What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state.
2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

In this disclosure document, “we”, “us,” or “our” refers to Marsh and Munar Team, LLC. “You” means the person to whom we grant a franchise. If you are a corporation, limited liability company, or other entity, each owner of the franchise entity must sign our Guaranty and Non-Compete Agreement, which means that all of the franchise agreement’s provisions also will apply to your owners.

Us, Any Parents, and Certain Affiliates

Our name is Marsh and Munar Team, LLC. Our principal business address is 8795 Peach Street, Erie, PA 16509. We do not have any parent entities. We do not have any affiliates that offer franchises in any line of business. We do have an affiliate that is an optional supplier ~~provides products~~ to our franchisees.

Our Predecessors

We do not have any predecessors.

Our Business Name

We use the names “Marsh and Munar Team, LLC” and “Co/LAB”. We do not intend to use any other names to conduct business.

Agent for Service of Process

Our agent for service of process in Pennsylvania is Megan Marsh, and the agent’s principal business address is 8795 Peach Street, Erie, PA 16509. Our agents for service of process in other states are disclosed in Exhibit A.

Business Organization

We are a Pennsylvania Limited Liability Company. We were formed on 9/16/2019.

Information About Our Business and the Franchises Offered

We do not operate businesses of the type being franchised, but our Affiliate does.

We do not have any other business activities. We have not offered franchises in other lines of business.

If you sign a franchise agreement with us, you will develop and operate a business structured as an independent Mortgage Brokerage, under the trade name Co/LAB. The Co/LAB Lending Franchise provides Mortgage consulting and brokering services to homebuyers looking to obtain a mortgage for a new home or refinance their existing home. In some cases, Co/LAB may grant you the right to establish one or more additional office locations known as a “Branch Office” that are for a shorter term and have other special provisions (see Item 12 below for a

discussion of Branch Offices). Co/LAB Offices offer high quality mortgage brokerage services (collectively, the “Services”), including the processing, originating and solicitation of mortgage loan applications for purchasing a residence or other property or refinancing an existing mortgage. As of the date this disclosure document was issued, Co/LAB Offices are offered primarily to owners who operate an existing real estate brokerage business.

We operate in the Mortgage Brokerage market that is well developed. Our products and services are offered year-round. You will compete for customers with independent owners, national chains, regional chains, and franchised businesses, offering Mortgage consulting and brokering services to homebuyers looking to obtain a mortgage for a new home or refinance their existing home.

Each Co/LAB franchisee must be authorized, under the law of the state(s) in which the franchisee will do business, to provide mortgage brokerage services, and must provide its services through licensed loan originators. Franchisees will serve the general public, competing with other businesses offering mortgage brokerage services. As a mortgage broker you will execute mortgage brokerage agreements with wholesale lenders that underwrite and fund mortgages. These agreements allow your Co/LAB Office to originate loans made by the lenders, who will, unless you are compensated directly by the consumer, compensate you for your services typically at a predetermined percentage of the loan amount, with the total amount of compensation for many loans subject to regulation. See Item 8. You will, in turn, recruit and compensate the licensed individuals who work with potential borrowers to help them find the right loan (“Loan Originators”). Loan Originator compensation may include salary, other benefits and, most typically, a commission calculated as a percentage of the loan amount. You will set the pricing for loans your Office originates depending on your pricing strategy which will take into account the compensation levels set with lenders as well as the interest rates and loan products then available to you as well as your analysis of what is competitive in your market.

Each Co/LAB Office is an independently owned, operated and licensed business and is solely responsible for its day-to-day conduct and activities. Accordingly, no Co/LAB Office is an agent (actual, implied or ostensible) of Marsh and Munar Team, LLC.

Branch Offices

After you have opened your first Co/LAB Office you may request the right to establish a Branch Office (or “Branch Office”). Among other differences, a Branch Office will have a shorter term than an Office that is a full franchise (a “full franchise” is a franchised Office that is not a branch, satellite office, kiosk, or other extension of the Office). Marsh and Munar Team, LLC reserves the unfettered right to grant permission to establish a Branch Office. If you qualify to purchase a Branch Office you must execute the Branch Office Amendment attached as Exhibit C. To qualify for a Branch Office you must not only be in good standing, but we will also consider a number of factors including market saturation, the financial condition of your Office, the extent to which you have adopted Co/LAB best practices, whether and how you have used the system and tools; and your level of experience. If the proposed Branch Office will be co-located in a real estate office not affiliated with the Franchise Owner or owned by a spouse, partner or family member of the Franchise Owner.

The term of the Branch Office will end at the date of expiration of the franchise agreement for the Office identified in the Branch Office Amendment as the Office associated with the Branch Office. You must identify the Office you select for your Branch Office at the time the Branch Office Amendment is signed.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses including federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements.

The following laws and regulations are specific to our industry:

The mortgage industry is highly regulated. You will need to be familiar with applicable federal, state and local laws from the market you operate in. These ordinances are specific to mortgage loan origination servicers. These laws include the Truth in Lending Act, Regulation Z, The Equal Credit Opportunity Act and Regulations, The Fair Credit Reporting Act and several implementing regulations, the Real Estate settlement Procedures Act and Regulation X, the Fair Housing Act, The Gramm-Leach-Bliley Act and its implementing regulations, the Consumer Financial Protection Act and its implementing regulations, the Telephone consumer Protection Act and other state and federal laws pertaining to the solicitation of consumers.

The relationship between you and an affiliated real estate brokerage will be subject to RESPA, including its Affiliated Business Arrangement provisions. If you meet all of the conditions required under your franchise agreement you may operate an Existing business in addition to the services provided by your Co/LAB Mortgage office so long as the business is operated in accordance with applicable law, including the AFBA provisions of RESPA.

The franchised business must be operated through a newly formed business entity and during the term of the franchise agreement the only business the business entity will conduct will be the development, ownership and operation of the Office. You may operate an existing business only through a separately incorporated or formed business entity.

Under RESPA, at or before the time the affiliated real estate sales agent refers a client to you for mortgage services, the client must be given an Affiliated Business Disclosure in a required format. The AFBA disclosure briefly describes your business relationship with the real estate broker, the range of your fees for mortgage products and services and that there is no requirement that the client use the affiliated mortgage broker. In addition, the law of the state(s) where you will do business may impose additional requirements or restrictions, such as requiring additional disclosures when you work with a customer referred by an affiliated real estate broker or placing conditions on which referrals are acceptable.

