What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay Royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has registration requirements, or to contact your state, use the agency information in Exhibit “O.”

Your state also may have laws and require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state require other risks to be highlighted.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

**THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS
THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE
FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE
PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.**

1. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

2. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

3. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

4. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

5. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

6. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(a) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

7. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

8. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

The Businesses construct and market detached residential single-family homes and attached multi-family homes (collectively, the “**Residential Homes**”) in the non-exclusive geographic area we designate utilizing our System (the “**Territory**”). If you are a business entity, your principal owners will be required to sign a “Principal Owner’s Guaranty” requiring them to guaranty your obligations under the Franchise Agreement and a “Principal Owners Statement” identifying each owner and their interest in you. Our current form of “Principal Owner’s Guaranty” is attached as Exhibit “G” to this disclosure document. In order to qualify for a Business, you must (a) capitalize your Business with cash and equity in real property that will be used in the Business in an amount of at least \$535,000, depending on the market and your business plan, and (b) maintain a “Net Worth” of at least 2% of the previous calendar year contract

volume (but not less than \$100,000). Loans and advances to shareholders or signatories to the Franchise Agreement are classified as equity distributions for Net Worth determination.

Market and Competition

You will be competing with other builders, sellers, and lessors of Residential Products. In some instances, Businesses will compete with each other to sell homes in the same geographic areas, and for the same or similar types of customers. Your customers will be those consumers seeking places to live, and who can afford to purchase the Residential Products you offer. Some of your competitors are publicly held large companies with vast resources. Others are private companies that may be large or small, though, typically competition consists of builders who build 5 to 50 homes per year. Some of your competition may be affiliated with other real estate service providers that may give them competitive advantages. Your Residential Products will be offered to the general public and will be primarily focused on move-up home buyers. Depending on your Business' location, different geographic housing markets may experience certain high/low seasonality due to weather and consumer buying patterns.

Alumni Program

We offer an Alumni Program for franchisees who have recently retired from active full-time Building Company status. These alumni are franchisees who, after expiration of their franchise agreement, have requested to continue to build Residential Products per 12-month period, in accordance with our Systems and our Marks. They will utilize our Marks and otherwise participate in our System and pay associated fees for the licenses and support services that we provide. They will be authorized to sell and build Residential Products only in their existing territories and nowhere else. They are not permitted to advertise, market, or promote their continuing part-time business in any way other than posting an AR Homes site sign on their properties. They will not be permitted to build, operate, or sell Model Homes or detached single family homes, including Land, for which the start date precedes the effective date of a building agreement, home purchase agreement, or lot purchase agreement (“**Inventory Home**”) during that time period. Their territories may overlap with the territory in which you have rights to build homes, and therefore you may face limited competition from them.

Industry Specific Regulation

Your Business must maintain all required state or county licenses for home builders. Your sales personnel may be required to be licensed real estate brokers or salespersons.

You are responsible to ensure that the Plans we provide will conform to all local or state governmental codes or ordinances in the state in which you will build Residential Homes. For example, you must ensure that all of the Plans and construction meet all applicable building codes. You, at your expense, must modify the Plans to comply with zoning ordinances, FEMA regulations, local building codes, and other regulations. You must secure any local architectural and engineering licenses or stamps for any of the Plans you use. Applicable state, city, or county zoning regulations will greatly impact your Business and you will need to spend monies on a consistent basis to obtain necessary permits, special exceptions, variances and the like. You must operate the Business in full compliance with all applicable laws and regulations, including, without limitation, those relating to construction warranties and construction permitting. The laws and regulations enforced by the Occupational Safety and Health Administration (“**OSHA**”), the Federal Housing Administration (“**FHA**”), or the Veterans Administration (“**VA**”) will apply to your Business. The Americans with Disabilities Act (“**ADA**”) will apply to both the operation of your Business and your construction practices. You will be subject to applicable state or federal laws and regulations which regulate the activities of real estate brokers or sellers, home sales (like the Real Estate Settlement Procedures Act (“**RESPA**”)), other laws and regulations governing the construction or sale of

Residential Homes, other state and federal laws and regulations governing mortgage brokers and state or federal environmental laws, rules and regulations and the like.

You should consider these laws and regulations when evaluating your purchase of a franchise.

ITEM 3 LITIGATION

Pending Litigation

Scott Tate and wife Enid Tate v. Ethics Construction Company and Arthur Rutenberg Homes, Inc. Case No. L-20486 in the Circuit Court for Blount County, Tennessee. On or about June 5, 2020, Plaintiffs Scott and Enid Tate (“**Plaintiffs**”) filed a complaint against us relating to a contract between the Plaintiffs as Buyer and our former franchisee Ethics Construction Company, LLC (“**ECC**”) as Builder, for the construction of a single-family home in Blount County, Tennessee. The Plaintiffs allege claims of aiding and abetting, fraudulent and/or negligent misrepresentation, and negligence and seek actual damages in an amount no less than \$250,000.00. All the claims are based on allegations that ECC received a deposit from Plaintiffs in the amount of \$96,700.00 and other construction draw payments and then went out of business before completing construction of Plaintiffs’ house. We filed a motion to dismiss the complaint on July 10, 2020, denying any liability. Plaintiffs then filed an amended complaint alleging the same 3 claims against us as those in the initial complaint. On April 5, 2021, we filed an answer denying the allegations and asserting affirmative defenses, thereby denying any liability to the Plaintiffs. Discovery has concluded and the case is set for trial in May of 2025.

Concluded Actions

F&S Frame and Trim, Inc. vs. Catenac Custom Homes, Inc. and Arthur Rutenberg Homes, Inc. (Case No. 2011-11333-CI-19 in the Sixth Judicial Circuit in and for Pinellas County, Florida). The Plaintiff is F & S Frame and Trim, Inc. (“**Plaintiff**”), who supplied labor and materials to our former franchisee, Catenac Custom Homes, Inc. (“**Catenac**”). Plaintiff filed the initial Complaint on November 29, 2011 against Catenac only. On December 17, 2012, Plaintiff filed a Second Amended Complaint also naming us as a Defendant. In the Second Amended Complaint, Plaintiff alleged that Catenac did not pay for the labor and materials provided to Catenac on homes it constructed. Plaintiff also asserted claims for Breach of Contract as Alter Ego, Statutory Claim Under Section 713.346, and Breach of Contract Implied in Law, Violation of Florida Unfair and Deceptive Trade Practices Act (“**FDUTPA**”) against us. Plaintiff demanded a jury trial. On February 25, 2013, we moved to dismiss the Second Amended Complaint. On March 19, 2013, the Court granted our Motion to Dismiss. On April 11, 2013, Plaintiff filed a Third Amended Complaint for Breach of Contract as Alter Ego, Statutory Action under Section 713.346, and Violation of FDUTPA. We filed a Motion to Dismiss the Third Amended Complaint on April 22, 2013 and on October 4, 2013, the Court dismissed all claims against us except the FCUTPA claim. On October 24, 2013, Plaintiff filed a Fourth Amended Verified Complaint asserting claims against us for Breach of Contract as Alter Ego, Statutory Action under Section 713.346, Violation of FDUTPA, and Breach of Contract as successor corporation. On November 18, 2013, we again moved to dismiss all claims against us. The Court granted the Motion to Dismiss as to the Alter Ego claim but denied the Motion to Dismiss as to the remainder of the claims. We then filed our Answer and Affirmative Defenses for Summary Judgment with respect to each of Plaintiff’s remaining claims. Plaintiff was seeking recovery of \$268,503.25. This matter was settled in September 2015 for a nuisance value of \$10,000.00 to avoid any further unnecessary expenditure of attorney’s fees and costs.

Other than these 2 actions, no litigation is required to be disclosed in this Item.

Notes:

- (1) All fees are non-refundable and payable to us unless otherwise stated. All fees are uniformly imposed unless otherwise stated.
- (2) We require payment of Royalties by automated clearing house (“ACH”) system.
- (3) Our Royalties are as follows:

Fee on ASP	Product
4.25%	Single Family Residential Products that do not include Land
3.50%	Single Family Residential Products that include Land; provided that if your cost of the Land exceeds 40% of the ASP of the Residential Product, then no fee is due on that portion of the ASP that exceeds 40% of the ASP
3.50%	Single Family Residential Projects that do not include Land but are constructed on Land on which a Royalty was previously incurred.
4.25%	Remodeling Projects
4.00%	Single Family Residential Projects that include Land and complete furnishing regardless of whether the furnishings are sold on a separate Bill of Sale
3.50%	Multi-Family Communities
3.50%	Land not sold for commercial use, industrial use or multi-family rental use
Varies	Residential Products constructed on Land sold by an affiliated or related company the Royalty is the greater of: (a) 4.25% of ASP of the Residential Product; or (b) 3.5% of the ASP of the Residential Product plus 3.5% of the ASP of the lot as evidenced by the final lot closing statement between the Land seller and the customer.

- (4) The amount of your Minimum Annual Royalty (“MAR”) will be set by mutual agreement and set forth on Exhibit A to your Franchise Agreement. The requirement to pay the MAR begins on the first January 1 following 18 months from the effective date of the Franchise Agreement. If the National Bureau of Economic Research (or its successor agency as we specify (the “Bureau”)) declares at least 1 full calendar quarter during that calendar year as a recession (as the term is defined by the Bureau), then the MAR will be suspended for the entire calendar year following such quarter and the calendar year immediately following the Bureau’s declaration of the end of the recession..
- (5) ASP means the sum of: (i) the amount shown in the “Total Cost” column of the Customer Statement of Account as prepared in accordance with the Accounting Manual; and (ii) any amounts expended by the customer with third parties for work performed on the Residential Product prior to Closing. We reserve the right to estimate a fair ASP of work done by such third parties if actual invoices are unavailable. It includes the total amount receivable from closings of Residential Products and Land, whether for cash or credit, whether or not payment is received, without deduction of any kind. In the case of conveyances of Residential Products in return for the buyer assuming or

cancelling indebtedness otherwise due, it includes the amount of indebtedness cancelled or assumed. It applies to any lot that you purchase and carry for a period of more than one day on the general ledger of your franchise. But it does not include lots that are sold to your Buyer by a third party in connection with a Building Agreement or that you sell to a specific customer where you only act in the capacity of a real estate broker. It includes furnishings in the case of a Model Home.

- (6) Royalties are due on the date you receive any funds from the customer or lender, including the initial customer deposits, purchase agreements, design agreements, change orders, construction draws or for any other reason. On Inventory Homes and Model Homes being built with company cash, Royalties are payable semi-monthly based upon the greater of the work in progress amount or funds received during construction. On Presale Package 1 (“PK1”) contracts being built with company cash, fees are paid upon closing. Royalties are payable at closing of Land sold with or without a simultaneous building agreement. On all Inventory Homes in which the Franchisee is financing the construction of the home, fees are due on the greater of the work in progress amount or funds received during construction at the rate of 1%. At closing with the third party buyer, the balance of fees are due. In an effort to assist with franchise cash flow considerations, we will defer Royalty payments for up to 6 months from the start date. At the end of the 6th month, ACH payments will begin based on the then amount of draws received to date, or work in progress, and, as now, the final fee payment will be trued up at the time of closing with the third party purchaser.
- (7) Commencing on the first January 1 following 18 months after the Effective Date, you must pay us at least the following percentage of the Minimum Annual Royalty each calendar year (an “MAR Period”):

<u>Year</u>	<u>%</u>
1	25%
2	50%
3 and thereafter	100%

For example, if the Effective Date is May 15, 2025, then the Minimum Annual Royalty payment requirement, and MAR Period, will begin January 1, 2027 (October 15, 2026 is 18 months, and so MAR Period 1 begins on January 1, 2027 and MAR Period 2 begins January 1, 2028). If during the applicable MAR Period, you have paid us total Royalties in an amount less than the applicable percentage of the Minimum Annual Royalty, then you must pay us the difference in full within 15 days of our invoice.

Example:

Franchise Agreement Signed	MAR Period 1 25%		MAR Period 2 50%		MAR Period 3 – 10 100%	
	Effective Date	True Up Date	Effective Date	True Up Date	Effective Date	True Up Date
05/15/2025	01/01/2027	12/31/2027	01/01/2028	12/31/2028	01/01/2029	12/31/2029*

**and each year thereafter.*

- (8) We evaluate the market rate on an annual basis and adjust this fee accordingly.
- (9) This fee is adjusted annually based on the actual costs of materials.
- (10) This fee is adjusted based on the actual costs of the trip.

- (11) An Event Home is a furnished or staged home that is open for a brief, specified period of time for a special event (such as Home-A-Rama, Parade of Homes, or similar events).

Notes:

- (1) The initial franchise fee is fully earned and non-refundable when paid.
- (2) You are required to construct a Model Home in which to locate your sales office (the “**Sales Office**”) and to show customers the type of Residential Products available. The estimate for the Model Home includes costs for the Sales Office, Sales Office furnishings, home furnishings, home lot purchase, construction costs, architect and/or engineer fees and signage. The Sales Office furnishings include desk, chairs, bookcases, etc. Home furnishings include furniture, decorative items, wallpaper and faux painting, etc. The costs for Sales Office furnishings and home furnishings will vary based upon the size, layout, and type of Model Home, furniture manufacturers and other suppliers. Our Interiors Department provides design services including all material and finish selections, model merchandising, purchasing, and installations for a fee typically ranging from \$45 to \$50 per square foot of living area in the Model Home (included in this estimate). If you elect to use an outside model merchandising firm for a Model Home they will need to obtain our approval following our documented evaluation process including submitting an application describing the firm’s experience merchandising luxury model homes. You may be able to finance a portion of the Model Home cost. If you finance the Model Home with a third-party lender, we estimate the lender would require the amount of your equity to be about 80% of the total cost of the Model Home. You may also be able to finance an additional amount through AR Models (see Item 10), which could lower your equity investment in the Model Home to as low as \$100,000.

- (3) This estimate includes expendable office supplies like pens, pencils, paper, stationary, brochures, displays, food, beverages, and other miscellaneous office expenses.
- (4) The amount you spend on computer equipment will vary based on the type of computer equipment you already have. At a minimum you will need computer equipment for two persons, but your needs for computer equipment and the number of persons who will be using the computer equipment will depend upon the size of your Business. The initial franchise fee includes your license to use our Software Bundle. The low-end estimate assumes that you already have computer equipment for one person that meets our specifications.
- (5) This amount represents an estimate of the down payment on your annual insurance premiums. You must obtain insurance coverage as described in our Manuals. Your cost of insurance may vary depending on the insurer, the location of your Business, your claims history, and other factors.
- (6) We provide initial training for you (or if you are a business entity, your owners), your Building Company President, purchasing personnel, and salespersons without charge. You are responsible for all travel and living expenses.
- (7) This amount represents the estimated cost of various operating licenses required at the local, regional, or state level. Your actual costs may vary from the estimates based on the requirements of these government agencies.
- (8) This estimate is for the cost to employ an attorney, accountant and other consultants to assist you in establishing your Business and reviewing the franchise documentation. These fees will vary from location to location depending upon the prevailing rate of attorneys', accountants' and consultants' fees.
- (9) This estimate is for the cost to engage a structural engineer to engineer your Key Home.
- (10) This estimate is for a media campaign leading up to the opening of your model home. The campaign begins approximately 4 months from the signing of your Franchise Agreement.
- (11) We estimate that required and working capital will vary depending on your background and experience as follows:

Category	Range of Capitalization
Builders with an ongoing business and a management team in place and construction jobs in process or under construction that will provide income for generally 12 to 18 months while the Building Company is trained and a Model Home is planned and built.	\$325,000 - \$525,000
New start-up franchisees who are ex-executives of local, regional and national builders.	\$425,000 - \$625,000
Investor/Owners with no industry experience who would need to hire an experienced Building Company President at start-up, as well as other key employees, i.e. purchasing, accounting and construction managers.	\$575,000 - \$700,000

- (12) You will need additional funds during the start-up phase of your Business to pay employees, purchase supplies, and pay other expenses. The start-up period is estimated to be 12 months.

These figures are estimates, and we cannot assure you that you will not have additional expenses.

- (13) We relied on our past experience in operating a Business to compile these estimates.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Standards and Specifications

Your Business must be operated in accordance with the mandatory and suggested specifications, standards, operating procedures and rules that we prescribe from time to time for the operation of a Business (collectively, “**System Standards**”). System Standards regulate, among other things, marketing materials, use and display of the Copyrights and Marks, insurance requirements, computer system requirements and other policies governing the conduct of your Business. You must build your Model Home and Residential Homes according to the Plans. You must also build your Model Home and Residential Homes according to our quality standards (the “**Quality Standards**”). We can only inspect and enforce the standards on Model Homes. Your Building Agreements and Home Purchase Agreements with your customers will obligate you to build your customer’s homes to a minimum standard, which will require craftsmanship equal to or better than those stated in the National Association of Home Builders (NAHB), Residential Construction Performance Guidelines, Consumer Reference, Sixth Edition or construction performance guidelines published by the applicable state or local Home Builders Association, whichever are more stringent. We will notify you in the Manuals or other communications of the System Standards and Quality Standards. Required purchases in accordance with our System Standards represent approximately 25-30% of the total cost to establish a Business and approximately 25-30% of the total cost to operate a Business.

Purchases from Us

You are not required to purchase, lease or rent any real estate, products, inventories, fixtures, or computer equipment from us or an affiliate.

Preferred Vendors

You are required to purchase certain approved materials, supplies, services, and equipment (e.g. construction materials, services or equipment, fixtures, and appliances) from approved vendors, manufacturers, distributors, and service providers (“**Preferred Vendors**”) for the operation of your Business and construction of your Model Home. You are also required to use our Preferred Vendors for all other homes unless the customer has requested a product supplied by a non-Preferred Vendor. We require a 75% participation rate of the Preferred Vendors. We estimate that the cost of these items represents approximately 25-30% of your total purchase in establishing a Business and approximately 25-30% of the total cost to operate a Business.

We may designate ourselves or our affiliates as Preferred Vendors of other items. Currently, neither we or any affiliates are designated as Preferred Vendors for any products or services. If we or our affiliates become Preferred Vendors, we may derive revenue from required purchases when you buy through us or our affiliate. There are currently no Preferred Vendors in which any of our officers own an interest.

The following table summarizes the approximate percentages of your purchases of equipment and supplies through sourcing restrictions, based on the nature of the restriction. There are substantial restrictions placed on the source of your purchases.

REQUIRED PURCHASES FROM US	REQUIRED PURCHASES FROM PREFERRED VENDORS	REQUIRED PURCHASES IN ACCORDANCE WITH OUR SPECIFICATIONS AND STANDARDS
Establishment – 0%	Establishment – 25-30%	Establishment – 25-30%
Operation – 0%	Operation – 25-30%	Operation – 25-30%

Except as otherwise set forth in this disclosure document, we do not provide any material benefits to you based on your purchase of particular products or services or use of particular suppliers. Occasionally, Franchisees in the same geographic areas work with each other on purchasing initiatives.

Changes to Preferred Vendors

If you want to substitute materials or vendors in a Model Home for products or services that one or more of our Preferred Vendors provides, you must first submit sufficient information, specifications and samples for our determination as to whether the product or service complies with our System Standards and/or the vendor meets approved vendor criteria. Such substitutions will require our written approval after we review the information you or the proposed vendor provides or such other information we deem relevant. We do not charge a fee for this determination. We will respond to you within 30 days of our receipt of your request to substitute materials or vendors. We will, from time to time, establish procedures for submitting requests for approval of items and suppliers and may impose limits on the number of approved items and Preferred Vendors. Approval or revocation of a vendor may be contingent upon product quality, pricing, and service capabilities. This approval may be temporary, subject to further evaluation of the supplier. Our approval of any Preferred Vendor means that it has met the standards and specifications we designate of Businesses, and not that we in any way warrant or guaranty the vendor or item’s safety, performance or workmanship.

Purchase Arrangements

We have negotiated purchase arrangements with Preferred Vendors or other suppliers, distributors, manufacturers or service providers to receive rebates on certain products and services purchased from them by non-participating franchises pursuant to our specifications and standards. We or our affiliates may derive revenue, profit, or other material considerations from your dealings with such designated suppliers in the form of rebates, cash payments, discounts, promotional allowances, and/or other payments. We retain all of the rebates, commissions, or other consideration we are paid, and have the right to use these amounts without restriction (unless we or our affiliates agree otherwise with the supplier) for any purpose we or our affiliates deem appropriate. In the fiscal year ended December 31, 2024, we received \$950,235.66 from such rebates, which was approximately 3.7% of our total revenues of \$25,253,201.00.

Preferred Vendor Rebate Program

On or about July 1, 2024, we instituted a Rebate Program for our franchisees with our nationally recognized Preferred Vendors who, from time to time, offer rebates as part of their programs, and/or other suppliers, distributors, manufacturers or service providers in which they agree to offer discounts and preferred services to our Franchisees (collectively, the “**Rebate Program**”). As a franchisee you are eligible to receive these rebate dollars if you meet the following criteria: 1) you clearly report the products used and the quantity purchased; 2) you properly record the closing in the software; and 3) you contribute to the Brand Fund (See Item 11). An administrative fee of 10% will be deducted from your rebates and

retained by us. Rebates are paid to you quarterly based on the rebates received by AR Franchising, Inc. Between July 1, 2024, and December 31, 2024, participating franchises collectively earned \$119,247.81 through the Rebate Program.

Pride In Partnership Program

Preferred Vendors have the opportunity to participate in our Pride in PartnershipSM program (“PIP”) in which they pay us advertising and promotional monies in return for certain benefits and services we offer them as vendors. Additionally, developers of lots for sale to our Franchisees or their customers are eligible to be included in the program. We negotiate both flat rate and per usage PIP fees, which vary dramatically. Most vendors pay PIP fees at a flat annual or periodic rate that is not tied to volume of usage. But, some pay PIP fees on a per use basis or another formula mutually agreed to by them and us. We use funds provided by our Preferred Vendors for marketing collateral to be used by Franchisees. In the fiscal year ended December 31, 2024, we received \$587,223.23 from participants, which was approximately 2.3% of our total revenues of \$25,253,201.00.

During the fiscal year ended December 31, 2024, the following Preferred Vendors paid \$10,000 or more in PIP fees: Acuity Brands, AHF Products, Corian Quartz, DalTile, Ferguson Enterprises, General Electric, HomeTeam Pest Defense, Huber Engineered Woods, Hunstman Building Solutions, IWT – Tesoro, James Hardie, Liftmaster, Mannington, Masterbrand Cabinets, Moen, Mohawk Industries, Navien, Rinnai, Schlage, Schneider Electric, Sherwin Williams, Trane, Viewrail, and Visual Comfort. The following vendors paid less than \$10,000: Amerock, Essential Cabinetry Group, Silestone (Cosentino), and Simpson Strong Tie.

Advertising Materials

In order for us to maintain our Quality Standards, any advertising you require that is outside of our standard advertising materials or services must be produced by us, at your cost, or by an advertising agency hired by you and approved in writing by us prior to the advertising agency doing work for you.

Plans

We will provide working drawings for the construction of our active Plans. We will do this electronically or otherwise as mutually determined. These working drawings do not incorporate local building codes and conditions, construction practices, rules, regulations or engineering requirements appropriate to your Territory, all of which are your and your engineer’s responsibility. We provide modifications of working drawings to include changes, options and upgrades required for your Model Homes. You must provide modifications of working drawings to include changes, options and upgrades required for your Inventory Homes or your customers. Any alterations or modifications to the Plans must be done by a CAD designer that we have previously approved in writing and from whom you have received and provided to us a signed Confidentiality Agreement on a form provided by us. You must not provide the Plans to others except your customers. You must follow our rules and guidelines relating to the Plans and working drawings.

We own (or may license from others) the Plans and their copyrights and we consider them to be part of the confidential information and Copyrights. Your use of the Plans and other Copyrights we designate is limited solely for purposes permitted by your Franchise Agreement. All Plans, including preliminary, working and other drawings, prepared by or for you during the term of your franchise agreement, and those Plans that are modified for customers or others, belong solely to us. We have the right to share Plans that you modify with other franchisees. You are responsible for assuring that all plans used in connection with your Business comply with all applicable federal, state and local laws and codes.

We will provide all Plans included in our Product Manual to you. You can order them electronically at no cost or pay for printing and mailing. If an architectural or engineer seal is required for permitting or architectural review boards, you may contract, at your expense, with an outside individual or firm to obtain the necessary seals.

We provide Standard Bills of Materials for active Plans and options. We do this as a convenience to you. We use reasonable efforts to ensure their accuracy, but we do not guarantee their accuracy. You exclusively determine the use of this information and the sales prices you charge customers. You must modify and update the Standard Bills of Material we provide for building code requirements, site conditions, and other conditions in the Territory.

Model Homes

During the term of the Franchise Agreement, you must maintain at least one Model Home open to the public in your Territory. You are responsible for ensuring that the Model Home meets our System Standards and Quality Standards. We require approval of all aspects of the Model Home including but not limited to floor plan, specifications, options and upgrades, location, elevations, elevation colors, landscaping, hardscape (i.e., walks, patios, pools, fences, and the like), parking, signage, interior merchandising, furnishings and Sales Offices. In order for us to maintain aesthetic standards for your Model Home, you are required to use our services or companies approved by us for interior design, Sales Office design and landscape design. You must comply with all applicable federal, state, and local laws, regulations, codes, rules and ordinances. The Model Home must be open 7 days a week per the required operating policies. Acquisition of a lot and design of your first Model Home must be completed within 12 months of the date of the Franchise Agreement. Construction of your model must be completed to our satisfaction within 12 months of commencement of construction.

Warranty Policy

You must offer, abide by, render and assume all costs of warranty services to your customers in compliance with warranty policies we prescribe from time to time as meeting System Standards (the “**Customer Warranty**”) or as prescribed by the state in which you are building. The Customer Warranty warrants the Residential Homes against defects in materials, workmanship and construction. We may change the terms of the Customer Warranty periodically.

Computer System

You must use our Software Bundle and hardware components and accessories that we require (collectively, the “**Computer System**”). You must comply with any changes to the Computer System specifications and you may incur costs for doing so.

Insurance

You are required to maintain in force, at your expense and under policies issued by carriers approved by us, the following types and limits of insurance coverage for your benefit and the benefit of us, our affiliates and designees (for general and umbrella liability purposes, we will be named as an additional insured):

1. Comprehensive liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of your Business;

2. Completed operations coverage against claims for construction defects for damages or harm to Residential Products and personal property and improvements;
3. Comprehensive motor vehicle insurance (including personal injury protection, uninsured motorist protection, hired not owned, and “umbrella” coverage) for any motor vehicles operated by your Business;
4. Umbrella liability insurance, if required to increase total liability coverage for the above insurance policies to a minimum of \$1,000,000 limit;
5. General casualty and property insurance, including fire and extended coverage (for wind, lightning, sinkhole), vandalism and malicious mischief insurance, for full replacement value of the structure and contents of your Model Homes and Residential Products (Builder’s Risk Insurance);

7. Employee liability insurance or such other insurance as required under any lease or other financing document (if any) for your Business.
8. We recommend that you carry Business Interruption Insurance, review this coverage with your licensed insurance agent.

