What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration only in Minnesota. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in Minnesota than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Minimum Payments.** You must make minimum advertising, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “Winmark” or “we” means Winmark Corporation, the franchisor. “You” means the person who buys the franchise. If the Franchisee is a corporation, partnership, or other entity, “you” may also refer to its owners.

Winmark was incorporated under the laws of the State of Minnesota on July 20, 1988 under the name “Play It Again Sports Franchise Corporation.” In July 1993, Winmark’s corporate name was changed from “Play It Again Sports Franchise Corporation” to “Grow Biz International, Inc.” In November 2001, our corporate name was changed from “Grow Biz International, Inc.” to “Winmark Corporation.” Winmark’s principal business address is 605 Highway 169 N, Suite 400, Minneapolis, Minnesota 55441; our telephone number is (763) 520-8500. Winmark conducts business under the name Once Upon A Child®. Winmark also conducts business in 4 other separate lines of businesses under the names Play It Again Sports®, Music Go Round®, Plato’s Closet® and Style Encore® (see Item 1 below).

Winmark has no parent. Winmark has no predecessors that must be disclosed in this Item 1. Winmark’s affiliate is Winmark Capital Corporation. Winmark Capital Corporation was incorporated in Minnesota on April 2, 2004, for the purpose of equipment leasing to other businesses. The principal business address of Winmark Capital Corporation is 605 Highway 169 N, Suite 400, Minneapolis, Minnesota 55441. Winmark Capital Corporation is not involved in the offer or sale of franchises.

Winmark’s agents for service of process are disclosed in Exhibit G.

Franchise Offered.

Winmark franchises Once Upon A Child® retail stores (sometimes referred to as a “Store”) under the terms of the Franchise Agreement in the form included in this disclosure document as Exhibit D (the “Franchise Agreement”). A Once Upon A Child® Store is a retail store from which you will sell quality used and new children’s apparel, toys, equipment, furniture and accessories. A Once Upon A Child® franchise emphasizes consumer value by offering quality used merchandise at substantial savings from the price of new merchandise and by purchasing customers’ used goods that have been outgrown or are no longer used. A Store also offers new merchandise to supplement the selection of used goods.

The market for the goods and services which you will offer includes families with children and, to some extent, grandparents, relatives and friends purchasing children’s apparel, toys, equipment, furniture and accessories. The market for used children’s apparel, toys, equipment and furniture is expanding as consumers recognize the value associated with these

used items. The market for new children's apparel, toys, equipment, furniture and accessories is well-developed and competitive.

Winmark has developed a marketing system which creates a certain product image in the minds of customers, a business strategy for getting and keeping customers, and a distribution method for products and services. Winmark has developed all of these as part of the business system (the "Business System") which you will receive the right to use. Winmark uses and licenses certain service marks and trademarks, logos, trade dress and other commercial symbols, including the service mark Once Upon A Child® (collectively, the "Trademarks"). Winmark may, in the future, modify the Trademarks as well as add new trademarks, service marks, logos, trade dress and other commercial symbols.

The purchase of a Once Upon A Child® franchise permits you: (i) to use Winmark's nationally recognized Trademarks; (ii) to obtain access to the distinctive operational and management attributes of the Once Upon A Child® Business System, including confidential manuals describing complete guidelines for the operation of a Store (the "Manuals"); (iii) the right, under certain conditions, to participate in Winmark's preferred vendor program (see Item 8); and (iv) to receive the benefits of association with a nationally recognized franchise system, including various forms of opening and operational assistance from Winmark (see Item 11). You must comply with all of Winmark's requirements described in the Franchise Agreement and the Manuals. This compliance assures uniform and consistent application of the Business System which is essential to the successful operation of your Store.

If you are an existing Once Upon A Child® franchisee or an existing franchisee of one of Winmark's other brands in good standing, have been a franchisee of Winmark for at least 12 months and are opening an additional store, you must sign the Additional Store Addendum attached to the Franchise Agreement. Under special circumstances, Winmark may, at our sole discretion, waive the 12 month requirement.

Laws and Regulations.

You must comply with all laws, rules and regulations governing the operation of the Store, and obtain all permits and licenses necessary to operate the Store (including licenses to play music, videos or television in your Store, if applicable). In addition to laws and regulations that apply to businesses generally, your Store may be subject to local statutes or regulations that generally govern second-hand dealers and pawn shops. If applicable, these statutes and regulations may require that you report purchases of used merchandise, hold purchased items for a specified period before selling them and post a surety bond with a local government unit. You should check with state and local government entities to find out if these types of statutes or regulations will apply to your franchise. In addition, the Consumer Product Safety Commission closely monitors the safety of many of the items you will sell in your Store. Your Store will also be subject to various federal, state and local government regulations, including those relating to site location.

Competition.

You will likely compete with other children's resale shops, thrift and consignment shops, garage sales and Internet websites in the used children's apparel, toy, equipment, furniture and accessory segment of this business. Winmark and its franchisees are facing increased competition as additional competitors enter the used children's apparel, toy, equipment, furniture and accessory market.

You will face a significant number of direct competitors in the new children's apparel, toy, equipment, furniture and accessory segment of this business. You will have to compete with retailers, particularly discount stores, selling new children's apparel, toys, equipment, furniture and accessories. In addition, you will likely face increased competition from children's superstores offering similar children's articles. Several competitors are regional or national retail systems of children's apparel, toys, equipment, furniture and accessories, and some will have significantly greater financial resources than Winmark and you.

Franchise Activities.

Winmark's business includes the administration of its franchise system (see Item 11), the operation of 4 other franchise systems (described below).

Winmark has offered Once Upon A Child® franchises since January 1993 and operated one or more Once Upon A Child® Store from February 1993 to December 2005. Winmark also offers franchises in 4 other lines of businesses. Winmark offers franchises for the operation of Play It Again Sports® retail stores which sell used and new sporting goods equipment and accessories. Winmark has offered Play It Again Sports® franchises since August 1988 and, as of December 28, 2024, 302 Play It Again Sports® franchised stores were in operation. In addition, Winmark offers franchises for the operation of Music Go Round® retail stores which sell quality used and new musical instruments, speakers, amplifiers, music related electronics and related accessories. Winmark has offered Music Go Round® franchises since March 1994 and, as of December 28, 2024, 34 Music Go Round® franchised stores were in operation. Winmark also offers franchises for the operation of Plato's Closet® retail stores which sell used and new teen and young adult clothing and accessories. Winmark has offered Plato's Closet® franchises since March 1999 and, as of December 28, 2024, 515 Plato's Closet® franchised stores were in operation. Winmark offers franchises for the operation of Style Encore® retail stores which sell used and new women's and men's clothing and accessories. Winmark has offered Style Encore® franchises since April 2013 and, as of December 28, 2024, 69 Style Encore® franchised stores were in operation. Play It Again Sports®, Music Go Round®, Plato's Closet® and Style Encore® franchises are offered, if at all, in this state through separate disclosure documents describing Winmark and its franchise programs.

Winmark offered Disc Go Round® franchises (retail stores which sold used and new audio compact discs) from 1994 to 1998. Winmark offered It's About Games franchises (retail stores which sold used and new video and computer games) from 1997 to 1999. Winmark offered Computer Renaissance® franchises (retail stores which sold used and new personal computer hardware equipment, software and related accessories) from 1993 to 2000. Winmark

offered ReTool® franchises (retail stores which sold used and new tools and small engine machinery) from June 1998 to November 2001. Winmark also offered Wirth Business Credit® franchises (businesses that offered small-ticket equipment leasing and financing services) from October 2005 to February 2011. INITIAL FEES

You must pay to Winmark “Initial Fees” to cover the cost of goods and services that Winmark provides to you before your Store opens. The Initial Fees include the Initial Franchise Fee and the initial cost of Winmark’s point-of-sale system and proprietary software. Each component of the Initial Fees is described below:

Initial Franchise Fee. If you are opening a single Store, you must pay an “Initial Franchise Fee” of \$25,000 to Winmark. The Franchise Fee is \$15,000 if you are currently opening a second or subsequent Store or if you are an existing franchisee of one of Winmark’s other franchised concepts. You must sign a separate Franchise Agreement for each Store, and you must pay the Initial Franchise Fee for each Store in a lump sum to us when you sign the Franchise Agreement for that Store. The Initial Franchise Fee is non-refundable.

Point-of-Sale (POS) System. You must use in your Store the point-of-sale system (“POS System”) which Winmark has selected for your Business System, and you must enter into a Computer Software License Agreement with Winmark for use of Winmark’s proprietary software program (the “Proprietary Software”). The initial cost of the POS System and Proprietary Software will range from \$22,200 to \$29,500 for each Store, which includes a DRS Maintenance Fee. This amount is not refundable. You will generally purchase the POS System and Proprietary Software four weeks prior to the open to buy period. See Item 11 for additional information regarding the POS System and Proprietary Software.

The total amount for your Initial Fees will depend on the goods and services that Winmark provides to you.

Notes:

- (1) Except where otherwise noted, all fees are payable to Winmark, are uniformly imposed and are nonrefundable.
- (2) "Gross Sales" means the total revenues you receive from the sale of goods and services, whether by cash or by check, credit card or trade, in connection with the Store, less customer refunds and returns. Gross Sales includes any sales permitted through the Internet. Gross Sales do not include wholesale transactions from Once Upon A Child® franchisees to other Once Upon A Child® franchisees in good standing with Winmark. Gross Sales will not include sales tax collected from customers and actually paid to appropriate tax authorities.

In certain situations, other franchisees may be paying a lower percentage rate for continuing fees than you are. All new franchisees are required to pay the percentage rate stated in this disclosure document. However, a franchisee with an earlier Franchise Agreement may have been required to pay a lower percentage rate than the stated amount or may be required to pay less upon renewal of their Franchise Agreement. In the future, Winmark may change the continuing fees for new and renewing franchisees unless your Franchise Agreement specifically grants you the right to renew your Franchise Agreement at a lower rate.

- (3) Winmark requires you to allow us to withdraw continuing and other fees directly from your bank account.
- (4) Your initial payment will be prorated based on the effective date of your Franchise Agreement and invoiced immediately. Winmark may, with a minimum of 60 days' prior written notice, increase the yearly Marketing Fee. Said fee will not increase more than \$1,000 during the term of the Franchise Agreement.
- (5) Winmark or local Once Upon A Child® franchisees may establish an advertising cooperative in your area. The local advertising cooperative will establish the amount of cooperative advertising fees. If a Company-owned store is a member of your cooperative, it will have voting power equal to that of franchised stores. Company-owned stores will not have controlling voting power in any local cooperative. There are currently no Company-owned Once Upon A Child® stores.
- (6) To the extent your annual contributions to cooperative advertising programs are less than 5% of the Gross Sales for your Store, you must conduct additional advertising and

marketing activities in your local geographic area. Your local advertising activities, however, will not eliminate your obligations to contribute to cooperative advertising programs. If you do not spend at least 5% of Gross Sales for the calendar year for cooperative or local advertising, Winmark may require that you pay Winmark the difference between what you should have spent for advertising during the calendar year and what you actually spent, with the money to be spent on advertising initiatives in your market in the subsequent year at Winmark's discretion.

- (7) Winmark may, with 60 days' notice, increase your minimum advertising expenditures up to a total of 6% of your Store's Gross Sales. Of the 6%, up to one-third (or 2% of Gross Sales) will be paid in the form of an "Advertising Fee" to Winmark for deposit in an "Advertising Fund" to be managed by Winmark. The balance of the 6% minimum advertising requirement must be used for cooperative advertising and local advertising.
- (8) This fee is payable when the Franchise Agreement or substantial portion of the assets of the Store or any controlling interest in the franchisee is transferred.
- (9) This fee is for upgrades to the antivirus and data base engine software that supports the DRS software and is payable when you initially order your POS System and upon renewal of your Franchise Agreement.
- (10) As of the date of this Disclosure Document, Winmark does not charge a technology fee. Winmark may, however, with a minimum of 60 days prior written notice, establish a periodic technology fee for technology-related services provided by Winmark including, but not limited to, services related to Winmark's extranet platform, current and future training platforms, and current and future social and digital media management platforms. As Winmark does not charge a technology fee at this time, Winmark has not determined the frequency or amount of the fee (if established), but estimates that the amount of the fee will be between \$500 and \$2,500 per year, per Store. If a technology fee is established, Winmark will not increase the technology fee by more than 10% each year.
- (11) You must modernize your Store upon notice from Winmark, although Winmark cannot require you to do so more than once every 5 years. The modernization must conform to the standards that Winmark requires at that time for similarly situated new Once Upon A Child® Stores. The scope of modernization may range from simply repainting the Store to completely refurbishing the entire Store, including replacement of fixtures, sign supplies, equipment and POS System. Winmark cannot estimate the current costs for a modernization project because the scope and extent of the modernization will vary based on the then current brand standards, the condition of the Store and the cost of labor and materials at that time. You may make these payments in whole or in part to Winmark approved third parties and/or Winmark preferred vendors. Before you modernize your Store, you must submit your modernization plans to Winmark for our approval.
- (12) You will need to replenish your Store inventory (both new and used items) regularly. Your quarterly costs for inventory will vary significantly, depending on such factors as

seasonal changes in demand and your Store sales, although these costs generally range from \$65,000 to \$80,000.

Notes:

- (1) The typical size of a Once Upon A Child® Store ranges from 3,500 to 4,500 square feet. For several items discussed below, your cost will increase as the number of square feet increases.
- (2) Except where otherwise noted, all fees that you pay to Winmark are nonrefundable. Third-party lessors, contractors, and suppliers will decide if payments to them are refundable. Neither Winmark nor an affiliate finances any part of the initial investment. (See Item 10.)
- (3) The Initial Franchisee Fee for new Once Upon A Child® franchisees is \$25,000. The Initial Franchise Fee is \$15,000 for a second or subsequent store or for an existing franchisee of one of Winmark's other franchised concepts.
- (4) Your investment in fixtures and supplies necessary to operate the Store is highly variable. Your exact investment depends on several factors, including the size and condition of the premises, inventory levels, transportation costs, financing costs and similar factors beyond Winmark's or your control. The cost will increase as the number of square feet increases.
- (5) This item is for interior and exterior signs for the Store. All signs must meet Winmark's standards and comply with your landlord's requirements as well as any local government regulations. You must purchase all interior and exterior signs through Winmark's approved, preferred third-party suppliers.
- (6) We recommend that you purchase a security system that includes security cameras, motion detectors, entrance security and glass breakage detectors. You should purchase a minimum of 4 cameras depending on the size of your Store.
- (7) You must use in your Store the POS System which Winmark has selected for the Business System. (See Item 11.) You must obtain a license for the Proprietary Software from Winmark. The estimated amount includes the \$6,000 software license fee that you pay Winmark for the Proprietary Software. It also includes a \$1,000 DRS Maintenance Fee. It does not include sales tax and shipping costs. You must obtain the computer hardware components through Winmark.
- (8) You will need to lease the premises for your Store. Rent is addressed in Note 13 below. Typical locations for your Store are smaller free-standing locations and strip shopping malls. You will need to make certain leasehold improvements to the leased premises for your Store to comply with Winmark's approved plans and standards. The estimated cost of leasehold improvements could include: flooring, slat wall, lighting, and décor. The exact cost will depend upon several factors, including the condition of the premises, whether you elect to do more than the minimum required renovations, the landlord's agreement to reimburse you for certain improvements and other economic factors.

- (9) The build-out cost refers to the physical labor expense of building the store location to Winmark's approved brand standards. This may include installation of slat wall, wall standards, counter configuration, building store fixturation, installing flooring, painting, etc. The exact cost will depend upon several factors, including the condition of the premises, cost of contracting and permitting.
- (10) This amount includes utility and security deposits and business licenses. Deposits are generally refundable, but license fees are not.
- (11) This amount assumes your opening inventory will include both new and used children's apparel, toys, equipment, furniture and accessories. Winmark strongly recommends that you have a minimum inventory levels between \$14.45 and \$22.90 per square foot of retail selling space in inventory when you open your Store and encourages you to have a much larger amount of inventory. Winmark further recommends that 90% of the minimum recommended inventory be used inventory. This amount does not reflect amounts needed to replenish inventory during the initial stage of operation. Winmark may refuse to allow you to open your Store if you have less than \$65,000 in used inventory. The mix of inventory offered at your Store will be subject to seasonal changes. If you open your Store shortly before or during the high point of these seasonal changes (late spring, late summer and early fall), you should expect to experience additional inventory expenses during the initial stage of operation (beyond the opening inventory costs identified in the Table).
- (12) This amount includes lodging, meals and travel expenses for 2 persons attending the initial training program and the cost for participation in an online financial management course (currently \$395) during the initial training program (see Item 11), telephone and high-speed internet hook-up, legal expenses, initial financing costs, building permits, pre-opening and buy day labor expenses, pre-opening and buy day advertising expenses and website development costs.
- (13) This amount estimates the rent expense you will incur during the first 3 months of Store operations. Rent is estimated to be approximately \$70,000 to \$110,000 per year depending on factors such as size, condition and location of the leased premises. At times, franchisees are able to negotiate 2-4 months free rent with the landlord upon commencement of the lease. What you pay in rent will depend on local rental rates.
- (14) This amount estimates the expenses you will incur during the first 3 months of Store operations, including initial wages and fringe benefits, insurance premiums, advertising, taxes, office, paper and cleaning supplies, and interest payments on any business loans. It does not include inventory costs beyond the opening inventory costs identified in the Table and does not include your compensation during this 3-month period. Your costs will depend on factors such as how much you follow Winmark's systems and procedures, your management skills and experience, local economic conditions, the local market for Once Upon A Child® products, the prevailing wage rate, competition and the sales level reached during the initial period.

- (15) This total is an estimate of your pre-opening initial investment and the expenses you will incur during the first 3 months of Store operations. Winmark bases this total on its estimate of nationwide average costs and prevailing market conditions and Winmark's 36 years of experience in the franchise retail business and our 32 years of experience in this specific business. You should review this amount carefully with a business advisor before deciding to purchase the franchise.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must license the Proprietary Software and purchase the computer hardware components for the POS System from us. Your purchase (or license) of the Proprietary Software and purchase of computer hardware components will represent less than 7% of the cost to establish your Store. The cost of the computer hardware components reflects Winmark's costs related to those items. Winmark does not mark up the cost of the computer hardware components to secure any additional revenue. Winmark does, however, charge a handling fee of approximately 4% on computer hardware component purchases.

Most of Winmark's officers own an interest in Winmark, the franchisor and, as further described in this Item 8, Winmark is an approved supplier of certain items to the Once Upon A Child® franchise system. Winmark's officers may also own an interest in other approved or "recommended" suppliers that: (1) is held indirectly through a mutual fund, 401(k) plan or similar mechanism by which the officer does not have the ability to manage the ownership of individual company stock or other interests; or (2) represents fewer than 1,000 units or shares of a supplier entity and less than 1% of the total outstanding equity interest in that supplier. Except as described in the 2 preceding sentences, Winmark's officers do not own an interest in an approved or "recommended" supplier.

To insure a uniform image and quality of products and services throughout the Once Upon A Child® system, you must maintain Winmark's quality standards. Although you will not lease your real estate from Winmark, Winmark must consent to the location of your Store and Winmark will review the lease to insure it contains provisions designed to protect Winmark's interests (see Item 11). You must comply with Winmark's then-current approved standards in constructing and equipping your Store. You must use equipment (including hardware and certain software programs for the POS System), signs, fixtures, furnishings, products, supplies and advertising and sales promotion materials which meet Winmark's standards. In addition, you may sell from your Store only those categories of products and services that Winmark approves. Winmark periodically publishes for franchisees a list identifying approved product categories for use in a Once Upon A Child® store. Winmark may periodically update and alter these categories of products and services you may sell at Once Upon A Child® stores. Winmark does not establish standards for specific types of children's apparel, toys, equipment, furniture, accessories and other items sold in your Store. You may purchase products within an approved category from any legal and available source of supply.

While Winmark will provide you with a list of “recommended” suppliers for various items, Winmark does not currently maintain a list of approved suppliers nor does it maintain any criteria for approving suppliers of inventory. Any supplier who is able to provide items meeting Winmark’s standards (if any) is, in effect, an approved supplier. Winmark may verify that the item the supplier provides meets Winmark’s standards (if any). Winmark will provide you with a list of approved, preferred or designated suppliers of services. We do not provide material benefits to you based on your purchase of particular products or services or use of particular suppliers.

Third party vendors charge franchisees directly for products or services. We may offer services in the future, for which we may charge. Winmark has negotiated or will negotiate programs with a number of children’s apparel, toy, equipment, furniture and accessory manufacturers and suppliers so that franchisees may benefit from volume purchasing, prepaid freight programs and favorable terms of purchase and return of defective merchandise.

In operating your Store, you will purchase used goods from your customers. These used goods are required to meet Once Upon A Child® buying standards, must fall within an approved category of goods, are not recalled products and are not determined unsafe upon reasonable inspection.

Winmark ordinarily establishes general standards for flooring, fixtures, signs, computer hardware and non-proprietary software used in your Store. Winmark periodically modifies or adjusts these standards as needed. Winmark will make these standards available for your inspection at Winmark’s corporate headquarters (subject to your execution of a confidentiality agreement).

Winmark is an “approved supplier” (i.e., a supplier that provides items meeting Winmark’s general standards for those items) for certain items used in your Store. These items include signs, advertising and sales promotion materials, and periodically other classes of products and supplies that you may use in operating your Store. Except for the Proprietary Software and computer hardware components discussed above (for which Winmark is generally the only source of supply), you may purchase any products, equipment, advertising, and promotional materials and other items from Winmark or any other manufacturer or supplier who can provide items meeting Winmark’s standards (if any). You must, however, purchase your exterior and interior signs, carpet and flooring from an approved supplier designated by Winmark. In addition, you must use an approved supplier designated by Winmark for broadcast media placement and online advertising for your pre-opening and first year marketing activities.

