What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in

writing to comply with all lawful obligations; (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

We have expended considerable time and effort developing a system for operating an organized youth sports league and/or sporting related camp which currently include soccer, flag football, basketball, T-ball and cheerleading, as well as other sports, and related services and products which may be added in the future (an “**N ZONESPORTS**”, **N ZONE junior**” or an “**N ZONE SPORTS Business**”). We use, promote and license in the operation of an N ZONE SPORTS Business, the service marks and trade name “N ZONE SPORTS”, “N ZONE SPORTS stylized”, “N ZONESPORTS JR”, “N ZONE junior stylized” and other associated logos, designs, artwork and trade dress, trademarks, service marks, commercial symbols, and e-names, which have gained and continue to gain public acceptance and goodwill, and may create, use and license additional trademarks, service marks, e-names and commercial symbols in conjunction with the operation of N ZONE SPORTS Businesses (collectively, the “**Marks**”). N ZONE SPORTS businesses operate under the Marks and under distinctive business formats, methods, procedures, designs, layouts,

signs, equipment, standards and specifications, all of which we may improve, further develop or otherwise modify from time to time (the "**System**").

In the N ZONE SPORTS System, our franchisees operate N ZONE SPORTS youth sports leagues and or sporting related camps for children ages 3-17, and N ZONE junior youth sports program and sporting related camp at participating childcare centers and pre-school programs(the "**Franchised Business**") within a protected territory.

Our sports programs promote positive values such as sportsmanship, teamwork, mutual respect, and leadership. We assist you in operating your Franchised Business and design an on-going marketing program to reach potential customers within your protected territory.

Market and Competition:

The market for your Franchised Business consists of children ages 2-18 and you will primarily market to the parents of children ages 2-18. The youth sports league and camp industry is highly competitive. You will compete with other businesses, including national, regional and local businesses, offering products and services similar to those offered by your Franchised Business. These included independent and franchised businesses. You may also compete with government, municipality or non-profit programs. The market for our products and services may experience seasonal variations, and may be affected by economic conditions, which may vary based on the location you select to develop the Franchised Business.

Regulations.

At all times during the operation of your Franchised Business, you must comply with all laws, rules, ordinances, and regulations ("Laws") imposed on the federal, state or local level, which apply specifically organizations that provide sports instruction, athletic, and recreational services to children and apply to businesses generally. Some state statutes mandate background checks for volunteers of organizations that provide sports instruction, athletic, and recreational services to children. Certain municipal ordinances and administrative regulations also require background checks.

Regardless of whether your state mandates background checks, we require you to conduct background checks on coaches, referees and any staff who have contact with children. You will also be required to comply with workers' compensation, equal protection and workplace safety laws and regulations, including Title VII and the ADA.

You should investigate whether there are any state or local regulations or requirements that may apply in the geographic area in which you intend to conduct business. You should consider both their effect on your business and the cost of compliance. You are responsible for obtaining all licenses and permits, and for obtaining all background checks and permissions, which may be required for your business.

You must not: (i) deviate from these methods, standards, and specifications without our prior written consent, or (ii) otherwise operate in any manner which reflects adversely on our Marks or the System. Our Operations Manual states our standards, specifications, and guidelines for all products and services we require you to obtain in establishing and operating your Franchised

Business. You must manage all customer complaints and requests for returns in a manner that will not detract from our Marks and goodwill.

You must purchase equipment, furnishings, fixtures and signs for the Franchised Business. You are required to purchase certain equipment, goods or services from approved suppliers and vendors in accordance with our specification. You must use only types or brands of equipment, signs and supplies that we have approved as meeting our specifications and standards. Specifications may include minimum standards for the quality of equipment and other restrictions. You will be required to purchase or lease approved types, brands, or models of equipment, signs and supplies only from vendors approved by us.

We maintain written lists of approved the above-referenced items, products and services, and a list of designated suppliers and vendors for those items. We will update these lists periodically and issue the updated lists to all franchisees. Our officers own an interest in us, but do not own an interest in any other supplier.

Additionally, you must obtain and maintain, at your own expense, such insurance coverage as we require in the Operations Manual and as required by federal, state, or local laws. You may elect to obtain higher coverage or obtain any other insurance to cover any risk associated with your activity. Our current specifications are:

Type	Minimum Amount
Comprehensive General Liability	\$1,000,000 per occurrence, \$2,000,000 aggregate
Workers Compensation	\$500,000 each accident/incident
Any other insurance required by federal, state, or local law	

All insurance policies must name us as an “additional insured” party and contain a waiver by the franchisee and its insurer of any subrogation right against us and our officers, employees, and agents. On execution of a Franchise Agreement, and thereafter 30 days before the expiration of any policy, you must deliver to us the Certificates of Insurance and Endorsements evidencing the existence and continuation of proper coverage with limits not less than those we require. In addition, if we request, you must deliver to us a copy of the insurance policy or policies we require. Further, all insurance policies must expressly provide that no less than 30 days’ prior written notice will be given to us in the event of a material alteration to or cancellation of the policies. Should you, for any reason, fail to procure or maintain the insurance we require, as these requirements may be revised occasionally by us in writing, we will have the right and authority, but not the obligation, to immediately procure the insurance and charge you, which you must pay immediately on notice. The foregoing remedies are in addition to any other remedies we may have at law or in equity.

Alternative Suppliers

You must not use, offer, or sell any products or services in connection with your Franchised Business that do not meet our System standards and specifications, or that we have discontinued or otherwise notified you that you are no longer able to use or offer in connection with your

Franchised Business. If you wish to propose an alternative supplier, you must submit a request in writing to us. If we are not familiar with the product or service we may require you to provide us with a sample of the supplier's products or services at your own expense. We will review the products or services within thirty (30) days of our receipt and determine whether to consider adding the supplier to our list of approved vendors. We may impose fees to cover our costs for supplier and vendor approval. We currently have no history to provide an estimate of these fees. We may impose limits on the number of suppliers or brands for any product. We do not provide franchisees with any specific criterion for approving suppliers, but we generally consider the specifications and quality of the product. We will test products and may inspect the premises of suppliers. After our review, we will notify you if we approve or disapprove of an alternative supplier in writing. We reserve the right to approve or revoke approval of any supplier. If we revoke approval for a supplier, we will provide written notice to you.

Purchase Arrangements

We have negotiated purchase agreements with suppliers and distributors, including price terms, for the benefit of franchisees, for items such as sports equipment, uniform apparel, trophies/medals/awards, field paint and striping equipment, print and hard good marketing materials. We will continue to negotiate such purchase agreements with various suppliers and vendors. These discounts will be for us and our franchisees. If we negotiate purchase agreements, it is possible that some suppliers may only offer products and services on a regional or local basis and that you may not be eligible for products from these suppliers as a result of your geographic location.

