What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the Multi-State Addendum. See the Table of Contents for the location of the Multi-State Addendum.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and multi-unit operator addendum require you to resolve disputes with the franchisor by arbitration and/or litigation only in Connecticut. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Connecticut than in your own state.
2. **Spouse Liability.** Your spouse must sign a document that makes your spouse liable for your financial obligations under the franchise agreement, even though your spouse has no ownership interest in the business. This guarantee will place both your and your spouse's personal and marital assets, perhaps including your house, at risk if your franchise fails.
3. **Financial Conditions.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.
4. **Inventory Control.** You must maintain inventory of at least \$4,500 at all times, even if you do not need that much. Your inability to make these purchases or to maintain inventory levels at all times may result in termination of your franchise and loss of your investment.
5. **Minimum Mandatory Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
6. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you may also experience delays in opening your outlet.
7. **Turnover Rate.** During the last 3 years, a large number of franchised outlets (37) were transferred to new ownership, terminated, reacquired by the franchisor or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Franchise Agreement

You will operate a salon, which is a hair salon furnished and designed to attract children and families, salon and which offers its services to children of all ages and adults, a full-service family Salon under the name "Sharkey's Cuts for Kids". Our Salons provide haircuts in a family friendly environment featuring decorative chairs, video games, televisions, and movies. their own cutting equipment. Some of our Salons, depending upon the size of the salon, also offer “Glamour Girl” birthday party events where children celebrate their birthday while getting their hair done and dressing up in princess/diva gowns with friends in a private “Glamour Room.”

All Salons are established and operated under a comprehensive and unique system (the “System”). The System includes distinctive signage, interior and exterior design, décor, color scheme, furnishings and fixtures; distinctive products and services; uniform standards, specifications and procedures for operations; quality and uniformity of products and services offered; inventory, management and financial control procedures; training and assistance; and advertising and promotional programs; all of which we may change, improve and further develop, at our discretion. We recommend your salon be 950 to 1,400- square feet for a franchise. Details of the System are described in this Disclosure Document and our Confidential Operations Manual. We have 2 package types depending on the location you choose for your Salon. If the leasehold improvements needed to convert the selected location into a salon will be handled by you and your team, you will be signed under the A-Package. If your landlord will be handling the leasehold improvements for your location, you will be signed under the B-Package. These packages cannot be determined until after a location is selected so there is no substantial difference in the Franchise Agreement. For further details on the pricing of each package please refer to item 7 of this Disclosure document.

We offer the right to establish and operate a Salon under the terms of a single unit franchise agreement (the “Franchise Agreement”), the current form of which is attached as Exhibit C to this Disclosure Document. If you wish to own or operate more than one Franchised Business, you may be required to purchase a Multi-Unit Addendum. When signing a Multi-Unit Addendum you will be agreeing to either the A-Package or B-Package when signing much like you would when signing the Franchise Agreement alone. If you choose to sign the Multi-Unit Addendum, you will need to sign a then-current Franchise Agreement upon the commencement of each outlet in the development schedule. Please be aware, over the course of opening each unit under the Multi-Unit Addendum, the Franchise Agreement may go through material changes and each Franchise Agreement should be reviewed upon each signing.

You may be an individual, corporation, partnership or other form of legal entity. Under the Franchise Agreement, certain parties are characterized as your principals (referred to in this Disclosure Document as “Controlling Principals”). The Franchise Agreement is signed by us, by you, and by those of your principals whom we designate as Controlling Principals. In most instances, we will designate your principal equity owners, executive officers, and certain affiliated entities as Controlling Principals. By signing the Franchise Agreement, your Controlling Principals must be individually bound by certain obligations in the Franchise Agreement, including covenants concerning confidentiality and non-competition, and to personally guaranty your performance under the Franchise Agreement.

Market and Competition

You will offer hair care services to the general public, but primarily children.

The market for the hair care services offered by the Salons is highly competitive. However, we believe our competitive position is enhanced by our operational format and by the various services offered by the Salons. We plan to continue controlled expansion into areas that we determine can support the Salons to improve name recognition and the reputation of the System. The children’s segment of the hair care industry represents an opportunity to exploit a substantial market. Competition consists of traditional independent hair care stores, including barber shops, independent hair salons and stylists, day spas and

regional and national chains. The principal bases of competition in the hair care industry have been price, convenience, speed of delivery, quality and name recognition.

Industry Regulations

The Salon's stylists must be licensed in the state in which the Salon is located by the appropriate licensing authorities. There will be industry-specific regulations in your municipality, county or state relating to the operation of a hair care salon. Health and sanitation regulations will require that your stylists maintain their haircutting equipment according to specified standards, including following proper sanitizing and hair disposal procedures. Environmental laws may regulate the way in which certain solutions are used, stored and disposed of in the process of providing services to your customers. Building codes may require special ventilation in your Salon. You must also comply with employment, workers' compensation, insurance, corporate, taxing and other laws and regulations. among the licenses and permits you may need are: zoning or land use approvals, Sunday sale permits, sales and use tax permits, special tax stamps, fire department permits, health permits, alarm permits, county occupational permits, retail sales licenses and wastewater discharge permits. There may be other laws, rules or regulations that affect your Salon, including wage and labor laws along with ADA, OSHA and EPA considerations. You must comply with all laws and licensing requirements related to the operation of your Salon. We recommend that you consult with your attorney for an understanding of them.

This late fee is reasonably related to Franchisor's costs resulting from the delay in payment and/or receipt of any report, is not a penalty, and is in addition to any other remedy available to Franchisor under this Agreement for Franchisee's failure to pay amounts to Franchisor and/or submit Net Sales Reports in accordance with the terms of this Agreement. - Under the Franchise Agreement, you have an obligation to spend a minimum of 3% of your Gross Sales per month on advertising. For purposes of your advertising obligations, "Gross Sales" shall mean sales from all services and products sold and any other fees (i.e., "Glamour Party" costs) collected by you at your Salon minus all sales tax and/or use tax. "Gross Sales" does not include (i) any sales tax or similar taxes collected from customers and turned over to the governmental authority imposing the tax, (ii) properly documented refunds to customers, and (iii) properly documented promotional discounts (i.e. coupons) Gross Sales does not include gift card purchases, at the time of purchase, but Gross Sales does include the redemption amount of purchases made by

Franchisor may require addition training be completed at Franchisee’s expense. Additional training may be conducted virtually. We reserve the right to impose a reasonable fee for all additional training programs, including the national business meeting or annual convention. You are responsible for any and all incidental expenses incurred by you and your personnel in connection with additional training or attendance at Franchisor’s national business meeting or annual convention, including, without limitation, costs of travel, lodging, meals and wages.
8. If we terminate your Franchise Agreement for cause, you must pay us within 15 days after the effective date of termination liquidated damages equal to the then-current monthly Royalty Fee multiplied by (a) 24 (being the number of months in two full years), or (b) the number of months remaining in the Agreement had it not been terminated, whichever is higher.
9. As part of your initial franchise fee, we will create a web page for you and will supply you with a domain name. The website will be similar in appearance to our own website (www.sharkeyscutsforkids.com). Franchisor will pay for the web page hosting fee directly to the hosting company. Notes:

1. If you do not own adequate shop space, you must lease or buy the land and the building for your Salon. Typical locations will be in residential and suburban areas. We recommend your salon be 950 to 1,400 square feet for a franchise. Rent is estimated at about \$3,200 to \$5,500 per month for a franchise, which will be paid to your landlord (if you rent) or your mortgage company (if you purchase), but can vary depending on any number of factors, including the size of your Salon, the market conditions in the location you select and the terms you negotiate with the landlord/seller. Additionally, you will most likely have to engage a designated real estate licensing company or broker (Sharkey's will provide you one) which is included in the initial Franchise Fee. You will also need a local attorney to assist you. The attorney is an additional cost you must pay and is not included in the initial franchise fee. Finally, while we will provide a representative that will create specifications for your Salon, you must engage and pay for a contractor to perform renovations. The cost of the renovations will vary depending on the condition of the property and the contractor you select. We suggest you obtain a minimum of five to ten competitive bids before you select your contractor. All construction costs in this estimate are subject to local market conditions in your area and will vary or possibly exceed average estimates depending on the city and state you choose for your franchised salon and supply chain conditions.
- 1b. If you are able to secure a Turn-Key package from your landlord, which Sharkey's recommends, you will save up to approximately \$32,000 in lease hold improvements, per franchise, and not have to pay for a contractor. When the landlord handles the buildout or under special conditions you may have with contractors in your area, this can result in no charges during your leasehold improvements.
2. You may incur professional fees depending on the scope of work performed, which may include legal and accounting fees to review franchise documents and costs of forming a separate legal entity and/or obtaining zoning approval. This list is not exhaustive. This amount will vary greatly depending on your specific needs and location. We strongly recommend however do not require that you seek the assistance of professional advisors when evaluating this franchise opportunity, this disclosure document and the Franchise Agreement. The low range of this initial investment assumes you have chosen not to seek the assistance of professional advisors. It is also advisable to consult these professionals to review any lease or other contracts that you will enter into as part of starting your franchise.

3. If your location's landlord decides to handle the necessary buildout or you have an arrangement with local contractor in your area this could result in no charges incurred during the blueprints and plans portion of your salon opening process.
4. You must, at your sole expense, obtain and maintain during the term of the Franchise Agreement, a comprehensive general liability insurance policy and business interruption insurance. The general liability and business interruption insurance policies must name us as an additional insured. All insurance policies must be in a form that is acceptable to us and may not be subject to cancellation or any material change except after 30 days' prior written notice to us. The insurance policies must provide that your failure to comply with any term, condition or provision of the contract, or other conduct by you, will not void or otherwise affect the protection afforded to us under the policy. Within sixty days after the execution of the Franchise Agreement and as may otherwise be requested by us, you must provide us with a Certificate of Insurance naming us as an additional insured on the general liability and the business interruption policies.
5. We will conduct on your behalf a grand opening, or re-grand opening if you acquired an existing salon, advertising campaign to advertise the opening or acquisition, of your Salon from day of Grand Opening, or acquiring an existing salon, through month number five (5). We will collect \$15,000 per agreement (\$12,500 for existing salons) when you sign your Franchise Agreement, to conduct your advertising campaign on your behalf, along with setting up your Social Media pages and more. You are permitted to spend any additional monies as you see fit. Any monies remaining after this five (5) month period will be returned to Franchisee.
6. You must obtain and pay for all licenses and permits you will need to perform the necessary construction and operate your business. This includes but is not limited to a Cosmetology license as required by your state. These fees may vary significantly depending on your location.
7. This is an estimate of the amount of additional operating capital that you may need to operate your Franchised Business during the first three (3) months after commencing operations. We cannot guarantee that you will not incur additional expenses in starting the business that may exceed this estimate. This estimate includes such items as rent, utilities, internet service, initial payroll and payroll taxes, Royalties (as described in this disclosure document), Marketing Fund Contributions, repairs and maintenance, bank charges, miscellaneous supplies and equipment, initial staff recruiting expenses, and other miscellaneous items.
8. We relied upon the experience of our U.S. franchisee-owned Sharkey's outlets and the average costs that they incurred in establishing their locations in accordance with our standard site development plans to compile these estimates. These figures are estimates, and are by no means all-inclusive of the extent of possible expenses. We cannot guarantee that you will not have additional expenses starting your Franchised Business.

Item 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We have identified various suppliers, distributors and manufacturers of equipment, inventory, and services that your Franchised Business must use or provide that meet our standards and requirements. You must purchase all equipment, fixtures, inventory, supplies and services from our designated suppliers and contractors or in accordance with our specifications.

You must use, at your expense, our designated real estate leasing company for site selection services.

We approve suppliers after careful review of the quality of the products they provide to us and you. To maintain quality and consistency throughout its franchise system, we require you to purchase your ongoing inventory and any replacement equipment (e.g., barber chairs, furniture, etc.), fixtures, décor and signage you may need from us or an approved supplier. The foregoing inventory and/or equipment are the only products and/or services you must purchase from us and/or an approved supplier. We may supply these items to you directly, in which event you will be billed by and pay us. We may derive revenue from approved suppliers based on your purchases from them, up to 10% of total franchisee purchases. There is no restriction on our use of this revenue, although we intend to use it to advertise and promote the Sharkey's System. Throughout the term of the franchise relationship, we reserve the right to require you to purchase your ongoing inventory directly from us. There are no purchasing or distributing cooperatives at this time. You must maintain a minimum of \$4,500 wholesale dollars and \$9,000 of retail dollars of retail products inside your Salon at all times.

To ensure that the highest degree of quality and service is maintained, you must operate the Salon in strict conformity with the methods, standards and specifications that we prescribe in the Manual or otherwise in writing. You must maintain a minimum of \$4,500 wholesale dollars of retail products inside your Salon at all times. You must maintain a minimum of \$2,500 (wholesale dollars) Sharkey's hair care products as part of your \$4,500 minimum and maintain a minimum of \$1,000 (wholesale dollars) of Sharkey's branded items. You must maintain them in sufficient supply and use and sell at all times only those products, materials, supplies and paper goods that meet our standards and specifications. You must not deviate from these standards and specifications by the use or offer of non-conforming items or differing amounts of any items, without obtaining our prior written consent. You must discontinue offering for sale any items, products and services we may disapprove in writing at any time. We can, and expect to, modify our standards and specifications as we deem necessary. We will provide you notice of any changes in the Manual.

If you would like us to consider another item or supplier, you must make such request in writing to us and have the supplier give us samples of its product or service and such other information that we may require. If the item and/or supplier meet our specifications, as we determine in our sole discretion, we will approve it as an additional item or supplier. We will make a good-faith effort to notify you whether we approve or disapprove of the proposed item or supplier within 14 days after we receive all required information to evaluate the product or service. If we do not approve any request within 14 days, it is deemed unapproved. We reserve the right to revoke approval of any item or supplier that does not continue to meet our then-current standards. Our criteria for approving items and suppliers are not available to you. If you request that we approve a proposed item or supplier, we reserve the right to charge an Evaluation Fee equal to our actual costs of inspection and testing.

We maintain written lists of approved items of equipment, fixtures, inventory and services (by brand name and/or by standards and specifications) and a list of designated suppliers and contractors for those items. We update these lists periodically and issue the updated lists to all franchisees.

We may derive revenue from Franchisee required purchases from our designated suppliers. For the fiscal year ending December 31, 2024, our total revenue was \$1,962,836.00 and we received \$16,313.00 in rebates from Darter, Toysmith, and Dippin Dots as a result of Franchisee purchases which accounts for 0.8% of our total revenue. We or our affiliates did not receive any other revenue, rebates, discounts or other material consideration from suppliers based on Franchisee required purchases of products, supplies or equipment.

Neither we nor any of our affiliates is the sole approved or designated supplier for any product, good or service that you are required to purchase for the operation of your Franchised Business. None of

our officers own any interest in any approved or designated supplier for any product, good, or service that you are required to purchase for the operation of your Franchised Business.

To maintain the quality and consistency of franchisee websites, we require you to use Diversified Solutions to host and maintain your website, or any other company as we may elect to utilize at some later date. We do not earn revenue from Diversified Solutions based on your payment to them for web hosting or maintenance services.

We do not currently provide any material benefits to you based on your use of designated or approved sources. We may negotiate purchase agreements with our suppliers that may result in cost saving benefits to our franchisees.

We estimate that your purchase or lease of products, supplies and services from approved suppliers (or those which meet our specifications) will represent approximately 90-95% of your costs to establish your Franchised Business and approximately 20% of your costs for ongoing operation.

Currently, there are no purchasing or distribution cooperatives. However, we can require that you make your purchases through a cooperative if one is formed.

From time to time, we may negotiate purchase arrangements, including price terms, with designated and approved suppliers on behalf of all franchisees. As of the date of this Disclosure Document, we have not created any purchasing arrangements with suppliers.

We provide no material benefits (such as the grant of additional franchises) based on your use of designated sources; however, failure to use approved items or designated suppliers and contractors may be a default under the Franchise Agreement. Additionally, when there is any default under the Franchise Agreement, we reserve the right, in addition to other remedies available under the Franchise Agreement, to direct suppliers to withhold furnishing products and services to you.

Before you open your Sharkey's Cuts for Kids Salon, you must purchase and maintain at your sole cost and expense the insurance coverage that we specify. Commercial general liability with limits of not less than \$1,000,000; professional liability with limits of not less than \$1,000,000; business interruption insurance; contents coverage, including tenant's improvements value, at replacement cost; sewer back-up insurance; workers' compensation, employer's liability and other insurance required by applicable state laws; and any other insurance that may be required according to the terms of the lease for the premises or as may be required by us in the future. You must maintain all required policies in force during the entire term of the Franchise Agreement and any successor terms. We may periodically increase or decrease the amounts of coverage required under these insurance policies and require different or additional kinds of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances. Each insurance policy must name us (and, if we request, our directors, employees or shareholders) as additional insureds and must provide us with 30 days' advance written notice of any material modification, cancellation or expiration of the policy.

