What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit A](#).

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

- 1) **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Mississippi. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Mississippi than in your own state.
- 2) **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
- 3) **Spousal Liability.** Your spouse must sign a document making your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.
- 4) **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
- 5) **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's ability to use this trademark in your area is challenged, you may have to identify your business and its products/services by a different name. This change can be expensive and may reduce brand recognition of the products and services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that the franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its terms except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type or under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Franchise Disclosure Document, “NGF,” “we,” “us” and “our” means NexGen Franchising, LLC, the franchisor. “You,” “your” and “Franchisee” means the person, and its owners if the Franchisee is a business entity, who buys the franchise from NGF.

The Franchisor

NGF is a Mississippi limited liability company formed on June 20, 2022. We operate under our corporate name and the name NexGenEsis Healthcare. Our principal business address is 5420 Dashwood St Suite 203, Houston, Texas 77081. We offer franchises (“NexGenEsis Healthcare Franchise(s)” or “Franchise(s)”) for NexGenEsis Healthcare businesses and have done so since August 2022. We do not conduct business under any other name or in any other line of business and we do not offer franchises in any other line of business. We do not conduct, and have never conducted, a business of the type described in this Franchise Disclosure Document. We do not have a predecessor.

We have one parent entity, EAD NexGenix LLC (“EAD”). EAD shares our principal business address. EAD does not offer franchises in any line of business or provide products or services to our franchisees. EAD owns and controls all of the intellectual property utilized by all of the NexGenEsis Healthcare Franchises and licenses it to us.

We have five affiliates. NexGen Healthcare LLC (“NHM”) operates a NexGenEsis Healthcare Business in Gulfport, Mississippi and has done so since September 2019 (this location was temporarily closed in 2020 due to the COVID-19 pandemic). NHM shares our principal business address.

NexGen Healthcare Hawaii LLC operates a NexGenEsis Healthcare Business in Honolulu, Hawaii and has done so since January 2022.

NexGen Healthcare Clinics LLC has operated NexGenEsis Healthcare Businesses in Bellaire, Texas and Baton Rouge, Louisiana since September 2022 and October 2022, respectively. It also operates a business under the NexGen Healthcare brand in Conroe, Texas that offers (on a periodic basis) similar services to a Bolt-On NexGenEsis Healthcare Business and has done so since December 2021.

Our affiliate, NexGen Medical Supplies, LLC (“NMS”), is the only approved supplier of the “Neuropathy Package” and an approved supplier for the “Medical Equipment Package” (both discussed in Item 5) and ongoing items contained in these packages. NMS is our only affiliate that provides products or services to our franchisees. NMS shares our principal business address.

Our affiliate, EAD Advertising, LLC (“EAL”), is an approved supplier of advertising services to franchisees. None of our affiliates have offered or currently offer franchises in any line of business.

Additionally, some of our officers own interest in the non-affiliate companies, Hattiesburg Pain & Injury, LLC, and Alabama Pain & Injury, LLC. These companies operate under the Marks at locations in Hattiesburg, Mississippi and Mobile, Alabama but do not offer the same services provided by a NexGenEsis Healthcare Clinic.

Our agent for service of process in Mississippi is Dr. Greg Picou at 5420 Dashwood St Suite 203, Houston, Texas 77081. Our agents for service of process for other states are identified by state in Exhibit A. If a state is not listed, we have not appointed an agent for service of process in that state in connection

with the requirements of franchise laws. There may be states in addition to those listed above in which we have appointed an agent for service of process. There may also be additional agents appointed in some of the states listed.

The Franchise

A NexGenEsis Healthcare Business provides non-surgical, non-opioid pain relief, injury rehabilitation, and neuropathy treatment that includes platelet-rich plasma, alpha 2 macroglobulin, and bone marrow aspirate injections, to enhance and speed the body's natural healing ability ("Required Services"). The NexGenEsis Healthcare Business may also offer treatment for weight loss, hair loss and erectile dysfunction. Our NexGenEsis Healthcare Franchise operating system includes recognizable design, décor and color scheme; uniform standards, specifications, rules and procedures of operation; techniques; philosophies; quality and uniformity of products and services offered; and procedures ("System"). You will operate the NexGenEsis Healthcare Franchise using the System and our trade names, trademarks, service marks, emblems, logos, slogans and copyrights ("Marks") as authorized by us from an approved location. NexGenEsis Healthcare Businesses are operated out of health clinics ("NexGenEsis Healthcare Clinic(s)" or "Clinics") in compliance with all relevant laws and regulations. You must sign our standard franchise agreement attached to this Franchise Disclosure Document as Exhibit C ("Franchise Agreement"). You may operate one NexGenEsis Healthcare Franchise for each Franchise Agreement you sign.

We offer conversion opportunities to existing independent businesses that provide services and products similar to some or all of the Required Services ("Conversion Owners"). Conversion Owners will sign a Franchise Agreement that will include a "Conversion Addendum," which is attached to this Franchise Disclosure Document as Exhibit H-9. Conversion Owners offer all Required Services and must modify their business premises to our design plans and specifications, use our Marks, complete our training, and make any other necessary modifications to their business to meet the then-current standards of a NexGenEsis Healthcare franchisee.

We offer Bolt-On opportunities to existing independent businesses ("Bolt-On Owners") to add a NexGenEsis Healthcare Business to their current business. Bolt-On Owners must have operated their existing business for at least six months prior to signing a franchise agreement. Bolt-On Owners will be required to create a separate entity which will operate the NexGenEsis Healthcare Business. Bolt-On Owners must have a designated area for their NexGenEsis Business designed to our plans and specifications, use our Marks, and complete our training. Bolt-On Owners must sign the "Bolt-On Addendum," which is attached to this Franchise Disclosure Document as Exhibit H-10.

Business Model

Depending on your qualifications and applicable local, state and federal laws and regulations, your NexGenEsis Healthcare Franchise will operate under a management business model or a healthcare center model.

NexGenEsis Healthcare Management Business

If your NexGenEsis Healthcare Business is in a state that limits the ownership and operation of medical practices to licensed professionals, and you are not a licensed professional or do not otherwise qualify to directly operate a medical practice, your NexGenEsis Healthcare Business will be operated as management business ("Clinic Management Business") that provides management, marketing and clinic facility based services ("Management Services") to a physician-owned professional medical entity authorized to operate the Clinic and offer and provide approved products and services to patients ("Authorized Medical Provider(s)"). The Authorized Medical Provider will have responsibility for

providing, overseeing and supervising the delivery of medical products and services provided by the Clinic, as well as all other matters requiring clinical oversight. You will enter into a management agreement with the Authorized Medical Provider (“Clinic Management Agreement”), which must be approved by us, where you will provide the Authorized Medical Provider with non-clinical Management Services. Although we provide a sample management agreement in Exhibit H-7 of this Franchise Disclosure Document, you must hire your own attorney to independently review and evaluate the Clinic Management Agreement to ensure it complies with all applicable laws, rules and regulations. Some states may prohibit you from charging a management fee based on a percentage of the gross revenues earned by the Authorized Medical Provider, in which case you will need to modify your Clinic Management Agreement to incorporate a flat management fee. We must approve the final version of your Clinic Management Agreement.

The Authorized Medical Provider will employ, oversee, supervise, and control the physicians and medical personnel who will provide the services to the patients of the NexGenEsis Healthcare Business. Under the Clinic Management Business structure, you will not provide any actual medical services and will not supervise, direct, control or suggest to the Authorized Medical Provider or its physicians or medical personnel the manner in which the Authorized Medical Provider provides or may provide medical services to its patients. Under this model, to ensure compliance with applicable laws, it is critical that you do not engage in practices that are, or may appear to be, the practice of medicine. As the provider of Management Services, you may not represent yourself to be the “owner” of the medical practice. If you are a Conversion Owner or Bolt-On Owner, and you operate a Clinic Management Business, you must hire your own attorney to independently review and evaluate the Conversion Addendum or Bolt-On Addendum, as applicable, and ensure compliance with all laws and regulations. You must provide us with an opinion from your healthcare attorney either reflecting that the applicable addendum complies with the applicable laws, or an opinion on what clauses must be modified to achieve compliance.

NexGenEsis Healthcare Center Business

If your NexGenEsis Healthcare Business is in a state that does not limit the ownership and operation of medical practices to licensed professionals, or if you are a licensed professional or otherwise qualify to directly operate a medical practice, we may waive the requirement that you enter into a Clinic Management Agreement, and permit you to both manage and operate your NexGenEsis Healthcare Business (“Healthcare Center Business”). You will be required to sign the “Waiver of Management Agreement” (a copy of which is attached as Exhibit H-8 to this Disclosure Document) which waives the requirements in your franchise agreement related to the Clinic Management Business and requirement that you partner with an Authorized Medical Provider. You will operate the Healthcare Center Business, including performing all responsibilities and obligations an Authorized Medical Provider would provide under the Clinic Management Agreement, and manage the Healthcare Center Business as required in the Franchise Agreement by performing all the responsibilities and obligations of the “Practice” under the Clinic Management Agreement.

As of the Issuance Date of this Disclosure Document, these states may allow the operation of a Healthcare Center Business: Alabama, Alaska, Connecticut, Delaware, Florida, Hawaii, Idaho, Indiana, Kentucky, Louisiana, Maine, Mississippi, Missouri, Nebraska, New Hampshire, New Mexico, North Dakota, Ohio, Oklahoma, Rhode Island, Utah, Vermont, Virginia, and Wyoming. We recommend you hire your own attorney to independently evaluate, review and advise you on what practices you may or may not engage in, in respect to the operation and management of the Healthcare Center Business.

Both Clinic Management Businesses and Healthcare Center Businesses will be referred to as “NexGenEsis Healthcare Businesses.”

We developed the System and the standards and specifications associated with the System, to create a framework that enables Clinics to operate in compliance with our brand standards and maintain a uniform experience for patients. However, we understand that the practice of medicine is a licensed profession requiring independent judgment, skill and training. Our franchise training and support programs do not include any training or support regarding the method or manner by which medical services are provided to patients. We do not (a) control or influence, (b) reserve the right to control or influence, or (c) intend to control or influence the Professional Judgment (as described below) exercised by the Authorized Medical Provider or any medical staff. So we acknowledge and agree that if any terms of the Franchise Agreement (or any related agreement) and/or the Franchise Operations Manual conflict with your Professional Judgment or of the Authorized Medical Provider and any medical staff, then: (i) the Professional Judgment of the Authorized Medical Provider and any medical staff, will control; and (ii) the Authorized Medical Provider and any medical staff will be authorized to act in a manner consistent with their Professional Judgment without being deemed in breach of the Franchise Agreement.

For purposes of this Franchise Disclosure Document, the term “Professional Judgment” means the independent medical judgment exercised by an Authorized Medical Provider and any medical staff regarding the methods and manner by which medical services are provided to patients, including: (a) determining what diagnostic tests are appropriate; (b) determining the need for referrals to or consultation with another medical professional or specialist; (c) responsibility for the ultimate overall care of the patient, including treatment options available to the patient; (d) determining how many patients to see in a given period of time or how many hours licensed medical professionals must work; (e) determining the medical equipment and supplies used in rendering healthcare services; (f) managing, and determining the contents of, patient medical records; (g) selecting, hiring and firing any licensed medical professional staff; and (h) establishing coding and billing procedures for patient care services.

Area Developers

We also offer to select qualified persons (“Area Developers”) the opportunity to sign our area development agreement attached to this Franchise Disclosure Document as Exhibit D (“Area Development Agreement”) and acquire the right to develop multiple NexGenEsis Healthcare Franchises in a designated development area (“Development Territory”) in accordance with a specified development schedule (“Development Schedule”). The Development Territory will be established based on the consumer demographics of the Development Territory, geographical area, city, county and other boundaries. If you enter into an Area Development Agreement, you must sign a Franchise Agreement for your first NexGenEsis Healthcare Franchise (“Initial Franchise Agreement”) at the same time you sign the Area Development Agreement. You will be required to sign our then-current form of NexGenEsis Healthcare Franchise Agreement, which may differ from the current Franchise Agreement included with this Franchise Disclosure Document, for each NexGenEsis Healthcare Franchise that you develop under the Area Development Agreement, except that any additional franchise agreements signed pursuant to the Development Schedule will have the same royalty rate as the Initial Franchise Agreement. Unless otherwise stated, any reference in this Franchise Disclosure Document to “you” or “franchisee” includes you both as an Area Developer under an Area Development Agreement and as a franchisee under a Franchise Agreement. Area Developers must open a minimum of two NexGenEsis Healthcare Franchises.

Ramp Up Opening

If you purchase additional Franchises, either under the Area Developer Agreement or as additional individual franchises, and these Franchises are located in a territory contiguous to your first NexGenEsis Healthcare Franchise, you have the option to open the next two on a ramp up part-time basis for the first year of each’s operation. This is known as the “Ramp Up Opening” option. Franchises opened under the Ramp Up Option are referred to as “Satellite Franchise(s).” Under the Ramp Up Opening:

- You can open each of the additional Franchises on a part-time basis for the first 12 months;
- You must follow the reduced hours schedule outlined in the franchise operations manual, which dictates the ramp-up period;
- You are required to commit to special advertising requirements specific to the delayed full-time opening as discussed in Item 11; and
- You must purchase additional products, as specified by us as discussed in Item 8, to qualify for the Ramp Up Opening.

You are not required to participate in the Ramp Up Opening for any additional Franchise and can open additional Franchises on a full-time basis from the start, without any of the additional requirements mentioned above. Your first Franchise location must always be opened and operated on a regular, full-time schedule. For each full-time location you operate, you can open up to two additional franchises under the Ramp Up Opening schedule. After the 12-month ramp-up period, all franchises opened under the Ramp Up Opening option must transition to full-time operation.

Market and Competition

The primary market for the products and services offered by the NexGenEsis Healthcare Businesses includes aging adults and athletes of all ages. The products and services offered by NexGenEsis Healthcare Businesses are not seasonal. The market is well-developed and highly competitive in certain markets, but is still developing in others, and includes businesses selling various types of products and services. You may have to compete with numerous other independent and chain-affiliated businesses, some of which may be franchised. Some franchise systems, in particular, have already established national and international brand recognition.

Industry-Specific Laws

You must obtain all required licenses, permits, and approvals to operate your NexGenEsis Healthcare Franchise. Some states and local jurisdictions may have enacted or may in the future enact laws, rules, regulations, and ordinances which may apply to the NexGenEsis Healthcare Business. These regulations may establish certain standards, specifications, and requirements that must be followed by you. These include but are not limited to compliance with all applicable federal, state, county and municipal building codes and handicap access codes as well as laws restricting smoking in public places, the public posting of notices regarding health hazards, fire safety and general emergency preparedness, rules regarding the proper use, storage and disposal of hazardous waste and materials, and other building, fire and health standards.

State laws and regulations will vary greatly from state-to-state, so it is critical that each NexGenEsis Healthcare Franchise owner evaluate the specific laws and regulations applicable to the geographic area where it operates. In conducting this evaluation, there are five foundational areas that should be focused on and understood: (i) ownership; (ii) diagnosis and treatment; (iii) delegation and supervision, (iv) marketing, and (v) privacy and data security. These regulations apply both to a NexGenEsis Healthcare Franchise being operated as a Healthcare Center Business or a Clinic Management Business.

Ownership - Many states have laws restricting ownership, and control of medical practices by lay persons or corporations commonly referred to as the corporate practice of medicine doctrine (“CPOM”). The idea behind CPOM is to prevent financial and business interests from interfering with independent medical judgment. A state’s CPOM doctrine can include a wide range of restrictions such as prohibiting lay person or corporations from employing a physician to practice medicine and collecting the professional fees, restricting the ownership percentage of a practice that can be owned by a physician or non-physician

provider such as a nurse practitioner, or lay person, and who can serve in management positions of a practice. These ownership and control restrictions within the state your NexGenEsis Healthcare Franchise is located can serve as a determining factor as to whether you can own and operate a Healthcare Center Business or under a Clinic Management Business structure. Additionally, the CPOM restrictions can affect the way flow of funds needs to occur within your franchise structure, especially if operating as a Clinic Management Business, as funds need to follow a specific route from professionals to lay persons. These flow of funds concerns can be addressed in the Clinic Management Agreement. Whether your NexGenEsis Healthcare Franchise is operated as a Healthcare Center Business or as a Clinic Management Business, under no circumstance shall a lay person (including you as an owner if unlicensed) administer, control, influence, or direct the supervision, administration, delivery or performance of medical or other services requiring an Authorized Medical Provider.

Diagnosis and Treatment - A variety of Authorized Medical Providers can be employed by the NexGenEsis Healthcare Franchise, such as physicians, nurse practitioners, physician assistants, and/or registered nurses. However, state regulations and oversight boards determine how much power and ability each license grants the holder regarding certain procedures. It is critical that state law be determined for which Authorized Medical Provider can conduct a primary patient evaluation and diagnosis, develop the treatment plan, as well as who can perform the procedure. Generally, only a physician, nurse practitioner (subject to proper supervision), or physician assistant (subject to proper supervision) may conduct the initial evaluation and diagnosis. Varying power and practice scopes are granted to non-physician providers, such as nurse practitioners, depending on the state the license is issued and services performed in. State laws, medical boards, nursing boards, and other regulatory agencies will need to be analyzed to determine what procedures and policies need to be implemented through the creation of standard operating procedures for the NexGenEsis Healthcare Franchise. The concept of form and substance will be vital to compliance as the operations of the NexGenEsis Healthcare Franchise need to follow and adhere to the standard operating procedures as written.

Delegation and Supervision - Following the primary consultation of a patient, analysis will need to be conducted regarding which Authorized Medical Providers and can be delegated procedures and administer the treatment plan. States will vary on regulations such as medical director qualifications, nurse practitioner and physician assistant ability to practice independently, nurse supervision and medical records review. Further distinctions will need to be made between medical and non-medical treatments. Based on the applicable delegation heeded and requirements of the jurisdiction, delegation and supervision agreements may need to be prepared and entered into between the physician and non-physician providers, or other supervisor roles as outlined by the state. These agreements often are required in instances where prescriptive authority is being delegated by one party to another, which can be integral to the operation of the NexGenEsis Healthcare Business.

Marketing and Fraud and Abuse Laws – There are extensive federal, state and local laws rules and regulations that regulate the type of marketing that you may or may not make as to the products and services offered by a NexGenEsis Healthcare Business, the results that a NexGenEsis Healthcare Business customer may or may not achieve, and whether or not the approved products or services offered by NexGenEsis Healthcare Businesses are authorized, cleared and/or approved by any government agency or authority, and the Authorized Medical Provider(s) that may or may not be administering, supervising and/or performing the services. You should consult with your healthcare attorney to ensure that the marketing and promotion of your NexGenEsis Healthcare Franchise, its services, and the underlying NexGenEsis Healthcare Business, complies with all applicable laws, rules and regulations.

Both federal and state law impose restrictions upon certain marketing activity, including prohibitions on giving or receiving certain financial incentives for referrals. These include the federal “Stark” physician self-referral prohibition (42 U.S.C. § 1395nn) on financial arrangements between a

physician (or immediate family member) and entity furnishing Designated Health Services and the federal Anti-Kickback Statute (42 U.S.C. 1320a-7b), which prohibits knowingly and willfully soliciting, receiving, offering, or paying any remuneration (including any kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, to any person, in return for or to induce such person to refer a person for the furnishing or arranging for the furnishing of an item or service for which payment may be made in whole or in part under Medicare, Medicaid, TRICARE or other Federal healthcare programs (as defined by 42 U.S.C. § 1320a-7b(f)); or (ii) purchase, lease, order or arrange for or recommend the purchasing, leasing or ordering of any good, facility, service, or item for which payment may be made in whole or in part under any Medicare, Medicaid, TRICARE or other Federal healthcare programs (as defined by 42 U.S.C. § 1320a-7b(f)). While the absence of federal reimbursement prevents the applicability of the foregoing laws and regulations to a NexGenEsis Healthcare Franchise and the NexGenEsis Healthcare Business operated in connection with your NexGenEsis Healthcare Franchise, certain states have enacted parallel restrictions (“State Anti-Kickback Laws”) that apply to all healthcare services, without regard to whether the payer is the patient, a private health plan, or a government program. A federal law enacted in 2018, the Eliminating Kickbacks in Recovery Act, 18 U.S.C. § 220, also prohibits the payment of remuneration in return for referring a patient to medical clinics and applies to payments from commercial and employer-sponsored health plans.

Another important aspect of compliance with State Anti-Kickback Laws may involve review of the financial terms of the Clinic Management Agreement used in a Clinic Management Business to ensure that the arrangement comports with relevant state law, including considerations of fair market value or commercial reasonableness in the payment for services. In addition, many states require that physicians make a proper disclosure to their patients regarding their affiliation with a person or entity if they will receive, directly or indirectly, remuneration for securing or soliciting the patient. Because of this, you will need to structure your marketing and financial arrangements carefully to ensure compliance. It is important to have a healthcare attorney evaluate these laws and regulations applicable to your NexGenEsis Healthcare Franchise.

Privacy and Data Security – Federal and state law impose privacy and data security requirements to the handling of patient records and communications of health information. The federal Health Insurance Portability and Accountability Act (“HIPAA”) laws, rules and regulations impose strict requirements as to safeguarding and maintaining the privacy of personal information and data collected and stored in medical records. You must assume that the operations of a NexGenEsis Healthcare Business, and the offer, sale, and performance of the Approved Clinic Products and Services are subject to HIPAA’s stringent privacy requirements. State laws may provide additional restrictions on privacy and data security practices. Although we provide a sample HIPAA business associate agreement (the “HIPAA Associate Agreement”) in Exhibit H-7 of this Disclosure Document, to ensure the privacy and security of patient healthcare information you share with any business associate as defined by HIPAA, such as service providers, attorneys, or third-party billing companies, you should consult with your own healthcare attorney to ensure that this agreement complies with HIPAA and other applicable laws, rules and regulations. You should also consult with your healthcare attorney to determine whether the activities, safeguards and measures of your NexGenEsis Healthcare Franchise comply with HIPAA, requirements.

