What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments to be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the Location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration in Vancouver, BC and litigation only in Seattle, Washington State. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate in Vancouver, BC, or litigate with the franchisor in Seattle, Washington State than in your own state.
2. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in the termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY CONNECTICUT LAW

The terms “we”, “us” and “Franchisor” do not include you, the “Franchisee”. We refer to the purchaser(s) of an Ideal Siding franchise, as “you” or “Franchisee”, whether an individual, a partnership, corporation, or limited liability company. If you are a corporation, partnership or other entity, our Franchise Agreement also will apply to your owners, officers and directors. The Franchise Offered

We offer franchises for the right to operate a business to professionally provide home siding services to homeowner clients (the “Clients”), as well as providing other ancillary and related services using the Ideal Siding business system (the System). You, the Franchisee, will provide home siding services under the Ideal Siding Marks and use our distinctive operating procedures and standards in a limited protected territory and from a single location (the “Franchised Business”). The distinguishing characteristics of an Ideal Siding Franchised Business include, but are not limited to, Ideal Siding’s distinctive trade dress, proprietary designs and techniques, operations methods, inventory, procedures for management,

training, advertising, and promotional plans, all of which may be changed, improved or further developed by us at any time (the "System").

The System includes proprietary software, brand development, training and marketing programs as well as the mark "Ideal Siding" and related marks (collectively, the "Marks"). You will compete with other well-developed siding installation companies, including national, regional and local agencies, offering services similar to those offered by your Franchised Business. There are other siding highly competitive installation franchises, as well as independent businesses and individual providers that may offer similar services and products.

It does not include (i) any sales tax or similar taxes collected from customers and turned over to the governmental authority imposing the tax, (ii) properly documented refunds to customers, or (iii) properly documented promotional discounts (i.e., vouchers). If you do not report Gross Sales for any reporting period, then we will collect 125% of the last Royalty Fee collected and settle the balance for the next period in which you report Gross Sales. At our request, you must execute documents that allow us to automatically take the Royalty Fee from business bank accounts via electronic funds transfers. Interest and late fees will apply to any late payments or electronic funds transfer requests denied due to insufficient funds.

If Franchisee does not spend the required minimum of 5% of the prior year’s Gross Sales, the difference between the Lead Fee actually spent and the 5% Gross Sale minimum shall be calculated on an annual basis on January 15th and due as additional royalty to Franchisor payable no later than January 30th. The number of Leads generated will vary depending upon the individual markets. We may provide a discount for Leads or lower the minimum requirements if it is deemed appropriate based on individual circumstances and in our sole discretion. We gave discounts to franchisees in new markets (1st franchise in the market) for the period ranging from 1 to 12 months. The discount was 100%, resulting in the Lead fee being waived. The Lead fee does not include any salaries or payments to marketing specialists that work for Franchisor, nor any tests or development of creatives. There are no other costs that determine the pricing of the lead fee except for ads for the territory. The ad spend is what Franchisor paid to Google, Instagram, Houzz, Facebook, Linked In and other channels when looking for siding leads for the franchisee. The Lead Fee may be subjected to increase in the future.

³ You must pay the “Administration Fee” to us as partial reimbursement for the operation of the Lead Management Center.

⁵ You must pay directly to our Brand Fund 1% of Gross Sales generated by your Franchised Business. Payments are due at the same time and in the same manner as the Royalty Fee. You may be required to set up authorization at your bank to allow the Brand Development Fund to electronically transfer funds from your bank account to the Brand Development Fund’s bank account. Interest and late fees will apply to any late payments or electronic funds transfer requests denied due to insufficient funds. If you do not report Gross Sales for any reporting period, then we will collect 125% of the last Brand Fund Contribution collected and settle the balance for the next period in which you report Gross Sales.

⁶ This fee is for any optional additional training programs attended by the Franchisee. For any additional on-site training and assistance, including opening assistance, Franchisee shall pay the per diem fee then being charged to franchisees under the System for the services of such trained representatives, plus their costs of travel, lodging, and meals. We reserve the right to change these fees at any time. You are responsible for any and all incidental expenses incurred by you and your personnel in connection with additional training including, without limitation, costs of travel, lodging, meals and wages.

⁷ This fee becomes payable and due if or when financial reports reveal inconsistencies in reporting. ⁸ We may offer an annual convention, and we reserve the right to impose a reasonable fee for all Franchisees who attend. You are responsible for any and all incidental expenses incurred by you and your personnel in connection with attendance, including, without limitation, the costs of travel, lodging, meals and wages.

⁹ You are required to obtain our consent to any Transfer. We reserve the right to withhold consent at our sole discretion. If you intend to sell the Franchised Business, Five Thousand Dollars (\$5,000) shall be due and payable to us upon your declaration of an intent to sell. This does not apply to an assignment by us under section 16.1.3 of the Franchise Agreement.

¹⁰ This fee applies to all overdue fees owed to us by Franchisee, including any underreported amounts due revealed by an Audit.

¹¹ You must indemnify and hold us, our parent, and all of our respective officers, directors, agents and employees harmless from and against any and all claims, losses, costs, expenses, liability and damages arising directly or indirectly from, as a result of, or in connection with your business operations under the Franchise Agreement, as well as the costs, including attorneys’ fees, of defending against them.

Franchisee shall pay Franchisor, in addition to the overdue amount, a late fee of up to Fifty Dollars (\$50.00) per day.

¹³ In the event you wish to purchase any unapproved item or acquire approved items from an unapproved supplier, you must first obtain our prior written approval. We are not required to approve any particular supplier. If our evaluation of your proposed supplier requires us to incur any non-trivial cost (such as to examine a sample of that supplier's products), we may ask you to bear that cost.

You are responsible for the costs incurred in association with your attendance at the Initial Training Program. These expenses are non-refundable.

⁴ You must purchase general office supplies, including stationary and standard office equipment. Factors that may affect your cost of initial inventory and supplies include local market conditions, competition among suppliers and other factors. The amounts you pay for office equipment and supplies may or may not be refundable. You should inquire about the return and refund policy of the supplier at or prior to the time of purchase.

⁵ We recommend that you engage a lawyer, an accountant or other consultants to assist you in establishing your Franchised Business. These fees may vary by location depending on the prevailing rates of local lawyers, accountants and consultants. These fees are typically non-refundable. We estimate that you may have to spend between Three Thousand Dollars (\$3,000) and Five Thousand Dollars (\$5,000) for the incorporation of a company, initial accounting advice and legal review of the Franchise Agreement.

⁶ If you are a new customer of your local utilities and are leasing space for the Franchised Business, you will generally be required to pay deposits to obtain services, including electric, telephone, gas and water. The amount of the deposit and whether the deposit is refundable will vary depending on local utilities. You should contact your local utility companies for more information. The low-cost estimate is based on your operating the Franchised Business in your home office, and thus may not incur any utility deposits. The high-cost estimate is based on your leasing a commercial space.

⁷ You are not required to work out of an office. You may work from home giving you a \$0 rent cost. You may open a small executive-style office, and the estimated cost is up to \$1,300 per month

⁸ This fee covers the cost of the Initial Marketing campaign in your Territory.

⁹ Before you open for business, you must purchase and maintain at your sole cost and expense the insurance coverage that we specify. Insurance costs and requirements may vary widely in different localities. The estimate is for the first quarterly premium for required minimum insurance coverage. We reserve the right to require additional types of insurance and coverage as provided in the Franchise Agreement.

¹⁰ There is no requirement that you buy a new vehicle. You may use the current vehicle you have which costs you \$0. If you choose to buy a vehicle, a used compact sedan is reflected in the high end of the range. The amounts you pay for a vehicle are typically non-refundable. Lease terms for a vehicle, on approved credit terms, are provided by the vehicle dealer directly. You will be required to purchase certain marketing materials upon startup and, as noted above, you will also be required to wrap a vehicle that meets our specifications with the Ideal Siding brand, the costs of which are included in the Pre-opening Branding and Promotion costs mentioned above in note two (2).

¹¹ You must purchase the computers and related equipment necessary for operating the Franchised Business. Our specifications for computers and related equipment are described in Item 8. The amounts you pay for computers and related equipment will vary depending on the computers and equipment that you already own. We estimate the cost of the computers and related equipment to be between Five Hundred Dollars (\$500) and Three Thousand Dollars (\$3,000).

¹² State and local government agencies typically charge fees for occupancy permits, operating licenses and construction permits. Your actual costs may vary from the estimate based on the requirements of the state and local government agencies. These fees are typically non-refundable. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment.

¹³ This is an estimate of the amount of additional operating capital that you may need to operate your Franchised Business during the first three (3) months after commencing operations based on the team structure and number of projects.

We relied upon our parent companies experience of costs associated with opening Ideal Siding outlets in Canada.

You are required to have working capital in the form of cash or other liquid assets in order to begin operations in the range of Twenty Thousand Dollars (\$20,000) and Forty Thousand Dollars (\$40,000) (of which at least seventy-five percent (75%) should consist of cash with no more than twenty-five percent (25%) being other liquid assets) for miscellaneous expenses, including initial salaries. We estimate the start-up phase to be three (3) months from the date you open your business. This is our best estimate of the working capital necessary to open your business, and includes the money required to pay suppliers and employees, which may include the hiring of a full or part-time sales employee. We cannot guarantee that our recommendation will be sufficient. This category does not include royalties or other fees you pay to us, nor does it include your salary or living expenses. These expenses are typically non-refundable.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You may only offer and sell those products and services that we have approved from time to time. You must offer all products and services that we designate as required for all franchisees. We have the unlimited right to change the types of authorized products or services offered by your Franchised Business. Your purchase and sale of certain goods or services as required is an essential element of your compliance with the Franchise Agreement and the Manual and your failure to do so is a breach of the Franchise Agreement and may result in your loss of material benefits, up to and including the termination of the Franchise Agreement.

You must purchase or lease and install all equipment (including point of sales system, computer hardware and software, signs and related items we require all of which must conform to the standards and specifications stated in our Confidential Operations Manual ("Manual") or otherwise in writing, unless you have first obtained our written consent to do otherwise.

In the event you wish to purchase any unapproved item or acquire approved items from an unapproved supplier, you must first obtain our prior written approval. We are not required to approve any particular supplier. We do not use any fixed process for granting or revoking approval of designated suppliers. Instead, we evaluate suppliers on a variety of criteria, including the quality of their products or services, price, responsiveness, ability to service the System as a whole, reputation, timeliness, and experience, scalability and alignment with our purpose and core values among others. If we create any specific policies for approving suppliers, we will communicate them to franchisees. We will consider in good faith and in a reasonable time any supplier that you would like to propose who is capable of providing goods or services meeting our requested specifications. If our evaluation of your proposed supplier requires us to incur any non-trivial cost (such as to examine a sample of that supplier's products), we may ask you to bear that cost. We reserve the right to revoke approval of any item or supplier that does not continue to meet our then-current standards. We will make a reasonable effort to approve or disapprove

any proposed supplier within 30 days. If approval of a supplier is later revoked, we will notify you by email or such other method we determine in our discretion.

Certain required purchases may be purchased from our preferred suppliers, but we do not require that you purchase from them. No franchisor, officer or person affiliated with the franchisor owns an interest in any supplier or are an approved supplier. We currently require you to purchase insurance and marketing collateral (including vehicle wrap) from our approved supplier(s).

You are required to obtain Insurance in such minimum amounts and for such coverages as we may require. You must carry insurance covering the risks and meeting the minimum coverage conditions that we prescribe in the Manuals protecting you and naming us as an additional insurer. You must obtain insurance coverage only from those insurance companies we designate. Though the Insurance requirements are subject to change, we currently require you to obtain, in addition to other coverage mandated in our Manuals, the following minimum coverage amounts (These amounts may be higher as required by the State in which your Franchised Business will operate):

Before you open for business, you must purchase and maintain at your sole cost and expense the insurance coverage that we specify. The minimum insurance required is comprehensive general liability insurance, including coverage for products liability and personal and advertising injury, in the amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate; property damage insurance in an amount that covers the full replacement value of your furniture, fixtures, equipment, inventory and leasehold improvements of not less than \$10,000 per occurrence; business interruption insurance in an amount no less than necessary to satisfy your obligations under the franchise agreement for a minimum period of 6 months; worker's compensation coverage as required by state law, employee dishonesty insurance of at least \$25,000, and employer liability insurance with a minimum coverage of \$500,000; loss of electronic data coverage of no less than \$10,000; identify theft coverage of no less than \$5,000; and if you operate a vehicle on behalf of your Franchised Business, comprehensive automobile liability insurance of at least a combined single limit for bodily injury and property damage of Five Hundred Thousand Dollars (\$500,000), or greater if required by state law. Each policy must be written by a responsible carrier or carriers acceptable to us and must name us, and our respective officers, directors, partners, agents and employees as additional insured parties, and contain a waiver of the insurance company's rights of subrogation against us.