Before the expiration of the term of each insurance policy, you must furnish us with a Certificate of Insurance of each new, renewal or replacement policy obtained by you to extend its coverage. If you do not maintain the required insurance coverage, or do not furnish us with satisfactory evidence of insurance coverage, we may obtain, at our option any required insurance coverage on your behalf and charge you the premiums we incur to do so. If we do so, you must fully cooperate with us in our efforts to obtain the insurance policies and must promptly sign all forms required to obtain or maintain the insurance. You must also allow any inspections of your Franchise, Model Home(s) or Residential Products required to obtain or maintain insurance.

**ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING,
COMPUTER SYSTEMS, AND TRAINING**

Except as listed below, we are not required to provide you with any assistance:

Pre-Opening Obligations.

Before you open your Business, we will:

1. Provide you with our active Plans and promotional materials. (Franchise Agreement, Section 4.1)
2. Provide you with a copy of our Manuals. (Franchise Agreement, Section 4.1)
3. Provide you with Standard Bills of Materials for Active Plans and Options. You solely determine the sales prices you charge your customers. (Franchise Agreement, Section 4.1)

4. Sublicense our Software Bundle to you. (Franchise Agreement, Section 4.2) We may specify third party and additional software at any time.
5. Provide training to you, your Building Company President and other personnel. (Franchise Agreement, Section 4.3) This training is described later in this Item in detail.
6. Provide you with a list of Preferred Vendors. You must use products and services of these Preferred Vendors for construction of your Model Home. You are also required to use our Preferred Vendors for all other homes unless the customer has requested a product supplied by a non-Preferred Vendor. (Franchise Agreement, Section 4.8)

Time to Opening

We estimate that, if you currently do not operate a homebuilding business, there will be an interval of 3 to 4 months between signing the Franchise Agreement and the opening of your Business. We define the time required to open your Business as the time you will need to do the following: (1) obtain necessary business licenses and permits; (2) obtain necessary general contracting licenses and requirements; (3) obtain office space from which to operate both as an administrative office and temporary Sales Office; (4) obtain a minimum of 2 computer work stations; (5) complete the New Franchise Onboarding and Orientation Program; and (6) compile a cost book. Factors that may affect this period may include your financial requirements and creditworthiness, the time required to obtain government permits, approvals and licenses, the time required for you to familiarize yourself with our System and to prepare your cost book, and the availability of land, lots, construction, labor, materials, equipment and the like.

You may not open a Model Home to the public until we have approved it. We estimate that it will take 18 months from signing your Franchise Agreement to complete your initial Model Home. You may open your Business for business prior to completion of a Model Home.

Continuing Obligations.

During the operation of your Business, we will:

1. For Single Family Homes:
 - (a) Approve or disapprove the site for the location of any Model Home (Franchise Agreement Section 1.3).
 - (b) Provide you with our active Plans, Standard Bills of Materials for Plans, and our Product Manual. (Franchise Agreement, Section 4.1)
 - (c) Provide you with the use of our Software Bundle and review your computer data electronically. (Franchise Agreement, Section 4.2) We may discontinue it and/or specify replacement or additional software supplied by us or third parties at any time and you will be responsible for related fees.
 - (d) Provide you with ongoing training. (Franchise Agreement, Section 4.3)
 - (e) Provide you with Advertising Materials. (Franchise Agreement, Section 4.4) We are not required to spend any amount for advertising in your Territory.

- (f) Review your advertising materials and inspect your Model Home for compliance with our Quality Control standards. (Franchise Agreement, Section 4.6)
2. For Multi-Family Homes:
- (a) Approve your architect and critique the preliminary plans. You will select an architect with our approval. You agree to provide architectural plans for Multi-Family Homes.
 - (b) Approve the working drawings.
 - (c) Produce, at your expense, a job bill of materials and Sales Collateral Materials for Multi-Family Homes built in Multi-Family Communities.
3. At our discretion, take periodic visits to your Business and evaluate services rendered to customers, as more fully described in the Franchise Agreement. (Franchise Agreement, Section 6.2(a))

Brand Fund

On July 1, 2024, we established an advertising and marketing fund (the “**Brand Fund**”) for our marketing, recruiting, advertising, and promotional efforts and materials, including but not limited to the website and marketing collateral. You must participate in our Brand Fund. The rate is currently set at 0.25% of the Contract Sales Price up to a maximum of \$25,000.00 annually. The fee is payable by the 15th day of each month following a month in which a sales contract was executed. We reserve the right to increase the rate to up to 1% of the Contract Sales Price up to a maximum of \$100,000.00 annually. You will receive a minimum of 6 months’ notice of a rate increase, with an effective date of January 1 the following year. The funds collected will be allocated to our directed, brand-related marketing activities including but not limited to public relations, advertising and marketing campaigns and templates. We may defer or reduce contributions of a franchisee and, upon 30 days’ prior written notice to you, to reduce or suspend contributions to and operations of the Brand Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the Brand Fund. If the Brand Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in proportion to their respective contributions to the Brand Fund during the preceding 12-month period. We or our affiliates may contribute to the Brand Fund on the same basis as our franchise owners.

We will direct all programs financed by the Brand Fund, may determine the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that the Brand Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; and supporting public relations, market research and other advertising, promotion and marketing activities. We will periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

The Brand Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Brand Fund and its programs, including, without limitation, conducting market surveys, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the Brand Fund. We may spend, on behalf of the Brand Fund, in any fiscal year an amount greater or less than the aggregate contribution of all franchisees to the Brand Fund in that year, and the Brand Fund may borrow from us or

others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Brand Fund will be used to pay advertising costs before other assets of the Brand Fund are expended. We will prepare a periodic statement of monies collected and costs incurred by the Brand Fund and furnish the statement to you upon written request. We have the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified in this Agreement.

You acknowledge that the Brand Fund is intended to maximize recognition of the Marks. We determine the use of the funds contributed to the Brand Fund. Although we will endeavor to utilize the Brand Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all franchisees, we undertake no obligation to ensure that expenditures by the Brand Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Brand Fund by franchisees operating in that geographic area or that any franchisee will benefit directly or in proportion to its contribution to the Brand Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the Brand Fund.

Between July 1, 2024, and December 31, 2024, five (5) existing franchises elected to participate in the Brand Fund program and the participating franchises collectively contributed \$58,163.13 to the Brand Fund. In the fiscal year ended December 31, 2024, contributions to the Brand Fund were spent as follows: 46% for print production; 11% for media placement; 41% for production expenses; and 2% on miscellaneous other expenses. We do not use any of the funds contributed to the Brand Fund principally to solicit new franchise sales.

Cooperatives

We do not have local or regional advertising cooperatives (“**Cooperatives**”), based on designated marketing areas. If a local or regional Cooperative is formed, you are not required to participate and/or contribute. We reserve the right to create at any time in the future, if or when we deem appropriate, in our sole discretion, a franchisee advisory council to serve as an advisory council to us with respect to the advertising, marketing, operation, new product and service suggestions, and other matters relating to Businesses.

Advertising

We currently provide you with annual issues of our full color magazine (AR Living®), our full color brand brochure, templates of various digital messages, various sales collateral materials (which may change from time to time), which currently include house sheets of Models and non-modeled plans and folders to hold sales collaterals (collectively, “**Advertising Materials**”). In addition, we will create franchise specific collaterals for your franchise that conform to our brand standards but they are printed at your expense. We will make available to you the Advertising Materials and photography in our library for use in advertising generated by you, which will be transferred to you electronically without charge. In order for us to maintain our Quality Standards, any advertising you require that is outside of our standard advertising materials or services must be produced by us, at your cost, or by an advertising agency hired by you and approved in writing by us prior to the advertising agency doing work for you.

All advertising and promotion by you must conform to our brand standards and requirements, as described in the brand style guide. All advertising, promotion and marketing you conduct will be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time to time. Samples of all advertising, promotional and marketing materials which we have not prepared or previously approved must be submitted to us for

approval before you use them. If you do not receive written disapproval within 30 days after our receipt of such materials, we will be deemed to have given the required approval. You may not use any advertising or promotional materials that we have disapproved.

We maintain a website on the Internet, which includes specific sections for your use in promoting your Business. You may not advertise, promote, post, or list information relating to your Business on the Internet (through the creation of a website or otherwise), unless we decide to include information about your Business on our website. You are not permitted to own a separate website related to your Business. Any community websites that are owned by a franchisee, including affiliated or related companies, that will feature AR Homes® products, must conform to our brand style guide, terms of the franchise agreement and be consistent with all our branding. Furthermore, we must approve the design, and any changes to it, prior to release to the public.

Site Development

You and we will agree on a Territory prior to you entering into a Franchise Agreement with us. If we cannot agree on a Territory, then we will not enter into a Franchise Agreement with you. In assessing franchise territories, we review data involving population demographics, building permits, the number of lots available in upscale communities, and price points and the competitive builders and residential products. In larger markets, we have multiple franchises and territories and in smaller markets only one.

Your Model Home must be located within your Territory. We may establish, in our sole discretion, an Off-site Territory. The Off-site Territory does not preclude another Franchisee from operating a Model Home within a subdivided plot of Land or within a Community located in the Off-site Territory for the purpose of constructing Residential Products in such Community. (See Item 12).

Other than providing you with a list of Preferred Vendors and specifications in our manuals, we do not provide assistance with providing equipment, signs, fixtures, opening inventory and supplies. We do not deliver or install the items.

Computer System

You must purchase and use any and all hardware and computer software programs which we may designate. The computers are used for operating our Software Bundle, which is used for operating your Business (see below). We support Windows based hardware and will use our best effort to support any other hardware.

Currently, the minimum requirements for your computer hardware and software are: laptop PC or Mac with minimum 8G memory, minimum 240G of storage, an OS with currently supported and applied security patches by the OS vendor (e.g., Microsoft or Apple); and a laser or inkjet printer (per location). Your sales office should have a color printer with scan and copy capability. All computers are required to have an up-to-date anti-virus installed (security requirements may change as the cyber-security landscape evolves quickly). No additional software is currently required. You will need a reliable fast internet connection to use our Systems.

You must use our Software Bundle for sales, purchasing, construction, warranty, remodeling, accounting and general management. We will provide ongoing technical support to you in the use of the Software Bundle. We provide this access to your franchise via various methods of remote access, including, but not limited to, web pages, remote desktop systems, and via software that may be installed on your local computer. As part of our Software Bundle, we provide email addresses and service for your franchise

employees. Software that we provide for your franchise use is currently included as part of your fees paid to us, but we reserve the right to change this. Thus, we may both charge for our Software Bundle separately and/or require you to utilize other software we specify and pay associated license and maintenance fee.

We estimate the cost of the Computer System hardware will be approximately \$1,500 to \$5,000, depending upon the size of your Business and if you already have computer hardware that meets our specifications. You must have computer hardware for a minimum of 2 persons. We may discontinue, modify and change the software we offer to you and specify that you use other software in substitution, replacement or in addition to the software we currently provide.

Neither we, our affiliates, nor any third parties are required to provide ongoing maintenance, repairs, upgrades or updates to your Computer System. Currently, there are no optional or required maintenance/upgrade contracts for the Computer System. You are responsible to maintain your Computer System, though we retain the responsibility to maintain ARIS.

You must install any other hardware or software for the operation of your Business that we may require in the future, including any enhancements, additions, substitutions, modifications and upgrades. We require that you utilize our Software Bundle and our accounting manual to operate your business. We have independent access and can retrieve all of the information regarding your Business stored in your Computer System at any time. There is no contractual limitation on the frequency or cost of these obligations.

ARIS Partners offers licenses to existing homebuilders, granting them the right to use software similar to the ARIS software that we license to you. Licensees of ARIS Partners may operate their homebuilding businesses anywhere without any geographic restriction; and, therefore, they may solicit customers in the market in which you serve. However, homebuilder licensees of ARIS Partners do not have any rights to use our Marks or our marketing plans and systems. Homebuilder licensees of ARIS Partners operate under their own business and trade names. Further, homebuilders that become licensees through the use of the software have access to cost information and vendor benefit programs that are also available to you. However, the version of ARIS software that they utilize is different in certain respects from the version that you utilize; particularly, the customer interface and the use of forms and documents. ARIS Partners operates out of the same offices and facilities as we do. We do not have a dispute resolution plan for any conflicts between us, ARIS Partners, our franchisees, and the licensees of ARIS Partners regarding territory, customers, and franchise support.

Technology Fee

We charge a monthly Technology Fee of \$1,000. The Technology Fee covers access to our Software Bundle, reasonable technical support during the operation of your Business, access to our Learning Management System, AR Connect, and our central information portal; as well as advice and assistance from our experienced franchise support team for up to five (5) users.

Manuals

After you sign the Franchise Agreement, we will provide you with access to our manuals (the “**Manuals**”). A copy of the table of contents of the Manuals is attached as Exhibit “K.” We consider the contents of the Manuals to be proprietary, and you must treat them as confidential. You may not make any copies of the Manuals. Our Manuals currently contain a total of 1,432 pages.

Training

You (or if you are a business entity, your owner(s)) (“**You**”) and, your Building Company President must complete the new franchise onboarding and orientation program (the “**New Franchise Onboarding and Orientation Program**”) and training on acquiring vacant land (the “**Land Program**”). You, your Building Company President, and each salesperson must complete the sales portion of the initial training program (the “**Initial Training Program**”). We may terminate your Franchise Agreement if you fail to complete our New Franchise Onboarding and Orientation Program or our Initial Training Program to our satisfaction. It is recommended that you and your personnel begin the New Franchise Onboarding and Orientation Program within 30 days after signing the Franchise Agreement. You are required to complete the New Franchise Onboarding and Orientation Program within four (4) months of signing. The Initial Training Program must be completed within 12 months of signing the Franchise Agreement. Training, in general, is ongoing and will be provided throughout your tenure as a Franchisee (“**Ongoing Training Program**”). Failure to complete the training programs in the required time periods may result in the termination of your Franchise Agreement. After 12 months, we will charge our then-current hourly rate (currently, \$60 - \$100 per hour) plus transportation and living expenses for any Training Program at your facility. We will also charge our then-current hourly rate for any individual Training Program at our facility, classroom training or remote sessions, but we will not charge for online, self-paced learning. The New Franchise Onboarding and our Training Program are held at our headquarters, via remote sessions, in which the trainer can remotely view the trainee’s computer screen at your office, or at a training facility designated by us. All travel, lodging and related expenses incurred by you and your personnel in connection with the New Franchise Onboarding and Orientation Program, Initial Training Program and the Ongoing Training Program will be your responsibility. ITEM 12 TERRITORY

You receive the right to operate a Business in your Territory at a defined geographic location described in Exhibit A to the Franchise Agreement. Your Territory is determined by governmental or geographic divisions that will be set forth in your Franchise Agreement. Your Model Home must be located within your Territory, and you may operate multiple Model Homes in your Territory subject to our approval. You agree not to build or sell Residential Products located outside your Territory, or in any Community, that we have designated for someone else. We may grant other Franchisees, or ourselves, the right to operate a Business within your Territory. If we grant more than one Business in a Territory, then we may establish, in our sole discretion, an “**Off-site Territory**”. An Off-site Territory is a defined geographic area within a Territory that is exclusively reserved to one Franchisee for the purposes of constructing off-site Single Family Residential Products. However, the Off-site Territory does not preclude another Franchisee from operating a Model Home within a subdivided plot of Land or within a planned unit development (a “**Community**”) located in the Off-site Territory for the purpose of constructing Residential Products in such Community.

You must operate the Business only in the Territory and may not relocate it.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We do not offer options, rights of first refusal or similar rights to acquire additional franchises.

Any rights not expressly granted to you in the Franchise Agreement are reserved by us and our affiliates. Except as described above, we and our affiliates retain all rights with respect to the Businesses, the Marks, the sale of similar or dissimilar products and services, and any other activities that we deem appropriate whenever and wherever we desire, including, in our discretion and without granting any right to you, to:

- (a) sell (or authorize others to sell) products and services identified by the Marks, or other trade names, trademarks, service marks, and commercial symbols for other services (e.g., repair service, interior décor, home furnishings, remodeling, lending brokerage, title service, etc.);
- (b) operate ourselves or offer, sell, and support franchises or licenses for businesses which operate residential home building businesses inside or outside a Territory that do not have the Marks;

- (c) market, promote, and advertise Residential Products in your Territory with or without using the Marks, Copyrights or System;
- (d) license or sell to others adaptations of our computer software, hardware, and technical services developed by us or in part licensed from other providers;
- (e) engage in any activities not expressly forbidden by the Franchise Agreement;
- (f) communicate directly with any customers for the purpose of monitoring your performance under the Franchise Agreement;
- (g) provide the services and sell any products authorized for AR HOMES® Businesses using the Marks or other trademarks and commercial symbols through alternate channels of distribution, such as joint marketing with partner or affiliate companies, mobile applications, online platforms, and Internet and catalog sales, including such services or products from or sold to any business that offers goods or services the same as or similar to those provided by AR HOMES® Businesses or in which trade secrets and other confidential information could be used to the disadvantage of us, any affiliate, or another franchisee (a “**Competitive Business**”) inside and outside the Territory;
- (h) establish, own, or operate, and license or franchise others to establish, own, or operate, AR HOMES® Businesses at any location outside the Territory under any terms and conditions we deem appropriate;
- (i) acquire the assets or ownership interests of one or more businesses offering and selling products and services similar to those offered and sold at AR HOMES® Businesses (even if such a business operates, franchises, or licenses a Competitive Business), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those business (or the franchisees or licensees of those businesses) are located or operating, including within the Territory; and
- (j) to be acquired (through acquisition of assets, ownership interests, or otherwise regardless of the transaction form) by a business offering and selling products and services similar to those offered and sold at AR HOMES® Businesses, or by any business, even if such business operates, franchises, or licenses a Competitive Business inside or outside the Territory.

We are not required to pay you if we exercise any of the rights specified above inside the Territory. You may solicit customers and advertise your Business anywhere you choose. There are no restrictions on you, any of our other Franchisees, any of our affiliates, or us to prevent any soliciting or advertising in another’s Territory. No party is obligated to pay compensation to any other party for soliciting customers from the other party’s Territory.

Licensees of ARIS Partners may operate their homebuilding businesses anywhere without any geographic restriction; and, therefore, they may solicit customers in the market in which you serve. (See Item 11).

Under our Alumni Program, we allow certain franchisees whose franchise agreements have expired to continue to build and sell Residential Products on a limited basis. The Alumni Program permits a participant to build and sell a maximum of 4 Residential Products per calendar year. Participants in the Alumni Program utilize our Systems and our Marks but may not advertise, market or promote their

part-time business in any way other than posting an AR Homes site sign on the property. They are also limited to providing these building sales and services only in the territory in which they previously operated. Their building activities in that territory may overlap with yours, and therefore you may face competition from them. They are prohibited from interfering with your operation in any way.

**ITEM 13
TRADEMARKS**

We grant you the right to use certain Marks. The primary Marks we use are AR HOMES®, AR LIVING®, AR HOMES® (design), AR HOME STUDIO® and HOME DREAM HOME®. Currently, all required affidavits have been filed.

HOME DREAM HOME®	6,146,686	09/08/2020
	6,618,858	12/18/2021

There is no presently effective determination of the PTO, the Trademark Trial And Appeal Board, or any state trademark administrator or court, nor any pending infringement, opposition, or cancellation proceeding in which we unsuccessfully sought to prevent registration of a trademark in order to protect a trademark licensed by us, nor any pending material litigation involving the Marks which is relevant to its ownership, use or licensing.

All required affidavits have been filed. We intend to renew all registrations and file all appropriate affidavits for the Marks at the times required by law. We know of no superior prior rights or infringing use that could materially affect your use of the Marks, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

Use of the Marks

Your right to use the Marks (including any additional Marks we authorize you to use) is derived solely from the Franchise Agreement and is limited to your operation of your Business and in compliance with the Franchise Agreement and all applicable standards and operating procedures we prescribe. You may not use any Mark as part of any corporate name or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols, or in any other modified form without our prior written approval. You may not use any Mark in connection with the performance or sale of any unauthorized services or products, or in any other manner we have not expressly authorized in writing, nor use any of the Marks in a manner that we have determined may result in our liability for any indebtedness or obligation of you. You must follow our instructions for identifying yourself as a Franchisee and for filing and maintaining the requisite trade name or fictitious registrations.

We reserve the right to change or substitute different trade names, service marks, trademarks and indicia of origin for the Marks if the Marks can no longer be used, or if we determine, in our sole discretion, that substitution will be beneficial to the System. If we do, you agree if requested to discontinue or modify your use of any Mark or use one or more additional or substitute Marks, at your expense. You agree to comply with our directions within the time period prescribed in our notice. We will not be obligated to reimburse you for any expenses or loss of revenue attributable to any modified or discontinued Mark or for any expenditures you make to promote a modified or substitute trademark or service mark.

You must execute any document we or our counsel determine are necessary to obtain protection for the Marks or to maintain their continued validity and enforceability. You may not take any action that would prejudice or interfere with the validity of our rights with respect to the Marks and may not contest the validity of our interest in the Marks or assist others to do so.

You will notify us when you are aware of any infringement of the Marks and you will cooperate with us in any proceedings relating to such infringement. We are not obligated by the Franchise Agreement, or otherwise, to protect any rights you have to use the Marks and we are not obligated to protect you against claims of infringement or unfair competition arising out of your use of the Mark, although we may do so when this action is in the best interest of the System. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the Marks. We may modify, change, delete or discontinue the Marks or your use of any of the Marks and you agree to follow our directions regarding any change in the use of the Marks.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any patents that are material to the franchise.

We do claim copyright protection and proprietary rights in the original materials used in the System, including our Plans, Manuals, bulletins, correspondence and communications with our Franchisees, training, advertising and promotional materials, and other written materials relating to the operation of the Businesses and the System. Certain of our Plans have been registered with the United States Copyright Office (Library of Congress). Each individual Plan, by itself, is not material to the franchise. Exhibit "L" to this disclosure document lists the Copyrights that have been registered with the United States Copyright Office (Library of Congress).

There is no presently effective determination of the U.S. Copyright Office (Library of Congress) or any court affecting our copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We have no actual knowledge of any infringements that could materially

affect the ownership, use or licensing of the copyrights. You will notify us when you are aware of any infringements of copyrights or confidential information and you will cooperate with us in any proceeding relating to such infringement. We are not obligated by the Franchise Agreement, or otherwise, to protect any rights you have to use the copyrights, although we may do so at our sole election.

All Plans, including preliminary, working and other drawings, prepared by or for you during the term of the Franchise Agreement, and those Plans that are modified for customers or others, belong solely to us. We have the right to share Plans that you modify with other Franchisees.

We treat all of this information as trade secrets and you must treat any of this information we communicate to you confidentially. You (or your owners) must agree not to communicate or use our confidential information, including the Manuals and any other information we create or approve for use in operating your Business, for the benefit of anyone else during or after the term of the Franchise Agreement. You must not copy, record or otherwise reproduce these materials, or make them available to unauthorized persons. Certain individuals having access to our confidential information (including outside CAD designers) may be required to sign confidentiality agreements in a form that we approve.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

System Standards may require adequate staffing levels for the AR HOMES® Business to operate in compliance with System Standards and address appearance of AR HOMES® Business personnel and courteous service to customers. However, you have sole responsibility and authority for your labor relations and employment practices, including, among other things, employee selection, promotion, termination, hours worked, rates of pay, benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. Under no circumstances will we control the forms or terms of employment agreements you use with your Business employees or otherwise be responsible for your labor relations or employment practices.

During the term of the Franchise Agreement, you (if you are an individual), or your Building Company President must devote full time and best efforts to the management of the Business. Your Building Company President (“BCP”) is the main individual responsible for your Business and thus becomes a prominent representative of the AR HOMES® brand in your Territory. Accordingly, you must obtain our written approval of the qualifications of your BCP. During the term of the Franchise Agreement, if your BCP acts in a way that is detrimental to the brand, and if that action cannot be corrected, or is not corrected after we give you 30-days written notice of the detrimental action(s), we will provide a second written notice to you, after which you must engage a replacement Building Company President, approved by us, within 90 days. Your BCP may, but is not required to, own an interest in the franchise. Your BCP is required to live in your Territory, unless we waive the requirement in writing. In addition, you (or if you are a business entity, your owners), your Building Company President and each salesperson must complete our Training Program.

At our request, your personnel or agents who have received or will have access to our training and confidential information must sign confidentiality agreements in a form that we require. Furthermore, any outside CAD designer that you contract with must sign a confidentiality agreement in a form that we require.

If you are a business entity, we may require each of your owners to personally guaranty your obligations to us under the Franchise Agreement. These guarantees will be substantially in the form of the Principal Owner’s Guaranty attached as Exhibit “G” to this disclosure document. The Principal Owner’s

Statement, attached as Exhibit “H” to this disclosure document, describes all of your owners and their interests in you. If your spouse or other family members are also owners of your business entity, they must also sign the Principal Owner’s Guaranty.

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You may offer for sale all products, and perform all services, that we authorize. You may not offer for sale or perform any services that we have not authorized. Our System Standards may regulate required or authorized products, product categories and supplies. These are described in our Manuals and other writings.

All Model Homes you build must meet our System Standards and Quality Standards for construction. All other homes you build must meet the Quality Standards exhibited in your Model Homes. The Quality Standards may regulate required or authorized products, product categories and supplies. Through the System Standards, we have the right to change the types of required and/or authorized products and services or the manufacturers, distributors, vendors or service providers of them from time to time.

We require you to open and operate each Model Home during the hours specified in the required operating policies set forth in the Manual.

Your Business will be marketed on the website we maintain. You are not permitted to own a separate website related to your Business.

PUBLIC FIGURES**

We do not use any public figure to promote the franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

We compiled these figures for 29 of the 42 existing, active franchised AR Homes® Building Companies that closed a home in 2024 and have reported their full year financial results to us through ARIS. We obtained these financial results from the information provided by our franchisees through ARIS, our software management information system—as reported by the franchised Building Company. As of the issuance date, there are 13 franchised Building Companies that have either not closed a home in 2024 or not reported their full year financial results to us through ARIS, so they have been excluded from the results.

