What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit A](#).

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Georgia than in your own state.
2. **Performance Standard.** If you fail to meet the performance standard, we may remove you from participation in National Account Programs, terminate the franchise agreement, terminate or reduce your protected rights in the territory, or reduce your Territory.
3. **Unit Franchisees.** The classification of unit franchisees as independent businesses as opposed to employees is in a state of uncertainty.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

To the extent the Michigan Franchise Investment Law, Mich. Comp. Laws §§445.1501 – 445.1546 applies, the terms of this Addendum apply.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisee has any questions regarding this notice, those questions should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Attn.: Franchise, 670 Law Building, Lansing, Michigan 48913, telephone: (517) 373-7117.

The subfranchisor business includes specifications and operating procedures for our Regional Franchise Developers’ subfranchisees to independently own and operate a business that performs commercial, industrial and institutional cleaning, maintenance, disinfection, sanitization (commercial and residential) and related services (“Services”) for the Unit Franchisees’ customers (“Customers”). Unit franchisees may contract with you to provide them with certain Support Services that may include marketing and sales services and billing and collection services, along with other account management services at the Unit Franchisees’ direction (collectively the “Support Services”). If you contract with Unit Franchisees to provide them with Support Services, as marketing and sales services, you will solicit Customers within your Territory on behalf of those Unit Franchisees for Services that your Unit Franchisees will perform for their customers under contracts that they purchase from you and that your Unit Franchisees will own. As part of the contracted for Support Services, you may provide billing and collection and account coordination services pursuant to contracts that the Unit Franchisees purchase from you as well as certain franchisor support services for those Unit Franchisees.

Industry Specific Laws and Regulations

The Federal Trade Commission and various states regulate the offer and sale of franchises (or business opportunities) and the relationship between franchisors (including Regional Franchise Developers)

and franchisees. You must comply with these laws when you solicit Unit Franchisees and during your relationship with your Unit Franchisees.

Since you will sell Unit Franchises, you must comply with the Federal Trade Commission's "Franchise Rule" and also with any state law applicable to your franchise sales activities. These laws require you to annually prepare and furnish a Franchise Disclosure Document (a "Unit FDD") and a Unit Franchise Agreement ("Unit Franchise Agreement") to grant Unit Franchisees the right to use the Proprietary Marks, and the Jan-Pro programs, materials and procedures (the "System") in the operation of their businesses' performance of the Services for their Customers on a daily, weekly or monthly basis. You also must amend your Unit FDD or prepare a quarterly update to your Unit FDD to reflect material changes in your and our information, including our newest audited financial statements, which are released within 120 days after our fiscal year end.

To assist you with this, we provide you with our template for a Unit FDD. You may use this template Unit FDD and the template Unit Franchise Agreement (attached as Exhibit K) to prepare your Unit FDD. The template Unit Franchise Agreement assumes that you will provide Support Services for your Unit Franchisees, but you are not required to do so.

We currently offer two Unit FDD template programs under which certain optional Support Services are provided under a separate support services agreement ("Support Services Agreement") and are not part of the Unit Franchise Agreement (the "Service Agreement Pilot"). You may choose to participate in the Service Agreement Pilot. If you decide to participate in the Service Agreement, you will use a different template Unit FDD, and you will use the template Unit Franchise Agreement and template Support Services Agreement attached as Exhibit L. Unless otherwise noted, all disclosures in this Franchise Disclosure Document and references to Unit FDD and Unit Franchise Agreement apply to both the standard program and the Service Agreement Pilot.

These documents are only templates and have not been customized for your business and/or your state's laws, so you must carefully review and add information on you and your Regional Developer Franchise and include all disclosures required by applicable law. A copy of each Unit FDD that you prepare must be provided to us within 30 days of its issuance, however, we have no duty to review the Unit FDD.

In some states, you also may have to comply with franchise registration or business opportunity registration laws that require that you register or file for an exemption with the state and/or provide state specific disclosures to prospects. In addition, some states have franchise relationship laws with which you may have to comply that impact the termination, transfer and renewal of Unit Franchises.

You are exclusively responsible for complying with all federal and state franchise and business opportunity laws and the payment of all registration and filing fees, and all associated attorney fees. To prepare your Unit FDD and comply with applicable franchise and business opportunity registration and disclosure laws, we recommend that you obtain the services of a franchise attorney.

If you accept credit cards as a method of payment at your Franchise, you must comply with payment card industry ("PCI") and government requirements. PCI security standards are technical and operational requirements designed to protect cardholder data. The standards apply to all organizations that store, process or transmit cardholder data and cover technical and operational payment system components involving cardholder data. Your credit card processing provider should assist you with this compliance.

You will have to comply with laws and regulations that apply to businesses generally (such as workers' compensation, OSHA, and Americans with Disabilities Act requirements). Federal, state and local governmental laws, ordinances and regulations periodically change. You are responsible for

ascertaining and complying with all federal, state and local governmental requirements. We assume no responsibility for advising you on these regulatory matters. Consult with your attorney about laws and regulations that may affect your Franchise.

You must also obtain all necessary permits, licenses and approvals to operate your Franchise.

General Market and Competition

The market for commercial janitorial service franchises is well developed. You will compete with brokers, franchisors, sub-franchisors, independent businesses and other individuals, corporations or entities offering and selling franchises or other business opportunities in similar businesses with similar capital investment requirements. Unit Franchisees also must compete with national and local businesses offering services that are the same as or similar to the Services.

At the present time, a few states have attempted to re-classify Unit Franchisees as employees of the franchisor, and thereby hold the franchisor liable for unemployment insurance contributions and/or workers compensation premiums. These re-classification attempts, if adopted as law, may also make unlawful certain deduction of fees for Support Services provided. You should be aware that your state and/or the federal government; as well as former and existing Unit Franchisees, may decide to pursue these types of claims against your regional developer business.

LITIGATION**

Pending and Franchisor Initiated Actions

Employee Misclassification in Federal Court

Roman, Vazquez and Aguilar, and all others similarly situated v. Jan-Pro Franchising International, Inc. (Case No. 3:16-cv-05961, United States District Court, Northern District of California). On November 3, 2016, the Court accepted a transfer of this case from the Massachusetts District Court, where the franchisees in Massachusetts had already lost their case (as they also had in Georgia state court). The plaintiffs were unit franchisees of certain of our Regional Franchise Developers. We had no contracts or relationship with the plaintiffs and never dealt with the plaintiffs in their franchise purchases or their business operations. On January 26, 2017, the plaintiffs filed a Second Amended Complaint. The plaintiffs alleged that we were liable for the actions of a few of our Regional Franchise Developers who were alleged to have engaged in unfair and deceptive business practices. They also alleged that they were our direct employees, were misclassified as independent contractor franchisees rather than as employees, and that they were denied wages and/or other employee benefits. Their claims also were based on theories of quantum meruit and unjust enrichment. The plaintiffs sought certification as a class action, damages attributable to our alleged statutory and common law violations, statutory enhancement of damages, declaratory and injunctive relief against us, and any other relief to which they might have been entitled.

We filed a Motion for Summary Judgment on February 16, 2017, and both parties briefed this Motion. Oral argument on this Motion was held on May 4, 2017 and on May 24, 2017, the Court issued

its Decision, granting our Motion for Summary Judgment and holding that the plaintiffs were not our employees. On July 20, 2017, the Court ordered the plaintiffs to pay us a portion of our costs.

On May 25, 2017, the plaintiffs appealed this loss to the U.S. Court of Appeals for the Ninth Circuit. Both sides completed briefing of the issues in January 2018 and the Court scheduled oral arguments for December 18, 2018. On May 2, 2019, the 9th Circuit issued its opinion, reversing and remanding the case back to the U.S. District Court, holding that the new ABC test¹ could be applied to the plaintiffs' ten-year old claims. The District Court will have to analyze the applicability of California's new ABC test for employee status against the facts in our case. On May 31, 2019, we filed a Petition in the 9th Circuit, requesting the entire Court to review the 9th Circuit's decision. On July 22, 2019, however, the Ninth Circuit granted a panel rehearing; withdrew the court's previously-published opinion; and declared its intention to file "[a] revised disposition and an order certifying to the California Supreme Court the question of whether [Dynamex] applies retroactively." Thereafter, the court reissued its opinion and certified the question of retroactively applying the ABC test to the California Supreme Court. On October 8, 2019, we filed a Petition for rehearing by the panel or en banc of the 9th Circuit's reissued opinion. On November 7, 2019, the 9th Circuit denied our petition for a panel rehearing or rehearing en banc. The Supreme Court accepted the certification to answer the retroactivity question on November 20, 2019. The Plaintiffs' opening brief was submitted to the California Supreme Court on January 22, 2020. On March 17, 2020, JPI submitted two 28j letters to the Ninth Circuit Court of Appeals asking them to decertify the question of retroactivity to the Supreme Court, or order supplemental briefing. JPI submitted its reply brief on May 27, 2020, to the California Supreme Court arguing against retroactivity and asking for the Supreme Court to decertify the retroactivity question. The California Supreme Court held a hearing on November 3, 2020, and issued a decision on January 14, 2021, holding that the ABC test announced in Dynamex could apply retroactively, but declined to state whether the ABC test applied in a franchise context, a threshold issue that will be the subject of additional proceedings in this matter. On February 2, 2021, the Ninth Circuit reissued its prior opinion and remanded the case to the California Northern District Court. On January 22, 2022, Plaintiffs filed a motion for summary judgment and class certification. On August 2, 2022, the Northern District Court of California granted plaintiffs motion for class certification and summary judgment as to (1) failure to pay minimum wage for mandatory training, (2) failure to reimburse for expenses incurred for (a) required uniforms and (b) necessary cleaning supplies and equipment, and (3) unlawful deductions of (a) management fees and (b) sales and marketing fees for the following group: all unit franchisees who signed a franchise agreement with a master franchisee in the state of California and who performed cleaning services for defendant from December 12, 2004, to the latest date on which a named plaintiff terminated employment.

On August 17, 2022, Jan-Pro petitioned the Ninth Circuit Court of Appeals pursuant to Rule 23(f) of the Federal Rules of Civil Procedure seeking permission to appeal the District Court's decision holding that JPI had waived its right to arbitrate as to unnamed class members and that Plaintiffs' claims for management and sales-and-marketing fees are encompassed by certain California wage orders. On November 10, 2022, the Ninth Circuit denied Jan-Pro's Rule 23(f) petition.

On October 31, 2023, the parties entered into a settlement agreement, subject to the approval of the Court, whereby Jan-Pro agreed to pay thirty million dollars (\$30,000,000) to resolve all individual and class wide claims in exchange for releases from all plaintiffs, class members, and putative class members. There was no admission of liability by Jan-Pro and the settlement was reached solely to compromise highly

¹ *The New ABC test is defined by the State of California as “(A) The person is free from the control and direction of the hiring entity in connection with the performance of the work, both under the contract for the performance of the work and in fact; (B) The person performs work that is outside the usual course of the hiring entity’s business; and (C) The person is customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the work performed.”*

disputed claims and end 15 years of litigation. The class period includes all claims from December 12, 2004 through date of preliminary approval of the settlement by the Court. On December 5, 2023, the Court granted Plaintiffs' Motion for Preliminary Approval. Pursuant to the Court's December 5, 2023 Order, class members have until February 23, 2024 to file objections or opt-out of the settlement and Plaintiffs' counsel must file a motion for final approval no later than February 29, 2024. A final fairness hearing is scheduled for March 14, 2024.

On May 23, 2024, the Court issued an order granting Plaintiffs' Motion for Final Approval and Settlement, effectively bringing the litigation to an end.

Employee Misclassification Case in Washington, DC Superior Court

District of Columbia v. Nabicorp Enterprises, Inc. and JAN-PRO Franchising International, Inc. (Case Number 2022 CA 003128 B, Superior Court of the District of Columbia, Civil Division). On July 13, 2022, the Office of the Attorney General ("OAG") for the District of Columbia filed a lawsuit alleging that Nabicorp Enterprises, Inc. ("Nabicorp"), a Regional Franchise Developer for the Washington, DC and surrounding Maryland and Virginia territory, misclassified its Unit Franchisees who reside in or do a substantial amount of work in the District of Columbia as independent businesses rather than as employees. The OAG alleges that JAN-PRO Franchising International, Inc. ("JPI") is a joint employer of Nabicorp's Unit Franchisees. The OAG alleges violations for unlawful deductions and failure to keep records under the Wage Payment and Collection Law and failing to provide sick leave under the Sick and Safe Leave Act ("SSLA"). The OAG seeks declaratory relief on the status of Unit Franchisees and injunctive relief on future misclassification as well as damages for unlawful wage deductions, damages and punitive damages under the SSLA and reinstatement of paid sick leave, statutory penalties and costs and fees. The case is in active discovery.

Discovery closed in September 2024. On October 25, 2024, defendants JPI and Nabicorp each filed a Motion for Summary Judgment asking the court to dismiss the case as there are no material issues of fact and that each defendant is entitled to judgment as a matter of law. The District of Columbia filed its opposition papers to the motions on December 6, 2024, and the defendants submitted their respective reply on January 6, 2025. It is unknown as to when the court will render its decision.

Employee Misclassification Case in Massachusetts State Court

Claudio Brandao and Rommel Lima, et al. v. Jan-Pro Franchising International, Inc. (Case number 13-4439B, Superior Court of Suffolk County, Massachusetts). The attorney in the above federal case attempted to add two additional plaintiffs to the federal case in 2012. After receiving a preliminary indication in December 2013 from the judge that he would not allow additional plaintiffs to be added, the attorney then sued in the Massachusetts state court on December 18, 2013. The plaintiffs were Massachusetts Unit Franchisees of certain of JPI's regional franchise developers. The plaintiffs allege that they were JPI's direct employees and were denied wages and/or other employee benefits. Their claims were based on theories of misclassification as independent contractors and wage act violations. The plaintiffs sought certification as a class action, damages attributable to alleged statutory law violations, statutory enhancement of damages, injunctive relief, and any other relief to which they might be entitled.

JPI was served with this action on January 14, 2014. On August 4, 2015, JPI filed a Motion to Compel Arbitration based on a recent ruling by the Massachusetts Supreme Judicial Court in an unrelated case. On February 25, 2016, a new plaintiff, Barros, was added to the case. On May 7, 2016, the judge

granted JPI's Motion and dismissed this action and stated that Brandao should have filed an arbitration action and Lima should have filed suit in New Hampshire. Brandao and Barros then filed separate arbitration actions, which are described in the next subsection. Lima has not refiled in New Hampshire.

Further Proceedings for Barros

Barros then filed a Motion to Correct the Judgment as the Judgment did not specifically address his claims. On August 24, 2018, the Superior Court ruled that Barros should be compelled to arbitration. On September 6, 2019, the parties entered into a settlement agreement whereby Barros released all claims in exchange for a payment of \$13,000.

Further Proceedings for Brandao

On November 30, 2017, Brandao moved in the Superior Court to reopen his case in court rather than arbitration, claiming that he could not afford to pay the AAA deposit. JPI opposed this motion.

On August 21, 2019, the parties entered into a settlement agreement whereby Brandao released all claims in exchange for a payment of \$22,000.

Employee Misclassification Arbitration Proceeding

Claudio Brandao v. Jan-Pro Franchising International, Inc., Before the American Arbitration Association (Case No. 01-16-0003-954). On July 28, 2016, Brandao, a plaintiff in the above action, filed an individual Demand for Arbitration before the American Arbitration Association. The plaintiffs allege that they were the JPI's direct employees and were denied wages and/or other employee benefits. Their claims were based on theories of misclassification as independent contractors and wage act violations. An arbitrator was selected.

On November 30, 2017, Brandao moved in the Superior Court to reopen his case in court (described above) rather than arbitration, claiming that he cannot afford to pay the AAA deposit. JPI has opposed this motion. On August 21, 2019, the parties entered into a settlement agreement whereby Brandao released all claims in exchange for a payment of \$22,000.

Tony Barros v. Jan-Pro Franchising International, Inc., Before the American Arbitration Association (Case No. 01-16-0003-0958). On July 28, 2016, Barros, a plaintiff in the above Massachusetts state court action, filed an individual Demand for Arbitration before the American Arbitration Association. The plaintiffs allege that they were the JPI's direct employees and were denied wages and/or other employee benefits. Their claims were based on theories of misclassification as independent contractors and wage act violations. In November 2018, JPI informed AAA that Barros had signed a release of claims and AAA should not go forward without resolving whether Barros even has a right to go forward due to the release he signed. On September 6, 2019, the parties entered into a settlement agreement whereby Barros released all claims in exchange for a payment of \$13,000.

Other than the actions described above, no litigation must be disclosed in this Item for the Franchisor.

ITEM 4 BANKRUPTCY

No bankruptcies must be disclosed in this Item.

ITEM 5 INITIAL FEES

Initial Franchise Fee

The initial franchise fee for a Franchise is based primarily on the business count of the Territory granted and must be paid when you sign the Franchise Agreement. All Regional Franchise Developers do not pay the same initial franchise fee. The formula will vary according to the density of the population related to the total area, the number of business counts within the total area, or other demographic considerations. The initial franchise fee ranges from a minimum of \$50,000 to \$250,000 but may be more or less depending on the population in your Territory. We have in the past, and may in the future, offer for a limited time, or in specific instances, incentives that lower the minimum initial franchisee fee based on territory size, location and whether the territory is sold to an existing franchisee. The initial franchise fee is not refundable. We may offer an incentive discount (self-referral incentive) on the initial franchise fee to existing franchisees who purchase a new territory as part of a referral incentive program up to \$20,000.

We may elect to finance a portion of the initial franchise fee over our minimum of \$50,000. If we provide financing, the amount financed is payable in equal monthly installments over 24 to 48 months, depending on your financial circumstances and your aptitude for the Franchise. You must sign a promissory note (“Promissory Note”) that will provide for payment of the amount due with interest at 10% per annum. See Item 10 (FINANCING) below for more detail concerning this financing.

Additional Attendees at Initial Certification

We don’t charge a fee for our initial certification program for up to two trainees. We may charge you \$1,000 for each additional trainee. This fee is uniform for all franchisees and is not refundable.

Jan-Pro VetFran Incentive

We participate in the International Franchise Association’s Veterans Transition Franchise Initiative (“VetFran”) program to provide franchise opportunities to qualifying veterans. The purpose of the VetFran program is to honor those men and women who have served in the U.S. military. The VetFran program was developed to help veterans transition to civilian life. VetFran is a voluntary effort of International Franchise Association member-companies that is designed to encourage franchise ownership by offering financial incentives to honorably discharged veterans.

Our VetFran incentive provides a 10% discount off the initial franchise fee due under our Franchise Agreement. This incentive may not be combined with any other incentive program and applies only to the first Franchise Agreement. To qualify, a prospective Regional Franchise Developer must: (i) request the Jan-Pro VetFran incentive at the time of application; (ii) meet our then-current qualifications for new franchisees; (iii) be at least 51% legally and beneficially owned by persons meeting our qualifying veteran status; and (iv) not have previously received a Veterans incentive from us. You may meet our qualifying veteran status if you are a veteran who has received an honorable discharge from the U.S. Military, and you must give us a copy of your Form DD 214 showing your status as an honorably discharged veteran. We may discontinue the Jan-Pro VetFran Program at any time.

Notes:

1. Fees. These payments must be made in any manner we periodically require, such as by electronic transfer to an account we designate or by our direct debit against a bank account you maintain, or by check. We have the right to periodically specify (in the Manuals or otherwise in writing) different payees and/or payment methods, such as, but not limited to, payment by auto-draft, credit card, and payment by check. All fees are imposed by and are payable to us, unless otherwise noted. Any fees paid to us, or our affiliates are non-refundable under any circumstances once paid. All fees (other than initial franchise fees, as described above in Item 5) are uniformly imposed on new Regional Franchise Developers. These fees may have been waived or modified for a particular Regional Franchise Developer in the past based on the particular circumstances, and we may do so if we deem appropriate. All fees are current as of the Issuance Date of this Franchise Disclosure Document.
2. Contract Services Royalty Fee. “Gross Monthly Revenue” means all revenue collected or otherwise received by you or any of your Unit Franchisees (if the Unit Franchisees perform billing services) for Services (including Special Services, defined below in this footnote) for Customers, whether evidenced by cash, credit, check, script or other property or services, and all revenue from National Accounts without deduction of the National Accounts Support Fee, all revenue you collect from any supplies and/or equipment sold, leased or that you otherwise distributed to anyone, and all other revenue related to or derived from the conduct or operation of your regional developer franchised business or from the use of the Proprietary Marks or the System by you or any owner or affiliate. Gross Monthly Revenue does not include any sales or other taxes you collected from Customers on behalf of Unit Franchisees and that you paid directly to the appropriate taxing authority. You may not deduct collection fees and costs and payment provider fees (i.e., bank or credit card company fees) from your Gross Monthly Revenue calculation.

“Recurring Customer Accounts”. “Recurring Customer Accounts” (RS) includes Customer accounts under which Services are provided under written Customer contracts that provide for

Services on a daily, weekly, or monthly basis and National Account revenue performed under a customer contract, and excludes Special Services (SS), National Account Special Services revenue, initial franchise fees, upgrade fees, transfer fees, supply sales, and other fees that may be charged to Unit Franchisees.

“Special Services” include special or isolated cleaning services performed by Unit Franchisees under one-time nonrecurring contracts such as floor buffing and waxing, stripping and refinishing, carpet cleaning, extraction, wall cleaning, sanitization and disinfecting services, and other services as we authorize Unit Franchisees to provide under the name “JAN-PRO Cleaning and Disinfecting” in the Manuals.

3. Local and Regional Advertising Cooperatives. There are currently no cooperatives in which you must or may participate; however, we may negotiate with some suppliers for you, at your request. We reserve the right to require you to participate in an advertising cooperative, as disclosed in Item 11. We reserve the right to establish a local or regional advertising cooperative if two or more Jan-Pro regional developer franchised businesses are operating in a market designated by us. If a local or regional advertising cooperative is established, contribution amounts to the local or regional advertising cooperative will be established by the cooperative members, subject to our approval. We anticipate that each franchisee will have one vote for each regional developer franchised business operated by the member in the designated market. Each regional developer franchised business we or our affiliates own that exists within the cooperative’s area will contribute to the cooperative on the same basis as regional developer franchisees. No local or regional advertising cooperatives have been established as of the Issuance Date of this Franchise Disclosure Document. The maximum advertising fees for national, local and regional advertising funds may not exceed an aggregate of 2% of Gross Monthly Revenue.

4. Transfer Fee. The amount of the “Transfer Fee” will be based on the following (modified) Lehman Table, and, if eligible, subject to the discounts set forth below:

Lehman Table

If PP is = or less than \$1M	10.0%
If PP is = or less than \$2.5M, but more than \$1M	7% on amount over \$1M

If PP > \$4M	1% on amount over \$4M

- b. 2nd Enterprise in top 5 Gold Circle performance for their tier at the time of transfer, additional 30% discount, for a total discount of 40% on the Lehman Table Amount.

Notes:

1. **Expenditures.** These estimated initial expenses are our best estimate of the costs you may incur in establishing and operating your regional developer franchised business. We may elect to finance a portion of the initial franchise fee over our minimum of \$50,000. If we provide financing, the amount financed is payable in equal monthly installments over 24 to 48 months, depending on your financial circumstances and your aptitude for the Franchise. You must sign a Promissory Note that will provide for payment of the amount due with interest at 10% per annum. All expenditures paid

to us or our affiliates are uniformly imposed on new Regional Franchise Developers (other than as described in Item 5 above) and non-refundable under any circumstances once paid.

2. Real Estate. You must maintain a business office of approximately 1,500 to 2,000 square feet, which we must approve as to location and décor. You can expect to pay 3 months' rent when you sign a lease: 1st month, last month and one-month security. You may not operate the Franchise from your home. Initial deposits and the costs for the build-out of office space will vary, depending on the office space leased.
3. Equipment & Office Furniture. You must purchase, lease or otherwise acquire a commercial carpet extraction machine, commercial floor polisher and a commercial wet/dry vacuum and complete starter kit, and provide us proof you have done so on our request. These items are not included in the opening package we furnish. This equipment is not to be used by you but, rather, is backup equipment for your Unit Franchisees and you may rent this equipment to your Unit Franchisees. See Item 11. You also must furnish your office space.
4. Business Licenses & Permits, Deposits & Other Prepaid Expenses. You must obtain all proper business licenses and permits from various state and local agencies before engaging in business. These filing and application fees may range up to \$1,000 each, depending on the location of your Franchise. Security deposits and other expenses that must be prepaid also will vary.
5. Insurance. See Item 8 for information on required insurance.
6. Certification. You must pay all your expenses to attend your initial certification at our corporate training center in Alpharetta, Georgia and/or at one of our Regional Franchise Developer's offices. Actual costs will depend on the distance traveled, the lodging secured, meals and the transportation used.

Legal Fees & Registration Expenses. You are required to prepare and file or register an FDD as required by applicable federal or state law and provide a copy to us every year. We may provide you with a template form Unit FDD and the standard Unit Franchise Agreement (which is included in the Unit FDD), but we are not responsible for the accuracy or completeness of any information you include in your Unit FDD. We are not responsible for your compliance with the requirements of any state and federal laws or regulations that now or later may apply to franchise or business opportunity sales. You are required to provide us with a copy of your FDD every year and any amendments thereto. Because the documents we provide are only templates and have not been customized for your business and/or your state's laws, you must carefully review, prepare and add information to these documents regarding you and your Franchise, at your expense, to include all disclosures required by law and conform its provisions to law. You are exclusively responsible for complying with all federal and state franchise and business opportunities registration and disclosure laws and the payment of all registration and filing fees. To prepare your Unit FDD and comply with applicable franchise and business opportunities registration and disclosure laws, we recommend you retain the services of an attorney.

7. Additional Funds – 3 months. Additional Funds is an estimate of certain funds needed to cover business (not personal) expenses during the initial months of operation of your business. You will need capital to support ongoing costs of your business, such as payroll, utilities, taxes, loan payments and other expenses, if revenues do not cover business costs. This is only an estimate and we cannot guarantee that the amounts stated will be adequate. You may need additional funds during the initial months of operation or afterwards. The 3-month period from beginning your business does not mean that you will have reached "break-even," "positive cash flow," or any other

financial position. In addition, Additional Funds relate only to costs associated with the Franchise and cover no owners' draw or personal, "living," unrelated business or other expenses you may have.

8. Figures May Vary. The payments made to third parties may be refundable depending on the terms offered by each third party. These estimates include no finance charges, interest or debt service obligations. See Items 5 and 10 for information on our possible financing of the initial franchise fee. In preparing the figures in this table, we relied on our 24 years of experience in franchising these Regional Developer Franchises. The amounts shown are estimates only and may vary for many reasons, including the capabilities of your management team, where you locate your Franchise, and your business experience and acumen. You should review these estimates carefully with a business advisor or accountant before deciding to buy a Regional Developer Franchise.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from Us or Our Affiliates

You are not required to purchase any goods, supplies, fixtures, equipment, inventory or real estate for your Regional Developer Franchise from us or from our affiliates, except for the software licenses described below. We reserve the right to require you to purchase any items for your Regional Developer Franchise from us or from our affiliates.

You must use all proprietary software programs we develop for the operation of the Regional Developer Franchise. You must purchase, lease or license all proprietary software programs we designate, either from us or from an approved distributor. We require you to enter into the Software License Agreement attached as Exhibit C to this Franchise Disclosure Document that grants you a sublicense to use our proprietary MasterView software. We also require you to license the Customer Portal and JanHubSM solutions from us. See Items 6 and 11 for additional information.

Purchases from Approved Suppliers

You must purchase or lease certain equipment, chemicals, supplies, inventory, advertising materials, and any other products and services used to operate the Regional Developer Franchise only from manufacturers and suppliers we approve in writing. We will provide you with a list of approved and designated suppliers for supplies and equipment. We may require you to purchase other products and/or services only from suppliers we approve.

We are not an approved supplier of any goods, services, supplies, materials or other products, other than the software and the Web hosting and email services we supply. Our affiliate, JPE, administers a National Accounts program and is therefore an approved supplier for its services. Our affiliate, PMA, operates an insurance program and is therefore an approved supplier for its services. Some of our officers own an indirect interest in Empower Brands or its subsidiaries. We and JPE are wholly owned subsidiaries of Empower Brands. PMA is a wholly owned subsidiary of Lynx-JP Holdings. Otherwise, there are no suppliers in which one of our officers owns an interest.

You may recommend suppliers to us. We evaluate recommended suppliers at your expense and approve or disapprove the suppliers with reasonable promptness, not to exceed 90 days, based on our tests and evaluations of their products or services. Any supplier not approved within that time period is deemed disapproved. A supplier must demonstrate to our reasonable satisfaction that it can supply a product meeting our standards and specifications, that it can provide the supplies or equipment in a prompt, reliable

manner, that it is in good financial standing in the business community, and that its supplies or equipment are reliable. We will notify you if and when we no longer approve a previously approved supplier. A supplier must continually adhere to our standards to maintain its approval. On your request, we will disclose our specifications and standards and criteria for supplier approval to you.

Purchases in Accordance with Our Specifications

You must purchase or lease certain equipment, chemicals, supplies, inventory, advertising materials, and any other products and services used to operate the Regional Developer Franchise only under our specifications. You must purchase or lease certain equipment, insurance and computer hardware and software for your Regional Developer Franchise under our specifications.

Specifications we have formulated for these items are in our Manuals. We may modify these specifications on reasonable written notice to you. We will consider your written request for a modification of a specification, if you explain the reason for the requested modification (or for approving any product or service we have not previously approved) and provide us with sufficient technical data to enable us to evaluate your request. We will provide you with notification of approval or disapproval within 30 days after receipt of your request. We will approve a request if we determine that a modified specification is appropriate or that any product or service meets our specifications then in effect. We may perform tests to determine if any equipment or products meet our specifications. We will charge you a fee to cover our out-of-pocket expenses, plus our then-current per diem charges for our personnel, for any required testing or inspection.

Equipment and Supplies

You must purchase or lease certain equipment and supplies meeting our specifications in amounts we recommend, to use our experience in the business and to provide proper initial planning, Certification, and recordkeeping. You must purchase, lease or otherwise acquire a commercial carpet extraction machine, commercial floor polisher and a commercial wet/dry vacuum. This equipment is backup equipment for your Unit Franchisees and you may rent this equipment to your Unit Franchisees.

Insurance

Before beginning operations, you must purchase comprehensive liability insurance, including property, bodily injury, product and automotive coverage. The cost of this coverage varies, depending on factors that include the charges the carrier establishes, terms of payment, and your prior history. You must obtain insurance in the following minimum amounts and provide proof of coverage on demand:

Type	Minimum Limits
Comprehensive General Liability	\$2,000,000
Auto, including hired and non-owned	\$1,000,000
Worker’s Compensation	\$100,000/\$500,000/\$100,000, or minimum your state requires

We may increase or add new types of coverage at our discretion when circumstances so dictate, or when your state’s laws require.

Computer Hardware and Software

You must purchase, lease or license all the computer hardware and software, network connections, computer-related accessories and peripheral equipment we designate and under our specifications.

Revenue from Required Purchases

During our last fiscal year ended September 30, 2024, we derived \$330,294 in revenue for licensing the software including web hosting and email services to regional franchisees. We also received rebates from several suppliers who provide regional franchisees and Unit Franchisees with marketing materials, paper products, cleaning chemicals and cleaning equipment. During our last fiscal year ended September 30, 2024, these rebates totaled \$275,205 (\$9,017 for cleaning chemicals; \$72,048 for cleaning equipment; \$183,519 for paper products; and \$10,621 for other). This revenue totals \$605,499 or 2.1% of our total revenue of \$28,215,091.

During our last fiscal year ended September 30, 2024, our self-insured workers compensation captive affiliate, PMA, derived revenue of \$5,321,361 from regional franchisees and unit franchisee purchases of services and/or products. This revenue totals 83% of our affiliate's total revenues of \$6,420,981.

Magnitude of Required Purchases or Leases

We anticipate that your required purchases will range from 80% to 90% of your initial investment and that your required purchases will be 85% to 95% of all purchases you will make in operating your Regional Developer Franchise. If you purchase any goods, services, supplies, materials or other products from a supplier who has established a business relationship with us, or purchase these items directly from us, we may derive revenue from any purchases you make.

We do not discriminate against you or provide you with material benefits such as renewal of your Regional Developer Franchise or grant you additional franchises based on your use of any approved supplier.

Purchasing/Distribution Cooperatives

We do not have any purchasing or distribution cooperatives.

ITEM 10 FINANCING

Under limited and special circumstances, we may allow for a partial deferral or make optional financing available to qualifying existing franchisees. In those situations, we may finance up to 80% of your franchise fee for up to 24 months, provided you sign the Promissory Note (“Note”) at the time you sign the Franchise Agreement.

The effective annual interest rate will be four percentage points above the prime interest rate on the effective date of the Franchise Agreement. For those franchisees subject to California law, the highest interest rate permitted under California law is 10% per year. There is no prepayment penalty and the rule of 78 does not apply (the rule of 78 is a method of computing interest which requires the interest originally calculated to still be paid even if prepaid). No security interest is required and no person other than you and, if you are an entity, those individuals who are required to sign the form Guarantee and Assumption of Franchisee’s Obligations attached to the Franchise Agreement, must sign the Note.

As a partnership, limited liability company or corporation, all of your partners, members or shareholders must guarantee payment of the Promissory Note. The Promissory Note (and all of your other obligations to us under the Franchise Agreement and other agreements) is secured by all of the assets you own and use in your Franchise. We do not offer financing for any other purpose. You may prepay the Promissory Note with no prepayment penalty.

If you default under the Promissory Note or the Guarantee, or if you are in default under your Franchise Agreement, we may demand immediate payment of all principal and interest due under the Promissory Note. In addition, the interest rate on the Promissory Note will increase to the highest legal rate. You also may be liable for our attorney fees in collecting under the Promissory Note. You will not waive any defenses or other legal rights under the Promissory Note.

We do not receive direct or indirect payments for arranging financing. Commercial paper from franchisees has not been sold or assigned to anyone and we have no plans to do so; however, we reserve the right to do so. We do not arrange financing from other sources. We do not guarantee your obligations to third parties.

ITEM 11 FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

All section references below refer to the Franchise Agreement.

Except as listed below, we are not required to provide you with any assistance.

Before you open your Franchise, we (or our affiliates or our designee (s)) will provide the following assistance and services to you:

Pre-Opening Obligations

1. Allow you to use the Proprietary Marks and the System (Section 1.1).
2. Provide our standard opening package, which may include office forms, business cards and promotional items and marketing materials (Section 4.1).

3. Make available copy of the RFD Manual and/or UF Manual, Certification aids, and other pertinent information concerning our methods and practices, either in paper format, allow you access in an electronic format, or otherwise provide access to you (Sections 4.2 and 7.1).

4. Conduct the initial certification program and train up to two individuals at no charge to you (Sections 4.3 and 8.10).

5. Furnish you with a template form of Unit Franchise Agreement (and Support Services Agreement if applicable) (attached as Exhibit K or Exhibit L to this Franchise Disclosure Document) and Unit FDD for you to modify to use in your Territory (including all exhibits, ancillary documents and guarantees). You are exclusively responsible for compliance with all laws applicable to your Franchise (Sections 9.2 and 9.4).

Our Obligations During the Operation of the Franchise:

During the operation of your Regional Developer Franchise, we (or our affiliates or our designee (s)) will provide the following assistance and services to you:

1. Provide you with additional consulting services on the operation of your regional developer franchised business upon your reasonable request and subject to the availability of our personnel. We may provide these additional consulting services through distributing printed or filmed material, an intranet or other electronic forum, meetings or seminars, teleconferences, or in person. We may charge a reasonable fee for these services, plus our personnel's actual travel, lodging and meal expenses (Section 4.5).

2. Grant you a sub-license to use our proprietary MasterView Software under our Software License Agreement attached to this Franchise Disclosure Document as Exhibit C. We also grant you a sub-license to use our proprietary Customer Portal and JanHubSM software solutions (Section 8.7).

3. We will maintain and administer an advertising fund to solicit Unit Franchisees and Customers for the benefit of the System (Section 14.4).

4. We may periodically conduct advanced or additional certification programs at our office or another location we designate, and we may charge you a reasonable fee for these programs (Sections 4.4 and 8.11).

5. We also periodically audit your Regional Developer Franchise and will provide you with the results of any brand standards audit (Section 4.6).

Advertising

Advertising Fund

During the term of your Franchise Agreement, we will maintain and administer an advertising fund (the "Fund") to solicit Unit Franchisees and Customers for Unit Franchisees, and for the benefit of the System. The Fund is for the benefit of all Regional Franchise Developers (including our affiliates and any Regional Developer Franchises we own). We have the exclusive right to maintain, operate and administer the Fund. All Regional Franchise Developers will make contributions ("Advertising Contribution(s)") to the Fund. We will periodically determine the amount of the Advertising Contribution, in our sole discretion, but the Advertising Contribution will not exceed the lesser of 0.5% of Gross Monthly Revenue or \$3,500 per month. The minimum monthly Advertising Contribution is \$450 per month. Each Regional Franchise

Developer's Advertising Contributions are generally the same, but we may make temporary or permanent changes based on a particular Regional Franchise Developer's unique situation.

We will use the Fund for national, regional and local advertising programs that may include the use and production of print, on-line Internet advertising and electronic media. We can direct the activities of the Fund directly and can use the services of advertising and public relations agencies to assist us in these activities.

We may use the Advertising Contributions to meet the costs of conducting local, regional or national advertising and promotional activities (including advertising campaigns, test marketing, marketing surveys, public-relations activities, developing and producing advertising and marketing materials, in any media, including print and electronic, and developing and operating websites) that we consider beneficial to the System. We may charge the Fund fees at reasonable market rates for advertising, marketing and promotional services we provide.

We have no obligation to make expenditures for you that are equivalent or proportionate to your Advertising Contributions or to ensure that any franchisee benefits directly or pro rata from advertising or promotion conducted with the Advertising Contributions. If any money is left in the Fund at the end of the year, the money is spent in the next year.

During our last fiscal year ended September 30, 2024, the Fund was used for production of advertising and promotional materials (14%), Website and Keyword Ranking Optimization (66%), media placement (8%), administrative expenses (3%) and other items, including phone services (9%). No amount of the fund was spent to solicit Regional Franchise Developers.

We will provide you with a summary of the expenditures of the Fund during the previous fiscal year annually upon your reasonable request. The Fund's financial statements are not audited.

Advertising Cooperatives

We have the right to establish, change, dissolve or merge a regional advertising cooperative in any market and we have the right to determine the geographic scope of any advertising cooperative. If we establish a cooperative in your region, you must become a member of the cooperative. You will never be a member of more than one cooperative at a time. Any cooperative will be governed in the manner we require. Any cooperative will have the right to require its members to make a contribution to the cooperative in any amount the cooperative determines, but not more than 2% of your Gross Monthly Revenue. Any amount that you pay to a cooperative will be credited against your obligation for local advertising.

All members of any cooperative, including any Regional Developer Franchises that we or our affiliates own or operate, will contribute to the cooperative on the same basis. We will have the right to grant to any franchisee an exemption for any length of time from the requirement of membership in a cooperative upon the franchisee's written request stating reasons supporting the exemption. Our decision concerning any request for exemption is final.

Any cooperative may adopt its own rules and procedures, but any rules and procedures must be in writing, we must approve the rules or procedures, and they must not restrict nor expand your rights or obligations under your Franchise Agreement. You will have the right to obtain a copy of any written rules and procedures for a cooperative in which you are a member.

Any cooperative must render quarterly reports to us and to its members of its advertising expenditures.

Other Advertising Funds

You will not have to join or contribute to any cooperative or fund other than the regional advertising cooperative described above and the Fund.

You may use your own advertising materials to solicit prospective Unit Franchisees and Customers. We must approve all of your advertising before you may use it. To obtain approval, you must submit samples of the proposed advertising materials to us at least 15 days before any use. If we do not respond within 15 days of receipt, the materials are deemed disapproved.

Local Advertising

You must spend during each month during the term, beginning on the “Start Date” which is stated in your Franchise Agreement, at least 2% of Gross Monthly Revenue, subject to a minimum local advertising expenditure of \$250 per month. Any amount that you pay to the Fund will be credited against your obligation for local advertising.

You must report your expenditures for local advertising on a monthly basis as we direct in the Manuals or otherwise. You may use your own advertising materials to solicit prospective Unit Franchisees and Customers for Unit Franchisees. You must submit to us, for our approval, all materials to be used for local advertising, unless they have been previously approved, or they consist only of materials we provided. All materials containing our proprietary marks must include the designation service markSM, trademarkTM, registered[®] or copyright[©], or any other designation we specify. If you do not receive the written or oral disapproval of any materials submitted within 15 days from the date we received the materials, the materials are deemed disapproved. We may require you to withdraw and/or discontinue the use of any promotional materials or advertising, even if previously approved. We must make this requirement in writing, and you have five days after receipt of our notice to withdraw and discontinue use of the materials or advertising. Your submission of advertising for approval does not affect your right to determine the prices at which you sell your products or services (e.g., the sales price for Customer contracts sold to Unit Franchisees).

Typical Length of Time Before Operation

The typical time between signing the Franchise Agreement or the first payment of any consideration for the Regional Developer Franchise and the opening of the Regional Developer Franchise is eight weeks and may vary for each Regional Franchise Developer. The factors that may affect this timing are your ability to find a site for your office and to negotiate a lease, and the availability and installation of your computer hardware and software systems. You will generally begin operation of your Regional Developer Franchise within two weeks after you complete our initial certification program.

Computer Hardware and Software

Before beginning to operate the Regional Developer Franchise, you must purchase and install at your premises, the computer hardware, software, network connections, computer-related accessories and peripheral equipment we specify. The specifications for these items may be designated in the Manuals and updated from time to time. The current specifications for software and hardware are listed below.

You must use our then existing proprietary cloud-based core operating platform (currently MasterView), which we will sub-license to you under our Software License Agreement attached to this

Franchise Disclosure Document as Exhibit C. You also must use our proprietary Customer Portal and JanHubSM solutions. In addition, you will be required to purchase customer relationship management software from our designated supplier (currently, \$37 per month/user).

You may purchase any computer that supports MasterView or the then existing platform and Customer Portal and JanHubSM solutions, such as Intel-based computers running Windows 7, Windows 8, Windows 8.1 or Windows 10. You also must purchase Intuit QuickBooks and Microsoft Office 365. You may purchase your computer hardware and software, other than the MasterView Software and Customer Portal and JanHubSM solutions, from any reputable supplier. We are not obligated to provide ongoing maintenance, repairs, upgrades or updates for any of your hardware or software. However, we may charge a reasonable fee for periodic maintenance, repairs, upgrades and updates relating to the MasterView software or to the Customer Portal and JanHubSM solutions. Other than the Software License Agreement, we do not currently require you to contract to maintain, repair, upgrade or update any of your hardware or software, but we may do so.

The MasterView software is licensed to us by MasterViewExtraView Corp., 100 Enterprise Way, Suite C210, Scotts Valley, CA 95066, and must be used by our Regional Franchise Developers. You must use the MasterView software and Intuit QuickBooks and Microsoft Excel and Word software for accounting functions, bidding, billing, credit and collections and data management.

You must update, upgrade and/or replace your computer hardware and software during the term of the Franchise Agreement as we direct. There is no limitation on the frequency or cost of this obligation. Software upgrade fees generally include upgrade fees to acquire new versions of the various software programs you will use. We will have access to your computer hardware or software and there are no limitations on our right to access information stored in your computer system. Currently, we will access your computer hardware or software to troubleshoot problems for you, and we can access the data in the MasterView platform, the Customer Portal and JanHubSM solutions. We may specify different hardware and software in the future, and you will have to acquire the different hardware and software if we do. There are no contractual limitations on the frequency or cost of upgrades or changes in the computer hardware and software systems we may impose.

We estimate that the initial cost of purchasing the computer hardware and software described above will be \$7,500 to \$12,500. We estimate you may need to spend about \$1,500 a year for third-party computer-related support.

Operating Manuals

The Table of Contents to the RFD Manuals is attached to this Franchise Disclosure Statement as Exhibit D. There are 346 pages in the Manuals.

Certification Program

Before you open your Regional Developer Franchise, we may require that your Manager and one additional person we designate attend and successfully complete to our satisfaction the certification program. We provide the certification program at no charge for up to two people; provided they attend the same certified training program. If you wish to send additional people to certification and we agree, we may charge a fee of up to \$1,000 per additional person. This amount may be adjusted annually by modification to the Manuals. You must pay for all your attendees' expenses for the initial certification program, including transportation, lodging, meals and wages, if any. The time between signing the Franchise Agreement and the start of the certification program is about 4 to 8 weeks.

All certification takes place at our corporate headquarters unless stated otherwise. The initial certification program is conducted quarterly or as we otherwise schedule. Certification sessions are not necessarily consecutive weeks.

We plan to provide the certification program listed in the table below. The hours presented for each subject are estimates, as our certification program continues to evolve and may change.

Neeraj has been with us since September 2020.

Ongoing Training

You must attend additional certification programs and refresher courses we provide. We may charge a reasonable fee for those attending these additional courses, seminars or other certification programs. You must pay for all your and your attendees' expenses, including transportation, lodging, meals and wages in attending these additional certification programs and refresher courses. As of the date of this Franchise Disclosure Document, all additional certification programs and refresher certification courses are optional, but we may require up to an average of 40 hours of additional certification per year.

In addition, we may arrange franchisee conventions, meetings and teleconferences we will require you to attend. We are responsible for all costs associated with arranging meetings and providing meeting

materials, but you are responsible for all other expenses in attending and sending your representatives to conferences, including the costs of transportation, lodging, meals, certification materials and any wages.

Methods Used to Select Location

You are responsible for finding the site for your office for the operation of your Regional Developer Franchise. We must approve the site for your office, the lease for your office, and the office's furniture and décor. You may not operate a Regional Developer Franchise from your home. You must acquire and take occupancy of an office within your Territory that is suitable for your use as a central business office from which you can perform activities for the promotion, sale, establishment, development, certification, supervision and administration of Unit Franchises.

The factors we consider when making a discretionary review of a site for your office are the general location and neighborhood, the quality of the building, access, adequate free parking, the lease terms and the willingness of the building owner to allow Unit Franchisees to visit the building. If you fail to obtain an approved office, we will continue to assist you until you do so. There are no adverse consequences that will directly result from our failure to agree on a site, however, you must have an approved site to begin operations by the "Start Date" which is stated in your Franchise Agreement. We specify the Start Date before you sign the Franchise Agreement, at our discretion, but it is generally three months from the date you sign the Franchise Agreement. Your failure to begin operations by the Start Date is a default that could cause the termination of your Franchise Agreement.

ITEM 12 TERRITORY

You will operate your Regional Developer Franchise in the exclusive Territory stated in your Franchise Agreement. The Territory is typically noted by the boundaries of the designated Standard Metropolitan Statistical Area, or county or city borders sufficient to encompass a stated population. The population for your Territory will typically contain a minimum of 300,000 people.

You and we will agree on your Territory, and you will be provided with the boundaries of the Territory before you sign your Franchise Agreement. We will insert a description of your Territory on the Summary Page or will attach a map or description of your Territory to your Franchise Agreement. You have no options, rights of first refusal or similar rights to acquire additional Regional Developer Franchises within contiguous territories. You may not solicit Unit Franchisees, or customers for your Unit Franchisees, outside your Territory.

You must operate the Regional Developer Franchise at or from an approved office location of your choice within the Territory. You may relocate your Regional Developer Franchise to another approved location within your Territory at your discretion.

Under your Franchise Agreement, we grant you the right to operate a Regional Developer Franchise in the Territory. As long as you fully comply with your Franchise Agreement, we and our affiliates will not establish, or grant to any other person the right to establish, a Regional Developer Franchise within your Territory. However, we retain the right to: (a) establish, or grant to any person the right or license to establish, a business that performs the Services under the Proprietary Marks anywhere outside the Territory; (b) establish, develop and license or franchise other systems, different from the System, within or outside the Territory, without offering or providing you any rights in, to or under the other systems; (c) solicit or advertise, or authorize others to solicit or advertise anywhere, including within the Territory, using the Proprietary Marks; and (d) sell, within or outside the Territory, through dissimilar channels of distribution such as through e-commerce, catalog or at retail, under any terms we deem appropriate, products, supplies

and equipment, including, but not limited to, those bearing the Proprietary Marks or similar marks; provided, however, we and our affiliates may not perform Support Services for Unit Franchisees, or Services for Customers, located within your Territory. Neither we nor our affiliates have established other channels of distribution using the Proprietary Marks or selling similar services and products. We and our affiliates do not operate or franchise, and have no plans to operate or franchise, businesses under different trademarks, where the businesses sell services or products substantially similar to those primarily offered by Regional Franchise Developers.

We also have certain rights regarding National Accounts (as further described below) and may designate a third party or another Regional Franchise Developer's Unit Franchisee to provide Services within your Territory if a Customer requests that its account be transferred or terminated.

Performance Standard

Beginning on the third anniversary of your Start Date and for the remaining term of your Franchise Agreement, you must, for any consecutive three-month period (a "Measurement Period"), have Supported System Sales (defined below in this Section) that are either, (a) within the top 90% of the Covered Regional Franchise Developers, or (b) have a year over year growth of no less than 10% (the "Performance Standard"). If you fail to meet the Performance Standard, we may remove you from participation in National Account Programs, terminate the Franchise Agreement, terminate, reduce your protected rights in the Territory, reduce your Territory, mandate a performance plan or other remedies as solely determined in the discretion of JPI.

"Covered Regional Franchise Developers" include only those Regional Franchise Developers that have been in operation for: (a) the entire Measurement Period; and (b) a minimum of three years at the third anniversary of your Start Date. "Monthly Billings" means all amounts invoiced or billed to Customers by you or your Unit Franchisees on a monthly basis for performing Services (including Special Services and Services provided for National Accounts).

There are no other circumstances in which we can modify your Territory without your consent.

