What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and development agreement require you to resolve disputes with the franchisor by litigation only in the then-current county where the franchisor's corporate headquarters are located, which is currently Atlanta, Georgia. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to litigate with the franchisor in its home state than in your own state.

Certain states may require other risks to be highlighted. Check the State Specific Addenda (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(1) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “Sonic,” “we,” “us” or “our” means Sonic Franchising LLC, a Delaware limited liability company, the franchisor. “You” means the individual or business entity to whom we grant a franchise. If you are a corporation, limited liability company, partnership or other entity, your owners who own a direct or indirect ownership interest of 10% or more in you must sign a Personal Guaranty, which means that all of the provisions of the Number 25 Area Development Agreement (Exhibit C-1) and Number 25 Franchise Agreement (Exhibit B-1) also will apply to them individually.

The Franchisor

We are a Delaware limited liability company formed on March 23, 2011. Our principal business address is Three Glenlake Pkwy NE, Atlanta, Georgia 30328. We do business under the brand names “Sonic,” “Sonic Drive-In” and “Sonic, America’s Drive-In,” among others. The Sonic brand began in the early 1950s, and we, though our predecessors, have offered Sonic franchises since 1974. As of December 29, 2024, there were 3,461 Sonic Drive-Ins operating in the United States (3,144 franchised and 317 company-owned). Except as noted in this Item, we do not offer, and have never offered, franchises in any other line of business. If we have an agent for service of process in your state, we disclose that agent in Exhibit A.

Sonic Industries Services LLC (“SIS”) is an Oklahoma limited liability company with the same principal business address as us. SIS was originally formed as an Oklahoma corporation and was named Sonic Industries Services Inc., and on December 31, 2022 converted to an Oklahoma limited liability company and changed its name to Sonic Industries Services LLC. Under a management agreement between SIS and us, SIS performs our obligations under the Franchise Agreements and Development Agreements. SIS also acts as our franchise sales agent. If SIS fails to perform its obligations under the management agreement, then we may replace SIS as the franchise manager. As the franchisor, we are responsible and accountable to you to make sure that all of our obligations under your Franchise Agreement and Development Agreement are performed in compliance with the respective agreements, regardless of whether we, SIS, or another third-party performs those services on our behalf.

The Sonic Franchise Opportunity

We grant franchises for restaurants that feature drive-in restaurant food and drinks and related items that operate under our Proprietary Marks (defined below) and our Sonic system, all of which we may change periodically (“Sonic Restaurants” or “Sonic Drive-Ins”). We offer franchises to operate a Sonic Restaurant at either a Traditional Drive-In location, a Non-Drive-In Location, or at a Non-Traditional Location, each as defined below, under Sonic’s Number 25 Franchise Agreement (“Franchise Agreement” or “FA”), attached as Exhibit B-1. We call the Sonic Restaurant that you will operate under the Franchise Agreement your “Restaurant” or your “Drive-In”, even if your Restaurant operates from a Non-Drive-In Location or a Non-Traditional Location.

A “Traditional Drive-In” is a Sonic Restaurant that features a wide array of classic drive-in favorites like made-to-order cheeseburgers, chicken options ranging from sandwiches to boneless wings, a variety of hot dogs including the 6-inch premium beef hot dogs and footlong quarter-pound

coney, hand-made onion rings, tater tots and a full breakfast menu. In addition to great food, a Traditional Drive-In is known for its variety of indulgent real ice cream treats and specialty fountain drinks like our signature cherry limeades, famous slushes and our candy mix-in SONIC Blast® treats. Traditional Drive-Ins are typically open from 6 a.m. to at least 11 p.m. and, unlike most quick-service restaurant competitors, serve the entire menu all day long. A Traditional Sonic Drive-In typically is a free-standing, 1-story building with surrounding parking stalls covered by canopies, providing in-car service for approximately 6 to 12 cars. Most Sonic Drive-Ins also incorporate drive-thru service and patio seating and some may provide an enclosed patio or indoor seating. The drive-in concept allows our customers to place their order from their car whenever they are ready by pressing our well-known red button. A switchboard operator receives the order through a speaker system and a carhop, sometimes on roller skates, delivers the customers' food right to their cars. Customers can also order from the counter at locations with indoor seating.

A "Drive-Thru Only Location" is any permanent Sonic Restaurant facility (other than a Non-Drive-In Location or Non-Traditional Location) that is a free-standing building devoted solely to operating the Sonic Restaurant from a drive-thru only facility and does not have drive-in, drive-up, dine-in, or carry out capabilities (except for any orders through the Sonic® mobile ordering app or third party delivery apps).

A "Non-Drive-In Location" is any permanent or temporary Sonic Restaurant facility (other than a Non-Traditional Location) that is not a free-standing building with canopies devoted solely to the Sonic Restaurant and ordering capability accessible to the general public by automobile from public thoroughfares. Non-Drive-In Locations include Drive-Thru Only Locations, convenience stores ("C-Stores"), gas filling stations and travel plazas. "Traditional Restaurants" means Traditional Drive-In locations, Drive-Thru Only Locations, and Non-Drive-In Locations and specifically excludes Non-Traditional Locations.

A "Non-Traditional Location" is any permanent or temporary food service facility that operates (1) under one or more of the Proprietary Marks and all or part of the Sonic system, and (2) at locations that do not feature unlimited and unrestricted access to the general public by automobile from public thoroughfares. Non-Traditional Locations include (a) military bases and other governmental facilities; (b) universities, schools and other education facilities; (c) airports, train stations, toll plazas, and other public or restricted-access transportation facilities or terminals; (d) stadiums, arenas, theaters, and other sports and entertainment venues; (e) amusement parks, theme parks, museums, zoos, and other similar public facilities; (f) cafeterias, food courts, and other foodservice locations within shopping centers, shopping malls, office buildings/corporate campuses, industrial buildings, and department stores, grocery stores, and similar retail stores; (g) hotels, casinos, and convention centers; (h) hospitals, nursing facilities, and other medical facilities; and (i) reservations and other sovereign territories. If you operate your Sonic Restaurant at a Non-Traditional Location, then we and you will sign the Non-Traditional Rider to Franchise Agreement (the "Non-Trad Rider"), attached as Exhibit B-2, together with the Franchise Agreement. The Non-Trad Rider modifies certain provisions of the Franchise Agreement to address the differences of operating the Sonic Restaurant at a Non-Traditional Location.

We also offer the right to develop and open 2 or more Sonic Restaurants under our Number 25 Development Agreement ("Development Agreement" or "DA"), attached as Exhibit C-1. Under the Development Agreement you or your Controlled Affiliate (defined below) will have the right and obligation to develop a specified number of Sonic Restaurants within a defined geographic area (the

“Development Area”) according to a specified schedule (the “Development Schedule”). You (or your Controlled Affiliate) will sign our then current form of Franchise Agreement for each Sonic Restaurant developed in the Development Area, which currently is the Number 25 Franchise Agreement included in this disclosure document but in the future could differ from that form. However, the initial franchise fee will be \$15,000 and the royalty will be the standard tiered royalty rate reflected in Item 6 under each Franchise Agreement that the Development Agreement covers. A “Controlled Affiliate” is a corporation, limited liability company or other entity of which you (or your owners) both own more than 50% of the ownership interests and have the unilateral authority to direct and control the entity’s management and policies.

Multi-Brand Locations

We have an arrangement with Arby’s Franchisor, LLC, Buffalo Wild Wings International, Inc., Dunkin’ Donuts Franchising LLC, Baskin-Robbins Franchising LLC, and Jimmy John’s Franchisor SPV, LLC (each an “Other Franchisor”) whereby we, together with the applicable Other Franchisor(s), may offer certain qualified franchisees the right to develop and operate a Sonic Restaurant at the same location as, and in combination with, an Arby’s® restaurant, Buffalo Wild Wings® Sports Bar, BWW GO® restaurant, Dunkin’® restaurant, Baskin-Robbins® restaurant, and/or Jimmy John’s® restaurant (collectively, the “Other Restaurants” and together with a Sonic Restaurant, the “Multi-Brand Location”).

Each Multi-Brand Location will offer and sell a range of products authorized to be sold under the Proprietary Marks and Sonic system, and the franchise system and trademarks of the Other Franchisor(s). The Sonic Restaurant and Other Restaurant(s) operating from the Multi-Brand Location may require separate point of sale systems, employees, uniforms, branding, and more for each restaurant.

To operate a Sonic Restaurant at a Multi-Brand Location, you (and/or your affiliate) must (i) enter into a Franchise Agreement and the Multi-Brand Addendum attached to this disclosure document as Exhibit B-4 (the “Multi-Brand Addendum” or “MBA”) with us for the operation of a Sonic Restaurant, and (ii) enter into a franchise or license agreement and multi-brand addendum for the applicable Other Restaurant(s) with each applicable Other Franchisor for the operation of the Other Restaurant (collectively, each an “Other Franchise Agreement”). We will not grant you the right to operate a Sonic Restaurant at a Multi-Brand Location unless each applicable Other Franchisor grants you the right to operate the Other Restaurant and permits that Other Restaurant to be operated at a Multi-Brand Location. The terms of each Other Franchisor’s franchise offering, franchise agreement or license agreement, and related agreements are disclosed in the Other Franchisor’s franchise disclosure document, which you must obtain from that Other Franchisor.

Unless otherwise noted, the disclosures in this disclosure document apply to the Sonic Restaurants that are operated at Multi-Brand Locations.

The Market and Competition

The general market for Sonic Restaurants is the frequent fast-food consumer, a highly developed and very competitive market. As a Sonic franchisee, you will have to compete with numerous other businesses offering similar food items, including an unknown number of individually-owned, quick-service restaurants.

Laws, Rules, and Regulations

You will have to comply with all federal, state and local laws, including minimum wage laws, health and sanitation laws, marketing and anti-solicitation practices (including the Telephone Consumer Protection Act, CAN-SPAM Act, the Telemarketing Sales Rule), and other laws such as menu labeling laws that apply to restaurants in general. You also will have to comply with all other federal, state and local laws and regulations that apply generally to all businesses. We encourage you to make additional inquiries into those laws and regulations and obtain the assistance of legal counsel.

Our Parents and Certain Sonic Affiliates

Unless otherwise noted, the principal business address of our parents and affiliates is Three Glenlake Parkway NE, Atlanta, Georgia 30328. We have no predecessors that are required to be disclosed in this Item 1. In a merger effective December 7, 2018, an affiliate of Inspire Brands, Inc., a Delaware corporation (“Inspire Brands”), became our indirect parent (the “2018 Merger”). Another parent is SIS. SRI Operating Company, an Oklahoma corporation (“SRI”) and one of our affiliates, owns and operates certain Sonic Drive-Ins. SRI has operated Sonic Drive-Ins since it acquired them from an affiliate in December 2018 as part of the 2018 Merger.

SIS offered franchises for Sonic Restaurants from 1974 until May 20, 2011. On May 20, 2011, Sonic and certain affiliates refinanced debt from a 2006 securitization transaction with a new securitized debt facility (the “2011 Securitization”). As part of this transaction, we were formed to grant new Sonic Franchise Agreements and Development Agreements beginning May 20, 2011. Another affiliate, America’s Drive-In Brand Properties LLC, a Kansas limited liability company (“ADIBP”), owns all Sonic trademarks and intellectual property relating to the operation of Sonic Drive-Ins (the “Franchise IP”). ADIBP has licensed the Franchise IP to us for our use in exercising our rights as the franchisor of all new Franchise Agreements and Development Agreements. Except as otherwise noted, neither Inspire Brands, SIS, SRI or ADIBP has ever offered franchises in any line of business nor operated any Sonic Restaurants.

Inspire Brands Affiliated Programs

Inspire Brands is a global, multi-brand restaurant company, launched upon completion of the merger between a parent of the Arby’s brand and a parent of the Buffalo Wild Wings brand in February 2018. Subsidiaries of Inspire Brands listed below are our affiliates who own and administer the network of franchised and company-owned restaurants operating under the Arby’s, Buffalo Wild Wings, Buffalo Wild Wings-GO, Jimmy John’s, Sonic, Dunkin’ and Baskin-Robbins brands. Unless otherwise stated, all Inspire Brands’ subsidiaries share our principal business address. Except as described below, none of Inspire Brands’ subsidiaries have ever operated or offered franchises for Sonic Restaurants or offered franchises in any other line of business.

Arby’s Franchisor, LLC (“Arby’s Franchisor”) is the franchisor of Arby’s restaurants in the United States and certain countries internationally. JJF became an Affiliated Program through an acquisition in October 2016 and became part of Inspire Brands by merger in 2019. JJF and its predecessor have been franchising since 1993. JJF has not offered franchises in any other line of business. As of December 29, 2024, there were 2,689 JIMMY JOHN'S® Restaurants operating in the United States (2,647 franchised and 42 company-owned). As part of an internal restructuring, BWLD Global III, Inc. merged with Arby’s International, Inc. and Sonic International, Inc. and, as the surviving entity, changed its name to Inspire International, Inc. ITEM 3 **LITIGATION**

In re Sonic Corp. Customer Data Security Breach Litigation (United States District Court for the Northern District of Ohio, Eastern Division of Cleveland, MDL Case Nos. 1:17-sb-55000-JSG through 1:17-sb-55008-JSG). On December 12, 2017, plaintiffs filed a consumer class action asserting various claims related to our alleged failure to safeguard customer payment card information. The action related to the data breach incident made public on September 26, 2017, involving a malware attack at certain Sonic Drive-Ins during which customer payment card numbers were acquired without authorization. The plaintiffs sought monetary damages, injunctive and declaratory relief and attorneys' fees and costs. On August 12, 2019, the court approved an agreed settlement. In part, the settlement provided that, in exchange for a release of claims against defendants, franchisees and relevant vendors, defendants had to pay a total of \$4,325,000 into a settlement fund to cover eligible class member claims, attorneys' fees and costs of administration. This amount was fully paid by the defendants' cyber liability insurance.

Alcoa Community Federal Credit Union v. Sonic Corp., Sonic Industries Services Inc., Sonic Capital LLC, Sonic Franchising LLC, Sonic Industries LLC, Sonic Restaurants, Inc. (U.S. District Court for the Northern District of Ohio, Case No. 1:19-sb-55000 (Previous Case No. 4:18-cv-00770-BSM)). On October 16, 2018, in the United States District Court for the Eastern District of Arkansas, plaintiffs filed a consolidated financial institution class action arising out of the data breach incident made public on September 26, 2017. The plaintiffs alleged they suffered property damage and financial losses because we implemented inadequate measures to protect financial institutions' payment card data from being stolen. The plaintiffs sought monetary damages, injunctive and declaratory relief and attorneys' fees and costs. On June 5, 2019, the case was consolidated with a nearly identical lawsuit and transferred to the U.S. District Court for the Northern District of Ohio. On November 13, 2020, the court granted plaintiffs' motion for class certification. On April 25, 2022, the parties entered into a Settlement Agreement and Release whereby defendants agreed to pay up to \$5,730,000 to cover eligible class member claims, attorneys' fees, and costs of administration in exchange for a release of claims against defendants. On October 17, 2022, the court granted the parties' motion to approve the settlement.

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("**ARG**"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. (“**DBI**”), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin’ system prohibit Dunkin’ franchisees from hiring the employees of other Dunkin’ franchisees and/or DBI’s employees. A larger number of franchise agreements in the Dunkin’ system contain a no-poaching provision that prevents Dunkin’ franchisees and DBI from hiring each other’s employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin’s franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin’ franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties’ stipulation of judgment.

New York v. Dunkin’ Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General (“**NYAG**”) filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals’ credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin’ gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Except as described above, no litigation is required to be disclosed in this Item.

ITEM 4 **BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

ITEM 5

INITIAL FEES

Initial Franchise Fee

You must pay us an initial franchise fee when you sign the Franchise Agreement. Our standard initial franchise fee for a Traditional Drive-In location and Non-Drive-In Location is currently \$15,000, and our standard initial franchise fee for a Non-Traditional Location is currently \$11,250 (or \$1,125 multiplied by the number of full or partial years in the term, up to 10 years).

If, when signing the Franchise Agreement, you agree to operate a Traditional Drive-In at the location of a SONIC® Restaurant that another franchisee previously operated and closed within the last year, the initial franchise fee is either (1) \$5,000, if you are a franchisee in good standing; or (2) \$12,500.

The initial franchise fees described here are fully earned when paid and are not refundable under any circumstances. During the fiscal year ending December 29, 2024, we charged initial franchise fees ranging from \$0 to \$45,000.

Development Fee

Under the Development Agreement you must pay us a nonrefundable development fee of \$10,000 multiplied by the number of Sonic Restaurants to be developed under the Development Schedule when you sign the Development Agreement. We will credit \$10,000 towards the franchise fee for each Sonic Restaurant opened under the Development Agreement. You (or your Controlled Affiliate) must pay us the balance of the franchise fee when you (or your Controlled Affiliate) sign the Franchise Agreement for the Sonic Restaurant being developed. We and you will determine the number of Restaurants you must develop, and the dates by which you must develop them, before signing the Development Agreement. No portion of the development fee is refundable under any circumstances.

Design Fees

You are not required to use our affiliates' services for developing a preliminary site layout ("PSL") or a preliminary kitchen layout ("PKL") for your Sonic Restaurant. If you do request that our affiliates develop and provide you with a PSL and/or PKL for your new or remodeling Sonic Restaurant, then you must pay our affiliate the then-current Site Design Fees or Kitchen Layout Design Fees, as applicable. Currently, the Site Design Fee is \$1,200 for a PSL for a new or remodeling Sonic Restaurant, and the Kitchen Layout Design Fee is \$1,200 for a PKL for a new Sonic Restaurant, and \$750 for a PKL for a remodeling Sonic Restaurant. Our affiliates only offer PSL services for Restaurants with a drive-thru window.

Training Fees

At least 1 full-time manager working in your Restaurant must complete the General Manager Leadership Class training to our satisfaction no later than 60 days before your Restaurant's opening date. You must pay us \$200 per attendee upon registration in the General Manager Leadership Class. No portion of the training fee is refundable under any circumstances.

Multi-Brand Locations

If we and one or more Other Franchisors grant you the right to open and operate a Sonic Restaurant and Other Restaurant(s) at a Multi-Brand Location, you must pay all initial fees due under each applicable Other Franchisor's franchise agreement or license agreement in addition to the initial fees described in this Item 5. If you operate a Sonic Restaurant at a Multi-Brand Location, you may qualify for one or more incentives described in Item 5 and Item 6.

If we permit you to operate a Sonic Restaurant at a Multi-Brand Location, you must pay us any training fees and additional expenses that we incur in connection with any additional or specialized training required for the Restaurant's personnel due to its status as Multi-Brand Location. We currently do not charge or expect to charge a fee or incur any additional expenses for any additional or specialized training we may provide for Multi-Brand Locations during 2025.

Incentives

We reserve the right to reduce or waive initial franchise fees for, and to offer special development incentives (including incentive payments) to, one or more franchisees on a case-by-case basis under certain circumstances. These circumstances may include providing economic incentives for large, sophisticated restaurant operators to open multiple new Restaurants in a development territory on an expedited basis, for existing franchisees to open additional Restaurants or for existing franchisees to take over operating Restaurants or to reopen closed Restaurants. The amount of any fee reductions, waivers, or development incentives depends on what we think is best for the Sonic brand in the particular situation.

Notes:

- (1) Unless otherwise noted, all fees are payable to us, imposed and collected by us, nonrefundable and uniform for franchisees signing new agreements with us. We may periodically provide royalty relief to prospective franchisees who acquire existing Restaurants under challenging circumstances and sign new franchise agreements for the operation of those Restaurants.
- (2) Unless you qualify for an incentive program, the royalty fee is 5% of Gross Sales. In the future, we may modify or eliminate any of our incentive programs.

New Restaurant Opening Incentive. You may qualify for the “New Restaurant Opening” or “NRO” incentive program if you sign a new Franchise Agreement on or before March 31, 2026 to open a Traditional Restaurant. You may also qualify for the NRO incentive program if you sign a new Development Agreement on or before March 31, 2026 to develop at least one Traditional Restaurant. You may also qualify to participate in the NRO incentive program if you sign the Incentive Amendment (Exhibit C-2) to an existing Development Agreement and amend your existing Development Agreement on or before March 31, 2026 to add 1 or more new Traditional Restaurants to your existing development schedule. Lastly, you may also qualify for the NRO incentive program if (a) you sign a Franchise Agreement on or before March 31, 2026, to develop and operate a previously closed Traditional Restaurant (without relocating it), (b) as of the date the Franchise Agreement is signed, the Traditional Restaurant that you wish to re-open was permanently closed for at least 30 calendar days, and (c) you are not signing the Franchise Agreement in connection with a transfer. You will receive the benefits of the NRO incentive program if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open the Traditional Restaurant, you open the Traditional Restaurant in compliance with the Franchise Agreement (and, if applicable, the Development Agreement), you submit development costs to us in the form we require within 120 days of opening the Traditional Restaurant (as applicable) when you open the Traditional Restaurant, and you build the Traditional Restaurant (as applicable) in the design, to the specifications, and at the location we approve (collectively, the “Incentive Eligibility Requirements”).

If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies (including the right to terminate the Franchise Agreement and/or Development Agreement), the NRO incentive program will not apply. The NRO incentive program does not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurants at a Non-Traditional Location, as a relocation of an existing or closed Restaurant, or as part of a transfer or acquisition.

If you qualify for the NRO incentive program, then we will reduce your royalty fee (and Brand fee/SBF contribution, as described below) as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 1	1%
Year 2	1%
Year 3	2%
Year 4	2%
Year 5 through remainder of the term	5%

Additionally, if a Traditional Restaurant qualifies for the NRO incentive program under a new Development Agreement, is one of the first two Traditional Restaurants developed and opened under the Development Agreement, and opens by December 31, 2028, then no later than 60 days after the 3rd annual anniversary of the date you actually opened and commenced operations of the Traditional Restaurant, you must submit to us a report in the form we require detailing the Traditional Restaurant's trailing-twelve-months' Gross Sales data (the "Gross Sales Report"). If the Gross Sales Report demonstrates that the Traditional Restaurant collected less than \$1,400,000 during the 12-month reporting period, then you must (i) use your good faith efforts to increase your Gross Sales, and (ii) submit to us an updated Gross Sales Report (the "Updated Gross Sales Report") no later than 60 days after the 4th annual anniversary of the date you actually opened and commenced operations of the Traditional Restaurant. If (x) you have complied with the conditions in (i) and (ii) above, and are and throughout the term have been in substantial compliance with the Franchise Agreement, and (y) the Updated Gross Sales Report demonstrates that the Traditional Restaurant collected less than \$1,400,000 during that subsequent 12-month reporting period, then the royalty fee will be further amended as set forth below:

Duration of Effective Royalty Fee	Effective Royalty Fee
Year 5 through Year 8	2.5%
Year 8 through remainder of the term	5% of Gross Sales

This additional incentive is only available for new Development Agreements, not amendments to existing Development Agreements. To be eligible for this additional incentive, the Traditional Restaurant must commence operations by the opening date in the applicable Franchise Agreement.

During these years, we will also collect an additional 0.5% of Gross Sales and pay that amount to your cooperative. The cooperative for your Restaurant's market might also require you to contribute additional amounts, either directly or through our collections.

Relocation Incentive. The "Relocation Incentive" program is designed to encourage franchisees to relocate their Traditional Restaurant to a new location. You may qualify for the Relocation Incentive program if you relocate your Traditional Restaurant in compliance with the terms of your existing Franchise Agreement and our Standards, open the relocated Traditional Restaurant on or before the earlier of December 31 or 6 months after the existing Traditional Restaurant closes, and meet the Incentive Eligibility Requirements.

If you qualify for the Relocation Incentive, then we will reduce your royalty fee as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 1	1%
Year 2	2%
Year 3	3%
Year 4 through remainder of the term	5%

If you fail to satisfy any of the applicable conditions (including the Incentive Eligibility Requirements), then, without limiting our other rights and remedies (including the right to terminate the Franchise Agreement and/or Development Agreement), this incentive will not apply. If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies, including the right to terminate the Franchise Agreement and/or Development Agreement, the Relocation Incentive will not apply. The Relocation Incentive do not apply to franchisees signing new Franchise Agreements to develop and operate the Restaurants at Non-Drive-In Locations or Non-Traditional Location, as a replacement of an existing or closed Sonic Restaurant, or as part of a transfer or acquisition of an existing Traditional Drive-In or Drive-Thru Only Location.

Early Opening Incentive. The “Early Opening Incentive” is designed to incentivize franchisees to develop and commence operations of their Traditional Restaurants before the required opening date identified in their Franchise Agreement (and, if applicable, the Development Agreement). If you qualify for the NRO incentive program and you open the Traditional Restaurants before the required opening date identified in the Franchise Agreement, then we will charge 0% royalty fee from the date you open and commence operations of the Traditional Restaurants until the required opening date identified in the Franchise Agreement (and, if applicable, the Development Agreement), up to 12 months, then the applicable royalty fee rate will apply.

VetFran Program. The “VetFran Program” is designed to provide career opportunities for honorably discharged military veterans or wounded warriors. It applies if you are a veteran or returning service member (who has not previously signed, or had an affiliate that signed, a Development Agreement or Franchise Agreement with us) who qualifies and signs a Development Agreement and/or Franchise Agreement to develop one or more Traditional Drive-Ins and/or Drive-Thru Only Locations. Under the VetFran Program, if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open the Traditional Drive-Ins and/or Drive-Thru Only Locations, you open the Traditional Drive-In and/or Drive-Thru Only Location in compliance with the Franchise Agreement (and, if applicable, the Development Agreement), you submit all development costs to us in the form we require within 120 days of opening the Traditional Drive-In and/or Drive-Thru Only Location, and you build the Traditional Drive-In and/or Drive-Thru Only Location in the design, to the specifications, and at the location we approve, then we will provide you a royalty fee credit equal to \$10,000 for each Traditional Drive-In and/or Drive-Thru Only Location you develop and open in compliance with the terms of the Franchise Agreement (and, if applicable, the Development Agreement), up to \$100,000. You may

combine the VetFran Program with our other incentive programs described in Item 5, Item 6 and Item 7.

Pioneer Incentive. The “Pioneer Incentive” program is designed to increase the penetration and presence of the Sonic brand in certain areas of the United States. You may qualify to participate in the Pioneer Incentive program if you are the first person to sign a new Development Agreement on or before March 31, 2026 to develop 2 or more new Traditional Drive-Ins and/or Drive-Thru Only Locations located within the District of Columbia, Maine, New Hampshire, or Vermont. Under the Pioneer Incentive, if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open the Traditional Drive-Ins and/or Drive-Thru Only Locations, you open the Traditional Drive-In and/or Drive-Thru Only Location in compliance with the Franchise Agreement (and, if applicable, the Development Agreement), you submit all development costs to us in the form we require within 120 days of opening the Traditional Drive-In and/or Drive-Thru Only Location, and you build the Traditional Drive-In and/or Drive-Thru Only Location in the design, to the specifications, and at the location we approve, then we will provide you a \$50,000 royalty fee credit for each of the first 2 Traditional Drive-Ins and/or Drive-Thru Only Locations developed under the Development Agreement. As stated above, the Pioneer Incentive is only available to the first person to sign a new Development Agreement to develop and operate 2 or more new Traditional Drive-Ins and/or Drive-Thru Only Locations within the states identified above, and therefore the Pioneer Incentive may not be available to you even if you sign a new Development Agreement to develop 2 or more new Traditional Drive-Ins and/or Drive-Thru Only Locations within the states identified above. You may combine the Pioneer Incentive with our other incentive programs described in Item 5, Item 6 and Item 7.

If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies, including the right to terminate the Franchise Agreement and/or Development Agreement, the Early Opening Incentive, VetFran Program, and/or Pioneer Incentive will not apply. The Early Opening Incentive, VetFran Program, and Pioneer Incentive do not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurants at Non-Drive-In Locations or Non-Traditional Location, as a relocation or replacement of an existing or closed Restaurant, or as part of a transfer or acquisition of an existing Traditional Drive-In or Drive-Thru Only Location.

In the future, we may modify or eliminate any of our incentive programs.

- (3) “Gross Sales” means all revenues from all business conducted upon or from the Restaurant, whether evidenced by check, cash, credit, charge account, debit card, stored-value card, exchange, or otherwise, and includes the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise (excluding restaurant equipment), for services performed from or at the Restaurant, whether you fill the orders from the Restaurant or elsewhere, and for any implied or imputed Gross Sales from any business interruption insurance. Each charge or sale via credit, debit card, stored-value card, or other payment means shall constitute a sale for the full price in the month during which the charge or sale occurs, regardless of the time when you receive payment (in whole or in part) for the charge or sale. The phrase “Gross Sales” shall not include (a) sales of merchandise for which you make a cash refund, if

previously included in Gross Sales; (b) the price of merchandise returned by customers for exchange, if you previously included the sales price of the merchandise returned by the customer in Gross Sales and includes the sales price of merchandise delivered to the customer in exchange in Gross Sales; (c) the amount of any sales tax imposed by any governmental authority directly on sales and collected from customers, if you add the amount of the tax to the sales price or absorbs the amount of the sales tax in the sales price and you actually pay the tax to the governmental authority; (d) amounts not received for menu items because of discounts or coupons, if properly documented; (e) amounts received from the sale of Sonic-approved stored-value cards; and (f) any proceeds received for the sale of the Restaurant.

If you fail to provide us with complete Gross Sales reports or other financial reports on a timely basis for any period, then you must pay us (or we may debit your account for) an amount equal to 120% of the last royalty fees, contributions to the SMF, SBF and BTF, and other amounts that you previously paid us (or we debited). If the amounts that you pay us (or we debit from your account) are less than the amounts you actually owe us, as calculated once we have determined the Restaurant's actual Gross Sales, you must pay us (or we will debit your account for) the balance, plus the interest and 10% administrative fee, on the day we specify. If the amounts that you pay (or we debit from your account) are greater than the amounts you actually owe us, as calculated once we have determined the Restaurant's actual Gross Sales, we will credit the excess (without interest) against the amounts you otherwise owe us during the following period(s).

- (4) We currently collect certain amounts from you for the System Marketing Fund ("SMF") and your advertising cooperative, based on the market in which your Traditional Drive-In operates. We determine (and may periodically modify) new, developing and core markets in our sole judgment, and we currently consider factors such as the penetration of the market (people per drive-in) and the tenure of the Sonic Restaurants in the market. We may periodically modify the amount we require for advertising cooperative and SMF contributions, but we will not require contributions of more than 5% of Gross Sales (although the advertising cooperative can vote to require additional contributions).

Drive-in Market Type*	Allocation (as percent of the Restaurant's Gross Sales)	
	Allocated to Cooperative	Allocated to SMF
Core	0.5%	2.75% to 4.5%
Developing	0.5%	4.5%
New	None	5%

The cooperative for your Restaurant's market might also require you to contribute additional amounts, either directly or through our collections. If your Sonic Drive-In is located in a Designated Market Area (DMA) that does not have an approved advertising cooperative, you must promptly form an advertising cooperative for that DMA. Company Drive-Ins have the same voting rights in each advertising cooperative as Franchise Drive-Ins, that is, 1 vote per drive-in in good standing. Each cooperative determines, by majority vote (but subject to our approval), how to spend its allocated portion of funds for advertising and marketing in the local DMA. For advertising cooperatives in which Company Drive-Ins currently have controlling voting power (50% or more of the member drive-ins), the total maximum required contribution rate is 5% of Gross Sales.

If you qualify for the NRO Incentive, then we will reduce your SMF contribution, as follows (in addition to the royalty fee discount, as described above):

Duration of Effective Royalty Fee	Effective SMF Contribution Rate
Opening through Year 5	50% off standard rate
Year 6 through remainder of the term [^]	Standard rate, no discount

[^] Additionally, if you qualify for the additional reduced royalty described above, then we will further reduce your SMF contribution as follows:

Duration of Effective Royalty Fee	Effective SMF Contribution Rate
Year 6 through 8	50% off Standard Rate
Year 9 through remainder of the term	Standard rate, no discount

- (5) For Sonic Drive-Ins open the full calendar year 2020, the monthly fee is instead set from the April 2021 payment through the March 2026 payment at a flat amount equal to .25% of 2020 Gross Sales divided by 12, although we may (at our option) allow this percentage to apply to a lower base amount for a limited period of time. The technology fee will continue for Gross Sales incurred on or after March 1, 2026, only upon the approval of 67% of the franchisees of all Sonic restaurants (with 1 vote per restaurant). In some circumstances, we may reduce or waive technology fees in work-out or troubled location situations or based on development incentives.
- (6) If we and one or more Other Franchisors grant you the right to open and operate a Sonic Restaurant and Other Restaurant(s) at a Multi-Brand Location, you must pay all ongoing fees due under each applicable Other Franchisor's franchise agreement or license agreement in addition to the ongoing fees described in this Item.

