What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement and Area Development Agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Georgia than in your own state.
2. **Short Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The Franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the Franchisor's financial ability to provide services and support to you.
4. **Mandatory Minimum Payments.** You must make minimum royalty or Brand Fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
5. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement and Multi-Unit Development Agreement, even if your spouse has no ownership interest in the franchise. This guaranty will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.
6. **Supplier control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Information About Our Business and the Franchises Offered

We do not operate businesses of the type being franchised, but our Affiliate company does.

We do not have any other business activities. We have not offered franchises in other lines of business.

If you sign a franchise agreement with us, you will develop and operate a business providing ABA Therapy (Applied Behavior Analysis) for children diagnosed with Autism aged 18 years and below, under the trade name Able Autism Therapy. If you sign a Multi-Unit Development Agreement (attached as Exhibit C to this disclosure document), you will develop multiple Able Autism Therapy outlets, on an agreed-upon schedule. For each future unit franchise,

we will require you to sign our then-current form of franchise agreement, which may be different from the form of franchise agreement included in this disclosure document.

We operate in the Behavioral Clinic market that is well developed. Our products and services are offered year-round. You will compete for customers with independent owners, national chains, regional chains, and franchised businesses, offering ABA (Applied Behavior Analysis) Therapy services.

The franchise operates under the “Able Autism Therapy Services” service mark providing counseling, medication management, and therapeutic products and services, by Licensed Providers, to individuals, couples, families, and groups. These businesses are referred to in this Disclosure Document as a “Franchised Business”. A “Licensed Provider” means, as applicable: (1) a counselor or therapist licensed to provide outpatient counseling and therapy products and services, directly or indirectly, at or through your Franchised Business under applicable local, state, and federal laws and regulations; and (2) a prescriber providing evaluation and management services that is licensed to prescribe medication to patients, directly or indirectly, at or through your Franchised Business under applicable local, state, and federal laws and regulations. We offer 2 paths for the ownership, development, and operation of a Franchised Business, depending on the qualifications of the franchisee and the applicable local, state, and federal laws and regulations—Direct Ownership Model and Managed Operation Model, as discussed below. Regardless of the development path for your Franchised Business, all mental health counseling and therapy products and services provided through your Franchised Business must be provided by Licensed Providers, and you are solely responsible for ensuring that the ownership, development, and operation of the Franchised Business complies with all applicable local, state, and federal laws and regulations. In either case, the Franchised Business must be operated under the “Able Autism Therapy Services” service mark and logo and other trademarks, trade names, service marks, and commercial symbols we may authorize (the “Marks”).

Direct Ownership Model

Under the direct ownership path for the ownership, development, and operation of a Franchised Business, you must be a Licensed Provider who is permitted to own and operate a business offering outpatient counseling and therapy products and services under applicable state law, or you must own and operate the Franchised Business in a state that permits individuals who are not Licensed Providers to own and operate businesses offering outpatient counseling and therapy products and services (“Direct Ownership Model”). You must sign our standard Franchise Agreement for the ownership, development, and operation of a Franchised Business under the Direct Ownership Model.

Managed Operation Model

Under the managed operation path for the ownership, development, and operation of a Franchised Business, you will provide management, administrative, marketing, technology, and facility-based services, but not medical products, services, or advice, or judgment (“Management Services”), to a Practice Entity that is directly operated, and potentially owned, by one or more Licensed Providers (“Managed Operation Model”). We typically do not offer Franchised Businesses under the Managed Operation Model to Licensed Providers. A “Practice Entity” means 1 or more Licensed Providers, working together, atypically as a professional corporation, professional limited liability company, or other professional entity, who are licensed to offer and

provide outpatient counseling and therapy products and services under applicable local, state, and federal laws and regulations.

For the ownership, development, and operation of a Franchised Business under the Managed Operation Model, you must sign our standard Franchise Agreement and Managed Services Addendum to Franchise Agreement (attached to this Disclosure Document as Exhibit K). You must also enter into a management services agreement (“Management Agreement”) with a Practice Entity that we approve to provide the Practice Entity and its Licensed Providers the Management Services and grant them a sublicense to use the Names and Marks at or through the Franchised Business. You, as the franchisee, will be responsible for construction and build-out of the Franchised Business for use by the Practice Entity and its Licensed Providers and ensuring that the Practice Entity and its Licensed Providers operate the Franchised Business in conformance with our System, specifications, and standards, but only the Licensed Providers are permitted to exercise professional or medical judgment and to offer outpatient counseling and therapy products or services. You must hire an attorney to prepare the Management Agreement and to independently evaluate, review, and ensure that your Management Agreement complies with all applicable local, state, and federal laws. The Management Agreement must be approved by us before you open your Franchised Business, and must remain in effect for the entire term of your Franchise Agreement.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses including federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements. We are not aware of any laws or regulations specific to the industry in which the franchise business operates.

Your Franchised Business will be subject to many federal, state, and local laws, regulations, and licensing requirements. You must comply with all laws, regulations, and licensing requirements that apply to your Franchised Business. You are responsible for investigating and evaluating the federal, state, and local laws that may apply to the structuring and operation of your Franchised Business, and the federal, state, and local restrictions regarding the ownership of your Franchised Business and the individuals that may or may not provide services through your Franchised Business. We require you to consult with an attorney regarding the laws and regulations and the permit, license, and certificate requirements that may apply to your Franchised Business before signing a Franchise Agreement with us.

The health care industry is heavily regulated. Some of the laws, regulations, and licensing requirements that apply to mental health clinics and will apply to your Franchised Business, relate to the practice of mental health and the licensing and operation of counseling services; privacy of patient records (including the Health Insurance Portability and Accountability Act of 1996, or HIPAA, and the Health Information for Economic and Clinical Health Act, or HITECH); the relationship of providers and suppliers of health care services with mental health professionals, including state and federal anti-kickback and self-referral laws and state Medicaid laws concerning reimbursement for services for those who participate in Medicaid; prohibitions on fee splitting and self-referral restrictions (such as the federal “Stark Law” and similar state laws); and payment systems for medical benefits available to individuals through private

insurance and government resources (including Medicare and Medicaid). The form of Business Associate Agreement that you must sign is attached to this Disclosure Document as Exhibit I. Your Franchised Business may also be required to meet credentialing and enrollment requirements in order to participate in private and government insurance programs. Whether many of these laws, regulations, and licensing requirements will apply to your Franchised Business, will depend on the location of your Franchised Business, the type of products and services you offer through your Franchised Business, and the types of private and government insurance that you accept at your Franchised Business. The laws and regulations and the permit, license, and certificate requirements that apply to counseling and therapy clinics varies state by state.

Corporate Practice of Medicine

You must not engage in the practice of medicine, mental health, or any other profession that requires specialized training, licensure, or certification unless properly trained, licensed, and certified. You must obtain and maintain all required permits, licenses, and certificates necessary for the operation of your Franchised Business and for offering counseling and therapy products and services. We require, and all states also require, that any person who provides counseling and therapy products and services through your Franchised Business pass all applicable licensing tests and board certifications, be licensed mental health professionals according to state law, and maintain at all times all permits, licenses, and certificates necessary to provide these products and services. You may not employ or retain any person who does not meet these requirements, and under no circumstance may a non-licensed medical professional influence, or direct the supervision, administration, delivery, or performance of, medical or mental health services. Many states have adopted the corporate practice of medicine doctrine, which generally only permit medical professionals licensed by the state to provide medical services through a professional corporation, professional limited liability company, or other professional practice entity owned by the licensed medical professionals. Some states limit the legal type of professional practice entity. These laws apply to therapists and counselors providing counseling, medication management, and therapeutic products and services. These laws only permit the professional practice entity to receive payment from patients for medical services or medical reimbursement from government health programs or private payor health plans. These laws may permit licensed medical professionals, or their professional practice entity, to contract with a non-licensed person or entity through a Managed Operation Model.

Advertising and Promotion

There are also local, state, and federal laws, rules, and regulations that regulate the type of marketing that you may or may not make as to the products and services offered by your Franchised Business, the results that a customer or patient may or may not achieve, and whether or not the products and services are authorized, cleared, or approved by any government agency or authority. Many states require that health care providers make a proper disclosure to their patients regarding their affiliation with a person or entity if they will receive, directly or indirectly, remuneration for securing or soliciting the patient. Medicare regulations, and many state regulations, also impose a duty to collect payments from clients.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you. You should consult with a legal advisor about legal requirements that may apply to your business.