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations – Franchise Agreement: Before you open your Salon under the Franchise Agreement, we will:

1. Directly or indirectly provide you with the equipment, inventory, signage, fixtures and supplies we believe will be necessary to open and initially operate a Salon as listed in Item 5. If certain items included in the above list are not available at the time we supply your franchise, we will replace any item that is of equivalent value and serves the same or similar purpose. We do not deliver or install these items. You must maintain the equipment, signage and fixtures and to replenish your inventory and supplies on an as needed basis. (Franchise Agreement – Section 6.3)

2. Supply you with a domain name and create a web page for your specific location. Franchisor will pay the cost of hosting the website, as well as for any updates or changes that may be necessary to keep your web page current to Diversified Solutions or any company determined by the Franchisor. (Franchise Agreement – Section 6.4)

3. Assist you in selecting a business location. If you sign our Multi-Unit Addendum, we will approve or disapprove the site of each additional Sharkey’s Cuts for Kids location you propose to develop in accordance with our then-current standards. We do not currently own sites for leasing to Franchisees. We strongly recommend a location that provides you with 950 to 1,400 square feet of useable space for a franchise (but not less than 950 square feet). Your location must have a minimum of seven off-street parking spaces. We will review the on-street parking available at each location to determine if on-street parking is satisfactory. You will submit a list of possible locations to us. In submitting your selections, you should supply us with as much information as you have regarding the location(s) you have selected. Within fourteen days of receiving your information, we will make a recommendation as to the location that we believe is most appropriate for a Salon. Our decision will be based on any number of factors, including the rental/acquisition costs, local population, traffic patterns, proximity of competition advisability you do not

identify a site that meets our approval within one hundred eighty (180) days of signing the Franchise Agreement, we reserve the right to terminate the Franchise Agreement. (Franchise Agreement – Section 6.5, Attachment 7)

4. The location you select and we approve will be purchased or leased by you from independent third parties. You will provide us with a copy of your lease before you sign the lease. Although we have the right to object to the terms of your lease, you must negotiate the terms of any sale or lease of the location. We have the right to object to the location and object to the terms of the lease agreement. If we cannot agree on a proposed site, we may elect to terminate the Franchise Agreement and keep the entire initial franchise fee. We generally do not own the premises and lease it to you. (Franchise Agreement – Section 6.5)

5. Within 30 days of your signing a letter of intent for your location, provide you with our representative who will create written specifications for salon construction or remodeling. You must then hire a contractor, unless you are provided a turnkey solution from your landlord, who will remodel your location to meet the specifications created by us. You must hire and pay for your contractor. You must make sure that your location is remodeled in accordance with the specifications supplied by us and generally conforms to the standards and guidelines established by us. You pay for the construction or remodeling. We assume no responsibility for any loss sustained by because of building design or construction. You will not be allowed to open your business unless the specifications supplied by us are followed in all material respects or any changes are approved by us in writing, before being implemented. In addition, you must obtain any required permits and licenses for the construction or remodeling, and for ensuring that all construction and remodeling meets state and local building and other codes, as well as any other applicable law, such as the Americans with Disabilities Act. (Franchise Agreement – Section 6.6)

6. Before the opening of your business, we will provide you (first training course) and your manager (second training course), a training course given virtually which covers operation and administration of a Salon. The training consists of (i) operations and retail training with a representative from Sharkey's corporate; and (ii) management training conducted by an employee of ours that has at least three years' experience with the franchise system in a management and/or training role. The training course will also cover marketing and advertising suggestions and in-depth discussions of our Manual. The price for this training is included as part of your initial franchise fee. (Franchise Agreement – Section 6.1)

Post-Opening Obligations – Franchise Agreement: During the operation of your Salon, we will:

1. In our discretion, develop new service and product offerings and provide you with information about developments. (Franchise Agreement – Section 6.7)

2. Be available to you (by appointment) for telephone consultations regarding general questions and operational problems you may encounter. (Franchise Agreement – Section 6.7)

3. In our discretion, hold annual or semi-annual conferences or conventions (which will be conducted at our Connecticut headquarters or some other location chosen by us) to discuss sales techniques, advertising, staff training and other business related topics. These conferences are mandatory for franchisees and managers (Franchisor will have the option to not include managers) to attend. Any costs related to attending the conference will be borne by you, including travel, lodging, meals and wages, if applicable. (Franchise Agreement – Section 6.2)

4. Provide advertising on behalf of the entire System, including franchisees. If we conduct System-wide advertising, it will be at our cost and expense (see "System Advertising" below). (Franchise Agreement – Section 6.7) However, most advertising will be conducted by you on a local basis, typically

by local advertising agencies hired by you. Any advertising you propose to use, if not previously approved or provided by us, must be submitted to us for our written approval before you may use it. We will notify you within seven days after our receipt of the proposed materials as to whether the materials have been approved. If we do not provide our specific approval within this timeframe, the materials are deemed not approved. Any advertising developed by or for you must include the terminology as we require. Any advertising materials you submit to us for our review will become our property and there will be no restriction on our use or dissemination of these materials. (Franchise Agreement – Section 8.2)

Advertising (Franchise Agreement – Section 8)

Grand Opening Advertising: We will conduct on your behalf a grand opening, or re-grand opening if you acquired an existing salon, advertising campaign to advertise the opening or acquisition, of your Salon from day of Grand Opening, or acquiring an existing salon, through month number five (5). We will collect \$15,000 per agreement (\$12,500 for existing salons) when you sign your Franchise Agreement, to conduct your advertising campaign on your behalf, along with setting up your Social Media pages and more (Please place the attachment somewhere in this document to reflect what's included in this advertising package). You are permitted to spend any additional monies as you see fit. Any monies remaining after this five (5) month period will be returned to Franchisee.

Local Advertising: You must, throughout the term of the Franchise Agreement, conduct advertising for your Salon in your Territory. We must approve all advertising before you use it, as described above. We will offer you a list of pre-designed advertising pieces, such as newspaper ads, coupons and postcards at no charge to you. All advertisements must be completely factual and must conform to the highest standards of ethical advertising. You must pay for your own printing costs. You may use a printer of your own choice or you may use a printer recommended by us. Within 30 days of our request, you must provide us with an advertising expenditure report, including the information as we require, to show that you have complied with the local advertising requirements.

We do not provide for placement of local advertising on your behalf, and we have no obligation to spend any amount on advertising in your area or territory. You are responsible for local advertising placement. If feasible, you may do cooperative advertising with other Sharkey's Cuts For Kids franchisees in your area, with our prior written approval. You may not maintain any business profile on Facebook, Twitter, Instagram, LinkedIn, YouTube or any other social media and/or networking site without our prior written approval.

System Advertising: We may, at no charge to you, periodically conduct promotional campaigns on a national or regional basis to promote the services offered by Salons. You must participate in all promotional campaigns which we may establish for the region in which your business is located. These promotional campaigns may include setting of minimum or maximum prices for certain services and products.

System-wide Brand Fund: You are required to contribute 1% of your Gross Sales monthly to our systemwide Brand Fund. We have the right to increase your contribution to up to 3% of Gross Sales monthly at any time during the term of your Franchise Agreement. Each Sharkey's Cuts for Kids outlet operated by our affiliates or us may, but is not obligated to, contribute to the Brand Fund on the same basis as System franchisees.

The Brand Fund is administered by our accounting and marketing personnel. We may use Brand Fund contributions to pay any and all costs for developing, producing and disseminating advertising, marketing, promotional and public relations materials, programs, campaigns, sales and marketing seminars,

and training programs of every kind and nature, through any media we determine; conducting marketing research and customer and or franchise system surveys and employing advertising and/or public relations agencies; developing, enhancing and maintaining our website, social media platforms, apps, and other technology for the benefit of the Brand image and/or Systemwide improvements; and staff salaries and other personnel and departmental costs for advertising that we internally administer or prepare.

The Brand Fund will not be used to defray any of our other general operating expenses. Brand Fund contributions will not be used to solicit new franchise sales; provided however, we have the right to use the Brand Fund for public relations, to explain the franchise system, and/or include “Franchises Available” or similar language and contact information in advertising produced with Brand Fund contributions.

The Brand Fund collects and expends contributions for the benefit of the System as a whole. We have the right to use the Brand Fund contributions to place advertising in national, regional or local media (including broadcast, print, or other media) and to conduct marketing campaigns through any channel, in our discretion, including but not limited to, internet and direct-mail campaigns. We have no obligation, however, to use the Brand Fund to place advertising or conduct marketing campaigns in any particular area, including the geographical area where your Franchised Business is located.

We have no obligation to make expenditures that are equivalent or proportionate to your Brand Fund contribution or to ensure that you benefit directly or pro rata from the production or placement of advertising from the Brand Fund.

The Brand Fund is not audited. An annual unaudited financial statement of the Brand Fund is available to any franchisee upon written request.

If we spend more or less than the total of all contributions to the Brand Fund in any fiscal year, we may carry forward any surplus or deficit to the next fiscal year. Although the Brand Fund is intended to be of perpetual duration, we may terminate it at any time and for any reason or no reason. We will not terminate the Brand Fund, however, until all monies in the Brand have been spent for advertising or promotional purposes or returned to contributors, without interest, on the basis of their respective contributions.

No Brand Fund contributions were required, made or expended in our most recently concluded fiscal year.

Cooperatives: There are presently no advertising councils or regional advertising cooperatives. If an advertising cooperative is formed by our franchisees and approved by us, you must agree to contribute to the cooperative the amount agreed upon by a majority of the members of the cooperative, to pay that amount to the advertising cooperative and the times agreed upon by the majority and abide by the cooperative’s rules. The cooperative will determine who will administer the cooperative. The written governing documents will be available for review by you. Cooperatives need not prepare annual or periodic financial statements, but if they are prepared, they may be reviewed by you. We will not have the power to require cooperatives to be formed, changed, dissolved or merged. All salons owned by us or our affiliate will not be members nor contribute to the cooperative.

Site Selection; Timeframe for Opening Salon (Franchise Agreement – Section 7.4)

The process for site selection is described above. We estimate that the length of time between signing the Franchise Agreement and the opening of your Salon will be approximately six to ten months. The factors that affect this timeframe are the ability to obtain a lease, financing or building permits;

construction time; zoning and local ordinances; weather conditions; shortages; and delayed delivery or installation of equipment, fixtures and signs. Your Salon must be opened and operating within one year of the date the Franchise Agreement is signed. If you fail to open your Salon within this year, we have the right to terminate the Franchise Agreement without providing you notice or a refund of any portion of the Initial Franchise Fee.

Computer and Cash Register Requirements (Franchise Agreement – Section 7.10)

You must purchase, use, maintain and update computer systems and software programs that meet our specifications as they evolve over time and which in some cases may be available only from designated suppliers. As described in Item 5, your computerized point of sale system and required software is not included in the Initial Franchise Fee. We require you to maintain a high speed internet connection (such as T-1 line, DSL or cable modem). The point of sale system must include a cash drawer, credit card terminals, receipt printers, barcode scanners and the computer that runs software designed to keep track of sales. The POS System allows us to independently and remotely access all of your sales data, including your Gross Revenue, through the Internet. There are no contractual limitations on our right to have full access to this information. We may retrieve, download, analyze and store such information and data at any time. We own all customer data stored in your customer management account. There are no contractual limitations on our access to your computer system. The cost of the computer system and software ranges from \$4,000 to \$5,000.

There are no contractual limitations on the frequency and cost of upgrades and/or updates to the above-described systems or programs. We have no obligation to maintain, repair, update or upgrade your computer and software. At your cost, you must provide on-going maintenance and repairs to your computer and software. You must upgrade your computer hardware and software as necessary to operate the most current version of the POS System or any replacements thereto.

We reserve the right to require you to maintain on-site hardware and software maintenance contracts. If we require this, we also reserve the right to specify the provider of on-site services or to approve of the provider you select.

You must maintain a dedicated e-mail address for your Salon, through our provider. We expect you to check your e-mail daily, as this is one of the methods by which we communicate with all of our franchisees.

Training (Franchise Agreement – Section 6.1)

We provide a training program for you and one additional person, for a maximum of two people. We will pay the travel and lodging for two trainees, maximum of \$1,500, but you must pay applicable wages and other out-of-pocket expenses incurred by you and your trainee. If you wish to send additional trainees to our training program, it will be at your expense. You must complete our initial training program to our satisfaction. Initial training must be successfully completed 30 days before the salon opening. Franchisor has the option to provide this training virtually and therefore would not require any reimbursement if virtual training is completed.

We provide an Employee training program delivered virtually by our Learning Portal. This will be given virtually 0-3 weeks prior to opening your Sharkey's Cuts for Kids Salon. Your employees must complete our Employee training program to our satisfaction. Employee training must be successfully completed within 14 days before your salon opening.

Our initial training program & franchisee training program will be conducted at our headquarters in Westport, Connecticut, or at another location we designate, which may include a franchised or affiliate-owned Salon or virtually. Initial training programs will be offered at various times during the year depending on the number of new franchisees entering the System, replacement operating principals and general managers and other personnel needing training, the number of new Salons being opened and the timing of the scheduled openings of Salons. The initial training program will generally last approximately three days if attended in person or 2-3 day if completed virtually. The instructional material we use in our initial training & manager program includes our Manual, the computer system, and any other materials that we believe will be beneficial to our franchisees in the training process. We currently provide the following training programs:

Confidential Operations Manual

The table of contents of our Confidential Operations Manual for our franchisees is attached to this Disclosure Document as Exhibit H. Our franchisee Operations Manual includes approximately 290 pages.

Item 12: TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to operate a Salon at a single location that you select within the Territory and that we approve. If you sign our Multi-Unit Addendum, we will designate the territory of each Sharkey's Cuts for Kids location you develop in accordance with our then-current standards. Attachment 1 to the Franchise Agreement lists the specific street address of the accepted location. You must operate the Salon only at this accepted location and may not relocate the Salon without first obtaining our written consent and paying our applicable fee (see Item 6). You may not establish or operate another Salon unless you enter into a separate Franchise Agreement. The minimum territory will contain 10,000 kids within a five miles radius of the franchised location.

During the term of the Franchise Agreement, if you are in compliance with the Franchise Agreement, we will not establish a Salon or authorize any other person or entity to establish a Salon within the Territory. The Territory will be described in Attachment 1 to the Franchise Agreement. The size of this Territory will be mutually agreed upon by the parties as soon as practicable after a suitable location has been selected by you and approved by us. The factors that will be used to determine the size of your territory will be the type of area where you locate your business and the population that lives within driving distance of your selected location. In no event will the size of your Territory exceed a radius of five miles around your Salon.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We and any of our current or future affiliates may own, acquire, establish and/or operate, and license others to establish and operate, businesses under other proprietary marks and/or other operating systems, regardless of whether those businesses are the same, similar or different from the Salon, we and any of our current or future affiliates may also offer and sell and authorize others to offer and sell: (i) collateral products, including Sharkey's memorabilia or other products, under the Marks, at or from any location, and (ii) any products or services under the Marks at or through any Sharkey's Salon or other permanent, temporary or seasonal facility providing in whole or in part the products and services offered by a Salon in any Reserved Area (as defined below), and (iii) any products or services under our Marks or any other marks. A "Reserved Area" is defined in the Franchise Agreement as an airport or travel plaza, hospitals, schools, hotels, festivals, fairs and other mass gathering locations or events.

You may relocate your business for a legitimate business reason. Your relocation will be subject to a relocation fee, payable upon our approval of your request to relocate your business. Any relocation of your business will be subject to our approval, which may be granted or withheld, in our sole discretion. In addition, you must sign the form of franchise agreement that is being signed by new franchisees at the time of your relocation and will be subject to the terms of that franchise agreement except for the franchise term. If you do relocate, your existing business cannot be closed for more than 90 days. If we approve relocation of the salon, its new location must be within the designated Territory.

You may sell our products and related merchandise to retail customers and prospective retail customers who live anywhere but who choose to shop in your Salon. You may not engage in any promotional activities or sell our proprietary products or similar products or services, whether directly or indirectly, through or on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the “Electronic Media”); through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. You may not place advertisements in printed media and on television and radio that are targeted to customers and prospective customers located outside of your Territory. You have no options, rights of first refusal, or similar rights to acquire additional franchises. You may not sell our proprietary products to any business or other customer for resale.

Although we have not done so, we and our affiliates may sell products under the Proprietary Marks within and outside your Territory through any method of distribution other than a dedicated Sharkey’s Salon, including sales through channels of distribution such as the Internet, catalog sales, telemarketing or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Territory except as described in the following paragraph and you will not receive any compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other alternative distribution channel, and we receive orders for any proprietary products or other products offered by a Sharkey’s Salon calling for delivery or performance in your Territory, then we will offer the order to you at the price we establish. If you choose not to fulfill the order or are unable to do so, then we, one of our affiliates or a third party we designate (including another franchisee) may fulfill the order, and you will not be entitled to any compensation in connection with this.

Except for the Salons operated by our affiliates, neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned Salons which sell our products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

As of the date of this Disclosure Document, we know of no superior prior rights or infringing uses that could materially affect your use of the Principal Mark.

Item 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We hold no patents and have no pending patent applications that are material to the franchise. We have registered no copyright with the United States Copyright Office. However, we claim copyrights on certain forms, advertisements, promotional materials, photographs and other written materials. We also claim copyrights and other proprietary rights in our Manual and website.

There are no current material determinations of, or proceedings pending in, the United States Patent and Trademark Office, the U.S. Copyright Office, or any court regarding any of our copyrights discussed above.

There are no agreements currently in effect that limit your right to use any of our copyrights. As of the date of this Disclosure Document, we are unaware of any infringing uses of or superior previous rights to any of our copyrights that could materially affect your use of them.

You must notify us immediately when you learn about an infringement of or challenge to your use of our copyrights. We will take any action we think appropriate and, if you have given us timely notice and are in full compliance with the Franchise Agreement, we will indemnify you for all expenses and damages arising from any claim challenging your authorized use of our copyrights. We have the right to control any administrative proceedings or litigation involving our copyrights licensed by us to you. You must cooperate fully with us in defending and/or settling the litigation.

During the term of the Franchise Agreement, you may have access to and become acquainted with our trade secrets, including, but not limited to, formulas, methods, processes, customer lists, vendor partnerships and/or relationships, sales and technical information, financial information, costs, product prices and names, software tools and applications, website and/or email design, products, services, equipment, technologies and procedures relating to the operation of the Franchised Business; the Manual; methods of advertising and promotion; and any other information which Franchisor may or may not specifically designate as "confidential" or "proprietary"; and the components of the System, whether or not such information is protected or protectable by patent, copyright, trade secret or other proprietary rights (collectively called the "Confidential Information"). You agree that you will take all reasonable measures to maintain the confidentiality of all Confidential Information in your possession or control and that all such Confidential Information and trade secrets shall remain our exclusive property. You may never (during the Initial Term, any Successor Term, or after the Franchise Agreement expires or is terminated) reveal any of our confidential information to another person or use it for any other person or business. You may not copy any of our Confidential Information or give it to a third party except as we authorize in writing to you prior to any dissemination. Your personnel who have access to our Confidential Information must sign our Confidentiality/Non-Competition Agreement (Franchise Agreement, Attachment 10).