National Accounts

Our affiliate has the exclusive right to solicit, negotiate and establish the terms and pricing for, and contract with, National Account customers ("National Account Customer(s)") on behalf of Unit Franchisees that you select to provide Services. Pricing and terms are based on the input and minimum requirements provided to us by the National Account Subcommittee (or similar group) which in turn is based on input and minimum requirements provided by Unit Franchisees. We have delegated this right to our affiliate, JPE. If you are then eligible to receive National Accounts, and if a National Account Customer has a facility in your Territory, we will first offer to you the opportunity to arrange for one of your Unit Franchisees to perform Services for the facility in your Territory. If you are not then eligible or if you decline to provide service coordinator services, we or our affiliate may designate a third party to perform the Services. If you agree to provide service coordinator services for a facility in your Territory, you must do so on the terms and pricing established periodically with the National Account Customer. To be eligible to receive National Accounts, you must be in good standing and not in default of any Franchise Agreement obligation, representation or warranty. Only we or our designated affiliate may invoice and collect fees from National Account Customers.

JPE charges a National Accounts Support Fee that is detailed in Item 6 and Section 6.4 of the Franchise Agreement. The National Accounts are JPE's exclusive property.

The individual who owns the largest share of voting and ownership interests in the limited liability company or corporation must serve as the initial Manager (the "Manager") of the franchised business, unless we agree otherwise in writing and the selected Manager has completed all JPI certification programs. At all times it is open for business, the franchised business requires the Manager's day-to-day supervision. The Franchise Agreement requires the Manager to devote his or her full time and attention and best efforts to the Franchise. ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, and/or affiliate-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The below data is historical data for existing Regional Franchise Developers, none of which participated in the Service Agreement Pilot. Actual results vary from Regional Franchise Developer to Regional Franchise Developer. Conduct an independent investigation of the expenses you will incur in operating your franchise. Regional Franchise Developers or former Regional Franchise Developers listed in this Franchise Disclosure Document, may be a source of this information.

On your written request, we will provide to you written substantiation of the data used in preparing these financial performance representations.

Some Regional Franchise Developers have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Data From Regional Franchise Developers' Audited Financial Statements

The data below is compiled, from 113 Regional Franchise Developers in operation in the United States and Canada (93 in the U.S. and 20 in Canada) that operated the entire fiscal year ending September 30, 2024. Two Regional Franchise Developers in Canada and one Regional Developer in the U.S. commenced operations and one Regional Franchise Developer in the U.S. ceased operations during the fiscal year ended September 30, 2024, and were excluded from this Item 19. There are some Regional Franchise Developers that have a location that encompasses parts of multiple states. In those instances, Item 20 reflects the number of locations in each state, but for purposes of this Item 19 a location that includes parts of multiple states is referenced as one outlet.

Table C – Gross Revenue by Reporting Regional Franchise Developers during the Calendar Year ending December 31, 2023

The information in the table below was reported to us by 58 of the 93 (62%) U.S Regional Franchise Developers who provided detailed financial statements for the calendar year ending December 31, 2023 (“Reporting Franchisee”). Ten additional Regional Franchise Developers provided financial statements but these reports did not provide the necessary details for a valid and reasonable comparison. 25 U.S. Regional Franchise Developers and 20 Canadian Regional Franchise Developers were also excluded because they did not provide financial reports. We reviewed the composition of the 58 Reporting Franchisees and we reasonably believe it contains a random representative sampling of JAN-PRO franchisees on level of sales,

years in the business and geography.

REGIONAL FRANCHISE DEVELOPMENT AGREEMENT

This Regional Franchise Development Agreement (this “**Agreement**”) is made as of the date stated (“**Effective Date**”) on the Summary Page of this Agreement (“**Summary Page**”) and is between Jan-Pro Franchising International, Inc., a Massachusetts corporation having its principal place of business at 2520 Northwinds Parkway, Suite 375, Alpharetta, Georgia 30009 (“**we**,” “**us**,” or “**our**”), and the person or entity identified on the Summary Page as you (“**you**,” “**your**” and “**Regional Franchise Developer**”) with your principal place of business as stated on the Summary Page.

A. We have accumulated knowledge and experience on the basis of which we have developed, and may further develop, a distinctive business format and set of specifications and operating procedures (the “**System**”) for our Regional Franchise Developers to independently own and operate a subfranchisor business and to offer to provide certain Support Services to their subfranchisees at the subfranchisees’ direction that include billing and collection and sales and marketing services (collectively the “**Support Services**”). The subfranchisor business includes specifications and operating procedures for our Regional Franchise Developers’ subfranchisees to independently own and operate a business that performs commercial, industrial and institutional cleaning, maintenance, disinfection, sanitization (commercial and residential) and related services (“**Services**”) under the service mark JAN-PRO Cleaning & Disinfecting® and other trademarks, trade names, service marks, slogans and logos we authorize from time to time (collectively, the “**Proprietary Marks**”). The System and Manuals do not include any employment policies, procedures or samples.

B. You desire to operate a business that provides the Support Services and offers and grants JAN-PRO Cleaning & Disinfecting™ subfranchises (“**Unit Franchises**” and each a “**Unit Franchise**”) to qualified persons (“**Unit Franchisees**”) who desire to own and operate Unit Franchises on the terms of unit franchise agreements and, if applicable, support services agreements entered into between you and your Unit Franchisees (collectively each, a “**Unit Franchise Agreement**”).

C. We award you a JAN-PRO® regional developer franchise (“**Franchise**”) on the terms stated below.

The parties agree as follows:

1. GRANT OF REGIONAL DEVELOPER FRANCHISE

1.1. Grant. We grant you the non-exclusive right and license to operate a regional developer Franchised Business that provides the Support Services and offers and grants Unit Franchises to Unit Franchisees who desire to own and operate Unit Franchises that will provide Services for their customers (“**Customers**”) within the geographic area described on the Summary Page (“**Territory**”) on the terms of the Unit Franchise Agreements and under the Proprietary Marks (the “**Franchised Business**”). You accept this right and license, and undertake the duty to operate your Franchised Business under this Agreement during the entire Term (as defined in Section 2). You will not perform, or authorize your Unit Franchisees to perform, Services outside the Territory. You will operate the regional developer Franchised Business only from the premises within the Territory (the “**Premises**”).

1.2. Territorial Protection. Subject to this Agreement, if you fully comply with this Agreement, we and our affiliates will not, during the Term (as defined in Section 2), establish, or grant to any other person a Franchise or license to establish, a regional developer Franchised Business within the Territory. Except as provided in this Section, you have no exclusive territorial rights, protected territory or other right to exclude, control or impose conditions on the location or development of other or future franchises under the Proprietary Marks or on our activities.

1.3. Reservation of Rights. We reserve all rights not expressly granted in this Agreement to you concerning the System, the Proprietary Marks or other matters, including the right to:

1.3.1. establish, or grant to any person the right or license to establish, a business that performs the Support Services or Services under the Proprietary Marks anywhere outside the Territory.

1.3.2. establish, develop and license or franchise other systems, different from the System, within or outside the Territory, without offering or providing you any rights in, to or under the other systems.

1.3.3. solicit or advertise, or authorize others to solicit or advertise anywhere, including within the Territory, using the Proprietary Marks.

1.3.4. sell, within or outside the Territory, through dissimilar channels of distribution such as through e-commerce, catalog or at retail, under any terms we deem appropriate, products, supplies and equipment, including, but not limited to, those bearing the Proprietary Marks or similar marks. However, nothing in this Subsection grants us the right to perform the Services for Customers located within the Territory.

We also reserve the rights described in Section 6 regarding National Accounts and Section 8.4.4 regarding contracts requested to be transferred or terminated by Customers.

2. INITIAL AND EXTENDED TERMS

2.1. Initial Term. The initial term of this Agreement (“**Initial Term**”) begins on the Effective Date and expires after ten years. You have no right to extend or renew the term of this Agreement, except as provided in Section 2.2.

2.2. Renewal Term. When the Initial Term or a Renewal Term expires, you may elect to sign a Renewal franchise agreement (“**Renewal Franchise Agreement**”) and we will not unreasonably withhold our consent to such election. The Renewal term will be a ten-year term (“**Renewal Term**”). The Initial Term, Renewal Term, and any month-to-month terms are collectively referred to as the “**Term**.” If you fail to provide timely written notice of an election to obtain or decline a Renewal Franchise Agreement, either at the end of an Initial Term or a Renewal Term, we may, in our discretion, elect to extend the current franchise agreement, and you will be deemed to have consented to such extension, on a month-to-month basis or upon notice from us, for such longer period up to five years. You may elect a Renewal Term only by satisfying all the following conditions (which must remain satisfied from the time you provide the notice required under this Subsection until the Renewal Term begins):

2.2.1. You deliver written notice to us at least 6 months, but not more than 12 months, before the Term expires.

2.2.2. You have, at all times during the Term, materially complied with all the provisions of this Agreement, the Manuals (as defined in Section 7.1), and any other agreements between you and us or our affiliates and are, at the time of a Renewal Term in good standing. For purposes of this Agreement, you are in “Good Standing” if you are not in default of any obligation to us (including obligations arising pursuant to the Manuals) and/or the Fund (defined in Section 3.2.3). For the avoidance of doubt, obligations to comply with all applicable laws are included in the evaluation of whether a franchisee is in “Good Standing.”

2.2.3. You satisfy all monetary obligations to us and our affiliates (including paying any amounts due under any promissory note or other indebtedness).

2.2.4. You must sign the form of franchise agreement we then offer to new Regional Franchise Developers (modified to reflect that it is an agreement for a Renewal Term) and all other ancillary agreements as we require. These agreements may differ substantially from those of this Agreement, such as a greater Contract Services Royalty Fee (as defined in Section 3.2.1), Sales Royalty Fee (as defined in Section 3.2.2), and Advertising Contribution (as defined in Section 3.2.3).

2.2.5. You comply with our then-current qualification and certification requirements.

2.2.6. You pay us a renewal fee (“**Renewal Fee**”) of \$20,000.

2.2.7. You sign a general release (in form and substance satisfactory to us) of all claims against us and our affiliates and their respective officers, directors, owners, representatives, agents and employees (in their corporate and individual capacities).

2.3. Month-to-Month Extension. If, when you want to extend the Term, we: (a) are not offering new regional developer franchises; (b) are revising, amending or renewing the registration of our franchise offering; (c) are revising or amending our standard form of franchise agreement or franchise disclosure document (“**Franchise Disclosure Document**”); or (d) may not lawfully offer our then-current form of regional franchise development agreement, we may offer to extend the Term on a month-to-month basis until we may lawfully offer and use our latest form of franchise agreement.

3. FEES AND MONTHLY REPORTS

3.1. Initial Franchise Fee. When you sign this Agreement, you will pay us the initial franchise fee stated on the Summary Page (“**Initial Franchise Fee**”). The Initial Franchise Fee is nonrefundable and considered fully earned when the parties sign this Agreement. Although we are under no obligation to do so, we may finance a portion of the Initial Franchise Fee under a promissory note (“**Promissory Note**”). Each Owner must sign a personal guarantee (the “**Guarantee**”). An “**Owner**” is any person that has a legal or beneficial ownership interest in you.

3.2. Continuing Fees. You will pay us the following nonrefundable continuing fees throughout the Term:

3.2.1. **Contract Services Royalty Fee.** You will pay a contract services royalty fee (the “**Contract Services Royalty Fee**”) of 4% of Gross Monthly Revenue by the tenth day of each month. “**Gross Monthly Revenue**” means all revenue you or any of your Unit Franchisees (if the Unit Franchisees perform billing services) collect or otherwise receive for Services performed (including Special Services (as defined in Section 6.4)) for Customers of Unit Franchisees, whether evidenced by cash, credit, check, script or other property or services, and all National Account Revenue (defined below in Section 6.4) without deduction of the National Accounts Support Fee (both, as defined in Section 6.4), all revenue you collect from any supplies and/or equipment you sell, lease or otherwise distribute to anyone, and all other revenue related to or derived from the conduct or operation of your Franchised Business or from the use of the Proprietary Marks or the System by you or any Owner or affiliate. Gross Monthly Revenue does not include any sales or other taxes collected from Customers on behalf of Unit Franchisees and that you paid directly to the appropriate taxing authority. You may not deduct collection fees and costs and payment provider fees (i.e., bank or credit card company fees) from your Gross Monthly Revenue calculation.

3.2.2. **Sales Royalty Fee.** You will pay a sales royalty fee (the “**Sales Royalty Fee**”) of 10% of: (a) the total initial franchise fees that you receive for Unit Franchises; (b) upgrade fees for additional Customer accounts that you sell to Unit Franchisees; and (c) transfer fees for transferring a Unit Franchise. For deferred payments you arrange, the Sales Royalty Fee includes 10% of all principal and

interest you collect during the previous calendar month. The Sales Royalty Fee is payable by the tenth day of each month only on amounts you collect from your Unit Franchisees.

3.2.3. Advertising Contributions. You will make contributions (“**Advertising Contributions**”) to the advertising fund (the “**Fund**”) in an amount we periodically determine in our sole discretion. Currently, Advertising Contributions are the lesser of 0.5% of Gross Monthly Revenue or \$3,500 per month. Notwithstanding the foregoing, the minimum monthly contribution is \$450 per month.

3.3. Manner of Payment. You will pay us the Contract Services Royalty Fees, Sales Royalty Fees and Advertising Contributions (collectively, the “**Recurring Fees**”) by the 10th day of each calendar month for the Gross Monthly Revenue and initial franchise fees, upgrade fees, transfer fees and principal and interest payments related to any of the foregoing collected during the previous calendar month. These payments must be made in any manner we periodically require, including by check, by electronic transfer to an account we designate, or by our direct debit against a bank account you maintain. You will maintain that bank account in the manner we designate in the Manuals. If we require this method of payment, you will immediately sign all authorizations we, our bank, and your bank require and will provide funds for our withdrawal by electronic transfer on the dates of each month we designate.

3.4. Overdue Payments. Any of the Recurring Fees we do not receive by the 10th of the month, or any other amount you owe to us and do not pay by the due date, is overdue. In addition to paying us any overdue amount, on demand, you will pay us:

3.4.1 a late charge equal to 5% of the amount due for late payment of fees or the maximum amount permitted by law, whichever is less, of the overdue amount; and

3.4.2 interest on the overdue amount from the due date, at the Contract Interest Rate (as defined in Section 11.4.1).

3.5. Monthly Reports. You will prepare, and submit to us, a report accurately disclosing all Gross Monthly Revenue and initial franchise fees, upgrade and transfer fees (including interest) you collected in the previous calendar month and any other reports we require under Section 11.3 (“**Monthly Reports**”).

You will deliver Monthly Reports to us not later than the 10th of the month following the calendar month to which they relate. Any Monthly Report we do not actually receive by that date is overdue, in which case you will pay us a late charge of \$50 for each day thereafter until we receive the overdue Monthly Report. All Monthly Reports must be prepared on the forms we approve from time to time.

3.6. Unit Franchise Agreements. You will submit to us, in the manner specified (which can include uploading documents into a system we specify) copies of all Unit Franchise Agreements and ancillary agreements (if any) signed with Unit Franchisees within ten days after our request.

3.7. Reimbursement. Within 15 days after we deliver a reimbursement demand and documents substantiating payment, you will reimburse us for any money that we have paid, or have become obligated to pay, for you.

3.8. Right to Payments. Your obligations to make payments under this Agreement and any other agreement entered into with us or any of our affiliates, and our and our affiliates’ rights to receive these payments, are absolute and unconditional. They are not subject to any abatement, reduction, setoff, defense, counterclaim or recoupment due or alleged to be due to any past, present or future claims you have or may have against us, any of our affiliates, any of our designees, or against any other person for any reason.

3.9. Right of Setoff. As to you and/or any affiliate of yours, we can:

3.9.1 apply any payments received to any past due, current, future or other indebtedness of any kind in our Business Judgment (as defined below in Section 4), no matter how payment is designated by you (including any amount due under any Promissory Note), except that the Fund contributions may only be credited to the Fund;

3.9.2 set off, from any amounts that may be owed by us, any amount owed to us or any marketing fund; and

3.9.3 retain any amounts received for your account (and/or that of any affiliate of yours), whether rebates from suppliers, payment for National Account (defined in Section 6.1) work, or otherwise, as a payment against any amounts owed to us or any marketing fund.

We can exercise any of the foregoing rights in connection with amounts owed to or from us and/or any Franchisor-Related Person/Entity.

4. OUR OBLIGATIONS

We will provide the following items and services to you:

4.1. Opening Package. Before your Franchised Business opens, we will provide you with our standard opening package that may include, among other items, office forms, business cards and promotional items and marketing materials.

4.2. Manuals and Assistance. We will provide you (either in paper, electronic or other form) with the Manuals, certification aids, and other pertinent information concerning our methods and practices.

4.3. Certification Program. We will conduct the certification program for Regional Franchise Developers as described in Section 8.10.

4.4. Additional Certification. We may periodically conduct advanced or additional certification programs at our office or another location we designate.

4.5. Consulting. We will provide you with additional consulting services in the operation of your Franchised Business upon your reasonable request and subject to the availability of our personnel. We may provide these additional consulting services through distributing printed or filmed material, an intranet or other electronic forum, meetings or seminars, teleconferences, or in person. We reserve the right to charge a reasonable fee for these services plus our personnel's actual travel, lodging and meal expenses.

4.6. On-Site Brand Standard Audit. In order to protect the brand and System, we and/or our agents will have the right, at any time during business hours, and without prior notice to you, to audit your Franchised Business for compliance with brand standards and policy directives and provide you with the results of our audit. The audit may include any or all of the following:

4.6.1 audit of your Franchised Business and related activities and items and record the same;

4.6.2 remove samples for testing and analysis;

4.6.3 interview personnel (but not related to employment issues);

4.6.4 interview Customers of your Unit Franchisees;

4.6.5 conduct inventories; and

4.6.6 confer with the staffs of government agencies with respect to matters related to the Franchised Business and share any information in our possession, as we deem appropriate in our Business Judgment (defined below in this Section 4).

You will cooperate fully in connection with such matters. We can require you or an individual designated by us to meet at our headquarters or other location designated by us for the purpose of discussing and reviewing your Franchised Business' operations, financial performance and other matters

Any deficiencies must be corrected and are subject to cure periods set forth in Section 17 for defaults.

4.7 Business Judgment. For purposes of this Agreement, the term "**Business Judgment**" means the exercise of reasonable business judgment in making a decision or exercising rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the franchise System generally, even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the franchise System include, without limitation, enhancing the value of the trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the regional developer franchise System. This is a defined term for the purposes of this Agreement and is not intended to incorporate principles related to the application of the business judgment rule in a corporate law context.

5. OPERATING THE FRANCHISED BUSINESS

5.1. Name of Franchised Business. You must obtain our approval in advance for all names and manners of identification you use to refer to the Franchised Business, including entity names, trade or assumed names, or other legal names. You will operate the Franchised Business using the assumed trade name Jan-Pro Franchise Development, Jan-Pro Franchise Development of (CITY) or Jan-Pro Development of (CITY), and disclosing, when appropriate, assumed-name (doing-business-as) status when required or appropriate (for example, John Doe d/b/a JAN-PRO Franchise Development or ABC Inc. d/b/a JAN-PRO Franchise Development). You may not use any of the Proprietary Marks as a part of any entity name. You represent and warrant that you are either a corporation or limited liability company, duly incorporated or formed, validly existing and in good standing under local law. You must remain a corporation or limited liability company, as applicable, in good standing under local law for the entire Term of this Agreement. Prior to beginning operation, you must: (a) deliver proof of a valid and active business checking account in your business entity name with a reputable banking institution; and (b) obtain a valid federal employer identification number for your business entity. You must provide corporate documents and other proof of compliance with the above requirements immediately upon request.

5.2 Full-Time Best-Efforts. The Franchised Business is the only business you may operate or engage in without our prior express written consent. As an entity, you are required to have a Manager who will, on a full-time basis, devote his or her best efforts to managing and operating the Franchised Business. The individual who owns the largest share of voting and ownership interests in the entity will be the manager ("**Manager**"), unless we agree otherwise in writing and the selected Manager has completed the certification program. At all times it is open for business, the Franchised Business requires the

Manager's day-to-day supervision. Unless we agree otherwise in writing, before the Manager or any Renewal Manager may manage the Franchised Business, he or she must complete the certification program. If we permit the Manager to be an individual other than an individual who owns voting and ownership interests in the entity, and the Manager fails to satisfy his or her obligations under this Section due to death, disability, termination of employment, or for any other reason, an individual who owns voting and ownership interests in the entity must satisfy these obligations until a new Manager is designated who is acceptable to us who has satisfactorily completed the certification program. You must pay the expenses associated with attending the certification program, including our then prevailing standard certification fee.

6. NATIONAL ACCOUNTS

6.1. National Accounts. Our affiliate has the exclusive right to solicit, negotiate and enter into agreements for national accounts ("**National Accounts**") on behalf of Unit Franchisees. A "**National Account Customer**" includes a customer that: (a) is operated from two or more offices or facilities ("**National Account Facilities**") that are not exclusively located within a single Regional Franchise Developer's protected territory; and (b) contracts with our affiliate to identify service providers for Services to be performed at one or more of those National Account Facilities. An account with a customer who is not a National Account Customer on the Effective Date may become a National Account Customer if the customer later satisfies the definition of National Account Customer. Further, once a customer is a National Account Customer, no change in the location or number of its offices or facilities alters its status as a National Account Customer.

6.2. National Account Terms and Pricing. Pricing and terms are based on the input and minimum requirements provided to us by the National Account Subcommittee (or similar group) which in turn is based on input and minimum requirements provided by Unit Franchisees. If you are then eligible to receive National Accounts, and if a National Account Customer has National Account Facilities in the Territory (each facility, an "**In-Territory Facility**"), we will first offer to you the opportunity to arrange for the performance of the Services for the In-Territory Facility by your Unit Franchisees. If you are not then eligible or if you decline to provide service coordinator services, we may designate a third party to perform the Services. If you agree to provide service coordinator services for an In-Territory Facility, you must do so on the terms and pricing established periodically with the National Account Customer. To be eligible to receive National Accounts, you must be in good standing and not in default of any franchise agreement obligation, representation or warranty.

6.3. National Account Payment Collection. National Account Customers require consolidated billing. Therefore, in order to prevent duplicate billing and comply with National Account Customer requirements, we alone may invoice and collect fees and payments due from National Account Customers, and you agree that you will not engage in any of these activities.

6.4. National Accounts Support Fee. When we collect National Account Revenue (as defined below) arising from your Unit Franchisee's performing Services for an In-Territory Facility, we may deduct therefrom, and pay ourselves or our affiliate, a "**National Accounts Support Fee**" that is equal to: (a) for the first full month only, 25% of all revenue for Services performed, excluding Special Services, for each In-Territory Facility during the first full month that Services are performed; (b) 2% of the aggregate of all National Account Revenue; plus (c) an additional 2% of National Account Revenue for Special Services performed. We will pay you the balance of the National Account Revenue not later than 30 days after we receive it, subject to rights of setoff (Section 3.9). All National Accounts are, and during and after the Term remain, the exclusive property of our affiliate. The relationships with National Account Customers are among our affiliate's most valuable assets. Accordingly, you and we agree that your interference with those relationships constitutes tortious interference with a commercial relationship. "**Special Services**" includes special or isolated cleaning services performed under one-time nonrecurring contracts including, without

limitation, floor buffing and waxing, stripping and refinishing, carpet cleaning, extraction, wall cleaning, disinfection services, and other services that are in addition to routine commercial cleaning services. We may designate Special Services in the Manuals periodically. “**National Account Revenue**” means all revenue any of your Unit Franchisees earned in exchange for performing Services (including Special Services) for In-Territory Facilities.

7. MANUALS AND OTHER CONFIDENTIAL INFORMATION

7.1. Manuals. To protect our reputation and good will and to maintain uniform standards of operation under the Proprietary Marks, you must conduct your Franchised Business in strict accordance with the Jan-Pro manual (collectively, with all other written specifications, policies, standards and requirements we distribute, as amended, updated or replaced periodically, the “**Manuals**”). The Manuals are an integral part of this Agreement and have the same force and effect as if fully stated in this Agreement. We may loan a copy of the Manuals, and revisions thereto, in a paper format, allow you access in an electronic format, or otherwise provide access to and may transmit them by, or make them accessible on, the Internet or our Intranet (defined below in Section 8.19). If we advise you that all or part of the Manuals or other specifications, standards and operating procedures are posted on a website, you agree that it is your responsibility to monitor the website for any changes, additions or deletions in the information provided.

7.2. Confidential Information. At all times, you will treat and maintain the Confidential Information as our confidential information and/or trade secrets. “**Confidential Information**” includes all information (current and future) relating to the operation of a Franchised Business or the System, including, among other things, all: (i) Manuals, training, techniques, processes, policies, procedures, systems, data and know-how regarding the development, marketing, operation and franchising of regional developer and Unit Franchisee Franchised Businesses; (ii) designs, specifications and information about products and Services; (iii) all information regarding Customers of Unit Franchisees (including agents or other persons who provide referrals of such customers), Customer accounts, National Account Customers, National Accounts, Regional Franchise Developers’ Unit Franchisees, the Manuals, suppliers, including any statistical and/or financial information, and all lists; and (iv) such other information (described in Section 7.2 (i)-(iii)) that we designate as confidential, proprietary or trade secrets. At all times, you will keep the Manuals in a secure area in your office at the Premises. You will strictly limit access to the Confidential Information to your employees, to the extent they have a “need to know” to perform their jobs, and Unit Franchisees to the extent contemplated in this Agreement. You will report the theft, loss or destruction of the Manuals, or any portion thereof, immediately to us. A partial loss or failure to update any Manual is a complete loss. Without our prior written consent, you will not copy, record or otherwise reproduce any Confidential Information. You must require all persons to whom you grant access to the Manuals or any other Confidential Information, and any person who attends any certification program we conduct, to sign a form of confidentiality agreement that we reasonably approve. Without limiting the generality of the foregoing, all employees, independent contractors, agents or representatives that may have access to our confidential information or receiving certification or gaining access to our confidential information must sign your confidentiality agreement before beginning employment. On our request, you must deliver to us signed copies of all these confidentiality agreements. All Restricted Parties (as defined in Section 19.1) are bound to this Section 7.2 to the same extent as you.

7.2.1 Right to use Proprietary and/or Confidential Information. Consistent with the terms of Section 14.2, you agree that we own and control all domain names, URLs (“**Uniform Resource Locator**”), web pages, social media pages and accounts (including, but not limited to, Facebook, YouTube, LinkedIn, Twitter, Instagram, Tumblr, Google+, Qzone, Pinterest, Reddit and other similar sites/services) relating to any Franchised Business, as well as all information, lists and data related to past, present and future customers of your Franchised Business. We may use, transfer, license or sell data, and/or aggregate it with other data for use, transfer, license or sale, in our Business Judgment. Your only interest in any of

this proprietary and/or Confidential Information is the right to use it pursuant to this Agreement. You have the burden of proof and of going forward in any dispute between you and us involving the proprietary or confidential nature of any information.

7.2.2 Both during the Term of this Agreement and for five years after the end of the Term (except for trade secrets, which are subject to your permanent obligation), you agree:

7.2.2.1 to use the Confidential Information only for the operation of your regional developer Franchised Business under a Regional Franchise Development Agreement;

7.2.2.2 to maintain the confidentiality of the Confidential Information;

7.2.2.3 not to sell, transfer, assign, make or distribute, or permit to be sold, transferred, assigned, made or distributed, any portion or all of the Confidential Information or any unauthorized copies of any portion of the Confidential Information;

7.2.2.4 not to alter, appropriate, use or distribute any regional developer Franchised Business equipment designs or specifications, or any substantially similar designs or specifications; and

7.2.2.5 to implement all prescribed procedures for prevention of unauthorized use or disclosure of the Confidential Information.

However, notwithstanding the foregoing, if an item is not merely Confidential Information but constitutes a trade secret under applicable law, the above obligations will apply without any time limit.

7.3. Revisions. We may periodically amend, update or replace the contents of the Manuals. Beginning on the 30th day (or any longer time we specify) after our delivery of written notice, you will comply with each amended, updated or replaced provision. Revisions to the Manuals will be based on what we, in our sole discretion, deem is in the best interests of the System used by Regional Franchise Developers, including promoting quality, enhancing good will, increasing efficiency, decreasing administrative burdens, or improving our and our Regional Franchise Developers' profitability. Because complete and detailed uniformity under many varying conditions may not be possible or practical, we may, in our sole discretion and as we deem in the best interests of all concerned in any instance, vary standards for any Regional Franchise Developers based on the peculiarities of the circumstances, density of population, business potential, population of trade area, existing business practices, or any condition we deem important to the successful operation of that Regional Franchise Developer's Franchised Business. You are not entitled to require us to grant you a like or similar variation under this Agreement. You will ensure that your copy of the Manuals contains all amendments, updates and replacements we deliver. If any dispute arises on the contents of the Manuals, the terms in the master copy of each of the Manuals we maintain at our office are controlling.

7.4 Confidentiality Acknowledgement. You represent that all Confidential Information received before the Effective Date was unknown to you except through our disclosure during the grant of this regional developer Franchise. The Confidential Information includes marketing practices and operating procedures provided to you for operating the Franchised Business that are important for the success of the System. The foregoing representations are a material inducement to us to enter into this Agreement, and any breach thereof is a material breach of this Agreement.

8. YOUR OBLIGATIONS

8.1. Sale of Unit Franchises and Customer Accounts. You will market, sell and grant Unit Franchises to qualified Unit Franchisees, who will perform Services for their Customers within the Territory. Your right to grant Unit Franchises under this Agreement does not, however, include any right to grant subfranchise rights to Unit Franchisees or any other party. You will provide Support Services to Unit Franchisees. You will use your best efforts to market and promote in order to obtain within the Territory new Unit Franchisees and to obtain and sell Customer accounts to Unit Franchisees.

8.2. Start Date. You must begin operating the Franchised Business no later than the “Start Date” stated on the Summary Page.

8.3. Performance Standard. Beginning on the third anniversary of the Start Date and for the remaining Term of this Agreement, you must, for any consecutive 3-month period (a “**Measurement Period**”), have Supported System Sales (as defined below) that are either, (a) within the top 90% of the Covered Regional Franchise Developers, or (b) have a year over year growth of no less than 10% (the “**Performance Standard**”). The “**Covered Regional Franchise Developers**” include only those Regional Franchise Developers that have been in operation for: (a) the entire Measurement Period; (b) a minimum of three years at the third anniversary of the Start Date; and (c) are included in the same “Tier” group as your Franchised Business. We establish our “Tier” groups periodically. If you fail to meet the Performance Standard, we may remove you from participation in National Account Programs, terminate this Agreement, terminate or reduce your protected rights in the Territory under Sections 1.1 and 1.2, or reduce your Territory. Additionally, we may elect, at our sole discretion, to establish a performance improvement plan with you. Many factors may impact an individual’s performance in a market such as economic conditions, market share, and regulatory changes. These conditions will influence which if any of the above measures are used to address nonperformance. We in our sole discretion and business judgement will determine which measures, if any will be used. This is without prejudice to any other right or remedy to which we may be entitled for this failure. The Performance Standard is not intended to expressly or implicitly represent, warrant or guaranty you will attain any level of annual Unit Franchise sales, Gross Monthly Revenue or Supported System Sales. We disclaim any such representations, warranties or guaranties. “**Supported System Sales**” means all amounts your Unit Franchisees invoice and/or you bill to Customers on a monthly basis for Services performed (excluding Special Services provided to National Accounts and Services provided to National Accounts).

8.4. Certification and Services for Unit Franchisees. You will provide your Unit Franchisees with the following services.

8.4.1. Certification Program. You will provide each Unit Franchisee with a comprehensive certification to brand standards program promptly after they sign a Unit Franchise Agreement (the “**Unit Franchisee Certification Program**”) as stated in the Manuals. In addition, you will provide each Unit Franchisee with additional certification and assistance as stated in the Manuals.

8.4.2. Additional Support. You will provide each of your Unit Franchisees with the following support and assistance:

- a. policies and procedure manuals, certification aids, and any pertinent information on the System.
- b. contracts that have the potential gross Supported System Sales required under the Unit Franchisee’s Unit Franchise Agreement.

- c. assistance and guidance to each Unit Franchisee in the Territory throughout the term of each Unit Franchise Agreement.
- d. during normal business hours, personnel available to provide technical assistance, consultation and advice on marketing and operations procedures.
- e. any further certification and support we require and establish periodically.

As appropriate and subject to the terms and conditions of the Unit Franchise Agreements with your franchisees, you will offer Support Services to your Unit Franchisees.

8.4.3. **Work Quality.** You will use best efforts to require that your Unit Franchisees perform all Services for Customers in accordance with brand standards and in compliance with the Manuals, and that they honor the customer satisfaction guarantee in our brand standards. We assume no responsibility or liability for the Support Services you perform for your Unit Franchisees or the Services your Unit Franchisees perform for their Customers. We assume no responsibility or liability for any supplies and equipment you or any of your Unit Franchisees use, sell, lease or distribute.

8.4.4. **Our Performance.** If any of your Unit Franchisees performs Services in a manner that is not to their Customer's complete satisfaction, or if their Customer requests in writing that its Customer contract be terminated or transferred, you will take all commercially reasonable steps to honor the Customer's request. If you fail to enforce the terms of any Unit Franchise Agreement (relating to brand standards, Confidential Information or Proprietary Marks) against the Unit Franchisee, we may, upon notice to you, do so in our own name in order to protect the good will of the brand, without your consent, and we may do so without payment of any amount related to you or the Unit Franchisee.

8.5. Supervise Use of Proprietary Marks. You will monitor your Unit Franchisees' use of the Proprietary Marks. You will use best efforts to enforce your Unit Franchisees' obligations under their Unit Franchise Agreements regarding using the Proprietary Marks. You will not permit Unit Franchisees to use the Proprietary Marks in a manner forbidden by the Manuals or otherwise under this Agreement.

8.6. Place and Conduct of Business. You will maintain, at the Premises, a safe and clean principal office and place of business in compliance with all governmental and industry laws, regulations and standards. You will conduct the Franchised Business in a manner that generates goodwill and public approval of you and us.

8.7. Computer System. Before opening your Franchised Business, you will purchase and install at the Premises, the computer hardware, software, network connections, computer-related accessories and peripheral equipment (the "**Computer System**") that we specify in the Manuals and from sources we specify. You will use the Computer System in the manner we specify in the Manuals to operate the Franchised Business. You must replace, upgrade or update the Computer System at your expense as we periodically require. You agree: (a) that the Computer System will be dedicated for business uses relating to the operation of the Franchised Business; (b) to transmit financial and operating data to us as required by the Manuals; (c) to do all things necessary to give us commercially reasonable access to the Computer System sufficient to allow us to accomplish any legal purpose pursuant to this Agreement, at all times if we so require; and (d) to maintain the Computer System in good working order at your expense. If we require you to use any proprietary software or to purchase any software from a designated vendor (which may include us or our affiliate), you must sign contracts and pay any fees associated with any software license agreements or any related software maintenance agreements. You are responsible for compliance with all laws and payment card provider standards relating to the security of the Computer System, including, without limitation, the Payment Card Industry Data Security Standards, as amended from time to time.

You must use our proprietary MasterView Software, which we will sub-license to you under our Software License Agreement attached to the Franchise Disclosure Document as Exhibit C, only under the Software License Agreement, only for the operation of your regional developer Franchise and only during the Term of your Franchise Agreement. You also must use our proprietary customer portal (“Customer Portal”) and our proprietary JanHubSM solutions, only for the operation of your Franchise and only during the Term of your Franchise Agreement. We do not charge a fee for the Customer Portal.

8.8. Payment of Taxes. You will pay all federal, state and local personal property, sales, excise, use and other taxes, regardless of type or nature, that may be imposed, levied, assessed or charged on, against or for the Services provided by your Unit Franchisees or any other products, services or equipment sold or furnished under this Agreement.

8.9. Enforcement of Brand Standards and Unit Franchise Agreements. You will enforce the brand standards in your Unit Franchisees’ operations of their businesses and will faithfully perform all your obligations under your Unit Franchise Agreements. You will maintain normal office hours, provide adequate communication and support, and otherwise maintain and operate the Franchised Business in a manner that will promote the efficiency and success of each Unit Franchisee. You must require that Unit Franchisees form, use and hold the Unit Franchise Agreement in a business entity for their franchised business and comply with all applicable registration and licensing requirements where they operate.

8.10. Our Initial Certification Program. Before the Start Date, you will attend and complete to our satisfaction the Certification Program (or all portions thereof as we require) for Regional Franchise Developers. We will provide the Certification Program free for up to two individuals you designate and we approve. You may be required to pay a fee of \$1,000 for each additional attendee you send, which amount may be adjusted annually by modification to the Manuals. We must approve all additional attendees in advance. You will pay all expenses for sending attendees to the Certification Program, including the costs of transportation, lodging, meals and any wages.

8.11. Additional Certification. You must attend and satisfactorily complete any additional courses, seminars and other certification programs on our brand standards that we reasonably require. We may charge a reasonable fee for those attending these additional courses, seminars or other certification programs. You must pay for all other expenses in attending and sending your attendees to these certification programs. These expenses include the costs of transportation, lodging, meals, certification materials and any wages. We select the time and location of all additional certification programs.

8.12. Attendance at Conferences. You, your Manager or any of your representatives we designate must attend franchise conventions, meetings and teleconferences we require periodically in the Manuals or otherwise in writing. We, in our sole discretion, will designate the time and place of any meetings, which may be held in-person or remotely by teleconference or internet/virtual seminar. We will be responsible for all costs related to arranging meetings and providing meeting materials, but you must pay for all other expenses in attending and sending your representatives to conferences, including the costs of transportation, lodging, meals, certification materials and any wages. Request for attendance exemptions may be made by submitting a request in writing to us. Consideration will be made for personal, family or extreme business reasons.

8.13. Supplies and Equipment. You will purchase or lease equipment, chemicals, supplies, inventory, advertising materials, and any other products and services used to operate the regional developer Franchised Business solely from manufacturers and suppliers (for proprietary products) and/or under specifications that we authorize in writing. You will require your Unit Franchisees to purchase these items only from suppliers and/or under specifications we designate or approve. We will provide you with a list of approved and designated suppliers for supplies and equipment before the Start Date. You may, however,

propose other suppliers to us. We will evaluate your recommended suppliers at your expense, including reimbursement of our out-of-pocket expenses, plus our then-current per diem charges for our personnel, and approve or disapprove the suppliers with reasonable promptness, based on our tests and evaluations of their products or services, as set forth in the Manuals. A supplier must demonstrate that the supplies or equipment it proposes to supply meet our standards and specifications, that it can provide the supplies or equipment in a prompt, reliable manner, that it is in good financial standing in the business community, and that its supplies or equipment are reliable, among other characteristics. Any proposed supplier we do not approve in writing is disapproved. We may revoke our approval of a previously approved supplier. For this Section, references to “supplies” and “equipment” include any goods or services used in operating a Unit Franchise, or the offering of any service under the brand or for resale purposes to any Customer or other end user. Notwithstanding the foregoing, alternate products may be used if specifically requested by the Customer in writing and without suggestion from a Unit Franchisee.

8.14. Legal Compliance. You will comply with all federal, state and local laws, rules and regulations applicable to the Franchised Business (including, without limitation, employment related laws as they relate to your employees). You will timely obtain, maintain and renew when required all permits, licenses, certificates or franchises necessary for the full and proper conduct of the Franchised Business under this Agreement, including qualification-to-do-business; fictitious, trade or assumed-name registration; building and construction permits; occupational licenses; sales tax permits; health and sanitation permits and ratings; fire clearances; and environmental permits. Within two days of your receipt of these items, you must forward to us copies of all brand standards audit reports, warnings, certificates and ratings issued by any governmental entity in the conduct of the Franchised Business that indicate your material non-compliance with any applicable law, rule or regulation.

8.15. Pricing. You may establish the prices for Unit Franchises and the prices of supplies and equipment sold to Unit Franchisees. Prices for Services provided by Unit Franchisees are determined by input from and at the direction of the Unit Franchisees.

8.16. Office Location and Maintenance. You are solely responsible for any leases of real or personal property for the Franchised Business. We must review and approve the Premises for your office, the lease for the Premises, and the Premises’ furniture and décor. You may not operate the Franchised Business from your home. If we elect to review and approve any of these items, we will give you reasonable advance notice. You must provide us with a copy of all signed real property leases not later than ten days after you sign them. You will maintain your office and all fixtures, furnishing, signs and equipment in good order and condition, and in conformity with the System. You will, within a reasonable time we require, make all additions, alterations, repairs and replacements to the office we require to conform to our brand quality standards, including periodic repainting and replacement of signs, furnishings, equipment and decor. No other business venture may operate at or from the Premises without our prior written approval. You must require all Unit Franchisees who do not operate their businesses from an Owner’s residence to maintain offices subject to similar restrictions to those imposed on you under this Section.

8.17. New Concepts. If you or any affiliated entity or person develop any new concept, process or improvement relating to the System or the Franchised Business, you will promptly notify us and provide us with all necessary information concerning same, with no compensation to you. In addition, you will, and will cause any of your Owners or affiliated entities, to give us advance written notice describing any new concept, process or improvement proposed to be developed by any third party you engage, any of your Owners, or any affiliated entity relating to the System or the Franchised Business, and will procure for us ownership of the same upon our request and without charge. If we exercise this right, all these concepts, processes and improvements are our property, and we may use and disclose to other franchisees all information pertaining to them as we desire. If we do not exercise this right, you are free to develop the new concept, process or improvement as you wish, subject to the other terms of this Agreement. You may

not market any new concept/process to the System without our prior express written consent from the President of Jan-Pro Franchising International or its parent company.

8.18. System Data. All data you create or collect involving the System or involving your operation of the regional developer Franchised Business (including, but not limited to, Unit Franchisee Customer and transaction data) is and will be owned exclusively by us during the Term and following termination or expiration of this Agreement. You must provide us with copies and/or originals of this data upon our request. We license the use of this data back to you, at no additional cost, only during the Term and only for your use in your regional developer Franchised Business. We may use all this information, data and reports in any manner, including, without limitation, providing financial and operating reports to Regional Franchise Developers operating under the System.

8.19. Our Intranet. We may establish and maintain a private method of communication for our employees' and Regional Franchise Developers' use (an "**Intranet**"). The Intranet will enable us, Regional Franchise Developers, and our employees to communicate with each other, and will enable us to distribute the Manuals, updates to the Manuals and other Confidential Information. We will, exclusively and in our sole discretion, control all aspects of the Intranet, including its content and functionality.

8.19.1. If we establish an Intranet and permit you to use it, you will strictly comply with the standards and specifications, protocols and restrictions that we establish for the Intranet in the Manuals or otherwise in writing.

8.19.2. As owner and administrator of the Intranet, we may access and view any communication that any person posts, e-mails, or otherwise electronically transmits on the Intranet. The Intranet and all communications posted to it are our exclusive property, free of any claims of privacy or privilege you or any other person may assert. You have no expectation of privacy in any communications you post on the Intranet.

8.19.3. Upon our delivering notice to you that we have established the Intranet, you will establish and maintain (at all times that the Intranet is operating) an electronic connection (the specifications of which will be provided in the Manuals) with the Intranet. This connection must allow us to send messages to and receive messages from you. We may require you to contribute a reasonable amount toward the cost of the Intranet's operation and maintenance, as defined in the Manuals and updated from time to time. From time to time, we may increase or decrease this contribution. You will pay this contribution at the times and in the manner we require.

8.19.4. If you fail to pay or perform any of your obligations under this Agreement, we may, without prior notice, disable or terminate your access to the Intranet until you pay or perform that obligation (unless any applicable cure period has expired, in which case we do not have to restore your access to the Intranet).

8.20. Generative AI. You will not, without our prior written consent, utilize any generative artificial intelligence software, tools, or technologies, including, natural language processing, deep learning algorithms, or machine learning models (collectively, "Generative AI") directly or indirectly in the operation of the Franchise, including without limitation, in advertising, promotion, or marketing of the Franchised Business, communications with customers, business planning, analysis or optimization, or in any social media. You acknowledge and agree not to upload or share any Confidential Information (including any inputs of information containing trade secrets, sensitive confidential information or personal information) with any unapproved third-party platforms, including Generative AI, except as authorized in writing by us. In addition, you will prohibit your employees from using any Confidential Information in Generative AI. In the event you utilizes any Generative AI, with or without our prior approval, you must comply with all laws applicable to such use, including without limitation, all trademark, copyright, and

biometric laws, and must not infringe upon the intellectual property of a third party, or use such intellectual property without appropriate authorization and attribution.

9. YOUR RECRUITING DUTIES

9.1. Qualified Candidates. You will recruit qualified candidates for Unit Franchises, enter into Unit Franchise Agreements with them, enforce those agreements, and promote and support your Unit Franchisees and the System. You will grant Unit Franchises only by entering into Unit Franchise Agreements with each of the prospects you approve. All applicants you approve must form a business entity, owned by individuals who are of good character, have adequate financial resources, and meet the minimum criteria for Unit Franchisees. Formation of a business entity and the signing of the franchise agreement by that business entity is required before the Unit Franchisee is eligible to purchase and receive Accounts (as that term is defined in the Unit Franchise Agreement). Current minimum criteria for Unit Franchise candidates are provided in the Manuals. You will obtain from each prospective Unit Franchisee you recruit a franchise application and any other minimum information about the applicant we then customarily recommend as stated in the Manuals. If the applicant meets the minimum criteria and you determine that the applicant possesses sufficient financial and managerial capability, you may offer a Unit Franchise to the applicant.

9.2. Franchise Disclosure and Registration Compliance. At your expense, you will comply with all federal and state laws and regulations governing the offering and selling of franchises and business opportunities, including any applicable laws and regulations governing registering your Unit Franchise offering and providing prospective Unit Franchisees with franchise disclosure documents. Compliance with these laws is exclusively your responsibility and we have no responsibilities regarding your compliance.

In addition, you will annually prepare, and present to each applicant for a Unit Franchise (an “**Applicant**”), a Franchise Disclosure Document (a “**Unit FDD**”) in strict compliance with the requirements of state and federal laws and regulations that now or later may apply to franchise sales. You also must amend your Unit FDD or prepare a quarterly update to your Unit FDD to reflect material changes in your and our information, including our newest audited financial statements, which are released within 120 days after our fiscal year end. The Unit FDD may be based on our template Unit FDD provided under Section 9.4 and completed and amended under Sections 9.4 and 9.5. Each fiscal year, you must provide a copy of your Unit FDD to us immediately upon filing it with any governmental agency, or use it in any manner. We have no duty to review the Unit FDD. We are not responsible for the accuracy or completeness of any information you include in your Unit FDD. We are not responsible for your compliance with the requirements of any state and federal laws or regulations that now or later may apply to franchise or business opportunity sales. You are exclusively responsible for complying with all franchise and business opportunity registration and disclosure laws and for paying all franchise and business opportunity registration and filing fees.

9.3. No Statements Inconsistent with Unit FDD. You will make no oral or written misleading or untrue statements relating to, or any representations inconsistent with, your Unit FDD in the offering or sale of Unit Franchises. You will make no promises, representations or commitments to applicants other than promises, representations or commitments in the Unit FDD.

9.4. Template Form of Unit FDD. We will furnish you with a template form of Unit FDD, including a Unit Franchise Agreement (“**Template FDD**”), with which you may prepare your FDD (including all attached exhibits, ancillary documents and guarantees). Our Template FDD will have blanks into which you will insert information about your Unit Franchise offering that you must disclose under

applicable law. After inserting these disclosures into our Template FDD, you will send it to us for our discretionary review under Section 9.2.

9.5. Amending Disclosure Documents and Franchise Agreements. If you desire to modify or supplement the Unit FDD or Unit Franchise Agreement to adapt either of them to reflect terms that are peculiar to your circumstances or that reflect your Business Judgment, or to reflect legal requirements peculiar to the Territory or that are required by federal or state law, you will deliver to us copies of the revised Unit FDD and Unit Franchise Agreement that have been marked to indicate the changes, as well as a full clean version of the revised Unit FDD and Unit Franchise Agreement. In this Section 9, “use” of a document (including the Unit FDD or Unit Franchise Agreement) includes filing the document with a state franchise administrator or other state administrative agency or distributing the document to prospective Unit Franchisees.

9.6. Effect of Expiration or Termination on Unit Franchisees. The expiration or sooner termination of this Agreement will not cause the termination of or otherwise affect any Unit Franchisee’s right to use the System and the Proprietary Marks under its Unit Franchise Agreement until the expiration or sooner termination of the Unit Franchise Agreement (subject to any right to extend or renew that agreement); and for the integrity and protection of the brand, each Unit Franchisee’s Unit Franchise Agreement transfers to us (or our designee) if we provide the Unit Franchisee with written notice that we want to replace (or have our designee replace) you as the franchisor under those Unit Franchise Agreements.

9.7. Fees, Terms and Rates. You may determine and set the required fees and financing terms for the sale of any Unit Franchise, subject to any limits established by regulatory agencies that now or later may have jurisdiction over the sale of franchises and the requirements under this Agreement.

10. OPERATING STANDARDS

10.1. Hiring/Staffing. You are responsible for hiring and maintaining a staff of qualified and competent employees for your regional developer Franchised Business. You are solely responsible for all your hiring decisions and for all obligations arising from your relationship with your employees, even if you use sample employment policies, procedures or examples that we make available for your optional use. The use of any sample document by you is not required by this Agreement. All documents are provided “as is” and we make no warranty that the information and sample documents comply with applicable federal, state or local laws, regulations or ordinances where you do business. The fact that we have shared this information and these sample forms/information with you is not intended to be, nor is it, a requirement by us that you must use this or a similar document or process in your business. Further, providing sample documents is not intended to indicate in any way that we have the right to require that any franchisee use this or a similar document or process in their franchised business, as we do not have such rights to require use of these documents. Our rights to require use of specific items relate only to maintenance of brand standards and trademark protection as required by federal law. If use is required to protect brand standards or our trademarks, such use will be identified as mandatory.

