What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A-2.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.

2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to: (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards; (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor; (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; (iv) The failure of the

franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

This figure also includes the purchase of three Broker Video Boxes, one of our proprietary marketing strategies for your Program. We are the exclusive vendor for both items. They will be given to you at training.
8. Mirrorless Camera & Two Lenses. These amounts are for the camera and lenses needed to begin operations. The range in price is due to having two camera options. The newer version is more expensive than the older one.
9. Other Equipment. Other equipment includes interior video equipment and additional accessories such as cases for the drone and 3D camera, tripods, green screen and lighting package, cables, smart cards, extra batteries, etc.
10. 3D Camera. These amounts are for the 3D Camera that you will need and include sales tax and shipping costs.
11. Vehicle Deposit, Vehicle Wrap & Three Months Expense. You will need to own, lease, or purchase a late model 2018 - 2025 used Ford Escape or Toyota RAV4 in a white

exterior color, to use in the operation of your Program. We must approve of this vehicle in terms of its make, condition, and year. Our specifications for vehicles are provided in the Operations Manuals and may be modified occasionally. You must also “wrap” your vehicle with our approved signage. The minimum range listed is based on the projected monthly payments for three months associated with purchasing or leasing an approved vehicle and the cost of the vehicle wrap. The minimum range is based on \$0 down lease or finance through 3rd party financing of your choice. The amount of deposit required will depend on your credit worthiness, the cost of the vehicle and the requirements of the lending institution. The cost of purchasing a vehicle outright typically ranges from \$19,000 - \$29,000 plus applicable taxes. You should consult with your personal financial advisor to determine whether you should pursue leasing, financing or purchasing your service vehicle.

12. Business Licenses and Sales Tax Deposits. The low figure assumes no business license or sales tax requirement, which has been our franchisees’ experience in certain jurisdictions. The high estimate assumes certain such costs.
13. Legal and Accounting Fees. This figure includes fees for an attorney’s review of this disclosure document and your franchise agreement, organization of a new company, and an accountant’s assistance in setting up your accounting application with our chart of accounts.
14. Training Expenses. This category includes estimated expenses for training one person, including transportation, lodging, and meals for a five-day training program.
15. Additional Funds (90 Days). The “Additional Funds” category is for working capital to cover miscellaneous expenses during your first 90 days of operation. This category includes estimated monthly payments for designated telephone and Internet Service, the fee for obtaining a drone pilot certification (typically \$150 paid to a third party), online accounting service, Technology/Syndication Monthly Fee, Social Media and Email Marketing, Direct Mail Marketing, printing costs, internet service, phone and iPad service, as well as miscellaneous expenses incurred before opening and during the first 90 days of operations. Currently, we estimate that the minimum monthly overhead that includes the expenses shown in this paragraph will be approximately \$794 per month, however, the first three months are already included in the additional funds section. You should review them carefully in light of local conditions and the current economic outlook, consulting a business advisor if needed.
16. Additional Funds (90 Days). We base our estimate of Additional Funds on our experience operating the same type of business offered here as well as financial information that franchisees share with us.
17. Total. Except for the “Additional Funds” category shown above, the table shows estimated expenses only until your Program begins operation. Fees paid to us are not refundable. Whether fees paid to third parties are refundable would depend on their policies. We did not include any amount for the cost of purchasing or leasing real property because we expect you to operate from your home. We do not offer financing for any of these expenses.

Officer Interests in Suppliers

Our officers, Jerry Clum and Joseph Ciamacco, own an interest in us.

Alternative Suppliers

We do not maintain written criteria for approving suppliers so such criteria are not available to you. We permit you to contract with alternative suppliers who meet our criteria, which is based upon the ability of the supplier to timely supply quality goods and services that we feel will benefit the franchise system. We do not charge to consider an alternate supplier for such things as inspecting the supplier's premises, checking the supplier's credentials, or testing the product. We will give you our written approval or our reasons for withholding our approval within 30 days in most cases. As a condition of approving a

supplier of any product that bears the Trade Name or Marks, the supplier must sign our license agreement to enable us to control the quality. We may withdraw our approval of a supplier by written notice.

Issuance of Specifications

Our existing standards and specifications and criteria were evolved through industry standards. We will communicate our standards and specifications to you in writing, including updates and modifications, usually in the Operations Manuals.

Revenue from Required Purchases

We do not currently receive any revenue based upon your purchase of goods or services from approved or designated outside vendors or suppliers or according to our specifications.

Purchasing or Distribution Cooperatives

Currently, there are no purchasing or distribution cooperatives in which you will be required to participate.

Purchase Arrangements

We negotiate purchase arrangements with suppliers, including advantageous price terms, for the benefit of all members of the HOMMATI® Network. In some cases, we may require all HOMMATI® Programs to purchase certain items from a designated vendor or supplier in return for systemwide discounts or other benefits.

Assistance in Hiring, Managing and Training Employees

It is understood that all employment decisions concerning hiring, managing, employment agreements, as well as wages, benefits, and other compensation; hours of work and scheduling; the assignment of duties to be performed; the supervision of the performance of duties; work rules and directions governing the manner, means, and methods of the

performance of duties and the grounds for discipline; the tenure of employment, including hiring and discharge; and working conditions related to the safety and health of employees are the sole responsibility of the franchisee. You agree and acknowledge that you are the sole employer of any staff you may decide to employ, and all responsibilities thereof are borne by You. Should HFN make available any sample employment agreements, job descriptions, interview questions, applications, employee handbooks, etc. they are only for the purpose of providing samples for a template that you should modify and update to your own specifications as well as applicable, local, state and federal laws or regulations that may apply. All training must be conducted by you, none of your employees are authorized to attend training at our franchise headquarters. If you decide that part of your training would include having your employees view any videos, read any sections of the operations manual or have them attend any portion of the virtual training, that was created and/or is conducted for franchise owners, then this would be at your sole discretion and must be supervised by you. (Franchise Agreement §5.12)

You do not need our approval of your Program's location. You must keep us informed of your Program's location. We expect that your Program will be home-based.

Time Before Opening

We estimate that the average length of time between signing of a franchise agreement and opening of a franchised business will be 30 to 60 days. Factors that may affect the length of time it takes to open include completion of initial training, organizing the business, and delays caused by government agencies.

Post-Opening Obligations

National Advertising Fund

We reserve the right to administer a National Advertising Fund that we will account for separately on the general ledger. The purpose of the fund is to pool our advertising money and that of our franchisees so as to achieve greater benefits for all in promoting the Trade Name and Marks. (Franchise Agreement §5.11)

Local Advertising

Unless you have voluntarily requested to be placed on Inactive Hold (for example because of an extended vacation or health problem, thus suspending your Local Advertising spend duties), beginning the first month (1st) month of operation, you are required to initiate your social media, direct mail, email drip marketing, PPC, local SEO programs. You are required to spend a minimum of four percent (4%) of your monthly Gross Revenues or \$500 per month whichever is greater, on local advertising, marketing and promotional programs to help grow your business within your Territory. This will cover your \$500 per month requirement until you exceed \$20,833 in monthly sales. At that point, the minimum 4% would be higher than the \$500 per month minimum and you would be responsible for the difference. You are fully responsible for all advertising expenses. Advertising may include, but is not limited to, Google Ads PPC, LinkedIn Advertising,

Yahoo Advertising, real estate expos and events and local real estate magazines, trade journals, direct mail, social media marketing and email drip marketing is counted towards that overall four percent (4%). You must spend \$100 per month on Google Ads PPC, \$195 per month for email and social media marketing and \$174 per month for direct mail. You are required to purchase the Hommati 10' display and the Hommati 3' banner from the designated vendors prior to starting operations and attend at least two (2) real estate expos or real estate events in your area each year provided these events are being held in your area. You are required to have at least 1,000 agent emails in your database or your pro-rata share of agent emails for your market provided you have other franchisees operating in your territory. You are required to display a Hommati yard sign at each listing you sell a Platinum or Premium Package. You are required to do a minimum of a five-dollar (\$5) boost for each Platinum or Premium Package you sell. (Franchise Agreement §7.5)

Proprietary Products and Services Availability

We will use our reasonable efforts to ensure that designated vendors or suppliers will at all times have a supply of Proprietary Products and/or Services for sale to you at fair market value. (Franchise Agreement §5.7)

Additional Training

We will provide additional training to you during the term of this agreement when we believe that additional training is needed. We anticipate that any additional training program will be primarily web-based. (Franchise Agreement §5.8)

Consultation

We will use reasonable efforts to make our personnel available in a timely manner for telephone, fax, email, or online consultation on all aspects of your Program for no additional charge. (Franchise Agreement §5.9)

Business Development

From time to time, we will develop additional services to add to your profit centers. We will seek to evolve new methods of marketing, retaining, and increasing the revenue of your Program throughout the term of this agreement. (Franchise Agreement §5.10)

Advertising Services

The first time you intend on running a new advertisement, you must submit to us copies of all promotional and advertising materials that you originate and propose to use at least two weeks before the proof approval deadline. Once an advertisement has been approved, provided the content and/or images have not changed, you may use the previously approved advertisement in your on-going advertising. This requirement is also applicable to regional advertising cooperatives. All advertising and promotion that you undertake must be completely truthful, conform to the highest standard of ethical advertising, and comply with any applicable laws and regulations. We will review the materials within a reasonable time and will promptly notify you or the regional advertising cooperative, as applicable, whether we approve or reject them. We may not withhold our

approval unreasonably. Even if we approve specified materials, we may later withdraw our approval if we reasonably believe it is necessary to make the advertising conform to changes in the System or to correct unacceptable features of the advertising.

In the future, if we do administer a National Advertising Fund, we are not obligated to spend a specific amount of money in your Territory. We will give preference to advertising projects that are system wide in scope, but we may allocate some money to regional groups of franchisees or individual franchisees upon occasion. We reserve the unqualified right to decide, in our sole discretion, where, when and how advertising money will be spent.

We have a National Advisory Committee consisting of 5 franchisee representatives across the United States. The purpose of the NAC is to advise us in connection with issues facing franchisees, including but not limited to advertising policies. Members are elected by the franchise body. The NAC serves in an advisory capacity only and does not have operational or decision-making power.

When two (2) or more company-affiliated or franchised Programs have been established in your geographic area, we may, at our option, call a meeting of their representatives to establish a regional advertising cooperative for the region. You may also voluntarily agree with neighboring franchisees to establish a regional advertising cooperative.

For all cooperative decisions, representatives will be entitled to 1 vote within the region. The cooperative will elect a chairperson for a 1-year term and will decide, by simple majority vote, such matters as how often it will meet, what financial contribution it will assess from each member, and what advertising programs it will undertake. Cooperatives must operate from written organizational documents and provide annual financial reports to their members.

Regional advertising cooperative programs must be reasonably related to the general promotion of the Trade Name and Marks within the region and must conform to the requirements for local advertising stated in the Manual. Your required contribution to a regional advertising cooperative may be offset against your local advertising obligation for the period.

The area within which a cooperative operates will normally be defined by political boundaries, such as a county or Standard Metropolitan Statistical Area ("SMSA.") Members of a cooperative will contribute at the same rate as one another. Company-owned or affiliated Programs will contribute at the same rate as franchisees. We do not have the right to require cooperatives to be formed, changed, dissolved, or merged, but we may call a meeting of franchisee representatives in the area to decide whether to form a cooperative.

We reserve the right to administer a National Advertising Fund sometime in the future that we will account for separately on the general ledger. The purpose of the fund will be to pool our advertising money and that of our franchisees so as to achieve greater benefits for all in promoting the Trade Name and Marks. We may use the fund to pay for market research, advertising materials, media space and time for a national or regional advertising program, graphics development, a promotional website, online leads generation, a referral program, social media use and public relations activities. The fund may also be used for

advertising grants to franchisees, collectively or individually, at our sole discretion.

If we administer this fund, all franchisee Programs and any Program that may be operated by an affiliate would contribute up to and not to exceed four percent (4%) of their gross collected revenues each month. If all National Advertising Funds are not spent in the fiscal year in which they are collected, we will retain them in the fund bank account for use in a subsequent year.