During Winmark’s last fiscal year, Winmark derived revenues of \$3,965,392 from the sale of products, equipment and other items subject to Winmark’s standards (including revenues of \$2,900,554 from the sale of computer hardware components, computer software and licensing of the Proprietary Software to the franchisees of all of its franchised brands and revenues of \$1,064,838 from inventory sold to Play It Again Sports® franchisees through the Play It Again Sports® buying group), or approximately 5% of Winmark’s total revenues of \$81,289,100, as stated in Winmark’s Consolidated Statement of Operations for the year ended December 28, 2024. Revenues received from the sale of computer hardware components, computer software

and licensing of the Proprietary Software to Once Upon A Child® franchisees alone during the year ended December 28, 2024 were \$1,031,781. Winmark’s affiliate does not derive any revenue, rebates or other material consideration based on a franchisee’s required purchases or leases.

You must purchase and maintain, at your expense, comprehensive general liability insurance in an amount Winmark will designate periodically, but at least \$1 million per occurrence and \$2 million in the aggregate. This insurance must insure Winmark, you and any other person Winmark designates from liability for all damage or injury. You must also purchase business interruption insurance, business personal property insurance, money and securities insurance, and building insurance. In addition, you must maintain any other insurance as may be required under law.

Although Winmark provides certain administrative, technical, and advisory services and data to a limited number of suppliers, Winmark does not receive a fee from any suppliers as a result of transactions with franchisees. Winmark may receive a rebate from the vendor of the Constant Contact marketing program for franchisee participation; however, any rebate received for participation by a Once Upon A Child® franchisee will be deposited directly into the Once Upon A Child® marketing fund to be used for the development of advertising and marketing materials. Winmark may receive a rebate for 40% of the billed revenue for Constant Contact or an estimated total of approximately \$245,000 per year.

Winmark estimates that the purchase or lease of equipment (including computer hardware and certain software), signs, fixtures, furnishings, products, supplies, and advertising and sales promotion materials (see Item 11 for information on advertising and sales promotion materials) which meet Winmark’s standards (including those standards establishing general categories of goods and services that you may offer in your Store) will represent approximately 45% to 55% of the cost to establish your Store and 45% to 65% of the cost to operate your Store.

Winmark is not currently aware of any purchasing or distribution cooperatives in the Once Upon A Child® system that offer to you certain products used in your Store.

Item 11

Except as listed below, Winmark is not required to provide you with any assistance.

Pre-opening Assistance. Before you open your Store, Winmark will:

- (1) Provide assistance in your evaluation of a site for the Store and leasing issues related to the Store site (Franchise Agreement - Section 7(A)).
- (2) Provide you with specifications for the layout and design of the Store (Franchise Agreement - Section 7(B)).
- (3) Provide you with a list of the standard fixtures, equipment, supplies, signs and initial inventory to be used in the Store (Franchise Agreement - Section 7(C)).

- (6) Provide pre-opening assistance consisting of 1-2 days, typically 3-5 weeks prior to your actual Store opening (Franchise Agreement - Section 7(E)).
- (7) Provide Store opening assistance on the day before and the day of the initial opening of your Store. Winmark need not provide this assistance if

you are an existing franchisee and are opening an additional Store (Additional Store Addendum, Section 2). Winmark is not liable for damages arising out of your failure to open your Store by a particular date (Franchise Agreement - Section 7(E)).

- (8) Assist you in developing a business plan (Franchise Agreement - Section 7(G)).

Ongoing Assistance. During the operation of your Store, Winmark will:

- (1) Provide field consultants who conduct periodic evaluations of your Store and provide to you written reports to assist you in Store operations (Franchise Agreement - Section 7(H)).
- (2) Provide, at your written request, advisory services relating to Store operations (Franchise Agreement - Section 7(H)).
- (3) Periodically make available all changes and additions to the Business System generally made available to all franchisees (Franchise Agreement - Section 7(H)).
- (4) Periodically furnish you with updated and revised material for your confidential Manuals, which is also available on the brand extranet site (Franchise Agreement - Section 7(H)).
- (5) Develop advertising and marketing materials (Franchise Agreement - Section 7(H)).

Marketing Programs. Winmark establishes and conducts various marketing programs as follows.

You must pay Winmark a Marketing Fee of \$1,500 per year payable on January 1 of each year. Winmark may, with a minimum of 60 days' prior written notice, increase the yearly Marketing Fee. Said fee will not increase more than \$1,000 during the term of the Franchise Agreement. Winmark will use all Marketing Fees to conduct advertising research and public relations campaigns, develop websites and other online media programs, develop marketing materials such as television, radio, digital, social and print advertising production and promotional materials for use in each franchisee's local market, and implement advertising and marketing campaigns. Winmark may contract with outside marketing agencies and production companies to produce certain advertising, marketing and promotional materials. You may develop marketing and advertising materials for your own use, at your own cost, if you follow the Brand Style Guidelines and your materials are factually correct, accurately depict the Trademarks, and communicate the brand position and character that Winmark has established for Once Upon A Child® Stores. If you develop advertising or marketing materials, you must provide a copy of the materials to Winmark for our review and approval (in writing) before you use the advertising or marketing materials. If you desire to advertise or market on the Internet or in apps, you must follow Winmark's Internet Code of Conduct and the Brand Style Guidelines.

When developing marketing strategy and allocating the use of Marketing Fees, Winmark may consult with its Once Upon A Child® Franchisee Advisory Council (“FAC”). Winmark appoints franchisees to serve as members of the FAC. All FAC members must be in good standing and remain in good standing during their term. All members serve on the FAC for a term determined by Winmark. The FAC serves in an advisory capacity to, among other objectives, provide advice on advertising, research and promotional activities to Winmark and its outside advertising agencies. Winmark has the power to form, change or dissolve the FAC.

Each new Once Upon A Child® franchisee must pay the Marketing Fee. Your Marketing Fee for the first year of your Business will be prorated from the effective date of your Franchise Agreement. Other franchisees pay the same amount or, for some franchisees under earlier versions of the Once Upon A Child® Franchise Agreement, a lesser amount, for a Marketing Fee. Winmark administers the use of Marketing Fees collected from franchisees. Winmark does not prepare a financial statement as to the collection and use of Marketing Fees, nor are the Marketing Fees audited. Winmark will, however, provide to you (at your request) an accounting of the Marketing Fee expenditures for Winmark’s most recently completed fiscal year. Winmark does not receive an administrative fee to cover related sales promotion, marketing and administrative expenses.

During Winmark’s 2024 fiscal year, Winmark spent 100% of the Marketing Fees Winmark collected on production of advertising and marketing programs as outlined above.

Winmark is not obligated to spend any amount of the Marketing Fee on advertising in the area or territory where you are located. Winmark will carry over for future use Marketing Fees not spent in any fiscal year. Winmark does not use Marketing Fees for advertising principally directed at the sale of franchises.

You also must participate in and contribute to the local advertising cooperative established in the Designated Market Area (DMA) where your Store is located, if the DMA contains 2 or more unaffiliated franchisees. You will not be obligated to contribute more than 5% of the Gross Sales for your Store to your local advertising cooperative.

Each local advertising cooperative must adopt written advertising cooperative bylaws which follow the format Winmark has approved. You may request a copy of the bylaws of the cooperative (if one has been established) for your market area from the cooperative president or Winmark. Each cooperative will determine its own voting procedures so long as those procedures are consistent with the general operating rules Winmark has established. The members of the local cooperative and their elected officials are responsible for administering the local cooperative. Winmark strongly recommends, but does not require, that advertising cooperatives prepare annual financial statements and make those financial statements available to all franchisees in that advertising cooperative. Winmark has the power to establish advertising cooperatives and the bylaws, policies and rules under which the advertising cooperatives will operate.

Although Winmark has not established an “Advertising Fund” as of the issuance date of this disclosure document, Winmark reserves the right to do so. You will be required to

contribute to any Advertising Fund established by Winmark. Winmark would likely use the Advertising Fund to provide advertising and promotional materials and services to you as well as conduct advertising or promotional campaigns. Because the Advertising Fund has not yet been established, Winmark cannot determine with certainty the intended use of funds in the Advertising Fund, although Winmark will not use advertising funds to sell additional franchises. Winmark will administer the Advertising Fund. Winmark will not prepare a financial statement as to the collection and use of the Advertising Fund, nor will the Advertised Fund be audited. Winmark will provide you with an annual unaudited statement of the receipts and disbursements of the Advertising Fund. If Winmark establishes the Advertising Fund, Winmark will not be obligated to spend any amount on advertising in the area or territory where you are located. If Winmark establishes the Advertising Fund, you will be required to pay an Advertising Fee of up to 2% of Gross Sales. Other franchisees may pay greater, lesser or no Advertising Fee. In addition, any future Winmark-owned units will also pay the Advertising Fee on the same basis as franchisees. Winmark will carry over for future use Advertising Fees not spent in any fiscal year. If Winmark establishes the Advertising Fund, Winmark will likely receive an administrative fee to cover related sales promotion, marketing and administrative expenses.

Point-of-Sale System. You must install a computerized point of sale system (“POS System”) purchased through Winmark Corporation. This system is periodically modified in response to business operations, marketing conditions, and changes in technology. As of March 1, 2025, the POS System includes the following minimum components:

One dedicated Business Server with the minimum of three Desktop Computers (“register station”) for use with your required software as described below. The number of register stations you need will be determined by Winmark based on the size and location of your Store and other operational requirements. The following are the major components of the required POS System:

- Winmark configured Business Server
- Winmark configured Register station / POS computers
- Flat-Panel LED Touch Screen Monitor (one required for each register station)
- Gigabit Ethernet Network Switch
- Firewall device
- Keyboard, Video, and Mouse Switchbox (one required)
- Uninterruptible Power Supply / Battery Backup (one required for the Business Server and each register station)
- Thermal Receipt Printer (one required for each register station)
- Thermal Label Printer (two required)
- Cash Drawer (one required for each register station)
- Barcode Scanner (one required for each register station)
- Pole Display Device (one required for each register station)
- Data Recycling System (DRS)
- Server Operating System License
- Workstation Operating System License (one required for each register station)
- Remote Software
- Imaging Software

- Antivirus Software
- Database Software

Another required component to the POS System, which must be obtained from a local internet service provider (ISP), is a broadband internet connection:

- DSL, Cable or other Dedicated high-speed internet connection with minimum download speeds of 20 MB and upload speeds of 5 MB (No 5G)
- An Internet Browser
- E-mail Address

The initial cost of purchasing the POS System from Winmark currently ranges from \$22,200 to \$29,500 (see Item 7).

The DRS software is owned by Winmark. You must obtain a license for it from Winmark. Winmark will provide to you ongoing maintenance, repairs and updates to the DRS software (Software Agreement, Section 1(E)). Winmark charges franchisees a DRS Maintenance Fee of \$1,000 for upgrades to the antivirus and data base engine software that supports the DRS software. This fee will be due upon the purchase of your POS System, and upon renewal of your Franchise Agreement (see Item 6).

There are currently no annual costs for any optional or required maintenance update, upgrading or support contracts. Winmark reserves the right, however, to charge a reasonable fee for any ongoing maintenance and repairs, upgrades and support services relating to DRS, including the hardware and software components of the entire POS System. There are no contractual limitations on the frequency and cost of this requirement (Software Agreement, Section 1(E) and Franchise Agreement, Section 8(P)). Technology is constantly changing. Winmark may require you to update your POS System every 5 years or more often depending on changes in technology and Winmark's current standards. Winmark cannot estimate the annual costs of any optional or required maintenance and support contracts because Winmark has, through the date of this disclosure document, provided these services at no cost to franchisees.

Winmark, or a third-party vendor that Winmark selects, will provide you with DRS and the rest of the POS System components. Winmark currently has independent access to certain operational and financial information and data produced by your POS System. There are no contractual limitations on Winmark's right to access the information and data (Franchise Agreement, Section 8(P)).

Although as of the issuance date of this Disclosure Document Winmark does not do so, Winmark reserves the right to charge a periodic technology fee for technology-related services provided by Winmark including, but not limited to, services related to Winmark's extranet platform, current and future training platforms, and current and future social and digital media management platforms (Franchise Agreement, Section 8(Q)). Winmark estimates that, if established, the amount of the technology fee will be between \$500 and \$2,500 per year, per

Store. If a technology fee is established, Winmark will not increase the technology fee by more than 10% each year.

Site Selection. If you already have a potential site for a Once Upon A Child® Store, you may propose the location to Winmark. We may consent to the site after we have independently evaluated it. If you do not have a proposed site, Winmark will furnish you with its general site selection and evaluation criteria. Winmark will review and approve the area where a franchisee may select a site and will provide you with a map of the approved area. You are solely responsible, however, for locating and obtaining a site in the approved area which meets Winmark's standards and that is acceptable to Winmark. Winmark does not own or lease and sublease the Store location to its franchisees. You will deal directly with your Landlord when leasing the premises for your Once Upon A Child® store.

You must obtain Winmark's consent to the proposed site for your Store. The general site selection criteria on which Winmark bases its approval and which you should consider include traffic patterns, ease of ingress and egress, local competition, physical attractiveness of the facility, reputation of the shopping area, population of the surrounding area, demographic surveys and buyer behavior information, size and rental cost of property and similar factors. Winmark typically will approve a site within 48 hours after receiving a site approval request from its franchisees. You should determine if there are acceptable sites in your proposed development area prior to executing the Franchise Agreement. If Winmark and you cannot agree on a site for your Store, Winmark may allow you to consider sites within another development area in or near your Exclusive Area. If you and Winmark cannot agree on a site location, the Franchise Agreement will be terminated and you will not receive a refund of the Initial Franchise Fee.

Development Time. The typical length of time between Winmark's acceptance of the Franchise Agreement and the opening of your business is approximately 9-12 months. Once the Franchise Agreement is executed, by its terms you will have up to 12 months to open your Store. The factors that may affect the store opening process may include permitting delays, construction and build-out delays, sign, equipment and inventory acquisition, lease negotiations and financing or staffing issues. You will be in default of your Franchise Agreement if you fail to open your Store within the 12-month period.

Training. Winmark conducts its 2-part training program at Winmark's training center in Minneapolis and through online training sessions. The training program is typically offered 12 times per year. The first session of the training program, Resale University™ 101 Training, covers several aspects of set up and opening of a franchised retail business, including real estate matters, business plan development, buying used and new products, Winmark's service vendor program and other topics Winmark may select. The first session will take place over a period of 4 days. At Resale University™ 101 Training, you will be required to register for an online financial management course conducted by Winmark's third party vendor. This course will educate you on how to understand your financial statements and utilize the information to build your business. The second session of the Once Upon A Child® training program, Resale University™ 201 Training, is attended after securing financing, executing a lease for a retail site and completing the online financial management training program. It is conducted over a period of at least 5 days and will include instruction on sales, customer service, marketing, advertising,

computer operation and store inventory, staff and financial management, as well as topics Winmark may select. Winmark will not allow you to open your Store unless you successfully complete both sessions of the training program to Winmark's satisfaction. If you are an existing Winmark franchisee and are opening an additional store, Winmark may require you to attend Winmark's training program.

Item 12

TERRITORY

You will receive an “Exclusive Territory” surrounding the location of the Store when granted a Once Upon A Child® franchise. Exhibit A to the Franchise Agreement describes the Exclusive Territory. Computer modeled mapping which factors in population density and average household income and consumer traffic patterns will determine the boundaries of the Exclusive Territory, which is typically a 3 to 5 mile radius around your Store. Winmark will designate a development area within your Exclusive Territory. You can select a site for your Store within this development area, subject to Winmark’s consent to that site. The Exclusive Territory for Stores located in urban areas (metropolitan areas with a population in excess of 250,000 persons) generally will have a minimum population of 75,000 to 100,000 persons. The Exclusive Territory for Stores located in all other areas generally will have a minimum population of 50,000 persons. Winmark will not establish another franchised or company-owned Once Upon A Child® Store at a physical location in your Exclusive Territory. Although Winmark does not do so as of the issuance date of this disclosure document, Winmark reserves the right to distribute products through alternative channels of distribution, including the Internet (or any other existing or future form of electronic commerce), using the Trademarks inside or outside of the Exclusive Territory so long as these activities are not solely for Winmark’s benefit but provide some benefit (as described in the Franchise Agreement) to Once Upon A Child® franchisees. Winmark also reserves the right to distribute products through alternative channels of distribution or establish franchised or company-owned businesses selling similar products or services under a trademark different from the Trademarks inside or outside of the Exclusive Territory.

You do not need to achieve a certain sales volume or market penetration to retain the Exclusive Territory under the Franchise Agreement. You may relocate the Store only with Winmark’s prior written consent, which Winmark will not unreasonably withhold. Winmark

will approve relocation within the Development Area if the retail area demographics meet our requirements and the financial model continues to work in the new location. In addition to the criteria listed above, Winmark will approve relocation outside the Development Area but inside the Exclusive Territory if we determine that the new location's proximity to other Once Upon A Child® stores will not impact their store sales or customer base. Winmark will only allow a relocation outside of the Exclusive Territory if there are no viable locations within the Exclusive Territory and the new location is a reasonable distance from the existing Exclusive Territory so not to affect the existing customer base or interfere with the Exclusive Territory or sales of other franchisees.

You may advertise outside your Exclusive Territory and may serve customers from outside your Exclusive Territory. Likewise, Winmark and other Once Upon A Child® franchisees may, without any compensation to you, advertise within your Exclusive Territory and may serve customers who reside within your Exclusive Territory without compensation to you. You may not use alternative channels of distribution, including the Internet, catalog sales, telemarketing or other direct marketing methods to make sales inside or outside your Exclusive Territory unless specifically authorized by Winmark.

Winmark will not grant to you any options, rights of first refusal or similar rights to acquire additional franchises within a particular territory. Except as disclosed in this Item 12 or as specifically allowed by the Franchise Agreement, Winmark cannot alter your territory rights.

Item 13

TRADEMARKS

Winmark grants you the right to operate a Store under the name Once Upon A Child®, a federally registered trademark. You must also use other trademarks, service marks, trade names and commercial symbols (collectively, "Trademarks") which Winmark develops or requires to identify your Store and its goods and services.

The following schedule lists only the principal Trademarks that Winmark licenses you to use:

KIDS' STUFF WITH PREVIOUS EXPERIENCE	1,926,022	Principal	10/10/95	Section 8/15 Affidavit filed; Renewed

Your use of the Trademarks and any goodwill is to Winmark's exclusive benefit and you retain no rights in the Trademarks. You retain no rights in the Trademarks when the Franchise Agreement expires or terminates. You may make changes or substitutions to the use of the Trademarks only if Winmark directs you to do so. If Winmark requires that you modify or discontinue using a trademark, you will not have any rights to compensation.

There are no currently effective determinations of the Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, or any pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving any Trademarks that are relevant to Once Upon A Child® operations in this state. There are currently no agreements in effect that significantly limit Winmark's rights to use or license the use of any Trademarks listed in this Item 13 in any manner material to the franchise. Winmark is unaware of any superior rights or infringing uses which could materially affect your use of the Trademarks.

Winmark is not required to protect you against infringement or unfair competition claims arising out of your use of the Trademarks, or to participate in your defense or indemnify you. Winmark reserves the right to control any trademark litigation and will take the action Winmark believes appropriate if a third party infringes Winmark's Trademarks. You must notify Winmark promptly if you become aware of any infringement or unauthorized use of the Trademarks and cooperate with any action that Winmark takes. Winmark will pay the cost and expense of all litigation that Winmark incurs, including attorneys' fees, specifically related to the Trademarks. However, Winmark is not required to take affirmative action when notified of these uses or claims. If any party claims that its rights to use any of the Trademarks are superior and Winmark confirms that claim, you must, at your expense, immediately make the changes and use the substitutions to the Trademarks as Winmark requires.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered or pending which are material to the Once Upon A Child® franchise offered, although Winmark does claim copyright protection for each of its Once Upon A Child® Manuals, and for various sales promotion and other materials periodically published or located on its extranet website. You must keep confidential during and after the term of the Franchise Agreement all information contained in the Manuals as well as any other information that Winmark may designate as confidential. This additional confidential information includes certain inventory pricing and management information, supplier lists and various marketing strategies. You cannot duplicate or provide any information

contained in the Manuals to any party other than, during the term of the Franchise Agreement, those of your employees who need to know that information. When the Franchise Agreement terminates, you must return to Winmark all copies of each Manual and all other material Winmark has copyrighted or designated as confidential. You may not use confidential information for the purpose of machine learning, augmented human intelligence development, training any artificial intelligence (“AI”) model, algorithm improvement, or similar data aggregation activities without the express written consent of Winmark. Such uses shall not be deemed related to the performance of the Franchise Agreement and are expressly prohibited. You shall not, without prior written consent by Winmark, input any confidential information into any generative AI platform, or disclose such information to any provider or source of generative AI services. You shall opt out of allowing any provider or source of generative AI to utilize confidential information for training of any AI model or for other purposes.

The Proprietary Software is the proprietary property of Winmark. (See Item 11.) You must keep confidential during and after the term of the Software License Agreement all information relating to the Proprietary Software. You cannot duplicate the Proprietary Software, although you can maintain one extra copy for backup purposes. When the Software License Agreement terminates, you must return all copies of the Proprietary Software to Winmark or destroy all copies of the Proprietary Software.