You must promptly tell us when you learn about unauthorized use of any Confidential Information. We are not obligated to take any action but will respond to this information as we think appropriate. We will indemnify you for losses brought by a third party concerning your use, in strict compliance with the Franchise Agreement, of the Confidential Information.

Item 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Franchise Agreement requires that you personally supervise and manage the day-to-day operation of your Franchised Business. You may appoint a non-owner manager of a Franchised Business location. Upon approval, your manager must successfully complete our Initial Training Program and all other training courses we require. Your manager must devote full time to the job and cannot have an interest or business relationship with any of our competitors. If the franchisee is a business entity, your manager is not required to have an equity interest in the franchisee entity but must otherwise meet our approval.

Your manager and all other personnel who will have access to our proprietary and Confidential Information and training must sign our Non-Disclosure/Non-Competition Agreement, which is attached to our Franchise Agreement as Attachment 5. If your Franchised Business is owned by an entity, all owners of the entity must personally sign the Franchise Agreement as a Principal. If you are a married individual, your spouse must sign our Spouse Guaranty, which is attached to our Franchise Agreement as Attachment 3.

Item 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your franchised business is limited by the Franchise Agreement to the operation of a Salon. You may only offer inventory items and services designated by us, and you must offer the full range of services and required inventory authorized by us (see Item 8). Hair and beauty products bearing our Marks are proprietary and must be purchased only from us or sources designated by us because they are associated directly with our Marks and the System.

We may, in our sole and absolute discretion, add additional authorized services or inventory items or require you to change the required inventory items and services that you offer in your Salon. There are no limits on our right to do so, and in this case you must, at your expense, make those changes in the timeframe designated by us.

No other business or activity may be conducted or products or services offered at the Location. Your Salon may only be identified by the name “Sharkey’s Cuts for Kids,” or another of the licensed Marks designated in writing by us.

We do not impose any other restrictions in the Franchise Agreement or otherwise, as to the goods or services that you may offer or sell or as to the customers to whom you may offer or sell, except for certain restrictions detailed in Item 12 relative to alternative methods of distribution, including the Internet.

Item 18: PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance

information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This item contains a historic financial performance representation based on our existing franchised outlets in 2023 and 2024. In the fiscal year ending on December 31, 2024, there were 170 opened outlets however only 141 were open for 12 months or more. Tables 1-4 below present information about the Gross Revenue of 141 Sharkey's Cuts for Kids franchised outlets open and operating for at least a full twelve months as of December 31, 2024, for which we have data. Data from locations in operation for less than 12 months as of December 31, 2024, has been excluded, as well as locations that closed or terminated or vacated during the 2024 fiscal year and locations for which we do not have reliable data. For data to be considered not reliable for this financial performance representation these excluded outlets presented data in format and/or via a system that is not uniform with most Sharkey's Cuts for Kids outlets. At the time of this financial performance representation, the total outlets excluded due to having unreliable data is 0. As of December 31, 2024, there were 29 locations that had not been open for 12 months. Except where noted, these figures are taken directly from each location's POS system.

¹The chart above shows the total revenue distribution in 2023 and 2024 for the 141 locations that were opened during 2023 and 2024. The number of outlets in each revenue tier is represented by the number in parentheses.

1. Gross Revenues means all revenue from sales at or from outlet operations, less (ii) properly documented refunds to customers, (iii) properly documented promotional discounts (i.e. coupons) and (iv) properly documented employee discounts (limited to 3% of Gross Revenue).
2. The figures in the above tables have not been audited.

3. System-wide means all stores within this Sharkey's Cuts for Kids Franchises System. This includes the Corporate outlet in Connecticut and all franchised outlets that were able to provide reliable financial information.

Some outlets have earned this much. Your individual results may differ. There is no assurance that you'll earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Scott Sharkey at 37 Highland Road, Westport, Connecticut 06880 and (203) 637-8911, the Federal Trade Commission, and the appropriate state regulatory agencies.

Independent Auditor's Report

To the Member
Sharkey's Cuts for Kids International Co., LLC
Westport, Connecticut

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sharkey's Cuts for Kids International Co., LLC which comprise the balance sheets as of December 31, 2024, and 2023 and the related statements of operations, changes in member's (deficit) and cash flows for the years ended December 31, 2024, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph above present fairly, in all material respects, the financial position of Sharkey's Cuts for Kids International Co., LLC as of December 31, 2024, and 2023 and the results of its operations and its cash flows for the years ended December 31, 2024, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sharkey's Cuts for Kids International Co., LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharkey's Cuts for Kids International Co., LLC's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there

is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sharkey's Cuts for Kids International Co., LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharkey's Cuts for Kids International Co., LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SHARKEY'S CUTS FOR KIDS INTERNATIONAL CO., LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

The timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized subsequent to invoicing. Management evaluates individual customers' receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off if deemed uncollectible and recoveries of accounts receivable previously written off are recorded as income when received. The Company did not have any allowance for uncollectible accounts at December 31, 2024, and 2023. Bad debt expense was \$21,899, \$0, and \$0 for the years ended December 31, 2024, 2023 and 2022, respectively. Inventory

Inventory consists of hair care and hair cutting and related items. It is valued at the lower of cost or market on a first-in first-out basis. There was no impairment recognized during the years ended December 31, 2024, and 2023

Revenue Recognition, Non-refundable Deferred Franchise Fee Revenue and Franchise Acquisition Costs

The Company recognizes revenue using the guidance in FASB ASC Topic 606 "Contracts with Customers".

The Company's revenue is principally generated through franchise agreements executed with the Company's franchisees. Each franchise agreement is comprised of several performance obligations. The Company identifies those performance obligations, determines the contract price for each performance obligation, allocates the transaction price to each performance obligation and recognizes revenue when the Company has satisfied the performance obligation by transferring control of the good or service to the franchisee.

When a franchisee purchases a Sharkey's Cuts for Kids franchise, the Company grants the franchisee the right to operate a location in a designated territory and use the proprietary methods, techniques, trade dress, trademarks, and logos ("the license"). Revenues related to the territory and license rights are continuing royalties that vary from \$1,000 to \$1,750 per month as defined in the franchise agreement. These revenues are used to continue the development of the Company's brand, the franchise system and provide ongoing support for the Company's franchisees over the term of the agreement. The royalties are billed monthly and are recognized as revenue when earned.

Revenue from initial fees is allocated to the performance obligations in the franchise agreement that are distinct from the territory and license. These primarily include training services, store location support, opening support services, equipment, inventory, signage, fixtures and supplies and franchisee acquisition and acceptance. The Company is using the practical expedient under the guidance of ASU 952-606 and is treating all pre-opening activities as distinct from the franchise license as defined in the prior paragraph. The Company has determined that 25% of the first initial franchise fee is allocable to the pre-opening obligations in the franchise contract. Amounts allocated to the provision of equipment, inventory, signage, fixtures, and supplies are determined using the expected cost plus a margin approach. The amount allocated to each identified performance obligation is revenue from initial fees and is recognized when the performance obligation is satisfied and control of the goods or service has been transferred to the franchisee. Performance obligations that are normally satisfied by the opening of the franchised business to the public

are determined to be earned during the period from the execution of the contract to the opening of the franchised business which is generally less than one year. Unearned initial fee revenues from franchisee acquisition and acceptance will be recorded as deferred non-refundable revenue and recognized as revenue over the term of the contract, which is currently 10 years from the date of the franchise agreement. Incremental costs of obtaining a franchise agreement with a franchisee related to unsatisfied performance obligations will be recorded as a franchise acquisition asset and are recognized as a cost of sales over the same term as the related performance obligation which is currently 10 years.

Pre-opening Advertising Revenue

The Company collects from each franchise a fee for advertising cost to be spent at the time of the franchise location is near opening. Revenues related to pre-opening advertising are \$9,500 per territory right purchased. Pre-opening advertising is recognized as revenue upon the opening of each franchise location. Amounts collected in advance are reported as non-refundable franchise fees in the attached balance sheet. Prior to 2023 the fee was not collected in advance but only at the time that the franchise location was about to open.

Advertising

Advertising costs are charged to expense as incurred. Pre-opening advertising cost expensed were \$329,454, \$232,823, and \$262,022, and \$279,542, for the years ended December 31, 2024, 2023 and 2022, respectively. Advertising costs charged to expense were \$205,919, \$249,460, and \$80,838 for the years ended December 31, 2024, 2023 and 2022, respectively.

Income Taxes

The Company has elected to be treated as a disregarded entity for income tax purposes. Accordingly, taxable income and losses of the Company are reported on the income tax returns of its member and no provision for federal or state income taxes has been recorded in the accompanying balance sheet.

The Company adopted ASC 740-10-25-6 "Accounting for Uncertainty in Income Taxes", that requires the Company to disclose uncertain tax positions. Under the standard an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold upon examination by taxing authorities.

Based on its evaluation, the Company has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Company's evaluation was performed for the tax periods ending December 31, 2024, 2023 and 2022 for U.S. Federal Income Tax and for the State of Connecticut Income Tax, the tax years which remain subject to examination by major tax jurisdictions as of December 31, 2024.

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist primarily of cash and franchisee receivables. The Company places its temporary cash investments with financial institutions. At times throughout the year the Company may, in the ordinary course of business, maintain cash balances in excess of federally insured limits. Management does not believe the Company is exposed to any unusual risks on such deposits. The Company grants credit to franchisees. The Company's ability to collect the amounts due from franchisees is affected by fluctuations in the economy and the operations of the franchisees.

Fair Value of Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities. The amounts shown for notes payable also approximate fair value because current interest rates and terms offered to the Company for similar debt are substantially the same.

Recently Issued Accounting Pronouncements

The Company has adopted all recently issued Accounting Standards Updates ("ASU"). The adoption of the recently issued ASUs, including those not yet effective, is not anticipated to have a material effect on the financial position or results of operations of the Company.

NOTE 2 – RECLASSIFICATION AND RESTATEMENT

Reclassification of Franchise Fee Revenue and Related Costs From Terminated Contracts

For the years ended December 31, 2023, and 2022, recognition of non-refundable deferred franchise fee revenue from the termination of contracts and the associated recognition of amounts owed (accounts receivable) but not received by franchisees under the terms of the franchise contract for the development of additional locations under the terms of the franchise contract was reported on a net realizable value basis as franchise fee revenue. The Company has determined to report these amounts on a gross basis and show at the date of contract termination the total unrecognized non-refundable deferred franchise fees as revenue and the total of any lost accounts receivable as a cost of sale. The effect of this change is to increase reported franchise fee revenue and reported cost of sales by \$2,256,528 and \$348,843 for the years ending December 31, 2023, and 2022.

Correction of Franchise Fee Revenue, Related Franchise Acquisition Costs, Related Accrued Expense, Accounts Receivable and Cash Balances

For the year ended December 31, 2022, the Company has determined that royalty payments collected by the Company's payment processor that were in a "hold" status as of December 31, 2022 had been incorrectly classified as a member distribution. The effect of this correction is to increase the reported cash and cash equivalents balance by \$21,563 and increase member's equity by the same amount.

For the year ended December 31, 2023, the Company determined that non-refundable deferral franchise fees related to the opening of some locations had not been recognized upon the opening of the location, some incremental commissions incurred from sales of franchise contracts had not been accrued and some payments on franchise contracts had been credited to royalty revenue.

The effect of these corrections on the reported revenue of the Company were to increase franchise fee revenue by \$98,005, increase pre-opening advertising fee revenue by \$9,500 and decrease royalty revenue by \$6,666. The offsets were to the related non-refundable deferred franchise fees, nonrefundable deferred pre-opening advertising fees and accounts receivable. The effect of these corrections on the cost of sales, franchise acquisition costs and accrued expenses were to increase the cost of sales by \$20,210, increase franchise acquisition costs by \$19,790 and increase accrued expenses by \$40,000.

Reclassification of Costs

The Company has changed the classification of certain costs incurred in the years ended December 31, 2023, and 2022 to conform to the classification of these costs in the year ended December 31, 2024. The most significant reclassifications were to move the reporting of shipping from general and administrative expense to cost of sales totaling \$139,290 and \$97,575 and cost amounts from statement of operations to inventory, member distributions/advances to related parties totaling \$19,666, and \$59,461 for the year ending December 31, 2023

The following tables for the years ending December 31, 2023, and 2022 show the financial statement captions and the changes in each financial statement caption.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). We are required to be independent of Sharkey's Cuts for Kids International Co., LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there

is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sharkey's Cuts for Kids International Co., LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharkey's Cuts for Kids International Co., LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SHARKEY'S CUTS FOR KIDS INTERNATIONAL CO., LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A summary of significant accounting policies follows:

Basis of Presentation

The accompanying financial statements have been prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

Preparation of the Company's financial statements in accordance with United States generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of any contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments purchased with original maturities of three months or less at the date of purchase to be cash equivalents. The Company did not have any cash equivalents as of December 31, 2022, and 2021.

Accounts Receivable

Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized subsequent to invoicing. Management evaluates individual customers' receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off if deemed uncollectible and recoveries of accounts receivable previously written off are recorded as income when received. The Company did not have any allowance for uncollectible accounts at December 31, 2022, and 2021. Bad debt expense was \$348,744, \$371,381, and \$256,000 for the years ended December 31, 2022, 2021 and 2020, respectively. Amounts written off were \$348,744, \$371,381, and \$256,000 for the years ended December 31, 2022, 2021 and 2020, respectively.

Revenue Recognition, Non-refundable Deferred Franchise Fee Revenue and Franchise Acquisition Costs

The Company recognizes revenue using the guidance in FASB ASC Topic 606 "Contracts with Customers".

The Company's revenue is principally generated through franchise agreements executed with the Company's franchisees. Each franchise agreement is comprised of several performance obligations. The Company identifies those performance obligations, determines the contract price for each performance obligation, allocates the transaction price to each performance obligation and recognizes revenue when the Company has satisfied the performance obligation by transferring control of the good or service to the franchisee.

SHARKEY'S CUTS FOR KIDS INTERNATIONAL CO., LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition, Non-refundable Deferred Franchise Fee Revenue and Franchise Acquisition Costs (continued)

When a franchisee purchases a Sharkey's Cuts for Kids franchise, the Company grants the franchisee the right to operate a location in a designated territory and use the proprietary methods, techniques, trade dress, trademarks, and logos ("the license"). Revenues related to the territory and license rights are continuing royalties that vary from \$1,000 to \$1,500 per month as defined in the franchise agreement. These revenues are used to continue the development of the Company's brand, the franchise system and provide ongoing support for the Company's franchisees over the term of the agreement. The royalties are billed monthly and are recognized as revenue when earned.

Revenue from initial fees is allocated to the performance obligations in the franchise agreement that are distinct from the territory and license. These primarily include training services, store location support, opening support services, equipment, inventory, signage, fixtures and supplies and franchisee acquisition and acceptance. The amount allocated to each identified performance obligation is determined using the expected cost plus a margin approach. Revenue from initial fees is recognized when the performance obligation is satisfied and control of the good or service has been transferred to the franchisee. Performance obligations that are normally satisfied by the opening of the franchised business to the public are determined to be earned during the period from the execution of the contract to the opening of the franchised business which is generally less than one year. Unearned initial fee revenues from franchisee acquisition and acceptance will be recorded as deferred non-refundable revenue and recognized as revenue over the term of the contract which is currently 10 years from the date of the franchise agreement. Incremental costs of obtaining a franchise agreement with a franchisee related to unsatisfied performance obligations will be recorded as a franchise acquisition asset and are recognized as cost of sales over the same term as the related performance obligation which is currently 10 years.

Advertising

The Company expenses advertising costs as incurred. Advertising costs expensed were \$279,676, 279,542, and \$161,186 for the years ended December 31, 2022, 2021 and 2020, respectively.

Income Taxes

The Company has elected to be treated as a disregarded entity for income tax purposes. Accordingly, taxable income and losses of the Company are reported on the income tax returns of its member and no provision for federal or state income taxes has been recorded in the accompanying balance sheet.

The Company adopted ASC 740-10-25-6 "Accounting for Uncertainty in Income Taxes", that requires the Company to disclose uncertain tax positions. Under the standard an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold upon examination by taxing authorities.

Based on its evaluation, the Company has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Company's evaluation was performed for the tax periods ending December 31, 2022, 2021 and 2020 for U.S. Federal Income Tax and for the State of Connecticut Income Tax, the tax years which remain subject to examination by major tax jurisdictions as of December 31, 2022.

SHARKEY'S CUTS FOR KIDS INTERNATIONAL CO., LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist primarily of cash and franchisee receivables. The Company places its temporary cash investments with financial institutions. At times throughout the year the Company may, in the ordinary course of business, maintain cash balances in excess of federally insured limits. Management does not believe the Company is exposed to any unusual risks on such deposits. The Company grants credit to franchisees. The Company's ability to collect the amounts due from franchisees is affected by fluctuations in the economy and the operations of the franchisees.

Fair Value of Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities. The amounts shown for notes payable also approximate fair value because current interest rates and terms offered to the Company for similar debt are substantially the same.

Recently issued accounting pronouncements

The Company has adopted all recently issued Accounting Standards Updates ("ASU"). The adoption of the recently issued ASUs, including those not yet effective, is not anticipated to have a material effect on the financial position or results of operations of the Company.