We are entitled to obtain payments or other benefits from suppliers or vendors from whom we require franchisees to purchase or lease goods or services. We do not currently have any arrangements in place with any suppliers or vendors and neither we nor any affiliate currently receive any payments or rebates from any supplier, but we reserve the right to do so in the future. Should we or an affiliate receive such payments in the future, we anticipate that any such payment will be based on either a percentage or a flat amount.

Currently there are no purchasing or distribution cooperatives in place for the purchase or lease of goods or services. We do negotiate purchase arrangements with suppliers for the benefit of franchisees.

With the exception of the territorial restrictions described in Item 12, we do not place any restrictions upon you that limit the Clients to whom you may sell goods or

services. The Franchisee shall sell the Services at such prices as the Franchisor may reasonably suggest from time to time, which may vary from area to area. The Franchisee may not increase or decrease the price of any Services without the prior written consent of the Franchisor.

We provide no material benefits (such as the grant of additional franchises) based on your use of designated sources; however, failure to use approved items or designated suppliers may be a default under the Franchise Agreement. Additionally, when there is any default under the Franchise Agreement, we reserve the right, in addition to other remedies available under the Franchise Agreement, to direct suppliers to withhold furnishing products and services to you.

We will derive revenue from your purchase of initial equipment and marketing materials. In the fiscal year ending December 31, 2024, we did not receive any revenue from required purchases by franchisees.

From time to time, we may receive revenue, rebates, discounts or other material consideration from suppliers based on your required purchases of products, supplies or equipment. Any rebates or discounts we receive may be kept by us to our sole discretion. During our fiscal year ending December 31, 2024, we derived \$31,500 from franchisee-required purchases, which comprised less than 1.03% of our total revenue of \$3,053,191.00.

We currently do not have any approved suppliers. We estimate that your purchase or lease of products, supplies and services from any future approved suppliers (or those which meet our specifications) will represent approximately between 75% and 80% of your costs to establish your Franchised Business and approximately less than 35% of your costs for ongoing operation.

1. Pre-Opening Obligations

Within 90 days of signing the Franchise Agreement, you must submit a written request for us to acceptance which describes the proposed location and providing other information about the site that we reasonably request. We will respond within 30 days, accepting the proposed location. We consider the following factors in approving a site: general location and

neighborhood, distance from neighboring franchise territories, proximity to residential areas, and demographic characteristics of the area. If you do not secure a site that meets our acceptance within your protected territory within one hundred twenty (120) days of signing the Franchise Agreement, you will be in default and we reserve the right to terminate the Franchise Agreement (see Franchise Agreement Section 17.1).

Before you may open, you must (i) complete our Initial Management Training Program, (ii) hire and train your staff, if required, (iii) acquire and brand your vehicle, and (iv) obtain required licenses to operate the Franchised Business. Provided you have obtained all certificates or licenses required to operate the Franchised Business, you must open your Franchised Business within thirty (30) days of completing the Initial Training Program. Local Advertising (Franchise Agreement, Section 13.2)

We require you to spend between Two Thousand Dollars (\$2,000) and Five Thousand Dollars (\$5,000) on initial local advertising and promotional activities from one (1) week immediately prior to the opening of your Franchised Business through three (3) weeks immediately following the opening of your Franchised Business. These funds are paid to third-party suppliers from whom you will purchase branding and promotional products and services. We reserve the right to collect some or all of your grand opening funds and/or your Local Advertising expenditure and implement grand opening campaign activities and/or Local Advertising on your behalf.

Franchisee's personnel to attend advertising meetings, workshops or other marketing activities; (iv) charitable, political or other contributions or donations.

You will be required to purchase certain marketing materials upon start-up and you will also be required to wrap a vehicle that meets our specifications with the Ideal Siding brand. Franchisee shall, at Franchisee's sole expense, modify identifying elements of the Franchised Business, as required by Franchisor, but not more frequently than once in any five (5) year period following the Opening Date, to conform to Trade Dress Modifications.

You may use a vehicle that you already own to do this provided that it meets our specifications. If you use an existing vehicle, the costs of this are estimated to be between One Thousand Dollars (\$1,000) and Four Thousand Dollars (\$4,000), which are included in the pre-opening branding and promotion costs described in greater detail in Item 10. You are limited to spending Four Thousand Dollars (\$4,000) in vehicle modifications.

Thereafter, you are required to conduct a minimum number of sales calls per week and spend a minimum dollar amount per month as required by Manual as revised from time-to-time.

1. You brand and promote only in a manner that will reflect favorably on the Franchisor, the Franchisee, the Services and their good name, goodwill and reputation;
2. You may advertise the Franchised Business on the Internet, provided, however, you must provide us access to any Internet promotion, including social media, and permanently transfer such promotion to us upon termination of the Franchise Agreement;
2. You may use your own branding and promotional material; however, you must submit it to us for its approval, which approval shall not be unreasonably withheld or unduly delayed, and you do not use this branding and promotional material until such time as we give our prior written approval to the use of such branding and promotional material; and
3. You hereby acknowledge that we are the sole and exclusive owner of all copyrights and any and all branding and promotional material prepared by or on behalf of the Franchisor or the Franchisee and such materials shall at all times remain the property of the Franchisor.

You are responsible for local advertising placement. You may not maintain any business profile on Facebook, Twitter, LinkedIn, YouTube or any other social media and/or networking site without our prior written approval.

General Branding Fund (Franchise Agreement, Section 13.3)

We have established a national General Branding Fund (the “General Branding Fund”) on behalf of the System for national advertising and marketing. Franchisor may use the General Branding Fund to satisfy any and all costs of developing, preparing, producing, directing, administering, conducting, maintaining and disseminating advertising, marketing, promotional and public relations materials, programs, campaigns, sales and marketing seminars and training programs of every kind and nature, through media now existing or hereafter developed (including, without limitation, the cost of television, radio, magazine, social media, newspaper and electronic advertising campaigns; direct mail and outdoor billboard advertising; public relations activities; conducting marketing research, employing advertising agencies to assist therein; developing, enhancing and maintaining the Website; and personnel and other departmental costs for advertising that Franchisor internally administers or prepares). The General Branding Fund will be operated solely as a conduit for collecting and expending the advertising contributions for the System. There is no advertising council

You are required to contribute to our General Branding Fund (the “Fund”) in an amount of 1% of your Gross Sales (the “**Branding Fee**”). The Fund is administered by us and shall be used and spent on media costs, commissions, market research costs, creative and production costs, including, without limitation, the costs of creating promotions and artwork, printing costs and other costs relating to branding and promotional programs undertaken by us.

We may administer programs of a local, regional or national nature. There is no guarantee that you will receive a proportionate benefit from branding or promotion programs and we are not required to spend any amount on advertising in your Territory. We reserve the right to place and develop such branding and promotions and to market them as agent for and on your behalf, either directly in-house or through a branding agency retained or formed for such purpose.

The Fund shall be accounted for separately from our other funds and shall not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs and overhead (calculated on a fully allocated basis), if any, as we may incur in activities reasonably related to the administration or direction of the Fund and its branding programs (including, without limitation, conducting market research). Any affiliate-owned outlet will have to contribute to the Fund in the same manner as other franchises. An unaudited statement of the operations of the Fund shall be prepared annually and shall be made available to you upon your request, the cost of such statement to be paid by the Fund. Funds not used in a particular year will be carried forward to future years. The Fund may not be used to advertise for or to solicit new franchisees. The Brand Fund and its earnings shall not otherwise inure to our benefit except that any resulting technology and intellectual property shall be deemed our property.

The Brand Development Fund collects and expends the Brand Development Fund contributions for the benefit of the System as a whole. We reserve the right to use the Brand Development Fund contributions to place advertising in national, regional or local media (including broadcast, print, or other media) and to conduct marketing campaigns through any channel, in our discretion, including but not limited to, Internet and direct-mail campaigns. We have no obligation, however, to place advertising or conduct marketing campaigns in any particular area, including the Territory where your Franchised Business is located.

If we spend more or less than the total of all contributions to the Brand Development Fund in any fiscal year, we may carry forward any surplus or deficit to the next fiscal year.

If we establish a regional advertising fund or cooperative, you must contribute amounts we require. Your contributions to a regional advertising fund or cooperative will be in addition to your required contributions to the Brand Development Fund; however, contributions made by you to a regional advertising fund or cooperative will be credited against your required expenditures for local advertising.

In our most recently concluded fiscal year ending December 31, 2024, Brand Fund contributions, including contributions that were carried over from the previous year, were used as follows: 24% for production and 76% of the collected funds have been carried over to 2025.

5. Computer Systems (Franchise Agreement, Section 12.3)

You must purchase the hardware, software, system tools and processes as stated in the Operations Manual. Currently, you are required to have the following hardware and software:

You must install and maintain a computer system that meets the functional requirements for utilizing the software we require, which currently is QuickBooks accounting software and Salesforce Customer Relationship Management system. There are no substitutes. There are no substitutes for QuickBooks accounting software, except if you use different accounting software for your existing business, you may also use it for the Franchised Business, subject to our approval. If you use different accounting software, we will have no obligation to support you in the implementation, use, or compatibility of such alternate software, and you will bear all costs associated with the implementation, use or customization of the alternate software to ensure compatibility with our existing systems. We regularly evaluate our software functionality and may upgrade software and other technology to support efficiency within the system. We recommend you purchase a tablet laptop, printer, scanner, and a personal digital assistant (i.e., Samsung, iPhone) as well as any other computer supplies you may need. We estimate the cost of the required computers and peripherals to be between Five Hundred Dollars (\$500) and Three Thousand Dollars (\$3,000).

You are wholly responsible for all hardware and computer network maintenance and maintenance and upgrades of other software which must be done in a timely manner. The cost for such periodic computer maintenance and upgrades will depend on the type of systems and software you purchase, as well as any maintenance contracts you choose to enter into. We reserve the right to specify different hardware and software systems in the future, including proprietary software that we develop exclusively for the Franchised Business. We are not responsible for any maintenance or upgrades to your computer hardware, network connectivity, or software.

There are no contractual limitations on the frequency and cost of upgrades and/or updates to the above-described systems. We may in the future modify or establish other service performance or revenue reporting systems, as we deem appropriate, for the accurate and expeditious reporting of Gross Sales and delivery of our products and services. You must fully cooperate in implementing any such modifications at your expense.

We have no obligation to maintain, repair, update or upgrade your computer hardware and software. At your cost, you must provide on-going maintenance and repairs to your computer hardware and software. You must upgrade your computer hardware and software as necessary to operate the most current version of our System requirements. We estimate the cost of maintaining, updating and upgrading your computer hardware and software yearly to range between Zero (\$0) and Two Thousand Dollars (\$2,000). Cost will depend on the make and model of your computer, repair history, usage, local cost of computer maintenance services in your area and technological advances that we cannot predict.

At this time, we have no independent access to the information and data that you store or collect electronically but reserve the right of access in the future. We reserve the right to have remote and independent access to all information generated by and stored in your computer system, including your revenue information and customer data. There are no contractual limitations on our right to have full access to this information. At our option, we may retrieve, download, analyze and store such information and data at any time. Upon our request, you must sign any documents we require to allow us to independently and electronically access and retrieve the information stored in your computer system. We own all client data stored in your computer system.

You must also pay your transportation, lodging, meals and other expenses to attend any mandatory training program. If you fail to attend any mandatory training program, you are required to obtain the training at a location we designate, at your sole cost, which includes tuition at the then-current rate, plus all of your travel costs and our trainer's travel costs.

As the owner of the Franchised Business, regardless of the service(s) provided by the Lead Management Center, you will at all times be responsible for all employment decisions of the Franchised Business including but not limited to hiring, firing, training, promotion, remuneration, compliance with wage and hour requirements, recordkeeping, supervision and discipline of employees.

We will provide continuing advice and guidance to you in all aspects of the use of the System and the operation of a Franchised Business with respect to the planning, opening and operation of the Franchised Business, including consultation and advice regarding marketing, training, equipment, and general business operations.

ITEM 12: TERRITORY

Under the Franchise Agreement, you have the right to establish and operate one (1) Ideal Siding outlet within a limited protected territory (the "Territory"). You will not receive exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You are granted Territory as set forth in Attachment 2 of the Franchise Agreement attached as Exhibit B to this Disclosure Document. We will grant you a territory having a minimum population of 200,000 people as determined by the United States Census Bureau or State Planning and Statistics Offices unless we mutually agree otherwise. We will not grant another Franchisee a Territory within your Territory based on an increase of single-family homes. We may grant you additional Territories or additional Franchised Businesses in our absolute discretion upon terms acceptable to us but you do not have the right to acquire additional territories or Franchised Businesses.

You are not allowed to accept Clients outside your Territory, subject to the following exceptions:

1. You may accept Clients from outside your Territory if they are not within the Territory of another Franchisee in the System at the time; and
2. You may also service a Client in the Territory of another Franchisee in the System if you had serviced that Client on a consistent basis within the ninety (90) days before that Territory was granted to another Franchisee, or you had serviced that Client on a consistent basis within the ninety (90) days before you became our Franchisee and only so long as you continue to consistently provide services to that Client (as determined by us).

