As a franchisee you will perform residential and commercial bathroom and kitchen remodeling, cabinet refacing, safety and mobility modifications and other interior remodeling, and perform related services and sell related products. You will focus primarily on interior remodeling but will also provide exterior remodeling and restoration projects as needed.

The total investment necessary to begin operation of a DREAMMAKER BATH & KITCHEN® franchise ranges from \$235,075 to \$507,231. This includes \$121,365 to \$177,190, plus \$240 per 1,000 population for additional territory, that must be paid to the franchisor or affiliate. If you choose to also purchase the option to acquire an additional territory, you must also pay to franchisor or affiliate 10% of the initial franchise fee for that territory, equaling \$4,800 to \$8,400, plus \$24 per 1,000 population for additional territory. If you are acquiring an existing franchised business, you must also pay franchisor or affiliate a \$5,000 resale training fee and \$3,750 initial sales education fee.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN NOTICE

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a Franchisee to join an association of Franchisees.
- (b) A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel that deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, that in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than five years and (ii) the Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the Franchisee does not receive at least six months advance notice of Franchisor's intent not to renew the franchise.
- (e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision that permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the Franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to

Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

- (i) A provision that permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

ITEM 1

THE FRANCHISOR, AND ANY PARENT, PREDECESSORS AND AFFILIATES

For ease of reference in this disclosure document, the franchisor is referred to as “we,” “us” or “our,” and sometimes “DreamMaker” and the person who is considering the franchise is referred to as “you” or “your.” The business that is operated under the Franchise Agreement is referred to as the “franchise” or the “franchised business” and the right to operate granted by the Franchise Agreement is sometimes referred to as the “license” or “franchise.” If you are a legal entity, certain provisions of the Franchise Agreement and related agreements apply to your shareholders, officers, directors, members or partners individually. These provisions are noted.

This disclosure document outlines and summarizes some contractual obligations of both the franchisor and the franchisee which are found in the Franchise Agreement and other agreements. For ease of reference and understanding, these obligations may be paraphrased or described in general terms in this document. Such outlines or summaries do not supersede, replace or modify the actual text of the obligation contained in the relevant agreement.

The Franchisor, and any Parents, Predecessors, and Affiliates

The franchisor is Worldwide Refinishing Systems, Inc. We were incorporated in the State of Texas on October 7, 1975, under the name Gnu Services Corporation. We changed our name to Worldwide Refinishing Systems, Inc. on December 15, 1988. We maintain our principal place of business at 4547 Lake Shore Drive, Suite 202, Waco, Texas 76710. We do business under our corporate name and have done business under the name DREAMMAKER BATH AND KITCHEN® since June 15, 1999. We have no predecessor or parent company. We have no affiliated companies. We do not engage in any other business activity. Our agents for service of process are listed on Exhibit E.

From 1975 to 1995, we offered franchises which refinished, repaired and replaced porcelain, laminate, wood, ceramic tile, cultured marble, fiberglass and other surfaces. Since 1996, we have offered franchises of the type described in this disclosure document. We offer these franchises as a “Start-Up Franchise” or you have the option to rebrand your existing business to a DREAMMAKER BATH & KITCHEN® business (a “Rebranded Franchise”). We do not own or operate any franchises. We have not offered franchises in any other line of business.

Description of the Franchise

You will perform residential and commercial bathroom, kitchen, and interior remodeling, cabinet refacing, safety and mobility modifications, and perform related services and sell related products. You will focus primarily on interior remodeling but will also provide exterior remodeling and restoration projects as needed. You will operate the franchised business under our service mark DREAMMAKER BATH & KITCHEN® and the additional principal service marks, trademarks, trade names, logos, emblems, slogans or indicia of origin which are or may be designated by us in the future (the “Marks”) for use in accordance with the methods and processes developed by us in connection with the franchise (the “System”) within a specified geographical area (the “Territory”). Our standard form of Franchise Agreement is attached to this disclosure document as Exhibit B.

Market and Competition

There are other nationally recognized trade names in the remodeling industry. The franchise offers services to the general public, including residential and commercial customers, and the services are offered in a developed market. You will compete with local and national remodeling businesses when you open for business or sometime in the future as the remodeling businesses expand.

Industry Specific Regulations

Your locality may have licensing requirements for performing remodeling services. You must comply with all Federal, state and local regulations concerning the franchise, including all laws and regulations

concerning the proper handling of blood borne pathogens, chemicals and hazardous wastes. You must obtain any permits or contractor's licenses required in your locality. Your territory may require that your franchise be bonded. These laws vary from place to place and they could affect the operation of your franchised business.

ITEM 5 INITIAL FEES

Initial Franchise Fee

When you sign the franchise agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us an initial franchise fee. The initial franchisee fee is \$48,000 for a Territory with a population of 200,000 (which is the minimum Territory you may purchase for more rural and less densely populated areas) plus \$240 per additional 1,000 population, or \$84,000 for a Territory with a population of 350,000 (which is the minimum Territory you may purchase for more densely populated and urban areas) plus \$240 per additional 1,000 population. Because all franchisees who purchase a Territory with a population of at least 350,000 will qualify for the Population Discount, the actual initial franchise fee for a Territory for a population of 350,000 is \$75,600. The initial franchise fee for a territory with a population of more than 300,000 is eligible for the Population Discount, described below. The initial franchise fee is nonrefundable. Financing for the initial franchise fee may be available as noted in Item 10.

Franchise Development Package

Before you begin the operation of the franchise, you must pay us \$22,495 for our franchise development package, which includes initial sales training and contains many of the items you will need to equip your franchise in accordance with our standards and specifications. All orders of the package must be placed prior to the first anniversary of the Effective Date of the Franchise Agreement or those funds will be forfeited. The purchase price is nonrefundable. We do not finance the franchise development package.

Initial Advertising and Promotional Deposit

When executing the Franchise Agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us an amount between \$36,000 and \$60,000, to be determined in our discretion, which we will hold as a deposit. At least \$12,000 of the deposit amount, or such other greater amount we determine (the “Franchisor’s Draw”), will be spent by us on advertising and promotional activities connected with your franchised business. The remainder of the deposit will be returned to you as you incur expenditures related to approved advertising and promotional activities. The lower range of the deposit amount applies to Rebranded Franchises who have employed a marketing coordinator, while the higher range applies to Start-Up Franchises. We will provide you with a list of approved advertising and promotional activities on which this amount can be spent and, once you submit to us proof that you have incurred such related expenses, we will return to you the related expenditure amount, up to the deposit amount, less the Franchisor’s Draw. You must hire one part-time employee (a minimum of 16 hours per week) to serve as the marketing coordinator for the franchised business. The marketing coordinator’s wages during the first nine months of employment are subject to reimbursement from the deposit. Your marketing coordinator must be hired and begin employment no later than 30 days after your completion of Simulation Training. You may submit for our approval additional types of advertising and promotional activities; however, you must receive our written approval in order to request that the amount be drawn from your deposit.

If you do not submit proof of approved advertising and promotional expenditures at least up to the amount of the remainder of your deposit within 24 months from the Effective Date of the Franchise Agreement the balance will be forfeited. The deposit is refundable before the completion of Simulation Training if the

Franchise Agreement terminates for any reason, less any expenditure already incurred in connection with your franchised business. Beginning as of completion of Simulation Training, however, the deposit is only refundable as described above.

Initial Accounting Services Fee

When you sign the Franchise Agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us an amount between \$3,275 and \$7,500 to be determined in our discretion, which will pay for services from our designated bookkeeping and accounting services provider for a period of 12 months following the sale of your first DreamMaker project. The lower range of the deposit amount applies to Rebranded Franchises, while the higher range applies to Start-Up Franchises. This payment is nonrefundable.

Design Center Deposit

When executing the Franchise Agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us \$5,000 which we will hold as a deposit.

- 1) \$2,500 will be returned to you upon execution of a commercial lease through our designated representative and in accordance with this Franchise Agreement; and
- 2) The remaining \$2,500 will be returned to you within thirty days of completion of the following:
 - a) Obtaining an approved design for your Design Center. To ensure approval of the design for your Design Center, the design must be completed by our preferred designer;
 - b) Submission of an estimate for your design center buildout using our required estimating software with sufficient detail, as we reasonably require, and you review your submissions with your franchise coach to our satisfaction; and
 - c) Operating from an approved design center, opened in compliance with the Franchise Agreement, within 12 months of the Effective Date of the Franchise Agreement.

Except as noted above, the deposit is otherwise nonrefundable.

Software Support Fee

When you sign the Franchise Agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us a software support fee of \$4,495 for training, development, and other support services related to your use of our required accounting software (the “Financial System”) and customer relationship management software (“Customized Management Software”). The software support fee is fully earned upon payment and is nonrefundable.

Initial Education Fee

When executing the Franchise Agreement, which will be at least 14 days after you receive this Disclosure Document, you will pay us \$2,100 for an Initial Education Fee. The \$2,100 will be returned to you upon your attendance, in its entirety, of the first network training event (i.e. January Workshop or Reunion) that occurs after the execution of the Franchise Agreement. If you fail to attend the first network training event, this fee is nonrefundable.

Discount Programs

Our discount programs are described below:

Cash Discount

If you pay us the entire initial franchise fee in cash before the expiration of 60 days from the effective date of your Franchise Agreement, we will discount the initial franchise fee by 5%.

Population Discount

If you purchase a territory containing a population of 300,000 or more we will discount the initial franchise fee by 10% to 25%, depending on the population of the territory, as shown in the chart as follows:

Percentage Discount	Population
10%	300,000 - 399,999
20%	400,000 – 499,999
25%	500,000 and over

The Population Discount is based on the population of the territory you purchase at the time you sign the Franchise Agreement and not on the combined population of the territory you purchase, and any territory included in an option.

Roll-In Discount for Existing Business

If you have an existing business with annual gross sales of \$100,000, which is similar to the franchise and you agree to merge the business with the franchised business, we will discount the initial franchise fee by 1% for every \$30,000 in annual Gross Sales you agree to “roll-in” to the franchise, up to a maximum discount of 50%.

HIRE Discount for Employees of Franchisees

We have a discount program to reward qualified employees of our franchisees who have been recommended by their employer, have been employed by our franchisee for at least two years, and who otherwise qualify to be our franchisee, calculated as follows:

Percentage Discount	Years of Consecutive Employment
10%	2
15%	3
20%	4
30%	5
40%	6
50%	7

Franchises granted by us under the HIRE Program will generally contain a population of 200,000. The HIRE Discount applies only to the first 200,000 of population and does not apply to any additional initial franchise fee. If you wish to acquire a territory containing a population of more than 200,000, you must pay the additional initial franchise fee at our usual rates except for territories of more than 350,000 of population in which you may qualify for the Population Discount (see discount rates above).

VetFran Discount

We are a member of the International Franchise Association and we participate in the International Franchise Association’s VetFran Program. If you are an honorably discharged veteran who meets our qualifications for purchasing a franchise, we will discount the initial franchise fee by 20%. To qualify for the VetFran Discount, you must provide us with a copy of your Certificate of Release or Discharge from Active Duty (DD-214 form). The VetFran Discount, however, cannot be used to purchase an Option for Additional Territory, as described below and cannot be used in addition to the First Responder discount described below.

First Responder Discount

We offer a “First Responder” discount. If you are or have been a police officer, firefighter, or paramedic/emergency medical technician (EMT) who meets our qualifications for purchasing a franchise, we will discount the initial franchise fee by 20%. To qualify for the First Responder discount, you must have been gainfully employed as First Responder for a minimum of five years and any required certificates or licenses must be in good standing with the appropriate associations. The First Responder Discount, however, cannot be used to purchase an Option for Additional Territory, as described below and cannot be used in addition to the VetFran Discount described above.

NARI Membership Discount

We are a member of the National Association of the Remodeling Industry (NARI). If you are an active NARI member at the time you receive this Disclosure Document and you meet our qualifications for purchasing a franchise, it is our current practice to discount the initial franchise fee by \$5,000. We may change this practice at any time.

Combination and Application of Discounts

The VetFran discount or the First Responder discount may be used with any one of the other discounts, described above, except the NARI Membership Discount. If you qualify for the VetFran discount or the First Responder discount, the initial franchise fee will be discounted by 20% and the second discount will be applied to further reduce the discounted balance. The NARI Membership Discount cannot be used with the VetFran discount or the First Responder discount. You may not use both the VetFran discount and the First Responder discount together.

You may use the Cash Discount and either the Territory Discount or the Roll-In Discount. You cannot use both the Roll-In Discount and the Territory Discount. If you qualify for both the Roll-In Discount and the Cash Discount, these discounts will be calculated as shown in the following example: You agree to “roll-in” \$1,500,000 in annual Gross Sales from an existing business you own, and you also agree to pay the initial franchise fee in cash. On an initial franchise fee of \$100,000, you first receive a 50% Roll-In Discount on the initial franchise fee, reducing the initial franchise fee to \$50,000. You will then receive a 5% Cash Discount on the discounted initial franchise fee of \$50,000, reducing the initial franchise fee to \$47,500.

You cannot use the HIRE Discount with any other discount except the Cash Discount.

If you qualify for the VetFran, First Responder, or HIRE discounts, the qualifying individual must have and maintain during the term of the Franchise Agreement a 51% majority interest in the beneficial ownership and voting interest of the franchisee if the franchisee is a corporation, partnership or other entity (not a natural person).

The above examples are for illustration only. Any questions about application or combination of discounts, including questions about the order in which discounts may be applied, will be resolved by us in our sole discretion.

Option for Additional Territory

You may, if qualified, purchase a one-year (18 months in the case of a Start-Up) option on additional territory by paying us a fee of 10% of the initial franchise fee for the territory you wish to buy when you purchase a franchise.

You must sign an Option to Purchase Agreement (attached as Exhibit F-6 to this disclosure document). At any time within the one-year (or 18 months for Start-Ups) period beginning from the effective date of your Franchise Agreement you may purchase the additional territory by paying us the balance of the initial franchise fee. The 10% deposit will be applied to the purchase price. We do not refund your deposit if you decide to not purchase the additional territory. You may also acquire an additional territory during the term of the Franchise Agreement by entering into another Franchise Agreement for the additional territory or, at our option, an amendment to your existing Franchise Agreement, for that particular territory if available. When you purchase additional territory, whether or not through the Option to Purchase Agreement we may

require that you sign a general release releasing us from all claims you may have except claims which, under state law, may not be released.

Additional Training Costs

You must complete our Foundations Prep Training, complete Foundations Core Training and complete our Simulation Training before you begin operating the franchise.

You may send three people (including you) through Foundations Core Training at no additional cost. If you wish to send additional employees through Foundations Core Training, before training begins, for each employee, you must pay us \$2,000, which will be refunded if the additional employees do not attend training.

Brand Protection Fund

We have the right to require you to participate in our Brand Protection Fund (“BPF”) and make an initial contribution of \$5,000 to the BPF when you sign the Franchise Agreement or at such later time as we may require. In the event we impose this fee, the initial contribution is subject to reimbursement from the Initial Advertising and Promotional Deposit. Additionally, we reserve the right to require a monthly contribution in an amount we designate, not to exceed 2% of Gross Sales, to be paid to the BPF. The Brand Protection Fund contribution is nonrefundable and uniform for all new franchisees.

Fees and Costs Specific to the Purchase of an Existing Franchised Business

You may acquire an existing franchised business on terms negotiated between you and our franchisee, subject to the transfer provisions of our franchisee’s agreement with us. You must pay us a Resale Training Fee of \$5,000 if you purchase an existing franchised business, which is due and payable before closing on the purchase of the business. If you acquire an existing franchised business, you must also pay the Initial Sales Education Fee of \$3,750 and require your Operating Principal to participate in this sales-related training program. We also may require you to pay the Initial Accounting Services Fee (ranging from \$3,275 to \$7,500) as described above. These payments are nonrefundable. The Resale Training Fee and Initial Sales Education Fee are uniform for all franchisees purchasing an existing franchised business. We will determine the amount of the Initial Accounting Services Fee, if any, based on our assessment of your bookkeeping experience and capabilities.

If we are sued because of something you do or fail to do, you must indemnify us and/or reimburse us for all costs, including reasonable attorney's fees (which may include outside counsel fees and in-house legal costs charged at rates comparable to outside attorneys), court costs and expenses we incur.
Brand Protection Fund	Initial contribution \$5,000	On demand	A brand protection fund may be established. If such a fund is established, you must pay us \$5,000 for an initial contribution to the fund. The initial contribution to the fund is subject to reimbursement from the Initial Advertising and Promotional Deposit. Additionally, if the fund is established, we may require monthly contributions, not to exceed 2% of Gross Sales. This contribution is not refundable.

Note 1. All fees are imposed by us and are payable to us. All fees are non-refundable and we may require that all fees, including late fees and interest charges, be paid by automatic bank draft. For the calendar year 2025, MAP Fees will be capped at \$50,000 for new franchisees but may be capped at a different amount for franchisees who entered into Franchise Agreements before the date of this disclosure document.

Note 2. During the term of the Agreement, beginning the first full week after the eight-month anniversary of the Effective Date of the Franchise Agreement, you must begin to report Gross Sales and pay us a weekly Royalty Fee based on your annual aggregate Gross Sales, as indicated in the chart below. The Gross Sales calculation will be based on reports due to us during the period beginning on January 1st and ending on December 31st of each calendar year. As reports are due on a weekly basis, the first report of each year may include Gross Sales from the previous year.

Annual Aggregate Gross Sales	Royalty Fee Percentage
\$0 – \$749,999	7%
\$750,000 – \$1,499,999	6%
\$1,500,000 – \$2,499,999	5%
\$2,500,000 – \$3,999,999	4%
\$4,000,000 – over	3%

If you have an existing business which is similar to the franchise and you agree to merge the existing business with the franchise, we will discount the Royalty Fee according to the rates in the following chart on the “rolled-in” Gross Sales and discount the MAP Fee to 1% of the “rolled-in” Gross Sales for a certain period of time based on the amount of Gross Sales you “roll-in”:

Annual Gross Sales Rolled-In	Royalty Fee Percentage
\$0 – \$499,999	4%
\$500,000 – \$999,999	3.5%
\$1,000,000 – \$1,500,000 ²	3%

You will still be required to pay us an additional Royalty Fee and MAP Fee at the rate stated in the chart above in this Note 2, on the combined sales volume if you exceed, in any given year, the annual Gross Sales “rolled-in”. The discounted fees on the “rolled-in” Gross Sales apply for the time periods shown below:

Amount Rolled-In	Years
Up to \$100,000	0
\$100,001 and over	2

For additional information for an existing business with \$100,001 or more of Gross Sales that you merge or “roll-in” with the franchise, see Exhibit F-3 of this disclosure document.

Note 3. Gross Sales means all revenues of the franchised business, being all revenues from services performed from, through, by or on account of the operation of the franchise and/or revenues from the sale of products, less the amount of sales tax or similar receipts which, by law, are chargeable to customers, if such taxes are separately stated when the customer is charged and if such taxes are paid to the appropriate taxing authority. Gross Sales does not include any bona fide refunds, rebates or discounts granted in the ordinary course of business. Gross Sales includes all sales, whether cash or credit, including, credit card and debit card transactions and payments using a check, via wire transfer, or any other form of electronic or digital payment, with payment received at the time the debit, charge, check, or payment is made. If a transaction that was included in a prior period’s report of Gross Sales is subsequently determined to be uncollectible, that amount will be allowed as a credit against the Gross Sales reported to us for the period in which the determination is made. Gross Sales does not include income generated by your operation of any competitive business identified on Exhibit B-1 of the Franchise Agreement (“Competitive Business”) if (i) the operation of the Competitive Business does not interfere with your operation of the franchised business; (ii) you do not utilize our Marks, System and Confidential Information in the operation of the Competitive Business; (iii) the Competitive Business does not directly compete with the franchise by offering the same services and/or products as the franchise; and (iv) you maintain separate books and records for each of the franchise and the Competitive Business. If you keep separate sales accounts and costs of sales accounts within an existing bookkeeping system, we will consider the separate books and records requirement to have been met. You must agree to make the books and records for your Competitive

Business available to us upon reasonable prior written notice so that we may verify your compliance with the requirement concerning separate books and records.

If you have an existing business with work that was started prior to execution of the Franchise Agreement, then, beginning with the Monday following the completion of Simulation for the jobs which you have already received a deposit or design fee but no construction has started, you must report all Gross Sales received from this date on. For jobs where construction started before this date you do not have to report Gross Sales received from that job.

Note 4. Beginning six months after the Effective Date of the Franchise Agreement, and continuing throughout the franchise term, you must pay us a Continuing Education Fee of \$350 per month via automatic bank draft. If you meet certain requirements, it is our current policy to rebate you for attending certain specified training meetings. For the first meeting, we will rebate \$2,100, the amount of the Initial Education Fee paid to us; for each additional meeting, we will reimburse you \$2,100. Total rebate, for any year, will not exceed the sum of your Continuing Education Fee payments or \$4,200. To qualify for rebate, you must be in compliance under the terms of the Franchise Agreement, current in all payments due, including the Continuing Education Fee, and you must attend the training meeting in its entirety. Currently, January Training Workshop and Reunion are the only meetings that qualify for this payment. Your rebate payment will be processed and sent to you in the time and manner we determine. The \$350 monthly fee is not refundable, will not be kept in a separate account or fund and will not be separately accounted for. We may modify or discontinue this policy at any time. If you are not current in payments owed to us, but have attended or completed a qualified event, we reserve the right to apply each \$2,100 payment you are entitled to receive towards your overdue amount in lieu of remitting cash to you.

Note 5. We may increase the Minimum Royalty Fee each January by an amount equal to the increase, if any, in “The Consumer Price Index for All Urban Consumers, U.S. City Average, All Items” published by the U.S. Bureau of Labor Statistics, or any successor or substitute index appropriately adjusted. It shall never be increased more than once per calendar year and it will never be increased by more than \$50 per week in any calendar year period. The population in your territory is subject to increase January 1st of each year by an amount equal to the estimated population increase prepared by the U.S. Census Bureau or any substitute source. If you are renewing your Franchise Agreement, the Minimum Royalty Fee begins with the first week of the term of the renewal Franchise Agreement and is the greater of the Minimum Royalty Fee in the renewal Franchise Agreement or the Minimum Royalty Fee in your existing Franchise Agreement.

Note 6. Construction designs and plans must be approved by us before construction begins. If you do not get our written approval of your designs and plans before construction begins you must pay us a \$5,000 construction design review fee and our then-current charge for travel fee (currently the charge is \$3,000). Our approval must be in writing and applies to all designs, plans and modifications to designs and plans. Upon review, any required modifications must be made and paid for by you.

Note 7. If you violate the covenant against competition or other confidentiality provisions, we may, at our option, demand liquidated damages equal to 104 times the sum of largest weekly Royalty Fee and largest weekly MAP Fee paid by you to us during the term of this Franchise Agreement. The Existing Business Addendum, Exhibit F-3 to this disclosure document, provides for liquidated damages according to a formula based on the amount of time you violate co-branding provisions if we do not or cannot obtain equitable relief.

Totals (see Note 16)	\$235,075 to \$507,231 plus any additional franchise fee				

Note 1. For all items in the table above other than those that you pay to us at signing of the Franchise Agreement you must arrange up front the required amounts in a bank account or have a dedicated line of credit. We will require evidence to our satisfaction that these arrangements have been made. If you purchase

an existing franchised business, you will not pay an initial franchise fee but will pay us a \$5,000 Resale Training Fee and a \$3,750 Initial Sales Education Fee.

Note 2. The minimum initial franchise fee to be paid to us is \$48,000 for a Territory containing a population of 200,000, which is the minimum Territory you may purchase for more rural and less densely populated areas; or an initial franchise fee of \$75,600 (which includes the Population Discount) for a Territory containing a population of 350,000, which is the minimum Territory you may purchase for more densely populated and urban areas. You may purchase a Territory of up to a 1,000,000 in population where the Initial Franchise Fee is calculated as \$240 per 1,000 population. You must pay to us an initial franchise fee of \$48,000. However, there are certain situations in which you might qualify for a discount on the initial franchise fee as described in Item 5. You must pay the initial franchise fee in full when you sign the Franchise Agreement. We may agree to finance a portion of the initial franchise fee, depending upon your credit-worthiness, the collateral which you have available to secure the loan and our then-current lending policies, as explained in Item 10. Monthly loan payments depend upon the amount financed. The initial franchise fee is not refundable except as described in Item 5. A territory will generally contain a population ranging from 200,000 to 1,000,000. A larger territory may be allowed under certain exceptional circumstances to be determined at our discretion. See Item 10 for more information about financing.

The numbers in the chart do not reflect the 20% veteran's or first responder's discount. If you qualify for our veteran's or first responder's discount, as described in Item 5, your estimated initial investment ranges from \$225,475 to \$492,111.

Note 3. Upon signing the Franchise Agreement, you must pay us a software license fee of \$4,495. We may increase these fees, and/or modify the services that are provided by us or our designee for these fees, but we will notify you of any changes applicable to you. We may remit a portion of this fee to a service provider and retain a portion of the fee to cover our costs and development.

Note 4. At least one full-size cargo van, truck-enclosed trailer combination or truck-camper-top combination (vehicle) is required. Minimum acceptable enclosed trailer size is 6' x 10' with a minimum height of 6'6". Trailers must meet quality standards comparable to Wells Cargo® brand. A camper top cannot have windows, must be professional in appearance and satisfactory in appearance to us.

Each vehicle must not be more than four years old at the time of acquisition, in excellent condition, white in color (including truck-enclosed trailer combination) and have the required graphics decal/wrap package, including Marks professionally applied before the vehicle is put into service. We do not sell or lease vehicles. An existing vehicle can be converted for use in the franchised business or you may choose to acquire a vehicle; either must meet our specifications. One graphics wrap set featuring our Marks for a standard van is included in your franchise development package. You must purchase a graphics wrap set for each additional vehicle from our preferred vendor. The low figure assumes you currently own a full-size cargo van or truck that meets our qualifications. The high figure assumes that you are purchasing or leasing a cargo van or truck that is four years old or newer, and financing a \$25,000 total purchase price over three years. The high figure represents a 20% down payment, plus taxes, title and registration, and nine months' finance payments of \$664 each. The estimated cost range reflects the cost of acquiring a vehicle only that meets our standards, not including the graphics wrap package. You may customize your vehicle wrap to include additional approved information for an additional charge.

Note 5. If you already own an existing business similar to the franchise, you will own much of the necessary equipment, supplies and inventory, including computer hardware and software, to begin the operation of your franchise. The low estimate shown here assumes that you already own an existing business similar to the franchise with many of these necessary items. However, you must get approval for items such as computer hardware and software because all of these items must meet our specifications. The high estimate shown here assumes you do not own an existing business, and includes office and field equipment, software and printer, etc., including inventory and supplies needed to equip your franchise in accordance with our standards. Both estimates include printed material (i.e., business cards, stationery, brochures, marketing

materials, etc.), certain software packages, the franchise development package that must be purchased from us for \$22,495, and initial sales training.

Note 6. You must purchase the insurance coverage described in Item 8. If you do not, we can purchase it for you and bill you for our costs. Insurance costs will vary depending on such factors as the number of vehicles to be insured, your driving record (or your employees' driving records), the insurer you choose, your location and other factors bearing on risk expense practices which apply to your locality.

Note 7. You will need to advertise locally in the start-up phase of your franchise to help establish name recognition in your locality, as well as generate customer leads. You are also required to hire a part-time marketing coordinator (minimum of 16 hours per week). You may receive reimbursements up to \$12,000 from your Initial Advertising and Promotional Deposit during the first year of operation for the marketing coordinator's wage. This deposit amount will be paid to us and returned to you as described in Item 5 and Item 11.

Note 8. The fee will be returned to you upon your attendance, in its entirety, of the first network training event (i.e. January Workshop or Reunion) that occurs after the execution of your Franchise Agreement.

Note 9. You should allow at least the minimum amount stated above for travel, lodging, food and other miscellaneous living expenses incurred during Initial Training. Your actual costs will vary, depending on the distance traveled, method of travel, and your personal preferences. The low estimate shown above assumes we will train no additional people. The high estimate includes an additional amount of training fees and costs in the event you wish us to train additional employees. Both estimates include the required visit to a franchise during the Simulation Training.

Note 10. You are responsible for obtaining any permits or contractor's licenses as well as any other business licenses required by state or local law. You should consult your attorney or your local city, county and state authorities about the specific legal requirements for payment of sales tax and business licenses and related types of expenses.

Note 11. Within 12 months of the Effective Date of the Franchise Agreement, you must begin operating from a commercial location that meets our then-current site selection criteria for a design center as set forth in the Manual. The low figure assumes you have an existing business and will be converting an existing retail showroom to a DreamMaker Design Center. The high figure reflects our estimated cost of mortgage or lease payments and utilities over a seven-month period, and the cost of buildout, displays and furnishings. No other related costs are included. Your costs will vary, and you must make your own individual estimate of expenses for real estate based on costs in your local market.

Note 12. This estimate is for fees that will be charged by your attorney to review the Franchise Agreement and other documents, to advise you and to incorporate a business entity on your behalf, as well as those charged by your accountant and/or financial advisor. These are estimates and your actual fees may vary significantly depending on the specific work you request, the advisors you select and the rates for professional fees in your area. The low estimate assumes the business is a Rebranded Franchise and the high estimates assumes the business is a Start-Up Franchise. Both estimates include the initial accounting services fee that you will pay to us and which we will use to pay our designated bookkeeping and accounting service providers.

