What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in New Jersey. Out-of-state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in New Jersey than in your own state.
2. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that are franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you. IL

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this Notice shall be directed to the Department of Attorney General, Consumer Protection Division, 670 Law Building, 525 West Ottawa Street, Lansing, Michigan 48913. (517) 373-7117.

Item 1.
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, the words “JEI,” “we,” “our” and “us” refer to JEI Learning Centers, LLC, the franchisor of this business. “You” and “your” refer to the person who buys the franchise, whether you are a corporation, limited liability company or other business entity. If you are a corporation, limited liability company or other business entity, certain provisions of this Disclosure Document also apply to your owners and will be noted.

JEI is a California limited liability company formed on October 21, 2020, whose principal address is 4465 Wilshire Blvd., Suite 302, Los Angeles, California 90010. We were formed for the purpose of offering JEI LEARNING CENTER® franchises. We do business under our corporate name or “Jaeneung,” “JEI Learning Centers,” “Jaeneung Math Class,” “Jaeneung Korean Class,” “Jaeneung Chinese Character Class,” “Hanja,” “Jaeneung English Class,” “Jaeneung Classes,” and “JEI.”

Parents, Predecessors and Affiliates

JEI Self-Learning Systems, Inc. (“JSLS”), the former franchisor and our predecessor entered into an Assignment and Assumption Agreement with us. JSLS conveyed certain assets to us in exchange for the issuance of equity in our company to JSLS effective December 31, 2020. JSLS then distributed the equity in our company to its shareholders effective December 31, 2020. JSLS is a California corporation incorporated on March 23, 1992. JSLS offered franchises from 1992 to December 31, 2020. JSLS has the same principal address as ours. Effective December 31, 2020, JSLS assigned to us all existing franchise agreements.

Our affiliate, JEI Corporation (“JEIC”), was established by Sung Hoon Park in 1977 under the name Jaeneung Math Research Team. Its principal business address is 55-5 Hyehwa-dong, Chongno-gu, Seoul, Korea. It has offered franchises in South Korea in this line of business since February 2013. JEIC developed the JEI Self-Learning Systems® and has granted us the right to use and sublicense the use of the JEI Self-Learning System® to our franchisees for adaption and use in the operation of JEI Learning Centers.

We are owned by: (i) JEI Holdings Corporation, which was formed in November 2016 and has the same principal address as JEIC; (ii) JEI eAcademy Co., Ltd., which was formed in April 1994 and has a principal address of 186, Gasan digital 1-ro, Geumcheon-gu Seoul, Korea; and (iii) JEI Distribution Co., Ltd., which was formed in July 1971 and has the same principal address as JEI eAcademy.

The Franchise

We grant franchises to qualified persons or business entities in conjunction with the service mark “JEI LEARNING CENTER®” and certain associated trade names, trademarks, logos, and other commercial symbols (collectively referred to as the “Marks”). We refer to these businesses as “JEI LEARNING CENTER®” businesses. We refer to the JEI LEARNING CENTER® you will operate as the “franchised center.” We also supply franchisees with proprietary, copyrighted course materials, workbooks, and other items, which have been specially developed for use in operating a JEI Learning Center. We refer to these items as the “Proprietary Products.”

JEI LEARNING CENTER® businesses offers supplemental education using a method developed by Sung Hoon Park, the Founder and Chairman of JEIC, called the JEI Self-Learning Systems®. This method allows each student to fulfill their potential by providing customized study programs based on each student’s study ability. The JEI LEARNING CENTER® businesses use diagnostic testing to evaluate each

student and tailor study programs to maximize the student's learning potential. Progress is monitored by an academic advisor and new study programs are assigned based on student performance. The JEI Self-Learning System® was developed to cultivate creative and talented individuals who can resolve problems on their own. JEI Self-Learning Systems® study programs offer Mathematics, Korean language, Chinese characters ("Hanja"), English Language Arts and Critical Thinking to students Pre-K to 9th grade.

Non-JEI Programs are study programs which are not part of the JEI Self-Learning System. You must obtain our written approval to offer Non-JEI Programs, as provided in the JEI Confidential Operations Manual. If enrollment at your Franchised Center falls below 75 subjects for two consecutive months, you must pay us a Non-JEI Program Operating Fee of \$300.00 per month for offering Non-JEI Programs, starting in the third month. If enrollment at your Franchised Center falls below 75 subjects for six consecutive months, you may no longer offer Non-JEI Programs. JEI has the right to discontinue any and all Non-JEI Programs at its discretion. No non-JEI test preparation programs are permitted. Non-JEI Programs may only constitute a maximum of 5% of your total business operations and all students enrolled in Non-JEI Programs must be concurrently enrolled in JEI Self-Learning Systems® study programs.

Each JEI LEARNING CENTER® business is required to operate in a commercial retail brick and mortar site, which generally requires 800 to 1,200 square feet of space and is located on first floor, retail shopping areas in a highly visible location, with convenient parking and in-suite restroom(s). You must operate the franchised center according to our standards, methods, procedures, and specifications, which we refer to as our "System" and which is more particularly described in our Franchise Agreement attached as Exhibit B to this Disclosure Document. If you have an existing supplemental education business, you may convert it to a franchise with our approval. Each JEI LEARNING CENTER® may from time to time offer virtual instruction classes using our proprietary systems, electronic study materials, and authorized platforms. When such services are rendered, virtual operations are not a replacement for the brick-and-mortar operation. Virtual sessions, known as Temporary Remote Learning ("TRL") sessions are ancillary to the brick-and-mortar operation. TRL sessions are only authorized by JEI under certain circumstances, such as during a health pandemic, and with special guidelines.

If you wish to operate an additional JEI LEARNING CENTER® business, you must meet our then-current expansion criteria. Currently, those criteria include that each of your existing JEI LEARNING CENTER® businesses must have enrollment of at least 100 subjects for at least three consecutive months during the preceding six-month period. You must also deliver to us a comprehensive business plan and marketing plan for the operation and management of the additional JEI LEARNING CENTER® business that is acceptable to us.

Other than offering and selling franchises and supporting and supplying franchisees, we are not engaged in any other line of business. We have never conducted a business of the type to be operated by you.

We began offering franchises in the United States and Canada as of January 1, 2021. JSLS offered franchises in the United States and Canada from April 26, 1993, to December 31, 2020. As of the date of this Disclosure Document, we are providing support and supplies to approximately 53 franchisees throughout the United States in markets within California, Delaware, Florida, Georgia, Maryland, Minnesota, New Jersey, New York, North Carolina, Pennsylvania, Texas, and Virginia and to 8 franchisees in Canada. We have not offered franchises in any other line of business and have not engaged in any other line of business.

As a franchise candidate, you will submit a completed JEI franchise application. The franchise development team will then determine your qualifications for approval by conducting a financial and

criminal background check, and interview. The interview may be conducted either in person or by phone. A second interview may be scheduled for qualified candidates after the pre-approval.

Once approved and after the required disclosure period, you will sign the JEI Franchise Agreement and remit the initial franchise fee, initial inventory deposit fee, and initial marketing package fee. You may then start the site selection process. JEI will offer support in helping you locate a site for your center as needed.

All newly approved franchisees must attend and complete the JEI New Franchisee Training (“NFT”) program. Once you have successfully completed the training program and received your JEI certification, you may finalize your site selection upon JEI’s approval.

Market and Competition

Our franchise concept is targeted towards students from Pre-K to 9th grade. We are one of a growing number of businesses offering supplemental educational programs to students. As a franchisee, you will compete with other educational entities and private and public tutoring services. Your competition may be local, independent businesses or may be part of a regional or national chain or franchise system. You may also encounter competition from other JEI LEARNING CENTER® businesses operated by us or other franchisees. Fluctuations in population demographics and density, availability of qualified instructors or advisors, traffic patterns, and local or national economic conditions affect this industry; these factors are generally difficult to predict.

Industry Regulations

Some states and local jurisdictions may have laws that regulate supplemental educational study programs and educational facilities. A JEI LEARNING CENTER® business is not a “school,” since courses are offered in a limited number of subjects at limited hours, and instruction is conducted using the JEI Self-Learning Systems®. Some state laws may impose requirements concerning licensing, tuition, curriculum, and teacher certification. Additionally, every state has enacted laws, rules, regulations, and ordinances which may apply to the operation of a JEI LEARNING CENTER® business, including: zoning and building; occupational health and safety; labor; licensing and bonding; insurance; advertising; state self-storage laws dealing with foreclosure and sale of tenant goods; other laws, where applicable, regarding the assessment of late fees that you can collect from tenants that do not pay rent on time; real estate, income, sales and other taxes; and the Americans with Disabilities Act. You must investigate and comply with all applicable laws and regulations. You alone are responsible for complying with all applicable laws and regulations.

Beginning in December 2019 and continuing through the issue date of this Disclosure Document, the COVID-19 virus began spreading throughout the world, including the first outbreak in the United States in February 2020. COVID-19 has disrupted and continues to significantly disrupt local, regional, and global economics and businesses. Most, if not all, states that implemented shelter-in-place restrictions mandated closure of non-essential businesses for a certain period. It is uncertain whether there will be additional closure periods. Pandemic restrictions may cause additional operating restrictions, limitations on customer capacity, additional sanitary precautions, greater spacing and changes in employee availability, and other consequences of the outbreak. You must also comply with all applicable laws, rules, and orders of any government authority concerning the outbreak and your response.

LITIGATION

Predecessor Litigation

Daekyo Actions & Settlement

Daekyo America, Inc. v. One Hundred Center, Inc.; Albert E. Diaz; Manish Vakil; JEI Self-Learning Systems, Inc.; and Eugene Ahn, Superior Court of New Jersey, Law Division, Docket No. BER-L-5025-15. On March 6, 2015, Daekyo America, Inc. (“Daekyo”) the franchisor of Eye Level Franchises, filed suit against One Hundred Center, Inc., one of Daekyo’s Eye Level franchisees and Albert E. Diaz and Manish Vakil, the principals and guarantors of the Daekyo Franchise Agreement for an alleged conversion of their Daekyo franchise concept into a JEI franchise concept. Daekyo also joined JSLS and one of JSLS’ employees, Eugene Ahn (“Ahn”). Daekyo alleged that all Defendants misappropriated trade secrets, engaged in unfair competition under the Lanham Act and common law and civil conspiracy. Daekyo also alleged that JSLS and Ahn tortuously interfered with the Daekyo Franchise Agreement. Daekyo sought certain injunctive relief. The court denied preliminary injunctive relief against all parties on April 29, 2015. All claims against One Hundred Center, Inc., Albert E. Diaz and Manish Vakil were dismissed on July 10, 2015, due to an arbitration clause in the Daekyo Franchise Agreement obligating the parties to arbitrate. The claims to JSLS and Ahn were settled (see below) and the lawsuit was dismissed with prejudice on December 12, 2016.

Daekyo America, Inc. v. Ruth Yong; Palm Academy, Inc.; and JEI Self-Learning Systems, Inc., Superior Court of New Jersey, Law Division Docket No. BER-L-5025-15. On March 27, 2015, Daekyo filed suit against an Eye Level franchisee Ruth Yong (“Yong”) and her franchise Palm Academy, Inc. (Palm Academy”) for alleged conversion of her Daekyo franchise concept into a JEI franchise concept. Daekyo also joined JSLS. Daekyo alleged that all Defendants misappropriated trade secrets, engaged in unfair competition under the Lanham Act and common law, and civil conspiracy. Daekyo also alleged that JSLS tortuously interfered with the allegedly terminated Daekyo Franchise Agreement. Daekyo sought certain injunctive relief. The claims against Yong and Palm Academy were dismissed on August 7, 2015, due to an arbitration clause in the Daekyo Franchise Agreement obligating the parties to arbitrate. On November 12, 2015, the claims against JSLS were dismissed without prejudice due to Daekyo’s failure to make discovery. The claims as to JSLS were settled (see below) and the lawsuit was dismissed with prejudice on December 12, 2016.

Daekyo America, Inc. v. Joshua Gunsberger; and JEI Self Learning Systems, Inc., Supreme Court of New York, County of Kings, Index No. 505946/2015. On May 14, 2015, Daekyo filed suit against its Eye Level Franchisee, Joshua Gunsberger (Gunsberger”) for the alleged conversion of his Daekyo franchise concept into a JEI franchise concept. Daekyo also joined JSLS. Daekyo alleged that all Defendants misappropriated trade secrets, engaged in unfair competition under the Lanham Act and common law, and civil conspiracy. Daekyo also alleged that JSLS tortuously interfered with the Daekyo Franchise Agreement. Daekyo sought certain injunctive relief. On October 13, 2015, all claims against Gunsberger were dismissed for failure to prosecute. On November 13, 2015, the request for preliminary injunctive relief against JSLS was denied. The claims as to JSLS were settled (see below) and the lawsuit was dismissed with prejudice on December 19, 2016.

Daekyo Settlement

On April 5, 2017, Daekyo, JSLS and Ahn entered into a Settlement Agreement and General Release in connection with the above 3 Daekyo actions. JSLS and Ahn denied any wrongdoing and did not admit any

liability but agreed to pay \$205,000 to Daekyo to settle the matter. The parties have exchanged mutual general releases and have agreed not to solicit each other's franchisees.

Other Actions

Attorney General of Maryland v. JEI Self-Learning Systems, Inc., Case No. 2013-0123, dated April 30, 2013. On December 20, 2000, JSLS filed an initial application with the Maryland Securities Division of the Office of the Maryland Attorney General to register its franchise offering under the Maryland Franchise Registration and Disclosure Law. With the initial registration application JSLS' counsel included a letter acknowledging that prior to registration with the Securities Division, it had inadvertently sold franchises in Maryland prior to registration and was unaware of an obligation to register the franchise offering prior to advertising or selling franchises in Maryland. JSLS was unable to provide the documents and information that the Securities Division had requested in August 2002 and subsequently its initial franchise registration application was abandoned. In September 2012, it submitted to the Securities Division a re-filed initial application to register its franchise offering in Maryland. The Securities Division requested that JSLS submit an "undertaking" signed by an officer that it neither offered nor sold franchises in Maryland during the time it was not registered under the Maryland Franchise Registration and Disclosure Law. In the undertaking, JSLS stated that in 2001, it had three partnership agreements in Maryland, all of which had ceased operations in 2006, and it was not aware at that point that registration was required. In November 2012, the Securities Division requested copies of the partnership agreements referenced in the undertaking and due to circumstances beyond JSLS' control, JSLS was unable to locate any documents related to the offer and sale of the partnership agreements. Due to the above, the Commissioner concluded that JSLS violated §§14-214, 14-216, 14-223, and 14-224 of the Maryland Franchise Law and issued a Consent Order in April 2013 which required JSLS to cease and desist the offer and sale of franchises in violation of the Maryland Franchise Law and to pay \$15,000 as a civil monetary penalty. The Consent Order also required JSLS to submit to the Securities Division a re-filed and updated initial application to register JEI's franchise offering in Maryland to diligently pursue completion of that franchise registration in Maryland. As part of the Consent Order, JSLS neither admitted nor denied any violation of law.

Item 5.
INITIAL FEES

Initial Franchise Fee

You must pay us an initial franchise fee (“Initial Franchise Fee”) of \$22,500 when you sign the Franchise Agreement for the operation of your first Franchised Center. If you qualify for additional Franchised Centers, for each additional Center, we will lower the Initial Franchise Fee by \$5,000 if the franchise is being purchased by an entity or individuals that own the same majority (51% or greater) ownership structure as the franchisee initially approved by us for your first Center and if you paid the full, non-discounted Initial Franchise Fee for your first franchise. The majority owner must be the 51% (or greater) owner for at least two years prior to changing the percentage of ownership internally.

The Initial Franchise Fee is non-refundable and fully earned upon our receipt.

Initial Inventory Deposit

We supply you, on loan, with an initial inventory of proprietary course materials and other materials, (“Proprietary Products”), which are listed in Exhibit E to the Franchise Agreement (Exhibit B to this Disclosure Document). The JEI workbooks are our property, and you must return them when the Franchise Agreement terminates or expires or if you transfer the franchise. You must pay us an initial inventory deposit, which is currently \$5,500, for use of the JEI workbooks, plus any shipping costs. The initial inventory deposit is refundable, except as provided below.

If your Franchise Agreement expires or is terminated, and such termination is not in connection with your purchase of a successor franchise, you must return all inventory, including the initial inventory of Proprietary Products to us and we will return the initial inventory deposit you paid, as disclosed on Exhibit E to the Franchise Agreement (less \$5 for each missing or damaged workbook), provided that the items are returned within 14 days of the termination, at your expense, and remain in an unopened or unused and saleable condition. All returned materials must be in pristine, saleable condition to avoid the \$5 damaged materials fee per workbook. Inventory is monitored based on the initial supply, plus shipments and usage which affect the inventory levels. In addition to returning your inventory, in order to receive a refund, you must also remove all JEI related signage, including primary signage, and also sign our documentation including a general release. The refund and applicable fees will be based on the inventory levels ‘on record’ in the database, which are monitored weekly based on assigned workbook usage, and will be issued to you within 90 days of successfully complying with our requirements.

The maximum refund is \$5,500. Any overage supply of workbooks beyond the initial inventory level must be returned, and no workbook fees paid will be applied toward deposit return value. The deposit will be refunded upon termination or expiration of the Franchise Agreement, minus any missing or damaged fees which apply. If the amount of missing or damaged workbook fees exceeds the \$5,500 deposit value, you must pay additional missing or damaged workbook fees.

JEI LEARNING CENTER® Initial Marketing Package Fee

You pay us a one-time lump sum fee of \$500 when you sign the Franchise Agreement for use of our JEI LEARNING CENTER® website in the operation of the Franchised Center. The JEI LEARNING CENTER® initial marketing package fee is non-refundable and fully earned upon our receipt.

¹ All amounts are uniformly imposed by and are payable to us unless otherwise noted. All fees payable to us are non-refundable. Before you open your Franchised Center, you must sign and deliver to us the documents we require to authorize us to debit your business checking account automatically for all

amounts due to us. The Authorization Agreement for Pre-Arranged Payments is attached to the Franchise Agreement (Exhibit B to this Disclosure Document) as Exhibit G.

² You may, at your discretion, collect any amount you choose from students when they enroll. The Subject Fee payable to us is not calculated based on what you charge for enrollment.

³ We assume costs vary depending on factors, including prevailing auditor's rates in your area, the business activity being audited and how well you keep your books and records. If the audit or any other inspection should reveal that any payments to us have been underpaid, then you shall immediately pay to us the amount of the underpayment plus a late fee from the date such amount was due until the date it was paid plus our costs and expenses connected with the inspection (including, without limitation, travel expenses and reasonable accounting and attorneys' fees). If we determine that you have underreported subjects, we may impose a late fee of 150% of the amounts you owe as a result.

⁴ Late fees begin after 5 business days from the date payment was due, but not received, or date of underpayment. The maximum interest rate in California is 10% annually.

⁵ Costs vary depending on the availability of product samples for testing, shipping costs or travel costs to review the product, the type of product under review, whether the product or supplier has been rated and other similar factors. You pay our actual costs only.

⁶ Costs vary depending on factors, including nature of the complaint, expertise needed and the time involved. You pay our actual costs only.

For any additional person, other than the designated director and one assistant, we will charge you a fee of \$1,250 per person. We do not charge fees for these programs, but if you replace your designated director or are required to repeat training, we will charge you a fee.

NOTES

^{1.} Initial Franchise Fee. You must pay us an Initial Franchise Fee of \$22,500 when you sign the Franchise Agreement for the operation of your first Franchised Center. If you qualify for additional Franchised Centers, for each additional Center, we will lower the Initial Franchise Fee by \$5,000 if the franchise is being purchased by an entity or individuals that own the same majority (51% or greater) ownership structure as the franchisee initially approved by us for your first Center and if you paid the full non-discounted Initial Franchise Fee for your first Center.

^{2.} JEI Initial Inventory Deposit. If your Franchise Agreement expires or is terminated, and such termination is not in connection with your purchase of a successor franchise, you will be required to return the initial inventory of Proprietary Products to us, and we will return the initial inventory deposit you actually paid, as shown on Exhibit E to your Franchise Agreement (Exhibit B to this Disclosure Document) (less \$5 for each missing or damaged workbook), provided the items are returned within 90 days of the termination, at your expense, and remain in an unopened or unused and pristine, saleable condition. You must also sign our documents to process the refund which includes a general release. The initial inventory deposit is otherwise non-refundable and fully earned. If the fees for your missing or damaged workbooks exceed the deposit, you must pay such additional fees. Regardless of whether you will receive a refund, you are required to return all inventory to us upon termination.

³ JEI Initial Marketing Fee. You are required to use the JEI LEARNING CENTER® website provided for your Franchised Center. This is a one-time \$500 fee and is payable to us. This fee covers various marketing/promotional items, website, and social media setup. This fee is non-refundable. The website we provide is the only JEI website you can utilize, and you are not permitted to create and/or maintain your own personal JEI website.

⁴ Real Estate/Rent. You must lease or otherwise acquire a suitable facility for the operation of the Franchised Center. We expect the facility to be located in retail shopping and residential areas in a highly visible location. The facility typically ranges in size from 800 to 1,200 square feet and has in-suite restroom(s). It is difficult to estimate lease acquisition costs because of the wide variation in these costs between various locations. Lease costs will vary based upon square footage, cost per square foot, and required maintenance costs. The estimated range of costs in this category only includes your costs to enter into a lease agreement for the facility.

⁵ Real Estate Security Deposit. We assume you will have to pay the first month's rent and a security deposit equal to one month's rent in advance.

⁶ Leasehold Improvements. To adapt a newly acquired facility for operation of the Franchised Center, the facility must be improved or renovated. The cost of the leasehold improvements will vary depending on factors including the size, condition and location of the facility, local wage rates, and material costs. The low estimate assumes that your landlord will provide a build-out allowance.

⁷ Interior Design Build-Out. To adapt a newly acquired facility for operation of the Franchised Center, it must be designed and built out according to our specifications. This amount also includes the center design package required to be purchased, which ranges from \$1,000 to \$2,000.

⁸ Office Supplies, Hardware, Software, Furniture, Fixtures & Equipment. You must purchase general office supplies including stationery, business cards, and a personal computer/point-of-sale system with accompanying software. You will also be required to purchase and install equipment, fixtures, furniture, and items of décor necessary to outfit and operate your Franchised Center according to our specifications, including tables, chairs, lighting, filing cabinets, shelving, and other items. The cost of the office supplies, computers, furniture, fixtures, and equipment will vary according to local market conditions, the size of the Franchised Center, competition among suppliers, and other related factors.

⁹ Insurance. You must purchase the amounts and types of insurance as required by our Confidential Operations Manual (the "Confidential Operations Manual") from time to time. (See Item 8). Factors that may affect your cost of insurance include the size and location of your Franchised Center, value of the leasehold improvements, number of employees and other factors.

¹⁰ Travel for Initial Training. The cost of initial training is included in the franchise fee, but you are responsible for transportation and expenses for meals and lodging while attending training. The total cost will vary depending on the number of people attending, how far you travel, and the type of accommodation you choose.

¹¹ Signage. This range includes the cost of all signage used in the Franchised Center. The signage requirements and costs will vary based upon the size and location of the Franchised Center, local zoning, landlord requirements, and local wage rates for installation, among other things.

¹² Grand Opening and Initial Marketing Expense. You must spend a minimum of \$6,000 on coming soon/grand opening related advertising, marketing, and/or promotional efforts prior to, during, and after your grand opening day. Factors that may affect the actual amount you spend include the type of media

used, the size of the area you advertise to, local media cost, location of the Franchised Center, time of year, and customer demographics in the surrounding area.

¹³ Legal & Accounting. You will need to employ an attorney, an accountant and other consultants to assist you in establishing your Franchised Center. These fees may vary from location to location depending upon the prevailing rates of local attorneys, accountants, and consultants.

¹⁴ Licenses & Permits. State and local government agencies typically charge fees for occupancy permits, operating licenses and sales tax licenses, among other things. Your actual costs may vary based on the requirements of local government agencies.

¹⁵ Additional Funds. We recommend that you have a minimum amount of money available to cover operating expenses, including rent, utilities, and employees' salaries, for the first 3 months that the Franchised Center is open. These expenses are typically non-refundable. Additional working capital may be required if sales are low or operating costs are high.

¹⁶ Total. In compiling this chart, we relied on our predecessor's industry knowledge and experience and nearly 30 years of knowledge and experience in operating JEI LEARNING CENTER® businesses. The amounts shown are estimates only and may vary for many reasons including the size of your Franchised Center, the capabilities of your management team, where you locate your Franchised Center, and your business experience and acumen. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a franchise.

¹⁷ Third Party Payments. Amounts payable to third parties are typically nonrefundable. You should inquire about the cancellation and refund policy of the suppliers and vendors at or before the time of payment.

¹⁸ Financing. We do not offer direct or indirect financing to you for any items.

Item 8.

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases of Goods and Services

You must purchase your furniture, fixtures and equipment, including computer hardware and software under specifications in the Confidential Operations Manual. We have developed standards and specifications for appearance, quality, price, performance and functionality of goods and services that you must use to establish and operate your Franchised Center. Our standards and specifications are based on our years of knowledge and experience and in operating businesses of the type we are franchising and through research and testing in our businesses. We may communicate our standards and specifications directly to suppliers who wish to seek our approval of their product or services. We communicate our standards and specifications to you when we evaluate your proposed location for the Franchised Center, during training, before you conduct your grand opening advertising, during on-site opening assistance, during periodic visits to your franchise location, and through the Confidential Operations Manual (including periodic bulletins). We will periodically issue new standards and specifications (if any) through written notice.

You are responsible for developing the Franchised Center. You are obligated, at your expense, to have an architect, engineer and/or general contractor prepare all required construction plans and specifications to suit the shape and dimensions of the Franchised Center and to ensure that such plans and specifications comply with applicable ordinances, building codes, permit requirements, lease requirements and restrictions, and the mandatory specifications and layout provided by us.

You will submit to us, for our prior approval, all advertising and promotional materials before you use them. We will use reasonable efforts to approve or disapprove such materials within 10 days after we receive them, but any materials not approved by us within this time period are deemed disapproved. You may not use any advertising or promotional materials that we have disapproved of.

Approval of Alternative Suppliers

If you would like to use any goods or service in establishing or operating the Franchised Center that we have not approved (for goods or services that must meet our standards, specifications or that require supplier approval), you must first send us sufficient information, specifications and/or samples for us to determine whether the goods or services comply with our standards and specifications or the supplier meets our approved supplier criteria. You must pay our expenses to evaluate goods, services or alternative suppliers, which will range between \$500 and \$1,000. We will decide within a reasonable time (usually 30 days) after receiving the required information whether you may purchase or lease the goods or services from the supplier. Our criteria for approving or revoking approved suppliers includes: the supplier's ability to provide sufficient quantity of goods; quality of goods and/or services at competitive prices; production and delivery capability; and dependability and general reputation. We will notify you in writing of our approval or disapproval of the alternate supplier to become an approved supplier. Once the alternate supplier is approved, you may contract with the supplier directly.

Periodically, we may review our approval of any goods, service or supplier. We will notify you in writing if we revoke our approval of goods, service, or supplier, and you must immediately stop purchasing disapproved goods or services, or must immediately stop purchasing from a disapproved supplier.

Purchases from Us or Our Affiliates

Our predecessors and we have developed and are continuing to develop certain proprietary items, such as course materials and workbooks ("Proprietary Products"), which are especially suited for use in JEI LEARNING CENTER® businesses. In order to maintain the uniformity of the System, you must purchase all of your requirements of Proprietary Products from us. You must also pay us all on-going shipping costs for the workbooks which will be included in the invoice for the Royalty Fee. We and our affiliates are the only approved suppliers of the above-mentioned Proprietary Products. There are no alternative sources of supply. We may introduce new or modify existing Proprietary Products. You must carry a sufficient inventory of Proprietary Products to operate the Franchised Center at full capacity, including any new Proprietary Products we may introduce as part of the System. While we have created standards and specifications for the development of your Franchised Center, we have not designated any vendors and suppliers for any products or services other than the above-mentioned Proprietary Products.