The Payment Card Industry Data Security Standard (“PCI”) requires that all companies that process, store, or transmit credit or debit card information maintain a secure environment. PCI applies to all organizations or merchants, regardless of size or number of transactions, that accepts, transmits or stores any cardholder data. You must also be sure to comply with applicable federal and state laws regulating the privacy and security of sensitive consumer and employee information.

If we grant you the right to operate a NexGenEsis Healthcare Business, we are not engaging in the practice of medicine, nursing or any other profession that requires specialized training or certification. You

must not engage in the practice of medicine, nursing or any other profession that requires specialized training or certification, with the exception of those franchisees who sign a Waiver of Management Agreement. The Franchise Agreement and Clinic Management Agreement will not interfere, affect or limit the independent exercise of medical judgment by you or your medical staff (if you operate a Healthcare Center Business) or by the Authorized Medical Provider and its medical staff (if you operate a Clinic Management Business).

You are responsible for investigating, understanding and complying with all applicable laws, rules, regulations, ordinances and requirements applicable to you and your NexGenEsis Healthcare Franchise. You should consult with a legal advisor about whether these and/or other requirements apply to your NexGenEsis Healthcare Franchise. Failure to comply with laws and regulations is a material breach of the Franchise Agreement. “

USA Insurance Company v. Physicians Care Plaza, LLC et al.

CASE NO. 1:13-cv-292-HSO-RHW, US District Court for the Southern District of Mississippi, Southern Division

On July 12, 2013, Plaintiff USA Insurance Company (“USA”) filed a complaint against Physicians Care Plaza, LLC (“PCP”), Doctors Care Center, LLC (“DCC”), Mr. Picou, as managing member of PCP, Dr. Kent Ozon, and other individuals (together, the “Providers”), alleging Providers engaged in a scheme to defraud USA for the payment of medical bills and medical claims in violation of the RICO Act, 18 USC § 1961. Notes:

1. **Fees.** All fees paid to us or our affiliates are uniform and not refundable under any circumstances once paid. Fees paid to vendors or other suppliers may be refundable depending on the vendors and suppliers. We currently require you to pay fees and other amounts due to us or our affiliates via electronic funds transfer (“**EFT**”) or other similar means. You are required to complete the ACH authorization (in the form attached to this Franchise Disclosure Document in **Exhibit H**). We can require an alternative payment method or payment frequency for any fees or amounts owed to us or our affiliates under the Franchise Agreement. All fees are current as of the Issuance Date of this Franchise Disclosure Document. Certain fees that we have indicated may increase over the term of the Franchise Agreement. All fees are current as of the Issuance Date of this Franchise Disclosure Document. Certain fees that we have indicated may increase over the term of the Franchise Agreement. Also, any fee expressed as a fixed dollar amount is subject to adjustment based on changes to the Consumer Price Index (“**CPI**”) in the United States. We may periodically review and increase these fees based on changes to the CPI (in addition to any other increase), but only if the increase to the CPI is more than 5% higher than the corresponding CPI in effect on: (a) the effective date of your Franchise Agreement (for the initial fee adjustments); or (b) the date we implemented the last fee adjustment (for subsequent fee adjustments). We will notify you of any CPI adjustment at least 60 days before the fee adjustment becomes effective. We will implement no more than one CPI-related fee adjustment during any calendar year. If you enter into an Area Development Agreement to operate multiple NexGenEsis Healthcare Businesses, the fees indicated in the chart above are the fees charged and/or incurred for each NexGenEsis Healthcare Businesses.
2. **Royalty.** All Royalties collected must comply with federal, state, and/or local government laws, rules or regulations. Your Royalties are based on your Gross Sales, which are determined differently depending on whether you operate a Healthcare Center Business or Clinic Management Business.
3. **“Gross Sales”** means all income or revenue of the NexGenEsis Healthcare Clinic (whether operated by you or an Authorized Medical Provider), including the revenue generated from the sale of all products, and services offered at or from the NexGenEsis Healthcare Clinic, and all other income or revenue of every kind and nature related to, derived from, or originating from the NexGenEsis Healthcare Clinic, whether at retail or wholesale, including off-premises services, mobile clinics, and temporary locations (whether these sales are permitted or not) (“**Sales**”), and proceeds of any business interruption insurance policies, whether any of the products or services are sold for cash, check, or credit. For the purposes of revenue generated from Sales which are financed, either by you or a third party, where such financing leads to a delay in payment, Gross Revenue will be calculated based on revenue actually received by you or the third party, and Royalties will be calculated only when you

receive either payment for Sales or payment from a third party. Royalties are calculated on the amount charged for Sales, not the amount remitted to you by any third party, if such amount is less than the amount of the Sales. You may deduct from Gross Sales for purposes of this computation (but only to the extent they have been included) the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to patients, if the taxes are separately stated when the patient is charged and if the taxes are paid to the appropriate taxing authority. You may also deduct from Gross Sales the amount of any documented refunds, chargebacks, credits, charged tips and allowances you give in good faith to your patients. All barter or exchange transactions in which you furnish products or services in exchange for products or services provided to you by a vendor, supplier or patient will, for the purpose of determining Gross Sales, be valued at the full retail value of the products or services so provided to you.

4. **Local and Regional Advertising Cooperatives.** If a local or regional advertising cooperative is established, contribution amounts will be established by the cooperative members, subject to our approval. We anticipate that each NexGenEsis Healthcare franchisee and each NexGenEsis Healthcare Franchise that we own will have one vote for each NexGenEsis Healthcare Franchise operated in the designated market. Each NexGenEsis Healthcare Franchise we own that exists within the cooperative's area will contribute to the cooperative on the same basis as franchisees. No local or regional advertising cooperatives have been established as of the Issuance Date of this Franchise Disclosure Document.
5. **Technology Fee.** The Technology Fee pays for a listing on our website, an electronic health records service, customer relationship management software, communication and resource access software, and includes up to three NexGenEsis Healthcare email addresses.
6. **Liquidated Damages.** Liquidated damages are determined by multiplying the combined monthly average of Royalties and Brand Fund Contributions (without regard to any fee waivers or other reductions) that are owed by you to us, beginning with the date you open your NexGenEsis Healthcare Franchise through the date of early termination, multiplied by the lesser of: (i) 36; or (ii) the number of months remaining in the term of the Franchise Agreement, except that liquidated damages will not, under any circumstances, be less than \$30,000.

The Regenerative Equipment Package generally includes: (1) one ultrasound device; (2) one vibration plate; (3) one PRP centrifuge; (4) one A2M centrifuge with filtration; (5) ten Alpha-2-Macroglobulin (A2M) kits; and (6) six Bone Marrow Aspiration (BMA) kits. All these supplies must be purchased at least two weeks before the official opening date of your NexGenEsis Healthcare Clinic. The actual costs will depend on the type of equipment that you select.
5. Furniture, Fixtures, Equipment and Supplies. This estimate involves the furniture, fixtures, equipment and supplies you will need to open a NexGenEsis Healthcare Business. Some of these expenses will depend on NexGenEsis Healthcare Clinic size, shipping distances, supplier chosen and your credit history.
6. Computer / POS System and Office Supplies and Equipment. You are required to purchase a computer and POS system, which we currently estimate to cost \$2,900 to \$5,200. You will also need to purchase appropriate office supplies and equipment for your NexGenEsis Healthcare Clinic. See Item 11 for additional information about the required hardware and software.
7. 3 Months' Lease Payments. This estimate covers three months of pre-opening rent. Your actual rent payments may vary depending upon your location and your market's retail lease rates. NexGenEsis Healthcare Businesses will typically be 1,000 to 2,000 square feet in size. NexGenEsis Healthcare Businesses are typically located in a professional office environment, including office buildings, business parks, and other commercial real estate locations, but may be located in certain standalone buildings. If you purchase instead of leasing the premises for your NexGenEsis Healthcare Clinic, then the purchase price, down payment, interest rates and other financing terms will determine your monthly mortgage payments.
8. Leasehold Improvements. This estimate does not include any construction allowances that may be offered by your landlord. This estimate includes setup expenses you will incur in building out your NexGenEsis Healthcare Clinic, including all costs required to set up the equipment. Building and construction costs will vary depending upon the condition and size of the premises for your NexGenEsis Healthcare Clinic and local construction costs.
9. Utility and Security Deposits. This estimate includes security deposits required by the landlord, cable and utility companies.
10. Signage. The type and size of the signage you install will be based upon the zoning and property use requirements and restrictions. There could be an occasion where certain signage is not permitted because of zoning or use restrictions.

11. Licenses and Permits. You may be required to obtain business licenses from the local government agencies to operate your NexGenEsis Healthcare Business.
12. Insurance. You must obtain and maintain, at your own expense, the insurance coverage we require, and satisfy other insurance-related obligations. If you have had prior issues or claims from previous operations unrelated to the operation of a NexGenEsis Healthcare Business, your rates may be significantly higher than those estimated above.
13. Professional Fees. We recommend that you hire a lawyer, accountant or other professional to advise you on this Franchise offering and to assist you in setting up your NexGenEsis Healthcare Franchise. Additionally, we require you to specifically hire healthcare counsel to ensure your NexGenEsis Healthcare Franchise will comply with all applicable healthcare laws and to review any Clinic Management Agreement. Rates for professionals can vary significantly based on area and experience.
14. Training. We provide training at our training center in Gulfport, Mississippi or at another location designated by us. You must pay for airfare, meals, transportation costs, lodging and incidental expenses for all initial training program attendees. Initial training is provided at no charge for up to three people, provided all individuals attend the same initial training program. Your Responsible Owner and your Franchise Manager, if you have one, must attend the initial training program. If additional initial training is required, or more people must be trained, an Additional Training Fee will be assessed.
15. Medical Training. Prior to opening your NexGenEsis Healthcare Business, the Authorized Medical Provider must complete our then-current required medical training, discussed in Item 11 below. Depending on the Authorized Medical Provider's experience, he or she may require more or less medical training. The low amount assumes that we consider Authorized Medical Provider's experience to be sufficient, and that he or she does not require any additional medical training. The high amount is based on our current negotiated rates with our approved medical training supplier if we determine that the Authorized Medical Provider does need this additional training. See Item 11 for more information regarding Medical Training.
16. Additional Funds. These amounts represent our estimate of the amount needed to cover your expenses for the initial three-month start-up phase of your NexGenEsis Healthcare Franchise. They include payroll, administrative, maintenance, utilities, software license fees, including the Technology Fees, working capital and other items. These figures do not include standard pre-opening expenses, Royalties, or advertising fees payable under the Franchise Agreement or debt service and assume that none of your expenses are offset by any sales generated during the start-up phase. For purposes of this disclosure, we estimated the start-up phase to be three months from the date your NexGenEsis Healthcare Franchise opens for business. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting your NexGenEsis Healthcare Franchise.

Our estimates are based on our experience, the experience of our affiliates, and our current requirements for NexGenEsis Healthcare Franchises. Your costs will depend on factors such as: how well you follow our methods and procedures; your management skills, experience, and business acumen; local economic conditions; the local market for your products and services; the prevailing wage rate; competition; the sales level reached during the start-up period; and the size of your NexGenEsis Healthcare Clinic.

17. This is an estimate of your initial start-up expenses for one NexGenEsis Healthcare Franchise. If you are opening a Satellite Franchise, your initial investment may be lower than what is listed above.

Notes:

These estimated initial expenses are our best estimate of the costs you may incur in establishing and operating multiple NexGenEsis Healthcare Franchises under an Area Development Agreement. We do not offer direct or indirect financing for these items. The factors underlying our estimates may vary depending on several variables, and the actual investment you make in developing and opening your Area Development Franchise may be greater or less than the estimates given depending upon the locations of your NexGenEsis Healthcare Franchises and current relevant market conditions. All expenses payable to the parties are non-refundable, except as you may otherwise arrange.

1. Development Fee. This estimate covers the Development Fee should you agree to open between two and five NexGenEsis Healthcare Franchises. The Development Fee will be greater than the high estimate provided, should you choose to open more than five NexGenEsis Healthcare Franchises. The Development Fee is payable when you sign your Area Development Agreement, fully earned immediately upon receipt and is non-refundable, even if you do not open any NexGenEsis Healthcare Franchises. See Item 5 for additional information on your Development Fee. Area Developers must open a minimum of two NexGenEsis Healthcare Franchises.
2. Initial Investment for First NexGenEsis Healthcare Franchise. These are the estimates to start your NexGenEsis Healthcare Franchise as described in the Standard NexGenEsis Healthcare Franchise chart above, except for the Initial Franchise Fee which is replaced by the Development Fee. Costs associated with starting additional NexGenEsis Healthcare Franchises are subject to factors that we cannot estimate or control, such as inflation, increased labor costs or increased materials costs and will depend on when the additional NexGenEsis Healthcare Franchises are opened.
3. If you purchase multiple franchised businesses under the Area Development Agreement, you will incur all of the costs listed above for each NexGenEsis Healthcare Franchise you open except that you will pay a Development Fee, not Initial Franchise Fees. This is only an estimate of your initial investment and is based on our estimate of domestic costs and market conditions prevailing as of the Issuance Date of this Franchise Disclosure Document. Review these figures carefully with a business advisor and/or legal counsel before deciding to purchase an Area Development Franchise. The availability and terms of financing depend on several factors, including the availability of financing, your creditworthiness, collateral you may have, and lending policies of financial institutions. You should review these figures with a business advisor, financial consultant or other professional before deciding to purchase an Area Development Franchise.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your NexGenEsis Healthcare Business according to our System and specifications. This includes purchasing or leasing all products, services, supplies, fixtures, equipment, inventory, computer hardware and software, and real estate related to establishing and operating the NexGenEsis Healthcare Business under our specifications, which may include purchasing these items from: (i) our designees; (ii) approved suppliers; and/or (iii) us or our affiliates. You must not deviate from these methods, standards and specifications without our prior written consent, or otherwise operate in any manner which reflects adversely on our Marks or the System.

Our confidential operations manual (“Franchise Operations Manual”) states our standards, specifications and guidelines for all products and services we require you to obtain in establishing and operating your NexGenEsis Healthcare Business and approved vendors for these products and services. We will notify you of new or modified standards, specifications and guidelines through periodic amendments or supplements to the Franchise Operations Manual or through other written communication (including electronic communication such as email or through a system-wide intranet).

You must purchase, install, maintain in sufficient supply and use fixtures, furnishings, equipment, signs and supplies that conform to the standards and specifications described in the Franchise Operations Manual or otherwise in writing.

NMS is currently the only approved supplier of Neuropathy Packages (as described in Item 5). While operating your NexGenEsis Healthcare Clinic, you will need replacement components and additional

Neuropathy Packages. These replacements and additional inventory must be purchased from NMS. You will be required to maintain certain inventory levels and will be required to reorder designated minimum quantities as stated in Franchise Operations Manual. NMS is also an approved supplier, but not the only approved supplier, of the Modality Equipment Package (as described in Item 5). You are not required to purchase the Modality Equipment Package, or additional inventory or replacements for any of the equipment contained in the package, from NMS. Some of our officers own an interest in NMS.

You and we acknowledge and agree that the selection and use of any equipment and products used in connection with medical services provided by the Authorized Medical Provider to its patients will be subject to the Authorized Medical Provider's approval based on the Professional Judgment of the Authorized Medical Provider's physicians or comparable licensed medical personnel. If you or the Authorized Medical Provider wish to use any medical equipment or medical related product other than items that we have previously approved, you must first submit a written request for our approval, which we will not unreasonably withhold if the proposed medical equipment or medical product meets our standards and specifications, and any applicable rules or regulations, as determined by the Authorized Medical Provider's physician(s).

You must use the computer hardware and software, including the point-of-sale system that we periodically designate to operate your NexGenEsis Healthcare Franchise. You must obtain the computer hardware, software licenses, maintenance and support services and other related services that meet our specifications from the suppliers we specify. You may be required to use approved suppliers for certain technology business solutions at your expense that will support your business efficiencies, which may include phone systems, security systems, scheduling software, employee shift/task management software, inventory solutions and any other solutions we may require from time to time in the Franchise Operations Manual.

You must obtain the insurance coverage required under the Franchise Agreement, as follows:

1. Comprehensive general liability insurance for damages you create, including broad form contractual liability, broad form property damage, completed operations, products liability and fire damage coverage, in the amount of \$2,000,000 per occurrence and \$2,000,000 aggregate;
2. Professional liability coverage for you and/or all Authorized Medical Providers with limits of \$1,000,000 per occurrence, and \$3,000,000 aggregate or as required by state law, whichever is greater. Professional liability coverage which covers all non-physician clinical personnel, with limits of \$1,000,000 per occurrence, and \$3,000,000 aggregate or as required by state law, whichever is greater;
3. Personal and advertising injury liability insurance in the amount of \$1,000,000 per occurrence;
4. Property and casualty insurance that covers you for damages or losses to the NexGenEsis Healthcare Franchise with a minimum policy limit of \$1,000,000 per occurrence or an amount we reasonable specify;
5. "All Risks" coverage for the full cost of replacement of the NexGenEsis Healthcare Franchise premises and all other property in which we may have an interest with no co-insurance clause;
6. Business interruption insurance in such amount as will reimburse you for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners

(including lost royalties, national advertising and other fees due to us and/or our affiliates), or attributable to prevention of access to the NexGenEsis Healthcare Franchise, with coverage for a period of interruption of one hundred and eighty (180) days and such longer period as we may specify periodically;

7. Insurance for worker's compensation in the amounts required by applicable state law for your NexGenEsis Healthcare Franchise or, as permissible under or demanded by state or local laws, any legally appropriate alternative, providing substantially similar compensation to injured workers, subject to the conditions set forth in the Franchise Agreement;

8. Employment practices liability insurance, including third-party coverage, with limits not less than \$500,000 per employee and \$1,000,000 per accident or incident;

9. Umbrella liability in the amount of \$1,000,000 per occurrence and in the aggregate;

10. Cyber liability and data breach with limits not less than \$25,000 per occurrence, and \$100,000 aggregate;

11. Tenant's liability insurance if such insurance is required by the terms of your lease (if applicable);

12. Any other insurance required by the state or locality in which the NexGenEsis Healthcare Franchise is located and operated, in such amounts as required by statute; and

13. Other insurance coverage, as we, your state or the landlord may reasonably require.

The insurance company must be authorized to do business in the state where your NexGenEsis Healthcare Franchise is located and must be approved by us. It must also be rated "A" or better by A.M. Best & Company, Inc. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage at any time. All insurance policies must name us and any affiliates we designate as additional named insured parties. Your policy must provide that the insurer will not cancel or materially alter the policies without giving us at least 30 days' prior written notice.

We will provide you with a list of our designated and approved suppliers in our Franchise Operations Manual. If you want to use or sell a product or service that we have not yet evaluated, or if you want to purchase or lease a product or service from a supplier or provider that we have not yet approved (for products and services that require supplier approval), you must notify us and submit to us the information, specifications and samples we request. We will use commercially reasonable efforts to notify you within 30 days after receiving all requested information and materials whether you are authorized to purchase or lease the product or service from that supplier or provider. We reserve the right to charge a fee to evaluate the proposed product, service or supplier. We apply the following general criteria in approving a proposed supplier: (1) quality of services; (2) production and delivery capability; (3) proximity to NexGenEsis Healthcare Franchises to ensure timely deliveries of the products or services; (4) the dependability of the supplier; and (5) other factors. The supplier may also be required to sign a supplier agreement with us. We may periodically re-inspect approved suppliers' facilities and products, and we reserve the right to revoke our approval of any supplier, product or service that does not continue to meet our specifications. We will send written notice of any revocation of an approved supplier, product or service. We do not provide material benefits to you based solely on your use of designated or approved sources.

We estimate that approximately 55% to 80% (for standard franchises), 45% to 65% (for Conversion or Bolt-On Owners) of purchases required to open your NexGenEsis Healthcare Franchise will be from us or from other approved suppliers or under our specifications. We estimate that approximately 30% to 85% of purchases required to operate your NexGenEsis Healthcare Franchise will be from us or from other approved suppliers or under our specifications. We and our affiliates may receive rebates from some suppliers based on your purchase of products and services and we have no obligation to pass them on to our franchisees or use them in any particular manner.

During our last fiscal year ended December 31, 2023, our Affiliates derived revenue from franchisee’s required purchases of \$79,930.79 and \$626,700.76 from franchisee’s optional purchases.

We may negotiate purchase arrangements with suppliers and distributors for the benefit of our franchisees, and we may receive rebates or volume discounts from our purchase of equipment and supplies that we resell to you. We currently do not have any purchasing or distribution cooperatives.

4. Allow you to continue to use confidential materials, including the Franchise Operations Manual and the Marks (See Franchise Agreement - Sections 6.1, 12.1, 12.2, 14.2 and 17).

Schedule for Opening

The typical length of time between signing the Franchise Agreement or the payment of any fees and the opening of your NexGenEsis Healthcare Franchise can range from three to six months. Some factors which may affect this timing are your ability to acquire a location through lease or purchase negotiations; your ability to secure any necessary financing; your ability to comply with local zoning and other ordinances; your ability to obtain any necessary permits and certifications; the timing of the delivery of equipment, tools and inventory; and the time to convert, renovate or build out the premises for your NexGenEsis Healthcare Franchise. These lengths of time may be shorter if you are a Conversion Owner or Bolt-On Owner.

You must open your NexGenEsis Healthcare Franchise to the public within 12 months of signing the Franchise Agreement.