Conversely, other Franchisees in the System may service Clients in your Territory if they serviced those Clients on a consistent basis within the ninety (90) days prior to you becoming a Franchisee in the System or they serviced those Clients on a consistent basis within ninety (90) days prior to their becoming our Franchisee, and only for so long as they continue to consistently provide services to that Client (as determined by us). You are free to market within or outside your Territory (within the United States), including use of direct marketing, internet or telemarketing, provided you perform such marketing in accordance with the standards set by us from time to time and such marketing is directed only to Clients within the United States. A client is deemed to be within the Territory where his or her permanent home address is located, subject to certain exceptions as outlined in the Manuals. See sections 10.1 and 10.3 of the Franchise Agreement.

We will settle all Territorial disputes between Franchisees, in our sole discretion, in accordance with our policies and procedures.

Provided you are in complete compliance with the terms and conditions of your Franchise Agreement, we will not establish, either as a company or as an affiliate owned

business, another Franchised Business within your Territory. We may not offer our Services through any other channel of distribution.

We may enter into and service national or regional account contracts with businesses that have locations within your Territory upon providing you with written notice, regardless of whether you have previously serviced such a customer in the past. You will be given the option to service the national account clients located within your Territory and under the terms and conditions of our agreement with the national account. We are not otherwise required to compensate you for any sales we make within that Territory.

We may, however, establish Franchisor-owned locations, other Franchises or Sub-Franchises outside your Territory, regardless of proximity to the boundaries of your Territory. We may also establish other Franchises or company-owned outlets or other channels of distribution offering similar services under names and trademarks other than the Marks, within your Territory, provided they are not in direct competition with you.

1. Proximity Policy

We or our associates may grant or commence:

1. Another Franchise;
2. A Franchisor outlet;
3. Any other distributor or licensee using the Marks, service mark, trade name or logo or advertising or other commercial symbol;
4. A Franchise or business owned or operated by us that distributes similar products or services under a different trademark, service mark, trade name or logo, or advertising or other commercial symbol; or
5. A Franchise or business granted by us that distributes similar products or services under a different trademark, service mark, trade name or logo; regardless of the proximity to your Territory. We have no policy regarding Internet or distance sales by a Franchise, distributor, licensee or business described above other than that all Leads must be managed through the Lead Management Center.

There is no other market penetration or other contingency that will affect your right to operate in your Territory during the term of your Franchise Agreement, unless you are in default of your obligations to us.

The Franchise Agreement entitles you to operate only at and from one (1) office location within your Territory. You may change the location of your Franchised Business office, provided you give us 30 days written notice. You are required to remove all identifying signs and property from the original office location.

The Franchise Agreement grants you no options, rights of first refusal or similar rights to acquire additional franchises within the Territory or contiguous territories. Unless you have signed our Multi-Unit Development Agreement, we may, but have no obligation to, consider granting to you the right to establish additional Ideal Siding outlets under other

Franchise Agreements if you are in compliance with the Franchise Agreement and propose to open another Ideal Siding in an area and at a location we approve.

We reserve all rights not expressly granted in the Franchise Agreement. For example, we may own, operate or authorize others to own or operate Ideal Siding outlets outside of the Territory and may operate other kinds of businesses within the Territory. Although we do not currently do so and have no plans to do so, we may own, acquire, conduct, or authorize others to conduct, any form of business at any location selling any type of product or service not offered under the Marks, including a product or service similar to those you will sell at your Franchised Business. We reserve the right to merge with, acquire, or be acquired by, an existing competitive or non-competitive franchise network, chain, or other business; however, we will not convert any acquired business in your Territory to a franchise using our primary trademarks during the Term of your Franchise Agreement.

We may sell products and services under the Marks within or outside the Territory through any method of distribution other than a dedicated Ideal Siding outlet location, including, licensing our designs for use in other formats, and sales through such channels of distribution as the Internet (“Alternative Distribution Channels”). You will receive no compensation for our sales through Alternative Distribution Channels in the Territory.

You may not use Alternative Distribution Channels to make sales inside or outside your Territory; however, we will include a listing on our website of your Ideal Siding Franchised Business contact information. You may only solicit sales from customers in your Territory. Your local advertising must target customers in your Territory, although the reach of your local advertising may extend beyond your Territory. You may service a customer located outside of your Territory, provided that such a customer is located in an area where there is not another Ideal Siding outlet in operation. Your establishment of goodwill or customer relationships outside of your Territory will not limit our right to open or franchise an Ideal Siding business that encompasses such territory, in which case you would be excluded from that territory.

At our discretion, a customer may be deemed a “national account” if it has multiple properties across multiple territories and/or states. If an account has been deemed to be a national account, each Franchisee whose Territory is included will have an opportunity to service that account under the terms and pricing of the national account contract. In the event that a Franchisee declines or fails to do so, we have the right to provide the services, or to allow another Franchisee to provide the services, without compensation to you.

ITEM 13: TRADEMARKS

Celsior Holding Group, Ltd. (“Licensor”) is the owner of the Marks and has granted us the right to use the Marks and to license to others the right to use the Marks in the operation of an Ideal Siding outlet in accordance with the System. The Franchise Agreement will license to you the right to operate your Franchised Business under the following principal trademark, which has been registered with the U.S. Patent and Trademark Office (the “Principal Marks”).

Mark	Registration Number	Registration Date	Register
Ideal Siding	6958050	January 17, 2023	Principal

All required affidavits and renewal documents have been filed.

We also license to you the following Principal Mark:

IDEALSIDING

With regard to this Mark only, we do not have a federal registration for this trademark. Therefore, our trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use this trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

You will not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your Franchised Business. You may only use the Marks in accordance with our standards, operating procedures and specifications. Any unauthorized use of the Marks by you is a breach of your Agreement and an infringement of our rights in the Marks. You may not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign your Agreement. You may not assist any other person in contesting the validity or ownership of the Marks.

You must notify us immediately when you learn about an infringement of or challenge to your use of the Principal Marks or other Marks. Licensor and we will take any action we think appropriate and, if you have given us timely notice and are in full compliance with the Franchise Agreement, we will indemnify you for all expenses and damages arising from any claim challenging your authorized use of the Principal Marks or other Marks. Licensor and we have the right to control any administrative proceedings or litigation involving the Principal Marks or other Mark licensed by us to you. You must cooperate fully with Licensor and us in defending and/or settling the litigation.

We reserve the right to substitute different Marks if we can no longer use the current Marks, or if we determine that substitution of different Marks will be beneficial to the System. In such event, we may require you, at your expense, to modify or stop using any Mark, including the Principal Marks, or to use one or more additional or substitute Marks.

You must not directly or indirectly contest Licensor's right, or our right, to the Principal Marks or other Marks.

There are no currently effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeals Board, the Trademark Administration of any state, or any court relating to the Marks. There is no pending

infringement, opposition or cancellation. There is no pending material federal or state court litigation involving the Principal Marks or other Marks.

There are no currently effective agreements that significantly limit Licensor's or our rights to use or license the use of the Principal Marks or other Marks in a manner material to the franchise.

As of our last fiscal year end, we know of no superior prior rights or infringing uses that could materially affect your use of the Principal Mark.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We hold no patents and have no pending patent applications that are material to the Franchised Business. We have registered no copyright with the United States Copyright Office. However, we claim copyrights on certain forms, advertisements, promotional materials and other written materials. We also claim copyrights and other proprietary rights in our Operations Manual and the contents of our website. While we claim copyrights in these and similar items, we have not registered these copyrights with the Canadian Intellectual Property Office or the U.S. Copyright Office. You may use these items only as we specify while operating the Franchised Business and you must stop using them if we direct you to do so.

There are no current material determinations of, or proceedings pending in, the United States Patent and Trademark Office, the U.S. Copyright Office, or any court regarding any of our copyrights discussed above.

There are no agreements currently in effect that limit your right to use any of our copyrights. As of our last fiscal year end, we are unaware of any infringing uses of or superior previous rights to any of our copyrights that could materially affect your use of them.

You must notify us immediately when you learn about an infringement of or challenge to your use of our copyrights. We will take any action we think appropriate and, if you have given us timely notice and are in full compliance with the Franchise Agreement, we will indemnify you for all expenses and damages arising from any claim challenging your authorized use of our copyrights. We have the right to control any administrative proceedings or litigation involving our copyrights. You must cooperate fully with us in defending and/or settling the litigation.

During the term of the Franchise Agreement, you may have access to and become acquainted with our trade secrets, including, but not limited to, methods, processes, customer lists, vendor partnerships and/or relationships, sales and technical information, costs, product prices and names, software tools and applications, website and/or email design, products, services, equipment, technologies and procedures relating to the operation of your Franchised Business; systems of operation, services, programs, products, procedures, policies, standards, techniques, requirements and specifications which are part of the System; the Operations Manual; methods of advertising and promotion; instructional materials; marketing plans, business methods, research, development or know-how, any other information which we may or may not specifically designate as "confidential" or

"proprietary", and the components of our System whether or not such information is protected or protectable by patent, copyright, trade secret or other proprietary rights (collectively called the "Confidential Information"). You agree that you will take all reasonable measures to maintain the confidentiality of all Confidential Information in your possession or control and that all such Confidential Information and trade secrets shall remain our exclusive property. You may never during the Initial Term, any Renewal Term, or after the Franchise Agreement expires or is terminated reveal any of our confidential information to another person or use it for any other person or business. You may not copy any of our Confidential Information or give it to a third party except as we authorize in writing to you prior to any dissemination. Any and all of your personnel who have access to our Confidential Information must sign our Confidentiality/Non-Competition Agreement (Franchise Agreement, Attachment 8).

You must promptly tell us when you learn about unauthorized use of any Confidential Information. We are not obligated to take any action, but will respond to this information as we think appropriate. We will indemnify you for losses brought by a third party concerning your use, in strict compliance with the Franchise Agreement, of the Confidential Information.

Your use of the Manuals, trade secrets or other confidential information in an unauthorized manner is a default of the Franchise Agreement that may result in termination of the Franchise Agreement. Further information about the termination of the Franchise Agreement following a default is included in Item 17.

ITEM 15: OBLIGATIONS OF THE FRANCHISEE TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your principal owner must participate personally in the direct operation of the Franchised Business. In limited circumstances, we may allow you to hire a general manager who has successfully completed the Initial Training Program and who meets our approval to run the Franchised Business. A general manager who meets our approval is not required to own an equity interest in the Franchised Business. Each of your owners must sign the Franchise Agreement and be personally liable for performance of your obligations under the Franchise Agreement. Your general manager may be you or someone that you appoint, with our approval. Your general manager must also successfully complete all other training courses we require. Your general manager cannot have an interest or business relationship with any of our competitors. If the Franchisee is a business entity, your general manager is not required to have an equity interest in the Franchisee entity but must otherwise meet our approval.

Your general manager and all other personnel who will have access to our proprietary and Confidential Information and training must sign our Non-Disclosure/Non-Competition Agreement, which is attached to our Franchise Agreement as Attachment 8. If your Franchised Business is owned by an entity, all owners of the entity must personally sign the Franchise Agreement as a Principal. If you are a married individual, your spouse must sign our Personal Guaranty, which is attached to our Franchise Agreement as Attachment 6.

ITEM 16: RESTRICTION ON WHAT FRANCHISEE MAY SELL

You may only offer and sell the products and services that are part of the System, and the services and products which we incorporate into the System in the future. You may only offer products and services that we have previously approved and for which you are qualified to provide.

We offer "Price Match Guarantee. No Hidden Fees" to the homeowners and Franchisees. You can match a competitor's pricing only if the competitor's quote includes the same scope of work, detailed and well-defined. The competitor must be in good standing with all the local and State licensing requirements, Workers Compensation insurance and third-party liability insurance. We also offer a 25-Year Workmanship Warranty as a commitment of the franchisee to repair or replace the siding due to a result of faulty installation. There might be additional costs that you may incur associated with warranty claims by the homeowners.

You may not use our Marks for any other business, and you may not conduct any other business at or through your Franchised Business operations or office. You cannot engage in any other business that competes with your Franchised Business, with us, or with Ideal Siding outlets owned by other franchisees, whether such business is inside or outside of the Territory.

We may add to, delete from or modify the products and services that you can and must offer. You must abide by any additions, deletions and modifications. There are no other limits on our rights to make these changes.

You may only sell products and services in the manner we prescribe. You may only solicit sales from customers in your Territory. Your local advertising must target customers in your Territory, although the reach of your local advertising may extend beyond your Territory. You may service a customer located outside of your Territory, provided that such customer is located in an area where there is not another Ideal Siding outlet in operation.

*Owner discretionary profit is defined as revenue of the business minus the cost of goods sold and overhead necessary to run the business. Overhead includes royalties and fees paid to the franchisor, excludes franchisee and management team salaries.

¹Gross revenue represents the total revenues received by each outlet during the 2023 calendar year. Gross Revenue does not include (a) any sales tax or similar taxes collected from customers and turned over to the governmental authority imposing the tax, (b) properly documented refunds to customers, and (c) properly documented promotional discounts (i.e. coupons).

