What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit L.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED
BY THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

The following is applicable to you if you are a Michigan resident or your franchise will be located in Michigan.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a

right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- i. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - ii. The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services. If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Predecessors

From July 1, 2010 until April 22, 2014, we were owned and controlled by Golden Gate Capital Opportunity Fund, LP (“Golden Gate”). We did not offer to sell franchises during Golden Gate’s ownership of OTB. Golden Gate is a limited partnership organized and existing in the Cayman Islands. Golden Gate’s principal place of business is One Embarcadero Center, 39th Floor, San Francisco, California 94111. Golden Gate’s telephone number is (415) 983-2700. Golden Gate’s web address is www.goldengatecap.com. Golden Gate is no longer affiliated with us. However, we made a good faith effort to obtain updates and information regarding Golden Gate for disclosure in this document.

On April 23, 2014, Golden Gate sold its ownership interest in us to Border Holdings LLC (“Border Holdings”). Border Holdings is a Delaware limited liability company. Border Holdings principal place of business is 2201 West Royal Lane, Suite 170, Irving, Texas 75063.

OTB Holding LLC’s parent is Border Holdings, a Delaware limited liability company, which also maintains its principal place of business at 2201 West Royal Lane, Suite 170, Irving, Texas 75063.

Affiliates

We have no affiliates requiring disclosure in this Disclosure Document.

Our Registered Agent for Service of Process

Our registered agents for service of process are listed in Exhibit C.

Prior Experience

We, our predecessor, and our predecessor's predecessors began operating OTB Restaurants in 1994 and offered franchises for OTB Restaurants between 1996 and 2010. We stopped offering and selling franchises of OTB Restaurants in the United States between June 30, 2010 and September 1, 2020. Although we did not offer or sell franchises for OTB Restaurants in the United States during that period, we and our affiliates continuously operated OTB Restaurants during that period. We also actively served as the franchisor for existing franchised OTB Restaurants by, among other things, providing support and assistance to those franchised OTB Restaurants.

In addition to offering OTB Restaurant franchises, we also engage in licensing activities with third-party manufacturers and distributors under which those third-party manufacturers and distributors distribute a line of On The Border® salsas, chips, quesos, fresh meal kits, frozen meal kits, and alcohol drink mixers packaged under OTB's trademarks to retailers in the United States, Canada, Europe, and Asia.

As of the end of our last fiscal year on December 26, 2023, there were one hundred twenty (120) On The Border restaurants ("OTB Restaurants") operating in the United States. We and our affiliates operated one hundred nine (109) company-owned OTB Restaurants. There were also eleven (11) franchise locations operating in the United States as of December 26, 2023. In addition, fourteen (14) franchise locations operate in South Korea as of December 26, 2023.

Although we reserve the right to do so, except as described in this Item 1, we, our parents, and affiliates have not offered franchises in any line of business other than the On The Border franchises described in this Disclosure Document. However, we, our parents, or our affiliates may in the future develop or acquire other businesses, including other restaurant concepts, some of which may be sold as franchises. We expect that any such concept would operate under marks different from the Marks and that you will have no rights regarding those restaurants.

The Business We Offer

We offer qualified persons the license to own, develop, and operate a single unit OTB Restaurant Franchise pursuant to the terms of our standard Franchise Agreement (the "Franchise Agreement"), a copy of which is attached to this Disclosure Document as Exhibit A.

OTB Restaurants are full service, casual dining restaurants that feature Mexican and Tex-Mex menu options and other products and beverages, including alcoholic beverages. We also offer

catering, delivery, and other off-premises services and may permit franchisees to offer catering, delivery, and other off-premises services. OTB Restaurants include free-standing and in-line restaurants located in metropolitan areas or surrounding suburbs. Proximity to office buildings, shopping malls, shopping centers, community hubs, and other high traffic areas is desirable. You must operate your OTB Restaurant(s) under the obligations outlined in the Franchise Agreement, including all applicable system operating standards and requirements (the “System”) outlined in the manuals and other materials and bulletins we provide to you from time to time (collectively, the “Manuals”).

OTB Restaurants and its System are identified by distinctive exterior and interior design, décor, color scheme, patios, and furnishings; special recipes and menu items; uniform standards, specifications and procedures for operations; quality and uniformity of products and services offered; procedures for inventory and management control; training and assistance; and advertising and promotional programs. OTB Restaurants operate under and use OTB’s Marks and other indicia of origin we authorize for use by OTB Restaurants.

We also offer qualified persons the opportunity to develop and operate a specific number of OTB Restaurants within a defined geographic territory (the “Development Area”) pursuant to a development schedule under the terms of an area development rights agreement (the “Development Rights Rider”). If you sign a Development Rights Rider, you will sign our then-current form Franchise Agreement for each OTB Restaurant developed and opened pursuant to your Development Rights Rider which may differ from the form of Franchise Agreement attached to this Disclosure Document. If you sign a Development Rights Rider, you will pay a development fee in addition to the initial franchise fee and continuing royalty and advertising contribution for each OTB restaurant.

Unless indicated otherwise, all references to “you,” “your,” or “Franchisee” includes your status both as a Developer under a Development Rights Agreement and as a Franchisee under all related Franchise Agreements. Any reference in this Disclosure Document to your owners includes the owners of a Developer under a Development Rights Agreement and the owners of a Franchisee under all related Franchise Agreements.

Competition

The market for restaurants is well established and highly competitive. You will compete with a variety of table-service concept restaurants serving alcoholic beverages in your area. The OTB Restaurant business is highly competitive based on price, service, restaurant location, and food quality, and is often affected by changes in consumer tastes, economic conditions, population, and traffic patterns. OTB Restaurants compete in each market with locally owned restaurants, including ghost kitchens and virtual brands, as well as with national and regional restaurant brands, some of which operate more restaurants and have longer operating histories than we do. You may encounter competition from OTB Restaurants operated by us, our affiliates, our franchisees, and our licensees. You may also encounter competition from authorized third-party licensees selling food and meal preparation kits and alcoholic beverages bearing our OTB Marks through direct-to-consumer sales in other channels of distribution, including home delivery, grocery stores, and shoppers’ clubs. Specifically, we licensed to third-party Utz Quality Foods, LLC (“UTZ”)

unlimited rights to display, use, and market the OTB Marks on consumer products for consumption at home. We also licensed to third-party Vessel Operating Holdco LLC (“Reef Kitchens”) the right to use the OTB Marks for the sale of OTB branded products and menu items from ghost kitchens, dark kitchens, cloud kitchens, execution kitchens, preparation kitchens, host kitchens, container kitchens, concession trailers and/or food trucks. There may also be active competition between us for management personnel as well as for attractive commercial real estate sites suitable for restaurants. The age group from 18 to 60 years old is the primary population age group attracted to OTB Restaurants and other similar restaurants.

Industry Specific Regulations

OTB Restaurants, and the industry restaurants serving beer, wine, and liquor, are heavily regulated. You must comply with all applicable local, county, state and federal laws, regulations, ordinances, and zoning codes which apply to businesses generally, as well as to the OTB Restaurant and food service industry including health, sanitation, food handling, food preparation, waste disposal, smoking restrictions, anti-discrimination, employment, sexual harassment, personal data collection, retention, and destruction laws, cybersecurity laws, and advertising laws at your sole cost and expense. These include many laws, rules, and regulations applicable to businesses generally, such as the Americans with Disabilities Act, federal and state wage and hour laws, and the Occupation Safety and Health Act. You must also comply with regulations pertaining to consumer transactions and your acceptance of credit cards, such as the Payment Card Industry Data Security Standards as they may be revised and modified by the Payment Card Industry Security Standards Council (see www.pcisecuritystandards.org) and the Fair and Accurate Credit Transactions Act. In addition, OTB Restaurants are subject to the laws, rules, and regulations regarding the preparation, sale, and service of food, as well as the condition of the OTB Restaurant promulgated by governmental agencies, such as the U.S. Food and Drug Administration, the U.S. Department of Agriculture, and local health departments.

Certain states or local jurisdictions may also enact or impose laws, regulations, or rules directed toward owners and operators of restaurants and/or retail stores that operate within a system, or under a similar brand name, even if the other locations in the chain are not in the same jurisdiction or state. These laws, regulations, or rules may regulate minimum wages, employee benefits, and other labor or employment practices; menu labeling or food content; or other aspects of your business. For example, you must comply with federal, state, and local “menu labeling” laws and regulations. Under the current federal menu labeling laws, restaurants operating under the same brand name with twenty (20) or more outlets must provide to customers certain nutritional information regarding standard menu items. While we will provide certain guidance and instructions when our network of OTB Restaurants is required to disclose information, it is your sole responsibility to monitor and comply with all applicable laws and regulations.

You also must obtain and maintain all applicable real estate permits and licenses and operational licenses relating to the development, building, and operation of an OTB Restaurant in your area. Before opening or operating your OTB Restaurant, you must also obtain a beer, wine, and/or liquor license or similar license (a “Liquor License”). You will need to comply with all local and/or state

alcohol beverages licensing rules and regulations. The difficulty and cost of obtaining a Liquor License and the procedures for securing the license vary greatly from area to area. You are solely responsible for investigating the availability and cost of the appropriate Liquor License in your area, qualifying for and obtaining the necessary license(s), and maintaining compliance with applicable law. We recommend that you hire a lawyer who specializes in securing these licenses in your jurisdiction to assist with the process of obtaining a Liquor License. Your OTB Restaurant is also subject to “dram-shop” laws which may impose liability on sellers of alcohol for accidents or injuries caused by patrons of a restaurant, bar, or other seller of alcohol. You must understand and comply with these laws in operating your OTB Restaurant.

You should hire and consult a lawyer to identify and review the applicable local, county, state, and federal laws, rules, regulations that may affect the operation of your OTB Restaurant before you sign a Franchise Agreement. It is your, and only your, responsibility on a continuous basis to investigate and satisfy all local, county, state and federal laws, rules, and regulations as they vary from place to place and may change from time to time.

1. All fees and expenses in this Item 6 are payable to us or our affiliates, or are imposed by us or our affiliates in whole or in part for a third-party. All fees and expenses are nonrefundable unless otherwise indicated. Unless we indicate otherwise, all fees and expenses are uniformly

imposed by and payable to us. We require you to pay all fees and expenses to us by electronic funds transfer. Except as specifically stated above, these amounts are subject to increases based on changes in market conditions, our cost of providing services, and future policy changes. At the present time, there are no plans to increase payments which we control.

2. Unless we notify you in writing of a change, the Royalty Fee, Marketing Fund Fee, and other payments must be paid on or before 10:00 a.m. Thursday of each week based on your Restaurant's Gross Sales for the preceding calendar week (which currently runs from Wednesday to Tuesday) and must be submitted to us together with any required reports or statements. We reserve the right to change the due date and frequency of payment for all fees, including the Royalty Fee and Marketing Fund Fee.

If a state or local law in which the OTB Restaurant is located prohibits or restricts your ability to pay and our ability to collect the Royalty Fee, Marketing Fund Fee, or other amounts based on Gross Sales derived from the sale of alcoholic beverages at the OTB Restaurant, then you and we will negotiate the Royalty Fee, Marketing Fund Fee, and other provisions to provide the same basic economic effect to both you and us as otherwise provided in this Franchise Agreement, with a corresponding change to the definition of Gross Sales.

"Gross Sales" includes all revenue resulting from all sales which include the sale of food, beverages, goods, and merchandise or services in, from, occurring, or arising from the operation of all business from your OTB Restaurant's premises, including the operation of an OTB Restaurant. This includes the sale of all services, goods, and products, as well as all other income of every kind and nature related to the OTB Restaurant, including, on-premises sales, off-premises sales, catering sales, internet sales, and any other type of sale relating to the OTB Restaurant, whether or not such sales have been approved or authorized by us, and whether for cash, credit, gift, or barter and with no deductions or exclusions whatsoever (including for any third-party delivery services or processing fees); provided, however, that "Gross Sales" shall not include any of the following: (i) service personnel tips and (ii) any sales taxes or other taxes collected by you for transmittal to the appropriate taxing authority. We reserve the right to modify the definition of "Gross Sales" including those items exempted from the definition in our sole and absolute discretion.

3. A "week" shall be the seven (7) days from Wednesday through Tuesday for the immediately preceding week. For illustration purposes, the Royalty Fee and Marketing Fund Fee for the week of Wednesday, April 10, 2024 through Tuesday, April 16, 2024 is due and payable on or before 10:00 a.m. Thursday, April 25, 2024.

4. Our advertising program is discussed in Item 11. You must pay the Marketing Fund Fee and participate in the advertising programs we designate. We may change the required advertising program from time to time in our sole and absolute discretion. We may also change the due date

and frequency of payment for any of the Marketing Fund Fees charged. Under certain limited circumstances (e.g., for a significant multi-unit development plan, a large metropolitan area, non-traditional locations, such as airports or unique restaurant sites), we may modify the advertising fees for a specific franchisee in our sole discretion.

5. Except as otherwise agreed, you must pay us a transfer fee in connection with any transfer under the Franchise Agreement. We will not charge you a transfer fee if you are an individual or partnership and transfer your rights to a wholly owned corporation or other legal entity. If you are a legal entity and the transfer involves a minority percentage of ownership interests in you (original Control Group still maintains 51% ownership interest in you), then the transfer fee will be \$2,500. If the transferee is an existing OTB franchisee, then the transfer fee shall be \$5,000. For all other transfers, the transfer fee will be \$25,000.

Notes

1. Estimated Initial Investment Fees. These amounts are estimates. Except as noted, all fees listed in this Item 7 are based upon historical data of prior franchisees and research of current general market conditions. Given recent trends and increased cost of supplies, labor, materials, and real estate, the cost of your initial investment may substantially differ from the estimates listed in this Item. In addition, local market conditions, costs of construction, cost of labor, required use of unions, and other factors will greatly influence the actual amount of your initial investment. You should consult with a lawyer, accountant, architect, general contractor, real estate broker, and any other professional you deem reasonable to determine any adjustments in the initial investment cost based on your locale.

2. Development and Franchise Fees. All fees payable to OTB are non-refundable. See Item 5 for details regarding the payment of the development and franchise fees. These fees are earned upon receipt and not refundable.

3. Real Estate. We cannot estimate your initial investment for purchasing or leasing real estate for your OTB Restaurant because those costs will vary depending upon various factors, including whether you purchase or lease the land and building for your OTB Restaurant, the size and location of the land and building, and the availability and cost of financing. In addition, zoning and permitting requirements may increase costs and/or the timing of acquisition, leasing, and build-out. The approximate size of the real property for an OTB Restaurant site is 43,560 to 76,230 square feet. The approximate size of the building for an OTB Restaurant is approximately 4,000 to 5,400 square feet. The OTB Restaurant Location will require sufficient size for adequate parking and should be accessible to vehicular traffic from a highway and/or commercial development. The OTB Restaurant Location must comply with all applicable laws including zoning and disability laws. The cost per square foot for purchasing or leasing commercial space varies considerably depending upon the location and market conditions affecting commercial property in the relevant area. You should consult a real estate broker and/or other professional in your area to assess the typical leasing or acquisition costs for your target market area.

4. Miscellaneous Development. Miscellaneous development costs include those pre-opening costs associated with your evaluation and decision to purchase a franchise, select a site for your OTB restaurant, and acquire or lease real property. Those costs include accounting, administrative, architectural, design, legal (including fees to assist you in reviewing, understanding, and evaluating this disclosure document, the Franchise Agreement, all related agreements), demographic studies, traffic studies, brokerage, and other miscellaneous professional fees you may incur. Your actual costs will vary due to market rates, location, the decisions you make, the degree upon which you hire and retain lawyers and other professionals, and the amount of investigation you do. Estimates

for miscellaneous development costs do not include special requirements in real estate closing costs, including Phase II environmental assessments or mitigation, impact fees, or other fees as may be imposed by various governmental entities, or required by law.

5. Site Development. Site development costs represent usual and customary expenses, including rough grading costs, fine grading costs, storm costs, utility run costs, site preparation costs, paving costs, curb and gutter costs, and other site necessities and accessories. However, these vary significantly, based upon topography, soil conditions, availability of utilities to site, size of parcel, building size, and governmental zoning and building requirements.

6. Building Construction for Full Service Conventional Construction. This estimate is based on construction costs for a full service OTB Restaurant of approximately 4,000 to 5,400 square feet with 145 to 187 dining room seats using conventional construction. The construction cost will vary greatly depending upon size of building and location of site. You will need to hire a qualified and experienced licensed general contractor. Among other things, you will need to complete the building in accordance with all applicable laws, rules, and regulations, including local codes and ordinances which will vary. Your construction obligation will include items such as all masonry, foundation, slab, mechanical, electrical, plumbing, wiring, flooring, framing, drywall, painting, wall coverings, partitions, heating, ventilation, and air conditioning, lighting, storefront requirements, cabinetry, bathroom facilities, roof, required to comply with our brand standards and current image. The costs associated with construction vary greatly depending on several factors, including location, availability of materials, labor, market, and local or special requirements. It is your legal obligation and responsibility to understand and pay these costs which are non-refundable.

7. Conversion Construction. You may convert another restaurant facility into an OTB Restaurant provided the facility meets our then-current brand image and construction standards. Due to variations in the types of buildings which may be converted and the condition of the existing building's infrastructure, a wide range of conversion/construction costs is given for improvement and remodeling costs to comply with our image requirements and specifications. Conversions must conform to our then-current standards for image. The construction costs to convert an existing building to an OTB Restaurant will vary depending upon the building's then-current condition, its size, and location. You will need to hire a qualified and experienced licensed general contractor. Among other things, you will need to complete the building in accordance with all applicable laws, rules, and regulations, including local codes and ordinances which will vary. Your construction obligation will include items such as all masonry, mechanical, electrical, plumbing, wiring, flooring, framing, drywall, painting, wall coverings, partitions, heating, ventilation, and air conditioning, lighting, storefront requirements, cabinetry, bathroom facilities, and potentially foundation, slab, and roofing required to comply with our brand standards and current image. The costs associated with construction vary greatly depending on several factors, including location, availability of materials, labor, market conditions, and local or special requirements. It is your legal obligation and responsibility to understand and pay these costs which are nonrefundable.

8. Equipment. The estimated costs for equipment include, among other things, kitchen equipment, such as ovens, fryers, refrigerators, specialty metal work, shelving, hood systems, Ansul fire protection systems; dining seating, including chairs, tables, booths, and bar seating; a décor package, etc. Restaurant size and building design may cause equipment and fixtures costs to vary significantly. The estimate given includes installation. For conversions of existing restaurants, the age and type of equipment and fixtures will also cause costs to vary.

9. Computer and Point of Sale Systems. The figure provided is the estimated cost to purchase a computerized point of sale system, including installation. This estimate does not include the initial Payment Card Industry (“PCI”) Data Security Standards (“DSS”) compliance costs or the cost of obtaining a license for the music required by us. This is because each credit card processor may have different certification requirements based on the amount of total transactions processed. Costs will vary based on restaurant design, number of terminals, and other factors. See Items 8 and 11 for more details.

10. Signage. Signage includes the exterior store front signs as well as interior signage package and branding elements. However, the specific location and/or shopping center where the OTB Restaurant will be located may have different requirements and regulations dictating the size, layout, and illumination of the exterior signage for the OTB Restaurant. You will be required to abide by these regulations, and as a result may experience higher or lower costs for your exterior signage. The sign package is furnished by approved suppliers capable of meeting our specifications. The estimate given does not include the cost of a high-rise highway sign, if applicable.

11. Telephone. You must install and maintain a multi-line phone system that has been approved by our IT Department.

12. Initial Training Expenses. The estimate given includes travel, living, and food expenses for your Operator, General Manager, and up to four additional trainees to complete our Basic Management Training program prior to your OTB Restaurant opening. The costs you incur for training will depend in part on the distance you and your employees must travel and the type of accommodations you choose. The figures do not include your employees’ compensation.

13. Opening Assistance. For your first or second OTB Restaurant, we will send an opening team of managers, trainers, and employees to your OTB Restaurant to provide on-site supervision and assistance with the grand opening of your OTB Restaurant. In exchange, you pay us a fee of between \$100,000 to \$150,000. We use the this fee to contribute to OTB’s costs associated with sending an appropriate team of our personnel to your OTB Restaurant for a period of time before and after the opening date. OTB will use this amount toward the expenses we incur in providing the opening team, such as costs of transportation, lodging, meals, and wages.

14. Grand Opening Advertising. Although we recommend more, you must spend at least \$10,000 on marketing and advertising the grand opening of the OTB Restaurant prior to opening.

15. Miscellaneous Opening Costs. These costs include security deposits, utility deposits, business licenses, alcohol/liquor license, and other prepaid expenses. These costs will vary. For instance, you may also be required to pay prepaid rent and/or a security deposit in connection with leasing space for the operation of the OTB Restaurant. Landlords will vary in the amount they charge for a security deposit from \$0 to as much as six months’ rent. You should consult a real estate broker and/or other professional in your area to assess the typical leasing terms, conditions, and costs for your target market area.

16. Total Estimated Investment Without Land or Additional Operating Funds. The estimate does not include financing fees, real estate, real estate closing costs, and special

requirements, including Phase II environmental, as may be imposed by various governmental entities or required by applicable law. The estimate also does not include the additional operating funds discussed in Note 17. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

17. Additional Operating Funds. This estimate includes the working capital you will need to support ongoing expenses including payroll, utilities, inventory, insurance, employee recruitment, opening supplies, uniforms, and miscellaneous expenses prior to and after the opening of your OTB Restaurant to the extent that they are not covered by the sales revenue you expect. The estimate does not include Royalty Fees, Marketing Fund Fees, or other payments you will make to us. We estimate that the amount stated will be sufficient to cover on-going expenses for the start-up phase of the business, which we estimate to be three months. This is only an estimate, however, and there is no assurance that additional working capital will not be needed during the start-up phase or thereafter. The actual capital needed will vary substantially based on factors including, without limitation, how well you adhere to our methods and procedures, your management skill, experience and business acumen, the sales level reached during the initial period, local competition, the demand for our product, local economic conditions, real estate costs, food prices, and the prevailing wage rate. Also, your level of sales will impact your cash flow and the amount of working capital and additional funds that you may need during this start-up phase. It is not uncommon for new businesses to have negative cash flow at the beginning and for an extended period of time.

Your credit history could impact the amount (and cost) of funds needed during the start-up phase. If you have no credit history, or a weak credit history, suppliers may give you less favorable lending and payment terms, which might increase the amount of funds you will need during this period. You will need to have staff on-hand before opening to prepare the OTB Restaurant for opening, for training and related purposes.

You should review these figures carefully with a lawyer, accountant, and business advisor before making any decision to purchase the franchise. You should take into account the cash outlays and losses that you may incur while you are trying to get established. Start-up costs may be extensive depending upon your circumstances and the local market costs, including real estate and labor costs.

18. General. It is important to understand that these are estimates and reflect the typical investment made by a prospective franchisee buying a new or existing OTB Restaurant. We estimate that you should expect to make an initial investment in at least the amount summarized in the above tables in connection with (1) the construction of a new full service OTB Restaurant or (2) the acquisition and conversion of an existing restaurant into an OTB Restaurant. The figures in the charts and the explanatory notes are only estimates and may not apply in the area you decide to open your OTB Restaurant. Your investment and expenditures may vary considerably from the estimates set forth above, depending on many factors including, without limitation, location, prevailing market conditions, geographical area, local prevailing wages, the size of your building and lot, and the capabilities of any particular management and service team. To the extent a location will experience special circumstances, such as a geographical area with high costs associated with land acquisition and development costs, the requirement to use union labor, additional architectural review and fees for an airport location, or unexpected construction costs, such as the discovery of and removal of hazardous materials, or excessive permitting and licensing

issues, some of the costs will be higher than in the chart. Due to fluctuations in the cost to acquire or lease land as a result of location, availability of property and financing, no estimate on land cost is given. No part of your initial investment costs payable to us are refundable under any circumstance and are considered earned when received. We do not offer financing for any portion of your initial investment. You must open your OTB Restaurant within two (2) years of the effective date of your Franchise Agreement.

In the event financing is necessary, due to possible variations in availability of financing, your creditworthiness, prevailing market conditions, interest rates and terms and conditions, it is not possible to estimate the impact of financing costs and repayment schedules on a franchisee who finances all or a portion of the development costs. We require franchisees to have and maintain a substantial equity interest in the franchise business. These funds must be personal, unrestricted, and non-borrowed. You are encouraged to finance no more than 60% of the total cost of the project. This includes, but is not limited to, capitalized lease values for land, building, equipment, signs, and cash control systems. We do not offer financing in connection with your initial investment.

Unless expressed to the contrary, the estimates in this Item 7 are based upon the experience of our franchisees, to the extent reported to us, on our experience in opening and operating corporate-owned traditional and retail in-line Restaurants, none of which have opened since 2017, and on our research of current construction trends.

19. Full Service Conventional Construction. Typical full service conventional construction of a free-standing OTB Restaurant requires approximately one (1.0) to two (2.0) acres of land and sufficient parking.

20. Conversion Construction. An existing facility may be purchased or leased if you can adequately modify it in accordance with OTB's then-current brand image and construction standards in OTB's sole and absolute discretion.

21. Retail In-Line Construction. You may also construct or build out an OTB Restaurant in a retail in-line or end-cap space. These estimates are based upon a 4,000 square foot facility.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

General

You must operate your OTB Restaurant in strict conformity with the methods, standards, and specifications set forth in our Franchise Agreement and the Manuals or otherwise in writing by us to ensure that the highest degree of quality and service is met and your OTB Restaurant operates in accordance with our brand standards and our then-current brand image.

At all times during the term of the Franchise Agreement, you must: (i) offer for sale only those products and provide only those services for which approved in writing; (ii) sell or offer for sale each of the products and services we require; (iii) not deviate from our standards and specifications, including the manner of preparing products and providing services, unless you first receive our prior written consent; and (iv) stop selling and offering for sale any products or services that we have later disapproved.

Required Purchases of Goods and Services

You must purchase or lease those products, ingredients, supplies, equipment, materials, and other products used or offered for sale at your OTB Restaurant that meet our specifications in the Manuals and are approved in writing by us.

Goods or services you are required to purchase or lease include dough, batter, tortilla, beef, pork, poultry, butter, cheese, chips, cups, syrup for fountain beverages, vegetables, beans, sauces, and seasonings. You are also required to participate in OTB's mandatory sanitation and food safety program.