If you are an Area Developer, you must sign the Initial Franchise Agreement at the same time you sign the Area Development Agreement. The typical length of time between the signing of the Franchise Agreement and the opening of your first NexGenEsis Healthcare Franchise under an Area Development Agreement is the same as for a single NexGenEsis Healthcare Franchise. Each additional NexGenEsis Healthcare Franchise you develop must be opened according to the terms of your Development Schedule. The determination of the territory and the site selection and acceptance process for each NexGenEsis Healthcare Clinic under an Area Development Agreement is the same as that for a single NexGenEsis Healthcare Clinic and will be governed by the Franchise Agreement signed for that location.

Advertising

Brand Fund

The Brand Fund is for marketing, developing, and promoting the System, the Marks and NexGenEsis Healthcare Franchises. You must pay 1% of your monthly Gross Sales to the Brand Fund (“Brand Fund Contribution”). We reserve the right to increase the Brand Fund Contribution upon 30 days’ written notice, but we will not increase the Brand Fund Contribution more than 1% per calendar year and will not increase the Brand Fund Contribution to more than 3% of your monthly Gross Sales during the initial term of your Franchise Agreement. Your Brand Fund Contribution will be in addition to all other advertising requirements set out in this Item 11. Each franchisee will be required to contribute to the Brand Fund, but certain franchisees may contribute on a different basis depending on when they signed their Franchise Agreement. NexGenEsis Healthcare Businesses owned by us will not contribute to the Brand Fund .

The Brand Fund will be administered by us, or our affiliate or designees, at our discretion, and we may use national and/or regional advertising agencies as the source for our advertising materials, or we may prepare them in-house. The Brand Fund will be in a separate bank account, commercial account or savings account.

We have complete discretion on how the Brand Fund will be utilized. We may use the Brand Fund for any expenditure that we, in our sole discretion, deem necessary or appropriate to promote or improve the System or the NexGenEsis Healthcare brand. For example, we may use the Brand Fund for: (i) developing, maintaining, administering, directing, preparing or reviewing advertising and marketing materials, promotions and programs, including social media management; (ii) public awareness of any of the Marks; (iii) public and consumer relations and publicity; (iv) brand development; (v) research and development of technology, products and services; (vi) website development (including social media) and search engine optimization; (vii) development and implementation of quality control programs; (viii) conducting market research; (ix) changes and improvements to the System; (x) the fees and expenses of any advertising agency we engage to assist in producing or conducting advertising or marketing efforts; (xi) collecting and accounting for Brand Fund Contributions; (xii) preparing and distributing financial

accountings of the Brand Fund; (xiii) conducting quality assurance programs and other reputation management functions; (xiv) local consumer marketing specifically intended to drive traffic to one or more locations, whether opened by us or a franchisee; and (xv) our and our affiliates' expenses associated with direct or indirect labor, administrative, overhead, or other expenses incurred in relation to any of these activities.

We do not guarantee that advertising expenditures from the Brand Fund will benefit you or any other franchisee directly, on a pro rata basis, or at all. We are not obligated to spend any amount on advertising in the geographical area where you are or will be located. We will not use the Brand Fund Contributions for advertising that is principally a solicitation for the sale of Franchises, but we reserve the right to include a notation in any advertisement or website indicating "Franchises Available" or similar phrasing.

We assume no fiduciary duty to you or other direct or indirect liability or obligation to collect amounts due to the Brand Fund or to maintain, direct or administer the Brand Fund. Any unused funds that were collected in any calendar year will be applied to the following year's funds, and we reserve the right to contribute or loan additional funds to the Brand Fund on any terms we deem reasonable.

The Brand Fund is not audited. Upon your written request, we will make available an annual accounting for the Brand Fund that shows how the Brand Fund proceeds have been spent for the previous year. We did not collect or spend any Brand Fund Contributions during our last fiscal year, ended on December 31, 2023.

Local Advertising

In addition to the Brand Fund Contributions, you must spend \$10,000 per month for the first two months your NexGenEsis Healthcare Franchise is open, and \$20,000 each subsequent month, on local advertising ("Local Advertising Requirement"). If you are operating a Franchise under the Ramp Up Opening, your Local Advertising Requirement will be \$10,000 per month for the first six months, and then \$20,000 per month for each subsequent month. If you fail to spend the Local Advertising Requirement, we may spend any shortfall on your behalf and you must promptly reimburse us for such expenditures, or you will be required to pay the difference to the Brand Fund or us. Your Local Advertising Requirement must be spent in compliance with the applicable requirements provided in our Franchise Operations Manual, if any. If you wish to advertise online, you must follow our online policy which is contained in our Franchise Operations Manual. Our online policy may change as technology and the internet changes. We may restrict your use of social media. We may not allow you to independently market on the internet, or use any domain name, address, locator, link, metatag or search technique with words or symbols similar to the Marks. We intend that any franchisee website will be accessed only through our System Website (defined below).

We may require you to order sales and marketing material from us or our designated suppliers. It is a material breach of the Franchise Agreement to use other marketing material without obtaining our prior written approval. If you desire to use your own advertising materials, including your own website, you must obtain our prior approval, which may be granted or denied in our sole discretion. We will review your request and we will respond in writing within 30 days from the date we receive all requested information. Our failure to notify you in the specified time frame will be deemed a disapproval of your request. Use of logos, Marks and other name identification materials must follow our approved standards. You may not use our logos, Marks and other name identification materials on items to be sold or services to be provided without our prior written approval. You will be required to pay us a modification fee (See Item 6) for any modification you request for any of the NexGenEsis Healthcare marketing materials.

You may be required to participate in any local or regional advertising cooperatives for NexGenEsis Healthcare Franchises that are established. The area of each local and regional advertising cooperative will be defined by us, based on our assessment of the area. Franchisees in each cooperative will contribute an amount to the cooperative for each NexGenEsis Healthcare Franchise that the franchisee owns that exists within the cooperative's area. Each NexGenEsis Healthcare Franchise we own that exists within the cooperative's area will contribute to the cooperative on the same basis as franchisees. Members of the cooperative will be responsible for administering the cooperative, including determining the amount of contributions from each member, however all members will be required to contribute equally, and contributions will not exceed 50% of the Local Advertising Requirement. Contributions made by franchisees to a local or regional advertising cooperative will count towards their Local Advertising Requirement. We may require that each cooperative operate with governing documents and prepare annual unaudited financial statements. We reserve the right to form, change, dissolve or merge any advertising cooperative formed in the future. If we elect to form such cooperatives, or if such cooperatives already exist near your territory, you will be required to participate in compliance with the provisions of the Franchise Operations Manual, which we may periodically modify at our discretion.

System Website

We have established a website for NexGenEsis Healthcare Franchises ("System Website"). We intend that any franchisee website will be accessed only through our System Website. We have the right to use the Brand Fund's assets to develop, maintain and update the System Website. We may update and modify the System Website from time to time. You must promptly notify us whenever any information on your listing changes or is not accurate. We have final approval rights of all information on the System Website. We may modify, update or add to the System Website at any time.

We are only required to reference your NexGenEsis Healthcare Franchise on the System Website while you are in full compliance with your Franchise Agreement and all System standards.

Advisory Council

We currently do not have, but may form, an advisory council ("Council") to advise us on advertising policies. The Council would be governed by bylaws. Members of the Council would consist of both franchisees and corporate representatives. Members of the Council would be selected by way of a voting method specified in the Council's bylaws. The Council would serve in an advisory capacity only. We will have the power to form, change or dissolve the Council, in our sole discretion.

Computer System

You are required to purchase a computer system ("Computer System") that consists of the following hardware and software: (a) one Zenoti POS terminal, two tablets, one laptop or desktop and one high quality "all-in-one" laser printer/copier/scanner with wireless networking capabilities; and (b) QuickBooks and Microsoft 365. The tablets and laptop/desktop must conform to the specifications provided in our Franchise Operations Manual, which we may update periodically. We currently estimate the cost of purchasing the Computer System will be between \$2,900 to \$5,200. You must use the approved online billing and appointment software that we require in the Franchise Operations Manual. The fees for this software are included in the Technology Fee. The Computer System will manage the daily workflow of the NexGenEsis Healthcare Franchise, manage patient records, maintain patient appointment calendars, monitor collections, aggregate sales data, and collect other information. You must record all Gross Sales on the Computer System. You must store all data and information in the Computer System that we designate, and report data and information in the manner we specify. The Computer System will generate reports on the Gross Sales of your NexGenEsis Healthcare Franchise. You must also maintain a high-speed

internet connection at the premises of the NexGenEsis Healthcare Franchise. You must accept all credit cards and debit cards that we determine.

We are not required to provide you with any ongoing maintenance, repairs, upgrades, updates or support for the Computer System (Franchise Agreement - Section 12.6). You must arrange for installation, maintenance and support of the Computer System at your cost. There are no limitations in the Franchise Agreement regarding the costs of such required support, maintenance, repairs or upgrades relating to the Computer System.

The cost of maintaining, updating, or upgrading the Computer System or its components will depend on your repair history, costs of computer maintenance services in your area, and technological advances. We estimate the annual cost will be approximately \$500 to \$1,500, but this could vary (as discussed above). We may revise our specifications for the Computer System periodically.

You must pay our then-current technology business solutions fees to approved suppliers for certain business solutions that will support your business efficiencies, which may include phone systems, security systems, scheduling software, employee shift/task management software, music subscription, inventory solutions and any other solutions we may require from time to time in the Franchise Operations Manual for your NexGenEsis Healthcare Franchise. We reserve the right to upgrade, modify and add new systems and software, which may result in additional initial and ongoing expenses that you will be responsible for. You will be responsible for any increase in fees that result from any upgrades, modifications or additional systems or software and for any increase in fees from third-party providers.

We (or our designee) have the right to independently access the electronic information and data relating to your NexGenEsis Healthcare Franchise and to collect and use your electronic information and data in any manner, including to promote the System and the sale of NexGenEsis Healthcare Franchises. This may include posting financial information of each franchisee on an intranet website. Subject to applicable privacy laws, such as HIPAA, there is no contractual limitation on our right to receive or use information through our proprietary data management and intranet system. We may access the electronic information and data from your Computer System remotely, in your NexGenEsis Healthcare Clinic or from other locations.

Training

Initial Training

You or your Responsible Owner and any Franchise Manager (defined in Item 15) or representative that we require must complete the initial training to our reasonable satisfaction, as determined by the specific program instructors, before you open your NexGenEsis Healthcare Franchise. You, your Responsible Owner, or your Franchise Manager is responsible for training future Franchise Managers after you open your NexGenEsis Healthcare Franchise, though we may allow or require any new Franchise Manager to complete an online training program, should we develop one in the future. We provide initial training at no cost for up to three people so long as everyone attends the initial training at the same time. You must pay a \$500 fee per day for training each additional person. Initial training classes are held whenever necessary to train new franchisees. You will not receive any compensation or reimbursement for services or expenses for participation in the initial training program. You are responsible for all your expenses to attend any training program, including lodging, transportation, food and similar expenses. We plan to provide the training listed in the table below.

Notes:

1. We reserve the right to vary the length and content of the initial training program based upon the experience and skill level of the individual attending the initial training program. Though we intend to conduct training in-person, we reserve the right to move some training to online modules, either live or through pre-recorded sessions, for expediency, and also to move most or all of the training online if, due to extensive travel or gathering restrictions, conducting in-person training is not feasible for an extended period of time. We will use the Franchise Operations Manual as the primary instruction materials during the initial training program.
2. Dr. Greg Picou and Dr. Lawrence Bourgeois direct and implement our training program. Dr. Picou has approximately 30 years’ experience in owning and operating multi-disciplinary alternative pain management businesses and over 6 years’ experience operating regenerative medicine businesses. Dr. Bourgeois has 6 years’ experience operating regenerative medicine businesses and three years of formal education medical business management and operation. Drs. Picou and Bourgeois will be assisted by various individuals employed by us or our affiliates. All trainers will have at least one year of experience in the subject(s) they are training you in.

Medical Training

In addition to the initial training program, all Authorized Medical Provider(s) who will administer, when clinically appropriate, injection treatments, regenerative joint pain treatments through joint injections and bone marrow aspirations, treatment for hair loss, or treatment for erectile dysfunction (the “Treatments”) at the NexGenEsis Healthcare Clinic, must participate in training for the specific Treatment (“Medical Training”), which is provided by our approved training vendor (currently, Empire Medical Training). Medical Training is not conducted by us and is not included in the initial training program. We may waive these requirements for one or more Treatments, on a case-by-case basis, if an Authorized Medical Provider demonstrates either recent Continuing Medical Education credits or significant and recent

professional experience administering the Treatment such that, in our sole discretion, we deem such training or experience as warranting a waiver to the Medical Training requirements. At least one Authorized Medical Provider must receive Medical Training for injection treatments (or a waiver for the same) prior to the NexGenEsis Healthcare Business opening for business. Medical Training may be done in-person, virtually, or a combination of these two. See Item 7 for more information related to the estimated cost of Medical Training. This requirement applies to all Authorized Medical Providers, whether or not employed by you and irrespective of whether your NexGenEsis Healthcare Franchise operates as a Healthcare Center Business or Clinic Management Business. To the best of our knowledge, the training provided by our approved vendor is considered qualified continuing medical education.

Ongoing Training

From time to time, we may require that you or your Responsible Owner, Franchise Manager and other employees attend system-wide refresher or additional training courses. Some of these courses may be optional, while others may be required. If you appoint a new Responsible Owner or transfer ownership, or if you hire a new Franchise Manager, that person must attend and successfully complete our initial training program before assuming responsibility for the management of your NexGenEsis Healthcare Franchise. You may also request that we provide additional training (either at corporate headquarters or at your NexGenEsis Healthcare Clinic). You must pay us \$500 per attendee per day for additional training, and you must pay for airfare, meals, transportation costs, lodging and incidental expenses for all of your training program attendees. If we determine that you are not operating your NexGenEsis Healthcare Franchise in compliance with the Franchise Agreement or the Franchise Operations Manual, we may require that your Responsible Owner, Franchise Manager and other employees attend remedial training. You will be required to pay us the then-current training fee for any such training. If the training program is conducted at your NexGenEsis Healthcare Clinic, you must reimburse us for the expenses we or our representatives incur in providing the training.

In addition to participating in ongoing training, you will be required to attend any national or regional meeting or conference of franchisees. You are responsible for any conference fee and all travel and expenses for your attendees.

ITEM 12 TERRITORY

Franchise Agreement

You may operate your NexGenEsis Healthcare Business only at the approved location. The approved location for your NexGenEsis Healthcare Clinic will be listed in the Franchise Agreement. If you have not identified an approved location for your NexGenEsis Healthcare Clinic when you sign the Franchise Agreement, as is typically the case, you and we will agree on the approved location in writing and amend the Franchise Agreement after you select and we approve the approved location. You are not guaranteed any specific approved location, and you may not be able to obtain your top choice as your approved location. You may not conduct your NexGenEsis Healthcare Business from any other location. You will not receive an exclusive territory (“Territory”). You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

The Territory is determined based on the geographic area and populations properties within that area and other relevant demographic characteristics and will typically be determined by zip codes and contain a population of approximately 175,000 to 200,000 persons, with a minimum population of at least 150,000 persons. You are not prohibited from directly marketing to or soliciting customers whose principal

residence is outside of your Territory. You may not sell products through other channels of distribution such as wholesale, Internet or mail order sales. If you renew your Franchise, your Territory may be modified depending on the then-current demographics of the Territory, and on our then-current standards for territories.

We retain all territory rights (for ourselves and our affiliates) not expressly granted to you. We may use the Marks or the System to sell any products or services similar to those which you will sell through any alternate channels of distribution within or outside of the Territory. We and our affiliates have the right to operate, and to license others to operate, NexGenEsis Healthcare Franchises at any location outside the Territory, even if doing so will or might affect your operation of your NexGenEsis Healthcare Franchise. You are not granted any rights to use alternative channels of distribution, such as wholesale, internet or mail order sales and may not independently market on the internet or conduct e-commerce unless we have expressly allowed you to do so under our online policy in the Franchise Operations Manual.

We may use trademarks other than the Marks to sell any products or services similar to those which you will sell within or outside of the Territory. We may purchase, be purchased by, merge or otherwise acquire competitive businesses within and outside the Territory. If such a situation occurs, the newly acquired businesses may not operate under the Marks in the Territory but may operate under the System. We may implement multi-area marketing programs which may allow us or others to solicit or sell to customers anywhere. We have the right to issue mandatory policies to coordinate such multi-area marketing programs. Although we reserve the rights described, neither we nor any affiliate, operates, franchises or has plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those offered by you or our other Franchises.

We are not required to pay you if we exercise any of our rights within your Territory. The continuation of the Territory is not dependent upon your achievement of a certain sales volume, market penetration or other contingency (other than complying with the terms of the Franchise Agreement). We will not be required to pay any compensation for soliciting or accepting orders inside your Territory.

You may not relocate your NexGenEsis Healthcare Business without our prior written approval. We may approve a request to relocate your NexGenEsis Healthcare Business in accordance with the provisions of the Franchise Agreement that provide for the relocation of your NexGenEsis Healthcare Clinic, and our then-current site selection policies and procedures. If you want to relocate your NexGenEsis Healthcare Clinic within your Territory, you must provide us with at least 90 days' notice of your desire to relocate. If you find a suitable location, we will have 30 days to review the proposed relocation site and lease, if applicable. You must also pay us the Relocation Fee described in Item 6.

You do not receive the right to acquire additional NexGenEsis Healthcare Franchises unless you purchase the right in your Area Development Agreement. You are not given a right of first refusal on the sale of existing NexGenEsis Healthcare Franchises.

If you wish to purchase an additional NexGenEsis Healthcare Franchise, you must apply to us, and we may, at our discretion, offer an additional NexGenEsis Healthcare Franchise to you. We consider a variety of factors when determining whether to grant additional NexGenEsis Healthcare Franchises to existing franchisees. Among the factors we consider, in addition to the then-current requirements for new NexGenEsis Healthcare franchisees, are whether or not the franchisee is in compliance with the requirements under their current Franchise Agreement, and the overall performance of your NexGenEsis Healthcare Franchise.

Area Development Agreement

You are assigned a Development Territory in the Area Development Agreement. You must develop a designated number of NexGenEsis Healthcare Franchises in the Development Territory. The size of the Development Territory will depend on the number of NexGenEsis Healthcare Franchises to be developed, the demographics of the territory, the population and other factors. The size of the Development Territory may be a single or multi-city area, single county area or some other area, and will be described in Attachment A of your Area Development Agreement. We will determine the Development Territory before you sign the Area Development Agreement based on various market and economic factors. In certain densely populated metropolitan areas, a Development Territory may be small if it has a high population density, while Development Territories in less densely populated urban areas may have significantly larger areas. The determination of the territory and the site selection and acceptance process for each NexGenEsis Healthcare Clinic under an Area Development Agreement is the same as that for a single NexGenEsis Healthcare Clinic and will be governed by the Franchise Agreement signed for that location.

The Development Territory will be an exclusive territory for the development of NexGenEsis Healthcare Franchises during the term of the Area Development Agreement so long as you are in compliance with the Area Development Agreement and each other agreement with us. This exclusivity grants you the exclusive rights to open a certain number of Franchises in the Development Territory. The rights granted under the Area Development Agreement relate only to the development of the NexGenEsis Healthcare Franchises identified in the Area Development Agreement. So long as you are in compliance with the Area Development Agreement, we will not establish or franchise others to establish another NexGenEsis Healthcare Franchise within your Development Territory during the term of the Area Development Agreement.

We may conduct any other type of activities within your Development Territory that we are permitted to conduct under the Franchise Agreement. The Development Territory will terminate upon the earlier of completion of the Development Schedule or the termination of the Area Development Agreement, provided however that if you are at all times in full compliance with the Development Schedule and Area Development Agreement, the Development Territory and associated territorial protections you receive in the Area Development Agreement will not expire any earlier than the end of the initial term of the first franchise agreement signed under the Area Development Agreement. After the termination or expiration of the Area Development Agreement, the only territorial protections that you will receive upon termination will be those under each individual franchise agreement.

Your failure to adhere to the Development Schedule will constitute a material event of default under the Area Development Agreement and we may: (i) terminate the Area Development Agreement; (ii) reduce the area of the Development Territory; (iii) permit you to extend the Development Schedule; or (iv) pursue any other remedy we may have at law or in equity, including, but not limited to, a suit for non-performance.

Area Developers must own at least a fifty-one percent (51%) equity interest in the franchisee for each NexGenEsis Healthcare Franchise developed under the Area Development Agreement.

ITEM 13 TRADEMARKS

The Marks and the System are owned by EAD and are licensed exclusively to us. EAD has granted us an exclusive license (“Trademark License”) to use the Marks to franchise the System around the world. The Trademark License is for 10 years and began on August 24, 2022. It will automatically renew for

subsequent 10-year periods so long as we are not in default or do not materially breach the Trademark License. If the Trademark License is terminated, EAD has agreed to license the Marks directly to our franchisees until each franchise agreement expires or is otherwise terminated. Except for the Trademark License, no agreement significantly limits our right to use or license the Marks in any manner material to the NexGenEsis Healthcare Franchise. EAD owns the following trademark that is registered with the United States Patent and Trademark Office (“USPTO”):

Mark	Registration No.	Registration Date	Register
NEXGENESIS	7,147,133	August 22, 2023	Principal Register

EAD also claims rights to the following common law Mark:

Mark	Serial Number	Filing Date	Status
	N/A	N/A	Common Law

EAD does not have a federal registration for the common law trademark listed above. Therefore, our trademark does not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are no effective adverse material determinations of the USPTO, the Trademark Trial and Appeal Board or the trademark administrator of any state, or any court, and no pending infringement, opposition or cancellation proceedings or material litigation involving the Marks. All required affidavits and renewals have been filed.

