What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to clients, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit C](#).

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by mediation and/or arbitration only in Michigan, and any litigation only in Delaware. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Michigan or Delaware than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in the termination of your franchise, and loss of your investment.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that they designate, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. **Mandatory Minimum Payments.** You must make monthly membership fee and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the Franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00 the Franchisee may request the Franchisor to arrange for the escrow of initial investment and other funds paid by the Franchisee until the obligations, if any, of the Franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the Franchisor, a surety bond may be provided in place of escrow.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, Consumer Protection Division, Franchise Section, G. Mennen Williams Building, 1st Floor, 525 W. Ottawa Street, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The franchisor is EOS Worldwide Franchising, LLC, doing business as “EOS Worldwide,” which will be referred to as “we”, “us”, or “EOSW” in this Disclosure Document. References to “you” or “your” means the individual person that acquires the franchise from us and will and operate the franchise as an EOS Implementer. EOS Implementers may operate the Franchised Business (as defined below) as a sole practitioner (sole proprietorship), or they may form a Business Entity (as defined below) to operate the Franchised Business. We use the terms “franchisee” and “Implementer” interchangeably to describe you, however, from a legal standpoint, the franchisee is the person or entity that signs the Franchise Agreement (as defined below).

We are a Delaware limited liability company formed on January 11, 2021. We and our affiliates currently conduct business under our corporate name “EOS Worldwide”. We currently maintain a small collaborative space in Birmingham, Michigan that we designate as our principal place of business; however, EOS Worldwide is largely a remote company with employees spread throughout the United States, including our executive leadership team members. Our principal business address is currently 2254 Cole Street, Suite 130, Birmingham, MI 48009. Our telephone number is (248) 278-8220 and our website is www.eosworldwide.com (collectively, with any future websites we create, the “Website”).

Our current agent for service of process in Delaware is Corporate Creations Network Inc., located at Brandywine Plaza, 1520 Concord Pike, Suite 201, Wilmington, Delaware 19803. Our agents for service of process in each of the applicable franchise registration or filing states are disclosed in Exhibit C. If a state is not listed, we have not appointed an agent for service of process in that state in connection with the requirements of franchise laws. There may be states in addition to those listed in Exhibit C in which we have appointed an agent for service of process. There may also be additional agents appointed in some of the states listed.

We began offering EOS Worldwide franchises as of February 16, 2021. We also operate our online store (the “EOS Online Store”), which offers and sells EOS branded books, educational materials and other related EOS products to franchisees, Clients (as defined below), and the public. You are required to purchase certain educational and instructive materials used with your Client sessions from us through the EOS Online Store. Other materials that you may need to operate your EOS Worldwide franchise, including EOS branded books, may be purchased wherever available, subject to the terms and conditions of the Franchise Agreement.

We do not own or operate any businesses of the type you will be operating. We have not offered franchises in any other line of business. Additionally, we do not engage in any other business activities outside of operating the EOS Worldwide franchise system, the EOS Online Store and EOS related business matters. From time to time, we allow certain full-time employees to maintain, own, and operate a Franchised Business under circumstances that we feel help them to better support the franchise community in their corporate roles. These businesses are individually owned and operated by these corporate employees; they are not affiliated with us and we do not maintain any rights to manage or control these businesses. Any full-time EOS Worldwide corporate employee that also operates an EOS Implementer business does so on a part-time basis, and therefore only supports a limited number of Clients.

Parent, Predecessors and Affiliates

Our parent company is EOS HoldCo, LLC, a Michigan limited liability company formed on

November 13, 2008 (“EOS Holdco”). The principal business address of EOS Holdco is also 2254 Cole Street, Suite 130, Birmingham, MI 48009. Prior to May 2018, EOS Holdco was owned by its founder, Gino Wickman and his business partner and one of the first EOS Implementers trained by Mr. Wickman, Don Tinney. At the time of their ownership, Gino and Don each also operated their own EOS Worldwide business similar to the Franchised Business. Gino and Don each sold a majority of their interest in EOS Holdco in May 2018, and are now EOS Worldwide franchisees that operate an EOS Franchised Business.

Our principal operational affiliate is EOS Worldwide, LLC (“EOS OpCo”), a Michigan limited liability company, formed on June 15, 2018. EOS OpCo is a wholly-owned subsidiary of EOS Holdco. The principal business address of EOS OpCo is also 2254 Cole Street, Suite 130, Birmingham, MI 48009. EOS OpCo owns the trademarks “Entrepreneurial Operating System”, “EOS”, and “EOS Implementer” and the Intellectual Property described in Items 13 and 14 below. As part of a restructuring, EOS OpCo acquired the Intellectual Property from its parent, EOS Holdco in July 2018. EOS OpCo has operated the EOS Worldwide business since its formation, offering monthly membership subscriptions to, and training on, EOS. EOS OpCo also provides other non-franchise educational business resources under different trademarks such as Rocket Fuel™ and EOS One®, a proprietary business-to-business software. We currently provide an incentive referral program under which active EOS Implementers can earn referral fees based on their tier designation levels. We may discontinue, terminate, modify, or amend this referral program at any time. Unless we agree otherwise in writing, you will not have any other rights to participate in these separate businesses as a franchisee of EOSW.

EOSW International, Inc., a Michigan corporation formed on September 27, 2019, is a wholly-owned subsidiary of EOS OpCo. EOSW International, Inc. was created to capture revenue from international operations of EOS OpCo for United States tax purposes. The principal business address of EOSW International, Inc. is also 2254 Cole Street, Suite 130, Birmingham, MI 48009.

EOS Worldwide UK, LTD., a United Kingdom private company formed on May 16, 2019, is a wholly-owned subsidiary of EOSW International, Inc. and exists to conduct EOS OpCo’s operations in the United Kingdom. The principal business address of EOS Worldwide UK, LTD. is also 2254 Cole Street, Suite 130, Birmingham, MI 48009 with a registered office of 1 Chapel Street, Warwick, United Kingdom CV34 4HL.

Neither EOS Holdco nor any of our other affiliates have ever offered franchises in this or any line of business and do not currently provide products or services to franchisees except as described above.

Other than those described above, we have no predecessors or other affiliates that are required to be disclosed in this Disclosure Document.

The Franchise

We offer franchises for the establishment and operation of a turnkey type business (the “Franchised Business”) which provides EOS related services (collectively, the “Services”) and products (collectively, the “Products”) that help entrepreneurs, business owners, leadership teams, and other customers and clients (collectively, the “Clients”) achieve their business objectives by operating on the Entrepreneurial Operating System or “EOS”. EOS includes a complete set of simple concepts and practical tools that strengthen what we refer to as the “Six Key Components” of any business which, once implemented by a Client, is designed to help it to achieve ultimate Vision, Traction and Healthy. Clients begin their introduction to EOS with an initial session called a “90 Minute Meeting.”

The “EOS Franchise System” consists of our Products and Services as well as our know-how, our distinctive and identifiable trade-dress and the specifications, information, policies, methods, controls,

advertising and promotional programs, and procedures for operations, management and financial control all of which is identified by our principal trademark “EOS” and other names and marks (collectively, the “Marks”) and other Intellectual Property we now or in the future may designate in writing for use in connection with the EOS Franchise System which are described in more detail below in Item 13. We may periodically make changes to the EOS Franchise System, including changes to the Services and Products offered (including EOS) and our methods, tools, software, training materials and other requirements. You may have to make additional investments in the Franchised Business periodically during the term of the Franchise Agreement if those kinds of changes are made or for other reasons. To ensure that Clients receive the consistent quality of Services and Products associated with EOS, all Franchised Businesses must be operated to EOS Franchise System specifications and standards.

We currently categorize “full-time “operating Implementers into three different tiers, “Professional”, “Certified” or “Expert”, as further described in Item 6 and Item 12. We also have created separate tiers, “Legacy” and “Emeritus”, for Implementers who are transitioning into retirement but would like to remain part of our EOS Implementer Community. All new Implementers to the EOS Franchise System that complete Boot Camp are designated initially as a “Professional EOS Implementer” and pay the same initial franchise fee and the same Boot Camp Fee, to receive our proprietary and comprehensive training program described in Item 11. However, each tier pays a different set monthly fee (in lieu of a traditional royalty), as further described in Item 6. Tier designations govern: (1) the lists of Products and Services offered by the Franchised Business; (2) the level and amount of training received and experience with implementing EOS as an EOS Implementer; (3) the opportunities to market and advertise your Franchised Business and your tier within the EOS Franchise System; (4) requirements to maintain levels of proficiency for your tier and (5) other rights and features described in this Disclosure Document and the Operations Manual (as defined in Item 8). We may require that Implementers obtain designated certifications or meet certain qualifications to be eligible for a tier, and we may change or modify those standards from time to time at our discretion.

You must sign our form of Franchise Agreement (“Franchise Agreement”), in the form attached to this Disclosure Document as Exhibit A. If you operate your franchise using a legal entity, then your entity (the “Operating Entity” or as referred to in the Franchise Agreement, your “Business Entity”) must either sign the Franchise Agreement or otherwise agree to abide by the terms of the Franchise Agreement by signing our form of Joinder to Franchise Agreement in the form attached as Exhibit C to the Franchise Agreement. An Operating Entity may have multiple owners, equity holders, shareholders, partners or members, but you must act as the sole decisionmaker and point person for the Operating Entity and only you may provide EOS Services to Clients as the “EOS Implementer” (or “Implementer”) and therefore only you may attend our Implementer trainings. If you use an Operating Entity for your Franchised Business, you must own and control the Operating Entity (with at least a 51% ownership interest unless we permit otherwise). You may also determine that you want or need additional operators, managers, employees, personnel or administrative staff to assist you in operating the Franchised Business, but these individuals may not provide functions required by an Implementer, including providing any Clients with implementation Services as described in the Operations Manual (“Implementer Services”).

Currently, we allow franchisees to operate their Franchised Businesses without any physical location. This means you may operate your Franchised Business from a home office or any other location you choose. Many franchisees rent, lease or acquire space or shared space containing session rooms to meet with Clients. You may decide to do so at your discretion. We do not provide support or required specifications or standards for any office or acquired space and we do not review or approve any real estate agreements, such as a lease. However, we may at our discretion provide you with recommendations on the layout, floor plan and design for your session rooms, upon request. However, you are required to make sure your session rooms and any other EOS business premises comply with applicable laws and reflect a professional atmosphere consistent with our Franchise System Standards (as defined in Item 8 below). We

do not set any restricted territories (see Item 12), therefore you may provide Implementer Services anywhere in the world, if and as permitted by applicable law.

Market and Competition

The market for entrepreneurial coaching, consulting or training services is competitive. Your competition will include individual independent contractors, consultants and executive trainers, offering business coaching services, leadership coaching and other competitive services and products. Your competition will also include local, regional, national and international businesses offering similar products, services and resources, some of which may be franchise systems. You will also compete with educational enterprises and institutions, peer-to-peer organizations, trade associations and similar organizations in the industries and geographic location where your clients operate that may not offer directly competitive products, services or resources, but provide guidance and peer-to-peer networking services and cater to our clientele. In our experience, there is potential seasonality as we find more sessions occur between the months of November through February due to annual planning.

Industry Specific Laws and Regulations

Many of the laws, rules, and regulations that apply to businesses generally, such as the Americans with Disabilities Act, Wage and Hour Laws, Privacy Laws, and the Occupational Safety and Health Act, also apply to coaching businesses like ours. There may also be industry specific laws and regulations that would affect the operation of your Franchised Business. These may include state or local licensing or regulatory requirements currently in effect or which may be adopted in the future relating to the operation of your Franchised Business in the state in which you operate, including, without limitation, any special licensing requirements. There may also be local, state, federal, or international tax and contracting laws that may apply to operating the Franchised Business. If you collect any payments from Clients via credit or debit card, you must comply with the Payment Card Industry Data Security Standard (“PCI DSS”) established by major credit card brands to ensure that merchants like your Franchised Business securely store, process, and transmit customer credit information. Certain states or governmental authorities may have restrictions on the use of offering warranties or guarantees or requirements regarding oral or written contracts with Clients.

You should investigate the laws or regulations applicable to the operation of your Franchised Business. The nature and extent of regulation relating to this business could change rapidly and without prior notice. You should consult counsel or contact your state and local agencies for detailed information about applicable laws and regulations.

No litigation information is required to be disclosed in this Item.

ITEM 4 **BANKRUPTCY**

No bankruptcy information is required to be disclosed by this Item.

ITEM 5 **INITIAL FEES**

Initial Franchise Fee

You must pay us an initial franchise fee of \$5,000 (the "Initial Franchise Fee") to obtain a franchise.

You will pay the Initial Franchise Fee in full at the time you sign your Franchise Agreement. The Initial Franchise Fee is deemed fully earned upon payment and, is paid in consideration of administrative

and other expenses we incur in granting this franchise and therefore is nonrefundable under our Franchise Agreement.

We have discounted the Initial Franchise Fee to \$2,500 for certain former Implementers who have left and then rejoined the EOS Implementer Community within five years of leaving. Also, beginning in August 2023, new franchisees that join our Australian community or our United Kingdom and Netherlands communities now pay an Initial Franchise Fee in local currency: \$5,000 AUD for Australia and £5,000 for the United Kingdom and the Netherlands.

Boot Camp Fee

Our franchise initial training we call our “Boot Camp” is \$45,000 (“Boot Camp Fee”) for new franchisees based in the United States. The Boot Camp Fee must be paid in full along with the Initial Franchise Fee at the time you sign the Franchise Agreement.

Boot Camps are offered quarterly. Details about our Boot Camp are provided under “The Training Program” in Item 11 below. You may not begin offering sessions to Clients until you have successfully completed Boot Camp. You must complete Boot Camp within six (6) months of signing the Franchise Agreement.

The Boot Camp Fee is in consideration of administrative and other expenses we incur in providing Boot Camp training programs to our franchisees.

We may waive or discount the Boot Camp Fee and/or waive the requirement to successfully complete Boot Camp training for former Implementers who have left and then rejoined the community and therefore who have already completed proper Boot Camp training. The range for any such remedial training will generally range from \$995 to \$10,000, depending upon the length of the required remedial training, training experience, materials used in conducting the training and other factors we deem appropriate.

Also, beginning in August 2023, we discounted our Boot Camp Fee for new franchisees that join our Australian community or our United Kingdom and Netherlands communities as these regions are less developed and advanced as the United States and Canada. New franchisees in these regions also now pay the Boot Camp Fee in local currency: currently AUD \$23,000 for Australia and GBP £11,000 for the United Kingdom and the Netherlands. These international rates increase 1,000 in local currency each quarter as the markets continue to develop.

The Boot Camp Fee is not refundable under our Franchise Agreement.

Start-Up Inventory

You must purchase from us or EOS OpCo, a start-up package of certain training binders and materials to use with your Client sessions and when providing the Services (including manuals and educational materials). The cost of this start-up inventory typically ranges from \$1,500 to \$3,200 depending upon anticipated Client demand and is not refundable under any circumstances.

Monthly Membership Fee

You will receive access to certain online materials when you sign the Franchise Agreement, but you will not begin paying a monthly membership fee (the “Monthly Membership Fee”) until the first day of the month that you are scheduled to attend Boot Camp. We do not prorate the Monthly Membership Fee

for any reason. Monthly Membership Fees are fixed monthly payments paid in lieu of a typical royalty and currently range from \$1,395 to \$1,695 based on your designated tier as described in Item 6 and Item 12 below. Implementers who are new to EOS will initially be designated as Professional EOS Implementers which requires a Monthly Membership Fee of \$1,395. Boot Camps are offered quarterly; as part of your initial onboarding once you sign your Franchise Agreement, you will sign-up for an upcoming available Boot Camp. If for any reason you fail to sign up for a Boot Camp scheduled to occur within the initial 6-month period from signing your Franchise Agreement and your franchise is not terminated (See “Time to Commence Operations” under Item 11), your Monthly Membership Fee will begin on the first day of the month following that 6-month period.

Because you do not start paying your Monthly Membership Fee until the month you are scheduled to attend Boot Camp, the total amount you will pay us towards your Monthly Membership Fee prior to “commencing” operations can be as low as one month’s fee or \$1,395, and should not exceed \$5,580, which equals four months of fees. Most new franchisees attend Boot Camp within a 3-6 month period after execution of their Franchise Agreement and commence operations immediately thereafter; if you are able to attend Boot Camp sooner, you may commence operations and begin to offer Implementer Services once you have attended and satisfactorily completed Boot Camp and have completed all your other onboarding obligations by that time (see Section 10.6 of the Franchise Agreement). Once you complete Boot Camp, you will be deemed to have commenced operations assuming you have completed all your other onboarding obligations by that time.

The Monthly Membership Fee is not refundable under any circumstances. If you sign up for a Boot Camp and then fail to attend for any reason, the Monthly Membership Fee will begin on the first (1st) day of the month of that scheduled Boot Camp notwithstanding any failed attendance or ultimate attendance and completion of a subsequent Boot Camp. We may waive or discount Monthly Membership Fees from time to time based on circumstances we feel are warranted, including for those franchisees that may be materially impacted by circumstances beyond their reasonable control (e.g., Acts of God that may limit ability to operate in a region). Otherwise, Monthly Membership Fees will be uniform for all franchisees based on their tier.

Uniformity; Additional Incentives

Except as we described above, our Initial Fees are uniformly imposed for all new franchisees. However, we may in the future waive or reduce Franchise Fees, Boot Camp Fees, and/or other Initial Fees, or offer other special incentives to one or more franchisees on a case-by-case basis and from time to time under certain circumstances in our reasonable discretion. These circumstances may include providing economic incentives to expedite growth, develop untapped markets, address current economic conditions regionally, or for other business reasons that we believe in good faith is best for the System or our EOS Implementer Community.

Notes:

1. **Non-Refundable.** The Item 6 table describes other recurring or isolated fees or payments that you must pay to us or our affiliates, or which we or our affiliates may impose or collect on behalf of a third party, in whole or in part. Except as otherwise stated above or below in this Item 6, all of the fees listed in the table above are uniformly imposed by, payable to, and collected by us or our affiliates, and are non-refundable. We may however offer special incentive, amnesty, and other programs from time to time, which may decrease, waive, or provide for deferral of, any of the fees listed in this Item 6. Programs may only be available for specific eligible franchisees or for specified markets that we determine in our sole discretion. We may alter or discontinue these programs at any time in our sole discretion.

2. **Monthly Membership Fee.** You must pay us a fixed Monthly Membership Fee based upon your tier designation in lieu of a traditional royalty. The Monthly Membership Fee can, and will likely, increase over the duration of your franchise. The Monthly Membership Fee commences the first (1st) day of the month of your scheduled Boot Camp; however, if for any reason you do not timely attend and complete Boot Camp during the six-month period from signing and (and if your Franchise Agreement is not terminated due to such failure), your Monthly Membership Fee will commence the first (1st) day of the month immediately following the expiration of that six-month period. If however, you sign up for a Boot Camp and fail to attend for any reason, the Monthly Membership Fee will begin on the first day of the month of that scheduled Boot Camp notwithstanding any failed attendance or ultimate attendance or completion of a subsequent Boot Camp.

We have established certain criteria for each of our tiers. Our criteria and the rights associated with each tier is described in Item 12 below and outlined in detail in our Operations Manual and may change from time to time at our discretion. If you meet the criteria outlined in the Operations Manual and elect to upgrade your tier, then you will pay the Membership Fee for that tier commencing the month your tier changes. Upgrading your tier is optional. If you fail to meet the criteria outlined in the Operations Manual resulting in us downgrading your tier, then you will pay the Monthly Membership Fee for that tier commencing the month you are downgraded. Implementers may also submit requests to downgrade their tier. We must approve any requests to downgrade your tier. After you upgrade your tier, we may place continuing on-going qualifications, requirements or other necessary credentials you must satisfy to preserve your upgraded tier status.

We may transition to a standard payment date for all franchisees (e.g., 1st of the month), if we do so, we will provide you with at least thirty (30) days' notice.

3. **Brand Development Fund.** We may establish a Brand Development Fund. If we do, then you will begin paying the Brand Development Fund fee ("Brand Development Fund Fee") under the Franchise

Agreement. We will provide you at least sixty (60) days' notice before implementing a Brand Development Fund Fee. See Item 11 for more information on the Brand Development Fund.

4. **Local or Regional Advertising Cooperative and Special Marketing Programs.** We may also establish or otherwise participate in cooperative or special marketing programs. Cooperative advertising or other special marketing programs may include select paid media or other advertising as a flat fee or minimum percentage of revenue. These cooperative or special marketing programs may vary in duration, apply on a local, regional, national, or international basis, or involve clusters or groups of franchisees utilizing services on a shared basis. Examples include sales and marketing programs and customer satisfaction programs. Programs may be optional for franchisees or we may require participation. While franchisees may not have rights to vote on these matters, if we do decide to implement any of these programs, our standard practice is to consult with our Implementer Development Team and other experienced and trusted EOS Implementers, and we may even form an advisory council to support us in doing so (See Item 11 below). At this time, there are no documents governing these types of advertising programs, if and when established, we will make such governing documents available for review upon written request. Some local regions engage in informal and optional cooperative and advertising programs on their own.

5. **Warm Leads Fee.** We have a Warm Leads Referral Program ("Warm Leads Program") where we may refer potential or prospective Clients (referred to above as "Warm Leads") to franchisees. Participation in the Warm Leads Program is currently optional. Participation in the Warm Leads Program does not guarantee that you will receive any minimum number of Warm Leads or any Warm Leads at all. We may modify, change, eliminate or amend the Warm Leads Program at any time. If any Warm Lead results in a paid session or otherwise generates any session revenue for your Franchised Business, then you must pay us fifty percent (50%) of the gross revenue generated from that initial (or one-time) session provided to or on behalf of the Warm Lead, with a minimum of \$1,500 ("Warm Leads Fee").

6. **Speaking Referral Fee.** We may also refer to you certain requests for speaking engagements, workshops and other opportunities. If you accept any referrals for a speaking, workshop or other similar engagement, then you must pay us twenty-five percent (25%) of the gross revenue generated from this referral. We may waive this fee from time to time in connection with certain partnerships or other opportunities that may generate these opportunities.

7. **Technology Fee.** If established, the Technology Fee would likely cover the cost of website development and maintenance, support of our e-mail system and other technology developments, support or services. We may offer additional, optional technology services for an additional fee in our sole discretion.

8. **Quarterly Collaborative Exchanges Fee.** We currently hold numerous QCEs per year. Your Monthly Membership Fee includes your registration for one QCE per quarter. We typically only host one QCE during the first quarter of each calendar year, but we typically hold multiple QCEs each other quarter throughout the remainder of the year. If you request to attend more than one QCE in a quarter, you will be required to pay the then-current registration fee, currently \$1,000. If you register for a QCE less than two weeks before the QCE, we may charge a late fee, which is currently set at \$250. If you register for a QCE and cancel, we may charge you a cancellation fee based on when you cancel to offset our costs and other losses as a result of your cancellation. You understand that our costs will likely increase if there is a delay in notifying us of any cancellation and therefore we expect you to notify us as soon as possible of any decision to cancel. These fees are not a penalty but rather are amounts to help offset our additional costs as a result of your change of plans. QCEs may be held in person or virtually; however, we may require that you attend any of the QCEs in person. We currently require Implementers to attend a minimum number of QCEs to maintain their tier designation. You are responsible for your own airfare, lodging, and other costs

incurred in attending.

9. **Annual EOS Conference Fee.** We hold an annual EOS Conference designed for companies operating on EOS. These companies include Clients, businesses that self-implement EOS and their teams. Implementers are permitted, but not required, to attend the EOS Conference only if three or more Clients of yours attend. The registration fee for each Implementer varies and is determined based on the number of your Clients registered for the EOS Conference. If three to five of your Clients attend, you may attend the EOS Conference and will be required to pay the full registration fee. If six to nine of your Clients attend, you may attend the EOS Conference and will be required to pay half of the registration fee. If ten or more of your Clients attend the EOS Conference, you may attend the EOS Conference and will not be charged a registration fee. When determining the number of Clients attending, we look at the number of individual registrations, therefore, for example, if two individuals from the same organization/Client attend, then they will count as two Clients for purposes of determining your qualification and registration fee. We reserve the right to revise the Client attendance thresholds. If you qualify to attend the EOS Conference, you will be responsible for your own airfare, lodging, and other costs incurred in attending. We reserve the right to hold the EOS Conference virtually.

10. **Transfer Fee.** We may waive a portion of the Transfer Fee upon a transfer resulting from your death or disability or for transfers to your spouse, child, parent or sibling. We will also not charge a Transfer Fee for transfers of any existing equity of your Operating Entity to other existing current owners as long as there is no change to the Implementer as a result of such transfer, and the Implementer continues to qualify with each of the conditions set forth in the Franchise Agreement. Waiving any portion of the Transfer Fee does not limit our rights to approve your transfer. Transferees cannot provide Implementer Services until they are approved by us, sign our then-current Franchise Agreement and complete Boot Camp and pay the then-current Boot Camp Fee. The Transfer Fee is intended to cover legal and other administrative expenses to be incurred by us in connection with these transfers.

11. **Management Fee.** We also have the right to step in and operate your Franchised Business in certain circumstances, including your death, disability or prolonged absence to prevent harmful interruption of your Franchised Business. The reimbursable expenses include our and our representatives' wages, travel, lodging and meals. During any management period, you will still be required to pay to us all recurring fees.

12. **Insurance Reimbursement.** If you fail to comply with our minimum insurance requirements, we have the right to obtain and maintain the requisite insurance coverage on your behalf and at your sole expense. You must pay us the premium cost of any insurance we obtain on your behalf plus an administrative fee of up to twenty percent (20%) of the premium cost for obtaining insurance on your behalf. We have the right to increase, or otherwise modify the minimum insurance requirements upon thirty (30) days' prior written notice to you and you must comply with any modification within the time specified in the notice.

13. **ACH/Credit Card Administration Fees.** If a card payment is declined for any reason or if there are not sufficient funds in your account to permit us to debit the account for the payments you owe us, we may charge a fee per incident. Recurring late or non-payments may also be grounds for termination. A change fee may be required with submission of new ACH or card submission form. The up to 4% convenience fee is intended to help cover our expenses incurred in allowing you to pay fees by card.

14. **Practice Management.** EOS Implementers currently receive access to Practice Management to help build their business, report sessions, and collaborate more effectively with us. Features include (or will soon include): (i) contact management; (ii) standardized business development and session e-mail templates; (iii) session reporting; (iv) performance dashboard and reporting and (v) additional related features. Practice Management+ solution includes (or will soon include) CRM features plus customizable

options and additional session management tools. Practice Management is currently included in the Monthly Membership Fee and Practice Management+ is an upgraded subscription available for an additional monthly fee. The fee for Practice Management+ may increase over time.