10.2. Customer Premises. Your franchisees or you, where applicable under contract as part of your service coordinator services, are responsible for all keys and other methods of access to a Customer’s premises, and will exercise reasonable security procedures and observe all security procedures required at the Customer’s premises.

11. ACCOUNTING AND RECORDS

11.1. Books/Records. You will maintain complete and accurate books and records for the Franchised Business’s operations. Those books and records must not contain information unrelated to the

Franchised Business. These books and records must be preserved for at least six years (including after this Agreement expires or is sooner terminated) from the dates they were prepared. You will provide us with copies of your federal and state income tax returns relating to your Franchised Business (and hereby waive, to the extent not prohibited by applicable law, any right to object to disclosure of any such tax returns) if we request. The financial statements and other periodic reports you must provide to us under this Agreement must segregate the Franchised Business's income and related expenses from those of any other business you conduct.

11.2. Financial Statements. Within 120 days after your fiscal year ends, you will submit to us complete financial statements for that year prepared in accordance with generally accepted accounting principles and audited by an independent certified public accountant. The financial statements must comply with the federal law and any applicable state law on the offer and sale of franchises.

11.3. Financial and Operational Reports/Records. You will submit all other financial and operational reports and records to us at the times and in the manner stated in the Manuals. Any report we do not receive by the required date is overdue, in which case, you will pay us a late charge of \$50 for each day until we receive the overdue report.

11.4. Audit/Inspection. You and we agree that our right to audit is integral to ensuring compliance with brand standards and ensuring adherence to contractual obligations for payment of proper fees. We and/or our agents will have the right during the Term and the two-year period after the expiration or sooner termination of this Agreement, and at our expense (unless the examination, inspection or audit is the result of your failing to timely submit any reports, records or financial statements as required under this Agreement), at any time during business hours, and without prior notice to you, to inspect and/or audit business records and inspect all cash control devices and systems, or require you to provide copies of these records, devices and/or systems to us, relating in any way to your Franchised Business, and the books and records of any person(s), corporation, other business entity or partnership which owns an interest in the entity which holds the Franchised Business, or in any other business in which the Regional Franchise Developer or its Owners have a financial interest, or to require that you send copies of these records to us upon request. We also may have an independent audit made of your books and records during and after the Term in accordance with this Section 11.4, provided that after the Term we may only have an independent audit of your books and records performed if we observe or have reason to believe the existence of any inaccuracies or irregularities in your books and records. For purposes of this examination, inspection or audit, books and records excludes your employment records for your employees.

11.4.1. If an inspection or audit reveals that any financial information reported to us has been understated in any report, you, on demand, must immediately pay us all amounts due on the understated amount and interest. Interest accrues at the Contract Interest Rate beginning from the time the required payment was due. The "**Contract Interest Rate**" is the lesser of: (i) 18% per annum; or (ii) the maximum rate of interest permitted by law.

11.4.2. In addition to the amounts described above in this Section, if any inspection or audit discloses an understatement of 5% or more of gross revenues (or any other amount, including Gross Monthly Revenues and revenues from initial franchise fees and account upgrade fees), you must reimburse us for the expenses connected with the inspection or audit (including reasonable accounting and attorneys' fees and costs). The remedies in this Section are in addition to any other remedies we have under this Agreement or under applicable law. This Section 11 survives the expiration or sooner termination of this Agreement.

12. PROPRIETARY MARKS

12.1. Use of Proprietary Marks. You may use the Proprietary Marks only as permitted in this Agreement and as more fully set forth in the Manuals and brand standards guidelines.

12.2. Licensing of Proprietary Marks. We represent that we have the right to license the Proprietary Marks to you.

12.3. Terms of Use of Proprietary Marks. You may use the Proprietary Marks only in accordance with standards and specifications we prescribe periodically. Without limiting the foregoing, you will:

12.3.1. use the Proprietary Marks only to operate the regional developer Franchised Business and not for any other purpose;

12.3.2. use the Proprietary Marks as the sole trademark identifications for the regional developer Franchised Business, and prominently display the Proprietary Marks on all materials we designate and only in the manner we authorize;

12.3.3. not use the Proprietary Marks as security for any obligation or indebtedness or in any manner encumber them;

12.3.4. identify yourself as an independent franchise and operator of the regional developer Franchised Business when using the Proprietary Marks, and the content and form of this identification must comply with the Manuals and must be included on items such as invoices, order forms, receipts, checks, business stationery and contracts;

12.3.5. sign any documents we request to protect the Proprietary Marks or to maintain their continued validity and enforceability as trademarks;

12.3.6. not use the Proprietary Marks as part of your corporate, partnership or other legal name;

12.3.7. not use or attempt to register any other trademarks, service marks or other commercial symbols that are the same as or similar to any of the Proprietary Marks, nor any mark with phonetic or graphic similarity to the Proprietary Marks; and

12.3.8. comply with our instructions on filing and maintaining the required fictitious, trade or assumed name registrations for the Jan-Pro tradename, and sign any documents we or our counsel deems reasonably necessary to obtain protection for the Proprietary Marks and our interest in the Proprietary Marks. We may specify specific formats for trade names (i.e., DBA) used in your business and you must conform your trade name to that required use as updated from time to time. You will have a minimum of 60 days to change a trade name.

12.4. Challenge to Validity of Proprietary Marks. You will promptly notify us of any: (a) suspected unauthorized use of, or any challenge to the validity of the Proprietary Marks; or (b) challenge to our ownership of, or right to license or use, or your right to use, the Proprietary Marks. We will defend you against any third-party claim, suit or demand arising out of your use of the Proprietary Marks if we, in our sole discretion, determine that you have used the Proprietary Marks in accordance with this Agreement and have otherwise complied with your obligations under this Agreement. In this case, we will pay the cost of your defense, including the cost of any judgment or settlement. If we, in our sole discretion, determine that you have not used the Proprietary Marks in accordance with this Agreement, or have not otherwise

complied with your obligations under this Agreement, you will pay the cost of your defense, including the cost of any judgment or settlement. We have the right, but not the obligation, to initiate, direct and control any litigation or administrative proceeding involving the Proprietary Marks, including, but not limited to, any settlement. We may retain all proceeds, damages and other sums, including attorneys' fees, recovered by or owed to us or our affiliates in any action. In any litigation relating to your use of the Proprietary Marks, you will sign all documents and perform all acts we believe necessary to conduct the defense, including becoming a nominal party to any legal action. Except to the extent that litigation results from your use of the Proprietary Marks in a manner inconsistent with this Agreement, we will reimburse you for your reasonable out-of-pocket litigation costs to perform these acts.

12.5. Contest to Validity/Rights to Proprietary Marks. Any use of the Proprietary Marks not in strict accordance with, or outside the scope of, this Agreement infringes our rights in the Proprietary Marks. Both during and after the Term, you will not, directly or indirectly, infringe or contest or aid in contesting the validity of, or our right to, the Proprietary Marks, or take any other action in derogation of our rights.

12.6. Changes to Proprietary Marks. If at any time in our sole discretion it becomes advisable to modify or discontinue the use of any of the Proprietary Marks or use one or more additional or substitute names or marks for reasons including the rejection of any pending application for registration or revocation of any existing registration of any of the Proprietary Marks, or the superior rights of senior users, you will do so at your sole expense within 30 days of our request.

12.7. Ownership of Proprietary Marks. We exclusively own the Proprietary Marks. All good will associated with your Franchised Business inures directly and exclusively to our benefit and is our exclusive property. If, in any jurisdiction, you secure any rights to any Proprietary Mark not granted under this Agreement, you will immediately notify us and assign all of your rights to us.

13. BRAND STANDARDS AUDITS

13.1. Conducting the Brand Standards Audit. You will permit us and our representatives to enter your Premises and the Customer locations where your Unit Franchisees perform Services to conduct brand standards audits at any time during normal business hours. You will cooperate fully with us and our representatives in these brand standards audits by rendering all assistance as they may reasonably request and by permitting them, at their option, to monitor sales volume; to conduct a physical inventory; to confer with your employees, Unit Franchisees and Customers; and to remove samples of any products, supplies and materials in amounts reasonably necessary to return to our office for a brand standards audit and recordkeeping. The brand standards audits may be conducted without prior notice. The brand standards audits will be performed in a manner that minimizes interference with your operating the Franchised Business. On notice from us, and without limiting our other rights under this Agreement, you will immediately correct any deficiencies detected during a brand standards audit. These steps may include immediately stopping further use of any equipment, advertising, materials, products, supplies or other items, or performing any services that do not conform to our then-current specifications.

14. ADVERTISING, ADVERTISING FUND AND INTERNET

14.1. Local Advertising Expenditure. You must spend each month during the Term, beginning on the Start Date, at least 2% of Gross Monthly Revenue, subject to a minimum local advertising expenditure of \$250 per month. Any amount that you pay to the Fund will be credited against your obligation for local advertising. You must report your expenditures for local advertising on a monthly basis as we direct in the Manuals or otherwise. Eligible expenditures for local advertising are set forth in the Manuals and may be updated from time to time. You may use your own advertising materials to solicit

prospective Unit Franchisees and Customers for Unit Franchisees. You will submit to us, for our prior written approval, all materials you plan to use for advertising, marketing or promotions, unless we have already approved the materials or they consist solely of materials we provided and have not withdrawn. If, within 15 days from the date we receive your submitted materials, you do not receive our written approval, the materials are disapproved. You may not directly solicit Customers for Unit Franchisees from outside of the Territory unless we otherwise approve in writing. However, you may advertise outside of your Territory in a trade journal, magazine, newspaper or other similar publication if at least 50% of the circulation of the chosen media is within the Territory. All materials on which the Proprietary Marks are used must include the applicable designation service markSM, trademarkTM, registered ®, copyright©, or any other designation we specify. If, in our judgment, any of your materials or advertising may injure or harm the System, we may require you to withdraw or discontinue the use of any promotional materials or advertising, even if previously approved. Our notice to withdraw or discontinue use of promotional materials or advertising must be in writing to be effective. Within five days after delivery of this notice, you must withdraw and discontinue use of the relevant promotional materials and advertising. Submitting advertising to us for approval does not affect your right to determine the prices at which you sell your products or services or the price at which you market Services on behalf of the Unit Franchisees.

14.2. Electronic Advertising. Without our prior written consent, you must not operate, including advertising, marketing or otherwise promoting, the regional developer Franchised Business on the Internet. We may revoke our consent at any time upon notice. Nor may you register any Internet domain name containing the words Jan-Pro or any variation of those words, or establish, operate or participate in a website on which these words appear. With respect to any aspect of the System and Franchised Business (including the use of the Proprietary Marks), we retain the sole right to advertise on the Internet, create or operate a website or websites, and use Jan-Pro as part of any domain name. Upon request and without compensation, you will assign to us any domain or electronic advertising site (or platform or account) used to promote the regional developer Franchised Business in any way. We exclusively own all rights to these domain names and any other domain names we designate. We can require you to remove any previously approved electronic advertising upon notice.

14.3. Website. We have developed and maintain an Internet website, and we may establish other websites that may provide information about the System and the services that we, our Regional Franchise Developers and their Unit Franchisees offer (“Website”). We require you to participate in activities conducted on the Website, which may include making contributions in a reasonable amount to pay for operating the Website(s). As part of your participation, we may charge a reasonable fee. We currently charge \$80 per month for web hosting and \$50 per month for email services, due by the 10th day of each month. You must comply with all provisions in the Manuals concerning our Website. We may require you to participate in electronic advertising activities. Costs associated with electronic advertising are applied against local spend.

14.4. Advertising Fund. During the Term, we will maintain and administer the Fund for the purpose of promoting the System. The Fund is for the benefit of all Regional Franchise Developers (including Regional Franchise Developers that are our affiliates) that contribute to the Fund. We have the exclusive right to maintain, operate and administer the Fund. “Advertising Contributions” as used in this Section refers to those contributions you make under Section 3.2.3, and you are not conferred any rights or benefits under this Agreement regarding the amounts paid into the Fund by other Regional Franchise Developers and other parties.

14.4.1. We will deposit Advertising Contributions into the Fund. We may use the Advertising Contributions to meet the costs of conducting local, regional or national advertising and promotional activities (including advertising campaigns, test marketing, marketing surveys, public-relations activities, developing and producing advertising and marketing materials in any media, including

print and electronic, and developing and operating websites) that we consider beneficial to the System used by Regional Franchise Developers. We may charge the Fund fees at reasonable market rates for advertising, marketing and promotional services that our employees provide in lieu of engaging third-party agencies to provide these services. Upon request from the franchise advisory council for Regional Franchise Developers (or other representative entity we currently recognize), we will share unaudited financial reports of income and expenditures in the Fund at least annually with the advisory council (or other representative entity), and may share such information more frequently in our discretion.

14.4.2. In our sole discretion, we may make, or refrain from making, any expenditures for advertising and promotional activities. Without limiting the generality of the foregoing, in any calendar year, we may spend more or less than that year's aggregate Advertising Contributions to the Fund. We may have the Fund borrow from us or other lenders to cover any Fund deficits. We may have the Fund invest any surplus for the Fund's future use. Before the Fund's other assets may be spent, any interest earned on Fund Advertising Contributions must pay costs directly related to the Fund's advertising efforts.

14.4.3. If you fail to pay any Advertising Contributions when due and payable, in addition to any other remedy to which we may be entitled, we may apply and retain any Advertising Contributions we do receive to reimburse ourselves for any collection and related costs incurred in collecting any late or unpaid Advertising Contributions. Immediately on delivery of written notice we have so applied any Advertising Contribution, you will make another Advertising Contribution to the Fund in the same amount we applied under the previous sentence.

14.4.4. We retain sole discretion over the concepts and materials and all other matters relating to advertising, public relations, marketing, market research and promotional campaigns. The Advertising Contributions are intended to maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the System used by Regional Franchise Developers as a whole. In administering the Fund, we need not make expenditures for you that are equivalent or proportionate to your Advertising Contributions or to ensure that any Regional Franchise Developer benefits directly or pro rata from advertising or promotion conducted with the Advertising Contributions.

14.4.5. The Advertising Contributions are not our asset. With respect to maintaining, operating or administering the Fund, we are not a trustee or fiduciary and, except as provided in this Section, we assume no other direct or indirect liability or obligation to you.

14.4.6. At any time, we may stop collecting and disbursing Advertising Contributions and terminate the Fund. If we do so, we must disburse the remaining funds for the purposes authorized under this Agreement.

14.4.7. Our affiliate-owned Regional Franchise Developers, if any, will contribute to the Fund on the same basis as other Regional Franchise Developers.

14.5. Advertising Cooperative. You agree that we have the right, in our discretion, to establish a regional advertising cooperative ("**Cooperative**") in any market. You will immediately on our request become a member of the Cooperative for the market in which some or all of your Territory is located. Your Franchised Business is not required to be a member of more than one Cooperative. The Cooperative will be governed in the manner we require. The Cooperative has the right to require each of its members to make contributions to the Cooperative, not to exceed 2% of that member's Gross Monthly Revenue. The following provisions apply to each Cooperative:

14.5.1. The Cooperative will be organized and governed in a form and manner, and will begin operation on a date, we approve in advance in writing;

14.5.2. The Cooperative will be organized for the exclusive purpose of administering advertising programs and developing, subject to our approval, standardized promotional materials for use by the members for local advertising in the Cooperative's market;

14.5.3. The Cooperative may adopt its own rules and procedures, but we must approve the rules or procedures and they must not restrict nor expand your rights or obligations under this Agreement. Except as otherwise provided in this Agreement, and subject to our approval, any lawful action of the Cooperative at a meeting attended by 75% of the members, including assessments for local advertising, is binding on you if approved by 51% of the members present, with each franchised business (including franchised businesses we own) having one vote; however, no Regional Franchise Developer (or controlled group of Regional Franchise Developers) has more than 25% of the vote in the Cooperative regardless of the number of regional developer franchises owned;

14.5.4. No advertising or promotional plans or materials may be used by the Cooperative or furnished to its members without our written approval. All plans and materials must be submitted to us in accordance with the procedure stated in Section 14.1;

14.5.5. The Cooperative has the right to require its members to make a contribution to the Cooperative in any amount the Cooperative determines. This amount will be credited against your obligation for local advertising as provided in Section 14.1; however, you are not required to contribute to the Cooperative in excess of 2% of your Gross Monthly Revenues;

14.5.6. You must submit to the Cooperative, no later than the 10th day of the following month, your contribution for the Gross Monthly Revenue earned during the previous calendar month, as provided in Section 14.5.5, together with all other statements or reports we or the Cooperative requires;

14.5.7. If an impasse occurs owing to the inability or failure of the Cooperative members to resolve within 45 days any issue affecting the establishment or effective functioning of the Cooperative, the issue will, on request of a member of the Cooperative, be submitted to us for consideration and our resolution of the issue will be final and binding on all members of the Cooperative;

14.5.8. The Cooperative will render quarterly reports to us of its advertising expenditures; and

14.5.9. We, in our sole discretion, may grant to any Regional Franchise Developer an exemption for any length of time from the requirement of membership in the Cooperative, on the franchisee's written request stating reasons supporting the exemption. Our decision concerning the request for exemption is final. If an exemption is granted to a Regional Franchise Developer, that franchisee must spend on local advertising the full amount provided in Section 14.1.

14.6. Products/Services Rebates. Suppliers that provide you with products or services may pay us rebates or provide us with other benefits based on your purchases of those products and services. You authorize us to keep or use these payments for any purpose we consider appropriate, including keeping them for our own account.

15. INSURANCE

15.1. Insurance Requirements. Throughout the Term, you will acquire and maintain, and will cause your Unit Franchisees to acquire and maintain, the types of insurance in the minimum amounts we require. This insurance is in addition to any other insurance required by applicable law, your landlord, or otherwise. The policies we require must be written by an insurance company reasonably satisfactory to us

with a minimum Best rating of “A” or better and, to the extent permitted by law, must name us as an additional insured. These policies include:

15.1.1. workers’ compensation insurance as required by law for you and your employees with a minimum coverage of \$100,000/\$500,000/\$100,000 or the minimum state law coverage, whichever is higher, and all unemployment insurance required under state and federal laws to maintain a proper unemployment insurance account;

15.1.2. comprehensive liability insurance covering property damage, loss and personal injury of at least \$1,000,000 per occurrence, \$2,000,000 in the aggregate; and automobile liability with a minimum coverage of \$1,000,000 personal injury and property damage insurance; this comprehensive liability insurance may not have an exclusion for property in your care, custody or control;

15.1.3 business automobile liability for owned, hired and non-owned vehicles with minimum limits of \$1,000,000 bodily injury and property damage and \$1,000,000 aggregate; and

15.1.4 such additional coverage and/or higher policy limits as may reasonably be specified for all Regional Franchise Developers (or a subset of Regional Franchise Developers who participate in specific programs) from time to time by us in the Manuals or otherwise in writing.

We may adjust the minimum amounts of coverage required under these insurance policies and require different or additional kinds of insurance, including excess liability insurance. These requirements will be communicated through the Manuals or otherwise in writing. The policies procured and maintained by you will be primary and non-contributory with Franchisor’s insurance, and any deductible, self-insured retention, or premium expenses shall be your sole responsibility. We expressly retain, at our own discretion, the right to select counsel of our choice to defend our interests.

15.2. Certificates of Insurance. Before your Unit Franchisees may begin servicing their Customer Accounts, an approved insurance company must issue a certificate of insurance showing compliance with the insurance requirements in Section 15.1 and you must furnish us with a copy of that certificate of insurance and a paid receipt showing the certificate number. The certificate of insurance must include a statement by the insurer that the policy or policies must not be canceled, subject to nonrenewal, or materially altered without at least 30 days’ prior written notice to us, except for non-payment of premiums, in which case ten days’ prior written notice will suffice. On our request, you will supply us with copies of all insurance policies and proof of payment. Every year, you must provide current certificates of insurance and copies of all insurance policies to us.

15.3. Right to Procure Insurance for You. If for any reason you fail to procure or maintain the insurance required by this Agreement, we have the right (but not the duty) to immediately procure this insurance for you. If we do so, we may charge the cost of this insurance to you, plus interest at the Contract Interest Rate. You must immediately pay us these charges.

15.4. Group Insurance Plan. We may allow you to participate in a group insurance plan (the “**Business Protection Program**”) that may provide general liability insurance, workers’ compensation and/or janitorial bonding to us and our participating Regional Franchise Developers through an insurance company that names us and you as insureds. The cost of this liability insurance and janitorial bonding provided through this Business Protection Program may include, in addition to the premium, an administrative fee payable to us to cover our costs in administering the Business Protection Program. Nothing in this Agreement obligates us to offer or to continue offering a Business Protection Program.

16. BILLING AND ACCOUNTING SERVICES

16.1. Billing Services. If any of the following events occurs, we or our designee may exclusively undertake billing, collection and accounting services (collectively, “**Billing Services**”) that you would otherwise perform on behalf of your Unit Franchisees for their Customers:

16.1.3. you wrongfully withhold payment due to a Unit Franchisee after the Unit Franchisee has delivered a written request to you for the payment; or

16.1.4. we reasonably believe that you are retaining a Unit Franchisee’s funds in a manner prohibited or not authorized by your Unit Franchise Agreement, and we provide prior written notice to you of our belief.

16.2. Your Cessation of Billing Services. If we or our designee undertake Billing Services as provided above, you will immediately cease performing those services and not interfere, and cooperate if requested, with our performing Billing Services.

16.3. Our Undertaking of Billing Services. If we or our designee undertake Billing Services, by the 5th of each month after we begin performing these services, we will disburse to you or your Unit Franchisees, as the case may be, all payments collected from their respective Customers in the previous calendar month. From those collected payments, we may deduct, and retain for ourselves: (a) costs we incur to perform Billing Services; and (b) Contract Services Fees, Sales Royalty Fees and Advertising Contributions due to us under this Agreement, and any other amounts due under this Agreement.

17. DEFAULT AND TERMINATION

17.1. Immediate Termination Upon Default. If any of the following events occurs, we may immediately terminate this Agreement:

17.1.1. you become insolvent or make a general assignment for the benefit of creditors;

17.1.2. a petition in bankruptcy is filed by you or a petition is filed against or consented to by you and the petition is not dismissed within 45 days;

Except as otherwise provided above, you have 30 days after we deliver a notice of default to cure any default described in the notice and provide evidence of cure satisfactory to us. Except as otherwise provided in this Section 17, if any default described in a notice of default is not cured within this 30-day period (or any longer period as applicable law requires), we may immediately terminate this Agreement without further notice to you. To the extent a cure is permitted under this Agreement, you must prove you properly and timely cured any default.

17.4. Default of This Agreement/Other Agreements. Your default under this Agreement is a default under any other agreements between us or our affiliates and you, and a default under any of these other agreements is a default under the remaining other agreements, as well as this Agreement. On the termination of this Agreement, or the termination of any other agreement between us or our affiliates and you, we may, at our option, terminate any or all of the other agreements (including this Agreement). Without limiting the foregoing, if we terminate this Agreement, or if you fail to timely cure any default under this Agreement or any of the other agreements described in this Section, we may accelerate the maturity date of any Promissory Note you issued.

17.5. Our Rights Upon Your Breach. If this Agreement is terminated due to your breach: (a) we (or our designee) will have the right to immediately enter your Franchised Business Premises (without liability to you, your principals or otherwise) for the purpose of continuing the regional developer Franchised Business and maintaining our goodwill in the Franchise Business and the Proprietary Marks; and (b) you appoint, effective on termination, us as your true and lawful attorney-in-fact with the full power of substitution in our name or your name or otherwise, for our sole use and benefit, to take assignment of all or any of your interest in any contracts, including, without limitation, franchise agreements, franchisee notes and other agreements, immediately and without further action by you. You further agree that you will use your best efforts to cooperate with us and/or our designee to cause a smooth transition of the Franchised Business to us or our designee, and will take all actions and sign all instruments as necessary to effectuate the power of attorney granted under this Section and to transfer all or any portion of the Franchised Business to us or our designee (as we direct). The power of attorney granted under this Section is irrevocable and is coupled with an interest.

17.6. Our Remedies/Rights/Claims. The termination of this Agreement is without prejudice to any remedy, right or claim that we have against you for the recovery of any monies due us or any equipment or other property of ours, or any other right of ours to recover damages for any breach of this Agreement, all of which remedies, rights or claims are cumulative.

18. OBLIGATIONS ON EXPIRATION OR TERMINATION

On the expiration or sooner termination of this Agreement, all rights granted under this Agreement to you terminate immediately, and all of this Section 18 will apply to the rights and obligations of the parties. This Section contemplates and is intended, among other things, to enable us, if we so choose, to immediately, with no interruption, take over and continue to operate the Franchised Business under our ownership, or that of another Regional Franchise Developer, on the expiration or sooner termination of this Agreement.

18.1. Cease Operations. You will immediately cease operating the Franchised Business. Thereafter you must not, directly or indirectly, use any of the Proprietary Marks or System. Nor may you represent yourself as our present or former Regional Franchise Developer (except to the extent required by federal or state franchise registration and disclosure laws) or in any other way associate yourself with the System. You will immediately cease using all stationery, signage, bills, invoices and any other materials containing the Proprietary Marks.

18.2. Return of Customer Property. You will immediately deliver to us all keys, security passes, security codes and any other means of access to Customers' premises in your possession. Likewise, before the expiration or sooner termination of this Agreement, when your Unit Franchisees stop servicing any of their Customers (without the account being transferred to another Unit Franchisee), you will immediately deliver to us or to that Customer all of the Customer's keys, security passes, etc. If you fail to timely do so, you will pay us \$500 for each day you do not comply with this Section. Our damages from your failure to comply with this Section 18.2 are difficult to ascertain and thus the amount described in the prior sentence constitutes liquidated damages and not a penalty.

18.3. Payment of Amounts Owed. We have the right to retain all fees paid under this Agreement. In addition, within ten days after the effective date of termination or expiration (or any later date(s) as we determine that amounts are due to us), you will pay us all Contract Services Royalty Fees, Sales Royalty Fees, National Accounts Support Fees, Advertising Contributions, amounts owed for products or services you purchased from us or our affiliates, and any other unpaid amounts you owe to us or our affiliates (including all outstanding principal and interest due under any Promissory Note you issued).

18.4. Operation of Another Business. If you continue to operate, or later begin to operate, any other business, you may not, in the operation of that business or the promotion of it, use any reproduction or colorable imitation of the Proprietary Marks, use or imitate any of our methods of operation, or undertake any other conduct that is likely to cause confusion, mistake or deception, or that is likely to dilute our or our affiliates' respective rights in and to the Proprietary Marks. You also will not after expiration or termination use or attempt to register (or assist any third party to do the same) any trademarks, service marks or other commercial symbol that is the same as or similar to any of the Proprietary Marks, nor any mark with phonetic or graphic similarity to those owned or used by us or our affiliates. In addition, you will use no designation of origin or description or representation that falsely suggests or represents an association or connection with us or any of our affiliates. If you do this, it is unfair competition.

18.5. Return of Confidential Information. At your expense, you will immediately deliver to us all Confidential Information and information and documents relating to Customers, Customer Accounts, or otherwise to the Franchised Business (together with all copies and any other forms of reproductions of

these materials) in your possession or control. All Confidential Information and information and documents, and copies and reproductions of these items, are our exclusive property.

18.6. Assignment of Unit Franchise Agreements/Customer Agreements. On the expiration or sooner termination of this Agreement, you will immediately assign to us (or our designee), free of charge, any Unit Franchise Agreements or other agreements we specify, and will provide us with copies of the same and any other relevant information and/or documentation concerning these agreements immediately upon our request. In addition, we have an option (but not the obligation) to purchase any other items you used to operate the Franchised Business. We may purchase these items at a price equal to your cost or fair market value, whichever is less. We may exercise this option by delivering a notice of intent to purchase to you within 30 days after the expiration or sooner termination of this Agreement. If, within a reasonable time, the parties cannot agree on the fair market value of the items to be purchased, we may designate an independent appraiser to do so. The appraiser's determination is final and binding. The parties must equally bear the costs of the appraiser. The fair market value of tangible assets must be determined without reference to goodwill, going-concern value, or other intangible assets. If we exercise our option to purchase, we may set off all amounts due from you under this Agreement (including any amount due under any Promissory Note), and the cost of the appraisal against any payment due you.

18.7. Cancellation of Assumed-Name/Equivalent Registration. Not later than 30 days after the expiration or sooner termination of this Agreement, you must cancel any assumed-name or equivalent registration involving the Proprietary Marks and must furnish us with satisfactory evidence that you have done so.

18.8. Payment of Amounts Owed. You will promptly pay all sums owing to us and our affiliates (whether those obligations arise under this Agreement or otherwise), including, without limitation, Contract Services Royalty Fees, Sales Royalty Fees, National Accounts Support Fees and Advertising Contributions that are based on receivables collected at any time after the expiration or sooner termination or Transfer (defined below in Section 19.1) of this Agreement. On termination for your default, these sums include all damages, costs and expenses, including reasonable attorneys' fees, we incur because of the default.

19. NONCOMPETITION

19.1. Competitive Business. We would be unable to protect the System and Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information between Regional Franchise Developers in the System if Regional Franchise Developers were permitted to hold interests in a Competitive Business. A "**Competitive Business**" is a business that operates or grants franchises or licenses to operate businesses that provide cleaning and/or disinfecting or sanitizing services (in any location) and/or any business that provides product sales, equipment leases, and maintenance services. Note that your providing cleaning or disinfecting services, without our prior written consent, is prohibited and would be considered a Competitive Business as it would be a competing business to the businesses being licensed or franchised by you.

During the Term, neither you nor any of your Owners, officers or directors, or any of their respective spouses or domestic partners (you and these other persons are referred to herein collectively as the "**Restricted Parties**" and, individually, as a "**Restricted Party**") may, directly or indirectly:

19.1.1. solicit or otherwise attempt to induce (by combining or conspiring with, or attempting to do so) or influence in any other manner any of our Business Affiliates to terminate or modify his, her or its business relationship with us or to compete against us; a "**Business Affiliate**" is any of our or our affiliate's employees, officers, directors, agents, consultants, representatives, contractors, suppliers, distributors, franchisees, customers (including National Account Customers), or other business contacts;

19.1.2. as owner, officer, director, employee, agent, lender, lessor, broker, consultant, franchisee, or in any other similar capacity be connected in any manner with the ownership, management, operation or control, or conduct of a Competitive Business (this restriction, however, does not apply to a 5% or less beneficial interest in a publicly-held corporation); or

19.1.3. in any manner interfere with, disturb, disrupt, impair, diminish or otherwise jeopardize our business or any of our other Regional Franchise Developers.

19.2. Noncompetition. Each Restricted Party agrees and covenants that, except as we otherwise approve in writing, he or she or it will not, for a continuous uninterrupted period of two years from the date of: (a) the expiration or sooner termination of this Agreement (regardless of the cause); and (b) a transfer permitted under Section 20, directly or indirectly:

19.2.1. solicit or otherwise attempt to induce (by combining or conspiring with, or attempting to do so) or influence in any other manner any of our Business Affiliates to terminate or modify his, her or its business relationship with us or to compete against us;

19.2.2. own, maintain, operate, engage in or have any interest in any Competitive Business within the Territory (this restriction, however, does not apply to a 5% or less beneficial interest in a publicly-held corporation).

19.3. Non-disparagement. Both during and after the Term, none of the Restricted Parties may: (a) disparage, by any means or by any medium, either us or our affiliates, or any of our or our affiliates' respective officers, directors, stockholders, employees or representatives, or any aspect of the System; or (b) in any manner interfere with, disturb, disrupt, impair, diminish or otherwise jeopardize our or any of our other Regional Franchise Developer's businesses.

19.4. Prohibited Activities. You and each of the other Restricted Parties acknowledge and confirm that the scope of activities prohibited in this Section, and the length of the term and geographical restrictions in this Section, are necessary to protect our legitimate business interests and are fair and reasonable and not the result of overreaching, duress or coercion of any kind. Your and each of the other Restricted Parties' full, uninhibited and faithful observance of each of the covenants in this Section 19 will cause no undue hardship, financial or otherwise. Enforcement of each of the covenants in this Section 19 will not impair your or any of the other Restricted Parties' ability to obtain employment commensurate with your or their abilities and on terms fully acceptable to you or them or otherwise to obtain income required for the comfortable support of you and your and them and their family, and the satisfaction of the needs of all creditors. Your and the other Restricted Parties' special knowledge of a Jan-Pro business (and anyone acquiring this knowledge through you or the other Restricted Parties) is such as would cause us and our Regional Franchise Developers serious injury and loss if you or they (or anyone acquiring this knowledge through you or the other Restricted Parties) were to use this knowledge to the benefit of a competitor or were to compete with us or any of our Regional Franchise Developers.

19.5. Tolling. If any court or arbitrator finally holds that the time or territory for or to which this Section 19 applies or the scope of activities prohibited under this Section, or that any provision in this Section, constitutes an unreasonable restriction on you or the other Restricted Parties, the provisions of this Agreement are not rendered void, but apply as to time and territory or to any other extent as the court or arbitrator finally concludes or indicates is a reasonable restriction under the circumstances. If any of the covenants against competition in this Section are challenged in any judicial proceeding and a court of competent jurisdiction determines that the challenged covenants are enforceable, then, to the extent allowed by applicable law, the time stated in the covenants will be deemed tolled on the date we first gave notice demanding compliance with the challenged covenants (or, if no notice is given, then on filing a lawsuit) until the dispute is finally resolved and all periods of appeal have expired. Notwithstanding the foregoing,

this tolling provision will not apply if you are enjoined in the judicial proceeding from breaching the challenged covenants.

19.6. Modified Covenant. Without your or the other Restricted Parties' consent, we, in our sole discretion, may reduce the scope of any covenants in this Section 19. Any reduction is effective immediately upon our delivery of written notice. You and the other Restricted Parties will comply immediately with any covenant as so modified. The modified covenant is fully enforceable to the extent permitted by applicable law.

19.7. Confidentiality Agreement. All managerial employees of your regional developer Franchised Business and all your other employees must sign your confidentiality agreement containing provisions similar to those in this Agreement before beginning employment or receiving certification.

19.8. Covenants Independent. The covenants in this Section 19 are to be construed as independent of any other term of this Agreement. The existence of any claim you or any other Restricted Party may have against us or any of our affiliates (regardless of whether arising from this Agreement) is not a defense to the enforcement of these covenants against you or any of the other Restricted Parties.

20. TRANSFER OF INTEREST

20.1. Our Transfer. Without your consent, we have the absolute right to transfer or delegate to any person any or all of our rights or obligations under this Agreement. If our transferee or delegatee assumes in writing our obligations under this Agreement, within seven days after our delivery of written notice thereof, you will sign and deliver to us a written release from those obligations.

20.2. Your Transfer. This Agreement is personal to you and has been granted in reliance on your and your Owners' business and personal skills, reputation, aptitude and financial capacity. Unless otherwise permitted by this Agreement, without our prior written consent, you will not Transfer (as defined below in Section 20.3) or permit or suffer any Transfer to occur. We may communicate with you, your counsel and the proposed transferee on any aspect of the proposed Transfer. You agree to provide any information and documentation we reasonably require relating to the proposed Transfer. Our consent to a Transfer does not constitute a waiver of any claims that we have against the transferor, nor is it a waiver of our right to demand exact compliance with this Agreement. Any purported Transfer in violation of this Agreement is null and void.

20.3. Definition of Transfer. For purposes of this Agreement, "**Transfer**" as a verb means to sell, assign, give away, transfer, pledge, mortgage or encumber, either voluntarily or by operation of law (such as through divorce or bankruptcy proceedings), any interest in this Agreement, the Franchised Business, substantially all the assets of the Franchised Business, or in the ownership of the Regional Franchise Developer (as an entity). "**Transfer**" as a noun means any sale, assignment, gift, transfer, pledge, mortgage or encumbrance.

20.4. Transfer of Entire Business. For a proposed Transfer of the regional developer Franchised Business, this Agreement or any interest in this Agreement (or, as an entity, a Transfer of ownership interests that would cause a change of Control, is a transaction or series of transactions that results in a greater than 50% ownership by a person or group of persons not previously owning a 50% or greater ownership percentage), we will not unreasonably withhold our consent to the Transfer provided the following conditions are satisfied:

20.4.1. your accrued monetary obligations and all other outstanding obligations to us (including any payment obligation under any Promissory Note you issued or any other debt obligations) have been satisfied;

20.4.2. you are not then in default under any provision of this Agreement or any other agreement between you and us or our affiliates;

20.4.3. you have signed a general release of all claims against us, our affiliates and our and their respective officers, directors, owners, representatives, agents and employees (in their corporate and individual capacities);

20.4.4. the transferee enters into an assumption agreement, in form and substance satisfactory to us, under which it assumes all of the transferor's obligations under this Agreement; and/or, the transferee signs the form of Regional Franchise Development Agreement we then offer to new Regional Franchise Developers (for a term equal to the then remaining Term of this Agreement) and all other ancillary agreements as we require for the Franchised Business; these agreements may differ substantially from those of this Agreement, including a greater Contract Services Fee, Sales Royalty Fee, and Advertising Contribution.

20.4.5. the transferor simultaneously assigns to the transferee all your Unit Franchise Agreements, or if transferor is not you, its interests in your Unit Franchise Agreements; and the transferee enters a written assumption agreement (in form and substance satisfactory to us), under which it assumes the transferor's obligations under the Unit Franchise Agreements;

20.4.6. the owners of the transferee entity enter our then-standard form of personal Guarantee under which they, jointly and severally, guarantee the transferee's obligations under this Agreement (or the new form of regional franchise development agreement discussed in Section 20.4.4) and any related agreements;

20.4.7. the transferor pays us a Transfer Fee (defined below in this Section) and Contract Services Royalty Fees and Sales Royalty Fees owed on all revenue the transferor is owed as of the scheduled date of closing. If we require the transferee to sign a new Regional Franchise Development Agreement, the transferee need not pay any initial franchise fee, the Transfer Fee being in lieu thereof. The "**Transfer Fee**" will be based on the total purchase price paid for the Franchised Business (including the price paid not only for transferring this Agreement but for all other assets being sold with the sale of the Franchised Business and other value or consideration, including consulting contracts and assumed liabilities);

The amount of the "Transfer Fee" will be based on the following (modified) Lehman Table, and, if eligible, subject to the discounts set forth below:

Lehman Table

If PP is = or less than \$1M	10%
If PP is = or less than \$2.5M but more than \$1M	7% on amount over \$1M
IF PP is = or less than \$4M but more than \$2.5M	4% on amount over \$2.5M
If PP > \$4M, then 1% on balance	1% on amount over \$4M

Discount to the Transfer Fee based on performance.*

- a. 1st Enterprise in top 5 Gold Circle performance for their tier at the time of Transfer, 10% discount on the Lehman Table amount.
- b. 2nd Enterprise in top 5 Gold Circle performance for their tier at the time of Transfer, additional 30% discount for a total discount of 40% on the Lehman Table Amount.

*Must be an owner of greater than 25% of the transferring enterprise, each enterprise used for discount qualification, and have been so for five or more years as to all included enterprises.

20.4.8. the transferor signs an acknowledgement agreeing to pay Contract Services Royalty Fees and Sales Royalty Fees on all revenue paid to transferor after the Transfer closes;

20.4.9. the Owners of the transferee have been interviewed by us at our option, without expense to us, and have demonstrated to our satisfaction that the Owners have the business and personal skills, reputation and financial capacity we require;

20.4.10. the transferee has satisfactorily completed our application procedures for new Regional Franchise Developers;

20.4.11. the transferee has demonstrated to our satisfaction that it has properly assumed, and can comply with, all of its obligations for the Franchised Business;

20.4.12. at the transferee's expense (including our then-current certification fee), on the terms we reasonably require, the transferee's Owners complete the next scheduled (or at such time as otherwise agreed in writing) certification program then in effect for new Regional Franchise Developers;

20.4.13. we are reasonably satisfied that the proposed sale terms and other factors involved in the Transfer do not materially impair or interfere with the transferee's ability to assume and carry out its obligations effectively. We, however, have no duty to consider these factors;

20.4.14. the transferor will remain liable for all of the obligations to us for the regional developer Franchised Business that arose before the effective date of the Transfer and any covenants that survive the termination and expiration of this Agreement, and will sign all instruments we reasonably request to evidence this liability; and

20.4.15. you and the transferee timely satisfy all other conditions we reasonably impose.

“Control” as used in this Section means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of an entity, whether through the ownership of voting securities, by contract or otherwise, and includes the ownership or power to vote 50% or more of the outstanding equity or voting interests, respectively, of the other entity.

Our approval of a proposed Transfer is not an expression of our opinion on the appropriateness or fairness of the terms of the Transfer or the likelihood of the transferee's success. If we disapprove of the Transfer because all the Transfer conditions in this Section or elsewhere in this Agreement have not been satisfied (or for any other reason), we have no liability of any nature to you, or the transferor if different, or the transferee from our disapproval.

You (or transferor if different) may not Transfer this Agreement or any interest in this Agreement if you are the subject of either a voluntary or involuntary bankruptcy proceeding. If, notwithstanding the restrictions in this paragraph, a bankruptcy court or other court permits the Transfer of this Agreement or any interest in this Agreement, our right-of-first-refusal in Section 20.9 applies. Our consent to any Transfer does not constitute a waiver of any claims we have against you or the transferor if different. Nor is it a waiver of our right to demand the transferee's exact compliance with all the terms of this Agreement. Without limiting the foregoing, even if we approve the Transfer, no Transfer releases you (or any transferor) of liability for your conduct before the Transfer, including conduct in breach of this Agreement. You (and

the transferor if different) will sign all agreements or documents we request to evidence continuing liability for your conduct before the Transfer.

20.5. Transfer of Partial Ownership Interest. For any proposal to admit a new owner, to remove an existing Owner, or to change the distribution of ownership shown on the Summary Page, or for any other transaction that amounts to the Transfer of a partial interest in the Franchised Business, you must give us advance notice and submit a copy of all proposed contracts and other information concerning the Transfer we request. You must satisfy the conditions in Sections 20.4.1, 20.4.2 and 20.4.6. We may withhold our consent on any reasonable grounds or give our consent, subject to reasonable conditions. We reserve the right to require a reasonable Transfer Fee in an amount we specify, not to exceed 10% of the value being transferred.

20.6. Entity Ownership. Throughout the term of this agreement, the entity that is the Franchisee must have no other business besides operating the Franchised Business. Also, the Owners in the Franchisee entity must hold equity interests in the entity in the same proportion shown on the Summary Page. A change in equity interests in the Franchisee entity will constitute a Transfer under this Section 20.

20.7 Non-Traditional Ownership Structures. We may, but are not obligated to, approve a Transfer to or allow ownership by an ESOP, trust or private equity firm and any request to Transfer to an ESOP, trust or private equity firm may be denied in our sole discretion. However, if we do approve a Transfer by an ESOP, trust or private equity firm, we may impose additional requirements that include, but are not limited to, the following: (a) the ownership and related requirements set forth in Section 20.7.1; (b) additional financial covenants; (c) additional insurance requirements; (d) an enhanced right to purchase the Franchised Business, and such other conditions that we deem appropriate in our Business Judgment.

20.7.1 Operational Control-Non-Traditional Entities. Trust ownership of the Franchised Business is permitted only with our prior written permission, which may be granted or withheld in our sole discretion. At all times, the guarantors directly will: (i) control all aspects of the Regional Franchise Developer and the operation of the Franchised Business; and (ii) serve as trustee of the trust and retain sole control over the voting of the trust's equity interest in the Regional Franchise Developer. The Trustee must at all times be an individual and must meet the then-current requirements of franchise ownership. Any change in trustee is deemed a Transfer and is subject to approval as set forth in this Agreement. Any change in beneficiaries is deemed a Transfer. Any such Transfer is subject to approval conditions and other rights we have as set forth in this Agreement. You acknowledge and agree that: (i) if the guarantors do not maintain operational control respecting each of the Franchised Business, the Regional Franchise Developer and the trust, such an event will constitute a Transfer as described in Section 20 of this Agreement and you must comply with all applicable provisions of Section 20; and (ii) if the guarantors desire to turn over operational control respecting the Regional Franchise Developer, the trust or the Franchised Business to one or more trust beneficiaries, such beneficiaries must satisfy all conditions to consent as described in Section 20 of this Agreement. The trust must be and remain a revocable trust. If by operation of law or otherwise the trust converts to an irrevocable trust, the trust must divest ownership of the Franchised Business to an approved person or entity pursuant to the terms of Section 20 of this Agreement. The trust must contain a provision equivalent to and granting the trustee the following powers with regard to trust assets: "The trustee may exercise all rights of an absolute owner with respect to stocks, other securities and closely held business interests. The trustee is hereby authorized to sell, convey, pledge, mortgage, lease or transfer title to any interest in the trust property for a period within or extending beyond the duration of the trust."

20.8. Transfer on Death or Incapacity. If an Owner dies or is disabled from any cause and, as a result thereof, for a continuous period of over three consecutive months cannot perform his or her

obligations under this Agreement, within 30 days thereafter, you (or your legal representative) will hire and maintain a replacement satisfactory to us to perform the obligations.

20.8.1. If a satisfactory replacement is not hired or maintained as required, we may hire and maintain a replacement for you for up to 12 months. You will compensate the replacement for his or her services at the rate we establish in our reasonable discretion. In this Agreement, any period of disability that is interrupted by a return to active work and proper performance of duties under this Agreement for 14 days or less is continuous.

20.8.2. Within 12 months of the death or permanent disability of any Owner, that individual's estate or his or her representative must Transfer his or her interests in you (or in any of your Owners) or in this Agreement in accordance with the terms of this Section (including Section 20.4). We reserve the right to require a reasonable Transfer Fee to cover our administrative costs in processing the Transfer.

20.9. Our Right of First Refusal.

20.9.1. We have the right, exercisable within 30 days after receipt of the notice of your intent to Transfer, to send written notice to you that we intend to purchase the interest proposed to be transferred on the same economic terms offered by the third-party or, at our option, the cash equivalent. If we and you (or transferor if different) cannot agree on the reasonable equivalent in cash or if the Transfer is proposed to be made by gift, we will designate, at our expense, an independent appraiser to determine the fair market value of the interest proposed to be transferred. We may purchase the interest at the fair market value the appraiser determines or may elect to not exercise our rights.

20.9.2. Closing on the purchase must occur within 90 days after the date of our notice to the seller electing to purchase the interest. We may assign our right of first refusal to a third party either before or after we exercise it. However, our right of first refusal will not apply to Transfers among Owners in an entity under Section 20.6 or Transfers to your spouse, son or daughter.

20.9.3. If we elect not to exercise our rights under this Section, you (or transferor if different) may complete the Transfer after complying with Sections 20.2 to 20.8. Closing of the Transfer must occur within 90 days after our election (or any longer period as applicable law requires); otherwise, the third-party's offer will be treated as a new offer subject to our right of first refusal. Any material change in the terms of the offer from a third-party after we have elected not to purchase the seller's interest will constitute a new offer subject to the same right of first refusal as the third party's initial offer. The Transfer is conditional on our determination that the Transfer was on terms substantially the same as those offered to us.

21. INDEPENDENT BUSINESS AND INDEMNIFICATION

21.1. Relationship. This Agreement does not create a fiduciary relationship between you and us. You are a licensee of certain of our trademarks and the System. Unless expressly provided to the contrary, nothing in this Agreement designates either party an agent, legal representative, subsidiary, joint venturer, partner, employee, affiliate or servant of the other party for any purpose. Nothing in this Agreement authorizes you to make any contract, agreement, warranty or representation on our behalf or to incur any debt or other obligation in our name. You will take all affirmative action as we request to disclose to the public you are an independently owned and operated licensee of ours. These actions may include placing and maintaining a plaque in a conspicuous place within your office and a notice on all stationery, business cards, sales literature, contracts and similar documents that states you independently own and operate the regional developer Franchised Business. The content of the plaque and notice is subject to our prior written approval which may be modified from time to time upon notice from us.

21.2. Tax Filings/Payments. You agree that, because you are an independent business and not our employee, you and not us, in connection with all income you earn from, or in connection with, the Franchised Business, are solely obligated to make all periodic filings and payments for all federal and state taxes, payments or filings required to be paid or made (including all income, unemployment and payroll taxes, such as FICA, FUTA and SECA payments). This acknowledgement and agreement has materially induced us to enter this Agreement and but for your making this acknowledgement and agreement, we would not have done so. You will operate the Franchised Business, and otherwise act in connection therewith, as an independent business, and will not act, or omit to act, in any manner that will cause you or your employees or Unit Franchisees to be considered our employees or joint employees for any purpose. You will operate, and you will require your Unit Franchisees to be and to operate solely as business entities.

21.3. Indemnification. Under no circumstances will we be liable for any act, error, omission, debt or any other obligation of yours. You will protect, defend and indemnify us and all of our past, present and future stockholders, direct and indirect parent companies, subsidiaries, affiliates, officers, directors, employees, attorneys, agents and designees, the Fund, and the Franchise Advisory Council and its individual members, and hold them harmless from all actions, judgments, damages, liabilities, claims, losses, costs and expenses (including attorneys' fees and costs, even if incident to appellate, post-judgment or bankruptcy proceedings) incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) which arise, directly or indirectly, as a result of or in connection with, or is based upon or related to this Agreement, the activities conducted under this Agreement or in connection with the Franchised Business, the relationship between us and you, or your or your employee's actions or inactions (including the solicitation, negotiating or granting of any Unit Franchise) ("**Claims**"). Claims covered by this indemnity include Claims relating, but not limited to: (a) failing to comply with any federal or state franchise or business opportunity laws (including any franchise registration or disclosure law); (b) failing to comply with any federal or state law governing, or applicable to, the franchise relationship with Unit Franchisees or to the termination thereof; (c) any act or omission of a Unit Franchisee; (d) maintaining or operating vehicles; (e) your or any Unit Franchisee's being characterized as our employee or joint employee by any federal or state agency/courts; and (f) your failing to act as an independent business or paying no income, unemployment or payroll tax or file any return relating thereto, or otherwise defaulting under Section 21.2 or under any other provision in this Agreement. However, you will not have to indemnify us for any matter wholly caused directly by our gross negligence or intentional misconduct. This indemnity continues in full force and effect even after the termination or expiration of this Agreement. This indemnity covers us and our affiliates and their respective owners, officers, directors, employees, agents and representatives. WE WILL HAVE THE RIGHT TO CONTROL ALL LITIGATION AND DEFEND AND/OR SETTLE ANY CLAIM AGAINST AND/OR INCLUDING US AND/OR THE INDEMNIFIED PARTIES DESCRIBED ABOVE OR AFFECTING OUR AND/OR THEIR INTERESTS IN SUCH MANNER AS WE DEEM APPROPRIATE IN OUR BUSINESS JUDGMENT, WITHOUT AFFECTING OUR RIGHTS UNDER THIS INDEMNITY.