We do not know of any superior prior rights or infringing uses that could materially affect your use of the trademarks. You must follow our rules when using the Marks. You cannot use our name or Mark as part of a corporate name or with modifying words, designs or symbols unless you receive our prior written consent. You must indicate to the public in any contract, advertisement and with a conspicuous sign in the premises of your NexGenEsis Healthcare Clinic that you are an independently owned and operated licensed franchisee of NexGenEsis Healthcare. You may not use the Marks in the sale of unauthorized products or services or in any manner we do not authorize. You may not use the Marks in any advertising for the transfer, sale or other disposition of the NexGenEsis Healthcare Franchise, or any interest in the NexGenEsis Healthcare Franchise. All rights and goodwill from the use of the Marks accrue to us.

We will defend you against any claim brought against you by a third party that your use of the Marks, in accordance with the Franchise Agreement, infringes upon that party’s intellectual property rights. We may require your assistance, but we will exclusively control any proceeding or litigation relating to our Marks. We have no obligation to pursue any infringing users of our Marks. If we learn of an infringing user, we will take the action appropriate, but we are not required to take any action if we do not feel it is warranted. You must notify us within three business days if you learn that any party is using the Marks or a trademark that is confusingly similar to the Marks. We have the sole discretion to take such action as we

deem appropriate to exclusively control any litigation or administrative proceeding involving a trademark licensed by us to you.

If it becomes advisable at any time, in our sole discretion, for us and/or you to modify or discontinue using any Mark and/or use one or more additional or substitute trademarks or service marks, you must comply with our directions within 30 days after receiving notice. We will not reimburse you for your direct expenses of changing signage, for any loss of revenue or other indirect expenses due to any modified or discontinued Mark, or for your expenses of promoting a modified or substituted trademark or service mark.

You must not directly or indirectly contest our right to the Marks. We may acquire, develop and use additional marks not listed here, and may make those marks available for your use and for use by other franchisees.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

The information in the Franchise Operations Manual is proprietary and is protected by copyright and other laws. The designs contained in the Marks, the layout of our advertising materials, the ingredients and formula of our products and recipes, and any other writings and recordings in print or electronic form are also protected by copyright and other laws. Although we have not applied for copyright registration for the Franchise Operations Manual, our advertising materials, the content and format of our products or any other writings and recordings, we claim common law and federal copyrights in these items. We grant you the right to use this proprietary and copyrighted information (“Copyrighted Works”) for the operation of your NexGenEsis Healthcare Franchise, but such copyrights remain our sole property.

There are no effective determinations of the United States Copyright Office or any court regarding any Copyrighted Works of ours, nor are there any proceedings pending, nor are there any effective agreements between us and third parties pertaining to the Copyrighted Works that will or may significantly limit using our Copyrighted Works.

Our Franchise Operations Manual, electronic information and communications, sales and promotional materials, the development and use of our System, standards, specifications, policies, procedures, information, concepts and systems on, knowledge of, and experience in the development, operation and franchising of NexGenEsis Healthcare Franchises, our training materials and techniques, information concerning product and service sales, operating results, financial performance and other financial data of NexGenEsis Healthcare Franchises and other related materials are proprietary and confidential (“Confidential Information”) and are our property to be used by you only as described in the Franchise Agreement and the Franchise Operations Manual. Where appropriate, certain information has also been identified as trade secrets (“Trade Secrets”). You must maintain the confidentiality of our Confidential Information and Trade Secrets and adopt reasonable procedures to prevent unauthorized disclosure of our Trade Secrets and Confidential Information.

We will disclose parts of the Confidential Information and Trade Secrets to you as we deem necessary or advisable for you to develop your NexGenEsis Healthcare Franchise during training and in guidance and assistance furnished to you under the Franchise Agreement, and you may learn or obtain from us additional Confidential Information and Trade Secrets during the term of the Franchise Agreement. The Confidential Information and Trade Secrets are valuable assets of ours and are disclosed to you on the condition that you, and your owners if you are a business entity, and employees agree to maintain the information in confidence by entering into a confidentiality agreement we can enforce. Nothing in the Franchise Agreement will be construed to prohibit you from using the Confidential Information or Trade

Secrets in the operation of other NexGenEsis Healthcare Franchises during the term of the Franchise Agreement.

You must notify us within three business days after you learn about another's use of language, a visual image or a recording of any kind that you perceive to be identical or substantially similar to one of our Copyrighted Works or use of our Confidential Information or Trade Secrets, or if someone challenges your use of our Copyrighted Works, Confidential Information or Trade Secrets. We will take whatever action we deem appropriate, in our sole and absolute discretion, to protect our rights in and to the Copyrighted Works, Confidential Information or Trade Secrets, which may include payment of reasonable costs associated with the action. However, the Franchise Agreement does not require us to take affirmative action in response to any apparent infringement of, or challenge to, your use of any Copyrighted Works, Confidential Information or Trade Secrets or claim by any person of any rights in any Copyrighted Works, Confidential Information or Trade Secrets. You must not directly or indirectly contest our rights to our Copyrighted Works, Confidential Information or Trade Secrets. You may not communicate with anyone except us, our counsel or our designees regarding any infringement, challenge or claim. We will take action as we deem appropriate regarding any infringement, challenge or claim, and the sole right to control, exclusively, any litigation or other proceeding arising out of any infringement, challenge or claim under any Copyrighted Works, Confidential Information or Trade Secrets. You must sign any and all instruments and documents, give the assistance and do acts and things that may, in the opinion of our counsel, be necessary to protect and maintain our interests in any litigation or proceeding, or to protect and maintain our interests in the Copyrighted Works, Confidential Information or Trade Secrets. No patents or patents pending are material to us at this time.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We require that you either directly operate your NexGenEsis Healthcare Franchise or designate a manager ("Franchise Manager") who has been approved by us. You must also appoint an individual who will be principally responsible for communicating with us about the NexGenEsis Healthcare Franchise ("Responsible Owner"). The Responsible Owner must have the authority and responsibility for the day-to-day operations of your NexGenEsis Healthcare Franchise. If you are an individual, you are the Responsible Owner. If you are a legal entity, you must appoint an individual that has at least a 25% equity interest in the legal entity to be the Responsible Owner. Your Responsible Owner and your Franchise Manager, if any, must successfully complete our training program (See Item 11). We do not require that the Franchise Manager have an ownership interest in the legal entity of the Franchise owner. If you replace your Responsible Owner or Franchise Manager, the new Responsible Owner or Franchise Manager must satisfactorily complete our training program at your own expense.

If you are a legal entity, each direct and indirect owner (i.e., each person holding a direct or indirect ownership interest in you) must sign a Franchise Owners Agreement, which is attached to the Franchise Agreement as Attachment D. We also require that the spouses of the Franchise owners sign the Franchise Owners Agreement. Any Franchise Manager and officer of your legal entity must sign the "System Protection Agreement," the form of which is attached to this Franchise Disclosure Document in Exhibit H (unless they already signed a Franchise Owners Agreement). All of your employees, independent contractors, agents or representatives that may have access to our confidential information must sign a confidentiality agreement (unless they already signed a System Protection Agreement), the current form of which is attached to this Franchise Disclosure Document in Exhibit H.

You must make sure that the NexGenEsis Healthcare Clinic is staffed with adequate medical and non-medical personnel to meet the needs of the NexGenEsis Healthcare Franchise. You must keep your NexGen

Healthcare Clinic open for the minimum hours and minimum days of operation as specified in the Franchise Operations Manual. Your NexGenEsis Healthcare Clinic must be open every day of the year, other than those approved national holidays listed in the Franchise Operations Manual, unless otherwise agreed to by us.

You must sign and maintain, during the term of your Franchise Agreement, a Clinic Management Agreement with an Authorized Medical Provider (unless you and we agree to sign a Waiver of Management Agreement). It is your Responsible Owner's full and sole responsibility to ensure that all medical personnel of the NexGenEsis Healthcare Business be duly licensed and board certified as required in their respective states and have the experience in the skills in which they need to perform the medical services. It is your sole responsibility that the Clinic Management Agreement is consistent and in compliance with applicable federal and state laws, regulations, rules and ordinances. You may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the Authorized Medical Provider. You must obtain our written approval of the final Clinic Management Agreement prior to its execution, but our approval of the Clinic Management Agreement is not a representation or warranty respecting its compliance with any laws or regulations but is merely to ensure it comports with our Franchise Operations Manual. The Authorized Medical Provider will employ and control the physicians, medical providers, and other medical staff employed by the Authorized Medical Provider who will provide the actual medical services required to be delivered at and through the NexGenEsis Healthcare Clinic. You must make sure that the Authorized Medical Provider offers all medical services in accordance with the Clinic Management Agreement and the System and does not offer any services or products that we have not authorized to be provided in connection with the NexGenEsis Healthcare Businesses.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The NexGenEsis Health Care Business model, including without limitation all approved Clinic products and services, has been developed in reliance on extensive medical input, review, and approval with attention to product and service quality and safety consistent with clinical standards. To ensure adherence to these standards, in operating a NexGenEsis Healthcare Franchise, you must provide all management services to the NexGenEsis Healthcare Business that we specify to support the Authorized Medical Provider's medical practice and its delivery of the approved Clinic products and services, all of which are provided by licensed medical professionals or medical personnel supervised by a licensed medical professional, consistent with all applicable laws and regulations. For the same reason, you must also ensure that the Authorized Medical Provider endorses and provides the approved Clinic products and services at the NexGenEsis Healthcare Clinic, so that the NexGenEsis Healthcare Business at all times offers and sells approved Clinic products and services only in the manner we have approved. Similarly, you must not offer for sale or sell at or from the NexGenEsis Healthcare Clinic any services or products we have not approved, and you must make sure that the Authorized Medical Provider operating the NexGenEsis Healthcare Clinic endorses, offers and sells only those services and products that we have approved, and that the Authorized Medical Provider operating the NexGenEsis Healthcare Clinic cooperates in discontinuing the selling and offering for sale any services or products that we disapprove. You will discontinue selling and offering for sale any services or products that we, at any time, decide in our sole discretion (including without limitation our reliance upon our clinical advisors as relevant or appropriate), to disapprove in writing. Subject only to the extent to which our physician and clinical advisor determinations constrain decisions related to the approved Clinic products and services, the Authorized Medical Provider will retain clinical autonomy and, at no time, will we or our affiliates attempt to or actually control, manage or otherwise dictate any medical services to be performed by any medical personnel to any patients or otherwise attempt to control the doctor-patient relationship or practice of medicine. NexGenEsis Franchisees are currently limited to the following medical treatments: PRP, A2M and BMA injections, treatment of peripheral neuropathy, treatment of erectile dysfunction and treatment of hair loss on the scalp.

Authorized medical treatments may vary based on state law and professional licensure requirements and restrictions.

The Authorized Medical Provider for the NexGenEsis Healthcare Business will employ, oversee, supervise, and control the physicians and other medical staff who will provide the actual medical services. Unless you and we have signed a Waiver of Management Agreement, you may not provide any actual medical services, nor will you supervise, direct, control or suggest to the Authorized Medical Provider or its licensed medical professionals or medical personnel supervised by its licensed medical professionals the manner in which the Authorized Medical Provider provides or may provide medical services to the patients. You must ensure that the Authorized Medical Provider offers all medical services in accordance with the Clinic Management Agreement and the System and does not offer any services or products that we have not authorized to be provided in connection with your NexGenEsis Healthcare Business.

If you determine that it is permissible (or not prohibited) in your state, we will enter into the Waiver of Management Agreement. Under the Waiver of Management Agreement, you will both operate the NexGenEsis Healthcare Business (including performing all responsibilities and obligations that an Authorized Medical Provider would provide) and manage the NexGenEsis Healthcare Business as otherwise required by the Franchise Agreement and the Clinic Management Agreement. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations.

During the term of the Franchise Agreement for a NexGenEsis Healthcare Business:

1. The NexGenEsis Healthcare Business must provide all of the management services to the NexGenEsis Healthcare Business that we specify;
2. The NexGenEsis Healthcare Business, through the Authorized Medical Provider, must provide all approved services;
3. The NexGenEsis Healthcare Business must offer and sell approved services and products, as permitted in accordance with state and federal health laws and regulations, only in the manner we have prescribed, and you will ensure that the Authorized Medical Provider operating the NexGenEsis Healthcare Business offers and sells only those services and products that we have approved and in compliance with the Clinic Management Agreement;
4. The NexGenEsis Healthcare Business must offer or and sell only those products and merchandise we previously authorize, only in accordance with the requirements of the Franchise Agreement and the procedures set forth in the Franchise Operations Manual; and
5. The NexGenEsis Healthcare Business must discontinue selling and offering for sale any services or products that we at any time decide to disapprove in writing. We reserve the right to establish minimum and maximum resale prices for use with multi-area marketing programs and special price promotions as allowed by law.

Neither you, nor any Authorized Medical Provider may establish an account or participate in any social networking sites or blogs, crowdfunding campaigns, or mention or discuss the NexGenEsis Healthcare Franchise, us or any of our affiliates without our prior written consent and as subject to our online policy. Our online policy may completely prohibit you and any Authorized Medical Provider from any use of the Marks in social networking sites or other online use. Neither you, nor any Authorized Medical Provider may sell products through other channels of distribution such as wholesale, internet or mail order sales. Otherwise, we place no restrictions upon your or your Authorized Medical Provider's

ability to serve customers, provided you do so from your NexGenEsis Healthcare Clinic in accordance with our policies.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our Franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

As of the Issuance Date of this Disclosure Document, there were ten affiliate and two franchised NexGenEsis Healthcare Businesses in operation. This Item 19 presents financial information for the four affiliate NexGenEsis Healthcare Businesses (“Affiliate Clinics”) that were in operation as least 12 months as of December 31, 2023 along with four Affiliate Clinics that are operated as Satellite Franchises to two of these Affiliate Clinics (together the “Reporting Group”). We have excluded two non-Satellite Franchises Affiliate Clinics that were not open 12 months as of December 31, 2023. The Affiliate Clinics operate under the Healthcare Center Business model as standalone businesses and have reasonably similar operations to NexGenEsis Healthcare Franchises, including degree of competition, services or goods sold, and services supplied by us. These Affiliate Clinics do not pay Royalties, Brand Fund Contributions, or Technology Fees and are not subject to the Local Advertising Requirement. For purposes of this Item 19, “Gross Revenue” means the total revenue derived from the sale of goods or services less sales tax, discounts, allowances, and returns. All numbers in this Item 19 have been rounded to the nearest dollar.

The tables below includes information about the Reporting Group for the periods from January 1, 2023 to December 31, 2023 (“Reporting Period”). The financial information is based on actual revenue and expenses. The financial information was prepared from sales records and reports. The numbers have not been audited but we have no reason to doubt their accuracy.

Notes:

1. The Hawaii and Bellaire Affiliate Clinics also each operate two Satellite Franchises. Due to accounting practices for these locations, we were unable to accurately separate the expenses between the main Affiliate Clinic and the respective Satellite Franchises so the table above includes expenses for both the main Affiliate Clinics and the Satellite Franchises. The Gross Revenue number for Hawaii includes \$494,356 of revenue from their two Satellite Franchises located in Maui and Kona. The Gross Revenue number for Bellaire includes \$118,985 of revenue from their two Satellite Franchises in The Woodlands and Jersey Village. The Jersey Village Satellite Franchise opened in December 2023; all other Satellite Franchise locations were open for entire Reporting Period. Because the Gross Revenue for Hawaii and Bellaire above include aggregate totals with the Satellite Franchises, these figures may include higher Gross Revenue than the typical franchisee would generate operating a single NexGenEsis Healthcare Businesses.
2. The term “COGS” means the cost of sales including medical supplies and products used in the performance of earning revenue.
3. The term “Gross Profits” means Gross Sales minus COGS.
4. The term “EBITDA” is defined as earnings before interest, taxes, depreciation, and amortization. The EBITDA numbers include the gross profit minus all ordinary and recurring operating expenses, except interest, income taxes, depreciation, and amortization.

5. **“Franchise Related Adjustments.”** We have added a Royalty of 7% of Gross Sales, Brand Fund Contributions of 1% of Gross Sales, and, if necessary, added an amount equal to the Local Advertising Requirement minus actual advertising expenses, to reflect fees and costs that franchised NexGenEsis Healthcare Businesses will pay and incur.
6. **“Adjusted EBITDA”** equals EBITDA less Franchise Related Adjustments. Adjusted EBITDA is not equal to Net Income and excludes other operating expenses and non-operating expenses including federal taxes, depreciation and amortization, that must be deducted from the Gross Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business.

Written substantiation for the financial performance representation will be made available to prospective franchisees upon reasonable request. **Some outlets have earned this amount. Your individual results may differ. There is no assurance that you’ll earn as much.**

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets, outside of the information provided above. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Dr. Greg Picou, 5420 Dashwood St. Suite 203, Houston, Texas 77081, the Federal Trade Commission, and the appropriate state regulatory agencies.

Independent Auditor's Report

To the Member
NexGen Franchising, LLC
Jackson, MS

Opinion

We have audited the accompanying financial statements of NexGen Franchising, LLC, which comprise the balance sheet as of December 31, 2023 and 2022, and the related statements of operations, member's interests, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NexGen Franchising, LLC as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Restrictions on Use

The use of this report is restricted to inclusion within the Company's Franchise Disclosure Document (FDD) and is not intended to be, and should not be, used or relied upon by anyone for any other use.

NEXGEN FRANCHISING, LLC

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Nature of Business and Summary of Significant Accounting Policies

(a) *Nature of Business*

NexGen Franchising, LLC (the "Company") was formed on June 20, 2022, in the state of Mississippi as a limited liability company for the planned principal purpose of conducting franchise sales, marketing, and management. The Company offers franchises for the operation of a health care clinic concept in various markets within the United States. The Company has completed the development of certain intellectual property including logos, branding, and operations manuals and is now commencing the sale of franchises. The Company's activities are subject to the typical risks and uncertainties of the markets in which they operate.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year.

(b) *Accounting Standards Codification*

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission (SEC), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) *Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) *Cash and Cash Equivalents*

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. As of December 31, 2023 and 2022, the Company had cash and cash equivalents of \$268,666 and \$213,729 respectively.

(e) *Revenue Recognition*

The Company's revenues consist of initial franchise fees, royalty and brand fund fees (which are based on a percentage of franchisee gross revenues), technology fees and revenue from the sale of equipment and supplies.

Upon commencement of operations, the Company adopted ASC 606, *Revenue from Contracts with Customers*. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluates all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue.

For each franchised location, the Company enters into a formal franchise agreement that clearly outlines the transaction price, which includes an initial franchise fee, ongoing royalties, advertising fees, and the Company's performance obligations.

Upon evaluation of the five-step process, the Company has determined that this standard does not impact the recognition of royalties, add fund and technology fees and product sales which are based on a percentage of gross

NEXGEN FRANCHISING, LLC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

revenue and recognized at the time the underlying sales occur. ASC 606 does have an effect on the process management uses to evaluate the recognition of the initial franchise.

In allocating the transaction price and recognizing the revenue associated with initial franchise fees, the Company has elected to adopt the practical expedient for private company franchisors outlined in ASC 952-606, *Franchisors—Revenue from Contracts with Customers*. The practical expedient allows franchisors to account for pre-opening services as a single distinct performance obligation. ASC 952-606 identifies the following general pre-opening services (which the Company may or may not provide) as eligible for inclusion in the single distinct performance obligation:

- Assistance in the selection of a site
- Assistance in obtaining facilities and preparing the facilities for their intended use, including related financing, architectural, and engineering services.
- Training of the franchisee's personnel or the franchisee
- Preparation and distribution of manuals and similar material concerning operations, administration, and record keeping
- Bookkeeping, information technology, and advisory services, including setting up the franchisee's records and advising the franchisee about income, real estate, and other taxes about local regulations affecting the franchisee's business
- Inspection, testing, and other quality control programs

The Company has determined that the fair value of pre-opening services exceeds the initial fees received; as such, the initial fees are allocated to the pre-opening services, and are recognized as revenue when all pre-opening obligations are provided – which is generally upon commencement of operations.

(f) Income Taxes

The Company is structured as a limited liability company under the laws of the state of Mississippi. Accordingly, the income or loss of the Company will be included in the income tax returns of the member. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under Accounting Standards Codification ("ASC") Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the member rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2023, the 2022 tax year is open to examination.

(g) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, the carrying amounts approximate fair value due to their short maturities.

(h) Concentration of Risk

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

December 31, 2023 and 2022

(i) *Advertising Costs*

The Company's policy is to expense advertising costs when incurred. The Company spent \$1,793 and \$1,050 in advertising expenses during the period ended December 31, 2023 and 2022.

(2) *Deferred Contract Costs and Revenue*

The Company's franchise agreements generally provide for the payment of initial fees as well as continuing royalties to the Company based on a percentage of sales. Under the franchise agreement, franchisees are granted the right to operate a location using the NextGen system for a period of ten years. Under the Company's revenue recognition policy, franchise fees and any corresponding commissions are recognized when the franchisee begins operations. For any franchisees that have not yet begun operations as of year-end, the Company defers both the revenues and commissions. All locations that are expected to begin operations within the following year are categorized as current, while all others are classified as non-current.

The Company has estimated the following current and non-current portions of deferred revenue as of December 31, 2023, and 2022:

	2023	2022
Deferred revenue – current	\$ 277,186	\$ -
Deferred revenue – non-current	246,564	-
	\$ 523,750	\$ -

The Company has estimated the following current and non-current portions of deferred contract assets as of December 31, 2023, and 2022:

	2023	2020
Deferred commissions – current	\$ 151,986	\$ -
Deferred commissions – non-current	134,964	-
	\$ 286,950	\$ -

(3) *Related party transactions*

a. *Note Payable*

A related party and sole owner of the Company (through the Company's parent company) incurred various operational costs prior to funding the Company. The Company fully intends to repay the liability out of available operating funds of the Company and accordingly has classified the liability as current. The liability does not have terms and is due on demand. As of December 31, 2023 and 2022, the total payable outstanding was \$4,409.

b. *Royalties and Technology fee revenue*

During the years end of December 31, 2023 and 2022, the Company earned royalties of \$27,784 and \$0 respectively from affiliate stores under common ownership.