Purchasing or Distribution Cooperatives

We do not have purchasing and distribution co-operatives as of the Issuance Date of this Franchise Disclosure Document.

Right to Derive Revenue from Required Purchases

Currently, we do not receive rebates or other benefits from any third-party suppliers for our franchisees' transactions with them. However, in the future, we may receive rebates or other benefits from suppliers for our franchisees' transactions with them. We also derive revenue from certain items supplied by us and reserve the right to continue deriving revenue from such items. We are an approved supplier of branded/trademarked marketing materials, and we include an initial supply of N ZONE SPORTS or N ZONE JUNIOR merchandise upon purchase of a franchise from us (see Franchise Agreement, Schedule II).

We mark up the marketing materials purchased from franchisees by us at a rate of approximately 10% to 12% to cover handling costs. As of our fiscal year end December 31, 2024, we received \$14,780 in revenue from franchisee purchases which accounted for 0.1% of our total revenue of \$1,387,626.

You may use any vendor you choose if they can produce our trademarked materials to our specifications and are approved by our office. Except for trademarked items, there are currently

no other items or services for which we or our affiliates are approved suppliers or the only approved suppliers.

Required Purchases as a Proportion of Costs

We estimate that required purchases described above will be 85-95% of all purchases and leases by you of goods and services to establish a franchise and approximately 85 to 95% of your operating costs after the initial start-up phase.

We provide no material benefits based on your use of designated sources; however, failure to use approved items or designated suppliers and vendors may be a default under the Franchise Agreement. Additionally, when there is any default under the Franchise Agreement, we reserve the right, in addition to other remedies available under the Franchise Agreement, to direct suppliers to withhold furnishing products and services to you.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

1. Pre-Opening Obligations

Before you open your Franchised Business, we will:

- a. Provide you with the Franchise Package. (Franchise Agreement, Section 4.1 and Schedule I)
- b. Loan you one copy of each of our Operations Manuals and other manuals and training aids we designate for use in the operation of your Franchised Business, as they may be revised from time to time. (Franchise Agreement, 4.6, 8.2)
- c. Provide initial training for up to 2 owners. We will determine, in our sole judgment, whether you satisfactorily complete the initial training. (Franchise Agreement - Section 4.2 and Article V).
- d. Provide guidance and the names of approved vendors or specifications for equipment, signs, fixtures, opening inventory, and supplies. We do not deliver or install these items, except for initial merchandise we provide to you as part of the the Franchise Package (Franchise Agreement, Sections 4.7, 7.10 and Schedule II)
- e. Provide pre-opening and opening assistance as we, in our reasonable business judgment, deems appropriate. This will include assistance in selecting and procuring a venue for operation of a sports league and/or preschool program, but will not include site selection for a location to manage your business. (Franchise Agreement, Section 4.3).
- f. If you request, and subject to our availability, we will also provide one (1) representative for on-site opening assistance for your opening day (if you agree to pay reasonable travel and accommodation expenses). (Franchise Agreement, Section 4.3).

For avoidance of doubt, we will not:

- a. Provide you with site selection assistance for a location to manage your business. You may operate your Franchised Business from your home or, at your option you may lease commercial office space from which to operate your Franchised Business. If you choose to operate your Franchised Business from a location, other than your home, you are not required to obtain our approval. However, due to the nature of an N ZONE SPORTS business, management and the actual provision of N ZONE SPORTS leagues and programs do not occur at the same location. You are strictly prohibited from hosting any N ZONE SPORTS leagues and programs at your own home or office location. N ZONE SPORTS leagues are played on fields and courts in your Territory that are leased or rented, and any preschool programs are offered on-site at preschools in your Territory. (Franchise Agreement - Section 7.15).
- b. Assist you with hiring, firing, compensating, supervising, or controlling your employees before or after opening.

2. Time to Open

We estimate the typical length of time between the signing of the Franchise Agreement and the time you open your Franchised Business is thirty (30) days. Factors that may affect this time period include the delivery schedule for the initial Franchise Package, delays in securing financing arrangements and completing training and your compliance with local laws and regulations. You must open within ninety (90) days of executing a Franchise Agreement. If you are unable to open before the deadline despite making diligent efforts to open, then you may request an extension for additional time to open. We will not unreasonably without our approval for an extension.

However, if you are not making earnest efforts to open and have abandoned the business, then we have the right to terminate the Franchise Agreement. (Franchise Agreement - Section 7.2).

You may not open the Franchised Business for business until: (1) our pre-opening training has been completed to our satisfaction; (2) the initial Franchise Fee and all other amounts then due to us have been paid, and (3) you submit proof of insurance in the amounts required under the Franchise Agreement. (Franchise Agreement - Section 7.1).

3. Obligations After Opening

During your operation of your Franchised Business, we will:

- a. Be available for unlimited telephone support to discuss operating problems and any issues you may encounter during business hours. (Franchise Agreement - Section 4.4)
- b. Hold conference calls to discuss sales techniques, bookkeeping, performance standards and advertising programs. (Franchise Agreement – Section 4.4).
- c. Loan you one copy of each of our Manuals (Franchisee Manual, Marketing Plan) consisting of such materials (which may include audiotapes, videotapes, magnetic media, computer software and written materials) that we generally furnish to franchisees for use in operating N ZONE SPORTS Businesses. The Manuals contain mandatory and suggested specifications, standards, operating procedures and rules (“**System Standards**”) that we prescribe from time to time for operation of an N ZONE SPORTS Business and information relating to your other obligations under the Franchise Agreement and related agreements. The Manuals may be modified, updated and revised periodically to reflect changes in System Standards. (Franchise Agreement - Sections 4.6, 7.6 and 8.2)
- d. We may periodically modify System Standards, which may accommodate regional or local variations as we determine, and these modifications may obligate you to invest additional capital in the N ZONE SPORTS Business and/or incur higher operating costs. However, these modifications will not alter your fundamental status and rights under the Franchise Agreement. (Franchise Agreement -Sections 7.6, 8.3, and 8.4).
- e. Provide certain advertising and promotion materials, and maintain a website on the world wide web (our "Website") that will include a list of all N ZONE SPORTS locations that are in good standing with us. Our Website will have a link to your customized Website Page (your “Sitelet”). Your Sitelet will include information relating to your specific business location and select content that we provide from our website. Your Sitelet will also showcase the N ZONE SPORTS Services and products. You may not establish or maintain any other Website without our prior written approval. We reserve the right to change the requirements relating to your Sitelet at any time. (Franchise Agreement- Section 4.5)

For avoidance of doubt, we will not:

- a. Establish your prices. However, we may make pricing recommendations based on industry wide standards and the going rates in the particular market as part of the initial and ongoing training. We may also include such pricing recommendations in the Operations Manual. This information is solely for training and educational purposes. Each franchisee is solely responsible for establishing their own prices.