Advertising and Marketing Material

All of your advertising, marketing, and promotional material must conform to our standards and requirements as specified in our Manuals. We must approve all advertising and promotional plans and materials before you use them if we have not prepared them or previously approved them during the twelve (12) months preceding the date of their proposed use. You must submit any unapproved plans and materials to us, and we will use reasonable efforts to approve or disapprove them within fourteen (14) days after we receive them. You must not use the plans or materials until we have approved them and must promptly discontinue using any advertising or promotional plans or materials if we notify you to do so.

Point of Sale System, Computer System, Telephone and Electronic Communications

You must purchase or lease, at your expense, all computer hardware and software, dedicated telephone and power lines, broadband connectivity, transmission lines, and all other computer related accessories and peripheral equipment that we may specify. Please see Item 11 for details regarding our Computer System, Telephone, and electronic communication requirements.

If you elect to conduct catering or delivery services from your OTB Restaurant(s) after obtaining our approval, you must not only satisfy and comply with our operating standards for catering and delivery, but also utilize our approved call center for catering services. Currently, the fee for access to the call center services is \$85 per month plus other incidental fees. The Catering call center charges a fee per each order processed through its center. The fees are as follows:

Service	Standard Fee
Online Orders	\$4.00 per order
Delivery/ Deluxe	\$7.00 per order
Full Service/ S&R	\$14.00 per order

- There is a \$10.00 minimum per month for the payment gateway (PNP).
- Patent fees are \$10 per location and \$0.10 per order.

Gift Cards

You may only purchase and sell gift cards approved by us. As of the date of this Disclosure Document there is only one approved gift card processor. While not currently required, we may require you to sign a gift card participation agreement with the approved supplier or any other third-party supplier we designate in the future.

Our current gift card processor is Fiserv, an unaffiliated third-party supplier, however we may approve or use other providers in the future. Gift cards are required services and you must use our approved supplier or a supplier that meets our standards, if allowed. Fiserv may bill you directly for certain items related to start-up, but generally they will bill us and we will bill you monthly. Our billing will include a reconciliation of certain costs and benefits association with program participation. We may negotiate different arrangements with different providers of these services. We will notify you of any change in approved suppliers or standards for these services.

Payment Processing

You are required to accept debit cards, credit cards, stored value gift cards, and other non-cash payment systems specified by us to enable customers to purchase authorized products. You are required to obtain all necessary hardware and/or software used in connection with these non-cash payment systems. You also are required to comply with our standards for processing electronic payments and all other standards, laws, rules, and regulations applicable to electronic payments that may be published from time to time by payment card companies and applicable to electronic payments, including PCI-DSS and the Fair and Accurate Credit Transactions Act. All costs of complying with such electronic payment requirements are at your expense.

Our current credit card processor and gift card processor is Fiserv, an unaffiliated third-party supplier, however we may approve or use other providers in the future. Credit cards and gift cards are required services and you must use our approved supplier or a supplier that meets our standards, if allowed. We may negotiate different arrangements with different providers of these services. We will notify you in writing of any change in approved suppliers or suppliers for these services.

Fixtures, Equipment, Furniture & Signs

You must construct and develop your OTB Restaurant in accordance with our specifications and standards. We will furnish you prototypical plans and specifications for your OTB Restaurant, including requirements for interior and exterior materials, décor, fixtures, equipment, furniture, and signs. You must submit construction plans and specifications to us for our approval before you begin construction of your OTB Restaurant, as well as any and all revised plans and specifications to us during the course of construction. You must ensure that the plans and specifications comply with the Americans With Disabilities Act and all other applicable federal, state, and local laws, ordinances, zoning, building code and permit requirements, and lease requirements and

restrictions.

In developing, building, and operating your OTB Restaurant, you must purchase, lease, and install only the types of construction and decorating materials, fixtures, equipment, furniture, decor items, and signs that we require and approve as meeting our specifications and standards for quality, design, appearance, function, and performance. You must purchase these items from any supplier we designate or from any supplier who can satisfy our standards and specifications. We or one of our affiliates may be an approved supplier of one or more of these items. Unless we first give our written consent, you may not install or have installed on the OTB Restaurant premises any games, vending machines, or other items that we have not approved as meeting our standards and specifications. If we upgrade or update our furniture, fixtures, and equipment you may be required to do so as well.

Site Selection and Construction

You must select a site for your OTB Restaurant. The site you select must satisfy our site selection guidelines. You must obtain our written consent for the site before you acquire it or enter into a lease. You are not required to purchase, lease, or sublease the OTB Restaurant premises from us or our affiliate.

Lease

You may not sign a lease for the site you select and we approve until you provide us with a copy of the lease and allow us reasonable time to review the lease. You and your landlord must enter into a Lease Rider Agreement in the form attached as Exhibit B to this Disclosure Document.

Insurance

You must obtain and maintain the insurance policies and coverages protecting you, us, and various related parties against any demand or claim for personal injury, death, property damage, or any loss, liability, or expense related to your operation of your OTB Restaurant, as well as the other insurance coverages we prescribe in the Manuals. A list of required insurances is attached as Exhibit N to this Disclosure Document.

Each insurance policy must be issued by an issuer we approve, with a rating of “A” or better in the most recent Key Rating Guide published by the A.M. Best Company (or another rating that we reasonably designate if A.M. Best Company no longer publishes the Key Rating Guide) and must be licensed to do business in the state in which your OTB Restaurant is located. All liability and property damage policies must name us as additional insureds and must provide that each policy cannot be cancelled unless we are given sixty (60) days’ prior written notice.

We may periodically increase required coverage limits or require additional or different coverage in our sole and absolute discretion to reflect, among other things, inflation, identification of new risks, changes in the law or standards of liability, higher damage awards and other relevant changes in circumstances. OTB maintains current insurance obligations in the Manual. You must deliver to us before opening your OTB Restaurant (and in the future maintain on file with us) valid and current certificates of insurance showing that all required insurance is in full force and effect. You must provide us with a copy of the insurance certificate before opening your OTB Restaurant and

each year thereafter when renewed.

Approved Suppliers

Neither we nor our affiliates are currently approved suppliers. Nor are we or our affiliates currently the only approved suppliers of goods and services we require you to purchase. None of our officers currently own an interest in any approved supplier.

In the future, however, we, an affiliate, or a third-party vendor or supplier may become the only approved supplier for certain products or services. We will provide you with lists of approved manufacturers, suppliers, and distributors (“Approved Suppliers List”) and approved food and beverage items, ingredients, inventory, supplies, equipment, materials, and other products used or offered for sale at the OTB Restaurant (“Approved Supplies List”). The Approved Suppliers List may list particular suppliers from which you must purchase certain supplies, equipment, materials, fixtures, or other items for use in your OTB Restaurant, and/or may include specific items, brands or types of food, ingredients, products, supplies, or equipment. The Approved Supplies List specifies the suppliers and the products and services which we have approved for use in the System. We may revise the Approved Suppliers List or Approved Supplies List from time to time in our sole discretion. We will provide you with a copy of the Approved Suppliers List and Approved Supplies List in writing from time to time.

The Approved Supplies List may include specific brands or types of furnishings, equipment, or products that you may buy from any source provided that the items conform to the standards and specifications for the System.

Supplier Approval Procedure

We will provide you with our criteria for approving suppliers. Currently, when considering whether to approve a possible supplier, we will consider (among other things) the following factors: whether the proposed supplier will provide the System a competitive advantage in the marketplace, whether the proposed supplier can demonstrate, to our reasonable satisfaction, the ability to meet our then-current standards and specifications; whether the supplier has adequate quality controls, capacity, and financial ability to supply the OTB system’s needs promptly and reliably, whether the proposed supplier can help reduce costs while improving or maintaining quality, supply, and service, and whether the supplier’s approval would enable the System, in our sole opinion, to take advantage of marketplace efficiencies or fill a need for quality or geographic coverage. You may not buy from any supplier that we have not yet approved in writing, and you must stop buying from any supplier who we approve but later disapprove. We have the right to designate only one manufacturer, distributor, reseller and/or vendor for any particular item. We, or our affiliates, may be a supplier of any product, and we, or our affiliates, may be the sole approved supplier of any product.

We will allow you to purchase products and other items from alternate suppliers that meet our criteria in accordance with our policies and procedures. Currently, if you want to buy any products or any other items from an unapproved supplier, you first must submit to us a written request asking for our approval to do so. You may not purchase from any proposed new supplier until we have reviewed and approved in writing the proposed new supplier, if we think the approval of the supplier is appropriate. Among other things, we will have the right to require that our

representatives be permitted to inspect the proposed new supplier's facilities, and that samples from that supplier be delivered either to us or to an independent laboratory that we designate for testing. Either you or the proposed new supplier must pay us a charge (which will not exceed the reasonable cost of the inspection and the actual cost of the tests). We also may require that the proposed new supplier comply with certain other requirements that we may deem appropriate, including for example payment of reasonable continuing inspection fees and administrative costs, or other payment to us by the supplier on account of their dealings with you or other franchisees, for use, without restriction (unless otherwise instructed by the supplier) and for services that we may render to our suppliers. We will notify you of our approval or disapproval in writing within thirty (30) days following the completion of our review and evaluation, and we will include the product or supplier on the Approved Supplies List or Approved Suppliers List (defined below). We will notify you in writing if we revoke approval for any approved supplier.

Notice of Specifications and Standards

We provide specifications and standards of approved products to our franchisees and approved suppliers in writing. We will notify you of changes to our specifications via our updates to the Manuals or otherwise in writing. We may modify our specifications upon request or for other reasons including, for example, a desire to optimize cost, efficiency, new product releases, a modification to the brand image or standards, to reflect new industry standards or regulations, or for food safety reasons.

Revenue and Consideration from Required Purchases and Leases

In 2023, which was OTB's last fiscal year, OTB derived no revenue or other material consideration from required purchases or leases by our franchisees as a result of our franchisees' purchases of goods, products, and services from us or our affiliates.

We estimate the total amount of required purchases and leases by a franchisee from us relative to the total goods and services purchased by a franchisee in establishing and operating an OTB Restaurant is less than one percent (1%). However, we estimate that the total amount of required purchases and leases of all equipment, trade fixtures, décor items, restaurant supplies, signage, and other items you must purchase or lease from unaffiliated approved or designated suppliers or in accordance with our standards and specifications will represent approximately forty-five percent (45%) to sixty-five percent (65%) of your total purchases and leases to establish the franchised business, and fifteen percent (15%) to twenty-five (25%) of your total purchases and leases to operate the OTB Restaurant.

Designated Supplier Payments to Us

We received marketing allowances, rebates, credits, monies, payments, or benefits ("Allowances") from suppliers based on purchases or leases by franchisees. In OTB's last fiscal year, which ended December 26, 2023, OTB received approximately \$ 7,855 in revenue from franchisee purchases of goods, products, and services from our designated suppliers, representing a negligible percentage (less than .01%) of our total revenue of \$253,493,101 for 2023.

We require you to assign to us or our designee all of your right, title, and interest in and to any and all Allowances, and you will authorize us or our designee to collect and retain any and all

Allowances without restriction (unless otherwise instructed by the supplier). Our current policy is to utilize Allowances for purposes that we believe, in our sole discretion, may enhance the OTB Brand and/or public awareness of the brand. Our franchisees are responsible for negotiating their own discounts and rebates from our suppliers and distributors and may earn discounts and rebates from suppliers on a different basis than we do because of volume purchasing, servicing, timing, and several other purchasing factors.

No Purchasing or Distribution Cooperatives

Currently, there is no purchasing or distribution cooperative on behalf of OTB Restaurants. However, we reserve the right to form one in the future.

Negotiations of Purchase Agreements with Suppliers

Although we negotiate purchase arrangements for the benefit of our company-owned restaurants, we may, but are not required to, negotiate purchase arrangements that also benefit franchised units. Regardless, you are responsible for coordinating payment directly with our approved suppliers and distributors.

Franchisee Purchases of Particular Products or Services or Use of Particular Suppliers

We consider many factors when we evaluate whether to renew or grant additional franchises to a particular franchisee, including whether or not the franchisee has complied with the sourcing requirements described herein.

We do not offer you any direct or indirect financing. We do not guarantee any notes, leases, or other obligations, nor do we receive payment or other consideration for the placing of financing.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, OTB is not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your OTB Restaurant, we will provide the following assistance to you:

Site Assistance

You are responsible for identifying and selecting a site for your OTB Restaurant that meets our site selection guidelines and must submit the proposed site to us to obtain our review. Generally, we do not own the premises of your OTB Restaurant or lease them to you. Instead, our franchisees generally own the site upon which their OTB Restaurant is located or lease it from a third-party. We provide you with information containing our written site selection guidelines and any other site selection counseling and assistance that we deem advisable. We do not select your site but do review your written request and will accept your request to develop a proposed site for your OTB Restaurant. Our acceptance of your proposed site is not a representation as to the success or results which you will experience at that site or any other site. In locating a site you may want to consider and review the site's geographic location, the surrounding area, traffic patterns, population density, market penetration, proximity to other restaurants and OTB restaurants, including both franchised and company-owned locations, proximity to highways and shopping centers, retail areas, and other commercial activity, information regarding the typical consumer's average spending, the site's size, parking availability, ingress, egress, the physical characteristics of the site and building, if any, and/or the terms of acquisition and lease), and other demographic and criteria we deem relevant. We have no liability for accepting any proposed site, including the site of your OTB Restaurant. Because of the many variables involved, we make no representation as to the success or results which you will experience at a given site. OTB requires that you sign a Site Selection Form attached as Exhibit O to this Disclosure Document releasing OTB from any claims over its site selection and evaluation services. You must secure the OTB Restaurant Location through a lease or have closed on the purchase of the OTB Restaurant Location within one hundred twenty (120) days after signing the Site Selection Form. Any proposed lease must contain the terms set forth in our Lease Rider and Conditional Assignment of Lease, attached as Exhibit B to this Disclosure Document. (Franchise Agreement, Article IV.B.)

If you enter a Development Rights Rider, we may also consider your then-current financial condition and your ability to develop the site and own and operate the proposed OTB Restaurant. You must execute the Franchise Agreement for each OTB Restaurant that you develop under the Development Rights Rider at least ten (10) days prior to commencing construction, and you must otherwise comply with the requirements of the Development Rights Rider.

Site Plans

You are responsible for confirming the site's premises to local ordinances and building codes. We do not assist you in doing so. Although you are also responsible for the construction, remodeling, and decorating of the site's premises, we will lend you a copy of our prototypical OTB Restaurant architectural plans and specifications. We will also review your site survey and the plans drawn up by your architect. (Franchise Agreement, Article IV.A.)

Constructing, Remodeling, or Decorating the Premises

You are responsible for the construction, remodeling, and decorating of the Premises. We do not

offer support in doing so other than as set forth above. (Franchise Agreement, Article IV.C.)

Hiring and Training Employees

You are responsible for hiring and training your employees. We do not hire or train your employees. We do, however, provide a training program for your Operator, General Manager, and up to four additional trainees (Franchise Agreement, Article V.E and VI.A). For your first and second OTB Restaurant, we also will provide you with on-site pre-opening and opening supervision and assistance as we deem advisable for a period of 3 to 4 weeks, depending on the availability of personnel and your payment of the Grand Opening Training Fee. (Franchise Agreement, Article VI.B.) You will be responsible for paying the travel costs and living expenses for your opening personnel, including all airfare costs, rental car costs, other travel costs, lodging costs, meals and food costs, and other similar costs. For additional details of this pre-opening assistance, see below in this Item 11 under the heading “Training.” We also provide you with access to our Manual. (Franchise Agreement, Article I.D.)

Equipment, Signage, Fixtures, Opening Inventory, and Supplies

You are responsible for procuring the equipment, signage, fixtures, opening inventory, and supplies necessary to open your OTB Restaurant. We do provide you with a list of the necessary equipment, signage, fixtures, opening inventory, supplies, and products, as well as a list of approved suppliers. We do not directly provide, deliver, or install these items. (Franchise Agreement, Article IV.D.)

Typical Length of Time Before Opening Your OTB Restaurant

We estimate the length of time between the earlier of the signing of the franchise agreement or the first payment of consideration for the franchise and the opening date of your business to be between twelve (12) and twenty-four (24) months depending on the type of facility operated. You must open your OTB Restaurant no later than twenty-four (24) months after you sign the Franchise Agreement. Some factors which affect the time to open each Restaurant are the ability to obtain a deed or lease, financing, building permits, zoning, compliance with local ordinances, weather conditions, shortages, or delayed installation of equipment, fixtures and signs and complete training. Failure to open each Restaurant by the date set forth in the Franchise Agreement may result in the termination of your Franchise Agreement and the loss of the initial franchise fee which is nonrefundable.

Post-Opening Assistance

During the operation of your OTB Restaurant, we will:

1. Not provide you assistance or give advice relating to the hiring and training of your employees because that is your responsibility and legal obligation. (Franchise Agreement, Article V.D.)
2. Not resolve operating problems you encounter because that is your responsibility and legal obligation. We will however provide you with access to our operating Manuals. (Franchise Agreement, Article V.A.)

3. Although we are not obligated to provide any training beyond our initial training program regarding system standards, make other training programs regarding our system standards available to you in our discretion. (Franchise Agreement, Article V.F.)
4. In our sole discretion, provide you continuing advisory assistance through advice and written materials concerning techniques on complying with the system standards for the OTB Restaurant such as new developments and improvements in restaurant equipment, food products, packaging, and preparation. (Franchise Agreement, Article V.F, VI.C.)
5. Provide you with a list of necessary products and equipment, as well as a list of approved suppliers. (Franchise Agreement, Article I.D; I.E.)
6. Review and approve or disapprove all advertising and promotional materials that you propose to use. (Franchise Agreement, Article VIII.F.)
7. Require you to conduct local advertising and, in our discretion, establish, maintain, and administer a marketing program. (Franchise Agreement, Article VIII; VIII.D.)
8. Revise the contents of our Manuals in our discretion. (Franchise Agreement, Article I.D.)

Advertising

We require you to participate in our Marketing Fund and to conduct local advertising.

Marketing Fund

Under the Franchise Agreement, we have the right to require our franchisees to participate in a Marketing Fund organized, governed, and operated in accordance with our written guidelines (“Marketing Guidelines”). We are responsible for maintaining and administering advertising programs in accordance with the Marketing Guidelines. No advertising or promotional plans or materials may be used under the Marketing Fund without our prior written consent.

Under the Marketing Fund you are required to pay us 2.0% of Gross Sales or our then-current amount, to be used by us for maintaining, administering, directing, and preparing advertising and promotional activities for the benefit of the System (the “Marketing Fund Fee”). Our company-owned and affiliate-owned OTB Restaurants also contribute to the Marketing Fund at the rate of 2.0% of Gross Sales. This fee will be used exclusively by us (or one of our affiliates) to administer and control the Marketing Fund and any and all costs incurred in the Marketing Fund including the cost of maintaining, administering, directing, conducting, creating, and/or otherwise preparing advertising, marketing, public relations and/or promotional programs and materials, and any other activities which we believe will enhance the image of the System. This includes, without limitation, to create, produce, and place advertising, in-store signs, in-store promotions, and commercial or online/digital advertising; to pay agency costs and commissions; to create and produce video, audio, and written advertisements; to administer multi-regional advertising programs, including direct mail and other media advertising; to employ advertising agencies and in-house staff assistance; to support public relations, market research, and other advertising and marketing activities; to conduct product and menu testing; to create, produce, and implement websites for us and/or our franchisees; and to develop and maintain application software designed to run on computers and

similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices. The advertising may be disseminated in print, television, radio, or other digital media. The coverage may be local, regional and/or national. The Marketing Fund Fee will not be used for direct solicitation of franchisees. The Marketing Fund Fee does not include printing costs. You may incur additional costs printing certain materials with a third-party printer of your choice.

We have sole discretion over all matters relating to the Marketing Fund and all related matters (consistent with its purposes and the provisions of the Franchise Agreement). In addition to the uses described above, the Marketing Fund may be used for (among other things) product development; signage; creation, production and distribution of marketing, advertising, public relations and other materials in any medium, including the Internet; administration expenses; legal fees incurred by or spent defending the Marketing Fund, brand/image campaigns; media; national, regional and other marketing programs; activities to promote current and/or future Restaurants and the OTB; agency and consulting services; research, any expenses approved by us (or other designee) and associated with franchisee advisory groups (if any); and all or portions of the salaries, benefits or expenses of people we employ who work on Marketing Fund matters (except that such salaries, benefits or expenses will be charged pro rata based on the time they spend on Marketing Fund matters). In addition, Marketing Fund Contributions may be used for website development/operation and to pay Internet, Intranet, URL, 800 or similar number, and other charges, fees and/or expenses. A brief statement regarding the availability of OTB franchises may be included in marketing and other items produced using the Marketing Fund. The Marketing Fund will be accounted for separately and may be used to pay all administrative and other costs of the Marketing Fund related to its activities and purposes and/or as authorized. All taxes of any kind incurred in connection with or related to the Marketing Fund, its activities, contributions to the Marketing Fund and/or any other Fund aspect, whether imposed on us, the Marketing Fund, or any other related party, will be the sole responsibility of the Marketing Fund. We have no obligation to ensure that expenditures by the Marketing Fund are or will be proportionate or equivalent to contributions to the Marketing Fund by you or the franchised OTB Restaurants operating in any geographic area or that any Restaurant will benefit directly, indirectly, or in proportion to its contribution to the Marketing Fund. We (or one of our affiliates) administer and control the Marketing Fund, which is used to create, produce, and place advertising, in-store signs, in-store promotions, and commercial or online/digital advertising; to pay agency costs and commissions; to create and produce video, audio, and written advertisements; to administer multi-regional advertising programs, including direct mail and other media advertising; to employ advertising agencies and in-house staff assistance; to support public relations, market research, and other advertising and marketing activities; to conduct product and menu testing; to create, produce, and implement websites for us and/or our franchisees; and to develop and maintain application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices. The advertising may be disseminated in print, television, radio, or other digital media. The coverage may be local, regional and/or national. The Marketing Fund will not be used for direct solicitation of franchisees.

We may be reimbursed from the Marketing Fund for administrative costs, salaries, and overhead expenses related to administering the Marketing Fund and its marketing programs, including conducting market research, preparing material, and collecting and accounting for Marketing Fund contributions. A portion of the Marketing Fund fee will be used for production (the “Production

Fee”). We use the Production Fee to pay for the production of advertising and promotional materials. We have the authority to unilaterally increase the Production Fee. During 2023, our last fiscal year, 100% of the Production Fee was spent on the production of advertising and promotional materials. During 2023, our last fiscal year, the percentages of Marketing Fund expenditures by type were as follows:

Digital, Search & Traditional Marketing	78%
Creative Development	12%
CRM, Loyalty & E-mail Marketing	7%
Research and Development	1%
Guest Relations	2%

In any fiscal year, the Marketing Fund may spend more or less than the aggregate contribution of all Restaurants to the Marketing Fund in that year. Franchisor and/or its affiliates may periodically, and in our discretion, make additional investments into the Marketing Fund to supplement the efforts of that fund.

You may create your own advertising and promotional materials; however, all advertising and promotional materials must be approved in writing in advance, be created on permitted formats or platforms, be conducted in a dignified manner, and conform to our standards and requirements. You may not use any advertising or promotional plans or materials until you receive our written approval.

You must participate in any promotional campaigns, advertising, loyalty programs, and other programs periodically established or approved for OTB Restaurants, whether on a national, regional, or local basis. This includes accepting coupons and gift cards that we or our affiliates issue. While participation is mandatory, we may allow you to participate at different price points subject to our right to establish maximum and minimum pricing.

We may offer a regional promotion from time to time, in such instance, a franchisee may elect to opt in and participate in the regional efforts by contributing its pro rata share of the costs associated with the regional campaign.

Other Advertising Requirements

All advertising and promotion by you in any medium must be conducted in a dignified manner and conform to our standards and requirements as stated in the Manuals or otherwise. You must obtain our approval for all advertising and promotional plans and materials that you desire to use before you use them if they have not been prepared or previously approved by us within one year. You must submit any unapproved plans and materials to us (by personal delivery or through the mail, return receipt requested), and we must approve or disapprove the plans and materials within fourteen (14) days from the date of receipt. You may not use any plans or materials until they have been approved by us and must promptly discontinue use of any advertising or promotional plans or materials upon receiving notice from us.

You must participate in supplemental marketing programs, like limited time offers, gift cards, gift

certificates, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs as we may periodically require. You may be responsible for certain costs associated with these supplemental marketing programs. For example, we currently offer a gift card program through Fiserv and you must participate in this gift card program and are responsible for all costs associated with your participation.

You are required to advertise, market, and promote your Restaurant on a local basis (“Local Advertising”) and spend no less than one percent (1%) of your Restaurant’s Gross Sales (the “Local Spend”) on Local Advertising initiatives as defined and set forth in the Manuals for the benefit of the Restaurant. You shall use the Local Spend on, and pay it to, local advertising and media sources to support your operation and Restaurant Location in the local market. Unless requested or required by OTB, your Local Spend will not be paid to OTB. You agree that OTB may, in its sole discretion, reduce or increase the minimum Local Spend upon thirty (30) days’ prior written notice to you, however, we may not increase the Local Spend to greater than two and a half percent (2.5%) of Gross Sales.

You are also required to conduct a grand opening advertising and promotional program for the Restaurant at the time and in the manner specified by us in the Manual (the “Grand Opening Marketing Program”). You shall either (i) spend at least ten thousand dollars (\$10,000) on a marketing and promotional campaign related to the grand opening of Franchisee’s Restaurant either before or within the first eight (8) weeks of the Restaurant’s grand opening date or (ii) pay ten thousand dollars (\$10,000) to us for the marketing and promotional campaign related to the grand opening of your Restaurant (“Grand Opening Advertising Contribution”). If you directly conduct the Grand Opening Marketing Program, you must submit a detail list of the expenditures to us within sixty (60) days of the Restaurant’s Grand Opening Date establishing its expenditure of the Grand Opening Advertising Contribution.

No Advertising Council

OTB does not maintain an advertising council of franchisees that advise the franchisor on advertising policies.

Local or Regional Advertising Cooperative

Currently, OTB does not require its franchisees to participate in a local or regional cooperative though it reserves the right to do so in the future.

Advertising Funds

Currently, we use all of the Marketing Funds contributed to the advertising funds in any fiscal year in which they accrue, and we do not carry over the balance to the following fiscal year. We reserve the right to change this practice in the future. We may, upon written request, provide a summary of how we spend the Marketing Funds.

Advertising Funds and Franchise Sales

We do not currently use any of the Marketing Funds to solicit franchise sales.