Notes:

1. **Type of Expenditure.** Unless otherwise indicated, none of the expenses listed in the above chart are refundable. You must check with suppliers as to the ability to obtain a refund of any amounts you pay. We may waive or reduce Franchise Fees, Boot Camp Fees, and/or other Initial Fees (See Item 5), or offer other special incentives to one or more franchisees on a case-by-case basis and from time to time under certain circumstances in our reasonable discretion. These circumstances may include providing economic incentives to expedite growth, develop untapped markets, address current economic conditions regionally, or for other business reasons that we believe in good faith is best for the System or our EOS Community.
2. **Initial Franchise Fee.** The Initial Franchise Fee for all new franchisees to EOS is currently \$5,000. We may reduce the Initial Franchise Fee for those who have left and then rejoined the community. See Item 5. You will pay the Initial Franchise Fee in one lump sum at signing of the Franchise Agreement.
3. **Required Training.** This includes the fee to attend our Boot Camp training. See Item 5. You will pay the Boot Camp fee in one lump sum upon execution of your Franchise Agreement. We reserve the right, in our sole discretion, to waive or reduce training and training fees for those who may have previously attended and completed a Boot Camp.
4. **Additional Costs for you to attend Boot Camp and QCEs.** This includes an estimate for travel, lodging, meals not provided to attendees, and other costs for you to attend Boot Camp and up to four QCEs in the first year. These costs will depend on the distance you must travel to attend these events and your travel vendors and accommodations. We may also make available additional optional training opportunities for new franchisees, including workshops. We or the party providing these additional training opportunities may charge a fee, and you may incur travel and related costs when attending these additional trainings. The costs associated with these optional training programs are not included in this Item 7.
5. **Opening/Start-Up Inventory.** This includes the cost of the training binders and materials, including one (1) Leadership Team Manual, fifteen (15) copies of the Proven Process, fifteen (15) V/TOs, fifteen (15) Focus Days, one (1) copy of each of the following articles from the Harvard Business Program Collection –*Building Your Company’s Vision* and *Make Your Values Mean Something*, and five (5) We Run On EOS™ badges.
6. **Computer Technology and Hardware.** This includes the cost to acquire a device (desktop, laptop or tablet) capable of accessing the Internet with a current version of Google Chrome, Microsoft Edge, Apple Safari or Firefox Internet browser to view training, report sessions and attend virtual meetings. Our computer system estimate includes the cost of purchasing a new computer and licensing required software. If you already own a device less than three years old which meets our specifications, your cost may be less.

Additional information about the required computer system is included in Item 11.

7. **Initial Marketing.** This range includes the cost to purchase up to 200 *Traction* books at a current price of \$16.00 per book, plus estimated shipping. We recommend, but do not require, that you conduct initial local marketing of your Franchised Business using these books.

8. **Insurance.** You must purchase general commercial liability insurance, errors and omission liability insurance and other insurance we specify in the Operations Manual or required by applicable law (e.g., workers compensation insurance) or your lease agreement, should you rent space. See Item 8 for more details. Our estimates assume the annual premium for your insurance policies will be paid in full upon the purchase of these insurance policies.

9. **Miscellaneous First Year Expenses.** This includes business cards, client meals, and estimated conference room rental fees for holding sessions or meetings with clients for the first year of operations. As part of our review process for new franchisees, we may start implementing a background check requirement which may require that you pay a processing fee to our background check provider, currently estimated at between \$150-\$250 depending on where you are located.

10. **Accounting and Professional Fees.** We strongly advise you to consult with your own financial and legal advisors, and we anticipate that you will incur professional fees related to your evaluation of this Disclosure Document, including the Franchise Agreement and evaluating compliance obligations with any applicable laws or regulations as described in Item 1. In addition, you may form an entity for your Franchised Business, which will incur legal and administrative fees and expenses.

11. **Monthly Membership Fees.** The low range amount includes one month of Monthly Membership Fees at a Professional Tier of \$1,395 per month, assuming that you attend Boot Camp approximately six months after you sign your Franchise Agreement. The high range amount includes four months of Monthly Membership Fees at a Professional Tier of \$1,395 per month, assuming that you attend Boot Camp approximately three months after you sign your Franchise Agreement. Most franchisees attend Boot Camp within this 3-6 month range, if you are able to attend Boot Camp sooner, your initial investment may be higher, however, you may begin to offer Implementer Services once you have attended and satisfactorily completed Boot Camp. All new franchisees will be designated at the Professional Tier when they commence operations. Franchisees that are designated at the Certified or Expert Tier pay higher Monthly Membership Fees. Franchisees designated as Legacy and Emeritus currently pay the same Monthly Membership Fee as Professional Tier members. However, because of the criteria for those tiers, new franchisees will not qualify for any of these tiers prior to commencing operations as a franchisee. See Item 6 for more information about the Monthly Membership Fees.

12. **Additional Funds for First 6 Months of Operation.** This item estimates your initial startup expenses (other than the items identified separately in the table) for the initial period of operation of your Franchised Business, which we anticipate will be three to six months. You will need additional capital to support ongoing expenses and possibly your cost of living to the extent these costs are not covered by sales revenue. Operating expenses might include payroll costs if your start up plan includes hiring support staff and/or paying yourself a salary. These estimates assume you will not rent or purchase space to operate your Franchised Business.

13. **Total.** We relied on our affiliates', employees', and principals' experience in developing, operating and supporting an EOS Worldwide business similar to the one offered under this Disclosure Document to compile these estimates. These estimates are also based on our general business experience and knowledge of the industry. You should review these figures carefully with a business advisor before deciding to purchase the Franchised Business. We do not offer financing directly or indirectly for any part of the initial

investment. Your ability to obtain third-party financing or the franchise purchase and business start-up depend on many factors, including the availability of financing generally, your creditworthiness and collateral and lending policies of financial institutions from which you request a loan.

ITEM 8 **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

To help ensure that we maintain a consistent brand image and uniform and consistent quality and service within the EOS Franchise System, you must operate and develop your Franchised Business in strict conformance with our methods, standards and specifications and obtain certain supplies, inventory, and advertising materials in strict compliance with our specifications and only from us, our affiliates or the authorized manufacturers, distributors, suppliers, vendors, merchants or providers designated or approved by us. Our methods, standards and specifications (our “Franchise System Standards”) are prescribed in the Franchise Agreement and our confidential operations manual, which we provide to you in the form of one or more manuals, Internet catalogues, technical bulletins or other written materials in hard copy, electronic or otherwise, and which we update from time to time (“Operations Manual”). See Item 11 for more information about our Operations Manual. All Services, inventory, supplies, computer software and hardware, insurance, marketing components and techniques, customer service standards, and other supplies used in your Franchised Business must comply with our Franchise System Standards.

We formulate and modify our Franchise System Standards based upon the collective experience of our franchisees, affiliates, employees, and principals. We will disclose to you, in the Operations Manual or otherwise in writing, any specifications for the Services and the Products by designating approved brands, types, compositions, performance standards, qualities or suppliers. You must sell and offer for sale all Services required by us in the manner and method we require. You must not deviate from our Franchise System Standards without obtaining our prior written consent, and must discontinue selling and offering for sale any items and Services that we may disapprove in writing at any time. This creates a pure, consistent experience for all EOS Clients. We may periodically change our Franchise System Standards at our sole discretion and we reserve the unlimited right to formulate, modify and supplement our Franchise System Standards for operating the Franchised Business. We will try to provide you with as much written notice as possible of any changes as they occur, which may include through mail, e-mail, newsletters, posting on our Website, updates to the Operations Manual or by other means. You must implement all changes as soon as practical at your sole expense. You may incur increased costs to comply with our changes. We may also require you to occasionally participate in the test marketing of potential products and services.

Approved Products, Services, and Suppliers

With our turnkey type model, currently, you must only purchase Leadership Team Manuals, certain designated EOS branded session materials and supplies, business cards, as well as other written and bound materials used with Clients and prospects during your Client sessions, from or through us. Each of these materials and supplies are sold through the EOS Online Store. You are prohibited from reproducing, copying, replicating or translating any Leadership Team Manuals, videos, books, documents, or other copyrighted materials used in your Client sessions or otherwise in any way related to the EOS Franchise System or the Marks (see Item 13 below), unless you receive expressed prior written permission from us.

Other than the items described above, you may purchase all other products, services, signs, supplies, fixtures, inventory, tools, books (including *Traction* books sold in our EOS Online Store) and other items used in the operation of your Franchised Business from vendors or suppliers of your choice as long as the items meet or exceed our Franchise System Standards.

We reserve the right, in the future and at any time, to require you to purchase certain additional items exclusively from us, our affiliates or unaffiliated vendors, merchants, or suppliers who sell and provide quality and reliable products and services and who we identify in the Operations Manual or otherwise in writing (“Approved Suppliers”). We currently as of the date of this Disclosure Document, along with BenBella Books, Inc. supply books through our EOS Online Store, and The KalBlue Group and Commercial Graphics are currently our exclusive Approved Suppliers for business cards and other marketing materials in the United States through our EOS Online Store. Print Three, Breathe Print and Kwik Kopy are our Approved Suppliers for business cards and other marketing materials in Canada, Europe, and Australia/Pacific, respectively. We also currently provide a proprietary software resource called EOS One, which includes Practice Management and Practice Management+, through our affiliate, EOS OpCo (i.e., EOS Worldwide, LLC). Other than as described above, neither we nor our affiliates are an Approved Supplier for any other items.

Purchase According to Our Specifications

The following are our current specific obligations for franchisees:

Advertising: All advertising, marketing and other promotional materials, business cards, signs, stationery and other marketing or promotional items we designate must bear the Marks in the form, color, location and manner we prescribe. In addition, all your advertising, marketing, and other promotional efforts that are in any way related to the Franchised Business or that include or otherwise identify any of the Marks, in any form or medium, must be conducted in a dignified manner and must conform to our Franchise System Standards, the requirements listed in the Operations Manual or otherwise communicated by us, and any other branding guidelines and policies we prescribe from time to time. We require that all advertising and marketing materials contain our website address and that you prominently identify that the business is an independently owned and operated franchise. We and our affiliates reserve the right to be the exclusive suppliers for, and to pre-approve any, advertising materials used in the EOS Franchise System. There are currently no advertising funds or formal cooperatives in our System. We reserve the right to create the Brand Development Fund and require you to contribute to the Brand Development Fund in our sole discretion. See Item 11 for more information about advertising.

Insurance Coverage: You also must obtain, before beginning any operations under the Franchise Agreement, and maintain in full force and effect at all times during the term of the Franchise Agreement, at your own expense, the insurance described in the Franchise Agreement and in our Operations Manual. Our current minimum insurance requirements for the United States as of the Issuance Date are: Commercial General Liability insurance and Professional (Errors & Omissions) Liability insurance with no limits no less than \$1,000,000 for each occurrence and in the aggregate. Exhibit I to this Disclosure Document provides additional details about our required minimum levels of insurance. Under our Franchise Agreement, we may change these insurance requirements, upon reasonable notice to you, to conform to reasonable local business practices or for other relevant changes in circumstances or for other commercial reasonable business reasons we deem appropriate. Our insurance coverage requirements are only minimum requirements; franchisees should consult with their insurance agents, brokers, legal counsel and/or other insurance advisors to discuss insurance needs on an ongoing basis.

Client Satisfaction and Other Programs: Subject to compliance with applicable law, you must institute and honor all EOS network satisfaction, loyalty and promotional programs that we require on the terms associated with such network programs, as specified in the Operations Manual, and verify your compliance with all such programs in writing at our request. It is especially critical for the goodwill and reputation of EOS that all Clients agree the Services received provide value to their businesses. Therefore, we require all of our franchisees adhere to our Client satisfaction program (“Client Satisfaction Program”). The Client Satisfaction Program requires that franchisees not charge any fee for any session if the Client

concludes the session did not provide sufficient business value and sets additional parameters for providing the Services to Clients. The Client Satisfaction Program (including the additional components and terms) is more fully described in the Operations Manual. We further require that you send an annual survey to your Clients to evaluate your performance. We may modify, change, eliminate or amend the terms of the Client Satisfaction Program or such other network programs on thirty (30) days' notice to you. We also reserve the right to contact all Clients directly for the purposes of determining their satisfaction with EOS.

Change of Suppliers, Products or Services

We may require that you obtain our prior written approval if you wish to purchase any items we have not previously approved, or you wish to purchase from a supplier that we have not previously approved. We may require that certain items be sourced exclusively from us, our affiliates, or our Approved Suppliers or other designated sources, including a single supplier or a limited number of suppliers for certain products, to achieve uniformity or better pricing, simplify inventory and purchasing, or for other legitimate business reasons. We do not promise to evaluate or approve alternate products or suppliers on your request and we may decline to do so.

If we elect to evaluate a product or supplier at your request, you must provide us with adequate information and samples to evaluate the proposed product or supplier. We currently do not charge an evaluation or testing fee. If we agree to evaluate a proposed product or supplier, we will provide you with written notification of the approval or disapproval of the product or supplier within sixty (60) days from the date we receive notice and all information and samples necessary to process your request. We may revoke approval of any supplier upon written notice to you for any reason in our sole discretion. We are not required to provide to you or any supplier the evaluation criteria we use.

Rebates, Material Benefits, Cooperatives, Revenues from Restricted Purchases

We may periodically negotiate purchase arrangements with suppliers for the benefit of franchisees, but we do not do so at this time. Other than as we expressly authorize, you may not in any manner reship, transship, or re-distribute any of the EOS Worldwide Services or Products or other items purchased from us or any Approved Supplier to any third party, including but not limited to other current or former EOS Worldwide franchisees with or without mark-up, without our prior written consent.

We do not provide you with any other material benefits based on your use of Approved Suppliers or other designated or approved sources, such as the grant of a renewal or an additional franchise, but you must purchase those goods and services we require from Approved Suppliers or other designated sources to be in compliance with your Franchise Agreement, which may be us or our affiliates. Active EOS Implementers may however refer their Clients and other third-parties to our EOS One proprietary platform and receive fees based on their tier designation levels. We reserve the right to discontinue, terminate, modify, or amend the referral program at any time with notice to our franchisees.

There are currently no purchasing or distribution cooperatives in which you must participate, though we reserve the right to require that in the future.

We reserve the right, as permitted by applicable law, under the Franchise Agreement to receive incentives, volume rebates, allowances, consideration, and other benefits from suppliers and manufacturers, including Approved Suppliers, directly or indirectly, as a result of sales of supplies, products or services to you by reason of such supplier, provider or manufacturer furnishing supplies, products or services to you and whether or not such supplies, products or services are required to be purchased in connection with the operation of the Franchised Business. There are currently no such arrangements in place.

We do derive revenue from your required purchases. In 2024, EOS Worldwide, as the franchisor,

derived revenues from sales of required purchases by franchisees of \$3,309,031, which accounted for approximately 13.90% franchisors total revenues of \$23,813,492. This amount does not include revenue from providing required training for new franchisees. While neither we nor our affiliates currently derive any revenues from purchases or leases we require; we and our affiliates sell certain other supplies, products and services to franchisees from time to time that are not required, and therefore derive revenue from those sales. In the future, we and our affiliates may receive other types of revenues, material benefits, and other consideration as described above from your purchase of supplies, products and services we require to operate your Franchised Business, including, through books that we may author.

We continue to update our Franchise System Standards for establishing and operating an EOS Franchised Business and with advertising and other costs that must align with our Franchise System Standards. We estimate that the costs of your purchases from Approved Suppliers, or according to our Franchise System Standards, may range from 3% to 10% of the total cost of establishing your Franchised Business and approximately 3% to 15% of the total cost of operating your Franchised Business after that time.

Other than ownership interests in EOS Holdco, neither we, nor our affiliates, officers, managers or our ownership groups own any other interest in any other supplier from whom we require you to purchase goods or services. In the future, we or our officers may acquire or receive an ownership interest in other suppliers we designate to supply your franchise.

Time to Commence Operations

You must attend, and complete to our satisfaction, Boot Camp within six (6) months of signing the Franchise Agreement. (Sections 5.1 and 10.6 Franchise Agreement). We estimate that the time from the signing of the Franchise Agreement to commencing operations of the Franchised Business will be approximately 30 to 180 days. This time may be shorter or longer due to (1) availability of Boot Camp after you sign the Franchise Agreement (Boot Camps are offered quarterly), (2) availability and delivery of initial inventory and marketing materials, (3) your ability to complete your official online profile and provide required website content, including professional, high quality headshot(s), lifestyle photo(s) and video(s), and updating of social media accounts per EOS brand guidelines, and (4) the time needed to obtain permits,

We will provide you access to our EOS One Referral program. We reserve the right to discontinue, terminate, modify, or amend the referral program at any time with notice to our franchisees.

Marketing Approval Process

All your advertising, marketing and other promotional efforts that are in any way related to the Franchised Business and that include or otherwise identify any of the Marks, must conform to all provisions of the Franchise Agreement, our Franchise System Standards that we state in the Operations Manual or otherwise, and any other EOS branding guidelines and policies we prescribe from time to time. You must participate in all required marketing and sales promotion programs that we may authorize or develop for Franchised Businesses. All advertising, marketing and promotional efforts and/or materials, including any advertising and/or marketing plan or material used for advertising and marketing on the Internet and/or a worldwide web page, must be completely clear and factual and not misleading and conform to the highest standards of ethical advertising, and must be conducted in a dignified manner. You must promptly discontinue use of any advertising, marketing or promotional plans or materials on notice from us.

All use of any of the Marks must meet our Franchise System Standards as defined in the Operations Manual. (Section 9.1 of the Franchise Agreement.) We have the right to require you to obtain pre-approval of your local advertising marketing and to include certain language in your local advertising materials, such as “Interested in becoming a Professional EOS Implementer” and the address of our Website and phone number.

Grand Opening/Start-Up Promotion

There is currently no requirement that you engage in a specific grand opening or start-up promotion outside of regular marketing efforts, such as through social media, e-mail marketing, and local networking and business resources. You are not required to spend any amount on grand opening or start-up promotions, but we recommend you purchase *Traction* books (which are available for purchase at the EOS Online Store or from third parties) as described in Item 7 as these books should be used in your marketing and promotional efforts.

Local Marketing Requirement

There is currently no minimum requirement or spending for local marketing, however, you are permitted to conduct local marketing and advertising activities at your own cost and expense and create marketing co-ops with fellow franchisees, including sponsoring local peer groups. We may make certain marketing assets, including but not limited to customizable marketing collateral, available for utilization in these programs.

Advertising Cooperative/Special Marketing Programs

There are currently no advertising cooperatives for the Franchise System. You are not currently required to join or participate in any local or region advertising cooperative; however, we may require that you participate in cooperative advertising or other special marketing programs in the future. Cooperative advertising or other special marketing programs may include select paid media or other advertising as a flat fee or minimum percentage of revenue. These cooperative or special marketing programs may vary in duration, apply on a local, regional, national, or international basis, or involve clusters or groups of franchisees utilizing services on a shared basis. Examples include sales and marketing programs and customer satisfaction programs. Programs may be optional for franchisees or we may require participation. If we establish franchisor-owned businesses, then they will be required to contribute or participate on the same basis as the franchisees.

If we establish any cooperative advertising or other special marketing programs, your contribution along with those from other franchisees will be determined at that time based on factors we deem appropriate. To be consistent with market standards, we would look to limit total annual contributions to no more than 1% of average gross session revenues. While franchisees may not have rights to vote on these matters, if we do decide to implement any of these programs, our standard practice is to consult with our community leaders, coaches and Expert EOS Implementers, and we may even form an advisory council to support us in doing so. At this time, there are no documents governing these types of marketing programs, if and when established, we will make such governing documents available for review upon written request.

Social Media and Internet Advertising

You may wish to use Social Media Platforms (i.e., web-based platforms such as Facebook, X (formerly Twitter), LinkedIn or Instagram and other networking and sharing sites) or use Social Media Materials (i.e., any material on any Social Media Platform that makes use of our Intellectual Property, Marks, name, brand, products or your Franchised Business whether created by us, you or a third-party). You are required to comply with the restrictions and requirements described below in this Item 11 under “Websites” and any other Franchise System Standards described in the Franchise Agreement, the Operations Manual, or otherwise in writing. You must abide by all official EOS Worldwide brand guidelines and best practices, including the designation of your status as a franchisee. You must comply with the quality considerations and requirements for your official online profile as outlined in Section 8.2 of the Franchise Agreement.

Brand Development Fund

We currently do not have a Brand Development Fund (i.e., any national, regional, or international marketing fund) for the EOS Franchise System, but we may form a Brand Development Fund in the future to promote EOS, the EOS Franchise System and/or its Services and Products and reserve the right to do so in the Franchise Agreement. If we form a Brand Development Fund, we anticipate that the terms will be consistent with those for marketing funds in other franchise systems, such as:

- you will be required to contribute to it;
- if we establish franchisor-owned businesses, then they will be required to contribute to the Brand Development Fund on the same basis as the franchisees;
- our Brand Development Fund will be used for international, national and regional advertising, publicity and promotion relating to EOS and the EOS Franchise System;
- we will have the right to determine the manner in which the contributions to the Brand Development Fund are spent;
- we could use any form of media we determine is appropriate to conduct the advertising and may utilize an in-house advertising department or outside agencies;
- some portion of the Brand Development Fund may be used for creative concept production, website development, marketing surveys, test marketing and related purposes;
- we will have the right to direct all advertising activities with sole discretion over creative concepts, materials and media used, as well as their placement and allocation;
- we will also have the right to determine, in our sole discretion, the composition of all geographic and market areas for the implementation of these advertising and promotional activities’
- we will have the right to reimburse ourselves out of the Brand Development Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials and administering the Brand Development Fund (including without limitation, legal, auditing and accounting fees, salaries of in-house advertising personnel and outside advertising agencies and other expenses incurred in connection with collecting any Brand Development Fund Fees or other amounts);
- funds from the Brand Development Fund paid will be kept separate and distinct and will be accounted for separately from our other funds; these funds will not be used to defray any of our general operating expenses, except as described in the paragraph above;
- any sums paid to the Brand Development Fund that are not spent in the year they are collected will carry over to the following year;
- within one hundred twenty (120) days of the fiscal year-end, we will prepare, and furnish to you upon written request, an annual, unaudited statement of funds collected and costs incurred. (Section 11 Franchise Agreement).

We anticipate that any Brand Development Fund we create would strive to maximize general public recognition in all media of the Marks and patronage of EOS Worldwide businesses. There will however never be any obligation to ensure that expenditures of the Brand Development Fund in or affecting any geographic area are proportionate or equivalent to contributions into the Brand Development Fund by franchisees operating in that geographic area or that any franchisees will benefit directly or in proportion to the amounts paid for the development of advertising and marketing materials or the placement of advertising.

We will not require ourselves to spend any amount on advertising in any franchisee’s area or territory, and no amount of the Brand Development Fund will be spent for advertising that is principally a

solicitation for the sale of franchises, although we may retain the right to include “Franchises Available” or “Interested in becoming a Professional EOS Implementer” or similar language along with our contact information on all Brand Development Fund advertising. (Section 11.5 Franchise Agreement).

Although the Brand Development Fund would be created with the intention that it would be perpetual, we will reserve the right to terminate (and reinstate) the Brand Development Fund at any time; however, we would take steps to ensure that it would not be terminated until all monies in the Brand Development Fund were spent for advertising or promotional purposes or returned to contributors in accordance with the Franchise Agreement. (Section 4.3 Franchise Agreement).

Advisory Council

We reserve the right to form an advisory council to assist us with various components of our System, including Services offered by Franchised Businesses, marketing and promotion, training, and other aspects of the EOS Franchise System. If we create an advisory council, it will act in an advisory capacity only and will not have decision-making authority. We will have the right to form, change, merge and dissolve any advisory council at any time. (Section 11.5 Franchise Agreement).

While the membership of any advisory council will be determined in our sole discretion, members will likely include our representatives and franchisee representatives however no franchisee will have the right to sit on any advisory council. If you are chosen and agree to participate in an advisory council, you will pay all costs and expenses you incur related to your participation and attendance at council meetings, including travel, lodging and meals. (Section 11.5 Franchise Agreement).

Computer System

You must purchase or lease computer equipment, including hardware and software we specify, for your Franchised Business. We currently require you to have a computer (desktop or laptop) able to run the most current version of Google Chrome, Microsoft Edge, Apple Safari, or Firefox Internet browser (the “Computer System”) in order to view training, report sessions, facilitate virtual sessions as needed, and attend virtual meetings. Computers should be less than three years old and have the most current version of its operating system, such as MacOS (Sequoia) or Windows, and be up to date with all system and software patches. Although the necessary programs should function on Firefox, Safari, Google Chrome, and Microsoft Edge, we will only assist you in troubleshooting potential issues related to the software when operating on Google Chrome. Your Computer System must have the capacity to submit to us reports through our cloud-based software containing information about the number of sessions held by your Franchised Business, revenue generated, average ratings and other information we require, all in the form prescribed in the Operations Manual which we may change from time to time upon notice. You may purchase your Computer System from any supplier, unless we designate a specific Approved Supplier. You must also have access to high-speed Internet to access our online systems, and are responsible for all costs and expenses associated with your access, including connection charges. (Section 8.1 Franchise Agreement).

We also currently provide franchisees with access to customer relationship management software, Practice Management. Our Practice Management is cloud-based and is included in the Monthly Membership Fee. This tool is designed to help your business, report sessions, and collaborate more effectively. Features include (or will soon include): (i) contact management for your Clients and leads including contact information; (ii) standardized business development and session e-mail templates; (iii) session reporting; (iv) performance dashboard and reporting and (v) additional related features. Practice Management+ solution is an upgraded subscription available for an additional monthly fee. Practice Management+ includes (or will soon include) CRM features plus customizable options and additional

session management tools. Pricing is based on the number of active Clients you have and is currently between \$195 to \$495 per month.

We anticipate that the initial cost of your Computer System will be between \$2,000 and \$10,000. If you already own computer and communications equipment which meets our specifications, your cost may be less. We currently do not require you to have a maintenance contract for your computer system, but we strongly suggest that you do so. You will keep your Computer System in good maintenance and repair and, at your expense, promptly make any and all additions, changes, modifications, substitutions, and/or replacements to your Computer System as we direct. Whether or not you choose to have a maintenance contract for your Computer System, you must pay to us a Technology Fee, if and when we choose to implement one (see Item 6). We reserve the right to increase the Technology Fee as described in Item 6. (Section 4.4 Franchise Agreement). You will pay any and all, annual, monthly or otherwise, software fees, or other fees, as required by us or our Approved Suppliers in order to maintain your Computer System. You further acknowledge and agree that we reserve the right to change our Approved Suppliers, including any software suppliers, at any time and in our sole discretion.

If you are in default of any obligations under the Franchise Agreement, we may, in addition to any other remedy we may have under the Franchise Agreement, temporarily inhibit your access to all or part of the EOS related data contained within the Computer System, until you have cured such default completely. We will not have access to your hardware, but we will have independent access to certain software systems you are required to use, such as EOS One, Practice Management (our CRM) and e-mail system.

Computer networks and systems are vulnerable in varying degrees to computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, data related problems and attacks by hackers and other unauthorized intruders (“E-Problems”). We do not guarantee that information or communication systems we or others supply will not be vulnerable to E-Problems. It is your responsibility to protect yourself from E-Problems. You should also take reasonable steps to verify your suppliers, lenders, landlords, clients, and governmental agencies on which you rely, have reasonable protection from E-Problems. This may include trying to secure your Computer Systems (including firewalls, password protection, and anti-virus systems), and to provide backup systems.

You must upgrade the Computer System, and/or obtain service and support, as we require or as is necessary because of technological developments or events. There are no contractual limitations on the frequency and cost of your obligation to obtain maintenance, updates or upgrades. We have no obligation to reimburse you for any of these costs. Unless we otherwise agree in writing, neither we nor any of our affiliates will provide you with any maintenance repairs, updates or upgrades for your computer system. (Section 8.1 Franchise Agreement). We estimate that you will spend between \$0 and \$1,000 on an annual basis on the optional or required maintenance, support, upgrading and updating your computer system, excluding the payment of the Technology Fee.

Confidential Operations Manual

Attached to this Disclosure Document, as Exhibit E, is the Table of Contents for our current Operations Manual which is approximately 425 pages in length. We are in the process of updating our Operations Manual. The updated version of the Operations Manual will include links to other information including copies of our Implementer Guides, and we anticipate the updated version will be approximately the same length when including the information that we link to separately.