21.4. Legal Fees. Without limiting anything in Section 21.3, if we become a party to any legal proceedings involving this Agreement, the Franchised Business, or your act or omission relating to this Agreement or the Franchised Business, you will, on demand, reimburse us for our reasonable attorneys' fees and court costs incurred in the legal proceedings, except where such costs and fees are otherwise apportioned in Section 22 or Section 24 below.

22. MEDIATION AND ARBITRATION. You and we believe that it is important to resolve any disputes amicably, quickly, cost-effectively and professionally and to return to business as soon as possible. You and we have agreed that the provisions of this Section 22 support these mutual objectives and, therefore, agree as follows:

22.1. Dispute Process. Any disagreement, litigation, claim, dispute, suit, action, controversy or proceeding of any type whatsoever, including any claim for equitable relief between or involving you and us on whatever theory and/or facts based, and whether or not arising out of this Agreement (including any dispute or disagreement relating to arbitration, including the arbitrability of this Agreement or any of its provisions), our offer, sale or negotiation of a Jan-Pro Franchise, or the relationship of the parties or any franchisees of yours that involves any assertions about such franchisee relationship with you or us, including, but not limited to, whether it is a valid independent business/contractor relationship and whether arising from the Franchise or otherwise, from entering this Agreement, or from any claim that this Agreement or any part of this Agreement is invalid, illegal or otherwise voidable or void unenforceable (“**Dispute**”) will be processed in the following manner, you and we each expressly waiving all rights to any court proceeding, except as expressly provided below at Sections 22.7.

22.2. Mediation. Subject to Sections 22.7 and 22.9, any party seeking formal resolution of a Dispute will, before any arbitration proceeding may be filed, submit the Dispute to nonbinding mediation for a minimum of four hours before CPR under its national franchise-mediation program. If CPR cannot conduct the mediation, the Dispute may be submitted to the American Arbitration Association or any other mutually agreeable mediator. Mediation is a compromise negotiation for the purposes of the federal and state rules of evidence, and the entire process is confidential. Before any mediation, all parties will sign a confidentiality agreement reasonably satisfactory to us excepting only public disclosures and filings as are required by law. All parties must attend mediation. “**CPR**” means the CPR Dispute Resolution Services, LLC.

22.3. Arbitration. Subject to Section 22.2 and Sections 22.9, all Disputes must be submitted to binding arbitration before one arbitrator of the American Arbitration Association (or any other mutually agreeable arbitration association) in accordance with its commercial arbitration rules. You and we agree that the franchise relationship is unique and that as a result it is important that anyone who serves as a mediator or arbitrator in a Dispute, must have a minimum of seven years substantive experience in franchise law and must also be experienced, as applicable, in any other substantive claim at issue in the arbitration. The parties intend that all Disputes other than those described in Sections 22.7 and 22.9 be resolved informally by mediation, arbitration or both. Except as provided in Section 22.7 and 22.9, no party may file litigation involving any Dispute unless it has complied with the mediation and arbitration provisions in this Section regarding that Dispute. “Filing litigation” includes asserting a counterclaim, third-party claim or other claim relating to a Dispute (irrespective of whether the party asserting the claim filed the legal action in which the claim is asserted).

22.4. Authority. You and we agree that, except as provided in this Agreement, any arbitration shall be governed exclusively by and conducted in accordance with the Federal Arbitration Act (FAA), 9 U.S.C. § 1, et seq. You and we agree that we, and our relationship with you, involves and relates to interstate commerce and therefore the FAA applies to and governs this Agreement. The arbitrator, and not any federal, state or local court, shall have the sole and exclusive authority to determine the scope of this Section 22 and to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement, including any claim of fraud in the inducement or that all or any part of the Agreement is void or voidable.

However, the arbitrator’s exclusive authority as stated above shall not apply to any specific exceptions otherwise contained in this Section 22, including but not limited to the “Class Collective and Representative Action Waiver” set forth below in Section 20.11, for which the parties agree that the arbitrability of such waiver shall be decided by a court of law and not an arbitrator.

22.5. Interpretation. The provisions of this Agreement must be construed as independent of any other covenant or provision of this Agreement, and each subsection of this Section is severable form

every other subsection of this Section 22. However, if a court or arbitrator of competent jurisdiction determines that any provision of the Agreement outside of this Section, or any subsection of this Section, are unlawful, in whole or in part, such adjudication shall not affect the validity of the remainder of this Section, and such provisions shall be reformed and enforced to the maximum extent permitted by law. You and we expressly agree that the remainder of the Sections should be enforced as written with the exclusion of the invalid provision, in whole or in part, only.

22.6. Judgment. Judgment on an arbitration award may be entered in any court of competent jurisdiction. This judgment is binding, final and non-appealable.

22.7. Failure to Appear. The arbitration and mediation provisions in this Section are self-executing and remain in full force and effect after the expiration or sooner termination of this Agreement. If either party fails to appear at any properly noticed arbitration proceeding, notwithstanding failing to appear, an award may be entered against that party by default or otherwise, as permitted by applicable rules of procedure and if deemed appropriate by the arbitrator.

22.8. Mediation and Arbitration Costs. Each party bears its own costs with respect to mediation and arbitration, including any attorneys' fees. The fees for mediation and arbitration payable to the mediator or arbitrator, and their applicable agency, will be split in accordance with the applicable rules of arbitration as determined by the arbitrator selected pursuant to Section 22.3. Mediation and arbitration must take place in the county and state in which our principal office is then located, or if the mediator or arbitrator cannot conduct mediation or arbitration there, the nearest county thereto where it can.

22.9. Matters Not Requiring Mediation/Arbitration. Notwithstanding anything in this Agreement to the contrary, the obligation to mediate or arbitrate is not binding on either party with respect to any of the following matters.

22.9.1. claims relating to the Proprietary Marks (including claims relating to actions that may impair the goodwill associated with the Proprietary Marks). For the avoidance of doubt, claims that the Proprietary Marks misrepresent the nature of the business or nature of the relationship between any of the parties to a Jan-Pro franchise relationship remain subject to Mediation and Arbitration as "Disputes;"

22.9.2. claims relating to your obligations on termination or expiration of this Agreement;

22.9.3. claims relating to any Transfer of an interest in you, the Franchised Business or your assets;

22.9.4. matters involving danger, health or safety;

22.9.5. requests for restraining orders, injunctions or other procedures to obtain specific performance in a court of competent jurisdiction ; or

22.9.6. claims for which arbitration is unavailable as a matter of law.

22.10. Our Rights/Remedies. The regional developer Franchised Business is intended to be one of a large number of businesses identified by the Proprietary Marks selling to the public the products and Services (on behalf of Unit Franchisees) associated with the Proprietary Marks. Consequently, a single Regional Franchise Developer's failure to comply with the terms of its Regional Franchise Development Agreement is likely to cause irreparable damage to us, and damages at law would therefore be an inadequate remedy. On your breach or threatened breach of any of the terms concerning any matters referenced in Section 22.9, we may seek an injunction restraining the breach and/or a decree of specific performance (and

you agree that we shall be entitled to recover our reasonable attorneys' fees and costs incurred in successfully obtaining such equitable relief). We may do so without demonstrating or proving any actual damage. These equitable remedies are in addition to all other rights or remedies to which we may otherwise be entitled because of your breach of this Agreement. We may seek this relief without posting any bond or security. But if a court of competent jurisdiction requires a bond or security, you agree that a bond or security for \$1,000 will be sufficient under any circumstances of any equitable relief sought by us. Notwithstanding anything in this Agreement to the contrary, we may seek injunctive relief in any jurisdiction that has jurisdiction over you or any other party against whom the relief is sought.

22.11 Class Action Waiver. Any Dispute must be brought in the parties' individual capacity and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff or similar proceeding ("**Class, Collective or Representative Action**"). You and we expressly waive any ability to maintain any Class, Collective or Representative Action in any mediation or arbitral forum and you and we each agree to forego pursuing any Dispute on a class, collective or representative basis in any mediation or arbitral forum, such that you or we shall be entitled to seek dismissal of any class, collective, or representative claims that the other party attempts to bring and may assert this Section as a defense in any proceeding in which class, collective, or representative actions are brought. Further, an arbitration proceeding between us and you (or any of your or our affiliates and owners and guarantors, or any proceeding in which we are joined as a party in which you are also a party) may not be consolidated with any other arbitration proceeding with any other Regional Franchise Developer franchisee, person or entity. You hereby specifically agree not to seek joinder of any of your claims with those of any other party or Regional Franchise Developer, and you agree that the arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class, Collective or Representative Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator.

YOU AND WE UNDERSTAND THAT WE WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE OUR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION. HOWEVER, YOU AND WE UNDERSTAND AND CHOOSE TO WAIVE THAT RIGHT AND HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.

It's your and our joint Business Judgment that the limitations of this subsection make good business sense, because:

22.11.1 the mediation and arbitration procedures contemplated by this Agreement (and which you and we agree are the core methods for resolving disputes) function most effectively on an individual case basis;

22.11.2 there are significant business and other factors present in each individual Regional Franchise Developer's situation which should be respected; and

22.11.3 the economic interests of lawyers on either side in class-wide or multiple plaintiff dispute, as well as the tendency to polarize positions, makes accommodation and compromise, as a practical business matter, less easily achieved and which would be a serious detriment to your and our business interests, as well as those of the entire regional developer Franchise System, in quickly, amicably and economically resolving any dispute.

For purposes of this Agreement, the term "**Business Judgment**" means that you and we exercise our judgment fairly, for business reasons, and not arbitrarily. In particular, our Business Judgment as franchisor takes into account our obligations to other regions and

the franchise system as a whole even if those obligations may have negative consequences for you. This is a defined term for the purposes of this Agreement and is not intended to incorporate principles related to the application of the business judgment rule in a corporate law context.

22.12. Knowingly, Voluntarily, and With Counsel. You acknowledge that you have carefully read this Section, that you understand its terms, that all understandings and agreements between you and us relating to the subjects covered in the Section are contained in it, and that You have entered into the Section voluntarily and not in reliance on any promises or representations by Us other than those contained in this Section.

THE PARTIES ACKNOWLEDGE AND AGREE THAT BY ENTERING INTO THIS AGREEMENT REGARDING MEDIATION AND ARBITRATION, BOTH PARTIES ARE ACTING KNOWINGLY AND VOLUNTARILY AND GIVING UP THEIR RIGHTS TO BRING CLAIMS COVERED BY THIS ARBITRATION AGREEMENT IN COURT AND HAVE THEIR DISPUTES RESOLVED THROUGH TRIAL BY JURY OR JUDGE. YOU FURTHER ACKNOWLEDGE THAT YOU HAVE BEEN GIVEN THE OPPORTUNITY TO DISCUSS THIS SECTION WITH YOUR PRIVATE LEGAL COUNSEL AND HAVE AVAILED YOURSELF OF THAT OPPORTUNITY TO THE EXTENT YOU WISH TO DO SO.

23. ACKNOWLEDGMENTS AND REPRESENTATIONS

23.1. No Representations. Except as expressly provided to the contrary in this Agreement, we make no representations, warranties or guarantees on which you may rely. Nor do we assume any liability or obligation to you by providing any waiver, approval, consent or suggestion to you in connection with this Agreement; or by reason of any neglect, delay or denial of any request therefore, unless our conduct would otherwise constitute our breach of an express obligation under this Agreement.

23.2. Documents. You represent and warrant that all documents you furnish to us in connection with obtaining the regional developer Franchise, and as required in the future, have been and will be true and complete copies of these documents (including all amendments or modifications) and contain no misleading or incorrect statements or material omissions.

23.3. No Representations. Your success in owning and operating the regional developer Franchised Business is speculative and will depend on many factors. These factors include, to a large extent, your independent business ability. Except as specifically included in this Agreement, no representations or promises, express or implied, have been made by us or our employees, brokers or representatives to induce you to enter into this Agreement. No employee, officer, director, broker or representative is authorized to do so.

23.4. Representative Capacity. You acknowledge that, in all of your dealings with our owners, officers, directors, employees and representatives, these individuals act only in their representative capacity and not in an individual capacity. You acknowledge that this Agreement and all business dealings between you and these individuals as a result of this Agreement are solely between you and us. Notwithstanding the foregoing, if we engage any broker, that broker will be solely liable for its conduct with you except that we will remain liable for the broker's conduct solely to the extent of our own criminal, intentional or grossly negligent conduct in engaging the broker.

23.5. No Jurisdiction Warranty. In addition, we make no warranty as to your ability to operate the regional developer Franchised Business in the jurisdiction in which your Franchised Business will be operated. You must seek or obtain advice of counsel specifically on this issue. If legislation is enacted, a court issues a decision, or a regulation is promulgated by any governmental body that prevents you from

operating the Franchised Business, or operating the Franchised Business as you intended, we are not liable for damages, nor required to indemnify you in any manner whatsoever or to return any monies received from you.

23.6. No Assurances. You specifically acknowledge that you have not received or relied on (nor have we or anyone else provided) any statements, promises or representations that you: (a) will succeed in the Franchised Business or at any location; (b) will achieve any particular sales, retail or other pricing levels, income or other levels of performance; (c) will earn any particular amount, including any amount in excess of your Initial Franchise Fee or other payments to us; or (d) will receive any rights, goods or services not expressly set forth in this Agreement.

23.7. Performance of Your Obligations. You represent, warrant and agree that no contingency, prior requirement or otherwise (including, but not limited to, obtaining financing) exists with respect to you fully performing any or all of your obligations under this Agreement. You further represent to us, as an inducement to our entering into this Regional Franchise Development Agreement, that you have made no misrepresentations or material omissions in obtaining the Franchise.

23.8. No Reliance. You acknowledge that you have not received or relied on (nor have we or anyone else provided, except as may have been contained in the Franchise Disclosure Document received by you) information outside of Item 19 of the Franchise Disclosure Document and the Franchise Disclosure Document to make your decision. You have not received or relied on:

23.8.1 any sales, income or other projections of any kind or nature; or

23.8.2 any statements, representations, charts, calculations or other materials which stated or suggested any level or range of retail or other pricing levels, sales, income, profits or cash flow; or

23.8.3 any representations as to any profits you may realize in the operations of the Franchised Business or any working capital or other funds necessary to reach any 'break-even' or any other financial level.

23.9. Performance Results. If any such information, promises, representations and/or warranties have been provided to you, they are unauthorized and inherently unreliable. You agree to advise us of the delivery of any such information. You must not rely upon any such information, nor will we be bound by it. We do not, nor do we attempt to, predict, forecast or project future performance, revenues or profits of you or any Regional Franchise Developer. We are unable to reliably predict the performance of a Franchised Business and cannot predict results for your regional developer Franchised Business.

23.10 Evaluation of Franchise Opportunity. You understand and agree that regional developer Franchised Businesses are separate and distinct from us and are independently owned and operated and that while we strongly encourage you to speak with Owners of other regional developer Franchised Businesses in connection with your evaluation of this franchise opportunity, they do not act as our agents or representatives in providing any information to you and we will have no obligations or liabilities with respect to (and you should not rely on) any information, opinions or otherwise they may provide to you.

23.11. Acknowledgment of Understanding. You acknowledge that you have received (and that each of your Owners has received, fully read and understood, and all questions have been answered regarding): (a) a copy of our Franchise Disclosure Document with all exhibits at least 14 calendar days (or 10 business days depending on the state) before signing any binding agreement or paying any fees (whichever occurred first); and (b) a copy of this Agreement and all other agreements complete and in form

ready to sign at least five full business days, or seven full days (depending upon the state you are in or your assigned Territory) prior to signing any binding documents or paying any sums (whichever occurred first).

23.12. Terms of Agreements. You understand, acknowledge and agree that: (a) we may have offered franchises in the past, may currently be offering franchises and/or may offer franchises in the future, on economic and/or other terms, conditions and provisions which may significantly differ from those offered by this Agreement and any related documents; and (b) we can, from time to time, deal with our Regional Franchise Developers on differing economic and/or other terms (including making special arrangements for payments of amounts due, waiving defaults and/or otherwise) to suit individual business circumstances, in each case in our Business Judgment and without being required to offer similar terms to you or to other Regional Franchise Developers, such flexibility being a practical necessity to respond to distinct business situations.

23.13. No Representations. We make no representation, warranty or guaranty, express or implied, concerning any of the following matters:

23.13.1. that we will purchase any products made, produced, fabricated or modified by you using supplies or services sold to you; or

23.13.2. that you will derive income from the Franchised Business that exceeds the price paid for it; or that we will refund all or part of the purchase price for the Franchise, or repurchase any of the products, equipment or supplies we provided if you are unsatisfied with the Franchise.

23.14 Inconsistencies. You understand that we are relying on you to bring forward in writing at this time any matters inconsistent with the representations contained in this Section 23.1 – 23.13. You agree that if any of the statements or matters set forth in this Section 23.1 – 23.13, are not true, correct and complete that you will make a written statement regarding such in the space provided below so that we can address and resolve any such issue(s) at this time.

Identification of any matters inconsistent with the representations contained in Section 23.1 – 23.13:

24. GENERAL PROVISIONS

24.1. For the purposes of this Agreement:

24.1.1. “including (include)” means “including (include), without limitation”; and

24.1.2. “or,” as in “A or B,” means “A or B or both.”

24.2. Release. By signing this Agreement, you forever release and discharge us and our affiliates, our designees, franchise sales brokers, if any, and other agents, and their respective officers,

directors, representatives, employees and agents, from all claims of any kind, in law or in equity, that may exist as of the Effective Date relating to this Agreement or any other agreement between the parties, or relating in any other way to the conduct of us or our affiliates, designees, franchise sales brokers, if any, or other agents, and their respective officers, directors, representatives, employees and agents before the Effective Date, including all claims, whether presently known or unknown, suspected or unsuspected, arising under the franchise, business opportunity, securities, antitrust or other laws of the United States, any state or locality. Nothing in this release disclaims or requires you to waive reliance on any representation made in our Franchise Disclosure Document we provided to you.

24.3. Modification of Agreement. The provisions of this Agreement may be amended, supplemented, waived or changed only by a written document signed by the party as to whom enforcement of the amendment, supplement, waiver or modification is sought and making specific reference to this Agreement. This Section is subject to the terms of Sections 7.1, 19.6, and 24.4.

24.4. Modification of System. WE MAY PERIODICALLY CHANGE OR MODIFY THE SYSTEM (INCLUDING THE TYPES OF GOODS AND SERVICES OFFERED BY THE REGIONAL DEVELOPER FRANCHISED BUSINESS OR OFFERED BY YOUR UNIT FRANCHISEES). YOU WILL ACCEPT, AND ARE BOUND BY, THESE CHANGES TO AND MODIFICATIONS OF THE SYSTEM AS IF THEY WERE PART OF THIS AGREEMENT AT THE TIME IT WAS SIGNED. YOU WILL MAKE ALL EXPENDITURES AS WE REQUIRE TO TIMELY AND EXPEDITIOUSLY IMPLEMENT AND COMPLY WITH THESE CHANGES OR MODIFICATIONS.

24.5. Binding Effect. All of the terms of this Agreement, whether so expressed or not, are binding on, inure to the benefit of, and are enforceable by the parties and their respective personal representatives, legal representatives, heirs, successors and permitted assigns.

24.6. Notices. All notices, requests, demands, consents and other communications required or permitted under this Agreement must be in writing (including email communication) and must be (as elected by the person giving the notice) hand delivered by messenger or courier service, mailed (airmail if international) by registered or certified mail (postage prepaid), return receipt requested, or if to you, emailed, addressed to the appropriate party at its address stated in the Summary Page or to any other address as that party may designate by notice complying with the terms of this Section. Each notice is deemed delivered:

24.6.1. on the date delivered if by personal delivery;

24.6.2. on the date on which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities or courier service as not deliverable if mailed or couriered; or

24.6.3. on the date of transmission, with proof of delivery if by email.

24.7. Construction. The headings and subheadings in this Agreement are for convenience of reference only. They must not be considered a part of this Agreement. Nor do they limit or otherwise affect the meaning or interpretation of this Agreement.

24.8. Severability and Substitution. If any provision of this Agreement, or any other agreement entered into under this Agreement, is contrary to, prohibited by, or deemed invalid under applicable law or regulation, that provision is inapplicable and deemed omitted to the extent so contrary, prohibited, or invalid, but the remainder of this Agreement is not invalidated and must be given full force and effect so far as possible. If any provision of this Agreement may be construed in two or more ways, one of which would render the provision invalid or otherwise voidable or unenforceable and another of which would

render the provision valid and enforceable, the provision has the meaning that renders it valid and enforceable.

24.9. Waivers. The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, does not affect the right of that party to require performance of that provision or to exercise any right, power or remedy under this Agreement. A waiver by any party of any breach of any provision of this Agreement must not be construed as a waiver of any continuing or succeeding breach of that provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party of itself entitles that party to any other or further notice or demand in similar or other circumstances.

24.10. Enforcement of Agreement. If any legal action or other proceeding (other than mediation or arbitration conducted under Section 22.1 or Section 22.2) is filed for the enforcement of this Agreement in any Dispute, the successful or prevailing party or parties is entitled to recover reasonable attorneys' fees (including pre-institution and post-institution attorneys' fees), court costs and all expenses even if not taxable as court costs (including all fees, costs and expenses incident to appellate, bankruptcy and post-judgment proceedings), incurred in the action or proceeding, in addition to any other relief to which the party or parties may be entitled. If we engage legal counsel or other professionals for your failure to pay when due any monies owed under this Agreement or submit when due any reports, information or supporting records, or for any failure otherwise to comply with this Agreement, you will reimburse us on demand for all of the above-listed costs we incur, whether or not a legal action or other proceeding is initiated.

24.11. Forum. Subject to the provisions of Section 22, each of the parties irrevocably and unconditionally:

24.11.1. agrees that any suit, action or legal proceeding arising out of or relating to any Dispute must be brought only in the federal or state courts of record for the state and county where your principal office then is located;

24.11.2. consents to the jurisdiction of these courts in any suit, action or proceeding;

24.11.3. waives any objection he, she or it may have to the laying of venue of any suit, action, or proceeding in these courts; and

24.11.4. agrees that service of any court paper may be effected on each party by mail, as provided in this Agreement, or in any other manner as provided under applicable laws or court rules in the state where your principal office is then located.

24.12. Dispute Timeline. No party may file mediation, arbitration or litigation of any Dispute more than two years after the facts underlying the Dispute should reasonably have been discovered.

24.13. Rights of Parties are Cumulative. Except as otherwise provided in this Agreement, no remedy in this Agreement conferred on any party is intended to be exclusive of any other remedy. Every remedy is cumulative and is in addition to every other remedy under this Agreement or, subject to any choice of law provided in this Agreement, now or later existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power or remedy under this Agreement precludes any other or further exercise of any right, power or remedy.

24.14. Effectiveness/Counterparts. This Agreement is not effective, binding or enforceable against us until it is signed by our duly authorized officer. You are advised not to incur any expenses regarding opening the Franchised Business until you receive a final signed copy of this Agreement from

us. This Agreement may be signed in two or more counterparts, each of which is an original, but all of which together constitute the same instrument. Confirmation of signing by electronic means (email, telex, telecopy, telefax, or facsimile) is binding on any party to the confirmation.

24.15. Consent/Approval. Whenever our consent or approval is required under this Agreement, our consent is not binding on us unless the consent or approval is in writing and signed by our duly authorized officer. Our consent or approval, whenever required, may be withheld if you are in default under this Agreement. Unless this Agreement states otherwise, any time our satisfaction is required under this Agreement, our satisfaction is determined on the basis of our sole and absolute judgment.

24.16. Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) or the United States Arbitration Act (9 U.S.C. §§ 1 et seq.), this Agreement and any other agreement relating to this Agreement, and all transactions contemplated by this Agreement, and our offer, sale or negotiation of a Jan-Pro regional developer franchise or the relationship of the parties arising therefrom or from entering into this Agreement, are governed by, and must be construed and enforced under, the internal laws of the state of Georgia, without regard to its conflict-of-laws principles. NOTWITHSTANDING THE FOREGOING, ANY STATUTES IN THE FOREGOING JURISDICTION REGULATING THE OFFER OR SALE OF FRANCHISES, BUSINESS OPPORTUNITIES OR SIMILAR INTERESTS, OR GOVERNING THE RELATIONSHIP BETWEEN THE PARTIES TO THIS AGREEMENT OR BETWEEN US AND YOUR GUARANTORS AND OWNERS, IF ANY, DO NOT APPLY UNLESS THEIR RESPECTIVE JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION.

24.17. Legal Representation. Each of the parties has been or has had the opportunity to have been represented by their own counsel throughout the negotiations and at the signing of this Agreement and all the other documents signed incidental to this Agreement. Therefore, while this Agreement is effective and after its expiration or sooner termination, none of the parties may claim or assert that any provision of this Agreement or of the other documents should be construed against the drafter of the provision.

24.18. Integration. This Agreement (together with its exhibits and schedules, and all other written agreements related to this Agreement that are referenced in this Agreement) represents the entire understanding and agreement between the parties with respect to the subject matter of this Agreement, and supersedes all other negotiations, understandings and representations, if any, made by and between the parties. No representation, inducement, promise or agreement, oral or otherwise not embodied in this Agreement, its exhibits or schedules, or any other written agreement related to this Agreement and referenced in this Agreement is of any force and effect. Nothing in this Section is intended, however, to disclaim or require you to waive reliance on, any representation made in the Franchise Disclosure Document that we provided to you.

24.19. Survival. All our and your respective obligations that expressly or by their nature survive the expiration, termination or Transfer of this Agreement continue in full force and effect after its expiration or termination, including, without limitation, Sections 7, 18, 19 and 22 and Section 21.3. These obligations continue in full force and effect until they are satisfied or by their nature expire.

24.20. Extension of Performance. Neither you nor we will be liable for loss or damage, or deemed in breach of this Agreement, if the failure to perform obligations under this Agreement results from any of the following causes:

24.20.1. telecommunications and utilities interruptions (including loss of Internet and electrical service), computer malfunctions (including malfunctioning computer hardware and software and peripherals), extreme weather and climatic conditions (including hurricanes, cyclones, and flooding), transportation shortages or inadequate supply of equipment, merchandise, labor, material or energy;

- 24.20.2. compliance with any applicable law;
- 24.20.3. war, acts of terrorism, strikes, natural disaster or acts of God; or
- 24.20.4. any cause beyond our reasonable control.

Any delay in performance resulting from these causes extends the time for performance accordingly or excuses performance, in whole or in part, as may be reasonable. For the avoidance of doubt, this Exclusion of Performance section shall not apply to a party's financial inability to perform its obligations hereunder, nor does this section apply to negate or delay any payment obligation.

24.21. Joint Liability. You and your Owners and Guarantors are jointly and severally liable for your obligations under this Agreement.

24.22. Parties. Except as provided in this Section and elsewhere in this Agreement to the contrary, nothing in this Agreement, whether express or implied, confers any rights or remedies under or by reason of this Agreement on any persons (including other Regional Franchise Developers) other than the parties and their respective personal or legal representatives, heirs, successors and permitted assigns, nor does any provision give any third persons any right of subrogation or action over or against any party to this Agreement.

24.23. Right of Performance. If you default in performing any of your obligations under this Agreement, we have the right (but not the duty) to perform your obligations. If we do, you will immediately reimburse us for our actual costs of so performing. Interest accrues on all amounts due us under this Section at the Contract Interest Rate beginning on the 10th day after our demand for reimbursement.

24.24. Damages. TO THE FULLEST EXTENT PERMITTED BY LAW, THE PARTIES MUTUALLY AND WILLINGLY WAIVE ANY RIGHT TO, OR CLAIM FOR, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. ON A DISPUTE BETWEEN THE PARTIES, EACH IS LIMITED TO RECOVERING ONLY THE ACTUAL DAMAGES IT SUSTAINS.

24.25. Jury Trial Waiver. THE PARTIES MUTUALLY AND WILLINGLY WAIVE THE RIGHT TO A TRIAL BY JURY OF ALL CLAIMS MADE BETWEEN THEM WHETHER NOW EXISTING OR ARISING IN THE FUTURE, INCLUDING ALL CLAIMS, DEFENSES, COUNTERCLAIMS, CROSS CLAIMS, THIRD-PARTY CLAIMS AND INTERVENOR'S CLAIMS, WHETHER ARISING FROM OR RELATED TO THE SALE, NEGOTIATION, SIGNING OR PERFORMANCE OF THE TRANSACTIONS TO WHICH THIS AGREEMENT RELATES.

24.26. Joinder. All your Owners and their spouses must enter the Joinder stated below. By doing so, each Owner and their spouse agrees that he or she is bound by this Agreement as if he or she were the Regional Franchise Developer under this Agreement, and agrees that he or she is jointly and severally liable with the other Owners and you for all your obligations under this Agreement. Likewise, all Restricted Parties other than you and your Owners must sign the Restricted Party Joinder stated below.

24.27 Personal Information Privacy. We have the right, and you hereby consent, to us using and disclosing all personal information collected from you and your owners for any purpose connected with the System, and this Agreement and its enforcement, including providing or listing contact information for you and your owners and management employees for System communication purposes, including with landlords and other suppliers of goods or services, or prospective franchisees; posting on franchise system websites listing franchisees; in or in connection with our disclosure documents and, where applicable, prospectuses, statements of material facts and other securities filings and documents; and making reports or information received from your pertaining to the franchise, or portions thereof or extracts therefrom,

available for inspection by prospective franchisees, to substantiate information contained in our disclosure documents for prospective franchisees regarding the subject matter of such reports or information, as the same pertain to the Franchise or the System in general. We may also share such personal information where needed with our professional advisors, lenders or affiliates or under agreements with third parties relating to the Franchise or the System. We may give access to or transfer our files containing such personal information to a prospective purchaser or purchaser of the franchise system. You are responsible to obtain any required consents from your owners and management employees as may be necessary to comply with these provisions.

JOINDER – GUARANTY AND ASSUMPTION OF OBLIGATIONS

This Guaranty & Assumption of Obligations (“**Guaranty**”) is given this ____ day of _____, 20____ (the “**Effective Date**”) by (list each guarantor):

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the “**Franchise Agreement**”) dated as of the Effective Date by Jan-Pro Franchising International, Inc. (“**we**,” “**us**” or “**Franchisor**”), each of the undersigned individuals (“**Owners**”), who constitute all of the owners of a direct or indirect beneficial interest in franchisee (“**Franchisee**”), as well as their respective spouses, personally and unconditionally: (a) guarantees to Franchisor and Franchisor’s successors and assigns, for the Term of the Franchise Agreement (including, but not limited to, extensions) and afterward as provided in the Franchise Agreement, that they will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement); and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, but not limited to, the non-competition, confidentiality, transfer and arbitration requirements. Owners are the beneficial owners or spouses of the beneficial owners of all of the equity interest, membership interest, or other equity controlling interest in Franchisee and acknowledge there are benefits received and to be received by each Owner, jointly and severally, and for themselves, their heirs, legal representatives and assigns. Franchisee’s obligations under the Franchise Agreement, including the confidentiality and non-compete obligations, would be of little value to us if Franchisee’s Owners were not bound by the same requirements. Under the provisions of the Franchise Agreement, Owners are required to enter into this Guaranty as a condition to our entering into the Franchise Agreement with Franchisee.

Under the Franchise Agreement, we will provide Franchisee with specialized training, proprietary trade secrets and other confidential information (“**Confidential Information**”) relating to the establishment and operation of a Jan-Pro regional developer business. The provisions of the Franchise Agreement governing Franchisee’s non-disclosure obligations relating to our Confidential Information are hereby incorporated into this Guaranty by reference, and Owners agree to comply with each obligation as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will also be deemed Confidential Information for purposes of this Guaranty. The obligations and waivers set forth in Section 11.1 regarding audits of books and records and the disclosure of tax returns are hereby incorporated into this Guaranty and each Owner is personally bound by the obligations therein and consents to and hereby waives all applicable tax privileges.

Owners acknowledge that they could circumvent the purpose of this Guaranty by disclosing Confidential Information to an immediate family member (i.e., spouse, parent, sibling, child or grandchild). Owners also acknowledge that it would be difficult for us to prove whether Owners disclosed the Confidential Information to family members. Therefore, each Owner agrees that he or she will be presumed to have violated the terms of this Guaranty if any member of his or her immediate family uses or discloses the Confidential Information or engages in any activities that would constitute a violation of the covenants listed in the paragraphs below, if performed by Owners. However, Owners may rebut this presumption by furnishing evidence conclusively showing that Owners did not disclose the Confidential Information to the family member.

Owners acknowledge that as a participant in our system, they will receive proprietary and Confidential Information and materials, trade secrets and the unique methods, procedures and techniques which we have developed. The provisions of the Franchise Agreement governing Franchisee's restrictions on competition and solicitation both during the Term of the Franchise Agreement and following the expiration or termination of the Franchise Agreement are hereby incorporated into this Guaranty by reference, and Owners agree to comply with and perform each such covenant as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement.

The parties agree that each such covenant related to non-competition and non-solicitation will be construed as independent of any other covenant or provision of this Guaranty. If all or any portion of a covenant referenced in this Guaranty is held unreasonable or unenforceable by a court or agency having valid jurisdiction in a final decision to which we are a party, Owners agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Guaranty.

Additionally, we have the right, in our sole discretion, to unilaterally reduce the scope of all or part of any covenant referenced in this Guaranty without Owners' consent (before or after any dispute arises), effective when we give Owners written notice of this reduction. Owners agree to comply with any covenant as so modified. Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person including, but not limited to, the acceptance of any partial payment or performance or the compromise or release of any claims (including, but not limited to, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the Term of the Franchise Agreement (including, but not limited to, extensions) for so long as any performance is or might be owed under the Franchise Agreement by Franchisee or its Owners, and for so long as Franchisor has any cause of action against Franchisee or its Owners; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Franchise Agreement and, despite the Transfer of any interest in the Franchise Agreement or Franchisee, each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments or transfers.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned will be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (ii) all rights to require Franchisor to proceed against Franchisee for any payment

required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Franchisor; and (iv) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor will have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Franchise Agreement.

If Franchisor is required to enforce this Guaranty in a judicial or arbitration proceeding, and prevails in such proceeding, Franchisor will be entitled to reimbursement of its costs and expenses including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned will reimburse Franchisor for any of the above-listed costs and expenses Franchisor incurs.

Subject to the arbitration obligations and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Franchise Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be commenced in the state or federal court of general jurisdiction in the location of Franchisor's headquarters (which is currently Alpharetta, Georgia), and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of, or venue in, those courts. Nonetheless, each of the undersigned agrees that Franchisor may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he or she is domiciled.

Owners will indemnify, defend and hold harmless us, all of our affiliates, and the respective shareholders, directors, partners, employees and agents of such entities, against and from all losses, damages, costs and expenses which we or they may sustain, incur or become liable for by reason of: (a) Franchisee's failure to pay the monies payable (to us or any of our affiliates) pursuant to the Franchise Agreement, or to do and perform any other act, matter or thing required by the Franchise Agreement; or (b) any action by us to obtain performance by Franchisee of any act, matter or thing required by the Franchise Agreement.

Upon the death of an Owner, the estate of such Owner will be bound by the obligations in this Guaranty, but only for defaults and obligations hereunder existing at the time of death, and the obligations of any other Owners will continue in full force and effect.

Owners acknowledge and agree that we have granted the Franchise Agreement to Franchisee in reliance on Owners' business experience, skill, financial resources and personal character. Accordingly, Owners agree not to sell, encumber, assign, transfer, convey, pledge, merge or give away any direct or indirect interest in this Franchisee, unless Owners first comply with the sections in the Franchise Agreement regarding Transfers. Owners acknowledge and agree that any attempted Transfer of an interest in Franchisee requiring our consent under the Franchise Agreement for which our express written consent is not first obtained will be a material breach of this Guaranty and the Franchise Agreement.

Any notices given under this Guaranty shall be in writing and delivered in accordance with the provisions of the Franchise Agreement. Our current address for all communications under this Guaranty is:

Jan-Pro Franchising International, Inc.
2520 Northwinds Parkway, Suite 375
Alpharetta, GA 30009

The current address of each Owner for all communications under this Guaranty is designated on the signature page of this Guaranty. Any party may designate a new address for notices by giving written notice to the other parties of the new address according to the method set forth in the Franchise Agreement.

This Guaranty constitutes the entire, full and complete agreement between the parties with regard to the guaranty and related obligations under this Guaranty and supersedes any earlier or contemporaneous negotiations, discussions, understandings or agreements. There are no representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by this Guaranty, other than those in this Guaranty. No other obligations, restrictions or duties that contradict or are inconsistent with the express terms of this Guaranty may be implied into this Guaranty. Except for unilateral reduction of the scope of the covenants permitted in this Guaranty (or as otherwise expressly provided in this Guaranty), no amendment, change or variance from this Guaranty will be binding on either party unless it is mutually agreed to by the parties and executed in writing. Time is of the essence.

Each provision of this Guaranty, and any portions thereof, will be considered severable. If any provision of this Guaranty or the application of any provision to any person, property or circumstances is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Guaranty will be unaffected and will still remain in full force and effect. The parties agree that the provision found to be invalid or unenforceable will be modified to the extent necessary to make it valid and enforceable, consistent as much as possible with the original intent of the parties (i.e., to provide maximum protection for us and to effectuate the Owners' obligations under the Franchise Agreement), and the parties agree to be bound by the modified provisions.

Nothing in this Guaranty is intended to confer upon any person or entity (other than the parties and their heirs, successors and assigns) any rights or remedies under or by reason of this Guaranty.

Any term defined in the Franchise Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation

This Guaranty may be executed in counterparts, and each copy so executed and delivered will be deemed an original. This Guaranty is binding on the parties and their respective heirs, executors, administrators, personal representatives, successors and (permitted) assigns.

References to “Franchisor” or “the undersigned” or “you” or “Owner” include the respective parties’ heirs, successors, assigns or transferees.

Our failure to insist upon strict compliance with any provision of this Guaranty shall not be a waiver of our right to do so. Delay or omission by us respecting any breach or default shall not affect our rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative.

You agree that fulfillment of any and all of our obligations written in the Franchise Agreement or this Guaranty, or based on any oral communications which may be ruled to be binding in a court of law, shall be our sole responsibility and none of our owners, officers, agents, representatives, nor any individuals associated with us shall be personally liable to you for any reason.

In the event of any discrepancy between this Guaranty and the Franchise Agreement, this Guaranty shall control.

Defined terms in this Promissory Note have the same meanings as in the Regional Franchise Development Agreement.

2. Guarantees. Payment and performance of Maker’s obligations under this Promissory Note are secured by the personal guarantees by _____ (“**Guarantor(s)**”) under the terms of their Guarantees of today’s date in favor of Holder (collectively the “**Guarantees**”).

3. Prepayment. Maker may prepay this Promissory Note, at Maker’s option, in whole or in part, without premium or penalty.

4. Application of Payments. Each payment on this Promissory Note (whether made when due or otherwise) will first be credited against any interest then due under this Promissory Note, and the remainder of the payment will be credited against the unpaid principal.

5. Default and Acceleration. If one or more of the following events occur (an “**Event of Default**”):

a. If Maker defaults in any payment due under this Promissory Note, whether at maturity, on acceleration or otherwise, or in Maker’s performance of any other covenant or condition to be observed or performed under this Promissory Note and the default continues for ten days after Holder gives written notice of the default to Maker; or

b. If Maker or Guarantors default under their respective obligations under the Regional Franchise Development Agreement or the Guarantees and the default continues beyond the cure period(s) provided for in the agreements or instruments after Holder gives written notice of the default to Maker and/or Guarantors; or

c. If Maker sells, exchanges, transfers or disposes of all or substantially all of Maker's assets or Maker's shares of common stock or membership interests without Holder's prior written consent; or

d. If a judgment or court order for the payment of money is entered against Maker or Guarantors for a risk not covered by Maker's or Guarantors' insurance by any court of competent jurisdiction, or a warrant of attachment or execution or similar process is issued or levied against Maker's or Guarantors' property, which in total exceeds \$50,000 in value; or

e. If Maker or Guarantors: (i) apply for or consent to the appointment of, or taking possession by, a receiver, custodian, trustee, liquidate or similar official of themselves or of all or a substantial part of their property; (ii) make a general assignment for the benefit of creditors; (iii) file a voluntary case under the Federal Bankruptcy Code (as now or later in effect); (iv) file any case or proceeding under any law on bankruptcy, insolvency, reorganization, winding-up or composition or adjustment of debts, or any other law providing for the relief of debtors; (v) acquiesce in writing to any petition filed against Maker or Guarantors in an involuntary case under the Federal Bankruptcy Code or other law; (vi) take any action under the laws of their jurisdiction of incorporation or organization similar to any of the foregoing; or (vii) admit their insolvency or inability to pay their debts as they become due; or

f. If a proceeding or case is filed, without Maker's or Guarantors' application or consent, in any court of competent jurisdiction seeking the liquidation, reorganization, dissolution, winding up or composition or readjustment of debts; the appointment of a trustee, receiver, custodian, liquidator or the like of Maker or Guarantors or of all or any substantial part of Maker's or Guarantors' assets; or similar relief against Maker or Guarantors under any law on bankruptcy, insolvency, reorganization, winding-up or composition or adjustment of debts or any other law providing for the relief of debtors, or if an order for relief is entered in an involuntary case under the Federal Bankruptcy Code against Maker or Guarantors or if an action under the laws of the jurisdiction of incorporation or organization of Maker similar to any of the foregoing is taken against Maker or Guarantors;

THEN

on an Event of Default under Sections 5.c., 5.d., 5.e. or 5.f. above, automatically, and, on an Event of Default under Sections 5.a. or 5.b., on Holder's election following the expiration of the ten-day or other applicable cure period(s), the entire principal balance of this Promissory Note, and all accrued interest, without further demand, will immediately become due and payable. In addition, any event of default under the Regional Franchise Development Agreement and/or the Guarantees is a default under this Promissory Note and entitles Holder to resort to the remedies provided for in any or all of these agreements and instruments. If Maker defaults in the payment of any principal or interest when due, interest will accrue on the unpaid principal from the default until paid in full at the maximum rate permitted by law.

6. Waiver. Holder's delay or omission in exercising any right under this Promissory Note will not operate as a waiver of that right.

7. Attorneys' Fees. If Holder brings any action, suit, counterclaim or appeal for any relief against Maker, declaratory or otherwise, to enforce this Promissory Note or to declare rights under this Promissory Note and prevails in the action, suit, counterclaim or appeal, Holder may recover as part of the action its reasonable attorneys' fees and costs, including any fees and costs in bringing and prosecuting the action and/or enforcing any order, judgment, ruling or award granted as part of the action.

8. Severability. Every provision of this Promissory Note is severable. If any term in this Promissory Note is declared by a court of competent jurisdiction or an arbitrator to be illegal or invalid, the

illegality or invalidity will not affect the balance of this Promissory Note, which will remain binding and enforceable.

9. Amendment and Waiver. This Promissory Note may not be modified or amended, and the observance of any term of this Promissory Note may not be waived (either generally or in a particular instance and either retroactively or prospectively), without Holders' prior written consent.

10. Rights, Powers, Privileges and Remedies. Holder's delay or omission in exercising any right under this Promissory Note will not operate as a waiver of that right, nor will Holder's waiver or omission of any right, power or privilege under this Promissory Note operate as a waiver of any other right, power or privilege under this Promissory Note nor will any single or partial exercise of any right under this Promissory Note preclude any other or further exercise of that right or exercise of any other right, power or privilege under this Promissory Note. All remedies, either under this Promissory Note or at law or otherwise afforded to Holder, are cumulative.

11. Notices. All notices, requests, demands, consents and other communications required or permitted under this Promissory Note must be in writing (including email communication) and must be (as elected by the person giving the notice) hand delivered by messenger or courier service, mailed (airmail if international) by registered or certified mail (postage prepaid), return receipt requested, or if to you, emailed, addressed to the appropriate party at its address stated in the Summary Page or to any other address as that party may designate by notice complying with the terms of this Section. 13. Titles. Titles at the beginning of each numbered Section of this Promissory Note are intended solely for convenience and are not to be deemed or construed to be a part of this Promissory Note.

14. Authority. Maker represents and warrants that the individuals signing this Promissory Note are duly authorized to do so and that Maker has the power and authority to enter into, sign and deliver this Promissory Note and to perform Maker's obligations under this Promissory Note without the approval or consent of any other person or entity.

16. Applicable Law And Venue. Section 22 and Sections 24.10, 24.11, and 24.16 of the Regional Franchise Development Agreement are incorporated in this Promissory Note by reference as if Maker is the Regional Franchise Developer referenced therein. We have audited the accompanying financial statements of Jan-Pro Franchising International, Inc. (the "Company"), which comprise the balance sheets as of September 30, 2024, 2023, and 2022, and the related statements of operations, member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of September 30, 2024, 2023 and 2022, and the results of its operations and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date of this report.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matters

As discussed in Notes 2, 6, and 8, the Company has significant transactions with related parties.

**JAN-PRO FRANCHISING INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024, 2023, AND 2022**

NOTE 1 – DESCRIPTION OF BUSINESS

Jan-Pro Franchising International, Inc. d/b/a Jan-Pro Franchising Systems International, Inc. (the “Company”) is a wholly owned subsidiary of Empower Brands Franchising, LLC (“Empower”). Empower is a wholly owned subsidiary of MidOcean BCAT Holdings, Inc. (“BCAT”).

The Company is engaged in the business of selling and supporting regional franchise developers (“RFD”) in the United States of America and Canada, as well as providing new business services to these franchisees, who are in turned focused on acquiring customers, selling unit franchise packages and supporting their unit’s growth.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company follows accounting standards set by the Financial Accounting Standards Board (“FASB”). The FASB sets accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications have been made to the 2023 and 2022 financial statements to conform to the current year presentation.

New Accounting Policy

During 2024, the Company adopted the requirements of Accounting Standards Update (ASU) 2016-13, Financial Instruments - Credit Losses (ASC 326). This ASU introduces a "current expected credit loss" ("CECL") model which requires all expected credit losses for financial instruments held at the reporting date to be based on historical experience, current conditions, and reasonable supportable forecasts. The CECL model replaces the existing incurred loss method and is applicable to the measurement of credit losses of financial assets. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in ASC 326 were trade accounts receivable. There was no material impact to the financial statements or footnotes upon adoption of this new accounting policy.

Intangible Assets

The Company’s RFD franchise agreements, internally developed software, trademarks, non-compete agreements and goodwill were assigned fair values based upon appraisals obtained as part of recapitalizations. The value associated with the RFD franchise agreements, trademarks and non-compete agreements are being amortized on a straight-line basis over 5-25 years.

JAN-PRO FRANCHISING INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024, 2023, AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Intangible Assets (Continued)

Additionally, the Company capitalizes certain costs incurred in connection with developing or obtaining internal-use software. Capitalized costs include direct external costs, internal payroll, and payroll-related costs for employees who are directly associated with and devote time to the project. Costs incurred during the preliminary project stage, as well as costs for maintenance and training, are expensed as incurred. Capitalization begins when the preliminary project stage is complete, management authorizes and commits to funding the project, it is probable that the project will be completed, and the software will be used for its intended functions. Capitalization ceases when the project is substantially complete and ready for its intended use. These items are being amortized on a straight-line basis over 3-5 years.

The Company periodically evaluates whether changes have occurred that would require revision of the remaining estimated useful life of the RFD financing agreements, trademarks and non-compete agreements as well as whether changes have occurred to determine if all intangible assets are recoverable.

Goodwill is not amortized, but is tested for impairment using a fair value approach. If the fair value of the reporting unit is less than its carrying value, or if the fair value of the goodwill has been diminished, an impairment loss would be recorded to the extent of that difference.

The Company tests for impairment as of September 30 annually. Goodwill will be tested for impairment between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying value or diminish the fair value of the goodwill. Management believes there has been no impairment of intangible assets during 2024, 2023, or 2022.

Property and Equipment

Property and equipment are recorded at cost. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. The cost and accumulated depreciation for property and equipment sold, retired, or otherwise disposed of are relieved from the accounts, and resulting gains and losses are recognized currently. Minor maintenance, repairs, and renewals are expensed as incurred.

Revenue Recognition

Revenues for the Company are disaggregated into the following revenue streams:

Franchise Fees

The Company sells franchises which grant RFD's a right to operate within a designated territory. These franchises are conveyed through a Franchise Agreement.

The sale of the franchises is reflected within Franchise Fees in the accompanying statements of operations. Franchise fees (including renewal and transfer fees) range from \$50,000 to \$600,000.

Following execution of the Franchise Agreement, the Company agrees to provide certain initial services, including advertising material, manuals and training aids, and three weeks of training and on-site assistance. The right to operate within the territory represents the Company fulfilling its performance obligation over the Franchise Agreement. Accordingly, revenues are recognized on a straight-line basis, beginning upon grand opening of their location, over the term of the Franchise Agreement, which is 15 years. The contract liability "deferred revenue on franchise fees" represents franchise fees for franchisees that are being deferred over the remaining term of the Franchise Agreement.

As further discussed in Note 3, the Company finances the sale of RFD Franchise Agreements.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024, 2023, AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Royalties and Advertising Fund Revenues

The Company collects royalties and advertising fund contributions ranging from 3% to 4% of a franchisee's monthly revenues. Royalties and advertising fund contributions are considered variable consideration. GAAP requires variable consideration that is to be recognized over the term of the franchise agreement to be estimated at the inception of the Franchise Agreement. Deferred revenue and a receivable would normally be recognized at the inception of the Franchise Agreement based on this estimate; however, given the nature of the business, the constraints associated with estimating these fees cannot be overcome in order to determine an estimate of the variable consideration that would not be likely to result in a significant reversal. Accordingly, as allowed by GAAP, these fees are recognized in the month in which services are performed for customers.