The AFBA provisions of RESPA require that the only financial gain that the owner of a mortgage brokerage may receive from the mortgage brokerage, directly or indirectly, is a return on its ownership interest in the mortgage brokerage business. However, the mortgage brokerage business may be the owner, if affiliated real estate brokerage company and other parties that may

refer business to it, the reasonable value of services rendered or facilities provided, such as office space. These payments must be for the market value of the services or facilities and may not be based upon the number of transaction or the value of business referred by the recipient to the mortgage brokerage business.

The consumer Financial Protection Bureau is the federal regulator responsible for RESPA. With regard to AFBA's, the CFPB will expect that the franchisee be properly capitalized and staffed. The AFBA should be a viable entity performing meaning full services and not a shell or sham entity. The appropriate amount of capital shall vary depending on a number of factors depending on your market and size of your business. Some states will also require that the person who oversees the operation should have some experience in the mortgage industry and background in the field. Many states and the CFPB require that mortgage brokers must have compliance systems in place as well. Commercial mortgage origination is also subject to federal and state laws.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you. You should consult with a legal advisor about legal requirements that may apply to your business.

Total	\$54,750 - \$114,100			This is the total estimated initial investment to open and commence operating your initial location for the first three months (as described more fully in Chart A of this Item 7). See Note 3.

Notes

1. The Franchise Fee is paid at the time you execute the Franchise Agreement. We offer direct financing for the Franchise Fee as defined in Item 10, which allows for the Franchisee to put \$5,000 down as a deposit towards the total Franchise Fee with monthly payments of \$2,083.33.

2. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different. The office space you will use to operate the business will be 1,000 to 2,000 square feet in size and will typically be located in a commercial office area.

3. The cost for utilities accounts for the cost to engage the utility providers in your market for gas, electric and possibly water. Because you will be leasing a small office space for the operation of the business, many office leases will include the utilities and you will not have a utility payment which is what the low end of the investment range accounts for.

4. The leasehold expenses accounts for the cost of construction or renovation for your office space that you will be using for the operation of the franchised business. The low end of the investment assumes that you will be moving into an office space that does not require any construction or build out expenses. The high end of the amount assumes you will have some construction costs associated with moving into the office space.

5. The Market Introduction Program accounts for your cost of advertising and lead generation for promoting the franchised business during your first month of operations. Included

in this expense, we account for your opening purchase of branded merchandise and apparel you will purchase for marketing and promoting the business.

6. The cost of the initial training program is included in the Franchise Fee, this range of investment accounts for your cost of travel, food and lodging to attend training. We have accounted for only one person to attend training, so if you have more than one person joining for training, these costs may be higher.

7. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a Co/LAB business by our affiliate, and our general knowledge of the industry.

Item 8

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We will not derive revenue from the required purchases and leases by franchisees.

Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your business are 50% to 80% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases of goods and services to operate your business are 50% to 80% of your total purchases and leases of goods and services to operate your business.

Payments by Designated Suppliers to Us

We will receive payments from designated suppliers from franchisee purchases based on the following: some of the products we require and recommend pay us an affiliate commission.

Purchasing or Distribution Cooperatives

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

We do negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. However, this is subject to change in the future.

Benefits Provided to You for Purchases

We do not provide any material benefit to you based on your purchase of particular goods or services, or your use of particular suppliers.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), and operational instructions in the Manual which you can use as part of training new employees (Section 5.3). All hiring decisions and conditions of employment are your sole responsibility.

G. *Website.* We will maintain a website for the Co/LAB brand, which will include your business information and telephone number. (Section 5.5)

Advertising

Our obligation. We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 2% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Marketing Fund. You and all other franchisees must contribute to our Marketing Fund. Your contribution is 1% of gross sales per month. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year.

If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year.

No money from the Marketing Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee’s location, doing so remotely, at a corporate location, and at the franchisee’s location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees. We anticipate holding Live Corporate training class once per month, Live Class at Corporate the first week of every month.

In order for Franchisees to attend, they need to first take their 20 hours of education and pass the NMLS exam AND take our 5-hour course on setting up the business entity and getting licensed. This course is taken online and then there is a Live Q&A hour once a week to answer any questions.

They must have their office approved and licensed in order to activate many of the accounts we will be going over.

5 Hour Broker Setup Course is taught in an online education portal and has a workbook that accompanies it.

Corporate Live Training will be held at our Corporate Office in Erie, PA, where we have a studio where we hold training that can hold up to 15-20 people comfortably.

You must complete the 20 hours of Pre-License & 5 Hour Broker set up training, along with passing the NMLS and all setup activities. Attending the Corporate training should take place within 6 weeks of business opening. It can be done before or after opening, and should be determined based on the experience of the initial team. Ex. If the Loan Originator or admin has worked in a Brokerage, attending corporate training can take place a few weeks after opening, but we would prefer it be prior to.

Our signature Broker FastTrack Course is a 12-week accelerator where we teach new brokers how to accelerate being successful as a broker. We want all franchisees to take the online course within the first 12 months of opening their brokerage.

There is also a 3rd party training program Franchisees can pay to take, if they would like additional training.

If the Franchise has completely green originators and support staff, they will need to go through additional training

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos, learning checks referred to as Knowledge Reviews (automatically graded with correct answers provided, with a structure in place requiring successful completion via a minimum score threshold), and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for “higher-level” functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a corporate-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a corporate (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/corporate (so in that sense, it is still being led by the franchisor/corporate/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of corporate. Franchisor/corporate delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others’ training in the past; the delegate(s) would typically be in a management role at a corporate location or be a “senior,” tenured employee if not in a formal management position.

There is no fee for up to 2 people to attend training. You must pay the travel and living expenses of your employees or managers attending training.

You must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program. Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently \$285 per person. Otherwise, our training programs and/or refresher courses are as shown above. We have the right to require additional/refresher courses to be added as needed.

Item 12
TERRITORY

Your Location

We anticipate that you will manage from a small office setting. Your primary office must be located in your territory.

Grant of Territory

Your franchise agreement will specify a territory, which will have a population of approximately 100,000 to 200,000 people. The boundaries of your territory will be specified by zip codes, county or city lines, or some other limit.

Relocation; Establishment of Additional Outlets

You may relocate your business headquarters anywhere in your territory.