Percent of Expenditures from Us or Approved Suppliers

We estimate that approximately 10% to 20% of your expenditures for leases and purchases in establishing your Franchised Center will be for goods and services that must be purchased from us or an approved supplier or according to our standards and specifications. We estimate that approximately 1% to 18% of your expenditure on an ongoing basis will be for goods and services that must be purchased from either us, an approved supplier or according to our standards and specifications.

Ownership in Approved Suppliers

No officer of the franchisor nor anyone listed in Item 2 has any ownership nor other interest in any supplier.

Items We Derive Revenue From

As a result of our supply of Proprietary Products to you and other franchisees, we will derive revenue equal to the price we charge you and other franchisees for such products. During the calendar year ended December 31, 2024, we received \$9,554 from the sale of extra workbooks and promotional items to franchisees, constituting 0.79% of our total revenues of \$1,212,134.

Negotiated Prices

Whenever reasonably possible we negotiate pricing arrangements, including volume discounts, on behalf of our franchisees with our suppliers. Volume discounts may not be available to franchises located in outlying markets that a particular supplier does not serve in significant volume.

Material Benefits

We do not provide or withhold material benefits to you (including renewal rights or the right to additional JEI LEARNING CENTER® businesses) based on whether you purchase through the sources we designate or approve. We may take action, including terminating your franchises, if you purchase unapproved products or make purchases from unapproved suppliers.

Cooperatives

We have no purchasing or distribution cooperatives serving our franchise system.

Insurance

You must purchase and maintain in full force and effect, at your expense and from a company licensed in the state that you operate, and which are rated “A” or better by AM Best. At a minimum, you must carry, in accordance with the standards and specifications set forth by us in writing, the following:

1. “all risk” property insurance coverage for assets of the Franchised Center;
2. workers’ compensation insurance and employer liability coverage with a minimum limit of \$100,000 or higher if your state law requires;
3. comprehensive general liability insurance with a minimum liability coverage of \$1,000,000 per occurrence and \$2,000,000 aggregate or higher if your state law requires;
4. business interruption insurance;
5. abuse and molestation insurance;
6. insurance coverage for contractual indemnity; and
7. such other coverages and limits as are described in the Operations Manual.

We may change the types and minimums of coverage periodically and all insurance must name us and our affiliates that we designate as additional insureds. You must supply us with evidence of coverage and all policies must provide for at least 30 days’ prior written notice to us before termination or amendment of the insurance policy. You must also provide a waiver of subrogation in our favor and provide that your insurance policies are primary and noncontributory to any policies we may carry.

C. Confidential Operations Manual

The approximate total number of pages in the Confidential Operations Manual as of the date of this Disclosure Document is 194. The Table of Contents of the Confidential Operations Manual is included as Exhibit C to this Disclosure Document.

D. Grand Opening and Local Advertising

To support your grand opening, you must spend no less than \$6,000 on local advertisement and promotion of initial opening (grand opening advertising) during the three month period before and the three month period immediately after your grand opening, including but not limited to, digital marketing, print or news media and/or direct mail advertising, dues for business organizations, event dues or other solicitation and promotional efforts. We determine the minimum amount by assessing advertising costs in your area and taking into account the time of year that you are opening. We will provide you with guidance for conducting grand opening advertising, and we will review and approve the materials you use in your grand opening advertising. (Franchise Agreement: Section 11.1)

After your grand opening advertising is over following the first three months of operation, you must spend \$1,000 each month for the next six months of operation on advertising, promotions and endeavors in public relations in the local area surrounding the Franchised Center. Thereafter, you must spend \$500 each month during the remaining term of the Franchise Agreement. You will pay for your ads and promotions directly, but we will provide guidance in the form of yearly marketing guidelines, review, and approval of any and all advertisements. We will not spend any funds on advertising your Franchised Center in your local area. (Franchise Agreement: Section 11.2)

E. Brand Fund

We have developed a System-wide Brand Fund. You are required to make monthly contributions to the Brand Fund, and the amount of which shall be set by us and may be adjusted from time to time, upon 30 days' written notice to you, prior to changing the Brand Fund contribution requirements. Currently we

are charging \$1 per subject, per month. At our discretion, we may increase the contribution requirement to \$3 per subject, per month. We will administer the Brand Fund as follows (Franchise Agreement: Section 11.3):

We control the creative concepts and the materials and media to be used, and we determine the placement and allocation of advertisements. We may use print, television, radio, Internet, or other media for advertisements and promotions. We do not guarantee that any particular franchisee will benefit directly or in proportion to their contribution from the placement of advertising by the Brand Fund.

We may use your contributions to meet any cost of producing, maintaining, administering and directing consumer advertising (including the cost of preparing and conducting television, radio, Internet, magazine, direct mail, and newspaper advertising campaigns and other public relations activities; developing and/or hosting an Internet web page of similar activities; employing advertising agencies to assist therein; providing promotional brochures; conducting market research; and providing other marketing materials to franchisees). We plan to conduct some advertising in-house, but we may use a national or regional advertising agency. We will not use your contributions for any of our general operating expenses, except for our reasonable administrative costs and overhead related to the administration of the Brand Fund. We will not use Brand Fund contributions for the direct solicitation of franchise sales.

We expect to use all contributions in the fiscal year they are made. We will use any interest or other earnings of the Brand Fund before using current contributions. We intend for the Brand Fund to be perpetual, but we have the right to terminate it if necessary. We will not terminate the Brand Fund until all contributions and earnings have been used for advertising and promotional purposes or have been returned to contributing franchisees on a *pro rata* share.

All JEI LEARNING CENTER® businesses owned by us will make similar contributions to the Brand Fund as required of franchisees. The Brand Fund is not a trust and we assume no fiduciary duty in administering the Brand Fund. If you request an accounting of the Brand Fund, if we have an accounting of the Brand Fund prepared, we will provide you with a copy. The Brand Fund is not audited. In our most recently concluded fiscal year ending December 31, 2024, Brand Fund contributions were used as follows: 32% was spent on SEO marketing and 68% was spent on Google Ads.

F. Cooperatives

Although we are not obligated to do so, we may create from time to time a cooperative advertising program for the benefit of all JEI LEARNING CENTER® franchises located within a particular region, and you will contribute an amount we determine, currently \$100 to \$300 a month, depending on your region. We will determine the geographic territory and market areas for each cooperative advertising program. You must participate in any cooperative advertising program established in your region. If a cooperative advertising program is implemented in a particular region, we may administer the program or establish an advertising council for franchisees in that region to self-administer the program. Franchisor-owned outlets will not be required to contribute to cooperative advertising programs.

As of the date of this Disclosure Document, we do not have an advertising council composed of franchisees. If we establish a cooperative advertising program or programs with or without an advertising council, there are no limits on our right to change, dissolve or merge these program(s) and/or council(s) at any time. If we create a cooperative advertising fund, we, or an advertising agency we designate will be responsible for administration of the cooperative. We will operate from written governing documents that will be available for your review. Periodic financial statements will also be prepared and available for your review. (Franchise Agreement: Section 11.4)

G. Internet-Based Mediums

You are restricted from establishing a presence on or conducting any marketing activities using the Internet without our consent or for territories outside of your market, and at no time will you be allowed to operate on any platform not approved by us that is associated with your Franchised Center. We have an Internet website at the uniform resource locator (“URL”) www.jeilearning.com (the “Website”) that provides information about the System and the services that JEI LEARNING CENTER® businesses provide. We may (but are not required to) include on the Website an intranet section or an interior page containing information about the Franchised Center. If we include this information on the Website, you may be requested to prepare the page, at your expense, using our template. All information must be approved by us before it is posted. We will create sub-accounts on our varied social media platforms on your behalf for your use in connection with your JEI LEARNING CENTER® businesses. All Franchised Center associated Internet-based channels, including but not limited to, Google Business Profile, Facebook, Twitter, Instagram, Yelp, Pinterest, Snapchat, and YouTube are completely owned by us, and you will receive operational access to each Internet-based channel only upon written request and our approval. We reserve the right to deny your request or revoke permissions for any reason at any time. We retain the sole right to market on the Internet, including, without limitation, the use of websites, domain names, URL’s, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, social media, auction sites, e-commerce, and co-branding arrangements. Except for territories in your market, (i) you may not offer or sell JEI LEARNING CENTER® products or services through the Internet, except as authorized by us in the Confidential Operations Manual or otherwise in writing; and (ii) you may not advertise for students by social media or using related media or technology except as authorized by us in writing. You may be requested to provide content for our Internet marketing programs and you must follow our intranet and Internet usage rules, policies and requirements as described in the Confidential Operations Manual. We retain the sole right to use the Marks and the Copyrighted Materials on the Internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding and other arrangements. We retain the sole right to approve any linking to, or other use of, our Website. (Franchise Agreement: Section 11.5)

H. Computer/Point-of Sale System

You must purchase and use any computer hardware and software programs that we designate. (Franchise Agreement: Section 12.5) We do not require you to use a specific computer system, but your computer system should meet with the following minimum specifications:

- Windows 7 or Microsoft Edge
- Firefox, Safari or Chrome
- Microsoft Office
- High-Speed Internet Access

The type of data required to be stored in our computer systems ensure the Franchised Center information, royalty information, diagnostic testing information, inventory management information, and sales metrics.

The approximate cost of the hardware and software is \$1,000. We may require you to update, modify or replace your system during the term of the franchise. (Franchise Agreement: Section 10.2)

You are not required to enter into any ongoing maintenance or support agreements, but you may find it advantageous to do so. You may periodically be required to update or upgrade computer hardware and software, if we believe it is necessary. We may introduce new requirements or modify our specifications and requirements for computer and point-of-sale systems. There are no limits on our rights

to do so. We have the right to independently access all information you collect or compile at any time without first notifying you. (Franchise Agreement: Sections 10.2, 12.5 and 12.6)

I. Methods Used to Select the Location of the Franchised Center

If you have a potential site for the Franchised Center, you may propose the location for our consideration. We may consent to the site after we have evaluated it. If you do not have a proposed site, we will designate a geographic area in which you must locate the Franchised Center and we will furnish you with our general site selection criteria. You are solely responsible for locating and obtaining a site that meets our standards and criteria and that is acceptable to us. (Franchise Agreement: Section 2.3) At all times, you must have a physical address (that is not a home address) as the Franchised Center. (Franchise Agreement: Section 2.2). We will not own the premises and lease it to you.

We will provide you with written notice of our acceptance or rejection of any proposed site within a reasonable time (usually within 30 days) after receiving all requested information. There is no time period within which you must obtain a location for the Franchised Center except that it must be obtained in order to give you enough time to open within the 240-day timeline outlined below. In the event that we and you do not agree on a suitable site, an extension will be provided to find a location that meets our requirements. If you fail to timely select an accepted site, we have the right to terminate the Franchise Agreement without providing an opportunity to cure without return of your non-refundable initial franchise fee. The general site selection and evaluation criteria which we consider in approving your site includes the condition of the premises, demographics of the surrounding area, proximity to other JEI LEARNING CENTER® businesses, lease requirements, traffic patterns, visibility, available parking and overall suitability. (Franchise Agreement: Section 5.1)

J. Typical Length of Time before Operation

The Authorized Location will be developed, equipped and improved according to our specifications. The typical length of time between the earlier of the signing the Franchise Agreement or the first payment of consideration for the franchise and the opening of your business is four to five months or more. Factors that may affect your beginning operations include ability to secure permits, zoning and local ordinances, weather conditions and delays in installation of equipment and fixtures. You must open your brick and mortar Franchised Center and be operational within 240 days after signing the Franchise Agreement. (Franchise Agreement: Sections 5.3 and 5.4)

K. Initial Training

We provide you a NFT program that covers material aspects of the operations of the Franchised Center. The topics covered are listed in the chart below. Under normal circumstances, this training will be conducted at our headquarters in Los Angeles, California, our Regional Office in Englewood Cliffs, New Jersey, or another location we designate. In times of extraordinary circumstances, such as a pandemic or shelter in place, where in-person training may not be feasible, we may provide the NFT remotely. You must designate a director for the Franchised Center and he or she must complete the initial training to our satisfaction approximately 4 weeks before the opening of the Franchised Center. One assistant of your choosing may also attend at your option. For any additional person, other than the designated director and 1 assistant, we will charge you a fee of \$1,250 per person. We expect that your attendees will advance through the training program at different rates depending on a variety of factors including background and experience. Training occurs on an as-needed basis. We will give you notice of the dates and locations of the training in advance.

The training will include the following instructional materials: The Confidential Operations Manual and Workbook Manual. The training will occur at our training center, at a designated Franchised Center, or online. The dates and location of the training will depend on the number of franchisees attending.

The time frames provided in the chart below are an estimate of the time it will take to complete training. We do not charge for initial training. You must pay for all travel costs and living expenses for yourself and any of your attendees. You are responsible for training your own employees and other management personnel. This initial training is in addition to the 2 days of on-site training at a JEI LEARNING CENTER® business we designate. We will also provide you with up to 2 days of on-site opening assistance after the initial training and on-site training has been completed. Your Franchised Center must at all times be under the day-to-day supervision of a director who has completed our training program to our satisfaction approximately 4 weeks before the opening of the Franchised Center. If you replace your director and we determine that the replacement director requires training, you will be charged a training fee of \$1,250. Your new director must attend our training and complete the program to our satisfaction. After a replacement of the director, he or she has 30 days to complete initial training. You must pay all travel costs and living expenses for a new director's attendance. (Franchise Agreement: Section 8)

Ms. Christine See supervises the training programs. Ms. See has over 17 years of franchise experience in the industry and has been with JSLS and then JEI since 2016. Ms. Sunhee Park assists Ms. See with training. Ms. Park has over 14 years of industry experience and has been with the JSLS and then JEI since 2011.

Any substitute or additional trainer that we use will be trained by us and be required to have knowledge and experience with our System. There are no limits on our right to assign a substitute to provide training.

L. Ongoing Training and Retraining

Periodically you, your directors, managers, and/or employees must attend refresher-training programs to be conducted at our headquarters or another location we designate. If, at any time on or after the 24th month of operations, your Franchised Center has not maintained an average of at least 40 subjects during the immediately preceding 6 months you will be required to attend mandatory retraining. We will charge tuition for attendance at these programs. In addition, you are solely responsible for all of your costs and expenses to attend. (Franchise Agreement: Section 8.5)

You are required to attend the “Annual Franchise Conference” each year during the term of the Franchise Agreement. If you are not able to attend, you may send a staff member in your absence. If you or a staff member does not attend, a \$900 non-participation fee will be applied. You will be responsible for all travel and living expenses and employee salaries you incur in attending the Annual Franchise Conference.

You must also attend all meetings required by us, which may include regional quarterly meetings during the term of the Franchise Agreement. You will be responsible for all travel and living expenses and employee salaries you incur in attending all meetings. (Franchise Agreement: Sections 8.6 and 8.7).

Item 12. **TERRITORY**

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we or our affiliates control.

Protected Territory

Once a location has been determined for your Franchised Center, we will grant you rights within a geographic area (“Protected Territory”). So long as your Franchise Agreement is in force and effect and you are not in default under any of its terms, subject to our reserved rights (see below), we shall not license, establish, own or operate any other JEI LEARNING CENTER® businesses within your Protected Territory. We determine the location and size of the Protected Territory in our sole and absolute discretion. The Protected Territory will be determined by the demographics and population size specific to the market within which your franchised Center will be located. There is no minimum population size for the target demographic group within your Protected Territory. Factors we consider when determining your Protected Territory are population, projected growth, estimated number of households, estimated number of families, age, income, marital status, age of children, workplace population, family data and household ownership.

Also used in determining the boundaries of your Protected Territory are the major and restricting topographical features which define contiguous areas such as rivers, mountains, major roads, and undeveloped land areas, the density of residential and business entities, trading patterns and traffic flows and other factors as we deem relevant.

We do not place restrictions on you with respect to who may be a customer at your Franchised Center. Customers may reside anywhere, including within the boundaries of another Franchisee's Protected Territory, and customers can decide where they wish to travel to enroll and attend any center location of their choosing. However, you are not permitted to market/promote your Franchised Center within the boundaries of another franchisee's Protected Territory unless previously approved in writing by us and/or in collaboration with the franchisee within such Protected Territory.

Relocation

You will operate your Franchised Center only from the Authorized Location within the Protected Territory. You may not relocate your Franchised Center without obtaining our prior written approval. In granting such approval, we will consider whether the lease for the Franchised Center has expired or terminated without fault on your part; if the Franchised Center has been destroyed, condemned or rendered unusable; changes in the character of the location of your Franchised Center sufficiently detrimental to your business potential to warrant a relocation; the location of other and future facilities; and other factors deemed relevant by us in our reasonable discretion. We do not charge a relocation fee. However, any relocation of your Franchised Center will be at your sole expense. All leases, subleases or other agreements you enter into to relocate the Franchised Center must conform to the provisions of the Franchise Agreement. Relocations must be seamless and provide little to no disruption of services to the subjects. If your Franchised Center needs to "temporarily close" due to an urgent need to relocate, such as loss of lease, fire, flood, damage, or other untenable conditions to stay, then JEI will allow your Franchised Center to temporarily close for up to 120 days until a reasonable replacement site is secured. You must meet certain conditions to receive the 120-day allowance. The policy and the requisite conditions are provided in the Confidential Operations Manual. If you relocate the Franchised Center without our prior written approval, we have the right to terminate the Franchise Agreement.

Reserved Rights

We expressly retain the right to:

1. establish, and license others to establish, JEI LEARNING CENTER® businesses at any location outside of the Protected Territory as we deem appropriate;
2. establish, and license others to establish, other businesses (including Competitive Businesses) under other systems using other proprietary marks at such locations, including within Franchisee's Protected Territory, and on such terms and conditions as Franchisor deems appropriate;
3. purchase or otherwise acquire the assets or controlling ownership of one or more businesses identical or similar to the Franchised Center (and/or acquire franchise, license and/or similar agreements for such businesses), some or all of which may be located anywhere, including within the Protected Territory. If we purchase or acquire franchises or licenses, we may, in our sole discretion, act as franchisor or licensor with respect to such franchisees or licensees wherever located, pursuant to the individual franchise or license agreement(s) between us and such franchisee(s) or licensee(s). If we purchase or acquire such businesses within the Protected Territory which are not franchised or licensed, we may, in its sole discretion;

4. be acquired (regardless of the form of transaction) by any business, even if the other business operates, franchises and/or licenses Competitive Businesses within the Protected Territory;
5. sell the products and services authorized for JEI LEARNING CENTER® businesses using the Marks or other trademarks, service marks and commercial symbols through an alternate channel of distribution such as joint marketing with partner companies, direct mail, catalog sales, Internet sites and co-branding strategies, pursuant to such terms and conditions as Franchisor deems appropriate, provided however, that no such sales shall be made to a Competitive Business within the Protected Territory;
6. establish our presence and conduct all marketing activities using the Internet to develop ‘direct business’ with students and parents that may not include you; and
7. engage in any activities not expressly forbidden by the Franchise Agreement.

These activities may compete with your Franchised Center. We will not compensate you for any activity including sales made in your area through an alternate channel of distribution. With some exception, you may not directly market to or solicit customers located inside another franchisee’s protected territory. Unless you are advertising cooperatively with another franchisee, you may not advertise in any media exclusively circulated within another franchisee’s protected territory.

Unless specified in writing, you do not have options, a right of first refusal, or similar rights to acquire additional franchises in the Protected Territory, or otherwise. You do not have any rights to a specific geographic area because you request it. Territorial rights are only granted based on the terms of a Franchise Agreement we sign with you.

You do not have the right to conduct business on the Internet. We may permit you a temporary, limited right to conduct virtual sessions, but you may not do so without our prior written consent. You may not maintain a World Wide Web page or otherwise maintain a presence or advertise the Franchised Center on the Internet or any other public computer network or social media site except as required, sponsored, placed, or approved in writing by us. At no time will you be allowed to operate on any platform not approved by us that is associated with your Franchised Center. All Franchised Center associated Internet-based channels, including but not limited to, Business Profile, Facebook, Twitter, Instagram, and Yelp are completely owned by us, and you will receive operational access to each Internet-based channel only upon written request and our approval. We reserve the right to deny your request or revoke permissions for any reason at any time.

Non-JEI Programs

Non-JEI Programs are academic and extra-curricular programs that are not offered by us but which we determine do not compete with our existing programs. You may offer Non-JEI Programs that have been pre-approved by us, but if enrollment in your licensed JEI program(s) falls below 75 subjects for two consecutive months or more, you must pay us a Non-JEI Program Operating Fee of \$300.00 per month, starting on the third month. If you fail to have at least 75 subjects for six consecutive months, you may no longer offer Non-JEI Programs. We can discontinue any or all of the Non-JEI Programs at any time. You may not offer test preparation programs that are not authorized by us. Non-JEI Programs may only constitute a maximum of 5% of your total business operations and all students enrolled in Non-JEI Programs must be concurrently enrolled in JEI Self-Learning Systems® study programs.

Businesses Under Different Trademarks

As of the date this Disclosure Document was issued, neither we nor any of our affiliates operates, franchises or has plans to operate or franchise a business under a different trademark that will offer similar services to the ones you will offer as a JEI Learning Center franchisee, but we reserve the right to do so. If we acquire or are acquired by another company that offers similar services, there may be businesses similar to yours operating in your Protected Area and we reserve the right to continue to operate or franchise such businesses and additional businesses under that brand regardless of their locations.

Item 13. **TRADEMARKS**

You will receive the right to operate your Franchised Center under the trademark “JEI LEARNING CENTER®,” which is the principal trademark used to identify our System of operation. You may also use any other current or future Mark to operate your Franchised Center that we designate in writing, including the logo on the front of this Disclosure Document.

We have entered into a license agreement with JEIC under which we have a perpetual license to use, and license third parties to use, the Marks. The license agreement can be terminated by either party if: (a) either party files a petition in bankruptcy or is adjudicated as bankrupt or insolvent, or makes an assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law, or if a receiver is appointed for a party or for a party's business; (b) either party is unable to pay its debts as and when they become due and payable; (c) either party discontinues its business; or (d) if the other party fails to observe or perform any covenant or obligation herein and if such default is not cured within 60 days after the party receives written notice specifying such default. JEIC can also terminate the agreement upon 60 days' notice to us. Termination of the agreement will not impact any franchise agreements between us and our franchisees in effect at that time.

All necessary affidavits and renewal applications for the trademarks as required by the USPTO have been filed. The terms of this agreement can be terminated upon mutual agreement of both parties, our ceasing of business in the US and Canada; our bankruptcy, insolvency, or assignment of our assets to a creditor; or the appointment of a receiver or trustee to take charge unless vacated discharged or released within 30 days. Upon termination of the license agreement, you may be required to discontinue all uses of the trademarks and return materials bearing our trademarks.

There are currently no effective material determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of this state or any state trademark administrator or any court, state or federal involving the Marks. We know of no pending infringement, opposition or cancellation proceeding; we know of no pending material federal or state court litigation regarding our use or ownership of the Marks.

There are no infringing or prior superior uses actually known to us that could materially affect the use of the Marks in this state or any other state in which a JEI LEARNING CENTER® may be located.

Other than the above, there are no agreements currently in effect, which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

You will not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your Franchised Center. You may only use the Marks in accordance with our standards, operating procedures and specifications. Any unauthorized use of the Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Marks. You may not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement. You may not assist any other person in contesting the validity or ownership of the Marks.

You must immediately notify us when you learn of an infringement of, or challenge to your use of, any Mark, or any claim by any person of any rights in any Marks, and you must not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so, however, you may communicate with your own counsel at your own expense. We will take the action we think appropriate in these situations; we have exclusive control over any settlement or proceeding concerning any Mark. You must take any actions that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Marks.

If we request, you must modify or discontinue the use of any Mark and use other trademarks or service marks we designate. We do not have to reimburse you for modifying or discontinuing the use of a Mark or for substituting another trademark or service mark for a discontinued Mark. If we adopt and use new or modified Marks, you must add or replace equipment, signs, supplies and fixtures, and you must make other modifications we designate as necessary to adapt your Franchised Center for the new or modified Marks. We do not reimburse you for any loss of goodwill associated with a modified or discontinued Mark.

While we are not required to defend you against a claim against your use of our Marks, we may reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We have the right to control the defense and settlement of any proceeding. We will not reimburse you for your expenses and legal fees for separate, independent legal counsel and for expenses in removing signage or discontinuing your use of any Mark. We will not reimburse you for disputes where we challenge your use of a Mark.

You must not register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

You may not establish, create or operate an Internet site or website using any domain name containing the words “JEI LEARNING CENTER®” or any variation thereof without our prior written consent. All Franchised Center associated Internet-based channels, including but not limited to, Google Business Profile, Facebook, Twitter, Instagram, and Yelp are completely owned by us and you will receive operational access to each Internet-based channel only upon written request and our approval. We reserve the right to deny your request or revoke permissions for any reason at any time. We retain the sole right to advertise on the Internet and create websites using the “JEI®” name and any other domain names we may designate in the Confidential Operations Manual. If you are an entity, your entity name may not include the words “JEI,” “JEI Learning,” “JEI Learning System,” “JEI Learning Center,” or any combination of the foregoing. If you hold any unauthorized domains that promote JEI or Competitive Businesses, you must immediately cease use of the domain and surrender all ownership and authority to us.

You will not receive any rights to the Copyrighted Materials other than the nonexclusive right to use them in the operation of your Franchised Center. You may only use the Copyrighted Materials in accordance with our standards, operating procedures, and specifications. Any unauthorized use of the Copyrighted Materials by you is a breach of the Franchise Agreement and an infringement of our rights in the Copyrighted Materials. You may not contest the validity or ownership of the Copyrighted Materials, including new Copyrighted Materials that we develop and permit you to use after you sign the Franchise Agreement. You may not assist any other person in contesting the validity or ownership of the Copyrighted Materials.

You must immediately notify us of any apparent infringement of, or challenge to your use of, any of the Copyrighted Materials, or any claim by any person of any rights in any of the Copyrighted Materials, and you may not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so, however, you may communicate with your own counsel at your own expense. We may take whatever action we think appropriate in these situations; we have exclusive control over any settlement or proceeding concerning the Copyrighted Materials. You must take any action that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Copyrighted Materials.

We can require you to modify or discontinue the use of the Copyrighted Materials. We will not be required to reimburse you for modifying or discontinuing the use of the Copyrighted Materials. We are not obligated to reimburse you for any loss of goodwill associated with any modified or discontinued Copyrighted Materials. We are not obligated to reimburse you for any expenses you incur to promote modified or substitute Copyrighted Materials.

We may reimburse you for all of your expenses reasonably incurred in any copyright or similar legal proceeding disputing your authorized use of any of the Copyrighted Materials, but only if: (a) you notify us of the proceeding in a timely manner; (b) you have solely used the Copyrighted Materials according to the terms and conditions of the Franchise Agreement; (c) you have responded to such proceeding according to the terms and conditions of the Franchise Agreement and to our directions; and (d) you have not taken other actions, or failed to take actions, which we consider detrimental to our rights. We have the right to defend and control the defense of any proceeding arising directly from your use of the Copyrighted Materials. Our reimbursement does not include your expenses for discontinuing your use of any Copyrighted Materials. Our reimbursement also does not apply to any disputes where we challenge your use of the Copyrighted Materials. Our reimbursement does not apply to legal fees you incur in seeking separate, independent legal counsel.