Winmark does not contract with individual franchisees to protect the copyrights, to protect individual franchisees against infringement or unfair competition claims arising out of the franchisee’s use of the copyrights, or to participate in the franchisee’s defense or indemnify the franchisee. Winmark reserves the right to control any copyright litigation and will be the sole judge as to whether any suit will be brought or settled when any person or entity infringes Winmark’s copyrights.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

If you are an individual, you must be the on-site owner/operator and personally manage the Store unless you receive Winmark’s prior consent to delegate your authority to manage the Store. If you operate more than one Store, you may delegate your management duties for additional Stores to one or more managers. Winmark may require Store Managers for franchisees operating multiple stores to attend the second part of the new store training program.

Although Winmark does not prohibit you from being employed by a company other than the Once Upon A Child® business, your primary job responsibility must be the operation of the Store. If you are a corporate entity or a partnership, one individual must retain at least 50% of the equity and voting interest in the corporation entity or partnership and will be obligated to personally manage and operate the Store.

Each individual who owns a 10% or greater interest in the franchisee entity is considered a principal owner and all principal owners and their spouses must sign the Personal Guaranty

attached to the Franchise Agreement. These people agree to discharge all obligations of the franchisee to Winmark under the Franchise Agreement and are bound by all its provisions, including maintaining the confidentiality of proprietary information described in Item 14.

In addition, the franchisee, all Personal Guarantors and the owners of any part of the franchise entity must abide by the noncompete covenants described in Item 17. In addition, all of your employees who have managerial duties at the Store, as well as all corporate officers and directors of a corporate franchisee entity (all partners in a partnership), must sign a written agreement to maintain the confidentiality of Winmark's trade secrets described in Item 14.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only those goods and services that Winmark has approved. You also must offer all goods and services that Winmark designates as required for all franchisees. Winmark may, at its discretion, add new goods and services, based upon its evaluation of various factors, including customer demands, the geographic location of your Store and any other factor which Winmark deems important to the operation of your Store. Winmark's right to modify the approved list of goods and services to be offered at a Once Upon A Child® Store is not limited.

You may offer the sale of the approved goods and services from your Store location to any person. Unless specifically authorized by Winmark, you may only deliver merchandise or offer services at a site other than your Store location to customers residing in your Exclusive Territory or to locations within your Exclusive Territory.

You may not sell or accept in trade any infant formula, used infant/child car seats or products that you believe may be stolen or that have been recalled or otherwise not approved for sale by the U.S. Consumer Products Safety Commission or the National Highway Traffic Safety Administration. You may use only approved advertising and promotional materials.

PUBLIC FIGURES

Winmark currently does not use any public figure to promote its franchise, although Winmark reserves the right to engage a public figure for endorsements in the future. No public figure is involved in the management or control of Winmark.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following is a financial performance representation titled “Once Upon A Child® Statement of Average Annual Sales and Gross Profit.” The gross profit figures in this Item 19 do reflect the cost of sales but do not reflect the operating expenses that must be deducted from the gross profit figures to obtain your net income or profit. The best source of cost and expenses data may be from franchisees and former franchisees, some of whom may be listed in Exhibit A.

ONCE UPON A CHILD® STATEMENT
OF AVERAGE ANNUAL SALES AND GROSS PROFIT

The following statement of average annual sales and gross profits includes average gross sales and gross profits during the 12 month period ended December 28, 2024 (Winmark’s fiscal year) as reported by 395 of the 395 franchised Once Upon A Child® Stores located in the United States and Canada that commenced operations in each of the years 1988 through 2023, and were not transferred during 2024. This represents a subset of the 430 Once Upon A Child® Stores in the United States and Canada that were open and operating as of December 28, 2024. This statement includes information from only those Once Upon A Child® Stores in the United States and Canada that had been in operation by the same franchisee or owners for the 12 month period ended December 28, 2024. There are no material financial and operational characteristics of the U.S. Stores that differ materially from the Canadian Stores included in this financial performance representation. No other Once Upon A Child® Stores are included in this statement due to insufficient history of operations (not in operation for the 12 month period ended December 28, 2024 or transferred during this period). There were 395 franchised Once Upon A Child® Stores which had been in operation by the same franchisee owners for the 12 month period ended December 28, 2024. All 395 Stores are reflected in the average. This financial performance representation does not include information for the 35 Once Upon A Child® Stores that opened or transferred in 2024. No Stores closed in 2024 after being opened less than 12 months.

Statement of average gross sales and gross profits of 395 of the 395 franchised Once Upon A Child® Stores for the fiscal year ended December 28, 2024, as reported by Once Upon A Child® franchisees to Winmark:

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Shareholders
Winmark Corporation

Opinion on the financial statements

We have audited the accompanying consolidated balance sheets of Winmark Corporation (a Minnesota corporation) and subsidiaries (the “Company”) as of December 28, 2024 and December 30, 2023, the related consolidated statements of operations, changes in shareholders’ equity (deficit), and cash flows for each of the three years in the period ended December 28, 2024, and the related notes (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2024 and December 30, 2023, and the results of its operations and its cash flows for each of the three years in the period ended December 28, 2024, in conformity with accounting principles generally accepted in the United States of America.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”), the Company’s internal control over financial reporting as of December 28, 2024, based on criteria established in the *2013 Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”), and our report dated February 26, 2025 expressed an unqualified opinion.

Basis for opinion

These consolidated financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical audit matters

Critical audit matters are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. We determined that there are no critical audit matters.

Grant Thornton LLP

We have served as the Company's auditor since 2006.

1. Organization and Business:

Winmark Corporation and subsidiaries (the Company) offers licenses to operate franchises using the service marks Plato's Closet®, Once Upon A Child®, Play It Again Sports®, Style Encore® and Music Go Round®. In addition, the Company sells point-of-sale system hardware to its franchisees and certain merchandise to its Play It Again Sports franchisees. The Company also operates a middle-market equipment leasing businesses under the Winmark Capital® mark. The Company has a 52/53-week fiscal year that ends on the last Saturday in December. Fiscal year 2022 was a 53-week fiscal year, while 2024 and 2023 were 52-week fiscal years.

2. Significant Accounting Policies:

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiaries, Winmark Capital Corporation, Wirth Business Credit, Inc. and Grow Biz Games, Inc. All material inter-company transactions have been eliminated in consolidation.

Cash Equivalents

Cash equivalents consist of highly liquid investments with an original maturity of three months or less when purchased. Cash equivalents are stated at cost, which approximates fair value. As of December 28, 2024 and December 30, 2023, the Company had \$73,800 and \$143,600, respectively, of cash located in Canadian banks. The Company holds its cash and cash equivalents with financial institutions and at times, such balances may be in excess of insurance limits.

Receivables

The Company provides an allowance for credit losses on trade receivables. The allowance for credit losses was \$500 and \$600 at December 28, 2024 and December 30, 2023 respectively. If receivables in excess of the provided allowance are determined uncollectible, they are charged to expense in the year the determination is made. Trade receivables are written off when they become uncollectible (which generally occurs when the franchise terminates and there is no reasonable expectation of collection), and payments subsequently received on such receivable are credited to the allowance for credit losses. Historically, receivables balances written off have not exceeded allowances provided.

Restricted Cash

The Company is required by certain states to maintain initial franchise fees in a restricted bank account until the franchise opens. Cash held in escrow totaled \$140,000 and \$25,000 at December 28, 2024 and December 30, 2023, respectively.

Investment in Leasing Operations

The Company uses the direct finance method of accounting to record income from direct financing leases. At the inception of a lease, the Company records the minimum future lease payments receivable, the estimated residual value of the leased equipment and the unearned lease income. Initial direct costs related to lease originations are deferred as part of the investment and amortized over the lease term. Unearned lease income is the amount by which the total lease receivable plus the estimated residual value exceeds the cost of the equipment.

Leasing Income Recognition

Leasing income for direct financing leases is recognized under the effective interest method. The effective interest method of income recognition applies a constant rate of interest equal to the internal rate of return on the lease.

For sales-type leases in which the equipment has a fair value greater or less than its carrying amount, selling profit/loss is recognized at commencement. For subsequent periods or for leases in which the equipment's fair value is equal to its carrying amount, the recording of income is consistent with the accounting for a direct financing lease.

For leases that are accounted for as operating leases, income is recognized on a straight-line basis when payments under the lease contract are due.

Generally, when a lease is more than 90 days delinquent (when more than three monthly payments are owed), the lease is classified as being on non-accrual and the Company stops recognizing leasing income on that date. Payments received on leases in non-accrual status generally reduce the lease receivable. Leases on non-accrual status remain classified as such until there is sustained payment performance that, in the Company's judgment, would indicate that all contractual amounts will be collected in full.

Leasing Expense

Leasing expense includes the cost of financing equipment purchases, the cost of equipment sales as well as depreciation expense for operating lease assets.

Lease Residual Values

Residual values reflect the estimated amounts to be received at lease termination from sales or other dispositions of leased equipment to unrelated parties. The leased equipment residual values are based on the Company's best estimate.

Allowance for Credit Losses

The Company maintains an allowance for credit losses at an amount that it believes to be sufficient to absorb losses inherent in its existing lease portfolio as of the reporting dates. Leases are collectively evaluated for potential loss. The Company's methodology for determining the allowance for credit losses includes consideration of the level of delinquencies and non-accrual leases, historical net charge-off amounts and review of any significant concentrations.

A provision is charged against earnings to maintain the allowance for credit losses at the appropriate level. If the actual results are different from the Company's estimates, results could be different. The Company's policy is to charge-off against the allowance the estimated unrecoverable portion of accounts once they reach 121 days delinquent.

Inventories

The Company values its inventories at the lower of cost, as determined by the weighted average cost method, and net realizable values. Inventory consists of computer hardware and related accessories, all of which is finished goods merchandise held for resale.

Impairment of Long-lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. If the carrying amount of the asset exceeds expected undiscounted future cash flows, the Company measures the amount of impairment by comparing the carrying amount of the asset to its fair value.

Property and Equipment

Property and equipment is stated at cost. Depreciation and amortization for financial reporting purposes is provided on the straight-line method. Estimated useful lives used in calculating depreciation and amortization are: three to five years for computer and peripheral equipment, five to seven years for furniture and equipment and the shorter of the lease term or useful life for leasehold improvements. Major repairs, refurbishments and improvements which significantly extend the useful lives of the related assets are capitalized. Maintenance and repairs, supplies and accessories are charged to expense as incurred.

Intangible Assets

Intangible assets are amortized over the estimated useful life on a straight line basis. The Company reviews its intangible assets for impairment at its fiscal year end or whenever events or changes in circumstances indicate that there has been impairment in the value of its intangible assets. No impairment was noted during fiscal years ended 2024, 2023, and 2022. Intangible assets of \$2.6 million and \$3.0 million in the consolidated balance sheets at December 28, 2024 and December 30, 2023, respectively, are all attributable to the Franchising segment.

Goodwill

The Company reviews its goodwill for impairment at its fiscal year end or whenever events or changes in circumstances indicate that there has been impairment in the value of its goodwill. No impairment was noted during fiscal years ended 2024, 2023 and 2022. Goodwill of \$0.6 million in the consolidated balance sheets at December 28, 2024 and December 30, 2023 is all attributable to the Franchising segment.

Use of Estimates

The preparation of financial statements in conformity with generally accepted U.S. accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The ultimate results could differ from those estimates.

Advertising

Advertising costs are charged to selling, general and administrative expenses as incurred. Advertising costs were \$0.6 million, \$0.7 million and \$0.5 million for fiscal years 2024, 2023 and 2022, respectively.

Accounting for Stock-Based Compensation

The Company recognizes the cost of all share-based payments to employees, including grants of employee stock options, in the consolidated financial statements based on the grant date fair value of those awards. This cost is recognized over the period for which an employee is required to provide service in exchange for the award.

The Company estimates the fair value of options granted using the Black-Scholes option valuation model. The Company estimates the volatility of its common stock at the date of grant based on its historical volatility rate. The Company's decision to use historical volatility was based upon the lack of actively traded options on its common stock. The Company estimates the expected term based upon historical option exercises. The risk-free interest rate assumption is based on observed interest rates for the expected term. The Company uses historical data to estimate pre-vesting option forfeitures and record share-based compensation expense only for those awards that are expected to vest. For options granted, the Company amortizes the fair value on a straight-line basis. All options are amortized over the vesting periods, which are generally four years beginning from the date of grant.

Revenue Recognition – Franchising

The following is a description of the principal sources of revenue for the company's franchising segment. The Company's performance obligations under franchise agreements consist of (a) a franchise license, including a license to use one of our brands, (b) a point-of-sale software license, (c) initial services, such as pre-opening training and marketing support, and (d) ongoing services, such as marketing services and operational support. These performance obligations are highly interrelated so we do not consider them to be individually distinct and therefore account for them under ASC 606 as a single performance obligation, which is satisfied by providing a right to use our intellectual property over the estimated life of the franchise. The disaggregation of the Company's franchise revenue is presented within the Revenue lines of the Consolidated Statements of Operations with the amounts included in Revenue: Other delineated below.

Royalties

The Company collects royalties from each retail franchise based upon a percentage of retail sales. The Company recognizes royalties at the time the underlying sales occur.

Merchandise Sales

Merchandise sales include the sale of point-of-sale technology equipment to franchisees and the sale of a limited amount of sporting goods to certain Play It Again Sports franchisees. Merchandise sales, which includes shipping and handling charges, are recognized at a point in time when the product has been shipped to the franchisee. Shipping and handling costs associated with outbound freight are accounted for as a fulfillment cost and included in cost of merchandise sold.

Franchise Fees

The Company collects initial franchise fees when franchise agreements are signed. The Company recognizes franchise fee revenue over the estimated life of the franchise, beginning with the opening of the franchise, which is when the

Company has performed substantially all initial services required by the franchise agreement and the franchisee benefits from the rights afforded by the franchise agreement. The Company had deferred franchise fee revenue of \$7.5 million and \$7.1 million at December 28, 2024 and December 30, 2023, respectively.

Marketing Fees

Marketing fee revenue is included in the Revenue: Other line of the Consolidated Statements of Operations. The Company bills and collects annual marketing fees from its franchisees at various times throughout the year. The Company recognizes marketing fee revenue on a straight line basis over the franchise duration. The Company recognized \$1.8 million, \$1.6 million and \$1.5 million in marketing fee revenue for each of the fiscal years ended December 28, 2024, December 30, 2023 and December 31, 2022, respectively.

Software License Fees

Software license fee revenue is included in the Revenue: Other line of the Consolidated Statements of Operations. The Company bills and collects software license fees from its franchisees when the point-of-sale system is provided to the franchisee. The Company recognizes software license fee revenue on a straight line basis over the franchise duration. The Company recognized \$0.4 million, \$0.4 million and \$0.3 million in software license fee revenue for each of the fiscal years ended December 28, 2024, December 30, 2023 and December 31, 2022, respectively. The Company had deferred software license fees of \$1.9 million and \$1.8 million at December 28, 2024 and December 30, 2023, respectively.

Contract Liabilities

The Company's contract liabilities for its franchise revenues consist of deferred revenue associated with franchise fees and software license fees described above.

Commission Fees

The Company capitalizes incremental commission fees paid as a result of obtaining franchise agreement contracts. Capitalized commission fees of \$0.6 million and \$0.6 million are outstanding at December 28, 2024 and December 30, 2023, respectively and are included in Prepaid expenses and Other assets in the Consolidated Balance Sheets.

Capitalized commission fees are amortized over the life of the franchise and are included in selling, general and administrative expenses. During the fiscal years ended December 28, 2024, December 30, 2023 and December 31, 2022, the Company recognized \$114,700, \$109,700 and \$100,800 of commission fee expense, respectively.

Income Taxes

The Company accounts for incomes taxes under the asset and liability method. Under this method, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

The Company recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. The Company records interest and penalties related to unrecognized tax benefits in income tax expense.

Sales Tax

The Company's accounting policy is to present taxes collected from customers and remitted to government authorities on a net basis.

Earnings Per Share

The Company calculates earnings per share by dividing net income by the weighted average number of shares of common stock outstanding to arrive at the Earnings Per Share — Basic. The Company calculates Earnings Per Share — Diluted by dividing net income by the weighted average number of shares of common stock and dilutive stock equivalents from the potential exercise of stock options using the treasury stock method.

The following table sets forth the presentation of shares outstanding used in the calculation of basic and diluted earnings per share (“EPS”):

	Year Ended		
	December 28, 2024	December 30, 2023	December 31, 2022
Denominator for basic EPS — weighted average common shares	3,516,122	3,479,936	3,487,732
Dilutive shares associated with option plans	151,357	160,588	104,724
Denominator for diluted EPS — weighted average common shares and dilutive potential common shares	3,667,479	3,640,524	3,592,456
Options excluded from EPS calculation — anti-dilutive	7,578	2,913	21,153

Fair Value Measurements

The Company defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Company uses three levels of inputs to measure fair value:

- Level 1 — quoted prices in active markets for identical assets and liabilities.
- Level 2 — observable inputs other than quoted prices in active markets for identical assets and liabilities.
- Level 3 — unobservable inputs in which there is little or no market data available, which require the reporting entity to develop its own assumptions.

Due to their nature, the carrying value of cash equivalents, receivables, payables and debt obligations approximates fair value.

Recently Issued Accounting Pronouncements

Disaggregation – Income Statement Expenses – In November 2024, the Financial Accounting Standards Board (“FASB”) issued guidance requiring additional disclosure of the nature of expenses included in the income statement in response to requests from investors for more information about an entity’s expenses. The new standard requires disclosures about specific types of expenses included in the expense captions presented on the face of the income statement as disclosures about selling expenses. The guidance is effective for annual reporting periods beginning after December 15, 2026 and interim reporting periods within annual reporting periods beginning after December 15, 2027. The requirements will be applied prospectively with the option for retrospective application. Early adoption is permitted. The Company is currently evaluating the impact this new guidance will have on its financial statements and disclosures.

Improvements to Income Tax Disclosures – In December 2023, the FASB issued guidance that expands income tax disclosures for public entities, including requiring enhanced disclosures related to the rate reconciliation and income taxes paid information. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2024, with early adoption permitted. The guidance should be applied on a prospective basis, with retrospective application to all prior periods presented in the financial statements permitted. The Company is currently evaluating the impact this new guidance will have on its financial statements and disclosures.

Recently Adopted Accounting Pronouncements

Segment Reporting – In November 2023, the FASB issued Accounting Standards Update (“ASU”) 2023-07 that expands segment disclosures for public entities, including requiring disclosure of significant segment expenses that are regularly provided to and reviewed by the chief operating decision maker (“CODM”), the title and position of the CODM and an explanation of how the CODM uses reported measures of segment profit or loss in assessing segment performance and allocating resources. The new guidance also expands disclosures about a reportable segment’s profit or loss and assets in interim periods and clarifies that a public entity may report additional measures of segment profit if the CODM uses more than one measure of a segment’s profit or loss. The new guidance does not remove existing segment disclosure requirements or change how a public entity identifies its operating segments, aggregates those operating segments, or determines its reportable segments. The guidance is effective for fiscal years beginning after December 15, 2023, and subsequent interim periods with early adoption permitted, and requires retrospective application to all prior periods presented in the financial statements. The Company adopted this ASU for the December 28, 2024 reporting period, with required disclosures and explanations included in Footnote 13, Segment Reporting.

Reclassifications

Certain reclassifications of previously reported amounts have been made to conform to the current year presentation. Such reclassifications did not impact net income or shareholders’ equity (deficit) as previously reported.

3. Investment in Leasing Operations:

In May 2021, the Company made the decision to no longer solicit new leasing customers in its middle-market leasing business and will pursue an orderly run-off of this leasing portfolio.

Investment in leasing operations consists of the following:

Direct financing and sales-type leases:		
Minimum lease payments receivable	\$ —	\$ 77,100

As of December 30, 2023, the \$75,100 total net investment in leases was all classified as current.

As of December 28, 2024 and December 30, 2023, no customers had leased assets totaling more than 10% of the Company's total assets.

The Company's key credit quality indicator for its investment in direct financing and sales-type leases is the status of the lease, defined as accruing or non-accrual. Leases that are accruing income are considered to have a lower risk of loss. Non-accrual leases are those that the Company believes have a higher risk of loss. The Company experienced no credit losses in its lease portfolio during the fiscal years ended December 28, 2024, December 30, 2023, and December 31, 2022. At December 28, 2024, there were no direct financing and sales-type leases in the Company's lease portfolio. At December 30, 2023, no direct financing and sales-type leases in the Company's lease portfolio were past due, and all were on accrual status.

Leasing income as presented on the Consolidated Statements of Operations consists of the following:

	<u>Year Ended</u> <u>December 28, 2024</u>	<u>Year Ended</u> <u>December 30, 2023</u>	<u>Year Ended</u> <u>December 31, 2022</u>

Other	45,600	175,200
	<u>\$ 1,336,400</u>	<u>\$ 1,475,300</u>

As part of its normal operating procedures, the Company requires Standby Letters of Credit as collateral for a portion of its trade receivables.

5. Intangible Assets:

In June 2022, Winmark terminated an agreement that contained the rights for eleven Play It Again Sports stores to operate separately from Winmark's franchise system. In terminating the agreement, which included \$3.54 million of consideration paid by Winmark, Winmark reacquired the franchise rights to these eleven stores. Upon termination of the agreement, individual franchise agreements were signed for these eleven stores, each with an initial term of ten years. Intangible assets consist of these reacquired franchise rights. The Company amortizes the fair value of the reacquired franchise rights over the contract term of the franchise. The Company recognized \$354,000 of amortization expense for each of the years ended December 28, 2024 and December 30, 2023, respectively.