The Company charges franchises access to various technology platforms as part of its operating model. During the years ended December 31, 2023 and 2022, the Company had technology fee revenue of \$44,719 and \$5,075 earned from affiliate stores under common ownership.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

(4) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involving such amounts of unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

On March 11, 2020, the World Health Organization classified the outbreak of a new strain of the coronavirus (“COVID-19”) as a pandemic. The COVID-19 outbreak in the United States began in mid-March 2020 and has continued through 2022 and subsequent to the fiscal year end. It is continuing to disrupt supply chains and affect production and sales across a range of industries. Management believes the pandemic has had a material effect on the Company’s operations, reducing revenue from both new and existing franchisees. The extent of the impact of COVID-19 on the Company’s future operational and financial performance continues to evolve and will depend on certain ongoing developments, including the duration and spread of the outbreak, impact on the Company’s customers and vendors all of which are uncertain and cannot be reasonably estimated. At this point, the full extent to which COVID-19 may impact the Company’s future financial condition or results of operations is uncertain.

(5) Subsequent Events

Management has reviewed and evaluated subsequent events through February 26, 2024, the date on which the financial statements were available to be issued.

STATE ADDENDA

STATE ADDENDA AND AGREEMENT RIDERS

ADDENDUM TO FRANCHISE AGREEMENT, SUPPLEMENTAL AGREEMENTS, AND FRANCHISE DISCLOSURE DOCUMENT FOR CERTAIN STATES FOR NEXGEN FRANCHISING, LLC

The following modifications are made to the NexGen Franchising, LLC (“Franchisor,” “us,” “we,” or “our”) Franchise Disclosure Document (“FDD”) given to franchisee (“Franchisee,” “you,” or “your”) and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement between you and us dated _____, 20__ (“Franchise Agreement”). When the term “Franchisor’s Choice of Law State” is used, it means Mississippi. When the term “Supplemental Agreements” is used, it means Area Development Agreement.

Certain states have laws governing the franchise relationship and franchise documents. Certain states require modifications to the FDD, Franchise Agreement and other documents related to the sale of a franchise. This State-Specific Addendum (“State Addendum”) will modify these agreements to comply with the state’s laws. The terms of this State Addendum will only apply if you meet the requirements of the applicable state independently of your signing of this State Addendum. The terms of this State Addendum will override any inconsistent provision of the FDD, Franchise Agreement or any Supplemental Documents. This State Addendum only applies to the following states: California, Hawaii, Illinois, Iowa, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Ohio, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin.

If your state requires these modifications, you will sign this State Addendum along with the Franchise Agreement and any Supplemental Agreements.

CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the Franchise be delivered together with the FDD 14 days prior to execution of the agreement.

California Corporations Code Section 31125 requires us to give to you an FDD approved by the Department of Financial Protection and Innovation before we ask you to consider a material modification of your Franchise Agreement.

The Franchise Agreement contains a provision requiring binding arbitration with the costs being awarded to the prevailing party. The arbitration will occur in Franchisor’s Choice of Law State. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement or Area Development Agreement restricting venue to a forum outside the State of California. The Franchise Agreement contains a mediation provision. If so, the parties shall each bear their own costs of mediation and shall share equally the filing fee and the mediator’s fees.

The Franchise Agreement and Area Development Agreement require the application of the law of Franchisor’s Choice of Law State. This provision may not be enforceable under California law.

Neither Franchisor nor any other person listed in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement or Area Development Agreement contain a provision that is inconsistent with the California Franchise Investment Law, the California Franchise Investment Law will control.

The Franchise Agreement provides for termination upon bankruptcy. Any such provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. SEC. 101 et seq.).

The Franchise Agreement and the Area Development Agreement contains a covenant not to compete provision which extends beyond the termination of the Franchise. Such provisions may not be enforceable under California law.

Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable. Any such provisions contained in the Franchise Agreement or Supplemental Agreements may not be enforceable.

You must sign a general release of claims if you renew or transfer your Franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Item 6 of the FDD is amended to state the highest interest rate allowed by law in California is 10% annually.

Our website has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS

Sections 4 and 41 and Rule 608 of the Illinois Franchise Disclosure Act states that court litigation must take place before Illinois federal or state courts and all dispute resolution arising from the terms of this Agreement or the relationship of the parties and conducted through arbitration or litigation shall be

subject to Illinois law. The FDD, Franchise Agreement and Supplemental Agreements are amended accordingly.

The governing law or choice of law clause described in the FDD and contained in the Franchise Agreement and Supplemental Agreements is not enforceable under Illinois law. This governing law clause shall not be construed to negate the application of Illinois law in all situations to which it is applicable.

Section 41 of the Illinois Franchise Disclosure Act states that “any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void.” The Franchise Agreement is amended accordingly. To the extent that the Franchise Agreement would otherwise violate Illinois law, such Agreement is amended by providing that all litigation by or between you and us, arising directly or indirectly from the Franchise relationship, will be commenced and maintained in the state courts of Illinois or, at our election, the United States District Court for Illinois, with the specific venue in either court system determined by appropriate jurisdiction and venue requirements, and Illinois law will pertain to any claims arising under the Illinois Franchise Disclosure Act.

Item 17.v, Choice of Forum, of the FDD is revised to include the following: “provided, however, that the foregoing shall not be considered a waiver of any right granted upon you by Section 4 of the Illinois Franchise Disclosure Act.”

Item 17.w, Choice of Law, of the FDD is revised to include the following: “provided, however, that the foregoing shall not be considered a waiver of any right granted upon you by Section 4 of the Illinois Franchise Disclosure Act.”

The termination and non-renewal provisions in the Franchise Agreement and the FDD may not be enforceable under Sections 19 and 20 of the Illinois Franchise Disclosure Act.

Under Section 705/27 of the Illinois Franchise Disclosure Act, no action for liability under the Illinois Franchise Disclosure Act can be maintained unless brought before the expiration of three years after the act or transaction constituting the violation upon which it is based, the expiration of one year after you become aware of facts or circumstances reasonably indicating that you may have a claim for relief in respect to conduct governed by the Act, or 90 days after delivery to you of a written notice disclosing the violation, whichever shall first expire. To the extent that the Franchise Agreement is inconsistent with the Illinois Franchise Disclosure Act, Illinois law will control and supersede any inconsistent provision(s).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INDIANA

Item 8 of the FDD is amended to add the following:

Under Indiana Code Section 23-2-2.7-1(4), we will not accept any rebates from any person with whom you do business or associate in relation to transactions between you and the other person, other than for compensation for services rendered by us, unless the rebate is properly accounted for and submitted to you.

Item 17 of the FDD is amended to add the following:

Indiana Code 23-2-2.7-1(7) makes it unlawful for us to unilaterally terminate your Franchise Agreement unless there is a material violation of the Franchise Agreement and termination is not in bad faith.

Indiana Code 23-2-2.7-1(5) prohibits us to require you to agree to a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Act.

The “Summary” column in Item 17.r. of the FDD is deleted and the following is inserted in its place:

No competing business for two years within the Territory.

The “Summary” column in Item 17.t. of the FDD is deleted and the following is inserted in its place:

Notwithstanding anything to the contrary in this provision, you do not waive any right under the Indiana Statutes with regard to prior representations made by us.

The “Summary” column in Item 17.v. of the FDD is deleted and the following is inserted in its place:

Litigation regarding Franchise Agreement in Indiana; other litigation in Franchisor’s Choice of Law State. This language has been included in this Franchise Disclosure Document as a condition to registration. The Franchisor and the Franchisee do not agree with the above language and believe that each of the provisions of the Franchise Agreement, including all venue provisions, is fully enforceable. The Franchisor and the Franchisee intend to fully enforce all of the provisions of the Franchise Agreement and all other documents signed by them, including but not limited to, all venue, choice-of-law, arbitration provisions and other dispute avoidance and resolution provisions and to rely on federal pre-emption under the Federal Arbitration Act.

The “Summary” column in Item 17.w. of the FDD is deleted and the following is inserted in its place:

Indiana law applies to disputes covered by Indiana franchise laws; otherwise Franchisor’s Choice of Law State law applies.

Despite anything to the contrary in the Franchise Agreement, the following provisions will supersede and apply to all Franchises offered and sold in the State of Indiana:

1. The laws of the State of Indiana supersede any provisions of the FDD, the Franchise Agreement, or Franchisor’s Choice of Law State law, if such provisions are in conflict with Indiana law.
2. The prohibition by Indiana Code 23-2-2.7-1(7) against unilateral termination of the Franchise without good cause or in bad faith, good cause being defined under law as including any material breach of the Franchise Agreement, will supersede the provisions of the Franchise Agreement relating to termination for cause, to the extent those provisions may be inconsistent with such prohibition.
3. Any provision in the Franchise Agreement that would require you to prospectively assent to a release, assignment, novation, waiver or estoppel which purports to relieve any person from liability imposed by the Indiana Deceptive Franchise Practices Law is void to the extent that such provision violates such law.

4. The covenant not to compete that applies after the expiration or termination of the Franchise Agreement for any reason is hereby modified to the extent necessary to comply with Indiana Code 23-2-2.7-1 (9).
5. The following provision will be added to the Franchise Agreement:

No Limitation on Litigation. Despite the foregoing provisions of this Agreement, any provision in the Agreement which limits in any manner whatsoever litigation brought for breach of the Agreement will be void to the extent that any such contractual provision violates the Indiana Deceptive Franchise Practices Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IOWA

Any provision in the Franchise Agreement or Compliance Questionnaire which would require you to prospectively assent to a release, assignment, novation, waiver or estoppel which purports to relieve any person from liability imposed by the Iowa Business Opportunity Promotions Law (Iowa Code Ch. 551A) is void to the extent that such provision violates such law.

The following language will be added to the Franchise Agreement:

AMENDMENTS TO FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENTS AND AREA DEVELOPMENT AGREEMENT

Item 17 of the FDD and the Franchise Agreement are amended to state: “The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.”

Representations in the Franchise Agreement and Area Development Agreement are not intended to, nor shall they act as, a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

Item 17 of the FDD and sections of the Franchise Agreement and Area Development Agreement are amended to state that you may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the Franchise.

The Franchise Agreement and Franchise Disclosure Questionnaire are amended to state that all representations requiring prospective franchisees to assent to a release, estoppel, or waiver of liability are not intended to, nor shall they act as, a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A Sec. 101 et seq.).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Fee Deferral

Item 5 of the FDD, the Franchise Agreement and the Area Development Agreement are revised to state: Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement. In addition, all

development fees and initial payments by area developers shall be deferred until the first franchise under the development agreement opens.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on your right to join an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel which deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits us to terminate a Franchise prior to the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits us to refuse to renew your Franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the Franchise business are not subject to compensation. This subsection applies only if: (i) the term of the Franchise is less than five years; and (ii) you are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the Franchise or you do not receive at least six months' advance notice of our intent not to renew the Franchise.
- (e) A provision that permits us to refuse to renew a Franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits us to refuse to permit a transfer of ownership of a Franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the Franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet our then-current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of us or our subfranchisor.

(iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) your or proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a Franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Department of Attorney General
Consumer Protection Division
Attn: Franchise

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MINNESOTA

Despite anything to the contrary in the Franchise Agreement, the following provisions will supersede and apply to all Franchises offered and sold in the State of Minnesota:

1. Any provision in the Franchise Agreement which would require you to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22 will be void to the extent that such contractual provision violates such law.
2. Minnesota Statute Section 80C.21 and Minnesota Rule 2860.4400J prohibit the franchisor from requiring litigation to be conducted outside of Minnesota. In addition, nothing in the FDD or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota

Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of Minnesota.

3. Minn. Rule Part 2860.4400J prohibits a franchisee from waiving his rights to a jury trial or waiving his rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes. Any provision in the Franchise Agreement which would require you to waive your rights to any procedure, forum or remedies provided for by the laws of the State of Minnesota is deleted from any agreement relating to Franchises offered and sold in the State of Minnesota; provided, however, that this paragraph will not affect the obligation in the Franchise Agreement relating to arbitration.
4. With respect to Franchises governed by Minnesota law, we will comply with Minnesota Statute Section 80C.14, Subds. 3, 4 and 5, which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement; and that consent to the transfer of the Franchise will not be unreasonably withheld.
5. Item 13 of the FDD is hereby amended to state that we will protect your rights under the Franchise Agreement to use the Marks, or indemnify you from any loss, costs, or expenses arising out of any third-party claim, suit or demand regarding your use of the Marks, if your use of the Marks is in compliance with the provisions of the Franchise Agreement and our System standards.
6. Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release. As a result, the FDD and the Franchise Agreement, which require you to sign a general release prior to renewing or transferring your Franchise, are hereby deleted from the Franchise Agreement, to the extent required by Minnesota law.
7. The following language will appear as a new paragraph of the Franchise Agreement:

No Abrogation. Pursuant to Minnesota Statutes, Section 80C.21, nothing in the dispute resolution section of this Agreement will in any way abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80.C.
8. Minnesota Statute Section 80C.17 states that no action for a violation of Minnesota Statutes, Sections 80C.01 to 80C.22 may be commenced more than three years after the cause of action accrues. To the extent that the Franchise Agreement conflicts with Minnesota law, Minnesota law will prevail.
9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
10. NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to Franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

This provision supersedes any other term of any document executed in connection with the franchise.

NORTH DAKOTA

Sections of the FDD, the Franchise Agreement, and the Supplemental Agreements requiring that you sign a general release, estoppel or waiver as a condition of renewal and/or assignment may not be enforceable as they relate to releases of the North Dakota Franchise Investment Law.

Sections of the FDD, the Franchise Agreement, and the Supplemental Agreements requiring resolution of disputes to be outside North Dakota may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

The Commissioner has held that requiring franchisees to consent to the jurisdiction of courts outside of North Dakota is unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Therefore, provisions of the FDD (including Item 17(v)), the Franchise Agreement (including Section 28.4), and the Supplemental Agreements relating to choice of law may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

Section 28.5 of the Franchise Agreement requires the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The Commissioner has determined this to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is hereby amended to state that the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney’s fees.

Any section of the FDD, the Franchise Agreement, and the Supplemental Agreements requiring you to consent to liquidated damages and/or termination penalties may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

Any sections of the FDD, the Franchise Agreement, and the Supplemental Agreements requiring you to consent to a waiver of trial by jury may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

Any sections of the FDD, the Franchise Agreement, and the Supplemental Agreements requiring you to consent to a waiver of exemplary and punitive damages may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

Item 17(r) of the FDD and Section 18 of the Franchise Agreement disclose the existence of certain covenants restricting competition to which Franchisee must agree. The Commissioner has held that covenants restricting competition contrary to Section 9-08-06 of the North Dakota Century Code, without further disclosing that such covenants may be subject to this statute, are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The FDD and the Franchise Agreement are amended accordingly to the extent required by law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

RHODE ISLAND

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.” The FDD, the Franchise Agreement, and the Supplemental Agreements are amended accordingly to the extent required by law.

The above language has been included in this FDD as a condition to registration. The Franchisor and the Franchisee do not agree with the above language and believe that each of the provisions of the Franchise Agreement and the Supplemental Agreements, including all choice of law provisions, are fully enforceable. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

SOUTH DAKOTA

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. VIRGINIA

Item 17(h). The following is added to Item 17(h):

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement or Supplemental Agreements involve the use of undue influence by the Franchisor to induce a franchisee to surrender any rights given to franchisee under the Franchise, that provision may not be enforceable.”

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the FDD for NexGen Franchising, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure. The following statements are added to Item 8 and Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

ADDENDUM TO FRANCHISE AGREEMENT, AREA DEVELOPMENT AGREEMENT, FRANCHISE DISCLOSURE QUESTIONNAIRE, AND FRANCHISE DISCLOSURE DOCUMENT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a non-competition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking

enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a non-competition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Section 28.5 of the Franchise Agreement is amended to state franchisor is only entitled to recovery of attorneys' fees if franchisor is the substantially prevailing party in a suit.

The following risk factor is added to the Special Risks to Consider About *This Franchise* page:

Use of Franchise Brokers. The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

Franchise Fee Deferral

The State of Washington has imposed a financial condition under which the initial franchise fees due will be deferred until the Franchisor has fulfilled its initial pre-opening obligations under the Franchise Agreement and the franchise is open for business. Because the Franchisor has material pre-opening obligations with respect to each franchised business the Franchisee opens under the Area Development Agreement, the State of Washington will require that the franchise fees be released proportionally with respect to each franchised business.

The undersigned does hereby acknowledge receipt of this addendum.

WISCONSIN

The Wisconsin Fair Dealership Law, Chapter 135 of the Wisconsin Statutes supersedes any provision of the Franchise Agreement if such provision is in conflict with that law. The Franchise

NEXGENESIS HEALTHCARE FRANCHISE SAMPLE SYSTEM PROTECTION AGREEMENT

This System Protection Agreement (“SP Agreement”) is entered into by the undersigned (“you” or “your”) in favor of NexGen Franchising, LLC, a Mississippi limited liability company, and its successors and assigns (“us,” “we,” or “our”), upon the terms and conditions set forth in this SP Agreement.

1. **Definitions.** For purposes of this SP Agreement, the following terms have the meanings given to them below:

“*Competitive Business*” means any business that: (i) sells or offers to sell products the same as or similar to the type of products sold by the Franchised Business; or (ii) provides or offers to provide services the same as or similar to the type of services sold by you, but excludes a Franchised Business operating under a franchise agreement with us. A Competitive Business shall not include ownership of up to five percent (5%) of any publicly held company or mutual fund that owns, operates, has an interest in, or controls any business that otherwise would meet the definition of a Competitive Business.

“*Copyrights*” means all works and materials for which we or our affiliate have secured common law or registered copyright protection and that we allow franchisees to use, sell, or display in connection with the marketing and/or operation of a NexGenEsis Healthcare business or the solicitation or offer of a NexGenEsis Healthcare franchise, whether now in existence or created in the future.

“*Franchisee*” means the NexGenEsis Healthcare franchisee for which you are a manager or officer.

“*Franchisee Territory*” means the territory granted to you pursuant to a franchise agreement with us.

“*Intellectual Property*” means, collectively or individually, our Marks, Copyrights, Know-how, and System.

“*Know-how*” means all of our trade secrets and other proprietary information relating to the development, construction, marketing, and/or operation of a NexGenEsis Healthcare business, including, but not limited to, methods, techniques, specifications, proprietary practices and procedures, policies, marketing strategies, and information comprising the System and the Manual.

“*Manual*” means our confidential operations manual for the operation of a NexGenEsis Healthcare business, which may be periodically modified by us.

“*Marks*” means the logotypes, service marks, and trademarks now or hereafter involved in the operation of a NexGenEsis Healthcare business, including NexGenEsis Healthcare,” and any other trademarks, service marks, or trade names that we designate for use by a NexGenEsis Healthcare business. The term “Marks” also includes any distinctive trade dress used to identify a NexGenEsis Healthcare business, whether now in existence or hereafter created.

“*Prohibited Activities*” means any or all of the following: (i) owning, operating, or having any other interest (as an owner, partner, director, officer, employee, manager, consultant, shareholder, creditor, representative, agent, or in any similar capacity) in a Competitive Business (other than owning an interest of five percent (5%) or less in a publicly-traded company that is a Competitive Business); (ii) diverting or attempting to divert any business from us (or one of our affiliates or franchisees); and/or (iii) inducing or attempting to induce any customer of ours (or of one of our affiliates or franchisees) to transfer their business to you or to any other person that is not then a franchisee of ours.

“*Restricted Period*” means the one-year period after the termination, expiration or Transfer of this Franchise Agreement; provided, however, that if a court of competent jurisdiction determines that this period of time is too long to be enforceable, then the “*Restricted Period*” means the six-month period after you cease to be a manager or officer of Franchisee’s NexGenEsis Healthcare business.

“*Restricted Territory*” means the geographic area within: (i) a 10-mile radius of the Premises; and (ii) a 10-mile radius from all other Premises that are operating or under construction as of the date of the termination, expiration or Transfer of this Franchise Agreement; provided, however, that if a court of competent jurisdiction determines that the foregoing Restricted Territory is too broad to be enforceable, then the “*Restricted Territory*” means the geographic area within a five-mile radius from Franchisee’s NexGenEsis Healthcare business (and including the premises of the approved location of Franchisee).

“*System*” means our system for the establishment, development, operation, and management of a NexGenEsis Healthcare business, including Know-how, proprietary programs and products, Manual, and operating system.

2. Background. You are a manager or officer of Franchisee. As a result of this relationship, you may gain knowledge of our System. You understand that protecting the Intellectual Property and our System are vital to our success and that of our franchisees and that you could seriously jeopardize our entire System if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this SP Agreement.

3. Know-How and Intellectual Property. You agree: (i) you will not use the Know-how in any business or capacity other than the NexGenEsis Healthcare business operated by Franchisee; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer a manager or officer of Franchisee’s NexGenEsis Healthcare business. You further agree that you will not use all or part of the Intellectual Property or all or part of the System for any purpose other than the performance of your duties for Franchisee and within the scope of your employment or other engagement with Franchisee. These restrictions on Know-how, Intellectual Property and the System shall not apply to any information which is information publicly known or becomes lawfully known in the public domain other than through a breach of this SP Agreement or is required or compelled by law to be disclosed, provided that you will give reasonable notice to us to allow us to seek protective or other court orders.