Ancillary Revenues

Ancillary revenues consist of various fees and charges that supplement the Company's primary sources of income. These fees include training fees, technology fees, rebate payments, and other miscellaneous fees and charges. The Company receives rebate payments from certain suppliers based on the aggregate purchases made by certain regional developers and unit franchisees from these suppliers. The rebate agreements are structured around achieving specific purchase volume targets by our network of franchisees. As these rebates are not directly linked to the Company's inventory or specific expenses, they have been classified as revenues in the consolidated financial statements. The Company recognizes rebate income when it is reasonably assured of receiving payment and the related performance conditions, as stipulated in the supplier agreements, have been satisfied. All other ancillary revenues are recognized when the services are rendered, and the fees are contractually due.

Risks and Uncertainties

The Company grants credit to its RFD franchisees in the form of notes receivable secured by personal guarantees of the owners of the RFD franchise. At September 30, 2024, 2023, and 2022, the Company had five, seven, and twelve RFD franchisee notes receivable totaling \$156,830, \$222,736, and \$252,622, respectively (See Note 3). The Company routinely assesses the financial strength of its franchises, and as a consequence, believes its receivable credit risk exposure is limited. Therefore, the Company has not deemed allowance for collection of receivables necessary at September 30, 2024, 2023, and 2022.

The Company maintains cash balances at financial institutions that, at times are in excess of federally insured limits. The Company performs periodic evaluations of the relative credit standing of those financial institutions that are considered in the Company's cash management strategy. If liquidity issues arise in the global credit and capital markets, it is at least reasonably possible that these changes in risks could materially affect the amounts reported in the accompanying financial statements.

Income Taxes

The Company does not file a separate United States federal income tax return. Its results of operations for the years ending September 30, 2024, 2023, and 2022 are included in the consolidated returns of BCAT. The Company records its share of the consolidated federal and state income tax expense on a separate return basis and any consolidated income tax refundable or payable is included in the due to/from affiliated companies, and, accordingly, satisfied immediately via intercompany.

JAN-PRO FRANCHISING INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024, 2023, AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The Company accounts for income taxes in accordance with GAAP. This prescribes the use of the liability method whereby deferred tax asset and liability account balances are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted rates and laws that will be in effect when the differences are expected to reverse. The Company provides a valuation allowance, if necessary, to reduce deferred tax assets to their estimated realizable value.

The Company accounts for uncertainty in income taxes by prescribing the minimum recognition threshold a tax position is required to meet before being recognized in the financial statements. The Company utilizes a two-step approach for evaluating tax positions. Recognition occurs when the Company concludes that a tax position, based solely on its technical merits, is more likely than not to be sustained upon examination. Measurement is only addressed if recognition has been satisfied. Under measurement, the tax benefit is measured at the largest amount of benefit, determined on a cumulative probability basis that is more likely than not to be realized upon final settlement. The term "more likely than not" is interpreted to mean that the likelihood of occurrence is greater than 50%. The Company recognizes penalties and interest accrued related to unrecognized tax benefits in income tax expense. At September 30, 2024, the Company has no unrecognized tax benefits, and there have been no significant income tax related penalties or interest recognized in 2024, 2023 or 2022.

The Company files income tax returns in the United States federal and various state tax jurisdictions. In the normal course of business, the Company is subject to examination by the federal and state taxing authorities. In general, the Company is no longer subject to tax examinations for tax years ending before September 30, 2021.

NOTE 3 – FRANCHISE SALES AND NOTES RECEIVABLE

At September 30, 2024, the Company is financing the sales of five franchises to the purchasers. The notes receivable at September 30, 2024, 2023; and 2022 contain interest rates up to 11.8% and mature at various dates through 2029. Outstanding principal balances under the notes receivable are scheduled to mature for the years ending September 30 as follows:

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024, 2023, AND 2022

NOTE 8 – COMMITMENTS AND CONTINGENCIES

Operating Leases

The Company operates within office space maintained by Empower. Prior to October 1, 2022, the Company's financial statements contained the entirety of the rental expense that is now maintained by Empower. Effective October 1, 2022, Empower adopted Accounting Standards Update 2016-02, *Leases* – the adoption of this new lease standard did not impact the Company as the associated right of use asset and lease liability are reflected within the consolidated financial statements of Empower.

There was no rent expense allocated to the Company for the years ended September 30, 2024 and 2023. Rent expense allocated to the Company approximated \$292,000 for the year ending September 30, 2022.

Legal Settlement

Certain legal actions, proceedings, and claims were asserted against the Company. The Company's policy is to accrue a liability if an unfavorable outcome is probable, and the amount can be reasonably estimated. Based upon past available information, it was the opinion of management and outside counsel that an accrual as of September 30, 2023 of \$30,000,000 be recorded for the preliminary motion of settlement approved by the court. The liability was settled during the year ended September 30, 2024 for the approved amount.

NOTE 9 – RETIREMENT PLAN

The Company has a salary deferral plan under Section 401(k) of the Internal Revenue Code. The plan allows eligible employees to defer a portion of their compensation ranging from 1% to 15%. Such deferrals accumulate on a tax-deferred basis until the employee withdraws the funds. The Company, at its option, may match a portion of the employees' contribution. The Company made contributions of \$53,635, \$111,829 and \$190,592 during the years ended September 30, 2024, 2023, and 2022, respectively.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 8, 2025, the date of this report, the date the financial statements were available to be issued.

THESE FINANCIAL STATEMENTS ARE PREPARED WITHOUT AN AUDIT. PROSPECTIVE FRANCHISEES OR SELLERS OF FRANCHISES SHOULD BE ADVISED THAT NO CERTIFIED PUBLIC ACCOUNTANT HAD AUDITED THESE FIGURES OR EXPRESSED HIS/HER OPINION WITH REGARD TO THE CONTENT OR FORM.

MINNESOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

State Cover Page and Item 17, Additional Disclosures:

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside of Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document shall abrogate or reduce any of your rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required.

Item 6, Additional Disclosure:

NSF checks are governed by Minn. Stat. 604.113, which puts a cap of \$30 on service charges.

Item 13, Additional Disclosures:

The Minnesota Department of Commerce requires that a franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the franchisor's trademark infringes upon the trademark rights of the third party. The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the franchise agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. If the franchisor accepts tender of defense, the franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

As required by the Minnesota Franchise Act, Minn. Stat. Sec. 80C.12(g), we protect your right to use the JAN-PRO Proprietary Mark or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the JAN-PRO Proprietary Mark, if you were using it in the manner we authorized, and if we are timely notified of the claim and given the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

Item 17, Additional Disclosures:

Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of the State of Minnesota or in the case of a partnership or corporation, organized or incorporated under the laws of the State of Minnesota, or purporting to bind a person acquiring any franchise to be operated in the State of Minnesota to waive compliance or which has the effect of waiving compliance with any provision of the Minnesota Franchise Law is void.

We will comply with Minn. Stat. Sec. 80C.14, subs. 3, 4 and 5, which requires, except in certain specified cases, that a franchisee be given 90-days' notice of termination (with 60 days to cure), 180-days' notice for nonrenewal of the Franchise Agreement, and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Rule 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation or waiver as a condition of purchasing the franchise that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

The limitations of claims section must comply with Minn. Stat. Sec. 80C.17, subd. 5.

Minn. Stat. §80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of Minnesota.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

MINNESOTA ADDENDUM TO FRANCHISE AGREEMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

1. Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

a. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchisee be given 180-days' notice for non-renewal of this Franchise Agreement.

b. The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark, but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

c. Franchisee will not be required to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

d. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90-days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

e. According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

f. Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

g. The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

h. Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

i. The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

j. Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

Item 17, Additional Disclosure:

The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel.

Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington...RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

b. In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

c. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

d. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

e. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

f. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date Franchisor signs below.

JAN-PRO SAMPLE APPROVED FORM OF CONFIDENTIALITY AGREEMENT

This Confidentiality Agreement (“Confidentiality Agreement”) is dated _____, 20 _____. The parties are [**Name of Regional Franchise Developer**] (referred to as “we,” “us,” and “our”), located at [Address], and [**Name of Employee**] (referred to as “you” and “your”). You are signing this Agreement in consideration of, and as a condition to, your association with us and the compensation, dividends or other payments and benefits you will receive from us.

BACKGROUND

We are a Regional Franchise Developer of **Jan-Pro Franchising International, Inc.** (“Jan-Pro”) under a Jan-Pro Regional Franchise Development Agreement dated [Date] (the “RFD Agreement”). We have a license to use certain trademarks Jan-Pro designates (the “Marks”), certain policies and procedures used in Jan-Pro regional franchise developer businesses (the “System”), and the Confidential Information Jan-Pro developed and owns in our Jan-Pro regional franchise developer business (the “RFD Franchise”). Jan-Pro recognizes that, for us to operate our business, our employees must have access to certain confidential information and trade secrets Jan-Pro owns. Disclosure of this confidential information and trade secrets to unauthorized persons, or its use for any purpose other than the operation of our business, would harm Jan-Pro, other franchise owners, and us. Accordingly, Jan-Pro requires us to have you to sign this Confidentiality Agreement.

AGREEMENT

1. Confidential Information. As used in this Agreement, “Confidential Information” means all manuals, trade secrets, know-how, methods, Certification materials, information, management procedures, and marketing and pricing techniques relating to the RFD Franchise, the Jan-Pro System, or Jan-Pro’s business. In addition, Confidential Information includes all marketing plans, advertising plans, business plans, financial information, member information, employee information, and other confidential information of Jan-Pro, Jan-Pro’s affiliates, or us (collectively, the “Interested Parties”) that you obtain during your association with us.

2. Nondisclosure. You agree not to use or disclose, or permit anyone else to use or disclose, any Confidential Information to anyone outside of our organization (other than the Interested Parties) and not to use any Confidential Information for any purpose except to carry out your duties as our employee. You also agree not to claim any ownership in or rights to Confidential Information, and not to challenge or contest our, Jan-Pro’s, or Jan-Pro’s affiliates’ ownership of it. These obligations apply both during and after your association with us.

3. Return of Confidential Information. If your association with us ends, you must return to us all records described in Section 1, all other Confidential Information, and any authorized or unauthorized copies of Confidential Information you may have in your possession or control. You may not retain any Confidential Information after your association with us ends.

4. Noncompete During Association. You may not, during your association with us, without our prior written consent:

(a) own, manage, engage in, be employed by, advise, make loans to, or have any other interest in any business that: (i) operates; (ii) licenses others to grant franchises to operate; or (iii) licenses others to operate, businesses that provide cleaning and/or disinfecting or sanitizing services (in any

location), and/or provides product sales, equipment leases or maintenance services (“Competitive Business”);

(b) divert or attempt to divert any business or customer or potential business or customer of the RFD Franchisee’s Unit Franchisees to any Competitive Business, by direct or indirect inducement or otherwise; perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System; use any vendor relationship established through your association with us for any purpose other than to purchase products for use or retail sale in the RFD Franchise; or directly or indirectly solicit for employment any person who at any time within the immediate past 12 months has been employed by: (i) us; (ii) Jan-Pro; (iii) our or Jan-Pro’s affiliates; or (iv) any Jan-Pro franchisee.

5. Noncompete after Association Ends. For two years after your association with us ends, you may not, without our prior written consent:

(a) directly or indirectly own, manage, engage in, be employed by, advise, make loans to, or have any other interest in any Competitive Business that is (or is intended to be) within the Territory of our RFD Franchise;

(b) directly or indirectly solicit any individual or company that has been a customer of our RFD Franchisee’s Unit Franchisees within one year before the date you left our business, for the purpose of inducing that person or company to become a customer of any Competitive Business; or

(c) directly or indirectly solicit for employment any person who at any time within the immediate past 12 months has been employed by: (i) us; (ii) Jan-Pro; (iii) our or Jan-Pro’s affiliates; or (iv) any Jan-Pro franchisee.

6. Remedies. If you breach or threaten to breach this Confidentiality Agreement, you agree that we will be entitled to injunctive relief (without posting bond) and to sue for damages.

7. Severability. If any part of this Agreement is declared invalid, the invalidity will not affect the remaining provisions of this Agreement. If a court finds any provision of this Agreement to be unreasonable or unenforceable you agree that the court can modify the provision to make it enforceable and that you will abide by the provision as modified.

8. Independent Agreement. This Confidentiality Agreement is independent of any other obligations between you and us. This means it is enforceable even if you claim we breached any other agreement, understanding, commitment or promise.

9. Third Party Right of Enforcement. You are signing this Confidentiality Agreement not only for our benefit, but also for the benefit of Jan-Pro and Jan-Pro’s affiliates. We, Jan-Pro, and Jan-Pro’s affiliates may enforce this Confidentiality Agreement directly against you.

10. Not an Employment Agreement. This is not an employment agreement. Nothing in this Agreement creates or should be taken as evidence of an agreement or understanding by us, express or implied, to continue your association with us for any length of time.

11. Modification and Waiver. Your obligations under this Confidentiality Agreement cannot be waived or modified except in writing.

12. **Governing Law.** This Confidentiality Agreement is governed by the laws of the state in which our principal office is located.

13. **Attorney's Fees.** If we have to take legal action to enforce this Confidentiality Agreement, we can recover from you all of our costs, including reasonable attorneys' fees, to the extent we prevail on the merits.

UNIT FRANCHISE AGREEMENT

This Unit Franchise Agreement (the “**Agreement**”) is made as of the effective date stated on the Summary Page (“**Effective Date**”) between [insert your complete legal name] (doing business as Jan-Pro Franchise Development of [insert your d/b/a]), a(n) [insert your state of formation] [insert your type of business entity] (“**we**,” “**us**” or “**our**”) and the person or corporation or limited liability company (an “**Entity**”) identified on the Summary Page as Franchisee (“**you**” or “**your**”).

A. We are the Regional Franchise Developer under a Regional Franchise Development Agreement with Jan-Pro Franchising International, Inc. (“**JPI**”) within the territory identified on the Summary Page (“**Territory**”).

B. We grant and support unit franchises for independent businesses that offer janitorial and related services (the “**Franchise**”) under the Jan-Pro Cleaning & Disinfecting system of brand specifications and operating procedures (the “**System**”), and the service mark JAN-PRO CLEANING & DISINFECTING™ (the “**Proprietary Marks**”). The System and Manuals do not include any employment policies, procedures or samples that we make available for your optional use.

C. You want to purchase a Franchise from us to operate your business under the System and the Proprietary Marks.

D. We accept you as a franchisee under the terms of this Agreement.

You and we agree:

1. GRANT OF FRANCHISE

1.1 We grant you a Franchise to use the System and the Proprietary Marks under the terms of this Agreement. Your Franchise will provide janitorial and related services for one or more customer accounts that you own in the Territory (“**Accounts**”). Accounts include Additional Accounts as defined in Section 4.1, Supplemental Accounts as defined in Section 5.1.1, and Negotiated Contracts as defined in Section 5.2.1. You agree to operate your Franchise under this Agreement. You agree that you will not perform janitorial and related services under the Proprietary Marks either outside of the Territory or outside of this Agreement.

1.2 For your Initial Plan identified on the Summary Page, you have contracted with us for the purchase of one or more Accounts in the Territory (“**Initial Plan Accounts**”) that are estimated to generate the Account Gross Billings (as defined below in this Section) that are stated on the Summary Page. We will offer these Initial Plan Accounts within the number of business days stated on the Summary Page after the Start Date (as defined below in this Article) to fulfill your purchase of Accounts as part of your Initial Plan.

1.2.1 “**Account Gross Billings**” are the total estimated annual service revenues from any Account or Accounts we provide to you.

1.2.2 The “Start Date” is the date on which you have: (a) entered into this Agreement (and each owner of the business entity has signed the Guaranty agreement); (b) obtained all licenses and permits required by law to operate your Franchise; (c) obtained your initial equipment and supplies; (d) obtained the required insurance (described in Article 14); (e) successfully completed our Certification Program (defined in Section 7.1); and (f) fulfilled any other reasonable conditions that we require. We will not offer you Accounts until you complete these items.

1.2.3 We may extend the time within which we must offer the Initial Plan if:

1.2.3.1 any of your Accounts cancels due to your Misconduct (as defined below). We may require you to prove that you understand the brand standards which are set forth in the System’s procedures and requirements, either by completing our workshop or by other reasonable means. In this case, the time for us to offer the Initial Plan is extended until you prove your understanding to our satisfaction.

1.2.3.2 you default under any term of this Agreement or any other agreement with us. In this case, the time for us to offer the Initial Plan is extended until you cure your defaults to our reasonable satisfaction.

“Misconduct” means any conduct by you or your employees or contractors that damages the goodwill of the brand, including, but not limited to: faulty workmanship, fraud, theft, dishonesty, providing services in a manner reasonably unsatisfactory to one or more of your customers, engaging in unlawful activity on a customer’s premises, bringing non-employees (or non-contractors) onto your customers’ premises (such as children), or otherwise defaulting under this Agreement or the service contract with your customer.

We do not represent or guaranty that any Accounts will be profitable or that the Account Gross Billings initially estimated will be the actual Account Gross Billings you receive. You agree that the profitability of your Franchise depends on many factors, such as the efficiency and skill of your workforce and your business ability to manage your expenses and day-to-day operations.

1.3 When you accept an Account, you own that Account. Your Accounts remain your property unless repossessed or transferred as provided in this Agreement or by operation of the terms of the Account contract. You may review each Account offered and choose whether you want that Account. You may reject any Account or stop servicing any Account. If you reject an Account offered under your Initial Plan, or stop servicing an Account offered under your Initial Plan due to your customer’s nonpayment, we will replace the value of that Account, but not

necessarily within the original time period under your Initial Plan. In this case, we will replace the value of that Account within a reasonable time period.

1.4 If, within the first year after you accept an Account, the Account is terminated for other than your documented Misconduct, or if you stop servicing your customer due to the customer's nonpayment (a "**Terminated Account**"), we will not refund the Initial Franchise Fee (as defined below in Section 3) you paid, but we will, within a reasonable time period, offer a replacement Account(s) as follows:

1.4.1 We can offer replacement Accounts that are equal to, or more than, the full Account Gross Billings of the Terminated Account. In this case, our replacement obligation ends 12 months from *the Terminated Account's start date*; or

1.4.2 We can offer replacement Accounts that are equal to, or more than, the remaining Account Gross Billings of a Terminated Account that was a replacement Account. In this case, our replacement obligation ends 12 months from the *replacement Account start date*.

If an Initial Plan Account has Account Gross Billings that are greater than the amount required to be offered under the Initial Plan, or a replacement Account offered under Section 1.4 has Account Gross Billings that are greater than the Terminated Account, you must pay us a Sales and Marketing Fee (as defined below in Article 4) for the excess value as provided in Article 4.

1.5 If your customer terminates your services at any time after one year from the date you begin providing services for that Account, we are not obligated to refund any portion of the Initial Franchise Fee or to replace that Account for any reason.

1.6 If you have elected *not* to contract with us for the purchase of one or more Accounts in the Territory, you must contract with and begin servicing at least one Self-Acquired Account within [____] business days after the Start Date. "**Self-Acquired Accounts**" are customer accounts we have not offered to you, or that you procured without our assistance, but that you are servicing under the Proprietary Marks. The Self-Acquired Accounts will remain your property unless repossessed or transferred under this Agreement or by operation of the terms of the Self-Acquired Account contract.

2. INITIAL AND RENEWAL TERMS

Term of Agreement: This Agreement is for a(n):

- Initial Term
- Renewal Term No. ____

2.1 The initial term of this Agreement (the "**Initial Term**") expires five years after the Effective Date. "**Term**" means the Initial Term and any Renewal Term.

2.2 You may renew your franchise two times for five years each (each, a “**Renewal Term**”). You may do so only by satisfying all of the following conditions:

2.2.1 you deliver written notice to us at least six months, but not more than 12 months, before the Term expires;

2.2.2 you have been in compliance with this Agreement, the Operation Manual (as defined in Section 12.1) and all other agreements between you and us or our affiliates, or if any defaults have occurred, the defaults have been resolved to our satisfaction;

2.2.3 you make all payments you owe to us and our affiliates (including under any promissory note or other indebtedness);

2.2.4 you sign our new form of unit franchise agreement and all related agreements for the Renewal Term, and this new unit franchise agreement may have materially different terms and conditions, such as a greater Royalty Fee (as defined below in Article 5), Support Fee (as defined below in Article 5), Advertising Fee (as defined below in Article 5), Administrative Fee (as defined below in Article 5), and Negotiation Fee (as defined below in Article 5), etc. from this Agreement;

2.2.5 you meet our then-current requirements for new franchisees, and you attend, or one of your officers or managerial personnel attend, any required orientation, workshop, or similar class;

2.2.6 you pay us a Renewal Fee of \$750 (the “**Renewal Fee**”) prior to the start of the Renewal Term; and

2.2.7 you sign a general release (in form and substance satisfactory to us and JPI) of all claims against us, our affiliates, and JPI, its affiliates, and our and their respective officers, directors, owners, agents and employees.

2.3 At the end of the second Renewal Term, we may elect to offer a successor franchise agreement. The successor franchise agreement is not a renewal and may (and probably will) differ materially from this Agreement in financial and other ways and terms.

3. INITIAL FRANCHISE FEE

3.1 When you sign this Agreement, you must pay us the initial franchise fee stated on the Summary Page (the “**Initial Franchise Fee**”). If any portion of the Initial Franchise Fee is financed, you must sign a promissory note (the “**Promissory Note**”) and all of your owners must sign a Guaranty (the “**Guaranty**”).

3.2 Except as provided in this Section , the Initial Franchise Fee is nonrefundable. If we don't offer you Accounts with Account Gross Billings required by Section 1.2 within the time provided, we will reduce your Initial Franchise Fee by an amount equal to the "Adjustment Amount." We will apply the Adjustment Amount first to reduce any amounts you owe us (including under a Promissory Note) and any remaining amount will be refunded to you. The "**Adjustment Amount**" is the difference between the amount of your Initial Franchise Fee and the amount of the Initial Franchise Fee for the Accounts we actually offered. If the Initial Plan we offered differs from a standard Initial Plan we offer, we will use a marginal rate calculation to determine that Initial Franchise Fee. We will deduct all amounts you owe us (including under a Promissory Note) from any refund.

4. ADDITIONAL CUSTOMER ACCOUNTS

4.1 We provide sales and marketing services for you on a commission basis for any Additional Accounts offered to you as set forth in this Section . Our sales and marketing services are performed on your behalf and are based on your direction as to the type of accounts and price at which you are willing to service those accounts. We may offer Additional Accounts (not included in the Initial Plan) to you ("**Additional Accounts**"). You may review any proposed Additional Account and determine whether you want to accept it. If you want to accept the Additional Account, you must pay us a sales and marketing commission/fee (the "**Sales and Marketing Fee**") for the value of the services we provide in the acquisition and negotiation of the Account on your behalf. When you accept an Additional Account, you own that Additional Account. Your Additional Accounts remain your property unless repossessed or transferred as provided in this Agreement or by operation of the terms of the Account contract.

4.2 The Sales and Marketing Fee for each Additional Account is determined by your total Annualized Billings. "**Annualized Billings**" means the product of 12 times your total Gross Billings (as defined below inSection 5) for the month prior to the month in which you are acquiring the Additional Account(s).

4.2.1 If your Annualized Billings are less than \$20,000, the Sales and Marketing Fee is five times the Additional Account's monthly Account Gross Billings.

4.2.2 If your Annualized Billings are \$20,000 or more, the Sales and Marketing Fee is four times the Additional Account's monthly Account Gross Billings.

4.3 You must pay us the Sales and Marketing Fee under any method below you choose:

4.3.1 You may pay the entire Sales and Marketing Fee prior to or at the time you receive the Additional Account(s) and receive a 10% discount on the Sales and Marketing Fee.

4.3.2 You may pay the Sales and Marketing Fee in four consecutive equal monthly installments with our receipt of those installments (in addition to any other amounts you then owe us) being deducted from the next four payments we collect for you from all of your Accounts. If the next four collected payments do not satisfy the Sales and Marketing Fee (and the other amounts), we may either require you to pay the balance due on demand or deduct the balance due from amounts we later collect from your Accounts.

4.3.3 You may finance the Sales and Marketing Fee by making a down payment and financing the balance of the Sales and Marketing Fee. Under this loan option, you must sign a Promissory Note and all of your beneficial and legal owners must sign a Guaranty.

4.4 If any Additional Accounts become Terminated Accounts during the Replacement Obligation Period (as defined below) for any reason other than your documented Misconduct, we will replace the Terminated Account with an Additional Account(s) within a reasonable time period.

4.4.1 The “**Replacement Obligation Period**” is 12 months from when you start providing services for the Additional Account if you paid the Sales and Marketing Fee under Sections 4.3.1 or 4.3.2; or six months if you pay the Sales and Marketing Fee in any other manner.

4.4.1.1 If we offer replacement Accounts that are equal to, or more than, the full Account Gross Billings of the Terminated Account, the Replacement Obligation Period continues to run from the *Terminated Account’s start date*; or

4.4.1.2 If we offer replacement Accounts that are equal to, or more than, the remaining Account Gross Billings of a Terminated Account that was a replacement Account, the Replacement Obligation Period begins again from the *replacement Account’s start date*.

4.4.2 If any replacement Account offered under this Section becomes a Terminated Account during the Replacement Obligation Period, we will offer to replace the Terminated Account by offering Account(s) for the remaining obligation period consistent with thisSection.

4.4.3 If an Additional Account is terminated after the Replacement Obligation Period expires, we are not required to replace it for any reason.

5. CONTINUING FEES

5.1 You must pay us the following monthly, nonrefundable fees throughout the Initial Term:

5.1.1 a royalty fee of 10% of your Gross Billings for the previous month (the "**Royalty Fee**"). "**Gross Billings**" means the total revenues due from each Account (including Additional Accounts, Supplemental Accounts (as defined below) and Negotiated Contracts (as defined below in Section 5.2.1) for all services you provide under the Proprietary Marks during a calendar month. "**Supplemental Accounts**" are customer accounts we have not offered to you, or that you procured without our assistance, but that you are servicing under the Proprietary Marks. The Supplemental Accounts will remain your property unless repossessed or transferred under this Agreement or by operation of the terms of the Supplemental Account contract.

5.1.2 a support fee of 5% of your Gross Billings for the previous month (the "**Support Fee**").

5.1.3 an additional administrative fee (the "**Administrative Fee**") of 10% of Gross Billings for Special Services (as defined below) ("**Special Services Billings**") for the previous month. "**Special Services**" are special or isolated cleaning services performed under one-time, short-term and/or nonrecurring contract(s) that you accept. These services may include, for example, carpet cleaning and extraction, floor stripping and refinishing, disinfection services, or initial cleaning. Amounts due from your customers for Special Services are included in Gross Billings; however, they are separately reported and invoiced.

5.1.4 a contribution ("**Advertising Fee**") to the advertising fund (the "**Fund**") in an amount we periodically determine in our sole discretion; provided, however, we will not require Advertising Fees that exceed 1% of Gross Billings.

5.2 You must pay us the following nonrefundable fees, as incurred, throughout the Initial Term:

5.2.1 You may purchase bidding and negotiation assistance services relating to a cleaning service contract (a "**Negotiated Contract**") from us. You must pay us a negotiation fee (the "**Negotiation Fee**") equal to the first month's Gross Billings for each Negotiated Contract (in lieu of a Sales and Marketing Fee). You must pay the Negotiation Fee in three equal installments, the first of which is due when the first payment under the Negotiated Contract is received.

The Negotiated Contract(s) remain your property unless repossessed or transferred under this Agreement or by operation of the terms of the Negotiated Contract. Since a Sales and Marketing Fee is not paid on a Negotiated Contract, we have no obligation to replace a Negotiated Contract.

5.2.2 You must pay us a \$50 Resolution Assistance Fee (the “**Resolution Assistance Fee**”) for each Complaint (as defined below) to compensate us for our administrative cost of responding to the Complaint to prevent loss of goodwill of the Proprietary Marks. A “**Complaint**” is a customer complaint to which you did not respond within the time stated in that customer’s service contract with you or the Jan-Pro Cleaning & Disinfecting customer warranty or service programs. If we must find another service provider to correct your customer’s Complaint, you also must pay us a service fee (the “**Service Fee**”) to reimburse us for the cost of the other service provider to perform the services, plus a fee of 20% of the cost for our administrative services.

5.2.3 You must pay us a monthly National Account (as defined below) support fee of 1% of Gross Billings from National Accounts for the previous month (the “**National Account Support Fee**”). This fee is in addition to the Royalty Fee due on Gross Billings from National Accounts. A “**National Account**” is a national or regional account referred from JPI’s affiliate.

5.3 You may not deduct any amount (whether for reduction, setoff, defense or counterclaim) from any payment you owe to us.

5.4 We may set off and/or apply any payments you make in any way we choose, including to any past due indebtedness you owe to us.

5.5 If you are late with any payment you owe to us, we will charge you interest at the lesser of: (i) 18% per annum; or (ii) the maximum rate allowed by applicable law (the “**Contract Interest Rate**”). You must pay us this interest on demand. Interest accrues from the due date until the amount is paid in full.

6. SECURITY AGREEMENT

As security for all of your monetary and other obligations to us or our affiliates under this Agreement or any other agreement (including under any Promissory Note you sign), you grant to us (and to JPI for indemnity obligations of which JPI is a third-party beneficiary under this Agreement) a first-priority security interest in all of your assets used in your franchised business. These assets include all equipment, inventory, agreements, contracts, your Accounts, your accounts receivable, and all other property you now own or later acquire, used in your franchised business. You must sign all documents necessary to prove the security interests granted in this Agreement.

7. OUR BUSINESS AND MANAGEMENT SERVICES

- 7.1 To maintain the uniformity of the System and protect the integrity of the Proprietary Marks, you must operate your Franchise according to the System's policies, procedures and operational standards. We will provide you with a comprehensive initial certification program on the Jan-Pro Cleaning & Disinfecting brand standards (the "**Certification Program**"). We will provide this program for up to four approved people without charge. We may charge a reasonable fee for additional individuals that attend the Certification Program. The Certification Program includes video, classroom and on-site expert consultation. You may request our additional assistance, which we may provide if we can reasonably accommodate your request. We may introduce new methods and materials through personal consultation, group seminars, advanced Certification Program modules, and other programs. There is no cost to you for personal consultations and group seminars or for mandatory additional instruction. At your request, we may consult with you on business and operational problems and assist you with analyzing your revenues and financial data. At all times, you remain responsible for the day-to-day operations, including but not limited to all employment decisions involving your franchise, such as hiring, firing, disciplining, setting compensation and benefits, and supervising performance.
- 7.2 Pursuant to this Agreement, you hereby purchase from us billing and payment processing services for your Accounts. We will invoice your Accounts monthly, unless your customer requests an alternate arrangement. We will use commercially reasonable efforts to collect the payments due on Accounts and may engage collection agencies, attorneys, file litigation, or take any other actions we consider appropriate to collect and enforce payment from Accounts. From the amount we collect, You authorize us to deduct and pay ourselves the fees due under this Agreement, Collection Costs (as defined below), and any other amount you owe us under this Agreement or any other agreement (including payments due under any Promissory Note). "**Collection Costs**" means our out-of-pocket costs (including legal fees, attorneys' fees and paralegals' fees, court costs, and all other expenses) incurred to collect and enforce payments due under Accounts.
- 7.3 On the last business day of each month, we will pay you the net amount invoiced to your recurring Accounts for the previous month (after deducting the amounts described in the previous Section), even if your customer has not made payment yet. We will include payment for your net amount invoiced for your Special Services Billings only after your customer has made payment. We also will provide you with a monthly report showing the amounts invoiced to each Account, and a full list of the amounts and types of deductions.
- 7.4 If your customers have not made payment, our payments to you under Section 7.3 are considered advances ("**Advances**"). If, after 90 days from the date an Account is invoiced, we have not collected the entire amount due from that Account, you must repay us the uncollected Advances plus our related fees. We will not charge interest on Advances, unless you fail to repay them under this Section, in which

case interest accrues at the Contract Interest Rate from the date you must repay the Advance until paid. We will not make Advances to you for your Special Services Billings. We are not obligated to make Advances for any Account that we believe is a bad risk or for deductions taken by your customer related to claims they may have against you. In this case, we will notify you, and if you choose to continue servicing that Account, we will pay you for that Account only after payment has been made for services rendered.

7.5 We may offer you the option to pay us an Advance Assurance Fee (as defined below). If you pay this fee, you will not repay us for any Advances under Section 7.4 (the “**Advance Assurance Program**”). If you exercise this option, you will pay the Advance Assurance Fee for the remainder of the Term, or until we discontinue the Advance Assurance Program. We may discontinue the Advance Assurance Program by providing you with written notice 30 days prior to the last day the Advance Assurance Program is in effect. In this event, coverage will apply to all amounts on which an Advance Assurance Fee was paid. The “**Advance Assurance Fee**” is 2% of monthly Gross Billings. The Advance Assurance Program does not apply to exclusions from Advances set forth in Section 7.4.

7.6 We reserve the right to implement and administer an advertising fund for the purpose of promoting the System. The Fund is for the benefit of all franchisees. We have the exclusive right to maintain, operate and administer the Fund. “**Advertising Fees**” as used in this Section refers to those contributions you make under Section 5.1.4, and you are not conferred any rights or benefits under this Agreement regarding the amounts paid into the Fund by other franchisees and other parties.

7.6.1 We will deposit Advertising Fees into the Fund. We may use the Advertising Fees to meet the costs of conducting local, regional or national advertising and promotional activities (including advertising campaigns; test marketing; marketing surveys; public relations activities; developing and producing advertising and marketing materials in any media, including print and electronic; and developing and operating websites) that we consider beneficial to the System. We may charge the Fund fees at reasonable market rates for advertising, marketing and promotional services that our employees provide in lieu of engaging third-party agencies to provide these services.

7.6.2 In our sole discretion, we may make, or refrain from making, any expenditures for advertising and promotional activities. Without limiting the generality of the foregoing, in any calendar year, we may spend more or less than that year's aggregate Advertising Fees to the Fund. We may have the Fund borrow from us or other lenders to cover any Fund deficits. We may have the Fund invest any surplus for the Fund's future use. Before the Fund's other assets may

be spent, any interest earned on Advertising Fees must pay costs directly related to the Fund's advertising efforts.

7.6.3 We retain sole discretion over the concepts and materials and all other matters relating to advertising, public relations, marketing, market research, and promotional campaigns. The Advertising Fees are intended to maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the System as a whole. In administering the Fund, we are not required to make expenditures for you that are equivalent or proportionate to your Advertising Fees or to ensure that any franchisee benefits directly or pro rata from advertising or promotion conducted with the Advertising Fees.

7.6.4 The Advertising Fees are not our asset. With respect to maintaining, operating or administering the Fund, we are not a trustee or fiduciary and, except as provided in this Section, we assume no other direct or indirect liability or obligation to you.

7.6.5 At any time, we may stop collecting and disbursing Advertising Fees and terminate the Fund. If we do so, we must disburse the remaining funds for the purposes authorized under this Agreement.

7.7 We will assist you in maintaining good relations with your customers. However, you remain responsible for finding your replacement if you cannot service your customers. If you cannot service one or more of your customers due to adverse circumstances, you may ask us to assist you by locating a substitute service provider to service your customer. If we do this, you will be deemed to have directed us to divert any revenue you would have received for these services to the substitute service provider and you will not receive payments for the services the substitute service provider performed. In addition to the payment of the alternate service provider at their standard service rates that we make on your behalf, we may charge you a fee of 20% of the cost for our administrative services. You will not receive a refund of any fees previously paid to us for these services.

7.8 You, as an independent operator of your Franchise, must and do control your day-to-day business activities and make strategic, operational, managerial, and other business decisions as you see fit, as long as you comply with this Agreement and act in a way consistent with the System and in a manner that preserves the integrity of the Proprietary Marks in order to protect the goodwill of the brand. You have discretion over aspects of your franchised business, such as:

7.8.1 staffing decisions, supervision and other issues related to your staff;

7.8.2 scheduling (however, you should confer with your customers about their preferences);

7.8.3 which Accounts you wish to accept, own and service; and

7.8.4 your strategy and method of business expansion, and negotiation and acquisition of Additional Accounts or Supplemental Accounts.

8. OPERATING STANDARDS

- 8.1 You acknowledge that the goodwill associated with the Proprietary Marks and the success of franchises in the System depends on a consistently high standard of excellence in cleaning, maintenance, disinfection, sanitization (commercial and residential) services, customer service, and uniform practices across Franchises. You desire to benefit from this goodwill and the industry expertise inherent in the System's methods and practices. Therefore, you must attend, or at least one of your managerial personnel (satisfactory to us), must attend and successfully complete the Certification Program and any other seminars, sessions, programs, consultations and advanced instructional modules we deem necessary. If we, in our sole judgment, determine that you have failed to adequately familiarize yourself with the System, including your satisfactory participation in the Certification Program and other required instruction on the System and its methods, we may, at your expense (including our then standard consultation or Certification Fees), require you to retake the Certification Program, or we may terminate this Agreement. We will conduct all of these programs and seminars at the times and locations we reasonably determine.
- 8.2 You have the sole responsibility to hire and maintain your staff of qualified and competent employees. You are solely responsible for all of your hiring decisions and for all obligations arising from your relationship with your employees. If required by your customer, you must perform background checks or make other requested assurances to customers as to your employees and their eligibility to perform work for a customer (e.g., compliance with a drug and alcohol policy), and you must certify to us and to the customer that any employees permitted on your customer's premises have successfully completed the background check or otherwise satisfied all lawful customer requirements. You also must obtain from each of your employees a signed statement, in a form that we approve, in which the employee acknowledges that you are their employer, not us or JPI. You must devote your best efforts to managing and operating your Franchise to protect the goodwill associated with the Proprietary Marks.
- 8.3 You are responsible for keeping your agreed schedule with your customers, notifying your customers before any scheduled services you will miss, and scheduling a substitute cleaning service if your customer requests, in order to protect the goodwill of the brand.
- 8.4 You are responsible for all keys and other methods of access to your customers' premises and for exercising reasonable security procedures and observing all security procedures that your customers require.
- 8.5 To ensure that you deliver high quality cleaning, maintenance, disinfection, sanitization (commercial and residential), and other services in a manner consistent

with the goodwill associated with the Proprietary Marks, you must purchase or lease equipment, chemicals, supplies, inventory, and any other products and services used to operate the Franchise only under our written specifications. We may alter these specifications in writing.

8.5.1 You must, before the Start Date, purchase the initial equipment and supplies (the “**Initial Equipment Package**”) we require to conduct your Franchise and serve your Accounts according to the System and at the high level of quality necessary to protect the Proprietary Marks. You must purchase your Initial Equipment Package from us or an approved third party within a reasonable time after you complete the Certification Program.

8.5.2 You must, at your expense, thereafter replace equipment and supplies as needed.

8.6 If you propose to purchase or lease any equipment, supplies, inventory or other products or services from an unapproved supplier or manufacturer, or that does not comply with our specifications, you must submit to us a written request for our approval, or request the proposed supplier or manufacturer to do so. As a condition of our approval, which we may grant or withhold or revoke in our sole discretion, we may require that our representatives be permitted to inspect the proposed supplier’s or manufacturer’s facilities, and that samples from the supplier or manufacturer be delivered, at our option, either to us or to an independent certified laboratory we designate for testing. In the case of products involving new specifications, we may also require that samples of the products be delivered either to us or to an independent certified laboratory we designate for testing. We are not liable for damage to any sample that may result from the testing process. You must pay a fee not to exceed the reasonable cost of the inspection and the actual cost of the testing. We may, at our option, re-inspect any approved supplier’s facilities and products and continue to sample the products at the supplier’s or manufacturer’s expense, and revoke approval if the supplier or manufacturer fails to continue to meet our specifications. We may require as a condition of our approval, that the supplier or manufacturer present satisfactory evidence of insurance, such as product liability insurance, protecting us and our franchisees against all claims arising from the use of the supplied item(s) within the System.

8.7 You must comply with all federal, state and local laws and regulations that apply to your Franchise (such as OSHA and employment laws), and maintain all permits, licenses or certificates needed to operate your Franchise. You have two days following receipt to forward to us any inspection reports, warnings or ratings that any governmental agency issues that indicate that you did not comply with a law or regulation.

8.8 You represent and warrant that you are either a corporation or limited liability company, duly incorporated or formed, validly existing and in good standing under local law. You must remain a corporation or limited liability company, as

applicable, in good standing under local law for the entire Term of this Agreement. Prior to beginning operation, you must: (i) obtain a valid federal employer identification number for your business entity; and (ii) deliver proof of a valid and active business checking account with a reputable banking institution in your franchised business's entity name.

8.9 You are an independently-owned and operated business and may manage your Franchise and its day-to-day operations as you determine, as long as you comply with this Agreement. You must have at least one person actively involved in the management of your Franchise. This person must be the manager you select and classify as an employee. This person must have successfully completed the Certification Program and other required programs.

8.10 As a condition of providing services under the Proprietary Marks and to comply with brand standards regarding service offerings, you must offer for sale all approved services and products for which you have been certified and for which you have all necessary equipment. You may not provide any services or products under the Proprietary Marks that we have not approved (or for which we have revoked our approval). You must comply with all System customer warranty programs and customer service programs we maintain.

8.11 You will not, without our prior written consent, utilize any generative artificial intelligence software, tools, or technologies, including, natural language processing, deep learning algorithms, or machine learning models (collectively, "Generative AI") directly or indirectly in the operation of the Franchise, including without limitation, in advertising, promotion, or marketing of the Franchise, communications with customers, business planning, analysis or optimization, or in any social media. You acknowledge and agree not to upload or share any Confidential Information (including any inputs of information containing trade secrets, sensitive confidential information or personal information) with any unapproved third-party platforms, including Generative AI, except as authorized in writing by us. In addition, you will prohibit your employees from using any Confidential Information in Generative AI. In the event you utilize any Generative AI, with or without our prior approval, you must comply with all laws applicable to such use, including without limitation, all trademark, copyright, and biometric laws, and must not infringe upon the intellectual property of a third party, or use such intellectual property without appropriate authorization and attribution.

9. CUSTOMER SERVICE STANDARDS

9.1 You must, at your expense, provide all labor, materials, tools, supplies and equipment to service your customers. You must perform all services in a good and workmanlike manner in compliance with the high standards associated with the Proprietary Marks.

9.2 Your ownership of an Account may be immediately repossessed, or immediately transfer to a designated provider, if any of the following occurs:

- 9.2.1 any documented Misconduct occurs involving the Account;
- 9.2.2 we receive your customer's written request that its Account be transferred to a different franchisee;
- 9.2.3 you sell cleaning or similar supplies to your customer outside of this Agreement, service your customer in a capacity other than as our System franchisee (except as permitted under this Agreement), or fail to notify us of all services performed for your customer as required in this Agreement; or
- 9.2.4 this Agreement is terminated, you violate this Agreement or any other agreement with us, you cease being our franchisee, or otherwise no longer want to service your customer.

If you believe that an Account was repossessed or transferred unfairly, you may submit to us a written request that we consider special circumstances. We will consider your request in good faith. You will not receive a refund or reduction of any fees already paid for a revoked Account.

10. ACCOUNTING AND RECORDS

- 10.1 You must maintain complete and accurate books and records for your Franchise's operations. These books and records must contain only information relating to your Franchise. Your books and records must be kept for at least three years (including after this Agreement expires or is terminated) from the dates they were prepared.
- 10.2 By the 10th day of each month, you must submit to us accurate records reflecting the previous month's entire Gross Billings and all other information we require. These records must be on our form. You will provide us with copies of your federal and state income tax returns relating to your Franchise's operations (and hereby waive, to the extent not prohibited by applicable law, any right to object to disclosure of any tax returns). You must also provide to us, upon request, information used to prepare such tax returns. The financial statements and other periodic reports you must provide to us under this Agreement must segregate the Franchise's operations income and related expenses from those of any other business you conduct.
- 10.3 Before you may begin operating your franchised business, you must deliver to us the items described below:
 - 10.3.1 Certificates of insurance or comparable evidence of coverage as required by this Agreement;

10.3.2 A copy of your business license and any mandatory business registrations (you must ensure that a current business license and/or registration is on file with us at all times during the term of this Agreement); and

10.3.3 A copy of your articles of incorporation/organization as filed with the state or your membership or operating agreement (whichever is applicable), and the related state-issued entity/file number and your federal employer identification number.

10.4 During the Term and for three years after the expiration or termination of this Agreement, and at our expense, we and our representatives may at any reasonable time on prior written notice to you, examine and copy your books and records (including tax returns and information used to prepare tax returns as noted in Section 10.2, you hereby waiving any applicable privilege that would excuse you from providing such information to us). For purposes of this examination, books and records excludes your employment records for your employees. It is your exclusive responsibility to maintain all employment records in compliance with state and federal law. You agree to maintain all employment records for at least seven years.

11. PROPRIETARY MARKS

11.2 You may use the Proprietary Marks only under our standards and specifications. You must:

11.2.1 use the Proprietary Marks only to operate your Franchise. You may not use the Proprietary Marks for any other purpose. You may not use the Proprietary Marks or any reproduction or imitation of the Proprietary Marks in any way likely to cause confusion, mistake or deception, or to create the appearance that any non-authorized service or product is provided by or endorsed by us or JPI.

11.2.2 use the Proprietary Marks as the only trademark identifications for your Franchise (and not use the Proprietary Marks in connection with any other cleaning, disinfecting, or other business that you may own or operate), and prominently display the Proprietary Marks on or with all materials we designate, and only as we authorize.

11.2.3 not use the Proprietary Marks as security for your obligation or indebtedness.

11.2.4 identify yourself as an independent franchisee and owner and operator of the Franchise when using the Proprietary Marks.

 - 11.2.8 not register any domain name containing the Proprietary Marks or any similar names.
 - 11.2.9 not use or attempt to register any other trademarks, service marks, or other commercial symbols that are the same as or similar to any of the Proprietary Marks.
 - 11.2.10 comply with our instructions on filing and maintaining any required fictitious, trade, or assumed-name registrations for the JAN-PRO CLEANING & DISINFECTING trade name, and sign all documents we or our counsel deems reasonably necessary to receive protection for the Proprietary Marks and JPI's interest in the Proprietary Marks.
 - 11.2.11 not use our name or logo, or your trade name, on your paystubs, paychecks, checks to your employees, your human resource manuals, employment applications, etc. You must only include your legal name on these documents.
- 11.3 You must immediately notify us of: (i) any suspected unauthorized use of, or any challenge to the validity or ownership of, the Proprietary Marks; (ii) our right to license or use the Proprietary Marks; or (iii) your right to use the Proprietary Marks. We will defend you against any third-party claim, suit or demand arising out of your use of the Proprietary Marks. If we determine that you have used the Proprietary Marks in accordance with this Agreement, we will pay the cost of this defense, including the cost of any judgment or settlement. If we reasonably determine that you have not used the Proprietary Marks in accordance with this Agreement and that your misuse is a factor in the third-party claim, suit or demand, you must pay the cost of the defense, including the cost of any judgment or settlement. In any litigation involving your use of the Proprietary Marks, you must sign all documents and perform all acts we believe advisable to conduct the defense, including becoming a nominal party to any legal action. Except when litigation results from your use of the Proprietary Marks in a manner inconsistent with this Agreement, we will reimburse you for your out-of-pocket litigation costs to perform these acts.
- 11.4 Any use of the Proprietary Marks outside this Agreement infringes our and JPI's rights in the Proprietary Marks. Both during and after the Term, you must not,

directly or indirectly, infringe, contest, or aid in contesting the validity of, or our or JPI's right to, the Proprietary Marks, or take any other action to damage these rights.

11.5 If, in our sole discretion, we determine it advisable to modify or cease the use of any Proprietary Mark or use one or more additional or substitute names or marks, you must do so at your sole expense within 30 days of our request.

11.6 Except as granted in this Agreement, you have no ownership or other rights in the Proprietary Marks. All goodwill associated with the Franchise inures exclusively to JPI's benefit and is JPI's exclusive property.

12. OPERATIONS MANUAL AND OTHER CONFIDENTIAL INFORMATION

12.1 To protect our and JPI's reputation and goodwill, and to maintain uniform standards of operation under the Proprietary Marks, you must conduct your Franchise as stated in the System manuals (collectively, with all other written specifications, standards and requirements we distribute and as we modify, replace and/or supplement, the "**Operations Manual**"). While you may determine how to best operate your franchised business, as long as your operation complies with this Agreement and ensures the protection of the Proprietary Marks, the Operations Manual offers a guide for operating within the System and includes recommended methods of operation that comply with this Agreement.

12.2 We will loan you one copy of the Operations Manual (with periodic updates). If any dispute arises about the contents of the Operations Manual, the terms in our master copy of the Operations Manual are controlling. You must report the theft, loss or destruction of the Operations Manual, or any portion thereof, immediately to us. We will then loan a replacement copy to you for \$200 for each replaced Operations Manual. A partial loss or failure to update any Operations Manual is considered a complete loss.

12.3 You must treat and maintain the Confidential Information as our confidential information and trade secrets. "**Confidential Information**" means any knowledge, know-how, technologies, processes, techniques, and any other information not generally known by, or readily available to the general public, or that we designate as confidential, proprietary or trade secrets. Confidential Information includes information relating to customers, Accounts, and the Operations Manual. Without our prior written consent, you must not copy, record or otherwise reproduce any Confidential Information. You must strictly limit access to the Confidential Information to your employees on a "need to know" basis to perform their jobs. You must require all persons to whom you grant access to the Operations Manual or any other Confidential Information to sign a form of confidentiality agreement that we reasonably approve. You must immediately provide us with copies of these signed confidentiality agreements.