You may not use any Copyrighted Materials in connection with the sale of any unauthorized products or services, or in any other manner that we do not authorize in writing. You may not register or seek to register as a copyright, either with the United States Copyright Office or any state or foreign country, any of the Copyrighted Materials.

We have developed trade secrets or other confidential or proprietary information (“Confidential Information”), relating to the franchise, the System, the Marks, the Copyrighted Materials or the Proprietary Products, including know-how, knowledge of and experience in, operating a JEI LEARNING CENTER®, methods, formats, specifications, policies, procedures, information, standards, business management and operating systems and techniques; record keeping and reporting methods; accounting systems; management and personnel training techniques; advertising and promotion techniques; specifications for signs, displays, business forms, and business stationery to be used by franchisees; designs, drawings, and specifications for the Authorized Location for the Franchised Center; the Confidential Operations Manual, ideas, research and development; student account data; lists of franchisees and suppliers; suggested pricing and cost information; information relating to computer hardware and software specifications, including technological manuals, system requirements, technological support systems, training programs or techniques; product information; the Franchise Agreement and any other information or material we identify as confidential or proprietary.

2. GRANT OF FRANCHISE; AUTHORIZED LOCATION

2.1 Grant

Franchisor hereby grants to Franchisee, and Franchisee undertakes and accepts from Franchisor, upon the terms and conditions herein contained, a revocable, limited license to operate one JEI LEARNING CENTER® business at the Authorized Location using the System, the Marks, the Copyrighted Materials and the Proprietary Products. Unless authorized by Franchisor in writing, Franchisee may only use the System, the Marks, the Copyrighted Materials and the Proprietary Products at the Authorized Location to provide instruction to students who are physically present at the Authorized Location. From time to time, Franchisor may allow Franchisee to offer virtual instruction classes (**“Temporary Remote Learning”**) using only Franchisor’s proprietary systems, electronic study materials, through authorized platforms managed exclusively by Franchisor. Temporary Remote Learning sessions are only authorized by Franchisor under certain circumstances, such as during a health pandemic, and with special guidelines as set forth in the Confidential Operations Manual. If Franchisor authorizes Franchisee to conduct Temporary Remote Learning, Franchisee may only utilize third-party video conferencing platforms authorized by Franchisor for remote learning purposes. In such event, Franchisor-managed license(s) will be provided to Franchisee. Franchisee may not use any other forms of video conferencing other than what is provided by Franchisor.

2.2 Authorized Location

The street address (or detailed description of the premises) of the Authorized Location shall be:

At all times, Franchisee must have a physical address (that is not a home address) as the Authorized Location Services cannot be offered under this Agreement by Franchisee unless Franchisee has a physical address as the Authorized Location.

2.3 Authorized Location Not Determined

If the Authorized Location is determined as of the Effective Date then this Section shall be inapplicable. If the Authorized Location of the Franchised Center has not been determined as of the Effective Date, then the geographic area in which the Franchised Center may be located shall be restricted to the geographic area described below (“**Designated Area**”). When the Authorized Location has been determined, its address shall be inserted into Section 2.2, by Franchisor and the Designated Area shall lapse. Franchisee shall select and submit possible sites for Franchisor’s evaluation in accordance with Section 5.1. The failure to insert such address shall not automatically affect the enforceability of this Agreement. The Designated Area is delineated for the sole purpose of site selection and does not confer any territorial exclusivity or protection to Franchisee. The following is a detailed description of the geographic area or boundaries of the Designated Area:

2.4 Sub-franchising/Agents

Franchisee shall not sublicense the use of the System or Marks to any person or entity. Except as may be permitted pursuant to Section 18, Franchisee shall not grant any person or entity the right to perform any part of Franchisee’s rights or obligations licensed hereunder.

2.5 Protected Territory

So long as this Agreement is in force and effect and Franchisee is not in default under any of the terms hereof, subject to Franchisor’s reservation of rights set forth in Section 2.6, Franchisor shall not license, establish, own or operate any other brick and mortar JEI LEARNING CENTER® business within a geographic area surrounding the Franchised Center and depicted in the map provided in Exhibit A of this Agreement (“**Protected Territory**”).

2.6 Franchisor’s Rights

Franchisee acknowledges that except to the extent provided in Section 2.5 above, Franchisor expressly retains all rights and discretion with respect to the Marks, the System, the Copyrighted Materials and the Proprietary Products, including the right to:

2.6.1 establish, and license others to establish, JEI LEARNING CENTERS® at any location outside of the Protected Territory as Franchisor deems appropriate;

2.6.2 establish, and license others to establish, other businesses (including Competitive Businesses) under other systems using other proprietary marks at such locations, including within Franchisee’s Protected Territory, and on such terms and conditions as Franchisor deems appropriate;

2.6.3 purchase or otherwise acquire and continue to develop the assets or controlling ownership of one or more businesses identical or similar to the Franchised Center (and/or acquire and continue to grant franchise, license and/or similar agreements for such businesses), some or all of which may be located anywhere, including within the Protected Territory. If Franchisor purchases or acquires franchises or licenses, Franchisor may, in its sole discretion, act as franchisor or licensor with respect to such franchisees or licensees wherever located, pursuant to individual franchise or license agreement(s) between Franchisor and franchisee(s) or licensee(s);

2.6.4 be acquired (regardless of the form of transaction) by any business, even if the other business operates, franchises and/or licenses Competitive Businesses within the Protected Territory;

2.6.5 sell the products and services authorized for JEI LEARNING CENTER® businesses using the Marks or other trademarks, service marks and commercial symbols through an alternate channel of distribution such as joint marketing with partner companies, direct mail, catalogue sales, virtual platforms, Internet sites and co-branding strategies, pursuant to such terms and conditions as Franchisor deems appropriate, provided however, that no such sales shall be made to a Competitive Business within the Protected Territory;

2.6.6 establish Franchisor's presence and conduct all marketing activities using the Internet to develop 'direct business' with students and parents that may not include Franchisee; and

2.6.7 engage in any activities not expressly forbidden by this Agreement, including any Temporary Remote Learning Franchisee is not specifically authorized by Franchisor to conduct.

Upon execution of this Agreement, Franchisee shall pay a fee to Franchisor of \$22,500.00 ("**Initial Franchise Fee**"). If Franchisee qualifies to purchase and operate additional JEI LEARNING CENTER® Franchised Centers, for each additional JEI LEARNING CENTER® Franchised Center, Franchisor will lower the Initial Franchise Fee by \$5,000.00; provided, however, that the entity or individuals purchasing the right to operate additional JEI LEARNING CENTER® Franchised Centers must be the same majority (51% or greater) ownership structure as Franchisee and provided, further, that Franchisee paid the full Initial Franchise Fee for its first JEI LEARNING CENTER® Franchised Center. If Franchisee is purchasing an additional Franchised Center after the initial signing of the first Franchised Center, Franchisee shall be required to have at least 100 subjects at Franchisee's current Franchised Center for at least six consecutive months to be approved for an additional Franchised Center. The Initial Franchise Fee shall be deemed fully earned upon execution of this Agreement and is nonrefundable. The JEI Initial Inventory Deposit is only refundable as provided in Subsection 17.1.8 and Exhibit E.

3.3 **Royalty Fee**

3.3.1 Each month, in accordance with the payment schedule outlined in the Confidential Operations Manual, Franchisee shall pay to Franchisor without offset, credit or deduction of any nature whatsoever, so long as this Agreement remains in effect, a royalty fee (“**Royalty Fee**”) which shall be the product of the number of subjects multiplied by the subject fee as set forth below:

Number of Subjects	Subject Fee
1-30	\$35
31-60	\$32
61-90	\$29
91-120	\$28
121-150	\$27
151-180	\$26
181-210	\$25
211-240	\$24
241 and up	\$23

Provided, that beginning two (2) years after the Effective Date, Franchisee shall pay a minimum Royalty Fee based on the greater of: (i) 40 subjects per month; and (ii) the actual number of Franchisee’s subjects per month. If Franchisee executes this Agreement in connection with a successor or renewal term, this minimum Royalty Fee shall be due beginning on the Effective Date.

3.4 **Enrollment Fee**

Franchisee shall pay to Franchisor a fee of \$15 (“**Enrollment Fee**”), at the time (i) a student enrolls in subjects at Franchisee’s JEI LEARNING CENTER®, or (ii) re-enrolls after not having been enrolled during the immediately preceding 90 days, outside of any corporate-sponsored free enrollment periods.

3.5 **JEI LEARNING CENTER® Initial Marketing Package Fee**

Upon execution of this Agreement, Franchisee shall pay to Franchisor a fee (“**JEI LEARNING CENTER® Initial Marketing Package Fee**”) of \$500.00 for the set-up and maintenance of various marketing/promotional items, website and social media in connection with the operation of the Franchised Center. The JEI LEARNING CENTER® Initial Marketing Package Fee is payment, in part, for expenses incurred by Franchisor in obtaining, providing and maintaining the JEI LEARNING CENTER® Website. The JEI LEARNING CENTER® Initial Marketing Package Fee shall be deemed fully earned at the time of execution of this Agreement and is non-refundable.

3.6 Non-JEI Program Operating Fee

If Franchisee desires to offer Non-JEI Programs in its Franchised Center, Franchisee must obtain Franchisor’s written approval prior to offering such Programs. Upon Franchisor’s approval, Franchisee may be required to pay to Franchisor a “**Non-JEI Program Operating Fee**” as provided in the Confidential Operations Manual. If enrollment falls below 75 subjects for two consecutive months or more, Franchisee must pay to Franchisor a Non-JEI Program Operating Fee of \$300.00 per month for offering Non-JEI Programs, starting on the third month. If Franchisee fails to have at least 75 subjects in its Franchised Center for six consecutive months, Franchisee may no longer offer Non-JEI Programs. Franchisor has the right to discontinue any and all Non-JEI Programs at its discretion. By way of example and not in limitation of the foregoing, Franchisee may not offer any test preparation services including, without limitation, SAT test preparation services.

3.7 Taxes

Franchisee shall pay to Franchisor an amount equal to all sales taxes, excise taxes, withholding taxes, use taxes and similar taxes (“**Taxes**”) imposed on the fees payable by Franchisee to Franchisor hereunder and on services or goods furnished to Franchisee by Franchisor, whether such services or goods are furnished by sale, lease or otherwise provided, however, that Taxes shall not include any income taxes assessed on Franchisor for doing business in the state where the Franchised Center is located.

3.8 Electronic Transfer

Franchisor shall have the right to require that Franchisee pay all Royalty Fees, Brand Fund Contributions, amounts due for purchases by Franchisee from Franchisor and other amounts due to Franchisor under this Agreement, including any Taxes, through an Electronic Depository Transfer Account. At Franchisor’s request, Franchisee shall open and maintain an Electronic Depository Transfer Account, and shall provide Franchisor with continuous access to such Electronic Depository Transfer Account for the purpose of receiving any payments due to Franchisor hereunder. Each month, in accordance with the payment schedule outlined in the Confidential Operations Manual, Franchisee shall make timely deposits to the Electronic Depository Transfer Account sufficient to cover amounts owed to Franchisor prior to the date such amounts are due. Franchisee shall execute any and all documents required to establish and implement the Electronic Depository Transfer Account. Once established, Franchisee shall not close the Electronic Depository Transfer Account without Franchisor’s prior written consent. Franchisee shall execute an “Authorization Agreement” in a form the same as or similar to the Authorization Agreement attached as Exhibit G to this Agreement.

3.9 Late Fees and Interest

All Royalty Fees, Brand Fund Contributions, Non-JEI Program Operating Fees, amounts due for purchases by Franchisee from Franchisor and other amounts due to Franchisor under this Agreement, including any Taxes, that are not received by Franchisor within five business days after the monthly due date shall incur a late fee at a rate subject as set forth below from the date such payment is due until the date payment is received by Franchisor:

Amount of Unpaid Balance	Late Fee Rate
\$1-\$999.99	\$50

Amount of Unpaid Balance	Late Fee Rate
\$1,000-\$1,999.99	\$100
\$2,000-\$2,999.99	\$150
\$3,000-\$3,999.99	\$200
\$4,000 and up	\$300

In addition to the late fee, Franchisee shall pay Franchisor: (i) interest on the amount owed from the due date until paid at the lesser of the maximum rate permitted for indebtedness of this nature in the state in which the Franchised Center is located or 18% per annum; (ii) a fee of \$50 if bank payment is refused for any check or pre-authorized draft received by Franchisor or its affiliates; and (iii) for all costs and expenses incurred by Franchisor in the collection of any unpaid and past due amounts, including, without limitation, reasonable accounting and attorneys' fees. This Section 3.9 shall not constitute an agreement by Franchisor to accept any payments after the due date or a commitment by Franchisor to extend credit to or otherwise finance Franchisee.

3.10 Application of Payments

Notwithstanding any designation by Franchisee, Franchisor shall have the sole discretion to apply any payments received from Franchisee to any past due indebtedness of Franchisee for Royalty Fees, Brand Fund Contributions, Non-JEI Program Fees, amounts due for purchases from Franchisor, any late fees (including without limitation amounts due under Section 12.6) or any other amount owed to Franchisor, including any Taxes.

4. TERM AND SUCCESSOR FRANCHISE

4.1 Initial Term

This Agreement shall be effective and binding for an initial term of five years from the Effective Date, unless sooner terminated pursuant to Section 16 ("**Initial Term**").

4.2 Successor Franchise Term

Upon expiration of this Agreement, subject to the conditions of this Section, Franchisee will have the right to acquire a successor franchise to continue operating Franchisee's JEI LEARNING CENTER® business for an additional five year period ("**Successor Franchise Term**") on the terms and conditions of the franchise agreement Franchisor is then using in granting franchises for the JEI LEARNING CENTER® System, which may differ materially from the terms and conditions of this Agreement ("**Successor Franchise Agreement**"), and payment of a renewal fee of \$1,000.00, if:

4.2.1 The Franchised Center has had, for each of the 6 months preceding the expiration of the Initial Term, a minimum of 75 subjects per month;

4.2.2 Franchisee has substantially complied with all of the provisions of this Agreement during its term;

4.2.3 Franchisee maintains possession of the Authorized Location and, before the expiration date of this Agreement, presents evidence satisfactory to Franchisor that it has the right to remain in possession of the Authorized Location for the duration of the term of the Successor Franchise Agreement; or, in the event Franchisee is unable to maintain possession of the Location or, in the judgment of Franchisor, the Authorized Location should be relocated, Franchisee secures a substitute location accepted by Franchisor and has furnished, stocked and equipped such premises to bring the JEI LEARNING CENTER® business at its substituted location into full compliance with the then-current specifications and standards of the JEI LEARNING CENTER® System before the expiration date of this Agreement;

4.2.4 Franchisee has given notice of its intent to obtain a successor franchise to Franchisor as provided hereinafter;

4.2.5 Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates and has timely met these obligations throughout the term of this Agreement, or met the special approval provisions granted to resolve delinquencies or monetary obligations, which are outlined in the Confidential Operations Manual;

4.2.6 Franchisee has executed, upon the granting of the successor franchise by Franchisor, Franchisor's Successor Franchise Agreement, which such Successor Franchise Agreement shall supersede in all respect to this Agreement. Franchisee acknowledges and understands that the terms of the Successor Franchise Agreement may differ materially from the terms of this Agreement;

4.2.7 Franchisee has complied with Franchisor's then-current qualifications and training requirements; You must also achieve consistent satisfactory ratings regarding mandatory center evaluations that are performed by us. More than two written reports of breach of any policies or guidelines can be grounds for non-renewal.

4.2.8 Franchisee has executed a general release of any and all claims against Franchisor, its subsidiaries, affiliates and their respective officers, directors, agents, shareholders and employees, in a form prescribed by Franchisor;

4.2.9 Franchisee, at its expense, upgrades the Authorized Location to conform to the then-current standards and specifications of the JEI LEARNING CENTER® System, and completes this upgrading within the time reasonably specified by Franchisor; and

4.2.10 If applicable, Franchisee discontinues offering its Non-JEI Program unless such program meets the conditions set forth in Section 13.3 of this Agreement, and Franchisee agrees to pay to Franchisor the then-current Non-JEI Program Operating Fee charged by Franchisor under the terms of the Successor Franchise Agreement.

If Franchisee desires to obtain a Successor Franchise Agreement, Franchisee shall give Franchisor written notice of its desire to do so at least nine months, but not more than twelve months, prior to the expiration of the Term of this Agreement. Within 90 days after its receipt of such timely notice, Franchisor shall furnish Franchisee with written notice of: (1) reasons which could cause Franchisor not to grant Franchisee a successor franchise including, but not limited to, any deficiencies which require correction and a schedule for correction thereof by Franchisee; and (2) Franchisor's then-current requirements relating to the images, appearance, decoration, furnishing, equipping and stocking of JEI LEARNING CENTER® businesses and a reschedule for effecting upgrading or modifications in order to bring the Authorized Location in

compliance therewith, as a condition of granting the successor franchise. If Franchisor fails to respond to Franchisee's request for a successor franchise, Franchisee's request shall be deemed rejected. The granting of a successor franchise shall be conditioned upon Franchisee's compliance with such requirements and continued compliance with all the terms and conditions of this Agreement up to the date of expiration of the Term or as set forth in writing by Franchisor.

5. AUTHORIZED LOCATION

5.1 Selection of Site

If an Authorized Location for the Franchised Center has not been determined as of the Effective Date, Franchisee shall promptly select a site for the Franchised Center and shall notify Franchisor of such selection. Franchisor shall evaluate the site and notify Franchisee of its acceptance or rejection of the site within a reasonable time (usually 30 days) of receiving notice of the site from Franchisee. Such site shall be located in a retail location with in-suite restroom(s) and proper exterior signage. If Franchisor accepts such selection, the site shall be designated as the Authorized Location. If Franchisor does not accept such selection, Franchisee shall select and notify Franchisor of such alternative sites for the Franchised Center until such time as Franchisor has accepted a site for the Franchised Center. Franchisor shall provide Franchisee with general guidelines to assist Franchisee in selecting a site suitable for the Franchised Center. Franchisor has the right to accept or not accept a proposed location for the Franchised Center based on such factors as Franchisor, in its sole discretion, deems appropriate, including, without limitation, the condition of the premises, demographics of the surrounding area, proximity to other JEI LEARNING CENTER®, lease requirements, traffic patterns, visibility, vehicular and pedestrian access, proximity to major roads, in-suite restrooms, parking availability and overall suitability. Franchisee shall not locate the Franchised Center on a selected site without the prior written acceptance of Franchisor. If Franchisor and Franchisee cannot agree on a suitable site, Franchisor shall provide an extension to find a location that meets Franchisor's requirements. *Franchisor does not represent that it, or any of its owners or employees have special expertise in selecting sites for JEI LEARNING CENTER®. Neither Franchisor's assistance in selecting the location for the Franchised Center nor its acceptance is intended to indicate or in fact indicates that the Franchised Center will be profitable or successful at the Authorized Location. Franchisee is solely responsible for identifying the Authorized Location.*

5.2 Lease of Authorized Location

After the designation of the Authorized Location, Franchisee shall execute a lease for, or a binding agreement to purchase, the Authorized Location, the terms of which must have been previously accepted by Franchisor, which acceptance shall not be unreasonably withheld. *Franchisor's review of a lease or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute a representation or guarantee that Franchisee will succeed at the Authorized Location nor constitute an expression of Franchisor's opinion regarding the terms of such lease or purchase agreement. Franchisee acknowledges and agrees that Franchisee solely relies on its review and its attorneys' review of any such lease or purchase agreement.* Franchisor shall be entitled to require that nothing contained in the lease or purchase agreement is contradictory to, or likely to interfere with, Franchisor's rights or Franchisee's duties under this Agreement. Franchisee shall take all actions necessary to maintain the lease, if any, of the Authorized Location while this Agreement is in effect. Any default for which the lease may be terminated shall also be deemed a default hereunder and the time to cure the same shall expire when the lease is terminated. Franchisor has the right to require that the lease for the Authorized Location be collaterally assigned by Franchisee to Franchisor, pursuant to the terms of its standard collateral assignment of lease form, to secure performance by Franchisee of its obligation under this Agreement. Franchisor's approval of a lease or purchase agreement shall be conditioned upon inclusion of terms in the lease acceptable to

Franchisor. At Franchisor's option, the lease shall contain such provisions as Franchisor may reasonably require, including, without limitation, the following:

5.2.1 Franchisee may not create any obligations on behalf of Franchisor, grant any rights against Franchisor or agree to any other term, condition, or covenant which is inconsistent with any term of this Agreement;

5.2.2 Franchisee agrees to duly and timely perform all terms, conditions, covenants and obligations under the Lease;

5.2.3 Except as otherwise provided in this Agreement, Franchisee may not assign, charge, encumber or transfer its Lease, or sublet all or any part of the Authorized Location, without Franchisor's prior written approval. All Leases or other agreements entered into by Franchisee to secure the Authorized Location must contain provisions acceptable to Franchisor and which provide that:

(i) Upon Franchisee's default and failure to cure under this Agreement or under the Lease for the Authorized Location, or if this Agreement is terminated, canceled, or not renewed, Franchisor (or, at Franchisor's option, Franchisor's designee) shall have the right, consistent with the terms of the Lease Addendum to unilaterally assume Franchisee's rights and obligations under the Lease for the Authorized Location;

(ii) The Lease shall state that the Lease shall not expire until the term of the Franchise Agreement expires and that the Location shall be used only for the operation of a JEI LEARNING CENTER®; and

(iii) Franchisor may also condition its acceptance of the proposed Lease on inclusion of the following provisions therein: (a) that Lessor agrees that, without its consent, the Lease and the right, title and interest of the Lessee thereunder, may be assigned by the Lessee to Franchisor or its designee, provided that Franchisor or its designee shall execute such documents evidencing its agreement to thereafter keep and perform, or cause to be kept or performed, all of the obligations of the Lessee arising under the Lease from and after the time of such assignment; (b) that if Franchisor or its designee assumes the Lease, Franchisor (or its designee) shall not be responsible for any of Franchisee's debts or obligations to the Lessor that Franchisee incurred before the date of the assumption; (c) that if Franchisor (or its designee) assumes the Lease, the Lessor waives any administrative, assignment, or transfer fee that the Lease may otherwise require following an assignment or assumption; (d) that the Lessor provide Franchisor with copies of all notices of default given to Franchisee under the Lease; (e) that during the term of the Lease, the Lessor agrees to sign and deliver to Franchisee or Franchisor, within a reasonable number of days after a request from Franchisee or Franchisor (to be specified in the Lease), an estoppel certificate certifying that the Lease is in full force and effect, is unmodified, or if modified, describing the modification and that there are no defaults under the Lease, or if there are defaults claimed, describing the claimed defaults, the dates to which all rentals have been paid; and any other matters reasonably requested by Tenant or Franchisor; (f) that during the term of the Lease and extensions of that term, the Lessor grants Franchisee the exclusive right to operate a learning center in the shopping center in which the Location is located; (g) that the Lessor consents to Franchisee's use of the required colors, dimensions, and design for the "JEI LEARNING CENTER®" trade name and logo that Franchisee is required to use on the Leased premises' exterior and interior signs; (h) that Franchisee is prohibited from subletting or assigning (except to Franchisor) all or any part of Franchisee's occupancy rights under the Lease, extending the term of the Lease, or renewing the Lease without

Franchisor's prior written consent; (i) that Franchisor or its appointed representatives have the right to enter the Leased premises to make any modification necessary to protect Franchisor's trademarks or to cure any default under the Franchise Agreement or the Lease; and (j) that Lessor shall give written notice to Franchisor (concurrently with the giving of such notice to Lessee), of any default by Lessee under the Lease and Franchisor shall have, after expiration of the period during which Lessee may cure such default, an additional thirty (30) days to cure, at its sole option, any such default;

5.2.4 Franchisee shall furnish Franchisor and Franchisor's designated attorney with a copy of the executed Lease, including any ancillary documents related thereto, for its Authorized Location within ten days after execution of the same. Franchisee is required to provide Franchisor with any updates, renewals or newly executed Leases, including any ancillary documents related thereto, such that Franchisor has a current copy of the same on file at all times;

5.2.5 Franchisee and the lessor or sublessor for the Location must execute the Lease Addendum attached hereto as Exhibit H. If the lessor or sublessor for the Location refuses to sign the Lease Addendum, Franchisee shall be responsible for the attorneys' fees and costs incurred by Franchisor in the negotiation of such Lease Addendum.

The parties acknowledge and agree that Franchisor's approval of a Lease does not mean that the economic terms of the Lease are favorable; it means only that the Lease contains the Lease terms that Franchisor requires.

5.3 Development of Authorized Location

Franchisor shall make available to Franchisee, at no charge to Franchisee, specifications for the development of a JEI LEARNING CENTER®, including exterior and interior design and layout, fixtures, equipment, décor and signs, ("**Specifications**"). The Specifications are subject to alteration as may be necessary in Franchisor's sole discretion. Franchisee shall cause the Authorized Location to be developed, equipped and improved in accordance with the Specifications. In connection with the development of the Authorized Location, Franchisee shall:

5.3.1 Employ a qualified licensed architect, general contractor or engineer to prepare preliminary specifications for improvement of the Authorized Location adapted from the Specifications;

5.3.2 Obtain all zoning classifications and clearances which may be required by applicable state and local laws, ordinances or regulations, and submit to Franchisor, for Franchisor's approval, final plans for construction based upon the preliminary Specifications required by Section 5.3.1;

5.3.3 Obtain all building, utility, sign, health, and business permits and licenses, and any other permits and licenses required for the build-out and operation of the Franchised Center and certify in writing and provide evidence to Franchisor that all such permits and certifications have been obtained;

5.3.4 Employ a qualified, licensed general contractor to complete construction of all required improvements to the Authorized Location;

5.3.5 Purchase any supplies or inventory necessary for the operation of the Franchised Center;

5.3.6 Purchase and install all equipment, signs, furniture and fixtures, including, without limitation, any point-of-sale and computer equipment, required for the operation of the Franchised Center;

5.3.7 Establish Internet access and obtain at least one telephone number solely dedicated to the Franchised Center; and

5.3.8 Name the Franchised Center, subject to Franchisor's approval, in accordance with Franchisor's standards as set forth in the Confidential Operations Manual.

5.4 Opening

5.4.1 Before opening the Franchised Center and commencing business, Franchisee must:

5.4.1.1 Fulfill all of Franchisee's obligations under this Section 5;

5.4.1.2 Furnish Franchisor with copies of all insurance policies required by this Agreement, or by the lease, or such other evidence of insurance coverage and payment of premiums as Franchisor may request;

5.4.1.3 Complete initial training (currently called NFT) required under Section 8 of this Agreement to the satisfaction of Franchisor;

5.4.1.4 Hire and train such personnel as is necessary or required for the operation of the Franchised Center;

5.4.1.5 Obtain any and all necessary permits and licenses required for the operation of the Franchised Center;

5.4.1.6 Obtain Franchisor's permission and approval of an opening date ("**Opening Date**"); Franchisor shall not unreasonably withhold consent to open. Permission to open shall be based on Franchisor's determination that Franchisee is ready to open and satisfactorily prepared to operate;

5.4.1.7 If Franchisee is a business entity, cause each of its stock certificates or other evidence of ownership to be conspicuously endorsed upon the face thereof with a statement in a form satisfactory to Franchisor that such ownership interest is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments under this Agreement; and

5.4.1.8 Pay in full all amounts due to Franchisor, including, without limitation, the Franchise Fee.

5.4.2 Franchisee shall comply with these conditions and be prepared to open and continuously operate the Franchised Center at the Authorized Location within 240 days following the Effective Date. The parties acknowledge and agree that time is of the essence under this Agreement.

5.5 Failure to Open

Should Franchisee fail to commence operations of the Franchised Center at the Authorized Location within 240 days after the Effective Date, Franchisor has the right to terminate this Agreement. If the opening of the JEI LEARNING CENTER® business takes longer than 240 days, an extension must be approved by Franchisor in writing.

