What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even in you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. Your Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if Your Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. Your Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in **Exhibit [A]**.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain States require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us first by mediation and then by arbitration only in the State of Arizona. Out- of-state mediation or arbitration may force you to accept a less

favorable settlement for disputes. It may also cost you more to mediate or arbitrate with us in North Carolina than in your own state. Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

A prohibition on the right of a franchisee to join an association of franchisees.

A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor’s intent not to renew the franchise.

A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
- The fact that the proposed transferee is competitor of the Franchisor or Sub-franchisor.
- The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- The failure of the franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

A provision that requires the franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the Franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the Franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the Franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the Franchisor, a surety bond may be provided in place of escrow.

Prior Experience

The franchise was started by Alloy Wheel Repair Specialists, Inc. (“AWRSI”) which developed the system in October 2000 (“System”). AWRSI entered into 8 license agreements between 2000 and 2004. Thereafter in 2004, AWRSI was merged into WRSI, our predecessor. In November 2015, our Parent company, Alloy Wheel Repair Specialists Holdings, LLC acquired the assets of WRSI, and the 8 license agreements became part of our franchise system and operate under

essentially the same terms as our franchisees in that they pay the same royalties and advertising contributions as our franchisees.

Our Predecessor, WRSI offers franchises outside of the United States using the processes and the marks of the franchisor. We do not receive royalties from these international franchisees.

The Business We Offer

You operate within a specific territory (the “Territory”). We license you to use the System with our service marks, trademarks, logos, trade names, and proprietary confidential information. It is essential to the franchised business (the “Business”) that you develop new customers, as well as service those existing or potential customers that we may refer to you. The System provides a comprehensive program including the product, equipment, and initial inventory required to outfit a mobile reconditioning facility that provides cosmetic restoration of automobile wheels, primarily to automotive dealerships, auto body shops, as well as the general public. AWRS sells products and supplies to our Franchisees.

The business is highly developed and highly competitive. Your competitors include both franchised and independent businesses that offer repair and restoration of automobile wheels, including non-mobile or fixed location automotive repair shops, which may be referred to commonly as a remanufacturing facility. Your business will be directed at the entities listed above, unless you have a fixed location, in which case you also will seek to directly service consumers.

We have not offered franchises in any other line of business.

Applicable Regulations

In addition to the laws that apply to all business in general, you are required to comply with all local, state, and federal laws applicable to the operation of your franchise. ITEM 3
LITIGATION

Prior Actions.

Consent Order #S-04-154-05-C001 Washington Department of Financial Institutions, Alloy Wheel Repair Specialists, Inc., and Wheel Repair Solutions International, Inc. In August 2005, without admitting or denying the factual allegations or conclusions of law, Alloy Wheel Repair Specialists, Inc., and Wheel Repair Solutions International, Inc., entered into a Consent Order (Order No. S-04-154-05-C001) with the Washington Department of Financial Institutions, which arose from Alloy Wheel Repair Specialists, Inc., entering into franchise agreements with three Washington residents before franchise registration was filed and accepted by the Securities Division of the Department of Financial Institutions, in alleged violation of RCW 19.100.020 and RCW 19.100.080. Alloy Wheel Repair Specialists paid the Department \$500 in costs and complied with the Consent Order by agreeing to not sell franchises without the disclosures and registrations as required by RCW 19.100.020 and RCW 19.100.080.

In the Matter of Wheel Repair Solutions International, Inc., Administrative Proceeding Before the Securities Commissioner of Maryland, Case No. 2007-0198. As a result of an investigation into the franchise related activities of Wheel Repair Solutions International, Inc. (“Wheel Repair”), the Maryland Securities Commissioner (“Commissioner”) concluded that grounds existed to allege that Wheel Repair violated the registration and disclosure provisions of the Maryland Franchise Law in relation to the offer and sale of a Wheel Repair franchise. In responding to inquiries from the Maryland Securities Division in connection with Wheel Repair’s renewal application of its franchise registration, Wheel Repair disclosed that it sold a franchise in Maryland during the time it was not registered to offer and sell franchises in Maryland and that it failed to comply with the Commissioner’s requirement to defer the collection of all initial fees received from the franchisee to whom it sold the unregistered franchise. On May 14, 2007, the Commissioner and Wheel Repair, without admitting or denying any violations of the law, agreed to: immediately and permanently cease from the offer and sale of franchises in violation of the Maryland Franchise Law; complete registration of its franchise offering in Maryland; implement new compliance procedures; enroll a company officer in an approved franchise compliance training program; and offer rescission to the franchisee who was sold a franchise in Maryland while Wheel Repair was not registered with the State.

Other than these three matters, no litigation is required to be disclosed in this Item.

- NOTE 1: The Initial Franchise Fee is payable in full to AWRS upon the execution of your Franchise Agreement. The initial MRF must be purchased when you sign your Franchise Agreement. A Start-up Kit will be required to be purchased for all Mobile Reconditioning Facilities at an estimated cost of \$8,000-12,000 each. The Start-up kit will also include our various paints and clear coats. You will be required to purchase all of the items in the Start-up kit from us or our affiliate on an ongoing basis as needed during the term of your Franchise Agreement. A Wheel Straightening System will be required to be purchased for your initial Mobile Reconditioning Facility at an estimated cost of \$5,000-8,000 each. None of these fees or costs are refundable under any circumstances, and will not be financed by us.
- NOTE 2: The costs for training are for travel, lodging, food and incidental expenses, associated with the 2-3 week training program held at our Atlanta offices. The range of costs depends primarily on the travel costs of the people going through the training.
- NOTE 3: The expenditure for the truck is for a pick-up truck capable of carrying and housing the Mobile Reconditioning Facility. We recommend a F250 and the cost shown in the chart is from \$0, as some of our franchisees already own such a truck, to \$40,000, which is the cost of a new model, depending on the options chosen. We do not provide or offer financing to purchase a required vehicle.
- NOTE 4A: The Mobile Reconditioning Facility includes an approximately 14x7x8 ½ or a 14x7x7 ½ tandem axel trailer and/or a truck reconditioning facility. You choose either a Ford 350 or Chevrolet 3500 complete with a 16x7x8 mounted aluminum van body with a turnkey power and equipment package for the cosmetic repair of alloy wheels, including a generator, air compressor, sign kit, down draft paint booth, heating and air conditioning, and storage. If authorization is given by AWRS to purchase and outfit a Mobile Reconditioning Facility from someone other than AWRS, there is a requirement to purchase a Start-up Kit from us at a price of from \$8,000 to \$12,000, and Wheel Straightening equipment at a price from \$5,000 to \$8,000, plus you will have to purchase a sign and equipment package from us at an estimated cost of \$4,500-\$6,000. If you purchase all of your Mobile Reconditioning Facilities from us, the sign and equipment package is always included in the price. You are required to purchase and use a mobile billing and accounting system, currently established with an approved mobile billing solution, that cost is factored into the computer hardware and software costs. None of the payments described above are refundable and we do not provide financing.
- NOTE 4B: The Box Truck comes with the same Mobile Reconditioning Facility as above in Note 4A, but comes attached to an E350 or Transit 350. This option will exclude the cost of a standalone truck as Note 3 states above.
- NOTE 4C: Unlike the standard MRFs, this is a one-room unit with all the same capabilities built in a sprinter van or comparable unit. Only approved for smaller markets and add-on units.

NOTE 5: The cost for insurance represents a one year premium for general liability coverage, which will vary in cost from state to state.

NOTE 6: Professional fees consists primarily of legal and accounting costs involved in purchasing the franchise, establishing a legal entity, and setting up your tax and accounting systems. You are responsible for these fees.

NOTE 7: The costs for real estate and construction will vary, as some franchisees operate the business out of their home and keep their truck and equipment at their house, in which case they have no expenses in this area. Some franchisees choose to rent an office, and others do not rent an office but rent a storage area for their truck and equipment. Any rental arrangements may include advance rental payments and security deposits, which are covered in the range of costs shown.

NOTE 8: The computer expense is for your office computer and software, and reflects the costs to purchase the computer and related equipment and to purchase the off-the-shelf software that you will use in operating your franchised business.

NOTE 9: You will need additional capital to support ongoing expenses such as payroll, utilities, royalty fees, and advertising fees, if these costs are not covered by sales revenue for your first 3 months of operation. New businesses often generate negative cash flow. We estimate that the amount given will be sufficient to cover ongoing expenses for the start-up phase of the business, which we calculate to be 3 months. This is only an estimate and there is no guaranty that additional working capital will not be necessary during this start-up phase or after.

NOTE 10: We relied on the experience of our nationwide franchisees since 2003 when preparing these figures. Your actual costs may vary greatly and will depend on factors such as the size and condition of your space if you have a fixed location; local economic conditions; the local market for automotive wheel repair; the prevailing wage rate; competition; and the sales level reached during the start-up phase. These estimates do not include any estimates for debt service. These are only estimates and your costs may vary based on the actual individual costs in your area. The costs outlined in this Item 7 are not intended to be a forecast of the actual cost to you or any particular franchisee.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from AWRS or its Designees

To help retain the uniformity and high standards necessary to enhance and maintain the goodwill of the System, AWRS requires that you purchase certain proprietary items and other non-proprietary but essential items, such as tools, abrasives, paints, clear coats, powder coatings, primers, and sandpaper, or any items bearing the Marks or which we consider proprietary, only from us or designated vendors or suppliers. Additionally, for a mobile operation you must purchase one wheel straightening system and one mobile reconditioning facility (“MRF”), which includes an air compressor and generator, from AWRS prior to commencing operation of your unit. You also must purchase from us the AWRS built MRF for your first fleet business. You also must purchase We may at our discretion authorize existing franchisees to purchase and outfit their own mobile reconditioning facility, step van or cube truck. This vehicle must adhere to the same design and equipment standards as is specified by AWRS. Even if the franchisee is authorized to purchase and outfit their own vehicle, they are required to purchase certain components directly from AWRS. These components include, but are not limited to, the wheel straightening system, compressor, generator, and paint booth and sign package. Other than what has been stated in this section, there are no other items that are provided by or through us for which you must purchase from us or our affiliate. We may, however, in the future, negotiate very different purchase arrangements, and we may negotiate with certain vendors to obtain more favorable pricing on various items to be used by you in the operation of your Franchise, or take advantage of certain cost synergies or economies of scale for the franchise system for which we may receive income, rebates, or promotional allowances.

Similarly, with regard to the outfitting and appearance of a remanufacturing facility, AWRS will provide the remanufacturing minimum operation requirements including the equipment and tools that AWRS contends are needed to begin the business.

Approved Supplies and Suppliers

You are required to purchase supplies, inventory, advertising materials, or other products or services used for the operation of your franchise only from authorized manufacturers and other suppliers who demonstrate, to our continuing satisfaction, the ability to meet our standards and specifications for the items, possess adequate quality controls and capacity to supply your needs promptly and reliably, and have been approved in writing by us. We may approve a single supplier for any item, and may approve a supplier only as to certain items. AWRS or its affiliate may be the only approved supplier listed. In approving suppliers, we take into consideration the price and quality of the products or services, and the reliability of the supplier in getting the products or services to you in a timely manner. We may concentrate purchases with one or more suppliers to obtain the lowest price for franchisees, or any other benefit we deem, in our sole discretion, may benefit the Marks. If we later disapprove a supplier, we will notify you in writing of our disapproval. You must cease purchasing from that supplier within a reasonable time after your receipt of our notice of disapproval. A reasonable time would be thirty days, unless safety is involved, in which case the change must take place immediately. We provide you with a written list of approved suppliers and approved supplies, but we do not typically provide you with the detailed specifications that we use in evaluating particular items and suppliers. We do not provide you with any material benefits based on your purchase of particular products or services, or your use of designated or approved sources. There is no officer of the franchisor or its affiliates that owns an interest in any approved supplier.

We do not negotiate purchase agreements with suppliers, including price terms, for the benefit of franchisees, but we reserve the right to do so in the future.

You are required to maintain in force: (a) comprehensive, commercial, general, product, liability insurance in an amount not less than \$1,000,000 for each occurrence, \$2,000,000 General Aggregate, \$2,000,000 Products/Completed Operations Aggregate and \$1,000,000 Personal and Advertising Injury limits; (b) general casualty insurance, including fire and extended coverage, vandalism and malicious mischief insurance, for the replacement value of your Business and its contents; (c) Workers' Compensation and Employers' Liability Insurance as required by law, providing coverage of not less than \$500,000 for bodily injury; (d) Business Automobile Liability Insurance (including Owned, Hired Non-Owned or rental automobiles), written in the amount of not less than \$1,000,000 Combined Single Limit; (e) We recommend, but you are not required to maintain Garage Keeper's Insurance in a minimum amount of \$100,000 protecting the Franchisees, the Company and their respective employees against claims that may arise; and (f) such other insurance policies, such as business interruption insurance, as we may reasonably determine from time to time. All insurance policies shall be issued by carriers with at least a A-rating with A.M. Best (or similar rating by a comparable rating service acceptable to us), shall contain such types and minimum amounts of coverage, exclusions and maximum deductibles as we reasonably determine from time to time, shall name us and our Affiliates as additional insureds, shall provide for 30 days' prior written notice to us of any material modification, cancellation or expiration of such policy and shall include such other provisions as we may require.

For all such insurance policies required, we shall be named as an additional insured on such policy(s).

Approval of Alternative Suppliers

We may approve other suppliers of inventory, advertising material, or other products who meet the specifications set forth in our operations manual. If you would like to purchase these items from another supplier, you must request our approval in writing. Based upon the information and samples you supply us, we will evaluate the items supplied and review the quality of the items, the business reputation of the supplier, and the suppliers' ability to distribute these items to you and other Franchises in our chain on a consistent basis. Our review typically is completed in 30 days. We may charge you \$500 for our administrative costs in reviewing these alternative suppliers. We will notify you in writing of our approval or rejection of your request. If we approve the specific supplier but then later determine that the supplier does not meet our criteria as to quality, reputation, or consistency of delivery, then it can be revoked upon written notice to you.

We reserve the right to change the content of the Operations Manual both in relation to the mobile franchise operations and for the remanufacturing franchise operations. You agree to comply with each new or changed provision in the Operations Manual beginning on the 60th day (or any later date that we specify) after you have received written notice from us. Revisions to the Operations Manual are based on what we, in our sole discretion, deem to be in the best interest of the System, including the enhancement of quality and goodwill, increased efficiency, decreasing administrative burdens, or improvement to AWRS's and its franchisee's profitability. You agree that because complete and detailed uniformity under many varying conditions may not be possible or practical, we reserve the right, in our sole discretion and as we deem to be in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of the particular Territory, density of population, business potential, existing business practice, or any condition we deem to be of importance to the successful operation of your Franchised Business. You are not entitled to require that we grant to you a similar variation under your Franchise Agreement.

In the fiscal year that ended on December 31, 2023, we derived \$308,697 in revenue from the sale of start-up kits, wheel straightening system, signage and equipment packages and miscellaneous supplies to our franchises, which constituted 11.99% of our total revenue of \$2,574,810. We charge a 25% mark-up to our franchises for the required purchases of the items set forth in Item 8 of this Disclosure Document. The prices charged by us for these products are competitive to the prices which a franchisee would pay for similar products purchased from a third party supplier. Other than set forth above in this paragraph, neither we nor our affiliate earn any revenues for your purchase of items from approved supplies. Neither we nor our affiliate(s) sell any of the products or equipment to others that are not part of our franchise system. We anticipate that your purchases from us of products required for the operation of your business will constitute approximately 88% of your required purchases and leases in establishing your business and 50% percent of your purchases and leases in operating your business. There is no purchasing or distribution cooperative.

ITEM 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Prior to opening your business, AWRS will provide the following assistance:

1. Designate your protected territory within 90 days after the Franchise Agreement date (Sections 2.2 & 2.3 of the Franchise Agreement).
2. Provide you with a proprietary information through our Operations Manual relative to products and services and information regarding your opening inventory and necessary products and equipment in the operation of your business (Section 5.4 of the Franchise Agreement).
3. Through the payment of your initial franchise fee, we will provide you with a Wheel Straightener, Mobile Reconditioning Facility (MRF), and certain signage and equipment, which will be part of the Start-Up Kit. We do not finance any fees to be paid to us and we are not aware of any financing options made available by third parties (Section 4.3 and 7.2 of the Franchise Agreement).
4. When you arrive for training, we will loan you a copy of our Operations Manual, which contains mandatory and suggested procedures and standards, as well as general information on the System. The manual is confidential and remains our property. We retain the right to modify or update this manual as it deems fit to maintain the integrity of the System or to keep up with competition. You will be responsible for compliance with all changes in policies or procedures (Article 5 of the Franchise Agreement).
5. Before you open your franchise, we will train you as described below under the “Training” heading (Section 5.1 of the Franchise Agreement).

6. With regard to the licensing of a Remanufacturing Facility, we will review the development parameters for your facility and will provide you with our Operations Manual that sets forth parameters for a Remanufacturing Facility (Section 4.1 of the Franchise Agreement).

