What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Business Organization

We are a Delaware Limited Liability Company. We were formed on 5/31/2024.

Information About Our Business and the Franchises Offered

We do not operate businesses of the type being franchised, but our Affiliate companies do.

We do not have any other business activities. We have not offered franchises in other lines of business.

If you sign a franchise agreement with us, you will develop and operate a fast casual eatery serving Indian fusion food and may have an optional accompanied grocery market under one roof. Desi District also offers a proprietary line of products within their market, under the trade name Desi District.

The Desi District concept is a high-end Indian fusion eatery with an optional boutique grocery operation that offers a robust selection of Indian grocery items. Currently, the five locations in the greater Dallas, TX area are in markets where the current customer demographic is in line with our territory guidelines.

There are two business models within the franchise system, a Eatery alone model and a Eatery and Market Model. Some of our locations are restaurant only and some are restaurants with grocery attached. Our initial franchisees will look to replicate the restaurant model and will look for locations ranging from 3,000 to 4,000 square feet (although they could add the grocery model which would substantially increase the investment). Franchisee locations should be highly visible and they should look for upscale demographics as outlined in the territory guidelines.

The two variations of the franchise model include:

- Model 1 – Eatery. This will be a food service Indian Fusion restaurant focusing on street foods. We expect this model to average about 3,500 square feet.
- Model 2 – Eatery and Market. This will replicate the model that we have been built in several locations around Dallas. It will offer boutique grocery items as well as a food service model for customers to purchase and consume meals and snacks on location. We expect the size to range up to 10,000 square feet.

Desi District franchisees will rely on an efficient operating system that provides an amazing selection of groceries as well as a great selection of Indian street foods in a fast-casual restaurant setting. Each Desi District franchise will be operated by a trained staff that can provide an educational experience for each customer. The customers will range from college age to young families, to the elderly, and will typically include people who are looking to have a great meal with family or friends.

The existing company owned operating units vary in appearance and layout but will become more uniform as the brand expands, however, the inventory on the shelves and menu options will be nearly identical. We will also grant franchisees the option to source specific products from their local community.

The operations should generate revenue through foot traffic and reputation which is greatly dependent on the quality of service and the potential word of mouth and online reviews that accompany great product. The unique combination of Indian-centric products will offer the customers a unique grocery and dining experience and premium market position.

Locations should typically be in a strip center or stand-alone building in a downtown district and will (preferably) be given attractive rental rates and T.I. dollars from the landlord. The storefront will need to be in areas with strong traffic, high-density residential housing, great visibility, and plentiful parking to drive the projected sales volumes and revenues per unit.

If you sign a Multi-Unit Development Agreement (attached as Exhibit C to this disclosure document), you will develop multiple Desi District outlets, on an agreed-upon schedule. For each

future unit franchise, we will require you to sign our then-current form of franchise agreement, which may be different from the form of franchise agreement included in this disclosure document.

We operate in the Fast Casual Eatery & Grocery Mart market that is well developed. Our products and services are offered year-round. You will compete for customers with independent owners, national chains, regional chains, and franchised businesses, offering a fast casual eatery serving Indian fusion food, accompanied with a grocery market under one roof.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses and those laws specifically applicable to the restaurant business, including laws pertaining to food handling and safety, liquor, food labeling, sanitation, and weights and measurements, if applicable. You should also be aware of federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements. In addition, you may be required to obtain restaurant, business, occupational, food handling and other miscellaneous licenses. Some states also have laws regarding who may secure these licenses. You should consult with your own advisors and the government agencies for information on how these laws apply to you. Local law requirements vary by location.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you.

Notes

1. The Franchise Fee is due and payable at the time of executing the Franchise Agreement. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment. Each of these investment ranges varies depending on the type of franchise model you invest in. The Eatery model is a smaller footprint and operates as only a restaurant business. The Eatery and Market Model is a combination of restaurant and grocery business and requires a larger footprint and as a result more of an investment to open. In this Item 7, the lower end of the investment range generally accounts for the Eatery model and the higher end of the range of investment accounts for the Eatery and Market model.

2. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. For this to occur, you would need to negotiate a “free rent” period for the time it takes to build out your business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different.