Intangible assets consist of the following:

	<u>December 28, 2024</u>	<u>December 30, 2023</u>
Reacquired franchise rights	\$ 3,540,000	\$ 3,540,000
Accumulated amortization	(899,700)	(545,700)
	<u>\$ 2,640,300</u>	<u>\$ 2,994,300</u>

The following table illustrates future amortization to be expensed for the next five fiscal years and fiscal years thereafter related to reacquired franchise rights as of December 28, 2024.

Under the Board of Directors' authorization, as of December 28, 2024 the Company has the ability to repurchase an additional 78,600 shares of its common stock. Repurchases may be made from time to time at prevailing prices, subject to certain restrictions on volume, pricing and timing.

Stock Option Plans and Stock-Based Compensation

The Company had authorized up to 700,000 shares of common stock for granting either nonqualified or incentive stock options to officers and key employees under the Company's 2010 Stock Option Plan (the "2010 Plan"). The 2010 Plan expired on February 24, 2020. The Company had also sponsored a Stock Option Plan for Nonemployee Directors (the "Nonemployee Directors Plan"), which had reserved a total of 350,000 shares for issuance to directors of the Company who are not employees.

At the April 29, 2020 Annual Shareholders Meeting, the Company's shareholders approved a new stock option plan, the 2020 Stock Option Plan (the "2020 Plan"). The 2020 Plan (as described more completely in the Company's definitive Proxy Statement filed with the United States Securities and Exchange Commission on March 10, 2020) provides for the issuance of up to 100,000 shares of common stock plus (i) the number of common stock authorized and unissued under

the 2010 Plan (as of April 29, 2020, 125,465 shares), and (ii) the number of shares of common stock authorized and unissued under the Nonemployee Director Plan (as of April 29, 2020, 24,500 shares) in the form of either nonqualified or incentive stock option grants. At the April 24, 2024 Annual Shareholders meeting, the Company's shareholders approved an increase in the number of common stock available for granting either nonqualified or incentive stock options to officers and key employees under the Company's 2020 Stock Option Plan (the "2020 Plan") by 100,000 shares. Participants in the 2020 Plan may include employees, officers, directors, consultants and advisors of the Company.

Grants under the 2020 Plan are (as they were under the 2010 Plan and Nonemployee Directors Plan) made by the Compensation Committee of the Board of Directors at a price of not less than 100% of the fair market value on the date of grant. If an incentive stock option is granted to an individual who owns more than 10% of the voting rights of the Company's common stock, the option exercise price may not be less than 110% of the fair market value on the date of grant. The term of the options may not exceed 10 years, except in the case of nonqualified stock options, whereby the terms are established by the Compensation Committee. Options may be exercisable in whole or in installments, as determined by the Compensation Committee.

Stock option activity under the 2010 Plan, 2020 Plan and Nonemployee Directors Plan (collectively, the "Option Plans") as of December 28, 2024 was as follows:

	Number of Shares	Weighted Average Exercise Price	Weighted Average Remaining Contractual Life (years)	Intrinsic Value
Outstanding, December 25, 2021	355,621	\$ 146.03

The fair value of options granted under the Option Plans during 2024, 2023 and 2022 were estimated on the date of the grant using the Black-Scholes option pricing model with the following weighted average assumptions and results:

	Year Ended		
	December 28, 2024	December 30, 2023	December 31, 2022
Risk free interest rate	4.34 %	3.88 %	3.15 %

The total intrinsic value of options exercised during 2024, 2023 and 2022 was \$11.3 million, \$9.2 million and \$6.6 million, respectively. The total fair value of shares vested during 2024, 2023 and 2022 was \$11.1 million, \$11.7 million and \$10.9 million, respectively.

All unexercised options at December 28, 2024 have an exercise price equal to the fair market value on the date of the grant.

Compensation expense of \$1,988,000, \$1,952,400 and \$1,652,400 relating to the vested portion of the fair value of stock options granted was expensed to "Selling, General and Administrative Expenses" in 2024, 2023 and 2022, respectively. As of December 28, 2024, the Company had \$6.6 million of total unrecognized compensation expense related to stock options that is expected to be recognized over the remaining weighted average vesting period of approximately 2.2 years.

7. Debt:

Line of Credit/Term Loan

During 2022, the Company's Line of Credit with CIBC Bank USA (the "Line of Credit") was amended to, among other things:

- Provide for a new \$30.0 million delayed draw term facility, with available draws summarized as follows:
 - The Company may draw up to five (5) loans over a period of 18 months, each draw having a principal amount not less than \$3.0 million (or higher integral multiples of \$1.0 million), with aggregate draws outstanding not to exceed \$30.0 million;
 - The final maturity of all drawn loans of April 12, 2029, with all payments of principal due on such date;
 - Interest at a rate to be determined at the time of each draw, payable monthly in arrears on the outstanding aggregate principal balance.
- Decrease the aggregate commitments for revolving loans from \$25.0 million to \$20.0 million;
- Extend the termination date for revolving loans from August 31, 2024 to April 12, 2027;
- Remove the borrowing base covenant restriction for revolving loans;
- Replace LIBOR with SOFR as an interest rate option in connection with borrowings on revolving loans and adjust the definition of and reduce the applicable margin to reflect such replacement;
- Amend the fixed charge coverage ratio definition to exclude principal payments on non-amortizing term loans that are refinanced with proceeds from permitted debt (as defined within the amendment);
- Permit the Company to issue additional term notes under a new Private Shelf Agreement with Prudential as described below.

As of December 28, 2024, there were no revolving loans outstanding under the Line of Credit, leaving \$20.0 million available for additional revolving borrowings. During the year ended December 28, 2024, the Company had delayed draw term loan borrowings totaling \$30.0 million under the Line of Credit bearing interest ranging from 4.60% to 4.75%.

The Line of Credit has been and will continue to be used for general corporate purposes. The Line of Credit is secured by a lien against substantially all of the Company's assets, contains customary financial conditions and covenants, and requires maintenance of minimum levels of debt service coverage and maximum levels of leverage (all as defined within the Line of Credit). As of December 28, 2024, the Company was in compliance with all of its financial covenants.

The Line of Credit allows the Company to choose between two interest rate options in connection with its borrowings. The interest rate options are the Base Rate (as defined) and the SOFR Rate (as defined) plus an applicable margin of 0% and 1.75%, respectively. Interest periods for SOFR borrowings can be one month. The Line of Credit also provides for non-utilization fees of 0.25% per annum on the daily average of the unused commitment.

Notes Payable

The Company has a Note Agreement (the "Note Agreement") with PGIM, Inc. (formerly Prudential Investment Management, Inc.) (collectively, "Prudential"). During 2022, the Note Agreement with Prudential was amended to, among other things:

- Permit the Company to incur the obligations described in and conform to the changes made by the Company's entry into the amendments to the Line of Credit described above;
- Permit the Company to incur the obligations described in and conform to the changes made by the Company's entry into the Shelf Agreement described below.

In December 2024, the Company optionally prepaid the remaining balance of the Series A of \$1.5 million and the Series B note of \$3.4 million, both inclusive of accrued interest and a de minimis Yield Maintenance Amount. The prepayment was made with cash on hand.

As of December 28, 2024, the Company had aggregate principal outstanding of \$30.0 million under the Note Agreement; consisting of the principal outstanding from the \$30.0 million Series C notes issued in September 2021.

The final maturity of the Series C notes is 7 years from the issuance date. For the Series C notes, interest at a rate of 3.18% per annum on the outstanding principal balance is payable quarterly until the principal is paid in full. The Series C notes may be prepaid, at the option of the Company, in whole or in part (in a minimum amount of \$1.0 million), but prepayments require payment of a Yield Maintenance Amount, as defined in the Note Agreement.

The Company's obligations under the Note Agreement are secured by a lien against substantially all of the Company's assets (as the notes rank *pari passu* with the Line of Credit), and the Note Agreement contains customary financial conditions and covenants, and requires maintenance of minimum levels of fixed charge coverage and maximum levels of leverage (all as defined within the Note Agreement). As of December 28, 2024, the Company was in compliance with all of its financial covenants.

In connection with the Note Agreement, the Company incurred debt issuance costs, of which unamortized amounts are presented as a direct deduction from the carrying amount of the related liability.

In April 2022, the Company entered into a Private Shelf Agreement (the "Shelf Agreement") with Prudential, summarized as follows:

- For a period three years from entry into the Shelf Agreement, subject to certain customary conditions, the Company may offer and Prudential may purchase from the Company privately negotiated senior notes ("Shelf Notes") in the aggregate principal amount up to (i) \$100.0 million, less (ii) the aggregate principal amount of notes outstanding at such point (including notes outstanding under the existing Prudential Note Agreement);
- Each Shelf Note issued will have an average life and maturity of no more than 12.5 years from the date of original issuance, with interest payable at a rate per annum determined at the time of each issuance;
- The Shelf Notes will be secured by all of the Company's assets and the Shelf Notes will rank *pari passu* with the Company's obligations to the lenders under the amended Line of Credit and the amended Note Agreement;
- The Shelf Notes may be prepaid, at the option of the Company, in whole or in part (in a minimum amount of \$1 million), but prepayments require payment of a Yield Maintenance Amount (as defined within the Shelf Agreement);
- The Shelf Agreement contains customary affirmative covenants and negative covenants that are substantially the same as those contained in the amended Line of Credit and amended Note Agreement.

As of December 28, 2024, the Company had not issued any notes under the Shelf Agreement and was in compliance with all of its financial covenants.

As of December 28, 2024, required payments of the notes payable and term loans for each of the next five years and thereafter are as follows:

Accrued liabilities at December 28, 2024 and December 30, 2023 are as follows:

	<u>December 28, 2024</u>	<u>December 30, 2023</u>

	<u>\$ 1,866,200</u>	<u>\$ 2,858,200</u>

9. Contract Liabilities:

The Company's contract liabilities for its franchise revenues consist of deferred revenue associated with franchise fees and software license fees. The table below presents the activity of the current and noncurrent deferred franchise revenue during fiscal years 2024 and 2023, respectively:

	<u>December 28, 2024</u>	<u>December 30, 2023</u>
Balance at beginning of period	\$ 9,323,600	\$ 8,618,100
Franchise and software license fees collected from franchisees, excluding amount earned as revenue during the period	2,046,900	2,470,600
Fees earned that were included in the balance at the beginning of the period	(1,683,200)	(1,765,100)
Balance at end of period	<u>\$ 9,687,300</u>	<u>\$ 9,323,600</u>

The following table illustrates future estimated revenue to be recognized for the next five fiscal years and fiscal years thereafter related to performance obligations that are unsatisfied (or partially unsatisfied) as of December 28, 2024:

<u>Contract Liabilities expected to be recognized in</u>	<u>Amount</u>
2025	\$ 1,659,700
2026	1,455,300
2027	1,280,600
2028	1,111,200
2029	962,800
Thereafter	3,217,700
	<u>\$ 9,687,300</u>

We have applied the optional exemption, as provided for under ASC Topic 606, *Revenue from Contracts with Customers*, which allows us to not disclose the transaction price allocated to unsatisfied performance obligations when the transaction price is a sales-based royalty.

10. Operating Leases:

As of December 28, 2024, the Company leases its Minnesota corporate headquarters in a facility with an operating lease that expires in December 2029. Our lease includes both lease (fixed payments including rent) and non-lease components (common area or other maintenance costs and taxes) which are accounted for as a single lease component as we have elected the practical expedient to group lease and non-lease components for all leases. The lease provides us the option to extend the lease for two additional five year periods. The lease renewal option is at our sole discretion; therefore, the renewals to extend the lease term are not included in our right of use asset and lease liabilities as they are not reasonably certain of exercise. The weighted average remaining lease term for this lease is 5.0 years and the discount rate is 5.5%. As our lease does not provide an implicit rate, we use our incremental borrowing rate based on the information available at the lease commencement date in determining the present value of the lease payments. The Company recognized \$1,067,400, \$1,171,100 and \$1,207,200 of rent expense for the periods ended December 28, 2024, December 30, 2023 and December 31, 2022, respectively.

Maturities of operating lease liabilities is as follows as of December 28, 2024:

<u>Operating Lease Liabilities expected to be recognized in</u>	<u>Amount</u>
2025	\$ 806,000
2026	828,200
2027	851,100
2028	874,600
2029	898,700
Thereafter	—
Total lease payments	4,258,600
Less imputed interest	(542,800)
Present value of lease liabilities	<u>\$ 3,715,800</u>

Of the \$3.7 million operating lease liability outstanding at December 28, 2024, \$0.6 million is included in Accrued liabilities in the Current liabilities section of the Consolidated Balance Sheets.

For leases that contain predetermined fixed escalations of the minimum rent, we recognize the related rent expense on a straight-line basis from the date we take possession of the property to the end of the initial lease term. We record any difference between the straight-line rent amounts and amounts payable under the leases as an adjustment to the amortization of the operating lease right of use asset and operating lease liabilities.

Cash or lease incentives received upon entering into certain leases (“tenant allowances”) are recognized on a straight-line basis as a reduction to rent from the date we take possession of the property through the end of the initial lease term. In 2019, we recorded a \$2.1 million tenant allowance for non-cash landlord leasehold improvements received as a reduction to the operating lease right of use asset. The reduction in rent also causes a reduction in the amortization of the operating lease right of use asset through the end of the initial lease term.

The Company’s policy for leases with a term of twelve months or less is to exclude these short-term leases from our right of use asset and lease liabilities.

Supplemental cash flow information related to our operating leases is as follows for the periods ended December 28, 2024 and December 30, 2023:

	Year Ended	
	December 28, 2024	December 30, 2023

Total net deferred tax assets	<u>\$ 4,211,800</u>	<u>\$ 4,052,400</u>

The Company has assessed its taxable earnings history and prospective future taxable income. Based upon this assessment, the Company has determined that it is more likely than not that its deferred tax assets will be realized in future periods and no valuation allowance is necessary, except for the deferred tax assets related to the foreign tax credits. The foreign tax credits will expire after 10 years. As a result, valuation allowances of \$530,000 and \$350,000 as of December 28, 2024 and December 30, 2023, respectively, have been recorded.

The amount of unrecognized tax benefits, including interest and penalties, as of December 28, 2024 and December 30, 2023, was \$1,663,400 and \$1,345,000, respectively, primarily for potential state taxes. All of these unrecognized tax benefits, if recognized, would impact the effective tax rate.

The Company recognizes interest accrued related to unrecognized tax benefits and penalties as income tax expense for all periods presented. The Company had accrued approximately \$369,100 and \$261,900 for the payment of interest and penalties at December 28, 2024 and December 30, 2023, respectively.

The following table summarizes the activity related to the Company's unrecognized tax benefits:

	<u>Total</u>
Balance at December 31, 2022	<u>\$ 871,300</u>
Increases related to current year tax positions	277,600
Expiration of the statute of limitations for the assessment of taxes	<u>(65,800)</u>
Balance at December 30, 2023	<u>1,083,100</u>
Increases related to current year tax positions	283,100
Expiration of the statute of limitations for the assessment of taxes	<u>(71,900)</u>
Balance at December 28, 2024	<u>\$ 1,294,300</u>

The Company and its subsidiaries file income tax returns in the U.S. federal, numerous state and certain foreign jurisdictions. With few exceptions, we are no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2020. The Company is currently under examination by the Internal Revenue Service for the 2022 tax year. We expect various statutes of limitation to expire during the next 12 months. Due to the uncertain response of taxing authorities, a range of outcomes cannot be reasonably estimated at this time.

12. Commitments and Contingencies:

Employee Benefit Plan

The Company provides a 401(k) Savings Incentive Plan which covers substantially all employees. The plan provides for matching contributions and optional profit-sharing contributions at the discretion of the Board of Directors. Employee contributions are fully vested; matching and profit sharing contributions are subject to a five-year service vesting schedule. Company contributions to the plan for 2024, 2023 and 2022 were \$364,900, \$371,200 and \$397,700, respectively.

Litigation

From time to time, the Company is exposed to asserted and unasserted legal claims encountered in the normal course of business. Management believes that the ultimate resolution of these matters will not have a material adverse effect on the consolidated financial position or results of operations of the Company.

13. Segment Reporting:

The Company currently has one reportable business segment, franchising, and one non-reportable operating segment. The franchising segment franchises value-oriented retail store concepts that buy, sell and trade merchandise. The non-reportable operating segment includes the Company's equipment leasing business. Segment reporting is intended to give financial statement users a better view of how the Company manages and evaluates its businesses. The Company's CODM is its Chief Executive Officer. Our CODM primarily reviews revenue and income from operations for purposes of allocating resources and evaluating financial performance. Expenses are reviewed on a consolidated basis. The Company's internal management reporting is the basis for the information disclosed for its operating segments. The following tables summarize financial information by segment and provide a reconciliation of segment contribution to income from operations:

ONCE UPON A CHILD®

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT is made and entered into this ____ day of _____, 20____, by and between WINMARK CORPORATION, a Minnesota corporation (“Franchisor”), and _____ (“Franchisee”).

BACKGROUND:

A. Franchisor franchises children’s resale stores known as “Once Upon A Child” stores (“Once Upon A Child® Stores”) which feature quality new and used children’s apparel, toys, equipment, furniture and accessories. Franchisor uses and licenses certain trademarks, including “Once Upon A Child,” and may hereafter adopt, use and license additional or substitute trademarks, service marks, logos and commercial symbols in connection with the operation of Once Upon A Child® Stores (collectively, the “Marks”). Once Upon A Child® Stores use Franchisor’s methods, procedures, standards, specifications and the Marks (all of which are collectively referred to as the “Business System”), which Franchisor may periodically improve, further develop or otherwise modify.

B. Franchisee has had an adequate opportunity to be thoroughly advised of the provisions of this Agreement and Franchisor’s Disclosure Document and has had sufficient time and opportunity to evaluate and investigate the Business System and the procedures and financial requirements associated with the Business System as well as the competitive market in which it operates.

C. Franchisee desires to operate a Once Upon A Child® Store which will conform to the uniform requirements and quality standards of the Business System.

AGREEMENTS:

The Franchisor and Franchisee agree as follows:

1. GRANT OF FRANCHISE; FRANCHISED LOCATION

A. Grant of Franchise. Subject to the provisions stated below, Franchisor grants to Franchisee a personal and non-exclusive license and franchise to operate a Once Upon A Child® Store using the Marks as designated by Franchisor from time to time (the “Store”) in conformity with Franchisor’s Business System at a location within the development area specified in Exhibit A attached hereto. The specified area identified in Exhibit A is referred to as the “Development Area.” Franchisee will operate the Store under Franchisor’s Business System in strict compliance with the provisions of this Agreement and only at a location within the Development Area approved by the Franchisor (the “Franchised Location”). Franchisee will purchase only such types, models or brands of fixtures, furniture, equipment, signs, inventory and supplies that Franchisor approves for Once Upon A Child® Stores as meeting its specifications and standards, including standards and specifications for quality, design, warranties, appearance, function and performance.

B. Franchisee’s Protected Area; Rights Reserved By Franchisor. During the term of this Agreement, Franchisor will not establish for its own account or franchise others the right to operate a

Once Upon A Child® Store from a permanent location within the area specified in Exhibit A. The exclusive area identified in Exhibit A, which includes the Development Area, is referred to as the “Exclusive Territory.” Franchisee understands, however, that Franchisor, its affiliates or their licensees may sell any products or services under trademarks or other commercial symbols other than the Marks inside or outside of the Exclusive Territory. Notwithstanding anything provided for in this Agreement, Franchisor, its affiliates or their licensees also may sell products or services under the Marks inside or outside of the Exclusive Territory: through other channels of distribution, including the Internet (or any similar form of electronic commerce developed in the future) as long as such activities are not for the sole benefit of Franchisor but provide some benefit to Once Upon A Child® franchisees in general. The rights and privileges granted to Franchisee under this Agreement are personal in nature, and may not be used at any location other than the Franchised Location. Franchisee will not relocate the Once Upon A Child® Store without Franchisor’s prior written consent and will not open any other Once Upon A Child® Store in the Exclusive Territory. Franchisee will not have the right to subfranchise or sublicense any of its rights under this Agreement. Franchisee will not use the Franchised Location for any purposes other than the operation of a Once Upon A Child® Store. Termination or expiration of this Agreement shall constitute a termination or expiration of the rights and license granted herein to Franchisee.

2. TERM OF FRANCHISE; RENEWAL RIGHTS

A. Term. The term of this Agreement will be for ten (10) years, commencing on the date of this Agreement, unless terminated sooner in accordance with the terms hereof.

B. Renewal. The Franchisee will have the right to renew its Once Upon A Child® franchise for the Franchised Location for continuing ten (10) year terms provided Franchisee meets the following conditions:

1. Franchisee has given Franchisor written notice at least one hundred eighty (180) days before the end of the term of this Agreement of its intention to renew;

2. Franchisee has complied with all of the material provisions of this Agreement, including the payment of all monetary obligations owed by Franchisee to Franchisor and its affiliates and suppliers, has complied with Franchisor’s material operating and quality standards and procedures during the term of the Franchise Agreement and meets all current brand standards;

3. Franchisee has at its expense made such reasonable capital expenditures necessary to remodel, modernize and redecorate the business premises and to replace and modernize the supplies, fixtures, and equipment used in Franchisee’s business so that Franchisee’s business reflects the then-current physical appearance of new Once Upon A Child® Stores and meets all current brand standards;

4. Franchisee has paid a Renewal Fee of Ten Thousand Dollars (\$10,000) to Franchisor at least thirty (30) days before the expiration of the initial (and any renewal) term of this Agreement;

5. Franchisee, at Franchisor’s option, executes the standard Franchise Agreement then being used by Franchisor, provided, however, that Franchisee will be required to pay the Renewal Fee in lieu of the Initial Franchise Fee stated in such Franchise Agreement, and that such Franchise Agreement may not contain any further rights of

renewal, but may contain royalty rates and advertising contributions (which may be different than those contained in this Agreement), and an altered Exclusive Territory: and

6. Franchisee is able to secure a renewal or extension of the lease for the Franchised Location or is able to secure a new location within the Development Area which has been accepted by Franchisor, such acceptance not to be unreasonably withheld.