Time to Open Your Business

Franchisees typically begin operation 30 to 60 days after they sign a Franchise Agreement. The factors that affect this time are availability of training and whether the franchisee has purchased required supplies, and a trailer prior to commencing training. The lead time for the Mobile Reconditioning Facility is approximately 30-60 days. If you do not open your franchise within the time period set forth in the Franchise Agreement, we can terminate your Franchise Agreement upon notice to you (Sections 4.2 & 13.1(k) of the Franchise Agreement).

Site Location – Mobile Franchise

You can operate your franchised business out of your home, subject to local zoning and other ordinances. Should you decide to lease an office outside of your home, the office must be in your protected territory but the site need not be approved by us. You are required to open your franchised business no later than 60 days after signing your franchise agreement and we anticipate that franchisees will typically open within 30 to 60 days after signing (Section 4.2 of the Franchise Agreement).

Site Location - Fixed

You can locate the Remanufacturing Facility (fixed site location) within the territory in a place where the general public can access the location. You must provide us with a proposed location in your Territory within 90 days after the Franchise Agreement Date. We will review the location and we have the right to approve it. The site and facility must comply with the standards as set forth in the Operations Manual for Fixed Site facilities and any site selection guidelines and requirements we may provide you and is subject to our approval. You will negotiate your lease. You agree not to execute any lease or purchase agreement for, nor commit to any other binding obligation to purchase, occupy or improve, any proposed location until we have approved the location in accordance with our standard procedures. We do not generally own the premises of any of our franchisee's fixed locations, and we do not lease any of the locations to our franchisees. We approve a site for a fixed location based on the demographics in the area, zoning requirement, and the proximity to automotive dealerships, used car lots, other automotive repair facilities, and other AWRS franchisees located in the specific market. You are responsible for all construction, remodeling, or decorating of the location. If you have not selected a location that we have approved within 90 days from the date of the Franchise Agreement, then either party may terminate the Franchise Agreement, effective upon notice. If either you or we terminate this Agreement, you are not entitled to a refund of any of your initial franchise fee. You are required to open your franchised business no later than 180 days after signing your franchise agreement and we anticipate that franchisees will typically open within 90 to 180 days after signing (Sections 2.2, 2.3, 4.1 & 4.2 of the Franchise Agreement).

Ongoing Obligations

During the operation of the franchised business, we will:

1. Provide you with evolving technology as we deem required (Section 5.2 of the Franchise Agreement).
2. Provide advertising through internet sites, including our website which will provide information on us, the services offered, and how to contact Franchisees (Article 8 of the Franchise Agreement).
3. We may send representatives to your territory by visiting franchised car dealerships in your Territory to make initial sales calls and/or distribute marketing materials in the first week of you commencing operating your franchised business (Section 5.3 of the Franchise Agreement).
4. We will attempt to establish national or regional accounts in your Territory. If such accounts are established you will have the right to service them (Section 7.13 of the Franchise Agreement).
5. Provide sales training to you in your Territory, including the proper use of the Method in the provision of the Services and the operation of the Business in the Territory; the effective sales and marketing of the Services; and recommendations for the effective organization and operation of the Business including recordkeeping, and other helpful hints to enhance your Business (Section 5.1 of the Franchise Agreement).

Computer Requirements

We require that you utilize an iPad or similar electronic device for the operation mobile billing software required. We may also, but do not currently have any proprietary software for the operation of your franchised business, but may in the future. You will need a computer, with a modem, and will need off the shelf software for billing, bookkeeping and correspondence (Microsoft Office-Word, Excel and Power Point). We ask that you also purchase a computer with at least 8GB RAM and 500GB hard drive. We estimate your cost to purchase the hardware and software to be between \$2,000 and \$8,000. Any upgrades to the system would be optional and we estimate that upgrades would be less than \$500 per year. We do require that you have internet access to send and receive e-mails and we will supply you with an “awrswheelrepair” or other AWRS e-mail address for correspondence. You must use the AWRS email address for your business. The mobile billing software required will provide sales information from your mobile billing system. We do not have independent access to the information generated and stored in the software. You will be required to maintain the computer equipment that you use. You will need to maintain these items at your own expense which we estimate to cost between \$500 and \$1,000 per year (Sections 7.3 & 9.2 of the Franchise Agreement).

Subject to the rules, regulations, and agreements, regarding privacy, we have the right to use or disclose information from all reports, statements and electronic data transmissions from you in

such manner as we deem reasonably appropriate, and we may share this information with other franchisees in the AWRS system, provided we will not identify you by name unless required to do so by law or in connection with any legal proceeding (Section 9.4 of the Franchise Agreement).

Advertising

You may develop advertising materials for your own use, at your own cost; however, we must approve the advertising materials in advance and in writing (Section 8.5 of the Franchise Agreement).

We must approve all promotional materials that you will be using for Advertising. All materials containing the Marks must comply with the specifications stated in the Manual and in accordance with Article 8 of the Franchise Agreement. If you do not receive the written disapproval of any materials submitted within 10 days from the date we received the materials, the materials are considered to be approved. We may require that you withdraw and/or discontinue the use of any promotional materials or advertising, even if previously approved, if in our judgment the materials or advertising may injure or be harmful to the System. We must make this requirement in writing, and you have 5 days after receipt of such notice to withdraw and discontinue the use of such materials or advertising, unless otherwise agreed in writing (Section 8.5 of the Franchise Agreement).

We will maintain an Internet website that describes the products and services offered by you, and provide information on how to contact our franchisees in the web visitor's geographic area. You acknowledge that neither we nor our designees undertake any obligation to ensure that any authorized franchisee benefits directly or indirectly from promotional activity or to ensure that any advertising or promotion impacts or penetrates any franchisee's Territory (Section 8.4 of the Franchise Agreement).

We may allocate your advertising contribution in any form that we believe will be in the best interest of the System, using our business judgment. Among other types of advertising we may use national, regional, or local, television, radio, internet, automotive trade-shows to promote the brand, our website, print, social media, consumer relationship marketing ("CRM"), which will include but not be limited to, local and national marketing using print, e club and other loyalty programs, and telephone and other communication vehicles that communicate with a customer on a one-to-basis, and any other form of media existing now or in the future that we believe is a viable form of advertising. We may change the decisions at any time that we believe it to be appropriate. We also may use your advertising contribution for the preparation and creation of new advertisements ("Creative"), whether made for television, radio, print, or other forms of the advertising medium. The advertising we use will be placed by outside advertising agencies, which may be national, regional, or local in scope. We do not have an in-house advertising agency, but we reserve the right to have one in the future.

We have a National Brand Awareness Fund ("NBAF") in which all franchisees must contribute \$100 per month. We are not required to make any contributions to the fund. We administer the NBAF. In any fiscal year, we may spend amounts that are more or less than the aggregate contributions of all Franchisees to the NBAF in that year, and we may fund any deficits with

contributions from future years. If we spend less than the aggregate contributions from all franchisees, then we will roll the excess monies into the advertising budget for the succeeding year (Section 8.2 of the Franchise Agreement).

Upon reasonable written request, we will provide you with an annual reconciliation and/or accounting of expenditures of the fund. The costs of such reconciliation and/or accounting will be borne by the NBAF to be paid out of the NBAF, up to 2% annually of all contributions paid to the fund by franchisees. This fee is to cover our administrative expenses to administer the fund. Financial statements of the fund will be made available upon written request from you. In 2023, we spent approximately 25% of the fund on our website and 75% of the fund on social media marketing.

We also reserve the right to require you to spend up to 2% of monthly gross revenues on local advertising, all of which must be approved in advance by us, as described above. In connection with local advertising, we can also require you to join a local advertising cooperative, if one is established in your area, and any sums contributed to such a cooperative will count against your 2% local advertising requirement. There will not be a separate advertising council. We will provide an annual accounting of expenditures of the fund (Section 8.2 of the Franchise Agreement).

While not mandatory, we recommend that you conduct grand opening or start up marketing of your business to let people know that you are opened for business. We recommend that you spend between \$5,000 and \$10,000 for grand opening advertising and that this advertising be conducted within the first 90 days of the operations of your business (Franchise Agreement 8.2).

At the present time, franchisees are not required to participate in any advertising cooperative but we may require you to at a later time (Section 8.3 of the Franchise Agreement).

We do not have any advertising council.

Operations Manual

We will loan you a copy of our Operations Manuals that contains mandatory and suggested specifications, standards, and procedures relating to the development and operation of an Alloy Wheel Repair Specialists business. This manual is confidential and remains our property. You agree not to copy any part of it and to keep it current. We may modify this manual from time-to-time, and you are required to comply with those changes/modifications but such modification(s) will not alter your status and rights under the Franchise Agreement. The Operations Manual has 13 chapters and a total of 185 pages; the table of contents is attached as Exhibit J to this disclosure document (Section 5.4 of the Franchise).

Training

You and at least 1 other person involved in the operations of your Business must attend and successfully complete to our satisfaction our initial training program and familiarization course on the operation of an Alloy Wheel Repair Specialists franchise before commencing operation of your franchise. There is no additional cost for the initial training, except for the AWRS Training

program required for technicians (see below) and you must pay for all incidental costs of training, including any travel, food, lodging, and living expenses incurred during the training period. If you purchase a major market franchise, you must send two people to this training program, and if you purchase a regional market franchise, you must send 2, or, at our discretion, 3 people, to this training. Our training programs for new franchisees take place whenever we have a new franchisee join the system (Section 5.1 of the Franchise Agreement).

In addition to the initial training program, all technicians must be certified through the AWRS Training program which encompasses a minimum of 5 days of training and a maximum of 10 days at our corporate headquarters or be trained by a technician that is certified through the AWRS Training. You will be charged \$100 per day per technician trained. Additional technicians may avoid having to take entry level training if they pass the entry level on-line test that may be found at awrstechcenter.com (Section 5.1 of the Franchise Agreement).

We offer voluntary additional and refresher training courses on at least a quarterly basis at our corporate headquarters at a cost of \$100 per day per person trained. You and your employees that attend such training, must pay for all incidental costs including any travel, food, lodging, and living expenses incurred during the training period (Section 5.1 of the Franchise Agreement).

In addition to the initial training course, you must successfully complete all reasonably required Franchisee continuing education offered by the Company or its designee from time-to-time in accordance with our operations and training manuals in order to maintain our then required certification status. There will not be any tuition expense associated with such supplemental or additional training if it is conducted at one of our corporate locations, or where we may move it from time to-time. However, you and your employees that attend such supplemental training, must pay for all incidental costs including any travel, food, lodging, and living expenses incurred during the training period. If we determine that there are significant deficiencies in the operations of your Business, we may require you (or your Operating Partner as the case may be) and your managers and key employees to periodically attend and successfully complete refresher training programs and seminars for which we may charge reasonable training fees (Section 5.1 of the Franchise Agreement).

If you request supplemental or technician training separate and apart from what we generally offer in a group setting, we may agree to offer to you such supplemental or technician training, for which we have the right to charge you a supplemental training fee that can range from \$500 for a 5 day course to \$1,000 for a 10 day course (Section 5.1 of the Franchise Agreement).

All training occurs at our corporate headquarters located in Norcross, Georgia, our head trainer and staff will conduct the entire training program. Training is led by a master technician who has been one of our corporate trainers since January 2012, having previously worked as a wheel repair technician for our Atlanta franchisee since July 2009. The materials used for the training program consist of the manuals shown below in the training schedule. In order to satisfactory complete training, you must receive passing grades on the tests that we give to you during your initial training (Section 5.1 of the Franchise Agreement).

ITEM 12
TERRITORY

You will not receive an exclusive territory. You may face competition from outlets that we own, or from other channels of distribution, or competitive brands we control. The franchise that we grant to you is not for a specific location or one that we need to approve, as you can operate from any location within a geographic territory that we grant to you. You will receive a geographic territory (the “Territory”) agreed upon by us and you that is identified in Schedule “A” to the Franchise Agreement. As described above, we offer three levels of Territory, based on population and projected potential major accounts, with the franchise fee varying for each. We use the United States Census data for the population and we have a private data base to identify potential accounts. The Territory is typically determined by county, although a Territory may include more than one county, or a single county if it contains a large number of dealerships or other automotive facilities. The factors that influence Territory are the population, number of franchised new car dealerships, body shops, tire stores, and used car dealerships. We do not identify for you all of the potential accounts in your territory, nor are you required to service every potential account in your territory. However, if we establish national or regional accounts which have a location in your territory, we may require you to service that account, at rates set by us.

You are not permitted to operate your franchise from a temporary or permanent site outside of the Territory, unless you receive prior written approval from us. You may not advertise outside of your Territory unless you submit and receive prior written approval from us. However you may service customers located outside your territory, if such customers are located in areas geographically contiguous to the Territory and in areas that are not the territory of other franchisees’ business (See Section 2.5 of the Franchise Agreement).

We may determine that a remanufacturing facility referenced in Item 8 may be located in your protected territory. However, before we place the fixed location remanufacturing facility in your territory we will give you the right to develop and open such facility.

Your continued right to the protected territory is dependent on your achieving Minimum Annual Gross Revenue (“MAGR”) standards each year during the term of this agreement. These MAGR

standards are based on the Population (“Pops”) contained in the Territory and are increased over time by \$.10 per year as follows.

Year/\$/pop	
Year 1	\$0.15
Year 2	\$0.25
Year 3	\$0.35
Year 4	\$0.45
Year 5	\$0.55
Year 6	\$0.65
Year 7	\$0.75
Year 8	\$0.85
Year 9	\$0.95
Year 10	\$1.05

For example, if you have a territory with a population of 750,000, your Minimum Annual Gross Revenue requirement would be:

Year/ MAGR	
Year 1	112,500
Year 2	187,500
Year 3	262,500
Year 4	337,500
Year 5	412,500
Year 6	487,500
Year 7	562,500
Year 8	637,500
Year 9	712,500
Year 10	787,500

If at the time of the renewal of your Franchise, you have reached your MAGR during the initial term of your Franchise Agreement, then MAGR for each year of the renewal term shall be an annual 10% increase on your aggregate Gross Revenue reported by you to us during the then previous 12 months of the operation of your Business. If you are renewing your Franchise and you have not met the MAGR during the initial term of your Franchise Agreement and we have not terminated your territorial protection then, at our discretion, we may permit you to use the same MAGR formula to obtain MAGR over a specific period of time as we may determine during your renewal term. At such time that you do reach the contractually mandated MAGR then we may require you to further increase your aggregate Gross Revenue in the same manner as those Franchisees that reached their target MAGR during the initial term of their Franchise Agreement.

If you fail to meet these MAGR requirements during any one year, or as required during the renewal term, as the case may be, we reserve the right to a) service the Territory with a Company-owned MRF; b) ask another Authorized Franchisee from another territory to service the Territory wherein such Authorized Franchisee shall receive the revenues from the operations of such business; c) identify another party to become an Authorized Franchisee in the Territory on a non-protected basis; or d) terminate this Franchise and Trademark Agreement.

In some instances, a franchisee may be provided a franchise that it is to operate both a mobile franchise and a remanufacturing location. The MAGR minimum will apply except that we may require, in writing, a higher MAGR for the combined franchise, subject to mutual agreement upon the MAGR prior to sale of the franchise. You will be required to prepare a business plan upon the execution of the Agreement that will detail your plans to maximize sales by penetrating all of the potential market segments available within your territory, as prescribed in the Operations Manual. This business plan along with actual results will be reviewed jointly with AWRS on an annual basis to determine additional growth areas and develop subsequent plans to address these areas. This may require the addition of employees and MRF's. If you fail to grow your business in a reasonable fashion, or choose not to pursue all the available market segments, we have the option of placing a third-party in your Territory to service the Accounts, including a mobile reconditioning facility owned by us or our Predecessor. Such a third party will be allowed to service only the market segment, such as automotive body shops, tire stores, automotive dealerships, and pre-owned automotive dealerships that you have failed to service.

You have the option to purchase additional/expanded Territory, if it is available. Approval of such a request to purchase shall be at AWRS's sole discretion. The factors influencing the decision include your sales records, proximity, payment history, sales management skills, and your general performance under the Franchise Agreement.

You have the option to renew your franchise, upon completing certain requirements as set forth in the Franchise Agreements. Such requirements include an Account Review. For purposes of the Account Review, an Account shall include car dealerships and automobile dealerships, including the pre-owned sales division, the service department, and the body shop; independent collision repair centers; automobile attire and wheel retail sales stores; car washes; detail shops; and upscale automobile service centers. Should viable Accounts exist in your Territory that are not being serviced, despite requests by the customer to be serviced by you, we have the option of placing a third-party in your Territory to service the Accounts, including a mobile reconditioning facility owned by us or our Predecessor.

Currently, we do not operate or franchise any other business under a different trademark that sells goods and services similar to those you will offer and sell, but we reserve the right to do so.

The Franchise and Trademark Agreement does not provide you with any options, rights of first refusals, or similar rights to acquire additional franchises within the Protected Territory or areas contiguous to the Protected Territory.