4. Unfair Competition During Relationship. You agree not to unfairly compete with us at any time while you are a manager or officer of Franchisee’s NexGenEsis Healthcare business by engaging in any Prohibited Activities.

5. Unfair Competition After Relationship. You agree not to unfairly compete with us during the Restricted Period by engaging in any Prohibited Activities; provided, however, that the Prohibited Activity relating to having an interest in a Competitive Business will only apply with respect to a Competitive Business that is located within or provides competitive goods or services to customers who are located within the Restricted Territory. If you engage in any Prohibited Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the Prohibited Activity.

6. Immediate Family Members. You acknowledge that you could circumvent the purpose of this SP Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, grandparent or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have

violated the terms of this SP Agreement if any member of your immediate family: (i) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities; or (ii) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

7. Covenants Reasonable. You acknowledge and agree that: (i) the terms of this SP Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this SP Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS SP AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE, OR OTHERWISE UNENFORCEABLE.**

8. Breach. You agree that failure to comply with the terms of this SP Agreement will cause substantial and irreparable damage to us and/or other NexGenEsis Healthcare franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of the terms of this SP Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours in the event of the entry of such injunction will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this SP Agreement are exclusive of any other but may be combined with others under this SP Agreement, or at law or in equity, including injunctive relief, specific performance, and recovery of monetary damages. Any claim, defense, or cause of action that you may have against us, our owners or our affiliates, or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this SP Agreement.

9. Miscellaneous.

a. If we pursue legal remedies against you because you have breached this SP Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

b. This SP Agreement will be governed by, construed, and enforced under the laws of Mississippi, and the courts in that state shall have jurisdiction over any legal proceedings arising out of this SP Agreement.

c. Each section of this SP Agreement, including each subsection and portion thereof, is severable. If any section, subsection, or portion of this SP Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection, or portion; and each party to this SP Agreement agrees that the court may impose such limitations on the terms of this SP Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration, and geographic area.

d. You and we both believe that the covenants in this SP Agreement are reasonable in terms of scope, duration, and geographic area. However, we may at any time unilaterally modify the terms of this SP Agreement upon written notice to you by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Restricted Period, reducing the geographic scope of the Restricted Territory, and/or reducing the scope of any other covenant imposed upon you under this SP Agreement to ensure that the terms and covenants in this SP Agreement are enforceable under applicable law.

SAMPLE CONFIDENTIALITY AGREEMENT

This Confidentiality Agreement (“Confidentiality Agreement”) is entered into by the undersigned (“you”) in favor of NexGen Franchising, LLC, a Mississippi limited liability company, and its successors and assigns (“us”), upon the terms and conditions set forth in this Confidentiality Agreement.

1. Definitions. For purposes of this Confidentiality Agreement, the following terms have the meanings given to them below:

“*NexGenEsis Healthcare Business*” means a business that: (i) provides non-surgical, non-opioid pain relief and injury rehabilitation, where patients receive platelet-rich plasma, alpha 2 macroglobulin, and bone marrow aspirate injections, derived from their own body, to enhance and speed their body’s natural healing ability; (ii) at certain locations, offers treatment for hair loss and erectile dysfunction; and (iii) other related products and services using our Intellectual Property.

“*Copyrights*” means all works and materials for which we or our affiliate(s) have secured common law or registered copyright protection and that we allow NexGenEsis Healthcare franchisees to use, sell, or display in connection with the marketing and/or operation of a NexGenEsis Healthcare Business, whether now in existence or created in the future.

“*Franchisee*” means the NexGenEsis Healthcare franchisee for which you are an employee, independent contractor, agent, representative, or supplier.

“*Intellectual Property*” means, collectively or individually, our Marks, Copyrights, Know-how, Manual, and System.

“*Know-how*” means all of our trade secrets and other proprietary information relating to the development, construction, marketing, and/or operation of a NexGenEsis Healthcare Business, including, but not limited to, methods, techniques, specifications, proprietary practices and procedures, policies, marketing strategies, and information comprising the System and the Manual.

“*Manual*” means our confidential operations manual for the operation of a NexGenEsis Healthcare Business.

“*Marks*” means the logotypes, service marks, and trademarks now or hereafter involved in the operation of a NexGenEsis Healthcare Business, including “NexGenEsis Healthcare” and any other trademarks, service marks, or trade names that we designate for use by a NexGenEsis Healthcare Business. The term “Marks” also includes any distinctive trade dress used to identify a NexGenEsis Healthcare Business, whether now in existence or hereafter created.

“*System*” means our system for the establishment, development, operation, and management of a NexGenEsis Healthcare Business, including Know-how, proprietary programs and products, confidential operations manuals, and operating system.

2. Background. You are an employee, independent contractor, agent, representative, or supplier of Franchisee. Because of this relationship, you may gain knowledge of our Intellectual Property. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees, and that you could seriously jeopardize our entire Franchise System if you were to use such Intellectual Property in any way other than as described in this Confidentiality Agreement. In order to avoid such damage, you agree to comply with this Confidentiality Agreement.

3. Know-How and Intellectual Property: Nondisclosure and Ownership. You agree: (i) you will not use the Intellectual Property in any business or capacity other than for the benefit of the NexGenEsis Healthcare Business operated by Franchisee or in any way detrimental to us or to the Franchisee; (ii) you will maintain the confidentiality of the Intellectual Property at all times; (iii) you will not make unauthorized copies of documents containing any Intellectual Property; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Intellectual Property; and (v) you will stop using the Intellectual Property immediately if you are no longer an employee, independent contractor, agent, representative, or supplier of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performing your duties for Franchisee and within the scope of your employment or other engagement with Franchisee.

The Intellectual Property is and shall continue to be the sole property of NexGen Franchising, LLC. You hereby assign and agree to assign to us any rights you may have or may acquire in such Intellectual Property. Upon the termination of your employment or engagement with Franchisee, or at any time upon our or Franchisee's request, you will deliver to us or to Franchisee all documents and data of any nature pertaining to the Intellectual Property, and you will not take with you any documents or data or copies containing or pertaining to any Intellectual Property.

4. Immediate Family Members. You acknowledge you could circumvent the purpose of this Confidentiality Agreement by disclosing Intellectual Property to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Intellectual Property to family members. Therefore, you agree you will be presumed to have violated the terms of this Confidentiality Agreement if any member of your immediate family uses or discloses the Intellectual Property. However, you may rebut this presumption by furnishing evidence conclusively showing you did not disclose the Intellectual Property to the family member.

5. Covenants Reasonable. You acknowledge and agree that: (i) the terms of this Confidentiality Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Confidentiality Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS CONFIDENTIALITY AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE, OR OTHERWISE UNENFORCEABLE.**

6. Breach. You agree that failure to comply with this Confidentiality Agreement will cause substantial and irreparable damage to us and/or other NexGenEsis Healthcare franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of this Confidentiality Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Confidentiality Agreement are exclusive of any other but may be combined with others under this Confidentiality Agreement, or at law or in equity, including injunctive relief, specific performance, and recovery of monetary damages. Any claim, defense, or cause of action you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Confidentiality Agreement.

7. Miscellaneous.

a. Although this Confidentiality Agreement is entered into in favor of NexGen Franchising, LLC, you understand and acknowledge that your employer/employee, independent contractor, agent, representative, or supplier relationship is with Franchisee and not with us, and for all purposes in connection with such relationship, you will look to Franchisee and not to us.

b. If we pursue legal remedies against you because you have breached this Confidentiality Agreement and prevail against you, you agree to pay our reasonable attorney fees and costs in doing so.

c. This Confidentiality Agreement will be governed by, construed, and enforced under the laws of Mississippi, and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Confidentiality Agreement.

d. Each section of this Confidentiality Agreement, including each subsection and portion, is severable. If any section, subsection, or portion of this Confidentiality Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection, or portion; and each party to this Confidentiality Agreement agrees that the court may impose such limitations on the terms of this Confidentiality Agreement as it deems in its discretion necessary to make such terms enforceable.

NEXGENESIS HEALTHCARE FRANCHISE

LEASE ADDENDUM

This Addendum to Lease (“**Addendum**”), dated _____, 20____, is entered into by and between _____ (“**Landlord**”), _____ (“**Tenant**”) and _____ (“**Franchisor**”), collectively referred to herein as the “**Parties.**”

A. Landlord and Tenant have entered into a certain Lease Agreement dated _____, 20____, and pertaining to the premises located at _____ (“**Lease**”).

B. Landlord acknowledges that Tenant intends to operate a franchised business from the leased premises (“**Premises**”) pursuant to a Franchise Agreement (“**Franchise Agreement**”) with Franchisor under Franchisor’s trademarks and other names designated by Franchisor (herein referred to as “**Franchised Business**” or “**Franchise Business**”).

C. The parties now desire to supplement the terms of the Lease in accordance with the terms and conditions contained herein.

NOW, THEREFORE, it is hereby mutually covenanted and agreed among the Parties as follows:

1. Use of the Premises. During the term of the Franchise Agreement, the Premises shall be used only for the operation of the Franchised Business.

2. Franchise System. Landlord hereby consents to Tenant’s use of such proprietary marks, signs, interior and exterior décor items, color schemes and related components of the Franchised Business required by Franchisor. Tenant’s use of such items shall at all times be in compliance with all applicable laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Premises.

3. Assignment. Tenant shall have the right, without further consent from Landlord, to sublease or assign all of Tenant’s right, title, and interest in the Lease to an assignee of the Tenant or the Franchised Business (“**Franchise Assignee**”) at any time during the term of the Lease, including any extensions or renewals thereof. In addition, if Tenant fails to timely cure any default under either the Lease or the Franchise Agreement, Franchisor or a Franchise Assignee that Franchisor designates, will, at its option, have the right, but not the obligation, to take an assignment of Tenant’s interest under the Collateral Assignment of Lease or other form of assignment and assumption document reasonably acceptable to Landlord, provided such Franchise Assignee cures a default of the Lease no later than ten days following the end of Tenant’s cure period. No assignment shall be effective until: (i) a Franchise Assignee gives Landlord written notice of its acceptance of the assignment and assumption of the Lease; and (ii) Tenant or the Franchise Assignee has cured all material defaults of the Lease for which it has received notice from Landlord. Nothing contained herein or in any other document shall create any obligation or liability of Franchisor, any Franchise Assignee, or guarantor thereof under the Lease unless and until the Lease is assigned to, and accepted in writing by a Franchise Assignee. In the event of any assignment or purported assignment under this Addendum, Tenant shall remain liable under the terms of the Lease and the assignee or subtenant shall retain all of the Tenant’s rights granted in the Lease including without limitation: (x) any

grant of a protected territory or use exclusivity; and (y) the renewal or extension of the Lease term. With respect to any assignment proposed or consummated under this Addendum, Landlord hereby waives any rights it may have to: (A) recapture the Premises; (B) terminate the Lease; or (C) modify any terms or conditions of the Lease. If Franchisor accepts an assignment and assumes the Lease under this section, Franchisor shall have the right to further sublet or reassign the Lease to another Franchise Assignee without Landlord's consent in which event Franchisor shall be released from any obligation or liability under the Lease. As used in this Addendum, "**Franchise Assignee**" means: (i) Franchisor or Franchisor's parent, subsidiary, or affiliate; or (ii) any franchisee of Franchisor or of Franchisor's parent, subsidiary, or affiliate.

4. Default and Notice.

a. If Tenant defaults on or breaches the Lease and Landlord delivers a notice of default to Tenant, Landlord shall contemporaneously send a copy of such default notice to Franchisor. Franchisor shall have the right, but not the obligation, to cure the default during Tenant's cure period plus an additional ten (10) day period. Franchisor will notify Landlord whether it intends to cure the default prior to the end of Tenant's cure period.

b. All notices to Franchisor shall be sent by a reputable overnight delivery service to the following address:

NexGen Franchising, LLC
5420 Dashwood St. Suite 203
Houston, Texas 77081

Franchisor may change its address for receiving notices by giving Landlord written notice of the new address. Landlord agrees that it will notify both Tenant and Franchisor of any change in Landlord's mailing address to which notices should be sent.

c. Tenant and Landlord agree not to terminate, or materially amend the Lease during the term of the Franchise Agreement or any renewal thereof without Franchisor's prior written consent. Any attempted termination, or material amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

5. Termination or Expiration.

a. If Franchisor does not elect to take an assignment of the Tenant's interest, Landlord will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Landlord, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect the Franchisor's trademarks and franchise system and to distinguish the Premises from a Franchised Business provided that Franchisor repairs any damage caused to the Premises by exercise of its rights hereunder.

b. If any Franchise Assignee purchases any assets of Tenant, Landlord shall permit such Franchise Assignee to remove all the assets being purchased, and Landlord waives any lien rights that Landlord may have on such assets.

6. Consideration; No Liability.

a. Landlord acknowledges that the Franchise Agreement requires Tenant to receive Franchisor's approval of the Lease prior to Tenant executing the Lease and that this Addendum is a material requirement for Franchisor to approve the Lease. Landlord acknowledges Tenant would not lease the

Premises without this Addendum. Landlord also hereby consents to the Collateral Assignment of Lease from Tenant to Franchisor as evidenced by Attachment 1.

b. Landlord further acknowledges that Tenant is not an agent or employee of Franchisor, and Tenant has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any Franchise Assignee, and that Landlord has entered into this with full understanding that it creates no duties, obligations, or liabilities of or against any Franchise Assignee.

7. Amendments. No amendment or variation of this Addendum shall be valid unless made in writing and signed by the Parties hereto.

8. Reaffirmation of Lease. Except as amended or modified herein, all of the terms, conditions, and covenants of the Lease shall remain in full force and effect and are incorporated herein by reference and made a part of this Addendum as though copies herein in full.

IN TESTIMONY WHEREOF, witness the signatures of the Parties hereto as of the day, month, and year first written above.

COLLATERAL ASSIGNMENT OF LEASE

FOR VALUE RECEIVED, as of the __, 20__ (“**Effective Date**”), the undersigned, _____ (“**Assignor**”) hereby assigns, transfers and sets over unto _____ (“**Assignee**”) all of Assignor’s right, title, and interest as tenant, in, to and under that certain lease, a copy of which is attached hereto as **Exhibit A (“Lease”)** with respect to the premises located at _____. This Collateral Assignment of Lease (“**Assignment**”) is for collateral purposes only and except as specified herein, Assignee shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment unless Assignee expressly assume the obligations of Assignor thereunder.

Assignor represents and warrants to Assignee that it has full power and authority to so assign the Lease and its interest therein, and that Assignor has not previously, and is not obligated to, assign or transfer any of its interest in the Lease or the premises demised thereby.

Upon a default by Assignor under the Lease or under that certain franchise agreement for a franchise between Assignee and Assignor (“**Franchise Agreement**”), or in the event of a default by Assignor under any document or instrument securing the Franchise Agreement, Assignee shall have the right and is hereby empowered, in Assignee’s sole discretion, to: (i) cure Assignor’s default of the Lease; (ii) take possession of the premises demised by the Lease; (iii) expel Assignor from the premises, either temporarily or permanently; (iv) terminate Assignor’s rights, title, and interest in the Lease; and/or (v) assume the Lease. If Assignee expends sums to cure a default of the Lease, Assignor shall promptly reimburse Assignee for the cost incurred by Assignee in connection with such performance, together with interest thereon at the rate of two percent per month, or the highest rate allowed by law.

Assignor agrees it will not suffer or permit any surrender, termination, amendment, or modification of the Lease without the prior written consent of Assignee. Through the term of the Franchise Agreement and any renewals thereto, Assignor agrees that it shall elect and exercise all options to extend the term of or renew the Lease not less than 30 days before the last day that said option must be exercised, unless Assignee otherwise agrees in writing. Upon failure of Assignee to otherwise agree in writing, and upon failure of Assignor to so elect to extend or renew the Lease as stated herein, Assignor hereby irrevocably appoints Assignee as its true and lawful attorney-in-fact, which appointment is coupled with an interest to exercise the extension or renewal options in the name, place, and stead of Assignor for the sole purpose of effecting the extension or renewal.

Manager will also assist Practice in recruiting new employees and will carry out such administrative functions as may be appropriate for such recruitment, including advertising for and identifying potential candidates, assisting Practice in examining and investigating the credentials of such potential candidates, and arranging interviews with such potential candidates. Practice will make the ultimate decision as to whether to employ or retain a specific candidate. Practice shall be solely responsible for compensating its employees. Practice expressly acknowledges its responsibility and liability to provide for the payment and withholding of appropriate amounts for income tax, social security, unemployment insurance, state disability insurance taxes, and any authorized payroll deductions from the paychecks of Practice personnel. Manager shall assist Practice with these administrative functions, as reasonably requested.

2.1.2 Manager Personnel. Manager shall employ or contract with and provide all necessary personnel it reasonably needs to provide the Administrative Services hereunder. Such personnel shall be under the direction, supervision, and control of Manager, and shall be employees of Manager. Manager shall be responsible for setting and paying the compensation and providing the fringe benefits of all Manager personnel.

2.1.3 Training. All of Practice's tax obligations shall be paid by Manager out of Practice's funds managed by Manager. Manager shall be responsible for the repair, maintenance and replacement of the Premises, other than such repairs, maintenance and replacement necessitated by the negligence or willful misconduct of the Practice, the Providers or other personnel employed or engaged by the Practice. Additionally, Manager will provide, to the extent possible, necessary utilities and other services, including, without limitation, heat, water, gas, electricity, air conditioning, and telephone necessary for the Practice to conduct the Operations on the Premises. Practice shall be a 'mere license holder' for such space during the Term of this Agreement and shall not be a tenant or subtenant of Manager and/or landlord.

2.1.13 Subordinated Loan. Manager shall provide to Practice, from time to time, operating loans, up to a maximum amount to be determined by Manager. Such loans shall be evidenced by a subordinated note in the form attached hereto as Exhibit 2.1.13 (the "Subordinated Promissory Note"). In the event that Practice has inadequate gross revenue to cover its expenses, including amounts owed to Manager in Section 4.7 and Section 6.1 below, the Parties may increase the maximum amount of the loan by mutual written consent.

2.1.14 All Other Matters Reasonably Needed for Operations. Manager shall perform all tasks required for the good governance and operation of the Operations in its discretion.

2.2 Responsibilities as Agent. In connection with the appointment of Manager as agent of Practice under Section 1.2 above, Manager shall undertake the following:

2.2.3 Banking. The Parties shall cooperate in opening such bank accounts as shall be required for prudent administration of the Operations, including (i) a Manager's Account, opened by and under the control and domain of Manager for the deposit of collections and the disbursement of expenses and other purposes as set forth herein, and (ii) such other accounts as Manager determines in its sole discretion are reasonable and necessary. Manager shall sign checks, drafts, bank notes or other instruments on behalf of Practice, and make withdrawals from Manager's Account for payments specified in this Agreement. Manager, in its sole discretion, may make a pledge or assignment of Practice's accounts to support financing instruments. Manager may commingle Practice's funds with those of other entities for whom Manager provides similar administrative services, so long as Manager separately accounts for and provides Practice with a record of its separate deposits and withdrawals to and from Manager's Account.

2.2.4 Litigation Management. Manager shall (a) manage and direct the defense of all claims, actions, proceedings, or investigations against Practice or any of its officers, directors, employees, or agents in their capacity as such, and (b) manage and direct the initiation and prosecution of all claims, actions, proceedings, or investigations brought by Practice against any person other the Manager.

2.2.5 Marketing, Advertising, and Public Relations Programs. Manager shall propose and, with Practice's approval, implement marketing and advertising programs to be implemented by Practice to effectively notify the community of the services offered by Practice. Manager shall advise and assist Practice in implementing such marketing and advertising programs, including, but not limited to, analyzing the effectiveness of such programs, preparing marketing, and advertising materials, negotiating marketing and advertising contracts on Practice's behalf, and obtaining services necessary to produce and present such marketing and advertising programs. The Parties expressly acknowledge and agree that Practice shall exercise control over all policies and decisions relating to every element of such advertising. Manager and Practice agree that all marketing and advertising programs shall be conducted in compliance with all applicable standards of ethics, laws, and regulations.

2.2.6 Information Technology and Computer Systems. Manager shall set up workstations and other information technology required for the Operations.

2.2.7 Supplies. Manager shall order and purchase all supplies in connection with the Administrative Services and the Operations, including all necessary forms, supplies, and postage, provided that all such supplies acquired shall be reasonably necessary in connection with the Operations, subject to the approval of the Practice.

2.3 Furnishings. Manager Leases to the Practice the use of "Furnishings", which includes all fittings and other accessories, decorative or otherwise, that are not included in the Master Leases. Manager will be responsible for the repair, maintenance and replacement of the Furnishings other than such repairs,

maintenance and replacement necessitated by the negligence or willful misconduct of the Practice, the Providers or other personnel employed or engaged by the Practice. The provisions and obligations in this Agreement are subject and subordinate to the provisions and obligations contained in any financing, security interest, mortgage, lien or other encumbrance Manager may on its own behalf, but not on behalf of the Practice, in its reasonable discretion, place upon the Furnishings. The Practice shall use the Furnishings only in connection with the conduct of the Practice and shall have no right to alter, repair, augment or remove any of the Furnishings from the Premises without the prior written consent of Manager, which approval may be granted or withheld in Manager's sole discretion.