5.6 Use of Authorized Location

Franchisee shall not use, or permit any other person to use, the Authorized Location for any purpose other than the operation of a JEI LEARNING CENTER® business in full compliance with this Agreement and the Confidential Operations Manual without the prior written consent of Franchisor, which consent may be withheld for any reason.

5.7 Relocation

Franchisee shall not relocate the Franchised Center without the prior written consent of Franchisor, which consent may be withheld or delayed at Franchisor's sole discretion. If the lease for the Authorized Location expires or terminates without the fault of Franchisee or if the Franchised Center's premises are destroyed, condemned or otherwise rendered unusable, Franchisee may make a request to relocate the Franchised Center either permanently or temporarily as appropriate under the circumstances and Franchisor shall not unreasonably withhold its consent to such relocation. Should Franchisee desire to relocate the Franchised Center for any other reason, Franchisee shall make a request to relocate and Franchisor may approve or disapprove such request. Any relocation of the Franchised Center shall be at Franchisee's sole expense, and shall proceed in accordance with the requirements set forth in Sections 5.1 through 5.4. Franchisor has no obligation to provide relocation assistance to Franchisee. Relocations must be seamless and provide little to no disruption of services to subjects. If the Franchised Center needs to "temporarily close" due to an urgent need to relocate, such as loss of lease, fire, flood, damage, or other untenable conditions to stay, then JEI will allow the Franchised Center to temporarily close for up to 120 days until a reasonable replacement site is secured. Franchisee must meet certain conditions as set forth in the Confidential Operations Manual to obtain a 120-day allowance, including a concerted effort to secure an alternative, authorized location. If Franchisor and Franchisee do not agree upon a substitute site within 60 days (or 120 days in the event of a "temporary close") after the lease expires or is terminated or the Authorized Location is rendered unusable, this Agreement will terminate as provided in Section 16.2.1.

6. PROPRIETARY MARKS

6.1 Ownership

Franchisee's right to use the Marks and Copyrighted Materials is (a) derived solely from this Agreement; (b) is nonexclusive and limited to the conduct of business by Franchisee pursuant to, and in compliance with, this Agreement; and (c) subject to all applicable standards, specifications and operating procedures prescribed from time to time by Franchisor. Any unauthorized use of the Marks or Copyrighted Materials by Franchisee shall be a breach of this Agreement and an infringement of the rights of Franchisor in and to the Marks and Copyrighted Materials. Franchisee's use of the Marks and Copyrighted Materials, and any goodwill created thereby, shall inure to the benefit of Franchisor. Franchisee shall not at any time acquire an ownership interest in the Marks or Copyrighted Materials by virtue of any use it may make of the Marks or Copyrighted Materials. This Agreement does not confer any goodwill, title or interest in the Marks or Copyrighted Materials to Franchisee. Franchisee shall not, at any time during the term of this Agreement or after its termination or expiration, contest the validity or ownership of any of the Marks or

Copyrighted Materials or assist any other person in contesting the validity or ownership of any of the Marks or Copyrighted Materials.

6.2 Limitations on Use

Franchisee shall not use any Mark or portion of any Mark as part of any business entity name. Franchisee shall not use any Mark or Copyrighted Materials in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized in writing by Franchisor. If Franchisee is authorized by Franchisor in writing to offer a Non-JEI Program product or service at the Franchised Center, Franchisee shall not use the JEI LEARNING CENTER® trademarks or copyrighted materials in conjunction with such product or service. Franchisee shall give such notices of trademark and service mark registrations as Franchisor specifies and obtain such fictitious or assumed name registrations as may be required under Applicable Law to do business as a Franchised Center. Franchisee shall not register or seek to register as a trademark or service mark, either with the United States Patent and Trademark Office or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any Mark licensed to Franchisee under this Agreement. Franchisee shall not register or seek to register as a copyright, either with the United States Copyright Office or any state or foreign country, any of the Copyrighted Materials. Franchisee shall include on its letterhead, forms, cards and other identifying materials, and shall display at the Authorized Location, at least two prominent notices stating that the Franchised Center is an “Independently Owned and Operated JEI LEARNING CENTER® Franchise.” One of the foregoing notices shall be affixed to or near the main entry of the Authorized Location.

6.3 Notification of Infringements and Claims

Franchisee shall immediately notify Franchisor of any (a) infringement of any of the Marks or its Copyrighted Materials; (b) challenges to Franchisee’s use of any of the Marks or Copyrighted Materials; or (c) claims by any person of any rights in any of the Marks or Copyrighted Materials. Franchisee shall not communicate with any person other than Franchisor and Franchisor’s counsel in connection with any such infringement, challenge or claim; provided, however, that Franchisee may communicate with Franchisee’s counsel at Franchisee’s own expense. Franchisor shall have sole discretion to take such action, as it deems appropriate and the right to exclusively control any litigation or other proceeding arising out of any such infringement, challenge, or claim relating to any of the Marks or Copyrighted Materials. Franchisee shall execute any and all instruments and documents, render such assistance, and take such other actions as may, in the opinion of Franchisor or Franchisor’s counsel, be necessary or advisable to protect and maintain Franchisor’s interests in any such litigation or other proceeding or to otherwise protect and maintain Franchisor’s interest in the Marks or Copyrighted Materials.

6.4 Reimbursement for Use of Marks or Copyrighted Materials

Franchisor may reimburse Franchisee for all expenses reasonably incurred by Franchisee in any trademark, copyright or similar proceeding disputing Franchisee’s authorized use of any of the Marks or Copyrighted Materials, provided that Franchisee has: (a) notified Franchisor of the proceeding in a timely manner; (b) solely used such Mark or Copyrighted Materials pursuant to the terms and conditions of this Agreement; (c) complied with the provision of Section 6.3; (d) responded to such proceeding according to the terms and conditions of this Agreement and Franchisor’s directions; and (e) not taken other actions, or failed to take actions, which Franchisor considers detrimental to its rights. At Franchisor’s option, Franchisor or its designee may defend and control the defense of any proceeding arising directly from Franchisee’s use of any of the Marks or Copyrighted Materials. Franchisor’s obligation to reimburse Franchisee under this Section 6.4 shall not apply to: (a) the cost to Franchisee of removing signage or

discontinuing use of the Marks or Copyrighted Materials; (b) litigation between Franchisor and Franchisee wherein Franchisee's use of the Marks or Copyrighted Materials is disputed or challenged by Franchisor; or (c) any separate legal fees or costs incurred by Franchisee in seeking independent counsel separate from the counsel representing Franchisor and Franchisee in the event of litigation disputing Franchisor and Franchisee's use of the Marks or Copyrighted Materials.

6.5 Discontinuance of Use

If it becomes necessary, in Franchisor's sole discretion, for Franchisee to modify or discontinue use of any of the Marks or Copyrighted Materials and/or to use one or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall comply with Franchisor's directions in that regard within ten business days after notice to Franchisee by Franchisor and subject to the limitations in Section 10.2. Franchisor shall not be required to reimburse Franchisee for its expenses in modifying or discontinuing the use of any of the Marks or Copyrighted Materials or any loss of goodwill associated with any modified or discontinued Marks or Copyrighted Materials or for any expenditure made by Franchisee to promote modified or substitute Marks or Copyrighted Materials.

6.6 Right to Conduct Quality Control Inspection

To preserve the validity and integrity of the Marks and Copyrighted Materials licensed hereunder, and to ensure that Franchisee is properly employing the Marks and Copyrighted Materials in the operation of the Franchised Center, Franchisor and its designees shall have the right to enter and inspect the Franchised Center and the Authorized Location at all reasonable times and additionally, shall have the right to observe the manner in which Franchisee renders services and conducts activities and operations, and to inspect facilities, equipment, accessories, products, supplies, reports, forms and documents, and related data to ensure that Franchisee is operating the Franchised Center in accordance with the quality control provisions and performance standards established by Franchisor under this Agreement. Such designees may include, but are not limited to, secret shoppers who may visit and observe the Franchised Center without notice or identification to Franchisee. Franchisor and its designees shall have the right, at any reasonable time, to remove sufficient quantities of products, supplies or other inventory items offered for retail sale, used in the preparation of products offered for retail sale or used in rendering services, to test whether such products or items meet Franchisor's then-current standards. Franchisor and its designees shall have the right to observe Franchisee and its employees during the operation of the Franchised Center and to interview parents, students and employees and to photograph and videotape the Franchised Center. Any refusal by Franchisee to allow Franchisor's inspection pursuant to this Section 6.6 is a material default of the Franchise Agreement and Franchisee shall be subject to violation fees and/or termination. Upon expiration or termination of this Agreement, Franchisor also has the right to conduct a walk-through to verify the Franchised Center is properly de-branded, and Proprietary Products are removed from Authorized Location.

6.7 Franchisor's Sole Right to Domain Name

Franchisee shall not establish, create or operate an Internet site or website using a domain name or uniform resource locator containing any of the Marks or any variation thereof and at no time will Franchisee be allowed to operate on any platform not approved by Franchisor that is associated with Franchisee's Franchised Center. Franchisor has the exclusive right to advertise on the Internet and create websites using or containing any of the Marks (including "JEI LEARNING CENTER®"). Franchisor is the sole owner of all right, title and interest in and to such domain names, as Franchisor shall designate in the Confidential Operations Manual. If Franchisee holds any unauthorized domains that promote the JEI LEARNING CENTER® brand or Competitive Businesses, Franchisee must immediately cease use of the domain and surrender all ownership and authority to Franchisor.

6.8 Social Media Use

Franchisee may not maintain any business profile on Facebook, Instagram, Twitter, X, LinkedIn, YouTube, Threads, Tik Tok, Yelp, Snapchat, Pinterest, blogs, or any other social media and/or networking site. Franchisor may establish social media sub-accounts on Franchisee's behalf that will be owned by Franchisor. Franchisee's use of any social media accounts shall be in strict accordance with Franchisor's requirements. Franchisee shall provide Franchisor with all passwords and administrative rights to any and all social media accounts for the Franchised Business, and Franchisee hereby appoints Franchisor its true and lawful agent and attorney-in-fact with full power and authority, for the sole purpose of taking whatever action as is necessary for the best interest of the System, if Franchisee fails to maintain such accounts in accordance with Franchisor's standards. Any social media accounts maintained by Franchisee must represent that all postings are Franchisee's only and do not represent any statements on behalf of Franchisor.

7. COVENANTS

7.1 Requirement of Confidentiality

Franchisor shall disclose Confidential Information to Franchisee during the training program, through the Confidential Operations Manual, and as a result of guidance furnished to Franchisee during the term of this Agreement. Franchisee shall not acquire any interest in the Confidential Information, other than the right to utilize it in the development and operation of the Franchised Center and in performing its duties under this Agreement. Franchisee acknowledges that the use or duplication of the Confidential Information in any other business venture would constitute an unfair method of competition. Franchisee acknowledges that the Confidential Information is proprietary, includes Franchisor's trade secrets and is disclosed to Franchisee solely on the condition that Franchisee (and all holders of a legal or beneficial interest in Franchisee and all officers, directors, executives, managers and members of the professional staff of Franchisee): (a) shall not use the Confidential Information in any other business or capacity; (b) shall maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (c) shall not make any unauthorized copies of any portion of the Confidential Information disclosed in written or other tangible form; and (d) shall adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of the Confidential Information. Franchisee shall enforce this Section as to its employees, agents and representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Confidential Information by any of them.

7.2 Improvements

If Franchisee, during the term of this Agreement, conceives or develops any improvements or additions to the System, copyrightable works, Internet websites, or any other documents or information pertaining or relating to the System or the Franchise, or any new trade names, trademarks and service marks or other commercial symbols related to the Franchise, or any advertising or promotional ideas related to the Franchise (collectively, "**Improvements**"), Franchisee shall fully disclose the Improvements to Franchisor, without disclosure of the Improvements to others, and shall obtain Franchisor's prior written approval before using any such Improvements. Any Improvement approved by Franchisor may be used by Franchisor and all other franchisees of Franchisor without any obligation to Franchisee for royalties or similar fees. Any and all Improvements shall be deemed the sole and exclusive property of Franchisor and "works-made-for-hire" under this Agreement. To the extent any Improvement does not qualify as a "work-made-for-hire," Franchisee shall assign to Franchisor, without charge, any and all rights or interests Franchisee has in such Improvements. Franchisor, in its sole discretion, may make application for, and own, copyrights, patents, trade names, trademarks and service marks relating to any such Improvement and Franchisee shall cooperate with Franchisor in securing such rights. Franchisor may consider such Improvements as the property and trade secret of Franchisor. In return, Franchisor shall authorize Franchisee to utilize any

Improvement that may be developed by other franchisees of Franchisor that has been generally authorized for use by such other franchisees.

7.3 In-Term Covenant Not to Compete

7.3.1 Franchisee acknowledges that Franchisor must be protected against the potential for unfair competition by Franchisee's use of Franchisor's training, assistance and Marks in direct competition with Franchisor. Franchisee further acknowledges that Franchisor would not have entered into this Agreement or shared any information with Franchisee concerning Franchisor's System, absent Franchisee's agreement to strictly comply with the provisions of this Section 7.3. Franchisee, therefore, agrees that Franchisee, its owners (and members of families and households) shall not, during the Initial Term or any Renewal Term:

7.3.1.1 Engage in a Competitive Business, directly or indirectly, as a director, owner, proprietor, officer, manager, employee, consultant, representative, agent, independent contractor or otherwise, except under a Franchise Agreement with Franchisor;

7.3.1.2 Have any direct or indirect interest in any entity that is awarded or is awarding licenses or franchises to others to operate any Competitive Business, except new Franchises under Franchise Agreements with Franchisor; or

7.3.1 Franchisee acknowledges that such restrictions are reasonable and necessary to protect the interests of Franchisor and other franchisees of Franchisor, and that because of the limited nature of the restrictions, they do not unduly restrict Franchisee's ability to engage in gainful employment. The restrictions contained in this Section do not apply to the ownership for investment purposes of less than 5% of any class of stock of a publicly traded company that Franchisee would otherwise be prevented from owning under this Section 7.3, provided that Franchisee is otherwise not actively involved in the management or operation of such business and does not serve that business in any capacity other than as a shareholder.

7.4 Confidentiality and Non-Competition Agreements with Certain Individuals

On or after the Effective Date, Franchisor shall have the right to require Franchisee to enter into a confidentiality and non-competition agreement in substantially the form attached as Exhibit B hereto with any holder of a legal or beneficial interest in Franchisee (and any member of their immediate families or households), and any officer, director, executive, manager, employee or representative of Franchisee. Upon Franchisor's request, Franchisee shall provide Franchisor with copies of all confidentiality and non-competition agreements signed pursuant to this Section 7.4. Such non-disclosure and non-competition agreements shall remain on file at the offices of Franchisee and are subject to audit or review as otherwise set forth herein. Franchisor shall be considered a third party beneficiary under such agreements and shall have the right to enforce covenants contained in such agreements.

7.5 Reasonableness of Restrictions

Franchisee acknowledges that the restrictive covenants contained in this Section are essential elements of this Agreement and that, without their inclusion, Franchisor would not have entered into this Agreement. Franchisee acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, the System, the Marks and the Copyrighted Materials and Franchisee waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable.

8. TRAINING AND ASSISTANCE

8.1 Initial Training

At least four weeks prior to the opening of the Franchised Center, the Director and up to one assistant shall attend and successfully complete, to Franchisor's reasonable satisfaction, the NFT program consisting of not more than ten business days of classroom, on-the-job, and remote online instruction pertaining to operation of the Franchised Center including, but not limited to, preparation and presentation of educational programs, sales and marketing methods, financial controls, maintenance of quality standards, customer service techniques, record keeping, and reporting procedures and other operational issues. Under normal circumstances, Franchisor shall conduct the NFT program at its headquarters, regional office, or at another designated location. In times of extraordinary circumstances, such as a pandemic or shelter in place, where in-person training may not be feasible, Franchisor may provide the NFT remotely. Franchisor shall not charge tuition or similar fees for the training required under this Section 8.1; provided, however, that all expenses incurred by Franchisee in attending such program including, but not limited to, travel costs, room and board expenses and employees' salaries, shall be the sole responsibility of Franchisee. For any additional person, other than the Director and one assistant, Franchisor will charge Franchisee a fee of \$1,250.00 per additional person. Franchisee shall be responsible for training its management and other employees.

8.2 Opening Assistance

In conjunction with the opening of the Franchised Center, Franchisor may, in Franchisor's sole discretion, make available to Franchisee for approximately two days, one of Franchisor's representatives, experienced in the System, for the purpose of providing general assistance and guidance in connection with the opening of the Franchised Center. In addition to the initial training, Franchisee shall be required to complete two days of on-site training at a designated JEI LEARNING CENTER®. Franchisor shall also provide up to two days of on-site assistance at Franchisee's JEI LEARNING CENTER® business after the initial training and on-site training have been completed. In the event that Franchisee requests additional assistance with respect to the opening or continued operation of the Franchised Center, Franchisor, in its sole discretion, may make available to Franchisee such additional assistance as Franchisor deems necessary and appropriate; provided, however, that Franchisee shall pay Franchisor's then-current standard rates, currently \$250.00 per day per person plus expenses, for such additional assistance.

8.3 Failure to Complete NFT Program

If Franchisor determines, in its sole discretion, that the Director, within 120 days of the Effective Date, is unable to complete the initial training program to Franchisor's reasonable satisfaction, Franchisor shall have the right to terminate this Agreement. If Franchisee is a business entity and the Director fails to complete the NFT program to Franchisor's reasonable satisfaction, in Franchisor's sole discretion, Franchisee may be permitted to select a substitute Director and such substitute Director shall complete the initial training to Franchisor's reasonable satisfaction.

8.4 New Center Manager

If Franchisee is a business entity and Franchisee names a new Center Manager following the opening of the Franchised Center, Franchisee must notify Franchisor of the identity of the new Center Manager, then the new Center Manager shall be required to complete the NFT program to Franchisor's reasonable satisfaction within 30 days after being named as the Center Manager and pay a training fee of \$1,250.00. Franchisee shall be responsible for all travel costs, room and board and employees' salaries incurred in connection with the new Center Manager's attendance at such training; and provided further

that Franchisor shall have the right to require Franchisee to pay all costs of such training if Franchisor determines, in its sole discretion, that the appointment of Center Managers by Franchisee has become excessive or is caused by poor hiring practices.

8.5 Ongoing Training and Retraining

From time to time during the term of this Agreement, Franchisor may require the Director to attend ongoing training programs or seminars. In addition, if at any time on or after the date that is 24 months from the Opening Date, the Franchised Center has not maintained an average of at least 40 subjects during the immediately preceding six months, Franchisee will be required to attend mandatory retraining. Franchisor, in its sole discretion, may charge a fee for any ongoing training required hereunder. Franchisee shall be responsible for all travel costs, room and board and employees' salaries incurred in connection with the Director's attendance at such training. Franchisor has the right to record all center telephone calls for Training and Quality Assurance purposes.

8.6 Annual Franchise Conference

8.6.1 Franchisee is required to attend the "Annual Franchise Conference" each year during the term of this Agreement. If Franchisee is not able to attend, Franchisee may send a staff member in Franchisee's absence. Full participation is required by Franchisee. If Franchisee or a staff member does not attend, a \$900.00 non-participation fee will be applied. The full or partial fee of the non-participation fee will be assessed should Franchisee not participate in all the sessions that have been scheduled. Franchisee shall be responsible for all travel and living expenses and employee salaries incurred by Franchisee and any employees in attending the Annual Franchise Conference.

8.6.1 Franchisee is also required to submit Franchisee's business plan to Franchisor in January every year prior to the Annual Franchise Conference on a form Franchisor will provide to Franchisee. Franchisee may modify the business plan during the year, provided that franchisee shall promptly submit all such modifications to Franchisor.

8.7 Meetings

Franchisee is required to attend all meetings required by Franchisor, which may include Zoom meetings and/or quarterly regional meetings at a JEI LEARNING CENTER® business designated by Franchisor during the term of this Agreement. If Franchisee is not able to attend, Franchisee may send a center manager or administrator in Franchisee's absence a maximum of two (2) times in any calendar year. Full participation is required by Franchisor. If Franchisee or a staff member does not attend at least 75% of the required meetings in a calendar year, a \$300.00 non-attendance fee will be assessed for any calendar year in which the 75% threshold is not met. Franchisee shall be responsible for all expenses and employee salaries incurred by Franchisee and any employees in attending the meetings.

9. CONFIDENTIAL OPERATIONS MANUAL

9.1 Confidential Operations Manual

During NFT, Franchisor shall provide to Franchisee one copy of the Confidential Operations Manual. Franchisee shall conduct the Franchised Center in strict accordance with the provisions set forth in the Confidential Operations Manual. The Confidential Operations Manual may consist of one or more separate manuals, guidebooks, policies, or other materials as designated by Franchisor and may be in written or electronic form. The Confidential Operations Manual shall, at all times, remain the sole

property of Franchisor and shall promptly be returned to Franchisor upon expiration or termination of this Agreement.

9.2 Revisions

Franchisor shall retain the right to revise or otherwise modify the Confidential Operations Manual from time to time to reflect changes in the specifications, standards, policies, operating procedures and rules prescribed by Franchisor; provided, however, that no such revision or modification shall materially alter Franchisee's fundamental status and rights under this Agreement. Franchisor shall have the right to make such revisions or modifications without prior notice to Franchisee. Franchisee shall immediately, upon receipt of any revisions or modifications to the Confidential Operations Manual, implement or conform to any such revisions or modifications and shall ensure that its copy of the Confidential Operations Manual is up-to-date at all times. If a dispute as to the contents of the Confidential Operations Manual arises, the terms of the master copy of the Confidential Operations Manual maintained by Franchisor at Franchisor's headquarters shall control.

9.3 Confidentiality

The parties acknowledge and agree that the Confidential Operations Manual constitutes Confidential Information under this Agreement and shall be subject to the confidentiality protections set forth in Section 7.1 hereof. Franchisee shall at all times ensure that its copy of the Confidential Operations Manual is available at the Authorized Location in a current and up-to-date form. Franchisee shall maintain the Confidential Operations Manual in a locked receptacle at the Authorized Location and shall only grant authorized personnel, as defined in the Confidential Operations Manual, access to the key or combination of such receptacle. Franchisee shall not disclose, duplicate or otherwise use any portion of the Confidential Operations Manual in an unauthorized manner. A breach of confidentiality as described in Section 7.1 is a default of the Franchise Agreement.

10. FRANCHISE SYSTEM

10.1 Uniformity

Franchisee shall strictly comply, and shall cause the Franchised Center to strictly comply, with all requirements, specifications, standards, operating procedures and rules set forth in this Agreement, the Confidential Operations Manual or other communications supplied to Franchisee by Franchisor. Franchisor reserves the right to periodically allow franchisees to offer virtual learning to subjects when necessitated by extraordinary events; however, Franchisee may not offer virtual learning unless it has an Authorized Location at which it operates the Franchised Center.

10.2 Modification of the System

Franchisor shall retain the right to revise or modify the System from time to time in any manner including, without limitation, by the adoption and use of new or modified Marks or Copyrighted Materials or the purchase and/or use of new or additional computer hardware, software, equipment, products, supplies or techniques. Franchisee shall accept and use any such revisions or modifications to the System as if they were a part of this Agreement as of the Effective Date. Franchisee shall make such expenditures as such revisions or modifications in the System may reasonably require; provided, however, that Franchisee shall not be required to implement or conform to any such revisions or modifications to the extent that the cost of implementing or conforming to such revisions or modifications would exceed \$10,000.00 at any one time. Any required expenditure for changes or upgrades to the System shall be in addition to expenditures for repairs and maintenance as required in Section 13.4. Notwithstanding the

foregoing, Franchisee shall be required to make any and all improvements or modifications whenever such are required by law, regulation, agency decision or court order.

10.3 Variance

Franchisor shall have the right, at its sole discretion and as it may deem in the best interests of all concerned in any specific instance, to vary standards or specifications for any franchisee based upon that particular franchisee's qualifications, the peculiarities of the particular site or circumstances, the demographics of the trade area, business potential, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of any particular JEI LEARNING CENTER®. Franchisor shall not be required to disclose or grant to Franchisee a like or similar variance hereunder.

11. ADVERTISING AND PROMOTIONAL ACTIVITIES

11.1 Grand Opening Advertising and Initial Marketing

Beginning three months before the initial opening of the Franchised Center and for the first three months of operation of the Franchised Center, Franchisee shall spend no less than \$6,000.00 on local advertisement and promotion of the initial opening of the Franchised Center ("**Grand Opening Advertising**"). Franchisor shall determine and specify an appropriate amount which Franchisee shall be required to expend on Grand Opening Advertising based upon Franchisor's general assessment of the area surrounding the Franchised Center and taking into account other potentially relevant factors, such as prevailing costs of advertising in the area, the time of year of opening and other similar factors. Further, Franchisor shall specify the time at which Franchisee shall conduct Grand Opening Advertising. All materials to be used in Grand Opening Advertising must be approved by Franchisor prior to their use pursuant to the requirements of Section 11.2.2. Grand Opening Advertising expenditures shall be in addition to any Local Advertising expenditures and Brand Fund Contributions.

11.2 Local Advertising

11.2.1 Franchisee shall continuously promote the Franchised Center. Following the first three months of operation of the Franchised Center, during which Franchisee has conducted Grand Opening Advertising as set forth above, and continuing for the next six months of operation, Franchisee must spend \$1,000.00 each month on advertising, promotions and public relations within the immediate locality surrounding the Franchised Center ("**Local Advertising**"). Thereafter, beginning on the tenth month of operation of the Franchised Center and assuming Franchisee has complied with the foregoing advertising obligations, Franchisee must spend \$500.00 a month on Local Advertising throughout the remaining term of this Agreement. Such expenditures shall be made directly by Franchisee, subject to the approval and direction of Franchisor. Franchisor shall provide general guidelines to Franchisee for conducting Local Advertising. Within 30 days after the end of each month, Franchisee shall furnish to Franchisor an accurate accounting of its expenditures on Local Advertising for the preceding month.

11.2.2 Franchisee shall submit to Franchisor, for its prior approval, all advertising and promotional materials to be used by Franchisee including, but not limited to, ad copy, coupons, flyers and scripts. Franchisor shall use its commercially reasonable efforts to provide notice of approval or disapproval to Franchisee within 20 days from the date any such materials are received by Franchisor. If Franchisor does not approve submitted materials by the end of such 20-day period, such materials shall be deemed to be not approved. Franchisee shall not use any marketing or promotional material prior to receiving Franchisor's approval. The submission of advertising and promotional materials to Franchisor for approval shall not affect Franchisee's right to determine the prices at which Franchisee provides services

or sells products. Franchisee may not market or promote its Franchised Center within the boundaries of another franchisee's protected territory unless previously approved in writing by Franchisor and/or in collaboration with the franchisee within such protected territory.

11.3 Brand Fund

Franchisor has established a Brand Fund. Franchisee shall be required to make monthly Brand Fund Contributions. Currently, the Brand Fund Contribution is \$1 per subject per month. This amount may be adjusted from time to time by Franchisor. Franchisor shall notify Franchisee at least 30 days prior to implementing or changing Brand Fund Contribution requirements. The Brand Fund shall be maintained and administered by Franchisor or its designee according to the following requirements:

11.3.1 Franchisor shall oversee all marketing programs, with sole discretion over the creative concepts, materials and media used in such programs, and the placement and allocation thereof. Franchisor does not warrant that any particular franchisee will benefit directly or *pro rata* from expenditures by the Brand Fund. The program(s) may be local, regional or System-wide. Franchisor does not warrant the success or effectiveness of any particular marketing program.