Except as otherwise expressly provided in the Franchise and Trademark Agreement, we and our Affiliates reserve all of our respective rights and discretion with respect to the Marks, the System

and Alloy Wheel Repair Specialists anywhere in the world and the right to engage in any business whatsoever, including: (a) the right to operate, and grant to others the right to operate Alloy Wheel Repair Specialists in such territories and on such terms and conditions as we deem appropriate in our sole discretion; (b) the right to acquire, merge or consolidate with, be acquired by, operate and expand businesses (c) to offer the same or similar services that you are authorized to offer under a different trade-name either inside or outside your Territory; and (d) to offer the same or similar services that you are authorized at your franchise through other channels of distribution, including, but not limited to, internet offered services and retail sales of products associated with the Alloy Wheel Repair Specialists brand.

Any relocation of your business is permitted only under the terms of your Franchise and Trademark Agreement and it must be with our prior written consent. The proposed new Territory must be suitable for the operation of a Alloy Wheel Repair Specialist business in our discretion and the proposed new business must be in your existing Territory and it must be outside another Alloy Wheel Repair Specialists’ franchisee’s Territory. Any costs of relocation will be borne by you.

If for any reason we solicit or accept orders from inside your territory, we are not required to pay you for soliciting or accepting orders from inside your territory.

ITEM 13
TRADEMARKS

Pursuant to Articles 2 and 10 of the Franchise Agreement, we grant you the right to use the Marks of AWRS, and you must use such proprietary property only in the manner authorized by AWRS for the operation of your franchise.

Our Predecessor’s affiliate registered the following principal Marks (“Trademarks” on the Principal Register of the U.S. Patent and Trademark Office (“USPTO”)):

Mark	Registration Number	Registration Date	Register
Alloy Wheel Repair Specialists name and logo	3122475	08/01/2006	Principal
Alloy Wheel Repair Specialists mark	3232248	04/24/2007	Principal

Our affiliates have filed all required affidavits of continuous use of the trademarks. The Marks were assigned to us on November 17, 2015. There are no currently effective material determinations of the U.S. Patent and Trademark Office, Trademark Trial and Appeal Board, the Trademark Administrator of any state or any court in connection with our Marks. There are no agreements currently in effect that significantly limits our rights to use or franchise the use to franchisees of the Marks in any manner material to you. There are no current pending material litigation, pending infringement, opposition, or cancellation proceedings involving the Marks.

In July 2016, as a result of a transaction involving our affiliate, Alloy Remanufacturing, LLC, to purchase certain assets of Elite Rim Repair LLC, we granted to one of the individually owned

businesses operated by Elite Rim Repair known as Elite Wheels of Albany Inc., a non-exclusive limited license to use our Marks in the operation of its wheel repair business, but only at its location in Mechanicville, NY, and the Albany, NY metropolitan statistical area. At this time, we do not have any franchises that operate an Alloy Wheel Repair Specialists business in this part of the New York state.

You must operate only as “Alloy Wheel Repair Specialists” the words standing alone, or such other Marks as we may prescribe from time to time. You may not add any words before or after the Marks or use the Marks with words that reflect your name, your company name, or any other information. You may not use the Marks as part of any Internet domain name or maintain any other website utilizing the Marks. You shall operate under and prominently display the names and Marks in the operation of your Franchised Business, as we may prescribe from time to time. You shall use no commercial trade name, service mark, or other commercial symbol, including associated logos, which do not satisfy our established criteria. In the event we deem it advisable, you shall file for and maintain a “certificate of trade name” in the country or other appropriate jurisdiction in which your Territory is located.

Your rights to use the Marks are derived solely from your Franchise Agreement and are limited to the operation of your franchise under your Franchise Agreement and all applicable standards, specifications, and operating procedures AWRS requires during the term of this Franchise Agreement. Any unauthorized use of the Marks or the Operations Manual is a breach of your Franchise Agreement and an infringement of AWRS’s rights in and to the Marks. Your use of the Marks, System and Operations Manual and any goodwill established by your use inures to our exclusive benefit. The Franchise Agreement does not confer any goodwill or other interest in the Marks or System to you, other than the right to operate your franchise in compliance with the Franchise Agreement. All provisions of the Franchise Agreement applicable to the Marks and System will apply to any other trademarks, service marks, commercial symbols, designs, artwork, and logos that we adopt, use, authorize, and subfranchise to you to use during the Term.

From time to time, we may elect to discontinue the use of certain names and marks and to commence the use of new names and marks. You shall pay all expenses incurred in connection with discontinuing the use of existing names and marks on or within your Franchised Business, and commencing the use of new names and marks therein.

You must notify us immediately if you become aware of any infringement of, or challenge to, our rights to the Marks. You will communicate on this subject only with us and/or our attorneys. We have the sole right to take any action we deem appropriate, and we have the exclusive right to control any litigation or administrative proceeding concerning the Marks. In all events, we shall have sole discretion to take such action as we deem appropriate, including the exclusive control of any litigation or any trademark office or other necessary proceeding arising out of any such infringement, challenge or claim relating to any of the names and Marks, including but not limited to the right to compromise, settle, or otherwise resolve the claim, and determine whether to appeal a final determination of the claim. We do, however, have the obligation in the Franchise Agreement to defend and indemnify you from any claim asserted against you arising out of your proper use of the Proprietary Marks (Section 10.5 of the Franchise Agreement). You will execute all

instruments and documents, render assistance, and do all things that, in our opinion, are necessary and advisable to protect and maintain our interests in the Marks.

You may disclose the Confidential Information that we will provide to you and the information that you learn during the operation of your franchise only to the extent that is reasonable to operate your franchise.

All persons and employees with access to the Operations Manual or to any other Confidential Information must first sign our Nondisclosure and Confidentiality Agreement. Nothing contained in the Franchise Agreement will be construed to prohibit you from using the Confidential Information in the operation of your franchise under your Franchise Agreement, with our written permission.

You must notify us immediately if you become aware of any infringement of, or challenge to, our rights to our common law copyrights. You will communicate on this subject only with us and/or our attorneys. We have the sole right to take any action we deem appropriate, and we have the exclusive right to control any litigation or administrative proceeding concerning these copyrights. In all events, we shall have sole discretion to take such action as we deem appropriate, including the exclusive control of any litigation or any patent office or other necessary proceeding arising out of any such infringement, challenge or claim relating to any of these copyrights, including but not limited to the right to compromise, settle, or otherwise resolve the claim, and determine whether to appeal a final determination of the claim. ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION
OF THE FRANCHISE BUSINESS

You are required to either personally devote your full time and attention to your franchised business or to hire a full-time manager or have an operating partner who will complete our required training programs. We will require you and all of your other owners of a corporate franchisee that you set up to execute a guaranty, attached as Schedule C to the franchise agreement, and will by virtue of that document, become personally obligated under the non-compete and non-disclosure provisions of the Franchise Agreement. We may require that your on-premises, or active supervisor of the franchised business own a minority equity interest (at least 10%) in the franchised business or in any entity owning the franchised business. Unless your spouse is an owner of the franchise, she or he will not be required to sign the personal guarantee.

You may choose to hire an additional person as an employee or independent contractor to aid in the operation of the franchised business. You must also follow all Federal and State laws regarding the hiring of employees and or independent contractors as defined in the Fair Labor Standards Act (FLSA). Prior to doing so, however, you should conduct a background check of your employees using the form referenced in your Operations Manual. You must ensure that each such individual executes the standard Employee Nondisclosure/Nonsolicitation/Noncompetition and Confidentiality Agreement which we have included in the Operations Manual, prior to commencing employment, as well as prior to viewing any demonstration of the products used or the technique utilized, in order to protect the confidential information that you receive from us and to protect against your employee from soliciting the customers obtaining business from your franchise.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must sell or offer for sale only the products and services that meet our uniform standards of quality and quantity, as we expressly approve for sale in the Operations Manual(s) or otherwise in writing. We have the unlimited right to change at any time and without your consent the products and services that you may offer and sell through your franchise. While we encourage you to sell all of the products and services that we authorize, you are not required to do so.

You shall primarily service customers within your Territory. You may service customers located outside the Territory, if such customers are located in areas geographically contiguous to the Territory and in the areas that are not the Territory of other Franchisee's business open Territory.

ITEM 18
PUBLIC FIGURES

AWRS does not use any public figure to promote its franchise. No public figure is involved in the management of AWRS.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Tables A, B, C, and D. are based on the sales of all Alloy franchisees in the system as of December 31, 2023.

Table A reflects the sales of Alloy franchised facilities broken out by mobile sales and remanufacturing sales, which are outsourced to a third party. The table breaks down sales by population located within a franchisee’s market area.

Table B reflects the sales of Alloy franchised facilities broken out by mobile sales and remanufacturing sales- which are provided on the franchisee’s business premises. The table breaks down sales by population located within a franchisee’s market area.

Table C reflects the average, and median sales for all franchisees operating their businesses, but where they outsource their remanufacturing business. This table also breaks down sales into thirds (top, middle, and lowest). The table also breaks down these results by population greater and less than 1,000,000 persons or less than 1,000,000 persons.

Table D presents the same information as Table C, but the results reflect only those franchisees that provide remanufacturing services at the franchisee’s facility.

Most franchisees that open their Alloy Wheel facilities will opt to outsource their remanufacturing business, but other franchisees may opt to conduct the remanufacturing business in their shop either at the commencement of their operations or at a later date.

Table E reflects the profit and loss statement for our company owned facility in Chicago, Illinois for 2023, which we have operated for 20 years. We do not collect information from our franchisees to be able to construct profit and loss statements for the franchised locations.

The table’s left column displays gross revenues for mobile sales only. This column also includes operating costs and the gross margins generated from these sales. The middle column breaks down gross revenues and expenses by truck. It is estimated that you each truck that you use in your business has a capacity to generate \$200,000 in annual sales. Revenues above that threshold would require that you obtain an additional truck for each \$200,000 of business that can be generated from your facility.

Some outlets have generated sales in these amounts. Your individual results may differ. There is no assurance that your outlet will generate the sales reported on these tables.

EXHIBIT B
STATE ADDENDUMS TO DISCLOSURE DOCUMENT AS
REQUIRED BY STATUTORY AND REGULATORY PROVISIONS

CALIFORNIA

OUR WEBSITE (www.awrswheelrepair.com) HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT/CORPORATIONS AND ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT AT www.dbo.ca.gov.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

The following shall be added to the Cover Sheet:

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF BUSINESS OVERSIGHT NOR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

Item 17 shall be amended to include the following language:

1. California Business and Professional Code Sections 2000 through 20043 provide rights of the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
2. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. §101 *et seq.*).
3. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
4. The franchise agreement contains a liquidated damages clause. Under California Civil Code section 1671, certain liquidated damages clauses are unenforceable.
5. The franchise agreement requires binding arbitration. The arbitration will occur in Atlanta, Georgia with the costs being borne by the losing party.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code section 1281,

and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

6. The franchise agreement requires application of the laws of Georgia. This provision may not be enforceable under California law.

HAWAII

AMENDMENTS RELATING TO STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF HAWAII AND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT.

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

ILLINOIS

AMENDMENTS RELATING TO STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF ILLINOIS AND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT.

The following language shall be added to Item 17:

Pursuant to Section 19 of the Illinois Franchise Disclosure Act of 1987, we may not terminate a franchise of a franchised business located in the State of Illinois prior to the expiration of its term except for “good cause” as provided below:

“Good cause” shall include, but not be limited to, the failure of the franchisee to comply with any lawful provisions of the franchise or other agreement and to cure such default after being given notice thereof and a reasonable opportunity to cure such default, which in no event need be more than 30 days, or

“Good cause” shall include, but without the requirement of notice and an opportunity to cure, situations in which the franchisee (1) makes an assignment for the benefit of creditors or a similar disposition of the assets of the franchise business, (2) voluntarily abandons the franchise business, (3) is convicted of a felony or other crime which substantially impairs the good will associated with our trademark, service mark, trade name or commercial symbol, or (4) repeatedly fails to comply with the lawful provisions of the franchise or other agreement.

Pursuant to Section 20 of the Illinois Franchise Disclosure Act of 1987, We may not refuse to renew a franchise of a franchised business located in the State of Illinois without compensating the franchisee either by repurchase or by other means for the diminution in the value of the franchised business caused by the expiration of the franchise where:

(a) the franchisee is barred by the franchise agreement (or by the refusal of the franchisor at least 6 months prior to the expiration date of the franchise to waive any portion of the franchise agreement which prohibits the franchisee) from continuing to conduct substantially the same business under another trademark, service mark, trade name or commercial symbol in the same area subsequent to the expiration of the franchise, or (b) the franchisee has not been sent notice of the franchisor’s intent not to renew the franchise at least 6 months prior to the expiration date or any extension thereof of the franchise.

Pursuant to Section 41 of the Illinois Franchise Disclosure Act of 1987, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of the Illinois Franchise Disclosure Act of 1987 or any other law of the State of Illinois is void; however, this shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of the Illinois Franchise Disclosure Act of 1987, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

Items 17(v) and 17(w) shall be amended as follows: Pursuant to 14 Ill. Adm. Code 200.608 and as described in Section 4 of Illinois Franchise Disclosure Act of 1987, a franchise agreement shall not require a franchisee to litigate any cause of action, with the exception of arbitration proceedings, arising under the franchise agreement or the Illinois Franchise Disclosure Act of 1987 outside of

the State of Illinois, nor shall a franchise agreement provide for a choice of law provision for any state other than Illinois.

INDIANA

AMENDMENTS RELATING TO STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF INDIANA AND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT.

The following language shall be added to Items 17(c) and 17(m):

The release will not relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act, IC 23-2-2.7.

The following language shall be added to Item 17(r):

The time and geographic scope of the covenant not to compete shall not be greater than allowed by IC 23-2-2.7-1(9).

Item 23 shall be amended as follows:

We must provide this disclosure document to you at least 10 days prior to the execution by you of a binding franchise or other agreement, or at least 10 days prior to the receipt of any consideration, whichever first occurs.

IOWA

AMENDMENTS RELATING TO STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF IOWA AND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT.

Item 17(b) shall be amended as follows:

We shall not refuse to renew a franchise unless both of the following apply:

- a. You have been notified of our intent not to renew at least six months prior to the expiration date or any extension of the franchise agreement.
- b. Any of the following circumstances exist:
 - (i) Good cause exists, provided that our refusal to renew is not arbitrary or capricious. For purposes of this subsection, “good cause” means cause based on a legitimate business reason.

- (ii) We and you agree not to renew the franchise.

MICHIGAN

AMENDMENTS RELATING TO STATUTORY AND REGULATORY PROVISIONS AND REQUIREMENTS OF THE STATE OF MICHIGAN AND APPLICABLE TO THE FRANCHISE DISCLOSURE DOCUMENT.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to expiration of its term except for good cause. Good cause shall include failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity which in no event shall be more that 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise was less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advanced notice of franchisors intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside the state. This shall not preclude the franchisees from entering into an agreement at the time of arbitration to conduct arbitration at a location outside this state.

(g) A provision in which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subsection does not prevent a franchisor from exercising a right of first refusal to purchase a franchise. Good cause shall include but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor any items that are not uniquely identified with the franchisor. This subsection does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bonafide third party willing and able to purchase those assets, nor does this subsection prohibit a provision that grants a franchisor the right to acquire the assets of the franchise for the market or appraised value of such asset if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision that permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Item 23 shall be amended as follows:

We must provide this disclosure document to you at least 10 business days before the execution by you of any binding franchise or other agreement or at least 10 business days before the receipt of any consideration, whichever occurs first.

The territory granted to you shall be defined in Schedule 2 of this Agreement ("Territory"). During the term of your Agreement you shall have a protected right to operate an Alloy Wheel Repair Specialists business in your Territory, subject to the terms and conditions set forth in this Agreement. You may not, unless otherwise stated in this Agreement, solicit for services offered by the System, or sell any Products or Services to any person located outside the Territory excluding the sale of wheels, wheel parts and accessories through centralized ordering using toll free telephone, e mail or internet websites.

2.4 Development of your Territory

You are expected to develop your Territory. In order to maintain the protected right for your Territory, you must meet certain Minimum Annual Gross Revenue (“MAGR”). These MAGR requirements are based on the population contained in your Territory and will increase each year based on the formula chart set forth below.

Territory Population

Year/\$/pop	
Year 1	\$0.15
Year 2	\$0.25
Year 3	\$0.35
Year 4	\$0.45
Year 5	\$0.55
Year 6	\$0.65
Year 7	\$0.75
Year 8	\$0.85
Year 9	\$0.95
Year 10	\$1.05

For example, if you have a territory with a population of 750,000, your Minimum Annual Gross Revenue requirement would be:

Year/ MAGR	
Year 1	112,500
Year 2	187,500
Year 3	262,500
Year 4	337,500
Year 5	412,500
Year 6	487,500
Year 7	562,500
Year 8	637,500

Year 9	712,500
Year 10	787,500

If you have signed this Agreement as your renewal Franchise Agreement, and you have reached your MAGR during the initial term of your Franchise Agreement, then then MAGR for each year of the renewal term shall be an annual 10% increase your aggregate Gross Revenue reported by you to us during the then previous 12 months of the operation of your Business. If you are renewing your Franchise and you have not met the MAGR during the initial term of your Franchise Agreement and we have not terminated your territorial exclusivity then, at our discretion, we may permit you to use the same MAGR formula to obtain MAGR over a specific period of time as we may determine during your renewal term. At such time that you do reach the contractually mandated MAGR then we may require you to further increase your aggregate Gross Revenue in the same manner as those Franchisees that reached their target MAGR during the initial term of their Franchise Agreement.