2.4 Equipment. Manager Leases to the Practice the use of the Medical Equipment, set forth in Exhibit 2.4, purchased in accordance with its NexGenEsis Healthcare franchise agreement, and all items of furniture, fixtures and equipment, including computer hardware and information systems, and telephone systems (collectively, the "Equipment") reasonably necessary to support the Operations of the Practice. The provisions and obligations in this Agreement are subject and subordinate to the provisions and obligations contained in any financing, security interest, mortgage, lien or other encumbrance Manager may, on its own behalf, but not on behalf of the Practice, in its reasonable discretion place upon the Equipment. During the Term, the Practice shall use the Equipment only in connection with the conduct of the Practice and shall have no right to remove the Equipment from the Premises without the prior written consent of Manager, which approval may be granted or withheld in Manager's sole discretion. Except for equipment that is expressly purchased and owned by Practice, title to all Equipment shall be and shall remain at all times the property of the Manager (subject to the rights of the equipment lessors or vendors, as the case may be) and shall remain in the name of the Manager. Manager shall be responsible for the repair, maintenance and replacement of the Equipment, other than such repairs, maintenance and replacement necessitated by the negligence or willful misconduct of the Practice, its Providers or other personnel employed or engaged by the Practice. Manager may select and replace Equipment in consultation with Practice subject to Practice approval.

3. RELATIONSHIP OF THE PARTIES

3.1 Sole Authority to Practice. Notwithstanding any other provision of this Agreement and Shareholder's prior review and approval of Franchisor's clinical model, services, and products, Practice shall have exclusive authority and control over the healthcare aspects of Practice and its practice to the extent they constitute the practice of a licensed profession, including, without limitation, all diagnosis, treatment, and ethical determinations with respect to patients which are required by law to be decided by a licensed professional. Any delegation of authority by Practice to Manager that would require or permit Manager to engage in the practice of a licensed profession shall be prohibited and deemed ineffective, and Practice shall have the sole authority with respect to such matters. Manager shall not be required or permitted to engage in, and Practice shall not request Manager to engage in, activities that constitute the practice of medicine, nursing, or another similar profession in the State. Manager shall not direct, control, attempt to control, influence, restrict or interfere with Practice's or any of the Practice's physicians' exercise of independent clinical, medical, or professional judgment in providing healthcare or medical related services.

3.2 Compliance with Corporate Practice of Medicine. The Parties have made all reasonable efforts to ensure that this Agreement complies with the corporate practice of medicine prohibitions in the State. The Parties understand and acknowledge that such laws may change, be amended, have guidance, or have a different interpretation and the Parties intend to comply with such laws in the event of such occurrences. Under this Agreement, Practice and its physicians shall have the exclusive authority and control over the medical aspects of Practice's practice to the extent they constitute the practice of medicine, while Manager shall have the particular authority to manage the business aspects of Practice as more fully described in Section 2 of this Agreement. Practice shall have final say over (1) hiring and firing of clinical personnel

and supervisors thereof, (2) choice of modalities and medical services offered through the Operations, (3) financial issues, including banking and pricing (subject to day-to-day operational delegations to Manager hereunder), (4) choice of medical equipment, and (5) content of any advertising subject to applicable [State] laws and regulations.

3.3 Independent Contractor Relationship. Nothing contained herein shall be construed as creating a partnership, trustee, fiduciary joint venture, or employment relationship between Manager and Practice. In performing all services required hereunder, Manager shall be in the relation of an independent contractor to Practice, providing the Administrative Services to the Operations operated by Practice.

3.4 No Patient Referrals. Manager shall neither have nor exercise, any control or direction over the number, type, or recipient of patient or member referrals and nothing in this Agreement shall be construed as directing or influencing any such referrals. Nothing in this Agreement is to be construed to restrict the professional judgment of any physician to use any medical practice, facility, or pharmacy where necessary or desirable in order to provide proper and appropriate treatment or care to a patient. No part of this Agreement shall be construed to induce, encourage, solicit, or reimburse the referral of any patients or business, including any patient or business funded in whole or in part by federal or state government programs (i.e., Medicare, Medi-Cal, etc.). The Parties acknowledge that there is no requirement under this Agreement or any other agreement among the Parties to refer patients either to the other or to any of their respective affiliates. No payment made under this Agreement shall be in return for the referral of patients or business, including those paid in whole or in part by federal or state government programs.

4. LICENSING OF INTELLECTUAL PROPERTY AND TRADEMARKS

4.1 Ownership of Intellectual Property and Trademarks. Manager represents and Practice and Shareholder acknowledge that Manager licenses the property rights and related rights in the IP through and from Franchisor under the terms of the Franchise Agreement. Manager hereby represents and warrants that, to the best of its knowledge, it has, by virtue of the franchise, a license in and to the IP, that no third party has any claim or right of interest therein, and that Practice's sublicensing and use of the IP will not infringe in any way on any third party's proprietary rights as regards to the IP. Practice and Shareholder understand and acknowledge that neither Manager nor Franchisor is transferring or providing to Practice any IP hereunder and that the Sublicense is subject to Manager's license in and to the IP as set forth in the Franchise Agreement. Practice is expressly prohibited from asserting any rights in the nature of a license or grant for any rights of any trade names, trademarks, commercial symbols, or other proprietary marks owned by or associated with Franchisor or Manager or any rights in the IP of any nature whatsoever except as expressly set forth in this Agreement. If for any reason Manager becomes aware that any third party makes a claim that the IP infringes on such third party's patent or other rights, Manager shall immediately notify Practice of such claim. For sake of clarity, all of the IP is owned by Franchisor, and the IP currently being licensed by Manager and sublicensed hereunder to Practice includes, but is not limited to, the intellectual property reflected on Exhibit 4.1 hereto.

4.2 Further Acts of Practice and Shareholder. Practice and Shareholder agree to execute such documents and take all such further acts as may be requested by Manager or Franchisor to assure the continued ownership or licensing of Franchisor's rights in the IP.

4.3 Sublicense Grant. Manager hereby grants a nonexclusive, terminable, royalty-bearing right and Sublicense to Practice to use the IP in and for the provision of medical and patient care services at the Premises.

4.4 Sublicensing. Practice is not permitted to further sublicense the IP.

4.5 Rights Retained by Franchisor. In granting the Sublicense hereunder: (a) Manager is not permitted to grant a license to any other parties; and (b) no restriction will be placed on Franchisor's retained right to make, use, and to permit other entities under a written agreement to make, use, and employ the IP for any reason, subject to the terms of the Franchise Agreement.

4.6 Fictitious Name. To the extent that state law requires the registration or permitting of any fictitious or assumed name, Manager agrees to cooperate with Practice to enable Practice to apply for and obtain such fictitious name permit in names to be determined by Manager and approved by Franchisor, in consultation with Practice, including but not limited to "[NAME OF PROFESSIONAL CORPORATION]." The Parties acknowledge that there is no assurance that any state entity will issue such name permit(s). Upon termination of this Agreement or termination of the License, Practice and Shareholder agree that they shall cooperate with Manager to promptly (and no later than two (2) days following termination) sign and file any necessary documentation to cancel or transfer any fictitious name permits. To the extent that an authorized representative of Practice is not immediately available to execute the Notifications of Shareholder Change, Applications for Cancellation of a fictitious name permit, or other applicable document with the appropriate agency, Practice and Shareholder hereby grant Manager a limited power of attorney (which shall not be revocable so long as Practice and/or Shareholder maintain fictitious name permit(s) related to the name [NAME OF PROFESSIONAL CORPORATION]) for the sole purpose to sign on its behalf and file any document required on its own. In addition, Practice and Shareholder agree to sign such documents, which Manager shall hold in escrow pending termination of this Agreement or termination of the License. Should Practice and Shareholder fail to deliver requested documents within two (2) days following such termination, Practice and Shareholder irrevocably authorize Manager to date and file, and obtain any new owner's signature, for all filings with respect to related names that are being held in escrow by Manager. In addition, Practice and Shareholder acknowledge and agree to file a termination statement or other filing in all counties for which a trade name application has been submitted for [NAME OF PROFESSIONAL CORPORATION] upon termination of this Agreement or the License. The Parties recognize that the remedies and covenants under this Section are reasonable and necessary to protect Manager's interests in the name [NAME OF PROFESSIONAL CORPORATION], and related names under the circumstances.

4.7 Amount of Royalty. For use of the Sublicense as set forth herein, Practice shall pay to Manager as earned royalty to be determined by Manager after input from Practice to establish fair value for sublicensed IP ("Royalty"). The Royalty shall be a percentage of Practice's gross revenues unless prohibited by the applicable laws of the State.

4.8 Royalty Payment Dates and Reporting. On or before the fifteenth (15th) of the month following the close of each fiscal quarter, Practice shall remit the Royalty amount due to Manager. The Parties shall cooperate in accounting and accruing the appropriate gross revenues of Practice from which the Royalty may be calculated on a monthly or other periodic basis.

4.9 Payment Obligation is Absolute. The obligation of Practice to make all payments under this Agreement is absolute and unconditional and is not, except as expressly set out in this Agreement, affected by any circumstance, including without limitation any set-off, compensation, counterclaim, recoupment, defense, or other right which Practice may have against Manager.

4.10 Deemed Sale. A service is deemed to have been sold by Practice so that such sale is to be included in the gross revenues on an accrual basis on the date of the provision of service.

4.11 Taxes. Practice will pay all taxes and any related interest or penalty designated in any manner and imposed as a result of the existence or operation of this Agreement, including without limitation tax which Practice may be required to withhold or deduct from payments to Manager. The Royalties payable

hereunder are exclusive of taxes; such tax amounts will not be deducted from the Royalties payable hereunder. Practice will provide to Manager evidence as may be required by authorities to show that taxes due were paid. If Manager becomes required to collect a tax to be paid as a result of the transactions hereunder, Practice will either pay such tax directly upon demand, or reimburse Manager such payments it has made for such taxes.

4.12 Proprietary Rights. The Practice recognizes and acknowledges that all IP, records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Manager in rendering services hereunder, or relating to the operations of the Manager, belong to and shall remain the property of the Franchisor as described in the Franchise Agreement, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Franchisor's business ("Confidential Information"). The Practice shall not, and shall assure that its physicians and staff shall not, during or after the term of this Agreement, disclose any Confidential Information of the Manager or Franchisor, or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Manager and Franchisor or each of their respective affiliates.

4.12.1 Derivative IP, as defined in Exhibit 4.1, which are at any time conceived or reduced to practice by Practice and/or any of its physicians or staff, acting alone or in conjunction with others, in connection with the Manager's management of the Practice or, during the course of the Practice's employment or engagement of physicians or staff (or, if based on or related to any Confidential Information, made by Practice and/or any physician or staff during or after such management by the Manager or employment or engagement by the Practice) and all concepts and ideas known to Practice or any physician or staff at any time during the Manager's management of the Practice which relate to the Manager's or Franchisor's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to Practice and/or any physician or staff on the date of this Agreement or acquired by Practice and/or any physician or staff during the term of this Agreement shall be the property of the Franchisor, free of any reserved or other rights of any kind on Practice and/or any physician or staff part with respect thereto, and Practice and/or any such physician or staff hereby assign all rights therein to the Franchisor.

4.12.2 Practice and/or its physicians and staff shall promptly make full disclosure of any such Derivative IP, Concepts and Ideas or modifications thereof to the Manager, and Manager shall promptly make a full disclosure to Franchisor. Further, Manager and/or Practice and/or its physicians and staff shall, at the Franchisor's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including executing and delivering instruments of further assurance or confirmation) deemed by the Franchisor to be necessary or desirable at any time or times in order to effect the full assignment to the Franchisor rights and title to such Derivative IP, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Franchisor's rights, Manager, Practice and/or its physicians and staff will also assign to the Franchisor any and all copyrights and reproduction rights to any written material prepared by the Manager, Practice and/or its physicians and staff in connection with the Manager's management of the Practice or the physician and staff's employment or engagement by the Practice. Manager, Practice and/or its physicians and staff further understand that the absence of a request by the Franchisor for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Franchisor. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the Practice or the Manager in or to any Derivative IP, Concepts and Ideas or modifications which the Franchisor has or may have by virtue of the Franchise Agreement, Manager's management activities hereunder or the Practice's engagement of its physicians and staff.

4.12.3 Practice, Shareholder and its employees and service providers agree to sign any confidentiality agreement or similar agreement required by Franchisor related to the Franchise Agreement.

5. RESPONSIBILITIES OF PRACTICE

5.1 General Responsibilities of Practice. Practice shall operate the clinical aspects of the Operations during the Term of this Agreement. Practice understands and acknowledges that Manager has entered into the Franchise Agreement, which contains specific obligations for the Operation. To the extent not prohibited by Section 3 above, Manager will outline the obligations for the Operation under the Franchise Agreement, and the Practice agrees to follow the same.

Practice shall consult with Manager from time to time regarding the number, work schedules, and evaluation of the physicians employed or engaged by Practice. Practice shall staff its practice as required for the efficient operation of Practice, and as otherwise necessary to meet the requirements of payor contracts and applicable law. 5.3.14 The creation of any indebtedness or any other obligation of Practice to any of the shareholders of Practice or of any of the shareholders of Practice to Practice.

5.4 Assignable Option. As a material inducement for Manager to enter into this Agreement, Shareholder, who owns [NUMBER OF SHARES] shares of common stock in the Practice (representing one hundred percent (100%) of the issued stock in the Practice, which is all of the total number of shares that the Practice is authorized to issue), hereby grants Manager the option to sell and transfer all of Practice's assets or all of Shareholder's shares in the Practice as more fully described in that certain Assignable Option Agreement in the form attached hereto as Exhibit 5.4 (the "Assignable Option Agreement"). The Parties shall cooperate in the allocation of costs and expenses between them.

6.2 Fee for Extraordinary Services. In the event Manager renders extraordinary services outside the scope of its duties, Manager shall bill Practice on a quarterly basis, describing such extraordinary services, the dates of service, and the costs and fees related thereto, which shall be calculated at fair market value. The Parties agree to comply with all state and federal patient confidentiality and privacy laws regarding medical/patient records. The Parties shall fully comply with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). In furtherance thereof, the Parties are entering into a Business Associate Agreement of even date hereof and attached hereto as Exhibit 8.1.

8.2 Access to Information. Each Party hereby authorizes and grants the other Parties full and complete access to all information, instruments, and documents which may be reasonably requested by the other Party to perform its obligations hereunder or to conduct the Operations. Each Party shall disclose and

make available to representatives of the other Parties for review and photocopying all relevant books, agreements, papers, and records of such Party. At all times during and after the Term of this Agreement, all business records and information, including, but not limited to, all books of account and general administrative records and all information generated under or contained in the management information systems pertaining to Practice, relating to the business and activities of Manager, shall be and remain the sole property of Manager, unless the same is owned by Franchisor under the terms of the Franchise Agreement. For purposes of accessing information, to the extent permitted by law, Practice agrees and acknowledges that Manager shall grant access to any such information as required under the Franchise Agreement. Practice will have reasonable access during normal business hours to the business records kept by Manager relating to the Operations, and Practice may copy any or all such records. After termination of this Agreement, each Party will have reasonable access during normal business hours to the business records of the other Parties as determined by such Party accessing records to be necessary to carry out its affairs or for the defense of any legal or administrative action or claim relating to such records.

9. GENERAL

9.1 Indemnification.

9.1.1 Indemnification by Practice. Practice hereby agrees to indemnify, defend, and hold harmless Manager, Franchisor, their managers, officers, directors, owners, members, employees, agents, affiliates, and subcontractors, from and against any and all claims, damages, demands, diminution in value, losses, liabilities, actions, lawsuits and other proceedings, judgments, fines, assessments, penalties, awards, costs, and expenses (including reasonable attorneys' fees) related to third party claims, whether or not covered by insurance, arising from or relating to any willful misconduct relating to the breach of this Agreement by Practice. The provisions of this Section 9.1.1 shall survive termination or expiration of this Agreement. Notwithstanding the foregoing, Practice shall not indemnify Manager for the acts or omissions of any physicians or others employed or engaged by Manager to perform non-clinical work under the supervision of Manager. Practice shall immediately notify Manager of any lawsuits or actions, or any threat thereof, that are known or become known to Practice that might adversely affect any interest of Practice or Manager whatsoever.

9.1.2 Indemnification by Manager. Manager hereby agrees to indemnify, defend, and hold harmless Practice, its respective officers, directors, shareholders, employees and agents from and against any and all claims, damages, demands, diminution in value, losses, liabilities, actions, lawsuits and other proceedings, judgments, fines, assessments, penalties, and awards, costs, and expenses (including reasonable attorneys' fees), whether or not covered by insurance, arising from or relating to (a) any material breach of this Agreement by Manager, (b) any acts or omissions by Manager and its employees. The provisions of this Section 9.1.2 shall survive termination or expiration of this Agreement. Manager shall immediately notify Practice of any lawsuits or actions, or any threat thereof, that are known or become known to Manager that might adversely affect any interest of Manager or Practice whatsoever.

9.1.3 Effect of Insurance. The Parties agree that no indemnification hereunder shall be in lieu of or to the detriment to any policy of insurance or recovery thereunder that responds to any damage or loss for which indemnification is sought; all recoveries for indemnification shall be non-duplicative of recoveries received under any policy of insurance, and shall be paid only to the extent that such insurance recoveries do not compensate the injured Party for the full amount of loss otherwise payable under the indemnification clause.

9.2 Dispute Resolution. In the event that any disagreement, dispute, or claim arises among the Parties hereto with respect to the enforcement or interpretation of this Agreement or any specific terms and

provisions hereof or with respect to whether an alleged breach or default hereof has or has not occurred (collectively, a “Dispute”), such Dispute shall be settled in accordance with the following procedures:

9.2.1 Meet and Confer. In the event of a Dispute among the Parties hereto, a Party may give written notice to all other Parties setting forth the nature of such Dispute (the “Dispute Notice”). The Parties shall meet and confer to discuss the Dispute in good faith within ten (10) days following the other Parties’ receipt of the Dispute Notice in an attempt to resolve the Dispute. All representatives shall meet at such date(s) and time(s) as are mutually convenient to the representatives of each participant within the Meet and Confer Period (defined below).

9.2.2 Mediation. If the Parties are unable to resolve the Dispute within thirty (30) days following the date of receipt of the Dispute Notice by the other Parties (the “Meet and Confer Period”), then the Parties shall attempt in good faith to settle the Dispute through nonbinding mediation under the Rules of Practice and Procedures (the “Rules”) of JAMS, Inc. (“JAMS”) or such other neutral service as the Parties may agree. A single disinterested third-party mediator located in [CITY, STATE] shall be selected by JAMS in accordance with its then-current Rules. The parties to the Dispute shall share the expenses of the mediator and the other costs of mediation on a pro rata basis.

9.2.3 Arbitration. Any Dispute which cannot be resolved by the Parties within sixty (60) days following the end of the Meet and Confer Period shall be resolved by final and binding arbitration (the “Arbitration”). The Arbitration shall be initiated and administered by and in accordance with the then-current Rules of JAMS. The Arbitration shall be held before a single disinterested third-party arbitrator selected in accordance with the then-current Rules of JAMS, in [COUNTY, STATE], unless the parties mutually agree to have such proceeding in some other locale; the exact time and location shall be decided by the arbitrator in accordance with the then-current Rules of JAMS. The arbitrator shall apply [STATE] substantive law, or federal substantive law where state law is preempted. The arbitrator selected shall have the power to enforce the rights, remedies, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, and penalties as can be imposed in like circumstances in a civil action by a court of competent jurisdiction of the State of [STATE]. The arbitrator shall have the power to grant all legal and equitable remedies provided by [STATE] law and award compensatory damages provided by [STATE] law, except that punitive damages shall not be awarded. The arbitrator shall prepare in writing and provide to the Parties an award including factual findings and the legal reasons on which the award is based. The arbitration award may be enforced through an action thereon brought in the Superior Court for the State of [STATE] in [COUNTY]. The prevailing Party in any Arbitration hereunder shall be awarded reasonable attorneys’ fees, expert and non-expert witness costs and any other expenses incurred directly or indirectly with said Arbitration, including without limitation the fees and expenses of the arbitrator.

THIS ELECTION OF AN ALTERNATIVE DISPUTE PROCESS IS AN AFFIRMATIVE WAIVER OF THE PARTIES’ RIGHTS TO A JURY TRIAL UNDER [STATE] LAW. BY SIGNING BELOW, EACH PARTY IS EXPLICITLY WAIVING JURY TRIAL AND AUTHORIZING ANY AND ALL PARTIES TO FILE THIS WAIVER WITH ANY COURT AS THE WAIVER REQUIRED UNDER [STATE] LAW:

This provision shall not release such Party from using its best efforts to avoid or remove such cause and such Party shall continue performance hereunder with the utmost dispatch whenever such causes are removed. Upon claiming any such excuse or delay for non-performance, such Party shall give prompt written notice thereof to the other Parties, provided that failure to give such notice shall not in any way limit the operation of this provision.

9.14 Authorization for Agreement. The execution and performance of this Agreement by Practice and Manager have been duly authorized by all necessary laws, resolutions, and corporate action, and this Agreement constitutes the valid and enforceable obligations of Practice and Manager in accordance with its terms.

Name	Description

(EXHIBIT H-7 CONTINUED)

EXHIBIT 5.4 OF MANAGEMENT SERVICES AND LICENSING AGREEMENT

ASSIGNABLE OPTION AGREEMENT

This Assignable Option Agreement (“Agreement”) is made, entered into, and effective as of [MONTH DAY, 20__] (the “Effective Date”) by and among [FRANCHISEE/MSO], a [FRANCHISEE/MSO STATE] [FRANCHISEE/MSO ENTITY TYPE] (“Manager”), [PHYSICIAN], an individual (“Shareholder”), and [NAME OF PROFESSIONAL CORPORATION], a [State] professional medical corporation (“Practice”). Each of Manager, Shareholder, and Practice shall also be referred to herein as a “Party” and collectively as the “Parties.”