Electronic Cash Register and Computer Systems

You must obtain and use the computer hardware and software, point-of-sale system, dedicated telephone and power lines, modems, printers, tablets, smart phones, and other computer-related accessories and peripheral equipment we periodically specify (the “Computer System”). The Computer System must permit 24 hours per day, 7 days per week electronic access and automated communication between you and us, including access to the Internet and Intranet. You must provide any assistance required to allow OTB remote or onsite access to your Computer System as needed. OTB has the right to retrieve any information from your Computer System we deem necessary or desirable at any time. There are no contractual limitations on our right to access this information. In view of the contemplated interconnection of computer systems and the necessity that those systems be compatible with each other, you must comply strictly with our standards and specifications for all items associated with your Computer System.

As described in Item 7, OTB estimates the computer and point-of-sale systems’ cost to be \$50,000 to \$85,000. This estimate does not include the initial PCI-DSS compliance costs or the cost associated with your obtaining a license to play required music. This is because each credit card processor may have different certification requirements based on the amount of total transactions processed. These certification requirements may vary from processor to processor.

The third parties whose computer-related products you buy have no contractual right or obligation to provide ongoing maintenance, repairs, or updates unless you obtain a service contract or a warranty that covers the product. The Computer System generates and maintains sales, menu mix, and other financial information. You must upgrade the Computer System and/or obtain service and support as we require or when necessary because of technological developments, including complying with Payment Card Industry Data Security Standards. There are no contractual limitations on the frequency and cost of these obligations. We need not reimburse your costs.

We and our affiliates may condition any license to you of required or recommended proprietary software, and/or your use of technology developed or maintained by or for us (including the Intranet), on your signing a software license agreement or similar document, or otherwise agreeing to the terms (for example, by acknowledging your consent in a click-through license agreement), we and our affiliates require to regulate your use of the software or technology. We and our affiliates may charge you up-front and ongoing fees for any required or recommended proprietary software or technology we or our affiliates license to you.

Despite your obligation to buy, use, and maintain the Computer System according to our standards and specifications, you have sole and complete responsibility for: (1) acquiring, operating, maintaining, and upgrading the Computer System; (2) the manner in which your Computer System interfaces with our and any third-party’s computer system; (3) any and all consequences if the Computer System is not properly operated, maintained, and upgraded; and (4) independently determining what is required for you to comply (and then complying) at all times with the most-current version of the Payment Card Industry Data Security Standards, and with all laws governing the use, disclosure, and protection of Consumer Data (defined in Item 14) and the Computer System, and validating compliance with those standards and laws as periodically required.

We also require a multi-line phone system for your OTB Restaurant that is approved by our IT Department. You can expect to spend between \$1,000 and \$5,000 for the phone system and all

required cabling. We also require a minimum of a broadband internet connection capability to ensure efficient system functionality. You are required to use a broadband connectivity/phone service provider approved by our IT Department.

Maintenance and Upgrades

We will require you to upgrade and update the Computer System, Software, and Additional Technology required at our sole discretion during the term of your Franchise Agreement. Some computer hardware and software vendors, and some prescribed installation and maintenance vendors may have a warranty on their products, and extended warranty and maintenance programs may be available. We estimate that the current annual cost of an optional and/or required maintenance/support contract, including upgrades/updates, may range from \$7,000 to \$12,000 per year, depending on numbers and types of equipment. Upgrade and maintenance costs are subject to change, without notice.

At this time, neither we, nor our affiliates, nor any third parties are required to provide ongoing maintenance, repairs, upgrades, or updates to your Computer System. You must carry out all maintenance at your sole expense. In the future, we anticipate providing technology support services to our franchisees. Our technology support services may include Help Desk services and menu maintenance, among other services. We expect to charge between \$3,500 to \$5,000 per year for our technology support services. If we implement technology support services, you may be required to use our services and pay the applicable fee.

Customer Data

You must afford us unimpeded and independent access to your Computer System in the manner, form, and at the times we may request. We will have the right at any time to access and retrieve data and information from your Computer System in any manner we deem necessary or desirable. To the extent that you collect information from customers and potential customers in connection with the OTB Restaurant ("Customer Data"), all Customer Data is deemed to be owned exclusively by us. You also must provide the Customer Data to us at any time that we request you to do so. You have the right to use Customer Data while the Franchise Agreement or a Successor Franchise Agreement is in effect, but only in connection with operating the OTB Restaurant and only in accordance with the policies that we establish from time to time (which may include, without limitation, limitations or restrictions on the types of data that you may collect and/or use). You may not sell, transfer, or use Customer Data for any purpose other than operating the OTB Restaurant and marketing OTB products and services.

We have the right to specify from time to time in the Manuals or otherwise in writing the information, including Customer Data, that you must collect and maintain on the Computer System. You must provide us with the reports that we may reasonably request from the data so collected and maintained. You are required to maintain, protect, and safeguard the Customer Data you collect in the operation of your OTB Restaurant in compliance with all applicable law at your sole cost and expense. You must enter into the Computer System on a daily basis, or at other intervals that we may require, all information and materials that we may require in connection with your operation of the OTB Restaurant and display the information and materials in the manner we may prescribe, including, without limitation, to employees of the OTB Restaurants. All data pertaining to, derived from, or displayed at the OTB Restaurant (including, without limitation, data

pertaining to or otherwise about Restaurant customers) is and will be our exclusive property. You will have a royalty-free non-exclusive license to use that data during the term of the Franchise Agreement. You must delete all Customer Data upon expiration or termination of your Franchise Agreement.

Websites

We or our affiliates will maintain a Website, as defined herein, for the benefit of ourselves, our affiliates, and our franchisees. The term “Website” means one or more related documents, designs, pages, or other communications that can be accessed through electronic means, including but not limited to the Internet, World Wide Web, social networking sites (such as Facebook, Twitter, LinkedIn, etc.), blogs, vlogs, and other applications. You may not establish a Website or permit any other party to establish a Website that relates in any manner to your OTB Restaurant, or referring to the Marks, except as we designate or approve in advance in writing. We have the right, but not the obligation, to provide one or more references or webpage(s) to your OTB Restaurant, as we may periodically designate, within the Website. If we approve your written request to maintain and use a separate Website, then we reserve the right to require that you comply with the standards, specifications, conditions, and requirements relating to such Website that we may periodically prescribe in the Manuals or otherwise in writing. We may from time to time establish policies regarding social media as we determine appropriate for the System. Any use of social media using the Marks is considered advertising, and you must comply with our social media and advertising policies, including approval requirements. We may modify these policies as we determine appropriate, including as available technologies and advertising methods change.

Payment Processing

You are required to accept debit cards, credit cards, stored value gift cards, or other non-cash payment systems specified by us to enable customers to purchase authorized products. You are required to obtain all necessary hardware and/or software used in connection with these non-cash payment systems. You also are required to comply with our standards for processing electronic payments and all other standards, laws, rules, and regulations applicable to electronic payments that may be published from time to time by payment card companies and applicable to electronic payments, including the PCI-DSS and Fair and Accurate Credit Transactions Act. All costs of complying with such electronic payment requirements are at your expense.

Please see Item 8 for a description of the approved suppliers of payment and credit card processing services.

Operations Manual

Our Operations Manual is fully digital on our learning management system (“LMS”), Lime Life. Lime Life is a web-based personal learning and training environment for the administration and reporting of OTB’s training and learning system. Currently, the annual cost of the LMS is \$420. The LMS requires minimum high-speed internet and hardware for operations. You are responsible for all costs associated with those requirements.

The Table of Contents for our Operations Manual is attached as Exhibit D to this Disclosure Document. The Operations Manual is provided only in electronic form and includes the following

topics: menu items, preparation procedures, operations, and cooking procedures. Although we provide the portions of the manuals on catering to all franchisees, only franchisees we approve may participate in catering.

You must strictly comply with the business practices, policies, and procedures contained in the Operations Manual. We have the right to modify the Operations Manual and you must comply with those modifications, provided that no modification will alter your fundamental status and rights under the Franchise Agreement. You must acknowledge that the Operations Manual contains confidential business information and constitutes our trade secrets. You must not disclose or provide access to the contents of the Operations Manual to any persons except to your employees, nor may you reproduce the Operations Manual in whole or in part.

Training

We will provide initial training for your Operator, General Manager, and up to four additional trainees at no cost to you except the expenses incurred by your personnel attending the initial training program, including transportation, lodging, meals, and wages. Training will occur at a location designated by us, typically at an OTB training restaurant in Dallas, Texas. If you sign a Development Rights Agreement, once you own or operate four or more Restaurants, we may require you to utilize one or more area directors to supervise the day-to-day operations of your OTB Restaurants, and we will train any area directors. All new managers hired by you and any Operator later appointed by you must attend and complete our initial training program to our satisfaction.

We may charge you a fee to train others. All required personnel must complete all required initial training programs to our satisfaction not less than 8 weeks before the opening of your OTB Restaurant.

Initial training programs are offered at various times during the year depending on the number of franchisees entering the system, the number of replacement personnel needing training, the number of new restaurants we open, and the timing of scheduled restaurant openings. The initial training program will generally last 8 weeks.

The subjects covered, approximate hours of classroom and on the job training, and other information about our initial training program are described below:

The training materials for our initial training program consist of our Manuals and other materials maintained on our online learning management system, Lime Life. Currently, this online portal is maintained through Wisetail, though we may use a different platform in the future. Our online portal contains a variety of resources, including culinary recipes, and supplemental materials to support franchise operations.

Our training programs are conducted under the supervision of Brian Shaughnessy and Shelly Pierce.

Mr. Shaughnessy began as OTB’s Vice President of Franchise in March 2022. Previously, Mr. Shaughnessy was OTB’s Director of Franchise Operations from January 2018 until March 2022. Before that, Mr. Shaughnessy served as OTB’s Director of New Restaurant Operations from March 2016 until January 2018.

Ms. Pierce is our Director of Training and Development and Operations Service Support. Before April 2019, Ms. Pierce served as our Director of Training from March 2018. Prior to that, Ms. Pierce was our Senior Manager of Training and Development from January 2015 until March 2018.

In addition to the initial training program described above, we will provide opening assistance, as described in Items 5, 7, and above in this Item 11, for which we will charge an opening assistance fee. The additional training that we will provide as part of opening assistance includes the following:

Nature of Opening Assistance Provided:	Position:
Franchise Director Training	Operator
Franchise Director Training	Operator
OTB MIT Program at CTR Restaurant	General Manager
OTB MIT Program at CTR Restaurant	Assistant Managers

Pre-opening assistance training will be conducted by persons who have worked for OTB Restaurants and have successfully completed our certified training course. All employees will complete our designated team member training process. One Operator may serve as the General Manager for up to two (2) Restaurant locations.

We also have the right to require you, your Operator, your General Manager, and other then-current managers at your OTB Restaurant to attend supplemental training courses at times and locations determined by us. You are responsible for all costs (including, without limitation, travel, lodging, and food costs for your personnel) associated with such supplemental training. We also have the right to charge a fee for supplemental training courses and training materials. We may invite you to attend our bi-annual company meeting, or any other events that we may elect to hold.

Any training provided by us to any of your employees will be limited to training or guiding the employees regarding the delivery of approved services to clients in a manner that reflects the customer and client service standards of the System. You are, and will remain, the sole employer of your employees during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees are trained in our systems and procedures and that our systems and procedures are utilized at your Restaurant.

ITEM 12 TERRITORY

Franchise Agreement

Franchise Location

The Franchise Agreement grants you the right to operate the OTB Restaurant only at the location you specify, and OTB accepts, which will exist within a protected area which is the lesser of (i) a maximum radius of two and one-half (2 ½) miles around the Restaurant or (ii) such smaller radius as determined by OTB in its sole absolute discretion based on, among other things, population density, demographics, and competitors within which OTB will not establish or franchise another OTB restaurant to open and operate (the “Protected Area”). OTB’s grant of the Protected Area does not imply or grant you the expectation or right to any other location or a delivery or catering area or territory. The Franchise Agreement does not grant, and specifically excludes, any territorial rights which would govern and/or restrict where we or a third-party may sell, deliver, distribute, or license the right to a third-party to sell food, products, or goods bearing the OTB Marks through other outlets, platforms, or our catering sales program, licensing agreement, bulk orders, event catering, and delivery services. Likewise, airports, train stations, bus stations, highway rest plazas, travel plazas, stadiums, schools, colleges, university campuses, sports arenas, casinos, recreational theme parks, convention centers, kiosks, food courts, enclosed shopping malls and retail centers, Native American reservations, “big box” retail stores, venues in which food service is or may be provided by a master concessionaire or contract food service provider, virtual kitchens, ghost kitchens or cloud kitchens, host kitchens, and other locations within institutional, governmental, or public service operations (“Non-traditional Locations”) will not be included in the Protected Area even if they fall totally or partially inside the boundaries of your Protected Area. Non-traditional Locations are developed by us or a third-party without any participation by or payment to you. As a result, you will face competition from other franchisees, outlets we own, and from other channels of distribution.

Relocation

You may not relocate the OTB Restaurant without first obtaining our written consent. If the lease for the OTB Restaurant expires or terminates through no fault of yours, or if the site is destroyed

or otherwise rendered unsuitable, or if in our judgment there is a change in character of the OTB Restaurant Location that is sufficiently detrimental to your business potential to warrant relocation, we may grant permission for relocation of the OTB Restaurant to a location and site acceptable to us. In considering whether to approve a relocation of the OTB Restaurant, we will consider the following factors: a shift in trade area, prototype evolution, population density, spending patterns, traffic pattern, loss of supporting retailers, availability of a better location, locations of competitors and other existing OTB restaurants, strategic plans, and visibility of the location. If we permit you to relocate your OTB Restaurant, you will need to build out the OTB Restaurant consistent with our then-current standards for new Restaurants. Any relocation is at your sole cost and expense, and we have the right to charge you for any and all reasonable costs we incur, as well as a reasonable fee for our services, in connection with the relocation.

Franchisee Options, Rights of First Refusal, or Similar Rights to Acquire Additional Franchises

The Franchise Agreement does not contain any provisions under which you might receive any options, rights of first refusal, or similar rights to acquire additional franchises. If you wish to obtain an additional location, you will be required to enter into a Development Rights Agreement and/or separate Franchise Agreement for the additional location.

You may conduct catering or delivery services from your OTB Restaurant(s) if you obtain our prior approval and satisfy and comply with our operating standards for catering and delivery. We will establish the boundaries for providing catering and delivery services. To participate in our catering program, you must execute the Catering Services Agreement attached to this Disclosure Document as Exhibit P, and any other agreements and documents we may require. If you choose not to offer products through the catering program, or if you are not authorized to offer products through the catering program, we or other franchisees may engage in the catering program, which may compete with your OTB Restaurant. We may develop rules or policies regarding catering or delivery. Any rules or policies will be communicated to you (in writing or electronically) before they become effective.

No Exclusive Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Instead, you will receive an area of limited protection, defined as the Protected Area, that excludes, among other things, Non-traditional Locations and the right to sell goods, products, and services bearing the OTB Marks in other channels of distribution. As a result, you will face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Your Protected Area is contingent upon your strict compliance with the terms and conditions of your Franchise Agreement.

We and our affiliates retain all rights that are not expressly granted to you under the Franchise Agreement including, but not limited to, the following: (1) we and other franchisees or licensees may establish, develop, construct, open, and operate OTB Restaurants at any location (either directly or through a franchise, licensing, joint venture, or any other arrangement), notwithstanding the proximity to your OTB Restaurant, or the actual or threatened impact on sales at your OTB Restaurant, provided it is not within your Protected Area; (2) we may advertise or promote the

System, including on the Internet, and fulfill customer orders at any time; (3) we and our affiliates may also offer and sell (or authorize any person or entity to offer and sell) products and services displaying the OTB Marks or other tradenames and trademarks (e.g., prepackaged food items, food bearing the OTB Marks, T-shirts, and other memorabilia) to the public through any distribution channel, including on the Internet, which may be similar to those offered by your OTB Restaurant; (4) we may authorize or engage one or more third-party retailers or licensees, or an affiliate of ours, to offer and sell products and services displaying the OTB Marks or other tradenames and trademarks to the public through any distribution channel, including on the Internet, which may be similar to those offered by your OTB Restaurant. For example, currently we are engaged in licensing with a third-party licensee who distributes a line of On The Border® salsas, chips, and quesos, fresh and frozen meal kits, and drink mixes packaged under the OTB Marks and distribute for sale to retailers in the United States; (5) we may develop and establish other tradenames, service marks, trademarks, logos, emblems, and indicia of origin which may be similar to, or different from, the OTB Marks (the “Other Marks”) and we may exclude the Other Marks from the OTB Marks. If we exclude the Other Marks from the OTB Marks (i) you have no rights to the Other Marks, and (ii) we (on our own behalf and on behalf of any other entity which we may acquire, or be acquired by, or otherwise are or become affiliated with) can establish, develop, construct, open, and operate restaurants, other food service operations, and other businesses under the Other Marks at any location (either directly or through a franchise, licensing, joint venture, or any other arrangement); and (6) we may conduct catering sales, and/or permit affiliates, licensees, and/or other franchisees to conduct catering sales within your Protected Area if you do not participate in the catering sales program. We are not required to pay you any compensation if we exercise any of the rights specified above.

Except as noted below, there are no geographical restrictions with respect to where you may advertise or solicit your OTB Restaurant. You may not use other channels of distribution, such as the Internet (or any other form of electronic commerce and/or electronic media) without our prior written consent.

Other Channels of Distribution

We specifically reserve the right for us, an affiliate, licensee, or other authorized third-party to use other channels of distribution, such as the internet, catalog sales, telemarketing, supermarkets, clubs, retail outlets, wholesalers, or other direct marketing to make sales within your Protected Area of products and services using the OTB Marks or the Other Marks. We will not compensate you for such sales.

No Other Franchise Businesses

As of the date of this Disclosure Document, neither we nor any affiliate operates, franchises, or has any current plans to operate or franchise any business selling the products and services authorized for sale at an OTB Restaurant under any other trademark or service mark.

Development Rights Rider

If we offer and if you sign an Development Rights Rider, it grants you an assigned geographic area within which you may establish an agreed upon number of OTB restaurants (“Development Area”). The size of the Development Area may range from a portion of a city or an unincorporated area to a single or multi-county area, or a single or multi-state area, and will be described in the

Development Rights Rider by county or state lines, a description of municipal boundaries, or a map. As with your Franchise Agreement, Non-Traditional Locations are not included within your Development Area even if they fall totally or partially inside the boundaries of the Development Area. If your OTB Restaurant will be in a Non-Traditional Location, we will grant you a modified Territory that includes a portion of your Captive Location. Like the Franchise Agreement, your Development Area does not grant, and specifically excludes, any territorial rights which would govern and/or restrict where we or a third-party may sell, deliver, distribute, or license the right to a third-party to sell food, products, or goods bearing the OTB Marks through other outlets, platforms, or our catering sales program. All other terms and conditions applicable to Franchise Agreements set forth above in this Item 13 also apply to your Development Area and any Development Rights Rider. You will not receive an exclusive territory. You may face competition from other franchisees, from other outlets we own, or from other channels of distribution or competitive brands that we control.

We and our affiliates retain all rights that are not expressly granted to you under the Development Rights Rider to the Franchise Agreement.

ITEM 13 TRADEMARKS

The Franchise Agreement grants you the right to use the OTB Marks designated by us only in the manner we authorize and only for the operation of the OTB Restaurant at the location specified in the Franchise Agreement. You must operate the OTB Restaurant under the mark “On The Border Mexican Grill & Cantina.” You must identify, however, your OTB Restaurant as an independently owned and operated OTB Restaurant.

We will license to you each of the following principal trademarks which are the primary trademarks, service marks, names, logos, and commercial symbols you will use to identify your franchised business. Each of the following principal trademarks are registered with the United States Patent and Trademark Office (“USPTO”).

Predecessor's Rights

One of our predecessor's predecessors and a third-party, La Salsa, Inc. ("La Salsa"), entered into a Settlement Agreement dated May 14, 2004 (the "Settlement Agreement"), pursuant to which the parties agreed to the concurrent use of certain of their respective marks that featured a lime wedge design. Our predecessor's predecessor agreed to limit its use of the lime wedge design depicted in its marks to certain composite marks existing as of the date of the Settlement Agreement. Our predecessor's predecessor further agreed not to use or attempt to register a prominently featured or stand-alone lime wedge design element in connection with restaurant, bar, and/or catering services so long as La Salsa continues to use the lime wedge design elements depicted in its marks.

Disputes Regarding the Marks

Except as noted above, there are no currently effective material determinations by the U.S. Patent and Trademark Office, the Trademark Trial and Appeal Board, the Trademark Administrator of any state or any court; or any pending infringement, opposition, or cancellation proceeding, or any pending material litigation, involving the Marks.

There are no agreements in effect which affect our rights to use or license the use of the Marks in any manner material to the franchise being offered except those listed under "Currently Effective Agreements" in the section that immediately follows. We are not aware of any superior prior rights or infringing uses that could materially affect your use of the Marks.

Currently Effective Agreements

On December 14, 2020, we and Utz Quality Foods, LLC, a Delaware limited liability company ("Utz") entered into a license agreement to license Utz the exclusive right to use the OTB Marks for the manufacturing, distribution, and sale of chips, salsa, guacamole, queso, soups, dips, pre-packaged meals, meal kits (including fresh and frozen meal kits), beverage mixes, such as piña colada mix, sangria mix, and margarita mix, and other similar products for direct-to-consumer

sales for consumers' at home consumption through alternate channels of distribution in North America, South America, Canada, Europe, and certain parts of Africa (the "Utz Licensing Agreement"). The term of the Utz Licensing Agreement is perpetual unless certain termination events occur. We reserve the right to extend, renew, or modify the Utz Licensing Agreement without any notice to our franchisees.

The Utz Licensing Agreement results in competition to our franchisees as the consumer products are sold nationally and internationally through alternate channels of distribution through the internet, convenient stores, groceries stores, wholesale club stores (SAM's, Costco, etc.) and other similar retail outlets, including outlets located in the Protected Area.

On December 17, 2020, we and JRW, Inc., a corporation of the Republic of Korea ("JRW") entered a license agreement licensing JRW the exclusive right to use the OTB Marks for the manufacturing, distribution, and sale of chips, salsa, guacamole, queso, soups, dips, pre-packaged meals, meal kits (including fresh and frozen meal kits), beverage mixes, such as piña colada mix, sangria mix, and margarita mix, and other similar products for direct-to-consumer sales for consumers' at home consumption through alternate channels of distribution in the Republic of Korea, Malaysia, Singapore, Indonesia, Thailand, and Vietnam (the "JRW Licensing Agreement"). The term of the JRW Licensing Agreement is for three (3) years unless certain termination events occur. We reserve the right to extend, renew, or modify the JRW Licensing Agreement without any notice to our franchisees.

On October 21, 2021, we and Vessel Operating Holdco LLC ("Reef Kitchens") entered in a license agreement to license to Reef Kitchens the right to use the OTB Marks for the sale of OTB branded products and menu items from ghost kitchens, dark kitchens, cloud kitchens, execution kitchens, preparation kitchens, host kitchens, container kitchens, concession trailers and/or food trucks (each a "Kitchen") worldwide, excluding the Republic of Korea, Vietnam, Singapore, Malaysia, Indonesia, Thailand, India, and Hong Kong, at locations approved by us ("Reef Kitchens License Agreement"). The term of the Reef Kitchens License Agreement was for one (1) year and may be renewed for additional one (1) year terms, unless certain termination events occur. Official notice of termination was provided to Reef Kitchens pursuant to this license agreement on December 5, 2023, and Reef Kitchen's license to use the OTB Marks for the sale of OTB branded products and menu items terminated as of February 2, 2024.

OTB also has agreements with third-party food delivery services, such as DoorDash and Uber Eats, which allow them to use the OTB Marks in conjunction with the services they provide.

Franchisee's Permitted Use

You are permitted and required to use the OTB Marks in accordance with applicable procedures set forth in the Manuals, the Franchise Agreement, and as may be directed by us from time to time. You acquire no right, title, or interest in and to the OTB Marks other than the right to use the OTB Marks in operating the OTB Restaurant in the manner prescribed and approved by us and in accordance with the terms of the Franchise Agreement. Any unauthorized use of the OTB Marks is an infringement of our rights. You must also follow our instructions for identifying yourself as a franchisee and for filing and maintaining the requisite trade name or fictitious name registrations. You may not use any of the OTB Marks as part of your corporate or other name. You must execute any documents we or our counsel determine are necessary to obtain protection for the OTB Marks

or to maintain their continued validity and enforceability. Neither you nor your owners may take any action that would prejudice or interfere with the validity of our rights with respect to the OTB Marks and may not contest the validity of our interest in the OTB Marks or assist others to do so.

Protecting Your Right to Use the Principal Trademarks

We must protect your right to use the principal trademarks listed in this Item 13, as well as protect you against claims of infringement or unfair competition arising out of your use of the OTB Marks. In the event of any infringement of, or challenge to, your use of any of the OTB Marks, you must promptly notify us so that we can take such action as we deem appropriate to protect the OTB Marks. The Franchise Agreement does not require us to take affirmative action when notified of these uses or claims. You and your owners agree that neither you nor they will communicate with any person other than us and our counsel concerning any action, claim or infringement. We will have sole discretion to take action, as we deem appropriate, and the right to exclusively control any litigation, USPTO action, or other proceeding involving any infringement, challenge or claims relating to the OTB Marks. We make no representation or warranty, express or implied, as to the exclusive use, ownership, validity, or enforceability of the OTB Marks.

We will indemnify and hold you harmless against any and all direct loss, claims, and damages incurred by you relating to your approved use of the OTB Marks in accordance with our instructions. This indemnification covers your reasonable attorneys' fees incurred by use of counsel satisfactory to us in the defense of any such infringement action initiated against you. We shall have the right, but not the obligation, to assume the defense of any such action. In such event, you are free to continue to participate in the defense of any such action through counsel of your own choosing but at your own expense.

The license of the OTB Marks granted in the Franchise Agreement is non-exclusive to you. We have and retain the right to, among other things: (1) grant other licenses for the OTB Marks in addition to those licenses already granted to existing franchisees; (2) license to third-parties and use the OTB Marks in selling products and services through alternate channels of distribution like supermarkets, wholesale clubs, the internet, ghost kitchens, cloud kitchens, food trucks, and other platforms, such as the Utz Licensing Agreement and Reef Kitchens Agreement; (3) develop and establish other systems using the same or similar OTB Marks or any other OTB Marks and grant licenses or franchises under those systems without providing you any rights; and (4) develop other marks that may be similar to the OTB Marks and exclude those similar marks from the OTB Marks, in which case you will have no right to use them.