(1) A Traditional Free-Standing Restaurant is a Sonic Drive-In located on a lot size ranging between 34,000 to 43,560 square feet and suitable for constructing a 1,250 to

1,500 square-foot Sonic Restaurant building with canopies for 6 to 12 drive-in stalls, a drive-thru lane and patio seating. A Non-Drive-In Location (not including Drive-Thru Only Locations) is a Sonic Drive-In located at a co-branded facility like a convenience store or travel plaza ranging between 1,200 to 2,500 square feet for the Sonic Restaurant. A Drive-Thru Only Location is a Sonic Drive-In located in a lot size ranging between 24,000 to 32,670 square feet suitable for constructing a drive-thru lane and does not have any drive-in stalls or patio seating.

- (2) We describe the initial franchise fee in Item 5. We describe the incentives under which we might apply a portion of the franchise fee towards royalties in Item 6. No separate initial investment is required when you sign a Development Agreement.
- (3) The low amount reflects costs for a fully local team not requiring lodging or airfare and covers mileage and meals only for the general manager and two assistant managers and/or shift leaders. The high amount covers the general manager and 5 assistant managers and/or shift leaders and assumes airfare and lodging are also required for all 6 managers. Additionally, no later than 60 days before the opening of your Restaurant, the general manager must attend General Manager Leadership Class. The cost of the class is \$200 per person plus travel, hotel and meals.
- (4) For your first 3 Sonic Drive-Ins, as part of the pre-opening training, approximately 7 members of your Restaurant crew identified as the Franchisee Certified Training Team will attend and complete a training program at another certified Sonic Restaurant that we approve. Your Franchisee Certified Training Team will then train the entire new Restaurant crew for pre-opening and opening. This training usually starts 7 days before opening with a Friends and Family Day which is not included in the ranges listed but could increase the cost by as much as \$15,000. The low amount for training includes 10 days of salaries and wages for the drive-in management team and 10 trainers plus 5 days of salaries and wages for 20 team members. The high amount for training includes 10 days of salaries and wages for the drive-in management team and 15 trainers plus 5 days of salaries and wages for 76 team members.
- (5) This range covers some deposits, impact fees for utilities, utility deposits, business licenses and other miscellaneous prepaid expenses.
- (6) Commercial leasing costs vary considerably depending on the location, building, lot size and market conditions. Commercial leases for free-standing Traditional Drive-Ins and Drive-Thru Only Locations are typically “triple net leases,” requiring you to pay rent, taxes, insurance, maintenance, repairs, common area expenses and all other costs associated with the property. Because of the wide variety of costs and market conditions, we are not able to estimate your deposits and other costs to acquire or lease the real property for a free-standing Traditional Drive-In location or a Drive-Thru Only Locations. For Traditional Drive-Ins at C-Store locations, this range reflects an estimate for a security deposit and 3 months’ rent at the C-Store location. Some franchisees develop their Sonic Restaurants inside C-Store buildings that they already own, and in this case would not pay any rent or security deposit.

- (7) This covers costs to build the Drive-In and develop the site, including costs for construction, remodeling, leasehold improvements and decorating costs. The actual costs will vary materially depending on location, size of lot and building, utilities, site work and other factors. This estimate also includes the optional Site Design Fee and Kitchen Layout Design Fee for a PKL or PSL that are payable to our affiliates, if you request that they provide those services. Our affiliates only provide PSL services for Restaurants with a drive-thru window.
- (8) The amounts for equipment include the cost to purchase and install the recommended equipment package for a Sonic Drive-In with 6 to 12 drive-in stalls, excluding the cost of transportation and sales tax. The standard equipment package includes the ventilation system, equipment, other fixed assets, kitchen fixtures, appliances and small wares necessary to operate the Restaurant. Delivery charges for the equipment package are approximately \$10.00 per mile, one way. Typically, the equipment installer installs and charges for the equipment installation. The sales taxes will vary by location. If you choose to lease your equipment, your negotiated lease terms will determine your monthly cost.
- (9) These amounts include costs for the POS and POPS platforms for a Sonic Drive-In with 6 to 12 stalls, a drive-thru lane and patio seating. It also includes additional hardware and software, mobile ordering and payment processing technology, and technologies required to support them. The high end for the C-Store location includes the POS platform, no stalls, a drive-thru lane and inside dining. It also includes additional hardware and software, mobile ordering and payment processing technology, and technologies required to support them. The low end for the C-Store location assumes that it will not have a drive-thru. These amounts do not include electrical costs, shipping, installation or sales taxes as those may vary greatly depending on the location, building configuration and number of stalls.
- (10) The amounts for a Sonic sign purchased from an approved source varies with the size and type of signs selected. You may select “enter” and “exit” signs, a “drive-thru” sign if required, an optional building or tower sign and your large Sonic sign from a group of standard signs containing 8 sizes and varying heights. This estimate includes installation costs of at least \$14,000. Amounts for additional welding, permits, engineering and foundation work may also increase your cost.
- (11) The costs for opening inventory include paper goods and food products necessary to operate the Restaurant through the first 2 weeks of business. It also covers charges for promotion-specific small wares and inventory.
- (12) The insurance amounts include the estimated initial premium costs for multi-peril and worker’s compensation insurance based on the recommended staffing of a Sonic Drive-In with 6 to 12 drive-in stalls, a drive-thru lane and a patio. Worker’s compensation costs vary by state.
- (13) The low amount for payroll includes salaries and wages for 1 general manager, 1 assistant manager, and 1 one shift manager to attend the required training programs.

The high amount for payroll includes salaries and wages for 1 manager, 2 assistant managers, and 3 one shift managers to attend the required training programs.

- (14) The amounts for additional funds exclude the expenses itemized above and include the other initial start-up and the first 3 months of operational expenses for uniforms, office supplies, cleaning supplies and utensils. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting your business. Your costs will depend on factors such as how diligently you follow our methods and procedures, your management skill, economic conditions, and local competition and the market for your Restaurant's products.
- (15) The estimates in this table reflect a leased scenario for the Traditional Free-Standing Restaurant building type, a leased scenario for the Non-Drive-In Location building type (not including Drive-Thru Only Locations), and a leased Drive-Thru Only Location. These ranges do not reflect costs to construct a new building and do not reflect costs to construct a Non-Traditional Location.
- (16) We relied on our, our affiliates', and our predecessors' approximately 70 years of experience in developing, operating and franchising Sonic Restaurants since to prepare the estimate for additional funds and other estimates in these tables. You should review these figures carefully with a business advisor, your accountant and/or your attorney before deciding to acquire the franchise. The estimate does not include any finance charge, interest, or debt service obligation. Except for the security deposit under a real property lease, which typically is refundable if you comply with the lease's terms, none of the payments is likely to be refundable, although this may depend on your negotiations with others. Neither we nor our affiliates offer financing for any part of the initial investment. The availability and terms of financing depend on many factors, including the availability of financing generally, your creditworthiness and collateral and the lending policies of financial institutions from which you request a loan.
- (17) The Drive-Thru Only, End Cap & Inline ("DTO, End Cap & Inline") incentive program is designed to increase the presence of drive-thru only, end cap, and inline Sonic Traditional Restaurants. You may qualify for the Drive-Thru Only, End Cap & Inline ("DTO, End Cap & Inline") incentive program if you sign a new Franchise Agreement on or before March 31, 2026, to develop and open the DTO Incentive Restaurant (defined below) on or before December 31, 2027, and such DTO Incentive Restaurant had not received site approval as of the Issuance Date of the FDD. You may also qualify for the DTO, End Cap & Inline incentive program if you sign a new Development Agreement on or before March 31, 2026 to develop and open 1 or more DTO Incentive Restaurant at a drive-thru only, end cap or inline locations on or before December 31, 2027. Lastly, you may also qualify for the DTO, End Cap & Inline incentive program if you amend your existing Development Agreement to add one or more new DTO Incentive Restaurant(s) to your development schedule to develop and open 1 or more DTO Incentive Restaurant at a drive-thru only, end cap or inline locations on or before December 31, 2027, and such DTO Incentive Restaurant(s) had not received site approval as of the issuance date of this disclosure document. A "DTO Incentive Restaurant" means a Sonic® restaurant located at a Drive-Thru Only

Location or a Restaurant located within an endcap or inline location. “Drive-Thru Only Location” is defined in Item 1. Under the DTO, End Cap & Inline incentive program, if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open DTO Incentive Restaurant, you open or re-open the DTO Incentive Restaurant in compliance with the Development Agreement (including the Development Schedule), you submit development costs to us within 120 days of opening the drive-thru only DTO Incentive Restaurant, and you build the DTO Incentive Restaurant in the design, to the specifications, and at the location we approve, then under this incentive program, for each new DTO Incentive Restaurant you develop and operate, plus any existing DTO Incentive Restaurant(s) under the development schedule that you have not received site approval for of as of the Issuance Date of the FDD, then we will pay to you a total of \$50,000 after that Restaurant opens. You may combine this incentive program with our other incentive programs described in Item 5 and Item 6.

- (18) If we permit you to develop a Sonic Restaurant at a Multi-Brand Location, you may incur additional expenses to establish the Other Restaurant(s), including initial franchise fee, initial training program, computer system, signage, fixtures, furniture, equipment, initial inventory, and other expenses. You will find the build costs and other costs to establish each applicable Other Restaurant(s) in the Other Franchisor’s franchise disclosure document. You may pay less than the cumulative total estimated initial investments for both a Sonic Restaurant and Other Restaurant if certain expenses overlap, such as rent and insurance.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to ensure a uniform image and uniform quality of products and services throughout the Sonic Restaurant network, you must maintain and comply with our quality standards, as we periodically modify them. Our standards may regulate, among other things, the equipment and other products and services you use to develop and operate the Restaurant, the designated and/or approved suppliers of these goods and services, and the required and authorized products and services your Restaurant offers. We issue and modify standards and specifications based on our, our affiliates’ and our franchisees’ experience in operating and franchising Sonic Restaurants, and generally based on a product’s quality, cooking times, yields, ease of preparation and similar factors. We will notify you in our manuals, on our extranet, or in other written communications of the names of some of our designated and approved suppliers. We typically provide our relevant standards and specifications to approved suppliers and manufacturers rather than to franchisees.

Although we do not require you to purchase or lease real estate from us or our affiliates, you may only operate the Restaurant from a location that we accept (the “Site”). We have the right, but not the obligation, to review and to approve or disapprove the lease for the Site. The lease for the Site must contain the terms and provisions that are reasonably acceptable to us, including provisions that we specify. You and your landlord must also enter into the Option to Assume Lease that is attached to this disclosure document as Exhibit I.

For any significant changes in the programs or policies impacting all or substantially all Sonic Restaurants concerning training, the Sonic system, the Sonic operations manual, the SMF, the SBF

or the BTF, including the determination of the designated beverage supplier or advertising agency of record for the Sonic Restaurant network, we will solicit input and advice from a group of franchisees gathered together for that purpose. (This obligation applies only if the franchise agreements in effect for at least one-third of all Sonic Restaurants contain this provision or a substantially similar provision.) We may also periodically solicit bids from suppliers for the production and sale of certain products that you must use or sell in your Restaurant. We may arrange for the products' distribution to your Restaurant at an agreed-upon delivery fee if we negotiate price and delivery terms for certain products for the benefit of the Sonic Restaurant network. You also must use the marketing and advertising services of the advertising agency that we periodically approve.

You must purchase only those food, beverages, signs, paper products, inventory, supplies, uniforms, Wacky Pack® Kids' Meal promotional items, signage, POS, POPS, back-office-system ("BOS"), mobile ordering technology, payment technologies, audio communications system, equipment, menu and speaker housings, menu boards, and other products and services associated with the development or operation of the Restaurant which meet the standards and specifications we periodically establish and, if we require, only from suppliers that we periodically designate or approve (which may include or be limited to us or our affiliates). You must also purchase or lease, and install in and about the Restaurant, the equipment, fixtures, furniture, lighting, and other personal property from suppliers that we periodically designate or approve (which may include or be limited to us or our affiliates) and that strictly conform to the appearance, uniform standards and specifications that we require. You also must purchase other technology hardware, software, and services for system initiatives only from suppliers that we periodically designate or approve (which may include or be limited to us or our affiliates). You cannot install or use in the operation of the Restaurant any equipment, fixtures, furnishings or other personal property that we do not approve, except that you currently may, without our prior written consent, install security-related equipment that does not interfere with the operation or trade dress of the Restaurant. Additionally, you must sign contracts with approved suppliers and participate in our then-current gift card program operated by or through our approved suppliers (that may include us or our affiliates). Your vendors, suppliers, distributors, and other contracting parties may provide us information regarding your purchases, past due amounts and other aspects of their relationship with you.

We approve suppliers on the basis of, among other things, the quality and price of the goods produced or services provided, the service commitment to our standards, production capabilities, adherence to our standards, and facilities cleanliness. We currently have no formal procedure or written criteria for the approval or revocation of approval of alternative suppliers, and we do not charge any fee to secure approval of an alternative supplier. We typically respond within 30 days after receiving all information we request. We revoke our approval of suppliers by notifying the supplier. We retain the exclusive right to consider, review and approve all suppliers and distributors which may hold, sell or distribute Sonic-labeled goods or products. Except for interests our officers may hold in Inspire Brands and its subsidiaries, there are no approved suppliers in which any of our officers own an interest.

We will provide you with the standard construction plans and specifications for a free-standing Sonic Restaurant, including mandatory and recommended standards and specifications for the building, equipment layout, and signs (the "Sonic Plans and Specifications"). You cannot deviate from the approved plans and specifications in any manner in the construction or remodeling of the Restaurant without our prior written approval. If you make any alterations to the site plan, as we approved it, or to the Sonic Plans and Specifications or layouts for any reason, these alterations are

subject to our prior approval before any work begins on the Restaurant. Before you open your Restaurant, you must submit to us a record of drawings showing all approved changes to the plans and specifications. At your option, our affiliates also may provide site and kitchen layout design services. Our affiliates only offer site layout services for Restaurants with a drive-thru window.

Before opening or taking possession of the Restaurant, you must acquire and maintain the forms of insurance with the coverages and amounts that we periodically specify from insurance companies acceptable to us. You must name us, our owners, and our affiliates as additional insureds and loss payees under the policies as we specify, and the policies must contain a waiver of subrogation in favor of us, our owners, and our affiliates regarding your operations of the Restaurant. You must provide us at least 30 days' prior notice of cancellation or amendment of the policies. Within 10 days after we request, you must provide certificates of insurance evidencing that you obtained the required insurance policies. At least 30 days before a policy expires, you must deliver evidence of continuation of the required insurance policies. We may require you to increase the insurance coverage amounts or obtain additional insurance upon 60 days' written notice, and you must comply no later than the first policy renewal date after the 60-day period. If you fail to obtain and maintain the required insurance policies, we may (but are not required to) acquire and administer the required minimum insurance coverage on your behalf and you must reimburse us for all costs. There currently are no purchasing or distribution cooperatives in the Sonic Restaurant network, although we negotiate purchase arrangements with suppliers, including price terms, for the benefit of the Sonic Restaurant network. We do not provide material benefits (for example, renewal or granting additional franchises) to you based on your purchase of particular products or services or use of particular suppliers. Collectively, the purchases and leases that you must make from us or our affiliates, from designated or approved suppliers, or under our standards and specifications represent about 16% to 25% of your purchases and leases to establish, and 34% to 50% of your purchases and leases to operate, your Restaurant.

Except as described in this Item 8, neither we nor our affiliates are currently an approved supplier or the only approved supplier of any products or services for your Restaurant. Except as described in this Item 8, you currently are not required to purchase or lease any goods, services, supplies, fixtures, equipment, inventory, computer hardware or software, real estate or comparable items related to establishing or operating the franchised business from us, our affiliates, or our approved suppliers. During the fiscal year ended December 29, 2024, suppliers contributed more than \$76,750,000 to the Sonic Drive-In chain based on the purchases and leases of franchisees' and our affiliates' Sonic Restaurants. We allocated these funds as follows:

\$ 42,537,032	Brand Technology Fund
\$ 16,678,647	Sonic Brand Fund
\$ 13,847,538	System Marketing Fund
\$ 3,705,027	Reimbursement of SIS' cost to sponsor the annual franchisee convention

We will continue to distribute supplier contributions received as mentioned above. During 2024, with the FAC executive committee's approval, we contributed \$16,708,000 of the rebates from the BTF to the SBF to better support development and implementation costs for future sales-driving tools and initiatives such as order-ahead and third party delivery enhancements. Supplier contributions to the BTF, SBF and the SMF are primarily based on a percentage of the supplier's sales to the Sonic Drive-In chain or are flat amounts tied to the volume of certain products sold.

Contributions for the annual Sonic franchisee convention are primarily flat amounts that SIS and the supplier determine. Neither we nor our affiliates received any revenue during our 2024 fiscal year from selling products or services to Sonic Restaurant franchisees.

Multi-Brand Locations

If we and you enter into the Multi-Brand Addendum and you operate your Sonic Restaurant at a Multi-Brand Location, we, at our option, may modify any of the terms of the Sonic system applicable to your Sonic Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Sonic Restaurants, to reflect the Restaurant’s status as a Multi-Brand Location. If you operate your Sonic Restaurant at a Multi-Brand Location, you must comply with all of these modifications.

If we permit you to operate your Sonic Restaurant at a Multi-Brand Location, (i) you must use paper products and other items bearing the Trademarks only at the Restaurant and with products served by the Sonic Restaurant, and you (or your affiliate) may not use them at the Other Restaurant or with products served by the Other Restaurant, (ii) you must ensure that all employees providing services to customers of the Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants, and (iii) you may be required to purchase or lease certain goods and services for each Other Restaurant from approved or designated suppliers (which may be the applicable Other Franchisor or its affiliate). You can find additional information in each Other Franchisor’s franchise disclosure document.

Before Opening

Before you open your Sonic Drive-In, we will:

1. Evaluate the proposed site based on our then-current site selection policies and procedures and either accept or reject the proposed site, if the Site is not determined at the time you sign the Franchise Agreement. You must locate a Site we accept within 90 days after signing the Franchise Agreement, otherwise we may terminate the Franchise Agreement. We do not identify sites or negotiate the purchase or lease of a site for your Restaurant. We generally do not own or lease sites for new Sonic Restaurants to franchisees. In considering whether to accept a site, we consider factors like demographic evaluations, traffic patterns, physical site profile, and viable competition in the market area and other factors. It typically takes us 30 after receiving a site report and all other information we request to evaluate a site. (Section 3.01(b) of the Franchise Agreement)
2. Provide you with our Sonic Plans and Specifications for a free-standing Sonic Restaurant, including mandatory and recommended standards and specifications for the building, equipment layout and signs. We also will provide standards and specifications, and names of approved suppliers, for opening inventory, supplies, and related materials needed to develop the Restaurant. We do not provide these items directly, but will provide the names of approved suppliers for some items and written specifications for some items. We do not deliver or install any items. (Sections 3.03, 8.01 and 8.03 of the Franchise Agreement). At your option, our affiliates also may provide certain site and kitchen layout design services.
3. Provide you access to certain Confidential Information and Sonic Operations Manual. (Sections 6.02 and 10.01 of the Franchise Agreement). The Operations Manual might include written or intangible materials, including audio, video, computer software, other electronic media, written materials, written directives, email and other electronic

communications, facsimiles, or any other medium capable of conveying the contents of the manuals. We may make the Operations Manual available by various means. 4. Provide the initial training program. (Section 6.01 of the Franchise Agreement.) We describe training later in this Item.
5. Provide our written authorization to open the Restaurant if you have complied with the Franchise Agreement. (Section 3.05 of the Franchise Agreement.) We describe our opening requirements later in this Item.
6. If you sign the Development Agreement, provide you with the site acceptance form, site selection criteria, and other related materials that we periodically make available to developers of Sonic Restaurants. You must comply with our development policies, as we periodically modify them, for each proposed site. We will accept or reject proposed sites for Sonic Restaurants under the Development Agreement within 30 days after receiving the site selection report and all other information we request. If we do not respond within 30 days, the site is deemed rejected. (Section 6.01 of the Development Agreement)

Ongoing Assistance

During the operation of your Sonic Drive-In, we will:

1. Modify the Operations Manual periodically to reflect changes in standards for the Sonic Restaurant network. You must keep your copy of the Operations Manual current and

communicate updates to employees in a timely manner. (Section 6.02 of the Franchise Agreement)

2. Maintain and administer the marketing fund for the Sonic Restaurant network (the “System Marketing Fund” or “SMF”). (Section 12.02 of the Franchise Agreement.) We describe the SMF and its operations below.
3. Maintain and administer a brand fund for the Sonic Restaurant network (the “Sonic Brand Fund” or “SBF”). (Section 12.03 of the Franchise Agreement.) We describe the SBF and its operations below.
4. Maintain and administer a technology fund for the Sonic Restaurant network (the “Brand Technology Fund” or “BTF”). (Section 12.07 of the Franchise Agreement.) We describe the BTF and its operations below.
5. Advise and consult with you relating to the operation of the Restaurant, including advertising materials and new developments, techniques, and improvements in areas of restaurant equipment, management, food preparation, and service relating to the operation of a Sonic Restaurant. (Section 6.03 of the Franchise Agreement)
6. For any significant changes in the programs or policies impacting all or substantially all Sonic Restaurants concerning training, the Sonic system, the Operations Manual, the SMF, the SBF or the BTF, including determining the designated beverage supplier or advertising agency of record for the Sonic Restaurant network, solicit input and advice from a group of franchisees gathered together for that purpose (whether established ongoing for that purpose or gathered on an ad hoc basis). We will use commercially reasonable efforts to ensure that the groups are balanced in terms of their representation of Sonic Restaurants as a whole. This obligation applies only if the franchise agreements in effect for at least one-third of all Sonic Restaurants contain this provision or a substantially similar provision. (Section 21.01 of the Franchise Agreement)
7. If you sign the Development Agreement, issue a Sonic Franchise Agreement after we accept a proposed site for a Sonic Restaurant. You or your approved Controlled Affiliate must sign a separate Sonic Franchise Agreement to develop each Sonic Restaurant before buying or signing a lease or sublease for that site or beginning construction work at the accepted site. However, we need not issue a Franchise Agreement if you (or your proposed Controlled Affiliate) do not then meet our then current financial and operational standards and qualifications for new Sonic Restaurants. We may periodically modify the then current form of Franchise Agreement, and it may be different than the current form of Franchise Agreement, including different fees and obligations, except that the initial franchise fee will be \$15,000 and the royalty will be the standard tiered royalty rate reflect in Item 6. (Sections 6.02 and 6.03 of the Development Agreement)

Except as described above, we have no obligation to provide you with assistance in (1) developing products or services you will offer to your customers; (2) hiring and training your employees; (3) improving and developing the franchised business; (4) establishing pricing; (5) establishing and using administrative, bookkeeping, accounting, and inventory control procedures; or (6) resolving operating problems you may encounter.

Opening the Restaurant

In most instances, once you have obtained required zoning and building permits, it takes approximately 4 months to construct the building and install the equipment at the Restaurant. The typical length of time between signing a Franchise Agreement and opening the Restaurant is approximately 6 to 12 months. The typical length of time between signing a Development Agreement and opening the first Sonic Restaurant is approximately 1 to 2 years. Factors that may affect these time periods include finding a suitable building site, financing arrangements, obtaining required zoning and building permits, the weather that prevails during construction, and labor and materials availability.

You may not open the Restaurant for business until (a) you have properly developed and equipped the Restaurant according to our standards and specifications and in compliance with all applicable laws and regulations and have prepared the Restaurant for opening according to our standards; (b) the Restaurant's personnel have completed all pre-opening training to our satisfaction; (c) you have paid all amounts you then owe to us and our affiliates; and (d) we have provided our written authorization to open. You must open the Restaurant for business on or before the earlier of (i) the required opening date under any applicable development agreement or (ii) the date which is 1 year after we accept the Site (or the Franchise Agreement's effective date if the Site is determined on that date). If you fail to open on time, then we may terminate the Franchise Agreement. Within 120 days after the Restaurant first opens for business, you must provide us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spent in various categories relating to developing and opening the Restaurant. (Section 3.05 of the Franchise Agreement.) If we permit you to operate the Sonic Restaurant at a Multi-Brand Location, you may not open and begin operating the Restaurant unless the Other Restaurant is also open and in operation. (Section 4(d) of the MBA)

If we permit you to operate the Restaurant at a Multi-Brand Location, you must design and construct, and/or make modifications to the Restaurants layout, design, equipment and fixtures that we periodically specify to reflect the Restaurant's operation at a Multi-Brand Location. You must notify customers, and the design and layout must reflect, in the manner we periodically specify that the operation of the Other Restaurant(s) is separate from and independent from the Restaurant. At our option, you may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Restaurant or only for the business associated with the Other Restaurants. (Section 4 of the MBA)

Advertising

Generally

We disseminate local, regional and national advertising for Sonic Restaurants through television, radio, digital, print and other media. We make creative available to Sonic Restaurants for their local store marketing programs. We disseminate radio and television advertising to the advertising cooperatives which generally cover geographic regions known as "Designated Market Areas," as A.C. Nielsen Company periodically defines them ("DMA"). Our in-house marketing department works closely with the national advertising agencies and our affiliates to produce the digital media, print, radio and television advertising for the Sonic Drive-In chain.

You must conduct all advertising in any medium which references the Proprietary Marks or the Restaurant in a dignified manner and ensure it conforms to the standards and requirements that we periodically specify. You must submit to us, for our prior approval, samples of all advertising and promotional plans and materials that you desire to use that reference the Proprietary Marks or the Restaurant and that we have not prepared or previously approved. If we do not provide written approval within 30 days after we receive the materials, they are deemed disapproved. Upon notice from us, you must discontinue and/or remove any objectionable advertising or promotional materials, whether or not they we previously approved them. (Section 12.04 of the Franchise Agreement)

If we permit you to operate the Restaurant at a Multi-Brand Location, unless we otherwise specify or approve, none of the advertising, marketing or promotional materials associated with the Restaurant may reference any Other Restaurant or the brand(s) under which they operate. (Section 4(f) of the MBA)

Social Media

You may not develop, maintain or authorize a website or any other online presence (such as blogs, common social networks like Facebook, professional networks like Linked-In, live-blogging tools like X (f/k/a Twitter), virtual worlds, file, audio, photo and video sharing sites like TikTok, Pinterest, SnapChat and Instagram, and other similar social networking or media sites or tools) or other electronic medium (such as mobile applications, kiosks and other interactive properties or technology-based programs) that mentions or describes you, the Restaurant or its products or services, or that displays any of the Proprietary Marks, except as we may authorize periodically. (Franchise Agreement, Section 8.08)

Sonic Brand Fund

You must contribute 0.90% of the monthly Gross Sales of your Restaurant to the SBF. In some instances, certain suppliers provide funds to the SBF. Company Drive-Ins also contribute to the SBF on the same basis as Franchise Drive-Ins.

We administer the SBF and direct all brand programs, with sole discretion over the concepts, materials, guidelines, and media used in those programs. The SBF is intended to enhance the Sonic system and maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the Sonic Restaurant network. We have no obligation in administering the SBF to make expenditures for you which are equivalent or proportionate to your contribution. On a quarterly basis, we will consult with the Franchise Advisory Council Executive Committee or its successor regarding our maintenance and administration of the SBF and report on the SBF's operation.

During the fiscal year ended December 29, 2024, funds from the SBF were spent as follows:

Item	Percent
Advertising Production	34%
Product Cost Equalization/Volatility Management	27%
Administrative Expenses	7%
Marketing Research	12%
Limeades for Learning	3%
Customer Relations	6%
Quality Assurance	1%

Item	Percent
Sonic Games	5%
Mystery Shop	1%
Convention	4%
Total	100%

We will use the SBF and all earnings exclusively to meet the costs of maintaining, administering, directing, and preparing advertising and other promotional programs, including the cost of preparing and conducting television, radio, magazine, and newspaper advertising campaigns and other public relations activities; employing advertising agencies to assist; and providing promotional brochures and other marketing materials to franchisees in the Sonic system, and any other purpose that promotes, enhances, or protects the Sonic system, including food safety programs, customer feedback programs, and Sonic games. The SBF covers costs for digital media, print, radio and television campaigns, other public relations activities, employing advertising agencies, conducting promotional tests and providing promotional brochures and other marketing materials to our franchisees. The SBF pays us monthly an amount equal to 15% of the SBF's receipts during the preceding month, but not to exceed our actual administrative costs and overhead, if any, as we may incur in activities reasonably related to the administration or direction of the SBF for the franchisees and the Sonic Restaurant network, including conducting market research, preparing marketing, advertising, and other materials, and collecting and accounting for assessments for the SBF. The SBF and its earnings do not inure to our benefit. If we do not spend all the SBF fees in the fiscal year in which the funds accrued, we will carry the funds over to the next fiscal year. We do not use any of the funds of the SBF principally for the solicitation of the sale of Sonic Restaurant franchises.

The SBF is not our asset, and an independent certified public accountant we designate will review the operation of the SBF annually, and we will make the report available to you upon request. However, the body that we approve and designate as the body to consult with regarding our maintenance and administration of the SBF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the SBF if requested in writing at least 30 but not more than 60 days before the end of each fiscal year. We currently have the SBF audited. Although we intend the SBF to be of perpetual duration, we maintain the right to terminate the SBF, but will not do so until we have spent all amounts in the SBF according to the requirements described here. (Section 12.03 of the Franchise Agreement)

System Marketing Fund

If you operate a Traditional Drive-In, your advertising cooperative will allocate a portion of your Restaurant's Gross Sales to the SMF, as described in Item 6. If you operate Sonic Restaurant at a Non-Traditional Location, you will contribute 3% of Gross Sales directly to the SMF. Company Drive-Ins also contribute to the SMF (through the advertising cooperatives) on the same basis as Franchise Drive-Ins.

We administer the SMF and direct all marketing programs with sole discretion over the creative concepts, materials, and media used in those programs. The SMF is intended to complement local marketing efforts by promoting the message of the Sonic brand to an expanded audience. The SMF primarily provides national advertising across the Sonic Restaurant network which attracts customers to Sonic Restaurants by promoting and targeting the message of the Sonic brand to an

expanded audience. The SMF currently focuses on purchasing advertising on national cable and broadcast networks and other national, local and digital media, sponsorship and brand enhancement opportunities. We have no obligation in administering the SMF to make expenditures for or which impact you or the Restaurant which are equivalent or proportionate to your contribution. On a quarterly basis, we will consult with the Franchise Advisory Council Executive Committee or its successor regarding our maintenance and administration of the SMF and report on the SMF's operation.

During the fiscal year ended December 29, 2024, the SMF spent its funds for the following purposes:

Item	Percent
Television Advertising	27%
Agency Fees	11%
Internet/Digital Advertising	53%
Radio Advertising	2%
Customer Research	5%
Other	2%
TOTAL	100%

We use the SMF and all earnings primarily to purchase national broadcast, print, interactive, and other media (such as digital media platforms and dynamic content optimization), sponsorships, and brand enhancement opportunities. The SMF and its earnings will not inure to our benefit, although this does not prohibit the SMF from paying the actual costs that we and our affiliates may incur (including actual employment-related costs) in developing or implementing programs and materials consistent with the SMF's purposes for the benefit of franchisees and the Sonic Restaurant network. If we do not spend all the SMF fees in the fiscal year in which the funds accrued, we will carry the funds over to the next fiscal year. We do not use any of the funds of the SMF principally for the solicitation of the sale of Sonic Restaurant franchises.

The SMF is not our asset, and an independent certified public accountant we designate will review the operation of the SMF annually, and we will make the report available to you upon request. However, the body we approve and designate as the body to consult with regarding our maintenance and administration of the SMF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the SMF if requested in writing at least 30 but not more than 60 days before the end of each fiscal year. We currently have the SMF audited. Although we intend the SMF to be of perpetual duration, we maintain the right to terminate the SMF, but will not do so until we have spent all amounts in the SBF according to the requirements described here. (Section 12.02 of the Franchise Agreement)

Advertising Cooperatives.

Generally, each DMA has an advertising cooperative for that area, and the members include all Sonic Restaurant franchisees and our affiliates who have a Sonic Restaurant located in that DMA. If your Sonic Restaurant is located in a DMA that does not have an approved advertising cooperative, you must promptly form one. If an approved advertising cooperative already exists in the DMA, you must join the advertising cooperative or another advertising cooperative we designate. As a member,

you must contribute certain amounts to your advertising cooperative. You must contribute an amount set by the cooperative, but at least 3.25% of your Restaurant's Gross Sales. However, if you are located in a market that we have designated as a developing or new market, you must contribute at least 5% of your Restaurant's Gross Sales to the advertising cooperative. As described in Item 6, the cooperative will allocate all or a portion of your cooperative contribution to the SMF.