There are currently no marketing cooperatives, purchasing cooperatives, or other cooperatives that impose fees on you.

Notes

1. “Gross Sales” is defined in our franchise agreement as the total dollar amount of all sales generated through your business for a given period, including, but not limited to, payment for any services or products sold by you, whether for cash or credit. Gross Sales does not include (i) bona fide refunds to customers, (ii) sales taxes collected, (iii) sale of used equipment not in the ordinary course of business.

2. We currently require you to pay royalty fees and other amounts due to us by pre-authorized bank draft. However, we can require an alternative payment method.

Notes

1. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment.

2. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. For this to occur, you would need to negotiate a “free rent” period for the time it takes to build out your business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different.

3. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of an Able Autism Therapy business by our affiliate, and our general knowledge of the industry.

4. This estimate assumes you sign a Multi-Unit Development Agreement for two to five franchises. The franchise fee for your first unit is counted in the “Estimated Initial Investment – Franchise Agreement” table. Your initial franchise fees are reduced to \$30,000 for the second and each additional franchise. You will pay all franchise fees upon signing the MUDA.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

We have the right to require you to purchase or lease all goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating your business (1) either from us or our designee, or from suppliers approved by us, or (2) according to our specifications.

Any changes to the Brand Standards Manuals or operations specifications required or requested by Franchisor must be communicated to Franchisee via writing on a timely basis.

Specific Obligations

The following are our current specific obligations for purchases and leases:

B. Insurance. You must obtain insurance as described in the Franchise Agreement and in our Brand Standards Manual, which includes (i) “Special” causes of loss coverage forms,

including fire and extended coverage, crime, vandalism, and malicious mischief, on all property of the Business, for full repair and replacement value (subject to a reasonable deductible); (ii) Business interruption insurance covering at least 12 months of income; (iii) Commercial General Liability insurance, including products liability coverage, and broad form commercial liability coverage, written on an “occurrence” policy form in an amount of not less than \$1,000,000 single limit per occurrence and \$3,000,000 aggregate limit, (iv) Business Automobile Liability insurance including owned, leased, non-owned and hired automobiles coverage in an amount of not less than \$1,000,000, and (v) Workers Compensation coverage as required by state law. Your policies (other than Workers Compensation) must list us and our affiliates as an additional insured, must include a waiver of subrogation in favor of us and our affiliates, must be primary and non-contributing with any insurance carried by us or our affiliates, and must stipulate that we receive 30 days’ prior written notice of cancellation.

C. Point-of-sale software and hardware, and related software and hardware. You must purchase (or lease) the point-of-sale software and hardware, and related software and hardware, that we specify. See Item 11 for more details.

D. Products, inventory and equipment. You must purchase required items from our approved vendors as prescribed. See our Brand Standards/Operations Manual for details.

Us or our Affiliates as Supplier

Neither us nor any of our affiliates are currently a supplier of goods or services that you must purchase. We reserve the right to be a supplier (or the sole supplier) of a good or service in the future.

Ownership of Suppliers

None of our officers own an interest in a supplier to our franchisees.

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier’s capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our

Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We will derive revenue from the required purchases and leases by franchisees. Because we are a new franchisor, our total revenue in the prior fiscal year was \$0. Our revenue from all required purchases and leases of products and services by franchisees in the prior fiscal year was \$0. The percentage of our total revenues that were from required purchases or leases in the prior fiscal year was 0%.

Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your business are 50% to 80% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases of goods and services to operate your business are 50% to 80% of your total purchases and leases of goods and services to operate your business.

Payments by Designated Suppliers to Us

We do currently receive payments from designated suppliers based on purchases by you or other franchisees.

One of the lending agencies we will refer to Franchisees, Lendzee will pay us a referral fee based on the size of the loan received by Franchisee.

Purchasing or Distribution Cooperatives

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

We do not negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. However, we may do so in the future.

Benefits Provided to You for Purchases

We do not provide any material benefit to you based on your purchase of particular goods or services, or your use of particular suppliers.

Item 10 FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

Item 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Our Pre-Opening Obligations

Before you open your business:

A. *Your site.* We will review and advise you regarding potential locations that you submit to us. (Section 5.4). If you sign a Multi-Unit Development Agreement, we will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. We are not obligated to further assist you in locating a site or negotiating the purchase or lease of the site.

- (i) We generally do not own your premises.
- (ii) If your site is not already known and approved by us when you sign your franchise agreement, then we and you will specify in your franchise agreement the area in which you must select a site (Franchise Agreement, Summary Page). We do not select your site. Your site is subject to our approval. To obtain our approval, you must provide all information and documents about the site that we require.
- (iii) The factors we consider in approving sites are general location and neighborhood, competition, trade area demographics, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms.
- (iv) The time limit for us to approve or disapprove your proposed site is 30 days after you submit all of our required documents and information. (Section 6.1). If we and you cannot agree on a site, you will be unable to comply with your obligation to develop and open the franchise by the deadline stated in the franchise agreement. Unless we agree to extend the deadline, you will be in default and we may terminate your franchise agreement.
- (v) We are not obligated to assist you in conforming the premises of your site to local ordinances and building codes and obtaining any required permits. This will be your responsibility.

B. *Constructing, remodeling, or decorating the premises.* We will provide you with a set of our standard building plans and specifications and/or standard recommended floor plans, and our specifications for required décor. (Section 5.4)

C. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), operational instructions in the Manual which you can use as part of training new employees (Section 5.3), and our initial training program described below. Our opening support (as described below) includes

assisting you in training employees. All hiring decisions and conditions of employment are your sole responsibility.

D. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will provide you a list of our specifications and approved suppliers for equipment, signs, fixtures, opening inventory, and supplies necessary to open your business. (Section 5.4) We do not provide these items directly; we only provide the names of approved suppliers. We do not deliver or install these items.

E. *Brand Standards Manual.* We will give you access to our Brand Standards Manual (Section 5.1).

F. *Initial Training Program.* We will conduct our initial training program. (Section 5.4). The current initial training program is described below.

G. *Business plan review.* If you request, we will review your pre-opening business plan and financial projections. (Section 5.4)

H. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (Section 5.4)

I. *On-site opening support.* We will have a representative provide on-site support for up to one week in connection with your business opening. (Section 5.4)

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 3-9 months. Factors that may affect the time period include your ability to obtain a lease, obtain financing, develop your location, obtain business permits and licenses, and hire employees.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), and operational instructions in the Manual which you can use as part of training new employees (Section 5.3). All hiring decisions and conditions of employment are your sole responsibility.

C. *Improving and developing your business; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your business, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide in-person support in

response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for our employees providing onsite support). (Section 5.5)

D. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Section 5.5).

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Brand Fund.* We will administer the Brand Fund (Section 5.5). We will prepare an unaudited annual financial statement of the Brand Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Website.* We will maintain a website for the Able Autism Therapy brand, which will include your business information and telephone number. (Section 5.5)

Advertising

Our obligation. We will use the Brand Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Brand Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The

documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Brand Fund. You and all other franchisees must contribute to our Brand Fund. Your contribution is 1% of gross sales per month. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Brand Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Brand Fund in our most recently concluded fiscal year.

If less than all Brand Funds are spent in the fiscal year in which they accrue, the money will remain in the Brand Fund to be spent in the next year.

No money from the Brand Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Point of Sale and Computer Systems

We require you to buy (or lease) and use a point-of-sale system and computer system as follows:

Practice Management Software Platform

Microsoft Office Suite

ADP Payroll

QuickBooks

The system will include our currently required POS/CRM system, credit card processing system, and QuickBooks accounting platform. These systems will generate or store data such as inventory/product details, sales transactions, client, employee, scheduling, reporting, and accounting information.

We estimate that these systems will cost between \$1,000 and \$2,500 to purchase.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do require you enter into such contract with a third party for the above software.

You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation.

We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be Currently, \$60 per month per client for data collection

and Practice Management system, \$70 per month bookkeeping, and \$75 per month payroll; \$2,500 annually, plus 20 cents per claim submission.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee’s location, doing so remotely, at a Affiliate Owned location, and at the franchisee’s location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees.

