreement or under any new Franchise Agreement entered into between transferee and Big O;

(vii) Prior to approving a Transfer involving a Change in Control, Big O may inspect Franchisee's Store and as a result of such inspection, Big O may prepare a "Punch List" setting forth the necessary repairs, maintenance, or other upgrading of the Store which will become a condition of Big O's approval of the Transfer;

(viii) If the Franchisee, based on an applicable incentive program offered by Big O, paid less than the standard initial franchise fee (that is, the initial franchise fee charged by Big O for new franchises when the Franchisee executed this Agreement) when it acquired its interest in the Franchise, and the Franchisee within two (2) years of the Effective Date of this Agreement makes a Transfer of its interests that, if made prior to the date of this Agreement, would have disqualified it from the program allowing such lower initial franchise fee in regard to the Franchise that is the subject of this Agreement, the Franchisee must pay Big O as a condition of such Transfer the difference between the initial franchise fee paid by Franchisee and seventeen thousand five hundred dollars ($17,500.00), which is the standard initial franchisee fee charged by Big O for new franchises when Franchisee executed this Agreement; provided, however, that to the extent that the Franchisee received the lower initial franchise fee pursuant to a Converter Rider with special provisions governing payment of the balance of lower initial franchise fees on a Transfer or change in

certain ownership criteria, those special provisions will govern in lieu of this **Section 18.04(b)(viii)**; and

(ix) Franchisee shall comply with all other applicable transfer requirements as designated in the Manual or otherwise in writing.

18.05 Death of Franchisee. Notwithstanding any other provision in this **Section 18**, if a Survivor desires to acquire or retain the interest of a decedent of a Franchisee or in a Franchisee and continues to operate the Franchised Business pursuant to the System, the Survivor may do so under the terms of this Agreement subject only to:

(a) The Survivor's execution and delivery to Big O of a written agreement to be bound:

(i) By the terms of this Agreement; and

(ii) By the terms of any guaranty of this Agreement;

(b) Satisfactory completion of training by the Survivor, Survivor's Operator, or Manager within the time periods prescribed by Big O; and

(c) The Survivor's payment of all training fees, travel, lodging, food, and similar expenses incurred by it or its Operator or managerial personnel in attending the training prescribed by **Section 11.02**. If the Survivor does not desire to acquire or retain such interest, then the Survivor shall have a reasonable period of time, but no more than six (6) months, to make a Transfer to a transferee acceptable to Big O subject to compliance with the procedures set forth in this **Section 18**, provided, the Survivor throughout such period fulfills all duties of Franchisee under this Agreement.

(d) If the Survivor is a surviving spouse of a decedent who was the Franchisee or owned fifty (50) percent or more of the Equity in the Franchisee Entity, and such surviving spouse inherits the Franchise or fifty (50) percent or more of the Equity in the Franchisee Entity from the decedent, this Agreement may be terminated upon one-hundred eighty (180) days' notice by such spouse providing written notice to Big O within twelve (12) months after the death of the decedent. During the one-hundred eighty (180) notice period, the surviving spouse must make a good faith attempt to sell the Big O Store as part of a Transfer under the terms of this Agreement. This option to terminate this Agreement may not be exercised during the term of a lease or sublease between the Franchisee Entity and Big O an affiliate of Big O, and shall not affect or limit Big O's rights under Section 18.02 herein or any Option and Shop Lease or Lease Rider and Modification.

18.06 No Waiver. Big O's consent to a Transfer hereunder shall not constitute a waiver of any claims Big O may have against Franchisee or the transferring party or Big O's right to demand exact compliance with any provision of this Agreement.

18.07 Excepted Transfers. The provisions of **Sections 18.02 and 18.04(b)(ii)** shall not apply to: (a) any Transfer to a spouse, parent, child, or sibling of Franchisee or any Owner; (b) a Transfer to a spouse, parent, child, or sibling of Franchisee or any Owner which, in the aggregate, amounts to a Transfer of less than a controlling interest in Franchisee, the Franchised Business, or the Premises; or (c) any Transfer to a Manager or Operator of the Franchised Business pursuant to an equity acquisition program or agreement of Franchisee approved by Big O prior to such Transfer.

19. DEFAULT AND TERMINATION

19.01 Termination by Big O. Big O may terminate this Agreement for good cause, without prejudice to the enforcement of any legal or equitable right or remedy, immediately upon giving written notice of such termination and the reason or cause for the termination, and, except as hereinafter provided, without providing Franchisee an opportunity to cure the default. Without in any way limiting the generality of the meaning of the term "good cause," the following occurrences shall constitute sufficient basis for Big O to terminate the Agreement:

(a) If Franchisee fails to pay any financial obligation pursuant to this Agreement including, but not limited to, payments to Big O or any other supplier for Products and Services, and fails to cure such failure to pay within five (5) days after Big O gives Franchisee a written notice of default;

(b) If Franchisee fails to perform or breaches any covenant, obligation, term, condition, warranty, or certification herein and fails to cure such non-compliance within thirty (30) days after Big O gives Franchisee written notice of default;

(c) If Franchisee fails to open the Store and commence business within eighteen (18) months of the Effective Date of this Agreement, or if Franchisee fails to commence business on such other Commencement Date as the parties hereto may have agreed. Notwithstanding the foregoing, Big O will agree to extend the time period to commence business so long as the Franchisee can demonstrate to Big O's reasonable satisfaction that the need to extend the time period is a result of factors beyond the Franchisee's reasonable control;

(d) If Franchisee makes, or has made, any materially false statement or report to Big O in connection with this Agreement or the application therefor;

(e) If Franchisee operates the Franchised Business or uses the Licensed Marks in a manner contrary to or inconsistent with this Agreement or Big O's policies, standards or specifications as stated in the Manual or elsewhere, and Franchisee fails to cure such deficiency within thirty (30) days after Big O gives a written notice of default;

(f) If Franchisee, an Owner, guarantor, or transferee violates any transfer or assignment provision contained in **Section 18** of this Agreement;

(g) If Franchisee receives from Big O more than three (3) valid notices of default of this Agreement in the same twelve (12) month period, regardless of whether previous defaults have been cured;

(h) If Franchisee fails to operate or keep the Franchised Business open for more than five (5) consecutive business days other than with Big O's express written approval or due to an event beyond the Franchisee's reasonable control (e.g.: damage or destruction, flooding, civil disturbance), or if Franchisee ceases to operate all or any part of the Franchised Business conducted under this Agreement or if Franchisee loses possession of the Store or Premises due to a lease termination or otherwise, or defaults under any loan, lending agreement, mortgage, deed of trust or lease with any party covering the Premises, and such party treats such act or omission as a default, and Franchisee fails to cure such default to the satisfaction of such party within any applicable cure period granted Franchisee by such party and such default with a third party has or would likely have an adverse impact to the Franchisee or the Big O System generally;

(i) If Franchisee or any person owning an interest in Franchisee is convicted of any felony or crime of moral turpitude regardless of the nature thereof, or any other crime or offense relating to the operation of the Franchised Business, or if Franchisee engages in any conduct which reflects materially and unfavorably upon the operation of the Franchised Business or the Big O System generally (to include, without limitation, Big O's receiving credible evidence, to Big O's satisfaction, that Franchisee, its owners, or any other management level employee of Franchisee, has sexually harassed or intimidated any individual, or has intentionally engaged in any racial, ethnic, religious, sexual or other offensive discrimination against any individual or group);

(j) If Franchisee becomes insolvent or makes a general assignment for the benefit of creditors, or if a petition in bankruptcy is filed by Franchisee, or such a petition is filed against and consented to by Franchisee, or if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee, or if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, other than as described in **Section 18.05**, is appointed;

(k) If Franchisee, any Affiliate of Franchisee or any guarantor(s) hereof defaults in any other agreement or loan document with Big O or any affiliate or parent of Big O, or their subsidiaries, or if Franchisee, or any Affiliate of Franchisee, defaults under the terms of any lease or sublease of the Premises or if Franchisee fails to comply with the requirements of any Local Group operating pursuant to standards prescribed or approved by Big O including, but not limited to, any requirement to pay dues or make advertising or marketing contributions, and such default is not cured in accordance with the terms of such other agreement, loan document, or lease, or the by-laws of the Local Group;

(l) If Franchisee fails, for a period of ten (10) days after notification of non-compliance, to comply with any law or regulation applicable to the operation of the Franchised Business;

(m) If Franchisee sells, offers for sale, or gives away at the Premises any products or services which have not been previously approved by Big O in writing, or which have been subsequently disapproved;

(n) If Franchisee shall have understated its Gross Sales to Big O on two (2) or more occasions, or by five percent (5%) or more on any one occasion;

(o) If a court of competent jurisdiction or an arbitration tribunal in a final and unappealed judgment determines that any significant amount of the payments or compensation which Franchisee has agreed to pay Big O pursuant to the terms hereof is unlawful, or that all or a significant part of Franchisee's payment obligations hereunder are void or voidable by Franchisee; or

(p) If Big O receives an excessive number (as determined by Big O in its sole discretion) of complaints from Franchisee's customers or Franchisee operates its Franchised Business in a manner that reflects negatively on Big O or the Big O System.

(q) Franchisee refuses after Big O reasonably requests in writing that Franchisee comply with an Audit of the Store pursuant to Section 16.02.

(r) Franchisee does not select and obtain Big O's approval of Premises for the Store within twelve (12) months of the Effective Date.

(s) If Franchisee or any of its Owners, officers, directors, and any guarantor(s) violate the covenant not to compete or any other restrictive covenant in Article 17 of this Agreement.

(t) If Franchisee or any of its affiliated companies, or any of their officers, directors, owners, or guarantors, files or otherwise commences litigation, arbitration, or any other legal action against Big O or any of its affiliated parties that is not in compliance with the dispute resolution terms agreed upon in **Article 29** as may be modified by any applicable state rider, and fails to dismiss such action within seven (7) days after notification from Big O.

19.02 Acceleration Upon Default. If the Franchisee is in default and has failed to cure such default in a manner prescribed by the Franchise Agreement, in addition to the rights Big O has to terminate the agreement, the Franchisee agrees to pay to Big O, among the many remedies available to Big O, lost royalties estimated to have been earned by Big O based on Franchisee's Big O Store through the expiration date of the Franchise Agreement had this Agreement not been terminated. Such estimate shall be based upon the historical performance of Franchisee's Big O Store prior to termination. To calculate this sum, Franchisee shall pay the average combined monthly Royalty Fee and National Marketing Fee from the preceding three (3) years (or the period of time after the Store had been operating after the Commencement Date, if shorter), multiplied by twelve (12) months. This amount shall be multiplied by the remaining years of the Agreement and then discounted to the present value using an interest rate of eight percent (8%). This interest rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Agreement.

19.03 Governing State Law. If a different notice or cure period or good cause standard is prescribed by applicable law, it shall apply to a termination of this Agreement.

19.04 Termination by Franchisee. Franchisee may only terminate this Agreement if Big O has committed a material breach of any of Big O's obligations under this Agreement and has failed to cure such breach within thirty (30) days after Franchisee has given written notice to Big O of such breach.

19.05 Force Majeure. Notwithstanding anything contained in this Agreement to the contrary, neither party shall be in default hereunder by reason of its delay in performance of, or failure to perform, any of its obligations hereunder, if such delay or failure is caused by:

(a) strikes or other labor disturbance;

(b) acts of God, or the public enemy, riots or other civil disturbances, fire, or flood;

(c) interference by civil or military authorities;

(d) compliance with governmental laws, rules, or regulations that were not in effect and could not be reasonably anticipated as of the date of this Agreement;

(e) delays in transportation, failure of delivery by suppliers, or inability to secure necessary governmental priorities for materials; or

(f) any other fault beyond its control or without its fault or negligence. In any such event, the time required for performance of such obligation shall be the duration of the unavoidable delay.

In the event of a force majeure event as described above that occurs, continues for a period of 15 consecutive months or longer, and prevents either party from performing its obligations hereunder, Big O will have the right, at its option, to terminate this Agreement effective upon written notice to Franchisee. However, Big

O in its discretion may refrain from terminating this Agreement in the event that Franchisee is using its best efforts to re-open its Store following a force majeure event that causes a closure.

19.06 Cross Default and Cross Termination Provisions.

(a) A default by Franchisee under this Agreement will be deemed a default of all agreements between Franchisee, an Owner of Franchisee, and/or any Affiliate of Franchisee, on the one hand, and Big O and/or any Affiliate of Big O, on the other hand (the "Other Agreements"). A default by Franchisee under any of the Other Agreements will be deemed a default under this Agreement. A default by any guarantor(s) of this Agreement or of any of the Other Agreements will be deemed a default of this Agreement.

(b) If this Agreement is terminated as a result of a default by Franchisee, Big O may, at its option, elect to terminate any or all of the Other Agreements. If any of the Other Agreements is terminated as a result of a default by Franchisee, any Owner or any Affiliate of Franchisee, Big O may, at its option, elect to terminate this Agreement. It is agreed that an incurable or uncured default under this Agreement or any of the Other Agreements will be grounds for termination of this Agreement and/or any and all of the Other Agreements without additional notice or opportunity to cure.

20. POST TERMINATION OBLIGATIONS

20.01 Post-Termination Obligations. Upon the Expiration or Termination of this Agreement by any means or for any reason, Franchisee shall immediately:

(a) Cease to be a Franchisee of Big O and cease to operate the former Franchised Business under the Big O System. Franchisee shall not thereafter, directly or indirectly, represent to the public that the former Franchised Business is or was operated or in any way connected with the Big O System or hold itself out as a present or former Franchisee of Big O;

(b) Pay all sums owing to Big O. Upon termination for any default by Franchisee, such sums shall include damages, costs, and expenses incurred by Big O as a result of the default;

(c) (i) Return to Big O the Manual and any training modules or other proprietary information and supplements thereto and all trade secrets and confidential materials owned or licensed by Big O and all copies thereof other than Franchisee's copy of the Franchise Agreement, copies of any correspondence between the parties, and any other document which Franchisee reasonably needs for compliance with any applicable law; (ii) return or discontinue use of all forms, advertising matter, marks, devises, insignias, slogans, designs, signs, any computer systems including software and/or hardware; and (iii) discontinue the use of all copyrights, Licensed Marks, trade names and patents now or hereafter applied for or granted in connection with the operation of the Franchise;

(d) Provide to Big O, upon its request, a complete list of any outstanding obligations that Franchisee may have to any third parties including outstanding customer orders. Big O shall have the right, but not the obligation, to fill any such outstanding customer orders generated by Franchisee and in such event, Franchisee shall immediately reimburse Big O for any costs or expenses incurred by Big O in doing so. In addition, Big O shall have the right to cancel any orders placed by Franchisee for which delivery has not been made;

(e) Take such action as may be required by Big O to transfer and assign to Big O or its designee all telephone numbers, white and yellow page telephone references and advertisements, internet

addresses, social media accounts and websites, and all trade and similar name registrations and business licenses, and to cancel any interest which Franchisee may have in the same. Big O is hereby appointed as the Franchisee's attorney-in-fact for such purpose and such power, being coupled with an interest, shall be irrevocable;

(f) Cease to use in Advertising, or in any manner whatsoever, any methods, procedures, or techniques associated with the Big O System in which Big O has a proprietary right, title, or interest; cease to use the Licensed Marks, and any other marks and indicia of operation associated with the Big O System and remove or change all Trade Dress, Products and Services, and other indicia of operation under the Big O System from the Premises, at Franchisee's expense and in a manner satisfactory to Big O. Unless otherwise approved in writing by Big O, Franchisee shall return to Big O all copies of materials bearing the Licensed Marks;

(g) Cease issuing or accepting the Big O credit card made available to Franchisee by Big O through Bread Financial, or any other designated lender;

(h) Immediately make available to Big O all customer lists as such were developed while a Franchisee (provided that Big O's use of such lists will be subject to such applicable restrictions, if any, to which Big O has agreed in a separate written agreement with Franchisee);

(i) Strictly comply with all other provisions of this Agreement pertaining to post-termination obligations, including, without limitation, those contained in **Sections 13 and 17**;

(j) Cease performing any tire adjustments as of the Termination Date and refer such adjustments to other existing regional sales and distribution centers ("RDCs") or other Stores for processing. Franchisee shall receive no allowance for tire adjustments upon termination; and

(k) Continue to indemnify Big O in accordance with **Section 23.01** below.

20.02 Right to Repurchase. Big O shall have the right, but not the obligation, to purchase:

(a) Some or all of the Products and Services and supplies at the Store and the equipment, furnishings, fixtures, or signs at the Premises which bear the Licensed Marks for a mutually agreed upon price within thirty (30) days of the Termination Date or the Expiration Date.

(b) If Big O elects to exercise such a right, it may offset the purchase price against any other amounts owed by Franchisee to Big O pursuant to this or any agreement or loan document. Before exercising any such rights, Big O shall have the right to enter upon the Premises during reasonable hours to take an inventory of the Franchised Business.

20.03 Right of First Refusal. Upon receipt by Franchisee of an offer to purchase Franchisee's Products and Services, equipment, supplies, fixtures or signs at the Premises, Franchisee hereby grants Big O a right of first refusal to purchase any of such items by matching the bona fide monetary purchase price and payment schedule terms, less any brokerage commission without having to match any other non-monetary terms of the proposed purchase by Franchisee's buyer(s). Franchisee must give Big O written notice of any such bona fide offer. If within thirty (30) days after receipt of such notice, Big O has neither exercised its right of first refusal nor notified Franchisee of its rejection thereof, Franchisee may sell such items as were covered by the offer at the expiration of the thirty (30) day period.

20.04 De-Identification of Assets Upon Sale. If Big O determines not to exercise its option to repurchase any such items, Franchisee may continue to sell its remaining Products and Services, equipment,

supplies, and fixtures, but may not identify itself as a Big O Franchisee. Franchisee shall otherwise abide by the terms of this **Section 20**.

21. INSURANCE

21.01 Insurance Coverage. Franchisee shall, at its expense and no later than upon the Commencement Date (or the Effective Date, if later), procure and maintain in full force and effect throughout the term of this Agreement insurance that shall be in such coverages, limits and amounts as may from time to time be required by Big O in the Manual or otherwise and which shall designate Big O and Big O's Affiliates designated by Big O, and their directors, officers, employees, agents and other Big O designees as additional named insured(s).

21.02 Proof of Insurance. Prior to the Commencement Date (or the Effective Date, if later), Franchisee shall make timely delivery of a signed original certificate or certificates of all required insurance coverages to Big O, which shall contain the authorized agent's business name, address and phone number, together with a statement by the insurer that the policy will not be canceled or materially changed without at least sixty (60) days prior written notice to Big O that the alteration or cancellation is being made. All insurance coverages will be underwritten by a company acceptable to Big O, with a Best's Rating of no less than "A-" or a financial statement of the insurer approved by Big O. If Franchisee fails to purchase required insurance conforming to the standards prescribed by Big O, Big O may obtain such insurance for Franchisee, and Franchisee shall pay Big O the cost of such insurance plus a ten percent (10%) administrative surcharge. If Big O deems it appropriate, Franchisee shall, upon Big O's request, provide to Big O a true, complete certified copy of all, or a part of the Franchisee's insurance policies within 10 days of receiving such request. The Franchisee shall provide to Big O renewal certificates of insurance, or certified insurance binders, for all required coverages no fewer than 10 days before the indicated anniversary date(s) of such insurance coverages.

21.03 Survival of Indemnification. The procurement and maintenance of the prescribed insurance coverages set forth in the Manual shall not relieve Franchisee of any liability to Big O assumed under any indemnification requirement of this Agreement.

22. TAXES, PERMITS, AND INDEBTEDNESS

22.01 Payment of Taxes. Franchisee shall promptly pay when due any and all federal, state, and local taxes including without limitation, unemployment and sales taxes, levied or assessed with respect to any Products and Services distributed or sold pursuant to this Agreement and all accounts or other indebtedness of every kind incurred by Franchisee in the operation of the Franchised Business.

22.02 Compliance with Laws. Franchisee shall comply with all applicable federal, state, and local laws, rules and regulations, including, without limitation, environmental laws related to tire disposal. Big O has no obligation to advise Franchisee of any legislative or other legal developments that may affect its Franchised Business. Franchisee is solely responsible for inquiring about and becoming familiar with all applicable laws, rules and regulations, and determining those actions required for compliance. Franchisee shall obtain any and all permits, certificates, and licenses required for the full and proper conduct of the Franchised Business. Any information Big O provides to Franchisee regarding applicable laws, rules or regulations does not relieve Franchisee of its responsibility to consult with its own legal advisor and otherwise take appropriate action to inquire about and comply with applicable laws, rules and regulations.

22.03 Payment of Debts. Franchisee hereby expressly covenants and agrees to accept full and sole responsibility for any and all debts and obligations incurred in the operation of the Franchised Business.

23. INDEMNIFICATION, INDEPENDENT CONTRACTOR STATUS, DISCLAIMER OF CERTAIN WARRANTIES

23.01 Indemnification. Franchisee agrees to protect, defend, indemnify, and hold Big O and its Affiliates, their directors, officers, shareholders, employees and agents, jointly and severally, harmless from and against all claims, actions, proceedings, damages, costs, expenses and other losses (including death) and liabilities, consequently, directly or indirectly incurred (including, without limitation, attorneys', accountants' and other related fees) as a result of, arising out of, or connected with the operation of the Franchised Business, including, without limitation, the failure of Franchisee to comply with any relevant environmental and tire disposal laws or any labor or employment laws. This indemnity includes any claims arising from the acts or omissions of Franchisee or its employees or agents. Franchisee shall not, however, be liable for claims arising exclusively as a result of Big O's intentional or fraudulent acts or omissions or to the extent such acts are Big O's sole negligence. The covenants in this **Section 23.01** shall survive the Termination Date or Expiration Date of this Agreement.

23.02 Independent Contractor. In all dealings with third parties, including, without limitation, customers, employees, and suppliers, Franchisee shall disclose in an appropriate manner acceptable to Big O that it is an independent entity operating under a franchise granted by Big O. Franchisee shall submit all applications and enter into all contracts in its designated corporate name or such other fictitious names, which have been approved by Big O, but not in the name "Big O Tires" or in any other name which includes the name "Big O". Nothing in this Agreement is intended by the parties hereto to create a fiduciary relationship between them nor to constitute Franchisee or Franchisee's employees or contractors as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of Big O for any purpose whatsoever. It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, warranty, or representation or to create or imply any obligation on behalf of Big O. Neither this Agreement nor the course of conduct between Big O and Franchisee is intended, nor may anything in this Agreement or the course of conduct be construed, to state or imply that Big O is the employer of Franchisee's employees or agents, or vice versa. Notwithstanding any other provisions in this Agreement, Big O shall not be responsible for supervising the activities of Franchisee's Big O Store or ensuring that the Big O Store is operated in compliance with applicable laws. Franchisee shall, in all advertising and promotion, promotional materials, letterhead, and e-mails, identify itself as a "Big O Franchisee" or "Big O Licensee" or with such other words and in such other phrases to identify itself as an independent owner of the Big O Store, as may from time to time be prescribed by Big O.

23.03 Disclaimer of Certain Warranties. ANY MANAGEMENT SYSTEMS (INCLUDING ANY COMPONENT THEREOF), POINT OF SALE OR PURCHASE MATERIALS, MERCHANDISING DISPLAYS, AND ANY OTHER SALES EQUIPMENT AND MATERIALS PROVIDED BY BIG O ARE PROVIDED "AS IS", AND BIG O MAKES NO WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY SUCH ITEMS, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

24. WRITTEN APPROVALS, WAIVERS, AND AMENDMENT

24.01 Written Approval. Whenever this Agreement requires Big O's prior approval, Franchisee shall make a timely written request. Unless a different time period is specified in this Agreement, Big O shall respond with its approval or disapproval within fifteen (15) business days.

24.02 Waiver. No failure of Big O to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Big O's right to demand exact compliance with any of the terms herein. A waiver or approval by Big O of any particular

default by Franchisee or any other Big O franchisee or acceptance by Big O of any payments due hereunder shall not be considered a waiver or approval by Big O of any preceding or subsequent breach by Franchisee of any term, covenant, or condition of this Agreement. Big O shall not be deemed to have waived any of its rights under this Agreement, including any right to receive payment in full for any Product or Service provided, nor shall Franchisee be deemed to have been excused from performance of any of its obligations pursuant to this Agreement, unless such waiver or excuse is written and executed by an authorized representative of Big O and Franchisee.

24.03 Modification. No amendment, change, or variance from this Agreement shall be binding upon either Big O or Franchisee except by mutual written agreement. If an amendment of this Agreement is executed at Franchisee's request, any legal fees or costs of preparation of such amendment and any amendment of a franchise registration arising in connection therewith shall be paid by Franchisee.

25. FRANCHISE ADVISORY COUNCIL

25.01 Franchise Advisory Council. Big O has established a Franchise Advisory Council ("FAC"), consisting of franchisee representatives, which is designed to provide input to Big O's strategic business plan as may be presented from time to time by Big O and to present viewpoints to Big O's management on issues involving the franchise relationship. FAC members shall be chosen by Franchisees in accordance with policies established by Big O from time to time. Generally, FAC members will be elected by franchisees who are members of BOTDA. Franchisee elected BOTDA board members will elect one BOTDA board member per each region established by Big O from time to time, along with the BOTDA board chairman, to serve on the BEC. The appointed BEC franchisee members will constitute the FAC membership.

25.02 Special Interest Issues. Big O has granted the FAC the authority to participate with Big O's management in making policy decisions relating to issues in which the FAC is deemed to have a special interest. The issues of "Special Interest" include, but may not be limited to:

(a) advertising policies and the creation of a National Marketing Program;

(b) standards of operation; and the implementation of new programs which may require the addition of new equipment and fixtures for the store;

(c) selection of Products and Services offered at Big O Stores;

(d) changes in the Licensed Marks anticipated to require the majority of franchisees to expend more than five thousand dollars ($5,000.00) per Store; and

(e) input in establishment of warranties and guaranties.

25.03 Disapproval of Management Proposal. With respect to those issues in which the FAC has a Special Interest, the FAC may, after consulting with the members of BOTDA, vote to disapprove a proposal of Big O's management. If, pursuant to established procedures which have been approved by Big O, the FAC shall disapprove a proposal of Big O's management, the proposal may only become effective if, following a presentation to a committee of Big O's management established for the purposes of addressing the issues with the FAC representative, the Big O committee votes to adopt management's proposal.

25.04 Compliance with Modification. Franchisee agrees to comply with any and all modifications to Big O's standards of operation, procedures, or other requirements adopted pursuant to the procedures described in this **Section 25**.

26. RIGHT OF OFFSET

26.01 Right of Offset. Big O shall have the right at any time before or after termination of this Agreement, without notice to Franchisee, to offset any amounts or liabilities that may be owed by the Franchisee to Big O against any amounts or liabilities that may be owed by Big O to Franchisee under this Agreement or any other agreement, loan, transaction or relationship between the parties. Franchisee will not be allowed to set off amounts owed to Big O for royalty fees, National Marketing Program contributions, Noncompliance Service Charges, or other amounts due hereunder, against any monies owed to Franchisee, which right of set off is expressly waived by Franchisee. No endorsement or statement on any check or payment of any sum less than the full sum due to Big O shall be construed as an acknowledgment of payment in full or an accord and satisfaction, and Big O may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law.

27. ENFORCEMENT

27.01 Declaratory and Injunctive Relief. Big O or its designee shall be entitled to obtain without bond, declarations, temporary and permanent injunctions, and orders of specific performance:

(a) To enforce the provisions of this Agreement relating to: (i) Franchisee's use of the Licensed Marks; (ii) the obligations of Franchisee upon termination or expiration of this Agreement; (iii) the Non-Competition, Interference and Confidentiality covenants of Section 17 or (iv) the Transfer and Assignment requirements of **Section 18**; or

(b) to prohibit any act or omission by Franchisee or its employees that: (i) constitutes a violation of any applicable law or regulation; (ii) is dishonest or misleading to prospective or current customers or clients of businesses operated under the System; (iii) constitutes a danger to other Big O franchisees, their employees, customers, clients or the public; or (iv) may impair the goodwill associated with the Licensed Marks.

27.02 Costs of Enforcement. If Big O secures any declaration, injunction or order of specific performance pursuant to **Section 27.01** hereof, if any provision of this Agreement is enforced at any time by Big O or if any amounts due from Franchisee to Big O are, at any time, collected by or through an attorney at law or collection agency, Franchisee shall be liable to Big O for all costs and expenses of enforcement and collection including, but not limited to, court costs and reasonable attorneys' fees, including the fair market value of any time expended by legal counsel employed by Big O.

28. NOTICES

28.01 Notices. Any notice required to be given hereunder shall be in writing and shall be mailed by registered or certified mail or overnight courier. Notices to Franchisee or Big O shall be addressed to it at their address as listed on the Summary Pages or to such other addresses as that party may hereafter prescribe by notice given in accordance with this **Section 28.01**. Franchisee shall also simultaneously deliver a copy of each notice, which it delivers to Big O, to the Franchisee's designated regional representative, at the address designated by Big O in writing to Franchisee. Big O, at its option, may also provide notice to Franchisee hereunder via e-mail to any e-mail address provided by Big O to Franchisee

or its Big O Store (provided the sender has confirmation of successful transmission). Any notice complying with the provisions hereof shall be deemed to be given on the date of mailing.

29. ARBITRATION.

29.01 Mediation. Except for actions related to or based on the Marks or the copyrights of Big O or to enforce the provisions of **Article 20** of this Agreement, which Big O may bring in a court of competent jurisdiction, all controversies, disputes claims, causes of action and/or alleged breaches or failures to perform between Big O, its subsidiaries and affiliated companies or their shareholders, officers, directors, agents, employees and attorneys, in their representative capacity, and Franchisee, and its employees, officers, directors, owners, guarantors or agents, arising out of or related to: (1) this Agreement; (2) the relationship of the parties; (3) the validity of this Agreement; or (4) any aspect of the Franchised Business (collectively, "**Claims**") shall first be submitted by the parties to non-binding mediation before the AAA to be conducted at the offices of AAA in the nearest major metropolitan area to the party who is not demanding the mediation (e.g., West Palm Beach, Florida for Big O). The mediation will be held, and the parties agree to make themselves available for such mediation, within 45 days following submission of the request to the AAA for mediation. The cost of the mediator shall be split equally among the parties with each party bearing its own costs related to the mediation, including attorneys' fees. The parties agree to act in good faith attempt to resolve the Claim through mediation. Notwithstanding the language above, if the action is based on a separate agreement or instrument between Franchisee and Big O, such as a promissory note or lease, the dispute resolution procedure in that agreement or instrument will control rather than this **Section 29.01**; provided, that, at Big O's sole option, any claim of Big O against Franchisee based on a promissory note executed by Franchisee in favor of Big O may be brought in mediation in conjunction with a dispute between the parties that is subject to mediation under this Section, regardless of any provisions to the contrary contained in the promissory note. The mediation shall be conducted in English only, although Franchisee shall have the right, at Franchisee's option and sole expense, to have a translator present at the mediation. The expense of a translator shall not be considered a cost or expense related to an action pursuant to **Section 29.07(b)** of this Agreement. If the parties are unable to resolve a Claim through mediation, then **Section 29.02** shall apply.

29.02 Arbitration. Except for actions related to or based on the Marks or the copyrights in the Materials or to enforce the provisions of **Article 20** of this Agreement, which Big O, may bring in a court of competent jurisdiction, all Claims will be submitted for binding arbitration on demand of either party to either the Judicial Arbiter Group or the AAA, as selected by the party submitting the demand. Notwithstanding the language above, if the action is based on a separate agreement or instrument between Franchisee and Big O, such as a promissory note or lease, the dispute resolution procedure in that agreement or instrument will control rather than this **Section 29.02**; provided, that, at Big O's sole option, any claim of Big O against Franchisee based on a promissory note executed by Franchisee in favor of Big O may be brought in arbitration in conjunction with a dispute between the parties that is subject to arbitration under this Section, regardless of any provisions to the contrary contained in the promissory note. Arbitration proceedings will be conducted in Denver, Colorado and will be heard by one arbitrator in accordance with the then current rules of AAA that apply to commercial arbitration. The decision as to whether a claim is subject to mandatory arbitration shall be made by an arbitrator, not a court, except that the decision whether the arbitration may proceed as a class action shall be made by the court. The arbitration proceeding and all other hearings shall be conducted in English only, although Franchisee shall have the right, at Franchisee's option and sole expense, to have a translator present at the proceeding or other hearings. The expense of a translator shall not be considered a cost or expense related to an action pursuant to **Section 29.07(b)** of this Agreement. The parties further agree that, in connection with any such arbitration proceeding, each will file any compulsory counterclaim, as defined by Rule 13 of the Federal Rules of Civil Procedure, within 30 days after the date of the filing of the claim to which it relates. Any party to an arbitration proceeding may apply to the arbitrator for reasonable discovery from the other. In this Agreement "reasonable discovery"

means a party may submit no more than 10 interrogatories, including subparts, 25 requests for admission, 25 document requests, and three depositions per side of the dispute. The foregoing discovery rights and limitations shall control over any contradictory discovery rules of AAA, unless the parties agree otherwise.

29.03. Arbitration Award. Subject to **Section 29.07** below, the arbitrator will have the right to award or include in the award any relief available and appropriate under applicable law (as set forth in **Section 29.06**) and this Agreement. Any award shall be based on established law and shall not be made on broad principles of justice and equity. The award and decision of the arbitrator will be conclusive and binding upon all parties hereto and judgment upon the award may be entered in any court of competent jurisdiction. This provision will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

29.04. Limitations on Proceedings.

(a) Big O and Franchisee agree that arbitration will be conducted on an individual basis only. Neither party shall commence any arbitration with a third party against the other, or join with any third party in any arbitration involving Big O and Franchisee. Further, neither Big O nor Franchisee shall attempt to consolidate or otherwise combine in any manner an arbitration proceeding involving Big O and Franchisee with another arbitration of any kind, nor shall Big O or Franchisee attempt to certify a class or participate as a party in a class action against the other.

(b) The foregoing notwithstanding, in the event Franchisee controls, is controlled by or is in active concert with another franchisee, distributor, or area developer of Big O, or there is a guarantor of some or all of the Franchisee's obligations to Big O, then the joinder of those parties to any arbitration between Big O and Franchisee shall be permitted, and in all events, the joinder of an owner, director, officer, manager, partner or other representative or agent of Big O or Franchisee shall be permitted.

29.05. Injunctive Relief. Notwithstanding anything to the contrary contained in this Article, Big O and Franchisee will each have the right in a proper case to obtain temporary or preliminary injunctive relief from a court of competent jurisdiction. Each party agrees that the other party may have such temporary or preliminary injunctive relief, without bond, but upon due notice, and with the sole remedy in the event of the entry of such injunctive relief being the dissolution of such injunctive relief, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of such injunction being expressly waived by each party). Any such action will be brought as provided in **Section 29.06** below.

29.06. Governing Law/Consent to Jurisdiction/Waiver of Jury Trial. The United States Federal Arbitration Act shall govern all questions about the enforceability of **Sections 29.02** and **29.03** and the confirmation of any arbitration awards pursuant to such procedures, and no arbitration issues are to be resolved pursuant to any other statutes, regulations or common law. Otherwise, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other United States federal law, this Agreement shall be interpreted under the laws of the State of Colorado U.S.A. and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, and not the laws of conflict, of the State of Colorado U.S.A., which laws shall prevail in the event of any conflict of law. Notwithstanding the foregoing, the parties agree that the Colorado Consumer Protection Act (COLO. REV. STAT. ANN. Sections 6-1-101, et seq.) shall not apply to this Agreement or any disputes between the parties. Franchisee and Big O have agreed upon a forum in which to resolve any disputes that arise between them and have agreed to select a forum in order to promote stability in their relationship. Therefore, if a claim is asserted in any legal proceeding not subject to mandatory arbitration, as specified in **Section 29.02**, involving Franchisee, its employees, officers or directors (collectively, "**Franchisee Affiliates**") and Big O, its employees, officers or directors

(collectively, "**Big O Affiliates**"), both parties agree that the exclusive venue for disputes between them shall be in the state and federal courts of Denver, Colorado, and each waive any objection either may have to the personal jurisdiction of or venue in the state and federal courts of Colorado. Notwithstanding the foregoing, any legal proceeding by Big O or any Big O Affiliate not subject to mandatory arbitration may be brought in any court of competent jurisdiction in the country, state, province, or other geographic area in which Franchisee's Store is located or in which Franchisee or any Franchisee Affiliates reside or own assets. **IF A CLAIM MAY BE BROUGHT IN COURT, THEN BIG O, THE BIG O AFFILIATES, FRANCHISEE AND THE FRANCHISEE AFFILIATES EACH WAIVE THEIR RIGHTS TO A TRIAL BY JURY.**

29.07. Damages.

(a) No Punitive or Consequential Damages. Except as specifically permitted elsewhere in this Agreement, neither Big O or any of the Big O Affiliates, on the one side, nor Franchisee or any of the Franchisee Affiliates, on the other side, shall be liable to the other for punitive, exemplary, incidental, consequential, or special damages in any action between the parties, whether of the type subject to mandatory arbitration under **Section 29.02** or otherwise, and whether such action is brought in arbitration, litigation, or any other legal proceeding.

(b) Attorneys' Fees. The prevailing party in any action arising out of, or related to this Agreement (including an action to compel arbitration) is entitled to recover from the other party all costs and expenses related to the action, including reasonable attorneys' fees, and all costs of collecting monies owed. If both parties are awarded a judgment in any dollar amount, the court or arbitrator, as applicable, shall determine the prevailing party taking into consideration the merits of the claims asserted by each party, the amount of the judgment received by each party in relation to the remedies sought and the relative equities between the parties.

29.08 No Recourse Against Others. Franchisee agrees that its sole recourse for claims (whether in contract or in tort, law or in equity, or granted by statute) arising between the parties shall be granted against Big O or its successors and assigns. Franchisee agrees that the Owners, shareholders, directors, officers, employees, managers, members and agents of Big O and its affiliates (the "Nonparty Affiliates") shall not be personally liable nor named as a party in any action between Big O and Franchisee. To the maximum extent permitted by law, Franchisee waives any such claims against Nonparty Affiliates.

29.09. Service of Process. Big O and Franchisee irrevocably constitute and appoint the persons designated on paragraphs 10 and 11 of the Summary Pages, or their successors, to be their true and lawful agents, to receive service of any lawful process in any civil litigation or proceeding arising under this Agreement, and service upon such agent shall have the same force and validity as if personal service had been effected on the other party; provided that notice of service and a copy of any process served shall be sent by registered or certified mail, addressed to the other party at the address specified pursuant to **Section 28.01**.

30. SEVERABILITY AND CONSTRUCTION

30.01 Severability. Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement or the Manual and any applicable present or future statute, law, ordinance, or regulation contrary to law to which the parties have no legal right to contract, the latter shall prevail, but in such event, of the provisions of this Agreement or the Manual thus affected, those provisions shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. If any part, Article, Section, sentence or clause of this Agreement or the Manual shall be held to be indefinite, invalid or otherwise

unenforceable, including but not limited to any of the restrictive covenants contained in **Section 17** hereof, for any reason (including for purposes of the restrictive covenants, reasons that the areas of restriction exceed the reasonable maximum time period, geographic area or scope), then the parties hereby request and authorize the arbitrator or court to "blue pencil" such provision so as to make it enforceable and to best carry out the intent of the parties, or to deem such provision severed from this Agreement if it cannot be so modified. The holding, declaration or pronouncement shall not adversely affect any other provisions of this Agreement, which shall otherwise remain in full force and effect.

30.02 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but such counterparts together shall constitute one and the same instrument.

30.03 Construction. All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement. As used in this Agreement, the words "include", "includes" or "including" are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, approval or authorization of Big O which Franchisee may be required to obtain hereunder may be given or withheld by Big O in its sole discretion, and on any occasion where Big O is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets Big O's standards or satisfaction, Big O may do so in its sole judgment. Article and Section titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement. **Schedules 3, 4, 5, 6, 7 and 8** shall not be effective as part of this Agreement unless signed by the party or parties thereto.

31. ACKNOWLEDGEMENTS

(a) Big O acknowledges that Franchisee's principal interest in obtaining the Franchise granted herein is to obtain Big O Brand Tires and a competitive source of supply for Products and Services. Big O acknowledges its obligation to have products available to its franchisee's that enhance and support the Big O System, and further acknowledges its obligation to use reasonable commercial efforts to maintain a competitive source of supply for the benefit of its franchisees and to aid in the promotion of Big O Products and Services.

(b) Franchisee understands and acknowledges that the business licensed under this Agreement involves business risks and that Franchisee's volume, profit, income and success is dependent primarily upon Franchisee's ability as an independent business operator.

(c) Big O expressly disclaims the making of, and Franchisee acknowledges that it has not received from any representative of Big O, any warranty or guaranty, express or implied, as to the obligation of Big O to provide Franchisee with any specific or sufficient amount of Products and Services or as to the potential volume, profit, income or success of the Franchised Business.

(d) Franchisee acknowledges that Big O or its agent has provided Franchisee with a Franchise Disclosure Document not later than the earliest of fourteen (14) days before the execution of this Agreement, fourteen (14) days before any payment of any consideration connected to the purchase of this Franchise, or such earlier date as provided in the receipt to the Franchise Disclosure Document or as requested by Franchisee. Franchisee further acknowledges that Franchisee has read such Franchise Disclosure Document and understands its contents.

(e) Franchisee acknowledges that Big O has advised it to consult with its own attorneys, accountants, or other advisers, that Franchisee has had ample opportunity to do so, and that the attorneys for Big O have not advised or represented Franchisee with respect to this Agreement or the relationship hereby created. The name and address of Franchisee's adviser, if any, is set forth on the Summary Pages.