The table below shows the Closing Revenue, Gross Profit, Adjusted Net Income and percentage of Closing Revenue results for 29 franchises in 2024 in various statistical categories:

2024 Calendar Year	High	Low	Average	Median	# and % Exceeded Average
Closing Revenue (1)	\$45,096,236	\$1,787,914	\$14,747,541	\$10,358,953	11 of 29 / 38.0%
Gross Profit / % of Closing Revenue (2)	\$9,153,348 / 20.3%	\$436,413 / 24.4%	\$2,736,090 / 18.6%	\$1,965,488 / 19.0%	10 of 29 / 34.0%
Adj. Net Income / % of Closing Revenue (3)	\$6,370,615 / 14.1%	345,931/ 19.3%	\$1,228,495 / 8.3%	\$574,921 / 5.5%	12 of 29 / 41.0%

Notes to Table

(1) Annual Closing Revenues are the total revenues received from the sale of homes at closings completed during the reporting period.

(2) Gross Profit equals Closing Revenues less certain variable expenses. These expenses include, but are not limited to home construction costs, sales commissions and franchise Royalties incurred by the franchised Building Company.

(3) Adjusted Net Income consists of the Net Income reported to us plus the amount of compensation paid to the franchised Building Company owners (including salaries and benefits) reported to us but may not include other owner benefits.

All AR Homes® Businesses offer substantially the same homebuilding construction and services to the public.

Some outlets have sold and earned these amounts. Your individual results may differ. There is no assurance you'll sell or earn as much.

Neither we nor an independent certified public accountant has independently audited or verified the information.

We have written substantiation in our possession to support the information appearing in this financial performance representation. Written substantiation will be made available to you upon reasonable request.

Other than the foregoing information, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Chief Executive Officer, Donald L. Whetro, at 160 Fountain Parkway N, Suite 210, St. Petersburg, Florida 33716-1410 and (727) 536-5900 ext. 304, the Federal Trade Commission, and the appropriate state regulatory agencies.

Opinion

We have audited the consolidated financial statements of AR Franchising, Inc. (a Florida Corporation) and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations, changes in shareholders' equity (deficit) and cash flows for the years ended December 31, 2024 and 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AR Franchising, Inc. and Subsidiaries' internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AR Franchising, Inc. and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1. Organization and Significant Accounting Policies

Description of the Business

AR Franchising, Inc. (“ARF”) is a franchisor of residential home building companies (the “Franchises” or “Franchisees”) engaged in the sale and construction of high quality, single- family homes primarily in the midwestern and southeastern United States. ARF provides its trade name, residential designs, computer software, computer network (including hosting capabilities), purchasing information, volume purchasing arrangements and marketing programs and services to the Franchises. In addition, ARF offers interior design services to the Franchises and their customers.

ARF owns 100% of the outstanding membership interests of ARH Models, LLC and ARH Financial, LLC (collectively “AR Models”). AR Models builds, leases and sells model homes for franchisees of ARF. The accounts and results of operations for AR Models are included in the accompanying consolidated financial statements. In 2019, ARH Models stopped building model homes and transitioned into financing franchisee’s home construction. In conjunction with transition in the business model, the Company began liquidation of all model homes and land. As of December 31, 2021, the Company no longer owned any model homes or land parcels.

ARIS Partners, LLC (“ARIS”) is wholly owned by ARF. ARIS was established to license internally developed business systems, including software, to existing homebuilding companies that do not want to purchase a more restricted and inclusive franchise agreement from ARF. The accounts and results of operations are included in the accompanying consolidated financial statements.

Effective January 1, 2020, all of the shareholders of AR Franchising, Inc., and its wholly owned subsidiaries discussed above, contributed all outstanding shares to AR Family Holdings, LLC, a Florida limited liability company.

Principles of Consolidation

The consolidated financial statements are comprised of the accounts of ARF, ARIS, and AR Models. Collectively, these entities are referred to as the “Company”.

All significant intercompany balances and transactions have been eliminated in consolidation.

In accordance with the provisions of Accounting Standards Codification (“ASC”) Topic 810, the Company completes a review of potential variable interest entities (“VIEs”) and assesses whether it is the primary beneficiary of any potential VIEs. Based on this review and assessment as of December 31, 2024 and 2023, the Company determined that there are no separate entities in which the Company has ownership interest or is deemed to control, or for which it is the primary beneficiary. See further information in Note 11.

Franchise Operations

The Franchise network consists of 42 Franchises as of December 31, 2024, 42 Franchises as of December 31, 2023, and 46 Franchises as of December 31, 2022. At December 31, 2024, 2023, and 2022, no Franchises have additional rights to use the “Corial by Arthur Rutenberg” brand and trademark.

In addition, the ARIS licensing network consists of six licensees as of December 31, 2024 and 2023.

Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid financial instruments with original maturities of three months or less.

AR Franchising, Inc. and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2024 and 2023

Restricted Cash

Restricted cash consists of funds collected from Franchises for estimated premiums payable under a Company-sponsored insurance policy.

Receivable from Franchises

Receivables from Franchises consist primarily of amounts due from the Franchises for custom residential design and interior design services. Accounts receivable from customers and vendors consist primarily of amounts due from customers for interior design services and from vendors for coop advertising expenses.

The allowance for credit losses is an estimate calculated based on an analysis of current business and economic risks, customer and Franchise credit-worthiness, specific identifiable risks, or other factors that may indicate a potential loss. The allowance is reviewed on a regular basis to ensure that it adequately provides for all reasonably expected losses in the receivable balances. As of December 31, 2024 and 2023, the Company's allowance for credit losses amounted to approximately \$749,000 and \$151,000, respectively.

Interior Design Installation in Process

Interior design installation in process is stated at the lower of cost or net realizable value and consists primarily of direct material costs related to the Company's interior design services and sales of furniture and accessories to furnish model homes and homes being constructed by franchise customers.

Internally Developed Software

Application development stage costs and upgrade and enhancement costs for significant internally developed software projects are capitalized and amortized over 3 years as part of computer equipment and software and are included in property and equipment in the accompanying consolidated balance sheets.

Revenue Recognition

The Company applies the provisions of ASC *Topic 606, Revenue from Contracts with Customers* (ASC 606). This standard requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Company has evaluated each of the five steps in ASC 606, which are as follows: (1) Identify the contract with the customer; (2) Identify the performance obligations in the contract; (3) Determine the transaction price; (4) Allocate the transaction price to the performance obligations; and (5) Recognize revenue when (or as) performance obligations are satisfied.

Franchise Revenues

Franchise revenues include two performance obligations. The first performance obligation is the initial training and onboarding of new franchises, which includes all of the activities that enable franchisees to operate the franchises. These activities are fundamental to operating in the homebuilding industry and are thus not specific to the Company. Initial franchise fees are fixed and recognized ratably over the period of onboarding and training (typically 3 to 6 months), as the customer simultaneously receives the benefit as the Company performs the service. The second performance obligation entails providing a license to access ARF's intellectual property during the term of the franchise agreement. This license includes the brand name, product manuals, computer systems, marketing programs and services, and vendor purchase programs. License revenue consists of a sales-based royalty recognized monthly over the term of the franchise agreement (typically 10 years). Some contracts may include a financing component; however, the overall impact to the financial statements is deemed immaterial. Intercompany revenues and costs are eliminated in consolidation. Incremental costs to obtain contracts include primarily commissions which are capitalized and amortized over the average franchise life (typically 10 years).

Interior Design Services and Merchandise Sales

Interior design services and merchandise sales contain two performance obligations. The first performance obligation is the preparation and delivery of an interior design plan and revenue is recognized upon presentation and delivery of the design plan, which is when the Company transfers control of the asset to the customer. The second performance obligation is the installation of the interior design materials, for which revenue is recognized over time, given that the Company's performance results in an asset for which it has no alternative use, and the Company is entitled to payment for performance completed to date. The Company measures progress toward complete satisfaction of this performance obligation using a cost-to-cost method. Intercompany revenues and costs are eliminated in consolidation. Fees in contracts for interior design and merchandise sales are typically fixed. In addition, the Company has elected to exclude taxes collected on behalf of third parties from the transaction price.

Residential Design Fees

Residential design services represent one performance obligation which is the design and delivery of a personalized floor plan or set of working drawings. Revenue is recognized over the period of performance based on labor hours incurred. Fees for these services are typically variable; however, given the short duration of the contract, variability is typically settled within a short period of time. Intercompany revenues and costs are eliminated in consolidation.

Interest Income

ARF earns interest income over time based on stated interest rates on notes receivable issued to franchises.

Advertising, Residential Design, and Other Franchise Support Services

The Company supplies the Franchises with various services, including advertising and sales support, residential design, data processing, and purchasing information support. Costs associated with providing these services are reported as expenses in the accompanying consolidated statements of operations. Advertising costs are expensed as incurred.

Income Taxes

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under these provisions, corporations are not required to pay federal or Florida state corporate income taxes on their taxable income. Instead, the shareholders are taxed on the taxable income of the Company. The tax returns and the amount of distributable income or loss are subject to examination by federal and state taxing authorities. If such examinations result in changes to distributable income or loss, the tax liability of the shareholders would be changed accordingly.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by management in preparing the accompanying consolidated financial statements include allowances for receivables from Franchises and notes receivable, impairment of useful lives for property and equipment including internally developed software. Actual results could differ from those estimates.

Leases

The Company determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of ROU assets and lease liabilities on the consolidated balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Company determines lease classification as operating or finance at the lease commencement date.

The Company combines lease and nonlease components, such as common area and other maintenance costs, in calculating the ROU assets and lease liabilities for its office buildings and vehicles.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The Company has made a policy election to use a risk-free rate (the rate of a zero-coupon U.S. Treasury instrument) for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term.

The lease term may include options to extend or to terminate the lease that the Company is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

The Company has elected not to record leases with an initial term of 12 months or less on the consolidated balance sheets. Lease expense on such leases is recognized on a straight-line basis over the lease term.

The Company has determined that it has no finance lease arrangements at December 31, 2024 and 2023.

Lease payments have an escalating fee schedule, which range from a 0% to 3% increase each year. Termination of the leases is generally prohibited unless there is a violation under the lease agreement. The Company has no material related-party leases. Note 9. Employee Retention Credit

In response to the economic impact of the COVID-19 pandemic, Congress introduced the Employee Retention Credit (ERC). The ERC is a refundable payroll tax credit available to taxpayers who experienced either a full or partial suspension of business operations or had a significant drop in gross receipts during 2020 and 2021. For 2020, the credit is computed at a rate of 50% of qualified wages paid, up to \$10,000 per eligible employee in wages and healthcare, with a maximum credit in 2020 of \$5,000 per eligible employee. For 2021, the credit is computed at a rate of 70% of qualified wages paid, up to \$10,000 per eligible employee in wages and healthcare, per quarter, for a total of up to \$21,000 per eligible employee for 2021.

AR Franchising, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

The Company qualified for the ERC based on a reduction in gross receipts. The Company applied for the ERC in 2023 and elected to account for the ERC as a government grant by analogy to IAS 20, *Accounting for Government Grants and Disclosure of Government Assistance*. Under IAS 20, the ERC may be recognized once there is reasonable assurance that the Company will comply with the conditions attached to the ERC and the ERC will be received. During 2020-2022, the Company incurred qualifying wages and recognized \$1,705,414 associated with the ERC as grant income in other income in the 2023 consolidated statements of operations.

Note 10. Related Party Transactions

Amounts reported in the 2024, 2023, and 2022 consolidated statements of operations include the following transactions with related parties:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Franchise fee income	\$ 516,444	\$ 735,226	\$ 605,868

As of December 31, 2024 and 2023, approximately \$17,000 due from related parties is included in receivables from Franchises, net. As of December 31, 2024, approximately \$84,000 was due to related parties is included in accounts payable and accrued liabilities. Also, see related party receivables noted below in Note 12.

Note 11. Variable Interest Entities

During 2019, the Company instituted a program to assist the franchises with the financing related to the construction of new model homes that involves traditional construction-perm financing from a third-party lender. Under this program, the franchises create a special purpose limited liability company (“SP LLC”) for each model home project. The third-party lender provides between 70-80% of the financing and assumes a first mortgage and ARF provides the remaining (“Gap”) financing which is secured by the SP LLC’s member’s equity. The franchise owners of the SP LLC have all voting and control rights over the SP LLC including decision-making authority regarding location, design, furnishings, and sales negotiations with third-party buyers. In the case of an uncured default by the SP LLC on the provided loans, ARF has the right to appoint a new manager and assume the SP LLC’s member’s rights. Upon the sale of the model home to a third-party buyer, ARF is entitled to a 30% share in net profits, if any.

With respect to the Company’s involvement with SP LLC entities, the Company is required, under ASC Topic 810, to evaluate whether or not such entities require consolidation into the Company’s consolidated financial statements. The Company initially performs these evaluations when each new entity is created and upon any events that require reconsideration of the entity. In order to determine if the Company should consolidate an SP LLC, the Company determines if the SP LLC is a variable interest entity and if the Company is the primary beneficiary of the entity. To determine whether the Company is the primary beneficiary of an entity, the Company considers whether they have the ability to control the activities of the VIE that most significantly impact its economic performance. This analysis considers, among other things, whether they have: the ability to determine the budget and scope of construction of the model home; the ability to control financing decisions for the VIE; and the ability to determine the timeframe for sale and pricing of the model home. The Company has concluded that there are variable interests in the LLCs but as the Company does not have the ability to control such activities discussed above, they are not considered the primary beneficiary of the VIE. As of December 31, 2024 and 2023, the Company determined that no SP LLC in which they have variable interests met the requirements of a VIE for consolidation.

AR Franchising, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Amounts related to the Gap financing provided to these SP LLC entities totaled approximately \$1,908,000 and \$3,353,000 at December 31, 2024 and 2023, respectively, and are included in Notes receivable from Franchises, net in the accompanying consolidated balance sheets. The Company has also received interest prepayments required on the Gap financing to SP LLC entities. These interest prepayments received by the Company totaled approximately \$59,000 and \$143,000 at December 31, 2024 and 2023, respectively, and are included in Franchise and customer deposits in the accompanying consolidated balance sheets.

As the debt is repaid, shares are released from collateral and the Company reports compensation expense equal to the current market price of the shares released by ESOP contributions. Dividends on allocated ESOP shares are recorded as a reduction of retained earnings; dividends on unallocated ESOP shares are recorded as a reduction of debt and accrued interest.

The amount contributed by the Company to the ESOP in 2024 and 2023 was \$869,125 and \$1,323,389, respectively, which was equal to the debt service. THIS FRANCHISE AGREEMENT (this “**Agreement**”) made effective this ___ day of ___, 20__ (the “**Effective Date**”) by and between **AR FRANCHISING, INC.**, a Florida corporation, having its principal place of business at 160 Fountain Parkway N, Suite 210, St Petersburg Florida 33716-1410 (hereinafter referred to as “**Franchisor**”, “**us**”, “**our**”, or “**we**”); and _____, a(n) **[Individual] [Type of Entity]**, having its principal place of business at _____ (hereinafter referred to as “**Franchisee**”, “**you**”, or “**your**”). Capitalized terms used in this Agreement shall have the meanings specified in Section 2 of this Agreement or as set forth in the body of this Agreement.

INTRODUCTION

We have, as a result of the expenditure of our time, money, and considerable effort, developed (and continue to develop and modify) our unique system offering services for the planning, construction, and sales of Resident Products and residential housing, including both Single Family Homes and Multi-Family Homes, consisting of our distinctive Plans, Marks, Copyrights, Software Bundle, Programs, Manuals, documents, and materials, as well as our formats, methods, marketing and promotion strategies, policies, procedures, standards, specifications, training, trade secrets, business relationships, and confidential information (collectively, the “**System**”) which is used for the establishment, development, and operation of an AR HOMES® franchise (the “**Franchise**” or “**AR Homes® Franchise**”).

The System is identified by specific Marks and Copyrights for use in connection with the System, which we have, by maintaining high standards of quality and service, established a reputation, demand, and goodwill for the Residential Products constructed and sold under our Marks and Copyrights.

We grant franchise opportunities to persons who meet our qualifications and are willing to undertake the investment and effort to own and operate an AR HOME® Franchise, and you desire to and have been approved to enjoy the benefits set forth in this Agreement to operate a Franchise in accordance with our System Standards and the terms and conditions of this Agreement.

OPERATIVE TERMS:

You and we agree as follows:

1. Grant of Franchise

1.1 Your Franchise and Territory

We grant you, and you accept upon the terms and conditions of this Agreement, the right to use the System, including the Marks and

Copyrights, to operate a Franchise within the specific Territory identified in Exhibit "A" of this Agreement.

1.2 Territorial Restrictions

Your Franchise may only operate within the Territory identified in Exhibit "A" of this Agreement. Your Territory is determined by governmental and geographic divisions and is subject to our site selection guidelines. You agree not to build or sell Residential Products located outside your Territory, or in any Community, that we have designated for someone else.

We may grant other franchisees, licensees, or ourselves, the right to operate a Franchise within your Territory. If we grant more than one Business in a Territory, then we may establish, in our sole discretion, an Off-site Territory. The Off-site Territory does not preclude another franchisee or licensee from operating a Model Home within a subdivided plot of Land or within a Community located in the Off-site Territory for the purpose of constructing Residential Products in such Community.

Any rights not expressly granted to you in this Agreement are reserved by us and our affiliates. Except as described above, we and our affiliates retain all rights with respect to the Franchise, the Marks, the Copyrights, the sale of similar or dissimilar products and services, and any other activities that we deemed appropriate whenever and wherever we desire, including, in our discretion and without granting any right to you, to:

- a. sell (or authorize others to sell) products and services identified by the Marks, or other trade names, trademarks, service marks and commercial symbols for other services (e.g., repair services, interior décor, home furnishings, remodeling, lending, brokerage, title services, etc.);
- b. operate ourselves or offer, sell, and support franchises or licenses for businesses that operate residential home building businesses inside or outside the Territory that do not use the Marks;
- c. market, promote, and advertise Residential Products in your Territory with or without using the Marks, Copyrights, or System;
- d. license or sell to others adaptations of our computer software, hardware, and technical services developed by us or in part licensed from other providers;
- e. establish, offer, sell, or operate for ourselves or through affiliates, home building franchises at any location that do not feature the AR Homes® Mark for operation anywhere with no obligation to you under any terms and conditions we deem appropriate;

- f. engage in any activities not expressly forbidden by this Agreement;
- g. communicate directly with any customers for the purpose of monitoring your performance under this Agreement;
- h. provide the services and sell any products authorized for AR HOMES® Franchises using the Marks or other trademarks and commercial symbols through alternate channels of distribution, such as joint marketing with partner or affiliate companies, mobile applications, online platforms, and Internet and catalog sales, including such services or products from or sold to any business that offers goods or services the same as or similar to those provided by AR HOMES® Franchises or in which trade secrets and other confidential information could be used to the disadvantage of us, any affiliate, or another franchisee (a “**Competitive Business**”) inside and outside the Territory;
- i. establish, own, or operate, and license or franchise others to establish, own, or operate, AR HOME® Franchises at any location outside your Territory under any terms and conditions we deem appropriate;
- j. acquire the assets or ownership interests of one or more businesses offering and selling products and services similar to those offered and sold at AR HOMES® Franchises (even if such a business operates, franchises, or licenses a Competitive Business), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those business (or the franchisees or licensees of those businesses) are located or operating, including within the Territory; and
- k. to be acquired (through acquisition of assets, ownership interests, or otherwise regardless of the transaction form) by a business offering and selling products and services similar to those offered and sold at AR HOMES® Franchises, or by any business, even if such business operates, franchises, or licenses a Competitive Business inside or outside the Territory.

We are not required to pay you if we exercise any of the rights specified above inside the Territory.

- b. your organizational or governing documents will recite that the issuance and transfer of any ownership interests in you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;
- c. you will complete a "Principal Owner's Statement," which will completely and accurately describe all of your owners and their interests in you, and everyone who has voting or management rights and obligations. A copy of our current form of Principal Owner's Statement is attached to the Franchise Disclosure Document;

Optionally, we provide various printed Sales Collateral Material which will change from time to time. You must not use any advertising, marketing, or promotional materials we have not made available unless and until we have reviewed them and approved them for use, including on the Internet.

4.6 Websites

We own and maintain the website www.ARHomes.com which provides information about the brand and franchise system in general and each franchise in particular, and we may own and maintain others as we see fit. To maintain consistent branding, you are not permitted to own and operate a separate website related to your franchised business unless prepared and maintained in accordance with our Manuals with our prior authorization. You may not advertise, promote, post, or list information relating to your Franchise on the Internet (through the creation of a website or other media platform), unless we decide to include information about your Franchise on our website. Any community websites that are owned by a franchisee, including affiliated or related companies, that will feature AR Homes® products must conform to our brand style guide, terms of this Agreement, and be consistent withal our branding. Furthermore, we must approve the design, and any changes to it, prior to release to the public.

4.7 Quality Control

In order for us to maintain quality control standards for our marketing and advertising in all forms, you agree that any advertising will be produced by us at your expense or by an external advertising agency hired by you.

In order to maintain consistent quality of construction and product throughout the brand and System, we retain authority to inspect and approve all aspects of each Model Home that you own or operate. You agree to adhere to our standards regarding Model Homes as described under Model Homes in the Required Franchise Operating Policies section of AR Connect.

Homes delivered to buyers must meet or exceed the Quality Standards shown in the Model Homes. We will inspect Model Homes during construction and upon completion by you to determine compliance with this Agreement, Required Franchise Operating Policies and/or Quality Control Standards. You must contractually obligate yourself to your customers to construct and deliver their Residential Product with the quality standards equal to or greater than those stated in the most current edition of the National Association of Home Builders (“**NAHB**”), Residential Construction Performance Guidelines, and Consumer Reference. Should an arbitrator or court determine that the material or workmanship in your customer’s Residential Product is below the NAHB quality standard and if you fail to promptly correct the items determined to be below that NAHB standard, you will be in material breach of this Agreement and we may, at our option, terminate this Agreement in accordance with its terms.

4.8 Services in General

You must operate the Franchise according to our System standards, operating procedures, rules, and specifications that we periodically prescribe to you from time to time through our Manual, Required Franchise Operating Policies, or other channels (“**System Standards**”). You acknowledge and agree that complete uniformity might not be possible or practical under varying conditions, and that we specifically reserve the right to vary or change the mix of services, products, and System Standards we provide to all franchisees or for any franchise owner as we determine. We may choose not to authorize similar variations or accommodations to you or other franchise owners.

4.9 Preferred Vendors

- a. You are required to purchase certain approved materials, supplies, services, and equipment from our Preferred Vendors. We have entered into agreements with systemwide Preferred Vendors in order to obtain benefits for all franchisees and the franchise system. To

comply with those agreements, you are required to use their products and services for the operation of your Franchise, for the construction of your Model Homes, for the construction of and/or sale of Residential Products, and to offer and sell such products and services for your customers unless they expressly require otherwise. We require a 75% participation rate of the Preferred Vendors.

- b. b. Exceptions to the foregoing require the written approval of the Vice President of Operations. If you want to substitute products and services in a Model Home for products or services that one or more of our Preferred Vendors provides, you must first submit sufficient information, specifications and samples for our determination as to whether the product or service complies with our System Standards and/or whether the vendor meets approved vendor criteria. Such substitutions will require our written approval after we review the information you or the proposed vendor provides or such other information we deem relevant. We do not charge a fee for this determination. We will respond to you within 30 days of our receipt of your request to substitute materials or vendors. We will, from time to time, establish procedures for submitting requests for approval of items and suppliers and may impose limits on the number of approved items and Preferred Vendors. Approval or revocation of a vendor may be contingent upon product quality, pricing, and service capabilities. This approval may be temporary, subject to further evaluation of the Vendor. Our approval of any Preferred Vendor means that it has met the standards and specifications we designate of Businesses, and not that we in any way warrant or guaranty the vendor or item's safety, performance or workmanship.

5. Use of Names, Marks, Copyrights, Manuals, and Plans, etc.

Through the expenditure of considerable time and effort, we have developed the System for the operation of a Franchise constructing Residential Products using the System, Copyrights, and Marks.

5.1 Trademarks

We own, use, promote and license the Marks and Copyrights. The Marks, Copyrights, and the System have gained and continue to gain acceptance and goodwill. We may in the future develop, enhance, modify, or delete various aspects of the System, Copyrights, or the Marks, and we may create, use, and license additional trademarks, service marks, logos, designs, artwork, and commercial symbols in conjunction with the operation of Franchises. We grant to a franchise the right to own and operate a Building Company offering the products and services we authorize and approve, utilizing the Marks, Copyrights, and the System.

You acknowledge and agree to the following:

- a. Your right to use the Marks, Copyrights, and System is derived solely from this Agreement and limited to the operation of your Franchise pursuant to and in compliance with this Agreement, our System Standards, and the Required Franchise Operating Policies we prescribe from time to time during the Term of this Agreement. Your unauthorized use of the Marks, Copyrights, or System will be a breach of this Agreement and an infringement of our rights in and to the Marks, Copyrights, or System.
- b. Your usage of the Marks, Copyrights, and System and any goodwill established by such use will be exclusively for our benefit. This Agreement does not confer any goodwill or other interests in the Marks, Copyrights, or System upon you (other than the right to operate your Franchise in compliance with this Agreement).
- c. Any additional trademarks, service marks, commercial symbols, designs, artwork, and logos may be authorized and licensed from time to time and all provisions of this Agreement regarding the Marks or Copyrights will apply to all other marks or copyrights authorized and licensed to you during the Term of this Agreement.
- d. You must utilize the Marks as the sole trade identification of your business, except that you must conspicuously identify yourself and your Building Company as independently owned and operated in the form and method that we prescribe from time to time on the AR Connect site under Advertising and Brand Policy. Therefore, you are required to register your fictitious name (also known as “**d/b/a**”) in accordance with applicable law.
- e. You agree to comply with the section of Required Franchise Operating Policy on AR Connect titled Restrictions on Co-Branding as it exists today and as it may be modified from time to time.

Specifically, you must not:

- (i) use any of the Marks, the initials **AR**, or the names **Rutenberg** or **Arthur Rutenberg** as part of any corporate name or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you), or in any modified form, without our prior written approval;
- (ii) use the Marks in connection with the performance or sale of any unauthorized services or products;

- (iii) employ any of the Marks in any manner that we have determined may result in our liability for any of your indebtedness or obligations;
- (iv) use the Marks with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we have licensed to you);
- (v) use the Marks as part of any website, domain name, email address, social media account, or other online presence on any electronic medium of any kind except in accordance with our guidelines set forth in the Manual, Required Franchise Operating Policy, or otherwise in writing from time to time; or
- (vi) use the Marks in any other manner that we have not expressly authorized in writing.