RECITATIONS

Through the expenditure of considerable time, effort and money, Franchisor has developed and established hair cutting salons furnished and designed to attract children and adults using the "Sharkey's Cuts for Kids," "Sharkey's Hair It Is" trademarks and Franchisor's confidential operations manual ("Manual") of business practices and policies, and Franchisor's distinctive, décor, fixtures and furnishings, operations methods, sales techniques, inventory, procedures for management control and training, assistance, advertising, and promotional programs, all of which may be changed, improved or further developed by Franchisor at any time (taken together herein the "System").

The System is identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including but not limited to the "Sharkey's Cuts for Kids," "Sharkey's Hair It Is" service marks, as set forth in Attachment 1, and such other trade names, service marks, and trademarks as are now designated and may hereafter be designated or substituted by Franchisor for use in connection with the System (the "Marks" or "Proprietary Marks").

Franchisor continues to develop, use, and control the use of such Marks in order to identify for the public the source of services and products marketed under the Marks and the System and to represent the System's high standards of quality, appearance, and service.

Franchisee understands and acknowledges the importance of Franchisor's high and uniform standards of quality, service, and appearance, and the necessity of operating the business franchised hereunder in conformity with Franchisor's standards and specifications.

NOW, THEREFORE, the parties, in consideration of the promises, undertakings and commitments of each party to the other set forth herein, and intending to be legally bound hereby, mutually agree as follows:

1. GRANT OF LICENSE

1.1 Grant

Franchisor hereby grants to Franchisee and Franchisee accepts, upon the terms and conditions of this Agreement, the limited right and license to: (a) establish and operate one (1) Sharkey's Cuts for Kids salon (the "Salon") at the location described on Attachment 1 to this Agreement (the "Location"); (b) use the Marks under the terms of this Agreement to identify and promote the Salon and the business conducted

and the goods and services offered hereunder; and (c) use the System for the operation of the Salon at the Location. The Salon that Franchisee is purchasing pursuant to this Agreement is:

☐ A Sharkey's Cuts for Kids Salon

1.2 Location

The rights granted to Franchisee in this Agreement are specifically restricted to the operation by Franchisee of a Salon at the Location identified in Attachment 1 to this Agreement and shall be effective only with respect to the franchise located at this Location. No branches or second locations shall be permitted under this Agreement. Franchisee acknowledges and agrees that no representations or warranties have been made by Franchisor with respect to the grant of any other franchises or permission to operate the franchise from any additional or other location. Franchisee and its Controlling Principals (as defined in Section 18.1) have represented to Franchisor that they have entered this Agreement with the intention to comply fully with the obligations to construct a Salon hereunder and not for the purpose of reselling the rights to develop the Salon hereunder.

1.3 Territory

Upon the execution of this Agreement, Franchisee will be assigned a territory (the "Territory") that will also be described in Attachment 1. Except as provided in this Agreement, and subject to Franchisee's and the Controlling Principals' full compliance with this Agreement and any other agreement among Franchisee (defined as any entity that is controlled by, controlling or under common control with such other entity) and Franchisor, Franchisor shall not establish or authorize any other person or entity, other than Franchisee, to establish a Sharkey's Cuts for Kids Salon in the Territory during the term of this Agreement. Franchisee acknowledges and understands that the rights granted hereunder pertain only to the establishment of a Sharkey's Cuts for Kids Salon. Franchisee acknowledges and agrees that (a) Franchisor or its principals currently operate, or may in the future operate, salons under the Marks, (b) other franchisees in the System currently operate, or may in the future operate, salons under the Marks, and (c) Franchisor's affiliates currently operate, or may in the future operate, salons under different marks and with operating systems that are the same or similar to the System, and that any such salons might compete with Franchisee's Salon. Franchisee further agrees and acknowledges that the license granted hereby is only for the operation of one (1) Sharkey's Cuts for Kids Salon. Accordingly, in the Territory, Franchisor and any of its current or future affiliates may own, acquire, establish and/or operate, and license others to establish and operate, businesses under other proprietary marks and/or other operating systems, regardless of whether such businesses are the same, similar, or different from the Salon, Franchisor and any of its current or future affiliates may also offer and sell (and may authorize others to offer and sell): (i) collateral products under the Marks, at or from any location, such as Sharkey's Cuts for Kids memorabilia or products; (ii) services under the Marks at or through any Sharkey's Cuts for Kids Salon or other permanent, temporary or seasonal facility providing in whole or in part the services offered by a Franchisor Salon in a Reserved Area only (as defined below); and (iii) any products or services under the Marks or any other names and marks. A "Reserved Area" is defined as an airport, or travel plaza, hospitals, schools, hotels, festivals, fairs and other mass gathering locations or events.

1.4 Relocation

Franchisee may relocate the Salon for a legitimate business reason. The relocation of Franchisee's Salon will be subject to Franchisor's then-current relocation fee, payable upon Franchisor's approval of Franchisee's request to relocate the Salon. Any relocation of Franchisee's Salon will be subject to Franchisor's prior approval, which may be granted or withheld, in its sole discretion. In addition, Franchisee will be required to execute the form of Franchise Agreement that is being executed by new franchisees at the time of Franchisee's relocation and will be subject to the terms of that Franchise

Agreement except for the franchise term. If Franchisee does relocate its Salon, Franchisee's existing Salon cannot be closed for more than ninety (90) days.

2. ACCEPTANCE BY FRANCHISEE

2.1 Acceptance

Franchisee accepts this Agreement and the license granted herein and undertakes the obligation to develop and operate the Salon in accordance with the System using the Marks in strict compliance with the terms and conditions specified herein. Franchisee may not directly or indirectly franchise, sub franchise, license or sublicense the rights granted to Franchisee in this Agreement.

2.2 Non-Exclusive License

Except as set forth herein, the franchise and licenses granted to Franchisee by this Agreement are non-exclusive and Franchisor shall have, at all times throughout the term of this Agreement and any renewals hereof, and at all places, the unqualified right to open and operate, or to franchise and license others to open and operate, businesses utilizing the System anywhere, except within Franchisee's Territory.

2.3 Limitations on Sale of Products or Services

This license does not include any right to provide any service at or from any location except from the Location. Use by Franchisee, directly or indirectly, of the System, the Proprietary Marks licensed hereunder, or the sale of any service at any location other than from the Location shall be a material breach of this Agreement and shall give Franchisor, in addition to all other rights and remedies hereunder, the right to terminate this Agreement. Franchisee shall not engage in any promotional activities or sell any approved products or services or similar products or services, whether directly or indirectly, through the internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the "Electronic Media"); or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from clients or prospective clients located outside of the Territory. Franchisee may place advertisements in printed media and on television and radio that are targeted to clients and prospective clients located within the Territory, and Franchisee will not be deemed to be in violation of this Agreement if those advertisements, because of the natural circulation of the printed media or reach of television and radio, are viewed by prospective clients outside of the Territory. Franchisee may not make any sales or perform services to clients located outside of the Territory unless there is not another Salon, either franchised or company-owned, located in close proximity to Franchisee's Salon.

3. TERM

3.1 Initial Term

(d) If Franchisee fails to perform any of the acts or deliver any of the notices required pursuant to this section in a timely fashion, such failure shall be deemed an election by Franchisee not to exercise Franchisee's option to enter into the Successor Franchise Agreement, and such failure shall cause Franchisee's right and option to automatically lapse and expire, without further notice by Franchisor.

(e) Franchisee acknowledges that the initial Term of this Agreement provides Franchisee more than a sufficient opportunity to recoup Franchisee's investment in the Franchise, as well as a reasonable return on such investment.

3.4 Conditions to Renew

Upon the expiration of the initial term and each renewal term of this Agreement, Franchisee must satisfy each of the following conditions, to Franchisor's satisfaction, to renew the license granted herein:

(e) Franchisee shall not contest the validity of or Franchisor's interest in the Marks or assist others to contest the validity of or Franchisor's interest in the Marks.

(f) Franchisee acknowledges that any unauthorized use of the Marks shall constitute an infringement of Franchisor's rights in the Marks and a material event of default hereunder. Franchisee agrees that it shall provide Franchisor with all assignments, affidavits, documents,

information and assistance Franchisor reasonably requests to fully vest in Franchisor all such rights, title and interest in and to the Marks, including all such items as are reasonably requested by Franchisor to register, maintain and enforce such rights in the Marks.

Franchisor shall have no obligation in such event to reimburse Franchisee for its documented expenses of compliance. Franchisee waives any other claim arising from or relating to any Mark change, modification or substitution. Franchisor will not be liable to Franchisee for any expenses, losses or damages sustained by Franchisee as a result of any Mark addition, modification, substitution or discontinuation. Franchisee covenants not to commence or join in any litigation or other proceeding against Franchisor for any of these expenses, losses or damages.

4.3 Usage

With respect to Franchisee's franchised use of the Marks pursuant to this Agreement, Franchisee further agrees that:

(a) Unless otherwise authorized or required by Franchisor, Franchisee shall operate and advertise the Salon only under the name "Sharkey's Cuts for Kids" or "Sharkey's Hair It Is". the Marks. The attorneys' fees for any such action will be paid by Franchisor. Franchisor will defend Franchisee against any third-party claim, suit or demand arising out of Franchisee's use of the Marks. If Franchisor, in its sole discretion, determines that Franchisee has used the Marks in accordance with this Agreement and the Operations Manual, then the cost of the defense, including the cost of any judgment or settlement, will be borne by Franchisor. If Franchisor, in its sole discretion, determines that Franchisee has not used the Marks in accordance with this Agreement and the Operations Manual, then the cost of the defense, including the cost of any judgment or settlement will be borne by Franchisee. 4.5 Use of Marks on the Internet

Franchisee's use of the Marks on the Internet and in domain names for the Internet is subject to the provisions of this Agreement and the Operations Manual. Franchisor reserves the right to establish and modify rules which will govern Franchisee's use of the Marks on the Internet and in domain names and Franchisee agrees to abide by such rules. Payments not received on time, or after notice, may result in an interruption of business services provided by Franchisor or any of its providers, partners, and vendors including but not limited to the Software provider or marketing provider.

5.6 Definition of Gross Sales

Certain payments required to be made hereunder, such as local advertising expenditures, are calculated based on the Gross Sales of Franchisee's Salon. Franchisor will provide the assistance described in Section 6.5 above. Franchisee will not lease or otherwise acquire a site for the Salon until the site has been consented to by Franchisor. Franchisee acknowledges that Franchisor's consent to a prospective site location is permission only, does not constitute a representation, promise, warranty or guarantee, express or implied, by Franchisor that the Salon operated at that site will be profitable or otherwise successful, and cannot, and does not, create a liability for Franchisor.

7.2 Lease

Franchisor may, in its sole and absolute discretion, require that Franchisee submit the lease for the Salon to Franchisor for its written consent before Franchisee executes the lease. Franchisor will not withhold consent arbitrarily, but each lease by which Franchisee occupies the Salon must provide that Franchisor may, at its sole option, upon the termination, expiration or proposed transfer of this Agreement, take an assignment of Franchisee's interest in the lease, without the payment of additional consideration, and without liability for any obligations of Franchisee accrued as of the date of the assignment of the lease. Franchisor's standards of image and operations, and does not constitute a representation, promise, warranty or guarantee, express or implied, by Franchisor that the costs of buildout of the Salon will be in line with the experience of other franchisees in the System. Prior to commencing the buildout of the Salon, Franchisee is required to obtain a minimum of ten (10) contractor bids for Franchisee's approved design. Franchisee acknowledges and agrees that Franchisor cannot account for inflation, local price and supply conditions, unforeseen delays or strikes, or other factors, including Franchisee's election to make discretionary expenditures, including any deviations from the quality standards that Franchisor requires in its standard Salon plans, and any cost increases associated therewith. Franchisee acknowledges and agrees that (i) any impact that any of the foregoing may have on Franchisee's buildout costs cannot, and does not, create a liability for Franchisor; (ii) Franchisee releases Franchisor from any claims regarding cost overruns as a result of any of the foregoing or Franchisee's dissatisfaction with the performance of or costs associated with Franchisee's elected contractor(s), and (iii) Franchisee shall hold Franchisor harmless with respect to the impact any of the foregoing may have on the buildout costs associated with Franchisee's Salon. Franchisee must obtain necessary permits, licenses and other legal or architectural requirements and shall insure that the Salon is in compliance with all applicable local, state and federal laws, statutes and building and architectural barrier codes, including the Americans with Disabilities Act. Franchisee may remodel or alter the Salon, or change its equipment or fixtures, only with Franchisor's prior consent. Franchisee shall promptly repair or replace defective or obsolete equipment, signage or fixtures in accordance with such standards established by Franchisor. Franchisee will be required periodically to remodel, modernize, and redecorate the Salon and to replace and modernize the furniture, fixtures, supplies, and equipment so that the Salon will reflect the then-current System standards; Franchisor shall not require such remodeling, modernization or redecorating more frequently than every five (5) years, at a maximum amount of Twenty-Five Thousand Dollars (\$25,000). All construction costs in this estimate are subject to local market conditions in your area and will vary or possibly exceed average estimates depending on the city/state you choose for your franchised salon and supply chain conditions.

Franchisee shall implement changes in Salon requirements when prescribed, even if additional investment or expenditures are required.

7.4 Salon Opening

Franchisee shall use its best efforts to construct and/or remodel, equip and open the Salon for business within six (6) to ten (10) months from the Effective Date of the Agreement, except for delays that are outside of Franchisee's control, such as weather, equipment shortages, delivery delays, etc. Franchisee's inability to obtain financing shall not be included. Notwithstanding the foregoing, Franchisee shall have its Salon open and operating within one (1) year of the Effective Date of this Agreement. In the event Franchisee fails to have its Salon open and operating within one (1) year of the Effective Date, Franchisor reserves its right to terminate this Agreement without providing Franchisee notice or with a refund of any portion of the Initial Franchise Fee, and any other agreements with Franchisor shall also be deemed in Default and may be terminated without providing Franchisee notice or with a refund of any portion of the Initial Franchise Fee. Franchisor may place information relating to franchise opportunities in the Salon.

7.6 Products and Services

Franchisee shall use and offer for sale all, but only those, products and services that are designated and approved periodically by Franchisor in writing. Franchisee acknowledges and agrees that designated products and services may be changed by Franchisor from time to time and Franchisee is obligated to conform to the then-current requirements as they may change. Franchisor may, in the future, develop and offer for sale private label products (“Proprietary Products”). Franchisee shall be obligated to buy such Proprietary Products from Franchisor and shall be required to offer such products to its customers only from the Location and from no other location or through the Internet or other on-line communications. Franchisee shall not conduct business at the Location other than the Sharkey’s Cuts for Kids Salon franchised hereunder.

Franchisee is exclusively responsible for ensuring that all stylists are licensed by the applicable state’s Cosmetology Board or equivalent official licensing entity.

Franchisee and its Controlling Principals agree to comply, and to assist Franchisor to the fullest extent possible in its efforts to comply with Anti-Terrorism Laws (defined below). In connection with that compliance, Franchisee and its Controlling Principals certify, represent, and warrant that none of Franchisee’s property or interests is subject to being blocked under, and that Franchisee and its Controlling Principals otherwise are not in violation of, any of the Anti-Terrorism Laws. “Anti-Terrorism Laws” mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by Franchisee or its Controlling Principals, or any blocking of Franchisee’s or its Controlling Principals’ assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

7.8 Personnel

Franchisee shall manage or operate the Salon on a regular basis through a Controlling Principal or a manager or employee who has successfully completed Franchisor’s training program. Franchisee will staff the Salon with qualified, competent employees who have been trained in accordance with Franchisor’s standards within the timeframe required by Franchisor. Franchisee is solely responsible for recruiting, hiring, supervising and discharging employees, assuring their continuing compliance with standards of training and competence and setting their wages and terms of employment. Franchisee is solely responsible for equipping its employees with the tools necessary for such employee’s job function, such as scissors, clippers, trimmers, etc.

7.9 Standards of Operation

Franchisee shall at all times operate the Salon in compliance with the System standards, authorized services, operating systems, and other aspects of the System prescribed by Franchisor in the Operations Manual and other manuals, as revised periodically by Franchisor, or in other communications from Franchisor. Franchisee shall not duplicate or disseminate the Operations Manual and other manuals in whole or in part, shall destroy superseded pages of all manuals, and shall return the Operations Manual and all other manuals to Franchisor immediately upon the assignment, termination or expiration of this

Agreement. In the future, the Operations Manual and other communications may only be available on the Internet or other on-line communications. The Salon shall be open for business for such days and hours as prescribed periodically by Franchisor, subject to local law. Franchisee shall implement changes in operational requirements when prescribed, even if additional investment or expenditure is required. Franchisee acknowledges that other Sharkey's Cuts for Kids Salons may operate under different forms of franchise agreements with Franchisor, and that the rights and obligations of parties to other agreements may differ from those hereunder. Franchisor shall not be required to provide Franchisee with any modifications the same as or similar to modification provided to another franchisee in the System.

7.10 Computer System and Equipment

Franchisee shall install and be required to use such electronic data processing and communications hardware and software, including electronic mail, Internet access, television and music systems, voicemail system and computers, **camera monitoring system**, loyalty and rewards program, and all equipment as designated by the Franchisor. Franchisee shall be required to obtain certain hardware and software packages designated by Franchisor, which are subject to change periodically at Franchisor's discretion. Franchisee acknowledges that the Salon's operational data and customer information is owned by Franchisor and is the confidential and proprietary property of Franchisor regardless of whether such information is stored in Franchisee's computer system or by a third-party data warehousing service or software provider. This information is to be made available to Franchisor at any time during this agreement and provided to Franchisor upon request within a 24-hour period via email.