(f) Franchisee acknowledges that this Agreement, the documents referred to herein, the attachments hereto, and other agreements signed concurrently with this Agreement, if any, contain the entire agreement and understanding between the parties and terminate and supersede any and all prior agreements concerning the subject matter hereof. Big O does not authorize and will not be bound by any representation of any nature other than those expressed in this Agreement. Franchisee acknowledges and agrees that no representations have been made to it by Big O or its representatives regarding projected sales volumes, market potential, revenues, or profits of Franchisee's Big O Store, or operational assistance other than as stated in this Agreement or in any applicable Franchise Disclosure Document or advertising or promotional materials provided by Big O. Additionally, Franchisee hereby acknowledges and agrees that, in entering into this Agreement, it is not relying on the existence or non-existence of any particular fact or matter not set forth in this Agreement or in the Franchise Disclosure Document provided to Franchisee. Franchisee agrees and understands that Big O will not be liable or obligated for any oral representations or commitments made prior to the execution hereof, for claims of negligent or fraudulent misrepresentation based on any such oral representations or commitments, or for claims of negligent or fraudulent omissions or nondisclosure of facts or information. Nothing in this Agreement is intended to disclaim any representations made by Big O in the Franchise Disclosure Document provided to Franchisee.

(g) Franchisee acknowledges and recognizes that different terms and conditions, including a different fee structure and investment requirements may pertain to different Big O franchises offered in the past, contemporaneously herewith, or in the future, as permitted under applicable laws, and that Big O does not represent that all franchise agreements are or will be identical. Big O may elect to waive and/or credit, reduce or defer payment of any and all fees and charges of any kind that are payable to Big O in connection with a franchise on a case-by-case basis, in Big O's sole discretion and as permitted by law.

(h) Franchisee acknowledges that except as is specifically set forth in this Agreement, that Franchisee is not nor is it intended to be a third party beneficiary of this Agreement or any other agreement or contractual relationship to which Big O is a party.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement to become effective on the date it is executed by the last of Franchisee or Big O.

GUARANTY OF FRANCHISEE'S AGREEMENT

In consideration of, and as an inducement to, the execution of the foregoing Franchise Agreement by Big O Tires, LLC ("Big O"), the undersigned hereby jointly and severally guarantee unto Big O that _____ ("Franchisee") will perform and/or pay each and every covenant, payment, agreement, obligation, liability and undertaking on the part of Franchisee contained and set forth in or arising out of such Franchise Agreement, and every other agreement signed by the Franchisee with Big O (the "Obligations").

Big O, its successors and assigns, may from time to time, without notice to the undersigned (a) resort to the undersigned for payment of any or all of the Obligations of the Franchisee to Big O, whether or not Big O or its successors have resorted to any property securing any of the Obligations or proceeded against any of the undersigned or any party primarily or secondarily liable on any of the Obligations; (b) release or compromise any Obligation of the Franchisee or of any of the undersigned hereunder or any Obligations of any party or parties primarily or secondarily liable on any of the Obligations; and (c) extend, renew or credit any of the Obligations of the Franchisee to Big O for any period (whether or not longer than the original period), alter, amend or exchange any of the Obligations, or give any other form of indulgence, whether under the Franchise Agreement or not.

Each of the undersigned further waives presentment, demand, notice of dishonor, protest, nonpayment and all other notices whatsoever, including without limitation: notice of acceptance hereof; notice of all contracts and commitments; notice of the existence or creation of any liabilities under the foregoing Franchise Agreement and other agreements and of the amount and terms thereof; and notice of all defaults, disputes or controversies between Franchisee and Big O resulting from such Franchise Agreement, other agreements or otherwise, and the settlement, compromise or adjustment thereof.

The undersigned jointly and severally agree to pay all expenses paid or incurred by Big O in attempting to enforce the Obligations and this Guaranty against Franchisee and against the undersigned and in attempting to collect any amounts due thereunder and hereunder, including reasonable attorneys' fees if such enforcement or collection is by or through an attorney-at-law. Any waiver, extension of time or other indulgence granted from time to time by Big O or its agents, successors or assigns, with respect to the foregoing Obligations, shall in no way modify or amend this Guaranty, which shall be continuing, absolute, unconditional and irrevocable.

The undersigned shall be bound by the restrictive covenants, confidentiality provisions, audit provisions, and the indemnification provisions contained in the Franchise Agreement.

If more than one person has executed this Guaranty, the term "the undersigned," as used herein shall refer to each such person, and the liability of each of the undersigned hereunder shall be joint and several and primary as sureties.

SCHEDULE 4

LEASE RIDER AND MODIFICATION

THIS AGREEMENT is made effective this _____ day of _____, 20__, by and between _____ ("Landlord"), _____ ("Tenant"), and Big O Tires, LLC, its affiliates, successors and assigns ("Big O").

WHEREAS, Landlord leases or will lease certain premises to Tenant at _____ ("Premises") under that certain lease agreement dated _____ between Landlord and Tenant ("Lease"); and

WHEREAS, Tenant will operate a Big O Tires Store at such Premises under a Franchise Agreement ("Franchise Agreement") between Tenant and Big O; and

WHEREAS, the parties hereto desire to provide Big O with certain rights in the event of default under the Lease, Franchise Agreement, or other franchise agreements between Tenant and Big O, if any;

NOW, THEREFORE, in consideration of the sum of one dollar ($1.00), in hand paid by Big O to Landlord and to Tenant, and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. No act, failure to act, event, condition, non-payment or other occurrence ("Event") shall constitute a breach or default under the Lease so as to allow to Landlord any right of acceleration of obligations thereunder, termination, cancellation or rescission:

(a) unless the Event is the non-payment of rent, and such Event is not cured within ten (10) days after Notice of Default (as hereinafter defined) has been received by Big O;

(b) unless the Event is anything other than the non-payment of rent, and such Event is not cured within thirty (30) days after Notice of Default (as hereinafter defined) has been received by Big O, provided, however, if the Event is of such nature that it cannot reasonably be cured within such thirty (30) day period, then, in that case such thirty (30) day period shall be extended to a period of such length as is reasonably necessary to cure such Event, provided, however, such period shall be extended only so long as Tenant and/or Big O diligently pursues the cure of such Event.

2. Landlord agrees to accept from Big O any payment or performance required under the Lease and as may be tendered or performed as a cure of an Event. Nothing herein shall be construed as requiring Big O to make any payments or perform any obligation under the Lease.

3. Landlord agrees to accept Big O as a substitute tenant in the event Big O elects to assume such obligation upon a default under the Lease, Franchise Agreement or other franchise agreement with the Tenant.

4. As used herein, Notice of Default means written notice mailed by registered or certified mail or overnight courier specifying the Event claimed and specifically describing, in each instance of a claimed Event, the particular Event and the cure Landlord requires, such Notice of Default to be mailed to Big O at:

Big O Tires, LLC
4260 Design Center Drive
Palm Beach Gardens, Florida 33410
Attention: Real Estate Department
(with a copy sent to the attention of the General Counsel at the same address)

5. In the event Landlord claims that an Event has occurred and Big O elects to cure as provided herein; or in the event Big O notifies Landlord in writing that Big O is exercising its right to take over possession of the Premises, then Landlord shall accept Big O as substitute tenant under the Lease and will cooperate with Big O in turning actual, immediate possession of the Premises over to Big O. In such case, the Lease shall remain in full force and effect, but with Big O as the tenant thereunder. Big O's election, hereinabove granted, may be exercised only if Big O agrees to assume the obligations of the Tenant to Landlord under the Lease as of the date Big O or its affiliate or successor is given actual possession of the Premises. If Landlord or the Premises is owned in whole or in part by the Tenant, Big O will not be required to cure any default of Tenant if Big O elects to take over possession of the Premises hereunder.

6. In the event Big O assumes possession of the Premises as a substitute tenant, Landlord agrees that Big O, or its affiliate or successor may sublet the Premises to a new Big O Franchisee from time to time during the remaining lease term and options without Landlord consent.

7. Tenant agrees that if Landlord claims that an Event has occurred, or if any material breach occurs under any Franchise Agreement between Tenant and Big O (whether relating to the Premises or not), then, Big O shall have the right to:

(a) immediate and actual possession of the Premises, and, subject only to existing liens of record, all equipment and inventory therein, which such possession Tenant agrees to give peaceably, and which may be otherwise obtained by Big O by warrant, injunction, temporary restraining order, summary process or such other immediate legal, summary or equitable proceeding or action as Big O may choose. Tenant hereby waives any right to a jury in any such proceeding or action.

(b) become the Tenant under the Lease to the exclusion of the Tenant.

8. Tenant agrees that any default under the Lease shall constitute a material breach under all Franchise Agreements between Tenant and Big O, or its affiliates or successors.

9. Tenant and Landlord agree that they will not modify or amend the Lease without the consent of Big O, which shall not be unreasonably withheld.

10. Tenant and Landlord understand that Big O is entering into or has entered into a Franchise Agreement with Tenant for a Big O Tire Store at the Premises in reliance on the agreements of Tenant and Landlord as herein contained and that Big O, in this instance, would not have otherwise entered into such Franchise Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this agreement as of the date first above-listed.

LEASE RIDER AND MODIFICATION
(10+ YEAR OPERATOR AND FRANCHISEE AFFILIATED LANDLORD)

THIS AGREEMENT is made effective this _____ day of _____, 20__, by and between _____ ("Landlord"), _____ ("Tenant"), and Big O Tires, LLC, its affiliates, successors and assigns ("Big O").

WHEREAS, Landlord leases or will lease certain premises to Tenant at _____ ("Premises") under that certain lease agreement dated _____ between Landlord and Tenant ("Lease"); and

WHEREAS, Tenant will operate a Big O Tire Store at such Premises under a Franchise Agreement ("Franchise Agreement") between Tenant and Big O; and

WHEREAS, the parties hereto desire to provide Big O with certain rights in the event of the termination of the Franchise Agreement between Tenant and Big O;

NOW, THEREFORE, in consideration of the sum of one dollar ($1.00), in hand paid by Big O to Landlord and to Tenant, and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. No act, failure to act, event, condition, non-payment or other occurrence ("Event") shall constitute a breach or default under the Lease so as to allow to Landlord any right of acceleration of obligations thereunder, termination, cancellation or rescission occurring prior to such time as Big O assumes Tenant's obligations under the Lease as described herein.

2. Big O may inspect the Premises within thirty (30) days after the termination of the Franchise Agreement, upon written request to Landlord.

3. Regardless of the terms of the Lease, no penalty or different or additional obligations (including but not limited to increased rent) will apply to the tenant party under the Lease or to Big O based upon Big O's election to assume the Lease as a substitute tenant.

4. Landlord agrees to accept Big O as a substitute tenant in the event Big O elects to assume such obligation upon the termination of the Franchise Agreement with the Tenant. Nothing herein shall be construed as requiring Big O to make any payments or perform any obligation under the Lease until Big O makes such election.

5. In the event Big O notifies Landlord in writing that Big O is exercising its right to take over possession of the Premises within 60 calendar days after the termination of the Franchise Agreement ("Exercise Notice"), then Landlord shall accept Big O as substitute tenant under the Lease and will cooperate with Big O in turning actual, immediate possession of the Premises over to Big O. In such case, the Lease shall remain in full force and effect, but with Big O as the tenant thereunder. By Big O's election, Big O agrees to assume the obligations of the Tenant to Landlord under the Lease as of the date Big O or its affiliate or successor is given actual possession of the Premises. Big O will not be required to cure any default of Tenant if Big O elects to take over possession of the Premises hereunder, Landlord shall complete any of Tenant's deferred maintenance obligations related to the Premises within 60 days after Big O's election.

6. In the event Big O assumes possession of the Premises as a substitute tenant, Landlord agrees that Big O, or its affiliate or successor may sublet the Premises to a new Big O Franchisee from time to time during the remaining lease term and options without Landlord consent.

7. Landlord agrees that if the Franchise Agreement between Tenant and Big O is terminated, then, Big O shall have the right to:

(a) immediate and actual possession of the Premises, and, subject only to existing liens of record, all equipment and inventory therein, which such possession Tenant agrees to give peaceably, and which may be otherwise obtained by Big O by warrant, injunction, temporary restraining order, summary process or such other immediate legal, summary or equitable proceeding or action as Big O may choose. Tenant hereby waives any right to a jury in any such proceeding or action.

(b) become the Tenant under the Lease to the exclusion of the Tenant.

8. Tenant and Landlord agree that they will not modify or amend the Lease without the consent of Big O, which shall not be unreasonably withheld.

9. Tenant and Landlord understand that Big O is entering into or has entered into a Franchise Agreement with Tenant for a Big O Tire Store at the Premises in reliance on the agreements of Tenant and Landlord as herein contained and that Big O, in this instance, would not have otherwise entered into such Franchise Agreement.

10. Notwithstanding anything to the contrary contained herein, this Agreement shall be of no further force or effect upon Tenant's and/or Landlord's notification to Big O, in writing, that no direct or indirect common ownership exists between Landlord (including any of Landlord's successors) and Tenant ("Notice of Divestment"), provided that Tenant also obtains and delivers to Big O a copy of Big O's standard Lease Rider and Modification (currently in the form attached as Schedule 4 to the Franchise Agreement) signed by Tenant and the Landlord (or its successor, as applicable) to replace this Agreement. The Notice of Divestment must be received by Big O prior to Landlord's receipt of Big O's Exercise Notice to be effective. In the event a direct or indirect common ownership is re-established between Tenant and Landlord after Big O's receipt of a Notice of Divestment, the Landlord and Tenant shall enter into a new Lease Rider and Modification in substantially the same form as this Agreement.

Franchisee will be permitted to use Big O's Licensed Marks in its signage, advertising and otherwise, in conjunction with any other previous signage or identifying symbols or names for sixty (60) days (or such longer time as approved by Big O) from the Commencement Date of this Agreement, in a manner which shall be approved by Big O, which approval shall not be unreasonably withheld. Upon expiration of such sixty (60) day or other approved period, Franchisee must use Big O's signage exclusively and remove all other previous signage.

(c) If Big O provides assistance to Franchisee to remodel, re-image, remerchandise or re-equip (such as assistance for the purchase or lease of signage, displays, computer hardware or software or other items) (hereinafter referred to as "Re-imaging") by way of matching funds or other financial contribution at any one or more Big O Stores operated by Franchisee, then, Big O, at its discretion, may require Franchisee for each Store that receives such assistance to undertake and complete such Re-imaging in accordance

with the schedule set forth in **Schedule B** attached hereto (including deadlines for both partial completion and full completion of such work), and Big O, at its discretion, may condition payment (and each partial or progress payment) of such matching funds or other financial contribution on Franchisee meeting such schedule in accordance with the terms set forth in **Schedule B** and Franchisee making payment therefor.

5. **Section 6.05** of the Agreement is deleted in its entirety and the following is inserted in its place:

6.05 Commencement of Business. Franchisee's Big O Store shall be considered to have commenced operation as of the Commencement Date of this Agreement. All modifications required to bring the Premises into compliance with the standards and specifications of Big O must be undertaken and completed in accordance with the phase-in schedule set forth in **Schedule A**, attached hereto, or, if no schedule is set forth in **Schedule A**, must be undertaken and completed within six (6) months of the Commencement Date of this Agreement.

6. **Section 7.01(a)** of the Agreement is hereby deleted in its entirety and the following is inserted in its place:

If Franchisee leases the Premises upon which the Store is to be operated, Franchisee agrees to use its best efforts to negotiate with its landlord for execution of a conditional lease assignment in a form which is the same as or similar to the one found on **Schedule 4** of the Agreement.

7. The following language shall be added to **Section 7.01(b)** of the Agreement:

Big O will provide Franchisee with the services of a store opening specialist to provide assessment and guidance for modification of the interior and exterior of Franchisee's Premises, if applicable, but makes no representations or guarantees regarding the suitability of such assessment or guidance.

9. The second sentence of **Section 14.02** of this Agreement is deleted in its entirety and the following is inserted in its place:

10. The following language shall be added as **Section 14.07** of the Agreement:

14.07 Non-Standard Services. Franchisee may not use the Licensed Marks for or in connection with the Non-Standard Services, except that the Non-Standard Services may be offered from the Premises to the extent permitted under **Section 14.02** of this Agreement. If Franchisee provides any Non-Standard Services, it will provide conspicuous notice to the public by signage, disclaimers on invoices and/or other means that such Non-Standard Services are not provided by nor affiliated with Big O. Also Franchisee must provide warranties on these Non-Standard Services; these warranties must be satisfactory to Big O and must be provided by a third party carrier satisfactory to us. Franchisee acknowledges that Big O does not provide training, supervision or support in connection with the Non-Standard Services. Franchisee shall conduct the Non-Standard Services in compliance with all applicable laws, rules and regulations and in a safe and appropriate manner. Franchisee shall immediately cease or modify any Non-Standard Services that present a threat to the health or safety of the public or any individual and/or that could cause the occurrence of any damages. Such bond or letter of credit shall be payable to the order of Big O or the Local Group, as the case may be, for any nonpayment by Franchisee of contributions due to the National Marketing Program or the Local Fund pursuant to this Franchise Agreement.

12. **Section 17.04** of the Agreement is hereby deleted in its entirety.

13. Franchisee agrees to convert all other tire stores owned or controlled by it to Big O Stores, in the manner prescribed in Schedule D, attached hereto and by this reference incorporated herein.

14. The terms and conditions of this Converter Rider are in addition to or in explanation of the existing terms and conditions of the Agreement and shall prevail over and supersede any inconsistent terms and conditions thereof.

SCHEDULE 9
ROYALTY RATES

1. **Terminology**.

a. The Franchise Agreement to which this **Schedule 9** is attached is hereinafter referred to as the "Agreement".

b. Terms used in the **Schedule 9** have the same meaning as set forth in the Agreement, except as otherwise provided in this **Schedule 9**. Terms used in this **Schedule 9** with the same meaning as set forth in the Agreement include (but are not limited to):

(i) Adjusted Gross Sales – Gross Sales excluding Gross Sales (a) to National Account Customers and Key Account Customers, (b) of Farm Class Tires, (c) on Excess Service Department Sales, and (d) on which no royalty is due and not otherwise excluded from the definition of Gross Sales.

(ii) Adjusted Gross Sales Royalty Rate – The percentage applied to Adjusted Gross Sales to determine the Adjusted Gross Sales royalty fee, which percentage is the Matrix Royalty Rate.

c. The following abbreviations when used in this **Schedule 9** have the following meanings:

(i) AGS – Adjusted Gross Sales.

(ii) AGS Royalty Rate – Adjusted Gross Sales Royalty Rate.

2. **Royalty Rates Applied**. The Royalty Rate on Gross Sales to National Account Customers and Key Account Customers will be 2%. The Royalty Rate on Gross Sales of Farm Class Tires will be 2%. The Royalty Rate for the Excess Service Department Sales will be 2%. The Royalty Rate on AGS will be the AGS Royalty Rate.

3. **Current Royalty Matrix**. The Royalty Matrix in effect as of the date of the Agreement is attached as **Annex 1** to this **Schedule 9** and applies to AGS Sales earned in the calendar year specified in such attachment or until the next Royalty Matrix becomes effective.

4. **Updating the Royalty Matrix**. The Royalty Matrix will be updated for each calendar year by Big O and distributed by Big O to Franchisee. Each Royalty Matrix will be for the specified calendar year. Big O will make such updates in accordance with methodologies established by Big O in accordance with the recommendations of the franchisee audit committee of the Franchise Advisory Council. The final determination of the Royalty Matrix for any calendar year shall be made by Big O. The methodology used by Big O is as follows until modified and included in the Manual:

a. The Store-level retail sales will be accumulated by Big O for each Store for the 12-month period ending October 31. This information should be available by the end of November, as many Stores do not report their retail sales to Big O until the end of the following month.

b. All Stores that were open for less than the full 12 months (as of October 31st) will be eliminated from the data.

c. Of the remaining Stores, the top 10% based on retail sales and the bottom 10% based on retail sales will be dropped. The middle 80% will be used to calculate an average retail sales amount per Store.

d. By December 20, the new Royalty Matrix will be completed for the following calendar year, with the first single-Store royalty breakpoint being equal to the greater of: (a) $1.47 million, or (b) the average retail sales figure calculated above, plus $190,000, rounded down to the nearest $10,000. Each subsequent breakpoint will be at $200,000 intervals, until the lowest royalty level is achieved. Currently, the lowest royalty level is 3.5%, but this is subject to change by Big O in its discretion in the future.

e. The Multi-Store Royalty Group portions of the Royalty Matrix will be calculated using the same percentages that drive the matrix attached to this **Schedule 9**.

f. This new Royalty Matrix will be used to determine the Matrix Royalty Rates for the subsequent calendar year (January 1 – December 31). (For instance, the Royalty Matrix based on 2025 revenues will be used to determine the Matrix Royalty Rates applicable in 2026).

g. Big O, at its sole discretion, may update the Royalty Matrix during the course of a calendar year based on the Store-level retail sales for the 12-month period ending the most recent October 31 or any other more recently ended full or partial 12-month period selected by Big O.

5. **Determining the Matrix Royalty Rate for a Particular Franchisee**. In general, the Matrix Royalty Rate for a franchisee in any particular calendar year depends on the Gross Sales of the franchisee's single Store in that calendar year or, if the franchisee's Stores are members of a Multi-Store Royalty Group, the Gross Sales of all the Stores in the Multi-Store Royalty Group for that calendar year. The Matrix Royalty Rate on Adjusted Gross Sales for that calendar year will then be determined from the Royalty Matrix based on such Gross Sales for a Single Store or, for a Multi-Store Royalty Group, on such Gross Sales and the number of Stores in that Multi-Store Royalty Group.

6. **Royalty Payment and True-Up Rules**. The royalty payment and true-up rules will be set by Big O in its sole discretion from time to time. The current form of royalty payment and true-up rules as of the date of this Agreement are set forth in **Annex 2** to this **Schedule 9**.

Schedule 9, Annex 1
Royalty Matrix
See attached

Note: The attached Royalty Matrix will be applicable in 2025 or until the next Royalty Matrix becomes effective. A different Royalty Matrix will be applicable in other years. For instance, if you sign a Franchise Agreement in 2026, the Royalty Matrix attached to that Franchise Agreement will be the 2026 Royalty Matrix, not the attached 2025 Royalty Matrix. Regardless of which Royalty Matrix is attached to the Franchise Agreement that you sign, the applicable Royalty Matrix will change from time to time as provided in **Schedule 9**.

Notwithstanding any agreement or anything in this Royalty Matrix to the contrary, in the event that Big O has granted a franchisee a financial incentive (including but not limited to a trade account credit incentive or similar incentive) that is based on the franchisee's gross sales levels and which has the overall result of reducing the effective royalty rate of the franchisee, then the lowest applicable royalty level that shall apply under this Royalty Matrix will be 3.5%.

Royalty Matrix Explanation

The Royalty Matrix is used to determine your Store's Royalty Rate based on the amount of your calendar year Store Gross Sales or, if you own more than one Store, then the Stores included in a Multi-Store Royalty Group approved by Big O. The Royalty Rates currently range from 3.5% to 5.0%.

If you are a single Store franchisee, locate your Store's annual Gross Sales in the "Single Store" column. Then look to the "Resulting Royalty Percent" column to determine your Royalty Rate (after true-up with Big O).

If you are a participant in a Multi-Store Royalty Group approved by Big O, locate the column of numbers that begins with the applicable number of Stores (ranging from 2 Stores to 35 Stores). Then go down the column until you reach the row containing the highest sale amount that does not exceed your Multi-Store Royalty Group's combined Gross Sales in the same column. Follow this row over to the "Resulting Royalty Percent" column to determine your Royalty Rate (after true-up with Big O).

As stated in **Section 1** (in the definition of "Royalty Matrix") of the Franchise Agreement, the Royalty Matrix is subject to change by Big O from time to time as provided in **Schedule 9**, provided that the royalty rate (when the Royalty Matrix is applicable) may not exceed the maximum royalty rate set forth in this **Schedule 9**.

Schedule 9, Annex 2

Royalty Payment and True-Up Rules

1. New Stores

a. **New Store to System, Treated as Single Store.** The rate for royalties on Adjusted Gross Sales earned during the initial calendar year will be 5.0% and will be trued up 90 days after the calendar year end by determining the applicable Matrix Royalty Rate based on the Store's actual Gross Sales and applying it to the Store's Adjusted Gross Sales for the entire calendar year while it was operated as a Big O Store. For all following years, please see the rules for Years Subsequent to BFF Conversion, included in the section on Single Store-Existing Stores Converting to the BFF, below.

b. **New Store to System, Added to Multi-Store Royalty Group.** Royalties on Adjusted Gross Sales earned during the initial calendar year will be paid at the Matrix Royalty Rate that was determined at the beginning of the year for that Multi-Store Royalty Group. The royalty will be trued up within 90 days after the calendar year end by determining the applicable Matrix Royalty Rate (for a group size that includes the new Store plus the Stores already in the Multi-Store Royalty Group) based on the Multi-Store Royalty Group's actual Gross Sales for the entire calendar year while the Stores (or any of them) were operated by the Multi-Store Royalty Group, and applying it to each Store's Adjusted Gross Sales for the calendar year.

2. Franchise Ownership Transfers (Acquirer)

a. **Store Acquired in a Transfer, Treated as Single.** Royalties on Adjusted Gross Sales for the balance of the calendar year will be at the same Matrix Royalty Rate that the selling franchisee was paying during the portion of the year that he owned the Store. The royalties paid for the year will be trued up within 90 days after the calendar year end between the new franchisee and Big O by determining the applicable Matrix Royalty Rate based on the Store's actual Gross Sales for the calendar year and applying it to the Store's total Adjusted Gross Sales for the calendar year.

b. **Store Acquired in a Transfer, Added to Multi-Store Royalty Group.** Royalties on Adjusted Gross Sales will be paid for the balance of the calendar year after the transfer occurs by applying the Matrix Royalty Rate, determined at the beginning of the year for that Multi-Store Royalty Group, to the Adjusted Gross Sales of the new Store included in the Multi-Store Group. The royalty will be trued up within 90 days after calendar year end by determining the applicable Matrix Royalty Rate (for the approved Multi-Store Royalty Group) based on the Group's actual Gross Sales for the calendar year and applying it to each Store's actual Adjusted Gross Sales for that calendar year. For purposes of determining the Matrix Royalty Rate, the Gross Sales will include the transferred Store's actual Gross Sales for the entire portion of the calendar year that it was operated as a Big O Store.

3. Franchise Ownership Transfers (Transferor)

a. **Transferred or Closed Store, Single.** Royalties for a single Store that is transferred or closed during a calendar year will be calculated by applying the Matrix Royalty Rate (determined by looking up the prior year's Gross Sales on the current year matrix) to the current year Adjusted Gross Sales.

b. **Transferred or Closed Store, Member of Multi-Store Royalty Group.** Royalties for a transferred or closed store which is a member of a Multi-Store Royalty Group will be paid for the year at the rate that was determined at the beginning of the year for that Multi-Store Royalty Group. Within 90 days after the end of the year the royalties will be trued-up by applying the Matrix Royalty Rate (for a Multi-Store Royalty Group size that includes the transferred or closed Store) to the Multi-Store Royalty Group's actual Adjusted Gross Sales for the calendar year.

4. Existing Franchises Converting to the BFF

a. **Single Store –**

i. **Year of BFF Conversion.** The Matrix Royalty Rate to be used for the balance of the calendar year after the BFF Conversion occurs is determined by applying the Royalty Matrix to the Store's prior calendar year Gross Sales (even if the Store was open less than a full year as a Big O Store), minus an amount equal to the Single Store Matrix Breakpoint Factor. The royalties will be trued up within 90 days after the end of the calendar year by using the Store's actual Gross Sales for the entire calendar year in which the BFF Conversion occurred to determine the correct Matrix Royalty Rate for the year and then applying that Matrix Royalty Rate to the Store's Adjusted Gross Sales from the date of the BFF Conversion until the end of the calendar year.

ii. **Years Subsequent to BFF Conversion.** The Matrix Royalty Rate for calendar years subsequent to the BFF Conversion year will be determined by applying the Royalty Matrix to the Store's prior calendar year Gross Sales (even if the Store was open less than a full year as a Big O Store), minus an amount equal to the Single Store Matrix Breakpoint Factor. The royalties will be trued up within 90 days after the end of the calendar year by determining the applicable Matrix Royalty Rate based on the Store's actual Gross Sales for the calendar year and applying it to the Store's Adjusted Gross Sales for the calendar year.

b. **Multi-Store Royalty Groups –**

i. **Year of BFF Conversion.** The Matrix Royalty Rate for the balance of the calendar year in which the BFF Conversion occurred will be determined by applying the Royalty Matrix to the Multi-Store Royalty Group's prior calendar year Gross Sales (even if one or more Stores was open less than a full year as a Big O Store), minus an amount equal to the Multi-Store Matrix Breakpoint Factor based on the number of Stores in the Multi-Store Royalty Group. The royalties will be trued up within 90 days after the end of the calendar year by using the Multi-Store Royalty Group's Gross Sales for the calendar year in which the BFF Conversion occurred to determine the correct Matrix Royalty Rate for the year. This Matrix Royalty Rate shall be applied to the Adjusted Gross Sales from the date of the BFF Conversion until the end of the calendar year.

ii. **Years Subsequent to BFF Conversion.** The Matrix Royalty Rate for calendar years subsequent to the BFF Conversion year will be determined by applying the then current year Royalty Matrix to the Multi-Store Royalty Group's prior calendar year Gross Sales (even if one or more of the Stores was open less than a full year as a Big O Store), minus an amount equal to the Multi-Store Matrix Breakpoint Factor based on the number of Stores in the Multi-Store Royalty Group. This Matrix Royalty Rate will be trued up within 90 days after the end of the calendar year by determining the applicable Matrix Royalty Rate based on the Multi-Store Royalty Group's actual Gross Sales for the calendar year and applying it to each Store's Adjusted Gross Sales for the calendar year.

5. Multi-Store Royalty Group Royalty Rates for BFF Conversion Stores and New Stores. Multi-Store Royalty Groups may include Stores that were converted from Product Distribution Franchises to Business Format Franchises ("BFF Conversion Stores") and Business Format Franchise Stores that are new to the Big O System ("New Stores"). Therefore, the royalty payment and true-up rules stated above in this **Schedule 9, Annex 2,** are subject to the following: BFF Conversion Stores that are part of a Multi-Store Royalty Group are subject to the royalty matrix applicable to BFF Conversion Stores (not included in this Agreement). New Stores that are part of a Multi-Store Royalty Group are subject to the Royalty Matrix applicable to new Business Format Franchises (included herein as **Schedule 9, Annex 1**). Thus, different Stores in the same Multi-Store Royalty Group may pay different Royalty Rates on Adjusted Gross Sales based on the application of the appropriate royalty matrix. The Gross Sales of all Stores in a Multi-Store Royalty Group are aggregated for purposes of determining the applicable Royalty Rates.

With respect to all of the situations described in this **Schedule 9, Annex 2**, in the event that there has been any change in the Matrix Royalty Rate during the course of a year, Big O shall be entitled to use its reasonable discretion in applying the applicable rates to the sales for the periods in which those rates were in effect.

SCHEDULE 10

DETERMINATION OF THE BIG O PROGRAM PRODUCTS PRICES

The Big O Program Products Prices will be calculated in accordance with Big O's Franchise Policies & Standards Manual. This Franchise Policies & Standards Manual and revisions to this Manual are established by Big O from time to time after consulting with committees that include franchisees (but which may or may not include Franchisee). Set forth below is a description of Big O's policy in effect as of June 30, 2025 (which is or will be set forth in the Franchise Policies & Standards Manual) on determination of Big O Program Product Prices for tires.

A. Acquisition Costs.

1. Big O's current policy is to not increase the Acquisition Cost component of prices for tires until 45 days after a price increase goes into effect. (For example, if Big O is informed of a price increase on certain SKUs on February 1 that will go into effect with purchases made starting March 1, Big O will not increase the Acquisition Cost component of the tire price for the SKUs impacted by the price increase until April 15, and will increase the price of all SKUs affected by the price increase on that same date.).

2. The 45-day delay in applying a price increase will be evaluated by Big O from time to time to determine if it should be adjusted.

3. The 45-day delay in applying a price increase will not apply to rebill tires since these are not products stocked by Big O. Accordingly, the Acquisition Cost for rebill tires will be the price billed to Big O from the rebill vendor.

4. For purposes of applying the 45-day delay in adjusting pricing discussed above, the specific date communicated by the manufacturer as being the effective date of a price increase will determine the date that an increase in Acquisition Costs will go into effect. In addition, price increases that do not have an effective date of the first of a month will be rounded to the nearest first of a month (i.e., a price increase communicated by a manufacturer as being effective on a date between the 2nd and the 15th of the month will be treated for purposes of this provision as being effective on the 1st of the month, and a price increase communicated by a manufacturer as being effective on a date between the 16th and the 31st of the month will be treated for purposes of this provision as being effective on the 1st of the following month).

5. Big O's affiliated supplier, TBC Corporation ("TBC"), has agreed with Big O that TBC will not increase its Economic Benefit (as defined in the Manual) on future sales of tires to Big O over the calendar year 2005 Economic Benefit. In conjunction with the audit of TBC's financial statements for each fiscal year ending March 31, TBC will engage its independent public accountants to conduct certain Agreed Upon Procedures, at the TBC level, to validate the calculation of the Economic Benefit earned by TBC on its sale of tires to Big O (the "Validation").

B. Mold Depreciation Costs.

The Mold Depreciation Cost component of the tire price will be calculated by dividing the total budgeted Mold Depreciation expense for the year by the budgeted number of Big O Tire units expected to be sold during the year to arrive at a per-unit Mold Depreciation Cost component of the tire price. This component of the tire price will remain constant throughout the year with the following exception. Molds are generally depreciated over an estimated useful life of five years. Prior to the beginning of each quarter, Big O Accounting meets with the Big O Product department and determine if the remaining depreciable life of any molds should be shortened based on the anticipated future production of tires using specific

molds. Any depreciable lives that need to be shortened based on this criteria will be shortened for accounting purposes, and the impact of the resulting increase in depreciation will be added to the Mold Depreciation cost component of the pricing model as of the beginning of that quarter.

C. Rebill Charge

The Rebill Charge is currently $3.00 per Rebill Tire. This charge may be increased or decreased in our discretion as required by business operations after consultation with the Franchise Advisory Council.

D. Distribution Costs

1. The total budgeted Distribution Cost for the year based on the Distribution Cost components set forth in the Franchise Agreement will be divided by the total budgeted tire units to be sold (excluding rebill units) and the resulting Distribution Cost per unit ("DCPU") factor will be added to tire pricing during the year. This component of the tire price will remain constant throughout the year. Notwithstanding any other provisions of this policy, Big O may impose additional distribution related charges (such as fuel surcharges) to reflect unanticipated increases in the price of fuel or other distribution related costs.

2. DCPU will be subject to the following caps and limitations to increases:

a. For the fiscal year ending March 31, 2026, the DCPU is set at $7.21 per tire.

b. For subsequent years, the DCPU will be calculated in accordance with the Franchise Agreement, subject to:

(i) The DCPU cannot increase more than 3% per year.

(ii) The Inventory Losses expense portion of total Distribution Costs is capped at $60,000 per year (starting in 2007), and at amounts reflecting a 3% increase in that amount thereafter.

(iii) The Interwarehouse Freight expense portion of total Distribution Costs is capped at $350,000 per year (starting in 2007), and at amounts reflecting a 3% increase in that amount thereafter.

(iv) The 3% cap on total DCPU will be calculated by multiplying 1.03 times the lesser of (a) actual DCPU for the prior fiscal year, with the Inventory Losses and Interwarehouse Freight components of total Distribution Costs subject to the caps discussed above, and (b) the DCPU established at the beginning of that fiscal year.

(v) In the event actual fuel costs for any fiscal year are greater than 1.05 times the budgeted fuel costs for that year, the 3% cap on total DCPU will be calculated by multiplying 1.03 times the lesser of (a) actual DCPU for the prior fiscal year, with the Inventory Losses and Interwarehouse Freight components of total Distribution Costs subject to the caps discussed above, and (b) the sum of (i) the DCPU established at the beginning of that fiscal year plus (ii) the amount by which actual fuel costs for the fiscal year exceed 1.05 times the budgeted fuel costs for that year, divided by the actual units sold during that year.

(vi) The DCPU that is established at the beginning of each year will not change throughout the year, except that once the budgeted warehouse units for the year have been sold, the DCPU will be reduced by $.50 per unit for the remainder of the year starting on the 1st or 15th of the month most recently following the date on which actual warehouse unit sales exceed budgeted warehouse unit sales.

(vii) Certain limitations discussed herein are contingent upon certain conditions being met as designated by Big O from time to time. One condition now required is Big O and its franchisees being able to create a cooperative plan to eliminate the need for Big O to carry an NRV (net realizable value) Reserve for tires (that is, mainly discontinued tires) on its balance sheet.

(viii) In the event that industry factors that are outside Big O's control cause a significant increase in unit movement (thereby reducing DCPU for that year), Big O reserves the right to calculate a DCPU for the following year without regard to the 3% limitation on the actual DCPU as discussed above.

(ix) In the event that industry factors that are outside Big O's control cause a significant decrease in unit movement (thereby increasing DCPU for that year), Big O reserves the right to adjust service levels in order to manage its exposure to excessive unrecovered distribution costs.

(x) Big O reserves the right to adjust service levels on low volume delivery routes in order to manage its exposure to excessive unrecovered distribution costs.

E. Warranty Costs.

1. The expenses related to providing warranties on Big O tires have been estimated by Big O for each of the Big O I Tires lines based on tire adjustment data accumulated from Big O's warranty database, expressed as a percentage to be added to the Acquisition Cost of tires. At the beginning of each fiscal year, Big O will analyze the warranty data, calculate new warranty percentages, review the new percentages with a franchisee group designated by the Franchise Advisory Council, explain the reasons for any increases or decreases in the percentages from one year to the next, and then use the new percentages in the determination of the Big O Program Products Price. Once set at the beginning of the year, the Big O I Tires warranty percentages will be used for the entire year.

2. The other expenses associated with warranty will be allocated to all units sold based on a fixed rate per unit ($.00 per unit for 2025) that is calculated by dividing the total costs in this category by the total budgeted units for the year. This factor will not change throughout the year.

F. Determination of TBC Economic Benefit

1. TBC has agreed that it will not increase its Economic Benefit on sales of tires to Big O over the calendar year 2005 Economic Benefit. If the results of the annual Validation indicate that TBC has received a greater Economic Benefit in that year than the Economic Benefit for 2005, then the results of the Validation will be used to determine the amount by which Big O was overcharged (the "Excess Big O Tire Acquisition Cost"). If the results of the annual Validation indicate that TBC has received a lower Economic Benefit in that year than the Economic Benefit for 2005, then there will be no adjustment.

2. Any excess Big O Tire Acquisition Cost under this section will be allocated, based on units, between tires sold to Product Distribution Franchisees and tires sold to Business Format Franchisees. The

amount allocated to tires sold to Business Format Franchisees will be paid or credited to Big O by TBC and included in the calculation, discussed below, of the End of Year Pricing Adjustment.

G. Audit Procedures.

1. The mechanics of the audit at the Big O level of the various components of the Big O Program Product Prices are set forth below. References to audits by the Franchisee Audit Committee refer to audits conducted by the Franchisee Audit Committee and/or an independent third party as approved by the Franchisee Audit Committee and paid for by the Franchise Advisory Council. The results of the audit shall not be final and binding on Big O and the Business Format Franchises except if certain conditions are met as defined by Big O in the Manual from time to time.

2. For the Acquisition Cost component of the tire price, including Manufacturers Rebates, a Franchisee Audit Committee, with the assistance of Big O management, will audit the Acquisition Cost for tires component of a number of sales transactions to be agreed upon between Big O and the franchisees. In the event the results of that audit show that the Acquisition Cost component of the tire price has been included according to the "Rules" (that is, the definitions set forth in the Franchise Agreement and the rules set forth in this Schedule 10), then the audit of that portion of the tire price will be deemed complete, and there will be no Acquisition Cost amount included in the End of Year Pricing Adjustment. In the event the results of that audit show that the Acquisition Cost component of the tire price has not been included according to the Rules, then Big O will calculate the impact, positive or negative, of the Acquisition Cost component not being included according to the Rules, based on the specific error identified and the time period that the error related to, and review the amount with the Franchisee Audit Committee. The Acquisition Cost pricing error impact will be included in the calculation, discussed below, of the End of Year Pricing Adjustment.

3. At the end of the year, Big O will calculate the total amount of Mold Depreciation Cost to be allocated to Big O I Tires that were sold to Business Format Franchises, based on the Big O I Tire units sold to Business Format Franchise Stores as a percent of the total Big O I Tire units sold, and that amount will be compared to the total Mold Depreciation Cost actually included in the tire price for Big O I Tire units that were sold to Business Format Franchise Stores. Any difference, positive or negative, will be included in the End of Year Pricing Adjustment discussed below.

4. For the Rebill Charge, the Franchisee Audit Committee, with the assistance of Big O management, will audit the proper inclusion or exclusion of the Rebill Charge component in each of the sales transactions to be audited during the Acquisition Cost for tires audit discussed above. In the event the results of that audit show that the Rebill Charge component has been included according to the Rules, then the audit of that portion of the tire price will be deemed complete, and there will be no amount included in the End of Year Pricing Adjustment. In the event the results of that audit show that the Rebill Charge component has not been included according to the Rules, then Big O will calculate the impact, positive or negative, of the Rebill Charge component not being correctly included, based on the specific error identified and the time period that the error related to, and review the amount with the Franchisee Audit Committee. The Rebill Charge component pricing error impact will be included in the calculation, discussed below, of the End of Year Pricing Adjustment.