If we determine it to be advisable to modify or discontinue use of any names or Marks and/or use one or more additional or substitute names or Marks, then you must comply with any such decisions at your own cost and expense.

No Superior Prior Rights

Other than the agreement described above with La Salsa, we know of no superior prior rights or infringing uses that could materially affect your use of the principal trademarks in the state where your franchised business will be located.

ITEM 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Patents and Copyrights

We presently own no rights in or to any patents, patent applications, or copyright registrations which are material to the franchise. As of the date of this Disclosure Document, we do not have any pending patent applications that are material to the franchise. We have proprietary rights and copyright interests in certain materials which are made available for your use, including printed materials such as the Manuals and other printed matter, artwork, and audiovisual material. You are entitled to use these materials during the term of the Franchise Agreement.

Confidential Manuals and Other Confidential Information

We claim proprietary rights in other confidential information and trade secrets contained in our Manuals. Our confidential and trade secret information contains, in general terms, information, drawings, knowledge, know-how, and techniques used in or related to the operation of an OTB Restaurant, including best practices, recipes, and terms and conditions of supplier, vendor, and other contracts.

You and your owners must at all times treat the Manuals, and the information contained in those manuals, as confidential. You must not copy, duplicate, record or otherwise reproduce those materials or make them available to any unauthorized person. The Manuals are our sole property and must at all times be kept in a secure place on the OTB Restaurant premises. We may revise the contents of the Manuals, and you must comply with each new or changed standard. You must at all times ensure that the Manuals are kept current and up-to-date, and, if there is any dispute as to the contents of the Manuals, the terms of the master copy of the Manuals we maintain at our home office will be controlling.

In addition to our Manuals, you and your owners must protect our other confidential information. You and your owners may not, during the term of the Franchise Agreement or any other agreement between us, or after their termination or expiration, communicate, divulge, or use for the benefit of any other person or legal entity, any confidential information, drawings, knowledge, or know-how concerning the methods of development or operation of OTB Restaurants which may be communicated to you or them or of which you or they may learn in operating OTB Restaurants under the Agreements. You and your owners may divulge the confidential information to only those of your employees that must have access to it in order to develop or operate the OTB Restaurants. All information, drawings, knowledge, know-how, and techniques used in or related to the OTB Restaurant which we communicate in writing or otherwise to you, including, software licensed or provided by us, the Manuals, recipes, plans and specifications, marketing information and strategies, and site evaluation and selection techniques are confidential for purposes of the Agreements. There may be certain, limited circumstances where applicable law allows for the disclosure of certain trade secrets, as specified in the Manuals.

There is no infringing use known to us which would materially affect your use of such proprietary and/or copyrighted materials, including the Manuals.

You must promptly notify us when you learn about any unauthorized use of our proprietary

information. We are not obligated to take any action, but we will respond to your notification of unauthorized use as we deem appropriate, including without limitation controlling any litigation and asserting defenses. You must also agree not to contest our interest in these or our other proprietary information. We will reimburse you for damages and reasonable costs you incur as a result of any action brought by a third-party concerning your use of our proprietary information.

If you or your owners fail to comply with the confidentiality requirements of the Franchise Agreement or other agreements between us, it will cause us irreparable injury (in addition to any other remedies we have) and you and your owners must pay all our court costs and our reasonable attorneys' fees incurred in obtaining specific performance of, or an injunction against any violation of, the requirements of the agreements concerning confidentiality.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are not obligated to personally participate in the direct operation of the franchised business, although we recommend you do so because of the nature of the business. Although the Franchise Agreement does not require a franchisee to personally participate in the direct operation of the franchised business, the Franchise Agreement requires you to hire and designate an operator responsible for the direct oversight of the day-to-day operation and management of the franchised business that does personally participate in the direct operation of the franchised business. We also require you to hire and retain not less than three managers for the restaurant or two managers and one shift supervisor.

Although not required, we recommend franchisees that are individuals maintain "on-premises" supervision. The only limit on who you can hire as an "on-premises" supervisor is one that (1) successfully completes our initial training program and (2) completes any additionally required and current training. If the franchisee is a business entity, the franchisee is not required to provide its "on-premises" supervisor with any amount of equity interest.

All franchisees are required to ensure its "on-premises" operators and managers comply with all required restrictions designed to protect our intellectual property, such as trade secret, proprietary, and confidential information, through reasonable confidentiality, non-disclosure, and non-compete agreements.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We impose restrictions and conditions on the goods and services you may offer and sell. Specifically, we require you to offer and sell at your Restaurant only those food and beverage products we have approved, as set forth in Item 8 of this FDD. No other items may be served without our prior written consent. You are not obligated to carry all our approved food and beverage products, but you need to obtain our prior written approval to remove certain products from your menus.

Products or groups of products sold or to be sold by you at your OTB Restaurant(s) may be added or eliminated by us from time to time. There are no limits or restrictions on our right to make

changes to those goods and services you are required to sell.

The OTB Restaurant will be open to the general public and there are no limitations on the customers you may serve, subject to all applicable federal, state, and local governmental guidelines and ordinances including, without limitation, the Center for Disease Control and Prevention guidelines. You may also provide goods and services through catering services. You may provide catering services from your OTB Restaurant if you obtain our prior approval and you satisfy our operating standards for catering (our approval will apply prospectively for all catering operations and your ability to provide catering services on a regular basis; you need not seek our approval of, and we do not approve or disapprove, individual catering jobs or engagements.) You may not conduct, engage in, subcontract to third-parties, or authorize or permit any person, entity or third-party to engage in, delivery operations at or from the OTB Restaurant except with our prior approval and in connection with catering.

As noted above in Item 12, you may not offer or sell products or services authorized under the Franchise Agreement through any other means, including without limitation through satellite locations, temporary locations, mail order, telephone, the Internet, or through any electronic media.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Presented below are: (1) the Gross Sales and non-real estate related operating costs for all OTB Restaurants operated by OTB during 2021, 2022, and 2023; and (2) the Gross Sales for all domestic OTB Restaurants operated by franchisees during 2021, 2022, and 2023. The financial performance representations for OTB Restaurants operated by OTB are based upon actual sales and costs incurred by all operating outlets and exclude real estate costs as well as fees relating to the business' operation, including royalty obligations, advertising expenses, and third-party fees such as credit card and delivery fees.

"Gross Sales" includes all revenue resulting from all sales which include the sale of food, beverages, goods, and merchandise or services in, from, occurring, or arising from the operation of all business from an OTB Restaurant's premises, including the operation of an OTB Restaurant. This includes the sale of all services, goods, and products, as well as all other income of every kind and nature related to the OTB Restaurant, including, on-premises sales, off-premises sales, catering sales, internet sales, and any other type of sale relating to the OTB Restaurant, whether or not such sales have been approved or authorized by us, and whether for cash, credit, gift, or barter and with no deductions or exclusions whatsoever (including for any third-party delivery services or processing fees); provided, however, that Gross Sales shall not include any of the following: (i) service personnel tips; and (ii) any sales taxes or other taxes collected by you for transmittal to the appropriate taxing authority. We reserve the right to modify the definition of "Gross Sales" including those items exempted from the definition in our sole and absolute discretion.

The financial performance representations for OTB Restaurants operated by franchisees are based upon the Gross Sales reported to OTB. This financial performance representation was prepared without an audit. No certified public accountant conducted an audit of these financial performance representations or provided an opinion regarding their content or form.

Please read all of the information in this Item 19 carefully, and all of the notes following the charts, in conjunction with your review of the historical data. **A new franchisee's individual financial results will differ from the results stated in this Item 19. There is no assurance that you will do as well. If you rely upon our figures, you must accept the risk of not doing as well.** OTB will provide written substantiation for the financial performance representations set forth below upon reasonable request.

California residents and those operating their OTB Restaurant in California should review the State Specific Addenda for additional information about this Item 19.

A. OTB Owned and Operated Locations for Fiscal Years 2021 through 2023

1. 2021 Fiscal Year

OTB owned and operated 113 locations that were open during OTB's entire fiscal year which spans December 30, 2020 through December 28, 2021. The 113 locations represent restaurants operating for various lengths of time with an average operating history of 19.4 years in communities with disparate demographics and income levels across the United States.

The first table sets forth the annual Gross Sales for OTB's 113 restaurants operating for the entire 2021 fiscal year. The first table sets forth the highest level of Gross Sales achieved, as well as the lowest, among the 113 OTB owned and operated locations. It also sets forth the average Gross Sales achieved at the 113 OTB owned and operated locations in fiscal year 2021, as well as the number of restaurants meeting or exceeding the average Gross Sales achieved. It further sets forth the median Gross Sales achieved at the 113 OTB owned and operated locations in fiscal year 2021, as well as the number of restaurants meeting or exceeding the median Gross Sales achieved.

In the second table relating to the 113 OTB Restaurants OTB owned and operated for the entire fiscal year of 2021, we separated the 113 OTB Restaurants into three tiers based on average Gross Sales achieved during that time period. The first tier contains financial information for the 28 OTB Restaurants with the top twenty-five percent (25%) of Gross Sales achieved for the 2021 fiscal year. The OTB Restaurants in this tier have operated for an average of 18.8 years. The second tier contains financial information for the 57 OTB Restaurants achieving Gross Sales in the middle fifty percent (50%) of the 113 OTB Restaurants in fiscal year 2021. The OTB Restaurants in this tier have operated for an average of 19.9 years. The third tier contains financial information for the 28 OTB Restaurants with the lowest twenty-five percent (25%) of Gross Sales achieved for the 2021 fiscal year. The OTB Restaurants in this tier have operated for an average of 19.4 years.

The second table sets forth four categories of information. The first category of information sets forth the average, median, high, and low Gross Sales achieved the number of restaurants identified in the relevant tier. The second category of information sets forth the average, median, high, and low for the "Cost of Goods Sold" incurred for the number of restaurants identified in the relevant tier. "Cost of Goods Sold" reflects delivered food and beverage costs including liquor, beer, wines, and other bar costs, non-alcoholic beverages, meat, seafood, poultry, produce, dairy, bakery, and other foods such as sauces, desserts, shortening, salsa, rice, beans, and other miscellaneous foods, and any rebates received from our suppliers. Your cost may be different due to limited buying power and delivered cost fluctuations based on the geographic location of your

restaurant and are susceptible to fluctuations in underlying cost of commodities. The third category of information sets forth the average, median, high, and low for the “Labor” costs incurred for the number of restaurants identified in the relevant tier. “Labor” reflects manager salaries, total hourly employee wages, bonus, payroll taxes, other employee benefits, and workers compensation. It does not include the cost of training our managers, including their salary while in training. Your cost may differ based on minimum wage requirements depending upon the City or State in which your restaurant is located. Your costs may also differ due to the wages and level of benefits you provide, as well as your cost of statutory expenses such as workers compensation and unemployment taxes. You should expect your level of Gross Sales, as well as your specific Cost of Goods Sold, and Labor to differ from ours because, among other reasons, we have significant economies of scale and experience in operating these types of restaurants. We did not include occupancy costs in the following table because, among other reasons, of the variance in costs based upon geographic location, prevailing occupancy rates, and the different options and financial structures for possessory interests.

The below tables and information for domestic OTB Restaurants operated by franchisees during the years 2021 through 2023. Our management team prepared this financial performance representation based upon the sales reports provided to OTB by its franchisees. We only included information regarding Gross Sales because our franchisees do not currently report information regarding the costs and expenses relating to operating their franchise locations. We have not audited the information provided by the franchisees. In addition, this financial performance representation was prepared without an audit. No certified public accountant conducted an audit of these financial performance representations or provided an opinion regarding their content or form.

Notes

1. OTB did not include the financial performance for the 14 franchised locations currently operating in South Korea in any of these financial performance representations.

2. SOME OUTLETS HAVE EARNED THESE AMOUNTS. YOUR INDIVIDUAL RESULTS MAY DIFFER. THERE IS NO ASSURANCE THAT YOU WILL SELL AS MUCH. WE ARE NOT REPRESENTING THAT YOUR FRANCHISE WILL MEET OR EXCEED THE AVERAGE GROSS SALES IN THE ABOVE TABLES. IF YOU RELY UPON OUR FIGURES, YOU MUST ACCEPT THE RISK OF NOT DOING AS WELL. PLEASE CAREFULLY READ ALL OF THE INFORMATION IN THESE FINANCIAL PERFORMANCE REPRESENTATIONS AND THE NOTES IN CONJUNCTION WITH YOUR REVIEW OF THE HISTORICAL DATA.

3. You should conduct an independent investigation of the costs and expenses you will or may incur in operating your franchised OTB Restaurant. Franchisees or former franchisees listed in this disclosure document may be one source of this information. Franchised OTB Restaurants operate under the same System and with similar operating procedures and requirements as the company-owned OTB Restaurants above. However, a franchised OTB Restaurant will incur certain types of additional franchise-specific expenses (for example, royalty payments and other fees and costs noted above) that company-owned restaurants do not pay. We advise you to do your own research with professionals of your choosing to determine whether the franchise may be profitable. You should consult with attorneys, accountants, and other professionals of your choosing before entering into a Franchise Agreement. You should use this information only as a reference to conduct your own analysis of the franchise opportunity. Among other things, you should construct your own pro forma cash flow statement, balance sheet, and statement of operations, and make your own financial projections regarding sales, revenues, costs, customer base, and business development for your OTB Restaurant before deciding to purchase an OTB franchise.

4. Actual results vary from franchisee to franchisee and location to location depending upon a number of factors. If you rely on our figures, you must accept the risk of not doing as well. We cannot estimate or predict the results that you may experience as a franchisee. Your results will be affected by factors such as prevailing economic or market area conditions, demographics, geographic location, prevailing real estate costs and wages, local laws relating to wages and benefits, interest rates, your capitalization level, the amount and terms of any financing that you may secure, the property values and lease rates, your business and management skills, staff strengths and weaknesses, and the cost and effectiveness of your marketing activities. These charts and the data presented should not be considered a representation or guarantee that you will or may achieve any level of revenue, sales, or profits, or that you will experience the same or similar expenses or costs in the operation of your OTB Restaurant.

5. Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management team by contacting Brian Shaughnessy, On the Border Director of Franchise, 2201 West Royal Lane, Suite 170, Irving, Texas 75063, (972) 499-3000, the Federal Trade Commission, and the appropriate state regulatory agencies.

ON THE BORDER MEXICAN GRILL & CANTINA® FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the “Franchise Agreement”) is made and entered on this _____ day of _____, __ (the “Effective Date”) by and among OTB Acquisition LLC, a Delaware limited liability company, with its principal place of business at 2201 West Royal Lane, Suite 170, Irving, Texas 75063 (“OTB”) and _____, with its principal place of business at _____ (“Franchisee”).

RECITALS

WHEREAS, OTB developed, owns, and operates a distinctive system for the development, establishment, and operation of a casual sit-down Mexican border-style restaurant which OTB may further improve or develop from time to time (the “System”) under the name “On the Border Mexican Grill & Cantina” and OTB’s current and future developed and associated copyrights, trade names, trademarks, service marks, logos, emblems, signs, slogans, and other indicia of origin (collectively, the “OTB Marks”); and

WHEREAS, Franchisee applied to OTB to purchase a franchise allowing Franchisee to own and operate a restaurant using the System and displaying OTB Marks (an “OTB Restaurant”), and OTB is willing to approve such application in reliance upon the information therein and subject to the terms and conditions of this Franchise Agreement.

NOW, THEREFORE, OTB and Franchisee (together, the “Parties”) agree as follows in consideration of the mutual terms and conditions set forth herein and other good and valuable consideration which the Parties acknowledge and agree creates a legally binding agreement.

I. GRANT OF FRANCHISE

A. Grant of Franchise. Subject to the terms and conditions herein, OTB hereby grants to Franchisee the non-exclusive right and franchise to operate an OTB Restaurant pursuant to the terms and conditions of the System and under the OTB Mark (the “Restaurant”) at the location designated on Exhibit ‘A’ to this Franchise Agreement (the “Location”). Franchisee shall use the Location solely for the operation of the Restaurant and for no other purpose. Franchisee shall not relocate the Restaurant without OTB’s prior written consent, which it may grant or withhold in its sole discretion.

B. Protected Area. OTB agrees that it will not establish or approve another restaurant to operate as an OTB Restaurant within the lesser of a maximum of a two and one-half (2½) mile radius of the Restaurant or such smaller radius as determined by OTB in its sole and absolute discretion and set forth on Exhibit ‘A’ (the “Protected Area”) depending upon the relevant population density, demographics, competitors, and other factors. OTB’s grant of this franchise and Protected Area does not imply or grant Franchisee the expectation or right to any other location or a delivery or catering area or territory. Franchisee agrees that airports, train stations, bus stations, highway rest plazas, travel plazas, stadiums, schools, colleges, university campuses, sports arenas, casinos, recreational theme parks, convention centers, kiosks, food courts, enclosed shopping malls and retail centers, Native American reservations, “big box” retail stores, venues in which

food service is or may be provided by a master concessionaire or contract food service provider, virtual kitchens, ghost kitchens or cloud kitchens, host kitchens, and other locations within institutional, governmental, or public service operations (“Non-traditional Locations”) will not be included in the Protected Area even if such Non-traditional Locations fall totally or partially inside the boundaries of the Protected Area.

1. OTB will accept or reject Franchisee’s proposed Location in its sole and absolute discretion pursuant to the terms of this Agreement and OTB’s then-current site selection and acceptance criteria and procedures. Franchisee acknowledges and agrees OTB may use a variety of criteria and procedures to evaluate a proposed Location submitted by Franchisee.

2. If the Restaurant Location or Protected Area are unknown as of the Effective Date, the Parties shall prepare and execute an updated Exhibit ‘A’ with the street address, city, state, and zip code, as well as the Protected Area when the Location and/or Protected Area are determined.

3. Franchisee will not offer catering or delivery services from the Restaurant Location within or outside of the Protected Area, except as specified in the Operations Manual or otherwise approved by OTB in writing. In the event OTB permits Franchisee to offer catering or delivery services from the Restaurant Location, Franchisee must comply with OTB’s standards, policies, and requirements as set forth in the Manual (as defined below) or otherwise in writing by OTB. OTB reserves the right to withdraw its permission for Franchisee to offer catering or delivery services from the Restaurant Location in its sole and absolute discretion upon thirty (30) days’ prior written notice.

4. Unless Franchisee executes OTB’s Catering Services Agreement, Franchisee agrees that it shall not conduct catering operations from the Restaurant’s premises. If Franchisee elects to execute OTB’s Catering Services Agreement, Franchisee agrees that it shall purchase or subscribe and install any computer hardware or software required to participate in the OTB’s catering program in accordance with OTB’s Catering Services Agreement. Franchisee further agrees that OTB, its franchisees, affiliates, or licensees may provide catering services within Franchisee’s Protected Area if Franchisee does not enter OTB’s Catering Services Agreement.

C. Non-Exclusive Rights. Franchisee expressly acknowledges and agrees that its franchise is non-exclusive and OTB, OTB’s parents, subsidiaries, affiliates, franchisees, and licensees may compete with Franchisee for customers within and outside of the Protected Area. OTB, for itself and on behalf of any other entity it may acquire, be acquired by, or become affiliated with, retains all rights not expressly granted to Franchisee. As such, OTB reserves the right to, among other things, directly or indirectly:

1. License others to establish, develop, construct, open, and operate OTB Restaurants notwithstanding any such OTB Restaurant’s proximity to Franchisee’s Protected Area or the actual or threatened impact on the Restaurant’s sales;

2. Own and operate OTB Restaurants except in your Protected Area;

3. Use the OTB Marks within or outside your Protected Area to promote itself, its products, its franchisees, or others;

4. Sell and provide services authorized for sale by OTB (including products and services sold by Franchisee) using the Marks or other trade names, trademarks, service marks, logos, and commercial symbols through similar or dissimilar channels of distribution (such as the internet, telephone, mail order, catering, grocery stores, markets, convenience stores, wholesale clubs, applications, and other forms of electronic commerce) for sale within and outside of your Protected Area in our sole discretion;

5. Promote and advertise the System and fulfill catering orders within and outside your Protected Area;

6. License to third parties the right to offer and sell products and services displaying the OTB Marks or other tradenames and trademarks to the public through any distribution channel even though such products and services are similar to those offered by Franchisee whether within or outside of your Protected Area;

7. Develop and establish other tradenames, service marks, trademarks, logos, emblems, and indicia of origin which may be similar to, or different from, the OTB Marks (the "Other Marks") and OTB may exclude the Other Marks from the OTB Marks and, if so excluded, (i) Franchisee shall have no rights to the Other Marks, and (ii) Franchisor (on its behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise is or becomes affiliated with) reserves the right to establish, develop, construct, open, and operate restaurants, other food service operations, and other businesses under the Other Marks at any location (either directly or through a franchise, licensing, joint venture, or any other arrangement) whether within or outside the Protected Area;

8. Conduct catering sales, and/or permit affiliates, licensees, and/or other franchisees to conduct catering sales to customers regardless of whether such sales are within your Protected Area; and

9. Establish franchises and/or franchisor-owned outlets selling similar products and providing similar services under names and symbols including the OTB Marks.

D. Uniform Standards of Operation; Operations Manual; and System. In order to protect the reputation and goodwill of OTB and the OTB Marks, Franchisee must operate the Restaurant and comply with OTB's System and its uniform standard of operation set forth in OTB's operations manual as periodically updated from time to time in OTB's sole and absolute discretion on its then-current learning management system or other platform, whether in printed or electronic form, as reasonably adopted by OTB (the "Manual"), including purchasing all ingredients, supplies, materials, and other products used or offered for sale at the Restaurant from approved or designated manufacturers, suppliers, distributors, resellers and vendors (collectively, "Suppliers"). The Manual shall set forth the information, advice, standards, specifications, requirements, operating procedures, instructions, and/or policies relating to the operation of an OTB Restaurant and the System. Franchisee agrees the Manual is a critical and essential obligation under this Agreement

and that Franchisee will comply with the terms of the Manual, as amended from time to time in OTB's sole and absolute discretion, at all times. Franchisee agrees that OTB may, at any time and from time to time, revise, amend, delete from, or add to the System and the material contained in the Manual, and Franchisee expressly agrees to comply, at its sole cost and expense, with all such revisions, amendments, deletions, and additions. Franchisee shall strictly comply with all standards, specifications, terms, and conditions set forth in the Manual from time to time. Franchisee acknowledges and agrees that the Manual and its contents are confidential and proprietary to OTB and are OTB's sole and exclusive proprietary information and property, as is any password or other digital identification necessary to access the Manual on any intranet or extranet website. Franchisee shall not use the Manual or any information therein for any purpose other than the operation of its OTB Restaurant. Franchisee disclaims any right to use the Manual or its content except as expressly provided by this Franchise Agreement.

E. Sale of Products and Services. Franchisee shall only offer and sell those products and services authorized by OTB in accordance with the procedures and specifications set forth in OTB's Manual to customers for consumption on the Restaurant's premises or for carry-out.

F. Independent Contractor Relationship. The Parties agree that this Franchise Agreement does not create a fiduciary or other special relationship between them. Franchisee is an independent contractor. Nothing in this Franchise Agreement is intended to make either party an agent, employee, joint venturer, or legal representative of the other party for any purpose. It is the Parties' intention that neither is nor shall be deemed to be a joint employer of the other for any reason. Franchisee shall indemnify and hold OTB harmless from any claim, loss, damage, or liability arising from or relating to any claim or finding of joint employer between Franchisee and OTB.

G. Taxes. Franchisee shall promptly pay when due all taxes and/or fees levied or assessed and all accounts and other indebtedness of every kind incurred by Franchisee in the operation of its business (collectively, "Taxes"). In the event of any bona fide dispute as to Franchisee's liability for Taxes, Franchisee may contest the validity or the amount of such Taxes in accordance with procedures of the taxing authority or applicable law; however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against this Franchise Agreement, the Restaurant, and/or the Location (or any improvements thereon). Franchisee shall notify OTB in writing within three (3) days of the commencement or adjudication of any administrative, legal, or other proceeding that relates to the payment or contest of Taxes or any other indebtedness which may adversely affect Franchisees' financial condition or operation of the Restaurant.

II. TERM AND RENEWAL

A. Initial Term. The Franchise Agreement's term begins on the Effective Date and expires twenty (20) years from the date upon which the Restaurant opens for business to the public (the "Grand Opening Date") as determined in OTB's sole and absolute discretion (the "Initial Term") unless sooner terminated by written agreement of the Parties or in accordance with the terms of this Franchise Agreement (the "Expiration Date").

B. Option and Conditions of Renewal. Provided Franchisee is in material compliance with the terms and conditions of this Franchise Agreement at all times during the Initial Term, Franchisee may elect to renew the franchise for two (2) additional terms of ten (10) years each (each a "Successor Term") subject to the following terms and conditions:

1. Franchisee shall give OTB written notice of Franchisee's request to enter a Successor Agreement (the "Successor Notice") not less than one hundred eighty (180) days before the Expiration Date but not more than three hundred sixty-five (365) days before the Expiration Date;

2. I. Payment of Fees. Payments for Royalties and Marketing Fund Contributions are due on the Tuesday following the prior concluded week, which runs from Sunday through Saturday. All other contributions, fees, payments, or other amounts due from Franchisee to OTB are due and payable upon demand or receipt of any billing statement or invoice issued by OTB.

J. Interest. Franchisee shall pay interest on any amount not timely paid to OTB equal to the lesser amount of eighteen percent (18%) per annum or the maximum rate permitted by law.

K. Late Fee. Any payment not received by OTB on or before the date which payment is due is late. Franchisee shall pay OTB a late fee equal to fifty dollars (\$50) plus the actual fees and costs incurred by OTB as a result of Franchisee's failure to timely make any payment.

L. Reporting of Gross Sales. Franchisee agrees to record all Gross Sales on the POS System, as well as allow OTB access to such POS System or other computer software and systems in the manner, increments, and times OTB determines, in its sole and absolute discretion. Franchisee shall also submit to OTB a weekly report of its Gross Sales for the prior weekly reporting period determined by OTB in its sole and absolute discretion within two (2) days of its conclusion.

