What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirements, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation and/or litigation only in Florida. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own states.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's personal assets, perhaps including your house, at risk if your franchise fails.
3. **Mandatory Minimum Payments.** You must make minimum royalty payments regardless of your sales levels. Your inability to make these payments may result in termination of your franchise agreement and loss of your investment.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The Franchisor is The Spice & Tea Exchange Franchising, LLC, referred to as “we,” “us,” or “our” or “TSTE Franchising.” We refer to a person who acquires a franchise from us as “you” or “your.” If you are a corporation, partnership or other entity, your owners must sign our “Principal Owner’s Guaranty,” guaranteeing your performance and binding themselves individually to provisions of the Franchise Agreement. A copy of our Principal Owner’s Guaranty is attached as Exhibit “D” to the Franchise Agreement.

We are a Florida Limited Liability Company formed on August 14, 2008, and our principal business address is 210 Marshall Circle, St. Augustine, FL 32086. Our agents for service of process in the states whose franchise laws require us to name a state agency as agent for service are disclosed in Exhibit “G.” Our phone number is (727) 786-6644 and our website is www.spiceandtea.com.

We conduct business under our corporate name, and “The Spice & Tea Exchange,” and were formed for the purpose of offering and selling franchises for THE SPICE & TEA EXCHANGE[®] Stores. We began offering franchises for THE SPICE & TEA EXCHANGE[®] Stores on August 25, 2008, and have not offered franchises in other lines of business. In addition to offering franchises for THE SPICE & TEA EXCHANGE[®] Stores, we own and operate a company-owned THE SPICE & TEA EXCHANGE[®] Store, which is located in Florida. Besides offering franchises for THE SPICE & TEA EXCHANGE[®] Stores and operating the company-owned THE SPICE & TEA EXCHANGE[®] Store since November 9, 2010, we do not engage in any other business activities.

Our Parent

We are a subsidiary of our parent, The Spice & Tea Exchange Holdings, LLC (“TSTE[®] Holdings”). TSTE[®] Holdings is a Florida limited liability company formed on August 14, 2008, whose address 210 Marshall Circle, St. Augustine, FL 32086. Our affiliates, namely The Spice & Tea Exchange Distribution, LLC (see below) and The Spice & Tea Exchange Development, LLC (see below) are also subsidiaries of TSTE[®] Holdings. Our affiliate and predecessor, Old Spice Traders, Inc. (see below) assigned to TSTE[®] Holdings the intellectual property, know-how, copyrights and some aspects of the System used to operate Stores. TSTE[®] Holdings, in turn, licenses to us the right to license to franchisees the trademarks, service marks, copyrights and System used to operate Stores. TSTE[®] Holdings does not currently engage in other business activities and has not offered franchises in any line of business.

Our Predecessor and Affiliates

Our predecessor and affiliate, Old Spice Traders, Inc. (“OSTI”), is a Florida corporation incorporated on July 7, 2007, and dissolved in December 2008. OSTI’s last address was 254 Talleyrand Avenue, Jacksonville, Florida 32202. OSTI contributed the know-how, intellectual property and systems it helped develop to enable us to offer franchises for Stores. Prior to our formation, from July 7, 2007 until July 2008, OSTI was in the business of franchising Old Spice Traders stores (“OSTI Stores”), which are stores substantially similar to Stores offered in this disclosure document. OSTI assigned to us its franchise agreements for OSTI Stores. OSTI has been dissolved and does not currently conduct any business.

Our affiliate, The Spice & Tea Exchange Distribution, LLC (“TSTE[®] Distribution”), is a Florida Limited Liability Company formed on August 14, 2008, whose address and telephone number is 210 Marshall Circle, St. Augustine, Florida 32086, 904-429-7548. TSTE[®] Distribution markets and sells spices, herbs, teas, and similar products and accessories to the general public, and also serves as the distributor of such products to Stores.

Our affiliate, The Spice & Tea Exchange Development, LLC (“TSTE[®] Development”), is a Florida Limited Liability Company formed on August 14, 2008, whose address and telephone number is the same as ours. TSTE[®] Development provides supplies and assistance in the dress-out of Stores.

Each of our affiliates above may supply products and/or services to franchisees and is or may be an “Approved Supplier” as described in Item 8 of this Disclosure Document.

Except as disclosed above with regards to OSTI, our parent, predecessor, and affiliates have not offered franchises in this or any other line of business.

Our Unit Franchise Program

We sell franchises for the right to establish and operate a Store, which is a retail store offering spices, herbs, teas, spice blends, olive oil, salts, sugars, candles, honeys and other related products and accessories we designate or approve (the “Products and Services”), in a distinctive and innovative environment in accordance with our standards and specifications (the “System”). The System includes distinctive designs, layouts, color schemes and signs; standards and specifications for operations, products, inventory, and suppliers; rules; training and assistance; and other methods and procedures relating to the establishment and operation of a Store.

We grant to persons or entities who meet our qualifications, and who are willing to undertake the investment and effort, the right to operate a Store in accordance with our then-current Franchise Agreement, a copy of which is attached to this Disclosure Document as Exhibit “C” (the “Franchise Agreement”). We sometimes refer to the right to acquire a franchise to operate a Store as our “Unit Franchise Program.”

We use, promote and license in the operation of Stores certain trademarks, service marks and other commercial symbols, including the trade and service marks “THE SPICE & TEA EXCHANGE[®]” and other assorted associated logos, designs, and commercial symbols that we may designate now or in the future (collectively, the “Proprietary Marks”).

Each Store operates from a specified location (the “Site”) where it must provide only the Products and Services we designate or approve in accordance with our System and using our Marks.

Area Development Program

We also grant to certain persons or entities that meet our qualifications and are willing to undertake the additional investment and effort, the right to develop and operate multiple Stores (the “Area Development Program”). Through the Area Development Program, we offer the right to own, open and operate multiple Stores (the “Development Rights”) within a certain defined geographic area (the “Development Area”). Development Rights are offered only in accordance with the terms of our current Area Development Agreement (the “Development Agreement”), a copy of which is attached to this Disclosure Document as Exhibit “D.” Under the Development Agreement, you must open a certain

number of Stores in accordance with a mandatory development schedule (the “Development Schedule”). You must sign your first Franchise Agreement under the Development Agreement at the time of the Development Agreement’s execution. You must sign a separate Franchise Agreement for each Store opened under the Development Schedule, which may differ from the one disclosed in this document.

Competition

The sale of spices, teas, herbs, blends, salts, sugars, olive oils, candles, honeys and related products and accessories is a moderately well-developed market. You will compete with national chains such as grocery stores and cooking stores, as well as regional and national chains, small local businesses, and Internet/mail order companies. The Products and Services that you offer to the general public, to individual consumers, primarily for on-site pick up. The market for specialty spice, tea and accessory stores is developed in some areas and developing in other areas, depending on the number of these types of stores in the particular area. Also, your business may be seasonal in nature.

Regulations

You will be required to comply with all applicable local, state, and federal safety, health, food handling, food safety and sanitation laws that apply to Store operations. In addition, certain states may have certification and registration requirements for such businesses that are considered to be selling nutritional or health products. You should investigate whether any of these certification or registration requirements will apply to your Store. You will also need to assume that your activities do not result in the making of health or nutritional claims that are regulated by the United States Food and Drug Administration. You must comply with federal and state truth in labeling laws and regulations. Additionally, every state has enacted laws, rules, regulations and ordinances which may apply to the operation of a Store, including those which: (a) establish general standards, specifications and requirements for the construction, design and maintenance of the premises; (b) regulate matters affecting the health, safety and welfare of your customers, such as general health and sanitation requirements, restrictions on smoking, and availability of and requirements for public accommodations, including restrooms; (c) set standards pertaining to employee health and safety; and (d) set standards and requirements for fire safety and general emergency preparedness. The fee under the Deposit Agreement is \$15,000 (the “Deposit”). The Deposit is due when you sign the Deposit Agreement and is not refundable. However, if we grant a franchise to you under the Franchise Agreement, we will apply the Deposit to your Franchise Fee.

Franchise Fee

You are required to pay a franchise fee of \$38,750 (the “Franchise Fee”) when you sign the Franchise Agreement. The Franchise Fee is due in lump sum and is fully earned and non-refundable upon payment. Franchise Fees are uniform among franchisees in the Unit Franchise Program.

In some instances, due to seasonal necessity or product mix changes, we may need to make adjustments to the Establishment Package in order to provide you with the proper opening inventory. In such circumstances, you and we will agree upon the terms of those changes and additional fees, if any, to be paid. The Establishment Fee is due in lump sum and is fully earned and nonrefundable upon payment.

Annual Conference	\$500 per attendee	As incurred.	We may schedule and hold an annual conference, as we deem advisable in our sole discretion, to discuss the current state of the System, improvements to the System, hold discussion forums for System franchisees and recognize certain franchisees. In the event we schedule a conference, we may require you to attend for up to five (5) days each year. You will be responsible for the costs and expenses you incur in connection with any annual conference/convention (lodging, travel, meals, etc.), as well as our then-current fee, which is currently \$500 per attendee.
Store Closure Fee	\$100 per day	As incurred.	We reserve the right to charge you a penalty fee of \$100 per day for each day that your Store is closed without our approval, in addition to any other remedies that we may pursue.

Explanatory Notes

1. Unless otherwise indicated, all fees in this table are imposed by and payable to us, our predecessor or our affiliate. In general, we expect to impose all fees described in this chart uniformly among all franchisees. But, we reserve the right to vary these fees if, in our sole discretion, we choose to do so. All fees in this table are non-refundable, except as provided in Item 5.

2. “Gross Sales” are defined in the Franchise Agreement as all revenue you derive from operating the Store, including, but not limited to, all amounts you receive at or away from the Site from any activities or services whatsoever including any that are associated, in any way, with the sale of Products or Services and/or in any way associated with the Marks, Copyrights or System, and whether from cash, check, barter, credit or debit card or credit transactions, or gift card transactions; but excluding (1) all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority and (2) customer refunds, adjustments, credits and allowances authorized by us that are actually made by the business. In the event you abandon your Store or otherwise attempt to terminate your Franchise Agreement prior to the expiration of the current term, we reserve the right to seek future lost Royalties for the balance of the term of the Franchise Agreement.

3. We will designate on which day (the “Payment Day”) the payments as described in this Item are due to us. Currently, the Payment Day is the fifth day of the month for the prior month, but we reserve the right to change the Payment Day in the future at our sole discretion. We may require you to pay all payments due us by electronic funds transfer. You agree to comply with the procedures we specify

in our Manuals and perform such acts and sign and deliver such documents as may be necessary to accomplish payment by this method. On the Payment Day, you will report to us by telephone, Internet, intranet or electronic means or on written form, as we direct, your Store’s true and correct Gross Sales for the immediately preceding month. You will give us authorization, in a form that we designate or approve, to initiate debit entries or credit correction entries to the Store’s bank operating account (the “Operating Account”) for payments of any fees due us and other amounts due under the Franchise Agreement, including any applicable interest charges. Since the form may vary by your or our banking institution, we do not have a standard form of electronic delivery transfer document for you to sign in all instances to make electronic funds transfers from your Operating Account. However, a sample form of one is attached as Exhibit “I” to the Franchise Agreement. You will make the funds available in the Account for withdrawal by electronic transfer no later than the Payment Day. “Accounting Period” is defined as a calendar month. We reserve the right to change the Accounting Period and the interval at which we collect recurring fees payable to us or our affiliates under the Franchise Agreement upon written notice to you. For example, we may collect these recurring fees on a weekly rather than monthly basis.

TOTAL ESTIMATED INITIAL INVESTMENT UNDER THE UNIT FRANCHISE PROGRAM (EXCLUDING REAL ESTATE AND/OR BUILDING PURCHASE COSTS)¹¹	\$298,560	\$532,150			

Explanatory Notes

1. Unless otherwise stated in Items 5 or 6, all payments and fees due us or our affiliates in this Item are non-refundable. Payments to third parties may be refundable if you and the third party agree to allow for a refund.
2. The Franchise Fee is \$38,750 for a Store and is uniform among franchisees. The Franchise Fee is due when you sign the Franchise Agreement and is not refundable. If you sign a Deposit Agreement (See Exhibit “B”) to reserve a geographic area as a potential territory while you and we evaluate whether you will become a franchisee, the Deposit Fee of \$15,000 (non-refundable and due in lump sum when or if you sign the Deposit Agreement) is applied to your Franchise Fee if a franchise is granted to you.
3. The Establishment Fee is paid for your Establishment Package, which includes your Store’s initial inventory of teas, grains, spices, herbs, blends, olive oil, honey, candles, spice and tea accessories, kitchen accessories, operational tools and equipment, marketing materials, real estate support, reference materials, initial training, freight/handling/staging, Manuals, and POS System (the “Establishment Package”). The Establishment Fee will be \$149,900, but we reserve the right to provide a 10% goodwill discount on the Establishment Fee to existing franchisees that are in good standing and meet our then-current criteria. The contents of your Establishment Package for your Store will be designated in an Exhibit to your Franchise Agreement. You are required to pay the Establishment Fee when you sign the Franchise Agreement. The Establishment Fee is due in lump sum and is fully earned and non-refundable upon payment.
4. You are required to expend a minimum of \$3,000 as a Grand Opening Advertising Requirement. You are responsible for planning and conducting one or both of the following options: (i) a “Grand Opening Event” within 90 days (or 120 days, if seasonal) of the Store’s opening for regular business, or (ii) a local or regional advertising and promotional campaign surrounding the Store’s grand opening. This advertising or promotional campaign may utilize various media, advertising, and other promotional materials and formats. We or our approved supplier will provide promotional suggestions and prepared materials to you. All materials, concepts, and promotions proposed by you must be approved by us prior to your initiation or spend on such items. The Grand Opening Event shall be conducted in accordance with our standards and procedures set forth in our Manuals. If you have been transferred the right to operate a franchised business that is already in operation, you must comply with the Grand Opening Advertising Requirement regardless of how long the transferred franchised business has been operational prior to your acquisition.
5. This is the estimated cost to establish an entity and have the franchise documents reviewed. You may incur additional costs for professional services, the costs of which may vary.
6. You will receive certain backroom equipment and the point-of-sale system as part of the Establishment Package. However, you will be responsible for making sure your Store also has a computer, telephones, and other standard business equipment that are specified by us and meet our System Standards. The low end of the range assumes you already have such equipment and the high end of the range assumes that you will need to purchase all of the necessary equipment.

7. A Store will typically be in a stand-alone building, a retail complex, or the like. The size of a Store is estimated to be 1,200 to 1,800 square feet of air-conditioned space. Rental rates vary by local market condition, geographic location, size, site profile, accessibility, and other factors. This estimate is for your rental/security deposits for your lease of the Site.

It is also possible that you might choose to buy, rather than rent, real estate on which a building suitable for a Store already is constructed or could be constructed; however, this offering assumes that you will lease space rather than own real estate and construct a building. Because of the numerous variables that affect the value of a particular piece of real estate, this estimated initial investment table does not reflect the costs of rent or purchasing land and erecting a building.

8. You must obtain and maintain, at your own expense, insurance coverage that meets our minimum requirements. We, and our affiliates, must be named as an additional insured on these policies. Insurance costs vary based on policy limits, types of policies, nature of physical assets, gross revenues, claims history, number of employees, square footage, location, business, contacts and other factors. See Item 8 and the Franchise Agreement for additional information on Insurance.
9. Although there are no additional fees for initial franchisees and up to two (2) additional designees that we approve to attend Spice UniversiTea, you are responsible for all travel, living and compensation expenses that you and your designees incur in connection with attending training.
10. This estimates additional funds you will need during the initial six (6) month start-up period of your Store (the "Initial Investment Period"), which begins on the Agreement date. These expenses include payroll costs. You should have enough cash on hand to operate the Store at all times. These figures are estimates, and we cannot guarantee that you will not have additional or higher expenses and costs in starting the Store. We relied on the experience of our predecessor and affiliate to compile these estimates (See Item 1).

B. Area Development Program

AREA DEVELOPMENT PROGRAM				
Type of Expenditure¹	Amount	Method Of Payment	When Due	To Whom Payment is To Be Made
Area Development Fee ²	\$90,000	Lump Sum	Upon Signing the Development Agreement	Franchisor
INITIAL INVESTMENT FOR THE FIRST STORE	\$259,810 to \$493,400	See Chart 7A above		
TOTAL	\$349,810 to \$583,400			

Explanatory Notes

1. All fees and payments are non-refundable and deemed fully earned upon payment.
2. The Area Development Fee is described in detail in Item 5 of this Disclosure Document. You will not be required to pay an initial Franchise Fee upon signing a Franchise Agreement for each Store developed under an Area Development Agreement. The estimate is based on a Development Agreement for three (3) Stores. The minimum number of franchises you must develop under an Area Development Agreement is three (3).
3. This range represents the total estimated initial investment required to open the first Store under your first Franchise Agreement (see the Single Unit estimated initial investment in the Item 7A chart above for additional details).

**ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

Purchase Restrictions

You must develop and operate your Store according to our system standards (“System Standards”). Our System Standards may regulate all of the purchases or expenditures made by your Store. Our System Standards regulate the Products and Services and, among other things, required, authorized, unauthorized and prohibited fixtures, furnishings, equipment, services, signs, marketing materials, inventory, supplies, and accessories to be used in establishing and operating the Store, as well as the designated or approved suppliers of such items (which may be limited to or include us or our affiliates).

Purchase from Us or our Affiliates

You are required to purchase the Establishment Package from us. You are currently required to purchase from our affiliate TSTE[®] Distribution, all of the Products and Services, supplies, and inventory

(including seasonal inventory) you will use in the operation of your Store. This includes, but is not limited to, teas, grains, spices, herbs, blends, olive oil, honey, candles, spice and tea accessories, kitchen accessories, operational tools and equipment, marketing materials, real estate support, reference materials, initial training, Manuals, and POS System and all other inventory items including the categories of items contained in the Establishment Package. You will order all Products and Services from TSTE® Distribution online. We may designate other required purchases from TSTE® Distribution from time to time. We may also designate other approved suppliers of such products, and require you to purchase them directly from another designated supplier. We, our affiliates, or approved suppliers may derive revenue on the sale of business materials, operating assets, supplies, and inventory that we or they sell to you.

Approved Suppliers

In order to maintain the quality of the goods and services sold by Stores and the reputation of the franchise network, to the extent we designate, you are obligated to purchase or lease fixtures, equipment and supplies, furnishings, installation products, credit card processing services, point-of sale software, an inventory management platform, as well as inventory, supplies and other goods, services or equipment used to operate your Stores and related items that meet our minimum standards and specifications and which are from suppliers we approve. As described above, we or our affiliates may be the only approved supplier for such items. We will notify you in our Manuals or other communications of our standards and specifications with respect to approved suppliers, including situations in which we may revoke approval.

The majority of equipment, inventory, supplies and services you purchase for your Store must be purchased from suppliers we designate or approve and in accordance with our System Standards. We or our affiliates may negotiate contracts with equipment, services, inventory and installation products and services suppliers who serve as exclusive or approved suppliers to Stores. We may require you to purchase from us or our affiliates all of the goods and services we require you to use, and we or our affiliates may purchase such items from others and require you to purchase them from us. We and our affiliates may earn monies on these sales. See “Rebates” below.

Our owner TSTE® Holdings is the owner of TSTE® Distribution and TSTE® Development, both of which serve as designated or approved suppliers to our franchisees. Amy, Penny, Steve, and Jeff, who are listed in Item 2 of this Disclosure Document, own an interest in TSTE® Distribution.

During 2024, neither we, nor our parent received revenues from the sale of products or services to franchised Stores.

During 2024, our affiliate TSTE® Distribution derived \$14,876,302 from franchisee required purchases, and our affiliate TSTE® Development derived \$871,000 from franchisee required purchases.

Changes of Suppliers

You may not, without our written approval, use any suppliers not authorized by us for your Store. If you want to use any item that does not comply with System Standards or is to be purchased from a supplier that has not yet been approved or seek an alternative supplier to be an approved supplier, you must first submit sufficient information, specifications and samples for our determination whether the item complies with System Standards or the supplier meets approved supplier criteria. We have the right to charge you our expenses incurred in making this determination and will, within a reasonable time of your request, notify you of our decision which we make in our sole discretion. We will, from time to

time, establish procedures for submitting requests for approval of items and suppliers and may impose limits on the number of approved items and suppliers.