5. For DCPU, the Franchisee Audit Committee, with the assistance of Big O management, will audit the proper inclusion or exclusion of the correct DCPU factor in each of the sales transactions to be audited during the Acquisition Cost audit of tires discussed above. In the event the results of that audit show that the DCPU factor has been included according to the Rules, then the audit of that portion of the tire price will be deemed complete, and there will be no amount included in the End of Year Pricing Adjustment. In the event the results of that audit show that the DCPU factor has not been included according

to the Rules, then Big O will calculate the impact, positive or negative, of the DCPU factor not being correctly included, based on the specific error identified and the time period that the error related to, and review the amount with the Franchisee Audit Committee. The DCPU pricing error impact will be included in the calculation, discussed below, of the End of Year Pricing Adjustment.

6. For the Big O I Tires warranty expense, the Franchisee Audit Committee, with the assistance of Big O management, will audit the proper inclusion or exclusion of the Big O I Tires warranty expense factor in each of the sales transactions to be audited during the Acquisition Cost of tires audit discussed above. In the event the results of that audit show that the Big O I Tires warranty expense factor has been included according to the Rules, the audit of that portion of the tire price will be deemed complete, and there will be no amount included in the End of Year Pricing Adjustment. In the event the results of that audit show that the Big O I Tires warranty expense factor has not been included according to the Rules, then Big O will calculate the impact, positive or negative, of the Big O I Tires warranty expense factor not being correctly included, based on the specific error identified and the time period that the error related to, and review the amount with the Franchisee Audit Committee. The Big O I Tires warranty expense factor pricing error impact will be included in the calculation, discussed below, of the End of Year Pricing Adjustment.

7. At the end of the year, Big O will calculate the total amount of other warranty expense to be allocated to the total units that were sold to Business Format Franchise Stores based on the tire units sold to Business Format Franchise Stores as a percent of the total tire units sold, and that amount will be compared to the total other warranty expense actually included in tire price for tire units that were sold to Business Format Franchise Stores. Any difference, positive or negative, will be included in the End of Year Pricing Adjustment discussed below.

8. Big O franchisees may, under certain circumstances, wish to engage an auditor to perform the audit work that is discussed above as being performed by the Franchisee Audit Committee. The cost of any such audit will be borne entirely by the franchisees and allocated to the franchisees as they may agree, provided however that should the audits find that Big O has overcharged the Business Format Franchise Stores by an amount that exceeds 2% of the total amount charged to Business Format Franchise Stores for the year under audit, adjusted by any overcharges that may result from the Franchisee Audit Committee procedures discussed above, then the audit fee will be reimbursed by Big O, subject to a maximum reimbursement of $100,000.

H. End of Year Pricing Adjustment.

Once the various amounts to be included in the End of Year Pricing Adjustment, as discussed above, have been calculated and become final and binding in accordance with the terms and conditions of this Agreement and the Manual, they will be accumulated and treated as follows:

1. Because the Mold Depreciation and Big O I Tires warranty factors relate to just Big O I Tires, these two adjustment factors will be aggregated. In the event the aggregate amount is positive (i.e. franchisees have overpaid Big O), then the aggregate amount will be allocated among the Business Format Franchise Stores based on the Big O I Tires units they purchased from Big O while operating as a Business Format Franchise, and the amount so allocated with be paid to the Stores via a credit to their trade account with Big O. In the event the aggregate amount is negative (i.e., franchisees have underpaid Big O), then the aggregate amount will be included as a component of the Big O Program Product Prices for the following year as a separate component called “Prior Year True-Up--Big O I.” The methodology for including such an amount in the Big O Program Product Prices for the following year will be done so as to fully recover the amount of the underpayment from the Business Format Franchise Stores.

2. All of the other adjustment factors, if any, including the portion of any Excess Big O Tire Acquisition Cost that is allocated to tires sold to Business Format Franchise Stores, the Acquisition Cost of tires adjustment factor, the Rebill Charge adjustment factor, the DCPU adjustment factor and the other warranty expense adjustment factor, relate to all tire units sold by Big O to Business Format Franchise Stores, and will be aggregated. In the event the aggregate amount is positive (i.e., franchisees have overpaid Big O), then the aggregate amount will be allocated among the Business Format Franchise Stores based on the total tire units they purchased from Big O, and the amount so allocated will be paid to the Stores via a credit to their trade account with Big O. In the event the aggregate amount is negative (i.e., franchisees have underpaid Big O), then the aggregate amount will be included as a component of the Big O Program Product Prices for the following year as a separate component called "Prior Year True-Up--All Tires." The methodology for including such an amount in the Big O Program Product Prices for the following year will be done so as to fully recover the amount of the underpayment from Business Format Franchise Stores.

2. Term.

2.1. Initial Term. The initial term of this Sublease ("Initial Term") shall commence on _____ (the "Commencement Date") and shall expire on midnight of _____; *provided however*, that this Sublease shall sooner terminate upon the termination or expiration of the Master Lease, or upon the sooner termination for any breach by Sublessee of its obligations of and to that certain Franchise Agreement between Sublessor and Sublesee dated _____ (hereinafter called the "Franchise Agreement").

2.2. Option to Extend Initial Term. The Master Lease includes ____ options of ____ (_) years each to extend its term beyond the Initial Term. Notwithstanding the fact the Sublessor may have the right to renew the Master Lease upon the expiration of the term thereof, Sublessee expressly agrees that Sublessor shall be under no obligation whatsoever to extend or renew the Master Lease. If, however, at the expiration of the Initial Term hereof, Sublessee is not in default under any term or condition of this Sublease and/or the Master Lease and *provided, further*, that Sublessee is not in default under any term or condition of the Franchise Agreement and/or any other agreement between Sublessor and Sublessee, Sublessor may either

As a condition to extending the term of the Master Lease and the Sublease, Sublessor may require Sublessee to extend the term of the Franchise Agreement to the end of the extended term of the Master Lease and the Sublease.

2.3. Holding Over**.** If Sublessee, or any of its successors in interest, shall remain in possession of the Subleased Premises, or any part thereof, after the expiration of the term of this Sublease, including any extended terms, if exercised, such holding over shall constitute and be construed as a tenancy from month-to-month at a monthly rent equal to 150% of the minimum monthly rent applicable during the last month of the term of this Sublease or the last prior renewal term thereof. Sublessee shall also pay additional rent attributable to Sublessee's occupation of the Subleased Premises and any damages, if any, incurred by Sublessor as a result of such holding over. Sublessee shall also be subject to all of the conditions, provisions and obligations of this Sublease insofar as the same are applicable to a month-to-month tenancy. 3. Rent. Rent shall include the following:

3.1. Minimum Monthly Rent and Mark-up.

3.1.1. Commencing on _____ (the "Rent Commencement Date"), and on the first day of each and every month thereafter during the term of this Sublease, Sublessee shall pay to Sublessor as minimum monthly rent the sum of _____ Dollars ($_____), plus a **five percent (5%)** mark-up which amounts to $_____ for a total monthly base rent of $_____. Such minimum monthly rent, plus the 5% mark-up, shall be subject to increase in accordance with all rent adjustment and escalation provisions set forth in the Master Lease, and at Sublessor's option in accordance with the terms in Sections 3.1.2 and 3.1.3 below. If any month during the term of this Sublease shall be less than a complete month, such month's minimum monthly rental, plus the 5% **mark up,** shall be prorated on a thirty (30) day month basis.

3.1.2. On or before 120 days prior to the 5th anniversary of the Rent Commencement Date, Sublessor may, in its sole discretion, make and submit to Sublessee, a written Fair Market Rent proposal to apply beginning on the 5th anniversary of the Rent Commencement Date. "Fair Market Rent" shall be defined as the then fair market rent for the Subleased Premises reflecting the physical condition of the Subleased Premises at such time (including an adjustment for any needed repairs or maintenance).

(i) Sublessor's Fair Market Rent proposal shall become the minimum monthly rent (in lieu of the minimum monthly rent and mark-up set forth in Section 3.1.1) beginning on the 5th anniversary of the Rent Commencement Date for the remainder of the Term, unless within 30 days following Sublessee's receipt of Sublessor's proposal:

(1) Sublessor and Sublessee agree on a different Fair Market Rent which shall then become the minimum monthly rent; or

(2) Sublessee makes a written, alternate Fair Market Rent proposal to Sublessor ("Sublessee's Proposal"). If the parties do not agree on the Fair Market Rent within 15 days after Sublessor receives Sublessee's Proposal, the Fair Market Rent shall be determined by arbitration conducted

by the American Arbitration Association ("AAA") in accordance with the process set forth in Subsection 3.1.2(ii) hereof;

(ii) if the Fair Market Rent is to be determined by arbitration, Sublessor and Sublessee shall jointly submit the arbitration to the AAA. If either party fails to sign the joint submission within five days after request by the other party, either party shall have the right to initiate the arbitration alone. Submission of the arbitration to the AAA under this Subsection 3.1.2(ii) is sometimes referred to herein as "Submission". The arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised no later than the time of Submission, in which event each party shall select an arbitrator within 15 days following Submission and the two arbitrators shall appoint a third arbitrator;

(3) in the city of the AAA's local or regional office nearest the Subleased Premises;

(4) under the AAA's "Expedited Procedures" process;

(5) without depositions, but with document discovery;

(6) on documents submitted by each party and without a hearing;

(7) in the "baseball arbitration" style with the arbitrator(s) being limited to choosing either Sublessee's Proposal or Sublessor's proposal;

(8) without a reasoned opinion;

(9) with the arbitrator(s) being required to issue his/her/their decision within 45 days after Submission, and, to that end, the arbitrator(s) shall have the right to schedule the arbitration process accordingly;

(10) with each party paying its own costs and expenses (including, but not limited to, appraiser and attorney fees). In a single arbitrator proceeding, Sublessor shall pay the arbitrator's fee, the AAA's fee and the administrative costs of the arbitration. In a three arbitrator proceeding, each party shall pay the fee of the arbitrator it selected, one-half of the AAA's fee for a single arbitrator proceeding and one-half of the administrative costs of a single arbitrator proceeding, and the party requesting the three arbitrator proceeding shall pay the third arbitrator's fee, any additional fee charged by the AAA for a three arbitrator proceeding and the administrative costs in excess of those for a single arbitrator proceeding; and

(11) with the decision of the arbitrator(s) being binding on Sublessor and Sublessee. Notwithstanding anything to the contrary contained herein, the decision of the arbitrator shall not reduce the minimum monthly rent below the amount of the minimum monthly rent in effect when the Sublessor's Proposal was initially submitted to Sublessee.

3.1.3. Additionally, Sublessor shall be entitled to submit a written Fair Market Rent proposal 120 days prior to the 10th, 15th, and 20th anniversary (if applicable) of the Rent Commencement Date as provided herein for a new determination of Fair Market Rent for the Subleased Premises utilizing the same time frames and processes described herein (with the new minimum monthly amount becoming effective on each such anniversary date).

3.1.4. There will be no five percent (5%) mark-up on any minimum monthly rent determined based on the Fair Market Rent in accordance with Section 3.1.2 or 3.1.3.

3.1.5. If the minimum monthly rent is adjusted to the Fair Market Rent as discussed in Sections 3.1.2 or 3.1.3, and thereafter the minimum monthly rent plus mark-up as determined in accordance with Section 3.1.1 becomes greater than such Fair Market Rent amount, then the minimum monthly rent plus mark-up determined in accordance with Section 3.1.1 shall apply upon notice to Sublessee from Sublessor.

3.2. Taxes. All taxes of whatever nature (annual or annualized), including real and personal property taxes and assessments relating to the Subleased Premises to be paid by Sublessor under the Master Lease, as estimated and collected at Sublessor's sole discretion.

3.3. Rent Taxes. All taxes that are now or may in the future be levied, assessed or imposed upon the rent reserved hereunder by any governmental authority acting under any present or future law, and as may be required to be paid by Sublessor under the Master Lease.

3.4. Other Fees and Charges. Such other fees, charges, costs, dues, contributions, insurance premiums or other costs and expenses as Sublessor may be required to pay to Master Lessor or to any other person or entity as lessee under the Master Lease, including, but not limited to, common area maintenance ("CAM") fees and Merchants' Association dues.

3.5. Payment. All Rent, including without limitations, minimum monthly rent, override, if any, all rental adjustments, additional rents, taxes, and other fees and charges required to be paid hereunder by Sublessee to Sublessor shall be paid by Automatic Clearing House debits to Sublessee's checking account number _____, at:

_____,
(Name of Bank and ABA Number)

_____,
(Address of Bank)

or at the election of Sublessor, at Big O Tires, LLC, Lease Administration, 4260 Design Center Drive, Palm Beach Gardens, Florida 33410, or at such other place as the Sublessor hereof may designate from time to time in writing. Contemporaneously with Sublessee's execution and delivery to Sublessor of this Sublease, Sublessee shall execute and deliver to Sublessor the Authorization Agreement for Preauthorized Payment Service in the form attached hereto as **Exhibit B**. Sublessee's shareholders, members, partners, officers, directors, as the case may be, and their spouses, as required by Sublessor, shall execute the guaranty attached hereto as **Exhibit C**.

3.6. Late Charges; Interest.

3.6.1. Late Charges. Sublessee hereby acknowledges that late payment by Sublessee to Sublessor of rent will cause Sublessor to incur costs not contemplated by this Sublease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and

accounting charges, personnel costs and late charges which may be imposed on Sublessor by the terms of the Master Lease and/or by the terms of any agreement, mortgage or trust deed covering the Subleased Premises. Accordingly, if any installment of minimum monthly rent or any other rent or sum due from Sublessee shall not be received by Sublessor within five (5) days following the date due, Sublessee shall pay to Sublessor a late charge equal to five percent (5%) of such overdue amount. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Sublessor will incur by reason of late payment by Sublessee. Acceptance of such late charge by Sublessor shall in no event constitute a waiver of Sublessee's default with respect to such overdue amount, nor prevent Sublessor from exercising any of the other rights and remedies granted hereunder.

3.6.2. Interest. In addition to the late charge provided for in Subsection 3.6.1, any rental due hereunder not paid when due as provided in this Sublease shall bear interest from the date due at the lesser of 18% per annum or maximum rate of interest allowed by law from time to time until paid.

3.6.3. The provisions of this Subsection 3.6 are also applicable to Automatic Clearing House debits that are not made on the due date as a result of insufficient funds.

3.7. "Minimum Monthly Rent," "Rent" and "Rental" Defined. The terms "minimum monthly rent," "rent" and "rental" as used herein and elsewhere in this Sublease shall be deemed to be and mean the minimum monthly rent, override, all additional rents, rental adjustments and any and all other sums or charges, however designated, required to be paid by Sublessee hereunder, whether payable to Master Lessor, Sublessor or to third parties.

4. Security Deposit. Sublessee shall deposit with Sublessor upon execution hereof the sum of $_____ as a security deposit (the "Security Deposit") for Sublessee's faithful performance of its obligations under this Sublease. If Sublessee fails to pay minimum monthly rent or any other rent or other charges due hereunder, or otherwise defaults with respect to any provision of this Sublease, Sublessor may use, apply or retain all or any portion of the Security Deposit for the payment of any minimum monthly rent or any other rent or other charge in default or for the payment of any other sum to which Sublessor may become obligated by reason of Sublessee's default, or to compensate Sublessor for any loss or damage which Sublessor may suffer thereby. If Sublessor so uses or applies all or any portion of the Security Deposit with respect to the foregoing, Sublessee shall within ten (10) days after written demand by Sublessor, deposit cash with Sublessor in an amount sufficient to restore the Security Deposit to the full amount then required of Sublessee. Sublessor shall not be required to keep the Security Deposit separate from its general accounts, nor shall Sublessor be required to pay Sublessee any interest on the Security Deposit so held. No trust relationship is created herein between Sublessor and Sublessee with respect to the Security Deposit.

5. Use and Limitations of Use.

5.1. Use. Sublessee shall use the Subleased Premises only for the purpose of conducting thereon the business of a Big O Tires retail store (hereinafter called the "Franchised Store") or a successor franchise operation of Sublessor pursuant to the terms and conditions of the Franchise Agreement. Franchised Store shall conduct retail sales and service of tires and wheels, under-car parts, and other automotive accessories and all related automotive service work in compliance with all applicable laws and the Franchise Agreement, and for no other use or purpose whatsoever; *provided, however*, that Sublessee hereby covenants and agrees that it will adhere to and be bound by all use requirements and restrictions set forth in the Master Lease.

5.2. Limitations of Use. In addition to the limitations set forth in Section 5.1 above, Sublessee's use of the Subleased Premises as provided in the Sublease shall be in accordance with the following:

5.2.1. Insurance. Sublessee shall not do, bring or keep anything in, on or about the Subleased Premises that will cause a cancellation of any insurance covering the Subleased Premises. If the premium of any insurance carried by Sublessor and/or Master Lessor is increased as a result of Sublessee's use, Sublessee shall pay to Sublessor, within ten (10) days before the date Sublessor and/or Master Lessor is obligated to pay a further premium on the insurance, or within ten (10) days after the date that Sublessor delivers to Sublessee a written statement from Sublessor's and/or Master Lessor's insurance carrier stating that the rate increase was caused solely by an activity of Sublessee on the Subleased Premises as permitted in this Sublease, whichever date is later, a sum equal to the difference between the original premium and the increased premium.

5.2.2. Legal Compliance. Sublessee shall comply with all laws, rules, regulations, resolutions and ordinances concerning the Subleased Premises or Sublessee's use of the Subleased Premises, including, without limitation, compliance with the Americans with Disabilities Act ("ADA") and all applicable environmental and hazardous substances laws and regulations and such compliance shall include, without limitation, the obligation at Sublessee's cost to alter, maintain or restore the Subleased Premises in compliance and conformity with all such laws, rules, regulations, resolutions and ordinances relating to the condition, use or occupancy of the Subleased Premises during the Term, which condition, use or occupancy shall be due to any action or omission of Sublessee.

5.2.3. Nuisance. Sublessee shall not use the Subleased Premises in any manner that will constitute waste, nuisance or unreasonable annoyance (including, without limitation, the use of loudspeakers or sound or light apparatus that can be heard or seen outside the Subleased Premises).

5.2.4. Damage. Sublessee shall not do anything in or on the Subleased Premises that will cause damage to the building located on the Subleased Premises.

CALIFORNIA ONLY: 5.2.5 Required Accessibility Disclosure. The Subleased Premises has not undergone an inspection by a Certified Access Specialist (CASp). The parties acknowledge and agree a CASp can inspect the Subleased Premises and determine whether the Subleased Premises complies with all of the applicable construction-related accessibility standards under California state law. Although state law does not require a CASp inspection of the Subleased Premises, Sublessor may not prohibit Sublessee from obtaining a CASp inspection of the Subleased Premises for the occupancy of the Sublessee, if requested by Sublessee. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Subleased Premises. Any necessary repairs or modifications to bring the Subleased Premises into compliance with construction-related accessibility standards, which are disclosed by the CASp inspection report, are presumed to be the responsibility of Sublessee unless otherwise agreed to by the parties in writing.

5.3. Incorporation of Master Lease; Assumption.

5.3.1. Incorporation of Master Lease. All of the terms and provisions of the Master Lease are hereby incorporated into this Sublease as if fully set forth in this Sublease, and Sublessee shall be fully bound by all such terms and provisions. Except as specifically set forth herein, this Sublease is subject to all the provisions of the Master Lease. Sublessee shall not suffer any act or omission that will violate any of the provisions of the Master Lease. If the Master Lease expires or terminates, this Sublease

shall terminate on the same date therewith and the parties shall be relieved of all further liabilities and obligations under this Sublease; except that if the Master Lease, and thereby this Sublease, terminates as a result of the default of one of the parties to this Sublease, the defaulting party shall be liable to the nondefaulting party for all damages suffered by the nondefaulting party as a result of such termination.

5.3.2. Assumption. Sublessee hereby expressly assumes and agrees to perform all of the obligations and covenants required by the Master Lease to be kept or performed by Sublessor as the Lessee thereof. Sublessor agrees to maintain the Master Lease during the Initial Term and, if exercised pursuant to the requirements of Section 2.2 hereof, any extended term of this Sublease, subject, however, to any earlier termination of the Master Lease without the fault of Sublessor, and to pay all rents, taxes, charges and expenses required therein in accordance with the terms of the Master Lease so long as Sublessee pays the rent and the other sums payable to Sublessor by Sublessee pursuant to this Sublease.

5.3.3. Coordination of Obligations. Except for the time periods set forth in this Sublease, with respect to obligations to be performed by the Sublessor under the Master Lease, for the purposes of this Sublease and as between Sublessor and Sublessee only, the number of days that the Sublessee shall have hereunder to perform each of the lessee's obligations set forth in the Master Lease shall be reduced by ten (10) business days from the number of days set forth in the Master Lease; and except further that with respect to all indemnification provisions of the Master Lease, Sublessee shall so indemnify, defend, protect and hold harmless the Master Lessor and in addition provide such further indemnification to Sublessor; and except further that with respect to the provisions dealing with insurance, Sublessee shall carry and maintain throughout the Term the policy or policies of insurance as required by the Master Lease.

5.3.4. Conflicts. Any provision contained in this Sublease that conflicts with any provision contained in the Master Lease will have no effect whatsoever on the provision in question in the Master Lease and as between Sublessor and Sublessee the conflicting provision contained in this Sublease shall control.

5.3.5. Terms. For the purpose of incorporating the Master Lease provisions into this Sublease, references to "Landlord" or "Lessor" and "Tenant" or "Lessee" (or equivalent commonly understood terms) in such Master Lease provisions shall be deemed to be "Sublessor" and "Sublessee" respectively, subject to the provisions of the following paragraph.

5.3.6. Obligations of Sublessor. It is hereby understood and agreed that Sublessor is not assuming the obligations of Master Lessor under the Master Lease provisions, but shall exercise reasonable diligence in attempting to cause Master Lessor to perform its obligations under the Master Lease for the benefit of Sublessee.

6. Sublessee's Performance Under Master Lease. At any time and on prior notice to Sublessee, Sublessor can elect to require Sublessee to perform all or part of its obligations under this Sublease directly to Master Lessor, and Sublessee shall do so on Sublessor's election, in which event Sublessee shall send to Sublessor from time to time copies of all notices and other communications it shall send to and receive from Master Lessor.

7. Indemnification. As a material inducement to Sublessor to enter into this Sublease, Sublessee hereby agrees to indemnify, defend and hold Sublessor, its shareholders, directors, officers, agents, employees, representatives, affiliates, parents and any and all persons acting by, through, under or in concert with them, or any of them, harmless from any and all claims, liabilities, demands or actions of any kind or nature arising out of or otherwise connected with this Sublease, the Master Lease and Sublessee's

ownership and operation of the Franchised Store occupying the Subleased Premises, and any other representations and agreements between Sublessee and Sublessor. Nothing contained herein shall be construed as indemnifying and holding Sublessor harmless against its own negligent or willful acts.

8. Defaults and Remedies.

8.1. Defaults. The occurrence of any of the following shall constitute a material breach and default of this Sublease on the part of the Sublessee. Sublessor may, at its sole option and without limiting Sublessor in the exercise of any right or remedy it may have on account of a default or breach by Sublessee, exercise the rights and remedies specified in this Article 8.

8.1.1. Financial. A failure by Sublessee to pay when due to Sublessor, Master Lessor and/or to any other person or entity, all or any part of the minimum monthly rent, override, if applicable, or other rent, taxes, utilities, insurance or other charges required to be paid by this Sublease and/or the Master Lease for any reason and such default shall continue for a period of five (5) days thereafter;

8.1.2. Other Than Financial. A failure by Sublessee to observe and perform any other provision of this Sublease and/or the Master Lease to be observed or performed by Sublessee where such failure continues for a period of ten (10) days after written notice thereof from Sublessor and/or Master Lessor; provided, that if the nature of such default is such that the same cannot, with due diligence, be cured within ten (10) days, Sublessee shall not be deemed to be in default if it shall within such ten (10) day period commence curing the default and thereafter diligently prosecutes the same to completion;

8.1.3. Abandonment. The abandonment (as the term "abandonment" is defined in the Franchise Agreement) or vacation of the Subleased Premises;

8.1.4. Financial Misrepresentation. The discovery by Sublessor that any financial statement given to Sublessor by Sublessee, any permitted assignee of Sublessee, any permitted sublessee of Sublessee, any successor in interest of Sublessee or any guarantor of Sublessee's obligations hereunder, and any of them, was materially false;

8.1.5. Bankruptcy or Insolvency. (i) The making by Sublessee, or any guarantor of Sublessee, of any general arrangement or assignment for the benefit of creditors; (ii) Sublessee, or any guarantor of Sublessee, becomes a "debtor" as defined in 11 U.S.C. Section 101 or any successor statute thereto (unless, in the case of a petition filed against Sublessee, or any guarantor of Sublessee, the same is dismissed within thirty (30) days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Sublessee's assets located at the Subleased Premises or of Sublessee's interest in this Sublease, where possession is not restored to Sublessee within thirty (30) days; or (iv) the attachment, execution or other judicial seizure of substantially all of Sublessee's assets located at the Subleased Premises or of Sublessee's interest in his Sublease, where such seizure is not discharged within thirty (30) days. Provided, however, in the event that any provision of this Subsection 8.1.5 is contrary to any applicable law, such provision shall be of no force or effect;

8.1.6. Cross Default. Default by Sublessee, or any guarantor of Sublessee, under any agreement or instrument between Sublessor and Sublessee, or any guarantor of Sublessee, which permits Sublessor the right to terminate such agreements and/or instruments. Default by Sublessee, or any guarantor of Sublessee, under any agreement or instrument between Sublessor and Sublessee, or any guarantor of Sublessee, which permits Sublessor the right to terminate such agreements and/or instruments;

8.1.7. Termination of Franchise Agreement. The termination of Sublessee as a duly authorized franchisee of Sublessor and/or the termination of the Franchise Agreement (defined in Subsection 2.1); and/or

8.1.8. Franchise Agreement Default. Sublessee commits any material breach of the Franchise Agreement; Sublessee, or any guarantor of Sublessee, commits any material breach of any other instrument or agreement between Sublessor and Sublessee; and/or Sublessee, or any guarantor of Sublessee, commits any other act or omission to act which permits Sublessor the right to terminate such agreements and/or instruments. As used in this Subsection 8.1.8, the term Sublessor may also include any of Sublessor's subsidiaries.

8.2. Remedies. On any breach, default or abandonment as described in Subsection 8.1, above, and subject to the law of the State where the Subleased Premises is located, Sublessor may exercise any of the following rights and remedies provided the periods of time stated in Subsection 8.1, above, have lapsed.

8.2.1. Right of Re-Entry. In the event of any default by Sublessee, Sublessor shall have the right, with or without terminating this Sublease, to re-enter the Subleased Premises and remove all property and persons therefrom, and any such property may be removed and stored in a public warehouse or elsewhere at the cost and for the account of Sublessee. In the event that there is any such re-entry by Sublessor, Sublessor may make any repairs, additions or improvements in, to or upon the Subleased Premises which may be necessary or convenient; provided, however, that Sublessor shall be entitled to recover from Sublessee the expenses for such repairs, additions or improvements only to the extent necessary to restore the Franchised Store to the condition it was in on the commencement of the term of the Sublease, reasonable wear and tear excepted.

8.2.2. Termination of Sublease and Remedies. In the event of any default by Sublessee, then, in addition to any and all rights and remedies available to Sublessor at law or in equity, Sublessor shall have the right to immediately terminate this Sublease and all rights of Sublessee hereunder by giving written notice to Sublessee of such election by Sublessor. If Sublessor shall elect to terminate this Sublease, then it may recover the following from Sublessee: (a) the worth at the time of the award of the unpaid rent which had been earned at the time of termination; (b) the worth at the time of the award of the amount by which the unpaid rent which would have been earned after termination until the time of the award exceeds the amount of the loss of such rent that Sublessee proves could have been reasonably avoided; (c) the worth at the time of the award of the amount by which the unpaid rent for the balance of the Term after the time of the award exceeds the amount of the loss of such rent that Sublessee proves could have been reasonably avoided; (d) any other amount necessary to compensate Sublessor for the detriment approximately caused by Sublessee's default or which in the ordinary course of things would be likely to result therefrom; and (e) at Sublessor's election, such other amount in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law.

As used in (a) and (b) above, the "worth at the time of the award" is computed by allowing interest at the maximum legal rate of interest allowed by the then usury laws. As used in (c) above, the "worth at the time of the award" is computed by discounting such amount the discount rate of the Federal Reserve Bank of Denver at the time of the award plus one percent (1%).

8.2.3. Sublease Not Terminated. If Sublessor elects to not terminate this Sublease, Sublessor may either recover all minimum monthly rent or other rents or charges as they become due or relet the Subleased Premises or any part or parts thereof for such term or terms and upon such provisions as Sublessor, in its sole judgment, may deem advisable, and Sublessor shall have the right to make repairs

to and alterations of the Subleased Premises to facilitate such reletting. No re-entry or taking possession of the Subleased Premises by Sublessor under any of the provisions of this Article 8 shall be construed as an election to terminate this Sublease unless a written notice of such termination is given to Sublessee or unless the termination thereof is adjudged by a court of competent jurisdiction.

8.2.4. Election to Relet. If Sublessor shall elect to relet the Subleased Premises as provided in Section 8.2.3., then rentals received by Sublessor from such reletting shall be applied in the following order:

(a) To the payment of all costs and expenses incurred by Sublessor in connection with such reletting;

(b) To the payment of the costs of any alterations and repairs to the Subleased Premises;

(c) To the payment of any indebtedness other than rental due hereunder from Sublessee;

(d) To the payment of rental due and unpaid hereunder;

and the residue, if any, shall be held by Sublessor and applied to payments of future rental as the same may become due and payable hereunder. In no event shall Sublessee be entitled to any excess rental received by Sublessor over and above that which Sublessee is obligated to pay hereunder. Should that portion of such rental received from such reletting during any month which is applied to the payment of rental hereunder be less than the rent payable hereunder during that month by Sublessee, then Sublessee shall pay such deficiency to Sublessor immediately upon demand, and such deficiency shall be calculated and paid monthly. Sublessee shall also pay Sublessor, as soon as ascertained and upon demand, all costs and expenses incurred by Sublessor in connection with such reletting during any month which is applied to the payment of rental hereunder be less than the rent payable hereunder during that month by Sublessee, then Sublessee shall pay such deficiency to Sublessor immediately upon demand, and such deficiency shall be calculated and paid monthly. Sublessee shall also pay Sublessor, as soon as ascertained and upon demand, all costs and expenses incurred by Sublessor in connection with such reletting and in making any such alterations and repairs which are not covered in the rentals received from such reletting, as well as payment of any indebtedness other than rental due hereunder. Notwithstanding any reletting without termination by Sublessor because of Sublessee's default, Sublessor may at any time after such reletting elect to terminate this Sublease because of such default.

8.2.5. Sublessor's Right to Cure Sublessee's Defaults. Upon a default by Sublessee, Sublessor may upon five (5) days notice, or a shorter period if additional damage may result, cure such default for the account at the expense of Sublessee. If Sublessor at any time, by reason of a default by Sublessee, is compelled to pay, or elects to pay, any sum of money or to do any act that will incur the payment of any sum of money, or is compelled to incur any expense, including reasonable attorneys' fees in instituting, prosecuting or defending any actions or proceedings to enforce Sublessor's rights under this Sublease, the sum or sums paid by Sublessor, together with interest at the maximum legal rate of interest allowed by the then usury laws from time to time until paid, costs and damages shall be deemed to be additional rental under this Sublease and shall be due and payable from Sublessee to Sublessor immediately upon receipt of written demand.

8.2.6. Nonwaiver. Nothing contained in this Article 8 shall constitute a waiver of Sublessor's right to recover damages by reason of Sublessor's efforts to mitigate damages to it caused by Sublessee's default; nor shall anything in this Article 8 adversely affect Sublessor's right, as provided in this Sublease, to indemnification against liability for damage or injury to persons or property occurring prior to a termination of this Sublease.

9. Entry by Sublessor. Master Lessor and Sublessor and their authorized representatives shall have the right to enter the Subleased Premises at all reasonable times by giving twenty-four (24) hours' notice, except in the case of emergency where such notice shall not be required, for all of the following purposes:

9.1. Inspection of Subleased Premises. To determine whether the Subleased Premises are in good condition and whether Sublessee is complying with its obligations under this Sublease;

9.2. Maintenance. To perform any necessary maintenance and to make any restoration of the Subleased Premises or the building and other improvements in which the Subleased Premises are located that Master Lessor, Sublessee and/or Sublessor have the right or obligation to perform;

9.3. Notices. To post "For Rent" or "For Lease" signs during the last six (6) months of the Term, or during any period while Sublessee is in default; and/or

9.4. Show. To show the Subleased Premises to prospective brokers, agents, subtenants or persons interested in an exchange, at any time during the Term.

10. Waiver. No delay or omission in the exercise of any right or remedy of Sublessor on any default by Sublessee shall impair such right or remedy or be construed as a waiver. The receipt and acceptance by Sublessor of delinquent rent shall not constitute a waiver of any other default; it shall constitute only a waiver of timely payment of the particular rent payment involved. No act or conduct of Sublessor including, without limitation, the acceptance of the keys to the Subleased Premises, shall constitute an acceptance of the surrender of the Subleased Premises by Sublessee before the expiration of the Term. Only a written notice from Sublessor to Sublessee stating Sublessor's acceptance of Sublessee's surrender and Sublessor's agreement to terminate this Sublease shall constitute acceptance of the surrender of the Subleased Premises and accomplish a termination of this Sublease. Sublessor's consent to or approval of any act by Sublessee requiring Sublessor's consent or approval shall not be deemed to waive or render unnecessary Sublessor's consent to or approval of any subsequent act by Sublessee. Any waiver of any default by Sublessor must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Sublease.

11. Assignment and Subletting.

11.1. Prior Consent Required. Sublessee shall not voluntarily assign, transfer, sublet or encumber its interest in this Sublease or in the Subleased Premises without first obtaining Sublessor's consent, which may or may not be granted at the sole discretion of the Sublessor. This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or subletting by operation of law.

11.2. Franchise Agreement. Should Sublessor, as the Franchisor, consent to the assignment of the Franchise Agreement, in accordance with the terms of the Franchise Agreement, the Sublessee shall sublease or assign this Sublease to the same assignee upon Sublessee's receipt of such consent.

11.3. No Release. Notwithstanding any assignment or sublease with the consent of Sublessor, the Sublessee shall remain fully liable on this Sublease and shall not be released from performing any of the terms, covenants and conditions of this Sublease. No consent to any assignment, transfer, encumbrance or sublease by Sublessor shall constitute consent to any subsequent assignment, transfer, encumbrance or sublease.

11.4. Master Lessor's Consent. Sublessee recognizes and agrees that Sublessor may be required to obtain Master Lessor's consent prior to Sublessee assigning, transferring, encumbering or subleasing its interest, or any portion thereof, herein. Sublessor shall exercise due diligence in attempting to obtain Master Lessor's consent, but Sublessor shall not be responsible for any delay in granting or denying its consent caused by Master Lessor's response time, nor shall Sublessor be responsible for failing to receive Master Lessor's consent to any such assignment, transfer, encumbrance or sublet.

12. Modification; Entire Agreement. This Sublease cannot be amended or modified except by written agreement of the parties hereto. This Sublease, and those portions of the Master Lease that are incorporated herein, contain the entire understanding of the parties with respect to the matters contained therein and herein, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose.

13. Counterparts/Recitals/Exhibits. This Sublease (and all parts hereof) may be executed in counterparts and all counterparts together shall be construed as one agreement. The recitals set forth in the introductory paragraphs and the exhibits attached hereto are incorporated herein by this reference and made a part hereof.

14. Joint and Several Liability. Each party executing this Sublease on behalf of Sublessee shall be jointly and severally liable for the performance of all obligations of Sublessee required hereunder. A separate action may be brought against either party signing on behalf of Sublessee whether such action is brought or prosecuted against the other or any guarantor of Sublessee, or all, or whether any other such parties are joined in the action.

15. Authority. 7. Maker shall become insolvent, or make a transfer in fraud of creditors, or make a general assignment for the benefit of creditors;

8. Final judgment or judgments (after the expiration of all times to appeal therefrom) for the payment of money in excess of $10,000 in the aggregate shall be rendered against Maker and the same shall not be (i) fully covered by insurance, or (ii) vacated, stayed, bonded, paid or discharged for a period of 15 days;

13. The dissolution, liquidation or business failure of Maker; or

14. Any representation or warranty in the Loan Agreement or this Note or in any written statement pursuant thereto or hereto, report, or certificate made or delivered to Holder by Maker shall be untrue or incorrect in any material respect, as of the date when made or deemed made;

15. The Collateral or any part thereof or interest therein is sold, conveyed, transferred, pledged, mortgaged, leased or hypothecated, outside the normal and ordinary course of business and/or in violation of this Note or any of the other Loan Documents; or

16. The assignment or transfer of the Note or any obligation of Maker and Co-Makers under this Note without Holder's consent (with consent shall be granted or withheld in Holder's sole discretion); or

17. Any other event shall have occurred which would have a material adverse effect on Maker, and Holder shall have given Maker at least 10 days notice thereof.

The legal remedies of Holder as provided in this Note and the other Loan Documents or otherwise at law or in equity, shall be cumulative and concurrent, and may be pursued singularly, successively or together against the Maker, Co-Makers, the guarantors and/or the Collateral described in the Security Instruments.

From and after the maturity of the Note, whether by acceleration or otherwise, or from occurrence of an Event of Default hereunder, or under any of the other Loan Documents including, without limitation, the failure to make any payment on the date due (notwithstanding that Maker may be afforded a cure period) until such default is cured, the entire amount of principal, interest and other amounts remaining unpaid hereunder shall bear an interest rate equal to 18% per annum, or the highest interest rate permitted by law, whichever is lower (the "Default Interest Rate"). This Default Interest Rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to the Note.

Any delay or omission on the part of Holder hereof in exercising any right hereunder shall not operate as a waiver of such right or remedy, or any additional right or remedy, on any future occasion.

This Note is entered into for a business and commercial purpose and the proceeds hereof will not be used primarily for personal, family, agricultural or household purposes. Maker realizes and acknowledges that the provisions of the Federal Regulation Z ("Truth-In-Lending") of the Federal Reserve Board do not apply to, nor govern this transaction.

If any interest rate, fee or cost provided for herein or in the other Loan Documents shall exceed that which is allowed pursuant to any applicable statute or law, such amount shall be deemed by the parties hereto to be modified so as to conform to and equal the maximum amount allowed by such statute or law. All sums paid hereunder in excess of those lawfully collectible as interest, damages, penalties, fees or costs shall, without further agreement or notice between or by any party hereto, be applied toward reduction of the principal hereof with the same force and effect as though such extra sums were specifically designated to be so applied to principal and Holder had agreed to accept such extra payment as a premium-free prepayment, or if there is then no outstanding principal indebtedness owed to Holder by Maker hereunder, or if such outstanding principal indebtedness is less than the amount to be applied as a reduction, such excess shall be refunded by Holder to Maker.

This Note is the joint and several obligation of Maker, Co-Makers, and any sureties, guarantors and endorsers without regard to liability of any other party and is binding on them, their executors, administrators, successors and assigns; and each of such persons or entities liable or to become liable on this Note jointly and severally waive delinquency in collection, presentment for payment, demand for payment, protest and notice of protest, demand and dishonor and nonpayment of this Note and all duty or obligation of Holder to effect, protect, perfect, retain or enforce any security for payment of the Note; and consent to any and all renewals and extensions in the time of payment hereof, and to any further and additional advances of funds made hereunder by Holder in excess of the amount set forth herein; and agree, further, that at anytime without notice the terms of payment herein may be modified or the security described in the Security Instruments may be released in whole or in part or increased, changed or exchanged by agreement between Holder and any owner of the property affected by the other Loan Documents; and that additional makers, sureties, guarantors or endorsers may become liable hereon or existing makers, sureties, guarantors or endorsers may be released, without in any way affecting the liability of any party to this Note or any person or entity liable or to become liable with respect to any indebtedness evidenced hereby.

In the event it should become necessary for Holder to employ counsel for advice regarding the Note and/or any of the other Loan Documents, any default under this Note and any of the other Loan Documents, or to respond, intervene or otherwise become involved in any suit or proceeding relating to this Note and/or the other Loan Documents, or to collect payment on or enforce the obligations of this Note and/or any of the other Loan Documents, or to protect or foreclose the security given in connection herewith, Maker agrees to pay upon demand reasonable attorneys' fees incurred by Holder for services of

such counsel, whether or not suit is brought, plus costs incurred in connection therewith, including interest thereon at the Default Interest Rate.

The terms and provisions of this Note are intended to be and shall be governed, interpreted and construed pursuant to the internal laws of the State of Colorado applicable to promissory notes, without reference to any choice or conflict of law principles. All accounts and proceedings in any way arising out of, related to, or connected with this Note brought by Holder against Maker shall be litigated in courts located in the City and County of Denver, Colorado, and Maker submits to the personal jurisdiction of such courts.

If any provision hereof is in conflict with any applicable statute or law and is determined to be invalid or unenforceable, then each such provision shall be deemed null and void, but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof. Any terms that are capitalized in this Note but are not defined in this Note that are capitalized and defined in the Franchise Agreement shall have the respective meanings set forth in the Franchise Agreement.

Any notice, request, consent and demand which is required or given hereunder shall be in writing and shall be deemed effective and received (a) upon personal delivery to the proper party, (b) three (3) business days after deposit in the United States mail by registered or certified mail, postage prepaid, return receipt requested, addressed to the proper party at the address stated below, or (c) one (1) business day after deposit with an air express carrier, fare prepaid, addressed to the proper party at the address stated below. Each of the parties hereto may designate such other address as either of such parties may hereafter specify in writing to the other party.