We may use up to fifteen percent (15%) of fund money to compensate ourselves for overhead and other expenses incurred in connection with our administration of the fund. We will distribute to our franchisees, once a year, an unaudited National Advertising Fund report that will state the total amounts of money collected and spent by the Fund during the past year and list, by general category, the manner in which we spent the money.

We may incidentally announce the availability of franchises as part of an advertisement or other marketing communication that primarily promotes the services provided by the Franchise Network to the public. We do not use any portion of the National Advertising Fund for advertisements that principally solicit new franchise sales.

As of November 30, 2024, we did not collect or spend any monies related to the advertising fund.

Computer Systems

You must have a computer system (less than 3 years old) that includes an Apple Mac desktop or MacBook Pro laptop with Apple OS 10.13.6 or newer or a laptop or desktop running Microsoft Windows 10 Pro or newer, either with a minimum of 500 GB of available storage and 32 GB of memory and computer software, including Microsoft 365 personal (Outlook, PowerPoint, and Excel), Dropbox, Adobe Photography 20GB Bundle (Photoshop + Lightroom), and a StoryBlocks subscription. Additional optional software for both operating systems is not included here.

If you already have a computer, printer and internet access that meet the requirements set forth above you do not need to purchase them.

You will use the computer system to connect with our franchise dashboard, undertake bookkeeping and accounting functions and communicating with your Clients.

As time passes and technology changes, you may be required to replace some components of the computer system with different components.

We estimate that the cost of purchasing the items described above will range from \$250 to \$2,850. We estimate that annual repair, maintenance and updates of your computer system and software will total less than \$500. Neither we nor any other party is obligated to provide maintenance, repairs, upgrades, or updates for your computer system.

Periodically, we may ask you to upgrade your equipment and software to meet our currently effective standards. You must promptly comply with any such request. There are no contractual limitations on the frequency and cost of the obligation.

We will have independent access to all the data you store online in connection with your accounting, email and franchise dashboard. There are no contractual limitations on our right to access this data.

Leads

All leads received from our website Hommati.com coming from your Territory will be assigned to the franchisee selected by the agent. If the agent does not select a specific franchisee then the lead will be assigned on a Round Robin Basis to all franchisees within the Territory. This means leads will be distributed in rotation to each franchisee within the Franchise Network in the same Territory. Each franchisee will receive an equal distribution of these leads except under certain circumstances. You will be removed from the Round Robin lead assignment for any of the following circumstances:

1. You are not in Good Standing as defined in Franchise Agreement Section 3.7.
2. You have not confirmed receipt of any lead or leads for more than 14 calendar days from the date of receipt in your franchise dashboard.
3. You have requested to be placed on an Inactive Hold due to vacations or other circumstances that would cause you to temporarily stop operating your business for a period of more than 14 days.
4. You have been involuntarily placed into an Inactive hold due to not enrolling any new Featured Agents or selling any services for a period of 90 days or more.
5. Leads from Featured Agents will go exclusively to the franchisee who enrolled the Featured Agent.
6. Leads from Limited Agents who have been assigned to a franchisee for less than 90 days will go exclusively to the franchisee that received it in the Round Robin distribution. If the Limited Agent has done at least one paid billing within the past 180 days then that Limited Agent will be assigned to the franchisee who received that paid billing.

Operations Manuals

Exhibit D-3 contains the Table of Contents of our Operations Manuals, the number of pages devoted to each subject, and the total number of pages in the Operations Manuals as of our last fiscal year end. In addition, we will give you the opportunity to view our Operations Manuals in the presence of our representative at a mutually convenient time and place before you enter into a franchise agreement with us.

Training classes will be held about once a month or as needed. Instructional materials will include the Operations Manuals, handouts, hands-on drone flight training and 3D scanning, instructional videos and testing materials.

Jerry Clum, our CEO/President, will supervise the training program and also serve as an instructor. He has been with us since we were formed in 2017. He has 29 years of experience in franchising and has trained more than 1,000 franchisees for this and other franchise concepts. He has 38 years of experience in sales, management, and operations.

Joe Ciamacco, our Vice President of Franchise Development, will also serve as an instructor. He has over 11 years of experience in franchising and trained more than 175 franchises for this and other franchise concepts. He has been with us since we were formed in 2017 and has worked since then in drone and 3D operations and business development.

Wendy Emery, our National Media Director, will also serve as an instructor. She has been with us since mid-2019 and has over 26 years of work experience in the field of art and design.

You must attend and successfully complete all phases of the initial training program and complete it to our satisfaction – meaning attaining at least a score of 70% or higher on the final exam at the end of training- at least 15 days before you begin operating under the franchise agreement. Your Program must always be directly or indirectly supervised by you or a person who has successfully completed our initial training program. If we reasonably conclude that you are unwilling or unable to successfully complete training, this constitutes

grounds for termination of your franchise.

We do not charge a fee for the initial training program for you and any other member of your management. Trainees do not have to attend at the same time as one another. For all training we offer, you must pay any costs of travel, lodging, meals, and other incidental expenses that you or your employees incur or that we incur in traveling to your location, at your request, to conduct training, including a reasonable per diem for any trainer who travels to your location. Depending on availability of seats, only one person may be able to attend in-person training. Others may be required to attend live virtual training.

Additional training programs will be offered from time to time. If we advise you that attendance at an additional training program is mandatory, you must attend and complete the program, at your own expense, to our reasonable satisfaction. We do not charge a fee for additional training.

Additional Sales Training and Coaching

After 90 days of operating the Program, you are required to participate in additional sales training and coaching via a designated third-party vendor. If this training and coaching is initiated, you will be responsible for paying their fees directly to the designated vendor. We anticipate the additional training to be less than a one-time fee of \$2,700 for the initial training held virtually in two four hour classes and 12 monthly coaching calls. The purpose of this training and coaching program is to assist franchisees in achieving both a faster and higher level of sales growth.

We will make use of online or distance training when practical to minimize cost. We also expect to offer continuing education at the annual meeting for which there will be a registration fee. You must pay any travel, lodging, and other expenses that you or your employees incur to attend additional training programs.

ITEM 12. TERRITORY

Non-Exclusive Territory

You will not receive an exclusive Territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Territory

Your franchise is for a specific location of one or more counties, as explained below and identified in Attachment 7 to the Franchise Agreement.

The minimum territory that we grant normally includes 200,000 or more people in it. We use population data from the US Census Bureau or another source we deem reliable to determine population.

Your Territory is protected by a maximum number of franchisees we can establish within a Territory. We determine this maximum number by taking the total population within

a county and/or a combination of counties and dividing it by 200,000. This sets the maximum number of franchisees to 1 per 200,000 in population. Territories are delineated by county and state. For counties that have less than 200,000 in population we may, at our sole discretion, combine two or more counties to get up to a total minimum population of 200,000.

When a county has more than 200,000 in population we may, in our sole discretion, combine two or more counties in order to not void contiguous counties that have less than 200,000 in population. When a county has more than 200,000 in population we may also, at our sole discretion, combine two or more counties in order to maintain trade areas for metropolitan statistical areas that have close economic ties to multiple counties. Your Territory specified in Attachment 7 will show all counties we have included. We may, at our sole discretion and at any time in the future, expand your Territory and permit you to operate your Program in additional counties provided we never exceed the maximum number of franchisees to 1 per 200,000 in population of the updated Territory. We do not need to execute any form of addendum to add additional counties to your territory.

You can provide services to any real estate agent or client whose principal office is inside your Territory and who is not already exclusive to another franchisee. An agent's principal office is defined as the firm office they are assigned to, they may not always have their own desk there, but they will usually have at least an inbox. It also may be the address shown on their business card. If an agent has an office address on their card or are assigned to a physical office location, then their home address cannot be used as their address. This is regardless of whether they have an office in their home or not. Some firms may have multiple offices and agents may work out of more than one of them. In these cases, the agent's principal office is the address shown on their business card. In the case of any disputes, we will use our reasonable judgement researching online and possibly contact the agent and/or the agent's broker to make a final determination of what address should be used.

From time-to-time, agents may move firms or change assignment from one office to another within the same firm. A franchisee may have enrolled an agent when that agent was working at one specific firm or office and then, later, the agent moved. Or an agent may have used a different address or county, when they enrolled, i.e., their home address. If it's discovered that a franchisee is providing services to an agent who is not currently in their Territory and the agent is now in a different franchisee's Territory, unless a mutual agreement can be reached between the two franchisees in question, we can, in our sole discretion and without consent, re-assign that agent to the franchisee who has the Territory the agent is in.

If an agent who is exclusive to You has listings outside your Territory, You can provide services on those listings regardless of whether it is in a Territory being served by other franchisee(s).

Relocation

You do not need our consent to relocate your Program's office within your Territory or Territories. Relocation of your Program to an address outside your Territory is not permitted with the exception of implementing a transfer into another Territory. We may, at

our sole discretion, permit You to transfer into another Territory provided we have not reached our maximum number of franchisees in the Territory you are requesting a transfer. You will be subject to a transfer fee. (Franchise Agreement §6.12)

Options, Rights of First Refusal

We do not grant options, rights of first refusal, or similar rights to acquire additional franchises.

You may not solicit or accept orders from consumers (who would be licensed real estate agents or brokers) outside of your territory, including through other channels of distribution such as catalog sales, telemarketing, or other direct marketing.

Round Robin Lead Distribution Process

To reduce the duplication of effort or conflicts with franchisees within the Territory, we have established the following requirements:

- (a) All leads generated from your landing page are automatically assigned to you. Leads coming in generically to our website are asked screening questions to attempt to determine if the agent has initiated enrollment due to speaking with or seeing marketing from a specific franchise. All leads that were not generated from your landing page or leads generated from our website whereby the agent does not remember how they heard about Hommati, will be assigned on a Round Robin fashion to all franchisees operating in your Territory (except as provided in 5.12 of the Franchise Agreement). They will be assigned in rotation to each franchisee within the Territory and each franchisee will receive an equal distribution of these leads.
- (b) We agree not to authorize any other franchisee or affiliate to solicit Clients that have paid you a Featured Agent Monthly Membership Fee or Limited Agents you have billed through your dashboard for any Hommati service within the past 180 days or Limited Agents assigned to You who has not had any billings for less than 90 days. You agree that you will not provide Products or Services to a Client that any other franchisee has been paid a Featured Agent Monthly Membership Fee or they have billed a Client for any Hommati service within the past 180 days or Limited Agents assigned to any other franchisee for less than 90 days who has not had any billings. If it is determined that an agent initiated Featured or Limited Agent enrollment due to the efforts of a specific franchise and there is evidence provided that supports this claim, we may, in our sole discretion, reassign that agent to the franchisee it was determined initiated that enrollment.
- (c) You must do an Exclusive Agent Search on the franchise dashboard before offering Featured Membership, 3D Interactive Tour, Aerial Video, 2D or HDR Photography or any other Hommati services. You must confirm the agent you want to offer services to is not exclusively assigned to any other franchisee.

- (d) If a conflict arises between two or more franchisees as to who has the rights to a particular Client, this conflict will be resolved by determining which franchisee has the earliest date of active Client membership or through evidence provided that supports the claim of one of the franchisees that in our sole discretion we deem to be true.
- (e) Limited Agents are also assigned to franchisees on an exclusive basis for a 90-day period. If they upgrade their membership to a Featured Agent, they will become exclusive to You. A Limited Agent will also remain exclusive to You provided You have billed them through your dashboard for any Hommati service not less than at least one time per each 180-day period. If they do not, they will return to the Round Robin assignment and they may come up as a new lead in the future.

Restrictions

We reserve the exclusive right to conduct or control Internet promotion and marketing, including the exclusive right to establish and use accounts in any of the social media using our Trade Name or Marks. The only social media accounts or Google My Business Pages that can be created by You to be used in your operation are accounts that we assist you in setting up and are managed under our admin account. We will be given full admin authority of those accounts and maintain ownership of them. You are prohibited from establishing any social media groups including, but not limited to Facebook or Linked In groups where the discussion of the Hommati Program is likely to occur.