M. Method of Payment. Franchisee shall make all payments to OTB by the method specified by OTB in its sole and absolute discretion. Franchisee agrees to execute all authorizations, consents, or documents necessary to effectuate this obligation, including OTB's then-current form of electronic funds transfer agreement. Franchisee shall provide OTB with not less than ten (10) business days' written notice before changing banking institutions or accounts and will execute all authorizations, consents, or documents required by OTB.

N. Application of Payments Received. OTB may apply any payment received from Franchisee in OTB's sole and absolute discretion without regard for any designation or instruction by Franchisee.

O. Offset. OTB may offset any amount owed to Franchisee against amounts Franchisee owes to OTB at the time of OTB's obligation to Franchisee or thereafter. Franchisee shall not withhold, retain, deduct, credit, and/or offset any amounts which may be owed or claimed owed by OTB to Franchisee or any of its affiliates or related entities against any amounts due from Franchisee to OTB.

VIII. MARKETING PROGRAM

A. Program. Recognizing the value of advertising and the importance of the standardization of advertising, marketing, and public relations programs to the furtherance of the goodwill and public image of the System, Franchisee agrees to participate in the following advertising programs designated and required by OTB.

B. Marketing Fund. Franchisee agrees to pay OTB the Marketing Fund Contribution in addition to Royalties pursuant to Article VII.E above. All Marketing Fund Contributions collected by or for OTB will be deposited in one (1) or more separate accounts (referred to collectively as the "Fund"), all designated as "Marketing Fund." Franchisee agrees to pay any and all printing costs associated with the advertising, marketing, and promotion of its Restaurant Location and that such printing costs are not included in either the Marketing Fund Contribution or Production Fee (as defined below).

1. OTB will administer and control the Fund which may be used for: creation, production, and placement of advertising, in-store signs, in-store promotions, commercial or online and digital advertising; production and placement of media advertising, direct response literature, direct mailings, brochures, collateral advertising material, surveys of advertising effectiveness, other advertising or public relations expenditures relating to advertising OTB Restaurants' services and products; providing professional services, materials, and personnel to support the marketing function; conducting product and menu testing; creating, producing, and implementing Websites for OTB and/or its franchisees; and developing and maintaining

application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices. The Fund also covers fees for the creation and production associated with OTB’s database program. OTB reserves the right to add or delete from the above list at any time during the Term in its sole and absolute discretion. Franchisee agrees that OTB may update the list set forth in the Manual. OTB shall have sole discretion over all matters relating to the Marketing Fund and all related matters (consistent with its purposes and the provisions of the Franchise Agreement). In addition to the uses described above, the Marketing Fund may be used for (among other things) product development; signage; creation, production and distribution of marketing, advertising, public relations and other materials in any medium, including the Internet; administration expenses; legal fees incurred by or spent defending the Marketing Fund, brand/image campaigns; media; national, regional and other marketing programs; activities to promote current and/or future Restaurants and the OTB; agency and consulting services; research, any expenses approved by us (or other designee) and associated with franchisee advisory groups (if any); and all or portions of the salaries, benefits or expenses of people we employ who work on Marketing Fund matters (except that such salaries, benefits or expenses will be charged pro rata based on the time they spend on Marketing Fund matters). In addition, Marketing Fund Contributions may be used for website development/operation and to pay Internet, Intranet, URL, 800 or similar number, and other charges, fees and/or expenses. A brief statement regarding the availability of OTB franchises may be included in marketing and other items produced using the Marketing Fund. The Marketing Fund will be accounted for separately and may be used to pay all administrative and other costs of the Marketing Fund related to its activities and purposes and/or as authorized. All taxes of any kind incurred in connection with or related to the Marketing Fund, its activities, contributions to the Marketing Fund and/or any other Fund aspect, whether imposed on us, the Marketing Fund, or any other related party, will be the sole responsibility of the Marketing Fund. OTB shall have no obligation to ensure that expenditures by the Marketing Fund are or will be proportionate or equivalent to contributions to the Marketing Fund by you or the franchised OTB Restaurants operating in any geographic area or that any Restaurant will benefit directly, indirectly, or in proportion to its contribution to the Marketing Fund.

2. OTB may reimburse itself or its designated representatives for administrative costs, independent audits, reasonable accounting, bookkeeping, reporting, and legal expenses, taxes, and other reasonable direct and indirect expenses incurred by OTB or its representatives in connection with the programs funded by and the administration and operation of the Fund. The advertising may be disseminated in print, television, radio, digital, or other interactive media. OTB and its representatives will not be liable for any act or omission that is consistent with this Agreement and done in good faith.

3. OTB assumes no direct or indirect liability or obligation to Franchisee with respect to collecting amounts due to, or maintaining, directing, or administering the Marketing Fund.

4. OTB and its representatives may spend in any fiscal year more or less than the aggregate contribution of all OTB franchisees to the Fund in that year, and the Fund may borrow from OTB or others (including OTB’s affiliates) to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Fund will be used to pay advertising costs before other assets of the Fund are expended. OTB may cause the Fund to be incorporated or operated through a separate entity at such time as OTB deems appropriate, and

such successor entity, if established, will have all rights and duties specified in this Article.

5. OTB and its representatives undertake no obligation to ensure that the Fund benefits each OTB Restaurant in proportion to its respective contributions. The Fund's primary purpose is to support sales of the entire OTB System and to build brand identity. Franchisee agrees to participate in any promotion campaigns and advertising and other programs that the Fund periodically establishes, which may include Franchisee's agreement to accept coupons issued by OTB or its affiliates.

6. The actual printing and manufacturing costs of physical items and shipping to the Restaurant is Franchisee's responsibility at its sole cost and expense. This may include limited time offer ("LTO") promotional and/or menu materials, and/or physical gift cards. Franchisee agrees to comply with the obligation and current list of items as set forth in the Manual.

7. OTB shall prepare an annual statement of the Fund's operations and shall make it available to Franchisee upon Franchisee's written request.

C. Production Fee. Franchisee acknowledges and agrees that Franchisee shall pay to OTB a continuing weekly fee for the purpose of maintaining, administering, directing, and preparing advertising, marketing, and promotional activities and creating, developing, and distributing advertising, marketing, and promotional materials and content for the Marketing Program and the benefit of the System and the goodwill associated with the OTB Marks (the "Production Fee").

OTB may collect the Production Fee either from Franchisee's Marketing Fund Contribution paid to the Marketing Fund or directly from Franchisee in its sole and absolute discretion.

D. Local Advertising, Marketing, and Promotion. Franchisee acknowledges and recognizes the need to aggressively advertise, market, and promote Franchisee's Restaurant on a local basis ("Local Advertising"). Accordingly, OTB requires Franchisee to participate in Local Advertising whereby Franchisee shall spend and hereby agrees to spend no less than one percent (1%) of the Restaurant's Gross Sales (the "Local Spend") on Local Advertising initiatives as defined and set forth in the Manual for the benefit of the Restaurant. Franchisee shall use the Local Spend on, and pay it to, local advertising and media sources to support Franchisee's operation and Restaurant Location in the local market. Unless requested or required by OTB, Franchisee's Local Spend will not be paid to OTB. Franchisee agrees OTB may, in its sole discretion, reduce or increase the minimum Local Spend upon thirty (30) days' prior written notice to Franchisee, however, Franchisor may not increase the Local Spend to greater than two and a half percent (2.5%) of Gross Sales during the Term.

1. Franchisee may expend the Local Spend as and when Franchisee reasonably deems appropriate, so long as the Franchisee's expenditure schedule is first approved in writing by OTB in OTB's reasonable discretion.

2. Franchisee shall provide OTB with written statements and documentation, including all source documents, demonstrating Franchisee's compliance with its obligation to conduct Local Advertising and meet its Local Spend obligation within thirty (30) days' of OTB's written request.

3. Franchisee's failure to comply with its obligation to conduct Local Advertising and meet its Local Spend obligation is a material default of this Agreement. In such instance, OTB may require Franchisee to remit the required amount of Local Spend to OTB so that OTB may utilize the Local Spend to conduct Local Advertising for the benefit of the Restaurant. Franchisee agrees this right and remedy is in addition to any other right or remedy OTB may have as a result of Franchisee's failure to comply with its obligation to conduct Local Advertising and meet its Local Spend obligation.

E. Advertising Standards and Approval. Franchisee agrees to obtain OTB's prior written consent to any and all advertising, marketing, and/or promotional plans and material ("Advertising Plans and Material") used by Franchisee and that all such Advertising Plans and Material shall comply with OTB's specifications and standards as set forth in the Manual. Franchisee shall timely pay OTB for any and all Advertising Plans and Material created by OTB for Franchisee. All advertising and promotion by Franchisee in any medium shall be conducted in a dignified manner and shall conform to OTB's standards and brand guidelines as set forth in the Manual or otherwise in writing and updated from time to time. Franchisee shall use only Advertising Plans and Material approved in advance in writing by OTB or its designee. Any materials independently developed by Franchisee shall be submitted to OTB for OTB's written approval prior to use. OTB shall oversee all advertising programs and campaigns with sole discretion over the creative concepts, materials and media used in same and the placement and allocation thereof. These obligations shall apply in all respects to Franchisee's distribution and display of advertising, marketing, and/or

promotional materials in any medium (including, without limitation, print, radio, television, and the display or use by Franchisee of advertising and promotional materials and the OTB Marks on the internet).

F. Internet; Social Media; and Electronic Commerce. Franchisee shall not use the OTB Marks over the internet (or any other form of social media platforms or apps or website creation) without OTB's prior written consent. OTB will set up an informational page for the Restaurant Location and host it on OTB's main websites. Franchisee shall not develop, create, establish, and/or use any website; any social networking site such as Facebook, Twitter, LinkedIn, Pinterest, Instagram, Google Plus, blogs, vlogs, and other web and digital applications; or any other electronic media which uses, and/or creates any association with, the System and/or the OTB Marks (including any abbreviation, acronym, phonetic variation, or visual variation) without OTB's prior written consent.

1. All domain names using, and/or creating any association with, the System and/or the OTB Marks (including any abbreviation, acronym, phonetic variation, or visual variation) shall be registered in OTB's name. Franchisee shall not register any domain name in any class or category that uses or creates any association with the System and/or OTB Marks (including any abbreviation, acronym, phonetic variation, or visual variation) without Franchisor's prior written consent.

2. Franchisee agrees any use of the OTB Marks through the internet or other digital platform must (i) receive OTB's prior written approval and (ii) comply with all standards, specifications, terms, and conditions set forth in the Manual.

G. Grand Opening Marketing. At Franchisee's sole expense, Franchisee will conduct a grand opening advertising and promotional program for the Restaurant at the time and in the manner specified by OTB in the Manual. Prior to the Restaurant's opening, Franchisee shall spend or make the Grand Opening Marketing Contribution on a public relations, marketing and promotional campaign related to the grand opening of Franchisee's Restaurant. If Franchisee directly conducts the Grand Opening Marketing Program, Franchisee must submit a detailed list of the expenditures to OTB within sixty (60) days of the Restaurant's Grand Opening Date establishing its expenditure of the Grand Opening Advertising Contribution.

IX. OWNERSHIP AND USE OF THE OTB MARKS AND GOODWILL

A. Ownership of OTB Marks and Goodwill. Franchisee acknowledges and agrees that OTB owns all right, title, and interest to any and all of its copyrights, the OTB Marks, and goodwill associated therewith. Franchisee disclaims any and all claims to ownership, whether direct, indirect, or beneficial, in all of OTB Marks and all goodwill associated therewith and agrees not to directly or indirectly contest the validity or OTB's ownership of the OTB Marks.

B. Use and Display of the OTB Marks. OTB hereby provides Franchisee with a limited license to use and display the OTB Marks subject to the terms and conditions herein and set forth in the Manual. Franchisee's limited license to use and display the OTB Marks is derived solely from this Franchise Agreement. Franchisee's right to use and display the OTB Marks is limited to the

conduct of business of the Restaurant and shall comply with this Franchise Agreement and Manual. Franchisee shall not use any of the OTB Marks or engage in acts or omissions which may, in OTB's sole and absolute discretion, be in bad taste or inconsistent with OTB's public image, otherwise tend to disparage, ridicule, or scorn upon OTB, the OTB Marks, or the goodwill associated therewith. Franchisee agrees that any goodwill established in the OTB Marks as a result of Franchisee's use and display of the OTB Marks does not confer any goodwill or other interest to Franchisee and, instead, inures to OTB's sole and exclusive benefit. Any unauthorized use or display of the OTB Marks by Franchisee shall constitute an infringement of OTB's rights. Upon the expiration or termination of this Franchise Agreement, Franchisee agrees to (i) immediately cease and desist from any further use or display of the OTB Marks or any colorable imitation thereof and (ii) not directly or indirectly identify Franchisee or its owners as a current or former OTB Restaurant.

C. Third-Party License. Franchisee acknowledges and understands that OTB is a party to a license agreement that permits an authorized third-party licensee to use and display the OTB Marks in the manufacturing, distribution, and sale of chips, salsa, guacamole, dips, queso, soups, food products, drink mixes, pre-packaged meals, meal kits, and other similar products directly to consumers through alternate channels of distribution, including, among others, internet, catalog sales, telemarketing, supermarkets, grocery stores, wholesale clubs, convenience stores, retail outlets, wholesalers, or other direct marketing efforts including within Franchisee's Protected Area and local marketing area.

D. Development, Modification, Substitution, or Discontinuance of the OTB Marks. Franchisee acknowledges and agrees that OTB will continue to develop, modify, substitute, and/or discontinue the OTB Marks. Franchisee agrees to comply with any such development, modification, substitution, and/or discontinuation in accordance with the time period reasonably required by OTB at Franchisee's sole cost and expense.

E. Notification of Infringement and Claims. Franchisee agrees to immediately notify OTB of any use or display of or any alleged claim to the OTB Marks, any colorable variation thereof, or any other mark confusingly similar thereto by any entity or person other than OTB, its franchisees, and its licensees (an "Infringement"). Franchisee agrees to execute any and all documents and render such assistance as OTB deems reasonably necessary to support any assertion or prosecution of any claim or defense made by OTB in any proceeding relating to such Infringement.

F. Indemnification of Franchisee. OTB will indemnify and hold Franchisee harmless against any and all direct loss, claims, and damages incurred by Franchisee relating to Franchisee's approved use of the OTB Marks in accordance with OTB's standards and specifications. OTB shall have the right, but not the obligation, to assume the defense of any such action. In the event OTB assumes such defense, Franchisee shall provide, at no charge, all necessary and reasonable assistance to OTB.

X. RECORD KEEPING, OTB ACCESS, REPORTS, AND AUDITS

A. Books and Records. Franchisee shall maintain and preserve for not less than seven (7) years from the date of preparation, full, complete, and accurate books, records, accounts, and reports in

accordance with generally accepted accounting principles and in the form and manner prescribed by OTB in its Manual from time to time.

B. Computer System Access. Franchisee agrees to provide OTB with unimpeded and independent access to its computer system so that OTB may access, poll, or otherwise obtain all of Franchisee's point-of-sale and other computer related data, including all Gross Sales, regardless of where maintained, in the form, manner, and times OTB requests at Franchisee's sole cost and expense.

C. Reporting. Franchisee shall provide OTB with reports regarding Gross Sales, cost of goods sold, labor, rent, administrative expense, and other relevant financial and operational data related to the operation of the Restaurant at the time and in the form, manner, weekly increments, and times requested by OTB at Franchisee's sole cost and expense.

D. Audit. Upon OTB's written request, Franchisee shall promptly submit to OTB for review and auditing all books, records, accounts, forms, reports, bank account statements, source documents, sales tax forms, personal tax returns, and other documents or material requested by OTB (collectively, the "Audit Materials").

1. Franchisee shall provide OTB and its designated agents or representatives with access to examine, at OTB's expense, the Audit Materials, including all bank account statements for accounts in which Franchisee deposits funds received from the operation of the Restaurant. OTB may have an independent audit made of the Audit Materials.

2. Franchisee shall pay OTB upon demand all amounts due and owing plus late fees and interest as set forth in Article VII if any such inspection or audit reveals Franchisee understated the Restaurant's Gross Sales or any payments due and owing OTB or its affiliates (the "Understated Amounts Due"). Franchisee also agrees to reimburse OTB for the full cost of the audit or inspection if such audit or inspection reveals Franchisee Understated Amounts Due in an amount greater than two percent (2%) of any amount due. Franchisee agrees these remedies are in addition to any of OTB's other rights or remedies.

3. Franchisee shall cooperate with the audit timely and in good faith. Failure to do so is a material breach of this Franchise Agreement.

XI. INDEMNIFICATION AND INSURANCE

A. Indemnification by Franchisee. Franchisee agrees to indemnify and hold OTB and all of its affiliated parties, including its indemnities, agents, owners, officers, directors, employees, parent companies, and affiliated companies (the "Indemnified Parties"), harmless against any cost, damage, expense, liability, or loss which any or all of them may suffer or incur which arise from or in connection with Franchisee's: (1) providing OTB with any false or misleading information, including in its franchise qualification and application package; (2) operation of its business; (3) breach of this Franchise Agreement; and (4) use of the OTB Marks in a manner which is inconsistent with the law or OTB's standards, specifications, policies, and procedures.

1. The Indemnified Parties shall provide Franchisee with written notice of its request for indemnification within thirty (30) days of OTB receiving written or actual notice of such claim or demand. Franchisee agrees that the Indemnified Parties' failure to provide such written notice shall not constitute a waiver of any rights of the Indemnified Party hereunder or at law.

2. Franchisee agrees that it shall directly pay all reasonable legal and accounting fees, costs of investigation, court costs, litigation expenses, expert witness fees, and travel and accommodation expenses incurred by the Indemnified Parties (the "Indemnification Costs") in advance of the incurrence of such Indemnification Costs. Failure or delay by the Indemnified Parties to demand payment of the Indemnification Costs shall not constitute a waiver of the Indemnified Parties' right to advancement. An Indemnified Parties' right to advancement shall be determined without the need for evidence and based solely on the pleadings. Any doubt regarding the entitlement to advancement shall be resolved in favor of advancement to the Indemnified Parties.

3. The Indemnified Parties may exercise exclusive control of the defense of any such claim or demand in such matter as they, in their sole and absolute discretion, deem advisable or appropriate. Franchisee agrees that it shall not make any admission or concession or in any way impair defenses to the claim or demand on it or the Indemnified Parties' behalf or offer to compromise any claim or demand without the Indemnified Parties' written consent, which the Indemnified Parties may grant or withhold in their sole and absolute discretion.

4. Franchisee agrees that the terms and conditions of this provision are not the Indemnified Party's exclusive remedy against Franchisee for such claim or demand and the Indemnified Party specifically reserves all rights and remedies they may otherwise have available to them at law or in equity.

5. Franchisee agrees that the Indemnified Parties are not required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Franchisees. Franchisee agrees that OTB's failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Franchisee by the Indemnified Parties.

B. Minimum Insurance Requirements. Franchisee agrees, at its sole cost and expense, to procure and maintain in good standing at all times during the Term all types and forms of insurance with the policy limits, provisions, and endorsements required and set forth in the Manual from time to time. Franchisee acknowledges and agrees it shall procure and maintain at least the following types of insurance coverage: builders' risk (if applicable); comprehensive general liability; business automobile liability; worker's compensation; all-risk perils, including fire and flood; alcoholic beverages and/or liquor liability; business interruption; employee dishonesty; cyber risk; and an umbrella coverage. Franchisee further agrees such policies shall be written by an insurance company or companies approved by OTB with a rating of at least "A+" in the most recent Key Rating Guide published by the A.M. Best Company (or another rating that Franchisor reasonably designates if A.M. Best Company no longer publishes the Key Rating Guide) and licensed to do business in the state in which the Restaurant is located. Franchisee agrees all policies

shall name the Indemnified Parties as additional insureds, provide primary coverage for all of the Indemnified Parties, and not be cancelled unless OTB is given sixty (60) days' prior written notice.

XII. TRANSFER; RIGHT OF FIRST REFUSAL; OPTION TO PURCHASE

A. Transfer by OTB. OTB may assign or transfer any or all of its rights, title, and interest in this Franchise Agreement and/or any of its rights or obligations herein to any other person or legal entity without Franchisee's consent and all such rights, title, interest, and obligations shall inure to the benefit of any transferee or other legal successor to OTB.

B. Transfer by Franchisee. Franchisee acknowledges and agrees that OTB's grant to Franchisee herein and the rights and obligations set forth in this Franchise Agreement are personal to Franchisee and granted to Franchisee based on OTB's reliance upon the information set forth in Franchisee's application, as well as Franchisee's aptitude, attitude, business ability, character, financial capability, and reputation. Therefore, Franchisee shall not assign, convey, gift, hypothecate, pledge, mortgage, sell, transfer, or otherwise encumber (collectively, a "Transfer") any or all of Franchisee's interest in this franchise, the Franchise Agreement, Franchisee, the Restaurant, the Location, the Location Agreement, or substantially all of Franchisee's assets without (i) OTB's prior written consent, which OTB may grant, withhold, or condition in its sole and absolute discretion; (ii) strictly complying with the conditions set forth herein and OTB's then-current policies and procedures; and (iii) providing OTB with ninety (90) days to determine whether it will exercise its right of first refusal. Franchisee agrees any purported Transfer, by operation of law or otherwise, without OTB's prior written consent is null and void.

C. Conditions of Approval. In addition to receiving OTB's prior written consent, Franchisee must strictly comply with the following terms and conditions prior to any Transfer:

1. Franchisee shall provide OTB not less than one hundred twenty (120) days' prior written notice of any proposed Transfer by Franchisee, as well as all reasonably requested data, information, agreements (including any fully executed purchase and sale agreements), documents, and materials relating to the proposed Transfer and proposed transferee, including the identities and details of all anticipated direct or beneficial owners of the proposed transferee (the "Transfer Request Material");
2. Franchisee shall provide OTB with ninety (90) days after OTB's receipt of the completed Transfer Request Material and any additionally reasonably requested data, information, agreements, or documents by OTB (the "Complete Transfer Request Material") to determine whether it will exercise its right of first refusal as provided herein;
3. All amounts due and owing to OTB, its affiliates, and Suppliers by Franchisee shall be current, fully paid, and satisfied;
4. Franchisee shall not be in default of any term, condition, or provision of this Franchise Agreement;

5. Franchisee and the proposed transferee shall execute OTB's then-current forms of: (1) general release of any and all claims against OTB and its parent company, owner, officers, directors, and employees in their corporate and individual capacities, (2) subordination agreement subordinating any and all of Franchisee or the transferee's debts to or claims against the transferor to OTB; and (3) guaranty of all of transferee's obligations to OTB for a period of five (5) years;

6. Franchisee shall pay the Transfer fee set forth in Article XII.E below at the time of Transfer;

7. For Transfers of a minority ownership interest in Franchisee:

(a) The proposed transferee shall demonstrate to OTB's sole and absolute satisfaction that the proposed transferee meets or exceeds OTB's then-current requirements, standards, and qualifications for franchisee candidates and otherwise complies with OTB's then-current standards, specifications, policies, and procedures for franchisee candidates, including completing OTB's then-current franchise application;

(b) Transferee shall pay OTB's then-current fee for Initial Training and successfully complete Initial Training in OTB's sole and absolute discretion if transferee is going to assume the role of Owner's Representative or Restaurant Manager;

(c) Franchisee shall retain a majority ownership interest in Franchisee's business entity;

(d) Franchisee shall execute an agreement acknowledging and agreeing to remain bound by the terms and conditions of the Franchise Agreement; and

(e) Franchisee, transferor, and transferee execute a written assignment in a form satisfactory to OTB.

8. For Transfers of a majority ownership interest in Franchisee or Transfers of substantially all of Franchisee's assets:

(a) The proposed transferee shall demonstrate to OTB's sole and absolute satisfaction that the proposed transferee meets or exceeds OTB's then-current requirements, standards, and qualifications for franchisee candidates and otherwise complies with OTB's then-current standards, specifications, policies, and procedures for franchisee candidates, including completing OTB's then-current franchise application;

(b) Franchisee or transferee, as relevant, shall execute OTB's then-current form of franchise agreement, including any and all provisions that may materially differ from this Franchise Agreement;

(c) Transferee shall pay OTB's then-current fee for Initial Training and successfully complete Initial Training in OTB's sole and absolute discretion;

(d) Franchisee or transferee, as relevant, shall complete all repairs, maintenance, and remodeling required to conform the Restaurant and Location to OTB's then-current image, POS System, and other standards and specifications as set forth in the Manual;

(e) Transferee's business entity shall be newly organized and its organizational formation, ownership, and operational documents shall comply with OTB's then-current policies and procedures for franchisees and franchisee ownership, including executing any and all agreements, contracts, guarantees, or other documents required, and provide copies of all business formation, ownership, and operational documents to OTB;

(f) Transferee shall designate an Owner's Representative that shall comply with OTB's then-current policies and procedures for Owner's Representatives, including executing any and all agreements, contracts, guarantees, or other documents required; and

(g) Franchisee, transferor, and transferee, as relevant, shall execute a written assignment in a form satisfactory to OTB.

9. For Transfers of interest in the Location or Location Agreement:

(a) Franchisee or transferee, as relevant, shall maintain a possessory interest in the Location for the entire balance of the Term;

(b) Franchisee or transferee, as relevant, shall complete all repairs, maintenance, and remodeling required to conform the Restaurant and Location to OTB's then-current image, POS System, and other standards and specifications as set forth in the Manual;

(c) Franchisee or transferee, as relevant, shall execute and/or cause to be executed OTB's then-current Lease Addendum; and

(d) Franchisee, transferor, and transferee shall execute a written assignment in a form satisfactory to OTB if relevant.

10. For Transfers resulting from the death, disability, or permanent incapacity of any person with an ownership interest in Franchisee, the executor, administrator, personal representative, or trustee of such person or entity shall transfer the interest at issue to a third-party that meets OTB's approval within a reasonable time, not to exceed twelve (12) months from the date of death, disability, or permanent incapacity, in accordance with terms and conditions set forth herein.

D. Continuing Obligation. Franchisee acknowledges and agrees that OTB's consent to a Transfer shall not constitute a waiver of any claims OTB may have against the transferor nor shall it be deemed a waiver of OTB's right to demand strict compliance with any of the terms of this Franchise Agreement by the proposed transferee.

E. Transfer Fees. Franchisee agrees to pay a Transfer fee to OTB as follows: (i) two thousand five hundred dollars (\$2,500) if Franchisee Transfers a minority ownership interest in Franchisee; (ii) five thousand dollars (\$5,000) if the Transfer is to an existing OTB franchisee; and (iii) twenty-five thousand dollars (\$25,000) for all other Transfers.