Note 13. We charge you a per-person registration fee to attend Reunion. We determine the registration fee in the fall of each year for the following year's Reunion. The registration fee is usually \$400 to \$595 per person, with discounts for early registration and for subsequent attendees. For non-participants, there is a separate charge for the Banquet, usually \$75 for children under 12 and \$125 for those over 12. These fees may increase in the future. We will automatically draft the Reunion registration fee. Currently, we draft the registration fee on April 1st before Reunion. This fee is nonrefundable because your attendance is required.

Note 14. We recommend that you have additional funds available during the start-up phase of your franchise. These amounts are our estimates of the amount needed to cover your expenses before opening and for a six to 12-month period from the date you open for business, and include funds needed to pay the Software Maintenance and Support Fee, additional required software costs, and Continuing Education Fee. These figures are only estimates, and we cannot assure you that you will not have additional expenses starting your franchise. Your actual costs will vary according to your approach to the franchise; your management skills, experience and business acumen; local economic conditions; the local market for the franchise's services; the prevailing wage rate in your market; competition and the rate of growth of your franchise. We recommend that you obtain independent estimates from third-party vendors of the costs which would apply to your establishment and operation of a franchise or discuss the economic experience of opening and operating a franchise with our current and past franchisees. Included in additional funds is an estimate of personal living expenses estimated at \$3,000 to \$6,000 per month and the estimated salary of a part-time office manager (minimum 20 hours a week) and up to a full-time office manager dedicated solely to your franchise operation. You must hire an office manager and the office manager must commence employment with you prior to the commencement of Simulation Training. This is based on our experience and information from franchisees who have estimated this for themselves. This is only an estimate. The estimated initial investment and other estimates in this disclosure document do not take into account your debt, all ongoing working capital requirements, accounts receivable financing or other costs. We do not furnish nor do we authorize our salespersons or anyone else to furnish estimates as to those amounts. We recommend that you review these figures carefully with your business advisors.

Note 15. The deposit will be returned to you in two stages: 1) \$2,500 upon execution of a commercial lease through our designated representative; and 2) The remaining \$2,500 will be returned to you upon completion of the following: a) obtaining an approved design for your Design Center (to ensure approval of the design for your Design Center, the design must be completed by our preferred designer); b) submission of an estimate for your design center buildout using our required estimating software and you review your submission with your franchise coach; and c) operating from an approved design center within 12 months of the Effective Date of the Franchise Agreement..

Note 16. All of the fees listed as payable to us are non-refundable, except as described in Item 5. We relied on our experience to compile these estimates. The actual amount of additional funds you will need depends on a variety of factors, such as whether you extend credit terms to customers or the time of year you start your business. Financing for all or some of the above costs may be available.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must maintain the highest standards of quality and workmanship in order to provide the highest quality of service to your customers. We may specify particular performance standards in our Manuals, via our intranet system, or otherwise in writing. We can, and expect to, modify our standards as we deem necessary. We will notify you of any changes to the standards or the Manuals.

Before you attend Simulation Training, you must purchase insurance coverage. Such policy or policies shall be written by an insurance company with an A.M. Best rating of not less than A-VII in accordance with standards and specifications set forth in the Operations Manual or otherwise specified in writing by us. You must keep an insurance policy in force during the term of your Franchise Agreement. If you fail to do so, we may, but are not required to, obtain the necessary insurance for you and keep the same in force and effect, and you shall pay us, on demand, all premiums charged for the policies of such insurance. You must obtain, in the amounts shown below: 1) comprehensive general liability insurance, and you must name us as a Grantor of Franchise additional insured on this policy of insurance and ask your carrier to give us an Additional Insured Grantor of Franchise endorsement form CG2029 (or an endorsement form with comparable language acceptable to us) as evidence of this coverage before you attend Simulation Training; 2) commercial auto liability; should be written for "any auto" Symbol 1 or a combination of Symbols 8 and

9 so that coverage is provided for all owned (or scheduled) and hired and non-owned autos and you must ask your carrier to give us a certificate of insurance as evidence of this coverage before any vehicle is put into use; and 3) other insurance required by us or your state or locality. The amounts and types of insurance required may increase in the future. Currently, we require you to maintain the following minimum insurance coverage:

Type of Coverage	Minimum Limits
Comprehensive General Liability	\$1,000,000 occurrence / \$2,000,000 aggregate
Commercial Auto Liability	\$1,000,000 combined single limit
Umbrella Policy:	Must Extend over Auto, Employers and General Liability
Up to \$2,000,000 in annual gross sales	\$1,000,000
\$2,000,000 - \$5,000,000 in annual gross sales	\$2,000,000
Over \$5,000,000 in annual gross sales	\$3,000,000

We also require you to obtain Workers' Compensation with statutory limits, including Employer's Liability of \$500,000/\$500,000/\$500,000, but recommend the statutory limits of \$1,000,000/\$1,000,000/\$1,000,000. Alternate Employer's endorsement in our favor, and any other insurance that may be required in the state in which your franchised location operates. If your franchise location operates in a monopolistic state (*i.e.*, Wyoming, North Dakota, West Virginia, Washington, and Ohio), you must also obtain Stop Gap coverage on the Workers' Compensation policy or General Liability policy. Minimum limits are as follows: no less than \$500,000 per accident for bodily injury by accident; \$500,000 policy limit by disease; and \$500,000 per employee for bodily injury by disease or higher coverage as required by law in your state. Owner only operator with no employees may opt out of Workers' Compensation according to applicable state guidelines.

We also require you to obtain Data Breach/Cyber Liability insurance with minimum limits of \$50,000.

At our request, you must use the services of our designated tenant representative to assist you with site selection and negotiating a letter of intent for the Design Center premises. Our tenant representative may receive a commission as a result of your signing a lease.

You must engage the services of a certified public accountant to assist you in setting up your books and records, including our required chart of accounts and customized QuickBooks template, and for preparing annual compiled financial statements. You also must use our designated vendor to provide bookkeeping services and payroll services, as outlined in the Manuals. You must use QuickBooks Online Advanced by Intuit which you must purchase through a third party. You must sync your accounting files with Qvinci. We may require you to provide us with audited financial statements, using an independent certified public accountant designated by or satisfactory to us, to adopt a fiscal year consistent with ours, to cooperate with our auditors and to comply with such additional requirements as may be reasonably necessary in order to enable us to meet our obligations under GAAP and to comply with Financial Accounting Standards Board ("FASB") Interpretation No. 46 (revised December 2003) ("FIN 46R") and any amendments or supplements to it.

We will license you one or more telephone numbers and domain names. While we currently pay the charge for the first phone number, which does not include payment related to telephone service charges and fees, if you request additional phone numbers, you will be responsible for all related costs. We may require you to obtain telephone service from our designated providers to the extent permitted by law and must enter

into whatever form of agreement our chosen vendor requires and contract for such vendor's services as we require.

You must purchase or lease your vehicle, equipment, uniforms, computer hardware and software, office supplies, furniture, displays, samples and trademarked items under our specifications. You must also purchase certain customized software templates, software, and initial and ongoing training and support services from our current financial technology and software vendors. Our specifications include standards for performance and appearance. If we change specifications or standards, you will be notified. Technology requirements are described in the Appendices of the Technology Agreement.

Other than as stated in this Item, we are not currently an approved vendor for any products but we and our affiliates may be approved vendors for products and services in the future. We may in the future be the designated supplier for certain products, including additional computer software, hardware and internet or intranet services. Any products sold by us or our affiliates to you will be sold at the price and on the terms we specify. The cost of items purchased in accordance with specification represents approximately 16% to 18% of your total purchases in connection with the establishment of your franchise and approximately 8% to 10% of your on-going purchases in connection with operation of your franchise. We will notify you of approved vendors. You may purchase many of the items under specification from an approved vendor.

We do not provide material benefits to you based on your use of our approved vendors except as stated in this Item. We may negotiate purchase arrangements, which may include discounted pricing, special terms, rebates or other incentives with vendors for the benefit of our franchisees and in some cases we may participate in programs negotiated by an unaffiliated company who may receive a rebate or fee based on franchisees' purchases. Some of these purchase arrangements may not apply to you, and some purchase arrangements or discounts may vary (depending on the location of your territory). If you request we will notify you of these purchase arrangements. Should you decide to purchase certain products from one of our recommended vendors, we may be paid a commission or service fee by the supplier. Some purchase terms are only available if you purchase from our approved vendors.

We or our former affiliates may receive a commission from the brokerage of a capital lease or other equipment finance, should you require financial assistance from third parties.

We do not currently participate in any purchasing or distribution cooperatives. Our vendor approval criterion is available upon written request. If you want to lease or purchase items under specification from an unapproved vendor, you must make a written request. We typically respond to these requests within 30 days. If we are not familiar with the vendor or if we believe it necessary, we may request a sample of the item for inspection, review and/or testing. We may charge you our actual costs of reviewing and/or testing the item and any other related costs before giving our decision, which will usually be given within 10 days after we receive the test results and complete the review. If we withhold our approval of a vendor or item, you will be notified of the reason. If a tested item does not meet our standards, we may withhold approval but you are still responsible for paying the costs of testing and review.

Currently, we sell our franchise development package to franchisees and therefore derive revenue from such sales. We will also derive revenue from any products or items you purchase from us.

If you purchase certain products from our preferred vendor list, we may receive a rebate ranging from 1% to 6% of the amount paid to vendor.

During our fiscal year ending December 31, 2024, we derived \$70,450.24 in commission revenue from preferred vendor programs, which comprised 2.08% of our total revenues of \$3,379,163 for that same period. We derived \$64,485.00 from the purchase of development packages or other products purchased directly from us, which comprised 1.91% of our total revenue.

None of our officers owns an ownership interest in a supplier that we require you to purchase from. Occasionally, our officers may own non-material interests in publicly-held companies that may be suppliers to our franchise system.

Note 1. The Renewal Addendum, attached as Exhibit F-7 to this disclosure document, also speaks to the terms of your renewal rights.

Note 2. If you violate the covenant against competition or other confidentiality provisions and we are unable to, or choose not to, obtain equitable relief, we may demand liquidated damages according to a formula based on your two-year Royalty Fee history. The Existing Business Addendum, Exhibit F-3 to this disclosure document calculates liquidated damages according to a formula based on the amount of time you violate co-branding provisions if we are unable to, or choose not to, obtain equitable relief.

ITEM 10 FINANCING

We may agree to finance a portion of the initial franchise fee for qualified prospective franchisees under specified terms and conditions. The amount we agree to finance will depend on your qualifications. The maximum amount we will finance is 70% of your initial franchise fee. We also limit the amount we will finance to a specified amount (currently, an amount that is less than 50% of the total equity, debt and other financial support of your business); and you must represent to us, in writing and in a form we specify, confirming the dollar amount of your total equity, debt and other financial support. (See Exhibit F-5 to the Franchise Agreement, Financial Information Sheet). The representation must remain true through the life of your franchise. We may elect not to approve a transfer, including a transfer to a corporation or other entity wholly owned by you, if you do not either maintain the same investment in your business or pay any loans payable to us and/or our Affiliates in full.

Our decision to finance may be based, in part, on your credit-worthiness, the collateral that you have available to secure the financing and our then-current financing policies. If we agree to finance a portion of the initial franchise fee, you must sign a promissory note when you sign the Franchise Agreement. You must sign a security agreement, which provides us with a security interest in the personal property owned by your franchised business and any similar business that you own. You must pay us the down payment when you sign the Franchise Agreement and pay the balance in monthly installments. We currently charge an interest rate based on your credit score as follows:

Credit Score	Annual Interest Rate
Under 600	11%
600 - 649	10.5%
650 - 699	10%
700 or more	9.5%

To qualify for the interest rates noted above you must meet our credit standards and be otherwise eligible for financing. An example of our form of promissory note is attached as Exhibit F-2 to this disclosure document.

You must make note payments to us by automatic bank draft. Some banks and other financial institutions charge a fee for electronic transfers that can range from \$3 to \$20 per transfer but these electronic transfer fees are often negotiable. Monthly payments will begin approximately three months after you complete

Foundations Core Training. The length of the repayment term is negotiable but typically does not exceed five years, and cannot exceed seven years, after you complete Foundations Core Training. We require a security interest in the franchise, including its assets, against which we may file any liens permissible by law. You may prepay the note at any time without penalty. If you default, we may declare the entire remaining amount due. If you do not pay us the entire balance, and any accrued, unpaid interest, you may be responsible for the court costs and attorneys' fees we incur in collecting the debt from you, and we may terminate your Franchise Agreement.

You must waive your rights to certain notices of a collection action in our form of promissory note, security agreement and guaranty but there are no waivers of defense in our form of promissory note, security agreement or guaranty. If you are a legal entity, your shareholders, members, partners and/or owners must personally guarantee the debt and agree to pay the entire debt and all collection costs.

We may sell, assign or discount any promissory note or other obligation arising out of the Franchise Agreement to a third party. If we sell or assign your promissory note, it will not affect our obligation to provide the services to you that are described in the Franchise Agreement but the third party may be immune under the law to any defenses to payment you may have against us.

We may periodically agree with third party lenders to make financing available to our qualified franchisees and we may, in our sole discretion, refer you to a third-party lender for financing. We have no control over whether financing will be offered to you by any third-party lender. The lender is not obligated to provide financing to you or to any other franchisee that the lender finds does not meet its credit requirements and loan criteria. If we refer you to a third-party lender for financing, we may agree to take a short-term promissory note until your financing is arranged. An example of our form of short-term promissory note is attached as Exhibit F-2 to this disclosure document. You must use the proceeds from the lender to pay any promissory note to us. We do not currently derive income from referrals or placement of financing with any third party lender. However, we may require payment from you or other persons for the placement of financing in the future. If we charge for placing financing in the future, we expect to use the payments to offset our expenses in doing so. Currently, we have no arrangements with third party lenders. We do not guarantee your obligations to third parties.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Worldwide Refinishing Systems, Inc. is not required to provide you with any assistance.

Before you open your business, we will:

1. Designate your Territory. You will select your business site within your territory subject to our approval, which will not be unreasonably withheld. (Franchise Agreement, § 2.A.1)
2. Provide you with written specifications and guidelines for opening inventory and supplies, part of which must be purchased in accordance with specification from approved vendors, as explained in more detail in Items 7 and 8 (Franchise Agreement, § 4.D. and § 5.Q.).
3. Loan you our confidential Manuals, which contain mandatory and suggested specifications, standards and procedures. See Manuals below. (Franchise Agreement, § 10.A.)
4. Provide you with recommendations on advertising and promotional materials for use in the pre-opening promotion of your franchise. (Franchise Agreement, § 4.B.)
5. Provide initial training for three people at no additional cost. See Training below. (Franchise Agreement, § 4.A.)

During the operation of your business, we will:

1. If you comply with the contractual reporting requirements to furnish necessary information about the franchised business, periodically analyze your sales, promotional efforts and financial status and offer suggestions for improvement and provide on-going advice and assistance as we consider necessary and appropriate. (Franchise Agreement, § 4.A.)
2. Develop and administer promotional programs and advertising campaigns intended to promote the products and services provided by our franchisees or advance the business interests of our franchisees. (Franchise Agreement, § 4.B.). You may develop promotional materials or advertising materials for your own use, at your own cost. We must approve your promotional materials and advertising materials before you use them in your franchise. We will usually give you our approval or disapproval within 10 business days after our receipt of your proposed materials. (Franchise Agreement, § 5.I.)
3. Provide additional or “refresher” training programs, seminars, regional meetings and related activities regarding the operation of your franchise as we may choose to conduct. Some of these courses may be mandatory, but most of them will be optional. You must attend and complete all programs we designate as mandatory. Currently, it is mandatory to attend January Workshop and Reunion. These courses may be conducted at our headquarters or at any other location we select. You must pay your personal expenses for training, including travel, living and other miscellaneous expenses. (Franchise Agreement, § 4.A.)
4. Update the Manuals as we deem appropriate. (Franchise Agreement, § 10.A.)
5. Indemnify you against and reimburse you for your actual damages if you are held liable in any proceeding arising out of (a) your authorized use of any of the Marks if you have notified us of the claim; or (b) our intentionally wrongful actions if you have fully complied with the terms of the Franchise Agreement. (Franchise Agreement, § 7.D. and § 9.B.)
6. Establish maximum or minimum pricing, as we deem appropriate, and to the extent permissible by law. (Franchise Agreement, § 5.T).

Advertising and Promotion

All advertising and marketing must follow brand identity standards as described in the marketing manual.

All advertising and promotional materials, signs and other items we designate must bear the Marks (see Item 13) in the form, color, location and manner we specify. Your advertising and promotion must meet our standards as described in the Manuals or otherwise in writing. You may prepare and use your own advertising or promotional materials at your own expense, but if we have not prepared your advertising or promotional materials, you must get our written approval before you use them.

MAP Fund

We support certain promotional programs and advertising campaigns through a national marketing, advertising and promotion fund (the “MAP Fund”). We place advertising for the DREAMMAKER BATH & KITCHEN® system through national electronic media. However, we are not obligated to spend any amount on advertising in your area or territory. In the past, we have used an outside advertising agency to create and place advertising and we create some advertising in-house. Neither we nor our former affiliates receive any payments from the MAP Fund, except for reasonable advertising, marketing and administrative costs and overhead and except for payments made to us or our designee to help attract and service National Account Customers that need products and services of the type provided by our franchisees. We use the MAP Fund to cover our cost of preparing and producing video, audio, Internet and printed advertising materials; administering national and regional advertising programs including direct mail, point of sale and other media advertising; employing advertising and public relations agencies; supporting public relations activities; conducting, analyzing, and other activities related to market research, customer surveys, and satisfaction reports; trademark availability and usage searches, and trademark, copyright, and other

intellectual property filings with state or federal government agencies; travel-related, registration, and other associated costs with respect to attendance at industry (including franchise) tradeshows, conventions, and events; advertising and marketing activities; and other promotions or activities intended to advance the business prospects of our franchisees. We may also use the MAP Fund to support national account programs.

We do not use the MAP Fund to sell additional franchises, but we may include in all advertising prepared from MAP Fund contributions (including Internet advertising) information concerning franchise opportunities, and a portion of MAP Fund contributions may be used to create and maintain one or more interior pages on our website devoted to advertising franchise opportunities and identifying and screening inquiries and applications submitted by franchise candidates.

You will pay us a fee, to be contributed to our MAP Fund (“MAP Fee”). The MAP Fee is 2% of Gross Sales. If you have an existing business that you will “roll-in” to the franchise, we will discount the MAP Fee to 1% of the “rolled in” amount for a certain period of time. For 2025, MAP Fees for new franchisees will be capped at \$50,000. MAP Fees for other franchisees may be calculated at a different rate and may be subject to a different cap. Company-owned units, if any, are not contractually required to pay a MAP Fee, but we anticipate that any company-owned units operating under the DREAMMAKER Marks will pay a MAP Fee, or contribute to the MAP Fund, on approximately the same basis as franchisees. Although the MAP Fund is intended to be perpetual, we may terminate the MAP Fund at any time, in our sole discretion. We will not terminate the MAP Fund, however, until all MAP Fund monies have been spent for advertising or promotional purposes or returned to the contributors, without interest, on the basis of their respective contributions. An annual unaudited accounting of the MAP Fund is available to you upon written request. If all MAP Fees are not spent in the fiscal year in which they are received, they remain in the MAP Fund for future use.

The following percentages correspond to how MAP Fund monies were spent during our fiscal year ending December 31, 2024:

Type Expense	Percent of Expenses
Production	32.92%
Media Placement	49.45%
Administrative Expenses	5.16%
Trade Association Dues	0.55%
Marketing Technology Development	11.92%
Total	100%

Advertising Cooperatives

You must participate in a local or regional advertising cooperative if located in your territory. We may approve or require the establishment of local cooperative advertising associations consisting of all franchises and our company-owned units, if any, within a designated geographical area (a “Cooperative”) designated by us and we have the right to require cooperatives to be changed, dissolved or merged. Each local Cooperative must adopt its own written governing documents, a copy of which must be given to us. If a Cooperative has been established for your territory, a copy of the Cooperative’s governing document is available upon request. Each Cooperative may determine its own voting procedures. Our company-owned units, if any, using the Marks would contribute on the same basis and are entitled to vote on the same basis as you and other franchisees in the area. If we do not own a unit, we do not vote. The annual required contribution to a Cooperative may not exceed 2% of Gross Sales unless a larger contribution has been approved by the affirmative vote of two thirds of the Cooperative members. Each Cooperative must make an annual accounting of its receipts and expenditures available to you and to us upon request.

Initial Advertising and Promotion

When executing the Franchise Agreement, which will be at least 14 days after you have received this Disclosure Document, you will pay us an amount between \$36,000 and \$60,000, to be determined in our discretion, which we will hold as a deposit. The Franchisor's Draw will be spent by us on advertising and promotional activities connected with your franchised business. The remainder of the deposit will be returned to you as you incur expenditures related to approved advertising and promotional activities. The lower range of the deposit amount applies to Rebranded Franchises, while the higher range applies to Start-Up Franchises. We will provide you with a list of approved advertising and promotional activities on which this amount can be spent and, once you submit to us proof that you have incurred such related expenses, we will return to you the related expenditure amount, up to the deposit amount, less the Franchisor's Draw. Additionally, you must hire a part-time marketing coordinator (minimum 16 hours per week) no later than 30 days prior to completion of Simulation Training. Included in this deposit is up to \$12,000 in reimbursable wages for a part-time marketing coordinator during the first nine months of employment. You may submit for our approval additional types of advertising and promotional activities; however, you must receive our written approval in order to request that the amount be drawn from your deposit.

If you do not submit proof of approved advertising and promotional expenditures at least up to the amount of the remainder of your deposit within 24 months of the Effective Date of the Franchise Agreement, the balance will be forfeited. The deposit is refundable before the completion of Simulation if the Franchise Agreement terminates for any reason, less any expenditure we have incurred in connection with your franchised business. Beginning as of the completion of Simulation Training, however, the deposit is only refundable as described above.

Local Advertising

The initial advertising and promotional deposit will cover the first and second year's advertising spend requirement. During the third year, you must spend at least 5% of your annual Gross Sales, and during the fourth and each additional year, you must spend at least 3% of your annual Gross Sales on local marketing and promotion of the services and products available through the Franchise in the manner we specify. This requirement is in addition to any MAP Fee or any contribution to a Cooperative.

Advertising Council

We have a Franchise Advisory Council ("FAC") with a subcommittee (the Marketing, Advertising and Promotion Committee or "MAP Committee") that advises us on advertising policies. The FAC and the MAP Committee consist of Amy Fore Mosley, our Corporate Secretary and Chief Operating Officer, and certain franchisees that we choose from time to time. The MAP Committee serves in an advisory capacity only and has no operational or decision-making power. We have the right to form, change, or dissolve the MAP Committee at any time.

Brand Protection Fund

We have the right to require you to participate in our Brand Protection Fund ("BPF"), and to make an initial contribution of \$5,000 to the BPF when you sign the Franchise Agreement or at such later time as we may require, which is subject to reimbursement from the Initial Advertising and Promotional Deposit. We also reserve the right to require you to contribute monthly to the BPF in an amount we designate, not to exceed 2% of Gross Sales. All Brand Protection Fund monies will be used for the proper completion of jobs performed by our franchisees and former franchisees, which we believe helps to mitigate damage to the brand caused by shoddy, incomplete, or never performed work and enhances the DREAMMAKER brand and reputation, and as reimbursement of administrative costs. We may administer the BPF directly or may arrange for administration through a separate entity that we and/or our franchisees control, according to governing documents that we create. If a separate entity is formed, we may require you to become a member of the entity and to abide by its governing documents. We anticipate that all franchisees will contribute to the BPF monthly. We may periodically contribute or loan money to the BPF, although we are not

contractually obligated to do so. The BPF need not be audited. An annual statement of BPF contributions and expenditures will be made available to franchisees upon reasonable written request.

Computer System

You must use the computer hardware and software specified below in the operation of the franchise. We will have the right to independently access all information and financial data, including, without limitation, Gross Sales reports, recorded by the system for polling, audit, and sales verification. There are no contractual limitations to our right to access or use the information and data recorded by your system.

Hardware

You must use computer hardware with adequate memory, speed and storage to run our required software. Appendix A to our Technology Agreement (see Exhibit B-4 to this disclosure document) contains a list of our current requirements. You may acquire your computer hardware from any source. You must have at least one computer, that meets our current requirements, in service by the end of Foundations Core Training. We estimate each computer, including peripheral equipment, will cost approximately \$3,000, but this amount will vary, depending on the vendor and the specific features you select to include in addition to our current requirements. This amount may increase in the future and we cannot estimate the amount of any increase.

You must enter into an arrangement with a qualified vendor to provide IT support and maintenance; however, we may waive this requirement if you demonstrate, to our satisfaction, that you have adequate in-house IT expertise and resources. We do not provide support for hardware or third-party software.

You must pay for all maintenance of your computer(s) at your own expense. We do not require you to sign any hardware maintenance or support contracts with us or any third-party suppliers. We do not guarantee, warranty, maintain or support any computer hardware in any manner. You should determine for yourself whether or not any third-party supplier from whom you purchase any component of your computer system is obligated to provide ongoing maintenance, repairs, upgrades or updates to any component of your computer system, and determine the additional cost for the services. We will periodically advise you in writing of any required upgrades to your computer hardware and we will give you a reasonable period of time in which to comply with any required upgrades.

Operating System and Third-Party Software

We estimate the cost of software to be approximately \$10,000, but this amount will vary, depending on the vendor and the specific features and software you select to include in addition to any we require. This amount may increase in the future and we cannot estimate the amount of any increase. We will have independent access to the information that will be generated by or stored in your computer system, and there are no contractual limitations on our right to access this information. In addition, you must use our required software applications, as described below.

Software and Systems

You must follow our policies and procedures and execute all agreements that we require for your participation in an intranet system, electronic communications, data storage/retrieval system, website or software.

You must use our software and must sign the Technology Agreement (Exhibit B-4 to the Franchise Agreement) and pay a Software Support Fee (currently \$4,495) and a monthly Software Maintenance and Support Fee (currently \$515). The amount of such fees will be the then current amount charged for annual renewal and there are no contractual limits on the amount of the fees or your requirements to upgrade or maintain this software. Payments not made within 10 days after such payment is due will be charged a late fee. In the case of any overdue amounts, whether or not related to software or technology fees, we reserve the right to disable your access or terminate your right to use and access the software. Our required software includes financial related software such as a QuickBooks template that allows formatting of financial

information to coordinate with our systems and industry-specific job costing capability (“Financial System”) and software which provides and combines contact management, sales and lead tracking management, job estimating and proposal generation, and which produces take-off lists for production and interfaces with our required accounting software (“Customized Management Software”). You must purchase our designated accounting software from our designated provider. Additionally, you must engage third party providers as specified by us to assist with set up of the template and the cost of the work specified by us is included within the fees paid. There is no software that can be substituted for the QuickBooks template. You must sign a release to authorize these providers to provide us certain financial information to enable set up to be completed to our satisfaction. You will be required to grant us remote access to the information entered into and stored by your financial software at all times We will not be liable for any claims that arise in connection with this remote access.

This technology includes a chart of accounts compatible with QuickBooks® Online Advanced or another currently-supported release, and various spreadsheet templates to provide cost data, reporting functions, and customer tracking. We or our designees will have independent access to the data and information input and compiled through your use of our required software and there are no contractual limits on our rights to access or use this information and data.

We may periodically develop other technology, products and upgrades that we may require you to use. We may charge you a use fee for any new technology enhancements that may take into account our development, administration and other costs.

You do not have to buy or use an electronic cash register.

Manuals

We will loan you our confidential Manuals, which contain mandatory and suggested specifications, standards and procedures. The Manuals are confidential and remain our property. We may provide the confidential Manuals to you in any manner we choose, including by hard copy, or in electronic form, including through our company intranet, DreamConnect or learning management system, DreamMaker Learning Center. We will modify the confidential Manuals periodically but the modifications will not materially alter your status and rights under the Franchise Agreement. Our Manuals also include what we have entitled our “Process Flow and Sales and Production System” documents, currently consisting of 147 pages, which illustrate the sales and production cycle.

Note 1. The Foundations Core Training Program is currently being delivered via webinar; however, the Franchisor reserves the right to modify the method of instruction to in-person training held at their Headquarters in Waco, TX or at another designated location.

Initial and Additional Training

Our initial training consists of our “Foundations Prep Training” and “Foundations Core Training” programs, which we will provide for up to three people at no additional cost, (jointly, “Foundations Training”). Foundations Prep Training generally lasts 16-18 weeks and is provided via phone calls, webinars, and self-study, with the completion of pre-opening checklist tasks. Prior to the commencement of Foundations Core Training, you must have signed a lease for an approved DreamMaker location; have all required funding available; and have passed the contractor licensing exam, if applicable. Foundations

Core Training is currently delivered via webinar and generally is 17 hours spread over 6 business days. We reserve the right to modify the method of instruction to in-person training at our headquarters in Waco, Texas, or such other locations as we designate at various times during the year, depending upon the number of new franchisees entering our System. You (if the Franchisee is an individual) or your designated Operating Principal (if the Franchisee is a business entity) must attend and successfully complete training to our satisfaction. You must pay all of your travel and living expenses while attending training, as well as all of the travel and living expenses for any additional employees you send. The subjects covered, instructional materials, hours of classroom and/or hands-on training, and instructors for classroom and hands-on training are periodically subject to change. See our current training program listed above.