The members of each advertising cooperative have responsibility for the cooperative's administration, and each member (whether a Franchised Drive-In or a Company Drive-In) has 1 vote for each Sonic Restaurant located in the DMA. Company Drive-Ins contribute to the advertising cooperative at the same rate as Franchise Drive-Ins. To become an approved advertising cooperative, the members must adopt and operate in compliance with written bylaws that we approve. Upon your request, we will furnish you with the advertising cooperative's bylaws for your proposed Restaurant. We do not require advertising cooperatives to prepare annual or periodic financial statements or to submit annual or periodic financial statements to us, so we cannot make them available to you for review. We have the power to form, change, dissolve or merge advertising cooperatives. (Section 12.01 of the Franchise Agreement)

Franchise Advisory Council.

Our Franchise Advisory Council provides advice, counsel and input us on important issues impacting the business, such as marketing and promotions, new products, operations, profitability, technology and new products. The Franchise Advisory Council currently consists of 40 members we select. We have 8 executive committee members who are selected at large and 13 regional members representing all regions of the country. We also have 3 Franchise Advisory Council task groups comprised of 53 members who generally serve 3-year terms and provide support on individual key priorities. The Franchise Advisory Council operates in an advisory capacity only. We have the power to form, change or dissolve franchise advisory councils.

Computer Systems and Technology

Computer System

Your Restaurant must have a currently supported Windows-based personal computer, with sound and graphics capabilities along with a printer. The Restaurant must have high-speed internet meeting or exceeding Sonic's current standard (50 mpbs download/20 mpbs upload). You must be able to operate the Restaurant using whatever equipment, components and software are necessary to meet all functionality, performance and informational requirements we periodically specify, including the ability to remain open for business, comply with customer orders, report your sales, maintain daily sales records and activity reports, maintain and submit any other reports we require, receive communications from us, remit royalty and advertising payments, and accept and process credit cards, debit cards, mobile ordering and payment systems and gift cards. You must use only pre-approved providers for the technology systems in your Restaurant, including your POS system, back office system, payment platform, digital channels and technology support. We may periodically require changes or upgrades to the specific software, hardware and computer equipment. No contract limits the frequency or cost of your obligations. We will have unlimited, independent access to the information that your POS system and other internet-connected technology systems generates and stores, including detailed sales information. For clarity's sake, we will not access individual employee personal data (including contact information, social security numbers, rate of pay or similar

information) without your consent or a legal requirement. You must ensure that your POS system and internet-connected technology systems are online and available for access. You alone are responsible for analyzing, addressing, fixing, and assuring your own POS and technology compliance, including any required Payment Card Industry (“PCI”) compliance. You should assemble a team to understand the POS and related technology problems within your business.

For Traditional Sonic Drive-Ins and Non-Traditional Sonics with parking stalls, you must install and maintain the POPS digital marketing platform and the additional hardware and software mobile ordering and payment technology. We may require you to use certain software to generate sales and other transactional information in the form we require. The costs of these systems range from approximately \$72,000 for a Non-Drive-In Location or Non-Traditional Sonic with no stalls to approximately \$182,000 for a Traditional Sonic with 30 stalls. The annual cost for mandatory software and hardware maintenance, repairs, upgrades and updates for the POS is between \$4,000 and \$8,000 annually. The annual cost for other services such as field repairs, and optional services can vary widely depending on need, but will approximately cost between \$1,000 and \$5,000. Otherwise neither we, our affiliate, nor any third party has any obligation to provide ongoing maintenance, repairs, upgrades or updates.

Brand Technology Fund

You must contribute a technology fee of 0.25% of the monthly Gross Sales of your Restaurant to the BTF. For Sonic Drive-Ins open the full calendar year 2020, the monthly fee is instead set from the April 2021 payment through the March 2026 payment at a flat amount equal to 0.25% of 2020 Gross Sales divided by 12, although we may (at our option) allow this percentage to apply to a lower base amount for a limited period of time. The technology fee will continue for Gross Sales incurred on or after March 1, 2026, only upon the approval of 67% of the franchisees of all Sonic Restaurants (with 1 vote per restaurant). In some circumstances, we may reduce or waive technology fees in work-out or troubled location situations or based on development incentives. Company Drive-Ins will contribute to the BTF on the same basis as Franchise Drive-Ins. In addition to technology fee contributions by franchisees, vendor contributions and certain supply chain savings also support the BTF.

We administer the BTF and direct all programs. We have no obligation in administering the BTF to make expenditures for you which are equivalent or proportionate to your contribution to the BTF. On a quarterly basis, we will consult with the Franchise Advisory Council Executive Committee or its successor regarding our maintenance and administration of the BTF and report on the BTF’s operation.

During the fiscal year ended December 29, 2024, the BTF spent its funds for the following purposes:

Item	Percent
Cyber security	13%
Satellite access/internet	16%
Support	15%
Technology software and services	55%
Other	1%
TOTAL	100%

We will use the BTF and its earnings exclusively to meet the costs of designing, developing, implementing, maintaining, administering and supporting products, services and programs related to technology and information systems for the Sonic system and any other purpose that enhances or protects the technology and information systems of any portion of the Sonic system. The BTF pays us monthly 15% of the BTF's receipts during the preceding month, but not to exceed our actual administrative costs and overhead, if any, as we may incur in activities reasonably related to the administration or direction of the BTF for the franchisees and the Sonic Restaurant network. The BTF and its earnings will not inure to our benefit, and obligations of the BTF will not be our obligations. If we do not spend all the BTF fees in the fiscal year in which the funds accrued, we will carry the funds over to the next fiscal year. We do not use any of the funds of the BTF principally for the solicitation of the sale of Sonic Restaurant franchises.

The BTF is not our asset, and an independent certified public accountant we designate will review the operation of the BTF annually, and we will make the report available to you upon request. However, the body that we approve and designate as the body to consult with regarding our maintenance and administration of the BTF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the BTF if requested in writing at least 30 but not more than 60 days before the end of each fiscal year. We currently have the BTF audited. Although we intend the BTF to be of perpetual duration, we maintain the right to terminate the BTF, but will not do so until we have spent all amounts in the BTF according to the requirements described here. (Section 12.07 of the Franchise Agreement)

Training Programs

Certified Training Programs

Your Principal and one manager of your Restaurant must attend and successfully complete our General Manager Training Program to our satisfaction before your Restaurant's opening. Your Principal and manager should plan to begin this training 5 to 6 months before your Restaurant opens to allow adequate time to complete training and to hire and train assistant managers and restaurant crew. In this training we will provide on-the-job training for each position in the Restaurant so that you can learn how to operate the Restaurant and train your staff. We do not charge any fees for the General Manager Training Program, but you must pay the salaries, travel, and living expenses for all persons who attend training.

At least one full-time manager working in your Restaurant must complete the General Manager Leadership Class training to our satisfaction no later than 60 days before your Restaurant's opening date and, if the General Manager is hired after your Restaurant's opening, no later than 6 months after assuming the management position. You must pay us \$200 per attendee upon registration in the General Manager Leadership Class. You also must pay the salaries, travel, and living expenses for all persons who attend training.

The following table summarizes the General Manager Leadership Class training:

Subject	Hours of Classroom Training	Hours of On-the-Job Training	Location
General Management Leadership Class	24	0	Oklahoma City, Oklahoma, locations throughout the U.S., or virtually
Total	24	0	

We also provide additional self-directed ongoing training programs, online training and webinars for management personnel, including station courses and additional manager leadership classes. We provide the online training and webinars at no cost, but you must pay the salaries for all persons who attend training and for any required training materials.

Certification Training for Initial Restaurants

For your (or your affiliate's) first 3 Sonic Restaurants, as part of the pre-opening training, you will send at least 1 General Manager, 1-3 Assistant Managers, and 1-3 Shift Managers from your Restaurant (however we may make allowances for the number of people to attend based on the size and expected volume of the Restaurant) (the "Franchisee Certified Training Team") to another certified Sonic Restaurant that we approve (which may be a Company Drive-In or a Franchise Drive-In) for additional certification training. This certification training typically lasts about 5 weeks and covers a variety of on-the-job training topics, including restaurant set-up, restaurant crew station training and guest experience. There are no specific subjects or durations for the certification training, and there are no requirements to complete training to our satisfaction. We do not charge any tuition for the certification training, but you must pay the salaries, travel, and living expenses for all persons who attend training and for any required training materials. The Franchisee Certified Training Team must complete certification training at least 7 days before opening the Restaurant. The Franchisee Certified Training Team is then responsible for training your Restaurant's entire team during the Restaurant's pre-opening and opening.

Food Safety and Quality Assurance

Upon opening your Restaurant, each of the Restaurant's personnel who has shift responsibility or employee oversight responsibility at the Restaurant (collectively, the "Management Personnel") must be certified in ServSafe® or in another comparable, nationally-recognized food safety training and certification program we approve. You must pay any third-party training fees and the salaries, travel, and living expenses for all persons who attend training. Subsequent Management Personnel must successfully complete this training within 120 days after beginning employment. All ServSafe certifications must be current within 4 years.

To assist with the consistent delivery of safe and high-quality food, as part of our ongoing training, we require all Sonic Drive-In employees to satisfactorily complete our comprehensive, restaurant-based food safety program that promotes the quality and safety of all products and procedures that Sonic Drive-Ins use and provides certain requirements for suppliers, distributors, and Sonic Drive-Ins (the "Sonic Safe Training Program"). Sonic Safe Training Program is a risk-based system that utilizes Hazard Analysis & Critical Control Points principles for managing food safety and quality. The Sonic Safe Training Program includes components to monitor and ensure the safety and quality of a Sonic Restaurant's products and procedures at every stage of the food preparation and production cycle, including employee training, supplier product inspections and testing and unannounced drive-in food safety audits. All Sonic Drive-In employees must complete the Sonic Safe Training Program to our satisfaction in their first stage of training.

The following table summarizes the ServSafe training:

Subject	Hours of Classroom Training	Hours of On-the-Job Training	Location
ServSafe®	8	0	Conducted by certified third parties and available at locations throughout the U.S.

Our Training Team and Training Materials

Kevin Knutson, our Vice President of Training and Operation Services, oversees our training program. Mr. Knutson has 20 years' experience in the restaurant industry and 14 years' experience with our training programs. Other members of our Operations Services, Training, and Development Department, who have a combined total of more than 75 years' experience with us and a combined total of more than 90 years' experience in the restaurant industry, also assist with training. The instructional materials used for our training programs are the Operations Manual and other handouts.

If we permit you to operate the Restaurant at a Multi-Brand Location, the services, guidance and assistance that we provide under the Franchise Agreement, including any training, may be intended for stand-alone Sonic Restaurants and not tailored or specific to Multi-Brand Locations. We may modify our training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Sonic Restaurant and the Other Restaurants. However, you must ensure that all employees who provide services to the Sonic Restaurant's customers or otherwise assist in the Sonic Restaurant's operation are properly trained to operate the Sonic Restaurant and otherwise satisfy our requirements. We have no obligation to provide training, services or other assistance with respect to the development or operation of any Other Restaurant. (Sections 4 and 5 of the MBA)

ITEM 12 **TERRITORY**

Franchise Agreement

Under the Franchise Agreement, we grant you a license to operate a Sonic Restaurant at a location that we accept. If your lease expires or is terminated without your fault, or if the Restaurant is destroyed, condemned, or otherwise rendered unusable, you may relocate the Restaurant to a new site within the Protected Area (defined below) that is acceptable to us. You must pay all costs associated with the relocation and comply with the Franchise Agreement's provisions relating to the development and opening of the Restaurant at the new site and de-identification of the old site.

Except as described below, we will not own or operate a Sonic Restaurant, and will not franchise to any other person to own or operate a Sonic Restaurant (other than a Sonic Restaurant franchised before the date of the Franchise Agreement), within the Restaurant's Protected Area. The "Protected Area" is defined on the Franchise Agreement's effective date and is:

(i) a radius extending .75 miles from the front door of the Restaurant if located within an area that has a population density of more than 125,000 people per square mile; or

(ii) if the Restaurant is located within an area that has a population density of less than 125,000 people per square mile then:

(a) a radius extending 1.5 miles from the front door of the Restaurant if located within a city, town, or MSA having a population of 75,000 or more;

(b) a radius extending 2 miles from the front door of the Restaurant if located within a city, town, or MSA having a population of less than 75,000 but more than 25,000;

(c) a radius extending 3 miles from the front door of the Restaurant if located within a city, town, or MSA having a population of 25,000 or less; or

(d) a radius extending 3 miles from the front door of the Restaurant if located outside a city, town, or MSA.

We determine the population of an MSA on and after the Franchise Agreement's effective date based on the latest published federal census (or other data we select) and may reduce the Protected Area based on this data upon notice to you. If more than one subpart (a) through (d) applies, then the subpart with the smallest area is the Protected Area.

However, the Protected Area does not extend into the contractually-granted protected radius of any Sonic Restaurant in existence on the Franchise Agreement's effective date ("Previously Protected Radius"), the protected area of any developer under a development agreement with us in existence on the Franchise Agreement's effective date ("Previously Protected Development Area"), or any Non-Drive-In Location or Non-Traditional Location that is otherwise located within the Protected Area. Therefore, and despite your rights as described above, any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location and Non-Traditional Location is excluded from the Protected Area, and we may own or operate a Sonic Restaurant, and may franchise to any other person to own or operate a Sonic Restaurant, within any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location or Non-Traditional Location, whether they would otherwise be located within or outside the boundaries of the Protected Area. Because of these limitations, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

If you operate your Restaurant at a Non-Traditional Location, then we and you will sign the Non-Trad Rider. Under the Non-Trad Rider you receive no Protected Area and no territorial rights or protection.

Except as the Franchise Agreement expressly limits us, we retain all rights concerning the Sonic system, the Proprietary Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire. For example, we specifically reserve the following rights:

(1) the right to establish and operate, and to grant to others the right to establish and operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Protected Area under trademarks or service marks other than the Proprietary Marks and on any terms we deem appropriate;

(2) the right to provide, offer, and sell, and to grant others the right to provide, offer, and sell, goods and services that are identical or similar to and/or competitive with those provided at the Restaurant, whether identified by the Proprietary Marks or other trademarks or service marks, through dissimilar distribution channels (including the Internet or similar electronic media) both inside and outside the Protected Area and on any terms we deem appropriate;

(3) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Protected Area, under the Proprietary Marks and on any terms we deem appropriate;

(4) the right to establish and operate, and to grant others the right to establish and operate, Sonic Restaurants anywhere outside the Protected Area under any terms we deem appropriate regardless of the proximity to the Restaurant; and

(5) the right to be acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at the Restaurant, or by another business, even if that business operates, franchises, and/or licenses competitive businesses in the Protected Area.

Subject to complying with our standards concerning delivery, there are no restrictions on your soliciting or accepting orders from consumers outside of the Protected Area, but you do not have the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales within or outside of your Protected Area. We and our affiliates may use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales within the Protected Area using the Proprietary Marks or other trademarks without compensating you. Continuation of your territorial rights under the Franchise Agreement does not depend on your achieving a certain sales volume, market penetration or other contingency. The Franchise Agreement does not provide you options, rights of first refusal, or similar rights to acquire additional franchises within the Protected Area or contiguous areas. We may alter your Protected Area and modify your territorial rights in the Protected Area based on population changes as we describe above or if you relocate the Restaurant.

If we and any Other Franchisor grant you the right to operate a Sonic Restaurant and one or more Other Restaurants at a Multi-Brand Location, Other Franchisor(s) may grant you territorial exclusivity which will be described in Other Franchisor's FDD and/or Other Franchise Agreement.

Development Agreement

If we and you sign a Development Agreement, then we grant to you the right (directly or through Controlled Affiliates) to develop and sign Franchise Agreements to operate the number of new Sonic Restaurants identified on the Development Schedule within the Development Area. We typically determine the geographical boundaries of the Development Area and the Development Schedule based on demographic evaluations, traffic patterns, residential and commercial concentrations, physical geographic profiles, viable competition in the market area and other factors. We also consider your financial and management capabilities to properly finance and manage multiple Sonic Restaurants. There is no minimum size for Development Areas.

To maintain your rights under the Development Agreement, you (or a Controlled Affiliate) must sign Franchise Agreements with us for, and open and begin operating, the number of new Sonic Restaurants described under the Development Schedule within the timeframes in the Development Schedule. If you fail to comply with any aspect of the Development Schedule, we may terminate the Development Agreement. Except for these situations, continuation of your territorial rights in the Development Area does not depend on your achieving a certain sales volume, market penetration or other contingency, and we may not alter your Development Area or modify your territorial rights in

the Development Area. You have no options, rights of first refusal or similar rights to acquire additional franchises.

Except as described below, during the term of the Development Agreement, if you are in compliance with the Development Agreement (including the Development Schedule), and you and your affiliates are in compliance with any other related agreements, then we will not own or operate a Sonic Restaurant, and will not franchise to any other person to own or operate a Sonic Restaurant (other than a Sonic Restaurant franchised before the date of the Development Agreement), within the Development Area. However, if the Development Area covers more than one city, county, designated market area or target area (each “Target Area”), this territorial protection for each Target Area expires upon the earlier of (x) the expiration or termination of the Development Agreement, or (b) the date upon which you or your Controlled Affiliate signs a Sonic Franchise Agreement for the final Sonic Restaurant to be developed in that Target Area. When this territorial protection expires for the Development Area or Target Area (as applicable), we may then own and operate, and franchise to any other person to own and operate, a Sonic Restaurant in the Development Area or Target Area (as applicable), except as otherwise provided under any Sonic Franchise Agreement then in effect.

However, the Development Area does not extend into the contractually-granted protected radius of any Sonic Restaurant in existence on the Development Agreement’s effective date (“Previously Protected Radius”), the protected area of any developer under a development agreement with Sonic in existence on the Development Agreement’s effective date (“Previously Protected Development Area”), or any Non-Drive-In Location or Non-Traditional Location that is otherwise located within the Protected Area. Therefore, and despite your rights as described above, any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location and Non-Traditional Location is excluded from the Development Area, and we may own or operate a Sonic Restaurant, and may franchise to any other person to own or operate a Sonic Restaurant, within any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location or Non-Traditional Location, whether they would otherwise be located within or outside the boundaries of the Development Area. Because of these limitations, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Except as the Development Agreement expressly limits us, we retain all rights concerning the Sonic system, the Proprietary Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire. For example, we specifically reserve the following rights:

- (i) the right to establish and operate, and to grant to others the right to establish and operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Development Area under trademarks or service marks other than the Proprietary Marks and on any terms we deem appropriate;
- (ii) the right to provide, offer, and sell, and to grant others the right to provide, offer, and sell, goods and services that are identical or similar to and/or competitive with those provided at any Sonic Restaurant, whether identified by the Proprietary Marks or other trademarks or service marks, through dissimilar distribution channels (including the Internet

or similar electronic media) both inside and outside the Development Area and on any terms we deem appropriate;

(iii) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Development Area, under the Proprietary Marks and on any terms we deem appropriate;

(iv) the right to establish and operate, and to grant others the right to establish and operate, Sonic Restaurants anywhere outside the Development Area under any terms we deem appropriate regardless of the proximity to any of your Sonic Restaurants; and

(v) the right to be acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at any Sonic Restaurant, or by another business, even if such business operates, franchises, and/or licenses competitive businesses in the Development Area.

Affiliated Programs

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13 **TRADEMARKS**

The Franchise Agreement licenses to you the right to use Proprietary Marks. "Proprietary Marks" means the distinctive and characteristic trade names, trademarks, service marks, emblems and trade dress that we designate periodically for use with Sonic Restaurants, along with other elements of trade dress that we periodically designate for use in the Sonic system, such as signs, menu housings, designs and design elements (including angled parking stalls equipped with menu housings, speakers, and tray supports), color schemes, exterior style, canopies, interior furnishings, and equipment layout. Our affiliate, ADIBP, has registered the following principal trademarks and service marks on the Principal Register of the U.S. Patent and Trademark Office (the "USPTO"):

Principal Trademarks	Reg. Number	Reg. Date
SONIC, and Design 	6206939	11/24/20
SONIC, and Design 	6207170	11/24/20
AMERICA'S DRIVE-IN	2558947	4/9/02
SONIC	2750588	8/12/03
SONIC	2777963	12/28/03
SONIC	0982964	4/30/74
SONIC, and Design 	2923271	2/1/05
SONIC, and Design 	2067808	6/03/97

ADIBP has filed all required affidavits and renewal applications for these principal Proprietary Marks. On May 20, 2011, under the “Franchisor IP License Agreement,” ADIBP granted us a license to use and sublicense the Proprietary Marks for a term of 99 years. If we materially violate any terms of the Franchisor IP License Agreement (most of which relate to ensuring proper trademark usage by us and our franchisees) and do not cure that violation within 45 days after notice of the breach, ADIBP or its representative may cure the violation at our expense or seek an injunction

to enforce compliance. There are no other agreements currently in effect that significantly limit our right to use or license the use of the Proprietary Marks.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, and no pending infringement, opposition or cancellation proceedings, and no pending material litigation, involving the principal Proprietary Marks. We do not know of either superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in any state.

You must notify us promptly of any actual or apparent infringement of or challenge to your use of any Proprietary Mark, or of any person's claim of any rights in any Proprietary Mark, and not communicate with anyone other than us, ADIBP, and our and its attorneys, and your attorneys, regarding any infringement, challenge or claim. We or ADIBP may take the action that we or it deems appropriate (including no action) and control exclusively any litigation, USPTO proceeding or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. You must sign the documents and take any other reasonable actions that we specify as necessary or advisable to protect and maintain our and ADIBP's interests in any proceeding or the Proprietary Marks. At our or its option, we or ADIBP may defend and control the defense of any litigation or proceeding relating to any Proprietary Mark. We are not obligated, however, to institute legal or other action to protect you against claims of infringement or unfair competition concerning the Proprietary Marks. We need not participate in your defense nor indemnify you for expenses and damages if you are a party to any administrative or judicial proceeding involving a Proprietary Mark or if the proceeding is resolved unfavorably to you.

You may use the Proprietary Marks only according to the Franchise Agreement and as we periodically designate and in the manner we periodically authorize and permit. You must use the Proprietary Marks only for the operation of the Restaurant and not in any other business or capacity. During the term of the Franchise Agreement, you must identify yourself as the independent owner of the Restaurant together with any use of the Proprietary Marks in the manner that we periodically specify. We may periodically add Proprietary Marks and substitute different Proprietary Marks for use in identifying the Sonic system and Sonic Restaurants. If we do so, you must comply with our directions at your expense within a reasonable time after receiving notice. All provisions of the Franchise Agreement relating to the Proprietary Marks apply to any additional and substitute trademarks and service marks and related intellectual property that we periodically authorize you to use.

The Development Agreement does not grant you any right to use, or authorize others to use, the Proprietary Marks in any manner. Your right to use the Proprietary Marks arises only under Franchise Agreements with us.

If we permit you to operate the Sonic Restaurant at a Multi-Brand Location, you may use the Other Franchisor's trademarks licensed to you under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

We and our affiliates currently intend to renew these copyrights before they expire. ADIBP granted us a license to use and sublicense the patents and copyrights under the Franchisor IP License Agreement described in Item 13. No other agreement in effect limits our rights to use or license the use of any patents or copyrights in any manner material to the franchise.

At our or its option, we or ADIBP may defend and control the defense of any litigation or proceeding relating to any patent and/or copyrights. We are not obligated to institute legal or other action to protect you against claims concerning the patents or copyrights. We need not participate in your defense nor indemnify you for expenses and damages if you are a party to any administrative or judicial proceeding involving a patent or copyright or if the proceeding is resolved unfavorably to you. You must modify or discontinue using any patents, copyrighted materials and proprietary information as we direct.

Confidential Information and Innovations

We will disclose certain Confidential Information to you in furnishing the Sonic Plans and Specifications, the training programs, and the Operations Manual, and in providing guidance and assistance to you during the term of the Franchise Agreement. “Confidential Information” means (a) methods and procedures for preparation of food and beverage products, including confidential recipes; (b) distinctive service and accessories; (c) plans and specifications for interior and exterior signs, designs, layouts, and color schemes; (d) methods, techniques, formats, systems, specifications, procedures, business information, trade secrets, sales and marketing programs and information, methods of business operations and management, and knowledge of and experience in the operation and franchising of Sonic Restaurants; (e) any proprietary information contained in the Sonic Operations Manual or otherwise communicated to you concerning the development or operation of a Sonic Restaurant; (f) the names, contact information, ordering history and other personal information (excluding credit card data and other account data that you collect through the Restaurant’s POS system) of or relating to the Restaurant’s customers or prospective customers (collectively, “Customer Data”); and (g) any other information that we reasonably designate as confidential or proprietary. Any passwords or other digital identification necessary to access the Sonic Operations Manual and other information on any website is also Confidential Information.

You must promptly disclose to us all ideas, concepts, techniques or materials relating to a Sonic Restaurant (collectively, “Innovations”), whether or not protectable intellectual property and whether created by or for you or your owners, employees or contractors. Innovations are our sole and exclusive property, part of the Sonic system, and works made-for-hire for us. If any Innovation does not qualify as a work made-for-hire for us, then you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to sign (and to cause your owners, employees and contractors to sign) whatever assignment or other documents we request to evidence our ownership or to help us or our affiliate obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person concerning any Innovations. You may not use any Innovation in operating the Restaurant or otherwise without our prior approval.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You (if the franchisee is an individual) or your Principal (if the franchisee is an entity) must diligently and fully exploit your rights in the Franchise Agreement by personally devoting best efforts to and personally participating in the operation of the Restaurant and devoting sufficient time and effort to the management of the Restaurant. The “Principal” is the individual whom we approve and who (a) owns more than 50% of the ownership interests in you; (b) has the authority under your organizational documents to authorize a merger, liquidation, dissolution or transfer of substantially all of your assets and otherwise to direct and control your management and policies without the vote or consent of any other person; and (c) devotes sufficient time and attention to the promotion and operation of the Restaurant.

Your Restaurant must at all times have at least one individual working full-time at the Restaurant who has completed our then current training program. If the trained individual ceases to work full time at the Restaurant for whatever reason, you must promptly replace the individual with a person who has completed our then current training program. In addition, the Restaurant’s

Management Personnel must provide direct on-premises supervision to the Restaurant. “Management Personnel” means all individuals who have shift responsibility or employee oversight responsibility at the Restaurant. All Management Personnel must be certified in ServSafe or in another comparable, nationally-recognized food safety training and certification program that we approve. Management Personnel that you subsequently employ must complete this training within 120 days after starting work. Management Personnel need not have an equity interest in you or in the Restaurant.

The Principal and each other owner (if any) who owns 10% or more of the ownership interests in you at any time during the term of the Franchise Agreement must sign an agreement in the form we designate undertaking personally to be bound, jointly and severally, by all provisions of the Franchise Agreement and any ancillary agreements. We also may require you to use nondisclosure clauses in agreements with employees and others (including your owners) who have access to the Confidential Information.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You must serve all menu items that we periodically require, serve no items which are not listed in the Operations Manual or which we do not otherwise authorize and approve, and display and offer only the menu that we then approve. We have the unlimited right to change the types of authorized products and services you may offer. You must comply with the maximum, minimum or other pricing policies and requirements that we periodically specify for menu items and other products and services that your Restaurant offers and sells, including promotions, special offers and discounts in which some or all Sonic restaurants participate, in each case to the maximum extent the law allows. We currently do not restrict the customers to whom you may sell the approved menu items and products.

If we permit you to operate the Sonic Restaurant at a Multi-Brand Location, you may offer the products and services authorized by the Other Franchisor under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

ITEM 18 **PUBLIC FIGURES**

Sonic does not use any public figure to promote its franchise.

ITEM 19 **FINANCIAL PERFORMANCE REPRESENTATION**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

These financial performance representations provide actual, historical “AUVs,” or average “Unit Volumes,” for specific groups of franchised Sonic Restaurants. “Unit Volume” has the same meaning as Gross Sales, which we define in the note below. This Item 19 includes financial information for our 2024 fiscal year (which we will call simply “2024” in this Item 19), which is the period from January 1, 2024 until December 29, 2024. Indeed, federal and state franchise laws permit us to include in Item 19 either (a) a historical financial performance representation about the franchise system’s existing outlets or a subset of those outlets, or (b) a forecast of the prospective franchisee’s future financial performance. The information in this Item 19 reflects 2024 historical data for the AUV of certain franchised Sonic Restaurants, and is not a forecast of future financial performance or a projection.

There were 3,144 franchised Sonic Restaurants operating in the United States at the end of 2024, 71 of which operate at Non-Drive-In Locations, including C-Stores. We excluded from these financial performance representations: (a) all 30 of the franchised restaurants that first opened for business during 2024 and did not operate for the full year; (b) all 26 of the franchised restaurants that were closed and reported no sales for extended periods during 2024, often for more than a month, either as part of remodeling or rebuilding the restaurant, due to a hurricane weather-related casualty or fire/water damage, or because of a planned relocation or transfer; (c) all 2 of the franchised restaurants that operated at Non-Traditional Locations and had results that may not be typical for Traditional Drive-Ins; and (d) the 1 franchised restaurant that operated at a Multi-Brand Location (which commenced operations during 2024 and is therefore excluded under (a) above). The financial performance representations in this Item 19 provide AUVs during 2024 for the remaining 3,086 franchised Sonic Restaurants (called the “2024 Franchised Restaurants”) or an identified portion of those 2024 Franchised Restaurants. We also excluded from these financial performance representations the 80 franchised Sonic Restaurants that closed in 2024, all of which were open for at least 12 months before they closed, and the 317 company-owned Sonic Restaurants that we or our affiliates operated as of the end of 2024.

Most 2024 Franchised Restaurants, other than the C-Store Locations, are free-standing buildings and include a drive-thru lane and a patio, and sometimes also an enclosed patio or indoor seating. The 2024 Franchised Restaurants are located across the country and in a variety of urban, suburban and rural locations and in varied markets with wide-ranging levels of competition. Notes

Sonic | 2025 FDD

(1) “AUV” or “Unit Volume” for a 2024 Franchised Restaurant is the same as Gross Sales, which means all revenues from all business conducted upon or from the 2024 Franchised Restaurant, whether evidenced by check, cash, credit, charge account, debit card, stored-value card, exchange, or otherwise, and includes the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise (excluding restaurant equipment), for services performed from or at the restaurant, whether the franchisee fills the orders from the restaurant or elsewhere, and for any implied or imputed Gross Sales from any business interruption insurance. Each charge or sale via credit, debit card, stored-value card, or other payment means shall constitute a sale for the full price in the month during which the charge or sale occurs, regardless of the time when the franchisee receives payment (in whole or in part) for the charge or sale. The phrase “Gross Sales” does not include (a) sales of merchandise for which the franchisee makes a cash refund, if previously included in Gross Sales; (b) the price of merchandise returned by customers for exchange, if the franchisee previously included the sales price of the merchandise returned by the customer in Gross Sales and includes the sales price of merchandise delivered to the customer in exchange in Gross Sales; (c) the amount of any sales tax imposed by any governmental authority directly on sales and collected from customers, if the franchisee adds the amount of the tax to the sales price or absorbs the amount of the sales tax in the sales price and actually pays the tax to the governmental authority; (d) amounts not received for menu items because of discounts or coupons, if properly documented; (e) amounts received from the sale of Sonic-approved stored-value cards; and (f) any proceeds received for the sale of the restaurant.

(2) We calculate the AUVs in this Item 19 by adding the Unit Volumes for each restaurant in the applicable group and dividing the sum by the number of restaurants in the applicable group. We obtain the Unit Volumes for franchised Sonic Restaurants from sales reports that franchisees submit to us and from data that we collected from franchisees’ POS systems. We have not independently audited that information. Prospective franchisees and sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form. Upon your reasonable request, we will provide written substantiation for these financial performance representations. A Sonic Restaurant’s sales may vary depending on a number of factors, such as the restaurant’s location and physical condition, other characteristics of the site (such as access and signage), seasonality, competition and demographics in the market, pricing decisions, the level and types of marketing the restaurant undertakes, the quality of management and service, commitment to training staff, a franchisee’s business acumen, and the length of time the restaurant has been open. The 2024 Sonic Restaurants offer essentially the same products and services, face the same kinds of competitive challenges, and receive the same level of support from us that we expect new franchisees will experience.

(3) We define the “Regions” for purposes of these financial performance representations as follows:

Northeast: Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island and Vermont.

Midwest: Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

South: Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia

West: Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming

(4) A free-standing location is generally a stand-alone building on a pad or outlot. A Gas/C-Store location is generally a Drive-Thru Only Location, convenience store, gas filling station or travel plaza. Other Traditional Drive-Ins are at urban store-front locations.