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos, and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for “higher-level” functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a Affiliate Owned-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a Affiliate Owned (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/Affiliate Owned (so in that sense, it is still being led by the franchisor/Affiliate Owned/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of Affiliate Owned. Franchisor/Affiliate Owned delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others' training in the past; the delegate(s) would typically be in a management role at a Affiliate Owned location or be a "senior," tenured employee if not in a formal management position.

There is no fee for up to 4 people to attend training. You must pay the travel and living expenses of your employees or managers attending training.

You, your Center Manager, BCBA and GM must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program. Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently \$550 per person, per day. Otherwise, we do not currently require additional training programs or refresher courses, but we have the right to do so.

Item 12
TERRITORY

Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

Grant of Territory

Your franchise agreement will specify a territory, which will be determined by us. Your territory will have a population of approximately 100,000 people from the location. Your territory

will usually be specified as a radius around your location; however, we may use other boundaries (such as county lines or other political boundaries, streets, geographical features, or trade area).

Relocation; Establishment of Additional Outlets

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee’s business on case-by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

You do not have the right to establish additional franchised outlets unless you sign a Multi-Unit Development Agreement (“MUDA”) in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Able Autism Therapy business, (3) you must be in compliance with all brand requirements at your open Able Autism Therapy business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. You are not obligated to develop additional outlets under the MUDA, and you may terminate it any time without penalty. If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Territory Protection

In your franchise agreement, we grant you a protected territory. The Territory will provide you with protection from other franchise or company owned locations being placed in your Territory. The Territory does not mean you own the customers who reside in your Territory as they are free to receive services from any location located in any market. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as an Able Autism Therapy outlet. The continuation of your territorial protection does not depend on achieving a certain sales volume, market penetration, or other contingency. There are no circumstances that permit us to modify your territorial rights.

If you sign a MUDA, you do not receive an exclusive territory as an area developer. Therefore, with respect to a MUDA, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

The agreement is of perpetual duration. It may be modified only by mutual consent of the parties. It may be canceled by our affiliate only if (1) we materially misuse the trademarks and fail to correct the misuse, or (2) we discontinue commercial use of the trademarks for a continuous period of more than one year. The Intercompany License Agreement specifies that if it is ever terminated, your franchise rights will remain unaffected.

Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

If Able Autism Therapy Services Franchise conducts an inspection because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed inspection), then Able Autism Therapy Services Franchise may charge all out-of-pocket expenses plus its then-current inspection fee to Franchisee.

11.3 Able Autism Therapy Services Franchise’s Right to Cure. If Franchisee breaches or defaults under any provision of this Agreement, Able Autism Therapy Services Franchise may (but has no obligation to) take any action to cure the default on behalf of Franchisee, without any liability to Franchisee. Franchisee shall execute any documents reasonably requested by Able Autism Therapy Services Franchise to document Able Autism Therapy Services Franchise’s ownership of Innovations.

11.7 Communication Systems. Franchisee is not entitled to the same variation or waiver.

11.10 Temporary Public Safety Closure. If Able Autism Therapy Services Franchise discovers or becomes aware of any aspect of the Business which, in Able Autism Therapy Services Franchise’s opinion, constitutes an imminent danger to the health or safety of any person, then immediately upon Able Autism Therapy Services Franchise’s order, Franchisee must temporarily cease operations of the Business and remedy the dangerous condition. Able Autism Therapy Services Franchise shall have no liability to Franchisee or any other person for action or failure to act with respect to a dangerous condition.

ARTICLE 12. MARKS

12.1 Authorized Marks. Franchisee shall use no trademarks, service marks or logos in connection with the Business other than the Marks. Franchisee shall use all Marks specified by Able Autism Therapy Services Franchise, and only in the manner as Able Autism Therapy Services Franchise may require. Franchisee has no rights in the Marks other than the right to use them in the operation of the Business in compliance with this Agreement. All use of the Marks by Franchisee and any goodwill associated with the Marks, including any goodwill arising due to Franchisee’s operation of the Business, will inure to the exclusive benefit of Able Autism Therapy Services Franchise.

12.2 Change of Marks. Able Autism Therapy Services Franchise may add, modify, or discontinue any Marks to be used under the System. Within a reasonable time after Able Autism Therapy Services Franchise makes any such change, Franchisee must comply with the change, at Franchisee’s expense.

12.3 Infringement.

(a) Defense of Franchisee. If Franchisee has used the Marks in accordance with this Agreement, then (i) Able Autism Therapy Services Franchise shall defend Franchisee (at Able Autism Therapy Services Franchise’s expense) against any Action by a third-party alleging infringement by Franchisee’s use of a Mark, and (ii) Able Autism Therapy Services Franchise will indemnify Franchisee for expenses and damages if the Action is resolved unfavorably to Franchisee.

(b) Infringement by Third Party. Franchisee shall promptly notify Able Autism Therapy Services Franchise if Franchisee becomes aware of any possible infringement of a Mark by a third party. Able Autism Therapy Services Franchise may, in its sole discretion, commence or join any claim against the infringing party.

(c) Control. Able Autism Therapy Services Franchise shall have the exclusive right to control any prosecution or defense of any Action related to possible infringement of or by the Marks.

12.4 Name. If Franchisee is an entity, it shall not use the words “Able Autism Therapy” or any confusingly similar words in its legal name.

ARTICLE 13. COVENANTS

13.1 Confidential Information. With respect to all Confidential Information, Franchisee shall (a) adhere to all procedures prescribed by Able Autism Therapy Services Franchise for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized in writing by Able Autism Therapy Services Franchise, (d) exercise the highest degree of diligence and effort to maintain the confidentiality of all such information during and after the term of this Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Franchisee acknowledges that all Confidential Information is owned by Able Autism Therapy Services Franchise (except for Confidential Information which Able Autism Therapy Services Franchise licenses from another person or entity). This Section will survive the termination or expiration of this Agreement indefinitely.

13.2 Covenants Not to Compete.

(a) Restriction – In Term. During the term of this Agreement, neither Franchisee, any Owner, nor any spouse of an Owner (the “Restricted Parties”) shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after this Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor within five miles of Franchisee’s Territory or the territory of any other Able Autism Therapy business operating on the date of termination or transfer, as applicable. If this Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Able Autism Therapy business operating on the date of termination.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Able Autism Therapy Services Franchise. Franchisee agrees that the existence of any claim it may have against Able Autism Therapy Services Franchise shall not constitute a defense to the enforcement by Able Autism Therapy Services Franchise of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

13.3 General Manager and Owners. If requested by Able Autism Therapy Services Franchise, Franchisee will cause its general manager and all owners to sign Able Autism Therapy Services Franchise’s then-current form of confidentiality and non-compete agreement (unless prohibited by applicable law).

ARTICLE 14. DEFAULT AND TERMINATION

14.1 Termination by Franchisee. Franchisee may terminate this Agreement only if Able Autism Therapy Services Franchise violates a material provision of this Agreement and fails to cure or to make substantial progress toward curing the violation within 30 days after receiving written notice from Franchisee detailing the alleged default. Termination by Franchisee is effective 10 days after Able Autism Therapy Services Franchise receives written notice of termination.

14.2 Termination by Able Autism Therapy Services Franchise.

(a) Subject to 10-Day Cure Period. Able Autism Therapy Services Franchise may terminate this Agreement if Franchisee does not make any payment to Able Autism Therapy Services Franchise when due, or if Franchisee does not have sufficient funds in its account when Able Autism Therapy Services Franchise attempts an electronic funds withdrawal, and Franchisee fails to cure such non-payment within 10 days after Able Autism Therapy Services Franchise gives notice to Franchisee of such breach.

(b) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (a) or (c), and Franchisee fails to cure such breach to Able Autism Therapy Services Franchise's satisfaction within 30 days after Able Autism Therapy Services Franchise gives notice to Franchisee of such breach, then Able Autism Therapy Services Franchise may terminate this Agreement.