Written substantiation will be made available to you upon reasonable request.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representation, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Aleksander Filipuk, 1104-2980 Atlantic Ave, Coquitlam, BC, Canada, V3B 0G2, 855-574-3464, the Federal Trade Commission, and the appropriate state regulatory agencies.

Franchisor continues to develop, use, and control the use of such Marks in order to identify for the public the source of services and products marketed under the Marks and the System and to represent the System’s high standards of quality, appearance, and service.

Franchisee understands and acknowledges the importance of Franchisor’s high and uniform standards of quality, service, and appearance, and the necessity of operating the business franchised hereunder in conformity with Franchisor’s standards and specifications.

NOW, THEREFORE, the parties, in consideration of the promises, undertakings and commitments of each party to the other set forth herein, and intending to be legally bound hereby, mutually agree as follows:

1 RECITATIONS.

The Recitations set out above form part of this Agreement.

2 GRANT OF FRANCHISE.

Franchisor hereby grants to Franchisee and Franchisee accepts, upon the terms and conditions contained in this Agreement, the license to operate an Ideal Siding franchise (the “Franchise” or “ the Franchised Business”), using only the Marks licensed hereunder, in strict conformity with the System, which may be changed, improved and further developed by Franchisor from time to time. This grant applies only to a single location within a territory that is designated in Attachment 2 attached hereto and incorporated herein (the “Territory”).

3 TERRITORY.

- 3.1 Territory. This Agreement grants Franchisee the right to operate the Franchised Business at a single location and from within the Territory. Subject to Section 3.3 below, Franchisor agrees that during the Term of this Agreement, Franchisor will not operate, and will not authorize any other franchisees to operate, an Ideal Siding outlet in the Territory using the same Marks as licensed to Franchisee in this Agreement so long as Franchisee is not in default under this Agreement, or this Agreement has not been terminated. Except as otherwise specified in this Agreement, Franchisor reserves the right to open, operate or franchise Ideal Siding franchises bordering and adjacent to the Territory. Except as set forth in this Agreement, Franchisee is prohibited from serving and soliciting customers outside of the Territory and from alternative methods of distribution as more fully specified herein.
- 3.2 Outside-Territory Sales. Franchisee must target Franchisee’s marketing efforts within the Territory and solicit sales from customers and referral sources located within the Territory. Franchisee, however, may solicit and service a client or solicit a referral source located outside of the Territory, provided that (i) the client or referral source is not located in a territory serviced by Franchisor or another Ideal Siding franchisee, (ii) Franchisee did not solicit the client or referral source in violation of this Agreement, and (iii) Franchisee immediately terminates all solicitation and service in the outside-Territory area, upon completion of any then-current jobs, when such area is designated the service area of Franchisor or the territory of another franchisee. Franchisee hereby acknowledges that other System franchisees have substantially similar rights to serve clients outside of their territories, which includes serving clients who may reside within Franchisee’s Territory, and Franchisee hereby agrees that the exercise of such right by other System franchisees is deemed not to impair or injure Franchisee’s rights pursuant to Section 2 hereof.
- 3.3 Reservation of Rights. Franchisee understands and agrees that all rights to any businesses, other than as specified in this Agreement, are fully reserved to Franchisor within or outside of the Territory. By way of example only, Franchisor reserves the rights to offer (i) other products or services not offered under the Marks, (ii) other siding service concepts under the Marks or other trademarks, including licensing Franchisor’s intellectual property for use in other formats and (iii) products or services through any channel in the Territory other than a dedicated Ideal Siding location, such as at the Internet (“Alternate Distribution Channels”). Franchisor further specifically reserves the right to solicit, sell to, negotiate rates with, and service customers who have multiple properties across multiple territories and/or states (“National Accounts”). Franchisor may offer Franchisee the right to service

National Accounts customers in the Territory, provided that Franchisee accept negotiated terms; otherwise, Franchisor may service the National Accounts customers either directly or permit another franchisee to provide such service. Franchisee will receive no compensation for Franchisor's sales through Alternate Distribution Channels or declined National Accounts customers made within the Territory. Franchisee agrees that such implementation of Franchisor's rights pursuant to Section 3.3 is deemed not to impair or injure Franchisee's rights pursuant to Section 2 hereof.

4 TERM.

Unless terminated earlier in accordance with the terms set forth in this Agreement, this Agreement and the Franchise granted hereunder shall commence upon the Effective Date set forth above and terminate on the date that is five (5) years following the Opening Date, as defined in Section 8 hereof (the "Term").

5 SUCCESSOR OPTIONS.

Subject to the terms and conditions of this Agreement, Franchisee shall have the right, following the expiration of the Term hereof, to enter into a new franchise agreement and other agreements then customarily employed by Franchisor and in the form then generally being offered to prospective franchisees in the state in which the Territory is located (the "Successor Franchise Agreement") for up to one (1) additional term equal to five (5) years. The term of each Successor Franchise Agreement shall commence upon the date of expiration of the immediately preceding term. Franchisee shall not be charged a successor agreement fee.

5.1 Form and Manner of Successor Agreement. If Franchisee desires to exercise Franchisee's option to enter into a Successor Franchise Agreement, it shall be done in the following manner:

5.1.2 Franchisee must execute and return to Franchisor all required documents, including any and all ancillary documents, within thirty (30) days after receipt by Franchisee of a copy of Franchisor's then current Disclosure Document.

5.1.3 The Successor Franchise Agreement shall supersede this Agreement in all respects, and Franchisee understands and acknowledges that the terms of such new agreement may differ from the terms of this Agreement, including, without limitation, higher or lower royalty and other fees.

5.1.4 If Franchisee fails to perform any of the acts, or deliver any of the notices required, pursuant to this Paragraph 5 in a timely fashion, such failure shall be deemed an election by Franchisee not to exercise Franchisee's option to enter into the Successor Franchise Agreement, and such failure shall cause Franchisee's

right and option to automatically lapse and expire, without further notice by Franchisor.

5.2 Conditions of Successor Agreement. Franchisee's right to enter into a Successor Franchise Agreement is conditioned upon by the following:

- 5.2.1 Franchisee shall be in full compliance with this Agreement and shall have materially performed Franchisee's obligations under this Agreement, the Manual and under all other agreements that may be in effect between Franchisee and Franchisor, including but not limited to all monetary obligations.

5.3 Notice Required by Law. If applicable law requires Franchisor to give notice to Franchisee prior to the expiration of the Term, this Agreement shall remain in effect on a month-to-month basis until Franchisor has given the notice required by such applicable law. If Franchisor is not offering new Ideal Siding franchises, is in the process of revising, amending or renewing Franchisor's form of franchise agreement or disclosure document, or Franchisor is not lawfully able to offer Franchisee the then current form of Successor Franchise Agreement at the time Franchisee advises Franchisor pursuant to Paragraph 5.2 hereof that Franchisee desires to renew, Franchisor may, in Franchisor's sole discretion, (i) offer to renew this Agreement upon the same terms set forth herein for the appropriate successor term or (ii) offer to extend the Term hereof on a month-to-month basis following the expiration of the Term for as long as Franchisor deems necessary or appropriate so that Franchisor may lawfully offer the then current form of Successor Franchise Agreement. Any timeframes specified in this Paragraph 5 shall be inclusive of any state-mandated notice periods.

5.4 Additional Reservation of Rights. Notwithstanding anything herein to the contrary, Franchisor reserves the right not to enter into a successor franchise agreement for this Franchise as a result of a decision to withdraw from a marketing area or the Territory in which Franchisee’s Franchised Business is located.

6 FEES.

6.1 Initial Franchise and Royalty Fee. As part of the consideration for the right to operate the Franchise granted herein, Franchisee shall pay to Franchisor the following fees:

6.1.1 Initial Franchise Fee. Franchisee acknowledges and agrees that the grant of this Franchise and the rights and obligations of the parties under this Agreement constitute the sole and only consideration for the initial franchise fee (the “Initial Fee”) of Fifty-Five Thousand Dollars (\$55,000.00). **The Initial Fee is fully earned at the time this Franchise Agreement is signed.** Franchise shall pay the full amount of the Initial Fee to Franchisor upon Franchisee’s execution of this Agreement.

6.1.2 Royalty Fee. Franchisee agrees to pay Franchisor, on the fifteenth (15th) day and thirtieth 30th (day) of each calendar month, and throughout the Term, a royalty fee equal to: for the six (6) months of operation eight percent (8%) of the Gross Sales, as hereinafter defined, realized from the Franchised Business and from any other revenues received using Franchisor’s methods, operations and/or trade secrets (the “Royalty Fee”). Following the first six (6) months of operation the Royalty Fee shall be as follows, subject to the Minimum Royalty:

7%	\$1,000,000 - \$1,999,999
6%	\$2,000,000 - \$2,999,999
5%	\$3,000,000 +

The following chart displaced the required minimum royalty based upon the number of territories operated by Franchisee:

It does not include (i) any sales tax or similar taxes collected from customers and turned over to the governmental authority imposing the tax, (ii) refunds and credits made in good faith to arms’ length customers, provided such credits or refunds are made in accordance with Franchisor’s standards and specifications, or (iii) the discount value of any voucher or other allowance that Franchisor authorizes at the time Franchisee redeems the customer’s voucher or allowance.

Franchisee’s failure to allow electronic funds transfers or ACH payments on an ongoing basis is a material breach of this Agreement. If Franchisee fails to timely report Gross Sales, then, in addition to a late fee and interest pursuant to Sections 6.2 and 6.3 hereof, Franchisor shall collect one hundred twenty-five percent (125%) of the last Royalty Fee payable. The franchisor shall reconcile amounts when Gross Sales are reported. Franchisor reserves the right to modify the method and frequency of collection of the Royalty Fee, Technology Fee, Accounting Fee and General Branding Fund Fee upon forty-five (45) days’ prior notice to Franchisee.

This late fee is reasonably related to Franchisor’s costs resulting from the delay in payment and/or receipt of any report, is not a penalty, and is

in addition to any other remedy available to Franchisor under this Agreement for Franchisee's failure to pay the Royalty Fee, Administration Fee, Lead Fee, the General Branding Fund Fee, and/or submit Gross Sales Reports in accordance with the terms of this Agreement.

Franchisee shall pay the Administration Fee monthly, together with the payment of the Royalty Fee, Technology Fee, and General Branding Fund Fee, as defined and more particularly described in Article 13, for administrative services that Franchisor designates, and Franchisor will collect this fee on behalf of Franchisor's designated administrative services provider. Franchisor may, in its sole discretion, increase

the amount owed, provided that Franchisor provides Franchisee thirty (30) days' written notice, but Franchisor shall not increase the Administration Fee more frequently than annually. Any increase above Six Hundred Fifty Dollars (\$650.00) monthly will be capped at ten percent (10%). If Franchisee requests additional services from Franchisor's accounting services provider outside of the designated accounting services, Franchisee shall be solely responsible for the costs of such additional services.

- 6.8 Non-Compliance Fee. In the event Franchisee is not in compliance with any terms of this Agreement or the Manual, Franchisee shall pay to Franchisor a non-compliance fee equal to One Hundred Dollars (\$100.00) per incident or per day, as the case may be ("Non-Compliance Fee").

Franchisee agrees to pay Franchisor, throughout the Term of the Agreement, a lead fee that is the greater of Two Thousand Dollars (\$2,000) per month or five percent (5%) of Gross Sales realized from the operation of the Franchised Business in the prior calendar year. Subject to the required minimum Lead Fee of \$2,000 per month, Franchisee must spend on an annual basis, a minimum of 5% of the prior calendar year's Gross Sales in Lead Fees to the Franchisor. If Franchisee does not spend the required minimum of 5% on the prior year's Gross Sales, the difference between the Lead Fee actually spent and the 5% Gross Sale minimum shall be calculated on an annual basis on January 15th and due as additional royalty to Franchisor payable no later than January 30th. The number of leads generated will vary depending upon the individual markets. The Franchisor may provide a discount for leads if it determines this is appropriate depending upon individual circumstances, in the Franchisor's sole discretion.

to explain the franchise system, and/or to include a notation in any advertisement indicating “Franchises Available.”

13.3.5 The General Branding Fund will not be used to defray any of Franchisor’s general operating expenses, except for reasonable administrative costs and overhead that Franchisor may incur in activities related to the administration and direction of the General Branding Fund and such costs and expenses pursuant Section 13.3.4. The General Branding Fund and its earnings shall not otherwise inure to Franchisor’s benefit except that any resulting technology and intellectual property shall be deemed the property of Franchisor.

13.3.6 Franchisor will prepare an unaudited annual statement of the General Branding Fund’s operations and will make it available to Franchisee upon request. In administering the General Branding Fund, Franchisor undertakes no obligation to make expenditures for Franchisee that are equivalent or proportionate to Franchisee’s contribution or to ensure that any particular franchisee benefits directly or pro rata from the production or placement of advertising.