(5) These financial performance representations do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the AUV figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Restaurant. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Vice President, Franchise Counsel, Lisa Storey, Esq. at Three Glenlake Parkway NE, Atlanta, Georgia 30328 or (678) 514-6928, the Federal Trade Commission, and the appropriate state regulatory agencies.

* As of December 31, 2023, two restaurants in Texas had ceased operations to relocate. We anticipate these two restaurants will open the relocated restaurants in 2024.

** One of the openings in Texas is a Sonic Restaurant operating at a Multi-Brand Location with a Jimmy John's restaurant.

(a) Franchisee may operate the Restaurant only at the following site: _____ (the "Site"). Franchisee may not use the Site or any part of the Restaurant premises for any purpose other than the operation of a Sonic Restaurant during the Term.

(b) If the Site is not determined on the date of this Agreement, then Franchisee shall at its expense locate a site for the Restaurant that Sonic accepts within ninety (90) days after the date of this Agreement. Promptly after signing this Agreement, Franchisee must deliver to Sonic for its review a complete site report and related information for a

suitable site for a Sonic Restaurant. Sonic will either accept or reject that proposed site based on Sonic's then current site selection policies and procedures.

(c) Despite any assistance, information or recommendations that Sonic provided or provides with respect to the Site, Sonic has made and will make no representations or warranties of any kind, express or implied, of the suitability of the Site for a Sonic Restaurant or any other purpose. Sonic's recommendation or acceptance indicates only that Sonic believes that the Site meets or has the potential to meet, or that Sonic has waived, its general criteria of Site acceptability as of the date of this Agreement. Applying criteria that have appeared effective for other sites might not accurately reflect the potential for all sites, and, after Sonic recommends or accepts a Site, demographic and/or other factors included in or excluded from its site criteria could change, thereby altering a site's potential. The uncertainty and instability of these criteria are beyond Sonic's control, Sonic is not responsible if the Site fails to meet its or Franchisee's expectations. Franchisee's acceptance of the rights under this Agreement is based on its own independent investigation of the Site's suitability.

3.02 Lease. Unless Franchisee owns the Site, it is Franchisee's sole responsibility to evaluate, negotiate and enter into the lease for the Site. Franchisee must obtain Sonic's prior written acceptance of the terms of any lease or sublease for the Site (the "Lease") before Franchisee signs it. The Lease must contain the terms and provisions that are reasonably acceptable to Sonic, including provisions that Sonic specifies to protect its rights as franchisor. Franchisee must also enter into the form of "Option to Assume Lease" that Franchisor designates, which may modify the terms of the Lease, and Franchisee must cause its landlord to enter into such Option to Assume Lease. Franchisee acknowledges that Sonic's acceptance of the Lease is not a guarantee or warranty, express or implied, of the success or profitability of a Sonic Restaurant operated at the Site. Sonic's acceptance of the Lease indicates only that Sonic believes that the Lease's terms meet, or that Sonic has waived, its then acceptable criteria. Franchisee must give Sonic a copy of the fully-signed Lease within ten (10) days after Franchisee and the landlord have signed it. Franchisee must sign a Lease that Sonic has accepted within sixty (60) days after the date upon which Sonic accepts the Site (or the date of this Agreement if the Site is determined on that date).

3.03 Restaurant Development. Sonic shall provide Franchisee with Sonic's standard construction plans and specifications for a free-standing Sonic Restaurant, including mandatory and recommended standards and specifications for the building, equipment layout and signs ("Sonic Plans and Specifications").

(a) Franchisee shall construct or renovate the Restaurant in accordance with the Sonic Plans and Specifications and the site plan approved by Sonic subject, however, to any alterations thereto that may be required by any applicable law, regulation, or ordinance. If alterations of any kind are required to be made to the site plan, as approved by Sonic, or to the Sonic Plans and Specifications or layouts for any reason, such alterations must be approved by Sonic in writing before any work is begun on the Restaurant. Franchisee must bear all costs associated with any modifications to Sonic's standard plans, whether required by local zoning or building laws or otherwise, which are subject to Sonic's approval. Franchisee shall submit the final site layout and construction plans for the Restaurant to

Sonic for its written approval. Franchisee shall bear any costs, including engineering and architectural fees, incurred in obtaining approvals by the appropriate governmental authorities of the construction plans, specifications, and layouts. Prior to opening, Franchisee shall submit to Sonic, at no cost to Sonic, a record set of drawings showing all approved changes to the plans and specifications.

(b) Sonic shall have the right to inspect and approve all plans and specifications prior to the commencement of any work. Franchisee shall submit the final plans and specifications for the Restaurant to Sonic for its written approval. Nothing in this section shall be construed as an endorsement or guarantee of the conformity of such plans to applicable local, state, or federal building or safety codes, or a guarantee that construction will be done in conformity with such approved plans. In any event, Franchisee shall obtain written approval of such plans or written notice of Sonic's waiver of the rights reserved hereunder prior to the commencement of construction.

(c) Franchisee shall not deviate from the approved plans and specifications in any manner in the construction or remodeling of the Restaurant without the prior written approval of Sonic. If at any time Sonic determines (prior to opening date) that Franchisee has not constructed or remodeled the Restaurant in accordance with the plans and specifications approved by Sonic, Sonic shall, in addition to any other remedies, have the right to obtain an injunction from a court of competent authority against the continued construction and opening of the Restaurant, and Franchisee hereby consents to any such injunction.

3.04 Equipment and Sign.

(a) Franchisee shall install in and about the Restaurant such equipment, fixtures, furnishings, and other personal property, and shall upgrade or purchase additional equipment, fixtures, furnishings, and other personal property, as are required and which strictly conform to the appearance, uniform standards, and specifications of Sonic existing from time to time, which shall be communicated to Franchisee in the Sonic Operations Manual or otherwise in writing. Franchisee shall not install or use in the operation of the Restaurant any equipment, fixtures, furnishings or other personal property that Sonic does not approve, except that Franchisee may, without Sonic's prior written consent, install security-related equipment that does not interfere with the operation or trade dress of the Restaurant.

(b) In order to provide maximum exposure of the Sonic name and marks, Franchisee shall prominently display and maintain at Franchisee's own expense one Sonic Restaurant sign (the "Sign") which complies with the specifications required by Sonic from time to time and in such location as Sonic may approve. Franchisee shall not display any other sign or advertising at the Restaurant without Sonic's prior written approval.

(c) Franchisee may lease the required Sign only from a source approved by Sonic. Franchisee agrees to require in any lease agreement with suppliers a clause giving Sonic the right to remove the Sign from the Restaurant upon termination of this Agreement.

3.05 Opening of Restaurant. Franchisee must open the Restaurant for business on or before the earlier of (i) the required opening date under any applicable development agreement or (ii) the date which is one (1) year after the date upon which Sonic accepts the Site (or the date of this Agreement if the Site is determined on that date). Franchisee agrees not to open the Restaurant until: (a) Franchisee has properly developed and equipped the Restaurant according to Sonic's standards and specifications and in compliance with all applicable laws and regulations and has prepared the Restaurant for opening according to Sonic's standards; (b) all pre-opening training for the Restaurant's personnel has been completed to Sonic's satisfaction; (c) all amounts Franchisee then owes to Sonic and its Affiliates have been paid; and (d) Sonic has provided its written authorization to open. Sonic's determination that Franchisee has met all of Sonic's pre-opening requirements will not constitute a waiver of Franchisee's non-compliance or of Sonic's right to demand full compliance with those requirements. Within one hundred twenty (120) days after the Restaurant first opens for business, Franchisee shall provide Sonic a report, in the format and containing the information that Sonic reasonably specifies, identifying the amounts that Franchisee spent in various categories relating to the development and opening of the Restaurant.

3.06 Casualty. If the Restaurant suffers some physical casualty, Franchisee agrees promptly to restore the Restaurant to the minimum acceptable quality and appearance that existed just prior to the casualty, unless the Restaurant was below minimum acceptable standards for Sonic Restaurants at the time of casualty in which event the Restaurant will be restored to a condition which meets Sonic's then acceptable standard. However, Franchisee agrees to make all reasonable effort to have the restored Restaurant reflect the then-current image, design, and specifications of Sonic Restaurants. If the Restaurant is substantially destroyed by fire or other casualty, Franchisee may, but only with the written consent of Sonic, elect to terminate this Agreement in lieu of Franchisee reconstructing the Restaurant.

3.07 Relocation. If the Lease expires or is terminated without Franchisee's fault, or if the Restaurant is destroyed, condemned, or otherwise rendered unusable, Franchisee may relocate the Restaurant to a new site within the Protected Area that is acceptable to Sonic. Relocation will be at Franchisee's sole expense, and Franchisee must comply with this Agreement's provisions relating to the development and opening of the Restaurant at the new site and de-identification of the old site. Upon such relocation, the Protected Area shall be shifted based on the new site according to Section 4.01, except for (a) the contractually-granted protected radius of any Sonic Restaurant in existence prior to the relocation and (b) the protected area of any developer under a development agreement with Sonic in existence prior to the relocation.

4. PROTECTED AREA.

4.01 Protected Area. Except as otherwise provided in Section 4.02, Sonic shall not own or operate a Sonic Restaurant, and shall not franchise to any other Person to own or operate a Sonic Restaurant (other than a Sonic Restaurant franchised prior to the date of this Agreement), within the "Protected Area," which is defined as the area determined as of the date of this Agreement by the following provisions:

- (a) an area defined by a radius extending three quarters of a mile from the front door of the Restaurant, if located within an area that has a population density of more than 125,000 people per square mile; or

(b) if the Restaurant is located within an area that has a population density of less than 125,000 people per square mile then:

(i) an area defined by a radius extending one and one-half miles from the front door of the Restaurant if located within a city, town, or MSA having a population of 75,000 or more;

(ii) an area defined by a radius extending two (2) miles from the front door of the Restaurant if located within a city, town, or MSA having a population of less than 75,000 but more than 25,000;

(iii) an area defined by a radius extending three (3) miles from the front door of the Restaurant if located within a city, town, or MSA having a population of 25,000 or less; or

(iv) an area defined by a radius extending three (3) miles from the front door of the Restaurant if located outside a city, town, or MSA.

Sonic shall determine the population of an MSA from time to time after the date of this Agreement according to the latest published federal census (or other data selected by Sonic) and may reduce the Protected Area accordingly upon notice to Franchisee. If more than one subpart of this Section 4.01 applies, then only the subpart with the smallest area shall apply.

4.02 Exclusions from Protected Area. Notwithstanding the provisions in Section 4.01, the Protected Area shall not extend into:

(a) the contractually-granted protected radius of any Sonic Restaurant in existence as of the date of this Agreement (“Previously Protected Radius”);

(b) the protected area of any developer under a development agreement with Sonic in existence as of the date of this Agreement (“Previously Protected Development Area”);

(c) any Non-Drive-In Location or Non-Traditional Location that is otherwise located within the Protected Area.

Consequently, notwithstanding Section 4.01, any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location and Non-Traditional Location is excluded from the Protected Area, and Sonic may own or operate a Sonic Restaurant, and may franchise to any other Person to own or operate a Sonic Restaurant, within any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location or Non-Traditional Location, whether they would otherwise be located within or outside the boundaries of the Protected Area.

4.03 Rights Reserved to Sonic. Except as expressly limited by this Agreement, Sonic retains all rights with respect to the Sonic System, the Proprietary Marks, the sale of similar or dissimilar products and services, and any other activities Sonic deems appropriate whenever and wherever it desires. Specifically, but without limitation, Sonic reserves the following rights:

(a) the right to establish and operate, and to grant to others the right to establish and operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Protected Area under trademarks or service marks other than the Proprietary Marks and on any terms and conditions Sonic deems appropriate;

(b) the right to provide, offer, and sell, and to grant others the right to provide, offer, and sell, goods and services that are identical or similar to and/or competitive with those provided at the Restaurant, whether identified by the Proprietary Marks or other trademarks or service marks, through dissimilar distribution channels (including the Internet or similar electronic media) both inside and outside the Protected Area and on any terms and conditions Sonic deems appropriate;

(c) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Protected Area, under the Proprietary Marks and on any terms and conditions Sonic deems appropriate;

(d) the right to establish and operate, and to grant others the right to establish and operate, Sonic Restaurants anywhere outside the Protected Area under any terms and conditions Sonic deems appropriate regardless of the proximity to the Restaurant; and

(e) the right to be acquired (whether through acquisition of assets, Ownership Interests, or otherwise, regardless of the form of transaction) by a business providing products and services similar to those provided at the Restaurant, or by another business, even if such business operates, franchises, and/or licenses competitive businesses in the Protected Area.

5. TERM AND RENEWAL.

5.01 Initial Term. Unless sooner terminated as hereafter provided, the term of this Agreement, including the Franchise, shall begin on the date of this Agreement and end on the date which is ten (10) years after the date upon which the Restaurant first opens for business (the “Term”).

5.02 Renewal Option. At the end of the initial term, if Franchisee desires, Franchisee may renew the Franchise to adopt and use the Sonic System at the Restaurant for two additional ten (10)-year terms, provided that Franchisee satisfies all of the following conditions prior to the expiration of the initial term:

(a) Franchisee gives Sonic written notice of Franchisee’s election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the initial term;

(b) neither Franchisee nor any of its Affiliates is, when notice is given and continuing until the renewal franchise agreement is signed pursuant to subsection (d) below, in default of any provision of this Agreement or any other agreement between

Franchisee (or its Affiliate) and Sonic (or its Affiliate), including any other franchise agreement for a Sonic Restaurant, and Franchisee and its Affiliates have substantially complied with the terms and conditions of this Agreement and all other such agreements during their respective terms;

(c) all monetary obligations that Franchisee owes to Sonic or its Affiliates from any source whatsoever (whether under this Agreement or otherwise) have been satisfied prior to renewal;

(d) Franchisee signs Sonic's then current form of franchise agreement and related documents (modified to reflect that the agreement relates to the grant of a renewal franchise), the terms of which may differ materially from those in this Agreement, including different royalty fees, advertising and brand fees and other fees and a modification to the Protected Area and/or Franchisee's rights in any new protected area, except that the franchise agreement shall provide for one (1) additional renewal option for a ten (10) year term (subject to the conditions for renewal described in that agreement), and in lieu of an initial franchise fee, Franchisee shall pay Sonic a renewal fee equal to Fifteen Thousand Dollars (\$15,000);

(e) Franchisee performs such remodeling, repairs, replacements, and redecorations as Sonic may reasonably require to cause the Restaurant and the Site (including the parking lot, stalls and all Restaurant furniture, fixtures and equipment) to conform to the plans and specifications then being used for new or remodeled Sonic Restaurants on the renewal date;

(f) Franchisee executes a general release, in a form satisfactory to Sonic, of any and all claims Franchisee may have against Sonic and its Affiliates and its and their respective owners, officers, directors, employees, representatives, agents, successors and assigns; and

(g) Franchisee's personnel whom Sonic designates attend and satisfactorily complete such retraining programs as Sonic may require.

6. TRAINING, GUIDANCE AND ASSISTANCE.

6.01 Training.

(a) Franchisee acknowledges the importance of the quality of business operations for Sonic Restaurants and agrees that it will not allow the Restaurant to be opened or operated without having at least one individual working full time at the Restaurant who has completed Sonic's then current training program. If the trained individual ceases to work full time at the Restaurant for whatever reason, Franchisee shall promptly replace the individual with a person who has completed Sonic's then current training program. Franchisee agrees that each individual who participates in the any of Sonic's training programs will, at the request of Sonic, sign a confidentiality agreement in a form prescribed by Sonic agreeing to maintain as confidential certain information learned and received during the program.

(b) Sonic shall provide its initial training program to the Principal and one manager of the Restaurant for no additional fees. Franchisee shall pay Sonic its then current fees for any additional parties associated with the Restaurant attending Sonic's initial training program. In addition, Franchisee shall pay all wages and all travel, living and other expenses for all of Franchisee's personnel while enrolled in any training program.

(c) Upon opening the Restaurant, each of the Restaurant personnel who has shift responsibility or employee oversight responsibility at the Restaurant (collectively, the "Management Personnel") must be certified in ServSafe or in another comparable, nationally-recognized food safety training and certification program approved by Sonic, the cost of which shall be borne by Franchisee. Management Personnel subsequently employed by Franchisee at the Restaurant shall have one hundred twenty (120) days from the beginning date of such employment to successfully complete such training. Franchisee shall pay wages and all travel, living and other expenses for such persons while participating in the training.

(d) Franchisee acknowledges the importance of obtaining additional proper training during the development of its (or its Affiliates') first three (3) Sonic Restaurants placed in operation. Therefore, if the Restaurant developed under this Agreement is, at the time it first opens for business, one of the first three Sonic Restaurants that Franchisee or its Affiliates then operate, then at Sonic's option, Franchisee agrees to participate in, and agrees to accept and pay the expenses of, Sonic's Franchisee Certified Training Team training program in connection with the opening of the Restaurant.

(e) During the Term, Sonic may require Franchisee and/or its personnel, including the Principal, to attend and satisfactorily complete various training courses and programs and evaluation programs, including online training, that Sonic provides periodically at the times and locations Sonic designates, and Franchisee will pay the then-current additional training fees. At Sonic's option, Franchisee must acquire the equipment, technology, and other products and services that Sonic periodically specifies (and pay all associated fees) in order to participate in the learning management platform or other Sonic Restaurant training system that Sonic periodically designates.

6.02 Providing Sonic Operations Manual. Sonic will provide Franchisee access during the term of this Agreement to the Sonic Operations Manual for use in operating the Restaurant. The Sonic Operations Manual might include written or intangible materials and may be made available to Franchisee by various means. The Sonic Operations Manual contains mandatory and suggested standards. Sonic may modify the Sonic Operations Manual periodically to reflect changes in standards. Franchisee agrees to keep its copy of the Sonic Operations Manual current and communicate all updates to its employees in a timely manner.

6.03 Communication. Sonic agrees to regularly advise and consult with Franchisee in connection with the operation of the Restaurant, including advertising materials and new developments, techniques, and improvements in areas of restaurant equipment, management, food preparation, and service which are pertinent to the operation of a Sonic Restaurant.

7. FEES.

7.01 Initial Franchise Fee. Simultaneously with signing this Agreement, Franchisee shall pay Sonic an initial franchise fee in an amount equal to _____ Dollars (\$_____). This initial franchise fee is fully earned by Sonic upon payment and is non-refundable.

7.02 Royalty Fees. On or before the tenth (10th) day of each calendar month, Franchisee shall pay a royalty fee equal to five percent (5%) of Gross Sales for the calendar month preceding the date of such payment. The payment of royalty fees, as well as the payment of any other obligations incurred under this Agreement, shall be made via automated clearing house (ACH) or other electronic means periodically approved by Sonic.

7.03 Transfer Fee. Franchisee shall pay Sonic a transfer fee in the amount of (a) One Thousand Dollars (\$1,000) for any transfer pursuant to Section 14.02(a) or Section 14.04, or any transfer to a member of the Immediate Family of the transferor; or (b) Three Thousand Dollars (\$3,000) for any other transfer pursuant to Section 14.

7.04 Late Payments. If any payments required by this Agreement are not paid by Franchisee on or before the date on which they are due, Franchisee shall pay Sonic a late charge in an amount equal to one and three-quarters percent (1.75%) per month or the highest interest rate permitted by law, whichever is less, levied on such amounts due from the date on which such obligations were due until any such obligations are paid in full. If any payments required by this Agreement are not paid by Franchisee on or before the date on which they are due three (3) or more times during any twelve (12)-month period, then in addition to Sonic's other rights and remedies under this Agreement or otherwise, (a) Sonic may require Franchisee to submit a statement of Gross Sales in the form prescribed by Sonic and at a frequency prescribed by Sonic, such as weekly; and (b) Sonic may require Franchisee to pay obligations incurred under the terms of this Agreement more frequently than once a month, such as weekly. Sonic's acceptance of any partial or late payment does not affect Sonic's right to terminate this Agreement pursuant to the terms of this Agreement. Further, Franchisee acknowledges that this Section 7.04 is not an agreement to accept any partial payments or payments after they are due or Sonic's commitment to extend credit to, or otherwise finance the operation of, the Restaurant.

7.05 Taxes.

(a) Franchisee shall pay when due all taxes levied or assessed on Franchisee and the Restaurant, including unemployment, sales, or gross receipts taxes, and all accounts or other indebtedness of any kind incurred by Franchisee in conducting the business of the Restaurant.

(b) In the time and manner prescribed by Sonic, Franchisee shall also pay an amount equal to any sales tax or gross receipts tax, but not including any net income tax upon Sonic, imposed on Sonic or its Affiliates with respect to any payments from Franchisee to Sonic required under this Agreement, unless the tax is credited against a net income tax otherwise payable by Sonic.

(c) (1) In the event of a dispute with a taxing authority as to (a) Franchisee's liability for taxes or (b) Sonic's or its Affiliate's liability for any taxes upon which Franchisee is required under this Section 7.05 to make payment to Sonic, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with the law and regulations of the taxing authority. Sonic shall provide Franchisee with all information, cooperation, and assistance that Franchisee may reasonably request in connection with any dispute as to Franchisee's, Sonic's, or Sonic's Affiliate's liability for taxes. Franchisee shall not permit a tax sale, seizure, levy, or similar writ or warrant by a creditor to occur against the Restaurant or any of its assets.

(2) In the event a state taxing authority makes a refund to Sonic or its Affiliate of taxes paid for which Sonic previously received payment from Franchisee under this Section 7.05, Sonic shall pay to Franchisee the amount of the taxes refunded by the state taxing authority to Sonic or its Affiliate which equals the amount Franchisee previously paid to Sonic under this Section 7.05.

(d) All notices received by Franchisee from a state taxing authority regarding the alleged, potential, or actual tax liability of Sonic or its Affiliates shall be given to Sonic within fifteen (15) calendar days of receipt by Franchisee. Sonic and Franchisee agree to consult in good faith to determine the nature of any action to be taken in connection with the notice or any demands contained therein.

8. OPERATION OF THE RESTAURANT.

8.01 Compliance with Entire System. Franchisee acknowledges that every component of the Sonic System is important to Sonic and to the operation of the Restaurant as a Sonic Restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service. Therefore, Franchisee agrees at all times during the term of this Agreement to operate the Restaurant in accordance with all aspects of the Sonic System, the Sonic Operations Manual and all of Sonic's other standards and policies, as Sonic may periodically modify them. Without limiting the generality of the foregoing, Franchisee agrees at all times during the Term to:

(a) operate the Restaurant in a clean, wholesome manner in compliance with standards of quality, food safety, service, cleanliness, and appearance as prescribed from time to time by governmental authorities or Sonic and comply with all business policies, practices, and procedures periodically imposed by Sonic;

(b) make no alterations, conversions, or additions to the Restaurant's building or parking area without Sonic's prior written consent and maintain the building, parking area, parking stalls and other parts of the Site and Restaurant in a good, clean, wholesome condition and repair, well-lighted, and in compliance with designated standards as may be prescribed from time to time by Sonic;

(c) purchase and install, and maintain at the Restaurant, all kitchen and other fixtures, lighting, payment systems, equipment (including office equipment) and signs in

accordance with the equipment specifications and layout as periodically designated by Sonic, including by making repairs or replacements required because of damage, wear, and tear or in order to maintain the Restaurant and its assets in good condition and in conformity with Sonic's then current standards;

(d) operate the Restaurant every day of the year (except Easter, Thanksgiving, and Christmas), and at least fifteen (15) hours per day or such other hours, including specific opening and closing times, as may from time to time be reasonably prescribed by Sonic (except when the Restaurant is untenable as a result of fire or other casualty);

(e) maintain sufficient supplies of food and paper products and other inventory, and employ adequate personnel, so as to operate the Restaurant at its maximum capacity and efficiency;

(f) cause all employees of Franchisee, while working in the Restaurant, to wear uniforms of such color, design, and other specifications as Sonic may designate from time to time, present a neat and clean appearance, and render competent and courteous service to Restaurant customers;

(g) serve all menu items that Sonic periodically requires, serve no items which are not set forth in the Sonic Operations Manual or which are not otherwise authorized and approved in writing by Sonic from time to time, and display and offer only the menu that Sonic then approves;

(h) in the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, and other paper goods and packaging bearing the approved trademarks and which meet the Sonic System specifications and quality standards, (ii) use only those manufacturers and brands which meet the Sonic System specifications and quality standards, which Sonic may designate from time to time, and (iii) employ only those methods of food handling, preparation, and serving which Sonic may designate from time to time,;

(i) make prompt payment to vendors providing any products or services to the Restaurant in accordance with the terms of invoices rendered to Franchisee;

(j) comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant, including all laws, ordinances, or regulations relating to terrorist activities;

(k) notify Sonic (in the manner that Sonic periodically specifies) as soon as possible and, in any event, within twelve (12) hours after the occurrence at the Restaurant of any event which could have an adverse impact on the Restaurant, the Sonic System and/or any of the Proprietary Marks, including the death or serious bodily injury of any employee or customer for any reason or the risk of infection by a contagious disease;

(l) accept all of (and only) the debit and credit cards, stored value cards, and any other payment means that Sonic designates or approves;

(m) participate in all system-wide initiatives, including technology initiatives, and all marketing, advertising, promotional, and brand enhancement programs as Sonic may periodically specify;

(n) deal with all parties who have dealings with the Restaurant (including suppliers and customers) in a respectful and responsive manner such that the reputation and goodwill of Sonic, its franchisees, and the Sonic Restaurant network are not tarnished in the business community or with consumers; and

(o) comply with all maximum, minimum or other pricing requirements for products and services that the Restaurant offers, including requirements for promotions, special offers and discounts in which some or all Sonic Restaurants participate, in each case to the maximum extent the law allows.

Sonic shall have the right to establish new or to modify existing operating procedures, policies, practices, requirements, standards, specifications and guidelines, which shall be effective upon notice from Sonic unless Sonic specifies otherwise. Such new or modified operating procedures, policies, practices, requirements, standards, specifications and guidelines may require Franchisee to incur additional expense. Although Sonic retains the right to establish and periodically modify the Sonic System and its operating procedures, policies, practices, requirements, standards, specifications and guidelines that Franchisee has agreed to follow, Franchisee retains the responsibility for the day-to-day management and operation of the Restaurant and implementing and maintaining Sonic System at the Restaurant.

8.02 Restaurant Inspections. Sonic shall have the right to inspect the Restaurant at all reasonable times to determine whether Franchisee's operation of the Restaurant is in compliance with the Sonic System and Franchisee's other obligations under this Agreement. This right to inspect includes the right of Sonic or a third party on Sonic's behalf to conduct food safety audits and operational assessments. If any inspection, including a food safety audit or an operational assessment, reveals any deficiency or unsatisfactory condition with respect to any aspect of the Restaurant's operation, Franchisee shall promptly (but in any event within seventy-two (72) hours) correct or repair such deficiency or unsatisfactory condition. The preceding sentence notwithstanding, Franchisee shall take immediate action to correct or repair any deficiency or unsatisfactory condition which poses a risk to public health or safety. If Franchisee fails to comply with the foregoing obligations to correct and repair, Sonic shall have the right (but no obligation), without being guilty of trespass or tort, to enter the Site and Restaurant to make or cause to be made such corrections or repairs, and Franchisee shall reimburse Sonic for the expense thereof, including wages, travel and living expenses and other expenses of Sonic's personnel. The foregoing shall be in addition to any other right or remedies Sonic may have.

8.03 Approved Suppliers and Advertising Agencies. Franchisee agrees to purchase only such food, beverages, signs and equipment and other products and services associated with the development or operation of the Restaurant which meet the standards and specifications periodically established by Sonic and, if Sonic requires, only from suppliers that Sonic periodically designates or approves (which may include or be limited to Sonic or its Affiliates). Franchisee agrees that its vendors, suppliers and other contracting parties may provide to Sonic information regarding Franchisee's purchases, past due amounts and other aspects of their relationships with

Franchisee. Without limiting the foregoing, Franchisee also agrees to retain and utilize exclusively the marketing and advertising services of the Sonic-approved advertising agency of record. In addition, Franchisee immediately shall use Franchisee's vote or votes in all advertising cooperatives in which Franchisee participates to support the use of the then current advertising agency of record for the Sonic Restaurant network.

8.04 Compliance with Sonic Operations Manual. Franchisee agrees promptly to adopt, use and comply with the formulas, methods, standards, policies and other provisions contained in the Sonic Operations Manual, now and as they may be modified by Sonic from time to time. Franchisee may not at any time, in any manner, directly or indirectly, and whether or not intentionally, copy any part of the Sonic Operations Manual, permit any part of it to be copied, disclose any part of it except to employees or others having a need to know its contents for purposes of operating the Restaurant, or permit its removal from the Restaurant without prior written consent from Sonic. At Sonic's option, Sonic may post the Sonic Operations Manual and other communications on a restricted Intranet or other website to which Franchisee will have access. If Sonic does so, Franchisee must periodically monitor the site for any updates to the Sonic Operations Manual or other standards, specifications, and procedures. Any passwords or other digital identification necessary to access the Sonic Operations Manual and other information on such a site will be deemed to be part of the Confidential Information.

8.05 Franchisee's Employees. Sonic and Franchisee agree that any materials, guidance or assistance that Sonic provides with respect to the terms and conditions of employment for Franchisee's employees, employee hiring, firing and discipline, and similar employment-related policies or procedures, whether in the Sonic Operations Manual or otherwise, are solely for Franchisee's optional use. Those materials, guidance and assistance do not form part of the mandatory Sonic System. Franchisee will determine to what extent, if any, these materials, guidance or assistance should apply to the Restaurant's employees. Franchisee acknowledges that Sonic does not dictate or control labor or employment matters for franchisees and their employees and will not be responsible for the safety and security of Restaurant employees or patrons. Franchisee is solely responsible for determining the terms and conditions of employment for all Restaurant employees, for all decisions concerning the hiring, firing and discipline of Restaurant employees, and for all other aspects of the Restaurant's labor relations and employment practices.

8.06 Best Efforts. Franchisee shall diligently and fully exploit its rights in this Agreement by personally devoting its best efforts to the operation of the Restaurant. Franchisee shall avoid any activities which, in Sonic's sole judgment, would be detrimental to or interfere with the business of the Restaurant, the Sonic Restaurant network, or Sonic.

8.07 Remodeling. During the Term, Sonic may require Franchisee to undertake extensive remodeling and renovation and substantial modifications to existing buildings necessary for the Restaurant to conform with Sonic's then-existing system image. Sonic may exercise the foregoing right at any time during the Term, but may not require (a) the remodeling of the Restaurant more than once every seven (7) years or (b) the remodeling of a restaurant built within the preceding three (3) years, unless the required remodeling will not exceed fifteen percent (15%) of the original cost of the building, equipment, and land improvements for the Restaurant (as adjusted for increases in the consumer price index after the construction date of the Restaurant).

Notwithstanding the foregoing, Sonic shall have the right to require Franchisee to modify or replace the primary Sonic sign(s) for the Restaurant at any time during the term of this Agreement.

8.08 Use of Internet. Franchisee may not develop, maintain or authorize any website, other online presence or other electronic medium (such as mobile applications, kiosks and other interactive properties or technology-based programs) that mentions or describes Franchisee (or its organization), the Restaurant or its products or services, or that displays any of the Proprietary Marks, except as Sonic may periodically authorize. Franchisee may not conduct commerce or directly or indirectly offer or sell any products or services using any website, another electronic means or medium, or otherwise over the Internet or using any other technology-based program without Sonic's approval.

9. PROPRIETARY MARKS.

9.01 Use of Proprietary Marks. Franchisee shall use only the Proprietary Marks periodically designated by Sonic in connection with the operation of the Restaurant and shall use them only in the manner periodically authorized and permitted by Sonic. Franchisee shall use the Proprietary Marks only for the operation of the Restaurant and not in any other business or capacity. During the term of this Agreement, Franchisee shall identify itself as the independent owner of the Restaurant in conjunction with any use of the Proprietary Marks in the manner that Sonic periodically specifies. Franchisee's rights to use the Proprietary Marks are limited to such uses as are authorized under this Agreement, and any unauthorized use thereof shall constitute an infringement of Sonic's rights. Franchisee shall not use the Proprietary Marks (a) to incur any obligation or indebtedness on behalf of Sonic, (b) as part of its corporate or other legal name, or (c) in any other manner that Sonic has not authorized. Franchisee shall comply with Sonic's instructions in filing and maintaining the requisite trade name or fictitious name registrations and shall execute any documents deemed necessary by Sonic or its counsel to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability.