We reserve all other rights not expressly granted to you in this agreement, including the right to sell national advertising on our website and the right to sell other Proprietary Products and Services on our website that are not the types of products and services that you are authorized to offer as part of a Program.

Client Dispute Resolution

We have the right to refer any Client dispute between you and another franchisee to an independent ombudsman whom we will compensate. You and we will be bound by the decision of the ombudsman in any such dispute. Under no circumstances, however, will we be required to initiate legal action against any franchisee or former franchisee to prevent or compensate you for the violation of your Territorial rights by that franchisee.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark in which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

There is no pending material federal or state court litigation regarding our use or ownership rights in the principal Marks.

There is no currently effective agreement that significantly limits our right to use or license the use of our Marks in a manner material to the franchise.

In any action or proceeding arising from or in connection with any such claim, demand, or suit, we may select legal counsel and have the right to control the proceedings.

We have the right to change our Trade Name and Marks and the specifications for

each when we believe, in our reasonable discretion, that the changes will benefit the Franchise Network. You must promptly conform, at your own expense, to any such changes.

We do not know of any superior rights or infringing uses that could materially affect your use of the Marks.

You agree to affix the Marks upon such vehicles, uniforms, equipment, advertising, sales/promotional materials and such other objects, in such size, color, lettering style and fashion, and at such place as we may designate in the Operations Manuals.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Our Chief Executive Officer, Jerry Clum, has filed the provisional patent application listed below and licenses the rights to use the system evidenced in the provisional patent applications and to sublicense the system to our franchisees.

Title of Patent Application: The Agent Advantage Program
Application Number: 63113525
Filing Date: November 13, 2020
Type of Patent Application: Utility

A non-provisional patent was also filed one year later:

Title of Patent Application: System and Method of Optimizing a Lead Conversion Rate for a Real Estate Agent
Application Number: 17526485
Filing Date: November 12, 2021
Type of Patent Application: Utility

The above referenced provisional and non-provisional patent applications relates to a process that assist real estate agents to reduce the number of cancellations of scheduled listing presentations and assist real estate agents to win a higher percentage of listing presentations. The invention is a process that includes a custom co-branded video created for a real estate agent explaining the innovative technology that they will utilize to help sell a client's home faster and for a higher selling price. The present invention also includes a custom printed magazine-like brochure called *The Innovative Agents Magazine*.

The patent applications are in a pending state. There is no pending material federal or state court litigation regarding our use or ownership rights in the provisional patent application.

There is no agreement which limits the use of the provisional patent application. We know of no patent that could materially affect franchisees.

We claim common law copyrights in our suite of Operations Manuals, website, intranet, and marketing materials.

We communicate our proprietary marketing methods to you under the franchise

agreement. We consider this to be valuable confidential information, protectable under the law of trade secrets.

During the term of this agreement and all renewals and extensions thereof and for one (1) year after its Termination, You agree and acknowledge that We shall be entitled to sole ownership of any intellectual property rights or copyright that You create, develop, produce and/or discover. This may include, but not be limited to, all videos, photography and 3D Tours. You hereby assign to Us the entire right, title and interest to such work, which relates in any way to the operation of Your Program.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

You can operate the business on either a full-time or part-time, executive managed basis. If you elect to operate on a part-time, executive managed basis, it is required that you hire either a General Manager or both a 3D/Drone Pilot and Agent Development Manager before beginning operations. The 3D/Drone Pilot must be available to provide services to Clients when needed. The Agent Development Manager would meet with agents, educate them about your services and take orders for those services. If you do not hire either a General Manager or both a 3D/Drone Pilot and Agent Development, then you must devote full-time attention to your Program and not be employed anywhere else during normal business hours. Because an HOMMATI® Program is intended to be operated as a home-based business, it is unlikely that employees, if any, will work from the same premises as you will. Therefore, although the Program needs supervision, we do not expect anyone to exercise "on-premises" supervision except in the case of untrained employees at Client's homes. Until your employees are fully trained by us and have been bonded, they are not to perform any HOMMATI® services offered in your Program. Generally, for our Platinum Package HDR, it takes 1 hour and 15 minutes of on-site time for up to 3,500 sq. ft. homes to scan and fly the drone. Generally, it takes 1 hour of off-site time for post-production work to edit aerial videos and all 2D stills. Virtual enhancements are a service you provide, but we do this work for you.

If you can show that you have at least \$45,000 more in working capital than the amount we require for franchisees operating their Program as an owner operator model, and you immediately hire either a General Manager or both a 3D/Drone Pilot and Agent Development Manager, you may operate your business on a part-time basis. Any person that you employ as a General Manager must be trained in all aspects of your Program and perform the duties and responsibilities of both the 3D/Drone Pilot and Agent Development Manager positions. The General Manager must be compensated at a level which is competitive to other similar positions in your market. Any person that you employ as a 3D/Drone Pilot who will be scanning the homes and/or piloting a drone in the operation of your Program is required to attend at least the drone virtual training and 3D Camera virtual training portion of our initial training program. Any person that you employ as an Agent Development Manager who will perform the marketing of your services is required to attend at least the sales, marketing and presentation virtual training portion of our initial training program. You will still have overall responsibility for the business. In order to determine if employees will be needed and, if so, how many will be needed, we are providing an estimate for what one fully trained and skilled employee can accommodate in a one-week work period. On average, one 3D/Drone Pilot can typically complete a maximum of 19 Platinum

Packages HDR per week if their only responsibility is doing the on-site jobs. On average, one franchise owner or General Manager can typically complete a maximum of 10 Platinum Packages HDR per week if they are responsible for both on-site, off-site post production work as well as marketing and all other operational responsibilities. This figure may vary depending on the size of the homes you will be assigning, the distance between the scans, the drive time between jobs and the employee's skill level.

There are no restrictions on whom you may hire as an employee provided the criminal background check and motor vehicle report you obtain meets the requirements as set forth in the Operations Manuals. They must also sign the Nondisclosure and Noncompetition Agreement attached to the franchise agreement as Attachment 3. We do not require your spouse to guarantee performance under the franchise agreement, or sign a confidentiality or non-competition agreement, however, if your spouse is a co-owner of the franchise or franchisee entity, then you and your spouse will both guarantee performance under the franchise agreement.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use and sell all the goods and services and only the goods and services that we have authorized you to provide. If, from time-to-time, we decide to make changes in the goods and services you are authorized to provide, you must comply with the changed requirements at your own expense. We have the right to change or discontinue any program, marketing method, procedure, etc. in response to legal, competitive, or technological issues or changes or attempts to improve in the marketplace. You may sell your goods and services to any customer who is a licensed real estate agent or broker consistent with your territorial restrictions. You must bill and deliver all services to agents using your franchise dashboard. You cannot use any other photo, video or 3D Tour delivery or billing service.

We may make changes in our standards and specifications, when, in our reasonable discretion, change is needed for the continued success and development of the Franchise Network. Such changes may require the purchase of equipment, supplies, furnishings, or other goods, completion of additional training by your employees, or other cost to you. You must promptly conform to the modified standards and specifications at your own expense.

ITEM 18. PUBLIC FIGURES

We do not use any public figures to promote our franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Here we set forth certain historical financial performance representations in the tables further below, using the following definitions.

DEFINITIONS

a) Annual Gross Revenues – means the actual gross revenues derived by each franchisee for the 12 months previous to the survey as determined by franchisees royalty reports.

b) Annual Gross Profit - means the actual gross revenues derived by each franchisee for the 12 months previous to the survey, less the cost of services sold, which includes credit card fees, 3D Upload and Floor Plan fees, the Technology/Syndication fee, Virtual Staging fees, Agent Transparent Background fees, 40% split on the Featured Agent Membership fees, Broker Team Leader fees, Curb Lead fees, Lender Network Advertising Program fees, Sales Tax and total Royalty paid, during the same period as determined by franchisees royalty reports. Cost of services does not include operating expenses such as insurance, online accounting software, labor, auto expenses, advertising, phone or internet service.

- c) Franchise Network – "Franchise Network" means the interdependent network composed of all HOMMATI® franchisees.
- d) Franchisee Benchmark Survey – refers to a survey that was sent out to all franchisees in our Franchise Network in November 2024 and the results of this survey in addition to the monthly Royalty Reports for the 12 months prior which were used to create this Financial Performance Representation.
- e) Full-Time Basis – means those Franchise Outlets that reported in the survey they were operating at 40 or more hours per week.
- f) Operating Time Period – means the period of time that each franchisee had been operating and within the tier levels shown.
- g) Part-Time Basis – means those Franchise Outlets that reported in the survey they were operating at less than 40 hours per week.

Royalty Report – means the automated electronic system in our franchise dashboard that totals the Monthly Gross Revenue from the billings each franchisee made in the month and then calculates the royalties payable by each franchisee. All billings for all jobs performed must be billed within your franchise dashboard and only within your dashboard.

BASIS AND ASSUMPTIONS

The financial information was prepared on a basis consistent with generally accepted accounting principles during the respective measurement periods. The information in this analysis has not been audited, it is based on actual historical financial data for the 12 months period prior to the survey as per the Royalty Report generated for those 12 months as well as the answers provided in a Franchisee Benchmark Survey that was conducted.

FRANCHISE NETWORK

We surveyed our Franchise Network in November 2024. At that time, we had 124 franchisees. Of those 124 franchisees, 83 franchisees (66.9%) completed the survey. Of those 83 franchisees, 14 franchises (16.9%) were not operating for the entire 12 months previous and were excluded from these tables.

Of the 69 remaining franchisees, 27 franchises (39.1%) reported they were operating on a Full-Time Basis and 42 franchisees (60.9%) reported they were operating on a Part-Time Basis.

Table 1 reflects the Hommati Franchisees in our Franchise Network operating on a Full-Time Basis.

State Addenda to the Disclosure Document

California

As to franchises governed by the California Franchise Investment Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.

Neither the franchisor nor any person in Item 2 of the disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Item 17.g. of the Disclosure Document is modified to state that, in addition to the grounds for immediate termination specified in Item 17.h., the franchisor can terminate upon written notice and a 60-day opportunity to cure for a breach of the Franchise Agreement.

Item 17.h. of the Disclosure Document is modified to state that the franchisor can terminate immediately for insolvency, abandonment, mutual agreement to terminate, material misrepresentation, legal violation persisting 10 days after notice, repeated breaches, judgment, criminal conviction, monies owed to the franchisor more than 5 days past due, and imminent danger to public health or safety.

The franchise agreement requires application of the laws of Ohio. This provision may not be enforceable under California law.

The franchise agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement requires binding arbitration. The arbitration will occur at Franklin County, Ohio, with the costs being borne according to the Rules for Commercial Arbitration of the American Arbitration Association.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum

outside the State of California.

You must sign a general release of claim if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the franchise investment law (California Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

Section 31512 of the Franchise Investment Law (FIL) and 20010 of the California Franchise Relations Act (CFRA) provide that any condition, stipulation, or provision purporting to bind you to waive compliance with any provision of these laws is void. Therefore, any release of claims that you must sign as a condition of renewal or transfer may not apply to claims arising under the FIL or the CFRA.

The highest interest rate allowed by law in California is 10% annually.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

CA Corporations Code Section 31512.1- Franchise Agreement

- (a) Representations made by the franchisor or its personnel or agents to a prospective franchisee.
- (b) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents.
- (c) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto.
- (d) Violations of any provision of this division.

The following text is added to the **Special Risks** page of the Disclosure Document: "Each owner of the franchise is required to execute a personal guarantee. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property

states such as California.”

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

As to franchises governed by the Hawaii Franchise Investment Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

This provision supersedes any other term of any document executed in connection with the franchise.

Illinois

As to franchises governed by the Illinois Franchise Disclosure Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Illinois law governs the Franchise Agreement.

This provision supersedes any other term of any document executed in connection with the franchise.

Maryland

As to franchises governed by the Maryland Franchise Registration and Disclosure Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17.b. is modified to also provide, "The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
2. Item 17.u. is modified to also provide, "This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable."
3. Item 17.v. is modified to also provide, "Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise."