Our approval or revocation of approval of a supplier may be conditioned on requirements relating to product quality, frequency of delivery, standards of service and concentration of purchases with one or more suppliers in order to obtain better prices and service and may be temporary, pending our further evaluation of the supplier. In any event, decisions regarding approved or designated suppliers are made in our sole discretion. Our criteria for approving suppliers may be treated by us as a trade secret and not shared with our franchisees. In other instances, we may share these criteria with you by placing it in the Manual or communicating it directly to you. We can revoke our approval of a supplier at any time upon immediate notice to you.

Percentage of Purchases

Collectively, the purchases described above in this Item 8 (purchases from us, our affiliates, approved or designated suppliers, or in accordance with our System Standards) are about 90% to 100% of your overall purchases and leases in establishing and operating a Store. This does not include any labor or payroll expenses.

Computer Hardware and Software

We require you to have a Computer System and Printer for the operation of your Store. We may require you to install and utilize computer hardware and software that we may designate for the Computer System. In addition, you will be required to install the TSTE[®] point-of-sale system composed of a personal computer, touch screen monitor, scanner, credit card scanner, thermal printer, UPS, keyboard and mouse designated by us.

Insurance

You must obtain and maintain, at your own expense, such minimum insurance coverage as specified by us in our Manuals or otherwise in writing, and as otherwise required by your landlord and/or governing agencies and meet the other insurance-related obligations in the Franchise Agreement. The insuring companies must have an AM Best Guide rating of A-VII or better and be authorized (or admitted) to do business in the state in which your Store is located. The insurance policies must name you as an insured and certificates must be the same as on the Franchise Agreement. Your insurance policy must name The Spice & Tea Exchange Holdings, LLC, The Spice & Tea Exchange Franchising, LLC, The Spice & Tea Exchange Development, LLC, and The Spice & Tea Exchange Distribution, LLC as additional insureds. Only the franchisee of record should be the named insured. The cost of this coverage will vary depending on the insurance carrier's charges, terms of payment and your history. You must send us copies of all insurance policies, as they expire and/or renew, and each of them must name us and our affiliates, as additional insureds. If the Site is destroyed, you must rebuild it or move to another Site in accordance with your obligations under the Franchise Agreement. The Franchise Agreement does not terminate by virtue of casualty to the Site.

You are responsible for maintaining the minimum insurance requirements set forth below, which may be updated in the Manuals (or otherwise in writing):

1. General liability insurance in the amount of \$1,000,000 per occurrence and \$2,000,000 general aggregate limit;
2. Property damage insurance for the full cost of replacement of your business and business interruption coverage for up to 12 months of projected earnings;
3. Employee practices liability insurance in the amount of \$500,000;
4. Business automobile liability insurance in the amount of \$1,000,000 per accident;
5. Workers' compensation insurance in the amount of \$500,000 for bodily injury for each accident, bodily injury by disease and \$500,000 bodily injury disease aggregate; and
6. Cyber insurance in the amount of \$1,000,000.

We also strongly encourage you to consider other, optional insurance coverage plans, including, but not limited to, the following:

1. Commercial umbrella insurance in the amount of \$2,000,000 per occurrence.

Each franchisee is responsible to evaluate higher exposures and to determine whether additional coverages or higher limits are appropriate. We urge franchisees to consult with their insurance brokers or agents to determine appropriate coverages for them.

Rebates

As of the Issuance Date of this Disclosure Document, neither we, nor our affiliates, have instituted a formal rebate program with approved suppliers to franchised Stores. We do have "Preferred Vendors," but do not, as of the Issuance Date of this Disclosure Document, receive any rebates from our relationships with these vendors, although we reserve the right to receive rebates from these vendors at any time in the future. We or our affiliates may negotiate with suppliers and manufacturers to receive rebates on certain items you must purchase. Our rebate programs may vary depending on the supplier and the nature of the product or service. Not every supplier will pay rebates to us. Certain suppliers and manufacturers may pay us a rebate based on the amount of products ordered that may vary. We may require you to enter into agreements with approved or designated suppliers or distributors. We reserve the right to use such rebate monies or remuneration in any way we choose. Also, our affiliates earn profits on the sale of goods and services to us, and to you. Our or our affiliates' obtaining rebate monies or remuneration from suppliers compensates us or our affiliates for their efforts to establish and maintain relationships with suppliers and distributors. We may seek to establish supply relationships based on lowest, lower price, or other considerations, such as strategic marketing, strength of supplier, competitive pressures, and the like, all of which may influence our decisions to use and negotiate with those suppliers.

In our most recent fiscal year ending December 31, 2024, we and our affiliates did not receive any rebates on purchases by Stores from approved or designated suppliers, other than purchases from us or our affiliates.

Purchasing or Distribution Cooperatives

There are currently no purchasing or distribution cooperatives. We may negotiate purchase arrangements with suppliers (including price items), for the benefit of the franchise systems.

Miscellaneous

We do not provide material benefits to you (for example renewing or granting additional franchises) based on your purchase of particular products or services or use of particular suppliers. However, if you do not use Approved Suppliers or follow our System Standards, we may terminate the Franchise Agreement. If we have the right to terminate any Franchise Agreement, we can terminate any Development Agreement that you enter into with us.

FINANCING**

We do not offer direct or indirect financing. We will not guarantee your note, lease, or other obligations.

**ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING**

Except as listed below, we are not required to provide you with any assistance.

I. Unit Franchise Program

A. Pre-Opening Obligations: Before you open your Store, we will:

1. If you have entered into a Development Agreement for the right to operate multiple Stores, we will designate your Development Area where you will have the right to secure a Site (which we must approve) for each of your Stores. (Development Agreement – Section 1);

2. If, before signing the Franchise Agreement, you have not proposed a Site for your Store that we have approved, we have the option to provide you with assistance in selecting a Site. We, however, do not select your Site. Within ninety (90) days of signing the Franchise Agreement, you (with or without our assistance) must locate a Site for your Store that meets our approval criteria. The Site must meet our criteria for demographic characteristics, traffic patterns, parking, character of neighborhood, competition from and proximity to other stores and other Stores, the nature of other stores in proximity to the site and the size, appearance, and other physical and commercial characteristics of the proposed Site. We will approve or disapprove a Site you propose for a Store within thirty (30) days after we receive from you all of the materials we request concerning the proposed site. If we cannot mutually agree on a Site, we, alone,

in our sole discretion, have the option to terminate the Franchise Agreement. (Franchise Agreement – Section 4.1).

3. Whether you lease the Site from a third party or purchase the Site, we first must approve either the lease, financing and/or purchase documents that you will sign, as applicable. We require that they contain certain provisions designed to generally protect our rights under the Franchise Agreement, our ability to possess the Site if you violate any of your obligations to us and/or when the franchise agreement expires, and your right to occupy the Site and operate the Business without interference by lenders and mortgage holders. If the landlord refuses to sign a collateral assignment of the lease or if the landlord refuses to include our designated lease rider language giving us (or our designee) the right to take possession of the premises and an assignment of the lease in the event of a default under or termination of the Franchise Agreement, then we have the right to reject approval of the Site. You are responsible for all lease and/or other obligations prior to our taking possession of the Site. You are required to provide us with a fully executed copy of your lease and renewals as they occur. (Franchise Agreement – Section 4.3).

4. We, our affiliates, or our designees will sell and deliver to you the items in your Establishment Package. The Establishment Package will contain your initial inventory of teas, grains, spices, herbs, blends, olive oil, related accessories, and certain store equipment and reference materials. The products and/or quantities may vary based on pricing, discontinuance, cancellation, replacement, vendor supply, or other reasons. (Franchise Agreement – Section 5.3, Exhibit A).

5. Identify any other fixtures, equipment (including telephones, and computer hardware and software), music (including a digital music subscription), and any miscellaneous office supplies, equipment or materials necessary for your Store to begin operations, and the minimum standards and specifications that must be satisfied and the suppliers from whom these items may be purchased or leased (including us and/or our affiliates). We provide this information in writing and through verbal instruction in Training. (Franchise Agreement – Section 5.5).

6. Provide you online access to the Manual by providing you with a login code. You can purchase a hard-copy of the Manual by paying us our current costs for producing the hard copy of the Manual. (Franchise Agreement – Section 11.1).

7. Provide to you the Training described in detail later in this Item. (Franchise Agreement – Section 7).

B. Time To Open

We estimate that there will be an interval of approximately two (2) to six (6) months between the signing of the Franchise Agreement and the opening of Store, but the interval may vary based upon such factors as the location and condition of the Site, the extent to which an existing location must be upgraded or remodeled, the delivery schedule for equipment and supplies, delays in securing financing arrangements, completing training, and your compliance with local laws and regulations. You must open the Store for business within one-hundred eighty days (180) of the date of execution of this Agreement. (Franchise Agreement – Section 5.1).

You may not open Store for business until: (1) we approve the Store as developed, built-out and decorated according to our specifications and standards; (2) training has been completed to our

satisfaction; (3) the Franchise Fee and all other amounts then due to us have been paid; (4) you have demonstrated that the conditions of the Franchise Agreement regarding your Principal Owner have been met; (5) we have been furnished with copies of all required insurance policies, or such other evidence of insurance coverage and payment of premiums as we request; and (6) we have approved and received signed counterparts of all required documents pertaining to your acquisition of the Site. We may terminate the Franchise Agreement if you fail to open in the time required. We may grant you extensions if your delay is due to your engaging in efforts to comply with laws and regulations.

C. Post-Opening Obligations: During your operation of the Store, we will:

1. Advise you from time to time, as necessary in our sole discretion, regarding the operation of your Store based on reports you submit or inspections we make. In addition, we will provide guidance to you on: standards, specifications, operating procedures and methods; purchasing required equipment, inventory, materials and supplies; inventory sales; use of suppliers, approved products, employee training; and administrative, bookkeeping and accounting procedures. Our guidance may also include our designating the Products and Services you may offer to your customers. This guidance will, at our discretion, be furnished in our Manual, bulletins, or other written materials and/or during telephone consultations and/or consultations at the Store or elsewhere. (Franchise Agreement – Section 7.5).

2. Establish our bookkeeping and accounting policies via our System Standards. (Franchise Agreement – Sections 11 and 13).

3. Provide you with a log in code to access the Manual, consisting of such materials (which may include, videos, digital media, computer software and written materials) that we generally furnish to franchisees for use in operating a Store. The Manual contains mandatory and suggested specifications, standards, operating procedures, and rules that we prescribe from time to time for operation of the Store and information relating to your other obligations under the Franchise Agreement and related agreements. The most recent on-line (or electronic format) version of the Manual will control any disputes involving the Manual. The Manual may be modified, updated, and revised periodically to reflect changes in System Standards. You are responsible for routinely monitoring the on-line version (or electronic format) of the Manual for changes to it. (Franchise Agreement – Section 11.1).

4. Issue, modify and supplement System Standards as we deem necessary in our sole discretion. We may suggest minimum or maximum prices to the extent permitted by law. We may periodically modify System Standards, which may accommodate regional or local variations as we determine or to comply with applicable laws, rules and regulations, and these modifications may obligate you to invest additional capital in the Store and/or incur higher operating costs. However, these modifications will not alter your fundamental status and rights under the Agreement. (Franchise Agreement – Section 11.3).

5. We or our affiliates will provide and be responsible for the hosting and maintenance of the official The Spice & Tea Exchange[®] Internet website (“Official Website”). Your Store will be listed on the Official Website, but you cannot host or operate a separate website for your Store or offer or sell any Products or Services via e-commerce. Any and all sales or revenue derived from the sales of Products and Services from the Official Website, or any other website, will belong to us or our affiliates. Notwithstanding the foregoing, you shall receive a 20% sales commission, less applicable taxes and shipping costs, (the “Internet Commission”) in the form of a product credit if a customer registers an email address in our loyalty program using your point-of-sale system in your Store. You will also receive the

Internet Commission on all future purchases using that email address from the Official Website. Even when you receive a commission, you will not receive a commission on any sales made prior to the customer email address being registered to your Store and a customer email address can only be registered to one Store, so the highest commission ever paid on a sale will be 20%.

Any commission owed to you will be paid to you in the form of a product credit quarterly on the fifteenth (15th) business day following the previous quarter (or other period designated by us). You will not be required to pay a Royalty in connection with any Internet Commission that you earn. If you owe us or our affiliates any fees, the commission may be withheld and applied to the fees owed to us or our affiliates. If you transfer your Franchise Agreement, any commission or product credit owed is forfeited upon transfer of the Franchise Agreement. You will only receive Internet Commission if you are in compliance with your reporting requirements set forth in the Franchise Agreement. (Franchise Agreement – Section 12.10).

6. As may be permitted by law and as necessary in our sole discretion, inspect and observe, photograph and videotape the operations of Stores, remove samples of any products, materials or supplies for testing and analysis, interview Store customers and personnel, and inspect and copy any books, records and documents relating to the operation of the Store from time to time to assist you in complying with the Franchise Agreement and all System Standards. (Franchise Agreement – Section 14.1).

7. Establish, maintain and administer a system-wide fund (the “**System Development Fund**”). You are obligated to contribute to the System Development Fund such amounts that we prescribe from time to time. The System Development Fee is currently 1% of Gross Sales but may be increased to up to 3% of Gross Sales. (Franchise Agreement – Sections 12.1 to 12.4).

8. Provide ongoing training, as we deem necessary in our sole discretion, as described later in this Item, which will assist you in training your employees. However, we do not assist you in your employment practices. (Franchise Agreement – Section 7).

D. Advertising

System Development Fund

You are required to pay to the System Development Fund a System Development Fee that is currently 1% of Gross Sales. The System Development Fee may be increased to up to 3% of Gross Sales. Franchisees’ System Development Fees may not be uniform. We will direct all programs financed by the System Development Fund, with sole discretion over the creative concepts, materials and endorsements used and the geographic, market and media placement and allocation of the programs. The System Development Fund may be used to pay the costs of preparing audio and written advertising and marketing materials; developing and servicing corporate accounts; engaging in research and development; administering regional and multi-regional advertising programs; purchasing e-commerce rights, products or services, direct mail and other media advertising; maintaining or paying third parties to maintain on-line ordering and fulfillment systems, the Business Management System and the like; supporting public relations and market research; establishing, developing, maintaining, modifying, servicing or hosting Websites or other e-commerce programs, and other advertising, promotion and marketing activities. The System Development Fund may, at our option, use an in-house advertising department or any local, national or regional advertising agency we choose. The System Development Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at its cost. (Franchise Agreement – Sections 12.1 to 12.4).

The System Development Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the System Development Fund and its programs, including, without limitation, conducting market research, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the System Development Fund. We may spend, on behalf of the System Development Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Stores to the System Development Fund in that year, and the System Development Fund may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the System Development Fund will be used to pay advertising costs before other assets of the System Development Fund are expended. We will prepare an annual statement of monies collected and costs incurred by the System Development Fund, but the statements are not available for review by franchisees. We may prepare a periodic statement of monies collected and costs incurred by the System Development Fund and furnish the statement to you upon written request. The System Development Fund is not audited. We have the right to cause the System Development Fund to be incorporated or operated through a separate entity at such time as it deems appropriate, and the successor entity will have all the rights and duties described in the Franchise Agreement. (Franchise Agreement – Section 12.3).

The System Development Fund is intended to maximize recognition of the Marks and patronage of System Stores. Although we will endeavor to utilize the System Development Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all Stores, we undertake no obligation to ensure that expenditures by the System Development Fund are proportionate or equivalent to the contributions to the System Development Fund by Stores operating in a certain geographic area or that any Store will benefit directly or in proportion to its contribution; we are not required to spend any amount on advertising in a particular franchisee’s territory or area. We assume no other direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing, or administering, the System Development Fund. (Franchise Agreement – Section 12.4).

Franchisee contributions to the System Development Fund (“System Development Fees”) will generally be on a uniform basis, but we reserve the right to defer or reduce contributions and, upon 30 days’ prior written notice to you, to reduce or suspend contributions to and operations of the System Development Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the System Development Fund. If the System Development Fund is terminated, all unspent monies on the date of termination will be distributed to franchisees in proportion to their respective contributions to the System Development Fund during the preceding 12-month period. We and our affiliates will contribute to the System Development Fund (i.e., pay System Development Fees) on the same basis as franchise owners for any Franchisor or Affiliate owned and operated Stores. (Franchise Agreement – Section 12).

We do not use System Development Fees to solicit new franchise sales. For the fiscal year ending December 31, 2024, we spent System Development Fees approximately as follows: 35% on e-commerce products and improvements to the on-line ordering and fulfillment systems; 25% on production and development of content/creative and the brand’s website; 5% on online media placement; and 35% on general and administrative expenses.

Grand Opening Advertising Requirement

You are required to spend a minimum of \$3,000 as a Grand Opening Advertising Requirement. You are responsible for planning and conducting one or both of the following options: (i) a “Grand

Opening Event” within 90 days (or 120 days, if seasonal) of the Store’s opening for regular business, or (ii) a local or regional advertising and promotional campaign surrounding the Store’s grand opening. This advertising or promotional campaign may utilize various media, advertising, and other promotional materials and formats. We or our approved supplier will provide promotional suggestions and prepared materials to you. All materials, concepts, and promotions proposed by you must be approved by us prior to your initiation or spend on such items. (Franchise Agreement – Section 12.6). The Grand Opening Advertising Requirement also applies to any franchised business that has been transferred to a new franchisee regardless of the time the franchised business has been open and in operation prior to the transfer.

Your Local Advertising

You must spend 1% of your average Gross Sales per month on local advertising as we prescribe in the Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number and/or type(s) of media advertisements. You acknowledge and agree that your local advertising obligation must be expended regardless of the amount(s) spent by other System franchisees on local advertising. (Franchise Agreement- Section 12.8). You are permitted to use your own advertising materials, so long as you have submitted them to us for approval at least fifteen (15) days before your use. We must then approve the advertising materials in writing. If we do not approve or disapprove your materials within ten (10) days of receipt by us, these materials will be deemed to be rejected. We may require you to furnish an advertising/marketing report quarterly detailing your advertising/marketing expenditures. This will be due in tandem with quarterly collection of financial statements. Any income statement shall provide a line-item detail for advertising/marketing. Our Operations Manual sets forth all items that qualify as advertising/marketing. (Franchise Agreement – Section 12.8).

All advertising, promotion and marketing must be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time to time. Samples of all advertising, promotional and marketing materials that we have not prepared or previously approved must be submitted for approval before you use them. You may not use any advertising or promotional materials that we have disapproved. We will allow for salaries that you pay to social media managers to count towards your Local Advertising Requirement. (Franchise Agreement- 12.5 and 12.8).

Local Advertising Cooperative

If a local advertising cooperative is established, you will be required to contribute to it an amount determined by that local advertising cooperative up to 2% of your Gross Sales per Calendar Year. All franchisees, as well as Stores we or our affiliates operate, will be required to contribute to the fund at the same rate. We expect that if a cooperative is formed, there may be written governing documents to review, it will provide annual or periodic statements for review, and will likely be operated by the cooperative or a hired advertising agency. We will likely have the right to require the cooperative to be formed, changed, dissolved or merged. We will permit you access to the payment and expenditure records of any cooperative to which you contribute. We do not have a defined area for the cooperatives. We reserve the right to designate or approve how its area or membership is determined. We can designate or approve who is responsible for administrating the cooperative. We can require that it be operated via written governing documents. They may vary based on industry standards for the media selected. (Franchise Agreement – Section 12.7). Since no local advertising cooperatives have been established, we currently do not have any policies regarding: (i) how members of the cooperative are selected; or (ii) whether the cooperative serves in an advisory capacity or has decision-making power.

Advertising Councils

We currently have a franchise advisory council (“FAC”) consisting of franchisees that advises us on advertising policies, product development systems, operations and other matters. Members of the FAC must self-nominate by submitting a nomination form and are elected by the other franchisees. The FAC serves in an advisory capacity only. We do not have the right to unilaterally change, or dissolve the FAC, although we do have a representative on the FAC.