If you fail to meet these MAGR requirements during any 1 year, or as required during the renewal term, as the case may be, we reserve the right to a) service the Territory with a Company-owned MRF; b) ask another Authorized Franchisee from another territory to service the Territory-wherein such Authorized Franchisee shall receive the revenues from the operations of such business; c) identify another party to become an Authorized Franchisee in the Territory on a non-protected basis; or d) terminate this Franchise and Trademark Agreement.

The MAGR is not a guaranty of performance. There is no assurance that any franchisee will attain the MAGR' set forth in the Franchise Agreement.

2.5 Your Customers

You shall primarily service customers located within the Territory. You may service customers located outside the Territory, if such customers are located in areas geographically contiguous to the Territory and in the areas that are not the territory of other franchisees' Business (an "Open Territory"), and subject to the terms of this Section 2.5.

As provided in this Section 2.5 you also may service for a period of time Former Open Territory Customers defined below located in the territory of another franchisee's Business.

For purposes of this Agreement "Former Open Territory Customers" are customers who, on the Effective Date of this Agreement are located in an Open Territory and (i) paid for Alloy Wheel Repair Specialist services during all or any part of the 24 months prior to the previously Open Territory becoming part of the territory of another franchisee's Business and (ii) appear, by name and address, on a written list received by Franchisor from Franchisee within 30 days of the Franchisee becoming aware (by notice from Franchisor or otherwise) that previously Open Territory has become part of the territory of another franchisee's Franchised Business. If and only if conditions (i) and (ii) are satisfied, Franchisee may continue to service Former Open Territory Customers of a period not to exceed 24 months after date that a previously Open Territory becomes part of the territory of another franchisee's Business. At the conclusion of the 24-month period,

Franchisee must turn Former Open Territory Customers over to the franchisee in whose territory the customer is located.

2.6 Your Right to Associate with other Alloy Wheel Repair Specialists Franchisees

We agree not to prohibit or restrict you from lawfully associating with other Alloy Wheel Specialists Franchisees, nor from forming, joining or participating in the lawful activities of any independent association of those Franchisees. Notwithstanding the foregoing, our exercise and enforcement of rights under this Agreement or under applicable law will not, by itself, constitute a breach of this Section 2.4. You are not required to be a member or participate in the activities of any independent association of Alloy Wheel Repair Specialists Franchisees. In addition, your right to participate in any lawful association of Alloy Wheel Repair Specialists Franchisees does not obligate us to recognize or otherwise interact with such association under any circumstances unless we believe at our sole discretion that it is in the best interests of the Franchise System to do so.

2.7 Relocation of your Remanufacturing Facility

If your lease or sublease for the Premises terminates prior to its expiration for reasons other than a default thereunder by you or expires without you being able to obtain a renewal of the lease or sublease, then you may relocate your Facility in accordance with this Section 2.7, subject to our approval. Any such relocation shall be at your sole expense. The relocation of your Facility is subject to all of the provisions of Section 2.2, Section 2.3, Section 3.3, Section 4.1, Section 4.2, Section 4.3 and Section 4.4 as if you were establishing a new Remanufacturing Facility, provided, however: (a) your rights under Section 2.3 terminate effective immediately upon closing of the old Premises and become operative again only when the new Premises are approved by us; (b) your Remanufacturing Facility at the new Premises must open within 12 months after the date of closing of the old Premises; (c) your initial franchise fee is not refundable; and (d) you agree to reimburse us for all of our costs and expense incurred in connection with your relocation.

You agree to contribute \$100.00 per month payable to the National Brand Awareness Fund (“NBAF”). You acknowledge and agree that we may enforce your obligation to contribute to the NBAF. - (g) include an acknowledgment by the lessor and/or sub-lessor that we have no liability or obligation whatsoever under the lease or sublease until and unless we assume the lease or sublease on termination or expiration of this Agreement or enter into the Interim Sublease.

You may not execute a lease, sublease or purchase contract for the Premises or any modification, amendment, or assignment thereof before we have approved it. Our approval of the lease, sublease or purchase contract does not constitute a warranty or representation of any kind, express or implied, as to its fairness or suitability or as to your ability to comply with its terms. We do not, by virtue of approving the lease, sublease or purchase contract, assume any liability or responsibility to you or to any third parties. You agree to deliver a copy of the fully signed lease, sublease or purchase contract to us within 5 days after its execution.

If for any reason you fail to lease or purchase the Premises within 3 months after the Agreement Date, we may terminate this Agreement, effective upon delivery of notice thereof. In the event of such termination you will not receive any refund of your initial franchise fee or other amounts paid to us at the time of the Agreement Date.

You agree that such listing must occur as soon as possible after signing this Agreement; provided, however Franchisee shall not market the Franchised Business in any Yellow Pages, including an internet accessible or "on-line" directory, if the purpose, intent, or effect of such marketing is to reach customers who reside outside the Territory. If Franchisee operates the Franchised Business in a marketing area that is shared by Franchisor's other franchisees, Franchisee and all other franchisees shall use a common toll- free telephone number in their advertising or marketing materials. You agree to pay all telephone company charges for such telephone numbers and to reimburse us if we have to pay any such charges. In addition, you agree to sign such release and transfer documents as we may require to authorize us to obtain the telephone numbers of your Business upon any termination or expiration (without renewal) of this Agreement. If, during the Term, the telephone numbers for your Business should be transferred to someone other than us, you will cooperate with us to ensure that they are returned to us.

Under no circumstances will the Franchisee provide training or issue a complete training certificate to its employees, unless Franchisee has first passed training and been issued the certification required by the Company to permit Franchisee's training of its own employees.

If we determine that there are significant deficiencies in the operations of your Business, we may require you (or your Operating Partner as the case may be) and your managers and key employees to attend and successfully complete periodic or additional training programs for which we may charge reasonable training fees.

Except as otherwise provided in this Section 5.1, you will be responsible for all expenses you incur in connection with attending all training programs, including compensation, travel, lodging, meals, and incidental expenses and meals.

If, within 10 days after receiving such notice, you fail or refuse to initiate and continue with due diligence a bona fide program to complete such required repair or maintenance, we have the right (in addition to our rights under Article 13), but not the obligation, to enter the Premises and perform such repair or maintenance on your behalf and at your expense. You must promptly reimburse us for the expenses we incur in performing such repair or maintenance.

ARTICLE 8 **MARKETING AND ADVERTISING**

8.1 Marketing and Advertising Programs

Recognizing the value of advertising, and the importance of the standardization of advertising to enhance the goodwill associated with the Marks, to promote the sale of Authorized Products and Services, and to develop and maintain a favorable public image of Alloy Wheel, you agree that we have the right to determine, conduct and administer all national, regional, local and other marketing, advertising, promotions, market research and other related activities for the System as may be instituted from time to time, including advertising and marketing funded by the NBAF, and the right to direct all such advertising and marketing with sole authority and discretion (exercised in accordance with the terms, and subject to the conditions, contained in this Article 8) over all aspects thereof, including concepts, materials, media, nature, type, scope, frequency, place, form, copy, layout and content.

8.2 National Brand Awareness Fund Account

We agree to administer the NBAF for the creation, development and implementation of marketing, advertising and related programs and materials to enhance the goodwill associated with the Marks, to promote the sale of any or all Authorized Products and Services and to develop and maintain a favorable public image of Alloy Wheel Repair Specialists. We will have sole discretion over all aspects of the materials and programs funded by NBAF, including concepts, materials, media, nature, type, scope, frequency, place, form, copy, layout and context.

We may use funds from the NBAF to pay for all costs and expenses associated with such programs and materials, including the costs of preparing, producing and distributing marketing, advertising and related programs and materials, employing advertising agencies and media buying agencies, supporting market research activities, administering the NBAF and all other related costs and expenses. Although the NBAF is intended to enhance the goodwill associated with the Marks, to promote the sale of any or all Authorized Services and to develop and maintain a favorable public image of System for the benefit of all franchisees of the System, we cannot assure you that any particular franchisee, or that a franchisee in any particular local market area, will benefit directly or pro-rata from any marketing, advertising or related program.

Your contributions to the NBAF will be held and disbursed by us in a separate bank account other than our general operating account to hold and disburse funds in the NBAF in accordance with this agreement.

We may allocate your advertising contribution in any form that we believe will be in the best interest of the System, using our business judgment. Among other types of advertising we may use national, regional, or local, television, radio, internet, automotive trade-shows to promote the brand, our website, print, social media, consumer relationship marketing (“CRM”), which will include but not be limited to, local and national marketing using print, e-club and other loyalty programs, and telephone and other communication vehicles that communicate with a customer on a one-to-basis, and any other form of media existing now or in the future that we believe is a viable form of advertising. We may change the decisions at any time that we believe it to be appropriate. We also may use your advertising contribution for the preparation and creation of new advertisements (“Creative”), whether made for television, radio, print, or other forms of the advertising medium.

The term “Creative” includes the costs associated with creating, developing and/or distributing national or general advertising, marketing, promotions, social media, public relations and market research programs and related activities, including costs relating to preparing television, radio, newspaper, point-of-sales and other media programs, electronic Yellow Pages, social media, and materials (such as Web Sites for the Internet) and all related fees, charges and commissions, including fees charged by national spokespersons and commissions charged for creative works. As part of the Creative portion of the NBAF, we may furnish you with marketing, advertising and promotional materials at cost, plus any related administrative, shipping, handling and storage charges. The term “National Advertising” includes all costs associated with placing and purchasing national media advertising (e.g., national television, print media, social media, and electronic media) and related activities and associated fees and commissions, including commissions charged by media buying companies, internet services, and any other advertising medium that charges and fees or costs for its use. The term “Local Advertising” includes all costs associated with the development of regional and local advertising and promotional programs and related activities and associated fees and commissions, including commissions charged by advertising agencies and media buying companies. To the extent any costs can be allocated to more than one of the above categories or to the extent that any costs appropriately charged to the NBAF do not fall within a particular category, we may, in our sole discretion, allocate such costs to one or more of such categories.

In addition to your contribution to the NBAF and advertising cooperative costs, we reserve the right to require you to spend up to 2% of your gross sales to conduct advertising local to your specific market. In addition we recommend that you conduct grand opening or start up marketing of your business to let people know that you are opened for business. We recommend that you spend between \$5,000 and \$10,000 for grand opening advertising and that this advertising be conducted within the first 90 days of the operations of your business.

We may dedicate someone or some persons to conduct retail marketing in our office, and undertake certain services in administering the advertising and other programs funded by the NBAF. Subject to the provisions stated in Section 3.4, we are entitled to be paid each year from the NBAF for such services in an amount equal to 2% of all contributions by all Franchisees to the NBAF (“the Annual Administrative Expense”). We may pay ourselves the Annual Administrative Expense in advance in quarterly installments each year. We will allocate the Annual Administrative Expense and the costs relating to the annual audit of the revenues and expenses of the NBAF proportionately among all of the allocations that we may make from the NBAF, although we are not required to maintain separate accounts for these various forms of advertising. If we establish or develop any regional or other local advertising cooperatives we may allocate the fees referenced in this paragraph among these Regional Advertising Co-ops as we determine, in our sole discretion, to be in the best interests of the System.

The NBAF will be accounted for separately from our other funds and will not, except for the recovery of our administrative expenses in conjunction with the creation, placement, and distribution of advertising, be used to defray any of our general operating expenses. Any advertising agency commissions and discounts granted to us or any of our Affiliates for media purchases from the NBAF will be contributed to the NBAF or netted against the invoice for such purchases.

All disbursements from the NBAF shall be made first from income and then from contributions. We may compromise any claim for past due contributions to the NBAF from any Franchisee, provided any compromise of contributions to the NBAF shall be proportionate to any contemporaneous compromise of other amounts such Franchisee owes us and our Affiliates, and we have the right to charge a proportionate amount of the collection costs against contributions we recover. In any fiscal year, we may spend amounts that are more or less than the aggregate contributions of all Franchisees to the NBAF in that year, and we may fund any deficits with contributions from future years. The NBAF may borrow from us (on commercially reasonable terms and rates) or other lenders to cover deficits or cause the NBAF to invest any surplus for future use. We will cause to be prepared an annual reconciliation of the revenues and expenses incurred by the NBAF and will furnish you a copy upon your written request. The costs of such reconciliations shall be charged against the NBAF. Except as otherwise expressly provided in this Section 8.2, we assume no direct or indirect liability or obligation with respect to the maintenance, direction or administration of the NBAF. We do not act as trustee or in any other fiduciary capacity with respect to the NBAF.

8.3 Regional Advertising Co-op

We may establish or require you with the other franchisees in your advertising market to establish a regional advertising cooperative (“Regional Advertising Cooperative”). We may determine the boundaries of the Regional Advertising Co-op and may modify the boundaries at any time effective upon written notice to you. We may require that 1 Regional Advertising Co-op merge with another Regional Advertising Co-op servicing an adjacent advertising market or we may subdivide a Regional Advertising Co-op into smaller groupings. If established, Franchisee must direct its local Advertising expenses to the Regional Advertising Co-op. We will provide each Regional Advertising Co-op with standard governing rules that the members of the Regional Advertising Co-op may modify with prior approval from us. Members may not modify certain rules, like voting rights, Franchisor’s rights to approve all advertising in advance, or Franchisee’s maximum obligation for contribution to the Regional Advertising Co-op. The members of each Regional Advertising Co-op will elect their own leadership and each Regional Advertising Co-op is responsible for its own administrative expenses. The Regional Co-op must assign any rights in the materials that it creates to us without compensation so that we and other franchisees may use the same materials. Each Regional Advertising Co-op must prepare monthly and annual financial statements, which need not be audited and make them available to all Regional Advertising Co-op members and to us. We may dissolve a Regional Advertising Co-op but only if we decide to dissolve all Regional Advertising Co-ops at the same time. No Regional Advertising Co-ops exist at this time.

We agree to disclose relevant parts of the Confidential Information to you solely for your use in the operation of your Business. The Confidential Information is proprietary and includes what we believe to be trade secrets. During the Term and thereafter:

- (a) you may not use the Confidential Information in any other business or capacity (and you acknowledge that such use is an unfair method of competition);
- (b) you agree to maintain the confidentiality of the Confidential Information;
- (c) you may not make unauthorized copies of any portion of the Confidential Information disclosed in written, electronic or other form; and
- (d) you agree to implement all reasonable procedures we prescribe from time to time to prevent unauthorized use or disclosure of the Confidential Information, including the use of nondisclosure agreements with your officers, directors, and managers and the delivery of such agreements to us. Your restrictions on disclosure and use of Confidential Information does not apply to information or techniques which are or become generally known in the automotive aftermarket industry (other than through your own disclosure), provided you obtain our prior written consent to such disclosure or use. We agree to consent to such disclosure or use if we believe such information is in the public domain.

11.2 Franchisee’s In-Term Covenants

During the Term, neither you nor any of your Owners may:

- a) directly or indirectly (such as through corporations or other entities owned or controlled by you or your Owners) own any legal or beneficial interest in, manage, operate or consult with: (1) any Competitive Business located anywhere; or (2) any entity located anywhere which grants franchises, licenses or other rights to others to operate any Competitive Business; or
- b) divert or attempt to divert any business or customer of any Alloy Wheel Specialists business to any competitor or do anything injurious or prejudicial to the goodwill associated with the Marks or the System.

The term “Competitive Business” is defined as any enterprise (other than an Alloy Wheel Repair Specialists business operated under a franchise agreement with us) that offers or sells any of the Authorized Products and Services. Notwithstanding anything to the contrary contained in this Agreement, you are not restricted from: (a) owning shares of a class of securities of a Competitive Business that are listed on a stock exchange or traded on the over-the-counter market and that represent less than 5% of that class of securities; or (b) owning and operating an enterprise (i) that offers and sells products and services which we consider to be Authorized Products and Services, (ii) that you own and operate prior to the date that such product or service is designated as an Authorized Product or Service (even if such designation is on a test basis), and (iii) that you fully disclose to us in writing before the date such product or service is designated an Authorized Product or Service.

11.3 Information Exchange

The value of the System is maximized by our evaluating and, if we deem appropriate, incorporating into the System innovations suggested by our Franchisees. If such innovations from other Alloy Wheel Repair Specialists Franchisees are incorporated in the System, you will be entitled to use them as part of the System. You agree to a reciprocal obligation and to disclose to us all ideas, concepts, methods, techniques and products relating to the development, marketing and/or operation of a Alloy Wheel Repair Specialists business that you conceive or develop, other than patentable inventions. If we adopt any of them as part of the System, you agree to grant us a perpetual, royalty-free, world-wide franchise to incorporate same into the System and to use, and subfranchise the use, of same in connection with Business. You agree to execute documents and do such other things as we may reasonably request for you to secure intellectual property rights in such ideas, concepts, methods, techniques or products.