11.3.2 Franchisee's Brand Fund Contributions may be used to meet the costs of producing, maintaining, administering and directing consumer advertising (including, without limitation, the cost of preparing and conducting television, radio, Internet, magazine, newspaper, and direct mail advertising campaigns and other public relations activities; developing and/or hosting an Internet web page or site and similar activities; employing advertising agencies to assist therein; and providing promotional brochures and other marketing materials to franchisees). Franchisor will separately account for any Brand Fund established, but will not be required to segregate any of the Brand Fund monies from other monies, and the Brand Fund shall not be used to defray any of the Franchisor's general operating expenses, except for such reasonable costs and expenses, if any, that Franchisor may incur in activities reasonably related to the administration of the Brand Fund.

11.3.3 Franchisor shall endeavor to spend all Brand Fund Contributions on marketing programs and promotions during Franchisor's fiscal year within which such contributions are made. If excess amounts remain in any Brand Fund at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of such excess amounts, including any interest or other earnings of the Brand Fund, and next out of prior year contributions and then out of current contributions.

11.3.4 Although Franchisor intends the Brand Fund to be of perpetual duration, Franchisor has the right to terminate the Brand Fund at any time. The Brand Fund shall not be terminated, however, until all Brand Fund Contributions have been expended for advertising and promotional purposes or returned to Franchisee and other franchisees on a *pro rata* basis based on total Brand Fund Contributions made in the aggregate by each franchisee.

11.3.5 Each JEI LEARNING CENTER® business operated by Franchisor shall make Brand Fund Contributions at the same rate as Franchisee or other franchisees of Franchisor.

11.3.6 If an accounting of the operation of the Brand Fund is prepared, it shall be available to Franchisee upon request. Franchisor shall retain the right to have the Brand Fund reviewed or audited and reported on an annual basis, at the expense of the Brand Fund, by an independent certified public accountant selected by Franchisor.

11.3.7 Franchisee acknowledges that the Brand Fund is not a trust and Franchisor assumes no fiduciary duty in administering the Brand Fund.

11.3.8 Franchisee agrees to participate in all advertising, marketing, promotions, research, public relations and other programs instituted by the Brand Fund.

11.4 Cooperative Advertising

Franchisor shall have the right, but not the obligation, to create a Cooperative Advertising program for the benefit of the JEI LEARNING CENTER® businesses located within a particular region. When Franchisor implements the Cooperative Advertising program, Franchisee shall contribute an amount Franchisor determines, currently \$100.00 - \$300.00 a month, depending on Franchisee's region. Franchisor shall have the right to collect and designate all or a portion of the Local Advertising for a Cooperative Advertising program. Franchisor shall have the right to determine the composition of all geographic territories and market areas for the implementation of each Cooperative Advertising program and to require that Franchisee participate in such Cooperative Advertising programs when established within Franchisee's region. If a Cooperative Advertising program is implemented in a particular region, Franchisor shall have the right to administer the Cooperative Advertising program or to establish an advertising council composed of franchisees within such region to self-administer the Cooperative Advertising program. Franchisee shall participate in the council according to the rules and procedures established by the council and Franchisee shall abide by the council's decisions. Should Franchisor establish a Cooperative Advertising program or programs with or without an advertising council, Franchisor has the right, but not the obligation, to change, dissolve or merge such program(s) and/or council(s) at any time.

11.5 Internet Advertising

Franchisee may not establish a presence on or conduct any marketing using the Internet in connection with the Franchised Center without Franchisor's prior written consent and at no time will Franchisee be allowed to operate on any platform not approved by Franchisor that is associated with Franchisee's Franchised Center. Franchisee may not conduct any marketing using the Internet for territories outside of Franchisee's market. All Franchised Center-associated Internet-based channels, including but not limited to, Google Business Profile, Facebook, Twitter, Instagram, Pinterest, Snapchat, Yelp, and YouTube are completely owned by Franchisor and Franchisee will receive operational access to each Internet-based channel only upon written request and Franchisor's approval. Franchisor reserves the right to deny Franchisee's request or revoke permissions for any reason at any time. Franchisor has established and maintains an Internet website at the uniform resource locator ("URL") jeilearning.com ("Website") that provides information about the System and the services that Franchisor and its franchisees provide. Franchisor shall supply an email address for the Franchised Center, which shall be used for company and center communications. Franchisee's email address shall be used exclusively for Franchisee's JEI business. Franchisor shall own the rights to Franchisee's email address and the contents therein. Any and all communications made using Franchisee's email address shall belong to Franchisor. Franchisor may create social media sub-accounts using Franchisee's email address on Franchisee's behalf. Franchisee will be granted shared access to such accounts, but Franchisor shall be designated as the sole owner of the master social media account(s). Franchisor may (but is not required to) include on the Website an intranet section or an interior page containing information about the Franchised Center. If Franchisor includes such information on the Website, Franchisor shall have the right to require Franchisee to prepare all or a portion of the section or page, at Franchisee's expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's prior written approval. Franchisor shall retain the sole right to market on the Internet, including, without limitation, the use of websites, domain names, URL's, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce, social media and co-branding arrangements. Except for the Territory in Franchisee's market, (i) Franchisee shall not offer or sell Non-JEI Programs through the Internet, except as authorized by Franchisor in the Confidential Operations Manual or otherwise in writing; (ii) Franchisee shall not advertise for students by social media or using related media or technology except as authorized

by Franchisor in writing. Franchisee may be requested to provide content for Franchisor's Internet marketing programs and shall be required to follow Franchisor's intranet and Internet usage rules, policies and requirements as set forth in the Confidential Operations Manual. Franchisor shall retain the sole right to use the Marks and the Copyrighted Materials on the Internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding and other arrangements. Franchisor shall retain the sole right to approve any linking to, or other use of, the Website.

12. ACCOUNTING, RECORDS AND REPORTING OBLIGATIONS

12.1 Records

During the term of this Agreement, Franchisee shall maintain full, complete and accurate books, records and accounts in accordance with the standard accounting system prescribed by Franchisor in the Confidential Operations Manual or otherwise in writing. In particular and not in limitation of the foregoing, Franchisee shall add students as they enroll and may not drop them from enrollment except as provided in the Confidential Operations Manual. Franchisee shall retain during the term of this Agreement, and for three years after the expiration or termination of this Agreement, all books and records related to the Franchised Center including, without limitation, purchase orders, invoices, payroll records, sales tax records, state and federal tax returns, bank statements, canceled checks, deposit receipts, cash receipts and disbursement journals, general ledgers, and any other financial books and records designated by Franchisor or required by Applicable Law. All student and parent records and files must be returned to Franchisor within five days of the termination or expiration of this Agreement.

12.2 Royalty Fee Reports

Franchisee acknowledges that it must accurately report all enrollments as dictated in the Confidential Operations Manual. An invoice will be generated from the reported enrollments on or about the first day of each following month detailing any and all fees owed to Franchisor. If Franchisor discovers a discrepancy between Franchisee's records and actual student enrollment, Franchisee must immediately correct such records and shall pay Franchisor all amounts payable on account of such enrolled students from the date of actual enrollment.

12.3 Financial Statements

Franchisee shall supply to Franchisor, upon request, in a form approved by Franchisor, a balance sheet and income statement as of the end of the last day of the preceding month and an income statement for the fiscal year-to-date. Franchisee shall, at its own expense, submit to Franchisor within 90 days after the end of each fiscal year, an income statement for the fiscal year just ended and a balance sheet as of the last day of the fiscal year. Such financial statements shall be prepared in accordance with accounting principles applied on a consistent basis that accurately and completely reflect Franchisee's financial condition. If required by Franchisor, such financial statements shall be reviewed or audited by a certified public accountant. Franchisee shall submit to Franchisor such other periodic financial reports in the manner and at the time specified in the Confidential Operations Manual or as otherwise specified in writing by Franchisor.

12.4 Other Reports

Franchisee shall submit to Franchisor copies of all state sales tax returns that are required to be filed with the appropriate governmental agency and such other records as specified in the Confidential Operations Manual or as Franchisor may reasonably request from time to time. Franchisor shall have the

right to release financial and operational information relating to the Franchised Center to Franchisor's lenders or prospective lenders. Franchisee shall certify as true and correct all financial and other reports submitted pursuant to this Agreement.

12.5 Computer/Point-of-Sale System

Franchisee shall purchase, install and use computer and point-of-sale systems consisting of hardware and software in accordance with Franchisor's specifications. Franchisor shall have full access to all of Franchisee's computer and point-of-sale data and systems and all related information by means of other direct access, either in person or by telephone, modem or Internet to permit Franchisor to verify Franchisee's compliance with its obligations under this Agreement.

12.6 Right to Inspect Books and Records

Franchisor or its designee shall have the right, during normal business hours, to examine, copy and audit the books, records and tax returns of Franchisee. It is mandatory for the franchisor to audit all aspects of the franchisee's center at Franchisor's discretion. If the audit or any other inspection should reveal that any payments to Franchisor have been underpaid, then Franchisee shall immediately pay to Franchisor: (i) the amount of underpayment owed; (ii) 150% of the amount of the underpayment; and (iii) a late fee and other fees and interest from the date such amount was due until the date it was paid, all as set forth in Section 3.9. If the inspection discloses any underpayment of the amount due for any period covered by the audit, Franchisee shall, in addition, reimburse Franchisor for any and all costs and expenses connected with the inspection (including, without limitation, travel expenses and reasonable accounting and attorneys' fees). The foregoing remedies shall be in addition to any other remedies Franchisor may have under this Agreement.

12.7 Release of Records

At Franchisor's request, Franchisee shall authorize and direct any third parties, including Franchisee's accountant, to release to Franchisor all accounting and financial records arising from or relating to the operation of the Franchised Center including, but not limited to, records evidencing Gross Sales, profits, losses, income, tax liabilities, tax payments, revenues, and expenses, and any correspondence, notes, memoranda, audits, business records, or internal accounts within said third parties' possession, custody or control, and to continue to release such records to Franchisor on a monthly basis for the duration of this Agreement or until such time as Franchisor withdraws such request. Franchisee shall execute all documents necessary to facilitate the release of such records to Franchisor.

13. STANDARDS OF OPERATION

13.1 Authorized Products, Services and Suppliers

13.1.1 Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality services and products to its students. Accordingly, Franchisee shall provide or offer for sale or use at the Franchised Center only those products, supplies, signs, equipment and other items and services that Franchisor from time to time approves (and which are not thereafter disapproved) and that comply with Franchisor's specifications and quality standards. By way of clarification and not in limitation of the foregoing, Franchisee shall not offer any test preparation services including, without limitation, any SAT test preparation services. If required by Franchisor, any such items or services shall be purchased only from "**Approved Suppliers**" that Franchisor designates or approves (which might include, or be limited to, Franchisor). Franchisee shall not use, offer for sale, sell or provide through the Franchised Center or from the Authorized Location any products or services that Franchisor

has not approved, including, without limitation, any products or supplemental materials that do not use Franchisor's Marks.

13.1.2 Franchisor shall provide Franchisee, in the Confidential Operations Manual or in other written or electronic form, with a list of specifications and, if required, a list of Approved Suppliers for some or all of the supplies, signs, equipment and other approved or specified items and services, and Franchisor may from time to time issue revisions to such lists. If Franchisor is an Approved Supplier, Franchisee shall execute a standard form purchase or supply agreement for the items to be supplied by Franchisor. If Franchisee desires to utilize any services or products not approved by Franchisor (with regard to services and products that require Franchisor's approval), Franchisee shall first send Franchisor sufficient information, specifications and/or samples for Franchisor to determine whether such services or products comply with Franchisor's standards and specifications and whether the supplier meets its Approved Supplier criteria. Franchisee shall bear all reasonable expenses incurred by Franchisor in connection with determining whether it shall approve any item, service or supplier. Franchisor shall decide within a reasonable time period (usually 30 days) after receiving the required information whether Franchisee may purchase or lease such items or services or from such supplier. Franchisor may condition approval of a supplier on the following: (a) supplier's ability to provide sufficient quantity of product; (b) quality of products or services at competitive prices; (c) production and delivery capability; and (d) dependability and general reputation. Nothing in this Section 13.1.2 shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, standards and specifications that Franchisor, in its discretion, deems confidential.

13.1.3 Notwithstanding anything to the contrary in this Agreement, Franchisor shall have the right to review from time to time its approval of any products, services or suppliers. Franchisor may revoke its approval of any product, service or supplier at any time, and in its sole discretion, by notifying Franchisee and/or the supplier. Franchisee shall, at its own expense, promptly cease using, selling or providing any products or services disapproved by Franchisor and cease purchasing products or services from suppliers disapproved by Franchisor.

13.1.4 Franchisor shall have the right to designate certain products and services, not otherwise authorized for general use as part of the System, to be offered locally or regionally based upon such factors as Franchisor determines including, but not limited to, franchisee qualifications, test marketing and regional or local differences.

13.1.5 Franchisor shall have the right, in its sole discretion from time to time, to give its consent to one or more franchisees to provide certain products or services not authorized for general use as part of the System. Such consent shall be based upon the factors set forth in Section 10.3 and shall not create any rights in Franchisee to provide the same products or services.

Franchisor shall have the right to retain volume rebates, markups and other benefits from suppliers or in connection with the furnishing of suppliers. Franchisee shall have no entitlement to or interest in any such benefits.

13.2 Proprietary Products

13.2.1 In order to maintain consistency, quality and uniformity of the System, Franchisor shall make the Proprietary Products available to Franchisee in reasonable quantities in accordance with the procedures for ordering, handling and shipping that Franchisor may establish from time to time and at prices and on credit terms, if any, that Franchisor may determine from time to time, provided that Franchisee is in compliance with this Agreement and all other agreements with Franchisor. Franchisee shall also pay on-going shipping costs together with the Royalty Fee. The shipping charges will

be charged to the Franchisee as per the JEI Global System. These shipping costs will be included in the Royalty Fee invoice for the replenishment of the workbooks used at Franchisee's JEI LEARNING CENTER based on the usage of workbooks during the previous month.

13.2.2 Franchisee acknowledges and agrees that the Proprietary Products produced by Franchisor (or on behalf of Franchisor) are distinctive as a result of being produced pursuant to Franchisor's experience and are inextricably interrelated with the Marks and the Copyrighted Materials. Franchisee agrees to order and purchase all of its requirements of Proprietary Products exclusively from Franchisor or a supplier designated by Franchisor. Franchisor may require Franchisee to execute Franchisor's standard form supply agreement in connection with the purchase of the Proprietary Products. Franchisee agrees to, at all times, maintain an inventory of Proprietary Products sufficient to operate the Franchised Center at full capacity and to maintain such Proprietary Products in good condition.

13.2.3 For those products supplied by Franchisor, Franchisor shall provide the Proprietary Products at competitive prices; provided, however, that Franchisee acknowledges that Franchisor has the right to earn a reasonable profit on the sale or loan of the Proprietary Products.

13.3 Non-JEI Programs

Please refer to the JEI Confidential Operations Manual for policies and procedures on offering Non-JEI Programs at the Franchised Center. Non-JEI Programs may only constitute a maximum of 5% of Franchisee's total business operations and all students enrolled in Non-JEI Programs must be concurrently enrolled in JEI programs to be eligible for Non-JEI Programs. Franchisor may retract its approval of the Non-JEI Program at any time for any reason or no reason at all, and Franchisee shall immediately cease offering the Non-JEI Program and discontinue the Non-JEI Program in the entirety upon completion of the program by students enrolled in the same as of the date Franchisor notifies Franchisee of the retraction of its approval. By way of example and not in limitation of the foregoing, Franchisee shall not offer any test preparation services including, without limitation, any non-JEI test preparation programs.

13.4 Appearance and Condition of the Franchised Center

Franchisee shall, at all times, maintain the Franchised Center located at the Authorized Location in "like new" condition, and shall repair or replace equipment, fixtures and signage as necessary to comply with the health and safety standards and specifications of Franchisor, Franchisee's lessor and any Applicable Laws. The expense of such maintenance shall be borne entirely by Franchisee and shall be in addition to any required System modifications, as provided in Section 10.2.

13.5 Ownership and Management

The Franchised Center shall, at all times, be under the direct supervision of Franchisee. The Director shall devote his or her full-time efforts to the management of the day-to-day operation and affairs of the Franchised Center. As used in this Section 13.5, "full-time" means the expenditure of at least 25 hours per week, excluding vacation, sick leave and similar absences. Franchisee shall keep Franchisor informed, in writing, at all times of the identity of its Director.

13.6 Days of Operation

Franchisee shall keep the Franchised Center open for business during normal business hours on all days specified in the Confidential Operations Manual. Franchisee must provide at least 2 weeks' advance notice to Franchisor if the Director will be absent from the Franchised Center for 5 days or more and must designate a substitute manager acceptable to Franchisor to operate the Franchised Center

during the Director's absence, all in accordance with the procedures described in the Confidential Operations Manual.

13.7 Personnel

Franchisee shall maintain competent and conscientious personnel to operate the Franchised Center in accordance with this Agreement and the Confidential Operations Manual. Franchisee shall train or cause the training of all personnel as and when required by prudent business practices, System standards or this Agreement. Franchisee must conduct, and keep on file during the Term, criminal background checks and abuse registry checks on all of its employees aged 18 or over and on independent contractors who will provide supplemental education to students or who frequent the Franchised Center to provide any services. At Franchisor's request, Franchisee must provide Franchisor with copies of employment materials or independent contractor agreements relating to each of Franchisee's personnel, including, but not limited to, employment or other application materials and the results of criminal background checks and abuse registry checks. All costs associated with Franchisee's performance of its obligations under this Section shall be the sole responsibility of Franchisee.

13.8 Contributions and Donations

In order to protect the Marks, Franchisee must obtain Franchisor's prior written consent before making any contributions or donations of items, services or funds to any individual or entity, or provide any type of other benefit to any charitable, religious, political, social, civic or other type of organization (or to any individual on behalf of any organization). Franchisor may withhold any such consent in its sole and absolute discretion.

13.9 Licenses and Permits

Franchisee shall secure and maintain in force all required licenses, permits and certificates necessary for the operation of the Franchised Center and shall operate the Franchised Center in full compliance with Applicable Laws. Franchisor makes no representation to Franchisee with regard to any legal requirements that Franchisee must satisfy or comply with in connection with the operation of the Franchised Center. Franchisee shall be solely responsible for investigating and complying with Applicable Laws with regard to the operation of the Franchised Center.

13.10 Notification of Proceedings

Franchisee shall notify Franchisor in writing of the receipt of a notice of demand or threatened claim of liability or verbal threats of, or damages against or involving, Franchisee or the Franchised Center not more than five days after Franchisee's receipt of such notice. Franchisee shall notify Franchisor in writing of the commencement of any action, suit or proceeding involving Franchisee or the Franchised Center, and of the issuance of any order, writ, injunction, judgment, award or decree which may affect the operation or financial condition of the Franchised Center not more than five calendar days after notice of such commencement or issuance. Franchisee shall deliver to Franchisor not more than five calendar days after Franchisee's receipt thereof, a copy of any inspection report, warning, certificate or rating by any governmental agency relating to any health or safety law, rule or regulation that reflects Franchisee's failure to meet and maintain the highest applicable rating or Franchisee's noncompliance or less than full compliance with any Applicable Laws.

13.11 Compliance with Law and Good Business Practices

Franchisee shall at all times operate the Franchised Center in full compliance with Applicable Law. Franchisee acknowledges that the quality of customer service, and every detail of appearance and demeanor of Franchisee and its employees, is material to this Agreement and the relationship created and licenses granted hereunder. Therefore, Franchisee shall endeavor to maintain high standards of quality and service in the operation of the Franchised Center and shall at all times give prompt, courteous and efficient service to students of the Franchised Center. The Franchised Center shall in all dealings with its students, parents of students, vendors and the general public adhere to the highest standards of honesty, fair dealing and ethical conduct. Franchisee shall respond to all customer complaints in a timely manner. If Franchisor deems that Franchisee has not fairly handled a complaint, Franchisor shall have the right to intervene and satisfy the student or the parent of the student. Franchisor shall have the right to terminate this Agreement for repeated violation of this Section 13.11. Franchisee shall reimburse Franchisor for all costs and expenses incurred by Franchisor in servicing a student or parent of a student of the Franchised Center pursuant to this Section 13.11.

13.12 Uniforms

Franchisee shall abide by any uniform requirements stated in the Confidential Operations Manual or as otherwise specified in writing by Franchisor. Uniforms, if required, must be purchased from an Approved Supplier, if such is designated, or if none, then a supplier who meets Franchisor's specifications and quality standards for uniforms. Franchisee must obtain Franchisor's approval in advance for uniforms bearing the JEI logo.

13.13 Vending Machines

Franchisee shall not install or use at the Franchised Center any vending machines, amusement devices, jukeboxes, or other similar devices.

13.14 Credit Cards

Franchisee shall, at its own expense, lease or purchase the necessary equipment and/or software and shall have arrangements in place with Visa, MasterCard, American Express and such other credit card issuers as Franchisor may designate, from time to time, to enable the Franchised Center to accept such methods of payment from its customers.

13.15 Best Efforts

Franchisee shall use its best efforts to promote and increase the sales and recognition of services offered through the Franchised Center. Franchisee shall require all of Franchisee's personnel, managers, officers, agents and representatives to make a good faith effort to enhance and improve the System and the sales of all services and products provided as part of the System.

13.16 Correspondence Status

Franchisee shall not recruit or maintain Correspondence Students.

13.17 Franchised Center Name

Franchisor shall designate the name for the Franchised Center following its naming guidelines.

13.18 Data Protection

Franchisee agrees and undertakes that Franchisee shall:

13.18.1 Comply with the provisions of all applicable laws, regulations and best practices relating to privacy and data protection (“**Data Protection Laws**”) in the use and processing of any personal data, including student contact information (such as name, telephone numbers, e-mail and postal addresses), and transactional information collected by Franchisee from students and prospective students of the Franchised Center (“**Student Personal Data**”);

13.18.2 Refrain from otherwise modifying, amending or altering the contents of the Student Personal Data or disclosing or permitting the disclosure of any of the Student Personal Data to any third party unless required by Applicable Law or specifically authorized in writing by Franchisor;

13.18.3 Implement and maintain throughout the Term appropriate technical and organizational measures to protect Student Personal Data against an unauthorized or unlawful processing, access or use and/or accidental loss, destruction, damage, alteration or disclosure (“Data Breach”);

13.18.4 Promptly notify Franchisor in writing if Franchisee suspects there has been a Data Breach, in which event Franchisee shall do all such acts and things (at Franchisee’s own expense) as we may require in order to remedy or mitigate the effects of the Data Breach; and

13.18.5 Promptly notify Franchisor of any complaint, communication or request relating to the Applicable Data Protection Laws.

14. FRANCHISOR’S ADDITIONAL OPERATIONS ASSISTANCE

14.1 General Advice and Guidance

Franchisor shall be available to render advice, discuss problems and offer general guidance to Franchisee with respect to planning, opening and operating the Franchised Center. Franchisor shall not charge for this service, provided, however, that Franchisor retains the right to charge a fee for or discontinue this service should Franchisee, in Franchisor’s discretion, be deemed to be utilizing this service too frequently or in an unintended manner. Franchisor’s advice or guidance to Franchisee relative to prices for products and services that, in Franchisor’s judgment, constitutes good business practice is based upon the experience of Franchisor and its franchisees in operating JEI LEARNING CENTER® business and an analysis of costs and prices charged for competitive products and services. Franchisee shall have the sole right to determine the prices to be charged for products and services at the Franchised Center.

While the System is designed for in-person instruction, Franchisor’s discretion to grant variances from System standards includes the ability to permit some or all franchisees to offer remote learning for such periods of time as determined by Franchisor. Franchisee may only offer remote learning if authorized by Franchisor in writing and only for those periods of time authorized by Franchisor in writing.

14.2 Periodic Visits

Franchisor or Franchisor’s representative shall make periodic visits to the Franchised Center (including, in Franchisor’s discretion and without limitation, a visit to the Franchised Center for final inspection prior to the opening) , which may be announced or unannounced, for the purposes of consultation, assistance and guidance with respect to various aspects of the operation and management of the Franchised Center. Franchisor and Franchisor’s representatives who visit the Franchised Center may

prepare, for the benefit of both Franchisor and Franchisee, written reports detailing any problems or concerns discovered during any such visit and outlining any required or suggested changes or improvements in the operation of the Franchised Center. A copy of any such written report may be provided to Franchisee. Franchisee shall implement any required changes or improvements within 30 days.

15. INSURANCE

15.1 Types and Amounts of Coverage

At its sole expense, Franchisee shall procure within 60 days of the Effective Date, and maintain in full force and effect during the term of this Agreement, the types of insurance listed below. All policies (except any workers' compensation insurance) shall expressly name Franchisor as an additional insured or loss payee and all shall contain a waiver of all subrogation rights against Franchisor and its successors and assigns. In addition to any other insurance that may be required by Applicable Law, or by a lender or a lessor in connection with the Franchised Center, Franchisee shall procure:

15.1.1 "All risk" property insurance coverage on all assets including inventory, furniture, fixtures, equipment, supplies and other property used in the operation of the Franchised Center. Franchisee's property insurance policy shall include coverage for fire, vandalism and malicious mischief and must have coverage limits of at least full replacement cost;

15.2 Future Increases

Franchisor shall have the right to reasonably increase the minimum liability protection requirement annually and require different or additional insurance coverage(s) to reflect inflation, changes in standards of liability, future damage awards or other relevant changes in circumstances.

15.3 Carrier Standards

The insurance policies required by Section 15.1 shall be written by an insurance company licensed in the state in which the Franchised Center is located and having at least an “A” Rating Classification as indicated in the latest issue of A.M. Best’s Key Rating Guide. Although A.M. Best groups “A” and “A-” in the same classification, Franchisor demands an “A” rating.

15.4 Evidence of Coverage

Franchisee’s obligation to obtain and maintain the foregoing insurance policies shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee’s performance of this obligation relieve it of liability under the indemnification provisions set forth below. Franchisee shall provide to Franchisor, annually and upon demand, certificates of insurance showing compliance with the foregoing requirements and such other evidence of coverage as Franchisor shall require. Such certificates shall state that such insurance policy or policies shall not be canceled or altered without at least 30 days’ prior written notice to Franchisor and shall reflect proof of payment of premiums.

Should Franchisee not procure and maintain insurance coverage as required by this Agreement, Franchisor shall have the right (but not the obligation) to immediately procure such insurance coverage and to charge the premiums to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, shall be immediately payable by Franchisee upon notice.

16. DEFAULT AND TERMINATION

16.1 Termination by Franchisee

If Franchisee is in substantial compliance with all of the terms of this Agreement and Franchisor materially breaches this Agreement and fails to commence reasonable efforts to cure such breach within 180 days after receiving written notice thereof, Franchisee shall have the right to terminate this Agreement unless such breach cannot reasonably be cured within 180 days. If the breach cannot reasonably be cured within 180 days, Franchisee shall have the right to terminate this Agreement only if Franchisor does not promptly undertake and continue efforts to cure such material breach within a reasonable period of time and furnish Franchisee reasonable proof of such efforts.