You do not have the right to establish additional franchised outlets or expand into additional territory. If you desire to do so, you must (1) meet our then-current criteria for new franchisees, (2) be in compliance with your franchise agreement at all times since opening your business, (3) have demonstrated your capability to operate a multi-territory franchise successfully, and (4) obtain our agreement.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Exclusivity

We do not grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet, but all franchisees may sell in any market, regardless of who

owns a Territory. You will compete with other franchisees selling the same or similar goods or services under the same or similar trademarks. Continuation of your territorial exclusivity does not depend on any contingency. There are no circumstances that permit us to modify your territorial rights.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

We may serve customers in your territory and authorize other parties to serve customers in your territory, under our brand. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory (i) using our principal trademarks, but only for sales of products or services different from the ones you will offer, and (ii) using trademarks different from the ones you will use. In the circumstances where the franchise agreement does not prohibit us from soliciting or accepting orders from inside your territory, we do not pay any compensation to you.

Soliciting by You Outside Your Territory

You are permitted to sell to potential customers outside of your territory, but we do restrict your advertising and marketing to within your Territory. Solicitations or marketing are permitted which are primarily targeted inside the territory and which incidentally reach potential customers outside of the territory. You can serve customers outside of your territory without our prior written permission.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. As of the date of this disclosure document, we have no plans to operate a Co/LAB Office or own a mortgage brokerage business that offers services to the public. However, we may establish other franchised outlets that may compete with your location.

Item 13 TRADEMARKS

Principal Trademark

The following is the principal trademark that we license to you. This trademark is owned by our Affiliate, Marsh and Munar Team, LLC. We do have a federal registration on the principal register for our principal trademark.

Trademark	Registration Date	Registration Number
Co/Lab Lending	2/14/2023	6979059

Due to the fact that none of our registrations are more than six years old, there have not been any renewals or affidavits filed, but we intend to do so when legally required.

Determinations

There are no currently effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court. There are no pending infringement, opposition, or cancellation proceedings.

Litigation

There is no pending material federal or state court litigation regarding our use or ownership rights in a trademark.

Agreements

Marsh and Munar Team, LLC our affiliate, owns the trademarks described in this Item. Under an Intercompany License Agreement between us and Marsh and Munar Team, LLC, we have been granted the exclusive right to sublicense the trademarks to franchisees throughout the United States. The agreement is of perpetual duration. It may be modified only by mutual consent of the parties. It may be canceled by our affiliate only if (1) we materially misuse the trademarks and fail to correct the misuse, or (2) we discontinue commercial use of the trademarks for a continuous period of more than one year. The Intercompany License Agreement specifies that if it is ever terminated, your franchise rights will remain unaffected.

Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

The franchise agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademarks in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third-party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the franchise agreement, we may require you to modify or discontinue using a trademark, at your expense.

Superior Prior Rights and Infringing Uses

We do not know of either superior prior rights or infringing uses that could materially affect your use of the principal trademarks.

Item 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

We do not own rights in, or licenses to, patents that are material to the franchise. We do not have any pending patent applications.

Copyrights

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. This includes our Brand Standards Manual as well as all other sales, training, management and other materials that we have created or will create. You may use these copyrighted materials during the term of the franchise, in a manner consistent with our ownership rights, solely for your franchised business.

We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright.

There are no agreements currently in effect that limit our right to use or license the use of our copyrighted materials.

We have no obligation to protect any of our copyrights or to defend you against claims arising from your use of copyrighted items. The franchise agreement does not require us to take affirmative action when notified of copyright infringement. We control any copyright litigation. We are not required to participate in the defense of a franchisee or indemnify a franchisee for expenses or damages in a proceeding involving a copyright licensed to the franchisee. We may require you to modify or discontinue using the subject matter covered by any of our copyrights, at your expense.

We do not know of any copyright infringement that could materially affect you.

Proprietary Information

We have a proprietary, confidential Brand Standards Manual and related materials that include guidelines, standards and policies for the development and operation of your business. We also claim proprietary rights in other confidential information or trade secrets that include all methods for developing and operating the business, and all non-public plans, data, financial information, processes, vendor pricing, supply systems, marketing systems, formulas, techniques, designs, layouts, operating procedures, customer data, information and know-how.

You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Brand Standards Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employees to sign confidentiality agreements.

“On-Premises” Supervision

You are not required to personally conduct “on-premises” supervision (that is, act as general manager) of your business. However, we recommend on-premises supervision by you.

There is no limit on who you can hire as an on-premises supervisor. The general manager of your business (whether that is you or a hired person) must successfully complete our training program.

If the franchise business is owned by an entity, we do not require that the general manager own any equity in the entity.

The Principal Executive does not have to serve as a day-to-day general manager of the Business, but the Principal Executive must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to Co/LAB Franchising’s reasonable approval.

2.5 Guaranty. If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee’s obligations to Co/LAB Franchising, in the form of Attachment 3.

2.6 No Conflict. Franchisee represents to Co/LAB Franchising that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or “blocked” in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

2.7 BRANCH OFFICES. After you have opened your first Co/Lab Office you may request the right to establish one or more additional office locations known as a “Branch Office”. Among other differences, a Branch Office will have a shorter term than an Office that is a full franchise (a “full franchise” is a franchised Office that is not a branch, satellite office, kiosk, or other extension of the Office). Marsh and Munar Team, LLC reserves the unfettered right to grant permission to establish a Branch Office. To qualify for a Branch Office you must not only be in good standing, but we will also consider a number of factors including market saturation, the financial condition of your Office, the extent to which you have adopted Co/Lab best practices, whether and how you have used the system and tools and your level of experience.

You must execute the then current form of Branch Office Amendment and pay a Branch Office Initial Fee, as well as monthly ongoing Royalty and Marketing Fund Fees and Branch Loan Originator fees, as set forth in the Branch Office Amendment for each Branch Office you open or renew and all such fees shall be in addition to all fees payable under this Agreement. Each Branch Office shall operate as a part of the Office (i.e., as a branch of the Office operating under and as a part of the same ownership as the Office) shall operate under the same name as the Office and except as modified by the Branch Office Amendment, shall comply with and be subject to all of the terms, conditions, provisions and restrictions of the Franchise Agreement as are applicable to the Office, including without limitation, the Limited License governing the authorized Limited Use of the Co/Lab Marks as well as the same outside business and activities prohibitions specified in Section 4 and, the payment of all fees required by Section 6. The Branch Office shall also comply with and operate strictly in accordance with all applicable mortgage licensing rules and regulations. The Branch Office may have its own telephone number if permitted by applicable law, but all business cards, forms, stationery, advertisements and other promotional or marketing materials used by the Branch Office must clearly identify the name of the Office (i.e., the Co/Lab name authorized under the Franchise Agreement). In addition, Co/Lab may require that all materials state that the Branch Office is a “branch office” of the Office. Each Branch Office must have an interior office name plaque displayed in accordance with the Brand Standards Manual. If located in commercial space, the Branch Office must also have an exterior office sign that comports with the office signage requirements set forth in the Brand Standards Manual. If located in residential space, the Branch Office may have an exterior office sign that comports with the office signage requirements set forth in the Brand Standards Manual and the Branch Office and any signage must comply with local law regarding signage and zoning. All Branch Offices must also comply in all respects with applicable provisions of the Brand Standards Manual and any supplements or special addenda to the Brand Standards Manual that may be issued from time to time that cover branch offices or their operation. Other than space, staff and equipment shared with a co-located business in compliance with RESPA, no other businesses of any kind may operate from or utilize the same office space, staff or equipment as that of the Branch Office.