Our instructors include: 1) our President, Douglas Dwyer, who has 29 years' experience in the kitchen and bath remodeling industry and 36 years' experience with us; 2) our Chief Operating Officer, Amy Fore Mosley, who has 23 years' of experience in the kitchen and bath remodeling industry and 23 years' experience with us; 3) our Director of Franchise Operations, Dale Ressler, who has 46 years' experience in the kitchen, bath, and general remodeling industry and has been associated with us for 9 years; 4) our Director of Marketing, Joaquin Erazo, who has 27 years' experience in the kitchen, bath, and general remodeling industry and has been associated with us for 10 years; 5) our Digital Brand Manager, Taylor Christie, who has six years of experience with us and six years' experience in the kitchen and bath remodeling industry; 6) one of our franchise coaches, Jesse Morado, who has six years of experience with us and 35 years in the kitchen, bath, and general remodeling industry; 7) our Consumer Marketing Manager, Brittany Newland, who has three years of experience with us and three years' experience in the kitchen and bath remodeling industry; and 8) our Training Coordinator and one of our franchise coaches, Renee Crews, who has five years of experience in the kitchen and bath remodeling industry and has been associated with us for five years.

As part of our initial training requirement, you must successfully complete our "Simulation Training" which will typically begin no later than eight months from the Effective Date of the Franchise Agreement. Our Simulation Training is currently 10 weeks and includes, but is not limited to, self-study exercises related to our software and financial system, additional sales training and role play, shadowing employees at an existing franchise location, and marketing assignments tailored to your local market. During the Simulation Training we may elect to require that you visit, at your expense, our preferred cabinet vendor, and complete required design courses, at your own expense, prior to becoming fully-operational. We may change the method of instruction. You may be required to visit or attend training either virtually or in-person at the location we designate. You must comply with our current method of instruction available at the time of your Simulation Training.

As part of your initial training requirement, we have contracted with a third-party through which you must successfully complete an eight-week sales and sales management training program, consisting of one two-hour class per week. Training will be held at a third-party location closest to you, or by webinar. We only require that your Operating Principal attend this training, however, you may choose to send additional individuals to this program. The tuition for each additional individual is \$3,750 per person. You must begin this eight-week sales and sales management training program during the Simulation Training.

Currently, we require that you attend, at your expense, the annual training or conference event specified by us and referred to as "Reunion" and "January Workshop" every year, as well as any other training we designate as mandatory. We may also require you to attend and complete a "refresher" training course or advanced training course if we determine that you are not current on all aspects of the System or are otherwise in need of training. We reserve the right to conduct Reunion, the refresher training course, and the advanced training courses either virtually or in-person at the location we designate.

Franchise Location and Opening

Our franchisees customarily open for business within the first full week after Simulation Training, but typically no later than 30 days after completing Simulation Training. You must complete our initial training

program and complete the buildout of your retail design center before opening your Franchised Business. The factors that affect this are the training schedule, your ability to obtain necessary financing, any local requirements for permits or licenses, completion of the buildout of your retail design center, and your ability to complete our training agenda.

Before you sign the Franchise Agreement, we will mutually agree upon a site selection area in which your space must be located. You are responsible for locating a space by utilizing the services of our designated tenant representative and we must approve the space. By the end of the fifth month after the Effective Date of the Franchise Agreement you must have acquired space for your retail design center that meets our then-current minimum criteria. In addition, you must acquire warehouse space, which may be at a different location. You must obtain our written approval before you sign a lease for the location and before you purchase exterior signage. If you occupy space according to a commercial lease, the lease must contain terms that we specify. (See Lease Rider attached as Exhibit F-8 to the Franchise Agreement). If you fail to timely locate a space that we approve, we may terminate the franchise agreement after providing you notice of the default and opportunity to cure.

Furthermore, we require that within 12 months after the Effective Date of the Franchise Agreement, you have completed buildout of your fully operational retail design center. Before you open a retail design center, we will provide you with designs and specifications for a typical retail design center location, including equipment, fixtures and signs, upon our receipt of your written request. These designs must be modified at your expense by our designated designer to fit your particular retail location in accordance with our then-current standards. If you do not obtain our written approval of the design for your specific design center in advance we may charge you a \$5,000 fee and an additional travel fee at our then current rate, which is currently \$3,000, for review of your design. If modifications are required as a result of that review, you are responsible for making those modifications within 90 days. You are responsible for compliance with local ordinances, building codes and permits and must construct and equip the retail design center according to our standards and specifications outlined in the Manuals. You will purchase a franchise development package from us that includes some items that you need to equip your Franchised Business. We will also provide you with written specifications for equipment, signs, fixtures, opening inventory, and supplies that we require. We do not provide these items directly to you and we do not deliver or install these items.

ITEM 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

As described in this Item, you will be granted certain rights in a specific geographic territory but, because we reserve certain rights in your territory, your rights in the territory are not absolute. Your territory will generally have a minimum population of 200,000 for more rural or less densely populated areas, a minimum population of 350,000 for more densely populated and urban areas, and a maximum population that is generally no more than 1,000,000. We generally do not award territories with a population of more than 1,000,000, but we may award them in exceptional circumstances to be determined at our discretion. The population in your territory is generally determined from estimates prepared by the U.S. Census Bureau (see www.census.gov), but we may use a substitute or successor source of population information. You will maintain rights to your specified territory even if the population in your territory increases. You select your business site within your territory, subject to our approval. You must operate the franchise from the approved site. If you wish to relocate, you may do so if we approve in writing. The Franchised Business must be operated from a retail design center location that meets our minimum requirements.

While we will not operate or grant franchises in your territory while your Franchise Agreement is in effect, we reserve for ourselves all other rights within and outside of your territory, which includes, without limitation: (1) the right to sell or distribute products and services through alternate channels of distribution,

including without limitation, via the internet, mail order, catalogues, and phone; (2) the right to engage in any business activities, including the grant of franchises, under any trademarks (including the Marks) outside of your territory, regardless of the proximity to your territory; and (3) the right to engage in any business activities, including the grant of franchises, under any trademarks except the Marks, both inside and outside of your territory.

We periodically enter into agreements with national or regional clients that we consider to be national account customers (“National Account Customers”). Such National Account Customers may be located or may request services to be performed in your territory. In some cases, for certain National Account Customers, we or our designee may set the maximum price which you may charge for defined services and/or products. You have the option not to participate in any national account program. If you refuse, or if we think you are not qualified, interested or available to perform services for any customer located within the territory, if you request assistance in the performance of services, if a customer, in writing, specifically requests services within the territory from a different franchisee, or if a National Account Customer submits a request for service within the territory which cannot be referred to you under that customer’s contract or under the standards and procedures of any national account program we reserve the right to appoint a corporate employee, another franchisee, or a third party to perform the services or to assist you in performing the subject services.

You cannot provide products/services, advertise for or attempt to solicit customers for any products or services, including using Internet, telemarketing or other direct marketing without our prior written consent. We may describe in the Manuals or otherwise in writing the conditions under which we would grant our consent to your advertisement, solicitation, servicing or selling outside of your territory. Upon our demand you must discontinue using all advertising and telephone numbers and all territory specific email addresses, domain names and comparable electronic identities which are active in the area outside your territory and direct the telephone company and/or service provider servicing you to transfer to us or a person or company we designate all of the telephone numbers registered to you there and all territory specific email addresses, domain names and comparable electronic identities

We are not required to pay you as a result of us exercising in your territory any of our rights described in this Item.

We do not generally grant any right of first refusal to obtain additional territory. You may, if qualified, purchase a one-year option (18 months in the case of a start-up business) on additional territory by paying us a fee of 10% of the initial franchise fee for the territory you wish to buy. You must enter into an Option to Purchase Agreement (substantially in the form of Exhibit F-6 to this disclosure document). At any time within the one-year period (18 months in the case of a start-up business), you may purchase the additional territory by paying us the balance of the initial franchise fee. The 10% deposit will be applied to the purchase price. We do not refund your deposit if you decide to not purchase the additional territory. You may also acquire additional territory during the term of the Franchise Agreement by entering into another franchise agreement for that particular territory.

The population in your Territory is subject to increase each January by an amount equal to the estimated population increase prepared by the U.S. Census Bureau or any substitute or successor source designated by us. We may terminate your Franchise Agreement if you do not pay us the Minimum Royalty Fee, if applicable.

You may not provide services and products outside your designated geographic territory unless there is no other DREAMMAKER BATH & KITCHEN® franchisee located in that territory. You may not advertise or solicit customers outside your territory without our prior written consent.

This prohibition also includes the use or registration of the Marks, or any derivative of the Marks, as a part of any user name, account name, or in any other way that may suggest an affiliation with us or the franchise system, on any gaming, blogging, user review, video sharing, or social networking website (such as FACEBOOK, INSTAGRAM, or X (formerly known as Twitter)), whether or not such social media platform is used for commercial gain, or as a part of any unauthorized email address. Neither the franchisor nor any person identified in Item 2 of the Disclosure Document is subject to any current effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934, U.S.C.A., 78a *et seq.*, suspending or expelling such persons from membership in such association or exchange.

Item 17 of the Disclosure Document is supplemented by the following:

California Corporations Code section 31201 makes it unlawful for any person to offer or sell a franchise in California by means of any unfiled written or oral communication which includes an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

California Corporations Code sections 31512 provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of the California Franchise Investment Law or any rule or order thereunder is void.

This provision supersedes any other term of any document executed in connection with the franchise.

Sections 15L(1) through (4) of the Franchise Agreement and Exhibits B-8 and B-9 (Franchisee Disclosure Questionnaire) are void.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

Any interest rate charged to a California franchisee shall comply with the California Constitution. The interest rate shall not exceed either (a) 10% annually or (b) 5% annually plus the prevailing interest rate charged to banks by the Federal Reserve Bank of San Francisco, whichever is higher.

FOR THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

This FRANCHISE AGREEMENT (“Agreement”) is made and entered into by and between Worldwide Refinishing Systems, Inc., a Texas corporation doing business as DREAMMAKER BATH & KITCHEN (“Franchisor”) and the Franchisee identified in the Summary Page (“Franchisee”).

WHEREAS, Franchisor has expended significant time, money and effort to develop certain skills, concepts, business techniques, marketing systems, and a specialized method and process with uniform standards, specifications, methods, policies and procedures (the “System”) for a business which performs (a) residential and commercial bathroom and kitchen remodeling, cabinet refacing, safety and mobility modifications, and other interior remodeling; (b) exterior remodeling and restoration projects as needed; and (c) related services, and which sells related proprietary and non-proprietary products and materials (“Franchise”); and

WHEREAS, businesses operating under the System are identified by means of certain trade names DREAMMAKER BATH & KITCHEN and such other trade names, service marks, trademarks, logos, slogans and other indicia of origin as are now and may hereafter be designated by Franchisor to identify businesses operating under the System (the “Marks”); and

WHEREAS, Franchisee has applied to Franchisor for a license to operate a business under the System and to use the Marks and other of Franchisor’s intellectual property, including property that is entitled to protection under applicable copyright law (the “Copyrighted Works”) and proprietary information that is entitled to protection under applicable trade secret laws and the confidentiality provisions contained in this Agreement (“Confidential Information”);

WHEREAS, relying on the information contained in Franchisee’s franchise application, Franchisor agrees to grant Franchisee said license to operate a business (the “Franchised Business”) in and from the Territory identified in the Summary Page (the “Territory”) from a business site selected by Franchisee and approved by Franchisor (the “Franchise Location”) under the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. TERM AND RENEWAL

A. **Initial Term.** The term of this Agreement shall begin on the Effective Date stated in the Summary Page and shall expire on the 10th anniversary of the Effective Date.

B. **Renewal.** At the end of the initial 10-year term and each term thereafter, provided Franchisee has substantially complied with the terms of this Agreement, Franchisee shall have the option to renew this license for additional periods of 10 years each by giving Franchisor written notice of Franchisee’s intent to renew at least six months prior to the end of the then-current term. If Franchisee desires to exercise its renewal options as described above, it must comply with all of the following conditions prior to and at the end of the then-current term:

1. Franchisee may not be in default under this Agreement or any other agreement between Franchisee and Franchisor or its affiliates; Franchisee may not be in default beyond the applicable cure period of any real estate lease (if applicable), equipment lease, or financing instrument relating to the Franchised Business; Franchisee may not be in default beyond the applicable cure period with any vendor or supplier to the Franchised Business; and, for the 12 months before the date of Franchisee’s notice and the 12 months before the expiration of the then-current term, Franchisee may not have been in default beyond the applicable cure period under this Agreement or any other agreements between Franchisee and Franchisor or its affiliates;

2. Franchisee shall have satisfied all monetary obligations owed to Franchisor, its affiliates, and third-party suppliers;

3. Franchisee, and all individuals who have executed this Agreement and all guarantors of Franchisee's obligations under this Agreement shall have executed a general and full release, in a form prescribed by Franchisor, of any and all claims against Franchisor and its affiliates and their respective past and present governing persons, agents, and employees;

4. Franchisee shall perform, at Franchisee's expense, such renovations and remodeling as may be reasonably required by Franchisor so that the Franchise Location conforms with Franchisor's then-current appearance, image, and functionality requirements. Such renovations and remodeling may include, without limitation, structural changes, redecoration, design and color scheme changes, and modification to existing improvements;

5. Franchisor shall have been paid the Renewal Fee in the amount stated in the Summary Page;

6. Franchisee shall comply with Franchisor's then-current qualification and training requirements; and

7. Franchisee shall sign Franchisor's then-current franchise agreement, the terms of which may be materially different from the terms of this Agreement.

C. **Holdover.** Franchisee has no right to continue operating the Franchised Business beyond the expiration of the term of this Agreement. If Franchisee does not execute a new franchise agreement prior to the expiration of the initial or any renewal term and nonetheless continues to operate the Franchised Business and/or otherwise accept the benefits of this Agreement, then, at Franchisor's sole option, Franchisor may treat this Agreement as either (1) expired as of the date of expiration of this Agreement, with Franchisee then operating without a license or consent of Franchisor to do so, in violation of Franchisor's rights; or (2) as continued on a month-to-month basis (the "Holdover Period") where all Franchisees obligations will remain in full force and effect during the Holdover Period as if the Agreement had not expired; provided, however, that during any Holdover Period Franchisee will pay a Royalty Fee and MAP Fee equal to 150% of the rates Franchisee was paying at end of the term. Each Holdover Period expires at the end of each calendar month unless this Agreement is continued as provided in this Section. The Holdover Period does not create any new franchise rights and, upon expiration of the final Holdover Period, Franchisee will be bound by all post-term obligations as provided in this Agreement.

2. GRANT OF LICENSE

A. **Grant.** Franchisor hereby grants to Franchisee, and Franchisee accepts the nonexclusive right and license, subject to the terms and conditions of Territory Exclusions (as defined below) and other provisions of this Agreement, to use the Marks, Copyrighted Works, and Confidential Information for purposes of operating and promoting the Franchised Business in the Territory. Franchisee may operate the Franchised Business only from the Franchise Location approved by Franchisor. Franchisee shall continuously operate the Franchised Business for the full term of this Agreement.

B. **The System and Brand Standards.** Franchisee agrees to operate the Franchised Business in full compliance with this Agreement and with Franchisor's specifications, standards, policies, and procedures, including those relating to image and appearance (e.g., signage, trade dress, dress code, and similar requirements), financial responsibility (including debt-to-equity ratios and minimum cash deposit to project liability ratios), and operations (e.g., standards of professionalism and workmanship and customer service standards and procedures) ("Brand Standards"). Franchisor has the right to modify the System and the Brand Standards in its sole discretion, which modifications may include the addition of new service product and service offerings. Franchisee agrees to implement promptly all modified requirements.

C. **Territorial Restrictions.** During the franchise term, Franchisee may not solicit customers, perform services or sell products related to the Franchised Business outside the Territory without Franchisor's prior written consent. If Franchisee receives an inquiry or request from a prospective customer

outside the Territory, such inquiry or request must be referred to Franchisor or to the franchisee, if any, who is authorized to service such other territory. If no other franchisee is available, Franchisor may authorize Franchisee to respond to the inquiry. If so, the customer shall remain Franchisee's customer through completion of the project and until another franchise is granted for the territory where the customer is located, in which case, Franchisee expressly agrees that Franchisee shall promptly assign or transfer any such customer to Franchisor or its designee upon request. Franchisee also agrees to cease and desist from using all advertising and telephone numbers and all Territory-specific email addresses, domain names and comparable electronic identities which are, at the time of the demand, or have at any time been, used outside the Territory, including telephone numbers listed in any directories under the Marks or a similar name, and upon demand of Franchisor, direct the telephone company or service provider servicing the Franchisee to transfer all such telephone numbers, email addresses, domain names and comparable electronic identities registered to Franchisee in connection with the Franchised Business to Franchisor or its designee. Franchisee may not have any telephone number, email addresses, domain names or comparable electronic identities owned by a third party, including a company affiliated with Franchisee.

D. Territorial Protection; Franchisor's Reserved Rights; Territory Exclusions.

(i) During the franchise term, Franchisor shall neither establish or grant anyone but Franchisee the right to establish another business using the Marks in the Territory.

(ii) Franchisor reserves for itself all rights not specifically granted to Franchisee herein, including, without limitation: (1) the right to sell or distribute products and services through alternate channels of distribution, including direct distribution and online retail sales; (2) the right to engage in any business activities, which may include engaging in other businesses and franchising other businesses identified by trademarks other than "DREAMMAKER."

(iii) If (1) Franchisee fails or refuses to perform services, (2) Franchisee is not qualified or does not have the necessary equipment to perform services, (3) Franchisee requests assistance in the performance of such services, (4) if a customer requests, in writing, that services be performed by a different franchisee or third party, or (5) a National Account Customer submits a request for service that cannot be performed by Franchisee for any reason (whether by reason of contractual restriction, or otherwise), Franchisor has the right to arrange for a another franchisee, corporate employee, or third party to perform the services or to assist Franchisee in performing the services. A "National Account" is an account that Franchisor enters into directly with a National Account Customer. A "National Account Customer" is a customer whom Franchisor designate as a National Account Customer and (1) who contracts with Franchisor for the provision of services at more than one location and/or (2) whose work requires or is conditioned upon having special knowledge, skill, licenses, insurance, equipment, pricing, payment terms, turnaround times, or approvals. Franchisee has the option to not participate in any National Account program. The rights Franchisor reserves and the exclusions to Franchisee's Territory as described in this Section shall be "Territory Exclusions."

3. FEES AND PAYMENTS

A. **Initial Franchise Fee.** Upon execution of this Agreement, Franchisee shall pay Franchisor an initial franchise fee in the amount stated on the Summary Page. The initial franchise fee is fully earned upon Franchisor's execution of this Agreement and is nonrefundable upon payment.

B. **Franchise Development Package Payment.** Franchisee shall pay Franchisor \$22,495 for the franchise development package, which includes certain marketing and initial operations-related materials. Franchisee must submit a written order for the franchise development package prior to the first anniversary of the Effective Date of the Franchise Agreement. If Franchisee's order for the franchise development package is not submitted within this time period, Franchisor is under no obligation to provide the franchise development package to Franchisee and the payment under this Section is nonrefundable.

C. **Initial Advertising and Promotion Deposit.** Upon execution of this Agreement, Franchisee shall pay Franchisor an initial advertising and promotion deposit in the amount identified in the Summary Page. Franchisor will hold and return to Franchisee as provided in this Section. The Summary Page states the amount of the deposit to be considered as the “Franchisor’s Draw” which amount Franchisor will spend on promotional and marketing activities related to the Franchised Business, as determined by Franchisor in its sole discretion. Franchisee must submit to Franchisor proof that Franchisee has incurred expenditures related to advertising and promotional activities approved by Franchisor in writing, and Franchisor will return to Franchisee the related expenditure amount up to the deposit amount (less the Franchisor’s Draw) within 30 days of Franchisor’s receipt of such proof. If Franchisee does not submit proof of approved advertising and promotional expenditures at least up to the amount of Franchisee’s deposit (less the Franchisor’s Draw) within 24 months of the Effective Date of the Franchise Agreement, the balance will be forfeited. The deposit amount is refundable, less any expenses Franchisor has incurred in connection with the Franchised Business, only if, for any reason, this Agreement is terminated before the completion of Simulation Training.

D. **Initial Accounting Services Fee.** Upon execution of this Agreement, Franchisee shall pay Franchisor the Initial Accounting Services Fee in the amount stated in the Summary Page, which will pay for services from Franchisor’s designated bookkeeping and accounting services provider for a period of 12 months following the sale of Franchisee’s first DreamMaker project. This fee is nonrefundable.

E. **Initial Education Fee.** Upon execution of this Agreement, Franchisee shall pay Franchisor \$2,100 for an Initial Education Fee. The \$2,100 will be returned to you upon your attendance, in its entirety, of the first network training event (i.e. January Workshop or Reunion) that occurs after the execution of the Franchise Agreement. If you fail to attend the first network training event, this fee is nonrefundable.

F. **Design Center Deposit.** Upon execution of this Agreement, Franchisee shall pay Franchisor \$5,000 which Franchisor will hold as a deposit. The deposit will be returned to you in two phases:

- i. \$2,500 will be returned to you upon execution of a commercial lease through our designated representative and in accordance with this Franchise Agreement; and
- ii. The remaining \$2,500 will be returned to you within thirty days of the completion of the following:
 - a. Obtaining an approved design for your Design Center. To ensure approval of the design for your Design Center, the design must be completed by our preferred designer;
 - b. Submission of an estimate for your design center buildout using our required estimating software with sufficient detail, as we reasonably require, and you review your submissions with your franchise coach to our satisfaction; and
 - c. Operating from an approved design center within 12 months of the Effective Date of the Franchise Agreement.

G. **Royalty Fee.**

i. Beginning on the first Monday after the eight-month anniversary of the Effective Date of the Franchise Agreement (the “Royalty Start Date”), and continuing through the end of the Term, Franchisee shall pay Franchisor a weekly “Royalty Fee.” The Royalty Fee is due on Wednesday following the week for which the Royalty Fee was calculated.

ii. During the period beginning on the Royalty Start Date and ending on the last day of the 12th month following the Effective Date, the Royalty Fee will be calculated as the Percentage Royalty Fee (defined below). Thereafter, the Royalty Fee will be calculated as the greater of the Percentage Royalty Fee or the Minimum Royalty Fee (defined below).

iii. The Percentage Royalty Fee is calculated by multiplying weekly Gross Sales by a “Royalty Percentage.” The Royalty Percentage for year one of operations begins at 7%, and decreases during the calendar year as certain Gross Sales thresholds are met, as reflected below:

Annual Aggregate Gross Sales	Royalty Percentage¹
\$0 – \$749,999	7%
\$750,000 - \$1,499,999	6%
\$1,500,000 – \$2,499,999	5%
\$2,500,000 – \$3,999,999	4%
\$4,000,000 – over	3%

The Royalty Fee for year two of operations carries over from the end of year one and, thereafter is adjusted on January 1 of each year to correspond to the prior year’s aggregate Gross Sales. For example:

- If the Royalty Percentage at the end of year one was 5%, the Royalty Percentage for year two begins at 5%.
- If aggregate Gross Sales in year two exceed \$2,499,999, then the Royalty Percentage will continue to decrease throughout year two according to the above schedule. The ending Royalty Percentage for year two will carry forward to year three.
- If aggregate Gross Sales in year two range from \$1,500,000 to \$2,499,999, then the 5% Royalty Percentage will carry forward to year three.
- If Gross Sales in year two are less than \$1,500,000, then the Royalty Percentage will increase on January 1 of year three to an amount that corresponds with year two Gross Sales. For example, if aggregate Gross Sales in year two are \$1,000,000, then the Royalty Percentage beginning on January 1 of year three is 6%.

iv. “Gross Sales” means all revenues of the Franchised Business, including all revenues from, through, by or on account of the operation of the Franchise and/or revenues from the sale of products and/or services, excluding the amount of sales tax or similar receipts which, by law, are chargeable to customers, if such taxes are separately stated when the customer is charged and if such taxes are paid to the appropriate taxing authority. Gross Sales does not include any bona fide refunds, rebates or discounts granted in the ordinary course of business. Gross Sales includes all payments, regardless of payment form or method, with payment being considered received at the time of the payment transaction (i.e., delivery of check, processing of debit or credit card transaction, etc.) regardless of when funds are actually received. If a transaction which was previously included in a prior period’s report of Gross Sales is determined to be uncollectible, that amount shall be allowed as a credit against the Gross Sales reported to Franchisor for the period in which the determination is made. Gross Sales does not include income generated by Franchisee’s operation of any Competitive Business identified on Exhibit B-1 so long as Franchisee is in compliance with this Agreement, including but not limited to the Competitive Business Operational Conditions (as defined below) and further provided that Franchisee maintains separate books and records for each of the Franchise and such Competitive Business. If Franchisee keeps separate sales accounts and costs of sales accounts within an existing bookkeeping system, Franchisor shall consider the separate books and records requirement to have been met. Franchisee shall make the books and records for any Competitive Business available to Franchisor upon reasonable prior notice so that Franchisor may verify Franchisee’s compliance with the separate books and records requirement. Notwithstanding the foregoing, if Franchisee has an existing business with work that was started prior to the Effective Date then, beginning with the first Monday following completion of Foundations Training for the jobs for which Franchisee has already received a deposit and/or design fee but no construction has started Franchisee must report all Gross Sales received from

such date onward. For jobs where construction started before such date Franchisee is not required to report Gross Sales received from that job.

v. The “Minimum Royalty Fee” is calculated as follows:

Date	Minimum Royalty Fee ¹ (Weekly)
Beginning on the First Anniversary through the end of the Second Anniversary Year	\$250 plus \$125 for each 100,000 of population in the Territory over 200,000 ³
Beginning the week following the Third Anniversary through the end of the franchise term.	\$500 plus \$250 for each 100,000 of population in the Territory over 200,000 ^{2,3}

Note 1. The Royalty Fee is subject to increase each January by an amount equal to the increase, if any, in “The Consumer Price Index for all Urban Consumers”, U.S. City Average, All Items published by the U.S. Bureau of Labor Statistics, or any successor or substitute index appropriately adjusted.

Note 2. Franchisor has the right to recalculate the population of Franchisee’s Territory each January by an amount equal to the estimated population increase prepared by the U.S. Census Bureau or any substitute or successor source.

Note 3. The Royalty Fee shall never be increased more than once per calendar year and said increase, if any, shall never be more than \$50 per week in any calendar year period. Franchisee’s failure to pay Franchisor at least the Royalty Fee shall constitute a material default of the Agreement.

H. **Continuing Education Fee.** Beginning six months after the Effective Date of the Franchise Agreement and continuing throughout the Term, Franchisee must pay Franchisor a Continuing Education Fee of \$350 a month via automatic bank draft. The Continuing Education Fee is considered fully earned and nonrefundable upon payment. If certain requirements are met, however, it is Franchisor’s current policy to rebate Franchisee for expenses incurred in attending certain specified training meetings, up to a defined limit. For the first meeting, Franchisor will rebate \$2,100, the amount of the Initial Education Fee collected upon signing of the Agreement; for each additional meeting, Franchisor shall reimburse expenses up to \$2,100. Total reimbursement, for any year, will not exceed the sum of Continuing Education Fee payments or \$4,200. To qualify for the refund, (1) Franchisee must be in compliance with this Agreement, (2) Franchisee must be current in all amounts due and payable under this Agreement including, without limitation, Continuing Education Fee payments, (3) Franchisee must register and pay for all training in advance as required, (4) Franchisee must pay all expenses of attending training, and (5) Franchisee must actually attend and participate in the entire training meeting or event. Refunds will be processed and sent to Franchisee in the time and manner determined by Franchisor. Franchisor may modify or discontinue this refund policy at any time. Continuing Education Fee payments will not be separately accounted for or segregated from general operating funds, and are not refundable wholly or partly, except in accordance with this paragraph.

I. **Resale Training Fee and Initial Sales Education Fee.** If Franchisee purchases a franchise from an existing franchisee, Franchisor will provide Foundations Core Training to Franchisee and Franchisee must pay \$5,000 for such training. Franchisee must also participate in the requisite initial sales-related training program and pay Franchisor a \$3,750 Initial Sales Education Fee.

J. **MAP Fee.** During the term of this Agreement, Franchisee shall contribute to Franchisor’s national marketing, advertising and promotion fund (the “MAP Fund”). The MAP Fund contribution is due on the Wednesday following the week for which the MAP Fund contribution was calculated. The MAP Fund contribution is calculated by multiplying weekly Gross Sales by 2%.

K. **Advertising Cooperatives.** Franchisor may approve the establishment of local cooperative advertising associations consisting of all franchised and company-owned units within an area (“Cooperative”). Upon receipt of notice from Franchisor that a Cooperative has been formed which includes the Territory, Franchisee shall participate as a member of such Cooperative and contribute the amount determined collectively by the members of such Cooperative; provided, however, that any required contribution exceeding two percent of Gross Sales for any specified period must be approved by the affirmative vote of two-thirds of the Cooperative members, attending in person or voting by proxy, at a duly constituted meeting. Such Cooperative contributions are in excess of the MAP Fee required to be paid under this Agreement.