3. Your utility deposit will depend on your market, credit score and other factors related to your location. This range accounts for your opening payment to the gas, water and electric company.

4. The leasehold improvements are the cost of construction to build out the unit in your market. This range of investment will vary greatly depending on your location and the cost of construction in your market. The locations will vary depending on whether you are based on the model you choose to invest in. The Eatery Model is typically based on a location that is 3,500 square feet in size and the Eatery and Market Model is typically 10,000 square feet in size.

5. The Market Introduction Program is the advertising and expense associated with advertising and promoting the new store opening. These costs are primarily advertising costs, but may include costs paid to a marketing agency to execute the advertising campaign.

6. The Furniture, Fixtures and Equipment includes the front of house furniture and fixtures, design elements and the back of house kitchen equipment to operate the restaurant business. These expenses will vary greatly depending on whether you invest in the Eatery or the Eatery and Market model.

7. The cost of computer systems includes the hardware and software needed to operate the restaurant. These items are detailed in Item 11.

8. Insurance includes the cost of insurance necessary to operate the restaurant business. The Insurance coverage amounts of types of insurance are included in Item 8.

9. The Signage includes both exterior and interior signage for promoting the brand and the restaurant. The cost of signage will vary depending on how much signage you have available at your location and the cost of installation in your market.

10. This includes the cost of basic office supplies and expenses needed to operate the business such as pens, paper and other basic office supplies.

11. The majority of the food product and inventory you will purchase will be made with approved vendors and suppliers. This includes Sauces, Merchandise such as T-shirts, uniforms, paper products with branding and Desi District branded goods and products which will be sold in the eatery and the market

The total investment range for Products and Inventory will be based on the type of Franchise Model you invest in.

Eatery Model:

\$5,000 to \$10,000 will be purchased through our Affiliate, TAR Distributors, Inc.

Eatery and Market:

\$20,000 to \$80,000 will be purchased through our Affiliate, TAR Distributors, Inc.

12. Licenses and Permits includes the cost of the licensing and permitting for your restaurant needed to operate the restaurant in your market.

13. Dues and Subscriptions includes the cost of associations and networking groups in your market. The costs are the cost to sign up for the associations such as the Chamber of Commerce.

14. The Professional Fees include the cost of your attorney and CPA and any other professional service providers who will help support you in opening and establishing your business. We also recommend that you have a Franchise Attorney review the Franchise

Agreement prior to making your investment and these costs are all included in this investment range.

15. The cost of training is included in your Initial Franchise Fee, but you will be responsible for the cost of travel, food and lodging to attend training. This range of investment includes this cost and will vary depending on where you are located and the types of accommodations you choose.

16. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a Desi District business by our affiliate, and our general knowledge of the industry.

17. This estimate assumes you sign a Multi-Unit Development Agreement for three to five franchises. The franchise fee for your first unit is counted in the “Estimated Initial Investment – Franchise Agreement” table. Your initial franchise fees are reduced to \$30,000 for the second and each additional franchise. You will pay all franchise fees upon signing the MUDA.

Item 8

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative,

they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Required spending. After you open, you must spend up to 2% of gross sales each month on marketing your business.

We estimate that these systems will cost between \$7,000 and \$12,000 for the Eatery only or \$10,000 to \$15,000 to purchase for the Eatery & Market.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee’s location, doing so remotely, at a corporate location, and at the franchisee’s location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees.

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for “higher-level” functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a corporate-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a corporate (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/corporate (so in that sense, it is still being led by the franchisor/corporate/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of corporate. Franchisor/corporate delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others' training in the past; the delegate(s) would typically be in a management role at a corporate location or be a "senior," tenured employee if not in a formal management position.

There is no fee for up to 3 people to attend training. You must pay the travel and living expenses of your employees or managers attending training.

You must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program. Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently \$350 per day. Otherwise, we do not currently require additional training programs or refresher courses, but we have the right to do so.

Item 12 TERRITORY

Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

Grant of Territory

Your franchise agreement will specify a territory, which will be determined by us. Your territory will have a population of approximately 50,000 people within a 5-mile radius for the Eatery and a population of approximately 100,000 people within a 10-mile radius for the Grocery Market. Your territory will usually be specified as a radius around your location; however, we may

use other boundaries (such as county lines or other political boundaries, streets, geographical features, or trade area).