You understand and acknowledge that we are not under any obligation to provide Branch Offices any of the services and benefits made available to the Office although we may provide some services and benefits to Branch Offices as we, in our sole and absolute discretion, deem appropriate. Each Branch Office Amendment shall terminate upon transfer, termination or expiration of this Agreement.

Branch Offices shall have no protected area or territorial exclusivity whatsoever. Renewal of the Branch Office is subject to Marsh and Munar Team, LLC's continuation of the Branch Office concept, which may be modified, amended or discontinued at any time and is subject to compliance with the terms of renewal for a Branch Office, as stated in the Branch Office Amendment. If the Branch Office program is discontinued no renewals will be granted for any Branch Office. In the event you fail to renew your franchise relationship with us (no longer have at least one active franchise agreement for a full franchise) your Branch Office will terminate.

NO RIGHT TO ADDITIONAL OFFICES.

Nothing contained in this Agreement shall be deemed, expressly or by implication, to grant or extend to you any right, option or preference to purchase, acquire or open an additional Co/Lab franchise or Branch Office now or in the future.

ARTICLE 3. TERM

3.1 Term. This Agreement commences on the Effective Date and continues for 7 years.

3.2 Successor Agreement. When the term of this Agreement expires, Franchisee may enter into a successor agreement for up to 2 additional periods of 5 years each, subject to the following conditions prior to each expiration:

- (i) Franchisee notifies Co/LAB Franchising of the election to renew between 90 and 180 days prior to the end of the term;

- (iii) Franchisee has made or agrees to make (within a period of time acceptable to Co/LAB Franchising) renovations and changes to the Business as Co/LAB Franchising requires (including a Remodel, if applicable) to conform to the then-current System Standards;
- (iv) Franchisee and its Owners execute Co/LAB Franchising's then-current standard form of franchise agreement and related documents (including personal guaranty), which may be materially different than this form (including, without limitation, higher and/or different fees), except that Franchisee will not pay another initial

franchise fee and will not receive more renewal or successor terms than described in this Section;

- (v) Franchisee and each Owner executes a general release (on Co/LAB Franchising's then-standard form) of any and all claims against Co/LAB Franchising, its affiliates, and their respective owners, officers, directors, agents and employees.

ARTICLE 4. FEES

4.1 Initial Franchise Fee. Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable.

All Initial Fees are deferred until Franchisor has satisfied its pre-opening obligations to Franchisee and Franchisee has commenced business operations. The Illinois Attorney General's Office imposed this deferral requirement due to the Franchisor's financial condition.

4.2 Royalty Fee. If Franchisee purchases the standard franchise model, Franchisee shall pay Co/LAB Franchising a monthly royalty fee (the "Royalty Fee") equal to 6% of Gross Sales. The Royalty Fee for any given month is due on the 15th of the following month.

4.3 Marketing Contributions.

(a) Marketing Fund Contribution. Franchisee shall pay Co/LAB Franchising a contribution to the Marketing Fund (the "Marketing Fund Contribution") equal to 1% of Franchisee's Gross Sales (or such lesser amount as Co/LAB Franchising determines), at the same time as the Royalty Fee.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative, not to exceed 2%.

4.4 Replacement / Additional Training Fee. If Franchisee sends an employee to Co/LAB Franchising's training program after opening, Co/LAB Franchising may charge its then-current training fee. As of the date of this Agreement, the training fee is \$285 per person.

4.5 Branch Office Fees. You agree to pay us the Branch Office Fee of \$5,000 and ongoing Royalty and Marketing Fund Fees as set forth in each Branch Office Amendment you sign and all such fees shall be payable in addition to the fees set forth in this Agreement.

4.6 Non-Compliance Fee. Co/LAB Franchising may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee's non-payment of a fee owed to Co/LAB Franchising) which Franchisee fails to cure after 30 days' notice. Thereafter, Co/LAB Franchising may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Co/LAB Franchising's internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of Co/LAB Franchising's other rights and remedies (including default and termination under Section 14.2).

4.7 Reimbursement. Co/LAB Franchising may (but is never obligated to) pay on Franchisee's behalf any amount that Franchisee owes to a supplier or other third party. If Co/LAB Franchising does so or intends to do so, Franchisee shall pay such amount plus a 10% administrative charge to Co/LAB Franchising within 15 days after invoice by Co/LAB Franchising accompanied by reasonable documentation.

4.8 Payment Terms.

(a) Method of Payment. Franchisee shall pay the Royalty Fee, Marketing Fund Contribution, and any other amounts owed to Co/LAB Franchising by pre-authorized bank draft or in such other manner as Co/LAB Franchising may require. Franchisee shall comply with Co/LAB Franchising's payment instructions.

(b) Calculation of Fees. Franchisee shall report monthly Gross Sales to Co/LAB Franchising by the 5th of the following month. If Franchisee fails to report monthly Gross Sales, then Co/LAB Franchising may withdraw estimated Royalty Fees and Marketing Fund Contributions equal to 125% of the last Gross Sales reported to Co/LAB Franchising, and the parties will true-up the actual fees after Franchisee reports Gross Sales. Franchisee acknowledges that Co/LAB Franchising has the right to remotely access Franchisee's point-of-sale system to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 "late fee" plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(d) Insufficient Funds. Co/LAB Franchising may charge \$30 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by Co/LAB Franchising (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. Co/LAB Franchising may apply any payment received from Franchisee to any obligation and in any order as Co/LAB Franchising may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Co/LAB Franchising any fees or amounts described in this Agreement are not dependent on Co/LAB Franchising's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

9.2 Use by Co/LAB Franchising. Co/LAB Franchising may use any marketing materials or campaigns developed by or on behalf of Franchisee, and Franchisee hereby grants an unlimited, perpetual, royalty-free license to Co/LAB Franchising for such purpose.