E. Computer Systems and POS System

You must buy and install, if you do not already have, the computer hardware, software, printers, and communications equipment and services we designate or approve (collectively the “**Computer System**”). You will have sole responsibility for the acquisition, operation, maintenance, and upgrading of the Computer System. Our Computer System includes a point-of-sale (POS) system and inventory management platform and you must use the Computer System for on-line reporting of sales, ordering supplies, keeping customer information, and reporting other information to us as required under the Franchise Agreement. All data collected in the Computer System is owned by us (Franchise Agreement – Section 11.7).

Our current hardware and software requirements for the Computer System include the following specific or comparable equipment: (1) a 3.00 GHZ or faster Intel I5, tenth generation or higher (or equivalent) with a minimum of 16 GB of RAM, a solid state drive with capacity of 256 GB or greater, a wireless (Wi-Fi) enabled and 10/100/1000 network card interface, multiple USB ports, the Windows 11 Pro operating system only (Windows 11 Pro S and N versions are not sufficient), Adobe Acrobat Reader (latest version), and the most recent Microsoft Office Suite; (2) a 15-inch monitor with 1920 x 1080 or greater resolution; and (3) a color printer (an all-in-one printer recommended – print, copy, fax). The Computer System must contain and you must be reasonably proficient with such computer software programs that we designate for use from time to time, spreadsheet, financial, word processing, communications, and web browser. You must obtain and install a high-speed Internet connection (through cable modem or fiber with at least 100 mbps of download speed) to your Computer System at the site. You must also install a telephone system with a separate business line. We also currently recommend that you obtain and install QuickBooks Pro®, though this currently is not a requirement if it can be shown that you prefer a viable alternative. If you do not already have a computer system that satisfies these requirements, we estimate that the Computer System will cost between \$1,500 and \$2,500. You will also incur fees for the telephone lines and high-speed Internet connection. You are also required to install and use our designated POS system and a label printer, both of which are included in the Establishment Package and which you must use in accordance with our System Standards. If you would like to have a second POS system in your Store, which is optional, then we recommend that you use an iPad or a Microsoft Surface that is compatible with the POS system software. Even if you do not wish to use a second POS system, it is recommended that each Store maintain a second device (such as an iPad or Microsoft Surface) with a mobile service plan for business continuity purposes.

We do not have any obligation to provide ongoing maintenance, repairs, technical support, upgrades or updates to the Computer System, POS hardware or label printer, though we currently provide support services as part of our Subscription, Support and Inventory Management Fee. Nor do we have any obligation to reimburse you for any Computer System or POS system costs. You must maintain your Computer System and POS system in full operational capacity, including installing patches and upgrades to the operating system and core applications. You must update or upgrade the Computer System and

POS system as we require at any time during the term of the franchise. We estimate that the cost of optional or required maintenance, updating, upgrading or support contract will be between \$38 and \$2,500 per year. While we provide an estimate of the annual cost of any maintenance, updating, upgrading, or support contracts, there is no contractual limit on the frequency or cost of your obligation to upgrade or update the Computer System or POS system. We have the right to independently access all information you collect, compile, store or generate at any time without first notifying you, and you must give us password access to your Computer System and POS system to enable us to obtain such data or you may be required to install special software on the system designed to upload financial data from your system to our central server. There are no contractual limitations on our right to access or retrieve any information contained and/or utilized by your Computer System or POS system. (Franchise Agreement- Section 11.7). You will be billed at the current Subscription, Support and Inventory Management Fee of \$300 - \$800 a month for certain technology support systems, including, but not limited to, those related to the POS system and inventory management platform. The high end of this range assumes that you are using a second POS system in your Store, which is optional. This fee also covers online software support from the POS system supplier and the TSTE[®] support organization. This amount may be raised over time as our technology requirements evolve.

F. Table of Contents of Manual

The table of contents of our Manual as of the date of this Disclosure Document is attached as Exhibit “E”. There are a total of approximately 464 pages in our Manual.

G. Training

We will provide our initial training program (the “Initial Training”), prior to the opening of your Store. This training will include both classroom training (“Spice UniversiTea”) that will take place at a location we designate or through virtual training sessions for you and up to two (2) additional designees that we approve. Spice UniversiTea will consist of between approximately 32 and 42 hours and will cover topics such as business systems, inventory management, marketing, product knowledge, guest service standards, and other various topics relevant to current business operations. These hours are included in the chart below. You must complete the Initial Training Program within 180 days of the date you execute the Franchise Agreement. You and those you designate to attend classroom training, if applicable, must complete Initial Training to our satisfaction and pass the TSTE[®] Training Quiz before you open for business. If you do not open your Franchised Business within twelve (12) months of completing Spice UniversiTea to our satisfaction, we may require you to re-attend Spice UniversiTea prior to opening, in which event you will be required to pay to us our then-current Spice UniversiTea Attendance Fee for each person attending.

You also must participate in all other activities required to operate the Store. Although there are no additional fees for the classroom training, you are responsible for all travel, living and compensation expenses which you and your designees incur in connection with training. We are constantly in the process of evaluating and improving our training programs, so the topics covered and total allotted time may change at any time in our discretion. You may be required to pay us any expenses we incur in connection with providing you training and you are responsible for any expenses you incur. (Franchise Agreement – Section 7).

In addition to the Spice UniversiTea classroom training, included within the Establishment Fee, is the cost for us to provide you with on-site training (“On-Site Training”) from one or more members of our corporate team who will make up an “Opening Team” that will provide between 71 and 110 on-

the-job man hours to assist you with the opening of your Store. However, we may require more or fewer hours of on-the-job training, as we deem necessary. You are responsible for the costs and expenses of any required man hours over 110. The topics covered and the time allotted for On-Site Training are also covered in the chart below. Training days may be up to 12 hours in length. The “hours of classroom” or “on the job” training may overlap and the subjects are not distinctly separated during training. (Franchise Agreement – Section 7.1).

We provide to you a copy of the following training materials: (1) the “Manual”; (2) the “Recipe Manual”; and (3) at least three (3) “Industry Reference Books” or “Spice & Tea Reference Books.” In addition to successfully completing training, you will be required to spend at least ten (10) hours reviewing these training materials outside of the training listed in the chart below.

Explanatory Notes to Training Chart

1. The Initial Training program is conducted and/or supervised by the TSTE Franchise Enablement Team in partnership with TSTE Operations Team. The Franchise Enablement Team has between 2 and 36 years of experience with us and in the industry. Training may also be conducted and supervised by other TSTE subject matter experts as

we deem necessary (or business needs continue to evolve). Initial Training includes but is not limited to Spice UniversiTea attendance and virtual training sessions.

2. Some states and municipalities also may require separate training before permitting the business to open. You must check and comply with your state and local laws applicable to your Store.
3. When the Initial Training Program is onsite, you must provide an alternative training facility if we feel that work being performed at the Site or other distractions prevent us from satisfactorily performing the training on premises.
4. You and/or your manager(s) must attend any periodic training courses that we provide from time to time and pay the applicable fees.
5. If you are a transferee franchisee that is training to operate an existing Store, we reserve the right to provide you with a modified version of the Initial Training program, as we determine appropriate in our sole discretion. While the training transfer fee cover the cost of you and two approved designees for Initial Training, we may customize training timeframes as we determine, subject to the familiarity of the transferee with our System.

II. **Area Development Program**

Our obligations regarding site selection assistance, training, computer hardware and software selections, and advertising for additional Stores developed under a Development Agreement will be governed by the form of single-unit franchise agreement you sign for each additional Store. We will approve sites for additional Franchised Businesses developed under your Development Agreement using our then-current site selection criteria.

ITEM 12 TERRITORY

Unit Franchise Program

The franchise is granted for a specific location that first must be approved by us (the “Site”). The Site will be located in a Protected Area within a Market Area. The minimum Protected Area granted will be a one (1) mile radius from the center of the Site. However, in urban areas we reserve the right to designate a smaller radius or a different means of measuring the Protected Area. As long as you are in compliance with the Franchise Agreement, we will not grant a franchise for, nor ourselves operate, a Store from a fixed location within your Protected Area. You may not actively advertise, market, promote, solicit, or accept orders from consumers outside of your Protected Area without our prior written approval. You may not use alternative channels of distribution (such as the Internet, catalog sales, or telemarketing) without our prior written approval. You do not have this type of territorial protection within your Market Area. Other than your right to operate a Store at its address within the Protected Area, we do not grant you any territorial rights whatsoever. Generally, the Market Area and Protected Area will be geographic areas that we designate. Our System Standards generally confine your marketing activities to within your Market Area. We do not have an established geographical formula for defining the Market Areas or Protected Areas. While we may use demographic and market analysis services to assist us, we base it on our sole judgment.

Factors that influence our grant of Market Areas and Protected Areas include the proximity of the Site to the malls, shopping centers, business centers, industrial parks, airports, traffic count, speed of traffic, access to the Site, population, drive times, and competition in the Market Areas and Protected Areas, etc.

We may establish other Stores (franchised or owned by us) anywhere outside of the Protected Area (and inside or outside the Market Area) that may or may not compete with your location. We may utilize any type of Internet, Intranet, e-mail, site or website or other means of electronic communication to offer or sell anywhere (even within your Market Area or Protected Area), products and services bearing the Marks or Copyrights without any compensation to you.

We retain the right (in our sole discretion) to sell products identified by the Marks and Copyrights through distribution channels other than Stores (internet, intranet, catalog sales, websites, e-mail or other forms of e-commerce) (“Alternative Channels of Distribution”). You will not receive compensation for sales through Alternative Channels of Distribution unless we later establish a compensation program for doing so under our System Standards. We also reserve the right (in our sole discretion) on behalf of ourselves and our affiliates to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales anywhere (even within your Market Area or Protected Area) under trademarks different from the ones you will use under the Franchise Agreement.

Continuing your Franchise or territorial rights does not depend on your achieving certain sales value, market penetration or other contingency (except, of course, your compliance with the Franchise Agreement). There are no circumstances that allow us to modify your territorial rights to the Protected Area during the initial term of your Franchise Agreement. However, in a renewal (successor Franchisee) or transfer situation, we may require you or the transferee to accept a different Protected Area or Market Area based on our then current policies.

In light of the fact that we may implement the Kiosk Program (described below) in your Protected Area, the following disclosure applies:

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Kiosk Sites

We may also offer Kiosk Sites at Kiosk locations. “Kiosk Locations” include, but are not limited to: (1) places where large numbers of individuals congregate for various reasons, often due to transit, such as airports, cruise ship terminals and the like, or for shopping purposes such as indoor and outdoor malls and the like; and (2) in locations we believe will not directly compete with a Store. If we determine that we want to develop and operate or grant the rights to an affiliate or other third party to develop and operate a kiosk or other limited services facility offering or taking orders for the Products and Services (collectively, a “Kiosk Site”) at a Kiosk Location within your Market Area or Protected Area, we will first notify you of such intent and may, but are not obligated to, provide you an option to enter into an addendum to the Franchise Agreement with us for the operation of such Kiosk Site. Kiosk Sites are only offered to current franchisees that are in compliance with all of their agreements. If we decide to offer you the option, in order to exercise the option to obtain the right to operate the Kiosk Site you must, within thirty (30) days of the date we notify you of the option to establish a Kiosk Site, comply with all of the following:

(a) enter into our then current form of addendum to the Franchise Agreement for the Kiosk, which may contain terms and conditions different from the form of Franchise Agreement that we offer to Stores that are not designated as Kiosk Sites;

(b) pay to us our then current initial fees for the Kiosk Site;

(c) qualify under our then current Standards and Specifications for Kiosk Site franchise owners as meeting our qualifications to operate Kiosk Sites, which qualifications may differ from those of Store franchise owners who operate non-Kiosk Site Stores; and

(d) be in full compliance with the Franchise Agreement and all other agreements between you and us, and our affiliates.

Area Development Program

Unless you enter into a Development Agreement, you do not have any options, rights of first refusal or similar rights to acquire additional franchises.

Your Development Area will not be exclusive in that we will have the right to operate (directly or through an affiliate) or grant a franchise for the operation of any Store to be located within the Development Area, provided that these Stores are not within any Protected Area granted to you pursuant to any Franchise Agreement into which you have entered with us, as required by the Development Agreement. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

The Development Area will generally consist of a geographic area that we believe has common advertising, media or demographic characteristics. We do not have any minimum size development area. The Development Area will be described in the Development Agreement prior to its signing. We will approve sites for additional Franchised Businesses developed under your Development Agreement using our then-current site selection criteria.

Development Obligations: If you do not meet your development obligations as shown in the Development Schedule, you will be in default under the Development Agreement. If you default under the Development Agreement we may, in our sole discretion, take one of four actions: (1) grant you an extension for such time period and for a nonrefundable Extension Fee equal to the Franchise Fees for the number of Stores required to be constructed that are behind the Development Schedule; (2) eliminate the exclusive development rights; (3) reduce the Development Area and the Development Schedule to a size and magnitude that we reasonably believe you are capable of operating; or (4) terminate the Development Agreement.

Reserved Rights

In addition to the specific rights described in connection with the Franchise Agreement and Development Agreement, we (and our affiliates) retain the right in our sole discretion to:

- A. Open and operate, and license third parties the right to open or operate, Stores utilizing the Proprietary Marks anywhere outside the Protected Area and inside or outside the Market

Area, on such terms and conditions as we deem appropriate (even immediately outside the border of the Protected Area);

- B. Open and operate businesses, and license third parties the right to open or operate businesses, whether inside or outside the Market Area and Protected Area, specializing in the sale of products or services, other than a Competitive Business, using certain of the Proprietary Marks or Copyrights and pursuant to such terms and conditions as we deem appropriate;
- C. Open and operate businesses, and license third parties the right to open or operate, whether inside or outside the Protected Area and Market Area, that do not use the Proprietary Marks or Copyrights;
- D. Market and sell, inside and outside of the Market Area and Protected Area and through Alternative Channels of Distribution (such as Kiosk Sites, mail order, Internet or Intranet website) goods and services competitive with goods and services offered by Stores under the Proprietary Marks or under trade names, service marks, or trademarks other than Proprietary Marks, without any compensation to you except as disclosed in this Agreement, and in such amounts in such manner as we determine in our sole discretion; and
- E. Engage in any act or exercise any right not expressly and exclusively provided to you under your agreement with us.

We are not required to pay you if we exercise any of the rights described above inside of your Market Area, Protected Area or Development Area. We do not restrict you from soliciting or accepting orders from persons outside of your Market Area for on-premises sales at your Store. But, we do confine your marketing to within your Market Area. You do not have the right to use Alternative Channels of Distribution to make sales where the products or services are provided at locations other than your Site.

Relocation

You may not relocate your Store without our previous written approval. We will grant approval if you meet all of our transfer conditions listed in the Franchise Agreement, including but not limited to paying a “Site Relocation Fee” of Seven Thousand Five Hundred Dollars (\$7,500). If the lease expires or terminates without expiration or termination being your fault, if the Site is destroyed, condemned or otherwise rendered unusable as a Store in accordance with this Agreement, or if, in our sole judgment, there is a change in character of the location of the Site sufficiently detrimental to its business potential to warrant your Store’s relocation, we will permit you to relocate the Store to another location within the Market Area provided that you comply with all of our System Standards for a Site relocation and such relocation Site meets our then current Site criteria for relocation Sites. We may, if we wish, inspect your proposed new location. If you obtain approval of the replacement Site and lease in accordance with our then current Site approval process, you must reopen the Store at the replacement Site as soon as practicable, but in no event more than thirty (30) days after the closing of the original Site.

In the event the replacement Site is not opened within thirty (30) days after the closing of the original Site, upon the expiration of this thirty (30) day period, your obligation to pay the system subscription and support fees to us will resume, along with the minimum Royalty Fees (unless we designate otherwise in writing).

Other Franchises

We and our affiliates do not operate and have not operated or franchised, and do not currently plan to operate or franchise other stores selling or leasing similar products or services under different trademarks.

ITEM 13 TRADEMARKS

We grant you the right to use certain trademarks, service marks and other commercial symbols in operating a Store. The primary trademarks we use are the “THE SPICE & TEA EXCHANGE” (wordmark and design mark) and other names, logos, symbols, and associated designs and trade dress (the “Proprietary Marks”). You may use and we require you to use the Marks in operating your Store.

TSTE® Holdings licenses to us the right to license to franchisees the trademarks, service marks, copyrights and System used to operate Stores. TSTE® Holdings has a registration and has otherwise filed all required affidavits for the following Proprietary Marks on the Principal Register of the United States Patent and Trademark Office (the “USPTO”):

FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under certain circumstances.

HISTORICAL FINANCIAL PERFORMANCE REPRESENTATION

This Item sets forth certain historical data submitted by our franchisees. Written substantiation for the financial performance representations will be made available to the prospective franchisee upon reasonable request.

Section I – All Comparable Units

The information below sets forth historical data collected from our franchisees and the single company-owned unit. The single criteria for inclusion was that the store be in operation for the full calendar under continuous ownership during the year reported. This resulted in 8 of a total 94 units excluded from 2024 data, 9 of a total 90 units being excluded from 2023 data, and 12 of a total 87 units being excluded from 2022 data.

Gross Sales are defined as total retail sales per unit less returns or discounts. Gross Margin is defined as Gross Sales less cost of goods. Cost of Goods is defined as the cost of items acquired for resale including inbound shipping costs.

Section II – Multi-Unit Owned Stores

The information below sets forth historical data collected from our franchisees. The two criteria for inclusion were that the store be in continuous operation for the full calendar year reported and that the owner of any included store owns a minimum of 2 units during each year reported. This criterion ensures that each data set is represented by active multi-unit owner units in each chart outlined below. This resulted in 59 of a total 94 units excluded from 2024 data, 63 of a total 90 units being excluded from 2023 data represented below, and 65 of a total 87 units excluded from 2022 data.

Gross Sales are defined as total retail sales per unit less returns or discounts. Gross Margin is defined as Gross Sales less cost of goods. Cost of Goods is defined as the cost of items acquired for resale including inbound shipping costs.

Independent Auditors' Report

To the Member of
The Spice & Tea Exchange Franchising, LLC

Report on the Audits of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Spice & Tea Exchange Franchising, LLC which comprise the balance sheets as of December 31, 2024, 2023 and 2022, and the related statements of operations and changes in member's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Spice & Tea Exchange Franchising, LLC as of December 31, 2024, 2023 and 2022, and the results of its operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going-concern for one year following the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information, except for the portion marked “unaudited”, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THE SPICE & TEA EXCHANGE FRANCHISING, LLC

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024, 2023 AND 2022

1. ORGANIZATION AND BUSINESS ACTIVITY

The Spice & Tea Exchange Franchising, LLC (“The Company”) is organized as a Limited Liability Company, formed in 2008 in the State of Florida. The Company’s primary business is the sale of Spice & Tea Exchange franchises and the providing of start-up and support services to its franchisees. The Company uses the accrual basis of accounting for financial reporting and a hybrid income tax basis method for income tax reporting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies have been followed in the preparation of the financial statements:

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company considers all short-term investments with an original maturity of three months or less to be cash equivalents. At December 31, 2024, 2023 and 2022, there were no cash equivalents.

Accounts Receivable

Accounts receivable for royalties, system development fees, and renewal fees are recorded at the amounts the Company expects to collect on balances outstanding at the end of the year. Management closely monitors balances and provides for estimates of uncollectible balances in an allowance for doubtful accounts.

Revenue Recognition

The Company’s revenues consist of royalties and system development fees based on a percent of sales, initial franchise fees, renewal fees and technology fees.

ASC 606 provides that revenues are to be recognized when control of promised goods or services are transferred to a customer in an amount that reflects the consideration expected to be received for those goods or services. The standard does not change the recognition of royalties and system development fees from facilities operated by franchisees, which are based on a percent of sales and recognized at the time the underlying sales occur. The standard does change the timing in which the Company recognizes initial franchise fees and renewal fees from franchisees for new facility openings and new franchise terms. The Company’s accounting policy through December 31, 2018 was to recognize initial franchise fees upon a new facility opening and renewal fees upon payment. The Company adopted ASC 606 as of January 1, 2019, using the modified retrospective method. At such time, initial franchise fees and renewal fees have been recognized as the Company satisfies the performance obligation, either as the obligation is performed, or over the franchise or renewal term, which are generally 10 years.