F. Right of First Refusal. Franchisee agrees that all Transfers are subject to OTB's right of first refusal. If Franchisee or any of its direct or beneficial owners wish to (i) Transfer any or all of Franchisee's or any of its direct or beneficial owners' interest in this franchise, the Franchise Agreement, Franchisee, the Location, the Location Agreement, or substantially all of Franchisee's assets or (ii) receive a bona fide offer to Transfer any or all of Franchisee or any of its direct or beneficial owners' interest in this franchise, the Franchise Agreement, Franchisee, the Location, the Location Agreement, or substantially all of Franchisee's assets (together, an "Offer"), then Franchisee shall provide OTB with the Complete Transfer Request Material.

1. The Parties agree that an Offer may and does not include any property or rights not relating to any or all of Franchisee's or any of its direct or beneficial owners' interest in this franchise, the Franchise Agreement, Franchisee, the Location, the Location Agreement, or

substantially all of Franchisee's assets, and that OTB may reject and exclude any property or rights not related to any or all of Franchisee's or any of its direct or beneficial owners' interest in this franchise, the Franchise Agreement, Franchisee, the Location, the Location Agreement, or substantially all of Franchisee's assets in its sole and absolute discretion (the "Excluded Property"). Should an Offer contain Excluded Property, Franchisee shall resubmit the Offer with adjusted purchase and sale terms, including price, removing the Excluded Property and excluding any value for the Excluded Property.

2. OTB may exercise its right of first refusal for an Offer by providing Franchisee with written notice of its election to exercise its right of first refusal within ninety (90) days of its receipt of the Complete Transfer Request Material on substantially the same terms and conditions of the Offer provided:

- (a) OTB may substitute cash for any form of non-monetary compensation or payment plan set forth in the Offer with a discount to net present value for any deferred payments;
- (b) The final transaction documents between OTB and the transferor are modified as necessary to contain all customary representations and warranties given by a seller of the relevant right, title, and interest at issue;

3. If OTB does not exercise its right of first refusal for an Offer (a "Rejected Offer"), the final transaction contemplated by the Rejected Offer shall close within one hundred twenty (120) days after OTB received the Complete Transfer Request Material on the same terms and conditions set forth in the Rejected Offer. Should either (1) the terms of such Rejected Offer change or (2) the transaction contemplated by the Rejected Offer not close within one hundred twenty (120) days after OTB received the Complete Transfer Request Material, then Franchisee agrees to provide OTB with an additional right of first refusal during the thirty (30) day period immediately following (1) OTB's receipt of notice of a change to the Rejected Offer or (2) the expiration of the one hundred twenty (120) day period on the terms of the original Offer or the modified terms, at OTB's option.

4. OTB's decision to not exercise its right of first refusal under this Article XII.F shall not constitute a waiver of OTB's right to subsequently exercise its right of first refusal for any change in an Offer or any later proposed Transfer or Offer.

G. Option to Purchase. Upon expiration or termination of this Franchise Agreement, OTB has the right for a period of thirty (30) days after the date of such expiration or termination to provide Franchisee with written notice of OTB's election, in OTB's sole and absolute discretion, (the "Option Notice") to (i) purchase from Franchisee all or a part of the assets used in the operation of the Restaurant, including the land, building, and any and all furniture, fixtures, equipment, inventory, signage, or supplies, as determined (the "Restaurant Assets") and/or (ii) obtain an assignment of Franchisee's lease for the Location or directly lease the Location from Franchisee if Franchisee owns the Location (the "Option Lease"). In such instance, the Parties agree that the purchase price of the Restaurant Assets shall be their fair market value exclusive of any goodwill as agreed to by the Parties or, if unable to agree within ten (10) days of the Option Notice, an independent appraiser selected by both Parties within three (3) days who shall render an appraisal of the assets' fair market value exclusive of any goodwill which shall serve as the purchase price within ten (10) days. Likewise, the terms of any Option Lease between the Parties shall be on the

terms and conditions of OTB's then-current form of lease containing rent at a commercially available market rate for like-kind real estate as agreed to by the Parties or, if they are unable to agree within ten (10) days of the Option Notice, an independent appraiser selected by both Parties within three (3) days who shall determine the fair market rate for rent, which in no event, regardless of how determined, shall the rent exceed six percent (6%) of the Restaurant's annual Gross Sales for the prior twelve (12) month period. The Parties agree that the closing of the purchase of the Restaurant Assets and assignment of Franchisee's lease for the Location or entry into the Option Lease shall occur not more than sixty (60) days after OTB provides the Option Notice at which time OTB or its assignee shall pay the purchase price for the Restaurant's Assets in cash in exchange for Franchisee delivering to OTB or its assignee all right, title, and interest to the Restaurant Assets free and clear of all liens and encumbrances with sales and other transfer taxes paid by Franchisee and all permits and licenses associated with the Restaurant's operation assigned or transferred. The Parties agree that OTB or its assignee may set off against and reduce the agreed upon purchase price of the Restaurant Assets by any and all amounts then-owed by Franchisee to OTB. If OTB does not elect to purchase the Restaurant Assets or obtain an assignment of Franchisee's Lease for the Location or enters an Option Lease, then Franchisee may assign, transfer, sell, lease, or otherwise dispose of the Restaurant's Assets and Location Agreement (the "Post-Election Transaction(s)") provided that the Post-Election Transaction(s) contain an enforceable covenant from the purchaser(s) and enforceable by OTB as a known third-party beneficiary thereof that prohibits the use of the Location as a restaurant that is (1) quick service, fast-casual, and/or casual dining restaurants that are substantially engaged in the sale of Mexican cuisine if the gross sales of Mexican cuisine from the business is equal to or greater than twenty percent (20%) of all gross sales from the sale of all food (but not beverage) items from the business or (2) operating under the trade name Abuelo's, Baja Fresh, Blue Mesa, Cantina Laredo, Chevy's, Chi-Chi's, Chili's, Chipotle, Chuy's, Don Pablo's, El Chico, El Fenix, La Salsa, Mi Cocina, Moe's, Pappasito's, Rio Bravo, Rio Grande Cafe, Ted's Café Escondido, Tin Star, Jose Tejas, Border Café, or Uncle Julio's.

C. Cross-Termination. As a result, Franchisee agrees that OTB has the right to and may, in its sole discretion, terminate all other agreements between the Parties, including Franchisee's

XIV. OBLIGATIONS UPON EXPIRATION OR TERMINATION

A. Obligations Upon Expiration or Termination: Upon expiration or termination of this Franchise Agreement:

1. Franchisee shall immediately and permanently cease operations of the Restaurant and business franchised by this Franchise Agreement and, directly or indirectly, represents itself as a current or former OTB franchisee;
2. Franchisee shall immediately and permanently cease use of the System, as well as any and all use, display, advertising, marketing, and promotion of the OTB Marks and any trade names, trademarks, service marks, logos, emblems, signs, slogans, and other indicia of origin confusingly similar to or resulting in a colorable imitation of the OTB Marks;

B. Option to Purchase and Right to Possessory Interest. The Parties acknowledge and agree that the expiration or termination of this Franchise Agreement shall (i) trigger OTB’s option to purchase set forth in XII.G and (ii) cause an immediate termination of Franchisee’s right to possession of the Location in accordance with, among other things, the Lease Addendum.

C. Early Termination Damages. Franchisee acknowledges and agrees that OTB made a substantial investment in creation, development, evolution, and maintenance of the System and OTB Marks which creates value for the System and its franchisees, including Franchisee. In exchange for this investment and value, Franchisee acknowledges and agrees that its obligation to operate the Restaurant for the full Initial Term and, if granted, Successor Term is critical to OTB. As such, Franchisee agrees that, notwithstanding the Waiver of Damages contained in Article XVI.H, if Franchisee fails to operate the Restaurant for the full Initial Term and, if granted, Successor Term, or if OTB terminates this Franchise Agreement pursuant to XIII.A or XIII.B, then Franchisee shall pay to OTB damages equal to the amount of lost Royalties and Marketing Fund Contributions due pursuant to Article VII.D and VII.E for a period equal to the lesser of the balance of the Initial Term or, if granted, Successor Term or three (3) years after the date of termination (the “Early Termination Damages”). Franchisee agrees OTB may determine the amount of the Early Termination Damages by any method permitted by law or by: (1) calculating the average

weekly payments for Royalties and Marketing Fund Contributions for the twenty-four (24) week period preceding the date of termination (the “Average Weekly Payment”) and (2) multiplying the Average Weekly Payment by the lesser of one hundred fifty-six (156) or the number of weeks remaining in the Initial Term or Successor Term. Franchisee shall pay the Early Termination Damages upon receipt of demand from OTB. Early Termination Damages are in addition to any other damages or remedies available to OTB under this Agreement or applicable law.

XV. CONFIDENTIAL INFORMATION AND RESTRICTIVE COVENANTS

A. Confidential Information. OTB possesses and will continue to acquire and develop certain data, information, knowledge, know-how, and best practices that are proprietary to OTB relating to the development, method, and operation of OTB Restaurants, including that data and information relating to the System or contained in the Manual such as training materials, site selection, development, and construction specifications and standards, specifications and standards for furniture, fixture, and equipment, recipes, preparation methods, serving techniques, pricing, discounts, supplier information and contract terms, operational standards, strategic plans, marketing plans and strategies, restaurant performance, restaurant operating results and financial performance, and system sales results (collectively, “Confidential Information”). Franchisee acknowledges and agrees that it or its employees may provide OTB with information or improvements to the System. Franchisee acknowledges and agrees that any information or improvements relating to the System by it or its employees are considered a part of the Confidential Information. Franchisee hereby agrees OTB shall be deemed to own such information or improvements into the System and may sub-license or franchise such information or improvements.

B. Restriction on Use of Confidential Information. In consideration of OTB’s disclosure of its Confidential Information to Franchisee, among other things, Franchisee agrees not to communicate, copy, disclose, disseminate, divulge, misappropriate, transfer, or use OTB’s Confidential Information other than in the operation of Franchisee’s Restaurant during the Term and for a period of three (3) years after the Term expires or terminates. Franchisee further agrees that it will comply with all of OTB’s policies and procedures relating to Confidential Information.

C. Non-Compete Obligation. In consideration of OTB’s disclosure of its Confidential Information, license of the OTB Marks and the goodwill associated therewith, as well as other good and valuable consideration, Franchisee agrees that it shall not, for the Term and for a period of two (2) years after this Franchise Agreement expires or is terminated (the “Restricted Period”), either directly or indirectly, for itself or through, on behalf of, or in conjunction with any person, partner, business, entity, individual, or joint venturer own, develop, engage in, advise, assist, consult, invest in, franchise, make loans to, or have any direct, indirect, or beneficial interest in (i) any business that operates a quick service, fast-casual, and/or casual dining restaurants that are substantially engaged in the sale of Mexican cuisine if the gross sales of Mexican cuisine from the business is equal to or greater than twenty percent (20%) of all gross sales from the sale of all food (but not beverage) items from the business at the Location or within five (5) miles of any OTB Restaurant or (ii) any restaurant under the following tradenames: Abuelo’s, Baja Fresh, Blue Mesa, Cantina Laredo, Chevy’s, Chi-Chi’s, Chili’s, Chipotle, Chuy’s, Don Pablo’s, El Chico, El Fenix,

La Salsa, Mi Cocina, Moe's, Pappasito's, Rio Bravo, Rio Grande Cafe, Ted's Café Escondido, Tin Star, Jose Tejas, Border Café, and Uncle Julio's.

D. Owner's Representative and Restaurant Managers. Franchisee agrees to restrict disclosure of the Confidential Information to those of Franchisee's Owner's Representatives, Restaurant Managers, or employees that are directly connected with the performance of work requiring knowledge thereof and shall disclose only so much of the Confidential Information as is required to enable them to carry out their assigned duties and Franchisee shall advise Franchisee employees or agents of the confidential nature of such information and the requirements of nondisclosure thereof. Franchisee further agrees, represents, and warrants that Franchisee's Owner's Representatives, Restaurant Managers, and employees who receive training from OTB or with access to OTB's Confidential Information will execute restrictive covenants containing restrictions protecting OTB's Confidential Information and other legitimate business interests substantially similar to those contained in Article XV in a form approved by OTB.

E. Reasonableness. Franchisee agrees the covenants in this Article XV are fair and reasonable and will not impose any undue hardship on Franchisee because, among other reasons, Franchisee and its owners possess considerable other skills, experience, and education which afford Franchisee and its owners the opportunity to derive comparable earnings from other endeavors while complying with these restrictions.

F. Breach of Restrictions. Franchisee agrees that its failure to strictly comply with the terms and conditions of this Article XV is a material breach of default permitting OTB the right to immediately terminate this Franchise Agreement as set forth in Article XIII that will cause OTB irreparable injury as a matter of law. Accordingly, Franchisee hereby consents to the entry of an injunction prohibiting any conduct by it in violation of the terms of the restrictive covenants set forth herein. Franchisee further agrees that it may be conclusively presumed that any violation of the terms of these restrictive covenants were accomplished by and through Franchisee's unlawful use of OTB's Confidential Information.

G. Reformation. Should one or more provisions contained in this Franchise Agreement be held to be invalid, illegal, overbroad, or otherwise unenforceable in any respect, whether in whole or in part, then the Parties agree it is their intention that (i) the offending provision be modified and/or reduced in scope and term so that it is enforceable to the maximum extent permitted by applicable law; (ii) such invalidity, illegality, overbreadth, or unenforceability does not affect any other provision of this Franchise Agreement; and (iii) the provision at issue and this Franchise Agreement shall be construed as if such invalid, illegal, overbroad, or unenforceable provision was never contained herein. The Parties further acknowledge and agree that this provision specifically authorizes and does not prohibit the modification of the restrictive covenants set forth in this Franchise Agreement so that they are enforceable to the maximum extent permitted by law, whether such modification occurs pre-suit or during a legal proceeding, including any hearing on a motion seeking or objecting to a temporary restraining order or preliminary injunction, or after.

XVI. DISPUTE RESOLUTION; JURY WAIVER; DAMAGES LIMITATION

A. Mandatory Mediation. The Parties acknowledge and agree that they will participate in good-faith in a mediation proceeding conducted by a neutral mediator or mediation program agreed to by the Parties (or any mediator approved by the U.S. District Court of the Northern District of Texas or the federal jurisdiction of OTB's then-current principal place of business) if the Parties cannot agree within ten (10) days of the request for mediation, before either of the Parties pursues their claims, rights, and remedies in a legal proceeding regardless of the nature or origin of the dispute between the Parties unless the nature or origin of the dispute is an action for injunctive relief or specific performance arising from claims relating to Franchisee's use of the OTB Marks or Confidential Information, violation of the restrictive covenants set forth in Article XV, or involves an issue of public health and safety (the "Dispute"). The Parties agree to participate in the mediation within forty-five (45) days of receiving written notice of the other Parties' request for mediation under this provision. The Parties agree to participate in a mediation conference lasting at least four hours (the "Mediation") in good faith with the intention of resolving the Dispute. If the Dispute is not resolved within five (5) days of the conclusion of the Mediation, the Parties may pursue their claims, rights, and remedies relating to the Dispute in a legal proceeding. The Parties agree to each pay one-half of any fee associated with hiring a mediator and to bear their own legal fees and costs relating to the mediation.

B. Forum Selection; Choice of Law. The Franchise Agreement takes effect only upon its acceptance and execution by OTB from its principal place of business in Dallas County, Texas. The Parties agree it is in their collective best interest to ensure that disputes regarding the interpretation, validity, and enforceability of this Franchise Agreement are resolved on a uniform basis.

1. The Parties agree, therefore, that: (i) the state or federal courts in the county or district in which OTB maintains its principal place of business at the time any legal proceeding is commenced (which is currently the U.S. District Court for the Northern District of Texas and Dallas County, Texas, respectively) shall be the sole and exclusive venue and proper forum in which to file and/or adjudicate any case or controversy arising, either directly or indirectly, under or in connection with this Franchise Agreement.

2. The Parties agree, therefore, that this Franchise Agreement and any dispute otherwise related to this Franchise Agreement or the Parties' relationship shall be interpreted, enforced, and constructed under, and according to, the laws of the State of Texas, without regard for any conflict of laws principles.

3. The Parties further agree that, in the event of litigation arising out of or in connection with this Agreement in these courts, they will not contest or challenge the choice of Texas law or the jurisdiction or venue of these courts.

C. Waiver of Jury Trial. FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, CLAIM, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE

OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION, CLAIM, PROCEEDING, OR COUNTERCLAIM.

D. Non-Joinder of Parties. All actions, claims, or legal proceedings arising from or relating to this Franchise Agreement or the Parties' relationship shall be conducted on an individual basis and not as part of a consolidated, collective, common, or class action. Therefore, the Parties agree that no person or entity except OTB and Franchisee and any guarantors of the Franchise Agreement will have the right to join, become a party, litigate, or participate in any action, claim, or legal proceeding arising under or relating to this Franchise Agreement or the Parties' relationship. The Parties hereby specifically agree, then, that no person or entity other than OTB, Franchisee, and guarantors of the Franchise Agreement shall be involved, participate, or be named as a party to any action, claim, or legal proceeding.

E. Waiver of Bond. Franchisee agrees and consents to the entry of injunctive or other equitable relief without the requirement of OTB posting a bond in connection with the granting of such relief to OTB.

F. Cumulative Remedies. The rights and remedies provided in this Franchise Agreement are cumulative and neither of the Parties are prohibited from exercising any other right or remedy provided for under this Franchise Agreement or permitted in law or by equity.

G. Limitations of Actions. **EXCEPT AS OTHERWISE PROVIDED IN THIS ARTICLE XVI.G, ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS FRANCHISE AGREEMENT, THE RELATIONSHIP BETWEEN FRANCHISEE AND OTB, OR FRANCHISEE'S OPERATION OF THE RESTAURANT, INCLUDING ANY PROCEEDING, OR ANY CLAIM IN ANY PROCEEDING (INCLUDING ANY DEFENSES AND ANY CLAIMS OF OFFSET OR RECOUPMENT), MUST BE BROUGHT OR ASSERTED BEFORE THE EXPIRATION OF THE EARLIER OF (1) THE TIME PERIOD FOR BRINGING AN ACTION UNDER ANY APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS; (2) ONE (1) YEAR AFTER THE DATE UPON WHICH A PARTY DISCOVERED, OR SHOULD HAVE DISCOVERED, THE FACTS GIVING RISE TO AN ALLEGED CLAIM; OR (3) TWO (2) YEARS AFTER THE FIRST ACT OR OMISSION GIVING RISE TO AN ALLEGED CLAIM; OR IT IS EXPRESSLY ACKNOWLEDGED AND AGREED BY ALL PARTIES THAT SUCH CLAIMS OR ACTIONS SHALL BE IRREVOCABLY BARRED. NOTWITHSTANDING THE FOREGOING, OTB'S CLAIMS ARISING FROM OR RELATING TO THE ALLEGED OR ACTUAL UNDERREPORTING OF SALES AND THE PARTIES' CLAIMS FOR FAILURE TO PAY MONIES OWED AND/OR INDEMNIFICATION SHALL BE SUBJECT ONLY TO THE APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS AND NOT THE EARLIER LIMITATION SET FORTH HEREIN.**

H. Waiver of Damages. THE PARTIES AGREE THAT EACH OF THEM IS LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY IT EXCEPT AS SET FORTH IN ARTICLE XIV.C. THEREFORE, THE PARTIES KNOWINGLY AND EXPRESSLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM

OF PUNITIVE, MULTIPLE, CONSEQUENTIAL, OR EXEMPLARY DAMAGES AGAINST THE OTHER.

I. Prevailing Party Attorneys' Fees and Costs. In the event any of the Parties initiate a legal action or other proceeding to enforce or interpret the terms of this Franchise Agreement, the prevailing party in any such proceeding or legal action shall be entitled to an award of its reasonable attorney's fees and costs incurred in such legal action or proceeding in addition to any other relief to which the party may be entitled.

XVII. FRANCHISEE ACKNOWLEDGEMENTS

A. Acknowledgement. FRANCHISEE ACKNOWLEDGES AND AGREES THAT IT HAS BEEN ADVISED THAT ITS SUCCESS IN OPERATING ITS RESTAURANT IS SPECULATIVE, INVOLVES SUBSTANTIAL RISK, AND WILL DEPEND ON MANY FACTORS, INCLUDING ITS INDEPENDENT BUSINESS ABILITY, EFFORT, ABILITY TO MEET THE CAPITAL REQUIREMENTS OF THE RESTAURANT, AND FRANCHISEE'S ABILITY TO SUCCESSFULLY IMPLEMENT THE SYSTEM.

B. No Assurances. FRANCHISEE REPRESENTS AND WARRANTS THAT NEITHER OTB NOR ANY PERSON OR ENTITY ACTING ON OTB'S BEHALF PROVIDED FRANCHISEE WITH ANY ASSURANCES, REPRESENTATIONS, OR WARRANTIES CONCERNING THE ACTUAL OR POTENTIAL SALES, COSTS, INCOME, PROFITS, OR PROBABLE SUCCESS OF THE RESTAURANT.

C. No Reliance. EXCEPT AS SET FORTH IN THE FRANCHISE DISCLOSURE DOCUMENT PROVIDED TO FRANCHISEE, FRANCHISEE HAS NOT RELIED ON ANY STATEMENT, REPRESENTATION, OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE POTENTIAL SUCCESS, ACTUAL OR POTENTIAL GROSS SALES, COSTS, INCOME, OR PROFITS OF THE BUSINESS VENTURE CONTEMPLATED HEREIN.

D. Investigation and Due Diligence. FRANCHISEE ACKNOWLEDGES AND AGREES THAT IT CONDUCTED A THOROUGH AND INDEPENDENT INVESTIGATION AND DUE DILIGENCE OF THIS FRANCHISE OPPORTUNITY.

E. No Contrary Statements. FRANCHISEE ACKNOWLEDGES AND AGREES THAT IT HAS NO KNOWLEDGE OF ANY STATEMENT, REPRESENTATION, OR WARRANTY MADE BY OTB OR ITS EMPLOYEES, REPRESENTATIVES, OR AGENTS OF ANY INFORMATION THAT IS CONTRARY TO THE TERMS CONTAINED HEREIN.

F. Variance of Terms and System Standards. Franchisee acknowledges and agrees that OTB may grant other franchisees different rights at different times pursuant to franchise agreements that may substantially differ from this Franchise Agreement or Franchisee's other franchise agreements. Franchisee further acknowledges and agrees that OTB reserves the right to vary the System and other standards, specifications, policies, and procedures in addition to the terms and conditions of franchise agreements in OTB's sole and absolute discretion.

G. Business Judgment. Franchisee acknowledges and agrees that OTB may operate and change the System and its business in any manner that is not expressly and specifically prohibited by this Franchise Agreement. Except as otherwise expressly provided in this Franchise Agreement, whenever OTB expressly reserved in this Franchise Agreement or is deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or withhold an action, OTB may make such decision or exercise its right and/or discretion on the basis of OTB's business judgment of what is in OTB's best interests, including OTB's judgment of what is in the best interests of the System, the franchise network. The Parties intend that the exercise of OTB's right or discretion will not be subject to limitation or review. Franchisee agrees that OTB's decision is made or discretion exercised without regard to whether:

1. OTB could have made other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions;
2. OTB's decision or the action taken promotes OTB's financial or other individual interest;
3. OTB's decision or the action it takes applies differently, disproportionately, or negatively to Franchisee and one or more other franchisees; or
4. OTB's decision or the exercise of its right or discretion is adverse to Franchisee's interests.

XVIII. FORCE MAJEURE

A. Definition. "Force Majeure" means any act of God, acts of terrorism, eminent domain, acts of Federal, State, or local government, riot, embargos, fires not intentionally caused by the party, floods not intentionally caused by the party, strikes, or war.

B. Performance Delayed or Prevented by Force Majeure. If one of the Parties' performance of any term, condition, or obligation of this Franchise Agreement is delayed or prevented as a result of a Force Majeure event which cannot be overcome by reasonable commercial measures, then such party or the Parties shall not be responsible for any delay or failure in performance provided:

1. The party or Parties whose performance is affected shall provide the other party with prompt written notice (or electronic or telephone notice if written notice is not possible, but confirmed in writing at the first reasonable opportunity) of such Force Majeure event and an estimate of its duration, if known;
2. Any party failing to provide timely notice shall be liable for failure to give such notice to the extent of actual damages caused to the other party;
3. Any delay in performance resulting from any Force Majeure event will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that no such cause will excuse payments of amounts owed at the time of such occurrence or payment of the Royalties, Marketing Fund Contributions, and all other amounts due to OTB,

its affiliates, and Suppliers thereafter unless otherwise agreed in writing signed by all relevant parties.

XIX. MISCELLANEOUS

A. Notices. All notices, demands, and other communications between the Parties shall be in writing and shall be delivered by Certified U.S. Mail, Postage Prepaid, Return Receipt Requested, nationally recognized overnight courier service, or hand delivery addressed to the party to whom such notice or other communication is to be given or made at such party's address as set forth above, or to such other address as such party may designate in writing to the other party from time to time. F. Waiver. No delay, waiver, omission, or forbearance by OTB to exercise any right, option, duty, or power arising out of any breach or default by Franchisee under this Franchise Agreement shall constitute a waiver by OTB to enforce any such right, option, duty, or power as against Franchisee, or as to any subsequent breach or default. Subsequent acceptance by OTB of any payments due to it hereunder shall not be deemed to be a waiver by OTB of any preceding breach by Franchisee of any terms, provisions, covenants, or conditions of this Franchise Agreement.

G. Severability. Except as expressly provided to the contrary herein and to the extent such offending portion, section, part, term, and/or provision cannot be reformed in accordance with the terms and conditions of this Franchise Agreement, each portion, section, part, term, and/or provision of this Franchise Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Franchise Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms and/or provisions shall be deemed not to be a part of this Franchise Agreement.

H. Professional Consultation. The Parties acknowledge and agree that they have had the opportunity to consult with legal counsel and financial advisors of their choosing before entering this Franchise Agreement. The Parties specifically acknowledge and agree that they are aware of and understand the business and legal risks associated with entering this Franchise Agreement, and that they, with knowledge of the risks, freely entered this Franchise Agreement.

I. Counterparts; Execution. The Parties acknowledge and agree they may execute this Franchise Agreement in any number of counterparts, each of which shall be deemed an original, constitute the same instrument, and have the same effect as if all Parties executed the same original document. This Franchise Agreement shall not become a binding obligation upon the Parties unless and until the same has been fully executed by OTB at its principal place of business.