9.3 Marketing Fund. Co/LAB Franchising may establish a Marketing Fund to promote the System on a local, regional, national, and/or international level. If Co/LAB Franchising has established a Marketing Fund:

(a) Separate Account. Co/LAB Franchising shall hold the Marketing Fund Contributions from all franchisees in one or more bank accounts separate from Co/LAB Franchising's other accounts.

(b) Use. Co/LAB Franchising shall use the Marketing Fund only for marketing, advertising, and public relations materials, programs and campaigns (including at local, regional, national, and/or international level), and related overhead. The foregoing includes such activities and expenses as Co/LAB Franchising reasonably determines, and may include, without limitation: development and placement of advertising and promotions; sponsorships; contests and sweepstakes; development of décor, trade dress, Marks, and/or branding; development and maintenance of brand websites; social media; internet activities; e-commerce programs; search engine optimization; market research; public relations, media or agency costs; trade shows and other events; printing and mailing; and administrative and overhead expenses related to the Marketing Fund (including the compensation of Co/LAB Franchising's employees working on marketing and for accounting, bookkeeping, reporting, legal and other expenses related to the Marketing Fund).

(c) Discretion. Franchisee agrees that expenditures from the Marketing Fund need not be proportionate to contributions made by Franchisee or provide any direct or indirect benefit to Franchisee. The Marketing Fund will be spent at Co/LAB Franchising's sole discretion, and Co/LAB Franchising has no fiduciary duty with regard to the Marketing Fund.

(d) Contribution by Other Outlets. Co/LAB Franchising is not obligated to (i) have all other Co/LAB businesses (whether owned by other franchisees or by Co/LAB Franchising or its affiliates) contribute to the Marketing Fund, or (ii) have other Co/LAB businesses that do contribute to the Marketing Fund contribute the same amount or at the same rate as Franchisee.

(e) Surplus or Deficit. Co/LAB Franchising may accumulate funds in the Marketing Fund and carry the balance over to subsequent years. If the Marketing Fund operates at a deficit or requires additional funds at any time, Co/LAB Franchising may loan such funds to the Marketing Fund on reasonable terms.

(f) Financial Statement. Co/LAB Franchising will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of Co/LAB Franchising's fiscal year and will provide the financial statement to Franchisee upon request.

9.4 Market Cooperatives. Co/LAB Franchising may establish market advertising and promotional cooperative funds ("Market Cooperative") in any geographical areas. If a Market Cooperative for the geographic area encompassing the Location has been established at the time Franchisee commences operations hereunder, Franchisee shall immediately become a member of such Market Cooperative. If a Market Cooperative for the geographic area encompassing the Location is established during the term of this Agreement, Franchisee shall become a member of such Market Cooperative within 30 days. Co/LAB Franchising shall not require Franchisee to be a member of more than one Market Cooperative. If Co/LAB Franchising establishes a Market Cooperative:

(a) Governance. Each Market Cooperative will be organized and governed in a form and manner, and shall commence operations on a date, determined by Co/LAB Franchising. Co/LAB Franchising may require the Market Cooperative to adopt bylaws or regulations prepared by Co/LAB Franchising. Unless otherwise specified by Co/LAB Franchising, the activities carried on by each Market Cooperative shall be decided by a majority vote of its members. Co/LAB Franchising will be entitled to attend and participate in any meeting of a Market Cooperative. Any Co/LAB business owned by Co/LAB Franchising in the Market Cooperative shall have the same voting rights as those owned by its franchisees. Each Business owner will be entitled to cast one vote for each Business owned, provided, however, that a franchisee shall not be entitled to vote if it is in default under its franchise agreement. If the members of a Market Cooperative are unable or fail to determine the manner in which Market Cooperative monies will be spent, Co/LAB Franchising may assume this decision-making authority after 10 days' notice to the members of the Market Cooperative.

(b) Purpose. Each Market Cooperative shall be devoted exclusively to administering regional advertising and marketing programs and developing (subject to Co/LAB Franchising's approval) standardized promotional materials for use by the members in local advertising and promotion.

(c) Approval. No advertising or promotional plans or materials may be used by a Market Cooperative or furnished to its members without the prior approval of Co/LAB Franchising pursuant to Section 9.1. Co/LAB Franchising may designate the national or regional advertising agencies used by the Market Cooperative.

(d) Funding. The majority vote of the Market Cooperative will determine the dues to be paid by members of the Market Cooperative, including Franchisee, but not less than 1% and not more than 2% of Gross Sales.

(e) Enforcement. Only Co/LAB Franchising will have the right to enforce the obligations of franchisees who are members of a Market Cooperative to contribute to the Market Cooperative.

(f) Termination. Co/LAB Franchising may terminate any Market Cooperative. Any funds left in a Market Cooperative upon termination will be transferred to the Marketing Fund.

9.5 Market Introduction Plan. Franchisee must develop a market introduction plan and obtain Co/LAB Franchising's approval of the market introduction plan at least 30 days before the projected opening date of the Business.

- (ii) an annual financial statement (including profit and loss statement, cash flow statement, and balance sheet) for the Business within 90 days after the end of Co/LAB Franchising's fiscal year; and

(b) Legal Actions and Investigations. Franchisee shall promptly notify Co/LAB Franchising of any Action or threatened Action by any customer, governmental authority, or other third party against Franchisee or the Business, or otherwise involving the Franchisee or the Business. Franchisee shall provide such documents and information related to any such Action as Co/LAB Franchising may request.

(c) Government Inspections. Franchisee shall give Co/LAB Franchising copies of all inspection reports, warnings, certificates, and ratings issued by any governmental entity with respect to the Business, within three days of Franchisee's receipt thereof.

(d) Other Information. Franchisee shall submit to Co/LAB Franchising such other financial statements, budgets, forecasts, reports, records, copies of contracts, documents related to litigation, tax returns, copies of governmental permits, and other documents and information related to the Business as specified in the Manual or that Co/LAB Franchising may reasonably request.

10.3 Initial Investment Report. Within 120 days after opening for business, Franchisee shall submit to Co/LAB Franchising a report detailing Franchisee's investment costs to develop and open the Business, with costs allocated to the categories described in Item 7 of Co/LAB Franchising's Franchise Disclosure Document and with such other information as Co/LAB Franchising may request.

10.4 Business Records. Franchisee shall keep complete and accurate books and records reflecting all expenditures and receipts of the Business, with supporting documents (including, but not limited to, payroll records, payroll tax returns, register receipts, production reports, sales invoices, bank statements, deposit receipts, cancelled checks and paid invoices) for at least three years. Franchisee shall keep such other business records as Co/LAB Franchising may specify in the Manual or otherwise in writing.