You agree to use or display the Marks prominently in the manner we prescribe at Model Homes and construction sites and with materials we designate and in connection with Advertising Materials. You agree that in activities like speeches, press releases, interviews and the like, you will not combine the name of your franchised company and “AR Homes” or “Arthur Rutenberg Homes” (or any derivative of it) or any of our Marks. You will use your best efforts to guide reporters not to combine the name of your franchised company with the Marks. You agree to give such notices of trademark and service mark registrations as we specify and to obtain any fictitious or assumed name registrations required under applicable law.

We may modify, change, delete, or discontinue any of the Marks or Copyrights or your use of any of the Marks or Copyrights and you agree to follow our directions regarding any change in the use of the Marks.

5.2 Copyrights

You recognize that the Plans and various other materials we give you are subject to our copyrights. Your right to use the Copyrights are derived solely from this Agreement and limited to your operation of your Franchise. Your unauthorized use of the Copyrights will be a breach of this Agreement and an infringement of our rights in and to the Copyrights. You will follow all of the policies and procedures we designate from time to time for the protection of any material which could be subject to copyright protection. You recognize that we will grant other franchisees the right to use the Plans and the Copyrights as well.

You may not use or display Plans furnished by us unless said Plans or drawings on each sheet, whether preliminary or final, shall contain the letter “c” within a circle and the year of the Plans or drawings or copyrights and the words “AR Franchising, Inc.” as in the following example:

You will promptly notify us when you are aware of any infringements in your Territory of any of the Marks, Copyrights, or any of our copyrighted designs and Plans. We will use reasonable efforts to cooperate with you in any proceedings relating to such infringements. You may not settle any claim without our written consent. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks, Copyrights, or any of our copyrighted designs and Plans.

5.3 **Plans**

Any Plans, including preliminary, working and other drawings, prepared by or for you during the Term of this Agreement shall be considered the property of the Franchisor and shall not be utilized by you should this Agreement Terminate.

6. **Your Obligations**

6.1 **Fees and Payments**

Initial Franchise Fee. The initial franchise fee for a Non-Exclusive Franchise is \$65,000, is due as of the Effective Date and must be funded within 72 hours of the signing of this Agreement. The initial franchise fee is non-refundable.

- a. **Royalties.** You agree to pay us a royalty (the “Royalty(ies)”) at the following rates:
- (i) 4.25% of the Adjusted Sales Price of Single Family Residential Products that do not include Land. However, for Single Family Residential Products that are financed by an investor or investment company in which Franchisee has a direct or indirect interest, the Adjusted Sales Price will be based on the price which an independent third-party would pay for such Single Family Residential Product or a fair market value basis.
 - (ii) 3.50% of the Adjusted Sales Price of Single Family Residential Products that include Land. (This includes Inventory Homes and Presale Packages)
 - (iii) 3.50% of the Adjusted Sales Price of Single Family Residential Products that do not include Land but are

constructed on Land on which a Royalty was previously incurred.

- (iv) 4.25% of the Adjusted Sales Price of Remodeling Projects.
- (v) 4.00 % of the Adjusted Sales Price of Single Family Residential Products that includes Land and complete furnishings, such as a Model Home, regardless of whether furnishings are sold on a separate Bill of Sale.
- (vi) 3.50% of the Adjusted Sales Price of Multi-Family Communities.
- (vii) 3.50% of the Adjusted Sales Price of Land. However, Land sold for commercial use, industrial use or multi-family rental use is exempt from Royalties. Land sold back to a developer or to another builder, without profit, is exempt from Royalties.
- (viii) In the case of Residential Products constructed on Land sold by an affiliated or related company, the Royalty is the greater of 4.25% of the Adjusted Sales Price of the Residential Product or 3.50% of the Adjusted Sales Price of the Residential Product plus 3.50% of the Adjusted Sales Price of the lot as evidenced by the final lot closing statement between the Land seller and the customer.

The Royalty must be paid to us as each deposit or draw is collected and in the method and manner we specify in Required Franchise Operating Policies. You will complete an Authorization Agreement for ACH Direct Deposits/Withdrawals (as shown on Exhibit "C") together with the execution of this Agreement. The account to be utilized for ACH Direct Deposits/Withdrawals will be your main operating account and you will utilize our chart of accounts for customer deposits. If applicable, you must also pay any federal, state or local taxes imposed on the Royalty in accordance with applicable laws and regulations.

During the term of this Agreement, we will waive the Royalty otherwise due for a total of one home built as the principal personal residence of a signatory to this Agreement or the Building Company President of the Franchise. In order to qualify for this treatment the following conditions must be met: 1) the franchise must have been in existence for at least twenty-four (24) months, 2) the franchise must be in good standing, and 3) the home must be occupied by this person for a minimum of twenty-four (24) months. You agree to account for this home on the books of the franchise using the same inputs and accounting methods used for customer homes.

- b. **Minimum Annual Royalty.** Notwithstanding the foregoing, during the term of this Agreement, commencing on the first January 1 following 18 months after the Effective Date, you must pay us at least the following percentage of the Minimum Annual Royalty each calendar year (an “MAR Period”):

<u>MAR Period</u>	<u>%</u>
1	25%
2	50%
3 and thereafter	100%

For example, if the Effective Date is March 15, 2025, then the Minimum Annual Royalty payment requirement, and MAR Period, will begin January 1, 2027 (October 15, 2026 is 18 months, and so MAR Period 1 begins on January 1, 2027 and MAR Period 2 begins January 1, 2028). If during the applicable MAR Period, you have paid us total Royalties in an amount less than the applicable percentage of the Minimum Annual Royalty, then you must pay us the difference in full within 15 days of our invoice.

The amount of your Minimum Annual Royalty will be set by mutual agreement and set forth on Exhibit “A.” It will be based on our assessment, as of the Effective Date, of the size of the Territory, its demographics, the strength of the local housing market in the Territory and such other factors as we determine appropriate.

If the National Bureau of Economic Research (or its successor agency as we specify (the “Bureau”)) declares at least 1 full calendar quarter during that calendar year as a recession (as the term is defined by the Bureau), then the MAR shall be suspended for the entire calendar year following such quarter and the calendar year immediately following the Bureau’s declaration of the end of the recession..

- c. **Brand Fund.**

- (i) We have established an advertising and marketing fund (the “Brand Fund”) for our marketing, recruiting, advertising, and promotional efforts and materials, including but not limited to the website and marketing collateral. You must participate in our Brand Fund. During the Term of this Agreement, you will contribute to the Brand Fund at a rate of .25% of the Contract Sale Price. This amount is to be paid no later than the 15th of each month following a month in which a sales contract was

executed. The current maximum annual contribution is \$25,000.00. We reserve the right to increase the rate to up to 1% of the Contract Sales Price with a maximum annual contribution of \$100,000.00. You will receive a minimum of six (6) months' notice of a rate increase, with an effective date of January 1 for the following year.

(ii) We determine the use of the funds contributed to the Brand Fund. The funds collected will be allocated to our directed, brand-related marketing activities including but not limited to public relations, advertising and marketing campaigns and templates. We may defer or reduce contributions of any franchisee and, upon 30 days' prior written notice to you, to reduce or suspend contributions to and operations of the Brand Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the Brand Fund. If the Brand Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in proportion to their respective contributions to the Brand Fund during the preceding 12-month period. We or our affiliates may, but have no obligation to, contribute to the Brand Fund on the same basis as our franchise owners.

(iii) We will direct all programs financed by the Brand Fund and determine the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that the Brand Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; and supporting public relations, market research and other advertising, promotion and marketing activities. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the Brand Fund.

If your general liability insurance is on a claims-made form, then you will be required to purchase tail insurance coverage based on the then-current requirements extending for a period of at least 3 years following the date of the policy's expiration, or the sale, non-renewal, termination, or other closure of your Franchise. You

agree that we may approve the policies, carriers and beneficiaries.

- (ii) **Evidence of Coverage.** Before the expiration of the term of each insurance policy, you will furnish us with a Certificate of Insurance of each new, renewal or replacement policy you have obtained to extend your coverage. If you do not maintain the required insurance coverage, or do not furnish us with satisfactory evidence of insurance coverage, we may, at our option, terminate this Agreement pursuant to Section 7.1 of this Agreement.

- p. **Multi-Family Construction** You agree to provide architectural plans for Multi-Family Homes. You will select an architect with our approval. You will work with the architect to develop preliminary plans. We will critique the preliminary plans and revise in collaboration with you. You will review the changes with the architect and resolve the issues or differences. The architect will produce the working drawings. We will approve the working drawings with you.

You agree to hire an engineer, at your expense, to provide necessary engineering for the plans to meet local code requirements. You agree to hire an engineer, at your expense, to inspect Multi-Family Homes at various pre-determined stages of construction to assure that they conform to the plans, specifications, applicable codes and good construction practices. You agree to furnish copies of reports of such inspections to us and to correct any discrepancies contained therein. Further, you agree to order re-inspections to confirm that the discrepancies are corrected and furnish copies of these re-inspection reports to us.

We will produce job bill of material and Sales Collateral Materials for Multi-Family Homes built in Multi-Family Communities. The cost of all of these will be billed to the Franchise.

6.3 **Inspections and Audits**

- a. **Inspection.** To determine whether you and your Franchise are complying with this Agreement, the Manual, the System Standards, Required Franchise Operating Policies, and our quality and brand standards, we or our designated agents have the right at any time during your regular business hours, and without prior notice to you, to:
 - (i) inspect your Model Homes or main office;

- (ii) observe the operations of your Franchise for such consecutive or intermittent periods as we deem necessary; and
- (iii) interview personnel, suppliers, subcontractors, service providers and customers of your franchised business.

You agree to cooperate with us fully in connection with any such inspections, observations and interviews. You agree to participate and/or request your customers to participate in any surveys, observations, inspections, and interviews we perform or conducted on our behalf. You must promptly correct or repair any condition that does not comply with quality established by the National Association of Home Builders (NAHB), Residential Construction Performance Guidelines as referenced in your customer's Building Agreement or Home Purchase Agreement. Your failure to timely make such corrections after we notify you of them, may result in termination of this Agreement pursuant to its terms.

You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. If (i) our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we may require, (ii) your failure to deliver such items on a timely basis, or (iii) if the information provided to us or maintained by you is not accurate by a factor understating the amount due us by 2% or more, then you agree to reimburse us for the cost of such inspection or audit, including without limitation, the charges of attorneys and accountants and the travel expenses, living expenses and compensation for our employees, attorneys and accountants during the inspection or audit. You must also immediately pay us such deficiency any amounts you owe us including late fees and interest.

7. **Termination by Us**

You may not terminate this Agreement or give us notice of Termination of this Agreement for a period of 2 years from the Effective Date. Thereafter, you may terminate the Agreement by giving us not less than six (6) months prior written notice of the designated Termination date ("**Proper Notice**").

Such Termination will not release you from payment of any amounts owed to us or the performance of your obligations under this Agreement that relate to Termination or post-term obligations or your obligations to indemnify us. In addition, your right to terminate this Agreement will not constitute a waiver by us of any rights to damages or injunctive relief that we may have against you for your failure to comply with this Agreement. Further, your right to terminate this Agreement does not allow you to build or cause to be built any non-ARH Model Home or non-ARH Inventory Home, during the 6 months' notice period, for your use after Termination.

9. Post-Term Obligations

9.1 Amounts Owed To Us If You Give Us Proper Notice

At Termination of this Agreement, Royalties and other amounts are due to us and our affiliates for the following:

- a. Residential Products under contract to be built or which already have been started prior to the Termination of this Agreement; Multi-Family units that are under Contract or started at the rate stated in Section 6.1 of this Agreement. For Multi-Family units that are not under contract and have not started at Termination, you may request, and we at our sole discretion may approve, your use of the Marks and Plans to continue or complete the Multi-Family Community. If we approve, you will owe Royalties on all Residential Products built or sold after Termination as if this Agreement was continuing in effect. If we do not approve, you may negotiate for a license to use the Plans for the sole purpose of completing the project, but you must comply with the terms of the license agreement in all respects including discontinuing use of the Marks and other requirements or the license agreement intended to protect the AR Homes® brand;
- b. Land that is under contract to sell;
- c. Brand Fund for sales contracts written during the notice period;
- d. All amounts invoiced for services and fees for post termination computer systems use to wind down the Franchise. See below in this Section 9.

If you Terminate your Agreement without Proper Notice, you agree that fees payable after the date of Termination will be paid at rates that are one percent (1%) higher than the rates stated in Section 6.1 of this Agreement. You also agree to pay us and our affiliates all other amounts due to us including interest, account receivables, and Royalties on Residential Products not yet closed, including those set forth in Sections 9.1 (a) – (d) above.

If you Terminate your Agreement with Proper Notice or if your Agreement otherwise expires, and you execute a mutual release in a form satisfactory to us, you agree to continue to pay us at the time and method required prior to Termination for all amounts due.

9.3 Payment of Amounts Owed To Us for Multi-Family Residential Product

If you terminate your Agreement without Proper Notice, you agree that fees payable after the date of Termination will be paid at rates that are one percent (1%) higher than the rates stated in Section 6.1 of this Agreement. You also agree to pay us all other amounts due us including interest, accounts receivable and Royalties on Residential Products not yet closed, including those set forth in Sections 9.1 (a) –(d) above.

If you terminate your Agreement with Proper Notice as described in Section 8 of this Agreement or if this Agreement expires, and we have approved your use of the Marks and Plans to continue or complete the Multi-Family Community, you will pay Royalties on all Multi-Family Residential Products built or sold after Termination at the time and in the manner required as if this Agreement was continuing in effect.

If we grant you a license to use the Plans for the sole purpose of completing the project, you agree to pay license fees at the time and in the manner required by the license agreement.

9.4 Marks

Following the Termination of this Agreement, except for Multi-Family Communities where we have approved your continued use of the Marks and Plans:

- a. you may not directly or indirectly at any time or in any manner (except with respect to other Franchises you own and operate), for the direct or indirect purpose of promoting yourself or your business in any way, identify yourself or any business as a current or former AR Homes® Franchise, use any Mark for any purpose except to identify homes under construction and for the sale of Inventory Homes, use any photographs, renderings, or images of AR Homes® designed homes or utilize for any purpose any trade name, trademark, service mark, or other commercial symbol that indicates or suggests a connection or association with us;
- b. you will immediately remove all signs that use any of the Marks and Copyrights, except those used for homes started or under contract during this Agreement through the date of closing;
- c. you will immediately stop use of all Plans and the Copyrights other than for the completion of Residential Products under contract or started as of the date of Termination; and

9.5 Completion of Residential Products and Customer Warranties

Even after Termination of this Agreement, you agree to complete all of the Single Family Home Residential Products that you have under contract or have started and all the Multi-Family Home Residential Products that you have started as of the date of Termination. You must also honor all

customer warranties relating to all Residential Products you have constructed as a Franchisee.

9.6 Option on Model Homes

You grant us the option to purchase any of your Model Homes, which you own, at the initial paid cost, along with displays and furniture at book value. This option can be exercised by providing written notice to you within 30 days of the Termination date. The paid cost and book value will be determined in accordance with our Accounting Manual. The closing will be held within 30 days from the date we give notice of our intent to exercise our option to purchase. We will pay for the purchase in cash and we will pay all costs related to the closing, except any attorneys' fees you incur. However, our option to purchase Model Homes does not apply to Model Homes you have contracted to sell to others as of the date of Termination. If your Model Home(s) are sold and leased back, you grant us the option, to be exercised on written notice to you within 30 days of the Termination, to assume your lease of each leased Model Home.

9.7 Confidential Information

You agree that upon Termination of this Agreement you will immediately cease using any of our Confidential Information in any business or otherwise and return to us all copies of the Manual(s) and any other material containing Confidential Information that we have loaned or otherwise provided to you, except for Multi-Family Communities for which we have approved your continued use of the Marks and Plans and except to the extent any of such information is to be used only for the completion of homes started or under contract at Termination. Reports generated by or for our System are considered extremely sensitive and should be reserved for your internal use.

9.8 Computer Data

You agree that after Termination of this Agreement we may continue to access your computer data for legitimate purposes, including but not limited to responding to customer requests for information, determining amounts due, and other related business needs.

9.9 Continuing Obligations

Our obligations under this Agreement will terminate automatically on the earlier of the expiration of the Term of this Agreement or the date specified in the notice of Termination in accordance with this Agreement. All of your (and your owners') obligations which expressly or by their nature survive this Agreement's expiration or Termination will continue in full force and effect subsequent to and notwithstanding its expiration or Termination and until they are satisfied in full or by their nature expire, including but not

limited to your obligations to pay any damages and losses sustained by us, any payment obligations accrued, indemnity obligations, and post-Termination obligations.

9.10 Liquidated Damages

If this Agreement is Terminated because of your default or if you terminate this Agreement without cause before its expiration, you and we agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your continued payment of Royalties, Brand Fund contributions, and other mandatory fees less any cost savings, through the remainder of the term of this Agreement (the “**Liquidated Damages**”). Liquidated Damages will be equal to the combined monthly average of Royalties, Brand Fund contributions, and any other fees under this Agreement (without regard to any fee waivers, or other reductions) payable during the twelve (12) months preceding the date of early termination, multiplied by the lesser of (i) twenty-four (24) or (ii) the number of full months remaining in the term. The present value of the total calculated at a discount rate of 8%, assuming payment at the end of each month, will be our Liquidated Damages. You and we agree that the calculation described in this Section is a calculation only of the Liquidated Damages and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of this Agreement.

10. Competitive Restrictions and Confidentiality

10.1 During the Term of this Agreement, and for three (3) years after its Termination, expiration, or transfer, you and your owners must not, without our prior written consent: (a) operate or market a homebuilding business from a home constructed by you during the Term of this Agreement; and/or (b) utilize any Confidential Information, Plans, drawings, or other material belonging to us. Further, during the Term of this Agreement, you and your owners must not, without our prior written consent, directly or indirectly engage in or acquire any financial or beneficial interest in any Competitive Business located or operating at the Territory or any other Franchise then in existence or under construction except another business in which we or an affiliate are the Franchisor. You and your owners expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting these skills. As a result, our enforcing of these covenants will not deprive you of your personal goodwill or ability to earn a living.

10.2 During the Term of this Agreement, and for three (3) years after its Termination, expiration, or transfer, for any reason, neither you nor any of your employees will: (a) solicit, interfere, or attempt to interfere with our or our affiliates’ relationships with any customers, vendors, consultants, or

other franchisees; (b) engage in any other activity that might injure the goodwill of the Marks and/or the System; and (c) communicate or divulge to, or use for their own benefit or the benefit of any other person or business entity, except your customers or potential customers in the ordinary course of business, any Confidential Information, Plans, drawings, manuals, systems, software, documents, or reports, owned or developed exclusively by us or not generally used in the industry. You and all your representatives, owners, guarantors, employees, and agents must execute our then current form of Confidentiality Agreement in the form available on AR Connect and promptly provide to us upon request.

10.3 During the Term of this Agreement, if any businesses owned or controlled by you or your affiliates perform construction related services on Residential Products being built by your Franchise, you agree that any amounts charged to such customer for services will be billed through the Franchise and shall be included in the Adjusted Sales Price of the respective home for the purpose of the calculation of the Royalty due to us. Pursuant to Section 6.3 of this Agreement, if any audits or examinations discloses any underpayment of amounts owed to us, you must immediately pay us such deficiencies including all late fees and interest. This is in addition to any other rights or remedies we may have, including the termination of the Franchise granted herein.

10.4 During the Term of this Agreement, no sales consultant or sales associate or other employee who is compensated based upon the sales of Residential Products of the Franchise can be compensated from any non-franchised business.

11. Transfer

11.1 By Us This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests.

11.2 By You You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a Business Entity, to your owners) and that we have granted the Franchise to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Accordingly, neither this Agreement (nor any interest in it) nor any ownership or other interest in you or the AR Homes® Franchise may be transferred without our prior written approval. Any transfer without such approval constitutes a breach of this Agreement and is void and of no effect. As used in this Agreement, the term "**transfer**" includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: (a) this Agreement; (b) you; or (c) the AR

Homes® Franchise. An assignment, sale, gift or other disposition includes the following events:

- a. Transfer of a controlling interest in you or transfer of ten percent (10%) or more of ownership or beneficial interests in you;
- b. Merger or consolidation or issuance of additional securities or interests representing an ownership interest in you;
- c. Any issuance or sale of your stock or any security convertible to your stock;
- d. Transfer of an interest in you, this Agreement or the AR Homes® Franchise in a divorce, insolvency or corporate or partnership dissolution proceeding or otherwise by operation of law;
- e. Sale of substantially all of the assets of your Franchise;
- f. Transfer of an interest in you, this Agreement or the AR Homes® Franchise, in the event of your death or the death of one of your owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or
- g. Pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon the AR Homes® Franchise or your transfer, surrender or loss of possession, control or management of the AR Homes® Franchise.

11.3 Conditions for Approval of Transfer If you (and your owners) are in full compliance with this Agreement, then subject to the other provisions of this Section, we will not unreasonably withhold, delay or condition our consent to a proposed transfer if all the applicable requirements of this Section are satisfied or waived by us, in our discretion. The proposed transferee and its direct and indirect owners must be individuals of good character and otherwise meet our then applicable standards for AR Homes® franchisees. A transfer of ownership, possession or control of the AR Homes® Franchise may be made only in conjunction with a transfer of this Agreement. If the transfer is of this Agreement or a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of this Agreement or a controlling interest in you, all of the following conditions must be met prior to or concurrently with the effective date of the transfer:

- a. The transferee has sufficient business experience, aptitude and financial resources to operate the AR Homes® Franchise;
- b. You have paid all Royalty, amounts owed for purchases from us and all other amounts owed to us or to third-party creditors and have submitted all required reports and statements;

- c. The transferee (or its owners) have agreed to complete our standard training program, at their expense;
- d. The transferee has agreed to be bound by all of the terms and conditions of this Agreement;
- e. The transferee has entered into our then-current form of Franchise Agreement for a term ending on the expiration date of this Agreement and requiring no initial franchise fee;
- f. You and the transferee execute and we receive fully executed copies of such documents as we reasonably require to evidence the transfer including documents evidencing that such transferee has assumed your obligations under this Agreement and that you will remain liable to us for all obligations in connection with this Agreement prior to the transfer, and if required by us, the proposed transferee executes, and in appropriate circumstances causes such other parties as we require to execute, our then-current Assignment and Assumption form, Confidential Agreement, Principal Owners Guaranty & Statement, ACH Agreement, and other then-current ancillary agreements, which documents may be substantially different than those entered into in connection with this Agreement;
- g. The transferee agrees to upgrade the Model Home to conform to our then-current standards and specifications;
- h. You or the transferee pay us a transfer fee equal to fifty percent (50%) of the then-current initial franchise fee. However, the transfer fee will be reduced to: (i) twenty five percent (25%) of the then-current initial franchise fee if the transferee is an existing franchisee; or (ii) ten percent (10%) of the then-current initial franchise fee if there is a change in your ownership that does not result in a change in the majority owner's interest in you;
- i. You (and your transferring owners) have signed a general release, in form satisfactory to us, of any and all claims against us and our shareholders, owners, members officers, directors, employees and agents;
- j. We have approved the material terms and conditions of such transfer and determined that the price and terms of payment will not adversely affect the transferee's operation of the Franchise;
- k. If you or your owners finance any part of the sale price of the transferred interest, you and/or your owners have agreed that all of the transferee's obligations pursuant to any promissory notes, agreements or security interests that you or your owners have reserved in the AR Homes[®] Franchise are subordinate to the

transferee's obligation to pay Royalties and other amounts due to us and otherwise to comply with this Agreement;

- l. You and your transferring owners (and your and your owners' spouses and children) have signed a non-competition covenant in favor of us and the transferee agreeing to be bound, commencing on the effective date of the transfer, by the restrictions contained in this Agreement; and
- m. You and your transferring owners have agreed that you and they will not directly or indirectly at any time or in any manner (except with respect to other AR Homes® Franchises you own and operate) identify yourself or themselves or any business as a current or former AR Homes® franchisee, or as one of our licensees or franchisees, use any Mark, any colorable imitation of a Mark, or other indicia of an AR Homes® Franchise in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us.

11.4 Transfer to a Business Entity If you are in full compliance with this Agreement, you may transfer this Agreement to a Business Entity that conducts no business other than the AR Homes® Franchise and, if applicable, other AR Homes® Franchisees so long as you own, control and have the right to vote fifty-one percent (51%) or more of its issued and outstanding ownership interests (like stock or partnership interests) and you guarantee its performance under this Agreement. All other owners of five percent (5%) or more of your equity interests are subject to our approval pursuant to Section 11.3. The organizational or governing documents of the Business Entity must recite that the issuance and transfer of any ownership interests in the Business Entity are restricted by the terms of this Agreement, are subject to our approval, and all certificates or other documents representing ownership interests in the Business Entity must bear a legend referring to the restrictions of this Agreement. As a condition of our approval of the issuance or transfer of ownership interests to any person other than you, we may require (in addition to the other requirements we have the right to impose) that the proposed owner sign an agreement, in a form provided or approved by us, agreeing to be bound jointly and severally by, to comply with, and to guarantee the performance of, all of the your obligations under this Agreement.

11.5 Transfer Upon Death or Disability Upon your death or disability or, if you are a Business Entity, the death or disability of the owner of a controlling interest in you, we may require you (or such owner's executor, administrator, conservator, guardian or other personal representative) to transfer your interest in this Agreement (or such owner's interest in you) to a third party. Such disposition (including, without limitation, transfer by

bequest or inheritance) must be completed within the time we designate, not less than one (1) month but not more than three (3) months from the date of death or disability. Such disposition will be subject to all of the terms and conditions applicable to transfers contained in this Section. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes of this Agreement, the term “**disability**” means a mental or physical disability, impairment, or condition that is reasonably expected to prevent or actually does prevent you, or an owner of a controlling interest in you, from supervising or managing and operating the AR Homes® Franchise.

11.6 Operation Upon Death or Disability If, upon your death or disability or the death or disability of the owner of a controlling interest in you, your or such owner’s executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed ten (10) days from the date of death or disability, appoint a manager to operate the AR Homes® Franchise. Such manager will be required to complete training at your expense. Pending the appointment of a manager as provided above or if, in our judgment, the AR Homes® Franchise is not being managed properly any time after your death or disability or after the death or disability of the owner of a controlling interest in you, we have the right, but not the obligation, to appoint a manager for the AR Homes® Franchise. All funds from the operation of the AR Homes® Franchise during the management by our appointed manager will be kept in a separate account, and all expenses of the AR Homes® Franchise, including compensation, other costs and travel and living expenses of our manager, will be charged to this account. We also have the right to charge a management fee equal to one percent (1%) of the Adjusted Sales Price of all Residential Products (in addition to the Royalty and other fees payable under this Agreement) during the period that our appointed manager manages the AR Homes® Franchise. Operation of the AR Homes® Franchise during any such period will be on your behalf, provided that we only have a duty to utilize our reasonable efforts and will not be liable to you or your owners for any debts, losses or obligations incurred by the AR Homes® Franchise or to any of your creditors for any products, materials, supplies or services the AR Homes® Franchise purchases during any period it is managed by our appointed manager.