This Agreement may be executed in counterparts, and all counterparts shall constitute one and the same document. This Note may not be amended or modified except by an instrument in writing expressing such intention executed by the parties sought to be bound thereby which writing must be so firmly attached to this Note as to become a permanent part thereof.

9.16. The Debtor shall maintain such Collateral pursuant to the terms of any Franchise Dealer Agreement(s) and as may from time to time be required by Secured Party.

9.17. Debtor shall assemble the Collateral and make the Collateral and all records relating thereto available to Secured Party at a place to be designated by Secured Party that is reasonably convenient for both parties. If notice is required, Secured Party shall give to Debtor at least five (5) days' prior written notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition is to be made.

11.2. Notwithstanding the foregoing, Secured Party has no obligation to clean-up or otherwise prepare the Collateral for sale.

11.3. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if it takes such action for that purpose as Debtor shall request, but failure to honor any such request shall not of itself be deemed a failure to exercise reasonable care. Secured Party shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties nor to protect, preserve or maintain any security interest given to secure any of the Collateral. Debtor waives any right it may have to require Secured Party to pursue any third person for any of the Obligations.

If Secured party in good faith believes that any state or federal law prohibits or restricts the customary manner of sale or distribution of any of the Collateral, Secured Party may sell such Collateral privately or in any other manner deemed commercially reasonable by Secured Party at such price or prices as Secured Party determines in its sole discretion. Debtor recognizes that such prohibition or restriction may cause the Collateral to have less value than it otherwise would have and that, consequently, such sale or disposition by Secured Party may result in a lower sales price than if the sale were otherwise held.

11.5. To the extent allowed by law, Debtor shall pay Secured Party all expenses of retaking, holding, preparing for sale, selling and the like, including reasonable attorneys' fees and legal expenses, and such costs shall be paid out of the proceeds of disposition of the Collateral. Such proceeds may be applied to the Obligations in any order of priority.

11.6. As a supplementary or additional remedy, Secured Party shall also be entitled, without notice or demand and to the extent permitted by law, to exercise or continue all of the rights granted to Secured Party above and/or to have a receiver appointed, upon ex-parte application, without notice to Debtor, to take charge of all or any part of the Collateral, exercising all of the rights granted to Secured Party above.

11.7. Secured Party may recover from Debtor any deficiency between the amount due under any of the Obligations and the proceeds of such sale or disposal together with all costs and expenses, including, without limitation, reasonable attorneys' fees incurred or paid by Secured Party in exercising any right, power or remedy provided by this Security Agreement or by law.

11.8. Notwithstanding that which is granted and provided herein, Secured Party shall be under no duty to exercise, or to withhold the exercise of any of the rights, powers, privileges and options expressly or implicitly granted to Secured Party under this Agreement, and shall not be responsible for any failure to do so or delay in doing so.

12. **Collection of Accounts.** Until revocation of this authority, Debtor, as agent of Secured Party, and at the expense of Debtor:

12.2. Shall receive such goods as may be returned or rejected by or repossessed from account debtors, and, upon an event of default as set forth in Section 10 hereof, hold such goods and the proceeds therefrom in trust for the account of Secured Party, separate and identified by suitable markings as Secured Party's property, without intermingling them with Debtor's property, and remit promptly any proceeds of sales or lease of such goods in the manner described in Section 13 below.

12.3. May, in the ordinary course of business, grant to account debtors any rebate, refund or allowance to which they are entitled, and in connection therewith may accept the return of any goods, the sale or lease of which gave rise to the accounts.

13. **Payment of Proceeds to Secured Party.**

13.1. After an event of default as set forth in Section 10 hereof, Debtor shall receive all payments with respect to the Collateral in trust for Secured Party, without intermingling them with any other funds or property of Debtor and (until such authority is revoked or different instructions are given by Secured Party) shall immediately deliver them to Secured Party in the exact form received, bearing Debtor's full-recourse endorsement or assignment when necessary, for application on the Obligations in any order of priority determined by Secured Party. Debtor shall have the liability of a general endorser with respect to such payments and hereby waives presentment, notice of dishonor, protest, demand and all other notices with respect thereto, whether or not Debtor endorses the instruments or other evidences of payment and regardless of the form of payment or Debtor's endorsement or assignment thereon.

13.2. After an event of default as set forth in Section 10 hereof, at the election of Secured Party, all payments described in the preceding Section 13.1 shall be deposited in a separate bank account maintained by Secured Party (the "Collateral Account"), from which Debtor shall have no right to withdraw funds. All instruments evidencing payment shall be deposited in the Collateral Account subject to final payment, and all deposits therein shall be held as security for the Obligations. From time to time in its discretion, Secured Party may (and if requested by Debtor shall, but not more often than once a week) apply all or any of the balance in the Collateral Account to payment of the Obligations in any order of priority determined by Secured Party. Additionally, Secured Party in its discretion may release all or any of the balance in the Collateral Account to Debtor.

14. **General.**

14.1. The terms "Debtor," "Debtor's Business," "Secured Party," "Collateral" and "Obligations" are defined in paragraphs 1, 2, 3 and 6. Where Debtor and the obligor on the Obligations are not the same, the term "Debtor" herein means the owner of the Collateral in any provision dealing with the Collateral, the obligor in any provision dealing with the Obligations, and both where the context so requires.

14.2. No defaults shall be waived by Secured Party except in writing and no waiver of any payment or other right under this Agreement shall operate as a waiver of any other payment or right.

14.3. Secured Party may assign or transfer its rights under this Agreement to any transferee. Debtor hereby agrees that; (a) on such assignment or other transfer, all rights, powers and remedies of Secured Party hereunder shall belong to and be exercisable by the transferee, and, on receipt of notice of such assignment or other transfer, Debtor will tender performance of Debtor's obligations hereunder, if requested, to such transferee rather than to Secured Party; (b) upon delivery of Secured Party's security interest in the Collateral to the transferee, Secured Party shall thereafter be fully discharged from all responsibility with respect to such Collateral; and (c) in any action brought by the transferee against Debtor to recover any sums under this Agreement or to recover possession of the Collateral, Debtor will not assert as a defense, counterclaim, set off, cross complaint, or otherwise, any claim, known or unknown, which Debtor now has or hereafter acquires against Secured Party.

14.4. If there is more than one Debtor, all of the terms and conditions of this Agreement shall apply to each and any of them jointly and severally.

14.5. Without affecting any Obligations of Debtor under this Agreement, Secured Party without notice or demand may renew, extend or otherwise change the terms and conditions of any of the Obligations; take or release any other collateral as security for any of the Obligations, and add or release any guarantor, endorser, surety or other party to any of the Obligations.

14.6. Any notice, request, consent and demand which is required or given hereunder shall be deemed delivered when a record has been (a) personally delivered to the proper party, (b) transmitted through the Internet, (c) three (3) business days after deposited in the United States mail by registered or certified mail, postage prepaid, return receipt requested, addressed to the proper party at the address stated on the first page hereof, or (d) one (1) business day after deposited with an air express carrier, fare prepaid, addressed to the proper party at the address stated on the first page hereof. Each of the parties hereto may designate such other address as either of such parties may hereafter specify to the other party in accordance with this Section 14.6.

14.7. A carbon, photographic or other reproduction of this Agreement or a financing statement shall be sufficient as a financing statement.

14.8. All of the rights of Secured Party under this Agreement shall be cumulative and shall inure to the benefit of its successors and assigns. All obligations of Debtor hereunder shall be binding upon the heirs, legal representatives, successors or assigns of Debtor.

14.9. Any provision hereof contrary to, prohibited by, or invalid under applicable laws or regulations shall be inapplicable and deemed omitted herefrom, but shall not invalidate the remaining provisions hereof. Debtor acknowledges receipt of a true copy and waives acceptance hereof.

14.10. This Agreement may be signed in one or more counterparts, each of which shall have the effect of an original, but all such counterparts shall be deemed one and the same agreement.

(3) After any inspection or diagnostic test but prior to initiating any maintenance and repair work, the Participating Facility must provide the customer a written statement setting forth the type of work to be performed in accordance with the Uniform Inspection & Communication Standards, whether that work is REQUIRED or SUGGESTED, and the estimated price to properly repair the vehicle showing both the merchandise and labor prices for the repair or service. The Participating Facility agrees specifically to comply with all federal, state and local laws regarding preparation of repair estimates and invoices as well as paragraph fourteen (14) of this Agreement.

(4) The Participating Facility must warranty the materials and workmanship of the repairs, parts and components for a minimum period of 90 days or 4,000 miles, whichever comes first, following completion of the minimum services and/or repairs by the Participating Facility. Revised 2014-07-01

A copy of the invoice must be given to the customer upon payment for service.

(6) The Participating Facility agrees that in the event of a customer complaint, the Participating Facility will use reasonable good faith efforts to resolve the complaint.

(7) AMRA has and shall exercise no right to control the manner or methods employed by the Participating Facility in performing any automotive services or repairs. This Agreement may be terminated by AMRA by giving the Participating Facility a written ten day notice of termination. A notice shall be deemed effective upon delivery if personally delivered, or forty-eight (48) hours after deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested. AMRA may terminate this Agreement for any reason including, but not limited to, any violation of any provision of this Agreement or the standards and policies established by AMRA governing the disqualification and loss of participation. The Agreement is deemed terminated on the date AMRA sends the notice of termination.

(10) The Participating Facility agrees that, except as provided in paragraphs 12, 13 and 14 hereof, no signs, insignia, stationery or any advertising whatsoever indicating that the Participating Facility participates or has participated in the MAP Program shall be displayed, published or otherwise used, unless first approved by AMRA in writing.

(b) Upon the expiration or earlier termination of each Franchise Agreement subject to this Agreement, and during the Restrictive Period, Big O agrees not to market to any Local Customer of the Authorized Location subject to the terminated Franchise Agreement, provided that (i) at the time of the expiration or termination of the Franchise Agreement, and at all times during the Restrictive Period, Franchisee is in full compliance with all of the termination provisions of the Franchise Agreement, including all on-going post termination provisions (ii) Franchisee provides Big O with written notice of such affirmative compliance within thirty (30) days of the expiration or termination of the Franchise Agreement, and at such other times as Big O may reasonably request; and (iii) Big O does not dispute such affirmative compliance in writing within fifteen (15) days of receipt of said written notice. However, should Big O dispute the affirmative compliance within the fifteen (15) day time frame provided in this subsection, then the parties acknowledge and agree that the dispute shall be submitted to the Franchise Advisory Council to resolve. The Franchise Advisory Council shall have sixty (60) days in which to render its decision, which decision shall be binding on Big O and Franchisee. Until the Franchise Advisory Council has rendered its decision, Big O agrees that it will not market to any Local Customer of the Authorized Location.

(c) Notwithstanding the foregoing, Big O and any franchisee of Big O may be permitted to access that portion of the Consumer Database related to a Local Customer of a Authorized Location subject to an expired or terminated Franchise Agreement prior to the expiration of the Restrictive Period solely for purposes of providing warranty work and follow-up responses thereto if such customer visits another franchisee of Big O to have warranty work performed. The provision of warranty services only shall not allow Big O to market to that Local Customer in violation of subpart (b) of this Section 4 above.

(d) Upon the expiration or earlier termination of any Franchise Agreement subject to this Agreement, the information and history of all customers of Franchisee other than Local Customers shall remain in the Consumer Database and shall not be subject to any restrictions on use by Big O or other franchisees of Big O.

(e) Except as otherwise described in this Agreement, Big O shall hold in confidence all Shared Information provided by Franchisee and shall not, without Franchisee's consent, make any disclosure of any Shared Information which will identify the customer and/or Franchisee, individually, or its Authorized Locations for the purpose of marketing to customers identified in the Consumer Database, or using the Shared Information to determine the location of non Big O stores. Big O may, however, aggregate data from Franchisee's Authorized Locations with other Big O Tires retail store data for the purposes of determining, analyzing, communicating and in other ways using trend data with Big O's affiliated companies, manufacturers and marketers.

5. Obligations under License Agreement.

(a) Franchisee shall perform in a timely manner all of its obligations under the License Agreement, whether owing to Navex or Big O, including without limitation, making timely payments to Navex or Big O which are required under the terms of the End User License Agreement.

(b) Big O shall have the right to enforce Franchisee's performance of its obligations to Big O and Navex under the End User License Agreement to the same extent as if Big O was a party to the End User License Agreement.

6. Termination. Upon expiration or earlier termination of Franchisee's Franchise Agreement with Big O, this Agreement and any license granted Franchisee pursuant to this Agreement, and any related documents thereto, shall be immediately terminated. Franchisee hereby represents and warrants that it will cease to use any proprietary Big O systems and will comply in every respect with the terms and conditions of the License Agreement and Franchise Agreement upon such termination. The parties acknowledge and agree that the standard software products from Navex, as referenced in the second sentence in Section 4.3 of the License Agreement, are not proprietary to Big O.

7. Transfer. In the case of the transfer of a Franchise Agreement, all rights to license under this Agreement may be transferred by the Franchisee to the transferee, provided such transferee has received a non-contingent approval by Big O in accordance with the transfer provisions of the Franchise Agreement. The transfer of this Agreement shall be at no additional costs to Franchisee or the transferee in excess of the transfer fee as set forth in the applicable Franchise Agreement.

8 Incorporation of Recitals. The Recitals noted above are incorporated into, and made a part of, the terms of this Agreement.

9. Survival of Representations and Warranties. Upon termination of the Franchise Agreement, this Agreement shall be simultaneously terminated and be of no further force or effect, except that the provisions of Section 4 shall survive during the Restrictive Period.

6. Non-infringement. Licensor warrants that Licensor owns the software licensed by Licensor to Licensee hereunder ("Licensed Software," which term will not include any software licensed by Licensee from a third party even if Licensor assisted in or recommended the licensing of such software), including all associated intellectual property rights, and has the right to grant Licensee the rights and licenses provided pursuant to this Agreement, free from all restrictions except those provided for herein. Notwithstanding the foregoing, Licensor shall have no liability for, nor shall it be required to indemnify, defend or hold Licensee harmless from or against any claim based on: (i) use of a prior version of Licensed Software that is not in accordance with the terms of this Agreement; (ii) use of the Licensed Software that is not in accordance with the terms of this Agreement; or (iii) any modification of the Licensed Software or use of the Licensed Software with other software which modification or use is not made or authorized by the Licensor to the extent the Licensed Software would not be infringing in the absence of such modification or use. In no event will Licensor's aggregate liability based on one or more claims of infringement exceed $10,000.

8. Payment Terms.
   a. Monthly Subscription Fees. Licensee shall pay a Monthly Subscription fee as set forth in Schedule B of this Agreement. Licensee shall have the right to use the Software System and receive the Software Maintenance benefits defined in Schedule C of this Agreement for as long as the Monthly Subscription fees are paid current.

All consulting, programming, training, implementation, installation, and/or support fees which are incurred pursuant to this Agreement shall be billed by Licensor and paid on a monthly basis in arrears at the hourly rates specified in Schedule D. All travel and related expenses will be billed weekly in arrears at cost.
   c. The Fees set forth in Exhibit B are exclusive of any taxes. When applicable, Licensor will invoice the fees as agreed in Exhibit B, plus sales tax (including transaction privilege tax, value added tax, goods and services tax, or any similar tax collectible by law by Licensor). Licensor has registered to collect and remit sales tax in the state and local jurisdictions only where Licensor has determined that it is required to collect and remit sales tax. If the applicable Software System are invoiced with a shipping address in a jurisdiction where Licensor is not registered to collect and remit sales tax, then Licensee will make its own use tax determination. Licensor will not be responsible

for charging and collecting sales or use tax in jurisdictions where Licensor has determined it is not required to collect and remit sales tax. Except as described above, nothing in this Agreement shall be construed to shift the incidence of or liability for any tax between the parties. Each party will account for and pay its own income taxes imposed (including by withholding or other means) by any competent governmental authority on any payments made and costs incurred in relation to this Agreement. If Licensee is required by law to withhold or deduct any amount from its payments to Licensor, Licensee will provide Licensor with an official tax receipt or other appropriate documentation to support such withholding. The parties will cooperate to more accurately determine and minimize, to the extent commercially reasonable, their respective tax liabilities. Each party will provide tax information or tax documents reasonably requested by the other party. Each party will promptly notify the other of any claim for taxes asserted with respect to this Agreement by a taxing authority with jurisdiction over either party.

9. Ownership and Property Rights. Licensor represents that it has the right to grant Licensee a License for the use of the Software System. The Software System and all associated materials and rights, including, but not limited to, any copyrights, patents, design copyrights, trademarks, and trade secrets shall be and shall remain the sole and exclusive property of the Licensor. Licensee shall have rights in the Software System only as set forth in this Agreement. Licensee shall take reasonable steps to protect Licensor's legal rights in the Software System whether of copyright, patent, or other intellectual property right and Licensee shall promptly advise the Licensor of any infringement of such rights of which it obtains knowledge. Licensee may not incorporate the Software System into or use it with any other program without the prior written consent of Licensor. In the event such consent is given, Licensor assumes no responsibility and disclaims all liability for any attempt to so incorporate or use the Software System or the results thereof.

   Licensee agrees that it will not modify, enhance, approve, or alter the Software System without the Licensor’s consent, which may be withheld in its absolute discretion. Any and all enhancements, improvements, alterations, or amendments to the Software System, whether made by Licensor or Licensee (with or without Licensor’s consent) shall become part of the Software System and all rights thereto shall belong to Licensor and, with respect to any of the same created by Licensee, Licensee agrees to execute any documents requested by Licensor in order to confirm in and assign to Licensor all rights thereto.

10. Warranties. For a period of sixty (60) days after the date of installation of the Software System, Licensor warrants that the Software System, when used as permitted under this Agreement will perform substantially in accordance with Licensor’s standard specifications.
    a. Any claims under this warranty must be in a writing specifically describing the defect and delivered to Licensor within sixty (60) days after the date of delivery of the Software System. If the Software System is claimed to be defective by Licensee and such defect is reproducible and verified by Licensor, Licensor's sole obligation under this warranty is to remedy such defect within a reasonable time or return the purchase price in exchange for the termination of this Agreement and the License.
    b. If, during the sixty (60)-day warranty period, Licensee makes any modifications to the Software System or uses the Software System with hardware or software that has not been approved by Licensor, this warranty shall immediately be terminated, and Licensor will have no liability hereunder. Licensor’s time, materials and expenses for investigating warranty claims that Licensor determines are traceable to Licensee's errors or Software System changes shall be billed to Licensee at Licensor's standard time and material charges.

11. Disclaimer and Limitation of Liability.
    The Licensee acknowledges that in acquiring and licensing the Software System that the Licensee relied on its own skill and judgment in the selection of the Software System and in determining the use and result which the Licensee intends to obtain from the Software System. The Licensee further acknowledges that no promise, representation, or warranty has been made by Licensor in respect of the profitability, benefits, or any other consequences of the use of the Software System, or in respect of the suitability of the Software System to the operations and business of the Licensee.

    EXCEPT FOR THE LIMITED WARRANTY EXPRESSLY STATED IN PARAGRAPH 10, THE SOFTWARE SYSTEM IS PROVIDED “AS IS” AND LICENSOR HEREBY EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES OF ANY KIND OR NATURE, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE. LICENSOR DOES NOT WARRANT OR REPRESENT THAT THE SOFTWARE SYSTEM WILL BE FREE FROM ERROR OR THAT ITS USE WILL BE UNINTERRUPTED OR ERROR FREE, AND DOES NOT MAKE ANY OTHER REPRESENTATIONS REGARDING THE USE OR RESULTS OF USE, OF THE SOFTWARE SYSTEM IN TERMS OF ACCURACY, RELIABILITY, OR OTHERWISE.

    LICENSOR SHALL HAVE NO LIABILITY RELATING TO THIS AGREEMENT, THE SOFTWARE MAINTENANCE SERVICES, OR THE SOFTWARE SYSTEM FOR ANY LOSS OF USE OR GOODWILL, INTERRUPTION OF BUSINESS, LOSS OR INACCURACY OF BUSINESS INFORMATION OR DATA, LOST PROFITS, COSTS OF PROCUREMENT OF SUBSTITUTE SERVICES, OR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL

DAMAGES OF ANY KIND REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY, OR OTHERWISE, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LICENSOR'S LIABILITY TO THE LICENSEE ARISING FROM OR RELATING TO THIS AGREEMENT, THE SOFTWARE MAINTENANCE SERVICES, OR THE SOFTWARE SYSTEM, REGARDLESS OF THE FORM OF ACTION (WHETHER IN CONTRACT, TORT, STRICT PRODUCT LIABILITY, OR OTHERWISE), EXCEED THE AMOUNTS PAID BY LICENSEE UNDER THIS AGREEMENT. THIS LIMIT IS FOR ONE OR MORE CLAIMS, AND THE EXISTENCE OF MORE THAN ONE CLAIM SHALL NOT ENLARGE THE LIMIT. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS PARAGRAPH 11 IS AN ESSENTIAL ELEMENT OF THIS AGREEMENT AND THAT, IN ITS ABSENCE, THE ECONOMIC TERMS OF THIS AGREEMENT WOULD BE SUBSTANTIALLY DIFFERENT.

12. Termination:
    a. Licensor shall have the right to terminate this Agreement and the License granted herein without refund to the Licensee:
        i. At any time by giving thirty (30) days' written notice in the event that the Licensee, or any of its respective officers or employees violates any provisions of this License Agreement including, but not limited to, payment of amounts due Licensor by Licensee and fails to cure such violation within a thirty (30)-day period. Such termination by Licensor shall not relieve Licensee of its obligation to pay any and all amounts due to Licensor.
        ii. In the event that the Licensee terminates or suspends its business, initiates or becomes subject to any bankruptcy or insolvency proceeding under federal or state statute or becomes insolvent or becomes subject to control by a trustee, receiver or similar authority, the Licensor may terminate this Agreement, the License and the Software Maintenance Services by giving written notice to the Licensee provided that the Licensee shall pay to the Licensor all unpaid license fees and support fees under this Agreement, whether initially payable before or after the date of such termination.
        iii. Notwithstanding the foregoing, the Licensor shall have the right, at any time, by notice to Licensee to terminate this Agreement, the License, and/or the Software Maintenance Services and take immediate possession of the Computer Software and all copies thereof, wherever located in the event Licensee violates any provision of Paragraphs 4 or 7 of this Agreement. Licensor agrees to notify Licensee in the event of termination with a formal notification and thirty (30) days written notice to cure any violation.
        iv. Within five (5) days after termination of the License, Licensee will return to Licensor the Computer System, in the form provided by Licensor or as modified by the Licensee and all copies of all or any part of the Computer System, or, upon request by Licensor, destroy the Computer System and all copies, and, in either case, certify in writing that the Computer System and all copies of all or any part of the Computer System have been returned or destroyed. Upon any termination of this Agreement, the provisions of Paragraphs 4(e), 4(g), 7, and 11 will survive and remain in effect.

In the event that the Licensor (A) terminates or suspends its business, (B) initiates or becomes subject to any bankruptcy or insolvency proceeding under federal or state statute or (C) becomes insolvent or becomes subject to control by a trustee, receiver or similar authority, the Licensee may terminate the Agreements by giving written notice to the Licensor.
        iii. At any time after March 1, 2023, by providing Licensor with thirty (30) business days' notice in writing, provided that Licensee returns the Computer Software and all copies thereof and pays for any outstanding amounts owed for the Authorized Computer.

Licensee has not relied upon any representation or statement by Licensor or its employees or representatives other than those contained in this Agreement.

d. Separability. If any provision of this Agreement or the application of such provision to any person or circumstance shall be held to be illegal, invalid or unenforceable or in conflict with any applicable law of the United States, any state thereof, or any other government authority, the remainder of this Agreement, or the applications of such provisions to persons or circumstances other than those as to which it is held illegal, invalid, unenforceable, or in conflict, shall not be affected thereby.

e. No Assignment. The Licensee shall not, directly or indirectly, assign or sublicense (whether voluntarily, involuntarily, by way of merger, by operation of law, or otherwise) this Agreement or the Computer System or the Source Code if it has subsequently been licensed, in whole or in part, without the prior written consent of Licensor, which may be withheld in its absolute discretion and any attempt to do so shall be null and void and shall give Licensor the right to terminate this Agreement upon written notice to Licensee and pursue its remedies for breach of this Agreement by Licensee. Notwithstanding the foregoing, either party may assign this Agreement to any parent, subsidiary or affiliate and to any successor to its business, whether by merger, sale of assets, or otherwise.

l. Consent of Licensor by Officer. If any provision of this Agreement requires the consent of Licensor, such consent shall be deemed not to have been given until and unless such consent is given in writing signed by an authorized officer of Licensor.

m. Force Majeure. Any delay in the performance of any duties or obligations of either party (except the payment of money owed) will not be considered a breach of this Agreement if such delay is caused by a labor dispute, market shortage of materials, fire, earthquake, or other event beyond the control of such party; provided that such party uses reasonable efforts, under the circumstances, to notify the other party of the circumstances causing the delay and to resume performance within a commercially reasonable period of time.

n. Specific Performance. Licensee recognizes and acknowledges that there is no adequate remedy at law for any breach by it of Paragraphs 4 or 6 of this Agreement, and that such breach would irreparably harm Licensor and that Licensor is entitled to equitable relief (including, without limitation, an injunction) with respect to any such breach or potential breach, in addition to all other remedies available at law or in equity.

LICENSEE AGREES THAT EPICOR SHALL BE A THIRD-PARTY BENEFICIARY OF THIS AGREEMENT, AND ENTITLED TO FULLY ENFORCE THE RESTRICTIONS AND ENJOY THE FULL BENEFIT OF THE PROTECTIONS CONTAINED HEREIN. Note: A VPN setup is recommended for secure multi-store communication for those installing their own network, and RDP is recommended for remote access to Home Office or A machines. Firewalls for protection against unauthorized access via the internet should be utilized, but software firewalls on the computer can affect specific applications, and some will not run at all. It is recommended that the Windows firewall be disabled, and all firewall settings should be set up in the router or gateway. Here is a list of vital applications that need access or be allowed to be port forwarded:

- Port 80 traffic
- File & Print sharing services.
- Port 443 (SSL), please get in touch with us for recommended network and setup specifications.

HARDWARE EXAMPLE ENVIRONMENT

Below is a list of the minimum and recommended system requirements for an ideal Multi-Store or Single Store environment.

The following requirements assume both the Home Office and POS will not be running any other applications or services other than Navex software and Microsoft SQL® Server 2017. If additional services are running, additional resources will be necessary:

System Requirement	Minimum	Recommended
Dedicated Windows 10 A machine – with up to 5 Workstations	• Microsoft Windows® Internet Browser Edge • Intel i5 or higher • 16 GB DDR RAM, • 500 GB hard drive	• Microsoft Windows® Internet Browser Edge • Intel® i7 or Higher • 32 GB DDR RAM, • Solid-state storage: (2) 500 GB **SSD** hard drive on RAID1
Dedicated Windows Server with up to 10 Workstations	• Microsoft Windows® Server 2016 • Intel i7 or Xeon 2GHz • 16 GB DDR RAM, • 500 GB Hard Drive	• Microsoft Windows® Server 2019 • Intel® Xeon 2 GHz CPU or higher • 64 GB DDR RAM, • Solid-state storage: (2) 500 GB **SSD** on RAID1 • Dedicated graphics card with memory is recommended • Smart-UPS #
Dedicated Windows Server Requirement with up to 25 Workstations	• Microsoft Windows® Server 2016 • Intel Xeon® CPU. • 32 GB DDR ECC RAM, • Solid-state storage: (2) 1 TB **SSD** hard drive on RAID1 • Dedicated graphics card with memory is recommended • Smart-UPS #	• Microsoft Windows® Server 2019 • Intel Xeon® CPU • 128 GB DDR ECC RAM, • Solid-state storage: (2) 1 TB **SSD** hard drive on RAID1 • Dedicated graphics card with memory is recommended • Smart-UPS #

Any automated uninterrupted power supply that will auto shut down if the power goes off. This helps to prevent data corruption and hardware failure.

TERMINAL SERVER\REMOTE DESKTOP PROTOCOL (RDP) CONSIDERATIONS

POS and Home Office can run on Terminal Server configurations. Terminal Servers are dedicated computers that accept remote user connections to the software. Since terminal servers are capable of having several dozen connections, there are several requirements:

- Minimum bandwidth for a useable RDP session should be greater than 300- 700Kbps per user
- 1024x768 @256 colors – 700Kbps per session, and each increase in screen resolution or color depth requires about 3-4 Kbps more bandwidth.
- RAM for each RDP Session > 512 MB per user in addition to what their applications need (can easily exceed 1GB ram per user). This is on top of the RAM that you need for the base OS.
- Quad-Core processors are recommended for better performance.
- Server 2016 or newer.
- Dedicated graphics card with memory is recommended

When updating software, all users must be logged out of their terminal service (RDP) sessions before updating the software to prevent caching old session information and taking up memory resources during the update. Depending on the circumstances and environment, Navex support personnel may not have access to update Terminal Servers. It will need the support team onsite to update the server with the direction of Navex support.

OTHER CONSIDERATIONS

Anti-Virus Considerations:

- Virus protection on each system is recommended, and Anti-virus software should be configured to exclude .dbf, .fpt, .cdx file extensions.
- DO NOT USE (under any circumstance) any variation of Norton: even when configured with proper exclusions for files/folders, it still regularly blocks our processes and/or deletes our executables
- Carbonite has been problematic in the past. However, that is due to the 'default' install configuration. With this config, it auto-backs up all files regularly throughout the day. This leads to database files being 'locked' (currently backing up) at the same time the system tries to use them, which results in a cascade of errors and issues.
- Carbonite can be manually configured to only run backups at certain times (ex: auto-backup files daily at 11 pm)

Monitor Considerations:

- We recommend flat-panel monitors with a 21" viewable area or more. The Suggested resolution setting is 1920 x 1080 or higher.

Backup Considerations

- Navex has created a nightly database backup routine to create a copy of all FoxPro and SQL database files locally**. A nightly remote off-site backup of these files is highly recommended.**

Connectivity Suggestions and Considerations:

- For optimal business internet connectivity and daily reliability, a high-speed internet connection is suggested.
- Business-class connectivity with a guaranteed uptime (SLA) should be used whenever possible. Cable, DSL, and Satellite are not considered business-class services and have lower reliability and response times.
- As reliance depends more and more on the internet and the applications you use are only available when the internet is up, this consideration becomes critical.
- Satellite and DSL connectivity should be an option of last resort.

NAVEX PRICING FOR SOFTWARE INSTALLATION

Pricing For Navex Software Installation is $150 an hour.

Software Installation/Configuration of New/Replacement A or B machine

Software Installation/Configuration of New/Replacement Home Office Server

Until the Franchise Advisory Council has rendered its decision, Big O agrees that it will not market to any Local Customer of the Designated Location.

(c) Notwithstanding the foregoing, Big O and any franchisee of Big O may be permitted to access that portion of the Consumer Database related to a Local Customer of a Designated Location subject to an expired or terminated Franchise Agreement prior to the expiration of the Restrictive Period solely for purposes of providing warranty work and follow-up responses thereto if such customer visits another franchisee of Big O to have warranty work

performed. The provision of warranty services only shall not allow Big O to market to that Local Customer in violation of subpart (b) of this Section 4 above.

(d) Upon the expiration or earlier termination of any Franchise Agreement subject to this Agreement, the information and history of all customers of Franchisee other than Local Customers shall remain in the Consumer Database and shall not be subject to any restrictions on use by Big O or other franchisees of Big O.

(e) Except as otherwise described in this Agreement, Big O shall hold in confidence all Shared Information provided by Franchisee and shall not, without Franchisee's consent, make any disclosure of any Shared Information which will identify the customer and/or Franchisee, individually, or its Designated Locations for the purpose of marketing to customers identified in the Consumer Database, or using the Shared Information to determine the location of non Big O stores. Big O may, however, aggregate data from Franchisee's Designated Locations with other Big O Tires retail store data for the purposes of determining, analyzing, communicating and in other ways using trend data with Big O's affiliated companies, manufacturers and marketers.

5. Obligations under SaaS User Agreement.

Upon expiration or earlier termination of Franchisee's Franchise Agreement with Big O, this Agreement and any license granted Franchisee related to the Software System under the SaaS User Agreement, and any related documents thereto, shall be immediately terminated. Franchisee hereby represents and warrants that it will cease to use any proprietary Big O systems and will comply in every respect with the terms and conditions of the SaaS User Agreement and Franchise Agreement upon such termination. The parties acknowledge and agree that the standard software products from Tekmetric, as referenced in the SaaS User Agreement, are not proprietary to Big O.

7. Transfer. In the case of the transfer of a Franchise Agreement, all rights to license under this Agreement may be transferred by the Franchisee to the transferee, provided such transferee has received a non-contingent approval by Big O in accordance with the transfer provisions of the Franchise Agreement. The transfer of this Agreement shall be at no additional costs to Franchisee or the transferee in excess of the transfer fee as set forth in the applicable Franchise Agreement.

8 Incorporation of Recitals. The Recitals noted above are incorporated into, and made a part of, the terms of this Agreement.

SOFTWARE AS A SERVICE END USER AGREEMENT

This SOFTWARE AS A SERVICE END USER AGREEMENT (this "**SaaS User Agreement**") is made and entered into as of the Effective Date by and between BIG O TIRES, LLC ("**Big O**") and _____ ("**Franchisee User**").

WHEREAS, pursuant to a Software as a Service Agreement between Big O and Sparkplug Studios LLC, d/b/a "**Tekmetric**" (the "**Master SaaS Agreement**") attached hereto as exhibit A, Big O has subscribed to certain cloud-based automotive services shop software in which documents, emails, text messages and other data owned by Big O and its participating franchisees will be stored on an infrastructure controlled by Tekmetric and accessed via the internet using the Google Chrome web browser, compatible devices and software, via the Master SaaS Agreement providing for the subscribed services (the "**Subscription Services**"); and

WHEREAS, as a condition of being conferred the right to use the Subscription Services, Franchisee User shall be required to enter into this SaaS User Agreement and comply with its terms and conditions.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties acknowledge and agree as follows:

1. Sublicense to Use Subscription Services. Pursuant to the terms of the Master SaaS Agreement, Big O sublicenses to Franchisee User the non-exclusive, non-sublicensable, non-transferable right to use and access the Subscription Services, in accordance with the terms of this SaaS User Agreement. The Subscription Services shall be solely used in connection with the operation of Franchisee User's Big O Tires store(s) operated under its franchise agreement(s) with Big O (collectively, the "**Franchise Agreement**").

2. Fees. For each Big O Tires store operated by Franchisee User, Franchisee User shall pay a one-time implementation fee of $250 to Big O upon execution of this Agreement, and a monthly fee of $340 to Big O on the first day of each month, all of which may be charged by Big O to Franchisee User by Automatic Clearing House charge (or required by such other payment method as Big O may specify from time to time). Franchisee User shall also be responsible for paying to Big O any and all taxes (including but not limited to sales and/or use taxes, value added taxes, and stamp taxes), fees, tariffs, duties, or other similar levies imposed or required by any government, governmental unit or similar authority with respect to the fees made or payments received in connection with the Subscription Services. For any fees that are past due under this SaaS User Agreement, Big O may, at its option, charge interest at the lower of the rate of 12 percent per annum or the maximum rate allowable at law. All fees paid are non-refundable. Franchisee User is not obligated to pay any fees directly to

Tekmetric in connection with the right to use the Subscription Services at its franchise location. If Big O actually receives any "Service Outage Credits" (as defined in Exhibit B of the Master SaaS Agreement) from Tekmetric, then Big O agrees that those credits shall be applied against the fees owed on behalf of all Big O Tires store locations affected by the applicable service outage (both Big O company and affiliate-owned locations and franchised locations). Big O shall allocate the Service Outage Credits among the affected Big O Tires stores receiving the Subscription Services as it deems appropriate in its discretion after consulting with and considering the recommendations of the Big O Franchise Advisory Counsel, and will notify Franchisee User if any such credits are applied to the monthly fees owed by Franchisee User hereunder. Big O shall have no liability to Franchisee User based on its allocation of Service Outage Credits.

3. Acceptance of Terms of Service. Franchisee User's right to use the Subscription Services is contingent upon agreement and use of the Subscription Services in accordance with Tekmetric's Terms of Service set forth on Tekmetric's websites at https://shop.tekmetric.com/register and at https://www.tekmetric.com/legal/terms-of-service-website ("**Terms of Service**"). Franchisee User's execution of this SaaS User Agreement will constitute Franchisee User's agreement to the Terms of Service. In the event of a conflict between the Master SaaS Agreement or this SaaS User Agreement and Tekmetric's Terms of Service, the Master SaaS Agreement or this SaaS User Agreement will control.

4. No Responsibility of Big O for Subscription Services. Franchisee User acknowledges that (i) the Subscription Services are provided by Tekmetric and not Big O, (ii) Big O is not the supplier or provider of the Subscription Services or any other software or services of Tekmetric, and (iii) Tekmetric is not the agent of Big O. Franchisee User hereby agrees that: (1) Franchisee User accepts the Subscription Services "AS-IS"; and (2) Big O disclaims all representations or warranties, express or implied, of any kind as to any matter whatsoever, including, without limitation, title, non-infringement, quality, design, condition, capacity, suitability, durability, operation, merchantability, performance, fitness for any particular purpose, or as to the material or workmanship of any of the Subscription Services. No defect in, or unfitness of, the Subscription Services shall relieve Franchisee User of the obligation to pay any fee and any other amounts due under this SaaS User Agreement. Franchisee User agrees that Big O is not liable, and Franchisee User will not assert any claim or interpose any offset or defense against Big O, related to the Subscription Services, including the quality or condition of the Subscription Services, their performance, specifications, merchantability or fitness for use. Big O shall not be liable to Franchisee User for any loss, damage or expense of any kind or nature, caused directly or indirectly by the Subscription Services hereunder or by any defect or defects therein or by the use or maintenance thereof, or by the repair, servicing or adjustment thereof, or by any delay or failure to provide any thereof, or by any interruption of service or loss of use thereof, or by any loss of business whatsoever and howsoever caused. Big O shall have no

obligation to maintain, install, adjust, service, or take any other action concerning the Subscription Services. Big O shall not be liable for any indirect, special or consequential damages howsoever arising.

5. Termination of Subscription Services for Breach. Franchisee User's failure to abide by Tekmetric's Terms of Service or this SaaS User Agreement shall be a default under this SaaS User Agreement. If such default is not cured within five days of notice from Big O to Franchisee User, then Big O may terminate this SaaS User Agreement in its sole discretion. This Agreement may also be terminated upon the termination of Franchisee's Franchise Agreement, at Big O's sole discretion.

6. Termination of the Master SaaS Agreement. Any and all rights in or to the Subscription Services shall terminate in the event of termination of the Master SaaS Agreement between Big O and Tekmetric, subject to Big O's option to continue the Subscription Services in effect during a transition period under the Master SaaS Agreement.

7. Authorization to Share User Content. By entering into this SaaS User Agreement, Franchisee User authorizes Tekmetric to share all User Content (as such term is defined in the Terms of Service) with Big O.

8. Tekmetric Third-Party Beneficiary Status. The parties agree that Tekmetric shall be a third-party beneficiary of this SaaS User Agreement. Franchisee User may not enforce its rights under the SaaS User Agreement directly against Tekmetric; provided, however, that Big O may enforce such rights against Tekmetric on Franchisee User's behalf as provided herein.

9. Indemnity. Franchisee User will indemnify, defend, protect and hold Big O, its affiliates, and their respective officers, directors, managers, partners, members, shareholders, employees, agents, successors, and assigns (the "**Franchisor Indemnified Parties**") harmless from and against any and all liabilities, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable attorney's fees, court costs and other legal expenses) of every kind and nature and whenever arising or asserted, imposed on, incurred by or asserted against Big O or any of the Franchisor Indemnified Parties (whether or not also indemnified against by any other person), that arise out of or in any way relate to this SaaS User Agreement, Franchisee User's use of or access to the Subscription Services, or Franchisee User's breach of any of its obligations under this SaaS User Agreement or the Tekmetric Terms of Service.

10. Big O Action Based on Data Breach. In the event of a breach or unauthorized disclosure of the confidential data transmitted by Franchisee User while such data is in the possession or under the control of Tekmetric or being processed or stored by its Subscription Services, Big O agrees that upon being notified of such event it will notify

Tekmetric and use commercially reasonable efforts to cause Tekmetric to address and stop such breach or disclosure. If Big O deems such further action appropriate, Big O may also take commercially reasonable efforts to pursue any other remedies that Big O deems appropriate and obtainable under the Master SaaS Agreement related to such breach or disclosure. To the extent that Big O takes such action and is successful in recovering any monetary amounts against Tekmetric attributable to losses suffered by Franchisee User, Big O shall pay to Franchisee User such amounts, less the costs and expenses incurred by Big O in pursuing these remedies, within 45 days of Big O's receipt of such amounts. It shall ultimately be Big O's decision, at its discretion, whether to pursue any such remedies and what actions to take. Big O does not guarantee that any remedies will be available or obtained against Tekmetric for any data breach or disclosure, or that it will elect to pursue remedies against Tekmetric for any particular data breach or disclosure. In particular, the Master SaaS Agreement includes certain limitations of liability and other limitations on claims against Tekmetric that may result in Tekmetric not being liable for certain matters and damages, and Big O may elect to not pursue Tekmetric based on these limitations. Franchisee User acknowledges and understands that any such data breach or disclosure situation may also involve breaches or disclosures of data of other Big O Tires locations other than those operated by Franchisee User, and Big O shall be entitled to allocate any recovery and its costs and expenses for any such claims among Franchisee User and other Big O Tires location operators (including other franchisees, Big O, and its affiliates) as Big O determines appropriate in its discretion, which allocation decision shall be final. Big O shall not have any liability to Franchisee User for any data breach or disclosure beyond the amounts Big O actually recovers from Tekmetric and which are allocated to Franchisee User by Big O as described in this Section.