(c) Without Cure Period. Able Autism Therapy Services Franchise may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee misrepresented or omitted material facts when applying to be a franchisee, or breaches any representation in this Agreement;
- (ii) Franchisee knowingly submits any false report or knowingly provides any other false information to Able Autism Therapy Services Franchise;
- (iii) a receiver or trustee for the Business or all or substantially all of Franchisee's property is appointed by any court, or Franchisee makes a general assignment for the benefit of Franchisee's creditors, or Franchisee is unable to pay its debts as they become due, or a levy or execution is made against the Business, or an attachment or lien remains on the Business for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee, or a petition in bankruptcy is filed by Franchisee, or such a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;
- (iv) Franchisee fails to open for business by the date specified on the Summary Page;
- (v) Franchisee loses possession of the Location;
- (vi) Franchisee or any Owner commits a material violation of Section 7.2 (compliance with laws) or Section 13.1 (confidentiality), violates Section 13.2 (non-compete) or

Article 15 (transfer), or commits any other violation of this Agreement which by its nature cannot be cured;

- (vii) Franchisee abandons or ceases operation of the Business for more than five consecutive days;
- (viii) Franchisee or any Owner slanders or libels Able Autism Therapy Services Franchise or any of its employees, directors, or officers;
- (ix) Franchisee refuses to cooperate with or permit any audit or inspection by Able Autism Therapy Services Franchise or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2;
- (x) the Business is operated in a manner which, in Able Autism Therapy Services Franchise's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from Able Autism Therapy Services Franchise or otherwise);
- (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xii) Able Autism Therapy Services Franchise (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate) (provided that termination of a Multi-Unit Development Agreement with Franchisee or its affiliate shall not give Able Autism Therapy Services Franchise the right to terminate this Agreement);
- (xiii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in Able Autism Therapy Services Franchise's opinion is reasonably likely to materially and unfavorably affect the Able Autism Therapy brand.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Able Autism Therapy Services Franchise based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to Able Autism Therapy Services Franchise all copies of the Manual, Confidential Information and any and all other materials provided by Able Autism Therapy Services Franchise to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks,

copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;

- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Able Autism Therapy Services Franchise or any new franchisee as may be directed by Able Autism Therapy Services Franchise, and Franchisee hereby irrevocably appoints Able Autism Therapy Services Franchise, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. Within 30 days after termination or expiration, Franchisee shall at its own expense “de-identify” the Location so that it no longer contains the Marks, signage, or any trade dress of an Able Autism Therapy business, to the reasonable satisfaction of Able Autism Therapy Services Franchise. Franchisee shall comply with any reasonable instructions and procedures of Able Autism Therapy Services Franchise for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Able Autism Therapy Services Franchise may enter the Location to remove the Marks and de-identify the Location. In this event, Able Autism Therapy Services Franchise will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Able Autism Therapy Services Franchise.

14.5 Liquidated Damages. If Able Autism Therapy Services Franchise terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to Able Autism Therapy Services Franchise a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees and Brand Fund Contributions that Franchisee owed to Able Autism Therapy Services Franchise under this Agreement for the 12-month period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 24 or (2) the number of months remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 12 months, then (x) will equal the average Royalty Fees and Brand Fund Contributions that Franchisee owed to Able Autism Therapy Services Franchise during the period that Franchisee operated the Business. The “average Royalty Fees and Brand Fund Contributions that Franchisee owed to Able Autism Therapy Services Franchise” shall not be discounted or adjusted due to any deferred or reduced Royalty Fees and Brand Fund Contributions set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of Able Autism Therapy Services Franchise's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to Able Autism Therapy Services Franchise under this Section will be in lieu of any direct monetary damages that Able Autism Therapy Services Franchise may incur as a result of Able Autism Therapy Services Franchise's loss of Royalty Fees and Brand

Fund Contributions that would have been owed to Able Autism Therapy Services Franchise after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Able Autism Therapy Services Franchise’s right to injunctive relief for enforcement of Article 13, and any attorneys’ fees and other costs and expenses to which Able Autism Therapy Services Franchise is entitled under this Agreement. Except as provided in this Section, Franchisee’s payment of this lump sum shall be in addition to any other right or remedy that Able Autism Therapy Services Franchise may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, Able Autism Therapy Services Franchise will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Able Autism Therapy Services Franchise. To exercise this option, Able Autism Therapy Services Franchise must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Able Autism Therapy Services Franchise elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee’s last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Able Autism Therapy Services Franchise’s purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or “going concern” value for the Business. Able Autism Therapy Services Franchise may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Able Autism Therapy Services Franchise. If Able Autism Therapy Services Franchise exercises the purchase option, Able Autism Therapy Services Franchise may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee’s portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Able Autism Therapy Services Franchise to cure defaults under Franchisee’s lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Able Autism Therapy Services Franchise may pay a portion of the purchase price directly to the lienholder to pay off such lien. Able Autism Therapy Services Franchise may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee’s taxes and other liabilities are paid. Able Autism Therapy Services Franchise may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Able Autism Therapy Services Franchise. Able Autism Therapy Services Franchise may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Able Autism Therapy Services Franchise may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Able Autism Therapy Services Franchise entered into this Agreement in reliance on Franchisee’s business skill, financial capacity, personal

character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Able Autism Therapy Services Franchise at least 60 days prior notice of the proposed Transfer, and without obtaining Able Autism Therapy Services Franchise's consent. In granting any such consent, Able Autism Therapy Services Franchise may impose conditions, including, without limitation, the following:

- (i) Able Autism Therapy Services Franchise receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by Able Autism Therapy Services Franchise;
- (ii) the proposed assignee and its owners have completed Able Autism Therapy Services Franchise's franchise application processes, meet Able Autism Therapy Services Franchise's then-applicable standards for new franchisees, and have been approved by Able Autism Therapy Services Franchise as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Able Autism Therapy Services Franchise's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Able Autism Therapy Services Franchise and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Able Autism Therapy Services Franchise or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Able Autism Therapy Services Franchise may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Able Autism Therapy Services Franchise in a form satisfactory to Able Autism Therapy Services Franchise; and
- (ix) the Business fully complies with all of Able Autism Therapy Services Franchise's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Able Autism Therapy Services Franchise, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Able Autism Therapy Services Franchise, (3) Franchisee owns all

voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Able Autism Therapy Services Franchise (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Able Autism Therapy Services Franchise’s Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Able Autism Therapy Services Franchise will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Able Autism Therapy Services Franchise a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Able Autism Therapy Services Franchise’s receipt of such copy, Able Autism Therapy Services Franchise will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Able Autism Therapy Services Franchise may substitute cash for any other form of payment). If Able Autism Therapy Services Franchise does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee’s rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an “all assets” security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Able Autism Therapy Services Franchise) Able Autism Therapy Services Franchise, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, “Indemnitees”) against all Losses in any Action by or against Able Autism Therapy Services Franchise and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee’s intentional misconduct or negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnitee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and

settlement, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Able Autism Therapy Services Franchise's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Able Autism Therapy Services Franchise's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Able Autism Therapy Services Franchise to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Able Autism Therapy Services Franchise and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not

INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of ABLE AUTISM THERAPY SERVICES FRANCHISE, LLC

Opinion

We have audited the financial statements of ABLE AUTISM THERAPY SERVICES FRANCHISE, LLC (the “Company”), which comprise the Balance Sheet as of November 1, 2024, and the related notes for the period then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at November 1, 2024, and the results of its operations and its cash flows for the period ended November 1, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud October involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller’s price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—‘Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient’ in 2022 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

Income Taxes

The Company applies ASC 740 Income Taxes ("ASC 740"). Deferred income taxes are recognized for the tax consequences in future years of differences between the tax bases of assets and liabilities and their financial statement reported amounts at each period end, based on enacted tax laws and statutory tax rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. The provision for income taxes represents the tax expense for the period, if any and the change during the period in deferred tax assets and liabilities.

Net operating losses will be carried forward to reduce taxable income in future years. Due to management's uncertainty as to the timing and valuation of any benefits associated with the net operating loss carryforwards, the Company has elected to recognize an allowance to account for them in

the financial statements but has fully reserved it. Under current law, net operating losses may be carried forward indefinitely.

Commitments and Contingencies

The Company can be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of November 1, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 14, 2024, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Alpharetta, Georgia, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Georgia. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Able Autism Therapy business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

INDIANA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Able Autism Therapy Services Franchise, LLC, a Georgia Limited Liability Company (“Able Autism Therapy Services Franchise”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase

notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

3. Effective Date. This Rider is effective as of the Effective Date.

MINNESOTA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Able Autism Therapy Services Franchise, LLC, a Georgia Limited Liability Company (“Able Autism Therapy Services Franchise”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

3. Effective Date. This Rider is effective as of the Effective Date.

AND
RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT**

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitation period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

RECITALS

A. Franchisor and Franchisee have entered into that certain Franchise Agreement, dated as of _____, 20___ (the “Franchise Agreement”), pursuant to which Franchisor has granted Franchisee the right to operate a Able Autism Therapy Services Franchised Business (as defined therein).