11.4 Franchisee’s Post-Term Covenants

For a period of 1 year after the expiration or termination of this Agreement, for any reason, including your transfer or sale of your Business you will not employ or seek to employ any person who is or within the preceding 6 months has been an employee of the Company or of any of the Company’s franchisees, either directly, or indirectly for itself or through, on behalf of, or in conjunction with any person.

For a period of 2 years, starting on the effective date of termination or expiration of this Agreement for any reason, including transfer or sale of your Business, neither you nor any of your Owners may directly or indirectly (such as through corporations or other entities owned or controlled by you or your Owners), own a legal or beneficial interest in, manage, operate or consult with:

- (a) any Competitive Business located at the Premises if you operate a Remanufacturing Facility;

- (c) at the time of the termination or expiration of this Agreement any Competitive Business located in the territory of any other Alloy Wheel Repair Specialists or any zip code where such business served customers during the term of their respective Franchise Agreements(s);
- (d) divert, or attempt to divert any customer serviced by the Franchised Business operated by you, or any other franchisee in the Alloy Wheel Repair Specialists business at the time that your Agreement is terminated or expires for any reason;
- (e) induce or attempt to induce any such customer(s) described herein to modify their behavior in a way that would result in a reduction of the business such customer may do with the Franchised Business or any successor business using the Franchisor's Franchised marks,
- (f) induce, or attempt to induce any customer of Franchisor or its affiliates, including franchisees to modify their behavior in a way that would result in a reduction of the business such customer may do with the Franchisor or its affiliate; or
- (g) any entity which grants franchises, licenses or other rights to others to operate any Competitive Business.

You and each of your Owners acknowledge that we have a protectable legal interest in the System and that these non-competition covenants contained in Section 11.2 and Section 11.4 are necessary elements to their protection and are an integral part of this Agreement. The Franchisee's Post-Term Covenants shall be tolled, and it shall be extended by 1 day for each day that the Franchisee does not comply with the Post-Term Covenants contained in this section 11.4.

ARTICLE 12 **TRANSFER OF AGREEMENT**

12.1 Transfer by You Subject to Our Approval

You and/or your Owners may Transfer the Franchise (as defined below) subject to our approval and subject to your complying with all of the applicable provisions of this Article 12. You agree to submit to us all information we require in order to determine whether to approve a

proposed Transfer of the Franchise, and we agree to notify you of our approval or disapproval within a reasonable period of time, not to exceed 10 business days, after we have received all requested information relating to the proposed Transfer of the Franchise.

The term “Transfer the Franchise” or “Transfer of the Franchise” means the voluntary or involuntary, direct or indirect, sale, assignment, transfer, pledge, grant of a security interest in, or other disposition of this Agreement, any right or obligation under this Agreement, or any form of ownership interest in Franchisee or the assets, revenues or income of your Business, including: (1) any issuance or redemption of a legal or beneficial ownership interest in the capital stock of Franchisee; (2) any merger or consolidation of Franchisee, whether or not Franchisee is the surviving corporation; (3) any transfer as a result of a divorce, insolvency or dissolution proceeding or otherwise by operation of law; (4) any transfer on the death of Franchisee or any Owner of Franchisee by will, declaration of trust or under the laws of intestate succession; or (5) any foreclosure of your Business or your transfer, surrender or loss of possession, control or management of your Business. A marketing list, customer list or potential customer list may be transferred only to a transferee to whom your rights and obligations under this Agreement are simultaneously being transferred in accordance with the terms hereof.

12.2 Conditions for Approval

If we have not exercised our rights under Section 12.6 or Section 12.7, we will not unreasonably withhold our approval of a Transfer of the Franchise that meets all of the reasonable restrictions, requirements and conditions that we may impose on the transfer, the transferor(s) and/or the transferee(s), including the following:

- a) you and your Owners and Affiliates must be in compliance with the provisions of this Agreement and all other agreements with us or any of our Affiliates that relate to your Business;
- b) the transferee (or its owners) must meet our then-applicable standards for Alloy Wheel Repair Specialists Franchisees;
- c) such transferor must be in compliance with its agreements with us and our Affiliates for at least 6 months prior to the proposed date of transfer;
- d) the transferee (or its Operating Partner) must complete our initial training program to our satisfaction;
- e) your Business must be open and operating, unless we otherwise agree in writing;
- f) the transferee (and its owners) must execute, at your option, (i) an assignment and assumption agreement in form and substance satisfactory to us, pursuant to which the transferee (and its owners) assume your obligations hereunder and you will remain responsible for future performance of the obligations under this Agreement for the longer of a period of time of 1 year after the effective date of the transfer, or the period of time during which the transferee or any of its Affiliates has any financial obligations to you or any of your Affiliates in connection with the transfer; or (ii) our then current standard form of franchise agreement and related documents offered to new Alloy Wheel Repair Specialists Franchisees in the state in which your Business is located

(which may provide for different royalties, advertising contributions and expenditures, term and other rights and obligations than those provided in this Agreement) in conjunction with you and us mutually terminating this Agreement;

- g) you or the transferee must pay us a standard transfer fee equal to the greater of 10% of the sales price for the sale of the business or 50% of our then current initial franchise fee set forth in the then current Franchise Agreement at the time of the transfer or sale of your Business, but such transfer fee shall not be in an amount greater than the then current initial franchise fee charged at the time of the transfer or sale of your Business;
- h) you and your Owners and Affiliates must, except to the extent limited or prohibited by applicable law, execute a mutual general release, in form and substance satisfactory to us, of any and all claims against us and our Affiliates, stockholders, officers, directors, employees, agents, successors and assigns. Such release will not release you from currently due obligations or for any liabilities that accrued or may accrue as a result of your operation of your Business;
- i) the terms of the proposed Transfer of the Franchise must not, in our reasonable judgment, place an unreasonable financial or operational burden on the transferee;
- j) any financing you (or any of your Owners or Affiliates) offer the transferee must be subordinate to any current or future obligations of the transferee to us; and
- k) you and your Owners must execute such other documents and do such other things as we may reasonably require you to protect our interests under this Agreement.

12.3 Transfer To A Corporation

Notwithstanding Section 12.1 and Section 12.2, on 30 days' prior notice to us, you (if you are an individual or partnership) may transfer this Agreement, in conjunction with a transfer of all of the assets of your Business, by an agreement in form and substance satisfactory to us, to a corporation or limited liability company of which you own and control all of the equity and voting power of all issued and outstanding capital stock. No such assignment will relieve you or your Owners of your obligations hereunder, and you and your Owners will remain jointly and severally liable for all obligations hereunder.

12.4 Special Transfers

Neither Section 12.2(b) nor Section 12.2(d) shall apply to any Transfer of the Franchise among any of your then current Owners disclosed in Schedule C. Section 12.6 shall not apply to a Transfer of the Franchise to a member of the Immediate Family of Franchisee (if an individual) or to a member of the Immediate Family of a then current Owner of Franchisee (if a corporation, limited liability company or partnership).

12.5 Death or Disability of Franchisee

Upon your death or permanent disability, or the death or permanent disability of your Operating Partner, the executor, administrator or other personal representative of such person must transfer his interest in this Agreement or his interest in Franchisee to a third party approved by us

in accordance with all of the applicable provisions of Article 12 within a reasonable period of time, not to exceed 12 months from the date of death or permanent disability.

12.6 Your Right to Offer Your Franchise to Us

If you or any of your Owners desires to Transfer the Franchise for legal consideration before obtaining an offer from a buyer, you must send us an offer in writing (“Offer Notice”) containing the exact terms and conditions on which you desire to Transfer the Franchise and including:

- (a) financial statements of your Business (including balance sheets and income statements) for the last 3 fiscal years and the year-to-date;
- (b) federal income tax returns and all applicable schedules for your Business for the last 3 fiscal years; and
- (c) a complete and accurate copy of your then current lease for the Premises of your Business. Upon receipt of the Offer Notice we will have the option, exercisable by notice (“Response Notice”) delivered to you within 15 business days thereafter, to indicate our intention to accept your offer to sell such interest in this Agreement, your Business or in Franchisee for the price and terms contained in the Offer Notice. We have the right to investigate and analyze the business, assets and liabilities and all other matters we deem necessary or desirable in order to make an informed investment decision with respect to the fairness of the terms described in the Offer Notice. We may conduct such investigation and analysis in any manner we deem reasonably appropriate, and you and your Owners agree to provide us with all information we request and to cooperate fully with us in connection therewith.

If we deliver a Response Notice, we and you and/or your Owners will enter into a purchase agreement reasonably satisfactory to both you and us, containing such agreements, representations, warranties, covenants, indemnities and customer warranty reserve funds, and requiring such documents at closing, as is reasonably necessary to protect each party’s interests. The closing shall occur not more than 90 days after the date of the Response Notice, unless the closing is delayed for reasons beyond our reasonable control.

If we do not deliver a Response Notice, as provided above, you and/or your Owners may solicit offers to Transfer the Franchise from other parties at the exact same price and on the exact same terms as presented in the Offer Notice for a period of time expiring 365 days after the Offer Notice is delivered to us. You must immediately deliver to us a complete and accurate copy of any offer that you receive within such 365-day period from any such third party that you and/or your Owners are willing to accept (“Third Party Offer”).

If the terms of the Third Party Offer are the same as those contained in the Offer Notice, then you or your Owners may accept such offer and complete the sale to such offeror pursuant to and on the exact terms of such offer, subject to our approval of the transfer as provided in Section 12.1 and Section 12.2, provided that if the sale to such offeror is not completed within 90 days after delivery of such Third Party Offer to us, or if there is any change in the terms of the offer,

you must promptly notify us and we will have an additional option to purchase (on the terms of the revised offer, if any, and otherwise as set forth herein) during the 30-day period following your notification of the expiration of the 90-day period or the change to the terms of the offer.

12.7 Our Right of First Refusal

If the terms of the Third Party Offer pursuant to Section 12.6 are different in any material respect (including price and/or payment terms) from those contained in the Offer Notice pursuant to Section 12.6, we will have the option, exercisable by notice delivered to you within 15 business days from the date of delivery to us of a complete and accurate copy of the Third Party Offer, to purchase such interest in this Agreement, your Business or in Franchisee for the price and on the terms and conditions contained in such Third Party Offer.

In addition, if you or any of your Owners desire to transfer the Franchise for legal consideration to a prospective buyer without first giving us an Offer Notice pursuant to Section 12.6, you or such Owner must obtain a bona fide, executed written offer and earnest money deposit in the amount of at least 5% of the offering price from a responsible and full disclosed purchaser and must deliver immediately to us a complete and accurate copy of such offer (“Right of First Refusal Offer”), including:

- (a) financial statements of your Business (including balance sheets and income statements) for the last 3 fiscal years and the year-to-date;
- (b) federal income tax returns and all applicable schedules for your Business for the last 3 fiscal years; and
- (c) a complete and accurate copy of your then-current lease for the Premises of your Business. If the offeror proposes to buy any other property or rights from you or any of your Owners or Affiliates (other than rights under other franchise agreements for your Business) as part of the bona fide offer, the proposal for such property or rights must be set forth in a separate, contemporaneous offer that is disclosed to us, and the price and terms of purchase offered to you or your Owners for the Transfer of the Franchise must reflect the bona fide price offered therefor and may not reflect any value for any other property or rights. We have the option, exercisable by notice delivered to you or your Owners within 15 business days from the date of delivery of the Right of First Refusal Offer, to purchase such interest for the price and on the terms and conditions contained in such offer. We have the right to investigate and analyze the business, assets and liabilities and all other matters we deem necessary or desirable in order to make an informed investment decision with respect to the fairness of the terms of our right of first refusal. We may conduct such investigation and analysis in any manner we deem reasonably appropriate and you and your Owners must cooperate fully with us in connection therewith.

If we exercise our option to purchase pursuant to the terms of the Third Party Offer or the Right of First Refusal Offer, as provided in this Section 12.7, we and you and/or your Owners will enter into a purchase agreement reasonably satisfactory to you and us, containing such agreements, representations, warranties, covenants, indemnities and customer warranty reserve funds, and

requiring such documents at closing, as are reasonably necessary to protect each party's interests. The closing shall occur not more than 90 days after the date of our response to the Third Party Offer or Right of First Refusal Offer, as applicable, unless the closing is delayed for reasons beyond our reasonable control. In the event the consideration, terms and/or conditions offered by a third party are such that we may not reasonably be able to furnish the same consideration, terms and/or conditions, then we may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration, terms and/or conditions offered by the third party, we at our own expense may designate an independent appraiser and the appraiser's determination shall be binding.

If we do not exercise our option to purchase pursuant to the terms of the Third Party Offer or the Right of First Refusal Offer, as provided in this Section 12.7, you or your Owners may complete the sale to such offeror pursuant to and on the exact terms of such offer, subject to our approval of the transfer as provided in Section 12.1 and Section 12.2, provided that if the sale to such offeror is not completed within 90 days after delivery of such offer to us, or if there is any change in the terms of the offer, you must promptly notify us and we will have an additional option to purchase (on the terms of the revised offer, if any, and otherwise as set forth herein) during the 30-day period following your notification of the expiration of the 90-day period or the change to the terms of the offer.

12.8 Transfer by Us

We have the right, without prior notice to you, to transfer or assign all or any part of our rights or obligations under this Agreement to any person or legal entity. If the assignee expressly assumes and agrees to perform all of our obligations under this Agreement accruing after the date of assignment, then the assignee will become solely responsible for all of our obligations under this Agreement from and after the date of such assignment. In addition, and without limiting the foregoing, we may sell our assets; may sell our securities in a public offering or in a private placement; may merge with or acquire other corporations, or be acquired by another corporation; and may undertake any refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

ARTICLE 13 **TERMINATION OF AGREEMENT**

13.1 Termination Upon Notice

- j) you fail to have your Business open for business for any 6 consecutive days after you open your Business (other than in connection with a relocation pursuant to Section 2.6 or due to force majeure);
- k) you fail to open your Business and start business, as provided in Section 4.2 or fail to operate your Business as an Alloy Wheel Repair Specialists;
- l) you or any of your Owners or Affiliates make any material misstatement or omission in an application for an Alloy Wheel Repair Specialists franchise or in any other information provided to us, including reports of Gross Revenues;

- r) you or any of your Owners or Affiliates fail, on 7 or more separate occasions during the Term, to make payment of any amount due us or any of our Affiliates, when due, or otherwise fail to comply with this Agreement (including the Operations Manual),

which failures are brought to your attention by delivery of notices of default, regardless whether such defaults are timely cured, provided however, any notice of default which you timely cure to our satisfaction shall be disregarded for purposes of determining the foregoing number of defaults if you are not thereafter sent any further notices of default in any successive 12-month period (provided no such 12-month period can be used to disregard more than 1 notice of default).

13.2 Termination After Opportunity to Cure

In addition to our right to terminate pursuant to other provisions of this Agreement and under applicable law, we have the right to terminate this Agreement, effective upon delivery of notice of termination to you, if you or any of your Owners or Affiliates:

- a) offer or sell any products or services from your Business that are not Authorized Products and Services and fail to discontinue such practice within 30 days after a formal notice of default is delivered to you; or
- b) fail to make payment of any amount due us or any of our Affiliates, when due, or otherwise fail to comply with any provision of this Agreement (including the Operations Manual) not otherwise mentioned in Section 13.1 or this Section 13.2, and do not correct such failure within 30 days after a formal notice of default is delivered to you.

ARTICLE 14 **RENEWAL RIGHTS**

You have the right, subject to the conditions contained in this Article 14, to acquire a renewal franchise for your Business on the terms and conditions of our then-current form of franchise agreement, if upon expiration of the Term: (a) you and your Owners and Affiliates are in compliance with this Agreement and all other agreements with us or any of our Affiliates, and you and your Owners have been in substantial compliance with this Agreement throughout the Term; and (b) if you are operating a Remanufacturing Facility you maintain the right to possession of the Premises for the term of the Renewal Franchise Agreement and enter into an agreement with us whereby you agree within a specified time period, starting on the date of signing of a renewal franchise agreement, to remodel your Business, add or replace fixtures, furnishings, equipment and signs and otherwise upgrade your Business to the specifications and standards then applicable for new.

You agree to give us notice of your desire to acquire a renewal franchise at least 240 days prior to the expiration of the Term in order to provide us sufficient time to conduct a renewal inspection of your Business and complete the renewal process. We agree to give you notice, not later than 60 days after receipt of your notice, of our decision whether you have the right to acquire a renewal franchise pursuant to this Article 14. Notwithstanding that our notice may state that you have the right to acquire a renewal franchise for your Business and that you and we may have executed a renewal franchise agreement, your right to a renewal franchise will be subject to your continued compliance with all the provisions of this Agreement up to the date of its expiration. If you so request in writing, we will give you the estimated costs or range of costs for upgrading your

Business to the specifications and standards for new Alloy Wheel Repair Specialists franchises and you will have 2 weeks following receipt of this information to evaluate it and notify us as to whether you will exercise your right to a successor franchise.