11. Governing Law and Venue. Any claim or dispute between Franchisee User, Tekmetric and Big O arising out of, or in connection with this SaaS User Agreement, shall be governed by and interpreted in accordance with the laws of the State of Delaware and will be submitted to the jurisdiction and venue of the appropriate Federal or State courts located in Denver, Colorado. These terms shall prevail over any conflicting terms (including any arbitration terms) in the Terms of Service.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the last party to execute this SaaS User Agreement (the "**Effective Date**").

Report of Independent Auditors

To the Management of TBC Holdings, LLC

Opinion

We have audited the accompanying consolidated financial statements of TBC Holdings, LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of March 31, 2025 and 2024, and the related consolidated statements of operations and comprehensive income, of members' equity and of cash flows for each of the three years in the period ended March 31, 2025, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended March 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Operations

TBC Holdings, LLC and subsidiaries ("Holdings" or the "Company") is one of the United States' largest independent marketers of tires for the automotive replacement market. The Company's operating activities are comprised of its franchise and wholesale divisions. The Company operates or acts as a franchisor of retail tire and automotive service centers throughout the United States of America, Canada, Europe, and other countries under the following trade names: Big O Tires ("Big O") and Midas. The Company operates as a wholesaler of tires and automotive parts primarily in the United States of America, Canada, and Mexico under the following trade names: TBC Brands, NTW, and TBC de Mexico. As of March 31, 2025, the Company had 461 franchised Big O stores, operated 147 warehouse locations, and had 1,167 Midas stores included in assets held for sale. As of March 31, 2024, the Company had effectively sold, closed, or disposed of all its retail locations and had 1,623 franchised stores and operated 149 warehouse locations. As of March 31, 2023, the Company had a total of 2,246 retail locations, consisting of 595 Company-operated locations included in discontinued operations, 28 Company-operated locations included in continuing operations, 2 mobile operations, and 1,621 franchised stores. The Company operated 151 warehouse locations as of March 31, 2023.

Ownership Structure

On January 2, 2018, a definitive merger agreement was entered into between Michelin North America, Inc. ("MNAI") and Sumitomo Corporation of Americas ("SCOA"), also referred to as ("Members") to form a joint venture under the name of TBC Holdings, LLC and Subsidiaries. The joint venture was formed through SCOA contributing TBC Corporation ("TBC") to Holdings for 50% joint venture ownership and MNAI contributing Tire Centers, LLC ("TCi"), its wholesale company, and cash for 50% joint venture ownership.

On April 5, 2018, the joint venture transaction closed, and the Members entered into an operating agreement, which provides each Member 50% of the Membership Interest in Holdings. Each Member shall be liable only to make such Member's capital contribution to the Company and certain other payments expressly provided within the operating agreement. The Company is to be managed by a joint Board of Managers (the "Board"), consisting of three designated MNAI managers and three designated SCOA managers.

Definition of Fiscal Year

As used in these consolidated financial statements and related notes to the consolidated financial statements, "Fiscal 2022," refers to the year ended March 31, 2023, "Fiscal 2023," refers to the year ended March 31, 2024, "Fiscal 2024," refers to the year ended March 31, 2025, and "Fiscal 2025", "Fiscal 2026", "Fiscal 2027" and "Fiscal 2028" refer to the years ending March 31, 2026, 2027, 2028, and 2029, respectively.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of TBC Holdings, LLC and its wholly owned subsidiaries. All intercompany transactions and balances have been eliminated in consolidation.

(USD in thousands, unless otherwise noted)

Use of Estimates
The consolidated financial statements are prepared in conformity with accounting principles generally accepted in the United States of America. The preparation of such consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses, as well as certain consolidated financial statement disclosures.

Actual results could differ from those estimates. Significant estimates relate primarily to the realizability of accounts receivable, inventory excess and obsolescence reserves, impairment assessments of intangible assets, goodwill, lease assets and long-lived assets, inventory assessment of lower of cost and net realizable value, workers compensation, auto, and general insurance accruals.

Cash
The Company's cash consists of balances in the Company's operating bank accounts. The Company maintains cash in financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC"). All highly liquid investments with an original maturity of three months or less are considered cash equivalents.

The following table is a reconciliation of the beginning and ending cash balances presented in the accompanying consolidated statements of cash flows as of March 31, 2025 and 2024:

	2025	2024
Total cash including cash classified in assets held for sale	$ 14,211	$ 13,961
Less: Cash in assets held for sale	(1,135)	-
Total cash	$ 13,076	$ 13,961

Accounts and Notes Receivables and Allowance for Expected Credit Losses
As of March 31, 2025 and 2024, the Company's accounts and notes receivable included both domestic and international customer accounts, which vary in terms and become due periodically until Fiscal 2026. The long-term portion of notes receivable is included in other assets within the accompanying consolidated balance sheets. The Company maintains an allowance for expected credit losses resulting from the inability of its customers to make required payments. The allowance is based upon review of the overall condition of receivable balances, both trade accounts and notes receivable, monitoring of the credit quality of its customers, and review of past-due accounts. Receivables determined to be uncollectible are charged against the established allowance. The Company evaluated its allowance for expected credit losses as of March 31, 2025 and 2024, and determined that the amounts were adequate, based on facts and conditions known at that time and evaluation of current economic conditions domestically and internationally. If the financial condition of the Company's customers were to deteriorate in such a way as to impair their ability to make payments, additional allowances may be required. For the years ended March 31, 2025, 2024, and 2023, bad debt expense is $4,863, $993, and $486, respectively.

(USD in thousands, unless otherwise noted)

Inventories
Inventories, consisting of tires and other automotive products held for resale, are valued at the lower of cost and net realizable value, under the weighted average cost method. In addition, certain vendor allowances that are related to inventory purchases are considered to reduce the product cost. The Company adjusts its inventory for slow-moving and discontinued products. Any adjustments are evaluated and determined based upon current market conditions, aging of inventories, and product offering changes.

Concentrations of Credit Risk
The Company performs ongoing credit evaluations of its customers, primarily wholesale and retail franchisees, and typically requires some form of security, including collateral, guarantees, or other documentation. The Company maintains allowances for potential credit losses.

The Company maintains cash balances with financial institutions with high credit ratings. The Company has not experienced any losses with respect to bank balances in excess of government-provided insurance.

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits in excess of FDIC-insured limits. In addition, the Company invests excess funds in an overnight investment account with Wells Fargo Bank, N.A. While the funds in the overnight investment account are not federally insured, the account selected by the Company invests only in government-backed securities.

Property and Equipment
Depreciation and amortization are computed using the straight-line method, over the lesser of the useful life or, in the case of leasehold improvements, the lease term of the asset. The useful life for buildings and leasehold improvements ranges from 7 to 40 years, or coincides with the respective lease terms. Furniture and equipment, which include computer hardware and software, typically have useful lives of 3 to 10 years. Amounts expended for repairs and maintenance are charged to operations as incurred, and expenditures for major renewals and betterments are capitalized.

The Company applied Accounting Standards Codification ("ASC") Subtopic 350-40, *Internal-Use Software*, to certain software development costs and capitalized approximately $20,364 and $39,349 as of March 31, 2025 and 2024, respectively, which have been placed in service and included in the accompanying consolidated balance sheets in property and equipment, net. The useful life of capitalized software varies between 3 to 10 years. The Company capitalized certain software not yet placed in service of approximately $2,510 and $8,379 as of March 31, 2025 and 2024, respectively, which is included in the accompanying consolidated balance sheets in property and equipment, net; however, it is not being depreciated.

Goodwill, Intangible Assets and Other Long-Lived Assets
The Company elected to early adopt Accounting Standards Update ("ASU") 2017-04, *Intangibles Goodwill and Other* (Topic 350) as of March 31, 2020. The ASU modifies the measurement of a goodwill impairment loss from the portion of the carrying amount of goodwill that exceeds its implied fair value to the excess of the carrying amount of a reporting unit that exceeds its fair value. This eliminates step two of the goodwill impairment test under current guidance.

The Company performs its annual impairment assessment of its reporting units as of September 30 of each fiscal year unless circumstances dictate more frequent assessments. For the years ended

March 31, 2025, 2024 and 2023, the Company performed its annual impairment assessment and determined there was no impairment of goodwill.

The Company presents definite-lived intangible assets, net of accumulated amortization on the consolidated balance sheets. The intangible assets are amortized on a straight-line basis over their estimated useful lives, which approximates the pattern of expected economic benefit.

The Company reviews intangible and other long-lived assets for impairment when a triggering event occurs. If facts or circumstances indicate the possibility of impairment, the Company will prepare a projection of the undiscounted future cash flows of the specific assets and determine if the assigned value is recoverable or if an adjustment to the carrying value of the assets is necessary. The Company has evaluated impairment for intangible assets and other long-lived assets as of March 31, 2025, 2024, and 2023 and determined that no impairments exist.

Net Revenues
Net revenues include sales of products and services, franchise and royalty fees charged to Big O and Midas franchisees, and rental income from sublease agreements with franchisees and third parties, less returns and customer rebates. These revenue streams can be disaggregated into performance obligations satisfied over time and at a point in time, as discussed below.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products or services. For product sales, transfer of control occurs at a point in time, either upon transfer to the third-party carrier or upon delivery to the customer. For automotive and tire services, the transfer of control and satisfaction of the performance obligation occurs at the time the customers take possession of their vehicles. Performance obligations for extended service agreements sold to retail customers, such as road hazard, are satisfied over time, and the related revenue is recognized based on a pattern of when the associated costs are expected to be incurred in performing such services. Revenues for franchise and royalty fees are recognized over time as the Company satisfies its performance obligations to its franchisees, as described below. Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to governmental authorities. The Company records reductions to revenue for customer programs and incentive offerings, including special pricing agreements, certain promotions, and other volume-based incentives.

Franchising revenue consists primarily of royalties, national advertising fund contributions, and initial and renewal franchise fees. The basic terms of the franchise agreements are as follows: the initial franchise fee is due upon the signing of the franchise agreement, royalty fees are due from franchisees monthly and are equal to a percentage of gross sales for the previous month, the initial term of the agreement is 10 to 20 years with the ability to renew for an additional 10 to 20 years, subject to certain conditions and a renewal fee, and the location must be pre-approved.

Monthly royalty fees are earned and recognized when franchisee sales occur. During Fiscal 2024, 2023, and 2022, Big O franchise royalty fees typically ranged between 3.5% and 5% of franchisees' adjusted gross sales. Midas royalty fees ranged between 2% and 10% of net sales for each period presented. Our franchisees' contributions to national advertising funds specified in the franchise agreements are reported gross as part of the royalty revenues because the advertising services were determined not to be distinct from the symbolic franchise right.

(USD in thousands, unless otherwise noted)

The Company expenses costs related to securing initial franchise agreements and performing the required services under such agreements as incurred.

Revenues for lease income are accounted for in accordance with applicable accounting guidance for leases (see Leases in Footnote 2).

Under various arrangements with vendors, the Company receives a delivery commission and reimbursement for the cost of tires that it delivers to customers on their behalf. The commission earned from these transactions is as an agent, and the net amount retained is recorded as revenue. The Company recognizes its delivery commission at the time of acceptance of delivery of the product.

Sales Taxes
The Company presents revenues net of sales taxes and value-added tax ("VAT").

Warranty Allowances
For non-Midas programs, the Company or the vendors supplying its products provide its customers with limited warranties on certain products. In most cases, the Company's vendors are primarily responsible for warranty claims. Warranty costs relating to merchandise sold or services provided not covered by vendors are estimated and recorded as warranty obligations at the time of sale. The Company periodically assesses the adequacy of its recorded warranty liability and adjusts the amount as necessary.

The following table is a reconciliation of the changes in the Company's non-Midas warranty liability for the years ended March 31, 2025, 2024, and 2023:

	2025	2024	2023
Warranty allowance, beginning of year	$ 3,153	$ 3,039	$ 3,092
Allowances established	715	426	449
Allowances utilized	(485)	(312)	(502)
Warranty allowance, end of year	$ 3,383	$ 3,153	$ 3,039

For certain Midas products, customers are provided a written warranty from Midas for products purchased from Midas shops in North America, namely brake friction, mufflers, shocks, and struts. The warranty will be honored at any Midas shop in North America and is valid for the lifetime of the vehicle but is voided if the vehicle is sold. The Company maintains a warranty accrual to cover the estimated future liability associated with outstanding warranties. The Company determines the estimated value of outstanding warranty claims based on 1) an estimate of the percentage of all warranted products sold and registered in prior periods at retail that are likely to be redeemed and 2) an estimate of the future cost of redemption of each future warranty. Management develops these estimates based on actual historical registration and redemption data as well as actual cost information on current redemptions.

The Midas warranty program in the United States was funded directly by Midas franchisees. The franchisees are charged a fee for each warranted product sold to customers and are issued credits

(USD in thousands, unless otherwise noted)

for all warranties that are redeemed. The fees billed to franchisees are recorded as a receivables to Midas on behalf of the warranty fund, and the redemption credits issued to franchisees are recorded as a liability to the fund. As such, there are no revenues or expenses recorded to Midas, and the current warranty program will have no net impact on the results of operations.

The following table is a reconciliation of the changes in the Company's warranty liability under the current Midas program for the years ended March 31, 2025, 2024, and 2023:

	2025	2024	2023
Warranty allowance, beginning of year	$ 9,745	$ 9,377	$ 9,060
Warranty fees charged to franchisees and Company-operated shops	1,158	1,247	1,305
Warranty credits issued to franchisees and Company-operated shops	(1,177)	(879)	(988)
Warranty allowance, end of year	$ 9,726	$ 9,745	$ 9,377

The Company's total obligation under its warranty programs is included in accrued expenses and other liabilities and other noncurrent liabilities in the liabilities associated with the assets held for sale in the accompanying consolidated balance sheets.

Deferred Revenue
Certain of the Company's services (alignments, tire balancing and rotating, and road hazard) are sold through annual or multiyear contracts for a one-time upfront payment, which is included in discontinued operations. The Company receives advance funds from vendors for service agreements and has a deferred receivable for proceeds from the sale of a business. The liability for future performance obligations totaled $5,216 and $8,685 as of March 31, 2025 and 2024, respectively. The Company recognizes revenue over the expected service life of the contract.

Vendor Funds
The Company receives vendor funds in its normal course of operations from volume-based rebate agreements, early payment discounts, and cash incentives to promote vendor products. The Company accounts for these vendor funds in accordance with the ASC Subtopic 705-20, *Accounting for Consideration Received from a Vendor*, which states that cash consideration received from a vendor is presumed to be a reduction of the price of the vendor's products or services and should, therefore, be characterized as a reduction of cost of sales and a portion of these amounts be capitalized into ending inventory. Vendor funds are treated as a reduction of inventory costs unless they represent a reimbursement of specific, incremental, and identifiable costs incurred by the customer to sell the vendor's product. The Company accrues for these vendor funds based upon the vendor agreements in place and the projected amount of vendor purchases. Accrued vendor funds are recorded as a reduction to inventory. During the year, the Company monitors and adjusts the amount accrued by comparing actual purchases to projected purchases. Vendor funds are earned when the Company either sells the vendor's product or completes the performance of certain provisions of the vendor agreement. For the years ended March 31, 2025, 2024, and 2023, vendor funds earned totaled $139,403, $146,862, and $134,235, respectively, and are recorded as a reduction in costs of sales.

(USD in thousands, unless otherwise noted)

Cost of Sales
Cost of sales includes the cost of tire and parts products sold in the Company's retail locations, the cost of products such as tires and equipment delivered from the Company's wholesale locations, and costs attributable to franchise operations, such as product and warranties.

Self-Insured Reserves
The Company is self-insured for general and automobile liability, workers' compensation, and healthcare claims and maintains stop-loss coverage with third-party insurers to limit its total liability exposure. A reserve for liabilities associated with these losses is established for claims filed and claims incurred but not yet reported ("IBNR") based upon the Company's estimate of ultimate cost, which is calculated using analyses of historical data, severity factors, and valuations provided by third-party actuaries. The Company monitors new claims and claim development as well as negative trends related to the IBNR to assess the adequacy of its insurance reserves.
The Company also reviews its assumptions with its third-party actuaries, which occurs twice a year. While the Company does not expect the amounts ultimately paid to differ from its estimates, the Company's self-insurance reserves and corresponding selling, general and administrative expenses could be affected if future claim experience differs from historical trends and actuarial assumptions. Due to the length of timing of claim payments for the various lines of insurance, the Company discounts certain of its liabilities.

Leases
Lessee Arrangements
The Company leases certain equipment, vehicles, furniture, office space, and property yards under various operating and finance leases. The Company determines if an arrangement is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the Company obtains substantially all the economic benefits from and has the ability to direct the use of the asset. Leases with an initial term of twelve months or less are not recorded on the balance sheets.

At the lease commencement date, the Company recognizes a lease liability and right-of-use ("ROU") asset, representing its right to use the underlying asset over the lease term. The initial measurement of the lease liability is calculated based on the present value of the remaining lease payments. The ROU asset is measured based on this liability, adjusted by prepaid and accrued rent, lease incentives, and initial direct costs. The subsequent measurement of a lease is dependent on whether the lease is classified as an operating lease or a finance lease. Operating lease cost is recognized on a straight-line basis over the lease term, with the cost presented as a component of selling, general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income. Finance lease cost is comprised of a separate interest component and amortization component and is presented in the interest expense, net and selling, general and administrative expenses line items, respectively, in the accompanying consolidated statements of operations and comprehensive income.

The Company's leases require other payments such as costs related to service components, real estate taxes, common area maintenance, and insurance. These costs are generally variable in nature and based on the actual costs incurred and required by the lease. As the Company has elected not to separate lease and non-lease components for all classes of underlying assets, all variable costs associated with the lease are expensed in the period incurred and presented and

disclosed as variable lease costs. The Company's lease agreements do not contain any material residual value guarantees or material restrictive financial covenants.

The Company utilizes the provisions of ASU No. 2016-02, *Leases,* which includes ASC Topic 842 ("Topic 842"). As of the application date of Topic 842, the Company's leases have remaining terms ranging from 1 to 21 years, with some of those leases including options that grant the Company the ability to renew or extend the lease term. When determining the lease term, the Company does not include renewal options unless the renewals are deemed to be reasonably certain of being exercised at the lease commencement date.

Topic 842 requires that a lessee use the rate implicit in the lease when measuring the lease liability and ROU asset, unless that rate is not readily determinable. Alternatively, the Company is permitted to use its incremental borrowing rate, which is defined as the rate of interest that the Company would have to pay to borrow on a collateralized basis over a similar term an amount equal to the lease payments in a similar economic environment. Since the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate when measuring its leases. The Incremental Borrowing Rate ("IBR") is calculated by utilizing the daily treasury yield curve rates, as published by the U.S. Department of the Treasury, adjusted with a risk-based spread.

Topic 842 includes various practical expedients that can be elected for new leases that are executed after the adoption of the new requirements. The Company elected the lessee practical expedient to not separate lease and non-lease components. The Company also elected to apply the short-term lease recognition exemption, which eliminates the requirement to present on the consolidated balance sheets leases with a term of 12 months or less. These practical expedients were elected for all classes of underlying assets.

Lessor Arrangements

The Company, as part of its business, enters into lease arrangements with its customers that grant the customer the right to use certain retail space. These leases are in the form of leases of owned properties or subleases of leased properties. The Company determines if an arrangement with its customer is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the customer obtains substantially all of the economic benefits from and has the ability to direct the use of the asset.

If it is determined that the contract is or contains a lease, the Company then assesses lease classification considering the lease term and assumptions that exist at the lease commencement date. Depending on this assessment, the Company will account for its lease agreements as either an operating, direct financing, or sales-type lease, with the resulting accounting dependent on this lease classification. The Company's leases of owned properties and subleases of leased properties are classified as operating leases. There are no leases that are classified as direct financing leases.

For leases classified as operating leases, the underlying property is recorded on the Company's consolidated balance sheets and continues to be depreciated in accordance with the Company's depreciation polices for similar assets. Rental income for operating leases is recognized on a straight-line basis over the lease term.

(USD in thousands, unless otherwise noted)

The Company's lease agreements with its customers include fixed lease payments and, in certain scenarios, variable lease payments based on a percentage of gross sales. In addition to the lease payments, certain of the Company's contracts include non-lease components which come in various forms, such as common area maintenance, utilities, and parking. Topic 842 requires that the consideration in the contract be allocated between lease and non-lease components on a relative, standalone selling price basis unless a provided practical expedient is elected. Specifically, Topic 842 includes a practical expedient that permits a lessor, as an accounting policy election by underlying asset class, to choose not to separate non-lease components from lease components when the lease component, if accounted for separately, would be classified as an operating lease and when the timing and pattern of transfer for the lease and non-lease components associated with the lease component are the same. The Company has elected this practical expedient for all customer lease agreements that meet these conditions.

The Company assesses the lease term at the lease commencement date. The lease term is defined as the noncancelable period plus any period subject to a renewal option that is deemed reasonably certain of being exercised or subject to a termination option that is reasonably certain of not being exercised. Certain of the Company's lease contracts do include renewal options that allow the customer to extend the lease term for an additional period of 1 to 5 years. The Company does not include the renewal options as part of the lease term as it does not believe that it is reasonably certain that such options will be exercised. In addition, lease agreements do not include purchase options.

The Company has included additional disclosures about its leases in Note 13.

The Company owns real estate in the United States (U.S.) and Canada that is leased to franchisees and third parties. A majority of franchise leases and company-owned real estate are subleased to franchisees as well as third parties and are recorded within net sales in the consolidated statements of operations and comprehensive income.

Foreign Currency Translation
Under ASC Topic 830, *Foreign Currency Matters*, the financial statements of foreign subsidiaries are translated into U.S. dollars at current exchange rates, except for revenue, costs, and expenses, which are translated at average current exchange rates during each reporting period.

Gains and losses resulting from the translation of financial statements are excluded from the consolidated net income and are credited or charged to a separate component of other comprehensive income within the accompanying consolidated statements of members' equity.

Shipping and Handling Costs
Freight costs incurred to deliver merchandise to franchise stores and warehouses are included as a component of inventory and reflected in costs of goods sold as product is sold. Warehouse and distribution costs for items such as payroll, rent, and insurance, as well as freight costs incurred to ship merchandise to customers, are recorded as a component of selling, general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income. For the years ended March 31, 2025, 2024, and 2023, freight costs incurred to ship merchandise to customers totaled $80,854, $87,550, and $106,472, respectively.

Fair Value of Financial Instruments – Short-Term Assets and Liabilities
The fair values of accounts receivable, accounts payable, due to parents and affiliates, accrued expenses, and other current liabilities approximate their carrying values because of their short-term nature.

Provision for Income Taxes
The Company determines its income tax provision using the asset-and-liability method. Under this method, deferred tax assets and liabilities are recognized for the expected future tax consequences of temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. The Company also recognizes future tax benefits associated with tax loss and credit carryforwards as deferred tax assets. The Company's deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company measures deferred tax assets and liabilities using enacted tax rates in effect for the year in which it expects to recover or settle the temporary differences. The effect of a change in tax rates on deferred taxes is recognized in the period that the change is enacted.

Advertising
General advertising costs are charged to expense when incurred. General advertising costs were $5,424, $5,071, and $6,210 for the years ended March 31, 2025, 2024, and 2023, respectively.

The Company expenses the expected accrued advertising costs for the period specifically related to the advertising funds. Advertising expenses specifically related to the Company's advertising funds were $82,227, $78,048, and $74,225, respectively, for the years ended March 31, 2025, 2024, and 2023.

Pre-Store Opening Expenses
Pre-store opening expenses, which consist primarily of payroll and occupancy-related costs, are expensed as incurred.

Asset Retirement Obligations
The Company utilizes the provisions of ASC Topic 410, *Asset Retirement and Environmental Obligations* ("ASC 410"). ASC 410 requires the capitalization of any retirement obligation costs as part of the carrying amount of the long-lived asset and the subsequent allocation of the total expense to future periods using a systematic and rational method. The Company has determined that certain leases require that the premises be returned to their original condition, reflecting normal wear and tear, upon lease termination. As a result, the Company will incur costs, primarily related to the removal of signage and equipment, from its leased property locations at lease termination and requires that these costs be recorded at their fair value at lease inception.

As of March 31, 2025 and 2024, the Company had a liability pertaining to the asset retirement obligation of $2,553 and $4,292, respectively, which is included in noncurrent liabilities in the accompanying consolidated balance sheets. Accretion expense associated with the asset retirement obligations is recorded as selling, general and administrative expense in the accompanying consolidated statements of operations and comprehensive income. The Company reviews its methodology and costs associated with asset retirement primarily for its retail locations and head lease obligation locations.

(USD in thousands, unless otherwise noted)

Environmental Obligations
The Company has identified several Midas franchise and Company-operated shops that contain soil, groundwater, or other types of contamination from improper usage and maintenance of equipment or disposal of certain hazardous chemicals used in the operation of automotive retail locations. Due to its association with a substantial portion of Midas franchise properties as primary lessee or guarantor, the Company believes that it will ultimately be responsible for incurring costs for environmental remediation at many locations, although there is the right to subrogate against the dealer for payment of remediation. As of March 31, 2025 and 2024, the accrued balance of the liability was $0 and $1,188, respectively, and is included in other noncurrent liabilities in the accompanying consolidated balance sheets under assets held for sale. The company recorded $488, $119, and $113, respectively, of environmental expense within the statements of operations and comprehensive income for the years ended March 31, 2025, 2024, and 2023.

The Company does not believe that similar obligations exist for its non-Midas locations due to the existence and enforcement of policies and procedures surrounding equipment usage and maintenance, as well as the disposal of hazardous substances.

Recent Accounting Pronouncements
On December 18, 2019, the FASB issued ASU No. 2019-12, Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes ("ASC 740"). The ASU removes certain exceptions from the guidance in ASC 740 related to intra-period tax allocations, interim calculations, and the recognition of deferred tax liabilities for outside basis differences and clarifies and simplifies several other aspects of accounting for income taxes. Different transition methods apply to the various income tax simplifications. For all non-public entities, the guidance is effective for fiscal years beginning after December 15, 2021, and for interim periods beginning after December 15, 2022. Early adoption for these entities is also permitted, including adoption in interim or annual periods for which financial statements have not yet been made available for issuance. The Company adopted this guidance on April 1, 2022. The adoption of this guidance did not have a material impact on the consolidated financial statements and related disclosures for the year ended March 31, 2023.

In June 2016, the FASB issued ASU 2016-13, Financial Instruments – Credit Losses, which is associated with measuring credit losses on financial assets. The guidance changed the impairment model for most financial assets and requires the use of an "expected loss" model for financial instruments based on an estimate of current expected credit losses and will apply to trade and notes receivable. The Company adopted this guidance on April 1, 2023. The adoption of this new guidance did not have a material impact on the Company's financial statements, and no additional reserve was deemed necessary.

3. Acquisitions and Dispositions

In November 2022, Big O Tires, LLC, a subsidiary of the Company, entered into an asset purchase agreement with an existing franchisee to assume the leases, purchase inventory and fixed assets, and operate 13 of the company-operated Big O Retail stores under a Big O Franchise agreement. The assets and liabilities from the company-operated stores were assumed by the franchisee, who paid a total consideration of $6,565. The Company recorded a pre-tax gain on disposition of $2,498, which is recorded in gain on sale of business operations in the accompanying consolidated statements of operations and comprehensive income.

(USD in thousands, unless otherwise noted)

Effective June 1, 2023, the Company disposed of its remaining 16 corporate-operated Big O Retail stores. The assets derecognized as part of this disposal included but were not limited to right of use assets established under Topic 842, along with other costs associated with closing down these operations, net of any expected recoveries from sublease or lease termination activities. The Company recorded a pre-tax loss on disposition of $17,063, which is recorded in impairment on closure of business in the accompanying consolidated statements of operations and comprehensive income.

Effective March 31, 2024, the Company disposed of its Guatemala based warehouse operation. The Company recorded a pre-tax loss on disposition of $1,600, which is recorded in impairment on closure of business in the accompanying consolidated statements of operations and comprehensive income.

4. Assets Held for Sale

On March 31, 2025, the Company entered into an equity purchase agreement ("Purchase Agreement") with Mavis Tire Supply LLC ("Mavis Discount Tire") for the sale of the Midas business, which TBC is the franchisor of the Midas locations, for an initial purchase price of $860,000, subject to certain adjustments specified in the purchase agreement, including adjustments for indebtedness, cash, working capital and transaction expenses at the closing of the transaction ("the Midas Sale").

The terms of the Purchase Agreement include a transition service agreement with Mavis Discount Tire pursuant to which the Company will provide services, including, but not limited to, information technology, human resources, finance, real estate, and business support services. The transition services agreement scope of services, term, and consideration will be finalized upon close of the transaction.

As of March 31, 2025, the Company has classified certain assets as held for sale in accordance with ASC Topic 360, *Property Plant and Equipment*. As a result, depreciation and amortization on these assets ceased effective December 1, 2024, the date on which the held for sale status was determined. The carrying value of these assets was adjusted to the lower of their carrying amount or fair value less costs to sell, leading to a reversal of previously recognized depreciation and amortization expenses totaling $7,312. This adjustment is reflected in selling, general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income.

(USD in thousands, unless otherwise noted)

These assets and the liabilities associated with these assets are presented in the table below and represent the aggregate carrying values related to Midas in the consolidated balance sheet as of March 31, 2025. As of the reporting date, no impairment charge has been recognized, as the estimated fair value exceeds the carrying amount. The Company anticipates completing the sale by the end of the first fiscal quarter of FY25.

Products Revenue
Products revenue includes the sale of (1) tires and tire-related items and (2) automotive service-related equipment. The Company sells these products through both its wholesale and franchise operational businesses through delivery trucks and distribution locations.

Services Revenue
Substantially all of the Company's service revenue offerings under the retail division are automotive and tire services. The Company has determined that the performance obligations associated with these two revenue streams are completed upon installation and acceptance by the end customer at the time of the delivery of the vehicle, with the exception of extended service agreements, which are deferred and recognized over time. Tire service revenues for the wholesale business represent delivery commissions received for arrangements with vendors where the Company delivers tires to customers on their behalf. See Note 2.

12. Debt

Debt consists of the following as of March 31, 2025 and 2024:

(a) Revolving Credit Facility

The Company entered into a revolving credit facility on July 27, 2018, with a third-party financial institution. The credit facility was amended on March 25, 2024 to expand the borrowing capacity and to extend the expiration date to March 25, 2029. With this 5-year extension, the credit line is considered long-term debt. Outstanding borrowings as of March 31, 2025 and 2024 were $278,666 and $153,769, respectively.

The current capacity of the credit facility was expanded from $450,000 to $600,000 with the base rate based on 'prime rate' for the daily revolving needs and monthly loans at the Secured Overnight Financing Rate ("SOFR") plus a spread of 150, 175 or 200 basis points depending on prior quarter average excess capacity. A specific annual interest rate of 1.5% is applied to letters of credit dedicated amounts. There are commitment fees for unused balances at a fixed rate of 0.25%. The revolving credit facility is asset-based and collateralizes a portion of U.S. Inventories and Accounts Receivable. Available amounts that can be borrowed at any given time are based on percentages of certain outstanding U.S. accounts receivable, credit card receivables, and inventory. The revolving credit facility is subject to certain financial covenant requirements that are only triggered in the event of a default. The Company will maintain a Fixed Charge Coverage Ratio, calculated for each twelve-month period ending on the first day of any Covenant Testing Period and the last day of each fiscal month occurring until the end of any Covenant Testing Period (including the last day thereof), in each case of at least 1.00 to 1.00.

As of March 31, 2025, and 2024, the Company had approximately $307,011 and $274,198, respectively, available to borrow under the credit facility. In addition, the Company had approximately $14,323 and $22,033 representing outstanding standby letters of credit as of March 31, 2025 and 2024, respectively. These letters of credit relate to performance and payment guarantees with certain vendors.

(b) Line of Credit Facilities

The Company's wholly owned subsidiary, TBC de Mexico, has two revolver credit lines, one in USD with Santander for $21,100, which matures on August 6, 2025, priced at SOFR +120 basis points. The other revolver is denominated in Mexican Pesos (MXN) with HSBC for MXN 600,000, which matures on December 19, 2028, and accrues interest at 'TIIE' rate +110 basis points or SOFR +120 basis points. The revolver with HSBC requires the execution of a note for each borrowing under the arrangement. These notes will have a separate maturity date and require repayment sooner than the overall expiration of the arrangement. Neither of the credit lines has specific covenants or collateral requirements.

As of March 31, 2025 and 2024, the Company had $21,000 and $6,200, respectively, drawn on the Santander credit line, and $25,000 and $0, respectively, drawn on the HSBC credit line, which are included within other short-term debt in the accompanying consolidated balance sheets. In addition, the Company had approximately $0 and $5,900, representing outstanding standby letters of credit as of March 31, 2025 and 2024, respectively. These letters of credit relate to performance and payment guarantees with certain vendors.

Each of the two term loans includes long-term periodic floating interest of SOFR +230 basis points. In June 2023, the Company repaid each shareholder $175,000, and in March 2024, the Company repaid each shareholder $100,000, respectively, reducing the total term loan debt from $750,000 to $200,000, which matured March 29, 2025. In assessing the realization of the Company's deferred tax assets, the Company considers whether it is more likely than not that the deferred tax assets will be realized. The ultimate realization of the Company's deferred income tax assets depends upon generating future taxable income during the periods in which the temporary differences become deductible and before the net operating loss carryforwards expire. The Company evaluates the recoverability of the deferred tax assets by assessing the need for a valuation allowance. After consideration of all the evidence, the Company has determined that a valuation allowance of approximately $8,127 and $8,844 is necessary as of March 31, 2025 and 2024, respectively. The net change in the valuation allowance was $(717) for the year ended March 31, 2025.

(USD in thousands, unless otherwise noted)

The Company had $185,543 and $165,179 of gross state net operating loss carryforwards as of March 31, 2025 and 2024. The Company has determined that a valuation allowance of approximately $40,970 and $68,760 is necessary against the balance of gross state net operating loss carryforwards. State loss carryforwards expire in various years between 2032 through 2037, with certain net operating losses having an unlimited carryforward period. The Company had $28 and $28 of Canadian net operating loss carryforwards as of March 31, 2025 and 2024. These losses can be carried forward 20 years and will expire between 2029 and 2037.

The Company had $7,193 and $6,972 of gross federal tax credit carry forwards with valuation allowances of $5,960 and $5,468 as of March 31, 2025 and 2024. These credits can be carried forward up to 20 years and will expire between 2029 and 2038.

As of March 31, 2025 and 2024, withholding taxes and income taxes on basis differences were not provided on the Company's Canadian foreign subsidiaries, as the Company has invested or expects to invest the undistributed earnings indefinitely. If in the future these entities are sold or dividends are paid, then additional tax provisions may be required. It is not practical to determine the amount of unrecognized deferred tax liabilities on the undistributed earnings.

The U.S. tax provision for the period beginning April 5, 2018, and non-U.S. tax provisions for all periods have been determined on a stand-alone basis affiliate. The Company is open to future examinations by the IRS for tax years 2017 through 2023. The Company and its subsidiaries' state income tax returns are open to audit under the statute of limitations for the years 2015 through 2023. The Company and its subsidiaries' foreign income tax returns are open to audit under the statute of limitations for the years 2009 through 2023.

In connection with the Midas Sale Transaction, the Company no longer asserts that it is indefinitely reinvested in the Midas Canadian operations and has recorded a deferred tax asset of $1.2 million. The deferred tax asset is related to the tax basis of the Company's investment in its Canadian subsidiaries over the respective financial statement carrying amount. Except for the Midas foreign operations, the Company has not recorded a deferred tax liability on the basis differences of its foreign subsidiaries, as the Company has invested or expects to invest the undistributed earnings indefinitely. The determination of any unrecorded deferred tax liability on this amount is not practicable due to the uncertainty of how these investments would be recovered.

ASC Subtopic 740 10, *Income Taxes* ("ASC 740"), provides that a tax benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Income tax positions must meet a more likely than not recognition threshold at the effective date to be recognized upon the adoption of ASC 740 and in subsequent periods. This interpretation also provides guidance on measurement, derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Company recognizes interest and penalties accrued related to unrecognized tax benefits as components of the income tax provision and recognized expenses of $68, $49, and $11 for the years ended March 31, 2025, 2024, and 2023, respectively. As of March 31, 2025 and 2024, the liability for uncertain tax positions, including interest and penalties, is recorded in the accompanying consolidated balance sheets within other current liabilities.

15. Retirement Plans - 401(k) Plans

The Company maintains employee savings plans under Section 401(k) of the Internal Revenue Code. Eligible employees are permitted to make tax-deferred contributions from 1% to 85% of their eligible pay, subject to certain IRS limitations. Contributions are typically made by the Company to the 401(k) plans based on specified percentages of eligible employee contributions but may also include discretionary contributions. The Company's contributions are fully and immediately vested. Expenses recorded for the Company's contributions totaled $5,087, $4,995, and $6,259 for the years ended March 31, 2025, 2024, and 2023, respectively, which are included in selling, general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income.

Long-Term Incentive Plans
As of April 1, 2018, the Company established the Long-Term Incentive Compensation Plan "the Plan". The Plan's Performance Measurement period is three consecutive fiscal years over which the awards vest and are payable at the end of the third and final fiscal year (certain exceptions are applicable for death, retirement, disability, or a change in control). Targeted Incentive Awards are based upon specified corporate financial metrics. Performance measures and relative weights are set annually.

Deferred Compensation Plan
The Company adopted the TBC Holdings, LLC Deferred Compensation Plan, which allows certain key employees to defer up to 80% of their base salary and/or 100% of their bonuses on a tax deferred basis. All deferral elections are required to be made prior to the beginning of the respective plan year. Participants receive returns on amounts they deferred based on investment elections they make, which are added to their deferrals. Deferrals into the Plan and any related earnings are 100% vested. The Company purchased life insurance contracts that may be used to fund the Company's obligation under this plan. As of March 31, 2025 and 2024, the Company had a liability of $7,013 and $7,028 and an asset of $9,402 and $10,196, respectively, recorded in the accompanying consolidated balance sheets related to this plan. The related asset is included in other assets and the liability is included in other noncurrent liabilities within the accompanying consolidated balance sheet.

17. Financial Guarantees and Credit Risks

The Company provides certain financial guarantees associated with the execution, assignment, termination or sale of real estate leases. Although the guarantees were issued in the normal course of business to comply with the requirements in the original lease agreements, they may represent credit risk in excess of the amounts reported in the consolidated balance sheets. As of March 31, 2025 and 2024, there were no contractual amounts owed as it relates to these guarantees. These various guarantees that are in place have remaining terms that range from 1 to19 years, excluding option renewal periods.

18. Commitments and Contingencies

The Company is involved in various legal proceedings, which are routine to the conduct of its business. None of the ongoing legal claims against the Company had a material impact to the financial results as of and for the years ended March 31, 2025, March 31, 2024, and March 31, 2023, nor does the Company believe that any such litigation will have a material adverse effect on its consolidated financial position or results of operations in future periods.

19. Subsequent Events

The Company has reviewed and evaluated material subsequent events from the balance sheet date as of March 31, 2025 through the financial statement issuance date, or May 30, 2025.

1. Term, Commencement of First Year and Renewal Option.

1.1. Term. The initial term of this Lease shall be for ten (10) years (the "Term") commencing on the "Commencement Date," as defined in Subsection 1.4 below, and ending ten (10) years from the Commencement Date, subject to such options to extend as defined in Subsection 1.3 below.

1.2. Commencement of First Year. For the purposes of this Section 1, the first "Lease Year" shall commence on the first day of the calendar month on or after which the term of this Lease commences and shall run for twelve (12) full calendar months thereafter, and each succeeding twelve (12) month period thereafter shall be deemed a Lease Year. The period between the Commencement Date, if other than the first day of a month, and the first day of the next calendar month shall be included as part of the first month of the first Lease Year and Tenant shall pay the pro-rata portion of rent for that additional period on the Commencement Date.

1.3. Renewal Option. Provided that at the time of the giving of Tenant's renewal notice and at the end of the term hereof Tenant is not in default of any of the terms, conditions or covenants contained herein and *provided, further,* that the Franchise Agreement (as defined in Section 4) has been renewed by Tenant and Big O Tires, LLC, a Nevada limited liability company ("Big O"), Tenant (including any approved assignee or subtenant) is hereby granted the option to extend this Lease for two (2) successive additional terms of five (5) years each (the "Extended Terms") upon Tenant's notifying Landlord in writing of its election to extend at least one hundred eighty (180) days prior to expiration of this Lease. During such Extended Terms, if exercised, this Lease shall be on the same terms and conditions contained herein except: (a) the Extended Terms shall contain no further extension options unless expressly granted by Landlord in writing; and (b) Tenant agrees to pay to Landlord during said

Extended Term annual Base Rent, which shall be set and subject to adjustment in accordance with the provisions of Subsection 2.2 hereof.

1.4. Commencement Date. This Lease shall commence on _____, 20__ (the "Commencement Date").

1.5. Early Access. If Tenant is permitted access to the Leased Premises prior to the Commencement Date for the purpose of installing fixtures or any other purpose permitted by Landlord, such early entry will be at Tenant's sole risk and subject to all the terms and provisions of this Lease as though the Commencement Date had occurred, except for the payment of Base Rent which will commence on the Commencement Date and except that the Term of this Lease shall not commence until the Commencement Date. Landlord has the right to impose such additional conditions on Tenant's early entry as Landlord deems reasonably appropriate.