13. BRAND STANDARDS AUDITS

To ensure the integrity of the Proprietary Marks and protect JPI's goodwill, you must permit JPI, us, and our respective representatives to enter your franchised business office or other franchised business premises, and the locations where you perform services for your customers, to conduct brand standards audits and to observe your business activities. Upon notice from us or JPI, and without limiting our other rights under this Agreement, you must take all steps necessary to immediately correct any deficiencies found during any brand standards audit that, in our or JPI's judgment, may diminish the value of or otherwise endanger the Proprietary Marks or JPI's goodwill.

14. INSURANCE

14.1 You must obtain and maintain the types and amounts of insurance we require. This insurance is in addition to any other insurance that is required by law. The policies we require must be written by an insurance company reasonably satisfactory to us with a Best rating of "A-" or better and, to the extent permitted by law, must name us and JPI as additional insureds. At a minimum, these policies must include:

We may change the amounts of insurance coverage required under this Agreement and require different or additional types of insurance, including excess liability insurance and umbrella policies, to reflect inflation, new risks, changes in laws or standards, or other relevant changes.

14.2 Before your Start Date, you must provide us with a certificate of insurance showing that you have the insurance required in this Agreement, and (promptly after it is obtained) any additional insurance we may subsequently require. The certificate of insurance must include a statement by the insurer that the policy or policies will not be canceled, subject to nonrenewal, or materially altered without at least 30 days' (ten days for non-payment of premiums) prior written notice to us. Upon our request, you must send us a certificate of insurance showing compliance with Section 14.1. We may charge an administrative fee of up to \$50 per month to cover the cost of verifying your insurance coverage, and the cost of handling any insurance claims submitted with a third-party provider.

The cost of the Business Protection Program may include, in addition to premiums, fees payable to us for administering the Business Protection Program. The current fee is stated on the Summary Page.

14.4 If you choose to obtain your insurance outside of the Business Protection Program, we may charge you an administration fee commensurate with our costs for tracking your policies and renewals from a third-party insurance provider. - 15.3 In addition to the defaults in Sections 15.1 and 15.2, you are in default under this Agreement if you do not comply with any other requirement in this Agreement. Except as provided in Sections 15.1 and 15.2, you have 30 days after we deliver a Notice of Default to cure any default and provide evidence of cure satisfactory to us. If any default is not cured within the time stated in the Notice of Default, or any longer time as applicable law requires, we may immediately terminate this Agreement. To the extent a cure is permitted under this Agreement, you must prove that you properly and timely cured a default. A “**Notice of Default**” is a written notice briefly describing a default under this Agreement.
- 15.4 The termination of this Agreement does not affect any remedy, right or claim we have against you under this Agreement or in law or equity.

16. OBLIGATIONS ON EXPIRATION OR TERMINATION

On the expiration or termination of this Agreement, all rights granted to you under this Agreement terminate immediately, and this Section applies to the rights and obligations of the parties. This Section is intended to enable us, if we choose, to immediately arrange for the continued servicing of your Accounts by someone other than you.

- 16.1 You must immediately cease operating your Franchise (including servicing any customers) that you serviced under the Proprietary Marks. Thereafter, you must not, directly or indirectly, talk or write negatively about us or JPI, or any of the Proprietary Marks, Confidential Information, or any aspect of the System. You may not represent yourself as our present or former franchisee or in any other way associate yourself with the System or the Proprietary Marks. You must immediately cease using all stationery, signage, bills, invoices, and any other materials containing the Proprietary Marks.
- 16.2 You must immediately deliver to your former customers or us, as the customer designates, all keys, security passes, security codes, and any other means of access to the customers' premises. Before the expiration or sooner termination of this Agreement, when you stop servicing any customer, you must immediately deliver to the customer or us all of the customer's keys, security passes, etc. If you fail to timely do so, you must pay us \$500 for each day you do not comply with this Section. Our damages from your failure to comply with this Section are difficult to ascertain and this amount is liquidated damages and not a penalty.
- 16.3 We will keep all fees you paid under this Agreement. Within ten days after termination or expiration (or any later date(s) as we determine that amounts are due to us), you must pay us all Royalty Fees, Support Fees, Advertising Fees, Administrative Fees, Resolution Assistance Fees, amounts owed for products or services you purchased from us or our affiliates, and any other unpaid amounts you owe to us or our affiliates (including all outstanding principal and interest due under any Promissory Note you signed).
- 16.4 If you continue to operate, or later operate, any other business, you may not, in that business or the promotion of that business, use any reproduction or imitation of the Proprietary Marks, imitate any methods of operation, or undertake any other conduct likely to cause confusion, mistake or deception, or that is likely to dilute our or JPI's rights in the Proprietary Marks or the System. After expiration or termination, you may not use or attempt to register (or assist any third party to do the same) any trademarks, service marks, or other commercial symbol that are the same as or similar to any of the Proprietary Marks. In addition, you will use no designation of origin or description or representation that falsely suggests or represents an association or connection with JPI, us, or any of our respective affiliates. If you do this, it is unfair competition.
- 16.5 At your expense, you must immediately deliver to us all Confidential Information and information and documents relating to your customers, Accounts, or otherwise to the Franchise (with all copies and any other forms of reproductions of these materials) in your possession or control. All of this Confidential Information, information and documents, and copies thereof, are our exclusive property.
- 16.6 Within 30 days after the expiration or sooner termination of this Agreement, you must cancel any assumed-name or equivalent registration involving the Proprietary Marks and must furnish us with satisfactory evidence that you have done so.

17. NON-SOLICITATION AND NONCOMPETITION

- 17.1 We would not be able protect the System and Confidential Information against unauthorized use or disclosure, and would not be able to encourage a free exchange of ideas and information among franchisees within the System if you solicited or otherwise induced customers you serviced under the Proprietary Marks to be serviced by you or a third party other than a franchisee operating under the System and under the Proprietary Marks.

During the Term and the 12-month period after the expiration or sooner termination of this Agreement, neither you nor any of your owners, officers or directors, or any of their respective spouses or domestic partners (you and all these other persons, collectively, the “**Restricted Parties**” and, individually, a “**Restricted Party**”) may, directly or indirectly:

- 17.1.1 solicit or otherwise attempt to induce (by combining or conspiring with), or influence in any other manner any of our Business Affiliates (as defined below) to terminate or modify his, her or its business relationship with us or to compete against us. A “**Business Affiliate**” is any of our employees, officers, directors, agents, consultants, representatives, contractors, suppliers, distributors, franchisees, customers (including yours and those of our other unit franchisees), Initial Accounts or Additional Accounts.
- 17.1.2 in any manner interfere with, disturb, disrupt, impair, diminish, or otherwise jeopardize our or any of our franchisees’ businesses.

This Section does not prevent you from otherwise engaging in competitive activities, such as: (i) providing cleaning or related services to customers who have not in the previous 12 months been serviced by you or any other person under the Proprietary Marks; (ii) procuring and servicing for cleaning and disinfecting services any customer that will receive services from you outside of this Agreement that are not associated with the System or the Proprietary Marks; or (iii) offering to any customers, including customers otherwise serviced under the Proprietary Marks, services other than janitorial, cleaning, disinfecting, or maintenance services. However, in performing these other services, you must not represent yourself as a franchisee of the System or otherwise claim any affiliation with the Proprietary Marks.

- 17.2 If you violate Section 17.1.1, you must pay to us a lump sum payment (as liquidated damages for causing the lost fees and damage to the brand, not as a penalty) in an amount equal to the total of all Royalty Fees and Support Fees related to those customers for 12 months based on the average monthly amount of such fees over the three months prior to the violation of Section 17.1.1. The parties agree that a precise calculation of the full extent of the damages that we will incur as a result of your default is difficult and the parties desire certainty in this matter, and agree that the lump sum payment provided under this Section is reasonable in light of the

damages that we will incur in this event. This payment is not exclusive of any other remedies that we have.

- 17.3 Both during and after the Term, none of the Restricted Parties may talk or write negatively about JPI, us or our affiliates, or any of our or their respective officers, directors, stockholders, employees or representatives, or any aspect of the Jan-Pro System, or the Proprietary Marks.
- 17.4 You and each Restricted Party agree that the activities prohibited in this Section and the length of the term are necessary to protect our legitimate business interests, including in the Proprietary Marks, and are fair and reasonable. You and each Restricted Party's full, uninhibited and faithful observance of each of the covenants in this Section will not cause undue hardship, financial or otherwise. Your and the other Restricted Parties' special knowledge of the System (and anyone acquiring this knowledge through you or the other Restricted Parties) is such as would cause us and our franchisees serious injury and loss if you or a Restricted Party (or anyone acquiring this knowledge through you or the other Restricted Parties) were to use this knowledge to the benefit of a competitor or to compete with us or any of our franchisees.
- 17.5 If any court or arbitrator finally holds that any term in this Section is an unreasonable restriction on you or the other Restricted Parties, this Agreement is not rendered void, but applies to the extent as the court or arbitrator concludes what is a reasonable restriction under the circumstances. You agree that the court or arbitrator may narrow any restriction hereunder so that it may be enforced and be enforceable under the law. The time periods stated in this Section are suspended during any period in which you or any of the other Restricted Parties is breaching any of these terms or is involved in a legal action or proceeding challenging the validity or enforceability of these terms.
- 17.6 All of your owners, managerial personnel, and all other persons to whom we provide instruction under this Agreement must sign your noncompetition and confidentiality agreement containing provisions similar to those in this Section before acquiring their ownership interest or beginning employment or the Certification Program. You must promptly deliver copies of the signed agreements to us. We are a third-party beneficiary under these agreements, with an independent right to enforce the agreements in our own name.
- 17.7 This Section is to be construed as independent of any other provision of this Agreement. The existence of any claim you or any other Restricted Party may have against us or any of our affiliates (regardless of whether arising from this Agreement) is not a defense to the enforcement of this Section against you or any other Restricted Party.

18. TRANSFER OF INTEREST

- 18.1 Without your consent, we have the right to transfer or delegate to any person any or all of our rights or obligations under this Agreement. If our transferee assumes in writing our obligations under this Agreement, within seven days of our delivery of written notice of transfer, you must sign and deliver to us a written release from those obligations.
- 18.2 The rights and duties in this Agreement are personal to you. We grant the Franchise in reliance upon our assessment of your and your owners' business and personal skills, reputation, aptitude, and financial capacity. Therefore, unless otherwise permitted by this Agreement, without our prior written consent, you must not sell, assign, convey, or otherwise dispose of, voluntarily, involuntarily, directly or indirectly, by operation of law or otherwise, this Agreement, any voting or ownership interests in you as an entity, or any direct or indirect interest in this Agreement. (For purposes of this Article, the term "transfer" refers to any of these actions.) Our consent to any transfer will not be unreasonably withheld.

You must provide us with prior written notice of any transfer of voting or ownership interests in you, even if it is not a transfer of an interest in this Agreement as provided in the next sentence. A transfer of 25% or more of the voting or ownership interests, individually or in the aggregate, directly or indirectly, is your transfer of an interest in this Agreement, as is a transfer of all or substantially all your assets used to operate the Franchise. For any purported or attempted transfer of an interest in this Agreement without our prior written authorization, by operation of law or otherwise, the transfer is null and void, and a material breach of this Agreement.

A sale or transfer of all or substantially all of your customer Accounts will constitute a transfer under this Section 18 and therefore require our consent. A sale or transfer of an occasional or insubstantial number of customer Accounts in a single transaction may proceed without our consent so long as the sale or transfer is to another franchisee that is in good standing with us and undertaken in accordance with the procedures and using the documentation that we set forth or provide from time to time.

- 18.3 Neither you nor your owners may create or permit a lien against, nor pledge, grant a security interest in, or in any manner encumber this Agreement (or any interest in this Agreement).
- 18.4 Before we consent to a transfer of an interest in this Agreement, we may require that:
- 18.4.1 you have made all payments that you owe us (including under any Promissory Note you signed or any other debt obligations);
 - 18.4.2 you are not then in default under this Agreement or any other agreement between you and us or our affiliates;

- 18.4.3 you sign a general release of all claims against us, our affiliates, JPI, and our and their respective officers, directors, owners, representatives, agents and employees (in their corporate and individual capacities);
- 18.4.4 the transferee sign our form of assumption agreement under which it assumes all of your obligations under this Agreement; or, if we request, the transferee sign our then-current form of franchise agreement (for a term equal to the then remaining Term of this Agreement) and all other agreements we require for the Franchise, and the terms of the agreements may have materially different terms and conditions from those of this Agreement, such as higher fees;
- 18.4.5 the owners of the transferee Entity enter into our then-current form of personal guaranty, under which they, jointly and severally, guaranty the transferee's obligations under this Agreement (or the new form of franchise agreement discussed in Section 18.4.4) and any related agreements;
- 18.4.6 the transferor pays us a Transfer Fee (in lieu of the transferee paying an initial franchise fee); the "**Transfer Fee**" is the greater of: (i) \$1,500; or (ii) 8% of your total Gross Billings for the 12-month period ending on the last day of the calendar month prior to the month in which the transfer is to occur;
- 18.4.7 the transferee and its owners have demonstrated to our reasonable satisfaction that the transferee has properly assumed, and can comply with, all of its obligations for the Franchise and that the transferee and its owners have the business and personal skills, reputational and financial capacity we require;
- 18.4.8 at the transferee's expense (including our then-current fee), and on terms we reasonably require, the owners of the transferee complete any initial Certification Programs then required for new franchisees; and
- 18.4.9 you and the transferee timely satisfy our other reasonable conditions.

Our approval of a proposed transfer is not an expression of our opinion on the appropriateness or fairness of the terms of the transfer or the likelihood of the transferee's success. If we disapprove of the transfer because all of the transfer conditions in this Section or elsewhere in this Agreement have not been satisfied (or for any other reason), we have no liability of any nature to you or the transferee.

Our consent to any transfer is not a waiver of any claims we have against you. Even if we approve the transfer, no transfer releases you of liability for your conduct prior to the transfer.

- 18.5 If an Owner dies or is disabled from any cause and for a continuous period of over three consecutive months cannot perform his or her obligations under this Agreement, then, within 30 days thereafter, you (or your legal representative) must hire and maintain a replacement satisfactory to us to perform the obligations. Any period of disability that is interrupted by a return to active and proper performance of duties under this Agreement for 14 days or less is considered continuous. If a satisfactory replacement is not hired or maintained as required, we may repossess your Accounts and transfer the Accounts to another franchisee.
- 18.6 Within six months of any Owner's death or permanent disability, that individual's estate or his or her representative must transfer his or her interests in you (or in any of your owners) or in this Agreement under the terms of this Section. We will not charge a Transfer Fee.

19. INDEPENDENT BUSINESS OWNER AND INDEMNIFICATION

- 19.1 This Agreement creates no fiduciary relationship between you and us. You are an independent business owner. You are a licensee of certain of our trademarks and the System. We are an independent contractor of yours that provides Business Services to you pursuant to this Agreement. Nothing in this Agreement appoints either party an agent, legal representative, subsidiary, joint venturer, partner, employee, affiliate or servant of the other party for any purpose. Nothing in this Agreement authorizes either party to make any contract, agreement, warranty or representation on behalf of the other party. Neither party may incur any debt or other obligation in the other party's name unless the right to do so is explicitly stated in this Agreement. You must take all action we request to notify the public that you are an independent business owner. These actions may include placing and maintaining a plaque in a conspicuous place within your franchised business office or elsewhere as we designate, and a notice on all stationery, business cards, sales literature, contracts, and similar documents that states that you own and independently operate your franchised business. The content of these items is subject to our prior written approval and may be updated from time to time upon our notice to you. You must also sign the form of Independent Business Acknowledgment attached to this Agreement as Exhibit B.
- 19.2 You agree that since you are an independent business owner and not our employee, you and not we must make all periodic filings and payments for your franchised business for all required federal and state taxes, payments or filings (including all income, unemployment and payroll taxes such as FICA, FUTA and SECA payments). Your agreement to this has materially induced us to enter into this Agreement and but for your making this agreement, we would not have done so. You must operate the Franchise, and otherwise act in connection therewith, as an independent business owner, and must not act, or omit to act, in any manner that will cause you or your employees to be our or JPI's employees or joint employees for any purpose.

19.3 You must indemnify, defend and hold harmless JPI and us from all actions, judgments, damages, liabilities, claims, losses, costs and expenses (including reasonable legal fees, paralegal fees and attorneys' fees and other expenses, even if incident to appellate, post-judgment or bankruptcy proceedings) to which we or JPI becomes subject, or that either incurs, arising from or relating in any manner to your ownership or operation of your Franchise. Examples of the claims covered by this indemnity include, but are not limited to, claims relating to: (i) maintaining or operating vehicles; (ii) your being characterized as our or JPI's employee (or as a joint employee with us or JPI) by any federal, state or local court or agency; (iii) your failure to act as an independent business owner; (iv) your failure to pay income, unemployment or payroll tax or file any related return; or (v) your other default under Section 19.2, breach of this Agreement, and/or your or your employees or independent contractor's negligence or willful misconduct. You will not be required to indemnify us for any matter caused by our gross negligence or intentional misconduct. Notwithstanding the expiration or sooner termination of this Agreement, this indemnity continues in full force and effect. In addition to covering JPI and us, this indemnity also covers our respective affiliates and their and those affiliates' respective owners, officers, directors, employees, agents and representatives.

19.4 *You agree that you have no relationship of any kind with JPI and that JPI is not a party to this Agreement nor any other Agreement related to your Franchise. You agree that JPI is in the business of licensing its System and Marks to Regional Franchise Developers, and has licensed its System and Marks to us with a right to sublicense same, and that no obligation or connection of any kind or character flows from JPI to you by that fact or by any other fact or circumstance.*

20. MEDIATION AND ARBITRATION

You and we believe that it is important to resolve any disputes amicably, quickly, cost-effectively and professionally, and to return to business as soon as possible. You and we have agreed that the provisions of this Section 20 support these mutual objectives and, therefore, agree as follows:

20.1 **Dispute Process.** Any disagreement, litigation, claim, dispute, suit, action, controversy or proceeding of any type whatsoever, including any claim for equitable relief between or involving you and us (or you and JPI, or any of JPI's affiliate parent or subsidiary entities, and any of its owners, officers, directors and employees) on whatever theory and/or facts based, and whether or not arising out of this Agreement (including any dispute or disagreement relating to arbitration, including the arbitrability of this Agreement or any of its provisions), our offer, sale or negotiation of your Franchise, or the relationship of the parties, or any claim that this Agreement or any provision of this Agreement (including Section 20.2) is invalid, illegal or otherwise voidable or void or unenforceable ("**Dispute**") will be processed in the following manner, you and we each expressly waiving all rights to any court proceeding, except as expressly provided below in Section 20.7. The Disputes covered by this provision include, but are not limited to, claims for compensation due; claims for misclassification; claims for breach of any contract

or covenant (express or implied); tort claims; claims for discrimination or harassment, including, but not limited to, alleged violation of any federal or state civil rights laws, ordinances, regulations or orders, and claims for violation of any federal, state, or other governmental law, statute, regulation or ordinance, except claims specifically excluded below.

20.2 **Mediation.** Subject to Section 20.9, any party seeking formal resolution of a Dispute will, before any arbitration proceeding may be filed, submit the Dispute to nonbinding mediation for a minimum of four hours before CPR (as defined below) under its national franchise mediation program. If CPR cannot conduct the mediation, the Dispute may be submitted to the American Arbitration Association or any other mutually agreeable mediator. Mediation is a compromise negotiation for the purposes of the federal and state rules of evidence, and the entire process is confidential. Prior to any mediation, all parties will sign a confidentiality agreement reasonably satisfactory to us excepting only public disclosures and filings as are required by law. All parties must attend mediation. We will pay the costs of the first four hours of any mediation, and no mediation is required to extend beyond such four-hour period. “**CPR**” means CPR Dispute Resolution Services, LLC.

20.3 **Arbitration.** Subject to Sections 20.2 and 20.9, all Disputes brought by you or us must be submitted to binding arbitration before one arbitrator of the American Arbitration Association (or any other mutually agreeable arbitration association) under its commercial arbitration rules, unless the arbitrator determines that other arbitration rules set forth by the AAA should govern the arbitration, in which case the set of AAA rules determined by the arbitrator will govern the arbitration.

You and we agree that the franchise relationship is unique and that as a result it is important that anyone who serves as a mediator or arbitrator in a Dispute must have a minimum of seven years of substantive experience in franchise law and must also be experienced, as applicable, to any other substantive claim at issue in the arbitration.

20.4 **Authority.** You and we agree that, except as provided in this Agreement, any arbitration shall be governed exclusively by and conducted in accordance with the Federal Arbitration Act (FAA), 9 U.S.C. § 1, et seq. You and we agree that we, and our relationship with you, involve and relate to interstate commerce and therefore the FAA applies to and governs this Agreement. The arbitrator, and not any federal, state or local court, shall have the sole and exclusive authority to determine the scope of this Section 20 and to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement, including any claim of fraud in the inducement or that all or any part of the Agreement is void or voidable.

The arbitrator’s exclusive authority as stated above shall not apply to any specific exceptions otherwise contained in this Section 20, including but not limited to the “Class Collective and Representative Action Waiver” set forth below in Section

20.10, for which the parties agree that the arbitrability of such waiver shall be decided by a court of law and not an arbitrator.

20.5 **Interpretation.** This Section is to be construed as independent of any other provision of this Agreement, and each subsection of this Section is severable from every other subsection of this Section 20. If a court or arbitrator of competent jurisdiction determines that any provisions of the Agreement outside of this Section, or any subsection of this Section are unlawful, in whole or in part, such adjudication shall not affect the validity of the remainder of this Section and such provisions shall be reformed and enforced to the maximum extent permitted by law. You and we expressly agree that the remainder of the Sections should be enforced as written with the excision or reformation of the invalid provision, in whole or in part, only.

20.6 **Arbitration Process.**

20.6.1 The Arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which your office or work location is located, or federal law, or both, as applicable to the claim(s) asserted. The Arbitrator shall have the authority to award all remedies and relief that would otherwise have been available if the claim had been brought by way of a civil complaint in court. The Arbitrator should utilize the Federal Rules of Evidence as a guide to the admissibility of evidence. The parties retain the right to conduct a reasonable amount of discovery guided by the Federal Rules of Civil Procedure, and the Arbitrator shall have the power to decide any discovery disputes between the parties. Either party, upon request at the close of hearing, shall be given leave to file a post-hearing brief. The time for filing such a brief shall be set by the Arbitrator.

20.6.2 Within ninety (90) days following the hearing and the submission of the matter to the Arbitrator, the Arbitrator shall issue a written opinion and award which shall be signed and dated. The Arbitrator's award shall include factual findings and the reasons upon which the award is based. Either party may bring an action in any court of competent jurisdiction to compel arbitration under this Agreement and to enforce an arbitration award.

20.6.3 Judgment on an arbitration award may be entered in any court of competent jurisdiction. This judgment is binding, final and non-appealable.

20.7 **Failure to Appear.** The arbitration and mediation provisions in this Section are self-executing and remain in full force and effect after the expiration or termination of this Agreement. If either party fails to appear at any properly noticed arbitration proceeding, notwithstanding failing to appear, an award may be entered against that

party by default or otherwise, as permitted by applicable rules of procedure and if deemed appropriate by the arbitrator.

20.8 **Arbitration Costs.** Except as provided in Section 20.2, each party bears its own costs for mediation and arbitration, including any attorneys' fees. The fees for mediation and arbitration payable to the mediator or arbitrator, and their applicable agency, however, will be split equally unless the AAA commercial rules are found not to apply, in which case the default rules and fee arrangements of the mediation and/or arbitration service will apply. Mediation and arbitration must take place in the county in which your principal office for us is then located, or if the mediator or arbitrator cannot conduct mediation or arbitration there, the nearest county where it can.

20.9 **Matters Not Requiring Mediation/Arbitration.** Notwithstanding the above, the obligation to mediate or arbitrate is not binding on either party to any of the following matters:

20.9.1 Claims relating to misuse of the Proprietary Marks (including claims relating to actions that may impair the goodwill associated with the Proprietary Marks); for the avoidance of doubt, claims that the Proprietary Marks misrepresent the nature of the business or nature of the relationship between any of the parties to a Jan-Pro franchise relationship remain subject to Mediation and Arbitration as "Disputes."

20.9.2 Claims relating to your obligations on termination or expiration of this Agreement;

20.9.3 Claims relating to any Transfer of an interest in you, the Franchise or your assets;

20.9.4 Matters involving danger, health or safety; or

20.9.5 Requests for restraining orders, injunctions or other procedures to obtain specific performance in a court of competent jurisdiction; or

20.9.6 Claims for which arbitration is unavailable as a matter of law.

20.10 **Class, Collective and Representative Action Waiver.** Any Dispute under this Section must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("**Class, Collective or Representative Action**"). You and we expressly intend and agree that each will forego pursuing any covered claims on a class, collective, or representative basis and will not assert class, collective, or representative action claims in arbitration or otherwise. You and we shall submit only individual claims in arbitration. You and we shall be entitled to seek dismissal of any class, collective, or representative claims that the other party attempts to bring and may assert this Section as a defense in any proceeding in which class, collective, or representative actions are brought.

20.11 This waiver does not apply to private attorney general claims or to any class, collective, or representative claims that cannot be waived as a matter of law. Such claims may proceed in the applicable state or federal court.

20.12 Further, an arbitration proceeding between us and you (or any of your or our affiliates and owners and guarantors) may not be consolidated with any other arbitration proceeding between us and you and any other franchisee, person or entity. You hereby agree not to seek joinder of any of your claims with those of any other party. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class, Collective or Representative Action, nor make an award to any person or entity not a party to the arbitration.

20.13 Any claim that all or part of this Class, Collective or Representative Action Waiver is unenforceable, unconscionable, void or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. YOU AND WE UNDERSTAND THAT WE WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE OUR CASE, AND TO BE PARTY TO A CLASS, COLLECTIVE OR REPRESENTATIVE ACTION. HOWEVER, YOU AND WE UNDERSTAND AND CHOOSE TO WAIVE THAT RIGHT AND HAVE ANY CLAIMS DECIDED INDIVIDUALLY THROUGH ARBITRATION. It's your and our joint Business Judgment that the limitations of this subsection make good business sense, because:

20.13.1 the mediation and arbitration procedures contemplated by this Agreement (and which you and we agree are the core methods for resolving disputes) function most effectively on an individual case basis;

20.13.2 there are significant business and other factors present in each individual franchisee's situation which should be respected; and

For purposes of this Agreement, the term **"Business Judgment"** means that you and we exercise our judgment fairly, for business reasons, and not arbitrarily. In particular, our Business Judgment as franchisor takes into account our obligations to other regions and the franchise system as a whole even if those obligations may have negative consequences for you. This is a defined term for the purposes of this Agreement and is not intended to incorporate principles related to the application of the business judgment rule in a corporate law context

20.14 **CALIFORNIA ONLY** - For any covered claims brought by you under a private attorney general act (including but not limited to the California Private Attorneys General Act, Cal. Labor Code section 2698, et seq. ("PAGA")), You and we agree that you will submit your individual PAGA claim(s) to arbitration and your individual PAGA claim(s) will be subject to arbitration pursuant to this Section. If a claim is pursued under PAGA or a similar statute, it must first be pursued individually in arbitration. The arbitrator may not allow a PAGA claim or similar claim to proceed in arbitration except as to your individual claim, and any non-

individual claim—if available to you—must be stayed while the individual claim proceeds. You and we further agree that any question regarding the arbitrability of your individual PAGA claims shall be decided by a court of law and not an arbitrator. If a court of law finds any provision in this subsection to be unenforceable, in whole or in part, that provision or partial provision shall be severed and any portion of this subsection that is enforceable shall be enforced pursuant to the terms of this Agreement.

- 20.15 **Knowingly, Voluntarily, and With Counsel.** You acknowledge that you have carefully read this Section, that you understand its terms, that all understandings and agreements between you and us relating to the subjects covered in the Section are contained in it, and that You have entered into the Section voluntarily and not in reliance on any promises or representations by Us other than those contained in this Section.

THE PARTIES ACKNOWLEDGE AND AGREE THAT BY ENTERING INTO THIS AGREEMENT REGARDING MEDIATION AND ARBITRATION, BOTH PARTIES ARE ACTING KNOWINGLY AND VOLUNTARILY AND GIVING UP THEIR RIGHTS TO BRING CLAIMS COVERED BY THIS ARBITRATION AGREEMENT IN COURT AND HAVE THEIR DISPUTES RESOLVED THROUGH TRIAL BY JURY OR JUDGE. YOU FURTHER ACKNOWLEDGE THAT YOU HAVE BEEN GIVEN THE OPPORTUNITY TO DISCUSS THIS SECTION WITH YOUR PRIVATE LEGAL COUNSEL AND HAVE AVAILED YOURSELF OF THAT OPPORTUNITY TO THE EXTENT YOU WISH TO DO SO.

21. ACKNOWLEDGMENTS AND REPRESENTATIONS

- 21.1 You agree that you received our Franchise Disclosure Document at least 14 calendar days before signing this Agreement or any other binding agreement with, or making any payment to, us or our affiliate for this franchise.
- 21.2 *YOU AGREE THAT, IN ALL OF YOUR DEALINGS WITH OUR OWNERS, OFFICERS, DIRECTORS, EMPLOYEES AND REPRESENTATIVES, EACH ACTS ONLY IN A REPRESENTATIVE CAPACITY AND NOT IN AN INDIVIDUAL CAPACITY.*
- 21.3 *WE MAKE NO WARRANTY AS TO YOUR ABILITY TO OPERATE YOUR FRANCHISE IN THE JURISDICTION IN WHICH YOU WILL OPERATE. IF A LAW PASSED, A COURT ISSUES A DECISION, OR REGULATION ISSUED BY ANY GOVERNMENT PREVENTS YOU OR US FROM OPERATING THE FRANCHISE UNDER THIS AGREEMENT, OR AS YOU, WE OR JPI INTENDED, WE AND JPI ARE NOT LIABLE FOR DAMAGES OR TO RETURN ANY PAYMENTS YOU MADE.*

22. GENERAL PROVISIONS

- 22.1 You release and discharge JPI and its affiliates, us and our affiliates, our designees and other agents, and their respective officers, directors, representatives, employees

and agents, from all claims of any kind, in law or in equity, that may exist as of the Effective Date involving this Agreement or any other agreement between the parties, or relating in any other way to the conduct of us or JPI and our and its respective affiliates, designees or agents, and our and their respective officers, directors, representatives, employees and agents, before the Effective Date, including for example, all claims, whether known or unknown, suspected or unsuspected, arising under the franchise, business opportunity, securities, antitrust or other laws of the United States, any state or locality.

Provided that if this Release is given in connection with the award of a franchise, then this release will not apply to claims relating to the offer and sale of such franchise under applicable state franchise investment law or any rule or order issued thereunder. [Delete this paragraph if using the California language below] [Note: Consider deleting this paragraph. While certain states will require a carve out from the general release for claims arising under their state franchise laws, not all such states will do so. When necessary, this can instead be done by a state-specific addendum.]

For California franchisees add:

THE FRANCHISEE(S) ACKNOWLEDGE THAT THEY ARE FAMILIAR WITH THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES AS FOLLOWS:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

THE FRANCHISEE(S), BEING AWARE OF THIS CODE SECTION, HEREBY EXPRESSLY WAIVE ALL OF THEIR RIGHTS THEREUNDER AS WELL AS UNDER ANY OTHER STATUTES OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT OF ANY APPLICABLE JURISDICTION, INCLUDING, WITHOUT LIMITATION, CALIFORNIA AND/OR JURISDICTIONS OF FRANCHISEE(S)' RESIDENCE AND LOCATION OF FRANCHISED UNIT.

FOR FRANCHISEES SUBJECT TO THE CALIFORNIA FRANCHISE INVESTMENT LAW, ADD THE FOLLOWING TEXT:

provided that if this Release is given in connection with the award of a franchise, then this release will not apply to claims relating to the offer and sale of such franchise under the California Franchise Investment Law or any rule or order issued thereunder.

22.2 Subject to Section 12, this Agreement may be changed only by a written document signed by both parties and referring to this Agreement.

- 22.3 During the Term, we may change the System (including the goods and services your Franchise offers). You are bound by these changes to the System as if they were part of this Agreement when it was signed. You will pay all reasonable costs to timely implement and comply with any changes.
- 22.4 All of the terms of this Agreement, whether so expressed or not, are binding on, inure to the benefit of, and are enforceable by the parties and their respective personal representatives, legal representatives, heirs, successors and permitted assigns.
- 22.5 All notices under this Agreement must be in writing and must be hand delivered, sent overnight by a nationally recognized carrier, or mailed by certified mail (postage prepaid), return receipt requested, addressed to the appropriate party at its address stated on the Summary Page or to any other address as that party designates by notice complying with this Section. Notice properly sent and addressed is deemed delivered: (a) on the date delivered if by personal delivery or overnight carrier; or (b) on the date on which the return receipt is signed, delivery is refused or the notice is designated by the postal authorities or carrier as not deliverable.
- 22.6 The headings and subheadings in this Agreement are for convenience of reference only and do not affect the meaning of this Agreement.
- 22.7 If any provision of this Agreement, or any other agreement entered into under this Agreement, is contrary to, prohibited by, or deemed invalid under applicable law or regulation, that provision is inapplicable and deemed omitted to the extent so contrary, or prohibited.
- 22.8 Either party's waiver of any breach of this Agreement is not a waiver of any continuing or later breach of that provision, a waiver of the provision itself, or a waiver of any right or remedy under this Agreement.
- 22.9 Notwithstanding Section 20.7, if we hire an attorney or other professionals due to your failure to timely make payments that you owe to us, or to timely submit any reports, or any other failure to comply with this Agreement, you must immediately reimburse us for all reasonable costs we incur (including reasonable legal fees, attorneys' fees and court costs), even if a legal action or other proceeding is not filed.
- 22.10 Subject to Section 20, each of the parties irrevocably and unconditionally agrees that any suit, action or legal proceeding involving any Dispute must be brought only in the federal and state courts of record for the state and county where our principal office is located when the proceeding is filed; consents to the jurisdiction of these courts in any suit, action or proceeding; and waives any objection he, she or it may have to venue in any of these courts.
- 22.11 Except as otherwise stated in this Agreement, no remedy conferred on any party is exclusive of any other remedy. Every remedy is cumulative and is in addition to every other remedy under this Agreement or applicable law or in equity.

- 22.12 This Agreement is not binding until it is signed by our respective duly authorized officers.
- 22.13 Whenever our consent or approval is required under this Agreement, our consent or approval must be in writing and signed by our duly authorized officer.
- 22.14 Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) or the United States Arbitration Act (9 U.S.C. §§ 1 et seq.), this Agreement and any related agreement must be construed and enforced under the internal laws of the state where our principal office is located when this Agreement is signed, without regard to its conflict-of-laws principles.
- 22.15 No party may file mediation, arbitration or litigation of any Dispute more than one year after the facts underlying the Dispute occur.
- 22.16 Each of the parties was, or had the opportunity to be, represented by their own counsel throughout the negotiations and signing of this Agreement and all the other documents signed with this Agreement. Therefore, none of the parties may claim or assert that any provision of this Agreement or of the other documents should be construed against the drafter.
- 22.17 This Agreement, its exhibits and all other written agreements involving this Agreement and referenced in this Agreement, represent the entire understanding and agreement between the parties on the subject of this Agreement and replace all other negotiations, understandings and representations made between the parties. No representations, inducements, promises or agreements, oral or otherwise not written in this Agreement, its exhibits and all other written agreements concerning this Agreement are of any force and effect. Notwithstanding, nothing in this Agreement will disclaim or require you to waive reliance on any representation we made in the Franchise Disclosure Document (including exhibits and amendments) delivered to you or your representative before you signed this Agreement.
- 22.18 All of our and your respective obligations that expressly or by their nature survive the expiration or termination of this Agreement continue in full force and effect after and notwithstanding its expiration or termination.
- 22.19 Neither we nor you will be liable for loss or damage, or deemed in breach of this Agreement, if failing to perform our or your obligations results from causes beyond our or your reasonable control, such as computer malfunctions, extreme weather and climatic conditions, inadequate supply of equipment or energy, compliance with applicable law, war, acts of terrorism, strikes, or acts of God.
- 22.20 If you consist of more than one person, the reference to “you” in this Agreement refers to either or all of the persons; provided, however, all persons are jointly and severally liable for your obligations under this Agreement.
- 22.21 Except as provided in this Section and elsewhere in this Agreement to the contrary, nothing in this Agreement, whether express or implied, confers any rights or

remedies under or by reason of this Agreement on any persons (including other Jan-Pro branded regional developers and unit franchisees) other than the parties and their respective personal or legal representatives, heirs, successors, and permitted assigns. However, JPI is a third-party beneficiary under this Agreement to enforce its trademark rights and may independently enforce your obligations on usage of the Proprietary Marks in its own name, even if we don't do so.

- 22.22 If you default in performing any of your obligations under this Agreement, we have the right (but not the duty) to arrange for third parties to perform your obligations. If we do, you must immediately reimburse us for the actual costs of this performance. Interest accrues on all amounts due to us under this Section at the Contract Interest Rate beginning ten days after our demand for reimbursement.
- 22.23 *The parties mutually and willingly waive any right to, or claim for, any punitive or exemplary damages against the other, even if authorized by statute. In a dispute between the parties, each is limited to recovering only its actual damages. You also willingly waive any claim you may later have for any damages resulting from your being classified as our employee instead of our franchisee, including, for example, lost wages, minimum wages, overtime wages, etc. Notwithstanding, if an arbitrator or court of competent jurisdiction finds that you are our employee or JPI's joint employee, you agree that you will return to us all payments that we made to you to the extent that these payments exceed what you would have earned at the applicable minimum wage.*
- 22.24 *The parties mutually and willingly waive the right to a trial by jury of all claims made between them, whether now existing or later arising, including all claims, defenses, counterclaims, cross claims, third-party claims and intervenor's claims, whether arising from or related to the sale, negotiation, signing or performance of the transactions to which this Agreement relates. None of the parties' respective claims may be litigated on a class-wide basis, nor joined with any third-party claim.*
- 22.25 All of your legal and beneficial owners must sign the Joinder below. By doing so, each owner agrees that he or she is bound by this Agreement as if he or she were you under this Agreement and agrees that he or she is jointly and severally liable with the other owners and you for all of your obligations under this Agreement. All Restricted Parties (other than you and your owners) must sign the Restricted Party Joinder provided below.
- 22.26 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No Statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement to the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including

fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Franchise.

22.27 Personal Information Privacy. We have the right, and you hereby consent, to us using and disclosing all personal information collected from you and your owners for any purpose connected with the System, and this Agreement and its enforcement, including providing or listing contact information for you and your owners and management employees for System communication purposes, including with landlords and other suppliers of goods or services, or prospective franchisees; posting on franchise system websites listing franchisees; in or in connection with our or JPI's disclosure documents and, where applicable, prospectuses, statements of material facts and other securities filings and documents; and making reports or information received from you pertaining to the Franchise, or portions thereof or extracts therefrom, available for inspection by prospective franchisees, to substantiate information contained in our or JPI's disclosure documents for prospective franchisees regarding the subject matter of such reports or information, as the same pertain to the Franchise or the System in general. We may also share such personal information where needed with our professional advisors, lenders or affiliates or under agreements with third parties relating to the Franchise or the System. We may give access to or transfer our files containing such personal information to a prospective purchaser or purchaser of the franchise system. You are responsible to obtain any required consents from your owners and management employees as may be necessary for it to comply with these provisions.

The parties are signing this Agreement on the Effective Date.

GUARANTY AND ASSUMPTION OF OBLIGATIONS

This Guaranty and Assumption of Obligations (“**Guaranty**” or “**Agreement**”) is given this ____ day of _____, 20____ (the “**Effective Date**”) by (list each guarantor):

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the “**Franchise Agreement**”) dated as of the Effective Date by **Jan-Pro Regional Franchise Developer**] (“**we**,” “**us**” or “**Franchisor**”), each of the undersigned individuals (“**Owners**”), who constitute all of the owners of a direct or indirect beneficial interest in franchisee (“**Franchisee**”), as well as their respective spouses, personally and unconditionally: (a) guarantees to Franchisor and Franchisor’s successors and assigns, and Jan-Pro Franchising International, Inc. (“**JPI**”) for those obligations where JPI is a third-party beneficiary (including, but not limited to, indemnification obligations), for the term of the Franchise Agreement (including, but not limited to, extensions) and afterward as provided in the Franchise Agreement, that they will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement); and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, but not limited to, the non-competition, confidentiality, transfer and arbitration requirements. Owners are the beneficial owners or spouses of the beneficial owners of all of the equity interest, membership interest, or other equity controlling interest in Franchisee and acknowledge there are benefits received and to be received by each Owner, jointly and severally, and for themselves, their heirs, legal representatives and assigns. Franchisee’s obligations under the Franchise Agreement, including the confidentiality and non-solicitation obligations, would be of little value to us if Franchisee’s Owners were not bound by the same requirements. Under the provisions of the Franchise Agreement, Owners are required to enter into this Guaranty as a condition to our entering into the Franchise Agreement with Franchisee.

Under the Franchise Agreement, we will provide Franchisee with specialized training, proprietary trade secrets, and other confidential information (“**Confidential Information**”) relating to the establishment and operation of a Jan-Pro Cleaning & Disinfecting™ unit franchisee business. The provisions of the Franchise Agreement governing Franchisee’s non-disclosure obligations relating to our Confidential Information are hereby incorporated into this Guaranty by

reference, and Owners agree to comply with each obligation as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will also be deemed Confidential Information for purposes of this Guaranty. The obligations and waivers set forth in Section 10 of the Franchise Agreement regarding audits of books and records and the disclosure of tax returns are hereby incorporated into this Guaranty and each Owner is personally bound by the obligations therein and consents to and hereby waives all applicable tax privileges.

Owners acknowledge that they could circumvent the purpose of this Guaranty by disclosing Confidential Information to an immediate family member (i.e., spouse, parent, sibling, child or grandchild). Owners also acknowledge that it would be difficult for us to prove whether Owners disclosed the Confidential Information to family members. Therefore, each Owner agrees that he or she will be presumed to have violated the terms of this Guaranty if any member of his or her immediate family uses or discloses the Confidential Information or engages in any activities that would constitute a violation of the covenants listed in the paragraphs below, if performed by Owners. However, Owners may rebut this presumption by furnishing evidence conclusively showing that Owners did not disclose the Confidential Information to the family member.

Owners acknowledge that as a participant in our system, they will receive proprietary and Confidential Information and materials, trade secrets and the unique methods, procedures and techniques which we have developed. The provisions of the Franchise Agreement governing Franchisee's restrictions on competition and solicitation both during the term of the Franchise Agreement and following the expiration or termination of the Franchise Agreement are hereby incorporated into this Guaranty by reference, and Owners agree to comply with and perform each such covenant as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement.

The parties agree that each such covenant related to non-competition and non-solicitation will be construed as independent of any other covenant or provision of this Guaranty. If all or any portion of a covenant referenced in this Guaranty is held unreasonable or unenforceable by a court or agency having valid jurisdiction in a final decision to which we are a party, Owners agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Guaranty.

Additionally, we have the right, in our sole discretion, to unilaterally reduce the scope of all or part of any covenant referenced in this Guaranty without Owners' consent (before or after any dispute arises), effective when we give Owners written notice of this reduction. Owners agree to comply with any covenant as so modified. Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may

from time to time grant to Franchisee or to any other person, including, but not limited to, the acceptance of any partial payment or performance or the compromise or release of any claims (including, but not limited to, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Franchise Agreement (including, but not limited to, extensions) for so long as any performance is or might be owed under the Franchise Agreement by Franchisee or its Owners, and for so long as Franchisor has any cause of action against Franchisee or its Owners; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Franchise Agreement and, despite the transfer of any interest in the Franchise Agreement or Franchisee, each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments or transfers.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned will be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (ii) all rights to require Franchisor to proceed against Franchisee for any payment required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Franchisor; and (iv) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor will have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Franchise Agreement.

If Franchisor is required to enforce this Guaranty in a judicial or arbitration proceeding, and prevails in such proceeding, Franchisor will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal

counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned must reimburse Franchisor for any of the above-listed costs and expenses Franchisor incurs.

Subject to the arbitration obligations and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Franchise Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be commenced in the state or federal court of general jurisdiction in the location of Franchisor's headquarters (which is currently [insert city & state of your franchised business location]), and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of, or venue in, those courts. Nonetheless, each of the undersigned agrees that Franchisor may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he or she is domiciled.

Owners must indemnify, defend and hold harmless us, JPI, all of our and their affiliates, and the respective shareholders, directors, partners, employees and agents of such entities, against and from all losses, damages, costs and expenses which we or they may sustain, incur or become liable for by reason of: (a) Franchisee's failure to pay the monies payable (to us or any of our affiliates) pursuant to the Franchise Agreement, or to do and perform any other act, matter or thing required by the Franchise Agreement; or (b) any action by us to obtain performance by Franchisee of any act, matter or thing required by the Franchise Agreement; or (c) the ownership or operation of the Franchise. Examples of the claims covered by this indemnity include claims relating to: (i) maintaining or operating vehicles; (ii) any Owners or persons working in the Franchise being characterized as our or JPI's employee by any federal, state or local court or agency; (iii) any Owner failing to act as an independent business owner; or (iv) failure to pay any income, unemployment, or payroll tax or file any related return; or (iv) otherwise defaulting under Section 19.2 of the Franchise Agreement.

Upon the death of an Owner, the estate of such Owner will be bound by the obligations in this Guaranty, but only for defaults and obligations hereunder existing at the time of death, and the obligations of any other Owners will continue in full force and effect.

Owners acknowledge and agree that we have granted the Franchise Agreement to Franchisee in reliance on Owners' business experience, skills, financial resources and personal character. Accordingly, Owners agree not to sell, encumber, assign, transfer, convey, pledge, merge or give away any direct or indirect interest in this Franchisee, unless Owners first comply with the sections in the Franchise Agreement regarding Transfers. Owners acknowledge and agree that any attempted transfer of an interest in Franchisee requiring our consent under the Franchise Agreement for which our express written consent is not first obtained will be a material breach of this Guaranty and the Franchise Agreement.

Any notices given under this Guaranty shall be in writing and delivered in accordance with the provisions of the Franchise Agreement. Our current address for all communications under this Guaranty is:

Jan-Pro Franchise Development of [redacted]
[Address]
[City, State, Zip]

The current address of each Owner for all communications under this Agreement is designated on the signature page of this Agreement. Any party may designate a new address for notices by giving written notice to the other parties of the new address according to the method set forth in the Franchise Agreement.

This Guaranty constitutes the entire, full and complete agreement between the parties with regard to the guaranty and related obligations under this Guaranty and supersedes any earlier or contemporaneous negotiations, discussions, understandings or agreements. There are no representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by this Guaranty, other than those in this Guaranty. No other obligations, restrictions or duties that contradict or are inconsistent with the express terms of this Guaranty may be implied into this Guaranty. Except for unilateral reduction of the scope of the covenants permitted in this Guaranty (or as otherwise expressly provided in this Guaranty), no amendment, change or variance from this Guaranty will be binding on either party unless it is mutually agreed to by the parties and executed in writing. Time is of the essence.

Each provision of this Guaranty, and any portions thereof, will be considered severable. If any provision of this Guaranty or the application of any provision to any person, property or circumstances is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Guaranty will be unaffected and will still remain in full force and effect. The parties agree that the provision found to be invalid or unenforceable will be modified to the extent necessary to make it valid and enforceable, consistent as much as possible with the original intent of the parties (i.e., to provide maximum protection for us and to effectuate the Owners' obligations under the Franchise Agreement), and the parties agree to be bound by the modified provisions.

Nothing in this Guaranty is intended to confer upon any person or entity (other than the parties and their heirs, successors and assigns) any rights or remedies under or by reason of this Guaranty.

Any term defined in the Franchise Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

This Guaranty may be executed in counterparts, and each copy so executed and delivered will be deemed an original. This Guaranty is binding on the parties and their respective heirs, executors, administrators, personal representatives, successors and (permitted) assigns.

References to "Franchisor" or "JPI" or "the undersigned" or "you" or "Owner" include the respective parties' heirs, successors, assigns or transferees.

Our failure to insist upon strict compliance with any provision of this Guaranty shall not be a waiver of our right to do so. Delay or omission by us respecting any breach or default shall not affect our rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative.

You agree that fulfillment of any and all of our obligations written in the Franchise Agreement or this Guaranty, or based on any oral communications which may be ruled to be binding in a court of law, shall be our sole responsibility and none of our owners, officers, agents, representatives, nor any individuals associated with us shall be personally liable to you for any reason.

In the event of any discrepancy between this Guaranty and the Franchise Agreement, this Guaranty shall control.

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature as of the Effective Date.

EXHIBIT A TO UNIT FRANCHISEE FRANCHISE AGREEMENT

PROMISSORY NOTE

\$ _____, 20__

1. **Principal and Payment.** FOR VALUE RECEIVED, the undersigned, [Insert entity name of franchisee], a(n) [Insert franchisee entity state of formation/incorporation] [Insert franchisee entity type] (“**Maker**”), promises to pay to [Insert your entity name], a(n) [Insert your entity state of formation/ incorporation] [Insert your entity type] (“**Holder**”), at [Insert your entity address] (or at any other place as Holder specifies in writing), without deduction, abatement or offset in lawful money of the United States of America, the principal amount of \$ _____, with interest at the rate of 10% per year. Maker must pay Holder the principal and interest in _____ equal monthly installments of \$ _____, beginning on _____, 20____, and continuing on the 10th day of each consecutive month until _____, 20____, when this Note must be paid in full.

2. **Franchise Agreement.** This Note is being issued with a Franchise Agreement by Holder, as franchisor, and Maker, as Unit Franchisee (the “**Franchise Agreement**”). Unless defined otherwise in this Note, capitalized terms have the meanings given them in the Franchise Agreement.

3. **Guaranty.** Payment and performance of Maker’s obligations under this Note are secured by the written guaranty (the “**Guaranty**”) signed by _____ (“**Guarantor(s)**”).