11.7 Effect of Consent to Transfer Our consent to a transfer of this Agreement and the AR Homes® Franchise or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the AR Homes® Franchise or transferee or a waiver of any claims we may have

against you (or your owners) or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.

11.8 Our Right of First Refusal If you (or any of your owners) at any time determine to sell, assign or transfer for consideration an interest in this Agreement and the AR Homes® Franchise or an ownership interest in you, you (or such owner) agree to obtain a bona fide, executed written offer and earnest money deposit (in the amount of 10% or more of the offering price) from a responsible and fully disclosed offeror (including lists of the owners of record and all beneficial owners of any corporate or limited liability company offeror and all general and limited partners of any partnership offeror and, in the case of a publicly-held corporation or limited partnership, copies of the most current annual and quarterly reports and Form 10K) and within five (5) days of receipt submit to us a true and complete copy of such offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in you or in this Agreement and the AR Homes® Franchise and may not include an offer to purchase any of your (or your owners') other property or rights. However, if the offeror proposes to buy any other property or rights from you (or your owners) under a separate, contemporaneous offer, such separate, contemporaneous offer must be disclosed to us, and the price and terms of purchase offered to you (or your owners) for the interest in you or in this Agreement and the AR Homes® Franchise must reflect the bona fide price offered and not reflect any value for any other property or rights.

We have the right, exercisable by written notice delivered to you or your selling owner(s) within thirty (30) days from the date of the delivery to us of both an exact copy of such offer and all other information we request, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that:

- a. We may substitute cash for any form of payment proposed in such offer (with a discounted amount if an interest rate will be charged on any deferred payments);
- b. Our credit will be deemed equal to the credit of any proposed purchaser;
- c. We will have not less than sixty (60) days after giving notice of our election to purchase to prepare for closing; and
- d. We are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the ownership interest of a Business

Entity, as applicable, including, without limitation, representations and warranties as to:

- (i) Ownership and condition of and title to the ownership interest and/or assets;
- (ii) Liens and encumbrances relating to the ownership interest and/or assets; and
- (iii) Validity of contracts and the liabilities, contingent or otherwise, of the Business Entity whose ownership interest is being purchased.

If we exercise our right of first refusal, you and your selling owner(s) agree that, for a period of twelve (12) months commencing on the date of the closing, you and they will be bound by the noncompetition covenant contained in this Agreement. You and your selling owner(s) further agree that you and they will, during this same time period, abide by the restrictions of this Agreement.

If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the exact terms of such offer, subject to our approval of the transfer, provided that, if the sale to such purchaser is not completed within sixty (60) days after delivery of such offer to us, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the thirty (30)-day period following either the expiration of such sixty (60)-day period or notice to us of the material change(s) in the terms of the sale, either on the terms originally offered or the modified terms, at our option.

12. Severability/Substitution

To the extent that any provision of this Agreement is deemed unenforceable, invalid, or contrary to or in conflict with any applicable present or future law or regulation for any reason, you and we agree that such remaining provisions will continue to have full force and effect and bind the parties to the fullest extent permissible under governing law. This Agreement will be deemed automatically modified to comply with such governing law if any applicable law requires the taking of some other action not described in this Agreement; or if any Required Franchise Operating Policies are invalid or unenforceable. We may modify such invalid or unenforceable provision to the extent required to be valid and enforceable. In such event, you will be bound by the modified provisions.

13. Waivers

We will not be deemed to have waived our right to demand exact compliance with any of the terms of this Agreement, even if at any time: (a) we do not exercise a

right or power available to us under this Agreement; or (b) we do not insist on your strict compliance with the terms of this Agreement; or (c) there develops a custom or practice which is at variance with the terms of this Agreement; or (d) we accept payments other than amounts due to us under this Agreement. Similarly, our waiver of any particular breach or series of breaches under this Agreement or of any similar term in any other agreement between you and us, or between us and any other franchisee, will not affect our rights with respect to any later breach by you or anyone else.

14. Limitation of Liability

WE HAVE NO LIABILITY TO YOU FOR LOST PROFITS OR CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES FOR ANY REASON WHATSOEVER. Neither of the parties will be liable for loss or damage or deemed to be in breach of this Agreement if failure to perform obligations results from:

- a. compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state or municipal government or any department or agency thereof;
- b. acts of God, war, or terror;
- c. acts or omissions; or
- d. any such delay as may be reasonable.

However, such delays or events do not excuse payments of amounts owed at any time.

15. Approval and Consents

Whenever this Agreement requires our advance approval, agreement or consent, you agree to make a timely written request for it. Our approval or consent will not be valid unless it is in writing. Except where expressly stated otherwise in this Agreement, we have the absolute right to refuse any request by you or to withhold our approval of any action or omission by you. If we provide to you any waiver, approval, consent, or suggestion, or if we neglect or delay our response or deny any request for any of those, we will not be deemed to have made any warranties or guarantees which you may rely on and will not assume any liability or obligation to you.

16. Waiver of Punitive Damages

EXCEPT FOR YOUR OBLIGATIONS TO INDEMNIFY US PURSUANT TO THIS AGREEMENT AND CLAIMS FOR UNAUTHORIZED USE OF THE MARKS OR CONFIDENTIAL INFORMATION, YOU AND WE EACH WAIVE TO THE FULL EXTENT PERMITTED BY LAW ANY RIGHT TO, OR CLAIM FOR, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. YOU AND WE

ALSO AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN YOU AND US, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

17. Limitations of Claims

ANY AND ALL CLAIMS ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP AMONG YOU AND US MUST BE MADE BY WRITTEN NOTICE TO THE OTHER PARTY WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHEN IT BECOMES KNOWN); EXCEPT FOR CLAIMS ARISING FROM: (A) UNDERREPORTING OF GROSS REVENUES; (B) UNDERPAYMENT OF AMOUNTS OWED TO US OR OUR AFFILIATES; (C) CLAIMS FOR INDEMNIFICATION; AND/OR (D) UNAUTHORIZED USE OF THE MARKS. HOWEVER, THIS PROVISION DOES NOT LIMIT THE RIGHT TO TERMINATE THIS AGREEMENT IN ANY WAY.

18. Governing Law

EXCEPT TO THE EXTENT THIS AGREEMENT OR ANY PARTICULAR DISPUTE IS GOVERNED BY THE U.S. TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. §1051 AND THE SECTIONS FOLLOWING IT) OR OTHER FEDERAL LAW, THIS AGREEMENT AND THE FRANCHISE ARE GOVERNED BY FLORIDA LAW, EXCLUDING ANY LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP BETWEEN A FRANCHISOR AND FRANCHISEE, UNLESS THE JURISDICTIONAL REQUIREMENTS OF SUCH LAWS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION. References to any law or regulation also refer to any successor laws or regulations and any implementing regulations for any statute, as in effect at the relevant time. References to a governmental agency also refer to any successor regulatory body that succeeds to the function of such agency.

19. Jurisdiction

ANY AND ALL CLAIMS ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP AMONG YOU AND US MUST BE BROUGHT IN THE FEDERAL OR STATE COURTS OF COMPETENT JURISDICTION, AND YOU AND WE CONSENT AND IRREVOCABLY SUBMIT TO THE JURISDICTION AND VENUE OF, ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION LOCATED IN AND/OR FOR PINELLAS COUNTY, FLORIDA, AND WAIVE ANY OBJECTION TO THE JURISDICTION AND VENUE OF SUCH COURTS. THE EXCLUSIVE CHOICE OF JURISDICTION DOES NOT PRECLUDE THE BRINGING OF ANY ACTION BY THE PARTIES OR THE ENFORCEMENT BY THE PARTIES OF ANY JUDGMENT OBTAINED IN ANY SUCH JURISDICTION OR IN ANY OTHER APPROPRIATE JURISDICTION.

20. Waiver of Jury Trial

YOU AND WE EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER YOU OR US.

21. Cumulative Remedies

The rights and remedies provided in this Agreement are cumulative and neither you nor we will be prohibited from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

22. Costs and Attorneys' Fees

If a claim for amounts owed by you to us or any of our affiliates is asserted in any legal proceeding or if either you or we are required to enforce this Agreement in a judicial proceeding, the party prevailing in such proceeding will be entitled to reimbursement of its costs and expenses, including experts, accounting and attorney's fees. Attorney's fees will include, without limitation, legal fees charged by attorneys and paralegals, and costs and disbursements, whether incurred for investigation prior to, or in preparation for, or contemplation of, the filing of written demand, complaint, claim or defense, for mediation, arbitration, trial or appeal, to enforce the obligations of the parties under this Agreement.

23. Binding Effect

This Agreement is binding on and will inure to the benefit of our successors and assigns. Except as otherwise provided in this Agreement, this Agreement will also be binding on your successors and assigns, and your heirs, executors and administrators. This Agreement is not binding on us until we have signed and delivered to you an original counterpart, whether or not you have tendered payment with your signature.

24. Entire Agreement

This Agreement, all Exhibits to this Agreement and all ancillary agreements executed contemporaneously with this Agreement constitute the entire agreement between the parties with reference to the subject matter of this Agreement and supersedes any and all prior negotiations, understandings, representations and agreements; provided, however, that nothing in this Agreement will disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representatives. This Agreement may only be amended by an instrument signed by both parties.

25. No Liability to Others; No Other Beneficiaries

We will not, because of this Agreement or by virtue of any approvals, advice or services provided to you, be liable to any person or legal entity who is not a party to this Agreement. Except as specifically described in this Agreement, no other party has any rights because of this Agreement.

26. Construction

The headings of the sections are for convenience only. If two or more persons are at any time Franchisees, whether or not as partners or joint venturers, their obligations and liabilities to us are joint and several. This Agreement may be signed in multiple copies, each of which will be an original.

27. Certain Definitions

The term “**family member**” refers to parents, spouses, offspring and siblings, and the parents and siblings of spouses. The term “**affiliate**” means any Business Entity directly or indirectly owned or controlled by a person or under common control with a person. Our franchisees are not our affiliates. The terms “**franchisee, Franchisee, you and your**” are applicable to one or more persons, a Business Entity, as the case may be. The singular use of any pronoun also includes the plural, masculine, feminine, and neuter usage. The term “**person**” includes individuals and Business Entities. The term “**section**” refers to a section or subsection of this Agreement. The word “**control**” means the power to direct or cause the direction of management and policies, by any means, directly or indirectly. The word “**owner**” means any person holding a direct or indirect, legal or beneficial ownership interest or voting rights in another person (or a transferee of this Agreement or an interest in you), including any person who has a direct or indirect interest in you or this Agreement and any person who has any other legal or equitable interest, or the power to vest in himself any legal or equitable interest, in the revenue, profits, rights or assets of the Franchise.

28. Timing

Time is of the essence of this Agreement. Except as otherwise expressly stated, it will be a material breach of this Agreement to fail to perform any obligation within the time required or permitted by this Agreement. In computing time periods from one date to a later date, the words “**from**” and “**commencing on**” (and the like) mean “**from and including**”; and the words “**to**,” “**until**” and “**ending on**” (and the like) mean “**to but excluding**.” Indications of time of day mean St. Petersburg, Florida time.

30. Representations and Warranties

To induce us to enter into this Agreement with you, you acknowledge and agree as to the following:

30.1 Acknowledgment

You acknowledge and agree that:

- a. you have a desire to own and operate a Franchise and have applied for a Franchise;
- b. you understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain our high brand standards of quality and service and the uniformity of those brand standards at each Franchise and to protect and preserve the goodwill of the Marks, Copyrights and the System;

- c. you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by a Franchise may evolve and change over time;
- d. you understand that an investment in a Franchise involves business risks, and that your business abilities and efforts are vital to the success of the venture;
- e. in all of their dealings with you, our officers, directors, employees and agents act only in a representative, and not in an individual, capacity. All business dealings between you and such persons as a result of this Agreement are solely between you and us; and
- f. we have advised you to have this Agreement reviewed and explained to you by an attorney.

30.2 Representations

You represent to us, as an inducement to our entry into this Agreement, that all statements you have made and all materials you have submitted to us in connection with your purchase of the Franchise are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the Franchise. We have approved your request to purchase a Franchise in reliance on all of your representations. You also represent that you have read, in their entirety, this Agreement and the Franchise Disclosure Document.

30.3 No Warranties

WE EXPRESSLY DISCLAIM THE MAKING OF, AND YOU ACKNOWLEDGE THAT YOU HAVE NOT RECEIVED OR RELIED UPON, ANY WARRANTY OR GUARANTY, EXPRESS OR IMPLIED, AS TO THE REVENUES, PROFITS OR SUCCESS OF THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT OR THE EXTENT TO WHICH WE WILL CONTINUE TO DEVELOP AND EXPAND THE NETWORK OF FRANCHISEES. You acknowledge and understand that:

- a. any statement regarding the potential or probable revenues, sales or profits of the business venture are made solely in the Franchise Disclosure Document delivered to you prior to signing this Agreement;
- b. any statement regarding the potential or probable revenues or profits of the business venture, or statistical information regarding any Building Company, that is not contained in our Franchise Disclosure Document or Supplement to it (if any) is unauthorized, unwarranted and unreliable, and should be reported to us immediately;

- c. any information you obtained from franchise owners relating to revenues, profits or otherwise does not constitute information obtained from us and we do not guaranty the accuracy of such information; and
- d. you have not received or relied on any representations about us or the Franchise or policies made by us, or our officers, directors, employees or agents, that are contrary to the statements made in our Franchise Disclosure Document or to the terms of this Agreement.

31. Reconciliation of Rights Under Different Agreements

In the event of any conflict between the terms of this Agreement and of any other agreement as of the date of this Agreement between the parties with respect to the Franchise, the terms of this Agreement will prevail.

32. Relationship

32.1 Independent Contractors

You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us. You and we are and will continue to be independent contractors and nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You will conspicuously identify yourself in all dealings with customers, suppliers, public officials, your personnel and others as the owner of an independently owned and operated Franchise and comply with the more detailed guidance stated in the Required Franchise Operating Policies.

32.2 No Liability for Acts of Other Party

You agree not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that results in our liability for any of your indebtedness or obligations, and that you will not use the Marks or Copyrights in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than Franchisor and Franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages to any person or property directly or indirectly arising out of your Franchise operation or the business you conduct pursuant to this Agreement.

32.3 Taxes and Regulations

We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, payroll, property, special assessment or other taxes, whether levied upon you or your Franchise, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility. We will not be liable or responsible for your compliance (or failure to comply) with any and all laws, rules and regulations, imposed by any federal, state or local government agency. It is your responsibility to ensure compliance with such laws and regulations.

33. Security Agreement

For value received, and to secure your performance of your obligations under this Agreement, you assign, transfer, pledge and grant us a security interest in all of your rights, title and interest in and to any of the following, wherever located, whether now existing or hereafter from time to time arising or acquired (collectively, the "**Collateral**"): (a) all of your accounts, whether or not accepted by us or specifically related to the franchise; (b) all of your general intangibles, contract rights, promissory notes, chattel paper, commercial tort claims, deposit accounts, documents, instruments, investment property, letter-of-credit rights, letters of credit, and money; and (c) all cash and non-cash proceeds and products of any of the foregoing. You agree to sign and deliver to us, and authorize us, at your expense, to file any financing statements related to the Collateral (with or without your signature on it) and grant us power of attorney to sign such documents on your behalf, and to take any other act deemed appropriate by us to perfect and to continue perfection of our security interest. You irrevocably appoint us as your attorney in fact to execute financing statements in your name and to perform all other acts which we deem appropriate to perfect and protect such security interest. The appointment is binding and coupled with an interest. At our request, you agree to give us possession of any collateral, which we consider possession to be necessary or desirable to perfect or continue perfection or priority of our security interest. A photocopy of this Agreement is sufficient as a financing statement and may be filed as such if we elect to do so. When you sign this Agreement, you must also sign financing statements at our direction that we will hold until we determine appropriate for filing. You agree, at our request, to sign and deliver to us such other documents and to do such further acts as we reasonably request in order to fully effectuate the purposes of this section. Notwithstanding the foregoing, we will not file or record any financing statement until you fail to make any payment required under this Agreement after any applicable grace period or you violate any other aspect of this Agreement and do not cure within the applicable cure period. However, we may be entitled to file financing statements perfecting our security interest immediately upon any Termination or expiration of this Agreement. You acknowledge and agree that the security interest granted to us is a present security interest and is affected upon execution of the Agreement. We agree to subordinate

our security interest in favor of institutional lenders who provide construction loan financing on terms reasonably acceptable to us.

34. Supplemental Agreements

Any provisions contained in this Section supersede any other terms or provisions contained in this Agreement which are in conflict with the provisions of this Section.

34.1 Milestones

You agree to achieve the following milestones within the timeframes noted:

- 1) Order a market study for your territory within 30 calendar days of the signing of this Agreement.
- 2) Secure a model location within 45 calendar days of receipt of the market study.
- 3) Hire a Building Company President (BCP) within 90 – 120 calendar days of the signing of this Agreement. In accordance with Section 6.2.c the BCP must be approved by us in writing.
- 4) Submit a business plan within 30 calendar days of the start date of the BCP.
- 5) Establish your Standards and Construction Practices within 60 calendar days of the start date of the BCP.
- 6) Complete costing of the Key Home Budget within 90 calendar days of the start date of the BCP.
- 7) In coordination with the Director of Residential Design, establish your plan line up within 120 calendar days of the start date of the BCP.

If these milestones are not met, the builder microsite will not be activated, and you will be in default. To avoid default, if prior to the due date of any milestone you determine that it is not feasible to meet the deadline, provide to us, in writing, 1) a plan for accomplishing the milestone, 2) the reason for delay and 3) any subsequent milestones that will be impacted.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.

Exclusive Community Rights

A Builder may obtain temporary exclusivity to portions of their territory by implementing one or more of the following actions:

1. Build a Model Home in a Planned Community
 - a. A planned community is defined as a development with 10 or more lots available for sale to builders for residential construction.
 - b. The community will be exclusive to the Builder if;
 - i. Builder enters into a contract to purchase a lot for a model home with a deposit equal to or greater than 10% of the lot sale price, and the model home planning process commences within 30 days of the purchase contract date.
 - ii. The Builder has a Model home started and under construction in the community within 6 months of the model concept meeting.

- iii. The Builder has a model home open to the public in the community.
2. Build a Model Home in an On Your Lot (OYL) or Infill Location
- a. An OYL model is defined as being located in a small development of less than 15 home sites, or on a single lot in an existing established residential neighborhood or area that is not a new planned development.
 - b. An in-fill model is an OYL model located in an established neighborhood where old homes are being demolished to allow for the construction of new homes.
 - c. Protected boundaries within the territory will be defined and exclusive to the Builder for OYL or infill model homes. This exclusivity will only apply if:
 - i. Builder enters into a contract to purchase an OYL or infill lot for a model home with a deposit equal to or greater than 10% of the lot sale price, and the model home planning process commences within 30 days of the purchase contract date.
 - ii. The Builder has a Model home under construction an OYL or in-fill location.
 - iii. The Builder has a model home open to the public in the OYL or infill location.
3. Have an Inventory home started or completed and unsold in a community. This provides temporary exclusivity in the community only.
4. Have entered into a lot takedown agreement with the developer of a planned community or own one or more lots in the community. To maintain exclusivity in such a community, either a model home, presold home, or inventory home must be started within one year of the lot closing.
5. Can demonstrate they have achieved an “approved” or “featured” builder status as part of a structured Featured Builder Program with the developer of a planned community. This includes being listed on the community website under the “builders” section. We have the right to contact the developer to confirm such status if no model or inventory homes are planned, and no lots are owned by Builder.
6. Have a reported presold home in a community. This temporary exclusivity shall begin on the reported date of the sale and shall end upon the close of construction of the home but in no case shall exceed 18 months from the reported date of the sale.

In all of the cases described above, exclusivity is only granted on a temporary basis so long as the above conditions remain valid. Once a condition expires, then the protected boundaries and limited exclusivity ceases.

A protected boundary may be defined and established by us around a Model or Inventory home, to include the general neighborhood or section thereof, in order to provide exclusivity for the franchisee while either a Model Home is started or open to the public or an Inventory home is started or completed and unsold in the defined territory.

This policy may be revised by us from time to time at our sole discretion, but with the intention of providing fair protections to franchises actively building model and inventory homes within their territories.

**AR Franchising, Inc.
Franchise Agreement # ____**

EXHIBIT "B"

Required Franchise Operating Policies

Your Franchise Agreement requires you to comply with the Policies in this section. These Policies are in addition to all other terms, conditions and provisions agreed to in your Franchise Agreement.

These Policies are those which affect the welfare of our collective enterprise - The AR Homes Franchise System. Some are matters that affect our public image, our reputation and our brand. Others provide a level playing field among franchises. They govern certain actions of each Franchise's relationship with the public, customers, other Franchises and the Franchisor.

AR Franchising, Inc. ("ARF", "ARF, Inc.") has the right to terminate your Franchise & Agreement for failure to comply with these Policies.

We have endeavored to keep this Policy section as brief as possible to allow maximum freedom in what we recognize to be an entrepreneurial environment.

Accounting Practices

Franchises are required to conform to the Accounting Policies and Procedures outlined in the Accounting Software Manual.

Franchises are required to close the accounting period by the 7th working day of the month, including at year end.

Franchises are required to maintain Statcast so that the report continuously reflects current information. Statcast Planning should be completed for the next year by December 1st of the current year.

Royalties - Method and Timing of Payment

Royalties are required to be paid via Automated Clearing House (ACH) system for construction jobs at the applicable royalty rate. The ACH system runs each business day at 4:30pm and debits the royalties from the franchise's bank account the next business day.

Royalties are paid per Section 6.1 Fees and Payments of the Franchise Agreement. Fees are payable as each draw is collected from customer or lender on Purchase Agreements, Design Agreements, CL/COs or for any other reason. For Change Orders, fees will only be collected on any given day when the aggregate total of Change Order cash collected exceeds \$1,000. Draws not recorded within seven (7) business days will be subject to interest charges at the annual rate of eighteen percent (18%) or the highest contract rate of interest permitted by law, whichever is less, as stated in Section 6.1.c of the Franchise Agreement.

On Inventory and Model homes being built with company cash, fees are payable semi-monthly based upon the greater of the work in progress amount or funds received during construction. On Presale Package 1 (PK1) contracts being built with company cash, fees are paid upon closing.

On all Inventory Homes, in an effort to assist with franchise cash flow considerations, Franchisor will defer royalty payments for up to six (6) months from the start date. At the end of month six (6), ACH payments will begin based on the then amount of draws received to date, or work in progress, at the rate of one percent (1%) and the final fee payment will be trued up at the time of closing with the third-party purchaser, at the rate indicated in the Franchise Agreement. Essentially, this defers royalty payments for the first six (6) months of construction. This change will not apply for inventory homes financed through us or our affiliates.

At Closing of Lots sold with or without simultaneous Building Agreement, fees are payable at Closing. A lot closing is defined as when the lot title transfers from the franchise to the customer.

AR Homes® Promise

If within 10 years of closing, a customer contacts a franchise regarding a problem with a non-structural component they believe is the result of a defect in original workmanship, the Franchisee or the Building Company President agrees to inspect the problem and if they agree, correct the problem without charge. Structural items are addressed in the structural warranty which varies by state.

Building Agreement and Purchase Agreements

Franchisees are required to use the Building Agreement and Home Purchase Agreement provided by ARF, which can be found on AR Connect (Intranet Files and Forms > Sales > Forms). The Franchisee is required to review such Agreements prior to use, and if the Franchisee finds them deficient, to advise ARF of the deficiency in writing so that ARF can consider and correct the Agreement if it agrees.

Building Company President

The Building Company President is required to live in the Franchise Territory unless waived in writing by ARF, Inc.

Copyright Enforcement

Within thirty (30) days of discovery, you shall report to us any potential infringements of our Copyrights. If we agree that there is an infringement and that an enforcement is warranted under the relevant facts and circumstances, then you are permitted to pursue and file a claim for the infringement of our Copyrights (“**Action**”) provided that: (1) the potential infringement occurs in your territory; and (2) you obtain our prior approval, including approval of the attorney(s) or law firm handling the Action (“**Approved Counsel**”). If we are named as a co-plaintiff in the Action then the Approved Counsel shall represent us in the Action and you are responsible for the payment all of Approved Counsel’s attorneys’ fees and costs. You are solely and exclusively responsible for all judgments, sanctions, awards, and attorneys’ fees that may be entered directly against us or against you and us jointly and severally (“**Adverse Costs**”) and shall indemnify us against all Adverse Costs. You are entitled to all proceeds of the Action (“**Proceeds**”). If you do not elect to pursue an Action within thirty (30) days of reporting the potential infringement of our Copyrights to us, or if you inform us that you do not desire to pursue an Action, then we shall be entitled to pursue an Action at our sole expense and cost and be entitled to all of the Proceeds of such Action. Nothing in this Section will be deemed a waiver or assignment of any of our rights, title or interest in any of our Copyrights or other intellectual property.

Copyright Notation

All drawings, including preliminary drawings, must have AR Franchising, Inc. copyright identification. Locate the copyright notation in the garage on a wall common with the living area on Sheets 5 and 7. Locate the copyright notation on the roof on Sheet 6.

Franchises are required to maintain in force, at their expense and under policies issued by carriers approved by ARF, the following types and limits of insurance coverage for its benefit and the benefit of ARF, our affiliates and designees: For general and umbrella liability purposes, an Endorsement is required stating that AR Franchising, Inc. shall be named as an Additional Insured using the wording "Additional Insured - Grantor of Franchise". The "WHO IS AN INSURED" language needs to say "is amended to include as an insured person(s) or organization(s) shown in the Schedule, but only with respect to their liability as grantor of a franchise to you".

- Comprehensive liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of your franchise;

- Comprehensive motor vehicle insurance (including personal injury protection, uninsured motorist protection, hired not owned, and "umbrella" coverage) for any motor vehicles operated by you or your franchise;
- Umbrella liability insurance, if required to increase total liability coverage for the above insurance policies to a minimum of \$1,000,000 limit;
- General casualty and property insurance, including fire and extended coverage (for wind, lightning, sinkhole), vandalism and malicious mischief insurance, for full replacement value of the structure and contents of your Furnished Model Homes and Residential Products (Builder's Risk Insurance);
- Workers' compensation insurance in the amounts required by applicable state law; and
- Employee liability insurance or such other insurance as required under any lease or other financing document (if any) for your franchise.