2. Rent.

2.1. Base Rent. Commencing as of the Commencement Date, Tenant, in consideration of the Lease, covenants and agrees to pay to Landlord, without deduction or offset, as annual rent for the Leased Premises ("Base Rent") the sum of $_____ in lawful money of the United States in twelve (12) equal monthly installments of $_____ ("Base Rent") payable in advance, without set off or reduction, on the first day of each month by Automatic Clearing House debits to Tenant's checking account number, _____ at:

_____,
(Name of Bank and ABA Number)

_____,
(Address of Bank)

or at the election of Landlord, at the offices of Big O Tires, LLC, Lease Administration, 4260 Design Center Drive, Palm Beach Gardens, Florida 33410, or at such other place as the Landlord hereof may designate from time to time in writing. Such Base Rent shall be subject to increase in accordance with all rent adjustment and escalation provisions set forth in this Lease. If any month during the term of this Lease shall be less than a complete month, such Base Rent shall be prorated on a thirty (30) day month basis. Contemporaneously with Tenant's execution and delivery to Landlord of this Lease, Tenant shall execute and deliver to Landlord the Authorization Agreement for Preauthorized Payment Service in the form attached hereto as **Exhibit "E"**. Tenant's shareholders, members, partners, officers, directors, as the case may be, and their spouses, as required by Landlord, shall execute the guaranty attached hereto as **Exhibit "F"**.

2.2. Base Rent Adjustment. Beginning on the first day of the first month of the fourth (4th) Lease year of the term of this Lease, and for each three (3) year period of the Term thereafter including any Extended Terms if exercised, the Base Rent shall be subject to an annual increase by the greater of nine percent (9%) or the amount of the increase in the Consumer Price Index ("Index") during the preceding three year period's Base Rent. The Index which is published most immediately preceding the date of the adjustment period in question commences (the "Extension Index") shall be compared with the Index published most immediately preceding the date the previous three-year period commenced (the "Beginning Index"). If the Extension Index has increased over the Beginning Index, the Base Rent shall be set by multiplying the then-current Base Rent by a fraction, the numerator of which is the Extension Index and the denominator of which is the Beginning Index. This adjustment process shall be continued for each three (3) year period of the Term, including any Extended Terms if exercised; provided however,

in no event shall such increase in the Base Rent be less than nine percent (9%) nor more than eighteen percent (18%) as calculated over the prior three-year adjustment period.

a. For purposes of this Subsection 2.2, "Index" means the Consumer Price Index published by the Bureau of Labor Statistics of the United States Department of Labor, All Urban Consumers (CPI-U) for the U.S. City Average for all items (1982 - 84 = 100); and the Index for a Lease Year shall refer to the average of the Indexes for the months of such year during which the Index is published.

b. If a substantial change is made in the measure of computing the Index, then the Index will be adjusted to the figure that would have been used had the measure of computing the Index in affect at the date of this Lease not been altered. If the Index (or a successor or substitute index) is not available, a reliable governmental or non-participant publication evaluating the information used in determining the Index will be used.

c. As soon as the new Base Rent is set, Landlord shall provide Tenant written notice of the Base Rent for the three (3) year period in question.

d. In no event will the monthly Base Rent for the then-current three (3) year adjustment period be reduced. Landlord's delay in computing or billing for these adjustments will not impair the continuing obligation of Tenant to pay these rental adjustments.

2.3. Payment of Rent and Operating Expenses. All rents and additional rent, including without limitation, Real Estate Taxes (defined in Subsection 8.2) and Operating Expenses (defined in Section 10) and other amounts due under this Lease to be paid to Landlord shall be payable by Tenant to Landlord by Automatic Clearing House debits to Tenant's checking account as set forth in Subsection 2.1 above, or at the election of Landlord, at its address shown on the Lease Summary Sheet attached to this Lease, or to such other place as Landlord shall from time to time designate. Rent and all other amounts due hereunder which are mailed to Landlord shall be deemed paid on the date payment is received by Landlord.

2.4. Credits. In the event that Landlord gives Tenant a credit against rent, such credit shall only apply to such rent as Landlord specifically describes in Landlord's notice to Tenant. No such credit shall be deemed a waiver by Landlord of any other rents or other amounts due hereunder.

2.5. Initial Rent Payment. Concurrently with the execution of this Lease, Tenant shall pay to Landlord _____ ($_____) to be applied against the first installment of Base Rent as provided in Subsection 2.1 above.

2.6. Late Charges; Interest.

a. Late Charges. Tenant hereby acknowledges that late payment by Tenant to Landlord of rent will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, personnel costs and late charges which may be imposed on Landlord by the terms of any agreement, mortgage or trust deed covering the Leased Premises. Accordingly, if any installment of monthly base rent or any other rent or sum due from Tenant shall not be received by Landlord within five (5) days of the date due, Tenant shall pay to Landlord a late charge equal to five percent (5%) of such overdue amount. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of late payment by Tenant. Acceptance of such late charge by

Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

b. Interest. In addition to the late charge provided for above, any rental due hereunder not paid when due as provided in this Lease shall bear interest from the date due at the lesser of 18% per annum or the maximum rate of interest allowed by law from time to time until paid.

c. Applicable. The provisions of this Subsection 2.6(c) are also applicable to Automatic Clearing House debits that are not made on the due date as a result of insufficient funds.

2.7. "Rent", "Rental" and "Base Rent" Defined. The terms "rent", "rental" and "Base Rent" used herein and elsewhere in this Lease shall be deemed to be and mean the monthly base rent, all additional rents, including without limitation, Operating Expenses, rental adjustments and any and all other sums or charges, however designated, required to be paid by Tenant hereunder, whether payable to Landlord or to third parties.

3. Security Deposit. Also concurrently with the execution of this Lease, Tenant will deposit with Landlord the sum of _____ ($_____) to be held as security for the full and faithful performance and observance by Tenant of the terms, provisions, and conditions of this Lease (the "Security Deposit"). It is agreed that in the event Tenant defaults in respect of any of the terms, provisions, and conditions of this Lease, including, but not limited to, the payment of rent and additional rent, Landlord shall have the right, but not the obligation, to use, apply, or retain the whole or any part of the Security Deposit to the extent required for the payment of any rent and additional rent or any other sum as to which Tenant is in default or for any sum which Landlord may expend or may be required to expend by reason of Tenant's default in respect of any of the terms, covenants, and conditions of this Lease. If any portion of the Security Deposit is so used, applied or returned, Tenant will, within ten (10) business days after written demand, Deposit with Landlord funds sufficient to restore the Security Deposit to its original amount. No such application shall be construed as an agreement to limit the amount of Landlord's claim or as a waiver of any damage or release of any indebtedness, and a claim of Landlord under this Lease not recovered in full from the Security Deposit shall remain in full force and effect. Landlord will not be required to keep the Security Deposit segregated from its general accounts or funds and Tenant will not be entitled to any interest on the Security Deposit. Tenant further agrees that Landlord and all of Landlord's successors or assigns may deliver the funds deposited pursuant hereto by Tenant to any purchaser or successor of Landlord's interest in the Leased Premises, and, thereafter, Landlord shall be discharged from any further liability with respect to the Security Deposit. In the event of such transfer of the Security Deposit, Landlord shall give written notice to Tenant of any existing claims against the Security Deposit, the balance of the Security Deposit transferred, and the name and address of Landlord's successor. In the event that Tenant shall fully and faithfully comply with all of the terms, provisions, covenants, and conditions of this Lease, the Security Deposit shall be returned to Tenant within fifteen (15) days after the date fixed at the end of the Lease and after delivery of possession of the entire Leased Premises to Landlord under the terms, conditions and covenants of the Lease.

4. Use.

4.1. Use of Leased Premises. Tenant shall use the Leased Premises only as a Big O Tires retail store pursuant to that certain Franchise Agreement dated _____, 20 _____, between Big O and Tenant, engaging in the sale of tires, undercar parts and other automotive accessories and all related automotive service work and for no other purpose without the prior written consent of Landlord. Tenant will not allow its employees, customers, visitors, licensees, agents or invitees to: (i) do

or permit to be done in or about the Leased Premises, nor bring to, keep or permit to be brought or kept in or on the Leased Premises, anything that is prohibited by or will in any way conflict with any law, statute, ordinance or governmental rule or regulation which is now in force or which may be enacted or promulgated after the Commencement Date; (ii) do or permit anything to be done in or about the Leased Premises which will in any way obstruct or interfere with the rights of others or inconvenience, injure, damage or annoy any of them, including, but not limited to, excess noise, vibration or odors or any other acts which may disturb adjoining landowners; (iii) use or allow the Leased Premises to be used for any immoral, improper or objectionable purpose; (iv) cause, maintain or permit any nuisance in, on or about the Leased `Premises; or (v) permit any act or thing to occur which may cause damage or waste to the Leased Premises. Tenant shall, at its own risk and expense, obtain and keep in force all governmental licenses and permits necessary for such use.

5. Business Operation.

5.1. Tenant's Operating Covenants. Tenant agrees that from and after its initial opening for business it shall operate and conduct its business in the Leased Premises during such business hours as hereinafter defined and in accordance with the provisions of this Lease. Tenant shall at all times keep and maintain in the Leased Premises an adequate stock of merchandise and trade fixtures to satisfy the usual and ordinary demands and requirements of its customers and shall keep the Leased Premises in a neat, clean and orderly condition.

5.2. Hours and Days of Operation. Tenant recognizes that it is in the interests of both Tenant and Landlord to regulate the minimum hours of business and Tenant agrees that commencing with its initial opening for business in the Leased Premises and for the remainder of the Term, it shall be continuously open for business during all hours as is customary and usual for Tenant's use of the Leased Premises ("Business Hours"). Tenant further agrees to continuously illuminate its window displays, exterior signs and exterior advertising displays during Business Hours. Notwithstanding anything to the contrary contained herein, Tenant shall not be required to remain open on Sundays nor on national holidays.

6. Quiet Enjoyment. Landlord represents that it has full right and power to execute this Lease and to grant the estate demised herein and subject to other provisions of this Lease, Landlord covenants with Tenant that so long as Tenant pays all rent herein reserved, and performs and observes all of the terms, conditions and covenants herein contained, Tenant shall peaceably and quietly enjoy the Leased Premises during the Term of this Lease, and any Extended Terms thereof, subject and subordinate to all of the terms, covenants and conditions of this Lease.

7. Utilities. Tenant shall pay when due directly to the provider the cost of all utilities and utility services to the Leased Premises, including, but not limited to, all charges for water, sewer, gas, heat, air conditioning, power and other services to the Leased Premises, and telephone service on the Leased Premises.

8. Taxes.

8.1. Payment of Personal Property, Franchise, Business and Similar Taxes. Tenant shall pay before delinquency any and all taxes, assessments, license fees and public charges levied, assessed or imposed and which become payable during the Term, including the Extended Terms, if exercised, upon the Tenant's fixtures, furniture, appliances and personal property installed or located in or on the Leased Premises. Tenant shall also pay all franchise taxes, business taxes or other similar taxes which may be

levied or imposed upon the Leased Premises or the business carried on therein and all other taxes and assessments thereon.

8.2. Real Estate Taxes. Tenant will concurrently with Base Rent pay to Landlord as additional rent on an annual basis in twelve (12) equal monthly installments all Real Estate Taxes (as estimated by Landlord based upon the most recent assessment) assessed against the Leased Premises during the Term of this Lease or any extensions thereof. "Real Estate Taxes" will include: (i) any form of annual or annualized tax or assessment (including any so called special assessment), license fee, license tax, business license fee, business license tax, commercial rental tax, levy, charge, penalty or tax imposed by any authority having the direct power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, water, drainage, sanitation or other improvement or special district against the Leased Premises or any legal or equitable interest of Landlord in any of them; (ii) any tax on Landlord's right to rent the Leased Premises or against Landlord's business of leasing the Leased Premises; and (iii) any assessment, tax, fee, levy or charge of substitution, partially or totally, of or in addition to any assessment, tax, fee, levy or charge previously included within the definition of Real Estate Taxes which may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal, and for other governmental services formally provided without charge to property owners or occupant. All such new and increased assessments, taxes, fees, levies and charges will be included within the definition of Real Estate Taxes for the purposes of this Lease. Tenant will pay Landlord the entire amount of any tax allocable to or measured by the area of the Leased Premises or the rental payable under this Lease, including, without limitation, any gross income, privilege, sales or excise tax levied by the state, any political subdivision of the city, municipality or federal government with respect to the rental, possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Leased Premises or any portion of the Leased Premises; and any tax upon this transaction or any document to which Tenant is a party, creating or transferring an interest or an estate in the Leased Premises. Each year, upon receipt of the tax bill in question, Landlord shall notify Tenant of the Real Estate Taxes and together with such notice shall furnish Tenant with a copy of the tax bill. Tenant shall pay to Landlord any additional amounts required for the complete payment of the Real Estate Taxes not later than ten (10) days before the taxing authorities delinquency date.

Notwithstanding the foregoing, if Landlord elects to transfer and convey its interest in the real property upon which the Leased Premises is located or any part thereof (the "Initial Transfer") which transfer and conveyance shall cause a reassessment of the Real Estate Taxes, such reassessments shall be included in the additional rent.

8.3. Rent Tax. Should any governmental taxing authority levy, assess or impose a tax and/or assessment (other than a net income tax) upon or against the rents payable by Tenant to Landlord and/or against the gross receipts received by Landlord from Tenant, either by way of substitution for or in addition to any existing tax on land or building or otherwise, Tenant shall be responsible for and pay such tax or assessment, or shall reimburse Landlord for the amount thereof, as the case may be, as additional rent, within thirty (30) days of receipt of a bill therefore from Landlord.

8.4. As regards the foregoing taxes, no such taxes shall include Landlord's general income, inheritance, estate or gift taxes.

8.5. Tenant's obligation to pay taxes under this Section 8 shall be subject to further proration for any such period in question which does not constitute a full calendar year.

9. Insurance.

9.1. Tenant Insurance. Tenant covenants and agrees that it will, at all times during the Term of this Lease, including any Extended Terms, if exercised, keep in full force and effect:

a. a policy of broad form comprehensive general public liability insurance, including premises and products liability and property damage insurance, to the Leased Premises and the business conducted by Tenant thereon providing coverage of not less than Two Million Dollars ($2,000,000) against liability for bodily injury including death and personal injury for any one (1) occurrence and One Million Dollars ($1,000,000) property damage insurance, or a combined single limited liability in the amount of Two Million Dollars ($2,000,000). These policies shall name, as additional insureds, Landlord and Landlord's lender as their interests may appear. This policy must contain, but not be limited to, coverage for the Leased Premises and operations, products and completed operations, personal injury, and ownership, maintenance and care of owned and non-owned automobiles and property damage. It shall also contain a contractual endorsement specifically insuring performance by Tenant of its indemnification obligations under this Lease. If Landlord shall determine during the Term of this Lease, including any Extended Terms, if exercised, that based upon commercially reasonable industry standards the amounts of coverage as provided for herein are no longer adequate, Tenant shall at Landlord's request obtain such additional amounts of insurance coverage;

b. a policy of standard fire insurance with standard and extended coverage or all risk endorsement, including without limitation, vandalism and malicious mischief, to the extent of one hundred percent (100%) of the full replacement value of the Leased Premises and all tenant finish and leasehold improvements, fixtures, trade fixtures, equipment, inventory, merchandise and other personal property, which is from time to time situated in or upon the Leased Premises. The proceeds from any such policy shall be used for the replacement of the personal property of Tenant and the restoration of improvements and alterations to the Leased Premises, it being understood between the parties that the insurance required by this Subsection 9.1 (b) shall not in any way limit Tenant's obligations under Section 15 of this Lease;

c. a policy of rental loss insurance covering rentals for a period of up to one (1) year;

d. a policy of glass breakage insurance with coverage in a sum equal to the replacement value of any and all glass windows on the premises;

e. a policy of earthquake and flood insurance to the extent of full replacement value covering the Leased Premises and leasehold improvements thereon; and

f. in addition to the foregoing insurance obligations, Tenant shall during the performance of any alterations, maintain such insurance coverage as Landlord shall reasonably require.

9.2. Company and Policy Requirements. All policies of insurance described in this Section 9 which Tenant is required to procure and maintain will be issued by responsible insurance companies, having not less than Best's A VIII rating or better, or an equivalent rating, reasonably acceptable to Landlord and qualified and licensed to do business in the state in which the Leased Premises is situated. Certificates of such insurance will be delivered to each party and any additional insureds prior to Tenant's taking possession of the Leased Premises and any renewals or extensions of said policies or certificates of insurance shall be delivered to Landlord at least thirty (30) days prior to the expiration or termination of such policies. All public liability and property damage policies will contain the following provisions:

a. if this Lease is canceled by reason of damage or destruction and Tenant is relieved of its obligation to restore or rebuild the improvements on the Leased Premises, any insurance proceeds for damage to the Leased Premises, including all tenant finish and leasehold improvements, which Landlord has the right to retain upon expiration of the Term of this Lease including any Extended Terms, if exercised, but not including any fixtures, trade fixtures, equipment, inventory, merchandise and other personal property of Tenant, shall belong to Landlord, free and clear of any claims by Tenant;

b. the company writing such policy will agree to give the insured and additional insureds not less than thirty (30) days notice in writing prior to any cancellation, reduction or modification of such insurance; and

c. at the election of Landlord's mortgagee, the proceeds of any insurance will be paid to a trustee or Depository designated by Landlord's mortgagee; otherwise such proceeds shall be paid to the Landlord.

9.3. Blanket Policy. Any insurance required by this Lease may be brought within the coverage of a so-called blanket policy or policies of insurance carried by and maintained by the insuring party, so long as the insured party and such other persons will be named as additional insureds under such policies as their interests may appear; the coverage afforded to the insured party and such other persons named as additional insureds will not be reduced or diminished by reason of the use of such blanket policy of insurance; and all other requirements set forth in this Section 9 are otherwise satisfied.

9.4. Tenant's Failure to Obtain. If Tenant fails either to acquire the insurance required pursuant to this Section 9 or to pay the premiums for such insurance or deliver the required policies or certificates, Landlord may, in addition to other rights and remedies available to Landlord, acquire such insurance and pay the requisite premiums therefor. Such premiums will be reimbursable and payable by Tenant to Landlord, as additional rent, immediately upon written demand therefor made to Tenant by Landlord, plus 12% interest or maximum award allowed by law, whichever is lower, if not paid within 10 days after notice.

9.5. Payment of Premiums. Tenant shall pay, as additional rent, the fire and extended coverage insurance premiums acquired by Landlord, if any, pursuant to this Lease. Landlord's records pertaining to insurance shall be made available for Tenant's inspection at Landlord's office during normal business hours. In the event this Lease commences or terminates other than at the time the insurance premiums are due and payable, the additional rent payable hereunder shall be prorated to the date of commencement or termination of this Lease, and Landlord reserves the right to estimate the additional rental due and said rental shall be paid to and held by Landlord as provided above, until such time as a proper accounting can be completed.

9.6. Waiver of Subrogation. The parties hereto release each other, and their respective authorized representatives, from any claims for damage to any person or to the Leased Premises and other improvements located in the Leased Premises, and to the fixtures, personal property, improvements and alterations of either Landlord or Tenant in or upon the Leased Premises, that are caused by or result from risks insured against under any insurance policies carried by the parties and in force at the time of any such damage. Each party shall cause each insurance policy obtained by it to provide that the insurance company waives in writing all right of recovery by way of subrogation against either party in connection with any damage covered by any policy. Neither party shall be liable to the other for any damage caused by fire or any of the risks insured against under any insurance policy required by this Lease. If any insurance policy cannot be obtained with such a waiver of subrogation, the party undertaking to obtain the insurance shall notify the other party of this fact. The other party shall have a period of ten (10) days after

receiving the notice either to place the insurance with a company that is reasonably satisfactory to the other party and that will carry the insurance with a waiver of subrogation, or agree to pay the additional premium if such a policy is obtainable at additional cost. If the insurance cannot be obtained or the party in whose favor a waiver of subrogation is desired refuses to pay the additional premium charged, the other party is relieved of the obligation to obtain a waiver of subrogation rights with respect to the particular insurance involved.

10. Common Area Costs. If the Leased Premises are a part of a retail center ("Center"), Tenant will pay as additional rent, the Leased Premises Proportional Share (defined in Subsection 10.3) of the "Operating Expenses" paid, payable or incurred by Landlord according to an accrual method of accounting in each calendar year or partial calendar year during the Term, and each Extended Term, if exercised, on the "Common Areas." The term "Common Area" means all areas and facilities outside the Leased Premises at the Center within the Center's exterior boundaries that are provided and designated from time to time for the general use and convenience of Tenant and other tenants of the Center and their respective authorized representatives and invitees. Common Areas may include, without limitation, pedestrian walkways and patios, landscaped area, sidewalks, service corridors, restrooms (other than those located in the Leased Premises and the leased premises of other tenants at the Center), stairways, decorative walls, plazas, malls, throughways, loading and unloading areas, parking areas, and roads as outlined in red in **Exhibit "B"**.

As used in this Lease, the term "Operating Expenses" can mean:

10.1. All costs of management, operation and maintenance of the Center, including without limitation: cleaning, window washing, landscaping, lighting, heating, air conditioning, maintaining, painting, repairing, and replacing (except to the extent proceeds of insurance or condemnation awards are available) any Common Areas; maintaining, repairing and replacing, cleaning, lighting, removing snow and ice, painting, and landscaping of all vehicle parking areas and other outdoor Common Areas of the Center, including any Center pylon, and sign; removing trash from the Common Areas; providing public liability, property damage, fire, and extended coverage, liability insurance, rental loss insurance and such other insurance as Landlord deems reasonably appropriate to the Center and the Common Areas and not provided by Tenant; personal property taxes; supplies; fire protection and fire hydrant charges; steam, water and sewer charges; gas, electricity, and telephone utility charges; licenses and permit fees; real property taxes, special assessments and all other governmental charges, assessments, taxes or impositions placed upon the Center or the Common Areas due to any business operated from the Center including, without limitation, by way of air quality or the environmental regulations (and any tax levied in whole or in part in lieu of real property taxes); and any other costs, charges, and expenses which under generally accepted accounting principles would be regarded as reasonable maintenance and operating expenses; provided however that such Operating Expenses shall not include capital improvements made on the Common Areas, nor capital expenditures and costs with respect to the initial acquisition and construction of additions to or expansion of the Center.

10.2. Prior to the beginning of each calendar year, Landlord shall estimate the annual amount of such charges and shall advise Tenant of the Leased Premises Proportionate Share of such charges. Tenant shall pay, as additional rent, an amount equal to one-twelfth (1/12) of such charges on the first day of each month of such calendar year. Within three (3) months of the close of each calendar year, Landlord shall determine the actual costs of the above items. If Tenant's payments hereunder for that year are less than the Leased Premises Proportionate Share of the actual costs for that year, then Tenant shall pay Landlord for such deficiency within fifteen (15) days after notice from Landlord and if Tenant's payments hereunder for that year are greater than Leased Premises Proportionate Share of the actual costs for that year, then Landlord shall credit Tenant for such overpayment on the next installment of payments

due hereunder. If Tenant's Commencement Date or termination date falls on any date other than the end of the calendar year then the Leased Premises Proportionate Share shall be prorated for such period in question which does not constitute a full calendar year.

10.3. For purposes of this Lease, the term "Leased Premises Proportionate Share" shall mean and refer to the proportionate share for the Leased Premises, as determined by the Center's management and/or association, pursuant to the covenants, zoning or other agreements that pertain to the Center's operations and cost sharing.

11. Alterations and Fixtures.

11.1. Tenant Alterations. Tenant shall not make or permit any alterations, additions or improvements to the Leased Premises without the prior written consent of the Landlord. Consent for minor and nonstructural alterations, additions or improvements will not be unreasonably withheld by Landlord. After having obtained Landlord's prior written approval, Tenant shall deliver to Landlord, upon completion of any authorized alterations, additions or improvements, "as-built" plans showing all changes in the Leased Premises. Any subsequent changes to the Leased Premises, approved by Landlord, shall also require as-built plans. The cost of making such alterations, improvements or additions and preparing said plans shall be borne by Tenant. All such work shall be done in a good and workmanlike manner and in such a manner as to not inconvenience other occupants of the building of which the Leased Premises is a part. All such work shall comply with all laws, ordinances or regulations of any governmental or administrative agency having jurisdiction over the Leased Premises.

11.2. Tenant Trade Fixtures. Tenant may, upon prior written approval from Landlord, install Tenant's shelves, bins, machinery, and trade fixtures, hereinafter collectively called "Tenant's Trade Fixtures," provided Tenant complies with all applicable governmental laws and further provided installations by Tenant do not overload the floor or otherwise damage or deface the Leased Premises. Tenant shall not place any heavy equipment that would exceed the load per square foot that the floor or ceiling is designed to carry and which may otherwise be allowed by law. Landlord reserves the right to prescribe the positioning of heavy equipment and to prescribe any reinforcing if necessary, in the opinion of Landlord, which may be required under the circumstances; such positioning or repositioning of equipment, and reinforcing, if necessary, shall be at Tenant's sole expense. Tenant shall have no right to go onto the roof or to place on the roof equipment of any nature whatsoever, without the prior written consent of Landlord.

11.3. Removal of Trade Fixtures. Provided Tenant is not in default of any of the terms, conditions or covenants of this Lease, Tenant shall have the right, at the termination or expiration of this Lease, to remove any previously installed Tenant's Trade Fixtures, provided further that Tenant shall immediately repair any damage caused by such removal and Tenant shall leave the Leased Premises in a broom-clean condition and in the same good and sanitary order and condition as existed at the beginning date of this Lease, reasonable wear and tear excepted. All alterations, additions and improvements made by Tenant (other than installation of Tenant's Trade Fixtures) may, at Landlord's discretion, become the property of Landlord upon the termination of this Lease or Landlord may require Tenant to remove such alterations, additions, and improvements and any other property placed in or on the Leased Premises by Tenant and restore the Leased Premises to the same condition as existed at the commencement of this Lease, ordinary wear and tear excepted. Should Landlord make such election, it shall so notify Tenant no later than thirty (30) days prior to the termination or expiration of the Term, including any Extended Terms, if exercised.

11.4. Execution by Landlord of Landlord Waiver. In the event Tenant's lender or lessor with respect to the trade fixtures, equipment, merchandise and other personal property ("Tenant Property") installed or placed upon the Leased Premises (which Tenant Property shall not include such alterations, additions and improvements which Landlord has the right to elect to retain), requests that the Landlord waive any rights to such of Tenant's property, Landlord agrees to provide such waiver so long as such lender or lessor agrees to provide ten (10) days prior written notice of its intention to remove such of Tenant's Property and exercises reasonable care in effectuating such removal, does not interfere or disturb others in the Leased Premises, and restores the Leased Premises to its condition prior to the installation thereof, ordinary wear and tear excepted.

11.5. Mechanics' and Materialmens' Liens. Tenant shall, at all times, keep the Leased Premises and all improvements in the Leased Premises free from any liens arising out of any work performed, material furnished or obligations incurred by Tenant. If a notice of a lien shall be filed against the Leased Premises, and such lien is for, or purports to be for labor, or material alleged to have been furnished to or delivered at the Leased Premises to or for Tenant, or anyone claiming under Tenant, then Tenant shall cause such lien to be discharged or bonded over within fifteen (15) days after notice from Landlord. If Tenant shall fail to discharge or bond over any such lien, then Landlord shall have the right (but not the obligation) to pay or discharge any such lien or claim of lien or treat such lien or claim of lien as a default under the terms of this Lease. If Landlord elects to pay or discharge any such lien or claim of lien, then Tenant shall pay to Landlord all of Landlord's expenses incurred, including reasonable attorneys' fees, together with interest on the funds so advanced at the highest rate permissible by law, which payment shall be deemed additional rent payable on demand. In addition to the foregoing, Landlord may, at its option, and with full cooperation of Tenant, timely post and record, if permitted by applicable state law, such notices, including notices of non-responsibility for materials and labor delivered to or performed upon the Leased Premises, to protect Landlord, Landlord's interest in the Leased Premises and Landlord's interest in the Lease from Tenant's activity on or about the Leased Premises and from the filing of workman's or materialman's liens.

12. Maintenance by Tenant.

12.1. Tenant's Operation Obligations. Tenant shall, during the term of this Lease and any Extended Terms, if exercised:

a. not store, except in areas designated by Landlord in its sole discretion, any merchandise, crates, pallets or materials of any kind outside the Leased Premises nor shall Tenant burn trash or other substances on or around the Leased Premises;

b. maintain heat in the Leased Premises sufficient to keep the Leased Premises at a minimum temperature of forty-five (45) degrees Fahrenheit, unless otherwise agreed between the parties hereto;

c. at all times keep the loading docks, stoops and stairs adjacent to and serving the Leased Premises free of dirt, grime, snow and ice;

d. not park or allow to be parked vehicles overnight in the parking areas of the Leased Premises, except in areas designated by Landlord in Landlord's sole discretion;

e. except as provided otherwise in **Exhibit "D"**, attached hereto and entitled "Rules and Regulations" not without the prior written consent of Landlord perform any of its business outside of the Leased Premises; and

f. keep all window and exterior lights, displays and signs illuminated at night.

12.2. Tenant Repairs. Tenant will, at all times during the term of this Lease, keep and maintain, at its own cost and expense, in good order, condition, and repair, the Leased Premises (including, without limitation, all improvements and fixtures on the Leased Premises), and will make all repairs and replacements, interior and exterior, above or below ground, ordinary or extraordinary. Tenant's obligation to keep and maintain the Leased Premises in good order, condition, and repair includes, without limitation, all plumbing and sewage facilities in the Leased Premises, floors (including floor coverings); doors, locks, and closing devices; window casements and frames; glass and plate glass; grilles; all electrical facilities and equipment; HVAC systems and equipment of every kind and nature; and all landscaping upon, within, or attached to the Leased Premises. In addition, Tenant will, at its sole cost and expense, install or construct any improvements, equipment, or fixtures required by any governmental authority or agency as a consequence of Tenant's use and occupancy of the Leased Premises, from and after the Commencement Date. Tenant will replace any damaged plate glass within forty-eight (48) hours of the occurrence of such damage.

12.3. Maintenance of HVAC. Landlord may at Landlord's option employ and pay a maintenance firm satisfactory to Landlord, engaged in the business of maintaining systems, to perform periodic inspections of the HVAC systems serving the Leased Premises, and to perform any necessary work, maintenance, or repair of them. In that event, Tenant will reimburse Landlord for all reasonable amounts paid by Landlord in connection with such engagement.

12.4. Assignment of Warranty. Landlord will, to the extent permitted, assign to Tenant, and Tenant will have the benefit of (to the extent assignable), any guarantee or warranty to which Landlord is entitled under any purchase, construction, or installation contract relating to a component of the Leased Premises which Tenant is obligated to repair and maintain. Tenant will have the right to call upon the contractor(s) to make such adjustments, replacements, or repairs which are required to be made by the contractor(s) under such contract.

12.5. Condition Upon Termination. Upon the expiration or termination of this Lease, Tenant will surrender the Premises to Landlord in good order, condition, and repair, ordinary wear and tear excepted. To the extent allowed by law, and except as otherwise provided hereunder, Tenant waives the right to make repairs at Landlord's expense under the provisions of any laws permitting repairs by a tenant at the expense of a landlord.

13. Signs and Windows. Tenant, at its sole expense, shall prior to initial opening for business in the Leased Premises, erect its storefront sign(s) in accordance with the provisions of **Exhibit "C"**, attached hereto and entitled "Sign Criteria." Except as set forth on the "Sign Criteria," Tenant shall not use and shall not be permitted to use any portable signs at the Leased Premises and no other signs shall be erected, placed or painted on the exterior walls of the building on the Leased Premises or in the windows of the Leased Premises without the prior written consent of Landlord. Tenant shall obtain all requisite governmental approvals and comply with all zoning, use or other ordinances, rule or regulation relating to signage. In the event Landlord gives its approval for any such signs, Tenant shall remove all such signs at the termination of this Lease at its sole risk and expense and shall in a good and workmanlike manner promptly repair any damage and close any holes caused by removal of such signs.

14. Hazardous Material - Compliance with Environmental Laws. Tenant shall not, without the prior written consent of Landlord, cause or permit, knowingly or unknowingly, any Hazardous Material (hereinafter defined) to be brought or remain upon, kept, used, discharged, leaked, or emitted in or about,

or treated at the Leased Premises. As used in the Lease, "Hazardous Material(s)" shall mean any hazardous, toxic or radioactive substance material, matter or waste which is or becomes regulated by any federal, state or local law, ordinance, order, rule, regulation, code or any other governmental restriction or requirement, and shall include asbestos, petroleum products and the terms "Hazardous Substance" and "Hazardous Waste" as defined in the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), as amended, 42 U.S.C. §9601 et seq., and the Resource Conservation and Recovery Act ("RCRA"), as amended, 42 U.S.C. §6901 et seq. To obtain Landlord's consent, Tenant shall prepare an "Environmental Audit" for Landlord's review. Such Environmental Audit shall list: (1) the name(s) of each Hazardous Material and a Material Safety Data Sheet ("MSDS") as required by the Occupational Safety and Health Act; (2) the volume proposed to be used, stored and/or treated at the Leased Premises (monthly); (3) the purpose of such Hazardous Material; (4) the proposed on-premises storage location(s); (5) the name(s) of the proposed off-premises disposal entity; and (6) an emergency preparedness plan in the event of a release. Additionally, the Environmental Audit shall include copies of all required federal, state, and local permits concerning or related to the proposed use, storage, or treatment of any Hazardous Material(s) at the Leased Premises. Tenant shall submit a new Environmental Audit whenever it proposes to use, store or treat a new Hazardous Material at the Leased Premises or when the volume of existing Hazardous Materials to be used, stored or treated at the Leased Premises expands by ten percent (10%) during any thirty (30) day period. If Landlord in its reasonable judgment finds the Environmental Audit acceptable then Landlord shall deliver to Tenant Landlord's written consent. Notwithstanding such consent, Landlord may revoke its consent upon: (1) Tenant's failure to remain in full compliance with applicable environmental permits and/or any other requirements under any federal, state, or local law, ordinance, order, rule, regulation, code or any other governmental restriction or requirement (including but not limited to CERCLA and RCRA) related to environmental safety, human health, or employee safety; (2) the Tenant's business operations pose or potential pose a human health risk to other parties; or (3) the Tenant expands its use, storage, or treatment of any Hazardous Material(s) in a manner inconsistent with the safe operation of the Leased Premises. Should Landlord consent in writing to Tenant bringing, using, storing or treating any hazardous Material(s) in or upon the Leased Premises, Tenant shall strictly obey and adhere to any and all federal, state or local laws, ordinances, orders, rules, regulations, codes or any other governmental restrictions or requirements (including but not limited to CERCLA and RCRA) which in any way regulate, govern or impact Tenant's possession, use, storage, treatment, or disposal of said Hazardous Material(s). In addition, Tenant represents and warrants to Landlord that (1) Tenant shall apply for and remain in compliance with any and all federal, state or local permits in regard to Hazardous Materials (excluding those Hazardous Materials that were present in the Leased Premises prior to Tenant's occupancy and those Hazardous Materials brought upon the Leased Premises by Landlord after Tenant's occupancy); (2) Tenant shall report to Landlord and any and all applicable governmental authorities any release of reportable quantities of any Hazardous Material(s) (excluding those Hazardous Materials that were present in the Leased Premises prior to Tenant's occupancy and those Hazardous Materials brought upon the Leased Premises by Landlord after Tenant's occupancy) as required by any and all federal, state or local laws, ordinances, orders, rules, regulations, codes or any other governmental restrictions or requirements; (3) Tenant, within five (5) days of receipt, shall send to Landlord a copy of any notice, order, inspection report, or other document issued by any governmental authority relevant to the Tenant's compliance status with environmental or health and safety laws; and (4) Tenant shall remove from the Leased Premises all Hazardous Materials (excluding those Hazardous Materials that were present in the Leased Premises prior to Tenant's occupancy and those Hazardous Materials brought upon the Leased Premises by Landlord after Tenant's occupancy) at the termination of this Lease.

In addition to, and in no way limiting, Tenant's duties and obligations as set forth in this Section 14, or if the presence of any Hazardous Material(s) (excluding those Hazardous Materials that were present in the Leased Premises prior to Tenant's occupancy and those Hazardous Materials brought upon

the Leased Premises by Landlord after Tenant's occupancy) on the Leased Premises results in contamination of the Leased Premises, any land other than the Leased Premises, the atmosphere, or any water or waterway (including groundwater), or if contamination of the Leased Premises by any Hazardous Material(s) (excluding those Hazardous Materials that were present in the Premises prior to Tenant's occupancy and those Hazardous Materials brought upon the Premises by Landlord after Tenant's occupancy) otherwise occurs for which Tenant is otherwise legally liable to Landlord for damages resulting therefrom, Tenant shall indemnify, protect, save harmless with attorneys reasonably approved in writing by Landlord, defend Landlord and its contractors, agents, employees, partners, officers, directors, Big O, and mortgagees, if any, from any and all claims, demands, damages, expenses, fees, costs, fines, penalties, suits, proceedings, actions, causes of action, and losses of any and every kind and nature including, without limitation, diminution in value of the Leased Premises, damages for the loss or restriction on use of the rentable or usable space or of any amenity of the Leased Premises, damages arising from any adverse impact on marketing space in the Leased Premises, and sums paid in settlement of claims and for attorneys' fees, consultant fees and expert fees, which may arise during or after the Term of this Lease or any Extended Terms thereof as a result of such contamination. This includes, without limitation, costs and expenses, incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because the presence of Hazardous Material(s) on or about the Leased Premises, or because of the presence of Hazardous Material(s) anywhere else which came or otherwise emanated from Tenant or the Leased Premises. Without limiting the foregoing, if the presence of any Hazardous Material(s) on or about the Leased Premises caused or permitted by Tenant results in any contamination of the Leased Premises caused or permitted by Tenant results in any contamination of the Leased Premises, Tenant shall, at its sole expense, promptly take all actions and expense as are necessary to return the Leased Premises to a condition in compliance with applicable laws, provided, however, that Landlord's approval of such actions shall first be obtained in writing which approval shall not be unreasonably withheld.

Notwithstanding the foregoing, Landlord shall be responsible for the correction, removal, or to otherwise render harmless Hazardous Materials that existed in or on the Leased Premises at the time the same was delivered to Tenant ("Pre-existing Conditions") whether such conditions were discoverable upon a reasonable inspection or latent in nature and discovered only after possession was delivered to Tenant. Landlord shall be responsible for compliance with the governmental laws, orders, rules and directives governing such Pre-existing Conditions. Any provision of this Lease notwithstanding, Landlord shall indemnify, protect, defend and hold Tenant harmless from any claims, liabilities or expenses of any nature (including without limitation reasonable attorneys' fees) arising out of or related to the presence of any hazardous materials which were placed in the Leased Premises by Landlord, its agents, employees and/or contractors, or which existed in or on the Leased Premises at the time the same was delivered to Tenant.

15. **Indemnification by Tenant**. Tenant will protect, defend, indemnify and save harmless Landlord, its shareholders, directors, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including without limitation, reasonable attorneys' fees and expenses) imposed upon or incurred by or asserted against Landlord by reason of: (a) any occurrence, injury to or death of persons (including workmen) or loss of or damage to property occurring on or about the Leased Premises or any part thereof; (b) any use, non-use or condition of the Leased Premises or any part thereof; (c) any failure on the part of Tenant to perform or comply with any of the terms of this Lease; or (d) performance of any labor or services or the furnishing of any materials or other property in respect of the Leased Premises or any part thereof. In case any action, suit or proceeding is brought against the Landlord by reason of any such

occurrence, Tenant shall defend and hold Landlord, its shareholders, directors, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, harmless, upon Landlord's request, and will at Tenant's expense resist and defend such action, suit or proceeding, or cause the same to be resisted and defended by counsel (reasonably acceptable to Landlord) designated by the insurer whose policy covers such occurrence or by counsel designated by Landlord. Nothing herein shall be construed as requiring Tenant to indemnify Landlord against claims arising out of the acts or omissions to act of Landlord. The obligations of Tenant under this Section 15 arising by reason of any such occurrence having taken place during the Term of this Lease, including any Extended Terms, if exercised, shall survive any expiration or termination of this Lease.

16. Assignment and Subleasing.

16.1. Assignment and Sublet. Tenant may not assign this Lease or any interest herein or sublet the whole or any part of the Leased Premises, or permit the same to be occupied by anyone other than Tenant, without in each instance having first obtained Landlord's prior written consent which consent shall not be unreasonably withheld. If Landlord should consent to any such sublease or assignment, Tenant shall nevertheless remain the principal obligor to Landlord under all the terms, conditions, covenants and obligations of this Lease, and the acceptance of any assignment or subletting of the Leased Premises by any assignee or subtenant shall be construed as a promise on the part of such assignee or subtenant to be bound by and to perform all of the terms, conditions and covenants by which Tenant herein is bound. No such assignment or subletting shall be construed to constitute a novation or a release of any claim Landlord may then or thereafter have against Tenant hereunder. Tenant shall furnish Landlord with a fully executed counterpart of any such assignment or sublease at the time such instrument is executed.

16.2. Effective Changes in Business Entity. If Tenant is a corporation, any transfer of this Lease by or from Tenant by merger, consolidation, reorganization or liquidation, or the sale or other transfer of a controlling percentage of the capital stock, or a sale of over fifty percent (50%) of the value of the assets of Tenant, shall for purposes of this Lease, constitute an assignment. The phrase "controlling percentage" means the ownership of, and right to vote, stock possessing over fifty percent (50%) of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors. If Tenant is a partnership, or limited liability company, any sale or other transfer of all or any portion of any general partner or managing partner's or member's interest in Tenant which shall amount to a sale of over fifty percent (50%) of the partnership or limited liability company interest which comprises Tenant shall constitute an assignment.