The Operations Manual is highly confidential, contains our trade secrets and you must use your best efforts to maintain its absolute confidentiality. The Operations Manual remains our property, and any hard copies must be maintained in a safe place and returned upon request. We reserve the right to revise or modify the Operations Manual to reflect new Franchise System Standards. You must accept and comply

with such revisions, modifications and additions, which we may communicate to you through written notification by mail, e-mail, posting on our Website or otherwise. You must maintain a current copy of the Operations Manual at all times. You are prohibited from copying or distributing the Operations Manual in any manner whatsoever. You must only use the information contained in the Operations Manual to manage your Franchised Business and may not use such information for any other purpose. (Section 7.1 Franchise Agreement).

Training Program

We will provide you with approximately three days of initial franchisee training in our methods and techniques called our Boot Camp. Prior to attending Boot Camp, we will provide you with access to our online training platform that provides access to tools, supplies, teaching materials, video guides, printable guidelines, and support needed to implement EOS and prepare you for our Boot Camp program. Once you are provided access, then you can utilize the materials and resources at your own pace. Currently, our online training platform provides franchisees with the following, which we may modify, update, amend or change at our discretion:

1. The EOS Toolbox containing downloadable EOS tools
2. Downloadable worksheets
3. Training videos and printable guides
4. Online training courses that must be completed before you attend Boot Camp
5. Option to purchase Leadership Team Manuals (LTMs) and other materials
6. Additional resources to assist you in learning and executing the EOS 4-2-1 Business Development system

Currently, our North America Boot Camps are held at locations in Detroit, Michigan and Denver, Colorado, however locations may be added or changed at our discretion. Additionally, at our discretion, we may make virtual training available to franchisees. Boot Camp is mandatory for you. We reserve the right to modify any aspect of our Boot Camp or other training to accommodate the needs or experience of any individual trainee. The cost of the Boot Camp for new franchisees in 2025 is \$45,000, and you are responsible for all costs and expenses associated with your attendance at Boot Camp, including the cost of travel, lodging, meals, wages, and connection charges. We reserve the right to waive attendance at Boot Camp or the fee in whole or in part for this training for Implementers who have previously completed our EOS Boot Camp to our satisfaction. See Item 5.

Only EOS Implementers attend Boot Camp, and Boot Camp must be completed within six months of signing the Franchise Agreement. Failure to complete Boot Camp to our satisfaction will give us the right to terminate your Franchise Agreement. (Sections 10.6 and 17.2(e) Franchise Agreement).

The materials we use at Boot Camp include the Boot Camp Training Manual, Operations Manual, other printed materials, and printed workbooks Boot Camp is intended to be interactive. The current topics of Boot Camp are as follows:

No refunds or adjustments to your Boot Camp Fee will be provided if you attend any such international Boot Camp even with our permission, even if the fees are different for any such international Boot Camp.

We reserve the right to amend, modify, supplement, vary and/or delete any portion of the contents of our training programs.

Currently, we schedule one Boot Camp session per location per calendar quarter. However, we may change this schedule based on demand. We reserve the right to hold our Boot Camp on an “as-needed” basis based on the number of new franchisees in the EOS Franchise System and the number of new Implementers attending, staffing and other factors. Training is currently conducted by the Implementer Development Team under the direction of Victoria Cabot, our Programming & Community Training Director. Victoria also is an EOS Implementer, like you. Please see Item 2 for additional information about Victoria’s background. We may engage other experienced EOS Implementers as instructors for our training programs.

On-Going Training Access

In addition to Boot Camp, we will provide you continuing access to our online training platform (currently called the Dojo). As this access is included as part of your Monthly Membership Fee, we do not charge an additional fee for this access; however, your access to our online training platform terminates on the termination or expiration of your Franchise Agreement. In addition, you must complete the online training courses from time to time.

Implementer Development

We may employ or engage others that may assist you with the ongoing operation of the Franchised Business as we deem appropriate and which may be other franchisees. As part of our Implementer Development Program, we will assign to you a 180 Day Sprint coach to act as your coach during your first one hundred eighty (180) days taking you through Boot Camp. After your first one hundred eighty (180) days, you will transition under the guidance of our Professional leader, an EOS Implementer that develops programs for our Professional EOS Implementer Community. As you progress through your EOS journey,

you will progress through our Implementer Development Program which currently includes separate programs for Certified EOS Implementers, Expert EOS Implementers and QCEs. You may too be able to serve as a contributor or coach in our Implementer Development Program. There is no additional cost to participate in our Implementer Development Program, however, certain workshops may carry an additional fee. See Item 6 for more information. While you will not have an assigned coach after your 180 Day sprint, you will have access to various experienced Implementers that will support you through your journey with EOS.

Additional Training

At your request, and subject to our availability, we may provide additional training for specific areas of interest such as: coaching, ongoing breakouts, and other support packages as we make available from time to time at our discretion (“Additional Training”). Current programs include, for Professional Implementers, our Mentality Workshop, Practicality Workshop, and other Professional workshops focused on learning and facilitating with our EOS tools; for Certified Implementers, our Certified Celebration Workshop, Certified Mastery Sessions, and 300 Mastery Sessions; and for Expert Implementers, the Expert Sanctuary, among others. We may charge you our then-current fee for any Additional Training. Our current fee ranges from \$995 to \$10,000, but we reserve the right to increase these fees. In addition to our training fees, you must reimburse us for any reasonable travel or related costs and expenses we incur in providing you with Additional Training. You are also responsible for your own costs and expenses incurred in attending Additional Training, including travel, lodging and miscellaneous costs, where applicable. Additional training or refresher courses are not required, except in the event of a renewal or transfer of the Franchised Business, and may change from time to time.

Remedial Training

If you are in default under the Franchise Agreement or if we determine in our sole discretion that you are in violation of Franchise System Standards (including any failure to meet the requirements to maintain your Professional Implementer status), or we feel training is otherwise necessary to protect the quality, reputation or integrity of the EOS Franchise System, Marks, or our Intellectual Property, then we may require you attend mandatory remedial training or assistance and you must pay our then-current fees and expenses of \$995-\$10,000, as further outlined in Item 6. (Section 5.2 Franchise Agreement). In addition to our training fees, you must reimburse us for any reasonable travel or related costs and expenses we incur in providing you with Remedial Training.

We may also require completion of Remedial Training (in lieu of Boot Camp) for former, non-active Implementers who sign a Franchise Agreement.

QCEs

Currently, we organize and offer numerous Quarterly Collaborative Exchanges (QCEs) annually. QCEs, our quarterly continuing education conferences for Implementers in our franchise system, are an opportunity to gain practical, useful insight for implementing EOS, operating your Franchised Business, working with entrepreneurial leadership teams, and managing and servicing your Clients. QCEs allow a comprehensive exchange of ideas, recommendations, suggestions, best practices, tips and advice based on the combined experiences of Implementers in the Franchise Model.

We currently hold numerous QCEs per year. Your Monthly Membership Fee includes your registration for one QCE per quarter. We typically only host one QCE during the first quarter of each calendar year, but we typically hold multiple QCEs each other quarter throughout the remainder of the year. If you request to attend more than one QCE in a quarter, you will be required to pay the then-current

registration fee, currently \$1,000. See Item 6 for additional information about our QCEs and associated fees. You must attend QCEs as part of your tier requirements (See Item 12 below). QCEs may be held in person or virtually; however, we may require that you attend any of the QCEs in person. You are responsible for your own airfare, lodging, meals not provided to attendees and other costs incurred in attending.

Additional Seminars, Meetings and Conferences

In addition to our QCEs we may also conduct other seminars or hold annual meetings or conferences from time-to-time for the benefit of all franchisees whose attendance may or may not be mandatory. We will charge our then-current registration fee, once established, and you must pay for the expense of salaries, travel, meals, lodging, and miscellaneous expenses of you attending such seminars, meetings or conferences.

We also currently hold an annual EOS Conference designed for companies operating on EOS. Implementers are permitted, but not required, to attend the EOS Conference only if three or more of your Clients attend. The registration fee for each Implementer varies and is determined based on the number of your Clients registered for the EOS Conference. If three to five of your Clients attend, you may attend the EOS Conference and will be required to pay the full registration fee. In 2025, the registration fee is \$2,500. If six to nine of your Clients attend, you may attend the EOS Conference and will be required to pay half of the registration fee. If ten or more of your Clients attend the EOS Conference, you may attend the EOS Conference and will not be charged a registration fee. We reserve the right to revise the Client attendance thresholds. When determining the number of Client attending, we look at the number of individual registrations, therefore, if two or more individuals from the same organization/Client attend, then they will count as two Clients for purposes of determining your qualification and registration fee. If you qualify to attend the EOS Conference and attend in person, you will be responsible for your own airfare, lodging, meals not provided to attendees, and other costs in attending. We reserve the right to hold the EOS Conference virtually, if we do, you will be responsible for charges you incur in attending virtually.

Websites

You will not have any right to update, upgrade, amend or host the Website. We may (but we are not required to) include at the Website interior pages (sometimes referred to as microsites) containing information about you and your Franchised Business and if we do, you may, however, revise certain designated sections on the microsite for you or your Franchised Business, but the framework will be set by us. You may suggest changes to the microsite with items of news and events and related content. The Website will contain information about the EOS Franchise System. The Website may also contain other information we deem appropriate and all changes, deletions and additions are at our sole discretion. We may restrict, limit, control or designate your use of websites, the Internet, intranets, worldwide web home pages or e-mail, and require you to participate in a centralized website. Neither you, nor any of your employees, are permitted to use an e-mail address that is not associated with our Website in connection with the operation of your Franchised Business. (Sections 7.2 and 8.2 Franchise Agreement). You may not establish any separate website, blog, other World Wide Web or Internet-based presence which uses or displays any of our Intellectual Property without our prior consent. (Section 8.2(a) Franchise Agreement). Any other blog, account on a Social Media Platform, e-mail distribution list, or other World Wide Web or Internet-based presence which uses or displays any of our Intellectual Property must be conducted in accordance with our Brand Guidelines and other Franchise System Standards. Except as we may authorize in writing in advance, you cannot: (i) link or frame our Website, (ii) conduct any business or offer to sell or advertise any Services on the worldwide web, or (iii) create or register any Internet domain name in connection with your Franchised Business.

ITEM 12 **TERRITORY**

You do not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You are permitted to offer and sell applicable Products and the Services anywhere in the world, subject to applicable law and our reservation of certain rights described below and in the Franchise Agreement. You may conduct sessions in-person or virtually, in each case in accordance with our Franchise System Standards. While you may provide Implementer Services applicable Products and the Services generally anywhere, you may not do so with or within any country that is the target of any laws administered by the Office of Foreign Assets Control, Department of the Treasury or any other governmental entity of any applicable jurisdiction imposing economic sanctions or trade embargoes against designated countries.

Because we do not grant franchises for specific locations or grant protected or exclusive territories, there are no provisions in the Franchise Agreement for modification of territorial rights, nor do we have any restrictions on the relocation of any leased or session space. However, as a United States based Franchised Business, you will be a member of our North American community and will therefore attend Boot Camp, QCEs and other training, meetings and events provided to or for the benefit of Franchised Businesses from time to time in the United States, and will be subject to the applicable Franchise System Standards for the United States. You may not change communities without our prior written consent. We will approve or disapprove a change request based on such factors as we deem appropriate (acting reasonably), including the basis for the change request. Also, our Website currently lists franchisees geographically, so if you do look to relocate, even within the United States, you should notify us so we can update this information accordingly. Franchisees may only designate locations where they actively operate their Franchised Business in accordance with our policies and procedures that are in effect from time to time, and can update their locations from time to time with our approval.

We retain the right in our sole discretion to offer products and services under the Marks in the same manner as offered by the EOS Worldwide franchises or in any other manner we determine in our sole discretion. Our rights also include the ability to sell the products and services through alternate channels of distribution such as our website and online stores, mobile application, e-commerce, retail or wholesale stores, catalog sales, telemarketing or other channels of distribution and retain all the profits from such activities. We also reserve the right to develop software or other similar programs or products; however, if we do, we may permit you to engage in revenue sharing for such products in which we share the revenue collected with you in a manner we determine. Unless we provide prior permission, you may not use alternative channels of distribution to make sales and you will not receive any compensation for our sales through alternative channels of distribution.

Unless specifically agreed with you in writing, our grant of the Franchised Business does not include any option or promise to allow you to purchase any additional franchises whether by option, right of first-refusal or similar right.

We currently categorize full-time operating franchisees in three different tiers, “Professional”, “Certified” or “Expert”. We also have created separate tiers, for EOS Implementers that are transitioning into retirement and would like to remain part of our EOS Implementer Community. Your franchise rights and your rights to qualify for and maintain your tier designation depend on your achieving certain productivity standards, as judged by the number of sessions conducted and your ratings for these sessions. Our evaluation criteria and productivity standards are outlined in our Operations Manual and summarized below, and may change from time to time at our discretion. If an Implementer meets the criteria and elects to upgrade its tier, then we may upgrade an Implementer’s tier on a going forward basis, subject to satisfying

the criteria for the upgraded tier. Upgrading a tier is optional. If an Implementer fails to meet the evaluation criteria and productivity standards outlined in the Operations Manual, we may downgrade that Implementer's tier. We also reserve the right to require Remedial Training. If you fail to meet the minimum ratings or minimum productivity standards for the Professional Tier (as defined below) following completion of Remedial Training, we reserve the right to terminate your Franchise Agreement. Implementers may also submit requests to downgrade their tier.

All new EOS Implementers are placed in the Professional Tier once they have completed Boot Camp. Franchisees may only offer and sell the Products and Services, and engage in the business activities, permitted for their tier, and may only market, advertise and promote themselves at their designated Tier.

We reserve the right to modify the ratings descriptions if we discontinue, amend or change our internal programs and systems for ratings so long as the ratings are not more materially burdensome than prior to the modification.

Below is a brief description of the differences in the benefits and requirements for each tier as of the Issuance Date of this Disclosure Document:

ITEM 13
TRADEMARKS

You receive the right to use the name “EOS®” which is the primary Mark used to identify our Franchise System. You may also use any other current or future Mark in connection with the operation of your Franchised Business that we designate in writing and in the manner we permit, including the logo on the front page of this Disclosure Document and the Marks listed below. By “Marks” we mean the trade names, trademarks, service marks and logos used to identify EOS and our Products and Services.

The Marks contain marks registered (the “Registered Marks”) with the United States Patent & Trademark Office (“USPTO”) and marks with current applications for registration pending (the “Pending Marks”) with the USPTO. The following is a list of the principal Marks we may authorize you to use. EOS OpCo owns all of these Marks listed below. This list does not include all of the Marks the EOS OpCo owns, or that may be used in your Franchised Business, and we may add or subtract from this list from time to time.

We or our affiliates have filed all required affidavits for the Registered Marks. Following registration of the Pending Marks, and at the appropriate times, we intend to renew the registrations and to file all appropriate affidavits.

We have the right to the use, license and sublicense the Marks as well applicable copyrights, patents, know-how and trade secrets owned and developed by EOS OpCo (including any intellectual property developed by us, the “Intellectual Property”), under a license agreement between us and EOS OpCo (the “License Agreement”). On February 15, 2021, EOS OpCo licensed to us a worldwide non-exclusive right to use, and sublicense the use of, the Marks, Intellectual Property and System in connection with the offer, sale and operation of EOS Worldwide businesses. The License Agreement is for a term of 99 years unless EOS OpCo or we terminate the license. However, termination of the license agreement will not affect existing Franchise Agreements. We will sub-license to you the right to use the Marks to operate your Franchised Business upon the terms of your Franchise Agreement.

With the exception of the License Agreement, there are no agreements currently in effect which significantly limit our rights to use or sub-license the use of the Marks in a manner material to your Franchised Business. There are no currently effective adverse material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, cancellation or opposition proceedings or material litigation against us or our affiliates, involving the Registered Marks.

We may occasionally add additional trademarks for use with EOS Franchised Businesses which may not be federally registered, and those additions will be considered part of the Marks, will be licensed to you, and will be subject to the restrictions discussed below. If additional trademarks do not have a federal registration, those trademarks would not have many legal benefits and rights as those available for a federally registered trademark. If our right to use such a trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

Use of the Marks

You must follow our rules when you use the Marks. You may not use the Marks as part of your corporate or any other legal name unless we authorize such use in writing in advance. We must approve your business entity name and all fictitious names under which you propose to do business in writing before use. You must identify yourself using your name either alone or a fictitious name that is in accordance with our Franchise System Standards, as allowed or required under applicable law. You must promptly register your fictitious or assumed name at the state office as provided for by the laws of the state in which your Franchised Business is located and/or if required at the office of the county in which your Franchised Business is located, as doing business under any such assumed business name as allowed under applicable law. You cannot use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing.

We or our affiliates are the lawful and sole owner of the domain name www.eosworldwide.com. In addition to our restrictions, you may not register any of the Marks now or in the future owned by us or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar, as Internet domain names. We retain the sole right to advertise the EOS Franchise System on the Internet and to create, operate, maintain and modify, or discontinue use of a website using the Marks. Except as we may authorize in writing in advance, you cannot: (i) link or frame our Website, (ii) conduct any business or offer to sell or advertise any Services on the worldwide web, or (iii) create or register any Internet domain name in connection with your Franchised Business.

You may use only the Marks which we designate and only for the operation of the Franchised Business or in advertising for the Franchised Business, and may use them only in the manner we authorize and permit. Any goodwill associated with the Marks, including any goodwill which might be deemed to have arisen through your operation of the Franchised Business, inures directly and exclusively to our and our affiliate's benefit. You must use all Marks without prefix or suffix and in conjunction with the symbols "SM," "®," or "TM" as instructed by us.

We are not aware of any superior prior rights or infringing uses that could materially affect your use of our principal Marks in any state; however, a federal trademark registration does not necessarily protect the use of the concerned trademark against a prior user. Therefore, before entering into the Franchise Agreement, you should make every effort to confirm that there are no existing uses of the Marks or confusingly similar marks being used where you wish to do business. You should immediately notify us of any confusingly similar marks you discover.

Infringements

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark or Intellectual Property, and you may not communicate with any person other than us, our legal counsel and your legal counsel in connection with any infringement, challenge or claim. We or our affiliates, in our sole judgment, may take any action that we deem appropriate and we have the right to control exclusively any litigation, USPTO proceeding or any other administrative proceeding arising from any infringement, challenge or claim or otherwise relating to any Mark or Intellectual Property. You must sign any instruments and documents, provide assistance and take any action that, in the opinion of our legal counsel, may be necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or otherwise to protect and maintain our interests in the Marks or Intellectual Property. The Franchise Agreement requires us to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a Mark or Intellectual Property licensed to you by us or if the proceeding is resolved unfavorably to you provided that you have used such Mark or Intellectual Property in compliance with the Franchise Agreement.

Changes to the Marks

If we determine that it becomes advisable for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you must comply with our directions within a reasonable time after receiving notice. You will pay the expense of changing any materials used in the operation of your Franchised Business. Further, we will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

ITEM 14 **PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

Patents

We do not currently own any issued patents which are material to the Franchised Business.

Copyrights

We or our affiliates claim copyrights in the Operations Manual, the Website, Product and Service materials, training and session materials, advertising materials and related items used in operating the Franchised Business (the “Copyrighted Materials”). The License Agreement described in Item 13 provides us with the right to use, license and sublicense the Copyrighted Materials. We may further register, develop, change, cancel, enhance or modify Copyrighted Materials at any time. We have registered some, but not all, of the Copyrighted Materials with the United States Registrar of Copyrights.

There currently are no effective determinations by, pending proceedings with, the Copyright Office (Library of Congress) or any court regarding any of the Copyrighted Materials which limit our rights to use or authorize franchisees to use any Copyrighted Materials in a manner material to your Franchised Business. Nor are there any agreements currently in effect which significantly limit our right to use or authorize franchisees to use the Copyrighted Materials. Furthermore, there are no infringing uses actually known to us which could materially affect a franchisee’s use of the Copyrighted Materials in any state. We are not required by any agreement to protect or defend Copyrighted Materials or confidential information, although we intend to do so when this action is in the best interests of the EOS Franchise System. During the term of your Franchise Agreement, you are granted the right to use certain of our Copyrighted Materials only for the operation of the Franchised Business or in advertising for the Franchised Business, and only in the manner we authorize and permit.

Confidential Information

Our Confidential Information includes the Operations Manual; the Boot Camp Manual; the Implementer Guides; training content; EOS Online Store materials; Franchise System Standards; information related to our Services and Products; methods for operating, managing, developing, performing, or coordinating aspects of the Franchised Business; recruitment, training, marketing or compensation methods; Client names and lists; referral sources; billing and collection methods; pricing strategies; financial information; business plans and other information about us, our affiliates and information about our Approved Suppliers; strategic partners, vendors, employees, and independent contractors and any other information we deem confidential (collectively, the “Confidential Information”). You may not use our Confidential Information in an unauthorized manner and must take reasonable steps to prevent its disclosure to others.

You may never – during the initial term, any renewal term, or after the Franchise Agreement expires or is terminated – reveal any of our Confidential Information or any other materials, goods and information created or used by us and designated for confidential use within the EOS Franchise System to another person or use it for any purpose other than to operate your Franchised Business. You may not copy any of our Confidential Information or give it to a third party except as we authorize in writing. You must limit access of your employees and any others who help support your Franchised Business to Confidential Information used in connection with the EOS Franchise System on a need to know basis. We may, periodically and in our sole discretion, amend the contents of the Operations Manual and your confidentiality obligations will extend to these amendments. You may only share access to Confidential Information with your employees or other persons affiliated with your Franchised Business on a strict need to know basis. We may however require that such other persons and employees affiliated with your Franchised Business sign our then-standard form confidentiality agreement; however, you are ultimately

responsible for ensuring confidentiality of Confidential Information that you share with any such employees or other third person, directly or by providing access to any EOS Worldwide system.

All ideas, concepts, techniques and other newly developed information or materials relating to the Franchised Business (hereinafter “Information”), whether or not constituting protectable intellectual property, and whether created by or on behalf of you, must be promptly disclosed to us, will be considered our property and part of our System and will be considered to be works made-for-hire for us. You assign the Information to us under the Franchise Agreement, and you must sign whatever documents we request to evidence our ownership or to assist us in securing intellectual property rights in these ideas, concepts, techniques or materials. We may, in our sole discretion determine whether you will receive any form of compensation or consideration in exchange for ideas, concepts, and techniques and other newly developed information or materials relating to the Franchised Business which you develop. We make no guarantees that you will be entitled to any form of compensation for such Information.

Client Data

All information, mailing lists, Client information and databases of Client Data from whatever source derived, will, at our request, and in any event when provided by you to us, be our property. You must enter all Client Data and information accurately into our systems as outlined in the Operations Manual and failure to do so could result in termination of your Franchise Agreement. You may not use such information, except in connection with your Franchised Business in accordance with the Franchise Agreement and the Operations Manual. You also may not use, process, copy, display, publish, store or transfer the Client Data without our express written approval. You must comply with all applicable laws with respect to Client Data; in addition, you must comply with all data privacy and security requirements we may establish from time to time and to exert commercially reasonable efforts to prevent the unauthorized use, dissemination, or publication of Client Data, subject in all instances to applicable laws. You will promptly notify us if you become aware of or suspect any unauthorized access to the Client Data, or if you become the subject of any governmental, regulatory or other enforcement or private proceeding relating to your data handling practices of Client Data. You agree in the Franchise Agreement to indemnify us for all third-party claims related to your use of Client Data.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must sign the Franchise Agreement personally as the “Franchisee” under the Franchise Agreement and must serve as the sole Implementer for your Franchised Business. You may still choose to use an Operating Entity in connection with the operation of your Franchised Business but you must maintain a majority ownership (i.e., at least 51% unless we permit otherwise) in the Operating Entity. This interest may not be pledged, mortgaged, hypothecated, or be subjected to any lien, charge, or encumbrance, voting agreement, proxy, security interest or purchase right or option, without our prior written consent. You may have other owners, operators, or managers, for your Franchised Business or Operating Entity, but such individuals may not be an Implementer or provide Implementer Services to Clients, and such individuals will not attend, or be required to successfully complete, Boot Camp. You must disclose to us any such passive owners, operators, or managers.

You must attend and successfully complete Boot Camp, our training program, prior to providing any Implementer Services.

You must devote your best efforts to the Franchised Business operations under the Franchise Agreement.

You must notify us promptly if you cannot continue to serve as the Implementer of your Franchise. You will have thirty (30) days from the date of the notice (or from any date that we independently determine you no longer meets our standards) to take corrective action. During that thirty (30) day period, you must provide for interim management of your operations in compliance with the Franchise Agreement.

We recognize that our franchisees may encounter extraordinary circumstances that may require extended time away from their Franchised Business. We have created a policy that is intended to provide franchisees with an ability to request a leave of absence or hiatus for those extraordinary circumstances that may or may not qualify as a disability; however, any such leave of absence or hiatus may not in and of itself relieve you of your obligation to continue to pay Monthly Membership Fees. Leaves of absence or other hiatuses, as applicable, may be granted on a case-by-case basis, in our sole discretion.

Any personnel, owners, operators, managers or any other person assisting in providing the Services or Products or working on behalf of the Franchised Business and who has access to the Operations Manual, Client Data or other Confidential Information must maintain the confidentiality of such information in accordance with the Franchise Agreement and upon our request, must sign our then-standard confidentiality agreement agreeing to maintain the confidentiality of Confidential Information. You must promptly notify us of the names of any personnel or any other person who has access to the Operations Manual, Client Data or other Confidential Information, and you will remain responsible for the confidentiality of any such information shared with them on your behalf.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

All clients should receive EOS in its purest form. Therefore, unless we are limited by applicable law, you must offer each of the Services and Products we specify for sale through the Franchised Business in accordance with our Franchise Systems Standards, and may not offer other products or services without our prior written approval. You are only permitted to cross-sell or refer Clients to other providers in the manner described in the Operations Manual, if at all.

We understand that our franchisees are successful, abundance minded entrepreneurs that may engage in other opportunities during their term as a franchisee. While we do not require our franchisees to be full-time operators and therefore understand they may engage in outside opportunities, those opportunities must not violate the restrictive covenants in the Franchise Agreement or create a conflict of interest with the role as an EOSW franchisee. To prevent potential conflicts of interest, we created guidelines set forth in the Operations Manual defining the kind of outside opportunities that we determine are acceptable, and those that we determine are not. To summarize this process and our guidelines, essentially anytime you have created or pursued, or are even in the planning stages of creating or pursuing, a separate venture alongside your EOS Implementer Franchised Business, then you may be required to clear it with us by submitting for what we refer to as our “Item 16” review. As part of this evaluation process for new franchisees, we may ask you a series of questions designed to determine whether you are engaged in any outside opportunities that could create a conflict of interest. These questions are referred to as our “Item 16” review and is part of our screening process.

Not every opportunity requires an Item 16 review. Generally speaking, if the opportunity could potentially create a conflict of interest with the EOS Worldwide brand or your business or otherwise materially impact your ability to operate your EOS Implementer business, you should go through an Item 16 review.

Unlike many franchise concepts, you are not required to operate your EOS business full-time; in fact, one of the benefits of EOS and what is a core principle to living The EOS Life is that even as an EOS Implementer, you have time for your other passions. But that does not mean you can essentially do

whatever you want. As a franchisee/Implementer, you may not engage in activity that is competitive or that would create a conflict of interest with your business.

This does not mean that any income producing venture must go through this process. There are of course various types of opportunities and investments that would have no tangible impact on your Franchised Business. For example, a purely passive investment unrelated to business operating systems should not require an “Item 16” review.

But those that do or might, we expect that you will clear those with us as part of this process.

When considering your next steps, please consider these simple rules:

1. Don’t damage the EOS brand, use EOS Intellectual Property, or compete with either EOS Worldwide or the EOS Implementer Community
2. Don’t use the EOS brand or any EOS brand assets without our express written permission, and
3. Ask us for input before investing any time or money.