If you have the right to acquire a renewal franchise, and state your intent to exercise that right, all in accordance with this Article 14, then:

- (a) we and you (and your Owners) will execute a Renewal Franchise Agreement (as defined below);
- (b) you will be obligated to pay a renewal franchise fee of \$2000;
- (c) you and your Owners will be obligated to execute release agreements, in form and substance satisfactory to us, releasing us and our Affiliates, stockholders, officers, directors, employees, agents, successors and assigns from any and all claims relating to this Agreement. Failure by you (and your Owners) to sign such agreements and releases, or to pay the renewal franchise fee, within 30 days after such documents are delivered to you will be deemed an election by you not to acquire a renewal franchise for your Business. Your right to a renewal franchise will be subject to your ability to obtain a lease for the location for your Remanufacturing Facility, if applicable, in form and substance satisfactory to us.

The term “Renewal Franchise Agreement” shall mean our then-current form of franchise agreement, which may contain provisions materially different from those contained herein, except that it will not reduce the size of your Territory. The term of your Renewal Franchise Agreement shall be for 10 years. The term “Renewal Franchise Agreement” shall also include all ancillary agreements (including personal guarantees by your Owners and a remodeling agreement in form and substance satisfactory to us) which we then customarily use in granting successor franchises for the operation of an Alloy Wheel Repair Specialists.

ARTICLE 15 **EFFECT OF TERMINATION OR EXPIRATION**

15.1 Payment of Amounts Owed to Us

You agree to pay us and our Affiliates immediately upon termination or expiration (without grant of a renewal franchise) of this Agreement, all royalties, advertising contributions, amounts owed for purchases from us or our Affiliates, interest due on any of the foregoing and all other amounts owed to us or our Affiliates which are then unpaid.

15.2 Discontinue Use of Marks and Confidential Information

Upon any termination or expiration (without the grant of a successor franchise) of this Agreement, you will:

- a) not directly or indirectly at any time or in any manner use any Mark, any colorable imitation of any Mark or any other indicia of an Alloy Wheel Repair Specialists

- business;
- b) take such action as may be required to cancel all fictitious or assumed name registrations relating to your use of any Mark;
 - c) notify the telephone company and all telephone directory publishers of the termination or expiration of any rights you may have to use any telephone listing and any regular, classified or other telephone directory listings associated with any Mark and to authorize transfer of the number to us or at our direction. You must immediately execute such instruments and take such steps as we deem necessary or appropriate to transfer and assign each such telephone number. You irrevocably appoint our then-President as your duly authorized agent and attorney-in-fact to execute all instruments and take all steps to transfer and assign each such telephone number;
 - d) if we do not exercise our right to take possession of the Premises of your remanufacturing facility pursuant to Section 15.4, promptly remove from the Premises, and discontinue using for any purpose, all signs, fixtures, posters, decor items, advertising materials, forms and other materials and supplies which display any of the Marks or any distinctive features, images, or designs associated with your Business and, at your expense, make such alterations as may be necessary to distinguish the Premises, or your mobile facility as the case may be, so clearly from its former appearance as an Alloy Wheel Repair Specialists as to prevent any possibility of confusion by the public;
 - e) we shall have the right but not the obligation, to acquire all of your interest in all of the assets of the Business, including all signs, fixtures, vans or trailers, equipment, leasehold improvements, real property and improvements, covenants, and other contract rights, inventory, and other items bearing our Marks, at fair market value. Such notice shall be exercised by notice of intent to purchase within 30 days after termination or expiration of the Franchise Agreement. If the parties cannot agree on fair market value within a reasonable time, then we and you shall each select an independent appraiser. If the 2 appraisers cannot agree on the appraisal, then an average of the 2 will be used. If we elect to exercise any option to purchase herein provided, it shall have the right to set off all amounts due from you under this Agreement and the cost of the appraisal, if any, against any payments thereof. If we do not purchase all or any of the assets displaying the Marks, you will promptly remove all such labels and markings from any such remaining items;
 - f) immediately cease to use all Confidential Information and return to us all copies of the Operations Manual and any other confidential materials which we have loaned to you;
 - g) immediately cease to use all computer software incorporating any of the Marks or any of our Confidential Information;
 - h) comply with the post-term covenants as provided in Section 11.4;
 - i) within 30 days after the effective date of termination or expiration, furnish us evidence satisfactory to us of your compliance with the foregoing obligations; and in addition;
 - j) Cannot sell wheel straightener if this Agreement has been terminated for any reason

including expiration termination with or without cause and upon the transfer of your franchise to a third party; and

- k) you are not permitted to sell an MRF(s) straightener to anyone outside of the Company's franchise network. Upon termination of this Agreement for any reason we shall have the right provided that we exercise it within 30 days from the date of termination or expiration of this Agreement to exercise its right of refusal to purchase the MRF(s) and the Straightener from Franchisee at the 5-year depreciation value from the date of purchase minus any costs of repair non-functioning items, procurements costs and freight.

Upon any termination or expiration (without the grant of a successor franchise) of this Agreement, we have the unrestricted right, without paying you any legal consideration, to offer and sell, and to permit other Alloy Wheel Repair Specialists Franchisees to offer and sell, any products or services, to any and all customers of your Business. We have the right to use information from your computer system or related reports submitted to us for such purposes, notwithstanding anything to the contrary contained in this Agreement.

15.3 Possession of Premises

- (a) Upon any termination or expiration (without the grant of a renewal franchise) of this Agreement, we may require you, with respect to your Remanufacturing Facility:
 - (i) to promptly assign to us the lease or sublease for the Premises of your fixed location of your Business (or, at our option, sublease to us the Premises of your Business as an Interim Sublease in accordance with Section 4.1 and otherwise on the same terms and conditions as your lease) and promptly grant us possession to the Premises of your Business; or
 - (ii) to promptly enter into a lease with us on commercially reasonable terms for an initial term of 18 months, with 2 additional 18-month options to renew.

15.4 Continuing Obligations

All obligations under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect until they are satisfied in full or by their nature expire, and are not otherwise addressed in this Agreement.

ARTICLE 16 **RELATIONSHIP OF THE PARTIES**

16.1 Independent Contractors

You and we are independent contractors. Neither this Agreement, the nature of the relationship of the parties nor the dealings of the parties pursuant to this Agreement will create, directly or indirectly, any fiduciary or similar relationship between the parties hereto.

Nothing contained in this Agreement, or arising from the conduct of the parties hereunder, is intended to make either party a general or special agent, joint venturer, partner, joint employer or employee of the other for any purpose whatsoever. You agree to conspicuously identify yourself in all dealings with customers, lessors, contractors, suppliers, public officials, employees and others as the owner of your Business and agree to place such other notices of independent ownership at your Business and on forms, business cards, stationery, advertising and other materials as we may require from time to time.

You may not make any express or implied agreements, warranties, guarantees or representations or incur any debt in our name or on our behalf or represent that the relationship of the parties hereto is anything other than that of independent contractors. We will not be obligated by or have any liability under any agreements made by you with any third party or for any representations made by you to any third party. We will not be obligated for any damages to any person or property arising directly or indirectly out of the operation of your business hereunder.

16.2 Indemnification

You agree to indemnify us, our Affiliates and our respective directors, officers, employees, shareholders, agents, successors and assigns (collectively “indemnitees”), and to hold the indemnitees harmless to the fullest extent permitted by law, from any and all losses and expenses (as defined below) incurred in connection with any litigation or other form of adjudicatory procedure, claim, demand, investigation, or formal or informal inquiry (regardless of whether it is reduced to judgment) or any settlement thereof which arises directly or indirectly from, or as a result of, a claim of a third party in connection with the selection, development, ownership, operation or closing of your Business (collectively “event”), and regardless of whether it resulted from any strict or vicarious liability imposed by law on the indemnitees, provided, however, that this indemnity will not apply to any liability arising from a breach of this Agreement by the indemnitees or the gross negligence or willful acts of indemnitees (except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to Franchisee). The term “losses and expenses” includes compensatory, exemplary, and punitive damages; fines and penalties; attorneys’ fees; experts’ fees; court costs; costs associated with investigating and defending against claims; settlement amounts; judgments; compensation for damages to our reputation and goodwill; and all other costs associated with any of the foregoing losses and expenses. You agree to give us prompt notice of any event of which you are aware for which indemnification is required, and, at your expense and risk, we may elect to assume (but under no circumstance obligated to undertake) the defense and/or settlement thereof, provided that we will seek your advice and counsel. Our assumption of the defense does not modify your indemnification obligation. We may, in our reasonable discretion, take such actions as we deem necessary and appropriate to investigate, defend, or settle any event or take other remedial or corrective actions with respect thereof as may be, in our reasonable discretion, necessary for the protection of the indemnitees or Alloy Wheel Repair Specialists franchises generally. This Section 16.2 will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

16.3 Taxes

You agree to promptly pay to us an amount equal to all taxes levied or assessed, including unemployment taxes, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties, any similar taxes or levies, imposed upon or required to be collected or paid by us by reason of the furnishing of products, intangible property (including trademarks) or services to you. In the event of a bona fide dispute as to your liability for taxes, you may contest your liability in accordance with applicable law.

ARTICLE 17 **MISCELLANEOUS**

17.1 Governing Law

Except as otherwise provided in Section 17.2 with respect to the United States Arbitration Act (9 U.S.C. § 1, et seq.), this Agreement and all issues arising from or relating to this Agreement will be governed by and construed under the laws of the State of Georgia, provided the foregoing does not constitute a waiver of your rights under any applicable franchise registration and disclosure or franchise relationship law of another state. Otherwise, in the event of any conflict of law, Georgia law will prevail, without regard to the application of Georgia conflict of law principles.

17.2 Arbitration

Subject to Section 17.3 and Section 17.4, either party may submit all controversies, disputes, or claims between the parties, including their respective Affiliates, owners, officers, directors, agents, and employees, arising from or relating to this Agreement on demand of either party for arbitration to the American Arbitration Association (“AAA”). Such arbitration shall be governed exclusively by the United States Arbitration Act (9 U.S.C. § 1, et seq.), without reference to any state arbitration statutes. The parties agree that, in connection with any such arbitration proceeding, each shall submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed in such proceeding shall be barred. The arbitration proceedings shall be conducted in the city where we then have our principal place of business in accordance with the then-current commercial arbitration rules of the AAA, except the parties shall be entitled to limited discovery at the discretion of the arbitrator(s) who may, but are not required to, allow depositions. The parties acknowledge that the arbitrators’ subpoena power is not subject to geographic limitations. The parties agree to be bound by the provisions of any limitation on the period of time by which claims must be brought under Georgia law or any applicable federal law. Unless otherwise agreed, the parties will use only 1 arbitrator in any arbitration proceeding.

The arbitration proceedings shall be conducted on an individual basis and not on a multi-plaintiff, consolidated or class-wide basis.

The arbitrator shall have the right to award the relief which he or she deems proper, consistent with the terms of this Agreement, including compensatory damages (with interest on

unpaid amounts from date due), specific performance, injunctive relief, legal fees and costs. The award and decision of the arbitrator shall be conclusive and binding on all parties, and judgment upon the award may be entered in any court of competent jurisdiction. Any right to contest the validity or enforceability of the award shall be governed exclusively by the United States Arbitration Act. The provisions of this Section 17.2 shall continue in full force and effect subsequent to and notwithstanding expiration or termination of this Agreement.

17.3 Preliminary Injunctive Relief

Notwithstanding the demand for arbitration, either party hereto may obtain in any court of competent jurisdiction temporary restraining orders and preliminary injunctions in accordance with applicable law. The parties agree that any violation of Article 10, Article 11, Section 12.2(k), Section 15.2 or Section 15.4 would result in irreparable harm for which no adequate remedy at law may be available. The provisions of this Section 17.3 shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

17.4 Multi-Plaintiff and Class Action Claims

You agree that multi-plaintiff or class action claims may not be instituted for any claims or purposes.

17.5 Venue

Any judicial proceeding brought against either party in anyway relating to this Agreement shall be brought in the jurisdiction where we then have our principal place of business and may not be transferred to another jurisdiction on the basis that the other jurisdiction is more convenient for the parties and witnesses.

17.6 Costs and Attorneys' Fees

The party who prevails in any arbitration or judicial proceeding will be awarded its costs and expenses incurred in connection with such proceedings, including reasonable attorneys' fees.

17.7 Limitations on Legal Claims

Except with respect to any of your obligations herein regarding the Confidential Information and the Marks, we and you (and your Owners) each agrees, to the fullest extent permitted by law, not to assert any right to or claim for any punitive, exemplary or special damages against the other directly or indirectly arising from or relating to this Agreement.

Franchisee agrees that no past, present, or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of Alloy Wheel Repair Specialists will have any liability for: (1) any obligations or liabilities of Alloy Wheel Repair Specialists relating to or arising from this Agreement; (2) any claim against Alloy Wheel Repair Specialists based on, in respect of, or by reason of the relationship between the

Franchisee and Alloy Wheel Repair Specialists; or (3) any claim against Alloy Wheel Repair Specialists based on any alleged unlawful act or omission of Alloy Wheel Repair Specialists.

17.8 Severability and Substitution of Provisions

Every part of this Agreement will be considered severable. If for any reason any part of this Agreement is held to be invalid, that determination will not impair the other parts of this Agreement. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of geographical area, type of business activity prohibited and/or length of time, but could be rendered enforceable by reducing any part or all of it, you and we agree that it will be enforced to the fullest extent permissible under applicable law and public policy.

If any applicable law requires a greater prior notice of termination of or refusal to renew this Agreement than is required hereunder, a different standard of “good cause” to terminate or not renew this Agreement, or the taking of some other action not required hereunder, then the prior notice, “good cause” standard and/or other action required by such law will be substituted for the comparable provisions hereof. However, the foregoing shall not be deemed a waiver of our right to contest the validity, enforceability or application of any such law. If any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable under applicable law, we have the right, in our sole discretion, to modify such invalid or unenforceable provision, specification, standard or operating procedure to the extent required to make it valid and enforceable.

17.9 Waiver of Obligations

We and you may by written instrument unilaterally waive or reduce any obligation of the other under this Agreement. You and we will not be deemed to have waived any right reserved by this Agreement by virtue of any custom or practice of the parties at variance with it; any failure, refusal or neglect by you or us to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder; any waiver, forbearance, delay, failure or omission by us to exercise any right, whether of the same, similar or different nature, with respect to other Alloy Wheel Repair Specialists Franchisees; or the acceptance by us of any payments due from you after any breach of this Agreement.

17.10 Exercise of Rights

Except as otherwise expressly provided herein, the rights of the parties hereto are cumulative and no exercise or enforcement by either party of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy which such party is entitled to enforce by law.

17.11 Construction

The language of this Agreement will be construed according to its fair meaning and not strictly against or for any party. The introduction, personal guarantees, Schedules and addenda (if any) to this Agreement, as well as the Operations Manual, are a part of this Agreement and constitute the entire agreement of the parties with respect to the subject matters hereof and

supersede all prior oral or written agreements, commitments or understandings with respect to the matters provided for herein. If there is an inconsistency between the terms of this Agreement and the Operations Manual, the terms of this Agreement will prevail. Except as otherwise expressly provided herein, there are no other oral or written agreements, understandings, representations or statements relating to the subject matter of this Agreement, other than our franchise disclosure document, that either party may or does rely on or that will have any force or effect. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. Nothing in this Agreement will be deemed to confer any rights or remedies on any person or legal entity not a party hereto, other than successors and assigns of any party to this Agreement whose interests are assigned in accordance with its terms. You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of any representations about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors or franchisees that are contrary to the terms set forth in this Agreement or in any disclosure document, prospectus, or similar document required or permitted to be given to you pursuant to applicable law. Nothing in this or in any related agreement(s), however, is intended to disclaim the representations we made in the franchise document that we furnished to you.

The headings of articles and sections are for convenience only and do not limit or construe their contents. The word “including” will be construed to include the words “without limitation.” The term “Franchisee” or “you” is applicable to one or more persons, a corporation, limited liability company or a partnership and its owners, as the case may be. If 2 or more persons are at any time Franchisee hereunder, whether as partners, joint ventures or otherwise, their obligations and liabilities to us will be joint and several. The parties hereto acknowledge and agree that the franchise relationship contemplated by this Agreement, as well as other similar agreements with other Alloy Wheel Repair Specialists Franchisees, confers on us discretion to make decisions and to take certain actions and that we will exercise our business judgment honestly in doing so.

Whenever this Agreement requires the approval or consent of either party, the other party must make written request therefor, and such approval or consent must be obtained in writing. This Agreement may be executed in multiple copies, each of which will be deemed an original. Time is of the essence in this Agreement.

17.12 Modification

This Agreement may not be amended except: (a) as noted below; (b) by written agreement signed by both parties; and (c) as otherwise provided herein with respect to the Operations Manual.