B. The Franchised Business will be located in a jurisdiction that adheres to the corporate practice of medicine doctrine as applied to counseling, therapy, and mental health services (“CPOM”).

C. Franchisee desires to operate its Franchised Business by contracting to provide management, administrative, marketing, technology, and facility-based services, pursuant to a management services agreement or similar arrangement prepared by Franchisee (the “MSA”), to a professional corporation, limited liability company, or partnership (a “Practice Entity”) licensed and authorized to provide counseling, therapy, and mental health products and services through Licensed Providers in the state in which the Franchised Business is located or operates. The Able Autism Therapy Services clinic that is owned and operated by the Practice Entity and managed by the Franchisee pursuant to the MSA and using the System of Operation and Names and Marks is referred to in this Addendum as the “Clinic.”

D. Franchisor and Franchisee mutually desire to amend and supplement the terms of the Franchise Agreement pursuant to the terms and conditions provided in this Addendum.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Franchisor and Franchisee hereby agree as follows:

1. **Definitions.** Capitalized terms used but not defined in this Addendum have the meanings ascribed thereto in the Franchise Agreement.

2. **CPOM Compliance.** Franchisee agrees that its operation of the Franchised Business must be, in all respects, compliant with applicable law, including, but not limited to, the application of the CPOM, and that Franchisee and the Practice Entity are solely responsible for compliance with all applicable laws. In its operation of the Franchised Business, Franchisee shall cause the Practice Entity and the Licensed Providers to take no actions in contravention of Franchisee's obligations under the Franchise Agreement.

(a) **PE Agents.** Within thirty (30) days of the date of this Addendum, Franchisee shall submit to Franchisor full and complete information about the owners, Licensed Providers, and employees of the Practice Entity ("PE Agents"), and such other licensure or other information about the Practice Entity and its PE Agents as Franchisor may reasonably request. Franchisor will approve or reject each PE Agent, in its sole discretion, within thirty (30) days of its receipt of such information and Franchisee's request for such approval. If Franchisor does not approve of the PE Agents, Franchisee shall propose different PE Agents for Franchisor's approval. The Franchise Agreement may be terminated by Franchisor if Franchisee has not obtained Franchisor's approval of the PE Agents on or before the date that is one hundred twenty (120) days after the date of this Addendum.

(b) **MSA.** Upon obtaining Franchisor's approval of the PE Agents, Franchisee shall enter into a MSA with a Practice Entity approved by Franchisor; provided, however, Franchisor's approval of the form and content of the MSA is required prior to Franchisee entering into the MSA, which approval Franchisor may withhold and/or condition in its sole discretion. In consideration of Franchisor's cost and expense in reviewing the MSA, Franchisee shall pay Franchisor its current "Management Agreement Review Fee", not to exceed One Thousand Dollars (\$1,000.00). The Management Agreement Review Fee shall be deemed to have been earned by Franchisor upon execution of this Addendum, and shall not be refundable. After such approval of the form and content of the MSA by Franchisor, Franchisee shall not agree to amend or modify the MSA, without the Franchisor's express written approval, which may be withheld or conditioned in its sole and absolute discretion. Franchisor makes no representation or warranty as to the enforceability of any MSA, or whether any MSA meets the legal requirements of the jurisdiction in which Franchisee and the Practice Entity do business. Franchisee acknowledges and agrees that it is Franchisee's and the Practice Entity's responsibility to ensure the MSA meets all laws and regulations applicable to the Franchised Business and Clinic.

(c) **Management Services.** Franchisee's operation of the Franchised Business shall consist of managing the Clinic pursuant to an approved form of MSA between Franchisee and an approved Practice Entity. The foregoing shall be included in the definition of "Franchised Business". Pursuant to the MSA, Franchisee shall provide the Practice Entity with management, administrative, marketing, technology, and facility-based services, but not counseling, therapy, or mental health products, services, or advice, or judgment, in a manner consistent with the System of Operation and all applicable laws (including CPOM), and the Practice Entity shall retain exclusive authority and discretion to direct the medical, professional, and ethical aspects of the counseling, therapy, and mental health practice at the Clinic.

(d) **Organizational Documents.** Franchisee's organizational documents, bylaws, operating agreement, or partnership agreement, as applicable, as well as the organizational documents, bylaws, operating agreement, or partnership agreement of the Practice Entity, shall restrict the

issuance and transfer of any ownership interests in Franchisee and the Practice Entity, and all certificates and other documents representing ownership interests in Franchisee or the Practice Entity shall bear a legend referring to this Addendum's and the Franchise Agreement's restrictions.

3. Practice Entity Statement of Ownership and Management. Upon approval of the Practice Entity, Franchisee shall complete the Practice Entity Statement of Ownership and Management attached hereto with respect to the approved Practice Entity. Franchisee shall immediately notify Franchisor of any change in any of the information in the Practice Entity Statement of Ownership and Management last submitted to Franchisor. Further, upon request of Franchisor, Franchisee shall provide Franchisor with an updated Practice Entity Statement of Ownership and Management. Unless otherwise permitted by applicable law, the Practice Entity must be wholly owned by one (1) or more Licensed Providers.

4. Renewal Conditions. Section 2(b) of the Franchise Agreement is hereby amended to add the following subsection (9):

(9) entered into an approved form of MSA between Franchisee and the Practice Entity for the renewal term of this Franchise and Franchisee shall ensure the maintenance by the Practice Entity, the owners of the Practice Entity, and Licensed Providers providing services on behalf of the Practice Entity of unrestricted license(s) to practice counseling, therapy, and mental health medicine within the jurisdiction in which the Clinic is located, and the maintenance of such qualifications during the entirety of the Term of the Franchise and renewal thereof.

5. Clinic Location and Construction; Marketing and Promotion. The references to the requirements and obligations of Franchisee with respect to the Franchised Business set forth in Sections 3 and 6 of the Franchise Agreement refer to the Clinic, and the site selection and location, leasing, design and construction, furnishing, opening, altering and remodeling, and marketing and promotion of the Clinic.

6. Forms. Section 8(h) of the Franchise Agreement is hereby replaced with the following:

(h) **Forms.** Franchisor may provide to Franchisee various example forms Franchisee may use in the operation of the Franchised Business and Clinic, including payment forms, enrollment forms, intake forms, consent forms, and templates. Franchisee shall ensure that the Practice Entity and Clinic not provide services to a minor unless and until the minor's parent or guardian signs a form. Franchisor makes no representation or warranty as to the enforceability of any contracts or other forms for use in the Franchised Business or Clinic, or whether any such forms meet the legal requirements of the jurisdiction in which Franchisee or the Practice Entity does business. Franchisee acknowledges that it is Franchisee's responsibility to modify such forms to meet all laws and regulations applicable to the Franchised Business and Clinic and to use no contract that does not comply with applicable law. Franchisor may from time to time update the forms provided to Franchisee. Upon provision of an updated form to Franchisee, Franchisee shall, and Franchisee shall cause the Practice Entity to, immediately discontinue use of any prior version and only use the new version of the form on a going forward basis.

7. Operation of the Franchised Business and Clinic. Section 9 of the Franchise Agreement is hereby replaced with the following:

OPERATION OF THE FRANCHISED BUSINESS AND CLINIC

(a) **Commencement of Operation.** Franchisee may not commence operation of the Franchised Business, and shall ensure that the Practice Entity not commence operation of the Clinic, until Franchisee has satisfied all conditions set forth in this Agreement required to be satisfied by Franchisee or the Practice Entity prior to opening the Franchised Business and Clinic, including successful completion of the Initial Training Program and obtaining all licenses, permits, credentialing, and certifications necessary to operate the Franchised Business and Clinic, and Franchisor has provided Franchisee with written certification of the completion of all such conditions. Franchisee shall ensure that the Franchised Business and the Clinic commence operation on or before the “Required Opening Date” set forth on the Rider.