If Franchisee is in substantial compliance with all of the terms of this Agreement, Franchisee may terminate this Agreement without cause by providing us 180 days’ advance written notice of Franchisee’s intent to terminate subject to payment of an early termination fee of \$2,500 and Franchisee’s compliance with Section 17. If Franchisee ceases operating the Franchised Center in accordance with this section but does not provide at least 90 days’ advance written notice, Franchisee shall pay Franchisor a fee of \$500 in addition to the early termination fee. 16.2.1.15 Fails on two or more separate occasions within any period of 12 consecutive months to submit reports or other information or supporting records when due, to pay any Royalty Fee, Brand Fund Contribution, amounts due for purchases from Franchisor or other payment when due to Franchisor, whether or not such failures to comply are corrected after notice thereof is delivered to Franchisee;

16.2.1.16 Violates on two or more occasions, any health or safety law, ordinance or regulation, or operates the Franchised Center in a manner that presents a health or safety hazard to its students, employees or the public;

16.2.1.17 Engages in any activity exclusively reserved to Franchisor;

16.2.1.18 Fails to comply with any Applicable Law or regulation within ten days after being given notice of noncompliance;

16.2.1.19 Breaches this Agreement and/or fails to comply with mandatory specifications, customer service standards or operating procedures prescribed in the Confidential Operations Manual on two or more separate occasions within any period of 12 consecutive months, whether or not previous breaches or failures are cured;

16.2.1.20 Defaults under any other agreement between Franchisor and Franchisee, such that Franchisor, as the case may be, has the right to terminate such agreement or such agreement automatically terminates;

16.2.1.21 As of the second anniversary of the opening of the Franchised Center, Franchisee has fewer than 40 subjects enrolled; or

16.2.1.22 Relocates or attempts to relocate the Franchised Center without Franchisor's prior written approval and without complying with the requirement of Section 5.7.

16.2.2 Except for those items listed in Sections 16.2.1 and Section 16.2.3, Franchisee shall have 30 days after written notice of default from Franchisor within which to remedy the default and provide evidence of that remedy to Franchisor. If any default is not cured within that time, this

Agreement shall terminate without further notice to Franchisee effective immediately upon expiration of that time, unless Franchisor notifies Franchisee otherwise in writing. Notwithstanding the foregoing, if the default cannot be corrected within 30 days, Franchisee shall have that additional time to correct the default as Franchisor believes to be reasonably required (not to exceed 90 days) provided that Franchisee begins taking the actions necessary to correct the default during the 30 day cure period and diligently and in good faith pursues those actions to completion. Franchisee shall be in default under this Section 16.2.2 for any failure to materially comply with any of the requirements imposed by this Agreement or otherwise in writing, including failure to have at least 40 subjects enrolled at the Franchised Center after the Franchised Center has been open for 2 years, or to carry out the terms of this Agreement in good faith. Franchisee is prohibited from operating or conducting any other form of business at the Franchised Center at any time, except for Non-JEI Program approved by the Franchisor. Franchisor may discontinue any and all Non-JEI Programs at its sole discretion.

16.2.3 Notwithstanding the provisions of Section 16.2.2, if Franchisee fails to pay any monies owed to Franchisor or its affiliates when those monies become due and payable and Franchisee fails to pay those monies within five days after receiving written notice of default, this Agreement shall terminate effective immediately upon expiration of that time, unless Franchisor notifies Franchisee otherwise in writing.

16.3 Reinstatement and Extension

If provisions of this Agreement provide for periods of notice less than those required by Applicable Law or provide for termination or cancellation other than in accordance with Applicable Law, Franchisor may reinstate or extend the term of this Agreement for the purpose of complying with Applicable Law by submitting a written notice to Franchisee without waiving any of Franchisor's rights under this Agreement.

16.4 Right of Franchisor to Suspend Performance

If Franchisee is in breach of any obligation under this Agreement, and Franchisor delivers to Franchisee a notice of termination pursuant to Section 16.2.2, Franchisor shall have the right, in its sole discretion, to suspend its performance of any of its obligations under this Agreement including, without limitation, the sale or supply of any services or products to Franchisee for which Franchisor is an Approved Supplier, until such time as Franchisee cures such breach. Franchisor has the right to communicate with and notify students and parents of the closing center and offer incentives to attend other franchised centers in the System.

17. RIGHTS AND DUTIES UPON EXPIRATION OR TERMINATION

17.1 Actions to be Taken

Except as otherwise provided herein, upon termination or expiration, this Agreement and all rights granted hereunder to Franchisee shall terminate and Franchisee shall:

17.1.1 Immediately cease to operate the Franchised Center and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor;

17.1.2 Cease to use the trade secrets, Confidential Information, the System, the Copyrighted Materials, the Proprietary Products and the Marks including, without limitation, all signs, trade

dress, slogans, symbols, logos, advertising materials, stationery, forms and any other items that display or are associated with the Marks;

17.1.3 Upon demand by Franchisor, at Franchisor's sole discretion, immediately assign (or, if an assignment is prohibited, sublease for the full remaining term, and on the same terms and conditions as Franchisee's lease) its interest in the lease then in effect for the Authorized Location to Franchisor and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within 30 days after termination or expiration of this Agreement, and Franchisor has the right to pay rent and other expenses directly to the party to whom such payment is ultimately due;

17.1.4 Take such action as may be necessary to cancel or assign to Franchisor, at Franchisor's option, any assumed name or equivalent registration filed with state, city or county authorities that contains the name "JEI LEARNING CENTER[®]" or any other Mark, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within 30 days after termination or expiration of this Agreement;

17.1.5 Pay all sums owing to Franchisor and any Affiliate. In the event of termination for any default of Franchisee, such sums shall include, but not be limited to, all damages, costs and expenses, including reasonable attorneys' fees with respect to litigation, arbitration, appellate or bankruptcy proceedings, unpaid Royalty Fees, loss of future Royalty Fee payments incurred by Franchisor as a result of an early termination of this Agreement, and any other amounts due to Franchisor;

17.1.6 Pay to Franchisor all costs and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or expiration of the Franchise in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement;

17.1.7 Immediately return to Franchisor the Confidential Operations Manual and all other Confidential Information including, without limitation, books and records, files, instructions, brochures, agreements, disclosure statements and any and all other materials provided by Franchisor to Franchisee relating to the operation of the Franchised Center (all of which are acknowledged to be Franchisor's property);

17.1.8 Immediately return all workbooks that were loaned to Franchisee as part of the Proprietary Products and sign Franchisor's then-current form of general release, releasing Franchisor from any and all claims, including releases of Franchisor's officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate or individual capacities), in their corporate and individual capacities including, without limitation, from claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement, upon receipt of which Franchisor will return the Initial Inventory Deposit to Franchisee;

17.1.9 Assign all telephone listings and numbers for the Franchised Center to Franchisor, notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone numbers associated with the Franchised Center in any regular, classified or other telephone directory listing; and authorize transfer of such numbers to or at the direction of Franchisor;

17.1.10 Grant access to the Franchised Center to Franchisor and permit Franchisor to inspect the Franchised Center and determine whether Franchisee has taken all action necessary to ensure that the Franchised Center no longer resembles a JEI LEARNING CENTER[®]; and

17.1.11 Continue to comply with any ongoing obligations under this Agreement.

If Franchisee fails to remove and dispose of all interior and exterior signage within 14 days of expiration or termination of this Agreement, Franchisor may do so and Franchisee must immediately reimburse Franchisor for its costs in doing so and pay an additional \$500 to Franchisor as an administrative fee. Franchisee shall obtain the landlord's consent to Franchisor's access to the Franchised Center and to remove signage from the premises. In addition, if Franchisee received any discounts or incentives on the purchase of signage, Franchisee shall pay those amounts to Franchisor.

17.2 Post-Termination Covenant Not to Compete

17.2.1 Franchisee acknowledges that the restrictive covenants contained in this Section 17.2 and in Section 7 hereof are fair and reasonable as to time, scope and geography and are justifiably required for various purposes, including, without limitation, the following:

17.2.1.1 To protect the Marks and other Confidential Information of Franchisor;

17.2.1.2 To induce Franchisor to grant the Franchise to Franchisee; and

17.2.1.3 To protect Franchisor against its costs in training Franchisee and its officers, directors, executives, professional staff and Director.

17.2.2 Franchisee acknowledges that Franchisor must be protected against the potential for unfair competition by Franchisee's use of Franchisor's training, assistance and Marks in direct competition with Franchisor. Franchisee further acknowledges that Franchisor would not have entered into this Agreement or any or shared information with Franchisee concerning Franchisor's System, absent Franchisee's agreement to strictly comply with the provisions of this Section 17.2. Therefore, except as otherwise approved in writing by Franchisor, for a period of two years after the expiration or termination of this Agreement, neither Franchisee, nor any holder of a legal or beneficial interest in Franchisee, nor any officer, director, executive, manager or member of the professional staff of Franchisee, nor any member of any of their immediate families, may, either directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity:

17.2.2.1 Own any interest whatsoever as an owner, investor, partner, director, officer, employee, consultant, representative, agent or in any capacity, in any Competitive Business located or operating: (a) at the Authorized Location; (b) within a 25 mile radius of the Authorized Location or within the Protected Territory (whichever is greater); or (c) within a 25 mile radius of the location of any other JEI LEARNING CENTER® business in existence, under construction, or for which a lease has been signed by Franchisor or a franchisee or licensee of Franchisor, at the time of such expiration or termination.

17.2.3 The mileage restrictions set forth in this Section 17.2 shall be measured based on roadways open as of the date of expiration or termination of this Agreement.

17.2.4 The restrictions contained in this Section 17.2 do not apply to the ownership for investment purposes of less than 5% of any class of stock of a publicly traded company that Franchisee would otherwise be prevented from owning under this Section 17.2, provided that Franchisee is otherwise not actively involved in the management or operation of that business and does not serve that business in any capacity other than as a shareholder.

17.2.5 Franchisee acknowledges and agrees that violations of these non-competition covenants will result in immediate and irreparable injury to Franchisor for which no adequate remedy at law is available. Therefore, in addition to being responsible for any damages caused to Franchisor arising from Franchisee's violation of these non-competition covenants, Franchisee hereby consents to the entry of an injunction prohibiting any conduct by Franchisee in violation of the non-competition covenants contained herein. Franchisee specifically agrees to pay any and all costs and attorneys' fees of Franchisor in connection with the enforcement of any provision of this Section 17.2.

17.2.6 Franchisee also acknowledges and agrees that if Franchisee should violate the provisions of Section 17.2.2, then the period for which the prohibition stated therein is applicable shall extend until two years following the date Franchisee ceases all activities that are in violation of such provision.

17.2.7 If a court of competent jurisdiction determines that the restrictions contained in Section 17.2.2 are unenforceable due to geographic scope, time period or otherwise, such court may reduce such restriction to the level that provides the maximum restriction permitted by law.

17.2.8 In furtherance of this Section 17.2, Franchisor may require Franchisee or certain individuals associated with Franchisee to execute a Confidentiality and Non-Competition Agreement in substantially the form attached as Exhibit A hereto.

17.2.9 Franchisee may not attempt to circumvent these restrictions through a spouse, partner, or adult child.

17.3 Unfair Competition

If Franchisee operates any other business, Franchisee shall not use any reproduction, counterfeit, copy or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, that is likely to cause confusion, mistake or deception, or that is likely to dilute Franchisor's rights in the Marks. Franchisee shall not utilize any designation of origin, description or representation that suggests or represents an association or connection with Franchisor. This Section 17.3 is not intended as an approval of Franchisee's right to operate other businesses and in no way is it intended to contradict Sections 17.1 or 17.2. If Franchisor elects not to receive an assignment or sublease of the Authorized Location following expiration or termination, Franchisee shall make such modifications or alterations to the Authorized Location (including changing telephone numbers) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business subsequently operated by Franchisee or others at the Authorized Location. Franchisee shall make such specific additional changes to the Authorized Location as Franchisor may reasonably request for that purpose including, without limitation, removal of all trade dress or other physical and structural features identifying or distinctive to the System. If Franchisee fails or refuses to comply with the requirements of this Section 17.3, Franchisor shall have the right to enter upon the Authorized Location for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee shall pay upon demand.

17.4 Franchisor's Option to Purchase Certain Business Assets

Franchisor shall have the right (but not the duty), for a period of 30 days after termination or expiration of this Agreement, to purchase any or all assets of the Franchised Center including, but not limited to, leasehold improvements, equipment, supplies and other inventory. The purchase price shall be equal to such assets' fair market value, as determined by an independent appraiser. If Franchisor elects to exercise this option to purchase, it has the right to set off all amounts due from Franchisee under this

Agreement, if any, against the purchase price. If Franchisor and Franchisee cannot agree on the fair market value of such assets, an independent appraiser selected by Franchisor shall determine the fair market value. In the event that Franchisor elects to purchase the business assets at fair market value, Franchisee shall convey said assets to Franchisor by a bill of sale, free and clear of all liens, encumbrances and security interests. Franchisor may utilize all or a portion of the purchase price to directly satisfy liens or security interests on such assets.

17.5 Survival of Certain Provisions

All obligations of Franchisor and Franchisee that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect until satisfied or their natural expiration.

18. TRANSFERABILITY OF INTEREST

18.1 Transfer by Franchisor

Franchisor has the unrestricted right to transfer or assign ownership interests in Franchisor and all or any part of its interest in this Agreement to any person or legal entity without Franchisee's consent. Franchisee agrees that Franchisor shall have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations under this Agreement. Franchisor also has the right to delegate to others the performance of its duties under this Agreement.

18.2 Transfer by Franchisee to a Third Party

18.2.1 No transfer without Franchisor's consent

18.2.1.1 Franchisee must submit a written letter or email indicating their 'Intent to Sell' to the Franchisor.

18.2.1.2 Franchisee must complete the Transfer Proposal Form (TPF) and submit it to the Franchisor within 2 weeks of written notice. Otherwise, Franchisor will consider the 'Intent to Sell' invalid.

18.2.1.3 Franchisor will conduct an interview to determine the Franchisee's immediate eligibility to transfer to their Center.

18.2.1.4 Franchisor will send the Franchisee a Tentative Letter of Approval to Transfer (TLA) if applicable.

18.2.1.5 Franchisor will issue a Proceed to Discussion Stage (PDS) letter to a qualified candidate that is specifically in pre-dialogue with stages with the Seller.

18.2.1.6 Once a candidate has been approved by the Franchisor, and is also accepted by the Seller as a worthy candidate who is willing to pay the negotiated sale price, the candidate can proceed toward a Transfer Agreement between the Seller and Buyer.

18.2.1.7 If the Franchisor has not offered Franchisee a new Franchise Agreement by the time the term expires, Franchisor may nonetheless allow the Franchisee to continue operating their Center under the terms of this Agreement on a month-to-month basis. Either party may terminate such month-to-month extension, effective the last day of the calendar month, upon 30 days'

notice to the other party. Should the Franchisee have not signed a new Agreement by the time the Agreement expires, Franchisor may elect to not offer Franchisee a new Agreement.

The rights and duties of Franchisee as set forth in this Agreement, and the Franchise herein granted, are personal to Franchisee (or its owners), and Franchisor has entered into this Agreement in reliance upon Franchisee's personal or collective skill and financial ability. Accordingly, neither Franchisee, the Key Person (defined below), nor any other holder of a legal or beneficial interest in Franchisee may sell, assign, convey, give away, pledge, mortgage, sublicense or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the Franchise granted hereby, the Authorized Location used in operating the Franchised Center, its assets or any part or all of the ownership interest in Franchisee without the prior written approval of Franchisor. Any purported transfer without such approval shall be null and void and shall constitute a material breach of this Agreement. For the avoidance of doubt, this restriction applies to any transfer by the Key Person or any change in the designated Key Person. **"Key Person"** means the individual designated immediately before the signature lines of this Agreement who owns at least 51% of the Franchise, the Franchised Center or the Franchisee. At all times the Key Person must maintain such majority ownership percentage and shall directly communicate with Franchisor on any and all matters concerning the Franchised Center. Key Person must be the 51% owner (or greater) for at least two (2) years prior to changing the percentage of ownership internally. The policy regarding transfers is detailed in the Confidential Operations Manual. If Franchisee is in compliance with this Agreement, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

18.2.2 This Agreement for the location in question must not have expired. If Franchisee want to transfer during the renewal period, Franchisee must complete the renewal process before the transfer process can commence.

18.2.3 Franchisee has complied with the requirements set forth in Section 19;

18.2.4 Franchisee shall complete and submit to Franchisor its then-current transfer application;

18.2.5 Franchisor must approve the current Franchised Center and may require upgrades to meet current standards, which may include relocation;

18.2.6 The transferee must be approved by Franchisor and meet all current standards. Franchisee must give Franchisor an advanced written notice of the proposed Transfer and other information concerning the Transfer that Franchisor may request. Your Branch Office will provide you with a Transfer Guidebook that contains detailed procedures regarding JEI's transfer process;

18.2.7 All amounts owed to Franchisor, and all other outstanding obligations relating to the Franchised Center, are fully paid and satisfied prior to the Transfer or arranged through escrow at the time of the Transfer with JEI prioritized as first paid, as detailed in the Confidential Operations Manual;

18.2.8 Franchisee must provide Franchisor with a written notice from the landlord for the Approved Location indicating that the landlord has agreed to the transfer of the lease for the Center to your transferee;

18.2.9 Notwithstanding the foregoing, in the event of a 100% change in ownership interest, the incoming transfer must form and sign the Franchise Agreement as a new entity;

18.2.10 Franchisee (and any owners, if Franchisee is a business entity) has executed Franchisor's then-current form of general release, releasing Franchisor from any and all claims, including its officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate or individual capacities), in their corporate and individual capacities including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the transfer of Franchisee's interest herein or to the transfer of Franchisee's ownership of all or any part of the Franchise; provided, however, that if a general release is prohibited, Franchisee shall give the maximum release allowed by Applicable Law;

18.2.11 The prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require, in its sole discretion, to demonstrate ability to conduct the Franchised Center;

18.2.12 The transferee and, if Franchisor requires, all persons owning any interest in the transferee, have executed the then-current franchise agreement for new franchisees, which may be substantially different from this Agreement, including different Royalty Fee and Brand Fund Contribution rates and other material provisions, and the Franchise Agreement then executed shall be for the term specified in such agreement;

18.2.13 The transferor must sign a general release, in Franchisor's then-current form, releasing Franchisor and its officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate or individual capacities), in their corporate and individual capacities, with respect to any representations regarding the Franchise, the business conducted pursuant thereto or any other matter that may have been made to the transferee by Franchisee;

18.2.14 Franchisee has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Franchisee and the prospective transferee relating to the intended sale or transfer of the Franchise;

18.2.15 Franchisee, or the transferee, has paid to Franchisor a transfer fee in the then-current amount Franchisor charges, in its sole and absolute discretion, which may be modified by Franchisor at any time;

18.2.16 The transferee, or all holders of a legal or beneficial interest in the transferee, has agreed to be personally bound jointly and severally by all provisions of this Agreement for the remainder of its term by executing a personal guaranty in such form as prepared by Franchisor;

18.2.17 The transferee has obtained all necessary consents and approvals by third parties (such as the lessor of the Authorized Location) and has complied with Applicable Laws in connection with the transfer;

18.2.18 Franchisee has, and if Franchisee is an entity, all of the holders of any interest in Franchisee have executed and delivered to Franchisor a non-disclosure and non-competition agreement in a form satisfactory to Franchisor and in substance substantially the same as the non-disclosure and non-competition covenants contained in Sections 7 and 17 hereof;

18.2.19 The transferee agrees that its Director shall complete, to Franchisor's satisfaction, a training program in substance similar to the initial training described in Section 8.1 prior to assuming the management of the day-to-day operations and affairs of the Franchised Center;

18.2.20 Franchisee must conduct an inventory assessment, report the inventory status to headquarters, and establish the initial inventory for the transferee; and

18.2.21 The transferee has obtained all necessary types of insurance as described in Section 15.1.

18.3 Transfer to a Controlled Entity

18.3.1 If Franchisee wishes to transfer this Agreement or any interest herein to a corporation, limited liability company or other legal entity which shall be entirely owned by Franchisee or, if individuals, each individual executing this Franchise Agreement in the same ownership percentages as owned prior to the proposed transfer (“**Controlled Entity**”), which Controlled Entity is being formed for the financial planning, tax or other convenience of Franchisee, Franchisor’s consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

18.3.1.1 The Controlled Entity is newly organized, and its charter provides that its activities are confined exclusively to the operation of the Franchised Center;

18.3.1.2 Franchisee or all holders of any interest in Franchisee own all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity;

18.3.1.3 All obligations of Franchisee to Franchisor are fully paid and satisfied; provided, however, that neither Franchisee nor the Controlled Entity shall be required to pay a transfer fee;

18.3.1.4 The Controlled Entity has entered into a written agreement with Franchisor expressly assuming the obligations of this Agreement and all other agreements relating to the operation of the Franchised Center. If the consent of any other party to any such other agreement is required, Franchisee has obtained such written consent and provided the same to Franchisor;

18.3.1.5 All holders of any interest in the Controlled Entity have entered into an agreement with Franchisor jointly and severally guaranteeing the full payment of the Controlled Entity’s obligations to Franchisor and the performance by the Controlled Entity of all the obligations of this Agreement;

18.3.1.6 Each stock certificate or other evidence of ownership interest of the Controlled Entity has conspicuously endorsed upon the face thereof a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement; and

18.3.1.7 Copies of the Controlled Entity’s articles of incorporation or organization, bylaws, operating agreement, and other governing regulations or documents, including resolutions of the board of directors authorizing entry into this Agreement, have been promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

18.3.2 The term of the transferred franchise shall be the unexpired term of this Agreement, including all renewal rights, subject to any and all conditions applicable to such renewal rights.

18.3.3 Franchisor’s consent to a transfer of any interest in this Agreement, or of any ownership interest in the Franchised Center, shall not constitute a waiver of any claims Franchisor may

have against the transferor or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement.

18.4 External Transfer of Percentage Ownership (Less Than 51%)

For any proposed Transfer that is not covered by Section 18.2 and 18.3, Franchisee must give Franchisor advanced notice. Franchisee will have a reasonable time (not less than 14 days) after Franchisor received all requested information to evaluate the proposed Transfer. Franchisor may withhold their consent on any reasonable grounds or give their consent subject to reasonable conditions. Franchisee must sign the then-current form of the Addendum, as stated in Appendix I of the JEI Operations Manual.

18.5 Transfer Among Franchisees

18.4.1 In the event Franchisee desires to transfer a percentage of ownership interest among existing franchise owners, Franchisee must submit a Transfer Ownership Request Form to Franchisor and receive Franchisor's approval prior to such transfer. Franchisor's approval shall be based on several factors, including but not limited to whether the Franchised Center is in overall good standing and whether payments due to Franchisor are current.

18.6 Franchisor's Disclosure to Transferee

Franchisor shall have the right, without liability of any kind or nature whatsoever to Franchisee, to make available for inspection by any intended transferee of Franchisee all or any part of Franchisor's records relating to this Agreement, the Franchised Center or to the history of the relationship between the parties hereto. Franchisee hereby specifically consents to such disclosure by Franchisor and shall release and hold Franchisor harmless from and against any and all claims, losses, injuries or damages resulting from an inspection of Franchisor's records relating to the Franchised Center by an intended transferee identified by Franchisee.

18.7 For-Sale Advertising

Franchisee shall not, without the prior written consent of Franchisor, place in, on or upon the location of the Franchised Center, or in any communication media, any form of advertising relating to the sale of the Franchised Center or the rights granted hereunder.

18.8 Transfer by Death or Incapacity

18.8.1 Upon the death or Incapacity of Franchisee (if Franchisee is an individual) or any holder of any interest in Franchisee (if Franchisee is a business entity), the appropriate representative of such person (whether administrator, personal representative or trustee) will, within a reasonable time not exceeding 180 days following such event, transfer such individual's interest in the Franchised Center or in Franchisee to a third party approved by Franchisor. Such transfers, including transfers by will or inheritance shall be subject to the conditions for assignments and transfers contained in this Agreement, unless prohibited by the laws of the state wherein Franchisee resided, with such choice of law provision being applicable only for this Section 18.6. During such 180-day period, the Franchised Center must remain at all times under the primary management of a Director who otherwise meets Franchisor's management qualifications.

18.8.2 Following such a death or Incapacity of such person as described in this Section 18.6, if necessary, in Franchisor's discretion, Franchisor shall have the right, but not the obligation, to assume operation of the Franchised Center until the deceased or incapacitated owner's interest is

transferred to a third party approved by Franchisor. Franchisor shall be entitled to reimbursement of any expenses Franchisor incurs that are not paid out of the operating cash flow of the Franchised Center.

19. RIGHT OF FIRST REFUSAL

19.1 Submission of Offer

If Franchisee, or any of its owners, proposes to sell the Franchised Center (or any of its assets outside of the normal course of business), any ownership interest in Franchisee or any ownership interest in the Franchise granted hereunder, Franchisee shall obtain and deliver a *bona fide*, executed written offer or proposal to purchase, along with all pertinent documents including any contract or due diligence materials, to Franchisor, except to regards to a sale or transfer to a family member. The offer must apply only to an approved sale of the assets or interests listed above and may not include any other property or rights of Franchisee or any of its owners.

19.2 Franchisor's Right to Purchase

Franchisor shall have, for 30 days from the date of delivery of all documents under Section 19.1, the right, exercisable by written notice to Franchisee, to purchase the offered assets or interest for the price and on the same terms and conditions contained in such offer communicated to Franchisee. Franchisor shall have the right to substitute cash for the fair market value of any form of payment proposed in such an offer. Franchisor's credit shall be deemed at least equal to the credit of any proposed buyer. After providing notice to Franchisee of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to 60 days to close the purchase. Franchisor shall be entitled to receive from Franchisee all customary representations and warranties given by Franchisee as the seller of the assets or such ownership interest or, at Franchisor's election, such representations and warranties contained in the proposal.

19.3 Non-Exercise of Right of First Refusal

If Franchisor does not exercise this right of first refusal within 30 days from the date of delivery of all such documents, the offer or proposal may be accepted by Franchisee or any of its owners, subject to Franchisor's prior written approval as required by Section 18.2. Should the sale fail to close within 120 days after the offer is delivered to Franchisor, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section 19.

20. BENEFICIAL OWNERS OF FRANCHISEE

Franchisee represents and warrants to Franchisor, and Franchisor enters into this Agreement in reliance upon such representation and warranty, that the individuals identified in Exhibit D hereto as Holders of a Legal or Beneficial Interest in Franchisee, are the sole holders of a legal or beneficial interest (in the stated proportions) of Franchisee.

21. RELATIONSHIP AND INDEMNIFICATION

21.1 Relationship

This Agreement does not appoint or make Franchisee an agent, legal representative, joint venturer, partner, employee, servant or independent contractor of Franchisor for any purpose whatsoever. Franchisee may not represent or imply to third parties that Franchisee is an agent of Franchisor, and Franchisee is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. During the Initial

Term and any Renewal Term of this Agreement, Franchisee shall hold itself out to the public only as a franchisee and an owner of the Franchised Center operating the Franchised Center pursuant to a Franchise from Franchisor. Franchisee shall take such affirmative action as may be necessary to do so including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Authorized Location and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt or any other obligation of Franchisee. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised Center. Any third-party contractors and vendors retained by Franchisee to convert or construct the premises are independent contractors of Franchisee alone.

21.2 Standard of Care

This Agreement does not establish a fiduciary relationship between the parties. Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Franchisee to obtain Franchisor's written consent or permits Franchisee to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Franchisee or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

21.3 Indemnification

Franchisee shall hold harmless and indemnify Franchisor, all holders of a legal or beneficial interest in Franchisor, and all of their respective officers, directors, executives, managers, members, partners, owners, employees, agents, successors and assigns (collectively "**Franchisor Indemnitees**") from and against all losses, damages, fines, costs, expenses or liability (including reasonable attorneys' fees and all other costs of litigation) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, which arises from or is based upon Franchisee's (a) ownership or operation of the Franchised Center; (b) violation, breach or asserted violation or breach of Applicable Laws; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Franchisee and Franchisor; (d) breach of the lease for the Authorized Location; (e) defamation of Franchisor or the System; (f) acts, errors or omissions committed or incurred in connection with the Franchised Center, including any negligent or intentional acts; or (g) infringement, violation or alleged infringement or violation of any of the Marks, the Copyrighted Materials, or patent rights of Franchisor or any misuse of the Confidential Information. The obligations of this Section 21.3 shall expressly survive the termination of this Agreement.