13.3.7 Although the General Branding Fund is intended to be of perpetual duration, Franchisor may terminate it at any time and for any reason or no reason. Franchisee may not maintain any business profile on Facebook, Twitter, LinkedIn, YouTube or any other social media and/or networking site without Franchisor’s prior written approval and in strict accordance with Franchisor’s requirements. Unless and until Franchisor grants Franchisee approval to maintain a business profile on Facebook, Twitter, LinkedIn, TikTok, YouTube or any other social media and/or networking site, Franchisor shall manage such profile(s) on Franchisee’s behalf.

Franchisee covenants not to commence or join in any litigation or other proceeding against Franchisor for any of these expenses, losses or damages.

- 14.9 Franchisor may use and grant franchises and licenses to others to use the Intellectual Property and the System and to establish, develop and franchise other systems, different from the System licensed to Franchisee herein, without offering or providing Franchisee any rights in, to or under such other systems and Franchisor may modify or change, in whole or in part, any aspect of the Intellectual Property or the System, so long as Franchisee's rights thereto are in no way materially harmed thereby.

16 **TRANSFERS.**

16.1 Transfers by Franchisor.

16.1.1 Franchisor shall have the right to assign this Agreement, and all of Franchisor's rights and privileges hereunder, to any person, firm, corporation or other entity, without Franchisee's permission or prior knowledge, provided that, with respect to any assignment resulting in the subsequent performance by the assignee of Franchisor's obligations, the assignee shall expressly assume and agree to perform Franchisor's obligations hereunder. Specifically, and without limitation to the foregoing, Franchisee expressly affirms and agrees that Franchisor may: (i) sell Franchisor's assets and Franchisor's rights to the Marks and the System outright to a third party; (ii) engage in a public or private placement of some or all of Franchisor's securities; (iii) merge, acquire other corporations, or be acquired by another corporation, including competitors; (iv) undertake a refinancing, recapitalization, leveraged buy-out or other economic or financial restructuring; and (v) with regard to any or all of the above sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or relating to the loss of association with or identification of Franchisor. Nothing contained in this Agreement shall require Franchisor to remain in the business franchised herein or to offer the same products and services, whether or not bearing the Marks, in the event that Franchisor exercises its prerogative hereunder to assign Franchisor's rights in this Agreement.

16.1.2 Franchisee agrees that Franchisor has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or non-competitive franchise network, chain or any other business regardless of the location of that

chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities operating under the Marks or any other marks following Franchisor's purchase, merger, acquisition or affiliation, regardless of the location of the facilities (which Franchisee acknowledges may be within the Territory, proximate thereto, or proximate to any of Franchisee's locations). However, Franchisor represents that it will not convert any such acquired facilities that are operating within the Territory to an Ideal Siding franchise during the Term of this Agreement.

16.1.3 If Franchisor assigns its rights in this Agreement, nothing herein shall be deemed to require Franchisor to remain in the siding business or to offer or sell any products or services to Franchisee.

16.2 Restrictions on Transfers by Franchisee. Franchisee's rights and duties under this Agreement are personal to Franchisee as it is organized and with the Principals of the business as they exist on the date of execution of this Agreement, and Franchisor has made this Agreement with Franchisee in reliance on Franchisor's perceptions of the individual and collective character, skill, aptitude, attitude, business ability, and financial capacity of Franchisee. Thus, no transfer, as hereafter defined, may be made without Franchisor's prior written approval. Franchisor may void any transfer made without such approval.

16.3 Transfers by Franchisee. Franchisee shall not directly or indirectly sell, assign, transfer, give, devise, convey or encumber this Agreement or any right or interest herein or hereunder (a "Transfer"), the Franchise, the Franchised Business or any assets thereof (except in the ordinary course of business) or suffer or permit any such assignment, transfer, or encumbrance to occur by operation of law unless it first obtains the written consent of Franchisor. A transfer of any stock in the Franchisee if it is a corporation or a transfer of any ownership rights in Franchisee if it is a partnership, a limited liability company or limited partnership shall be considered a Transfer restricted hereunder. If Franchisee has complied fully with this Agreement and subject to Franchisor's Right of First Refusal set forth in Section 16.6, Franchisor will not unreasonably withhold its consent of a Transfer that meets the following requirements:

16.3.1 The proposed transferee and all its principals must have the demeanor, and be individuals of good character, and otherwise meet Franchisor's then-applicable standards for franchisees.

16.3.2 The transferee must have sufficient business experience, aptitude and financial resources to operate the Franchised Business and to comply with this Agreement;

16.3.3 The transferee has agreed to complete Franchisor's Initial Training Program to Franchisor's satisfaction;

16.3.4 Franchisee has paid all amounts owed to Franchisor and third-party creditors;

- 16.3.5 The transferee has executed Franchisor's then-standard form of Franchise Agreement, which may have terms and conditions different from this Agreement, except that the transferee shall not be required to pay the Initial Franchise Fee;
- 16.3.6 Franchisee and the transferee and each of Franchisee's and the transferee's Principals shall have executed a general release under seal, in a form satisfactory to Franchisor, of any and all claims against Franchisor and Franchisor's officers, directors, shareholders, members and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances. Franchisee will indemnify Franchisor against any claims by the transferee relating to misrepresentations in the transfer process, specifically excluding those representations made by Franchisor in the Franchise Disclosure Document given to the transferee;
- 16.3.7 Franchisor has granted written approval of the material terms and conditions of the Transfer, including, without limitation, that the price and terms of payment will not adversely affect the Franchised Business's operation. However, Franchisor's approval of a Transfer is not in any way a representation or warranty of the transferee's success or the soundness of transferee's decision to purchase the Franchise on such terms and conditions. Franchisee shall provide Franchisor with all proposed transfer documents for Franchisor's review at least thirty (30) days prior to the closing of the proposed Transfer;
- 16.3.8 If Franchisee or any Principal finances any part of the sale price of the Transfer, Franchisee or its Principal have agreed that all obligations of the transferee under any notes, agreements or security interests to Franchisee or its Principal will be subordinate to the transferee's obligations to Franchisor; and
- 16.3.9 If consent is required, the lessor of the Franchised Business's premises consents to the assignment or further sublet of the premises to the transferee.
- 16.4 Transfer Fee. For transfers to an existing franchisee in good standing with Franchisor, Franchisee shall pay Franchisor a transfer fee equal to Seven Thousand Five Hundred Dollars (\$7,500). For transfers to a new franchisee, the transfer fee is Fifteen Thousand Dollars (\$15,000). For transfers of ownership interest among existing principals, shareholders or members, or to add a business entity or new shareholder or member of the Franchisee entity and such transfer does not change management control of the Franchise, the transfer fee is Five Thousand Dollars (\$5,000).
- 16.5 Entity Formation Documents. The By-Laws of a corporation or Operating Agreement of a limited liability company of a Franchisee that is an entity must state that (i) the issuance and assignment of any interest in Franchisee are restricted by this Article 16; (ii) Franchisee may conduct no business except the operation of a Franchised Business pursuant to the terms of this Agreement; (iii) transfers of interests in Franchisee are subject to the terms of this Agreement governing transfers; and (iv) stock or member certificates will contain a legend so indicating.

16.6 Franchisor 's Right of First Refusal.

16.6.1 If Franchisee wishes to transfer all or part of its interest in the Franchised Business or this Agreement or if a Principal wishes to transfer any ownership interest in Franchisee, pursuant to any bona fide offer to purchase such interest, then Franchisee or such Principal shall promptly notify Franchisor in writing of each such offer, and shall provide such information and documentation relating to the offer as Franchisor may require.

16.6.2 Franchisor has the right, exercisable by written notice to Franchisee within thirty (30) days after receipt of written notification and copies of all documentation required by Franchisor describing such offer, to buy the interest in this Agreement and the Franchised Business or the Principal's interest in Franchisee for the price and on the terms and conditions contained in the offer, subject to Section 16.6.3.

16.6.3 Franchisee further agrees, in the event Franchisor exercises its right of first refusal, notwithstanding anything to the contrary contained in the offer, that (i) Franchisor may substitute cash for any other form of consideration contained in the offer; (ii) at Franchisor 's option, Franchisor may pay the entire purchase price at closing; (iii) Franchisor 's credit will be deemed equal to the credit of any proposed transferee; (vi) Franchisor will have at least sixty (60) days to close the purchase; and (v) Franchisor will be entitled to receive from the Franchisee all customary representations and warranties given by a seller of the assets of a business or equity interest in an entity, as applicable.

16.6.4 If Franchisor does not exercise its right to buy within thirty (30) days, Franchisee may thereafter transfer the interest to the transferee on terms no more favorable than those disclosed to Franchisor, provided that such transfer is subject to Franchisor's prior written approval pursuant to Section 16.3 hereof. However, if (i) the sale to the transferee is not completed within one hundred twenty (120) days after the offer is given to Franchisor or (ii) there is any material change in the terms of the offer, the offer will again be subject to Franchisor's right of first refusal.

16.7 Death or Permanent Disability. The grant of rights under this Agreement is personal to Franchisee, and on the death or permanent disability of Franchisee or any of Franchisee's Principals, the executor, administrator, conservator or other personal representative of Franchisee or Principal, as the case may be, shall be required to transfer Franchisee's or Principal's interest in this Agreement within six (6) months from the date of death or permanent disability to a third party approved by Franchisor. Failure to transfer in accordance with the forgoing will constitute a material default and the Franchise granted by this Agreement will terminate. A transfer under Section 16.7, including without limitation, transfer by devise or inheritance, is subject to the conditions for Transfers in this Article 16 and unless transferred by gift, devise or inheritance, subject to the terms of Section 16.6 above. For purposes of this Agreement, the term "permanent disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent such person from providing continuous and

material supervision of the operation of Franchisee's Franchised Business during the six (6)-month period from its onset.

Immediately after the death or permanent disability of such person, or while the Franchise is owned by an executor, administrator, guardian, personal representative or trustee of that person, the Franchised Business shall be supervised by an interim successor manager satisfactory to Franchisor, or Franchisor, in its sole discretion, may provide interim management at a fee equal to ten percent (10%) of the Gross Sales generated by the Franchised Business during Franchisor's operation thereof, plus any and all costs of travel, lodging, meals and other expenses reasonably incurred by Franchisor, pending transfer of the Franchise to the deceased or disabled individual's lawful heirs or successors.

16.8 Effect of Consent to Transfer. Franchisor's consent to a Transfer will not waive any claims Franchisor may have against the Franchisee or any Franchisee's Principals nor waive its right to demand that the transferee comply strictly with this Agreement.

16.9 Security Interests to Lender. If Franchisee is in full compliance with this Agreement, Franchisee may pledge or give a security interest in Franchisee's interest in the assets of the Franchised Business to a lender of the funds needed by Franchisee for Franchisee's initial investment, provided that the security interest is subordinate to Franchisee's obligations to Franchisor, that a foreclosure on such a pledge or security interest and/or any Transfer resulting from such a foreclosure shall be subject to all provisions of this Agreement, and that Franchisee obtains from the lender a written acknowledgement to Franchisor of these restrictions. Notwithstanding the foregoing, in the event Franchisee obtains financing whereby funding is provided with the assistance of the United States Small Business Administration ("SBA Financing"), Franchisee shall be permitted to grant the lender of such SBA Financing a senior lien on any collateral Franchisee uses to secure the SBA Financing, and Franchisor agrees to (i) subordinate its interest in any lien on Franchisee's collateral to that of the lender of the SBA Financing and (ii) waive the requirement of the written acknowledgement referenced in this Section.

Franchisee specifically agrees that a designated representative of Franchisor may take over, control and operate the Franchised Business. In addition to all other fees paid under this Agreement, Franchisee shall pay Franchisor ten percent (10%) of the Gross Sales generated by the Franchised Business during Franchisor's operation thereof as compensation therefor. Further, Franchisee shall reimburse Franchisor for the full compensation paid to such

representative including the cost of all fringe benefits plus all travel expenses, lodging, meals and other expenses reasonably incurred by such representative until the default has been cured and Franchisee is complying with the terms of this Agreement.

- 17.5 Notice to Suppliers. In the event of a default by Franchisee, in addition to Franchisor's right to terminate the Franchise Agreement, and not in lieu thereof, Franchisor reserves the right with five (5) days' prior written notice to Franchisee to direct suppliers to stop furnishing any and all products and supplies until such time as Franchisee's default is cured. In no event shall Franchisee have recourse against Franchisor for loss of revenue, customer goodwill, profits or other business arising from Franchisor's actions and the actions of suppliers.