Income Taxes

No provisions for income taxes (or benefits) are provided for in the Company's accounts, since income taxes are the member's responsibility.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. If we determine that we want to develop and operate or grant the rights to an affiliate or other third party to develop and operate a kiosk or other limited services facility offering or taking orders for the Products and Services (collectively, a “**Kiosk Site**”) at a Kiosk Location within your Market Area or Protected Area, we will first notify you of such intent and may, but are not obligated to, provide you an option to enter into an addendum to the Franchise Agreement with us for the operation of such Kiosk Site. If we decide to offer you the option, in order to exercise the option to obtain the right to operate the Kiosk Site you must, within thirty (30) days of the date we notify you of the option to establish a Kiosk Site, comply with all of the following:

(a) enter into our then current form of addendum to the Franchise Agreement for the Kiosk (the “**Kiosk Addendum**”), which may contain terms and conditions different from the form of Franchise Agreement that we offer to Stores that are not designated as Kiosk Sites (a sample copy of the Kiosk Addendum, which is subject to modification at any time, is attached to this Agreement as Exhibit J);

(b) pay to us our then current initial fees for the Kiosk Site;

(c) qualify under our then current Standards and Specifications for Kiosk Site franchise owners as meeting our qualifications to operate Kiosk Sites, which qualifications may differ from those of Store franchise owners who operate non-Kiosk Site Stores; and

(d) be in full compliance with the Franchise Agreement and all other agreements between you and us, and our affiliates.

If we offer you the opportunity to operate and you accept our offer to allow you to operate a Kiosk Site, upon execution of the Kiosk Addendum, your operation of the Kiosk Site will be deemed and treated the same as the operation of your Store.

2.6 **Rights We Reserve.** We (and our affiliates) retain the right in our sole discretion to:

(a) Open and operate, and license third parties the right to open or operate, Stores utilizing the Proprietary Marks anywhere outside the Protected Area and inside or outside the Market Area, on such terms and conditions as we deem appropriate (even immediately outside the border of the Protected Area);

(b) Open and operate businesses, and license third parties the right to open or operate businesses, whether inside or outside the Market Area and Protected Area, specializing in the sale of products or services, other than a Competitive Business (defined in Section 10), using certain of the Proprietary Marks or Copyrights and pursuant to such terms and conditions as we deem appropriate;

(c) Open and operate businesses, and license third parties the right to open or operate, whether inside or outside the Protected Area and Market Area, that do not use the Proprietary Marks or Copyrights;

(d) Market and sell, inside and outside of the Market Area and Protected Area, through alternative channels of distribution (such as Kiosk Sites, mail order, Internet or Intranet website) goods and services competitive with goods and services offered by Stores under the Proprietary Marks or under trade names, service marks, or trademarks other than Proprietary Marks, without any compensation to you except as disclosed in this Agreement, and in such amounts in such manner as we determine in our sole discretion; and

(e) engage in any other acts and exercise any rights not expressly and exclusively granted to you under this Agreement.

3. **SUCCESSOR TERMS.**

3.1 **Your Right to Acquire a Successor Franchise.** You have the right to renew this Agreement for four (4) successive, additional five (5) year periods (and we will not unreasonably withhold consent of additional successor terms), with each such five (5)-year period commencing on the date our then-current franchise agreement is fully executed as required by this Agreement, provided you have met the following conditions:

(a) You have notified us of your intention to renew this Agreement in writing at least 180 days prior to expiration of the current term;

(b) You have demonstrated to our satisfaction that you have the right to operate the Store at the Site for the duration of the renewal term; or, if you are unable to operate the Store at the Site, you have secured a substitute location;

(c) You have completed, to our satisfaction, no later than ninety (90) days prior to the expiration of the then-current term, all maintenance, refurbishing, renovating, updating and remodeling of the Site premises required to bring the Site and all equipment into full compliance with our then-current System Standards and specifications;

(d) You are not in breach of any provision of this Agreement, or any other agreement between you and us, our affiliates, or our designated suppliers and vendors, and you have substantially complied with all such agreements during their respective terms;

(e) You have satisfied all monetary obligations you owe us, our affiliates, and our designated suppliers and vendors;

(f) You execute our then-current form of franchise agreement, the terms of which may vary materially from the terms of this Agreement and may include, without limitation, increased royalty fees and advertising obligations;

(g) You satisfy our then-current training requirements for renewing franchisees, if any, at your expense, as of the date of such renewal;

(h) You sign a general release, in the form we prescribe; provided that said release shall not be inconsistent with any applicable state statute regulating franchises; and

(i) You pay us a successor fee in the amount of ten thousand dollars (\$10,000).

4. SITE SELECTION AND DEVELOPMENT.

4.1 **Site Selection.** If you have not done so prior to signing this Agreement, you (with or without our assistance) must, within ninety (90) days of signing this Agreement, locate a Site for your Store that we have approved and that is within the Protected Area set forth on the Data Sheet. The Site must meet our criteria for demographic characteristics, traffic patterns, parking, character of neighborhood, competition from and proximity to other stores and other Stores, the nature of other stores in proximity to the site and the size, appearance and other physical and commercial characteristics of the proposed site. We will approve or disapprove a Site you propose for a Store within thirty (30) days after we receive from you all of the materials we request concerning the proposed site. You acknowledge and agree that:

(a) our recommendation or approval of the Site, does not imply, guaranty, assure, warrant or predict profitability or success, express or implied;

(b) our recommendation or approval of the Site indicates only that we believe that the Site falls within the acceptable demographic and other criteria for sites and premises that we have established as of the time of our recommendation or approval of the Site;

(c) application of criteria that have appeared effective with respect to other sites and premises may not accurately reflect the potential for all sites and premises, and, after our approval of a Site, demographic and/or other factors included in or excluded from our criteria could change to alter the potential of a Site and premises; and

(d) the uncertainty and instability of such criteria are beyond our control, and we will not be responsible for the failure of a Site we have recommended or approved to meet expectations as to potential revenue or operational criteria.

4.2 **Site Review Form.** Prior to your acquisition by lease or purchase of a site for the Store, you shall submit to us, in the form we specify, a completed site review form, such other information or materials as we may reasonably require, and a letter of intent or other evidence satisfactory to us which confirms your favorable prospects for obtaining the proposed site. Recognizing that time is of the essence, you must submit a proposed site, together with the information and materials required by this Section 4.2, to us for our approval within 30 days after execution of the Franchise Agreement. We shall have 30 days after receipt of such information and materials from you to approve or disapprove, in our sole discretion, the site as a location for the Store. No proposed site shall be deemed approved unless we have expressly approved it in writing.

4.3 **Site Guidelines; Site Evaluation.** We shall furnish to you such site selection guidelines, consultation and on-site evaluation as we deem advisable as part of our evaluation of your request for site approval. You shall not, however, provide on-site evaluation for any proposed site prior to our receipt of the information and materials required by Paragraph 3 hereof. If we deem on-site evaluation necessary and appropriate, we shall conduct one on-site evaluation at our cost. For each additional on-site evaluation (if any), you shall pay our then-current Site Evaluation Fee.

4.4 **Relocation of the Site.** You may not operate the Store from any location other than the Site without our prior written consent. If the lease expires or terminates without expiration or termination being your fault, if the Site is destroyed, condemned or otherwise rendered unusable as a Store in accordance with this Agreement, or if, in our sole judgment, there is a change in character of the location of the Site sufficiently detrimental to its business potential to warrant your Store's relocation, we will permit you to relocate the Store to another location within the Market Area provided that you comply with all of our System Standards for a Site relocation and such relocation Site meets our then current Site criteria for relocation Sites. Any relocation of the Site will be at your sole expense, and you must pay us all expenses we incur in connection with the relocation, plus a site relocation fee of Seven Thousand Five Hundred Dollars (\$7,500.00) ("**Site Relocation Fee**") upon completion. If you obtain our approval of the replacement Site and lease in accordance with our then current Site approval process, you must reopen the Store at the replacement Site as soon as practicable, but in no event more than thirty (30) days after the closing of the original Site. You are not permitted to relocate your Store except pursuant to this Section.

4.5 **Lease of Site.**

(a) **Lease Approval and Landlord Consent and Agreement:** You agree to deliver a copy of the signed lease to us within fifteen (15) days after its execution for our review. We may condition our approval of any lease for the proposed Site on the landlord's execution of our form of Consent and Agreement of Landlord and Collateral Assignment of Lease attached to this Agreement at Exhibit "F." We will use reasonable efforts to review and approve of any proposed Site and corresponding lease within thirty (30) days of receiving all reasonably requested information from you. You agree not to sign any lease or renewal of a lease unless you have also obtained: (i) our approval; and (ii) the Consent and Agreement of Landlord and Conditional Assignment of Lease signed by the lessor.

(b) **No Warranty:** You acknowledge that our approval of the lease for the Site does not constitute a guarantee or warranty, express or implied, of the successful operation or profitability of a Store operated at the Site. Such approval indicates only that we believe that the

Site and the terms of the lease fall within the acceptable criteria we have established as of the time of our approval. Both parties to this Agreement acknowledge the application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to Franchisor's approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from Franchisor's criteria could change thereby altering the potential of a site. Such factors are unpredictable and are beyond Franchisor's control. Franchisor shall not be responsible for the failure of a site approved by Franchisor to meet Franchisee's expectations as to revenue or operational criteria. Franchisee further acknowledges and agrees that Franchisee's acceptance of a franchise for the operation of the Store at the site is based on Franchisee's own independent investigation of the suitability of the site. YOU FURTHER ACKNOWLEDGE THAT WE HAVE ADVISED YOU TO HAVE AN ATTORNEY REVIEW AND EVALUATE THE LEASE.

5. STORE DEVELOPMENT, DECOR AND OPERATING ASSETS.

5.1 **Store Development.** You must obtain our approval to open and open the Store for business within one-hundred eighty days (180) of the date of execution of this Agreement (the "**Opening Date**"). In our sole discretion, if you have made full and complete applications for all building permits, and all other permits required to open a Store, within thirty (30) days of the date we approve the Site and your lease for it, if any, we may grant to you up to three (3) thirty (30) day extensions to obtain all necessary permits, provided that the delay was due to causes beyond your reasonable control. You must submit documentation of the status of all applications necessary to operate the Store at least ten (10) days prior to the date of each thirty (30) day extension you request. You are solely responsible for complying with all laws, ordinances, rules and regulations relating directly or indirectly to the construction and development of Store, including the Americans With Disabilities Act and any other laws, rules or regulations regarding public accommodations for persons with disabilities. As between you and us and our affiliates, you are solely responsible for any and all claims, liabilities and costs relating to non-compliance or alleged non-compliance with any such laws, rules, ordinances or regulations, and you must remedy, at your expense, any such non-compliance or alleged non-compliance.

Without limiting your foregoing obligations, you agree, at your own expense, to do the following with respect to developing the Store at the Site:

- (a) secure and provide us proof of your securing all financing required to develop and operate the Store;
- (b) obtain all building, utility, sign, health, sanitation, business and other permits and licenses required to construct, develop and operate the Store; and
- (c) purchase from us (or our designees) the Establishment Package.

5.2 **Décor.** You agree that all décor of your Store must be previously approved by us and must comply with our standards as described in the Manuals or other communications, which may be periodically revised. We own all Copyrights in and to all forms of art or other visual media displayed in the Store (the "**Art**"), as well as all intellectual property rights in and to the Art. You will not, without our prior written permission, allow any of the Art to become a fixture to the Store and you will not display or use the Art in any Competitive Business or Store of any kind. Your failure to maintain the Store's décor in compliance with our System and the standards described in the Manuals or otherwise constitutes a material breach of this Agreement. After opening your Store, you may not make any changes or additions to the Store's décor without our prior approval.

5.3 **Establishment Package.** You must purchase from us, our affiliates or designees, including, but not limited to your initial inventory of teas, grains, spices, herbs, blends, olive oils, honeys and candles; spice and tea accessories; operation tools and equipment; and reference materials and office items (the “**Establishment Package**”). The contents of your Establishment Package are listed in Exhibit “A” and made a part hereof by reference. The Establishment Package items will be delivered by our affiliates or designees. You must pay a fee for the Establishment Package (the “**Establishment Fee**”) to our affiliate(s) in the amount set forth in Exhibit “A” when you sign this Agreement. The Establishment Fee is not refundable under any circumstances. Upon your receipt of your Establishment Package, you must complete the Confirmation of Receiving Establishment Package attached as Exhibit “B”. Depending on your market and when your Store is projected to open, you may also be required to order additional products that are necessary due to the seasonal nature of the business.

5.4 **Operating Assets and Store Materials.** In addition to the Establishment Package, we will identify the other fixtures, furnishings, equipment (including telephones, computer hardware, electronic guest book, and software) (the “**Operating Assets**”), flooring and other surface products, materials, inventory, seasonal inventory, equipment, uniforms, apparel, supplies and signs, emblems, lettering, logos and display materials, advertising, and financial and accounting services, necessary for the Store to begin or sustain operations (collectively, the “**Store Materials**”), the minimum standards and specifications that must be satisfied and the suppliers from whom these items may be purchased or leased (including us and/or our affiliates). You agree to acquire all Store Materials and Operating Assets from us or suppliers we have previously approved, which may include us or our affiliates. If we do not designate or approve a supplier for the Operating Assets or Store Materials, you must purchase them in accordance with our System Standards, which may include designated quantities, models, brands and inventory levels. We may require you to purchase materials only from us or designated suppliers Operating Assets or Store Materials which bear our Proprietary Marks. We will only approve suppliers whose Store Materials and Operating Assets meet the quality standards that we establish from time-to-time. You agree to only place or display at the Site (interior and exterior) such signs, emblems, lettering, logos and display materials that we periodically approve. While our affiliates or designees deliver and set-up the items in the Establishment Package, you must pay for the cost of obtaining and installing any Store Materials and Operating Assets we require that is not contained in the Establishment Package.

5.5 **Changes to Approved Suppliers.** You must comply with all of our System Standards for approval and use of, or contracting with third parties and suppliers:

(a) **Designation and Approval of Suppliers:** The reputation and goodwill of Stores are based upon, and can be maintained and enhanced only by, the use of high quality suppliers of services, materials and inventory. We will provide you with a list, that we may modify from time-to-time, of approved: manufacturers, suppliers, or distributors of Operating Assets and Store Materials. We may designate approved or designated suppliers, providers, distributors, or manufacturers for any types, models or brands of business materials, inventory, Operating Assets, and other equipment and business services that we approve for Stores or which we designate in the Manuals as relating to the establishment or operation of Stores, which may include us or our affiliates as one of, or the only approved or designated supplier for certain items or services (the “**Approved Suppliers**”). You agree that you will not, without our written approval, use or authorize any of your personnel or other employees to use any services, material, inventory, supplies or equipment and/or suppliers, distributors, manufacturers or service providers not authorized by us for your Store, and you acknowledge that doing so is grounds for termination of this Franchise Agreement (see Section 16.2(n)). You must utilize any ordering system that any of our Approved Suppliers (including us or our affiliates) designate. We, our affiliates, or Approved Suppliers may derive revenue (in the form of mark-ups, rebates or otherwise) from the sale of business materials, operating assets, supplies, and inventory that we or they sell to you. We or they

do not represent or warrant in any manner whatsoever that we or they will limit the amount of revenue earned on such sales, and we or they may change, modify, increase, or decrease such amounts at any time.

(b) **Review Procedures:** Our specifications and standards for Operating Assets, Store Materials, and Approved Suppliers will be designated in our Manuals or in other communications to you from time-to-time. In approving types, models, brands and suppliers, manufacturers, distributors or service providers, we may take into consideration such factors as quality, warranty and prices. We may approve one or a limited number of suppliers, manufacturers, distributors or service providers in order to obtain lower prices or materials of a more uniform and/or higher quality. If you wish to use any type, model, manufacturer or brand of materials, supplies or equipment, supplier, manufacturer or distributor of equipment, supplies or material, any service provider or any other brand, manufacturer, distributor or supplier of materials, supplies, services or equipment, which is not currently approved by us, you must: (i) notify us in writing; and (ii) submit to us sufficient specifications, photographs, samples and/or other information requested by us concerning such type, model, brand, service, service provider and/or supplier, manufacturer or distributor. We will then determine, within a reasonable time, whether such type, model or brand, supplier, distributor, service provider or manufacturer complies with our specifications, and/or whether such supplier, manufacturer, distributor or service provider meets our criteria for approval. We may from time-to-time prescribe procedures for the submission of requests for approval of types, models, brands, manufacturers, distributors, service providers or suppliers and obligations which approved manufacturers, distributors, service providers or suppliers must assume. We reserve the sole right to decide if any supplier, vendor or item is authorized and reserve the right to disapprove or refuse to approve any supplier, vendor or item.

(c) **Preferred Vendor Programs:** We may develop certain programs and terms under which we, our affiliates or Stores receive certain negotiated benefits or terms from Approved Suppliers (“**Preferred Vendor Programs**”). You must follow all of our policies and procedures which we designate from time-to-time for participation in or termination of Preferred Vendor Programs (“**Program Rules**”). We can refuse or terminate your participation in Preferred Vendor Programs without terminating this Agreement. We may designate one or more Approved Suppliers (“**Preferred Vendors**”) as an exclusive supplier of types, models or brands of business materials, supplies, operating assets, consumer goods, fixtures or materials and business services that we approve for Stores. We may receive compensation from Approved Suppliers, fees, rebates or other consideration for such purchases. Certain Preferred Vendors may require that you enter into agreements with them (subject to our approval) in connection with our designation or your use of them as a Preferred Vendor or participation in their Preferred Vendor Program (“**Preferred Vendor Agreements**”). You agree to do so. We may be a party to such Preferred Vendor Agreements. We may, but are not obligated to, contribute any such fees or rebates received by us from such agreements to the System Development Fund (defined in Section 12.1). However, with respect to such contributions to the System Development Fund, if any, we will not be obligated to offset or reduce your obligation to pay to us System Fund Fees. If we permit you to receive any form of rebates, contributions or remunerations from Preferred Vendors, we may require that you provide to us accountings of such monies or other remuneration you receive, in the manner we designate in the Manuals. We may charge you fees in the amount we may designate from time-to-time for participating in Preferred Vendor Programs which we evaluate or for which we provide services. If we cancel your participation in any Preferred Vendor Program, we will direct the Preferred Vendor to stop doing business with you on the same terms as it does for other franchisees.

5.6 **Sale of the Products and Services.** In the sale of the Product and Services to consumers, you shall not distribute the Product or Services in any manner that we have not approved in writing or

combine the Product or Services with any other product or service without prior written approval. You may not engage in the wholesale sale and/or distribution of any products sold at your THE SPICE AND TEA EXCHANGE STORE® unless approved in writing or as described in the Manuals. You do not have the right to sell any of the Products and Services of your Store through catalog sales, the internet, or by any means other than the Store, as described in more detail in the Manuals.

5.7 **Compliance with Laws and Good Business Practices.** You will secure and maintain in force in your name all required licenses, permits and certificates relating to the operation of your Store. You will operate your Store in full compliance with all applicable laws, ordinances and regulations, including, without limitation, all government regulations relating to occupational hazards and health, construction warranties, workers' compensation insurance, immigration, unemployment insurance, construction permitting, workplace safety, and withholding and payment of federal and state income taxes, social security taxes and sales taxes. You will, in all dealings with customers, suppliers, us and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to our business and the goodwill associated with THE SPICE & TEA EXCHANGE® System, the Proprietary Marks and other Stores. You further acknowledge that we have no responsibility to ensure that the Store is developed and operated in compliance with all applicable laws, ordinances, and regulations, and that we shall have no liability in the event the development or operation of the Store violates any law, ordinance or regulation.

5.8 **Music and Other Audio and Visual Entertainment.** You acknowledge and agree that the provision of music to patrons of Stores is, or may become, an integral part of the System. Accordingly, you agree to play only the type(s) of music, at the decibel levels and in the manners that we may periodically prescribe or approve. You must acquire and install any audio equipment and obtain any subscriptions (e.g., digital music subscription) that we designate or require for use by Stores and pay the required Integrated Music Fee set forth in Section 6.6, below.