4. Advertising

Local Advertising

You may develop your own advertising materials for your own use and at your own costs, and you may use marketing and advertising materials that we may offer to you from time to time. However, may not use any advertising or marketing materials you develop, unless they have been approved by us in advance. You must submit samples of all advertising, promotional and marketing materials that we have not prepared or previously approved to us for our review and approval. If you do not receive written approval within 30 days after we receive the materials, we will be deemed to have approved your request. You may not use any advertising, promotional or marketing materials that we have disapproved.

We have no obligation to spend any amount on advertising or marketing in your area or territory. We do not typically provide for placement of any local advertising or marketing on your behalf, except in the event you fail to spend the minimum monthly amount of \$300/month on local digital marketing efforts. In the event we direct local advertising on your behalf, we will use digital media and social media directed for local coverage. We will use our in-house advertising department to deploy these funds.

Systemwide Advertising Fund.

We have established and administer an Advertising Fund for the creation and development of marketing, advertising and related programs and materials on a system-wide basis. You must contribute 2% of your Gross Sales or \$50.00 a month, whichever is greater, to the Advertising Fund. The advertising fee is non-refundable. (Franchise Agreement Section 5(b)) (See Items 6, 7 and 9) The Advertising Fund is administered by our Officers. We do not currently have any company owned outlets, but in the event we or our affiliates open any company owned outlets, they may contribute to the Advertising Fund but we will have no obligation to do so.

The Advertising Fund, all contributions thereto, and any earnings thereon, will be used exclusively to meet any and all costs of maintaining, administering, directing, conducting and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities which Franchisor or its affiliate believes will enhance the image of the System, including, among other things, the costs of preparing and conducting radio, cable television, print, and Internet-based advertising campaigns; utilizing Social Media Accounts and other emerging media or promotional tactics; developing, maintaining, and updating a Website on the Internet; review of locally produced advertisements; door hangers, mailers, inserts and coupons; brochures and promotional materials; market research, market surveys, and sponsorships; web site design and maintenance; public relations and related retainers; mystery shoppers for the System and competitors; celebrity endorsements; trade shows (including costs of travel and personnel expenses, trade booths, and specialty entertainment); association dues; search engine optimization; employing advertising and/or public relations agencies; purchasing promotional items; product and service development; providing promotional and other marketing materials and services to the businesses operating under the System. Franchisees who are not yet contributing to the Advertising

Fund may be excluded from receiving benefits from the activities of the Advertising Funds. Except incidentally, no portion of the Advertising Funds will be used to sell franchises.

The Advertising Fund will prepare income and expense statements at least once each calendar quarter, and at such time as is practical, the entire Fund will be audited annually. Income and expense statements and audit results, as prepared, are available to any franchisee upon written request.

In our most recent fiscal year ending December 31, 2024, we did not collect ad fund contributions, but subsidized the Advertising Fund spending \$14,400 as follows: Pay-Per-Click 4%, Search Engine Optimization 28%, Web Development 23%, Art Department 39%, and Administrative Expense 6%.

It is anticipated that all contributions to and earnings of the Advertising Fund will be expended for advertising and/or promotional purposes during the taxable year within which the contributions are made. If, however, excess amounts remain in the Advertising Fund at the end of such taxable year, all expenditures in the following taxable year(s) will be made first out of accumulated earnings from previous years, next out of earnings in the current year, and finally from contributions.

Regional Advertising

We do not currently have a regional advertising fund or cooperative and we do not have the power to require such funds or cooperatives to be formed, changed, dissolved or merged.

Advertising Council

The Franchise Agreement does not preclude us from creating a franchisee advisory council to communicate ideas, including proposed advertising policies. If created, we will determine in advance how franchisees are selected to the council, which may include factors such as a franchisee's level of success, superior performance and outlet profitability. The council will serve in an advisory capacity only. We have the right to form, change or dissolve the council at any time.

5. Website/Social Media (Franchise Agreement - Section 7.13)

You may not establish your own website or use social media platforms for the promotion of your Franchised Business without our prior written consent. You must sign such documents as we may require, that grant us the right to change, transfer or terminate your email addresses, domain names, social media platforms and comparable electronic identities that use our trademarks if the Franchise Agreement expires or is terminated, or if your franchise is not renewed. Likewise, if you establish any website or social media associated with our trademarks despite our prohibitions then you will assign all rights to such accounts to us upon our request.

Except for the social media presence that we will establish on your behalf or permit you to establish, you are not permitted to promote your Franchised Business or use any of the Marks in any manner on any social or networking websites, including, but not limited to: Facebook, Instagram, FourSquare, LinkedIn, Pinterest, Snapchat, Telegram, TikTok, Twitch, X (formerly Twitter), personal blogs, virtual worlds, audio and video-sharing sites, and other similar social

networking or media sites or tools presently existing or developed in the future (collectively, “Social Media”) without our prior written consent.

We alone will be, and at all times will remain, the sole owner of the intellectual property rights to all material which appears on any Social Media or website we establish or maintain. We may permit you to utilize such accounts subject to our standards and control. We reserve the right to conduct advertising on Social Media accounts on your behalf.

You must comply with our System standards regarding the use of Social Media in your Franchised Business’s operation, including prohibitions on your employees posting or blogging comments about the Franchised Business or the System, other than on a website established or authorized by us.

6. Hardware and Software Requirements.

You are required to have a computer. You must purchase or lease a computer if you do not have a computer which meets the following specifications. Currently we do not require our franchisee to use any specific brand of computer hardware as long as it is PC based using a minimum of the Windows 7 platform. The cost of a computer varies widely but we estimate you may purchase a computer for between \$500 and \$1,500. You are required to have Microsoft Word, Microsoft Excel, Microsoft Outlook, QuickBooks Online, and Internet Explorer or equivalent on this PC in order to access our website. You may purchase the hardware and software from any source. The computer is not proprietary and does not require maintenance, support or service contracts. You are responsible for purchasing and arranging delivery of this equipment with the vendor. The PC system manages your sales activities and general business operations.