L. **Reports and Payments.** Franchisee shall submit to Franchisor by Wednesday of each week, at the time of day specified by Franchisor, and on a form approved by Franchisor, a statement, signed by Franchisee (a “Report”), of Gross Sales for the previous week’s reporting period, together with payment of the greater of the Royalty Fee or the Minimum Royalty Fee, plus the MAP Fee. Franchisor may specify a different day of the week for such Reports by notifying Franchisee in writing of such change. When Franchisor directs, the Report shall be submitted electronically as prescribed by Franchisor, including using prescribed software, and Franchisee shall pay all fees by automatic bank draft based on Reports submitted to Franchisor electronically. Franchisor may independently poll Gross Sales and other information input and compiled by Franchisee’s computer system from a remote location. There is no limitation on Franchisor’s right to access this information. The Report may include other operational activity as specified by Franchisor.

Franchisee shall participate in Franchisor’s then-current electronic funds transfer program authorizing Franchisor to use a pre-authorized bank draft system. Franchisee shall: (a) comply with Franchisor’s procedures, as specified in the Manual or otherwise in writing; (b) perform those acts and sign and deliver those documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section; (c) execute and deliver to Franchisor an authorization in the form designated by Franchisor to initiate debit entries and/or credit correction entries to the account for payments of the Royalty Fee and any other amounts payable under this Agreement, including any interest charges; and (d) make sufficient funds available in the account for withdrawal by electronic funds transfer no later than the due date for payment thereof. Notwithstanding the provisions of this Section, Franchisor reserves the right to modify, at its option, the method by which Franchisee pays the Royalty Fee and other amounts owed under this Agreement upon receipt of written notice by Franchisor. Franchisee’s failure to have sufficient funds in the account from which Franchisor receives payment is a material breach of this Agreement.

M. **Late Reports; Amended Reports.** If Franchisor fails to receive a Report within five days after the due date, Franchisor may assess a late reporting administrative fee of \$25 per Report. If Franchisee submits a Reports which requires amending or updating after submission due to inaccuracy or error, Franchisor may assess a Report amendment administrative fee of \$50 per Report. The administrative fees in this Section are imposed to reimburse Franchisor for overhead and administrative costs associated with such late or amended reporting.

N. **Administrative Enforcement Fees; Noncompliance Royalty Rate.**

(i) If Franchisor determines that Franchisee is not in compliance with this Agreement or the Brand Standards, Franchisor is entitled to deliver to Franchisee notice of such noncompliance. In the event of such noncompliance, Franchisor has the right to impose and collect from Franchisee a \$500 administrative fee (“Administrative Enforcement Fee”) for each “enforcement effort” that Franchisor undertakes on account of Franchisee’s noncompliance (e.g., a letter, email, or telephone communication notifying Franchisee of noncompliance or continued noncompliance), and if Franchisor has notified Franchisee of noncompliance and Franchisee has failed to correct the issue within seven days, Franchisor may impose and collect from Franchisee a \$500 Administrative Enforcement Fee per week until the issue has been corrected to Franchisor’s satisfaction.

(ii) Franchisor also may impose and collect the Administrative Enforcement Fee if Franchisee (a) fails to submit any report or financial statement, Annual Tax Report, Annual Business Budget, or proof of insurance required to be submitted under this Agreement, (b) fails to pay when due any amount due under this Agreement, and/or (c) fails to acknowledge receipt of Franchisor's communications to Franchisee, or to respond to Franchisor's communications within 96 hours of delivery.

(iii) During any period that Franchisee is in default of its obligations under this Agreement or the Brand Standards, Franchisor also shall have the right to assess an additional weekly Royalty Fee in an amount equal to the greater of (a) \$250 per week or (b) one percentage point higher than the rate payable under Section 3.G., in Franchisor's sole and absolute discretion. This right is cumulative of all other rights of Franchisor arising from Franchisee's noncompliance.

(iv) The Administrative Enforcement Fee is not a penalty but is intended to compensate Franchisor for the additional costs that it incurs in enforcing compliance with this Agreement and with the Brand Standards and is in addition to and not in lieu of any other rights or remedies that Franchisor may have based on Franchisee's noncompliance with this Agreement or the Brand Standards. Franchisor may impose and collect the Administrative Enforcement Fee whether or not the noncompliance at issue is of the type or degree that constitutes a material default of Franchisee's obligations under this Agreement and, if it is, whether or not a cure period applies.

O. **Late Payments.** After the due date, all payments shall bear interest at the highest rate permitted by applicable law, not to exceed 12% per annum.

P. **Dishonored Checks.** Franchisee shall pay Franchisor a fee of \$75 for each dishonored check and/or ACH draft tendered to Franchisor by Franchisee.

Q. **Reimbursement of Taxes.** Within 30 days after receipt of an invoice, Franchisee shall pay Franchisor an amount equal to any sales tax, gross receipts tax, income tax, or similar taxes or assessments imposed on Franchisor with respect to any payments due to Franchisor under this Agreement.

R. **Independent Obligations: Application of Payment.** Franchisee's obligations to pay Royalty Fees and other monetary obligations under this Agreement are absolute and independent of any other provision of this Agreement. Franchisee shall not, on any grounds including any alleged non-performance by Franchisor of any of its obligations hereunder, withhold, offset or escrow any amounts due in accordance with this Agreement for any reason and if Franchisee does so such action shall be deemed an independent default of this Agreement for which Franchisor will have the absolute right to terminate this Agreement. No endorsement or statement on any check or payment of any sum less than the full sum due shall be construed as an acknowledgement of payment in full or an accord and satisfaction and Franchisor may accept and cash such check or payment without prejudice to its rights to recover the balance due or pursue any other remedy provided herein or by law. Franchisor has the right to apply any payments to past due indebtedness. Franchisor is not required to accept payments after same are due, extend credit or otherwise finance Franchisee's operations. Failure to pay all amounts when due may result in suspension of access to Franchisor's support and services until such failure is cured and constitutes good cause for termination of this Agreement. Franchisor may sell, assign or discount any note or monetary obligation arising from the Agreement to a third party.

S. **Personal Obligation.** Franchisee acknowledges that the Royalty Fee and any other monetary obligations owed to Franchisor under this Agreement are personal obligations of Franchisee and that Franchisee is required to personally participate in the operation of the Franchised Business unless Franchisor otherwise consents. If Franchisee is a corporation or other legal entity, Franchisee must designate an Operating Principal (as defined below) and Franchisee's Principals shall personally guaranty Franchisee's performance to Franchisor. If there are two or more Principals, their obligation and liability shall be joint and several. "Principals" means Franchisee's spouse, if an individual; any holder of voting securities, if Franchisee is a corporation; any and all members and managers, if Franchisee is a limited

liability company; and Franchisees general partner and the Principals of the general partner, if Franchisee is a limited partnership. If any Principal is a business entity, then the term “Principal” also includes the Principals of the business entity.

T. **Amendment Fee.** If Franchisee requests an amendment to this Agreement and Franchisor agrees to such request, Franchisee must pay Franchisor a processing fee for modifications to this Agreement equal to the greater of (1) Franchisor’s actual costs in preparing the amendment, including without limitation, legal fees, or (2) \$1,500. When Franchisee executes an amendment to this Agreement or related agreements Franchisor may require that Franchisee sign a general release releasing Franchisor from all claims Franchisee may have except claims which, under state law, may not be released.

U. **Brand Protection Fund.** Franchisor has the right to create and administer a Brand Protection Fund (“BPF”). Upon receipt of notice from Franchisor that the BPF has been formed, Franchisee shall participate in the BPF by signing any documents required by Franchisor, and shall contribute to the BPF an amount determined by Franchisor; provided, however, that such initial contribution shall not exceed \$5,000. The initial contribution is subject to reimbursement from the Initial Advertising and Promotional Deposit. We reserve the right to require you to contribute to the BPF monthly, in an amount we designate not to exceed 2% of Gross Sales. Contributions are nonrefundable when paid. Franchisor shall use BPF monies for the proper completion of jobs performed by franchisees and former franchisees and to reimburse related administrative costs. The BPF may be administered by Franchisor directly, or may be administered by a separate entity controlled by Franchisor and/or DREAMMAKER franchisees. All decisions relating to BPF expenditures shall be made by exclusively Franchisor, after having solicited and received comments and advice from an advisory committee comprised of franchisees selected by, or according to procedures determined by, Franchisor. An annual unaudited statement of BPF contributions and expenditures will be made available to Franchisee upon request.

4. FRANCHISOR’S OBLIGATIONS

A. **Training.** Franchisee understands and acknowledges that Franchisor does not provide technical training on remodeling techniques. Franchisor’s initial training consists of three phases: (1) “Foundations Prep Training,” (2) “Foundations Core Training,” and (3) “Simulation Training.” Franchisee will attend Foundations Prep Training via phone, webinar, through self-study, or other method as Franchisor may designate from time to time. During Foundations Core Training, Franchisor shall train Franchisee in the fundamental marketing skills and managerial skills necessary to operate a Franchise in accordance with the System. Foundations Core Training shall be conducted periodically at the home office in Waco, Texas, via webinar, or such other time and place as Franchisor may designate. During Simulation Training Franchisee will complete self-study exercises, sales training and role play, marketing assignments, shadow employees of existing franchise locations, visit Franchisor’s preferred cabinet vendor and complete required design courses. Such visit to Franchisor’s preferred cabinet vendor and design courses may be conducted virtually or in-person as Franchisor or Franchisor’s preferred cabinet vendor may designate in their sole discretion. Franchisee also must complete a sales and sales management training program, at Franchisee’s expense, with a third party designated by Franchisor. Franchisee, or the Operating Principal designated by Franchisee in accordance with this Agreement, must attend and complete all training at such designated times and locations, and via such designated methods, as specified by Franchisor. Franchisee must complete such training to Franchisor’s satisfaction. If Franchisor, in its sole discretion, determines that Franchisee has failed to satisfactorily complete this training, Franchisor may terminate this Agreement. If Franchisee has employees whom Franchisee wishes for Franchisor to train, such additional persons may attend these training classes for a fee at then-current costs, which costs may change from time to time without notice to Franchisee. Franchisee is solely responsible for all food, lodging, travel, and miscellaneous expenses for itself and its employees to, from and during training. Franchisor may provide, from time to time, additional or “refresher” training programs, seminars, regional meetings and related activities regarding the operation of the Franchised Business. Franchisor may also conduct an annual convention (“Reunion”) and various other training seminars for Franchisee at such times and places and for such duration as Franchisor designates.

Franchisor may charge a reasonable cost for any such training programs, seminars, meetings and the Reunion. Franchisor currently requires Franchisee's attendance at Reunion and may require Franchisee to attend and complete such additional training programs, seminars, and meetings as Franchisor deems advisable, and Franchisee shall comply with all such requirements. In all cases, Franchisee shall pay all travel and living expenses.

B. **Promotion and Advertising.** Franchisor may maintain a web site on the Internet to advertise and promote its System and services marketed by its franchisees. Franchisor may, but is not required to, make web site space available to Franchisee. Any representations and warranties of any kind whatsoever, express or implied, regarding any web site, including representations and warranties as to the operation, functionality, lack of interruption or resources of the web site, are expressly excluded. Without limiting the foregoing, Franchisor disclaims any implied warranties of merchantability and fitness for a particular purpose as to any web site. As to any malfunctioning of any web site, Franchisor will not be liable to Franchisee for any consequential, incidental, indirect, economic, special, exemplary or punitive damages, such as, but not limited to, loss of revenue or anticipated profits or lost business, even if Franchisee has advised Franchisor that such damages are possible as a result of any breach of warranty or malfunction. Franchisor shall develop, or shall authorize designees to develop, from time to time, promotional programs and advertising campaigns to assist Franchisee in selling and performing services in accordance with the System. In particular, Franchisor shall maintain and administer the MAP Fund as follows:

1. The MAP Fund shall consist of MAP Fee contributions and advertising or promotional monies or credits from vendors and suppliers based upon purchases by franchisees. Franchisee authorizes Franchisor to collect such advertising or promotional monies or credits from suppliers and vendors. All interest earned on monies in the MAP Fund shall be deposited into the MAP Fund.

2. Franchisor shall direct, or shall authorize its designees to direct, all promotional programs and advertising campaigns financed by the MAP Fund, and Franchisor shall retain sole discretion over the choice of advertising or marketing agencies, spokespersons, creative concepts, promotional materials, advertising campaigns, geographic placements, media placements and market allocations. Although Franchisor intends for the MAP Fund to support promotional programs and advertising campaigns which will benefit most franchisees, Franchisor is not obligated to make expenditures on behalf of or for the benefit of Franchisee which are equivalent or proportionate to Franchisee's contributions to the MAP Fund or to ensure that any particular geographic area benefits directly or pro rata from MAP Fund expenditures.

3. The MAP Fund may be used to pay any and all costs for preparing and producing video, audio, Internet and printed advertising materials; planning and conducting any online or digital brand enhancement activities, including, without limitation, all Internet and web presence activities, search engine optimization activities, pay per click campaigns, business directory and listing creation and monitoring, and all social media related activities; administering national and regional advertising programs including direct mail, point of sale and other media advertising; employing advertising and public relations agencies; supporting public relations activities; conducting, analyzing, and other activities related to market research, customer surveys, and satisfaction reports; trademark availability and usage searches, and trademark, copyright, and other intellectual property filings with state or federal government agencies; travel-related, registration, and other associated costs with respect to attendance at industry (including franchise industry), tradeshow, conventions, and events; advertising and marketing activities; and other promotions or activities intended to advance the business prospects of franchisees. The MAP Fund may be used to support any National Account program that is intended to attract National Account Customers for services that are provided by franchisees and company-owned units in the System, and that is being administered by Franchisor or any designee of Franchisor.

4. The MAP Fund shall be accounted for separately from the other funds of Franchisor and shall not be used to defray any of Franchisor's operating expenses, except for amounts which may be used

to defray expenses of establishing and maintaining Franchisor's web sites and such reasonable salaries expenses and administrative costs and overhead as Franchisor may incur in activities reasonably related to the administration of the MAP Fund and its promotional programs and advertising campaigns including, without limitation, conducting market research, preparing advertising and marketing materials, and collecting and accounting for the various contributions to the MAP Fund.

5. In any fiscal year, Franchisor may spend an amount greater or lesser than the aggregate receipts of the MAP Fund in that year, and the MAP Fund may borrow from Franchisor or various lenders to cover any deficits of the MAP Fund.

6. Franchisor has the right, but not the obligation, to cause the MAP Fund to be incorporated or operated through an entity separate from Franchisor, and any such successor entity shall have all the rights and duties of Franchisor under this Section.

7. There is no requirement that the MAP Fund be audited. As soon as reasonably practicable following the end of each fiscal year, Franchisor will prepare a statement of the monies collected and costs incurred by the MAP Fund. Such statement shall be furnished to Franchisee upon written request.

8. Except as expressly provided in this Section, Franchisor assumes no direct or indirect liability or obligation to Franchisee or any of its other franchisees with respect to the maintenance, direction or administration of the MAP Fund.

Franchisee acknowledges and agrees that Franchisor may utilize photographs or other representations or data regarding Franchisee, Franchisee's employees, place of business, vehicles, job sites, work projects and other related items in any advertising or promotion deemed advisable by Franchisor without the prior notice or consent of Franchisee. Franchisee will not be due any compensation for any such use and Franchisee hereby specifically releases Franchisor from all claims, demands, damages, costs and expenses of any kind relating to or arising from the use of any such photographs or other materials.

C. **Confidentiality.** Franchisee acknowledges and agrees that Franchisor may share Franchisee's financial information, specifically, information relating to the Franchised Business, and operating performance ratings, assessments or similar data with Franchisor's franchisees and Franchisor's affiliate's franchisees and prospective franchisees through the use of newsletters, bulletins, award ceremonies, and otherwise as Franchisor deems necessary or advisable.

D. **Source of Supplies.** Franchisor will provide Franchisee with a schedule of required equipment, supplies and materials needed for the Franchised Business. This schedule may be amended from time to time at Franchisor's sole discretion. Any products sold by Franchisor shall be sold to Franchisee at the price and on the terms as may be specified by Franchisor from time to time. Franchisor may from time to time negotiate purchase arrangements with any supplier and may receive rebates or other material consideration from the supplier as a result of Franchisee's purchases.

E. **Franchisor's Software.** If and at the times determined by Franchisor and for so long as Franchisor elects to do so, Franchisor may license to Franchisee software, including end user instructions for operating such software, that Franchisor owns or otherwise has a right to license to Franchisee ("Franchisor's Software"), according to the terms of the applicable license agreement specified by Franchisor. Franchisee is required to use the Franchisor's Software at the times and on the terms specified by Franchisor. Franchisee must enter into the Technology Agreement, in the form prescribed by Franchisor, under which Franchisee is granted the right to use Franchisor's Software and which governs the terms and conditions under which Franchisee must purchase and use other technology. Franchisee must pay all requisite amounts included in the Technology Agreement to Franchisor or third parties, as designated.

F. **Lease Negotiations.** Franchisor may require the inclusion of certain provisions in Franchisee's lease; provided, however, Franchisor does not assume responsibility for negotiation or final content of the lease. The sole responsibility for acceptance of the terms and conditions of the lease remains

with Franchisee. **Franchisor’s approval of a lease or lease terms does not mean that the economic terms of the lease are favorable; it means only that the lease contains the lease terms that Franchisor requires.**

G. **Construction Plans.** Upon written request, Franchisor will make available, at no charge to Franchisee, Franchisor’s then-current designs, plans and/or specifications for the build-out of a Franchise Location. Such designs, plans and/or specifications may include interior and exterior design, layout, fixtures, furnishings and signage. Franchisee must adapt the standard plans and/or specifications for the Franchise Location, using only Franchisor’s designated designer, at Franchisee’s sole expense.

5. FRANCHISEE’S OBLIGATIONS

A. **Manner of Operation; Best Efforts; Cooperation with Franchisor; Limitation of Services.** Commencing no later than the 12th month after the Effective Date (but in no event before Franchisee has opened its Franchise Location), Franchisee shall at all times operate the Franchised Business within the Territory from the Franchised Location during customary business hours in compliance with Franchisor’s System (which includes restrictions regarding operations on, or publishing operating hour for, Sundays), including all standards, policies and procedures which Franchisor may from time to time establish in Franchisor’s Manuals, bulletins, notices, or otherwise in writing. Franchisee shall maintain the highest standards of quality and workmanship in its operation of the Franchised Business in accordance with the standards established by Franchisor in order to provide the highest quality service to customers of Franchisee and to preserve and enhance the value of the Marks licensed hereunder. During the term of this Agreement, Franchisee shall comply with its obligations and requirements under this Agreement and the Manuals in its operation of the Franchised Business; act in good faith; cooperate with Franchisor in accomplishing the purpose of this Agreement; not engage in any business activity which would be detrimental to or interfere with the operation, reputation or goodwill of the Franchised Business, Franchisor, Franchisor’s System, or any other franchisee; and comply with the terms of this Agreement. Notwithstanding the foregoing, Franchisor and Franchisee acknowledge and agree that any Competitive Business identified on Exhibit B-1 shall be considered a separate and distinct entity from the Franchise which is not subject to this Agreement and Franchisee’s continued operation of such Competitive Business shall not constitute a violation of this Agreement so long as (1) the operation of such Competitive Business does not interfere with Franchisee’s operation of the Franchised Business; (2) Franchisee does not utilize Franchisor’s Marks, System or Confidential Information (as that term is later defined) in the operation of the Competitive Business; and (3) the Competitive Business does not directly compete with the Franchised Business by offering the same services and/or products (“Competitive Business Operational Conditions”). Unless otherwise approved in writing by Franchisor, each vehicle shall be no more than four years old at the time of acquisition, in excellent condition, white in color, and shall have the Marks professionally applied prior to the vehicle being put into service. Each vehicle shall be equipped and outfitted in accordance with Franchisor's specifications. Franchisee shall maintain the interior, exterior and mechanical parts of such vehicle in excellent repair and condition and Franchisee shall regularly service and maintain such vehicle so as to keep it clean and in good working order.

D. **Technology.** Franchisee shall acquire, install, maintain and upgrade computer hardware, software, including, but not limited to, desktops, laptops, personal digital assistants or other similar devices, and other hardware and peripherals or related items; software; and Internet access, and similar or related items, as periodically required by Franchisor during the term of the Agreement. Franchisor or its designee may be a designated supplier or the sole designated supplier for some or all of the required computer hardware, software and/or Internet service. The System, Franchisor's Software, and Franchisor's proprietary products, services, operations and training, may be periodically upgraded, improved, refined, changed, deleted or altered to address new technology, efficiency, quality control, economic or market factors. Franchisee expressly agrees to implement any such changes when necessary, within the time period specified for all franchisees and at Franchisee's sole expense, in order to maintain the uniformity and integrity of the System and to comply with all policies and procedures, and execute any required agreements, regarding use of intranet or any electronic communication, or data storage/retrieval system, website or software as Franchisor may prescribe from time to time.

Franchisee shall grant to Franchisor, at all times, independent and remote access to all information and financial data recorded by Franchisees computer systems and software. Franchisee acknowledges that there are no contractual limitations to Franchisor's right to access or use the information and data recorded by Franchisee's systems.

E. **Non-Cash Payment Systems.** Franchisee shall accept debit cards, credit cards, stored value cards, and other non-cash systems (including, for example, APPLE PAY, GOOGLE WALLET, etc.) that Franchisor specifies periodically to enable customers to purchase authorized products, and to acquire

and install all necessary hardware and/or software used in connection with these non-cash systems. The parties acknowledge and agree that protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and System. Accordingly, Franchisee shall cause the Franchised Business to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Standards Council or its successor and other regulations and industry standards applicable to the protection of customer privacy and credit card information. Franchisee is solely responsible for its own education concerning these regulations and standards and for achieving and maintaining applicable compliance certifications. Franchisee shall defend, indemnify, and hold Franchisor harmless from and against all claims arising out of or related to Franchisee's violation of the provisions of this Section.

F. **Uniforms.** In order to present a neat and clean appearance while performing the services of the Franchised Business, Franchisee and any employee of the Franchised Business shall wear a uniform as specified in Franchisor's Manuals, bulletins, notices, or otherwise in writing; and Franchisee shall prohibit the wearing of such uniforms except during and within the scope of an employee's employment.

Such policy or policies shall be written by an insurance company with an A.M. Best rating of not less than A-VII in accordance with standards and specifications set forth in the Manuals or otherwise specified in writing by Franchisor. If Franchisee fails to do so, Franchisor may, but is not required to, obtain the necessary insurance for Franchisee and keep the same in force and effect, and Franchisee shall pay Franchisor, on demand, all premiums charged for the policies of insurance. All policies purchased by Franchisee shall provide that Franchisor be given at least 30 days' prior written notice of any termination, amendment, cancellation or modification thereof and shall require the insurer to defend Franchisee and Franchisor in any action based on personal injury or property damage suffered as a result of or arising out of the operation of the Franchised Business. In addition, all general liability policies of insurance shall name Franchisor, its affiliates, successors, assigns, officers, directors, shareholders, partners, members, agents representatives, independent contractors and employees as additional insureds. All policies of insurance shall include a waiver of subrogation in favor of Franchisor, its affiliates, and respective officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees. Nothing contained herein shall be deemed to constitute an undertaking or representation by Franchisor that any such insurance will insure Franchisee against any or all insurable risks of loss which may or can arise out of or in connection with the operation of the Franchised Business. Before the completion of Foundations Core Training, Franchisee shall procure the following policies:

1. comprehensive general liability insurance in the minimum amount of \$1,000,000 combined single limit/\$2,000,000 aggregate to protect Franchisee against injury to property or person arising from the operation of the Franchise. This policy shall further provide that Franchisee's insurance coverage is primary to any coverage maintained by Franchisor and Franchisor must be named as a Grantor of Franchise additional insured on the policy; and

2. commercial auto liability insurance coverage, on each owned, non-owned or hired vehicle which is operated by, or on behalf of, the Franchise, including owned, non-owned or hired vehicles, and providing protection for injury caused to person or property by such vehicles in the minimum amount of \$1,000,000 combined single limit. Franchisee shall deliver to Franchisor a certificate of insurance evidencing the insurance coverage required under this Section both before attending Simulation Training and upon each renewal of said policy or policies. In each case in which Franchisor is required to be an additional insured the endorsement for the additional insured status must be worded and have such coverage as specified by Franchisor and the additional insured endorsement may not have any exclusions or limitations not allowed by Franchisor. In any case in which umbrella policies are required the umbrella policies shall be endorsed so as to indicate that such policies provide primary coverage, without right of contribution by the Franchisor's liability insurance policies for all claims against the Franchisor arising out of the performance of the work by Franchisee.

H. **Records and Reports.** Franchisee shall install, and maintain at all times, a complete and uniform accounting system that results in financial information being prepared in accordance with generally accepted accounting principles ("GAAP") and meeting the standard operating procedures and specifications, including internal audit standards, and use of an approved chart of accounts, prescribed periodically by Franchisor. In each case in which Franchisor requires, including in connection with Franchisee's set-up of books and records, in using the required chart of accounts and in producing annual compiled financial statements, Franchisee shall utilize the services of an independent certified public accountant specified by or satisfactory to Franchisor ("CPA"). Franchisee shall maintain complete and accurate records, accounts, books, data and reports which shall accurately reflect all particulars arising out of this Agreement. If Franchisee transacts business which is not subject to this Agreement, all records connected to such other operation shall be kept in a manner necessary to effect a clear and convenient segregation between the Franchised Business and such other business. Otherwise, any sums deposited into bank accounts for the Franchised Business are deemed to be Gross Sales of the Franchised Business. Franchisee shall deliver the following reports to Franchisor by mailing the Report or by submitting the Report electronically if Franchisor so directs:

1. by Wednesday of each week, a Report of Gross Sales for the previous week, together with copies of all invoices and payment of the greater of the Royalty Fee or any applicable Minimum Royalty Fee plus the MAP Fee;

6. upon demand, Franchisee shall provide to Franchisor a complete customer list of the Franchised Business, including the customer’s name, address and telephone number, and Franchisee shall maintain such list in an electronic format acceptable to Franchisor, which allows for the electronic delivery of such information and Franchisee agrees that such information, whether or not requested by Franchisor at any time, is and shall be the property of Franchisor; and

7. such other periodic reports, forms and records as Franchisor may reasonably specify in writing, including information from any Competitive Business. Franchisee shall make available for inspection by Franchisor, at reasonable times and during normal business hours, all original books and records that Franchisor may deem necessary to ascertain the accuracy of such periodic reports.

In addition, Franchisee shall allow such auditing, inspecting, copying of records, and similar review and inspection of Franchisee’s books and records as Franchisor may require and shall cooperate with Franchisor’s auditors, on a reasonable but unannounced basis, for such purposes. Franchisor may also require Franchisee to comply with such additional requirements as may be reasonably necessary in order to enable Franchisor to meet its obligations using generally accepted accounting principles. Franchisee acknowledges and agrees that Franchisor is relying upon Franchisee’s certification of its Monthly Financial Reports and that Franchisee has accurately reported its Gross Sales. Therefore, Franchisee hereby waives any and all claims relating to the overpayment of any fees, including but not limited to Royalty Fees and MAP Fund fees, based on the inaccurate reporting of Gross Sales or the inaccurate calculation of such fees, unless Franchisee notifies Franchisor of such inaccuracies in writing within 90 days of the end of the calendar month in which the Gross Sales occurred.

I. **Promotion and Marketing**. Recognizing the value of promotion and marketing and the importance of standardization to the furtherance of the goodwill and public image of the System, Franchisee shall engage in local marketing and promotion of the services and products available through the Franchised Business. Through the Second Anniversary year of the Franchised Business, the Franchisor’s Draw shall be spent by Franchisor on advertising and promotional activities connected with the Franchised Business. In the third year of the Franchised Business, Franchisee shall spend an amount equal to at least 5% of annual Gross Sales. Franchisee shall participate in all non-price related marketing and public relations programs instituted by the MAP Fund or a Cooperative. Franchisee shall not create, maintain or modify a web site or any other type of Internet presence containing Franchisor’s name or Marks

Franchisee shall submit to Franchisor all promotional and advertising materials prepared by Franchisee, whether print, electronic, audio or visual (including directory and online advertising), prior to use, together with an outline of its proposed use, for Franchisor's written approval. Franchisee shall not advertise or sell any product or service not specifically authorized by this Agreement or otherwise in writing.

Franchisor also retains the right to require Franchisee to attend and complete a "refresher" training course or advanced training course if Franchisor determines that Franchisee is not current on all aspects of the System or is otherwise in need of such training.

For both the above describe, and any additional mandatory training, as well as non-mandatory training, Franchisee must pay the then-current training fee, which will not exceed \$1,500 per person per day before the training is provided. Franchisor may, but is not obligated to, offer specialty training or work in conjunction with an association to provide training that earns a certification, and when such training is offered Franchisor may charge for that training an amount to be determined by Franchisor. Franchisee shall render and shall cause each of its employees to render prompt, competent and courteous service to customers and Franchisee shall offer and honor such service warranties as Franchisor directs. Franchisor's expectation is that Franchisee shall respond to any dissatisfied customer within 24 hours after the complaint is received, whenever possible. Should Franchisee be unable to equitably resolve the customer's complaint within seven days after the initial contact, Franchisee shall contact Franchisor for assistance in handling the complaint. In no event shall Franchisor's assistance be construed to make Franchisor liable to Franchisee or to Franchisee's customer in connection with such complaint since Franchisee is solely responsible for satisfactorily resolving all warranty claims or customer disputes. Should Franchisee fail to do so, Franchisee is responsible for reimbursing Franchisor or any franchisee who does so for the reasonable cost of such services. Franchisor may contact Franchisee's customers concerning the quality of services, the level of customer satisfaction, or other aspects of the Franchised Business that Franchisor deems relevant. The parties acknowledge and agree that these requirements are necessary to preserve the goodwill identified by the Marks. The parties further acknowledge and agree that Franchisor neither dictates nor controls labor or employment matters for Franchisee or Franchisee's employees. Franchisee is exclusively responsible for hiring personnel, for determining the number of jobs offered or job vacancies to be filled, for determining and changing employee wages and benefits and work hours, and for disciplining and discharging Franchisee's employees. Franchisee is exclusively responsible for labor relations with Franchisee's employees. Franchisee shall defend, indemnify and hold harmless Franchisor from and against all claims, losses, and damages arising out of or related to Franchisee's employment practices.