4. **Application of Payments.** Holder may, in its sole discretion, credit any payment made under this Note (whether made when due or otherwise) first against any interest then due, and the remainder against the unpaid principal or any other amount due under this Note.

5. **Default and Acceleration.** Each of the following is an “**Event of Default:**”
- a. Maker fails to timely pay any amount due under this Note (including any principal or interest) or fails to timely perform any other obligation under this Note and that failure continues for ten days after Holder sends Maker written notice of the failure;
 - b. Maker or any Guarantor fails to perform any of their obligations under the Franchise Agreement or Guaranty and this default continues beyond any cure period;
 - c. Maker or any Guarantor transfers any direct or indirect interest in the Franchise Agreement (“transfer” and “direct or indirect interest” are defined in the Franchise Agreement);
 - d. Maker or any Guarantor becomes insolvent or makes a general assignment for the benefit of creditors;

e. A petition in bankruptcy is filed by Maker or any Guarantor or a petition is filed against or consented to by Maker or any Guarantor;

f. A substantial portion of Maker's or any Guarantor's personal property used in the Franchise is sold after levy by any sheriff, marshal or constable;

g. When, in Holder's sole option, your Maker's financial ability becomes impaired or unsatisfactory.

Upon an Event of Default, Holder may declare the entire principal balance of this Note and all accrued interest immediately due and payable. If Maker does not pay principal or interest when due, interest accrues on the unpaid principal from the due date until paid in full at the maximum rate permitted by law (the "**Default Interest Rate**").

6. Miscellaneous Provisions.

a. If Holder exercises no remedy on an Event of Default, the failure does not affect Holder's right to exercise any remedies for any later defaults.

b. Maker and all endorsers and Guarantors of this Note waive valuation and appraisal, demand, presentment, notice of non-payment, dishonor and protest.

c. If suit is brought for the collection of this Note, or if it is necessary to place this Note in the hands of a collection agency or an attorney for collection, whether or not suit is filed, Maker and all endorsers and Guarantors of this Note must pay to Holder its reasonable legal fees, attorneys' fees and paralegals' fees and other expenses for undertaking collection. Amounts due under this paragraph are treated as added to the principal amount due under this Note, with interest accruing thereon at the Default Interest Rate, and are due on demand.

d. The state and county where Holder's principal office is located on the date that the action is filed is the proper and exclusive jurisdiction and venue for any proceedings arising out of this Note. Maker consents, and waives all right to object to, the jurisdiction and venue of the federal and state courts closest to this location. Holder, however, may pursue any remedies in any jurisdiction and venue in which Maker or any Guarantor is located. This Note is to be construed according to the internal laws of the state where our principal office is located when the Franchise Agreement is originally signed, without regard to principles of conflicts of laws.

e. This Note may be prepaid in whole or part without premium or penalty.

f. This Note is "negotiable," which means that the Holder can sell or transfer collection rights to someone else. Holder may assign this Note to any assignee who on assignment succeeds to Holder's rights and status.

g. The following do not release or affect Maker's or any Guarantor's or endorser's liability under this Note:

i. Holder grants Maker, or any other party any renewal of time to pay any sums due under this Note or perform any obligation under this Note or in any other document securing the payment of this Note; or

ii. Holder: (i) releases Maker or any other party; (ii) agrees not to sue Maker or any other party; (iii) suspends the right to enforce this Note against Maker or any other party; (iv) discharges Maker or any other party; or (v) takes or releases any collateral or security.

h. This Note may not be amended or modified, nor may any waiver of any provisions of this Note be affected, except by a written instrument signed by Holder. Maker and all other persons signing this Note have signed this Note as a principal and not as surety or accommodation party.

i. Time is of the essence on all dates in this Note.

j. BY THEIR RESPECTIVE SIGNING AND ACCEPTING THIS NOTE, THE PARTIES MUTUALLY AND WILLINGLY WAIVE THE RIGHT TO A JURY TRIAL OF ANY CLAIMS MADE BETWEEN THEM, WHETHER NOW EXISTING OR ARISING IN THE FUTURE. THESE CLAIMS INCLUDE, WITHOUT LIMITATION, ANY CLAIMS, DEFENSES, COUNTERCLAIMS, CROSS-CLAIMS, THIRD-PARTY CLAIMS AND INTERVENOR'S CLAIMS, WHETHER ARISING FROM OR RELATED TO THE NEGOTIATION, SIGNING AND PERFORMANCE OF THE TRANSACTIONS TO WHICH THIS NOTE RELATES. NONE OF THE PARTIES' RESPECTIVE CLAIMS MAY BE LITIGATED ON A CLASS-WIDE BASIS, NOR JOINED WITH ANY THIRD-PARTY CLAIM.

1. In consideration of, and as an inducement to, our accepting from [Insert entity name of franchisee], a(n) [Insert franchisee entity state of formation/incorporation] [Insert franchisee entity type] (“**you**”) the promissory note you are issuing to us (the “**Promissory Note**”) to evidence certain amounts you must pay to us under the Unit Franchisee Agreement you and we are entering into (the “**Franchise Agreement**”), each of the undersigned, personally and unconditionally guarantees to us, and our successors and assigns, that:

a. you must pay and perform all of your obligations under the Promissory Note (the “**Obligations**,” which obligations include, without limitation, the obligation to pay all principal and interest due thereunder); and

b. he or she is bound by each of the Obligations as if he or she were the maker under the Promissory Note; and

c. he or she is personally liable for your breach of any of your Obligations.

2. Each of the undersigned waives:

a. acceptance and notice of acceptance by us of the foregoing undertakings;

b. notice of demand for payment of any indebtedness or nonperformance of any obligation guaranteed under this Guaranty;

c. protest and notice of default to any party regarding the indebtedness or nonperformance of any Obligations;

This Guaranty is a guaranty of payment and not of collection. This Guaranty is irrevocable and continues in full force and effect until all of the Obligations are paid, performed and discharged. We, however, may pursue any remedies in any jurisdiction and venue in which any Guarantor is located. This Guaranty is to be construed according to the internal laws of the state where our principal office is located when this Guaranty is signed, without regard to principles of conflicts of laws.

IN WITNESS WHEREOF, each of the undersigned has signed this Guaranty on the date provided in the first paragraph of this Guaranty.

UNIT FRANCHISE AGREEMENT

This Unit Franchise Agreement (the “**Agreement**”) is made as of the effective date stated on the Summary Page (“**Effective Date**”) between [insert your complete legal name] (doing business as Jan-Pro Franchise Development of [insert your d/b/a]), a(n) [insert your state of formation] [insert your type of business entity] (“**we**,” “**us**” or “**our**”) and the person or corporation or limited liability company (an “**Entity**”) identified on the Summary Page as Franchisee (“**you**” or “**your**”).

A. We are the Regional Franchise Developer under a Regional Franchise Development Agreement with Jan-Pro Franchising International, Inc. (“**JPI**”) within the territory identified on the Summary Page (“**Territory**”).

B. We grant unit franchises for independent businesses that offer janitorial and related services (the “**Franchise**”) under the Jan-Pro Cleaning & Disinfecting system of brand specifications and operating procedures (the “**System**”), and the service mark JAN-PRO CLEANING & DISINFECTING™ (the “**Proprietary Marks**”). The System and Manuals do not include any employment policies, procedures or samples that we make available for your optional use.

C. You want to purchase a Franchise from us to operate your business under the System and the Proprietary Marks.

D. We accept you as a franchisee under the terms of this Agreement.

You and we agree:

1. GRANT OF FRANCHISE

1.1 We grant you a Franchise to use the System and the Proprietary Marks under the terms of this Agreement. Your Franchise will provide janitorial and related services under the Proprietary Marks for one or more customer accounts that you own, engage and/or service in the Territory (“**Accounts**”). Accounts include Initial Plan Accounts as defined in Section 1.2, Additional Accounts as defined in Section 4.1 and Self-Acquired Accounts as defined in Section 1.6. You agree to operate your Franchise under this Agreement. You agree that you will not perform janitorial and related services under the Proprietary Marks either outside of the Territory or outside of this Agreement.

1.2 If you have elected to contract with us for the purchase of one or more Accounts in the Territory (“**Initial Plan Accounts**”) that are estimated to generate the Account Gross Billings (as defined below in this Section), the Initial Plan is stated on the Summary Page. We will offer these Initial Plan Accounts within the number of business days stated on the Summary Page after the Start Date (as defined below in this Article) to fulfill your purchase of Accounts as part of your Initial Plan.

1.2.1 “**Account Gross Billings**” are the total estimated annual service revenues from any Account or Accounts we provide to you.

1.2.2 The “Start Date” is the date on which you have: (a) entered into this Agreement (and each owner of the business entity has signed the Guaranty agreement); (b) obtained all licenses and permits required by law to operate your Franchise; (c) obtained your initial equipment and supplies; (d) obtained the required insurance (described in Article 14); (e) successfully completed our Certification Program (defined in Section 7.1); and (f) fulfilled any other reasonable conditions that we require. We will not offer you Accounts until you complete these items.

1.2.3 We may extend the time within which we must offer the Initial Plan if:

1.2.3.1 any of your Accounts cancels due to your Misconduct (as defined below). We may require you to prove that you understand the brand standards which are set forth in the System’s procedures and requirements, either by completing our workshop or by other reasonable means. In this case, the time for us to offer the Initial Plan is extended until you prove your understanding to our satisfaction.

1.2.3.2 you default under any term of this Agreement or any other agreement with us. In this case, the time for us to offer the Initial Plan is extended until you cure your defaults to our reasonable satisfaction.

“Misconduct” means any conduct by you or your employees or contractors that damages the goodwill of the brand, including, but not limited to: faulty workmanship, fraud, theft, dishonesty, providing services in a manner reasonably unsatisfactory to one or more of your customers, engaging in unlawful activity on a customer’s premises, bringing non-employees (or non-contractors) onto your customers’ premises (such as children), or otherwise defaulting under this Agreement or the service contract with your customer.

We do not represent or guaranty that any Accounts will be profitable or that the Account Gross Billings initially estimated will be the actual Account Gross Billings you receive. You agree that the profitability of your Franchise depends on many factors, such as the efficiency and skill of your workforce and your business ability to manage your expenses and day-to-day operations.

1.3 If you accept an Account, you own that Account. Your Accounts remain your property unless repossessed or transferred as provided in this Agreement or by operation of the terms of the Account contract. You may review each Account offered and choose whether you want that Account. You are not required to acquire any Accounts. You may reject any Account or stop servicing any Account. If you reject an Account offered under your Initial Plan, or stop servicing an Account offered under your Initial Plan due to your customer’s nonpayment, we will replace the value of that Account, but not necessarily within the original time period under your Initial Plan. In this case, we will replace the value of that Account within a reasonable time period.

1.4 If, within the first year after you accept an Initial Plan Account from us, the Initial Plan Account is terminated for other than your documented Misconduct, or if you stop servicing your customer due to the customer's nonpayment (a "**Terminated Account**"), we will not refund the Initial Franchise Fee (as defined below in Section 3) you paid, but we will, within a reasonable time period, offer a replacement Account(s) as follows:

1.4.1 We can offer replacement Accounts that are equal to, or more than, the full Account Gross Billings of the Terminated Account. In this case, our replacement obligation ends 12 months from *the Terminated Account's start date*; or

1.4.2 We can offer replacement Accounts that are equal to, or more than, the remaining Account Gross Billings of a Terminated Account that was a replacement Account. In this case, our replacement obligation ends 12 months from the *replacement Account start date*.

If an Initial Plan Account has Account Gross Billings that are greater than the amount required to be offered under the Initial Plan, or a replacement Account offered under Section 1.4 has Account Gross Billings that are greater than the Terminated Account, you must pay us a Sales and Marketing Fee (as defined below in Article 4) for the excess value as provided in Article 4.

1.5 If your Initial Plan Account terminates your services at any time after one year from the date you begin providing services for that Account, we are not obligated to refund any portion of the Initial Franchise Fee or to replace that Account for any reason. In addition, we are not obligated to refund any portion of the Initial Franchise Fee if a Self-Acquired Account (as defined below) terminates your services at any time for any reason.

1.6 If you have elected *not* to contract with us for the purchase of one or more Accounts in the Territory, you must contract with and begin servicing at least one Self-Acquired Account within [] business days after the Start Date. "**Self-Acquired Accounts**" are customer accounts we have not offered to you, or that you procured without our assistance, but that you are servicing under the Proprietary Marks. The Self-Acquired Accounts will remain your property unless repossessed or transferred under this Agreement or by operation of the terms of the Self-Acquired Account contract.

2. INITIAL AND RENEWAL TERMS

Term of Agreement: This Agreement is for a(n):

- Initial Term
- Renewal Term No. ____

- 2.1 The initial term of this Agreement (the “**Initial Term**”) expires five years after the Effective Date. “**Term**” means the Initial Term and any Renewal Term.
- 2.2 You may renew your franchise two times for five years each (each, a “**Renewal Term**”). You may do so only by satisfying all of the following conditions:
 - 2.2.1 you deliver written notice to us at least six months, but not more than 12 months, before the Term expires;
 - 2.2.2 you have been in compliance with this Agreement, the Operation Manual (as defined in Section 12.1) and all other agreements between you and us or our affiliates, or if any defaults have occurred, the defaults have been resolved to our satisfaction;
 - 2.2.3 you make all payments you owe to us and our affiliates (including under any promissory note or other indebtedness);
 - 2.2.4 you sign our new form of unit franchise agreement and all related agreements for the Renewal Term, and this new unit franchise agreement may have materially different terms and conditions, such as a greater Royalty Fee (as defined below in Article 5), etc. from this Agreement;
 - 2.2.5 you meet our then-current requirements for new franchisees, and you attend, or one of your officers or managerial personnel attend, any required orientation, workshop, or similar class;
 - 2.2.6 you pay us a Renewal Fee of \$750 (the “Renewal Fee”) prior to the start of the Renewal Term; and
 - 2.2.7 you sign a general release (in form and substance satisfactory to us and JPI) of all claims against us, our affiliates, and JPI, its affiliates, and our and their respective officers, directors, owners, agents and employees.
- 2.3 At the end of the second Renewal Term, we may elect to offer a successor franchise agreement. The successor franchise agreement is not a renewal and may (and probably will) differ materially from this Agreement in financial and other ways and terms.

3. INITIAL FRANCHISE FEE

- 3.1 When you sign this Agreement, you must pay us the initial franchise fee stated on the Summary Page (the “**Initial Franchise Fee**”). If any portion of the Initial Franchise Fee is financed, you must sign a promissory note (the “**Promissory Note**”) and all of your owners must sign a Guaranty (the “**Guaranty**”).
- 3.2 Except as provided in this Section, the Initial Franchise Fee is nonrefundable. If you elected to purchase Initial Plan Accounts and we don’t offer you Initial Plan Accounts with Account Gross Billings required by Section 1.2 within the time

provided, we will reduce your Initial Franchise Fee by an amount equal to the “Adjustment Amount.” We will apply the Adjustment Amount first to reduce any amounts you owe us (including under a Promissory Note) and any remaining amount will be refunded to you. The “**Adjustment Amount**” is the difference between the amount of your Initial Franchise Fee and the amount of the Initial Franchise Fee for the Accounts we actually offered. If the Initial Plan we offered differs from a standard Initial Plan we offer, we will use a marginal rate calculation to determine that Initial Franchise Fee. We will deduct all amounts you owe us (including under a Promissory Note) from any refund.

4. ADDITIONAL CUSTOMER ACCOUNTS

- 4.1 We provide sales and marketing services for you on a commission basis for any Additional Accounts offered to you as set forth in this Section. Our sales and marketing services are performed on your behalf and are based on your direction as to the type of accounts and price at which you are willing to service those accounts. We may offer Additional Accounts (not included in the Initial Plan) to you (“**Additional Accounts**”). You may review any proposed Additional Account and determine whether you want to accept it. If you want to accept the Additional Account, you must pay us a sales and marketing commission/fee (the “**Sales and Marketing Fee**”) for the value of the services we provide in the acquisition and negotiation of the Account on your behalf. When you accept an Additional Account, you own that Additional Account. Your Additional Accounts remain your property unless repossessed or transferred as provided in this Agreement or by operation of the terms of the Account contract.
- 4.2 The Sales and Marketing Fee for each Additional Account is determined by your total Annualized Billings. “**Annualized Billings**” means the product of 12 times your total Gross Billings (as defined below in Section 5) for the month prior to the month in which you are acquiring the Additional Account(s).
 - 4.2.1 If your Annualized Billings are less than \$20,000, the Sales and Marketing Fee is five times the Additional Account’s monthly Account Gross Billings.
 - 4.2.2 If your Annualized Billings are \$20,000 or more, the Sales and Marketing Fee is four times the Additional Account’s monthly Account Gross Billings.
- 4.3 You must pay us the Sales and Marketing Fee under any method below you choose:
 - 4.3.1 You may pay the entire Sales and Marketing Fee prior to or at the time you receive the Additional Account(s) and receive a 10% discount on the Sales and Marketing Fee.
 - 4.3.2 You may pay the Sales and Marketing Fee in four consecutive equal monthly installments with our receipt of those installments (in addition to any other amounts you then owe us) being deducted from the next four payments we collect for you from all of your Accounts. If the next four collected payments do not satisfy the Sales and Marketing Fee (and the

other amounts), we may either require you to pay the balance due on demand or deduct the balance due from amounts we later collect from your Accounts.

4.3.3 You may finance the Sales and Marketing Fee by making a down payment and financing the balance of the Sales and Marketing Fee. Under this loan option, you must sign a Promissory Note and all of your beneficial and legal owners must sign a Guaranty.

4.4 If any Additional Accounts become Terminated Accounts during the Replacement Obligation Period (as defined below) for any reason other than your documented Misconduct, we will replace the Terminated Account with an Additional Account(s) within a reasonable time period.

4.4.1 The “**Replacement Obligation Period**” is 12 months from when you start providing services for the Additional Account if you paid the Sales and Marketing Fee under Sections 4.3.1 or 4.3.2; or six months if you pay the Sales and Marketing Fee in any other manner.

4.4.1.1 If we offer replacement Accounts that are equal to, or more than, the full Account Gross Billings of the Terminated Account, the Replacement Obligation Period continues to run from the *Terminated Account’s start date*; or

4.4.1.2 If we offer replacement Accounts that are equal to, or more than, the remaining Account Gross Billings of a Terminated Account that was a replacement Account, the Replacement Obligation Period begins again from the *replacement Account’s start date*.

4.4.2 If any replacement Account offered under this Section becomes a Terminated Account during the Replacement Obligation Period, we will offer to replace the Terminated Account by offering Account(s) for the remaining obligation period consistent with this Section.

4.4.3 If an Additional Account is terminated after the Replacement Obligation Period expires, we are not required to replace it for any reason.

5. **CONTINUING FEES**

5.1 You must pay us a monthly, nonrefundable royalty fee of 10% of your Gross Billings for the previous month (the “**Royalty Fee**”) during the Term. “**Gross Billings**” means the total revenues due from each Account (including Additional Accounts and Self-Acquired Accounts) for all services you provide under the Proprietary Marks during a calendar month.

5.2 You must pay us an administrative fee (“**Administrative Fee for Special Services**”) of 10% of your Gross Billings for Special Services for the previous month. “**Special Services**” are special or isolated cleaning services performed

under one-time, short-term and/or nonrecurring contract(s) that you accept. These services may include, for example, carpet cleaning and extraction, floor stripping and refinishing, disinfection services, or initial cleaning. Amounts due from customers for Special Services are included in Gross Billings; however, they are separately reported and invoiced.

- 5.3 You must pay us a monthly National Account (as defined below) support fee of 1% of Gross Billings from National Accounts for the previous month (the “**National Account Support Fee**”). This fee is in addition to the Royalty Fee due on Gross Billings from National Accounts. A “**National Account**” is a national or regional account referred from JPI’s affiliate.
- 5.4 The Royalty Fee, Administrative Fee for Special Services, National Account Support Fee, and any other fee due under this Agreement, must be paid to us on or before the 10th day of each month based on the previous month’s Gross Billings. Unless you and we otherwise agree pursuant to the Support Services Agreement or otherwise in writing, you will pay all amounts owed to us via credit card, electronic transfer of funds, or another method of payment we designate. You must sign any forms or agreements we require to permit payment and transfer of funds.
- 5.5 You may not deduct any amount (whether for reduction, setoff, defense or counterclaim) from any payment you owe to us.
- 5.6 We may set off and/or apply any payments you make in any way we choose, including to any past due indebtedness you owe to us.
- 5.7 If you are late with any payment you owe to us, we will charge you interest at the lesser of: (i) 18% per annum; or (ii) the maximum rate allowed by applicable law (the “**Contract Interest Rate**”). You must pay us this interest on demand. Interest accrues from the due date until the amount is paid in full.

6. SECURITY AGREEMENT

As security for all of your monetary and other obligations to us or our affiliates under this Agreement or any other agreement (including under any Promissory Note you sign), you grant to us (and to JPI for indemnity obligations of which JPI is a third-party beneficiary under this Agreement) a first-priority security interest in all of your assets used in your franchised business. These assets include all equipment, inventory, agreements, contracts, your Accounts, your accounts receivable, and all other property you now own or later acquire, used in your franchised business. You must sign all documents necessary to prove the security interests granted in this Agreement.

7. OUR BUSINESS AND MANAGEMENT SERVICES

- 7.1 To maintain the uniformity of the System and protect the integrity of the Proprietary Marks, you must operate your Franchise according to the System’s policies, procedures and operational standards. We will provide you with a comprehensive initial certification program on the Jan-Pro Cleaning & Disinfecting brand

standards (the "**Certification Program**"). We will provide this program for up to four approved people without charge. We may charge a reasonable fee for additional individuals that attend the Certification Program. The Certification Program includes video, classroom and on-site expert consultation. You may request our additional assistance, which we may provide if we can reasonably accommodate your request. We may introduce new methods and materials through personal consultation, group seminars, advanced Certification Program modules, and other programs. There is no cost to you for personal consultations and group seminars or for mandatory additional instruction. At your request, we may consult with you on business and operational problems, and assist you to analyze your revenues and financial data. At all times, you remain responsible for the day-to-day operations, including but not limited to all employment decisions involving your franchise, such as hiring, firing, disciplining, setting compensation and benefits, and supervising performance.

7.2 You, as an independent operator of your Franchise, must and do control your day-to-day business activities and make strategic, operational, managerial, and other business decisions as you see fit, as long as you comply with this Agreement and act in a way consistent with the System and in a manner that preserves the integrity of the Proprietary Marks in order to protect the goodwill of the brand. You have discretion over aspects of your franchised business, such as:

7.2.1 staffing decisions, supervision and other issues related to your staff;

7.2.2 scheduling (however, you should confer with your Accounts about their preferences);

7.2.3 which Accounts you wish to accept, own and service; and

7.2.4 your strategy and method of business expansion, and negotiation and acquisition of Self-Acquired Accounts.

8. OPERATING STANDARDS

8.1 You acknowledge that the goodwill associated with the Proprietary Marks and the success of franchises in the System depends on a consistently high standard of excellence in cleaning, maintenance, disinfection, sanitization services, customer service, and uniform practices across Franchises. You desire to benefit from this goodwill and the industry expertise inherent in the System's methods and practices. Therefore, you must attend, or at least one of your managerial personnel (satisfactory to us), must attend and successfully complete the Certification Program and any other seminars, sessions, programs, consultations and advanced instructional modules we deem necessary. If we, in our sole judgment, determine that you have failed to adequately familiarize yourself with the System, including your satisfactory participation in the Certification Program and other required instruction on the System and its methods, we may, at your expense (including our then standard consultation or Certification Fees), require you to retake the

Certification Program, or we may terminate this Agreement. We will conduct all of these programs and seminars at the times and locations we reasonably determine.

- 8.2 You have the sole responsibility to hire and maintain your staff of qualified and competent employees. You are solely responsible for all of your hiring decisions and for all obligations arising from your relationship with your employees. If required by your customer, you must perform employee background checks or make other requested assurances to customers as to your employees and their eligibility to perform work for a customer (e.g., compliance with a drug and alcohol policy), and you must certify to us and to the customer that any employees permitted on your customer's premises have successfully completed the background check or otherwise satisfied all lawful customer requirements. You also must obtain from each of your employees a signed statement, in a form that we approve, in which the employee acknowledges that you are their employer, not us or JPI. You must devote your best efforts to managing and operating your Franchise to protect the goodwill associated with the Proprietary Marks.
- 8.3 Except for Initial Plan Accounts and Additional Accounts (if any), you are responsible for all Account solicitation, management, and services, including identifying potential Accounts, contracting with Accounts, setting rates, addressing complaints, billing and collecting, keeping your agreed schedule with your Accounts, notifying your Accounts before any scheduled services you will miss, and scheduling a substitute cleaning service if an Account requests, in order to protect the goodwill of the brand.
- 8.4 You are responsible for all keys and other methods of access to your Accounts' premises and for exercising reasonable security procedures and observing all security procedures that your Accounts require.
- 8.5 To ensure that you deliver high quality cleaning, maintenance, disinfection, sanitization (commercial and residential), and other services in a manner consistent with the goodwill associated with the Proprietary Marks, you must purchase or lease equipment, chemicals, supplies, inventory, and any other products and services used to operate the Franchise only under our written specifications. We may alter these specifications in writing.
 - 8.5.1 You must, before the Start Date, purchase the initial equipment and supplies (the "**Initial Equipment Package**") we require to conduct your Franchise and serve your Accounts according to the System and at the high level of quality necessary to protect the Proprietary Marks. You must purchase your Initial Equipment Package from us or an approved third party within a reasonable time after you complete the Certification Program.
 - 8.5.2 You must, at your expense, thereafter replace equipment and supplies as needed.

- 8.6 If you propose to purchase or lease any equipment, supplies, inventory or other products or services from an unapproved supplier or manufacturer, or that does not comply with our specifications, you must submit to us a written request for our approval, or request the proposed supplier or manufacturer to do so. As a condition of our approval, which we may grant or withhold or revoke in our sole discretion, we may require that our representatives be permitted to inspect the proposed supplier's or manufacturer's facilities, and that samples from the supplier or manufacturer be delivered, at our option, either to us or to an independent certified laboratory we designate for testing. In the case of products involving new specifications, we may also require that samples of the products be delivered either to us or to an independent certified laboratory we designate for testing. We are not liable for damage to any sample that may result from the testing process. You must pay a fee not to exceed the reasonable cost of the inspection and the actual cost of the testing. We may, at our option, re-inspect any approved supplier's facilities and products and continue to sample the products at the supplier's or manufacturer's expense, and revoke approval if the supplier or manufacturer fails to continue to meet our specifications. We may require as a condition of our approval, that the supplier or manufacturer present satisfactory evidence of insurance, such as product liability insurance, protecting us and our franchisees against all claims arising from the use of the supplied item(s) within the System.
- 8.7 You must comply with all federal, state and local laws and regulations that apply to your Franchise (such as OSHA and employment laws), and maintain all permits, licenses or certificates needed to operate your Franchise. You have two days following receipt to forward to us any inspection reports, warnings or ratings that any governmental agency issues that indicate that you did not comply with a law or regulation.
- 8.8 You represent and warrant that you are either a corporation or limited liability company, duly incorporated or formed, validly existing and in good standing under local law. You must remain a corporation or limited liability company, as applicable, in good standing under local law for the entire Term of this Agreement. Prior to beginning operation, you must: (i) obtain a valid federal employer identification number for your business entity; and (ii) deliver proof of a valid and active business checking account with a reputable banking institution in your franchised business's entity name.
- 8.9 You are an independently-owned and operated business and may manage your Franchise and its day-to-day operations as you determine, as long as you comply with this Agreement. You must have at least one person actively involved in the management of your Franchise. This person must be the manager you select and classified as an employee. This person must have successfully completed the Certification Program and other required programs.
- 8.10 As a condition of providing services under the Proprietary Marks and to comply with brand standards regarding service offerings, you must offer for sale all approved services and products for which you have been certified and for which

you have all necessary equipment. You may not provide any services or products under the Proprietary Marks that we have not approved (or for which we have revoked our approval). You must comply with all System customer warranty programs and customer service programs we maintain.

- 8.11 You will not, without our prior written consent, utilize any generative artificial intelligence software, tools, or technologies, including, natural language processing, deep learning algorithms, or machine learning models (collectively, “Generative AI”) directly or indirectly in the operation of the Franchise, including without limitation, in advertising, promotion, or marketing of the Franchise, communications with customers, business planning, analysis or optimization, or in any social media. You acknowledge and agree not to upload or share any Confidential Information (including any inputs of information containing trade secrets, sensitive confidential information or personal information) with any unapproved third-party platforms, including Generative AI, except as authorized in writing by us. In addition, you will prohibit your employees from using any Confidential Information in Generative AI. In the event you utilize any Generative AI, with or without our prior approval, you must comply with all laws applicable to such use, including without limitation, all trademark, copyright, and biometric laws, and must not infringe upon the intellectual property of a third party, or use such intellectual property without appropriate authorization and attribution.

9. CUSTOMER SERVICE STANDARDS

You must, at your expense, provide all labor, materials, tools, supplies and equipment to service your Accounts. You must perform all services in a good and workmanlike manner in compliance with the high standards associated with the Proprietary Marks.

- 9.1 Your ownership of an Account may be immediately repossessed, or immediately transferred to a designated provider, if any of the following occurs:
- 9.1.1 any documented Misconduct occurs involving the Account;
 - 9.1.2 we receive your customer’s written request that its Account be transferred to a different franchisee;
 - 9.1.3 you sell cleaning or similar supplies to your customer outside of this Agreement, service your customer in a capacity other than as our System franchisee (except as permitted under this Agreement), or fail to notify us of all services performed for your customer as required in this Agreement; or
 - 9.1.4 this Agreement is terminated, you violate this Agreement or any other agreement with us, you cease being our franchisee, or otherwise no longer want to service your customer.

If you believe that an Account was repossessed or transferred unfairly, you may submit to us a written request that we consider special circumstances. We will

consider your request in good faith. You will not receive a refund or reduction of any fees already paid for a revoked Account.

10. ACCOUNTING AND RECORDS

- 10.1 You must maintain complete and accurate books and records for your Franchise's operations. These books and records must contain only information relating to your Franchise. Your books and records must be kept for at least three years (including after this Agreement expires or is terminated) from the dates they were prepared.
- 10.2 By the 10th day of each month, you must submit to us accurate records reflecting the previous month's entire Gross Billings and all other information we require. These records must be on our form. You will provide us with copies of your federal and state income tax returns relating to your Franchise's operations (and hereby waive, to the extent not prohibited by applicable law, any right to object to disclosure of any tax returns). You must also provide to us, upon request, information used to prepare such tax returns. The financial statements and other periodic reports you must provide to us under this Agreement must segregate the Franchise's operations income and related expenses from those of any other business you conduct.
- 10.3 Before you may begin operating your franchised business, you must deliver to us the items described below:
 - 10.3.1 Certificates of insurance or comparable evidence of coverage as required by this Agreement;
 - 10.3.2 A copy of your business license and any mandatory business registrations (you must ensure that a current business license and/or registration is on file with us at all times during the term of this Agreement); and
 - 10.3.3 A copy of your articles of incorporation/organization as filed with the state or your membership or operating agreement (whichever is applicable), and the related state-issued entity/file number and your federal employer identification number.
- 10.4 During the Term and for three years after the expiration or termination of this Agreement, and at our expense, we and our representatives may at any reasonable time on prior written notice to you, examine and copy your books and records (including tax returns and information used to prepare tax returns as noted in Section 10.2, you hereby waiving any applicable privilege that would excuse you from providing such information to us). For purposes of this examination, books and records excludes your employment records for your employees. It is your exclusive responsibility to maintain all employment records in compliance with state and federal law. You agree to maintain all employment records for at least seven years.

11. PROPRIETARY MARKS

- 11.1 You may use the Proprietary Marks only as permitted in this Agreement. We retain the right to use and grant others the right to use the Proprietary Marks. All rights not granted to you in this Agreement concerning the Proprietary Marks remain ours.
- 11.2 You may use the Proprietary Marks only under our standards and specifications. You must:
 - 11.2.1 use the Proprietary Marks only to operate your Franchise. You may not use the Proprietary Marks for any other purpose. You may not use the Proprietary Marks or any reproduction or imitation of the Proprietary Marks in any way likely to cause confusion, mistake or deception, or to create the appearance that any non-authorized service or product is provided by or endorsed by us or JPI.
 - 11.2.2 use the Proprietary Marks as the only trademark identifications for your Franchise (and not use the Proprietary Marks in connection with any other cleaning, disinfecting, or other business that you may own or operate) , and prominently display the Proprietary Marks on or with all materials we designate, and only as we authorize.
 - 11.2.3 not use the Proprietary Marks as security for your obligation or indebtedness.
 - 11.2.4 identify yourself as an independent franchisee and owner and operator of the Franchise when using the Proprietary Marks.
 - 11.2.5 sign all documents we request to protect the Proprietary Marks or to maintain their continued validity and enforceability as trademarks.
 - 11.2.6 not use the Proprietary Marks as part of your Entity name.
 - 11.2.7 not use the Proprietary Marks or any similar names in any advertising or other written promotional materials or on the Internet or other electronic medium, without our prior written approval.
 - 11.2.8 not register any domain name containing the Proprietary Marks or any similar names.
 - 11.2.9 not use or attempt to register any other trademarks, service marks, or other commercial symbols that are the same as or similar to any of the Proprietary Marks.
 - 11.2.10 comply with our instructions on filing and maintaining any required fictitious, trade, or assumed-name registrations for the JAN-PRO CLEANING & DISINFECTING trade name, and sign all documents we or

our counsel deems reasonably necessary to receive protection for the Proprietary Marks and JPI's interest in the Proprietary Marks.

11.2.11 not use our name or logo, or your trade name, on your paystubs, paychecks, checks to your employees, your human resource manuals, employment applications, etc. You must only include your legal name on these documents.

11.3 You must immediately notify us of: (i) any suspected unauthorized use of, or any challenge to the validity or ownership of, the Proprietary Marks; (ii) our right to license or use the Proprietary Marks; or (iii) your right to use the Proprietary Marks. We will defend you against any third-party claim, suit or demand arising out of your use of the Proprietary Marks. If we determine that you have used the Proprietary Marks in accordance with this Agreement, we will pay the cost of this defense, including the cost of any judgment or settlement. If we reasonably determine that you have not used the Proprietary Marks in accordance with this Agreement and that your misuse is a factor in the third-party claim, suit or demand, you must pay the cost of the defense, including the cost of any judgment or settlement. In any litigation involving your use of the Proprietary Marks, you must sign all documents and perform all acts we believe advisable to conduct the defense, including becoming a nominal party to any legal action. Except when litigation results from your use of the Proprietary Marks in a manner inconsistent with this Agreement, we will reimburse you for your out-of-pocket litigation costs to perform these acts.

11.4 Any use of the Proprietary Marks outside this Agreement infringes our and JPI's rights in the Proprietary Marks. Both during and after the Term, you must not, directly or indirectly, infringe, contest, or aid in contesting the validity of, or our or JPI's right to, the Proprietary Marks, or take any other action to damage these rights.

11.5 If, in our sole discretion, we determine it advisable to modify or cease the use of any Proprietary Mark or use one or more additional or substitute names or marks, you must do so at your sole expense within 30 days of our request.

11.6 Except as granted in this Agreement, you have no ownership or other rights in the Proprietary Marks. All goodwill associated with the Franchise inures exclusively to JPI's benefit and is JPI's exclusive property.

12. OPERATIONS MANUAL AND OTHER CONFIDENTIAL INFORMATION

12.1 To protect our and JPI's reputation and goodwill, and to maintain uniform standards of operation under the Proprietary Marks, you must conduct your Franchise as stated in the System manuals (collectively, with all other written specifications, standards and requirements we distribute and as we modify, replace and/or supplement, the "**Operations Manual**"). While you may determine how to best operate your franchised business, as long as your operation complies with this Agreement and ensures the protection of the Proprietary Marks, the Operations

Manual offers a guide for operating within the System and includes both required and recommended methods of operation that comply with this Agreement.

12.2 We will loan you one copy of the Operations Manual (with periodic updates). If any dispute arises about the contents of the Operations Manual, the terms in our master copy of the Operations Manual are controlling. You must report the theft, loss or destruction of the Operations Manual, or any portion thereof, immediately to us. We will then loan a replacement copy to you for \$200 for each replaced Operations Manual. A partial loss or failure to update any Operations Manual is considered a complete loss.

12.3 You must treat and maintain the Confidential Information as our confidential information and trade secrets. “**Confidential Information**” means any knowledge, know-how, technologies, processes, techniques, and any other information not generally known by, or readily available to the general public, or that we designate as confidential, proprietary or trade secrets. Confidential Information includes information relating to customers, Accounts, and the Operations Manual. Without our prior written consent, you must not copy, record or otherwise reproduce any Confidential Information. You must strictly limit access to the Confidential Information to your employees on a “need to know” basis to perform their jobs. You must require all persons to whom you grant access to the Operations Manual or any other Confidential Information to sign a form of confidentiality agreement that we reasonably approve. You must immediately provide us with copies of these signed confidentiality agreements.

13. BRAND STANDARDS AUDITS

To ensure the integrity of the Proprietary Marks and protect JPI’s goodwill, you must permit JPI, us, and our respective representatives to enter your franchised business office or other franchised business premises, and the locations where you perform services for your Accounts, to conduct brand standards audits and to observe your business activities. Upon notice from us or JPI, and without limiting our other rights under this Agreement, you must take all steps necessary to immediately correct any deficiencies found during any brand standards audit that, in our or JPI’s judgment, may diminish the value of or otherwise endanger the Proprietary Marks or JPI’s goodwill.

14. INSURANCE

14.1 You must obtain and maintain the types and amounts of insurance we require. This insurance is in addition to any other insurance that is required by law. The policies we require must be written by an insurance company reasonably satisfactory to us with a Best rating of “A-” or better and, to the extent permitted by law, must name us and JPI as additional insureds. At a minimum, these policies must include:

14.1.1 janitorial bonding of at least \$50,000;

14.1.2 workers' compensation insurance for you and all of your employees with a minimum coverage of the greater of \$100,000 or the minimum state law

coverage, and all unemployment insurance required under state and federal laws to maintain a proper unemployment insurance account;

- 14.1.3 comprehensive general liability insurance covering property damage, loss and personal injury of \$1,000,000 per occurrence, \$2,000,000 in the aggregate, and automobile liability insurance of \$1,000,000 personal injury and property damage insurance; this comprehensive liability insurance may not have an exclusion for property in your care, custody or control; and
- 14.1.4 **[Regional Franchise Developers can mandate the following insurance coverages at their discretion]:**
- 14.1.5 other recommended coverages to match those provided under our group insurance program, including, but not limited to: (i) Care, Custody and Control coverage of \$1,000,000 per occurrence; (ii) lost key coverage up to \$1,000,000 per occurrence; (iii) Work-Site Pollution coverage of \$300,000 per occurrence; (iv) Bond/Customer Loss coverage up to \$50,000 per occurrence; (v) Electronic Data (Software) coverage up to \$50,000; and (vi) Extended Property Damage coverage up to \$1,000,000.

We may change the amounts of insurance coverage required under this Agreement and require different or additional types of insurance, including excess liability insurance and umbrella policies, to reflect inflation, new risks, changes in laws or standards, or other relevant changes.

- 14.2 Before your Start Date, you must provide us with a certificate of insurance showing that you have the insurance required in this Agreement, and (promptly after it is obtained) any additional insurance we may subsequently require. The certificate of insurance must include a statement by the insurer that the policy or policies will not be canceled, subject to nonrenewal, or materially altered without at least 30 days' (ten days for non-payment of premiums) prior written notice to us. Upon our request, you must send us a certificate of insurance showing compliance with Section 14.1.

15. DEFAULT AND TERMINATION

- 15.1 If any of the following occurs, we may immediately terminate this Agreement without notice to you or an opportunity to cure: (i) you become insolvent; or (ii) you file for bankruptcy. You must notify us within three days of any of the events in this Section.
- 15.2 If any of the following events occurs, we may, by written notice but without providing you with any opportunity to cure, immediately terminate this Agreement:
 - 15.2.1 your owner fails to attend and successfully complete, or cause at least one of your managerial personnel satisfactory to us to attend and successfully complete, the Certification Program or any other program required under Section 7.1;

- 15.2.2 you fail to pay us or our affiliate any amount you owe us or them under this Agreement or any other agreement (including under any Promissory Note) within ten days after we deliver a Notice of Default (as defined below);
- 15.2.3 you fail to pay any third-party supplier or creditor any amount due within ten days after we deliver a Notice of Default, unless you notify us there is a good-faith dispute over the amount due and take immediate action to resolve that dispute;
- 15.2.4 you or any of your owners make any material misrepresentation in purchasing the Franchise, including in any franchise application submitted to us;
- 15.2.5 you abandon your Franchise or, for more than seven consecutive days or 14 days in any consecutive 12-month period, you fail to conduct the business of the Franchise (including failing to service any Account for this period);
- 15.2.6 a serious or imminent threat or danger to public health or safety results from operating your Franchise and the threat or danger remains uncorrected for 24 hours after we or any governmental authority delivers written notice of it to you;
- 15.2.7 you do not comply with any part of this Agreement or the Operations Manual, including any safety, sanitation or environmental concerns, or violate any health, safety or sanitation law, ordinance or regulation that may harm the goodwill of the Proprietary Marks, and do not correct the failure or refusal within three days after we or any governmental authority delivers written notice of it to you;
- 15.2.8 you, or any of your officers, directors, owners or managerial personnel commits, is convicted of, or pleads *nolo contendere* to, a felony, a crime of moral turpitude, or any other crime or offense we believe is likely to have a material adverse effect on the goodwill of the Proprietary Marks, unless you immediately and legally terminate that individual as an officer, director, owner or employee and take all other corrective action we deem appropriate to remedy this issue, all such actions being at your sole discretion;
- 15.2.9 you deny us the right to inspect your Franchise or to inspect or audit the sales and accounting records of your Franchise;
- 15.2.10 you, or any of your officers, directors, owners or managerial personnel engages in conduct that reflects unfavorably on you, us, or the Proprietary Marks; or you or any of your officers, directors, owners or managerial personnel engage in conduct that exhibits a reckless disregard for the physical or mental well-being of employees, customers, our representatives, or the public at large (such as theft, battery, assault, sexual harassment or discrimination, racial harassment

or discrimination, alcohol or drug abuse, or other forms of threatening, outrageous or unacceptable behavior);

- 15.2.11 you make a transfer in violation of Section 18;
- 15.2.12 an approved transfer is not completed as required by Section 18.6 following an Owner's death or permanent disability;
- 15.2.13 any breach occurs under Section 12.3 (regarding Confidential Information) or Section 17 ("Noncompetition");
- 15.2.14 you knowingly maintain false books or records, or knowingly submit any false reports to us;
- 15.2.15 you violate Section 11 ("Proprietary Marks") or otherwise impair the goodwill associated with the Proprietary Marks or our or JPI's rights in the Proprietary Marks;
- 15.2.16 you fail to obtain or maintain insurance as required under Section 14;
- 15.2.17 during any 12-consecutive month period, you receive two or more Notices of Default from us, whether for the same or different defaults, even if the defaults were cured; or
- 15.2.18 except as otherwise provided above, you or any of your affiliates default under any other agreement with us or any of our affiliates and the default is not cured as required by the other agreement.

15.3 In addition to the defaults in Sections 15.1 and 15.2, you are in default under this Agreement if you do not comply with any other requirement in this Agreement. Except as provided in Sections 15.1 and 15.2, you have 30 days after we deliver a Notice of Default to cure any default and provide evidence of cure satisfactory to us. If any default is not cured within the time stated in the Notice of Default, or any longer time as applicable law requires, we may immediately terminate this Agreement. To the extent a cure is permitted under this Agreement, you must prove that you properly and timely cured a default. A "**Notice of Default**" is a written notice briefly describing a default under this Agreement.

15.4 The termination of this Agreement does not affect any remedy, right or claim we have against you under this Agreement or in law or equity.

16. OBLIGATIONS ON EXPIRATION OR TERMINATION

On the expiration or termination of this Agreement, all rights granted to you under this Agreement terminate immediately, and this Section applies to the rights and obligations of the parties. This Section is intended to enable us, if we choose, to immediately arrange for the continued servicing of your Accounts by someone other than you.

- 16.1 You must immediately cease operating your Franchise (including servicing any Accounts) that you serviced under the Proprietary Marks. Thereafter, you must not, directly or indirectly, talk or write negatively about us or JPI, or any of the Proprietary Marks, Confidential Information, or any aspect of the System. You may not represent yourself as our present or former franchisee or in any other way associate yourself with the System or the Proprietary Marks. You must immediately cease using all stationery, signage, bills, invoices, and any other materials containing the Proprietary Marks.
- 16.2 You must immediately deliver to your former Accounts all keys, security passes, security codes, and any other means of access to the customers' premises. Before the expiration or sooner termination of this Agreement, when you stop servicing any Account, you must immediately deliver to the customer all of the customer's keys, security passes, etc. If you acquired any Account through us (including Initial Plan Accounts and Additional Accounts), such Account(s) may direct that you deliver the keys, security passes, etc. to us. If you fail to timely do so, you must pay us \$500 for each day you do not comply with this Section. Our damages from your failure to comply with this Section are difficult to ascertain and this amount is liquidated damages and not a penalty.
- 16.3 Within ten days after termination or expiration (or any later date(s) as we determine that amounts are due to us), you must pay us all Royalty Fees, Administrative Fee for Special Services, amounts owed for products or services you purchased from us or our affiliates, and any other unpaid amounts you owe to us or our affiliates (including all outstanding principal and interest due under any Promissory Note you signed).
- 16.4 If you continue to operate, or later operate, any other business, you may not, in that business or the promotion of that business, use any reproduction or imitation of the Proprietary Marks, imitate any methods of operation, or undertake any other conduct likely to cause confusion, mistake or deception, or that is likely to dilute our or JPI's rights in the Proprietary Marks or the System. After expiration or termination, you may not use or attempt to register (or assist any third party to do the same) any trademarks, service marks, or other commercial symbol that are the same as or similar to any of the Proprietary Marks. In addition, you will use no designation of origin or description or representation that falsely suggests or represents an association or connection with JPI, us, or any of our respective affiliates. If you do this, it is unfair competition.
- 16.5 At your expense, you must immediately deliver to us all Confidential Information and information and documents relating to your customers, Accounts, or otherwise to the Franchise (with all copies and any other forms of reproductions of these materials) in your possession or control. All of this Confidential Information, information and documents, and copies thereof, are our exclusive property.

16.6 Within 30 days after the expiration or sooner termination of this Agreement, you must cancel any assumed-name or equivalent registration involving the Proprietary Marks and must furnish us with satisfactory evidence that you have done so.

17. NON-SOLICITATION AND NONCOMPETITION

17.1 We would not be able protect the System and Confidential Information against unauthorized use or disclosure, and would not be able to encourage a free exchange of ideas and information among franchisees within the System if you solicited or otherwise induced Accounts or any other customers you serviced under the Proprietary Marks to be serviced by you or a third party other than a franchisee operating under the System and under the Proprietary Marks.

During the Term and the 12-month period after the expiration or termination of this Agreement, neither you nor any of your owners, officers or directors, or any of their respective spouses, domestic partners or relatives (you and all these other persons, collectively, the “**Restricted Parties**” and, individually, a “**Restricted Party**”) may, directly or indirectly:

17.1.1 solicit or otherwise attempt to induce (by combining or conspiring with), or influence in any other manner any of our Business Affiliates (as defined below) to terminate or modify his, her or its business relationship with us or to compete against us. A “**Business Affiliate**” is any of our employees, officers, directors, agents, consultants, representatives, contractors, suppliers, distributors, franchisees, Initial Accounts or Additional Accounts.

17.1.2 solicit or otherwise attempt to induce or influence in any other manner any Initial Plan Accounts or Additional Accounts (as defined in Section 1.2 and 4.1) to terminate or modify his, her or its business relationship with us.

17.1.3 own, operate, lease, conduct, engage in, be connected with, have any interest in, or assist any person or entity engaged in any cleaning and maintenance business that performs commercial, industrial and institutional cleaning, disinfecting and maintenance services for Initial Plan Accounts or Additional Accounts, as defined at Section 1.2 and 4.1.

17.1.4 interfere with, disturb, disrupt, impair, diminish, or otherwise jeopardize any of our franchisees’ businesses.

This Section does not prevent you from otherwise engaging in competitive activities, such as: (i) providing cleaning or related services for Self-Acquired Accounts or customers who have not in the previous 12 months been serviced by you or any other person under the Proprietary Marks; (ii) procuring and servicing for cleaning and disinfecting services any customer that will receive services from you outside of this Agreement that are not associated with the System or the Proprietary Marks; or (iii) offering to any customers, including customers

otherwise serviced under the Proprietary Marks, services other than janitorial, cleaning, disinfecting, or maintenance services. However, in performing these other services, you must not represent yourself as a franchisee of the System, use the Proprietary Marks in any way, or otherwise claim any affiliation with the Proprietary Marks.