You will be required to use our scheduling and management software that will assist you with your day-to-day business operations. This proprietary software will streamline processes in four major areas: players and coaches’ management, scheduling, billing, and payroll. The management aspect of the proprietary software will allow you to manage contact information, schedules, sports, fields, and standings, etc. schedules and personality types. You will be charged a monthly fee of \$50 to utilize the proprietary software and your Sitelet.

Although not required, we do highly recommend a broadband connection for your computer. At your cost, you must provide on-going maintenance and repairs to your computer and software. You must upgrade your computer hardware and software as necessary to operate the most current version of our scheduling and management software, or any replacements thereto. We cannot estimate the cost of maintaining, updating and upgrading your computer hardware and software because it will depend on the make and model of your computer, required upgrades to operate our current management and payment processing applications, repair history, usage, local cost of computer maintenance services in your area and technological advances that we cannot predict.

There are no contractual limitations on the frequency and cost of upgrades and/or updates to the above-described systems or programs. Likewise, we have no obligation to maintain, repair, update or upgrade your computer and software.

We will not directly have independent access to your computer system; however, we have independent access to all transactions that occur through our website and require you to provide us with independent access to your authorization/payment gateway. There are no contractual limits on our right to access this information. We also have the right to audit your financial records.

7. Table of Contents of Operations Manual.

The table of contents of our Operations Manual ("Manual" or "Operations Manual") is attached in Exhibit "D." The Manual has approximately 118 pages.

8. Training.

You must attend and successfully complete to our satisfaction the initial training program that we provide to franchisees (the "**Initial Training**"). We may extend the Initial Training for anyone who fails to successfully complete the program, until training is successfully completed. Your manager, if any, may attend training but must sign a confidentiality agreement and non-competition agreement prior to attendance. The Initial Training lasts for approximately 2 days and is presently conducted either Via Zoom teleconferencing software or, at our headquarters in Tampa, Florida, on-line. Successful completion consists of attending the 2-day training program outlined below. Training programs are scheduled and run as needed. Your training will be scheduled so that it is completed at least seven days before you open for business. You may not open your business until you have completed mandatory pre-launch training. There is no charge for the Initial Training of up to two persons. You will pay us \$250 for each additional person you send to our Initial Training. You are responsible for your compensation, travel, lodging and living expenses incurred in connection with your attendance at any training program. Any person attending training is required to execute our current confidentiality agreement (if not named on the Franchise Agreement). (Franchise Agreement - Section 4) Currently our Initial Training consists of the following:

Instructors:

Shane Larkin leads our initial training program: Guest Instructors may also assist with Initial Training, with at least five (5) year's experience in the subject taught. We set forth the length of the Instructors' experience in the industry and with the franchisor below:

Shane Larkin	11	11

Following the initial phase of in-person training, you will be assigned to a dedicated support specialist from our corporate office to assist you in completing two additional phases of pre-opening training. This assistance includes but is not limited to rate setting, establishing an advertising and marketing campaign, coach recruitment and staffing, concessionaire services and marketing, role playing and setting up back-office functions. Following successful completion of these training modules, you will be granted approval to market and accept players. During this phase, you will submit applicable documentation to your dedicated support specialist to confirm that you are operating within our System Standards and meeting expectations for all N ZONE SPORTS franchisees.

During the course of coaching Franchise Owners, we may be asked various questions regarding employment classifications. We may provide suggestions or discuss options available but the decisions made are in no way requirements or suggestions. Employment classifications are entirely determined and decided upon by the Franchise Owner.

Additionally, we conduct optional training programs and a mandatory conference. We may charge up to \$250 per person for optional trainings. We charge an Annual Convention Fee which is set

on an annual basis and ranges from \$500 to \$2,500. If you do not attend the Annual Convention, without our prior written approval, then you will pay us a fine equal to the then-current Annual Convention Fee. If you participate you must pay the costs and expenses for yourself and anyone attending with you. We may charge for optional training programs.

We may also require you to attend additional training or refresher courses. We may charge up to \$250 per person for additional training or refresher courses, and you must pay the costs and expenses for yourself and anyone attending with you.

ITEM 12: TERRITORY

Under the Franchise Agreement, we will grant you the right to develop and operate a Franchised Business within a designated geographic region (your “**Territory**”).

The Territory is for a location to be approved by us. The scope and size of your Territory will vary from the scope and size of the operating territories of other franchisees in our System and will be determined by us based on population density, demographics, and geographical boundaries. While there is no minimum size for an operating territory, your Territory will, generally, be a geographic area that contains a population of either (a) approximately 150,000 people or (b) approximately 300,000 people (see Item 5). Our determination as to population within your Territory will be made at the time of signing your Franchise Agreement and will be based on estimates provided by a commercially available mapping tool that utilizes data, demographics, estimates, projections, and other factors to define a geographical region. We may identify your Territory by zip code, boundary streets, highways, county lines, census tracts, designated market area, and/or other recognizable demarcations. We will provide you with a territory report as a supplement to this disclosure document during the territory selection process and your selected Territory will be defined and attached to the Franchise Agreement.

Your Franchised Business may be operated from anywhere within the Territory. You do not need our permission to relocate as long as you remain within the Territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises. However, you may ask us at any time to purchase additional franchises. When evaluating your ability to purchase additional franchises we will consider factors such as your financial history, performance, and adherence to the terms of the Franchise Agreement. Additionally, you may ask to expand your Territory to add a contiguous geographical area containing an additional population of 10,000 or more, subject to availability and at our discretion. If granted by us, the cost of an expansion will be \$1,000.00 per 10,000 people and all other terms of your Franchise Agreement will remain the same.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

There are no restrictions on us from soliciting or accepting orders from consumers inside your Territory. We may use other channels of distribution, such as the Internet, catalog sales,

telemarketing, or other direct marketing sales, to sell and provide N ZONE SPORTS and N ZONE Junior products to consumers within your Territory using our principal trademarks (or another trademark) without any compensation to you.

There are restrictions on you from soliciting or accepting orders from consumers outside of your territory. You are not permitted to advertise, market, promote or solicit services anywhere outside of your Territory, nor may you use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales outside your Territory, unless you are doing so as part of a regional cooperative or you enter into a written agreement with us which addresses specific terms, policies and procedures for temporarily operating outside of your Territory. (See Rider A to the Franchise Agreement).

Neither we or any affiliate currently operates, franchises, or has plans to operate or franchise a business offering similar goods or services as your N ZONE SPORTS Business under a different trademark; however, there are no restrictions on our right to own, develop, acquire, be acquired by, merge with, or otherwise engage in any transaction with another businesses (competitive or not), which may offer products and services like your N ZONE SPORTS Business and may have one or more competing outlets within your Territory, except that we will not convert any acquired business in your Territory to a franchise using our primary trademarks during the Term of your Franchise Agreement.