This provision supersedes any other term of any document executed in connection with the franchise.

5. Item 5 is modified to also provide, "Based upon our financial condition, the Maryland Securities Commissioner has required a financial assurance which is being satisfied by posting a surety bond which we filed with the Commissioner and attach below."

Minnesota

As to franchises governed by the Minnesota Franchise Registration and Disclosure Law, if any of the terms of the Disclosure Document are inconsistent with the terms below,

the terms below control.

Minn. Stat. Section 80c.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minn. Stat. Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Section 80c.14 Subd. 3-5, which require (except in certain specified cases) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minn. Stat. Section 80c.12 Subd.1(g). The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rules 2860.4400(J) also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minn. Stat. Section 80C.17 Sub. 5.

Item 6 of the Disclosure Document is amended to limit the Declined Payment Charge to \$30 per occurrence pursuant to Minnesota Statute 604.113.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

New York

As to franchises governed by the New York franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. The following information is added to the cover page of the Franchise Disclosure Document:

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR

CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency, or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" sections of Item 17(c), titled "**Requirements for franchisee to renew or extend**," and Item 17(m), entitled "**Conditions for franchisor approval of transfer**":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "**Termination by franchisee**":

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “**Choice of forum**,” and Item 17(w), titled “**Choice of law**”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

North Dakota

As to franchises governed by the North Dakota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Restrictive Covenants: To the extent that covenants not to compete apply to periods after the term of the franchise agreement, they are generally unenforceable under North Dakota law.

Applicable Laws: North Dakota law will govern the franchise agreement.

Mediation and Arbitration: Mediation and Arbitration will take place in a location agreeable to all parties and may not be remote from the franchisee’s place of business.

Jurisdiction and Venue: Item 17(u) of the Disclosure Document is modified to delete the requirement that a North Dakota franchisee consent to jurisdiction and venue in Ohio.

Waiver of Trial by Jury: Any waiver of a trial by jury will not apply to North Dakota Franchises.

Waiver of Exemplary & Punitive Damages: Any waiver of punitive damages will not apply to North Dakota Franchisees.

General Release: Any requirement that the franchisee sign a general release upon renewal of the franchise agreement does not apply to franchise agreements covered under North Dakota law.

Enforcement of Agreement: Any requirement in the Franchise Agreement that requires the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement is void. Instead, the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney’s fees.

Rhode Island

As to franchises governed by the Rhode Island Franchise Investment Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Item 17.m. of the Disclosure Document is revised to provide:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act prohibits a franchisee to be restricted in choice of jurisdiction or venue. To the extent any such restriction is

purported to be required by us, it is void with respect to all franchisees governed under the laws of Rhode Island.

Item 17.w. of the Disclosure Document is revised to provide:
Rhode Island law applies.

Virginia

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination do not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Wisconsin

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17 is modified to also provide,

If the franchise agreement contains any provisions that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days' prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Hommati Franchise Network, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. INDEPENDENT AUDITORS' REPORT - CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Hommati Franchise Network, Inc.'s** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the **Hommati Franchise Network, Inc.'s** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control matters that are identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations - Hommati Franchise Network, Inc. (the "Company") was formed on August 14, 2017 and is a national franchising agency for providing services to the real estate market. The Company develops new technology in order to assist real estate agents sell homes in innovative ways. The Company uses different approaches which include: 3D Interactive Tours, Virtual Staging, Aerial HD Video/Stills, Ultra HD 34MP (up to 4K) Photography, Sign Placement/Removal Service, and Doorhanger Services. These services are designed to eliminate some of the up front work for the real estate agents and make selling homes more effective and efficient in any market.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Company's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations - The Company is dependent on the use of trademarks, slogans, logos, and copyrighted materials including training programs, marketing literature, website development and operational documents (intellectual property). Should the license to utilize such intellectual property be terminated, such events would likely have an adverse effect on the Company's operations.

Adoption of New Accounting Standards - In June 2016, the Financial Accounting Standards Board ("FASB") issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASB ASC 326 were accounts receivable.

The Company adopted the standard effective December 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

Accounts Receivable - The Company recognizes an allowance for losses on accounts receivable in an amount equal to the current expected credit losses. The estimation of the allowance is based on an analysis of historical loss experience, current receivables aging, and management's assessment of current conditions and reasonable and supportable expectation of future conditions, as well as an assessment of specific identifiable customer accounts considered at risk or uncollectible. The Company assesses collectability by pooling receivables where similar characteristics exist and evaluates receivables individually when specific customer balances no longer share those risk characteristics and are considered at risk or uncollectible. The expense associated with the allowance for expected credit losses is recognized in operating expenses. There was no allowance for expected credit losses/bad debts recorded as of November 30, 2024, November 30, 2023 and November 30, 2022.

The Company writes off receivables when there is information that indicates the debtor is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any accounts previously written off, they will be recognized in income or offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election.

Inventory - Inventories consist of cameras and batteries and are valued at cost.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Property and Equipment - Property and equipment are stated at cost and depreciated over their estimated useful lives using the straight-line method. Routine repairs and maintenance are charged to expense when incurred. When property and equipment are retired or sold, the related cost and accumulated depreciation are removed from the respective accounts, and the resulting gains and losses are included in income.

The Company reviews for impairment of long-lived assets in accordance with accounting standards. These standards require companies to determine if changes in circumstances indicate that the carrying amount of its long-lived assets may not be recoverable. If a change in circumstances warrants such an evaluation, undiscounted future cash flows from the use and ultimate disposition of the asset, as well as respective market values, are estimated to determine if an impairment exists. Management believes that there has been no impairment of the carrying value of its long-lived assets at November 30, 2024.

Income Taxes - On December 1, 2017, the Company elected, with the consent of its stockholder, to be taxed as an S corporation under Section 1362 of the Internal Revenue Code. Therefore, no provision for federal and state income taxes is included in the financial statements.

Website Development Costs - Costs incurred in the preliminary project and post-implementation stages of an internal use software project and website development are expensed as incurred, and certain costs incurred in the application development stage of a project are capitalized and amortized over the estimated useful life. As of November 30, 2024 the Company has capitalized a total of \$584,901 related to website development. The Company capitalized \$52,084, \$87,473, and \$157,252 related to website development during 2024, 2023 and 2022. Amortization expense of website development costs was \$112,368, \$118,726 and \$94,291 for the years 2024, 2023 and 2022. Amortization expense is expected to be \$72,728, \$31,941 and \$8,681 for the years 2025, 2026 and 2027.

Accounting for Uncertainty in Income Taxes - Accounting standards require the evaluation of tax positions taken, or expected to be taken, in the course of preparing the Company's tax returns, to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. This statement provides that a tax benefit from an uncertain tax position may be recognized in the financial statements only when it is "more-likely-than-not" the position will be sustained upon examination, including resolution of any related appeals or litigation processes, based upon the technical merits and consideration of all available information. Once the recognition threshold is met, the portion of the tax benefit that is recorded represents the largest amount of tax benefit that is greater than 50 percent likely to be realized upon settlement with a taxing authority. No significant uncertain tax positions exist as of November 30, 2024.

Advertising - Advertising costs are expensed as incurred. Advertising expense was \$378,939, \$462,831 and \$681,818 for the years 2024, 2023 and 2022.

Leases - In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, *Leases*) to increase transparency and comparability among companies by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The Company adopted the standard effective December 1, 2022 and recognized and measured leases existing at December 1, 2022 (the beginning of the period of adoption) through a cumulative effect adjustment, with certain practical expedients available. Lease disclosures for the year ended November 30, 2022 are made under prior lease guidance in FASB ASC 840.

The Company elected the available practical expedients to account for their existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Company also recognized on December 1, 2022 a lease liability of \$347,137, which represents the present value of the remaining operating lease payments of \$417,138, discounted using the risk-free borrowing rate of 2.66%, and a ROU asset of \$353,432.

The standard had a material impact on the balance sheet, but did not have an impact on the income statement, nor statement of cash flows. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases.

The Company leases a building. The Company determines if an arrangement is a lease at inception. Operating leases are included in operating lease ROU assets, and current and long-term operating lease liabilities on the balance sheet.

ROU assets represent the Company's right to use an underlying asset for the lease term and lease liabilities represent their obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of the Company's leases do not provide an implicit interest rate, the Company uses the risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The Company's lease terms may include options to extend or terminate the lease when it is reasonably certain that it will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Subsequent Events - In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through January 10, 2025, the date the financial statements were available to be issued.

4. FRANCHISED RIGHTS

4.1. Granting Clause

We grant to you the right and obligation and you accept from us the right and obligation to own and operate a HOMMATI® Program.

4.2. Territory

Your franchise is for a specific location of one or more counties, as explained below and identified on Attachment 7 to the Franchise Agreement.

The minimum territory that we grant normally includes 200,000 or more people in it. We use population data from the US Census Bureau or another source we deem reliable to determine population.

Your Territory is protected by a maximum number of franchisees we can establish within a Territory. We determine this maximum number by taking the total population within a county and/or a combination of counties and dividing it by 200,000. This sets the maximum number of franchisees to 1 per 200,000 in population. Territories are delineated by county and state. For counties that have less than 200,000 in population we may, at our sole discretion, combine two or more counties to get up to a total minimum population of 200,000.

When a county has more than 200,000 in population we may, in our sole discretion, combine two or more counties in order to not void contiguous counties that have less than 200,000 in population. When a county has more than 200,000 in population we may also, at our sole discretion, combine two or more counties in order to maintain trade areas for metropolitan statistical areas that have close economic ties to multiple counties. Your Territory specified in Attachment 7 will show all counties we have included. We may, at our sole discretion and at any time in the future, expand your Territory and permit you to operate your Program in additional counties provided we never exceed the maximum number of franchisees to 1 per 200,000 in population of the updated Territory. We do not need to execute any form of addendum to add additional counties to your territory.

You can provide services to any real estate agent or client whose principal office is inside your Territory. An agent's principal office is defined as the firm office they are assigned to, they may not always have their own desk there, but they will usually have at least an inbox. It's also may be the address shown on their business card. If an agent has an office address on their card or are assigned to a physical office location, then their home address cannot be used as their address. This is regardless of whether they have an office in their home or not. Some firms may have multiple offices and agents may work out of more than one of them. In these cases, the agent's principal office is the address shown on their business card. In the case of any disputes, We will use our reasonable judgement researching online and possibly contacting the agent and/or the agent's broker to make a final determination of what address should be used.

From time-to-time, agents may move firms or change assignment to one office to another within the same firm. A franchisee may have enrolled an agent when that agent was working at one specific firm or office and then, later, the agent moved. Or an agent may have used a different address or county, when they enrolled, i.e., their home address. If it's discovered that a franchisee is providing services to an agent who is not currently in their Territory and the agent is now in a different franchisee's Territory, unless a mutual agreement can be reached between the two franchisees in question, we can, in our sole discretion and without consent, re-assign that agent to the franchisee who has the Territory the agent is in.

If an agent who is exclusive to You has listings outside your Territory, You can provide services on those listings regardless of whether it is in a Territory being served by other franchisee(s).

Relocation

You do not need our consent to relocate your Program's office within your Territory or Territories. Relocation of your Program to an address outside your Territory is not permitted with the exception of implementing a transfer into another Territory. We may, at our sole discretion, permit You to transfer into another Territory provided we have not reached our maximum number of franchisees in the Territory you are requesting a transfer. You will be subject to a transfer fee per Section 6.12 of this Agreement

Options, Rights of First Refusal

We do not grant options, rights of first refusal, or similar rights to acquire additional franchises.

You will not receive an exclusive Territory. You may face competition from other franchisees.

You may not solicit or accept orders from consumers (who would be licensed real estate agents or brokers) outside of your territory, including through other channels of distribution such as catalog sales, telemarketing, or other direct marketing.

Round Robin Lead Distribution Process

To reduce the duplication of effort or conflicts with franchisees within the Territory, we have established the following requirements:

- (a) All leads coming into our website generically, excluding those that are not already Featured Agents or Limited Agents assigned to a franchisee for less than 90 days or have been billed services by a franchisee within the past 180 days or have come in from your or another franchisee's landing page or those where the Client has identified a specific franchisee that initiated their action, will be assigned in a Round Robin fashion to all franchisees operating in your Territory (except as provided in Franchise Agreement Section 5.12).