9.02 Ownership of Proprietary Marks. Franchisee expressly understands and agrees that, as between the parties hereto, Sonic (or its Affiliate) owns the right and interest in and to the Proprietary Marks and the goodwill associated with and symbolized by them, and that the Proprietary Marks are valid and serve to identify the Sonic System and those who are licensed under the Sonic System. Franchisee shall not directly or indirectly contest the validity or the ownership of the Proprietary Marks. Franchisee's use of the Proprietary Marks pursuant to this Agreement does not give Franchisee any ownership interest or other interest in or to the Proprietary Marks, except the nonexclusive license granted herein. Any and all goodwill arising from Franchisee's use of the Proprietary Marks shall inure solely and exclusively to Sonic's (or its Affiliate's) benefit, and upon expiration or termination of this Agreement and the Franchise herein granted, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the Sonic System or the Proprietary Marks.

9.03 Substitution of Proprietary Marks. Sonic reserves the right to add Proprietary Marks and substitute different Proprietary Marks for use in identifying the Sonic System and Sonic Restaurants. If Sonic does so, Franchisee agrees to comply with Sonic's directions at Franchisee's expense within a reasonable time after receiving notice. All provisions of this Agreement relating

to the Proprietary Marks apply to any additional and substitute trademarks and service marks and related intellectual property that Sonic periodically authorizes Franchisee to use.

9.04 Actions Involving the Proprietary Marks. Franchisee agrees to notify Sonic promptly of any actual or apparent infringement of or challenge to Franchisee's use of any Proprietary Mark, or of any Person's claim of any rights in any Proprietary Mark, and not to communicate with any person other than Sonic, its licensor, and its and its licensor's attorneys, and Franchisee's attorneys, regarding any infringement, challenge or claim. Sonic or its licensor may take the action that Sonic or it deems appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. Franchisee agrees to sign any documents and take any other reasonable actions that Sonic specifies as necessary or advisable to protect and maintain Sonic's and its licensor's interests in any proceeding or the Proprietary Marks. At its option, Sonic or its licensor may defend and control the defense of any litigation or proceeding relating to any Proprietary Mark.

9.05 Innovations. All ideas, concepts, techniques or materials relating to a Sonic Restaurant (collectively, "Innovations"), whether or not protectable intellectual property and whether created by or for Franchisee or its Owners, employees or contractors, must be promptly disclosed to Sonic and will be deemed to be Sonic's sole and exclusive property, part of the Sonic System, and works made-for-hire for Sonic. To the extent any Innovation does not qualify as a work made-for-hire for Sonic, by this paragraph Franchisee assigns ownership of that Innovation, and all related rights to that Innovation, to Sonic and agrees to sign (and to cause its Owners, employees and contractors to sign) whatever assignment or other documents Sonic requests to evidence its ownership or to help Sonic or its Affiliate obtain intellectual property rights in the Innovation. Sonic and its Affiliates have no obligation to make any payments to Franchisee or any other Person with respect to any Innovations. Franchisee may not use any Innovation in operating the Restaurant or otherwise without Sonic's prior approval.

10. CONFIDENTIAL INFORMATION.

10.01 Sonic Confidential Information. Sonic will disclose certain Confidential Information to Franchisee in furnishing Franchisee the Sonic Plans and Specifications, the training programs, and the Sonic Operations Manual, and in providing guidance and assistance to Franchisee during the term of this Agreement. Franchisee acknowledges that Confidential Information will be disclosed by Sonic through various means, including orally, in writing, and electronically, such as on a restricted Intranet or other website.

10.02 Franchisee's Use of Confidential Information. Franchisee acknowledges and agrees that Franchisee shall not acquire any interest in the Confidential Information, other than the right to utilize it in the development and operation of the Restaurant during the term of this Agreement, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. Franchisee acknowledges and agrees that the Confidential Information is proprietary to Sonic (or its Affiliate), may constitute trade secrets of Sonic (or its Affiliate), and is disclosed to Franchisee solely on the condition that Franchisee agrees, and Franchisee does hereby agree, that Franchisee:

(a) shall not use the Confidential Information in any other business or capacity, or for the benefit of any other Person;

(b) shall maintain the absolute confidentiality of the Confidential Information, and shall not disclose or divulge the Confidential Information to any unauthorized Person, during and after the term of the Agreement;

(c) shall not make unauthorized copies of any portion of the Confidential Information disclosed in any form (except in connection with instruction of employees in the operation of the Restaurant); and

(d) shall adopt and implement all procedures prescribed from time to time by Sonic to prevent unauthorized use or disclosure of the Confidential Information, including restrictions on disclosure to employees of the Restaurant and the use of nondisclosure clauses in agreements with employees and others (including all Owners) who have access to the Confidential Information.

10.03 Exclusions from Confidential Information. Notwithstanding the foregoing, the restrictions on Franchisee's disclosure and use of the Confidential Information shall not apply to the following:

(a) information, processes, or techniques which are or become generally known in the food service industry, other than through disclosure (whether deliberate or inadvertent) by Franchisee or its agents; and

(b) disclosure of the Confidential Information in judicial or administrative proceedings to the extent that Franchisee is legally compelled to disclose such information, provided Franchisee shall have used its best efforts, and shall have afforded Sonic the opportunity, to obtain an appropriate protective order or other assurance satisfactory to Sonic of confidential treatment for the information required to be so disclosed.

10.04 No Information to the Public. Franchisee acknowledges that one or more of Sonic's Affiliates may make certain information regarding the performance of the Sonic Restaurant network available to the public, including investors and financial analysts, in the normal course of business. Franchisee further acknowledges that Franchisee's own disclosure of certain information to the public could interfere with the business of Sonic or its Affiliates. Franchisee agrees that it will not provide to the public, or to any investor, financial analyst, or person that influences investments, any information that might indicate the performance of the Sonic Restaurant network, or any aspect thereof, including sales information, except that Franchisee may provide information to attorneys, accountants, financial planners, and other professionals as required in the course of Franchisee's personal business or the operation of the Restaurant.

11. ACCOUNTING AND RECORDS.

11.01 Monthly Reports. On or before the tenth (10th) day of each month, Franchisee shall submit to Sonic, in a form and in the manner that Sonic periodically specifies, a complete profit and loss statement and such other financial reports as Sonic shall reasonably require from time to

time, for the previous month immediately ended, or for such other time period as may be designated by Sonic.

11.02 Annual Reports. Franchisee further agrees to submit, within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and the balance sheet taken as of the close of such fiscal year, in a form and in the manner that Sonic periodically specifies.

11.03 Record Retention. Franchisee shall keep and preserve full and complete records of the Restaurant and its business for at least three (3) years (or such longer period as applicable law may require) in a manner and form satisfactory to Sonic and shall also deliver such additional financial, operating, and other information and reports as Sonic may reasonably request on the forms and in the manner periodically prescribed by Sonic.

11.04 Audit by Sonic. Sonic shall have the right to inspect and audit Franchisee's accounts, books, records, and tax returns at all times during and after the term of this Agreement. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee, Franchisee shall immediately pay Sonic: (a) the additional royalty fee, brand fee, technology fee, advertising expenditures and other amounts due with respect to those additional Gross Sales; (b) interest on all unpaid amounts (from the original due date) at a rate equal to that provided by Section 7.04; and (c) a ten percent (10%) surcharge on all unpaid amounts to cover Sonic's additional administrative costs and expenses. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Franchisee's Gross Sales by an amount equal to three percent (3%) or more, then Franchisee shall also bear the cost of such inspection and audit at rates and fees customarily charged by Sonic for such auditing and inspecting services and duties.

11.05 Third-Party Audit. If Sonic has reason to believe that Franchisee may not have reported all of its Gross Sales on an accurate and timely basis, then Sonic may require Franchisee to have its profit and loss statement and balance sheet certified by an independent public accountant and delivered to Sonic. Franchisee shall at its expense cause a Certified Public Accountant to consult with Sonic concerning such statement and balance sheet.

11.06 Franchisee's Failure to Timely Deliver Financial Records. If Franchisee fails to provide Sonic with complete Gross Sales reports or other financial reports on a timely basis for any period as required by this Agreement, then Franchisee shall pay Sonic (or Sonic may debit Franchisee's account for) an amount equal to one hundred twenty percent (120%) of the last royalty fees, contributions to the SMF, SBF and BTF (each as defined in Section 12 below), and other amounts that Franchisee previously paid Sonic (or Sonic debited). If the amounts that Franchisee pays Sonic (or Sonic debits from Franchisee's account) are less than the amounts Franchisee actually owes Sonic, as calculated once Sonic has determined the Restaurant's actual Gross Sales, Franchisee shall pay Sonic (or Sonic will debit Franchisee's account for) the balance, plus the amounts due under Section 7.04, on the day Sonic specifies. If the amounts that Franchisee pays Sonic (or Sonic debits from Franchisee's account) are greater than the amounts Franchisee actually owes Sonic, as calculated once Sonic has determined the Restaurant's actual Gross Sales, Sonic will credit the excess (without interest) against the amounts Franchisee otherwise owes Sonic during the following period(s).

11.07 Financial Disclosure. Sonic shall have the right to assemble and disseminate to third parties financial and other information regarding Franchisee, the Restaurant, and other franchisees of Sonic and Sonic Restaurants to the extent required by law or to the extent necessary or appropriate to further the interests of Sonic (or its Affiliates), the Sonic System or the Sonic Restaurant network as a whole.

11.08 Accounting Services. If Franchisee is late three (3) or more times during any twelve (12)-month period in paying any fee, fund contribution or other amount owed under this Agreement, Sonic shall have the right to require Franchisee to use the accounting services that Sonic specifies (which may be provided by Sonic or its Affiliate) at Franchisee's expense for the remaining term of this Agreement. This requirement is in addition to all other rights Sonic may have under the terms of this Agreement and otherwise.

12. ADVERTISING AND BRAND EXPENDITURES AND TECHNOLOGY FUND.

12.01 Advertising Cooperatives. If the Restaurant lies within a DMA for which a Sonic-approved advertising cooperative has been formed, Franchisee (a) shall join such advertising cooperative or such other advertising cooperative as Sonic periodically designates; (b) shall abide by, follow, support, and promote the financial accounting requirements that Sonic periodically establishes for advertising cooperatives, including complying with the format of financial reporting Sonic requires, acknowledging Sonic's right to audit the advertising cooperative, cooperating fully with Sonic in the event of any such audit, and using either the cooperative accounting services of Sonic or another Sonic-approved accounting service; (c) shall support the adoption of only those bylaws approved by Sonic for the advertising cooperative; and (d) shall not purchase media outside of the advertising cooperative. Franchisee shall (at Sonic's direction) either pay to Sonic directly or contribute to such advertising cooperative an amount that the advertising cooperative requires from time to time. If Franchisee pays the advertising cooperative amount directly to Sonic, Franchisee will pay such amount together with the SMF contribution, and Sonic will direct the advertising cooperative amounts to the appropriate advertising cooperative. If Franchisee pays the advertising cooperative amount directly to the advertising cooperative, such contributions shall occur no less often than each calendar month. Sonic and the advertising cooperative may periodically modify the contribution amount required for the SMF contribution and advertising cooperative amount, but Sonic will not require a total combined SMF and advertising cooperative contribution amount of more than five percent (5%) of Gross Sales. Notwithstanding the foregoing, the advertising cooperative may vote to require additional contributions in excess of the amounts that Sonic may require pursuant to this Section 12.01, and Sonic may at any time alternatively designate other uses for any portion of such advertising cooperative contribution if Sonic determines, in its sole judgment, that there is less need for advertising and a greater need for another use. If there exists no Sonic-approved advertising cooperative in the DMA in which the Restaurant is located on the date of this Agreement, Franchisee shall promptly form an advertising cooperative for the DMA and further comply with the requirements set forth in this Agreement applicable to and related to advertising cooperatives.

12.02 System Marketing Fund. Sonic or its designee shall maintain and administer a marketing fund for the Sonic System titled the System Marketing Fund (the "SMF") in accordance with this Section 12.02.

(a) The SMF shall be administered by Sonic. On or before the tenth (10th) day of each calendar month, Franchisee shall pay to the SMF an amount equal to two and three quarters percent (2.75%) of Gross Sales of the Restaurant during the previous calendar month (or such higher amount as Sonic may periodically prescribe), subject to Section 12.01 above.

(b) Sonic shall direct all marketing programs with sole discretion over the creative concepts, materials, and media used in such programs. Franchisee acknowledges that Sonic and its designees undertake no obligation in administering the SMF to make expenditures for or which impact Franchisee or the Restaurant which are equivalent or proportionate to Franchisee's contribution.

(c) The SMF is intended to complement local marketing efforts by promoting the message of the Sonic brand to an expanded audience. The SMF and all earnings thereof shall be used primarily to purchase national broadcast, print, interactive, and other media (such as digital media platforms and dynamic content optimization), sponsorships, and brand enhancement opportunities. The SMF and its earnings shall not inure to the benefit of Sonic, although for the avoidance of doubt this does not prohibit the SMF from paying the actual costs that Sonic and its Affiliates may incur (including actual employment-related costs) in the development or implementation of programs and materials consistent with the SMF's purposes under this Section 12.02 for the benefit of franchisees and the Sonic Restaurant network. The SMF is not an asset of Sonic, and an independent certified public accountant designated by Sonic shall review the operation of the SMF annually, and the report shall be made available to Franchisee upon request. Notwithstanding the foregoing, the body approved and designated by Sonic as the body to consult with regarding Sonic's maintenance and administration of the SMF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the SMF if requested in writing at least thirty (30) but not more than sixty (60) days prior to the end of each fiscal year.

(d) Although Sonic intends the SMF to be of perpetual duration, Sonic maintains the right to terminate the SMF. The SMF shall not be terminated, however, until all monies in the SMF have been expended for marketing and promotional purposes in accordance with this Section 12.02.

(e) On at least a quarterly basis, Sonic shall consult with the body approved and designated by Sonic (such as the Franchise Advisory Council Executive Committee or its successor) regarding Sonic's maintenance and administration of the SMF and shall report to that body on the SMF's operation.

12.03 Sonic Brand Fund. Sonic or its designee shall maintain and administer a fund for the Sonic System titled the Sonic Brand Fund (the "SBF") (formerly known as the Sonic Advertising Fund) in accordance with this Section 12.03.

(a) On or before the tenth (10th) day of each month, Franchisee shall pay to the SBF a brand contribution fee in an amount equal to nine-tenths of one percent (0.90%) of the Gross Sales of the Restaurant during the previous calendar month.

(b) Sonic shall direct all brand programs with sole discretion over the concepts, materials, guidelines, and media used in such programs. The SBF is intended to enhance the Sonic System and maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the Sonic Restaurant network, and Franchisee acknowledges that Sonic and its designees undertake no obligation in administering the SBF to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contribution.

(c) The SBF and all earnings thereof shall be used exclusively to meet any and all costs of maintaining, administering, directing, and preparing advertising and other promotional programs (including the cost of preparing and conducting television, radio, magazine, and newspaper advertising campaigns and other public relations activities; employing advertising agencies to assist therein; and providing promotional brochures and other marketing materials to franchisees in the Sonic System) as well as any other purpose that promotes, enhances, or protects the Sonic System, including food safety programs, customer feedback programs, and Sonic games. The SBF shall pay Sonic monthly an amount equal to fifteen percent (15%) of the SBF's receipts during the preceding month, but not to exceed Sonic's actual administrative costs and overhead, if any, as Sonic may incur in activities reasonably related to the administration or direction of the SBF for the franchisees and the Sonic Restaurant network, including conducting market research, preparing marketing, advertising, and other materials, and collecting and accounting for assessments for the SBF. The SBF and its earnings shall not inure to the benefit of Sonic.

(d) The SBF is not an asset of Sonic, and an independent certified public accountant designated by Sonic shall review the operation of the SBF annually, and the report shall be made available to Franchisee upon request. Notwithstanding the foregoing, the body approved and designated by Sonic as the body to consult with regarding Sonic's maintenance and administration of the SBF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the SBF if requested in writing at least thirty (30) but not more than sixty (60) days prior to the end of each fiscal year.

(e) Although Sonic intends the SBF to be of perpetual duration, Sonic maintains the right to terminate the SBF. The SBF shall not be terminated, however, until all monies in the SBF have been expended in accordance with this Section 12.03.

(f) On at least a quarterly basis, Sonic shall consult with the body approved and designated by Sonic (such as the Franchise Advisory Council Executive Committee or its successor) regarding Sonic's maintenance and administration of the SBF and shall report to that body on the SBF's operation.

12.04 Franchisee's Advertising and Marketing. All advertising by Franchisee in any medium which utilizes the Proprietary Marks or refers in any way to the Restaurant shall be conducted in a dignified manner and shall conform to such standards and requirements as Sonic may specify from time to time in writing. Franchisee shall submit to Sonic, for Sonic's prior approval, samples of all advertising and promotional plans and materials that Franchisee desires to use that use the Proprietary Marks or refer to the Restaurant and that have not been prepared or

previously approved by Sonic. If Sonic does not provide Franchisee written approval within thirty (30) days after the date Sonic receives such materials, they are deemed disapproved. Upon notice from Sonic, Franchisee shall discontinue and/or remove any objectionable advertising or promotional materials, whether or not they were previously approved by Sonic. If said materials are not discontinued and/or removed within five (5) days after notice, Sonic or its authorized agents, may, at any time, enter upon Franchisee's premises, or elsewhere, and remove any objectionable signs or other advertising or promotional materials and may keep or destroy such signs or other media without paying therefore, and without being guilty of trespass or other tort.

Coupons created or developed by or for Franchisee for use in promoting the Restaurant are subject to the provisions of this Section 12.04. Additionally, such coupons shall conspicuously state the location(s) where the coupons will be accepted and an expiration date. Franchisee shall use its best efforts to ensure that coupons created or developed for the Restaurant or its market are not distributed outside the area of the Restaurant or its market.

12.05 Plans and Materials from Sonic. Sonic may offer from time to time to provide, upon terms that Sonic determines, approved local advertising and promotional plans and materials, including newspaper display space and distributed promotional materials.

12.06 Publicity. Sonic shall have the right to photograph the Restaurant's exterior and/or interior, and the various foods served, and to use any such photographs in any of its publicity or advertising, and Franchisee shall cooperate in securing such photographs and consent of Persons pictured.

12.07 Brand Technology Fund. Sonic or its designee shall maintain and administer a fund for the Sonic System titled the Brand Technology Fund (the "BTF") in accordance with this Section 12.07.

(a) Franchisee shall pay to the BTF a technology fee in accordance with this Section 12.07(a).

(i) For Gross Sales incurred beginning on March 1, 2016, and thereafter during the continuance of this Agreement, but subject to Subsection (ii) below, Franchisee shall pay to the BTF, on or before the tenth (10th) day of each calendar month, a technology fee in an amount equal to one-quarter of one percent (0.25%) of the Gross Sales during the previous calendar month, provided that, if the Restaurant was in operation for the full calendar year 2020, the monthly technology fee paid from the April 2021 payment through the March 2026 payment shall instead be an amount equal to one-quarter of one percent (0.25%) of the Gross Sales for calendar year 2020 divided by twelve (12).

(ii) The technology fee will continue for Gross Sales incurred on or after March 1, 2026, only upon (i) the approval of a majority of the Franchise Advisory Council (or its successor) and (ii) the approval of sixty-seven percent (67%) of the franchisees of the Sonic Restaurants in the network (with one vote per Sonic Restaurant).

(b) The BTF and all earnings thereof will be used exclusively to meet any and all costs of designing, developing, implementing, maintaining, administering and supporting products, services and programs related to technology and information systems for the Sonic System as well as any other purpose that enhances or protects the technology and information systems of any portion of the Sonic System. The BTF shall pay Sonic monthly an amount equal to fifteen percent (15%) of the BTF's receipts during the preceding month, but not to exceed Sonic's actual administrative costs and overhead, if any, as Sonic may incur in activities reasonably related to the administration or direction of the BTF for the franchisees and the Sonic Restaurant network. The BTF and its earnings shall not inure to the benefit of Sonic, and obligations of the BTF shall not be obligations of Sonic.

(c) The BTF is not an asset of Sonic, and an independent certified public accountant designated by Sonic shall review the operation of the BTF annually, and the report shall be made available to Franchisee upon request. Notwithstanding the foregoing, the body approved and designated by Sonic as the body to consult with regarding Sonic's maintenance and administration of the BTF (such as the Franchise Advisory Council Executive Committee or its successor) may designate the independent public accountant to conduct the required review of the operation of the BTF if requested in writing at least thirty (30) but not more than sixty (60) days prior to the end of each fiscal year.

(d) Franchisee acknowledges that Sonic and its designees undertake no obligation in administering the BTF to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contribution to the BTF.

(e) Although Sonic intends the BTF to be of perpetual duration, Sonic maintains the right to terminate the BTF. The BTF shall not be terminated, however, until all monies in the BTF have been expended in accordance with this Section 12.07.

(f) On at least a quarterly basis, Sonic shall consult with the body approved and designated by Sonic and the Franchise Advisory Council Executive Committee (or its successor) regarding Sonic's maintenance and administration of the BTF and shall report to that body on the BTF's operation.

13. INSURANCE.

13.01 Insurance Amounts. Prior to opening or taking possession of the Restaurant, Franchisee shall acquire and thereafter maintain, from insurance companies acceptable to Sonic, the forms of insurance with the coverages and amounts that Sonic periodically specifies. Sonic shall have the right to require Franchisee to increase the insurance coverage amounts or obtain additional insurance by giving Franchisee sixty (60) days' written notice, and Franchisee shall comply no later than the first policy renewal date after that sixty (60)-day period.

13.02 Sonic as Additional Insured. Franchisee shall name Sonic its Affiliates as additional insureds and loss payees under the insurance policies that Sonic periodically specifies. Franchisee's policies shall constitute primary policies of insurance with regard to other insurance, shall contain a waiver of subrogation provision in favor of Sonic and its Affiliates as it relates to

the operation of the Restaurant, and shall provide for at least thirty (30) days' written notice to Sonic prior to their cancellation or amendment.

13.03 General Conditions. Prior to opening or taking possession of the Restaurant and within ten (10) days after any request by Sonic, Franchisee shall furnish Sonic with certificates of insurance evidencing that Franchisee has obtained the insurance required under this Section 13. In addition, Franchisee shall deliver evidence of the continuation of the required insurance policies at least thirty (30) days prior to the expiration dates of each existing insurance policy. If Franchisee at any time fails to acquire and maintain the required insurance coverage, Sonic shall have the right (but no obligation), at Franchisee's expense, to acquire and administer the required minimum insurance coverage on behalf of Franchisee. However, Sonic shall not have any obligation to assume the premium expense, and nothing in this Agreement shall constitute a guaranty by Sonic against any losses sustained by Franchisee. Sonic may relieve itself of all duties with respect to the administration of any required insurance policies by giving ten (10) days' written notice to Franchisee.

14. TRANSFER OF INTEREST.

14.01 Transfer Defined. The rights and duties created by this Agreement are personal to Franchisee (or its Owners), and Sonic has granted the Franchise and rights under this Agreement to Franchisee in reliance on the collective character, skill, aptitude, and business and financial capacity of Franchisee and its Owners. Accordingly, except as may be otherwise permitted by this Section 14, neither this Agreement (or any rights or obligations under or interest in this Agreement), the Restaurant or all or substantially all of its assets, or any Ownership Interest in Franchisee or its Owners, may be transferred without Sonic's prior written approval, which will not be unreasonably withheld if the conditions for transfer contained in this Section 14 are satisfied and the transfer fee pursuant to Section 7.03 is paid. A transfer of the Restaurant's ownership, possession, or control, or substantially all of its assets, may be made only with the concurrent transfer (to the same proposed transferee) of the rights and obligation under this Agreement (subject to the conditions of transfer set forth herein). Any transfer without Sonic's required approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact Franchisee (or its Owners) directly or indirectly:

- (a) transfer of record or beneficial ownership of any Ownership Interest or the right to receive all or a portion of Franchisee's profits or losses or any capital appreciation relating to Franchisee or the Restaurant (whether directly or indirectly);
- (b) merger, consolidation or exchange of Ownership Interests, or issuance of additional Ownership Interests or securities representing or potentially representing Ownership Interests, or a redemption of Ownership Interests;
- (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise

or control the exercise of the voting rights of any Owner or to control Franchisee's or the Restaurant's operations or affairs or the rights or responsibilities of the Principal;

(d) transfer of a direct or indirect Ownership Interest or other interest in Franchisee, this Agreement, or any of the Restaurant's assets in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or

(e) the grant of a mortgage, charge, pledge, collateral assignment, lien or security interest in any Ownership Interest or other interest in Franchisee, this Agreement, or any of the Restaurant's assets; foreclosure upon or attachment or seizure of the Restaurant or any of its assets or any Ownership Interest; or Franchisee's transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or Franchisee.

14.02 Conditions for Approval of Transfer.

(a) Sonic will not unreasonably withhold its consent to a transfer of a Non-Controlling Ownership Interest in Franchisee or its Owners (determined as of the date on which the proposed transfer will occur) if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet Sonic's then applicable standards for non-controlling owners of Sonic Restaurants, and (if required pursuant to Section 2.02) sign Sonic's then current form of Guaranty and Restriction Agreement.

(b) If the proposed transfer is of this Agreement (or any rights or obligations under or interest in this Agreement), the Restaurant or all or substantially all of its assets, or any Controlling Ownership Interest in Franchisee or its Owners, or is one of a series of transfers (regardless of the time period over which these transfers take place) which in the aggregate transfer this Agreement (or any rights or obligations under or interest in this Agreement), the Restaurant or all or substantially all of its assets, or any Controlling Ownership Interest in Franchisee or its Owners, then Sonic will not unreasonably withhold its consent to the transfer if all of the following conditions are satisfied:

(i) Franchisee provides Sonic written notice of the proposed transfer and all information Sonic reasonably requests concerning the proposed transferee, its direct and indirect owners (if the proposed transferee is an entity) and the transfer at least forty-five (45) days before the transfer's proposed effective date;

(ii) the transferee and its direct and indirect owners (if the transferee is an entity) have the necessary business experience, aptitude, and financial resources to operate the Restaurant and otherwise are qualified under Sonic's then current standards for new franchisees,

(iii) all of Franchisee's accrued monetary obligations shall have been satisfied (whether due under this Agreement or otherwise), including the payment

of the transfer fee under Section 7.03, and Franchisee is otherwise in compliance with this Agreement and all other agreements with Sonic;

(iv) the transferee (or its direct or indirect owners) and its management personnel, if they are different from Franchisee's management personnel, including any new Principal, satisfactorily complete Sonic's then current initial training program applicable to the individual's position, which at Sonic's option might include both preliminary training before the transfer's closing and additional training after the transfer's closing;

(v) the transferee (if the transfer is of the Restaurant or its assets) or Franchisee (if the transfer is of a direct or indirect Controlling Ownership Interest in Franchisee) agrees to repair and/or replace the Restaurant's equipment and other operating assets and upgrade the Restaurant and the premises in accordance with Sonic's then current requirements and specifications for new similarly situated Sonic Restaurants within the time period that Sonic reasonably specifies following the effective date of the transfer;

(vi) the transferee (if the transfer is of the Restaurants or its assets) or Franchisee (if the transfer is of a direct or indirect Controlling Ownership Interest in Franchisee) agrees, at Sonic's option, to (A) be bound by all terms and conditions of this Agreement for the remainder of the term, or (B) sign Sonic's then current form of franchise agreement and related documents, the terms of which may differ materially from those in this Agreement (including different royalty fees, advertising and brand fees and other fees and a modification to the Protected Area and/or Franchisee's rights in any new protected area), except that the term of such franchise agreement shall be the remaining term of this Agreement;

(vii) Franchisee (and its transferring owners) sign a general release, in a form satisfactory to Sonic, of any and all claims against Sonic and its Affiliates and its and their respective owners, officers, directors, employees, representatives, agents, successors and assigns; and

(viii) Sonic has determined that the purchase price and payment terms will not adversely affect the operation of the Restaurant.

(c) Notwithstanding Sections 14.01 and 14.02, neither Franchisee nor any Owner that owns (directly or indirectly) a Controlling Ownership Interest in Franchisee may offer any Ownership Interests, debt instruments or other securities in a public offering for which a registration statement must be filed with the securities regulatory agency having jurisdiction over the sale of securities.

14.03 Death or Permanent Incapacity. Upon Franchisee's or its Owner's death or disability, Franchisee's or the Owner's executor, administrator, conservator, guardian or other personal representative (the "Representative") must transfer Franchisee's interest in this Agreement and the Restaurant, or such Owner's direct or indirect Ownership Interest in Franchisee, to a third party whom Sonic approves. That third party may be Franchisee's (or its

Owner's) spouse, heirs, or nearest relatives by blood or marriage if they satisfy Sonic's standards and the other provisions of this Section 14. Any transfer pursuant to this Section 14.03 (including transfer by bequest or inheritance) must occur within a reasonable time, not to exceed the longer of one hundred twenty (120) days from the date of death or disability or the completion of probate proceedings, and is subject to all of the terms and conditions in this Section 14. A failure to transfer such interest within this time period is a breach of this Agreement. The term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Franchisee or the Owner from supervising Franchisee's or the Restaurant's management and operation for thirty (30) or more consecutive days.

14.04 Assignment to Other Business Entity. Sonic may, upon Franchisee's compliance with the following requirements, consent to an assignment of this Agreement and all assets and liabilities associated with the operation of the Restaurant to a corporation or other business entity whose Ownership Interests are wholly owned and Controlled by Franchisee. Franchisee shall provide Sonic all information and documents that Sonic reasonably specifies pertaining to the proposed transferee and transfer. Franchisee (including, if Franchisee is a group of individuals, any individual who will not have an Ownership Interest in the transferee), its Owners (if any), and the transferee entity and its direct and indirect owners must sign the form of agreement and related documents (including Guarantee and Restriction Agreements) that Sonic then specifies to reflect the assignment of this Agreement to the transferee entity and a general release, in a form satisfactory to Sonic, of any and all claims against Sonic and its Affiliates and its and their respective owners, officers, directors, employees, representatives, agents, successors and assigns.

14.05 Sonic's Right of First Refusal.

(a) If Franchisee or any of its Owners has received and desires to accept any bona fide offer to purchase all or any part of Franchisee's rights or obligations under, or interest in, this Agreement or the Restaurant (or all or substantially all of its assets), or a Controlling Ownership Interest in Franchisee, then Franchisee or such Owner shall notify Sonic in writing of each such offer, with such notice including the name and address of the proposed purchaser (and its direct and indirect owners, if the purchaser is an entity), the amount and terms of the proposed purchase price, a copy of the proposed purchase contract (signed by the parties, but expressly subject to Sonic's right of first refusal), and all other terms and conditions of such offer. Franchisee agrees that any bona fide offer shall include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price, that the proposed purchase price must be in a fixed dollar amount and without any contingent payments of purchase price (such as earn-out payments), and that the proposed transaction must relate exclusively to an interest in this Agreement and the Restaurant (and its assets) or the Controlling Ownership Interest in Franchisee.

(b) Sonic shall have the right and option, exercisable within thirty (30) days after Sonic's receipt of such written notification and all other information regarding the proposed purchaser and transfer that Sonic reasonably requests, to send written notice to Franchisee that Sonic or its designee intends to purchase the interest which is proposed to be transferred on the same terms and conditions offered by the buyer, provided that (i)

Sonic has the right to substitute cash for any consideration offered by the third party; (ii) Sonic's credit will be deemed equal to the credit of any proposed buyer; (iii) the closing will be not less than sixty (60) days after notifying Franchisee of its election to purchase or, if later, the closing date proposed in the offer, provided that Sonic may delay the closing until it obtains all necessary licenses and permits to operate the Restaurant and all title insurance policies, landlord estoppels and other real estate documents that Sonic requires; and (iv) Sonic must receive, and Franchisee and its Owners agree to make, all customary representations, warranties and indemnities given by the seller of the assets of a business or Ownership Interests in an entity, as applicable, including representations and warranties regarding ownership and condition of, and title to, assets and Ownership Interests, liens and encumbrances on assets, validity of contracts and agreements, and the liabilities, contingent or otherwise, relating to the assets or Ownership Interests being purchased, and indemnities for all actions, events and conditions that existed or occurred in connection with the Restaurant or Franchisee's business prior to the closing of Sonic's purchase.

(c) If Sonic does not exercise its right of first refusal, Franchisee or its Owners may move forward with the sale to the proposed buyer on the original offer's terms, but only if Sonic approves the transfer and Franchisee otherwise complies with the terms and conditions of this Section 14. Any material change in the terms of an offer prior to closing shall cause it to be deemed a new offer, subject to the same right of first refusal by Sonic under this Section 14.05.

(d) The provisions of this Section 14.05 shall not apply to any proposed transfers to Franchisee's (or its Owner's) spouse, children (by birth or adoption), or stepchildren.

(e) Sonic may assign its right of first refusal under this Section 14.05 to any Person (who may be Sonic's Affiliate), and that Person will have all of the rights and obligations under this Section 14.05.

14.06 Transfer by Sonic. This Agreement and any other agreement will inure to the benefit of any transferee or other legal successor to Sonic's interest in it.