We require all of our franchisees to participate in our Client Satisfaction Program described in Item 8. You must offer all the authorized Products and Services at your Franchised Business unless we otherwise agree in writing.

We have the right to change the types of authorized Products and Services, and there are no limits on our right to do so, although we will provide you with notice when changes become effective. You may not offer for sale any products or perform any services that we have not approved, nor may you engage in any other business enterprise through the entity that you use to operate the Franchised Business without our prior written consent.

Other than as we expressly authorize in writing or otherwise designate in the Operations Manual, you may not in any manner purchase, reship, sell, transship, or re-distribute any of the EOS Worldwide materials or other items purchased from us to any third party, including any current or former franchisee. Franchisees may however provide EOS Worldwide materials or other items purchased from us to other current franchisees without our consent provided such items are provided without any mark-up.

We place no other restrictions on where or to whom you may provide EOS Services and Products.

ITEM 18
PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the

information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

In February 2021, EOS Worldwide transitioned its business model from a membership-based model to a franchise model. Under the previous membership-based model, EOS Implementers licensed the right to offer and sell EOS products and services through consulting businesses marketed under their own name and brand. Under this membership-based model, certain EOS Implementers offered both EOS and other products and services in addition to EOS. With the transition to the franchise model, EOS Implementers that signed a Franchise Agreement now operate their franchise businesses exclusively on EOS under our principal trademark as an EOS Worldwide franchisee.

As of December 31, 2024, there were 732 EOS Worldwide franchisees operating a Franchised Business based in the United States. More specifically, that means that 732 active EOS Worldwide franchisees completed Boot Camp training and are eligible to provide Implementer Services under a Franchise Agreement signed on or after February 2021.

Franchisees may not start offering EOS until they complete Boot Camp training. Some franchisees completed Boot Camp under the membership-based model prior to February 2021, and therefore, were able to operate immediately after signing the Franchise Agreement. Any transitioning Implementer who did not complete Boot Camp training under the membership-based model was required to do so after signing the Franchise Agreement.

Each of the tables provided in this Item 19 only include franchises that have been teaching on EOS for more than twelve (12) months (i.e., they completed Boot Camp more than 12 months prior to the start of the reporting period). The tables do not include information for any franchisees that were not operating for more than 12 months from the start of the applicable Reporting Period (i.e., they did not complete Boot Camp training more than 12 months from the start of the applicable Reporting Period).

Each of the terms and concepts are used throughout this Item 19 with the following meanings:

(1) “Reporting Period” means each of the following quarterly periods Franchisees report performance to us:

Quarter	Months
First Quarter	February 1 st to April 30 th
Second Quarter	May 1 st to July 31 st
Third Quarter	August 1 st to October 31 st
Fourth Quarter	November 1 st to January 31 st

(2) “Session Days” are days in which an Implementer conducts a session with a Client. These include Focus Days, Vision Building Day sessions, Quarterly Pulsing sessions, Annual Planning sessions and special or requested sessions with a Client.

(3) “Session Revenue” is defined as the total revenue derived from Session Days with Clients, whether received in cash, check or credit card, or in a lump sum or in installments, and adjusted for sales related taxes and refunds. Franchisees are responsible for establishing their own rates, however, the rates they charge may impact their Implementer’s tier designation.

* Operational franchisees are defined as franchisees that have been fully operational for one full year (i.e., completed Boot Camp Training more than 12 months prior to the start of the Reporting Period). Operational franchisees do not include (i) the 2 franchisees that are designated in the Emeritus tier, which is designed for those franchisees that are in or transitioning into retirement or (ii) the 3 franchisees that were full-time EOS Worldwide corporate employees and who maintained their EOS Implementer business on a limited part-time basis while employed to help provide support for the community.

** Median is defined as the data point in the center of all data points being used.

*** One long standing EOS Implementer requested to reduce its Tier from Certified to Professional in Q4 2021-22. For purposes of this Item 19, we have grouped that franchisee with the Certified cohort instead of the Professional cohort.

As of the end of the Reporting Period on January 31, 2025, we had 730 total franchisees operating in the United States. Of the 262 operating franchisees not included in the table above, 257 franchisees had not completed Boot Camp more than 12 months from the start of the Reporting Period. We also had 2 franchisees that are designated as Emeritus (semi-retired) and had 3 franchisees that were full-time EOS Worldwide corporate employees and who maintained their EOS Implementer business on a limited part-time basis while employed to help provide support for the community. We had 47 operational franchisees terminate their Franchise Agreements during this Reporting Period. Those franchisees are also therefore excluded from the table above.

400K System and Historical Performance (US Only)

The EOS 400k System is our business development process designed to help Implementers get to \$400,000 of Session Revenue on an annualized basis by the end of the third year of operations after completing Boot Camp.

The tables below are progressive and designed to illustrate how those Implementers that have been in our EOS Community for **at least 3 years** (i.e., at least three years since completing Boot Camp) have performed (i) within their initial thirty-six (36) months (or three (3) years) after Boot Camp and (ii) during their entire time as an EOS Implementer.

Note these tables do not include any Implementers that are no longer part of the EOS Community (e.g., terminated Franchise Agreements). For detailed information regarding the number of terminations over the past three fiscal years, please see Item 20. In addition, these results include performance of EOS Implementers that were members of our community under our previous membership model and prior to our franchise transition in 2021.

Results date back to 2008 for longest tenured EOS Implementers.

All dollar amounts reflect Session Revenue for a 12-month period and not on a calendar year basis.

**These tables include all Professional, Certified, and Expert Implementers that have been operating as an EOS Implementer for at least three years (i.e., graduated from Boot Camp at least three years from the Issuance Date). This group does not include the 2 franchisees that are designated as Emeritus (semi-retired) and had 3 franchisees that were full-time EOS Worldwide corporate employees as noted above.*

In addition, the metrics for the initial 3 years of operation exclude Gino Wickman, our founder and current Certified EOS Implementer. Gino did not track Session Revenue separately when he founded EOS Worldwide.

*** Median is defined as the data point in the center of all data points being used.*

General Notes to Item 19

(1) Operating EOS Implementers are currently designated as either: Professional Tier, Certified Tier, or Expert Tier. The Legacy and Emeritus Tiers are reserved for those EOS Implementers that are transitioning into retirement. See Items 1, 6, and 12.

(2) Franchisees self-report their session information on a quarterly basis. All tables were prepared on a consistent basis. Written substantiation of the data illustrated in this statement will be made available to prospective franchisees upon reasonable request.

Some Franchised Businesses have earned this amount. Your results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representations, we do not make any representations about a franchisee's future performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Franchise Administration at 2254 Cole Street, Suite 130, Birmingham, MI 48009 or via telephone at (248) 278-8220, the Federal Trade Commission, and the appropriate state regulatory agencies.

Note 1: EOS Franchisees are not required to maintain a physical office or location for their Franchised Businesses. Table 3 is therefore based on the principal address of the franchisee’s EOS Implementer, unless the franchisee provided a different address for its business or operations.

In 2024, we had three franchisees/Implementers relocate from one state to another which are reflected in the table above as follows:

- California to North Carolina
- Maine to Arizona
- Kentucky to Florida

These 3 are reflected in the table above as “Outlets Opened” in a new state and “Ceased Operations Other Reasons” in the state moved from.

Note 2: Each of the franchisees that “Ceased Operations for Other Reasons” exercised their 60-day termination for convenience rights in the Franchise Agreement. Franchisees may terminate their franchise for any reason on 60 days’ notice to us. For a complete list of franchisees who had a Franchise Agreement terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during the last fiscal year, or who have not communicated with us within ten (10) weeks of the Issuance Date of this Disclosure Document, please see [Exhibit G](#).

Note 3: Outlets for purposes of this Table 3 include only those then-active franchisees that have completed Boot Camp training as of the end of the referenced calendar year and are therefore able to provide Implementer Services under their Franchise Agreement.

Note 1: “Franchise Agreements Signed But Outlets Not Opened” refers to those franchisees that signed Franchise Agreements but have not completed Boot Camp as of December 31, 2024. Franchisees may not provide any Implementer Services until their designated Implementer completes Boot Camp to our satisfaction. We project approximately 76 EOS Worldwide Franchised Businesses to commence operations during calendar year 2025.

All of our franchisees’ e-mail addresses and telephone numbers are listed in Exhibit F. A list of franchisees who had a Franchise Agreement terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during the last fiscal year or during the current year through the Issuance Date of this Disclosure Document, or who have not communicated with us within ten (10) weeks of the Issuance Date of this Disclosure Document is attached as Exhibit G.

In some instances, current and former franchisees sign provisions restricting their ability to speak only about their experience with the EOS Franchise System. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you. **If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.**

At this time, there are no trademark-specific franchisee organizations associated with our System that have been created, sponsored or endorsed by us or that have asked to be included in our Disclosure

Document.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this “Agreement”), between EOS Worldwide Franchising, LLC, a Delaware limited liability company (“we,” “us,” “our,” or “Franchisor”), and (“you,” “your,” or “Franchisee”), is effective as of the date of our signature below (the “Effective Date”). This Agreement will not be effective until it has been countersigned by us and delivered to you, and not until you have paid the Initial Franchise Fee and the Boot Camp Fee (each as described below).

1. **PREAMBLE.**

1.1 **The Entrepreneurial Operating System.**

As a result of the expenditure of time, effort, and money, we and our affiliates have developed a unique franchise opportunity (the “Franchise” or the “EOS Franchise”) for establishing and operating a business as an EOS Implementer[®] which offers entrepreneurial training, leadership and business development services (the “Services”) and, as applicable, related products (the “Products”), using our Entrepreneurial Operating System (“EOS”) comprised of tools, concepts, training and facilitation materials, methods, techniques, practices, procedures and processes, which include the EOS Model consisting of the “Six Key Components”, the EOS Toolbox, and the EOS Process. The EOS Process begins with our signature introductory 90 Minute Meeting and continues with a Focus Day, the Vision Building days, Quarterly Pulsing and Annual Planning sessions (collectively with any other applicable sessions that are or become part of the EOS Process, as we may update it from time to time, “Sessions”).

1.2 **The EOS Franchise System.**

Our franchise system includes elements of know-how; certain distinctive, identifiable trade-dress; specifications, information, policies, methods, controls, and procedures for operations; procedures for management and financial control; business relationships, training and assistance; advertising and promotional programs; a communication strategy; and the Marks and related Intellectual Property described below; all of which we may register, change, cancel, alter, amend, further improve, discontinue, develop or otherwise modify, from time to time in accordance with this Agreement (collectively, the “EOS Franchise System” or the “System”).

1.3 **The Intellectual Property.**

The distinguishing characteristics of the EOS Franchise System include the trademarks “*EOS*”, “*Entrepreneurial Operating System*” and “*EOS Implementer*” and such other names and marks we now or in the future may designate in writing for use in connection with the EOS Franchise System (collectively, the “Marks”) and other intellectual property, including all copyrights, titles, symbols, logotypes, trade dresses, emblems, slogans, insignias, terms, know-how, methods, specifications, designations, designs, diagrams, anecdotes, artworks, worksheets, techniques, rules, ideas, Session and meeting scripts and components, plans and course materials, advertising and promotional materials, and other audio, video and written materials developed and designated for use in connection with the EOS Franchise System, or as we may hereafter acquire, develop or designate for use in connection with the EOS Franchise System, from time to time (together with the Marks, the “Intellectual Property”).

1.4 **The License.**

We grant to candidates who meet our qualifications and are willing to undertake the investment and effort and exemplify our Core Values, the right to own and operate an EOS Franchise using the EOS Franchise System, the Intellectual Property and the Marks.

1.5 **The Franchise.**

You desire to acquire the right to operate an EOS Franchise (the “Franchised Business”), using the EOS Franchise System, the Intellectual Property and the Marks, to market, sell, provide, render and perform the Services and Products to entrepreneurs, business owners and other end-users (collectively, the “Clients”).

1.6 **Franchisee’s Application.**

You submitted an application to us representing and warranting that all information provided to us is true, complete, correct and not misleading in any material respects (“Franchise Application”). We approved the application in reliance upon your representations and warranties set forth in the Franchise Application.

1.7 **Acknowledgments.**

(a) You understand and acknowledge the importance of our high and uniform standards of quality, operations and service and the necessity of operating the Franchised Business in strict conformity and consistency with the EOS Franchise System, and you acknowledge that the terms of this Agreement are reasonably necessary to maintain such high and uniform standards among all EOS Franchises (“Franchise System Standards”), and to protect and preserve the goodwill of the Marks, the Intellectual Property and the System.

(b) You further understand and acknowledge that the rights and duties along with the Franchise granted in this Agreement are personal to you, and Franchisor has entered into this Agreement in reliance on your personal skills, experience and financial ability.

1.8 **EOS Worldwide Global Operations.**

(a) You understand and acknowledge that Franchisor is based in the United States of America and operates primarily in the English language. Accordingly, subject to applicable law, Materials (as defined in Section 3.1(b)) below and including training, instructional, education materials, worksheets, guides, modules, Leadership Team Manuals, videos, and books that may be used in your Client Sessions) and other resources may not be available in every language. As further discussed in Section 3.1(b) and Section 9.2 below, you may not translate or otherwise modify any Materials unless you receive express prior written permission from us in accordance with this Agreement.

(b) As a United States based Franchised Business, you will be a member of our North American community and will therefore attend Boot Camp, QCEs and other training, meetings and events provided to or for the benefit of Franchised Businesses from time to time in the United States, and will be subject to the applicable Franchise System Standards for the United States. If you travel internationally, such travel may result in increased costs and travel time, travel restrictions and other burdens or inconveniences that may not be applicable to others. Accordingly, you accept all such known and unknown incremental costs, burdens, inconveniences and other risks of conducting any part of your Franchised Business outside of the United States. You will be solely responsible for managing visa and travel requirements associated with any such international travel. If you require an entry visa into any other foreign country including the United States of America, you must allow sufficient time for the visa application procedure. In addition, you may not change communities without our prior written consent. We will approve or disapprove a change request based on such factors as we deem appropriate (acting reasonably), including the basis for the change request.

(c) While Franchised Businesses perform Implementer Services for Clients generally

anywhere in the world subject to applicable law (including Economic Sanctions Laws (as defined below)), please understand that we operate primarily within the United States and on Eastern Time, and therefore, you may need to communicate with us from time to time on Eastern Time, and support may be limited outside of our standard support windows. Notwithstanding the foregoing, nothing in this Agreement permits you to operate or provide Implementer Services with (i) or within any country that is the target of any laws administered by the United States Office of Foreign Assets Control, Department of the Treasury or any other governmental entity of any applicable jurisdiction imposing economic sanctions or trade embargoes (“Economic Sanctions Laws”) against designated countries, regimes, entities, and persons (collectively, “Embargoed Targets”), (ii) any person or entity who is named on the United States Specially Designated Nationals and Blocked Persons List or other similar lists maintained by any governmental entity pursuant to any Economic Sanctions Laws, or (iii) or within any other jurisdiction where doing so would violate any applicable laws.

(d) Without limiting the generality of the foregoing, you shall not (i) directly or indirectly export, re-export, transship, transfer, or otherwise deliver or provide any Products, Services, Materials (as defined below), technology, or any Confidential Information or Client Data (each as defined below) to an Embargoed Target or (ii) otherwise facilitate any transaction in violation of any Economic Sanctions Law or other applicable law.

2. GRANT, TERM AND LOCATION.

2.1 Grant and Acceptance.

Subject to and upon the terms and conditions of this Agreement, we hereby grant you a revocable, limited license and right to (i) operate a Franchised Business and (ii) use the Intellectual Property in connection with the establishment and operation of the Franchised Business, anywhere in the world, subject to applicable law. You accept this Agreement and the license granted herein, and undertake the obligation to operate the EOS Franchise, using the Marks and other Intellectual Property, in strict compliance with the terms and conditions of this Agreement and our Franchise System Standards for the entire Term (as defined below), together with any renewal or extension. For the avoidance of doubt, the Franchised Business you will be operating is an individually owned and operated franchised business, and you, and not Franchisor, shall be responsible for investigating, understanding and complying with all laws, rules and regulations applicable to such operation, as well as for the supervision and oversight of all your Personnel (as defined below), if any, in each case as further described in this Agreement.

2.2 Term.

Your grant to own and operate a Franchise begins on the Effective Date and ends on the last day of the calendar month following the fifth (5th) anniversary of the Effective Date (the “Initial Term”), unless sooner terminated pursuant to this Agreement. The word “Term” means this Initial Term and any Renewal Term (as defined below) or extension of that time period.

2.3 Renewal Terms.

If this Agreement is at such time in full force and effect, you have the right to renew the Initial Term for two (2) consecutive terms of three (3) years each (each a “Renewal Term” and together the “Renewal Terms”), provided the following conditions are met:

(a) You have notified us of your intention to renew the Term in writing at least ninety (90) days (but no more than three hundred and sixty (360) days) prior to the expiration of the Initial Term or then-current Renewal Term (and any such notice to renew shall be irrevocable unless prohibited by applicable law);

(b) You have at your expense completed, to our satisfaction, at least sixty (60) days

prior to the expiration of the Initial Term or then-current Renewal Term, all reasonable refurbishment, modernization, maintenance and upgrading, as applicable, necessary to bring your Franchise into full compliance with our then-current Franchise System Standards;

(c) You are not in material breach of any provision of this Agreement, or any other agreement with us, our affiliates, or our approved/designated suppliers and vendors that relates to the operation of the EOS Franchise, and you have substantially and timely complied with all of the material provisions of such agreements during their respective terms;

(d) You have satisfied all monetary obligations you owe us, our affiliates, and our approved/designated suppliers and vendors that relate to the operation of the EOS Franchise;

(e) At least fifteen (15) days prior to the expiration of the Initial Term or then-current Renewal Term, you execute our then-current form of franchise agreement, the terms of which may vary substantially from the terms of this Agreement and may include, without limitation, increased monthly membership fees and advertising obligations, it being understood that the terms of such renewal (including those within any then-current form of franchise agreement) shall supersede this Agreement in all respects for purposes of such Renewal Term; provided, however that you will not be required to pay any Initial Franchise Fee with such renewal franchise agreement;

(f) You satisfy our then-current qualifications and standards for a new franchisee and have satisfied training requirements for renewing franchisees prior to the expiration of the then-current Term at your sole expense, if any;

(g) You sign a general release in the form set forth on Exhibit A attached hereto (or any other form required by or acceptable to us) in favor of us and our affiliates, and our and our affiliates' respective members, owners, officers, directors, employees, consultants, advisors, agents, successors and assigns (in their corporate and individual capacities), for all claims arising out of or related to this Agreement or your Franchise through the date of the general release, except in respect of those claims and causes of action which cannot be released under applicable law; and

(h) We are still offering and selling new EOS Franchises at the time of the Renewal Term.

2.4 **Extension of Term.**

If you do not renew the Term pursuant to the terms of Section 2.3, and continue to accept the benefits of this Agreement beyond the stated Term, then, at our option, this Agreement may be treated as (i) expired as of the last day of the Initial Term or then-current Renewal Term, as applicable, which will result in your operating the Franchise without a license in violation of our rights; or (ii) continued on a month-to-month basis until we provide you with notice of our intent to terminate the month-to-month term. In the latter case, all of your obligations shall remain in full force and effect as if this Agreement had not expired, and all obligations and restrictions imposed upon you upon the expiration of this Agreement shall be deemed to take effect upon the termination of the month-to-month term.

2.5 **Renewal by Law.**

If you fail to satisfy each of the conditions set forth in Section 2.3, but we are otherwise required to renew or extend your Franchise under applicable law, rule, regulation, statute, by-law, ordinance, or legal order, then the Renewal Term will be subject to the conditions of the franchise agreement we are using for new franchisees at the time the Renewal Term begins. If we are not then offering new franchises, your Renewal Term will be subject to the terms of our most recent franchise agreement. If for any reason that is

not allowed, the Renewal Term will be governed by the terms of this Agreement.

2.6 Refusal to Renew Franchise Agreement.

We may refuse to renew your Franchise if you fail to satisfy each of the conditions set forth in Section 2.3.

2.7 Your Election Not to Renew.

For the purposes hereof, you shall be deemed to have irrevocably elected not to renew the Franchise hereunder (and the option to do so shall thereupon terminate) if you fail to timely satisfy each of the conditions required by us to renew your Franchise pursuant to Section 2.3 above.

2.8 Implementer.

(a) We authorize only one (1) individual person to act as the designated Implementer for each Franchise. Therefore, only you may act as an EOS Implementer (“Implementer”) for the Franchise. Only the Implementer attends Franchisor training and franchisee events (e.g., QCEs) and provides Services on behalf of your Franchised Business to Clients as described in the Operations Manual (as defined below) (“Implementer Services”). Franchisees that form Business Entities (as defined in Section 19 below) for the operation of their Franchised Businesses may have multiple owners, shareholders, partners, operators, directors, or managers, but only you may serve as the designated Implementer (and not any such other individuals). As between you and your Business Entity, if any, or any other owners, shareholders, employees, partners, operators, directors, or managers, you will (i) be responsible for the operation of the Franchised Business under this Agreement and all decisions made on behalf of the Franchised Business; (ii) have the authority on behalf of the Franchise to bind it in any dealings with us and our affiliates; and (iii) direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Business, and Franchisor may therefore rely on any and all directions, elections, information and other communication from you.

(b) You shall perform the obligations under this Agreement faithfully and honestly, shall continuously exert best efforts to promote and enhance your Franchised Business and the EOS Franchise System, and shall not engage in any other business or activity that conflicts with your obligations to operate the Franchise, for the full Term, including any subsequent renewal thereof.

3. TERRITORIAL RIGHTS AND RESTRICTIONS.

3.1 Grant.

Subject to all of the terms and conditions of this Agreement and applicable law and so long as you are in compliance with this Agreement, you will have the non-exclusive right, and you undertake the obligation, to operate your Franchised Business, including to market, offer and sell Services and Products (as applicable), directly to Clients anywhere in the world. You will not receive an exclusive, protected or designated geographic market, service area or territory with your Franchise. Further, this Agreement does not grant you the right and you are expressly prohibited from, unless you receive expressed prior written permission from us:

(a) Selling any Products (i) at wholesale, or (ii) to any distributor, vendor, supplier, or retailer or reseller, or (iii) in any manner except through the Franchised Business in connection with providing Services to Clients or to other active EOS Worldwide franchisees with or without mark-up; or

(b) Reproducing, copying, translating, replicating, or creating derivative works (except to the extent that you have non-excludable rights to do so under applicable law) from any training, instructional, education materials, worksheets, guides, modules, Leadership Team Manuals, videos, books, documents, or other materials used in your Client Sessions or otherwise in any way related to the EOS

Franchise System, the Marks or the Intellectual Property (“Materials”).

Except pursuant to Section 15 below, you may not assign or transfer your rights or obligations under this Agreement, nor may you grant a sub-franchise or otherwise sublicense any such rights or obligations, and any attempt to do so shall be void and of no force and effect and constitute a material breach of this Agreement.

3.2 **Tiers.**

(a) Currently, we have three (3) designated operating tiers for Implementers: (1) Professional Tier, (2) Certified Tier and (3) Expert Tier (each herein referred to as a “Tier”). We also have created two separate Tiers, the Legacy Tier and the Emeritus Tier for EOS Implementers that are transitioning into retirement and would like to remain a part of our EOS Implementer Community. All new EOS Implementers are initially designated in the Professional Tier subject to completion of our initial training program which we call Boot Camp. We reserve the right to create additional Tier designations in our sole discretion. You will pay the Membership Fee as described in Section 4.2 associated with your Tier. Your Franchised Business may only offer and sell the Products and Services, and engage in the business activities, permitted in the Operations Manual for your Tier. You may only market, advertise and promote yourself and your Franchised Business at your designated Tier. The rights, duties and obligations of each Tier are set forth in the Operations Manual.

(b) You may request a modification to your Tier designation only upon formal written request to us in the form and manner set forth in the Operations Manual. We may condition your Tier qualification on meeting certain standards, terms and requirements. Participation in a Tier may require (i) additional purchase of inventory or supplies; (ii) additional Implementer training; (iii) additional marketing requirements; (iv) additional payment obligations; and (v) other conditions, all of which you must meet at your own expense. We may modify, eliminate, discontinue, merge or otherwise alter Tier designations at any time in our sole discretion and we disclaim any liability to you related to any such change. If you do not continue to satisfy the conditions and requirements of a Tier designation, then we may modify your Tier designation upon written notice, which may require Mandatory Remedial Training in accordance with Section 5.2 and Section 10.16 below, and/or terminate this Agreement, as applicable, in accordance with Section 10.16 and Section 17 below.

3.3 **Rights We Reserve.**

We and our affiliates retain the right, at our sole discretion, to engage in any other activities not expressly prohibited in this Agreement. Without limiting the generality of the foregoing, we and our affiliates retain the right to own and operate EOS Worldwide businesses under the Marks or using the Intellectual Property, or to license others the right to own and operate an EOS Worldwide business or franchise under the Marks and System or using the Intellectual Property anywhere in the world, and to allow others to solicit Clients anywhere we may permit in their agreements with us or our affiliates. We and our affiliates also retain the right, at our sole discretion, to own and operate other businesses using our Marks or Intellectual Property or other trademarks or intellectual property, or to license others the right to use our Marks or Intellectual Property or other trademarks or intellectual property, or to license others the right to own and operate other businesses or franchises using our Marks or Intellectual Property or other trademarks or intellectual property, anywhere in the world. Your rights as a franchisee do not include any right of first refusal for any additional business or franchise programs or other rights to use our Marks or Intellectual Property or other trademarks or intellectual property, which we may now or in the future create. Additionally, we may acquire or merge with, or be otherwise acquired by, any business, including without limitation, a competitive business or another franchisor offering competitive businesses, located anywhere and operate that business using the Intellectual Property, Marks and EOS Franchise System and/or other

intellectual property, marks or system components. We and our affiliates also may sell other products or services under trademarks other than the Marks. We and our affiliates reserve the right to enter into any marketing partnerships or programs that could be local, regional, national or international in scope, and could also be digital in nature through the Internet, and provide the same Products and Services your Franchised Business will offer and sell.

3.4 **Alternative Channels of Distribution.**

In addition to those retained rights described in Section 3.3, you understand and acknowledge that we and our affiliates retain the right, in our sole discretion, to sell the Services or Products under the Marks in the same manner as offered by the EOS Worldwide franchises or in any other manner we determine in our sole discretion. Our rights include the ability to sell the Materials, Products and Services through all channels of distribution such as through our Website and our online store (referred to herein as our “EOS Online Store”), or through mobile application(s), e-commerce, retail or wholesale stores, catalog sales, telemarketing or other channels of distribution (together, “Alternative Channels of Distribution”) and retain all the profits from such activities. We also reserve the right to develop software or other similar programs or products to distribute through Alternative Channels of Distribution; however, if we do, we may permit you to engage in revenue sharing for such products in which we share the revenue collected with you in a manner we determine, and as further described in the Operations Manual. Unless we provide prior permission, you may not use Alternative Channels of Distribution to make sales and you will not receive any compensation for our sales through Alternative Channels of Distribution.

4. **FEES AND PAYMENT.**

4.1 **Initial Franchise Fee.**

In consideration of the Franchise granted to you by us, you must pay us the initial franchise fee of Five Thousand Dollars (\$5,000) (the “Initial Franchise Fee”). The Initial Franchise Fee is payable in cash by wire transfer or ACH upon the execution of this Agreement. The Initial Franchise Fee is deemed fully earned upon payment and is non-refundable under any circumstances. The Initial Franchise Fee is payment, in part, for expenses incurred by us and our affiliates in furnishing assistance and services to you as set forth in this Agreement and for costs incurred by us, including costs incurred in offering and selling franchises, franchise sales and marketing activities to promote the sale of a franchise to qualified franchisees, our participation in the franchise sales process, legal compliance with franchise laws and regulations, the development and hosting of training programs, marketing expenses, legal, accounting and other professional fees.