10.5 Records Audit. Co/LAB Franchising may examine and audit all books and records related to the Business, and supporting documentation, at any reasonable time. Co/LAB Franchising may conduct the audit at the Location and/or require Franchisee to deliver copies of books, records and

supporting documentation to a location designated by Co/LAB Franchising. Franchisee shall also reimburse Co/LAB Franchising for all costs and expenses of the examination or audit if (i) Co/LAB Franchising conducted the audit because Franchisee failed to submit required reports or was otherwise not in compliance with the System, or (ii) the audit reveals that Franchisee understated Gross Sales by 3% or more for any 4-week period.

ARTICLE 11. FRANCHISOR RIGHTS

11.1 Manual; Modification. The Manual, and any part of the Manual, may be in any form or media determined by Co/LAB Franchising. Co/LAB Franchising may supplement, revise, or modify the Manual, and Co/LAB Franchising may change, add or delete System Standards at any time in its discretion. Co/LAB Franchising may inform Franchisee thereof by any method that Co/LAB Franchising deems appropriate (which need not qualify as “notice” under Section 18.9). In the event of any dispute as to the contents of the Manual, Co/LAB Franchising’s master copy will control.

11.2 Inspections. Co/LAB Franchising may enter the premises of the Business from time to time during normal business hours and conduct an inspection. Franchisee shall cooperate with Co/LAB Franchising’s inspectors. The inspection may include, but is not limited to, observing operations, conducting a physical inventory, evaluating physical conditions, monitoring sales activity, speaking with employees and customers, and removing samples of products, supplies and materials. Co/LAB Franchising may videotape and/or take photographs of the inspection and the Business. Co/LAB Franchising may set a minimum score requirement for inspections, and Franchisee’s failure to meet or exceed the minimum score will be a default under this Agreement. Without limiting Co/LAB Franchising’s other rights under this Agreement, Franchisee will, as soon as reasonably practical, correct any deficiencies noted during an inspection. If Co/LAB Franchising conducts an inspection because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed inspection), then Co/LAB Franchising may charge all out-of-pocket expenses plus its then-current inspection fee to Franchisee.

11.3 Co/LAB Franchising’s Right to Cure. If Franchisee breaches or defaults under any provision of this Agreement, Co/LAB Franchising may (but has no obligation to) take any action to cure the default on behalf of Franchisee, without any liability to Franchisee. Franchisee shall reimburse Co/LAB Franchising for its costs and expenses (including the allocation of any internal costs) for such action, plus 10% as an administrative fee.

11.4 Right to Discontinue Supplies Upon Default. While Franchisee is in default or breach of this Agreement, Co/LAB Franchising may (i) require that Franchisee pay cash on delivery for products or services supplied by Co/LAB Franchising, (ii) stop selling or providing any products and services to Franchisee, and/or (iii) request any third-party vendors to not sell or provide products or services to Franchisee. No such action by Co/LAB Franchising shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such rights of Co/LAB Franchising are in addition to any other right or remedy available to Co/LAB Franchising.

11.5 Business Data. All customer data and other non-public data generated by the Business is Confidential Information and is exclusively owned by Co/LAB Franchising. Co/LAB Franchising hereby licenses such data back to Franchisee without charge solely for Franchisee’s use in connection with the Business for the term of this Agreement.

11.6 Innovations. Franchisee shall disclose to Co/LAB Franchising all ideas, plans, improvements, concepts, methods and techniques relating to the Business (collectively, “Innovations”) conceived or developed by Franchisee, its employees, agents or contractors. Co/LAB Franchising will automatically own all Innovations, and it will have the right to use and incorporate any Innovations into the System, without any compensation to Franchisee. Franchisee shall execute any documents reasonably requested by Co/LAB Franchising to document Co/LAB Franchising’s ownership of Innovations.

11.7 Communication Systems. If Co/LAB Franchising provides email accounts and/or other communication systems to Franchisee, then Franchisee acknowledges that it has no expectation of privacy in the assigned email accounts and other communications systems, and Franchisee authorizes Co/LAB Franchising to access such communications.

11.8 Delegation. Co/LAB Franchising may delegate any duty or obligation of Co/LAB Franchising under this Agreement to an affiliate or to a third party.

11.9 System Variations. Co/LAB Franchising may vary or waive any System Standard for any one or more Co/LAB franchises due to the peculiarities of the particular site or circumstances, density of population, business potential, population of trade area, existing business practices, applicable laws or regulations, or any other condition relevant to the performance of a franchise or group of franchises. Franchisee is not entitled to the same variation or waiver.

11.10 Temporary Public Safety Closure. If Co/LAB Franchising discovers or becomes aware of any aspect of the Business which, in Co/LAB Franchising’s opinion, constitutes an imminent danger to the health or safety of any person, then immediately upon Co/LAB Franchising’s order, Franchisee must temporarily cease operations of the Business and remedy the dangerous condition. Co/LAB Franchising shall have no liability to Franchisee or any other person for action or failure to act with respect to a dangerous condition.

ARTICLE 12. MARKS

12.1 Authorized Marks. Franchisee shall use no trademarks, service marks or logos in connection with the Business other than the Marks. Franchisee shall use all Marks specified by Co/LAB Franchising, and only in the manner as Co/LAB Franchising may require. Franchisee has no rights in the Marks other than the right to use them in the operation of the Business in compliance with this Agreement. All use of the Marks by Franchisee and any goodwill associated with the Marks, including any goodwill arising due to Franchisee’s operation of the Business, will inure to the exclusive benefit of Co/LAB Franchising.

12.2 Change of Marks. Co/LAB Franchising may add, modify, or discontinue any Marks to be used under the System. Within a reasonable time after Co/LAB Franchising makes any such change, Franchisee must comply with the change, at Franchisee’s expense.

12.3 Infringement.

(a) Defense of Franchisee. If Franchisee has used the Marks in accordance with this Agreement, then (i) Co/LAB Franchising shall defend Franchisee (at Co/LAB Franchising’s expense) against any Action by a third-party alleging infringement by Franchisee’s use of a Mark, and (ii) Co/LAB Franchising will indemnify Franchisee for expenses and damages if the Action is resolved unfavorably to Franchisee.

(b) Infringement by Third Party. Franchisee shall promptly notify Co/LAB Franchising if Franchisee becomes aware of any possible infringement of a Mark by a third party. Co/LAB Franchising may, in its sole discretion, commence or join any claim against the infringing party.