3. OWNERSHIP AND USE OF MARKS

A. Ownership. Franchisor is the exclusive owner of all right, title and interest in and to the Marks and Business System, and all past, present or future goodwill of Franchisee's Once Upon A Child® Store and of the business conducted at the Franchised Location that is associated with or attributable to the Marks. Franchisee's use of the Marks and the Business System will inure to the benefit of Franchisor. Franchisee disclaims all right, title and interest in or to such goodwill and the Marks and the Business System, and acknowledges and agrees that such goodwill and the Marks and the Business System are the exclusive property of Franchisor. Any and all improvements, ideas and additions by Franchisee relating to the Marks or Business System, and new trademarks, service marks, logos or commercial symbols relating to the Franchised Location, and any suggestions, comments or other feedback relating to the Business Systems (collectively, "Improvements") will become the sole property of Franchisor, without liability or compensation to Franchisee, and Franchisor shall have the exclusive right to register and protect all Improvements in its name. Franchisee will execute any document required by Franchisor to transfer any Improvements to Franchisor.

B. Use. Franchisee's right to use and identify with the Marks and Business System applies only to the operation of the Store at the Franchised Location, and exists concurrently with the term of this Agreement and only so long as Franchisee is in complete compliance with Franchisor's quality and operating standards. Franchisee will have the right to use the Marks and Business System only in the manner Franchisor directs and approves in writing. Franchisee will not have or acquire any rights in any of the Marks or Business System other than the right of use as governed by this Agreement. If, in the judgment of Franchisor, Franchisee's acts infringe upon or harm the goodwill, standards of uniformity or quality, or business standing associated with the Marks and Business System, Franchisee will immediately, upon written notice from Franchisor, modify or discontinue its use of the Marks and Business System in the manner Franchisor directs in writing. Franchisee will not, during or after the term of this Agreement, do anything directly or indirectly which would infringe upon, harm, mislead or contest Franchisor's rights in the Marks or Business System, or the goodwill associated with the Marks or the Business System. Franchisee cannot advertise any liquidation or going-out-of-business sales or any similar types of activity.

C. Promotion. Franchisee will operate the Store so that it is clearly identified and advertised as a Once Upon A Child® Store. The style, form and use of the words "Once Upon A Child" in any advertising, written materials or supplies must, however, have Franchisor's prior written approval, which approval shall not be unreasonably withheld. Franchisee will use the name "Once Upon A Child" and the other Marks which now or hereafter may form a part of Franchisor's Business System, on all paper supplies, business cards, letterhead, envelopes, uniforms, advertising materials, signs or other articles in the identical combination and manner as Franchisor may require in writing. Franchisee will comply with all trademark, trade name, service mark and copyright notice marking requirements.

D. Identity. Franchisee shall not use the words "Once Upon A Child" in its corporate or partnership name. Franchisee will clearly indicate on its business checks, purchase orders, business cards, receipts, promotional materials and other written materials that Franchisee is the owner of the Store and that

Franchisee is a Once Upon A Child® franchisee. Franchisee will display a sign which is clearly visible to the general public indicating that the Store is independently owned and operated.

E. Substitutions. If at any time Franchisor determines it advisable or necessary, Franchisee will, upon receiving written notice from Franchisor, immediately, at its expense, make such changes and amendments or discontinuations of or to any or all of the Marks as Franchisor may require. Franchisee will not make any changes, amendments or discontinuations of or to the use of any of the Marks and Business System unless directed by Franchisor in writing.

F. Litigation. Franchisee will not, without Franchisor's prior written consent, defend or enforce any of the Marks in any court or other proceedings for or against imitation, infringement, any claim of prior use, or for any other allegation. Franchisee will, however, immediately notify Franchisor of any claims or complaints made against Franchisee respecting the Marks and will, at its expense, cooperate in all respects with Franchisor in any court or other proceedings involving the Marks. Franchisor will pay the cost and expense of all litigation Franchisor incurs, including attorneys' fees, specifically relating to the Marks. Franchisor and its legal counsel will have the right to control and conduct any litigation relating to the Marks.

G. Crisis Communication. Franchisor will have the sole and absolute discretion to determine what steps will be taken in instances of a crisis that impacts the Once Upon A Child® brand and may cause harm or injury to the Once Upon A Child® Marks, Business System, reputation or image.

H. Affixing Notice. Franchisee hereby covenants and agrees that it will affix in a conspicuous location in or upon the Franchised Location, a sign containing a form of notice substantially in the following form, or such other form as Franchisor may require:

“We are pleased to inform you that this is an independent locally owned and operated franchise business.”

4. INITIAL FRANCHISE FEE

Franchisee will pay Franchisor a non-refundable Initial Franchise Fee of Twenty Five Thousand Dollars (\$25,000), which will be fully earned and payable on the date of this Agreement. The Initial Fee payable by Franchisee is payment to Franchisor for the costs that it will incur to get Franchisee into business, including costs Franchisor incurs for training, site evaluation, business overhead costs, travel costs, and for the other initial services Franchisor provides hereunder.

5. CONTINUING FEE

A. Continuing Fee. Franchisee will, for the term of this Agreement, pay to Franchisor a Continuing Fee equal to five percent (5%) of Franchisee's Gross Sales (as defined below). Franchisee's obligation to pay Franchisor the Continuing Fee under the terms of this Agreement will remain in full force and effect until this Agreement has expired or is terminated or transferred under the provisions herein.

B. Payment. Franchisee will sign electronic transfer of funds authorizations, and/or other documents or instruments as Franchisor designates or Franchisor's bank requires for Franchisor to draw on Franchisee's account, so that Franchisor may electronically collect (draft on Franchisee's account by electronic withdrawal) the Continuing Fees due from Franchisee under Section 5(A) of this Agreement or other fees due from Franchisee to Franchisor. Franchisee will report to Franchisor (in a form and by a method designated by Franchisor) on or before Wednesday of each week its Gross Sales for the previous

week. A week is defined as Sunday through Saturday. For the purpose of clarification, the form and method of reporting the Gross Sales (and other) information may include Franchisor's weekly electronic retrieval of this information directly from Franchisee's POS System. If Franchisee does not report its Gross Sales on a timely basis using the form and method designated by Franchisor, Franchisor may estimate Franchisee's Gross Sales and prepare an estimate of Continuing Fees owed for that week. On Thursday of each week, Franchisor will electronically collect from Franchisee all Continuing Fees due for the previous week as described above. Franchisee shall thereafter maintain a balance in its account sufficient to allow Franchisor to collect the amounts owed to Franchisor when due. Franchisee agrees that Franchisor has the right to require Franchisee to pay by electronic transfer of funds regardless of whether Franchisor imposes the same requirement on other franchisees. Any unpaid Continuing Fee or other amounts past due and owing to Franchisor will bear interest at the rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less. Franchisee will pay Franchisor for any and all costs Franchisor incurs in collecting any unpaid and past due Continuing Fees, including reasonable attorneys' fees.

C. Gross Sales. The term "Gross Sales" means the total amount of all revenues Franchisee receives from the sale of goods and services, whether for cash or by check, credit card, or trade, in connection with the Store, less customer refunds and returns. Gross Sales will include any sales permitted through the Internet and wholesale transactions involving any party other than a Once Upon a Child® franchisee who is in good standing with Franchisor. Gross Sales will not include sales taxes collected from customers and actually paid to appropriate tax authorities.

6. ADVERTISING AND MARKETING

A. Cooperative Advertising. Franchisee will participate in, support and contribute a proportionate share, but no more than an amount equal to five percent (5%) of the Gross Sales for the Store, of the cost of cooperative advertising programs either designated by Franchisor or approved by a majority of the advertising cooperative membership (provided a majority includes at least two (2) unaffiliated franchisees). Franchisor reserves the right to designate advertising cooperative markets, to establish advertising cooperatives and to establish the bylaws, policies and other rules under which such cooperatives will operate. If an advertising cooperative is formed and Franchisee does not participate, Franchisee is still obligated to pay the advertising cooperative fees required of members and to abide with the cooperative's bylaws, policies and other rules.

B. Local Marketing Expenditures. To the extent Franchisee's annual contributions to cooperative advertising programs described in Section 6(A) above are less than five percent (5%) of the Gross Sales for the Store, or if Franchisee cannot participate in any regional cooperative advertising program because such a program has not been established in Franchisee's geographic area, Franchisee will then be obligated to conduct advertising and marketing activities in Franchisee's local geographic area; provided that Franchisee's local marketing activities will not reduce, eliminate or otherwise impact Franchisee's obligations under Section 6(A) above. Franchisee's local marketing expenditures will include advertising, merchandising, sales promotion and other forms of marketing at the local level. On or before January 31 of each year, Franchisee will provide Franchisor with an accounting of the monies that it has spent for approved regional cooperative advertising and local marketing for the preceding calendar year (January through December). If Franchisee has failed to spend at least five percent (5%) of its Gross Sales for the calendar year for approved regional cooperative advertising or local marketing, Franchisee may be required to deposit with Franchisor the difference between what it should have spent for advertising and marketing during the calendar year and what it actually spent for advertising and marketing during the calendar year. Franchisor will spend such amounts for any type of advertising or marketing that Franchisor deems appropriate for Franchisee's business, although Franchisor will use reasonable efforts to spend such amounts in Franchisee's geographic area.

C. Marketing Fee. In addition to Franchisee's local advertising obligations described in Section 6(B) above, Franchisee will pay to Franchisor an annual Marketing Fee of One thousand Five Hundred Dollars (\$1,500) which will be payable on the first day of January of each year. Franchisee's initial payment will be prorated based on the effective date of the Franchise Agreement and invoiced immediately. Franchisor may, with a minimum of 60 days' prior written notice, increase the yearly Marketing Fee. Said fee will not increase more than \$1,000 during the term of this Agreement. Franchisor will use the Marketing Fee to conduct advertising research and public relations campaigns, develop websites and other online media programs, develop marketing materials such as television, radio, Internet and print advertising production and promotional materials for use in each franchisee's local market, and implement advertising and marketing campaigns.

D. Future Advertising Programs. Franchisee acknowledges and agrees that as the Once Upon A Child® franchise system continues to expand and mature, it will be necessary to revise Franchisee's advertising obligations. Franchisee agrees that Franchisor may, upon sixty (60) days' written notice, increase Franchisee's minimum advertising expenditures up to a total of six percent (6%) of Franchisee's Gross Sales, and require Franchisee to pay to Franchisor, on such terms and at such time as Franchisor may from time to time require, for deposit in an "Advertising Fund" an "Advertising Fee" of up to two percent (2%) of Franchisee's Gross Sales. In such event, Franchisee's advertising obligations under Section 6(A) (and, if appropriate, Section 6(B)) above will be reduced to four percent (4%) of the Gross Sales for the Store. All Advertising Fees will be placed in an Advertising Fund administered by Franchisor. Reasonable disbursements from the Advertising Fund may be made solely for the payment of expenses incurred in connection with the general promotion of the Marks and the Business System, including the cost of formulating, developing and implementing advertising and promotional campaigns; and the reasonable costs of administering the Advertising Fund, including accounting and other professional expenses and the actual costs of salaries and fringe benefits paid to Franchisor's employees or contractors engaged in administration of the Advertising Fund. Although the Franchisor will strive to manage the Advertising Fund in such a manner that benefits franchisees uniformly, taking into account regional and/or local advertising costs and forms of media available, Franchisor cannot insure that any individual franchisee benefits directly or on a pro rata basis from the future placement of any such advertising in its local market. Without limiting the generality of the foregoing, Franchisor is under no obligation to administer or distribute the Advertising Fund according to any particular geographic area or territory, whether in Canada, the United States, or otherwise, and furthermore is under no obligation to do so within the Exclusive Territory. Franchisor shall determine the methods of advertising, media employed and contents, terms and conditions of advertising campaigns and promotional programs. Franchisor will provide Franchisee an annual unaudited statement of the receipts and disbursements of the Advertising Fund.

E. Approved Advertising and Marketing Materials. Franchisee will use only approved advertising and marketing materials. If Franchisee desires to use any unapproved advertising or marketing materials bearing the name "Once Upon A Child" or other Marks, Franchisee must obtain written approval from Franchisor before using any such materials.

F. Promotion. Franchisee will use its best efforts to promote and advertise its Once Upon A Child® business and will participate in all advertising and marketing programs Franchisor establishes. Franchisee will participate, at its own expense, in the Once Upon A Child® national (electronic) gift card program and approved e-mail marketing, SMS and loyalty programs. Franchisee will have the right to advertise and sell its products at whatever prices Franchisee determines.

G. Media Placement. Franchisee will use the approved vendors designated by Franchisor for broadcast media placement and online advertising for its pre-opening and first year marketing activities.

7. FRANCHISOR'S OBLIGATIONS

A. Location. Franchisor will provide Franchisee with assistance respecting site location and evaluation for the Store to ensure consistency with the Business System standards. Franchisee acknowledges that any assistance (including site selection and project oversight) provided by Franchisor or its nominee in relation to the selection or development of the Store is only for the purpose of determining compliance with the Business System standards and does not constitute a representation, warranty, or guarantee, express, implied or collateral, regarding the choice and location of the Store, that the development of the Store is free of error, nor that the franchised business is likely to achieve any level of volume, profit or success.

B. Lay-Out and Design. Franchisee shall construct and equip the Store in accordance with the time table or schedule specified by, and in conformity with the standard layout plans, specifications and motif provided by Franchisor. Following receipt of such materials from Franchisor, the responsibility and cost of customizing specific plans, specifications and drawings to the Store (upon prior approval of Franchisor) and all costs and expenses pertaining to the construction and equipping of the Store shall be borne exclusively by Franchisee. Franchisor shall have the right to inspect the construction and development of the Store at all reasonable times to ensure conformity with applicable standards.

C. Equipment, Supplies and Inventory. Franchisee agrees to use in the operation of the franchised business only those service providers, manufacturers, brands or types of fixtures, equipment (including without limitation, computer, cash register system), and signs that Franchisor will designate and approve. Franchisee may purchase approved brands or types of fixtures, equipment and signs only from suppliers approved by Franchisor, which may include Franchisor or its affiliates. Franchisee further agrees to place or display at the Store (interior and exterior) only such signs, emblems, lettering, logos and display materials that are from time to time approved in writing by Franchisor, which approval may be given or withheld by Franchisor.

D. Training. Franchisor will, at its expense, provide a two-part training program in Minneapolis, Minnesota, online, or at such other location Franchisor designates to educate, familiarize and acquaint Franchisee with the business of operating a Once Upon A Child® Store. The first session of the training program will include instruction on general business issues related to the ownership of a privately-owned retail business, such as, by way of example only, real estate matters, business plan development, new and used product purchasing, Franchisor's service vendor program, and other topics Franchisor selects. The period of this session will be at Franchisor's discretion but generally will be for not less than four (4) days and will be scheduled by Franchisor. The second session of the training program may include instruction on sales and marketing, buying new and used products, inventory management, personnel issues, computer operation, store management and other topics Franchisor selects. The period of this session will be at Franchisor's discretion but generally will be for not less than five (5) days and will be scheduled by Franchisor. Franchisee (or such other trainees required by Franchisor) must successfully complete both sessions of the training program. If Franchisee (or such other trainees required by Franchisor) fails to successfully complete both sessions, he/she will not be permitted or authorized to manage Franchisee's business and Franchisor may terminate this Agreement pursuant to Section 15. Franchisee will be responsible for travel costs, room and board, the salaries, fringe benefits and other expenses Franchisee and its employees and designated trainees incur in attending both sessions of the training program.

E. Opening Assistance. Franchisor will assist in scheduling the opening of the Store. Franchisee will not open or commence business operations until Franchisee has received written approval from Franchisor. Franchisor's approval may be withheld if Franchisee fails to meet minimum inventory requirements, training and/or marketing requirements or brand standards established by Franchisor.

Franchisor will, at no charge, provide pre-opening assistance prior to Franchisee's Store opening. Franchisor will also provide assistance with the store opening around the time of grand opening.

F. Operations Manual. Franchisor will provide Franchisee with an electronic copy of the Operations Manual and one or more other confidential manuals (collectively, the "Manuals") wherein Franchisor will describe its operational policies, standards, requirements and practices as such things are modified and amended by Franchisor from time to time. The Manuals may also include computer software, information available on an Internet/Extranet site and other electronic media that Franchisor may change from time to time. Franchisee will comply with all provisions of the Manuals. Franchisor reserves the right to revise the Manuals at any time.

G. Additional Initial Assistance. Franchisor will assist Franchisee in the development of a business plan. Franchisor and Franchisee may also agree that Franchisor provide management assistance and other services, in addition to the usual initial assistance and supervision Franchisor provides to all Franchisees, for additional agreed upon compensation.

H. Ongoing Assistance. During the operation of Franchisee's business, Franchisor will: (1) inspect the Store as often as Franchisor deems necessary and provide written reports to Franchisee on operations; (2) provide, upon the written request of Franchisee, advisory services pertaining to operation of Franchisee's business; (3) periodically make available to Franchisee all changes, improvements and additions to the Business System to the same extent as made available to other franchisees; (4) provide Franchisee with all supplements and modifications to the Manuals; (5) develop advertising and marketing materials. Any evaluation or inspection Franchisor conducts is not intended to exercise, and does not constitute, control over Franchisee's day-to-day operation of the Business or to assume any responsibility for Franchisee's obligations under this Agreement.

8. OPERATION OF THE FRANCHISEE'S BUSINESS

The Marks and Business System licensed to Franchisee represent valuable goodwill distinctive of Franchisor's business and reputation. Franchisor will periodically develop uniform standards of quality and service regarding the business operations of the Store so as to protect (for the benefit of all franchisees and Franchisor) the distinction, valuable goodwill and uniformity represented and symbolized by the Marks and Business System. To ensure that all franchisees will maintain the uniform requirements and quality standards for goods and services associated with the Once Upon A Child® Stores and with the Marks and Business System, Franchisee will maintain the uniformity and quality standards Franchisor reasonably requires for all products and services and agrees to the following provisions:

A. Managerial Responsibility. During the term of this Agreement, the parties who have signed this Agreement on behalf of the Franchisee will personally manage and operate the Store and will not, without Franchisor's prior written consent, delegate its authority and responsibility with respect to management and operation. If Franchisee is a corporate entity or a partnership, one individual will retain at least fifty percent (50%) of the equity and voting interest in such corporation or partnership and will be obligated to personally manage and operate the Store.

B. Design and Appearance of Premises. The design and appearance of the exterior and interior of the Store, including signage, are part of Franchisor's Business System. It is essential to the integrity of the Business System that as great a degree of uniformity as possible be maintained among the various premises of Once Upon A Child® franchisees. Without limitation to anything provided for in this Agreement, Franchisee agrees that: (1) no addition or alteration will be made to the premises without Franchisor's prior written consent; (2) the painting and decor will be maintained in such manner and form as

Franchisor may require; (3) Franchisee will follow Franchisor's instructions respecting layout and character of interior fixtures and furnishings; and (4) only such signs, emblems, logos, lettering, and artwork as Franchisor may require or periodically provide will be displayed on the Store premises. Franchisee must follow Franchisor's current standards regarding the design and appearance of the premises.

C. General Operation. Franchisee will use the Marks and Business System in strict compliance with the standards, operating procedures, specifications, requirements and instructions required of all Once Upon A Child® businesses, which Franchisor may periodically amend and supplement. Any required standards exist to protect Franchisor's interests in the Business System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee. The required standards generally will be set forth in the Operations Manual or other written materials. The Operations Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. Franchisee may follow the recommendations or guidelines or some other suitable alternative, provided Franchisee meets and complies with the required standards. In other instances, no suitable alternative may exist. In order to protect Franchisor's interests in the Business System and Marks, Franchisor reserves the right to determine if Franchisee is meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

D. Products and Services. Franchisee will sell only those categories of products and services Franchisor approves in writing and will offer for sale all categories of products and services required by Franchisor from time to time. Franchisee will conform to all quality and customer service standards Franchisor requires in writing. Franchisee will purchase only such types, models or brands of fixtures, furniture, equipment, signs, inventory and supplies that Franchisor approves for Once Upon A Child® Stores as meeting its specifications and standards, including standards and specifications for quality, design, warranties, appearance, function and performance. Franchisee acknowledges and agrees that such items shall be purchased only from sources, manufacturers or suppliers approved or in writing by Franchisor (which sources or suppliers may include Franchisor or affiliates of Franchisor). FRANCHISOR DISCLAIMS ALL WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH FRANCHISOR'S (OR AN AFFILIATE'S) SALE OF ANY GOODS, EQUIPMENT, FURNITURE, SIGNS OR SUPPLIES TO FRANCHISEE. Franchisee agrees to execute any and all documents Franchisor reasonably requests, including letters of credit, security agreements and financing statements, to provide collateral for amounts due to Franchisor for purchases of inventory and other items used in Franchisee's business. Franchisor's approval is not required with respect to children's apparel, toys, equipment, furniture, and accessories. Franchisee purchases from its customers; provided, however, the Franchisee may not sell or offer for sale any goods which have been recalled or would be determined unsafe upon reasonable inspection.