15. DEFAULT AND TERMINATION.

15.01 Termination Without Opportunity to Cure. Franchisee shall be deemed to be in breach of this Agreement and Sonic may, at its option, terminate this Agreement and all rights granted herein without affording Franchisee any opportunity to cure the breach, effective immediately upon Franchisee's receipt of a notice of termination, upon the occurrence of any of the following events:

(a) Franchisee or its Principal shall become insolvent, make an assignment for the benefit of creditors, or shall give oral or written notice to Sonic of Franchisee's intent to file a voluntary petition under any bankruptcy law; a final judgment aggregating in excess of Five Thousand Dollars (\$5,000) against the Restaurant or property connected with the Restaurant remains unpaid for thirty (30) days; any suit to foreclose any lien against any assets of the Restaurant is instituted against Franchisee and is not dismissed

within thirty (30) days; or the assets of the Restaurant are sold after being levied thereupon by sheriff, marshal, or a constable;

(b) Franchisee fails to locate a site that Sonic has accepted within ninety (90) days after the date of this Agreement, or fails to secure possession of the Restaurant in accordance with this Agreement within sixty (60) days after the date upon which Sonic accepts the Site (or the date of this Agreement if the Site is determined on that date);

(c) Franchisee or any of its Owners makes an unauthorized transfer in breach of this Agreement;

(d) any assets, property, or interests of Franchisee or the Principal are blocked under any law, ordinance, or regulation relating to terrorist activities, or Franchisee or the Principal is otherwise in violation of any such law, ordinance, or regulation;

(e) Franchisee abandons or fails actively to operate the Restaurant during the required hours of operation for two (2) or more consecutive calendar days, or for three (3) or more calendar days during any month, unless Franchisee closes the Restaurant for a purpose Sonic approves or because of fire or other casualty;

(f) Franchisee or any Owner is convicted of or pleads no contest to a felony or a crime involving moral turpitude;

(g) Franchisee or any Owner is convicted or pleads no contest to any other crime or offense, or engages in any other dishonest, unethical or illegal conduct, which, in Sonic's opinion, is reasonably likely to adversely affect the reputation of the Restaurant, any other Sonic Restaurant, the Proprietary Marks, the goodwill associated therewith, or Sonic's rights therein;

(h) Franchisee misuses or makes any unauthorized use of any of the Proprietary Marks or any other identifying characteristic of a Sonic Restaurant or otherwise materially impairs the goodwill associated therewith or Sonic's rights therein;

(i) Franchisee or any of its Owners improperly discloses trade secrets or Confidential Information;

(j) in Sonic's judgment, continued operation of the Restaurant might endanger public health or safety;

(k) Franchisee denies Sonic the right to inspect the Restaurant in accordance with this Agreement, which includes the right to photograph the interior and exterior of the Restaurant in its entirety;

(l) Franchisee knowingly or through gross negligence maintains false books or records or knowingly or through gross negligence submits any false report to Sonic;

(m) Franchisee is in default of this Agreement three (3) or more times in any given twelve (12)-month period, whether or not such default is cured; or

(n) any other license or franchise agreement or other agreement between Sonic (or any of its Affiliates) and Franchisee (or any of its Owners or Affiliates) relating to the operation of the Restaurant or any other Sonic Restaurant, other than a development agreement, is terminated before its term expires, regardless of the reason.

15.02 Termination With Opportunity to Cure. Franchisee shall be deemed to be in breach of this Agreement and Sonic may, at its option, terminate this Agreement and all rights granted herein, effective immediately upon Franchisee's receipt of a notice of termination, upon the occurrence of any of the following events:

(a) Franchisee or any of its Affiliates fail to pay any past due amounts owed to Sonic, whether for the Restaurant or otherwise, and do not cure the failure within ten (10) days after Sonic delivers written notice of that failure to Franchisee;

(b) Franchisee fails to promptly pay undisputed invoices from Franchisee's lessor or any of Franchisee's suppliers or vendors, or fails to pay any undisputed taxes when due, and does not correct the failure within ten (10) days after Sonic delivers written notice of that failure to Franchisee;

(c) Franchisee fails to maintain and operate the Restaurant in a good, clean, and wholesome manner or otherwise is not in compliance with the standards prescribed by the Sonic System, or fails to comply with any other provision of this Agreement, and does not correct the failure within thirty (30) days after Sonic delivers written notice of that failure to Franchisee (provided this period to cure will not be available to Franchisee, and Sonic will not be required to delay termination of this Agreement, where the failure involved is one which Franchisee cannot reasonably cure within the prescribed cure period or is one which is impossible to cure).

15.03 Immediate Closure of Restaurant. Upon the occurrence of any of the events in Section 15.01(g), 15.01(j) or 15.02(c), and without waiving Sonic's other rights and remedies (including the right to terminate the Agreement as set forth herein), Sonic may require Franchisee to close the Restaurant immediately unless and until the situation is, in Sonic's judgment, satisfactorily resolved.

16. OBLIGATIONS UPON EXPIRATION OR TERMINATION.

16.01 Effect of Termination or Expiration of this Agreement. Except as otherwise authorized pursuant to the terms of any other license or franchise agreement between Sonic and Franchisee, Franchisee shall comply with the following provisions after the expiration or termination of this Agreement:

(a) Franchisee shall pay to Sonic and its Affiliates any and all amounts owed to them within ten (10) days after this Agreement terminates or expires. If this Agreement is terminated for any breach by Franchisee, such amounts shall include all damages, costs,

and expenses, including reasonable attorneys' fees, incurred by Sonic as a result of the breach, which payment obligation shall give rise to and remain, until paid in full, a lien in favor of Sonic against any and all of the assets of the Restaurant.

(b) The Franchise and all of Franchisee's rights hereunder shall terminate. Franchisee shall not thereafter use any trade secrets disclosed to Franchisee hereunder or other Confidential Information, and shall cease to use and shall return to Sonic all copies of the Sonic Operations Manual and other instructions or materials delivered to Franchisee hereunder. Franchisee shall also not thereafter use in any manner any paper goods, signs, displays, menu housings or other property on which Sonic's name or Proprietary Marks are imprinted or otherwise use any Proprietary Mark, any colorable imitation of a Proprietary Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Proprietary Mark, or any other indicia of a Sonic Restaurant. Franchisee shall not otherwise use or duplicate the Sonic System or any portion thereof nor assist others to do so. Within thirty (30) days after the expiration or termination of this Agreement (unless Sonic directs otherwise in writing), Franchisee shall remove from the Restaurant's premises all signs, emblems, and displays identifying it as or associated with a Sonic Restaurant or the Sonic System or which constitute or display any Proprietary Mark or trade dress of Sonic, and shall also remove from the premises all menu housings and PAYS or other Sonic proprietary equipment.

(c) Within thirty (30) days after the expiration or termination of this Agreement (unless Sonic directs otherwise in writing), Franchisee shall change the exterior and interior design and the decor of the Restaurant's premises, including by changing the color scheme, and shall make or cause to be made such changes in signs, buildings and structures (excluding major structural changes), as Sonic shall reasonably direct so as to effectively distinguish the same from its former appearance as a Sonic Restaurant and from any other Sonic Restaurant, and if Franchisee fails or refuses to comply herewith, then Sonic shall have the right to enter upon the Restaurant's premises without being guilty of trespass or any other tort for the purpose of making or causing to be made such changes required by Sections 16.01(b) or 16.01(c) at the expense of Franchisee, which expense Franchisee agrees to pay on demand.

(d) Franchisee and its Owners shall cease to hold itself or themselves out in any way as a current or former franchisee of Sonic or to do anything which would indicate any relationship between Franchisee and Sonic.

Franchisee shall be solely responsible for the cost of complying with this Section 16.01. Franchisee hereby releases Sonic and its agents, servants, and employees from and agrees to indemnify, defend, and hold harmless Sonic and its agents, servants, and employees against any cost, damage, liability, or expense (including attorneys' fees) arising out of or resulting from Franchisee granting access to the Restaurant's premises, including any cost, damage, liability, or expense arising out of the removal of any sign, equipment, fixture or other property from the premises or modification of the premises pursuant to this Agreement.

16.02 Sonic's Option to Purchase Proprietary Assets. Upon expiration or termination of this Agreement, and in addition to Sonic's option under Section 16.03, Sonic shall have the right

and option, exercisable by delivering written notice to Franchisee within thirty (30) days after the effective date of expiration or termination, to purchase from Franchisee all of Franchisee's right, title and interest in and to all or any patented or proprietary equipment, menu housings, signs, menus, and supplies associated with the Restaurant (including any items bearing any Proprietary Mark) (collectively, the "Proprietary Assets"), free and clear of all liens, claims and encumbrances. The purchase price for the Proprietary Assets will be their fair market value (but shall not include any value for the goodwill attributable to the Proprietary Marks, Sonic's brand image or Sonic's other intellectual property rights), and if Sonic and Franchisee cannot agree to the purchase price within fifteen (15) days after Sonic's delivery of its exercise notice, it shall be determined in accordance with Section 16.03(d) below. The closing of the acquisition under this Section 16.02 shall be within ten (10) days after the purchase price for the Proprietary Assets is determined. Sonic may set off against the purchase price, and reduce the purchase price by, any and all amounts Franchisee owes Sonic or its Affiliates and any amounts owed to Franchisee's creditors with respect to the Proprietary Assets. Sonic may assign its option under this Section 16.02 to any Person (who may be Sonic's Affiliate), and that Person will have all of the rights and obligations under this Section 16.02.

16.03 Sonic's Option to Purchase Restaurant Assets.

(a) Upon expiration or termination of this Agreement, Sonic has the option, exercisable by giving Franchisee written notice within thirty (30) days after the date of termination or expiration (the "Exercise Notice"), to purchase the furniture, fixtures, equipment and other assets used in the operation of the Restaurant that Sonic designates (the "Restaurant Assets"). Sonic has the unrestricted right to exclude any assets it specifies relating to the Restaurant from the Restaurant Assets and not acquire them. Franchisee agrees to provide Sonic the financial statements and other information Sonic reasonably requires, and to allow Sonic to inspect the Restaurant and its assets, to determine whether to exercise Sonic's option under this Section 16.03. If Franchisee or one of its Affiliates owns the Restaurant's premises, Sonic may elect to include a fee simple interest in the premises as part of the Restaurant Assets or, at Sonic's option, lease the premises from Franchisee or that Affiliate for an initial five (5)-year term with three (3) renewal terms of five (5) years (at Sonic's option) on commercially reasonable terms. Franchisee (and its Owners) agree to cause Franchisee's Affiliate to comply with these requirements. If Franchisee leases the Restaurant's premises from an unaffiliated lessor, Franchisee agrees (at Sonic's option) to assign the lease to Sonic or to enter into a sublease for the remainder of the lease term on the same terms (including renewal options) as the lease.

(b) While Sonic is deciding whether to exercise its option under this Section 16.03, and, if Sonic does exercise that option, during the period beginning with its delivery of the Exercise Notice and continuing through the closing of the purchase, then at Sonic's option and at Sonic's direction, Franchisee must continue to operate the Restaurant according to this Agreement and all aspects of the Sonic System. However, Sonic may, at any time during that period, enter the Restaurant's premises and assume the management of the Restaurant itself or appoint a third party (who may be Sonic's Affiliate) to manage the Restaurant. All funds from the operation of the Restaurant while Sonic or its appointee assumes the Restaurant's management will be kept in a separate account, and all of the

expenses of the Restaurant will be charged to that account. Sonic or its appointee may charge Franchisee (in addition to the amounts due under this Agreement) a management fee equal to three percent (3%) of the Restaurant's Gross Sales during the period of management, plus any direct costs and expenses associated with the management. Sonic or its appointee has a duty to utilize only reasonable efforts and will not be liable to Franchisee for any debts, losses or obligations the Restaurant incurs, or to any of Franchisee's creditors for any products or services the Restaurant purchases, while managing it. Franchisee shall not take any action or fail to take any action that would interfere with Sonic's or its appointee's exclusive right to manage the Restaurant.

(c) The purchase price for the Restaurant Assets (the "Purchase Price") will be their fair market value for use in the operation of a restaurant at a location other than the Restaurant's premises, but not a Sonic Restaurant as a going concern, except that the Purchase Price will not include any value for any rights granted by this Agreement, goodwill attributable to the Proprietary Marks, Sonic's brand image, any Confidential Information or Sonic's other intellectual property rights, or participation in the network of Sonic Restaurants.

(d) If Sonic and Franchisee cannot agree on the Purchase Price for the Restaurant Assets, it will be determined by three (3) independent appraisers, each of whom in doing so will be bound by the criteria specified in Subsection (c). Sonic will appoint one appraiser, Franchisee will appoint one appraiser, and these two appraisers will appoint the third appraiser. Franchisee and Sonic agree to appoint their respective appraisers within fifteen (15) days after Sonic delivers the Exercise Notice (if Franchisee and Sonic have not agreed on the Purchase Price before then), and the two appraisers so chosen must appoint the third appraiser within ten (10) days after the last of them is appointed. If either Sonic or Franchisee does not appoint their respective appraiser by that deadline, then the other party's appointed appraiser shall be the sole appraiser to determine the Purchase Price under this Subsection (d). Sonic and Franchisee each will bear the costs of its own appointed appraiser and share equally the fees and expenses of the third appraiser. Within thirty (30) days after Sonic delivers the Exercise Notice, each party shall submit its respective calculation of the Purchase Price to the appraisers in such detail as the appraisers request and according to the criteria specified in Subsection (c). Within ten (10) days after receiving both calculations, the appraisers shall determine, by a majority vote, and notify Franchisee and Sonic which of the calculations is the most correct. The appraisers must choose either Franchisee's or Sonic's calculation and may not develop their own fair market value calculation. The appraisers' choice shall be the Purchase Price.

(e) Sonic will pay the Purchase Price at the closing, which will take place within sixty (60) days after the Purchase Price is determined, provided that Sonic may delay the closing until it obtains all necessary licenses and permits to operate the Restaurant and all title insurance policies, landlord estoppels and other real estate documents that Sonic requires. Sonic may set off against the Purchase Price, and reduce the Purchase Price by, any and all amounts Franchisee owes Sonic or its Affiliates and any amounts owed to Franchisee's creditors relating to the Restaurant. Sonic is entitled to all customary representations, warranties and indemnities in its asset purchase, including representations

and warranties as to ownership and condition of, and title to, assets, liens and encumbrances on assets, validity of contracts and agreements, and liabilities affecting the assets, contingent or otherwise, and indemnities for all actions, events and conditions that existed or occurred in connection with the Restaurant or Franchisee's business prior to the closing of the purchase. At the closing, Franchisee agrees to deliver instruments transferring to Sonic: (i) good and merchantable title to the Restaurant Assets, free and clear of all liens and encumbrances, with all sales and transfer taxes paid by Franchisee; and (ii) all of the Restaurant's licenses and permits which may be assigned or transferred. If Franchisee cannot deliver clear title to all of the Restaurant Assets, or if there are other unresolved issues, the sale will be closed through an escrow. Franchisee and its Owners further agree to sign general releases, in a form satisfactory to Sonic, of any and all claims against Sonic and its Affiliates and its and their respective owners, officers, directors, employees, agents, representatives, successors and assigns.

(f) Sonic may assign its option under this Section 16.03 to any Person (who may be Sonic's Affiliate), and that Person will have all of the rights and obligations under this Section 16.03.

16.04 Continuing Obligations. The covenants set forth in this Section 16 and Section 17.03, and all of Sonic's and Franchisee's (and its Owners') other obligations under this Agreement which expressly or by their nature survive this Agreement's expiration or termination, will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until these obligations are satisfied in full or by their nature expire.

17. COVENANTS.

17.01 Best Efforts. During the term of this Agreement, Franchisee shall use best efforts to promote the business of the Restaurant and devote Franchisee's full time, energies, and attention to the operation and management of the Restaurant, and shall not engage in any other business or activity that might detract from, interfere with, or be detrimental to the Proprietary Marks or Franchisee's full and timely performance under this Agreement (except the ownership and operation of other Sonic Restaurants under franchise agreements with Sonic).

17.02 Restrictions During the Term. Franchisee acknowledges that Sonic has granted Franchisee the Franchise and the other rights under this Agreement in consideration of and reliance upon Franchisee's and its Owners' agreement to deal exclusively with Sonic in connection with the food and beverage products that Sonic Restaurants emphasize and the drive-in concept. Franchisee therefore agrees that, during the term of this Agreement, neither Franchisee nor any of its Owners, nor any member of any of their Immediate Families (excluding children and stepchildren over twenty-one (21) years of age) will, directly or indirectly through one or more intermediaries:

(a) engage in, provide services (as a director, officer, employee, agent, representative, or consultant) to, acquire any ownership, financial or other beneficial interest (including equity interests in business entities) in, loan money to, or become a landlord of, any Competitive Business (defined below), wherever located or operating;

(b) appropriate, use, or duplicate the Sonic System, or any portion thereof, for use at any other business, wherever located or operating; or

(c) divert or attempt to divert any actual or potential business or customer of the Restaurant to another Competitive Business, wherever located or operating.

17.03 Restrictions After the Term. Upon expiration or termination of this Agreement, Franchisee and its Owners agree that, for eighteen (18) months beginning on the effective date of termination or expiration (subject to extension as provided in Section 17.07 below), neither Franchisee nor any of its Owners, nor any member of any of their Immediate Families (excluding children and stepchildren over twenty-one (21) years of age), in each case to the extent not prohibited by applicable law, will, directly or indirectly through one or more intermediaries, engage in, provide services (as a director, officer, employee, agent, representative, or consultant) to, acquire any ownership, financial or other beneficial interest (including equity interests in business entities) in, loan money to, or become a landlord of, any Competitive Business which is located or operating (a) at the Restaurant's premises; (b) within a three (3)-mile radius of the Restaurant's premises; or (c) within a three (3)-mile radius of any Sonic Restaurant then operating or under construction on the effective date of the termination or expiration.

17.04 Covenants by Others. At Sonic's option, Franchisee shall from time to time, to the extent not prohibited by applicable law, obtain covenants similar in substance to those set forth in this Section 17 (including covenants applicable upon the termination of a Person's relationship with Franchisee) from all of Franchisee's Owners, and members of any of their Immediate Families. All covenants required by this Section 17.04 shall include specific identification of Sonic as a third-party beneficiary of such covenants with the independent right to enforce them. Franchisee shall furnish to Sonic executed copies of such covenants within ten (10) days after Sonic's request.

17.05 Definitions. In this Agreement, "Competitive Business" means (a) any quick service restaurant that generates, or is reasonably expected to generate, at least ten percent (10%) of its revenue from the sale of hamburgers; (b) any restaurant that features a drive-in (as opposed to a drive-thru) concept, such as canopies or speakers and menu housings for ordering food; or (c) any entity that grants franchises or licenses for any of these types of businesses referenced in (a) or (b) above. However, a Competitive Business shall not include a Sonic Restaurant operated under an effective franchise agreement with Sonic.

17.06 Exceptions to Ownership Restrictions. The restrictions in Sections 17.01(a) and 17.02 shall not apply to the ownership of shares of a class of securities which are publicly traded on a United States stock exchange representing less than two percent (2%) of the number of shares of that class of securities issued and outstanding.

17.07 Enforcement. Sonic shall have the right, at Sonic's sole option, to reduce the scope of any covenant set forth in this Sections 17, or any portion thereof, without Franchisee's consent effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it shall comply forthwith with any covenant as so modified. Franchisee agrees that the existence of any claims Franchisee may have against Sonic or its Affiliates, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Sonic of the covenants

in this Section 17 or any other provision of this Agreement. Franchisee acknowledges that any violation of the terms of this Section 17 would result in irreparable injury to Sonic for which no adequate remedy at law is available, and Franchisee accordingly consents to the *ex parte* issuance of restraining orders, temporary and permanent injunctions, and cease and desist orders prohibiting any conduct in violation of the terms of this Section 17.

18. INDEPENDENT CONTRACTOR & INDEMNIFICATION.

18.01 Franchisee not an Agent of Sonic; Employment Matters. This Agreement does not create a fiduciary relationship between Sonic and Franchisee, and nothing in this Agreement shall constitute Franchisee as the agent, legal representative, partner, joint venturer, or employee of Sonic. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Sonic and Franchisee are not and do not intend to be joint employers in any way, and Sonic shall not be construed to be jointly liable for any of Franchisee's acts or omissions under any circumstances. Sonic (and its Affiliates) will not exercise direct or indirect control over the working conditions of Restaurant personnel, except to the extent such indirect control is related to Sonic's legitimate interest in protecting the quality of the products and services associated with the Proprietary Marks. Sonic (and its Affiliates) do not share or codetermine the employment terms and conditions of the Restaurant's employees and do not affect matters relating to the employment relationship between Franchisee and the Restaurant's employees, such as employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. Franchisee agrees to identify itself conspicuously in all dealings with customers, prospective customers, employees, suppliers, public officials and others as the Restaurant's owner under a Franchise from Sonic and to place notices of independent ownership on the forms, business cards, employment materials, advertising and other materials Sonic requires from time to time.

18.02 Cost of Enforcement. If Sonic or any of its Affiliates become involved in any action or proceeding opposing Franchisee or its Owners to secure, enforce, protect, or defend Sonic's or its Affiliates' rights and remedies or Franchisee's (or its Owners') obligations under this Agreement or any other agreement relating to the Restaurant, then the prevailing party in such action or proceeding shall be entitled to recover from the non-prevailing party the reasonable costs, expenses, and attorneys' fees incurred by the prevailing party in such action or proceeding.

18.03 Indemnification and Defense.

(a) Franchisee agrees to indemnify and hold harmless Sonic, its Affiliates, and its and their respective owners, directors, officers, employees, agents, representatives, successors and assignees (the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, all Losses (defined below) directly or indirectly arising out of or relating to: (i) the Restaurant's development or operation or the business Franchisee conducts under this Agreement; (ii) Franchisee's breach of this Agreement; (iii) Franchisee's noncompliance or alleged noncompliance with any law, ordinance, rule or regulation, including those concerning the Restaurant's construction, design or operation,

and including any allegation that Sonic or another Indemnified Party is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's employees; or (iv) claims alleging either intentional or negligent conduct, acts or omissions by Franchisee (or its contractors or any of its or their employees, agents or representatives), or by Sonic or its Affiliates (or its or their contractors or any of its or their employees, agents or representatives), subject to Section 18.03(c). "Losses" means any and all losses, expenses, obligations, liabilities, damages (actual, consequential, or otherwise), and reasonable defense costs, including accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced.

(b) Franchisee agrees to defend the Indemnified Parties against any and all claims asserted or inquiries made (formally or informally), or legal actions, investigations, or other proceedings brought, by a third party and directly or indirectly arising out of or relating to any matter described in Subsection 18.03(a)(i) through (iv) above (collectively, "Proceedings"), including those alleging the Indemnified Party's negligence, gross negligence, willful misconduct and/or willful wrongful omissions. Each Indemnified Party may at Franchisee's expense defend and otherwise respond to and address any claim asserted or inquiry made, or Proceeding brought, that is subject to this Section 18.03 (instead of having Franchisee defend it as required above), and agree to settlements or take any other remedial, corrective, or other actions, for all of which defense and response costs and other Losses Franchisee is solely responsible, subject to Section 18.03(c). An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against Franchisee, and Franchisee agrees that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from Franchisee under this Section 18.03. Franchisee's obligations under this Section 18.03 will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

(c) Despite Section 18.03(a), Franchisee has no obligation to indemnify or hold harmless an Indemnified Party for, and Sonic will reimburse Franchisee for, any Losses (including costs of defending any Proceeding under Section 18.03(b)) to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's willful misconduct or gross negligence, so long as the claim to which those Losses relate is not asserted on the basis of theories of vicarious liability (including agency, apparent agency, or joint employer) or Sonic's failure to compel Franchisee to comply with this Agreement, which are claims for which Franchisee is not entitled to reimbursement pursuant to this Section 18.03(c). However, nothing in this Section 18.03(c) limits Franchisee's obligation to defend Sonic and the other Indemnified Parties under Section 18.03(b).

19. NOTICES.

19.01 Delivery. Any notice required hereunder, if not specified, shall be in writing and shall be delivered by personal service, by overnight, receipted delivery service, or by United States certified or registered mail, with postage prepaid, in each case addressed to Franchisee at the Restaurant or at such other address of Franchisee then appearing on Sonic's records, or to Sonic addressed to the attention of Sonic's General Counsel at Three Glenlake Parkway NE, Atlanta, Georgia 30328, or at the subsequent address of Sonic's company headquarters. Either party, by a similar written notice, may change the address to which notices shall be sent. Notice shall be deemed effective on the date of delivery, if delivery is by personal service or overnight delivery, or three business days after the party places the notice in the United States mail, if delivery is by certified or registered mail.

19.02 Failure to Accept. If Sonic is unable to give actual notice of any breach or termination of this Agreement because Franchisee has failed to provide Sonic with a current address, because Franchisee fails to accept or pick up this mailed notice, or due to any reason which is not the fault of Sonic, then such notice shall be deemed as given when Sonic sends such notice by overnight receipted delivery service or registered or certified mail, postage prepaid.

20. INTERPRETATION AND ENFORCEMENT.

20.01 Entire Agreement. This Agreement and all addenda, appendices, and amendments hereto constitute the entire agreement between the parties and supersede all prior and contemporaneous, oral or written agreements or understandings of the parties relating to the subject matter of this Agreement. However, nothing in this Agreement or any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document. This Agreement shall be binding upon the parties, and their heirs, executors, personal representatives, and permitted successors and assigns. Any policies that Sonic adopts and implements from time to time to guide Sonic in its decision-making are subject to change, are not a part of this Agreement and are not binding on Sonic. Except as provided in Section 18.03, nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any Person not a party to this Agreement.

20.02 Amendment. Subject to Sonic's rights to modify the Sonic Operations Manual and Sonic System, this Agreement may not be amended or modified except by a written agreement signed by both Franchisee and Sonic.

20.03 No Waiver. Sonic and Franchisee may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon Sonic unless in writing and signed by one of Sonic's officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Sonic and Franchisee will not be deemed to waive or impair any right, power or option this Agreement reserves because of any custom or practice at variance with its terms; Sonic's or Franchisee's failure, refusal or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement; Sonic's waiver of or failure to exercise any right, power or

option, whether of the same, similar or different nature, with other Sonic Restaurants; the existence of franchise or license agreements for other Sonic Restaurants which contain provisions different from those contained in this Agreement; or Sonic's acceptance of any payments due from Franchisee after any breach of this Agreement.

20.04 Interpretation. The recitals are a part of this Agreement. Section and Subsection captions are used only for convenience and are in no way to be construed as part of this Agreement or as a limitation of the scope of the particular Sections and Subsections to which they refer. Words of any gender used in this Agreement shall include any other gender, and words in the singular shall include the plural where the context requires. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. If more than one Person is Franchisee hereunder, each Person's liability shall be joint and several. Sonic's and Franchisee's rights under this Agreement are cumulative, and their exercise or enforcement of any right or remedy under this Agreement will not preclude their exercise or enforcement of any other right or remedy under this Agreement which they are entitled by law to enforce.

20.05 Severability. Except as expressly provided to the contrary in this Agreement, each Section, Subsection, paragraph, term and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or arbitrator with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, Franchisee and Sonic agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of Sonic's refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any aspect of the Sonic System is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and Sonic may modify the invalid or unenforceable provision or aspect of the Sonic System to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. Franchisee agrees to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

20.06 Applying and Withholding Payments. Despite any designation Franchisee makes, Sonic may apply any of Franchisee's payments to any of Franchisee's past due indebtedness to Sonic (or its Affiliates). Sonic may set-off any amounts Franchisee or its Owners owe Sonic or its Affiliates against any amounts Sonic or its Affiliates might owe Franchisee or its Owners, whether in connection with this Agreement or otherwise. Franchisee may not withhold payment of any

amounts owed to Sonic or its Affiliates on the grounds of Sonic's or their alleged nonperformance of any of its or their obligations under this Agreement or any other agreement.

20.07 Acknowledgements. Prior to the execution of this Agreement, Franchisee has had ample opportunity to contact existing franchisees of Sonic and to investigate all aspects of the Sonic Restaurant opportunity. Franchisee has conducted an independent investigation of the business contemplated by this Agreement and recognizes that it involves substantial business risks making the success of the venture largely dependent on the business abilities of Franchisee. Except as set forth in Sonic's franchise disclosure document, Franchisee has not received from Sonic or its Affiliates any express or implied warranty or guaranty regarding the potential sales, income, profits, or success of the business venture contemplated by this Agreement.

20.08 No Related Party Liability. Franchisee agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of Sonic will have any liability for: (a) any of Sonic's obligations or liabilities relating to or arising from this Agreement; (b) any claim against Sonic based on, in respect of, or by reason of, the relationship between Franchisee and Sonic; or (c) any claim against Sonic based on any alleged unlawful act or omission of Sonic.

21. CONSULTATION WITH FRANCHISEES AND SONIC'S JUDGMENT.

21.01 Consultation with Franchisees. In connection with any significant changes in the programs or policies impacting all or substantially all Sonic Restaurants with respect to training, the Sonic System, the Sonic Operations Manual, the SMF, the SBF or the BTF, including the determination of the designated beverage supplier or advertising agency of record for the Sonic Restaurant network, Sonic shall solicit input and advice from a group of franchisees gathered together for such purpose (whether established ongoing for such purpose or gathered on an ad hoc basis from time to time). Sonic shall use commercially reasonable efforts to ensure that such groups are balanced in terms of their representation of Sonic Restaurants as a whole. Notwithstanding the foregoing, this Section 21.01 shall not have any effect unless the franchise agreements in effect for at least one-third of all Sonic Restaurants contain this provision or a substantially similar provision.

21.02 Sonic's Judgment. Subject to Section 21.01, Sonic has the right to operate, develop and change the Sonic System in any manner that is not specifically prohibited by this Agreement. Whenever Sonic has reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant Franchisee a right to take or omit an action, Sonic may, except as otherwise specifically provided in this Agreement, make its decision or exercise its rights based on information readily available to Sonic and its judgment of what is in the best interests of Sonic or its Affiliates, the Sonic Restaurant network generally, or the Sonic System at the time its decision is made, without regard to whether it could have made other reasonable or alternative decisions.

22. APPLICABLE LAWS AND JURISDICTION; WAIVER OF JURY TRIAL; LIMITATIONS.

22.01 Applicable Law. The terms and provisions of this Agreement, and the relationship of the parties hereto shall be interpreted in accordance with and governed by the laws of the State of Georgia, without regard to its conflicts of laws rules.

22.02 Jurisdiction. Franchisee agrees that jurisdiction over Franchisee exists and is proper within the county where the corporate headquarters of Sonic are located at the time that any action, proceeding or litigation is filed, and within any and all courts, whether federal, state, or local, located within that county, and venue for any matter, claim, or cause of action relating to this Agreement or any other agreement between Franchisee and Sonic or Sonic's Affiliates, or the parties' relationship or business dealings with one another generally, including all disputes and litigation pending or in existence as of the date of this Agreement, shall only exist and is only proper within that county and within any and all courts, whether federal, state, or local, located within that county. Franchisee waives any and all defenses and objections, and Franchisee agrees not to assert any defense or objection, to jurisdiction over Franchisee and to venue as described hereinabove regarding any action, proceeding, or litigation instituted by Sonic against Franchisee. Sonic and Franchisee agree that any and all breaches of this Agreement, including breaches occurring after termination or expiration of this Agreement, shall be deemed to have occurred where the company headquarters of Sonic are then located.

22.03 Injunctive Relief. Franchisee acknowledges that Sonic's remedy at law for any breach of any of Franchisee's covenants under this Agreement (other than those involving only the payment of money) or the enforcement of any termination of this Agreement would not constitute an adequate remedy and, therefore, Sonic shall have the right to obtain temporary and permanent injunctive relief in any proceeding brought to enforce any provisions of this Agreement, without the necessity of proof of actual damages. Sonic shall not be required to post any bond or other form of security in connection with any request for the issuance of injunctive relief, and Franchisee expressly and unconditionally waives any requirement for the provision of security. Franchisee also agrees that injunctive relief sought by Sonic and ordered by any court of competent jurisdiction shall be given full force and effect in any other jurisdiction, including the jurisdiction in which the Restaurant is located, and that Franchisee will not oppose the enforcement of such relief. Nothing in this Section 22.03 shall prevent Sonic from pursuing separately or concurrently one or more of any other remedies available at law.