ITEM 13: TRADEMARKS

The Franchise Agreement will license to you the right to operate your Franchised Business under the following principal trademarks ("Marks") registered or applied for with the United States Patent and Trademark Office ("USPTO"):

Description of Mark	Registration Number	Principal or Supplemental Register of the USPTO	Registration Date
N ZONE SPORT	N/A Serial Number: 99117032	Application filed April 2, 2025	Application filed April 2, 2025
N ZONE JUNIOR	N/A Serial Number: 99121113	Application filed April 4, 2025	Application filed April 4, 2025

	N/A Serial Number: 99117153	Application filed April 2, 2025	Application filed April 2, 2025
	N/A Serial Number: 99121104	Application filed April 4, 2025	Application filed April 4, 2025

We have filed all required affidavits. No renewals have been filed. We do not have a federal trademark for our principal trademark. Therefore, our trademark does not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are currently no effective determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or any court; or any pending infringement, opposition, or cancellation proceeding in which we unsuccessfully sought to prevent registration of a trademark in order to protect a trademark licensed by the franchisor. There are no pending material federal or state court litigation regarding our use or ownership rights in a trademark.

There are no currently effective agreements that significantly limit our rights to use or license the use of our trademarks listed in this section. We are not aware of any superior rights or infringing uses that could materially affect your use of our trademarks.

Infringements.

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and you may not communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim and cooperate with us fully in pursuing, defending or settling the litigation. We have no affirmative obligation to preserve and protect the ownership and validity of our trademarks. However, we will take all steps that we deem reasonably appropriate. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, USPTO proceeding or any other administrative proceeding arising from such infringement, challenge or claim or otherwise relating to any Mark licensed by us to you. You must sign any instruments and documents, provide such assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or otherwise to protect and maintain our interests in the Marks. We will have no obligation to defend or indemnify you for your expenses or damages if the claim against you relates to your use of the trademarks in violation of the Franchise

ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following Tables present the Gross Sales from player/participant registration reported by N ZONE SPORTS for certain franchisees from January 1, 2024 through December 31, 2024. Average Gross Sales was determined by dividing the number of franchisees into the total Gross Sales. The Median is the middle figure, with fifty percent (50%) being both above and below that figure. Each Table presents Gross Sales for "Full-Time" and "Part-Time" franchisees. The term "Full Time" is defined to mean include all franchisees who devote their primary professional efforts to their N ZONE SPORTS Franchised Business and do not maintain another full-time job. The term "Part Time" is defined to include all franchisees who do not dedicate their primary professional efforts to their N ZONE SPORTS Franchised Business and maintain a separate full-time job. All figures are based upon information provided to us by franchisees. The information has not been audited, nor has it been independently verified.

As of December 31, 2024, there were a total of 68 outlets. We have excluded 22 outlets (32%) from these financial performance representations because they did not meet our criteria, as they were either were not yet open at the start of the measurement period, transferred to a new owner, or ceased operations and therefore did not operate for the entire year.

As of December 31, 2024, there were 4 outlets that were opened for their first full year in 2024 ("Sales Year 1"), which are reported in Table 1. As of December 31, 2024, there were 42 outlets that were opened for their second or greater full year in 2024 ("Sales Year 2+"), which are reported in Table 2.

FRANCHISEES IN SALES YEAR 1

Table 1 contains historical financial information for franchisees who signed a franchise agreement in 2023 and operated their N ZONE SPORTS outlet for their first full year in 2024 ("Sales Year 1"). A total of 4 outlets in Sales Year 1 operated during the measurement period from January 1, 2024 through December 31, 2024. One (25%) of these outlets were operated Full-Time and three (75%) of these outlets were operated Part-Time. Table 1 excludes two franchisees because they ceased operations during the calendar year 2023. Table 1 excludes all Sales Year 2+ outlets, which are reported in Table 2.

FRANCHISEES IN SALES YEAR 2+

Table 2 contains historical financial information for franchisees who signed a franchise agreement in 2022 or earlier and operated an N ZONE SPORTS outlet for two or more full years as of December 31, 2024 ("Sales Year 2+"). A total of 42 outlets in Sales Year 2+ operated from January, 2024 through December 31, 2024. Eighteen (43%) of these outlets were operated Full-Time and twenty-four (57%) of these outlets were operated Part-Time. Table 1 excludes two franchisees because they closed operations during the calendar year 2023. Table 2 also excludes all Sales Year 1 outlets, which are reported in Table 1.

NOTES APPLICABLE TO ALL TABLES:

1. The term "Gross Sales" includes all revenue, excluding only sales tax, refunds and discounts.
2. Written substantiation for the financial performance representations described above will be made available to you on reasonable request. Please carefully read all of the information in these financial performance representations, and the notes following the tables, in conjunction with your review of the historical data. The information presented above has not been audited.
3. Some outlets have earned this much. Your individual results may differ. There is no assurance that you'll earn as much.
4. We strongly urge you to consult with your financial advisor or personal accountant concerning the financial analysis that you should make in determining whether or not to purchase a N ZONE SPORTS Franchised Business.

Other than the preceding financial performance representation, we do not make any representations about a franchisee's future financial performance or the past financial performance of any company-owned or franchised outlets. We also do not authorize our employees or representative to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Tony Westbrook, 11705 Boyette Rd, Ste 209, Riverview, FL 33569, 888-557-2459, the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITORS' REPORT

To the Members of
N Zone Sports of America, LLC

Opinion

We have audited the accompanying financial statements of N Zone Sports of America, LLC which comprise the balance sheets as of December 31, 2024, and the related statements of income, changes in members' equity, and cash flows for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of N Zone Sports of America, LLC as of December 31, 2024, and the changes in member's equity and its cash flows for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of N Zone Sports of America, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about N Zone Sports of America, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, We:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of N Zone Sports of America, LLC 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about N Zone Sports of America, LLC 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that We identified during the audit.

N ZONE SPORTS OF AMERICA, LLC
Notes to the Financial Statements
For the year ended December 31, 2024

Note 1 – Organization and Business

There are several reasons contributing to the success of the N Zone Sports franchise concept. For starters, we serve a growing market of over 60 million youth sports participants who generate billions in revenue annually. Even more impressive, the market is projected to continue to grow in the coming years. While there is no such thing as a "recession-proof" business, youth sports is as close as you'll find. Parents understand that participation in organized youth sports programs fosters positive growth like building social skills, learning important life lessons like how to win and lose and maintaining an active, healthy lifestyle. At N Zone Sports, one of our greatest responsibilities lies in not only providing an organized, fun and structured environment, but also in helping teach kids important values like teamwork, leadership, effort and sportsmanship.