L. **Quality Assurance; Book & Records.** To assist Franchisor in providing Franchisee with on-going advice and assistance, and to determine whether Franchisee is complying with the terms of this Agreement and with the specifications, standards and procedures established by Franchisor for the operation of the Franchised Business, Franchisor or its authorized representative shall have the right, at any time during customary business hours, upon reasonable prior notice and without any compensation to Franchisee, to (1) examine and copy the books, records and tax returns of the Franchised Business; (2)

Franchisee further agrees to participate in any surveys or studies performed by Franchisor or its designee and that results or data derived from same are the property of Franchisor and may be used by Franchisor for such purposes as Franchisor elects.

M. **Audit.** From time to time, during normal business hours, Franchisor shall have the right to examine and copy, at Franchisor's expense, or to otherwise conduct an audit of the Franchised Business and Franchisee's business records for the purposes of determining Franchisee's compliance with this Agreement. If the results of Franchisor's audit show that Franchisee has underreported Gross Sales in any Report submitted to Franchisor, Franchisee shall pay to Franchisor the amount due on such understated amount (or the amount which Franchisor estimates is due on the understated amount) upon demand, plus interest from the date such amount was due until paid at the highest rate allowed by law. In addition, if Franchisee has understated Gross Sales by 3% or more, Franchisee shall reimburse Franchisor for its reasonable costs and expenses of such audit, including but not limited to, travel expenses, lodging, the regular wages of any of Franchisor's employees who may conduct such audit, accounting and legal fees and any other ordinary and necessary expenses. O. **Prohibition Against Encumbrance.** Without Franchisor's prior written consent, Franchisee shall not grant any security interest in this Agreement nor shall any ownership interest in any corporate Franchisee or the Franchised Business be pledged or encumbered. If Franchisor consents to the grant of a security interest, the secured party must agree that in the event of Franchisee's default, Franchisor shall be notified of the default and shall have the right but not the obligation to be substituted as an obligor to the secured party. In no event shall this requirement be construed to make Franchisor liable to Franchisee or to the secured party.

P. **Proprietary and Private Label Products and Supplies.** Franchisee shall purchase from Franchisor, its affiliate, or designated suppliers certain proprietary products which now comprise, or in the future may comprise, a part of Franchisor's System. Franchisor may also establish products identified by Franchisor's Marks, whether proprietary products or otherwise ("Private Label Products"). If Franchisor is the designated supplier of such proprietary products and/or Private Label Products, it will sell the products to Franchisee at the price specified by Franchisor from time to time, and Franchisee shall offer and sell such proprietary products and Private Label Products at or through the Franchised Business as specifically designated by Franchisor in writing.

Q. **Products, Services and Designated and Approved Suppliers.** Franchisee will offer all, and only such, products and services as have been expressly approved by Franchisor in writing and will refrain from or discontinue offering any products or services which Franchisor may, in its sole discretion, disapprove in writing at any time. Franchisor may add, eliminate and change authorized products and/or services, in its sole discretion, and Franchisee must comply with all directives (which may require purchasing and installing additional equipment).

Franchisee shall purchase from Franchisor, its affiliates, or suppliers designated by Franchisor all services, products, or materials that Franchisor identifies from time to time. Franchisor may also provide Franchisee with a list of approved suppliers from whom Franchisee may purchase certain services, products, or materials, which may include Franchisor and its affiliates. Franchisor will periodically advise Franchisee, in writing, of designated and/or approved suppliers. Specifically, but without limiting the generality of the foregoing, Franchisee shall acquire telephone service from Franchisor's designated service provider (to the extent such restriction permitted by applicable law), and Franchisee shall enter into the form of service contract and agreement designated by such service provider.

All products, supplies, services and equipment used by Franchisee in the Franchised Business shall be of such quality as required by Franchisor to assure uniform standards. Specified products, services, inventory, supplies, uniforms, tools, chemicals, equipment and other services or materials used in the operation of the Franchised Business shall be contracted for or purchased from suppliers whose services, products and workmanship demonstrate to Franchisor's continuing reasonable satisfaction, the ability to meet Franchisor's specifications and standards of quality and uniformity. Franchisee may propose an unapproved supplier for Franchisor's consideration and approval, however, before Franchisor provides its consent or disapproval for Franchisee's use of the proposed supplier, Franchisor may conduct any verification and testing it deems advisable. Franchisor will not unreasonably withhold its approval of any alternate supplier, and Franchisor will use its reasonable efforts to respond to Franchisee's request for approval within 30 business days from Franchisor's receipt of Franchisee's notice. Franchisor may require that samples from alternate suppliers be delivered to Franchisor or to a designated independent testing laboratory for testing before approval is given. A charge to cover the actual cost of the test and any related cost/expense may be made by Franchisor or by an independent testing laboratory designated by Franchisor and shall be paid by Franchisee to Franchisor or the independent testing laboratory upon demand. Franchisor reserves the right to revoke its approval upon the supplier's failure to meet Franchisor's criteria. **Franchisor makes no representation concerning, and expressly disclaims any liability arising out of or in connection with, the services rendered or products furnished by any supplier approved or designated by Franchisor. Franchisor's approval or consent to any services, goods, suppliers, or any other individual, entity or any item shall not create any liability to Franchisor.**

R. **Products, Services and Equipment Developed by Franchisee.** If Franchisee, its employees, or Principals adopt any new concept, process, product, or improvement relating to the franchised business, Franchisee shall promptly notify Franchisor and provide franchisor with all necessary related information, as Franchisor determines in its sole discretion. Any such concept, process, product, or improvement shall become Franchisor's sole property, and Franchisor shall be the sole owner of all patents, patent applications, trademark, trademark applications, copyright, copyright applications, and other intellectual property rights related thereto. Franchisee and its Principals hereby assign to Franchisor any rights they may have or acquire therein, including the right to modify such concept, process, product, or improvement and otherwise waive and/or release all rights of restraint and moral rights therein and thereto. Franchisee and its Principals agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such concept, process, product, or improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights. Franchisee and its Principals hereby irrevocably designate and appoint Franchisor as their agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution of patents or other intellectual property right related to any such concept, process, or improvement. In the event that the foregoing provisions of this Section are found to be invalid or otherwise unenforceable, Franchisee and its Principals hereby grant Franchisor a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process, product or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe Franchisee's rights therein.

At Franchisor's request, Franchisee must utilize the services of Franchisor's designated tenant representative to provide site selection assistance. Although Franchisor or its tenant representative may propose sites for the Franchise Location, ultimate site selection is solely Franchisee's responsibility. Once the Franchised Location is identified, Franchisee must operate the Franchise from the Franchise Location in accordance with this Agreement. **The parties acknowledge and agree that Franchisee's approval of the Franchise Location is not an assurance that the Franchised Business will achieve certain revenue or profit levels.**

T. **Pricing.** To the fullest extent permitted by applicable law, Franchisor reserves the right to establish maximum, minimum, or other pricing requirements with respect to the prices Franchisee may advertise, offer, and charge for products and services, and Franchisee shall abide by such pricing requirements. Franchisor may impose such restrictions periodically through the term of this Agreement and is in no way required to uniformly apply pricing requirements (which may include a specific geographic area, certain specific products or services, a subset of system franchisees, or other defined categories established in Franchisor's sole discretion). Franchisee hereby waives any and all claims arising from or related to Franchisor's prescription or suggestion of the Franchised Business's retail prices.

Franchisor reserves its right to remove Franchisee's access to Social Media accounts at any time at its sole discretion. Upon termination of this Agreement for any reason, Franchisee's access to all Social Media accounts will terminate. Consequently, computer systems are sometimes incompatible and are susceptible to Internet, computer system, and communication failures. By entering into this Agreement, Franchisee assumes all of the risk of all such issues and technology failures, which it acknowledges may affect its ability to order or receive products or to conduct business, and Franchisee acknowledges that Franchisor is not responsible for any damages caused by such issues or technology failures, including lost sales or profits.

6. FRANCHISE LOCATION

A. **Selection of Franchise Location.** Franchisee is solely responsible for selecting the Franchise Location and obtaining the written consent of Franchisor. Franchisor is not responsible for selecting or obtaining the Franchise Location. Unless otherwise agreed in writing, Franchisor makes no representations or guarantees that a specific location can be obtained, nor does Franchisor guarantee the success of a particular Franchise Location. Final responsibility for selection of the Franchise Location will always remain with Franchisee.

B. **Construction of Franchise Location.** Once the Franchise Location has been selected, Franchisee shall completely construct and equip, at Franchisee's expense, the Franchise Location in accordance with Franchisor's standards and specifications as outlined in the Manuals or otherwise in writing. Before commencing construction, Franchisee shall comply with all of the following requirements, to Franchisor's satisfaction, at Franchisee's expense:

1. Franchisee shall be responsible for obtaining all zoning classifications and clearances which may be required by state or local laws, ordinances, or regulations. Franchisee shall obtain all permits and certifications, including but not limited to architectural and engineering seals, required for the lawful construction and operation of the approved Franchise Location, and, if requested by Franchisor, shall certify in writing to Franchisor that all such permits and certifications have been obtained.

2. Franchisee shall employ a qualified licensed general contractor and/or architect to (a) prepare, if required, preliminary and final plans and specifications, including mechanical, engineering and plumbing ("MEP") plans for construction; and (b) construct the Franchise Location and complete all improvements. Franchisee must obtain Franchisor's written approval of such plans for Franchisee's Franchise Location in advance and if such approval is not obtained Franchisee shall pay to Franchisor, which payment Franchisor may elect to collect via automatic bank draft, a \$5,000 construction design review fee for review of such plans and the then current travel fee (currently \$3,000) for travel associated with such review. Franchisee shall obtain and maintain in force, during the entire period of construction, Builders' All Risks insurance in amounts, and written by carriers, satisfactory to Franchisor. Franchisor assumes no liability for the contractor chosen by Franchisee or the actual construction of the Franchise Location.

3. Franchisee shall provide to Franchisor such periodic progress reports during construction as Franchisor may require. Franchisor and its agents shall have the right to inspect the construction at all reasonable times. After final designs and/or plans have been approved, Franchisee shall complete construction, including all exterior and interior carpentry, electrical, painting, and finishing work, and installation of all furnishings, fixtures, equipment, and signs in accordance with the approved final plans within 12 months of the Effective Date of the Franchise Agreement (exclusive of time lost by reason of strikes, lockouts, fire, and Acts of God).

4. Franchisee shall promptly notify Franchisor of the date of completion.

C. **Use of Franchise Location.** Franchisee shall use the Franchise Location solely for the operation of the Franchise and any Competitive Business identified on Exhibit B-1; shall keep the Franchise Location open and in normal operation for such minimum hours and days as Franchisor may specify in the Manuals or otherwise in writing (or as may be required by the lease), which includes restrictions regarding operations on, or publishing operating hours for, Sundays; and shall refrain from using or permitting the use of the Franchise Location for any other purpose or activity at any time without first obtaining the written consent of Franchisor.

D. **Maintenance of Franchise Location.** Franchisee must maintain the Franchise Location (including adjacent public areas) in orderly condition, and in good repair. Franchisee must make such additions, alterations, repairs, and replacements as may be required for that purpose, including, without limitation, such periodic repainting or replacement of obsolete signs, furnishings, equipment, displays,

fixtures and decor as Franchisor may reasonably direct from time to time. For any material alterations, Franchisee must first obtain Franchisor's prior written consent. Franchisee must purchase and install, at Franchisee's sole expense, all fixtures, furnishings, equipment, displays, decor and signs as Franchisor may reasonably direct from time to time. Franchisee must refrain from installing or permitting to be installed on or about the Franchise Location, without Franchisor's prior written consent, any fixture, furnishings, equipment, displays, signs, or other items not approved as meeting Franchisor's specifications.

E. **Remodel of Franchise Location.** Franchisee may be required to remodel the Franchise Location upon lease renewal, or as otherwise required by Franchisee's lease or at such time as Franchisor requires. All remodel plans and the architectural and construction firm, if any, must first be approved by Franchisor, and may include, without limitation, structural changes, redecoration, design and color scheme changes, and modification to existing improvements. Franchisor will use its best efforts to work with Franchisee's landlord concerning remodeling requirements.

F. **Lease.** Franchisee shall comply with its lease and all other agreements affecting the operation of the Franchise. Franchisee shall undertake its best efforts to maintain a positive working relationship with its landlord, and shall refrain from any activity which may jeopardize Franchisee's right to remain in possession of, or to renew the lease for, the Franchise Location.

G. **Relocation.** Franchisee may relocate the Franchise to a new location within the Territory provided Franchisee complies with the following terms and conditions:

1. Franchisee is not in default of any provision of this Agreement, any other agreement with Franchisor or the lease for the former Franchise Location;
2. Franchisee is current on Franchisee's financial obligations to Franchisor, Franchisor's affiliates and all third-party creditors of the Franchise;
3. Franchisee delivers to Franchisor a current financial statement and a profit and loss statement for the Franchise's last 12 months of operation;
4. the new Franchise Location has been approved by Franchisor; and
5. the Franchise officially opens for business at the new location on the same day the Franchise officially closes at the former Franchise Location, which time period Franchisor may extend for an additional period of time for good cause.

H. **Design Center.** Within five months from the Effective Date of the Franchise Agreement, Franchisee shall have acquired space (by purchase or lease) to accommodate the retail design center, which meets Franchisor's minimum criteria and which Franchisor has approved. No later than 12 months following the Effective Date of this Agreement, Franchisee shall have completed construction on the retail design center portion of the space. Before Franchisee opens a retail design center, Franchisor will provide Franchisee with designs and specifications for a typical retail design center location, including equipment, fixtures and signs, upon Franchisor's receipt of Franchisee's written request. These designs must be modified at Franchisee's expense by Franchisor's designated designer to fit Franchisee's particular retail location in accordance with Franchisor's then-current standards. If Franchisee does not obtain Franchisor's written approval of the design for Franchisee's specific design center in advance, Franchisor may charge Franchisee a \$5,000 fee and an additional travel fee at Franchisor's then current rate, which is currently \$3,000, for review of Franchisee's design. If modifications are required as a result of that review, Franchisee is responsible for making those modifications within 90 days of receiving notification of the required changes. Franchisee is additionally responsible for compliance with local ordinances, building codes and permits and must construct and equip the retail design center according to Franchisor's standards and specifications outlined in the Manuals.

7. TRADEMARKS, COPYRIGHTED WORKS AND SYSTEM

A. **Franchisor's Ownership.** Franchisee acknowledges and agrees that the Marks and Copyrighted Works are valid and entitled to protection under applicable trademark and copyright laws and the Marks and the Copyrighted Works are the exclusive property of Franchisor. The parties agree that nothing in this Agreement grants Franchisee any ownership or other interest in or to the Marks, the goodwill symbolized by the Marks, or Copyrighted Works, other than a license to use them pursuant to the terms of this Agreement. The parties agree that any goodwill arising from Franchisee's use of the Marks inures solely to Franchisor's benefit. Franchisee shall not contest Franchisor's ownership or validity of the Marks, or its ownership of the Copyrighted Works, and shall neither do nor permit to be done anything in derogation of Franchisor's rights therein.

B. **Modification.** If Franchisor, in its sole discretion, decides to modify or discontinue the use of any Mark or Copyrighted Work and/or to adopt or use one or more additional or substituted Marks or Copyrighted Works, whether in one market or region or systemwide, Franchisee shall, at its sole expense, promptly conform its use as directed. Franchisee waives any claims arising from or relating to any such change, modification or substitution.

C. **Franchisee's Use.** Franchisee shall use only the authorized trade name DREAMMAKER BATH & KITCHEN in all advertising and public presentations, including but not limited to business cards, letterheads and invoices. Franchisee may not use the Marks or Copyrighted Works or association therewith for the benefit of any business other than the Franchised Business. Franchisee acknowledges that Franchisor's prior written consent is required for the use of any of the Marks or Copyrighted Works, except as granted herein. Franchisee shall permit Franchisor to conduct reasonable inspections of the Franchised Business to monitor Franchisee's use of the Marks and Franchisee shall supply Franchisor with specimens of all uses of the Marks upon Franchisor's request. Franchisee shall use the Marks and/or any trademark, service mark, trade name or combinations containing the same adopted by Franchisor strictly in accordance with this Agreement and/or other written instructions received from Franchisor, from time to time, including the form and manner and appropriate legends as may be prescribed from time to time. Franchisee shall not use any other trademark, service mark or trade name in combination with any of the Marks without Franchisor's prior written consent. Franchisee shall not use the Marks of Franchisor in advertising or any other form of promotion without the appropriate copyright, trademark or service mark designation. All promotional materials or other items which bear the Marks shall be in the form, color, location and manner prescribed by Franchisor. Franchisee shall not include any of the Marks in the name of any legal entity. If a trade name or fictitious name filing with any state, county or other local authority is required, Franchisee shall register the Franchised Business as "DREAMMAKER BATH & KITCHEN of (geographical designation)".

Franchisee shall not use any of the Marks or any part or derivative thereof or any of the Copyrighted Works online or in digital format, unless expressly as permitted in writing. Without limiting the generality of the foregoing, Franchisee may not cause or allow all or any recognizable portion of the Marks, or terms that may suggest an affiliation with Franchisor for use or display as all or part of an e-mail address, Internet domain name, uniform resource locator ("URL"), hypertext reference ("HREF"), or meta-tag, or in connection with any Internet home page, web site, or any other Internet-related activity without Franchisor's express written consent, and then only in a manner and in accordance with the procedures, standards, and specifications that Franchisor establishes. This prohibition also includes the use or registration of the Marks, or any derivative of the Marks, as a part of any user name, account name, or in any other way that may suggest an affiliation with Franchisor or the franchise system, on any gaming, blogging, user review, video sharing, or social networking website (such as FACEBOOK, INSTAGRAM, or X (formerly known as Twitter)), whether or not such social media platform is used for commercial gain, or as a part of any unauthorized email address. Franchisee also may not display on any website (including commercial, gaming, blogging, user review, video sharing, and social networking websites) Franchisor's

Copyrighted Works, which include, but are in no way limited to, the design portion of its Marks and collateral merchandise identified by the Marks.

D. **Legal Protection.** If Franchisee learns of any claim, suit or demand against Franchisee based on Franchisee's use of the Marks or Copyrighted Works, or if Franchisee becomes aware of any infringement or misuse of the Marks or Copyrighted Works, Franchisee shall promptly notify Franchisor, in writing. Franchisor may, but is not obligated to, take such action, if any, as Franchisor, in its sole discretion, deems necessary or appropriate. Franchisor shall have the sole right to defend, compromise or settle any such claim at Franchisor's sole cost and expense, using attorneys of its own choosing. Franchisee shall cooperate fully with Franchisor in connection with the defense of any such claim and hereby irrevocably appoints Franchisor as its agent to defend or settle all of such claims, demands or suits. Franchisee may participate at its own expense in such defense or settlement, but Franchisor's decisions shall be final and binding upon Franchisee. Franchisee shall not settle or compromise any such claim without the prior written consent of Franchisor. Franchisor agrees to indemnify and hold Franchisee harmless against any claim or demand arising from Franchisee's authorized use of the Marks and Copyrighted Works provided Franchisee has notified Franchisor of any claim or demand as required by this Section.

8. INDEPENDENT CONTRACTOR

A. This Agreement does not create a fiduciary relationship between Franchisee and Franchisor. Franchisee is an independent contractor, and nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever. Franchisee is not authorized to incur any debt or other obligation in Franchisor's name nor to make any contract or agreement on Franchisor's behalf.

B. During the term of this Agreement and any extension hereof, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement with Franchisor. Franchisee shall conspicuously post notices to that effect in such locations and by such means determined reasonably necessary by Franchisor to inform the public, customers, suppliers and other third parties. Franchisor specifically reserves the right to specify the content of such notices as well as where the notices shall be posted.

9. INDEMNIFICATION

A. Franchisee shall be fully responsible for any damage, loss or other claims arising out of its operations hereunder, whether conducted by Franchisee or Franchisee's employees, subcontractors, agents or representatives. Franchisee shall indemnify, defend and hold harmless Franchisor and its affiliates and their respective governing persons, agents, and employees, and all other franchisees of Franchisor, against all fines, proceedings, claims, demands, debts, obligations, liabilities, judgments, damages or actions of any kind or nature arising out of or related to (a) any act or omission by Franchisee or any of Franchisee's employees, subcontractors, agents or representatives, and (b) any claim that Franchisor is the employer, or is a joint employer with Franchisee, of any of Franchisee's employees. Franchisee's indemnification applies regardless of any fault on Franchisor's part. This provision survives termination or expiration of this Agreement.

B. Franchisor shall indemnify, defend and hold harmless Franchisee and its governing persons, agents and employees against all fines, proceedings, claims, demands, debts, obligations, liabilities, judgments, damages or actions of any kind or nature arising out of or related to Franchisee's use of the Marks in accordance with the terms of this Agreement. This provision survives termination or expiration of this Agreement.

10. CONFIDENTIAL AND PROPRIETARY INFORMATION AND NONCOMPETITION

A. **Manuals.** Franchisor shall loan Franchisee one copy of Franchisor's confidential manuals (the "Manuals") containing mandatory and suggested standards, specifications, operating procedures, policies, rules and guidelines prescribed by Franchisor. Franchisee acknowledges that all Manuals are confidential and Franchisee does not acquire any right, title or interest in the Manuals. The Manuals, and the information contained in them, shall remain the property of Franchisor. Franchisee shall, at all times, treat the Manuals and the information contained therein as confidential and shall use all reasonable efforts to maintain such information as secret and confidential. Franchisee acknowledges that the Manuals are confidential and will not at any time contest the confidentiality of the information in them or Franchisor's sole ownership of the Manuals or Franchisor's ownership of the information contained in the Manuals. Franchisee shall not, at any time, duplicate, copy, record or otherwise reproduce the Manuals, in whole or in part, nor otherwise make the Manuals available to any unauthorized person. Franchisee shall conduct the operation of the Franchised Business in accordance with the systems, procedures, policies, methods and requirements contained in the Manuals. Franchisor may make additions to, deletions from or revisions of the Manuals as Franchisor deems necessary, and such additions, deletions and modifications shall become part of the Manuals and shall be binding upon Franchisee immediately after Franchisee's actual or deemed receipt of such additions, deletions or modifications; provided, however, that such additions to, deletions from or revisions of the Manuals shall not alter Franchisee's status and rights under this Agreement. Franchisee shall, at all times, ensure that its copy of the Manuals is current and up to date. In the event of any dispute as to Franchisee's compliance with the provisions of the Manuals, the Manuals maintained by Franchisor at Franchisor's home office shall be controlling. Upon the expiration or other termination of this Agreement for any reason, Franchisee shall return all Manuals.

B. **Confidential Information; Customer Information.** Franchisee acknowledges and agrees Franchisor owns all Confidential Information associated with the System. During the term of this Agreement or any time thereafter, Franchisee shall not (except as otherwise contemplated by this Agreement) communicate, divulge or use for itself or for the benefit of any other person or entity any Confidential Information concerning the System. For avoidance of doubt, "Confidential Information" includes, without limitation, all information concerning customers of the Franchised Business (including customer lists, customer personal identifying information, and information concerning services performed for and prices charged to the customer), all of which is exclusively owned by Franchisor. Franchisee shall divulge such Confidential Information only to those of Franchisee's employees who must have access to it in order to participate in the operation of the Franchised Business. When an employee's employment with Franchisee is terminated or otherwise comes to an end, Franchisee shall collect all Manuals and other materials containing Confidential Information that is in the employee's possession. When Franchisor directs, Franchisee shall also cause its employees and, if Franchisee is a corporation or other legal entity, its owners and governing persons, to sign an agreement to safeguard the Confidential Information, which agreement must be in form approved in writing, in advance by Franchisor.

C. **In-Term and Post-Term Covenants.** Franchisee acknowledges and agrees that, as between Franchisee and Franchisor, all goodwill symbolized by the Proprietary Marks belongs exclusively to Franchisor. Franchisee further acknowledges and agrees that Franchisor has a legitimate business interest in protecting its Proprietary Marks, its proprietary business format and system, and the integrity of its franchise network and the free exchange of ideas and information among its franchisees. Recognizing that all goodwill associated with the Franchised Business constitutes commercial goodwill, and not personal goodwill, and further recognizing that Franchisor would be unable to protect its trade secrets against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among its franchisees if its franchisees were permitted to hold interests in any Competitive Business and acknowledging that, pursuant to this Agreement, Franchisee will receive valuable specialized training and Confidential Information, including, without limitation, information concerning the operational and marketing methods and techniques of Franchisor and Franchisor's System, Franchisee therefore covenants

and agrees that, except for any interest which Franchisee has in a Competitive Business identified on Exhibit B-1 hereof, to which Franchisor consents, Franchisee shall not, directly or indirectly, as a proprietor, partner, investor, shareholder, member, director, officer, employer, employee, principal, agent, adviser, franchisor, franchisee or in any other individual or representative capacity or otherwise:

1. during the term of this Agreement and any extensions thereof:

(a) engage in or participate in or derive any benefit from a Competitive Business without Franchisor's prior written consent. If Franchisor grants permission for Franchisee to engage in the operation of a Competitive Business other than as set forth above, Franchisee shall pay Franchisor a Royalty Fee in accordance with this Agreement in addition to any other sums owed to Franchisor unless specifically waived in writing by Franchisor;

(b) employ, seek to employ or otherwise induce any person who is employed by Franchisor or any other franchisee to leave his employment;

(c) interfere or attempt to interfere with any of the business relationships and/or advantages of Franchisor or any other franchisee;

(d) use any Confidential Information whatsoever in any manner which is or is intended to be damaging or derogatory or hinder the relationship of Franchisor with its other franchisees, customers, suppliers or other third parties, or the relationship of any other franchisee with its customers or suppliers; or

(e) divert, attempt to divert, solicit, or endeavor to obtain any customer, account or business from Franchisor or any other franchisee.

2. for a period of two years immediately following the later of the expiration, termination or non-renewal of this Agreement for any reason whatsoever or the date on which Franchisee actually ceases operation of the business:

(a) engage in or participate in or derive any benefit from a Competitive Business (other than as set forth above) in the Territory without Franchisor's prior written consent. If Franchisor grants permission for Franchisee to engage in the operation of a Competitive Business in the Territory, Franchisee shall pay Franchisor a Royalty Fee in accordance with this Agreement in addition to any other sums due and owing to Franchisor;

(b) employ, seek to employ or otherwise induce any person who is employed by Franchisor or any other franchisee to leave his employment;

(c) interfere or attempt to interfere with any of the business relationships and/or advantages of Franchisor or any other franchisee;

(d) use any Confidential Information whatsoever in any manner which is or is intended to be damaging or derogatory or hinder the relationship of Franchisor with its other franchisees, customers, suppliers or other third parties, or the relationship of any other franchisee with its customers or suppliers; or

(e) divert or attempt to divert any customer or business from Franchisor or any other franchisee or solicit or endeavor to obtain the business of any person who shall have been a customer of Franchisee's Franchised Business.

3. Franchisor has right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 10.C.1 and 10.C.2, or any portion thereof, without Franchisee's consent, which reduction will become effective immediately upon delivery of written notice to Franchisee. Franchisee shall comply forthwith with any covenant as so modified. The Parties expressly agree that the existence of any claims Franchisee may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants in this Section 10.C.

4. Specifically, but without limiting the generality of the foregoing, a violation of Section 10.C.2 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available. Specifically, but without limiting the generality of the foregoing, a violation of Section 10.C.2 will (a) enable Franchisee to capitalize on customer relationships that were built during the franchise term, (b) cause customer confusion, (c) enable Franchisee to use information learned during the franchise relationship to unfairly compete with franchisees who are operating under a valid franchise agreement with Franchisee, and (d) materially and adversely affect Franchisor's ability to relicense Franchisee's former Territory.

5. The time period described in Section 10.C.2 shall be tolled during any period of noncompliance.

D. **Liquidated Damages.** If Franchisor establishes that Franchisee has violated the material terms of this Section 10, Franchisor may, as an alternative remedy to seeking equitable relief, require that franchisee pay to Franchisor, as liquidated damages and not as a penalty, the amounts set forth in this Section. For each instance of Franchisee's breach of the confidentiality covenant, or for Franchisee's breach of the covenants against competition contained, Franchisee shall pay to Franchisor a lump sum equal to 104 times the sum of largest weekly Royalty Fee and largest weekly Map Fee paid by Franchisee to Franchisor during the term of this Agreement. For purposes of this Section, if Franchisee has failed and/or refused to report Gross Sales, the parties agree that Franchisor may estimate reasonable Royalty Fee and MAP Fee amounts and Franchisee shall be bound by Franchisor's estimate. Payment of such sum by Franchisee shall be due immediately upon demand. Franchisor and Franchisee agree that the liquidated damages amount established in this Section is reasonable.