22.04 Waiver of Jury Trial and Punitive Damages. SONIC AND FRANCHISEE WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY. SONIC AND FRANCHISEE ALSO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

22.05 Limitation of Claims. EXCEPT FOR CLAIMS ARISING FROM FRANCHISEE'S NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS FRANCHISEE OWES SONIC, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR SONIC'S

RELATIONSHIP WITH FRANCHISEE WILL BE BARRED UNLESS A JUDICIAL PROCEEDING IS COMMENCED WITHIN ONE YEAR FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

22.06 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Sonic, any franchise seller, or any other person acting on behalf of Sonic. This provision supersedes any other term of any document executed in connection with the franchise.

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the “Agreement”) on this date by **SONIC FRANCHISING LLC** (“Sonic”), each of the undersigned unconditionally (a) guarantees to Sonic and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ (“Franchisee”) will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the arbitration, non-competition, confidentiality, and transfer requirements.

B. Each of the undersigned acknowledges that (a) he, she or it is either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) he, she or it will benefit significantly from Sonic’s entering into the Agreement with Franchisee; and (c) Sonic would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) his, her or its direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Sonic’s pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Sonic may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Sonic has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned’s execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a “creditor” of Franchisee under any applicable bankruptcy law with respect to Franchisee’s obligations to Sonic; (b) all rights to require

Exhibit B-2

Sonic to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Sonic; and (d) acceptance and notice of acceptance by Sonic of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Sonic shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Sonic. Without affecting the obligations of the undersigned under this Guaranty, Sonic may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. F. If Sonic is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Sonic shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Sonic is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse Sonic for any of the above-listed costs and expenses it incurs.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Sonic and the undersigned, must

Exhibit B-3

be brought exclusively in the federal or state court of general jurisdiction located closest to our then current principal office at the time that the action is brought. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. Nonetheless, each of the undersigned agrees that Sonic may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he, she or it is domiciled or has assets. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR INEQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

TO THE SONIC FRANCHISE DISCLOSURE DOCUMENT
NON-TRADITIONAL RIDER TO FRANCHISE AGREEMENT

**NON-TRADITIONAL RIDER
TO THE SONIC FRANCHISE AGREEMENT**

THIS NON-TRADITIONAL RIDER TO FRANCHISE AGREEMENT (the “Rider”) is made and entered into by and between **SONIC FRANCHISING LLC**, a Delaware limited liability company with its principal office at Three Glenlake Parkway NE, Atlanta, Georgia 30328 (“Sonic”), and _____, a(n) _____ with its principal office at _____ (“Franchisee”).

1. Preambles and Acknowledgments. Simultaneously with signing this Rider, Sonic and Franchisee are signing a Number 24 Franchise Agreement (the “Franchise Agreement”) to govern Franchisee’s development and operation of the Restaurant at the Site. All capitalized terms used but not defined in this Rider have the meanings given to those terms in the Franchise Agreement. Sonic and Franchisee are signing this Rider to modify certain provisions of the Franchise Agreement to recognize that the Restaurant will be located within _____ (the “Facility”), which is a Non-Traditional Location (defined below), and to accommodate certain requests Franchisee has made as a result of that location. “Non-Traditional Location” means any permanent or temporary food service facilities that operate (1) under one or more of the Proprietary Marks and all or part of the Sonic System, and (2) at locations that do not feature unlimited and unrestricted access to the general public by automobile from public thoroughfares. Non-Traditional Locations include (a) military bases and other governmental facilities; (b) universities, schools and other education facilities; (c) airports, train stations, toll plazas, and other public or restricted-access transportation facilities or terminals; (d) stadiums, arenas, theaters, and other sports and entertainment venues; (e) amusement parks, theme parks, museums, zoos, and other similar public facilities; (f) cafeterias, food courts, and other foodservice locations within shopping centers, shopping malls, office buildings/corporate campuses, industrial buildings, and department stores, grocery stores, and similar retail stores; (g) hotels, casinos, and convention centers; (h) hospitals, nursing facilities, and other medical facilities; and (i) reservations and other sovereign territories.

2. Lease. Section 3.02 of the Franchise Agreement is deleted in its entirety.

3. Relocation. The last sentence of Section 3.07 of the Franchise Agreement is deleted in its entirety.

4. Protected Area. Sections 4.01 through 4.03 of the Franchise Agreement are deleted and replaced with the following:

NO TERRITORIAL RIGHTS.

Franchisee acknowledges that the Franchise is nonexclusive, Franchisee has no territorial protection whatsoever, and Sonic retains all rights with respect to the Sonic System, the Proprietary Marks, the sale of similar or dissimilar products and services, and any other activities Sonic deems appropriate whenever and wherever it desires. Specifically, but without limitation, Sonic reserves the following rights:

(a) the right to establish and operate, and to grant to others the right to establish and operate, Sonic Restaurants (including at Non-Drive-In Locations and at other Non-Traditional Locations), any similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations (regardless of the proximity to the Restaurant), under the Proprietary Marks or under other trademarks or service marks, and on any terms and conditions Sonic deems appropriate;

(b) the right to provide, offer, and sell, and to grant others the right to provide, offer, and sell, goods and services that are identical or similar to and/or competitive with those provided at the Restaurant, whether identified by the Proprietary Marks or other trademarks or service marks, through similar or dissimilar distribution channels (including the Internet or similar electronic media), at any locations, and on any terms and conditions Sonic deems appropriate; and

(c) the right to acquire or be acquired by (whether through acquisition of assets, Ownership Interests, or otherwise, regardless of the form of transaction) a business providing products and services similar to those provided at the Restaurant, or by another business, even if such business operates, franchises, and/or licenses competitive businesses.

5. Initial Term. Section 5.01 of the Franchise Agreement is deleted and replaced with the following:

Unless sooner terminated as hereafter provided, the term of this Agreement, including the Franchise, shall begin on the date of this Agreement and end on the earlier of (a) the date which is ten (10) years after the date upon which the Restaurant first opens for business, or (b) _____ [date when facility contract term expires.] (the “Term”).

6. Renewal Option. The first paragraph of Section 5.02 of the Franchise Agreement is deleted and replaced with the following:

At the end of the initial term, if Franchisee desires, Franchisee may renew the Franchise to adopt and use the Sonic System at the Restaurant for an additional term, provided that Franchisee satisfies all of the following conditions prior to the expiration of the initial term:

In addition, Subsection 5.02(d) of the Franchise Agreement is deleted and replaced with the following:

(d) Franchisee signs Sonic’s then current form of franchise agreement and related documents (modified to reflect that the agreement relates to the grant of a renewal franchise at a Non-Traditional Location), the terms of which may differ materially from those in this Agreement, including different royalty fees, advertising and brand fees and other fees, except that the franchise agreement shall provide for a term of 10 years or the remaining term of Franchisee’s right to occupy the Site (whichever is shorter) and, in lieu of an initial franchise fee, Franchisee shall pay Sonic a renewal fee equal to twenty percent (20%) of Sonic’s then current initial franchise fee for Non-Traditional Locations;

The other subsections of Section 5.02 shall remain in full force and effect.

7. Initial Franchise Fee. The first sentence of Section 7.01 is deleted and replaced with the following:

Simultaneously with signing this Agreement, Franchisee shall pay Sonic an initial franchise fee in an amount equal to Two Thousand Two Hundred Fifty Dollars (\$2,250) multiplied by the number of full or partial years in the initial Term.

8. No Delivery. Since the Site is located at or within a Non-Traditional Location, Franchisee shall not be required nor permitted to offer delivery services from the Restaurant unless Sonic otherwise specifies in writing.

9. Days and Hours of Operation. Sonic recognizes and acknowledges that the Restaurant will operate at a Non-Traditional Location and will be required to be open and operating on those days and during those hours that the Non-Traditional Location may set from time to time. Therefore, Subsection 8.01(d) of the Franchise Agreement is deleted.

10. Advertising Cooperatives. Section 12.01 of the Franchise Agreement is deleted in its entirety.

11. System Marketing Fund. The first sentence of Section 12.02(a) of the Franchise Agreement is deleted and replaced with the following:

(a) The SMF shall be administered by Sonic, and Franchisee shall pay to the SMF each month, on a schedule that Sonic periodically specifies, an amount equal to one and six hundred twenty-five thousandths percent (1.625%) of Franchisee's Gross Sales during the preceding calendar month.

12. System Marketing Fund, Sonic Brand Fund and Brand Technology Fund. Franchisee acknowledges and agrees that the programs and expenditures for the SMF, SBF and BTF may not address the specific aspects of any particular Restaurant or the operation of Sonic Restaurants at Non-Traditional Locations, and are primarily designed for the benefit of Sonic Restaurants generally.

13. Sonic Option to Purchase Restaurant Assets. Section 16.03 of the Franchise Agreement is deleted in its entirety.

14. Restrictions During the Term. Subsections (a), (b) and (c) of Section 17.02 of the Franchise Agreement are deleted and replaced with the following:

(a) engage in, provide services (as a director, officer, employee, agent, representative, or consultant) to, acquire any ownership, financial or other beneficial interest (including equity interests in business entities) in, loan money to, or become a landlord of, any Competitive Business (defined below) operating at or within the Facility;

(b) appropriate, use, or duplicate the Sonic System, or any portion thereof, for use at any other business, wherever located or operating; or

(c) divert or attempt to divert any actual or potential business or customer of the Restaurant to another Competitive Business operating at or within the Facility.

Notwithstanding the foregoing, Sonic and Franchisee acknowledge that nothing in this Rider shall limit any non-compete or other obligations of Franchisee or any of its Owners, directors or officers (or any members of their Immediate Families, excluding children or stepchildren under twenty-one (21) years of age) under any other Franchise Agreement.

15. Restrictions After the Term. Section 17.03 of the Franchise Agreement is deleted in its entirety.

MULTI-BRAND ADDENDUM TO FRANCHISE AGREEMENT

**2025 INSPIRE BRANDS' MULTI-BRAND
ADDENDUM TO THE FRANCHISE AGREEMENT**

This Addendum to Franchise Agreement (this “**Addendum**”) is entered into this ____ day of _____, 202__ by and between _____ (“**Franchisor**”) and _____ (“**Franchisee**”).

1. **Background.**

(a) Franchisor and Franchisee are parties to that certain _____® Franchise Agreement dated as of _____ (as amended, the “**Franchise Agreement**”) under which Franchisor has granted Franchisee the right to operate a _____® restaurant (a “**Brand Restaurant**”) at _____ (the Brand Restaurant at that location is called the “**Franchised Restaurant**”). All initial capitalized terms used but not defined in this Addendum have the meanings set forth in the Franchise Agreement.

(b) Franchisee operates or intends to operate the Franchised Restaurant at the premises of, and in combination with, the other brand restaurants listed on Exhibit A (collectively, and whether one or more, the “**Other Restaurants**”). The affiliate(s) of Franchisee listed on Exhibit A (collectively, and whether one or more, the “**Co-Operators**”) operate the Other Restaurants under the separate franchise agreement(s) listed on Exhibit A (collectively, and whether one or more, the “**Other Franchise Agreements**”) with the franchisor(s) listed on Exhibit A who are Franchisor’s affiliates (collectively, and whether one or more, the “**Other Franchisors**”).

(c) This Addendum reflects certain changes in and clarifications to the Franchise Agreement to reflect Franchisor’s modified requirements for a multi-brand location. Franchisee acknowledges that Franchisor is willing to enter into this Addendum and to permit the operation of the Franchised Restaurant as a multi-brand location only because of the relationship between Franchisor and the Other Franchisors and, if applicable, the relationship between Franchisee and its Co-Operators who operate the Other Restaurants.

2. **Ownership of Other Restaurants.** Notwithstanding the restrictions in the Franchise Agreement, Franchisor consents to Franchisee’s (and/or, as applicable, its Co-Operators’) ownership and operation of the Other Restaurants at the same premises as the Franchised Restaurant, provided Franchisee complies with the terms of the Franchise Agreement (including this Addendum) and Franchisee (or its Co-Operators) complies with the terms of the Other Franchise Agreements.

3. **Franchise Agreement Term and Renewal.** The term of the Franchise Agreement shall expire, unless sooner terminated, on _____, 20___. In addition to the conditions in the Franchise Agreement to obtain a renewal or successor franchise to continue operating the Franchised Restaurant as a Brand Restaurant, Franchisee (and/or, as applicable, its Co-Operators) also must be in compliance with, and, if Franchisor requires, renew or extend the term of, the Other Franchise Agreements.

4. **Operation as a Multi-Brand Location.** Franchisee agrees that Franchisor, at its option, may modify any of the terms of the franchise system applicable to the Franchised Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Brand Restaurants, in order to reflect the Franchised Restaurant's status as a multi-brand location. Franchisee agrees to comply with all of those modifications. Without limiting the generality of the foregoing:

(a) Franchisee shall design and construct, and/or make modifications to, the Franchised Restaurant's layout, design, equipment and fixtures that Franchisor specifies to reflect the multi-brand location.

(b) Franchisee agrees that its (or Co-Operators') development and operation of the Other Restaurants shall not unreasonably interfere with or otherwise disrupt the Franchised Restaurant's operations. The operation of the Other Restaurants must be consistent with and complement Franchisee's operation of the Franchised Restaurant.

(c) Franchisee acknowledges that the services, guidance and assistance that Franchisor provides under the Franchise Agreement, including any training, may be intended for stand-alone Brand Restaurants and not tailored or specific to multi-brand locations like the Franchised Restaurant.

(d) Franchisee may not open and begin operating the Franchised Restaurant unless the Other Restaurants are also open and in operation. Franchisee shall ensure that the Other Restaurants are open and operating during all business hours that the Franchised Restaurant is open and operating.

(e) Franchisee must use paper products and other items bearing the Brand Restaurants' trademarks and trade names only at the Franchised Restaurant and with products served by the Franchised Restaurant, and Franchisee (or its Co-Operators) may not use them at the Other Restaurants or with products served by the Other Restaurants.

(f) Franchisee (and, if applicable, its Co-Operators) shall notify the customers of the Franchised Restaurant and the Other Restaurants, and the design and layout of the Franchised Restaurant and Other Restaurants shall reflect, all in the manner Franchisor periodically specifies, that the operation of the Other Restaurants is separate from and independent of the Franchised Restaurant. Without limiting the foregoing, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Franchised Restaurant and not the Other Restaurants. Likewise, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Other Restaurants and not the Franchised Restaurant. Unless Franchisor otherwise specifies or approves, none of the advertising, marketing or promotional materials associated with the

Franchised Restaurant may reference the Other Restaurants or the brand(s) under which the Other Restaurants operate.

(g) all of the Franchised Restaurant's sales must be entered only on the point-of-sale system that Franchisor approves for the Franchised Restaurant. Franchisee (and, if applicable, Co-Operators) shall maintain separate books and records for the Franchised Restaurant and the Other Restaurants and shall not commingle the revenues of the Franchised Restaurant with the revenues of the Other Restaurants. Franchisor and Franchisee agree that Franchisee shall pay royalties or continuing franchise fees, advertising/brand fund contributions or continuing advertising fees, and/or similar payments based on Gross Sales under the Franchise Agreement only on the Gross Sales derived from the Franchised Restaurant and not on the sales or revenue of the Other Restaurants. Franchisee agrees to deliver to Franchisor, at such times that Franchisor periodically specifies, sales information and other reports relating to the Other Restaurants.

(h) Franchisee acknowledges that Franchisor shall have no obligation to provide any training, services or other assistance with respect to the development or operation of the Other Restaurants.

5. **Personnel.** Franchisee must ensure that all employees providing services to customers of the Franchised Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants. Franchisor may at its option modify its training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Franchised Restaurant and the Other Restaurants. However, Franchisee must ensure that all employees who provide services to the Franchised Restaurant's customers or otherwise assist in the Franchised Restaurant's operation are properly trained to operate the Franchised Restaurant and otherwise satisfy Franchisor's requirements. Franchisee must pay Franchisor any training fees and additional expenses that Franchisor incurs in connection with any additional or specialized training required for the Franchised Restaurant's personnel due to its status as multi-brand location.

6. **Inspections and Audits.** In order to determine Franchisee's compliance with the Franchise Agreement (including this Addendum), Franchisor shall have the right to inspect the Other Restaurants and their operations, and audit the books and records associated with the Other Restaurants, in accordance with the terms of the Franchise Agreement to the same extent that it may do so with respect to the Franchised Restaurant, its operations, and its books and records. If Franchisee has Co-Operators operating the Other Restaurants, Franchisee must ensure that those Co-Operators provide Franchisor the rights under this Section 6.

7. **Refresh/Remodel of the Franchised Restaurant.** Franchisor, at its option, may modify the requirements for any required refresh or remodel of the Franchised Restaurant under the Franchise Agreement, including by accelerating or deferring any due dates, in order to correlate with the development, remodel and/or refresh requirements under any of the Other Franchise Agreements.

8. **Relationship With Other Franchise Agreements.** Franchisee acknowledges that Franchisor granted Franchisee the rights under the Franchise Agreement and this Addendum in

reliance upon, and that the operation of the Franchised Restaurant under the Franchise Agreement is dependent on and inextricably connected with, Franchisee's (or its Co-Operators) operation of the Other Restaurants pursuant to and in compliance with the Other Franchise Agreements. Therefore:

(a) Franchisee agrees to comply (or to cause Co-Operators to comply) with the Other Franchise Agreements in connection with the development and operation of the Other Restaurants (including with respect to paying amounts owed and complying with all applicable laws) and agrees that Franchisee's (or any Co-Operator's) failure to comply with any Other Franchise Agreement shall constitute a breach of, and a default under, the Franchise Agreement.

(b) upon any proposed transfer (as defined in the Franchise Agreement, if applicable) involving any direct or indirect ownership interest in Franchisee or all or substantially all of the assets of the Franchised Restaurant, in addition to the conditions for Franchisor's approval of that transfer under the Franchise Agreement, Franchisor may condition its consent to that transfer on the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Other Restaurants. Likewise, Franchisee (or, if applicable, its Co-Operators) may not transfer any direct or indirect ownership interest in Franchisee's affiliate or all or substantially all of the assets of the Other Restaurants without the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Franchised Restaurant, which transfer shall be subject to Franchisor's approval under the Franchise Agreement.

(c) Franchisor may terminate the Franchise Agreement, effective upon delivery of written notice to Franchisee, if any Other Franchise Agreement expires (without a renewal or successor franchise with the Other Franchisors) or terminates (regardless of the reason), or if Franchisee (or, if applicable, Co-Operators) abandons or otherwise ceases to operate any Other Restaurant for any reason.

(d) Franchisor acknowledges that certain post-termination obligations under the Franchise Agreement relating to Franchisor's right to acquire certain assets of the Franchised Restaurant and/or the lease for the Franchised Restaurant's premises may conflict with similar requirements under the Other Franchise Agreements, and in that case Franchisee agrees to comply (and, if applicable, to cause its Co-Operators to comply) with the requirements that Franchisor reasonably specifies.

9. **Miscellaneous.** This Addendum is an amendment to, and forms a part of, the Franchise Agreement. Except as amended by this Addendum, the Franchise Agreement will continue in full force and effect. The recitals to this Addendum are a part of this Addendum, which, together with the Franchise Agreement, constitutes the entire agreement between Franchisor and Franchisee, and there are no oral or other written understandings, representations or agreements between Franchisor and Franchisee, relating to the subject matter of this Addendum. No modification, change or alteration of this Addendum shall be effective unless in writing and executed by Franchisor and Franchisee. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such

words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. If there is a conflict between any provision of the Franchise Agreement and a provision of this Addendum, the provision of this Addendum controls.

IN WITNESS WHEREOF, the parties have executed and delivered this Addendum as of the date first above written.

2.02 Development Schedule. Developer agrees to comply with the Development Schedule. Time is of the essence for the development of each Sonic Restaurant in accordance with the Development Schedule. Each Sonic Restaurant must be developed and operated pursuant to a separate Sonic Franchise Agreement that Developer or a Controlled Affiliate signs with Sonic pursuant to Section 6 below. To retain its rights under this Agreement, Developer (or its Controlled Affiliate) must operate each Developer Restaurant pursuant to the terms of the applicable Sonic Franchise Agreements continuously throughout their terms.

2.03 Business Entity Developer. If Developer is a corporation, partnership, limited liability company or other business entity, Developer shall comply with the following provisions:

(a) Organizational Documents. Developer’s certificate of incorporation and bylaws, partnership agreement and certificate of limited partnership, articles of organization and operating agreement, or similar governing documents (collectively, “Organizational Documents”), as applicable, shall provide that this Agreement restricts the issuance and transfer of any Ownership Interests in Developer, and all certificates and other

Subject to Sonic's rights and Developer's obligations under Section 8, Developer and its Owners agree to sign and deliver to Sonic revised Exhibits C to reflect any changes in the information that Exhibit C now contains.

3. TERRITORIAL RIGHTS IN DEVELOPMENT AREA.

3.01 Territorial Rights in Development Area. Except as otherwise provided in Section 3.02, during the term of this Agreement, if Developer is in compliance with this Agreement (including the Development Schedule), and Developer and its Affiliates are in compliance with the terms of any other Related Agreements, then Sonic shall not own or operate a Sonic Restaurant, and shall not franchise to any other Person to own or operate a Sonic Restaurant (other than a Sonic Restaurant franchised prior to the date of this Agreement), within the Development Area. However, if the Development Area covers more than one city, county, designated market area or target area (each "Target Area"), the territorial protection under this Section 3.01 for each Target Area shall expire upon the earlier of (a) the expiration or termination of this Agreement, or (b) the date upon which Developer or a Controlled Affiliate signs a Sonic Franchise Agreement for the final Sonic Restaurant to be developed in such Target Area under this Agreement. When the territorial protection under this Section 3.01 expires with respect to the Development Area or Target Area (as applicable), Sonic will thereafter be entitled to own and operate, and franchise to any other Person to own and operate, a Sonic Restaurant in the Development Area or Target Area (as applicable), except as may be otherwise provided under any Sonic Franchise Agreement then in effect.

3.02 Exclusions from Development Area. Notwithstanding the provisions of Section 3.01, the Development Area shall not extend to:

- (a) the contractually-granted protected radius of any Sonic Restaurant in existence as of the date of this Agreement ("Previously Protected Radius");
- (b) the protected area of any developer under a development agreement with Sonic in existence as of the date of this Agreement ("Previously Protected Development Area"); or
- (c) any Non-Drive-In Location or Non-Traditional Location that is otherwise located within the Development Area.

Consequently, notwithstanding Section 3.01, any Previously Protected Radius, Previously Protected Development Area, Non-Drive-In Location and Non-Traditional Location is excluded from the Development Area, and Sonic may own or operate a Sonic Restaurant, and may franchise to any other Person to own or operate a Sonic Restaurant, within any Previously Protected Radius,

Previously Protected Development Area, Non-Drive-In Location or Non-Traditional Location, whether they would otherwise be located within or outside the boundaries of the Development Area.

3.03 Rights Reserved to Sonic. Except as expressly limited by this Agreement, Sonic retains all rights with respect to the Sonic System, the Proprietary Marks, the sale of similar or dissimilar products and services, and any other activities Sonic deems appropriate whenever and wherever it desires. Specifically, but without limitation, Sonic reserves the following rights:

(a) the right to establish and operate, and to grant to others the right to establish and operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Development Area under trademarks or service marks other than the Proprietary Marks and on any terms and conditions Sonic deems appropriate;

(b) the right to provide, offer, and sell, and to grant others the right to provide, offer, and sell, goods and services that are identical or similar to and/or competitive with those provided at any Developer Restaurant, whether identified by the Proprietary Marks or other trademarks or service marks, through dissimilar distribution channels (including the Internet or similar electronic media) both inside and outside the Development Area and on any terms and conditions Sonic deems appropriate;

(c) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Development Area, under the Proprietary Marks and on any terms and conditions Sonic deems appropriate;

(d) the right to establish and operate, and to grant others the right to establish and operate, Sonic Restaurants anywhere outside the Development Area under any terms and conditions Sonic deems appropriate regardless of the proximity to any Developer Restaurant; and

(e) the right to be acquired (whether through acquisition of assets, Ownership Interests, or otherwise, regardless of the form of transaction) by a business providing products and services similar to those provided at any Developer Restaurant, or by another business, even if such business operates, franchises, and/or licenses competitive businesses in the Development Area.

4. TERM. Unless sooner terminated as hereafter provided, the term of this Agreement and all rights granted to Developer hereunder will expire without further notice on earlier of (a) the date upon which the last Sonic Franchise Agreement for the last Developer Restaurant under the Development Schedule is signed or (b) the date upon which the last Developer Restaurant under is scheduled to be open under the Development Schedule. This Agreement shall not be subject to renewal.

5. DEVELOPMENT FEE. As consideration for the rights granted in this Agreement, you must pay us a “Development Fee” listed on Exhibit A, which is Ten Thousand Dollars (\$10,000) multiplied by the number of Developer Restaurants to be developed under this Agreement. The Development Fee is consideration for this Agreement and not consideration for any Sonic Franchise Agreement, is fully earned by Sonic upon execution of this Agreement and is non-refundable. The Development Fee is credited against the Initial Franchise Fee (defined below) payable upon the signing of each individual Sonic Franchise Agreement as specified in Section 6.03.

6. SITE SELECTION AND SIGNING SONIC FRANCHISE AGREEMENTS.

6.01 Site Selection. Sonic shall provide Developer the Site Acceptance Form, site selection criteria and other related materials that Sonic periodically makes available to developers of Sonic Restaurants. Developer must comply with Sonic’s development policies, as Sonic periodically modifies them, with respect to each proposed site for a Sonic Restaurant to be developed in the Development Area and each Sonic Franchise Agreement to be signed for a Developer Restaurant in the Development Area. Developer agrees to submit for evaluation by Sonic, pursuant to Sonic’s then current site selection criteria, a complete site report and related information that Sonic then requires for each proposed site for a Developer Restaurant. Sonic will either accept or reject that proposed site based on Sonic’s then current site selection policies and procedures. If Sonic does not accept or reject a proposed site submitted in writing by Developer within thirty (30) days after receipt of the site selection report and all other information that Sonic requests concerning the site, then that site is deemed rejected by Sonic. Despite any assistance, information or recommendations that Sonic provided or provides with respect to any proposed site, Sonic has made and will make no representations or warranties of any kind, express or implied, of the suitability of the site for a Sonic Restaurant or any other purpose. Sonic’s recommendation or acceptance indicates only that Sonic believes that the site meets or has the potential to meet, or that Sonic has waived, its then current general criteria of site acceptability. Applying criteria that have appeared effective for other sites might not accurately reflect the potential for all sites, and, after Sonic recommends or accepts a site, demographic and/or other factors included in or excluded from its site criteria could change, thereby altering a site’s potential. The uncertainty and instability of these criteria are beyond Sonic’s control, and Sonic is not responsible if any site fails to meet its or Developer’s expectations.

6.02 Signing Sonic Franchise Agreements. After Sonic accepts a proposed site for a Developer Restaurant, then Developer or its approved Controlled Affiliate must sign a separate Sonic Franchise Agreement to develop that Developer Restaurant. Developer (or its Controlled Affiliate) must sign a Sonic Franchise Agreement for any accepted site before buying or signing a lease or sublease for that site or beginning construction work at the accepted site. However, Sonic need not issue a Sonic Franchise Agreement if Developer (or its proposed Controlled Affiliate) does not then meet Sonic’s then current financial and operational standards and qualifications for new Sonic Restaurants. If Developer or its Controlled Affiliate do not open and begin operating the Developer Restaurant under a signed Sonic Franchise Agreement within the time periods set forth in the Development Schedule, then Sonic may terminate this Agreement according to Section 9.01. Except for the obligation to open the Developer Restaurants on or before the opening deadlines in the Development Schedule, after Developer (or its Controlled Affiliate) signs the

Sonic Franchise Agreement, its terms and conditions will control the development and operation of the Developer Restaurant.

6.03 Form of Sonic Franchise Agreement. The franchise agreement and related documents that Developer (or its Controlled Affiliate) signs for each Developer Restaurant (other than the Sonic Restaurant developed under the Existing Franchise Agreement) will be the form franchise agreement and any ancillary agreements that Sonic then customarily uses in granting franchises for Sonic Restaurants (collectively, the “Sonic Franchise Agreement”), any or all of the terms of which may differ substantially from the terms contained in the Existing Franchise Agreement, except that, for each Sonic Franchise Agreement other than the Existing Franchise Agreement: (a) the initial franchise fee will be Forty-Five Thousand Dollars (\$45,000), and Sonic will apply Ten Thousand Dollars (\$10,000) of the Development Fee, as applicable, towards the initial franchise fee owed under that Sonic Franchise Agreement; and (b) the royalty fee rate(s) under the Sonic Franchise Agreement will be (i) two percent (2%) of the first \$5,000 of the Developer Restaurant’s monthly gross sales (as defined in the applicable Sonic Franchise Agreement), (ii) three percent (3%) of the Developer Restaurant’s monthly gross sales from \$5,000 to \$10,000, (iii) three and one-half percent (3.5%) of the Developer Restaurant’s monthly gross sales from \$10,000 to \$15,000, (iv) four percent (4%) of the Developer Restaurant’s monthly gross sales from \$15,000 to \$20,000, (v) four and one-half percent (4.5%) of the Developer Restaurant’s monthly gross sales from \$20,000 to \$25,000, and (vi) five percent (5%) of the Developer Restaurant’s monthly gross sales above \$25,000.

7. NO SUBLICENSING OR RIGHT TO USE PROPRIETARY MARKS. This Agreement does not grant Developer any right to license others to operate Sonic Restaurants. Only Developer (and its approved Controlled Affiliates) may develop Sonic Restaurants pursuant to this Agreement and only under Sonic Franchise Agreements with Sonic. This Agreement does not grant Developer any right to use, or authorize others to use, the Proprietary Marks in any manner. Developer’s right to use the Proprietary Marks arises only under Sonic Franchise Agreements with Sonic. Sonic’s Affiliate owns all rights to the Proprietary Marks, and Developer’s unauthorized use of the Proprietary Marks is an infringement of Sonic’s and its Affiliate’s rights and a breach of this Agreement. In all public records and in its relationship with other Persons, Developer shall indicate clearly the independent ownership of Developer’s business and that the operations of that business are separate and distinct from the operation of Sonic’s business.

8. TRANSFER.

8.01 Transfer by Developer. The rights and duties created by this Agreement are personal to Developer (or its Owners), and Sonic has granted the rights under this Agreement to Developer in reliance on the collective character, skill, aptitude, and business and financial capacity of Developer and its Owners. Accordingly, neither this Agreement (or any rights or obligations under or interest in this Agreement), the business that Developer operates under this Agreement, or any Ownership Interest in Developer or its Owners, may be transferred without Sonic’s prior written approval, which approval (if Sonic in its sole judgment provides that approval) will be subject to the satisfaction for the conditions for transfer that Sonic then specifies (in its sole judgment). Any transfer without Sonic’s required approval is a breach of this Agreement and has no effect.

In this Agreement, the term “transfer,” whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact Developer (or its Owners) directly or indirectly:

- (a) transfer of record or beneficial ownership of any Ownership Interest or the right to receive all or a portion of Developer’s profits or losses or any capital appreciation relating to Developer or its business (whether directly or indirectly);
- (b) merger, consolidation or exchange of Ownership Interests, or issuance of additional Ownership Interests or securities representing or potentially representing Ownership Interests, or a redemption of Ownership Interests;
- (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control Developer or its operations or affairs;
- (d) transfer of a direct or indirect Ownership Interest or other interest in Developer, this Agreement, or any of the Developer’s assets in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or
- (e) the grant of a mortgage, charge, pledge, collateral assignment, lien or security interest in any Ownership Interest or other interest in Developer, this Agreement, or any of Developer’s assets; foreclosure upon or attachment or seizure of any of Developer’s assets or any Ownership Interest; or Developer’s transfer, surrender or loss of the possession, control or management of all or any material portion of Developer or its business.

8.02 Transfer by Sonic. This Agreement and any other agreement will inure to the benefit of any transferee or other legal successor to Sonic’s interest in it.