18 POST-TERMINATION.

- 18.1 Franchisee's Obligations. Upon termination or expiration of this Agreement, all rights and licenses granted hereunder to Franchisee shall immediately terminate and Franchisee and each Principal, if any, shall:
- 18.1.1 immediately cease to operate the Franchised Business, and shall not thereafter, directly or indirectly identify himself, herself or itself as a current Ideal Siding owner, franchisee or licensee;
 - 18.1.2 immediately and permanently cease to use the Marks, any imitation of any Mark, Franchisor's designs, copyrighted material or other intellectual property, confidential or proprietary material or indicia of the Franchised Business, or use any trade name, trade or service mark or other commercial symbol that suggests a current or past association with Franchisor, and/or Celsior Holding Group Ltd.'s affiliate(s) or its successor, or the System. In particular, Franchisee shall cease to use, without limitation, all signs, billboards, advertising materials, displays, stationery, forms and any other articles, which display the Marks;
 - 18.1.3 take such action as may be necessary to cancel any assumed name or equivalent registration that contains the Mark or any other service mark or trademark of Franchisor, and Franchisee shall furnish Franchisor with evidence of compliance with this obligation, which is satisfactory to Franchisor, within five (5) days after termination or expiration of this Agreement;
 - 18.1.4 promptly pay all sums owing to Franchisor and its affiliates. Such sums shall include all damages, costs and expenses, including reasonable attorneys' fees incurred by Franchisor as a result of any default by Franchisee. The payment obligation herein shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, fixtures, and inventory owned by Franchisee and located at the Franchised Business location at the time of default;
 - 18.1.5 pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor in connection with obtaining any remedy available to Franchisor for any violation of this Agreement and, subsequent to the termination

or expiration of this Agreement, in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement that survive its termination;

- 18.1.6 immediately deliver at Franchisee's sole cost and expense, to Franchisor the Manual and all records, files, instructions, correspondence, invoices, agreements, designs, completed project signs, all confidential, proprietary and copyrighted material and all other materials related to operation of the Franchised Business, including but not limited to customer lists and records, (all of which are acknowledged to be Franchisor's property), delete all electronic copies and retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents that Franchisee reasonably needs for compliance with any provision of law; and
- 18.1.7 comply with the non-disclosure and non-competition covenants contained in Article 19.
- 18.1.8 pay Franchisor a lump sum payment (as liquidated damages and not as a penalty) in an amount equal to: (a) the average monthly Royalty Fee and General Branding Fund Fee payable by Franchisee over the twelve (12) month period immediately prior to the date of termination (or such shorter time period if the Franchised Business has been open less than twelve (12) months); (b) multiplied by the number of months then remaining in the then-current term of this Agreement. Franchisee acknowledges that a precise calculation of the full extent of the damages Franchisor will incur in the event of termination of this Agreement as a result of Franchisee's default is difficult to determine and that this lump sum payment is reasonable in light thereof. The liquidated damages payable by Franchisee pursuant to this Section 18.1.8 shall be in addition to all other amounts payable under this Agreement and shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies pursuant to any other provision of this Agreement.

18.2 Right to Purchase.

- 18.2.1 Franchisor shall have the option, to be exercised within thirty (30) days after termination or expiration of this Agreement, to purchase from Franchisee any or all of the furnishings, equipment (including any computer systems), vehicles, signs, fixtures, advertising materials, supplies, and inventory of Franchisee related to the operation of the Franchised Business, at Franchisee's cost or fair market value. Franchisor shall purchase Franchisee's assets free and clear of any liens, charges, encumbrances or security interests and Franchisor shall assume no liabilities whatsoever, unless otherwise agreed to in writing by the parties. If the parties cannot agree on the fair market value within thirty (30) days of Franchisor's exercise of its option, fair market value shall be determined by two (2) appraisers, with each party selecting one (1) appraiser, and the average of their determinations shall be binding. In the event of such appraisal, each party shall bear its own legal and other costs and shall split the appraisal fees equally. If Franchisor elects to exercise its option to purchase herein provided, it shall have the right to set off (i) all fees for any such independent appraiser due from Franchisee, (ii) all amounts due from Franchisee to Franchisor or any of its affiliates and (iii) any costs incurred

in connection with any escrow arrangement (including reasonable legal fees), against any payment therefor and shall pay the remaining amount in cash. The closing of the purchase shall take place no later than thirty (30) days after the determination of the fair market value.

18.2.2 With respect to the options described in Sections 18.2.1, Franchisee shall deliver to Franchisor in a form satisfactory to Franchisor, such warranties, releases of lien, bills of sale, assignments and such other documents and instruments that Franchisor deems necessary in order to perfect Franchisor's title and possession in and to the assets being purchased or assigned and to meet the requirements of all tax and government authorities. If, at the time of closing, Franchisee has not obtained all of these certificates and other documents, Franchisor may, in its sole discretion, place the purchase price in escrow pending issuance of any required certificates or documents.

18.2.3 Franchisor shall be entitled to assign any and all of its option in Section 18.2.1 to any other party, without the consent of Franchisee.

18.3 Assignment of Telephone Numbers. Franchisee, at the option of Franchisor, shall assign to Franchisor all rights to the telephone numbers of the Franchised Business and any related public directory listing or other business listings and execute all forms and documents required by Franchisor and any telephone company at any time, to transfer such service and numbers to Franchisor. Further, Franchisee shall assign to Franchisor any and all social media and internet listings, domain names, internet advertising, websites, listings with search engines, electronic mail addresses or any other similar listing or usage related to the Franchised Business. Notwithstanding any forms and documents that may have been executed by Franchisee under Section 11.7, Franchisee shall provide Franchisor with all passwords and administrative rights, and hereby appoints Franchisor, its true and lawful agent and attorney-in-fact with full power and authority, for the sole purpose of taking such action as is necessary to complete such assignment. This power of attorney shall survive the expiration or termination of this Agreement. Franchisee shall thereafter use different telephone numbers, electronic mail addresses or other listings or usages at or in connection with any subsequent business conducted by Franchisee.

18.4 Survival. The rights and obligations of the parties contained in this Article 18 shall survive the expiration or sooner termination of this Agreement.

19 NON-DISCLOSURE AND NON-COMPETITION COVENANTS.

19.1 Operations Manual.

19.1.1 Franchisor has provided Franchisee, on loan, with a current copy of the Manual. The Manual may be in hard copy or made available to Franchisee in digital, electronic or computerized form or in some other form now existing or hereafter developed that would allow Franchisee to view the contents thereof. If the Manual (or any changes thereto) is provided in a form other than physical copy, Franchisee shall

pay any and all costs to retrieve, review, use or access the Manual. To protect the reputation and goodwill of Franchisor and to maintain high standards of operation under Franchisor's Marks, Franchisee shall operate all aspects of the Franchised Business in accordance with the Manual, as they may from time to time be modified by Franchisor, other written directives that Franchisor may issue to Franchisee from time to time, whether or not such directives are included in the Manual, and any other manual and materials created or approved for use in the operation of the Franchised Business.

- 19.1.2 Franchisee and any and all Principals shall at all times treat the Manual, written directives, and other materials and any other confidential communications or materials, and the information contained therein, as confidential and shall maintain such information as trade secret and confidential in accordance with this Article and this Agreement. Franchisee and Franchisee's Principal(s), if any, shall not divulge and make such materials available to anyone other than those of Franchisee's employees who require the information contained therein to operate the Franchised Business. Franchisee shall, prior to disclosure, fully train and inform its employees on all the restrictions, terms and conditions under which it is permitted to use Franchisor's intellectual, proprietary and confidential information; and shall ensure its employees' compliance with such restrictions, terms and conditions. Franchisee, Franchisee's Principal(s), and any person working with Franchisee shall agree not, at any time, to use, copy, duplicate, record or otherwise reproduce these materials, in whole or in part, or otherwise make the same available to any person other than those authorized above, without Franchisor's prior written consent.
- 19.1.3 The Manual, written directives, and other materials and any other confidential communications provided or approved by Franchisor shall at all times remain the sole property of Franchisor. Franchisee shall maintain the Manual and all Franchisor's confidential and proprietary materials at all times in a safe and secure location, shall take all reasonable measures to prevent unauthorized access thereto, whether any attempted unauthorized access takes the form of physical access or access via computer or telecommunications networks or otherwise, and shall report the theft or loss of the Manual, or any portion thereof, immediately to Franchisor. At a minimum, Franchisee shall, in the case of computer and telecommunications networks, use the latest available firewall, encryption and similar technology to prevent unauthorized access. Franchisee shall delete all electronic copies and return and cease using any physical copy of the Manual and other confidential and proprietary materials to Franchisor immediately upon request or upon transfer, termination or expiration of this Agreement.
- 19.1.4 Franchisor may from time to time revise the contents of the Manual and other materials created or approved for use in the operation of the Franchised Business. Franchisee expressly agrees to comply with each new or changed policy, standard or directive. In the event of any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Franchisor shall control.

19.1.5 If Franchisee loses, misplaces or otherwise requests a physical copy of the Manual, Franchisor, in its discretion, may provide such physical copy and Franchisee shall pay Franchisor the then-current replacement fee.

19.2 Confidential Information. Franchisee along with its Principals acknowledge and accept that during the term of this Agreement Franchisee and any Principal will have access to Franchisor's trade secrets, including, but not limited to, designs, methods, processes, customer lists, vendor partnerships and/or relationships, sales and technical information, financial information, costs, product prices and names, software tools and applications, website and/or email design, products, services, equipment, technologies and procedures relating to the operation of the Franchised Business; the Manual; methods of advertising and promotion; instructional materials; any other information which Franchisor may or may not specifically designate as "confidential" or "proprietary"; and the components of the System, whether or not such information is protected or protectable by patent, copyright, trade secret or other proprietary rights (collectively referred to herein as the "Confidential Information"). Franchisee and Principal(s) shall, during the term of this Agreement and thereafter, communicate or divulge to, or use for the benefit of, any other person or entity, and, following the expiration or termination of this Agreement, shall not use for their own benefit, any Confidential Information that may be communicated to Franchisee or any Principal or of which Franchisee or any Principal may be apprised in connection with the operation of the Franchised Business under the terms of this Agreement. Franchisee and any Principal shall not divulge and make any Confidential Information available to anyone other than those of Franchisee's employees who require the Confidential Information to operate the Franchised Business and who have themselves entered into confidentiality and non-compete agreements containing the same provisions as contained in this Agreement, in accordance with Section 19.10 hereof. Franchisee and any Principal shall not at any time copy, duplicate, record or otherwise reproduce any Confidential Information, in whole or in part, or otherwise make the same available to any person other than those authorized above, without Franchisor's prior written consent. The covenants in this Section 19.2 shall survive the expiration, termination or transfer of this Agreement or any interest herein and shall be perpetually binding upon Franchisee and each Principal.

19.3 Protection of Information. Franchisee shall take all steps necessary, at Franchisee's own expense, to protect the Confidential Information and shall immediately notify Franchisor if Franchisee finds that any Confidential Information has been divulged in violation of this Agreement.

19.4 New Concepts. If Franchisee or any Principal develops any new concept, process, product, design, or improvement in the operation or promotion of the Franchised Business ("Improvements"), Franchisee is required to promptly notify Franchisor and provide Franchisor with all related information, processes, products, design or other improvements, and sign any and all forms, documents and/or papers necessary for Franchisor to obtain full proprietary rights to such Improvements, without compensation and without any claim of ownership or proprietary rights to such Improvements.

Franchisee and any Principal acknowledge that any such Improvements will become the property of Franchisor, and Franchisor may use or disclose such information to other franchisees as it determines to be appropriate.

19.5 Noncompetition Covenants. Franchisee and each Principal, if any, specifically acknowledge that, pursuant to this Agreement, Franchisee and each Principal, if any, will receive valuable training, trade secrets and Confidential Information of the System that are beyond the present knowledge, training and experience of Franchisee, each Principal and Franchisee's managers and employees. Franchisee and each Principal, if any, acknowledge that such specialized training, trade secrets and Confidential Information provide a competitive advantage and will be valuable to them in the development and operation of the Franchised Business, and that gaining access to such specialized training, trade secrets and Confidential Information is, therefore, a primary reason why Franchisee and each Principal, if any, are entering into this Agreement. In consideration for such specialized training, trade secrets, Confidential Information and rights, Franchisee and each Principal, if any, covenant that, except as otherwise approved in writing by Franchisor:

19.5.1 During the term of this Agreement, Franchisee and each Principal, if any, shall not, either directly or indirectly, for themselves or through, on behalf of, or in conjunction with, any person or entity (i) divert, or attempt to divert, any business or customer of the Franchised Business or of other franchisees in the System to any competitor, by direct or indirect inducement or otherwise; (ii) participate as an owner, partner, director, officer, employee, consultant or agent or serve in any other capacity in any siding products and services business similar to the System; or (iii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System or (iv) in any manner interfere with, disturb, disrupt, decrease or otherwise jeopardize the business of the Franchisor or any Ideal Siding franchisee.

19.5.2. Upon the expiration or earlier termination of this Agreement or upon a Transfer and continuing for twenty-four (24) months thereafter, Franchisee and Principals, if any, shall not, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person or entity (i) divert, or attempt to divert, any business or customer of the Franchised Business or of other franchisees in the System to any competitor, by direct or indirect inducement or otherwise; or (ii) participate as an owner, partner, director, officer, employee, consultant or agent or serve in any other capacity in any siding products and services business within twenty-five (25) miles of the Territory or any Ideal Siding outlet; or (iii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System or (iv) in any manner interfere with, disturb, disrupt, decrease or otherwise jeopardize the business of the Franchisor or any Ideal Siding franchisee.