E. **Independent Covenants.** Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant is held unreasonable or unenforceable by a court having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee shall be bound by a lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part hereof.

11. ASSIGNMENT AND TRANSFER

A. **Assignment by Franchisor.** Franchisor may assign this Agreement and all or any portion of its rights and privileges and/or duties hereunder to any other person or legal entity; provided, however, that in respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall, at the time of such assignment be economically capable, in Franchisor's reasonable judgment, of performing the obligations of Franchisor hereunder and expressly assume and agree to perform such obligations.

B. **Assignment by Franchisee.** Franchisee acknowledges and agrees that Franchisor is entering into this Agreement in reliance upon and in consideration of Franchisee's and Franchisee's Operating Principal's business skills, financial capacity and other qualifications. Accordingly, any of the following types of "Transfer" require Franchisor's prior written consent: (i) a transfer of any interest in this Agreement, (ii) the transfer or sale of all or substantially all of the assets of the Franchised Business; (iii) the transfer or assignment of any equity interest in Franchisee, , including but not limited to the offering of an Employee Stock Ownership Plan ("ESOP"). Any actual or intended Transfer made in violation of the terms of this Section shall be null and void and shall constitute a material breach of this Agreement, constituting good cause for termination of this Agreement. Franchisor shall not unreasonably withhold its consent, but may condition its consent on satisfaction of any or all of the following "Transfer Conditions":

1. the assignee must demonstrate the necessary skills, qualifications and economic resources necessary, in Franchisor's reasonable judgment, to operate the Franchised Business and to fulfill the obligations to Franchisee and Franchisor. If the assignee is a business entity, the assignee must in no part

be owned through an ESOP or offer an ESOP, and the assignee must in no part be owned by a private equity firm or fund;

2. the assignee must expressly assume in writing all of the obligations of Franchisee under this Agreement, or at the option of Franchisor, the assignee shall execute a separate franchise agreement in the form and on the terms and conditions then being offered by Franchisor to prospective franchisees similarly situated, except that the assignee shall not be obligated to pay a Franchise Fee to Franchisor. In any case, no discounts, including reduced fees for roll-ins, or other terms of this Agreement or any other existing Agreement with Franchisee will transfer to assignee unless Franchisor agrees to those terms in writing. The execution of a new franchise agreement by an approved assignee shall be deemed to terminate this Agreement, except for the contractual obligations of Franchisee which by their very nature specifically survive the termination of this Agreement;

3. If the assignee is a business entity, then each person with a beneficial interest in the assignee shall sign Franchisor's standard form of Undertaking and Guaranty;

4. as of the date of an assignment, Franchisee shall have fully complied with all of its obligations to Franchisor and any parent or affiliate of Franchisor, whether under this Agreement or any other agreement or understanding with such parties, including all payment obligations;

5. If the Transfer involves a sale of the Franchised Business or a change of control of Franchisee, (a) Franchisee shall have furnished to Franchisor, prior to its execution, a copy of the contract conveying the interest, (b) the contract must provide for the assignee's agreement to timely fulfill all customer obligations of Franchisee, including all warranty work and service plans, and (c) Franchisor has determined, in its sole and reasonable discretion, that the terms of the transaction will not materially and adversely affect the post transfer viability of the Franchised Business;

6. Franchisee and all guarantors shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, successors and assigns, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances;

7. Except with respect to a Transfer described in Section 11.C. and 11. D. below, a transfer fee in the amount stated in the Summary Page shall be paid to Franchisor. Franchisee hereby acknowledges that such sum is reasonably required to reimburse Franchisor for its expenses relating to said assignment;

8. the assignee shall have satisfactorily completed the training then required of all new franchisees of Franchisor, unless such training is waived by Franchisor in writing by reason of the assignee's prior experience or training, and a training fee of \$5,000 shall be paid to Franchisor, which sum Franchisee acknowledges is reasonably required to reimburse Franchisor for its expenses relating to such training;

9. Franchisor may hold up to 10% of the sales price in escrow for a period of one year from the date of the sale or assignment or transfer for the purpose of covering any warranty claims by Franchisee's customers. The exact percentage to be held in escrow will be determined by the number of projects completed by Franchisee in the one year period preceding the sale or assignment or transfer. If there are warranty claims, the escrowed funds shall be charged at Franchisor's then-current hourly service rate (minimum of \$80 per hour), the cost of materials and supplies, plus a handling fee equal to 10% of the cost of materials and supplies, plus a \$200 administrative handling fee for each claim. At the end of the one year period, Franchisor will release the remaining escrowed funds to Franchisee. If there are no claims, Franchisor shall deliver the escrowed funds minus a handling fee of \$250 to help defray Franchisor's expenses of administration and other costs; and

10. Except with respect to transfers of an individual Franchisee's interest in this Agreement to a corporation or legal entity formed or controlled by Franchisee, any Transfer shall be subject to Franchisor's right of first refusal, as follows:

(a) Within 30 days following the receipt by Franchisor of written notice from Franchisee (or, if Franchisor requests additional information, within 30 days following receipt of such information), Franchisor shall either (i) consent to the proposed Transfer; (ii) withhold its consent in accordance with the provisions of this Section; or (iii) exercise its right of first refusal by purchasing the interest on the same terms and conditions offered by the third party. If the bona fide offer provides for the exchange of assets other than cash or cash equivalents, the bona fide offer shall include the fair market value of the assets and you shall submit with the notice an appraisal prepared by a qualified independent third party evidencing the fair market value of such assets as of the date of the offer. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by Franchisor as in the case of an initial offer. If Franchisor elects to purchase the seller's interest, closing on such purchase must occur by the later of: (a) the closing date specified in the third-party offer; or (b) within 60 days from the date of notice to the seller of Franchisor's election to purchase. Franchisor's failure to exercise the option described in this Section 10(a) shall not constitute a waiver of any of the transfer conditions set forth in this Article 10.

(b) If Franchisor does not exercise its right of first refusal and consents to the proposed Transfer, Franchisee shall be free to assign the interest to the assignee on the terms and conditions specified in the notice at any time within the 30-day period following Franchisor's consent. Should the Transfer not be completed within such 30-day period, or should the terms of the Transfer materially change from the terms described in the notice, Franchisor shall again have the same right of first refusal as in the case of the initial offer.

C. **Transfer Due to Death or Incapacity.** The transfer of Franchisee's interest in this Agreement in the event of the death, legal incapacity or permanent disability of Franchisee or the Operating Principal shall require compliance with all of the Transfer Conditions; except that such Transfer shall not require payment of a transfer fee as long as the person designated by Franchisee's heirs or personal representative:

1. meets Franchisor's standards for new franchisees;
2. agrees and executes a consent to be bound by the terms and conditions of the franchise agreement then in effect between Franchisor and Franchisee; and
3. satisfactorily completes Franchisor's then-current training requirements within 180 days after the death or legal incapacity or permanent disability of Franchisee or the Operating Principal, as applicable.

D. **Transfer to Franchisee's Business Entity.** If an individual Franchisee desires to assign this Agreement to a corporation or legal entity formed or controlled by Franchisee, the transfer shall require compliance with all of the Transfer Conditions; except that such transfer shall not require payment of a transfer fee, provided:

1. Franchisee is, and covenants to remain, the owner of all or the majority of the voting interests of the legal entity or, if Franchisee is more than one individual, each individual shall have the same proportionate ownership interest in the legal entity as that individual had in the Franchised Business prior to the transfer of the Franchised Business;
2. all formation and governing documents and supporting documentation reasonably required by Franchisor are provided to Franchisor prior to the transfer;
3. Franchisee or another qualified individual is specifically designated "Operating Principal" in accordance with this Agreement;

4. Franchisee and Franchisee's Principals personally guarantee the obligations to be performed under this Agreement by the assignee entity;

5. Franchisee and all guarantors, if applicable, shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, successors and assigns, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances;

6. Franchisor shall receive payment of \$1,500 as a transfer fee before the transfer occurs; and

7. Franchisee shall maintain the same level of investment in the Franchised Business as Franchisee had at the time of execution of this Agreement and/or as shown on the Financial Information Sheet, the terms of which are incorporated herein, or pay in full all loans due to Franchisor and its affiliates.

In the event Franchisee assigns this Agreement to a corporation or legal entity formed or controlled by Franchisee, or in which Franchisee has an interest, all obligations, including, but not limited to obligations to obtain insurance and indemnify Franchisor, shall apply the same as if such entity had originally signed this Agreement.

E. **Non-Waiver of Claims.** Franchisor's consent to a transfer shall not constitute a waiver of any claims it may have against the transferring party, and it will not be deemed a waiver of Franchisor's right to demand strict compliance with any of the terms of this Agreement, or any other agreement to which Franchisor and the assignor or assignee are parties.

12. DEFAULT AND TERMINATION

A. **By Franchisor, Without Notice.** Franchisee shall be deemed to be in default of this Agreement, and Franchisor may terminate the Agreement, without affording Franchisee an opportunity to cure the default, effective immediately upon receipt of notice by Franchisee, if:

1. Franchisee becomes insolvent or makes a general assignment for the benefit of creditors or proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee or a petition in bankruptcy is filed by Franchisee or if such a petition is filed and not opposed by Franchisee or Franchisee is adjudicated as bankrupt or insolvent or a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee or a receiver or custodian of Franchisee's assets or property, or any part thereof, is appointed by any court;

2. a final judgment related to the Franchised Business remains unsatisfied or of record for 30 days or longer (unless a supersedeas bond is filed) or the Franchised Business is dissolved or execution is levied against the Franchisee or suit to foreclose any lien or mortgage against the Franchised Business or its equipment is instituted against Franchisee and not dismissed within 30 days or the real or personal property of the Franchised Business must be sold after levy thereupon by any sheriff, marshal or constable;

3. Franchisee has made any material misrepresentations to Franchisor on the application for the Franchised Business, or with respect to the ownership of the Franchised Business;

4. Franchisee abandons the Franchised Business or forfeits the right to transact business or otherwise ceases to operate the Franchised Business for seven consecutive days (excluding normal vacations and holidays) when, in Franchisor's opinion, the ability of Franchisee to resume an effective operation has been substantially impaired or operations are otherwise not likely to resume;

5. Franchisee is convicted of a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect upon the Franchised Business, the Marks, or the goodwill associated therewith;

6. Franchisee discloses the contents of the Manuals or other Confidential Information provided to Franchisee contrary to the terms of the Agreement;

7. Franchisee knowingly maintains false books or records, or knowingly submits a false or fraudulent Report, statement or document to Franchisor;

8. Franchisee misuses or makes any unauthorized use of the Marks or any other identifying characteristics of the System, or Franchisee otherwise materially impairs the goodwill associated therewith or Franchisor's rights therein;

9. Franchisee causes or allows to exist a threat or danger to public health or safety from Franchisee's maintenance and/or operation of the Franchise;

10. Franchisee fails to provide the audited financial statements as required by this Agreement, including within the time required;

11. Franchisee defaults under a promissory note with Franchisor or its affiliate or parent, excluding, specifically, defaults for nonpayment; or

12. Franchisee (a) fails on three or more separate occasions within any 12 consecutive month period to submit when due reports, records or required information to Franchisor or its affiliates or substantially comply with any one or more of the obligations of this Agreement, whether or not cured after notice and whether such failures involve the same or different requirements of this Agreement or (b) fails on two or more separate occasions within any six consecutive month period to comply with the same obligation of this Agreement, whether or not cured after notice.

B. By Franchisor, With Notice. Except as otherwise specified above, Franchisee shall have 15 days after receipt of a written Notice of Default from Franchisor within which to remedy any default under this Agreement and provide evidence thereof to Franchisor; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default and curing it to Franchisor's satisfaction within the 15-day period (or within such longer period as Franchisor may, at its sole option, grant), and by promptly providing proof thereof to Franchisor. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee, effective immediately upon the expiration of the 15-day period or such longer period as applicable law may require. Franchisee shall be in default under this Agreement for failure to comply with any of the requirements imposed by the Agreement, as it may from time to time be reasonably supplemented by the Manuals, or fails to carry out the terms of this Agreement. Such defaults include, but are not limited to; if Franchisee:

1. fails, refuses, or neglects to pay promptly any monies owing to Franchisor or its parent or affiliates when due, regardless of whether such amounts are due under this Agreement, a promissory note, or otherwise, or Franchisee fails, refuses or neglects to submit the financial or other information required by Franchisor under this Agreement;

2. fails to comply with any of the standards, specifications or procedures prescribed by Franchisor in this Agreement, the Manuals, or otherwise in writing;

3. attempts to assign this Agreement and/or transfer the Franchised Business (or the controlling interest in any corporate franchisee) to a third party without the prior written consent of Franchisor as required in the Agreement, or if an assignment of the Agreement shall occur by operation of law, or by reason of judicial process;

4. or Franchisee's heirs, legatees, personal representative, conservator or guardian, as applicable, fails to dispose of Franchisee's interest in the Franchised Business following Franchisee's death or permanent disability or legal incapacity;

5. engages in a Competitive Business without obtaining Franchisor's prior written consent and paying fees, or violates the covenant against competition, or markets any service or product under a name which, in Franchisor's opinion, is confusingly similar to the Marks, or uses the Marks in an unauthorized manner;

6. fails to comply with any of the covenants or conditions contained in the Agreement or fails to obtain execution of the covenants required by the Agreement;

7. refuses to permit Franchisor to inspect the Franchised Business, or the books and records of the Franchise, in accordance with the terms of this Agreement;

8. fails to keep the records of the Franchised Business and/or a Competitive Business approved by Franchisor in a manner which permits a determination of Gross Sales;

9. fails to complete construction on the Franchise Location in accordance with this Agreement or fails to commence operation of the Franchised Business within 12 months after the Effective Date of this Agreement or fails to acquire a commercial space, whether by lease or purchase, for the Franchise Location in accordance with this Agreement;

10. receives an excessive amount of customer complaints and an investigation by Franchisor determines these complaints to be warranted; or

11. fails to acquire, or to continuously maintain the required minimum levels of insurance, fails to have Franchisor named as an additional insured, or fails to provide a current certificate of insurance as required under the Agreement.

C. **Notice As Required by Law.** Notwithstanding anything to the contrary contained in this Section, if applicable law limits Franchisor's rights to terminate or requires longer notice periods than those set forth above, this Agreement shall be deemed amended to conform to the minimum notice periods or restrictions upon termination required by such laws and regulations. Franchisor shall not, however, be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, arbitration or dispute.

D. **Liquidated Damages.** If Franchisee abandons the Franchised Business, wrongfully terminates this Agreement, or if Franchisor terminates this Agreement because of Franchisee's material default (which includes, but is in no way limited to Franchisee's failure to pay any amounts owed to Franchisor or its parent or affiliates), Franchisee will pay to Franchisor, as liquidated damages and not as a penalty, damages in an amount equal to the average weekly Royalty Fee paid by Franchisee to Franchisor during the 52-week period immediately preceding termination, multiplied by the number of weeks remaining in Franchisee's current term. For purposes of this Section, if Franchisee has failed and/or refused to report Gross Sales, the parties agree that Franchisor may estimate a reasonable amount of Royalty Fee and Franchisee shall be bound by Franchisor's estimate. If Franchisee has been in operation for less than 52 weeks, the average weekly Royalty Fee to be multiplied by the remaining weeks in Franchisee's current term shall be calculated as the average weekly Royalty Fee paid to Franchisor from the beginning of Franchisee's current term until the termination of this Agreement. Payment of such sum by Franchisee shall be due immediately upon demand. Franchisor and Franchisee agree that the liquidated damages amount established in this Section is reasonable.

E. **Cross-Default.** Any default under any agreement between Franchisee and Franchisor or its affiliates, and failure to cure within any applicable cure period, shall be considered a default under this Agreement and shall provide an independent basis for termination of this Agreement.

13. FRANCHISEE'S OBLIGATIONS UPON TERMINATION OR NON-RENEWAL

A. **Franchisee's Obligations.** Immediately upon termination, expiration or non-renewal of this Agreement, all rights granted to Franchisee shall terminate and Franchisee shall:

1. Complete all work in process in accordance with the Brand Standards; notwithstanding termination or expiration of this Agreement, it remains Franchisee's obligation to complete all projects initiated during the franchise term. For purposes of this provision, "work in process" means any project being performed under a contract signed during the term of this Agreement (a "DREAMMAKER Contract"). Franchisee may continue to use the System and Marks solely for purposes of completing projects performed under DREAMMAKER Contracts, and all such projects shall be governed by the terms of this Agreement, including the obligation to pay Royalty Fees and MAP Fees.

2. Except for purposes of completing Franchisee's obligations under DREAMMAKER Contracts, cease to use the System and Marks for any purpose and shall comply with the post-termination covenants contained in this Agreement.

3. Service and resolve all warranty claims and customer disputes relating to work performed under the DREAMMAKER BATH & KITCHEN brand. If Franchisee fails to perform these obligations to Franchisor's satisfaction, Franchisor may undertake to perform the services and, in such case, Franchisee shall reimburse Franchisor for the reasonable cost of such services.

3. Except for purposes of completing Franchisee's obligations under DREAMMAKER Contracts, cease all use of the Marks and refrain from using any other trademark service mark, logo, slogan, or color combination, that suggests a current or former affiliation with the DREAMMAKER BATH & KITCHEN franchise system. Within 30 days following termination or expiration and non-renewal of this Agreement, Franchisee shall change its corporate name so that they no longer include the words "DREAM," "DREAMMAKER," or similar terms, and shall cancel any assumed name registration involving the Marks. Franchisee shall refrain from holding itself out as a current or former franchisee, and shall refrain from publicly representing any current or former affiliation with Franchisor or DREAMMAKER BATH & KITCHEN brand.

4. Refrain from using and, at Franchisor's election, either permanently cancel, close, or assign to Franchisor or its designee (as applicable), all telephone numbers, e-mail addresses, domain names, social media accounts, social network accounts, online business profiles, and comparable electronic identities, ever used by Franchisee in connection with the operation of the Franchised Business.

5. Turn over to Franchisor all materials containing Confidential Information (including, without limitation, all materials and electronically stored information containing customer information, all of which the parties acknowledge and agree is Franchisor's sole property); provided that Franchisee may retain and use copies of such information solely for purposes of performing Franchisee's tax, legal, and customer warranty obligations related to the Franchised Business.

6. Promptly pay all sums and debts owing to all third-party creditors of the Franchised Business as well as to Franchisor and its affiliates, notwithstanding the fact that such sums and debts owing to Franchisor and its affiliates may not at that time be fully due and payable, such debts being accelerated automatically without further notice to Franchisee. If Franchisee has failed and/or refused to report Gross Sales so that the Royalty Fee cannot be determined, Franchisor may calculate the missing Royalty Fee based on the greater of Franchisee's actual past performance or the Royalty Fee. If termination is for any default of Franchisee, sums owing to Franchisor shall include all damages, costs and expenses (including reasonable attorney's fees) incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the vehicles, personal property, equipment, inventory, fixtures or other assets used in the Franchised Business or any Competitive Business.

7. Return to Franchisor, at Franchisee's sole expense, all print and digital copies of materials furnished to Franchisee, including, without limitation, all Manuals, advertising material, stationery, forms, instructional materials, and all other materials relating to the operation of the Franchised Business and/or

bearing the Marks (and retain no copy of the foregoing) or, at Franchisor's election, dispose of such material as directed by Franchisor and provide proof of such disposal in a manner directed by Franchisor.

B. **Execution of Documents.** Franchisee agrees that Franchisor may execute on Franchisee's behalf any documents necessary to effect Franchisee's obligations under this Section and Franchisee hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to do so.

C. **Franchisor's Rights Not Prejudiced.** The expiration or termination of this Agreement shall be without prejudice to Franchisor's rights against Franchisee and such expiration or termination shall not relieve Franchisee of any of its obligations to Franchisor existing at such time, nor will it terminate those obligations of Franchisee which by their nature specifically survive the expiration, termination or non-renewal of this Agreement.

D. **Independent Obligation to Discontinue Use of Marks, System.** Franchisee specifically acknowledges and agrees that no allegations of wrongful termination of this Agreement shall justify continued use of the Marks, the System or any other intellectual property of Franchisor and that wrongful termination shall not be a defense to an infringement action brought by Franchisor.

14. DISPUTE RESOLUTION

A. **Agreement to Use Procedure.** Franchisor and Franchisee have entered into this Agreement in the belief that it is mutually advantageous to them. It is with the same spirit of cooperation that they pledge to attempt to amicably resolve any controversy or claim arising out of or relating to this Agreement or the breach thereof, the relationship of Franchisor and Franchisee (or their respective representatives) or any transaction embodied in this Agreement or related thereto (a "Dispute"). Therefore, if a Dispute arises, the parties shall utilize the procedures described herein. If a party commences any legal action, other than as an Emergency Relief Action (as defined below), without having first complied with all of the provisions of this Section regarding mediation, the other party shall be entitled to a 30-day abatement of the legal action upon filing the appropriate procedural motion in the legal proceeding and bringing this provision to the attention of the court or other legal authority having jurisdiction. Notwithstanding the foregoing, Franchisee's failure to pay Royalty Fees or any other amounts due and owing under this Agreement or any other agreement between Franchisor and Franchisee will not be considered a "Dispute" (and, therefore, is not subject to mediation), except that any controversy concerning Franchisee's legal obligation to pay such amount and/or the amount due and owing will be resolved through the mediation procedures described below.

1. **Initiation of Procedure.** Should a Dispute arise, the initiating party shall give written notice to the other party, describing the exact nature of the Dispute, its claim for relief and identifying one or more individuals with authority to resolve the Dispute on such party's behalf. The other party shall have five business days within which to designate in writing one or more individuals with authority to resolve the Dispute ("Authorized Individuals").

2. **Direct Negotiations.** The Authorized Individuals shall be entitled to investigate the Dispute as they deem appropriate, but agree to meet promptly, and in no event later than 15 days from the date of the initiating party's written notice, to negotiate a resolution of the Dispute. Authorized Individuals shall meet in person or by telephone at times and places as they may agree. However, if the Dispute has not been resolved within 15 days from the date of their initial meeting, the parties shall cease direct negotiations and shall submit the Dispute to mediation in accordance with the procedure described below. In mediation, each party shall be represented by persons with authority to negotiate a resolution of the Dispute.

3. **Selection of Location for Mediation.** Within five business days after the parties cease negotiations, the parties shall make a good faith effort to select a mutually convenient location for mediation. If the parties cannot timely agree on a mutually convenient location, the location shall be in Waco, McLennan County, Texas.

4. **Selection of a Mediator.** Within five business days after the parties agree upon a location for the mediation, or the location is otherwise determined pursuant to this Agreement, the parties shall make a good faith effort to select a person to mediate the Dispute. If the parties are unable to agree on a mediator, the Central Texas Chapter of the Association of Attorney-Mediators, 2501 North Lamar, Austin, TX 78705 at 512/476-3400, or such other independent dispute resolution organization as shall be approved by Franchisor, shall be asked to supply a list of five potential qualified attorney-mediators within 10 business days. Within five business days after receipt of the list, the parties shall rank the proposed mediators in numerical order of preference, simultaneously exchange such list, and the individual receiving the highest combined ranking shall be the mediator. If such individual is not available, the parties shall proceed to contact the individual who was the next highest in ranking.

5. **Exchange of Information; Summary of Views.** The parties and the mediator shall determine a convenient date for the mediation, however, if the parties are unable to agree, the mediator shall set the date. Both parties shall attempt in good faith to agree on procedures for the expeditious exchange of information in the possession of the other party which is desired to prepare for the mediation. Each party will deliver a concise summary of its view on the Dispute to the mediator at least seven days before the first scheduled mediation session.

6. **Conduct of Mediation.** The mediator shall determine the format for the mediation and the mediation session shall be private. The mediator shall keep confidential all information learned in private caucus with any party unless specifically authorized by such party to make disclosure of the information. The parties agree that the mediation shall be governed by such rules as the mediator shall prescribe before the first scheduled session.

7. **Termination of Procedure.** Both parties agree to participate in the mediation to its conclusion. The mediation shall be terminated by: (a) the execution of a settlement agreement; (b) a declaration by the mediator that mediation is terminated; or (c) a declaration by both parties (and not by one of the parties unilaterally) that the mediation is terminated at the conclusion of one full day's session.

8. **Fees; Disqualification; Confidentiality.** The fees and expenses of the mediator shall be shared equally by the parties. The mediator shall be disqualified as a witness, expert or counsel for any party with respect to the Dispute and any related matters. Mediation is a compromise negotiation for purposes of Federal and Texas Rules of Evidence and constitutes privileged communication under Texas law. The entire mediation process is confidential, and any statements, offers, views and opinions shall not be discoverable or admissible in any legal proceeding for any purpose; provided, however, that evidence which is otherwise discoverable or admissible is not excluded from discovery or admission as a result of its use in the mediation.

B. **Governing Law.** The parties agree that the execution of this Agreement and the acceptance of its terms occurred in Waco, McLennan County, Texas, and Franchisor and Franchisee further agree that the performance of certain obligations of Franchisee arising under the Agreement, including but not limited to, the payment of monies due hereunder and the satisfaction of certain training requirements of Franchisor, shall occur in Waco, McLennan County, Texas. Accordingly, this Agreement, the rights of Franchisor and Franchisee herein and the relationship between Franchisor and Franchisee shall be governed by the internal laws of the state of Texas, without regard to its conflicts of laws rules, except to the extent governed by federal trademark law.

C. **Venue.** Franchisor and Franchisee agree that any dispute between them shall be resolved by litigation brought and maintained exclusively in a federal or state court serving the judicial district in which Franchisor maintains its principal headquarters at the time the action is filed. The parties hereby irrevocably consent to the jurisdiction of said courts and waive any objection they may have to venue. Notwithstanding the foregoing, Franchisor has the right to seek injunctive relief in any court of competent jurisdiction. Franchisee acknowledges the receipt and sufficiency of additional consideration for its agreement to this venue provision.

D. **No Class or Consolidated Actions.** ALL CLAIMS, CONTROVERSIES AND DISPUTES MAY ONLY BE BROUGHT BY FRANCHISEE ON AN INDIVIDUAL BASIS AND MAY NOT BE CONSOLIDATED WITH ANY CLAIM, CONTROVERSY OR DISPUTE FOR OR ON BEHALF OF ANY OTHER FRANCHISEE OR BE PURSUED AS PART OF A CLASS ACTION.

F. **Limitations Period for Bringing Claims.** FRANCHISEE SHALL COMMENCE ALL CLAIMS, CONTROVERSIES, DISPUTES, AND CAUSES OF ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT WITHIN TWO YEARS OF THE DATE SUCH CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION AROSE OR WITHIN SUCH SHORTER PERIOD AS PROVIDED BY ANY APPLICABLE LAW. IF FRANCHISEE DOES NOT COMMENCE ANY CLAIM, CONTROVERSY, DISPUTE, OR CAUSE OF ACTION WITHIN SUCH PERIOD, FRANCHISEE SHALL BE DEEMED TO HAVE WAIVED SUCH CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION.

G. **Resolution Program.** Without limiting any of the foregoing procedures, Franchisor specifically reserves the right, at any time, to create a dispute resolution program and related specifications, standards, procedures, and rules for the implementation thereof to be administered by Franchisor or its designee for the benefit of all franchisees conducting business under the System. The standards, specifications, procedures and rules for such dispute resolution program shall be made part of the Manuals and if made part of the Manuals, on either a voluntary or mandatory basis, Franchisee shall comply with all such standards, specifications, procedures and rules in seeking resolution of any Disputes with or involving Franchisor or other franchisees, if applicable, under the program. If such dispute resolution program is made mandatory, then Franchisor and Franchisee agree to submit any Disputes for resolution in accordance with such dispute resolution program prior to seeking resolution of such Disputes in the manner provided for in this Section. If such Dispute relates to another franchisee, Franchisee shall participate in the program and submit any Dispute in accordance with the program's standards, specifications, procedures and rules, prior to seeking resolution of such Dispute by any other judicial or legally available means. Franchisee hereby acknowledges and agrees that Franchisor's right to bring an Emergency Relief Action as described above shall not be superseded or affected by this Section.

15. ADMINISTRATIVE PROVISIONS

A. **Entire Agreement.** This Agreement constitutes the entire Agreement between the parties and may not be altered, amended or added to unless such amendment or addition is in writing and signed by an authorized officer of each party. This Agreement shall be deemed to cancel and supersede the terms of all prior written or oral agreements and understandings, if any, between Franchisor and Franchisee pertaining to this Agreement, the license, the Franchised Business and any other related matter. Notwithstanding the foregoing, nothing in this Agreement or in any related agreement is intended to disclaim the representations Franchisor made in the franchise disclosure document.

B. **Notices.** All notices, agreements, designations and modifications hereunder shall be in writing and shall be deemed to have been delivered three business days after being placed in the United States mail, enclosed in a certified, return receipt requested, prepaid envelope, addressed to the respective parties at the address stated on the Summary Page, or to such changed address as a party may have designated by proper notice to the other party or upon delivery by email to the email address stated on the Summary Page, or to such changed email address as a party may have designated by proper notice to the other party, as evidenced by a delivery confirmation or read receipt.