4.2 **Monthly Membership Fees.**

In addition to the Initial Franchise Fee, you will pay to us or our affiliates for each full or partial month during the Term, our then-current monthly membership fee for your applicable Tier, in consideration of your use of the Marks, Intellectual Property and System (the “Membership Fee”). As of April 1, 2025, the Membership Fees in the United States are as follows: (i) for the Professional Tier, Legacy Tier and Emeritus Tier, \$1,395 per month; (ii) for the Certified Tier, \$1,495 per month; and (iii) for the Expert Tier, \$1,695 per month, and the Membership Fee in each case is not refundable under any circumstances. We reserve the right at any time to increase the Membership Fee on thirty (30) days’ written notice to you, provided that we will not increase the Membership Fee more than once in any calendar year, and any incremental fee increase will not exceed \$200 per month during your current Term. If you request, and we approve, your qualification as a different Tier, then you will commence paying the then-current Membership Fee for the new Tier designation in the first full month after we approve the changed Tier designation. The Membership Fee is payable monthly in advance beginning on the first (1st) day of the month of your scheduled Boot Camp and continuing each month thereafter on such date and in such manner as we may designate; provided, that if for any reason you fail to sign up for a Boot Camp scheduled to occur within the initial 6-month period from the Effective Date of this Agreement and your franchise is not

terminated (*see* Section 10.6 below), your Membership Fee will begin on the first day of the month following that 6-month period. If you sign up for a Boot Camp that you fail to attend for any reason, the Membership Fee will begin on the first (1st) day of the month of that scheduled Boot Camp notwithstanding any failed attendance or ultimate attendance and completion of a subsequent Boot Camp.

4.3 **Brand Fund Contribution.**

If we establish a Brand Development Fund (“Brand Fund” or the “Brand Development Fund”), you will be required to pay a fee in the amount and in the manner we designate (the “Brand Contribution”). If the Brand Contribution is a fixed fee (as opposed to a variable amount based on your Franchise’s performance), we will limit any increases to no more than once in any calendar year and not more than \$100 per month during your current Term. Brand Contributions remitted to us will not be refundable except in the limited circumstances as set forth in Section 11 hereof. If we establish, but then terminate, the Brand Fund, we have the right to reinstate it at any time and you will again be required to provide a Brand Contribution. In lieu of establishing a Brand Fund, we may elect to increase the Membership Fee for a particular geographic market in accordance with the terms of this Agreement to help compensate us for promotional services we or our affiliates provide and related costs, which may benefit your Franchised Business

4.4 **Technology Fee.**

We may, on an exclusive or non-exclusive basis, as the case may be, license, sell, lease or otherwise distribute or provide access to our website, certain technology services, and software, computer programs, electronic e-mail and other network componentry we have or may create, develop, upgrade, improve or maintain for use by our franchisees or EOS Implementers from time to time, and other software and technology we may require, and we may provide certain ongoing support and maintenance in connection with the foregoing (the “Required Technology”). You are required to utilize all Required Technology. We do not currently charge a fee for the use of the Required Technology (“Technology Fee”); however, we reserve the right to impose a Technology Fee in the future upon thirty (30) days’ written notice to you to help compensate us for technology services we or our affiliates provide and related costs, including: personnel, the cost of website development and maintenance; support of our e-mail system and other Required Technology; development of software, programs, mobile applications; and other technology developments, support or services. If we establish a Technology Fee, you will be required to pay the Technology Fee in the amount and in the manner we designate. We may increase the Technology Fee from time to time based on circumstances we deem relevant, which may include, level of usage and our overall costs, but barring unusual circumstances, we will limit any such increase to only once in any calendar year and to not more than \$100 per month during your current Term. We and our affiliates also reserve the right to offer additional technology services and products that are not part of the Required Technology, and to charge an additional fee for such services or products.

4.5 **Warm Leads Fee.**

We currently maintain a Warm Leads Referral Program (the “Warm Leads Program”). Participation in the Warm Leads Program is currently optional and is subject to certain terms and conditions for the Warm Leads Program. Under the Warm Leads Program, we, in our discretion, refer potential or prospective clients (“Warm Leads”) to Implementers. Participation in the Warm Leads Program does not guarantee that you will receive any Warm Leads or generate any level of business. We pair Warm Leads with the Implementers we believe will service the needs of the particular Warm Leads most effectively based on our experience and factors we deem appropriate. We may modify or eliminate the Warm Leads Program at any time. If a Warm Lead results in a Session or otherwise generates any Session revenue for your Franchised Business, then you must pay us the greater of (i) fifty percent (50%) of the Gross Revenue (defined below) generated from the Session fee, or (ii) \$1,500 (“Warm Leads Fee”). Warm Leads Fees are payable within fourteen (14) days of the applicable underlying Session(s).

4.6 **Speaking Referral Fee.**

At our discretion, we may also refer to you opportunities for speaking, workshop or other similar type engagements (each, a “Speaking Engagement”). If you accept any referrals for a Speaking Engagement, then you must pay us twenty-five percent (25%) of the Gross Revenue generated from the Speaking Engagement within fourteen (14) days of the underlying Speaking Engagement. We may waive this fee from time to time in connection with certain partnerships or other opportunities that may generate speaking opportunities.

4.7 **Boot Camp Fee.**

You must pay us a fee to attend Boot Camp (the “Boot Camp Fee”), our initial training program. The Boot Camp Fee is Forty-Five Thousand Dollars (\$45,000). Upon execution of this Agreement, you must pay us the Boot Camp Fee in cash by wire transfer or ACH. The Boot Camp Fee is deemed fully earned upon payment and is non-refundable under any circumstances.

4.8 **Start-up Fees.**

Prior to commencing operations of the Franchised Business, you will pay to us or affiliates or applicable third-party Approved Suppliers, a one-time fee representing the purchase price for our start-up package of inventory. Your requirement to purchase a start-up package is set forth in Section 7.2(h) of this Agreement.

4.9 **Definition of Gross Revenue.**

For purposes of Section 4.5 and Section 4.6 of this Agreement, the term “Gross Revenue” shall mean the gross amount all revenues and all other income of any type or nature generated or received from a Client or third party in connection with the Warm Lead or Speaking Engagement, as applicable, in whatever form and from whatever source, including but not limited to cash, services in-kind from barter and/or exchange, on credit or otherwise, without deduction for expenses, income related taxes or any other liability. Each charge or sale upon credit, even if payable in installments, shall be treated as generated for the full price upon the completion of the first Session or Speaking Engagement in which the fee relates, irrespective of whether you receive payment at a later date (whether full or partial). Gross Revenue specifically excludes (a) refunds, credits, and other monetary allowances issued in good faith and (b) sales and equivalent taxes collected for or on behalf of governmental taxing authorities and paid thereto.

4.10 **Manner of Payment.**

The Initial Franchise Fee and the Boot Camp Fee are payable in cash by wire transfer, ACH or such other form of payment reasonably acceptable to us. Any other fees including the Membership Fee, are payable in cash via ACH or through such other payment methods we accept from time to time. Credit or debit card payments, if applicable and permitted, will require you to provide card information authorizing us, our affiliates, or our third-party payment processor to maintain your account information and to charge your card for all applicable fees, including those for your recurring fees (e.g., Monthly Membership Fees) with no further action required by you. We reserve the right to charge a reasonable administrative fee for credit card payments to the extent permitted by applicable law. As a condition to accepting payments by credit or debit card, you agree to the fullest extent permitted by applicable law to waive any rights you may have under applicable law or credit card issuer procedures, to request a credit (or chargeback) from your credit or debit card issuer for disputed charges arising from transactions related to this Agreement. Any disputes regarding any credit or debit card charges shall be addressed with us directly in accordance with the IDR procedures set forth in Section 20.3 below. For ACH or similar payments using your bank account, you shall maintain an account at a national banking institution reasonably acceptable to us, allowing us to electronically withdraw applicable fees due to us or our affiliates from the account, and must maintain a balance in this account sufficient to allow us, our affiliates or our processors to collect all such amounts owed when due. If required by us, you must sign our standard payment authorization form(s) to authorize and direct to the transfer of such funds to us or our affiliates, and shall execute such additional documents

as may be reasonably requested by us or your financial institution to evidence such authorization. If you desire to change your payment method on file, you must provide us with at least thirty (30) days prior written notice by completing an updated draft authorization with the updated account information. We reserve the right to assess a reasonable fee upon each such change request to help offset costs we may incur in administering your change request.

4.11 **Insufficient Funds Fees.**

If your payment method cannot be authorized or is otherwise in error, due to expiration, insufficient funds, or otherwise, you will pay to us an insufficient funds fee equal to our then current reasonable fee for delinquent funds per violation. For some payment methods, your bank or the issuer may charge you certain additional fees relating to the processing of your failed payment. In the event of a failure of your payment method, we may take reasonable steps to retry your payment method, or we may contact you to reconfirm or update your payment method. This fee is in addition to interest on any overdue amount, as described in Section 4.12 below. You are responsible for any other penalties, fines or other similar expenses associated with the transfer of funds described in this Agreement, including, foreign transaction fees and any overdraft fees.

4.12 **Interest on Late Payments.**

If any fee or other payment due to us or our affiliates under this Agreement is not paid on or before its due date, you agree to pay us, in addition to the overdue amount, interest on any overdue payment of one and one-half percent (1.5%) per month (or the highest rate allowed by law, whichever is lower). Interest on any overdue amount shall begin to accrue thirty (30) days after the original due date until payment in full is received. Interest as enumerated in this Section 4.12 shall also apply to any understated amounts as revealed by an audit of your financial records. You acknowledge that this Section 4.12 is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, your Franchise. You further acknowledge that your failure to pay all amounts that you owe us when due constitutes grounds for our terminating this Agreement under Section 17, notwithstanding this Section.

4.13 **Fees and Payments.**

(a) Unless expressly stated otherwise, each payment to be made to us hereunder shall be free and clear and without deduction for any (i) currency control restrictions, bank charges, fees, duties or other transactional costs or (ii) applicable sales taxes, use taxes, value added taxes (VAT), goods and services taxes (GST), and similar taxes (as defined in Section 12.2(b) that are properly chargeable thereon (in each case, as applicable, “Transfer Taxes”). We will not in any event be liable to withhold or deduct any such amounts or for any claim, loss, damages, costs or payments whatsoever arising in relation to the withholding or deduction of such amounts.

(b) You are responsible for ascertaining if payments made to us or our affiliates under this Agreement require any withholding or deduction for present or future Transfer Taxes under applicable law, and are also responsible for remitting such Transfer Taxes in a timely manner to the appropriate taxing authority in each respective jurisdiction. If any such Transfer Taxes are payable on our (including our affiliates’) supply of any goods or services to you, our fees will be increased to account for any such Transfer Taxes.

(c) If any amounts payable by you to us are subject to any such withholding taxes as required under applicable law, you shall promptly deliver to us at the time of payment all receipts of applicable governmental authorities for all such taxes withheld or paid. If you or any other person is required by any law or regulation to make any deduction or withholding (on account of a Transfer Tax or otherwise) from any payment for us or our affiliate’s account, you shall, at our option, either: (a) together

with the payment, pay such additional amount as will ensure that we or our affiliate receives (free and clear of any Transfer Tax or other deductions or withholding) the full amount which we would have received if no such deduction or withholding had been required; or (b) make such payment having taken into account the relevant deduction or withholding (on account of Transfer Tax or otherwise).

(d) Transfer Taxes are calculated by multiplying the fees payable by you (excluding the amount payable as a Transfer Tax) for the taxable supply of goods or services by the prevailing rate.

(e) You shall fully and promptly cooperate with and assist us to provide all information and records we may request in connection with any application by us to any taxing authority with respect to Transfer Tax credits, exemptions or refunds available for any withholding or other taxes paid or payable by you.

(f) If either Franchisee or Franchisor (or any Franchisor affiliate) is required to pay or reimburse the other for the whole or any part of any cost, expense, loss or other amount that the other party has incurred or will incur in connection with this Transfer Tax liability, the amount to be paid or reimbursed is first to be reduced by an amount equal to any input tax credit the other party is entitled to in respect of the cost, expense, or loss and then increased in accordance with pursuant to this Section, as applicable. If we or our affiliates are required to refund to you any amounts paid hereunder, we and our affiliates will not be required to refund that portion of those amounts that were withheld by you in order to comply with any applicable tax law unless and until we or our affiliates receive a refund of those amounts from the applicable taxing authority thereof, and which is directly attributable to those amounts on us or our affiliates' income or with respect to which the period within which the credit may be reduced or disallowed has expired.

(g) If any uncollected Transfer Tax is or becomes chargeable on any supply of goods or services by us or our affiliates under this Agreement, we shall issue you, or cause to be issued to you, an invoice and you will pay an amount equal to amount equal to such Transfer Tax in addition to the fees for that supply of goods or services (being the fees listed under this Agreement).

(h) To the extent applicable, you agree that you will act as the importer for Tax and customs purposes in relation to any goods delivered by us or our affiliates to you in connection with your Franchise and will account for import Taxes and duties on those goods as required under applicable law.

For the avoidance of doubt, you shall (i) be registered for Transfer Tax purposes as required by applicable law, (ii) charge and collect all applicable Transfer Taxes on applicable sales, revenue and receipts of any kind derived from the operation of the Franchised Business and (iii) properly remit same to the relevant taxation authorities. Required Licenses, as defined in Section 10.5 below, shall include, without limitation, any applicable local tax or business registrations necessary to evidence that you are acquiring all products and services from us and our affiliates in connection with this Agreement for the purpose of operating your Franchise as a business enterprise (as opposed to a consumer) in all applicable jurisdictions. To claim any exemption from applicable Transfer Taxes imposed on the fees or other amounts under this Agreement and on services or products furnished to you by us or our affiliates, you must timely provide us with proof of exemption as required by applicable law, including applicable tax identification numbers and certifications. It is your sole responsibility to make sure that your proof of exemption remains current, and you shall indemnify us and our affiliates for any claims for any taxes, including interest and penalties, by any such tax or governmental authority or any person or entity acting on behalf of any such authority, for your failure to maintain such exempt status.

4.14 **No Right to Set-Off.**

You agree that you shall not, on grounds of the alleged non-performance or default by us of any of our obligations under this Agreement, withhold payment of any fee or other amount payable to us under

this Agreement or otherwise. Notwithstanding any designation by you, we have the right to apply any payments to any past due amounts and accrued interest thereon as we see fit in our discretion, subject to applicable law.

5. TRAINING.

5.1 Initial Training and Continuing Training.

(a) Prior to providing any Implementer Services to any Clients and within six (6) months of the Effective Date, you must attend and complete to our reasonable satisfaction, our initial training program we call Boot Camp ("Boot Camp"). We currently offer Boot Camps quarterly at different locations in the United States each February, May/June, August/September and November/December. You may not attend any of our Boot Camps that may be offered outside of the United States without our prior written permission, as those Boot Camps are designed to support local operations within those regions. To the extent we allow you to attend an international Boot Camp, there will not be any adjustment to your Boot Camp Fee; however, you may be responsible for additional taxes or other fees imposed by any local governmental authority as a result of your attendance at such international Boot Camp. In addition to paying the Boot Camp Fee, you must pay all expenses incurred in connection with attending Boot Camp, including travel, lodging, meals, local transportation expenses and wages. Actual dates and locations of Boot Camp are subject to change at any time, and we assume no responsibility for any costs incurred by you as a result of such changes. If you fail to timely complete Boot Camp to our reasonable satisfaction, and are permitted to repeat such training, you will be charged our then current cost for repeating Boot Camp. At Boot Camp, at other EOS Worldwide events for which you have registered (e.g., QCEs) or otherwise from time to time in connection with our or our affiliates' EOS business operations (e.g., as part of our training curriculum), we or our affiliates, or our respective employees, photographers or other designees may take photos or video recordings, in which you may be shown or appear. By attending any such event or by otherwise participating in any such program, you consent to any and all uses and displays by us and our agents, contractors and other authorized representatives of your likeness, image, voice, appearance, or other personal attributes in, on or in connection with any such pictures, photographs, audio and video recordings, digital images, or other forms of printed or other electronic media or reproductions, as determined in our or our affiliates' sole reasonable discretion, which we or our affiliates, licensees or designees may use for marketing, training or other EOS business related purposes without any payment or remuneration to you. As between you and us, we are the exclusive owner of all rights, title and interest in any such materials created from any such photographic or electronic reproductions. By providing your consent, you understand that you may be identifiable from such photographic or electronic reproductions, and knowingly waive any and all rights you may have to control the use thereof or any infringement, moral or other similar rights you may have, including rights of attribution. If you are the feature of a recording, the photographer will typically ask you before the recording/taking the photo whether you agree and consent; however, the failure to do so does not limit or waive your consent or our rights above.

(b) Prior to attending Boot Camp, we will provide you with access to our comprehensive online training containing tools, supplies, teaching materials, video guides, printable guidelines, and support needed to implement EOS. You must review, utilize and complete certain tasks to prepare for Boot Camp. You will continue to receive access to our training after Boot Camp and throughout the Term, as further provided in Section 7 below.

(c) In advance of Boot Camp, we will assign to you a 180 Day Sprint coach during your first one hundred eighty (180) days as an Implementer taking you through Boot Camp. After that first one hundred eighty (180) days, you will transition under the guidance of our Professional leader, an EOS Implementer that develops programs for our Professional Implementer Community. As you progress through your EOS journey, you will progress through our Implementer Development Program which

currently includes programs for QCEs, Certified Implementers and Expert Implementers. You may too be able to serve as a contributor or coach in our Implementer Development Program. There is no additional cost to participate in our Implementer Development Program, however, certain workshops may carry an additional fee. While you will not have an assigned coach after your 180 Day sprint, you will have access to one or more experienced Implementers that will support you through your journey with EOS. We may modify or eliminate our coaching and developmental programs at any time, and may change your coach from time to time. These coaches may be franchisees like you, employees of ours or others we deem to have requisite experience to serve as coaches. Other franchisees, even if acting in a Franchise support role, are not our employees or agents, and do not have any right or authority to bind us to any agreement.

5.2 **Mandatory Remedial Training or Additional Training.**

(a) We may require, in our sole discretion, that you attend additional training courses in person, at locations we designate from time to time, or by teleconference call, webinar, online training or videoconference if we determine it is appropriate (i) as a result of your violations of Franchise System Standards (including if we determine you are not performing satisfactorily pursuant to our Client Satisfaction Program or adhering to the Core Values set forth in our Operations Manual), (ii) as a result of your breach of this Agreement or violation of the Franchise System Standards, (iii) to protect the quality, reputation or integrity of the EOS Franchise System, Marks, or our Intellectual Property, or (iv) you fail to meet the requirements to maintain your current Implementer status as set forth in our Operations Manual, as applicable (“Remedial Training”). The then-current cost for the Remedial Training (currently ranges from \$995 to \$10,000) must be paid in full prior to attending. These fees are fully earned and non-refundable when paid unless a refund is required under applicable law. We reserve the right to increase these fees from time to time. In addition to the Remedial Training fee, you must also reimburse us for any reasonable travel or related costs and expenses we incur in providing you with Remedial Training, and also pay all of your expenses incurred in connection with attending the Remedial Training, including travel, lodging, and meals.

(b) Upon your request and subject to availability, we may provide you with additional, refresher, continuing, supplemental, specialized, focused or subject-matter specific training in addition to Boot Camp, or such additional training may be required upon renewal or transfer of this Agreement (“Additional Training”). This includes workshops that we make available from time to time. Additional Training may be focused on one subject or generalized. The current cost for the Additional Training ranges from \$995 to \$10,000 depending upon the length of Additional Training, trainer experience, materials used in conducting the training and other factors we deem appropriate. Our then-current Additional Training fees must be paid in full prior to attending. These fees are also fully earned and non-refundable when paid unless a refund is required under applicable law. We reserve the right to increase these fees from time to time. In addition to the Additional Training fee, you must reimburse us for any reasonable travel or related costs and expenses we incur in providing you with Additional Training, and also pay your expenses incurred in connection with the Additional Training, such as travel, lodging, and meals.

5.3 **Quarterly Collaborative Exchanges.**

(a) You acknowledge and agree that regular attendance at our Quarterly Collaborative Exchanges (“QCE(s)”) is currently required and is a necessary component to the continuing education of all EOS Franchise System franchisees, and to maintain Tier designations. Implementers only receive credit for one QCE per calendar quarter towards their Tier designation status. QCE(s) may be online, virtual or in-person; however, we may require attendance in person. You are responsible for all of your expenses incurred in connection with attending any QCE, including airfare, lodging, meals and other travel costs.

(b) The Membership Fee includes registration for one (1) QCE per calendar quarter, for an aggregate four (4) QCEs annually. If you register for more than one (1) QCE offered during a quarter,

then you must pay the then-current registration fee for such QCE prior to attendance. In addition, if you register for a QCE less than two (2) weeks prior to the date of the QCE, then we may charge a late fee, and if you change or cancel your registration within two (2) weeks prior to the date of the QCE, we may also charge you a cancellation or change fee. The current fee for late registrations, changes or cancellations that occur within two (2) weeks but more than three (3) days from the start of the QCE is \$250. The current fee for cancellations within three (3) days or no shows is \$850. These fees are to help to offset our costs and other losses as a result of your change or cancellation and are not a penalty. You understand that our costs will likely increase if there is a delay in notifying us of any cancellation or change and therefore we expect you to notify us as soon as possible of any change in circumstances. You are responsible for your own airfare, lodging, meals not provided to attendees and other costs incurred in attending.

5.4 **Annual EOS Conference.**

Currently we hold an annual EOS Conference (“EOS Conference”) designed for companies operating on EOS, including Clients. We may allow EOS Implementers to attend the EOS Conference only if three or more of their Clients register to attend. The registration fee for implementers varies and is determined based on the number of Clients registered to attend the EOS Conference as set forth in the Operations Manual. We may change the criteria for our implementers to attend the EOS Conference, but we try to apply consistent standards and criteria for similarly situated franchisees. If you qualify to attend the EOS Conference, you will be responsible for all of your expenses incurred in connection with attending, including airfare, lodging, meals not provided to attendees, and other travel costs. We reserve the right to hold the EOS Conference virtually or eliminate it completely.

6. **EMPLOYEES.**

6.1 **Employees.**

You may decide whether you need additional employees, personnel or administrative staff to assist you in operating the Franchised Business, but these individuals may not be an Implementer or provide any Implementer Services to Clients (“Personnel”). As a reminder, your Franchise is an individually owned and operated business, therefore you are solely responsible for all hiring, firing, evaluation and employment decisions relating to your Personnel, complying with all laws applicable to such employment, including withholding and wage related laws, and setting the compensation to be paid to your Personnel. We will not be responsible for payment of any compensation to you or your Personnel.

6.2 **Confidentiality Agreements.**

(a) You must ensure that all Personnel or any other person assisting in providing the Services or Products or working on behalf of the Franchised Business associated with your Franchise are only provided access to the Operations Manual, Client Data or other Confidential Information on a strict need to know basis in accordance with Section 16.2 below. At our request, you must cause any such Personnel to sign a confidentiality agreement in such form as we may require or otherwise approve from time to time, prior to receiving access to the Operations Manual, Client Data, or other Confidential Information. You shall maintain copies of all confidentiality agreements signed by your Personnel and others associated with your Franchised Business and provide, if and when requested by us, and in the manner we designate, a copy of each such confidentiality agreement showing compliance with the foregoing requirements. Notwithstanding the foregoing, you shall be responsible for each of your Personnel’s and such other persons’ compliance with your obligations under this Agreement in accordance with Section 16.2 below.

(b) Without limiting your obligations under Section 6.2(a) or elsewhere in this Agreement, you shall, in compliance with any applicable laws, promptly notify us of the names of any

Personnel or any other person who has access to the Operations Manual or other Confidential Information, and any additions or deletions to any of the foregoing.

6.3 **Indemnification.**

You will indemnify us, hold us harmless from, and defend us against any and all liabilities, losses, expenses, and obligations that we may incur related to any of your Personnel (or any person assisting in providing the Services or Products or working on behalf of the Franchise) arising out of any claim, cause of action, complaint, proceeding (in litigation, arbitration, mediation, administrative process or otherwise) relating to your obligations to pay them any compensation or remuneration or otherwise relating to an employment relationship. You understand and acknowledge that we are under no obligation or liability to you or to any of your Personnel for any remuneration, compensation, commission, benefits, employment or any other duty, responsibility, liability or obligation. Your indemnification obligations: (i) include reimbursement to us of any and all of our legal fees and costs in defending any such claim from your Personnel, (ii) survive expiration or termination of this Agreement, and (iii) extend to our affiliates, representatives and agents.

7. **OPERATIONS MANUALS AND FRANCHISOR GUIDANCE.**

7.1 **Operations Manual.**

During the Term, we will provide you with access to our Operations Manual or other guidelines in which we designate our Franchise System Standards (which if tangible, is considered a loan to you for the Term and if electronic, such access is deemed temporary for the duration of the Term). For purposes of this Agreement, our “Operations Manual” means a set of one or more manuals or user guides we make available to franchisees in writing (including in electronic format), and includes any written, audio or visual guidelines, bulletins, newsletters, worksheets, modules, descriptions, videotapes, audiotapes, magnetic media, computer software or instructions concerning Franchise System Standards and other EOS Franchise System operational information, including updates, amendments and supplements. The Operations Manual may be modified, supplemented, or updated by us from time to time to reflect changes in the Franchise System Standards and may be communicated by us, our affiliates, or our designees. Our revisions to the Operations Manual will be effective on delivery to you (including via electronic format), unless we specify a later effective date for a particular revision. If a tangible copy of the Operations Manual is lost, stolen or damaged, you must obtain a replacement from us and we may charge you for such replacement. If a dispute develops with respect to the contents of the Operations Manual, the version of the Operations Manual we designate (or the master copy we maintain at our principal office) will be controlling. You must keep the Operations Manual in a secure location, , which allows access only to those who are bound by duties of confidentiality in manner no less restrictive than those in this Agreement. The Operations Manual is our property and must be returned to us upon our request.

7.2 **Guidance and Assistance.**

9.5 **Further Acts.**

(a) You agree to execute any and all instruments and documents, render such assistance and do such acts and things as may, in the opinion of our counsel, be necessary or advisable in furtherance of the implementation of any assignment provided for in Section 9.1 or Section 9.2 above or the consummation of the transactions contemplated hereby, and you will require the same assignments, waivers and covenants in favor of us and our affiliates by your Personnel and by any independent contractors or other third parties who translate, modify or adapt the Materials or otherwise develop any intellectual property for your Franchised Business.

(b) If registration of any Marks or any copyright of any of the Materials, or translations, modifications, or adaptations of the Materials, is required by law or deemed advisable by us or our affiliates, you agree to cooperate with and assist us and our affiliates in obtaining the registration in our or our affiliate's name, as applicable, and will not register or attempt to register or assist or be involved in any way with the registration (either directly or indirectly) of any Marks, Materials, or translations, modifications, or adaptations of the Materials, in the name of anyone other than us or our affiliates.

9.6 **Franchisee Name.**

You may not use any of our EOS or EOS-related trademarked terms in your Business Entity's name (or any other business entity's name) without our prior written permission. You will hold yourself out to the public as an individually owned and operated business operating an EOS Franchise. Whenever practical, you will clearly indicate on your employment related documents (e.g., employment policies, applications, disciplinary documents, identification cards), business checks, stationery, business cards, invoices, receipts, advertising, public relations and promotional materials, website, and other written materials that you are a

franchise business. If you are operating as a Business Entity, you will file for a business name registration (d/b/a) or other fictitious business name equivalent in the manner required by applicable local law so as to notify the public that you are operating the Franchise as an independent business pursuant to this Agreement. Prior to adoption of a business name, you shall obtain the written approval of such name from us.