5.9 **Business Management System.** You must use and follow all of the rules and regulations, specifications and System Standards for the Computer System (defined in Section 11.7), business management, Purchaser Order System (as defined below in this paragraph), scheduling, cost control, and accounting system we designate from time-to-time (collectively, the "**Business Management System**"). You must utilize the Computer System, if any, which we may designate or approve, in the manner we approve in your utilization of the Business Management System. You must use our standard supplier or vendor agreements and other agreements related to the Business Management System that we designate from time-to-time. The Business Management System may or will incorporate and consist of such functions as we designate from time-to-time, which may include a mandatory Purchase Order System and rules for participation and use of such Purchase Order System, if any, which we may designate (the "**Purchase Order System**"). Through, and as part of, the Business Management System we may require that you establish an operating account with a bank or other financial institution that we designate or approve (the "**Operating Account**"). We require that the Operating Account be the sole bank account utilized by your Store. You must utilize the Operating Account in accordance with the System Standards as we designate (e.g. Business Management System rules). We may change, alter or amend the functions, components, System Standards, Computer System, Purchase Order System and any other aspect of the Business Management System from time-to-time.

5.10 **Store Opening.** You agree not to open the Store for business until:

- (a) we approve the Store as developed in accordance with our specifications, standards and System;
- (b) training has been completed to our satisfaction;

- (c) the Franchise Fee and all other amounts then due to us have been paid;
- (d) you have demonstrated to us that the conditions of Section 1.5 (e) have been fulfilled;
- (e) we have been furnished with copies of all insurance policies required by this Agreement, or such other evidence of insurance coverage and payment of premiums as we request or accept; and
- (f) we have received signed counterparts of all required documents pertaining to your acquisition of the Site.

6. **FEES.**

6.1 **Franchise Fee.** You agree to pay us a non-recurring and non-refundable initial franchise fee in the amount of Thirty-Eight Thousand Seven Hundred and Fifty Dollars (\$38,750.00) and such Franchise Fee is fully earned when paid. The Franchise Fee is due in a lump sum payment on the Agreement Date. We are not required to offer you financing of the Franchise Fee. However, if we do, you are required to enter the Promissory Note, Principal Owner's Guaranty and Security Agreement attached hereto.

6.2 **Royalty.** You agree to pay us a monthly royalty fee ("**Royalty(ies)**") of the greater of seven percent (7%) of your Store's monthly Gross Sales (defined in Section 6.10) or one-thousand seven hundred fifty dollars (\$1,750). We must receive the Royalties on or before the fifth (5th) day of each month for the immediately preceding month (the "**Payment Day**"). If the fifth day of any month falls on a weekend or a national holiday, the payment is due on the first weekday following the fifth of the month. The first Royalty payment is not due until the fifth day of the month following the month you open the Store. The Royalties are non-refundable and fully earned when paid. We reserve the right to change the Payment Day and the interval at which we collect recurring fees payable to us or our affiliates upon written notice to you. For example, we may collect these recurring fees on a weekly rather than monthly basis.

6.3 **System Development Fees.** You must pay to us or our designee a fee in the amount of one percent (1%) of your Store's monthly Gross Sales (defined in Section 6.10) as contributions to the System Development Fund (the "**System Development Fee**"). The System Development Fee can be increased to up to three percent (3%) of your Store's monthly Gross Sales. The System Development Fees are due on the Payment Day, as defined in Section 6.2 above. The first System Development Fee is not due until the fifth day of the month following the month you open the Store. The System Development Fees are fully earned and non-refundable when paid. We may defer or reduce the System Development Fees upon thirty (30) days' prior written notice to you.

6.4 **Store Closure Fee.** We reserve the right to charge you a penalty fee of one hundred dollars (\$100) per day for each day that you close your Store without our prior written approval, in addition to any other remedies we may seek under this Agreement or applicable law.

6.5 **Subscription, Support and Inventory Management Fee.** You must pay us or our designee our current monthly fee for subscription and support services related to technology support systems and aspects of your computer system and/or software, including, but not limited to, the point-of-sale system, inventory management system, and licenses. (the "**Subscription and Support Fee**"). Our current Subscription and Support Fee ranges from three hundred dollars (\$300) to eight hundred dollars (\$800) per month, and we reserve the right to designate and/or change the amount, scope, or manner of payment of the fee, including the party to whom payment is made, at any time upon providing reasonable notice to you.

6.6 **Integrated Music System Fee.** You must pay us or a designated third-party supplier our current monthly fee for the audio programming we or a designated third-party supplier will provide you for playing in your Store, as well as the stereo equipment necessary to play such audio programming (the “**Integrated Music System Fee**”). Our current Integrated Music System Fee ranges from twenty-five dollars (\$25) to thirty-five dollars (\$35) per month.

6.7 **Additional Training Fees.** As part of the Establishment Package, we provide the initial training and Opening Team set out in Section 7. If we require or you request, and we agree to provide, additional on-site training, you must pay our then current “**Additional Training Fees**”, which will not exceed six hundred dollars (\$600) per trainer per day of training. If you are an existing franchisee and you choose to attend or choose to have an employee attend a Spice UniversiTea training, you will be required to pay an Additional Training Fee of one thousand five hundred dollars (\$1,500) per person attending the training. New franchisees are not required to pay this fee. Additional Training Fees are due within fifteen (15) days of our invoice to you.

6.8 **Training Expenses.** If we require or you request, and we agree to provide, additional on-site training as described in Section 6.7 above, you must pay to us, as reimbursement, all of the expenses we incur for travel, lodging, meals and other expenses and costs we incur associated with providing additional on-site (“**Training Expenses**”). We will bill you for the Training Expenses, and you are responsible for payment to us within fifteen (15) days of the date of our invoice to you.

6.9 **Electronic Funds Transfer.** We may require you to pay all future payments of the Royalties to us by electronic funds transfer. If we do so, we will designate the Payment Day for the Royalty payment. You agree to comply with the procedures we specify in our Manuals and perform such acts and sign and deliver such documents as may be necessary to accomplish payment by this method. On the Payment Day, you will report to us by telephone, electronic means (e.g. e-mail) or in written form, as we direct, the Store’s true and correct Gross Sales (defined in Section 6.10) for the immediately preceding week. You will give us authorization, in a form that we designate or approve, to initiate debit entries or credit correction entries to the Store’s Operating Account for payments of Royalties and other amounts due under this Agreement, including any applicable interest charges. You will make the funds available in the Operating Account for withdrawal by electronic transfer no later than the Payment Day. The amount actually transferred from the Operating Account to pay Royalties will be based on the Store’s Gross Sales reported to us. If you have not reported the Store’s Gross Sales to us for any reporting period, we will transfer from the Operating Account an amount calculated in accordance with our reasonable estimate of the Store’s Gross Sales during any such reporting period. If we determine at any time that you have under-reported Gross Sales or underpaid Royalties or other amounts due to us, we will be authorized to immediately initiate a transfer from the Operating Account in the appropriate amount in accordance with the foregoing procedures, including applicable interest and late charges. Any overpayment will be credited to the Operating Account through a credit, effective as of the first (1st) reporting date after you and we determine that such credit is due.

6.10 **Definition of Gross Sales.** As used in this Agreement, the term “**Gross Sales**” means all revenue you derive from operating the Store, including, but not limited to, all amounts you receive at or away from the Site from any activities or services whatsoever including any that are in any way associated with the Proprietary Marks, Copyrights or System, and whether from cash, check, barter, credit or debit card or credit transactions, including the redemption value of gift certificates redeemed by you regardless of whether such gift certificates are issued by you or someone else; but excluding: (1) all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority; and (2) customer refunds, adjustments, credits and allowances actually made by the Store. Gross Sales also includes, for example, revenue you receive from vending machines or other coin-operated machines or

devices and revenue from delivery service sales, retail, concessions, hotel room service, catering, special functions, etc. and sales of products bearing or associated with the Proprietary Marks.

6.11 **Interest on Late Payments.** All amounts which you owe us or our affiliates will bear interest after their due date at the annual rate of eighteen percent (18%) or the highest contract rate of interest permitted by law, whichever is less. You acknowledge that we do not agree to accept any payments after they are due nor commit to extend credit to, or otherwise finance your operation of, the Store. Your failure to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Section 16.

6.12 **Late Payment Fees.** All Royalties, System Fund Fees, amounts due for purchases by you from us or our affiliates, and any interest accrued thereon, and any other amounts which you owe us or our affiliates, are subject to a “**Late Payment Fee**” of fifteen percent (15%) of the amount due. The Late Payment Fee is due immediately upon any delinquent payments and is in addition to any other fees due and payable to us. The provision in this Agreement concerning Late Payment Fees does not mean that we accept or condone late payments, nor does it indicate that we are willing to extend credit to, or otherwise finance the operation of, your Store.

6.13 **Application of Payments.** Notwithstanding any designation you might make, we have sole discretion to apply any of your payments to any of your past due indebtedness to us.

6.14 **Payment Offsets.** You acknowledge and agree that we have the right to set-off from any amounts that we may owe you or your owners or any amount that you owe to us, or our affiliates, for any reason whatsoever, including without limitation, Royalties, System Development Fees, Late Payment Fees and late payment interest, amounts owed to us or our affiliates for purchases or services or for any other reason. 9.4 **Confidentiality Obligations.** You agree that your relationship with us does not vest in you any interest in the Confidential Information other than the right to use it in the development and operation of your Store, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. You acknowledge and agree that the Confidential Information is proprietary, includes trade secrets belonging to us and is disclosed to you or authorized for your use solely on the condition that you agree, and you therefore do agree, that you:

- (a) will not use the Confidential Information in any other business or capacity;

- (c) will not make unauthorized copies of any portion of the Confidential Information disclosed via electronic medium, in written form or in other tangible form, including, for example, the Manuals; and

10. **EXCLUSIVE RELATIONSHIP.**

You acknowledge and agree that we would be unable to protect Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among Stores if franchised owners of Stores were permitted to hold interests in or perform services for a Competitive Business. You also acknowledge that we have granted the Franchise to you in consideration of and reliance upon your agreement to deal exclusively with us. You agree that, during the term of this Agreement, neither you nor any of your owners (nor any of your or your owners' spouses or children) will:

(e) on behalf of yourself or any other person, or as an employee, proprietor, owner, consultant, agent, contractor, employer, affiliate, partner, officer, director or associate, or stockholder of any other person or entity, or in any other capacity, engage in or conduct any other business if you have any significant operational or management responsibility or obligation regarding such business, if such other business would interfere with your obligations under this Agreement to develop and operate your THE SPICE & TEA EXCHANGE® business or otherwise (other than THE SPICE & TEA EXCHANGE® Stores operated under franchise agreements with us), unless your THE SPICE & TEA EXCHANGE® business is managed by an individual that has satisfactorily completed our training programs. This provision does not prohibit passive investments in other Stores. However, an interest in a business in which your capacity is either a director, officer or majority stockholder (or any combination thereof) does not constitute a passive investment and will be considered a breach of these provisions of this Agreement.

The words “**Competitive Business**” mean any business or facility owning, operating or managing or granting franchises or licenses to others to do so, any store or facility that features tea, spice, spice blends herbs, rubs, olive oils, honeys, candles, and related products and accessories that are the same or similar to the Products and Services offered by Stores (other than a Store under a franchise agreement with us). 11.12 **Personnel.** You agree to hire, train and supervise Store employees. Your (or your Principal Owner) will have sole authority and control over all aspects relating to your employees and/or independent contractors. You agree to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Store, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will you or your employees be deemed to be our or our affiliate's employees.

12. **MARKETING AND PROMOTION.**

12.1 **Establishment of System Development Fund.** Recognizing the value of advertising and marketing to the goodwill and public image of Stores, we have the right to establish a system-wide development, marketing and promotional fund (the "**System Development Fund**") for such advertising, marketing, public relations and system-wide benefit programs and materials we deem necessary or appropriate. The System Development Fund is intended to maximize recognition of the Proprietary Marks and patronage of Stores and enhance the operations of Stores. You must pay to us, or our designee, the System Fund Fees we designate as set forth in Section 6.3. We reserve the right to defer or reduce System Fund Fees of a Store franchisee and, upon thirty (30) days prior written notice to you, to reduce or suspend contributions to, and operations of, the System Development Fund for any period of any length and to terminate (and, if terminated, to reinstate) the System Development Fund. If the System Development Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in proportion to their respective contributions to the System Development Fund during the preceding twelve (12) month period, or in a manner we determine. We and our affiliates will contribute to the System Development Fund on the same basis as franchise owners for any Store we or they own and operate.

12.2 **Use of the Funds.** We or our designee will direct all programs financed by the System Development Fund, including the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that the System Development Fund may be used to pay the costs of, but not be limited to, developing, preparing and implementing audio or written advertising and marketing materials; developing and servicing corporate accounts; engaging in research and development; administering regional and multi-regional advertising programs; purchasing e-commerce rights, products or services, direct mail and other media advertising; maintaining or paying third parties to maintain on-line ordering and fulfillment systems, the Business Management System and the like; supporting public relations and market research; establishing, developing, maintaining, modifying, servicing or hosting Websites or other e-commerce programs, and other advertising, promotion and marketing activities. The System Development Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials may be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

12.3 **Accounting for the Fund.** The System Development Fund may be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the System Development Fund and its programs, including, without limitation, conducting market surveys, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the System Development Fund. We may spend, on behalf of the System Development Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Stores to the System Development Fund in that year, and the System Development Fund may borrow from us or others to cover deficits or invest any surplus for future use. In addition to other System Development Fund fees, we may assess you, and you must pay to the System Development Fund such System Development Fund fees as we or the Fund deems necessary to address any deficits or special needs of the System Development Fund. All interest earned on monies contributed to the System Development Fund will be used to pay System Development costs before other assets of the System Development Fund are expended. We may prepare a periodic statement of monies collected and costs incurred by the System Development Fund and furnish the statement to you upon written request. We have the right to cause the System Development Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified in this Agreement.

12.4 **System Development Fund Limitations.** The System Development Fund will be intended to maximize recognition of the Proprietary Marks and patronage of Stores. Although we will endeavor to utilize the System Development Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all Stores, we undertake no obligation to ensure that expenditures by the System Development Fund are proportionate or equivalent to the contributions to the System Development Fund by Stores operating in a certain geographic area or that any Store will benefit directly or in proportion to its contribution; we are not required to spend any amount on advertising in a particular franchisee's territory or area. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the System Development Fund.

12.5 **Advertising and Promotion.** You agree that any advertising, promotion and marketing you conduct will be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time-to-time. Samples of all advertising, promotional and marketing materials which we have not prepared or previously approved must be submitted to us for approval before you use them. You may not use any advertising or promotional materials that we have disapproved.

12.6 **Grand Opening Advertising Requirement.** You are required to expend a minimum of three thousand dollars (\$3,000) as a Grand Opening Advertising Requirement. You are responsible for planning and conducting one or both of the following options: (i) a "Grand Opening Event" within 90 days (or 120 days, if seasonal) of the Store's opening for regular business, or (ii) a local or regional advertising and promotional campaign surrounding the Store's grand opening. This advertising or promotional campaign may utilize various media, advertising, and other promotional materials and formats. We or our approved supplier will provide promotional suggestions and prepared materials to you. All materials, concepts, and promotions proposed by you must be approved by us prior to your initiation or spend on such items. The Grand Opening Event shall be conducted in accordance with our standard operating procedures set forth in the Manuals. If your Store is transferred or relocated, we may, at our discretion, require you to hold a new Grand Opening Event, subject to the above conditions. If you have been transferred the right to operate a franchised business that is already in operation, you must comply with the Grand Opening Advertising Requirement regardless of how long the transferred franchised business has been operational prior to your acquisition.

12.7 **Local Advertising Cooperatives.** If a local advertising cooperative is established for your market, you will be required to contribute to it an amount determined by the local advertising cooperative (but not to exceed two percent (2%) of your Gross Sales), participate in its activities and be subject to its governing documents. We may require that advertising cooperative rules, governing documents and expenditures be subject to our approval. There are currently no franchisee advertising councils or local advertising cooperatives that advise us on advertising policies. We reserve the right to establish an advisory council of franchisees that will advise us on advertising policies and other matters.

12.8 **Local Advertising Requirement.** We will require you to spend one percent (1%) of your average Gross Sales per month on local advertising (the “**Local Advertising Requirement**”). You must spend the Local Advertisement Requirement as we prescribe in the Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number and/or type(s) of media advertisements. You acknowledge and agree that your Local Advertising Requirement must be expended regardless of the amount(s) spent by other System franchisees on local advertising. You may spend any additional sums you wish on local advertising. You must use only such advertising and promotional materials as have been previously approved by us. You must send us proof of these expenditures along with your reports, as specified in Section 13.2 of this Agreement.

12.9 **Websites.** We have the right to control all use of URL’s, domain names, websites, addresses, social media applications, metatags, links, e-mail addresses and any other means of electronic identification or origin using our Proprietary Marks or related to the operation of your Store (“**e-names**”). We also have the right to designate, approve, control or limit all aspects of your use of the Internet, Intranet, World Wide Web, wireless technology, digital cable, use of e-names, e-mail, websites, home pages, bulletin boards, chat rooms, e-mail, linking, framing, on-line purchasing cooperatives, marketplaces, barter exchanges, and related technologies, methods, techniques, registrations, networking, and any electronic communication, commerce, computations, or any means of interactive electronic documents contained in a network of computers or similar devices linked by communications software, if use is directly or indirectly related to the operation of your Store (collectively, “**e-commerce**”). We have the right to monitor your and your employees’ e-commerce activities and you agree to provide us access to any chat rooms or bulletin boards on which or through which you discuss our franchise system or your relationship with us. You must follow all of our policies and procedures for the use and regulation of e-commerce. We may restrict your use of e-commerce to a centralized website, portal or network or other form of e-commerce designated by us operated by us or our designee. You may not create a website for your Store and you may not advertise or sell Products or Services using e-commerce, unless previously approved by us. We require that you provide information to us via e-commerce and order Products and Supplies via e-commerce. We may require you to coordinate your e-commerce activities with the Business Management System. You recognize and agree that between you and us, we own all rights to all interest in and to any data collected via e-commerce related to the System or the Proprietary Marks, including any customer data, click-stream data, cookies, user data, hits and the like: such information is deemed by us to be and constitutes our Confidential Information. You must not use any Proprietary Mark as part of any domain name, Internet or “E-mail” address, or any other identification of you in any electronic medium or with any prefix, suffix or other modifying words, terms, designs, or symbols, or in any modified form, without our written consent.

12.10 **Internet Sales Commission.** We or our affiliates will provide and be responsible for the hosting and maintenance of the official The Spice & Tea Exchange Internet website (“**Official Website**”). Your Store will be listed on the Official Website, but you cannot host or operate a separate website for your Store or offer or sell any Products or Services via e-commerce. Any and all sales or revenue derived from the sales of Products and Services from the Official Website, or any other website, will belong to us or our affiliates. Notwithstanding the foregoing, you shall receive a 20% sales commission, less applicable taxes and shipping costs, (the “**Internet Commission**”) in the form of a product credit if a customer registers an

email address in our loyalty program using your point-of-sale system in your Store. You will also receive the Internet Commission on all future purchases using that email address from the Official Website.

Even when you receive a commission, you will not receive a commission on any sales made prior to the customer email address being registered to your Store and a customer email address can only be registered to one Store, so the highest commission ever paid on a sale will be 20%.

Any commission owed to you will be paid in the form of a product credit to you quarterly on the fifteenth (15th) business day following the previous quarter (or other day designated by us). However, any payment of the Internet Commission is subject to you complying with your reporting requirements set forth in Section 13 of this Agreement. Accordingly, if you are in default of Section 13 of this Agreement, you will not receive your Internet Commission until you become compliant under Section 13. You will not be required to pay a Royalty in connection with any Internet Commission that you earn. If you owe us or our affiliates any fees, the commission may be withheld and applied to the fees owed to us or our affiliates. Upon transfer of this Agreement, any commission or product credit owed is forfeited upon transfer and you will no longer be entitled to receive any future credit.