This Agreement may be amended at any time whenever we and a super-majority (as hereinafter defined) of Alloy Wheel Repair Specialists Franchisees agree to any such amendment. We agree to provide you, at least 90 days prior to the date such amendment is to be effective, a copy of the proposed amendment, together with a brief statement explaining the reasons therefor. A “super-majority” of Alloy Wheel Repair Specialists Franchisees shall consist of the owners of at least 75% of all franchised units in the United States of America. Whenever a super-majority of Alloy Wheel Repair Specialists Franchisees approve an amendment in the manner provided for herein, such amendment shall be binding on all Franchisees, including you, to the same extent and

in the same manner as if the amendment was unanimously approved by all Franchisees, and regardless whether you may or may not desire to be bound by the amendment. By signing this Agreement, you appoint any of our officers as your attorney in fact with irrevocable power and authority to execute any such amendment so approved.

17.13 Notices and Payments

All notices, requests and reports permitted or required to be delivered by this Agreement will be deemed delivered: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the same day of the transmission by facsimile, telegraph or other reasonably reliable electronic communication system; (c) one business day after being placed in the hands of a commercial courier service for guaranteed overnight delivery; or (d) 5 business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified in writing. All payments and reports required by this Agreement must be sent to us at the address identified in this Agreement unless and until a different address has been designated by written notice.

Use

The parties agree that the premises may be used for the operation of a _____ and for no other purpose whatsoever.

Assignment

Landlord/Lessor expressly agrees that in the event of and upon any termination of that certain Franchise and Trademark Agreement executed between Tenant/Lessee, as Franchisee, and Alloy Wheel Franchise, LLC as (“Franchisor”) and dated _____, Landlord/Lessor shall permit the assignment of Tenant’s/Lessee’s interest in this lease to Franchisor to reassign such interest in this lease to any other party chosen by Franchisor to act as third party operator of the Premises; provided, however, that any such other party named by Franchisor to act as third party operator, as aforesaid, shall assume all obligations of the Tenant/Lessee under the terms of this Lease. Landlord/Lessor further expressly agrees to execute any documentation which may reasonably be required by Franchisor to evidence the acceptance of Franchisor or of such third party operator, as Tenant/Lessee under the terms of this Lease. Landlord/Lessor and Tenant/Lessee further agree that during the stated terms of this lease, Tenant/Lessee shall not have the right to assign or sublet these premises to another person or legal entity for whatever reason without the express written consent of Franchisor. Landlord/Lessor acknowledges that the agreements contained in this Paragraph are made in consideration for Tenant’s/Lessee’s execution of this Lease and Landlord/Lessor understands and agrees that but for Lease Landlord’s/Lessor’s consent to the terms of this Paragraph and to the terms of Franchisor’s Default paragraph contained herein, Tenant/Lessee would not have executed this Lease Agreement.

Default

Landlord/Lessor expressly agrees that before exercising any remedy it may have hereunder, Landlord/Lessor shall give written notice of any default to Franchisor by Registered or Certified Mail and posted to its office at 135 Interstate Blvd., Unit 6, Greenville, South Carolina 29615; further, Landlord/Lessor agrees that Franchisor shall have the same opportunity to cure any such default that Lessee/Tenant shall have under the Lease before any remedy hereunder may be exercised by the Landlord/Lessor. Upon receiving notice from Landlord that the Lease between Lessor and Tenant/Lessee has been terminated, Franchisor shall have 30 days in which to execute an assignment of lease between it and the Lessor; provided however, that all expenses incurred in removing Tenant/Lessee from the Premises shall be borne by the Landlord/Lessor. The continued term of the Lease that results from the assignment of the Lease to Franchisor shall not commence until the Franchisor is awarded the possessory rights of the Premises. At that time the remaining lease term shall re-commence and Franchisor shall be granted the same amount of time remaining

on the lease as existed at the time of the termination of the Lease but before the Franchisor was granted the possessory rights under the Lease.

Signage

Landlord/Lessor acknowledges that it has reviewed and approved for installation and erection the standard Alloy Wheel Repair Specialists sign of ___ square feet and standard Alloy Wheel Repair Specialists exterior wall signs of ___ square feet, and the Alloy Wheel Repair Specialists fascia or other decorative siding. Lessor/Landlord hereby agrees not to interfere with or prevent such entry by Franchisor, its employees or agents.

De-Identification

Landlord/Lessor and Tenant/Lessee hereby acknowledge that in the event the Franchise Agreement expires without renewal, or is terminated, Tenant/Lessee is obligated to take certain steps under the Franchise Agreement to de-identify the location as an Alloy Wheel Repair Specialists franchise operated by Tenant/Lessee. Landlord/Lessor agrees to cooperate fully with Franchisor in enforcing such provisions of the Franchise Agreement against Tenant/Lessee, including allowing Franchisor, its employees or agents, to enter and remove signs, decor and materials bearing or displaying any marks, designs or logos and materials bearing or displaying any marks, designs or logos of Franchisor; provided, however, that Landlord/Lessor shall not be required to bear the expense thereof. Lessee/Tenant agrees that if Lessee/Tenant fails to de-identify the premises promptly upon termination or expiration as required under the Franchise Agreement, Franchisor may cause all required de-identification to be completed at Lessee's expense.

General Provisions

This Addendum shall run with the land and be binding upon the parties hereto and their successors, assigns, heirs, executors and administrators. Independent Auditor's Report

To the Board of Managers
Alloy Wheel Franchise, LLC

Opinion

We have audited the financial statements of Alloy Wheel Franchise, LLC (the "Company"), which comprise the balance sheet as of December 31, 2023 and the related statements of operations, member's equity, and cash flows for the period from June 16, 2023 (date of acquisition) to December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and the results of its operations and its cash flows for the period from June 16, 2023 (date of acquisition) to December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Managers
Alloy Wheel Franchise, LLC

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 - Nature of Business

Alloy Wheel Franchise, LLC (the "Company") was formed on May 9, 2023 and is a wholly owned subsidiary of Alloy Wheel Holdco, LLC (Holdco or Parent). The Company is engaged in franchising and support of franchisees in the establishment and operations of Alloy Wheel service centers.

At December 31, 2023, there were 78 open and fully operational franchisees.

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company has elected to adopt certain accounting alternatives for private companies developed by the Private Company Council, including the amortization of goodwill and the accounting for intangible assets acquired in a business combination.

The Company is part of a group of companies affiliated by common ownership. The operating results of the Company could vary significantly from those that would have occurred had the Company operated independently.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue and Cost Recognition

The Company's revenue consists of royalties related to franchisees' gross sales, sales of supplies, franchise fees, and a monthly advertising fee.

Revenue from the sale of supplies is recognized when goods are transferred to the buyer, which is at the time of purchase. As a result, revenue from supplies is recognized at a point in time.

The Company sells individual franchisees the right to operate an Alloy Wheel service repair location within a defined territory using the franchise name. The initial term of franchise agreements is typically 5 to 10 years, with an option to renew for a fee or transfer the franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid. The Company has obligations to provide franchisees with the franchise rights to operate an Alloy Wheel service repair location, training, and site selection, as well as provide advertising for which fees are charged. The Company has concluded that these items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to each individual franchise and recognized over the term of the respective franchise agreement. Transfer fees are recognized over the remaining term of the respective franchise agreement at the time of the transfer, and renewal fees are recognized over the renewal term. Income for royalties and advertising fees is recognized over the term of the respective franchise agreement as the underlying sales occur.

Note 2 - Significant Accounting Policies (Continued)

Payment Terms

Initial franchise and transfer fees are due and typically paid when a franchise agreement is entered into and are nonrefundable. Royalties and advertising fees are paid on a monthly basis, based upon a percentage of franchisee net sales. Franchise fees are collected prior to the satisfaction of the Company's performance obligation, resulting in the Company recognizing contract liabilities. The portion of contract liabilities that is expected to be recognized as revenue within one year is classified as current on the balance sheet. Deferred revenue at June 16, 2023 was \$149,304. There were no contract assets as of June 16, 2023. Accounts receivable from contracts with customers as of June 16, 2023 were \$560,179. Substantially all revenue recorded in the Company's statement of operations is generated from contracts with customers.

Allocating the Transaction Price

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to operate a service location. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that agreements will not be canceled, renewed, or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and advertising fees, as the transaction price is based on the franchisees' sales. The license of the franchise right is the predominant item to which the royalty relates; therefore, the variable consideration is recognized based on the actual amounts incurred each month.

Accounts Receivable

The Company's trade accounts receivable balance consists of amounts due from its customers. Trade accounts receivable are stated at invoice amounts. An allowance for expected credit losses is established for amounts expected to be uncollectible over the contractual life of the receivables. The Company evaluates the collectibility of its accounts receivable and determines the appropriate allowance for expected credit losses based on a combination of factors, including the aging of the receivables, historical collection trends, charge-offs, and adjustments for current economic conditions and reasonable and supportable forecasts. Uncollectible amounts are written off against the allowance for credit losses in the period they are determined uncollectible. At December 31, 2023, the allowance for credit losses was insignificant.

Unbilled receivables represent amounts to be billed to franchisees for royalties earned and to customers for repair services performed, but not yet invoiced, as of year end.

Intangible Assets

The Company has elected to apply the private company accounting alternative for intangible assets acquired in a business combination developed by the Private Company Council. Under the accounting alternative, certain acquired customer-related intangible assets and noncompetition agreements are not separately recognized apart from goodwill.

Franchise agreements acquired in business combinations are recorded at fair value and are amortized using the straight-line method over their estimated useful lives of 10 years. Intangible assets that are subject to amortization are reviewed for potential impairment whenever events or circumstances indicate that carrying amounts may not be recoverable. No impairment charge was recognized during the period from June 16, 2023 to December 31, 2023.

December 31, 2023

Note 2 - Significant Accounting Policies (Continued)**Advertising Expense**

Advertising expense is charged to income during the year in which it is incurred. Advertising expense for the period from June 16, 2023 to December 31, 2023 was approximately \$9,000. These costs are included in operating expenses in the accompanying statement of operations.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including August 20, 2024, which is the date the financial statements were available to be issued.

Note 3 - Business Combination

On June 16, 2023, Alloy Wheel OpCo, LLC (the "Buyer"), a sister entity of the Company, acquired substantially all of the assets and liabilities of AWRS Dade LLC; Alloy Wheel Repair Specialists, LLC; ADS New Jersey 1 LLC; Alloy Remanufacturing LLC; CR Wheel Solutions Inc.; and Wheel Repair Solutions Inc. Independent Auditor's Report

To the Board of Directors
Alloy Wheel Repair Specialists Holdings, LLC
and Subsidiaries

Opinion

We have audited the consolidated financial statements of Alloy Wheel Repair Specialists Holdings, LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheet as of December 31, 2021 and 2020 and the related consolidated statements of operations, members' deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Consolidated Financial Statements* section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Substantial Doubt about the Company's Ability to Continue as a Going Concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, the Company has suffered recurring losses from operations; has a net capital deficiency and members' deficit as of December 31, 2021; is in violation of certain restrictive covenants associated with its long-term debt agreements; and its lender has exercised certain equity pledge rights in connection with the long-term debt agreements. These factors raise substantial doubt about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in Note 2. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

To the Board of Directors
Alloy Wheel Repair Specialists Holdings, LLC
and Subsidiaries

Auditor's Responsibilities for the Audits of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

The consolidated financial statements include the accounts of Alloy Wheel Repair Specialists Holdings, LLC (Holdings) and its wholly owned subsidiaries (collectively, Alloy or the "Company") as follows:

Alloy Wheel Repair Specialists, LLC (OPCO)
Wheel Repair Solutions, Inc. (Atlanta)
CR Wheel Solutions, LLC (Baltimore)
D7M Enterprises, LLC (Indianapolis)
PFE, LLC (Las Vegas)
AWRS Dade, LLC (Miami)
AWRS New York Outer Boroughs, LLC (New York)
AWRS New Jersey, LLC (New Jersey)
Elite Rim Repair, LLC (Elite)
Alloy Mobile Repair, LLC (Onsite)
AWRS of Illinois, LLC (Illinois)
AWRS Missouri 1, LLC; AWRS Arkansas 1, LLC; and AWRS Louisiana 1, LLC (collectively, Midwest)

The Company also owns 51 percent of Elite Rim Repair of Midwest, LLC (Elite Midwest), a joint venture created in 2021 by the Company and a major supplier of the Company. The activity of Elite Midwest from inception to December 31, 2021 was insignificant. Elite Midwest did not generate any revenue or expenses during 2021 and had no members' equity transactions as of December 31, 2021. During April 2022, the joint venture was dissolved, and all related agreements were terminated by the joint venture partners.

All material intercompany accounts and transactions have been eliminated in consolidation. Holdings was formed for the purpose of holding the ownership interests in the subsidiaries, as previously mentioned, and is a majority-owned subsidiary of Soundcore Capital Partners, LLC (Soundcore).

The Company provides full-service automobile wheel repair and replacement through mobile reconditioning facilities and a network of remanufacturing shops. The Company also sells franchises around the United States of America and internationally. Franchisees are granted the license and right to use the name Alloy Wheel Repair Specialists and to operate, within an exclusive territory, using the proprietary systems developed by the Company. The Company is headquartered in Norcross, Georgia. As of December 31, 2021, there were 14 corporate-owned operational locations, as well as 80 open and fully operational franchisees. As of December 31, 2020, there were 14 corporate-owned operational locations, as well as 88 open and fully operational franchisees.

Note 2 - Significant Accounting Policies

Basis of Accounting

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company has elected to adopt certain accounting alternatives for private companies developed by the Private Company Council, including those related to accounting for goodwill and other intangible assets recognized as a result of business combinations.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 2 - Significant Accounting Policies (Continued)

The Company suffered recurring operating losses of approximately \$4.5 million for the years ended December 31, 2021 and 2020. The Company also has negative working capital of approximately \$37 million and a members' deficit of approximately \$15 million as of December 31, 2021. Term loans and revolving line of credit debt totaling approximately \$38.2 million and \$37.6 million as of December 31, 2021 and 2020, respectively, have been classified as current liabilities as a result of debt covenant violations described in Note 7. Additionally, as discussed in Note 7, in June 2022, the Company's lender exercised certain equity pledge rights defined in the long-term debt agreements, which required the Company to enter into management consulting agreements with a third party, who, effective June 2022, serves as the sole director of the Company and holds all voting rights. These factors raise substantial doubt about the Company's ability to continue as a going concern.

Management acknowledged that, in its current financial condition, the Company would be unable to meet its obligations. In order to meet its debt obligations, the Company will be required to restructure, renegotiate, or refinance the debt or derive capital from some other means.

The Company plans to negotiate with its lender to refinance the debt. Because it is not possible at this time to predict the outcome of management's efforts, substantial doubt remains regarding the ability of the Company to continue as a going concern during the following year.

Trade Accounts Receivable

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal customer payment periods. In addition, a general valuation allowance is established for other accounts receivable based on historical loss experience. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. The allowance for doubtful accounts on accounts receivable balances was \$1,032,917 and \$1,609,039 as of December 31, 2021 and 2020, respectively. Bad debt expense was \$0 and \$653,819 for the years ended December 31, 2021 and 2020, respectively.

Advertising Expense

Advertising expense is charged to income during the year in which it is incurred. Advertising expense for 2021 and 2020 was \$398,869 and \$223,889, respectively. These costs are included in operating expenses in the accompanying consolidated statement of operations.

Revenue and Cost Recognition

As of January 1, 2020, the Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* (Accounting Standards Codification (ASC) 606). As a result of the adoption of ASC 606, a cumulative-effect adjustment to increase members' deficit was recorded on January 1, 2020. The adjustment resulted from the deferral of franchise fee revenue from prior years. There was no significant impact on the amount of revenue recognized from contracts with customers for the year ended December 31, 2020 as a result of adopting the new guidance.

The Company's revenue consists of sales of new, used, and remanufactured wheels; service revenue from the repair and remanufacturing of metal alloy wheels; royalties related to franchisees' gross sales; a monthly advertising fee; and initial franchise fees.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 2 - Significant Accounting Policies (Continued)

Revenue for repair services is recognized at the time the service is completed. Revenue from the sale of wheels is recognized when goods are transferred to the buyer. As a result, revenue from service repair and wheel sales is recognized at a point in time. The Company has elected to apply the accounting policy election available under ASC 606 and accounts for shipping and handling activities as a fulfillment cost. There are no warranties offered, obligations for returns or refunds, discounts for early payment, or other significant economic factors affecting the nature, amount, timing, and uncertainty of revenue and cash flows.

The Company sells individual franchisees the right to operate an Alloy service repair location within a defined territory using the franchise name. The initial term of franchise agreements is typically 5 to 10 years, with an option to renew for a fee or transfer the franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid. The Company has obligations to provide franchisees with the franchise rights to operate an Alloy service repair location, training, and site selection, as well as provide advertising for which fees are charged. The Company has concluded that these items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to each individual franchise and recognized over the term of the respective franchise agreement. Transfer fees are recognized over the remaining term of the respective franchise agreement at the time of the transfer, and renewal fees are recognized over the renewal term. Income for royalties and advertising fees is recognized over the term of the respective franchise agreement as the underlying sales occur.

Payment Terms

Payment for repair services is typically paid in cash at the time of the service or billed and due within 30 days after an invoice is sent to the customer. Payment for wheel sales is typically due within 30 days after an invoice is sent to the customer. Invoices are typically sent to customers within one week of performance.