9.7 **Further Reservation of Rights.**

Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, in our sole and unrestricted discretion and as we may deem to be in the best interests of all concerned in any specific instance, to vary standards for any franchisee or franchisees based on business potential, business practice or other factors we deem important to the successful operation of such franchise owner's business. We may grant to one (1) or more franchisees variations from standard specifications and practices as we determine in our sole and unrestricted discretion, and we shall have no obligation to grant you like or similar variations. You acknowledge that, over time, we have entered, and will continue to enter, into agreements with other franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement does not in and of itself affect our or your duties to comply with the terms of this Agreement.

10. **DUTIES AND RESPONSIBILITIES.**

10.1 **Methods.**

You must follow our Franchise System Standards when marketing and selling the Products and Services (including but not limited to, conducting Sessions and meetings) and must only market the Products and Services we have authorized you to offer and sell. You must not make any misrepresentations to prospective Clients regarding EOS, the Products, Services, or concerning the Franchise or the EOS Franchise System. Moreover, you must not alter, modify, change or misrepresent the Products or the Services or their marketing materials in any manner whatsoever. Accordingly, you will not disseminate any information, or represent to prospective Clients or others, any information that conflicts with any of the materials we provide you to assist in the sale of the Services or we approve for use by you in the marketing and selling of Services and Products.

10.2 **Record Keeping.**

You must keep and maintain full, complete, and accurate books, records and accounts in accordance with reasonable standards required by us from time to time, including, full, complete, and accurate records of (i) your meetings and Sessions held with Clients both solicited on your own and Warm Leads; and (ii) all Products sold or provided, or Services sold or rendered. The records must include whatever information we consider necessary (and will include information relating to meetings, follow-up calls, etc.) in such format as we may prescribe in the Operations Manual. We may require you to complete and transmit to us periodic reports detailing your activities as provided in the Operations Manual, including additional information we may request from time to time in order to ensure that you satisfy your Minimum Performance Requirements (as defined in Section 10.16 below) or to prepare a financial performance representation for our franchise disclosure document(s). All reports and other records or information provided to us in connection with this Agreement shall be in the English language, unless otherwise agreed by us in writing. We may require that you use our proprietary software or systems, if created, to store this information. Such books, records, and accounts shall comply in all material respects with all requirements of all applicable laws and requirements of all applicable governmental authorities, and shall be retained during the term of your Franchise (including applicable renewals and extension thereof) and for at least seven (7) years thereafter (unless otherwise required or prohibited by applicable law).

10.3 **Delegation.**

Although you may delegate some of your administrative duties under this Agreement to your other Personnel, you remain fully responsible for your performance and only the Implementer is permitted to hold Sessions, meet with Clients and perform the Services. You must use your best efforts to ensure that the Personnel or other persons acting on your behalf do not cause you to breach this Agreement or fail to meet the EOS standards.

10.4 **Insurance.**

(a) You are required to procure prior to providing any Implementer Services to Clients, and maintain at all times during the Term and therefore, as required, at your sole cost and expense, valid, effective and collectible commercial insurance coverage for your Franchised Business that is consistent with industry standards for business coaches, with at a minimum, the types and minimum coverage amounts and on the terms set forth in this Agreement and the Operations Manual.

(b) The cost of the insurance policies may vary depending on the insurance carrier charges, terms of payment, broker commissions, risk profile, deductibles, anticipated or actual business volume, and your loss history. ***The standards and specifications for insurance coverage as set forth in this Agreement and in the Operations Manual are intended as “minimum” standards and you must review your insurance coverage and policies, and you should consult with your insurance agents, brokers, legal counsel or other insurance advisors, to determine if additional coverage is necessary, desired or appropriate for your Franchise in addition to the coverage and limits required by us. We do not represent or warrant that any insurance that you are required to purchase, or which we procure on your behalf, will provide adequate coverage for you. The requirements of insurance specified in this Agreement and in the Operations Manual are for our protection.*** If you believe that you should not be required to carry an identified type of insurance or otherwise comply with our minimum insurance requirements, you must submit a written waiver request and obtain a written waiver from us. Until such time as we notify you in writing of our waiver, you are obligated to comply with all minimum insurance requirements.

(c) If you fail to obtain or maintain the required insurance coverage, we may purchase it for you and require you to pay to us the premium cost plus up to 20% of such costs and expenses as an administrative fee for doing so. We may change or increase insurance requirements, upon reasonable notice to you, to conform to reasonable local business practices or other relevant changes in circumstances or for other commercially reasonable business reasons we deem appropriate. You must use reasonable efforts to ensure that each insurance policy required by us requires the insurer to notify us in writing if the policy is cancelled or expires and you must give us at least thirty (30) days prior written notice before any such event occurs. The insurance must be primary coverage without the right of contribution from any of our insurance.

(d) Insurance policies required under this Agreement and the Operations Manual must name, as permitted by applicable law, us, our affiliates and our and their respective officers, directors, managers, partners, members, affiliates, subsidiaries, employees, and agents as additional insureds, through an endorsement or otherwise, as provided in the Operations Manual. Additional insured coverage must also be primary without the right of contribution from any of our insurance and must be as broad as the coverage provided to the franchisee as the named insured. Additional insured coverage shall include coverage for ongoing and completed operations, and shall not be limited to vicarious liability and shall extend to (and there shall be no endorsement limiting coverage for) the negligent acts, errors or omissions of us or other additional insureds.

(e) Your obligation to obtain and maintain insurance shall not be limited in any way by reason of any insurance that may be maintained by us, nor shall the existence or non-existence of any insurance relieve you of liability under the indemnification provisions set forth in this Agreement.

(f) You shall provide, annually, or more frequently if requested by us, evidence of insurance showing compliance with our insurance requirements, in the manner we provide in the Operations Manual or otherwise designate from time to time. Our receipt, review or verification of certain elements of your insurance does not in any way reduce or eliminate your obligations to fully comply with all of the insurance requirements set forth in this Agreement and/or in the Operations Manual. It is your sole obligation to fully comply with these insurance requirements and it is your sole obligation to confirm with your insurance providers that your policies are in compliance.

10.5 **Compliance with Laws and Good Business Practices.**

You will secure and maintain in force all required licenses, permits, approvals and certificates relating to the operation of the Franchise including all licenses required to perform the different types of Services, including, if applicable, performing Services across jurisdictional lines (the “Required Licenses”). You must promptly and diligently do all things necessary (including providing prompt, thorough, professional and complete responses to any local, state, provincial, federal, national or international regulatory or administrative body with oversight responsibilities for any Required Licenses) to facilitate obtaining the Required Licenses prior to the commencement of business and maintain and renew such Required Licenses when needed. You must operate the Franchise in full compliance with all applicable laws, ordinances, by-laws, and regulations, including, all government regulations relating to occupational hazards and health, safety, privacy, worker’s compensation insurance, unemployment insurance, the ADA, workplace safety, and withholding and payment of local, state, provincial, federal, national or international income taxes, social security taxes, employment, sales and goods and services taxes. You will, in all dealings with Clients, suppliers, us and the public, adhere to the highest standards of professionalism, honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to our business and the goodwill associated with the EOS Franchise System, the Marks and other franchisees.

10.6 **Time to Commence Business.**

You must commence operation of your Franchise within six (6) months from the Effective Date. We will reasonably extend the time to commence the operation of your Franchise for a period of up to sixty (60) days if you are unable to (i) obtain the Required Licenses, (ii) attend Boot Camp, or (iii) otherwise complete all pre-commencement obligations under this Agreement, despite your best efforts and for reasons beyond your reasonable control. Prior to commencing operations, you must (a) furnish us with certificate(s) of insurance for all insurance policies required by Section 10.4; (b) obtain all Required Licenses; (c) complete Boot Camp to our satisfaction; (d) purchase the initial inventory of training binders and other Materials as designated in the Operations Manual (which may be provided in the form of a start-up package); and (e) pay in full all amounts due to us and our affiliates.

10.7 **Authorized Products and Services.**

You shall offer for sale all Products and Services, and participate in all programs, which we designate for the EOS Franchise System, including any additional Services or Products we may now or in the future specify and any other ancillary products and services which we prescribe. You further agree to only sell those goods and services, which we prescribe or otherwise authorize. You may not offer any other products for sale, rent or lease without having received our prior written authorization. You must comply fully and on a timely basis with any changes that we implement in accordance with this Agreement, including the introduction or cessation of any Services or Products.

10.8 **Operations.**

(a) You must devote reasonable best efforts to the operation of your Franchised Business.

(b) You must maintain sufficient inventory of training binders and other Materials as designated in the Operations Manual.

(c) You must be the only Implementer providing services to Clients for your Franchised Business.

(d) You must pay on a timely basis all fees and costs incurred in the operation of the Franchise, whether owing to us or third parties, and you are aware that failure to make prompt payment causes irreparable harm to the reputation and credit of other franchisees and the EOS Franchise System generally.

(e) You must operate the Franchise in compliance with Franchise System Standards so as to preserve, maintain and enhance the reputation and goodwill of the System.

(f) You may not engage in any activity, practice, or acts that may create a conflict of interest with the operation of the Franchised Business.

(g) You agree to provide the highest standard of service in a professional manner in connection with the provision or sale of the Services and Products to ensure complete Client satisfaction and you must also cooperate with us to honor all refund policies that we develop from time to time.

(h) You must participate in our Client Satisfaction Program and any other applicable programs as set forth in the Operations Manual and as applicable, in Section 10.10 below

(i) You must adhere to our Core Values when operating your Franchised Business.

10.9 **Modification of System.**

You expressly acknowledge that the EOS Franchise System must continue to evolve in order to reflect changing market conditions and to meet new and changing client demands. Therefore, variations and additions to the EOS Franchise System may be required from time to time to preserve and enhance the public image of the EOS Franchise System and to improve the continuing operating efficiency of all franchisees. Accordingly, you agree that we may from time to time, upon written notice, add to, subtract from or otherwise change the EOS Franchise System, including, without limitation, adopting new or modified Marks, Products, Services, systems, fees, equipment and techniques and methods relating to the sale, promotion and provision of Services or Products or other changes to the EOS Franchise System.

10.10 **Client Satisfaction and Other Programs.**

You must institute and honor all EOS network satisfaction, loyalty and promotional programs that we require on the terms associated with such network programs, as specified in the Operations Manual, and verify your compliance with all such programs in writing at our request. Without limiting the generality of the foregoing, you acknowledge that Client satisfaction is essential to the Franchised Business's success as well as the reputation, standing and success of the EOS Franchise System and other franchisees and company or affiliate owned outlets. Accordingly, you agree that:

(a) You will participate in the Client Satisfaction Program to the fullest extent permitted by applicable law. The Client Satisfaction Program requires that you will not charge any fee for any session if the Client believes the session did not provide sufficient business value to the Client and sets additional parameters for providing the Services to Clients. The Client Satisfaction Program (including the additional components and terms) is more fully described in the Operations Manual.

(b) You will issue refunds to Clients in accordance with the Client Satisfaction

Program.

(c) You will send surveys to your Clients to evaluate your performance with your Clients in such form and at such intervals as we designate in the Operations Manual and that are conducted in compliance with applicable laws.

(d) You will include the terms of the Client Satisfaction Program in any engagement agreements you sign with any Client.

(e) We reserve the right to contact your Clients directly for the purposes of determining their satisfaction with EOS.

(f) We may modify, change, eliminate or amend the terms of the Client Satisfaction Program or other network programs on thirty (30) days' notice to you.

10.11 **Payment of Debts.**

You are solely responsible for selecting, retaining and paying your Personnel; the payment of all invoices for the purchase of goods for use in the Franchise; and determining whether, and on what terms, to obtain any financing or credit which you deem advisable or necessary for the conduct of the Franchise. You shall pay all current obligations and liabilities to suppliers, lessors and creditors on a timely basis and indemnify us in the event that we elect to pay any of your obligations in order to preserve the relationship between Approved Suppliers and EOS Franchise System franchisees. You shall make prompt payment of all local, state, provincial, federal, national or international taxes, including individual and corporate taxes, sales and use taxes, franchise taxes, goods and services taxes, gross receipts taxes, employee withholding taxes and other remittances, FICA taxes, and personal property and real estate taxes, arising from your operation of the Franchise. You shall indemnify us in the event that we are held responsible for these taxes and other amounts.

10.12 **Notification of Legal Proceedings and Crisis Management Events.**

(a) You will notify us in writing as soon as possible but in no event more than twenty-four (24) hours of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, of which you become aware and which may materially adversely affect the operation or financial condition of your Franchised Business.

(b) Upon the occurrence of a Crisis Event (defined below), you will immediately inform us by telephone and e-mail (or other electronic medium authorized by us for this purpose). You will cooperate fully with us with respect to our response to the Crisis Event. In the event of the occurrence of a Crisis Event, we may also establish emergency procedures which may require you to temporarily cease operations, in which event we shall not be liable to you for any loss or costs, including consequential damages or loss of profits occasioned thereby.

For purposes of this Section, a "Crisis Event" is any event that runs the risk of (1) causing severe harm to Clients, Personnel or the public or damage to their respective property or the environment; (2) falling under close media or governmental or regulatory scrutiny; or (3) jeopardizing or materially interrupting the operation of the Franchised Business, the Marks or the System's reputation, image, products, brand, intellectual property, or management and therefore negatively impacting its future.

10.13 **Press Releases.**

Any press releases or interviews regarding your Franchised Business must comply with the standards and Core Values set forth and described in the Operations Manual. You shall not however make any public statements (including giving interviews or issuing press releases) regarding, directly or indirectly, us or our affiliates, the EOS Franchised System, or any particular incident or occurrence related to the Franchised Business, without our prior written approval.

10.14 **Contributions and Donations.**

Any contributions or donations of items, services, or money to any individual or entity, or the provision of any type of other benefit to any charitable, religious, political, social, civic, or other type of organization (or to any individual on behalf of any organization) that associates with any Mark must be done in compliance with the policies set forth in the Operations Manual or with our prior written approval.

10.15 **Best Efforts and Personal Conduct.**

You shall refrain from committing any act or pursuing any course of conduct that may bring the Marks or EOS Franchise System into disrepute. You shall use best efforts to promote and increase the demand for the Services and Products of the Franchise. All of your advertising and promotion shall be completely factual and shall conform to the highest standards of ethical advertising. You shall refrain from any business or advertising practice which may be injurious to the Franchise or the goodwill associated with the Marks and EOS Franchise System.

10.16 **Minimum Performance Requirements.**

Commencing after you successfully complete Boot Camp, for each measurement period (each a “Measurement Period”), you must perform the minimum number of Client Sessions, receive the minimum average rating for these Sessions, attend at least the minimum number of QCEs, and otherwise maintain any other then-applicable minimum performance requirements to maintain the proficiency for your Tier, as set forth in the Operations Manual (“Minimum Performance Requirements”). Minimum Performance Requirements are evaluated on a rolling quarterly basis or at such other times as we may determine from time to time (each, an “Evaluation Date”). Measurement Periods are periods in which performance is evaluated on a trailing basis as of such Evaluation Date, which are typically twelve (12) month rolling lookback periods but may be extended or otherwise modified from time to time in our reasonable discretion. You must keep and maintain full, complete, and accurate records of all of your Client Session information and provide such information to us along with other periodic reports or other Client Session data we designate in accordance with Section 10.2 of this Agreement. Should you fail to meet the Minimum Performance Requirements in any Measurement Period as a Professional EOS Implementer, we reserve the right to require you to participate in Remedial Training at your own expense. If you fail to meet the Minimum Performance Requirements as of any applicable Evaluation Date in conjunction with your participation in Remedial Training or if you fail to attend and actively participate in any required Remedial Training, we reserve the right to terminate this Agreement pursuant to Section 17.2(f) or Section 17.3(g) of this Agreement, as the case may be. For advanced Tiers, should you fail to meet the Minimum Performance Requirements in any Measurement Period, we reserve the right to lower your Tier and/or require you to participate in Remedial Training at your own expense. We reserve the right to modify the Tier requirements or descriptions set forth in the Operations Manual if we discontinue, amend or change our internal programs and systems for ratings so long as the Minimum Performance Requirements are not materially more burdensome than prior to the modification of the Minimum Performance Requirements.

10.17 **No Discrimination.**

You may not discriminate in the conduct and operation of the Franchised Business against any person or group of persons because of marital status, physical or mental disability, genetic information, race, creed, color, sex, age, national origin or ancestry of such person or group of persons or any other prohibited grounds for discrimination.

11. **ADVERTISING AND PROMOTION.**

11.1 **Generally.**

All your advertising, marketing and other promotional efforts that are in any way related to the Franchised Business and that include or otherwise identify any of the Marks, must conform to all provisions of this Agreement, the Operations Manual, and any other of our branding guidelines and policies that we prescribe from time to time. All advertising, promotion and marketing must be completely clear and factual and not misleading and conform to the highest standards of ethical advertising, marketing and promotion policies that we prescribe from time to time. In no event may any of your promotional materials contain any statement or material which may be considered: (a) in bad taste or offensive to any group or person; (b) defamatory or discriminatory to any person or an attack on a competitor; (c) inconsistent with our public image or Core Values; or (d) not in accord with Franchise System Standards. You must promptly discontinue use of any advertising, marketing or promotional plans or materials, whether or not previously approved, on notice from us. Advertising and promotional efforts and programs include, but are in no way limited to, local advertising, national or other advertising, press releases, uses of social media platforms or other public statements, media and other promotional or public relations events, sponsorships, endorsements and online activities (to the extent permissible in this Agreement). You acknowledge that if you enter into any contract or binding arrangement to use any unapproved advertising or otherwise engage in any unauthorized advertising or promotional efforts, you are doing so at your own risk and therefore, in addition to any rights and remedies in law or in equity that we may have pursuant to this Agreement, you may be obligated to pay for advertising or promotional materials or programs which we will not allow to be used for the Franchised Business or the EOS Franchise System.

11.2 **Grand Opening Advertising.**

There is currently no requirement that you engage in a specific grand opening promotion outside of regular marketing efforts, such as through social media, e-mail marketing, and local networking and business resources. You are not required to spend any amount on grand opening promotions, but we recommend you purchase *Traction* books (which are available for purchase at the EOS Online Store or from third parties) to use in your marketing and promotional efforts.

11.3 **Local Marketing; Special Marketing or Cooperative Programs.**

We do not currently require you spend any minimum amount for local marketing, however, you may wish to conduct local marketing and advertising activities and create marketing co-ops with fellow franchisees, including sponsoring local peer groups to publicize your Franchised Business. We may also establish or otherwise participate in cooperative or special marketing programs. Cooperative advertising or other special marketing programs may include select paid media or other advertising as a flat fee or minimum percentage of revenue. These cooperative or special marketing programs may vary in duration, apply on a local, regional, national or international basis, or involve clusters or groups of Franchised Businesses utilizing services on a shared basis. Examples include sales and marketing programs and customer satisfaction programs. Any such programs may be optional for franchisees or we may require participation.

11.4 **Brand Development Fund.**

(a) We may form a Brand Development Fund to promote EOS, the EOS Franchise System and its Services and Products. The terms of this [Section 11.4](#) are forward thinking to the extent any such Brand Fund may be formed in the future; provided, however, you would be required to comply with applicable terms and conditions for the Brand Fund as we may establish and update from time to time. The Brand Fund will be used for national, international and/or regional advertising, publicity and promotion relating to EOS and the EOS Franchise System. We will have the right to determine the manner in which the contributions to the Brand Fund are spent, and we may use any form of media we determine is appropriate to conduct advertising and may utilize an in-house advertising department or outside agencies.

Some portion of the Brand Fund may be used for creative concept production, website development, marketing surveys, test marketing and related purposes. We will have the right to direct all advertising activities with sole discretion over creative concepts, materials and media used, as well as their placement and allocation, and the right to determine, in our sole discretion, the composition of all geographic and market areas for the implementation of any such advertising and promotional activities.

(b) The Brand Fund will be operated to maximize general public recognition of the Marks and patronage of EOS Worldwide businesses and therefore, we have no obligation to ensure that expenditures of the Brand Fund in or affecting any geographic area are proportionate or equivalent to payments of the Brand Fund contributions by franchisees operating in that geographic area, or that any franchisee's business will benefit directly from any uses or proportionately with any other franchisees.

(c) Brand Fund contributions paid will be kept separate and distinct and will be accounted for separately from our other funds. These funds will not be used to defray any of our general operating expenses, except as described in the paragraph above, and no amount of the Brand Fund will be spent for advertising that is principally a solicitation for the sale of franchises, although we will retain the right to include "Franchises Available" or "Interested in becoming a Professional EOS Implementer" or similar language along with our contact information on Brand Fund advertising.

(d) We may reimburse ourselves out of the Brand Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials and administering the Brand Fund (including without limitation, legal, auditing and accounting fees, salaries of in-house advertising personnel and outside advertising agencies and other expenses incurred in connection with collecting any Brand Fund contributions).

(e) Any sums paid to the Brand Fund that are not spent in the year they are collected will carry over to the following year. For any fiscal year in which we operate or maintain a Brand Fund to which you contribute, then within one hundred twenty (120) days of the fiscal year-end, we will prepare, and furnish to you upon written request, an annual, unaudited statement of funds collected and costs incurred.

(f) Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the Brand Fund.

(g) For purposes of this Agreement, the Brand Fund will be deemed to be our affiliate.

11.5 **Advisory Council.**

We reserve the right to form an advisory council. Any advisory council created will act in an advisory capacity only and will not have decision making authority. We will have the right to form, change, merge and/or dissolve any advisory council at any time. The membership of any advisory council may be determined in our sole discretion and you have no right to sit on an advisory council. If you are chosen and agree to participate on an advisory council, you will pay all costs and expenses you incur related to your participation, including expenses for travel, lodging and meals incurred during attendance at council meetings.

12. **RELATIONSHIP OF THE PARTIES.**

12.1 **Independent Contractors.**

We do not have a fiduciary relationship with you. Neither you nor we are general or special agents, representatives, joint venturers, partners or employees of the other for any purpose whatsoever. You are not entitled to workers' compensation, unemployment compensation, or any other statutory or regulatory

benefit or right predicated on an employer-employee relationship. We have no obligation to carry workers' compensation coverage or pay unemployment compensation taxes or withhold any amounts from payment to you for local, state, provincial, federal, national or international income taxes or for social security taxes, employment taxes, withholdings or other applicable remittances, unless otherwise required by applicable laws and regulations. We have no obligation to provide you with any employment and fringe benefits that we may provide to employees, such as health insurance, for example. The foregoing also applies to any relationship we have with your Personnel.

12.2 **Taxes.**

(a) You shall promptly pay when due all taxes (as defined below), levied or assessed, and all accounts and other indebtedness of every kind incurred by you in the conduct of the Franchised Business under this Agreement, including Transfer Taxes required under Section 4.13 and applicable law. Without limiting the provisions hereof, you shall be solely liable for the payment of all taxes and shall indemnify us and hold us and our affiliates harmless for the full amount of all such taxes and for any liability (including penalties, interest and expenses) arising from or concerning the payment of taxes or the failure to timely remit them to the appropriate taxing authority, whether such taxes were correctly or legally asserted or not. Upon our request you shall submit a copy of all tax filings sent to federal, provincial and municipal tax authorities to us within ten (10) business days of our request.

(b) The terms "tax(es)" means any present or future taxes, levies, imposts, duties, or other charges of whatever nature, including any interest or penalties thereon, imposed by any government or political subdivision of such government on or relating to the operation of the Franchised Business, the payment of monies, taxes imposed on the Membership Fees paid to us, or the exercise of rights granted pursuant to this Agreement, whether imposed upon you or us, and include specifically, applicable Transfer Taxes.

(c) In the event of any bona fide dispute as to your liability or obligations for taxes assessed or other indebtedness, you may contest the validity or the amount of the taxes or indebtedness in accordance with the procedures of the taxing authority or applicable law. However, in no event shall you permit a tax sale or seizure by levy of execution or similar writ or warrant or attachment by a creditor to occur against the premises of the Franchised Business or any improvements thereon.

(d) We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, payroll, property, withholding or other taxes in connection with the business you conduct (except any Transfer Taxes we are required by law to collect from you with respect to purchases from us, subject to Section 4.13). Payment of all such taxes is your responsibility.

13. **INDEMNIFICATION.**

13.1 **By You.**

(a) You agree to indemnify, defend and hold harmless us, our affiliates and our and our affiliates' respective members, directors, officers, owners, employees, agents, contractors, advisors, successors and assignees (each an "Indemnified Party" and collectively the "Indemnified Parties") against and to reimburse each Indemnified Party for all losses, expenses, judgments, settlements, claims, liabilities, investigations, reasonable legal fees, costs (including, without limitation, expert witness fees, court costs, accounting fees, travel and living expenses) and damages arising out of any claim directly or indirectly related to the operation of your Franchise or your Franchised Business, or arising out of a breach of this Agreement or any other agreement you sign with us or any affiliate of ours in connection with your Franchise as well as any and all of your obligations to file and pay taxes described in this Agreement; provided, however, that you shall not be required to hold harmless or indemnify us for any losses relating

to any claim to the extent such losses arise out of our gross negligence or willful misconduct. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration, transfer, or termination of this Agreement. Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

(b) We have the right to retain counsel of our own choosing in connection with any claim, investigation or other proceeding that may give rise to a claim for indemnification from you in this Agreement. In order to protect our reputation and goodwill or the reputation or goodwill of others, we have the right to, at any time and with or without notice, take such remedial or corrective actions as we deem expedient with respect to any claim, investigation other or proceeding if, in our sole judgment, there are grounds for indemnification by you under this Agreement. You shall cooperate with us in our handling of any such claim, investigation or other proceeding. If our exercise of our rights under this Section causes your insurers to refuse to pay a third-party claim, all cause of action and legal remedies you might have against such insurer shall automatically be assigned to us without the need for any further action on either party's part.

13.2 **By Us.**

We agree to hold harmless and indemnify you against any third party claim for copyright, service mark or trademark infringement, including reasonable legal fees and court costs in connection with such claims, arising out of your authorized use of our materials or the Intellectual Property in accordance with this Agreement and the Operations Manual; provided you notify us in writing within thirty (30) days, or within such shorter period as is necessary to avoid prejudice, after learning of any claim, and also provided we have the right to control any litigation or proceeding resulting from any such claim.

14. **REPORTS, FINANCIAL STATEMENTS, INSPECTIONS AND AUDITS.**

14.1 **Our Rights to Inspect the Franchise.**

To determine whether you are complying with this Agreement and all Franchise System Standards, to the extent permitted by applicable law, we and our designees (which may include other franchisees) have the right at any time to:

(a) observe, photograph and videotape the operations of the Franchise and any Services it provides or Products it sells for such consecutive or intermittent periods as we deem necessary;

(b) interview Personnel and Clients that receive Sessions, Services or Products from the Franchised Business; and

(c) inspect and copy, download or archive any books, records, computer data, and documents relating to your operation of the Franchise or the Franchised Business.

If you are in default of any obligations under this Agreement, we may, in addition to any other remedy we may have under this Agreement, temporarily restrict your access to any Computer System or Required Technology, or all or any part of the EOS related data contained within the Computer System or Required Technology, until you have cured such default completely. You must immediately correct or repair any unsatisfactory conditions we specify. We assume no liability or responsibility for monitoring, tracking or tracing of your Personnel or Franchise operations. Any temporary access to your Computer System is solely for the purpose of confirming your compliance with the terms of this Agreement, Operations Manual and Franchise System Standards.