E. Maintenance of Premises; Modernization. Franchisee will, at its expense, repair, paint and keep in an attractive, clean and sanitary condition the interior and exterior of the Store premises. Franchisee will ensure that all equipment will be kept in good working order and will meet Franchisor's quality standards. Franchisee will periodically make capital expenditures to remodel, modernize and redecorate the Store and to replace and modernize the furniture, fixtures, signs, supplies and equipment used in the Store so that the Store will reflect the then-current physical appearance of new Once Upon A Child® Stores. All remodeling, modernization or redecoration of a Store must be done pursuant to Franchisor's then-current standards and specifications and only with Franchisor's prior written approval. Franchisee agrees to commence remodeling activities within ninety (90) days after written notice from Franchisor, although Franchisee will not be required to remodel, modernize and redecorate the Store more than once every five (5) years during the term of this Agreement.

F. Compliance with Laws. Franchisee will, at its expense, comply with all applicable local, state, federal and municipal laws, ordinances, rules and regulations pertaining to the operation of the Store; including any and all licensing and bonding requirements, as well as the Americans with Disabilities Act (“ADA”), the Gramm-Leach-Bliley Act, the Fair Credit Reporting Act (“FCRA”), the Telephone Consumer Protection Act (“TCPA”), the Fair and Accurate Credit Transactions Act (“FACTA”), and the National Automated Clearinghouse Association (“NACHA”) and associated regulations (collectively “Privacy Laws”). No music, videos or television may be played in the Store unless the appropriate licenses are obtained. As stated in Section 8.I, below, participation in the in the Once Upon A Child® approved licensed music program is mandatory. Franchisee must comply with any applicable secondhand dealer laws or ordinances. In addition, to become knowledgeable regarding new or pending laws and other issues that may affect the operation of its business, Franchisee must join and maintain a membership in the state retailer’s association where the Store is located.

If the California Consumer Privacy Act (“CCPA”), Cal. Civ. Code § 1798.100, *et seq.*, or any federal or state privacy law applies to the Franchised Business, whenever and to the extent Franchisee operates as a “Service Provider” under the CCPA or in a similar capacity under any federal or state privacy law, Franchisee represents, warrants, and covenants that:

1. Franchisee will not sell, make available or otherwise disclose any Customer Information to any third party for valuable consideration;
2. Franchisee will retain, use, or disclose Customer Information only for the specific purpose of performing the services specified in this Agreement, and not any commercial or noncommercial purpose other than providing the services specified in this Agreement;
3. Franchisee will not retain, use, or disclose Customer Information outside of the direct business relationship between Franchisee and Franchisor;
4. Franchisee will delete any Customer Information upon Franchisor’s request unless Franchisee can prove that such request is subject to an exception under applicable law; and

Franchisee certifies that it understands the restrictions in Paragraphs 1-4 of this section and will comply with them. Franchisee also acknowledges and agrees that Franchisor may modify the restrictions by written notice to Franchisee, including adding other similar privacy restrictions that may be required under other state or federal privacy laws.

G. Payment of Liabilities. Franchisee will timely pay all of its obligations and liabilities due and payable to Franchisor, suppliers, lessors and creditors.

H. Taxes. Franchisee will promptly pay all federal, state and local taxes arising out of the operation of Franchisee’s business. Franchisor will have no liability for these or any other taxes and Franchisee will indemnify Franchisor for any such taxes that may be assessed or levied against Franchisor which arise or result from Franchisee’s business.

I. Standardization. Franchisee will require its employees to wear such uniforms as Franchisor may designate and will comply with such programs of standardization as Franchisor may periodically develop to promote the common business image and to protect the goodwill associated with the Marks and Business System. Franchisee will participate in the Once Upon A Child® approved licensed music program.

J. Personnel. Franchisee will, at all times when open for business, have a person designated as a management person on duty who will be responsible for the business operations of the Franchisee's business. Franchisee will employ and maintain a sufficient number of adequately trained and competent employees to provide efficient service to Franchisee's customers. Franchisee's employees will not be deemed to be Franchisor's employees for any purpose whatsoever, and nothing in any aspect of the Business System or the Marks in any way shifts any employee or employment related responsibility from Franchisee to Franchisor. Franchisee alone is responsible for hiring, firing, training, setting hours for and supervising all employees.

K. Hours of Operation. Franchisee's Store will be open for business seven (7) days a week. Franchisee's minimum hours of operation shall be M-Sat. 10:00 a.m. to 8:00 p.m. and Sun. 11:00 a.m. to 6:00 p.m. Franchisee may choose to be open additional hours. Franchisee will purchase items from its customers during all hours that it is open for business. The minimum hours of operation may be periodically amended by Franchisor and/or updated in the Operations Manual.

L. Additional Training Seminars. Franchisor may periodically conduct refresher courses, seminars and other programs for all Once Upon A Child® franchisees. Franchisee and/or its employees will be required to attend any such programs and will be responsible for any expenses incurred by them in attending such programs, including the cost of transportation, lodging, meals and any wages.

M. Photographs. Franchisor will have the right to photograph the premises and, with prior written consent, Store employees at all reasonable times.

N. Operations Manual. To protect Franchisor's reputation and goodwill and to maintain uniform operating standards under the Marks and Business System, Franchisee will conduct its business according to Franchisor's Operations Manual and other confidential Manuals provided by Franchisor. Franchisee will receive an electronic or hard copy of each Manual. Franchisee will treat each Manual, together with any other manuals, written directives or software created for or approved for use in the operation of the Store (the "Material") as confidential, and will use all reasonable efforts to maintain the Material as secret and confidential. The Manuals will remain Franchisor's sole property. Franchisor may periodically revise the contents of the Manuals. Franchisee agrees to comply with each new or changed standard. Franchisee will insure that its copy of each Manual is kept current. In the event of any dispute as to the contents of any Manual, the terms of the master copy of such Manual Franchisor maintains will control. At Franchisor's option, Franchisor may post some or all of the Operations Manual and other confidential Manuals and materials on the Extranet to which Franchisee will have access. Any passwords or other digital identifications necessary to access the Operation Manual on the Extranet will be deemed secret and confidential. It is Franchisee's obligation to monitor and access the Extranet for any updates to the Operating Manual or system standards.

O. Lease. Franchisee's lease or sublease for the Store premises must be reviewed by Franchisor before its execution. Franchisee must provide Franchisor with an executed copy of any lease for the Store. Franchisor makes no guarantees concerning the success of the Store located on any site consented to by Franchisor. Franchisor recommends that Franchisee employ an independent real estate broker to assist Franchisee in locating a suitable site and negotiating a lease for such site. Franchisee's lease must contain provisions requiring that: (i) the premises be used only for a Once Upon A Child® business; (ii) the landlord provides Franchisor written notice of any franchisee default and/or right to cure; and (iii) upon termination of this Agreement or the lease, Franchisee will be obligated to remove, at its sole expense, all signs and materials bearing the name "Once Upon A Child" and other Marks.

P. Point-of-Sale System. Franchisee will utilize in the Store the point-of-sale system (the “POS System”) which Franchisor has developed and/or selected for the Business System, including all future updates, supplements and modifications. The POS System (the “Proprietary Software”) developed for use in Franchisee’s business includes a Proprietary Software program owned by Franchisor. Franchisee must license the proprietary software from Franchisor, which software will remain the confidential property of Franchisor. Franchisee and Franchisor will enter into Franchisor’s standard form of Computer Software License Agreement attached hereto as Exhibit B (the “Software License Agreement”) in connection with Franchisee’s use of such software. Franchisor reserves the right to assign its rights, title and interest in the Proprietary Software or the Software License Agreement to a third party designated by Franchisor. In such event, Franchisee may be required to enter into a separate computer software license agreement specified by the third party supplier of the Proprietary Software. Franchisor also may access information and data produced by Franchisee’s POS System. As further described in Section 5.B, Franchisor has the right to use the information obtained from Franchisee’s POS System to determine the weekly amounts owed for Continuing Fees. The computer hardware component of the POS System must conform with specifications Franchisor develops and must be configured as a package unit as Franchisor designates. The POS System includes one dedicated business server with a minimum of three desktop computers. The computer hardware component of the POS System must be purchased and configured through Franchisor. Franchisee will be required to utilize and, at Franchisor’s discretion, pay for all future updates, supplements and modifications to the POS System. Franchisee may be required to update its POS System every five (5) years or less, depending on updates in technology and Franchisor’s current standards. Franchisee will also be required to pay one DRS Maintenance Fee in the amount of \$1,000 for the term of this Agreement. It is Franchisee’s responsibility to make sure that Franchisee is in compliance with all laws that are applicable to the POS System or other technology used in the operation of Franchisee’s Business, including all data protection or security laws as well as PCI compliance.

Q. Technology Fee. Franchisor reserves the right to charge a periodic technology fee for technology-related services provided by Franchisor. Franchisor will provide a minimum of sixty (60) days written notice prior to implementation of such fee. If a technology fee is established, Franchisor will not increase the technology fee by more than 10% each year.

R. Participation in Internet Website. Franchisee must have high speed Internet access from the Store and an e-mail address. Franchisor will include Franchisee in the store location section of Franchisor’s website www.onceuponachild.com. Franchisor will establish the rules from time to time under which franchisees will establish their own website or separately use the Internet, and Franchisee shall be required to strictly abide by all such rules and follow the then current form of Internet Code of Conduct. Franchisee is required to have a Store website and will pay all expenses associated with the development and operation of the website for Franchisee’s individual Store. Franchisor will, at its discretion, determine the content and use of the onceuponachild.com website, and the core brand content and design of the franchisee store website templates. Franchisor will retain all rights relating to the onceuponachild.com website and the individual stores’ website template and domain name(s) (URL) and may alter or terminate the websites upon thirty (30) days notice to Franchisee. Franchisee’s general conduct on the Internet and specifically its use of the Marks on the Internet (including the domain name and any other Marks Franchisor may develop as a result of participation in the Internet) will be subject to the provisions of this Agreement and regulated by the Internet Code of Conduct or similar document. Franchisee acknowledges that certain information obtained through its participation in the Once Upon A Child® Internet and Extranet websites may be considered Confidential Information (as defined in Section 9 below), including access codes and identification codes. Franchisee’s right to maintain any website used in operating the Store, participate in the Once Upon A Child® Internet or Extranet sites or otherwise use the Marks or Business System on the Internet will terminate when this Agreement expires or terminates. It is Franchisee’s responsibility to ensure that its website and other web content complies

with all applicable provisions of the current Web Content Accessibility Guidelines (“WCAG”) and/or related laws.

S. Credit Card Processing. Franchisee must comply with all Franchisor and vendor credit card policies. In addition, Franchisee must comply with the Payment Card Industry Data Security Standards (“PCI DSS”) as they may be revised and modified by the Payment Card Industry Security Standards Council or its successor organization, FACTA and any other card payment standards Franchisor may specify.

9. CONFIDENTIAL INFORMATION

A. Non-Disclosure of Confidential Information. Franchisee and those individuals who have signed the Personal Guaranty attached hereto as Exhibit C agree to use and permit the use of Franchisor’s Confidential Information (as defined below) solely in connection with the operation of the Store. Franchisee and Personal Guarantors further agree that they will never, during the initial term or any renewal term of this Agreement, or any time after this or any renewal Franchise Agreement expires or terminates, or Franchisee’s rights under this Agreement or any renewal Franchise Agreement are assigned or terminated, divulge or use any of Franchisor’s Confidential Information for the benefit of any third party (including any person, business entity or enterprise of any type or nature), nor will Franchisee or Personal Guarantors directly or indirectly aid such third party to imitate, duplicate or “reverse engineer” any of Franchisor’s Confidential Information. “Confidential Information” means all information, knowledge, trade secrets or know-how utilized by the Business System or which otherwise concerns Franchisee’s or Franchisor’s systems of operation, programs, services, products, customers, practices, materials, books, records, manuals, computer files, databases or software. Confidential Information includes (without limitation): all elements of the Business System and all products, services, equipment, technologies, policies, standards, requirements, criteria and procedures that now or in the future are part of the Business System; Franchisor’s Operations Manual (including supplements to the Manual); all specifications, sources of supply, all procedures, systems, techniques and activities employed by Franchisor or Franchisee in the offer and sale of products and or services at the Store; all pricing paradigms established by Franchisor or by Franchisee; all of Franchisor’s and/or Franchisee’s sources (or prospective sources) of supply and all information pertaining to same (including wholesale pricing structures, the contents of sourcing agreements and identity of suppliers); Franchisor’s specifications, and Franchisee’s final plans, for the construction, build-out, design, renovation, décor, equipment, signage, furniture, fixtures and trade dress elements of the Store; the identity of, and all information relating to, the computer and DRS POS hardware and software utilized by Franchisor and Franchisee; all information pertaining to Franchisor’s and Franchisee’s advertising, marketing, promotion and merchandising campaigns, activities, materials, specifications and procedures; all customer lists, customer data and other records generated and/or otherwise maintained by the Store; Franchisor’s Internet Code of Conduct, social media policy, internet/web protocols, procedures and content; Franchisor’s training and other instruction programs and materials; all communications between Franchisor and Franchisee (including the financial and other reports Franchisee is required to submit to Franchisor under the Agreement); additions to, deletions from and modifications and variations of the components of the Business System and all other information, knowledge and know-how which Franchisor and its affiliates, now or in the future, designate as confidential.

Confidential Information will not, however, include information which Franchisee and Personal Guarantors can demonstrate came to their attention before Franchisor disclosed it to Franchisee (unless illegally or improperly procured by Franchisee or its Personal Guarantors before Franchisor’s disclosure) or which, at or after the time of disclosure, has become a part of the public domain through publication or communication by others, but not through any act of Franchisee or Personal Guarantors.

Except as authorized in this Agreement, Franchisee and Personal Guarantors agree never to copy, duplicate, record or otherwise reproduce any of the Confidential Information, in whole or in part; otherwise share it with any other third party individual or entity; store it in a computer or other electronic format; or otherwise make it available to any third party by any other means whatsoever. For the avoidance of doubt, Franchisee and Personal Guarantors may not use Confidential Information for the purpose of machine learning, augmented human intelligence development, training any artificial intelligence (“AI”) model, algorithm improvement, or similar data aggregation activities without the express written consent of Franchisor. Such uses shall not be deemed related to the performance of this Agreement and are expressly prohibited. Franchisee and Personal Guarantors shall not, without prior written consent by Franchisor, input any Confidential Information into any generative AI platform, or disclose such information to any provider or source of generative AI services. Franchisee and Personal Guarantors shall opt out of allowing any provider or source of generative AI to utilize Confidential Information for training of any AI model or for other purposes. Upon the expiration or termination of this Agreement, Franchisee and Personal Guarantors agree to return to Franchisor such Confidential Information as Franchisor requests (including customer lists and records; all training materials and other instructional content; financial and non-financial books and records; the Manual; and, computer databases, software and manuals) which are then in Franchisee’s or Personal Guarantor’s possession, or upon Franchisor’s request, destroy all or certain Confidential Information and certify such destruction to Franchisor. It is specifically understood that all customer lists or information adduced by the Store is Franchisor’s property, not the property of Franchisee or Personal Guarantors. Franchisor may use this information to market to Franchisee’s customers during and after the term of the Franchise Agreement. Franchisee will execute any document required by Franchisor to ensure that Franchisor will have access to that information.

Franchisee and Personal Guarantors must only divulge such Confidential Information to Franchisee’s operational personnel as is necessary for each to perform his/her functions and then only on a “need to know” basis. Franchisee and Personal Guarantors agree to take all necessary precautions to insure that these individuals maintain the Confidential Information in confidence and comply with the confidentiality provisions of this Agreement. Franchisee’s agreement to procure execution of a Confidentiality/Non-Competition Agreement from certain of Franchisee’s owners, management and staff is set forth before in Section 9(B) of this Agreement.

B. Confidentiality/Non-Competition Agreements. All of Franchisee’s employees who have managerial duties with respect to the Store and who have access to confidential information of Franchisor, as well as all corporate officers, directors and shareholders if Franchisee is a corporation (all partners if Franchisee is a partnership), must sign Confidentiality/Non-Competition Agreements in a form satisfactory to Franchisor, agreeing to maintain the confidentiality, during the course of their agreement and thereafter, of all information Franchisor copyrights or designates as confidential and proprietary. Copies of the executed agreements will be provided to Franchisor upon request.

Franchisee agrees to vigorously and vigilantly prosecute to the fullest extent permitted by law breaches of any Confidentiality/Non-Competition Agreement executed pursuant to this provision, and acknowledge Franchisor’s right, to be exercised as Franchisor alone determines, to enforce the terms of any such executed Confidentiality/Non-competition Agreement. If the substantive provisions of the Confidentiality/Non-Competition Agreement have been breached by an individual employed, engaged or otherwise serving the Store who has not executed a Confidentiality/Non-Competition Agreement Franchisee must nevertheless vigorously and vigilantly prosecute such conduct to the fullest extent permitted by law.

10. INSURANCE; BONDING

A. Insurance. Franchisee alone will be responsible for all loss or damage arising out of or relating to the operation of Franchisee's Once Upon A Child® business or arising out of the acts or omissions of Franchisee or any of its agents, employees or contractors in the preparation and sale of products by Franchisee, and for all claims for damage to property or for injury or death of any persons directly or indirectly resulting therefrom. Franchisee agrees to indemnify and hold Franchisor harmless against and from any and all such claims, loss, and damage, including costs and reasonable attorneys' fees. Franchisee will obtain and maintain in force (under policies of insurance issued by a carrier that is rated A- or better by AM Best) and pay the premiums for public liability insurance with products/completed operations coverage and premises liability of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and other insurance in such types and amounts as Franchisor may reasonably require. Such insurance policies will expressly protect both Franchisee and Franchisor and will require the insurer to defend both Franchisee and Franchisor in any action. In addition, each such insurance policy must name Franchisor as an additional insured, and provide that such policy will not be canceled, amended or modified except upon thirty (30) days' prior written notice to Franchisor. On an annual basis and upon Franchisor's request, Franchisee will furnish to Franchisor endorsements or other proof of insurance Franchisor requires evidencing that Franchisee has obtained and is maintaining in force all required insurance policies. Maintenance of the insurance requirement will not relieve Franchisee of the obligations of indemnification stated in Section 11 below. If Franchisee fails to obtain or maintain in force any insurance as required by this Section or to furnish any endorsements or other proof of insurance Franchisor requires hereunder, Franchisor may, in addition to all other available remedies, obtain such insurance or endorsements or proof of insurance, and Franchisee will promptly reimburse Franchisor for all insurance premiums and other costs incurred in obtaining such insurance or endorsements or other proof of insurance. Franchisor recommends that Franchisee obtain employment practices liability insurance with a minimum limit of \$250,000 and a cyber liability/data breach policy with a minimum limit of \$50,000.

B. Bonding. Franchisee will comply with any and all bonding requirements which may be applicable to its Once Upon A Child® business.

11. INDEPENDENT CONTRACTORS; INDEMNIFICATION

Franchisor and Franchisee are independent contractors. Neither Franchisor nor Franchisee will make any agreements, representations, or warranties in the name of or for the other or that their relationship is other than franchisor and franchisee. Neither Franchisor nor Franchisee will be obligated by or have any liability under any agreements, representations or warranties made by the other nor will Franchisor be obligated for any damages to any person or property directly or indirectly arising out of the operation of the Franchisee's business, whether caused by Franchisee's negligent or willful action or failure to act. Franchisee acknowledges that the customer list of all retail or commercial customers shall be the sole and exclusive property of Franchisor and that Franchisee shall have no ownership rights or interest in the customer list. Franchisee will indemnify Franchisor against and reimburse Franchisor for all obligations and damages arising out of the operation of Franchisee's business and including all costs Franchisor reasonably incurs in the defense of any such claim brought against it or in any action in which it is named as a party (including reasonable attorneys' fees), including any claims brought against it related to Franchisee's violations of Privacy Laws. Franchisor will have the right to defend any such claim against it. Franchisor will indemnify Franchisee against and reimburse Franchisee for any obligations or liability for damages attributable to agreements, representations or warranties of Franchisor, or caused by Franchisor's negligence or willful action, and for costs Franchisee reasonably incurs in the defense of any such claim brought against it or in any action in which it is named as a party, provided that Franchisor will have the right to participate in and, to the extent Franchisor deems necessary, to control any litigation or proceeding which

might result in liability of or expense to Franchisee subject to such indemnification. The indemnities and assumptions of liabilities and obligations stated in this Agreement will continue in full force and effect following the expiration, termination or a transfer of this Agreement.

Nothing in this Agreement may be construed to create a partnership, joint venture, agency, employment or fiduciary relationship of any kind. None of Franchisee's employees will be considered to be Franchisor's employees. Neither Franchisee nor any of Franchisee's employees whose compensation is paid by Franchisee may in any way, directly or indirectly, expressly or by implication, be construed to be an employee of Franchisor for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state or federal governmental agency. Franchisor will not have the power to hire or fire Franchisee's employees. Franchisee will alone exercise day-to-day control over all operations, activities and elements of the Store. Franchisee is solely responsible for the safety and well-being of Franchisee's employees and the customers of the Store. Franchisee acknowledges and agrees that the various requirements, prohibitions, specifications and procedures of the Business System which Franchisee is required to comply with under this Agreement, whether set forth in the Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day operations of the Store, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising control of the day-to-day operations of the Store. Franchisee may not, without Franchisor's written approval, have any power to obligate Franchisor for any expense, liabilities or other obligations, other than specifically provided in this Agreement.