Initial franchise and transfer fees are due and typically paid when a franchise agreement is entered into and are nonrefundable. Royalties and advertising fees are paid on a monthly basis, based upon a percentage of franchisee net sales. Franchise fees are collected prior to the satisfaction of the Company's performance obligation, resulting in the Company recognizing contract liabilities. The portion of contract liabilities that is expected to be recognized as revenue within one year is classified as current on the consolidated balance sheet. Deferred revenue at December 31, 2021; December 31, 2020; and January 1, 2020 was \$182,040, \$182,040, and \$211,296, respectively. There were no contract assets as of December 31, 2021; December 31, 2020; or January 1, 2020. Accounts receivable from contracts with customers as of December 31, 2021; December 31, 2020; and January 1, 2020 were \$4,240,709, \$3,805,181, and \$4,293,382, respectively. Substantially all revenue recorded in the Company's consolidated statement of operations is generated from contracts with customers.

Allocating the Transaction Price

To determine the transaction price of a service repair or wheel sales contract (which generally takes the form of a purchase order), the Company considers its customary business practices and the terms of the contract. For the purposes of determining transaction prices, the Company assumes that the goods or service will be transferred to the customer as promised in accordance with existing contracts and the contracts will not be canceled, renewed, or modified.

Related to the Company's franchise operations, the transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to operate a service location. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that agreements will not be canceled, renewed, or modified.

8

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 2 - Significant Accounting Policies (Continued)

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and advertising fees, as the transaction price is based on the franchisees' sales. The license of the franchise right is the predominant item to which the royalty relates; therefore, the variable consideration is recognized based on the actual amounts incurred each month.

Inventory

Inventory is stated at the lower of cost or net realizable value, with cost determined on the first-in, first-out (FIFO) method.

Deferred Finance Charges

Deferred finance charges represent legal, consulting, and financial costs associated with debt financing (see Note 7) and are reported net of accumulated amortization of \$1,186,977 and \$932,625 at December 31, 2021 and 2020, respectively. Such charges are being amortized over the term of the debt agreement. Amortization costs totaling \$254,352 for 2021 and 2020 related to deferred finance charges are included in interest expense in the accompanying consolidated statement of operations. The deferred financing costs are presented net with notes payable on the consolidated balance sheet.

Property and Equipment

Property and equipment are recorded at cost, including installation costs, or initially at fair value for property and equipment acquired in a business combination. Depreciation is computed over the estimated useful lives of the related assets by the straight-line method. Leasehold improvements are capitalized and amortized over the estimated useful life of the asset or the term of the lease, whichever is shorter. Costs of maintenance and repairs are charged to expense when incurred.

Goodwill

The recorded amounts of goodwill from business combinations are based on management's best estimates of the fair values of assets acquired and liabilities assumed at the date of acquisition.

The Company has elected to apply the private company accounting alternative for goodwill developed by the Private Company Council. Under the accounting alternative, goodwill is amortized on a straight-line basis over a 10-year period. Additionally, goodwill is assessed for potential impairment if events occur or circumstances change that indicate the fair value of the Company may be less than its carrying value. The Company has elected to test goodwill for impairment at the entitywide level. No impairment charge was recognized during 2021 or 2020.

Intangible Assets

Acquired intangible assets subject to amortization are stated at cost and are amortized using the straight-line method over the estimated useful lives of the assets. Intangible assets that are subject to amortization are reviewed for potential impairment whenever events or circumstances indicate that carrying amounts may not be recoverable. Assets not subject to amortization are tested for impairment at least annually.

Franchise agreements and trademarks acquired in a business combination are being amortized using the straight-line method. The franchise agreements are recorded at cost and are amortized over 20 to 102 months, the lives of the respective agreements. The trademarks are amortized over 30 years.

No impairment charge was recognized in 2021 or 2020.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 2 - Significant Accounting Policies (Continued)

Sales Taxes

The Company's policy is to present taxes collected from customers and remitted to governmental authorities on a net basis. With respect to sales taxes collected, the Company records a liability and relieves such liability upon remittance to the taxing authority without impacting revenue or expenses.

Shipping and Handling Costs

The Company records shipping and handling costs for the delivery of finished goods in cost of sales in the consolidated statement of operations. Costs billed to customers are included in revenue in the consolidated statement of operations. Total shipping and handling costs for 2021 and 2020 were insignificant.

Equity-based Compensation

The Company accounts for equity-based payments for all transactions in which an entity exchanges its equity instruments for goods or services, which generally requires the Company to measure the cost of services received in exchange for an award of equity instruments in earnings based on the fair value (of the award on the date of grant) over the requisite service period, which is generally the vesting period. See Note 12 for more information regarding the methodology used to estimate fair value.

Income Taxes

Holdings is a limited liability company and is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by Holdings. Members are taxed individually on their pro rata ownership share of Holdings' earnings. Certain wholly owned corporate subsidiaries of Holdings, however, are subject to U.S. federal and state income taxes.

With respect to the taxable subsidiaries, the Company accounts for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the consolidated financial statements. Under this method, deferred tax assets and liabilities are determined based on the differences between the book and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax law affecting deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

The Company records net deferred tax assets to the extent it believes these assets will more likely than not be realized. In making such determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax planning strategies, and recent financial operations. Valuation allowances would be provided against deferred income tax assets for amounts that are not considered more likely than not to be realized. Currently, management believes that it is more likely than not that the Company will not realize its deferred tax assets; thus, a full valuation allowance is recorded.

Management of the Company considers the likelihood of changes by taxing authorities in its income tax returns and recognizes a liability for or discloses potential significant changes that management believes are more likely than not to occur upon examination by tax authorities, including amounts relating to interest and penalties. Management has not identified any uncertain tax positions that require recognition or disclosure in the accompanying financial statements. The Company's income tax returns since inception are subject to examination by tax authorities and may change upon examination.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 2 - Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus a pandemic. First identified in late 2019 and now known as COVID-19, the outbreak has impacted millions of individuals worldwide. In response, many countries (including the United States) have implemented measures to combat the outbreak that have impacted global business operations.

The Company's operations have been deemed an essential service, and the Company and its franchisees have remained open for repair services throughout the pandemic. The Company's operations have been impacted by the pandemic. The Company experienced a decline in sales at the beginning of the pandemic. Sales have progressively increased toward pre-pandemic levels; however, significant uncertainty remains. Due to significant uncertainty surrounding the situation, management's judgment regarding the impact of the pandemic may change in the future. The extent of any future impact cannot be reasonably estimated at this time.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including July 12, 2022, which is the date the financial statements were available to be issued.

Upcoming Accounting Pronouncement

The FASB issued ASU No. 2016-02, *Leases*, which will supersede the current lease requirements in Accounting Standards Codification 840. The ASU requires lessees to recognize a right-to-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of operations. Currently, leases are classified as either capital or operating, with only capital leases recognized on the balance sheet. The reporting of lease-related expenses in the statements of operations and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Company's year ending December 31, 2022 and will be applied using a modified retrospective transition method to either the beginning of the earliest period presented or the beginning of the year of adoption. The Company is still evaluating which method it will apply. The new lease standard is expected to have a significant effect on the Company's financial statements as a result of the Company's operating leases disclosed in Note 10. The effects on the results of operations are not expected to be significant, as recognition and measurement of expenses and cash flows for leases will be substantially the same under the new standard.

Under a revolving line of credit agreement, the Company has available borrowings of approximately \$5,000,000. Interest is payable monthly at a rate of 4.75 percent above LIBOR (an effective rate of 6.25 percent at December 31, 2021 and 2020). The line of credit is collateralized by substantially all assets of the Company. Under the agreement with the bank, the Company is subject to certain covenants, as discussed in Note 7. As of December 31, 2021 and 2020, outstanding borrowings on the line of credit were \$3,473,894 and \$3,404,139, respectively.

The line of credit was scheduled to expire in May 2022. On May 3, 2022, the credit agreement was amended, and the Company entered into a forbearance agreement with the lender. The forbearance agreement extended the maturity date of the line of credit and term debt disclosed in Note 7 to June 30, 2022 and also provided an option to extend the maturity date to July 15, 2022. Under the terms of this program, the loan may be fully or partially forgiven if the loan proceeds are spent on qualifying expenses and if staffing level and salary maintenance requirements are met. The Company may use the funds on qualifying expenses over a covered period of up to 24 weeks. At the conclusion of the covered period, any balance that is not forgiven by the SBA will be repaid through 18 monthly installments of \$293,212, which includes interest payable at 1 percent per annum. Any request for forgiveness is subject to review and approval by the lender and the SBA, including review of qualifying expenditures and staffing and salary levels. Less current portion	34,764,296	37,045,556

The balance of the above debt matures as follows:

Year Ending	Amount
2022	\$ 34,764,296

December 31, 2021 and 2020

Note 7 - Long-term Debt (Continued)

On May 3, 2022, the credit agreement associated with the \$29,000,000 term loan and \$10,000,000 delayed-draw term loan was amended, and the Company entered into a forbearance agreement with the lender. The forbearance agreement extended the maturity date of the term loans to June 30, 2022 and also provided an option to extend the maturity date to July 15, 2022. As part of the forbearance agreement, the Company was required to pay a forbearance fee of 0.5 percent of the total term loan and line of credit commitments to the lender, a total fee of approximately \$192,000. In addition, if the maturity date was extended beyond June 30, 2022, the Company was required to pay an additional fee of 4.5 percent of any unpaid term loan and line of credit commitments to the lender. On June 29, 2022, the lender terminated the forbearance agreement and exercised certain equity pledge rights defined in the debt agreements, which required the Company to enter into two management consulting agreements with a third-party, who, effective June 2022, serves as the sole director of the Company and holds all voting rights. The first agreement requires the Company to pay \$15,000 per month for management consulting services. The term of the agreement is indefinite but can be terminated by either party without cause. The second agreement instated the third party as the sole director of the Company who holds all voting rights. In exchange for director services, the Company is required to pay \$80,000 per month for the first six months of the engagement and \$60,000 per month for the duration of the engagement. Additionally, the Company is required to pay \$300,000 upon the successful refinance of the debt disclosed above or the sale of the Company.

Interest expense for 2021 and 2020 was \$3,389,585 and \$3,506,000, respectively.

Under the agreements with the bank, the Company is subject to various financial covenants, including maintenance of minimum fixed-charge coverage and total net debt to EBITDA ratios.

As of December 31, 2021 and 2020, the term loans and revolving line of credit are due on demand as a result of certain loan covenant violations that occurred between 2018 and 2021. The term loans and revolving line of credit (see Note 6) bear interest at rates that are 2 percent in excess of the rates otherwise payable for as long as the debt is in default.

Note 8 - Related Party Transactions

The following is a description of transactions between the Company and related parties:

As of December 31, 2021 and 2020, the Company is owed approximately \$80,000 from minority shareholders. These receivables do not have formal payment terms; however, the entire balance as of December 31, 2021 and 2020 is expected to be repaid upon a future change in control event.

Unpaid management fees totaled approximately \$0 and \$337,000 as of December 31, 2021 and 2020, respectively, and are reported as part of notes payable to affiliates on the consolidated balance sheet.

Board of Directors and Other Fees

For the years ended December 31, 2021 and 2020, the Company incurred expenses related to board of directors and other fees of approximately \$212,000 and \$143,000, respectively. No amounts were unpaid as of December 31, 2021 and 2020.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 9 - Capital Leases

The Company leases vehicles under long-term lease arrangements that are classified as capital leases. For financial statement purposes, the present values of the net minimum lease payments at inception of the lease totaling \$5,345,235 and \$3,776,362 at December 31, 2021 and 2020, respectively, have been capitalized as property and equipment and are being amortized over the useful lives of the assets. Accumulated amortization at December 31, 2021 and 2020 totaled \$2,347,495 and \$1,733,731, respectively. Payments ranging from \$367 to \$1,943 are due monthly through 2025.

Depreciation expense on property under capital leases totaled \$895,775 and \$721,577 in 2021 and 2020, respectively, and is included in the depreciation amount disclosed in Note 4.

The future minimum lease payments under capital leases are as follows:

Years Ending December 31	Amount
2022	\$ 1,068,080
2023	843,329
2024	622,515
2025	303,695
Total	2,837,619
Less amount representing interest	299,448
Present value of net minimum lease payments	\$ 2,538,171

Note 10 - Operating Leases

The Company leases office and warehouse space, as well as miscellaneous office equipment under operating leases expiring through September 2026. Rent expense under all operating lease agreements approximated \$1,174,948 and \$1,047,491 for 2021 and 2020, respectively. Certain operating leases include escalating lease payments. Minimum rent is recognized over the term of the lease using the straight-line rent method. The difference between the actual rent payments and the calculated straight-line rent expense is recorded on the consolidated balance sheet as part of accrued and other current liabilities. Deferred rent totaled \$139,575 and \$130,971 as of December 31, 2021 and 2020, respectively.

Future minimum annual commitments under these operating leases are as follows:

Years Ending December 31	Amount
2022	\$ 1,215,475
2023	760,681
2024	625,203
2025	393,246
2026	240,820
Total	\$ 3,235,405

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 11 - Income Taxes

The details of the net deferred tax asset (liability) are as follows:		
	2021	2020
Total deferred tax liabilities	\$ (77,000)	\$ (92,000)
Total deferred tax assets	1,455,000	1,382,000
Valuation allowance recognized for deferred tax assets	(1,378,000)	(1,290,000)
Total	\$ -	\$ -

The Company's effective tax rate is 0 percent for the years ended December 31, 2021 and 2020. The effective tax rate differs from the statutory rate primarily due to the loss generated by the U.S. partnership that results in no tax benefit to the Company and the full valuation allowance on the Company's deferred tax assets.

Realization of deferred tax assets is dependent on generating sufficient taxable income prior to the expiration of loss carryforwards. As of December 31, 2021 and 2020, the Company has loss carryforwards for federal tax purposes of approximately \$3.0 million and \$3.4 million, respectively, which begin to expire through 2028, and loss carryforwards for state tax purposes of approximately \$3.2 million and \$3.7 million, respectively, that begin to expire in 2035. Due to uncertainty as to the realization of the net operating loss carryforwards, a valuation allowance has been recorded against the related deferred tax assets.

Note 12 - Equity-based Compensation

The Company's equity is composed of Class A and Class B membership units. Class A membership units have certain voting rights and distribution preferences that Class B units do not possess. Distributions are first paid to Class A units to the extent of the related capital accounts, and then to Class B. Class B membership units possess no voting rights until they are fully vested.

The Company has a compensatory benefit plan (the "Plan"), which is approved by the board of directors and permits the grant of Class B membership units to its employees. The Company believes that such awards better align the interests of its employees with those of its members. Awards of Class B units generally vest over a four-year period, with the final portion vesting upon change in control or public stock issuance of the Company (triggering events). The Class B units provide for accelerated vesting if there is a triggering event (as defined in the Plan). The grantees are also entitled to a distributable share of profits in proportion to distributions paid to Class A unit holders during the vesting period of vested interests. The Company has not made any distributions or declared any of the preferred returns as of December 31, 2021.

As of January 1, 2020, there were 1,386 Class B units outstanding. There were grants of approximately 333 Class B units during 2020, leaving 1,719 Class B units outstanding as of December 31, 2020. There were no grants of Class B units during 2021, leaving 1,719 Class B units outstanding as of December 31, 2021. The per unit grant-date fair value of the Class B units issued in 2020 was \$1,306. The compensation cost that has been charged against income related to the vested portion of the Class B units was \$154,020 and \$112,668 for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021, the value of the Class B units that is unvested but expected to vest over future periods is \$323,512, which excludes the value of the Class B units that is unvested but expected to vest upon the achievement of a triggering event (as defined by the Plan) of \$272,938.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

Note 12 - Equity-based Compensation (Continued)

The fair value of each membership unit award was estimated on the date of grant based on an enterprise value that was calculated using a market-based approach utilizing a guideline company method, as well as an income-based approach utilizing a discounted cash flow method. Collectively, these methods used the following assumptions:

- Risk-free rate: 1.5 percent as of December 31, 2020, estimated based on the U.S. Treasury yield curve in effect at the time of grant
- Industry-specific risk premium for equities: 5.5 percent as of December 31, 2020
- Small company risk premium: 5.0 percent as of December 31, 2020
- Terminal growth rate: 3 percent as of December 31, 2020
- Discount rate: 10 percent as of December 31, 2020

When calculating the amount of annual compensation expense, the Company has elected not to estimate forfeitures and instead accounts for forfeitures as they occur.

Note 13 - Contingencies

The Company is subject to routine litigation claims or assessments in the normal course of the business. It is the Company's policy to accrue for litigation and claims when such amounts are probable and can be reasonably estimated based on consultation with the external legal counsel and management review. Although the timing or outcome of any threatened or pending legal proceedings cannot be predicted with certainty, management believes the ultimate resolution of any such matters will not have a material adverse impact on the Company's liquidity, financial position, or results of operations.

The Company is subject to certain regulatory compliance issues related to franchise operations. Management believes the Company has materially complied with such regulations.