J. Entire Agreement. This Franchise Agreement, the documents referred to herein, and the exhibits hereto, if any, constitute and are the entire, full, and complete agreement between OTB and Franchisee concerning the subject matter hereof, and supersede and cancel all prior discussions, inducements, representations, understandings, and agreements. No inducements, promises, representations, or agreements, oral or otherwise, made by the Parties that are not embodied herein or attached hereto shall be of any force or effect. Nothing in this Franchise Agreement will disclaim or require Franchisee to waive reliance on the content of the Franchise Disclosure Document OTB provided to Franchisee.

K. No Amendments. Except for those permitted to be made unilaterally by OTB hereunder, no amendment, change, modification, or variance from this Franchise Agreement shall be binding on either of the Parties unless mutually agreed to by the Parties and executed by their authorized officers or agents in writing. Franchisee acknowledges and agrees that OTB may amend, change, modify, or vary the Manual and its terms, conditions, and contents in OTB's sole and absolute discretion.

IN WITNESS WHEREOF, the Parties hereto have duly executed and delivered this Franchise Agreement on the date first set forth above.

RECITALS

WHEREAS, Landlord leases or will lease certain premises to Tenant at _____ (“Premises”) pursuant to that certain lease agreement dated _____ and executed by Landlord and Tenant (“Lease”); and

WHEREAS, Tenant will operate a franchised On The Border Mexican Grill & Cantina® (“OTB Restaurant”) at such Premises pursuant to an On The Border Mexican Grill & Cantina® Franchise Agreement between Tenant and OTB (“Franchise Agreement”); and

WHEREAS, as an inducement to OTB to enter into the Franchise Agreement with Tenant and to consent to development of the Premises for such an OTB Restaurant, Tenant agreed to join with Landlord to provide OTB certain assurances with respect to the operation of an OTB Franchised Restaurant at the Premises and to provide OTB with certain rights in the event of a default under the Lease or the Franchise Agreement.

NOW, THEREFORE, in consideration of the above premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

AGREEMENT

1. The Parties acknowledge and agree that the recitals set forth above are true and correct and are hereby incorporated by this reference as if they were fully set forth herein. The Parties warrant and represent that they have the full power and authority to make, deliver, enter, and perform the terms and conditions of this Assignment and that the consent or approval of a third party is not required to enter and perform under this Assignment or, if such consent is required, that they will use their best efforts to gain such consent as is necessary.

2. Landlord and Tenant hereby expressly agree that for so long as the Franchise Agreement and the Lease are in effect, the Premises shall be used solely for the operation of an OTB Restaurant, unless prior written consent of OTB is obtained for any alternative use. The term of the Lease will not be less than twenty (20) years with two renewal options of ten (10) years each.

3. During the term of the Lease, it is agreed that: (a) Landlord shall not alter, change, or otherwise modify the Premises, but may make repairs and perform maintenance as permitted or required under the Lease; (b) Tenant shall be permitted to make such interior or exterior, non-

structural repairs, remodeling, improvements, and alterations to the Premises as may be required by OTB pursuant to the Franchise Agreement; and (c) Landlord shall not in any way restrict or limit Tenant's ability to operate the Premises as an OTB Restaurant.

4. Subject only to applicable law, Landlord expressly grants to Tenant the right to display the trade name, service mark, and/or trademark "On The Border Mexican Grill & Cantina®" and certain other trademarks, service marks, trade names, and symbols used in connection with the operation of a food service format and system developed by OTB, which display will be in accordance with the specifications required by OTB.

5. No act, failure to act, event, condition, nonpayment, or other occurrence ("Event") shall constitute a breach or default under the Lease so as to allow Landlord any right of acceleration of the obligations thereunder, or a termination, cancellation, or rescission of the Lease unless:

(a) Landlord provides OTB with a copy of: (i) any written notice of default or violation of the Lease ("Notice of Default"); (ii) purported termination of the Lease ("Termination Notice"); and (iii) any notice under the Lease it sends to Tenant. Said copy shall be provided to OTB at the same time and in the same manner that Landlord provides such notice to Tenant; and

(b) Landlord grants to OTB the opportunity, but not the obligation, in OTB's sole discretion, to cure any deficiency under the Lease (should Tenant fail to do so) within fifteen (15) business days after the expiration of the period within which Tenant had to cure any such deficiency; provided, however, if the Event is of such nature that it cannot reasonably be cured within such fifteen (15) day period, then, in that case such fifteen (15) day period shall be extended to a period of such length as is reasonably necessary to cure such Event, provided such period shall be extended only so long as Tenant and/or OTB diligently pursues the cure of such Event.

6. Landlord agrees to accept from OTB any payment or performance required under the Lease; however, nothing herein shall be construed as requiring OTB to make any payments or perform any obligations under the Lease.

7. As used herein, Notice of Default means written notice specifying the Event claimed and specifically describing, in each instance of a claimed Event, the particular cure Landlord requires. Such Notice of Default shall be mailed to OTB and its attorney at:

Franchise Department
OTB Acquisition LLC
2201 West Royal Lane, Suite 170
Irving, TX 75063

with a copy to:

Chief Financial Officer
OTB Acquisition LLC
2201 West Royal Lane, Suite 170
Irving, TX 75063

OTB shall have the right to designate any other address for such notices by giving notice thereof to Landlord and in such event all notices mailed after receipt of such designation shall be sent to such other address.

8. Landlord and Tenant agree that in the event (a) that Landlord claims that an Event has occurred and has not been cured within any applicable cure period allotted to Tenant under the Lease, or (b) an uncured default under the Franchise Agreement occurs, or (c) upon the termination or expiration of the Franchise Agreement then, in such event, at OTB's sole option:

(a) OTB shall have the right to immediate actual possession of the Premises, which such possession Tenant agrees to give peaceably, and which may be otherwise obtained by OTB by warrant, injunction, temporary restraining order, summary process or such other immediate legal, summary, or equitable proceeding or action as OTB may choose. Tenant hereby waives any right to a jury at any such proceeding or action and agrees to reimburse OTB for its reasonable attorneys' fees and court costs actually incurred. Tenant hereby agrees to execute whatever documents are reasonable and necessary to assign to OTB all of Tenant's leasehold interest in the Premises and its rights as tenant under the Lease; and

(b) Landlord, after receiving written notification from OTB of OTB's intention to assume Tenant's rights under the Lease, which notice shall be sent to Landlord within thirty (30) days after receipt by OTB of a Notice of Default or the Tenant's rights under its Franchise Agreement have expired or been terminated, shall accept OTB as substitute tenant under the Lease, which Lease shall remain in full force and effect except as provided herein, and Landlord shall turn actual, immediate possession of the Premises over to OTB. However, OTB's option to become the substitute tenant may be exercised only if OTB or an affiliate or successor agrees to assume the obligations of the Tenant under the Lease for such period of time commencing with the date OTB or its affiliate or successor is given actual possession of the Premises and continuing thereafter. Notwithstanding anything in the Lease or this Assignment to the contrary, OTB (a) shall not be obligated to cure Tenant's defaults existing prior to the date actual possession of the Premises is given to OTB or its affiliate or successor, and (b) at any time prior to the first (1st) anniversary of the date OTB takes actual possession of the Premises, OTB shall have the right, but not the obligation, to terminate the Lease and be released from all further liability thereunder. Provided however, nothing herein is intended to relieve Tenant of its liability to Landlord for any and all rent and other obligations under the Lease.

9. Landlord agrees that OTB or its successor or assign may sublet the Premises or assign the Lease without the prior written consent of the Landlord provided OTB remains liable for any obligations it has assumed pursuant to Paragraph 8 above. However, any such subletting or assignment for any use other than an OTB Restaurant shall require the prior written consent of Landlord, which consent shall not be unreasonably withheld.

OTB may sublet the Premises or assign the Lease without retaining any liability for any obligations it has assumed pursuant to Paragraph 8 above, provided it has obtained the prior written consent of Landlord to such transfer, which consent shall not be unreasonably withheld. The Landlord's consent to any transfer shall be deemed automatically given if Landlord's written

consent (or denial of such consent) is not received within fifteen (15) days after OTB's written request for same has been sent.

10. Tenant agrees that any default under the Lease shall constitute a default under the Franchise Agreement. The Parties hereto agree that any uncured default by Tenant under the Franchise Agreement shall give OTB the right and option, but not the obligation, to become a substitute tenant under the Lease as provided in Paragraph 8 above.

11. Upon termination of the Lease or of the Franchise Agreement, Tenant shall remove all identifying signs and trademarks from the Premises. If Tenant fails to do so within five (5) calendar days of its last day of active business or of the termination of this Lease or the Franchise Agreement, whichever is sooner, OTB may remove such signs and marks itself and Landlord agrees to provide access to the Premises to facilitate such removal.

12. Tenant irrevocably appoints OTB as its agent and attorney-in-fact for the purposes of: (a) directing Landlord to effectuate the Lease assignment to OTB; and (b) signing any and all documents and taking such actions on Tenant's behalf as Landlord may reasonably require to effectuate the Lease assignment or the Premises' abandonment, including completing and signing any of Landlord's form assignment agreement. The power of attorney conferred upon OTB pursuant to this provision is a power coupled with an interest and cannot be revoked, modified, or altered without OTB's written consent.

13. Tenant agrees to indemnify and hold OTB and all of its affiliated parties, including its indemnities, agents, officers, directors, employees, parent companies, and affiliated companies (the "Indemnified Parties") harmless against any cost, damage, expense, liability, or loss which any or all of them may suffer or incur which arise from or in connection with Tenant's use of the Premises or breach of any agreement, contract, or understanding with the Landlord, or resulting from Tenant's nonpayment of any debt or obligation to the Landlord.

14. Tenant and Landlord understand that OTB is entering into or has entered into the Franchise Agreement with Tenant for an OTB Restaurant at the Premises in reliance on the agreements of Tenant and Landlord as herein contained and that OTB, in this instance, would not have otherwise entered into such Franchise Agreement. In the event of any conflict between the terms of the Lease between Landlord and Tenant and the terms of this Assignment, the terms of this Assignment shall control.

15. Nothing in this Assignment shall affect any term or condition in the Franchise Agreement.

16. The Parties agree that the Lease and this Assignment may not be modified or amended in any manner without the prior written consent of all Parties hereto.

17. Landlord shall not be liable or obligated to OTB except (a) as provided in this Assignment, or (b) in the Lease, if and when OTB exercises its option to become substitute tenant under the Lease.

IN WITNESS WHEREOF, the Parties hereto have duly executed and delivered this Assignment as of the Effective Date.

EXHIBIT C

DEVELOPMENT RIGHTS RIDER TO OTB ACQUISITION, LLC FRANCHISE AGREEMENT

1. **Background.** This Development Rights Rider (the “Rider”) is made between OTB ACQUISITION LLC (“we,” “us,” or “our”) and _____ (“Franchisee” or “you” or “your”). This Rider is attached to, and intended to be a part of, the franchise agreement that we and you are signing concurrently with signing this Rider (the “First Franchise Agreement”) for the development and operation of your first On The Border Mexican Grill & Cantina Restaurant (“Restaurant”) at a location to be specified within the Territory (defined below). We and you are signing this Rider because you want the right to develop additional Restaurants (besides the Restaurant covered by the First Franchise Agreement) within the Territory over a certain time period, and we are willing to grant you those development rights if you comply with this Rider.

2. **Grant of Development Rights.** Subject to your strict compliance with this Rider and all franchise agreements, we grant you the non-exclusive rights, as defined in Article I.C of the First Franchise Agreement, and franchise to develop and operate _____ (_____) Restaurants (including the Restaurant covered by the First Franchise Agreement), according to the mandatory development schedule described in Exhibit A to this Rider (the “Schedule”), within the following geographic area: _____ (the “Territory”) (“Development Rights”).

These Development Rights are contingent upon you and, to the extent applicable, your Approved Affiliates (defined in Section 3 below) maintaining strict compliance with all obligations under this Rider, the First Franchise Agreement, and all other franchise agreements in effect during this Rider’s term. The Development Rights are subject to the rights and limitations specified in Article I.A-C of the First Franchise Agreement and any other applicable franchise agreements.

Nothing in this Rider or in any franchise agreement shall prohibit us from granting to others the right establish and operate Restaurants located within the Territory if (a) we become aware during this Rider’s term of one or more opportunities to establish and operate a Restaurant at a location within the Territory for which that location’s owner or manager sets financial, experience, or organizational standards for an acceptable operator (for example, a national or multi-regional concessionaire) that you do not and cannot satisfy when the opportunity becomes available; or (b) if the location is a Non-Traditional Venue (which is defined to mean airports, train stations, bus stations, schools, colleges, universities, highway rest plazas, travel plazas, government institutions, military installations, stadiums, sports arenas, casinos, recreational theme parks, convention centers, kiosks, food courts, enclosed shopping malls and retail centers, mobile units, hotels, “big box” retail stores, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, and other locations within institutional or public service operations) (the locations referenced in (a) and (b) are referred to collectively as “Restricted Venues”).

We (or our affiliates) may pursue the opportunity for a Restricted Venue and establish, franchise, or license another to establish a Restaurant at that Restricted Venue. The development and operation of a Restaurant at a Restricted Venue in the Territory does not count toward your compliance with the Schedule, even if operated by you or your affiliates.

Except as otherwise granted in this Rider, you acknowledge and agree that we and our affiliates have the right to engage, and grant to others the right to engage, in any other activities of any nature whatsoever within the Territory, including, without limitation, those we reserve in the First Franchise Agreement and any franchise agreement or other agreement between you and us. After this Rider expires or is terminated (regardless of the reason for termination), we and our affiliates have the right, without any restrictions whatsoever, (i) to establish and operate, and grant to others the right to establish and operate, Restaurants having their physical locations within the Territory;

and (ii) to continue to engage, and grant to others the right to engage, in any other activities we (and our affiliates) desire within the Territory. In the event we elect to exercise this right, Franchisee shall have no recourse whatsoever against Franchisor.

YOU ACKNOWLEDGE AND AGREE THAT TIME IS OF THE ESSENCE UNDER THIS RIDER, AND YOUR RIGHTS UNDER THIS RIDER ARE SUBJECT TO TERMINATION (WITHOUT ANY CURE OPPORTUNITY) IF YOU DO NOT COMPLY STRICTLY WITH THE DEVELOPMENT OBLIGATIONS PROVIDED IN THE SCHEDULE. WE MAY ENFORCE THIS RIDER STRICTLY.

3. **Development Obligations.** To maintain your rights under this Rider, you (and/or Approved Affiliates) must, by the dates specified in the Schedule, sign franchise agreements for and then construct, develop, and have open and operating within the Territory the agreed-upon minimum number of Restaurants. If your owners establish a new legal entity to operate one or more of the Restaurants to be developed pursuant to this Rider and that new legal entity's ownership is completely identical to your ownership, that legal entity automatically will be considered an "Approved Affiliate" without further action. However, if the new legal entity's ownership is not completely identical to your ownership, you first must seek our approval for that new entity to develop and operate the proposed Restaurant as an Approved Affiliate. We may refuse any such request if (a) the Franchisee does not own and control at least two-thirds of the new entity's ownership interests; (b) the Franchisee does not have the authority to exercise voting and management control of the Restaurant proposed to be owned by the new entity; or (c) the Franchisee and its owners do not execute a guarantee, guaranteeing to Franchisor the timely payment and performance of the Franchisee's obligations under the Franchise Agreement.

You (and/or your Approved Affiliates) will operate each Restaurant under a separate franchise agreement with us. The franchise agreement (and related documents, including a Guaranty) that you and your owners (or your Approved Affiliate and its owners) must sign for each Restaurant developed pursuant to this Rider will be our then-current form of franchise agreement (and related documents, including Guaranty), any or all terms of which may differ substantially and materially from any or all terms contained in the First Franchise Agreement, provided, however, that the Royalty, Franchise Fee, Advertising Contribution fee, and minimum required expenses specified under our then-current form of franchise agreement will (if different) be modified for the initial franchise term for each new Restaurant to be the same as those specified in the First Franchise Agreement unless you (and your Approved Affiliates) are not then in full compliance with this Rider and all other franchise agreements. If you (and your Approved Affiliates) are not then in full compliance with this Rider and all other agreements then in effect between us and you (and your Approved Affiliates) for the Restaurants, then the Royalty, Franchise Fee, Advertising Contribution Fee, and minimum required expenses specified under our then-current form of franchise agreement will not be modified for the initial franchise term for the new Restaurants.

Despite any contrary provision contained in the newly signed franchise agreements, your (and your Approved Affiliates') additional Restaurants within the Territory must be open and operating by the dates specified in the Schedule. To retain your rights under this Rider, each Restaurant opened pursuant to this Rider must operate continuously throughout this Rider's term in full compliance with its franchise agreement.

4. **Subfranchising and Sublicensing Rights.** This Rider does not give you any right to franchise, license, subfranchise, or sublicense others to develop and operate Restaurants. Only you (and/or Approved Affiliates) may construct, develop, open, and operate Restaurants pursuant to this Rider. This Rider also does not give you (or your Approved Affiliates) any independent right to use the On The Border Mexican Grill & Cantina trademark or our other trademarks and commercial symbols. The right to use our trademarks and commercial symbols is granted only under a franchise agreement signed directly with us. This Rider only grants you Development Rights if you fully comply with its terms.

5. **Development Fee.** In consideration for the Development Rights we grant you in this Rider, you must pay us _____ Dollars (\$ _____) per location, for a total of _____ Dollars (\$ _____) (the

“Development Fee”), which is non-refundable. The Development Fee is consideration for the rights we grant you in this Rider and for reserving the Territory for you (as provided in this Rider and applicable franchise agreements) while you are in compliance with this Rider and all franchise agreements and other agreements between the parties. The Development Fee is fully earned by us and due when we and you sign this Rider, and is not refundable under any circumstances, even if we terminate the Rider for your failure to comply with the Schedule. The Development Fee and all other fees payable under this Rider shall be paid by Franchisee to Franchisor net and exclusive of any applicable taxes and/or fees including, without limitation, any withholding taxes. The aggregate Development Fee shall be fully earned by Franchisor upon execution of this Rider for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the rights granted to Franchisee herein.

Franchise Fees shall be paid upon execution of a franchise agreement for each Restaurant and are nonrefundable. Franchisee further agrees to pay an on-going Royalty Fee of four percent (4%) of each store location’s gross sales (“Gross Sales”) as detailed in the First Franchise Agreement (the “Royalty Fee”). Franchisee further agrees to contribute two percent (2%) of each store location’s Gross Sales for marketing (the “Advertising Contribution”). Franchisee acknowledges and agrees that Franchisor may increase Franchisee’s Advertising Contribution from two percent (2%) to four percent (4%) of each Restaurant’s Gross Sales upon ninety (90) days’ written notice. Franchisee further agrees to spend one percent (1%) of each Restaurant’s Gross Sales on local advertising approved by Franchisor in the Territory (the “Local Advertising Fee”).

6. Grant of Franchises. You must send us a separate application for each Restaurant that you (or your Approved Affiliate) wish to develop in the Territory. You agree to provide in our Site Acceptance Request (SAR) all information and materials we request to assess each proposed Restaurant site. You must locate, evaluate, and select the Restaurant’s site. We will not select sites for you. In granting you development rights under this Rider, we are relying on your knowledge of the real estate market in the Territory and your ability to locate and assess sites. We will give you our then-current criteria for Restaurant sites (including, without limitation, population density and other demographic characteristics, visibility, traffic flow, competition, accessibility, parking, size, and other physical and commercial characteristics) to help you select and identify each Restaurant Site. We will not unreasonably withhold our acceptance of a SAR if, in our and our affiliates’ experience and based on the factors outlined above, the proposed site is not inconsistent with sites that we and our affiliates regard as favorable or that otherwise have been successful sites in the past for Restaurants. However, we have the absolute right to reject any site not meeting our criteria or to require you to acknowledge in writing that a site you have chosen is accepted but not recommended due to its incompatibility with certain factors that bear on a site’s suitability as a location for a Restaurant. We agree to use reasonable efforts to review and accept (or not accept) sites you propose within thirty (30) days after we receive all requested information and materials in the SAR. You may not proceed with a site that we have not accepted.

You also must send us for our written acceptance, which we will not unreasonably withhold, any lease or sublease that will govern your occupancy and lawful possession of each Restaurant site before you sign it. You may not sign any lease or sublease that we have not accepted in writing.

If we accept the proposed site but you (or your Approved Affiliate) have not yet signed a franchise agreement for that Restaurant, you agree within the time period we specify (but no later than the date specified in the Schedule) to sign (or have your Approved Affiliate sign) a separate franchise agreement (and related documents) for that Restaurant and to pay us the remaining portion of the initial franchise fee due. If you (or your Approved Affiliate) fail to do so, or cannot obtain lawful possession of the proposed site, we may withdraw our acceptance of the proposed site and exercise any of our other rights under this Rider. After you and your owners (or your Approved Affiliate and its owners) sign the franchise agreement (and related documents, including the Personal Guaranty of Principals), the franchise agreement’s terms and conditions will control the construction, development, and operation of the Restaurant (except for the required opening date, which is governed exclusively by the Schedule in this Rider).

In addition to our rights with respect to proposed Restaurant sites, we may delay your development and/or opening of additional Restaurants within the Territory for the time period we deem best if we believe, in our sole judgment, that you (or your Approved Affiliate) are not yet operationally, managerially, or otherwise prepared (no matter the reason) to develop, open, and/or operate the additional Restaurant in full compliance with our standards and specifications. We may delay additional development and/or a Restaurant's opening for the time period we deem best as long as the delay will not, in our reasonable opinion, cause you to breach your development obligations under the Schedule (unless we are willing to extend the Schedule proportionately to account for the delay).

7. **Term.** This Rider's term begins on the date we sign it and ends on the date when (a) you (or your Approved Affiliate) open for business the final Restaurant to be developed under the Schedule; or (b) this Rider otherwise is terminated by us as provided in this Rider.

8. **Confidentiality; Non-competition.** You and your owners acknowledge and agree that, in consideration for receiving specialized training and confidential information and the other benefits provided to you by this Rider, you are subject to the confidentiality obligations and restrictive covenants outlined in Article XV of the First Franchise Agreement, and any other applicable franchise agreements, both during and after the Term of this Rider.

9. **Termination.** We may at any time terminate this Rider and your rights under this Rider to develop Restaurants within the Territory, such termination to be effective upon our delivery to you of written notice of termination, for any of the following:

- a. if you fail to strictly comply with your development obligations under the Schedule, which default you have no right to cure;
- b. if you fail to satisfy any other obligation under this Rider, which default you have no right to cure;
- c. if the First Franchise Agreement, or another franchise agreement between us and you (or your Approved Affiliate) for a Restaurant, is terminated by us pursuant to its terms or by you (or your Approved Affiliate) for any (or no) reason; or
- d. if we have delivered a formal written notice of default to you (or your Approved Affiliate) under the First Franchise Agreement, or another franchise agreement between us and you (or your Approved Affiliate) for a Restaurant, and you (or your Approved Affiliate) fail to cure that default within the required timeframe.

No portion of the Development Fee is refundable upon termination of this Rider or under any other circumstances. If we terminate this Rider because you fail to satisfy your development obligations under the Schedule, we will keep the Development Fee (which is not refundable) but otherwise will not seek to recover damages from you due solely to your failure to comply with the Schedule.

Termination of this Rider under clauses (a), (b), (c), or (d) above is not deemed to be the termination of any franchise rights (even though this Rider is attached to the First Franchise Agreement) because this Rider grants you no separate franchise rights. Franchise rights arise only under franchise agreements signed directly with us. Termination of this Rider does not affect any franchise rights granted under any then-effective individual franchise agreements.

10. **Assignment.** You may not assign your development rights under this Rider. This means we will not, under any circumstances, allow you to transfer your development rights. A transfer of the development rights would be deemed to occur (and would be prohibited) if there is an assignment of the First Franchise Agreement, a transfer of a controlling ownership interest in you, a transfer of this Rider separate and apart from the First Franchise Agreement, or any other event attempting to assign the development rights. An assignment of only a non-controlling ownership interest in you is permitted (and would not be deemed to be a transfer of your development rights) to the extent permitted by the terms and conditions of the First Franchise Agreement. Notwithstanding the foregoing, Franchisor may assign or transfer any or all of its rights, title, and interest in this Rider or any franchise agreement and/or any

of its rights or obligations herein to any other person or legal entity without Franchisee's consent and all such rights, title, interest, and obligations shall inure to the benefit of any transferee or other legal successor to Franchisor.

11. **Controlling Document.** Except as provided in this Rider, the First Franchise Agreement remains in full force and effect as originally written. If there is any inconsistency between the First Franchise Agreement and this Rider, the terms and conditions of the First Franchise Agreement or the relevant franchise agreement will control.

[Paragraphs 2-3] Reserved to detail additional terms/conditions of the Release.

4. Release.

(a) California Civil Code Section 1542 reads as follows: “A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

(b) For good and valuable consideration received from or on behalf of OTB Acquisition LLC, the receipt of which is hereby acknowledged, Franchisee, on behalf of itself and its parent, subsidiaries, successors, assigns, and affiliates and their respective past and present officers, directors, shareholders, owners, agents and employees, in their corporate and individual capacities, (collectively, "Franchisee Releasors"), freely and without any influence forever remise, release, acquit, and covenant not to sue OTB Acquisition LLC and its parent, subsidiaries and affiliates; and their respective past and present officers, directors, shareholders, owners, agents and employees, in their corporate and individual capacities (collectively "OTB Releasees"), with respect to any and all claims, demands, debts, dues, sums of money, accounts, damages, judgements, liabilities and causes of action of whatever kind or nature, known or unknown, vested or contingent, suspected or unsuspected (collectively, "Claims") which any Franchisee Releasor now owns or holds or may at any time have owned or held, including, without limitation, claims arising under federal, state and local laws, rules and ordinances (but excluding claims related to applicable state franchise registration or disclosure laws, to the extent such laws prohibit the release of such claims), claims for contribution, indemnity and/or subrogation and claims arising out of, or relating to, any agreement between any Franchisee Releasor and any OTB Releasee (including real estate contracts), the sale of franchises to any Franchisee Releasor, the development and operation of all restaurants operated by any Franchisee Releasor that are franchised by any OTB Releasee, and the performance by any OTB Releasee of its obligations under any agreement between any OTB Releasee and any Franchisee Releasor (including real estate contracts). Franchisee, on behalf of the Franchisee Releasors, agrees that fair consideration has been given by OTB for this Release and Franchisee fully understands that this is a negotiated, complete, and final release of all Claims.