N Zone Sports began proving the Ultimate Sports Experience in 2008 in Tampa, Florida. With traditional leagues focusing too much on winning, N Zone Sports saw the opportunity to provide an organized alternative, combining competition with an extremely fun environment, allowing all kids the opportunity to receive ample playing time. In 2011, N Zone Sports began franchising and quickly expanded into markets in Michigan, Pennsylvania, Indiana, Georgia, Virginia, Texas and Nevada. While operating youth sports leagues can provide a terrific income, we realized the need to add a second revenue stream to complement our weekend leagues; something that franchisees could focus on during the week. In March of 2014, N Zone Junior was created. Targeted specifically to preschools and preschool age children, the N Zone Junior program created an explosive combination. In two short years, our franchise model gained incredible traction, surpassing an established top-seated youth sports franchise in the annual Franchise 500 rankings.

Offering multiple revenue streams has served us well and has allowed N Zone Sports to stake its place at the top of the youth sports industry. Exclusive franchise territories are offered. Once an area is sold, it is no longer available. Our reach is currently in over 18 states and 50 markets throughout the United States. So if you love the idea of owning your very own sports company and you have a desire to make a difference in your community, don't wait another day. Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP) in the United States of America.

Revenue Recognition

The company recognizes revenue from three primary sources: Advertising Fees, Franchise Fees, and Royalty Fees, in accordance with ASC 606, "Revenue from Contracts with Customers."

- **Franchise Fees:** These consist of initial fees paid by franchisees for the right to operate under the company's brand and receive initial support services. The company recognizes 85% of the initial franchise

- fee at the time of sale, with the remaining 15% deferred as a contract liability and recognized over a three-year period. This period represents the time required for franchisees to establish a stable book of business.
- **Royalty Fees:** Royalty fees are calculated as a percentage of the franchisee's gross sales and are recognized as revenue in the period in which the corresponding franchisee sales occur. The company applies to the sales-based royalty exception for licenses of intellectual property.
 - **Other Fees:** Other fees include advertising fees that are collected from franchisees as a percentage of their gross sales and are recognized as revenue when received. The funds are dedicated to system-wide marketing and promotional efforts intended to benefit all franchisees. Technology Fees (a fixed monthly fee of \$50–\$100 are also charged to cover the cost of using the proprietary N Zone Sports Management & Scheduling Software.

To match franchise broker fees with the corresponding franchise fees, the company recognizes 85% of the initial franchise broker fees at the time of sale, with the remaining 15% deferred as an asset and recognized over a three-year period.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and deposits held with financial institutions. As of December 31, 2024, the Company's cash is maintained at a FDIC-insured bank, ensuring protection up to the applicable insurance limits. The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. There are no restrictions on the Company's cash balances as of the reporting date. Management regularly monitors the financial stability of banking institutions to mitigate potential risks associated with cash deposits.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses. Actual results could differ from these estimates.

Note 9 – Prior Period Adjustments

During the current year, the Company identified errors in the previously issued financial statements related to the accounting treatment of its SBA loan and deferred franchise fees. These errors resulted in the omission of certain liabilities and revenue recognition adjustments in prior years.

- **SBA Loan:** The Company determined that the SBA loan of \$117,800 was not properly recorded in prior periods. As a result, a prior period adjustment was made to recognize the loan liability and related interest accruals in the financial statements.
- **Deferred Franchise Fees:** Franchise fees received in prior periods were incorrectly recognized as revenue in full, instead of being deferred and recognized over the applicable period. A prior period adjustment was recorded to defer the appropriate portion of the franchise fees and adjust retained earnings accordingly.

The cumulative effect of these adjustments of \$238,869 has been recorded as a correction to beginning members' equity as of January 1, 2024. The cumulative effect of these adjustments has an impact of (\$432,923) on the statement of cashflow. The impact of these adjustments on previously reported financial statements has been disclosed to ensure accurate reporting and compliance with generally accepted accounting principles (GAAP).

Management has implemented additional review procedures to ensure the accurate recognition of loan obligations and revenue in future periods.

Note 10 – Liquidity and going concern consideration

As of December 31, 2024, the company has cash and cash equivalents of \$11,668 and cash flow from operations of negative (\$122,281), mainly driven by prior period adjustments of (\$432,923). Management has evaluated the company's financial position and cash flow projections and believes that it will have sufficient resources to meet its obligations for at least the next 12 months from the date these financial statements are issued.

Note 11 – Risk Disclosures

The company faces various operational risks, including:

- **Franchisee Compliance:** As the company expands its franchise network, it must ensure that franchisees comply with the company's operational standards. Non-compliance could impact the brand reputation and financial performance.
- **Market Risks:** The sport and wellness market are competitive, and the company faces risks related to changing consumer preferences, economic downturns, and market saturation.
- **Operational Expansion:** The rapid expansion of franchises presents challenges in maintaining consistency in service quality and product delivery across locations.

Management is actively monitoring these risks and is implementing strategies to mitigate them, such as providing extensive training and support to franchisees and focusing on marketing efforts to maintain brand loyalty.

Note 12 – Subsequent Events

In preparing these financial statements in accordance with Accounting Standards Codification (ASC) No. 855 – Subsequent Events, the company evaluated events and transactions for potential recognition or disclosure through February 24, 2025, the date the financial statements were available to be issued. As of this date, the company has no knowledge of any subsequent events that would require adjustment to or disclosure in the financial statements.

- 14.4. Limited Exemption of Transfer Fee.** You may transfer this Agreement to a business entity that is under the majority control of the Franchisee for no additional fee if the transfer is requested within one (1) year of the date of this Agreement. If the transfer of the type provided for in this section is requested after the one (1) year period a fee of One Hundred Dollars (\$100.00) will be payable to us prior to consummation of transfer. ARTICLE XV. USE OF MARKS.