19.6 Reasonableness of Restrictions. Franchisee and each Principal, if any, acknowledges and agrees that the covenants not to compete set forth in this Agreement are fair and

reasonable and will not impose any undue hardship on Franchisee or Principal(s), if any, since Franchisee or Principal(s), as the case may be, have other considerable skills, experience and education which afford Franchisee or Principal(s), as the case may be, the opportunity to derive income from other endeavors.

- 19.7 Reduction of Time or Scope. If the period of time or the geographic scope specified above, should be adjudged unreasonable in any proceeding, then the period of time will be reduced by such number of months or the geographic scope will be reduced by the elimination of such portion thereof, or both, so that such restrictions may be enforced for such time and scope as are adjudged to be reasonable. In addition, Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Paragraph 19 or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees to forthwith comply with any covenant as so modified.
- 19.8 Injunctive Relief. Franchisee and Principal(s) acknowledge that a violation of the covenants of confidentiality and non-competition contained in this Agreement would result in immediate and irreparable injury to Franchisor for which monetary damages cannot fully remedy. Accordingly, Franchisee and Principal(s) hereby consent to the entry of a temporary and permanent injunction prohibiting any conduct by Franchisee or Principal(s) in violation of the terms of the covenants set forth in this Article 19 and hereby agree to waive any and all defenses to the entry of such injunction(s). Notwithstanding, Franchisee and Principal(s) acknowledge and agree that the foregoing injunctive relief is in addition to, and does not restrict Franchisor from pursuing, any and all claims for monetary damages resulting from a breach by Franchisee or Principal(s) of the covenants contained herein.
- 19.9 Liquidated Damages – Violation of Confidentiality or Non-Competition Covenants. In the event Franchisee and/or Principal(s) violate the covenants of confidentiality and/or non-competition set forth herein, Franchisee and/or Principal(s) shall pay Franchisor a lump sum payment (as liquidated damages and not as a penalty) an amount equal to One Hundred Thousand Dollars (\$100,000.00), plus Franchisor's attorney's fees, for each such violation. Franchisee and Principal(s) acknowledge that a precise calculation of the full extent of the damage that Franchisor will incur in the event of Franchisee's and/or Principal(s)' violation of the covenants of confidentiality and/or non-competition is difficult to determine and that this lump sum payment is reasonable in light thereof. The liquidated damages payable by Franchisee pursuant to this Section 19.9 shall be in addition to all other amounts payable under this Agreement and shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies pursuant to any other provision hereof.
- 19.10 No Defense. Franchisee and each Principal, if any, expressly agree that the existence of any claims they may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section.
- 19.11 Covenants of Employees, Agents and third persons. Franchisee shall require and obtain execution of covenants similar to those set forth in this Section (including covenants

applicable upon the termination of a person's employment with Franchisee) from all employees, contractors or third persons that will have access to Franchisor's confidential and proprietary information. Such covenants shall be substantially in the form set forth in Attachment 8 as revised and updated from time to time and contained in the Manual.

20 DISPUTE RESOLUTION.

20.1 Internal Dispute Resolution. Franchisee shall first bring any claim, controversy or dispute arising out of or relating to this Agreement, the Attachments hereto or the relationship created by this Agreement to Franchisor's president and/or chief executive officer for resolution. After providing notice as set forth in Section 21.7 below. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

20.2 Mediation. At Franchisor's option, any claim, controversy or dispute that is not resolved pursuant to Section 20.1 hereof shall be submitted to non-binding mediation. Franchisee shall provide Franchisor with written notice of Franchisee's intent to pursue any unresolved claim, controversy or dispute, specifying in sufficient detail the nature thereof, prior to commencing any legal action. Franchisor shall have thirty (30) days following receipt of Franchisee's notice to exercise Franchisor's option to submit such claim, controversy or dispute to mediation. Mediation shall be conducted through a mediator or mediators in accordance with the American Arbitration Association Commercial Mediation Rules. Such mediation should take place in the then-current location of Franchisor's corporate headquarters. The costs and expenses of mediation, including compensation and expenses of the mediator (and except for the attorneys' fees incurred by either party), shall be borne by the parties equally. Franchisor may specifically enforce Franchisor's rights to mediation, as set forth herein.

20.3 Governing Law and Venue. This Agreement is made in, and shall be substantially performed in, the State of Washington. Any claims, controversies, disputes or actions arising out of this Agreement shall be governed, enforced and interpreted pursuant to the laws of the State of Washington. Franchisee and its Principal(s), except where specifically prohibited by law, hereby irrevocably submit themselves to the sole and exclusive jurisdiction of the state and federal courts in Seattle, Washington. Franchisee and its Principal(s) hereby waive all questions of personal jurisdiction for the purpose of carrying out this provision.

20.4 Mutual Benefit. Franchisee, each Principal, if any, and Franchisor acknowledge that the parties' agreement regarding applicable state law and forum set forth in Section 20.2 provide each of the parties with the mutual benefit of uniform interpretation of this Agreement and any dispute arising hereunder. Each of Franchisee, Principals, if any, and Franchisor further acknowledge the receipt and sufficiency of mutual consideration for such benefit and that each party's agreement regarding applicable state law and choice of forum have been negotiated in good faith and are part of the benefit of the bargain reflected by this Agreement.

- 20.5 Waiver of Jury Trial and Certain Damages. Franchisee and each Principal hereby waive, to the fullest extent permitted by law, any right to or claim for (i) a trial by jury in any action, proceeding or counterclaim brought by or against Franchisor, and (ii) any punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) against Franchisor, its affiliates, and their respective officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, arising out of any cause whatsoever. Each of Franchisee and Principal(s) agree that in the event of a dispute, Franchisee and each Principal shall be limited to the recovery of any actual damage sustained.
- 20.6 Injunctive Relief. Nothing herein contained (including, without limitation, Sections 20.1 through 20.2 above) shall bar Franchisor from the right to obtain immediate injunctive relief from any court of competent jurisdiction against threatened conduct by Franchisee that may cause Franchisor loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions.
- 20.7 Limitations of Claims. Any and all claims asserted by Franchisee arising out of or relating to this Agreement or the relationship among the parties will be barred unless a proceeding for relief is commenced within one (1) year from the date on which Franchisee knew or should have known of the facts giving rise to such claims.
- 20.8 Attorney's Fees. In the event of any action in law or equity by and between Franchisor and Franchisee concerning the operation, enforcement, construction or interpretation of this Agreement, the prevailing party in such action shall be entitled to recover reasonable attorney's fees and court costs incurred.
- 20.9 Survival. The provisions of this Article 20 shall continue in full force and effect notwithstanding the expiration or termination of this Agreement or a transfer by Franchisee or any Principal of their respective interests in this Agreement.

21 GENERAL.

- 21.1 Independent Licensee. Franchisee is and shall be an independent licensee under this Agreement, and no partnership shall exist between Franchisee and Franchisor. This Agreement does not constitute Franchisee as an agent, legal representative, or employee of Franchisor for any purpose whatsoever, and Franchisee is not granted any right or authority to assume or create any obligation for or on behalf of, or in the name of, or in any way to bind Franchisor. Franchisee agrees not to incur or contract any debt or obligation on behalf of Franchisor or commit any act, make any representation or advertise in any manner which may adversely affect any right of Franchisor or be detrimental to Franchisor or other franchisees of Franchisor. Pursuant to the above, Franchisee agrees to indemnify Franchisor and hold Franchisor harmless from any and all liability, loss, attorney's fees, or damage Franchisor may suffer as a result of claims, demands, taxes, costs or judgments against Franchisor arising out of any allegation of an agent, partner or employment relationship.

- 21.2 Successors. This Agreement shall bind and inure to the benefit of the successors and assigns of Franchisor and shall be personally binding on and inure to the benefit of Franchisee (including the individuals executing this Agreement on behalf of the Franchisee entity) and its or their respective heirs, executors, administrators and successors or assigns; provided, however, the foregoing provision shall not be construed to allow a transfer of any interest of Franchisee or Principal(s), if any, in this Agreement or the Franchised Business, except in accordance with Article 16 hereof.
- 21.3 Invalidity of Part of Agreement. Should any provisions in this Agreement, for any reason, be declared invalid, then such provision shall be invalid only to the extent of the prohibition without in any way invalidating or altering any other provision of this Agreement.
- 21.4 Construction. All terms and words used in this Agreement, regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement or any provision herein may require, as if such words had been fully and properly written in the appropriate number and gender. All covenants, agreements and obligations assumed herein by Franchisee and any Principal(s) shall be deemed to be joint and several covenants, agreements and obligations of each of the persons named as Franchisee, if more than one person is so named.
- 21.5 Captions. Captions and section headings are used herein for convenience only. They are not part of this Agreement and shall not be used in construing it.
- 21.6 Notices. Whenever notice is required or permitted to be given under the terms of this Agreement, it shall be given in writing and be delivered personally or by certified mail or courier, postage prepaid, addressed to the party for whom intended, and shall be deemed given on the date of delivery or delivery is refused. All such notices shall be addressed to the party to be notified at their respective addresses as set forth in the introductory paragraph of this Agreement, or at such other address or addresses as the parties may from time to time designate in writing.
- 21.7 Effect of Waivers. No waiver, delay, omission or forbearance on the part of Franchisor to exercise any right, option, duty or power arising from any default or breach by Franchisee shall affect or impair the rights of Franchisor with respect to any subsequent default of the same or of a different kind. Any use by Franchisee of the System or any part thereof at any place other than at the Franchised Business premises and as authorized in the Territory shall not give Franchisee any rights not specifically granted hereunder. Failure to take action to stop such use shall not in any event be considered a waiver of the rights of Franchisor at any time to require Franchisee to restrict said use to the Franchised Business location.
- 21.8 Remedies Cumulative. All rights and remedies of the parties to this Agreement shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies that are provided for herein or that may be available at law or in equity in case

of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement or any other agreement between Franchisee or any of its affiliates and Franchisor or any of its affiliates. The rights and remedies of the parties to this Agreement shall be continuing and shall not be exhausted by any one or more uses thereof and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration, earlier termination or exercise of Franchisor's rights pursuant to Article 17 shall not discharge or release Franchisee or any Principal from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination or the exercise of such rights under this Agreement.

21.9 Consent to Do Business Electronically. The parties to the Franchise Agreement hereby consent to do business electronically. Pursuant to the Uniform Electronic Transactions Act as adopted by the State of Delaware, the parties hereby affirm to each other that they agree with the terms of the Franchise Agreement, and by attaching their digital signature electronically, including any DocuSign signature, to the Franchise Agreement, they are executing the document and intending to attach their digital signature to it. Furthermore, the parties acknowledge that the other parties to the Franchise Agreement can rely on an electronic or digital signature, including a DocuSign signature, as the respective party's signature.

21.10 Counterparts. This Agreement may be executed in multiple counterparts, each of which when so executed shall be an original, and all of which shall constitute one and the same instrument.

21.11. Survival. Any obligation of Franchisee or any Principal that contemplates the performance of such obligation after termination or expiration of this Agreement or the transfer of any interest of Franchisee or any Principal therein shall be deemed to survive such termination, expiration or transfer.

21.12 Entire Agreement. This Agreement, including all attachments, is the entire agreement of the parties, superseding all prior written or oral agreements of the parties concerning the same subject matter, and superseding all prior written or oral representations made to Franchisee, except nothing herein is intended to disclaim the representations made to Franchisee in Franchisor's Franchise Disclosure Document. No agreement of any kind relating to the matters covered by this Agreement and no amendment of the provisions hereof shall be binding upon either party unless and until the same has been made in writing and executed by all interested parties.

The parties hereto have executed this Franchise Agreement the day and year first above written.

WHEREAS, Confidential Information provides economic advantages to Franchisor and licensed users of the System, including Franchisee;

WHEREAS, Franchisee has acknowledged the importance of restricting the use, access and dissemination of the Confidential Information, and Franchisee therefore has agreed to obtain from Covenantor a written agreement protecting the Confidential Information and further protecting the System against unfair competition; and

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

1. Confidentiality Agreement.

a. Covenantor shall, at all times, maintain the confidentiality of the Confidential Information and shall use such Confidential Information only in the course of his or her employment by or association with Franchisee in connection with the operation of a Franchised Business under the Franchise Agreement.

b. Covenantor shall not at any time make copies of any documents or compilations containing some or all of the Confidential Information without Franchisor’s express written permission.

c. Covenantor shall not at any time disclose or permit the disclosure of the Confidential Information except, and only then to the limited extent necessary, to those employees of Franchisee for training and assisting such employees in the operation of the Franchised Business.

d. Covenantor shall surrender any material containing some or all of the Confidential Information to Franchisee or Franchisor, upon request, or upon termination of employment or association with Franchisee.

(i) divert, or attempt to divert any business or customer of the Ideal Siding system or of other franchisees in the System to any competitor, by direct or indirect inducement or otherwise, or

(ii) participate as an owner, partner, director, officer, employee, consultant or agent or serve in any other capacity in any siding products and services business.