14.2 **Our Rights to Audit.**

We have the right at any time during your business hours, and upon forty-eight (48) hours prior notice to you, to inspect and audit, or cause to be inspected and audited, your business, bookkeeping, accounting and invoicing records, sales and income tax records and returns, online bank accounts, online credit card accounts and any other records related to the Franchised Business. You must segregate all Franchised Business records and agree to cooperate fully with us and our representatives to help facilitate any such audit. If our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis, you agree to reimburse us for the reasonable cost of such inspection or audit, including, without limitation, the charges of legal counsel, independent accountants, and employees and their travel expenses, room and board. You also must immediately pay us any shortfall in the amounts you owe us, including late fees and interest as described in Section 4.12. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

14.3 **Distribution of Franchisee Information.**

(a) You acknowledge and agree that we have the right to share any information about your Franchise collected by us or our affiliates or agents, including historical performance of the Franchised Business, to any third party, including other franchisees, prospective buyers of your or our business, lenders, and prospective franchisees (including within our franchise disclosure documents), for any legitimate business purpose, including for benchmarking purposes. This information may include, but is not limited to, historical performance information and data regarding your sales, Sessions, expenses, revenues, costs, taxes, profit margins, warranty claims, or customer service survey results.

(b) Without limiting the foregoing, you hereby consent to our disclosure of Personal Information concerning you and the Franchised Business, namely the identity of Franchisee, Business Entity if applicable, address, e-mail address and telephone number, in our franchise disclosure document, whether or not such disclosure is required by law, and other documents relating to the sale of EOS franchises.

15. **TRANSEERS.**

15.1 **By Us.**

This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests. We may assign our interest in this Agreement, directly or indirectly, by merger, public or private offering, assignment, pledge or other means, without your approval or consent; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor under this Agreement and the assigning Franchisor shall thereafter have no liability for the performance of any obligations contained in this Agreement subject to applicable law. You expressly and specifically waive any claims, demands or damages arising from or related to the loss of any Marks (or any variation thereof) and/or the loss of association with or identification of EOS Worldwide Franchising, LLC or its affiliates. Nothing contained in this Agreement will require Franchisor or its affiliates to continue to offer franchises, whether in the event that Franchisor exercises its rights to assign or otherwise transfer its rights in this Agreement or otherwise.

15.2 **By You.**

The rights and duties along with the Franchise granted in this Agreement are personal to you, and we have granted the Franchise to you in reliance upon our perceptions of your individual character, skill,

aptitude, business ability and financial capacity. Accordingly, you may make no Transfer (as defined below) without our prior written approval, such approval not to be unreasonably withheld. Any purported Transfer without such approval will be null and void and constitute a material breach of this Agreement and will entitle us to terminate this Agreement.

15.3 **Definition of Transfer.**

As used in this Agreement, the term “Transfer” means your voluntary, involuntary, direct or indirect assignment, sale, gift, pledge, mortgage, disposal or other disposition of any legal or beneficial interest in: (i) the Franchise Agreement, (ii) any material asset of the Franchised Business; or (iii) the ownership interest in the Franchised Business, whether in the form of equity or voting interest. Transfers may include any merger or consolidation of the Business Entity, the issuance of additional securities or other ownership interests of the Business Entity, and transfers resulting from proceedings under the *U.S. Bankruptcy Code* or any other similar applicable law, and transfers resulting from death, divorce or disability.

15.4 **Notice of Transfer.**

You agree to notify us in writing of any planned Transfer and provide us with any information we may reasonably request in order to permit us to evaluate the planned Transfer. We must approve all transfers.

15.5 **Conditions for Approval of Transfer.**

If you are in full compliance with this Agreement, then subject to the other provisions of this Agreement, we will approve a Transfer that meets all the applicable requirements of this Section:

(a) the transferee meeting or exceeding the approval criteria applied to new franchisees of the System, including, without limitation, passing a background check and having sufficient business experience, aptitude and financial resources to operate the Franchise, all at our sole discretion;

(b) you have paid all amounts owed for purchases from us and all other amounts owed to us, our affiliates, or to third-party creditors and have submitted all required reports and statements;

(c) the transferee has entered into our then-current form of franchise agreement for new franchisees for the remainder of the current Term under this Agreement (with any remaining Renewal Terms available); provided, that, or if we have ceased offering franchises, an assignment and assumption agreement in a form acceptable to us in which the transferee has agreed to assume all obligations, debts and liabilities under this Agreement or with respect to the Franchised Business;

(d) the transferee agrees to upgrade the Franchise to conform to our then-current Franchise System Standards and attend Boot Camp at our then-current Boot Camp fees prior to performing any Implementer Services;

(e) you or the transferee pay us a transfer fee equal to \$5,000;

(f) you and the transferee sign a general release in the form set forth on Exhibit A attached hereto (or any other form required by or acceptable to us) in favor of us and our affiliates, and our and our affiliates’ respective members, owners, officers, directors, employees, consultants, advisors, agents, successors and assigns (in their corporate and individual capacities), for all claims arising out of or related to this Agreement or your Franchise up to the date of the transfer, except in respect of those claims and causes of action which cannot be released under applicable law;

(g) we have approved the material terms and conditions of such Transfer and determined that the price and terms of payment will not adversely affect the transferee’s operation of the

Franchise;

(h) if you finance any part of the sale price of the transferred interest, you have agreed that all of the transferee's obligations pursuant to any promissory notes, agreements or security interests that you have reserved in the sale documents are subordinate to the transferee's obligation to pay Membership Fees and other amounts due to us and our affiliates, and otherwise to comply with this Agreement; and

(i) upon our request, you have agreed that you will provide guidance and transitional support related to existing Clients, personnel, marketing, and compliance of Franchise System Standards for a period of no less than ninety (90) days from the effective date of the Transfer.

15.6 **Permitted Transfers.**

(a) For Individuals for Planning To Family Members Only. You may Transfer this Agreement to a spouse, child, parent, sibling (each, a "Permitted Transfer"); provided, that in the case of a Permitted Transfer, you obtain our prior written consent in the same manner as that required under Section 15.2 above, except that our consent to any such Permitted Transfer shall not require the payment of a Transfer fee as set forth in Section 15.5(e).

(b) For Business Entities to Existing Members Only. As a Business Entity, only Transfers of any existing equity of the Business Entity to other existing current owners may qualify as a "Permitted Transfer" and may qualify only to the extent that there is no change to the Implementer as a result of such Transfer, and the Implementer continues to qualify with each of the conditions set forth in Section 2.8 of this Agreement.

If a proposed Transfer fails to qualify as a Permitted Transfer, then such Transfer shall be subject to the conditions set forth to the terms and conditions of this Section 15 of the Franchise Agreement without regard to this Section 15.6.

15.7 **Operation and Transfers Upon Death, Disability or Other Extraordinary Circumstances.**

Upon your death or disability, you or your executor, administrator, or other personal representative must within a reasonable time, not to exceed one hundred and eighty (180) days from the date of death or disability, Transfer this Agreement to a new Implementer who must be approved by us. For purposes of this Agreement, the term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent the Implementer from managing and operating the Franchise for an extended period of time. We recognize that our franchisees may also encounter other extraordinary circumstances that may require extended time away from their Franchised Business. We may also in our reasonable discretion create a policy that is intended to provide franchisees with an ability to request a leave of absence or hiatus for those extraordinary circumstances that may or may not qualify as a disability. Leaves of absence or other hiatuses, as applicable, may be granted on a case-by-case basis, in our sole discretion, subject to applicable law. Pending the Transfer to a new Implementer as provided above or return from a leave of absence or hiatus, as the case may be, if, in our judgment, the Franchise is not being managed properly, we have the right, but not the obligation, to exercise our Step-In Rights pursuant to Section 17.5(b) below during any such period. A failure to timely Transfer this Agreement to a new Implementer within such 180-day period or to timely return from a granted leave of absence or hiatus constitutes a material breach of this Agreement. Any Transfer of this Agreement as a result of any such death or disability, including, without limitation, Transfers by bequest or inheritance, will be subject to all of the terms and conditions applicable to Transfers contained in this Section; provided, however, that we

will waive the Transfer fee required under Section 15.5(e) for the initial Transfer as a result of a death or disability.

15.8 Effect of Consent to Transfer.

(a) Our consent to a Transfer of this Agreement and the Franchise or any interest in you shall not constitute a waiver of any claims we may have against you, nor shall it be deemed a waiver of our right to demand compliance with the terms of this Agreement. Further, our consent to a Transfer of this Agreement and the Franchise or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the Franchise or transferee or a waiver of any claims we may have against you or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.

(b) You further acknowledge that a Transfer will not relieve you of any of your obligations contained in this Agreement unless expressly released by us in writing. Accordingly, you will unless otherwise released by us in writing, remain jointly and severally responsible with your transferee for any obligations arising or accruing in connection with your operation of the Franchised Business, including with respect to any indemnification obligations under this Agreement and any obligations to provide us information and cooperation related to the Franchise, which shall survive such Transfer and the execution by the transferee of any new franchise agreement for all purposes. For purposes of Section 16 of this Agreement, such Transfer shall be deemed a termination of this Agreement for purposes of determining your post-Transfer obligations therein.

(c) Subject to Section 15.8(b) above, upon the consummation of a Transfer approved by us, you will not have any liability under this Agreement for any claim, debt, liability, cause of action or other obligation that accrues as a result of your transferee's operation of the Franchised Business.

15.9 Waiver of Interference Claims.

You acknowledge that we have legitimate reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with you. You also acknowledge that our contact with potential transferees for the purpose of protecting our business interests will not constitute wrongful conduct, including without limitation, unlawful interference with your business or contracts. You expressly authorize us to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms with the transferee, and to withhold consent to economically questionable transactions where reasonable to do so. Without limitation of the foregoing, you waive any claim that any action we take in relation to a proposed Transfer to protect our business interests constitutes tortious interference with contractual or business relationships and you shall indemnify us, hold us harmless from, and defend us against any and all claims by your transferee in connection with any such reasonable action we take in relation to a proposed Transfer to protect our business interests, including claims for tortious interference with contractual or business relationships.

16.7 **Non-Disparagement.**

You agree not to take any action or make any statement, either directly or indirectly, and shall ensure that your Personnel or others associated with your Franchised Business do not take any action or make any such statement, including through social media, the effect of which would be to directly or indirectly impair our goodwill or our rights to our Intellectual Property or the goodwill of the EOS Franchise System, our affiliates, or be materially detrimental to us, our affiliates, or our franchisees or other Franchises, including, but not limited to any action or statement intended, directly or indirectly, to benefit any of our competitors. The foregoing however shall not apply to any judicial, arbitration or other dispute resolution process in connection with any litigation, mediation, arbitration or administrative or other judicial proceeding arising under any claim brought in connection with this Agreement, or when compelled to testify under oath by subpoena, regulation or court order. This provision survives forever.

16.8 **Equitable Relief.**

Due to our interest in the Confidential Information and Client goodwill, you agree that damages cannot fully compensate us if you breach this Section 16 of this Agreement. Thus, if you breach Section 16 of this Agreement, we are entitled to an injunction restraining you from any further breach and other equitable relief. We may obtain the injunction without bond and without notice. Your only remedy if such an injunction is issued is its dissolution, if warranted, upon an appropriate hearing. Furthermore, if any of the restrictions set forth in Sections 16.5 or 16.6 are deemed entirely unenforceable or invalid under any local, state, provincial, federal, national or international law, rule, regulation, administrative decision or finding, then you will not be bound by such unenforceable or invalid provision(s), as the case may be, but the covenant may be unilaterally replaced by us with a covenant of lesser scope or duration which would be enforceable and you shall continue to be bound by all other provisions of these sections which are valid and enforceable.

Nothing contained herein shall prevent us from exercising any other right, which we may have under this Agreement, including, without limitation, termination.

17.6 **Obligations Upon Termination/Expiration.**

Upon any expiration or termination of this Agreement for any reason, you must, at your cost and expense:

(a) immediately cease to use any of the Confidential Information, the Intellectual Property and the Marks;

(b) immediately return to us (or destroy upon our request) all of your copies of any materials containing any of the Confidential Information or any materials bearing the Intellectual Property or the Marks and all copies and records of the Lists and Client Data;

(c) upon our request, cooperate in assigning to us or to a person or entity designated by us any and all vendor agreements or sales or service contracts for the Products or the Services with Clients of your Franchise, which will be automatic at our option as a result of the termination or expiration;

(d) immediately cease all use of our Marks and Intellectual Property including any of our marketing materials and brochures and stop holding yourself out to the public as associated with us in any way including the removal of all trade dress;

(e) immediately terminate your access to our Computer Systems, any Required Technology, any E-Commerce activities we designate, and any other applicable EOS systems to which you had access as a franchisee, and immediately remove any Franchise related proprietary software from your computer(s);

(f) immediately pay us all unpaid fees and pay us, our affiliates, and our approved and designated suppliers and vendors that relates to the operation of the EOS Franchise, all other monies owed thereto; and

(g) comply with the post-termination covenants set forth in Section 16 hereof and elsewhere in this Agreement, all of which will survive the transfer, termination or expiration of this Agreement and cease any and all contact with Clients, suppliers, vendors, employees or our agents without our prior written consent.

Alternatively, we may elect in our sole discretion, to undertake the obligations set forth in subsections (a)-(f) above and charge you for our costs and expenses incurred therewith. You hereby appoint us as your duly appointed agent and attorney in fact by way of power of attorney with the absolute right (but not the obligation) to perform the acts specified in this Section at your sole cost and expense. The appointment of us as your agent and attorney in fact by way of power of attorney for the purposes set forth herein is declared and acknowledged to be coupled with an interest and is irrevocable. The grant of power of attorney herein shall include full powers of substitution.

17.7 **Right to Purchase Assets.**

If (i) this Agreement expires or is terminated by either party for any reason whatsoever, (ii) you at any time cease to do business as an EOS Franchise, then we have the right, but not the obligation, to purchase your Franchise, including the then-usable supplies, inventory, and all other assets owned by you in your Franchise and to acquire your lease or other contract rights (hereinafter referred to in this provision as the “Franchise Assets”) as determined by us in our sole discretion, at book value (cost less depreciation) without considering any value for goodwill associated with the name “EOS”. We will have the right, but not the obligation, to purchase any or all of the Franchise Assets from you for cash within thirty (30) days after the event triggering this second right of first refusal occurs. Nothing in this provision may be construed to prohibit us from enforcing the terms and conditions of this Agreement, including the covenants not to compete contained in Section 16.

19. **BUSINESS ENTITY.**

You will sign this Agreement personally in your individual capacity but you may, but are not required, and only with our prior written consent, such consent not be unreasonably withheld, form a business organization (e.g., corporation, limited liability company or partnership) (a “Business Entity”) to operate your Franchised Business in whole or in part.

By signing this Agreement (including by way of a Joinder), you and the Business Entity, as applicable, jointly and severally agree and represent that:

(a) Unless waived by us in writing, you must own at least fifty one percent (51%) of the equity interests of the Business Entity throughout the remainder of the Term;

(b) The provisions of this Agreement that apply to you individually in this Agreement shall apply equally to your Business Entity, and that your Business Entity must execute a Joinder to this Agreement (a “Joinder”) in the form set forth on Exhibit C attached hereto (or any other form required by or acceptable to us), agreeing to be bound by the terms and conditions of this Agreement;

(c) The Business Entity is duly organized or formed and validly existing and remains in good standing under the laws of the state of your incorporation or formation throughout the Term;

(d) Unless waived by us in writing, such Business Entity is newly organized for purposes of operating the Franchised Business and will only conduct the Franchised Business and no other business; and

(e) you personally and unconditionally, jointly and severally with the Business Entity (a) guarantee to us and our successors and assigns that the Business Entity, as applicable, will punctually perform each and every undertaking, agreement and covenant set forth in this Agreement as if the Business Entity was the named “franchisee” hereunder; and (b) agree to be personally liable, jointly and severally with the Business Entity, to us and our affiliates for the performance by, and any breach of, the Business Entity of each and every covenant and other provision in this Agreement.

20. DISPUTE RESOLUTION.

20.1 Governing Law.

Except to the extent this Agreement or any particular dispute is governed by the U.S. *Trademark Act of 1946 (Lanham Act)*, 15 U.S.C. §1051 and the sections following it) or other federal law, this Agreement and the Franchise shall be enforced and governed by and under the substantive law of the State of Delaware, without regard to choice of law rules, unless otherwise provided herein.

20.2 Jurisdiction.

Except as otherwise set forth herein, the exclusive venue and exclusive forum for all disputes between the parties shall be any court of general jurisdiction located in Delaware and/or the United States District Court for the District of Delaware, and the parties to this Agreement hereby waive any and all objections with regard to personal jurisdiction and/or venue.

Notwithstanding Section 20.1 or Section 20.2 to the contrary, if the laws of the state or jurisdiction in which you operate the Franchised Business requires or deems or the laws of any other state or jurisdiction in which you do business require or deem that the laws of such state or jurisdiction apply to this Agreement and/or the grant of the franchise contemplated hereunder, then the laws of such state or jurisdiction and any dispute resolution proceedings shall apply and be conducted in and in accordance with the applicable laws of such state or jurisdiction to the extent required. Nothing in this Agreement shall restrict the application of the applicable franchise legislation in such state or jurisdiction or to restrict jurisdiction or venue to a forum outside of such state or jurisdiction with respect to a claim otherwise enforceable under such applicable franchise legislation.

20.3 Internal Dispute Resolution.

Prior to the initiation of formal dispute resolution procedures, you must first attempt to resolve any

dispute with us or our affiliates informally in accordance with the following internal dispute resolution procedure (“IDR”):

(a) You must notify us in writing of any dispute in accordance with Section 18;

(b) You and a member of our management team with decision making authority will then meet as often, for a duration and as promptly as the parties deem necessary, to discuss the dispute and negotiate in good faith to resolve the dispute. The specific format for such discussions will be left to the discretion of the parties.

(c) Formal proceedings for the resolution of a dispute may not be commenced until the earlier of: (i) the good faith determination by either party that amicable resolution through continued negotiation of the matter does not appear likely; or (ii) sixty (60) days following the date of your initial written notice to us.

This agreement to first attempt resolution of disputes internally through IDR will survive termination or expiration of this Agreement.

20.4 **Mediation.**

At our sole discretion, any disputes and claims arising out of or relating to this Agreement, the rights and obligations of the parties hereto, third-party beneficiaries, and/or any guarantors and/or transferees of this Agreement, or any claims between any of the above parties, or any other claims or causes of action relating to the making, interpretation, or performance of either party under this Agreement or that is in any way related to your Franchise, will be submitted to non-binding mediation conducted before a sole neutral mediator who has at least five (5) years’ experience in franchise and distribution law and who is referred by the American Arbitration Association (“AAA”) in accordance with its Commercial Mediation Procedures. Mediation will be conducted in Michigan. Franchisor and Franchisee shall each bear all of their own costs of mediation; provided, however, the fees of the mediator shall be divided equally between you and us. The mediator will be disqualified as a witness, expert or counsel for any party with respect to the dispute and any related matter. Mediation is a compromise negotiation and will constitute privileged communications under the law governing this Agreement. This means that the entire mediation process will be confidential and the conduct, statements, promises, offers, views and opinions of the mediator and the parties will not be discoverable or admissible in any legal proceeding for any purpose; provided, however, that evidence which is otherwise discoverable or admissible will not be excluded from discovery or admission as a result of its use in the mediation. We will notify you of our election to submit any dispute to non-binding mediation within thirty (30) days of receiving written notice of a dispute, claim, or alleged cause of action from you or at the time we provide you with notice of a dispute, claim, or alleged cause of action, as applicable. If the dispute has not been resolved through the mediation proceedings, any party may terminate the mediation and proceed to arbitration as set out below.

20.5 **Arbitration.**

At our sole discretion, any disputes and claims arising out of or relating to this Agreement, the rights and obligations of the parties hereto, third-party beneficiaries, and/or any guarantors and/or transferees of this Agreement, or any claims between any of the above parties, or any other claims or causes of action relating to the making, interpretation, or performance of either party under this Agreement or that is in any way related to your Franchise, may be resolved by submission to binding arbitration by and before a neutral franchise attorney referred by AAA and selected by the parties in accordance with the then-existing Commercial Arbitration Rules of the AAA. All hearings and other proceedings will take place in Michigan. We will notify you of our election to submit any dispute to arbitration (i) within thirty (30) days of receiving written notice of a dispute, claim, or alleged cause of action from you; or (ii) within thirty (30) days of a non-binding mediation determination pursuant to Section 20.4 above; or (iii) at the time we provide you with notice of a dispute, claim, or alleged cause of action, as applicable.

(a) The following shall supplement and, in the event of a conflict with any law or rule, including but not limited to the AAA Commercial Arbitration Rules, shall govern any dispute submitted to arbitration. The parties shall select one (1) arbitrator from the proposed list of neutral arbitrators provided by the AAA who has at least five (5) years' experience in franchise and distribution law. If the parties are unable to agree upon an arbitrator, each party to the dispute shall have fifteen (15) days from the transmittal date of the proposed list in which to strike names objected to, number the remaining names in order of preference, and return the list to the AAA. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable. From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the AAA shall invite the acceptance of an arbitrator to serve. If the parties fail to agree on any of the persons named, or if acceptable arbitrators are unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the process of submitting lists shall continue until a suitable arbitrator is selected. In all aspects of conducting the arbitration and in rendering his or her decision, the arbitrator shall enforce and apply the substantive laws of the State of Delaware for interpretation of this Agreement, without regard to choice of law rules. The parties may conduct one (1) seven-hour discovery deposition of the opposing party. Any party wishing to take such a deposition must describe with reasonable particularity, in the notice of deposition, the matters to be inquired into at the deposition, and where we are the party being deposed, we must designate at least one designated representative who consents to testify on our behalf. No other discovery depositions shall occur, unless the arbitrator finds such additional depositions to be necessary after written request and an opportunity to be heard. Each party shall be permitted up to ten (10) interrogatories and reasonable requests for production of documents. Each party shall be entitled to file a motion to dismiss, a motion for summary judgment and reasonable motions in limine. The arbitrator shall permit a responding party a reasonable period of time to respond in writing to any such motions. The arbitrator shall apply the Federal Rules of Evidence at the hearings. The arbitrator's award shall include an award of pre-hearing interest from the date upon which any damages were incurred, and from the date of the award until paid in full, at a rate to be fixed by the arbitrator, but in no event less than one and one-half percent (1.5%) per month, or part of a month (unless a lower rate is required by law). The prevailing party shall be entitled to recover from the non-prevailing party all costs of arbitration, including, without limitation, the arbitrator's fee, interest, and costs of investigation pursuant to Section 20.14 below. In addition, the prevailing party shall be entitled to an award of its reasonable and necessary legal fees. The arbitration hearings shall be completed within one hundred and fifty (150) days of the filing of the arbitration demand, unless the arbitrator, for good cause, must extend this deadline.

(b) The arbitrator shall have no authority to amend or modify the terms of the Agreement. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any arbitration hereunder, except to the extent such issue may have been determined in another proceeding between the parties. Judgment upon the award of the arbitrator shall be submitted for confirmation to the United States District Court for the District of Delaware or any other court of general jurisdiction located in Delaware and, if confirmed, may be subsequently entered and/or docketed, including as a judgment, in any court having competent jurisdiction. Similarly, any appeals from and/or relating to any arbitration which may be brought in accordance with this Section 20.5 shall be heard before the United States District Court for the District of Delaware, or any other court of general jurisdiction located in Delaware.

(c) The arbitration provisions of this Agreement shall survive any termination or expiration of this Agreement.

20.6 **Injunctive Relief.**

Nothing contained in this Agreement shall prevent us from applying to and/or obtaining from any court having competent jurisdiction, a writ of attachment, injunctive relief, including without limitation, a

temporary, preliminary or permanent injunction and/or other interlocutory or emergency relief available to safeguard and protect our interests. We are entitled to seek this relief without the posting of any bond or security and, if a bond is nevertheless required by a court of competent jurisdiction, the parties expressly agree that the sum of \$1,000 is a sufficient bond.

20.7 **Third Party Beneficiaries.**

Our affiliates, and the Brand Fund (as applicable) and their respective officers, directors, members, agents, representatives, affiliates, and/or employees are express third party beneficiaries of the provisions of this Agreement, including rights to indemnification and the mediation and arbitration provision set forth in this Section 20, each having authority to specifically enforce the right to mediate/arbitrate/litigate claims asserted against such person(s) by you or asserted in relation to this Agreement.

20.8 **Prior Notice of Claims.**

As a condition precedent to commencing an action for damages or for our violation or breach of this Agreement, you must notify us within ninety (90) days after the occurrence of the violation or breach, and failure to timely give such notice will preclude any claim for damages.

20.9 **Cumulative Remedies.**

The remedies available to any party if the other party breaches this Agreement are cumulative. The exercise of any remedy will not limit any other remedies that may be available. Both parties will also be entitled to any and all remedies available under applicable law.

20.10 **Waiver of Punitive Damages.**

WITHOUT LIMITING YOUR OBLIGATIONS TO INDEMNIFY US PURSUANT TO THIS AGREEMENT, BOTH PARTIES EACH WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO, OR CLAIM OF, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. YOU AND WE ALSO AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN YOU AND US, THE PARTY MAKING A CLAIM WILL BE LIMITED TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS AND ANY OTHER DAMAGES AWARD SPECIFICALLY REFERENCED IN THIS AGREEMENT.

20.11 **Limitations of Claims.**

ANY AND ALL CLAIMS ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP BETWEEN AND/OR AMONG YOU AND US MUST BE MADE BY WRITTEN NOTICE TO THE OTHER PARTY WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHEN IT BECOMES KNOWN); EXCEPT FOR CLAIMS ARISING FROM: (A) INDEMNIFICATION; OR (B) UNAUTHORIZED USE OF THE MARKS, INTELLECTUAL PROPERTY OR CONFIDENTIAL INFORMATION. HOWEVER, THIS PROVISION DOES NOT LIMIT THE RIGHT TO TERMINATE THIS AGREEMENT IN ANY WAY.

20.12 **Waiver of Jury Trial.**

BOTH PARTIES IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER YOU OR US.

20.13 **Waiver of Class Actions.**

Each of the parties hereby irrevocably waives the right to litigate on a class action basis, in any action, proceeding, or counterclaim, whether at law or in equity, brought by any party.

20.14 **Arbitration/Litigation Expenses.**

In any action or dispute, at law or in equity, that may arise under or otherwise relate to the terms of this Agreement, the prevailing party shall be entitled to full reimbursement of its arbitration or litigation expenses from the other party. Litigation or arbitration expenses include reasonable legal fees, arbitrator's fee, defense costs, witness fees including expert witness fees and costs and other related expenses including paralegal fees, administrative costs, investigative costs, court reporter fees, sales and use taxes, if any, travel and lodging expenses, court or arbitration costs, and all other charges billed by the legal counsel to the prevailing party. Reimbursement is due within thirty (30) days of written notice of an award or other notice of the expenses due. If we engage legal counsel for your failure to pay when due any monies owed under this Agreement or to submit when due any reports, information or supporting records, or for any failure otherwise to comply with this Agreement, you must reimburse us on demand for all of the above-listed expenses we incur.

21. MISCELLANEOUS.

21.1 Severability.

If any of the provisions of this Agreement are held invalid for any reason, then that provision shall be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and if an unenforceable provision is modified or disregarded, then the rest of this Agreement will not be affected and will remain in full force and effect in accordance with its terms; provided, however, if we determine that a finding of invalidity adversely affects the basic consideration of this Agreement, we have the right to, at our option, terminate this Agreement.

21.2 Waivers.

Waiver of any provision of this Agreement will not be valid unless in writing and signed by the person against whom it is sought to be enforced. The failure by either party to insist upon strict performance of any provision will not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same provision at any other time, or any other provision of this Agreement.