C. **Consent from Franchisor.** Whenever this Agreement requires Franchisor's consent, Franchisee shall make a timely written request for such consent. Franchisor will not unreasonably withhold its consent but its consent must be in writing to be valid.

D. **No Warranty.** EXCEPT AS SPECIFICALLY PROVIDED HEREIN, NEITHER FRANCHISOR NOR ANY AFFILIATE OF FRANCHISOR MAKES ANY EXPRESS OR IMPLIED WARRANTY WHATSOEVER. FRANCHISOR AND ALL AFFILIATES OF FRANCHISOR EXPRESSLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FRANCHISOR SPECIFICALLY MAKES NO WARRANTIES AND DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY RELATING TO ANY SOFTWARE, COMPUTER PROGRAM, DATA, INTRANET, WEBSITE OR OTHER RELATED ITEMS PROVIDED OR RECOMMENDED BY FRANCHISOR.

E. **Persons Bound.** This Agreement shall be binding on the parties and their respective successors and assigns. Each person with a beneficial interest in Franchisee shall execute an Undertaking and Guaranty in the form attached hereto. Failure to do shall constitute a breach of this Agreement.

F. **Counterparts.** This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original; and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart. Facsimile and electronic signatures are binding on the party providing the facsimile or electronic signature.

G. **Severability.** Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Except as otherwise set forth in this Agreement, whenever there is any conflict between any provision of this Agreement and any present or future statute, law, ordinance or regulation contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the provision of this Agreement thus affected shall be curtailed and limited only to the extent necessary to bring it within the requirement of the law. Except as otherwise set forth in this Agreement, in the event that any part of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable for any reason, such decision shall not affect the validity of any remaining portion, which remaining portion shall remain in force and effect as if this Agreement had been executed with the invalid portion thereof eliminated; and it is hereby declared the intention of Franchisor and Franchisee that they would have executed the remaining portion of this Agreement without including therein any such part which may be hereafter declared invalid or otherwise unenforceable for any reason.

H. **Waiver and Delay.** The acceptance by Franchisor of any payment specified to be paid by Franchisee with knowledge of a breach of any covenant or agreement hereof shall not be, nor be construed to be, a waiver of any breach of any term, covenant or condition of this Agreement. The failure or delay to enforce any of the provisions of this Agreement shall not constitute a waiver of rights or a waiver of any subsequent enforcement of the provisions of this Agreement. The waiver or remedy of any default or breach hereunder shall not waive or affect the default remedied or any prior or subsequent default.

I. **Construction and Interpretation.** Neither this Agreement nor any ambiguity in this Agreement shall be construed or resolved against the drafter of this Agreement, whether under any rule of construction or otherwise. If any provision of this Agreement is capable of two constructions, one of which would render the provision void and the other of which would render the provision valid, then the provision shall have the meaning which renders it valid. Section headings are descriptive only and shall have no legal force or effect whatsoever. The term “immediate family” as used in this Agreement means a person’s spouse, parents, siblings, or natural or adopted children and does not include any other family member. The term “transfer” as used in the Agreement means and includes the voluntary, involuntary, conditional, direct or indirect assignment, sale, gift or other transfer by Franchisee (or any of Franchisee’s Principals) of any interest in or the grant of any security interest in this Agreement, the Franchise, Franchisee or some or all of the assets of the Franchise. As used herein, a sale, assignment or transfer includes, without limitation, the transfer of ownership of shares or a partnership interest; merger or consolidation or issuance of additional securities representing an ownership interest; any sale of voting shares of Franchisee or any security convertible to voting shares of Franchisee or any agreement granting the right to exercise or control

the exercise of the voting rights of any holder of an ownership interest; and transfer in a divorce, insolvency, corporate or partnership dissolution proceeding or, in the event of the death of Franchisee or a Principal, by will, intestate succession or otherwise by operation of law. In the case of any notice or other communication required to be provided by Franchisor “in writing” Franchisor’s communication of such item or notice in electronic form shall satisfy the requirement of “writing.”

J. **Rights and Remedies Cumulative.** All rights and remedies herein enumerated shall be cumulative and none shall exclude any other right or remedy allowed by law, and said rights and remedies may be exercised concurrently

K. **Reimbursement of Legal Fees.** If a Dispute occurs or a legal action at law or equity arises between Franchisor and Franchisee concerning the breach or enforcement of this Agreement, the prevailing party shall be entitled to recover reasonable attorney’s fees (including outside counsel and in-house legal fees/costs), court costs and expenses incurred by the other party in the action.

L. **Franchisee Representations.** Franchisee represents and warrants to Franchisor the following:

1. Franchisee has had the opportunity to conduct due diligence regarding the purchase of the franchise opportunity, including the opportunity to contact existing franchisees and to independently investigate the franchise and the terms of this Agreement.

2. Franchisee has been encouraged to seek independent legal counsel to assist in the purchase of the franchise and to understand the terms of this Agreement.

3. No representations, promises, or guarantees were made by Franchisor or anyone acting on Franchisor’s behalf concerning the quality of the software, advertising, support, operating system, the viability of the Franchise concept, or the future growth of Franchisor’s System.

4. No representations, promises, or guarantees were made by Franchisor or anyone acting on Franchisor’s behalf concerning historical or potential income, profit, or earnings, of a Franchise, and Franchisee did not rely on any such representations, promises, or guarantees in deciding to purchase a Franchise.

5. All rights, title and interest in and to the Marks, the System and Franchisor’s goodwill and confidential trade secrets are owned by Franchisor and shall remain solely in Franchisor and are being revealed to Franchisee solely to enable Franchisee to establish and operate the Franchise.

6. Franchisee has read this Agreement and accepts and agrees to all of the terms hereof.

Nothing in this Section is intended to disclaim, and does not disclaim, any representation made in the franchise disclosure document delivered to Franchisee in connection with the Franchise purchase.

M. **Submission of Agreement.** Submission of this Agreement does not constitute an offer and this Agreement shall become effective only upon the Effective Date. This Agreement, when fully executed, shall supersede all prior existing agreements between Franchisor and Franchisee concerning the subject matter of this Agreement.

N. **Force Majeure.** Neither party shall be under any liability to the other in any way whatsoever for destruction, damage or delay arising out of circumstances beyond its reasonable control, including but not limited to, war, acts of terrorism, rebellion, civil commotion, strikes, lock-outs and industrial disputes, fire, theft, explosion, earthquake, act of God, flood, drought or bad weather. Notwithstanding the foregoing, each party shall use all reasonable endeavors to continue to perform, or resume performance of, all contractual obligations in this Agreement.

O. **Limitation of Liability.** The liability of Franchisor, and all affiliates of Franchisor, to Franchisee, including any potential liability for providing, recommending, or requiring the use of any software, website, or any other items, is limited to direct damages. In no event will Franchisor or its affiliates

be liable for incidental, special, indirect, or consequential damages (including lost profits), even if Franchisor or its affiliates had previously been advised of the possibility of such damages.

P. **No Third Party Beneficiaries.** Nothing in this Agreement is intended, nor will be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

Q. **Waiver of Claims, Rights, and Remedies.**

1. The parties irrevocably waive, to the fullest extent permitted by law, any right to or claim for any punitive or exemplary damages against the other and agree that in the event of a dispute between them, each shall be limited to the recovery of any actual damages sustained by the party.

2. **WAIVER OF CONSUMER RIGHTS**

FRANCHISEE WAIVES ANY RIGHTS IT MAY HAVE UNDER THE DECEPTIVE TRADE PRACTICES CONSUMER PROTECTION ACT, SECTION 17.41, ET SEQ., BUSINESS AND COMMERCE CODE, A LAW THAT GIVES CONSUMERS SPECIAL RIGHTS AND PROTECTIONS.

R. **Waiver of Jury Trial.** THE PARTIES, FULLY AWARE OF THEIR CONSTITUTIONAL RIGHT TO TRIAL BY JURY AND HAVING HAD FULL OPPORTUNITY TO CONSULT WITH COUNSEL AND OTHERWISE EVALUATE WHETHER TO WAIVE THAT RIGHT, HEREBY IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY.

S. **Electronic Form of Written Material.** In the case of any notice or other item required herein to be provided by Franchisor “in writing” Franchisor’s communication of such item or notice in electronic form shall satisfy the requirement of “writing.” Electronic form of notice, by itself, from Franchisee to Franchisor shall not satisfy any requirement of Franchisee to provide any notice or other item “in writing” unless Franchisor has granted prior consent in writing to provide such material in electronic form.

T. **Cooperation; Release and Other Agreements.** Franchisee shall execute such other or further agreements, documents or instruments that may be necessary to carry out the intent of this Agreement. In the event of a renewal, transfer, purchase of additional territory, or an amendment or change to this Agreement requested by Franchisee, Franchisee shall execute a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its parent, subsidiaries and affiliates, and their respective governing persons, agents, employees, successors and assigns.

EXHIBIT A TO FRANCHISE AGREEMENT
UNDERTAKING AND GUARANTY

Each of the undersigned acknowledges and agrees as follows:

1. I have read the terms and conditions of the Franchise Agreement and acknowledge that the execution of this Undertaking and Guaranty and the undertakings of the principal owners in the Franchise Agreement are in partial consideration for and a condition to continuing rights under the Franchise Agreement and that Franchisor would not have permitted such rights without the execution of this Undertaking and Guaranty and the other undertakings by each of the undersigned;
2. I am a principal owner of the Franchisee;
3. I unconditionally and irrevocably guarantee to Franchisor and its successors and assigns that all of Franchisee's obligations under the Franchise Agreement will be punctually paid and performed. Upon default by Franchisee or upon written notice from Franchisor, I will make each payment and perform each obligation of Franchisee under the Franchise Agreement. Without affecting the obligations of any of the undersigned, Franchisor may, without notice to any of the undersigned, waive, renew, extend, modify, amend, or release any indebtedness or obligation of the franchisee or settle, adjust, or compromise any claims that Franchisor may have against the Franchisee. I waive all demands and notices of every kind with respect to the enforcement of this Undertaking and Guaranty, including notices of presentment, demand for payment or performance by the Franchisee, any default by the Franchisee or any guarantor, and any release of any guarantor or other security for this Undertaking and Guaranty or the obligations of the Franchisee. Franchisor may pursue its rights against me without first exhausting its remedies against the Franchisee and without joining any other guarantor, and no delay on the part of Franchisor in the exercise of any right or remedy will operate as a waiver of the right or remedy, and no single or partial exercise by Franchisor of any right or remedy will preclude the further exercise of that or any other right or remedy. Upon receipt by Franchisor or notice of the death of any of the undersigned, the estate of the deceased will be bound by the foregoing Undertaking and Guaranty, but only for defaults and obligations under the Franchise Agreement existing at the time of death, and in that event, the obligations of the undersigned who survive such death will continue in full force and effect;
4. I acknowledge and agree that Franchisee and Franchisor may, at any time or times and without my consent, enter into extensions, renewals, amendments, assignments, or other covenants with respect to the Franchise Agreement as they may deem appropriate, and I shall not be released from my obligations hereunder as a result, but shall continue to be fully liable for the payments and performance of all liabilities, obligations, and duties of Franchisee under this Franchise Agreement as so extended, renewed, amended, assigned, or otherwise modified;
5. I agree to all of the provisions, covenants, conditions, representations, warranties, and agreements set forth in the Agreement (including, without limitation, those regarding compliance with the Franchise Agreement, the indemnification obligations in Section 9, the transfer provisions in Section 11, and the venue provisions in Section 14), and agree to perform them. I irrevocably submit to the jurisdiction of the federal and state courts and consents to venue in McLennan County, Texas;
6. I agree to comply with all of the provisions contained in Section 10 of the Franchise Agreement concerning the use of Confidential Information. I further agree not to disclose any of the Confidential Information, except (a) to the Franchisee's employees on a need-to-know basis, (b) to the Franchisee's and my legal and tax professionals to the extent necessary for me to meet my legal obligations, and (c) as otherwise may be required by law;

7. While I own a beneficial interest in the Franchisee and for a two-year period after I cease to own a beneficial interest in the Franchisee (or two years after termination or expiration (without renewal) of the Franchise Agreement, whichever occurs first), I will not:

(a) Engage in or participate in or derive any benefit from a Competitive Business (as defined in the Franchise Agreement) without Franchisor's prior written consent. If Franchisor grants me permission to engage in a Competitive Business, I understand that such permission may be conditioned on my paying a Franchise Service Fee (as defined in the Franchise Agreement). While I own a beneficial interest in the Franchisee, I understand and agree that this restriction applies throughout the United States and in any country or territory in which Franchisor has used, registered, or sought to register the Marks (as defined in the Franchise Agreement). During the two-year period after I cease owning a beneficial interest in the Franchisee (or the two-year period after termination or expiration (without renewal) of the Franchise Agreement, I understand and agree that this restriction applies to any Competitive Business operating or providing services in the Territory.

(e) divert or attempt to divert any customer or business from Franchisor or any other franchisee or solicit or endeavor to obtain the business of any person who shall have been a customer of Franchisee's Franchise (as defined in the Franchise Agreement).

This two-year restrictive period described in this paragraph 7 shall be tolled during any period of my noncompliance.

8. If any action brought to enforce the term of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees, court costs, and expenses incurred by the other party in the action.

9. **I WAIVE MY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, INVOLVING FRANCHISOR, WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THE FRANCHISE AGREEMENT, THE PERFORMANCE OF ANY PARTY UNDER THE FRANCHISE AGREEMENT, AND/OR THE OFFER OR GRANT OF THE FRANCHISE.**

4. Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring a waiver of a jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or Franchise Agreement can abrogate or reduce (1) any of your rights as provided for in Minnesota Statutes 1984, Chapter 80C, or (2) your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.
5. Section 3.P. (Dishonored Checks) is amended to provide that any nonsufficient funds charge shall not exceed \$30 per each dishonored check, draft, order of withdrawal, or similar negotiable or nonnegotiable instrument.
6. Section 14.F. (Limitations Period for Bringing Claims) is amended to provide that any claims arising under the Minnesota Franchise Act must be brought within three years after the date the cause of action occurs.
7. Section 15.Q. (Waiver of Claims, Rights, and Remedies) and Section 15.R. (Waiver of Jury Trial) are hereby deleted.
8. No Section providing for a general release as a condition of renewal or transfer will act as a release or waiver of any liability incurred under the Minnesota Franchise Act; provided, that this part shall not bar the voluntary settlement of disputes.
9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement

made by franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

10. Sections 15(L)(1-5 and 6) are deleted.

11. Each provision of this Amendment is effective only to the extent, with respect to such provision, that the jurisdictional requirements of Minnesota Statutes Sections 80C.01 to 80C.22 are met independently without reference to this addendum.

**WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT,
QUESTIONNAIRE, AND RELATED AGREEMENTS**

This ADDENDUM TO FRANCHISE AGREEMENT FOR RESIDENTS OF WASHINGTON amends that certain franchise agreement between Worldwide Refinishing Systems, Inc., a Texas corporation doing business as **DREAMMAKER BATH & KITCHEN** with an address of 4547 Lake Shore Drive, Suite 202, Waco, Texas 76710 (“Franchisor”) and _____, a _____ (“Franchisee”).

WHEREAS, Franchisor and Franchisee have contemporaneously herewith entered into a Franchise Agreement (the “Agreement”) and wish to amend certain terms of the Agreement.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Agreement is amended as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement

made by franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Sections 15(L)(1-5 and 6) are deleted.

The undersigned does hereby acknowledge receipt of this addendum.

IN WITNESS WHEREOF, the parties have executed this Amendment on the date first shown above.

FRANCHISEE DISCLOSURE QUESTIONNAIRE

The following questionnaire is not applicable to franchisees subject to the laws of the states of California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin.

This Franchisee Acknowledgment is not applicable to and shall not be used as to any franchise offer and/or sale involving any California resident and/or franchisee as the Franchisee Disclosure Questionnaires violation California Corporations Code sections 31512 and 31512.1.

You are preparing to enter into a DREAMMAKER BATH & KITCHEN® Franchise Agreement. The purpose of this Questionnaire is to determine whether any statements or promises were made to you that DreamMaker has not authorized and that may be untrue or misleading.

1. Establishment of New Business. The purchase of a DreamMaker Franchise is primarily the purchase of a license to establish and operate a business under the DREAMMAKER BATH & KITCHEN® name and trademark. You must operate the Franchise in accordance with our business format. You understand and acknowledge that the operation of a new business involves a number of business risks, which exist in connection with any business.

2. Ability to Operate a DREAMMAKER Franchise. The ability to operate a profitable Franchise requires some level of business and management skills and the capability of providing good customer service. Our franchisees must always provide excellence in customer service. How you treat customers is critical to the Franchise.

3. Importance of Your Effort. Starting a business is a complicated undertaking and will require both a financial investment and a commitment of personal time to work at and on the business a substantial number of hours per week. Although we will provide assistance and advice, we cannot guarantee your success as a franchisee. The earnings and profits that you earn as a franchisee will depend upon your own individual efforts in operating your Franchise. You understand that the success or failure of your Franchise may depend primarily on your local marketing efforts and you agree to engage actively and continuously in local marketing efforts such as door hangers, flyer distribution, placement of advertisements in local newspapers and magazines, directories, and otherwise as we recommend. Your failure to follow the DreamMaker System may have a negative effect on the Franchise.

4. Additional Funds and Financial Requirements. In our Franchise Disclosure Document, we have disclosed an ESTIMATE of the amount of additional funds that you should have available to invest in the Franchise in the start-up phase. However, no amount of investment can guarantee you will have a profitable Franchise.

5. Pricing of Products and Services. To the extent that we do not establish maximum, minimum, or other pricing requirements, as an independent business owner, you must establish your own pricing for products and services sold by your Franchise. Should you elect to price products and services too low, you may adversely affect your profit margin. Should you elect to set your prices too high, you may lose business to your competitors.

6. Training and Support. We produce and distribute various training materials, programs, manuals and newsletters to our franchisees, and we facilitate the holding of local, regional and/or national conferences in order to encourage networking and exchange of ideas for the purpose of making your Franchise more profitable. While we can make recommendations and suggestions on how to improve your Franchise, it is up to you to avail yourself of and use the information and ideas we provide.

7. Competition. Each of the services you provide are provided by others and new competitors may appear at any time within your Territory although these competitors are not licensed to use our System

or our Marks. It is also possible that another DreamMaker franchise may be located near or adjacent to your Territory.

8. Taxes, Fees and Governmental Regulations. Your Franchise is a business operation and will be required to pay all existing and any new taxes and fees imposed on businesses by various governmental entities. Your Franchise will be subject to a variety of federal, state, and local laws and governmental regulations, including local licensing requirements, safety matters, environmental matters, toxic and hazardous materials, compliance with the Americans with Disabilities Act (ADA), OSHA, EEO, and any new or proposed legislation. You understand that we cannot advise you with regard to all such laws and it is your responsibility to know and comply with them.

9. Complaints and Litigation. Occasionally, we may receive complaints from or be served with lawsuits by our franchisees or customers of our franchisees alleging misconduct and/or a violation of law. Adverse publicity resulting from such allegations may materially affect us and all of our franchisees, regardless of whether such allegations are true. On occasion, we will file suit against franchisees or former franchisees to enforce the terms of the franchise agreement. While we believe we have not violated any franchise laws or misled or defrauded any prospective franchisees, we cannot provide any assurance that an adverse result may not occur.

10. Liability Insurance. You may, from time to time, receive complaints from or be served with lawsuits by customers alleging breach of contract or other misconduct resulting from your operation of the Franchise. Because you are licensed to use our trade name in your operation of the Franchise, we are occasionally included in these lawsuits. If we are sued because of something you have allegedly done or failed to do, you must defend us in the lawsuit. As a result, you must carry proper insurance on the Franchise and you must name us as an additional insured. If you do not carry the proper coverage or if you fail to defend us, we may cancel your Franchise Agreement.

11. Renewal Option at End of Term. Your Franchise Agreement gives you a license to operate a Franchise for an initial term of 10 years. At the end of the 10 years, if you have complied with the terms of the Franchise Agreement, you may renew your Franchise by executing the then-current franchise agreement and complying with all other requirements for renewal. If we refuse to renew your Franchise Agreement because you have not complied with the Franchise Agreement or if you choose not to renew your Franchise Agreement, you may be required to turn your customer list and your telephone numbers and electric identities, including domain names, over to us and/or you may be prohibited from operating any similar business which competes with us or our franchisees for a period of two years in your Territory.

12. Use of Independent Professional Advisers. We recommend that you consult with your own independent advisors in order to satisfy yourself concerning your ability to establish and operate a profitable business, taking into account the amount of working capital you have available, your anticipated debt service, your expenses, etc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen (a Texas corporation), which comprise the balance sheets as of December 31, 2024, 2023 and 2022, and the related statements of income, changes in shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen, as of December 31, 2024, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen ability to continue as a going concern for one year after the date that the financial statements are issued.

OFFICE LOCATIONS

TEXAS | Waco | Temple | Hillsboro | Houston

NEW MEXICO | Albuquerque

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Worldwide Refinishing Systems, Inc. dba DreamMaker Bath & Kitchen's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the franchise disclosure document. The other information comprises the federally mandated information but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024, 2023 AND 2022

1. SUMMARY OF BUSINESS ACTIVITIES

Worldwide Refinishing Systems, Inc. (the "Company") was incorporated in 1975 under the laws of the State of Texas to sell franchises for refinishing, repair, and related servicing of porcelain, formica, tile, and ceramic products. Since June of 1999, the Company has done business under the name of DreamMaker Bath & Kitchen and provides bathroom, kitchen, and other interior remodeling and related services.

Under the terms of its franchise agreements, the Company provides initial training, an operations manual and other initial and continuing services to its franchisees. Franchisees pay an initial franchise and technology fee as well as continuing royalty fees based on sales. Marketing fees for a national campaign are charged to franchisees. Additional fees are assessed upon renewal or transferring franchise investments.

The following is a reconciliation of the number of franchises in operation:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Franchises at January 1	42	42	43
New franchises added during the year	5	3	2
Franchises canceled or terminated during the year	<u>(4)</u>	<u>(3)</u>	<u>(3)</u>
Active at December 31	<u>43</u>	<u>42</u>	<u>42</u>

There were 43, 42 and 42 signed franchise agreements as of December 31, 2024, 2023 and 2022, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Adoption of New Accounting Standard

On January 1, 2022, the Company adopted Financial Accounting Standards Board ("FASB") Accounting Standards Update (ASU) No. 2016-02, *Leases (Codified as Accounting Standards Codification (ASC) 842)*, which resulted in recording operating lease liabilities and right of use assets in the balance sheets. The operating and finance lease liabilities and right of use asset balances were \$0 and \$0 as of December 31, 2024, respectively. The operating and finance lease liabilities and right of use asset balances were \$45,376 and \$45,376 as of December 31, 2023, respectively. The operating and finance lease liabilities and right of use asset balances were \$90,748 and \$90,748 as of December 31, 2022, respectively. The balance is recorded based on the present value of the remaining minimum rental payments under the leasing standard for existing operating leases. The key estimates for these leases include the discount rate used to discount the unpaid lease payments to present value. The Company's leases generally do not include a readily determinable implicit rate, therefore, using a portfolio approach, the Company determined the collateralized incremental borrowing rate to discount the lease payments based on the information available at least commencement.

Leases include the noncancellable period of the lease plus any additional periods covered by either an option to extend the lease that the Company is reasonably certain to exercise, or an option to extend the lease controlled by the lessor. The Company has determined it is not reasonably certain to exercise renewal options, and as a result, the lease's initial stated term was used in the calculation of lease liabilities.

Use of Estimates

The preparation of the accompanying financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Key accounting policies that include significant judgments and estimates include useful lives of property, equipment and intangibles and the allowance for doubtful accounts.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash deposits, certificates of deposit, and money market funds with original maturities of 3 months or less when purchased.

Revenue Recognition

The initial franchise fees vary per the terms of the franchise contract. As allowed under ASC 606, initial franchise fees are recognized upon franchise openings, as pre-opening costs incurred to assist a franchisee to open a new franchise equal or exceeded the franchise fee. Under the terms of its franchise agreements, the Company provides initial training and continuing business consulting and marketing support to its franchisees. Franchise fees and technology fees are generally payable upon the execution of the franchise agreement and royalty fees generally commence upon the starting of the franchisee's business activities.

The Company also receives royalty fees on a weekly basis from franchisees. Royalty fees are recognized and charged at a percentage (primarily 3% to 7%) of sales on a weekly basis.

The Company reserves the right to waive all or a portion of the franchise, training and royalty fees.

Accounts Receivable – Related Parties

Accounts receivable – related parties are comprised of accounts receivable from two affiliated entities. The primary components are comprised of royalty fees, administrative charges and marketing funds received from franchisees on behalf of the Company. The Company provided an allowance for doubtful accounts receivable – related parties which totaled \$99,890, \$66,678 and \$128,220 at December 31, 2024, 2023 and 2022, respectively.

Notes Receivable

Notes receivable are comprised of financed initial franchise, royalty and marketing fees, net of allowance for doubtful accounts. The Company's allowance for doubtful accounts is based upon the length of time the receivables are past due, historical payment trends and current economic factors. The Company generally secures notes with franchisees' property and equipment. The Company has \$51,854, \$90,725 and \$124,956 of allowance for doubtful accounts for the years ended December 31, 2024, 2023 and 2022, respectively.

Property and Equipment

Capital assets are stated at cost less accumulated depreciation. Maintenance and repair costs are expensed as incurred. Renewals and betterments are capitalized. The Company's capitalization policy is \$1,500. The cost of assets sold or retired, as well as any accumulated depreciation, is removed from the accounts at the time of disposal and any resulting gain or loss is included in the results of operations.

Depreciation, which is recorded on the straight-line method, is based upon the estimated useful lives of the respective assets, ranging from 3 to 10 years.

Intangibles

Intangible assets, trademarks and intellectual property, are amortized using the straight-line method over 3 - 15 years.

Accrued Convention

The Company accrues funds on a monthly basis during the course of the year to pay for their annual convention. Their annual convention is held each June for their franchisees and a select group of preferred vendors and is referred to as Reunion. Accrued convention at December 31, 2024, 2023 and 2022 was \$152,278 \$152,037 and \$93,050, respectively.

Advertising Expense

Advertising expense is presented as marketing fees expended and relate to activities to promote the DreamMaker Bath & Kitchen brand to prospective franchisees and are expensed as incurred. Advertising expense during the years ended December 31, 2024, 2023 and 2022, amounted to \$206,723, \$171,395 and \$139,079, respectively.

Concentration of Credit Risk

All accounts, interest bearing and noninterest bearing, are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per depositor at each separately chartered FDIC insured depository institution. The Company's cash balances exceeded FDIC coverage at year-end and at various times during the year. The Company has not experienced and does not anticipate any losses related to cash held in these accounts.

Marketing Fund

The Company expends marketing fees collected from franchises to pay for expenses related to the development of marketing materials and processes for use by franchisees and the Company in national, regional or local advertising, marketing and promotion activities. Marketing fees are charged at 1% to 2% of net sales.

All assets of the Marketing Funds are contractually restricted for the benefit of the franchisees, and the Company recognizes an equal and offsetting liability on the Company's balance sheet for all amounts received. Additionally, this results in recording an equal and offsetting amount of expenses, against all revenues such that there is no impact to overall profitability of the Company from these revenues. In addition, advertising costs are expensed as incurred.

Income Taxes

The Company accounts for income taxes under an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the Company's financial statements or tax returns. In estimating future tax consequences, all expected future events other than enactments of changes in tax law or rates are considered. The Company reviews its deferred tax assets for ultimate realization and will record a valuation allowance to reduce the deferred tax asset if it is more likely than not that some portion, or all, of these deferred tax assets will not be realized.

The Company accounts for uncertainty in income taxes under ASC 740-10. ASC 740-10 prescribes a recognition threshold and measurement methodology to recognize and measure an income tax position taken, or expected to be taken, in a tax return. The evaluation of a tax position is based on a two-step approach. The first step requires the entity to evaluate whether the tax position would "more likely than not" be sustained upon examination by the appropriate taxing authority. The second step requires the tax position be measured at the largest amount of tax benefit that is greater than 50% likely of being realized upon ultimate settlement. In addition, previously recognized benefits from tax positions that no longer meet the criteria would be reversed.

The Company's tax returns are generally no longer subject to examination by the Internal Revenue Service three years after filing.

Reclassification

Certain reclassifications of prior year amounts have been made to conform with the current year presentation. Total stockholder's equity and net income are unchanged due to these reclassifications.

3. INTANGIBLE ASSETS

Intangible assets consisted of the following:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Trademarks	\$ 58,062	\$ 58,062	\$ 58,062
Intellectual property	<u>54,333</u>	<u>-</u>	<u>-</u>
	112,395	58,062	58,062
Less: accumulated amortization	<u>(62,882)</u>	<u>(48,051)</u>	<u>(45,702)</u>
	<u>\$ 49,513</u>	<u>\$ 10,011</u>	<u>\$ 12,360</u>

Amortization expense was \$14,831, \$2,349 and \$3,284 for the years ended December 31, 2024, 2023 and 2022, respectively.

Future amortization of intangible assets by year is as follows:

<u>Year Ending</u>	
2025	\$ 14,423
2026	11,549
2027	3,296
2028	3,186
2029	2,859
Thereafter	<u>14,200</u>
	<u>\$ 49,513</u>

4. MARKETING DEPOSITS

When the Company enters into a franchise agreement, it collects marketing deposits to perform marketing and advertising activities for the new franchise sold. The deposits are collected in advance and kept in a marketing deposit account until expended for the stated purpose. Marketing deposits at December 31, 2024, 2023 and 2022 totaled to \$158,596, \$117,243 and \$87,588, respectively.