It is recommended that franchises carry business interruption insurance.

Job Start and Close Dates

Franchises are required to maintain projected and actual start and close dates for all jobs in the system. Within 30 days of the actual close date entered in the system, the Job Close Procedure must be completed and Financial Closing and Warranty Effective dates entered in the Job screen. Failure to comply will lead to a restriction of services, continued failure to comply will lead to a suspension of services.

Please refer to the detailed Media Policy which can be found in AR Connect under Brand & Style Guidelines for comprehensive information.

Website

Franchises may not own separate websites that are related to their ARH franchised business.

Community websites that are owned by a franchise, including affiliated or related companies, that will exclusively feature AR Homes® product, must conform to our brand style guide, terms of the franchise agreement and be consistent with all AR Homes® branding. Furthermore, ARF, Inc. must approve the design prior to release to the public.

Model Home Hours

Model Homes are required to be open to the public per the following minimum schedule:

Monday through Saturday 10:00 AM to 6:00 PM, Sunday 12:00 PM – 6:00 PM during Spring, Summer and Fall seasons. In Winter, hours may be changed to Monday through Saturday 9:00 AM to 5:00 PM, Sunday 11:00 AM – 5:00 PM in order to allow salespeople to close prior to the onset of darkness.

Holiday exceptions are as follows:

New Year's Day, open Noon to 5:00PM

Easter Closed

July 4th, open 10AM to 3PM

Christmas Eve Closed

Thanksgiving & Christmas Day Closed

All model homes are expected to follow the above schedule with the exception of model homes located in gated communities when the front gate is closed to all model home visitors at times differing from the above. In these cases, the model home will follow the schedule of the community.

Model Homes

You are required to operate at least one model home staffed by a certified sales team. We retain absolute authority to approve all aspects of each Model Home that you own or operate including,

but not limited to, floor plan, specifications, options and upgrades, location, elevations, elevation colors, landscaping, hardscape (i.e., walks, patios, pools, fences, and the like), parking, advertising, signage, interior merchandising, furnishings, sales offices and quality. Models will be selected based upon market data for each region in regard to price, square footage, room count, and elevation style.

In order for us to maintain aesthetic standards for your Model Home, you are required to use our services or of those persons or entities which we approve for interior design, sales office design and landscape design. Upon our prior written approval, you may alternatively employ other persons or entities, who have demonstrated their capability to produce model merchandising and sales office design to our standards based on previous work they have performed for others. There is a specific application and approval process described on AR Connect (Intranet Files and Forms > Design > Forms) that must be followed. The approval of outside model designers will be at our sole judgment.

We schedule Concept Meetings to get detailed input from the Franchisee. To hold the agreed date, you are required to remit a deposit per the Model Home Agreement prior to the Concept Meeting being scheduled and execute a Model Home Agreement. The deposit will be handled as follows: a) If you own the model and elect to use AR Interiors for furnishings, the deposit will be applied to the furnishings. b) If you own the model and elect to use an approved professional model home merchandising firm, the deposit will be returned to you when the model is Started. c) If you make substantial changes to the script after we have started working on the plan, we will charge for wasted work by Design, Interiors or PSG and deduct this amount from your deposit. d) If you abort the model process after the Concept Meeting, you will be charged a Design Fee based on ARF's cost, e) If after the Presentation Meeting, you elect to use an approved professional model home merchandising firm, you will be charged a Design Fee based on ARF's cost. Later, at a Presentation Meeting, we present and discuss the intended drawings and interior merchandising concepts with the Franchisee. We encourage the franchisee to bring sales and other staff to these meetings. Interior Merchandising Details such as specific furniture pieces and fabrics and certain architectural details are not available at the time of the Presentation Meeting and are left to the discretion of the Interior Designer. If you wish to use an outside professional model home merchandising firm, they must be approved following the process outlined on AR Connect (Intranet Files and Forms > Design > Forms).

Model Homes are required to be built using products that are included in our AR Homes® Systemwide Preferred Vendor Programs. Exceptions will be granted if the Vendor's products are not available in your market or if they are in conflict with community regulations.

All models are selected from existing plans within the Plan Collections. We will modify the plan based on lot conditions, community requirements and available market data.

At certain stages of construction and after completion, ARF staff will schedule model walk-throughs and changes or corrections to the model either during construction or after completion may be required of the Franchisee. Corrections are at the expense of the franchisee, but field design changes will be split 50-50 for the cost of the labor to execute the change by the franchisor. Should ARF make changes to furniture, those changes will be made at the expense of AR Interiors if they sold the furnishings to the franchisee. Corrections shall be corrected within fifteen (15) days. If corrections are not made, we have the right to exclude your Model Home from advertising materials and to require you to close it to the public until it corrections are made.

The AR Design Department produces working drawings for model homes at no charge, as long as they remain open for a minimum of twelve (12) months. Franchises will be billed by the Design department and Interiors department at their hourly rates for work performed if the franchise initiates the model process and then decides not to build the model or not use the furnishings package presented. Franchises will be billed by the Design department and PSG department at their hourly rates should a model be open for a period of less than twelve (12) months from the model furniture installation date. The number of hours to design, produce and estimate a typical model home ranges between 250 – 500 hours, but will vary dependent upon plan complexity and changes.

Model home installations require submission of a video walk-through beginning at the end of the drive through every room of the home and ending with the outdoor living area showing a completed home one week prior to installation of furnishings. If a model home is not complete and/or there are subcontractors working in the model on the day installation begins there will be a penalty of \$10,000 plus expenses to complete the installation at a later date and to repair/replace any furnishings that are damaged.

New Product Suggestions

Franchisees are able to suggest additions to the plan collection through the New Product Suggestion tile on AR Connect. Suggestions will be reviewed on a quarterly basis to evaluate 1) alignment with market data and 2) alignment with the plan collection roadmap. Franchisees are encouraged to submit competitor sales data to support the suggestion.

Plan Sharing

Preliminary plans (PFPs), working drawings, and JBOMs are to be available, free of charge, to other Franchises in the system upon the request of another Franchise or ARF to the Building Company President of the originating franchise. However, a home based on a Design Agreement for a white paper plan should not be reproduced in the same market area as the original unless permission is received in writing from the originating franchise.

Recruiting from ARF

Franchisees interested in recruiting employees from the franchisor are requested to announce their intentions to the Chief Executive Officer of ARF, Inc. If the ARF employee is interested and accepts a position with the Franchisee, a fee equal to 50% fee of their new salary will be paid by the Franchisee to the Franchisor. The fee will be used by the Franchisor to recruit and train the replacement. The Franchisor does not guarantee the employee's ability to perform their new duties. Franchises are prohibited from employing or subcontracting ARF employees. ARF, Inc. will not hire employees of independent franchises for a period of six (6) months after termination from an independent franchise.

Reporting a Sale

Franchises are required to report all sales in the system within two business days of executing a Building or Home Purchase Agreement or at the expiration of a financing contingency, if applicable.

Sales Training

Sales Consultants and Sales Associates are required to attain Certification through the AR Homes® Essentials of Sales Excellence Certification program. This program consists of virtual classes, webinars, online courses as well as in person collaborative sessions.

The Consultant or Associate must attend the first class offered after their start date. There will be a mandatory 2-3 day in person session. The in-person sessions will be held in St Petersburg, FL, regionally based or on demand. Online courses through the Learning Management System (LMS) must be completed within 7-14 days from the date they are assigned.

Participants are required to complete all assignments and surveys and must score an 85% or higher on course assessments. Consultants and Associates may also have a Mystery Shop which will occur 45 – 60 days after completing the training program.

ARF recommends Franchises have their consultants Mystery shopped once per year. ARF will select the company and secure a preferred rate.

Software

Franchises are required to use the following software:

- CRM (HubSpot)
- General Ledger
- Accounts Payable
- Statcast
- Job Budgets
- Quotes and Assign Job
- Purchase Orders

Systemwide Preferred Vendors

Franchises are required to use products supplied by AR Homes® Systemwide Preferred Vendors in Model Homes. Franchises are also required to use these products in all other homes unless the customer has requested a product supplied by a non-preferred vendor. Failure to comply will lead to a restriction of services, continued failure to comply will lead to a suspension of services. Note: allowing a customer to use a non-preferred vendor may cause the forfeiture of all incentives from a preferred vendor with a program in place.

ARF is responsible for negotiating model home discounts from Systemwide Preferred Vendors. By accepting model home discounts from Systemwide Preferred Vendors, franchises commit to keep the model un-occupied and open to the public per the schedule posted in the Model Center Hours section of this document for a period of one year from the date furnishing installation is completed. If a model home is open for a period of less than one year a penalty equal to the value of the model discounts taken from Systemwide Preferred Vendors will be imposed.

ARF is responsible for negotiating rebates and Pride in Partnership contributions from Systemwide Preferred Vendors, franchises are not allowed to solicit rebates or marketing contributions from Systemwide Preferred Vendors.

Top Club & Master Builder Club

Franchises are required to participate in the Top Club and Master Builder Club programs. ARF contributes \$1,000 per franchise to each of these active programs each year. Franchises with qualifiers who attend the annual award trip are responsible for the fixed and variable costs associated with the programs in excess of the ARF contribution.

Warranty Service

Warranty service requests, accepted by the Franchise, will be completed within 15 days of receipt by the franchise. Extension of the 15-day period is allowed only when forces beyond the control of the Franchise prevent completion within 15 days.

Work Performed Prior to Closing

All labor and/or material installed on a job site prior to Closing shall be sold to the customer by the Franchisee and the cost of same and the associated revenue are to be recorded as job cost and job revenue.

TERM SHEET

HOME FINANCING

**Model Home Financing Program
Term Sheet
ARH Models, LLC
2025**

Franchise/BC#: _____ Job #: _____

1. Franchisee will own the Model Home and Furnishings. 100% of the cost of the model home and lot may be able to be financed--80% by a first-mortgage (construction-perm) through a third-party lender provided by or acceptable to ARHM and a 20% (2nd mortgage) Mezzanine loan provided by ARHM. Primary loan financing for purchase of the model home lot may be available for up to sixty percent (60%) of cost, while ARHM would provide Mezzanine financing for up to twenty percent (20%) of the lot cost. The term of this financing will be 48 months. However, prepayment can occur at any time prior to that without penalty.
2. In most instances, a personal guarantee ("PG") of the Franchisee will be required by the first-mortgage lender, but the need for a PG will depend on the lender.
3. Financing for model home furnishings is separately available through ARHM, subject to a 20% down payment by Franchisee.
4. Franchisee will prepare a Job Budget Detail including model home discounts. This budget will contain Real Vendor costs approved by ARH. Model home discounts are expected to be at least \$15.00 per SF living area. ARH will approve the Job Budget prior to closing on the model home lot and any subsequent change orders.
5. Franchisee will build the Model at direct cost without charging overhead.
6. Within one month of opening model home to the public, Franchisee must obtain an appraisal of the model home. Additionally, an updated appraisal may be requested thereafter until the home is sold to a third party.
7. Closing on the model home lot will be simultaneous with the execution of the first-mortgage with the third-party lender and the Mezzanine loan with ARHM.
8. Franchisee will make monthly interest-only payments to both the first-mortgage lender and ARHM during the entire term of each loan once draws have commenced. The ARHM monthly interest payment will be transacted by ACH of the Franchisee's bank account. The interest rate of the first-mortgage and the requirement to pay discount points will vary by lender. The interest rate is generally expected to range from 7% - 10% per year. The interest rate on the ARHM Mezzanine loan will vary based upon market conditions, but is expected to approximate 18% per annum.
9. The interest rate on the ARHM furnishings loan will be 14% per annum and also require Franchisee to make:
 - a. A twenty percent (20%) down payment; and
 - b. Equal monthly principal payments over a term of 48 months, plus interest based on the unpaid principal balance.
10. Franchisee is responsible for keeping current the payment of required real estate taxes and HOA/CDD fees, as well as purchasing hazard and liability insurance for the model home and providing a copy of the COI to first lender and ARHM with both separately named as additional insureds.
11. An interest reserve equal to six (6) months interest on the maximum balance of both loans will be paid to ARHM at the closing of the loans. The deposit will be used in the event Franchisee

defaults in making required monthly interest payments. This reserve or any unused portion thereof will be returned to Franchisee after closing of a third-party sale of the model home providing 100% of outstanding principal balances of the first-mortgage, Mezzanine and any furnishing loans have been repaid along with any and all accrued but unpaid interest.

12. In the case of Franchisee default for non-payment of any interest due to ARHM or the first-mortgage lender that has extended for 45 days, ARHM has the exclusive right, but not the obligation, to purchase the model at cost from the Franchisee and retain 100% of any profit realized from the sale of the model home and furnishings.

Construction

13. The process for requesting draws, paying vendors and, if appropriate, receiving lien waivers will be established by ARHM based on the construction draw schedule provided by the first-mortgage lender and adhered to by the Franchisee.

Upon Sale to Third-Party Buyer

14. At the time of closing of a sale to a third-party buyer, the following will be paid from closing proceeds to ARHM in satisfaction of the Mezzanine and furnishings loans (the "Mezzanine Loan Payoff"):
 - a. Any and all accrued but unpaid interest;
 - b. The current outstanding principal balance of the Mezzanine and furnishings loans; and
 - c. An incentive payment from the sale of the model home equal to 30.0% of the net profit earned by the Franchisee.

In the event closing proceeds are insufficient to satisfy the required Mezzanine Loan Payoff, Franchisee may either:

- a. Use other funds of the Franchisee to satisfy the Mezzanine Loan Payoff; or

Agree to repay the unpaid portion through a one percent (1%) escalation of Franchise Fees due ARH until an amount equal to 150% of the unpaid amount has been collected.

Owner shall request and ARHM shall be required to make, subject to the terms and conditions provided herein, disbursements of the Loan not more frequently than once each calendar month. The Loan is not a revolving facility, and Owner shall not have the right to re-borrow any portion of the Loan proceeds which are repaid to ARHM.

ARHM may establish and set aside out of the Loan, an interest reserve (the "Interest Reserve") in the amount equal to six (6) months interest on the Commitment and the First Lien Loan if an Interest Reserve is not separately established by the First Lien Lender as the same may accrue or become payable prior to the repayment in full of the Loan and the First Lien Loan. Amounts set aside as the Interest Reserve shall not be available for disbursement to Owner for any purpose other than payment of interest. The Interest Reserve shall be housed with ARHM, who shall have a perfected security interest in the same as additional security for the Loan. In conjunction with the closing of a Permitted Sale, and provided the First Lien Loan is paid in full, return of any amounts remaining in the Interest Reserve will be incorporated into the payoff amount submitted to the Title Company by ARHM in satisfaction of Owner's Obligation to ARHM. No Interest shall be payable to Owner on the Interest Reserve.

2.2 Interest Rate.

2.2.1 Interest Rate. Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue at the Interest Rate.

2.2.2 Default Rate. During the existence of an Event of Default, the outstanding principal balance of the Loan and, to the extent permitted by law overdue interest in respect of the Loan, shall accrue interest at the Default Rate, calculated from the date the default occurred which led to such an Event of Default, without regard to any grace or cure periods contained herein.

2.2.3 Interest Calculation. Unless otherwise expressly set forth herein, any accrued interest on any Loan, any fees or any other Obligations due hereunder shall be computed on the basis of a year of three hundred sixty (360) days and the actual number of days elapsed.

2.2.4 **Usury.** In no event shall the amount of interest due or payable on the Loan or other Obligations exceed the maximum rate of interest allowed by Applicable Law and, if any such payment is paid by Owner or received by ARHM, then such excess sum shall be credited as a payment of principal, unless Owner shall notify ARHM in writing that Owner elects to have such excess sum returned to it forthwith. It is the express intent of the parties hereto that Owner not pay and ARHM not receive, directly or indirectly, in any manner whatsoever, interest in excess of that which may be lawfully paid by Owner under Applicable Law. This late charge may be assessed without notice, shall be immediately due and payable and shall be in addition to all other rights and remedies available to ARHM. The Owner agrees that the damages to be sustained by ARHM for the detriment caused by any late payment are extremely difficult and impractical to ascertain, and that the amount of five cents for each one dollar due is a reasonable estimate of such damages, does not constitute interest, and is not a penalty.

2.3.4 **Optional Prepayment.** Owner shall have the right to prepay the Loan without payment of any prepayment fee or premium upon not less than three (3) Business Days' written notice in whole or in part at any time during the term of the Loan. Prepayment shall not eliminate the Profits Interest described in Section 6.15 below, which shall survive the repayment of the Loan, if not paid concurrently.

2.3.5 **Place and Application of Payments.** All payments of principal of and interest on the Loan, and of all other Obligations payable by Owner under this Agreement and the other Loan Documents, shall be made by Owner to ARHM by no later than 12:00 p.m. (Florida time) on the due date thereof through automated clearing house transfers from Owner's designated operating account directly to ARHM (or by such other method or to such other location as ARHM may designate

to Owner). Any payments received after such time shall be deemed to have been received by ARHM on the next Business Day. All such payments shall be made in U.S. Dollars, in immediately available funds at the place of payment, in each case without set-off or counterclaim.

If at any time insufficient funds are received by and available to ARHM to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of fees, indemnities and expense reimbursements then due hereunder, (ii) second, towards payment of interest and Late Charges then due hereunder, and (iii) third, towards payment of principal then due hereunder. Notwithstanding the foregoing, during the existence of an Event of Default, ARHM shall have the right to apply repayments and proceeds of collateral to the Obligations in any order, in its sole discretion.

2.3.6 Extension of Maturity Date. Owner shall have the one-time option (the “Extension Option”) to extend the Initial Maturity Date to the Extended Maturity Date upon satisfaction of the following conditions precedent which must be satisfied prior to the Initial Maturity Date, the satisfaction of such conditions precedent to be determined by ARHM in its reasonable discretion:

(a) Extension Request. Owner shall deliver written notice of such request (the “Extension Request”) to ARHM not later than the date which is sixty (60) days prior to the Initial Maturity Date;

(b) First Lien Loan Extension. ARHM shall have received evidence that the maturity of the First Lien Loan has also been extended to the Extended Maturity Date;

(c) No Default. On the date the Extension Request is submitted and on the Initial Maturity Date, there shall exist no Unmatured Default or Event of Default;

(d) Appraisal. ARHM may request and, if such request is made, ARHM shall be provided with an appraisal in form and substance, and prepared by an appraiser satisfactory to ARHM;

(e) Additional Documents. Not later than the Initial Maturity Date, (A) the extension shall have been consented to and documented to ARHM’s satisfaction by Owner, ARHM, and all other parties deemed necessary by ARHM; and

(f) Satisfaction of Conditions. If all of the foregoing conditions are not satisfied strictly in accordance with their terms, the extension shall not be or become effective.

2.3.7 Payments Free of Taxes. Any and all payments by or on account of any obligation of Owner under any Loan Document shall be made without deduction or withholding for any taxes, except as required by applicable law. If any Applicable Law requires the deduction or withholding of any tax from any such payment, then the sum payable by the Owner shall be increased as necessary so that

after such deduction or withholding has been made ARHM receives an amount equal to the sum it would have received had no such deduction or withholding been made.

3. Representations and Warranties of Owner. In order to induce ARHM to make the Loan, Owner represents and warrants to ARHM that:

3.1 Owner is duly organized, validly existing, and in good standing under the laws of its state of organization.

3.2 The execution, delivery, and performance by Owner of this Agreement and the Loan Documents are within its powers, have been duly authorized by all necessary action, and do not contravene Owner's organizational documents (e.g., charter, articles of incorporation and bylaws, articles of association and operating agreement, partnership agreement or any similar organizational documents) or any law or contractual restriction binding on or affecting Owner, including without limitation the First Lien Loan Documents.

3.3 No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for Owner's due execution, delivery, and performance of this Agreement or the Loan Documents.

3.4 This Agreement is Owner's legal, valid, and binding obligation enforceable against the Owner in accordance with its terms.

3.5 All financial statements submitted to ARHM relating to Owner, Pledgor and the Project are true, complete and correct, and have been prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial condition of the party to which they pertain and the other information therein described and do not contain any untrue statement of a material fact or omit to state a fact material to the financial statement submitted or this Agreement. No Material Adverse Occurrence has occurred in the financial condition of Owner, Pledgor or the Project and no material increase in the contingent liabilities of Owner or Pledgor has occurred, in each case, since the dates of each such financial statement.

3.6 There is no pending or threatened action or proceeding affecting the Owner or the Project before any court, governmental agency or arbitrator, which may materially adversely affect the Owner's financial condition or operations or which purports to affect the legality, validity, or enforceability of this Agreement or the Loan Documents.

The Project will at all times and in all material respects conform to and comply with the requirements of

such easements, covenants, conditions, restrictions, reservations, building laws, regulations, zoning and land use ordinances, and federal, state and local requirements. The present and proposed operation and use of the Land and the Project do not violate any applicable law, ordinance, code, rule, regulation, order or any restrictive covenant or any similar zoning or land use restriction binding on the Land or the Project. The Land is a legal parcel lawfully created in full compliance with all subdivision laws and ordinances.

3.9 All water, sewer, electric, telephone and drainage facilities and all other utilities required by law and by the normal operation of the Project have been installed to the boundary lines of the Land, are connected pursuant to valid permits, the cost of extending and connecting such utilities to the Land is stated in the Budget, and are adequate to fully comply with all requirements of law and to serve the Project for its intended use.

3.11 Owner has not received, and has no knowledge of any other party having received, any notice from any insurer of any defects or inadequacies in the Land or the Project which would adversely affect the insurability of the Land or the Project;

3.12 Construction of the Project must commence no later than one hundred twenty (120) days after the date hereof. The Project will be constructed in accordance with the Plans and Specifications. The construction shall not be deemed to be in accordance with the Plans and Specifications if, among other things: (i) the quality of materials used in the construction of the Project is not equal or superior to those shown in the Plans and Specifications; (ii) the square footage of the Project is changed; or (iii) the structural design or integrity of the Project changes.

3.14 The total cost for the Project shall not exceed the amount provided in the Budget, as adjusted for any change orders reviewed and approved by ARHM. Owner shall provide details supporting any change order individually exceeding \$5,000.00 to ARH's Purchasing Support Group ("PSG") for review. Such supporting detail and PSG's approval will be exchanged via email. Such cost is a true and accurate estimate of the costs necessary to complete the Project in a good and workmanlike manner according to the Plans and Specifications, and Owner shall take all steps necessary to prevent the actual cost of the Project from exceeding such amount.

3.15 The Construction Contract is in full force and effect, no defaults exist pursuant to the Construction Contract and Owner does not know of any condition which with the passage of time or the giving of notice, or both, would constitute a default pursuant to the Construction Contract. The Construction Contract has not been amended, modified, supplemented or assigned in any manner. In the aggregate, the Construction Contract covers all labor, material and equipment required by the Plans and Specifications or necessary to complete the Project.

3.16 No Event of Default or Unmatured Default has occurred.

Owner agrees that all of the representations and warranties set forth in Section 3 and elsewhere in this Agreement are true as of the date hereof, and each disbursement of Loan proceeds shall be deemed to be a reaffirmation by Owner that each of the representations and warranties is true and correct as of the date of such disbursement. It shall be a condition precedent to the opening of the Loan and each subsequent disbursement that each of said representations and warranties is true and correct as of the date of such requested disbursement. Notwithstanding the foregoing, any representation and warranty which is by its express terms made as of a specific date shall only be deemed made as of said date. All representations and warranties made in this Agreement or any other Loan Document or in any certificate or other document delivered to ARHM pursuant to or in connection with this Agreement shall be deemed to have been relied upon by ARHM notwithstanding any investigation heretofore or hereafter made by ARHM or on its behalf.

4. Conditions To Loan Opening Date. Prior to the Loan Opening Date, Owner shall execute and/or deliver to ARHM the following documents and other items required to be executed and/or delivered by Owner, and shall cause to be executed and/or delivered to ARHM the following documents and other items required to be executed and/or delivered by others, all of which documents and other items shall contain such provisions as shall be required to conform to this Agreement and otherwise shall be satisfactory in form and substance to ARHM (and any such document or item not executed and/or delivered to ARHM on or before the Loan Opening Date shall not be deemed a permanent waiver of such requirement unless and except as set forth expressly in writing signed by ARHM; and absent an express written permanent waiver, ARHM may at any time subsequent thereto insist upon execution and/or delivery of such document or other item):

4.1 The Loan Documents. Owner, Pledgor and all other applicable parties shall have executed and delivered each of the Loan Documents. The UCC-1 Financing Statement shall be filed in connection therewith.

Owner shall have delivered to ARHM a reasonably detailed Project development and construction schedule ("Project Schedule") specifying all of the projected start and completion dates (or delivery dates) for each component of development of the Project. Contractor maintaining an accurate construction schedule in the Arthur Rutenberg Information Systems ("ARIS") software satisfies this requirement.

4.10 Utilities. Owner shall have delivered to ARHM evidence reasonably satisfactory to ARHM that all utility services necessary for the development, construction and operation of the Project (including, but not limited to, sanitary sewer, water, electricity, gas and other similar utilities) are available to the Land in sufficient capacity to serve the Project and that Owner will be permitted to directly connect the Project to all such utility services without unusual expense.

5. Disbursement of the Loan.

5.1 Conditions Precedent in General. In addition to the conditions to disbursement set forth in the First Lien Loan Documents and the other conditions set forth herein, the obligation of ARHM to make the Initial Advance or any subsequent Advance under this Agreement shall be conditioned upon and subject to the satisfaction of all of the following conditions:

5.1.1 All representations and warranties contained in this Agreement and in the other Loan Documents shall be true in all material respects on and as of the date of such Advance.

5.1.2 Owner shall have performed all of its obligations under all Loan Documents which are required to be performed on or prior to the date of such Advance.

5.1.3 There shall have been no Material Adverse Occurrence to Owner or Pledgor since the Loan Opening Date, as reasonably determined by ARHM.

5.1.4 No Event of Default shall have occurred that has not been waived in writing by ARHM and no Unmatured Default shall then exist.

5.1.5 No litigation or proceedings are pending or threatened against Owner, Pledgor, or the Project, which litigation or proceedings, in the reasonable judgment of ARHM, could constitute a Material Adverse Occurrence.