9. DEFAULT AND TERMINATION.

9.01 Termination. Developer shall be deemed to be in breach of this Agreement and Sonic may, at its option, terminate this Agreement and all rights granted herein without affording Developer any opportunity to cure the breach, effective immediately upon Developer’s receipt of a notice of termination, upon the occurrence of any of the following events:

- (a) Developer or its Owner shall become insolvent, make an assignment for the benefit of creditors, or shall give oral or written notice to Sonic of Developer’s intent to file a voluntary petition under any bankruptcy law; a final judgment aggregating in excess of Five Thousand Dollars (\$5,000) against Developer’s property remains unpaid for thirty (30) days; any suit to foreclose any lien is instituted against Developer and is not dismissed within thirty (30) days; or any assets of Developer are sold after being levied thereupon by sheriff, marshal, or a constable;

(b) Developer fails in any respect to comply with any portion of the Development Schedule, unless such failure is due to extraordinary events beyond the control of Developer (such as acts of God, war and the like, but exclusive of matters involving the financial wherewithal of Developer);

(c) Developer or any of its Owners makes an unauthorized transfer in breach of this Agreement;

(d) any assets, property, or interests of Developer or its Owner are blocked under any law, ordinance, or regulation relating to terrorist activities, or Developer or its Owner is otherwise in violation of any such law, ordinance, or regulation;

(e) Developer or any Owner is convicted of or pleads no contest to a felony or a crime involving moral turpitude;

(f) Developer or any Owner is convicted or pleads no contest to any other crime or offense, or engages in any other dishonest, unethical or illegal conduct, which, in Sonic's opinion, is reasonably likely to adversely affect the reputation of any Sonic Restaurant, the Proprietary Marks, the goodwill associated therewith, or Sonic's rights therein;

(g) Developer makes, or has made, any misrepresentation to Sonic in connection with obtaining this Agreement, any site submission hereunder, or any Sonic Franchise Agreement;

(h) Developer or any of its Owners or Affiliates breaches or is in default under, or Sonic terminates before its term expires (regardless of the reason), the Existing Franchise Agreement, any other Sonic Franchise Agreement, or any other agreement between Sonic (or any of its Affiliates) and Developer (or any of its Owners or Affiliates) relating to any Sonic Restaurant; or

(i) Developer fails to comply with any other provision of this Agreement.

9.02 Obligations Upon Expiration or Termination. Upon expiration or termination of this Agreement: (a) Developer will have no right to develop or operate any Developer Restaurant for which a Sonic Franchise Agreement has not been signed by Sonic; and (b) Sonic will be entitled to own and operate, and franchise to any other Person to own and operate, a Sonic Restaurant in the Development Area, except as may be otherwise provided under any Sonic Franchise Agreement then in effect.

10. INCORPORATION OF OTHER TERMS. Sections 10 (Confidential Information), 17 (Covenants), 18 (Independent Contractor and Indemnification), 19 (Notices), and 22 (Applicable Laws and Jurisdiction; Waiver of Jury Trial; Limitations) of the Existing Franchise Agreement are incorporated by reference in this Agreement, with all reference to Franchisee and its Owners being deemed to refer to Developer and its Owners, and those provisions will govern all aspects of the relationship between Sonic and Developer and the construction of this Agreement as if fully restated within the text of this Agreement. This Agreement, together with the Existing Franchise

Agreement, and all addenda, appendices, and amendments hereto and thereto constitute the entire agreement between the parties and supersede all prior and contemporaneous, oral or written agreements or understandings of the parties relating to the subject matter of this Agreement. However, nothing in this Agreement or any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

INCENTIVES ADDENDUM TO DEVELOPMENT AGREEMENT

**2025 INCENTIVES AMENDMENT
TO THE SONIC DEVELOPMENT AGREEMENT**

This Incentives Amendment to the Development Agreement (the “Amendment”) is made and entered into on _____ (the “Effective Date”), by and between SONIC FRANCHISING LLC (“we,” “us,” or “our”) and _____ (“you” or “your”).

BACKGROUND

A. [Note: Only include this recital if the parties are signing a **new** Number 25 Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are signing that certain Number 25 Development Agreement dated as of the date hereof (the “Development Agreement”) granting you the right to develop multiple Sonic Restaurants in the Development Area (the “New Commitments” or “Incentive Commitments”). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

B. [Note: Only include this recital if the parties are **amending an existing** Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are amending that certain Sonic® Development Agreement dated _____ (as amended, the “Development Agreement”) granting you the right to develop new, additional Sonic Restaurants in the Development Area (each a “New Commitment” and collectively, the “New Commitments”). You understand that the terms of this Amendment will apply to all New Commitments and any Sonic Restaurant(s) you agreed to develop before entering into this Amendment but have not opened as of the date you sign this Amendment (collectively, the “Incentive Commitments”). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

C. Before developing and operating each Incentive Commitment that you agree to open under the Development Agreement, you must sign the then-current form of Franchise Agreement (each a “Franchise Agreement” and, collectively, the “Franchise Agreements”).

D. We and you are signing this Amendment because we have committed, upon the satisfaction of certain conditions, to modify certain requirements under each Franchise Agreement you signed in connection with the Development Agreement to reflect incentives we currently offer or previously offered.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises contained herein and in the Development Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Application of Amendment.** We and you are signing this Amendment because we and you are signing or amending the Development Agreement on or before March 31, 2026 and the Incentive Commitments you agreed to develop under the Development Agreement may be eligible

for one or more incentive programs described in this Amendment. Therefore, notwithstanding any terms in the Development Agreement to the contrary, if you meet the applicable incentive program conditions, then we agree that the Franchise Agreement(s) that we and you sign for certain Restaurant(s) developed under the Development Agreement will reflect the terms of the applicable incentive programs described in this Amendment.

2. **New Restaurant Opening Incentive.** *[Note: Only include if the franchisee qualifies for the NRO Incentive]* Because we and you are signing this Amendment before March 31, 2026 to develop two to four New Commitments, each Incentive Commitment you agree to develop under the Development Schedule will receive the benefits of our “New Restaurant Opening” or “NRO” incentive program, if (a) you and your affiliates are in substantial compliance with the Development Agreement and each other agreement between us and you or your affiliates, including the applicable Franchise Agreement, (b) you open and begin operating that Restaurant in compliance with the Development Agreement and the applicable Franchise Agreement on or before the deadline in the Development Schedule (the “Applicable Opening Deadline”), (c) you provide to us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spend in various categories relating to the development and opening of that Restaurant within 120 days after the Restaurant first opens for business, and (d) you build that Restaurant in the design, to the specifications, and at the location approved by us in compliance with the Development Agreement and the applicable Franchise Agreement, then you will receive the benefits of the New Restaurant Opening incentive program described in this Section. If you fail to satisfy any of the conditions listed in (a) through (d) above, the New Restaurant Opening incentive program will not apply to the Restaurant(s). If you meet the requirements of the New Restaurant Opening incentive program, then under the applicable Franchise Agreement:

- a. The royalty fee will be amended as set forth below:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 1	1%
Year 2	1.5%
Year 3	2%
Year 4	2.5%
Year 5 through remainder of the term	5%

[Note: Include this paragraph for new Development Agreements only] For each of the first and second Franchise Agreements that are executed for a New Commitment in accordance with the Development Agreement, and if that Traditional Restaurant opens and being operating in compliance with the Development Agreement, but no later than December 31, 2028, then you must submit to us a report, in the format we reasonably specify, detailing that Restaurant’s trailing-twelve-months’ Gross Sales data (the “Gross Sales Report”) no later than sixty (60) days after the third (3rd) annual anniversary of the date you actually open and commence operations of the applicable Restaurant. If the Gross Sales Report demonstrates that the Traditional Restaurant collected less than \$1,400,000 during the twelve-month (12-month) reporting period, then you must

(i) use your good faith efforts to increase your Gross Sales, and (ii) submit to us an updated Gross Sales Report (the “Updated Gross Sales Report”) no later than sixty (60) days after the fourth (4th) annual anniversary of the date you actually opened and commenced operations of the Traditional Restaurant. If (x) you have complied with the conditions in (i) and (ii) above, and are and throughout the term have been in substantial compliance with the Franchise Agreement, and (y) the Updated Gross Sales Report demonstrates that the Traditional Restaurant collected less than \$1,400,000 during that subsequent twelve-month (12-month) reporting period, then the royalty fee will be further amended as set forth below:

Duration of Effective Royalty Fee	Effective Royalty Fee
Year 5 through Year 8	2.5%
Year 8 through remainder of the term	5% of Gross Sales

b. The SMF Contribution will be amended as set forth below:

Duration of Effective SMF Contribution Rate	Effective SMF Contribution Rate
Opening through Year 5	50% off the Standard Rate
Year 6 through Remainder of the term	Standard Rate

During these years, we will also collect an additional 0.5% of Gross Sales and pay that amount to your cooperative. The cooperative for your Restaurant’s market might also require you to contribute additional amounts, either directly or through our collections.

3. **Drive-Thru Only, End Cap, & Inline Incentive.** [Note: Only include if the franchisee qualifies for the Drive-Thru Only Incentive] Because we and you are signing this Amendment before March 31, 2026 to develop one or more New Commitments, each Incentive Commitment you develop under the Development Schedule at drive-thru only, end cap or inline locations, and for which we have not yet approved the site package as of March 27, 2025, will receive the benefits of our “Drive-Thru Only Incentive” program if (a) when you open the DTO Incentive Restaurant, you and your affiliates are in substantial compliance with the Development Agreement and each other agreement between us and you or your affiliates, including the applicable Franchise Agreement, (b) you open and begin operating that Restaurant at an Eligible Location in compliance with the Development Agreement and the applicable Franchise Agreement on or before the deadline in the Development Schedule, but no later than December 31, 2027, (c) you provide to us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spend in various categories relating to the development and opening of that Restaurant within 120 days after the Restaurant first opens for business, and (d) you build that Restaurant in the design, to the specifications, and at the location approved by us in compliance with the Development Agreement and the applicable Franchise Agreement, then we will pay to you \$50,000 after the Restaurant opens.

Under this Amendment, a “DTO Incentive Restaurant” means a Sonic® restaurant located at a Drive-Thru Only Location or a Restaurant located within an endcap or inline location. A “Drive-

Thru Only Location” is any permanent Sonic Restaurant facility (other than a Non-Drive-In Location or Non-Traditional Location) that is a free-standing building devoted solely to operating the Sonic Restaurant from a drive-thru only facility and does not have drive-in, drive-up, dine-in, or carry out capabilities (except for any orders through the Sonic® mobile ordering app or third party delivery apps).

4. **Pioneer Incentive.** *[Note: Only include this provision if this Amendment is being sign in connection with the first person developing two or more restaurants in the District of Columbia, Maine, New Hampshire, or Vermont]* Because we and you are signing this Amendment before March 31, 2026 to develop two or more New Commitments that will be located within District of Columbia, Maine, New Hampshire, or Vermont (the “Pioneer Incentive Territory”), each New Commitment you develop under the Development Schedule and located within the Pioneer Incentive Territory will receive the benefits of our “Pioneer Incentive” program, if you (a) when you open the Restaurant, you and your affiliates are in substantial compliance with the Franchise Agreement and each other agreement between us and you or your affiliates, including the Development Agreement, (b) open and begin operating that Restaurant in the Pioneer Incentive Territory in accordance with the Development Agreement and the applicable Franchise Agreement on or before the deadline in the Development Schedule, (c) provide to us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spend in various categories relating to the development and opening of that Restaurant within 120 days after the Restaurant first opens for business, and (d) build that Restaurant in the design, to the specifications, and at the location approved by us in accordance with the Development Agreement and the applicable Franchise Agreement. If you fail to satisfy any of the conditions listed in (a) through (d) above, the Pioneer Incentive program will not apply to the Restaurant(s). If you meet the requirements of the Pioneer Incentive program for the first and/or second New Commitment you open in the Pioneer Incentive Territory, then we agree to credit an amount equal to \$50,000 towards the royalty fees owed under the Franchise Agreement for that New Commitment.

5. **Early Opening Incentive.** If you meet the requirements of the New Restaurant Opening set forth above, then for each Franchise Agreement that is executed for an Incentive Commitment in compliance with the Development Agreement, and you open and begin operating the Restaurant in compliance with the Franchise Agreement before the Applicable Opening Deadline, then the royalty fee will be zero percent (0%) from the date you open the Restaurant until the Applicable Opening Deadline (not to exceed twelve (12) months), then the applicable royalty rate shall apply. If you open the Restaurant on or after the Applicable Opening Deadline, the Early Opening Incentive described in this Section will not apply to the Restaurant.

6. **VetFran Program.** *[Note: Only include if the Developer or its owner(s) qualify for the VetFran Program.]* Because we and you are signing this Amendment before March 31, 2026 and you are a veteran or returning service member who has not previously signed, or had an affiliate that signed, a Development Agreement or Franchise Agreement with us and who qualifies and signs the Development Agreement to develop two or more New Commitments, each New Commitment you develop under the Development Schedule will receive the benefits of our “VetFran Program” incentive if (a) you and your affiliates are in substantial compliance with the Development Agreement and each other agreement between us and you or your affiliates, including the applicable Franchise Agreement, (b) you open and begin operating that Restaurant

in compliance with the applicable Franchise Agreement on or before the deadline in the Development Schedule, (c) you provide to us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spend in various categories relating to the development and opening of that Restaurant within 120 days after the Restaurant first opens for business, and (d) you build that Restaurant in the design, to the specifications, and at the location approved by us in compliance with the development agreement and the applicable Franchise Agreement. If you satisfy the conditions in (a) through (d) above, we will credit an amount equal to \$10,000 towards the royalty fees owed under each Franchise Agreement signed in connection with the Development Agreement, up to \$100,000 in total. If you fail to satisfy any of the conditions listed in (a) through (d) above, the VetFran Program will not apply to the Restaurant(s).

7. **Miscellaneous.** The Background is incorporated into this Amendment by this reference. This Amendment is an amendment to, and forms a part of, the Development Agreement. If there is an inconsistency between this Amendment and the Development Agreement, the terms of this Amendment shall control. This Amendment, together with the Development Agreement, constitutes the entire agreement among the Parties hereto, and there are no other oral or written representations, understandings or agreements among them, relating to the subject matter of this Amendment. Except as specifically provided in this Amendment, all of the terms, conditions and provisions of the Development Agreement will remain in full force and effect as originally written and signed.

2. Use of Confidential Information. In consideration of the Parties’ willingness to disclose the Confidential Information to each other, the Parties shall use the Confidential Information solely for the Purpose and shall not copy the Confidential Information regardless of media except as reasonably necessary to accomplish the Purpose. Because of the confidential and proprietary nature of the Confidential Information, the Parties acknowledge that any breach of the confidentiality provisions of this Agreement would cause irreparable harm and, therefore, the Parties shall have the right to seek and obtain injunctive and other equitable relief prohibiting the violation or threatened violation of this Agreement. For purposes of this Agreement, the Parties and their respective subsidiaries and affiliates may enforce this Agreement to the same extent as the Parties.

Independent Auditors' Report

The Board of Managers and Member
Sonic Franchising LLC:

Opinion

We have audited the financial statements of Sonic Franchising LLC (the Company), which comprise the balance sheets as of December 29, 2024 and December 31, 2023, and the related statements of income, member's equity, and cash flows for each of the fiscal years in the three-year period ended December 29, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 29, 2024 and December 31, 2023, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 29, 2024, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF BUSINESS

Sonic Franchising LLC (the "Company") is a single-member limited liability company established on March 23, 2011. The Company's sole owner is Sonic Capital LLC (the "Parent"), which is an indirect wholly-owned subsidiary of Sonic LLC. Sonic LLC is an indirect wholly-owned subsidiary of Sonic Holding Company ("Sonic"). Sonic is a direct wholly-owned subsidiary of IRB Holding Corp., which is an indirect wholly-owned subsidiary of Inspire Brands, Inc. ("Inspire"), the ultimate parent. The Company has material transactions with the Parent, Sonic, Inspire and subsidiaries of each (collectively, the "Affiliate").

The Company franchises a chain of quick-service restaurants in the United States ("U.S"). Revenues are derived primarily from royalties from Sonic franchisees and Affiliate license agreements entered into after May 20, 2011.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31 and are referred to herein as (1) "the year ended December 29, 2024" or "2024," (2) "the year ended December 31, 2023" or "2023" and (3) "the year ended January 1, 2023" or "2022." The years 2024, 2023, and 2022 consisted of 52 weeks.

Restricted Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 29, 2024 and December 31, 2023, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

Restricted cash and cash equivalents primarily consist of cash held to meet certain reserve requirements in conjunction with the securitization transactions as described in Note 5.

Accounts Receivable, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements. These receivables from franchisees are generally due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts receivable, net" on the accompanying balance sheets. The Company monitors accounts receivable and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

SONIC FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS
(In thousands)

Intangible Assets, net

The Company's intangible assets subject to amortization consist of franchise agreements. These assets are amortized on a straight-line basis.

The Company reviews definite-lived intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the related asset groups may not be recoverable. If such reviews indicate the intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

During the years ended December 29, 2024, December 31, 2023, and January 1, 2023, the Company determined no impairment was indicated for its intangible assets.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

The Company's franchisees and Affiliates pay royalties based on a percentage of sales. Royalties are recognized as revenue when they are earned. Franchise Drive-In openings typically occur as a result of existing development agreements. Each development agreement gives a developer the exclusive right to construct, own and operate Sonic Drive-Ins within a defined area. In exchange, each developer agrees to open a minimum number of Sonic Drive-Ins in the area within a prescribed time period. Franchisees who enter into development agreements typically pay a fee, which is credited against the initial franchise fees due when Sonic Drive-Ins are opened. The initial franchise fees are paid for services provided relating to the sale of the franchise license. These fees are deferred and recognized as revenue on a straight-line basis over the term of each respective franchise agreement. Any unamortized portion of the initial franchise fee will be presented in the accompanying balance sheets as "Current deferred revenue" and "Noncurrent deferred revenue."

Income Taxes

The Company is a single-member limited liability company which has not elected to be taxed as an association, and consequently, is not subject to U.S. federal and state income taxes. Federal and state income taxes are the responsibility of the Parent. Therefore, no U.S. or state income taxes or deferred tax assets or liabilities have been recorded in the financial statements.

SONIC FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS
(In thousands)

Fair Value Measurements

The Company's financial instruments include "Restricted cash and cash equivalents" and "Accounts receivable, net". The fair value of "Restricted cash and cash equivalents" and "Accounts receivable, net" approximate book value due to their short-term nature. Asset groups containing other definite-lived assets are tested for impairment if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2024.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the statements of member's equity and on a net basis as a financing activity on the statements of cash flows.

3. INTANGIBLE ASSETS, NET

The carrying value of the Company's intangible assets consists of the following:

		2024			2023		
		Gross Carrying Amount	Accumulated Amortization	Net	Gross Carrying Amount	Accumulated Amortization	Net

4. REVENUE RECOGNITION

As of December 29, 2024, December 31, 2023 and January 1, 2023, contract liabilities (included within "Current deferred revenue" and "Noncurrent deferred revenue" in the accompanying balance sheets) were \$5.9 million, \$5.5 million and \$6.0 million, respectively. Deferred revenue primarily represents the Company's remaining performance obligations under its franchise and license agreements for which consideration has been received or is receivable, and is generally recognized on a straight-line basis over the remaining term of the related agreement. The Company recognized \$1.3 million, \$1.0 million and \$1.0 million of revenues associated with prior year deferred franchise fees for the fiscal years ended December 29, 2024, December 31, 2023 and January 1, 2023, respectively, offset by cash payments received or due in advance of satisfying our performance obligations.

The following table reflects the estimated franchise fees to be recognized in the future related to performance obligations that are unsatisfied at the end of the period:

Fiscal Year <i>(dollars in thousands)</i>	Total

5. COMMITMENTS AND CONTINGENCIES

Securitization Notes

The Parent and certain of its subsidiaries (the "Sonic Co-Issuers"), through a series of securitization transactions, have issued fixed rate senior secured notes, including the 2020-1 Class A-2 I Senior Secured Fixed Rate Notes and 2020-1 Class A-2 II Senior Secured Fixed Rate Notes (together the "2020 Fixed Rate Notes"), the 2021-1 Class A-2-I Senior Secured Fixed Rate Notes and 2021-1 Class A-2-II Senior Secured Fixed Rate Notes (together the "2021 Fixed Rate Notes"), and variable funding notes (the "2020 Sonic Variable Funding Notes"), collectively referred to as the "Sonic Securitization Notes."

The 2020 Sonic Variable Funding Notes allow for the issuance of up to \$25.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$25.0 million, in support of various Sonic subsidiary obligations. The Sonic Co-Issuers and the Company hold substantially all of Sonic's franchising assets and real estate. The Sonic Securitization Notes are secured by franchise fees, royalty payments and lease payments, and the repayments of the Sonic Securitization Notes are expected to be made solely from the income derived from the Sonic Co-Issuers' assets. In addition, the Company has guaranteed the obligations of the Sonic Co-Issuers under the Sonic Securitization Notes through the maturity dates of January 2050 and August 2051 for the 2020 Fixed Rate Notes and 2021 Fixed Rate Notes, respectively, and pledged substantially all its assets to secure those obligations.

As of December 29, 2024, approximately \$1,417.3 million was outstanding under the Sonic Securitization Notes. As of December 29, 2024, the Co-Issuers had no outstanding borrowings under the Sonic 2020 Variable Funding Notes, exclusive of \$12.5 million of outstanding letters of credit. As of December 29, 2024, there was \$12.5 million of remaining capacity for future borrowings.

Legal Matters

The Company is involved in various litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its financial position, results of operations or cash flows.

6. RELATED-PARTY TRANSACTIONS

The Company licenses certain Sonic trademarks and trade names from an Affiliate. License fees charged to the Company by the Affiliate, which are based primarily on royalty fees collected by the Company, are included in “Royalty fees to Affiliates” in the accompanying Statements of Income. As a result of this related party licensing transaction, results of operations of the Company may not be indicative of those that would have been achieved had the Company operated on a stand-alone basis.

7. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the balance sheet date through March 20, 2025, the date at which the financial statements were available to be issued, and there are no items to disclose or that require adjustment.

Independent Auditors' Report

The Member
Sonic Industries Services LLC:

Opinion

We have audited the consolidated financial statements of Sonic Industries Services LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 29, 2024 and December 31, 2023, and the related consolidated statements of income, equity, and cash flows for each of the fiscal years in the three-year period ended December 29, 2024, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 29, 2024 and December 31, 2023, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 29, 2024, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SONIC INDUSTRIES SERVICES LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. DESCRIPTION OF BUSINESS

Organization and Operations

Sonic Industries Services LLC, formerly known as Sonic Industries Services Inc., (collectively, with its subsidiaries, the "Company") is a direct wholly-owned subsidiary of Sonic LLC and an indirect wholly-owned subsidiary of Sonic Holding Company ("Sonic" or "Parent"). Sonic is a direct wholly-owned subsidiary of IRB Holding Corp. ("IRB") which is an indirect wholly-owned subsidiary of Inspire Brands, Inc. ("Inspire"), the ultimate parent. The Company has material transactions with Sonic, Inspire and subsidiaries of both ("Affiliates").

On December 31, 2022 the Company was converted from a corporation into a limited liability company. At the time of the conversion, all authorized and outstanding common shares were converted to membership units in the limited liability company, which in the aggregate constitutes all of the outstanding limited liability company interests as of the years ended December 31, 2023 and December 29, 2024.

The Company provides franchising services to a chain of quick-service restaurants in the United States ("U.S."). Revenues are derived primarily from royalty fees from franchisees and Affiliates. The Company also leases real estate to franchisees and Affiliates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). All intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates in the Preparation of the Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31 and are referred to herein as (1) "the year ended December 29, 2024" or "2024," (2) "the year ended December 31, 2023" or "2023" and (3) "the year ended January 1, 2023" or "2022." The years 2024, 2023, and 2022 consisted of 52 weeks.

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 29, 2024 and December 31, 2023, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

The Company holds restricted cash which primarily represents interest, principal, and commitment fee reserves related to the Company's notes. In accordance with the Company's securitized financing facilities, certain cash balances are required to be held for the benefit of the noteholders and are restricted in their use.

SONIC INDUSTRIES SERVICES LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Accounts Receivable, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements. These receivables from franchisees are generally due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts receivable, net" on the consolidated balance sheets. The Company monitors accounts receivable and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Property and Equipment, net

"Property and equipment, net" are stated at cost, including internal costs of employees to the extent such employees are dedicated to specific restaurant construction projects, less accumulated depreciation and amortization. Depreciation of property and equipment is computed on the straight-line basis using estimated useful lives of the related major classes of property and equipment. Estimated useful lives are 3 to 15 years for office and restaurant equipment, 3 to 5 years for transportation equipment, 7 to 40 years for buildings and 7 to 25 years for site improvements. Finance lease assets and leasehold improvements are amortized and depreciated over the shorter of the estimated useful lives or the terms of the respective leases.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed. The Company tests goodwill by reporting unit for impairment annually, as of the first day of the fiscal fourth quarter, or more frequently if events or changes in circumstances indicate that it may be impaired.

The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, the Company performs a quantitative impairment test of goodwill. The Company estimates the fair value of the reporting unit using an income approach through a discounted cash flow analysis using unobservable inputs (Level 3) and relevant data from the guideline transaction approach and guideline public companies market approach (Level 3). Significant assumptions and estimates used in determining fair value include future revenues and cash flows, terminal value, a discount rate that approximates the reporting unit's weighted average cost of capital and a selection of multiples for comparable publicly traded companies as guidelines for determining fair value under the market approach.

During 2024, 2023 and 2022, the Company completed its impairment test for goodwill and no impairment was indicated.

Indefinite-lived Intangibles and Other Definite-lived Assets

Indefinite-lived Intangible Asset

The Company reviews its indefinite-lived intangible asset for impairment at least annually during the fourth quarter and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method to determine the fair value of its trademark/trade name. Significant assumptions and estimates used in determining fair value include future revenues, royalty rate, terminal value, and discount rate.

During the years 2024, 2023 and 2022, the Company determined no impairment was indicated for its indefinite-lived intangible asset.

SONIC INDUSTRIES SERVICES LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Definite-lived Assets

Definite-lived intangible assets are amortized on a straight-line basis using estimated useful lives of the related classes of intangible assets. The Company reviews definite-lived intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the related asset groups may not be recoverable. If such reviews indicate the intangible asset may not be recoverable, an impairment loss would be recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company reviews property and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows we expect to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

During the years 2024, 2023 and 2022, the Company determined no impairment was indicated for its intangible and other definite-lived assets.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Franchise fees and royalty revenues

The Company's franchisees and Affiliates pay royalties based on a percentage of sales. Royalties are recognized as revenue when they are earned. Franchise Drive-In openings typically occur as a result of existing development agreements. Each development agreement gives a developer the exclusive right to construct, own and operate Sonic Drive-Ins within a defined area. In exchange, each developer agrees to open a minimum number of Sonic Drive-Ins in the area within a prescribed time period. Franchisees who enter into development agreements typically pay a fee, which is credited against the initial franchise fees due when Sonic Drive-Ins are opened. The initial franchise fees are paid for services provided relating to the sale of the franchise license. These fees are deferred and recognized as revenue on a straight-line basis over the term of each respective franchise agreement. Any unamortized portion of the initial franchise fee is presented in the consolidated balance sheets as "Current portion of deferred revenue" and "Noncurrent deferred revenue."

Rental income

Rental income from real estate the Company owns and leases to others, including rental income from Affiliates, is recognized on a straight-line basis over the respective operating lease terms. Rental income for base rentals is recognized on a straight-line basis over the respective lease terms. The differences between the straight-line rent amounts and amounts receivable under lease contracts are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are achieved. Deferred variable lease receipts are reported as "Current portion of deferred revenue" in the accompanying consolidated balance sheets.

Income Taxes

The Company is included in the consolidated U.S. federal and certain state income tax returns of Inspire. The Company had prepared its income tax provision under the pro rata method by recording the Company's relative contribution to the Inspire consolidated income tax provision. The Company was a party to a formal tax sharing agreement between Inspire and certain of its subsidiaries (the "Tax Sharing Agreement"). The Company made tax payments directly to certain state governmental jurisdictions for only itself. Differences between the Company's income tax provision and income taxes pursuant to the terms of the Company's Tax Sharing Agreement had been recognized as contributions from and distributions to Parent. Current amounts due to or from Inspire or affiliates were included in "Other current liabilities" or "Prepaid expenses and other current assets," respectively.

SONIC INDUSTRIES SERVICES LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Deferred tax assets and liabilities were recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities were measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences were expected to be recovered or settled. The effect on deferred tax assets and liabilities from a change in tax rates was recognized in income in the period that includes the enactment date.

The threshold for recognizing the financial statement effects of a tax position was when it is more likely than not, based on the technical merits, that the position will be sustained upon examination by a taxing authority. Recognized tax positions were initially and subsequently measured as the largest amount of tax benefit that is more likely than not to be realized upon ultimate settlement with a taxing authority. Interest and penalties related to unrecognized tax benefits were included in income tax expense.

The Company is a single-member limited liability company which has not elected to be taxed as an association, and consequently, is not subject to U.S. federal and state income taxes. Federal and state income taxes are the responsibility of the Parent. Beginning in 2023, Inspire elected not to allocate tax expense to the Company except for amounts related to a subsidiary of the Company that was regarded by tax authorities. As a result of the change in tax status of this subsidiary as of December 31, 2023, no deferred tax assets or liabilities have been recorded in the consolidated financial statements for the Company.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" and are amortized as interest expense over the term of the related debt using the effective interest method.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid.

The Company presents contributions from and distributions to Parent on a net basis on the accompanying consolidated statements of equity. Prior to the Company's conversion from a corporation into a limited liability company, the net distributions in a year were first recorded to "Retained earnings", if any, until the cumulative retained earnings balance was reduced to zero. Any remaining distributions in a year were then recorded to "Additional paid-in capital," if any, until the cumulative "Additional paid-in capital" balance was reduced to zero, and were then subsequently recorded to "Accumulated deficit." The net contributions in a year were recorded to "Additional paid-in capital." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating, sales-type or direct financing lease where the Company is a lessor or sublessor, based on their terms.

For operating leases, minimum lease receipts, including minimum scheduled rent increases, are recognized as income where the Company is a lessor on a straight-line basis over the applicable lease terms. Certain leases contain provisions, referred to as "Contingent rent", that require additional rental payments based upon restaurant sales volume. Contingent rent is recognized each period as the income is earned.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation and amortization, interest and rent expense and income reported would vary if different estimates and assumptions were used.

SONIC INDUSTRIES SERVICES LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Amounts of finance leases are recognized based on the present value of future unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation and amortization,," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense." Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Fair Value Measurements

The Company's financial instruments include cash, cash equivalents, restricted cash, accounts receivable, note receivable, accounts payable, and long-term debt. The fair value of cash, cash equivalents, restricted cash, accounts receivable, note receivable and accounts payable approximates book value due to their short-term nature. The carrying values of goodwill and indefinite-lived intangible assets are tested annually for impairment or more frequently if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs (Level 3) if a quantitative impairment testing approach is taken. Asset groups containing other definite-lived assets are tested for impairment if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2024.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's consolidated financial statements when adoption is required in the future.

- (b) In November 2024, the anticipated repayment date of the 2020-1 Class A-1 Senior Variable Funding Notes ("2020 Sonic Variable Funding Notes") was extended from January 2025 to January 2030 with two one-year extension options available.
- (c) The 2020 Sonic Variable Funding Notes bear interest at per annum rates equal to a funding cost or index plus 2.00%. The 2020 Sonic Variable Funding Notes are subject to certain commitment fees of 0.50% based on utilization.

The Sonic Co-Issuers and Sonic Franchising LLC (the "Sonic Guarantor") are existing special purpose, bankruptcy-remote, subsidiaries and affiliates of the Company that hold substantially all of Sonic's franchising assets and real estate. The Sonic Securitization Notes are secured by franchise fees, royalty payments and lease payments, and the repayments of the Sonic Securitization Notes are expected to be made solely from the income derived from the Sonic Co-Issuers' assets. In addition, the Sonic Guarantor, a subsidiary of the Company that acts as a franchisor, has guaranteed the obligations of the Sonic Co-Issuers under the Sonic Securitization Notes and pledged substantially all its assets to secure those obligations.

Interest on the Sonic Securitization Notes is payable on a monthly basis.

The 2020 Sonic Variable Funding Notes allow for the issuance of up to \$25.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$25.0 million, in support of various Sonic subsidiary obligations. As of December 29, 2024, the Company had no outstanding borrowings under the 2020 Sonic Variable Funding Notes, exclusive of \$12.5 million of outstanding letters of credit. As of December 29, 2024, there was \$12.5 million of remaining capacity for future borrowings.

The Sonic Securitization Notes are subject to a series of covenants and restrictions customary for transactions of this type. If certain covenants or restrictions are not met, the Sonic Securitization Notes are subject to customary accelerated repayment events and events of default. Although the Company does not anticipate an event of default or any other event of noncompliance with the provisions of the debt, if such event occurred, the unpaid amounts outstanding could become immediately due and payable. As of December 29, 2024, the Company was in compliance with all debt covenant requirements.

6. LEASES

The Company's leasing operations consist principally of leasing certain land and buildings to Affiliates and franchisees. These leases are classified as operating leases and expire over the next 8 years. The leases provide for either a fixed monthly payment or the payment of a fixed percentage or tiered percentage ranging from 5% - 8% of the monthly gross sales resulting from the operation of the Affiliate-owned drive-ins on leased property. Rental and sublease income relating to variable lease payments was \$8.3 million, \$8.4 million and \$7.8 million for the years ended December 29, 2024, December 31, 2023 and January 1, 2023, respectively.