- 17.2 If you violate Section 17.1.1-4, you must pay to us a lump sum payment (as liquidated damages for causing the lost fees and damage to the brand, not as a penalty) in an amount equal to the total of all Royalty Fees and Administrative Fees for Special Services related to those Initial Plan Accounts and Additional Accounts and all Support Services Fees (if any) for a 12 month period based on the average monthly amount of such fees from those Accounts over the three month period prior to the violation of Section 17.1.1-4. The parties agree that a precise calculation of the full extent of the damages that we will incur as a result of your default is difficult and the parties desire certainty in this matter, and agree that the lump sum payment provided under this Section is reasonable in light of the damages that we will incur in this event. This payment is not exclusive of any other remedies that we have.
- 17.3 Both during and after the Term, none of the Restricted Parties may talk or write negatively about JPI, us or our affiliates, or any of our or their respective officers, directors, stockholders, employees or representatives, or any aspect of the Jan-Pro System, or the Proprietary Marks.
- 17.4 You and each Restricted Party agree that the activities prohibited in this Section and the length of the term are necessary to protect our legitimate business interests, including in the Proprietary Marks, and are fair and reasonable. You and each Restricted Party's full, uninhibited and faithful observance of each of the covenants in this Section will not cause undue hardship, financial or otherwise. Your and the other Restricted Parties' special knowledge of the System (and anyone acquiring this knowledge through you or the other Restricted Parties) is such as would cause us and our franchisees serious injury and loss if you or a Restricted Party (or anyone acquiring this knowledge through you or the other Restricted Parties) were to use this knowledge to the benefit of a competitor or to compete with us or any of our franchisees.
- 17.5 If any court or arbitrator finally holds that any term in this Section is an unreasonable restriction on you or the other Restricted Parties, this Agreement is not rendered void, but applies to the extent as the court or arbitrator concludes what is a reasonable restriction under the circumstances. You agree that the court or arbitrator may narrow any restriction hereunder so that it may be enforced and be enforceable under applicable law. The time periods stated in this Section are suspended during any period in which you or any of the other Restricted Parties is breaching any of these terms or is involved in a legal action or proceeding challenging the validity or enforceability of the terms in this Section 17.
- 17.6 All of your owners, managerial personnel, and all other persons to whom we provide instruction under this Agreement must sign your noncompetition and

confidentiality agreement containing provisions similar to those in this Section before acquiring their ownership interest or beginning employment or the Certification Program. You must promptly deliver copies of the signed agreements to us. We are a third-party beneficiary under these agreements, with an independent right to enforce the agreements in our own name.

- 17.7 This Section is to be construed as independent of any other provision of this Agreement. The existence of any claim you or any other Restricted Party may have against us or any of our affiliates (regardless of whether arising from this Agreement) is not a defense to the enforcement of this Section 17 against you or any other Restricted Party.

18. TRANSFER OF INTEREST

- 18.1 Without your consent, we have the right to transfer or delegate to any person any or all of our rights or obligations under this Agreement. If our transferee assumes in writing our obligations under this Agreement, within seven days of our delivery of written notice of transfer, you must sign and deliver to us a written release from those obligations.

- 18.2 The rights and duties in this Agreement are personal to you. We grant the Franchise in reliance upon our assessment of your and your owners' business and personal skills, reputation, aptitude, and financial capacity. Therefore, unless otherwise permitted by this Agreement, without our prior written consent, you must not sell, assign, convey, or otherwise dispose of, voluntarily, involuntarily, directly or indirectly, by operation of law or otherwise, this Agreement, any voting or ownership interests in you as an entity, or any direct or indirect interest in this Agreement. (For purposes of this Article, the term "**transfer**" refers to any of these actions.) Our consent to any transfer will not be unreasonably withheld.

You must provide us with prior written notice of any transfer of voting or ownership interests in you, even if it is not a transfer of an interest in this Agreement as provided in the next sentence. A transfer of 25% or more of the voting or ownership interests, individually or in the aggregate, directly or indirectly, is your transfer of an interest in this Agreement, as is a transfer of all or substantially all your assets used to operate the Franchise. For any purported or attempted transfer of an interest in this Agreement without our prior written authorization, by operation of law or otherwise, the transfer is null and void, and a material breach of this Agreement.

A sale or transfer of all or substantially all of your Accounts will constitute a transfer under this Section 18 and therefore require our consent. A sale or transfer of an occasional or insubstantial number of Accounts in a single transaction may proceed without our consent so long as the sale or transfer is to another franchisee that is in good standing with us and undertaken in accordance with the procedures and using the documentation that we set forth or provide from time to time.

- 18.3 Neither you nor your owners may create or permit a lien against, nor pledge, grant a security interest in, or in any manner encumber this Agreement (or any interest in this Agreement).
- 18.4 Before we consent to a transfer of an interest in this Agreement, we may require that:
- 18.4.1 you have made all payments that you owe us and our affiliates under this Agreement and any other agreement with us or our affiliates (including under any Promissory Note you signed);
 - 18.4.2 you are not then in default under this Agreement or any other agreement between you and us or our affiliates;
 - 18.4.3 you sign a general release of all claims against us, our affiliates, JPI, and our and their respective officers, directors, owners, representatives, agents and employees (in their corporate and individual capacities);
 - 18.4.4 the transferee sign our form of assumption agreement under which it assumes all of your obligations under this Agreement; or, if we request, the transferee sign our then-current form of franchise agreement (for a term equal to the then remaining Term of this Agreement) and all other agreements we require for the Franchise, and the terms of the agreements may have materially different terms and conditions from those of this Agreement, such as higher fees;
 - 18.4.5 the owners of the transferee Entity enter into our then-current form of personal guaranty, under which they, jointly and severally, guaranty the transferee's obligations under this Agreement (or the new form of franchise agreement discussed in Section 18.4.4) and any related agreements;
 - 18.4.6 the transferor pays us a Transfer Fee (in lieu of the transferee paying an initial franchise fee); the "Transfer Fee" is the greater of: (i) \$1,500; or (ii) 8% of your total Gross Billings for the 12-month period ending on the last day of the calendar month prior to the month in which the transfer is to occur;
 - 18.4.7 the transferee and its owners have demonstrated to our reasonable satisfaction that the transferee has properly assumed, and can comply with, all of its obligations for the Franchise and that the transferee and its owners have the business and personal skills, reputational and financial capacity we require;
 - 18.4.8 at the transferee's expense (including our then-current fee), and on terms we reasonably require, the owners of the transferee complete any initial Certification Programs then required for new franchisees; and
 - 18.4.9 you and the transferee timely satisfy our other reasonable conditions.

Our approval of a proposed transfer is not an expression of our opinion on the appropriateness or fairness of the terms of the transfer or the likelihood of the transferee's success. If we disapprove of the transfer because all of the transfer conditions in this Section or elsewhere in this Agreement have not been satisfied (or for any other reason), we have no liability of any nature to you or the transferee.

Our consent to any transfer is not a waiver of any claims we have against you. Even if we approve the transfer, no transfer releases you of liability for your conduct prior to the transfer.

- 18.5 If an Owner dies or is disabled from any cause and for a continuous period of over three consecutive months cannot perform his or her obligations under this Agreement, then, within 30 days thereafter, you (or your legal representative) must hire and maintain a replacement satisfactory to us to perform the obligations. Any period of disability that is interrupted by a return to active and proper performance of duties under this Agreement for 14 days or less is considered continuous. If a satisfactory replacement is not hired or maintained as required, we may repossess your Accounts and transfer the Accounts to another franchisee.
- 18.6 Within six months of any Owner's death or permanent disability, that individual's estate or his or her representative must transfer his or her interests in you (or in any of your owners) or in this Agreement under the terms of this Section. We will not charge a Transfer Fee.

19. INDEPENDENT BUSINESS OWNER AND INDEMNIFICATION

- 19.1 This Agreement creates no fiduciary relationship between you and us. You are an independent business owner. You are a licensee of certain of our trademarks and the System. We are an independent contractor of yours that provides Business Services to you pursuant to this Agreement. Nothing in this Agreement appoints either party an agent, legal representative, subsidiary, joint venturer, partner, employee, affiliate or servant of the other party for any purpose. Nothing in this Agreement authorizes either party to make any contract, agreement, warranty or representation on behalf of the other party. Neither party may incur any debt or other obligation in the other party's name unless the right to do so is explicitly stated in this Agreement. You must take all action we request to notify the public that you are an independent business owner. These actions may include placing and maintaining a plaque in a conspicuous place within your franchised business office or elsewhere as we designate, and a notice on all stationery, business cards, sales literature, contracts, and similar documents that states that you own and independently operate your franchised business. The content of these items is subject to our prior written approval and may be updated from time to time upon our notice to you. You must also sign the form of Independent Business Acknowledgment attached to this Agreement as Exhibit A.
- 19.2 You agree that since you are an independent business owner and not our employee, you and not we must make all periodic filings and payments for your franchised

business for all required federal and state taxes, payments or filings (including all income, unemployment and payroll taxes such as FICA, FUTA and SECA payments). Your agreement to this has materially induced us to enter into this Agreement and but for your making this agreement, we would not have done so. You must operate the Franchise, and otherwise act in connection therewith, as an independent business owner, and must not act, or omit to act, in any manner that will cause you or your employees to be our or JPI's employees or joint employees for any purpose.

- 19.3 You must indemnify, defend and hold harmless JPI and us from all actions, judgments, damages, liabilities, claims, losses, costs and expenses (including reasonable legal fees, paralegal fees and attorneys' fees and other expenses, even if incident to appellate, post-judgment or bankruptcy proceedings) to which we or JPI becomes subject, or that either incurs, arising from or relating in any manner to your ownership or operation of your Franchise. Examples of the claims covered by this indemnity include, but are not limited to, claims relating to: (i) maintaining or operating vehicles; (ii) your being characterized as our or JPI's employee (or as a joint employee with us or JPI) by any federal, state or local court or agency; (iii) your failure to act as an independent business owner; (iv) your failure to pay income, unemployment or payroll tax or file any related return; or (v) your other default under Section 19.2, breach of this Agreement, and/or your or your employees or independent contractor's negligence or willful misconduct. You will not be required to indemnify us for any matter caused by our gross negligence or intentional misconduct. Notwithstanding the expiration or sooner termination of this Agreement, this indemnity continues in full force and effect. In addition to covering JPI and us, this indemnity also covers our respective affiliates and their and those affiliates' respective owners, officers, directors, employees, agents and representatives.
- 19.4 *You agree that you have no relationship of any kind with JPI and that JPI is not a party to this Agreement nor any other Agreement related to your Franchise. You agree that JPI is in the business of licensing its System and Marks to Regional Franchise Developers, and has licensed its System and Marks to us with a right to sublicense same, and that no obligation or connection of any kind or character flows from JPI to you by that fact or by any other fact or circumstance.*

20. MEDIATION AND ARBITRATION

You and we believe that it is important to resolve any disputes amicably, quickly, cost-effectively and professionally, and to return to business as soon as possible. You and we have agreed that the provisions of this Section 20 support these mutual objectives and, therefore, agree as follows:

- 20.1. **Dispute Process.** Any disagreement, litigation, claim, dispute, suit, action, controversy or proceeding of any type whatsoever, including any claim for equitable relief between or involving you and us (or you and JPI, or any of JPI's affiliate parent or subsidiary entities, and any of its owners, officers, directors and employees) on whatever theory and/or facts based, and whether or not arising out of this Agreement

(including any dispute or disagreement relating to arbitration, including the arbitrability of this Agreement or any of its provisions), our offer, sale or negotiation of your Franchise, or the relationship of the parties, or any claim that this Agreement or any provision of this Agreement (including Section 20.2) is invalid, illegal or otherwise voidable or void or unenforceable (“**Dispute**”) will be processed in the following manner, you and we each expressly waiving all rights to any court proceeding, except as expressly provided below in Section 20.7. The Disputes covered by this provision include, but are not limited to, claims for compensation due; claims for misclassification; claims for breach of any contract or covenant (express or implied); tort claims; claims for discrimination or harassment, including, but not limited to, alleged violation of any federal or state civil rights laws, ordinances, regulations or orders, and claims for violation of any federal, state, or other governmental law, statute, regulation or ordinance, except claims specifically excluded below.

- 20.2. **Mediation.** Subject to Section 20.9, any party seeking formal resolution of a Dispute will, before any arbitration proceeding may be filed, submit the Dispute to nonbinding mediation for a minimum of four hours before CPR (as defined below) under its national franchise mediation program. If CPR cannot conduct the mediation, the Dispute may be submitted to the American Arbitration Association or any other mutually agreeable mediator. Mediation is a compromise negotiation for the purposes of the federal and state rules of evidence, and the entire process is confidential. Prior to any mediation, all parties will sign a confidentiality agreement reasonably satisfactory to us excepting only public disclosures and filings as are required by law. All parties must attend mediation. We will pay the costs of the first four hours of any mediation, and no mediation is required to extend beyond such four-hour period. “**CPR**” means CPR Dispute Resolution Services, LLC.
- 20.3. **Arbitration.** Subject to Sections 20.2 and 20.9, all Disputes brought by you or us must be submitted to binding arbitration before one arbitrator of the American Arbitration Association (“AAA”) (or any other mutually agreeable arbitration association) under its commercial arbitration rules, unless the arbitrator determines that other arbitration rules at set forth by the AAA should govern the arbitration, in which case the set of AAA rules determined by the arbitrator will govern the arbitration.

You and we agree that the franchise relationship is unique and that as a result it is important that anyone who serves as a mediator or arbitrator in a Dispute must have a minimum of seven years of substantive experience in franchise law and must also be experienced, as applicable, to any other substantive claim at issue in the arbitration.

- 20.4. **Authority.** You and we agree that, except as provided in this Agreement, any arbitration shall be governed exclusively by and conducted in accordance with the Federal Arbitration Act (FAA), 9 U.S.C. § 1, et seq. You and we agree that we, and our relationship with you, involve and relate to interstate commerce and therefore the FAA applies to and governs this Agreement. The arbitrator, and not any federal, state or local court, shall have the sole and exclusive authority to determine the scope of this Section 20 and to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement,

including any claim of fraud in the inducement or that all or any part of the Agreement is void or voidable.

The arbitrator's exclusive authority as stated above shall not apply to any specific exceptions otherwise contained in this Section 20, including but not limited to the "Class Collective and Representative Action Waiver" set forth below in Section 20.10, for which the parties agree that the arbitrability of such waiver shall be decided by a court of law and not an arbitrator.

20.5. **Interpretation.** This Section is to be construed as independent of any other provision of this Agreement, and each subsection of this Section is severable from every other subsection of this Section 20. If a court or arbitrator of competent jurisdiction determines that any provisions of the Agreement outside of this Section, or any subsection of this Section are unlawful, in whole or in part, such adjudication shall not affect the validity of the remainder of this Section and such provisions shall be reformed and enforced to the maximum extent permitted by law. You and we expressly agree that the remainder of the Sections should be enforced as written with the excision or reformation of the invalid provision, in whole or in part, only.

20.6. **Arbitration Process.**

20.6.1. The Arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which your office or work location is located, or federal law, or both, as applicable to the claim(s) asserted. The Arbitrator shall have the authority to award all remedies and relief that would otherwise have been available if the claim had been brought by way of a civil complaint in court. The Arbitrator should utilize the Federal Rules of Evidence as a guide to the admissibility of evidence. The parties retain the right to conduct a reasonable amount of discovery guided by the Federal Rules of Civil Procedure, and the Arbitrator shall have the power to decide any discovery disputes between the parties. Either party, upon request at the close of hearing, shall be given leave to file a post-hearing brief. The time for filing such a brief shall be set by the Arbitrator.

20.6.2. Within ninety (90) days following the hearing and the submission of the matter to the Arbitrator, the Arbitrator shall issue a written opinion and award which shall be signed and dated. The Arbitrator's award shall include factual findings and the reasons upon which the award is based. Either party may bring an action in any court of competent jurisdiction to compel arbitration under this Agreement and to enforce an arbitration award.

20.6.3. Judgment on an arbitration award may be entered in any court of competent jurisdiction. This judgment is binding, final and non-appealable.

20.7. **Failure to Appear.** The arbitration and mediation provisions in this Section are self-executing and remain in full force and effect after the expiration or termination of this Agreement. If either party fails to appear at any properly noticed arbitration

proceeding, notwithstanding failing to appear, an award may be entered against that party by default or otherwise, as permitted by applicable rules of procedure and if deemed appropriate by the arbitrator.

- 20.8. **Arbitration Costs.** Except as provided in Section 20.2, each party bears its own costs for mediation and arbitration, including any attorneys' fees. The fees for mediation and arbitration payable to the mediator or arbitrator, and their applicable agency, however, will be split equally unless the AAA commercial rules are found not to apply, in which case the default rules and fee arrangements of the mediation and/or arbitration service will apply. Mediation and arbitration must take place in the county in which your principal office for us is then located, or if the mediator or arbitrator cannot conduct mediation or arbitration there, the nearest county where it can.
- 20.9. **Matters Not Requiring Mediation/Arbitration.** Notwithstanding anything in this Agreement to the contrary, the obligation to mediate or arbitrate is not binding on either party to any of the following matters:
- 20.9.1. Claims relating to misuse of the Proprietary Marks (including claims relating to actions that may impair the goodwill associated with the Proprietary Marks); for the avoidance of doubt, claims that the Proprietary Marks misrepresent the nature of the business or nature of the relationship between any of the parties to a Jan-Pro franchise relationship remain subject to Mediation and Arbitration as "Disputes."
- 20.9.2. Claims relating to your obligations on termination or expiration of this Agreement;
- 20.9.3. Claims relating to any Transfer of an interest in you, the Franchise or your assets;
- 20.9.4. Matters involving danger, health or safety; or
- 20.9.5. Requests for restraining orders, injunctions or other procedures to obtain specific performance in a court of competent jurisdiction; or
- 20.9.6. Claims for which arbitration is unavailable as a matter of law.
- 20.10. **Class, Collective and Representative Action Waiver.** Any Dispute under this Section must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("**Class, Collective or Representative Action**"). You and we expressly intend and agree that each will forego pursuing any covered claims on a class, collective, or representative basis and will not assert class, collective, or representative action claims in arbitration or otherwise. You and we shall submit only individual claims in arbitration. You and we shall be entitled to seek dismissal of any class, collective, or representative claims that the other party attempts to bring and may assert this Section as a defense in any proceeding in which class, collective, or representative actions are brought.

- 20.11. This waiver does not apply to private attorney general claims or to any class, collective, or representative claims that cannot be waived as a matter of law. Such claims may proceed in the applicable state or federal court.
- 20.12. Further, an arbitration proceeding between us and you (or any of your or our affiliates and owners and guarantors) may not be consolidated with any other arbitration proceeding between us and you and any other franchisee, person or entity. You hereby agree not to seek joinder of any of your claims with those of any other party. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class, Collective or Representative Action, nor make an award to any person or entity not a party to the arbitration.
- 20.13. Any claim that all or part of this Class, Collective or Representative Action Waiver is unenforceable, unconscionable, void or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. YOU AND WE UNDERSTAND THAT WE WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE OUR CASE, AND TO BE PARTY TO A CLASS, COLLECTIVE OR REPRESENTATIVE ACTION. HOWEVER, YOU AND WE UNDERSTAND AND CHOOSE TO WAIVE THAT RIGHT AND HAVE ANY CLAIMS DECIDED INDIVIDUALLY THROUGH ARBITRATION. It's your and our joint Business Judgment that the limitations of this subsection make good business sense, because:
- 20.13.1. The mediation and arbitration procedures contemplated by this Agreement (and which you and we agree are the core methods for resolving disputes) function most effectively on an individual case basis;
- 20.13.2. There are significant business and other factors present in each individual franchisee's situation which should be respected; and

For purposes of this Agreement, the term **"Business Judgment"** means that you and we exercise our judgment fairly, for business reasons, and not arbitrarily. In particular, our Business Judgment as franchisor takes into account our obligations to other regions and the franchise system as a whole even if those obligations may have negative consequences for you. This is a defined term for the purposes of this Agreement and is not intended to incorporate principles related to the application of the business judgment rule in a corporate law context.

- 20.14. **CALIFORNIA ONLY** - For any covered claims brought by you under a private attorney general act (including but not limited to the California Private Attorneys General Act, Cal. Labor Code section 2698, et seq. ("PAGA")), You and we agree that you will submit your individual PAGA claim(s) to arbitration and your individual PAGA claim(s) will be subject to arbitration pursuant to this Section. If a claim is pursued under PAGA or a similar statute, it must first be pursued individually in arbitration. The arbitrator may not allow a PAGA claim or similar claim to proceed in arbitration except as to your individual claim, and any non-individual claim—if available to you—must be stayed while the individual claim proceeds. You and we

further agree that any question regarding the arbitrability of your individual PAGA claims shall be decided by a court of law and not an arbitrator. If a court of law finds any provision in this subsection to be unenforceable, in whole or in part, that provision or partial provision shall be severed and any portion of this subsection that is enforceable shall be enforced pursuant to the terms of this Agreement.

- 20.15. **Knowingly, Voluntarily, and With Counsel.** You acknowledge that you have carefully read this Section, that you understand its terms, that all understandings and agreements between you and us relating to the subjects covered in the Section are contained in it, and that You have entered into the Section voluntarily and not in reliance on any promises or representations by Us other than those contained in this Section.

THE PARTIES ACKNOWLEDGE AND AGREE THAT BY ENTERING INTO THIS AGREEMENT REGARDING MEDIATION AND ARBITRATION, BOTH PARTIES ARE ACTING KNOWINGLY AND VOLUNTARILY AND GIVING UP THEIR RIGHTS TO BRING CLAIMS COVERED BY THIS ARBITRATION AGREEMENT IN COURT AND HAVE THEIR DISPUTES RESOLVED THROUGH TRIAL BY JURY OR JUDGE. YOU FURTHER ACKNOWLEDGE THAT YOU HAVE BEEN GIVEN THE OPPORTUNITY TO DISCUSS THIS SECTION WITH YOUR PRIVATE LEGAL COUNSEL AND HAVE AVAILED YOURSELF OF THAT OPPORTUNITY TO THE EXTENT YOU WISH TO DO SO.

21. ACKNOWLEDGMENTS AND REPRESENTATIONS

- 21.1 You agree that you received our Franchise Disclosure Document at least 14 calendar days before signing this Agreement or any other binding agreement with, or making any payment to, us or our affiliate for this franchise.
- 21.2 *YOU AGREE THAT, IN ALL OF YOUR DEALINGS WITH OUR OWNERS, OFFICERS, DIRECTORS, EMPLOYEES AND REPRESENTATIVES, EACH ACTS ONLY IN A REPRESENTATIVE CAPACITY AND NOT IN AN INDIVIDUAL CAPACITY.*
- 21.3 *WE MAKE NO WARRANTY AS TO YOUR ABILITY TO OPERATE YOUR FRANCHISE IN THE JURISDICTION IN WHICH YOU WILL OPERATE. IF A LAW PASSED, A COURT ISSUES A DECISION, OR REGULATION ISSUED BY ANY GOVERNMENT PREVENTS YOU OR US FROM OPERATING THE FRANCHISE UNDER THIS AGREEMENT, OR AS YOU, WE OR JPI INTENDED, WE AND JPI ARE NOT LIABLE FOR DAMAGES OR TO RETURN ANY PAYMENTS YOU MADE.*

22. GENERAL PROVISIONS

- 22.1 You release and discharge JPI and its affiliates, us and our affiliates, our designees and other agents, and their respective officers, directors, representatives, employees and agents, from all claims of any kind, in law or in equity, that may exist as of the Effective Date involving this Agreement or any other agreement between the

parties, or relating in any other way to the conduct of us or JPI and our and its respective affiliates, designees or agents, and our and their respective officers, directors, representatives, employees and agents, before the Effective Date, including for example, all claims, whether known or unknown, suspected or unsuspected, arising under the franchise, business opportunity, securities, antitrust or other laws of the United States, any state or locality.

Provided that if this Release is given in connection with the award of a franchise, then this release will not apply to claims relating to the offer and sale of such franchise under applicable state franchise investment law or any rule or order issued thereunder. **[Delete this paragraph if using the California language below] [Note: Consider deleting this paragraph. While certain states will require a carve out from the general release for claims arising under their state franchise laws, not all such states will do so. When necessary, this can instead be done by a state-specific addendum.]**

For California franchisees add:

THE FRANCHISEE(S) ACKNOWLEDGE THAT THEY ARE FAMILIAR WITH THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES AS FOLLOWS:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

THE FRANCHISEE(S), BEING AWARE OF THIS CODE SECTION, HEREBY EXPRESSLY WAIVE ALL OF THEIR RIGHTS THEREUNDER AS WELL AS UNDER ANY OTHER STATUTES OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT OF ANY APPLICABLE JURISDICTION, INCLUDING, WITHOUT LIMITATION, CALIFORNIA AND/OR JURISDICTIONS OF FRANCHISEE(S)' RESIDENCE AND LOCATION OF FRANCHISED UNIT.

FOR FRANCHISEES SUBJECT TO THE CALIFORNIA FRANCHISE INVESTMENT LAW, ADD THE FOLLOWING TEXT:

provided that if this Release is given in connection with the award of a franchise, then this release will not apply to claims relating to the offer and sale of such franchise under the California Franchise Investment Law or any rule or order issued thereunder.

- 22.2 Subject to Section 12, this Agreement may be changed only by a written document signed by both parties and referring to this Agreement.
- 22.3 During the Term, we may change the System (including the goods and services your Franchise offers). You are bound by these changes to the System as if they

were part of this Agreement when it was signed. You will pay all reasonable costs to timely implement and comply with any changes.

- 22.4 All of the terms of this Agreement, whether so expressed or not, are binding on, inure to the benefit of, and are enforceable by the parties and their respective personal representatives, legal representatives, heirs, successors and permitted assigns.
- 22.5 All notices under this Agreement must be in writing and must be hand delivered, sent overnight by a nationally recognized carrier, or mailed by certified mail (postage prepaid), return receipt requested, addressed to the appropriate party at its address stated on the Summary Page or to any other address as that party designates by notice complying with this Section. Notice properly sent and addressed is deemed delivered: (a) on the date delivered if by personal delivery or overnight carrier; or (b) on the date on which the return receipt is signed, delivery is refused or the notice is designated by the postal authorities or carrier as not deliverable.
- 22.6 The headings and subheadings in this Agreement are for convenience of reference only and do not affect the meaning of this Agreement.
- 22.7 If any provision of this Agreement, or any other agreement entered into under this Agreement, is contrary to, prohibited by, or deemed invalid under applicable law or regulation, that provision is inapplicable and deemed omitted to the extent so contrary, or prohibited.
- 22.8 Either party's waiver of any breach of this Agreement is not a waiver of any continuing or later breach of that provision, a waiver of the provision itself, or a waiver of any right or remedy under this Agreement.
- 22.9 Notwithstanding Section 20.7, if we hire an attorney or other professionals due to your failure to timely make payments that you owe to us, or to timely submit any reports, or any other failure to comply with this Agreement, you must immediately reimburse us for all reasonable costs we incur (including reasonable legal fees, attorneys' fees and court costs), even if a legal action or other proceeding is not filed.
- 22.10 Subject to Section 20, each of the parties irrevocably and unconditionally agrees that any suit, action or legal proceeding involving any Dispute must be brought only in the federal and state courts of record for the state and county where our principal office is located when the proceeding is filed; consents to the jurisdiction of these courts in any suit, action or proceeding; and waives any objection he, she or it may have to venue in any of these courts.
- 22.11 Except as otherwise stated in this Agreement, no remedy conferred on any party is exclusive of any other remedy. Every remedy is cumulative and is in addition to every other remedy under this Agreement or applicable law or in equity.

- 22.12 This Agreement is not binding until it is signed by our respective duly authorized officers.
- 22.13 Whenever our consent or approval is required under this Agreement, our consent or approval must be in writing and signed by our duly authorized officer.
- 22.14 Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) or the United States Arbitration Act (9 U.S.C. §§ 1 et seq.), this Agreement and any related agreement must be construed and enforced under the internal laws of the state where our principal office is located when this Agreement is signed, without regard to its conflict-of-laws principles.
- 22.15 No party may file mediation, arbitration or litigation of any Dispute more than one year after the facts underlying the Dispute occur.
- 22.16 Each of the parties was, or had the opportunity to be, represented by their own counsel throughout the negotiations and signing of this Agreement and all the other documents signed with this Agreement. Therefore, none of the parties may claim or assert that any provision of this Agreement or of the other documents should be construed against the drafter.
- 22.17 This Agreement, its exhibits and all other written agreements involving this Agreement and referenced in this Agreement, represent the entire understanding and agreement between the parties on the subject of this Agreement and replace all other negotiations, understandings and representations made between the parties. No representations, inducements, promises or agreements, oral or otherwise not written in this Agreement, its exhibits and all other written agreements concerning this Agreement are of any force and effect. Notwithstanding, nothing in this Agreement will disclaim or require you to waive reliance on any representation we made in the Franchise Disclosure Document (including exhibits and amendments) delivered to you or your representative before you signed this Agreement.
- 22.18 All of our and your respective obligations that expressly or by their nature survive the expiration or termination of this Agreement continue in full force and effect after and notwithstanding its expiration or termination.
- 22.19 Neither we nor you will be liable for loss or damage, or deemed in breach of this Agreement, if failing to perform our or your obligations results from causes beyond our or your reasonable control, such as computer malfunctions, extreme weather and climatic conditions, inadequate supply of equipment or energy, compliance with applicable law, war, acts of terrorism, strikes, or acts of God.
- 22.20 If you consist of more than one person, the reference to “you” in this Agreement refers to either or all of the persons; provided, however, all persons are jointly and severally liable for your obligations under this Agreement.
- 22.21 Except as provided in this Section and elsewhere in this Agreement to the contrary, nothing in this Agreement, whether express or implied, confers any rights or

remedies under or by reason of this Agreement on any persons (including other Jan-Pro branded regional developers and unit franchisees) other than the parties and their respective personal or legal representatives, heirs, successors, and permitted assigns. However, JPI is a third-party beneficiary under this Agreement to enforce its trademark rights and may independently enforce your obligations on usage of the Proprietary Marks in its own name, even if we don't do so.

- 22.22 If you default in performing any of your obligations under this Agreement, we have the right (but not the duty) to arrange for third parties to perform your obligations. If we do, you must immediately reimburse us for the actual costs of this performance. Interest accrues on all amounts due to us under this Section at the Contract Interest Rate beginning ten days after our demand for reimbursement.
- 22.23 *The parties mutually and willingly waive any right to, or claim for, any punitive or exemplary damages against the other, even if authorized by statute. In a dispute between the parties, each is limited to recovering only its actual damages. You also willingly waive any claim you may later have for any damages resulting from your being classified as our employee instead of our franchisee, including, for example, lost wages, minimum wages, overtime wages, etc. Notwithstanding, if an arbitrator or court of competent jurisdiction finds that you are our employee or JPI's joint employee, you agree that you will return to us all payments that we made to you to the extent that these payments exceed what you would have earned at the applicable minimum wage.*
- 22.24 *The parties mutually and willingly waive the right to a trial by jury of all claims made between them, whether now existing or later arising, including all claims, defenses, counterclaims, cross claims, third-party claims and intervenor's claims, whether arising from or related to the sale, negotiation, signing or performance of the transactions to which this Agreement relates. None of the parties' respective claims may be litigated on a class-wide basis, nor joined with any third-party claim.*
- 22.25 All of your legal and beneficial owners must sign the Joinder below. By doing so, each owner agrees that he or she is bound by this Agreement as if he or she were you under this Agreement and agrees that he or she is jointly and severally liable with the other owners and you for all of your obligations under this Agreement. All Restricted Parties (other than you and your owners) must sign the Restricted Party Joinder provided below.
- 22.26 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No Statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement to the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including

fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Franchise.

22.27 Personal Information Privacy. We have the right, and you hereby consent, to us using and disclosing all personal information collected from you and your owners for any purpose connected with the System, and this Agreement and its enforcement, including providing or listing contact information for you and your owners and management employees for System communication purposes, including with landlords and other suppliers of goods or services, or prospective franchisees; posting on franchise system websites listing franchisees; in or in connection with our or JPI's disclosure documents and, where applicable, prospectuses, statements of material facts and other securities filings and documents; and making reports or information received from you pertaining to the Franchise, or portions thereof or extracts therefrom, available for inspection by prospective franchisees, to substantiate information contained in our or JPI's disclosure documents for prospective franchisees regarding the subject matter of such reports or information, as the same pertain to the Franchise or the System in general. We may also share such personal information where needed with our professional advisors, lenders or affiliates or under agreements with third parties relating to the Franchise or the System. We may give access to or transfer our files containing such personal information to a prospective purchaser or purchaser of the franchise system. You are responsible to obtain any required consents from your owners and management employees as may be necessary for it to comply with these provisions.

The parties are signing this Agreement on the Effective Date.

This Guaranty and Assumption of Obligations (“**Guaranty**” or “**Agreement**”) is given this ____ day of _____, 20____ (the “**Effective Date**”) by (list each guarantor):

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the “**Franchise Agreement**”) dated as of the Effective Date by **Jan-Pro Regional Franchise Developer**] (“**we**,” “**us**” or “**Franchisor**”), each of the undersigned individuals (“**Owners**”), who constitute all of the owners of a direct or indirect beneficial interest in franchisee (“**Franchisee**”), as well as their respective spouses, personally and unconditionally: (a) guarantees to Franchisor and Franchisor’s successors and assigns, and Jan-Pro Franchising International, Inc. (“**JPI**”) for those obligations where JPI is a third-party beneficiary (including, but not limited to, indemnification obligations), for the term of the Franchise Agreement (including, but not limited to, extensions) and afterward as provided in the Franchise Agreement, that they will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement); and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Franchise Agreement (including, but not limited to, any amendments or modifications of the Franchise Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, but not limited to, the non-competition, confidentiality, transfer and arbitration requirements. Owners are the beneficial owners or spouses of the beneficial owners of all of the equity interest, membership interest, or other equity controlling interest in Franchisee and acknowledge there are benefits received and to be received by each Owner, jointly and severally, and for themselves, their heirs, legal representatives and assigns. Franchisee’s obligations under the Franchise Agreement, including the confidentiality and non-solicitation obligations, would be of little value to us if Franchisee’s Owners were not bound by the same requirements. Under the provisions of the Franchise Agreement, Owners are required to enter into this Guaranty as a condition to our entering into the Franchise Agreement with Franchisee.

Under the Franchise Agreement, we will provide Franchisee with specialized training, proprietary trade secrets, and other confidential information (“**Confidential Information**”) relating to the establishment and operation of a Jan-Pro Cleaning & Disinfecting™ unit franchisee

business. The provisions of the Franchise Agreement governing Franchisee's non-disclosure obligations relating to our Confidential Information are hereby incorporated into this Guaranty by reference, and Owners agree to comply with each obligation as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will also be deemed Confidential Information for purposes of this Guaranty. The obligations and waivers set forth in Section 10 of the Franchise Agreement regarding audits of books and records and the disclosure of tax returns are hereby incorporated into this Guaranty and each Owner is personally bound by the obligations therein and consents to and hereby waives all applicable tax privileges.

Owners acknowledge that they could circumvent the purpose of this Guaranty by disclosing Confidential Information to an immediate family member (i.e., spouse, parent, sibling, child or grandchild). Owners also acknowledge that it would be difficult for us to prove whether Owners disclosed the Confidential Information to family members. Therefore, each Owner agrees that he or she will be presumed to have violated the terms of this Guaranty if any member of his or her immediate family uses or discloses the Confidential Information or engages in any activities that would constitute a violation of the covenants listed in the paragraphs below, if performed by Owners. However, Owners may rebut this presumption by furnishing evidence conclusively showing that Owners did not disclose the Confidential Information to the family member.

Owners acknowledge that as a participant in our system, they will receive proprietary and Confidential Information and materials, trade secrets and the unique methods, procedures and techniques which we have developed. The provisions of the Franchise Agreement governing Franchisee's restrictions on competition and solicitation both during the term of the Franchise Agreement and following the expiration or termination of the Franchise Agreement are hereby incorporated into this Guaranty by reference, and Owners agree to comply with and perform each such covenant as though fully set forth in this Guaranty as a direct and primary obligation of Owners. Further, we may seek the same remedies against Owners under this Guaranty as we may seek against Franchisee under the Franchise Agreement.

The parties agree that each such covenant related to non-competition and non-solicitation will be construed as independent of any other covenant or provision of this Guaranty. If all or any portion of a covenant referenced in this Guaranty is held unreasonable or unenforceable by a court or agency having valid jurisdiction in a final decision to which we are a party, Owners agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Guaranty.

Additionally, we have the right, in our sole discretion, to unilaterally reduce the scope of all or part of any covenant referenced in this Guaranty without Owners' consent (before or after any dispute arises), effective when we give Owners written notice of this reduction. Owners agree to comply with any covenant as so modified. Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to

do so; (3) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including, but not limited to, the acceptance of any partial payment or performance or the compromise or release of any claims (including, but not limited to, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Franchise Agreement (including, but not limited to, extensions) for so long as any performance is or might be owed under the Franchise Agreement by Franchisee or its Owners, and for so long as Franchisor has any cause of action against Franchisee or its Owners; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Franchise Agreement and, despite the transfer of any interest in the Franchise Agreement or Franchisee, each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments or transfers.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned will be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (ii) all rights to require Franchisor to proceed against Franchisee for any payment required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Franchisor; and (iv) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor will have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Franchise Agreement.

If Franchisor is required to enforce this Guaranty in a judicial or arbitration proceeding, and prevails in such proceeding, Franchisor will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants',

arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned must reimburse Franchisor for any of the above-listed costs and expenses Franchisor incurs.

Subject to the arbitration obligations and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Franchise Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be commenced in the state or federal court of general jurisdiction in the location of Franchisor's headquarters (which is currently [insert city & state of your franchised business location]), and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of, or venue in, those courts. Nonetheless, each of the undersigned agrees that Franchisor may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he or she is domiciled.

Owners must indemnify, defend and hold harmless us, JPI, all of our and their affiliates, and the respective shareholders, directors, partners, employees and agents of such entities, against and from all losses, damages, costs and expenses which we or they may sustain, incur or become liable for by reason of: (a) Franchisee's failure to pay the monies payable (to us or any of our affiliates) pursuant to the Franchise Agreement, or to do and perform any other act, matter or thing required by the Franchise Agreement; or (b) any action by us to obtain performance by Franchisee of any act, matter or thing required by the Franchise Agreement; or (c) the ownership or operation of the Franchise. Examples of the claims covered by this indemnity include claims relating to: (i) maintaining or operating vehicles; (ii) any Owners or persons working in the Franchise being characterized as our or JPI's employee by any federal, state or local court or agency; (iii) any Owner failing to act as an independent business owner; or (iv) failure to pay any income, unemployment, or payroll tax or file any related return; or (iv) otherwise defaulting under Section 19.2 of the Franchise Agreement.

Upon the death of an Owner, the estate of such Owner will be bound by the obligations in this Guaranty, but only for defaults and obligations hereunder existing at the time of death, and the obligations of any other Owners will continue in full force and effect.

Owners acknowledge and agree that we have granted the Franchise Agreement to Franchisee in reliance on Owners' business experience, skills, financial resources and personal character. Accordingly, Owners agree not to sell, encumber, assign, transfer, convey, pledge, merge or give away any direct or indirect interest in this Franchisee, unless Owners first comply with the sections in the Franchise Agreement regarding Transfers. Owners acknowledge and agree that any attempted transfer of an interest in Franchisee requiring our consent under the Franchise Agreement for which our express written consent is not first obtained will be a material breach of this Guaranty and the Franchise Agreement.

Any notices given under this Guaranty shall be in writing and delivered in accordance with the provisions of the Franchise Agreement. Our current address for all communications under this Guaranty is:

Jan-Pro Franchise Development of [REDACTED]
[Address]
[City, State, Zip]

The current address of each Owner for all communications under this Agreement is designated on the signature page of this Agreement. Any party may designate a new address for notices by giving written notice to the other parties of the new address according to the method set forth in the Franchise Agreement.

This Guaranty constitutes the entire, full and complete agreement between the parties with regard to the guaranty and related obligations under this Guaranty and supersedes any earlier or contemporaneous negotiations, discussions, understandings or agreements. There are no representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by this Guaranty, other than those in this Guaranty. No other obligations, restrictions or duties that contradict or are inconsistent with the express terms of this Guaranty may be implied into this Guaranty. Except for unilateral reduction of the scope of the covenants permitted in this Guaranty (or as otherwise expressly provided in this Guaranty), no amendment, change or variance from this Guaranty will be binding on either party unless it is mutually agreed to by the parties and executed in writing. Time is of the essence.

Each provision of this Guaranty, and any portions thereof, will be considered severable. If any provision of this Guaranty or the application of any provision to any person, property or circumstances is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Guaranty will be unaffected and will still remain in full force and effect. The parties agree that the provision found to be invalid or unenforceable will be modified to the extent necessary to make it valid and enforceable, consistent as much as possible with the original intent of the parties (i.e., to provide maximum protection for us and to effectuate the Owners' obligations under the Franchise Agreement), and the parties agree to be bound by the modified provisions.

Nothing in this Guaranty is intended to confer upon any person or entity (other than the parties and their heirs, successors and assigns) any rights or remedies under or by reason of this Guaranty.

Any term defined in the Franchise Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

This Guaranty may be executed in counterparts, and each copy so executed and delivered will be deemed an original. This Guaranty is binding on the parties and their respective heirs, executors, administrators, personal representatives, successors and (permitted) assigns.

References to "Franchisor" or "JPI" or "the undersigned" or "you" or "Owner" include the respective parties' heirs, successors, assigns or transferees.

Our failure to insist upon strict compliance with any provision of this Guaranty shall not be a waiver of our right to do so. Delay or omission by us respecting any breach or default shall not affect our rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative.

You agree that fulfillment of any and all of our obligations written in the Franchise Agreement or this Guaranty, or based on any oral communications which may be ruled to be binding in a court of law, shall be our sole responsibility and none of our owners, officers, agents, representatives, nor any individuals associated with us shall be personally liable to you for any reason.

In the event of any discrepancy between this Guaranty and the Franchise Agreement, this Guaranty shall control.

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature as of the Effective Date.

EXHIBIT A TO UNIT FRANCHISEE FRANCHISE AGREEMENT

PROMISSORY NOTE

\$ _____, 20__

1. **Principal and Payment.** FOR VALUE RECEIVED, the undersigned, [Insert entity name of franchisee], a(n) [Insert franchisee entity state of formation/incorporation] [Insert franchisee entity type] (“**Maker**”), promises to pay to [Insert your entity name], a(n) [Insert your entity state of formation/ incorporation] [Insert your entity type] (“**Holder**”), at [Insert your entity address] (or at any other place as Holder specifies in writing), without deduction, abatement or offset in lawful money of the United States of America, the principal amount of \$ _____, with interest at the rate of 10% per year. Maker must pay Holder the principal and interest in _____ equal monthly installments of \$ _____, beginning on _____, 20____, and continuing on the 10th day of each consecutive month until _____, 20____, when this Note must be paid in full.

2. **Franchise Agreement.** This Note is being issued with a Franchise Agreement by Holder, as franchisor, and Maker, as Unit Franchisee (the “**Franchise Agreement**”). Unless defined otherwise in this Note, capitalized terms have the meanings given them in the Franchise Agreement.

3. **Guaranty.** Payment and performance of Maker’s obligations under this Note are secured by the written guaranty (the “**Guaranty**”) signed by _____ (“**Guarantor(s)**”).

4. **Application of Payments.** Holder may, in its sole discretion, credit any payment made under this Note (whether made when due or otherwise) first against any interest then due, and the remainder against the unpaid principal or any other amount due under this Note.

5. **Default and Acceleration.** Each of the following is an “**Event of Default:**”
- a. Maker fails to timely pay any amount due under this Note (including any principal or interest) or fails to timely perform any other obligation under this Note and that failure continues for ten days after Holder sends Maker written notice of the failure;
 - b. Maker or any Guarantor fails to perform any of their obligations under the Franchise Agreement or Guaranty and this default continues beyond any cure period;
 - c. Maker or any Guarantor transfers any direct or indirect interest in the Franchise Agreement (“transfer” and “direct or indirect interest” are defined in the Franchise Agreement);

d. Maker or any Guarantor becomes insolvent or makes a general assignment for the benefit of creditors;

e. A petition in bankruptcy is filed by Maker or any Guarantor or a petition is filed against or consented to by Maker or any Guarantor;

f. A substantial portion of Maker's or any Guarantor's personal property used in the Franchise is sold after levy by any sheriff, marshal or constable;

g. When, in Holder's sole option, your Maker's financial ability becomes impaired or unsatisfactory, which shall specifically include, but not be limited to, the termination or expiration of any Support Services Agreement entered into by Maker with Holder.

Upon an Event of Default, Holder may declare the entire principal balance of this Note and all accrued interest immediately due and payable. If Maker does not pay principal or interest when due, interest accrues on the unpaid principal from the due date until paid in full at the maximum rate permitted by law (the "**Default Interest Rate**").

6. Miscellaneous Provisions.

a. If Holder exercises no remedy on an Event of Default, the failure does not affect Holder's right to exercise any remedies for any later defaults.

b. Maker and all endorsers and Guarantors of this Note waive valuation and appraisal, demand, presentment, notice of non-payment, dishonor and protest.

c. If suit is brought for the collection of this Note, or if it is necessary to place this Note in the hands of a collection agency or an attorney for collection, whether or not suit is filed, Maker and all endorsers and Guarantors of this Note must pay to Holder its reasonable legal fees, attorneys' fees and paralegals' fees and other expenses for undertaking collection. Amounts due under this paragraph are treated as added to the principal amount due under this Note, with interest accruing thereon at the Default Interest Rate, and are due on demand.

d. The state and county where Holder's principal office is located on the date that the action is filed is the proper and exclusive jurisdiction and venue for any proceedings arising out of this Note. Maker consents, and waives all right to object to, the jurisdiction and venue of the federal and state courts closest to this location. Holder, however, may pursue any remedies in any jurisdiction and venue in which Maker or any Guarantor is located. This Note is to be construed according to the internal laws of the state where our principal office is located when the Franchise Agreement is originally signed, without regard to principles of conflicts of laws.

e. This Note may be prepaid in whole or part without premium or penalty.

f. This Note is “negotiable,” which means that the Holder can sell or transfer collection rights to someone else. Holder may assign this Note to any assignee who on assignment succeeds to Holder’s rights and status.

g. The following do not release or affect Maker's or any Guarantor's or endorser's liability under this Note:

i. Holder grants Maker, or any other party any renewal of time to pay any sums due under this Note or perform any obligation under this Note or in any other document securing the payment of this Note; or

ii. Holder: (i) releases Maker or any other party; (ii) agrees not to sue Maker or any other party; (iii) suspends the right to enforce this Note against Maker or any other party; (iv) discharges Maker or any other party; or (v) takes or releases any collateral or security.

h. This Note may not be amended or modified, nor may any waiver of any provisions of this Note be affected, except by a written instrument signed by Holder. Maker and all other persons signing this Note have signed this Note as a principal and not as surety or accommodation party.

i. Time is of the essence on all dates in this Note.

j. BY THEIR RESPECTIVE SIGNING AND ACCEPTING THIS NOTE, THE PARTIES MUTUALLY AND WILLINGLY WAIVE THE RIGHT TO A JURY TRIAL OF ANY CLAIMS MADE BETWEEN THEM, WHETHER NOW EXISTING OR ARISING IN THE FUTURE. THESE CLAIMS INCLUDE, WITHOUT LIMITATION, ANY CLAIMS, DEFENSES, COUNTERCLAIMS, CROSS-CLAIMS, THIRD-PARTY CLAIMS AND INTERVENOR'S CLAIMS, WHETHER ARISING FROM OR RELATED TO THE NEGOTIATION, SIGNING AND PERFORMANCE OF THE TRANSACTIONS TO WHICH THIS NOTE RELATES. NONE OF THE PARTIES' RESPECTIVE CLAIMS MAY BE LITIGATED ON A CLASS-WIDE BASIS, NOR JOINED WITH ANY THIRD-PARTY CLAIM.

1. In consideration of, and as an inducement to, our accepting from [Insert entity name of franchisee], a(n) [Insert franchisee entity state of formation/incorporation] [Insert franchisee entity type] ("**you**") the promissory note you are issuing to us (the "**Promissory Note**") to evidence certain amounts you must pay to us under the Unit Franchisee Agreement you and we are entering into (the "**Franchise Agreement**"), each of the undersigned, personally and unconditionally guarantees to us, and our successors and assigns, that:

a. you must pay and perform all of your obligations under the Promissory Note (the "**Obligations**," which obligations include, without limitation, the obligation to pay all principal and interest due thereunder); and

b. he or she is bound by each of the Obligations as if he or she were the maker under the Promissory Note; and

e. all other notices and legal or equitable defenses to which he or she may be entitled.

3. Each of the undersigned agrees that:

a. his or her direct and immediate liability under this Guaranty is joint and several with each other guarantor under this or any other guaranty;

b. he or she must render any payment or performance required under the Promissory Note, on demand, if you fail or refuse to do so;

c. this liability is not contingent or conditioned upon our pursuing any remedy against you or any other person; and

d. any liability is not diminished, discharged or otherwise affected by any renewal of time, credit or other indulgence that we may grant to you or to any other person (including, without limitation, the acceptance of any partial payment or performance, release of any collateral, or the compromise or release of any claims, none of which modify or amend this Guaranty).

This Guaranty is a guaranty of payment and not of collection. This Guaranty is irrevocable and continues in full force and effect until all of the Obligations are paid, performed and discharged. The Obligations are not considered fully paid, performed and discharged unless all payments by you, and any Guarantor, to us are no longer subject to any right by any person whomsoever, including, without limitation, to you, you as a debtor in possession or any trustee in a bankruptcy, to disgorge any payments or seek to recoup any payments or any part of any payments.

This Guaranty continues to be effective if: (i) any petition is filed by or against you or any Guarantor for bankruptcy, liquidation or reorganization; (ii) you or any Guarantor becomes insolvent or makes an assignment for the benefit of creditors; or (iii) a receiver or trustee is appointed for all or any significant part of your or any Guarantor's assets.

In addition to the amounts guaranteed under this Guaranty, the Guarantors are jointly and severally obligated to pay: (i) all of our legal fees, attorneys' fees and paralegals' fees, and other expenses that we incur to enforce this Guaranty; and (ii) interest at the Default Interest Rate (as defined in the Franchise Agreement) on any of the Obligations not paid when due.

The state and county where our principal office is located on the date the action is filed are the proper and exclusive jurisdiction and venue for any proceedings arising out of this Guaranty. Each of the undersigned consents, and waives all right to object to, the jurisdiction and venue of the federal and state courts closest to this location. We, however, may pursue any remedies in any jurisdiction and venue in which any Guarantor is located. This Guaranty is to be construed according to the internal laws of the state where our principal office is located when this Guaranty is signed, without regard to principles of conflicts of laws.

IN WITNESS WHEREOF, each of the undersigned has signed this Guaranty on the date provided in the first paragraph of this Guaranty.