They will be assigned in rotation to each franchisee within the Franchise Network and each franchisee will receive an equal distribution of these leads.

(b) We agree not to authorize any other franchisee or affiliate to solicit Clients that have paid you a Featured Agent Monthly Membership Fee or Limited Agents you have billed through your dashboard for any Hommati service within the past 180 days or Limited Agents assigned to You who has not had any billings for less than 90 days. You agree that you will not provide Products or Services to a Client that any other franchisee has been paid a Featured Agent Monthly Membership Fee or they have billed a Client for any Hommati service within the past 180 days or Limited Agents assigned to any other franchisee for less than 90 days who has not had any billings.

(c) You must do an Exclusive Agent Search on the franchise dashboard before offering Featured Membership, 3D Interactive Tour, Aerial Video, Interior Video, 2D or HDR Photography or any other Hommati services. You must confirm the agent you want to offer services to is not exclusively assigned to any other franchisee.

(d) If a conflict arises between two or more franchisees as to who has the rights to a particular Client, this conflict will be resolved by determining which franchisee has the earliest date of Client membership or publication of the 3D Interactive Tour or Aerial Video to Hommati.com or through evidence provided that supports the claim of one of the franchisees that in our sole discretion we deem to be true. If it is determined that an agent initiated Featured or Limited Agent enrollment due to the efforts of a specific franchise and there is evidence provided that supports this claim, we may, in our sole discretion, reassign that agent to the franchisee it was determined initiated that enrollment.

(e) Limited Agents are also assigned to franchisees on an exclusive basis for a 90-day period. If they upgrade their membership to a Featured Agent within that 90-day period, they will become exclusive to You. If they do not, and they have not been billed for any services within the past 180-days, they will return to the Round Robin assignment if they come up as a new lead in the future.

Restrictions

We reserve the exclusive right to conduct or control Internet promotion and marketing, including the exclusive right to establish and use accounts in any of the social media using our Trade Name or Marks. The only social media accounts or Google My Business Pages that can be created by You to be used in your Operation are accounts that we assist you in setting up and are managed under our admin account. You must sign the attached authorization agreement for prearranged payment, in the form of Attachment 2 to this agreement, or any other document necessary to enable us to initiate payment of ongoing fees and other payments by electronic funds transfer, pre-arranged draft, or other digital method at our option. You must submit the Royalty Report to us, in the manner and form described in the Franchise Agreement Section 6.2 and in the Operations Manuals, including, among other information, the figures on which our fees are calculated. Once you have submitted the Royalty Report to us between the first and the tenth (10th) of the month following the month you are to be reporting, we will initiate payment by electronic funds transfer, pre-arranged draft, or other digital method an amount equal to what you reported. If we are unable to take payment digitally for any reason for which you are responsible, our inability to take payment will be considered your failure to make payment. If you do not submit the Royalty Report to us on or before the tenth (10th) of the month following the month you are to be reporting, we can, at our option,

initiate payment by electronic funds transfer, pre-arranged draft, or other digital method an amount equal to what the current Royalty Report shows for the month and then reconcile this amount against the actual amount once you have submitted the Royalty Report. If the reconciliation shows that you have underpaid, you will be responsible for submitting the difference to us within seven (7) calendar days. If the reconciliation shows that you have overpaid, you will be given a credit toward your next month's Royalty Report.

6.9. Audit

We have the right to audit your books and records, including your tax returns and financial and business data from fixed and removable drives of your business computer system and from your online accounting and bank statement with respect to your Program during normal working hours with no advance notice. Alternatively, at our sole option, we may require you to send digital or paper copies of selected records to us for audit. The auditor may be our employee or an independent contractor and does not have to be an accountant.

We have the right to contact Clients to verify the amount and quantity of payments made to you. If an audit discloses an underpayment of amounts payable to us under this agreement, you must immediately pay these amounts to us together with an administrative processing fee for each late payment as provided in this Article. If you are unable to produce the records you are required to maintain to explain any discrepancy disclosed by the audit, we may presume that the discrepancy results from an underpayment.

If we performed the audit because you did not provide required financial statements at the times and in the format specified in the Operations Manuals or if the underpayment exceeds three percent (3%) of the total Gross Revenues or any other ongoing payments to us for any period covered by the audit, you must also reimburse us for our expenses for the audit.

If you dispute our finding of an underpayment, we will retain, at your written request within ten (10) days of receiving our notification of underpayment, a certified public accountant to review or audit, at your option, your books and records for the period under examination. If the certified public accountant's report shows an underpayment that equals or exceeds any underpayment we found, or if the audit cannot be completed because you withhold requested records, you must reimburse us for our expenses in obtaining both audits, the amount of the underpayment and an administrative processing fee for each payment that was late.

6.10. Training Fees and Costs

We do not charge a fee for the initial training program for you or live virtual training for any other member of your operations, sales or management team. For all training we offer, you must pay any costs of travel, lodging, meals, and other incidental expenses that you or your employees incur or that we incur in traveling to your location, at your request, to conduct training, including a reasonable per diem for any trainer who travels to your location.

6.11. Payment for Proprietary Products

If ordering Proprietary Products from us or our affiliate, you must submit a check for the full purchase price, plus an additional amount to cover the costs of shipping, freight insurance, and any applicable duties, sales or use tax, as we specify, with each order for Proprietary Products. We have the right to require payment in cash, electronic funds transfer, cashier's check, or other means of making the funds immediately accessible to us if, in our reasonable discretion, your payment practices or financial status, the amount of the order, general economic conditions, or other business reasons make it advisable.

6.12. Renewal Fee

As a condition of renewing this franchise, you must pay, when you enter into a new, then current franchise agreement for the first renewal term, a renewal fee of \$1,500. Any renewal fee for a later renewal term will be set in the franchise agreement for the expiring franchise term.

6.13. Transfer Fee

As a condition of Transfer of this franchise, or a Transfer to a different Territory, you must pay, before the Transfer, a Transfer fee of \$5,000 if you Transfer your franchise or a majority ownership interest in it or when you Transfer your franchise to a different Territory.

6.14. Brokerage Fee

If you sell your franchise to a candidate that we produce, you must pay a fee equal to 33% of the then current franchisee fee to partially compensate us for the acquisition costs we spent on advertising to generate the interested candidate. This fee must be paid before we grant our consent to the Transfer. If you sell your franchise to a candidate you have located independently and have met all the conditions described in Section 9.4 of this agreement, this fee would not be applicable.

6.15. Annual Meeting Registration Fee

You must pay the HOMMATI® Annual Meeting registration fee whether you attend the meeting or not. We will charge a registration fee of \$595 for up to two (2) attendees at the HOMMATI® Annual Meeting. This fee may be accounted for separately from royalties and is an automatic payment, it does not need to be approved by you first. Additional attendees may attend for an additional registration fee of \$300 each. You must pay your own travel, lodging, and incidental expenses. Payment is due at least one (1) month before the meeting begins.

6.16. Declined Payment Charge

You must pay us, upon invoice, a declined payment charge of \$50 or our actual expense, whichever is more, to compensate us for the administrative expenses and bank charges we incur if your credit card payment is declined or your check or electronic payment is dishonored by the bank.

6.17. Interest and Late Fees on Late Payments, Reports or Under Reporting

You must pay us, upon payment of late fee or submittal of late report, interest not

to exceed 18% per annum on all amounts owed plus an administrative processing fee of \$50 for each late payment or report. The purpose of the late payment charge is to partially compensate us for the administrative burden imposed upon us by your failure to comply with your obligation to pay or report in a timely manner.

6.18. Email Service Fee

You must pay us a fee once every three years of \$360 per email address that you have requested. A minimum of one email address with the @Hommati.com domain name is required for your Program. Only emails with the @hommati.com domain can be used in your Program for you and any and all of your staff and we have specific requirements for what names can be used in the email address. We have the right to increase the Email Service Fee each quarter by an amount that is no higher than a total increase of 25% in a single calendar year.

6.19. Application of Payments

We may apply any payment you make to us, at our option, to any past due debt you owe us regardless of how you say the payment should be applied. We do not have to accept payments after they are due or extend credit or otherwise finance your operations, except as specifically provided in this agreement. **If you do not pay all amounts when due, we may suspend our services and support until you cure the failure.** If you do not make the payment within any applicable cure period, we have the right, at our option, to terminate this agreement.

7. YOUR OBLIGATIONS

7.1. Use of Trade Name and Marks

7.1.1. Context

We require you to use our Trade Name and Marks only in the operation of an HOMMATI® Program. You must use the email address we assign to you for all business communications. You may not use any web address, but ours in connection with your Program. You must sign an Assignment of Telephone Numbers, Email Addresses, and Website Addresses in the form of Attachment 4 to this agreement when you sign this agreement. You agree to affix the Marks upon such vehicles, uniforms, equipment, advertising, sales/promotional materials and such other objects, in such size, color, lettering style and fashion, and at such place as we may designate in the Operations Manuals.

7.1.2. Changes in Trade Name and Marks

We have the right to change our Trade Name and Marks and the specifications for each when we believe, in our reasonable discretion, that the changes will benefit the Franchise Network. You must promptly conform, at your own expense, to any such changes.

7.1.3. Advertising Materials

You must submit to us copies of all promotional and advertising materials that you propose to use at least two weeks before the proof approval deadline for any advertising that we have not provided to you, that you have materially changed or that we have not previously approved. All advertising and promotion that you undertake must be completely truthful, conform to the highest standard of ethical advertising, and comply

with any applicable laws and regulations. We will review the materials within a reasonable time and will promptly notify you or the regional advertising cooperative, as applicable, whether we approve or reject them. We may not withhold our approval unreasonably. Even if we approve specified materials, we may later withdraw our approval if we reasonably believe it is necessary to make the advertising conform to changes in the System or to correct unacceptable features of the advertising.

7.1.4. Legal Protection

You must notify us immediately in writing if you become aware of any unauthorized use of our Trade Name, Marks, or System. You must promptly notify us in writing of any claim, demand, or suit against you or against your principals in connection with your use of the Trade Name, Marks, or System. In any action or proceeding arising from or in connection with any such claim, demand, or suit, we may select legal counsel and have the right to control the proceedings.

7.2. Quality Assurance

7.2.1. Initial Training Program

You must attend and successfully complete all phases of the initial training program and complete it to our satisfaction. Your Program must always be directly or indirectly supervised by a person who has successfully completed our initial training program. Failure to successfully complete any aspect of the training program, as we determine in our reasonable discretion, constitutes grounds for immediate termination of your franchise. You must pass the FAA Drone Pilot Certification for Small Unmanned Aircraft (Part 107) before offering Aerial Videos and/or stills.

7.2.2. Start of Operations

You may not begin operating your Program until we certify in writing that, in the view of our management, you and your employees are prepared to begin operation. **By certifying that our management believes your Program is prepared to begin operation, we do not guarantee that your Program will be successful.** Success is dependent on many factors that are not within our control.

7.2.3. Compliance with Operations Manuals

You must operate your Program in total compliance with the standards and specifications stated in the Operations Manuals. We may make changes in our standards and specifications, when, in our reasonable discretion, change is needed for the continued success and development of the Franchise Network. Such changes may require the purchase of equipment, supplies, furnishings, or other goods, completion of additional training by your employees, or other costs to you. You must promptly conform to the modified standards and specifications at your own expense. You must at all times keep your copies of the Operations Manuals current by inserting in it any revised pages we give you and deleting superseded pages. If there is any dispute as to the requirements of the Operations Manuals at any point in time, the terms of our master copy of the Operations Manuals will control.

7.2.4. Goods and Services Offered

You must use and sell all the goods and services and only the goods and services

that we have authorized you to provide. If, from time to time, we decide to make changes in the goods and services you are authorized to provide, you must comply with the changed requirements at your own expense.