13. RECORDS, REPORTS AND FINANCIAL STATEMENTS.

13.1 **Accounting System.** You agree to establish and maintain at your own expense a bookkeeping, accounting and recordkeeping system conforming to the requirements and formats we prescribe from time-to-time. We may require you to use approved computer hardware and Software in order to maintain certain sales data and other information, including updating the Manuals and for communication purposes. You are required to prepare and report the bookkeeping, accounting and recordkeeping data in the method and using the computer program that we prescribe in the Manuals or otherwise in writing from time to time. You agree that we may have access to such sales data and other information through the Computer System at all times.

13.2 **Reports.** You agree to furnish to us on such forms and using such methods that we prescribe from time-to-time:

(a) on the fifth (5th) day of each calendar month: a report on the Store's Gross Sales during the immediately preceding calendar month with the Royalty payment;

(b) within fifteen (15) days after the end of each month (or other period designated by us): (i) a profit and loss statement for the Store for the immediately preceding calendar month and year-to-date; and (ii) a balance sheet as of the end of such month. These reports shall include a line item for advertising/marketing;

(c) within thirty (30) days after the end of the Store's fiscal year: (i) annual profit and loss and source and use of funds statements; and (ii) a balance sheet for the Store as of the end of such fiscal year;

(d) within ten (10) days after our request: (i) exact copies of federal and state income and other tax returns; and (ii) such other forms, records, books and other information we may periodically require;

(e) within 15 days of the close of each calendar quarter, a breakdown of your local advertising/marketing expenditures;

- (f) any other reports that we may designate from time to time.

13.3 **Access to Information.** You agree to verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports. We also have the right to require you to have reviewed or audited financial statements prepared on an annual basis if we reasonably believe that the reports are incorrect. Moreover, we have the right, as often as we deem appropriate (including on a daily basis), to access all computer registers and other Computer Systems that you are required to maintain in connection with the operation of the Store and to retrieve all information relating to the Store's operations.

13.4 **Copies of Reports.** You agree to furnish us with a copy of all sales, income and other tax returns relating to your Store, at our request. You will also send us copies of any sales or other reports sent to any landlord or governmental agency, at our request.

14. **INSPECTIONS AND AUDITS.**

14.1 **Our Right to Inspect the Store.** To determine whether you and the Store are complying with this Agreement and all System Standards, we and our designated agents, have the right, as we deem necessary in our sole discretion, at any time during your regular business hours to:

- (a) inspect the Store;
- (b) observe, photograph and videotape the operations of the Store for such consecutive or intermittent periods as we deem necessary;
- (c) remove samples of any products, materials or supplies for testing and analysis;
- (d) interview personnel and customers of the Store;
- (e) inspect and/or audit your compliance with payment card industry standards; and
- (f) inspect and copy any books, records, websites (or other forms of e-commerce) and documents relating to your operation of the Store.

You agree to cooperate with us fully in connection with any such inspections, observations, photographing, videotaping, product removal and interviews. You agree to present to your customers such evaluation forms that we periodically prescribe and to participate and/or request your customers to participate in any surveys performed by us or on our behalf. You agree to correct or repair any unsatisfactory conditions we specify within five (5) days.

14.2 **Our Right to Audit.** We have the right at any time during your business hours to inspect and audit, or cause to be inspected and audited, your (if you are a Business Entity) and the Store's business, bookkeeping and accounting records, sales and income tax records and returns and other records. You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. If our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis, or if the information is not accurate (i.e., your Gross Sales are understated by two percent (2%) or more), you agree to reimburse us for the cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. You also must pay us any shortfall in the amounts you owe us, including late fees and interest, within ten (10) days of our notice. If an audit reveals an understatement by you of two percent (2%) or

more of any month within the period of examination, or for the entire period of examination, then, in addition to paying the additional amounts due, interest calculated in accordance with Section 6.11 of this Agreement and the cost of the audit for the entire period of the examination, your understatement will be a material and incurable breach of this Agreement which, unless we waive the breach, will entitle us to terminate this Agreement under Section 16.3(b) of this Agreement. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

15. **TRANSFER.**

15.1 **Transfer.** Your rights under this Agreement are personal, and you shall not sell, transfer, assign or encumber your interest in the Store without our prior written consent, as described more fully in this Section below. Any sale, transfer, assignment or encumbrance made without our prior written consent shall be voidable at our option and shall subject this Agreement to termination as specified herein.

15.2 **Death or Disability.**

(a) **Representative's Right to Continue as Franchisee.** In the event of your death, disability or incapacitation (or if you are an entity or partnership, the death, disability or incapacitation of your principal, partners or personal guarantors, your legal representative (or your principal's, partner's or guarantor's respective legal representative, as applicable) shall have the right to continue the operation of the Store as franchisee under this Agreement if: (i) within forty-five (45) days from the date of death, disability or incapacity (the "45 Day Period"), such person has obtained our prior written approval and has executed our then-current form of franchise agreement for the unexpired term of this Agreement, or, if applicable, has furnished a personal guaranty of any partnership, corporate or limited liability company franchisee's obligations to us and our affiliates; and (ii) such person successfully completes our training program (which we will provide at our then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by this Agreement and are acceptable to us.

(b) **Store Operation During and After 45 Day Period.** We are under no obligation to operate the Store, or incur any obligation on behalf of any incapacitated franchisee, during or after the 45 Day Period. If necessary, you (or your legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Store during the 45 Day Period. In the event of your death, disability, absence or otherwise, we may (but are not required to) operate your Store on your behalf and at your expense for such period of time (and under such terms and conditions) as we determine, including paying out of the assets and/or revenues of the Store to cover any or all past, current and/or future obligations of the Store (including any amounts owed to us and/or any affiliate) in such priorities as we determine from time-to-time in our sole and absolute discretion. We may pay ourselves a reasonable amount to reimburse us for our management services and other costs. We may obtain approval of a court or arbitrator for any such arrangements, the attorneys' fees and other costs incurred in connection with obtaining such approval to be charged against the assets and/or revenues of your Store. You (and/or your estate) will indemnify us against any costs and/or liabilities incurred by us in connection with, or related in any way to, the operation (or otherwise) of your Store.

15.3 **Ownership Changes.** A sale, transfer or assignment requiring our prior written consent shall be deemed to occur: (i) if you are a corporation, upon any assignment, sale, pledge or transfer of any fractional portion of your voting stock or any increase in the number of outstanding shares of your voting stock which results in a change of ownership; (ii) if you are a partnership, upon the assignment, sale, pledge or transfer of any fractional partnership ownership interest; or (iii) if you are a limited liability company,

upon the assignment, sale, pledge or transfer of any interest in the limited liability company. Any new partner, shareholder, or member or manager will be required to personally guarantee our obligations under this Agreement. A transfer pursuant to (i) and (iii) in accordance with Section 15.4 below shall not be subject to our right of first refusal described herein in Section 15.3(a).

(a) **Right of First Refusal.** If you propose to transfer either this Agreement or all, or substantially all, of the assets used in connection with the Store or any interest in your lease to any third party (other than a corporation or limited liability company as set forth in Section 15.4 below), you shall first offer to sell such interest to us on the same terms and conditions as offered by such third party. You shall obtain from the third party and provide us a statement in writing, signed by the third party and you, of the terms of the offer (“Letter of Intent”). If we elect not to accept the offer within a thirty (30) day period, you shall have a period not to exceed sixty (60) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 15.4 below. You shall affect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section 15.3(a). Any material change in the terms of the Letter of Intent shall be deemed a new proposal subject to our right of first refusal. So long as you have obtained our prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth below, is not subject to our first right of refusal.

15.4 **Conditions for Approval.** We may condition our approval of any proposed sale or transfer of the Store or your interest in this Agreement upon satisfaction of the following occurrences:

(a) All of your accrued monetary obligations to us, our affiliates, and our designated suppliers and vendors, are satisfied;

(c) You must cure all existing defaults under this Agreement, or any other agreement between you, us and our affiliates, or our designated suppliers and vendors, within the period permitted for cure, and must have substantially complied with such agreements during their respective terms;

(d) You and your principals (if you are a partnership, corporation or limited liability company), and the transferee (if it has had any previous relationship with us or our affiliates), must execute a general release under seal, in a form satisfactory to us, of any and all claims against us and our affiliates and their respective officers, directors, shareholders and employees, in their corporate and individual capacities; provided, however, the release shall not be inconsistent with any applicable state statute regulating franchising;

(e) You or transferee shall provide us a copy of the proposed form of purchase agreement relating to the proposed transfer with all supporting documents and schedules, including transferee’s assumption of and agreement to faithfully perform all of your obligations under this Agreement, and the agreement must not state that you are selling or transferring our customer list;

(f) The transferee shall demonstrate to our satisfaction that he or she meets our educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement; provided, however, the transferee shall not be in the same business as us either as licensor, franchisor, independent operator or licensee of any other spice and tea shop or franchise

system which is similar in nature or in competition with us, except that the transferee may be an existing System franchisee;

(g) The transferee shall execute our then-current form of franchise agreement for either the unexpired term of this Agreement or a full ten (10) year term, as we determine in our sole discretion;

(h) You or transferee shall pay us a transfer fee of fifteen thousand dollars (\$15,000).

(i) The transferee shall satisfactorily complete our training program within the time frame required by us prior to operating the Store and pay us our then-current training fee for transferees;

(j) You (and your principals if you are a partnership, corporation or limited liability company), and the members of their respective families must comply with the post-termination provisions of this Agreement;

(k) The transferee must obtain, within the time limits set by us, and maintain thereafter, all permits and licenses required for the operation of the Store;

(l) To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;

(m) The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;

(n) The purchase price and terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation of the Store and the transferee's performance under its franchise agreement;

(o) Our approval of the transfer shall not constitute a waiver of any claims we may have against you;

(p) You are responsible for payment of all commissions or other monies due from the sale of the Store if: (i) you listed the Store with a broker; or (ii) transferee is referred to us by a broker lead referral network or otherwise;

(q) You have completed, to our satisfaction, prior to the date of transfer, all maintenance, refurbishing, renovating, updating and remodeling of the Site premises required to bring the Site and all equipment into full compliance with our then-current System Standards and specifications;

(r) There must be at least 1 year left on the term of the Franchise Agreement;

(s) Store inventory levels must meet or exceed those of our then-current Establishment Package for new franchises; and

(t) In any event, we may withhold or condition our consent to any transfer as we deem appropriate based on the circumstances of the transfer or otherwise.

15.5 **Transfer to a Corporation or Limited Liability Company.** If you are an individual and desire to assign your rights under this Agreement to a corporation or limited liability company, and if all of the following conditions are met, we will consent to the transfer without assessing the transfer fee set forth in Section 15.4(g) hereof, and such assignment will not be subject to Franchisor's right of first refusal set forth in Section 15.3(a) hereof if:

(a) The corporation or limited liability company is newly organized and its activities are confined to operating the Store;

(u) You are, and at all times remain, the owner of fifty-one percent (51%) of the outstanding shares of the corporation or a controlling interest in the limited liability company;

(v) The corporation or limited liability company agrees in writing to assume all of your obligations hereunder; and

(w) All shareholders of the corporation, or members and managers of the limited liability company, as applicable, personally guarantee prompt payment and performance by the corporation or limited liability company of all its obligations to us and our affiliates, under this Agreement and any other agreement between you and us and/or our affiliates, and such persons execute a confidentiality and noncompetition agreement.

15.6 **Our Right to Transfer.** We have the right to sell, transfer, assign and/or encumber all or any part of our assets and our interest in, and rights and obligations under, this Agreement in our sole discretion.

You may retain no copy of any of these items, except for your copy of this Agreement, any correspondence between the parties and any other documents which you reasonably need for compliance with any provision or law.

17.4 **Competitive Restrictions.** Upon termination, expiration or non-renewal of this Agreement for any reason whatsoever (and you have not acquired a Successor Franchise), you and your owners agree that for a period of two (2) years commencing on the effective date of termination or expiration neither you nor any of your owners will:

(a) Have any direct or indirect interest (e.g. through a spouse or child) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, member, manager, representative or agent or in any other capacity in any Competitive Business operating (a) at the Site, (b) within thirty (30) miles of the Site; or (c) within thirty (30) miles of any other Store or Market Area in operation or under construction on the later of the effective date of the termination or expiration; or

If any person restricted by this Section refuses voluntarily to comply with the foregoing obligations, the two (2) year period will commence with the entry of an order of a court enforcing this provision. You and your owners expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive you of your personal goodwill or ability to earn a living.

17.5 **Our Right to Purchase.**

(a) Upon the termination, expiration or non-renewal of this Agreement, we or our designee shall also have the option, but not the obligation, to purchase any personal property used in connection with operation of your Store by providing you written notice of our election within sixty (60) days after such termination or expiration and paying you the book value for such personal property within sixty (60) days of such notice. For purposes of this paragraph, “book value” means the amount you actually paid for the personal property less depreciation (calculated by using the straight-line depreciation method on a five (5) year depreciation schedule, irrespective of the depreciation method or schedule you use for accounting purposes). Notwithstanding the foregoing, to the extent that we exercise our right to purchase any personal property that is subject to a lease or finance agreement, the purchase price of such personal property shall equal the amount of your remaining obligations under the lease or finance agreement, as applicable. We shall be entitled to offset the purchase price by the amount of money owed by you to us for any payments necessary to acquire clear title to property or for any other debt. If we exercise our option to purchase, pending the closing of such purchase, we have the right to appoint a manager to maintain operation of the Store, or we may require that you close the Store during such period without removing any assets. You are required to maintain in force all insurance policies required under this Agreement until the date of such closing. We have the unrestricted right to assign this option to purchase personal property. We will be entitled to all customary warranties and representations in connection with our purchase of your property, including, without limitation, representations and warranties as to ownership and condition of and title to the property; liens and encumbrances on the property; validity of contracts and agreements; and liabilities affecting the property, contingent or otherwise.

(b) We may exclude from the personal property purchased hereunder cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the Store’s operation or that we have not approved as meeting standards for the Store.

17.6 **Continuing Obligations.** The expiration, termination or non-renewal of this Agreement will not be without prejudice to our rights against you and will not relieve you of any of your obligations to us at the time of such termination, expiration or non-renewal. All of our and your (and your owners' and affiliates') obligations which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its termination, expiration or non-renewal and until they are satisfied in full or by their nature expire. Examples include indemnification, payment, identification, dispute resolution provisions, and non-competition covenants.

18. **RELATIONSHIP OF THE PARTIES/INDEMNIFICATION.**

18.1 **Independent Contractors.** You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that we and you are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealings with customers, suppliers, public officials, Store personnel and others as the owner of the Store under a Franchise we have granted and to place such notices of independent ownership on such forms, business cards, stationery and advertising and other materials as we may require from time-to-time. If you do not do so, we may place the notices and accomplish the foregoing as we see fit, and you must reimburse us for doing so. Neither this Agreement nor our course of conduct is intended, nor may anything in this Agreement (nor our course of conduct) be construed to state or imply that we are the employer of your employees and/or independent contractors.

18.2 **No Liability for Acts of Other Party.** You agree not to employ any of the Proprietary Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations, and that you will not use the Proprietary Marks in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Store's operation or the business you conduct pursuant to this Agreement.

18.3 **Taxes.** We will have no liability for any sales, use, alcohol surcharge, service, occupation, excise, gross receipts, income, payroll, property or other taxes, whether levied upon you or the Store, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

18.4 **Indemnification.** You agree to indemnify, defend and hold harmless us, our affiliates, our parents, and our and our affiliates' and parents' respective shareholders, directors, officers, employees, agents, successors and assignees (the "**Indemnified Party(ies)**") against and to reimburse any one or more of the Indemnified Parties for all claims, obligations and damages described in this Section, any and all taxes described in Section 18.3 and any and all claims and liabilities directly or indirectly arising out of the Store's operation (even if our negligence is alleged, but not proven) or your breach of this Agreement. For purposes of this indemnification, "**claims**" includes all obligations, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountants', arbitrators', attorneys', paralegals' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, or alternative dispute resolution and travel and living expenses. We have the right to defend any such claim against us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

19. **INSURANCE.**

19.1 **Types Required.** During the term of this Agreement, you must obtain and maintain, at your own expense, such minimum insurance coverage as specified by us in our Manuals or otherwise in writing, and as otherwise required by your landlord and/or governing agencies. 19.2 **Coverage Requirements.** You must maintain the specific insurance coverages in the minimum amounts we prescribe from time-to-time in our System Standards. We may periodically increase or decrease the amounts of coverage required under these insurance policies and require different or additional kinds of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes and circumstances.

(a) be with insuring companies that have an AM Best Guide rating of A- VII or better and that are authorized (or admitted) to do business in the state in which your Store is located;

- (g) provide that the insurance company will provide us with at least thirty (30) days' prior written notice of termination, expiration, cancellation or material modification of any policy; and
- (h) provide that you cannot reduce the policy limits, restrict coverage, cancel or otherwise alter or amend the policies without our prior written consent.

19.4 **Evidence of Coverage.** Before the expiration of the term of each insurance policy, you must furnish us with a copy of each new, renewal or replacement policy you have obtained to extend your coverage, along with evidence of the premium payment. If you do not maintain the required insurance coverage, or do not furnish us with satisfactory evidence of insurance coverage and premium payments, we may obtain, at our option and in addition to our other rights and remedies under this Agreement, any required insurance coverage on your behalf. If we do so, you must fully cooperate with us in our effort to obtain the insurance policies and must promptly sign all forms required to obtain or maintain the insurance. You must also allow any inspections of your Store required to obtain or maintain the insurance. Finally, you must pay us, on demand, any costs and premiums we incur in obtaining insurance on your behalf. Neither your obligation to maintain insurance coverage nor our maintenance of insurance on your behalf will reduce or absolve you of any obligations of indemnification described in this Agreement.

or dispute in any court unless we fail to exercise our option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by us. Our rights to mediation, as set forth herein, may be specifically enforced by us. Each party shall bear its own cost of mediation and you and us shall share mediation costs equally. This agreement to mediate shall survive any termination or expiration of this Agreement. The parties shall not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 20.3 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating):

20.6 **Prior Notice of Claims.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, you must notify us in writing within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

**ARTICLE III
COVENANTS AGAINST COMPETITION**

Section 3.1 **During the Term of the Franchise Agreement.** During the term of the Franchise Agreement, neither you, nor your principals, officers, directors, nor any members of your family or the family of your officers, directors, or principals may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

(a) have any direct or indirect interest as a disclosed or beneficial owner in a Competitive Business, other than the Store;

(b) have any direct or indirect controlling interest as a disclosed or beneficial owner in a Competitive Business, wherever located;

(c) perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business, wherever located;
or

(d) on behalf of yourself or any other person, or as an employee, proprietor, owner, consultant, agent, contractor, employer, affiliate, partner, officer, director or associate, or stockholder of any other person or entity, or in any other capacity, engage in or conduct any other business if you have any significant operational or management responsibility or obligation regarding such business, if such other business would interfere with your obligations under the Franchise Agreement to develop and operate your THE SPICE & TEA EXCHANGE[®] business or otherwise (other than Stores operated under franchise agreements with us), unless your THE SPICE & TEA EXCHANGE[®] business is managed by an individual that has satisfactorily completed our training programs.

The words “**Competitive Business**” mean any business or facility owning, operating or managing or granting franchises or licenses to others to do so, any store or facility that features tea, spice, spice blends, herbs, rubs, olive oils, honeys, candles, and related products and accessories that are the same or similar to the products and services offered by Stores (other than a Store under a franchise agreement with us). A Competitive Business also includes any business acting as an franchise broker, business broker, franchise seller, or the like for any business franchising or licensing Competitive Businesses other than us.

Section 3.2 **After the Term of the Franchise Agreement.** Upon termination or expiration of this Agreement for any reason whatsoever (and you have not acquired a Successor Franchise), you and your owners agree that for a period of two (2) years commencing on the effective date of termination or expiration neither you nor any of your owners will:

(b) solicit the Store's customers or contact any of our suppliers or vendors for any competitive business purpose.

Section 3.3 **Intent and Enforcement.** It is the parties' intent that the provisions of this Article III be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein will not render any other part unenforceable. In the event of the actual or threatened breach of this Article III by you, any of your principals, or any members of their immediate family, Franchisor will be entitled to an injunction restraining such person from any such actual or threatened breach. You agree that in the event of the actual or threatened breach of this Article III, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. You acknowledge and agree that each of you has previously worked or been gainfully employed in other careers and that the provisions of this Article III in no way prevent you from earning a living. You further acknowledge and agree that the time limitation of this Article III will be tolled during any default under this Guaranty.