7.11 Website

Except for the website to be provided to Franchisee by Franchisor pursuant to Section 6.4, Franchisee shall not be permitted to establish its own website or other internet presence without Franchisor's prior written consent, which it may withhold in its discretion. Further, Franchisee shall not be permitted to use the Marks in connection with any internet presence. Franchisee shall not be permitted to list salon prices on the website. Franchisee shall make Franchisor an Admin of all Social Media accounts, including but not limited to, Facebook, Meta, Google, X (Twitter), Bluesky, Instagram.

7.12 Inspections and Evaluations

For the purpose of making periodic evaluations to ascertain if the provisions of this Agreement are being observed by Franchisee, Franchisor or its authorized representative shall have the right to enter the Salon at all times to: observe the operation of the Salon; inspect and evaluate Franchisee's products and services; and take photographs and videotapes of the interior and exterior of the Salon. Franchisee must provide Franchisor or its authorized representative with access to all information, books, records, operational data and customer information relating to the Salon as Franchisor may require, upon giving twenty-four (24) hours' notice. Franchisor from time to time may bring in new and prospective franchisees to your location, where no notice needs to be given.

7.13 Best Efforts; Confidentiality

Franchisee shall apply his/her best efforts to the development and promotion of the Sharkey's Cuts for Kids Salon licensed hereunder. During and after the term of this Agreement, Franchisee shall not disclose, except to Franchisee's employees, or use for any purpose other than operating the Salon, any trade secret, confidential or proprietary aspect of the System including, but not limited to, the contents of the Operations Manual and other manuals, the Franchisor's training program, Franchisor's Website and other on-line communications, or other information or know-how distinctive to a Sharkey's Cuts for Kids Salon or the System. Franchisee is further responsible for ensuring that Franchisee's employees maintain the same level of confidentiality. Franchisee and Controlling Principal(s) shall not at any time copy, duplicate, record or otherwise reproduce any Confidential Information, in whole or in part, or otherwise make the same available to any person other than those authorized above, without Franchisor's prior written consent. If Franchisee or its employees learn about an unauthorized use of any trade secret or confidential or

proprietary materials, Franchisee must promptly notify Franchisor. Franchisor is not obligated to take any action but will respond to the information as it deems appropriate. If Franchisee or an employee of Franchisee at any time conducts, owns, consults with, is employed by or otherwise assists a similar or competitive business to that franchised hereunder, it is Franchisee's burden to prove that Franchisee is not in violation of this covenant. The covenant in this Section 7.13 shall survive the expiration, termination or transfer of this Agreement or any interest herein and shall be perpetually binding upon Franchisee and each Principal.

7.14 Non-Competition

To prevent a conflict of interest and unfair competition based upon Franchisee's knowledge and use of the System and Marks, neither Franchisee nor its Controlling Principals shall without Franchisor's prior written consent (which may be withheld in Franchisor's sole discretion), directly or indirectly engage or participate in, consult with, or assist in any way, or participate in or share the earnings or profits of, any other business or activity that competes with the Sharkey's Cuts for Kids Salon, any retail hair care or personal grooming business, or any business selling hair products or any of the other services provided under the System: (i) during the term of this Agreement, at any location; and (ii) for three (3) years after the expiration, termination or assignment of this Agreement for any reason anywhere within fifty (50) miles of the Location or of any other Salon in the System. Neither Franchisee nor any of its Controlling Principals shall acquire or hold directly or indirectly any interest (other than one percent (1%) or less of the stock in a publicly traded corporation) in another retail hair care or personal grooming business or hair care franchise, without Franchisor's prior written consent. If a court or arbitrator finds this Section or any portion of this Section to be unenforceable, the court or arbitrator is authorized and directed to reduce the scope or duration (or both) of the provision in issue to the extent necessary to render it enforceable and to enforce the provision as so revised.

7.15 Disclosure Acknowledgment

Franchisee must also complete and execute the Franchisee Disclosure Acknowledgment Statement, which is attached in the Franchise Disclosure Document, and deliver it to Franchisor prior to the execution of this Agreement.

7.16 Guaranty

Franchisee and each of Franchisee's shareholders or equity owners with a five percent (5%) or greater interest in the Franchisee shall, jointly and severally, guarantee Franchisee's performance of all of Franchisee's obligations, covenants and agreements hereunder pursuant to the terms and conditions of the guaranty attached hereto as Attachment 2 or otherwise provided by Franchisor, and shall otherwise bind themselves to the terms of this Agreement as stated herein.

7.17 Notice of Proceedings

Franchisee shall immediately deliver to Franchisor a copy of any notice of default received from any landlord, a copy of any notice or citation from any governmental agency or entity, or a copy of any notification of a legal proceeding commenced by or against Franchisee relating to Franchisee's Sharkey's Cuts for Kids. Franchisee shall keep Franchisor continuously advised of the status of the matter.

7.18 No Other Business

Neither Franchisee nor any of its Controlling Principals shall operate, directly or indirectly, nor allow the operation of, any other business within or in connection with the Location.

7.19 Continuous Operations

Franchisee shall, beginning on the date hereof and continuing during the remaining term of this Agreement, continuously operate a hair care business at the Location (except if prevented by an act of God or other cause beyond Franchisee's control as determined by Franchisor in its sole discretion), using its best

efforts in the conduct of the business. Although Franchisee may hire a full-time manager to conduct the daily management of the Salon, the responsibility for the operation of the Salon remains with the Franchisee.

7.20 Liquidated Damages Upon Breach of Restrictive Covenant

In the event this Agreement is terminated due to Franchisee's default, pay Franchisor a lump sum payment (as liquidated damages and not as a penalty) in an amount equal to: (a) the average monthly Royalty Fee and Brand Fund payable by Franchisee over the twelve (12) month period immediately prior to the date of Franchisee's default (or such shorter time period if the Franchised Business has been open less than twelve (12) months); (b) multiplied by the lesser of (i) twenty-four (24) or (ii) the number of months then remaining in the then-current term of this Agreement. Franchisee acknowledges that a precise calculation of the full extent of the damages Franchisor will incur in the event of termination of this Agreement as a result of Franchisee's default is difficult to determine and that this lump sum payment is reasonable in light thereof. The liquidated damages payable by Franchisee pursuant to this Section 7.20 shall be in addition to all other amounts payable under this Agreement and shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies pursuant to any other provision of this Agreement.

8. ADVERTISING

8.1 Advertising Programs

Franchisor may from time to time develop and create advertising and sales promotion programs designed to promote and enhance the collective success of all Salons operating under the System. Franchisee shall participate in all such advertising and sales promotion programs in accordance with the terms and conditions established by Franchisor for each program. In all aspects of these programs, including, without limitation, the type, quantity, timing, placement and choice of media, market areas and advertising agencies, the standards and specifications established by Franchisor shall be final and binding upon Franchisee. Franchisor shall own all photographs, video, and other media used in any advertising programs.

8.2 Local Advertising

(a) Franchisee shall spend not less than three percent (3%) of the Gross Sales of the Salon on advertising for the Salon in its Territory ("Local Advertising"). Within thirty (30) days of a request from Franchisor, Franchisee shall submit to Franchisor an advertising expenditure report accurately reflecting expenditures on Local Advertising, including such information as Franchisor may require. In addition to the restrictions set forth below, costs and expenditures incurred by Franchisee in connection with any of the following shall not be included in Franchisee's expenditures on Local Advertising for purposes of this Section, unless approved in advance by Franchisor in writing: incentive programs for employees or agents of Franchisee, including the cost of honoring any coupons distributed in connection with such programs; research expenditures; salaries and expenses of any employees of Franchisee, including salaries or expenses for attendance at advertising meetings or activities; charitable, political or other contributions or donations; in-store materials consisting of fixtures or equipment; and seminar and educational costs and expenses of employees of Franchisee.

(b) Any promotional or advertising materials developed by or for Franchisee that have not been previously approved by Franchisor must be submitted to Franchisor for its review. Franchisor shall, within seven (7) days after receipt of the proposed materials, advise Franchisee as to whether the proposed materials are approved. If Franchisor does not provide its specific approval within this seven (7) day period, the proposed materials are deemed not approved. Any advertising developed by or on behalf of Franchisee must contain such terminology as Franchisor may require, including, but not limited to, "Franchises Available. Call 203-637-8911 for more information."

Any materials submitted to Franchisor for its review shall become Franchisor's property, and there shall be no restriction on Franchisor's use or dissemination of such materials.

8.3 System-wide Advertising

Franchisor has established a national fund (the "Brand Fund") on behalf of the System for national advertising, marketing, and business system development and enhancements. Franchisee is required to contribute up to three percent (3%) of the Gross Sales generated monthly by Franchisee's Franchised Business to the Brand Fund ("Brand Fund"). Payments will be made in the same manner and time, subject to Franchisor's discretion, as the Royalty Fees. If Franchisee fails to timely report Gross Sales, then, in addition to a late fee and interest pursuant to Sections 5.5 and 5.7 hereof, Franchisor shall collect one hundred twenty percent (120%) of the last Brand Fund Contribution payable. Franchisor shall reconcile amounts when Gross Sales are reported.

Franchisor shall direct all Brand Fund activities and shall have sole discretion to approve or disapprove the creative concepts, materials and media used in such programs and the placement and allocation thereof. Franchisee agrees and acknowledges that the Brand Fund is intended to maximize general public recognition and acceptance of the Marks and enhance the collective success of all Franchised Businesses operating under the System.

Franchisor may, but has no obligation to, contribute to the Brand Fund on the same basis as Franchisee with respect to Sharkey's Cuts for Kids outlets operated by Franchisor or Franchisor's affiliates.

Franchisor may use the Brand Fund to satisfy any and all costs of developing, preparing, producing, directing, administering, conducting, maintaining and disseminating advertising, marketing, promotional and public relations materials, programs, campaigns, sales and marketing seminars and training programs of every kind and nature, through media now existing or hereafter developed (including, without limitation, the cost of television, radio, magazine, social media, newspaper and electronic advertising campaigns; direct mail and outdoor billboard advertising; public relations activities; customer and franchise system surveys; System-wide franchisee development programs and activities; conducting marketing research, employing advertising agencies to assist therein; developing, enhancing and maintaining the Website, social media platforms, apps, and other technology for the benefit of the Sharkey's Cuts for Kids brand image and/or Systemwide improvements; and staff salaries and other personnel and departmental costs for advertising that Franchisor internally administers or prepares). While Franchisor does not intend that any part of the Brand Fund will be used for advertising which is principally a solicitation for franchisees, Franchisor reserves the right to use the Brand Fund for public relations, to explain the franchise system, and/or to include a notation in any advertisement indicating "Franchises Available."

The Brand Fund will not be used to defray any of Franchisor's general operating expenses, except for reasonable administrative costs, staff salaries of Brand Fund personnel and overhead that Franchisor may incur in activities related to the administration and direction of the Brand Fund and such costs and expenses pursuant Section 8.3. The Brand Fund and its earnings shall not otherwise inure to Franchisor's benefit except that any resulting technology and intellectual property shall be deemed the property of Franchisor.

Franchisor will prepare an unaudited annual (once per year) statement of the Brand Fund's operations and will make it available to Franchisees.. In administering the Brand Fund, Franchisor undertakes no obligation to make expenditures for Franchisee that are equivalent or proportionate to Franchisee's contribution or to ensure that any particular franchisee benefits directly or pro rata from the production or placement of advertising.

Although the Brand Fund is intended to be of perpetual duration, Franchisor may terminate it at any time and for any reason or no reason. Franchisor will not terminate the Brand Fund, however, until all monies in the Brand Fund have been spent for advertising or promotional purposes or returned to contributors, without interest, on the basis of their respective contributions

8.4 Grand Opening or Re Grand Opening Advertising Campaign

We will conduct on your behalf a grand opening, or re-grand opening if you acquired an existing salon, advertising campaign to advertise the opening or acquisition, of your Salon from day of Grand Opening, or acquiring an existing salon, through month number five (5). You are permitted to spend any additional monies as you see fit. Any monies remaining after this five (5) month period will be returned to Franchisee.

8.5 Pricing

With respect to the offer and sale of all Salon products and services, Franchisor may from time-to-time offer guidance with respect to the selling price for such products and services. Except with respect to maximum prices set forth below, Franchisee is in no way bound to adhere to any such recommended or suggested price. Franchisee shall have the right to sell its products and provide services at any price that Franchisee may determine, except that Franchisor reserves the right to establish minimum and maximum prices for any given product or service nationwide or within a market (as determined by Franchisor). Franchisee shall not exceed any maximum price established by Franchisor, but at all times remains free to charge any price below the maximum established by Franchisor. Franchisee shall execute any instruments or other writings required by Franchisor to facilitate the provision of such products and services. If Franchisee elects to sell any or all its products or merchandise at any price recommended by Franchisor, Franchisee acknowledges that Franchisor has made no guarantee or warranty that offering such products or merchandise at the recommended price will enhance Franchisee's sales or profits.

9. FINANCIAL STANDARDS

Franchisee shall furnish to Franchisor all information, books and records relating to the Salon as Franchisor periodically may require, including data stored on Franchisee's computer and/or computer-generated reports, on forms designated by Franchisor, including, but not limited to, sales slips, coupons, purchase orders, payroll records, customer addresses, customer email addresses, customer telephone numbers, check stubs, bank statements, sales tax records and returns, cash receipts and disbursements, journals and ledgers, records of EFT transactions, and backup or archived records of information maintained on any computer system in accordance with generally accepted accounting principles and in the form and manner prescribed by Franchisor from time to time in the Operations Manual or otherwise in writing.

Audits will be conducted during normal business hours at the Location or at Franchisee's normal place of business. If such an audit or review reveals a misstatement of five percent (5%) or greater in any data reported by Franchisee, or an underpayment of two percent (2%) or more of any fees due to Franchisor, Franchisee shall, in addition to other remedies, promptly reimburse Franchisor's cost of conducting the audit or review, including reasonable professional fees. Franchisee shall pay additional amounts found due within ten (10) days after Franchisee is notified. If no underpayment or misstatement as described in this Section is found to exist, Franchisor will pay the costs associated with the audit or review.

9.4 Records Defined

As used in this Section 9, the terms "records" shall include, but not be limited to, cash register recordings, purchase records, bank statements, sales journals, payroll tax returns, sales receipts, employment records, financial statements and other records normally maintained by such business.

Franchisee hereby authorizes (and agrees to execute any other documents deemed necessary to affect such authorization) all banks, financial institutions, businesses, suppliers, manufacturers, contractors, vendors and other persons or entities with which Franchisee does business to disclose to Franchisor any requested financial information in their possession relating to Franchisee or the Salon. Franchisee authorizes Franchisor to disclose data from Franchisee's reports, if Franchisor determines, in its sole discretion, that such disclosure is necessary or advisable, which disclosure may include disclosure to prospective or existing franchisees or other third parties.

10. INSURANCE

Franchisee must obtain Franchisor's prior written approval to the Assignment and must comply with all of the terms and conditions of Section 13 of this Agreement.

12.4 Documentation Required

In the event of a proposed Assignment, Franchisee shall provide the following information to Franchisor:

- (a) A purchase agreement or letter of intent signed by the proposed assignee or other party to the transaction and by Franchisee, specifying all the material terms and conditions of the offer including price and payment terms;
- (b) A copy of the most recent income statement and the income statement from the Salon's last fiscal year end;
- (c) A copy of the lease for the Location;
- (d) Current financial statements of the proposed assignee; and
- (e) Any other information or documents as reasonably requested by Franchisor.

12.5 Notice to Franchisee

Franchisor will have thirty (30) days from receipt of all of the above materials to accept the offer, by written notice to Franchisee, on the price and payment terms (or pay to Franchisee the cash equivalent of the price and payment terms) of the third-party offer. If the proposed transaction includes assets not related to the operation of the Salon, Franchisor may choose to purchase only the assets related to the operation of the Salon. In the event that Franchisor does not exercise its right of first refusal and the offer changes in any way, or another offer is made to Franchisee, this new offer must also be presented to Franchisor. Franchisor will have thirty (30) days to accept the new offer, by written notice to Franchisee, on the price and terms (or pay to Franchisee the cash equivalent of the price and payment terms) of the third-party offer. Any offer that Franchisor does not match must be consummated within one hundred twenty (120) days from the date that Franchisor informs Franchisee of its intent not to exercise its right of first refusal. If the transaction is not consummated within one hundred twenty (120) days, Franchisor will have the right to re-evaluate and match the offer if it elects to do so by notice to Franchisee.

12.6 Cash Equivalent Offer

Franchisor will have the right to replace the price and payment terms in the original purchase offer with a cash ("cash equivalent") offer. If Franchisor exercises its right of first refusal by making a cash equivalent offer and there is any dispute concerning whether Franchisor's offer is equivalent to the price and payment terms, then the following dispute resolution procedure shall be used. Franchisee will have seven (7) days after the receipt of Franchisor's cash equivalent offer to notify Franchisor that it claims that Franchisor's offer is not of equivalent value to the price and payment terms of the transaction. If, within seven (7) additional days, Franchisor and Franchisee cannot resolve the dispute through negotiation, then Franchisor and Franchisee will each appoint a separate national certified public accounting firm to make an independent determination of what the cash equivalent of the price and payment terms of the transaction would be. Franchisor and Franchisee will each bear their own costs of the work of the separate national certified public accounting firm appointed by each of them to perform this task. The accounting firms appointed to resolve this matter will finish their work within thirty (30) days of appointment. The final amount that will be used as the cash equivalent will be the average of the amounts determined by each of the accounting firms. Upon that determination, Franchisor will have the option of proceeding with its right of first refusal, using the cash equivalent amount determined by this process. This dispute resolution mechanism will be final, binding, and non-appealable as a fully arbitrated resolution of this matter. The mandatory use of this dispute resolution mechanism to determine the cash equivalency of the transaction

terms for this right of first refusal will constitute an exception to any other mechanism for the resolution of disputes as set forth in Section 14.4 of this Agreement.