16.3. Economic Benefit of Sublease or Assignment. Without affecting any of its other obligations under this Lease, Tenant will pay Landlord, as additional rent, one-half (1/2) of any sums or other economic consideration which : (i) are received by Tenant as a result of an assignment or subletting (other than the rental or other payments which are attributable to the amortization over the term of this Lease of the cost of nonbuilding standard leasehold improvements which are part of the assigned or sublet portion of the Leased Premises and have been paid for by Tenant), whether or not denominated rentals under the assignment or sublease; and (ii) exceed in total the sums which Tenant is obligated to pay Landlord under this Lease (prorated to reflect obligations allocable to that portion of the Leased Premises subject to such assignment or sublease). The failure or inability of the assignee or subtenant to pay Tenant pursuant to the assignment or sublease will not relieve Tenant from its obligations to Landlord under this paragraph. Tenant will not amend the assignment or sublease in such a way as to reduce or delay payments of amounts which are provided in the assignment or sublease approved by Landlord.

17. Damage to Leased Premises.

17.1. Destruction Due to Risk Covered by Insurance. In the event of damage causing a total or partial destruction of the Leased Premises during the Term of this Lease including any Extended Terms, if exercised, and the insurance proceeds pursuant to Section 9, are available, Landlord shall use such proceeds to repair the Leased Premises to substantially the same condition as they were immediately before destruction. Landlord agrees to make repairs within a reasonable period of time, and with reasonable diligence and this Lease shall continue in full force and effect.

17.2. Destruction Due to Risk Not Covered by Insurance. If, the Leased Premises are totally or partially destroyed from a risk not covered by insurance pursuant to Section 9, or if there is insurance and it is insufficient to cover substantially all of the costs of repair, rendering the Leased Premises totally or partially inaccessible or unusable, then Landlord can elect to terminate this Lease by giving notice to Tenant upon delivering to Tenant a statement showing the restoration costs and replacement value. Landlord shall provide Tenant with said statement within thirty (30) days of the occurrence of said damage. If Landlord elects to make such repairs, Landlord shall restore the Leased Premises to substantially the same condition as they were immediately before destruction and Landlord agrees to make the repairs within a reasonable period of time and with reasonable diligence and this Lease shall continue in full force and effect. If, however, Landlord elects not to make such repairs, and to terminate this Lease, Tenant, within fifteen (15) days after receiving Landlord's notice to terminate, can elect to make such repairs at its sole cost and expense (to the extent, if applicable, that there are insufficient or no insurance proceeds available) and shall make such repairs within a reasonable period of time and restore the Leased Premises to substantially the same condition as they were immediately preceding such damage.

17.3. Extent of Landlord's Obligation to Restore. If Landlord elects to make such repairs as provided in Subsections 17.1 and 17.2 above, Landlord shall not be required to restore any personal property of Tenant or trade fixtures, alterations or additions made by Tenant, such excluded items being the sole responsibility of Tenant to restore.

17.4. Abatement of Rent. There shall be no abatement or reduction in Base Rent or additional rent and the same shall continue to be due and payable between the date of destruction and the date of completion of restoration, regardless of the extent to which the destruction interferes with Tenant's use of the Leased Premises, as defined in Section 4 hereof. Tenant shall look to its rental loss insurance coverage to provide payment of rents during this time period, but is still primarily responsible if such proceeds are insufficient to meet the rental obligations due hereunder.

17.5. Loss During Last Part of Term. If destruction to the Leased Premises occurs during the last six (6) months of the Term, including any Extended Terms, if exercised, Landlord can terminate this Lease by giving notice to Tenant not more than thirty (30) days after the destruction and Tenant shall not have the option to elect to make the repair as provided above. Provided, however, if the destruction occurs during the last six (6) months of the Term and within thirty (30) days after the destruction Tenant exercises the option to extend the Term as provided in Section 1 (if the time within which the option can be exercised has not expired), Landlord shall restore the Leased Premises if required in this Section 17.

18. Condemnation.

18.1. Total or Partial. In the event that the whole of the Leased Premises shall be condemned or taken in any manner for any public or quasi-public use, this Lease and the term and estate hereby granted shall forthwith cease and terminate as of the date of vesting of title in the condemnor. In the

event that only a part of the Leased Premises shall be so condemned rendering the Leased Premises unsuitable for Tenant's use thereof as defined in Section 4 hereof, then this Lease shall terminate effective as of the date of such vesting of title in the condemning authority; otherwise the Base Rent (including any additional rents) hereunder for such part shall be equitably abated and this Lease shall continue as to such part not so taken. In the event that only a part of the Leased Premises shall be so condemned or taken, then: (i) if substantial structural alteration or reconstruction of the Leased Premises shall, in the reasonable opinion of Landlord, be necessary or appropriate as a result of such condemnation or taking (whether or not the Leased Premises be affected), Landlord may, at its option, terminate this Lease and the term and estate hereby granted as of the date of such vesting of title, notifying Tenant in writing of such termination within sixty (60) days following the date on which Landlord shall have received notice of vesting of title; or (ii) if either party does not elect to terminate this Lease as aforesaid, this Lease shall be and remain unaffected by such condemnation or taking, except that the rent shall be abated to the extent, if any, as hereinbefore provided. In the event that only a part of the Leased Premises shall be so condemned or taken and this Lease and the term and estate hereby granted are not terminated as hereinbefore provided, Landlord will, to the extent it receives cash proceeds from such condemnation proceeding, restore with reasonable diligence the remaining structural portions of the Leased Premises, as near as practicable, to the same condition as existed immediately prior to such condemnation or taking.

18.2. Effect of Termination. In the event of termination in any of the cases hereinabove provided, this Lease and the terms and leasehold estate hereby granted shall expire as of the date of such termination with the same effect as if that was the date hereinbefore set for the expiration of the term of this Lease, and the rents hereunder shall be apportioned as of such date.

18.3. Right to Awards. In the event of any condemnation or taking hereinabove mentioned of all or part of the Leased Premises, Landlord shall be entitled to receive the entire award in the condemnation proceeding, including any award made for the value of the estate vested by this Lease in Tenant, and Tenant hereby expressly assigns to Landlord any and all right, title, and interest of Tenant now or hereafter arising in or to any part thereof, and Tenant shall be entitled to receive no part of such award; provided, however, Tenant shall have the right, at its sole cost and expense, to assert a separate claim in any condemnation proceeding for its personal property and trade fixtures, as defined hereunder.

19. Tenant Waiver of Claims Against Landlord. Tenant, as a material part of the consideration to be rendered to Landlord, hereby waives all claims against Landlord for damages to goods, wares and merchandise, in, upon, or about Leased Premises and for injury to Tenant, its agents or third persons in or about Leased Premises from any cause arising at any time, including, without limitation, any damage or injury caused by the discharge, whether accidental or otherwise, of the sprinkler system, if any, installed in the Leased Premises. Nothing herein shall be construed as requiring Tenant to waive its rights against Landlord if such damage arose out of the acts or omission to act of Landlord for which Tenant was in no way responsible.

20. Landlord's Right of Entry. Landlord and its authorized agents or designees shall have the right to enter the Leased Premises at any reasonable time during normal business hours and in the case of an emergency at any time for the following purposes: (a) inspecting the general condition and state of repair of the Leased Premises; (b) the making of repairs; (c) showing of the Leased Premises to any prospective purchaser; (d) the showing of the Leased Premises for lease; or (e) the showing of the building for any other legal or reasonable purpose. Landlord and its authorized agents shall have the right to erect on or about the Leased Premises, or on the building of which the Leased Premises are a part, a sign advertising the Leased Premises for lease during the last one hundred eighty (180) days of the Term and any Extended Terms, if exercised, or, the Leased Premises or any part thereof for sale. The foregoing notwithstanding, Landlord and its agents and representatives shall also have the right to enter the Leased

Premises at any time there is an emergency in the Leased Premises or in the building of which the Leased Premises are a part. Tenant shall prior to taking possession of the Leased Premises deliver a complete set of keys to the Leased Premises to the Landlord for such emergency use only. Tenant covenants that if it shall thereafter change or add additional locks on the doors to its Leased Premises, it will immediately provide new keys to the Landlord.

21. Holding Over. If Tenant, or any of its successors in interest, shall remain in possession of the Leased Premises, or any part thereof, after the expiration of the term of this Lease, including any Extended Terms, if exercised, such holding over shall constitute and be construed as a tenancy from month-to-month at a monthly rent equal to 150% of the Base Rent applicable during the last month of the term of this Lease or the last prior renewal term thereof. Tenant shall also pay additional rent attributable to Tenant's occupation of the Leased Premises and any damages, if any, incurred by Landlord as a result of such holding over. Tenant shall also be subject to all of the conditions, provisions and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy. Nothing contained herein shall constitute permission granted or inferred for Tenant to remain in possession beyond the exact termination date of this Lease, as extended by the Extended Term(s) unless specifically granted by Landlord in writing.

22. Default and Remedies.

22.1. Default. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Tenant:

a. The vacating or abandonment of the Leased Premises by Tenant, which is defined as Tenant's failure to occupy and operate the Leased Premises for five (5) consecutive business days, except such failure to occupy and operate caused by damage or destruction as provided in Section 17; strikes, lockouts, riots, acts of God and governmental preemption in connection with a national or local emergency; and except as otherwise provided herein.

b. The failure by Tenant to make any payment of rent or any other payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of five (5) days thereafter. In the event that Landlord serves Tenant with a notice to pay rent or quit pursuant to applicable unlawful detainer statutes under the law of the jurisdiction where the Leased Premises are located, such notice to pay rent or quit shall also constitute the notice required by this Subsection 22.1(b).

c. The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, other than described in Subsection 22.1(b) above, where such failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commenced such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion.

d. (i) The making by Tenant of any general arrangement or assignment for the benefit of creditors; (ii) Tenant becomes a "debtor" as defined in 11 U.S.C. Section 101 or any successor statute thereto (unless, in the case of a petition filed against Tenant, the same is dismissed within thirty (30) days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or (iv) the attachment, execution or other judicial seizure of substantially

all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days. Provided, however, in the event that any provision of this Subsection 22.1(d) is contrary to any applicable law, such provision shall be of no force or effect.

e. The discovery by Landlord that any financial statement given to Landlord by Tenant, any assignee of Tenant, any subtenant of Tenant, any successor-in-interest of Tenant or any guarantor of Tenant's obligation hereunder, and any of them, was materially false.

f. The termination of Tenant as a duly authorized franchisee of Big O and/or the termination of the Franchise Agreement (described in Section 4).

g. Tenant commits any material breach of the Franchise Agreement; Franchise, or any guarantor of Tenant, commits any material breach of any other instrument or agreement between Big O and Franchise; and/or Tenant, or any guarantor of Tenant, commits any other act or omission to act which permits Big O the right to terminate such agreements and/or instruments. As used in this Subsection 22.1(g), the term "Big O" may also include any of Big O's subsidiaries.

h. Default by Tenant, or any guarantor of Tenant, under any agreement or instrument between Landlord and Tenant, or any guarantor of Tenant, which permits Landlord the right to terminate such agreements and/or instruments. Default by Tenant, or any guarantor of Tenant, under any agreement or instrument between Big O and Tenant, or any guarantor of Tenant, which permits Big O the right to terminate such agreements and/or instruments.

22.2. Remedies. Landlord shall have the following remedies if Tenant commits a default. These remedies are not exclusive; they are cumulative in addition to any remedies now or later allowed by law.

a. Landlord can continue this Lease in full force and effect, and the Lease will continue in effect as long as Landlord does not terminate Tenant's right to possession, and Landlord shall have the right to collect rent when due. During the period Tenant is in default, Landlord can enter the Leased Premises and relet them, or any part of them, to third parties for Tenant's account. Tenant shall be liable immediately to Landlord for all costs Landlord incurs in reletting the Leased Premises, including, without limitation, broker's commissions, expenses in remodeling the Leased Premises required by the reletting and other similar and necessary costs. Reletting can be for a period shorter or longer than the remaining term of this Lease. Tenant shall pay to Landlord the rent due under this Lease on the dates the rent is due, less the rent Landlord receives from any reletting. No act by Landlord allowed by this Section 22 shall terminate this Lease unless Landlord notifies Tenant that Landlord elects to terminate this Lease. From and after a Tenant default, and for as long as Landlord does not terminate Tenant's right to possession of the Leased Premises, if Tenant obtains Landlord's consent, Tenant shall have the right to assign or sublet its interest in this Lease, but Tenant shall not be released from liability. Landlord's consent to a proposed assignment or subletting shall not be unreasonably withheld.

b. If Landlord elects to relet the Leased Premises as provided in this Section 22, rent that Landlord receives from reletting shall be applied towards the payment of the following and in the following order:

(1) First, for any indebtedness from Tenant to Landlord other than rent due from Tenant.

(2) Second, all costs, including costs for maintenance, incurred by Landlord in reletting.

(3) Third, all rent due and unpaid under this Lease.

After deducting the payments referred to in this Section 22, any sum remaining from the rent Landlord receives from reletting shall be held by Landlord and applied in payment of future rent as rent becomes due under this Lease. If on the date rent is due under this Lease, the rent received from the reletting is less than the rent due on that date, Tenant shall pay to Landlord, in addition to the remaining rent due, interest thereon at the maximum interest rate amount allowed by law, all costs, including costs for maintenance, which Landlord incurred in reletting that remain after applying the rent received from the reletting as provided in this Section 22.

c. In the event of any Tenant default under the provisions of this Section 22, Landlord can elect to terminate Tenant's right to possession of the Leased Premises. No act by Landlord other than declaring a forfeiture of the Lease or the taking possession of the Leased Premises for its own account shall terminate this Lease. Acts of maintenance, efforts to relet the Leased Premises, or the appointment of a receiver on Landlord's initiative to protect Landlord's interest under this Lease, shall not constitute a termination of Tenant's right to possession. On termination, Landlord has the right to recover from Tenant:

(1) The worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Lease;

(2) The worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this Lease, until the time of award, exceeds the amount of the loss of rent which Tenant proves could have been reasonably avoided;

(3) The worth at the time of the award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of the loss of rent that Tenant proves could have been reasonably avoided; and

(4) Any other amount, and court costs, necessary to compensate Landlord for all detriment proximately caused by Tenant's default.

"The worth, at the time of the award," as used in Subsections 22.2(c)(1) and (2) is to be computed by allowing interest at the maximum rate an individual is permitted by law to charge. "The worth, at the time of award," as referred to in Subsection 22.2(c)(3) is to be computed by discounting such amount at the discount rate of the Federal Reserve Bank of Denver at the time of the award, plus one (1%) percent.

d. Right of Re-Entry. In the event of any Tenant default, Landlord shall have the right, with or without terminating this Lease, to re-enter the Leased Premises and remove all property and persons therefrom, and any such property may be removed and stored in a public warehouse or elsewhere at the cost and for the account of Tenant. In the event that there is any such re-entry by Landlord, Landlord may make any repairs, additions or improvements in, to or upon the Leased Premises which may be necessary or convenient; provided, however, that Landlord shall be entitled to recover from Tenant the expenses for such repairs, additions or improvements only to the extent necessary to restore the Big O Store on the Leased Premises to the condition it was in on the commencement of the term of this Lease, reasonable wear and tear excepted.

22.3. Landlord's Right to Cure Tenant's Defaults. Upon a Tenant default, Landlord may upon five (5) days notice or a shorter period if additional damage may result, cure such default for the account at the expense of Tenant. If Landlord at any time, by reason of a Tenant default, is compelled to pay, or elects to pay, any sum of money or to do any act that will incur the payment of any sum of money, or is compelled to incur any expense, including reasonable attorneys' fees in instituting, prosecuting or defending any actions or proceedings to enforce Landlord's rights under this Lease, the sum or sums paid by Landlord, together with interest at the maximum legal rate of interest allowed by the then usury laws from time to time until paid, costs and damages shall be deemed to be additional rental under this Lease and shall be due and payable from Tenant to Landlord immediately upon receipt of written demand.

22.4. Nonwaiver. Nothing contained in this Lease shall constitute a waiver of Landlord's right to recover damages by reason of Landlord's efforts to mitigate damages to it caused by Tenant's default; nor shall anything in this Section 22 adversely affect Landlord's right, as provided in this Lease, to indemnification against liability for damage or injury to persons or property occurring prior to a termination of this Lease.

23. Subordination/Attornment/Estoppel.

23.1 Title of Landlord. Landlord's estate in the Leased Premises and Tenant's leasehold estate in the Leased Premises is now, or in the future may be, subject to the liens or restrictions of:

a. any matters or documents of record including the effect of any covenants, conditions, restrictions, easements, mortgages or deeds of trust, ground leases, rights of way or any construction, operation and reciprocal easement agreements;

b. the effect of any zoning laws of the City, County and State where the Leased Premises is located; and

c. Tenant agrees that:

(1) Tenant and all persons in possession of Tenant's leasehold estate or holding under Tenant will conform to and will not violate the terms of any covenant, condition, restriction, easement, mortgage, deed of trust, ground lease, right of way, or any construction, operation or reciprocal easements or any other matters of record; and

(2) this Lease is, and shall be, subordinate to all covenants, conditions, restrictions, easements, mortgages, deeds of trust, ground leases, rights of way or any and all construction, operation or reciprocal easements, if any, and any amendments or modifications thereto; provided, however, that with respect to any encumbrance of record, now or recorded after the date of this Lease, such subordination by Tenant hereunder shall not be effective until Landlord first obtains from the lender or mortgagee a written agreement which provides substantially the following:

> "As long as Tenant performs its obligations under this Lease, no foreclosure of, deed given in lieu of foreclosure of, or sale under the encumbrance, and no steps or procedures taken under the encumbrance shall effect Tenant's rights under this Lease."

If any matter is not of record as of the date of this Lease, then this Lease shall, subject to the foregoing provision, become subordinate to such matter upon recordation, provided such matter does not prevent

Tenant's use of the Leased Premises as defined in Section 4. Tenant agrees to execute and return to Landlord within ten (10) days after written demand therefore by Landlord, an agreement in recordable form satisfactory to Landlord subordinating this Lease to any matter put of record by Landlord.

23.2 Subordination. Except as provided in Subsection 23.1 above and subject thereto, this Lease and Tenant's rights hereunder are subject and subordinate to any ground or underlying lease, or any mortgage, indenture, deed of trust or other lien or encumbrance, together with any renewals, extensions, modifications, consolidations and replacements thereof, now or hereafter existing, affecting or placed, charged or enforced against the Leased Premises or any interest of Landlord, or Landlord's interest in this Lease, except to the extent that any such instrument expressly provides that this Lease shall be superior to such instrument. This provision will be self operative and no further instrument or subordination will be required in order to effect it. Nevertheless, Tenant will execute, acknowledge and deliver to Landlord at any time, or from time to time, upon demand by Landlord, such documents as may be requested by Landlord, or by any ground or underlying lessor or any mortgagee or subsequent mortgagee, to confirm or effect this subordination, subject to the provisions of Subsection 23.1 above. If Tenant is obligated to and fails or refuses to execute, acknowledge and deliver any such document within ten (10) days after written demand, Landlord, its successors and assigns will be entitled to execute, acknowledge and deliver any such documents for and on behalf of Tenant as attorney-in-fact for Tenant. Tenant, by this Subsection 23.1, hereby constitutes and irrevocably appoints Landlord, its successors and assigns, as Tenant's attorney-in-fact to execute, acknowledge and deliver any and all documents described in this Subsection 23.2 for and on behalf of Tenant as provided for herein.

23.3. Attornment. Tenant agrees that in the event that any holder of any ground or underlying lease, mortgage, deed of trust or other lien or encumbrance encumbering any part of the Leased Premises succeeds to Landlord's interest in the Leased Premises, Tenant will pay to such holder all rent and other obligation subsequently payable under this Lease. Further, Tenant agrees that in the event of the enforcement of remedies provided for by law, or by a ground or underlying lease by the trustee or the beneficiary under, or by the holder or owner of any mortgage, deed of trust, ground or underlying lease or other lien or encumbrance or remedies provided for by law to such ground or underlying lease, mortgage, deed of trust or other lien or encumbrance, Tenant will, upon request of any person or party succeeding to the interest of Landlord as a result of such enforcement, automatically become the Tenant of such successor in interest without changing the terms or provisions of this Lease. Such successor in interest will not be bound by any amendment or modification of this Lease made without the written consent of such trustee, beneficiary, holder or owner or successor in interest made subsequent to the date such successors acquire an interest in the Leased Premises. Upon request by such successor in interest and without cost to Landlord or such successor in interest, Tenant will execute, acknowledge or deliver an instrument or instruments confirming this attornment. If Tenant fails or refuses to execute, acknowledge or deliver any such document within ten (10) days after written demand, such successor in interest will be entitled to execute, acknowledge and deliver any and all such documents for and on behalf of Tenant as attorney-in-fact for Tenant. Tenant, by this Subsection 23.3, constitutes and irrevocably appoints Landlord, its successors and assigns as Tenant's attorney-in-fact to execute, acknowledge and deliver any and all documents described in this Subsection 23.3 and on behalf of Tenant as provided for herein.

23.4. Estoppel Certificates. Tenant agrees at any time and from time to time within ten (10) days after Notice (as provided for in this Lease) to execute, acknowledge and deliver to Landlord a statement in writing, in form and substance acceptable to Landlord, verifying that this Lease is unmodified and in full force and effect (or if there have been modifications that the Lease is in full force and effect as modified and stating the modifications), the dates to which the rent and other charges have been paid in advance, if any, and whether or not there exists any default in the performance of any term, condition or covenant of this Lease and, if so, specifying each such default, it being intended that any

such statement delivered pursuant to this Subsection 23.4 may be relied upon by Landlord and by any mortgagees, prospective purchasers or prospective mortgagees of Landlord's interest in all or any part of the Leased Premises.

24. Notices. All notices, statements, demands, requests, consents, approvals, authorizations, offers, agreements, appointments or designations under this Lease by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if sent by certified mail, return receipt requested, postage prepaid, or by overnight courier addressed as follows:

Each of the parties hereto may designate such other address as either of such parties may hereafter specify in writing to the other party.

25. No Waiver by Landlord. The waiver by Landlord of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition for any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, or condition of this Lease, other than the failure of Tenant to pay the particular rental so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent.

26. Remedies Cumulative. All the rights and remedies herein given to the Landlord for the recovery of the Leased Premises because of the default by the Tenant in the payment of any sums which may be payable pursuant to the terms of this Lease, or upon the breach of any of the terms thereof, or the right to re-enter and take possession of the Leased Premises upon the happening of any of the defaults or breaches of any of said covenants, or the right to maintain any action for rent or damages and all other rights and remedies allowed at law or in equity, are hereby reserved and conferred upon the Landlord as distinct, separate and cumulative remedies, and no one of them, whether exercised by the Landlord or not, shall be deemed to be in exclusion of any of the others.

27. Rules and Regulations. Tenant covenants and agrees to abide by and observe all reasonable rules and regulations established by Landlord with respect to operations at the Leased Premises contained on **Exhibit "D"** attached hereto and all of which are incorporated by this reference herein. Any breach of

such rules and regulations shall be determined a breach of a material provision of this Lease and shall afford Landlord all of its remedies as set forth herein.

28. Miscellaneous Provisions.

28.1. No Construction Against Drafting Party. Landlord and Tenant acknowledge that each of them and their counsel have had an opportunity to review this Lease and that this Lease will not be construed against Landlord merely because Landlord's counsel has prepared it.

28.2. No Recordation. This Lease shall not be recorded, except that if either party requests the other party to do so, the parties shall execute any memorandum or short form of this Lease.

28.3. No Merger. The voluntary or other surrender of this Lease by Tenant or the cancellation of this Lease by mutual agreement of Tenant and Landlord or the termination of this Lease on account of Tenant's default will not work a merger, and will, at Landlord's option operate as an assignment to Landlord of all or any subleases or subtenancies. Landlord's option under this Section will be exercised by notice to Tenant and all known sublessees or subtenants in the Leased Premises or any part of the Leased Premises.

28.4. Notice of Landlord's Default. In the event of any alleged default in the obligation of Landlord under this Lease, Tenant will deliver to Landlord written notice and Landlord will have thirty (30) days following receipt of such notice to cure such alleged default or, in the event the alleged default cannot reasonably be cured within a thirty (30) day period, to commence action to cure such alleged default. A copy of such notice will be sent to any holder of a mortgage or other encumbrance on the Leased Premises of which Tenant has been notified in writing, and such holder will also have the same time periods to cure such alleged default.

28.5. No Easements for Air or Light. Any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Leased Premises will in no way affect this Lease or impose any liability on Landlord.

28.6. Conditions Imposed by Governmental Entities. Tenant shall comply with any and all requirements and conditions required by various governmental agencies, entities and boards during the term and any extended term of this Lease. Tenant, notwithstanding any covenant or condition to the contrary contained herein, shall comply with all such conditions to the extent applicable, including without limitation, any alterations made by Tenant and the operation of Tenant's business conducted on or from the Leased Premises. Except as otherwise provided herein, Landlord may at any time alter or require to be altered the improvements located on the Leased Premises, Rules and Regulations set forth on **Exhibit "D"**, Sign Criteria set forth on **Exhibit "C"** or any other provision of this Lease or Exhibit or Addendum thereto so as to conform to such conditions as the same may be composed from time to time so long as such alterations do not materially effect the use of the Leased Premises as defined in Section 4 hereof.

28.7. Landlord's Fees. Whenever Tenant requests Landlord to take any action or give any consent required or permitted under this Lease, other than Landlord's obligations hereunder, Tenant will reimburse Landlord for all of Landlord's reasonable costs incurred in reviewing the proposed action or consent, including, without limitation, reasonable attorneys', engineers', architects', accountants' and other professional fees, within ten (10) days after Landlord's delivery to Tenant of a statement of such costs. Tenant will be obligated to make such reimbursement without regard to whether Landlord consents to any such proposed action.

28.8. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one party to the other under the provisions hereof, the party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment, and there shall survive the right on the part of said party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said party to pay such sum or any part thereof, said party shall be entitled to recover such sum or so much thereof as it was not legally required to pay under the provisions of this Lease.

28.9. Attorneys' Fees. If either party becomes a party to any litigation concerning this Lease or the Leased Premises, by reason of any act or omission of the other party or its authorized representatives, and not by any act or omission of the party that becomes a party to that litigation or any act or omission of its authorized representatives, the party that causes the other party to become involved in the litigation shall be liable to that party for reasonable attorneys' fees and court costs incurred by it in the litigation. Should litigation, arbitration or any other legal proceeding be commenced between the parties to enforce the terms of this Lease, the prevailing party shall be entitled to reasonable sums as attorneys' fees and costs in such proceeding, including, but not limited to, expert witness fees, the attorneys' fees and costs of an appeal, and collection costs, as determined by the court, arbitrator, hearing officer or other applicable tribunal.

28.10. Gender. Whenever the singular number is used in this Lease and when required by the context, the same shall include the plural, and the masculine gender shall include feminine and neuter genders, and the word "person" shall include corporation, firm, partnership or association.

28.11. Titles and Headings. The marginal headings or titles to the Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part of this Lease.

28.12. Entire Agreement, Counterparts. This instrument contains all of the agreements and conditions made between the parties to this Lease and may not be modified orally or in any other manner than by an agreement in writing signed by all the parties to this Lease, or their respective successors in interest. This Lease may be executed in counterparts, and all counterparts shall constitute one and the same document.

28.13. Payments by Tenant. Except as otherwise expressly stated, each payment required to be made by Tenant shall be in addition to and not in substitution for other payments to be made by Tenant.

28.14. Binding Effect. The terms and provisions of this Lease shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of Landlord and Tenant.

28.15. Corporate, Partnership, and Limited Liability Company Authority. If Tenant is a corporation, each person signing this Lease on behalf of Tenant represents and warrants that he has full authority to do so and that this Lease binds the corporation. Within thirty (30) days after this Lease is signed, Tenant shall deliver to Landlord a certified copy of a resolution of Tenant's Board of Directors authorizing the execution of this Lease or other evidence of such authority reasonably acceptable to Landlord. If Tenant is a partnership or limited liability company, each person or entity signing this Lease for Tenant represents and warrants that he or it is a general partner of the partnership or a member of the limited liability company that he or it has full authority to sign for the partnership or limited liability company and that this Lease binds the partnership or limited liability company and all general partners of the partnership or members of the limited liability company. Tenant shall give written notice to Landlord

of any general partner's withdrawal or addition. 28.16. Invalidity of Provisions. If any provision of this Lease shall at any time be deemed to be invalid or illegal by the entry of a final judgment from a court of competent jurisdiction, which judgment is not subject to appeal, then, in that event, this Lease shall continue in full force and effect with respect to the remaining provisions of the Lease as if the invalidated provision had not been contained herein.

28.17. Governing Law; Venue; Waiver of Jury Trial. The Lease shall be construed and governed by the applicable laws of the state where the Leased Premises are located. Landlord and Tenant hereby irrevocably consent to the jurisdiction and proper venue of the state and federal courts of such state. LANDLORD AND TENANT DO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER PARTY AGAINST THE OTHER, UPON ANY MATTERS WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, TENANT'S USE OR OCCUPANCY OF THE LEASED PREMISES AND/OR ANY CLAIM OF INJURY OR DAMAGE.

28.18. Joint and Several Liability. Each party executing this Lease on behalf of Tenant shall be jointly and severally liable for the performance of all obligations of Tenant required hereunder. A separate action may be brought against either party signing on behalf of Tenant whether such action is brought or prosecuted against the other or any guarantor of Tenant, or all, or whether any other such parties are joined in the action.

28.19. Survival. Any rights, obligations and liabilities under this Lease which shall have previously accrued shall expressly survive the expiration or termination of this Lease. All of Tenant's obligations established by and arising under this Lease which expressly by their terms survive termination or which by their nature survive termination shall survive the termination or expiration of this Lease.

28.20. Exhibits. All Exhibits and Addendums attached hereto are incorporated herein by this reference and made a part hereof.

CALIFORNIA ONLY: 28.20 Required Accessibility Disclosure. The Leased Premises has not undergone an inspection by a Certified Access Specialist (CASp). The parties acknowledge and agree a CASp can inspect the Leased Premises and determine whether the Leased Premises complies with all of the applicable construction-related accessibility standards under California state law. Although state law does not require a CASp inspection of the Leased Premises, Landlord may not prohibit Tenant from obtaining a CASp inspection of the Leased Premises for the occupancy of the Tenant, if requested by Tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Leased Premises. Any necessary repairs or modifications to bring the Leased Premises into compliance with construction-related accessibility standards, which are disclosed by the CASp inspection report, are presumed to be the responsibility of Tenant unless otherwise agreed to by the parties in writing.

DISPUTE RESOLUTION/ARBITRATION AGREEMENT and CLASS ACTION WAIVER

Arbitration is a method of resolving any Claim without filing a lawsuit. In this Arbitration Agreement and Class Action Waiver (collectively including all of this section of this Plan), You, We/the Administrator and Obligor (the "Parties") are agreeing to submit any and all Claims to binding arbitration on an individual basis for resolution. This Arbitration Agreement and Class Action Waiver sets forth the terms and conditions of our agreement to binding arbitration. The Parties agree that any and all claims, disputes and controversies related in any way to this Plan, including but not limited to claims related to the underlying transaction giving rise to this Plan, or claims related to the sale, financing or fulfillment of this Plan (collectively, "Claims"), shall be resolved by final and binding arbitration. "Claims" shall be given the broadest meaning possible and includes, without limitation, Claims arising under contract, tort, statute, regulation, rule, ordinance or other rule of law or equity, and Claims against any of Administrator's and Obligor's owners, shareholders, members, affiliates, subsidiaries, divisions, directors, officers, employees, representatives, agents, successors, or assigns. "Claims" does not include a statutory claim for public injunctive relief brought under any California statute enacted for a public reason, provided that you are a California resident or that you received your Plan in California. In arbitration, Claims are resolved by an arbitrator and not by a judge or jury. THE PARTIES, INCLUDING YOU, WAIVE ANY RIGHT TO HAVE CLAIMS DECIDED BY A JUDGE OR JURY. In addition, except as expressly stated in the Class Action Waiver or otherwise expressly stated herein, the arbitrator shall have exclusive authority to decide all issues related to the enforcement, applicability, scope, validity, and interpretation of this Arbitration Agreement, including but not limited to any unconscionability challenge or any other challenge that the Arbitration Agreement is void, voidable or otherwise invalid. Notwithstanding this agreement to arbitrate, each of the Parties retains the right to seek remedies in small claims court to resolve any Claim, on an individual basis, within the jurisdiction of small claims court. You acknowledge your understanding that all Parties hereunder are waiving their rights to go to court, except for small claims court, to resolve any Claims arising under or related to this Plan.

The Parties agree and acknowledge that the transaction evidenced by this Plan affects interstate commerce. The Parties further agree that all issues relating to this Arbitration Agreement and Class Action Waiver, including its enforcement, scope, validity, interpretation, and implementation, will be determined pursuant to federal substantive law and the substantive and procedural provisions of the Federal Arbitration Act ("Act"), 9 U.S.C. §§ 1-16. If federal substantive law holds that state law should apply to any issue relating to this Arbitration Agreement and Class Action Waiver, then the law of the state where you received this Plan through the purchase of your eligible tire shall apply, without regards to conflicts of law.

CLASS ACTION WAIVER. All Claims must be brought solely in an individual capacity, and not as a plaintiff or class member in any purported class action, collective action, representative action, mass action, private attorney general action or action on behalf of the general public, or similar proceeding (any such action is referred to herein as a "Class Action"). NO CLAIM WILL BE ARBITRATED ON A CLASS ACTION BASIS. The Parties, including you, expressly waive any right or ability to bring, assert, maintain, or participate as a class member in any Class Action in court, arbitration, or any other forum, and the right for anyone to do so on Your behalf. The arbitrator may not consolidate more than one person or entity's claims, and may not otherwise preside over any Class Action. The arbitrator shall not have the authority to combine or aggregate multiple persons' or entities' Claims or discovery, to conduct a Class Action or to make an award to any person or entity not a party to the arbitration. Notwithstanding anything to the contrary, the Parties agree that the enforcement, applicability, scope, validity, and/or interpretation of this Class Action Waiver shall be decided by a court of competent jurisdiction and not by an arbitrator. If this Class Action

Waiver is ruled unenforceable or is interpreted to not prevent a Class Action, then the Arbitration Agreement shall be null and void, and any Claims shall proceed in a court of law and not in arbitration. The Parties agree that if an arbitrator renders a decision regarding the enforcement, applicability, scope, validity, and/or interpretation of this Class Action Waiver, or determines that a Class Action may proceed in arbitration, then: (1) the arbitrator has exceeded his powers, pursuant to §10(a)(4) of the FAA, by taking such action; (2) either party may seek immediate review of that decision by a court of competent jurisdiction; and (3) a court of competent jurisdiction shall apply a "de novo" standard of review of that decision if such standard of review is allowed by the common law or statutes of that state. The Parties, including You, agree that if for any reason a Claim proceeds to Court, rather than arbitration, (1) the Claim will proceed solely on an individual, non-class, non-representative basis, and (2) no Party may be a class representative or class member or otherwise participate in any Class Action.

The arbitration shall be administered by the American Arbitration Association ("AAA"). The arbitration shall be conducted pursuant to the AAA Consumer Arbitration Rules (the "Code"). Information on AAA and a copy of the Code may be found at the following number and URL: American Arbitration Association, (800) 778-7879, www.adr.org. The arbitration will be governed by federal substantive law and the substantive and procedural provisions of the Federal Arbitration Act ("Act"), 9 U.S.C. §§ 1-16. If federal substantive law holds that state law should apply to any issue relating to the arbitration, then the law of the state where you originally received this Plan shall apply, without regards to conflicts of law. The arbitration will occur before a single, neutral arbitrator selected in accordance with the Code in effect at the time the arbitration is commenced. If your total damage claims (not including attorney's fees) do not exceed $25,000, then all Claims shall be resolved by the Code's Procedures for the Resolution of Disputes through Document Submission, except that a Party may ask for a hearing or the arbitrator may decide that a hearing is necessary. If a hearing is held, you have a right to attend the arbitration hearing in person, and You may choose to have any arbitration hearing held in the county in which You live, the closest AAA location to Your residence, or via telephone. In the event that the specified arbitration forum is unavailable, the Parties may agree on a substitute arbitration forum. If the Parties cannot agree, a court of competent jurisdiction may appoint a substitute arbitration forum. For information about how to initiate arbitration with the AAA, the Parties may refer to the AAA Code and forms at www.adr.org or call (800) 778–7879. If you initiate arbitration with AAA, You must pay the AAA filing fee in an amount no greater than the fee you would have to pay if you filed a complaint in federal court. The Administrator will pay any remaining Costs of arbitration required by the Code ("Arbitration Costs"); however, if the arbitrator determines that any of your claims are frivolous, You shall bear all of the Arbitration Costs. If the Obligor initiates arbitration against you, the Obligor will pay the AAA filing fee and the Arbitration Costs. Each party will pay his/her/its own attorney's fees, as well as costs relating to proof and witnesses, regardless of who prevails, unless applicable law and/or the Code gives a party the right to recover any of those fees from the other party. An arbitration award may not be set aside except upon the limited circumstances set forth in the Federal Arbitration Act. An award in arbitration will be enforceable under the Federal Arbitration Act by any court having jurisdiction. The time for commencing an arbitration asserting any Claim shall be determined by reference to the applicable statute(s) of limitations, including the applicable rules governing the commencement of the limitations period, and a Claim in arbitration is barred to the same extent it would be barred if it were asserted in court of law or equity rather than in arbitration.

If any portion of this Arbitration Agreement is deemed invalid or unenforceable, all the remaining portions of this Arbitration Agreement shall nevertheless remain valid and enforceable, provided, however, that if any portion of the Class Action Waiver is deemed invalid or unenforceable, then this Arbitration Agreement shall be invalidated and unenforceable in its entirety. In the event of a conflict or inconsistency between this Arbitration Agreement and Class Action Waiver and the other provisions of this Plan or any other agreement, this Arbitration Agreement and Class Action Waiver governs.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments**. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

EXHIBIT "Y"

OPTION AND STORE LEASE

This Option and Store Lease, dated _____, 20__, is by and between _____, with an office at _____ ("Lessor"), and Big O Tires, LLC, with an office at 4260 Design Center Drive, Palm Beach Gardens, Florida 33410 ("Lessee" or "Big O").

WHEREAS, Lessor (or its owner(s)) is, owns or controls, in whole or in part, or is otherwise affiliated with or related to, the "Franchisee" under the Franchise Agreement ("Franchise Agreement") with Lessee for the Big O Store at _____ ("Store"); and

WHEREAS, Big O requires as a condition for the grant of the Franchise Agreement, that Big O (as Lessee) have the right to maintain control of the Store real estate in the event of the termination of the Franchise Agreement in order to ensure the continued presence of the Store; and

WHEREAS, Lessor and Lessee intend for this Option and Store Lease to establish the right and option of Lessee to lease the Store real estate in the event of the termination of the Franchise Agreement and to establish the terms and provisions of such lease.

NOW, THEREFORE, in consideration of the mutual promises and undertakings hereinafter set forth, the sufficiency of which are hereby acknowledged, the parties, intending to be fully and completely bound, hereby agree as follows:

A. RIGHT TO LEASE. Lessor hereby grants to Lessee the right and option to lease ("Option"), on the terms and conditions hereinafter set forth, the real estate commonly known as _____, including the automotive repair facility thereat and the easements, appurtenances, hereditaments, rights and privileges appurtenant thereto, which real estate is legally described on Exhibit A hereto ("Premises"). Lessee may exercise the Option by giving written exercise notice to Lessor ("Exercise Notice") within 30 days following the termination of the Franchise Agreement. If Lessee does not give Lessor an Exercise Notice within such 30-day period, this Option and Store Lease shall automatically terminate. In this agreement the termination of the Franchise Agreement shall include a termination for any reason or due to any cause or circumstance and shall mean the date the termination is effective as opposed to the date of the termination notice. In this Agreement, the term "Franchise Agreement" shall from time to time include, in Lessee's sole discretion, an operating agreement or license under which the Store continues in operation following the termination of the Franchise Agreement. Notwithstanding anything to the contrary contained herein, Lessee shall not be required to exercise the Option when the Franchise Agreement is terminated in association with a transfer approved by Big O and the transferee executes a new Franchise Agreement with Big O.

B. LEASE TERMS. If Lessee exercises the Option, the terms and provisions of the lease ("Lease") shall be those set forth in Sections 1 through 33 of this Option and Store Lease.

C. LIMITATION OF LIABILITY. Lessee shall have no obligations or liabilities with respect to the Premises until the Commencement Date (as hereinafter defined). Lessor shall defend, indemnify and hold Lessee harmless from and against all claims, demands, causes of action and

liabilities arising out of or resulting from the ownership, occupancy, use or maintenance of the Premises prior to the Commencement Date.