21.4 Right to Retain Counsel

Franchisee shall give Franchisor immediate notice of any such action, suit, demand, claim, investigation or proceeding that may give rise to a claim for indemnification by a Franchisor Indemnitee. Franchisor shall have the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation or proceeding. In order to protect persons, property, Franchisor's reputation or the goodwill of others, Franchisor shall have the right to, at any time without notice, take such remedial or corrective actions as it deems expedient with respect to any action, suit, demand, claim, investigation or proceeding if, in Franchisor's sole judgment, there are grounds to believe any of the acts or circumstances listed above have occurred. If Franchisor's exercise of its rights under this Section 21.4 to take remedial or corrective action causes any of Franchisee's insurers to refuse to pay a third party claim, all cause of action and legal remedies Franchisee has or may have against such insurer shall automatically be assigned to Franchisor without the need for any further action on either party's part. Under no circumstances shall Franchisor be required or obligated to seek coverage from third parties or otherwise

mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Franchisor from Franchisee.

21.5 General Release

Except to the extent prohibited by Applicable Law, Franchisee (and, if individuals, each on behalf of himself and his heirs, representatives, successors and assigns and, if a business entity, on behalf of itself and its parent and subsidiaries, and their respective past and present officers, directors, shareholders, agents, members, managers and employees, in their corporate and individual capacities) (collectively, “**Releasors**”) freely and without any influence forever release and covenant not to sue Franchisor, its parent, subsidiaries and affiliates and their and Franchisor’s respective past and present officers, directors, shareholders, members, managers, agents and employees, in their corporate and individual capacities, with respect to any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively, “**Claims**”), that any Releasor now owns, has or claims to have or holds, or may in the future own or hold, or at any prior time owned, held, had or claimed to have, based on, arising out of or relating to, in whole or in part any fact, event, conduct or omission occurring on or before the Effective Date, including, without limitation, Claims arising under federal, state and local laws, rules and ordinances and Claims arising out of, or relating to this Agreement and all other agreements between any Releasor and Franchisor or its parent, subsidiaries or affiliates, the sale of any franchise to any Releasor, the development and operation of the Franchised Center and the development and operation of all other businesses operated by any Releasor that are franchised by Franchisor. Releasors expressly agree that fair consideration has been given by Franchisor for this release, and they fully understand that this is a negotiated, complete and final release of all claims. Franchisee also expressly agrees that, with respect to this release, any and all rights granted under Section 1542 of the California Civil Code are expressly waived. That Section reads as follows: “A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.” Notwithstanding the foregoing, claims arising from representations in Franchisor’s Franchise Disclosure Document, or its exhibits or amendments, are expressly excluded from this release.

22. GENERAL CONDITIONS AND PROVISIONS

22.1 No Waiver

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor’s right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Franchisee shall not be binding unless in writing and executed by Franchisor and shall not affect or impair Franchisor’s right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment or payments due shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

22.2 Injunctive Relief

As any breach by Franchisee of any of the restrictions contained in Sections 6, 7 and 17 would result in irreparable injury to Franchisor, and as the damages arising out of any such breach would be difficult to ascertain, in addition to all other remedies provided by law or in equity, Franchisor shall be entitled to seek injunctive relief (whether a restraining order, a preliminary injunction or a permanent injunction) against any such breach, whether actual or contemplated and Franchisee shall be responsible

for Franchisor's reasonable attorneys' fees incurred in pursuing the same. Franchisor's right to seek injunctive relief will not affect the parties' waiver of jury trial and covenant to arbitrate all disputes in accordance with Section 23. Franchisor's rights herein shall include pursuing injunctive relief through arbitration or in a state or federal court.

22.3 Notices

All notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day after transmission by any reasonably reliable electronic communication system; (c) two business days after being sent via guaranteed overnight delivery by a commercial courier service; or (d) five business days after being sent by Registered Mail, return receipt requested. All notices shall be sent to Franchisee at the address listed on page one of this Agreement or such other address as Franchisee may designate in writing to Franchisor. Either party may change its address by a written notice sent in accordance with this Section 22.3. All notices, payments and reports required by this Agreement shall be sent to Franchisor at the following address:

JEI LEARNING CENTERS, LLC
Attn: Eugene Ahn, COO
440 Sylvan Avenue, Suite 212
Englewood Cliffs, NJ 07632

22.4 Cost of Enforcement or Defense

If Franchisor or Franchisee is required to enforce this Agreement in a judicial or arbitration proceeding, the prevailing party shall be entitled to reimbursement of its costs, including reasonable accounting and attorneys' fees, in connection with such proceeding.

22.5 Unlimited Guaranty and Assumption of Obligations

All holders of any interest in Franchisee shall be required to execute, as of the date of this Agreement, the Unlimited Guaranty and Assumption of Obligations attached as Exhibit C hereto, through which such holders agree to assume and discharge all of Franchisee's obligations under this Agreement and to be personally liable hereunder for all of the same.

22.6 Approvals

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor for such and, except as otherwise provided herein, any approval or consent granted shall be effective only if given in writing by Franchisor. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request for approval.

22.7 Entire Agreement

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Franchisee. Franchisee

acknowledges that Franchisee is entering into this Agreement as a result of its own independent investigation of the Franchised Center and not as a result of any representations about Franchisor made by its shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus or other similar document required or permitted to be given to Franchisee pursuant to Applicable Law.

22.8 Severability and Modification

22.8.1 Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

22.8.2 Notwithstanding the above, each of the covenants contained in Sections 7 and 17 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for limitations on disclosure of Confidential Information or on competition to the maximum extent provided or permitted by law.

22.9 Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. References to “including” shall mean “including without limitation.”

22.10 Force Majeure

Whenever a period of time is provided in this Agreement for either party to perform any act, except pay monies, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of the parties, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement.

22.11 Timing

Time is of the essence. Except as set forth in Section 22.10, failure to perform any act within the time required or permitted by this Agreement shall be a material breach.

22.12 Withholding Payments

Franchisee shall not, for any reason, withhold payment of any Royalty Fees, Brand Fund Contributions or other amounts due to Franchisor. Franchisee shall not withhold or offset any amounts, damages or other monies allegedly due to Franchisee against any amounts due to Franchisor. No endorsement or statement on any payment for less than the full amount due to Franchisor shall be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor shall have the right to accept and cash any such payment without prejudice to Franchisor’s right to recover the full amount due,

or pursue any other remedy provided in this Agreement or by Applicable Law. Franchisor shall have the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Franchisor deems appropriate. Franchisor shall set off or withhold sums Franchisor owes to Franchisee against any unpaid debts owed by Franchisee to Franchisor.

22.13 Further Assurances

Each party to this Agreement shall execute and deliver such further instruments, contracts, forms or other documents, and shall perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

22.14 Franchisor's Discretion

Franchisor has the unrestricted right to transfer or assign ownership interests in Franchisor and all or any part of its interest in this Agreement to any person or legal entity without Franchisee's consent. Franchisee agrees that Franchisor shall have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations under this Agreement. Franchisor also has the right to delegate to others the performance of its duties under this Agreement.

22.15 Third-Party Beneficiaries

Notwithstanding anything to the contrary contained herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

22.16 Multiple Originals

Both parties shall execute multiple copies of this Agreement, and each executed copy shall be deemed an original.

22.17 Choice of Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act; 15 U.S.C. § 1050 et seq.), as amended, or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey without reference to its conflict of laws principles; provided, however, that if the Franchised Center is not located in the State of New Jersey and Franchisee is not a resident of, or domiciled in the State of New Jersey, the provisions of any New Jersey law regulating the sale of franchises and governing the relationship between a franchisor and franchisee shall not apply to this Agreement or the Franchise relationship created hereby, unless the jurisdictional requirements of any such New Jersey law are met independently without reference to this Section 22.17. The Federal Arbitration Act shall govern all matters subject to arbitration pursuant to Section 23 hereof. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

22.18 Consent to Jurisdiction

With respect to any action brought by either party, except those claims required to be submitted to arbitration pursuant to Section 23 hereof, Franchisee may file any suit against Franchisor only in the federal or state court having jurisdiction in Bergen County, New Jersey. Franchisor may file suit in

the federal or state court located in Bergen County, New Jersey, in the jurisdiction where its principal offices are located at the time suit is filed, in the jurisdiction where Franchisee resides or does business or where the Franchised Center is or was located or where the claim arose. Franchisor and Franchisee waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. The parties hereby submit to service of process by registered mail, return receipt requested or by any other manner provided by law. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards pursuant to Section 23 in any appropriate jurisdiction.

22.19 Cumulative Rights and Remedies

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained herein shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

22.20 Limitations of Claims

Any claim concerning the Franchised Center or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one year from the date on which Franchisee or Franchisor knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

22.21 Limitations of Damages

Franchisee and Franchisor each waive, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and attorneys' fees as provided in Section 22.4. Franchisee waives and disclaims any right to consequential damages in any action or claim against Franchisor concerning this Agreement or any related agreement. In any claim or action brought by Franchisee against Franchisor concerning this Agreement, Franchisee's contract damages shall not exceed and shall be limited to refund of Franchisee's Franchise Fee and Royalty Fee payments.

22.22 Waiver of Jury Trial

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM UNDER THIS AGREEMENT.

22.23 Electronic Notices, Waivers and Amendments

For purposes of providing notices required or permitted by this Agreement, waiving any right under this Agreement, or amending any term of this Agreement and notwithstanding any law recognizing electronic signatures or records, "a writing signed," "in writing" and words of similar meaning, shall mean only a writing in a tangible form bearing an actual "wet" signature in ink manually applied by the person authorized by the respective party, unless both parties agree otherwise by making a specific reference to this Section 22.23.

23. ARBITRATION

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. Except for controversies or claims relating to the ownership of any of the Marks or Copyrighted Materials or the unauthorized use or disclosure of Franchisor's trade secrets or other Confidential Information, covenants against competition and other claims for injunctive relief, all disputes arising out of or relating to this Agreement or to any other agreements between the parties, or with regard to interpretation, formation or breach of this Agreement or any other agreement between the parties, shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect.

The demand for arbitration shall be filed with the AAA office nearest to Bergen County, New Jersey. The arbitration shall be conducted before one arbitrator selected in accordance with the AAA Rules. The arbitrator shall follow applicable law and judicial precedent. The arbitrator shall not entertain or permit any class or consolidated proceeding. The arbitrator shall afford the parties such reasonable discovery as the arbitrator deems appropriate.

The decision of the arbitrator shall be final and binding upon the parties to the dispute; however, either party may appeal the award to the AAA and the arbitrator may not under any circumstances: (a) stay the effectiveness of any award pending termination of this Agreement; (b) assess punitive or exemplary damages; or (c) make any award which extends, modifies, or suspends any lawful term of this Agreement or any reasonable standard of business performance set by Franchisor.

Franchisee acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

24.5 No Guarantee of Success

Franchisee represents and acknowledges that it has not received or relied on any guarantee, express or implied, as to the revenues, profits or likelihood of success of the Franchised Center. Franchisee represents and acknowledges that there have been no representations by Franchisor's directors, employees or agents that are not contained in, or are inconsistent with, the statements made in Franchisor's Franchise Disclosure Document or this Agreement.

24.6 No Violation of Other Agreements

(b) Individual understands that Franchisee possesses or will possess Franchise Materials that are important to its business. “**Franchise Materials**” are documents or other media or tangible items that contain or embody Proprietary Information or any other information concerning the business, operations or plans of the Franchise, whether such documents have been prepared by Individual

3. Non-Competition

(a) Individual agrees that for a period of two (2) years hereafter, Individual shall not, directly or indirectly, carry on, be engaged in or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere within: (1) twenty-five (25) miles of the premises of Franchisee's JEI LEARNING CENTER® business located at: _____, or within the Protected Territory (whichever is greater); or (2) twenty-five (25) miles of any JEI LEARNING CENTER® business without the express written consent of Franchisee.

EXHIBIT C TO THE FRANCHISE AGREEMENT

UNLIMITED GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS UNLIMITED GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this day of _____, 20, in connection with that certain Franchise Agreement of even date herewith (which Franchise Agreement, as may have been modified, amended and/or supplemented in writing, is hereunder called the Franchise Agreement) by and between JEI Learning Centers, LLC as “**Franchisor**” and _____ as “**Franchisee**”.

In consideration of, and as an inducement to, the execution of the Franchise Agreement, each of the undersigned hereby personally and unconditionally, jointly and severally: (a) guarantee to JEI Learning Centers, LLC and its successors and assigns, for the term of the Franchise Agreement and thereafter as provided in the Franchise Agreement, that Franchisee will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Franchise Agreement; and (b) agrees to be personally bound by, and personally liable for the breach of each and every provision in the Franchise Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities.

Each of the undersigned waives: (1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (4) any right he or she may have to require that an action be brought against Franchisee or any other person as a condition of liability; and (5) any and all other notices and legal or equitable defenses to which he or she may be entitled.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several with all other current and future guarantors of Franchisee’s obligations; (2) he or she will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) such liability will not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; (4) such liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Franchise Agreement; and (5) this Guaranty shall apply to any amounts recovered from Franchisor as a preference, fraudulent transfer or otherwise in bankruptcy or similar proceeding.

INDEPENDENT AUDITORS' REPORT

To Management and Members of
JEI Learning Centers, LLC
Los Angeles, CA

Opinion

We have audited the accompanying financial statements of JEI Learning Centers, LLC (a California limited liability company), which comprise the balance sheets as of December 31, 2024, and 2023, and the related statements of operations, members' equity / (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JEI Learning Centers, LLC as of December 31, 2024, and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JEI Learning Centers, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

Management's plans with respect to recurring operating losses incurred by the Company are further discussed in Note 7 to the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JEI Learning Centers, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JEI Learning Centers, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JEI Learning Centers, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

JEI LEARNING CENTERS, LLC
(OWNED BY JEI HOLDINGS CORPORATION AND ITS SUBSIDIARIES)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024, AND 2023

1 - ORGANIZATION AND NATURE OF BUSINESS

Organization

JEI Learning Centers, LLC (the “Company”) was formed as a Limited Liability Company under the State of California statutes on October 27, 2020 (“Inception”). The Company is owned by affiliates (“Affiliates”) and JEI Holdings Corporation (“Parent”), which are headquartered in Seoul, South Korea. Affiliates are subsidiaries of the Parent.

Nature of Operations

The Company is a franchisor of JEI Learning Centers, a neighborhood learning center, which grants its franchisees the right to use (i) education methods developed over decades by the Parent and Affiliate; (ii) proprietary, copyright course materials, and; (iii) JEI and other trademarks offered by Parent and an Affiliate. Students enrolled in the JEI Learning Center classes range from Pre-Kindergarten to 9th grade, and receive supplemental education.

The Company also operates its franchise business in foreign countries: Canada and India (Note 2).

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of the Company’s financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Significant estimates include credit losses for accounts receivable and valuation allowance on deferred income taxes, and it is reasonably possible that changes may occur in the near term that would affect management’s significant estimates.

JEI LEARNING CENTERS, LLC
(OWNED BY JEI HOLDINGS CORPORATION AND ITS SUBSIDIARIES)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024, AND 2023

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents comprise bank accounts, and money market accounts free of encumbrances and with original maturities of less than three months. At times, the Company maintains bank and money market account balances in excess of federally insured limits. No losses have been experienced on such balances, and management believes the risk of loss to be minimal.

Accounts Receivable

The Company generally grants credit to its franchisees without collateral. Accounts receivable primarily represent royalties and related fees due from its franchisees.

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to allowance for credit losses for accounts receivable using an expected loss model that requires the use of forward-looking information to calculate the credit loss estimate. The expected loss methodology is developed through consideration of factors including, but not limited to, historical collection experience, current status of accounts, and future economic and market conditions for the aged accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit loss and a credit to accounts receivable. As of December 31, 2024, and 2023, accounts receivable due from franchisees located in Canada amounted to \$11,061 and \$58,867, respectively. The total account balance due from a franchisee in India was not significant as of December 31, 2024, and 2023.

Estimated credit losses have been provided for in the financial statements and have been generally within management's expectations in the past.

Course Materials

Course materials consist of ready-to-use learning books used by franchises that are valued at the lower of cost or net realizable value (Note 3).

Investments

The Company invests in marketable securities of a publicly traded company on the Nasdaq Stock Exchange.

Investment in marketable securities is measured and recorded at fair value on a recurring basis based on quoted market prices (Level 1 input) and totaled \$0 and \$1,970,417 as of December 31, 2024 and 2023, respectively. Changes in fair value, whether realized or unrealized, are recorded in the accompanying Statements of Operations.

The cost basis of marketable securities was \$0 and \$1,699,906 as of December 31, 2024, and 2023, respectively.

JEI LEARNING CENTERS, LLC
(OWNED BY JEI HOLDINGS CORPORATION AND ITS SUBSIDIARIES)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024, AND 2023

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (Continued)

The Company's investment account value may exceed the insurable limits under the Security Investor Protection Corporation ("SIPC"). No losses have been experienced on such balances, and management believes the risk of loss to be minimal.

Dividends declared on shares of common stock held by the Company are recognized as income on the dividend declaration date. During the years ended December 31, 2024, and 2023, dividends declared and received by the Company amounted to \$0 and \$120,704, respectively, which are classified as part of other income/(expenses) in the accompanying Statements of Operations.

Fair Value of Financial Instruments

The Financial Accounting Standards Board (FASB) issued ASC 820, which defines fair value, establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America, and expands disclosures about fair value measurements. The guidance clarifies that fair value is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The guidance establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable, accrued expenses and other current liabilities, and deferred revenues, are carried at cost, which approximates their fair value because of the short-term maturity of these instruments.

Property and Equipment

Property and equipment are recorded at their cost and are depreciated using the straight-line method over the estimated useful lives of the assets.

Leasehold improvements are depreciated over the shorter of their economic life or term of the lease. The estimated useful lives of property and equipment are as follows:

Machinery and equipment	5 years
Furniture and fixtures	7 years
Leasehold improvements	5 years

Normal repairs and maintenance are expensed as incurred, whereas significant charges that materially increase values or extend useful lives are capitalized and depreciated over the estimated useful lives of the related assets.

Refundable Deposits

Refundable deposits represent deposits made by franchisees for the purchase of an initial stock of course materials when the learning center initially opens. The initial course material deposit amount is netted with returned course materials in the event that the franchisee ceases to operate its learning center(s), and the remaining course material is returned to the Company, at which point the Company returns the deposits. As of December 31, 2024, and 2023, refundable deposits amounted to \$187,745 and \$188,784, respectively, and have been classified as part of non-current liabilities in the accompanying Balance Sheets.

Concentrations and Credit Risk

Financial instruments, which potentially subject the Company to credit risk, consist primarily of cash and cash equivalents, investments, and accounts receivable, for which the Company mitigates its losses by performing ongoing credit evaluations of its franchisees.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Franchise Revenue Recognition

The Company records revenues in accordance with *Revenue from Contracts with Customers* ("ASC 606"). Under ASC 606, revenue is recognized when the Company satisfies a performance obligation by transferring a promised good or service to a customer. The Company generates all of its franchise-related fees from contracts with customers. The Company's franchise agreement provides for a five-year term and includes performance obligations as follows: protected territory designation, access to proprietary education methods and copy-righted course materials, pre-opening services such as initial training and advertising program development, and ongoing assistance and consulting services, promotion of brand name, marketing, and promotion items, operational computer software, and use of Company's intellectual property (i.e., trade names). These performance obligations are highly interrelated with the use of the Company's brand name and are considered to represent a single performance obligation. The franchise agreement permits the franchisees to renew the contract for an additional five years.

Franchise Fee and Transfer Fee: the initial franchise fees are fully collectible and non-refundable when the franchise agreement becomes effective. The initial franchise fee is recognized on a straight-line basis over the initial five-year contract period as the performance obligations are delivered throughout the franchise contract term or remaining balance is fully amortized when the franchise location closes. The initial franchise fees are amortized as part of franchise fees on the accompanying Statements of Operations and amounted to \$56,801 and \$66,822 for the years ended December 31, 2024, and 2023, respectively. An unamortized and deferred portion of the initial franchise fee is classified as part of the deferred revenues in the accompanying Balance Sheets (see the below summary).

A transfer fee is charged by the Company when a new franchisee either purchases or assumes an existing franchise location from an existing franchisee. Under the revenue recognition standards, the Company also recognizes transfer fees received on a straight-line basis over the remaining five-year period as the contract modification is deemed a continuation of an existing franchise agreement. The transfer franchise fees amortized for the years ended December 31, 2024, and 2023 amounted to \$11,507 and \$12,023, respectively, and are classified as part of franchise fees on the accompanying Statements of Operations. An unamortized and deferred portion of the transfer fee is classified as part of the deferred revenues in the accompanying Balance Sheets (see the below summary).

Initial franchise fees and transfer fees amortized during the years ended December 31, 2024, and 2023, amounted to \$68,308 and \$78,845, respectively.

Deferred revenues consist of the following as of December 31:

	<u>2024</u>	<u>2023</u>
Initial franchise fees	\$ 108,803	\$ 143,104
Transfer fee	52,350	36,857

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Franchise Revenue Recognition (Continued)

Royalty fees charged to its franchisees are recognized by the Company monthly, calculated per the number of courses that the students take based on a pre-determined royalty fee matrix. The performance obligations by the Company relating to monthly royalty fees are satisfied as course materials are delivered to its franchisees and the month's end is reached. Royalties, net of discounts are \$1,031,733 and \$1,119,512 and have been reported and classified as part of net royalties and enrollment fees in the accompanying Statements of Operations for the years ended December 31, 2024, and 2023, respectively.

Enrollment fees are charged when students sign up for class(es) at the franchise locations and amounted to \$17,231 and \$19,910 for the years ended December 31, 2024, and 2023, respectively, which are classified as part of net royalties and enrollment fees in the accompanying Statements of Operations.

For the years ended December 31, 2024, and 2023, total revenues generated from franchisees located in Canada amount to approximately \$97,000 and \$99,000, respectively, and revenues from a franchisee located in India were insignificant for both years.

Marketing and Advertising

The Company uses marketing fees collected from franchisees to cover expenses related to the developing marketing materials and running advertising campaigns for franchisees in the national, regional, and local markets.

Marketing fees collected from franchisees amounted to \$41,451 and \$12,417 for the years ended December 31, 2024, and 2023, respectively, when expended, are classified as part of ancillary franchise and royalty fees in the accompanying Statements of Operations. Unexpended portion of marketing fees collected from franchisees are classified as part of deferred revenues in the accompanying balance sheets (see summary table on deferred revenues above).

Total marketing and advertising costs, including the marketing fees expended from funds collected from franchisees, are expensed as incurred and amount to approximately \$184,000 and \$338,000 during the years ended December 31, 2024, and 2023, respectively.

Income Taxes

The Company elected to be taxed as a C corporation at its inception.

Deferred tax assets and liabilities are determined based on the differences between financial reporting and tax basis of assets and liabilities and are measured using the enacted income tax rates and laws that are expected to be in effect when the temporary differences are expected to reverse. A valuation allowance is recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. The calculation of tax liabilities involves dealing with uncertainties in the application of complex tax regulations. If it is more likely than not that the tax position will not be sustained on audit, an uncertain tax position is recorded. The Company reevaluates these uncertain tax positions on an annual basis and assesses that there are no uncertain tax positions to account for as of December 31, 2024, and 2023. See further information related to income taxes in Note 5.

Recent Accounting Pronouncements Adopted

On January 1, 2023, the Company adopted *ASU 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326)*. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The Company adopted *CECL* using the modified retrospective method for all financial assets measured at amortized cost and off-balance sheet credit exposure presented under ASC 326. The adoption of this guidance did not have a material impact on the Company’s financial statements.

3 - RELATED PARTY TRANSACTIONS

Course Material Purchases

The Company exclusively purchases its course materials from one of its Affiliates. As of December 31, 2024, and 2023, the total accounts payable due to Affiliates amounted to \$2,356,332 and \$2,357,658, respectively. The accounts payable balance due to Affiliates represents an accumulated accounts payable balance due for purchases of course materials, less the payments made over the years, and information technology service fee charged (see below). Ordinarily, the accounts payable due to Affiliates are due 730 days or 2 years from the receipt of the course materials. However, as of December 31, 2024, and 2023, the Company negotiated its repayment terms whereby the Affiliates have agreed to receive \$208,482 in 2025 and the remaining balance of \$2,147,850 thereafter (Note 7). As such, \$2,147,850 has been classified as part of long-term liabilities in the accompanying Balance Sheet as of December 31, 2024.

During the years ended December 31, 2024, and 2023, the Company purchased approximately \$22,000 and \$133,000 in course materials from the Affiliate, respectively.

Information Technology Service

An Affiliate of the Company has developed a website for the Company and billed \$68,089 for the services rendered in a prior year, for which the balance is included as part of the accounts payable to Affiliates. Instead of capitalizing some portion of these charges, the Company expensed them in their entirety since the website will be rebuilt in the near future.

Brand Usage Fee

The Company incurred and paid brand usage charges to the Parent for approximately \$1,000 in both years ended December 31, 2024, and 2023, respectively.

Lease

The Company has a verbal lease agreement with one of its Affiliate. Under the terms of the agreement, the Affiliate allows the Company to conduct its business operations without incurring any rental costs.

	<u>\$ 40,078</u>	<u>\$ 57,609</u>

5 - PROVISION / (BENEFIT) FOR INCOME TAXES

The current provision for income taxes consists of minimum state income taxes and deferred income taxes for the years ended December 31, 2024, and 2023.

The Company is not required to file an income tax return in Canada; instead, its franchisees are required to file a tax return based on gross receipts for which the Company reimburses them. Furthermore, the Company was not required to file income taxes in any other foreign jurisdictions, such as India, and any income or losses generated from conducting operations overseas are subject to income taxes in the United States of America.

As of December 31, 2024, and 2023, the Company has available unused net operating loss carryforwards of approximately \$2,832,000 and \$2,682,000 respectively, for federal income tax purposes which may be applied against future taxable income indefinitely.

Based on the available objective evidence, including the Company's history of losses, management believes it is more likely than not that the net deferred tax assets will not be fully realizable. Accordingly, the Company provided for a full valuation allowance against its net deferred tax assets as of December 31, 2024, and 2023.

Deferred income tax assets/(liabilities) consisted of the following as of December 31,:

	<u>2024</u>	<u>2023</u>

6 - COMMITMENTS AND CONTINGENCIES

Leases

The Company lease agreements consisted of regional office spaces and a warehouse, both located in New Jersey. Both leases were non-cancelable operating leases that expired in 2023, but one of the leases (the office space lease) was renewed in 2023 for five years. The renewed lease was recorded under the new lease accounting standard (see below), discounted using the risk-free rate of 4.29%.

Office space is subject to escalating rent payments. Under the terms of the lease agreement, the Company is responsible for insurance, maintenance, and real estate taxes associated with these facilities.

The Company determines if an arrangement is a lease at lease inception. Under the new lease standard, operating leases are included in the Right of Use assets – operating and lease liabilities - operating in the accompanying Balance Sheets. Leases with an initial term of 12 months or less are not recorded. Fixed lease expense for lease payments is recognized in the accompanying Statements of Operations on a straight-line basis over the lease term and variable lease payments in the period in which the obligation for those payments is incurred.

Right of Use assets represent the Company's right to use an underlying asset over the lease term and lease liabilities represent its obligation to make lease payments arising from the lease. Right of Use assets – operating and lease liabilities – operating are recognized at the lease commencement date based on the present value of lease payments over the lease term (Note 2).

During the years ended December 31, 2024, and 2023, the Company recognized \$79,203 and \$96,648 in operating lease expenses, respectively.