12. SALES REPORTS, FINANCIAL STATEMENTS AND AUDIT RIGHTS

A. Sales Reports. Franchisee will maintain an accurate written record of daily Gross Sales and will deliver to Franchisor a statement of the weekly Gross Sales of Franchisee's business using such forms and methods as Franchisor may require. The weekly statement of Gross Sales must be provided to Franchisor on or before Wednesday of each week for the preceding week. In addition, Franchisee will provide Franchisor with an annual key indicator report in the form Franchisor periodically requires in writing. Franchisee must provide this report to Franchisor by March 1 of each year for the preceding calendar year. Franchisor reserves the right to modify or substitute the required forms and methods and impose additional recordkeeping procedures.

B. Financial Statements. Franchisee will, at its expense, provide Franchisor with quarterly and annual financial statements and such other financial reports as Franchisor specifies using the forms and chart of accounts Franchisor requires. All financial information provided to Franchisor under this Section must be presented in the form Franchisor periodically requires in writing. Franchisee will deliver the quarterly financial information to Franchisor by the 30th day of the month following the end of the preceding quarter. The annual financial statement must be provided on or before March 1 of each year for the preceding calendar year.

C. Audit Rights. Franchisee will make all of its financial books and records (including the tax returns of Franchisee, its Personal Guarantors, and its shareholders) available to Franchisor or its designated representative at all reasonable times for review and audit by Franchisor or its designee. Franchisee will keep its financial books and records for each fiscal and calendar year in a secure place and will make them available for audit by Franchisor for at least five (5) years. If an audit conducted by Franchisor results in a determination that the Continuing Fees or other amounts paid to Franchisor are deficient (underpaid) by more than two percent (2%), Franchisee will pay Franchisor for the reasonable costs and expenses that it has incurred as a result of the audit. If pursuant to audits, the Continuing Fees have been deficient by more than two percent (2%) twice or more within any five (5) year periods, this will be considered a material breach of

this Agreement. In addition, Franchisee's failure to fully cooperate and timely complete the audit procedures is a material breach of the Franchise Agreement and Franchisee will pay all of Franchisor's costs and expenses Franchisor incurs resulting from Franchisee's lack of cooperation and untimeliness.

13. FRANCHISOR'S RIGHT OF FIRST REFUSAL TO PURCHASE

A. Restrictions. Franchisee will not sell, assign, trade, transfer, lease, sublease, or otherwise dispose of: (1) any interest in or any part of the Franchised Location or this Agreement, or (2) any controlling interest (whether through one or more related transactions) in Franchisee's business or the assets of Franchisee's business to any third party, without first offering the same to Franchisor in writing, at the same price and on the same terms as stated in the proposed third-party offer. Franchisee's written offer to Franchisor must contain all material terms and conditions of the proposed sale or transfer. Upon Franchisor's receipt of written notice specifying the proposed price and terms of a proposed sale or transfer of Franchisee's business, Franchisor will give Franchisee written notice within ten (10) business days thereafter if Franchisor has an interest in negotiating to purchase the business according to the proposed terms. If Franchisor commences negotiations to purchase Franchisee's business as described herein, Franchisee may not sell the business to a third party for at least thirty (30) days or until Franchisor and Franchisee agree in writing that the negotiations have terminated, whichever comes first. If Franchisor waives its right to purchase, Franchisee may complete the sale or transfer of the business according to the terms described in the written notice to Franchisor but not upon more favorable terms. Any such sale, transfer or assignment to a third party is subject to the provisions stated in Section 14 of this Agreement. Franchisor's nonacceptance of Franchisee's written offer will not affect or change Franchisee's obligations under this Agreement.

B. Corporate Franchisee. If Franchisee is a corporation, the shareholders cannot sell, assign, pledge or otherwise dispose of a controlling interest in the capital stock of Franchisee ("Capital Stock") (except to immediate family members of the controlling shareholder(s) or to a trust established for their benefit) until the Capital Stock has been first offered to Franchisor in writing under the same terms and conditions offered to any third party. A shareholder of Franchisee may, however, bequeath, sell, assign, trade or transfer his Capital Stock to the other shareholders of Franchisee corporation because of death or permanent disability without first offering it to Franchisor, provided Franchisee provides Franchisor with written notice of all such transactions. All shares of Capital Stock issued by Franchisee's corporation to its shareholders will bear the following legend on the reverse side of each issued and outstanding stock certificate:

The shares of Capital Stock represented by this certificate are subject to a written Franchise Agreement which grants Winmark Corporation a right of first refusal to purchase these shares of Capital Stock from the shareholder.

Nothing in this section will be construed as prohibiting the shares of Capital Stock of a corporate Franchisee from being pledged as security to an institutional lender who has provided financing to or for the Store, provided the institutional lender accepts such security interest subject to Franchisor's reasonable conditions.

14. ASSIGNMENT OF FRANCHISE AGREEMENT

A. By Franchisor. A sale, transfer or assignment by Franchisor of its interest in the Business System or the Marks or any parts thereof, and/or in the sale, transfer or assignment by Franchisor of this Agreement or any interest therein, may be completed without the consent of Franchisee. To the extent that the purchaser or transferee shall assume the covenants and obligations of Franchisor under this Agreement, Franchisor shall thereupon and without further agreement, be freed and relieved of all liability with respect

to such covenants and obligations. Franchisee acknowledges that nothing in this Agreement shall prevent Franchisor from granting security over any of its assets, including the Marks and any other intellectual property, on terms required by any secured party from time to time, and Franchisee further acknowledges that any such secured party or any agents acting on behalf of such secured party shall not have any obligations to Franchisee by reasons only of such security interest.

B. Corporate Franchisee. This Agreement may be transferred or assigned by Franchisee to a corporation which is owned or controlled by Franchisee, provided Franchisee and all other shareholders of the assignee corporation owning at least ten percent (10%) of the Capital Stock thereof sign the Personal Guaranty attached hereto as Exhibit C and agree to be bound by the provisions of this Agreement. Franchisee will give Franchisor fifteen (15) days written notice before the proposed date of assignment or transfer of this Agreement to a corporation owned or controlled by Franchisee; however, the transfer or assignment of this Agreement will not be valid or effective until Franchisor has received the legal documents which its legal counsel deems necessary to properly document such transfer or assignment.

C. Conditions to Other Transfer or Assignment. Franchisee (and its partners and shareholders, if any) will not transfer (whether voluntary or involuntary), assign or otherwise dispose of, in one or more transactions, Franchisee's business, the Franchised Location, substantially all or all of the assets of Franchisee's business, this Agreement or any controlling interest in Franchisee (a "controlling" interest will include a proposed transfer of fifty percent (50%) or more of the Capital Stock of a corporate Franchisee) without Franchisor's prior written consent, except to trusts established for Franchisee's benefit. Franchisor will not unreasonably withhold its consent to a transfer, subject to any or all of the following conditions described below which Franchisor may deem necessary:

1. All of Franchisee's accrued monetary obligations to Franchisor and suppliers will have been satisfied, and Franchisee is not be in default under this Agreement;

2. Franchisee executes a written agreement in a form satisfactory to Franchisor, in which Franchisee covenants to observe all applicable post-term obligations and covenants contained in this Agreement;

3. The transferee-franchisee enters into a written agreement in a form satisfactory to Franchisor assuming and agreeing to discharge all of Franchisee's obligations and covenants under this Agreement for the remainder of its term or, at Franchisor's option, executes Franchisor's then-current standard form of franchise agreement which may not contain any further rights of renewal, but may contain royalty rates and advertising contributions (which may be different than those contained in this Agreement), and an altered Exclusive Territory;

4. The transferee-franchisee is not a competitor of Franchisor of the Business System and is approved by Franchisor and demonstrates to Franchisor's satisfaction that he/she meets Franchisor's managerial, financial, and business standards for new franchisees, possesses a good business reputation and credit rating, and has the aptitude and ability to conduct the franchised business. Franchisee understands that Franchisor may communicate directly with the transferee-franchisee during the transfer process to respond to inquiries, as well as to ensure that the transferee-franchisee meets Franchisor's qualifications;

5. While Franchisor does not determine the purchase price, Franchisor has determined that the purchase price and payment terms will not adversely affect the transferee-franchisee's operation of the Store;

6. If Franchisee finances any part of the purchase price, Franchisee agrees that all of the transferee-franchisee's obligations under any promissory notes, agreements or security interests reserved in the Store are subordinate to the transferee-franchisee's obligations to pay Continuing Fees, Marketing Fees and any other amounts due to Franchisor under the Franchise Agreement;

7. The transferee-franchisee successfully completes Franchisor's training program; and

8. Franchisee pays Franchisor a transfer fee of Ten Thousand Dollars (\$10,000) for the costs Franchisor incurs, including the costs of any required training. There will be no transfer fee payable for transfers to immediate family members (i.e.: spouse or children).

15. FRANCHISOR'S TERMINATION RIGHTS

A. Grounds. Franchisee will be in default, and Franchisor may, at its option, terminate this Agreement, as provided herein, if (1) Franchisee fails to open and commence operations of the Store at such time as the premises are ready for occupancy or within twelve (12) months of the execution of this Agreement, whichever occurs first; (2) Franchisee violates any material provision or obligation of this Agreement; (3) Franchisee or any of its managers, directors, officers or majority shareholders are convicted of, or plead guilty to or no contest to (a) a charge of violating any law which adversely impacts upon the reputation of the franchised business or (b) any felony; (4) Franchisee fails to conform to the material requirements of the Business System or the material standards of uniformity and quality for the products and services Franchisor has established in connection with the Business System; (5) Franchisee fails to timely pay Continuing Fees, Marketing or Advertising Fees, buying group (inventory) obligations or any other obligations or liabilities due and owing to Franchisor or fails to timely pay any advertising cooperative obligations; (6) Franchisee is insolvent within the meaning of any applicable state or federal law; (7) Franchisee makes an assignment for the benefit of creditors or enters into any similar arrangement for the disposition of its assets for the benefit of creditors; (8) Franchisee (a) fails to operate the Store for seven (7) consecutive days without Franchisor's prior written consent unless due to an act of God, war, strikes or riots, (b) informs Franchisor of Franchisee's intent to permanently or indefinitely cease operating the Store, or (c) otherwise abandons the franchised business; (9) Franchisee is involved in any act or conduct which materially impairs the goodwill associated with the name "Once Upon A Child" or any of the Marks or the Business System; (10) Franchisee's lease for the Store premises expires or is terminated for any reason (unless Franchisee receives Franchisor's written consent and relocates within the Development Area to a site approved by Franchisor within sixty (60) days thereafter and Franchisee signs a new lease in compliance with Section 8(O); (11) Franchisee defaults in any other agreement with Franchisor, its subsidiaries or affiliates, and does not cure such default in accordance with the terms of such other agreement; (12) Franchisee receives frequent and/or severe complaints from customers and/or employees concerning the Store; (13) Franchisee fails to fully cooperate and timely complete any audit authorized by Franchisor; or (14) Franchisee violates the in-term covenant not to compete.

B. Procedure. Except as described below, Franchisee will have thirty (30) days, or such longer period as applicable law may require, after its receipt from Franchisor of a written Notice of Termination within which to remedy any default hereunder, and to provide evidence thereof to Franchisor.

If Franchisee fails to correct the alleged default within that time (or such longer period of time as applicable law may require), this Agreement will terminate without further notice to Franchisee effective immediately when the thirty (30) day period (or such longer period as applicable law may require) expires. Franchisor may terminate this Agreement immediately upon delivery of written notice to Franchisee, with no opportunity to cure, if the termination results from any of the following: (1) Franchisee repeatedly fails to comply with one or more material requirements of this Agreement; (2) the nature of Franchisee's breach makes it not curable; (3) Franchisee willfully and repeatedly deceives customers relative to the source, nature or quality of goods sold, or (4) any default under items (1), (3), (6), (8), (9), (11), (12), (13) or (14) in Section 15(A) above, or (5) Franchisee willfully and materially falsifies any report, statement, or other written data furnished to Franchisor either during the franchise application process or after Franchisee is awarded a franchise. For purposes of Section 15(B)(1) of the Franchise Agreement, the word "repeatedly" means Franchisee's failure, on two or more separate occurrences during any twenty-four (24) month period, to comply with one or more material requirements of the Franchise Agreement, even if the default is subsequently cured within the applicable time period. Any report submitted pursuant to Section 12 shall be conclusively deemed to be materially false if it understates Gross Sales by more than four percent (4%).

C. Applicable Law. If the provisions of this Section 15 are inconsistent with applicable law, the applicable law will apply.

16. FRANCHISEE'S TERMINATION RIGHTS; NOTICE REQUIRED

A. Termination. Franchisee may terminate this Agreement if Franchisor violates a material obligation of Franchisor to Franchisee and fails to cure such violation within thirty (30) days after Franchisor's receipt of written notice from Franchisee; provided, however, that Franchisee is itself in substantial compliance with the Agreement at the time of giving such notice of termination. Franchisee's written notice will identify the violation and demand that it be cured.

B. Required Notice. A party must give the other party written notice of an alleged default under or violation of this Agreement after it has knowledge of, determines, or is of the opinion that there has been an alleged default under or violation of this Agreement. If there is failure to give written notice of an alleged default under this Agreement within one (1) year from the date that the nonbreaching party has knowledge of, determines or is of the opinion that there has been an alleged default, the alleged default will be deemed to be approved and waived, and the alleged default or violation will not be deemed to be a default under or violation of this Agreement.

17. FRANCHISEE'S OBLIGATIONS UPON TERMINATION

A. Post-Term Duties. If this Agreement is terminated for any reason, Franchisee will (1) within five (5) days after termination, pay all amounts due and owing to Franchisor or suppliers under this Agreement, including the fees that would be owed through the end date of this Agreement's remaining term; (2) return to Franchisor by first class prepaid United States mail the Manuals and any other manuals, advertising materials, and all other printed materials relating to the operation of the franchised business; (3) assign to Franchisor or, at Franchisor's discretion, disconnect the telephone number for the Store; and (4) remove all signs and other materials bearing the name "Once Upon A Child" and other marks; (5) comply with all post-termination obligations under the Software License Agreement, including the return of all copies of Franchisor's proprietary software; (6) disconnect any Internet website Franchisee has established in connection with Franchisee's operation of the Store; and (7) comply with all other applicable provisions of this Agreement, including the non-compete provisions. Upon termination of this Agreement for any reason, Franchisee's right to use the name "Once Upon A Child" and the other Marks and the Business

System will immediately terminate. If Franchisee fails to remove all signs and other materials bearing the Marks, Franchisor may do so at Franchisee's expense.

B. Redecoration. If this Agreement is terminated for any reason, and Franchisee either remains in possession of the Franchised Location to operate a separate business not in violation of Section 18 below or enters into an agreement with a third party to allow such third party to directly or indirectly operate a business at the Franchised Location, Franchisee will, at its expense, modify both the exterior and interior appearance of the business premises so that they will be easily distinguished from the appearance as a Once Upon A Child® Store. At a minimum, such changes and modifications to the premises will include: (1) repainting the premises with totally different colors; (2) removing all signs and other materials bearing the name "Once Upon A Child" and other Marks; (3) removing from the premises all fixtures which are indicative of Once Upon A Child® Stores; (4) discontinuing use of the approved employee uniforms and refraining from using any uniforms which are confusingly similar; and (5) discontinuing use of all packaging and confidential information regarding the operation of the Store.

18. FRANCHISEE'S COVENANTS NOT TO COMPETE

A. During Term. During the term of the Franchise Agreement, Franchisee will receive proprietary information, materials and trade secrets specifically geared to and utilized in the retail resale business operations for all of Franchisor's franchised brands. To protect the valuable proprietary information and prevent Franchisee from using that information to operate a business that competes with any of Franchisor's clothing brands, Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) will not, during the term of this Agreement, on their own account or as an employee, agent, consultant, partner, officer, director, or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in, or assist any person or entity engaged in any resale retail business not offered by Winmark Corporation involving the purchase and/or sale of used clothing and accessories or a retail business involving the purchase and/or sale of new or used children's apparel, toys, equipment, furniture or accessories, without Franchisor's prior written consent.

B. After Termination. Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) will not, directly or indirectly, for a period of two (2) years after this Agreement expires or is terminated (except for a termination as a result of a Franchisor's breach), on their own account or as an employee, consultant, partner, officer, director, or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, finance, lend, sell to, conduct, engage in, be connected with, have any interest in or assist any person or entity engaged in any resale retail business not offered by Winmark Corporation, whether conducted in-person or on-line, involving the purchase and/or sale of used clothing and accessories or a retail business involving the purchase and/or sale of new or used children's apparel, toys, equipment, furniture or accessories located at the Franchised Location or any Once Upon A Child® Store, or is located within or markets into a ten (10) mile radius of the Franchised Location or any Once Upon A Child® Store. Franchisee expressly agrees that the two (2) year period and the ten (10) mile radius are the reasonable and necessary time and distance needed to protect Franchisor if this Agreement expires or is terminated for any reason.

C. Extension During Breach. Franchisee (and all Personal Guarantors and owners of all or part of Franchisee) acknowledge and agree that the two (2) year non-competition period set forth in Section 18(B) above will be extended for a period of time equal to the time during which the Franchisee is in breach of any of the provisions of 18.B.

D. Injunctive Relief. Franchisee agrees that damages alone cannot adequately compensate Franchisor if there is a violation of these noncompetition covenants, and Franchisee stipulates that Franchisor would be irreparably harmed by such a violation and that preliminary and permanent injunctive relief is essential and must be entered for the protection of Franchisor. Preliminary and permanent injunctive relief will be entered by a court of competent jurisdiction enforcing the noncompetition covenants without Franchisor posting any bond or security, in addition to all other remedies that may be available to Franchisor at equity or law.

E. Other Franchisor Brands. The non-competition covenants in Sections 18(A) and 18(B) shall not preclude Franchisee from owning or operating a Plato's Closet® or Style Encore® store provided that Franchisee's ownership or operation of such store fully complies with the Franchise Agreement between Franchisor and Franchisee for such store.

19. ARBITRATION; ENFORCEMENT

A. Arbitration Process. Except to the extent Franchisor elects to enforce the provisions of this Agreement by judicial process and injunction as provided pursuant to Section 19(D), all disputes, claims and controversies between the parties arising under or in connection with this Agreement or the making, performance or interpretation thereof (including claims of fraud in the inducement and other claims of fraud and the arbitrability of any matter) will be settled by arbitration in Minneapolis, Minnesota pursuant to the Federal Arbitration Act. The arbitrator(s) will have a minimum of five (5) years experience in franchising or distribution law and will have the right to award any type of relief except as limited by Section 19(C). The proceedings will be conducted under the commercial arbitration rules of the American Arbitration Association, to the extent such Rules are not inconsistent with the provisions of this arbitration provision. The decision of the arbitrator(s) will be final and binding on all parties. Claims in arbitration of different parties may not be joined. This Section will survive termination or non-renewal of this Agreement under any circumstances. Judgment upon the award of the arbitrator(s) may be entered in any court having jurisdiction thereof. During the pendency of any arbitration proceeding, Franchisee and Franchisor will fully perform their respective obligations under this Agreement.

B. Additional Proceedings. If, after Franchisor or Franchisee institutes an arbitration proceeding, one or the other asserts a claim, counterclaim or defense, the subject matter of which, under statute or current judicial decision is nonarbitrable for public policy reasons, the party against whom the claim, counterclaim or defense is asserted may elect to proceed with the arbitration of all arbitrable claims, counterclaims or defenses or to proceed to litigate all claims, counterclaims or defenses in a court having competent jurisdiction.

C. Punitive Damages. Franchisor and Franchisee acknowledge that judgment upon an arbitration award may be entered in any court of competent jurisdiction and will be binding, final, and nonappealable. Franchisor and Franchisee (and their respective owners and guarantors, if applicable) agree to waive, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other and agree that in the event of a dispute between them, each will be limited to the recovery of actual damages sustained by it.

D. Enforcement of Franchise Agreement. Notwithstanding the other provisions of this Section 19, Franchisee recognizes that the failure of a single franchisee to comply with the terms of its Once Upon A Child® franchise agreement would cause irreparable harm to Franchisor or to some or all other Once Upon A Child® franchisees. Franchisor and Franchisee therefore agree that, in the event of a breach or threatened breach of Sections 3, 8, 9, 12, 13, 14, 17 and/or 18 of this Agreement by Franchisee or in the event of any conduct by Franchisee which is illegal or is dishonest or misleading to Franchisee's customers

or prospective customers or may impair the goodwill associated with the Marks, Franchisor may obtain a temporary, preliminary, or permanent injunction restraining such breach or obtain a decree of specific performance, without showing or proving any actual damage and without posting any bond or other security. The foregoing equitable remedy will be in addition to, and not in lieu of, all other remedies or rights which Franchisor might otherwise have by virtue of any breach of this Agreement by Franchisee.

E. Venue. If litigation is permitted under this Agreement, the sole forum for litigation arising under this Agreement, or any aspect of the relationship between Franchisor and Franchisee (even if additional parties are named as parties to that litigation) will be the state or federal courts of Minnesota. Those actions must be exclusively venued either in the District Courts of Minnesota, County of Hennepin, or the United State District Court for the District of Minnesota. Franchisee (and Franchisee's owners and guarantors if applicable) waives any objection to the jurisdiction and venue of such court (except to the extent jurisdiction is preempted by the arbitration provisions of this Agreement), and consents to personal jurisdiction and venue in such court. If, however, Franchisor is permitted to seek injunctive relief under Section 19(D), Franchisor may bring that action in the federal or state courts for the county in which the Store is located or wherever Franchisee is otherwise subject to personal jurisdiction.

F. Attorney's Fees. The non-prevailing party will pay all costs and expenses, including reasonable attorney's fees, incurred by the prevailing party in any arbitration or action in court between Franchisor and Franchisee.