Relocation; Establishment of Additional Outlets

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee's business on case-by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

You do not have the right to establish additional franchised outlets unless you sign a Multi-Unit Development Agreement ("MUDA") in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Desi District business, (3) you must be in compliance with all brand requirements at your open Desi District business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. You are not obligated to develop additional outlets under the MUDA, and you may terminate it any time without penalty. If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Territory Protection

In your franchise agreement, we grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as a Desi District outlet. The continuation of your territorial protection does not depend on achieving a certain sales volume, market penetration, or other contingency. There are no circumstances that permit us to modify your territorial rights.

If you sign a MUDA, you do not receive an exclusive territory as an area developer. Therefore, with respect to a MUDA, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory

using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

Soliciting by You Outside Your Territory

There are no restrictions on you from soliciting or accepting orders from consumers outside of your territory, except that all marketing and advertising is subject to our approval.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

The Intercompany License Agreement specifies that if it is ever terminated, your franchise rights will remain unaffected.

Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademarks in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third-party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the franchise agreement, we may require you to modify or discontinue using a trademark, at your expense.

FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following financials are based on our Company Owned Outlets from 1/01/2023 through 12/31/2023. These were the only locations open for this entire time period, all are owned by our Affiliate entities.

Notes:

1. The foregoing data are historic financial performance representations. They are not projections of future performance. There are no other material and/or operational characteristics of the company-owned outlets that are reasonably anticipated to differ materially from future operational franchise outlets.
2. “Gross Sales” means the total revenue derived from the sale of goods or services less sales tax, discounts, and returns. Each of the Company Owned businesses is labeled as to which of the types of franchise models these are. The type of franchise business model will have an impact on the total Gross Sales potential for your business.

3. This Item 19 does not include any operating expenses for operating the Company Owned Outlets. You would need to account for these costs in order to understand Net Income. Operating Costs would include rent, cost of goods sold, labor, insurance, advertising and other expenses.
4. Our Affiliates do not pay royalties or marketing fees to us; however, we have shown the estimated expenditures (4% Royalty) for each Affiliate had they incurred those expenses.
5. **Some outlets have sold and earned this amount. Your individual results may differ. There is no assurance that you'll sell or earn as much.**
6. Written substantiation of the information contained in this Item 19 will be made available to prospective franchisees upon reasonable request.

Except for what is included in this Item 19, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting, Sridhar Chigurupati, Ashwin Alladi, and Ravi Chilamkurti, 13389 Marmolada Drive, Frisco, TX 75035, and (512) 786-9006, the Federal Trade Commission, and the appropriate state regulatory agencies.

Thereafter, Desi District Franchise Group may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Desi District Franchise Group’s internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. The non-compliance fee is in addition to all of Desi District Franchise Group’s other rights and remedies (including default and termination under Section 14.2).

4.6 Reimbursement. Desi District Franchise Group may (but is never obligated to) pay on Franchisee’s behalf any amount that Franchisee owes to a supplier or other third party. (d) Insufficient Funds. Desi District Franchise Group may charge \$30 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by Desi District Franchise Group (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. Desi District Franchise Group may apply any payment received from Franchisee to any obligation and in any order as Desi District Franchise Group may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Desi District Franchise Group any fees or amounts described in this Agreement are not dependent on Desi District Franchise Group's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

(h) Taxes. Franchisee will be responsible for all sales taxes, use taxes, and other taxes imposed on the fees payable by Franchisee to Desi District Franchise Group or its affiliates and on services or goods furnished to Franchisee by Desi District Franchise Group or its affiliates, unless the tax is an income tax assessed on Desi District Franchise Group or its affiliates for doing business in the state where the Business is located.