This Guaranty may not be changed or terminated in any manner whatsoever except in writing signed by Principal and Lender.

Principal covenants with Lender that Principal has the full legal right, power and authority to execute this Guaranty; and that none of Principal’s obligations hereunder will result in any breach of any provision of any agreement or instrument to which Principal is a party or by which Principal is bound.

PRINCIPAL WAIVES: (a) notice of acceptance hereof; (b) THE RIGHT TO A JURY TRIAL IN ANY ACTION HEREUNDER; (c) presentment, demand and protest of any instrument and notice

Principal's obligations under this Guaranty shall include all amounts paid by or on behalf of Borrower which may be recovered by any person or entity as a preference, fraudulent transfer or conveyance or similar transfer and all of Lender's costs and expenses of the defense of any action for such recovery.

This Guaranty, all acts and transactions hereunder and the rights and obligations of the parties hereto, shall be governed, construed and interpreted according to the laws of the State of Delaware. Principal hereby agrees that all actions or proceedings arising directly or indirectly, in connection with, out of or related to this Guaranty ("Litigation") shall be litigated, in Lender's sole discretion and election, in state and federal courts in _____, Delaware, and Principal hereby subjects himself and consents to the jurisdiction and venue of the federal and state courts located in the State of Delaware, as the exclusive jurisdiction in any action or proceeding brought by Principal arising out of this Guaranty, and any documents or agreements executed in connection therewith, and designates such Courts as the exclusive jurisdiction and the proper venue for any action brought against Principal.

Independent Auditor's Report

To the Shareholder
Ideal Siding Franchising (USA) Inc.
Middletown, Delaware

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying balance sheets of Ideal Siding Franchising (USA) Inc. as of December 31, 2024, and 2023, and the related statements of operations, stockholder's (deficit), and cash flows for the years ended December 31, 2024, 2023, and 2022, and the notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ideal Siding Franchising (USA) Inc. as of December 31, 2024, and 2023, and the results of their operations and their cash flows for the years ended December 31, 2024, 2023, and 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ideal Siding Franchising (USA) Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ideal Siding Franchising (USA) Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there

is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ideal Siding Franchising (USA) Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ideal Siding Franchising (USA) Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

IDEAL SIDING FRANCHISING (USA) INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Ideal Siding Franchising (USA) Inc. (“Company”) was formed on March 18, 2021, (Inception) in the state of Delaware as a corporation. The Company grants a franchise to operate a business that provides professional home siding services to homeowner clients, as well as providing other ancillary and related services using the Ideal Siding business system (the “System”).

Parents

The Company has parent companies. Ideal Siding Franchising, Inc., a company in British Columbia, Canada was formed on April 25, 2019. The parent company to Ideal Siding Franchising, Inc. is Celsior Holding Group, Ltd. (“Celsior”), a British Columbia company that was incorporated on April 25, 2019. Celsior owns the System and the Marks. Pursuant to an inter-company license agreement between Celsior and Ideal Siding Franchising, Inc., Celsior has granted to Ideal Siding Franchising, Inc., and us the exclusive license to use the System and the Marks and to license the system and the Marks to others.

A summary of significant accounting policies follows:

Use of Estimates

Preparation of the Company’s financial statements in accordance with United States generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of any contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents. The Company had no cash equivalents as of December 31, 2024, and 2023.

Accounts Receivable

The timing of revenue recognition may be different from the timing of invoicing customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized subsequent to invoicing. Management evaluates individual customers’ receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off if deemed uncollectible and recoveries of accounts receivable previously written off are recorded as income when received. The Company did not have any allowance for doubtful accounts as of December 31, 2024, and 2023, and did not charge off any accounts receivable during the years ended December 31, 2024, 2023, and 2022.

Property, Plant & Equipment

The Company has adopted ASC 360 – Property, Plant and Equipment. Property and equipment are stated at historical cost. Depreciation is provided using straight-line method based on the estimated useful lives of the related assets (generally three to seven years). The Company had no property, plant & equipment as of December 31, 2024, and 2023.

IDEAL SIDING FRANCHISING (USA) INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Intangible Assets

The Company has adopted ASC 350, Intangibles – Goodwill and Other that requires that goodwill and intangible assets with indefinite lives no longer be amortized to earnings but be tested for impairment at least annually. Intangible assets with finite lives are amortized over their estimated useful lives. The useful life of an intangible asset is the period over which it is expected to contribute directly or indirectly to future cash flows. Intangible assets with infinite lives are reviewed for impairment if events or changes in circumstances indicate that the carrying value might not be recoverable.

Revenue Recognition

The Company recognizes revenue under the guidance of ASC 606. “Contracts with Customers.” The Company’s revenue mainly consists of initial franchise fees, royalties, and other fees. Each franchise agreement is comprised of several performance obligations. The Company identifies those performance obligations, determines the contract price for each obligation, allocates the transaction price to each performance obligation and recognizes revenue when the Company has satisfied the performance obligation by transferring control of the good or service to the franchisee.

Initial Franchise Fees

The Company has determined that the performance obligations related to goods and services provided to the franchise prior the opening of the franchisees business are distinct (under the guidance of ASC 2021-02) from the territory, term of the agreement and license to use the intellectual property and are provided to the franchise in exchange for the initial franchise fee. The initial fee is recognized as revenue at the point when the performance obligations have been satisfied and control of those goods and services are under the complete control of the franchisee. Revenue collected before control of the goods and services has passed to the franchisee is recorded as non-refundable deferred franchisees on the balance sheet of the Company.

When a franchisee purchases a franchise, the Company grants the franchisee the right to use the proprietary methods, techniques, trade dress, trademarks, and logos, in the agreed territory over the term of the contact (“the license”). The license is symbolic intellectual property. Revenues related to the license are continuing royalties and are 8% of gross sales, subject to annual minimum royalties. These revenues will be used to compensate the Company for the franchisee use of the territory and intellectual property each month of the term, continue the development of the Company’s brand, the franchise system and provide on-going support for the Company’s franchisees. The royalties are billed monthly and are recognized as revenue when earned.

Lead Fees

The Company provides a mandatory lead generation service to which each franchisee must subscribe. The price per lead and the number of leads provided is variable and defined in the franchise agreement. The lead fee is billed monthly and is recognized as revenue when earned.

IDEAL SIDING FRANCHISING (USA) INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Brand Fund Contribution

The Company has established a brand fund to provide regional and national advertising for the benefit of the franchisees. The fees are 1% of monthly gross sales and are billed weekly and are recognized as revenue when earned up to the amount spent on marketing activities as defined in the franchise disclosure document. Funds collected, but not yet spent, are recorded as deferred revenue on the balance sheet. As of December 31, 2024, and 2023 \$0 and \$0 were included in deferred revenue.

Income Taxes

The Company has adopted the liability method of accounting for income taxes ASC 740, "Income Taxes." Under ASC 740, deferred income taxes are recorded to reflect tax consequences for future years for the differences between the tax basis of assets and liabilities and their financial reporting amounts at each year-end. Deferred tax assets, including tax loss and credit carryforwards, and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

Deferred income tax expense represents the change during the period in the deferred tax assets and deferred tax liabilities. The components of the deferred tax assets and liabilities are individually classified as current and non-current based on their characteristics. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all the deferred tax assets will not be realized.

The Company adopted the provisions ASC 740-10-25 "Accounting for Uncertainty in Income Taxes," (formerly "FIN 48"). This provision prescribes recognition thresholds that must be met before a tax position is recognized in the financial statements and provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Under the provision, an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. Based on its evaluation, the Company has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements.

The Company does not have any unrecognized tax benefits as of December 31, 2024, which if recognized would affect the Company's effective income tax rate.

Advertising Costs

EXHIBIT G
STATE ADDENDA

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF CALIFORNIA

The Department of Financial Protection and Innovation for the State of California requires that certain provisions contained in franchise documents be amended to be consistent with California Franchise Investment Law, Cal. Corp. Code Section 31000 et seq., and of the Rules and Regulations promulgated thereunder. To the extent that this Disclosure Document contains provisions that are inconsistent with the following, such provisions are hereby amended.

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.
2. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.
3. Item 3 is amended to add:

Neither Franchisor nor any person described in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C. 8.78(a) et seq. suspending or expelling such persons from membership in such association or exchange.

Item 5 is amended to state:

The California Department of Financial Protection and Innovation has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations, and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

4. Item 17 is amended to state:
 - (a) The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 et seq.).
 - (b) The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
 - (c) The franchise agreement contains a liquidated damages clause. Under California Civil Code section 1671, certain liquidated damages clauses are unenforceable.
 - (d) The Franchise Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.

5. The following statement is added to Item 6:

The highest interest rate allowed by law in California is 10% annually

California law requires that you obtain a contractor's license of the California Contractors State License Board (CSLB) if the total cost (labor and materials) of one or more contracts on the project is \$500 or more. Licenses may be issued to individuals, partnerships, corporations, or joint ventures. The CSLB does not issue licenses to Limited Liability Companies (LLCs).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6.
 - a. California's Franchise Investment Law (Corporations Code section 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.
 - b. California Business and Professions Code sections 20000 through 20043 (the Franchise Relations Act) provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control. In particular, Business and Professions Code section 20010 voids a waiver of your rights under the Franchise Relations Act.

- c. Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
PURSUANT TO THE ILLINOIS FRANCHISE DISCLOSURE ACT

Illinois law shall apply to and govern the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisee's right upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law is void.

Mandatory training takes place in Vancouver, Canada.

Item 5 is amended to state that based upon the franchisor's financial condition, the Illinois Attorney General's office imposed this deferral requirement due to Franchisors financial condition. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

A National Account customer is a customer responsible for a business in more than one location. The franchisor has the exclusive right to negotiate and enter into agreements to provide services to National Account customers. You may be offered the opportunity to service a National Account. If you decline or are unable to service the account, the franchisor, an affiliate or another franchisee may provide the service with no compensation to you (even if the service is provided within your territory).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**AMENDMENT TO THE IDEAL SIDING FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF ILLINOIS**

1. To the extent of any inconsistencies, the Franchise Agreement is hereby amended to further state:

"Section 4 of the Act provides that no franchisee shall be required to litigate any cause of action, with the exception of arbitration proceedings, arising under the Franchise Agreement or the Act outside of the State of Illinois."

2. To the extent of any inconsistencies, the Franchise Agreement is hereby amended to further state:

"Illinois law governs the terms of this Franchise Agreement."

3. To the extent of any inconsistencies, the Franchise Agreement is hereby amended to further state:

"Section 41 of the Act provides that any condition, stipulation, or provision purporting to bind Franchisee to waive compliance with any provision of the Act, or any other Illinois law is void. The foregoing requirement, however, shall not prevent Franchisee from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of the Act, and shall not prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code."

4. To the extent of any inconsistencies, the Franchise Agreement is hereby amended to further state:

"To the extent any provision regarding termination or renewal of the Franchise Agreement is inconsistent with the Illinois Franchise Disclosure Act §§ 815 ILCS §§ 705/19 and 705/20, the provisions of these sections of the Act will control."

5. Section 6.1.1 is amended to state based upon the franchisor's financial condition, the Illinois Attorney General's office imposed this deferral requirement due to Franchisor's financial condition. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

6. Mandatory training takes place in Vancouver, Canada.

7. A National Account customer is a customer responsible for a business in more than one location. The franchisor has the exclusive right to negotiate and enter into agreements to provide services to National Account customers. You may be offered the opportunity to service a National Account. If you decline or are unable to service the account, the franchisor, an affiliate or another franchisee may provide the service with no compensation to you (even if the service is provided within your territory).

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of this Amendment shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Act are met independently without reference to this Amendment.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT REQUIRED BY THE STATE OF VIRGINIA

The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a Franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

Washington Addendum to the Franchise Disclosure Document, Franchise Agreement, and related agreements

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Item 17(m) of the Franchise Disclosure Document is hereby deleted.

Section 3.2 of the Franchise Agreement does not apply to Washington franchisees.

Section 9.4 of the Franchise Agreement waivers are hereby deleted.

Section 15.6 of the Franchise Agreement is hereby deleted in accordance with RCW 19.100.180.

Section 20.7 of the Franchise Agreement is hereby deleted in accordance with RCW 19.100 and RCW 19.100.180(2)(g).

Acknowledgements #1, #3, #4, #5, and #12 of the Franchisee Acknowledgement Statement are hereby waived in accordance with RCW 19.100.220(2), RCW 19.100 and RCW 19.100.180(2)(g).

Any disclaimer or waiver contained in the Franchisee Acknowledgement Statement does not apply to Washington franchisees.

Attachment 3 of the Franchise Agreement relating to General Release is hereby waived in accordance with RCW 19.100.220

In the state of Washington, pursuant to WAC 460-80-460, franchisor will defer collection of the initial franchise fee until the franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Attachment 8 of the Franchise Agreement relating to Non-Compete Agreement is hereby deleted as it does not apply in Washington.