13. ASSIGNMENT OF FRANCHISE

13.1 Assignment by Franchisor

Franchisor shall have the right, without the need for Franchisee's consent, to assign, transfer or sell its rights under this Agreement to any person, partnership, corporation or other legal entity, provided that the transferee agrees in writing to assume all obligations undertaken by Franchisor herein and Franchisee receives a statement from both Franchisor and its transferee to that effect. Upon such assignment and assumption, Franchisor shall be under no further obligation hereunder, except for accrued liabilities, if any. Franchisee further agrees and affirms that Franchisor may go public; may engage in a private placement of some or all of its securities; may merge, acquire other corporations, or be acquired by another corporation; and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or related to the loss of Franchisor's name, Marks (or any variation thereof) and System and/or the loss of association with or identification of Franchisor as the franchisor under this Agreement. Franchisee specifically waives any and all other claims, demands or damages arising from or related to the foregoing merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing.

Franchisee agrees that Franchisor has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or non-competitive franchise network, chain or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as Salons operating under the Marks or any other marks following Franchisor's purchase, merger, acquisition or affiliation, regardless of the location of these facilities (which Franchisee acknowledges may be within its Territory, proximate thereto, or proximate to any of Franchisee's locations). However, Franchisor represents that it will not convert any such acquired salon premises that are operating within Franchisee's Territory to a Sharkey's Cuts for Kids Salon. If Franchisor assigns its rights in this Agreement, nothing herein shall be deemed to require Franchisor to remain in the hair care business or to offer or sell any products or services to Franchisee.

13.2 Assignment by Franchisee

The rights granted to Franchisee pursuant to this Agreement may be assigned or transferred by Franchisee only with the prior written approval of Franchisor. Whether Franchisee is an individual, group of individuals, partnership, corporation, limited liability company or other entity, any assignment (or new issuance), directly or indirectly, occurring as a result of a single transaction or a series of transactions that alters the Percentage of Ownership Interest reflected in Section 18.1 of this Agreement is an "assignment" within the meaning of this Section and must be consented to by Franchisor. Franchisee must apply for consent to an assignment on Franchisor's forms, accompanied by the Assignment Fee described in Section 13.6 and proposed purchase agreement or other agreement signed by the Franchisee and the proposed assignee. Any unauthorized assignment is a breach of this Agreement, void, and of no effect.

13.3 Restrictions

Franchisee may not assign more than a fifty percent (50%) interest in this Agreement to any person, persons or entity who is not currently a party to this Agreement if the Salon is not yet operational. Franchisee may not assign any interest whatsoever in this Agreement if the Salon is temporarily closed due to a pending relocation, as authorized by Franchisor under Section 1.4. Franchisee may not include any of the Marks licensed under this Agreement when advertising the sale of its Sharkey's Cuts for Kids Salon in newspapers, magazines, journals, via electronic media, or in any other public forum.

13.4 Conditions to Approval of Assignment

If Franchisor declines to exercise its right of first refusal set forth in Section 12 and Franchisee wishes to transfer all or part of its interest in the Salon or this Agreement, or if Franchisee or a Controlling Principal wishes to transfer any ownership interest in Franchisee, transferor and the proposed transferee shall apply to Franchisor for its consent. Franchisor shall not unreasonably withhold its consent to a transfer of any interest in Franchisee, in the Salon or in this Agreement. Franchisor may, in its sole discretion, require any or all of the following as conditions of its approval:

(a) All of the accrued monetary obligations of Franchisee or any of its affiliates and all other outstanding obligations to Franchisor arising under this Agreement or any other agreement shall have been satisfied in a timely manner and Franchisee shall have satisfied all trade accounts and other debts, of whatever nature or kind, in a timely manner;

(b) Franchisee and its affiliates shall not be in default of any provision of this Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee or any of its affiliates and Franchisor, and Franchisee shall have substantially and timely complied with all the terms and conditions of such agreements during the terms thereof;

(c) The transferor and its principals (if applicable) shall have executed a General Release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, and its officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, including, without limitation, claims arising under this Agreement and federal, state and local laws, rules and regulations;

(d) The transferee shall demonstrate to Franchisor's reasonable satisfaction that transferee meets the criteria considered by Franchisor when reviewing a prospective franchisee's application for a license, including, but not limited to, Franchisor's educational, managerial and business standards; transferee's good moral character, business reputation and credit rating; transferee's aptitude and ability to conduct the business franchised herein (as may be evidenced by prior related business experience or otherwise); transferee's financial resources and capital for operation of the business; and the geographic proximity and number of other salons owned or operated by transferee;

(e) The transferee shall enter into a written agreement, in a form satisfactory to Franchisor, assuming full, unconditional, joint and several liability for, and agreeing to perform from the date of the transfer, all obligations, covenants and agreements contained in this Agreement; and, if transferee is a corporation or a partnership, transferee's shareholders, partners or other investors, as applicable, shall execute such agreement as transferee's principals and guarantee the performance of all such obligations, covenants and agreements;

(f) The transferee shall execute, for a term ending on the expiration date of this Agreement and with such renewal terms as may be provided by this Agreement, the standard form franchise agreement then being offered to new System franchisees and other ancillary agreements as Franchisor may require for the Salon, which agreements shall supersede this Agreement and its ancillary documents in all respects and the terms of which agreements may differ from the terms of this Agreement, including, without limitation, the then-current system wide Royalty Fee and other recurring fees; provided, however, that the transferee shall not be required to pay any initial franchise fee; and, if transferee is a corporation or a partnership, transferee's shareholders, partners or other investors, as applicable, shall execute such agreement as transferee's principals and guarantee the performance of all such obligations, covenants and agreements;

(g) The transferee or buyer, at its expense, shall renovate, modernize and otherwise upgrade the Salon to conform to the then-current standards and specifications of the System, and

shall complete the upgrading and other requirements which conform to the system wide standards within the time period reasonably specified by Franchisor;

(h) The transferor shall remain liable for all of the obligations to Franchisor in connection with the Salon incurred prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by Franchisor to evidence such liability;

(i) At the transferee's expense, the transferee, the transferee's operating principal, general manager (as applicable) and/or any other applicable Salon personnel shall complete any training programs then in effect for franchisees of Salons upon such terms and conditions as Franchisor may reasonably require;

(j) The transferee shall have completed and executed the Franchisee Disclosure Acknowledgment Statement, which is attached in the Franchise Disclosure Document; and

(k) Franchisee shall pay to Franchisor the Assignment Fee set forth in Section 13.6 to reimburse Franchisor for reviewing the application to transfer, including, without limitation, legal and accounting fees.

(l) Franchisee is current and up to date on all past due fees with Franchisor.

(m) Franchisor will not participate or assist in the selling of a location unless all monies due Franchisor are current.

13.5 Execution of Assignment

If the assignee is approved by Franchisor, the assignee will execute and deliver to Franchisor the then-current standard form of Franchise Agreement which may be materially different than this Agreement. The assignee and each of the assignee's shareholders or equity owners that will have a five percent (5%) or greater interest in the Franchise Agreement shall personally guaranty performance of the Franchise Agreement on Franchisor's form of Guaranty, which is attached hereto as Attachment 2. Notwithstanding the execution by the assignee of the then-current form of Franchise Agreement, the assignee will assume the balance remaining of the term of this Agreement with the attendant renewal provisions. The assignee shall not be required to pay an Initial Franchise Fee for the then-current Franchise Agreement.

13.6 Assignment Fee

Franchisee shall pay an Assignment Fee of Fifteen Thousand Dollars (\$15,000.00) per transferred salon to Franchisor. The Assignment Fee shall be paid upon Franchisee's request for consent to the proposed assignment. The Assignment Fee is otherwise non-refundable.

13.7 Assignment to Controlled Entity

Franchisor shall consent to Franchisee's assignment of this Agreement, one (1) time only, to a corporation or other business entity whose shares are wholly owned and controlled by Franchisee provided that: (i) Franchisee provides a copy of Franchisee's Articles of Incorporation, partnership documents or a copy of the fully-executed legal documents that reflect the formation of such entity, including evidence of distribution of ownership; (ii) Franchisee applies for Franchisor's consent on Franchisor's form; (iii) Franchisee and each of Franchisee's shareholders or equity owners with a five percent (5%) or greater interest in this Agreement sign a personal Guaranty and agree to be bound by the provisions of the Franchise Agreement; and (iv) Franchisee and each of Franchisee's shareholders or equity owners with a five percent (5%) or greater interest in this Agreement sign a General Release in favor of Franchisor.

13.8 Public Offering

(a) Securities or partnership interests in Franchisee may be offered to the public (a "public offering") only with the prior written consent of Franchisor, which consent may be withheld in its sole discretion. As a condition of its approval to such offering, Franchisor may, in its sole

discretion, require that immediately after such offering that Franchisee and the Controlling Principals retain a Controlling Interest (as defined above) in Franchisee.

(b) In the event Franchisor gives its consent to a public offering by Franchisee, such consent does not in any way constitute Franchisor's approval of Franchisee's offering or relieve Franchisee of its sole responsibility for the contents and veracity of the offering and any private placement memorandum or other documents associated with the offering. Franchisee must provide to Franchisor all documents related to the public offering for its review. Franchisee will be required to include such written disclosures as Franchisor deems appropriate in the event of a public offering by Franchisee.

13.9 Death or Disability

In the event of the death, disability or incapacity of any individual franchisee or a Controlling Principal, the transferee, assignee or beneficiary must apply for Franchisor's consent to assignment of the Franchise Agreement. The assignment shall not be valid or effective until Franchisor has received the properly executed legal documents which it deems necessary to properly and legally document the transfer, assignment or bequest of this Agreement, and until the transferee, assignee or beneficiary agrees to be unconditionally bound by the terms and conditions of this Agreement and to personally guarantee the performance of Franchisees' obligations under this Agreement. The transferee, assignee or beneficiary will be required to comply with all of the terms and conditions of Section 12 and 13 of this Agreement including the payment of the Assignment Fee owed under Section 13.6.

14. DISPUTE RESOLUTION

Except as provided in Section 14.5 of this Agreement, if any dispute, controversy, or claim between Franchisor, Franchisee and any of Franchisee's Principal(s), and any of Franchisor's or Franchisee's affiliates, officers, directors, shareholders, members, guarantors, employees, or owners, arising under, out of, in connection with or in relation to this Agreement, the parties' relationship(s), the Franchised Business, or any System standard, or the scope of validity of the arbitration obligation under this Section (any one or more collectively, a "Dispute"), the Dispute will be resolved strictly in accordance with the manner provided for in this Agreement.

14.1 Negotiation

The parties will first attempt to resolve the Dispute through good faith negotiation in accordance with this Section 14.1. Failure of a party to adhere to this Section 14.1 will constitute a waiver by such party of any right, remedy or relief claimed by the party or provided for by this Agreement or by law to otherwise accrue as a result of such Dispute.

(a) If a party claims that a Dispute exists, said party will notify the other party (or parties) in writing that a Dispute exists, specifying the nature and extent of the Dispute (the "Dispute Notice"). The parties will meet within thirty (30) days after the date of delivery of said Dispute Notice at Franchisor's then-current headquarters, or at such other location as directed by Franchisor for such attempted resolution (the "Dispute Meeting").

(b) The Dispute Meeting must be attended by persons representing Franchisor and Franchisee who are authorized to settle the Dispute. The parties may be represented by counsel at the Dispute Meeting. Notwithstanding any other provision of this Agreement to the contrary, express or implied, each party will bear its own costs in connection with a Dispute Meeting, including but not limited to, travel, lodging, meals, attorneys' fees, or other costs. The Dispute Meeting and any negotiations and results thereof will be treated as a compromise settlement negotiation and the entire process shall be confidential.

(c) The parties will make a good faith attempt to resolve the Dispute at the Dispute Meeting. If the Dispute is not resolved at such Dispute Meeting, the parties shall proceed with mandatory, non-binding mediation.

14.2 Mediation

Any Dispute relating to or arising out of this Agreement that is not resolved at a Dispute Meeting shall be submitted to mandatory, non-binding mediation. The holding of a Dispute Meeting is a prerequisite to any party seeking mediation of a Dispute. Mediation will be before a single, qualified, independent mediator mutually and reasonably agreed on by the parties. To the extent that the parties cannot agree on a mediator, the American Arbitration Association shall appoint a mediator. The parties shall equally bear the costs of mediation. Mediation shall be conducted in accordance with the then-current procedures of the American Arbitration Association and shall be confidential. The mediation shall be conducted in the city of Franchisor's then-current principal place of business. The parties shall make reasonable efforts to attempt to resolve any Dispute relating to or arising out of this Agreement within sixty (60) days of said Dispute being submitted to mediation.

14.3 Arbitration

The negotiation, mediation and arbitration provisions of this Agreement (i) apply to claims by and against Franchisee and its respective affiliates, owners, guarantors, managers, directors, officers, employees and representatives; (ii) shall survive the termination, expiration or transfer of this Agreement; and (iii) are intended to benefit and bind certain thirty-party non-signatories, and will continue in full force and effect subsequent to and notwithstanding the termination, expiration or transfer of this Agreement.

(a) Any Dispute or claim relating to or arising out of this Agreement or out of any other agreement between us, and any other Dispute between us, that is not resolved by mediation within sixty (60) days of submission to mediation by any party, must be resolved exclusively by mandatory arbitration by and in accordance with the then-current rules of the American Arbitration Association, or another arbitration service agreed to by Franchisor and Franchisee. The arbitration shall take place in the city where Franchisor's then-current headquarters is at the time of the Dispute.

(b) Arbitration will be before a single, qualified and experienced independent arbitrator mutually and reasonably agreed on by the parties. To the extent that the parties cannot agree on an arbitrator, the American Arbitration Association shall appoint an arbitrator.

(c) Arbitration shall be conducted solely on an individual basis. No arbitration shall be conducted on a class-wide basis or on a group basis. The arbitrator shall have no authority or power to proceed with any claim as a class or group action, or otherwise join or consolidate any claim with any other claim or any other proceeding involving third parties.

(d) The arbitration shall be conducted in accordance with the American Arbitration Association's then-current commercial arbitration rules. All matters related to arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 *et seq.*) and not by any state arbitration law. The arbitrator must follow the law and not disregard the terms of this Agreement, and the Arbitrator must have at least five(5) years of significant, substantive experience in franchise law. The arbitrator may not consider any settlement discussions or offers that might have been made by a party. The arbitrator will also have the right to make a determination as to any procedural matters as would a court of competent jurisdiction be permitted to make in the state in which the main office of Franchisor is located at the time of the arbitration. The arbitrator will also decide any factual, procedural or legal questions relating in any way to the Dispute between the parties, including, without limitation: (any decision as to whether the forum and venue provisions are applicable and enforceable as against the parties, subject matter, timeliness, scope, remedies,

unconscionability or any alleged fraud in the inducement. Each party consents to the enforcement of such orders, injunctions, etc. by any court having jurisdiction.

(e) In arbitration, each party shall submit or file any claim that would constitute a compulsory counterclaim (as defined by the then-current Rule 13 of the Federal Rules of Civil Procedure or its equivalent) within the same proceeding as the claim to which it relates. Any such claim that is not submitted or filed in such proceeding will be barred. Further, in arbitration, the parties will have the same discovery rights as are available in civil actions under the Federal Rules of Civil Procedure. The arbitrator will have subpoena powers limited only by the laws of the state in which the main office of Franchisor is located at the time of the arbitration.

(f) The arbitrator shall have the right to award or include in any award any relief which the arbitrator deems proper in the circumstances, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, attachments, claim and delivery proceedings, temporary protective orders, receiverships, attorneys' fees and costs (including the costs of arbitration), and other equitable and/or interim or final relief; **provided however**, that the arbitrator shall not have the right to declare any Mark generic or otherwise invalid or, except as otherwise provided in this Agreement, to award exemplary, punitive, penal or multiple (e.g., double or treble) damages.

(g) The arbitrator shall not have the authority or right to add to, delete, amend or modify the terms, conditions or provisions of this Article 14. All findings, decisions, and awards of the arbitrator will be limited to the Dispute set forth in the written demand for arbitration (and any submitted counterclaim) and the arbitrator will not have the authority to decide any other issues unless the parties mutually agree thereto.

(h) Any and all of the arbitrator's ruling(s), decision(s), and award(s) may be appealed pursuant to the American Arbitration Association's Optional Appellate Arbitration Rules (the "Appellate Rules"). Each and every award of the arbitrator must be a reasoned award. Further, any award of the arbitrator shall not be considered final until after the time for filing the notice of appeal pursuant to the Appellate Rules has expired.

(i) Appeals must be initiated within thirty (30) days of receipt of an arbitrator's ruling, decision and/or award, as defined by Rule A-3 of the Appellate Rules, but filing a Notice of Appeal with any American Arbitration Association office. Following the appeal process, the decision rendered by the appeal tribunal may be entered in any court having competent jurisdiction.

(j) No findings, conclusions, orders or awards emanating from any arbitration proceeding conducted hereunder may be introduced, referred to or used in any subsequent or other proceeding as a precedent, to collaterally estop any party from advancing any claim or defense or from raising any like or similar issues, or for any other purpose whatsoever.

14.4 Limitations

Any Dispute or claim relating to or arising out of this Agreement, any other agreement between Franchisee and Franchisor and any Dispute between Franchisor and Franchisee (including contract, tort and statutory claims), shall be barred unless filed before the expiration of the earlier of: (i) the time period for bringing an action under any applicable statute of limitations; (ii) one year after the date upon which a party subject to arbitration discovered, or should have discovered, the facts giving rise to an alleged claim; or (iii) two years after the first act or omission giving rise to an alleged claim.

14.5 Exclusions from Negotiation, Mediation and Arbitration

Notwithstanding Sections 14.1 through 14.3 of this Agreement, the parties agree that the following claims will not be subject to negotiation, mediation or arbitration: (i) any action for equitable relief, including, without limitation, seeking preliminary or permanent injunctive relief, specific performance,

other relief in the nature of equity to enjoin any harm or threat of harm to such party's tangible or intangible property, brought at any time, including without limitation, prior to or during the pendency of any arbitration proceedings initiated under this Agreement; and (ii) any action in ejectment or for possession of any interest in real or personal property.