If this Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Desi District business operating on the date of termination.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Desi District Franchise Group. Franchisee agrees that the existence of any claim it may have against Desi District Franchise Group shall not constitute a defense to the enforcement by Desi District Franchise Group of the covenants of this Section. - (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xii) Desi District Franchise Group (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate) (provided that termination of a Multi-Unit Development Agreement with Franchisee or its affiliate shall not give Desi District Franchise Group the right to terminate this Agreement);

The "average Royalty Fees that Franchisee owed to Desi District Franchise Group" shall not be discounted or adjusted due to any deferred or reduced Royalty Fees set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of Desi District Franchise Group's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to Desi District Franchise Group under this Section will be in lieu of any direct monetary damages that Desi District Franchise Group may incur as a result of Desi District Franchise Group's loss of Royalty Fees that would have been owed to Desi District Franchise Group after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Desi District Franchise Group's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which Desi District Franchise Group is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that Desi District Franchise Group may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, Desi District Franchise Group will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Desi District Franchise Group. To exercise this option, Desi District Franchise Group must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Desi District Franchise Group elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Desi District Franchise Group's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Desi District Franchise Group may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee

will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Desi District Franchise Group. If Desi District Franchise Group exercises the purchase option, Desi District Franchise Group may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Desi District Franchise Group to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Desi District Franchise Group may pay a portion of the purchase price directly to the lienholder to pay off such lien. Desi District Franchise Group may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Desi District Franchise Group may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Desi District Franchise Group. Desi District Franchise Group may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Desi District Franchise Group may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Desi District Franchise Group entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Desi District Franchise Group at least 60 days prior notice of the proposed Transfer, and without obtaining Desi District Franchise Group's consent. In granting any such consent, Desi District Franchise Group may impose conditions, including, without limitation, the following:

- (i) Desi District Franchise Group receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by Desi District Franchise Group;
- (ii) the proposed assignee and its owners have completed Desi District Franchise Group's franchise application processes, meet Desi District Franchise Group's then-applicable standards for new franchisees, and have been approved by Desi District Franchise Group as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Desi District Franchise Group's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Desi District Franchise Group and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and

Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Desi District Franchise Group or its affiliates;

- (vii) the proposed assignee and its owners and employees undergo such training as Desi District Franchise Group may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Desi District Franchise Group in a form satisfactory to Desi District Franchise Group; and
- (ix) the Business fully complies with all of Desi District Franchise Group's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Desi District Franchise Group, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Desi District Franchise Group, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Desi District Franchise Group (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Desi District Franchise Group's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Desi District Franchise Group will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Desi District Franchise Group a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Desi District Franchise Group's receipt of such copy, Desi District Franchise Group will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Desi District Franchise Group may substitute cash for any other form of payment). If Desi District Franchise Group does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Desi District Franchise Group) Desi District Franchise Group, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, “Indemnitees”) against all Losses in any Action by or against Desi District Franchise Group and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee’s intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnatee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnatee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee’s expense. Such an undertaking shall not diminish Franchisee’s obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Desi District Franchise Group’s headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Desi District Franchise Group’s intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Desi District Franchise Group to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Desi District Franchise Group and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Desi District Franchise Group's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Desi District Franchise Group's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Desi District Franchise Group is not a fiduciary of Franchisee. Desi District Franchise Group does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Desi District Franchise Group's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Desi District Franchise Group has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Desi District Franchise Group, and Desi District Franchise Group's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Desi District Franchise Group in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Desi District Franchise Group's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Texas (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Texas law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Desi District Franchise Group, addressed to 13389 Marmolada Drive, Frisco, TX 75035. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Desi District Franchise Group may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), Desi District Franchise Group may by giving written notice to Franchisee (the "Holdover Notice") either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Desi

District Franchise Group specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Desi District Franchise Group does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Desi District Franchise Group.

ARTICLE 19. CERTIFICATION OF FRANCHISOR’S COMPLIANCE

By signing this Agreement, Franchisee acknowledges the following:

- (1) Franchisee understands all the information in Desi District Franchise Group’s Disclosure Document.
- (2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee’s skills, abilities and efforts and those of the persons Franchisee employs, as well as many factors beyond Franchisee’s control such as weather, competition, interest rates, the economy, inflation, labor and supply costs, lease terms, and the marketplace.
- (3) That no person acting on Desi District Franchise Group’s behalf made any statement or promise regarding the costs involved in operating a Desi District franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (4) That no person acting on Desi District Franchise Group’s behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.
- (5) That no person acting on Desi District Franchise Group’s behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue a Desi District franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (6) That no person acting on Desi District Franchise Group’s behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.
- (7) Franchisee understands that this Agreement contains the entire agreement between Desi District Franchise Group and Franchisee concerning the Desi District franchise, which means that any oral or written statements not set out in this

Agreement will not be binding. In deciding to enter into this Agreement, Franchisee is not relying on any statement, promise, claim, or representation not expressly set forth in this Agreement or in the Disclosure Document.

GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Desi District Franchise Group, LLC, a Delaware Limited Liability Company (“Desi District Franchise Group”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Desi District Franchise Group for the franchise of a Desi District business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Desi District Franchise Group to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Desi District Franchise Group and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Desi District Franchise Group, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Desi District Franchise Group upon demand from Desi District Franchise Group. Guarantor waives (a) acceptance and notice of acceptance by Desi District Franchise Group of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Desi District Franchise Group make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Desi District Franchise Group for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Desi District Franchise Group, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or

use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Desi District Franchise Group or its affiliates (except for Confidential Information which Desi District Franchise Group licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Desi District Franchise Group. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within five miles of Franchisee’s Territory or the territory of any other Desi District business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Desi District business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Desi District Franchise Group. Guarantor agrees that the existence of any claim it or Franchisee may have against Desi District Franchise Group shall not constitute a defense to the enforcement by Desi District Franchise Group of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Desi District Franchise Group may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Texas (without giving effect to its principles of conflicts of law). The parties agree that any Texas law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Desi District Franchise Group all costs incurred by Desi District Franchise

5. Limitation of Liability. Franchisee’s commitment to develop Desi District businesses is in the nature of an option only. If Desi District Franchise Group terminates this MUDA for Franchisee’s default, Franchisee shall not be liable to Desi District Franchise Group for lost future revenues or profits from the unopened Desi District businesses. Franchisee may terminate this MUDA at any time.

6. Conditions. Franchisee’s right to develop each Desi District franchise after the Store #1 is subject to the following:

- (i) Franchisee must possess sufficient financial and organizational capacity to develop, open, operate, and manage each additional Desi District business, in the reasonable judgment of Desi District Franchise Group, and
- (ii) Franchisee must be in full compliance with all brand requirements at its open Desi District businesses, and not in default under any Franchise Agreement or any other agreement with Desi District Franchise Group.

Franchisee shall not Transfer this MUDA without the prior written consent of Desi District Franchise Group, and any Transfer without Desi District Franchise Group’s prior written consent shall be void. The provisions of Article 17 (Dispute Resolution) and Article 18 (Miscellaneous) of the Franchise Agreement apply to and are incorporated into this MUDA as if fully set forth herein.

INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of DESI DISTRICT FRANCHISE GROUP, LLC

Opinion

We have audited the financial statements of DESI DISTRICT FRANCHISE GROUP, LLC (the “Company”), which comprise the Balance Sheet as of June 15, 2024, and the related notes for the period then ended. (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at June 15, 2024, and the results of its operations and its cash flows for the period ended June 15, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

DESI DISTRICT FRANCHISE GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
JUNE 15, 2024

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

DESI DISTRICT FRANCHISE GROUP, LLC (the “Company”) was incorporated under the laws of the State of Delaware for the purpose of offering franchise opportunities to entrepreneurs who want to own their own ‘Desi District’ location, as a franchise.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller’s price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees are fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—‘Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient’ in 2022 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

DESI DISTRICT FRANCHISE GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
JUNE 15, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

Income Taxes

The Company, with the consent of its shareholders, has elected to be an S-Corporation (for tax purposes). In lieu of corporate income taxes, the shareholder(s) of an S-Corporation is taxed based on its proportionate share of The Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of June 15, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 16, 2024, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management’s review substantially affect the amounts and disclosure of the accompanying financial statements.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Frisco, Texas, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Desi District business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

INDIANA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Desi District Franchise Group, LLC, a Delaware Limited Liability Company (“Desi District Franchise Group”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase

notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MINNESOTA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Desi District Franchise Group, LLC, a Delaware Limited Liability Company (“Desi District Franchise Group”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

3. Effective Date. This Rider is effective as of the Effective Date.

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitation period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.