If we have designated a particular vendor or supplier as the sole source for a particular type of goods or services you use or sell in your Program, you may buy only from that supplier. We may designate a supplier at any time. We may name ourselves or an affiliate as a designated vendor or supplier or we may name an unrelated third-party supplier.

You must use any software or hardware and subscribe to any online application that we specify and must update your system to maintain compatibility with our requirements for your computer system. You must use your franchise dashboard to deliver all services to agents, you cannot deliver services to agents using any other photo, video or 3D Tour delivery service.

Even if we do not designate a specific provider for some types of goods or services that you use in your Program, we may require that you obtain our written approval of any supplier from which you obtain those types of goods or services. If we tell you that you must obtain our approval of your supplier of a certain type of goods or services and you would like to buy these goods or services from a supplier that we have not previously approved, you must notify us in writing and, upon our request, give us product specifications, sample products, and/or information about the supplier. We will promptly give you our written approval or our reasons for withholding our approval. As a condition of approving a supplier of any product that bears the Trade Name or Marks, the supplier must sign our license agreement to enable us to control the quality. We may withdraw our approval of a supplier if the supplier no longer meets our standards.

7.2.5. Client Satisfaction Program

We may use various techniques to obtain Client feedback concerning your services. If the feedback indicates that your performance does not meet our currently effective standards, as described in the Operations Manuals, or if we receive unusual numbers of Client complaints about your Program, we may suggest ways in which you can improve your performance. If you do not take immediate, effective steps to bring your operation up to our standards, your failure to do so will be a material breach of this agreement.

7.2.6. Attendance at Additional Training and Coaching

7.2.6.1 If we advise you that attendance at an additional training program is mandatory, you must attend and complete the program, at your own expense, to our reasonable satisfaction. We do not charge a fee for additional training.

7.2.6.2 After 90 days of operating the Program, you are required to participate in additional sales training and coaching via a designated third-party vendor. If this training and coaching is initiated, you will be responsible for paying their fees directly to the designated vendor. We anticipate the additional training to be less than a one-

time fee of \$2,700 for the initial training held virtually in two four hours classes and 12 monthly coaching calls. The purpose of this training and coaching program is to assist franchisees in achieving both a faster and higher level of sales growth.

7.2.7. Maintenance and Upgrades

Periodically, we may ask you to upgrade your equipment and software to meet our currently effective standards. You must promptly comply with any such request.

7.2.8. Professional Conduct

You must respond promptly and courteously to any communications we, and Clients direct to you. You may not engage in any conduct that, in our reasonable opinion, may injure the goodwill associated with the Trade Name and Marks. It is your responsibility for maintaining a good relationship with Clients you work with. If a Client decides they no longer wish to engage your services now or in the future, it is not our responsibility to resolve it. You must do everything you can to promote and maintain the excellent reputation of the HOMMATI® Franchise Network. Breach of this clause is a breach of this agreement and, if material, is grounds for immediate termination without opportunity to cure.

7.2.9. Inspections

We will conduct periodic quality assurance inspections of your Program during normal business hours. You will cooperate with our representatives during inspections. We may make quality assurance inspections with or without prior notice. You must promptly correct any deficiencies in your operation of which we advise you. If you do not take immediate, effective steps to bring your operation up to our standards, your failure to do so will be a material breach of this agreement. We may review your Listings published on the Hommati.com website and evaluate the 2D Stills, 3D Interactive Tours, Aerial Videos, Aerial Stills, Interior Videos, Virtual Enhancements and other digital media services that you have provided for Clients. If, in our sole discretion, we conclude that any service that you have provided is not up to the quality standards of the HOMMATI® Franchise Network, we can remove that media from Hommati.com and require that you immediately replace that service for the Client at your sole cost.

7.2.10. Proprietary Products

Any Proprietary Product used in your Program is unique and important to the success of the System. A Proprietary Product must be used as we instruct. You may purchase a Proprietary Product only from our designated vendors or suppliers. Use or sale of any substitute for a Proprietary Product without our prior written consent, which we may withhold in our sole discretion, is a material breach of this agreement.

7.2.11. Notification of Complaints

You must notify us promptly if you are served with a complaint in any legal or administrative proceeding that is in any way related to your Program or if you become aware that you are the subject of any complaint to or investigation by a governmental

licensing authority or consumer protection agency.

For any service you perform, you must manually add the listing and publish live to Hommati once the listing goes live on the MLS. For any listing you add, you must ensure you are adding the Minimum Listing Requirements to those listing. This is not necessary for listings that are saved but not published unless you give the Client the branded and unbranded links to use for those manually added listings that were saved but not published. For any listings that have a 3D Tour and/or aerial video you are required to give the agent the Hommati branded and unbranded links to use in their marketing of those listings.

7.3. Attendance at Annual Meeting

We may, at our sole discretion, arrange an Annual Meeting to provide updates, offer continuing education, and encourage discussion of topics of importance to the Franchise Network. If we designate attendance at the Annual Meeting as mandatory, you must attend at your own expense.

7.4.1. Management

You alone are responsible for the hiring, scheduling, discipline, discharging, day-to-day management and control over your employees. You alone are responsible to set their wages, raises, and any benefits. In addition, you, at your sole expense, are required to obtain a criminal background check and motor vehicle report for employees of your Program who will be marketing or providing services to customers. Such reports must be obtained prior to the employee commencing work in your Program. Failure to do so is cause for termination of this Agreement.

If you elect to operate on a part-time, executive managed basis, it is required that you hire either a General Manager or both a 3D/Drone Pilot and Agent Development before beginning operations. The 3D/Drone Pilot must be available to provide services to Clients when needed. The Agent Development Manager would meet with agents, educate them about your services and take orders for those services. If you do not hire either a General Manager or both a 3D/Drone Pilot and Agent Development, then you must devote full-time attention to your Program and not be employed anywhere else during normal business hours.

7.4.2. Employees

The \$500 per month requirement will apply until you exceed \$20,833 in monthly sales. At that point, the minimum 4% would be higher than the \$500 per month minimum and you would be responsible for the difference. You are fully responsible for all advertising expenses and you would be required to meet your 4% Local Advertising or \$500 per month spend requirement. All advertising and promotion that you undertake must be completely truthful, conform to the highest standard of ethical advertising, and comply with any applicable laws and regulations. We will review the materials within a reasonable time and will promptly notify you or the regional advertising cooperative, as applicable, whether we approve or reject them. We may not withhold our

8.9. Intellectual Property

During the term of this agreement and all renewals and extensions thereof and for one (1) year after its Termination, You agree and acknowledge that We shall be entitled to sole ownership of any intellectual property rights or copyright that You create, develop, produce and/or discover. This may include, but not be limited to, all videos, photography and 3D Tours. You hereby assign to Us the entire right, title and interest to such work, which relates in any way to the operation of Your Program.

9. TRANSFER OF FRANCHISE

9.1. Purpose of Conditions for Approval of Transfer

We grant this franchise in reliance on your integrity, ability, experience, and financial resources. You may transfer neither the franchise nor your Program operated under it unless you have first obtained our written consent, which may not be unreasonably withheld. Any purported Transfer without our prior written consent is void. To ensure that no Transfer jeopardizes the Trade Name, Marks, or our interest in the successful operation of your Program, we will consent to a Transfer only if you comply with the provisions of Sections 9.2 through 9.4 of this agreement.

9.2. Notice of Intention to Transfer

If you would like to transfer this franchise, you must submit to HFN: (a) the form of franchise purchase application we currently use, completed by the prospective transferee and (b) a written notice, describing all the terms and conditions of the proposed Transfer or a copy of the purchase and sale agreement, and (c) the transfer fee described in Section 6.12 of this agreement.

9.3. Consent and Right of First Refusal

We must respond in writing to your written notice within fifteen (15) days after receiving it, or, if we request additional information, within the later date of fifteen (15) days after receipt of the additional information or the final day of the original fifteen- (15)

day period. We may either preliminarily approve the Transfer, state in writing our reason for refusing to approve it or purchase your Program from you ourselves on the same terms and conditions as those offered by the third party. Silence is not consent. If we preliminarily approve the Transfer, then you may transfer the interest described in the notice only to the named transferee and only on the terms and conditions stated in the notice. Our final consent to the Transfer must be obtained in writing after all the conditions stated below have been fulfilled. Our consent to a particular Transfer will not be consent to any other or subsequent Transfer.

9.4. Conditions for Consent to Transfer

Our consent to your Transfer will not be unreasonably withheld, but will be subject to certain conditions, including, but not limited to:

- (a) Our determination, based on the information that you submit and any other information available, that the proposed transferee is qualified by meeting all of the criteria of character, business experience, financial responsibility, net worth, and other standards that we customarily apply to new franchisees at the time of Transfer,
- (b) Payment of all your outstanding debts to us and our affiliates,
- (c) Cure of all defaults under the franchise agreement, any other agreement(s) between HFN and you or your Related Parties, and the Operations Manuals,
- (d) At our sole option, signing by the transferee of an assumption of the rights and obligations of this franchise agreement or signing by the transferee of the then-current form of franchise agreement, and signing by the transferee's Related Parties of required supplemental agreements in the forms attached to the applicable franchise agreement,
- (e) Completion by the transferee's Owner of our initial training program to our satisfaction,
- (f) Signing by you and any Related Parties who have signed a guarantee of your obligations of a special release of claims against us and our affiliates in the form of Attachment 1 of this agreement,
- (g) Our determination, based on our review of the proposed purchase agreement or notice, that the agreement and any financing of the sale will give the buyer a reasonable chance to succeed as our franchisee, and
- (h) Your payment of the transfer fee described in Section 6.12 of this agreement.
- (i) You must continue to pay the Technology/Syndication Monthly Fee until the Transfer is completed.

9.5. Assignments Not Treated as Transfers

The Transfer provisions described above do not apply to an assignment to:

- (a) Any Trustee, Guardian, Executor, or Conservator for the account and benefit of a spouse, ancestor, or descendent;
- (b) Any of your employees under any employee stock option plan or stock purchase plan, if any share certificate distributed in connection with a plan of this type is marked with a legend describing the restrictions and conditions of Transfer required by this agreement;
- (c) Any business entity if the controlling interest in the franchisee immediately after the assignment is the same and in the same proportions as the controlling interest immediately before the assignment. Any attempted assignment described in this subsection is void if you have not obtained our prior written consent. We will consent to an assignment of this type only if you fulfill all of the following conditions:
 - (i) You promptly advise HFN in writing of the assignment and send HFN a copy of the assignee's organizational documents and a list of names of the assignee's owners together with a statement of percentage of ownership;
 - (ii) You sign a special release of claims in the form of Attachment 1 to this agreement; and
 - (iii) You sign a guarantee, in the form of Attachment 5 to this agreement, of the obligations of the assignee; and
 - (iv) You and your transferee sign an assignment of franchise and obtain our written consent to the assignment.

9.6. Change of Ownership Upon Death or Total Disability

If you die or become totally disabled while this agreement is in effect, your heirs, successors or beneficiaries will have 60 days within which to show to our satisfaction that they meet all of the criteria of character, business experience, financial responsibility, net worth, and other standards that we require of new franchisees at that time. If we approve your heirs, successors, or beneficiaries as transferees of the franchise, we will waive any transfer fee in connection with the Transfer. If we advise your heirs or beneficiaries in writing that we do not approve them as transferees of the franchise, or if we do not approve or disapprove a Transfer within 60 days following your death or total disability, your heirs or beneficiaries may have 120 additional days from the date of disapproval of the Transfer or the end of the 60-day period, whichever is first, within which to find and notify us of a proposed Transfer to a qualified transferee. If your heirs or beneficiaries do not advise HFN of a qualified transferee within the specified period, the franchise will automatically terminate at the end of that period unless we have granted a written extension of time. During any period when there is no approved franchisee or transferee operating the Program, we have the right to operate the

business on your behalf or on behalf of your estate, using the income of the Program to pay its ongoing expenses plus a reasonable per diem. Any profit during this period will be paid to you or your estate, as the case may be.