5. INCOME TAXES

Deferred income taxes are recognized for the tax consequences in future years of differences between the tax basis of assets and liabilities and their financial reporting amounts based on enacted tax laws and statutory tax rates applicable to the periods in which the differences are expected to affect the taxable income. As changes in tax laws or rates are enacted, deferred tax assets and liabilities are adjusted through provisions for income taxes. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense (benefit) is the tax payable (receivable) for the period, together with the change during the period in deferred tax assets and liabilities.

The Company has no material temporary differences for the years ended December 31, 2024, 2023 and 2022, therefore no deferred taxes were recognized.

6. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Furniture and fixtures	\$ 26,068	\$ 26,068	\$ 25,096
Leasehold improvements	13,074	13,074	-

Less: accumulated depreciation	<u>(117,626)</u>	<u>(114,141)</u>	<u>(89,989)</u>
	<u>\$ 33,265</u>	<u>\$ 65,448</u>	<u>\$ 45,250</u>

Depreciation expense was \$25,376, \$24,152 and \$21,791 for the years ended December 31, 2024, 2023 and 2022, respectively.

7. LEASES

The Company determines whether a contract contains a lease at the inception of a contract by determining if the contract conveys the right to control the use of identified property, plant, or equipment for a period of time in exchange for consideration. The Company leases certain buildings and equipment for varying periods. The incremental borrowing rate utilized to calculate the lease liabilities is based on the information available at commencement date, as most of the leases do not provide an implicit borrowing rate. The operating lease agreements do not contain any material guarantees or restrictive covenants.

As of December 31, 2023 and 2022, the Company has one operating lease, no finance leases, and no sublease activities. Short-term leases, defined as leases with initial terms of 12 months or less, are not reflected on the balance sheets. For the purposes of calculating lease liabilities, all lease and non-lease components, if applicable, are combined.

As of December 31, 2024, the Company had no leases within scope of ASC 842.

During 2024 and 2023, the Company recognized rent expense associated with leases under ASC 842 as follows:

	<u>For the year ended December 31, 2024</u>	<u>For the year ended December 31, 2023</u>
Operating lease cost:		
Fixed expense	\$ 47,641	\$ 47,461
Short-term lease cost	<u>52,861</u>	<u>57,834</u>
Total lease cost:	<u>\$ 100,502</u>	<u>\$ 105,295</u>

Supplemental information related to leases is as follows:

	<u>As of December 31, 2023</u>
Supplemental information:	
Weighted average remaining lease term:	
Operating leases	1 year
Weighted average discount rate:	
Operating leases	4.6%

8. EMPLOYEE BENEFIT PLANS

Defined Contribution Plan

The Company converted to a qualified safe harbor 401(k) plan, effective January 1, 2022, covering all employees who have attained age 21 and completed 90 days of service. Plan participants may contribute their annual compensation before taxes for investment in several investment alternatives up to the limit set by the IRS. Employees are fully vested with respect to their contributions. The Company matches 100% of employee salary deferrals that do not exceed 3% of eligible pay plus 50% of salary deferrals in excess of the 3% eligible pay. The employer will not match more than 5% of the employee's eligible pay. The Company made contributions of \$26,783, \$32,985, and \$23,409 to the plan during 2024, 2023 and 2022, respectively. The company also contributed \$0 and \$5,518 during 2024 and 2023 to true up the safe harbor contribution for the previous year. The company also made an additional 401(k) profit-sharing contribution of \$0, \$0 and \$2,549, during 2024, 2023 and 2022, that was required based on the Top-Heavy Plan requirements.

Deferred Compensation Plan

During 2018, the Company established a non-qualified deferred compensation plan for certain key members of executive management and invested proceeds in money market funds held inside a special trust called a rabbi trust. A rabbi trust is an arrangement that is used to accumulate assets that may be used to fund the Company's obligation to pay benefits under the deferred compensation plan. To prevent immediate taxation to the key members of executive management who participate in the deferred compensation plan, the amounts placed in the rabbi trust must remain subject to the claims of the Company's creditors.

The plan allows for discretionary employer contributions based on profit goals and actual profits. The contributions are subject to a tiered vesting schedule based on years of service counted from 2018 forward and employees and therefore contributions are subject to forfeitures based on provisions in the plan document.

The amount of investment recognized in the balance sheet was \$178,893, \$132,620, and \$65,384 as of December 31, 2024, 2023 and 2022, respectively. The corresponding deferred compensation liability is reflected in accrued liabilities in the amount of \$178,893, \$132,620, and \$65,384 as of December 31, 2024, 2023 and 2022, respectively. Any income or losses recognized on the underlying money market fund will be recorded as other income or loss in the income statement. There was no other income or loss recorded for the year ending December 31, 2024, 2023 and 2022.

9. REVENUE RECOGNITION

The Company earns revenue primarily from franchise transactions. Listed below are the 3 primary streams of revenue that are earned from each franchise agreement.

Royalties

After operations commence for each franchisee, royalty fees are recognized and charged at a percentage (primarily 3% to 7%) of sales on a weekly basis.

Initial Franchise Fees

Typically, franchise rights are granted to franchisees for an initial term of 10 years with an option to renew for \$7,500 to the franchisee contingent on various covenants outlined in the contract. In exchange for initial franchise fees, the Company is obligated by its franchise agreement to provide initial training and continuing business consulting and marketing support to its franchisees.

The initial franchise fees are recognized upon the completion of two performance obligations at 50% each. The first performance obligation is the completion of the franchisee Foundations Training. The Foundation Training program is scheduled to be completed in approximately 6 weeks. The second performance obligation is the Simulation Training. Simulation Training traditionally takes 8 weeks and starts immediately after the completion of the Foundations Training.

Marketing fund fees

After operations commence for each franchisee, marketing fees are charged at 1% to 2% of net sales on a weekly basis.

All revenue streams for the Company discussed above are within the scope of and accounted for under ASC 606. ASC 606 requires revenue to be recognized when the Company satisfies the related performance obligations by transferring to the customer a good or service through a 5-step process:

- 1) Identify the contract with the customer,
- 2) Identify the associated performance obligations,
- 3) Determine the transaction price,
- 4) Allocate the transaction price to the performance obligations, and
- 5) Recognize revenue when the performance obligations have been satisfied and the good or service has been transferred.

Initial franchise fees have performance obligations as discussed above that are satisfied over time and are recognized upon completion of the performance obligations. Under the terms of its franchise agreements, the Company provides initial training and continuing business consulting and marketing support to its franchisees. The initial franchise fees and any additional training fees are payable upon the execution of the franchise agreement.

Royalty fees (which are based on 3% - 7% of sales) and marketing fund fees (which are based on 1% - 2% of sales) are recognized at a point in time when earned. These fees generally commence upon the starting of the franchisee's business activities and are payable weekly.

For all revenue streams, the overall economy will have a direct impact on the Company. If the economy were impacted negatively, it will result in less disposable income for customers and thus less investment in non-essential items such as kitchen and bathroom remodeling and franchisee investments. Other general economic factors that could impact the Company are inflation and interest rates.

The following table disaggregates the Company's revenue based on the timing of the satisfaction of performance obligations for the years ended December 31, 2024, 2023 and 2022:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Performance obligations satisfied over time	\$ 198,475	\$ 253,974	\$ 241,008
Performance obligations satisfied at a point in time	<u>3,180,688</u>	<u>2,977,275</u>	<u>2,990,681</u>
	<u>\$ 3,379,163</u>	<u>\$ 3,231,249</u>	<u>\$ 3,231,689</u>

10. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, defines fair value as the exit price that would be received from the sale of an asset or paid to transfer a liability, using assumptions that market participants would use in pricing an asset or liability. The fair value guidance establishes a three-level fair value hierarchy, which maximizes the use of observable inputs and minimizes the use of unobservable inputs used in measuring fair value. The levels within the hierarchy are as follows:

- Level 1 – observable inputs such as quoted prices in active markets for identical assets or liabilities;
- Level 2 – significant other observable inputs that are observable either directly or indirectly; and
- Level 3 – significant unobservable inputs in which there is little or no market data, which requires the Company to develop its own assumptions.

The following is a description of the valuation methodologies used for assets recorded at fair value.

Equity securities held in rabbi trusts –

Equity securities held in rabbi trusts consist of U.S. common stocks, which are valued using quoted market prices reported on nationally recognized security exchanges, and mutual funds, which are classified as level 1 when quoted prices are available in an active market.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Company's assets measured at fair value on a recurring basis as of December 31, 2024, 2023, and 2022.

	Fair Value Measurements at December 31, 2024 using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Equity securities held in rabbi trusts	\$ <u>178,893</u>	\$ <u>178,893</u>
Total investments, at fair value	\$ <u>178,893</u>	\$ <u>178,893</u>
	Fair Value Measurements at December 31, 2023 using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Equity securities held in rabbi trusts	\$ <u>132,620</u>	\$ <u>132,620</u>
Total investments, at fair value	\$ <u>132,620</u>	\$ <u>132,620</u>
	Fair Value Measurements at December 31, 2022 using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Equity securities held in rabbi trusts	\$ <u>65,384</u>	\$ <u>65,384</u>
Total investments, at fair value	\$ <u>65,384</u>	\$ <u>65,384</u>

The Company may be required, from time to time, to measure certain assets at fair value on a nonrecurring basis. PROMISSORY NOTE AND SECURITY AGREEMENT

DATE: _____

DEBTOR: _____

DEBTOR'S MAILING ADDRESS: _____

SECURED PARTY: WORLDWIDE REFINISHING SYSTEMS, INC., a Texas corporation
d/b/a DREAMMAKER BATH & KITCHEN

SECURED PARTY'S MAILING ADDRESS: 4547 Lake Shore Drive, Suite 202
Waco, Texas 76710

PRINCIPAL: _____ **AND 00/100 DOLLARS (\$ _____.)**

INTEREST: _____ percent (____%) per annum on unmatured, unpaid PRINCIPAL beginning thirty (30) days before the due date of the first payment and the maximum legal rate of interest on matured, unpaid amounts from the date of maturity.

PAYMENT TERMS:

The principal and interest of this note shall be payable in monthly installments of _____ **AND 00/100 DOLLARS (\$ ____)** each, beginning on _____ and continuing on the first day of each month thereafter until _____ when the entire principal balance and any accrued, unpaid interest is due in full. By execution of the ACH Origination Authorization attached hereto, DEBTOR authorizes SECURED PARTY and the financial institution named thereon to make the foregoing payments from DEBTOR'S account until DEBTOR cancels such automatic draft in accordance with the terms of the Authorization or this note is paid in full.

DEBTOR promises to pay PRINCIPAL and INTEREST according to the PAYMENT TERMS to the order of SECURED PARTY. This note may be prepaid in any amount at any time before maturity without penalty. Installments shall continue to be payable regularly after any partial payment unless and until this note has been fully paid. INTEREST shall be calculated on the unpaid PRINCIPAL to the date of any payment or prepayment, with that payment or prepayment being credited first to pay the accrued INTEREST and then to reduce the PRINCIPAL.

IF DEBTOR defaults in the payment of any indebtedness or the performance of any obligations under this document or any document collateral to it, including, without limitation, the Franchise Agreement by and between DEBTOR and SECURED PARTY, or DEBTOR sells, assigns or transfers the Franchise or the Franchise Agreement to a third party, SECURED PARTY may declare the unpaid PRINCIPAL and earned INTEREST immediately due. DEBTOR and each surety, endorser and guarantor waive all demands for payment, presentations for payment, notices of intention to accelerate, notices of acceleration, protests and notices of protest to the extent permitted by law.

If this document or any document collateral to it, including, without limitation, the Franchise Agreement, is given to an attorney for collection or enforcement, is collected or enforced after suit is brought for that purpose or is collected or enforced through probate, bankruptcy or other judicial proceeding, DEBTOR shall pay SECURED PARTY all costs of collection and enforcement (including, without limitation, reasonable attorney's fees and court costs) in addition to amounts due. Reasonable attorney's fees shall be ten percent (10%) of all amounts due unless plead otherwise.

Interest on any indebtedness under this document or any document collateral to it shall not exceed the maximum amount of nonusurious interest that may be contracted for, taken, reserved, charged or received under law. Any interest in excess of that maximum amount shall be credited on the principal of the indebtedness or, if that has been paid, refunded. Any such excess resulting from any acceleration or prepayment shall be canceled automatically or, if already paid, credited on the unpaid principal of the indebtedness or, if the principal of the indebtedness has been paid, refunded. This provision overrides other provisions in this and all other instruments.

If any installment of this note is not paid within thirty (30) days of its due date, a late charge in the amount of FIVE AND NO/100 DOLLARS (\$5.00) per payment will be paid by DEBTOR upon demand as compensation for any expense or inconvenience incurred in collecting that delinquent installment. DEBTOR is not hereby authorized to be delinquent in paying any installment. Any demand for a late charge shall not affect any other remedies available.

If any draft or check is returned by DEBTOR'S financial institution for insufficient funds or any other reason, SECURED PARTY is entitled to reimbursement from DEBTOR in the amount of TWENTY FIVE AND 00/100 DOLLARS (\$25.00). Any demand for reimbursement shall not in any manner affect any other remedies available.

SECURED PARTY'S sole duty with respect to the custody, safekeeping and physical preservation of COLLATERAL in its possession or under its control will be to use reasonable care in the custody and preservation of such COLLATERAL. DEBTOR agrees that SECURED PARTY will be deemed to have used reasonable care in the custody and preservation of COLLATERAL if SECURED PARTY deals with such COLLATERAL in the same manner as SECURED PARTY deals with similar property for its own account and, to the extent permitted by applicable law. SECURED PARTY need not take any steps to preserve rights against any other person or entity. DEBTOR confirms that value has been given, that DEBTOR has rights in the COLLATERAL, and that DEBTOR and SECURED PARTY have not agreed to postpone the time for attachment of the security interest to any of the COLLATERAL. This EXISTING BUSINESS ADDENDUM is entered into by and between Worldwide Refinishing Systems, Inc., a Texas corporation doing business as **DREAMMAKER BATH & KITCHEN** with a principal place of business at 4547 Lake Shore Drive, Suite 202, Waco, Texas 76710 (“Franchisor”) and _____, a, _____, having an address of _____ (“Franchisee”).

WHEREAS, Franchisor and Franchisee have contemporaneously herewith entered into an agreement pursuant to which Franchisor has granted Franchisee a license and obligation to establish and operate a Franchise using the Marks and the System in and for the Territory (“Franchise Agreement”);

WHEREAS, Franchisee operates an existing business which is similar, in whole or in part, to the Franchise to be operated under the Agreement (“Existing Business”);

WHEREAS, in consideration of a “roll-in” from the Existing Business the Franchisor wishes to make certain concessions with respect to, and to this end amend, select terms and fees under the Franchise Agreement; and

WHEREAS, Franchisee hereby represents and warrants to Franchisor that the Existing Business has fully empowered Franchisee to execute this Existing Business Addendum, and that all necessary action for the execution of this Existing Business Addendum has been taken.

NOW, THEREFORE, that for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to amend the Franchise Agreement as follows:

1. Notwithstanding anything to the contrary in the Agreement, in the event of a conflict between the provisions of the Agreement and the provisions of this Addendum, the provisions of this Addendum shall control. The parties agree that the Agreement remains fully effective in all respects, except as specifically modified herein, and all the respective rights and obligations of Franchisee and Franchisor remain as written unless modified specifically herein.

2. Definitions. The following terms shall have the following definitions:

“Roll-In Start Date” means the first Monday after Franchisee’s completion of Simulation Training or four months after the Effective Date of the Franchise Agreement, whichever occurs first.

“Full Roll-In Period” means the period that begins on the Roll-In Start Date and ends on _____ and is comprised of the First Roll-In Period and the Second Roll-In Period. “First Roll-In Period” means the period that begins on the Roll-In Start Date and ends on _____. “Second Roll-In Period” means the period that begins on expiration of the First Roll-In Period and ends on expiration of the Full Roll-In Period.

“Roll-In Amount” means \$_____.

b. The Franchise Agreement is supplemented to include the following provision:

Recognizing that the trade name associated with the Existing Business (“Existing Business Trade Name”) has accumulated goodwill, and that Franchisee’s right to continue such use for a limited period will assist Franchisee in retaining existing customers, the parties agree that Franchisee shall have the right to use such trade name in conjunction with the Marks for the Co-Brand Term reflected below:

Existing Business Trade Name	Co-Brand Term

Before beginning operations, Franchisee shall submit to Franchisor, for Franchisor's written approval, all advertising that includes the Existing Business Trade Name. Franchisee shall not use any logos or marks associated with the Existing Business other than the Existing Business Trade Name. Franchisee shall not alter or modify the Marks to include the Business Trade Name, or create a new logo incorporating the Existing Business Trade Name. During the Co-Brand Term, Franchisor may allow a reference to Existing Business Trade Name on Franchisor's website. Upon expiration of the Co-Brand Term, Franchisee shall cease all use of the Existing Business Trade Name, and all references thereto shall be removed immediately from the website and from all forms of advertising, including vehicle wraps.

The parties also both agree and acknowledge that franchisee's use of the Existing Business Name, except as expressly authorized by this provision, will serve to dilute the Marks and the goodwill symbolized by the Marks. Accordingly, if Franchisee violates the terms hereof, Franchisee agrees to pay Franchisor liquidated damages as follows: for each individual violation of this provision after expiration of the Co-Brand Term, Franchisee shall pay to Franchisor a lump sum equal to \$2,500 and receive a 30-day cure period to remove the specific reference to the Existing Business Trade Name. Violation of this provision constitutes a material breach of this Agreement, for which Franchisor may terminate pursuant to Section 12.B. If Franchisee has failed and/or refused to remove the reference identified in the cure notice during the 30-day cure period, then Franchisee shall pay an amount equal to \$500 per day thereafter until the specific reference is removed. For example, and for avoidance of doubt, if after expiration of the Co-Brand Term, Franchisee fails to remove the Existing Business Trade Name from its vehicle wrap and from certain sales literature, two violations have occurred and Franchisee initially shall be responsible for payment of \$5,000 (\$2,500 multiplied by two violations). Payment of such sums by Franchisee shall be due immediately upon demand. Franchisor and Franchisee agree that the liquidated damages amount established in this provision represents a reasonable estimation of actual damages that Franchisor will sustain as a result of such violation and is not a penalty.

4. Section 3.A., **Initial Franchise Fee**, is amended to provide that Franchisor and Franchisee hereby agree that the initial franchise fee shall be discounted by ___% based on Franchisee's agreement to "roll-in" the Roll-In Amount, and such discounted amount is reflected on the Summary Page(s) to the Agreement.

5. Section 3.G., **Royalty Fee**, is amended to provide that:

(a) During the First Roll-In Period, Franchisee shall pay \$_____ (the "Roll-In Royalty Payment"), representing ___% of the average weekly Roll-In Amount. If the average weekly Roll-In Amount is less than ___, Franchisee's Roll-In Royalty Payment shall increase to \$250 per week beginning on _____ [insert date that begins the 17th week after the Roll-In Start Date].

(b) In addition to the Roll-In Royalty Payment, should Franchisee attain a cumulative Gross Sales amount exceeding \$_____ during the First Roll-In Period (the "Excess Amount"), Franchisee shall pay the weekly Royalty Fee specified in Section 3.G.(iii) of the Franchise Agreement on the Excess Amount through the First Roll-In Period.

(c) When the Second Roll-In Period begins, the cumulative Gross Sales calculation will restart and Franchisee shall, once more, begin the period paying only the Roll-In Royalty Payment. Should Franchisee attain a cumulative Gross Sales amount exceeding \$_____ during the Second Roll-In Period (the "Excess Amount"), Franchisee shall pay the weekly Royalty Fee specified in Section 3.G.(iii) of the Franchise Agreement on the Excess Amount through the Second Roll-In Period.

6. Section 3.G.(iv), **Definition of Gross Sales**, is amended to provide that Franchisee hereby "rolls-in" to the Franchise all Gross Sales generated by the Existing Business for work which constitutes the core business of the Franchise as described in the Agreement. "Gross Sales" includes all revenue

collected for projects that begin on or after the Roll-In Start Date, regardless of whether customer deposits or design fee payments were received prior to the Roll-In Start Date, and regardless of whether deposits or payments were received by Franchisee or by the Existing Business. The customers that generated these Existing Business Gross Sales are assigned to the Franchisee.

7. Section 3.G.(v), **Minimum Royalty Fee**, is amended to provide that, upon expiration of the Full Roll-In Period, Franchisee shall no longer pay the Roll-In payment but will pay to Franchisor the Royalty Fee as calculated under Section 3.F. of the Franchise Agreement.

8. Section 3.J., **MAP Fee**, is amended to provide that:

(a) During the Full Roll-In Period, Franchisee shall pay a weekly Roll-In MAP Payment of \$_____, which is one percent (1%) of \$_____, the weekly Gross Sales being “rolled in,” unless stated otherwise herein.

(b) In addition to the Roll-In MAP Payment, should Franchisee attain a cumulative Gross Sales amount exceeding \$_____ during the First Roll-In Period (the “Excess Amount”), Franchisee shall pay the weekly MAP Fee specified in Section 3.J. of the Franchise Agreement on the Excess Amount through the First Roll-In Period.

(c) When the Second Roll-In Period begins, the cumulative Gross Sales calculation will restart and Franchisee shall, once more, begin the period paying only the Roll-In MAP Payment. Should Franchisee attain a cumulative Gross Sales amount exceeding \$_____ during the Second Roll-In Period (the “Excess Amount”), Franchisee shall pay the weekly MAP Fee specified in Section 3.J. of the Franchise Agreement on the Excess Amount through the Second Roll-In Period.

Upon expiration of the Initial Roll-In Period and through the end of the Term, Franchisee shall no longer pay a Roll-In MAP Payment. Franchisee shall, however, pay a weekly MAP Fee as calculated under Section 3.J. of the Franchise Agreement.

9. Section 5.A., **Manner of Operation; Best Efforts; Cooperation with Franchisor; Limitation of Services**, is amended to provide that the business and customers which were “rolled-in” from the Existing Business shall not be excluded from the Agreement.

10. Section 10.C., **In-Term and Post-Term Covenants**, is amended to state that the business and customers which were “rolled-in” are considered business and customers of the Franchisee for all purposes.

11. **Capitalization**. All capitalized terms not defined herein shall have the meaning ascribed to them in the Franchise Agreement.

**EXHIBIT F-8
LEASE RIDER**

THIS LEASE RIDER (“Rider”) is entered into this ____ day of _____, 20____ by and between Worldwide Refinishing Systems, Inc., a Texas corporation doing business as **DREAMMAKER BATH & KITCHEN** (“Franchisor”), _____ (“Franchisee” or “Tenant”), and _____ (“Landlord”).

WHEREAS, Franchisor and Franchisee are parties to a franchise agreement, which is dated _____, 20____ (the “Franchise Agreement”), for the operation of a DREAMMAKER franchised business (the “Franchised Business”); and

WHEREAS, Franchisee and Landlord propose to enter into the lease to which this Rider is attached (the “Lease”), pursuant to which Franchisee will occupy premises located at _____ (the “Premises”) for the purpose of constructing and operating the Franchised Business in accordance with the Franchise Agreement; and

WHEREAS, Franchisor has the right to require Franchisee to agree to the terms contained in this Rider, and Landlord is willing to agree to the terms contained in this Rider so that Franchisor allows Franchisee to enter into the Lease.

NOW, THEREFORE, in consideration of Franchisor’s willingness to allow Franchisee to enter the Lease with Landlord, and in consideration of the mutual undertakings and commitments set forth in this Rider and in the Franchise Agreement, the receipt and sufficiency of all of which the parties acknowledge, the parties agree as follows:

(a) Landlord acknowledges that Tenant is a franchisee of Franchisor and that the Franchised Business located at the Premises is operated under the DREAMMAKER franchise system, pursuant to a Franchise Agreement between Tenant and Franchisor. Landlord consents to Tenant’s use at the Premises of such marks and signs, decor items, color schemes, and related components of the DREAMMAKER system as Franchisor may prescribe for the Premises. During the term of the Franchise Agreement, the Premises may be used only for the operation of a DREAMMAKER Franchised Business and for no other purpose. Notwithstanding anything in the Lease to the contrary, Landlord consent to Tenant making non-structural alterations, improvements, and additions to the Premises during the term of the Lease to comply with Franchisor’s standards.

(b) Landlord agrees to furnish to Franchisor copies of any and all letters and notices sent to Tenant pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Tenant. Without limiting the foregoing, in the event of any default by Tenant, Landlord shall give Franchisor written notice of such default. If Tenant has failed to cure such default at the expiration of the applicable cure period, Landlord shall give Franchisor further written notice of such failure (“Franchisor Notice”). Following Franchisor’s receipt of the Franchisor Notice, Franchisor shall have the right (but not the obligation) to cure Tenant’s default before Landlord shall exercise any of Landlord’s remedies arising as a consequence of Tenant’s default. Any such cure shall be effected within 15 days following Franchisor’s receipt of the Franchisor Notice. Such cure by Franchisor shall not be deemed to be an election to assume the terms, covenants, obligations, and conditions of the Lease.

(c) If Franchisor cures Tenant’s default, or if Franchisor notifies Landlord that the Franchise Agreement has been terminated (which termination shall constitute a non-curable default pursuant to the Lease upon Landlord’s receipt of Franchisor’s notice thereof), Landlord agrees, upon Franchisor’s written request, to assign to Franchisor any and all rights that Landlord may have under the Lease to remove and evict Tenant from the Premises and shall cooperate with Franchisor in order to pursue such action to a conclusion.

(d) If Franchisor cures Tenant's default, or notifies Landlord of the termination of the Franchise Agreement, Franchisor shall have the right and option, upon written notice to Landlord, to do the following:

1. Undertake to perform the terms, covenants, obligations, and conditions of the Lease on behalf of the Tenant (notwithstanding any removal or eviction of Tenant) for a period not to exceed six months from the first date of any cure by Franchisor; or

2. At any time within or at the conclusion of such six-month period, assume the terms, covenants, obligations, and conditions of the Lease for the remainder of the term, together with any applicable renewal options. In such event, Landlord and Franchisor shall enter into an agreement to document such assumption and Landlord agrees not to impose an assignment fee or similar assessment, or to increase or accelerate rent under the Lease, in connection with such assignment. Franchisor is not a party to the Lease and shall have no liability under the Lease unless and until said Lease is assigned to, and assumed by, Franchisor as herein provided.

(e) If, during the six-month period set forth in Section (d)(1) above, or at any time after the assignment contemplated in Section (d)(2), Franchisor shall notify Landlord that Tenant's franchise is being granted to another DREAMMAKER franchisee, Landlord shall permit the assignment of the Lease to said franchisee without the payment of any assignment fee or similar assessment or other cost requirement, provided that, said franchisee meets Landlord's reasonable financial qualifications. Landlord shall not unreasonably withhold consent to such assignment. Thereafter, Franchisor shall be released from any and all further liabilities under the Lease. The parties agree to execute any commercially reasonable documents in furtherance of this section.

(f) Tenant will not assign or sublease the Lease or renew or extend the term thereof without the prior written consent of Franchisor, nor shall Landlord and Tenant amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing requirements without the prior written consent of Franchisor.

(g) Franchisor shall have the right to enter the Premises to make any modification or alteration Franchisor deems necessary to protect the DREAMMAKER system and trademarks (including, without limitation, remove all signs, advertising materials, displays, fixtures, proprietary equipment and inventory, and any other items which display the trademarks or are indicative of DREAMMAKER trade dress) or to cure any default under the Franchise Agreement or under the Lease, without being guilty of trespass or any other crime or tort. Landlord shall not be responsible for any expenses or damages arising from any such action by Franchisor. Tenant hereby releases, acquits, and discharges Franchisor and Landlord, their respective subsidiaries, affiliates, successors, and assigns and the officers, directors, shareholders, partners, employees, agents, and representatives of each of them, from any and all claims, demands, accounts, actions, and causes of action, known or unknown, vested or contingent, which any of them may have, ever had, now has, or may hereafter have by reason of any event, transaction, or circumstance arising out of or relating to the exercise of Franchisor's rights pursuant to this Rider.

(h) Landlord shall subordinate any lien in favor of Landlord created by the Lease to Franchisor. Landlord's rights to collect on any liens that Landlord files or attaches to Tenant's property rights shall be subordinate and inferior to Franchisor's lien rights against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Tenant and on the premises operated by Tenant under the Lease.

(i) Landlord shall not, during the term or any renewal or extension of the Lease, lease space in the same center as the Premises, or permit an assignment or transfer of space in the same center as the Premises, to another tenant that will use the premises primarily for the operation of a business that performs remodeling or restoration services.

(j) The provisions of this Rider will supersede and control any conflicting provisions of the Lease.

(k) All notices sent pursuant to this Rider shall be sent in the manner set forth in the Lease, and delivery of such notices shall be effective as of the times provided for in the Lease. For purposes of notice under the Lease, Franchisor’s mailing address shall be 4547 Lake Shore Drive, Suite 202, Waco, Texas 76710, Attention: President, which address may be changed by written notice to Landlord in the manner provided in the Lease.

IN WITNESS WHEREOF, the parties have executed this Rider as of the date first written above.