21.3 Entire Agreement.

This Agreement, including any schedules, amendments, addenda, and exhibits comprise the entire Agreement between the parties relating to its subject matter, and supersedes all prior agreements, proposals, representations and commitments, oral or otherwise; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by us in the Disclosure Document, or its attachments or exhibits, that was furnished to you by us. This Agreement may only be amended in writing by an instrument signed by the authorized representatives of each party.

21.4 Counterparts.

This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one (1) and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal E-SIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

21.5 Timing.

Time is of the essence of this Agreement. However, whenever the time for the performance of any action or condition contained in this Agreement falls on a Saturday, Sunday or legal holiday, such time will be extended to the next business date. Indications of time of day mean time in Delaware.

21.6 Multi-State Addendum.

Attached as Exhibit B to this Agreement (the “Multi-State Addenda”) and incorporated herein by reference, as applicable, are additional terms and conditions applicable to franchisees based in certain states within the United States of America. Each provision of the Multi-State Addenda shall be effective only to the extent that the jurisdictional requirements of the applicable state law are met independent of the Multi-State Addenda. To the extent the Multi-State Addenda shall be deemed to be inconsistent with any terms or conditions of this Agreement (including its exhibits or attachments thereto (other than the applicable Multi-State Addenda)), the terms of the Multi- State Addenda shall control. When you sign this Agreement, we may ask that you also sign your state’s Multi-State Addendum, if applicable.

21.7 Construction.

The headings of sections are for convenience only and do not define, limit or construe the contents of such sections. All words used in this Agreement, regardless of the number or gender in which they are used, will be construed to include any other number, singular or plural, in any other gender, masculine, feminine or neuter, as the context of this Agreement may require.

21.8 Further Assurances.

Franchisor and Franchisee will each execute and deliver, or cause the execution and delivery of, such further instruments, contracts, forms or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

21.9 Compliance with Anti-Terrorism Laws.

You agree to comply, and to assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws. “Anti-Terrorism Laws” mean Executive Order 13224 issued by the President of the United States (*see* Section 21.15 below), the USA PATRIOT Act, and all other present and future local, state, provincial, federal, national or international laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you, or any blocking of your assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

21.10 Survival.

All obligations under this Agreement (whether yours or ours) which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect after and notwithstanding the expiration or termination of this Agreement until such provisions are satisfied in full or by their nature expire.

21.11 Notice of Potential Franchisor and Affiliate Profit.

You acknowledge that we and our affiliates will make available to you products and/or services for use in the Franchised Business on terms which we and our affiliates will make a profit. We further advise you that we and our affiliates periodically may receive incentives, volume rebates, allowances, consideration, and other benefits from suppliers and manufacturers, including Approved Suppliers, directly or indirectly, as a result of sales of products, supplies or services to you or by reason of such supplier, provider or manufacturer furnishing products or services to you and whether or not such products, supplies or services are required to be purchased in connection with the operation of the Franchise. Therefore, you acknowledge that we and our affiliates are entitled to retain such profits, consideration, and/or other benefits without sharing the same with you or advising you of the existence, amount, or nature of same, in case subject to and to the fullest extent permitted by applicable law.

21.12 Force Majeure.

Whenever a period of time is provided in this Agreement for either party to perform any act, except for Franchisee's payment of monies to Franchisor or any Franchisor affiliate, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of Franchisor and Franchisee, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the Term.

21.13 **Interpretation.**

(a) Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the EOS Franchise System in any manner that is not specifically precluded by the provisions of this Agreement, although this right does not modify any express limitations set forth in this Agreement.

(b) Subject to applicable law, whenever in this Agreement we are permitted or required to act, make a decision or determination, or provide an approval or consent (i) in our "good faith determination", "good faith discretion", "determination in good faith", "reasonable determination", "reasonable discretion", "acting reasonably" or under another express reasonableness type standard, then we will act under such standard exercising our reasonable business judgment; and (ii) in our "determination", "sole determination", "discretion" or "sole discretion", then we make decisions in our sole determination considering such interests and factors as we deem appropriate. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the EOS Franchise System generally even if the decision or action also promotes our interests. In either case, we may make determinations or exercise our discretion differently due to varying circumstances.

(c) Each of the parties agrees that they have been or have had the opportunity to have been represented by their own counsel throughout the negotiations and at the signing of this Agreement and all of the other documents signed incidental to this Agreement. None of the parties can, while this Agreement is effective or after its termination or expiration, assert that any provisions of this Agreement or any of the other documents should be construed against the drafter of this Agreement or any of the other documents.

(d) Definitions for defined terms used in this Agreement are set forth throughout this Agreement. In this Agreement, unless a clear contrary intention appears: (i) the singular number includes the plural number and vice versa; (ii) reference to any person includes such person's heirs, successors and assigns but, if applicable, only if such heirs, successors and assigns are not prohibited by this Agreement, and reference to a person in a particular capacity includes such person in any other applicable capacity or individually; (iii) reference to any gender includes each other gender; (iv) reference to any agreement, document or instrument means such agreement, document or instrument as amended or modified and in effect from time to time in accordance with the terms thereof; (v) reference to any law, means such law, as amended, modified, codified, replaced or reenacted, in whole or in part, and in effect from time to time, including rules and regulations promulgated thereunder, and reference to any section or other provision of any law means that provision of such law, from time to time, in effect and constituting the substantive amendment, modification, codification, replacement or reenactment of such section or other provision; (vi) "hereunder," "hereof," "hereto," "herein" and words of similar import shall be deemed references to this Agreement as a whole and not to any particular Section or other provision of this Agreement; (vii) "including" (and with correlative meaning "include") means including without limiting the generality of any description preceding such term; (viii) "or" is used in the inclusive sense of "and/or"; (ix) with respect

to the determination of any period of time, “from” means “from and including” and “to” means “to but excluding”; (x) references to a governmental authority also refer to any regulatory body that succeeds the function of such authority; (xi) references to documents, instruments or agreements shall be deemed to refer as well to all addenda, exhibits, schedules or amendments thereto; and (xii) references to any right under this Agreement which a party “may” exercise shall imply that such party shall in no way be deemed obligated to exercise such right.

(e) The parties agree that this Agreement is drafted in the English language. Each party accepts and approves the English version of the Agreement signed by all parties as controlling in any dispute among the parties arising from or related to the Agreement.

21.14 **Currency.**

Unless otherwise specified, all dollar figures disclosed in our Franchise Disclosure Document and referenced in this Agreement are stated in United States Dollars, and do not include any applicable taxes, which such taxes are your responsibility in accordance with Section 4.13 and Section 12.2 above. Accordingly, unless otherwise specified, the word “dollar” and the “\$” sign refer to United States Dollars, and all amounts to be advanced, paid, tendered or calculated under this Agreement are to be advanced, paid, tendered or calculated in United States Dollars. However, from time to time, we may calculate amounts to be paid under this Agreement, and we may require or allow you to advance, pay or tender such amounts, in currency other than the United States Dollar, which may be your local currency. By way of example, if you attend a conference or another event outside of the United States, those conference or registration fees may be calculated and charged in the currency where the conference or event takes place, which may not be in United States Dollars and also may be different from your local currency. To the extent we calculate or require you to pay any amount in a currency other than the United States Dollar, we will provide you notice of the US Dollar equivalent for such amount, which may be in the form of an invoice. We will calculate US Dollar equivalents in accordance with our standard processes and policies in effect from time to time based on the applicable spot exchange rate. If a payment is transmitted after the date payment is due, we may adjust the US Dollar equivalent for your payment if there was a change to the applicable spot exchange rate and invoice you for any shortfall. Our determination of the US Dollar equivalent and any shortfall controls, absent manifest error.

1. Termination and Non-Renewal. The California Franchise Relations Act and the California Franchise Relations Act, Cal. Bus. And Prof. Code provide rights to franchisees concerning termination or non-renewal of a franchise agreement that may supersede provisions in the Franchise Agreement, specifically those in Sections 2.3 and 17.

In all other respects, the Franchise Agreement will be construed and enforced with its terms.

FOR THE STATE OF RHODE ISLAND

In recognition of the requirements of The Rhode Island Franchise Investment Act §19-28.1-14, the Franchise Agreement for EOS Worldwide Franchising, LLC is amended as follows:

1. General Release. Sections 2.3 and 15.5(f) require Franchisee to sign a general release as a condition of renewal or transfer of the franchise and Section 17.1 requires Franchisee to sign a general release as a condition to exercising its right to terminate the Franchise Agreement; such release shall exclude claims arising under The Rhode Island Franchise Investment Act.
2. Governing Law. The laws of the State of Rhode Island supersede any provisions of the Franchise Agreement with respect to a claim otherwise enforceable under The Rhode Island Franchise Investment Act.
3. Jurisdiction and Venue. With respect to a claim otherwise enforceable under The Rhode Island Franchise Investment Act, any provision in the Franchise Agreement which designates jurisdiction or venue, or requires the Franchisee to agree to jurisdiction or venue, in a forum outside of Rhode Island, is deleted.
4. In all other respects, the Franchise Agreement will be construed and enforced with its terms.

FOR THE COMMONWEALTH OF VIRGINIA

In recognition of the requirements of Virginia Retail Franchising Act, the Franchise Agreement for EOS Worldwide Franchising, LLC is amended as follows:

1. Bankruptcy. Section 17.2(d), which terminates the Franchise Agreement upon the bankruptcy of Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq).
2. Cross-Defaults. Section 17.4 of the Franchise Agreement will not be applicable to the Franchise Agreement signed by the Virginia franchisee entering into the Franchise Agreement.

3. Termination. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.
4. Undue Influence. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

In all other respects, the Franchise Agreement will be construed and enforced with its terms.

FOR THE STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Agreement for EOS Worldwide Franchising, LLC and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the Franchise Agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the Franchise Agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the Franchise Agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the Franchise Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the Franchise Agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in the Franchise Agreement or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the Franchise Agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the Franchise Agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the Franchise Agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the Franchise Agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the Franchise Agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the Franchise Agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the Franchise Agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by franchisor broker about a franchise.

In all other respects, the Franchise Agreement will be construed and enforced with its terms.

Independent Auditor's Report

Board of Directors
EOS Worldwide Franchising, LLC

Opinion

We have audited the financial statements of EOS Worldwide Franchising, LLC (the Company), which comprise the balance sheets as of December 31, 2024 and 2023, the related statements of operations, member's equity and cash flows for the years then ended, and the related notes to the financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

EOS Worldwide Franchising, LLC

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of operations: EOS Worldwide Franchising, LLC (the Company), was organized on January 11, 2021, under the laws of the state of Delaware as a limited liability company, and is a wholly owned subsidiary of EOS HoldCo, LLC (the Parent) disregarded for federal income tax purposes.

EOS Worldwide, LLC, an affiliate of the Company (the Affiliate), combines timeless business principles with a set of simple, practical, real-world tools to help entrepreneurs get what they want from their businesses. They also offer comprehensive training and support to entrepreneurs and business coaches who want to implement the Entrepreneurial Operating System (EOS) effectively with one or many businesses. The Affiliate is the owner of the trade name and service mark EOS and other trademarks and intellectual property the Company will use in connection with EOS franchises. The Affiliate licenses to the Company the right to use EOS trademarks and intellectual property under a 99-year license agreement and to further sublicense them. The Company will sublicense to franchisees the right to use the EOS trademarks and intellectual property in connection with their franchises.

The Company's duration shall be in perpetuity, unless sooner dissolved in accordance with the operating agreement and applicable law.

Basis of presentation: The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash: At times, bank deposit accounts may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Revenue recognition: The Company recognizes revenue in accordance with Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as the performance obligations are satisfied

Under ASC 606, revenue is recognized when control of the promised goods or service is transferred to the Company's customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or service.

EOS Worldwide Franchising, LLC

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Revenue is primarily derived of the following:

Membership/subscriptions: The Company generates revenues by billing its franchisees for subscribed monthly membership fees. The franchisees are billed monthly upfront at their respective subscription renewal date and revenue is recognized at the renewal date. Any membership periods that overlap year-end are reclassified to deferred revenue. Deferred revenue is typically recognized within one year.

Boot Camp: Boot Camp event revenue is billed and received as part of the initial franchise agreement with new franchisees. These fees received are carried as deferred revenue until it is recognized when the respective franchisee attends the Boot Camp training.

Store income: The Company generates revenues by selling training materials, educational literature and other various products through their website. Revenue is recognized upon shipment, as that is when the customer obtains control of the promised good. The Company has elected to treat shipping and handling activities related to contracts with customers as costs to fulfill the promise to transfer the associated product and not as a separate performance obligation.

Warm lead referral: The Company generates revenues by referring general inquiries for coaching services to its franchisees. Once the member holds an initial meeting with the prospect and the relationship is deemed to have substance, the Company records revenue for the referral fee, which varies based on the go forward level of service.

Franchise fee: The Company bills and receives revenue associated with new franchisee agreements. This revenue is deferred and is recognized monthly pro rata over the life of the agreement, typically 45 months.

Practice management: The Company generates revenue with its franchisee network offering a monthly subscription-based learning management program. Revenue is recognized upon receipt and no deferred revenue exists for this stream due to recurring monthly membership periods.

Contract assets and liabilities: The timing revenue recognized may not align with the right to invoice the customer. The Company records accounts receivable when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability also is recorded. If revenue is recognized in advance of the right to invoice, a contract asset is recorded. The Company recognized the following contract assets and liabilities as of December 31, 2024 and 2023:

	2024	2023
Accounts receivable	\$ 5,710,569	\$ 2,436,390
Deferred revenue	(1,801,403)	(2,277,196)

As of January 1, 2023, the Company recognized approximately \$1,420,000 of accounts receivable and \$1,351,000 of deferred revenue.

Advertising: The Company charges advertising costs to expense as incurred. Advertising expenses amounted to approximately \$1,051,000 and \$873,000 for the years ended December 31, 2024 and 2023, respectively.

EOS Worldwide Franchising, LLC

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Variable interest entity: The Company has elected Accounting Standards Update (ASU) 2018-17 which allows all legal entities under common control to elect not to apply the variable interest entity (VIE) consolidation guidance.

Income taxes: As a limited liability company, the allocated share of income or loss is includable in the income tax returns of the members; accordingly, income taxes are not reflected in the Company's financial statements. The Company follows the provisions of ASC 740-10-25, Income Taxes, which requires that realization of an uncertain income tax position must be more likely than not (i.e., greater than 50% likelihood of receiving benefit) before it can be recognized in the financial statements. Further, ASC 740-10-25 prescribes the benefit to be recorded in the financial statements as the amount most likely to be realized assuming a review by the tax authorities having all relevant information and applying current conventions. ASC 740-10-25 also clarifies the financial statement classification of tax related penalties and interest and sets forth disclosures regarding tax benefits. The Company does not believe that there are any uncertain tax positions that should be recorded. No interest or penalties were included in the statements of operations for the years ended December 31, 2024 and 2023. With few exceptions, the Company is no longer subject to tax examinations by the U.S. federal, state or local tax authorities for the years before 2019.

Management evaluation subsequent events: The Company has performed an evaluation of subsequent events through March 24, 2025, which is the date the financial statements were available to be issued.

Note 2. Related-Party Transactions

The Company has entered into an expense sharing agreement with the Affiliate. The Affiliate pays all expenses on behalf of the Company and allocates expenses, including payroll, advertising, information technology, interest and other operating expenses, to the Company based on the terms stipulated in the expense sharing agreement.

The Affiliate may offset those expenses against amounts it may collect on behalf of the Company and the balance is transferred in cash between the Company and the Affiliate periodically for cash flow purposes. At December 31, 2024 and 2023, there is approximately \$5,711,000 and \$2,436,000, respectively, outstanding that is due from the Affiliate under this arrangement.

The Company has granted a security interest in all assets of the Company per the terms of a note purchase agreement among the Company, Parent, Affiliate, and other affiliates of the Company, collectively as the borrowers, and other third parties. The balance outstanding at December 31, 2024 and 2023, is approximately \$17,675,000 and \$15,675,000, respectively. No amount due is reflected on the accompanying balance sheets.

Note 3. Member's Equity

The Parent owns 100% of the membership interests of the Company.

Note 4. Concentration of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Company places its cash and cash equivalents with one financial institution. At times, such amounts may be in excess of the FDIC insured limit. The Company has never experienced any losses related to these balances.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The financial statements of the Company as of and for the year ended December 31, 2022, were audited by other auditors, whose report dated March 20, 2023, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

EOS Worldwide Franchising, LLC

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of operations: EOS Worldwide Franchising, LLC (the Company), was organized on January 11, 2021, under the laws of the state of Delaware as a limited liability company, and is a wholly owned subsidiary of EOS HoldCo, LLC (the Parent) disregarded for federal income tax purposes.

EOS Worldwide, LLC, an affiliate of the Company (the Affiliate), combines timeless business principles with a set of simple, practical, real-world tools to help entrepreneurs get what they want from their businesses. They also offer comprehensive training and support to entrepreneurs and business coaches who want to implement the Entrepreneurial Operating System (EOS) effectively with one or many businesses. The Affiliate is the owner of the trade name and service mark EOS and other trademarks and intellectual property the Company will use in connection with EOS franchises. The Affiliate licenses to the Company the right to use EOS trademarks and intellectual property under a ninety-nine-year license agreement and to further sublicense them. The Company will sublicense to franchisees the right to use the EOS trademarks and intellectual property in connection with their franchises.

The Company's duration shall be in perpetuity, unless sooner dissolved in accordance with the operating agreement and applicable law.

Basis of presentation: The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash: At times, bank deposit accounts may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Revenue recognition: The Company recognizes revenue in accordance with Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as the performance obligations are satisfied

Under ASC 606, revenue is recognized when control of the promised goods or service is transferred to the Company's customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or service.

EOS Worldwide Franchising, LLC

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Revenue is primarily derived of the following:

Membership/subscriptions: The Company generates revenues by billing its franchisees for subscribed monthly membership fees. The franchisees are billed monthly upfront at their respective subscription renewal date and revenue is recognized at the renewal date. Any membership periods that overlap year-end are reclassified to deferred revenue.

Boot Camp: Boot Camp event revenue is billed and received as part of the initial franchise agreement with new franchisees. These fees received are carried as deferred revenue until it is recognized when the respective franchisee attends the Boot Camp training.

Store income: The Company generates revenues by selling training materials, educational literature and other various products through their website. Revenue is recognized upon shipment, as that is when the customer obtains control of the promised good. The Company has elected to treat shipping and handling activities related to contracts with customers as costs to fulfill the promise to transfer the associated product and not as a separate performance obligation.

Warm lead referral: The Company generates revenues by referring general inquiries for coaching services to its franchisees. Once the member holds an initial meeting with the prospect and the relationship is deemed to have substance, the Company records revenue for the referral fee, which varies based on the go forward level of service.

Franchise fee: The Company bills and receives revenue associated with new franchisee agreements. This revenue is deferred and is recognized monthly pro rata over the life of the agreement, typically 45 months.

Practice management: The Company generates revenue with its franchisee network offering a monthly subscription-based learning management program. Revenue is recognized upon receipt and no deferred revenue exists for this stream due to recurring monthly membership periods.

Advertising: The Company charges advertising costs to expense as incurred. Advertising expenses amounted to approximately \$873,000 and \$703,000 for the years ended December 31, 2023 and 2022, respectively.

Variable interest entity: The Company has elected Accounting Standards Update (ASU) 2018-17 which allows all legal entities under common control to elect not to apply the variable interest entity (VIE) consolidation guidance.

Income taxes: As a limited liability company, the allocated share of income or loss is includable in the income tax returns of the members; accordingly, income taxes are not reflected in the Company's financial statements. The Company follows the provisions of ASC 740-10-25, Income Taxes, which requires that realization of an uncertain income tax position must be more likely than not (i.e., greater than 50% likelihood of receiving benefit) before it can be recognized in the financial statements. Further, ASC 740-10-25 prescribes the benefit to be recorded in the financial statements as the amount most likely to be realized assuming a review by the tax authorities having all relevant information and applying current conventions. ASC 740-10-25 also clarifies the financial statement classification of tax related penalties and interest and sets forth disclosures regarding tax benefits. The Company does not believe that there are any uncertain tax positions that should be recorded. No interest or penalties were included in the statements of operations for the years ended December 31, 2023 and 2022. With few exceptions, the Company is no longer subject to tax examinations by the U.S. federal, state or local tax authorities for the years before 2019.

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Management evaluation subsequent events: The Company has performed an evaluation of subsequent events through March 25, 2024, which is the date the financial statements were available to be issued.

Note 2. Related-Party Transactions

The Company has entered into an expense sharing agreement with the Affiliate. The Affiliate pays all expenses on behalf of the Company and allocates expenses, including payroll, advertising, information technology, interest and other operating expenses, to the Company based on the terms stipulated in the expense sharing agreement.

The Affiliate may offset those expenses against amounts it may collect on behalf of the Company and the balance is transferred in cash between the Company and the Affiliate periodically for cash flow purposes. At December 31, 2023 and 2022, there is approximately \$2,436,000 and \$1,420,000, respectively, outstanding that is due from the Affiliate under this arrangement.

The Company has granted a security interest in all assets of the Company per the terms of a note purchase agreement among the Company, Parent, Affiliate, and other affiliates of the Company, collectively as the borrowers, and other third parties. The balance outstanding at December 31, 2023 and 2022, is approximately \$15,675,000 for both years, respectively. No amount due is reflected in the accompanying balance sheets.

Note 3. Member's Equity

The Parent owns 100% of the membership interests of the Company.

Note 4. Concentration of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Company places its cash and cash equivalents with one financial institution. At times, such amounts may be in excess of the FDIC insured limit. The Company has never experienced any losses related to these balances.

“neither the franchisor, nor any person in Item 2 of the Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C. § 78(a) et seq., suspending or expelling such persons from membership in that association or exchange.”
4. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.).

6. Any provision in the Franchise Agreement which designates jurisdiction or venue, or requires you to agree to jurisdiction or venue, in a forum outside of Indiana, is deleted from any Franchise Agreement issued in the State of Indiana.
7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE MARYLAND FRANCHISE REGISTRATION AND DISCLOSURE LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Maryland:

The following sentence is added to the end of the “Summary” section of Item 17(c) and Item 17(m):

“However, any general release required as a condition for our approval of a transfer, renewal, or assignment of your Franchise Agreement will not apply to claims arising under the Maryland Franchise Registration and Disclosure Law.”

1. Item 17(v) is supplemented with the following: “A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.”
2. Item 17 is amended by adding the following at the end of the section: “Despite any provision in the Franchise Agreement to the contrary, any claim arising under the Maryland Franchise Registration and Disclosure Law must be commenced within 3 years from the grant of the franchise.”
3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
4. A surety bond has been obtained by the Franchisor. The Maryland Securities Commissioner has made the issuance of the Franchisor’s permit contingent upon the Franchisor maintaining surety bond coverage acceptable to the Administrator until (a) all Maryland franchisees have (i) received all initial training that they are entitled to under the Franchise Agreement or Franchise Disclosure Document, and (ii) are open for business; or (b) the Administrator issues written authorization to the contrary.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE MINNESOTA FRANCHISE INVESTMENT LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the State of Minnesota:

1. The following language is added to Item 13 of the Disclosure Document:

“Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. As such, the Minnesota Department of Commerce requires the Franchisor to indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the tradename infringes trademark rights of the third party. Franchisor indemnifies Franchisee against the consequences of Franchisee’s use of the tradename in accordance with the requirements of the license, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claims within ten (10) days and tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.”

2. Item 17 of the Disclosure Document:

“With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non- renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.”

“Pursuant to Minnesota Statutes, Section 80C.21 and Minn. Rule Part 2860-4400J, this Section shall not in any way abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

“Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes.”

“The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief and a court will determine if a bond is required. See Minn. Rules 2860.4400J.”

“You may not bring any action under Chapter 80C of the Minnesota Statutes more than three years after the cause of action accrues.”

3. Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE NEW YORK FRANCHISE LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the State of New York:

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT C OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added to the end of Item 3:

With regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony; a violation of a franchise, antitrust, or securities law; fraud, embezzlement, fraudulent conversion, misappropriation of property; unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has any pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency;

or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “**Requirements for franchisee to renew or extend**,” and Item 17(m), entitled “**Conditions for franchisor approval of transfer**”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language is added to the end of the “Summary” section of Item 17(d) titled “**Termination by franchisee**”: “You may also terminate the Franchise Agreement on any grounds available by law.”
5. The following is added to the end of the “Summary” sections of Item 17(v), titled “**Choice of forum**”, and Item 17(w), titled “**Choice of law**”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE NORTH DAKOTA FRANCHISE LAW**

Notwithstanding anything to the contrary in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of North Dakota:

1. Item 17(u) is deleted and is replaced by the following:

(u) Dispute resolution by arbitration or mediation	Section 20.4-20.5	The site of arbitration or mediation is to be agreeable to all parties and may not be remote from the Franchisee’s place of business.
--	-------------------	---

2. Item 17(v) is deleted and is replaced by the following:

(v) Choice of Forum	Section 20.1	North Dakota
---------------------	--------------	--------------

3. Item 17(w) is amended by adding the following sentence in the Summary Section:

“The laws of the state of North Dakota supersede any provisions of the Franchise Agreement, the other agreements or Delaware law if such provisions are in conflict with North Dakota law.”

4. North Dakota has determined that (i) requiring a franchisee to sign a general release upon renewal of the Franchise Agreement; (ii) requiring a franchisee to consent to a waiver of trial by jury; and (iii) requiring the franchisee to consent to a waiver of exemplary and punitive damages are unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Accordingly, (i) all references to the Franchisee signing a general release upon renewal of the Franchise Agreement; (ii) all references to the Franchisee requiring waiver of a jury trial; and (iii) all references requiring the franchisee to consent to a waiver of exemplary and punitive damages are deleted.

5. Summary column (r) in Item 17 of the Disclosure Document and Section 16.6(a) of the Franchise Agreement prohibit you from soliciting any of your Client or the Clients of any other EOS Franchisee to a competitive business for 1 year after termination or expiration of the Franchise Agreement. Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. The Commissioner has held that covenants restricting competition are contrary to Section 9-08-06 of the North Dakota Century Code, and are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE SOUTH DAKOTA FRANCHISE LAW**

This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE RHODE ISLAND FRANCHISE DISCLOSURE ACT**

1. Item 17(v) Summary section is amended to read:

“We must litigate in the state and judicial district where we maintain our principal place of business except that to the extent required by applicable law, you may bring an action in Rhode Island for claims arising under the Rhode Island Franchise Investment Act.”

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE VIRGINIA RETAIL FRANCHISING ACT**

Notwithstanding anything to the contrary set forth in the Disclosure Document or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the Commonwealth of Virginia:

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for use in the Commonwealth of Virginia shall be amended as follows:

The following statements are added to Item 17.h.

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.”

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE WASHINGTON FRANCHISE INVESTMENT LAW

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the Franchise Agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the Franchise Agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the Franchise Agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the Franchise Agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the Franchise Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the Franchise Agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in the Franchise Agreement or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the Franchise Agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the Franchise Agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the Franchise Agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the Franchise Agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the Franchise Agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the Franchise Agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the Franchise Agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the Franchise Agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by franchisor broker about a franchise.

Please note that in connection with our franchisee referral program, franchisees that receive a referral fee in connection with our offer or sale of a franchise in the State of Washington may be required to register as franchise brokers under the laws of the State of Washington.

**ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER
THE WISCONSIN FRANCHISE LAW**

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

As you know, EOS Worldwide Franchising, LLC (the “Franchisor”, “we”, us”, or “our”) and you are preparing to enter into an EOS Worldwide Franchise Agreement (the “Franchise Agreement”) for the establishment and operation of an EOS Worldwide franchised Business (the “Franchised Business”).