14.6 Waiver of Jury Trial

The parties waive trial by jury in any lawsuit initiated by either of them with respect to a claim or counterclaim arising out of or relating to this Agreement.

14.7 Venue and Jurisdiction

In any lawsuit arising out of or related to this Agreement, or under any agreement between the parties, including for expedited relief or to enforce an arbitration award, the venue of such action may be set in federal or state courts in the county in which Franchisor's headquarters is located, and the parties waive any objection to such venue and agree that such courts have subject matter and personal jurisdiction to hear such matter.

14.8 Withholding Payment

Franchisee will not, on the grounds of Franchisor's alleged non-performance or poor performance of any of Franchisor's obligations under this Agreement, or due to any Dispute with or claim against Franchisor, or for any other reason whatsoever, withhold payment of any amounts due to Franchisor. Franchisee acknowledges that payments withheld by Franchisee may cause irreparable harm to Franchisor and to other franchisees by jeopardizing the maintenance of uniform Systems and by hindering Franchisor's ability to meet its obligations to other franchisees.

14.9 Interpretation and Execution

This Agreement is valid when executed and executed by Franchisor. Except to the extent governed by the United States Trademark Act, the United States Copyright Act and/or the Federal Arbitration Act, this Agreement and any claim, controversy or dispute arising out of or related to this Agreement shall be governed by the laws of the state of Connecticut. This choice of laws provision will not affect the scope of any state statute that by its terms is inapplicable to this Agreement, and nothing in this Agreement will extend the scope of application of any statute.

14.10 Fees and Costs

The prevailing party in any action or proceeding arising under, out of, in connection with or in relation to this Agreement will be entitled to recover its reasonable costs and expenses (including attorneys' fees, arbitrator's fees and expert witness fees, costs of investigation and proof of facts, court costs and other arbitration or litigation expenses) incurred in connection with the claims on which it prevailed. For the purposes of this Agreement in general and this Section specifically, the "Prevailing Party" will be deemed to be that party which has obtained the greatest net judgment in terms of money or money equivalent from the largest award. If there is a mixed decision involving an award of money or money equivalent and equitable relief, the arbitrator will award the above fees to the party that it deems has prevailed over the other party using reasonable judgment.

15. TERMINATION

15.1 Immediate Termination

Franchisor will have the absolute right and privilege, unless prohibited by applicable law, to immediately terminate this Agreement if:

(g) Franchisee operates the Salon or sells any products or services not authorized by Franchisor for sale at the Salon at a location which has not been approved by Franchisor, or fails to sell Proprietary Products, or sells unapproved products; or uses Franchisor's trademarks without approval from Franchisor,

15.2 Grounds for Termination

Franchisor may terminate this Agreement for "good cause." Good cause for termination is a material breach of this Agreement or any other Franchise Agreement Franchisee has entered into with Franchisor for a Sharkey's Cuts for Kids Salon, or intentional, repeated or continuous breach of any provision of this Franchise Agreement or any other Agreement. If the stated grounds for termination are for nonpayment of amounts due or the understatement of Gross Sales, Franchisee will have three (3) days after the notice to cure the alleged breach. If applicable law does not specify a time period

to cure an alleged breach, then Franchisee will have the same (3) days after the notice to cure the alleged breach. However, if the breach is not corrected within the cure period, the termination will then become effective upon expiration of the cure period.

16. CONSEQUENCES OF TERMINATION

Upon the termination, expiration or non-renewal of this Agreement:

(a) Franchisee shall immediately cease to operate the Sharkey's Cuts for Kids Salon under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

(b) Franchisee shall immediately and permanently cease to use, in any manner whatsoever, any confidential information or methods, computer software, procedures, and techniques associated with the System; the Marks; and all other distinctive forms, slogans, signs, symbols, and devices associated with the System. In particular, Franchisee shall cease to use, without limitation, all signs, advertising materials, displays, stationery, forms and any other articles which display the Marks, and shall immediately change all paint colors, remove Franchisor's distinctive décor and all other proprietary or non-proprietary design items.

(c) Franchisee shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the marks "Sharkey's Cuts for Kids," or any other service mark or trademark of Franchisor, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within five (5) days after termination or expiration of this Agreement.

(d) Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, which may cause confusion, mistake or deception, or which is likely to dilute Franchisor's rights in and to the Marks, and further agrees not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with Franchisor constituting unfair competition.

(e) Franchisee and its affiliates shall promptly pay all sums owing to Franchisor. Such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of any default by Franchisee, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, fixtures, and inventory owned by Franchisee and on the premises operated hereunder at the time of default.

(f) Franchisee and its affiliates shall pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor in connection with obtaining any remedy available to Franchisor for any violation of this Agreement and, subsequent to the termination or expiration of this Agreement, in obtaining injunctive or other relief for the enforcement of any provisions of this Section 16.

(g) Franchisee shall immediately deliver to Franchisor all Operations Manuals, software licensed by Franchisor, if any, records, files, instructions, correspondence, all materials related to operating the Salon, including, without limitation, agreements, invoices, and any and all other materials relating to the operation of the Salon in Franchisee's possession or control, and all copies thereof (all of which are acknowledged to be Franchisor's property), and shall retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents which Franchisee reasonably needs for compliance with any provision of law.

(h) Franchisee and its affiliates shall comply with the restrictions on confidential information contained in Section 7.13 of this Agreement and shall also comply with the non-competition covenants contained in Section 7.14.

(i) Franchisee shall also immediately furnish Franchisor an itemized list of all advertising and sales promotion materials bearing the Marks or any of Franchisor's distinctive markings, designs, labels, or other marks thereon, whether located on Franchisee's premises or under Franchisee's control at any other location. Franchisor shall have the right to inspect these materials. Franchisor shall have the option, exercisable within thirty (30) days after such inspection, to purchase any or all of the materials at Franchisee's cost, or to require Franchisee to destroy and properly dispose of such materials. Materials not purchased by Franchisor shall not be utilized by Franchisee or any other party for any purpose unless authorized in writing by Franchisor.

(j) Upon execution of this Agreement, in partial consideration of the rights granted hereunder, Franchisee acknowledges and agrees that all right, title and interest in the signs and advertising materials used at the Salon are owned by and are hereby assigned to Franchisor, and that upon termination or expiration of this Agreement, neither Franchisee nor any lien holder of Franchisee shall have any further interest therein.

(k) Franchisee shall assign to Franchisor the telephone and fax number used in the operation of the Salon, and Franchisee shall execute any documents required to provide Franchisor with the ability to act as Franchisee's attorney-in-fact to transfer such numbers.

(l) Upon termination of this Agreement according to its terms and conditions, Franchisee agrees to pay to Franchisor within fifteen (15) days after the effective date of this Agreement's termination, in addition to the amounts owed hereunder, liquidated damages equal to the then-current monthly Royalty Fee required to be paid to Franchisor multiplied by (i) twenty-four (24) (being the number of months in two (2) full years), or (ii) the number of months remaining in the Agreement had it not been terminated, whichever is higher.

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages Franchisor would incur from this Agreement's termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determining what costs, if any, Franchisor might have saved and how much the Royalty Fees would have grown over what would have been this Agreement's remaining term. The parties hereto consider this liquidated damages provision to be a reasonable, good faith pre-estimate of those damages.

The liquidated damages provision only covers Franchisor's damages from the loss of cash flow from the Royalty Fees. It does not cover any other damages, including damages to Franchisor's reputation with the public and landlords and damages arising from a violation of any provision of this Agreement other than the Royalty Fee section. Franchisee and each of its Owners agree that the liquidated damages provision does not give Franchisor an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Royalty Fee section.

17. TRANSFER OF SALON PREMISES AND EQUIPMENT

17.1 Assignment of Lease

If Franchisee operates the Salon under a lease for the Salon with a third party or, with respect to any lease for equipment used in the operation of the Salon, then Franchisee shall, at Franchisor's option, assign to Franchisor any interest which Franchisee has in any lease or sublease for the premises of the Salon, or any equipment related thereto. Franchisor may exercise such option at or within thirty (30) days after either termination or (subject to any existing right to renew) expiration of this Agreement. In the event Franchisor does not elect to exercise its option to acquire the lease or sublease for the Salon premises or does not have such option, Franchisee shall make such modifications or alterations to the Salon as are

necessary to distinguish the appearance of the Salon from that of other salons operating under the System and shall make such specific additional changes as Franchisor may reasonably request. If Franchisee fails or refuses to comply with the requirements of this Section 17.1, Franchisor shall have the right to enter upon the premises of the Salon, without being guilty of trespass or any other crime or tort, to make or cause to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand. Notwithstanding the provisions of this Section 17.1 to the contrary, in the event the lease is assigned to Franchisor, Franchisor hereby indemnifies and hold harmless Franchisee and any guarantors under said lease, for any breach by Franchisor or its successors or assigns from any liability arising out of the lease for the Salon premises from and after the date of the assignment of the lease.

17.2 Equipment

(a) Except as otherwise provided below, Franchisor shall have the option, to be exercised within thirty (30) days after termination or expiration of this Agreement, to purchase from Franchisee any or all of the furnishings, equipment (including any electronic cash register or computer hardware and software systems), signs, fixtures, motor vehicles, supplies, and inventory of Franchisee related to the operation of the Salon, at fair market value. Franchisor shall be purchasing Franchisee's assets only and shall be assuming no liabilities whatsoever, unless otherwise agreed to in writing by the parties. If the parties cannot agree on the fair market value within thirty (30) days of Franchisor's exercise of its option, fair market value shall be determined by two appraisers, with each party selecting one appraiser, and the average of their determinations shall be binding. In the event of such appraisal, each party shall bear its own legal and other costs and shall split the appraisal fees equally. If Franchisor elects to exercise any option to purchase herein provided, it shall have the right to set off all fees for any such independent appraiser due from Franchisee, all amounts due from Franchisee to Franchisor and any costs incurred in connection with any escrow arrangement (including reasonable legal fees), against any payment therefor and shall pay the remaining amount in cash.

(b) In addition to the options described above and if Franchisee owns the Salon premises, then Franchisor shall have the option, to be exercised at or within thirty (30) days after termination or expiration of this Agreement, to purchase the Salon premises including any building thereon, if applicable, for the fair market value of the land and building, and any or all of the furnishings, equipment, signs, fixtures, vehicles, supplies and inventory therein at Franchisee's cost or fair market value, whichever is less. Franchisor shall purchase assets only and shall assume no liabilities whatsoever, unless otherwise agreed to in writing by the parties. If Franchisee does not own the land on which the Salon is operated and Franchisor exercises its option for an assignment of the lease, Franchisor may exercise this option for the purpose of purchasing the building if owned by Franchisee and related assets as described above. If the parties cannot agree on fair market value within thirty (30) days of Franchisor's exercise of its option, fair market value shall be determined in accordance with appraisal procedure described above.

(c) With respect to the options described in Sections 17.2(a) and 17.2(b), Franchisee shall deliver to Franchisor in a form satisfactory to Franchisor, such warranties, deeds, releases of lien, bills of sale, assignments and such other documents and instruments which Franchisor deems necessary in order to perfect Franchisor's title and possession in and to the properties being purchased or assigned and to meet the requirements of all tax and government authorities. If, at the time of closing, Franchisee has not obtained all of these certificates and other documents, Franchisor may, in its sole discretion, place the purchase price in escrow pending issuance of any required certificates or documents.

(d) The time for closing of the purchase and sale of the properties described in Sections 17.2(a) and 17.2(b) shall be a date not later than thirty (30) days after the purchase price is determined by the parties or the determination of the appraisers, or such date Franchisor receives

and obtains all necessary permits and approvals, whichever is later, unless the parties mutually agree to designate another date. The time for closing on the assignment of the lease described in this Section 17 shall be a date no later than ten (10) days after Franchisor's exercise of its option thereunder unless Franchisor is exercising its options under either Sections 17.2(a) and 17.2(b), in which case the date of the closing shall be on the same closing date prescribed for such option. Closing shall take place at Franchisor's corporate offices or at such other location as the parties may agree.

17.3 Assets

Notwithstanding anything to the contrary contained herein, if Franchisee operates the Salon from a premises that is subleased to Franchisee by Franchisor, upon termination (or expiration if Franchisee does not renew) of this Agreement, Franchisor shall have the right to take immediate possession of the assets of the Salon, including, any or all of the furnishings, equipment (including any electronic cash register or computer hardware and software systems), signs, fixtures, supplies, and inventory of Franchisee related to the operation of the Salon. Franchisor shall have a lien against all such assets in the amount of any amounts due to Franchisor under this Agreement or any other agreement. Franchisor shall have the right to have such assets appraised at the lower of cost or fair market value of the used assets, and to acquire all right, title and interest to such assets, without conducting any public sale, by paying to Franchisee (or to any lender of Franchisee who has a lien holder interest in the assets) the difference between the appraised value and the amounts owed to Franchisor by Franchisee at the time of termination. If the lien on the assets from Franchisee's lender has priority over any lien of Franchisor, and the amount of the lien is in excess of the appraised value of such assets, Franchisor shall have the right to deal directly with Franchisee's lien holder, and to pay any amounts due to Franchisee directly to the lien holder. Franchisee agrees to provide all further assurances, and to execute all documents required by Franchisor or by law to lawfully effect such transfer, and to perfect Franchisor's security interest. Franchisor shall have the right to take such action without the execution of any further documents by Franchisee if Franchisee fails or refuses to comply with these further assurances.

17.4 Assignment; Power of Attorney

Franchisor shall be entitled to assign any and all of its options in this Section to any other party, without the consent of Franchisee. Franchisee, at the option of Franchisor, shall assign to Franchisor all rights to the telephone numbers of the Salon and any related trademark listing or other business listings and execute all forms and documents required by Franchisor and any telephone company at any time to transfer such service and numbers to Franchisor. Further, Franchisee shall assign to Franchisor all Internet listings, domain names, Internet accounts, advertising on the Internet or World Wide Web, websites, listings with search engines, e-mail addresses or any other similar listing or usage related to the Sharkey's Cuts for Kids Salon. Franchisee hereby appoints Franchisor its true and lawful agent and attorney-in-fact with full power and authority, for the sole purpose of taking such action as is necessary to complete such assignment. This power of attorney shall survive the expiration or termination of this Agreement. Franchisee shall thereafter use different telephone numbers, email addresses or other listings or usages at or in connection with any subsequent business conducted by Franchisee.

18.15 System Changes

Franchisee understands and agrees that the System must not remain static if it is to meet, without limitation, presently unforeseen changes in technology, competitive circumstances, demographics, populations, consumer trends, societal trends and other marketplace variables, and if it is to best serve the interests of Franchisor, Franchisee and all other franchisees. Accordingly, Franchisee expressly understands and agrees that Franchisor may from time to time change the components of the System including, but not limited to, altering the products, programs, services, methods, standards, forms, policies and procedures of that System; abandoning the System altogether in favor of another system in connection with a merger, acquisition, other business combination or for other reasons; adding to, deleting from or modifying those products, programs and services which Franchisee's Salon is authorized and required to offer; modifying or substituting entirely the building, premises, equipment, signage, trade dress, decor, color schemes and uniform specifications and all other unit construction, design, appearance and operation attributes which Franchisee is required to observe hereunder; and changing, improving, modifying or substituting the Marks. Franchisee expressly agrees to comply with any such modifications, changes, additions, deletions, substitutions and alterations; provided, however, that such changes shall not materially and unreasonably increase Franchisee's obligations hereunder. Franchisee shall accept, use and effectuate any such changes or modifications to, or substitution of, the System as if they were part of the System at the time that this Agreement was executed. Franchisor shall not be liable to Franchisee for any expenses, losses or damages sustained by Franchisee as a result of any of the modifications contemplated hereby. Franchisee hereby covenants not to commence or join in any litigation or other proceeding against Franchisor or any third party complaining of any such modifications or seeking expenses, losses or damages caused thereby. Finally, Franchisee expressly waives any claims, demands or damages arising from or related to the foregoing activities including, without limitation, any claim of breach of contract, breach of fiduciary duty, fraud, and/or breach of the implied covenant of good faith and fair dealing.

18.16 Operation in the Event of Absence or Disability

In order to prevent any interruption of the Franchised Business operations which would cause harm to the Salon, thereby depreciating the value thereof, Franchisee authorizes Franchisor, who may, at its

option, in the event that Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Salon, operate the Salon for so long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies Franchisor may have under this Agreement. All monies from the operation of the Salon during such period of operation by Franchisor shall be kept in a separate account, and the expenses of the Salon, including reasonable compensation and expenses for Franchisor's representative, shall be charged to said account. If, as herein provided, Franchisor temporarily operates the Salon franchised herein for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor who may act hereunder, from any and all acts which Franchisor may perform, as regards the interests of Franchisee or third parties.

18.17 Step-In Rights – Cause for Step-In

If Franchisor determines in its sole judgment that the operation of Franchisee's business is in jeopardy, or if a default occurs, then in order to prevent an interruption of the franchised business which would cause harm to the franchise system and thereby lessen its value, Franchisee authorizes Franchisor to operate his/her business for as long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies which Franchisor may have under this Agreement. In the sole judgment of Franchisor, Franchisor may deem Franchisee incapable of operating the franchised business if, without limitation, Franchisee is absent or incapacitated by reason of illness or death; Franchisee has failed to pay when due or has failed to remove any and all liens or encumbrances of every kind placed upon or against Franchisee's business; or Franchisor determines that operational problems require that Franchisor operate Franchisee's business for a period of time that Franchisor determines, in its sole discretion, to be necessary to maintain the operation of the business as a going concern.