9.7. Assignment by HFN

We may assign our rights and responsibilities of this agreement to a person or entity without your consent upon the following conditions: (a) we reasonably believe that the assignee can perform our obligations under this agreement, (b) we reasonably believe the assignee is financially responsible, and (c) the assignee expressly agrees in writing to assume our obligations under this agreement.

10. TERMINATION OF FRANCHISE

10.1. Termination by Consent of the Parties

The parties may terminate this agreement by mutual written consent.

10.1.1. HFN Ceases Operations

This Franchise Agreement and all attachments thereto will be considered null and void and you will be released from the Non-Competition Covenants Franchise Agreement Attachment 3. You may continue to operate your business under your own trade name and do so without any payments of royalties or otherwise to us.

10.2. Termination by HFN

This agreement will terminate immediately without opportunity to cure when we give you written notice of any of the types of defaults described in subsections (e) through (r) below occurs.

10.2.2. Events of Default

- (h) If you or your Related Party attempts to assign your rights under this agreement or to transfer your Program in any manner not authorized by this agreement,
- (i) If you or your Related Party has made any material misrepresentation in connection with the acquisition of a Program or to induce us to enter into this agreement, or if you knowingly keep false books or intentionally make false reports or make any other material misrepresentation to us in the operation of your Program,
- (j) If any other agreement between you or your Related Party and us or our affiliate is terminated because of your material default,
- (k) If you act without our prior written approval or consent in regard to a matter for which this agreement expressly requires our prior written approval or consent,

You must immediately remove the Marks from your vehicles.
- (d) You must promptly sign any documents and take any steps that in our judgment are necessary to delete your listings from classified telephone directories, disconnect, or, at our option, assign to us any telephone numbers that have been used in connection with your Program, and terminate all other references that suggest you are or ever were associated with us. 11. MISCELLANEOUS PROVISIONS

11.1. Construction of Contract

Section headings in this agreement are for reference purposes only and will not in any way modify the statements contained in any section of this agreement. Each word in this agreement may be considered to include any number or gender that the context requires. If there is any conflict between this agreement and the Operations, this agreement will control.

11.2. Governing Law

This Agreement is effective upon its acceptance in Ohio by our authorized officer. Except as to claims governed by federal law, Ohio law governs all claims that in any way relate to or arise out of this Agreement or any of the dealings of the parties ("Claims"). However, no laws regulating the sale of franchises or governing the relationship between franchisor and franchisee shall apply unless the jurisdictional requirements of such laws are met independently of this paragraph.

11.3. Notices

The parties to this agreement should direct any notices to the other party at the address below that party's name on the final page of this agreement or at another address if advised in writing that the address has been changed. Notice may be delivered by personal delivery, fax (with simultaneous mailing of a copy by first-class mail), email (with simultaneous mailing of a copy by first-class mail), delivery service, or first-class

mail. Notice by fax or email will be considered delivered upon transmission, by delivery service, upon delivery or attempted delivery to the address you provided to us in writing, and by first class mail, three days after posting. Notice of Termination or nonrenewal must be sent by a receipted form of delivery, but will be effective upon attempted delivery if sent to the address you provided to us in writing even if delivery is not accepted.

11.4. Amendments

This agreement may be amended only by a document signed by all of the parties to this agreement or by their authorized agents.

11.5. Waiver

Waiver of any breach of this agreement may not be interpreted as a waiver of any other or subsequent breach.

11.6. Integration

This agreement and any exhibits or attachments to it are the entire agreement between the parties concerning the franchise it grants. All prior agreements and representations and all contemporaneous representations, except for the representations in the disclosure document, are superseded by this agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

11.7. Dispute Resolution

11.7.1. Agreement to Attempt Amicable Settlement

The parties have reached this agreement in good faith and in the belief that it is mutually advantageous to them. In the same spirit of cooperation, they pledge to try to resolve any dispute without litigation, mediation or arbitration. They agree that, if any dispute arises between them, before beginning any legal action, mediation or arbitration against the other, they will first attempt to negotiate a settlement. If the dispute concerns Territorial rights, they must bring the dispute before and be bound by the decision of our appointed third-party ombudsman. If either party files a mediation proceeding, you must participate in the mediation. Good faith participation in these procedures to the greatest extent reasonably possible is a precondition to maintaining any legal action or arbitration.

11.7.2. Initiation of Procedures

The party that initiates these procedures ("Initiating Party") must give written notice to the other party, describing in general terms the nature of the dispute, specifying 'the Initiating Party's claim for relief, and identifying one or more people with authority to settle the dispute for him, her, or it. The party receiving the notice ("Responding Party") has ten (10) days within which to designate by written notice to the Initiating Party one or more people with authority to settle the dispute on the Responding Party's behalf. These people are called the "Authorized People."

11.7.3. Direct Negotiations

The Authorized People may investigate the dispute as they consider appropriate,

but agree to meet in person, by prearranged teleconference, or by video conference within fourteen (14) days from the date of the Initiating Party's written notice to discuss resolution of the dispute. The Authorized People may meet at any times and places and as often as they agree.

11.7.4. Mediation

If the dispute has not been resolved within 30 days after the initial meeting, you must try for a period of 60 days to mediate the dispute before you may file any claim against us. Mediation will be conducted by and under the rules of the American Arbitration Association (AAA) in Franklin County, Ohio, unless the parties agree otherwise in writing.

11.7.5. Arbitration; Carve Out for Injunctions; Jury Waiver

Any Claims, including any dispute over the arbitrability of this agreement, must be determined by binding arbitration before a single arbitrator in Franklin County, Ohio, by the AAA under its rules for commercial arbitration, as varied by the express provisions of this clause. The arbitrator will have exclusive jurisdiction to determine the arbitrability of any matter. In arbitration, the parties agree that each side may, in addition to such discovery as the rules of the AAA or the arbitrators allow, take one deposition of up to four (4) hours by each party.

This arbitration clause does not deprive us of our right to file an action in court to seek preliminary or permanent injunctive relief and bring other related claims in the same case, and you agree to waive the requirement that we post bond on any injunction so obtained. In any trial between any of the parties as to any Claims, you and we agree to waive our rights to a jury trial and instead have such action tried by a judge.

11.8. Individual Dispute Resolution

You agree to bring any Claims, if at all, individually and you shall not join such claim with claims of any other person or entity or bring, join or participate in a class action against us.

11.9. Limitation of Actions and Punitive Damages Waiver

You agree to bring any Claims against us, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off.

As to any Claims, you and we agree to waive our rights, if any, to seek or recover punitive damages.

11.10. Attorney Fees

If we are the substantially prevailing party as to any Claims, we are entitled to recover our costs and attorney fees incurred in the proceeding.

11.11. Severability

Each provision of this agreement is severable. If any of its provisions is determined to be invalid or in conflict with any existing or future law or regulation, that provision will

not impair the operation of the remaining provisions of this agreement. The invalid provisions will be considered not to be a part of this agreement. However, if we decide that the finding of illegality adversely affects the basic consideration for our performance under this agreement, we may, at our option, terminate it.

11.12. Approval and Guaranties

Each of your owners with a 20% or greater interest in you must approve this agreement, permit You to give HFN the financial information we require, and agree to the restrictions placed on them, and, limitations on their rights to compete in the form of Attachment 3 to this agreement, and sign separately written guaranties of your payments and performance in the form of Attachment 5 to this agreement. You represent that all your owners are listed in Attachment 6 to this agreement.

11.13. Acceptance by HFN

This agreement will not be binding on us unless and until it has been signed by our CEO.

STATE SPECIFIC ADDENDUM TO HOMMATI® FRANCHISE AGREEMENT

1. INTRODUCTION

This Addendum (Addendum) is effective on the same date as the franchise agreement (Agreement) to which it is attached. The parties to the Addendum are the parties to the Agreement. The purpose of this Addendum is to modify certain clauses of the standard Agreement to meet the requirements of regulatory agencies in particular states.

2. AGREEMENT

The parties agree as follows:

2.1. California

The following provisions apply to you if you are a resident of or your franchise is located in California.

Sections 10.2.1 and 10.2.2 are deleted and in their place are substituted the following:

10.2.1. Termination by HFN Without Right to Cure. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

(c) The franchisor and franchisee agree in writing to terminate the franchise;

(d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct, which reflects materially, and unfavorably upon the operation and reputation of the franchise business or system;

(e) The franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all

health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

(f) The franchisee, after curing any failure in accordance with Section 10.2.2 engages in the same noncompliance whether or not such noncompliance is corrected after notice;

(g) The franchisee breaches the franchise agreement three or more times in a 12-month period, whether or not corrected after notice;

(h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;

(i) The franchisee is convicted of a felony or any other criminal misconduct, which is relevant to the operation of the franchise;

(j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

(k) The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.

10.2.2. Termination by HFN with Opportunity to Cure. We may terminate this Agreement, after sending you notice and a 60-day opportunity to cure, for any other breach of this Agreement.

The franchise agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2.2. Hawaii

The following provision applies to you if you are a resident of the State of Hawaii or your franchise territory is located in Hawaii:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the

inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2.3. Illinois

The following provision applies to you if your State is Illinois:

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision of the Franchise Agreement purporting to bind you to waive compliance with any provision of the Illinois Franchise Disclosure Act or any other law of the State of Illinois is void.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

See the last page of the **STATE SPECIFIC ADDENDUM TO THE HOMMATI FRANCHISE AGREEMENT** for Signature block for execution simultaneous to the Franchise Agreement.

2.4. Maryland

The following provisions apply to you if you live in Maryland or your Program will be located in Maryland:

1. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.
2. A general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. The franchise agreement is modified to also provide, "Based upon our financial condition, the Maryland Securities Commissioner has required a financial assurance which is being satisfied by posting a surety bond which we filed with the Commissioner."

2.5. Minnesota

The following provisions apply to you if your State is Minnesota:

- Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4, and 5 which require (except in certain specified cases), that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to as sent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Also, a court will determine if a bond is required.

Any Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

Section 6.15 of the Franchise Agreement is amended to limit the Declined Payment Charge to \$30 per occurrence pursuant to Minnesota Statute 604.113.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2.6. New York

The following provisions apply to you if your State is New York:

Special Release of Claims

The Agreement says that we may require you to sign a special release of claims, except for non-waivable statutory claims, as a condition of renewal or transfer of your franchise. The release does not apply to claims arising under Article 33 of the General Business Law of the State of New York.

No Waiver of Rights

Section 11 of the Franchise Agreement is amended to also state: "The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee or upon the area developer by article 33 of the General Business law of the state of New York."

2.7. North Dakota

The following provisions apply to you if your State is North Dakota:

Special Release of Claims

The Agreement says that we may require you to sign a special release of claims, except for non-waivable statutory claims, as a condition of renewal or transfer of your franchise. The release does not apply to any claim arising under the North Dakota Franchise Investment Law.

Damages for Early Termination

The Agreement provides that if the Agreement is terminated because of your material default or repudiation of the Agreement, we have the right to recover damages as compensation for lost future profits. This requirement is deleted from the Agreement.

Arbitration Venue

The Agreement provides that disputes will be arbitrated in Ohio. This requirement is deleted from the Agreement.

Limitation of Actions

The Agreement says that neither party may maintain any action or proceeding against the other party unless the party files an arbitration petition within one (1) year after the party knows or should know the facts on which the arbitration is based. Any claims arising under the North Dakota Franchise Investment Law may be brought within the period provided by North Dakota law.

Covenant Not to Compete

The Agreement says that you may not, during the term of the Agreement and for one year after its Termination, operate or own a beneficial interest in any company that is competitive with any Program and that is located within franchisee's Territory or any other Territory in the system. North Dakota Century Code § 9-06-08 limits our ability to restrict your activity after the Agreement has ended.

Choice of Law, Jurisdiction and Venue, Jury Waiver, and Punitive Damages

The provisions concerning choice of law, jurisdiction and venue, jury waiver, and waiver of punitive damages are hereby deleted.

Choice of Law

North Dakota law governs any cause of action arising out of the franchise agreement.