(b) **Management of the Franchised Business; Owners.** Franchisee shall, and shall cause the Practice Entity to, employ at least one (1) clinic director who is responsible for the general operation of each of the Franchised Business and Clinic (“Director”). Notwithstanding the foregoing, Franchisee and the Practice Entity shall at all times be held responsible for the day-to-day operation and management of the Franchised Business and Clinic. At the time this Agreement is executed by Franchisee, Franchisee shall also complete the Statement of Ownership and Management attached hereto, and, if Franchisee is a corporation, partnership, or limited liability company, each owner of Franchisee as of the date hereof, as well as any future owners of Franchisee, must sign Franchisor’s then-current Guaranty at the time such individual becomes an owner of Franchisee. Franchisee shall immediately notify Franchisor of any change in any of the information in the Statement of Ownership and Management last submitted to Franchisor. Further, upon request of Franchisor, Franchisee shall provide Franchisor with an updated Statement of Ownership and Management.

(c) **Personnel.** Franchisee shall, or shall cause the Practice Entity to, hire all personnel of the Franchised Business and Clinic, and Franchisee and the Practice Entity, as applicable, shall be exclusively responsible for the terms of their relationships with such personnel, including compensation, education and training, licensure and certification, discipline, and termination. Furthermore, Franchisee shall require each Director, as a condition to their employment, and the Practice Entity to enter into a noncompetition and confidentiality agreement, enforceable by Franchisor, restricting the disclosure of confidential information and competition with Franchisee and Franchisor to the same extent as Franchisee is restricted under this Agreement. If there is a violation of such agreements, Franchisee shall take all action necessary to enforce such agreement. If Franchisee fails to enforce such agreement, it shall be liable to Franchisor for any damages, costs, and losses suffered by Franchisor, including any attorneys’ fees Franchisor may incur if it elects to attempt to enforce that agreement on Franchisee’s behalf. In such event, Franchisee shall execute all documents reasonably requested by Franchisor in connection with such enforcement attempt. Franchisee shall provide Franchisor an executed copy of each such agreement immediately upon execution by Franchisee, a Director, and the Practice Entity. Franchisee shall post a notice in the Clinic, conspicuous to Franchisee’s and the Practice Entity’s employees, notifying such employees that they are employees of Franchisee or the Practice Entity and not of Franchisor. Franchisee shall also obtain from each of its personnel an acknowledgment signed by such personnel providing that such individual understands,

acknowledges, and agrees that he or she is an employee of Franchisee or the Practice Entity and not Franchisor and that such individual shall look solely to Franchisee or the Practice Entity for his or her compensation and for all other matters related to their relationship with Franchisee or the Practice Entity.

(d) **Training.** Franchisee shall provide all staff members working at the Franchised Business or Clinic, including all Licensed Providers, a training program meeting Franchisor's requirements. Franchisee shall also provide such other periodic training to such individuals as is required by Franchisor. Franchisee shall provide to Franchisor, upon Franchisor's request, a certification that all of such individuals have successfully completed the training programs.

(e) **Maintenance of High Quality Service.** Franchisee shall utilize its best efforts, skill, and diligence to ensure that Franchisee and Franchisee's and the Practice Entity's employees, contractors, and agents establish and maintain high quality service to all doing business with the Franchised Business and Clinic. At all times, Franchisee shall, and Franchisee shall ensure that the Practice Entity, conduct its business in a manner that will preserve and enhance the goodwill associated with the Names and Marks. Franchisee shall not, and Franchisee shall ensure that the Practice Entity not, offer any products and services through the Franchised Business or Clinic that are not approved by Franchisor, and all Licensed Providers must be properly licensed to provide the products and services offered through the Franchised Business or Clinic, all of which must meet Franchisor's standards and specifications. Franchisee shall not, and Franchisee shall ensure that the Practice Entity not, use the Franchised Business or Clinic to operate any business, or offer any products or services, that have not been approved by Franchisor.

(f) **Compliance with Specifications and Procedures.** Franchisee acknowledges that the Confidential Manual(s) are designed to protect Franchisor's standards and System of Operation, and the Names and Marks, and not to control the day-to-day operation of the business or the administration of medical or health products or services or to control or influence the independent medical judgment of any Licensed Providers. Franchisee shall, and Franchisee shall ensure that the Practice Entity, comply with all rules, regulations, and directives specified by Franchisor as well as all mandatory standards, specifications, and procedures contained in the Confidential Manual(s), as amended from time to time, and shall adopt and adhere to the policies of Franchisor. Franchisor specifically reserves the right to modify or change such rules, regulations, and directives.

(g) **Internet Usage.** Franchisee must subscribe, at Franchisee's expense, to an Internet service provider or other electronic communication provider or service and obtain and use, at Franchisee's expense, and in the manner and form and meeting such minimum standards as Franchisor may approve or require, computer equipment, operating software, communication services, and other electronic and computer systems, and the like, for communicating, reporting, and other operations of the Franchised Business and Clinic. Franchisor shall have independent access to all of Franchisee's computer systems, excluding any employment records and patient records containing personal health information. Franchisor may require that any and all communications between Franchisee and Franchisor be made through the Internet or such other electronic medium as Franchisor may designate, and Franchisee may be required to access the Internet or other electronic information on a regular basis to obtain full benefit of the System of

Operation. Franchisee shall maintain a working email address to communicate with Franchisor. Franchisor is not liable for any damage to Franchisee including lost profits, which occur as a result of any outage or delay related to electronic transmission of information, whether by the Internet or otherwise, or as a result of Franchisee's failure to access the information. Franchisor may, in its sole discretion, make use of any information furnished by it to Franchisee in the conduct of its business, excluding any employment records and patient records containing personal health information.

(h) **Upgrades.** Notwithstanding anything set forth in this Agreement to the contrary, Franchisor may require Franchisee to upgrade any technology used by Franchisee or the Practice Entity in the Franchised Business and Clinic at any time and without regard to any expenditure limitations. Additionally, there shall be no limit on Franchisor's right to require Franchisee to replace the computer systems, to replace or upgrade hardware or software used by Franchisee or the Practice Entity in the Franchised Business and Clinic, or to require Franchisee to purchase additional hardware or software that Franchisor may select for use in the Franchised Business and Clinic.

(i) **Provision of Information.** Franchisee acknowledges and agrees that any and all information provided to Franchisee or the Practice Entity by Franchisor under this Agreement may be provided in such manner and by such media as Franchisor may determine, including, without limitation, by electronic and/or computer means. Franchisee also specifically agrees Franchisor may communicate with Franchisee by fax, email, or other electronic communications.

(j) **Franchisee Control of the Franchised Business.** Franchisee acknowledges that it is responsible for the day-to-day operation of its Franchised Business, and that Franchisee and the Practice Entity are responsible for the day-to-day operation of the Clinic, including hiring; setting the conditions of employment; supervising, discipline, and termination of all personnel; purchases (or leases) and maintenance of equipment and supplies; maintenance of employment records; daily maintenance, safety, security, and the achievement of compliance with the System of Operation; and the provision of health or medical products and services and the exercise of medical judgment (by the Practice Entity as provided in Section 9(k)). Franchisor's ability to approve certain matters, to inspect the Franchised Business and Clinic and its operations, and to enforce its rights, exists only to the extent necessary to protect its interest in the System of Operation and the Names and Marks. Neither the retention nor the exercise of these rights is for the purpose of establishing any control, or the duty to take control, over those matters that are clearly reserved to Franchisee or the Practice Entity. Franchisee's employees and the Licensed Providers are not Franchisor's agents or employees and Franchisor is not a joint employer of these individuals. Franchisee is solely responsible for performing all administrative functions at the Franchised Business and Clinic, including payroll and providing workers' compensation insurance. Franchisee acknowledges that it is not economically dependent on Franchisor, and that Franchisor does not provide facilities, equipment, or house or transport Franchisee's employees or provide to Franchisee's employees tools or materials required for Franchisee's employees to perform services for Franchisee.