- 15.1. Ownership and Goodwill.** Your right to use the trademark N ZONE SPORTS and any other trademarks, service marks, logos, designs or artwork that we authorize (the “Marks”) is derived solely from this Agreement. You may only use the Marks in connection with the operation of your N ZONE SPORTS Business and only in accordance with this Agreement. Any unauthorized use of the Marks by you constitutes an infringement of our rights in and to the Marks. Your usage of the Marks, and any goodwill established by your use of the Marks, inures to our exclusive benefit. You must not, at any time, contest, or assist anyone else in contesting, the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks applies to any additional trademarks, service marks, logo forms, trade dress and commercial symbols that we authorize for use by, and license to, you in connection with this Agreement.
- 15.2. Limitations on Use.** You must not use any Mark as part of any corporate or trade name or with any prefix, suffix or other modifying words, terms, designs or symbols, or in any modified form. You must not use any Mark in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized by us in writing. You must display the Marks prominently and in the manner prescribed by us on signs and forms. You must give such notices of trademark and service mark registrations and copyrights as we specify and you must obtain such fictitious or assumed name registrations as may be required under applicable law. You will not employ the Marks in any way that we have determined may result in liability to us for any debts or obligations of yours.
- 15.3. Infringements and Claims.** You must notify us immediately in writing if you become aware of any apparent infringement of, or challenge to, your use of any Mark, or claim by any person of any rights in any of the Marks. You must not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We have sole right to take any action we deem appropriate and the right to exclusively control any litigation, administrative or other proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. You must sign any instruments and documents, provide such assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or United States Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.
- 15.4. Discontinuance of Use.** If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply within a reasonable time after our notice to you, and our sole liability and obligation to you in the event of such change will be to reimburse you for

your out-of-pocket costs of compliance. We will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark.

ARTICLE XVI. DISPUTE RESOLUTION

- 16.1. Process.** Any disputes that Franchisee or Franchisor may have arising out of or related to this Agreement (“Matter”) will be resolved as described in this ARTICLE XVI.
- 16.2. Franchisee Must First Pursue Internal Resolution.** Prior to submitting any claim or dispute to arbitration, Franchisee shall give notice thereof to N ZONE SPORTS setting forth in reasonable detail the nature and basis of the claim or dispute. The parties shall then seek to negotiate and resolve the dispute by direct negotiation between Franchisee and N ZONE SPORTS over a period of not less than sixty (60) days.
- 16.3. Arbitration.** In the event of any controversy or claim is not internally resolved, then the initiating party must submit the Matter to binding arbitration in accordance with the rules of the American Arbitration Association (AAA) and will take place in the county in which our principal place of business is located, in accordance with the rules of the American Arbitration Association. The award of the arbitrator shall be final and judgment upon the award rendered may be entered in any court having jurisdiction. Notwithstanding the above, either of us may seek injunctive relief against the other party in any court of proper jurisdiction with respect to any and all preliminary injunctive or restraining procedures pertaining to this Agreement or the breach of this Agreement.
- 16.4. No Exclusivity.** No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor will be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each will be cumulative of every other right or remedy.
- 16.5. Waiver of Right to Jury Trial and Punitive Damages.** FRANCHISOR AND FRANCHISEE HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY AGREE AS FOLLOWS: (A) FRANCHISOR AND FRANCHISEE HEREBY EXPRESSLY AND IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING; AND (B) FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH WILL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.
- 16.6. Limitation of Claims.** ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP OF FRANCHISEE AND FRANCHISOR, OR FRANCHISEE'S OPERATION OF THE FRANCHISED BUSINESS, BROUGHT BY FRANCHISEE AGAINST FRANCHISOR, WILL BE COMMENCED WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION WILL BE BARRED.

- 16.7. Injunctive Relief.** Nothing herein contained will bar Franchisor's right to obtain injunctive relief from a court of competent jurisdiction against threatened conduct that will cause it loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions.

ARTICLE XVII. INDEPENDENT CONTRACTOR AND INDEMNIFICATION.

- 17.1. Independent Contractor.** You and we agree that this Agreement does not create a fiduciary relationship between the parties, that you will be an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of the other for any purpose whatsoever. You acknowledge and agree that our usual business is offering and selling rights to operate N ZONE SPORTS franchised businesses using the Proprietary Marks and System, developing enhancements to the System, and providing assistance to franchisees, and, accordingly, our usual business is different from your usual business of operating the Franchised Business. During the term of this Agreement, you will hold yourself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement from us.
- 17.2. No Authority to Contract.** Nothing in this Agreement authorizes you to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name; and we will in no event assume liability for, or be deemed liable under this Agreement as a result of, any such action; nor will we be liable by reason of any act or omission of you in your operation of the Franchised Business or for any claim or judgment arising therefrom against you or us.
- 17.3. Indemnification.** You will defend at your own expense and indemnify and hold us and our affiliates, and their respective officers, directors and employees harmless from and against any and all losses, liabilities, damages, claims and causes of action (including attorneys' fees and other costs) arising or alleged to be arising, directly or indirectly, from, as a result of, or in connection with (a) your operation of the Franchised Business, (b) your breach of this Agreement, (c) your failure to abide by any federal, state or local law or regulation, or (b) your negligent acts, omissions or the acts or omissions of your representatives, contractors, and agents.

ARTICLE XVIII. NOTICE

Except as otherwise expressly provided herein, any and all notices and reports permitted or required to be delivered by the parties pursuant hereto shall be deemed so delivered at the time they are delivered by hand or by recognized courier service, one (1) business day after transmission by overnight delivery service, facsimile or Internet email or other electronic system, or three (3) business days after mailed by certified mail, postage prepaid, return receipt requested. ARTICLE XIX. ACKNOWLEDGMENTS AND REPRESENTATIONS

- 19.1. Independent Investigation.** Franchisee acknowledges that it has conducted an independent investigation of the business franchised under this Agreement, and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will be largely dependent upon the ability of Franchisee (or, if Franchisee is a corporation, partnership or limited liability company, the ability of its principals) as an independent businessperson. Franchisor expressly disclaims the making of, and Franchisee acknowledges that it has not received, any warranty or guarantee, express or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.
- 19.2. Acknowledgement of Receipt.** Franchisee acknowledges that it received Franchisor's current Franchise Disclosure Document at least fourteen (14) calendar days prior to the date on which this Agreement was executed or Franchisee paid any money to Franchisor. Franchisee further acknowledges that it received a complete copy of this Agreement, the attachments hereto, and all related agreements attached to the Franchise Disclosure Document, and that Franchisee waited at least seven (7) calendar days prior to executing them if any changes to such agreements were unilaterally and materially made by Franchisor.
- 19.3. Status.** FRANCHISEE ACKNOWLEDGES THAT IN ALL OF YOUR DEALINGS WITH US, OUR EMPLOYEES AND OTHER REPRESENTATIVES ACT ONLY IN A REPRESENTATIVE CAPACITY AND NOT IN AN INDIVIDUAL CAPACITY. FRANCHISEE FURTHER ACKNOWLEDGES THAT THIS AGREEMENT, AND ALL BUSINESS DEALINGS BETWEEN YOU AND SUCH INDIVIDUALS AS A RESULT OF THIS AGREEMENT, ARE SOLELY BETWEEN YOU AND N ZONE SPORTS.
- 19.4. Territory Approval.** Franchisee hereby acknowledges and agrees that Franchisor's approval of the Territory does not constitute an assurance, representation or warranty of any kind, express or implied, as to the suitability of the Territory for the Franchised Business or for any other purpose. Franchisor's approval of a Territory indicates only that Franchisor believes the site complies with acceptable minimum criteria established by Franchisor solely for its purposes as of the time of the evaluation. Both Franchisee and