5.1.6 Owner shall have delivered to ARHM a Disbursement Request not less than five (5) Business Days prior to the requested Advance, specifying in detail the amount and mode of each Advance and accompanied by the following, all in form and substance satisfactory to ARHM:

(a) An owner's sworn statement and disbursement request;

(b) An application for payment and sworn Contractor's statement from Contractor, and a statement of a duly authorized officer of Contractor that all items of construction cost have been incorporated into the Project in accordance with the Plans and Specifications, together with a waiver of lien with respect to the current disbursement and all previous disbursements from the Contractor;

(c) Invoices for all soft costs which are the subject of the Advance;

(d) A certificate of any architect, on a form satisfactory to ARHM;

(e) Building and other applicable permits issued by the appropriate governmental bodies for all Work for which a Advance is requested; and

(f) Such other documents, assignments, certificates and opinions as are reasonably required by ARHM.

5.1.7 No event, circumstance or condition exists or has occurred which, in ARHM's sole judgment, could delay or prevent the completion of the Work by the Project Completion Date.

5.1.8 Subject to Force Majeure, no event, circumstance or condition exists or has occurred which, in ARHM's sole judgment, could delay or prevent the completion of the Work by the Project Completion Date.

5.1.9 ARHM shall be satisfied as to the continuing accuracy of the Budget.

5.1.10 Prior to any Advance for vertical construction of the Improvements, Owner shall have delivered to ARHM copies of all permits required for the completion of the construction of the Work to the extent not previously delivered to ARHM in accordance with the terms and provisions of this Agreement, including without limitation, the building permit, each of which shall be in form and substance satisfactory to ARHM.

5.2 Representations and Warranties. Each request for an Advance by Owner shall constitute (a) Owner's certification that the representations and warranties contained in Section 3 are true and correct in all material respects as of the date of such request, (b) Owner's certification that Owner is in compliance with the conditions contained in this Section 5, and (c) Owner's representation and warranty to ARHM, with respect to the Work, materials and other items for which payment is requested that (i) such Work and materials for which Loan proceeds were previously disbursed have been incorporated into the Project, free and clear of liens, claims and encumbrances, (ii) the value thereof is as estimated therein, (iii) such Work and materials substantially conform

Neither review nor approval by ARHM of requests for disbursement or any information contained therein or any other information provided to ARHM in accordance with the other provisions of this Section 5 shall constitute the acceptance or approval by ARHM of any portion of the Work.

5.3 Method and Application of Disbursements.

5.3.1 Advances shall be made by ARHM either through the Title Company or directly to Owner. Once the Advance is funded to the Title Company, such Advance shall be deemed to have been funded to Owner.

5.3.2 Notwithstanding the foregoing, ARHM shall not be responsible, liable or obligated to the Contractor, subcontractors, suppliers, materialmen, laborers, architects, engineers, or any other parties, for services or work performed, or for goods delivered by them or any of them, in and upon the Land or employed directly or indirectly in the performance of the Work, or for any debts or claims whatsoever accruing in favor of any such parties and against Owner or others, or against the Project.

5.4 Project Schedule. All Advances shall be made in accordance with the Project Schedule, which Owner agrees to update and maintain.

6. Additional Covenants of Owner. Owner covenants and agrees that it will:

6.1 Manner of Construction. Commence construction of the Project within one hundred twenty (120) days after the date of this Agreement and complete construction of the Project by _____ (the "Project Completion Date") in a good and workmanlike manner in accordance with plans and specifications approved by ARHM and in conformity with all Applicable Laws.

6.2 Change Orders. Not make any changes in the Plans or Specifications for the Project without the prior review and approval of ARHM.

6.3 Compliance with Laws. Take all actions necessary so that the Land, construction of the Project, the Project and use of the Project for its intended purpose are and will be in compliance with all zoning, building, subdivision, condominium, health, traffic, environmental, safety and other laws, regulations and ordinances and private covenants and restrictions applicable to the Land and the Project. Owner shall immediately notify ARHM in writing of any notice received from any Person indicating that Owner is, or may be, in violation of such laws, regulations, ordinances or restrictions and covenants.

6.4 Use of Proceeds. Not expend any of the proceeds of the Loan except for acquisition of the Land and construction of the Project and other purposes approved by ARHM.

6.5 Financial Statements. Deliver to ARHM such financial statements and other information concerning the condition of Owner and Pledgor as ARHM may from time to time request.

6.6 Appraisal. Owner shall deliver an appraisal to ARHM within thirty (30) days of the Project Completion Date. Owner further acknowledges and agrees that ARHM may obtain upon request but no more frequently than once every six months, an appraisal of all or any part of the Property prepared in accordance with written instructions from ARHM by a third-party appraiser acceptable to ARHM. Owner shall permit access to the Property in connection with any appraisal and shall otherwise cooperate with any such third-party appraiser. The cost of any such appraisal shall be borne by Owner and shall be included in determining the Net Profit of the Project.

6.7 Inspection. Upon reasonable prior written or oral notice (which shall not be required in the event of an emergency), Owner shall permit inspection of the Property by ARHM, a consultant of ARHM and any other agent or designee of ARHM.

6.8 Concerning the Premises. Owner shall: (a) maintain, preserve and keep the Property in good repair, working order and condition and shall from time to time make all necessary repairs, renewals, replacements, additions and betterments thereto so that at all times the Property and the Improvements shall be fully preserved and maintained; (b) not allow any Hazardous Materials to be stored, located, discharged, possessed, managed, processed or otherwise handled on the Property, and shall comply with all Environmental Laws applicable to the Property; (c) cause the Property to be taxed as one or more separate tax parcels which do not include any property other than the Property; (d) ensure that under Applicable Law, the Property may be mortgaged, conveyed and otherwise dealt with as a separate legal parcel.

6.9 Affirmation of Representations and Warranties. Owner agrees that all representations and warranties of Owner contained in Section 3 hereof shall remain true in all material respects at all times until the Loan is repaid in full.

6.10 Taxes and Assessments. Owner shall pay when due and before any penalty attaches all general taxes and all special taxes, special assessments, water charges, drainage and sewer charges, homeowners association fees, community development district fees and all other charges of any kind whatsoever, ordinary or extraordinary, which may be levied, assessed, imposed or charged on or against it or on the Property, and shall, upon written request, exhibit to ARHM official receipts evidencing such payments.

6.11 Insurance. Owner shall, at its expense, during the term of this Agreement, procure and keep in force, or cause to be kept in force, insurance coverages in form, content and amounts approved by ARHM and written by an insurance company or companies licensed to do business in the state in which the Property is located and

domiciled in the United States or a governmental agency or instrumentality approved by ARHM. The policies for such liability insurance (other than workmen's compensation insurance) shall name ARHM as an additional insured thereunder. All such policies of insurance shall include a thirty (30) day (except for nonpayment of premium, in which case, a ten (10) day) notice of cancellation clause in favor of ARHM. All policies or certificates of insurance shall be delivered to and held by ARHM as further security for the payment of obligations arising under the Loan Documents, with evidence of renewal coverage delivered to ARHM at least thirty (30) days before the expiration date of any policy.

6.12 Proceedings Affecting Property. If any proceedings are filed seeking to enjoin or otherwise prevent or declare invalid or unlawful the construction, occupancy, use, maintenance or operation of the Property, or any portion thereof, Owner shall cause such proceedings to be vigorously contested in good faith, and in the event of an adverse ruling or decision, prosecute all allowable appeals therefrom, and shall, without limiting the generality of the foregoing, resist the entry or seek the stay of any temporary or permanent injunction that may be entered, and use its best efforts to bring about a favorable and speedy disposition of all such proceedings. All such proceedings, including without limitation, all of ARHM's costs, and fees and disbursements of ARHM's counsel in connection with any such proceedings, whether or not ARHM is a party thereto, shall be at Owner's expense. To the extent that ARHM incurs any such expenses, including attorneys' fees and fees and charges for court costs, bonds and the like, Owner shall reimburse ARHM for such expenses and the amount due ARHM shall bear interest from the date so incurred by ARHM until repaid to ARHM at the Default Rate and shall be payable to ARHM on demand.

6.13 No Debt. Except for obligations owing to ARHM and the First Lien Loan, Owner shall not incur or become liable for any indebtedness.

6.14 Liens. Owner shall keep fee simple title to the Project and shall not create, incur, assume or suffer to exist any mortgage, pledge or other lien claims or encumbrances against the Project, any other property, real or personal, which secures the Loan or against any funds due Contractor or any subcontractor, other than (i) those under the Loan Documents, (ii) those under the First Lien Loan Documents, and (iii) liens for real estate taxes and special assessments that are not delinquent.

6.15 Sale of Property; Profit Sharing. Owner shall not, without ARHM's prior written consent, directly or indirectly, suffer, permit or enter into any agreement for any sale, lease, transfer, or in any way encumber or dispose of or grant or suffer any security or other assignment (collateral or otherwise) of or in all or any portion of the Property. Notwithstanding the foregoing, provided no Event of Default exists, Owner may enter into any agreement for any sale or transfer of all the Property to a third-party, with such terms as Owner shall reasonably determine (a "Permitted Sale"). Upon the closing of any Permitted Sale, the net cash proceeds from such Permitted Sale shall be disbursed as follows: (a) first, to the First Lien Lender for the satisfaction of all outstanding principal, accrued and unpaid interest and all other fees, expenses and other obligations owing under the First Lien Loan Documents; (b) second, to ARHM for the satisfaction of all outstanding

principal, accrued and unpaid interest and all other fees, expenses and other obligations owing in connection with the Loan and any loan from ARHM to the Owner for furnishings for the Project; (c) third to ARHM in the amount equal to 30% of the Net Profit from the sale of the Project, and (d) finally, to be retained by Owner. In the event the net cash proceeds are insufficient to satisfy the obligations owing to ARHM set forth in (b) and (c) above in full, Owner may use other funds to satisfy such obligations or request that ARHM continue to finance the unpaid amount of such obligations at the Interest Rate. The provisions of this Section 6.15 shall survive the repayment of the Loan.

6.16 Single Asset Entity. Owner shall not hold or acquire, directly or indirectly, any ownership interest (legal or equitable) in any real or personal property other than the Property and/or cash and other assets relating thereto, or become a shareholder of or a member or partner in any entity which acquires any property other than the Property, until such time as the Obligations have been fully repaid. The organizational documents of Owner shall limit its purpose to the acquisition, construction, operation, management, leasing and disposition of the Property and/or matters relating thereto and such purposes shall not be amended without the prior written consent of ARHM. Owner shall: (a) Maintain its assets, accounts, books, records, financial statements, stationery, invoices, and checks separate from and not commingled with any of those of any other Person including Pledgor or any other Affiliate; (b) Conduct its own business in its own name, pay its own liabilities out of its own funds, allocate fairly and reasonably any overhead for shared employees and office space, and to maintain an arm's length relationship with its Affiliates; (c) Hold itself out as a separate entity, correct any known misunderstanding regarding its separate identity, maintain adequate capital in light of its contemplated business operations, and observe all organizational formalities; and (d) Not, and shall not permit any constituent party of Owner to seek the dissolution or winding up, in whole or in part, of Owner and/or such constituent party of Owner, nor merge with or be consolidated into any other entity.

7. Events of Default. The occurrence of any one or more of the following shall constitute an "Event of Default":

7.1 Failure by Owner or Pledgor to make: (i) any payment of principal or interest hereunder (within five (5) days of the date when due except upon maturity or acceleration), or (ii) any other payment under the Loan Documents within five (5) days of the date when due or, if no date is stated, five (5) days after demand (or such shorter period as may be expressly provided for herein or therein).

7.2 Failure by Owner to perform or cause to be performed any other obligation or observe any other condition, covenant, term, agreement or provision required to be performed or observed by Owner contained in this Agreement and not specifically referred to elsewhere in this Section 7; provided, however, that if such failure by its nature can be cured, then so long as the continued operation and safety of the Property, and the priority, validity and enforceability of the liens created by this Agreement, the Pledge Agreement or any of the other Loan Documents and the value of the Property is not impaired, threatened or jeopardized, then Owner shall have a period ("Cure Period") of thirty (30) days after Owner obtains actual knowledge of such failure or receives written notice of such failure to cure the same and an Event of Default shall not be deemed to exist

7.5 If there occurs a Material Adverse Occurrence;

7.6 The termination of the Construction Contract without ARHM's prior written consent; unless (i) Owner enters into a new construction contract, in form and substance satisfactory to ARHM, within thirty (30) days from the termination of the Construction Contract with a contractor approved by ARHM and (ii) the Project can be completed by the Project Completion Date, as determined by ARHM;

7.7 Owner, Pledgor or any of their permitted successors or assigns shall: (a) file a voluntary petition in bankruptcy or an arrangement or reorganization under any federal or state bankruptcy, insolvency or debtor relief law or statute (hereinafter referred to as a "Bankruptcy Proceeding"); (b) file any answer in any Bankruptcy Proceeding or any other action or proceeding admitting insolvency or inability to pay his, her or its debts; (c) fail to oppose, or fail to obtain a vacation or stay of, any involuntary Bankruptcy Proceeding within sixty (60) days after the filing thereof; (d) solicit or cause to be solicited petitioning creditors for any involuntary Bankruptcy Proceeding against Owner or Pledgor; (e) be granted a decree or order for relief, or be adjudicated a bankrupt or declared insolvent in any Bankruptcy Proceeding, whether voluntary or involuntary; (f) have a trustee or receiver appointed for or have any court take jurisdiction of its property, or the major part thereof, or all of any portion of the Property, in any voluntary or involuntary proceeding for the purpose of reorganization, arrangement, dissolution or liquidation, and, with respect to an involuntary proceeding only, such trustee or receiver is not discharged or such jurisdiction is not relinquished, vacated or stayed on appeal or otherwise, within sixty (60) days after the commencement thereof; (g) make an assignment for the benefit of creditors; (h) consent to any appointment of a receiver or trustee or liquidator of all of its property, or the major part thereof, or all or any portion of the Property; (i) have an attachment or execution levied with respect to, or other judicial seizure be effected for, all or substantially all of its assets or all or any portion of the Property, or the placing of any attachment, levy of execution, charging order, or other judicial seizure on the interest of the parent of Owner; or (j) liquidates, dissolves, terminates or otherwise ceases to exist.

7.8 The entry of any order enjoining or otherwise preventing or declaring invalid or unlawful the construction, occupancy, maintenance, operation or use of the Property, or any portion thereof, in the manner required by the terms of this Agreement, or of any proceedings which could or might affect the validity of any of the security for the Loan, or which could result in a Material Adverse Occurrence;

7.9 A final nonappealable judgment for the payment of money involving more than Fifty Thousand Dollars (\$50,000) is entered against Owner or Pledgor, and Owner or Pledgor fails to discharge the same, or causes it to be discharged or bonded off to ARHM's satisfaction, within thirty (30) days from the date of the entry of such judgment;

7.10 The filing or threatened filing of any condemnation or administrative proceeding or litigation against the Property which would in any way impair the completion of the Work prior to the Project Completion Date or the full utilization of the Property once completed;

7.11 The occurrence of an "Event of Default" or a default (after expiration of any notice or cure period, if any) under any of the other Loan Documents;

7.12 The occurrence of an "Event of Default" or a default (after expiration of any notice or cure period, if any) under the First Lien Loan Documents; or

7.13 The occurrence of any of the events set forth in Section 7.1 or 7.2 (after expiration of any notice or cure period, if any) of the Franchise Agreement.

8. Remedies Upon Default. Upon the occurrence of any Event of Default, ARHM may, by notice to the Owner, and subject to the express terms of the Intercreditor Agreement, (i) suspend its obligations to make Advances, and/or (ii) declare the principal of and accrued interest on the Loan and all other amounts owing under this Agreement to be immediately due and payable, without further demand, presentment, protest, or notice of any kind, and/or (iii) exercise any and all remedies set forth in the other Loan Documents or at law, including, without limitation, a UCC enforcement action pursuant to the provisions of the Pledge Agreement.

9. Miscellaneous.

9.1 Amendments in Writing. No amendment, modification, termination or waiver of any provision of this Agreement or of any other Loan Document, nor consent to any departure by the Owner therefrom, shall in any event be effective unless the same shall be in writing and signed by ARHM. No notice to or demand on the Owner in any case shall entitle the Owner to any other or further notice or demand in similar or other circumstances.

9.2 No Joint Venture, etc. The relationship between Owner and ARHM created by this Agreement is strictly an independent contractual relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between ARHM and Owner or any contractor. ARHM is not an agent or representative of Owner. This Agreement does not create a contractual relationship with and shall not be construed to benefit or bind ARHM in any way or create any contractual duties by ARHM to any contractor, subcontractor, materialman, laborer, or any other Person. ARHM and Owner intend that ARHM may reasonably rely on all information supplied by Owner to ARHM, together with all representations and warranties given by Owner to ARHM, without investigation or confirmation by ARHM and that any

investigation or failure to investigate will not diminish ARHM's right to so rely. Notwithstanding certain references herein to the Franchise Agreement, this Agreement and the obligations contained herein are independent of, and separate and distinct from, the franchise relationship between Pledgor and ARH created pursuant to the Franchise Agreement.

9.3 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. Section headings used in this Agreement are for convenience of reference only and are not a part of this Agreement for any other purpose.

9.4 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of Owner and shall inure to the benefit of ARHM and its successors and assigns; provided Owner may not assign any of its obligations under this Agreement without the prior written consent of ARHM.

9.5 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF DELAWARE WITHOUT GIVING EFFECT TO ITS CONFLICTS OF LAW PROVISIONS.

9.6 CONSENT TO JURISDICTION AND VENUE. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF DELAWARE OR IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE; PROVIDED, HOWEVER, THAT ANY SUIT SEEKING ENFORCEMENT AGAINST ANY COLLATERAL OR OTHER PROPERTY MAY BE BROUGHT, AT ARHM'S OPTION, IN THE COURTS OF ANY JURISDICTION WHERE SUCH COLLATERAL OR OTHER PROPERTY MAY BE FOUND OR IN ANY JURISDICTION IN WHICH A BANKRUPTCY, INSOLVENCY OR OTHER SIMILAR LEGAL OR EQUITABLE PROCEEDING IS PENDING AGAINST OWNER. OWNER EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF DELAWARE AND OF THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. OWNER EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION OWNER MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

9.7 WAIVER OF RIGHT TO JURY TRIAL. OWNER AND ARHM ACKNOWLEDGE AND AGREE THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT WOULD BE BASED UPON DIFFICULT AND COMPLEX ISSUES AND, THEREFORE, OWNER AND ARHM AGREE THAT ANY LAWSUIT ARISING OUT OF ANY SUCH CONTROVERSY SHALL BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

9.8 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. Delivery of a counterpart hereof, or a signature page hereto, by facsimile or in a .pdf or similar file shall be effective as delivery of a manually executed original counterpart thereof.

9.9 Indemnification. In consideration of the execution and delivery of this Agreement by ARHM and the agreement to extend the credit provided hereunder, Owner hereby agrees to indemnify, exonerate and hold free and harmless ARHM, ARHM's Affiliates and each of the officers, directors, employees and agents of ARHM or any Affiliate of ARHM, including without limitation ARH (collectively, herein called the "ARHM Parties") free and harmless from and against any and all actions, causes of action, suits, losses, liabilities, damages and expenses, including, without limitation, reasonable attorneys' fees and disbursements (collectively, and including all of the foregoing based upon contract, tort or otherwise, herein called the "Indemnified Liabilities"), incurred by ARHM Parties or any of them as a result of, or arising out of, or relating to (a) the execution, delivery, performance, enforcement or administration of this Agreement, the Pledge Agreement, any consent, waiver or other agreement of Pledgor, or any other Loan Document or instrument securing this Agreement or otherwise executed or delivered in connection with this Agreement, (b) the relationship of the parties as Owner, guarantor and ARHM, or (c) the noncompliance by Owner or by any property of Owner with Environmental Laws. Notwithstanding the foregoing, Owner shall not be required to indemnify any ARHM Party for any such Indemnified Liabilities arising on account of the gross negligence or willful misconduct of such ARHM Party, and if and to the extent that the foregoing undertaking may be unenforceable for any reason, Owner hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. This Section 9.10 shall survive termination of this Agreement.

(e) If the Debtor has a place of business in more than one state, the chief executive office of the Debtor is _____

(f) The Debtor's principal place of business and chief executive office in the State of ___ is _____, _____, _____.

Covenants of Debtor. So long as this Agreement has not been terminated as provided in paragraph 6, the Debtor: (a) will defend the Collateral against the claims of all other persons; will keep the Collateral free from all security interests or other encumbrances except the Security Interest; and will not sell, transfer, lease, or otherwise dispose of any of the Collateral or any interests therein without the prior written consent of the Secured Party; (b) will keep the Collateral at the address specified above until the Secured Party is notified in writing of any change in its location within the State but the Debtor will not remove the Collateral from the State nor change the location of Debtor's chief executive office without the written consent of the Secured Party, will notify the Secured Party promptly in writing of any change in the Debtor's address, name or identity from that specified above; and will permit the Secured Party or its agents to inspect the Collateral; (c) will keep the Collateral in good condition and repair and will not use the Collateral in violation of any provisions of this Security Agreement, of any applicable statute, regulation or ordinance or of any policy of insurance insuring the Collateral; (d) will execute and deliver to the Secured Party such financing statements and other documents, pay all costs including costs of title searches and filing financing statements and other documents in any public offices requested by the Secured Party, and take such other action as the Secured Party may deem advisable to perfect the Security Interest created by this Agreement; (e) will pay all taxes, assessments and other charges of every nature which may be levied or assessed against the Collateral; (f) will insure the Collateral against risks by obtaining policies (none of which shall be cancelable without the written consent of the Secured Party) in coverage, form and amount and with companies satisfactory to the Secured Party; (g) will prevent the Collateral or any part thereof from being or becoming an accession to other goods not covered by the Security Agreement; (h) unless the Collateral is specified in paragraph 3 (d) as a fixture, will prevent the Collateral or any part of the Collateral from becoming a fixture; and (i) if any certificate of title may be issued with respect to any of the Collateral, the Debtor will cause the Secured Party's interest under this Agreement to be noted on the certificate and will deliver the original certificate to the Secured Party.

Default. (a) Any of the following shall constitute an event of default, ("Event of Default"): (i) non-payment when due whether by acceleration or otherwise of the principal of or interest on any Indebtedness, time being of the essence, or failure by the Debtor to perform any obligations under this Agreement or any other agreement between the Debtor and the Secured Party; (ii) death or incompetency of the Debtor; (iii) filing by or against the Debtor of a petition in bankruptcy or for reorganization under any bankruptcy, reorganization, compromise, arrangement, insolvency, readjustment of debt, dissolution, liquidation or similar law of any jurisdiction; (iv) making a general assignment by the Debtor for the benefit of creditors; the appointment of or taking possession by a receiver, trustee, custodian or similar official for the Debtor or for any of the Debtor's assets; or the institution by or against the Debtor of any kind of insolvency proceedings or any proceeding for the dissolution or liquidation of the Debtor; (v) the occurrence of any event described in paragraph 5(a) (ii), (iii) or (iv) hereof with respect to any endorser or guarantor or any party liable for payment of any Indebtedness; (vi) material falsity in any certificate, statement, representation, warranty or audit at any time furnished to the Secured Party or on behalf of the Debtor or any endorser or guarantor or any other party liable for payment of any Indebtedness, pursuant to or in connection with the Security Agreement or otherwise (including warranties in this Agreement) and including any omission to disclose any substantial contingent or liquidated liabilities or any material adverse change in facts disclosed by any certificate, statement, representation, warranty or audit furnished to the Secured Party; (vii) any attachment or levy against the Collateral or any other occurrence which inhibits the Secured Party's free access to the Collateral; or (viii) the sale of the property described in Exhibit A.

(b) The Secured Party may declare all or any part of the Indebtedness to be immediately due without notice upon the happening of any Event of Default or if the Secured Party in good faith believes that the prospect of payment of all or any part of the Indebtedness or the performance of the Debtor's obligations under this Agreement or any other agreement now or hereafter in effect between the Debtor and the

Secured Party is impaired. This paragraph is not intended to affect any rights of the Secured Party with respect to any Indebtedness which may now or hereafter be payable upon demand.

(c) Upon the happening of any Event of Default the Secured Party's rights with respect to the Collateral shall be those of a secured party under the Uniform Commercial Code and any other applicable law from time to time in effect. The Secured Party shall also have any additional rights granted herein and in any other agreement now or hereafter in effect between the Debtor and the Secured Party. If requested by the Secured Party, the Debtor will assemble the Collateral and make it available to the Secured Party at a place designated by the Secured Party.

(d) The Debtor agrees that any notice by the Secured Party of the sale or disposition of the Collateral or any other intended action hereunder, whether required by the Uniform Commercial Code or otherwise, shall constitute reasonable notice to the Debtor if the notice is mailed by regular or certified mail, postage prepaid, at least ten days before the action to the Debtor's address as specified in this Agreement or to any other address which the Debtor has specified in writing to the Secured Party as the address to which notices shall be given to the Debtor.

(e) The Debtor shall pay all costs and expenses incurred by the Secured Party in enforcing this Security Agreement, realizing upon any Collateral and collecting any Indebtedness (including a reasonable attorney's fee) whether suit is brought or not and whether incurred in connection with collection, trial, appeal or otherwise, and shall be liable for any deficiencies in the event the proceeds of disposition of the Collateral does not satisfy the Indebtedness in full.

Miscellaneous. (a) The Debtor authorizes the Secured Party at the Debtor's expense to file any financing statement or statements relating to the Collateral (without the Debtor's signature thereon) which the Secured Party deems appropriate, and the Debtor appoints the Secured Party as the Debtor's attorney-in-fact to execute any such financing statement or statements in the Debtor's name and to perform all other acts which the Secured Party deems appropriate to perfect and to continue perfection of the Security Interest.

(b) The Debtor hereby irrevocably consents to any act by the Secured Party or its agents in entering upon any premises for the purposes of either: (1) inspecting the Collateral or (2) taking possession of the Collateral after any Event of Default; and the Debtor hereby waives his right to assert against the Secured Party or its agents any claim based upon trespass or any similar cause of action for entering upon any premises where the Collateral may be located.

(c) The Debtor authorizes the Secured Party to collect and apply against the Indebtedness any refund of insurance premiums or any insurance proceeds payable on account of the loss or damage to any of the Collateral and appoints the Secured Party as the debtor's attorney-in-fact to indorse any check or draft representing such proceeds or refund.

(d) (i) As further security the Debtor grants to the Secured Party a security interest in all property of the Debtor which is or may hereafter be in the Secured Party's possession in any capacity including all monies owed or to be owed by the Secured Party to the Debtor; and with respect to all of such property, the Secured Party shall have the same rights as it has with respect to the Collateral. (ii) Without limiting any other right of the Secured Party whenever the Secured Party has the right to declare any Indebtedness to be immediately due and payable (whether or not it has so declared), the Secured Party may set off against the Indebtedness all monies then owed to the Debtor by the Secured Party in any capacity whether due or not and the Secured Party shall be deemed to have exercised its right to set off immediately at the time its right to such election accrues.