(k) **Independent Medical Judgment.** Notwithstanding Franchisor's right to require Franchisee to operate its Franchised Business and manage the Clinic in accordance with the System of

Operation, and the standards set from time to time by Franchisor, Franchisor and Franchisee recognize that the practice of mental health, counseling, or therapy is a profession requiring independent judgment, skill, and training and is governed by federal, state, and local laws and regulations. By granting Franchisee a Franchise, Franchisor is not engaging in the practice of medicine, mental health, counseling, therapy, or any other profession that requires specialized training, licensure, or certification. Franchisee must not, and Franchisee shall ensure that the Practice Entity not, engage in the practice of medicine, mental health, counseling, therapy, or any other profession that requires specialized training, licensure, or certification unless properly trained, licensed, and certified. This Agreement will not interfere, affect, or limit the independent exercise of medical judgment by the Licensed Providers at the Clinic. Franchisor does not interfere, affect, or limit the independent exercise of medical judgment by the Licensed Providers. However, Franchisee must, and Franchisee shall ensure that the Practice Entity, adhere to all applicable laws including any state standards on counseling and therapeutic services. Franchisee acknowledges and agrees that it is not authorized and shall not engage in the practice of medicine, mental health, counseling, or therapy at any time, and, to the extent required by CPOM in the jurisdiction in which the Clinic is located, the Practice Entity shall retain exclusive authority and discretion to direct the medical, professional, and ethical aspects of the counseling and therapy medical practice at the Clinic.

Any inconsistency between the standards of the System of Operation or the advice of Franchisor, on the one hand, and any legal requirement, on the other hand, is inadvertent and not an effort to cause Franchisee or the Practice Entity to deviate from such legal requirements or the proper practice of its profession. Therefore, Franchisor and Franchisee understand and agree that (1) in all cases, lawful, regulatory requirements take precedence over any inconsistent advice, counsel, or other guidance offered by Franchisor as well as any inconsistent standards Franchisor may prescribe; (2) no business advice given by Franchisor nor any standard Franchisor prescribes or recommends shall be taken as advice in respect of the practice of the profession of mental health, counseling, or therapy, as defined by law; and (3) in any case in which Franchisee believes that Franchisor's advice or standards contravene the practice of the profession of mental health, counseling, or therapy or any legal requirements of that practice, Franchisee will notify Franchisor, orally and in writing, immediately.

(l) **Taxes.** Franchisee shall promptly pay when due all taxes levied or assessed by reason of its operation and performance under this Agreement. Franchisee further shall secure and pay premiums on a workers' compensation policy covering all of its employees and, if applicable, shall pay all state unemployment taxes, state sales taxes, and all other taxes and expenses of operating the Franchised Business. In the event of any bona fide dispute as to the liability for any taxes assessed against Franchisee, Franchisee may contest the validity or amount of the tax in accordance with procedures of the taxing authority. In no event, however, shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant to occur against the Franchised Business or Clinic, or any part thereof.

(m) **Programs.** Franchisee must, and Franchisee shall ensure that the Practice Entity, participate in, comply with all terms and conditions of, and pay all charges related to, all programs Franchisor may require Franchisee or the Practice Entity to participate in from time to time. The

terms and conditions of any such programs, as well as the programs themselves, may be modified or terminated at any time by Franchisor in its sole and absolute discretion.

(n) **Compliance with Laws.** Franchisee shall, and Franchisee shall ensure that the Practice Entity, comply with all laws and regulations applicable to its Franchised Business and Clinic, including all zoning laws, licensing and permitting requirements, corporate practice of medicine laws, the Health Insurance Portability and Accountability Act of 1996, or HIPAA, the Health Information for Economic and Clinical Health Act, or HITECH, anti-kickback laws (including the Federal Medicare Anti-Kickback law and state Medicaid laws concerning reimbursement for services for those who participate in Medicaid), prohibitions on fee splitting and self-referral restrictions (including the federal “Stark Law” and similar state laws), payment systems for medical benefits available to individuals through private insurance and government resources (including Medicare and Medicaid), and the Americans With Disabilities Act. Without limiting the foregoing, all Licensed Providers and other persons offering counseling, therapy, or other medical or health products or services at the Clinic must be properly licensed under all applicable laws and regulations.

8. **Clients.** Franchisee acknowledges and agrees that references to “clients” and “patients” in the Franchise Agreement shall refer to clients or patients of the Clinic.

9. **Names and Marks.** Subject to the terms and conditions of this Addendum, the Franchise Agreement and Confidential Manual(s), Franchisor hereby grants Franchisee the right to grant a sublicense to the Names and Marks to the Practice Entity solely in connection with the operation of the Clinic by the Practice Entity. Such sublicense shall be set forth in the MSA or addendum thereto and shall, among other things: (a) not exceed the scope of Franchisee’s limited rights to use the Names and Marks granted under the Franchise Agreement; (b) terminate immediately upon termination or expiration of the Franchise Agreement; (c) require that Franchisor review and approve the Practice Entity’s use of the Names and Marks prior to such use; (d) prohibit the Practice Entity from using the Names and Marks in any manner for which it is not appropriately licensed or otherwise qualified under applicable law; and (e) include the terms and conditions of Section 10 of the Franchise Agreement.

10. **Furniture, Fixtures, and Equipment; Supplies and Services.** The references to the requirements and obligations of Franchisee set forth in Section 11 of the Franchise Agreement refer to the Clinic, and the maintenance of the Clinic facilities and equipment utilized by the Clinic; the sourcing and specifications of the Clinic’s furniture, fixtures, and equipment, design and décor, branded items and signage, computer hardware and software, technology and security systems, payment processing services, products Franchisee purchases for use or sale at the Clinic, insurance, and advertising and marketing materials; and the products and services offered through the Clinic.

11. **Information, Reports, Inspections, and Audits.** Section 12 of the Franchise Agreement is hereby replaced with the following:

INFORMATION, REPORTS, INSPECTIONS, AND AUDITS

(a) **Books and Records; Financial Reports.** Franchisee shall, and Franchisee shall cause the Practice Entity to, maintain their respective books and records in the manner reasonably required by Franchisor. Franchisee shall provide Franchisor with such financial and sales information relating to the business of Franchisee and the Practice Entity as from time to time may be reasonably required by Franchisor. Franchisee shall provide to Franchisor such monthly and/or annual financial reports as Franchisor may specify regarding Franchisee, the Practice Entity, the Franchised Business, or the Clinic. The financial and sales information shall be delivered to Franchisor, at the time, in the form and by the means of communication authorized by Franchisor. Franchisor may use such financial information in any manner and for any purpose it, in its sole and absolute judgment, deems appropriate. Franchisor has the right to share any such financial information and other information Franchisee provides to Franchisor with other Able Autism Therapy Services franchisees and to publicly disclose and include Franchisee's and the Practice Entity's financial information in Franchisor's franchise disclosure document. Except for the foregoing rights, Franchisor will keep such financial information confidential, unless the information is: (1) requested by tax authorities; or (2) used as part of a legal proceeding. Franchisee, and if Franchisee is a limited liability company, corporation, or partnership, the owners of Franchisee, shall also submit to Franchisor, upon request, copies of their annual federal, state, and city income and sales tax returns, if any.

(b) **Audit Rights.** Franchisor shall have the right to audit or cause to be audited the sales reports and financial statements delivered to Franchisor, and the books, records, and sales and income tax returns of Franchisee and the Practice Entity, and if Franchisee is a limited liability company, corporation, or partnership, the owners of Franchisee, excluding any employment records. If any audit discloses that Franchisee or the Practice Entity has failed to pay to Franchisor any fees owed Franchisor (including as a result of an underreporting of Collected Revenue or the number of Qualified Clinicians or Qualified Prescribers in any period), Franchisee, within ten (10) days of receipt of the audit report, shall pay to Franchisor the fees and other amounts due Franchisor, plus late payment charges from the due date at the maximum rate permitted by law, not to exceed one and one-half percent (1.5%) per month. In addition, if the audit discloses the existence of any underpayment of any fees due to Franchisor (including as a result of an underreporting of Collected Revenue or the number of Qualified Clinicians or Qualified Prescribers in any period), Franchisee shall reimburse Franchisor for the cost of the audit, including the charges of any independent accountant and the travel expenses, lodging, and compensation of persons employed by Franchisor to make the audit. Franchisee shall cause the Practice Entity to cooperate with any such audit request of the Clinic, the Practice Entity, or any PE Agent.

(c) **Inspection Rights.** Franchisee shall permit Franchisor and its representatives, whenever Franchisor reasonably may deem necessary, during normal business hours, to enter, remain on, and inspect the Franchised Business and Clinic. Franchisee shall cause the Practice Entity to cooperate with any such inspection of the Clinic.