Franchisor acknowledge that application of criteria that may have been effective with respect to other territories may not be predictive of potential for all territories and that, subsequent to Franchisor's approval of a territory, demographic and/or economic factors, included in or excluded from Franchisor's criteria could change, thereby altering the potential of a territory. Such factors are unpredictable and are beyond Franchisor's control. Franchisor will not be responsible for the failure of a territory approved by Franchisee to meet Franchisee's expectations as to revenue or operational criteria. Franchisee further acknowledges and agrees that its acceptance of a franchise for the operation of the Franchised Business in the Territory is based on its own independent investigation of the suitability of the site.

ARTICLE XX. GENERAL PROVISIONS

20.1. Acknowledgment of Risk. You acknowledge and agree to the following:

- (a) YOUR SUCCESS IN OWNING AND OPERATING THE FRANCHISE IS SPECULATIVE AND WILL DEPEND ON MANY FACTORS INCLUDING, TO A LARGE EXTENT YOUR BUSINESS ABILITY. NO REPRESENTATION OR PROMISES, EXPRESSED OR IMPLIED HAVE BEEN MADE BY US OR ANY OF OUR EMPLOYEES OR REPRESENTATIVES TO INDUCE YOU TO ENTER INTO THIS AGREEMENT EXCEPT AS SPECIFICALLY INCLUDED IN THE AGREEMENT. N ZONE SPORTS OFFERS NO BUY-BACKS, MONEY-BACK GUARANTEES OR REFUNDS.
- (b) YOU ACKNOWLEDGE THAT IN ALL OF YOUR DEALINGS WITH US, OUR EMPLOYEES AND OTHER REPRESENTATIVES ACT ONLY IN A REPRESENTATIVE CAPACITY AND NOT IN AN INDIVIDUAL CAPACITY. YOU FURTHER ACKNOWLEDGE THAT THIS AGREEMENT, AND ALL BUSINESS DEALINGS BETWEEN YOU AND SUCH INDIVIDUALS AS A RESULT OF THIS AGREEMENT, ARE SOLELY BETWEEN YOU AND N ZONE SPORTS.

20.2. Governing Law. This Agreement and our relationship with you are governed by Florida law without regard to its conflict of laws provisions, excluding any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee, unless the jurisdictional requirements of such laws are met independently without reference to this section. References to any law or regulation also refer to any successor laws or regulations and any implementing regulations for any statute, as in effect at the relevant time. References to a governmental agency also refer to any successor regulatory body that succeeds to the function of such agency.

20.3. Jurisdiction and Venue. All claims which, as a matter of law or public policy, cannot be submitted to arbitration in accordance with Article XVI shall be brought in the federal or state court in the county and state in which our principal office is located. We both (i) irrevocably consent to the jurisdiction of each such court in any proceedings; (ii) waive any objections which either party may have to venue of the proceedings in any such courts; and (iii) agree to service of process by any means permitted under applicable laws or court rules in the State of Florida.

- 20.4. Acts Beyond the Parties' Control.** Neither of us shall be liable for loss or damage or deemed to be in breach of this Agreement if either of us fails to perform our obligations as a result solely from the following causes beyond our reasonable control, specifically: (i) transporting shortages or inadequate supply of equipment, merchandise, supplies, labor, material or energy; (ii) compliance with any applicable law; or (iii) war, strikes, natural disasters or acts of God. Any delay resulting from any of these causes shall extend performance accordingly or excuse performance in whole or in part as may be reasonable, except that these causes shall not excuse payments of amounts owed to us for any reason.
- 20.5. Cumulative Remedies.** The rights and remedies provided in this Agreement are cumulative and neither you nor we will be prohibited from exercising any other right or remedy provided under this Agreement or permitted by law or equity.
- 20.6. Collection Costs, Expenses and Attorney Fees.** If a claim for amounts owed by you to us or any of our affiliates is asserted in any legal proceeding or if either you or we are required to enforce this Agreement in a judicial or arbitration proceeding, the party prevailing in such proceeding will be entitled to reimbursement of its costs and expenses, including court costs, expert witness fees, discovery costs and reasonable accounting and attorneys' fees and costs on appeal together with interest charges on all of the foregoing. All such costs and expenses shall be prorated to properly reflect any partial prevailing or losing of the parties to the arbitration, as determined by the arbitrators.
- 20.7. Binding Effect.** This Agreement is binding on and will inure to the benefit of our successors and assigns. Except as otherwise provided in this Agreement, this Agreement will also be binding on your successors and assigns, and your heirs, executors and administrators.
- 20.8. Entire Agreement.** This Agreement, including its introduction, addenda and exhibits, constitutes the entire agreement between you and us. There are no other oral or written understandings or agreements between you and us concerning the subject matter of this Agreement. Nothing in this Agreement or any related agreement is intended to disclaim Franchisor's representations made in the Franchise Disclosure Document.
- 20.9. Severability.** If, for any reason, any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions, and/or covenants of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions, and/or covenants will be deemed not to be a part of this Agreement.
- 20.10. Survival.** Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), will survive such expiration, termination or assignment, including but not limited to Articles XII, X, XIII, XV, XVI, and XVII.
- 20.11. Amendment.** Any modification or change in or to this Agreement must be in writing and signed by each of the parties thereto and this Agreement and any modification or change

thereto must be approved in writing by N ZONE SPORTS before this Agreement or any modification or change can take effect or bind either party.

IN WITNESS WHEREOF, the parties have executed this Agreement under seal, as of the day and year first above written.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “**Summary**” sections of Item 17(c), titled “**Requirements for franchisee to renew or extend,**” and Item 17(m), entitled “**Conditions for franchisor approval of transfer**”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “**Summary**” section of Item 17(d), titled “**Termination by franchisee**”: You may terminate the agreement on any grounds available by law.
5. The following is added to the end of the “**Summary**” sections of Item 17(v), titled “**Choice of forum**”, and Item 17(w), titled “**Choice of law**”:

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 *et seq.*), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

Washington Addendum to the Franchise Disclosure Document, Franchise Agreement, and Related Agreements

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the

commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

The undersigned parties do hereby acknowledge receipt of this Addendum.