(c) Control. Co/LAB Franchising shall have the exclusive right to control any prosecution or defense of any Action related to possible infringement of or by the Marks.

12.4 Name. If Franchisee is an entity, it shall not use the words “Co/LAB” or any confusingly similar words in its legal name.

ARTICLE 13. COVENANTS

13.1 Confidential Information. With respect to all Confidential Information, Franchisee shall (a) adhere to all procedures prescribed by Co/LAB Franchising for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized in writing by Co/LAB Franchising, (d) exercise the highest degree of diligence and effort to maintain the confidentiality of all such information during and after the term of this Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Franchisee acknowledges that all Confidential Information is owned by Co/LAB Franchising (except for Confidential Information which Co/LAB Franchising licenses from another person or entity). This Section will survive the termination or expiration of this Agreement indefinitely.

13.2 Covenants Not to Compete.

(a) Restriction – In Term. During the term of this Agreement, neither Franchisee, any Owner, nor any spouse of an Owner (the “Restricted Parties”) shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For one year after this Agreement expires or is terminated for any reason (or, if applicable, for one year after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor within five miles of Franchisee’s Territory or the territory of any other Co/LAB business operating on the date of termination or transfer, as applicable. If this Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Co/LAB business operating on the date of termination.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Co/LAB Franchising. Franchisee agrees that the existence of any claim it may have against Co/LAB Franchising shall not constitute a defense to the enforcement by Co/LAB Franchising of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

13.3 General Manager and Key Employees. If requested by Co/LAB Franchising, Franchisee will cause its general manager and other key employees to sign Co/LAB Franchising's then-current form of confidentiality and non-compete agreement (unless prohibited by applicable law).

ARTICLE 14. DEFAULT AND TERMINATION

14.1 Termination by Franchisee. Franchisee may terminate this Agreement only if Co/LAB Franchising violates a material provision of this Agreement and fails to cure or to make substantial progress toward curing the violation within 30 days after receiving written notice from Franchisee detailing the alleged default. Termination by Franchisee is effective 10 days after Co/LAB Franchising receives written notice of termination.

14.2 Termination by Co/LAB Franchising.

(a) Subject to 10-Day Cure Period. Co/LAB Franchising may terminate this Agreement if Franchisee does not make any payment to Co/LAB Franchising when due, or if Franchisee does not have sufficient funds in its account when Co/LAB Franchising attempts an electronic funds withdrawal, and Franchisee fails to cure such non-payment within 10 days after Co/LAB Franchising gives notice to Franchisee of such breach.

(b) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (a) or (c), and Franchisee fails to cure such breach to Co/LAB Franchising's satisfaction within 30 days after Co/LAB Franchising gives notice to Franchisee of such breach, then Co/LAB Franchising may terminate this Agreement.

(c) Without Cure Period. Co/LAB Franchising may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee misrepresented or omitted material facts when applying to be a franchisee, or breaches any representation in this Agreement;
- (ii) Franchisee knowingly submits any false report or knowingly provides any other false information to Co/LAB Franchising;
- (iii) a receiver or trustee for the Business or all or substantially all of Franchisee's property is appointed by any court, or Franchisee makes a general assignment for the benefit of Franchisee's creditors, or Franchisee is unable to pay its debts as they become due, or a levy or execution is made against the Business, or an attachment

or lien remains on the Business for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee, or a petition in bankruptcy is filed by Franchisee, or such a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;

- (iv) Franchisee fails to open for business by the date specified on the Summary Page;
- (v) Franchisee loses possession of the Location;
- (vi) Franchisee or any Owner commits a material violation of Section 7.2 (compliance with laws) or Section 13.1 (confidentiality), violates Section 13.2 (non-compete) or Article 15 (transfer), or commits any other violation of this Agreement which by its nature cannot be cured;
- (vii) Franchisee abandons or ceases operation of the Business for more than five consecutive days;
- (viii) Franchisee or any Owner slanders or libels Co/LAB Franchising or any of its employees, directors, or officers;
- (ix) Franchisee refuses to cooperate with or permit any audit or inspection by Co/LAB Franchising or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2;
- (x) the Business is operated in a manner which, in Co/LAB Franchising's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from Co/LAB Franchising or otherwise);
- (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xii) Co/LAB Franchising (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate).
- (xiii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in Co/LAB Franchising's opinion is reasonably likely to materially and unfavorably affect the Co/LAB brand.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Co/LAB Franchising based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to Co/LAB Franchising all copies of the Manual, Confidential Information and any and all other materials provided by Co/LAB Franchising to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;
- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Co/LAB Franchising or any new franchisee as may be directed by Co/LAB Franchising, and Franchisee hereby irrevocably appoints Co/LAB Franchising, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. Within 30 days after termination or expiration, Franchisee shall at its own expense “de-identify” the Location so that it no longer contains the Marks, signage, or any trade dress of a Co/LAB business, to the reasonable satisfaction of Co/LAB Franchising. Franchisee shall comply with any reasonable instructions and procedures of Co/LAB Franchising for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Co/LAB Franchising may enter the Location to remove the Marks and de-identify the Location. In this event, Co/LAB Franchising will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Co/LAB Franchising.

14.5 Liquidated Damages. If Co/LAB Franchising terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to Co/LAB Franchising a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to Co/LAB Franchising under this Agreement for the 12-month period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 24 or (2) the number of months remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 12 months, then (x) will equal the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to Co/LAB Franchising during the period that Franchisee operated the Business. The “average Royalty Fees and Marketing Fund Contributions that Franchisee owed to Co/LAB Franchising” shall not be discounted or adjusted due to any deferred or reduced Royalty Fees and Marketing Fund Contributions set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of Co/LAB Franchising's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is

reasonable. Franchisee's payment to Co/LAB Franchising under this Section will be in lieu of any direct monetary damages that Co/LAB Franchising may incur as a result of Co/LAB Franchising's loss of Royalty Fees and Marketing Fund Contributions that would have been owed to Co/LAB Franchising after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Co/LAB Franchising's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which Co/LAB Franchising is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that Co/LAB Franchising may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, Co/LAB Franchising will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Co/LAB Franchising. To exercise this option, Co/LAB Franchising must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Co/LAB Franchising elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Co/LAB Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Co/LAB Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Co/LAB Franchising. If Co/LAB Franchising exercises the purchase option, Co/LAB Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Co/LAB Franchising to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Co/LAB Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. Co/LAB Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Co/LAB Franchising may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Co/LAB Franchising. Co/LAB Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Co/LAB Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Co/LAB Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Co/LAB Franchising at least 60 days prior notice of the proposed Transfer, and without

obtaining Co/LAB Franchising's consent. In granting any such consent, Co/LAB Franchising may impose conditions, including, without limitation, the following:

- (i) Co/LAB Franchising receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by Co/LAB Franchising;
- (ii) the proposed assignee and its owners have completed Co/LAB Franchising's franchise application processes, meet Co/LAB Franchising's then-applicable standards for new franchisees, and have been approved by Co/LAB Franchising as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Co/LAB Franchising's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Co/LAB Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Co/LAB Franchising or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Co/LAB Franchising may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Co/LAB Franchising in a form satisfactory to Co/LAB Franchising; and
- (ix) the Business fully complies with all of Co/LAB Franchising's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Co/LAB Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Co/LAB Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Co/LAB Franchising (or to another person who was an Owner at the time of death or

incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Co/LAB Franchising’s Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Co/LAB Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Co/LAB Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Co/LAB Franchising’s receipt of such copy, Co/LAB Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Co/LAB Franchising may substitute cash for any other form of payment). If Co/LAB Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee’s rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an “all assets” security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Co/LAB Franchising) Co/LAB Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, “Indemnitees”) against all Losses in any Action by or against Co/LAB Franchising and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee’s intentional misconduct or negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnitee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee’s expense. Such an undertaking shall not diminish Franchisee’s obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall

be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Co/LAB Franchising's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Co/LAB Franchising's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Co/LAB Franchising to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Co/LAB Franchising and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Co/LAB Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Co/LAB Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Co/LAB Franchising is not a fiduciary of Franchisee. Co/LAB Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Co/LAB Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Co/LAB Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Co/LAB Franchising, and Co/LAB Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Co/LAB Franchising in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Co/LAB Franchising's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Pennsylvania (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Pennsylvania law for the protection of franchisees or business opportunity

purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Co/LAB Franchising, addressed to 8795 Peach Street, Erie, PA 16509. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Co/LAB Franchising may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), Co/LAB Franchising may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Co/LAB Franchising specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Co/LAB Franchising does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Co/LAB Franchising.

ARTICLE 19. CERTIFICATION OF FRANCHISOR’S COMPLIANCE

By signing this Agreement, Franchisee acknowledges the following:

- (1) Franchisee understands all the information in Co/LAB Franchising’s Disclosure Document.
- (2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee’s skills, abilities and efforts and those of the persons Franchisee employs, as well as many factors beyond Franchisee’s control such as weather, competition, interest rates, the economy, inflation, labor and supply costs, lease terms, and the marketplace.
- (3) That no person acting on Co/LAB Franchising’s behalf made any statement or promise regarding the costs involved in operating a Co/LAB franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.

- (4) That no person acting on Co/LAB Franchising's behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.
- (5) That no person acting on Co/LAB Franchising's behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue a Co/LAB franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (6) That no person acting on Co/LAB Franchising's behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.
- (7) Franchisee understands that this Agreement contains the entire agreement between Co/LAB Franchising and Franchisee concerning the Co/LAB franchise, which means that any oral or written statements not set out in this Agreement will not be binding. GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Marsh and Munar Team, LLC, a Pennsylvania Limited Liability Company (“Co/LAB Franchising”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Co/LAB Franchising for the franchise of a Co/LAB business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Co/LAB Franchising to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Co/LAB Franchising and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Co/LAB Franchising, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Co/LAB Franchising upon demand from Co/LAB Franchising. Guarantor waives (a) acceptance and notice of acceptance by Co/LAB Franchising of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Co/LAB Franchising make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Co/LAB Franchising for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Co/LAB Franchising, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by

Co/LAB Franchising or its affiliates (except for Confidential Information which Co/LAB Franchising licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Co/LAB Franchising. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For one year after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for one year after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within five miles of Franchisee’s Territory or the territory of any other Co/LAB business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Co/LAB business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Co/LAB Franchising. Guarantor agrees that the existence of any claim it or Franchisee may have against Co/LAB Franchising shall not constitute a defense to the enforcement by Co/LAB Franchising of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Co/LAB Franchising may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Pennsylvania (without giving effect to its principles of conflicts of law). The parties agree that any Pennsylvania law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Co/LAB Franchising all costs incurred by Co/LAB Franchising (including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

Opinion

We have audited the financial statements of CO/LAB LENDING FRANCHISE (the “Company”), which comprise the Balance Sheet as of February 29, 2024, and the related notes for the period then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at February 29, 2024, and the results of its operations and its cash flows for the period ended February 29, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CO/LAB LENDING FRANCHISE
NOTES TO FINANCIAL STATEMENTS
FEBRUARY 29, 2024

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

CO/LAB LENDING FRANCHISE (the “Company”) was incorporated under the laws of the State of Pennsylvania for the purpose of offering franchise opportunities to entrepreneurs who want to own their own ‘Co/LAB Lending’ location, as a franchise.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller’s price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—‘Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient’ in 2022 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

CO/LAB LENDING FRANCHISE
NOTES TO FINANCIAL STATEMENTS
FEBRUARY 29, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the stand-alone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

Income Taxes

The Company, with the consent of its shareholders, has elected to be an S-Corporation (for tax purposes). In lieu of corporate income taxes, the shareholder(s) of an S-Corporation is taxed based on its proportionate share of The Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of February 29, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 10, 2024, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

CONSENT

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Co/LAB business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

4. Waivers Void. Notwithstanding any provision of the Agreement to the contrary, any condition, stipulation, or provision purporting to bind Franchisee to waive compliance with any provision of the Illinois Act or any other law of the State of Illinois is void. This Section shall not prevent Franchisee from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

5. Fee Deferral. All Initial Fees are deferred until Franchisor has satisfied its pre-opening obligations to Franchisee and Franchisee has commenced business operations. The Illinois Attorney General’s Office imposed this deferral requirement due to the Franchisor’s financial condition.

6. No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor, franchise seller or other person acting on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Effective Date. This Rider is effective as of the Effective Date.

INDIANA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Marsh and Munar Team, LLC, a Pennsylvania Limited Liability Company (“Co/LAB Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the granted Area to the Unit franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new

models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MINNESOTA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Marsh and Munar Team, LLC, a Pennsylvania Limited Liability Company (“Co/LAB Franchising”) and _____, a _____ (“Franchisee”).

- 1. Definitions.** Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.
- 2. Amendments.** The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other

person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

**WASHINGTON ADDENDUM TO DISCLOSURE DOCUMENT
AND
RIDER TO FRANCHISE AGREEMENT**

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitation period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