(d) **Ownership of Information.** All information Franchisor obtains from Franchisee or the Practice Entity or about or related to the Franchised Business or Clinic (collectively, the "Information"), and all revenues Franchisor derives from such Information, shall be Franchisor's property, excluding any employment records and patient records containing personal health information (which shall belong solely to and be the responsibility of Franchisee or the Practice Entity, as applicable). Franchisee may use information that it acquires from third parties in operating the Franchised Business at any time during the Term of the Franchise to the extent

lawful and at its sole risk and responsibility, but only in connection with operating the Franchised Business for the purposes hereunder. The Information (except for information Franchisee provides to Franchisor with respect to it and its affiliates) shall become the confidential information of Franchisor, which Franchisor may use for any reason it deems necessary or appropriate. Franchisee and Franchisor shall comply with all applicable laws pertaining to the privacy and security of personal information, including, without limitation, local, regional, and national requirements applicable to the Franchised Business.

12. Confidentiality and Improvements. Section 14 of the Franchise Agreement is hereby replaced with the following:

(a) **Maintenance of Confidence.** Franchisee acknowledges that all of the information it has now or obtains in the future concerning the System of Operation, including the Confidential Manual(s), and the concepts and methods of promotion franchised hereunder, is derived from Franchisor pursuant to this Agreement, and that such information will be treated in confidence and shall only be used for the purposes of operating a Franchised Business and the Clinic as set forth in this Agreement. Franchisee agrees never to, directly or indirectly, engage in or abet the misappropriation (as the term “misappropriation” is defined in the Minnesota Uniform Trade Secrets Act, Minn. Stat. Ch. 325C), or the disclosure, divulgence, or distribution of all or any part of the System of Operation and the concepts and methods of promoting Franchises hereunder. Franchisee may disclose to the Practice Entity only that portion of such confidential information necessary to permit the Practice Entity to operate the Clinic during the Term of the Franchise; provided, however, that Franchisee enters into a confidentiality agreement with the Practice Entity that requires the Practice Entity to exercise its best efforts to preserve and not disclose or misuse any information disclosed by Franchisor to Franchisee, and Franchisee shall remain jointly and severally liable for the Practice Entity’s confidentiality obligations hereunder.

(b) **Improvements.** If Franchisee, the Practice Entity, or any PE Agent, during the Term of the Franchise, conceives or develops any improvements or additions to the System of Operation, new trade names, trade and service marks and other commercial symbols related to the Franchised Business or the Clinic, or any advertising, promotion, or marketing ideas related to the Franchised Business or the Clinic (“Improvements”), Franchisee shall fully disclose the Improvements to Franchisor without disclosure of the Improvements to others and shall obtain Franchisor’s written approval prior to the use of such Improvements by Franchisee, the Practice Entity, or any PE Agent. Any such Improvement approved by Franchisor may be used by Franchisor and all other franchisees of Franchisor without any obligation to Franchisee, the Practice Entity, or any PE Agent for royalties or similar fees. Franchisee shall assign to Franchisor, and hereby does assign to Franchisor, and Franchisee agrees to procure an assignment from the Practice Entity and any PE Agent of, and without charge, all rights to such Improvements, together with the goodwill associated with the Improvements and the right to grant sublicenses to any such Improvements. Franchisor, at its discretion, may make application for and own copyrights, trade names, trademarks, and service marks relating to any such Improvements. Franchisor also may consider such Improvements as the property and trade secrets of Franchisor. Franchisor shall authorize Franchisee to utilize any Improvement authorized generally for use by other franchisees.

13. Termination by Franchisor. The references to “Franchisee” and “Franchised Business” in Section 19(a) of the Franchise Agreement shall be replaced with “Franchisee or the Practice

Entity” and “Franchised Business or Clinic”, respectively; provided, however, that any notices required to be delivered by Franchisor under Section 19(a) of the Franchise Agreement shall only be required to be delivered to Franchisee (and not the Practice Entity). Section 19(a) of the Franchise Agreement is hereby amended to add the following subsection (16):

(16) Is in breach or default of the MSA and such failure continues for thirty (30) days after notice to Franchisee, or if the MSA terminates or expires for any reason and Franchisee fails to enter into a new MSA, subject to Franchisor’s approval, within thirty (30) days after notice to Franchisee.

14. Franchisee Indemnification. Section 21(b) of the Franchise Agreement is hereby replaced with the following:

(b) **Franchisee Indemnification.** Franchisee agrees to indemnify Franchisor against, and to reimburse Franchisor for, all obligations and damages for which Franchisor is liable and for all costs reasonably incurred by Franchisor in the defense of any such claim brought against it, or in any such action in which it is named as a party, arising out of any act or omission of Franchisee, the Practice Entity, or any of their personnel or contractors, or as a result of any activities occurring at, by, or through the Franchised Business or Clinic, including the Franchised Business or Clinic, its operation, design, or construction, or otherwise, the exercise of medical judgment or care, the sale or provision of any products or services, the hiring of any counselors, therapists, or prescribers or other employees or contractors, licensing, permitting, and certification, and any advertising conducted by Franchisee or the Practice Entity. Such indemnification shall include reasonable attorneys’ fees, costs of investigation or proof of facts, court costs, other litigation expenses, and travel and living expenses (collectively, “Costs”). Franchisor shall have the right to defend any such claim against it.

15. Practice Entity Compliance. Franchisee acknowledges and agrees that in its operation of the Franchised Business and management of the Clinic pursuant to the MSA, Franchisee shall, and cause the Practice Entity to, comply with, and to take no actions that cause Franchisee’s non-compliance with, all applicable requirements set forth and described in the Franchise Agreement, as if the Practice Entity and the Clinic were the Franchisee and the Franchised Business, respectively, pursuant to the Franchise Agreement. Franchisee shall cause the Practice Entity to take no actions in contravention of Franchisee’s obligations pursuant to the Franchise Agreement. The MSA shall include Franchisor’s right to enforce its rights in the Names and Marks, Confidential Manual(s) and the Franchise and indicate that Franchisor is a third-party beneficiary and entitled to enforce the terms and conditions of the MSA. Notwithstanding any MSA, Franchisee shall remain primarily liable to Franchisor for all of Franchisee’s duties and obligations contained in the Franchise Agreement. Any act or omission of the Practice Entity that would be a breach or default of the Franchise Agreement if committed or omitted by the Franchisee will be deemed a breach or default by the Franchisee. The MSA shall contain a right of termination by Franchisee for the Practice Entity’s breach or default of any terms or conditions of the MSA that is also set forth in substance in the Franchise Agreement, which breach or default would constitute a breach or default of the Franchise Agreement if the Franchisee failed to comply therewith.

16. Defaults. Upon any material default of the Franchise Agreement, unless such default is cured, Franchisor reserves the right, in its sole discretion, to terminate this Addendum (without

terminating the Franchise Agreement), in which case the terms and conditions of the Franchise Agreement shall control and remain in full force and effect, subject to its terms and conditions, as if not modified by this Addendum; provided, however, that this Section 16 shall not prohibit or restrict Franchisor’s rights to terminate the Franchise Agreement as provided in the Franchise Agreement.

17. No Transfer. Neither this Addendum, nor Franchisee’s rights hereunder, may be sold, assigned, or transferred by Franchisee, regardless of Franchisor’s written consent to any direct or indirect sale, assignment, or transfer as defined under Section 16 of the Franchise Agreement, and this Addendum shall automatically terminate upon such sale, assignment, or transfer as defined under Section 16 of the Franchise Agreement (unless otherwise agreed by Franchisor).

18. Effect on Franchise Agreement. This Addendum shall terminate upon the termination or expiration of the earlier of the Franchise Agreement or MSA. The terms of this Addendum are expressly made subject to and governed by the Franchise Agreement. Except as specifically amended hereby or by any other Addendum thereto, the Franchise Agreement shall continue in full force and effect. In the event of a conflict between the terms of the Franchise Agreement and this Addendum, this Addendum shall control.

19. Counterparts. This Addendum may be executed in any number of counterparts, and may be executed and delivered via facsimile, email, or electronic process, confirmation, or transmission, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, Franchisor and Franchisee execute this Addendum effective as of the date hereof.