18.18 Step-In Rights – Duties of Parties

Franchisor shall keep in a separate account all monies generated by the operation of Franchisee's business, less the expenses of the business, including reasonable compensation and expenses for Franchisor's representatives. In the event of the exercise of the Step-In Rights by Franchisor, Franchisee agrees to hold harmless Franchisor and its representatives for all actions occurring during the course of such temporary operation. Franchisee agrees to pay all of Franchisor's reasonable attorneys' fees and costs incurred as a consequence of Franchisor's exercise of its Step-In Rights. Nothing contained herein shall prevent Franchisor from exercising any other right which it may have under this Agreement, including, without limitation, termination.

18.19 Costs and Legal Fees

If Franchisor is required to enforce this Agreement in a judicial or arbitration proceeding, Franchisee shall reimburse Franchisor for its costs and expenses, including, without limitation, reasonable accountants', attorneys', attorney assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by Franchisee to comply with this Agreement, Franchisee shall reimburse Franchisor for any of the above-listed costs and expenses incurred by Franchisor.

Guaranty

In order to induce Sharkey's Cuts for Kids International Co., LLC, a Connecticut limited liability company ("Franchisor"), to either enter into or continue the Franchise Agreement dated as of _____ (the "Agreement") between Franchisor and _____ (the "Franchisee"), the undersigned guarantors (individually, a "Guarantor" and collectively "Guarantors") hereby jointly and severally, unconditionally and irrevocably guarantee to Franchisor, and its successors and assigns, the performance of all of Franchisee's obligations, arising from or created under the Agreement, including, without limitation, the obligation to pay all amounts due under the Agreement and any other agreement to which Franchisor and Franchisee are parties.

Upon default by Franchisee or upon notice by Franchisor, each of the Guarantors immediately shall make each payment and perform each obligation required of Franchisee under the Agreement.

The Guarantors hereby waive notice of acceptance of this Guaranty, notice of presentment, notice of default, demand for payment or performance and all other demands or notices required or customarily given under like circumstances and agree that no extension, compromise, arrangement, alternative in time or method of performance or release or partial release of any party or security, and no other act or omission by Franchisor shall release or relieve any of the Guarantors.

Franchisor may pursue its rights against any of Guarantors without first exhausting its remedies against Franchisee and without joining any other Guarantor. No delay on Franchisor's part in the exercise of any right or remedy shall operate as a waiver of the right or remedy, and Franchisor's single or partial exercise of any right or remedy shall not preclude the further exercise of any right or remedy. Upon Franchisor's receipt of notice of the death of any of the Guarantors, the estate of the deceased shall be bound by this Guaranty, but only for defaults and obligations under the Agreement existing at the time of death and, in the event of death, the obligations of the remaining Guarantors shall continue in full force and effect.

Each of the Guarantors hereby agrees to indemnify Franchisor against all liability, loss, harm, damage, costs and expenses (including legal fees) which Franchisor shall suffer, incur or sustain by reason of the failure of Franchisee to observe or perform its obligations under the Agreement. The Guarantors also hereby, jointly and severally, agree to reimburse Franchisor and its successors and assigns, for all expenses, collection charges, court costs and attorneys' fees incurred in endeavoring to collect, enforce or defend any of the foregoing against the Guarantors.

Without affecting the obligations of any of the Guarantors, Franchisor may, without notice to any of the Guarantors, waive, renew, extend, modify, amend or release any indebtedness or obligation of Franchisee, or settle, adjust or compromise any claims that Franchisor has against Franchisee. The liabilities and obligations of each of the Guarantors shall not be released, discharged or in any way be affected by any compromise, arrangement or plan of reorganization affecting Franchisee, or by the bankruptcy or insolvency of Franchisee, or by any other act or proceeding in relation to Franchisee or the Agreement whereby any of the Guarantors might otherwise be released. The liabilities and obligations of each of the Guarantors pursuant to this Guaranty shall be continuing in nature and a fresh cause of action shall be deemed to arise in respect of each default on the part of Franchisee giving rise to a liability of any of the Guarantors.

If any portion of this Guaranty is deemed to be invalid and inoperative for any reason, that part shall be deemed modified to the extent necessary to make it valid and operative or, if it cannot be so modified, then severed, and the remainder of the Guaranty shall continue to be in full force and effect.

Each Guarantor has read the terms and conditions of the Agreement and acknowledges that the execution of this Guaranty is in partial consideration for the granting of the franchise, and that Franchisor would not have granted the franchise without the execution of the Guaranty and the undertakings by each of the Guarantors.

1. Assignment. Franchisee hereby assigns, transfers and conveys to the Company, or its nominee, all of Franchisee’s right, title and interest in and to the Lease; however, this Assignment shall become effective only upon the Company’s exercise of the option granted to the Company in Section 3 herein subsequent to the occurrence of any of the following events:

If Franchisee shall have had an option to renew or extend the Lease and shall have failed or elected not to do so within the time specified in the Lease for such renewal or extension, after having notified the Company in advance of Franchisee’s intention to not renew or extend pursuant to Section 1(d) hereof, and after being directed in writing by the Company to do so.

(d) Failure to Give Notice. If Franchisee fails to give the Company at least ninety (90) days’ prior written notice of his/her intention to exercise or not exercise any option to renew or extend the Lease or to terminate the Lease on at least thirty (30) days’ prior written notice of any amendment or modification of the Lease.

3. Exercise of Option by the Company. The Company may exercise the option granted herein and thereby make this Assignment unconditional by giving written notice to Franchisee and Landlord of its exercise of such option in the manner specified in Section 8 hereof and by thereafter delivering to Landlord, within ten (10) business days after Landlord requests same, a written assumption of the obligations of the Lease.

The Company shall have the right, concurrently with or subsequent to the Company's exercise of the option granted herein, to assign and transfer its rights under this Agreement to an entity owned or controlled by the Company or to a new franchisee selected by the Company to operate the Salon, with the prior written consent of Landlord, which shall not be unreasonably withheld, provided that such new entity or franchisee shall have a credit rating and a net worth adequate for the operation of the Salon. In such event, such new entity or franchisee shall assume the obligations of the Lease in place and instead of the Company.

4. Termination of Rights of Franchisee. Upon the exercise of the option granted to the Company herein, Franchisee shall no longer be entitled to the use or occupancy of the Franchise Location and all of Franchisee's prior rights in and to the Lease will have been, in all respects, terminated and, by the terms of this Assignment, assigned to the Company or its assignee.

5. Vacate Franchise Location. Franchisee shall immediately vacate the Franchise Location within the period permitted by the Lease; however, in the event that Franchisor shall fail or refuse to do so, the Company shall have the right to enter the Franchise Location and take possession of the Franchise Location.

6. Indemnification. Franchisee hereby covenants and agrees to indemnify and hold Landlord and the Company harmless from and against any and all loss, costs, expenses (including attorneys' fees), damages, claims and liabilities, however caused, resulting directly or indirectly from or pertaining to the exercise by the Company and/or Landlord of the rights and remedies granted under this Assignment.

7. Remedies Cumulative. The remedies granted pursuant to this Assignment are in addition to and not in substitution of any or all other remedies available at law or in equity to the Company or Landlord.

8. Notices.

(c) Mailed Notice. Mailed notices shall be deemed communicated within three (3) days from the time of mailing if mailed as provided in this Section 8.

9. Miscellaneous.

(a) Injunction. Franchisee and Landlord recognize the unique value and secondary meaning attached to the Company's trademarks, trade names, service marks, insignia and logo designs and the Franchise Location displaying same and agree that any noncompliance with the terms of this Assignment will cause irreparable damage to the Company and its franchisees. Franchisee and Landlord therefore agree that in the event of any noncompliance with the terms of this Assignment, the Company shall be entitled to seek both permanent and temporary injunctive relief from any court of competent jurisdiction in addition to any other remedies prescribed by law.

(b) Further Acts. The parties agree to execute such other documents and perform such further acts as may be necessary or desirable to carry out the purposes of this Assignment.

(c) Heirs and Successors. This Assignment shall be binding upon and inure to the benefit of the parties, their heirs, successors and assigns.

(d) Entire Agreement. This Assignment represents the entire understanding between the parties concerning the assignment of the Lease and supersedes all other negotiations, agreements, representations or covenants, oral or written, except any other agreement executed by the Company, Landlord and Franchisee in connection herewith. This Assignment may not be modified except by a written instrument signed by the party to be charged. The parties intend this Assignment to be the entire integration of all of their agreements of any nature. No other agreements, representations, promises, commitments or the like, of any nature, exist between the parties, except as set forth or otherwise referenced herein.

(e) Waiver. Failure by any party to enforce any rights under this Assignment shall not be construed as a waiver of such rights. Any waiver, including waiver of default, in any one (1) instance shall not constitute a continuing waiver or a waiver in any other instance.

(f) Validity. Any invalidity of any portion of this Assignment shall not affect the validity of the remaining portion and unless substantial performance of this Assignment is frustrated by any such invalidity, this Assignment shall continue in full force and effect.

(g) Execution by the Company. This Assignment shall not be binding on the Company unless and until it shall have been accepted and signed by an authorized officer of the Company.

(h) Attorneys' Fees. If any party commences an action against any other party arising out of or in connection with this Assignment, the prevailing party shall be entitled to have and recover from the other party its reasonable attorneys' fees and costs of suit, including costs and fees on appeal.

10. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Connecticut; however, if this Assignment concerns a Salon located in a state other than Connecticut and the laws of that state require terms other than those or in addition to those contained herein, then this Assignment shall be deemed modified so as to comply with the appropriate laws of such state, but only to the extent necessary to prevent the invalidity of this Assignment or any provision hereof, the imposition of fines or penalties, or the creation of civil or criminal liability on account thereof. Any provision of this Assignment which may be determined by competent authority to be prohibited or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of the prohibition or unenforceability without invalidating the remaining provisions of this Assignment. Any prohibition

against or unenforceability of any provision of this Assignment in any jurisdiction shall not invalidate the provision or render it unenforceable in any other jurisdiction. To the extent permitted by law, Franchisee and Landlord waive any provision of law which renders any provision of this Assignment prohibited or unenforceable in any respect. Any litigation arising out of or related to this Assignment, or any breach thereof, shall be instituted in a court of competent jurisdiction in the County of Fairfield, State of Connecticut.

Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.
6. The franchise agreement requires binding arbitration. The arbitration will occur in Connecticut with the costs being borne by the franchisee and franchisor. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as A binding arbitration provision may not be enforceable under generally applicable contract defenses, such as fraud, duress, or unconscionability).
7. The Franchise Agreement requires application of the laws of Connecticut. This provision may not be enforceable under California law.
8. You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
9. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.
10. The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
11. OUR WEBSITE, www.sharkeyscutsforkids.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS

WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

12. California's Franchise Investment Law (Corporations Code section 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.
13. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchises.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, franchisee has the right to request an escrow arrangement.

ADDENDUM TO THE SHARKEY'S FRANCHISING CO. LLC
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee (such as Exhibit F of this Franchise Disclosure Document) may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

In the State of Washington, we will defer the payment of the initial franchise fee, and any other initial payment until all of our material pre-opening obligations have been satisfied and until you open your business and it is operating. If the option for development rights is used as offered the collection of the development fee will be prorated with a portion of the development fee being collected after each unit opens.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any

statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

AGREEMENT, dated as of _____, by _____ (“Employee”) and _____ (“Franchisee”).

WHEREAS, Franchisee is engaged in the business of providing hair styling services and family oriented entertainment and party services.

WHEREAS, Employee desires to be employed, or to continue to be employed, by Franchisee and/or attend the training program offered by Sharkey’s Cuts for Kids International Co., LLC, a Connecticut limited liability company (“Franchisor”).

WHEREAS, in connection therewith, Employee will have access and/or has had access to information that requires Franchisor’s and Franchisee’s highest trust and confidence in Employee.

WHEREAS, Employee acknowledges and agrees that Franchisee and Franchisor will materially rely upon Employee’s obligations under this Agreement.

NOW, THEREFORE, in consideration of the foregoing promises, the compensation paid or to be paid to Employees, and/or other good and valuable consideration, Employee covenants and agrees as follows:

1. Confidential Information.

(a) Employee acknowledges that Franchisor and Franchisee are engaged in a highly competitive business, the success of which is dependent upon, among other things, confidential and proprietary information, including, without limitation, Franchisor’s and Franchisee’s training materials, method of operation, business plans, techniques and procedures (collectively, the “Proprietary Information”). Employee further acknowledges that the Proprietary Information constitutes valuable trade secrets.

(b) Employee shall use Proprietary Information only in connection with the performance of its duties for Franchisee and shall not disclose any such information, either during the term of Employees employment or association with Franchisee or any time thereafter and shall take every reasonable precaution to safeguard all Proprietary Information. In connection therewith, Employee shall fully and strictly comply with all security measures prescribed by Franchisor and/or Franchisee for maintaining the confidentiality of all Proprietary Information.

(c) Upon the termination of Employee’s employment or association with Franchisee, Employee shall delivery promptly to Franchisee all documents containing Proprietary Information, whether or not prepared by or for Employee.

(d) Employee acknowledges that to breach its obligations under this Section 1 would cause damage to Franchisor, Franchisee and Franchisor’s other franchisees, and that Employee would be liable for such damage.

(e) Notwithstanding the foregoing, Employee may disclose Proprietary Information to a person who is bound by the terms of a similar provision or agreement regarding confidentiality and restrictive covenant contemplated by Section 2 hereof. In addition, notwithstanding the foregoing,

(f) Notwithstanding the foregoing, the following shall not be subject to the provisions of this Section 1:

(1) Information which is in the public domain as of the date of receipt by Franchisee;

(2) Information which becomes known to the public without a breach of any confidentiality agreement or provision in favor of Franchisor or Franchisee; and

(3) Information which is required by law to be disclosed or revealed, but only strictly to the extent required by law.

2. Covenant Not to Compete. Employee shall not, during the term of Employee's employment or other association with Franchisee or for the two (2) year period thereafter, directly or indirectly (as an owner, partner, director, officer, employee, manager, consultant, shareholder, representative, agent, lender or otherwise), be engaged in a business that provides hair styling services and/or family oriented entertainment and party services within fifty (50) miles of any Sharkey's Salon in the System.

3. Restriction on Hiring. Employee may not, during the term of Employee's employment or other association with Franchisee and for the two-year period thereafter, directly or indirectly (as an owner, partner, director, officer, employee, manager, consultant, shareholder, representative, agent, lender or otherwise), employ, hire or engage as an independent contractor or otherwise any person who is or was (at any time during the term of this Agreement) employed or engaged as an independent contractor or otherwise by Franchisor or any of its affiliates.

4. Use of Name, Likeness. Franchisor will be entitled to use the name, likeness and voice of Employee for purposes of promoting the franchise, Franchisor and its products, including all photos and audio and video recordings of Employee, and Employee hereby irrevocably consents thereto.

5. Reasonable Restraints; Remedies. Employee acknowledges that the covenants contained in this Agreement (including, without limitation, the territorial and time restraints) are reasonable and necessary and agrees that his failure to adhere strictly to the restrictions contained herein shall cause substantial and irreparable damage to Franchisor, Franchisee and to Franchisor's other franchisees. In the event of any breach by Employee of any of the terms of this Agreement, Franchisor and/or Franchisee shall be entitled to institute and prosecute proceedings, at law or in equity, in any court of competent jurisdiction, to obtain an injunction to enforce the provisions of this Agreement and to pursue any other remedy to which Franchisor and/or Franchisee may be entitled. Employee agrees that the rights conveyed by this Agreement are a unique and special nature and that Franchisor's and Franchisee's remedy at law for any breach would be made inadequate and agrees and consents that temporary or permanent injunctive relief may be granted in any proceeding which may be brought to enforce any provision hereof, without the necessity of posting bond therefor or proof of actual damages.

6. Modification; Severability. If the scope of any restriction contained in this Agreement is too broad to permit the enforcement of such restriction to its fullest extent, then such restriction shall be enforced to maximum extent permitted by law, the Employee hereby consents and agrees that such scope may be judicially limited or modified accordingly in any proceeding brought to enforce such restriction. Each covenant contained in this Agreement is independent and severable and, to the extent that any such covenant shall be declared by a court of competent jurisdiction to be illegal, invalid or unenforceable, such declaration shall not affect the legality, validity or enforceability of any other provision contained herein or the legality, validity or enforceability of such covenant in any other jurisdiction.

7. General and Miscellaneous.

(a) Entire Agreement; Amendment. This Agreement contains the entire agreement and understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements, understandings, inducements and conditions, express or implied, oral or written, of any nature whatsoever with respect to the subject matter hereof. The express terms hereof control and supersede any course of performance or usage of the trade inconsistent with any of the terms hereof. This Agreement may not be modified or amended other than by an agreement in writing signed by each of the parties hereto. Nothing in this or any related agreement, however, is intended to disclaim the representations made by Franchisor in the Franchise Disclosure Document that was furnished to Franchisee by Franchisor.

(b) Binding Nature of Agreement. This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns.

(c) Governing Law. This Agreement and all questions relating to its validity, interpretation, performance and enforcement will be governed by and construed, interpreted and enforced in accordance with the laws of the State of Connecticut, notwithstanding any Connecticut or other conflict of laws provisions to the contrary. Employee and Franchisee hereby consent to the exclusive jurisdiction of the state and federal courts located in the State of Connecticut in connection with any disputed based on or arising out of this Agreement or any breach hereof.

(d) No Waiver. Franchisor or Franchisees failure to act with respect to a breach by Employee of this Agreement does not constitute a waiver of Franchisor's or Franchisee's right to act with respect to subsequent or similar breaches.

(e) Third Party Beneficiary. Franchisor is an express third-party beneficiary of this Agreement and may, directly or indirectly, enforce any obligation of Employee hereunder.

Employee has read this entire Agreement carefully and fully understands the limitations that this Agreement imposes upon Employee and acknowledges and agrees that those limitations are reasonable.