ARTICLE IV DISPUTE RESOLUTION

Section 4.1 **Acknowledgment.** You acknowledge that this Guaranty is not a Franchise Agreement and does not confer upon you any rights to use the Franchisor's proprietary marks or its system.

Section 4.2 **Governing Law.** This Guaranty will be deemed to have been made in and governed by the laws of the state of Florida (without reference to its conflict of laws principals).

Section 4.3 **Internal Dispute Resolution.** You must first bring any claim or dispute arising out of or relating to the Franchise Agreement or this Personal Guaranty to Franchisor's President. You agree to exhaust this internal dispute resolution procedure before bringing any dispute before a third party. This agreement to engage in internal dispute resolution first will survive the termination or expiration of this Agreement.

Section 4.4 **Mediation.** At Franchisor's option, all claims or disputes between you and Franchisor arising out of, or in any way relating to, this Personal Guaranty or the Franchise Agreement or any other agreement by and between you and the Franchisor, or any of the parties' respective rights and obligations arising from such agreements must be submitted first to non-binding mediation, in Pinellas County, Florida, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, you must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of 30 days following receipt of such notice within which to notify you as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. You may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor.

Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and the parties will share the cost of mediator. This agreement to mediate at our option will survive the termination or expiration of the Franchise Agreement. There will be no class action mediation.

a) The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 4 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating):

- (1) Any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information;
- (2) Any claims arising out of or pertaining to any warranty issue;
- (3) Any of the restrictive covenants contained in this agreement; or
- (4) Any claims to collect past due amounts owed to Franchisor or its affiliates.

Section 4.5 Third Party Beneficiaries. Franchisor' officers, directors, shareholders, agents and/or employees are express third party beneficiaries of the Franchise Agreement and this Guaranty, and the mediation provisions contained herein, each having authority to specifically enforce the right to mediate and arbitrate claims asserted against such person(s) by you.

Section 4.6 Injunctive Relief. Nothing contained in this Guaranty will prevent Franchisor from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interest prior to the filing of any mediation proceeding or pending the trial or handing down of a decision or award pursuant to any mediation or judicial proceeding conducted hereunder.

Section 4.7 Jurisdiction and Venue. With respect to any proceeding not subject to mediation, the parties expressly agree submit to the jurisdiction and venue of any court of general jurisdiction in Pinellas County, Florida and the jurisdiction and venue of the United States District Court for the Middle District of Florida. The parties agree that all proceedings will be conducted on an individual, not a class-wide basis, and that any proceeding between you, your guarantors, and Franchisor or its affiliates or employees may not be consolidated with any other proceeding between Franchisor and any other person or entity.

Section 4.8 Jury Trial Waiver. THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER WILL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH

ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS PERSONAL GUARANTY OR THE FRANCHISE AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR YOUR PURCHASE FROM FRANCHISOR OF THE FRANCHISE, OPTION AND/OR ANY GOODS OR SERVICES.

Section 4.9 Waiver of Punitive Damages. You waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) which you may have against us arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, your recovery will be limited to actual damages. If any other term of this Personal Guaranty is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions will continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

Section 4.10 Limitation on Action. You agree that no cause of action arising out of or under this Guaranty or the Franchise Agreement may be maintained by you unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one (1) year after you become aware of facts or circumstances reasonably indicating that you may have a claim against the Franchisor, whichever occurs sooner, and that any action not brought within this period will be barred as a claim, counterclaim, defense or set-off.

Section 4.11 Attorneys' Fees. If either party institutes any mediation action or judicial proceeding to enforce any monetary or nonmonetary obligation or interpret the terms of this Guaranty and the Franchise Agreement, and Franchisor prevails in such action, you will be liable to Franchisor for all costs, including reasonable attorneys' fees, incurred in connection with such proceeding.

Section 4.12 Nonwaiver. Franchisor's failure to insist upon strict compliance with any provision of this Personal Guaranty and the Franchise Agreement will not be a waiver of Franchisor' right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by Franchisor respecting any breach or default will not affect Franchisor' rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty will be cumulative. Franchisor' election to exercise any remedy available by law or contract will not be deemed a waiver or preclude exercise of any other remedy.

Section 4.13 Severability. The parties agree that if any provisions of this Guaranty may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision will have the meaning, which renders it valid and enforceable. The language of all provisions of this Guaranty will be construed according to fair meaning and not strictly construed against either party. The provisions of this Guaranty are severable, and this Guaranty will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions will be enforced to the extent that they are valid and enforceable. If any material provision of this Guaranty will be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Guaranty.

Section 4.14 Construction of Language. Any term defined in the Franchise Agreement

which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

Section 4.15 **Successors.** References to “Franchisor” or “the undersigned,” or “you” include the respective parties' successors, assigns or transferees.

Section 4.16 **No Personal Liability.** You agree that fulfillment of any and all of Franchisor’s obligations written in this Guaranty or in the Franchise Agreement or based on any oral communications which may be ruled to be binding in a Court of Law will be Franchisor’s sole responsibility and none of Franchisor’s agents, representatives, nor any individuals associated with Franchisor’s franchise company will be personally liable to Franchisee or you for any reason.

RIDER TO FRANCHISE AGREEMENT

FOR USE IN WASHINGTON

THIS RIDER (the “**Rider**”) is effective as of _____, 20__ (the “**Agreement Date**”), and amends the Franchise Agreement dated _____, 20__ (the “**Agreement**”), THE SPICE & TEA EXCHANGE FRANCHISING, LLC, a Florida limited liability company (“**we,**” “**us,**” “**our**” or “**Franchisor**”) and _____ (“**you,**” “**your**” or “**Franchisee**”).

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring

any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Exhibit J

The Compliance Questionnaire is hereby amended to state that it does not waive any liability the franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

Exhibit H

Exhibit H is hereby amended to state that it does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

The undersigned does hereby acknowledge receipt of this addendum.

This Assignment is for collateral purposes only and except as specified herein, Assignee has no liability or obligation of any kind whatsoever arising from or in connection with this Assignment or the Lease unless: (i) Assignee provides express, written notice to both Assignor and the landlord of the Premises under the Lease that Assignee is assuming all of Assignor’s rights, title and interest under the Lease pursuant to this assignment; and (ii) Assignee takes possession of the Premises demised by the Lease pursuant to the terms hereof, and assumes the obligations of Assignor thereunder.

Assignor represents and warrants to Assignee that it has full power and authority to so assign the Lease and its interest therein and that Assignor has not previously assigned or transferred, and is not obligated to assign or transfer, any of its interest in the Lease or the Store Site demised thereby.

Upon a default by Assignor under the Lease or under the franchise agreement for a Store between Assignee and Assignor (the “Franchise Agreement”), or in the event of a default by Assignor under any document or instrument securing the Franchise Agreement, or upon expiration or termination of the Franchise Agreement or this Agreement, Assignee has the right and is hereby empowered to take possession of the Store Site, expel Assignor therefrom, and, in such event, Assignor will have no further right, title or interest in the Lease. Assignor hereby authorizes the Lessor to disclose to Assignee, upon its request, sales and other information furnished to the Lessor by Assignor.

(c) Agrees that Franchisor will have the option, but not the obligation, to assume or renew the lease and the occupancy of the business Premises, including the right to sublease to another Franchisee, for all or any part of the remaining term of the lease, upon Franchisee’s default or termination hereunder or upon Franchisee’s default or termination or expiration of the Franchise Agreement, and in connection with said assumption Franchisor will not be obligated to pay to the landlord past due rent, common area maintenance, and other charges attributable to more than one (1) month. The landlord shall give Franchisor thirty (30) days, upon termination of Franchisee’s rights under the lease, to exercise this option;

(d) Consents to the foregoing Collateral Assignment and agrees that if Assignee takes possession of the Store Site in accordance with paragraph (c) above and confirms to Lessor the assumption of the Lease by Assignee as tenant thereunder, Lessor must recognize Assignee as tenant under the Lease; and

CONFIDENTIALITY AND RESTRICTIVE COVENANT AGREEMENT

(for all employees of the franchisee)

In consideration of my being a [insert here position of employee] of [insert here name of franchisee entity] (the "Franchisee"), and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that Franchisee has acquired the right and franchise from The Spice & Tea Exchange Franchising, LLC (the "Company") to establish and operate a The Spice & Tea Exchange® Store (the "Store") and the right to use in the operation of the Store the Company's trade names, trademarks and service marks (the "Proprietary Marks") and the Company's unique and distinctive format and system relating to the establishment and operation of Stores (the "System"), as they may be changed, improved and further developed from time to time in the Company's sole discretion, only at the following authorized and approved location: _____ (the "Store Premises").

1. The Company possesses certain proprietary and confidential information relating to the operation of the System, which includes (i) the System and the know how related to its use; (b) the Manual; (iii) plans, specifications, size and physical characteristics of Stores; (iv) site selection criteria, land use and zoning techniques and criteria; (v) design of equipment, furniture, forms, materials and supplies; (vi) training for Stores; (vii) methods, techniques, formats, specifications, procedures, information and systems related to and knowledge of and experience in the development, operation and franchising of Stores; (viii) knowledge of specifications for certain Products and Supplies and suppliers of certain Products and Supplies; (ix) recipes, formulas, mixes, preparation methods and serving techniques; and (x) knowledge of operating results and financial performance of Stores other than those operated by you (or your affiliates) (the "Confidential Information").

2. Any and all information, knowledge, know-how, and techniques which the Company specifically designates as confidential will be deemed to be Confidential Information for purposes of this Agreement.

3. In my position with Franchisee, the Company and/or Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, the Company's Manuals for system franchisees (the "Manuals") and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Store during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I will hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position.

6. Except as otherwise approved in writing by the Company, I will not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company: (a) have any direct or indirect interest as a disclosed or beneficial owner in a Competitive Business, other than the Store; (b) have any direct or indirect

controlling interest as a disclosed or beneficial owner in a Competitive Business, wherever located; (c) perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business, wherever located; or (d) on behalf of yourself or any other person, or as an employee, proprietor, owner, consultant, agent, contractor, employer, affiliate, partner, officer, director or associate, or stockholder of any other person or entity, or in any other capacity, engage in or conduct any other business if you have any significant operational or management responsibility or obligation regarding such business, if such other business would interfere with your obligations under the Franchise Agreement to develop and operate your THE SPICE & TEA EXCHANGE® business or otherwise (other than Stores operated under franchise agreements with us), unless your THE SPICE & TEA EXCHANGE® business is managed by an individual that has satisfactorily completed our training programs. The words “**Competitive Business**” mean any business or facility owning, operating or managing or granting franchises or licenses to others to do so, any store or facility that features tea, spice, spice blends, herbs, rubs, olive oils, honeys, candles, and related products and accessories that are the same or similar to the Products and Services offered by Stores (other than a Store under a franchise agreement with us). A Competitive Business also includes any business acting as an franchise broker, business broker, franchise seller, or the like for any business franchising or licensing Competitive Businesses other than us.

7. Except as otherwise approved in writing by the Company, I will not, for a period of two (2) years after my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company: (i) have any direct or indirect interest as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, member, manager, representative or agent or in any other capacity in any Competitive Business operating (a) at the Site, (b) within 30 miles of the Site, or (c) within 30 miles of any other Store or Market Area in operation or under construction on the later of the effective date of the termination or expiration; or (ii) solicit the Store’s customers or contact any of the Company’s suppliers or vendors for any competitive business purpose.

8. I agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company will have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. This Agreement will be construed under the laws of the State of Florida (without reference to its conflict of laws principals). The only way this Agreement can be changed is in writing signed by both the Franchisee and me.

THIS KIOSK ADDENDUM (“**Addendum**”) is made and entered into this ____ day of __ (the “**Effective Date**”), between THE SPICE & TEA EXCHANGE FRANCHISING, LLC (“**we,**” “**us,**” “**our,**” or “**Franchisor**”) and _____ (“**you,**” “**your,**” or “**Franchisee**”) (collectively, Franchisor and Franchisee are sometimes referred to as the “**Parties**” or individually as a “**Party**”).

BACKGROUND

Franchisee and Franchisor entered into that Franchise Agreement dated _____ (“**Franchise Agreement**”), granting Franchisee the right and obligation to operate a The Spice & Tea Exchange® Store at :____. The Franchise Agreement provides that we may allow you to operate a Kiosk Location, as that term is defined in Section 2.5 of the Franchise Agreement. You have requested that we grant you the right to open and operate a Kiosk Location at the following location (address here) _____ (the “**Kiosk Site**”). Subject to the terms and conditions set forth in the Franchise Agreement relating to the requirements and obligations for generally operating a The Spice & Tea Exchange® Store and subject to the terms of this Addendum, we grant you the right to operate a Kiosk Location at the Kiosk Site.

OPERATIVE TERMS

1. Terms. Terms not otherwise defined in this Addendum have the meanings as defined in the Franchise Agreement.
2. Permission to Operate Kiosk Location. We grant you permission to operate a Kiosk Location at the Kiosk Site subject to the terms and provisions of the Franchise Agreement, this Addendum and the Manual. You agree that you shall not open any other Kiosk Location without our written permission, nor shall you move the Kiosk Location to any other location without our written permission.
3. Purpose of Kiosk. The Kiosk Location shall be used only to offer the Products and Services at the Kiosk Site in accordance with the Franchise Agreement, this Addendum and the Manual.
4. Administrative Fee. You agree to pay us a non-refundable fee of \$1,500.00 upon signing this Addendum to cover certain of our preliminary administrative expenses associated with allowing you to operate a Kiosk Location from the Kiosk Site.

5. Initial Term. The term of this Addendum begins on the Effective Date and expires the sooner of the termination or expiration of the Franchise Agreement or _____. (the “**Initial Kiosk Term**”). The Initial Term may be terminated before it expires in accordance with this Addendum and Section 16 of the Franchise Agreement. At the end of the Initial Kiosk Term, unless you enter into a Successor Kiosk Term as described below, you will no longer have the right to operate a Kiosk Location from the Kiosk Site.

6. Successor Term. Upon expiration of the Initial Term, if you have substantially complied with this Addendum and the Franchise Agreement during the Initial Kiosk Term, then, subject to the terms of this paragraph, you will have the right to continue to operate the Kiosk Location at the Kiosk Site for 2 additional terms of 1 year each (each a “**Successor Kiosk Term**”) on the terms and conditions of the addendum we are then using in granting Successor Kiosk Terms. You agree to give us written notice of your election to acquire a Successor Kiosk Term at least 60 days prior to the expiration of the Initial Kiosk Term. We agree to give you written notice not more than 15 days after we receive your notice, of our decision to: (a) grant you a Successor Kiosk Term; (b) grant you a Successor Kiosk Term on the condition that deficiencies in the Kiosk Location, or in the operation of your Kiosk Location, are corrected within 15 days; or (c) not grant you a Successor Kiosk Term based on our determination that you have not substantially complied with this Addendum or the Franchise Agreement. If you are granted the right to enter a Successor Kiosk Term, you and your owners agree to execute the form of addendum we are then using in granting Successor Kiosk Terms and any ancillary agreements we are then using in granting Successor Kiosk Terms. You and your owners further agree to execute general releases, in form satisfactory to us, of any and all claims against us and our shareholders, members, officers, directors, employees, agents, successors and assigns. Our grant of a Successor Kiosk Term is also contingent on your payment to us of a fee in the amount of \$1,500 (“**Successor Kiosk Fee**”), which amount is due at the time you sign the addendum for the Successor Kiosk Term. The fees, procedure and other conditions for acquiring the second available Successor Kiosk Term will be the same as above.

7. No Training. Section 7 of the Franchise Agreement does not apply to the Kiosk Location. You will not receive any training in connection with the opening or operation of the Kiosk Location.

8. No Establishment Package. You will not receive an Establishment Package or any other Products and Services from us as part of entering into this Addendum and opening the Kiosk Location. You will be solely responsible for purchasing from Approved Suppliers all Products and Services needed to open and operate the Kiosk Location.

9. Guaranty. You agree and have authorization to agree that any person who signed a Principal Owner’s Guaranty in conjunction with the Franchise Agreement, is jointly and severally liable for all of your obligations and duties under this Addendum and for your operation of the Kiosk Location.

10. Royalty. You will pay the same Royalty for your Kiosk Location as you pay for your Store under the Franchise Agreement. The payment of the Royalty, including, but not limited to, the percentage, its calculation and its due date, will be governed in all respects by the terms of the Franchise Agreement.

11. System Development Fees. You will pay the same System Development Fee for your Kiosk Location as you pay for your Store under the Franchise Agreement. The payment of the System Development Fee, including, but not limited to, the percentage, its calculation and its due date, will be governed in all respects by the terms of the Franchise Agreement.

12. Fees. In addition to the Royalty and System Development Fee, all other fees applicable to the Store as set forth in the Franchise Agreement are also applicable to the Kiosk Location, including, but not limited to, the Late Payment Fee.

13. Additional Terms. Unless superseded, negated or amended by this Addendum, all of the provisions of the Franchise Agreement apply in all respects to your operation of the Kiosk Location. Specifically, without limitation, Section 8, Section 9, Section 10, Section 11, Section 12, Section 13, Section 14, Section 16, Section 17, Section 18, Section 19 and Section 20, all apply to the operation of the Kiosk Location and such sections are incorporated herein by reference.

14. No Transfer. You do not have the right to transfer operation or ownership of the Kiosk Location as that term is defined in Section 15.2 of the Franchise Agreement. Accordingly, Section 15 of the Franchise Agreement does not apply to your operation of the Kiosk Location. The right to operate the Kiosk Location is personal to you.

15. Termination. In addition to the termination provisions set forth in the Franchise Agreement, you agree that your failure to comply with any of the terms of this Addendum will be grounds for the termination of this Addendum and your Franchise Agreement. You also agree and understand that the termination or expiration of the Franchise Agreement for any reason shall automatically and immediately result in the termination of this Addendum and your right to operate the Kiosk Location.

16. Representations. In order to induce us to execute and deliver this Addendum, you hereby represent that as of the Effective Date you are in full compliance with all of the terms and conditions of the Franchise Agreement.

17. Compliance with Franchise Agreement and Laws. You represent and warrant to us that the Kiosk Location and all operations conducted from the Kiosk Site will comply with the Franchise Agreement, this Addendum and all state and local real estate licensing laws and regulations, as well as all other applicable laws and regulations.

18. Release. Simultaneous with the signing of this Addendum, you shall sign the general release attached hereto as Exhibit 1.

19. Interpretation. In the event of any conflict between the terms and conditions stated within this Addendum and those contained within the Franchise Agreement or understanding between the parties, written, oral or implied, the terms of the Franchise Agreement shall govern.

FORM OF DEVELOPMENT AGREEMENT

DEVELOPMENT AGREEMENT

This Development Agreement (“Agreement”) entered into this _____ (the “Effective Date”), between: (i) The Spice & Tea Franchising, LLC, a Florida limited liability company with its principal business address at 210 Marshall Circle, St. Augustine, FL 32086 (the “Franchisor”); and (ii) _____, a _____ with an address at _____ (the “Developer”).

BACKGROUND

A. Franchisor and its affiliates, through the expenditure of considerable time and effort, have developed a distinctive system (the “**System**”) for the development and operation of stores (the “**Stores**”) that sell a wide variety of herbs, spices, blends, rubs, olive oil, teas and related products and accessories Franchisor designates or approves (the “**Products and Services**”), in a distinctive and innovative environment. Stores operate under the standards of the System, which include distinctive business formats, methods, procedures, designs, layouts, signs, product and service requirements, standards, specifications, all of which we may improve, further develop or otherwise modified from time-to-time.

B. Franchisor’s System is comprised of various proprietary and, in some cases, distinguishing elements, including without limitation: proprietary methodology and procedures for the establishment and operating procedures of a Store, site-selection guidance and criteria, specifications for the design, layout and construction of the interior of Stores, standards and specifications for the furniture, fixtures and equipment located within a Store, established relationships with approved or designated suppliers for certain inventory and other supplies necessary to prepare the Products and Services, as well as standards and specifications for advertising, bookkeeping, sales and other aspects of operating a Store. The parties agree and acknowledge that Franchisor may change, improve, further develop, or otherwise modify the System from time to time as it deems appropriate in its discretion.