(e) Upon the Debtor's failure to perform any of its duties hereunder the Secured Party may, but it shall not be obligated to, perform any of such duties and the Debtor shall forthwith upon demand reimburse the Secured Party for any expense incurred by the Secured Party in doing so.

(f) No delay or omission by the Secured Party in exercising any right hereunder or with respect to any Indebtedness shall operate as a waiver of that or any other right, and no single or partial exercise of any right shall preclude the Third Party from any other or further exercise of any other right or remedy. The Secured Party may cure any Event of Default by the Debtor in any reasonable manner without waiving the Event of Default so cured and without waiving any other prior or subsequent Event of Default by the Debtor. All rights and remedies of the Secured Party under this Agreement and under the Uniform Commercial Code shall be deemed cumulative.

(g) The Secured Party shall have no obligation to take and the Debtor shall have the sole responsibility for taking any steps to preserve rights against all prior parties to any instrument or chattel paper in the Secured Party's possession as proceeds of the Collateral. The Debtor waives notice of dishonor and protest of any instrument constituting Collateral at any time held by the Secured Party on which the Debtor is in any way liable and waives notice of any other action by the Secured Party.

(h) The rights and benefits of the Secured Party under this Agreement shall, if the Secured Party agrees, inure to any party acquiring an interest in the Indebtedness or any part thereof.

(i) The terms "Secured Party" and "Debtor" as used in this Agreement include heirs, personal representatives, and successors or assigns of those parties.

(j) If more than one Debtor executes this Security Agreement, the term "Debtor" includes each of the Debtors as well as all of them, and their obligations under this Agreement shall be joint and several.

(k) This Agreement may not be modified or amended nor shall any provision of it be waived except in writing signed by the Debtor and an authorized officer of the Secured Party.

(l) This Agreement shall be construed under the Uniform Commercial Code and any other applicable laws in effect from time to time.

(m) This Security Agreement is a continuing agreement which shall remain in force until the Secured Party shall actually receive written notice of its termination and thereafter until all of the Indebtedness contracted for or created before receipt of the notice and any extensions or renewals of that Indebtedness (whether made before or after receipt of the notice) together with all interest thereon both before and after the notice shall be paid in full.

(n) THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF FLORIDA WITHOUT GIVING EFFECT TO ITS CONFLICTS OF LAW PROVISIONS.

(o) DEBTOR AND SECURED PARTY ACKNOWLEDGE AND AGREE THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT WOULD BE BASED UPON DIFFICULT AND COMPLEX ISSUES AND, THEREFORE, DEBTOR AND SECURED PARTY AGREE THAT ANY LAWSUIT ARISING OUT OF ANY SUCH CONTROVERSY SHALL BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

(p) ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF FLORIDA OR IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE; PROVIDED, HOWEVER, THAT ANY SUIT SEEKING ENFORCEMENT AGAINST ANY COLLATERAL OR OTHER PROPERTY MAY BE BROUGHT, AT SECURED PARTY'S OPTION, IN THE COURTS OF ANY JURISDICTION WHERE SUCH COLLATERAL OR OTHER PROPERTY MAY BE FOUND OR IN ANY JURISDICTION IN WHICH A BANKRUPTCY, INSOLVENCY OR OTHER SIMILAR LEGAL OR EQUITABLE PROCEEDING IS PENDING AGAINST DEBTOR. DEBTOR EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF FLORIDA AND OF THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF FLORIDA FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. DEBTOR EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION DEBTOR MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

7. Waiver. The Debtor hereby waives any rights Debtor may have to notice and a hearing before possession of Collateral is effected by Secured Party by self-help, replevin, attachment or otherwise.

C. As a condition precedent to ARHM making the Financing to Issuer, ARHM requires, among other things, that Pledgor pledge and assign to ARHM, and grant to ARHM, a security interest in all of the Pledged Collateral (as defined below), whether now owned or hereafter acquired, to secure prompt payment and full performance of the Obligations (as defined below).

AGREEMENTS

Now, therefore, in consideration of the benefits accruing to Pledgor, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms. All capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Home Financing Agreement. All terms defined in the Uniform Commercial Code in effect from time to time in the State and used herein shall have the same definitions herein as specified therein; provided, however, if a term is defined in Article 9 of the Uniform Commercial Code of the State differently than in another Article of the Uniform Commercial Code of the State, the term has the meaning specified in Article 9. As used herein, the following terms have the following meanings:

“Code” means the Uniform Commercial Code from time to time in effect in the State.

“Collateral” means the Pledged Interests and all Proceeds.

“Event of Default” has the meaning assigned thereto in the Home Financing Agreement.

“Obligations” means all (i) obligations of Issuer owing to ARHM, including without limitation all obligations under the Home Financing Agreement and (ii) obligations of Pledgor under this Pledge Agreement.

“Pledged Interests” means all of Pledgor’s interest in Issuer, now owned or hereafter created or acquired, including but not limited to those certain equity interests owned beneficially and, if applicable of record by Pledgor listed on Schedule 1 attached hereto and made a part hereof.

“Proceeds” means all “proceeds” as such term is defined in Section 9-102 of the Code and shall include, without limitation, all dividends or other income from the Pledged Interests, collections thereon, or distributions with respect thereto.

“Securities Act” means the Securities Act of 1933, as amended.

“State” means the State of Florida.

2. Pledge; Grant of Security Interest. Pledgor hereby delivers to ARHM all of the Pledged Interests and hereby pledges and assigns to ARHM, and grants to ARHM a continuing security interest in the Collateral as security for the prompt and complete payment, performance, and observance of all of the Obligations.

3. Membership Interest Powers. Concurrently with the delivery to ARHM of each certificate representing one or more shares of Pledged Interests, Pledgor shall deliver an undated membership interest power covering such certificate, duly executed in blank by Pledgor, substantially in the form attached hereto as **Exhibit A**.

4. Representations and Warranties. Pledgor represents and warrants that:

(a) all of the Pledged Interests (i) have been duly and validly issued; (ii) are fully paid and nonassessable; (iii) are not subject to any restrictions upon the voting rights or upon the transfer thereof other than the Securities Act, any applicable “blue sky” laws or other similar foreign laws (if applicable); (iv) constitute all capital stock or other equity interests of Issuer; and (v) include the percentages of the issued and outstanding capital stock or other equity interests as set forth on **Schedule I** attached hereto;

(b) Pledgor is the record and beneficial owner of, and has good and marketable title to, such Pledged Interests, free of any and all liens or options in favor of, or claims of, any other person, except the security interest created by this Pledge Agreement; and

(c) upon the delivery to ARHM of the membership interest certificates evidencing such Pledged Interests and the membership interest powers, the security interest created by this Pledge Agreement will constitute a valid, perfected first priority security interest in the Collateral granted by Pledgor, enforceable in accordance with its terms against all creditors of Pledgor and any persons purporting to purchase any Collateral from Pledgor, except as affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

5. Covenants. Pledgor covenants and agrees with ARHM that, from and after the date of this Pledge Agreement until the Obligations are performed in full:

(a) If Pledgor shall, as a result of its ownership of any Pledged Interests, become entitled to receive or shall receive any membership interest certificate (including, without limitation, any certificate representing a membership interest dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights, whether in addition to, in substitution of, as a conversion of, or in exchange for any shares of any Pledged Interests, or otherwise in respect thereof, Pledgor shall accept the same as the agent of ARHM, hold the same in trust for ARHM and deliver the same forthwith to ARHM in the exact form received, duly endorsed by Pledgor to ARHM, if required, together with an undated membership interest power covering such certificate duly executed in blank by Pledgor, to be held by ARHM, subject to the terms hereof, as additional collateral security for the Obligations. Any property distributed to Pledgor upon or in respect of any Pledged Interests upon the liquidation, dissolution, recapitalization or reorganization of an Issuer, shall be delivered to ARHM as additional collateral security for the Obligations. If any property distributed in respect of any Pledged Interests shall be received by Pledgor while an Event of Default exists, Pledgor

shall, until such property is delivered to ARHM, hold the property in trust for ARHM, segregated from other property of Pledgor, as additional collateral security for the Obligations.

(b) Without the prior written consent of ARHM, Pledgor shall not vote to enable, or take any other action to create, incur or permit to exist any lien or option in favor of, or any claim of any person with respect to, any of the Collateral, or any interest therein, except for the security interests created by this Pledge Agreement. Pledgor will defend the right, title and interest of ARHM in and to the Collateral against the claims and demands of all persons whomsoever.

(c) At any time and from time to time, upon the written request of ARHM to Pledgor, and at its sole expense, Pledgor will promptly and duly execute and deliver such further instruments and documents and take such further actions as ARHM may reasonably request for the purposes of obtaining or preserving the full benefits of this Pledge Agreement and of the rights and powers herein granted. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note, other instrument or chattel paper, such note, instrument or chattel paper shall be immediately delivered to ARHM, duly endorsed in a manner satisfactory to ARHM, to be held as Collateral pursuant to this Pledge Agreement.

(d) Pledgor shall pay, and save ARHM harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral granted by Pledgor or in connection with any of the transactions contemplated by this Pledge Agreement.

6. Voting Rights. Unless an Event of Default shall have occurred and be continuing, Pledgor shall be permitted to exercise all voting and related rights with respect to such Pledged Interests; provided, however, that no vote shall be cast or related right exercised or other action taken which, in ARHM's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of this Pledge Agreement.

7. Rights of ARHM. If an Event of Default shall occur and be continuing, ARHM shall have the right to have any or all shares of Pledged Interests registered in its name or the name of its nominee, and ARHM or its nominee may thereafter exercise all voting, related and other rights pertaining to such Pledged Interests at any meeting of members or shareholders of an Issuer or otherwise and any and all rights of conversion, exchange, subscription and any other rights, privileges or options pertaining to such Pledged Interests as if it were the absolute owner thereof, including, without limitation, the right to appoint a replacement manager of the Issuer.

The rights of ARHM hereunder shall not be conditioned or contingent upon the pursuit by ARHM of any right or remedy against any obligor or against any other person which may be or become liable in respect of all or any part of the Obligations or against any collateral security therefor, guarantee thereof or right of offset with respect thereto. ARHM shall not be liable for any failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so, nor shall ARHM be under any obligation to sell or otherwise dispose of any Collateral upon the request of Pledgor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof.

8. Remedies; Sale Proceeds.

(a) If an Event of Default shall occur and be continuing, ARHM may exercise, in addition to all other rights and remedies granted in this Pledge Agreement, all rights and remedies of a secured party under the Code as ARHM deems advisable. Without limiting the generality of the foregoing, ARHM, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon Pledgor, any obligor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, assign, give option or options to purchase or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, in the over-the-counter market, at any exchange, broker's board or office of ARHM or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk.

ARHM shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to credit bid and purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Pledgor, which right or equity is hereby waived or released. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten (10) days before such sale or other disposition.

(b) ARHM shall apply any Proceeds from time to time held by it and the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred in respect thereof or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of ARHM hereunder, including, without limitation, reasonable attorneys' fees and disbursements of counsel to ARHM, to the payment in whole or in part of the Obligations, in such order as set forth in the Home Financing Agreement or as ARHM may otherwise decide, and only after such application and after the payment by ARHM of any other amount required by any provision of law, including, without limitation, Section 9-615(a)(3) of the Code, need ARHM account for the surplus, if any, to Pledgor. To the extent permitted by applicable law, Pledgor waives all claims, damages and demands it may acquire against ARHM arising out of the exercise by it of any rights hereunder, except such claims and damages arising out of the gross negligence or willful misconduct of ARHM, as determined by a final, non-appealable judgment of a court of competent jurisdiction. Pledgor shall remain liable for any deficiency if the proceeds of any sale or other disposition of Collateral are insufficient to pay the Obligations and the reasonable fees and disbursements of any attorneys employed by ARHM to collect such deficiency.

9. Private Sales.

(a) Pledgor recognizes that ARHM may be unable to effect a public sale of any or all the Pledged Interests, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. ARHM shall be under no obligation to delay a sale of any of the Pledged Interests for the period of time necessary to permit the applicable Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if the Issuer would agree to do so.

(b) Pledgor further agrees to use its highest efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Interests pursuant to this section valid and binding and in compliance with any and all other applicable requirements of law. Pledgor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to ARHM, that ARHM has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 9 shall be specifically enforceable against Pledgor, and Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred.

10. ARHM's Appointment as Attorney-in-Fact. Pledgor hereby irrevocably constitutes and appoints ARHM and any officer or agent of ARHM, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Pledgor and in the name of Pledgor or in ARHM's own name, from time to time in ARHM's discretion so long as an Event of Default exists, for the purpose of carrying out the terms of this Pledge Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Pledge Agreement, including, without limitation, any financing statements, endorsements, assignments or other instruments of transfer.

Pledgor hereby ratifies all that said attorneys shall lawfully do or cause to be done pursuant to the power of attorney granted in this Section 10. All powers, authorizations and agencies

contained in this Pledge Agreement are coupled with an interest and are irrevocable until the Obligations are performed in full.

11. Duty of ARHM. ARHM's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as ARHM deals with similar securities and property for its own account. Neither ARHM nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Pledgor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof.

12. Filing Financing Statements. Pledgor authorizes ARHM to file financing statements with respect to the Collateral without the signature of Pledgor in such form and in such filing offices as ARHM reasonably determines appropriate to perfect the security interests of ARHM under this Pledge Agreement.

13. Waivers.

(a) Pledgor waives any right or claim of right to cause a marshaling of Issuer's assets or to cause ARHM to proceed against Pledgor, Issuer or any guarantor of Issuer's obligations in any particular order.

(b) Pledgor expressly waives and relinquishes all rights and remedies accorded by applicable law to pledgors, including, but not limited to, notice of acceptance of this Pledge Agreement, presentment for payment, protest or demand, notice of such protest, demand, dishonor or nonpayment, any failure to pursue any of Pledgor, Issuer or any guarantor of Issuer's obligations (each, a "Loan Party") or the property of any of the same, any defense arising out of the absence, impairment or loss of any right of reimbursement or subrogation and any defense arising by reason of any defense of any Loan Party or by reason of the cessation of the liability of any Loan Party. Pledgor further waives any defenses based on suretyship or impairment of collateral. Without limiting the generality of the foregoing (i) the liability of Pledgor hereunder shall not be modified in any manner whatsoever by any extension, discharge or rejection that may be granted to any Loan Party by any court in any proceeding under any bankruptcy act or amendments thereof and the undersigned expressly waives the benefit of any such extension, discharge or rejection, and (ii) this Pledge Agreement shall be reinstated if at any time payment of any of the Obligations is rescinded or must otherwise be restored or returned by any party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Loan Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Loan Party or any substantial part of the property of any Loan Party, or otherwise, all as though such payment had not been made.

(c) So long as the Obligations remain outstanding, Pledgor hereby waives any claim, including a claim for reimbursement, subrogation, contribution or indemnification, which Pledgor may have against any Loan Party.

14. Severability. Any provision of this Pledge Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

15. Amendments in Writing; No Waiver; Cumulative Remedies. ARHM shall not by any act (except by a written instrument signed by ARHM), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof or of the Home Financing Agreement. No failure to exercise, nor any delay in exercising, on the part of ARHM, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A

waiver by ARHM of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which ARHM would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

16. Section Headings. The section headings used in this Pledge Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

17. Successors and Assigns. This Pledge Agreement shall be binding upon the successors and assigns of Pledgor and shall inure to the benefit of ARHM and its successors and assigns.

18. GOVERNING LAW. THIS PLEDGE AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF FLORIDA WITHOUT GIVING EFFECT TO ITS CONFLICTS OF LAW PROVISIONS.

19. Consent to Jurisdiction and Venue. PLEDGOR EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF FLORIDA AND OF THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF FLORIDA FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. PLEDGOR EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION PLEDGOR MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

20. WAIVER OF RIGHT TO JURY TRIAL. PLEDGOR AND ARHM ACKNOWLEDGE AND AGREE THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS PLEDGE AGREEMENT WOULD BE BASED UPON DIFFICULT AND COMPLEX ISSUES AND, THEREFORE, PLEDGOR AND ARHM AGREE THAT ANY LAWSUIT ARISING OUT OF ANY SUCH CONTROVERSY SHALL BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

21. Counterparts. This Pledge Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same Pledge Agreement. (e) If the Debtor has a place of business in more than one state, the chief executive office of the Debtor is _____

(f) The Debtor's principal place of business and chief executive office in the State of ___ is _____, _____, _____.

4. **Covenants of Debtor.** So long as this Agreement has not been terminated as provided in paragraph 6, the Debtor: (a) will defend the Collateral against the claims of all other persons; will keep the Collateral free from all security interests or other encumbrances except the Security Interest; and will not sell, transfer, lease, or otherwise dispose of any of the Collateral or any interests therein without the prior written consent of the Secured Party; (b) will keep the Collateral at the address specified above until the Secured Party is notified in writing of any change in its location within the State but the Debtor will not remove the Collateral from the State nor change the location of Debtor's chief executive office without the written consent of the Secured Party, will notify the Secured Party promptly in writing of any change in the Debtor's address, name or identity from that specified above; and will permit the Secured Party or its agents to inspect the Collateral; (c) will keep the Collateral in good condition and repair and will not use the Collateral in violation of any provisions of this Security Agreement, of any applicable statute, regulation or ordinance or of any policy of insurance insuring the Collateral; (d) will execute and deliver to the Secured Party such financing statements and other documents, pay all costs including costs of title searches and filing financing statements and other documents in any public offices requested by the Secured Party, and take such other action as the Secured Party may deem advisable to perfect the Security Interest created by this Agreement; (e) will pay all taxes, assessments and other charges of every nature which may be levied or assessed against the Collateral; (f) will insure the Collateral against risks by obtaining policies (none of which shall be cancelable without the written consent of the Secured Party) in coverage, form and amount and with companies satisfactory to the Secured Party; (g) will prevent the Collateral or any part thereof from being or becoming an accession to other goods not covered by the Security Agreement; (h) unless the Collateral is specified in paragraph 3 (d) as a fixture, will prevent the Collateral or any part of the Collateral from becoming a fixture; and (i) if any certificate of title may be issued with respect to any of the Collateral, the Debtor will cause the Secured Party's interest under this Agreement to be noted on the certificate and will deliver the original certificate to the Secured Party.

5. **Default.** (a) Any of the following shall constitute an event of default, ("Event of Default"): (i) non-payment when due whether by acceleration or otherwise of the principal of or interest on any Indebtedness, time being of the essence, or failure by the Debtor to perform any obligations under this Agreement or any other agreement between the Debtor and the Secured Party; (ii) death or incompetency of the Debtor; (iii) filing by or against the Debtor of a petition in bankruptcy or for reorganization under any bankruptcy, reorganization, compromise, arrangement, insolvency, readjustment of debt, dissolution, liquidation or similar law of any jurisdiction; (iv) making a general assignment by the Debtor for the benefit of creditors; the appointment of or taking possession by a receiver, trustee, custodian or similar official for the Debtor or for any of the Debtor's assets; or the institution by or against the Debtor of any kind of insolvency proceedings or any proceeding for the dissolution or liquidation of the Debtor; (v) the occurrence of any event described in paragraph 5(a) (ii), (iii) or (iv) hereof with respect to any endorser or guarantor or any party liable for payment of any Indebtedness; (vi) material falsity in any certificate, statement, representation, warranty or audit at any time furnished to the Secured Party or on behalf of the Debtor or any endorser or guarantor or any other party liable for payment of any Indebtedness, pursuant to or in connection with the Security Agreement or otherwise (including warranties in this Agreement) and including any omission to disclose any substantial contingent or liquidated liabilities or any material adverse change in facts disclosed by any certificate, statement, representation, warranty or audit furnished to the Secured Party; (vii) any attachment or levy against the Collateral or any other occurrence which inhibits the Secured Party's free access to the Collateral; or (viii) the sale of the property described in Exhibit A.

(b) The Secured Party may declare all or any part of the Indebtedness to be immediately due without notice upon the happening of any Event of Default or if the Secured Party in good faith believes that the prospect

of payment of all or any part of the Indebtedness or the performance of the Debtor's obligations under this Agreement or any other agreement now or hereafter in effect between the Debtor and the Secured Party is impaired. This paragraph is not intended to affect any rights of the Secured Party with respect to any Indebtedness which may now or hereafter be payable upon demand.

(c) Upon the happening of any Event of Default the Secured Party's rights with respect to the Collateral shall be those of a secured party under the Uniform Commercial Code and any other applicable law from time to time in effect. The Secured Party shall also have any additional rights granted herein and in any other agreement now or hereafter in effect between the Debtor and the Secured Party. If requested by the Secured Party, the Debtor will assemble the Collateral and make it available to the Secured Party at a place designated by the Secured Party.

(d) The Debtor agrees that any notice by the Secured Party of the sale or disposition of the Collateral or any other intended action hereunder, whether required by the Uniform Commercial Code or otherwise, shall constitute reasonable notice to the Debtor if the notice is mailed by regular or certified mail, postage prepaid, at least ten days before the action to the Debtor's address as specified in this Agreement or to any other address which the Debtor has specified in writing to the Secured Party as the address to which notices shall be given to the Debtor.

(e) The Debtor shall pay all costs and expenses incurred by the Secured Party in enforcing this Security Agreement, realizing upon any Collateral and collecting any Indebtedness (including a reasonable attorney's fee) whether suit is brought or not and whether incurred in connection with collection, trial, appeal or otherwise, and shall be liable for any deficiencies in the event the proceeds of disposition of the Collateral does not satisfy the Indebtedness in full.

6. **Miscellaneous.** (a) The Debtor authorizes the Secured Party at the Debtor's expense to file any financing statement or statements relating to the Collateral (without the Debtor's signature thereon) which the Secured Party deems appropriate, and the Debtor appoints the Secured Party as the Debtor's attorney-in-fact to execute any such financing statement or statements in the Debtor's name and to perform all other acts which the Secured Party deems appropriate to perfect and to continue perfection of the Security Interest.

(b) The Debtor hereby irrevocably consents to any act by the Secured Party or its agents in entering upon any premises for the purposes of either: (1) inspecting the Collateral or (2) taking possession of the Collateral after any Event of Default; and the Debtor hereby waives his right to assert against the Secured Party or its agents any claim based upon trespass or any similar cause of action for entering upon any premises where the Collateral may be located.

(c) The Debtor authorizes the Secured Party to collect and apply against the Indebtedness any refund of insurance premiums or any insurance proceeds payable on account of the loss or damage to any of the Collateral and appoints the Secured Party as the debtor's attorney-in-fact to indorse any check or draft representing such proceeds or refund.

(d) (i) As further security the Debtor grants to the Secured Party a security interest in all property of the Debtor which is or may hereafter be in the Secured Party's possession in any capacity including all monies owed or to be owed by the Secured Party to the Debtor; and with respect to all of such property, the Secured Party shall have the same rights as it has with respect to the Collateral. (ii) Without limiting any other right of the Secured Party whenever the Secured Party has the right to declare any Indebtedness to be immediately due and payable (whether or not it has so declared), the Secured Party may set off against the Indebtedness all monies then owed to the Debtor by the Secured Party in any capacity whether due or not and the Secured Party shall be deemed to have exercised its right to set off immediately at the time its right to such election accrues.

(e) Upon the Debtor's failure to perform any of its duties hereunder the Secured Party may, but it shall not be obligated to, perform any of such duties and the Debtor shall forthwith upon demand reimburse the Secured Party for any expense incurred by the Secured Party in doing so.

(f) No delay or omission by the Secured Party in exercising any right hereunder or with respect to any Indebtedness shall operate as a waiver of that or any other right, and no single or partial exercise of any right shall preclude the Third Party from any other or further exercise of any other right or remedy. The Secured Party may cure any Event of Default by the Debtor in any reasonable manner without waiving the Event of Default so cured and without waiving any other prior or subsequent Event of Default by the Debtor. All rights and remedies of the Secured Party under this Agreement and under the Uniform Commercial Code shall be deemed cumulative.

(g) The Secured Party shall have no obligation to take and the Debtor shall have the sole responsibility for taking any steps to preserve rights against all prior parties to any instrument or chattel paper in the Secured Party's possession as proceeds of the Collateral. The Debtor waives notice of dishonor and protest of any instrument constituting Collateral at any time held by the Secured Party on which the Debtor is in any way liable and waives notice of any other action by the Secured Party.

(j) If more than one Debtor executes this Security Agreement, the term "Debtor" includes each of the Debtors as well as all of them, and their obligations under this Agreement shall be joint and several.

(k) This Agreement may not be modified or amended nor shall any provision of it be waived except in writing signed by the Debtor and an authorized officer of the Secured Party.

(l) This Agreement shall be construed under the Uniform Commercial Code and any other applicable laws in effect from time to time.

(m) This Security Agreement is a continuing agreement which shall remain in force until the Secured Party shall actually receive written notice of its termination and thereafter until all of the Indebtedness contracted for or created before receipt of the notice and any extensions or renewals of that Indebtedness (whether made before or after receipt of the notice) together with all interest thereon both before and after the notice shall be paid in full.

(n) THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF FLORIDA WITHOUT GIVING EFFECT TO ITS CONFLICTS OF LAW PROVISIONS.

(o) DEBTOR AND SECURED PARTY ACKNOWLEDGE AND AGREE THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT WOULD BE BASED UPON DIFFICULT AND COMPLEX ISSUES AND, THEREFORE, DEBTOR AND SECURED PARTY AGREE THAT ANY LAWSUIT ARISING OUT OF ANY SUCH CONTROVERSY SHALL BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

(p) ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF FLORIDA OR IN THE

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE; PROVIDED, HOWEVER, THAT ANY SUIT SEEKING ENFORCEMENT AGAINST ANY COLLATERAL OR OTHER PROPERTY MAY BE BROUGHT, AT SECURED PARTY'S OPTION, IN THE COURTS OF ANY JURISDICTION WHERE SUCH COLLATERAL OR OTHER PROPERTY MAY BE FOUND OR IN ANY JURISDICTION IN WHICH A BANKRUPTCY, INSOLVENCY OR OTHER SIMILAR LEGAL OR EQUITABLE PROCEEDING IS PENDING AGAINST DEBTOR. DEBTOR EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF FLORIDA AND OF THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF FLORIDA FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. DEBTOR EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION DEBTOR MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

This provision supersedes any other term of any document executed in connection with the franchise.

The Franchise Compliance Certificate (Exhibit M) is not applicable in Minnesota.

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