The Company's approximate annual undiscounted cash payments for an operating lease are as follows:

<u>Years Ending December 31,</u>	<u>Operating</u>
2025	\$ 73,000
2026	75,000

The operating lease expires in August 2028.

Finance leases represent office equipment leases and expire in 2025, and related right-of-use assets and lease liabilities financing leases were not significant as of December 31, 2024, and 2023.

Loss Contingencies

The Company may be subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its franchise business activities, including disputes with its franchisees. Based on their current knowledge, the Company does not believe that any current legal matters are likely to have a material adverse impact on their financial position, results of operations, or cash flows.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024, AND 2023

7 - COMPANY CONDITIONS

For the year ended December 31, 2024, the Company generated operating losses of approximately (\$231,000), and cash flows used in operations of approximately (\$62,000). Furthermore, for the year ended December 31, 2024, the Company incurred net losses of approximately (\$154,000).

The Company experienced a consistent decline in the number of operating franchises, as supplemental education industry struggled with recovery after the COVID-19 pandemic, leading to a corresponding reduction in royalty revenues. The Company plans on implementing aggressive marketing strategies to attract new franchisees and increase the number of students enrolling at the learning centers. Furthermore, the Company implemented an overhead cost reduction plan.

Even more, as of December 31, 2024, the Company has a working capital surplus of approximately \$2,125,000, due to the negotiation of repayment terms of its accounts payable due to Affiliates (Note 3). With the support from its Affiliates and Parent, and the implementation of overhead cost reduction and effective marketing plans, the Company assesses that it has sufficient liquidity to support its growth strategies and operations for a period of one year from the date that the financial statements are available to be issued.

8 - SUBSEQUENT EVENTS

The Company has evaluated events subsequent to December 31, 2024, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through February 13, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To Management and Members of
JEI Learning Centers, LLC
Los Angeles, CA

Opinion

We have audited the accompanying financial statements of JEI Learning Centers, LLC (a California limited liability company), which comprise the balance sheet as of December 31, 2023, and the related statements of operations, members' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JEI Learning Centers, LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JEI Learning Centers, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of JEI Learning Centers, LLC as of and for the year ended December 31, 2022, were audited by another auditor whose report dated March 13, 2023, expressed an unmodified opinion on these statements.

Emphasis of Matter

Management's plans with respect to recurring operating losses incurred by the Company are further discussed in Note 7 to the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JEI Learning Centers, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JEI Learning Centers, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JEI Learning Centers, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

JEI LEARNING CENTERS, LLC
(OWNED BY JEI HOLDINGS CORPORATION AND ITS SUBSIDIARIES)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1 - ORGANIZATION AND NATURE OF BUSINESS

Organization

JEI Learning Centers, LLC (the “Company” or “Successor”) was formed as a Limited Liability Company under the State of California statutes on October 27, 2020 (“Inception”). The Company is owned by affiliates (“Affiliates”) and JEI Holdings Corporation (“Parent”), which are headquartered in Seoul, South Korea. Affiliates are subsidiaries of the Parent.

Nature of Operations

The Company is a spun-off entity of a franchisor, JEI SELF-LEARNING SYSTEMS, INC. (“JSLS” or “Predecessor”), a related party through common ownership. JSLS was a franchisor of JEI Learning Centers, a neighborhood learning center, which grants its franchisees the right to use (i) education methods developed over decades by the Parent and Affiliate; (ii) proprietary, copyrighted course materials, and; (iii) JEI and other trademarks offered by JSLS and an Affiliate. Students enrolled in the JEI Learning Center classes range from Pre-Kindergarten to 9th grade and receive supplemental education.

The Company became a successor franchisor of JEI Learning Centers effective December 31, 2020, and subsequently obtained approvals to operate as a franchisor in all states that require registration.

The Company also operates its franchise business in foreign countries: Canada and India (Note 2).

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of the Company’s financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Significant estimates include credit losses for accounts receivable, and it is reasonably possible that changes may occur in the near term that would affect management’s significant estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents comprise bank accounts, and money market accounts free of encumbrances and with original maturities of less than three months. At times, the Company maintains bank and money market account balances in excess of federally insured limits. No losses have been experienced on such balances, and management believes the risk of loss to be minimal.

Accounts Receivable

The Company generally grants credit to its franchisees without collateral. Accounts receivable primarily represent royalties and related fees due from its franchisees.

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to allowance for credit losses for accounts receivable using an expected loss model that requires the use of forward-looking information to calculate the credit loss estimate. The expected loss methodology is developed through consideration of factors including, but not limited to, historical collection experience, current status of accounts, and future economic and market conditions for the aged accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit loss and a credit to accounts receivable. As of December 31, 2023, and 2022, the net accounts receivable balance due from franchisees located in Canada amounted to \$58,867 and \$150,343, respectively (Note 6). The total account balance due from a franchisee in India was not significant as of December 31, 2023, and 2022.

Estimated credit losses have been provided for in the financial statements and have been generally within management's expectations in the past.

Course Materials

Course materials consist of ready-to-use learning books used by franchises that are valued at the lower of cost or net realizable value (Note 3).

Investments

The Company invests in marketable securities of a publicly traded company on the Nasdaq Stock Exchange.

Investment in marketable securities is measured and recorded at fair value on a recurring basis based on quoted market prices (Level 1 input) and totaled \$1,970,417 and \$2,984,986 as of December 31, 2023 and 2022, respectively. Changes in fair value, whether realized or unrealized, are recorded in the accompanying Statements of Operations.

The cost basis of marketable securities was \$1,699,906 and \$2,746,947 as of December 31, 2023, and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (Continued)

The Company's investment account value may exceed the insurable limits under the Security Investor Protection Corporation ("SIPC"). No losses have been experienced on such balances, and management believes the risk of loss to be minimal.

Subsequent to December 31, 2023, in January 2024, the Company disposed of all its investments and transferred the proceeds into a money market account (Note 8).

Dividends declared on shares of common stock held by the Company are recognized as income on the dividend declaration date. During the years ended December 31, 2023, and 2022, dividends declared and received by the Company amounted to \$120,704 and \$130,491, respectively, which are classified as part of other income/(expenses) in the accompanying Statements of Operations.

Fair Value of Financial Instruments

The Financial Accounting Standards Board (FASB) issued ASC 820, which defines fair value, establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America, and expands disclosures about fair value measurements. The guidance clarifies that fair value is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The guidance establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable, accrued expenses and other current liabilities, and deferred revenues, are carried at cost, which approximates their fair value because of the short-term maturity of these instruments.

Property and Equipment

Property and equipment are recorded at their cost and are depreciated using the straight-line method over the estimated useful lives of the assets.

Leasehold improvements are depreciated over the shorter of their economic life or term of the lease. The estimated useful lives of property and equipment are as follows:

Machinery and equipment	5 years
Furniture and fixtures	7 years
Leasehold improvements	5 years

Normal repairs and maintenance are expensed as incurred, whereas significant charges that materially increase values or extend useful lives are capitalized and depreciated over the estimated useful lives of the related assets.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment (Continued)

Property and equipment, net of accumulated depreciation balance as of December 31, 2023, and 2022 were not significant. During the years ended December 31, 2023, and 2022, total depreciation expenses recorded amounted to \$1,630 and \$2,199, respectively. The total cost of property and equipment was \$14,560 as of December 31, 2023, and 2022, and related accumulated depreciation was \$12,603 and \$10,973, respectively, as of December 31, 2023, and 2022.

Refundable Deposits

Refundable deposits represent deposits made by franchisees for the purchase of an initial stock of course materials when the learning center initially opens. The initial course material deposit amount is netted with returned course materials in the event that the franchisee ceases to operate its learning center(s) and the remaining course material is returned to the Company, at which point the Company returns the deposits. As of December 31, 2023, and 2022, refundable deposits amounted to \$188,784 and \$172,794, respectively, and have been classified as part of non-current liabilities in the accompanying Balance Sheets.

Concentrations and Credit Risk

Financial instruments, which potentially subject the Company to credit risk, consist primarily of cash and cash equivalents, investments, and accounts receivable, for which the Company mitigates its losses by performing ongoing credit evaluations of its franchisees.

Below is a roll-forward of the Company's franchisees located in the United States and Canada for the years ended December 31, 2023, and 2022:

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Franchise Revenue Recognition

The Company records revenues in accordance with *Revenue from Contracts with Customers* ("ASC 606"). Under ASC 606, revenue is recognized when the Company satisfies a performance obligation by transferring a promised good or service to a customer. The Company generates all of its franchise-related fees from contracts with customers. The Company's franchise agreement provides for a five-year term and includes performance obligations as follows: protected territory designation, access to proprietary education methods and copy-righted course materials, pre-opening services such as initial training and advertising program development, and ongoing assistance and consulting services, promotion of brand name, marketing, and promotion items, operational computer software, and use of Company's intellectual property (i.e., trade names). These performance obligations are highly interrelated with the use of the Company's brand name and are considered to represent a single performance obligation. The franchise agreement permits the franchisees to renew the contract for an additional five years.

Franchise Fee and Transfer fee: the initial franchise fees are fully collectible and non-refundable when the franchise agreement becomes effective. The initial franchise fee is recognized on a straight-line basis over the initial five-year contract period as the performance obligations are delivered throughout the franchise contract term or remaining balance is fully amortized when the franchise location closes. The initial franchise fees are amortized as part of franchise fees on the accompanying Statements of Operations and amounted to \$66,822 and \$72,640 for the years ended December 31, 2023, and 2022, respectively. An unamortized and deferred portion of the initial franchise fee is classified as part of the deferred revenues in the accompanying Balance Sheets (see the below summary).

A transfer fee is charged by the Company when a new franchisee either purchases or assumes an existing franchise location from an existing franchisee. Under the revenue recognition standards, the Company also recognizes transfer fees received on a straight-line basis over the remaining five-year period as the contract modification is deemed a continuation of an existing franchise agreement. The transfer franchise fees amortized for the years ended December 31, 2023, and 2022 amounted to \$12,023 and \$11,844, respectively, and are classified as part of franchise fees on the accompanying Statements of Operations. An unamortized and deferred portion of the transfer fee is classified as part of the deferred revenues in the accompanying Balance Sheets (see the below summary).

Initial franchise fees and transfer fees amortized during the years ended December 31, 2023, and 2022, amounted to \$78,845 and \$84,484, respectively.

Deferred revenues consist of the following as of December 31,:

	<u>2023</u>	<u>2022</u>
Initial franchise fees	\$ 143,104	\$ 130,176
Transfer fee	36,857	21,879

Franchise Revenue Recognition (Continued)

Royalty fees charged to its franchisees are recognized by the Company monthly, calculated per the number of courses that the students take based on a pre-determined royalty fee matrix. The performance obligations by the Company relating to monthly royalty fees are satisfied as course materials are delivered to its franchisees and the month's end is reached. Royalties, net of discounts are \$1,119,512 and \$1,102,726 and have been reported and classified as part of net royalties and enrollment fees in the accompanying Statements of Operations for the years ended December 31, 2023, and 2022, respectively.

Enrollment fees are charged when students sign up for class(es) at the franchise locations and amounted to \$19,910 and \$17,346 for the years ended December 31, 2023, and 2022, respectively, which are classified as part of net royalties and enrollment fees in the accompanying Statements of Operations.

For the years ended December 31, 2023, and 2022, total revenues generated from franchisees located in Canada amount to approximately \$99,000 and \$122,000, respectively, and revenues from a franchisee located in India were insignificant for both years.

Marketing and Advertising

Marketing and advertising costs are expensed as incurred and amounted to approximately \$338,000 and \$604,000 during the years ended December 31, 2023, and 2022, respectively.

Income Taxes

The Company elected to be taxed as a C corporation at its inception.

Deferred tax assets and liabilities are determined based on the differences between financial reporting and tax basis of assets and liabilities and are measured using the enacted income tax rates and laws that are expected to be in effect when the temporary differences are expected to reverse. A valuation allowance is recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. The calculation of tax liabilities involves dealing with uncertainties in the application of complex tax regulations. If it is more likely than not that the tax position will not be sustained on audit, an uncertain tax position is recorded. The Company reevaluates these uncertain tax positions on an annual basis and assesses that there are no uncertain tax positions to account for as of December 31, 2023, and 2022. See further information related to income taxes in Note 5.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncements Adopted

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, *Leases (Topic 842)*. The Company has elected the package of practical expedient, using the modified retrospective method permitted in *ASC Topic 842*. Accordingly, the Company accounted for its existing operating lease as an operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under *ASC Topic 842*, (b) whether the classification of the operating lease and capital leases would be different in accordance with *ASC Topic 842*, or (c) whether the unamortized initial direct costs before transition adjustments (as of December 31, 2021) would have met the definition of initial direct costs in *ASC Topic 842* at lease commencement. As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022 (a) lease liabilities - operating leases of \$170,996 which represents the present value of the remaining lease payments of \$171,537 discounted using the risk-free rate of 0.44% since the rate implicit in leases was undeterminable, and the Company made an election to use the risk-free rate option available for private companies (Note 6). There were no lease incentives received or any unamortized initial direct costs.

In connection with the adoption of the new lease accounting guidance, the Company also recognized on January 1, 2022, a lease liability for finance lease obligations of \$23,952 and Right of Use Asset - financing leases for the same amount as the discount rate used (risk-free rate of 0.44%). There were no lease incentives received or any unamortized initial direct costs. The Company delayed recording capital lease obligations entered into in late 2021 and recorded them as part of adopting the new lease accounting standards effective January 1, 2022 (Note 6).

On January 1, 2023, the Company adopted *ASU 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326)*. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The Company adopted *CECL* using the modified retrospective method for all financial assets measured at amortized cost and off-balance sheet credit exposure. Results for reporting periods beginning after January 1, 2023, are presented under *ASC 326*, while prior period amounts continue to be reported in accordance with previously applicable GAAP. The adoption of this guidance did not have a material impact on the Company’s financial statements.

3 - RELATED PARTY TRANSACTIONS

Course Material Purchases

The Company exclusively purchases its course materials from one of its Affiliates. As of December 31, 2023, and 2022, the total accounts payable due to Affiliates amounted to \$2,357,660 and \$2,218,377, respectively. The accounts payable balance due to Affiliates has been transferred to the Successor by the Predecessor (Note 1), which represents an accumulated accounts payable balance due for purchases of course materials less the payments made over the years. Ordinarily, the accounts payable due to Affiliate are due 730 days or 2 years from the receipt of the course materials. However, as of December 31, 2023, and 2022, the Company negotiated its repayment terms whereby the Affiliates have agreed to receive \$175,787 in 2024 and the remaining balance of \$2,181,873 thereafter (Note 7). As such, \$2,181,873 has been classified as part of long-term liabilities in the accompanying Balance Sheet as of December 31, 2023.

During the years ended December 31, 2023, and 2022, the Company purchased \$133,690 and \$32,079 in course materials from the Affiliate, respectively.

Information Technology Service

An Affiliate of the Company has developed a website for the Company and billed \$68,088 for the services rendered in a prior year, for which the balance is included as part of the accounts payable to Affiliates. Instead of capitalizing some portion of these charges, the Company expensed them in their entirety since the website will be rebuilt in the near future.

Brand Usage Fee

The Company incurred and paid brand usage charges to the Parent for approximately \$1,000 in both years ended December 31, 2023, and 2022, respectively.

4 - ACCRUED EXPENSES AND OTHER CURRENT LIABILITIES

Accrued expenses and other current liabilities consist of the following as of December 31,:

5 - PROVISION / (BENEFIT) FOR INCOME TAXES

The current provision for income taxes consists of minimum state income taxes and deferred income taxes for the years ended December 31, 2023, and 2022.

The Company is not required to file an income tax return in Canada; instead, its franchisees are required to file a tax return based on gross receipts for which the Company reimburses them. Furthermore, the Company was not required to file income taxes in any other foreign jurisdictions, such as India, and any income or losses generated from conducting operations overseas are subject to income taxes in the United States of America.

As of December 31, 2023, and 2022, the Company has available unused net operating loss carryforwards of approximately \$2,817,000 and \$1,693,000, respectively, for federal income tax purposes which may be applied against future taxable income indefinitely.

Based on the available objective evidence, including the Company's history of losses, management believes it is more likely than not that the net deferred tax assets will not be fully realizable. Accordingly, the Company provided for a full valuation allowance against its net deferred tax assets as of December 31, 2023, and 2022.

Deferred income tax assets/(liabilities) consisted of the following as of December 31,:

	<u>2023</u>	<u>2022</u>
Allowance for doubtful accounts	\$ (7,500)	\$ (5,400)
Deferred revenues	48,100	8,100
Refundable deposit	(46,300)	(5,500)
Accrued expenses and other current liabilities	15,400	10,800
Unrealized holding (gains)/loss on investment	118,600	(118,700)
Net operating loss carryforward	<u>754,900</u>	<u>453,700</u>
Valuation allowance	<u>(883,200)</u>	<u>(343,000)</u>
	<u>\$ -</u>	<u>\$ -</u>

6 - COMMITMENTS AND CONTINGENCIES

Leases

In connection with the spin-off transaction, the Company assumed certain lease agreements consisting of regional office spaces and a warehouse, both located in New Jersey. Both leases are non-cancelable operating leases that expired in 2023, but one of the leases was on a month-to-month until later renewed in 2023 for five years. The renewed lease has been recorded under the new lease accounting standard (see below), discounted using the risk-free rate of 4.29%.

Office space is subject to escalating rent payments. Under the terms of the lease agreements, the Company is responsible for insurance, maintenance, and real estate taxes associated with these facilities.

6 - COMMITMENTS AND CONTINGENCIES (CONTINUED)

Leases (Continued)

The Company determines if an arrangement is a lease at lease inception. Under the new lease standard, operating leases are included in the Right of Use assets – operating and lease liabilities - operating in the accompanying Balance Sheets. Leases with an initial term of 12 months or less are not recorded. Fixed lease expense for lease payments is recognized in the accompanying Statements of Operations on a straight-line basis over the lease term and variable lease payments in the period in which the obligation for those payments is incurred.

Right of Use assets represent the Company's right to use an underlying asset over the lease term and lease liabilities represent its obligation to make lease payments arising from the lease. Right of Use assets – operating and lease liabilities – operating are recognized at the lease commencement date based on the present value of lease payments over the lease term (Note 2).

During the years ended December 31, 2023, and 2022, the Company recognized \$96,648 and \$132,151 in operating lease expenses, respectively.

The Company's approximate annual undiscounted cash payments for an operating lease are as follows:

<u>Years Ending December 31,</u>	<u>Operating</u>
2024	\$ 71,000
2025	73,000
2026	75,000

	343,000
Effect of discounting	<u>(26,000)</u>
Current portion	\$ 59,000
Non-Current portion	\$ 258,000

Finance leases represent office equipment leases and expire in 2024 and 2025, and related right-of-use assets and lease liabilities financing leases were not significant as of December 31, 2023, and 2022.

DECEMBER 31, 2023 AND 2022

7 - COMPANY CONDITIONS

For the year ended December 31, 2023, the Company generated operating losses of approximately (\$830,000), and cash flows used in operations of approximately (\$478,000). Furthermore, for the year ended December 31, 2023, the Company incurred net losses of approximately (\$1,114,000).

The global COVID-19 pandemic, which began on March 20, 2020, in the United States, has profoundly impacted the supplemental education industry for lower-grade students. Lockdown orders caused temporary closures of learning centers and a decrease in student attendance.

The Company experienced a significant drop in the number of operating franchises due to the pandemic, leading to a corresponding reduction in royalty revenues. As the impact of the Covid-19 pandemic waned, the Company anticipates its business recovery. The Company plans on implementing aggressive marketing strategies to attract new franchisees and increase the number of students enrolling at the learning centers. Furthermore, the Company implemented an overhead cost reduction plan expected to yield significant cost savings going forward.

Even more, as of December 31, 2023, the Company has a working capital surplus of approximately \$2,319,000, due to the negotiation of repayment terms of its accounts payable due to Affiliates (Note 3). With the support from its Affiliates and Parent, and the implementation of overhead cost reduction and effective marketing plans, the Company assesses that it has sufficient liquidity to support its growth strategies and operations for a period of one year from the date that the financial statements are available to be issued.

8 - SUBSEQUENT EVENTS

Subsequent to December 31, 2023, the Company sold all of its investments in common stock for a gain of approximately \$251,000 (Note 2).

The Company has evaluated events subsequent to December 31, 2023, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through February 20, 2024, the date the financial statements were available to be issued.

_____ **Renewal** _____ **Transfer** _____ **Termination**

THIS GENERAL RELEASE (“**Agreement**”) is made and entered into this _____, 20____ by and between JEI LEARNING CENTERS, LLC (“**Franchisor**”), and _____, a _____ (“**Releasor**”), wherein the parties hereto, in exchange for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, and in reliance upon the representations, warranties, and comments herein are set forth, do agree as follows:

1. In accordance with the requirements of the Franchise Agreement and in consideration of good and valuable consideration, the receipt and sufficiency is hereby acknowledged, Releasor does for itself, its successors and assigns, hereby release and forever discharge generally the Franchisor and, as applicable, its spouse, any affiliate, subsidiary, parent, successor or assign thereof and any owner, officer, director, partner, member, employee, trustee, or agent of any of them or any person claiming rights by or through them (“**Franchisor Parties**”), from any and all claims, demands, damages, injuries, agreements and contracts, indebtedness, accounts of every kind or nature, whether presently known or unknown, suspected or unsuspected, disclosed or undisclosed, actual or potential, which Releasor may now have, or may hereafter claim to have or to have acquired against them of whatever source or origin, arising out of or related to any and all transactions of any kind or character at any time prior to and including the date hereof, including generally any and all claims at law or in equity, those arising under the common law or state or federal statutes, rules or regulations such as, by way of example only, franchising, securities and anti-trust statutes, rules or regulations, including without limitation, in any way arising out of or connected with that certain Franchise Agreement by and between Franchisor and Releasor, dated _____ and all ancillary documents executed in connection therewith (“**Claims**”), and further promises never from this day forward, directly or indirectly, to institute, prosecute, commence, join in, or generally attempt to assert or maintain any action thereon against any of the Franchisor Parties in any court or tribunal of the United States of America, any state thereof, or any other jurisdiction for any matter or claim arising before execution of this Agreement. In the event Releasor breaches any of the promises, covenants, or undertakings made herein by any act or omission, Releasor shall pay, by way of indemnification, all costs and expenses of the Franchisor Parties caused by the act or omission, including reasonable attorneys’ fees.

2. Releasor represents and warrants that no portion of any Claim has been assigned or transferred by Releasor to any other party, firm or entity in any manner including, without limitation, assignment or transfer by subrogation or by operation of law. In the event that any Claim shall be made or institute against any Franchisor Party because of any such purported assignment, transfer or subrogation, the assigning or transferring party agrees to indemnify and hold such Franchisor Party free and harmless from and against any such Claim, including reasonable costs and attorneys’ fees incurred in connection therewith.

3. Releasor acknowledges and warrants that its execution of this Agreement is free and voluntary. Releasor also acknowledges that it has been given a reasonable and sufficient period of time within which to consider, sign and return this Agreement.

4. New Jersey law shall govern the validity and interpretation of this Agreement, as well as

the performance due thereunder, without regard to New Jersey's provisions for conflicts of laws. This Agreement is binding upon and inures to the benefit of the respective assigns, successors, heirs and legal representatives of the parties hereto.

5. In the event that any action is filed to interpret any provision of this Agreement, or to enforce any of the terms thereof, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred therein, and said action must be filed in the State of New Jersey and is subject to the dispute resolution provisions of the Franchise Agreement.

6. This Agreement may be signed in counterparts, each of which shall be binding against the party executing it and considered as the original.

7. It is the intention of the parties that this Agreement shall be effective as a full and final accord and satisfaction and release of all Claims by Releasor. Releasor further expressly waives and relinquishes all rights and benefits afforded by Section 1542 of the Civil Code of California or any other state laws, and does so understanding and acknowledging the significance and consequences of such specific waiver of Section 1542. Releasor acknowledges that it is or may be represented by counsel, and acknowledges that it is familiar with the provisions of California Civil Code Section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Nevertheless, Releasor hereby waives and relinquishes every right or benefit which it has under Section 1542 of the Civil Code of the State of California (and any similar statute and principle of law), and under any similar law of any other applicable jurisdiction and understands the consequences of such waiver and assumes full responsibility for any injuries, damages and losses which it may incur in connection with this Agreement. Releasor acknowledges that it may later discover claims or facts in addition to or different from those set forth in this release and which, if known or suspected at the time of executing this release, may have materially affected this Agreement. Nonetheless, notwithstanding the provisions of Section 1542, and for the purpose of implementing a full and complete release and discharge of all claims, Releasor expressly acknowledges that this Release is also intended to include in its effect, without limitation, all claims which they do not know or expect to exist in their favor at the time of execution hereof, and that this Agreement contemplates the extinguishment of any such claim or claims. Releasor waives any rights, claims or causes of action that might arise as a result of such different or additional claims or facts.

8. Releasor acknowledges that it has been advised to and has had the opportunity to consult with attorneys and other advisors of its choosing, and to conduct whatever investigation or inquiry it deems appropriate before signing this Agreement. Releasor acknowledges that no representation, promise or inducement not contained in this Agreement or in the documents referred to in it was made to it. Releasor certifies that Releasor has read and understands the terms of this Agreement, and that execution of this Agreement indicates that it conforms to Releasor's understanding and is acceptable to Releasor as a final agreement.

MINNESOTA LAW MODIFICATION

1. The Commissioner of Commerce for the State of Minnesota requires that certain provisions contained in franchise documents be mended to be consistent with Minnesota Franchise Act, Minn. Stat. Section 80C.01 et. seq., and the Rules and Regulations promulgated under the Act (collectively, “**Franchise Act**”). To the extent that the Agreement and/or Franchise Disclosure Document contains provisions that are inconsistent with the following, such provisions are hereby amended:

a. The Minnesota Department of Commerce requires that franchisors indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee’s use of the franchisor’s proprietary marks infringes trademark rights of the third party.

b. Minn. Stat. Sec. 80C.14. Subds. 3, 4, and 5 requires, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement. If the Agreement contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

c. If the Franchisee is required in the Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Franchise Act.

d. If the Agreement requires that it be governed by the law of a State other than the State of Minnesota or arbitration or mediation, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.

e. Any provision that requires the Franchisee to consent to a claims period that differs from the applicable statute of limitations period under Minn. Stat. 80C.1, Subd. 5, may not be enforceable under Minnesota law.

2. Minn. Stat. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Franchise Disclosure Document or Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes Ch. 80C, including your rights to any procedure, forum, or remedies provided for in that law.

3. The Agreement and/or Franchise Disclosure Document is hereby amended to delete all referenced to Liquidated Damages (as defined) in violation of Minnesota law; provided, that no such deletion shall excuse Franchisee from liability for actual or other damages and the formula for Liquidated

Damages in the Agreement and/or Franchise Disclosure Document shall be admissible as evidence of actual damages.

4. To the extent required by Minnesota Law, the Agreement and/or Franchise Disclosure Document is amended to delete all references to a waiver of jury trial.

5. All sections of the Agreement and Franchise Disclosure Document referencing Franchisor's right to obtain injunctive relief are hereby amended to refer to Franchisor's right to seek to obtain such relief.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement; or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Any provisions in the Franchise Agreement that constitute Acknowledgements, as defined in the NASAA Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgements adopted on September 18, 2022 and effective January 1, 2023 ("SOP"), shall not apply to prospective franchisees who are subject to the anti-waiver provision of the Minnesota Franchises Law.

8. Each provision of this State Addendum shall be effective only to the extent that the jurisdictional requirements of Minnesota Law applicable to the provision are met independent of this State Addendum. This State Addendum shall have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, Franchisee on behalf of itself and its owners, acknowledges that it has read and understands the contents of this State Addendum, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this State Addendum and be bound thereby.