20. SEVERABILITY AND CONSTRUCTION

A. Severability. All provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable. If any applicable law or rule of any jurisdiction requires a greater prior notice period than is required hereunder, or if under any applicable law or rule of any jurisdiction, any provision of this Agreement is invalid or unenforceable, the prior notice required by such law or rule will be substituted for the notice requirements hereof, or such invalid or unenforceable provision will be modified to the extent required to be valid and enforceable. Such modifications to this Agreement will be effective only in such jurisdiction and will be enforced as originally made and entered into in all other jurisdictions.

B. Waiver. Franchisor and Franchisee may by written instrument unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by Franchisor of any payment by Franchisee and no failure, refusal or neglect of Franchisor or Franchisee to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including any mandatory specification, standard or operating procedure, will constitute a waiver of any provision of this Agreement.

C. Cumulative Rights. The rights of Franchisor and Franchisee hereunder are cumulative and no exercise or enforcement by Franchisor or Franchisee of any right or remedy hereunder will preclude the exercise or enforcement by Franchisor or Franchisee of any other right or remedy hereunder or which Franchisor or Franchisee is entitled by law to enforce.

D. Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Section 1051 et seq.), this Agreement and the franchise relationship will be governed by the laws of the state in which the Franchised Location is located. Franchisee waives, to the fullest extent permitted by law, the rights and protections that might be provided through the laws of any

state relating to franchises or business opportunities, other than those of the state in which the Franchised Location is located.

E. Binding Effect. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest.

F. Consents. Whenever a party's consent or approval is required under this Agreement, such consent or approval will not be unreasonably withheld or delayed.

G. Entire Agreement. The "Background" section is a part of this Agreement, which together with exhibits, represents the entire agreement of the parties. This Agreement supersedes and terminates any prior oral or written understandings or agreements between Franchisor and Franchisee relating to the subject matter of this Agreement. Nothing in this Agreement or any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document. No modification of this Agreement will be effective unless it is in writing and signed by Franchisor and Franchisee. The term "Franchisee" as used herein is applicable (where relevant) to one or more persons, a corporation or a partnership. References to "Franchisee," "assignees" and "transferees" which are applicable to an individual or individuals mean the principal owner or owners of the equity or operating control of Franchisee or any such assignee or transferee if Franchisee or such assignee or transferee is a corporation or partnership. If Franchisee consists of more than one individual, all individuals will be bound jointly and severally by the provisions of this Agreement. The term "including" as used herein shall mean "including without limitation."

21. NOTICES

Except as described in other provisions herein, all notices required under this Agreement must be in writing addressed to Franchisor at its corporate headquarters or to Franchisee at the Franchised Location or the last known address of Franchisee and will be deemed given: (i) if personally delivered on the date delivered, (ii) if sent in the United States mail, by certified mail, postage prepaid, three (3) business days after it is sent, (iii) if sent by a recognized overnight delivery service which requires a written receipt, one (1) business day after it is sent, or (iv) if sent via email, on the date delivered to the authorized email address. You may change your notice address or authorized email address by giving written notice under this Section.

22. ACKNOWLEDGMENTS

A. Independent Investigation. Franchisee acknowledges that it has conducted an independent investigation of the business franchised hereunder, and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will largely depend on Franchisee's ability as an independent business person. Franchisor expressly disclaims the making of, and Franchisee acknowledges that it has not received, any warranty or guarantee, express or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.

B. Franchise Agreement. Franchisee acknowledges that it has received, read, and understood this Agreement and that Franchisor has fully and adequately explained the provisions of it to Franchisee's satisfaction and that Franchisee has had sufficient time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

C. Other Franchises. Franchisee acknowledges that other franchisees of Franchisor have or will be granted franchises at different times and in different situations, and further acknowledges that the provisions of such franchises may vary substantially from those contained in this Agreement.

D. Receipt of Documents. Franchisee acknowledges that it received a copy of Franchisor's Franchise Disclosure Document, as required under federal and applicable state franchise disclosure law, at least fourteen (14) calendar days before signing this Agreement or any other binding agreement, or paying any fees to Franchisor or its affiliates. In addition, if Franchisor materially altered the provisions of this Agreement, including any attachments relating thereto, or any related agreements attached to the Franchisor's Franchise Disclosure Document (except as a result of negotiations Franchisee initiated), Franchisee acknowledges that it received a copy of this Agreement or the related agreement at least seven (7) calendar days before signing it.

IN WITNESS WHEREOF, Franchisor and Franchisee have signed this Agreement as of the day and year first above written.

TO FRANCHISE AGREEMENT
COMPUTER SOFTWARE LICENSE AGREEMENT

ONCE UPON A CHILD®

COMPUTER SOFTWARE LICENSE AGREEMENT

This AGREEMENT is made and entered into as of the _____ day of _____, 20__, by and between WINMARK CORPORATION (“Winmark”), and _____ (“Licensee”).

BACKGROUND:

Winmark owns certain software and related documentation. Licensee is a Once Upon A Child® franchisee pursuant to a franchise agreement Licensee entered into with Winmark (the “Franchise Agreement”). Licensee wishes to use certain software in its franchised business under the provisions stated below.

AGREEMENTS:

1. SOFTWARE LICENSE.

A. Grant of License. Winmark grants Licensee a nonexclusive license to use the software identified on Schedule A attached to this Agreement. Collectively, all software licensed under this Agreement, and all modifications, updates and other works derivative of or to such software, and any related documentation or materials provided, is referred to as the “Software.”

B. Initial Software License Fee. Licensee will pay Winmark an Initial Software License Fee of Six Thousand Dollars (\$6,000). This fee must be paid before Winmark delivers the Software to Licensee. Licensee will be solely responsible for all taxes relating to the Initial Software License Fee, excluding taxes measured by Winmark’s net income.

C. Scope of License. Licensee may use the Software only on a single computer or on a network of computers at the franchised business site or sites identified on Schedule A attached hereto or in Winmark’s acceptance of Licensee’s order. Unless Winmark otherwise agrees in writing, a single license fee entitles Licensee to use the Software on a network at one site with no more than five workstations. Winmark reserves the right to charge an additional license fee for use of the Software on a network at one site with more than five workstations or for use at more than one site.

D. Licensee’s Agreements. Licensee agrees:

1. Not to disassemble, decompile or otherwise reverse engineer the Software, nor to create, access or generate the source code of the Software.

2. Not to modify the Software, nor to develop or create, or assist any other party in developing or creating, any computer programs which are derived from, based upon, or contain features or functions similar to, the Software.

3. To use the Software only in Licensee’s internal operation of the franchise business under the terms of the Franchise Agreement.

4. Not to disclose to any other party any part of or any information relating to the Software, nor to permit access to the Software except by Licensee's employees in the operation of the franchised business or Winmark approved third party vendor.

5. Not to assign, sublicense, loan or otherwise provide to any third party the Software, whether or not merged into other programs or materials.

6. Not to copy the Software, although Licensee may make one copy of the Software for backup purposes if Licensee reproduces all copyright and other proprietary notices in such copy.

E. Repairs; Updates; Etc.

1. For so long as Winmark owns and requires Licensee to use the Software, Winmark will provide ongoing maintenance and repair services for the Software, except as set forth in Section 1.E.2 or 1.E.3. below, owned by Winmark so that the Software will perform substantially as described in documentation Winmark has provided. Such maintenance and repair services include Licensee's right to receive any fixes and minor enhancements to the Winmark Software which Winmark may periodically develop, as well as any other maintenance or repair services Winmark offers in its discretion.

2. Winmark agrees to support a previous version or release of the Software for six months following the release of a new version or release of the Software. If an error is identified in a previous version or release during that six month period, Winmark's responsibilities will be the following:

(i) If the error is categorized by Winmark as critical to the intended function of the Software, Winmark will attempt to issue a temporary modification or workaround. If a temporary modification is not possible, and the error is not resolved by the latest version or release of the Software, Winmark will use commercially reasonable efforts to expedite the availability of its next scheduled version or release of the Software; or

(ii) If the error is categorized by Winmark as not critical to the intended function of the Software, Winmark may, in its discretion based on the severity and nature of the error, attempt to issue a temporary modification or workaround. If a temporary modification is not possible, and the error is not corrected in the latest version or release, Winmark will use commercially reasonable efforts to incorporate the correction in its next scheduled version or release of the Software.

3. Winmark shall have no obligation to provide support services for any failure or defect in the Software caused by:

(i) The improper use, alteration, or damage of the Software by Licensee or persons not authorized by Winmark;

(ii) Modifications to the Software not made by Winmark;

(iii) Application or other software not provided or approved by Winmark; or

(iv) Use of the Software on hardware that has not been approved or configured by Winmark.

4. Winmark may, in its sole discretion, periodically release new versions, new releases, updates, modifications or enhancements respecting the Software. Licensee will install any new versions, new releases, fixes, updates, modifications or enhancements which Winmark designates as mandatory.

5. Winmark is not obligated to provide Licensee with other services, including installation, support, training or other services relating to the Software. Further, Winmark is not obligated to provide maintenance, repair, installation, support, training or other services in relation to software distributed, but not owned, by Winmark.

6. Winmark may charge a reasonable fee for its services, including its maintenance and repair services, as well as for any updates, modifications and enhancements to the Software which it elects to release.

2. PROPRIETARY RIGHTS.

A. Confidentiality. The Software is the confidential and proprietary property of Winmark or its vendors. Licensee will hold the Software in confidence and safeguard it from disclosure to third parties and will use the Software only as intended by this Agreement. Licensee will notify Winmark promptly of any unauthorized access, copying or use of the Software and will reasonably assist Winmark in prosecuting any resulting claims or proceedings.

B. Ownership. Winmark retains all title and rights, including all copyright rights, to the Software, including all modifications, updates and other works derivative of or to the Software, all of which will be subject to the provisions of this Agreement. Any configuration or deployment of the Software shall not affect or diminish Winmark's rights, title and interest in and to the Software. If Licensee suggests any new features, functionality, or performance for the Software that Winmark subsequently incorporates into the Software, such new features, functionality, or performance shall be the sole and exclusive property of Winmark.

3. TERM AND TERMINATION.

A. Term and Termination. This Agreement will continue until terminated. Winmark may terminate this Agreement upon written notice to Licensee if Licensee breaches any term of this Agreement, the Franchise Agreement or any other agreement with Winmark, or if Licensee becomes insolvent. This Agreement will automatically terminate, without any further action of the parties, upon termination of the Franchise Agreement for any reason.

B. Consequences of Termination. Upon termination of this Agreement, all licenses and rights Winmark has granted under this Agreement will terminate and Licensee will have no rights to use, sell or transfer its interest in the software. Licensee agrees to immediately return to Winmark all copies of the Software, or to destroy all Software.

4. LIMITED WARRANTY; DISCLAIMERS.

Winmark warrants to Licensee that the media on which the Software is recorded will be free from material defects in materials or workmanship under normal use for a period of ninety (90) days after delivery of the media. If during such period the media should be defective, Licensee may return the media for replacement without charge. Licensee's sole remedy in the event of a defect is expressly limited to replacement of the media. ALL SOFTWARE, INCLUDING ALL WINMARK SOFTWARE, IS PROVIDED ON AN "AS IS" BASIS. However, Winmark acknowledges its Software maintenance and repair obligations stated in Section 1 (E). THESE WARRANTIES ARE IN LIEU OF, AND WINMARK EXPRESSLY DISCLAIMS, ALL OTHER WARRANTIES RELATING TO THIS AGREEMENT OR THE SOFTWARE, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE IMPLIED WARRANTIES OF TITLE, NONINFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WINMARK DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE, THAT ALL DEFECTS WILL BE CORRECTED OR THAT THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS.

5. LIMITATION OF LIABILITY.

WINMARK'S LIABILITY FOR ANY CLAIM RELATED TO ANY SOFTWARE OR SERVICE PROVIDED WILL BE LIMITED TO THE LESSER OF LICENSEE'S ACTUAL DAMAGE OR LOSS OR THE INITIAL FEE PAID FOR THE SOFTWARE. WINMARK WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING LOST PROFITS OR LOSS OF OR DAMAGE TO DATA INCURRED BY LICENSEE OR A THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF WINMARK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6. INFRINGEMENT.

A. Infringement Claims. Winmark does not have actual knowledge of any claim that the Winmark Software infringes upon a third party's patent, copyright or other proprietary right. If a third party asserts such an infringement claim against Licensee, Licensee will immediately notify Winmark in writing. Winmark will have the right (but not the obligation) to defend any such claim, at Winmark's expense, and Licensee will cooperate with Winmark with respect to such defense. In the event of any such claim, Licensee will, at Winmark's direction, immediately discontinue using the Software. Winmark will either modify the Software so as to render it non-infringing or replace the Software with such other non-infringing Software as Winmark may furnish to Licensee. In either case, Winmark will do so only if the modified or replacement Software performs substantially the same functions as the infringing Software. So long as Licensee complies with the terms hereof, Winmark will indemnify Licensee for any loss, damage, cost or expense related to such claim.

B. Limitations. Winmark will not be liable to Licensee if an infringement claim is based on use of the Software in combination with any product, software or system not delivered by Winmark, or Licensee's unauthorized use or modification of the Software. Winmark will not have any obligations regarding any infringement of any non-Winmark Software.

7. THIRD PARTY SOFTWARE.

Winmark may install certain software not owned by Winmark ("Third Party Software"). Any Third Party Software, including related documentation, is subject to a separate license from the owner or provider of such Third Party Software. Licensee understands and agrees that, by signing this document, Licensee will be bound by all provisions of the license governing the use of such Third Party Software. Licensee agrees to indemnify and hold Winmark harmless from any and all losses or claims arising out of any license governing the use of any Third Party Software.

8. GENERAL.

A. Governing Law. This Agreement will be governed by Minnesota law. Any action related to this Agreement may be brought in any court located in Minneapolis, Minnesota, and the parties consent and submit to the personal jurisdiction and venue of any such court. Winmark will be entitled to temporary and permanent injunctive relief, without posting a bond or other security, to restrain any actual or threatened violation of the provisions of this Agreement, in addition to any other remedies Winmark may have. Winmark may recover its costs and expenses (including reasonable attorneys' fees) incurred in enforcing its rights under this Agreement.

B. Scope of Agreement; Conflicting Terms. This Agreement will govern all orders for Software, and all Software Winmark provides. No purchase order, invoice or other similar form may vary the terms of this Agreement. Any term thereof that is inconsistent with or additional to the terms of this Agreement will not be binding on Winmark.

C. Assignment. Neither this Agreement nor any rights granted hereunder may be sold, leased, assigned, or otherwise transferred in whole or in part, by Licensee, and such attempted assignment shall be void and of no affect without the advance written consent of Winmark. Winmark may assign this Agreement and any and all of its rights and obligations hereunder without the consent of Licensee.

D. Binding Effect. This Agreement will be binding upon and will benefit the parties hereto and their respective successors and assigns, subject to the limitations provided herein.

E. Export Controls. Licensee agrees to comply fully with all relevant export laws and regulations of the United States, including but not limited to the U.S. Export Administration Regulations (collectively, "U.S. Export Controls"). Without limiting the generality of the foregoing, Licensee expressly agrees that it shall not, and shall cause its representatives to agree not to, export, directly or indirectly, re-export, divert, or transfer the Software to any destination, company or person restricted or prohibited by U.S. Export Controls.

F. Waivers. The failure of either party to enforce or exercise any term of or any right under this Agreement does not represent a waiver of such term or right and will not affect that party's right later to enforce or exercise it. No modification or waiver of any of the provisions of this Agreement will be binding upon Winmark or Licensee unless it is in writing and is executed by the party against whom such modification or waiver is sought to be enforced.

G. Severability. If any provision contained in this Agreement is held invalid, such provision will not affect any other provision and the remainder of this Agreement will continue in full force and effect.

H. Entire Agreement. This Agreement is the complete and exclusive statement of the agreement of the parties regarding the subject matter hereof, and supersedes all prior or contemporaneous agreements, oral or written, and all other communications between the parties relating to the subject matter hereof. Nothing in this Agreement or any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

I. Survival. The provisions of this Agreement which by their nature extend beyond the termination hereof will survive and remain in effect until all obligations are satisfied.

In consideration of Franchisor's execution of this Franchise Agreement and Computer Software License Agreement (the "Agreements"), and for other good and valuable consideration, the undersigned, jointly and severally: (1) guarantee Franchisee's payment of all amounts due Franchisor and Franchisee's performance of the covenants and obligations in the Agreements, and any other agreements entered into by Franchisee and Franchisor; and (2) agree to be personally bound by every provision contained in the Agreements including the non-compete and confidentiality provisions and agree that this Personal Guaranty will be construed as though the undersigned executed each of the Agreements containing the identical provisions of the Agreements. If Franchisee shall default in making any payments or in the observance or performance of any obligations under the Agreement, the undersigned hereby covenant and agree to pay to Franchisor forthwith upon demand all amounts not so paid by Franchisee and all damages that may arise in consequence of any such non-observance or non-performance.

Without in any way restricting or limiting the guarantee given by the undersigned as set out above or any other rights and remedies to which Franchisor may be entitled, each of the undersigned jointly and severally covenant and agree to indemnify and save Franchisor harmless against any and all liabilities, losses, suits, claims, demands, costs, fines and actions of any kind or nature whatsoever to which Franchisor shall or may become liable for, or suffer, by reason of any breach, violation or non-performance by Franchisee of any term or condition of the Agreements, or any other agreement made between Franchisee and Franchisor.

Any settlement made between Franchisor and/or Franchisee and/or any party from whom the right to occupy the Franchised Location has been obtained and/or any other persons as Franchisor may see fit to deal with, or any determination made pursuant to the Agreements which is expressed to be binding upon Franchisee, shall be binding upon the undersigned.

In the enforcement of any of its rights against the undersigned, Franchisor may in its discretion proceed as if the undersigned was the primary obligor under the Agreements, or any other agreement made between Franchisee and Franchisor.

A. Each of the undersigned waives:

(1) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;

(2) protest and notice of default to any party respecting the indebtedness or nonperformance of any obligations hereby guaranteed; and

(3) any right he/she may have to require that an action be brought against Franchisee or any other person as a condition of liability.

B. Each of the undersigned consents and agrees that:

(1) he/she will provide any payment or performance required under the Agreements upon demand if Franchisee fails or refuses to do so;

(2) such liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or any other person; and

(3) such liability will not be diminished, relieved or otherwise affected by Franchisee's insolvency, bankruptcy or reorganization, the invalidity, illegality or unenforceability of all or any part of the Agreements, or the amendment or extension of the Agreements with or without notice to the undersigned.

CALIFORNIA ADDENDUM TO
ONCE UPON A CHILD®
FRANCHISE DISCLOSURE DOCUMENT

For prospective franchisees subject to California statute, the following information modifies the corresponding disclosures in the Once Upon A Child® Franchise Disclosure Document.

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

1. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION, ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION AT WWW.DFPI.CA.GOV.

2. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO EXECUTION OF ANY AGREEMENT.

3. Section 31125 of the California Corporations Code requires the Franchisor to give the Franchisee a disclosure document, in a form and containing such information as the commissioner may by rule or order require, prior to a solicitation of a proposed material modification of an existing franchise.

4. Item 3 is amended to provide that neither Winmark nor any other person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association.

5. Item 6 of the FDD is amended to add the following sentence under the “Amount” column of “Interest Expenses” which are payable if Continuing Fee or other amounts due Winmark are not timely paid:

The maximum interest rate in California is 10%.

6. Item 17 of the FDD is amended to include the following provisions:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business may be void under California Business and Professions Code Section 16600.

Section 11 of the Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

For Franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

The Franchise Agreement requires binding arbitration. The arbitration will occur at Minneapolis, Minnesota. The non-prevailing party will pay all costs and expenses, including reasonable attorney's fees, incurred by the prevailing party in any arbitration. This provision may not be enforceable under California law.

The Franchise Agreement requires that arbitration take place in Minneapolis, Minnesota. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of an agreement restricting venue to a forum outside the State of California.

7. Item 19 of the FDD is amended to include the following provision:

The earnings claims figure(s) does (do) not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

8. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

10. California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a Franchise Agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

FRANCHISE DISCLOSURE DOCUMENT

Item 5 of the Franchise Disclosure Document is revised to include the following provisions:

All Initial Franchise Fees paid to Winmark by Illinois franchisees are required to be placed in escrow. The Illinois Attorney General imposed the escrow requirement because of Winmark's financial condition. Winmark has entered into an Escrow Agreement with US Bank, N.A. dated July 9, 2015. You should make your checks for the Initial Franchise Fees described in Item 5 payable to "Winmark Corporation, US Bank as Depository." This Escrow Agreement is on file with the Franchise Examiner, Office of the Attorney General, 500 South 2nd Street, Springfield, Illinois 62706.

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. FRANCHISE DISCLOSURE DOCUMENT

1. Item 5 of the Franchise Disclosure Document is revised to include the following provision:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

Termination by Winmark. The Franchise Agreement provides for termination if you are insolvent under any applicable state or federal law. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.).

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, G. Mennen Williams Building, 525 Ottawa Street, P.O. Box 30212, Lansing, Michigan 48909, telephone (517) 373-7117.

Winmark will indemnify you for damages for which you are held liable in any proceeding arising out of the use of the Once Upon A Child® mark, provided you have used the Mark properly and have notified Winmark of any claim against you within 10 days of your knowledge of the claim. Winmark will have sole control of any litigation involving the Marks. Item 17 of the Franchise Disclosure Document is revised for Minnesota franchisees to include the following language:

With respect to franchises governed by Minnesota law, Winmark will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement.

The Franchise Disclosure Document is revised to include the following provision:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

We are prohibited from requiring you to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.