Costs and Expenses

Any requirement in the Franchise Agreement that requires you to pay all costs and

expenses incurred by us in enforcing the agreement is void. Instead, the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

2.8. Rhode Island

The following provisions apply to you if your State is Rhode Island:

a. If the franchise agreement contains any provisions that conflict with the Rhode Island Franchise Investment Act, the provisions of this Addendum shall prevail to the extent of such conflict.

b. Any provision in the franchise agreement restricting jurisdiction or venue to a forum outside of Rhode Island is void with respect to a claim otherwise enforceable under the Rhode Island Franchise Investment Act.

c. Any provision in the franchise agreement requiring the application of the laws of a state other than Rhode Island is void with respect to a claim otherwise enforceable under the Rhode Island Franchise Investment Act.

d. The Rhode Island Franchise Investment Act stipulates that you cannot release or waive any rights granted under this Act. Any provision of this franchise agreement, which constitutes a waiver of rights granted under the Act, is superseded.

2.9. Washington Addendum to the Franchise Agreement, Franchisee Closing Questionnaire, and related agreements.

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

2.10. Wisconsin

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. If the Franchise Agreement contains any provision that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of

such conflict.

2. The Franchise Agreement is amended to also include the following language:

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days' prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.

3. INCORPORATION OF FRANCHISE AGREEMENT

The terms and conditions of the Agreement are incorporated into this Addendum by reference except to the extent that they conflict with the terms and conditions of this Addendum. If there is a conflict, the terms and conditions of this Addendum will govern.

IN WITNESS TO THE FOREGOING, the parties to this Addendum sign and deliver it.

ATTACHMENT 3 NONDISCLOSURE AND NONCOMPETITION AGREEMENT

Confidant is about to undergo training by Hommati Franchise Network, Inc. (HFN) or one of its franchisees. During this process, Confidant will learn a great deal about the HOMMATI® System and Network, including information about its franchisees' business affairs, finances, management, marketing programs, philosophy, Clients, and methods of doing business. Confidant will have access to confidential information developed and maintained at substantial cost by HFN. This information is proprietary to HFN. Its use by third parties could cause substantial and irreparable damage to the HFN.

Therefore, in return for either (a) his or her training by HFN to operate a Program or (b) his or her employment by HFN or by one of its franchisees, the undersigned (Confidant) agrees as follows:

1. Nondisclosure of Trade Secrets and Confidential Information

Confidant agrees, during the term of the Franchise Agreement and following termination, expiration, or assignment of the Agreement, not to disclose, duplicate, sell, reveal, divulge, publish, furnish, or communicate, either directly or indirectly, any Trade Secret or other Confidential Information of HFN to any other person or company unless authorized in writing by HFN. Confidant agrees not to use any Trade Secret or Confidential Information for his or her personal gain or for purposes of others, whether or not the Trade Secret or Confidential Information has been conceived, originated, discovered, or developed, in whole or in part, by Confidant or represents Confidant's work product. If Confidant has assisted in the preparation of any information that we consider to be a Trade Secret or Confidential Information or has himself or herself prepared or created the information, Confidant assigns any rights that he or she may have in the information as its creator to HFN, including all ideas made or conceived by Confidant.

2. Definition of Trade Secrets and Confidential Information

For purposes of this Agreement, the terms "Trade Secret" and "Confidential Information" mean any knowledge, technique, processes, or information made known or available to Confidant that we treat as confidential, whether existing now or created in the future, including but not limited to information about the cost of materials and supplies, supplier lists or sources of supplies, sales and marketing information, pricing information, proprietary software, internal business forms, orders, member accounts, Operations Manuals and instructional materials describing our methods of operation, including our Operations Manuals, audiotapes and video tapes, digital videos, products, drawings, designs, plans, proposals, and marketing plans, all concepts or ideas in, or reasonably related to our business that have not previously been publicly released by HFN, and any other information or property of any kind of HFN that may be protected by law as a Trade Secret, confidential, or proprietary. The Trade Secrets and Confidential Information described in this agreement are the sole property of HFN.

3. Return of Proprietary Materials

On termination or expiration of franchise ownership or employment by HFN or a HOMMATI® franchisee, Confidant must surrender to HFN all materials considered proprietary by HFN, technical or nontechnical, whether or not copyrighted, that relate to a Trade Secret, Confidential Information, or conduct of the operations of HFN. Confidant expressly acknowledges that any such materials of any kind given to him or her are and will remain the sole property of HFN.

4. Noncompetition

Confidant agrees and covenants that because of the confidential and sensitive nature of the Confidential Information and because the use of the Confidential Information in certain circumstances may cause irrevocable damage to HFN, Confidant will not, during the employment relationship between Confidant and HFN or the franchisee that employs him or her, or during the term of this Franchise Agreement and the ownership interest of Confidant in an HOMMATI® franchise, directly or indirectly, offer or engage, as an owner, operator, employee, or independent contractor, in providing services such as 3D Tours, walkthrough tours, video tours, aerial video or stills, interior video, 2D or HDR photography, virtual enhancements, augmented reality, video slideshows, lockbox or sign placement, SMS sign riders, door hanger service, real estate website or any other services we may offer from time to time to anyone in the United States, except as authorized through this Franchise Agreement. Additionally, you must not, during the term of this agreement, operate or own a beneficial interest in any website or mobile app that displays any form of real estate Listings or other products and services to real estate professionals, business owners, contractors, engineering firms or owners or authorized representatives of apartment complexes, rentals, vacation properties, resorts, undeveloped land or commercial properties in the United States, except as authorized through this Franchise Agreement.

Confidant agrees that Confidant will not, until the expiration of one (1) year after the termination of the employment relationship between Confidant and HFN or the franchisee that employs him or her, or termination of the ownership interest of Confidant in an HOMMATI® franchise, directly or indirectly, in the HFN franchise territory where Confidant previously did business, or within a 25 miles of the boundaries of your Territory or another Hommati franchised territory offer or engage, as an owner, operator, employee, or independent contractor, in providing services such as 3D Tours, walkthrough tours, video tours, aerial video or stills, interior video, 2D or HDR photography, virtual enhancements, augmented reality, video slideshows, lockbox or sign placement, SMS sign riders, door hanger service, real estate website or any other services we may offer from time to time to real estate professionals, business owners, contractors, engineering firms or owners or authorized representatives of apartment complexes, rentals, vacation properties, resorts, undeveloped land or commercial properties in the United States, except as authorized through this Franchise Agreement.

Confidant agrees that Confidant will not, until the expiration of one (1) year after the termination of the employment relationship between Confidant and HFN or the franchisee that employs him or her, or termination of the ownership interest of Confidant in an HOMMATI® franchise, directly or indirectly, in the HFN franchise territory where Confidant previously did

business, or within a 25 miles of the boundaries of your Territory or another Hommati franchised territory solicit the patronage of any customer serviced by a HOMMATI franchisee for the purpose of offering 3D Tours, walkthrough tours, video tours, aerial video or stills, interior video, 2D or HDR photography, virtual enhancements, augmented reality, video slideshows, lockbox or sign placement, SMS sign riders, door hanger service, real estate website or any other services we may offer from time to time to real estate professionals, business owners, contractors, engineering firms or owners or authorized representatives of apartment complexes, rentals, vacation properties, resorts, undeveloped land or commercial properties in the United States, except as authorized through this Franchise Agreement.

5. Saving Provision

Confidant agrees and stipulates that the agreements and covenants not to compete contained in the preceding paragraphs are fair and reasonable in light of all the facts and circumstances of the relationship between Confidant and HFN. However, Confidant and HFN are aware that in certain circumstances courts have refused to enforce certain agreements not to compete. Therefore, in furtherance of the provisions of the preceding paragraph, Confidant and HFN agree that if a court or arbitrator should decline to enforce the provisions of the preceding paragraph, that paragraph must be considered modified to restrict Confidant's competition with HFN to the maximum extent, in both time and geography, which the court or arbitrator finds enforceable.

With respect to the post-termination portion of the covenant not to compete in Section 4 above, as to a Confidant who lives in Washington state and where the Confidant's non-compete applies with respect to an employment or other situation covered by 2019 Washington HB 1450, the post-termination covenant not to compete will only apply if Confidant's annual earnings exceed the inflation adjusted dollar thresholds stated in 2019 Washington HB 1450 in the year prior to the time the post-termination covenant not to compete will take effect.

6. Irreparable Harm to HFN

Confidant understands and agrees that HFN will suffer irreparable injury that cannot be precisely measured in monetary damages if Confidential Information or proprietary information is obtained by any person, firm, or corporation and is used in competition with HFN. Accordingly, Confidant agrees that it is reasonable and for the protection of the business and goodwill of HFN for Confidant to enter into this agreement. If there is a breach of this agreement by Confidant, Confidant consents to entry of a temporary restraining order or other injunctive relief and to any other relief that may be granted by a court having proper jurisdiction.

7. Binding Effect

This Agreement will bind Confidant's heirs, executors, successors, and assignees as though originally signed by them.

8. Applicable Law

The validity of this agreement will be governed by the laws of the State where

Confidant lives, unless Confidant lives in California, then Ohio law will apply. If any provision of this agreement is void or unenforceable in the applicable State, the remainder of the Agreement will be fully enforceable according to its terms.

PERSONAL GUARANTY AND SUBORDINATION AGREEMENT

To induce Hommati Franchise Network, Inc. (Franchisor) to enter into or permit assignment of a HOMMATI® franchise agreement (Franchise Agreement)

[Franchisee's full legal name] _____ (Franchisee) signed on the same date as the date of this Guaranty, the undersigned unconditionally, jointly and severally, personally guaranty to Franchisor, its successors, or its assignees, the prompt full payment and performance of all obligations of Franchisee that are or may become due and owing to Franchisor, including, but not limited to, all obligations arising out of the Franchise Agreement and any other agreement between the parties and all extensions or renewals of it or them in the same manner as if the Franchise Agreement were signed between Franchisor and the undersigned, as franchisee, directly.

The undersigned expressly waive notice of acceptance by Franchisor to or for the benefit of Franchisee, of the purchase of inventory and goods by Franchisee, the maturing of bills and the failure to pay the same, the incurring by Franchisee of any additional future obligations and liability to Franchisor, and any other notices and demands. This Personal Guaranty will not be affected by the modification, extension, or renewal of any agreement between Franchisor and Franchisee, the taking of a note or other obligation from Franchisee or others, the taking of security for payment, the granting of an extension of time for payment, the filing by or against Franchisee of bankruptcy, insolvency, reorganization, or other debtor relief afforded Franchisee under the Federal Bankruptcy Act or any other state or federal statute or by the decision of any court, or any other matter, whether similar or dissimilar to any of the foregoing, and this Personal Guaranty will cover the terms and obligations of any modifications, notes, security agreements, extensions, or renewals. The obligations of the undersigned will be unconditional in spite of any defect in the validity of the Franchisee's obligations or liability to Franchisor or any other circumstances whether or not referred to in this Guaranty that might otherwise constitute a legal or equitable discharge of a surety or guarantor.

This is an irrevocable, unconditional, and absolute guaranty of payment and performance and the undersigned agrees that the undersigned's liability under this guaranty will be immediate and will not be contingent upon the exercise or enforcement by Franchisor of whatever remedies it may have against the Franchisee or others, or the enforcement of any lien or realization upon any security Franchisor may at any time possess.

The undersigned agrees that any current or future indebtedness by the Franchisee to the undersigned will always be subordinate to any indebtedness owed by Franchisee to Franchisor. The undersigned will promptly modify any financing statements on file with state agencies to specify that Franchisor's rights are senior to those of Guarantor.

The undersigned further agrees that as long as the Franchisee owes any

money to Franchisor (other than fees that are not past due), the Franchisee will not pay and the undersigned will not accept payment of any part of any indebtedness owed by Franchisee to any of the undersigned, either directly or indirectly, without the consent of Franchisor.

In connection with any litigation or arbitration to determine the undersigned's liability under this Personal Guaranty, the undersigned expressly waives the undersigned's right to trial by jury, if any, and agrees to pay costs and reasonable attorney fees as fixed by the court or arbitrator.

If more than one individual signs this Personal Guaranty or if more than one Personal Guaranty has been signed, each person signing a Personal Guaranty will be jointly and severally liable for the obligations created in it.