C. The System and Stores are identified by the mark THE SPICE & TEA EXCHANGE[®], as well as certain other trade names, trademarks, service marks and trade dress, all of which Franchisor owns or has obtained a license to use and license others to use in connection with the System (collectively, the “Proprietary Marks”). Franchisor has established substantial goodwill and business value in its Proprietary Marks and System.

D. Franchisor grants qualified third parties the right to develop three (3) Stores within a defined geographical area (the “Development Area”) in accordance with a mandatory development schedule that must be strictly adhered to, with each Store within the Development Area being opened and operating utilizing the Proprietary Marks and System pursuant to the terms and conditions set forth in a separate form of Franchisor’s then-current franchise agreement (each, a “Franchise Agreement”).

E. Developer recognizes the benefits from receiving the right to operate a Store and desires to: (i) become a multi-unit Store operator subject to the terms of this Agreement; and (ii) receive the benefits provided by Franchisor under this Agreement.

F. Developer has applied for the right to open and operate three (3) Stores within a Development Area set forth in this Agreement below and Franchisor has approved such application in reliance on Developer’s representations made therein.

G. Developer hereby acknowledges that adherence to the terms of this Agreement, including Franchisor’s operations manual and other System standards and specifications are essential to the operation of all Stores and our System as a whole.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. **Development Area.** Subject to the terms and conditions set forth herein, Franchisor grants Developer the right, and Developer undertakes the obligation, to develop and establish three (3) Stores within the Development Area described in the data sheet attached hereto as Exhibit “A” (the “Data Sheet”), provided Developer opens and commences operations of such Stores in strict accordance with the mandatory development schedule also set forth in the Data Sheet (the “Development Schedule”).

2. **Development Fee.** Developer agrees to pay Franchisor the development fee set forth in the Data Sheet immediately upon execution of this Agreement. The Development Fee will be \$90,000 total for three (3) Stores. The parties agree and acknowledge that, upon payment of the Development Fee required by this Section: (i) Developer will not be required to pay Franchisor an additional “Franchise Fee” pursuant to any Franchise Agreement that Developer enters into to fulfill its development obligations under this Agreement within the Development Area; and (ii) the Development Fee will be deemed fully earned by Franchisor and not refundable under any circumstances.

3. **Initial Franchise Agreement.** Contemporaneous with the execution of this Agreement, Developer must enter into Franchisor’s current form of Franchise Agreement for the first Store that Developer is required to open within the Development Area. In the event Developer is a business entity of any kind, then Developer’s principals/owners must each execute the form of personal guaranty attached to the foregoing Franchise Agreement, as well as any additional Franchise Agreements described in Section 5 of this Agreement.

4. **Additional Franchise Agreements.** Developer agrees and acknowledges that it must: (i) enter into Franchisor’s then-current form of Franchise Agreement for each additional Store that Developer is required to open under this Agreement; and (ii) enter into such Franchise Agreements at such times that are required for Developer to timely meet, and strictly adhere to, its obligations under the Development Schedule.

5. **Development Obligations.** Developer must ensure that, at a minimum, Developer: (i) opens and commences operations of the required number of new Stores during the time period set forth in the Development Schedule described in the Data Sheet (each, a “Development Period”); and (ii) has the cumulative total number of Stores designated in the Development Schedule that are open and operating at the expiration of each Development Period. The parties agree and acknowledge that time is of the essence with respect to the foregoing development obligations and that Developer’s failure to comply with the Development Schedule is grounds for immediate termination of this Agreement (and any future development rights granted hereunder).

6. Term and Termination.

6.1 This Agreement will commence as of the date it is fully executed and, unless earlier terminated by Franchisor, will end on the last day of the calendar month that the final Store is required to be opened and operating under the Development Schedule. Upon expiration or termination of this Agreement for any reason, Developer will not have any rights within the Development Area other than the rights granted in connection with any Store that Developer has opened and commenced operating as of the date this Agreement is terminated or expires.

6.2 Franchisor will have the right, at its option, to terminate this Agreement and all rights granted to Developer hereunder, without affording Developer any opportunity to cure such default, effective

upon written notice to Developer, upon the occurrence of any of the following events: (i) if Developer ceases to actively engage in development activities in the Development Area or otherwise abandons its development business for three (3) consecutive months, or any shorter period that indicates an intent by Developer to discontinue development of the Stores within the Development Area; (ii) if Developer becomes insolvent or is adjudicated bankrupt, or if any action is taken by Franchisee, or by others against the Developer, under any insolvency, bankruptcy or reorganization act, or if Developer makes an assignment for the benefit of creditors or a receiver is appointed by the Developer; (iii) if Developer fails to meet its development obligations under the Development Schedule for any one Development Period, and fails to cure such default within thirty (30) days of receiving notice thereof; and (iv) if any Franchise Agreement that is entered into in order to fulfill Developer's development obligations under this Agreement is terminated or subject to termination by Franchisor, pursuant to the terms of that Franchise Agreement.

7. **Reservation of Rights.** Except as provided in Section 1 of this Agreement, the parties agree and acknowledge that the rights granted in this Agreement are non-exclusive and that Franchisor and its affiliates reserve all other rights not expressly granted to Developer herein.

8. **Sale or Assignment.** Developer's rights under this Agreement are personal and Developer may not sell, transfer, or assign any right granted herein without Franchisor's prior written consent, which may be withheld in its sole discretion. Notwithstanding, if Developer is an individual or a partnership, Developer has the right to assign its rights under this Agreement to a corporation or limited liability company that is wholly owned by Developer according to the same terms and conditions as provided in Developer's initial Franchise Agreement. Franchisor has the right to assign this Agreement in whole or in part in its sole discretion.

9. **Acknowledgment.** Developer acknowledges that this Agreement is not a Franchise Agreement and does not confer upon Developer any rights to use the Franchisor's Marks or System.

10. **Notices.** All notices, requests and reports to be given under this Agreement are to be in writing and delivered by either hand, overnight mail, or certified mail, return receipt requested, prepaid, to the addresses set forth above (which may be changed by written notice).

11. **Choice of Law.** This Agreement will be governed by the laws of Florida (without reference to its conflict of laws principals).

12. **Internal Dispute Resolution.** Developer must first bring any claim or dispute between Developer and Franchisor to Franchisor's President, after providing Franchisor with notice of and a reasonable opportunity to cure and alleged breach hereunder. Developer must exhaust this internal dispute resolution procedure before bringing a dispute before a third party. This agreement to first attempt resolution of disputes internally will survive termination or expiration of this Agreement.

13. **Mediation.** At Franchisor's option, all claims or disputes between Franchisor and Developer or its affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisor and Developer or its affiliates, or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 12 above, must be submitted first to mediation, in Palm Harbor, Florida, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Developer must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Developer as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Developer may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option

to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. This agreement to mediate will survive any termination or expiration of this Agreement. The parties agree that there will be no class action mediation.

14. **Injunctive Relief.** Nothing contained in this Agreement herein will prevent Franchisor from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interests prior to the filing of any mediation proceeding or pending the trial or handing down of a decision or award pursuant to any mediation proceeding conducted hereunder.

15. **Jurisdiction and Venue.** With respect to any proceeding not subject to mediation, the parties expressly agree to the jurisdiction and venue of any state court of general jurisdiction in or closest to Palm Harbor, Florida, and the jurisdiction and venue of the United States District Court for the Middle District of Florida. Developer acknowledges that this Agreement has been entered into in the Florida and that Developer will receive valuable and continuing services emanating from Franchisor's headquarters in Palm Harbor, Florida. In recognition of such services and their origin, Developer hereby irrevocably consents to the personal jurisdiction of the state and federal courts of the Florida set forth above.

16. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, agents and/or employees are express third party beneficiaries of this Agreement and the dispute resolution procedures contained herein, each having authority to specifically enforce the right to mediate claims asserted against such person(s) by Developer.

17. **Jury Trial Waiver.** With respect to any proceeding not subject to mediation, the parties hereby agree to waive trial by jury in any action, proceeding or counterclaim, whether at law or equity, regardless of which party brings suit. This waiver will apply to any matter whatsoever between the parties hereto which arises out of or is related in any way to this Agreement, the performance of either party, and/or Developer's purchase from Franchisor of the development rights described herein.

18. **Waiver of Punitive Damages.** Developer waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) which Developer may have against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, Developer's recovery will be limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions will continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

19. **Attorneys' Fees.** If either party institutes any judicial or mediation proceeding to enforce any monetary or nonmonetary obligation or interpret the terms of this Agreement and Franchisor prevails in the action or proceeding, Developer will be liable to Franchisor for all costs, including reasonable attorneys' fees, incurred in connection with such proceeding.

20. **Nonwaiver.** Franchisor's failure to insist upon strict compliance with any provision of this Agreement will not be a waiver of Franchisor's right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by Franchisor respecting any breach or default will not affect Franchisor's rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Agreement will be cumulative. Franchisor's election to exercise any remedy available by law or contract will not be deemed a waiver or preclude exercise of any other remedy.

21. **Severability.** The parties agree that if any provisions of this Agreement may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision will have the meaning that renders it valid and enforceable. The provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent that they are valid and enforceable. If any material provision of this Agreement will be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Agreement.

22. **Construction of Language.** The language of this Agreement will be construed according to its fair meaning and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires. If more than one party or person is referred to as Developer, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

23. **Successors.** References to “Franchisor” or “Developer” include the respective parties’ successors, assigns or transferees, subject to the limitations of Section 8 of this Agreement.

24. **Additional Documentation.** You must from time to time, subsequent to the date first set forth above, at Franchisor’s request and without further consideration, execute and deliver such other documentation or agreements and take such other action as Franchisor may reasonably require in order to effectuate the transactions contemplated in this Agreement. In the event that Developer fails to comply with the provisions of this Section, Developer hereby appoints Franchisor as Developer’s attorney-in-fact to execute any and all documents on Developer’s behalf, as reasonably necessary to effectuate the transactions contemplated herein.

25. **No Right to Offset.** Developer may not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of the alleged nonperformance of Franchisor or any of its affiliates or as an offset against any amount Franchisor or any of its affiliates may owe or allegedly owe Developer under this Agreement or any related agreements.

26. **State Law Applies.** If any provision of this Agreement, including but not limited to its provisions for transfer, renewal, termination, notice of termination, or cure rights, is inconsistent with any valid law or regulation of the state in which Developer’s initial Store is located, then the valid law or regulation of that state applicable to the franchised business will supersede any provision of this Agreement that is less favorable to Developer.

27. **Entire Agreement.** This Agreement contains the entire agreement between the parties concerning Developer’s development rights within the Development Area; no promises, inducements or representations (other than those in the Franchise Disclosure Document) not contained in this Agreement have been made, nor will any be of any force or effect, or binding on the parties. Modifications of this Agreement must be in writing and signed by both parties. Franchisor reserves the right to change Franchisor’s policies, procedures, standards, specifications or manuals at Franchisor’s discretion. In the event of a conflict between this Agreement and any Franchise Agreement(s), the terms, conditions and intent of this Agreement will control. Nothing in this Agreement, or any related agreement, is intended to disclaim any of the representations Franchisor made to Developer in the Franchise Disclosure Document that Franchisor provided to Developer.

IN WITNESS WHEREOF, AND INTENDING TO BE LEGALLY BOUND HEREBY, THE PARTIES HERETO HAVE CAUSED THIS AGREEMENT TO BE EXECUTED EFFECTIVE THE DATE FIRST SET FORTH ABOVE.

STATE SPECIFIC ADDENDA

**ADDENDUM TO THE SPICE & TEA EXCHANGE FRANCHISING, LLC
CALIFORNIA DISCLOSURE DOCUMENT**

The following paragraphs are added to the Disclosure Document:

OUR WEBSITE (www.spiceandtea.com) HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

The following paragraphs are added at the end of Item 17 of the Disclosure Document pursuant to regulations promulgated under the California Franchise Investment Law:

California Law Regarding Termination and Non-renewal. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Termination Upon Bankruptcy. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.).

Post-Termination Non-competition Covenants. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the respective agreement. These provisions may not be enforceable under California law.

Applicable Law. The Franchise Agreement requires application of the laws of the State of Florida with certain exceptions. These provisions may not be enforceable under California law.

Venue. The Franchise Agreement requires venue to be limited to Florida. This provision may not be enforceable under California law. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Releases. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids

a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Material Modifications. California Corporations Code, Section 31125 requires us to give you a disclosure document, approved by the Department of Business Oversight before we ask you to consider a material modification of your franchise agreement.

Securities Orders. Neither the franchisor nor any person disclosed in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

The following paragraph is added at the end of Item 19 of the Franchise Disclosure Document pursuant to the regulations promulgated under the California Franchise Investment Law:

The financial performance figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in the Franchise Disclosure Document, may be one source of this information.

Section 20.10 of the Franchise Agreement and Section 18 of the Area Development Agreement requires a waiver of punitive damages. Under California Corporations Code section 31512, these provisions are unenforceable in California for any claims you may have under the California Franchise Investment Law.

The franchise agreement contains a provision requiring you to agree to shorten the statute of limitations to bring claims against the franchisor. Under California Corporations Code section 31512, this provision is not enforceable in California for any claims you may have under the California Franchise Investment Law.

Sections 1.2, 1.3(d), 1.4 and 23 of the Franchise Agreement are deleted in their entirety. These provisions may not be enforceable under California Law.

The Franchisor will not require you to execute the Franchise Compliance Questionnaire that is attached as Exhibit J to the Franchise Disclosure Document. If you do execute the Franchise Compliance Questionnaire, we will disregard it and not rely on it.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

**ADDENDUM TO THE FRANCHISE AGREEMENT AND DEVELOPMENT AGREEMENT
FOR THE STATE OF CALIFORNIA**

The following language is hereby added to the Franchise Agreement and Development Agreement:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Intending to be bound, you and we sign and deliver this Addendum.

FRANCHISE APPLICANT

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

3. Item 17, summary column for (m) is amended to add the following:

Any release signed as a condition of transfer will not apply to any claims you may have under the Minnesota Franchise Act.

4. Item 17, summary columns for (v) and (w) are amended to add the following:

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

5. Item 5 is amended by adding the following language:

Due to our financial condition, the Minnesota Department of Commerce requires that the payment of initial fees be deferred until such time as the franchisor completes its pre-opening obligations under the Franchise Agreement and the franchise is open for business. In addition, all development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

6. Minnesota Rule 2860.4400D prohibits us from requiring you to assent to a release, assignment, novation or waiver that would relieve any person from liability under Minnesota Statutes 80C.01 through 80C.22. The Franchise Agreement contains provisions requiring a general release as a condition of renewal or transfer of a franchise. Such release will exclude claims arising under Minnesota Statutes 80C.01 through 80C.22. In addition, no representation or acknowledgement by you in the Franchise Agreement is intended to or shall act as a release, assignment, novation or waiver that would relieve any person from liability under Minnesota Statutes 80C.01 through 80C.22.

7. You cannot consent to us obtaining injunctive relief. We may seek injunctive relief. See Minnesota Rule 2860.4400J. Also, a court will determine if a bond is required.

8. Any limitations of claims sections must comply with Minnesota Statutes, Section 80.17, Subdivision 5.

NORTH DAKOTA ADDENDUM TO THE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

For franchises and franchisees subject to the North Dakota Franchise Investment Law, the following information supersedes or supplements, as the case maybe, the corresponding disclosures in the main body of the text of the The Spice & Tea Exchanging Franchising, LLC Franchise Disclosure Document.

1. Item 17 is amended by the addition of the following language to the original language that appears therein:
 - (a) Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota.
 - (b) Any provision in the Franchise Agreement or Development Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota.
 - (c) Any provision in the Franchise Agreement or Development Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law and is hereby deleted.
 - (d) Any provision requiring a franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law and is hereby deleted.
 - (e) Any provision in the Franchise Agreement or Development Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee's business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any such provision is amended to provide that the site of arbitration or mediation be agreeable to all parties and may not be remote from the franchisee's place of business.
 - (f) Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.
 - (g) Any provision in the Franchise Agreement or Development Agreement requiring that the Franchise Agreement or Development Agreement is to be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law and is hereby deleted.
 - (h) Any provision in the Franchise Agreement or Development Agreement requiring a franchisee to consent to termination or liquidated damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law and is hereby deleted.

(i) Any provision in the Franchise Agreement or Development Agreement requiring a franchisee to consent to a waiver of exemplary and punitive damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law and is hereby deleted.

(j) Any provision in the Franchise Agreement requiring a franchisee to consent to a limitation of claims within one year is unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any such provision shall be changed to provide that the statute of limitations of North Dakota will apply.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

In recognition of the requirements of the State of Rhode Island Franchise Investment Act (the “Act”), §19-28.1 et seq., the Franchise Disclosure Document submitted by The Spice & Tea Exchange Franchising, LLC, for use in the State of Rhode Island is amended as follows:

1. Item 17 u.- Dispute resolution by arbitration or mediation shall comply with §19-28.1-21 of the Act - Private civil actions - and be amended to read:

(a) A person who violates any provision of this Act is liable to the franchisee for damages, costs, and attorneys and experts’ fees. In the case of a violation of §§ 19-28.1-5, 19-28.1-8, or 19-28.1-17(1)-(5), the franchisee may also sue for rescission. No person shall be liable under this section if the defendant proves that the plaintiff knew the facts concerning the violation.

Covenants not to compete upon termination or expiration of a Franchise Agreement are generally unenforceable in the State of South Dakota, except in certain instances as provided by law.

2. Any provision that provides that the parties waive their right to claim punitive, exemplary, incidental, indirect, special or consequential damages may not be enforceable under South Dakota Law. If any of the provisions in this Disclosure Document, the Franchise Agreement or the Area Development Agreement are inconsistent with this paragraph, the terms of this paragraph will prevail with regard to any franchise sold in South Dakota.

**VIRGINIA ADDENDUM TO THE
DISCLOSURE DOCUMENT**

1. The following statement is added to Item 5:

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

2. The following statements are added to Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement do not constitute “reasonable cause” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

3. No statement, questionnaire, or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

**WASHINGTON ADDENDUM TO THE FRANCHISE
DISCLOSURE DOCUMENT, AREA DEVELOPMENT AGREEMENT,
AND RELATED AGREEMENTS**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

Dated this _____ day of _____, 20_____.

- A. Concurrently with the execution of this Rider, Franchisor and Franchisee are entering into a franchise agreement (the “Franchise Agreement,”) and development agreement (as applicable) (“Development Agreement”), pursuant to which Franchisee will acquire the right and undertake the obligation to own and operate a franchised business (the “Franchised Business”) that may be located in, or subject to the regulations of, one of the Regulated States (the “Applicable Franchise Registration State”).
- B. Franchisor and Franchisee wish to amend the Franchise Agreement and Development Agreement (as applicable) as provided in this Rider.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Franchise Agreement and Development Agreement (as applicable) is hereby amended as follows:

1. **NASAA SOP Acknowledgment.** Franchisee and Franchisor hereby acknowledge that the Statement of Policy regarding the use of franchise questionnaires and acknowledgments issued by the North American Securities Administrators Association, Inc. (“NASAA”), which went into effect on January 1, 2023, provides that questionnaires and acknowledgments that are used as contractual disclaimers that release or waive a franchisee’s rights under a state franchise law violate the anti-fraud and/or anti-waiver provisions of the statutes of the Regulated States. Accordingly, while the SOP remains in effect, or until such time as the regulations in the Regulated States are modified to adopt the restrictions on the use of acknowledgements and questionnaires as set forth in the SOP, for prospective franchisees that reside in or are looking to operate a Franchised Business in any Regulated State, the Franchise Agreement and Development Agreement (as applicable) will be amended to include the following provision:

“No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving and claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

2. Except as provided in this Rider, the Franchise Agreement and Development Agreement (as applicable) remains in full force and effect in accordance with its terms. This Rider shall be effective only to the extent that the jurisdictional requirements of the franchise law of the Applicable Franchise Registration State are met independently without reference to this Rider.

3. The following sections are removed from the Franchise Agreement: 23.1, 23.2, 23.3, and 23.4.