RECITALS

NOW, THEREFORE, in consideration of the foregoing promises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, Practice, Shareholder, and Manager agree as follows:

- A. Practice owns and operates a medical practice (“Practice”).
- B. Practice and Manager entered into that certain Management Services and Licensing Agreement (“MSLA”) of even date herewith.
- C. Manager has expended substantial time and effort and incurred substantial expenses and risk in entering into the MSLA.
- D. Furthermore, and as a condition to entering into the MSLA, Shareholder desires to grant to Manager, and Manager desires to acquire from Shareholder (i) an assignable option to purchase all of the assets of Practice, and (ii) the right to designate the purchaser (“Successor Physician”) of all of the issued and outstanding stock in Practice. When used in this Agreement, the term “Assets” shall mean all of Practice’s and Shareholder’s right, title, interest and estate in and to all the assets of every kind and description used in or pertaining to the Practice. When used in this Agreement, the term “Stock” shall mean all of Shareholder’s right, title, interest and estate in and to all of issued and outstanding stock in Practice’s corporation, including any rights to any additional stock, preemptive rights, warrants, and the like, as set forth on Exhibit X.

1. Grant of Option

1.1 Practice hereby grants to Manager an assignable option to purchase all of the Assets (the “Assets Option”), on the terms and subject to the conditions set forth in this Agreement.

1.2 Practice and Shareholder hereby grant to Manager the assignable right to designate a Successor Physician, which person must be a duly licensed physician in the State of [State] or otherwise permitted by law to be a shareholder in a [State] professional corporation, to purchase all of the Stock (the “Stock Option”), on the terms and subject to the conditions set forth herein. In its sole discretion, Manager may designate all, or a lesser number of, shares of Shareholder’s Stock which are to be purchased. The Assets Option and the Stock Option are sometimes collectively referred to herein as the “Option.”

1.3 Practice and Shareholder represent and warrant that as of the Effective Date and during the term of this Agreement, Exhibit X is a true and complete schedule showing the number of issued and

outstanding shares of the Stock, which shall be revised from time to time pursuant to this Agreement to reflect changes.

1.4 Practice shall not recognize any issuance of shares, share transfer, or other action not in compliance with the terms of this Agreement.

1.5 Practice hereby grants to Manager a security interest and lien (to the extent that the creation of such lien does not violate any law or statute) in the Assets, and Shareholder grants a lien on, and pledges to Manager, all of the Stock to secure the rights of Manager to exercise the Option.

2. Term of Agreement. This Agreement shall be effective as of the Effective Date and shall continue until the termination of the MSLA, including any extensions thereof or until the Option is exercised but shall in all events terminate and expire twenty (20) years after Shareholder's death (the "Term").

3. Option Price. The purchase price for the Option (the "Option Price") is One Thousand Dollars (\$1,000.00) and Practice and Shareholder acknowledge receipt of such payment from Manager.

4. Exercise of Option.

4.1 During the Term of this Agreement, Manager may elect to exercise the Option at any time. In the event of a decision by Manager to exercise the Option, Manager may exercise either the Assets Option or the Stock Option, in its sole discretion. Upon Manager's exercise of the Assets Option as to all of the Assets, Shareholder shall execute on behalf of Practice, the Bill of Sale and Assignment in the form attached as Exhibit Y. Upon exercise of the Stock Option, Shareholder shall execute the Assignment in the form attached as Exhibit Z.

4.2 Notwithstanding the provisions of Section 2 or Section 4.1 hereof, if the MSLA is terminated by either party, for any reason, Manager's right to exercise the Option is automatically and immediately exercisable as of the termination date of the MSLA. Notwithstanding anything to the contrary in this Agreement, the terms of this Section 4.2 shall survive the expiration or sooner termination of this Agreement. To the extent that the Assets Option is exercised by Manager, Manager will send Practice a written notice (the "Assets Exercise Notice") specifying that all of the Assets will be purchased. Manager may designate the Successor Physician who will exercise the Assets Option as Manager elects in its sole discretion. The delivery to Practice of the Asset Exercise Notice shall constitute the formation of an agreement to purchase and sell the Assets on the terms and conditions set forth in this Agreement.

4.3 To the extent that the Stock Option is exercised by Manager, Manager will send Practice a written notice (the "Stock Exercise Notice") specifying the shares of Stock to be purchased ("Sale Shares"). Manager may designate the Successor Physician who will exercise the Stock Option. Immediately upon the sale of Stock by Shareholder pursuant to the terms hereof, Shareholder shall resign as a director and as an officer of the Practice. The delivery to Shareholder of the Stock Exercise Notice shall constitute the formation of an agreement to purchase and sell the Sale Shares on the terms and conditions set forth in this Agreement.

4.4 Manager may cancel any Assets Exercise Notice or Stock Exercise Notice (each, an "Exercise Notice") at any time prior to the closing of the transaction.

4.5 Practice and Shareholder shall cooperate with Manager in any due diligence requested prior to completion of the transaction.

4.6 After the closing of the purchase and sale following exercise of either Option, but subject to all applicable state and federal law and regulations, Practice and Shareholder (as applicable) shall have access to all contracts and records for the preparation or examination of any tax returns of Practice up to and including the taxable year in which the Option was exercised and for the defense of any litigation or claim involving the operations of the Practice. Manager and any assignee of Manager shall retain all such contracts and records for a period of seven (7) years after exercise of the Option in order to ensure the right of Practice and Shareholder to such access. The use of any information by Practice or Shareholder described above shall be strictly limited to the uses described in this paragraph. If Practice or Shareholder accesses such records as described herein, the accessing party shall pay Manager a reasonable fee to access/copy such records.

5. Assignment of the Option. Manager may elect to assign either or both Options to any person by a written assignment that specifically designates the Assets Option or Stock Option, and is signed by both Manager and the assignee. Thereafter, only the assignee named in the assignment shall have the right to exercise the Assets Option or Stock Option, as designated, and that assignee, rather than Manager, shall be deemed to have entered into the purchase agreement upon exercise of the Assets Option or Stock Option, as applicable. When the context so requires in this Agreement, the term “Manager” shall be deemed to refer to an assignee holding an assignment of the Assets Option or Stock Option, as applicable, and the terms “party” and “parties” shall be deemed to include that assignee.

6. Purchase Price

6.1 Purchase Price. The purchase price for all of the Assets shall be the greater of (i) the book value of the Assets of the Practice (net of any assumed liabilities) or (ii) One Thousand Dollars (\$1,000.00). In the event that the Stock Option is exercised, the purchase price shall be the greater of (x) the net book value of the Practice (i.e. gross assets less all liabilities), or (y) One Thousand Dollars (\$1,000.00).

6.2 Payment. For the Assets and the Stock, Manager shall cause the Successor Physician to pay Practice (or Shareholder, as relevant) the purchase price at Closing in the form of immediately available funds transferred by wire to an account at a financial institution designated by Practice (or Shareholder) or in such other manner as Shareholder and Successor Physician mutually agree.

6.3 Closing. The transactions contemplated by this Agreement are to close (“Closing”) on a business day specified by the Manager in the Asset or Stock Exercise Notice (which shall be no later than ten (10) days after the date of the Asset or Stock Exercise Notice (“Closing Date”), unless extended by Manager in its sole discretion).

7. Additional Obligations of Practice and Shareholder.

7.1 Affirmative Covenants. Practice and Shareholder shall:

7.1.1 Conduct of Practice. Conduct Practice’s business efficiently, without voluntary interruption and in the ordinary course in a manner consistent with any historical business practices of the business or as comparable to similarly situated businesses;

7.4.10 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions will nevertheless continue in full force and effect, unless such invalidity or unenforceability would defeat an essential business purpose of this Agreement.

NEXGENESIS HEALTHCARE FRANCHISE

SAMPLE WAIVER OF MANAGEMENT AGREEMENT

This Waiver of Management Agreement (“Addendum”) is made and entered into on _____, 202__ by and between NexGen Franchising, LLC, a Mississippi limited liability company (“Franchisor” or “we” or “us”), and _____, a _____ (“Franchisee” or “you”).

RECITALS

A. We and you are parties to a NexGen Franchising, LLC Franchise Agreement dated as of the same date as this Addendum (the “Franchise Agreement”), which pertains to the management and operation of a NexGenEsis Healthcare business at a facility operating under the name “NexGenEsis” (which is referred to as the “Clinic”) (together the management and operation of a Clinic will be referred to as the “Franchised Business”) with the “Territory” as described in the Franchise Agreement. Your Clinic will be located and operated in the state of _____.

B. We and you wish to amend the terms of the Franchise Agreement as described below.

C. All capitalized terms not defined in this Addendum will have the meaning set forth in the Franchise Agreement, or the Management Agreement (as defined below).

NOW THEREFORE, we and you, in consideration of the undertakings and commitments of each party to the other party set forth herein and in the Franchise Agreement, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, mutually agree as follows:

1. Franchisee’s Representations and Warranties:

a. You understand and agree that you are solely responsible for operating in full compliance with all laws that apply to your Franchised Business. The laws regulating the medical industry include without limitation, federal, state and local regulations relating to: the practice of medicine and the operation and licensing of medical services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and clinicians, on the other, including anti-kickback laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; payment systems for medical benefits available to individuals through insurance and government resources; privacy of patient records; use of medical devices; and advertising of medical services (together such are, “Medical Regulations”).

b. You represent and warrant to us that: (i) you have conducted independent research regarding the Medical Regulations that are applicable to urgent care centers and medical services generally, and the Franchised Business specifically in the Territory, including retaining the services of qualified professional advisers as necessary; (ii) you have verified that under the Medical Regulations applicable to your Franchised Business, you are permitted to both manage the Clinic and operate the Clinic, including hiring any medical and professional personnel and providing medical services to patients at the Clinic.

c. You have requested that, based on your representations and warranties to us as to the Medical Regulations applicable to your Franchised Business, we waive the requirements of the Franchise Agreement that you (i) enter into a management agreement with an Authorized Medical Provider, which as a separate entity would operate the Clinic and provide all medical and urgent care services, and (ii) you refrain from

providing any medical services to patients or hiring and supervising medical providers, subject to all applicable Medical Regulations.

d. You acknowledge and agree that we are entering into this Addendum in reliance on your representations and warranties. You understand and agree that your obligations to operate in compliance with Medical Regulations will continue throughout the term of the Franchise Agreement, and if there are any changes in Medical Regulations that would render your operation of the Clinic in violation of any Medical Regulation, you will immediately advise us of such change and of the your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with an Authorized Medical Provider.

e. You acknowledge and agree that by requesting us to permit you to perform all of the activities and obligations of the Authorized Medical Provider (rather than signing a management agreement with an Authorized Medical Provider that would operate the Clinic), you will incur all costs of both managing and operating the Clinic, including those costs that would otherwise be borne by the Authorized Medical Provider (such as obtaining all necessary licensing and certification for practicing medicine and compensation of medical professionals). You have researched the costs associated with both managing and operating the Clinic.

2. Based on your representations and warranties to us above, you and we agree as follows:

a. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 2, you are not required by the Franchise Agreement to enter into a Management Agreement with an Authorized Medical Provider, provided that you comply with applicable Medical Regulations.

b. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 2, you are not restricted from providing medical services to the Clinic's patients, or from hiring and supervising the physicians and employees who are legally authorized to provide medical services to patients of the Clinic.

c. Instead of entering into the Management Agreement with a separate Authorized Medical Provider, you agree to be solely responsible for operating the Clinic and providing, or arranging for and supervising the provision of, medical services to the patients of the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the "Practice" as set forth in the form of Management Agreement attached to this Addendum as Exhibit A (the "Management Agreement"), which are hereby incorporated into this Addendum. Without limiting the foregoing, you acknowledge and agree that these obligations include, but are not limited to:

i. being responsible for all aspects of the diagnostic, therapeutic and related professional services delivered by the physicians at the Clinic; selecting, training, supervising and employing (or otherwise engaging) all physicians; ensuring that the Clinic and all physicians maintain all necessary licenses and credentials; establishing and maintaining quality and standards of patient care, as described in Section 5 of the Management Agreement;

ii. maintaining malpractice and other insurance as described in Section 5 of the Management Agreement; and

iii. indemnifying us as described in Section 9 of the Management Agreement.

d. Instead of entering into the Management Agreement with a separate Authorized Medical Provider, you agree to be solely responsible for providing the management and support services necessary for operating

the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the “Manager” as set forth in the Management Agreement, which are hereby incorporated into this Addendum. Without limiting the foregoing, you acknowledge and agree that these obligations include satisfying the duties and responsibilities of the manager as set forth in Sections 2 and 8 of the Management Agreement;

e. Any reference in the Franchise Agreement to an obligation of, or requirement applicable to, the Authorized Medical Provider will be your obligation.

f. Any reference in the Franchise Agreement to the “Franchised Business” will include your activities in both managing and operating the Clinic.

3. Except as otherwise amended above, the Franchise Agreement is otherwise in full force and effect.

IN WITNESS WHEREOF, the parties duly executed this Addendum as of the date first above written.

C. Franchisor and Franchisee desire to amend the terms of the Franchise Agreement for Franchisee’s conversion of an existing business into the Franchised Business on the following terms. Capitalized terms not defined in this Addendum shall have the meanings set forth in the Franchise Agreement.

AGREEMENT

Franchisee may still need to purchase additional supplies and equipment as necessary to commence operations of the Franchised Business. The Franchise Agreement is hereby amended accordingly.

2. **COMMENCEMENT OF OPERATIONS.** The first paragraph of Section 7.1 of the Franchise Agreement shall be amended as follows:

“Subject to your compliance with these conditions, unless we and you otherwise agree in writing, you agree to open the Franchised Business to the public no more than [amended opening timeframe deadline] after the Effective Date within which to: (1) secure all necessary financing for the Franchised Business; (2) complete the initial training programs described in Section 8.1 of this Franchise Agreement; (3) purchase an opening inventory of equipment and supplies; (4) obtain and provide evidence of insurance as described in Section 19; and (5) commence operation of the Franchised Business.”

3. **CONVERSION.** Franchisee shall, at Franchisee's sole expense and not later than 30 days prior to commencement of operations, convert, refresh and update the appearance, products and services of the current business as required by Franchisor in Franchisor's reasonable discretion. Franchisee shall offer all products and services required by Franchisor. At a minimum, Franchisee shall: (i) repair and/or replace all furniture, fixtures, equipment, signs, supplies, products and materials required for the operation of the Franchised Business ("FF&E") and as Franchisor may otherwise designate; (ii) obtain any new or additional FF&E required to operate the Franchised Business; and (iii) modernize the Franchised Business premises, all as required by Franchisor in order to reflect Franchisor's current standards and images of the Franchised Business system.

4. **TIME IS OF THE ESSENCE.** Franchisor and Franchisee agree that time is of the essence in connection with the construction of leasehold modifications. You will complete such modifications no later than 30 days prior to the date of commencement of the Franchised Business. In the event that you fail to complete modifications by such date, we will have the right to terminate the Franchise Agreement in accordance with Section 24.2 of the Franchise Agreement.

5. **INSPECTION.** Upon completion of the modifications of the premises prior to the commencement of operation of the Franchised Business, you will submit a written request for us to conduct a final inspection of the Franchised Business premises and, upon our receipt of such request, we will promptly conduct a final inspection. You will not open the Franchised Business without our written authorization.

6. **CONTINUING BUSINESS.** You may, at your discretion, continue to operate the Current Business during construction of leasehold modifications up to and through [Closing Date of Existing Business], but will not identify yourself as a NexGenEsis Franchise until you receive our written authorization to conduct business.

7. **LEASE.** You will provide us with a copy of your existing lease for your Current Business premises and make reasonable efforts to negotiate with your lessor within 30 days following the effective date of the Franchise Agreement to amend the lease to include the provisions we require.

8. **CONFIDENTIALITY.** Franchisee agrees to keep the terms of this Addendum confidential and not disclose the contents of this Addendum to any third party, excluding Franchisee's representatives, without the prior written consent of Franchisor.

9. **FURTHER ASSURANCE.** Each of the parties will, upon reasonable request of the other, sign any additional documents necessary or advisable to fully implement the terms and conditions of this Addendum.

10. **NO FURTHER CHANGES.** Except as specifically provided in this Addendum, all of the terms, conditions and provisions of the Franchise Agreement will remain in full force and effect as originally written and signed. RECITALS

A. Franchisor and Franchisee have entered into that certain franchise agreement dated [date] (“Satellite Business Franchise Agreement”) pursuant to which Franchisee will operate its [second/third, etc.] NexGenEsis Healthcare Clinic franchised business to be located at [address] (the “Satellite Business”).

B. Franchisee or its affiliate also operates a NexGenEsis franchised business under a separate franchise agreement dated [date] (“Anchor Business Franchise Agreement”) which is located at [address] (the “Anchor Business”).

C. Franchisor and Franchisee each acknowledge and agree that the Satellite Business will ramp up operations over time and that the obligations under the Satellite Business Franchise Agreement shall be modified contingent upon Franchisee meeting the obligations under this Amendment with respect to both the Satellite Business and the Anchor Business. Capitalized terms not defined in this Amendment shall have the meanings set forth in the Satellite Business Franchise Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and promises of the parties and subject to the following terms and conditions, it is agreed as follows:

11. **RECITALS**. The Recitals are hereby incorporated into the terms of this Amendment as if fully restated herein.

12. **SATELLITE BUSINESS**. As a Satellite Business, the hours of business operations of the Clinic shall be significantly reduced, the Clinic will have limited and fewer offerings than the Anchor Business and the Clinic shall be required to purchase less equipment than the Anchor Business, in accordance with the terms of this Amendment and the Franchise Operations Manual.

13. **OPTIONAL SATELLITE BUSINESS MODEL**. Franchisee has opted to open and operate the NexGenEsis Healthcare Clinic as a Satellite Business of its own accord and is under no obligation to continue to do so. Franchisee may terminate this Amendment at any time by providing written notice to Franchisor in which case Franchisee shall convert the Satellite Business into a traditional NexGenEsis Healthcare Clinic and operate under the hours, conduct the advertising and purchase any additional equipment required for traditional NexGenEsis Healthcare Clinic.

14. **LOCAL ADVERTISING REQUIREMENT**. The first sentence of Section 12.5 of the Satellite Business Franchise Agreement is hereby deleted and replaced with: “In addition to your required Brand Fund Contribution, you must spend \$10,000 per month for the first six months your Franchised

Business is open, and \$20,000 per month thereafter, on local advertising for your Franchised Business (“Local Advertising Requirement”).”

15. **HOURS OF OPERATION.** Notwithstanding anything to the contrary in Section 13.5 of the Satellite Business Franchise Agreement, during the first six months of operation the Satellite Business must operate at a minimum of 8 hours a week - either one day or two half days per week. During the next six months, the Satellite Business must operate a minimum of 16 hours over two days per week. After the first year of operation, the Satellite Business shall operate in accordance with the terms specified in the Satellite Business Franchise Agreement.

16. **EQUIPMENT AND PURCHASES.** Franchisee’s obligation to make certain purchases including equipment in in the Modality Equipment Package and/or the Regenerative Equipment Package may be modified for the Satellite Business in accordance with the Franchise Operations Manual during the period of time that the Satellite Business is not open on a full-time basis.

17. **NO RELOCATION.** Franchisee may not relocate the Satellite Business without Franchisor’s express written consent, which Franchisor may condition on Franchisee no longer operating the Clinic as a Satellite Business and on Franchisee agreeing to terminate this Amendment.

18. **CONTINGENCIES.** The rights and modifications granted to Franchisee under this Amendment are contingent upon each of the following: (1) Franchisee’s continued compliance with the terms of this Amendment; (2) Franchisee’s continued compliance with the terms of the Satellite Business Franchise Agreement; (3) Franchisee’s (or Franchisee’s affiliate’s) continued operation of the Anchor Business and continued compliance with the terms of the Anchor Business Franchise Agreement; and (4) Franchisee’s (and Franchisee’s affiliate) continually complying with any other agreement between Franchisee and/or Franchisee’s affiliates on the one hand and Franchisor on the other.

19. **FRANCHISEE ACKNOWLEDGEMENTS AND COVENANTS.** Franchisee has independently assessed the risks associated with operating the Satellite Business and the associated business model with its own legal counsel and business advisors and understands that the Satellite Business will have a substantially fewer hours of operations, will offer a limited and smaller range of products and services from a traditional NexGenEsis franchised business. Franchisee understands that the Satellite Business is likely to produce significantly less revenues than it would if it were a traditional NexGenEsis franchised business and may fail. Franchisee has voluntarily entered into this Amendment and arrived at the decision to open and operate the Satellite Business of its own accord. Franchisee agrees to indemnify and hold Franchisor and its affiliates and their respective shareholders, directors, officers, employees, agents, successors, and assignees harmless from all of these risks and deviations.

20. **NO FRANCHISOR REPRESENTATIONS.** Franchisor makes no representations, warranties, or guaranties, express or implied, relating to the viability of the Satellite Business, including but not limited to the potential revenues, income, profits, volume or success of the Satellite Business contemplated by this Amendment.

21. **RIGHTS PERSONAL.** The rights granted in this Amendment are personal to Franchisee and are not assignable by Franchisee to any third party. Upon any Transfer by Franchisee under the Satellite Business Franchise Agreement, this Amendment shall automatically terminate unless Franchisor agrees otherwise in writing in its sole discretion.

22. **REAFFIRMATION.** Except as specifically modified by this Amendment, all of the terms and conditions of the Satellite Business Franchise Agreement (including provisions for notice, construction and dispute resolution) are reaffirmed in their entirety.

23. **FURTHER ASSURANCE.** Each of the parties will, upon reasonable request of the other, sign any additional documents necessary or advisable to fully implement the terms and conditions of this Amendment.

24. **NO FURTHER CHANGES.** Except as specifically provided in this Amendment, all of the terms, conditions and provisions of the Satellite Business Franchise Agreement will remain in full force and effect as originally written and signed. In the event of any inconsistency between the provisions of the Satellite Business Franchise Agreement and this Amendment, the terms of this Amendment shall control.

IN WITNESS WHEREOF, the parties duly executed this Amendment as of the date first above written.