D. SUBORDINATION AND NON-DISTURBANCE. Any mortgage or trust deed encumbering title to the Premises at the time of execution of this Option and Store Lease at any time while this Option and Store Lease is in effect or during the Term (as hereinafter defined) of the Lease, herein called a "Mortgage" and the holder of, or the beneficiary under, the Mortgage is herein called a "Mortgagee". Lessor shall use commercially reasonable efforts to cause each Mortgagee to execute and deliver to Lessee an agreement on a form provided by Lessee setting forth the following ("Non-disturbance Agreement"): (i) Mortgagee consents to this Option and Store Lease and the Lease and covenants and agrees that the exercise of any of the rights, options and remedies herein shall not constitute a default under the Mortgage; and (ii) Mortgagee agrees that so long as Lessee has not received written notice of a default in the performance of its obligations under the Lease: (1) Lessee shall not be named or joined as a party to an action to enforce or foreclose the Mortgage unless applicable law requires Lessee to be made a party thereto as a condition to proceeding against Lessor or prosecuting such rights and remedies, in which case Mortgagee may join Lessee as a defendant in such action only for such purpose and not to terminate the Lease or otherwise adversely affect Lessee's rights under such Lease; (2) Lessee's rights under this Option and Store Lease and the Lease, including the right to possession of the Premises if Lessee exercises the Option, shall not be disturbed, affected or impaired, nor will this Option and Store Lease or the Lease be terminated or otherwise affected by any default under the Mortgage or note secured thereby, any suit or action to enforce or foreclose the Mortgage or the note secured thereby, or any judicial sale or execution of the Premises; and (3) all condemnation awards and insurance proceeds paid or payable with respect to the Premises and received by Mortgagee shall be applied and paid for the restoration and/or repair of the Premises in accordance with the Lease except in the case of a condemnation or casualty which results in a termination of the Lease; (iii) Lessee's rights under this Option and Store Lease and the Lease shall be subject and subordinate to the Mortgage without regard to the priority of recording, subject to the other provisions of the Non-disturbance Agreement; (iv) if Mortgagee or its successor becomes owner of the Premises by reason of foreclosure or otherwise, this Option and Store Lease and the Lease shall continue in full force and effect; and (v) Mortgagee or such new owner shall assume the terms, conditions, covenants, obligations and undertakings of the Lessor under this Option and Store Lease the Lease. Provided Mortgagee executes and delivers a Non-disturbance Agreement to Lessee, Lessee agrees that if requested by Mortgagee or such new owner, Lessee will subordinate its interest under this Option and Store Lease and the Lease to the Mortgage and will attorn to Mortgagee or such new owner. If Mortgagee requires, as a condition of executing a Non-disturbance Agreement with respect to a Mortgage which encumbers title to the Premises at the time of execution of this Option and Store Lease, that a memorandum of this Option and Store Lease or the Lease be recorded, Lessee shall pay the recording fee. Notwithstanding the foregoing, the failure of Mortgagee to execute a Non-disturbance Agreement shall not constitute a default by Lessor hereunder.

E. MEMORANDUM OF OPTION AND STORE LEASE. The parties shall execute a recording memorandum contemporaneously with execution of this Option and Store Lease. Lessee may, at its sole option and cost, record such memorandum. Upon expiration of Lessee's rights under this Option and Store Lease or the expiration or termination of the Lease, Lessee shall provide Lessor with a release, in recordable form, of such memorandum.

F. EFFECTIVE PERIOD. This Option and Store Lease and the rights conferred hereunder shall remain valid and enforceable: (i) during the term of the Franchise Agreement, including any extensions thereof, and including any assignments thereof to successor franchisees; (ii) for the 30 days following the termination of the Franchise Agreement; (iii) for any extensions of the franchise relationship under the Franchise Agreement, i.e., during any renewal Big O Franchise Agreement as referenced in Article Nine of the Franchise Agreement; and (iv) for the Term (as hereinafter defined).

G. STORE SALE - LEASE TO BUYER. Subject to Lessee's continuing right and option to lease the Premises under this Option and Store Lease in the event of the termination of the Franchise Agreement (i.e., the Option), Lessor may lease the Premises directly to a buyer of the Store, provided Lessor has complied with all the following conditions: (i) the sale of the Store must be in conjunction with an assignment of the Franchise Agreement to which Big O consents in writing; (ii) Lessor must provide Lessee with a copy of the fully-executed lease at the time of the closing; (iii) said lease must contain an express provision disclosing to the tenant Lessee's rights pursuant to this Option and Store Lease; and (iv) said lease must contain an express provision which provides for the automatic termination of said lease in the event the Franchise Agreement is terminated and Lessee exercises the Option.

H. LESSEE'S RIGHT OF FIRST REFUSAL. (a) Lessor hereby grants Lessee a right of first refusal to purchase the Premises upon the same terms, provisions and conditions as may be contained in any offer for the purchase thereof which Lessor shall be ready and willing to accept at any time prior to Lessee giving its Exercise Notice. Lessor shall give Lessee a full and complete copy of said offer including all terms, provisions and conditions, and Lessee shall have 30 days from and after the receipt of such offer to exercise this right of first refusal by giving written notice to Lessor of its intent to purchase. If Lessee does not so notify Lessor within said 30-day period, the sale of the Premises may be consummated but only on substantially the same terms, provisions and conditions of said offer and to the same party. A reduction of the actual selling price by up to 7.5% of the offer price submitted to Lessee shall be deemed substantially the same terms. If the sale is not so consummated within 120 days after receipt by Lessee of the terms of the offer, the proposed sale shall not thereafter be consummated without Lessor again submitting to Lessee the proposed sale as herein provided, as if such proposed sale had not been previously submitted. In the event that the offer to purchase the Premises received by Lessor involves the purchase of additional properties as well as the Premises, the right of first refusal in this paragraph shall still apply with respect to the Premises, but the value attributable to the Premises for the purposes of this right of first refusal shall be agreed upon by the parties in good faith based on the respective fair market values of the various properties involved. If the parties cannot agree on such respective fair market values, the dispute shall be submitted to arbitration with the American Arbitration Association ("AAA") in the AAA office nearest the Premises before a single arbitrator.

(b) If Lessee fails to exercise its right of first refusal, this Option and Store Lease and Lessee's rights hereunder shall continue in full force and effect. Notwithstanding the foregoing, in the event that Lessee fails to exercise its right of first refusal, Lessee will permit Lessor an option to terminate this Option and Store Lease in conjunction with a termination of the Franchise Agreement between Franchisee and Lessee under the following conditions at the time of closing of the sale of the Premises:

(i) Lessee will permit Franchisee to terminate the Franchise Agreement, and Franchisee will agree to terminate the Franchise Agreement, pursuant to a separate agreement, under which (A) Franchisee must pay Lessee an amount equal to the lost royalties that would be payable based on a termination for Franchisee's default under Section 19.02 of the Franchise Agreement, calculated in accordance with the terms of Section 19.02; (B) Franchisee and all of its owners, officers, and directors provide a general release of Lessee; and (C) Franchisee and all of its owners, officers, and directors agree to comply with all post termination obligations and other obligations that survive the termination of the Franchise Agreement, including, but not limited to, indemnification, arbitration and confidentiality, as set forth in the Franchise Agreement.

(ii) the purchaser of the Premises executes and delivers to Lessee a covenant (on a form provided by Lessee) prohibiting the use of the Premises for any Automotive Use (defined in Section M.4 below) for a period of five years following the date the purchaser acquires fee title to the Premises. Said covenant shall be recorded in the public records and shall constitute a covenant running with the land.

Upon completion of these items and the consummation of the sale, this Option and Store Lease shall terminate and Lessee shall provide the purchaser a recordable release of the memorandum recorded by Lessee pursuant to Section E hereof, if any.

(c) Lessee's right of first refusal shall not apply to sales or transfers to members of the immediate family of Lessor or Lessor's shareholders, to a different corporation owned or controlled by Lessor or Lessor's shareholders or members of their immediate family, to a partnership comprised of Lessor, Lessor's shareholders or members of their immediate family, or to a trust established by Lessor or Lessor's shareholders and under which members of their immediate family constitute a majority of the beneficiaries.

I. NOTICES. All notices required or permitted hereunder shall be in writing and either (i) personally delivered, (ii) sent Certified U.S. Mail, return receipt requested, or (iii) sent by reputable, recognized overnight courier service regularly providing proof of delivery, to Lessor at the address designated by Lessor (or in the absence of such designation, at Lessor's address in the heading hereof) and to Lessee at 4260 Design Center Drive, Palm Beach Gardens, Florida 33410, Attention: Lease Administration, with a copy to the attention of General Counsel at the same address, or at such other place as either party may designate. Notice shall be effective upon delivery (if personally delivered), or on the delivery date indicated by the post office or courier on its proof of delivery receipt or electronic version thereof.

J. SUCCESSOR AND ASSIGNS. The covenants and conditions hereof shall be binding upon and/or inure to the benefit of the heirs, executors, administrators, successors, sublessees and assigns of the parties hereto, including but not limited to subsequent owners of fee title to the Premises, whether by purchase or otherwise, and shall be and remain covenants running with the land during the term of this Option and Store Lease and the Term which may result from the exercise of the rights herein granted to Lessee. Upon a conveyance of the Premises, Lessor shall be relieved of all further obligations under this Option and Store Lease except as to the obligations set forth in Section C hereof for the period prior to such conveyance by Lessor.

K. ENTIRE AGREEMENT. This Option and Store Lease constitutes the entire agreement between the parties regarding Lessee's right to lease the Premises (when triggered by the

termination of the Franchise Agreement) and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease, sublease, option or lease assignment (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. Notwithstanding the foregoing, in the event that Lessor was disclosed with a Franchise Disclosure Document by Franchisor in conjunction with executing this Option and Store Lease ("FDD"), then nothing in this Option and Store Lease is intended to disclaim any representations by Franchisor in such FDD. This Option and Store Lease may be modified or amended by, and only by, a written instrument executed by Lessor and Lessee.

L. ENFORCEMENT. Lessor and Lessee agree that they shall pay the reasonable costs and expenses incurred by the prevailing party in any action or proceeding (not including any rent arbitration pursuant to Section 3 hereof) to enforce the provisions of this Option and Store Lease, including reasonable attorneys' fees.

M. TERMS OF LEASE. Upon Lessee's exercise of the Option, the following shall be the terms and provisions of the Lease:

1. DEMISE OF PREMISES. Lessor, in consideration of the rents and covenants contained herein, hereby leases to Lessee, on the following terms and conditions, the real estate commonly known as _____, including the automotive repair facility thereon and the easements, appurtenances, hereditaments, rights and privileges appurtenant thereto, which real estate is legally described on Exhibit A hereto ("Premises").

2. TERM. (a) The preliminary term of this Lease ("Preliminary Term") shall be 120 days and shall commence when Lessee gives the Exercise Notice ("Commencement Date"). Lessee shall have the right to terminate this Lease by giving Lessor 30 days' notice of termination at any time during the Preliminary Term.

(b) During the Preliminary Term, Lessee, its contractors and invitees, shall have the right of access to the Premises, upon reasonable advance notice to Lessor, for the purpose of franchising and conducting appraisals, inspections, surveys, engineering tests, environmental assessments and tests and for other reasonable purposes and activities ("Tests"). Lessee shall repair any damage to the Premises caused by carrying out the Tests. Upon the Commencement Date, Lessor shall provide Lessee with keys to the Premises. During the Preliminary Term, Lessor shall maintain in full force and effect, and pay for, all Utilities (as hereinafter defined).

(c) In the event Lessee exercises the Option and unless Lessee has terminated this Lease pursuant to Subsection 2(a) during the Preliminary Term: (i) the primary term of this Lease ("Primary Term") shall be five years and shall commence on the day following expiration of the Preliminary Term; and (ii) provided no default by Lessee remains uncured beyond any applicable cure period, Lessee is granted three options to renew this Lease for successive five-year terms upon the same terms and conditions herein, except as to rent, to be exercised by Lessee giving notice to Lessor not later than 270 days prior to expiration of the current term (said notice, hereinafter "Renewal Notice").

(d) Intentionally omitted.

(e) Intentionally omitted.

(f) The Primary Term shall include any renewal terms or extensions of the Primary Term. The Preliminary Term together with the Primary Term shall constitute the "Term".

(g) Notwithstanding the foregoing, Lessee shall not be obligated to pay rent, nor shall it have any other obligations or liabilities (except as provided in Subsection 2(b) hereof) under this Lease, for the Primary Term until Lessor delivers (or causes to be delivered) to Lessee possession of the Premises unencumbered by any possessory rights of Lessor or other parties, without any of Lessor's and any occupant's personal property (unless otherwise directed by Lessee). If, upon commencement of the Primary Term, possession is not delivered to Lessee as required by this subsection, Lessee shall have the right to enter into, and take possession of, the Premises without process of law or to commence an action for entry on account of such wrongful withholding of possession or to pursue any other available legal or equitable remedies.

3. RENT. (a) During the Preliminary Term (and continuing until the rent for the Primary Term has been established), Lessee shall pay Lessor rent in the amount of the larger: (i) $3,500/month; or (ii) one-twelfth of 7% of the Store's Gross Sales (as hereinafter defined) for the previous 12 calendar months. The term "Gross Sales" shall mean all sales of merchandise or products of any kind and all charges for service or labor done in, on and from the Premises for cash or credit regardless of the collection thereof, (excluding sales taxes), less any bona fide refunds and discounts (except for early payment discounts customarily given for prompt payment of accounts). When the rent for the Primary Term has been established, the parties shall make an appropriate adjustment of rent (with Lessee promptly paying any shortfall or promptly receiving a refund of any overpayment) retroactive to the commencement of the Primary Term.

(b) Rent during the Primary Term and each renewal term shall be 100% of "Fair Market Rent", which term shall be defined as the then-current fair market rent for the Premises. Fair Market Rent shall be determined as follows:

(i) upon serving an Exercise Notice or Renewal Notice, as the case may be, Lessee shall make, and submit to Lessor, a written Fair Market Rent proposal for the upcoming renewal term ("Lessee's Proposal");

(ii) Lessor and Lessee shall thereupon conduct good-faith negotiations to mutually agree on the Fair Market Rent. Lessor shall make, and submit to Lessee, a written Fair Market Rent proposal for the upcoming renewal term ("Lessor's Proposal") not later than 210 days prior to expiration of the current term. If Lessor and Lessee mutually agree on the Fair Market Rent, this Lease shall be renewed for the upcoming renewal term at the agreed Fair Market Rent. If Lessor and Lessee have not mutually agreed on the Fair Market Rent, Lessee shall have the right, to be exercised not later than 180 days prior to expiration of the current term, to submit the determination of Fair Market Rent to arbitration to be conducted by the American Arbitration Association ("AAA") in accordance with the process set forth in Subsection 3(d)(iii) hereof ("Submission"). If, 180 days prior to expiration of the current term, Lessor and Lessee have not agreed on the Fair Market Rent and Lessee has not made a Submission, this Lease shall not be renewed for the upcoming renewal term and shall terminate upon expiration of the current term;

(iii) if the Fair Market Rent is to be determined by arbitration, the arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised by Lessee together with the Submission or by Lessor no later than 15 days after the Submission, in which event each party shall select an arbitrator within 15 days following the exercise of such right and the two arbitrators shall appoint a third arbitrator;

(3) in the city of the AAA's local or regional office nearest the Premises;

(4) under the AAA's "Expedited Procedures" process;

(5) without depositions, but with document discovery;

(6) on documents submitted by each party and without a hearing;

(7) in the "baseball arbitration" style with the arbitrator(s) being limited to choosing either Lessee's Proposal or Lessor's Proposal;

(8) without a reasoned opinion;

(9) with the arbitrator(s) being required to issue his/her/their award within 45 days after Submission (or, in the case of a three arbitrator proceeding, within 45 days after Lessee and Lessor select their arbitrators), and, to that end, the arbitrator(s) shall have the right to schedule the arbitration process accordingly;

(10) with each party paying its own costs and expenses (including, but not limited to, appraiser and attorney fees). In a single arbitrator proceeding, Lessee shall pay the arbitrator's fee, the AAA's fee and the administrative costs of the arbitration. In a three arbitrator proceeding, each party shall pay its arbitrator's fee, one-half of the AAA's fee for a single arbitrator proceeding and one-half of the administrative costs of a single arbitrator proceeding, and the party requesting the three arbitrator proceeding shall pay the third arbitrator's fee, any additional fee charged by the AAA for a three arbitrator proceeding and the administrative costs in excess of those for a single arbitrator proceeding; and

(11) with the award of the arbitrator(s) being binding on Lessor and Lessee.

(c) Commencing on the first day of the month following delivery of possession of the Premises to Lessee as required by Subsection 2(g) hereof, Lessee shall pay Lessor, without deduction or offset, monthly rent for the Leased Premises, as provided in Sections 3(a) and (b) herein. If any month during the Preliminary Term or Primary Term shall be less than a complete month, such rent shall be prorated on a thirty (30) day month basis.

(d) Notwithstanding anything herein to the contrary, Lessee shall not be obligated to pay rent under this Lease until delivery of possession of the Premises to Lessee in the condition required by Subsection 2(g) hereof.

(e) In the event Lessor, any legal or beneficial owner, shareholder, member, partner or trustee of Lessor or any entity of which any of the foregoing is an owner, shareholder, member, partner or trustee (Lessor and any of the foregoing, individually and collectively, "Lessor Party") is in default (as determined by a court's ruling or judgment or an arbitrator's award) of a monetary obligation under the Franchise Agreement or under any other Big O Franchise Agreement or under any lease, sublease, promissory note or guaranty with Big O or any of its subsidiaries or affiliates, Lessee (so long as Lessee is Big O Tires, LLC or its parent or one of its subsidiaries or affiliates (collectively, "BOT")) shall have the right to deduct from the rent and Lessee's other monetary obligations under this Lease the amount of such monetary default (including interest); provided, however, that the amount deducted by Lessee in any given month shall not exceed the lesser of: (i) 25% of the rent and Lessee's other monetary obligations under this Lease for said month; and (ii) $1,000.

4. USE. (a) The Premises may be used by Lessee, its assignees and sublessees for the sale, installation and servicing of tires, automotive systems and parts, brakes and brake parts, shock absorbers, suspension parts, front end parts, alignments, oil changes and chassis lubrication, heating and air conditioning systems and parts, tires and related parts and services, transmissions, engines, washing, waxing, detailing, audio/video systems, other automotive equipment and accessories and/or a general automotive repair Store and/or allied business operating under the Big O name ("Automotive Use").

(b) Lessor covenants that during the Preliminary Term and the first year of the Primary Term, Lessor shall not, directly or indirectly, individually or as a member of any business organization, engage, or have an interest as an employee, owner, operator, investor, partner (inactive or otherwise), agent, stockholder, member, manager, director or officer, or otherwise, in, any business, located within a one-mile radius of the Premises, engaged in the Automotive Use or any part thereof.

(c) Lessor agrees that it will not erect, or permit to remain, on any property owned or controlled by Lessor adjacent to the Premises any structure or improvements which would materially interfere with access to the Premises or obstruct the visibility of the Store or signs identifying the business at the Premises. Further, Lessor will not post, use or display, or permit the posting, use or display of, any signs, advertising or other material on or in the building or the area of which the Premises are a part which are the same or confusingly similar to any names, marks or designs used by Big O or its franchisees.

(d) Notwithstanding the provisions of Subsection 4(a) hereof, Lessee may use or permit the Premises to be used for any lawful purpose, provided that in the event Lessee intends to use or permit the use of the Premises for other than Automotive Use, it shall first notify Lessor in writing. Lessor shall have the right, to be exercised within 30 days after receipt of Lessee's notice, to terminate this Lease by giving Lessee written notice. If Lessor does not terminate this Lease within said 30 days, Lessor shall have no further right to terminate this Lease pursuant to this Subsection 4(d).

5. MAINTENANCE. Except as provided in Sections 11 and 12 hereof, Lessee shall at all times during the Primary Term keep the Premises in a condition substantially equivalent to their condition on the Commencement Date, reasonable wear and use excepted.

6. TAXES AND UTILITIES. (a) Lessee shall pay prior to delinquency all real estate taxes and assessments which may be levied or assessed upon the Premises ("Tax(es)") during the Term to the end that Lessor shall not be required to pay any Taxes during the Term. Upon request, Lessee will exhibit receipts for Tax payments to Lessor promptly upon payment thereof. Lessee may at its expense contest all Taxes in the name of Lessor if necessary. In the event Lessor is joined in such a proceeding by Lessee, Lessee shall hold Lessor harmless from all costs, expenses and liabilities, including reasonable attorneys' fees associated with such a proceeding.

(b) During the Preliminary Term, Lessor shall maintain in full force and effect, and pay for, the water, gas, electricity, telephone and other utilities services for the Premises ("Utilities"). Lessee shall pay for the Utilities during the Primary Term.

7. LICENSES AND COMPLIANCE WITH LAWS. Lessee shall: (i) maintain and procure at Lessee's own expense and responsibility all licenses, permits, inspection certificates or change of occupancy certificates required by any governmental authority with respect to Lessee's use of the Premises; and (ii) comply with all applicable laws, ordinances and regulations and will not use or permit any use of the Premises in violation thereof (such items in (i) and (ii), collectively, "Laws"). Lessee may contest any Laws and may join Lessor in any such contest, provided that Lessee shall indemnify and hold Lessor harmless from all damages, costs (including reasonable attorney fees), expenses, liabilities, fines, penalties, liens or criminal sanctions against Lessor or the Premises resulting from Lessee's breach of Laws or actions or proceedings to contest them.

8. PUBLIC LIABILITY INSURANCE AND INDEMNITY. (a) Lessee shall during the Primary Term at its expense keep in force, or cause to be kept in force by its sublessee, public liability insurance on the Premises in an amount of not less than $1,000,000 for injury to or death of one person or as a result of one occurrence, not less than $1,000,000 for injury to or death of more than one person as a result of one occurrence, and for damage to property as a result of one occurrence in the amount of $500,000. Said insurance coverage shall insure Lessee and Lessor, and (if requested by Lessor) Mortgagee, as additional insureds against any liability that may accrue against any of them on account of any occurrences in or about the Premises resulting in personal injury, death or property damage. Lessee or its sublessee shall furnish to Lessor certificates for all such insurance in a form commonly in use in the insurance industry within 30 days following the Commencement Date and not later than the expiration date of any policy period.

(b) Lessee agrees to indemnify and save Lessor harmless from and against all claims of whatever nature arising from: (i) any act or omission of Lessee or its contractors, invitees or employees during the Term; or (ii) any accident, injury or damage whatsoever caused to any person, or to the property of any person occurring during the Term in or about the Premises, where such accident, damage or injury results or is claimed to have resulted from an act or omission on the part of Lessee or its contractors, invitees or employees. This indemnity and hold harmless agreement shall include indemnity against all costs, expenses and liabilities, including reasonable attorneys' fees, incurred in connection with any such claim or proceeding brought thereon and the defense thereof.

(c) Lessee or its sublessee may provide the aforesaid insurance under a "blanket" policy covering other locations.

9. FIRE AND EXTENDED COVERAGE INSURANCE. (a) During the Primary Term , Lessee shall keep, or cause to be kept by its sublessee, the building improvements on the Premises insured at full replacement cost against all damages caused by fire and against other risks covered by standard extended coverage endorsements. Such insurance coverage shall insure Lessee and Lessor, and (if requested by Lessor) Mortgagee, as additional insureds as their interests may appear. Lessee or its sublessee shall furnish to Lessor a certificate of insurance within 30 days following the Commencement Date and not later than the expiration date of any insurance policy.

(b) The proceeds of insurance shall be payable to Lessee and used to restore and/or repair in accordance with commercially reasonable procedures designed to ensure that the work is completed timely and without mechanic's liens for unpaid work or materials following final disbursement.

(c) Lessee or its sublessee may provide the aforesaid insurance under a "blanket" policy covering other locations.

10. WAIVER OF SUBROGATION RIGHTS. Neither Lessor nor Lessee shall be liable to the other for any loss or damage to the Premises from risks insured against under fire insurance policies with extended coverage endorsements irrespective of whether such loss or damage results from their negligence or that of any of their agents, employees, licensees, invitees or contractors.

11. DESTRUCTION OF PREMISES. In the event of damage to, or total destruction of, the Premises by fire, act of God or any other cause, this Lease shall remain in effect, and Lessee shall forthwith apply for all necessary permits, licenses and approvals and shall repair or restore same to substantially the same condition as they were in immediately prior to the casualty within 180 days following receipt of all necessary permits, licenses and approvals without rent abatement.

12. CONDEMNATION. If all of the Premises shall be taken by public authorities by condemnation or otherwise for public or quasi-public purposes, or if such taking is of such part of the Premises that it is, in Lessee's reasonable judgment, impossible or impractical for Lessee to use the Premises efficiently and economically for the conduct of its business, this Lease shall terminate effective at such time as Lessee can no longer continue operations upon the Premises. However, if only a part of the Premises is taken so that the remaining portion does not materially affect the conduct of Lessee's business in Lessee's reasonable judgment, Lessor will, to the extent the taking authority provides or allocates funds or an award for restoration, on receipt of such award proceed promptly to restore the building to a complete architectural unit and this Lease shall cease only as to the part so taken and shall continue as to the part not taken. In that event, the rent shall be adjusted in the proportion that the value of the area taken bears to the value of the Premises. Lessor shall be entitled to the entire condemnation award, except that Lessee shall be entitled to any amounts specifically allocated, or awarded to Lessee, for the taking of Lessee's trade fixtures, business value or relocation.

13. ASSIGNMENT AND SUBLETTING. (a) BOT shall have the right, without the consent of Lessor, to assign this Lease, or to sublet all or any part of the Premises, to a Big O franchisee ("New Franchisee"). If this Lease is assigned to New Franchisee, BOT shall give

Lessor: (i) notice of the assignment; (ii) the name of New Franchisee; (iii) if New Franchisee is not a person(s), the name of the person(s) holding the controlling interest in New Franchisee; (iv) the address and phone number of New Franchisee or person(s) holding the controlling interest in New Franchisee; and (v) a copy of a written agreement executed by BOT and New Franchisee in which New Franchisee assumes all of Lessee's obligations under this Lease from and after the date of the assignment for the express benefit of Lessor. Thereupon, BOT shall have no obligation or liability with respect to Lessee's obligations and liability under this Lease occurring from and after the date of the assignment. Notwithstanding the foregoing, in the event this Lease is assigned to New Franchisee, New Franchisee defaults and as a result of such default loses the right to possess the Premises within two (2) years of the assignment to New Franchisee and BOT does not exercise its rights to Reassignment as described in Subsection 13(b) herein, BOT will pay up to three (3) months of New Franchisee's unpaid rent, upon Lessor's request, provided that such request is received by BOT within six (6) months after New Franchisee loses possession of the Premises.

(b) Lessor hereby consents to the assignment by New Franchisee to BOT of all New Franchisee's right, title and interest, as Lessee, in and to this Lease via an outright assignment of this Lease or via a conditional assignment of this Lease (triggered by, among other things, the termination, expiration or assignment of the Big O franchise agreement for the Premises, New Franchisee's default or claimed default under this Lease or New Franchisee's failure to exercise an option to renew this Lease), the exercise of which may be at BOT's option ("Reassignment"). The Reassignment shall automatically apply to any extensions or renewals of the Term and any new lease for the Premises entered into by Lessor and New Franchisee (or by any person or entity owning an interest in, or affiliated with, New Franchisee). Any assignment of this Lease, or sublease of the Premises, by New Franchisee to a party other than BOT shall be subject and subordinate to BOT's rights under the Reassignment. Lessor agrees to give BOT written notice of a default by New Franchisee under this Lease at the same time it gives such notice to New Franchisee and agrees that BOT shall have the same right and opportunity to cure such default as New Franchisee is given under this Lease. No modification or amendment of this Lease by Lessor and New Franchisee shall be binding on BOT unless approved in writing by BOT.

(c) In the event: (i) the Reassignment is, in fact, triggered by New Franchisee's default or claimed default in the payment of rent under this Lease; and (ii) BOT, in fact, exercises its Reassignment under such circumstances; and (iii) Lessor had given BOT written notice of New Franchisee's default(s), together with the same right and opportunity to cure such default(s) as New Franchisee was entitled to under this Lease; then BOT shall be obligated to cure any rent payment default by New Franchisee after possession of the Premises is delivered to BOT, provided that the maximum amount which BOT shall be obligated to pay shall be six months' rent.

(d) In the event BOT exercises its Reassignment, Lessor shall cooperate with, and give reasonable assistance (by joinder in legal proceedings if necessary) to, BOT in obtaining possession of the Premises from New Franchisee; provided, that BOT shall be responsible for Lessor's reasonable attorney fees in any such legal proceedings.

(e) BOT shall have the right, without Lessor's consent but subject to the provisions of Subsection 4(d) hereof, to assign this Lease, or to sublease all or a portion of the Premises, to any person, firm or corporation other than New Franchisee for any use permitted pursuant to the terms of this Lease provided that BOT shall not be thereby released of its duties, obligations or liabilities hereunder.

14. BOT'S RIGHT OF FIRST REFUSAL. (a) Lessor hereby grants BOT a right of first refusal to purchase the Premises upon the same terms, provisions and conditions as may be contained in any offer for the purchase thereof which Lessor shall be ready and willing to accept at any time during the Term. Lessor shall give BOT a full and complete copy of said offer, including all terms, provisions and conditions, and BOT shall have 30 days from and after the receipt of such offer to exercise this right of first refusal by giving Lessor written notice of its intent to purchase. If BOT does not so notify Lessor within said 30-day period, the sale of the Premises may be consummated, but only on substantially the same terms, provisions and conditions of said offer and to the same party, and subject to the continuation of this Lease. A reduction of the actual selling price by up to 7.5% of the offer price submitted to Lessee shall be deemed substantially the same terms. If such sale is not so consummated within 120 days after receipt by BOT of the terms of the offer, the proposed sale shall not be thereafter be consummated without Lessor again submitting to BOT the proposed sale as herein provided, as if the proposed sale had not been previously submitted. In the event that the offer to purchase the Premises received by Lessor involves the purchase of additional properties as well as the Premises, the right of first refusal in this paragraph shall still apply with respect to the Premises, but the value attributable to the Premises for the purposes of this right of first refusal shall be agreed upon by the parties in good faith based on the respective fair market values of the various properties involved. If the parties cannot agree on such fair market values, the dispute shall be submitted to arbitration with the AAA in the AAA office nearest the Premises before a single arbitrator.

(b) This Lease and BOT's and Lessee's rights under this Lease shall continue in full force and effect for the balance of the Term following the consummation of any such sale.

(c) BOT's right of first refusal shall survive, and continue in full force and effect following, an assignment of this Lease to New Franchisee. BOT shall have the right to assign its right of first refusal, before or after BOT's exercise thereof, to New Franchisee.

(d) BOT's right of first refusal shall not apply to sales or transfers to members of the immediate family of Lessor or Lessor's shareholders, to a different corporation owned or controlled by Lessor or Lessor's shareholders or members of their immediate family, to a partnership comprised of Lessor, Lessor's shareholders or members of their immediate family, or to a trust established by Lessor or Lessor's shareholders and under which members of their immediate family constitute a majority of the beneficiaries.

15. SIGNS AND FIXTURES. (a) Subject to compliance with applicable laws and ordinances, Lessee shall have the right to erect, maintain and operate any type or size of sign or signs on the Premises.

(b) Lessee shall have the right to install any equipment or fixtures required or desirable in the operation of its business, including roof top antennas and other electronic transmittal and receiving devices, which shall always be deemed personal property subject to repossession for protection of the interests of any conditional sales vendor or equipment lessor or similar lien seller thereof.

(c) Upon the expiration of this Lease, Lessee shall have the right to remove from the Premises any and all signs, equipment, fixtures and other personal property which may have been

installed or placed thereon, provided that any damage to the Premises caused by such removal will be repaired by Lessee.

16. LIENS. If any act or omission of Lessee or claim against Lessee results in a lien or claim of lien against Lessor's title, Lessee, within 30 days of receipt of notice thereof, shall arrange for removal of, or a bond over, such lien and shall indemnify and hold Lessor harmless with respect to any such claim. Lessee may contest any such lien at its sole cost and expense.

17. LESSOR'S EXPENDITURES. Upon 15 days prior written notice to Lessee, Lessor may (but need not) in the event of Lessee's failure, omission or inadequate compliance with any of Lessee's undertakings hereunder, make all expenditures or do such acts and things necessary to fulfill and satisfy any such undertakings. Such expenditures and Lessor's costs in connection therewith shall be at Lessee's expense and shall be payable as additional rent upon the first of the month next following.

18. WAIVER AND CUMULATIVE RIGHTS. No waiver of any breach of this Lease by Lessor or Lessee shall be considered to be a waiver of any other or subsequent breach. All rights and remedies of Lessor and Lessee herein provided or allowed by law shall be cumulative.

19. QUIET ENJOYMENT. Lessor represents and warrants that he is the legal owner of the Premises, that he is legally empowered to execute this Lease, and that: (i) under the zoning laws and all other laws, covenants, restrictions, regulations, ordinances and environmental regulations pertaining to the Premises and the improvements thereon, Lessee may, upon the effective date of this Lease, conduct the Automotive Use on the Premises; and (ii) Lessee, on payment of the rent provided for herein and performance of the undertakings aforesaid, shall and may peacefully and quietly have, hold and enjoy the Premises for the Term with all the rights, privileges and for the uses herein provided.

20. REMEDIES OF LESSOR. (a) If Lessee defaults in the payment of rent or any other financial obligation hereunder and such default continues for 10 days (20 days if BOT is Lessee) after Lessor's written notice thereto to Lessee, or if Lessee defaults in the prompt and full performance of any other provision of this Lease and such default by reason of Lessee's neglect or omission continues for 30 days (45 days if BOT is Lessee) after Lessor's written notice thereto to Lessee, Lessor may forthwith terminate this Lease and Lessee's right to possession of the Premises and pursue all remedies available pursuant to applicable law; provided, however, that if the default is of such a nature that it is not capable of being totally cured within 30 days (45 days if BOT is Lessee), Lessee shall not be deemed to be in default if Lessee has commenced to exercise reasonable diligence to cure the default within 30 days (45 days if BOT is Lessee), continues to pursue curing of the default and cures the default as soon thereafter as is reasonably practicable.

(b) If Lessee fails to pay rent or any other financial obligation within 10 days after it is due, Lessor may assess a late charge equal to 10% of the overdue amount.

21. MITIGATION OF DAMAGES. Lessor shall have the duty to mitigate damages in the event of Lessee's default by using reasonable efforts to relet the Premises after obtaining exclusive possession. Subject to this standard, Lessor may relet the Premises for a term greater or less than the balance of the Term, for other uses, and for rentals greater or less than provided for herein, and may grant concessions. Rentals received by Lessor upon reletting shall first be applied to

reasonable brokerage, advertising and legal fees, reasonable expenses incurred by Lessor for repairs and alterations, and other reasonable expenses of reletting incurred by Lessor, and then applied to the rent and other obligations under this Lease.

22. ALTERATIONS. Lessee shall have the right, at its sole cost and expense, to replace or rebuild the improvements on the Premises or to make any alterations, additions and modifications to the Premises (collectively "Alterations"), whether structural and non-structural; provided, however, that any Alterations: shall conform to applicable laws and codes; shall not reduce the size or cubic content of the building; shall comply with all restrictive covenants and other recorded documents; and shall be equivalent in quality to the existing Premises. Prior to commencement of any Alterations, Lessee shall, upon request, provide Lessor copies of all required permits and plans and specifications for the Alterations. The Alterations shall, upon installation, become Lessor's property and shall remain upon and be surrendered with the Premises. Nothing contained herein, however, shall be construed to give Lessor title to, or prevent the removal of, Lessee's trade fixtures and movable furnishing or equipment (including hoists and racking).

23. CONSENT. Where consent is required hereunder, such consent shall not be unreasonably withheld or delayed.

24. MEMORANDUM OF LEASE. Upon the expiration or termination of this Lease, Lessee shall provide Lessor with a release, in recordable form, of any recorded memorandum of this Lease.

25. HAZARDOUS MATERIALS AND SUBSTANCES. (a) Lessor agrees to indemnify, defend and hold harmless Lessee, its subtenants and assignees, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including, without limitation, response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys' fees and expenses, consultants' fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Lessee or its subtenants and assignees as a result of any occurrence, matter, condition, presence, discharge, disposal, act or omission involving Environmental Laws (as hereinafter defined) or Hazardous Materials (as hereinafter defined) which arose, originated or occurred during the period Lessor (or any entity owned or controlled by Lessor or its owners) owned fee title to the Premises (up to the Commencement Date) or the period any Lessor Party operated a Big O Store on the Premises and which failed to comply with Environmental Laws or any common law theory.

(b) Lessee agrees to indemnify, defend and hold harmless Lessor, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including, without limitation, response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys' fees and expenses, consultants' fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Lessor as a result of any occurrence, matter, condition, act or omission involving Environmental Laws or Hazardous Materials which are caused by Lessee, subsequent to the Commencement Date and which failed to comply with Environmental Laws or any common law theory.

(c) "Hazardous Materials" shall mean any substance, material, waste, gas or particulate matter which at the time of the execution of the Option and Store Lease or at any time thereafter is

regulated by any local governmental authority, the State in which the Premises is located, or the United States Government, including but not limited to, any material or substance which is: (i) defined as a "hazardous waste," "hazardous material," "hazardous substance," "extremely hazardous waste," or "restricted hazardous waste" under any provision of State law; (ii) petroleum; (iii) asbestos; (iv) polychlorinated biphenyl; (v) radioactive material; (vi) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. Sec. 1251 et seq. (33 U.S.C. Sec. 1317); (vii) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. Sec. 6901 et seq. (42 U.S.C. Sec. 6903); or (viii) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Sec. 9601 et seq. (42 U.S.C. Sec. 9601).

(d) "Environmental Laws" shall mean all statutes specifically described in the foregoing sentence and all federal, state and local environmental health and safety statutes, ordinances, codes, rules, regulations, orders and decrees regulating, relating to or imposing liability or standards concerning or in connection with Hazardous Materials.

(e) This Section 25, including both parties' indemnification obligations hereunder, shall survive the termination of this Lease, including any termination of this Lease pursuant to Section 20(a).

26. NOTICES: All notices required or permitted hereunder shall be in writing and either (i) personally delivered, (ii) sent Certified U.S. Mail, return receipt requested, or (iii) sent by reputable, recognized overnight courier service regularly providing proof of delivery, to Lessor at the place where rent is payable and to Big O Tires, LLC (as Lessee BOT) at 4260 Design Center Drive, Palm Beach Gardens, Florida 33410, Attention: Lease Administration, with a copy to the attention of General Counsel at the same address, or elsewhere as either party designates. Notice shall be effective upon delivery (if personally delivered), or on the delivery date indicated by the post office or courier on its proof of delivery receipt or electronic version thereof.

27. SURRENDER OF PREMISES. Except as provided in Section 22 hereof, upon the expiration or termination of this Lease, Lessee shall peaceably quit and surrender the Premises to Lessor in a condition substantially equivalent to their condition at the Commencement Date, reasonable wear and use excepted.

28. SUCCESSOR AND ASSIGNS. The rights, obligations, covenants and conditions of and for Lessor and Lessee shall be binding upon and inure to the benefit of their heirs, executors, administrators, successors, sublessees and assigns, including but not limited to subsequent holder of fee title to the Premises. Upon a conveyance of the Premises by Lessor, Lessor shall be relieved of all further obligations under this Lease except with respect to the obligations set forth in Section 25 hereof for the period prior to such conveyance by Lessor.

29. ENTIRE AGREEMENT. This Lease constitutes the entire agreement between the parties regarding the leasing of the Premises and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease, sublease, option or lease assignment (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. Notwithstanding the foregoing, in the event that Lessor was disclosed with a Franchise Disclosure Document by Franchisor in conjunction with executing the

Option and Store Lease out of which this Lease arose ("FDD"), then nothing in this Lease is intended to disclaim any representations by Franchisor in such FDD. This Lease may be modified or amended by, and only by, a written instrument executed by Lessor and Lessee.

30. FORCE MAJEURE. The period of time during which Lessor or Lessee is prevented from performing any act required to be performed under this Lease (other than all of Lessee's monetary obligations) or by reason of fire, catastrophe, strikes, lockouts, civil commotion, acts of God, the public enemy, governmental prohibitions or preemptions, embargoes, inability to obtain material or labor by reason of governmental regulations or prohibitions, the act or default of the other party, delays occasioned by the adjustment of any casualty loss, or other events beyond the reasonable control of Lessor or Lessee, as the case may be, shall be added to the time for performance of such act. Further, any party asserting any event of force majeure shall deliver to the other party a written notice of force majeure stating the reasons thereof within twenty (20) calendar days of the first occurrence of force majeure or such party shall be deemed to have unconditionally waived and released any ability to assert a force majeure event in any manner.

31. ESTOPPEL CERTIFICATE. Upon request of either party, the other party shall, within 10 business days, deliver to the requesting party a written estoppel statement certifying and stating: that this Lease is in full force and effect; any amendments or modifications; the dates to which the rent and other payments due have been paid; whether or not either party is, to the knowledge of the certifying party, in default, or whether there have occurred events which with the passage of time will constitute a default, and, if so, specifying such defaults and events. Each estoppel statement shall be directed to and state that it may be relied upon by whatever addressee the requesting party may designate.

32. ENFORCEMENT. Lessor and Lessee agree that they shall pay the reasonable costs and expenses, including reasonable attorneys' fees incurred by the prevailing party in any action or proceeding to enforce the provisions of this Lease.

33. SURVIVAL. The rights, remedies and obligations of Lessor and Lessee (including BOT, unless otherwise specifically excepted herein) in this Lease shall survive the termination and expiration of this Lease or BOT's assignment of this Lease (pursuant to Subsection 13(a)), except that the foregoing shall not be construed to have the effect of preventing Lessor from exercising, after the term of this Lease shall have terminated or expired, all rights available to Lessor as the fee simple titleholder of the Premises prior to execution of this Lease. Notwithstanding the above, Lessee's right of first refusal shall not survive the termination or expiration of this Lease; provided, however, Lessee's right of first refusal (including its full 30 days to exercise such right) shall apply to any offer for the purchase of the Premises which Lessor shall be ready and willing to accept at any time prior to Lessee giving its Exercise Notice or at any time during the Term.