(c) This general and complete Release covers both claims Franchisee knows and those that Franchisee may not know about that exist in its favor at the time of executing this Release. Franchisee understands and for valuable consideration hereby expressly waives all of the rights and benefits of Section 1542 of the California Civil Code, set forth fully above.

5. Confidentiality. The Parties agree that this Release and the terms and conditions set forth herein are strictly confidential and shall not be voluntarily disclosed to any third party other than the respective owners, members, officers, directors, employees, attorneys, accountants, and/or tax professionals. Notwithstanding the foregoing, the Parties may disclose the terms of this Release: (1) to a court or governmental body having jurisdiction to require, and actually requiring, such disclosure including OTB's potential obligation to disclose matters pursuant to the Federal Trade Commission Franchise Rule and accompanying guidelines as contained in 16 C.F.R. Parts 436 and 437; or (2) in any action or proceeding to enforce the Franchise Agreement or this Release.

6. Miscellaneous Provisions.

(a) Time is of the essence of each provision hereof.

(b) This Release is binding upon the Parties, their officers, directors, successors, and assigns.

(c) If any provision of this Release is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Release will remain in full force and effect.

(d) This Release shall not relieve any party from liability under any applicable state franchise law where such law prohibits the release of such claims.

(e) No party to this Release has relied upon any oral statement or agreement in making the decision to execute it. Franchisee represents and warrants that it had the opportunity to review this Release with professionals of its choosing, including with its attorney, and is aware of the financial and legal risks associated with entering into this Release, including releasing OTB from any and all known and unknown claims arising from Parties' relationship, and that Franchisee is entering this Release freely and with knowledge and acceptance of such risks.

(f) The Parties may execute this Release in any number of actual or telecopied counterparts and by the different Parties on separate counterparts, each of which when so executed and delivered to OTB in Dallas, Texas shall be an original.

(g) Parties acknowledge and agree that this Release is deemed entered into in Dallas, Texas and is governed by Texas law.

(h) The foregoing constitutes the entire agreement between the Parties with regard to the matters stated herein and there are no other oral or written agreements between Parties which are contrary to this Release. There are no contemporaneous oral promises, representations, or agreements not set forth herein inducing entry into this Release and all prior negotiations, discussions, statements, and representations are merged herein. REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors OTB
Acquisition LLC

Opinion

We have audited the consolidated financial statements of OTB Acquisition LLC (a Delaware limited liability company) and subsidiaries (the “Company”), which comprise the consolidated balance sheets as of December 26, 2023, December 27, 2022, and December 28, 2021, and the related consolidated statements of operations, members’ equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 26, 2023, December 27, 2022, and December 28, 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date the financial statements are issued

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF BUSINESS

Nature of Operations

OTB Acquisition LLC (“Company”) is principally engaged in the ownership, operation and franchising of On The Border restaurants. As of December 26, 2023, December 27, 2022, and December 28, 2021, the Company operated 109, 110 and 113 company-owned restaurants in the United States and franchised 25, 23 and 26 restaurants located in the United States, and South Korea. The use of the terms “OTB,” “we,” “us” and “our” throughout these notes to consolidated financial statements refer to the Company.

Basis of Presentation

The Company is a wholly owned subsidiary of OTB Holding LLC (“Parent”), which is ultimately owned by Border Partners LP (“Partners”). The consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All intercompany accounts and transactions have been recorded in Due to (from) OTB Holding LLC.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates and Assumptions

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Instruments

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

The Company’s financial instruments consist of cash equivalents, accounts receivables, accounts payable, certain accrued liabilities, and at times debt. The carrying amounts of financial instruments other than debt instruments are representative of their fair values due to their short maturities. The carrying amount reported for the Company’s debt approximates fair value because interest rates are variable and there has been no change in the Company’s credit quality from the date of issuance.

In the normal course of business, the Company maintains bank balances in excess of federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

Cash and Cash Equivalents and Restricted Cash

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. The Company maintains its cash balances in two institutions with the main master account sweeping daily to an interest bearing deposit placement account. Funds deposited into the interest bearing account are available for use at the beginning of the next business day.

The Company holds its cash and cash equivalents with high credit quality institutions. At times, cash on deposit with any one bank may be in excess of the federally insured limits. Amounts receivable from credit card companies are also considered cash equivalents because they are both short term and highly liquid in nature and are typically converted to cash within three days. Credit card receivables included in cash and cash equivalents were approximately \$0.5 million, \$1.3 million and \$1.1 million for the years ended December 26, 2023, December 27, 2022, and December 28, 2021, respectively. Restricted cash relates to collateral for a letter of credit with a bank and was \$0 at December 26, 2023, \$0 at December 27, 2022 and \$1.9 million at December 28, 2021.

Accounts Receivable

Accounts receivable, net of the allowance for credit losses, represents their estimated net realizable value. Provisions for credit losses are recorded based on management's judgment regarding the ability to collect as well as the age of the receivables. Accounts receivables are written off when they are deemed uncollectible.

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-13, "Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments" that requires companies to utilize an impairment model (current expected credit loss, or CECL) for most financial assets measured at amortized cost and certain other financial instruments, which include, but are not limited to, trade and other receivables. This accounting standard replaces the incurred loss model under prior GAAP with a model that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to estimate those losses. The Company adopted ASU 2016-13 on December 28, 2022. The adoption of this guidance did not have a material impact on the Company's consolidated financial statements and the related disclosures.

Inventories

Inventories, which consist of food, beverages and supplies, are stated at the lower of cost on a first-in, first-out basis or market.

Property and Equipment

Property and equipment is recorded at cost. Buildings and leasehold improvements are depreciated using the straight-line method over the lesser of the life of the lease, including renewal options that are reasonably assured of being exercised, or the estimated useful lives of the assets, which range from 5 to 20 years. Furniture, fixtures and other equipment are depreciated using the straight-line method over the estimated useful lives of the assets, which range from 3 to 10 years. Routine repair and maintenance costs are expensed when incurred. Major replacements and improvements are capitalized.

We review the carrying amount of property and equipment annually for impairment, on a

restaurant-by- restaurant basis, whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. We assess the recoverability of property and equipment by comparing the sum of future cash flows, undiscounted and without interest, expected to result from the use and eventual disposition of the assets to their carrying amount. If factors indicate that the carrying amount is not recoverable, we may recognize an impairment loss equal to the amount by which the carrying amount exceeds the estimated future operating cash flows, which approximates its fair value. See Note 9.

Goodwill

Goodwill is the excess of the purchase price paid over the fair value of identifiable net assets acquired. Goodwill is tested, at a minimum annually, for impairment or whenever events or circumstances change and indicate goodwill may be impaired, such as an adverse change in the business climate. The evaluation of impairment involves comparing the current fair value of the reporting units to their carrying value, including goodwill. If the estimated fair value exceeds the carrying value, no goodwill impairment is recorded. For the years ended December 26, 2023, December 27, 2022, and December 28, 2021, the Company did not recognize any goodwill impairment charges.

Intangible Assets

Indefinite-lived intangible assets are not amortized but tested for impairment annually or more frequently if circumstances indicate potential impairment, through a comparison of fair value to its carrying amount. The indefinite-lived intangible assets include the value assigned to acquire the On the Border trade names and trademarks and liquor licenses. We review indefinite-lived intangible assets for impairment annually or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. We assess the recoverability of indefinite-lived intangibles by comparing the projected cash flows, undiscounted and without interest, expected to result from the use and eventual disposition of the assets to their carrying amount. If factors indicate the carrying amount is not recoverable, we recognize an impairment loss equal to the amount by which the carrying amount exceeds the estimated future operating cash flows, which approximates its fair value. See Note 9.

Definite-lived intangible assets include the value of acquired favorable leases for 2021, and franchise agreements, which are included in intangibles in the consolidated balance sheets. The franchise agreement rights are being amortized over their remaining useful life of approximately 22 years. Favorable and unfavorable leases were amortized on a straight-line basis over the remaining lease term of each leased property ranging from 1 to 19 years and were recorded as rent expense within restaurant expenses. Starting 2022, these were rolled into the right-of-use asset and are amortized on a straight-line basis.

Insurance Reserves

The Company is self-insured for certain losses related to workers' compensation claims, property losses, general liability matters and company sponsored employee health insurance programs. The Company estimates the accrued liabilities for all self-insurance programs at the end of each reporting period. Accrued liabilities include the estimated incurred but unreported costs to settle

unpaid claims. To limit exposure to losses, the Company maintains stop-loss coverage through third-party insurers. The deductibles range from approximately \$100,000 to \$250,000 per occurrence.

Revenue Recognition

Company sales - Revenues from the sale of food items by company-owned restaurants are recognized as Company sales when a customer purchases the food, which is when our obligation to perform is satisfied.

Continuing royalties - This consists of royalties that are based on a percentage of net sales of franchised restaurants and recorded as income when earned.

Retail licensing trademark revenue - Ongoing royalty fees that are based on a percentage of licensed retail product sales and are recognized as revenue upon the sale of the product to retail outlets.

Gift card revenue - This consists of gift card sales to customers in our stores, which do not expire and do not incur a service fee on unused balances. Gift card sales are recorded as deferred revenue when sold and are recognized as revenue when the gift card is redeemed by the customer.

Franchise fees - These are initial fees received from a franchisee to establish a new franchise and are recorded as deferred revenue and recognized as income over the life of the agreement. Upon the adoption of ASU 2014-09, Revenue from Contracts with Customers (Topic 606), we have determined that the services we provide in exchange for these upfront franchise fees, which primarily relate to preopening support, are highly interrelated with the franchise right and are not individually distinct from the ongoing services we provide to our franchisees. As a result, upon the adoption of Topic 606, upfront franchise fees are recognized as revenue over the term of each respective franchise. Revenues for these upfront franchise fees are recognized on a straight-line basis, which is consistent with the franchisee's right to use and benefit from the intellectual property. Franchise development fees are recognized at the time of the opening of the franchise restaurant as recipe and staff training is completed at that time.

The following table disaggregates revenue by concept. We believe this disaggregation best reflects the extent to which the nature, amount, timing and uncertainty of our revenues and cash flows are impacted by economic factors.

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Company sales	\$ 253,493,100	\$ 263,425,187	\$ 256,980,298

Total	<u>\$ 255,846,277</u>	<u>\$ 265,445,365</u>	<u>\$ 258,604,966</u>

Contract Liabilities

Our contract liabilities are comprised of unamortized franchise fees received from franchisees. The Company records franchise fee contract liabilities when cash payments are received (or unconditional rights to receive cash) in advance of fulfilling its performance obligations. The balance of franchise fee contract liabilities at December 26, 2023, December 27, 2022, and

December 28, 2021 were \$0.7 million, \$0.9 million and \$0.9 million, respectively.

Leases

The Company adopted ASU 2016-02, *Leases* (Topic 842) as of December 29, 2021. After the adoption of this standard, the Company determines if an arrangement contains a lease at inception based on whether there is an identified asset and whether the Company controls the use of the identified asset throughout the period of use. The Company classifies leases as either financing or operating. The Company does not have any finance leases at adoption. Right-of-use (“ROU”) assets are recognized at the lease commencement date and represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease. Lease liabilities are recognized at the lease commencement date based on the present value of future lease payments over the remaining lease term. Present value of lease payments are discounted based the risk- free rate.

The Company’s operating lease ROU assets are measured based on the corresponding operating lease liability adjusted for (i) payments made to the lessor at or before the commencement date, (ii) initial direct costs incurred and (iii) lease incentives under the lease. Options to renew or terminate the lease are recognized as part of our ROU assets and lease liabilities when it is reasonably certain the options will be exercised. ROU assets are also assessed for impairments consistent with the long-lived asset guidance.

The Company does not allocate consideration between lease and non-lease components, such as operating costs, as the Company has elected to not separate lease and non-lease components for any leases within its existing classes of assets. Operating lease expense for fixed lease payments is recognized on a straight-line basis over the lease term. Variable lease payments for usage-based fees are not included in the measurement of the ROU assets or lease liabilities and are expensed as incurred.

Operating leases are presented separately as operating lease ROU assets and operating lease liabilities in the accompanying consolidated balance sheets. Upon adoption of Topic 842, the Company recorded an initial right-of-use asset of \$167.3 million and an initial operating lease liability of \$189.5 million. For the year ended December 26, 2023 the right-of-use asset balance was \$145.6 million and the operating lease

liability balance was \$167.3 million. The adoption of Topic 842 had no significant impact on the Company's profit and loss.

Prior to the adoption of Topic 842, the Company recognized rent expense on a straight-line basis over the term of the lease. The difference between cash rent payments and the recognition of rent expense was recorded as a deferred rent liability on the consolidated balance sheets.

Advertising Costs

Advertising production costs are expensed in the period when the advertising first takes place. Other advertising costs are expensed as incurred. Advertising costs were approximately \$6.2 million, \$5.1 million and \$5.7 million for the years ended December 26, 2023, December 27, 2022, and December 28, 2021, respectively.

Preopening Costs

Preopening costs incurred in connection with the opening of new restaurant locations are expensed as incurred. Costs related to preopening were \$0.3 million for the year ended December 26, 2023, \$1.2 million for the year ended December 27, 2022, and \$0.2 million for the year ended December 28, 2021.

Debt Issuance Costs and Debt Discount Fees

Costs incurred to obtain financing are capitalized and amortized to interest expense over the terms of the related debt agreement. In 2022, the Company entered into a \$15.0 million revolving line of credit with CrossFirst Bank and incurred \$0.2 million of debt issuance costs. The amortization of such cost is recognized as interest expense using the interest method over the term of the respective debt instruments to which they pertain.

Unit-Based Compensation

The Company grants to certain employees options to purchase membership interests in Parent. Parent expenses unit-based compensation, in the consolidated financial statements over the period that services are required to be provided in exchange for the award ("requisite service period" or "vesting period"). Unit-based compensation is recognized only for awards that vest and the periodic accrual of compensation cost is based on the estimated number of awards expected to vest. Parent records the liability for vested options at fair value and redemption of options are accounted for as a distribution to Parent. No distributions were made in 2023, 2022 or 2021.

Sales Taxes

Sales taxes collected from guests are excluded from revenues. The obligation is included in accrued liabilities until the taxes are remitted to the appropriate taxing authorities.

Income Taxes

The Company is organized as limited liability company. The taxable income of which is included in the federal income tax returns filed by the members. The Company is treated as a flow-through entity for income tax purposes. As a result, the net taxable income of the Company and any related

tax credits, for federal income tax purposes, are deemed to pass to the members and are included in their tax returns even though such net taxable income or tax credits may not have actually been distributed. Accordingly, no tax provision has been made in the consolidated financial statements of the Company since the income tax is an obligation of the members.

FASB Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns and disallows the recognition of tax positions not deemed to meet a more-likely-than-not threshold of being sustained by the applicable tax authority.

The Company's management does not believe the Company has any tax positions taken within the consolidated financial statements that would not meet this threshold.

The revolving credit facility bears interest at either SOFR plus an applicable margin or at prime plus an applicable margin as defined in the credit agreement. The revolver is anticipated to be used to fund working capital and to fund new locations in the future. The revolving credit facility matures on September 9, 2027.

Interests on the revolver are due monthly. Covenant calculations are due quarterly based on a trailing twelve (12) month consolidated basis within 45 days of fiscal quarter end. In addition, annual calculation with audit are due 120 days from fiscal year end. Calculations include a Consolidated Fixed Charge Coverage Ratio after Restricted Payments as of the end of any Measurement Period to be less than 1.20 to 1.00 and Net Leverage Ratio at any time to exceed 1.00 to 1.00. As of 2023 the Company is in compliance with these covenants.

PPP Loan

On March 29, 2020, Congress passed, and the President signed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). One principal portion of the CARES Act established the Payroll Protection Program (“PPP”), under which the United States Small Business Administration (“SBA”) was empowered to approve loans by insured financial institutions for up to \$10 million. These PPP loans are forgivable to the extent the recipients incur qualified expenses. The CARES Act and the PPP loan documentation authorizes the SBA to conduct an audit of a PPP loan and requires a borrower to provide all requested documentation supporting the Loan application and any application for loan forgiveness, all of which need to be retained for six years. If the SBA subsequently determines that the borrower was ineligible for the PPP loan, the borrower must immediately repay the loan to the creditor.

In April 2020, the Company received a \$10 million PPP loan. The Company elected to account for the loan as long-term debt under guidance of ASC 470 - *Debt*. A PPP loan is forgiven only after the SBA has paid the lender the amount of the PPP loan the SBA has determined is eligible for forgiveness. During the year ended December 29, 2020, the Company incurred qualified expenses and was fully forgiven in June of 2021.

**ADDENDUM TO THE OTB ACQUISITION LLC DISCLOSURE DOCUMENT AND
FRANCHISE AGREEMENT REQUIRED BY THE STATE OF MINNESOTA**

Notwithstanding anything to the contrary set forth in the Disclosure Document or the Franchise Agreement, the following provisions shall supersede and apply to all franchises offered and sold in the State of Minnesota:

Minnesota Statute 80C.21 and Minnesota Rule 2860.4400(J) prohibit the Franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the Franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the Franchisee's rights as provided for in Minnesota Statute 80C or (2) Franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the Franchiser will comply with Minnesota Statute 80C.14 Subd. 3-5, which requires (except in certain specified cases) that a Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota considers it unfair to not protect the Franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G). The Franchiser will protect the Franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the Franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota Rules 2860.4400(D) prohibits a Franchisor from requiring a Franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.

IN WITNESS WHEREOF, the Parties have executed this Amendment to the Franchise Agreement on the same day that the Franchise Agreement was executed.

ADDENDUM TO THE OTB ACQUISITION LLC DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT REQUIRED BY THE STATE OF WASHINGTON

Notwithstanding anything to the contrary set forth in the Disclosure Document or the Franchise Agreement, the following provisions shall supersede and apply to all franchises offered and sold in the State of Washington:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii)

soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

PERSONAL GUARANTY OF PRINCIPALS

PERSONAL GUARANTY OF PRINCIPALS

IN CONSIDERATION of, and as inducement to, OTB Acquisition LLC, a Delaware limited liability company, located at 2201 West Royal Lane, Suite 170, Irving, Texas 75063 (“OTB”) entering into a Franchise Agreement dated [insert date] (the “Franchise Agreement”) by and among [insert franchisee] (“Franchisee”), and for other good and valuable consideration, each of the undersigned and any other parties who sign counterparts of this Personal Guaranty, (the “Undersigned,”) unconditionally guarantees to OTB: (1) the timely payment and satisfaction of each and every claim, demand, default, liability, indebtedness, right, or cause of action of every nature against said Franchisee, including expenses, damages, and attorney’s fees, now or hereafter existing, due, or which becomes due, or held by OTB, its subsidiaries, affiliates or divisions, together with any accrued interest; and (2) the timely performance of, and strict compliance with, each term, covenant, and obligation of the Franchisee set forth in the Franchise Agreement including any amendments or modifications thereto whenever made.

1. **Franchise Documents.** The Undersigned specifically acknowledges that OTB is permitting the Undersigned to enter into this Personal Guaranty instead of individually executing the Franchise Agreement and other agreements related to the Parties’ franchise relationship (collectively, the “Franchise Documents”) as a matter of convenience to the Undersigned. The Undersigned specifically acknowledges and agrees to be directly, jointly, and severally liable and bound by each and every term, condition, obligation, and provision of the Franchise Documents as if those provisions were fully set forth herein. The Undersigned acknowledges and agrees that this is a continuing guaranty that will apply to the Franchise Documents and any subsequent, extensions, renewals, amendments, addenda, or modifications thereto. The Undersigned acknowledges and agrees OTB may alter or modify the Franchise Documents. The Undersigned consents to any and all modifications or amendments of the Franchise Documents without requiring notice to the Undersigned or the Undersigned’s consent.

2. **Obligations of the Undersigned.** Upon default by Franchisee or notice from OTB, the Undersigned agrees to immediately make each payment and perform each obligation required of Franchisee under the Franchise Documents without requiring OTB to first proceed against the Franchisee by exercising, pursuing, or enforcing any right or remedy OTB has against Franchisee. Without limiting the foregoing, the Undersigned hereby agrees that if Franchisee does not or is not able to pay or perform its obligations under the Franchise Documents for any reason (including without limitation the failure of the validity or the enforceability thereof, whether by reason of waiver or otherwise, or because of the liquidation, dissolution, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of, or similar proceedings affecting the status, existence, assets, or obligations of Franchisee, or the limitation of damages for the breach, or the disaffirmance of any of the Indebtedness or any future Indebtedness or Obligations of Franchisee to OTB, or any other circumstance that might otherwise constitute a legal or equitable discharge or defense or otherwise impair OTB’s ability to enforce the same), the Undersigned will pay or cause to be paid any amounts for such performance, it being the intention that the Undersigned pay or perform as a primary obligation directly to OTB which Franchisee fails to faithfully and properly pay or perform when due. The Undersigned hereby covenants that this Personal Guaranty will not be

discharged except by complete payment and performance of the Indebtedness or obligations contained herein.

3. **Consent to OTB's Right to Modify.** Without affecting the obligations of the Undersigned under this Guaranty OTB may, without notice to the Undersigned: (a) exchange, release, sell (by foreclosure or otherwise), consent to the transfer of, apply or otherwise deal with any Collateral for repayment of the Indebtedness at OTB's election; (b) refinance, extend, renew, or accelerate the Indebtedness or obligations in whole or in part and as often as OTB so chooses; (c) waive, fail to enforce, surrender, impair, modify or exchange any of its rights under any instruments evidencing, relating to, or securing the Indebtedness or obligations; (d) settle, release (by operation of law or otherwise), compound, compromise, collect or liquidate, in any manner, any of the Indebtedness or obligations; or (e) obtain and perfect, or maintain the perfection of, priority of any security interest or lien on the Collateral securing the Indebtedness.

4. **Waiver by Undersigned.** The Undersigned waives all demands and notices of every kind with respect to this Guaranty and the Franchise Documents, as allowed by law, including, without limitation, notice of: the amendment or modification of this Guaranty or the Franchise Agreement, the demand for payment or performance by Franchisee, any default by Franchisee or any guarantor, and any release of any guarantor or other security for this Franchise Agreement or the obligations of Franchisee.

5. **Cumulative Remedies.** OTB may pursue its rights against the Undersigned without first exhausting its remedies against Franchisee and without joining any other guarantor hereto. No delay on the part of OTB in the exercise of any right or remedy shall operate as a waiver of such right or remedy, and no single or partial exercise by OTB of any right or remedy shall preclude the further exercise of such right or remedy. All of OTB's rights and remedies hereunder are cumulative and not alternative.

6. **Death of a Guarantor.** Upon receipt by OTB of notice of the death of an individual guarantor, the estate of such guarantor will be bound by this Guaranty but only for defaults and obligations hereunder existing at the time of death, and the obligations of the other guarantors hereunder will continue in full force and effect.

7. **Definitions of "Indebtedness"; "Collateral."** The term "Indebtedness" as used herein shall mean: all obligations of Franchisee to OTB, whether now or hereafter due or arising, and whether direct or indirect or contingent or liquidated; all costs of collection, including reasonable attorneys' fees; all other amounts which Franchisee is obligated to pay OTB under any instruments evidencing, relating to or securing the Indebtedness or any part thereof, and including any documentary stamp tax, interest, and penalties determined to be due in connection therewith. The term "Indebtedness" shall also include any amounts advanced by OTB pursuant to requests for advances, made on behalf of Franchisee or under the terms of any security agreement, even if, at the time of such advance, Franchisee has been dissolved, liquidated or its existence terminated, by operation of law or otherwise. The term "Collateral" shall mean any real or personal property securing the Indebtedness and shall include a grant to OTB by Franchisee of a lien on and a security interest in any deposits, funds, accounts, or securities in the possession of or on deposit with OTB, which shall secure the payment and performance of this Personal Guaranty. OTB may at any time,

without demand or notice, appropriate and set off against such deposits, funds, or accounts and apply the same to the obligations of the Undersigned hereunder.

8. **Severability**. Each provision of this Personal Guaranty is intended to be severable. Any term or provision hereof declared to be contrary to, prohibited by, or invalid under applicable laws or regulations shall be inapplicable and deemed omitted, but shall not invalidate the remaining terms and provisions hereof. Should any provision of this Agreement be determined invalid by a court of competent jurisdiction, the parties hereto request the Court to strike that provision only, leaving the remainder of this guaranty in effect.

9. **Assignability**. OTB may freely and fully assign and transfer this Personal Guaranty without notice or consent of the Undersigned, and this Personal Guaranty may be relied upon and enforced by OTB and any of its successors and/or assigns.

10. **Governing Law**. The laws of the State of Texas shall control the construction, interpretation, and enforcement of this Personal Guaranty and all matters related to this Personal Guaranty.

11. **Waiver of Trial by Jury**. **BY EXECUTING THIS PERSONAL GUARANTY, THE UNDERSIGNED KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES HIS/HER RIGHTS, AND ANY RIGHTS HIS/HER HEIRS, ASSIGNS, SUCCESSORS OR PERSONAL REPRESENTATIVES MAY HAVE, TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR SUIT, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, AND WHETHER ASSERTED BY WAY OF COMPLAINT, ANSWER, CROSS CLAIM, COUNTERCLAIM, AFFIRMATIVE DEFENSE, OR OTHERWISE, BASED ON OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS PERSONAL GUARANTY OR ANY OTHER INSTRUMENT, DOCUMENT, OR AGREEMENT TO BE EXECUTED IN CONNECTION HEREWITH, OR WITH THE INDEBTEDNESS OR THE RENEWAL, MODIFICATION, OR EXTENSION OF ANY OF THE FOREGOING. THIS PROVISION IS A MATERIAL INDUCEMENT FOR OTB ENTERING INTO THE FRANCHISE DOCUMENTS AND THIS PERSONAL GUARANTY, AND NO WAIVER OR LIMITATION OF OTB'S RIGHTS HEREUNDER SHALL BE EFFECTIVE UNLESS BY WRITTEN AGREEMENT SIGNED BY OTB.**

The Undersigned acknowledges that the above paragraph has been expressly bargained for by OTB as part of the transaction with Franchisee and that, but for the Undersigned's agreement hereto, OTB would not have entered into the Franchise Documents.

12. **Complete Agreement**. This instrument sets forth the entire agreement between OTB and the Undersigned with respect to the subject matter contained herein and no verbal or written agreement, understanding, or custom affects the terms thereof.
